

STATEMENT OF PURPOSE

RS32786C1 / S1211

This bill allows Ivermectin suitable for human use to be sold over the counter in Idaho without a prescription or consultation with a health care professional. Ivermectin has a long history of safe use, and removing prescription requirements enhances health care freedom, reduces burdens on providers, and ensures Idahoans can access it without unnecessary restrictions.

FISCAL NOTE

This legislation has no significant fiscal impact on the state. It requires no additional regulatory oversight or enforcement, imposes no costs on state agencies, and may reduce minor burdens on health care providers.
