Although filers should continue to provide full names on their UCC documents, a name that exceeds the fixed length is entered as presented to the filing officer, up to the maximum length of the data entry field. The length of data entry name fields are as follows. (3-25-22)

a. First name: Fifty (50) characters. (3-25-22)

b. Middle name: Fifty (50) characters. (3-25-22)

This rule applies to the names of organizations which are debtors or secured parties on a UCC document. (3-25-22)

01. ~~Single Field.~~ The names of organizations are stored in the same files as the names of individuals. 02. ~~Truncation—Organization Names.~~ The organization name field in the UCC database is fixed in length. The maximum length is two hundred fifty-five (255) characters. 305. TRUSTS.

If the trust is named in its organic document(s), its full legal name, as set forth in such document(s), is used. ~~Such trusts are~~ and treated as organizations. If the trust is not ~~so~~ named, the name of the settlor is used. If a settlor is indicated to be an organization, the name is treated as an organization name. If the settlor is an individual, the name is treated as an individual name. ~~A UCC document that uses a settlor's name should include other information provided by the filer to distinguish the debtor trust from other trusts having the same settlor and all financing statements filed against trusts or trustees acting with respect to property held in trust should indicate the nature of the debtor. If this is done in, or as part of, the name of the debtor, it will be entered as if it were a part of the name under Sections 407 and 408.~~ (3-25-22) ()

(3-25-22)

b. Debtor Name Change. An amendment that changes a debtor's name has no effect on the status of any debtor or secured party, except that the related initial financing statement and all UCC documents that include an identification of such initial financing statement shall be cross-indexed in the UCC information management system so that a search under either the debtor's old name or the debtor's new name will reveal such initial financing statement and such related UCC documents. Such a statement of amendment affects only the rights of its authorizing secured party(ies).
(3-25-22)

c. Secured Party Name Change. An amendment that changes the name of a secured party has no effect on the status of any debtor or any secured party, but the new name is added to the index as if it were a new secured party of record.

(3-25-22)

e. Addition of a Secured Party. An amendment that adds a new secured party shall not affect the status of any party to the financing statement, except that the new secured party name shall be added as a new secured party on the financing statement.

~~SUBCHAPTER 4 — FILING AND DATA ENTRY PROCEDURES~~

~~400. **POLICY STATEMENT.**~~

~~This section contains rules describing the filing procedures of the filing officer upon and after receipt of a UCC document. It is the policy of the filing officer to file promptly a document that conforms to these rules. Except as provided in these rules, data is transferred from a UCC document to the information management system exactly as the data is set forth in the document. Personnel who create reports in response to search requests type search criteria exactly as set forth on the search request. No effort is made to detect or correct errors of any kind. (3-25-22)~~

~~401. **DOCUMENT INDEXING AND OTHER PROCEDURES BEFORE ARCHIVING.**~~

~~01. **Cash Management.** Transactions necessary to payment of the filing fee are performed. (3-25-22)~~

~~02. **Document Review.** The filing office determines whether a ground exists to refuse the document under Section 202. (3-25-22)~~

~~a. **File Stamp.** If there is no ground for refusal of the document, the document is stamped or deemed filed and a unique identification number and the filing date is stamped on the document or permanently associated with the record of the document maintained in the UCC information management system. The sequence of the identification number is not an indication of the order in which the document was received. (3-25-22)~~

~~b. **Correspondence.** If there is a ground for refusal of the document, notification of refusal to accept the document is prepared as provided in Section 205. If there is no ground for refusal of the document, an acknowledgment of filing is prepared as provided in Section 206. Acknowledgment of filing or notice of refusal of a UCC document is sent to the secured party (or the first secured party if there are more than one (1)) named on the UCC document or to the remitter if the remitter so requests by regular mail or by overnight courier if the remitter provides a prepaid waybill or access to the remitter's account with the courier. (3-25-22)~~

~~402. FILING DATE.~~

~~The filing date of a UCC document is the date the UCC document is received with the proper filing fee if the filing office is open to the public on that date; or, if the filing office is not so open to the public on that date, the filing date is the next date the filing office is so open, except that, in each case, UCC documents received after 5 p.m. shall be deemed received on the following day. The filing officer may perform any duty relating to the document on the filing date or on a date after the filing date.~~ (3-25-22)

~~403. FILING TIME.~~

~~The filing time of a UCC document is determined as provided in Section 106.~~ (3-25-22)

~~404. LAPSE DATE AND TIME.~~

~~A lapse date is calculated for each initial financing statement (unless the debtor is indicated to be a transmitting utility). The lapse date is the same date of the same month as the filing date in the fifth year after the filing date or relevant subsequent fifth anniversary thereof if a timely continuation statement is filed, but if the initial financing statement indicates that it is filed with respect to a public finance transaction or a manufactured home transaction, the lapse date is the same date of the same month as the filing date in the thirtieth year after the filing date. The lapse takes effect at midnight at the end of the lapse date. The relevant anniversary for a February 29 filing date shall be March 1 in the fifth year following the year of the filing date.~~ (3-25-22)

~~405. ERRORS OF THE FILING OFFICER.~~

~~The filing office may correct the errors of filing officer personnel in the UCC information management system at any time. If the correction is made after the filing officer has issued a certification date that includes the filing date of a corrected document, the filing officer shall file a filing officer statement in the UCC information management system identifying the record to which it relates, the date of the correction and explaining the nature of the corrective action taken. The notation shall be preserved as long as the record is preserved in the UCC information management system.~~ (3-25-22)

~~406. ERRORS OTHER THAN FILING OFFICE ERRORS.~~

~~An error by a filer is the responsibility of such filer. It can be corrected by filing an amendment or it can be disclosed by a correction statement.~~ (3-25-22)

~~407. DATA ENTRY OF NAMES — DESIGNATED FIELDS.~~

~~A filing should designate whether a name is a name of an individual or an organization and, if an individual, also designate the first, middle and last names and any suffix. When this is done, Subsections 407.01 through 407.03 shall apply:~~ (3-25-22)

~~**01. Organization Names.** Organization names are entered into the UCC information management system exactly as set forth in the UCC document, even if it appears that multiple names are set forth in the document or if it appears that the name of an individual has been included in the field designated for an organization name.~~ (3-25-22)

~~**02. Individual Names.** On a form that designates separate fields for first, middle, and last names and any suffix, the filing officer enters the names into the first, middle, and last name and suffix fields in the UCC information management system exactly as set forth on the form.~~ (3-25-22)

~~**03. Designated Fields Encouraged.** The filing office encourages the use of forms that designate separate fields for individual and organization names and separate fields for first, middle, and last names and any suffix. Filers should be aware that the inclusion of a name in an incorrect field or the failure to transmit a name accurately to the filing office may cause a filing to be ineffective.~~ (3-25-22)

~~408. DATA ENTRY OF NAMES — NO DESIGNATED FIELDS.~~

~~A UCC document that is an initial financing statement or an amendment that adds a debtor to a financing statement and that fails to specify whether the debtor is an individual or an organization shall be refused by the filing office. If it is accepted for filing in error, the following rules in Subsections 408.01 through 408.04 shall apply:~~ (3-25-22)

~~**01. Identification of Organizations.** A name is treated as an organization name if it contains words or~~

~~abbreviations that indicate status such as the following and similar words or abbreviations in foreign languages: association, church, college, company, co., corp., corporation, inc., limited, ltd., club, foundation, fund, L.L.C., limited liability company, institute, society, union, syndicate, GmbH, S.A. de C.V., limited partnership, L.P., limited liability partnership, L.L.P., trust, business trust, co-op, cooperative and other designations established by statutes to indicate a statutory organization. In cases where organization or individual status is not designated by the filer and is not clear, the filing officer will use his own judgment.~~ (3-25-22)

~~**02. Identification of Individuals.** A name is entered as the name of an individual and not the name of an organization when the name is followed by a title substantially similar to one (1) of the following titles, or the equivalent of one (1) of the following titles in a foreign language: proprietor, sole proprietor, proprietorship, sole proprietorship, partner, general partner, president, vice president, secretary, treasurer, M.D., O.D., D.D.S., attorney at law, Esq., accountant, CPA. In such cases, the title is not entered.~~ (3-25-22)

~~**03. Individual and Organization Names on a Single Line.** Where it is apparent that the name of an individual and the name of an entity are stated on a single line and not in a designated individual name field, the name of the individual and the name of the entity shall be entered as two (2) separate debtors, one (1) as an individual and one (1) as an entity. Additional filing fees for the amendment to add additional debtor name(s) may be required.~~ (3-25-22)

~~**04. Individual Names.** The failure to designate the last name of an individual debtor in an initial financing statement or an amendment adding such debtor to a financing statement should cause a filing to be refused. If the filing is accepted in error, or if only the last name is designated, the following data entry rules apply:~~ (3-25-22)

~~**a. Freestanding Initials.** An initial in the first position of the name is treated as a first name. An initial in the second position of the name is treated as a middle name.~~ (3-25-22)

~~**b. Combined Initials and Names.** An initial and a name to which the initial apparently corresponds is entered into one (1) name field only [e.g. "D. (David)" in the name "John D. (David) Rockefeller" is entered as "John" (first name); "D. (David)" (middle name); "Rockefeller" (last name)].~~ (3-25-22)

~~**c. Multiple Individual Names on a Single Line.** Two (2) individual names contained in a single line are entered as two different debtors [e.g. the debtor name "John and Mary Smith" is entered as two (2) debtors: "John Smith" and "Mary Smith"].~~ (3-25-22)

~~**d. One Word Names.** A one (1) word name is entered as a last name [e.g. "Charro" is treated as a last name].~~ (3-25-22)

~~**e. Nicknames.** A nickname is entered in the name field together with the name preceding the nickname, or if none, then as the first name (e.g., "William (Bill) Jones").~~ (3-25-22)

~~**409. VERIFICATION OF DATA ENTRY.** The filing officer uses double key entry to verify the accuracy of data entry tasks.~~ (3-25-22)

~~**410. INITIAL FINANCING STATEMENT.**~~

~~**01. New Record Bears the Unique UCC File Number.** A new record is opened in the UCC information management system for each initial financing statement. The new record bears the unique file number of the financing statement and the date and time of filing.~~ (3-25-22)

~~**02. Name and Address of Each Debtor.** The name and address of each debtor that are legibly set forth in the financing statement are entered into the record of the financing statement. ~~**03. Name and Address of Each Secured Party.** The name and address of each secured party that are legibly set forth in the financing statement are entered into the record of the financing statement.~~ (3-25-22)

~~**04. Record Is Indexed According to the Name of the Debtor.** The record is indexed according to the~~

name of the debtor(s) and is maintained for public inspection. (3-25-22)

~~05. **Lapse Date.** A lapse date is established for the financing statement, and the lapse date is maintained as part of the record. No lapse date is established for a financing statement which indicates it is filed against a transmitting utility. (3-25-22)~~

~~411. **AMENDMENT.**~~

~~01. **Date and Time of Filing Amendment.** A record is created for the amendment that bears the file number for the amendment and the date and time of filing. (3-25-22)~~

~~02. **Amendment Initial Financing Statement.** The record of the amendment is associated with the record of the related initial financing statement in a manner that causes the amendment to be retrievable each time a record of the financing statement is retrieved. (3-25-22)~~

~~03. **Amendment Financing Statement Lapses.** The name and address of each additional debtor and secured parties are entered into the UCC information management system in the record of the financing statement. Each such additional debtor name is added to the searchable index and is not removed until one (1) year after the financing statement lapses. (3-25-22)~~

~~04. **New Lapse Date Is Established.** If the amendment is a continuation, a new lapse date is established for the financing statement and maintained as part of its record. (3-25-22)~~

~~412. **CORRECTION STATEMENT.**~~

~~A record is created for the correction statement that bears the file number for the correction statement and the date and time of filing. The record of the correction statement is associated with the record of the related initial financing statement in a manner that causes the correction statement to be retrievable each time a record of the financing statement is retrieved. (3-25-22)~~

~~413. **GLOBAL FILINGS.**~~

~~01. **Filing a Single UCC Document.** The filing officer may accept for filing a single UCC document for the purpose of amending more than one (1) financing statement, for one (1) or both of the following purposes: (3-25-22)~~

~~a. Amendment to change secured party name; or (3-25-22)~~

~~b. Amendment to change secured party address. (3-25-22)~~

~~02. **Global Filing.** A global filing shall consist of a written document describing the requested amendment on a form approved by the filing office. ~~**SUBCHAPTER 5 — SEARCH REQUESTS AND REPORTS**~~

~~500. **GENERAL REQUIREMENTS.**~~

~~The filing officer SOS maintains for public inspection a searchable index for all records of UCC documents that provides for the retrieval of a record by the name of the debtor and by the file number of the initial financing statement to which the record relates and which associates each initial financing statement and each filed UCC document relating to the initial financing statement.
