RULE 45

Ethics and House Policy Committee. – (1) It is the policy of the Idaho House of Representatives that when addressing an ethics complaint, the business of the Ethics and House Policy Committee shall be considered an internal matter that is not open to the public and that is not subject to House Rules 24 and 26. Further, to protect impartiality, the committee shall not be subject to House Rules 23 and 25.

(2)(a) At the first regular caucus meeting after convening of the first regular session of each legislature, each caucus shall elect the Ethics and House Policy Committee members. The committee shall consist of five members of the House who shall be known as the sitting members. Of the sitting members, three shall be selected by members of the majority caucus and two shall be selected by members of the minority caucus.

(b) Each caucus shall elect a first and second committee alternate for its respective caucus, ranked according to the number of votes each alternate received. An alternate shall not be considered a sitting member.

(c) Committee members shall have served at least one full term in the Legislature. Ethics and House Policy Committee members shall not have been previously sanctioned by the House for an ethics violation pursuant to any House ethics rule.

(d) A complaint against a sitting member shall result in an immediate vacancy of such member's position on the committee, and the committee shall investigate such complaint. If the committee's investigation results in no action, the sitting member shall be reinstated unless otherwise determined by the committee.

(e) A vacancy on the committee shall be filled by the first alternate for the respective caucus for the duration of the vacancy. A second vacancy on the committee shall be filled by the second alternate for the respective caucus for the duration of the vacancy.

(4)(a) An ethics complaint must be submitted in writing by any current member of the House and must be signed by the complaining member. If the substance of an ethics complaint is made without personal knowledge of the facts, the complaint must include a statement that the complainant believes the truth of the accusation together with facts supporting such belief. Failure to meet this criteria may result in dismissal of the complaint. A false accusation may result in an investigation by the committee.

(b) A complainant shall confidentially deliver a copy of the complaint to the committee chair and one minority sitting member. The chair shall then confidentially notify the remaining sitting members that a meeting will be held.

(c) If the committee determines that the complaint meets the criteria set out in paragraph (a) of this subsection, the committee shall provide the respondent with a copy of the complaint and all evidence submitted supporting the complaint.

(d) The respondent may submit a written answer to the chair of the committee no later than five days after receipt of the complaint. Such answer, if provided, shall be presented to the committee. Upon the expiration of the five-day period a hearing may be called.

(e) All information regarding any committee work shall not be subject to a public records request and shall remain confidential unless the committee determines otherwise by unanimous vote. Failure to maintain confidentiality may result in an investigation by the committee.

(7) The chair shall be responsible for safekeeping all committee records relating to a complaint, and such records shall be maintained in a locked box in the office of the chief clerk for the duration of the respondent's service in the Legislature. There must be one majority member and one minority member present at all times to open and examine the records. Regardless of the ultimate disposition of the complaint or whether a report has been submitted to the body, the committee may, by majority vote, remove and destroy committee records relating to a complaint.

(8) The House of Representatives shall vote on any recommendation of the committee, as set forth in the committee's report, during the regular session of the Legislature when the committee makes such report. If the committee meets during the interim when the Legislature is not in session, then the House shall vote on the committee recommendation during the next regular session of the Legislature.

(9) Expulsion of a House member shall require the affirmative vote of two-thirds of the members of the House as provided by Section 11, Article III of the Constitution of the State of Idaho. Reprimand or censure of a member shall require the affirmative vote of a majority of the members of the House. Any action of the House pursuant to this rule shall be final.

(10) At the end of each regular session of the Legislature, the committee shall report the number of complaints received during that session and whether or not action has been recommended. No disclosure of the substance of dismissed complaints is permitted.

(11) All expenditures incurred pursuant to this rule shall be approved by the chair and paid by vouchers and warrants drawn as provided by law from the Legislative Account.

RULE 26

Committee Meetings to be Open, Executive Sessions Limited, Disruption of Meetings. – (1) All regular meetings of any standing, special or select committee of the House of Representatives shall be open to the public at all times. Any person may attend any meeting of any standing or select or special committee, but may participate in said committee only with the approval of the committee itself.

(2) Executive sessions of a standing, special or select committee of the House of Representatives shall be limited and undertaken only when necessitated by extraordinary circumstances as provided in this rule. Except in an emergency involving security or threats against state citizens, resources or facilities, an executive session may be considered by a committee only after the committee has given public notice at least twenty-four hours in advance of the meeting that the committee will have before it a request to meet in executive session, has listed the person(s) or agency that has requested the executive session, and has described the reason(s) for which an executive session has been requested. Only after the committee chairman has identified the reason(s) for holding the executive session and only upon a two-thirds vote recorded in the minutes of the meeting of the committee, shall a committee be allowed to hold an executive session during any meeting, at which time persons who are not members of the legislature may be excluded. Executive sessions shall be held only when and to the extent necessary to: discuss records that are exempt from public disclosure by statute, court decision or court rule; consider pending litigation, mediation or arbitration; consider personnel decisions involving a legislative employee; ~~conduct a preliminary investigation of an ethics complaint against a member under Rule 45;~~ consider charges brought against or the discipline or dismissal of a member when public disclosure would harm an innocent third party; discuss the security of or threats against state citizens, resources or facilities; or discuss acquiring an interest in real property which is not owned by a public agency. Under no circumstances, however, shall an executive session be authorized or held for the purpose of taking any final action or making any final decision, and during such executive session, no votes or official action may be taken.

(3) Nothing in this rule shall prohibit the removal of any person who willfully disrupts a meeting to the extent that orderly conduct is seriously compromised.

HOUSE CONCURRENT RESOLUTION NO. 34 BY WAYS AND MEANS COMMITTEE A CONCURRENT RESOLUTION

STATING FINDINGS OF THE LEGISLATURE AND REAFFIRMING IDAHO'S RIGHTS PURSUANT TO THE BEAR RIVER COMPACT.

Be It Resolved by the Legislature of the State of Idaho:

WHEREAS, the Bear River is a vital lifeline for the agricultural, municipal, and recreational economy of southeastern Idaho, specifically sustaining Idaho's Bear Lake, Franklin, Caribou, and Oneida counties; and

WHEREAS, the distribution of the waters of the Bear River is governed by the Amended Bear River Compact of 1980 (Compact), a binding interstate agreement between the states of Idaho, Utah, and Wyoming that is ratified by the United States Congress; and

WHEREAS, the Compact divides the Bear River into three segments, the Upper Division, Central Division, and Lower Division; and

WHEREAS, the Lower Division begins at Stewart Dam, north of Bear Lake in Idaho, and terminates at the Great Salt Lake, in Utah; and

WHEREAS, under the Compact's specific provisions governing the Lower Division, the water in the Bear River is allocated as follows (compact allocation waters):

(1) Idaho holds a statutorily defined "first right" to develop, deplete, and beneficially use the first 125,000 acre-feet of water;

(2) Utah holds a subsequent "second right" to develop up to 275,000 acre-feet of water, only after Idaho's specific allocation has been satisfied; and

(3) Both Idaho and Utah hold an equal right to divert up to 75,000 acre-feet of any remaining water in the Bear River's Lower Division; and

WHEREAS, based on these allocations, Idaho has a competitive imperative to develop and actively manage its allocation of water to prevent subordination or loss; and

WHEREAS, the preservation of Bear Lake is critical to Idaho, not only for its immense recreational value but also as a storage reservoir subject to the irrigation reserve, which acts as a safeguard for Idaho irrigators during periods of drought; and

WHEREAS, growing pressures, including demands from downstream users and potential federal encroachment, threaten to strand Idaho's undeveloped compact allocation waters unless concrete steps to develop infrastructure are taken; and

WHEREAS, prior appropriation, combined with the pressures of regional population growth, dictates that Idaho must move from passive entitlement to active development of its compact allocation waters.

NOW, THEREFORE, BE IT RESOLVED by the members of the Second Regular Session of the Sixty-eighth Idaho Legislature, the House of Representatives and the Senate concurring therein:

(1) That the Legislature unequivocally reaffirms Idaho's entitlement to the first 125,000 acre-feet of water in the Lower Division as guaranteed by the Amended Bear River Compact and declares it the policy of this state to vigorously oppose any federal or interstate attempt to reallocate, diminish, or encumber this water for downstream purposes in Utah;

(2) That the State of Idaho shall invest in state-of-the-art telemetry, stream gauging, and diversion metering in the Lower Division as this data collection is essential to scientifically quantify Idaho's current development and to substantiate future development;

(3) That Idaho's commissioners to the Bear River Commission are directed to strictly interpret and enforce the irrigation reserve water elevation statutes for Bear Lake;

(4) That while the State of Idaho supports collaborative efforts to control invasive species and improve water quality, such cooperation shall not be construed as a waiver of Idaho's right to develop its full compact allocation;

(5) That the Idaho Water Resource Board is directed to prepare two reports as follows:

(a) The first report, shall be provided to House and Senate leadership no later than June 1, 2026, and shall include the following:

(i) A description of the current development of the compact allocation waters for Idaho and Utah as of the date of this resolution;

(ii) The frequency and timing of water supplies in the Lower Division that are available for further development; and

(iii) Preliminary opportunities for further development of Idaho's compact allocation to address Idaho's statewide water obligations, including estimated costs and timelines for completing projects related to the opportunities identified in the report.

(b) The second report shall be completed no later than September 30, 2026, presented to the Natural Resources Interim Committee, and include the following:

(i) Recommended and prioritized projects for further development of Idaho's compact allocation; and

(ii) An outline of the necessary steps for the Idaho Water Resource Board, the Idaho Department of Water Resources, and the Idaho Legislature to secure future development of Idaho's compact allocation waters.

(6) That the Idaho Water Resource Board is hereby directed to prioritize and expedite feasibility studies on projects identified in the Bear River Basin reports, including but not limited to new surface water storage sites, off-stream storage facilities, and aquifer recharge projects, to protect and develop the state's allocation under the Bear River Compact, without harming the natural hydrology of Bear Lake.

(7) That the Legislature directs the Idaho Water Resource Board to allocate funds from the \$30,000,000 fiscal year 2027 transfer to the water management account to support implementation of these reports and any legislation pursuant to the reports' findings.

(8) That the Legislature directs the Idaho Water Resource Board to confer with the leadership of the Idaho House of Representatives and Senate prior to entering into any agreement regarding the use or management of the Bear River or Bear Lake with any power utility or the states of Wyoming or Utah.

BE IT FURTHER RESOLVED that the Chief Clerk of the House of Representatives is hereby authorized and directed to forward a copy of this Resolution to the Governor of the State of Idaho, the Director of the Idaho Department of Water Resources, the Idaho Water Resource Board, the Idaho delegation to the Bear River Commission, and the Governor of the State of Utah.

HOUSE JOINT MEMORIAL NO. 20 BY EDUCATION COMMITTEE

A JOINT MEMORIAL

TO THE PRESIDENT OF THE UNITED STATES, THE PRESIDENT OF THE UNITED STATES SENATE, THE SPEAKER OF THE UNITED STATES HOUSE OF REPRESENTATIVES, THE SECRETARY OF STATE OF THE UNITED STATES, AND THE CONGRESSIONAL DELEGATION REPRESENTING THE STATE OF IDAHO IN THE CONGRESS OF THE UNITED STATES.

We, your Memorialists, the House of Representatives and the Senate of the State of Idaho assembled in the Second Regular Session of the Sixty-eighth Idaho Legislature, do hereby respectfully represent that:

WHEREAS, the State of Idaho is constitutionally obligated to maintain a general, uniform, and thorough system of public, free common schools; and

WHEREAS, federal immigration policy and enforcement are powers vested exclusively in the United States Congress; and

WHEREAS, pursuant to the decision of the United States Supreme Court in *Plyler v. Doe*, 457 U.S. 202 (1982), states are required to provide access to public K-12 education to students residing within their borders regardless of immigration status; and

WHEREAS, the fiscal responsibility for complying with such federal constitutional requirements rests primarily with state and local governments, without a dedicated federal funding stream tied to immigration status or lawful presence; and

WHEREAS, the average per-pupil expenditure in the State of Idaho is approximately \$11,000 per student per year, and the aggregate cost to Idaho of educating students whose presence in the United States is governed by federal immigration policy represents a significant and ongoing financial commitment borne primarily by state and local taxpayers; and

WHEREAS, students requiring English language acquisition services, remedial instruction, and supplemental academic supports often generate additional instructional costs beyond base per-pupil funding; and

WHEREAS, federal funding under Title I of the Elementary and Secondary Education Act (ESEA), intended to support low-income students, and Title III of ESEA, intended to support English learners, does not fully reimburse states or school districts for the actual costs of providing required services; and

WHEREAS, the allocation formulas under Title I and Title III of ESEA are not designed to offset the full fiscal impact on states arising from federal immigration policy decisions or constitutional requirements; and

WHEREAS, Idaho's local school districts must balance constitutional educational obligations with limited state and local revenues, creating measurable budgetary pressures that may affect staffing levels, class sizes, and program offerings for all students; and

WHEREAS, principles of fiscal federalism support the proposition that when federal policy decisions generate substantial financial obligations for states, the federal government should provide commensurate funding support.

NOW, THEREFORE, BE IT RESOLVED by the members of the Second Regular Session of the Sixty-eighth Idaho Legislature, the House of Representatives and the Senate concurring therein, that:

(1) The Idaho Legislature respectfully urges the Congress of the United States to establish a dedicated federal reimbursement or block grant program to assist states in covering the costs of educating students residing in the United States regardless of immigration status. Such funding should be designed to supplement, not supplant, existing Title I and Title III ESEA allocations and should reflect actual per-pupil expenditures incurred by the State of Idaho;

(2) Congress should review and revise federal education funding formulas to ensure that states disproportionately impacted by federal immigration policy receive equitable fiscal support; and

(3) Congress should commission a comprehensive fiscal impact study evaluating the aggregate cost to states of complying with federal constitutional and immigration-related educational obligations.

BE IT FURTHER RESOLVED that the Chief Clerk of the House of Representatives be, and she is hereby authorized and directed to forward a copy of this Memorial to the President of the United States, the President of the United States Senate, the Speaker of the United States House of Representatives, the Secretary of State of the United States, and the congressional delegation representing the State of Idaho in the Congress of the United States.
