

REVISED

## STATEMENT OF PURPOSE

RS32843 / H0523

The Department of Administration and the Idaho State Police jointly provide security for the Capitol Mall. The proposed legislation enhances this security by empowering the Director of the Idaho Department of Administration and the Idaho State Police (plus their representatives) to ban disruptive or non-compliant individuals from entering the Capitol and Supreme Court buildings for up to one year; imposes time limits on how long “symbolic tents” and other structures may remain erected in the Capitol Mall; and formally defines “camping,” while still permitting side-free canopies for shelter. Additionally, it broadens the scope of property that may be held for at least 90-days.

## FISCAL NOTE

This legislation will have no impact on the state’s General fund or any dedicated fund or federal fund because the proposed legislation only enhances the security that is currently being provided in the Capitol Mall area.
