

STATEMENT OF PURPOSE

RS33005 / H0526

This legislation removes barriers for entrepreneurs starting a food business. The requirements for a new business to sell any time / temperature controlled foods are burdensome. This legislation allows small sellers (under \$5,000) to be able to get a start in selling these types of foods.

FISCAL NOTE

This legislation causes no increase or decrease in revenue, or additional expenditure of funds at the state or local level of government; therefore, this legislation has no fiscal impact.
