

STATEMENT OF PURPOSE

RS33099 / H0547

This legislation lowers the amount of education hours for a cosmetology license from 1,600 to 1,000. It also lowers the amount of apprenticeship hours for a cosmetology license from 3,200 to 2,000. This lowers the barriers for people seeking to become cosmetologists. It also makes Idaho more competitive with other states.

FISCAL NOTE

This legislation causes no additional expenditure of funds at the state or local level of government, nor does it cause an increase or decrease in revenue for state or local government. Therefore, the legislation has no fiscal impact.
