

STATEMENT OF PURPOSE

RS33107C1 / H0561

This legislation amends Idaho Code to revise provisions regarding flags flown by government entities and to establish provisions regarding enforcement by the Attorney General. Failure of a government entity to comply will be subject to a civil penalty of \$2000 per flag each day flag is displayed. The Attorney General will have the duty to enforce this penalty against a government entity. If there is a failure to comply, the Attorney General has the authority to file a civil action in District Court.

FISCAL NOTE

The proposed amendment will have no fiscal impact to the general fund, any other state fund or local governments because it only sets standards and does not change any major operations of government. The Division of Veteran's Services will direct protocol for location and display of flags on state property.
