## STATEMENT OF PURPOSE

RS33027 / H0623

This legislation requires public school classrooms provide a moment of silence for students for a minimum of sixty seconds, at or near the beginning of each school day, to reflect, meditate, pray, or engage in any other silent activity. It is the student's choice, so long as they do not interfere with another student's moment of silence. Public schools are prohibited from providing instruction regarding the nature of the moment of silence, other than as provided in this section.

## FISCAL NOTE

This legislation causes no increase or decrease in revenue, or additional expenditure of funds at the state or local level of government; therefore, this legislation has no fiscal impact.
