STATEMENT OF PURPOSE

RS33189 / H0684

This legislation adds a new section into Idaho Code 20-629, to authorize a sheriff's office to seek reimbursement for the costs of collecting a prisoner, probationer or parolee from out-of-state. These are individuals who have absconded from the Idaho Department of Correction.

FISCAL NOTE

Reimbursement amounts vary by county based on costs incurred in returning a prisoner, probationer, or parolee to the State of Idaho. The total annual reimbursement to county sheriff offices is estimated to not exceed $200,000. Actual expenditures will depend on the number of applicable cases and the costs incurred by individual counties.
