

## STATEMENT OF PURPOSE

RS33531 / H0766

This legislation addresses a current problem for Idaho Fire and Ambulance Service Districts. This problem occurs when these special districts, with elected Board members, decide to adopt a development impact fee ordinance. This legislation adds these districts to the list of other entities empowered to do so (cities, counties, single county-wide highway districts).

## FISCAL NOTE

This legislation causes no increase or decrease in revenue, or additional expenditure of funds at the state or local level of government; therefore, this legislation has no fiscal impact.
