

## STATEMENT OF PURPOSE

RS33414 / H0768

This legislation amends provisions of the Idaho Contractor Registration Act to clarify registration requirements and strengthen the authority of the contractor registration board to investigate and discipline contractors when necessary.

The bill requires additional ownership and compliance information in contractor registration applications, updates disciplinary investigative authority, clarifies penalties and corrective options available to the board, and establishes procedures governing individuals seeking new registration following disciplinary action. The legislation also makes technical corrections to existing statute to improve clarity and consistency in administration enforcement.

## FISCAL NOTE

This legislation is not expected to have a fiscal impact on the state General Fund. Implementation and enforcement will occur within existing board operations funded through registration fees.

Any administrative workload associated with investigations or disciplinary actions is expected to be managed within existing resources and fee-supported operations.
