

STATEMENT OF PURPOSE

RS33609 / H0852

In 2022, the Idaho Legislature passed Idaho Code Section 39-1359, allowing the conveyance of hospital district property to nonprofit entities. That law resulted in the transformation, rather than a traditional conveyance (i.e. sale), of at least one district hospital into a nonprofit corporation. This bill creates an accountability structure wherein a hospital so conveyed must publish the membership structure, governing board members, and any information which may be material to a transfer of control, among other things.

FISCAL NOTE

This legislation causes no increase or decrease in revenue, or additional expenditure of funds at the state or local level of government; therefore, this legislation has no fiscal impact.
