

REVISED

## STATEMENT OF PURPOSE

RS32966C1 / S1225

This legislation adds a new section of code to Title 33 defining the process for all president searches for the state institutions of higher education. This would codify the existing practice that has been utilized by the State Board of Education. This legislation amends Idaho Code 74-106 to make only the name of the sole finalist publicly available. ~~for 10 days prior to the final decision being made by the hiring authority.~~

## FISCAL NOTE

There is no impact to the state general fund or to local units of government because the legislation codifies the existing practice for president searches and the change to releasing the sole finalist has no fiscal implications.
