REVISED

STATEMENT OF PURPOSE

RS33024 / S1239

This legislation closes a gap in Idaho law by extending existing sex offender residency restrictions to daycares that are zoned, permitted, or approved by a city or county. Current law applies only to state-licensed daycares, even though some daycares operate legally without a license. This change ensures consistent protections for children without expanding licensing requirements or regulating home daycares.

FISCAL NOTE

There is no impact to the State General Fund or to local units of government because it only updates current code.
