To ensure that state laws are streamlined, up-to-date, and essential for the citizens of Idaho, while best serving public health, safety, and welfare, the Legislature approved the Idaho Code Cleanup Act, H14 in the 2025 Legislative session. Submitted sections of Idaho Code were reviewed for repeal consideration by the DOGE Task Force on the criteria of obsolete, outdated, and unnecessary.

This bill updates a time zone references in Section 20-524A, Idaho Code by removing the word standard from "mountain standard time."
