

REVISED

STATEMENT OF PURPOSE

RS33154 / S1269

This legislation updates Idaho's cloud seeding statutes by placing clear **definitions, authorization, and reporting mechanisms** into law to improve transparency and accountability. It provides for public meetings and reporting on cloud seeding operations, environmental considerations, and program effectiveness under an existing program.

FISCAL NOTE

There is **no fiscal impact** to any state, local, or federal funds associated with this legislation. The bill applies to an existing cloud seeding program and establishes transparency, definitions, and accountability measures only. No new programs are created and no additional expenditures are required.
