

STATEMENT OF PURPOSE

RS33200 / S1295

The purpose of this legislation is to amend Section 19-202, Idaho Code, relating to Resistance to a Threatened Party that will specifically allow a threatened person to remove their defensive weapon from it's holster or other container in defensive situations should the need arise. The current wording in the statute relies on a broad interpretation of the words "Exposing, Displaying..." and it will remove the ambiguity of the current wording.

FISCAL NOTE

This legislation causes no increase or decrease in revenue, or additional expenditure of funds at the state or local level of government; therefore, this legislation has no fiscal impact.
