STATEMENT OF PURPOSE

RS33313C1 / S1347

This bill requires annual reporting by the Idaho Housing and Finance Association (IHFA) on federal homeless assistance funds it administers, including Continuum Of Care and Emergency Solutions Grant programs, to provide transparency on how those funds are received, distributed, and the outcome. This legislation does not reduce funding or affect services.

FISCAL NOTE

While the majority of the information requested is already being collected and reported to Homeless Management Information System (HMIS), there may be a increase in administrative work to IHFA and subrecipients to collect the transparency data. This cost will be absorbed with existing resources. Therefore, there is no fiscal impact on the Idaho State General Fund.
