Whenever any school district has sufficient funds on deposit so to do, it may pay any allowed claim for salaries, wages or purchases by regular bank check signed by the treasurer of the district and countersigned by the chairman, or vice-chairman, of the board of trustees.

The total amount of warrants or orders for warrants drawn on any fund, together with disbursements from such fund in any other manner made, shall not exceed ninety-five percent (95%) of the estimated income and revenue accrued or accruing to such fund for the same school year, until such income and revenue shall have been paid into the treasury to the credit of the district;

AN ACT
RELATING TO HAZARDOUS WASTE; AMENDING SECTION 39-4413, IDAHO CODE, TO PROVIDE THAT THE DIRECTOR SHALL COMMENCE A PERMIT SUSPENSION OR REVOCATION ACTION BY GIVING WRITTEN NOTICE.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 39-4413, Idaho Code, be, and the same is hereby amended to read as follows:

39-4413. ENFORCEMENT PROCEDURES. (A) Whenever the director determines that any person is in violation of any provision of this chapter or any permit, standard, regulation, condition, requirement, compliance agreement or order issued or promulgated pursuant to this chapter, one or more of the following actions may be taken:

(1) ADMINISTRATIVE ENFORCEMENT ACTIONS.

(a) Notice. The director may commence an administrative enforcement action by issuing a written notice of violation. The notice of violation shall identify the alleged violation with specificity, shall specify each provision of the act, rule, regulation, permit or order which has been violated, and shall state the amount of civil penalty claimed for each violation. The notice of violation shall inform the person to whom it is directed of an opportunity to confer with the director or the director's designee in a compliance conference concerning the alleged violation. A written response may be required within fifteen (15) days of receipt of the notice of violation by the person to whom it is directed.

(b) Scheduling Compliance Conference. If a recipient of a notice of violation contacts the department within fifteen (15) days of the receipt of notice, the recipient shall be entitled to a compliance conference. The conference shall be held within twenty (20) days of the date of receipt of notice, unless a later date is agreed upon between the parties. If a compliance conference is not requested, the director may proceed with a civil enforcement action as provided in subsection (3) of this section.

(c) Compliance Conference. The compliance conference shall pro-
vide an opportunity for the recipient of a notice of violation to explain the circumstances of the alleged violation and, where appropriate, to present a proposal for remedying damage caused by the alleged violation and for assuring future compliance. If the recipient and the director agree on a plan to remedy damage caused by the alleged violation and to assure future compliance, they may enter into a consent order formalizing their agreement. The consent order may include a provision for payment of any agreed civil penalty.

(d) Effect of Consent Order. A consent order shall be effective immediately upon signing by both parties and shall preclude any civil enforcement action for the same alleged violation. If a party does not comply with the terms of the consent order, the director may seek and obtain in any appropriate district court specific performance of the consent order and such other relief as authorized in this chapter.

(e) Failure to Reach Agreement on Consent Order. If the parties cannot reach agreement on a consent order within sixty (60) days after the receipt of the notice of violation, or if the recipient does not request a compliance conference pursuant to subsection (A)(1)(b) of this section, the director may commence and prosecute a civil enforcement action in district court, in accordance with subsection (A)(3) of this section.

(2) PERMIT SUSPENSION OR REVOCATION PROCEEDINGS.

(a) Grounds. The director may revoke or temporarily suspend the permit of any hazardous waste facility or site pursuant to the grounds provided in subsection (6) of section 39-4409, Idaho Code. A violation that is shown to have occurred as the result of an unforeseeable act of God despite a permitted party's reasonable efforts to comply with all applicable legal requirements shall not be grounds for a suspension or revocation.

(b) Notice of Hearing. The director may commence a permit suspension or revocation action by giving a permitted party a written notice of intent to suspend or revoke. The notice shall inform the permitted party of facts or conduct which warrant suspension or revocation of the permit. The notice, hearing, and record requirements for contested cases contained in the Idaho administrative procedure act, chapter 52, title 67, Idaho Code, and subsection(A)(2)(c) of this section shall apply to proceedings initiated under this subsection. Revocation or suspension of a permit shall become final fifteen (15) days after delivery of the notice of intent to revoke or suspend unless the permitted party requests a hearing.

(c) Administrative Hearing Provisions.

(i) Upon a timely request by a permit holder for a hearing to review the director's action under subsection(A)(2)(b) of this section, the director shall promptly conduct a hearing open to the public. The contested case provisions of the Idaho administrative procedure act shall apply to all hearings conducted under this subsection.

(ii) The director shall have the authority to request from the district court in and for Ada county or any other appro-
priate district court the issuance of an order in the nature of a subpoena compelling the attendance and testimony of witnesses and the production before the director of papers, books, drawings, documents, test results, and other evidence relevant to a permit suspension or revocation investigation or adjudication.

(iii) After the hearing, the director shall issue a written opinion setting forth findings of fact, conclusions of law and an order. An aggrieved person subject to the director's order may seek its review as a final order in a district court as provided by the Idaho administrative procedure act. District court review of the director's decision shall be limited to the record developed before the director.

(3) CIVIL ENFORCEMENT ACTION. The attorney general may commence and prosecute in district court a civil enforcement action. Civil enforcement actions shall be commenced and prosecuted in the district court in and for the county in which the alleged violation occurred, and may be brought against any person who is alleged to have violated any provision of this chapter or any rule, regulation, permit, condition, requirement, consent order, or order which has become effective pursuant to this chapter. Such action may be brought to compel compliance with any provision of this chapter or with any rule, regulation, permit or order promulgated hereunder, and for any relief or remedies authorized in this chapter. The director shall not be required to initiate or prosecute an administrative action before the attorney general may commence and prosecute a civil enforcement action. In addition, the attorney general may delegate this authority regarding civil enforcement actions to the prosecuting attorney of the county where a civil enforcement action may arise.

(B) ACTIONS AGAINST GUARANTORS. If the owner or operator is in bankruptcy, reorganization or other arrangement pursuant to the federal bankruptcy code, or where jurisdiction cannot be obtained over an owner or operator likely to be solvent at the time of judgment, an action may be brought directly against a guarantor of financial responsibility by the state or any injured party for any claim arising from conduct for which guarantees of financial responsibility have been made. The guarantor may invoke all rights and defenses which would have been available to the owner or operator and all rights and defenses normally available to the guarantor.

(C) LIMITATION OF ACTION FOR ADMINISTRATIVE AND CIVIL COURT PROCEEDINGS BROUGHT UNDER THE PROVISIONS OF THIS CHAPTER. No civil or administrative proceeding may be brought to recover for a violation of this chapter or any permit, standard, regulation, condition, requirement or order issued or promulgated pursuant to this chapter more than two (2) years after the director had knowledge or ought reasonably to have had knowledge of the violation.

CHAPTER 51
(S.B. No. 1020, As Amended)

AN ACT
RELATING TO EVIDENCE; TO PROVIDE LEGISLATIVE FINDINGS; AMENDING CHAPTER 3, TITLE 9, IDAHO CODE, BY THE ADDITION OF A NEW SECTION 9-336, IDAHO CODE, TO PROVIDE THAT CERTAIN EVIDENCE ENTERED AT THE PRELIMINARY HEARING CAN ALSO BE USED AT TRIAL IF THE SOURCE OF THE EVIDENCE IS NOT AVAILABLE AT THE TIME OF THE TRIAL.

Be It Enacted by the Legislature of the State of Idaho:
SECTION 1. The legislature is aware of the case of State v. Elisondo, 114 Idaho 412, 757 P.2d 675 (1988), which overrules the earlier case of State v. Mee, 102 Idaho 474, 632 P.2d 633 (1981). In the Elisondo case the court held that the admission of the preliminary hearing testimony of an unavailable witness in the subsequent criminal trial violates the public policy of the state of Idaho. It is the legislature of the state of Idaho that declares what the public policy of the state shall be. In examining those considerations, it is the opinion of the legislature that the admission of previously recorded testimony of a preliminary hearing should be admissible under the safeguards contained within section 9-336, Idaho Code. The legislature finds that it is against public policy to adopt a per se rule excluding preliminary hearing testimony from a subsequent criminal proceeding. The legislature finds that such an exclusion provides an incentive to a criminal defendant to take steps to prevent a witness from testifying at trial. It is the policy of the state that all relevant and admissible evidence should be usable in criminal proceedings.

SECTION 2. That Chapter 3, Title 9, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW SECTION, to be known and designated as Section 9-336, Idaho Code, and to read as follows:

9-336. EVIDENCE FROM PRELIMINARY HEARING -- ADMISSION -- REQUIREMENTS. Prior to admitting into evidence recorded testimony from a preliminary hearing, the court must find that the testimony offered is:
1. Offered as evidence of a material fact and that the testimony is more probative on the point for which it is offered than any other evidence which the proponent can procure through reasonable efforts; and
2. That the witness is, after diligent and good faith attempts to locate, unavailable for the hearing; and
3. That at the preliminary hearing, the party against whom the admission of the testimony is sought had an adequate opportunity to prepare and cross-examine the proffered testimony.

Approved March 27, 1989.

CHAPTER 52
(S.B. No. 1022)

AN ACT
RELATING TO THE CRIME VICTIMS COMPENSATION ACCOUNT; AMENDING SECTION 72-1003, IDAHO CODE, TO PROVIDE THAT COMPENSATION CAN BE PAID FOR A DEATH RESULTING FROM A MOTOR VEHICLE ACCIDENT AND TO PROVIDE A DEFINITION.

Be It Enacted by the Legislature of the State of Idaho:
SECTION 1. That Section 72-1003, Idaho Code, be, and the same is hereby amended to read as follows:

72-1003. DEFINITIONS. As used in this chapter:
(1) "Claimant" means any of the following claiming compensation under this chapter:
(a) A victim;
(b) A dependent of a deceased victim; or
(c) An authorized person acting on behalf of any of them, including parent(s), legal guardian(s), and sibling(s), of a victim who is a minor.
(2) "Collateral source" means a source of benefits, other than welfare benefits, or advantages for economic loss otherwise compensable under this chapter which the claimant has received or which is readily available to him from:
(a) The offender;
(b) The government of the United States or any agency thereof, a state or any of its political subdivisions, or an instrumentality of two (2) or more states, unless the law providing for the benefits or advantages makes them excess or secondary to benefits under this chapter;
(c) Social security, medicare, and medicaid;
(d) Workers' compensation;
(e) Wage continuation programs of any employer;
(f) Proceeds of a contract of insurance payable to the claimant for loss which was sustained because of the criminally injurious conduct;
(g) A contract, including an insurance contract, providing hospital and other health care services or benefits for disability. Any such contract in this state may not provide that benefits under this chapter shall be a substitute for benefits under the contract or that the contract is a secondary source of benefits and benefits under this chapter are a primary source.
(3) "Commission" means the industrial commission.
(4) "Criminally injurious conduct" means intentional, knowing, or reckless conduct that:
(a) Occurs or is attempted in this state;
(b) Results in injury or death; or
(c) Is punishable by fine, imprisonment, or death or would be so punishable but for the fact that the person engaging in the conduct lacked capacity to commit the crime under the laws of this state. Criminally injurious conduct does not include conduct arising out of the ownership, maintenance, or use of a motor vehicle except when intended to cause personal injury or death; provided that criminally injurious conduct shall include violations of the provisions of sections 18-4006 3(b), 18-8004 and -49-1001, 18-8007, 67-7034 or 67-7035, Idaho Code.
(5) "Dependent" means a natural person who is recognized under the law of this state to be wholly or partially dependent upon the victim for care or support and includes a child if under the age of eighteen (18) or incapable of self support and unmarried and includes
a child of the victim conceived before the victim's death but born after the victim's death, including a child that is conceived as a result of the criminally injurious conduct.

(6) "Injury" means actual bodily harm or disfigurement and, with respect to a victim, includes pregnancy, venereal disease, mental or nervous shock, or extreme mental distress. For the purposes of this chapter, "extreme mental distress" means a substantial personal disorder of emotional processes, thought or cognition which impairs judgment, behavior or ability to cope with the ordinary demands of life.

(7) "Victim" means a person who suffers injury or death as a result of:

(a) Criminally injurious conduct;
(b) His good faith effort to prevent criminally injurious conduct; or
(c) His good faith effort to apprehend a person reasonably suspected of engaging in criminally injurious conduct.

Approved March 27, 1989.
witnesses except the victim. The legislature believes that a child victim may suffer trauma from exposure to the harsh atmosphere of the typical courtroom and desires, consistent with the federal constitutional guarantee embodied in the confrontation clause, to shield the child witness through the procedure established in section 19-3024A, Idaho Code. It is the intent of the legislature to provide the court with discretion to employ unusual court procedures to protect the rights of a child witness, the rights of the defendant, and the integrity of the judicial process. In exercising its discretion, the court necessarily will be required to balance the rights of the defendant against the need to protect a child witness and to preserve the integrity of the court's truthfinding function. This discretion is intended to be used selectively when the facts and circumstances in the individual case present compelling evidence of the need to use these unusual procedures.

It is the belief of the legislature that the adoption of a procedure to balance the rights of the defendant while protecting the child witness is a substantive matter of law required under article 2 of the Idaho constitution to be performed by the legislative branch of government.

SECTION 2. That Chapter 30, Title 19, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW SECTION, to be known and designated as Section 19-3024A, Idaho Code, and to read as follows:

19-3024A. ALTERNATIVE PROCEDURE FOR TAKING TESTIMONY OF A CHILD WITNESS -- ORDER -- PRESENCE OF COUNSEL AND DEFENDANT -- FILMING, VIDEOTAPING OR TRANSMITTING OF TESTIMONY. 1. As used in this section:
   (a) "Child witness" means a person who is under the age of sixteen (16) years and who is alleged to have been a witness of, or a witness to an alleged violation of the provisions of sections 18-1501, 18-1506, 18-1507, 18-1508, 18-1514, 18-1515, 18-6605 and 18-6608, Idaho Code.
   (b) "Simultaneous electronic transmission" means any device capable of projecting a live visual and aural transmission such as closed-circuit television.

2. Notwithstanding any other provision of law or rule of court, the court in any criminal, youth rehabilitation, or child protective act proceeding, upon written notice of the prosecutor made at least three (3) days prior to the date of the preliminary hearing or trial date on which the testimony of the minor is scheduled, or during the course of the proceeding on the court's own motion, may order that the testimony of a minor sixteen (16) years of age or younger at the time of the motion be taken by contemporaneous examination and cross-examination in another place and out of the presence of the judge, jury, defendant and attorneys, and communicated to the courtroom by means of two (2) way closed-circuit television, if the court makes all of the following findings:
   (a) The minor's testimony will involve a recitation of the facts of an alleged sexual offense committed on or with the minor.
   (b) The impact on the minor of one or more of the factors enumer-
ated in paragraphs (1) through (4) of this subsection 2(b), is shown by clear and convincing evidence to be so substantial as to make the minor unavailable as a witness unless closed-circuit television is used.

(1) Threats of serious bodily injury to be inflicted on the minor or a family member, of incarceration or deportation of the minor or a family member, or of removal of the minor from the family or dissolution of the family, in order to prevent or dissuade the minor from attending or giving testimony at any trial or court proceeding or to prevent the minor from reporting the alleged physical or sexual offense or from assisting in criminal prosecution.

(2) Use of a firearm or any other deadly weapon during the commission of the crime.

(3) Infliction of great bodily injury upon the victim during the commission of the crime.

(4) Conduct on the part of the defendant or defense counsel during the hearing or trial which causes the minor to be unable to continue his or her testimony notwithstanding the notice requirement contained in subsection 2 of this section.

In making the determination required in this section, the court shall consider the age of the minor, the relationship between the minor and the defendant or defendants, any handicap or disability of the minor, and the nature of the acts charged. The minor's refusal to testify shall not alone constitute sufficient evidence that the special procedure described in this section is necessary in order to obtain the minor's testimony.

(c) The equipment available for use of two (2) way closed-circuit television would accurately communicate the image and demeanor of the minor to the judge, jury, defendant or defendants and attorneys.

3. (a) The hearing on a motion brought pursuant to the provisions of this section shall be conducted out of the presence of the jury.

(b) Notwithstanding any other provision of law or rule of court, the court, in determining the merits of the motion, shall not compel the minor to testify at the hearing; nor shall the court deny the motion on the ground that the minor has not testified.

(c) In determining whether the impact on an individual child of one (1) or more of the four (4) factors enumerated in paragraph (b) of subsection 2 of this section is so substantial that the minor is unavailable as a witness unless closed-circuit television is used, the court may question the minor in chambers, or at some other comfortable place other than the courtroom, on the record for a reasonable period of time with the support person, the prosecutor, and defense counsel present. The defendant or defendants shall not be present. The court shall conduct the questioning of the minor and shall not permit the prosecutor or defense counsel to examine the minor. The prosecutor and defense counsel shall be permitted to submit proposed questions to the court prior to the session in chambers. Defense counsel shall be afforded a reasonable opportunity to consult with the defendant or defendants prior
to the conclusion of the session in chambers.

4. When the court orders the testimony of a minor to be taken in another place outside of the courtroom, the court shall do all of the following:
   (a) Make a brief statement on the record, outside of the presence of the jury, of the reasons in support of its order. While the statement need not include traditional findings of fact, the reasons shall be set forth with sufficient specificity to permit meaningful review and to demonstrate that discretion was exercised in a careful, reasonable and equitable manner.
   (b) Instruct the members of the jury that they are to draw no inferences from the use of two (2) way closed-circuit television as a means of facilitating the testimony of the minor.
   (c) Instruct respective counsel outside of the presence of the jury, that they are to make no comment during the course of the trial on the use of two (2) way closed-circuit television procedures.
   (d) Instruct the support witness, outside the presence of the jury, that he is not to coach, cue, or in any way influence or attempt to influence the testimony of the minor.
   (e) Order that a complete record of the examination of the minor, including the images and voices of all persons who in any way participate in the examination, be made and preserved on videotape in addition to being stenographically recorded. The videotape shall be transmitted to the clerk of the court in which the action is pending and shall be made available for viewing to the prosecuting attorney, the defendant, and his attorney during ordinary business hours. The videotape shall be destroyed after five (5) years have elapsed from the date of entry of judgment. If an appeal is filed, the tape shall not be destroyed until a final judgment on appeal has been ordered. Any videotape which is taken pursuant to the provisions of this section is subject to a protective order of the court for the purpose of protecting the privacy of the witness.

5. When the court orders the testimony of a minor to be taken in another place outside the courtroom, only the minor, a support person designated by the court, a nonuniformed bailiff, and, after consultation with the prosecution and the defense, a representative appointed by the court, shall be physically present for the testimony. A videotape shall record the image of the minor and his testimony, and a separate videotape shall record the image of the support person.

6. When the court orders the testimony of a minor to be taken in another place outside the courtroom, the minor shall be brought into the judge's chambers prior to the taking of his testimony to meet for a reasonable period of time with the judge, the prosecutor, and defense counsel. A support person for the minor shall also be present. This meeting shall be for the purpose of explaining the court process to the child and to allow the attorneys an opportunity to establish rapport with the child to facilitate later questioning by closed-circuit television. No participant shall discuss the defendant or any of the facts of the case with the minor during this meeting.

7. When the court orders the testimony of a minor to be taken in another place outside the courtroom, nothing in this section shall
prohibit the court from ordering the minor to be brought into the
courtroom for a limited purpose including the identification of the
defendant or defendants as the court deems necessary.

8. The examination shall be under oath and the defendant's image
shall be transmitted live to the witness via two (2) way contemporaneous
closed-circuit television.

9. Nothing in this section shall affect the disqualification of
witnesses pursuant to section 601 of the Idaho rules of evidence.

10. The criminal justice council shall submit a report to the
legislature on or before January 1, 1990, summarizing the experience
of courts which have used contemporaneous closed-circuit television
pursuant to the provisions of this section.

11. The provisions of this section shall not be construed to
amend section 19-3024 or 19-809A, Idaho Code, or rule 803(24) or
804(5) of the Idaho rules of evidence.

Approved March 27, 1989.

witness stand with the child during the child's testimony unless, in
written findings made and entered, the court finds that the child's
constitutional right to a fair trial will be unduly prejudiced.

TO PROVIDE FOR A CALCULATION TO DETERMINE THE UNEMPLOYMENT RESERVE
FUND SIZE, TO PROVIDE FOR ADJUSTMENTS, TO PROVIDE FOR AN EFFECTIVE
TAX RATE FOR CALENDAR YEAR 1989 AND FOR FUTURE YEARS, TO PROVIDE
FOR TAX SCHEDULES, TO PROVIDE A SCHEDULE OF CONTRIBUTION RATES,
AND TO PROVIDE FOR ASSIGNMENT OF RATES TO EMPLOYERS; DECLARING AN
EMERGENCY AND PROVIDING FOR RETROACTIVE APPLICATION.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 72-1350, Idaho Code, be, and the same is
hereby amended to read as follows:

the federal unemployment tax act, whichever is higher, shall be the
taxable wage base for purposes of this act.

(b) All covered employers, except those eligible and electing the

employment security law, for calendar years 1987 and 1988, the contri­

determined in accordance with schedule VI.

(c) The ratio of the unencumbered balance in the employment-secu­

is hereafter referred to as the average cost multiple (ACM).

presented, any contrary provision of any special act or general
act notwithstanding.

3. If such individual is not an employee of such other person within the meaning of section 72-1316(d), Idaho Code.

(g) In the case of any individual who is furnished by a crew leader to perform agricultural labor for another person, such other person and not the crew leader shall be treated as the employer of
such individual if such crew leader is not, under the provisions of subsection (f) of this section, considered to be the employer and such other person shall be treated as having paid cash remuneration to such individual in an amount equal to the amount of cash remuneration paid to such individual by the crew leader (either on his behalf or on behalf of such other person) for the agricultural labor performed for such other person.

(h) In the case of domestic service in a private home, local college club, or local chapter of a college fraternity or sorority, with respect to any calendar year, any person who during any calendar quarter in the calendar year or the preceding calendar year paid wages in cash of one thousand dollars ($1,000) or more for such service.

(i) A person treated as a covered employer under this subsection (h) shall not be treated as a covered employer with respect to wages paid for any service other than domestic service referred to in this subsection (h) unless such person is treated as a covered employer under subsection (a) or (e) of this section, with respect to such other service.

(i) Any governmental entity as defined in section 72-1322C, Idaho Code.

(j) A nonprofit organization as defined in subsection (a) of section 72-1349A, Idaho Code.

SECTION 2. That Section 72-1328, Idaho Code, be, and the same is hereby amended to read as follows:

72-1328. WAGES. (a) The term "wages" means shall include:

(1) All remuneration for personal services from whatever source, including commissions and bonuses and the cash value of all remuneration in any medium other than cash. The reasonable cash value of remuneration in any medium other than cash shall be estimated and determined in accordance with rules prescribed by the director;

(2) All the term "wages" also includes all tips received while performing services in covered employment totaling twenty dollars ($20.00) or more in a month, and which are reported in writing to the employer as required under federal law;

(3) Any employer contribution under a qualified cash or deferred agreement as defined in 26 U.S.C. 401(k) to the extent such contribution is not included in gross income by reason of 26 U.S.C.

(b) The term "wages" shall not include:

(1) The amount of any payment (including any amount paid by an employer for insurance or annuities, or into a fund, to provide for any such payment), made to, or on behalf of, an individual or any of his dependents under a plan or system established by an employer which makes provision generally for individuals, performing service for him (or for such individuals generally and their dependents) or for a class or classes of such individuals (or for a class or classes of such individuals and their dependents), on
account of (i) sickness or accident disability (but, in the case of payments made to an employee or any of his dependents, this subparagraph shall exclude from the term "wages" only payments which are received under a workmen's compensation law), or (ii) medical or hospitalization expenses in connection with sickness or accident disability, or (iii) death;

(2) The amount of any payment on account of sickness or accident disability, or medical or hospitalization expenses in connection with sickness or accident disability by an employer to, or on behalf of, an individual performing services for him after the expiration of six (6) calendar months following the last calendar month in which the individual performed services for such employer;

c. Except as otherwise provided in regulations prescribed by the director, any third party which makes a sickness or accident disability payment, which is not excluded from wages under subsection (b)(1)(i) of this section, shall be treated as the employer with respect to such payment of wages for the purposes of this act.

SECTION 3. That Section 72-1353, Idaho Code, be, and the same is hereby amended to read as follows:

72-1353. ADMINISTRATIVE DETERMINATIONS OF COVERAGE. The director may, upon his own motion or upon application of any employer, make findings of fact and on the basis thereof, a determination with respect to whether such employer is a covered employer and whether services performed for or in connection with the business of such employer constitutes covered employment. A determination shall become final unless, within fourteen (14) days after notice, an appeal is filed with the employment security agency setting forth the grounds for such appeal. For purposes of this section, a notice shall be deemed served if delivered to the person being served or if mailed to his last known address; service by mail shall be deemed complete on the date of mailing. Proceedings on appeal shall be had in accordance with the provisions of section 72-1361 of this act, Idaho Code.
SECTION 4. That Section 72-1354, Idaho Code, be, and the same is hereby amended to read as follows:

72-1354. PENALTY ON UNPAID CONTRIBUTIONS -- EFFECT OF FAILURE TO PAY CONTRIBUTIONS. If contributions are not paid by any covered employer on or before the date on which they are due and payable, such contributions shall bear penalty at the rate of one per centum (1%) or two dollars ($2.00), whichever is the larger, for each month or fraction thereof until paid; provided, that in no case shall the penalty exceed the actual amount of contributions due and payable. The date of payment of contributions shall be deemed the date of actual receipt by the Director, or if mailed, the date of mailing. Penalties collected pursuant to this section shall be paid into the state employment security administrative and reimbursement fund as established by section 72-1348, Idaho Code. At the discretion of the director or his authorized representative, the department may compromise the amount of penalty collected pursuant to this section if the employer shows he had good cause for failing to timely pay contributions.

Furthermore, if any employer shall be in default under section 72-1349, Idaho Code, for a period of thirty (30) days, he may be enjoined, by the district court of any county in which such employer carries on any part of his trade or occupation, from carrying on his business while such default continues. All proceedings in the courts are to be brought by the Director in the name of the state of Idaho.

SECTION 5. That Section 72-1360, Idaho Code, be, and the same is hereby amended to read as follows:

72-1360. LIENS. (a) Upon the failure of any covered employer to pay contributions or penalties when due, the director may file with the clerk of the district court of the county, wherein such employer has his principal place of business, and a copy thereof with the clerk of the district court of any county in which such employer may have real or personal property, a certificate under his official seal, stating:

(1) the name of the covered employer;
(2) his address;
(3) the amount of contributions and penalties in the form of an itemized statement thereof owing and in default; and that the time in which an appeal or review is permitted, pursuant to section 72-1358, Idaho Code, has expired without having been taken or that delay will jeopardize collection. Thereupon, such clerk shall enter in the judgment docket of the court, the name of the employer mentioned in the certificate, the amount of such contributions and penalties in default and the date when such certificate is filed. When such certificate is duly filed and recorded, the amount of the contributions and penalties in default shall be a lien upon the entire interest of such employer, legal or equitable, in any property, real or personal, tangible or intangible, not exempt from execution, situated in the county where the certificate or a copy thereof was filed. The lien thus
created shall be in favor of the state of Idaho and shall be prior to all other liens and encumbrances, except previously existing mortgage liens, labor liens and tax liens, and it shall have equal priority with tax liens. No lien for contributions or penalties shall be valid against one who purchases personal property from the delinquent employer in the usual course of business and in good faith and without actual notice of such lien. Such lien may be enforced against any real or personal property of the delinquent employer by the Director, his authorized representative, or by any sheriff of the various counties in the same manner as a judgment of the district court duly docketed and the amount, secured by the lien thus established, shall bear interest at the rate of the state statutory legal limit. The foregoing remedy shall be in addition to all other remedies against the covered employer. The amount of interest collected pursuant to this section may be compromised at the discretion of the director when such compromise is in the best interest of the department.

(b) The employer against whose property such lien has been filed may cause his property to be released by filing with the county clerk of the county where such lien is recorded a bond in a sum double the amount claimed in said lien, executed by a surety company licensed to do business in Idaho or by two private sureties residing in Idaho, to be approved by the district judge of the district in which said lien is filed, or, in the event of his absence from the county in which said lien is filed, then by the probate judge of said county, running to the state of Idaho and conditioned for the payment of all contributions, penalties, interest, and costs that may be recovered by the state of Idaho against such employer or that may be found to be a lien upon or against the property of such employer. The clerk shall then issue to such employer a certificate stating that the bond is substituted in lieu of the property of said employer and that the lien on said property is forever released and discharged and a marginal entry on said release and bond shall be made in the lien docket containing the original record of certificate of claim of lien, and if the state establishes the validity of its lien by a suit to foreclose the same, it shall be entitled to a judgment or decree against the sureties upon said bond.

(c) Any lien as provided in this section shall be released or satisfied by the director, upon the payment of the debt secured by the lien, and the property against which a lien is claimed shall be released therefrom by filing a notice of such release or satisfaction with the clerk of the county in which the certificate of claim of lien was filed. In any suit or action involving the title to real or personal property against which the state has or may claim a lien, the state may be made a party to such suit or action.

SECTION 6. That Section 72-1361, Idaho Code, be, and the same is hereby amended to read as follows:

72-1361. APPEALS TO THE EMPLOYMENT SECURITY AGENCY AND TO THE COMMISSION. Upon appeal from a denial of a claim for refund or credit, determination of amount due upon failure to report, determination of
rate of contribution, determination of coverage, or jeopardy determination as provided by this act, the interested employer shall have opportunity for a fair hearing. The conduct of such hearings and appeal procedures shall be governed by the provisions of section 72-1368(f), (g), (h), and (i) of this act and (k), Idaho Code. The director may make special redeterminations as provided in subsection 72-1368(d), Idaho Code.

SECTION 7. That Section 72-1364, Idaho Code, be, and the same is hereby amended to read as follows:

72-1364. UNCOLLECTIBLE ACCOUNTS. (a) The director may enter agreements of compromise with an employer with respect to any contributions, penalties and interest due where it is determined by the director that there exists an inability on the part of the employer to make full payment, and the employer is no longer operating any business.

(b) Contribution payments or penalties due, pursuant to the provisions of this act, uncollected three (3) years after they become due, may be charged as uncollectible by the director if no assets belonging to the liable person and subject to attachment can be found and in the opinion of the director there is no likelihood of collection at a future date.

SECTION 8. That Section 72-1366, Idaho Code, be, and the same is hereby amended to read as follows:

72-1366. PERSONAL ELIGIBILITY CONDITIONS. The personal eligibility conditions of a benefit claimant are that—

(a) In accordance with the provisions of this act, and such rules consistent therewith, as the director may prescribe—

(1) He shall have made a claim for benefits and provided all necessary information pertinent to eligibility.

(2) He shall have registered for work and thereafter reported at an employment office or other agency in a manner prescribed by the director.

(b) In some calendar quarter within his base period he shall have met the minimum wage requirements in his base period as provided in section 72-1367, Idaho Code.

(c) Claimant's unemployment is not due to having voluntarily left work to marry, or to perform the customary duties of maintaining a household, or to leave the locale to live with a spouse. The provisions of this subsection shall not apply after a change in conditions whereby claimant has become the main support of self or immediate family.

(d) During the whole of any week with respect to which he claims benefits or credit to his waiting period he was able to work, available for suitable work, and seeking work; provided, however, the director shall waive these provisions for each week he is attending training under provisions of section 72-1312(a), Idaho Code; and provided, that no claimant shall be considered ineligible in any week of unemployment for failure to comply with the provisions of this subsec-
tion if such failure is due to an illness or disability which occurs after he has filed a claim and registered for work and no suitable work has been available for him after the beginning of such illness or disability; and, provided further, that no claimant shall be deemed to be unavailable for the whole of the week who, because of compelling personal circumstance, is required to be absent from his normal market area, provided that such absence does not exceed a major portion of the week.

(e) His unemployment is not due to the fact that he left his employment voluntarily without good cause connected with his employment, or that he was discharged for misconduct in connection with his employment.

(f) His unemployment is not due to his failure without good cause to apply for available suitable work or to accept suitable work when offered to him. The longer a claimant has been unemployed, the more willing he must be to seek types of work other than in his ordinary trade or occupation and to accept work at a lower rate of pay. The director shall waive these provisions for each week he is attending a training course to which he has been assigned by a representative of the director if the claimant has submitted with each claim a written certification from the training course that claimant is enrolled in and is attending and satisfactorily completing the training course. A claimant may be assigned to a training course under the following conditions:

1. The claimant is lacking in skills which would make him competitive in the labor market and is in need of available training or retraining in skills required by demand occupations. A demand occupation is an occupation in which work opportunities are available and there is not a surplus of qualified applicants; and
2. The claimant has been unemployed continuously for four (4) or more weeks and the lack of employment opportunities is expected to continue for an extended period of time, or if the claimant's occupation is one for which there is a seasonal variation in demand, that the lack of demand for his skills is the result of a decline in demand expected to continue for an extended period of time and is not the result of a seasonal fluctuation; and
3. The training relates to an occupation or skill for which there are, or are expected to be in the immediate future, reasonable employment opportunities in claimant's market area and there is not a substantial surplus of workers with requisite skills in the occupation in that area; and
4. The training course is one approved by a representative of the director and can be completed within one (1) year; and
5. The training course is prescribed for the purpose of training claimant in skills that will allow him to obtain immediate employment in a demand occupation and is not primarily intended to meet the requirements of a degree from a college or university; and
6. The claimant can be reasonably expected to complete the training successfully.

(g) In determining for the purposes of this act, whether or not work is suitable for an individual, the degree of risk involved to his health, safety, morals, his physical fitness, experience, training,
past earnings, length of unemployment and prospects for obtaining local employment in his customary occupation, the distance of the work from his residence, and other pertinent factors shall be considered. No employment shall, in any event, be deemed suitable and benefits shall not be denied to any otherwise eligible individual for refusing to accept new work or to hold himself available for work under any of the following conditions:

1. If the vacancy of the position offered is due directly to a strike, lockout, or other labor dispute;
2. If the wages, hours, or other conditions of the work offered are substantially less favorable to the individual than those prevailing for similar work in the locality of the work offered;
3. If, as a condition of being employed, the individual would be required to join a company union or to resign from or refrain from joining any bona fide labor organization.

A benefit claimant, otherwise eligible for benefits, shall not be eligible for any week in which he fails, without good cause, to attend a training course to which he has been assigned under the provisions of subsection (f) of this section, if such course is available at no cost to the claimant.

Notwithstanding any other provisions of this section, no individual who is otherwise eligible shall be denied benefits for any week because he or she is in training approved under section 236(a)(1) of the trade act of 1974, nor shall such individual be denied benefits by reason of leaving work to enter such training; provided, the work left is not suitable employment, or because of the application to any such week in training of provisions in this law, or any applicable federal unemployment compensation law relating to availability for work, active search for work, or refusal to accept work. For purposes of this subsection, the term "suitable employment" means with respect to an individual, work of a substantially equal or higher skill level than the individual's past adversely affected employment, as defined for purposes of the trade act of 1974, and wages for such work at not less than eighty percent (80%) of the individual's average weekly wage as determined for the purposes of the trade act of 1974.

A benefit claimant shall not be eligible to receive benefits for any week with respect to which it is found that his unemployment is due to a labor dispute; provided, that this subsection shall not apply if it is shown that:

1. He is not participating, financing, aiding, abetting, or directly interested in the labor dispute; and
2. He does not belong to a grade or class of workers of which, immediately before the commencement of the labor dispute, there were members employed at the premises at which the labor dispute occurs, any of whom are participating in or directly interested in the dispute.

A benefit claimant shall not be entitled to benefits for any week with respect to which or a part of which he has received or is seeking unemployment benefits under any unemployment compensation or insurance law of another state or of the United States; provided, that if the appropriate agency of such other state or of the United States shall finally determine that he is not entitled to such unemployment
compensation or insurance benefits, he shall not by provisions of this subsection be denied benefits. For purposes of this section, a law of the United States providing any payments of any type and in any amounts for periods of unemployment due to involuntary unemployment shall be considered an unemployment compensation law of the United States.

(1) A benefit claimant shall not be entitled to benefits if it is determined that he has wilfully made a false statement or representa­tion or wilfully failed to report a material fact in order to obtain said benefits for a period of fifty-two (52) weeks from the date of said determination and-said. Said claimant shall also be liable to repay to the fund any sums received as-a-result-of-said for a week in which the claimant made a false statement, misrepresentation, or failure failed to report a material fact.

(m) A benefit claimant shall not be entitled to benefits if his principal occupation is self-employment.

(n) A benefit claimant who has been found ineligible for benefits under the provisions of subsections (c), (e), (f), (g) or (i) of this section may reestablish his eligibility by having obtained bona fide work and received wages therefor in an amount of at least sixteen (16) times his weekly benefit amount.

(o) Benefits based on service in employment defined in sections 72-1349A, 72-1349B, and 72-1352(c), Idaho Code, shall be payable in the same amount, on the same terms and subject to the same conditions as compensation payable on the basis of other service subject to this act.

(1) If the services performed during one-half (1/2) or more of any contract period by an individual for an educational institu­tion as defined in section 72-1322B, Idaho Code, are in an instructional, research, or principal administrative capacity, all the service of such individual shall be deemed to be in such capacity.

(2) If the services performed during less than one-half (1/2) of any contract period by an individual for such an educational institution are in an instructional, research, or principal administrative capacity, none of the service of such individual shall be deemed to be in such capacity.

(3) As used in this section, "contract period" means the entire period for which the individual contracts to perform services, pursuant to the terms of the contract.

(p) No individual is eligible to receive benefits in two (2) suc­cessive benefit years unless subsequent to the beginning of the first of said benefit years during which he received benefits, he performed service and earned remuneration for such service in an amount equal to not less than five and one-half (5 1/2) times his weekly benefit amount established during the first benefit year.

(q) (1) With respect to weeks of unemployment beginning after December 31, 1977, benefits based on wages earned for services performed in an instructional, research, or principal administrative capacity for an educational institution shall not be paid for any week of unemployment commencing during the period between two (2) successive academic years, or during a similar period between
two (2) terms, whether or not successive, or during a period of
paid sabbatical leave provided for in the individual's contract,
to any individual if such individual performs such services in the
first of such academic years (or terms) and if there is a contract
or a reasonable assurance that such individual will perform ser-
VICES in any such capacity for any educational institution in the
second of such academic years or terms.
(2) With respect to weeks of unemployment beginning after Decem-
ber 31, 1977, benefits based on wages earned for services per-
formed in any other capacity for an educational institution shall
not be paid to any individual for any week which commences during
a period between two (2) successive school years or terms if such
individual performs such services in the first of such school
years or terms, and there is a contract or reasonable assurance
that such individual will perform such services in the second of
such school years or terms, except that if compensation is denied
to any individual under this subparagraph and such individual was
not offered an opportunity to perform such services for the educa-
tional institution for the second of such academic years or terms,
such individual shall be entitled to a retroactive payment of com-
pensation for each week for which the individual filed a timely
claim for compensation and for which compensation was denied
solely by reason of this clause.
(3) With respect to any services described in paragraphs (1) and
(2) of this subsection, benefits shall not be paid nor "waiting
week" credit given to an individual for wages earned for services
for any week which commences during an established and customary
vacation period or holiday recess if such individual performs such
services in the period immediately before such vacation period or
holiday recess, and there is a reasonable assurance that such
individual will perform such services in the period immediately
following such vacation period or holiday recess.
(4) With respect to any services described in paragraphs (1) and
(2) of this subsection, benefits shall not be payable on the basis
of services in any such capacities as specified in paragraphs (1),
(2) and (3) of this subsection to any individual who performed
such services in an educational institution while in the employ of
an educational service agency. For purposes of this paragraph the
term "educational service agency" means a governmental agency or
governmental entity which is established and operated exclusively
for the purpose of providing such services to one or more educa-
tional institutions.
(r) Benefits shall not be paid after December 31, 1977, based on
services, substantially all of which consist of participating in
sports or athletic events or training or preparing to so participate,
for any week which commences during the period between two (2) succes-
sive sport seasons (or similar periods) if such individual performed
such services in the first of such seasons (or similar periods) and
there is a reasonable assurance that such individual will perform such
services in the later of such seasons (or similar periods).
(s) (1) Benefits shall not be paid after December 31, 1977, based
on service performed by an alien unless such alien is an individ-
ual who was lawfully admitted for permanent residence at the time such services were performed, was lawfully present for purposes of performing such services, or was permanently residing in the United States under color of law (including an alien who is lawfully present in the United States as a result of the application of the provisions of section 203(a)(7) or section 212(d)(5) of the Immigration and Nationality Act).

(2) Any data or information required of individuals applying for benefits to determine whether benefits are not payable to them because of their alien status shall be uniformly required from all applicants for benefits.

(3) In the case of an individual whose application for benefits would otherwise be approved, no determination that benefits to such individual are not payable because of his alien status shall be made except upon a preponderance of the evidence.

SECTION 9. That Section 72-1368, Idaho Code, be, and the same is hereby amended to read as follows:

72-1368. CLAIMS FOR BENEFITS AND APPELLATE PROCEDURE. (a) Claims for benefits shall be made in accordance with such rules as the director may prescribe.

(b) Each employer shall post and maintain in places readily accessible to individuals performing services for him printed statements concerning benefit rights, claims for benefits and such other matters relating to the administration of this act as the director may by rules prescribe. Each employer shall supply to such individuals copies of such printed statements or other materials relating to claims for benefits when and as the director may by rules prescribe. Such printed statements and other materials shall be supplied by the director to each covered employer without cost to the covered employer.

(c) A representative of the department of employment, appointed by the director and hereinafter referred to as a claims examiner, shall examine promptly a claim filed pursuant to subsection (a) above and, on the basis of the facts found by him, shall determine whether or not the claimant is eligible for benefits and, if eligible, date of commencement of his benefit year, the weekly benefit amount payable, the total benefit amount payable, his base period wages, and his base period covered employers. In the event of a denial or a finding by the claims examiner that a claimant is ineligible for benefits, the determination shall include the reasons for the ineligibility. At any time before the determination becomes final or a request for redetermination is received, the claims examiner, on his own motion, may withdraw the determination and issue a revised determination. The determination or revised determination shall become final unless, within fourteen (14) days after notice, as provided in subsection (e) following, a request for redetermination is filed with the department of employment.

(d) A request for redetermination may be filed by any interested party and shall be filed in accordance with such rules as may be prescribed by the director. A redetermination upon such request shall be
promptly made by a claims examiner and, on the basis of facts found by
him, shall include a statement as to whether or not the determination
is affirmed, reversed or modified, and if modified, to what extent, as
well as a statement showing the reasoning upon which the redetermi­
nation is based if adverse to the claimant requesting it; or, upon such
request and before notices of the redetermination have been served,
the director may, on his own motion, transfer the request for redeter­
nation directly to an appeals examiner in which event such request
shall be deemed to constitute an appeal, as of the date of the
request, from the determination. A redetermination shall become final
unless, within fourteen (14) days after notice, as provided in subsec­
tion (e) following, an appeal is filed by an interested party with the
department of employment in accordance with such rules as may be pre­
scribed by the director. The director may make a special redetermi­
nation whenever he finds that an a departmental error in computation--or
identity has occurred in connection with a determination, or that
additional wages of the claimant or other facts pertinent to such
determination have become available or have been newly discovered, or
that benefits have been allowed or denied or the amount of benefits
fixed on the basis of nondisclosure or misrepresentation of fact. Such
special redetermination must be made within one (1) year from the date
of the original determination, except that a special redetermination
involving a finding that benefits have been allowed or denied or the
amount of benefits fixed on the basis of nondisclosures or misrepre­
sentations of fact may be made within two (2) years from the date of
the original determination. Subject to the same limitations and for
the same reasons, the director may make a special redetermination in
any case in which the final decision has been rendered by an appeals
examiner, the commission, or a court and may apply to the appeal tri­
bunal which rendered such final decision to issue a revised decision.
In the event that an appeal involving an original determination is
pending as of the date a special redetermination is issued, such
appeal, unless withdrawn, shall be treated as an appeal from such spe­
cial redetermination.

(e) All interested parties as defined in section 72-1323, Idaho
Code, shall be entitled to prompt service of notice of determinations
and redeterminations. The claimant shall be served with notice of all
determinations and redeterminations, but in the event that a claimant
files more than one (1) claim arising out of the same unemployment,
the last employer need not be served with notice of more than the ini­
tial determination and redetermination unless he specifically requests
service of additional notices. For purposes of this section, a notice
shall be deemed served if delivered to the person being served or if
mailed to his last known address; service by mail shall be deemed com­
plete on the date of mailing.

(f) To hear and decide appeals from determinations and
redeterminations the director shall appoint one or more appeals exam­
ners. Unless the appeal is withdrawn, the appeals examiner, after
affording the interested parties reasonable opportunity for a fair
hearing, shall affirm, modify, set aside or reverse the determination
or redetermination involved and, after affording the interested par­
ties reasonable opportunity for a fair hearing, or may refer a matter
back to the claims examiner for further action. The appeals examiner shall notify the interested parties of his decision by serving notice in the same manner as provided in subsection (e) above. Such decision shall set forth the findings of fact upon which the decision is based together with a statement showing how the appeals examiner applied the employment security law to such findings of fact in order to reach his conclusion. The appeals examiner may, either upon application for rehearing by an interested party or on his own motion, proceed to rehear, affirm, modify, set aside or reverse any prior decision on the basis of the evidence previously submitted in such case or on the basis of additional evidence; provided, that such application or motion be made within ten (10) days after the date of service of such decision. A full and complete record shall be kept of all proceedings in connection with an appealed claim. All testimony at any hearing before an appeals examiner shall be recorded but need not be transcribed unless a claim for review of the appeals examiner's decision is filed with the commission. Witnesses subpoenaed by the appeals examiner shall be allowed fees at a rate prescribed in the rules of the director. Such fees shall be deemed a part of the expenses of administering this act. If any interested party to a hearing formally requests the appeals examiner to issue a subpoena for a witness whose evidence is deemed necessary, the appeals examiner shall promptly issue the subpoena, unless such request is determined to be unreasonable. Unless an interested party shall within fourteen (14) days after service of the decision of the appeals examiner file with the commission a claim for review or unless an application or motion is made for a rehearing of such decision, the decision of the appeals examiner shall become final.

(g) The commission shall decide all claims for review filed by any interested party in accordance with its own rules of procedure not in conflict herewith. The record before the commission shall consist of the record of proceedings before the appeals examiner, unless it appears to the commission that the interests of justice require that the interested parties be permitted to present additional evidence. In that event, the commission may, in its sole discretion, conduct a hearing to receive additional evidence or may refer the matter back to the appeals examiner for an additional hearing and decision. On the basis of the record of proceedings before the appeals examiner as well as any additional evidence, if allowed, the commission shall affirm, reverse, modify, set aside or revise the decision of the appeals examiner or may refer the matter back to the appeals examiner for further proceedings. The commission shall file its decision and shall promptly serve notice of its decision to all interested parties. A decision of the commission shall be final and conclusive as to all matters adjudicated by the commission upon filing the decision in the office of the commission; provided, within twenty (20) days from the date of filing the decision, any party may move for reconsideration of the decision or the commission may rehear or reconsider its decision on its own initiative, and in any such event the decision shall be final upon denial of a motion for rehearing or reconsideration or the filing of the decision on reconsideration.

(h) No person acting on behalf of the director or any member of
the commission shall participate in any case in which he has a direct

(a) The pendency of a time period for requesting a redeter-
mination, filing an appeal or petitioning for commission
review, or

(b) Pendency of a request for determination, appeal, or
petition for review.

(2) Such payments shall not be withheld until a subsequent rede-
termination, appeals examiner decision, or commission findings
modifies or reverses the previous decision, in which event bene-
fits shall be paid or denied in accordance with such decision.

(k) (1) Any right, fact, or matter in issue, directly based upon
or necessarily involved in a determination, redetermination, deci-
sion of the appeals examiner or decision of the commission which
has become final, shall be conclusive for all the purposes of this
act as between the interested parties who had notice of such
determination, redetermination or decision. Subject to appeal pro-
cedings and judicial review by the Supreme Court as set forth in
this section, any determination, redetermination or decision as to
rights to benefits shall be conclusive for all purposes of this
act and shall not be subject to collateral attack irrespective of
notice.

(2) No finding of fact or conclusion of law contained in a deci-
sion or determination rendered pursuant to this act by an appeals
examiner, the industrial commission, a court, or any other person
authorized to make such determinations shall have preclusive
effect in any other action or proceeding, except proceedings that
are brought (i) pursuant to this act, (ii) to collect unemployment
insurance contributions, (iii) to recover overpayments of unem-

56-209e. ELIGIBILITY OF MARRIED COUPLES FOR MEDICAL ASSISTANCE UNDER THE MEDICAID PROGRAM. (1) It is the intent of the legislature in enacting this section to reduce the number of situations in which medicaid regulations as they apply to long term care costs, cause either the destitution of the entire family, or a dissolution of marriage carried out to prevent destitution. It is further the intent of this legislation section to protect the community and separate property rights, insofar as such rights are not specifically preempted by federal law, of a married person whose spouse applies for medical assistance regardless of whether they are living together.

(2) (a) In determining the eligibility of an aged, blind or disabled married individual or of a couple for medical assistance under title XIX of the social security act, the amount of income and resources to be counted as available to such individual or couple shall be calculated in accordance with the community property provisions of chapter 9, title 32, Idaho Code, or should it be to the advantage of such individual or couple, in accordance with the methods utilized by the federal supplemental security income program under title XVI of the social security act.
(b) Where both spouses are applying or are covered by medical assistance, the same method of counting income and resources shall be applied to both spouses and utilized to determine the liability of each for the cost of medical care; however, for any month for which either spouse receives a supplemental security income payment or a state supplement under section 56-207, 56-208 or 56-209a, Idaho Code, or for which an application is filed and subsequently approved, the methodology of the supplemental security income program shall be applied.

(ii) Beginning September 30, 1989, eligibility for any married person living in a medical institution whose spouse does not live in a medical institution, shall be determined by evaluating income first by attributing such income to the individual or individuals in whose name or names such income is paid, and if such attribution exceeds the maximum eligibility limit, secondly by attributing income in accordance with the community property provisions of chapter 9, title 32, Idaho Code.

(iii) Beginning September 30, 1989, the post eligibility treatment of income of any married person living in a medical institution whose spouse does not live in a medical institution, shall be in accordance with section 1924(b) and (d) of the social security act regardless of whether eligibility was determined in accordance with the name or names by which income was paid or in accordance with the community property provisions of chapter 9, title 32, Idaho Code.

(iv) The provisions of paragraphs (a), (b) and (d) of this subsection as they relate to resources shall continue to apply on and after September 30, 1989, to couples separated because one (1) spouse entered a medical institution for a continuous stay on or before September 29, 1989; and the provisions of section 1924(c) of the social security act shall apply to couples separated because one (1) spouse enters a medical institution for a continuous stay on or after September 30, 1989.

Public assistance shall be paid in the manner prescribed by the state department.

(1) Public-assistance Aid to dependent children shall not be granted under this act to any person who within six (6) months prior to applying for or at any time during which such assistance is received, has either made an assignment or transfer of property for the purpose of rendering himself eligible for assistance under this act, or who has divested himself of any interest in property without adequate consideration which interest or proceeds therefrom could reasonably be expected to contribute to the support and maintenance of such person and his family, except that any person who is ineligible for public assistance due solely to such assignment or transfer shall
become eligible provided:

(a) there is a showing that such person has caused such property to be assigned or transferred back to him; or

(c) there is a showing that the subsistence and medical care costs of such person, according to the department's assistance standard, subsequent to such assignment or transfer, equal or exceed the market value of the property so assigned or transferred.

(3) Eligibility for medical assistance under section 56-209b, Idaho Code, shall continue to apply the regulations of the director of the department of health and welfare concerning transfer of property as such regulations read on October 29, 1988 to transfers that occur prior to July 1, 1989, to persons other than to the spouse of the person receiving or applying for medical assistance, and to interspousal transfers that occur prior to October 1, 1989.

(4) The provisions of section 1917(c) of the Social Security Act as amended by Public Law 100-360 and further amended by Public Law 100-485 and as hereafter amended shall apply as of July 1, 1989, to transfers of assets other than to the spouse, and as of October 1, 1989, to transfers between spouses, except that such provisions shall not apply either to transfers that occurred before July 1, 1988, or to transfers that have been fully accounted for under subsection (3) of this section.

To sell or offer for sale at public auction at the courthouse door, after thirty ten (310) days' previous notice given by publication in a newspaper of the county any property, real or personal, belonging to the county, not necessary for
its use, except that such personal property not exceeding fifty one hundred dollars ($5,100) in value may be sold at private sale without advertisement and such sale of real property may be made by the board of county commissioners, either for cash or upon such terms as the board of county commissioners may determine, and the same must be sold to the highest bidder. The board of county commissioners may reserve the right to reject all bids. The notice required to be published in a newspaper by the foregoing sentence shall, in the case of a sale of realty contain an accurate description of the realty by legal description and, if the realty be located within a city, description by street address, and if the realty be located outside the limits of a city then such notice shall state the distance and direction of the location of such realty from the nearest city. The proceeds from such sales shall be paid into the county treasury for the use of the county, unless such property has been acquired by tax deed, in which event the proceeds from such sale, after deducting the advertising and selling costs which shall be reimbursed to the county, shall be prorated to the taxing districts in which the property is situated in proportion of each tax for the year of delinquency upon which the tax deed was issued to the county, except that any special assessment listed on the tax roll on that property shall be paid in full for the year of the tax deed and the subsequent two (2) years before the moneys are prorated. If such property is sold on terms the board of county commissioners may contract for the sale of the same for a period of years not exceeding ten (10) years, with an annual rate of interest on all deferred payments not to exceed eight-per-cent (8%) per annum the rate of interest specified in section 28-22-104(1), Idaho Code. The title to all property sold on contract shall be retained in the name of the county until full payment has been made by the purchaser. Any property sold by the board of county commissioners under the provisions of this section, either for cash or on contract, shall be assessed by the county assessor in the same manner and upon the same basis of valuation as though the purchaser held the record title to the property so sold. The board of county commissioners shall have authority to cancel any contract of sale if the purchaser shall fail to comply with any of the terms of such contract, and retain all payments paid thereon. The board of county commissioners may by agreement with the purchaser modify or extend any of the terms of any contracts of sale, but the total period of years shall not exceed ten (10) years. Any such sale made by the board of county commissioners of property acquired through tax deed shall, subject to the provisions of this section, vest in the purchaser all of the right, title and interest of the county in the property so sold, including all delinquent taxes which have become a lien on the property since the date of the tax sale certificate upon which any tax deed has been issued, with the exception of any liens for special assessments which are unsatisfied as to present and future principal and interest payments, and any penalties which are due, and such board shall have discretionary authority to reject or accept any bid which may be made for a less amount than the total amount of all delinquent taxes, penalties, and interest which may have accrued against any property so offered for sale, including the amount specified in the tax deed to the county. The said board of county commissioners shall appraise and determine the value of such real property immediately prior to the execution of the deed conveying the same to the United States of America. And the board of county commissioners shall accept from the United States of America for and on behalf of the county, as full compensation for each tract and parcel of such real property conveyed, title to stumpage having an approximate value equal to the appraised value of the real property described in the deed or conveyance. All stumpage acquired by the county under the provisions of this paragraph shall be sold by the board of county commissioners for a price which shall not be less than its approximate value at the time it was received by the county from the United States of America, and the proceeds of such sale of such stumpage shall be deposited in the county treasury for the use of the county. No public notice of the intention to convey title to any of the real property defined by this paragraph shall be necessary.

Provided further, that the board of county commissioners may, in their discretion, whenever they shall determine it is desirable and for the general welfare and benefit of the people of the county, grant and convey by deed to the United States of America or any agency thereof title in fee simple, or any other interest in and to any real estate owned by the county, whether acquired by tax deed or otherwise, which may be required by the United States or such agency for electric transmission or distribution lines or facilities connected therewith. Before making any such conveyance, the board of county commissioners
shall enter a resolution declaring the intention of such board to make a conveyance of real property under authority of this act, and shall cause notice thereof to be published in at least two (2) weekly issues of the official newspaper of said county before final action shall be taken, specifying the time and place where objections to such action may be filed and the time when such objections will be considered, provided, that if no newspaper is published in said county, such notice may be given by posting such notice in three (3) public places in the county, one (1) of which shall be at the county courthouse, in the place provided for posting similar notices, for a period of at least ten (10) days immediately preceding the time fixed for hearing of objections. If no objections are filed or objections are overruled, the board may then convey the real property proposed in said resolution to be conveyed, as herein authorized; such conveyance may be for such consideration as may be determined by said board.

Provided further that when any city desires to acquire lands, for the purpose of constructing and maintaining an aviation field, airport, hangars and other air navigation facilities thereon, as provided in chapter 4, title 21, Idaho Code, and the title to all or any portion of the lands so desired for such purpose not exceeding in area one thousand two hundred and eighty (1,280) acres, is vested in any county under tax deed, said land so owned by the county, may be sold and conveyed to any such city for such purposes by the county owning the same at a price to be fixed by resolution of the board of county commissioners. No public notice of the intention of the county to sell and convey title to any city for such purposes shall be necessary.

The execution and delivery by the county of the deed conveying such property, right-of-way, or other interest in such property to the United States of America or any agency thereof, the state, city, school district, or community college district or local historical society for such purposes, which shall be specified in the deed, shall operate to discharge and cancel all levies, liens and taxes made or created for the benefit of the state, county, school district and all
other taxing units and to cancel all titles or claims of title includ­ing claims of redemption to such real property asserted or existing at the time of such conveyance, provided however, that notwithstanding the aforesaid, if any such conveyances are made and the property con­veyed is subject to a lien for one or more unsatisfied special assess­ments the lien of any such unsatisfied special assessment shall con­tinue until such special assessment shall have been paid in full. At no time shall a lien for a special assessment be extinguished prior to such special assessment having been paid in full.

Any real property conveyed to any local historical society by the county shall revert to the county when the property is no longer util­ized for the purposes for which it was conveyed.

Except for property acquired by tax deed, should the county be unable to sell at a public auction any real or personal property belonging to the county, not necessary for its use, at the fixed mini­mum price, it may then sell said real or personal property, without further notice, by public or private sale upon such terms and condi­tions as it deems necessary to sell said property at the fixed minimum price.

A highway district or single county-wide highway district shall follow the provisions of this section when selling real or personal property belonging to it, but not necessary for its use. The proceeds from such sale shall be paid to the highway district or single county­wide district for its use.

CHAPTER 76
(H.B. No. 27)

AN ACT
RELATING TO INCOME TAXES; AMENDING SECTION 63-3022, IDAHO CODE, TO PROVIDE THAT IDAHO ADJUSTMENTS TO THE DEDUCTION FOR DIVIDENDS PAID CONFORM TO CHANGES IN THE INTERNAL REVENUE CODE; DECLARING AN EMERGENCY AND PROVIDING A RETROACTIVE EFFECTIVE DATE.

Be It Enacted by the Legislature of the State of Idaho:
SECTION 1. That Section 63-3022, Idaho Code, be, and the same is hereby amended to read as follows:

63-3022. TAXABLE INCOME. The term "taxable income" means "taxable income" as defined in section 63 of the Internal Revenue Code, adjusted as follows:

(a) Add interest and dividends received or accrued during the taxable year from foreign securities and from securities issued by states and other political subdivisions, other than those issued by the state of Idaho, its cities and political subdivisions, exempt from federal income tax under the Internal Revenue Code, less applicable amortization.

(1) In the case of a corporation whose income is taxable under this chapter, no deduction shall be allowed for interest on indebtedness incurred or continued to purchase after January 1, 1983, or to carry obligations acquired after January 1, 1983, the interest of which is wholly exempt from the taxes imposed under this chapter. The amount of interest on indebtedness thus incurred or continued shall be an amount which bears the same ratio to the aggregate amount allowable (determined without regard to this section) to the taxpayer as a deduction for interest, for the taxable year as the taxpayer's average adjusted basis of the obligations mentioned in the preceding sentence bears to such average adjusted basis for all assets of the taxpayer, or, at the option of the taxpayer, an amount which bears the same ratio to the aggregate amount allowable (determined without regard to this section) to the taxpayer as a deduction for interest for the taxable year as the taxpayer's interest income from the obligations mentioned in the preceding sentence bears to the taxpayer's total income for the taxable year.

(2) In the case of a corporation whose income is computed pursuant to section 63-3027, Idaho Code, the interest expense deductible shall be an amount equal to interest and dividend income subject to apportionment, plus the amount, if any, by which the balance of interest expense exceeds interest and dividend income not subject to apportionment. Interest expense not included in the preceding sentence shall be directly offset against interest and dividend income not subject to apportionment. This provision shall not apply to dividend income excluded pursuant to section 63-3027C(c) and (e), Idaho Code.

(b) Add any state taxes, measured by net income, paid or accrued during the taxable year adjusted for state tax refunds used in arriving at taxable income as defined in section 63 of the Internal Revenue Code.

(c) Add the net operating loss deduction used in arriving at taxable income as defined in section 63 of the Internal Revenue Code.

(d) (1) A net operating loss for any taxable year commencing on or after January 1, 1983, shall be a net operating loss carryover to each of the ten (10) taxable years following the taxable year of such loss; provided, however, such net operating loss shall be subtracted in each succeeding year in order but the total subtracted in the succeeding taxable years shall not exceed the total
of such net operating loss; provided, further, that a net operat­ing loss not to exceed one hundred thousand dollars ($100,000) arising in a taxable year commencing on or after January 1, 1983, may, at the election of the taxpayer, be carried back to the three (3) immediately preceding taxable years, and if such loss is not entirely absorbed by the income of those years, the amount of loss not exhausted may be subtracted from taxable income arising in the next ten (10) years succeeding the taxable year in which the loss arises in order until exhausted. An election under this subsection must be in the manner prescribed in the regulations of the state tax commission and once made is irrevocable for the year in which it is made. In the event that the taxpayer elects to carryback any loss arising in a year commencing on or after January 1, 1983, any loss not exhausted may be subtracted from taxable income arising in the next succeeding ten (10) taxable years in order until exhausted.

(2) Net operating losses incurred by a corporation during a year in which such corporation had no Idaho business situs may not be subtracted. Net operating losses incurred by a person, other than a corporation, in business activities not taxable by Idaho may not be subtracted.

(e) In the case of a corporation, add the amount deducted under the provisions of section 243(a) of the Internal Revenue Code (relating to dividends received by corporations) as limited by section 246(b)(1) of said code.

(f) In the case of a corporation, subtract an amount equal to eighty--per--cent--(80%) the percentage determined under section 246(b)(3) of the Internal Revenue Code of the amount received during the taxable year as dividends, as limited by the rules of section 246(b)(1) of the Internal Revenue Code, from any corporation which has shown to the satisfaction of the state tax commission that more than fifty per cent (50%) of its taxable income for the taxable year immediately preceding the declaration of such dividends was taxable by the state of Idaho under the provisions of this act.

(g) Subtract the amount of any income received or accrued during the taxable year which is exempt from taxation by this state, under the provisions of any other law of this state or a law of the United States, if not previously subtracted in arriving at taxable income, as defined by section 63 of the Internal Revenue Code.

(h) In the case of a corporation with more than fifty per cent (50%) of its income taxable within this state, the salary, fee or other compensation of its nonresident officers or directors shall be treated as income from sources within the state. Whether or not any personal services have been performed by such nonresident officers or directors in this state, they shall be deemed to have a business situs in this state. If such salary, fee or other compensation is not reported to this state as income, such corporation shall not deduct as part of its expenses for the taxable year any part of such salary, fee or other compensation in computing taxable income. When the salary, fee or other compensation paid to such nonresident officer is reported to this state as income by such nonresident officer, it shall be apportioned by applying to the total of such income the apportionment
factor of the corporation paying the salary, fee or other compensa-
tion, as such factor is reported on the corporation's income tax
return computed pursuant to section 63-3027, Idaho Code, or as subse-
quently modified. Provided, however, reasonable compensation paid to
such nonresident officers or directors for personal services actually
performed outside the state of Idaho shall not be included as income
earned from Idaho sources.

(i) For the purpose of determining the taxable income of the ben-
eficiary of a trust or of an estate, distributable net income as
defined for federal tax purposes shall be corrected for the other
adjustments required by this section. In the event that a nonresident
beneficiary of a trust or estate fails to file an Idaho income tax
return reporting all or any part of distributable net income taxable
in Idaho or fails to pay any tax due thereon, the trust or estate mak-
ing the payment or distribution shall be taxable upon the amount of
such distribution or payment at the rates established by section
63-3024, Idaho Code.

(j) In the case of an individual who is on active duty as a full
time officer, enlistee or draftee, with the armed forces of the United
States, which full time duty is or will be continuous and uninterr-
upted for one hundred twenty (120) consecutive days or more, deduct
compensation paid for services performed outside this state by the
armed forces of the United States.

(k) In the case of a corporation, add any capital loss deducted
which loss was incurred during any year in which such corporation had
no Idaho business situs. In the case of persons, other than corpora-
tions, add any capital loss deducted which was incurred in business
activities not taxable by Idaho at the time such loss was incurred. In
the case of a corporation having income from Idaho sources and having
elected to file federal income tax returns thereon pursuant to
Subchapter-S of the Internal Revenue Code, or a partnership having
income from Idaho sources, salaries, wages, fees, and other compensa-
tion paid to nonresident shareholders or partners, and the items of
income, loss, deduction, and credit allocated to each nonresident
shareholder or partner shall be treated as having sources within the
state. Whether or not any personal services have been performed in
this state by such nonresident shareholders or partners, they shall be
deemed to have a business situs in this state. When the salaries,
wages, fees, and other compensations paid to such nonresident share-
holders or partners or items of income, loss, deduction, and credit,
or allocated to such shareholders or partners is reported to this
state as taxable income pursuant to this subsection, such income shall
be apportioned by applying to the total of such income the apportion-
ment factor of the corporation or partnership. The apportionment fac-
tor of the corporation or partnership shall be computed pursuant to
the provisions of section 63-3027, Idaho Code. If such items of
income, loss, deduction, or credit, salaries, wages, fees or other
compensation are not reported to this state by the nonresident share-
holders or partners, such corporation or partnership shall report the
same to this state and be taxable thereon at the corporate rate. Pro-
vided, however, reasonable compensation paid to such nonresident
shareholders or partners for personal services actually performed out-
side the state of Idaho shall not be included as income earned from Idaho sources. In computing the income taxable to the corporation or partnership under this subsection, deduction shall not be allowed for a carryover or carryback of a net operating loss provided for in subsection (d) of this section or a capital loss provided for in section 1212 of the Internal Revenue Code.

(1) In the case of natural persons, there shall be allowed as deductions from gross income either (1) or (2) at the option of the taxpayer:

(1) a. The standard deduction as defined by section 63, Internal Revenue Code, plus contributions made to the state of Idaho for credit to the medical assistance account, if such contributions were not previously subtracted in arriving at taxable income, plus
b. Itemized expenditures of not to exceed one thousand dollars ($1,000) per cared for member incurred in providing personal care services to or for an immediate member of the taxpayer's family; such services may be provided either in the taxpayer's home or the family member's home; personal care services shall be as defined in chapter A47, title 39, Idaho Code, but the cared for member need not be medicaid eligible for the purposes of this section only, if he substantially meets all of the other requirements of chapter A47, title 39, Idaho Code; in order for the deduction under this paragraph to be allowed, the expenditures claimed must not have been reimbursed by medicare, medicaid or private insurance, and such expenditures must not have been previously subtracted in arriving at taxable income.

(2) a. Itemized deductions as defined in sections 163, 164 (except state income taxes as specified in subsection (b) of this section), 165, 166, 170, 171, 211, 212, 213 and 216, Internal Revenue Code, plus
b. Contributions made to the state of Idaho for credit to the medical assistance account, if such contributions were not previously subtracted in arriving at taxable income, plus
c. (m) Deduct any amounts added to gross income under section 87 of the Internal Revenue Code for tax credits allowable to the taxpayer under section 40 of the Internal Revenue Code.

AN ACT
RELATING TO RULES OF THE PERSONNEL COMMISSION; AMENDING SECTION 67-5309, IDAHO CODE, TO PROVIDE A PROBATION PERIOD OF ONE YEAR FOR PEACE OFFICERS.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 67-5309, Idaho Code, be, and the same is hereby amended to read as follows:

67-5309. RULES OF THE PERSONNEL COMMISSION. The commission shall have the power and authority to adopt, amend, or rescind such rules and regulations as may be necessary for proper administration of this act. Such rules shall include:

(a) A rule requiring the personnel commission, after consulting with each department to develop, adopt, and make effective, a classification plan for positions covered by this act, based upon an analysis of the duties and responsibilities of the position. The classification plan will include an appropriate title for each class, and a description of duties and responsibilities of positions in the classes and requirements of minimum training, experience and other qualifications, suitable for the performance of duties of the position.

(b) A rule requiring the personnel commission, after consulting with each department to develop, and adopt a comprehensive compensation plan for all classes of positions covered under this act. The compensation plan shall include salary schedules with the salary of each position consistent with the responsibility and difficulty of the work as outlined in the job specifications.

(c) A rule requiring that all classes of positions which are common to the departments concerned shall have the same titles, minimum requirements and compensation.

(d) A rule providing for not less than biennial review by the commission of the personnel system including classification and compensation plans, policies and procedures.

(e) A rule requiring fair and impartial selection of appointees to all positions other than those defined as nonclassified in this
act, on the basis of open competitive merit examinations. An application for an examination will be accepted after the closing date of the examination from a person who was serving in the armed forces, or undergoing hospitalization of no more than one (1) year following discharge, during any period in which the examination was open; the application must be submitted within one hundred twenty (120) days of separation from the armed forces or hospitalization and prior to the expiration of the register established as a result of the examination. A disabled veteran may file an application at any time for any position for which the commission maintains a register or for which a register is about to be established, provided he or she has not already been examined twice for the same position and grade for which application is made, does not have current eligibility on that register, or is not serving in a competitive position in the same grade for which application is made. Examinations may be assembled or unassembled and may include various examining techniques such as rating of training and experience, written tests, oral interviews, recognition of professional licensing, performance tests, investigations and any other measure of ability to perform the duties of the position. Examinations shall be scored objectively. Five (5) points shall be added to the earned rating of any war veteran and the widow of any war veteran as long as she remains unmarried. Ten (10) points shall be added to the earned rating of any disabled war veteran, the widow of any disabled war veteran as long as she remains unmarried or the spouse of any disabled veteran who is physically unable to perform the work in the position to which the spouse seeks to apply the preference. Employment registers shall be established in order of final score except that the names of all five (5) point preference eligibles resulting from any merit system or civil service examination shall be placed on the register in accordance with their augmented rating, and the names of all ten (10) point preference eligibles shall be placed at the top of the register above the names of all nonpreference eligibles. Certification of eligibility for appointment to vacancies shall be in accordance with a formula which limits selection by the hiring department from among the five (5) top ranking available eligibles plus the names of all individuals with scores identical to the fifth ranking eligible on the register; however, selective certification shall be permitted when justified by the hiring department, under rules to be made by the commission defining adequate justification based on the duties and requirements of the position. Such examinations need not be held until after the rules have been adopted, the service classified and a pay plan established, but shall be held not later than one (1) year after departments commence participation in the personnel system.

(f) A rule that, whenever practicable, a vacancy in a classified position shall be filled by the promotion of a qualified permanent employee of the agency in which the vacancy occurs. An inter-agency promotion shall be made through competitive examination and all qualified state employees shall have the opportunity to compete for such promotions. If an employee's name appears within certifiable range on a current register for a higher class of position, he shall be eligible for a transfer and promotion.

(g) A rule for development and maintenance of a system of service
ratings and the use of such ratings by all departments in connection with promotions, demotions, retentions, separations and reassignments. The rule shall require that an evaluation of each classified employee shall be made after each two thousand eighty (2,080) hour period of credited state service, and that a copy of the evaluation shall be filed with the commission.

(h) A rule prohibiting disqualification of any person from taking an examination, from appointment to a position, from promotion, or from holding a position because of race or national origin, color, sex, age, political or religious opinions or affiliations, or other nonmerit factors, and providing for right of appeal.

(i) A rule establishing a probation period not to exceed six (6) months for all appointments and promotions, except that peace officers as defined in section 19-5101, Idaho Code, shall be subject to a probation period of one (1) year, and for the appointing authority to provide the employee and the commission a performance evaluation indicating satisfactory or unsatisfactory performance not later than thirty (30) days after the expiration of the probationary period. The rule shall provide that if the appointing authority fails to provide a performance evaluation within thirty (30) days after the expiration of the probationary period, the employee shall be deemed to have satisfactorily completed the probation unless the appointing authority receives approval from the state personnel director to extend the probationary period for good cause for an additional specified period not to exceed six (6) months. If an employee is performing in an unsatisfactory manner during the entrance probationary period, the appointing authority shall ask the employee to resign, and if no resignation is submitted, shall terminate the employment of such employee without the right of grievance or appeal.

(j) A rule concerning provisional appointments.

(k) A rule concerning temporary appointments.

(l) A rule governing the employment of consultants and persons retained under independent contract.

(m) A rule for the disciplinary dismissal, demotion, suspension or other discipline of employees only for cause with reasons given in writing. Such rule shall provide that any of the following reasons shall be proper cause for the disciplinary dismissal, demotion or suspension of any employee in the state classified service:

1. Failure to perform the duties and carry out the obligations imposed by the state constitution, state statutes, rules and regulations of the employee's department, or rules and regulations of the personnel commission.
2. Inefficiency, incompetency, or negligence in the performance of duties.
3. Physical or mental incapability for performing assigned duties.
4. Refusal to accept a reasonable and proper assignment from an authorized supervisor.
5. Insubordination or conduct unbecoming a state employee or conduct detrimental to good order and discipline in the employee's department.
6. Intoxication on duty.
7. Careless, negligent, or improper use or unlawful conversion of state property, equipment or funds.
8. Use of any influence which violates the principles of the merit system in an attempt to secure a promotion or privileges for individual advantage.
9. Conviction of official misconduct in office, or conviction of any felony, or conviction of any other crime involving moral turpitude.
10. Acceptance of gifts in exchange for influence or favors given in the employee's official capacity.
11. Habitual pattern of failure to report for duty at the assigned place and time.
13. Unauthorized disclosure of confidential information from official records.
15. Misstatement or deception in the application for the position.
16. Failure to obtain or maintain a current license or certificate lawfully required as a condition for performing the duties of the job.
17. Prohibited participation in political activities.

(n) A rule to establish procedures for maintenance of a record of the employment history and appropriate information relating to performance of all employees under the personnel system.

(o) Rules to provide for recruitment programs in cooperation with department heads and the employment security agency in keeping with current employment conditions and labor market trends.

(p) Rules to establish procedures for examinations as necessary for the purpose of maintaining current registers from which to fill employment vacancies.

(q) Other rules not inconsistent with the foregoing provisions of this section as may be necessary and proper for the administration and enforcement of this act.

(r) A rule concerning "project exempt" appointments.

(a) Rules relating to leave for state employees from official duties, including but not limited to sick leave, military leave, jury duty, leaves of absence without compensation and such other forms of absence from performance of duties in the course of state employment as may be necessary.

(2) The suspension of operating privileges under this section shall continue for a period of ninety (90) days or until the penalty has been paid, whichever comes first, from notice of suspension by the department. The suspension shall be processed by the department in the same manner as other suspensions under section 49-326, Idaho Code, except that no hearing shall be held by the department. Upon receipt of the notice of nonpayment of the penalty from the court, the department shall perform the ministerial duty of giving official notification of suspension of the driver's license.

(3) Upon proper application and payment of any required fee, a driver's license or permit suspended under this section shall be reinstated by the department after the period of ninety (90) days, or shall be reinstated at an earlier date upon proof of payment of the penalty for the infraction. 49-2001. ENACTMENT OF COMPACT. The driver license compact is hereby enacted into law and entered into with all other jurisdictions legally joined therein in the form substantially as follows:

DRIVER LICENSE COMPACT

ARTICLE I

Findings and Declaration of Policy

(a) The party states find that:

(1) The safety of their streets and highways is materially affected by the degree of compliance with state laws and local ordinances relating to the operation of motor vehicles.

(2) Violation of such a law or ordinance is evidence that the violator engages in conduct which is likely to endanger the safety of persons and property.

(3) The continuance in force of a driver's license to drive is predicated upon compliance with laws and ordinances relating to the operation of motor vehicles, in whichever jurisdiction the vehicle is operated.

(b) It is the policy of each of the party states to:

(1) Promote compliance with the laws, ordinances, and administrative rules and regulations relating to the operation of motor vehicles by their operators in each of the jurisdictions where such operators drive motor vehicles.

(2) Make the reciprocal recognition of drivers' licenses to drive and eligibility therefor more just and equitable by considering the overall compliance with motor vehicle laws, ordinances and administrative rules and regulations as a condition precedent to the continuance or issuance of any driver's license by reason of which the licensee is authorized or permitted to operate a motor vehicle in any of the party states.

ARTICLE II

Definitions

As used in this compact:

(a) "State" means a state, territory or possession of the United States, the District of Columbia, or the Commonwealth of Puerto Rico.

(b) "Home State" means the state which has issued and has the power to suspend or revoke the use of the license or permit to operate a motor vehicle.

(c) "Conviction" means a conviction of any offense related to the use or operation of a motor vehicle which is prohibited by state law, municipal ordinance or administrative rule or regulation, or a forfeiture of bail, bond or other security deposited to secure appearance by a person charged with having committed any such offense, and which conviction or forfeiture is required to be reported to the licensing authority.

ARTICLE III

Reports of Conviction

The licensing authority of a party state shall report each conviction of a person from another party state occurring within its juris-
diction to the licensing authority of the home state of the licensee. Such report shall clearly identify the person convicted; describe the violation specifying the section of the statute, code or ordinance violated; identify the court in which action was taken; indicate whether a plea of guilty or not guilty was entered, or the conviction was a result of the forfeiture of bail, bond or other security; and shall include any special findings made in connection therewith.

ARTICLE IV

Effect of Conviction

(a) The licensing authority in the home state, for the purposes of suspension, revocation or limitation of the driver's license to operate a motor vehicle, shall give the same effect to the conduct reported, pursuant to Article III of this compact, as it would if such conduct had occurred in the home state, in the case of convictions for:

(1) Manslaughter or negligent homicide resulting from the operation of a motor vehicle;
(2) Driving a motor vehicle while under the influence of intoxicating liquor or a narcotic drug, or under the influence of any other drug to a degree which renders the driver incapable of safely driving a motor vehicle;
(3) Any felony in the commission of which a motor vehicle is used;
(4) Failure to stop and render aid in the event of a motor vehicle accident resulting in the death or personal injury of another.

(b) As to other convictions, reported pursuant to Article III, the licensing authority in the home state shall give such effect to the conduct as is provided by the laws of the home state.

(c) If the laws of a party state do not provide for offenses or violations denominated or described in precisely the words employed in subdivision (a) of this article, such party state shall construe the denominations and descriptions appearing in subdivision (a) hereof as being applicable to and identifying those offenses or violations of a substantially similar nature, and the laws of such party state shall contain such provisions as may be necessary to ensure that full force and effect is given to this article.

ARTICLE V

Applications for New Driver's Licenses

Upon application for a driver's license to drive, the licensing authority in a party state shall ascertain whether the applicant has ever held, or is the holder of a driver's license to drive issued by any other party state. The licensing authority in the state where application is made shall not issue a driver's license to drive to the applicant if:

(1) The applicant has held such a driver's license, but the same has been suspended by reason, in whole or in part, of a violation and if such suspension period has not terminated.
(2) The applicant has held such a driver's license, but the same has been revoked by reason, in whole or in part, of a violation and if such revocation has not terminated, except that after the expiration of one (1) year from the date the driver's license was revoked, such person may make application for a new driver's license if permitted by
The licensing authority may refuse to issue a driver's license to any such applicant if, after investigation, the licensing authority determines that it will not be safe to grant to such person the privilege of driving a motor vehicle on the public highways.

(3) The applicant is the holder of a driver's license to drive issued by another party state and currently in force unless the applicant surrenders such driver's license.

ARTICLE VI
Applicability of Other Laws

Except as expressly required by provisions of this compact, nothing contained herein shall be construed to affect the right of any party state to apply any of its other laws relating to driver's licenses to drive to any person or circumstance, nor to invalidate or prevent any driver license agreement, or other cooperative arrangement between a party state and a nonparty state.

ARTICLE VII

ARTICLE VIII
Entry Into Force and Withdrawal

(a) This compact shall enter into force and become effective as to any state when it has enacted the same into law.

(b) Any party state may withdraw from this compact by enacting a statute repealing the same, but no such withdrawal shall take effect until six (6) months after the executive head of the withdrawing state has given notice of the withdrawal to the executive heads of all other party states. No withdrawal shall affect the validity or applicability by the licensing authorities of states remaining party to the compact of any report of convictions occurring prior to the withdrawal.

ARTICLE IX
Construction and Severability

This compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this compact shall be severable and if any phrase, clause, sentence or provision of this compact is declared to be contrary to the constitution of any party state or of the United States or the applicability thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If this compact shall be held contrary to the constitution of any state party thereto, the compact shall remain in full force and effect as to the remaining states and in full force and effect as to the state affected as to all severable matters.

The court, in granting such an extension, may, for good cause shown, extend the defendant's temporary driving privileges for one (1) additional thirty (30) day period. The hearing shall be limited to the question of why the defendant did not take the test, and the burden of proof shall be upon the defendant; the court shall suspend all his driving privileges immediately for one hundred eighty (180) days unless it finds that the police officer did not have probable cause to stop and request him to take the test or that the request violated his civil rights;

(c) If a hearing is not requested by written notice to the court concerned within seven (7) calendar days, upon receipt of a sworn statement by the police officer of the circumstances of the refusal, the court shall suspend his driving privileges for one hundred eighty (180) days, during which time he shall have absolutely no driving privileges of any kind; and

(d) After submitting to the test at the request of the police officer, he may, when practicable, at his own expense, have additional tests made by a person of his own choosing. The failure or inability to obtain an additional test or tests by a person shall not preclude the admission of an evidentiary test for alcohol concentration taken at the direction of the police officer unless the additional test was denied by the police officer.

(5) Any suspension of driving privileges under this section shall be a civil penalty separate and apart from any other suspension imposed for a violation of other Idaho motor vehicle codes or for a conviction of an offense pursuant to this chapter, and may be appealed to the district court.

(6) No hospital, hospital officer, agent, or employee, or health care professional licensed by the state of Idaho shall be held liable in damages in any civil proceeding for a cause of action based upon assault, battery or false imprisonment, or be subject to prosecution under chapter 9 or 29, title 18, Idaho Code, for any act arising out of administering an evidentiary test for alcohol concentration at the request of a police officer in the manner described by this section.

(7) "Actual physical control" as used in this section, shall be defined as being in the driver's position of the motor vehicle with the motor running or with the motor vehicle moving.
(8) Any written notice required by this section shall be effective upon mailing.

SECTION 61. That Section 18-8004, Idaho Code, be, and the same is hereby amended to read as follows:

18-8004. PERSONS UNDER THE INFLUENCE OF ALCOHOL, DRUGS OR ANY OTHER INTOXICATING SUBSTANCES. (1) (a) It is unlawful for any person who is under the influence of alcohol, drugs or any other intoxicating substances, or who has an alcohol concentration of 0.10, as defined in subsection (4) of this section, or more, as shown by analysis of his blood, urine, or breath, to drive or be in actual physical control of a motor vehicle within this state, whether upon a highway, street or bridge, or upon public or private property open to the public.

(b) It is unlawful for any person who is under the influence of alcohol, drugs or any other intoxicating substances, or who has an alcohol concentration of 0.04, as defined in subsection 4 of this section, or more, as shown by analysis of his blood, urine, or breath, to drive or be in actual physical control of a vehicle belonging to a group of commercial motor vehicles within this state, whether upon a highway, street or bridge, or upon public or private property open to the public.

(2) Any person having an alcohol concentration of less than 0.10, as defined in subsection (4) of this section, as shown by analysis of his blood, urine, or breath, by a test requested by a police officer shall not be prosecuted for driving under the influence of alcohol, except as provided in subsection (3) and subsection (1)(b) of this section. Any person who does not take a test to determine alcohol concentration or whose test result is determined by the court to be unreliable or inadmissible against him, may be prosecuted for driving or being in actual physical control of a motor vehicle while under the influence of alcohol, drugs, or any other intoxicating substances, on other competent evidence.

(3) If the results of the test requested by a police officer show a person's alcohol concentration of less than 0.10, as defined in subsection (4) of this section, such fact may be considered with other competent evidence of drug use other than alcohol in determining the guilt or innocence of the defendant.

(4) For purposes of this chapter, an evidentiary test for alcohol concentration shall be based upon a formula of grams of alcohol per one hundred (100) cubic centimeters of blood, per two hundred ten (210) liters of breath or sixty-seven (67) milliliters of urine. Analysis of blood, urine or breath for the purpose of determining the alcohol concentration shall be performed by a laboratory operated by the Idaho department of law enforcement or by a laboratory approved by the Idaho department of law enforcement under the provisions of approval and certification standards to be set by that department, or by any other method approved by the Idaho department of law enforcement. Notwithstanding any other provision of law or rule of court, the results of any test for alcohol concentration and records relating to calibration, approval, certification or quality control performed by a laboratory operated or approved by the Idaho department of law
enforcement or by any other method approved by the Idaho department of law enforcement shall be admissible in any proceeding in this state without the necessity of producing a witness to establish the reliability of the testing procedure for examination.

(5) It is unlawful for any person who is an habitual user of, or under the influence of any narcotic drug, or who is under the influence of any other drug or any combination of alcohol and any drug to a degree which renders him incapable of safely driving a motor vehicle, to drive or be in actual physical control of a motor vehicle within this state, whether upon a highway, street or bridge, or upon public or private property open to public use. The fact that any person charged with a violation of the provisions of this subsection is or has been entitled to use such drug under the laws of this state shall not constitute a defense against any charge of a violation of the provisions of this subsection.

(6) "Actual physical control" as used in this section, shall be defined as being in the driver's position of the motor vehicle with the motor running or with the motor vehicle moving.

(7) Notwithstanding any other provision of law, any evidence of conviction under this section shall be admissible in any civil action for damages resulting from the occurrence. A conviction for the purposes of this section means that the person has pled guilty or has been found guilty, notwithstanding the form of the judgment(s) or withheld judgment(s).

SECTION 62. That Section 18-8005, Idaho Code, be, and the same is hereby amended to read as follows:

18-8005. PENALTIES. (1) Any person who pleads guilty to or is found guilty of a violation of the provisions of section 18-8004, Idaho Code, for the first time is guilty of a misdemeanor; and
   (a) May be sentenced to jail for not to exceed six (6) months;
   (b) May be fined an amount not to exceed one thousand dollars ($1,000);
   (c) Shall be advised by the court in writing at the time of sentencing of the penalties that will be imposed for second or subsequent violations of the provisions of section 18-8004, Idaho Code, which advice shall be signed by the defendant, and a copy retained by the court and another copy retained by the prosecuting attorney; and
   (d) Shall have his driving privileges suspended by the court for not to exceed one hundred eighty (180) days; the defendant may request restricted driving privileges during the period of the suspension, which the court may allow, if the defendant shows by a preponderance of the evidence that driving privileges are necessary for his employment or for family health needs.

(2) Any person who pleads guilty to or is found guilty of a violation of the provisions of section 18-8004, Idaho Code, for the second time within five (5) years, notwithstanding the form of the judgment(s) or withheld judgment(s), is guilty of a misdemeanor; and
   (a) Shall be sentenced to jail for a mandatory minimum period of not less than ten (10) days, and may be sentenced to not more than
one (1) year;
(b) May be fined an amount not to exceed two thousand dollars ($2,000);
(c) Shall be advised by the court in writing at the time of sen-
tencing, of the penalties that will be imposed for subsequent
violations of the provisions of section 18-8004, Idaho Code, which
advice shall be signed by the defendant, and a copy retained by
the court and another copy retained by the prosecuting attorney;
(d) Shall surrender his driver's license or permit to the court;
and
(e) Shall have his driving privileges suspended by the court for
an additional mandatory minimum period of six (6) months after
release from confinement, and may have his driving privileges sus-
pended by the court for an additional period of up to one (1) year
after release from confinement. After thirty (30) days have passed
following release from confinement, during which thirty (30) day
period absolutely no driving privileges of any kind may be
granted, the defendant may request restricted driving privileges
during the balance of the suspension period, which the court may
allow, if the defendant shows by a preponderance of the evidence
that driving privileges are necessary for his family health needs
or for his employment which requires that he operate a motor vehi-
cle while on the job and in the course of his employment. That the
defendant must commute between his residence and place of employ-
ment is not grounds for allowing the defendant to have restricted
driving privileges.
(3) Any person who pleads guilty to or is found guilty of three
(3) or more violations of the provisions of section 18-8004, Idaho
Code, within five (5) years, notwithstanding the form of the judg-
ment(s) or withheld judgment(s), shall be guilty of a felony; and
(a) Shall be sentenced to the custody of the state board of cor-
rection for not to exceed five (5) years; provided that notwith-
standing the provisions of section 19-2601, Idaho Code, should the
court impose any sentence other than incarceration in the state
penitentiary, the defendant shall be sentenced to the county jail
for a mandatory minimum period of not less than thirty (30) days;
and further provided that notwithstanding the provisions of sec-
tion 18-111, Idaho Code, a conviction under this section shall be
deemed a felony;
(b) May be fined an amount not to exceed five thousand dollars
($5,000);
(c) Shall surrender his driver's license or permit to the court;
and
(d) Shall have his driving privileges suspended by the court for
a mandatory minimum period of one (1) year after release from
imprisonment, and may have his driving privileges suspended by the
court for not to exceed five (5) years after release from impris-
onment, during which time he shall have absolutely no driving
privileges of any kind.
(4) For the purposes of paragraphs (2) and (3) of this section,
convictions of violation of the provisions of section 18-8004, Idaho
Code, shall be considered by the court to determine if a later convic-
tion is a second or subsequent conviction only if such convictions were of violations committed on or after July 1, 1983.

(5) Any person who pleads guilty to or is found guilty of a violation of the provisions of section 18-8004 or 18-8006, Idaho Code, shall undergo, at his own expense, (or at county expense through the procedures set forth in chapters 34 and 35, title 31, Idaho Code,) and prior to the sentencing date, an alcohol evaluation by a licensed physician or alcohol evaluation facility approved by the Idaho department of health and welfare. In the event the alcohol evaluation indicates the need for alcohol treatment, the evaluation shall contain a recommendation by the evaluator as to the most appropriate treatment program, together with the estimated cost thereof, and recommendations for other suitable alternative treatment programs, together with the estimated costs thereof. The person shall request that a copy of the completed evaluation be forwarded to the court. The court shall take the evaluation into consideration in determining an appropriate sentence. If a copy of the completed evaluation has not been provided to the court, the court may proceed to sentence the defendant; however, in such event, it shall be presumed that alcohol treatment is required unless the defendant makes a showing by a preponderance of evidence that treatment is not required. If the defendant has not made a good faith effort to provide the completed copy of the evaluation to the court, the court may consider the failure of the defendant to provide the report as an aggravating circumstance in determining an appropriate sentence. If treatment is ordered, in no event shall the person or facility doing the evaluation be the person or facility that provides the treatment, with the exception of federally recognized Indian tribes or federal military installations, where diagnosis and treatment are appropriate and available. Nothing herein contained shall preclude the use of funds authorized pursuant to the provisions of chapter 3, title 39, Idaho Code, for court-ordered alcohol treatment for indigent defendants.

(6) At the time of sentencing, the court shall be provided with the following information:

(a) The results, if administered, of any evidentiary test for alcohol and/or drugs;

(b) A computer or teletype or other acceptable copy of the person's driving record;

(c) Information as to whether the defendant has pled guilty to or been found guilty of violation of the provisions of section 18-8004 or 18-8006, Idaho Code, or a similar offense within the past five (5) years, notwithstanding the form of the judgment(s) or withheld judgment(s); and

(d) The alcohol evaluation required in subsection (5) of this section, if any.

(7) A minor may be prosecuted for a violation of the provisions of section 18-8004, Idaho Code, under title 16, Idaho Code. In addition to any other penalty, if a minor pleads guilty to or is found guilty of a violation of the provisions of section 18-8004, Idaho Code, he shall have his driving privileges suspended or denied for an additional one (1) year following the end of any period of suspension or revocation existing at the time of the violation, or until he
reaches the age of eighteen (18) years, whichever period is greater. During the period of additional suspension or denial, absolutely no driving privileges shall be allowed.

(8) In the event that the alcohol evaluation required in subsection (5) of this section recommends alcohol treatment, the court shall order the person to complete a treatment program in addition to any other sentence which may be imposed, unless the court determines that alcohol treatment would be inappropriate or undesirable, in which event, the court shall enter findings articulating the reasons for such determination on the record. The court shall order the defendant to complete the preferred treatment program set forth in the evaluation, or a comparable alternative, unless it appears that the defendant cannot reasonably obtain adequate financial resources for such treatment. In that event, the court may order the defendant to complete a less costly alternative set forth in the evaluation, or a comparable program. Such treatment shall, to the greatest extent possible, be at the expense of the defendant. In the event that funding is provided for or on behalf of the defendant by an entity of state government, restitution shall be ordered to such governmental entity in accordance with the restitution procedure for crime victims, as specified under chapter 53, title 19, Idaho Code. Nothing contained herein shall be construed as requiring a court to order that a governmental entity shall provide alcohol treatment at government expense unless otherwise required by law.

(9) Any person who holds a class A, B or C driver's license shall not be issued restricted driving privileges otherwise allowed by the provisions of subsections (1) and (2) of this section.

SECTION 63. That Section 18-8006, Idaho Code, be, and the same is hereby amended to read as follows:

18-8006. AGGRAVATED DRIVING WHILE UNDER THE INFLUENCE OF ALCOHOL, DRUGS OR ANY OTHER INTOXICATING SUBSTANCES. (a) Shall be sentenced to the state board of correction for not to exceed five (5) years, provided that notwithstanding the provisions of section 19-2601, Idaho Code, should the court impose any sentence other than incarceration in the state penitentiary, the defendant shall be sentenced to the county jail for a mandatory minimum period of not less than thirty (30) days; and further provided that notwithstanding the provisions of section 18-111, Idaho Code, a conviction under this section shall be deemed a felony;
(b) May be fined an amount not to exceed five thousand dollars ($5,000);
(c) Shall surrender his driver's license or permit to the court; and
(d) Shall have his driving privileges suspended by the court for a mandatory minimum period of one (1) year after release from imprisonment, and may have his driving privileges suspended by
the court for not to exceed five (5) years after release from imprisonment, during which time he shall have absolutely no driv­ ing privileges of any kind; and
(e) Shall be ordered by the court to pay restitution in accor­ dance with chapter 53, title 19, Idaho Code.
(2) Notwithstanding any other provision of law, any evidence of conviction under this section shall be admissible in any civil action for damages resulting from the occurrence. A conviction for the pur­ poses of this section means that the person has pled guilty or has been found guilty, notwithstanding the form of the judgment(s) or withheld judgment(s).

SECTION 64. That Section 18-8007, Idaho Code, be, and the same is hereby amended to read as follows:

18-8007. LEAVING SCENE OF ACCIDENT RESULTING IN INJURY OR DEATH.
(1) The driver of any vehicle that has been involved in an accident, either upon public or private property open to the public, who knows or has reason to know that said accident has resulted in injury to or death of any person shall:
(a) Immediately stop the vehicle at the scene of the accident or as close thereto as possible. Every stop required under this sec­ tion shall be made without obstructing traffic more than is neces­ sary.
(b) Remain at the scene of the accident until the driver has ful­ filled all the requirements under this section.
(c) Give his name, address, the name of his insurance agent or company if he has automobile liability insurance, and the motor vehicle registration number of the vehicle he is driving to the person struck, or to the driver or occupant of or person attending any vehicle collided with.

(3) The director of the transportation department shall revoke for a period of one (1) year the driver's license or permit to drive, or the nonresident operating privilege, of any person convicted or found guilty of violating any provision of this section. (b) Every person convicted of a misdemeanor under this section shall be punished by a fine of not more than one hundred dollars ($100). The second conviction under this section shall be punished by a fine of not more than two hundred dollars ($200). The third and subsequent convictions under this section shall be punished by a fine of not more than three hundred dollars ($300), or up to thirty (30) days in jail or both.

(c) The transportation department shall suspend the operator's driver's license or permit to drive and any nonresident's driving privileges in the state of Idaho for sixty (60) days of any person under twenty-one (21) years of age who is found guilty or convicted of violating the law pertaining to the use, possession, procurement, attempted procurement or dispensing of any beer, wine or other alcoholic beverage. A conviction under this section shall not be used as a factor or considered in any manner for the purpose of establishing rates of motor vehicle insurance charged by a casualty insurer, nor shall such conviction be grounds for nonrenewal of any insurance policy as provided in section 41-2507, Idaho Code.

Each elementary school district shall be divided into three (3) trustee zones and each other school district shall be divided into no fewer than five (5) or more than nine (9) trustee zones according to the provisions of section 33-501, Idaho Code. Any proposal to define the boundaries of the several trustee zones in each such school district shall include the determination,

The boundaries of the several trustee zones in each such school district shall be defined and drawn so that, as reasonably as may be, each such zone shall have approximately the same population. For the purpose of this act, population shall be construed to be the legal residents of the district and children of such legal residents as provided in Article VI, section 2 of the constitution of the state of Idaho.

Whenever the area of any district has been enlarged by the annexation of all or any part of another district, or by the correction of errors in the legal description of school district boundaries, any such additional territory shall be included in the trustee zone or zones contiguous to such additional territory until such time as the trustee zones may be redefined and changed. A proposal to redefine and change trustee zones of any district may be initiated by its board of trustees, and submitted to the state board of education, or by petition signed by not less than fifty (50) school electors residing in the district, and presented to the board of trustees of the district. Within sixty (60) days following the receipt of a petition to redefine and change the trustee zones of a district the board of trustees shall prepare a proposal for a change which will equalize the population in each zone in the district and shall submit the proposal to the state board of education. Any proposal, or petition, shall include a legal description of each trustee zone as the same would appear as proposed, a map of the district showing how each trustee zone would then appear, and the approximate population each would then have, should the proposal to change any trustee zones become effective.

Within sixty (60) days after it has received the said petition and plan the state board of education may approve or disapprove any proposal to redefine and change trustee zones and shall give notice thereof in writing to the board of trustees of the district wherein the change is proposed. Should the state board of education approve the proposal, the board of trustees shall within sixty (60) days after notification of the approval of such proposal submit to the school district electors residing in the district, in an election to be held not less than thirty (30) days prior to the date of the next ensuing annual election of school district trustees, the question of approving or disapproving the proposal to change trustee zones. Notice of such election shall be posted and published, the election shall be held and conducted and the ballots canvassed, as provided in sections 33-401–33-406 chapter 4, title 33, Idaho Code. If a majority of the school district electors residing in the district, and voting in the election, should approve the proposal, the trustee zones shall be changed in accordance with the proposal.

At the next regular meeting of the board of trustees following the approval of the proposal the board shall appoint from its membership or from the patrons resident in each trustee zone, a person from that zone to serve as trustee until the next annual meeting. (a) An individual with a substantial interest in the matter, except a student in an Idaho public school; or
(b) A local board of trustees.

The allegation shall state the specific ground or grounds for revocation or suspension. The executive committee of the professional standards commission shall review the circumstances of the case and determine whether probable cause exists to warrant the filing of a complaint and the requesting of a hearing.

(2) Proceedings to revoke or suspend any certificate issued under section 33-1201, Idaho Code, shall be commenced by a written complaint against the holder thereof. Such complaint shall be made by the chief certification officer stating the ground or grounds for revocation and proposing that the certificate be revoked. A copy of the complaint shall be served upon the certificate holder, either by personal service or by certified mail.

(3) Not more than thirty (30) days after the date of service of any complaint, the person complained against may request, in writing, a hearing upon the complaint. Any such request shall be made and addressed to the state superintendent of public instruction; and if no
request for hearing is made, the grounds for suspension or revocation stated in the complaint shall be deemed admitted. (4) Any such hearing shall be conducted by three (3) or more panel members appointed by the chairman of the professional standards commission, a majority of whom shall hold a position of employment the same as the person complained against. No commission member who participated in the probable cause determination process in a given case shall serve on the hearing panel. All hearings shall be held with the object of ascertaining the truth. Any person complained against may appear in person and may be represented by legal counsel, and may produce, examine and cross-examine witnesses, and, if he chooses to do so, may submit for the consideration of the hearing panel a statement, in writing, in lieu of oral testimony, but any such statement shall be under oath and the affiant shall be subject to cross-examination.

(5) The state superintendent of public instruction, as authorized by the state board of education, has the power to issue subpoenas and compel the attendance of witnesses and compel the production of pertinent papers, books, documents, records, accounts and testimony. The state board or its authorized representative may, if a witness refuses to attend or testify or to produce any papers required by such subpoena, report to the district court in and for the county in which the proceeding is pending, by petition, setting forth that a due notice has been given of the time and place of attendance of the witnesses, or the production of the papers, that the witness has been properly summoned, and that the witness has failed and refused to attend or produce the papers required by this subpoena before the board, or its representative, or has refused to answer questions propounded to him in the course of the proceedings, and ask and order of the court compelling the witness to attend and testify and produce the papers before the board. Upon failure to obey the order, the witness shall be dealt with for contempt of court. The subpoenas shall be served and witness fees and mileage paid as allowed in civil cases in the district courts of this state.
(6) At the conclusion of any hearing dealing with the revocation, suspension or denial of a certificate, the hearing panel shall submit to the chief certification officer, a concise statement of the proceedings, a summary of the testimony, and any documentary evidence offered, together with the findings of fact and recommendation. The chief certification officer shall submit these documents to the state board of education. The board shall review the record so made, as well as its own records before making its determination. The board may adopt the panel's recommended decision, reverse or alter the decision, or it may order another hearing before the same or other persons, or before the board.

(7) The determination of the state board of education, upon any hearing, shall be entered in its records, and written notice of its determination shall be given to the person complained against by the state superintendent of public instruction, which notice shall be a part of the records of the state board of education.

(8) Pursuant to section 67-5215, Idaho Code, the final determination of the state board of education may be reviewed by writ of review in the district court of the county in which the holder of a revoked certificate has been last employed as a teacher, but application for writ of review shall be made not more than thirty (30) days from the date of notice of revocation.

AN ACT RELATING TO ESTABLISHMENT OF THE IDAHO WORK STUDY PROGRAM; AMENDING TITLE 33, IDAHO CODE, BY THE ADDITION OF A NEW CHAPTER 44, TITLE 33, IDAHO CODE, TO ESTABLISH THE IDAHO WORK STUDY PROGRAM, TO PROVIDE A STATEMENT OF PUBLIC POLICY AND DESIGNATE THE ADMINISTRATIVE AGENCY, TO DEFINE TERMS, TO STATE THE PURPOSE OF THE PROGRAM, TO PROVIDE PROGRAM REQUIREMENTS, TO SPECIFY LIMITATIONS, TO DESCRIBE ELIGIBLE TYPES OF EMPLOYMENT, TO PROVIDE FOR PAYMENTS, AND TO SPECIFY RECORD KEEPING REQUIREMENTS.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Title 33, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW CHAPTER, to be known and designated as Chapter 44, Title 33, Idaho Code, and to read as follows:

CHAPTER 44
IDAHO WORK STUDY PROGRAM

33-4401. IDAHO WORK STUDY PROGRAM ESTABLISHED. There is hereby established for the state of Idaho the Idaho work study program.

33-4402. PUBLIC POLICY -- ADMINISTRATIVE AGENCY. The legislature hereby recognizes and declares that it is in the public interest to assure educational opportunity to Idaho postsecondary students. The Idaho work study program is an employment program designed to allow resident needy students to earn funds to assist in attending accredited institutions of higher education in Idaho, pursuant to this chapter.

The state board of education is hereby designated as the administrative agency for the work study program. The board shall allocate funds appropriated to the program to eligible institutions based upon fall full-time equivalent enrollment in a manner established by board rule.

33-4403. DEFINITIONS. As used in this chapter:
"Accredited institution of higher education" means any public or private university, college, or community college in Idaho accredited by the northwest association of schools and colleges, or any public vocational-technical school operated by the state of Idaho or any political subdivision thereof; provided, that no institution of higher education shall be eligible to participate in the program unless it agrees to and complies with program rules and regulations adopted by the board pursuant to chapter 52, title 67, Idaho Code.

(2) "Board" means the state board of education.

(3) "Needy student" means a post high school student in good standing at an accredited institution of higher learning who demonstrates to the institution the financial inability, either through the student's parents, family and/or personally, to meet the institutionally defined cost of education, and further demonstrates the ability and willingness to work in a student work study program, according to the stated needs of the institution.

(4) "Program" means the Idaho work study program established pursuant to this chapter.

(5) "Resident student" means an individual as defined in section 33-3717, Idaho Code.

(6) "Student" means an individual currently at an Idaho school enrolled in a post-secondary degree program, or a state supported vocational-technical program.

33-4404. PROGRAM PURPOSE. The purpose of the program is to expand employment opportunities for resident students. Employment may be in jobs at accredited institutions of higher education or in approved off-campus jobs. Students with financial need are to benefit through the program, and to do so while gaining work experience. Accordingly, efforts should be made whenever possible to provide job opportunities to students which relate to their academic and career goals.

Funds under this program may be used to pay up to eighty percent (80%) of earnings in on-campus jobs. Program funds may also be used to pay up to fifty percent (50%) of earnings for approved off-campus jobs where the jobs are directly related to the student's course of academic study and the employer pays fifty percent (50%) of the earnings. Program funds may also be used to fund up to ten percent (10%) of the total match required for the federal college work study program. Idaho program funds used as match will be governed by federal college work study policy. However, institutional funds used for federal matching purposes shall not be less than the amount allocated for the prior year.

33-4405. PROGRAM REQUIREMENTS. To be eligible for the program, a person must be an Idaho resident student enrolled at an accredited institution of higher education at least half-time, as defined by the eligible institution, and be in good standing and demonstrate academic progress according to the institution's published standards of satisfactory academic progress for financial aid purposes.

The entire allocation for the program must be used to provide employment to students with documented financial need. Requirements for determination of financial need shall be the same as those for the
federal college work study program. However, the financial aid office may adjust the federal financial need definition for unusual circumstances documented by the financial aid office. All application procedures for need-based programs, as defined by the institution, shall be followed.

33-4406. LIMITATIONS. Students shall work no more than twenty (20) hours per week of employment under the program when classes are in session. Students are not to earn more than their award. However, in recognition of administrative realities, overearnings of not more than two hundred dollars ($200) shall not constitute an overaward. Earnings in excess of two hundred dollars ($200) over the need or award may not be paid from program funds and must be counted a resource in subsequent periods of enrollment.

33-4407. ELIGIBLE TYPES OF EMPLOYMENT. Students may be employed either on-campus or off-campus at eligible accredited institutions of higher education. Employing organizations and agencies must be responsible and must have professional supervision. Discrimination by employers on the bases of sex, race, color, age, religion, natural origin, marital status, or handicap is prohibited.

Generally, employment which is allowable under the federal college work study program is also allowable under the Idaho program. This applies to both on-campus and off-campus employment, except that off-campus jobs for the program must be within Idaho. Likewise, employment which is not allowable under federal regulations is not eligible under the Idaho program.

Opinions from federal officials as to the legitimacy of a particular job under the federal college work study program may be assumed to be applicable to the Idaho program. However, approval to use Idaho program funds for particular jobs should not be construed as permission to institutions to use federal work-study funds to employ students in such jobs.

The financial aid office at the institution is responsible for ensuring that disbursements are made only for work performed in accordance with the written job description, with adequate supervision, and with proper documentation for the hours worked.

33-4408. PAYMENT PROVISIONS. Students shall be compensated on an hourly basis for actual time on the job at a rate commensurate with the duties and responsibilities of the job. Student employees must be paid at least monthly. Individual checks payable to the student, or similar instruments which may be cashed by students on their own endorsement without further restrictions, are required. With written permission from the student, the institution may credit earnings to the student's account to defray institutional educational costs.

33-4409. RECORD KEEPING REQUIREMENTS. The institution office responsible for student referral and placement must maintain written job descriptions which include rates of pay, or ranges or pay, for each position for which program funds are used. The job descriptions shall be reviewed and updated on an annual basis.
Written records shall be maintained for all employment referrals, indicating acknowledgment of the hiring party that the student has been given the position, or reasons why the student was not hired. Written records showing the time worked must be maintained for all program employees, and must be signed by the student and supervisor, and submitted on at least a monthly basis.

Every entity providing medicare supplement policies or certificates in this state shall file annually its rates, rating schedule, and supporting documentation.

(4) The director may further prescribe by regulation a standard form and the contents of an informational brochure for persons eligible for medicare by reason of age, which is intended to improve the buyer's ability to select the most appropriate coverage and improve the buyer's understanding of medicare. Except in the case of direct response insurance policies, the director may require by regulation that the information brochure be provided to any prospective insureds
eligible for medicare concurrently with delivery of the outline of coverage. SECTION 5. That Section 33-2722A, Idaho Code, be, and the same is hereby amended to read as follows:

33-2722A10. ADDITION OF A PART OF A COUNTY TO AN EXISTING LIBRARY DISTRICT. A part of a county which does not have a public or district library established under the provisions of law, but which is contiguous to an existing library district within said county, may become a part of said district by following the alternate method of organizing a library district provided in section 33-272209, Idaho Code.

The petition or petitions, to be signed by the resident electors of the area desiring to join the existing library district, shall state that the petitioners desire to have the described boundaries added to the "..... Library District," and desire that the larger district formed thereby be known as the "..... Library District."

A true copy of the petition shall be transmitted to the board of trustees of the library district which the petitioners seek to join.
The board of trustees may approve or disapprove such petition, on the basis of concept, judgment on desirability of said expansion, and on proposed name. The trustees need not verify the names on the petition, but may for the purpose of entering the board's approval or disapproval assume that all signatures on the petition are valid.

The board of trustees shall give notice of its decision to the board of county commissioners. When said notice carries the approval of the board of trustees of the existing library district, the trustees shall forward the petitions to the clerk of the board of county commissioners, who shall verify the required signatures thereon, and shall file the petitions. Thereupon, the board of county commissioners shall proceed with the required hearing and resolution as outlined in sections 33-2722 and 33-2704A 33-2709, Idaho Code.

In the order granting the petition and establishing the enlarged library district, the board of county commissioners shall amend the boundaries of the district to include the added territory, and shall certify the name of the enlarged district.

A copy of the said order shall be transmitted to the board of trustees of the library district, and to the Idaho state library board.

Such other notices as may be required by law shall be filed, including a legal description and map of altered boundaries to be filed with the state tax commission within ten (10) days of the effective date of the change.

Addition of new territory to an existing library district shall not be considered an initial establishment. The existing board of trustees shall continue to serve for the terms for which elected. When a vacancy occurs appointments shall be made as provided in section 33-27106, Idaho Code.

SECTION 6. That Section 33-2722B, Idaho Code, be, and the same is hereby amended to read as follows:

33-2722B11. ADJUSTMENT OF BOUNDARY LINES OF LIBRARY DISTRICTS. When there are two (2) or more library districts, which have at least one (1) common boundary, established in one (1) county, the boards of trustees of said library districts, meeting together, may determine that it is in the best interest of library service in the county that the boundary lines be adjusted, as herein provided.

The boards of trustees shall jointly prepare a petition describing the boundaries of the existing library districts, the names of the existing library districts, and praying for the reorganization of the territory therein described as one (1) or more library districts to be known as the ".... Library District or Districts" and with boundaries as set forth in the petition.

The petition shall be signed by all members of the boards of trustees of the library districts involved in the boundary adjustment. The petition shall be forwarded to the clerk of the board of county commissioners, who shall verify the signatures of the trustees thereon, and shall file the petition. Thereupon, the board of county commissioners shall proceed with the hearing and resolution as outlined in section 33-2722 and 33-2704A9, Idaho Code, for the organiza-
tion of a library district.

In the order granting the petition and adjusting the boundaries, the board of county commissioners shall certify the new boundaries and the name of the district or districts.

A copy of the said order shall be transmitted to the board of trustees of the library districts involved, and to the Idaho state library board.

Such other notices as may be required by law shall be filed, including a legal description and map of altered boundaries to be filed with the state tax commission within ten (10) days of the effective date of the change.

Following the boundary adjustment, the board of county commissioners within five (5) days shall take action to reaffirm members of the board of trustees, or to appoint members of the board or boards, who may be chosen from the members of the boards initiating the boundary adjustment. These trustees shall serve until the next annual election of trustees or until their successors are elected and qualified. The board or boards of trustees shall be sworn by a member of the board of county commissioners.

If the property and assets of a library district become a matter of dispute, the state library board shall make the final decision as to their disposition, in accordance with procedures outlined in section 33-272013, Idaho Code.

SECTION 7. That Section 33-2722C, Idaho Code, be, and the same is hereby amended to read as follows:

33-272128. NOTICE OF FILING OF PETITION OR PETITIONS FOR ORGANIZING A LIBRARY DISTRICT, FOR ADDING TO OR ADJUSTING BOUNDARIES OF LIBRARY DISTRICTS -- CONFIRMATION OF EXISTING LIBRARY DISTRICTS. When a petition or petitions are filed with the board of county commissioners requesting the creation of a library district, the addition of a part of a county to an existing library district, or the adjustment of boundary lines of library districts, as provided in this chapter 33, Idaho Code, the sending of postcard notices as outlined in section 31-863, Idaho Code, shall apply. All existing library districts on the effective date of this act July 1, 1989, organized pursuant to this chapter 33, Idaho Code, are hereby confirmed in organization and operation, notwithstanding that the county commissioners may not have caused postcard notices to be sent as provided in section 31-863, Idaho Code.

33-272813. DISSOLUTION OF LIBRARY DISTRICT. A library district may be dissolved according to procedures followed in its original organization, but not earlier than four (4) years after the date of its establishment. If the library district embraces territory in more than one (1) county, an election for its dissolution shall be deemed approved only if a majority of the votes cast in each such county were cast in the affirmative. If, upon the canvass of ballots, it be deter-
mined that the proposition has been approved, the board of county com-
missioners of the home county shall enter its order to that effect and
transmit a copy of said order to the board of county commissioners in
any other county affected, and said order shall by them be made a mat-
ter of record. When any library district is dissolved, all property
and assets of the library district shall be disposed of by the board
of county commissioners of the home county. Receipts from the sale of
assets and all unpaid taxes, when collected, shall be first used to
retire any indebtedness of the district. Any remainder shall be
apportioned to the counties embraced in the library district in pro-
portion to the assessed valuation of each which was included in the
library district, and placed in the respective county general expense
fund. If, after the application of the tax monies and sale proceeds,
indebtedness remains, the board of county commissioners of the home
county shall provide for the payment of the remaining indebtedness
from special levies certified to each county in proportion to the
assessed valuation of each which was included in the district. The tax
shall be collected by each county and remitted to the home county for
payment of the remaining indebtedness.

board of county commissioners of the home county within five (5) days
shall appoint the members of the first board of trustees, who shall
serve until the next annual election of trustees or until their suc-
cessors are elected and qualified. Addition of new territory to an
existing library district shall not be considered an initial estab-

At its first meeting, and after each trustee election, the board shall organize and elect from its membership a chairman and such other officers as may be deemed necessary to conduct the affairs of the district.

The board of trustees shall transmit the motion along with the legal description of the trustee zones to the board or boards of county commissioners in the county or counties where the library district is contained. The board or boards of county commissioners shall have forty-five (45) days from the receipt of the motion and legal description to reject, by adoption of a motion, the establishment of trustee zones proposed by formal motion of the board of trustees of the library district. If the board or boards of county commissioners do not reject the establishment of the trustee zones within the time limit specified, they shall be deemed to be in full force and effect. If a library district is contained in more than one (1) county, a motion of rejection adopted by one (1) board of county commissioners shall be sufficient to keep the trustee zone plan from going into effect. A board of county commissioners shall notify the board of trustees in writing if a proposal is rejected.

If a proposal for the establishment of trustee zones is rejected by a board of county commissioners, the boundaries of the trustee zones, if any, shall return to the dimensions they were before the rejection. Trustee zones may be redefined and changed, but not more than once every two (2) years after a new set of trustee zones are formally established and in full force and effect.

AN ACT
RELATING TO DOMESTIC VIOLENCE PREVENTION; AMENDING SECTION 39-6302, IDAHO CODE, TO MODIFY LEGISLATIVE INTENT; AMENDING SECTION 39-6303, IDAHO CODE, TO REDEFINE FAMILY OR HOUSEHOLD MEMBER; AMENDING SECTION 39-6304, IDAHO CODE, TO PROVIDE FOR RELIEF IF A HOUSEHOLD MEMBER, WHETHER AN ADULT OR CHILD IS THE VICTIM OF DOMESTIC VIOLENCE AND TO MODIFY REQUIREMENTS WHERE A PETITION MAY BE FILED; AMENDING SECTION 39-6306, IDAHO CODE, TO PROVIDE FOR OBTAINING LEGAL COUNSEL FOR EITHER PARTY AND TO PROVIDE PROCEDURES FOR RENEWAL OF A PROTECTION ORDER; AMENDING SECTION 39-6308, IDAHO CODE, TO PROVIDE FOR THE GRANTING OF AN EX PARTE PROTECTION ORDER
BASED UPON AFFIDAVIT, TO ALLOW FOR A HEARING BY TELEPHONE, AND TO PROVIDE A PROCEDURE FOR SHORTENING THE TIME PERIOD WHEN A REQUIRED HEARING MUST BE HELD; AND AMENDING SECTION 39-6311, IDAHO CODE, TO PROVIDE FOR THE RENEWAL OF A PROTECTION ORDER UPON MOTION FOR A TIME CERTAIN, AND TO ALLOW THE MOTION FOR RENEWAL OF AN ORDER TO BE GRANTED WITHOUT HEARING UPON CERTAIN FACTORS.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 39-6302, Idaho Code, be, and the same is hereby amended to read as follows:

39-6302. STATEMENT OF PURPOSE. For purposes of this chapter, the legislature adopts by reference the declaration of policy in section 39-5201, Idaho Code. Additionally, the legislature finds that a significant number of homicides, aggravated assaults, and assaults and batteries occur within the home between adult members of families. Furthermore, research shows that domestic violence is a crime which can be deterred, prevented or reduced by legal intervention. Domestic violence can also be deterred, prevented or reduced by vigorous prosecution by law enforcement agencies, and prosecutors and by appropriate attention and concern by the courts whenever reasonable cause exists for arrest and prosecution.

The purpose of this act is to address domestic violence as a serious crime against society and to assure the victims of domestic violence the protection from abuse which the law and those who enforce the law can provide.

It is the intent of the legislature to expand the ability of the courts to assist victims by providing a legal means for victims of domestic violence to seek protection orders to prevent such further incidents of abuse. It is the intent of the legislature that the official response to cases of domestic violence shall stress the enforcement of the laws to protect the victim and shall communicate the attitude that violent behavior in the home is criminal behavior and will not be tolerated. The provisions of this chapter are to be construed liberally to promote these purposes.

SECTION 2. That Section 39-6303, Idaho Code, be, and the same is hereby amended to read as follows:

39-6303. DEFINITIONS. (1) "Domestic violence" means the physical injury, sexual abuse or forced imprisonment or threat thereof of a family or household member.

(2) "Family or household member" means spouses, former spouses, adult persons related by blood or marriage, persons who reside or have resided together, and persons who have a child in common regardless of whether they have been married or have lived together at any time.

(3) "Family dwelling" is any premises in which the petitioner resides.

(4) "Judicial day" means any day upon which court business may be transacted as provided in sections 1-1606 and 1-1607, Idaho Code.
SECTION 3. That Section 39-6304, Idaho Code, be, and the same is hereby amended to read as follows:

39-6304. ACTION FOR PROTECTION. (1) There shall exist an action known as a "petition for a protection order" in cases of domestic violence.

(2) A person may seek relief from domestic violence by filing a petition based on a sworn affidavit with the magistrates division of the district court, alleging that the person or a family or household member, whether an adult or a child, is the victim of domestic violence. Any petition properly filed under this chapter may seek protection for any additional persons covered by this chapter.

(3) A person's right to petition for relief under this chapter shall not be affected by that person's having left the residence or household to avoid abuse.

(4) The petition shall disclose the existence of any custody or any marital annulment, dissolution or separation proceedings pending between the parties, the existence of any other custody order affecting the children of the parties, and the existence of child protection or adoption proceedings affecting the children of any party.

(5) When the petitioner requests custody of any child, the petition shall disclose:

(a) The county and state where the child has resided for six (6) months immediately prior to the filing of the petition;
(b) The party or other responsible person with whom the child is presently residing; and
(c) The party or other responsible person with whom the child has resided for six (6) months immediately prior to the filing of the petition.

(6) A petition shall be filed in the county of the respondent's residence, the petitioner's residence, or where the petitioner is temporarily residing.

SECTION 4. That Section 39-6306, Idaho Code, be, and the same is hereby amended to read as follows:

If either party is represented by counsel at a hearing seeking entry of a protection order, the court shall permit a continuance, if requested, of the proceedings so that counsel may be obtained by the other party. If the court finds that it is necessary for both parties to be represented by counsel, the court shall enter appropriate orders to insure that counsel is retained. The order entered may require either the petitioner or respondent, or both, to pay for costs of counsel. Upon a showing that there is an immediate and present danger of domestic violence to the petitioner the court may, if requested, order for a period not to exceed three (3) months that:

(a) Temporary custody of the minor children of the petitioner or
of the parties be awarded to the petitioner or respondent if exercise of such jurisdiction is consistent with the provisions of section 32-1103, Idaho Code, and consistent with prior custody orders entered by a court of competent jurisdiction unless grounds exist pursuant to section 32-717, Idaho Code;

(b) A party be restrained from committing acts of domestic violence;

(c) Exclude the respondent from the dwelling which the parties share or from the residence of the petitioner;

(d) The respondent be ordered to participate in treatment or counseling services;

(f) The respondent be required to pay service fees, and to reimburse the petitioner for costs incurred in bringing the action, including a reasonable attorney's fee;

(g) The respondent be restrained from contacting, molesting, interfering with or menacing the minor children whose custody is awarded to the petitioner; and/or

(h) The respondent be restrained from entering any premises when it appears to the court that such restraint is necessary to prevent the respondent from contacting, molesting, interfering with or menacing the petitioner or the minor children whose custody is awarded to the petitioner.

(2) Immediate and present danger under this section includes, but is not limited to, situations in which the respondent has recently threatened the petitioner with bodily harm or engaged in domestic violence against the petitioner.

(3) No order made under this chapter shall in any manner affect title to real property.

(4) Relief shall not be denied because petitioner used reasonable force in self-defense against respondent, or because petitioner or respondent was a minor at the time of the incident of domestic violence.

(5) Any relief granted by the protection order, other than a judgment for costs, shall be for a fixed period not to exceed three (3) months; provided that an order obtained pursuant to this chapter may, upon motion, be renewed for an additional three (3) months if the requirements of this chapter are met. The motion to renew an order may be granted without a hearing, if not timely objected to by the party against whom the order was entered.

(6) In providing relief under this chapter, the court may realign the designation of the parties as "petitioner" and "respondent" where the court finds that the original petitioner is the abuser and the original respondent is the victim of domestic violence.

SECTION 5. That Section 39-6308, Idaho Code, be, and the same is hereby amended to read as follows:

39-6308. EX PARTE TEMPORARY PROTECTION ORDER. (1) Where an application under this section alleges that irreparable injury could

(b) Excluding any party from the dwelling shared or from the residence of the other until further order of the court; and
(c) Restraining any party from interfering with the other's custody of the minor children or from removing the children from the jurisdiction of the court;
(d) Ordering other relief as the court deems necessary for the protection of a family or household member, including orders or directives to a peace officer, as allowed under this chapter;
(e) Restraining the respondent from contacting, molesting, interfering with or menacing the minor children whose custody is awarded to the petitioner; and/or
(f) Restraining the respondent from entering any premises when it appears to the court that such restraint is necessary to prevent the respondent from contacting, molesting, interfering with or menacing the petitioner or the minor children whose custody is awarded to the petitioner.

(2) An ex parte hearing to consider the issuance of a temporary protection order may be conducted by telephone in accordance with procedures established by the Idaho supreme court.

(3) Irreparable injury under this section includes but is not limited to situations in which the respondent has recently threatened the petitioner with bodily injury or has engaged in acts of domestic violence against the petitioner.

Notification of service as required in section 39-6310(c), Idaho Code, shall also be entered into the Idaho law enforcement telecommunications system upon receipt. Entry into the Idaho law enforcement telecommunications system constitutes notice to all law enforcement agencies of the existence of the order. The order is fully enforceable in any county in the state. Renewals of the order shall be recorded in the same manner as original orders. The information entered shall specifically state that the protection order is civil in nature. (2) Law enforcement agencies shall establish procedures reasonably adequate to assure that an officer approaching or actually at the scene of an incident of domestic violence may be informed of the existence and terms of such protection order. (3) A protection order shall remain in effect for three (3) months from date of entry or until terminated by the court. A protection order may, upon motion, be renewed for an additional three (3) months if the requirements of this chapter are met. SECTION 1. That Section 30-1601, Idaho Code, be, and the same is hereby amended to read as follows:

30-1601. DEFINITIONS. In this chapter the following terms have the meaning specified:

(1) "Acquiring person" means a person that makes or proposes to make a control share acquisition. If two or more persons act as a partnership, limited partnership, syndicate or other group pursuant to any agreement, arrangement, relationship, understanding or otherwise, whether or not in writing, for the purposes of acquiring, owning or voting shares of an issuing public corporation, all members of the partnership, syndicate or other group constitute a "person." An "acquiring person" does not include a licensed broker or dealer or licensed underwriter that purchases shares of an issuing public corporation solely for purposes of resale to the public and is not acting in concert with an acquiring person.

(2) "Affiliate" means a person that directly or indirectly controls, is controlled by, or is under common control with a specified person.

(3) "Associate," when used to indicate a relationship with any person, means:

(a) Any corporation or organization of which the person is an officer, director or partner or is, directly or indirectly, the beneficial owner of ten per cent (10%) or more of any class or series of shares entitled to vote or other equity interests;

(b) Any trust or estate in which the person has a ten per cent (10%) or more beneficial interest or as to which the person serves as trustee or personal representative or in a similar fiduciary capacity;

(c) Any relative or spouse of the person, or any relative of the spouse, residing in the home of the person.

(4) "Beneficial owner," when used with respect to shares or other securities, includes any person who, directly or indirectly, through any agreement, arrangement, relationship, understanding or otherwise, whether or not in writing, has or shares the power to vote, or direct the voting of, the shares or securities or has or shares the power to dispose of, or direct the disposition of, the shares or securities, except that:

(a) A person is not deemed the beneficial owner of shares or securities tendered pursuant to a tender or exchange offer made by
the person or any of the person's affiliates or associates until
the tendered shares or securities are accepted for purchase or
exchange or payment, or purchased or exchanged; and
(b) A person is not deemed the beneficial owner of shares or
securities with respect to which the person has the power to vote
or direct the voting arising solely from a revocable proxy given
in response to a proxy solicitation made in accordance with the
applicable rules and regulations under the Securities Exchange Act
of 1934, as amended, and is not then reportable under that act on
a schedule 13D or comparable report under that act.
(5) "Beneficial ownership" includes the right to acquire shares
or securities through the exercise of options, warrants or rights, the
conversion of convertible securities or otherwise, regardless of
whether exercisable only after the passage of time (whether or not
less than sixty (60) days) or the occurrence or nonoccurrence of a
future event. The shares or securities subject to the options, war­
rants, rights or conversion privileges held by a person are deemed to
be outstanding for the purpose of computing the percentage of out­
standing shares or securities of the class or series owned by the per­
son but are not deemed to be outstanding for the purpose of computing
the percentage of the class or series owned by any other person. A
person is deemed the beneficial owner of shares and securities benefi­
cially owned by an affiliate or associate of the person;
(6) "Business combination," when used in reference to any issuing
public corporation and any interested shareholder of the issuing pub­
corporation, means:
(a) Any merger or consolidation of the issuing public corporation
or any subsidiary of the issuing public corporation with either:
1. The interested shareholder; or
2. Any other domestic or foreign corporation, whether or not
itself an interested shareholder of the issuing public corpo­
racion, that is, or after the merger would be, an affiliate
or associate of the interested shareholder, except that the
foregoing does not include the merger of a wholly owned sub­
sidiary of the issuing public corporation into the issuing
public corporation or the merger of two (2) or more wholly
owned subsidiaries of the issuing public corporation; or
(b) Any exchange, pursuant to a plan of exchange under the laws
of this state or a comparable statute of any other state or juris­
diction, of shares of the issuing public corporation or any sub­
sidiary of the issuing public corporation for shares of either:
1. The interested shareholder; or
2. Any other domestic or foreign corporation, whether or not
itself an interested shareholder of the issuing public corpo­
racion, that is, or after the exchange would be, an affiliate
or associate of the interested shareholder; or
(c) Any sale, lease, exchange, mortgage, pledge, transfer or
other disposition, in a single transaction or a series of transac­
tions, to or with the interested shareholder or any affiliate or
associate of the interested shareholder, whether as part of a dis­
solution or otherwise, of assets of the issuing public corporation
or any subsidiary of the issuing public corporation to which any
of the following applies:

1. Has an aggregate market value equal to ten per cent (10%) or more of the aggregate market value of all the assets, determined on a consolidated basis, of the issuing public corporation;

2. Has an aggregate market value equal to ten per cent (10%) or more of the aggregate market value of all the outstanding shares of the issuing public corporation; or

3. Represents ten per cent (10%) or more of the earning power or net income, determined on a consolidated basis, of the issuing public corporation; or

(d) Any transaction which results in the issuance or transfer by the issuing public corporation or any subsidiary of the issuing public corporation, in a single transaction or a series of transactions, of any shares of the issuing public corporation that have an aggregate market value equal to five per cent (5%) or more of the aggregate market value of all the outstanding shares of the issuing public corporation to the interested shareholder or any affiliate or associate of the interested shareholder, except pursuant to the exercise of warrants or rights to purchase shares offered or distributed or a dividend or distribution paid or made pro rata to all shareholders of the issuing public corporation, and except pursuant to the exercise or conversion of securities exercisable for or convertible into shares of the issuing public corporation or any subsidiary of the issuing public corporation which securities were outstanding prior to the time that the interested stockholder became such; or

(e) The adoption of any plan or proposal for the liquidation or dissolution of the issuing public corporation, or any reincorporation of the issuing public corporation in another state or jurisdiction, proposed by, on behalf of or pursuant to any agreement, arrangement or understanding, whether or not in writing, with the interested shareholder or any affiliate or associate of the interested shareholder; or

(f) Any transaction involving any reclassification of securities, including any share dividend or split, reverse share split or other distribution of shares in respect of shares, recapitalization of the issuing public corporation, merger or consolidation of the issuing public corporation with any subsidiary of the issuing public corporation, exchange of shares of the issuing public corporation with any subsidiary of the issuing public corporation or other transaction, whether or not with or into or otherwise involving the interested shareholder, proposed by, on behalf of or pursuant to any agreement, arrangement or understanding, whether or not in writing, with the interested shareholder or any affiliate or associates of the interested shareholder that has the effect directly, or indirectly, of increasing the proportionate share of the outstanding shares of any class or series of shares entitled to vote, or securities that are exchangeable for or convertible into or that carry a right to acquire shares entitled to vote, of the issuing public corporation or any subsidiary of the issuing public corporation that is, directly or indirectly, owned
by the interested shareholder of any affiliate or associate of the interested shareholder, except as a result of immaterial changes due to fractional share adjustments; or

(g) Any receipt by the interested shareholder or any affiliate or associate of the interested shareholder of the benefit, directly or indirectly, except proportionately as a shareholder of the issuing public corporation, of any loans, advances, guarantees, pledges or other financial assistance or any tax credits or other tax advantages provided by or through the issuing public corporation or any subsidiary of the issuing public corporation.

(7) "Control," "controlling," "controlled by" or "under common control with" means the possession, directly or indirectly, of the power to direct or to cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract or otherwise. A person's beneficial ownership of ten percent (10%) or more of the voting power of a corporation's outstanding shares entitled to vote in the election of directors creates a presumption that the person has control of the corporation. A person is not considered to have control of a corporation if the person holds voting power, in good faith and not for the purpose of avoiding the provisions of this chapter, as an agent, bank, broker, nominee, custodian or trustee for one (1) or more beneficial owners who do not individually or as a group have control of the corporation.

(8) "Control share acquisition" means an acquisition, directly or indirectly, by an acquiring person of beneficial ownership of shares of an issuing public corporation that, except for the provisions of this chapter, would, when added to all other shares of the issuing public corporation, beneficially owned by the acquiring person, entitle the acquiring person, immediately after the acquisition, to exercise or direct the exercise of a new range of voting power within any of the ranges specified in section 30-1604(1)(d), Idaho Code, but does not include any of the following:

(a) An acquisition by a donee pursuant to an inter vivos gift not made to avoid the provisions of this chapter or by a distributee as defined in section 15-1-201, Idaho Code;
(b) An acquisition pursuant to a security agreement not created to avoid the provisions of this chapter;
(c) An acquisition from the issuing public corporation; and
(d) An acquisition for the benefit of others by a person acting in good faith and not made to avoid the provisions of this chapter to the extent that the person may not exercise or direct the exercise of voting power or disposition of the shares except on the instruction of others.

All shares, the beneficial ownership of which is acquired within a one hundred twenty (120) day period, and all shares, the beneficial ownership of which is acquired pursuant to a plan to make a control share acquisition, are deemed to have been acquired in the same acquisition.

(9) "Day" means a calendar day and shall consist of the time period from 12:01 a.m. through 12:00 midnight, Idaho time.

(10) "Interested shareholder," when used in reference to any issuing public corporation, means any person, other than the issuing public corporation or any subsidiary of the issuing public corpora-
tion, that is either:

(a) The beneficial owner, directly or indirectly, of ten per cent (10%) or more of the voting power of the outstanding shares entitled to vote of the issuing public corporation; or

(b) An affiliate or associate of the issuing public corporation.

For purposes of this subsection, the number of employees shall be computed by including all employees of subsidiaries or affiliates of the publicly held corporation.

For purposes of this subsection, the record date for determining the percentages and number of shareholders and shares shall be the last shareholder record date before the event requiring that the determination be made, except that if a shareholder record date has not been fixed by the board of directors of the issuing public corporation within the preceding four (4) months, the determination shall be made as of the end of the issuing public corporation's most recent fiscal quarter. The residence of a shareholder is presumed to be the address appearing in the records of the issuing public corporation. Shares held of record by banks (except as trustee or guardian), brokers, or nominees shall be disregarded for purposes of calculating percentages and numbers described in this subsection. Shares of an issuing public corporation allocated to the account of an employee or former employee or beneficiaries of employees or former employees of an issuing public corporation held in a plan that is qualified under section 401(a) of the Internal Revenue Code of 1986, as amended, and is a defined contribution plan within the meaning of section 414(i) of the code, shall be deemed for purposes of this subsection, to be held of record by the employee to whose account such shares are allocated.

Automated Quotations System or any system then in use or, if no such quotation is available, the fair market value on the date in question of a share as determined in good faith by the board of the issuing public corporation; and

(b) In the case of property other than cash or shares, the fair market value of the property on the date in question as determined in good faith by the board of the issuing public corporation.

(14) "Publicly held corporation" means a corporation that has a class of equity securities registered pursuant to section 12 or is subject to section 15(d) of the Securities Exchange Act of 1934, as amended.

(e) In the case of policies which cause, on a basis guaranteed in
the policy, unscheduled changes in benefits or premiums, or which provide an option for changes in benefits or premiums other than a change to a new policy, a statement of the mortality table, interest rate, and method used in calculating cash surrender values and the paid-up nonforfeiture benefits available under the policy. In the case of all other policies, a statement of the mortality table and interest rate used in calculating the cash surrender values and the paid-up nonforfeiture benefits available under the policy, together with a table showing the cash surrender value, if any, and paid-up nonforfeiture benefit, if any, available under the policy on each policy anniversary, either during the first twenty (20) policy years or during the term of the policy, whichever is shorter, such values and benefits to be calculated upon the assumption that there are no dividends or paid-up additions credited to the policy and that there is no indebtedness to the insurer on the policy.

(f) A statement that the cash surrender values and the paid-up nonforfeiture benefits available under the policy are not less than the minimum values and benefits required by or pursuant to the insurance law of this state; an explanation of the manner in which the cash surrender values and the paid-up nonforfeiture benefits are altered by the existence of any paid-up additions credited to the policy or any indebtedness to the insurer on the policy; if a detailed statement of the method of computation of the values and benefits shown in the policy is not stated therein, a statement that such method of computation has been filed with the insurance supervisory official of the state in which the policy is delivered; and a statement of the method to be used in calculating the cash surrender value and paid-up nonforfeiture benefit available under the policy on any policy anniversary beyond the last anniversary for which such values and benefits are consecutively shown in the policy.

(3) Any of the provisions or portions thereof set forth in subdivisions (a) through (f) of the foregoing subsection (2) which are not applicable by reason of the plan of insurance may, to the extent inapplicable, be omitted from the policy. The insurer shall reserve the right to defer the payment of any cash surrender value for a period of six (6) months after demand therefor with surrender of the policy. If the insurer defers payment of a cash surrender value under the provisions of this section, the insurer shall pay interest to the policyholder at the rate specified in section 28-22-104(2), Idaho Code, as established and in existence at the time of the surrender demand.

(4) Cash surrender value: Any cash surrender value available under the policy in the event of default in the premium payment due on any policy anniversary, whether or not required by subsection (2) of this section, shall be an amount not less than the excess, if any, of the present value on such anniversary of the future guaranteed benefits which would have been provided for by the policy, including any existing paid-up additions if there had been no default, over the sum of:

(a): The then present value of the adjusted premiums as defined in subsections (6) through (9) of this section, corresponding to pre-
miums which would have fallen due on and after such anniversary, and

(b) The amount of any indebtedness to the insurer on account of or secured by the policy. Provided, however, that for any policy issued on or after the operative date of subsection (9)(d) as defined therein, which provides supplemental life insurance or annuity benefits at the option of the insured and for an identifiable additional premium by rider or supplemental policy provision, the cash surrender value referred to in the first paragraph of this subsection shall be an amount not less than the sum of the cash surrender value as defined in such paragraph for an otherwise similar policy issued at the same age without such rider or supplemental policy provision and the cash surrender value as defined in such paragraph for a policy which provides only the benefits otherwise provided by such rider or supplemental policy provision. Provided, further, that for any family policy issued on or after the operative date of subsection (9)(d) as defined therein, which defines a primary insured and provides term insurance on the life of the spouse of the primary insured expiring before the spouse's age seventy-one (71), the cash surrender value referred to in the first paragraph of this subsection shall be an amount not less than the sum of the cash surrender value as defined in such paragraph for an otherwise similar policy issued at the same age without such term insurance on the life of the spouse and the cash surrender value as defined in such paragraph for a policy which provides only the benefits otherwise provided by such term insurance on the life of the spouse.

Any cash surrender value available within thirty (30) days after any policy anniversary under any policy paid up by completion of all premium payments, or any policy continued under any paid-up nonforfeiture benefits, whether or not required by such subsection (2), shall be an amount not less than the present value, on such anniversary, of the future guaranteed benefits provided for by the policy, including any existing paid-up additions, decreased by any indebtedness to the insurer on account of or secured by the policy.

(5) Paid-up nonforfeiture benefits: Any paid-up nonforfeiture benefit available under the policy in the event of default in the premium payment due on any policy anniversary shall be such that its present value as of such anniversary shall be at least equal to the cash surrender value then provided for by the policy, or, if none is provided for, that cash surrender value which would have been required by this section in the absence of the conditions that premiums shall have been paid for at least a specified period.

(6) The adjusted premium: This subsection (6) shall not apply to policies issued on or after the operative date of subsection (9)(d) as defined therein. Except as provided in subsection (8) of this section, the adjusted premiums for any policy shall be calculated on an annual basis and shall be such uniform percentage of the respective premiums specified in the policy for each policy year, excluding extra premiums on a substandard policy, that the present value, at the date of issue of the policy, of all such adjusted premiums shall be equal
to the sum of:
(a) The then present value of the future guaranteed benefits pro-
vided for by the policy;
(b) Two per cent (2%) of the amount of the insurance if the
insurance be uniform in amount, or of the equivalent uniform
amount, as hereinafter defined, if the amount of insurance varies
with the duration of the policy;
(c) Forty per cent (40%) of the adjusted premium for the first
policy year;
(d) Twenty-five per cent (25%) of either the adjusted premium for
the first policy year or the adjusted premium for a whole life
policy of the same uniform or equivalent uniform amount with uni-
form premiums for the whole of life issued at the same age for the
same amount of insurance, whichever is less, provided, however,
that in applying the percentages specified in subdivisions (c) and
(d) above, no adjusted premiums shall be deemed to exceed four per
cent (4%) of the amount of insurance or uniform amount equivalent
thereof. Whenever the plan or term of a policy has been changed,
either by request of the insured or automatically in accordance
with the provisions of the policy, the date of issue of the
changed policy for the purposes of determining a nonforfeiture
benefit or cash surrender value shall be the date as of which the
age of the insured is determined for the purposes of the changed
policy. The date of issue of a policy for the purposes of this
subsection shall be the date as of which the rated age of the
insured is determined.
(7) In the case of a policy providing an amount of insurance
varying with the duration of the policy, the equivalent uniform amount
thereof for the purpose of the preceding subsection (6) shall be
deemed to be the uniform amount of insurance provided by an otherwise
similar policy, containing the same endowment benefit or benefits, if
any, issued at the same age and for the same term, the amount of which
does not vary with duration and the benefits under which have the same
present value at the date of issue as the benefits under the policy,
provided, however, that in the case of a policy for a varying amount
of insurance issued on the life of a child under age ten (10), the
equivalent uniform amount may be computed as though the amount of
insurance provided by the policy prior to the attainment of age ten
(10) were the amount provided by such policy at age ten (10).
(8) The adjusted premiums for any policy providing term insurance
benefits by any rider or supplemental policy provision shall be equal
to (a) the adjusted premiums for an otherwise similar policy issued at
the same age without such term insurance benefits, increased, during
the period for which premiums for such term insurance benefits are
payable, by (b) the adjusted premiums for such term insurance, the
foregoing items (a) and (b) being calculated separately and as speci-
fied in subsections (6) and (7) except that, for the purposes of sub-
divisions (b), (c) and (d) of subsection (6), the amount of insurance
or equivalent uniform amount of insurance used in the calculation of
the adjusted premiums referred to in (b) shall be equal to the excess
of the corresponding amount determined for the entire policy over the
amount used in the calculation of the adjusted premiums in (4)(a).
(a) Except as provided in subdivisions (b), (c) and (d) of this subsection, all adjusted premiums and present values referred to in this section shall for all policies of ordinary insurance be calculated on the basis of the commissioners' 1941 standard ordinary mortality table, provided that for any category of ordinary insurance issued on female risks, adjusted premiums and present values may be calculated, at the option of the insurer according to an age not more than three (3) years younger than the actual age of the insured and such calculations for all policies of industrial insurance shall be made on the basis of the 1941 standard industrial mortality table. All calculations shall be made on the basis of the rate of interest, not exceeding three and one-half per cent (3 1/2%) per annum, specified in the policy for calculating cash surrender values and paid-up nonforfeiture benefits, provided, however, that in calculating the present value of any paid-up term insurance with accompanying pure endowment, if any, offered as a nonforfeiture benefit, the rates of mortality assumed may be not more than one hundred thirty per cent (130%) of the rates of mortality according to such applicable table, provided further that for insurance issued on a substandard basis, the calculation of any such adjusted premiums and present values may be based on such other table of mortality as may be specified by the insurer and approved by the director.

(b) This subsection (9)(b) shall not apply to ordinary policies issued on or after the operative date of subsection (9)(d) as defined therein. In the case of ordinary policies issued on or after the operative date of this subdivision as defined herein, all adjusted premiums and present values referred to in this section shall be calculated on the basis of the commissioners' 1958 standard ordinary mortality table and the rate of interest specified in the policy for calculating cash surrender values and paid-up nonforfeiture benefits, provided that such rate of interest shall not exceed three and one-half per cent (3 1/2%) per annum except that a rate of interest not exceeding four per cent (4%) per annum may be used for policies issued on or after July 1, 1973, and prior to July 1, 1977, and a rate of interest not exceeding five and one-half per cent (5 1/2%) per annum may be used for policies issued on or after July 1, 1977, except that for any single premium whole life or endowment insurance policy at a rate of interest not exceeding six and one-half per cent (6 1/2%) per annum may be used and provided that for any category of ordinary insurance issued on female risks, adjusted premiums and present values may be calculated according to an age not more than six (6) years younger than the actual age of the insured. Provided, however, that in calculating the present value of any paid-up term insurance with accompanying pure endowment, if any, offered as a nonforfeiture benefit, the rates of mortality assumed may be not more than those shown in the commissioners' 1958 extended term insurance table. Provided, further, that for insurance issued on a substandard basis, the calculation of any such adjusted premiums and present values may be based on such other table of mortality as may be specified by the insurer and approved by the director.
On or after the operative date of this section as defined in subsection (14) of this section, any insurer may file with the director a written notice of its election to comply with the provisions of this subdivision after a specified date before January 1, 1966. After the filing of such notice, then upon such specified date (which shall be the operative date of this subdivision for such insurer), this subdivision shall become operative with respect to the ordinary policies thereafter issued by such insurer. If an insurer makes no such election, the operative date of this subdivision for such insurer shall be January 1, 1966.

(c) This subsection (9)(c) shall not apply to industrial policies issued on or after the operative date of subsection (9)(d) as defined therein. In the case of industrial policies issued on or after the operative date of this subdivision as defined herein, all adjusted premiums and present values referred to in this section shall be calculated on the basis of the commissioners' 1961 standard industrial mortality table and the rate of interest specified in the policy for calculating cash surrender values and paid-up nonforfeiture benefits provided that such rate of interest shall not exceed three and one-half per cent (3 1/2%) per annum except that a rate of interest not exceeding four per cent (4%) per annum may be used for policies issued on or after July 1, 1973, and prior to July 1, 1977, and a rate of interest not exceeding five and one-half per cent (5 1/2%) per annum may be used for policies issued on or after July 1, 1977, except that for any single premium whole life or endowment insurance policy a rate of interest not exceeding six and one-half per cent (6 1/2%) per annum may be used. Provided, however, that in calculating the present value of any paid-up term insurance with accompanying pure endowment, if any, offered as a nonforfeiture benefit, the rates of mortality assumed may be not more than those shown in the commissioners' 1961 industrial extended term insurance table. Provided, further, that for insurance issued on a substandard basis, the calculation of any such adjusted premiums and present values may be based on such other table of mortality as may be specified by the insurer approved by the director.

After the effective date of this amendatory act, any insurer may file with the director a written notice of its election to comply with the provisions of this subdivision after a specified date before January 1, 1968. After the filing of such notice, then upon such specified date (which shall be the operative date of this subdivision for such insurer), this subdivision shall become operative with respect to the industrial policies thereafter issued by such insurer. If an insurer makes no such election, the operative date of this subdivision for such insurer shall be January 1, 1968.

(d) (i) Subsection (9)(d) shall apply to all policies issued on or after the operative date of this subsection (9)(d) as defined herein. Except as provided in paragraph vii of this subsection, the adjusted premiums for any policy shall be calculated on an annual basis and shall be such uniform percentage of the respective premiums specified in the policy.
for each policy year, excluding amounts payable as extra premiums to cover impairments or special hazards and also excluding any uniform annual contract charge or policy fee specified in the policy in a statement of the method to be used in calculating the cash surrender values and paid-up nonforfeiture benefits, that the present value, at the date of issue of the policy, of all adjusted premiums shall be equal to the sum of (A) the then present value of the future guaranteed benefits provided for by the policy; (B) one percent (1%) of either the amount of insurance, if the insurance be uniform in amount, or the average amount of insurance at the beginning of each of the first ten (10) policy years; and (C) one hundred twenty-five per cent (125%) of the nonforfeiture net level premium as hereinafter defined. Provided, however, that in applying the percentage specified in (C) above, no nonforfeiture net level premium shall be deemed to exceed four percent (4%) of either the amount of insurance, if the insurance be uniform in amount, or the average amount of insurance at the beginning of each of the first ten (10) policy years. The date of issue of a policy for the purpose of this subsection shall be the date as of which the rated age of the insured is determined.

(ii) The nonforfeiture net level premium shall be equal to the present value, at the date of issue of the policy, of the guaranteed benefits provided for by the policy divided by the present value, at the date of issue of the policy, of an annuity of one per annum payable on the date of issue of the policy and on each anniversary of such policy on which a premium falls due.

(iii) In the case of policies which cause, on a basis guaranteed in the policy, unscheduled changes in benefits or premiums, or which provide an option for changes in benefits or premiums other than a change to a new policy, the adjusted premiums and present values shall initially be calculated on the assumption that future benefits and premiums do not change from those stipulated at the date of issue of the policy. At the time of any such change in the benefits or premiums, the future adjusted premiums, nonforfeiture net level premiums and present values shall be recalculated on the assumption that future benefits and premiums do not change from those stipulated by the policy immediately after the change.

(iv) Except as otherwise provided in paragraph (ii) of this subsection, the recalculated future adjusted premiums for any such policy shall be such uniform percentage of the respective future premiums specified in the policy for each policy year, excluding amounts payable as extra premiums to cover impairments and special hazards, and also excluding any uniform annual contract charge or policy fee specified in the policy in a statement of the method to be used in calculating the cash surrender values and paid-up nonforfeiture benefits, that the present value, at the time of change to the newly
defined benefits or premiums, of all such future adjusted premiums shall be equal to the excess of the sum of (A) the then present value of the then future guaranteed benefits provided for by the policy and (B) the additional expense allowance, if any, over the then cash surrender value, if any, or present value of any paid-up nonforfeiture benefit under the policy.

(v) The additional expense allowance, at the time of the change to the newly defined benefits or premiums, shall be the sum of (A) one per cent (1%) of the excess, if positive, of the average amount of insurance at the beginning of each of the first ten (10) policy years subsequent to the change over the average amount of insurance prior to the change at the beginning of each of the first ten (10) policy years subsequent to the time of the most recent previous change, or, if there has been no previous change, the date of issue of the policy; and (B) one hundred twenty-five per cent (125%) of the increase, if positive, in the nonforfeiture net level premium.

(vi) The recalculated nonforfeiture net level premium shall be equal to the result obtained by dividing (A) by (B) where

\[(A) = \text{the sum of} \]

1. the nonforfeiture net level premium applicable prior to the change, times the present value of an annuity of one (1) per annum payable on each anniversary of the policy on or subsequent to the date of the change on which a premium would have fallen due had the change not occurred, and

2. the present value of the increase in future guaranteed benefits provided for by the policy, and

\[(B) = \text{the present value of an annuity of one (1)} \]

per annum payable on each anniversary of the policy on or subsequent to the date of change on which a premium falls due.

(vii) Notwithstanding any other provisions of this subsection to the contrary, in the case of a policy issued on a substandard basis which provides reduced graded amounts of insurance so that, in each policy year, such policy has the same tabular mortality cost as an otherwise similar policy issued on the standard basis which provides higher uniform amounts of insurance, adjusted premiums and present values, for such substandard policy may be calculated as if it were issued to provide such higher uniform amounts of insurance on the standard basis.

(viii) All adjusted premiums and present values referred to in this section shall, for all policies of ordinary insurance, be calculated on the basis of (A) the commissioners 1980 standard ordinary mortality table or (B) at the election of the insurer for any one or more specified plans of life insurance, the commissioners 1980 standard ordinary mortality table with ten-year select mortality factors; shall, for all policies of industrial insurance, be calculated on the basis
of the commissioners 1961 standard industrial mortality table; and shall for all policies issued in a particular calendar year be calculated on the basis of a rate of interest not exceeding the nonforfeiture interest rate as defined in this subsection, for policies issued in that calendar year. Provided, however, that:

1. At the option of the insurer, calculations for all policies issued in a particular calendar year may be made on the basis of a rate of interest not exceeding the nonforfeiture interest rate, as defined in this subsection, for policies issued in the immediately preceding calendar year.

2. Under any paid-up nonforfeiture benefit, including any paid-up dividend additions, any cash surrender value available, whether or not required by subsection (2) shall be calculated on the basis of the mortality table and rate of interest used in determining the amount of such paid-up nonforfeiture benefit and paid-up dividend additions, if any.

3. An insurer may calculate the amount of any guaranteed paid-up nonforfeiture benefit including any paid-up additions under the policy on the basis of an interest rate no lower than that specified in the policy for calculating cash surrender values.

4. In calculating the present value of any paid-up term insurance with accompanying pure endowment, if any, offered as a nonforfeiture benefit, the rates of mortality assumed may be not more than those shown in the commissioners 1980 extended term insurance table for policies of ordinary insurance and not more than the commissioners 1961 industrial extended term insurance table for policies of industrial insurance.

5. For insurance issued on a substandard basis, the calculation of any such adjusted premiums and present values may be based on appropriate modifications of the aforementioned tables.

6. Any ordinary mortality tables, adopted after 1980 by the national association of insurance commissioners, that are approved by regulation promulgated by the director for use in determining the minimum nonforfeiture standard may be substituted for the commissioners 1980 standard ordinary mortality table with or without ten-year select mortality factors or for the commissioners 1980 extended term insurance table.

7. Any industrial mortality tables, adopted after 1980 by the national association of insurance commissioners, that are approved by regulation promulgated by the commissioner for use in determining the minimum nonforfeiture standard may be substi-
tuted for the commissioners 1961 standard industrial mortality table or the commissioners 1961 industrial extended term insurance table.

(ix) The nonforfeiture interest rate per annum for any policy issued in a particular calendar year shall be equal to one hundred twenty-five per cent (125%) of the interest rate used in determining the minimum standard for the valuation of such policy as defined in the standard valuation law, rounded to the nearer one-quarter of one per cent (1/4 of 1%).

(x) Notwithstanding any other provision in this code to the contrary, any refiling of nonforfeiture values or their methods of computation for any previously approved policy form which involves only a change in the interest rate or mortality table used to compute nonforfeiture values shall not require refiling of any other provisions of that policy form.

(xi) After the effective date of subsection (9)(d), any insurer may file with the director a written notice of its election to comply with the provisions of this subsection after a specified date before January 1, 1989, which shall be the operative date of this subsection for such insurer. If an insurer makes no such election, the operative date of this subsection for such insurer shall be January 1, 1989.

(10) In the case of any plan of life insurance which provides for future premium determination, the amounts of which are to be determined by the insurer based on the then estimates of future experience, or in the case of any plan of life insurance which is of such a nature that minimum values cannot be determined by the methods described in subsections (2) through (9) herein, then:

(a) The director must be satisfied that the benefits provided under the plan are substantially as favorable to policyholders and insureds as the minimum benefits otherwise required by subsections (2) through (9) herein;

(b) The director must be satisfied that the benefits and the pattern of premiums of that plan are not such as to mislead prospective policyholders or insureds;

(c) The cash surrender values and paid-up nonforfeiture benefits provided by such plan must not be less than the minimum values and benefits required for the plan computed by a method consistent with the principles of this standard nonforfeiture law for life insurance, as determined by regulations promulgated by the director.

(11) Calculation of values: Any cash surrender value and any paid-up nonforfeiture benefit available under the policy in the event of default in a premium payment due at any time other than on the policy anniversary shall be calculated with allowance for the lapse of time and the payment of fractional premiums beyond the last preceding policy anniversary. All values referred to in subsections (4) through (9) of this section may be calculated upon the assumption that any death benefit is payable at the end of the policy year of death. The net value of any paid-up additions, other than paid-up term additions, shall be not less than the amounts used to provide such additions. Notwithstanding the provisions of subsection (4) of this section,
additional benefits payable:

(a) In the event of death or dismemberment by accident or accidental means,
(b) In the event of total and permanent disability,
(c) As reversionary annuity or deferred reversionary annuity benefits,
(d) As term insurance benefits provided by a rider or supplemental policy provision to which, if issued as a separate policy, this section would not apply,
(e) As term insurance on the life of a child or on the lives of children provided in a policy on the life of a parent of the child, if such term insurance expires before the child's age is twenty-six (26), is uniform in amount after the child's age is one (1), and has not become paid-up by reason of the death of a parent of the child, and
(f) As other policy benefits additional to life insurance and endowment benefits, and premiums for all such additional benefits, shall be disregarded in ascertaining cash surrender values and nonforfeiture benefits required by this section, and no such additional benefits shall be required to be included in any paid-up nonforfeiture benefits.

(12) This subsection, in addition to all other applicable subsections of this section, shall apply to all policies issued on or after January 1, 1986. Any cash surrender value available under the policy in the event of default in a premium payment due on any policy anniversary shall be in an amount which does not differ by more than two-tenths of one per cent (2/10 of 1%) of either the amount of insurance, if the insurance be uniform in amount, or the average amount of insurance at the beginning of each of the first ten (10) policy years, from the sum of:

(a) The greater of zero and the basic cash value hereinafter specified; and

(b) The present value of any existing paid-up additions less the amount of any indebtedness to the insurer under the policy.

The basic cash value shall be equal to the present value, on such anniversary, of the future guaranteed benefits which would have been provided for by the policy, excluding any existing paid-up additions and before deduction of any indebtedness to the insurer, if there had been no default, less the then present value of the nonforfeiture factors, as hereinafter defined, corresponding to premiums which would have fallen due on and after such anniversary. Provided, however, that the effects on the basic cash value of supplemental life insurance or annuity benefits or of family coverage, as described in subsection (4) of (8), whichever is applicable, shall be the same as are the effects specified in subsection (4) or (8), whichever is applicable, on the cash surrender values defined in that subsection.

The nonforfeiture factor for each policy year shall be an amount equal to a percentage of the adjusted premium for the policy year, as defined in subsection (6) or (9)(d), whichever is applicable. Except as is required by the next succeeding sentence of this paragraph, such percentage:

(a) Must be the same percentage for each policy year between the
second policy anniversary and the later of (i) the fifth policy anniversary and (ii) the first policy anniversary at which there is available under the policy a cash surrender value in an amount, before including any paid-up additions and before deducting any indebtedness, of at least two-tenths of one per cent (2/10 of 1%) of either the amount of insurance, if the insurance be uniform in amount, or the average amount of insurance at the beginning of each of the first ten (10) policy years; and

(b) Must be such that no percentage after the later of the two (2) policy anniversaries specified in the preceding paragraph (a) may apply to fewer than five (5) consecutive policy years.

Provided, that no basic cash value may be less than the value which would be obtained if the adjusted premiums for the policy, as defined in subsection (6) or (9)(d), whichever is applicable, were substituted for the nonforfeiture factors in the calculation of the basic cash value.

All adjusted premiums and present values referred to in this subsection shall, for a particular policy, be calculated on the same mortality and interest basis as are used in demonstrating the policy's compliance with the other subsections of this section. The cash surrender values referred to in this subsection shall include any endowment benefits provided for by the policy.

Any cash surrender value available other than in the event of default in a premium payment due on a policy anniversary, and the amount of any paid-up nonforfeiture benefit available under the policy in the event of default in a premium payment shall be determined in manners consistent with the manners specified for determining the analogous minimum amounts in subsections (2), (3), (4), (5), (9)(d) and (11). The amounts of any cash surrender values and of any paid-up nonforfeiture benefits granted in connection with additional benefits such as those listed as items (ia) through (wif) in subsection (11) shall conform with the principles of this subsection (12).

(13) Exceptions. This section shall not apply to any of the following:

(a) Reinsurance,
(b) Group insurance,
(c) Variable life insurance,
(d) Pure endowment,
(e) Annuity or reversionary annuity contract,
(f) Term policy of uniform amount which provides no guaranteed nonforfeiture or endowment benefits, or renewal thereof, of twenty (20) years or less expiring before age seventy-one (71), for which uniform premiums are payable during the entire term of the policy,
(g) Term policy of decreasing amount, which provides no guaranteed nonforfeiture or endowment benefits, on which each adjusted premium, calculated as specified in subsections (6) through (9) of this section, is less than the adjusted premiums so calculated on a policy of uniform amount, or renewal thereof, which provides no guaranteed nonforfeiture or endowment benefits, issued at the same age and for the same initial amount of insurance and for a term of twenty (20) years or less expiring before age seventy-one (71), for which uniform premiums are payable during the entire term of
the policy;
(h) Policy, which provides no guaranteed nonforfeiture or endowment benefits, for which no cash surrender value, if any, or present value of any paid-up nonforfeiture benefit, at the beginning of any policy year, calculated as specified in subsections (4) through (9) of this section, exceeds two and one-half per cent (2 1/2%) of the amount of insurance at the beginning of the same policy year;
(i) Policy which shall be delivered outside this state through an agent or other representative of the insurer issuing the policy.
For purposes of determining the applicability of this section, the age at expiry for a joint term life insurance policy shall be the age at expiry of the oldest life.
(14) Operative date. After January 1, 1962, any insurer may file with the director a written notice of its election to comply with the provisions of this section after a specified date before January 1, 1963. After the filing of such notice, then upon such specified date (which shall be the operative date for such insurer) this section shall become operative with respect to the policies thereafter issued by such insurer. If an insurer makes no such election, the operative date of this section for such insurer shall be January 1, 1963.

SECTION 2. That Section 41-1927A, Idaho Code, be, and the same is hereby amended to read as follows:

41-1927A. STANDARD NONFORFEITURE LAW FOR INDIVIDUAL DEFERRED ANNUITIES. - (1) This section shall be known as the standard nonforfeiture law for individual deferred annuities.
(2) This section shall not apply to any reinsurance, group annuity purchased under a retirement plan or plan of deferred compensation established or maintained by an employer (including a partnership or sole proprietorship) or by an employee organization, or by both, other than a plan providing individual retirement accounts or individual retirement annuities under section 408 of the Internal Revenue Code, as now or hereafter amended, premium deposit fund, variable annuity, investment annuity, immediate annuity, any deferred annuity contract after annuity payments have commenced, or reversionary annuity, nor to any contract which shall be delivered outside this state through an agent or other representative of the insurer issuing the contract.
(3) In the case of contracts issued on or after the operative date of this section as defined in subsection (12) of this section, no contract of annuity, except as stated in subsection (2) of this section shall be delivered or issued for delivery in this state unless it contains in substance the following provisions, or corresponding provisions which in the opinion of the director are at least as favorable to the contractholder, upon cessation of payment of considerations under the contract.
(a) That upon cessation of payment of considerations under a contract, the insurer will grant a paid-up annuity benefit on a plan stipulated in the contract of such value as is specified in subsections (5), (6), (7), (8) and (10) of this section.
(b) If a contract provides for a lump sum settlement at maturity,
or at any other time, that upon surrender of the contract at or prior to the commencement of any annuity payments, the insurer will pay in lieu of any paid-up annuity benefit a cash surrender benefit of such amount as is specified in subsections (5), (6), (8) and (10) of this section. The insurer shall reserve the right to defer the payment of such cash surrender benefit for a period of six (6) months after demand therefor with surrender of the contract. If the insurer defers payment of a cash surrender benefit under this section, the insurer shall pay interest at the rate specified in section 28-22-104(2), Idaho Code, as established and in existence at the time of the surrender demand.

(c) A statement of the mortality table, if any, and interest rates used in calculating any minimum paid-up annuity, cash surrender or death benefits that are guaranteed under the contract, together with sufficient information to determine the amounts of such benefits.

(d) A statement that any paid-up annuity, cash surrender or death benefits that may be available under the contract are not less than the minimum benefits required by any statute of the state in which the contract is delivered and an explanation of the manner in which such benefits are altered by the existence of any additional amounts credited by the insurer to the contract, any indebtedness to the insurer on the contract or any prior withdrawals from or partial surrenders of the contract.

Notwithstanding the requirements of this section, any deferred annuity contract may provide that if no considerations have been received under a contract for a period of two (2) full years and the portion of the paid-up annuity benefit at maturity on the plan stipulated in the contract arising from considerations paid prior to such period would be less than twenty dollars ($20.00) monthly, the insurer may at its option terminate such contract by payment in cash of the then present value of such portion of the paid-up annuity benefit, calculated on the basis of the mortality table, if any, and interest rate specified in the contract for determining the paid-up annuity benefit, and by such payment shall be relieved of any further obligation under such contract.

(4) The minimum values as specified in subsections (5), (6), (7), (8) and (10) of this section of any paid-up annuity, cash surrender or death benefits available under an annuity contract shall be based upon minimum nonforfeiture amounts as defined in this section.

(a) With respect to contracts providing for flexible considerations, the minimum nonforfeiture amount at any time at or prior to the commencement of any annuity payments shall be equal to an accumulation up to such time at a rate of interest of three percent (3%) per annum of percentages of the net considerations (as hereinafter defined) paid prior to such time, decreased by the sum of (i) any prior withdrawals from or partial surrenders of the contract accumulated at a rate of interest of three percent (3%) per annum and (ii) the amount of any indebtedness to the insurer on the contract, including interest due and accrued, and increased by any existing additional amounts credited by the insurer to the contract.
The net considerations for a given contract year used to define the minimum nonforfeiture amount shall be an amount not less than zero and shall be equal to the corresponding gross considerations credited to the contract during that contract year less an annual contract charge of thirty dollars ($30.00) and less a collection charge of one dollar and twenty-five cents ($1.25) per consideration credited to the contract during that contract year. The percentages of net considerations shall be sixty-five per cent (65%) of the net consideration for the first contract year and eighty-seven and one-half per cent (87 1/2%) of the net considerations for the second and later contract years. Notwithstanding the provisions of the preceding sentence, the percentage shall be sixty-five per cent (65%) of the portion of the total net consideration for any renewal contract year which exceeds by not more than two (2) times the sum of those portions of the net considerations in all prior contract years for which the percentage was sixty-five per cent (65%).

(b) With respect to contracts providing for fixed scheduled considerations, minimum nonforfeiture amounts shall be calculated on the assumption that considerations are paid annually in advance and shall be defined as for contracts with flexible considerations which are paid annually with two (2) exceptions:

1. The portion of the net consideration for the first contract year to be accumulated shall be the sum of sixty-five per cent (65%) of the net consideration for the first contract year plus twenty-two and one-half per cent (22 1/2%) of the excess of the net consideration for the first contract year over the lesser of the net considerations for the second and third contract years.

2. The annual contract charge shall be the lesser of (i) thirty dollars ($30.00) or (ii) ten per cent (10%) of the gross annual considerations.

(c) With respect to contracts providing for a single consideration, minimum nonforfeiture amounts shall be defined as for contracts with flexible considerations except that the percentage of net consideration used to determine the minimum nonforfeiture amount shall be equal to ninety per cent (90%) and the net consideration shall be the gross consideration less a contract charge of seventy-five dollars ($75.00).

(5) Any paid-up annuity benefit available under a contract shall be such that its present value on the date annuity payments are to commence is at least equal to the minimum nonforfeiture amount on that date. Such present value shall be computed using the mortality table, if any, and the interest rate specified in the contract for determining the minimum paid-up annuity benefits guaranteed in the contract.

(6) For contracts which provide cash surrender benefits, such cash surrender benefits available prior to maturity shall not be less than the present value as of the date of surrender of that portion of the maturity value of the paid-up annuity benefit which would be provided under the contract at maturity arising from considerations paid prior to the time of cash surrender reduced by the amount appropriate to reflect any prior withdrawals from or partial surrenders of the
contract, such present value being calculated on the basis of an interest rate not more than one per cent (1%) higher than the interest rate specified in the contract for accumulating the net considerations to determine such maturity value, decreased by the amount of any indebtedness to the insurer on the contract, including interest due and accrued, and increased by any existing additional amounts credited by the insurer to the contract. In no event shall any cash surrender benefit be less than the minimum nonforfeiture amount at that time. The death benefit under such contracts shall be at least equal to the cash surrender benefit.

(7) For contracts which do not provide cash surrender benefits, the present value of any paid-up annuity benefit available as a nonforfeiture option at any time prior to maturity shall not be less than the present value of that portion of the maturity value of the paid-up annuity benefit provided under the contract arising from considerations paid prior to the time the contract is surrendered in exchange for, or changed to, a deferred paid-up annuity, such present value being calculated for the period prior to the maturity date on the basis of the interest rate specified in the contract for accumulating the net considerations to determine such maturity value, and increased by any existing additional amounts credited by the insurer to the contract. For contracts which do not provide any death benefits prior to the commencement of any annuity payments, such present values shall be calculated on the basis of such interest rate and the mortality table specified in the contract for determining the maturity value of the paid-up annuity benefit. However, in no event shall the present value of a paid-up annuity benefit be less than the minimum nonforfeiture amount at that time.

(8) For the purpose of determining the benefits calculated under subsections (6) and (7) of this section, in the case of annuity contracts under which an election may be made to have annuity payments commence at optional maturity dates, the maturity date shall be deemed to be the latest date for which election shall be permitted by the contract, but shall not be deemed to be later than the anniversary of the contract next following the annuitant's seventieth birthday or the tenth anniversary of the contract, whichever is later.

(9) Any contract which does not provide cash surrender benefits or does not provide death benefits at least equal to the minimum nonforfeiture amount prior to the commencement of any annuity payments shall include a statement in a prominent place in the contract that such benefits are not provided.

(10) Any paid-up annuity, cash surrender or death benefits available at any time, other than on the contract anniversary under any contract with fixed scheduled considerations, shall be calculated with allowance for the lapse of time and the payment of any scheduled considerations beyond the beginning of the contract year in which cessation of payment of considerations under the contract occurs.

(11) For any contract which provides, within the same contract by rider or supplemental contract provision, both annuity benefits and life insurance benefits that are in excess of the greater of cash surrender benefits or a return of the gross considerations with interest, the minimum nonforfeiture benefits shall be equal to the sum of the
minimum nonforfeiture benefits for the annuity portion and the minimum nonforfeiture benefits, if any, for the life insurance portion computed as if each portion were a separate contract. Notwithstanding the provisions of subsections (5), (6), (7), (8) and (10) of this section, additional benefits payable (i) in the event of total and permanent disability, (ii) as reversionary annuity or deferred reversionary annuity benefits, or (iii) as other policy benefits additional to life insurance, endowment, and annuity benefits, and considerations for all such additional benefits, shall be disregarded in ascertaining the minimum nonforfeiture amounts, paid-up annuity, cash surrender and death benefits that may be required by this section. The inclusion of such additional benefits shall not be required in any paid-up benefits, unless such additional benefits separately would require minimum nonforfeiture amounts, paid-up annuity, cash surrender and death benefits.

(12) After the effective date of this section any insurer may file with the director a written notice of its election to comply with the provisions of this section after a specified date before the second anniversary of the effective date of this section. After the filing of such notice, then upon such specified date, which shall be the operative date of this section for such insurer, this section shall become operative with respect to annuity contracts thereafter issued by such insurer. If an insurer makes no such election, the operative date of this section for such insurer shall be the second anniversary of the effective date of this section.

profit hospital, medical service, and health care plans.

(2) Any provision contained in a policy of group or blanket dis-
ability insurance providing for a reduction of benefits payable under
the policy during a policy benefit period due to an increase in bene-

(3) The applicant must not have been convicted, issued any fine, placed on probation, received a withheld judgment or completed any sentence of confinement for or on account of a felony or a misdemeanor involving moral turpitude in a state or federal court within five (5) years prior to the date the application is submitted to the commission;
(4) The applicant must have complied with the educational requirements as provided for in subsection C of this section; the real estate education course requirements set forth in subsection C of this section must have been successfully completed within five (5) years prior to the date upon which the applicant makes application; provided, the commission may waive or modify the requirement that the real estate education courses must have been successfully completed within five (5) years prior to the date upon which the applicant makes application;
(5) If the application is for a real estate broker's license, the applicant must have been actively engaged as a licensed real estate salesman as provided for in subsection B(2) of this section.

If the commission determines that an applicant does not possess the aforementioned qualifications, it shall have the authority to deny the application. If the commission finds that the applicant employed any fraud, deception, misrepresentation, misstatement or any unlawful means in applying for a license or taking the examination, then the commission shall have the authority to deny the application.

B. Any person desiring to carry on the business of real estate broker or real estate salesman in this state shall make application for license therefor upon a form to be prescribed and furnished by the commission, giving his full name and address and the address of his principal place of business in the state of Idaho. The exact examination fees shall be determined by the commission at the conclusion of a hearing called for such purposes to be conducted, pursuant to notice each year. The fees so established by the commission at such hearing to be in effect during the next ensuing year shall be that amount which, in the discretion of the commission, are sufficient to raise that revenue required to administer the examination.

(2) In addition to subsection B(1), an applicant for a real estate broker's license shall submit satisfactory evidence of having been actively engaged for two (2) years as a licensed real estate salesman within five (5) years prior to the date upon which the applicant makes application; provided, however, that said requirement may be modified or reduced, in whole or in part, at the discretion of the commission, based upon the educational background of the applicant, or his experience in related or affiliated business activities. applicant makes application; and such certificate is considered to be in full compliance with the requirements of this act for the completion of a course of study.

D. For each year for which the license is issued or renewed, a license fee in an amount not to exceed one hundred dollars ($100) shall be charged for the issuance of real estate broker's, associate broker's and salesman's licenses; the exact fee for the issuance of each to be determined by the commission at the conclusion of a hearing called for such purpose to be conducted, pursuant to notice, each year. The fee so established by the commission at such hearing to be in effect during the next ensuing year shall be that amount which, in the discretion of the commission, and when added to the other fees charged and collected as authorized by law, is sufficient to raise that revenue required to administer the provisions of this chapter which shall not be refunded.

E. There is established a staggered renewal period for licenses to coincide with the last day of the month of the birthdate of each licensee. A license renewal shall be for a two (2) year period and the license fee therefor shall be in an amount not to exceed two hundred dollars ($200).

F. Each license as a real estate broker or real estate salesman may be renewed by the commission upon the payment by the licensee of the renewal fee specified in this section, if that fee is paid on or before the first day of the month following the month of the birthdate of the licensee.

If the licensee fails to pay the renewal fee on or before the first day of the month following the month of the birthdate of the licensee, the commission may accept a later payment, subject to such conditions as the commission may require, including but not limited to the assessment of a late fee not to exceed fifteen dollars ($15.00); provided that between the last day of the month of his birthdate and the date of renewal of the license, the rights of the licensee under such license shall be suspended, and during such period of suspension it shall be unlawful for any licensee to do or attempt to offer to do any of the acts of the kind and nature described in the definitions of a real estate broker or real estate salesman in section 54-2022, Idaho Code, in consideration of compensation of any kind or expectation thereof.

A new license or renewal shall be for a term of one (1) year plus the months up to and including the next birthdate of the licensee. A license fee in an amount not to exceed two hundred dollars ($200) shall be charged for the issuance of a new real estate broker's, associate broker's or salesman's license, the exact fee to be determined in accordance with subsection D of this section.

Corporations and partnerships shall have established as the equivalent of a birthdate, the birthdate of the designated broker of each. Branch offices shall have established as the equivalent of a birthdate, the birthdate of the real estate broker establishing the branch office.

PG. Subsections P, G, H, and I and J of this section shall apply to both an applicant for a renewal of a license which expires after June 30, 1989, and an applicant for a change in status from inactive
licensure to active licensure after June 30, 1989.

Each individual applicant for renewal of an active license shall, on or before the expiration date of the license, submit satisfactory proof to the commission of successful completion of not less than twelve (12) classroom hours of approved course work in addition to any other requirements for renewal.

The twelve (12) hours of course work shall apply to each license renewal period, and hours in excess shall not be accumulated or credited for the purposes of subsequent license renewals.

Inactive licensees may renew their licenses at the end of the license period without having completed the twelve (12) hours of course work required in this section. However, a license of an inactive licensee shall not be activated until the licensee has satisfactorily completed the total number of deficient hours of course work and filed evidence of such completion with the commission, except that no inactive licensee shall be required to make up more than the number of hours of course work required by this section for one (1) license period.

5H. The commission may substitute all or a portion of the course work required by subsection PG of this section when a licensee shows evidence of passing an approved challenge exam or of completing equivalent education determined by the commission to be in full compliance with such education requirements.

5I. An extension of the time for completing the education requirements in accordance with subsection PG of this section may be obtained by submitting with the regular renewal application, or application to activate, evidence showing that the applicant was unable to comply with such education requirements. Such evidence may be:

(1) Bona fide hardship preventing completion of the reinstatement requirements of an inactive license;

41-2515. DISCOUNT FOR CERTAIN AGE GROUPS. (1) Any insurer offering for sale an automobile insurance policy, as policy is defined in subsection (a) of section 41-2506, Idaho Code, in which there is insured a principal operator who is sixty-five (65) years of age or older, shall provide for an appropriate reduction in premium charges for liability, medical payments and collision coverages if the principal operator sixty-five (65) years of age or older has successfully completed a motor vehicle accident prevention course which meets criteria established by the motor vehicle bureau of the transportation department. However, there shall be no reduction in premiums for completion of a self-instructed course or a course which does not provide for actual classroom or field driving instruction. Any discount used by an insurer shall be presumed appropriate unless credible evidence data demonstrates otherwise.

(2) Upon successful completion of an approved motor vehicle accident prevention course, each participant shall be issued, by the course's sponsoring entity, a certificate of completion which shall be the basis of the qualification for the discount on the automobile insurance.

(3) The premium reduction required in this section shall be effective for an insured for a three (3) year period after successful completion of the approved course, except that the insurer may require, as a condition of providing and maintaining the discount, that the insured for a three (3) year period after course completion, not be involved in an accident for which the insured is at fault or be found guilty of a moving traffic violation.

(4) The provisions of this section shall not apply in the event the approved course is specified by a court or other governmental entity resulting from a moving traffic violation.
(5) Each participant shall take an approved course every three 
(3) years to continue to be eligible for the reduction in premiums.
(6) Nothing in the provisions of this section shall be deemed to

(7) The provisions of this section shall not apply in the event

AN ACT
RELATING TO WATER QUALITY; AMENDING CHAPTER 36, TITLE 39, IDAHO CODE, 
BY THE ADDITION OF NEW SECTIONS 39-3614, 39-3615, 39-3616, 39-3617 
AND 39-3618, IDAHO CODE, TO PROVIDE DEFINITIONS, TO PROVIDE FOR 
THE PROTECTION OF THE WATER QUALITY OF OUTSTANDING RESOURCE WATERS 
AND TO PROVIDE A PROCESS FOR THE DESIGNATION OF OUTSTANDING 
RESOURCE WATERS, TO PROVIDE THE EFFECT OF RULES AND REGULATIONS; 
DECLARING AN EMERGENCY AND PROVIDING AN EFFECTIVE DATE.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Chapter 36, Title 39, Idaho Code, be, and the 
same is hereby amended by the addition thereto of NEW SECTIONS, to be 
known and designated as Sections 39-3614, 39-3615, 39-3616, 39-3617 
and 39-3618, Idaho Code, and to read as follows:

39-3614. DEFINITIONS. As used in sections 39-3614, 39-3615, 
39-3616 and 39-3617, Idaho Code:
(1) "Lower water quality" means a measurable change in a chemi­ 
cal, physical, or biological parameter of water relevant to a benefi­ 
cial use, and which can be expressed numerically. Measurable adverse 
change is determined by a statistically significant difference between 
sample means using standard methods for analysis and statistical 
interpretation appropriate to the parameter.
(2) "Nonpoint source activities" include grazing, crop produc­
tion, silviculture, log storage or rafting, construction, mining, rec­
recreation, septic tank disposal, and other activities not subject to 
regulation under the federal national pollutant discharge elimination 
system.
(3) "Outstanding resource water" means a high quality water, such 
as water of national and state parks and wildlife refuges and water of 
exceptional recreational or ecological significance, which has been so 
designated by the legislature. It constitutes an outstanding national
or state resource that requires protection from nonpoint source activities that may lower water quality.

39-3615. RESTRICTION OF NONPOINT SOURCE ACTIVITIES ON OUTSTANDING RESOURCE WATERS. No person shall conduct a new or substantially modify an existing nonpoint source activity that can reasonably be expected to lower the water quality of an outstanding resource water, except for short-term or temporary nonpoint source activities which do not alter the essential character or special uses of a segment, allocation of water rights, or operation of water diversions or impoundments.

39-3616. CONTINUATION OF EXISTING NONPOINT SOURCE ACTIVITIES ON OUTSTANDING RESOURCE WATERS. Existing nonpoint source activities may continue and shall be conducted in a manner that maintains and protects the current water quality of an outstanding resource water. The provisions of this section shall not affect short-term or temporary activities that do not alter the essential character or special uses of a segment, allocation of water rights, or operations of water diversions or impoundments, provided that such activities shall be conducted in conformance with applicable laws and regulations.

39-3617. DESIGNATION OF OUTSTANDING RESOURCE WATERS. Any person may request, in writing to the board of health and welfare, that a stream segment may be considered for designation as an outstanding resource water. The board shall recommend to the legislature those stream segments the board proposes for designation as outstanding resource waters. The legislature shall determine by law which such stream segments to designate as outstanding resource waters. Stream segments so designated shall be included in a list of outstanding resource waters to be compiled and updated by the department of health and welfare in its rules and regulations governing water quality standards.

39-3618. EFFECT OF RULES AND REGULATIONS. Every rule and regulation promulgated within the authority conferred by this act shall be of temporary effect and shall become permanent only by enactment by statute at the regular session first following adoption of the rule or regulation. Rules and regulations not approved in the above manner shall be rejected, null, void and of no force and effect on July 1, following submission of the rules and regulations to the legislature.

SECTION 2. An emergency existing therefor, which emergency is hereby declared to exist, this act shall be in full force and effect on and after its passage and approval and when the Attorney General certifies to the Secretary of State the lawsuit entitled Idaho Conservation League et al vs. Russell et al, case no. CV87-1326, has been dismissed with prejudice. The Attorney General's required certification must be made prior to October 1, 1989. If the certification is not made, then this act shall be null, void and of no force and effect.

RELATING TO FOREST PRACTICES AND WATER QUALITY; AMENDING SECTION 38-122, IDAHO CODE, TO REQUIRE AN INITIAL PURCHASER OF WOOD PRODUCTS WHICH HAVE BEEN CUT FROM IDAHO LANDS TO PURCHASE THE PRODUCTS FROM A PERSON OR ENTITY HAVING A FORMAL ACCEPTANCE OF NOTIFICATION; AMENDING SECTION 38-1303, IDAHO CODE, TO DEFINE ADDITIONAL TERMS; AMENDING SECTION 38-1305, IDAHO CODE, TO INCREASE THE NUMBER OF PERSONS ON THE FOREST PRACTICES ADVISORY COMMITTEE TO PROVIDE THAT A MEMBER OF THE COMMITTEE SHALL BE QUALIFIED BY TRAINING AND EXPERIENCE AS A FISHERIES BIOLOGIST, AND TO PROVIDE FOR AGREEMENTS WITH LANDOWNERS; AMENDING SECTION 38-1306, IDAHO CODE, TO REQUIRE FORMAL ACCEPTANCE OF NOTIFICATIONS BY THE DEPARTMENT OF LANDS AND TO PROVIDE PROCEDURES; AND AMENDING CHAPTER 13, TITLE 38, IDAHO CODE, BY THE ADDITION OF A NEW SECTION 38-1314, IDAHO CODE, TO PROVIDE PROCEDURES WHEN FOREST PRACTICES CANNOT FULLY PROTECT BENEFICIAL STREAM USES.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 38-122, Idaho Code, be, and the same is hereby amended to read as follows:

38-122. PROTECTION BY LOGGING OUTFITS -- FIRE SUPPRESSION ACCOUNT -- LIABILITY FOR FIRE SUPPRESSION COSTS -- PENALTY. (1) Everyone engaged, or about to engage, in the cutting of any forest product or potential forest product upon lands within the state of Idaho shall provide for the management and reduction of the fire hazard thus created or to be created by first securing a certificate of compliance from the director of the department of lands or his agent, said compliance to provide the option of entering into a fire hazard reduction agreement as provided in sections 38-401 through 38-410, Idaho Code, inclusive, or by posting a cash bond to the state of Idaho in such form and for such amount as may be prescribed by the director of the department of lands; provided, however, that the amount of the bond so prescribed shall not be in excess of the amount which such person would be required to pay under said sections 38-401 through 38-410, Idaho Code, inclusive, or by posting a cash bond to the state of Idaho in such form and for such amount as may be prescribed by the director of the department of lands; provided, however, that the amount of the bond so prescribed shall not be in excess of the amount which such person would be required to pay under said sections 38-401 through 38-410, Idaho Code, inclusive, and that the bond shall be conditioned upon full and faithful compliance with all requirements under said sections 38-401 through 38-410, Idaho Code, inclusive, and the faithful reduction of such fire hazards in the manner prescribed by law. Provided further that the initial purchaser of ties, logs, posts, cordwood, pulpwood and other similar forest products which have been cut from lands within the state of Idaho shall make no such purchase from anyone not having a proper compliance under this section and formal acceptance of notification under subsection (2) of section 38-1306, Idaho Code. When a person elects to have hazard reduction money withheld in lieu of posting a cash bond, the purchaser of forest products shall withhold the money and said money so withheld in any one (1)
calendar month shall be paid to the director of the department of lands or his agent on or before the last day of the next calendar month. After sending such moneys to the director of the department of lands the purchaser shall not be further liable to the state of Idaho or to the person from whom the money was withheld. The director of the department of lands, upon receipt of the cash bond or transmittal of withheld money, shall promptly deposit the same with the state treasurer to be held in trust until the hazard has been reduced as required by law. Such hazard reduction shall be accomplished by the responsible party within the terms set forth in the certificate of compliance or such additional time as may be granted by the director of the department of lands, and upon completion thereof, the director of the department of lands or his agent shall issue a certificate of clearance, stating that all the terms of this section have been complied with and such clearance shall constitute reason for the release of said hazard reduction money and payment to the person entitled thereto or release of the cash bond posted, except that three percent (3%) of the hazard reduction money or bond shall be deposited in a special account to be known as the fire suppression account, which is hereby created in the dedicated fund of the state treasury, and which shall be used by the department of lands to help pay the cost of suppressing forest fires. In the event the hazard reduction shall not be accomplished within said period of time, the money shall be released by the state treasurer on direction from the director of the department of lands less the three percent (3%) deduction specified for the fire suppression account, and credited to the "forest management account" for the management and reduction of any fire hazard and for the protection of forest resources as provided by section 38-408, Idaho Code.

(2) With the exception of cases of negligence on the part of the landowner, operator or their agents, liability for the cost of suppressing fires that originate on or pass through a slashing area shall remain with the state forester if one of the following alternatives is executed by the landowner or operator: (a) the slashing area is covered by a certificate of compliance and all hazard money payments are current or a proper bond is in place; (b) the landowner or operator treats the slash in accordance with rules and regulations adopted by the state board of land commissioners that are in effect during the period covered by the certificate of compliance or approved extensions; or (c) the landowner or operator elects to enter into a contract with the state forester for the management of the slash and liability of fire suppression costs in accordance with section 38-404, Idaho Code.

Should the landowner or operator choose not to treat the slash or not enter into a contract with the state forester in accordance with section 38-404, Idaho Code, the landowner or operator shall, in addition to forfeiting the bond provided for in section 38-122, Idaho Code, be subject to the provisions of section 38-123, Idaho Code, and his liability, if any, for fire suppression costs up to the limits set by the state forester, shall exist for a period of five (5) years following completion of the operation for all fires that originate in or pass through the landowner's or operator's slashing area, except that
the landowner or operator may choose to pay an additional fee, to be
determined by the director, upon payment of which the director will
assume the liability for the cost of suppressing fires that originate
in or pass through the slashing area.
(3) A violation of any of the provisions of this section shall be
deemed a petty misdemeanor.

All notifications must be formally accepted by the department before any forest practice may begin. If the forest practice will be conducted in an area bordering a stream segment of concern, this notice must be received by the department no less than ten (10) business days before the commencement of the forest practice. If there is no written agreement between the landowner and/or the operator and the department concerning implementation of site specific BMPs which the department has determined are necessary to protect water quality in the affected stream segment of concern, the department shall not accept the notification until emergency rules have been enacted establishing the site-specific BMPs. (3) An operator, timber owner, or landowner, whichever filed the original notification, shall notify the department of any subsequent change in the information contained in the notification within thirty (30) days of the change. Promptly upon receipt of notice of change, but not to exceed fifteen (15) days from receipt of notice, the department shall mail a copy of the notice to whichever of the operator, timber owner, or landowner that did not submit the notice of change.

(4) The notification is valid for a period not to exceed two (2) years from the date of original notification. At the expiration of the two (2) year period, if the forest practice is continuing, the notification shall be renewed annually using the same procedures provided for in this section.

(5) If the notification required by subsection (1) of this section indicates that at the expiration of two (2) years from the date of notification that the forest practice will be continuing, the operator, timber owner, or landowner, at least thirty (30) days prior to the expiration of the two (2) year period, shall notify the department and obtain a renewal of the notification. Promptly upon receipt of the request for renewal, but not to exceed fifteen (15) days from receipt of the request, the department shall mail a copy of the renewed notification to whichever of the operator, timber owner, or landowner that did not submit the request for renewal.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 16-1801, Idaho Code, be, and the same is hereby amended to read as follows:

16-1801. POLICY LEGISLATIVE INTENT. The policy of the state of Idaho is hereby declared to be the establishment of a legal framework conducive to the constructive judicial processing of children's cases where the child's conduct is in conflict with the law; and the providing of professional assistance to courts handling children's cases, through a coordinated program of rehabilitation, thereby insuring integrated treatment and assistance to communities throughout the state in their programs of prevention and control of juvenile delinquency; to provide due process of law for each child alleged or adjudicated to be delinquent under this act; to divert the child into a program of treatment, counseling, rehabilitation and restitution prior to court action where the interests of the child and the community would best be served by such diversion; and to consider the needs and
best interests of the child as well as the need for protection of the community and to achieve the foregoing purposes in the least restrictive setting necessary, with a preference at all times for the family home and the integration of parental responsibility for the child into the treatment and counseling program. In enacting this legislation, the legislature finds that the state of Idaho needs to evolve into a system for juvenile justice that encompasses the following aspects: case management, day treatment, community programs, observation and assessment programs, secure facilities and multi-use facilities and assistance to counties for youth not committed to the custody of the department of health and welfare.

The following is a brief description of what the legislature intends to become the components of Idaho's juvenile justice system:

Case management. Every youth ordered into department of health and welfare custody would be assigned a case manager. Case management would often entail twenty-four (24) hour on call responsibility for youth and a continual monitoring of their activities. Case managers would be responsible for direct treatment of individual youth and their families, close supervision of youths' activities, supervision of restitution and coordination of other services provided to youth.

Day treatment. Day treatment programs would be time limited nonresidential treatment and educational programs. Included in these programs would be trackers who would provide intensive supervision of youth through daily contact and by counseling youth regarding employment, education, courts, family and life skills. Family treatment would be provided by family therapists who deal with dysfunctional family dynamics and antisocial behaviors. Educational and day treatment programs and vocational services would help prepare the seriously delinquent youth for the work world with its demands and responsibilities. Finally, nonresidential alcohol and drug programs would provide outpatient assessment and counseling for youth with substance abuse problems.

Community programs. It is intended that community programs would exist throughout the state to provide twenty-four (24) hour residential supervision and treatment options to youth in close proximity to their families and their community. These programs would provide the department of health and welfare with a continuum of supervision and treatment options. It is intended that these programs would provide strong community linkages with family, school and employment and emphasize helping youth generalize appropriate behavior into their environment.

Observation assessment. Three (3) regional observation and assessment centers would be provided, hopefully on a contract basis, to provide assessment and treatment planning in a short-term residential experience. It is intended that these programs would maintain standardized home and daily routines with intensive daily programming. Here the youth would receive a complete psychological, educational and physical assessment to help recommend appropriate future placements to magistrate judges handling the juvenile's case.

Secure facilities. Secure facilities that would provide secure confinement, education and treatment of the most seriously delinquent youth; the program at the secure facilities would be designed to help
the youth recognize accountability for delinquent behavior by confronting delinquent norms, criminal thinking and antisocial behavior and repaying victims through a restitution program. Secure facilities, as may be possible and practicable, should be in close proximity to the youth offender’s home and family.

Multi-use facilities. Idaho has areas that are predominantly rural and a long distance from another population base. For these areas it is hoped that a combination short-term detention facility with a shelter home could be built.

It is the further intent of the legislature that the primary purpose of this act is to provide a continuum of supervision and rehabilitation programs which meet the needs of the youthful offender in a manner consistent with public safety. These services and programs will individualize treatment and control the youthful offender for the benefit of the youth and the protection of society. It is legislative intent that the department of health and welfare be operated within the framework of the following principles to accomplish this mission:

1. Provide the least restrictive and most appropriate setting for the youthful offender while adequately protecting the community.
2. Provide humane, secure and therapeutic confinement to a youth who has demonstrated that he or she presents a danger to the community.
3. Provide a diversity of community-based and secure correctional programs which, whenever possible and appropriate, would be in close proximity to the youth’s community and family.
4. Strengthen rehabilitative opportunities by expanding linkages to human service programs and community resources.
5. Hold youth accountable for their criminal behavior in a manner consistent with their long-term individual needs through such means as victim restitution, community service programs and the sharing of correctional costs.
6. Promote a functional relationship between a youth and his or her family.
7. Provide assistance to the magistrate division of the district courts in development of and implementation of appropriate juvenile offender dispositions.
8. Provide for efficient and effective juvenile correctional programs within the framework of professional correctional standards, legislative intent and available resources.
9. Provide for a diversity of innovative and effective programs through research on delinquent behavior and the continuous evaluation of correctional programs.
10. Provide assistance to counties in establishing meaningful programs for juveniles who have come into the juvenile justice system but who have not been committed to the custody of the department of health and welfare.
11. Provide programs to increase public awareness and participation in the juvenile justice system of the state.

Prior to the entry of an order disposing of the case, other than an order of discharge or dismissal, the court shall request and shall receive a report containing the results of an inquiry into the home environment, past history, rehabilitation or prevention of out of home placement services provided, social, physical and mental condition of the child. The court shall not consider or review the report prior to the entry of an order of adjudication. Upon presentation and consideration of the report by the court, the court may proceed to the disposition of the case as follows:

2. Commit the child to a period of detention, pursuant to this act, for a period of time not to exceed thirty (30) days for each unlawful or criminal act the child is found to have committed, if the unlawful or criminal act would be a misdemeanor if committed by an adult, or where the child has been adjudicated as an habitual status offender;

12. The court may make any other reasonable order which is in the best interest of the child or is required for the protection of the public, except that no person under the age of eighteen (18) may be committed to jail, prison or a secure facility which does not meet the standards set forth in section 16-1812A, Idaho Code, unless jurisdiction over the individual is in the process of being waived or has been waived pursuant to sections 16-1806 and 16-1806A, Idaho Code. Any order of commitment to the department to a program other than a secure facility shall be subject to review at least once every six (6) months. When committing a child to the department, or another entity, the court shall at once forward to the department or entity a certified copy of the order of commitment.

Recognizing that additional toxic or harmful substances or matter are continually being discovered and used or misused, the above enumerated occupational diseases are not intended to be exclusive, but such additional diseases shall not include hazards which are common to the public in general and which are not within the meaning of section 72-102(18)(a), Idaho Code, and the diseases enumerated in subsection (12) pertaining to paid firemen shall not be subject to the limitations prescribed in section 72-439, Idaho Code.

8-705. WAGE ASSIGNMENT FOR SUPPORT AND CARE OF DELINQUENT CHILD. In any proceeding where the court has ordered a parent, legal guardian, or custodian to pay any amount for the care, support or maintenance of a child adjudged to be within the purview of chapter 18, title 16, Idaho Code, and through the adjudication has rendered a liability upon the parent, legal guardian or custodian to pay damages or to pay for the child's support and care, the following procedure may be utilized for collection. The court may order the parent, legal guardian or custodian to assign a sum as the court may determine to be equitable or as may otherwise be provided by statute or contract to the county clerk, probation officer or other office of the court or county officer designated by the court to receive such payment. The assignment shall be that portion of salary or wages of the parent, legal guardian or custodian the court deems would be due in the future to apply on the amount ordered by the court for the care, support or maintenance of the delinquent child or for breach of contract caused by the child's delinquency. The order shall be binding upon an employer and until further order of the court. Any such order may be modified or revoked at any time by the court. Any such assignment made pursuant to court order shall have priority as against any attachment, execution or other assignment, unless otherwise ordered by the court. All sums collected pursuant to the provisions of this section shall be remitted as may be provided by law.

SECTION 16. That Chapter 22, Title 1, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW SECTION, to be known and designated as Section 1-2223, Idaho Code, and to read as follows:

1-2223. MAGISTRATE JUDGES HANDLING JUVENILE DELINQUENCY CASES.
(1) Each magistrate judge in a judicial district who is assigned juvenile delinquency matters shall receive instruction in a course designed for training of judges of juvenile courts.

(2) Each magistrate judge to whom this section applies shall attend instruction provided when it is offered for the first time after his appointment, election or assignment, unless he is excused by written order of the supreme court.

(3) The administrative director of the courts shall arrange for giving appropriate instruction to magistrate judges as required by the provisions of this section.

(4) On and after July 1, 1991, no magistrate judge shall be assigned juvenile delinquency matters unless certified by the supreme court as having received adequate training and being qualified to handle juvenile delinquency matters.

SECTION 17. That Section 16-1812, Idaho Code, be, and the same is hereby amended to read as follows:

16-1812. DETENTION ACCOMMODATIONS. 1. The county commissioners shall provide a detention home or homes for the temporary detention of children to be conducted by the court, or, subject to the approval of the court, by other appropriate public agency, provided that such detention shall comply with the provisions of section 16-1812A, Idaho Code; or within the limits of funds provided by the county commissioners the court may arrange for the use of private homes for such detention, subject to the supervision of the court or other agency, or may arrange with any institution or agency to receive for temporary care and custody children within the jurisdiction of the court, provided said private individual or agency facilities, except relatives of the child, shall meet the licensing requirements of the state department of health and welfare for care of children. Nothing herein shall prevent a jail facility from being utilized as a detention home if the detention facility complies with the provisions of section 16-1812A, Idaho Code.

2. For the purpose of carrying out the provisions of this section, the county commissioners may enter into contracts or agreements with public or private agencies, individuals, other counties, or the state department of health and welfare which may include the expenditures of moneys outside the county boundaries. If the county in which the court is located has made an agreement with another governmental unit or agency located outside the county or the judicial district for the detention of children under this act, then any court in the county may order a child detained outside of the county or outside of the judicial district in the detention facility described in such agreement.

3. The county wherein any court has entered an order for the detention of a child outside of the county or outside of the judicial district as provided by subsection 2 of this section shall pay all direct and indirect costs of the detention of the child to the governmental unit or agency owning or operating the detention facility in which the child was detained. The amount of such cost may be determined on a per day per child basis by agreement between the county
wherein the court entered the order of detention and the county or governmental unit or agency owning or operating such detention facility.

4. All funds appropriated by the state for the planning and design of regional detention facilities shall be administered and distributed by the director of the department of administration for the planning and design of regional detention facilities in accordance with the requirements or directives of such appropriation. In administering such fund, the director of the department of administration shall consult with the designated county officials of every county involved or affected by a proposed regional detention facility and shall abide by the decision of the designated representatives of each of the counties so involved or affected.

SECTION 18. That Section 16-1812A, Idaho Code, be, and the same is hereby amended to read as follows:

16-1812A. STANDARDS FOR DETENTION. The following shall be minimum standards for the temporary detention of children provided for in section 16-1812, Idaho Code:

(1) Juvenile detention facilities must be so constructed and/or maintained as to keep children segregated from adult offenders or those being treated as adult offenders under sections 16-1806 or 16-1806A, Idaho Code, with there to be no contact as to sight and/or sound between the two (2) classes.

(2) Juvenile detention facilities must provide supervision and observation of juvenile detainees sufficient to protect the physical and mental health of the detainees.

(3) Juveniles held in detention must be provided with at least three (3) adequate and nutritional meals per day.

(4) Juveniles held in detention must have access to reading materials on a regular and systematic basis. Detained juveniles may receive books, newspapers and periodicals from any source including delivery to the detention facilities by family members, subject to the right of detention authorities to inspect and remove dangerous or harmful materials. Detention authorities may forbid the introduction into holding quarters of obscene books or periodicals.

(5) A visiting program shall be established in juvenile detention facilities which will allow for family visits to each juvenile for at least two (2) hours each week.

SECTION 19. That Section 33-1002, Idaho Code, be, and the same is hereby amended to read as follows:

33-1002. EDUCATIONAL SUPPORT PROGRAM. The educational support program is calculated as follows:

1. State and County Educational Support Funds. Add the state appropriation, including the moneys available in the public school income fund, together with all miscellaneous revenues and any balance or deficit in the county school fund to determine the total state and county funds. From the total state and county funds subtract the amount needed for the state's share of transportation support program
as provided in section 33-1006, Idaho Code, and the amount needed for the state's share of the exceptional education support program as provided in section 33-1007, Idaho Code, to secure the state and county educational support funds.

2. Local Districts' Contribution. a. Without including any allowance as a credit for prepaid taxes, as provided by section 63-1607, Idaho Code, the local districts' contribution shall be:

(1) Thirty hundredths percent (.30%) during fiscal year, 1987-1988;
(2) Thirty-one and one-half hundredths percent (.315%) during fiscal year, 1988-1989;
(3) Thirty-three and one-tenth hundredths percent (.331%) during fiscal year, 1989-1990;
(4) Thirty-four and seven-tenths hundredths percent (.347%) during fiscal year, 1990-1991;
(5) Thirty-six hundredths percent (.36%) during fiscal year, 1991-1992 and each year thereafter,

of the total state adjusted market value for assessment purposes for the previous year and:

(1) Thirty hundredths percent (.30%) during fiscal year, 1987-1988;
(2) Thirty-one and one-half hundredths percent (.315%) during fiscal year, 1988-1989;
(3) Thirty-three and one-tenth hundredths percent (.331%) during fiscal year, 1989-1990;
(4) Thirty-four and seven-tenths hundredths percent (.347%) during fiscal year, 1990-1991;
(5) Thirty-six hundredths percent (.36%) during fiscal year, 1991-1992 and each year thereafter,

of the equivalent valuation for the previous year as defined in section 33-1014, Idaho Code.

b. The educational support program shall provide from state sources to each school district on a support unit basis, an amount that is equal to, or greater than, the amount of the state's share which was provided during the preceding fiscal year.

3. Educational Support Program Distribution Funds. Add the local districts' contribution and the state and county educational support program funds together to secure the total educational support program distribution funds.

4. Average Daily Attendance. The total state average daily attendance shall be the sum of the average daily attendance of all of the school districts of the state. The state board of education shall establish rules and regulations setting forth the procedure to determine average daily attendance and the time for, and method of, submission of such report. Average daily attendance calculation shall be carried out to the nearest hundredth. In computing the average daily attendance the entire school year shall be used except that the twenty-eight (28) weeks having the best average daily attendance, not necessarily consecutive, may be used. When a school is closed because of storm, flood, failure of the heating plant, loss or damage to the school building, quarantine or order of any city, county or state health agency, or for reason believed by the board of trustees to be
in the best interests of the health, safety or welfare of the pupils, the board of trustees having certified to the state department of education the cause and duration of such closure, the average daily attendance for such day or days of closure shall be considered as being the same as for the days when the school actually was in session. For illness or accident that necessitates an absence from school for more than ten (10) consecutive school days, the school district may include homebound students in its total attendance, provided that academic instruction has been given by appropriate certified professional staff employed by the district.

5. Support Units. The total state support units shall be determined by using the tables set out hereafter called computation of elementary support units, computation of secondary support units, computation of kindergarten support units, and computation of exceptional education support units. The sum of all of the total support units of all school districts of the state shall be the total state support units.

In applying these tables to any given separate attendance unit, no school district shall receive less total money than it would receive if it had a lesser average daily attendance in such separate attendance unit. In applying the kindergarten table to a kindergarten program of less days than a full school year, the support unit allowance shall be in ratio to the number of days of a full school year. The tables for exceptional education support units shall be applicable only for programs approved by the state department of education following the rules and regulations established by the state board of education.

6. State Distribution Factor per Support Unit. Divide educational support program distribution funds, after subtracting the amounts necessary to pay the obligations for border district approved contracts as provided in section 33-1403, Idaho Code, and exceptional child approved contracts as provided in section 33-2004(2), Idaho Code, by the total state support units to secure the state distribution factor per support unit.

7. District Share of State and County Funds for Educational Support Program. Ascertain a district's share of state and county funds for the educational support program as follows:
   a. District Contribution Calculation. Without including any allowance as a credit for prepaid taxes, as provided in section 63-1607, Idaho Code, the district contribution calculation shall be the rate determined under subsection 2. of this section.
   b. District Support Units. The number of support units for each school district in the state shall be determined as follows:
      (1) Divide the actual average daily attendance, excluding students approved for inclusion in the exceptional child educational program, for the administrative schools and each of the separate schools by the appropriate divisor from the tables of support units in this section, then add the quotients to obtain the district's support units allowance for regular students, kindergarten through grade 12. Calculations in application of this subsection shall be carried out to the nearest tenth.
      (2) Divide the combined totals of the actual average daily attendance of all kindergarten, elementary and secondary students approved for inclusion in the exceptional child program of the district by the appropriate divisor from the table for computation of exceptional education support units to obtain the number of support units allowed for the district's approved exceptional child program. Calculations for the subsection shall be carried out to the nearest tenth when more than one (1) unit is allowed.
      (3) The total number of support units of the district shall be the sum of the total support units for regular students, subsection 7b(1) of this section, and the support units allowance for the approved exceptional child program, subsection 7b(2) of this section.
c. Border District Allowance. In any school district which abuts upon the border of another state, and the resident pupils of the district attend school in the other state as provided in section 33-1403, Idaho Code, the state superintendent of public instruction shall determine the approved costs necessary to meet the educational needs of the students. The approved costs shall be allowed as a part of the district's total educational support program.
d. Exceptional Child Approved Contract Allowance. In any district where resident exceptional children are educated by contract as provided in section 33-2004(2), Idaho Code, the state superintendent of public instruction shall determine the approved costs. The approved costs shall be allowed as a part of the district's total educational support program.
e. Nonresident Court-ordered Pupil Tuition-Equivalency Allowance. Districts which educate nonresident pupils placed by Idaho court order in licensed group homes, agencies or institutions or juvenile detention facilities shall be eligible for an allowance equivalent to the previous year's certified local annual tuition rate per pupil. This district allowance shall be in addition to support unit funding and included in district apportionment payments, subject to approval of district applications by the state department of education.
f. Total District Allowance Educational Program. Multiply the district's total number of support units, carried out to the nearest tenth, by the state distribution factor per support unit and to this product add the approved amount of border district contracts and the approved amount for the exceptional child contracts to secure the district's total allowance for the educational support program.
g. District Share. To secure the district's share of state and county apportionment, subtract the amount of the local district contribution calculation, subsection 7a of this section, from the amount of the total district allowance, subsection 7e of this section. The contract salary of every noncertificated teacher shall be subtracted from the district's share.
h. Exceptional Child Tuition-Equivalency Allowance. Districts which educate school age exceptional children residing in state institutions, licensed and certified intermediate care facilities, or licensed private nonprofit residential facilities shall be eligible for an allowance equivalent to the previous year's certified local annual tuition rate per child. This district allowance shall be in addition to exceptional child unit funding and included in district apportionment payments, subject to approval of district applications by the state department of education.

SECTION 20. That Chapter 20, Title 30, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW SECTION, to be known and designated as Section 33-2009, Idaho Code, and to read as follows:

33-2009. EDUCATION OF CHILDREN HOUSED IN JUVENILE DETENTION
FACILITIES. Every public school district in this state within which is located a detention facility housing juvenile offenders pursuant to court order shall provide, subject to rules and regulations of the state board of education, instruction in accredited courses, by a qualified instructor, for the juvenile offenders under twenty-one (21) years of age who are housed in the detention facility for juvenile offenders, and shall upon satisfactory completion of required public school courses or correspondence course from a state institution of higher learning in Idaho, issue credits or a diploma evidencing such achievement. Every student served by a public school district pursuant to this section shall be counted as an exceptional child by the district for purposes of state reimbursement.

SECTION 21. This act shall be in full force and effect on and after January 15, 1990.

Approved March 29, 1989.

AN ACT
RELATING TO RETAIL LIQUOR LICENSES; AMENDING SECTION 23-903, IDAHO CODE, TO FURTHER DEFINE CONVENTION CENTER.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 23-903, Idaho Code, be, and the same is hereby amended to read as follows:

23-903. LICENSE TO RETAIL LIQUOR. The director of the department of law enforcement is hereby empowered, authorized, and directed to issue licenses to qualified applicants, as herein provided, whereby the licensee shall be authorized and permitted to sell liquor by the drink at retail and, upon the issuance of such license, the licensee therein named shall be authorized to sell liquor at retail by the drink, but only in accordance with the rules and regulations promulgated by the director and the provisions of this chapter. No license shall be issued for the sale of liquor on any premises outside the incorporated limits of any city except as provided in this chapter and the number of licenses so issued for any city shall not exceed one (1) license for each one thousand five hundred (1,500) of population of said city or fraction thereof, as established in the last preceding census, or any subsequent special census conducted by the United States bureau of the census, except that upon proper application thereof not more than two (2) licenses may be issued for each incorporated city with a population of one thousand five hundred (1,500) or less, unless the retail licensing of liquor by the drink has been previously disapproved under the provisions of sections 23-917, 23-918, 23-919, 23-920 and 23-921, Idaho Code; provided, however, that any license heretofore issued may be renewed from year to year without regard to the population of the city for which such license is issued. Nothing herein contained shall prohibit the issuance of a license to the owner, operator, or lessee of an actual, bona fide golf course, or ski resort, or to the lessee of any premises situate thereon, no part of which said golf course or ski resort or the premises thereon is situated within the incorporated limits of any city. For the purpose of this section a golf course shall comprise an actual, bona fide golf course, which is regularly used for the playing of the game of golf, and having not less than nine (9) tees, fairways and greens laid out and used in the usual and regular manner of a golf course. Nine (9) hole courses must have a total yardage of at least one thousand

...
(1,000) yards, and eighteen (18) hole courses must have a total yardage of at least two thousand (2,000) yards as measured by totaling the tee-to-green distance of all holes. The course must be planted in grass except that it may provide artificial tee mats. Where any such golf course is owned or leased by an association of members and is used or enjoyed by such members, or their guests, none of the disqualifications contained in section 23-910, Idaho Code, shall apply to such association as a licensee where such disqualifications, or any of them, would apply only to a member of such association where such member has no interest therein except as a member thereof. Also for the purpose of this section a ski resort shall comprise real property of not less than ten (10) acres in size, exclusive of the terrain used for skiing and upon which the owner, operator, or lessee of the ski resort has made available himself, or through others, including but not limited to the owners of condominiums, permanent bona fide overnight accommodations available to the general public for one hundred (100) persons or more, and which real property is contiguous to or located within the area in which skiing occurs, and which real property is regularly operated as a ski resort in the winter time, and where the owner, operator, or lessee of the ski resort is also the owner, operator, or lessee of the area served by a bona fide chair ski lift facility or facilities. Not more than one (1) license shall be issued on any airport.

Nothing herein contained shall prohibit the issuance of one (1) club license to a club as defined in section 23-902, Idaho Code. The holder of a club license is authorized to sell and serve alcoholic beverages for consumption only within the licensed establishment owned, leased or occupied by the club, and only to bona fide members
of the club, and to serve and to sell alcoholic beverages for consump-
tion to bona fide members' guests. A club license issued pursuant to
the provisions of this section is not transferable and may not be
sold. Any club license issued pursuant to the provisions of this sec-
tion will revert to the director when, in his judgment, the licensee
ceases to operate as a bona fide club as defined in section 23-902,
Idaho Code. No club may hold a liquor license and a club license
simultaneously. A club which on July 1, 1983, holds a liquor license,
may continue to possess that license. Any club which possesses a
liquor license on January 1, 1983, or thereafter, and then sells that
liquor license, may not obtain a club license, and the director shall
not issue a club license to that club for a period of five (5) years
following such sale. The fee for any license issued to a qualifying
club within an incorporated municipality shall be as prescribed in
subsections (a), (b) and (c) of section 23-904, Idaho Code. The fee
for any license issued to a qualifying club not situate within an
incorporated municipality shall be as specified for golf courses under
section 23-904(f), Idaho Code. The provisions of section 23-916, Idaho
Code, regarding county and city licenses, shall pertain to club
licenses. The burden of producing sufficient documentation of qualifi-
cations for club licensure shall be with the club applicant.

ance of a license to the owner, operator, or lessee of an actual, bona
fide convention center which is within the incorporated limits of a
city having a population of three thousand (3,000) or greater, and
which city does not have located therein a convention center with a

purpose of this section, a convention center means a facility having
at least thirty-five thousand (35,000) square feet of floor space or a
facility having at least one hundred twenty (120) sleeping rooms and
an adjoining meeting room which will accommodate not less than three
hundred fifty (350) persons, whether or not such room may be partitioned
into smaller rooms, as and provided that such meeting room
shall contain at least three thousand (3,000) square feet of floor
space. Such license must be placed in actual use in said convention
center within one (1) year from the date of its issuance. The fee for
any license issued to a qualifying convention center shall be as pre-
scribed in subsection (c) of section 23-904, Idaho Code. No license
issued to a convention center hereunder shall be transferable to
another location or facility, nor shall the holder of a convention
center license be eligible for the issuance of a license in the same
city pursuant to any other provision of this chapter. For purposes of
this section, the term holder shall include an owner, operator or les-

CHAPTER 174  
(S.B. No. 1018)  

AN ACT  
RELATING TO SENTENCING CRITERIA IN UNIFORM CONTROLLED SUBSTANCES ACT  
CASES; REPEALING SECTION 37-2738, IDAHO CODE; AMENDING CHAPTER 27,  
TITLE 37, IDAHO CODE, BY THE ADDITION OF A NEW SECTION 37-2738,  
IDAHO CODE, TO PROVIDE SENTENCING GUIDELINES FOR PERSONS WHO HAVE  
COMMITTED CERTAIN VIOLATIONS OF THE UNIFORM CONTROLLED SUBSTANCES  
ACT.  

Be It Enacted by the Legislature of the State of Idaho:  

SECTION 1. That Section 37-2738, Idaho Code, be, and the same is  
hereby repealed.  

SECTION 2. That Chapter 27, Title 37, Idaho Code, be, and the  
same is hereby amended by the addition thereto of a NEW SECTION, to be  
known and designated as Section 37-2738, Idaho Code, and to read as  
follows:  

37-2738. SENTENCING CRITERIA IN DRUG CASES. (l) Any person who  
pleads guilty to, is found guilty of or has a judgment of conviction  
entered upon a violation of the provisions of subsections (a), (b),  
(c) or (e), of section 37-2732, Idaho Code, shall be sentenced accord­  
ing to the criteria set forth herein.  

(2) Prior to sentencing for a violation enumerated in section (1)  
above, the defendant shall undergo, at his own expense (or at county  
expense through the procedures set forth in chapters 34 and 35, title  
31, Idaho Code), a substance abuse evaluation at a facility approved  
by the Idaho department of health and welfare. In the event the sub­  
stance abuse evaluation indicates the need for substance abuse treat­  
ment, the evaluation shall recommend an appropriate treatment program,  
together with the estimated costs thereof, and recommendations for  
other suitable alternative treatment programs, together with the esti­  
mated costs thereof. The person shall request that a copy of the com­  
pleted evaluation be forwarded to the court. The court shall take the  
evaluation into consideration to determine an appropriate sentence. If  
a copy of the completed evaluation has not been provided to the court,  
the court may proceed to sentence the defendant; however, in such  
event it shall be presumed that substance abuse treatment is needed  
unless it is shown by a preponderance of evidence that treatment is  
not required. If the defendant has not made a good faith effort to  
provide the completed copy of the evaluation to the court, the court  
may consider the failure of the defendant to provide or report an  
aggravating circumstance in determining an appropriate sentence. If  
treatment is ordered, the person or facility performing the evaluation  
shall not be the person or facility that provides the treatment,  
unless this requirement is waived by the sentencing court, and with  
the exception of federally recognized Indian tribes or federal mili­  
tary installations where diagnoses and treatment are appropriate and
available. Nothing herein contained shall preclude the use of funds authorized pursuant to the provisions of chapter 3, title 39, Idaho Code, for court ordered substance abuse treatment for indigent defendants.

(3) When sentencing an individual for the crimes enumerated in section (1) of this section, the court shall not enter a withheld judgment unless it finds by a preponderence of the evidence that:
(a) The defendant has no prior finding of guilt for any felony, any violation of chapter 80, title 18, Idaho Code, or subsections (a), (b), (c) or (e), of section 37-2732, Idaho Code, whatsoever; and
(b) The sentencing court has an abiding conviction that the defendant will successfully complete the terms of probation; and
(c) The defendant has satisfactorily cooperated with law enforcement authorities in the prosecution of drug related crimes of which the defendant has previously had involvement.

(4) Any person who pleads guilty to or is found guilty of a violation of the provisions of the Idaho Code identified in subsection (1) of this section shall, when granted a probationary period of any sort whatsoever, be required by the court to complete a period of not less than one hundred (100) hours of community service work.

Approved March 29, 1989.

CHAPTER 175
(S.B. No. 1019)

AN ACT
RELATING TO DRIVING UNDER THE INFLUENCE OF ALCOHOL, DRUGS OR ANY OTHER INTOXICATING SUBSTANCES; AMENDING SECTION 18-8005, IDAHO CODE, TO PROVIDE AN ADDITIONAL CITATION AND TO ALLOW A WAIVER BY THE SENTENCING COURT TO ALLOW THE PERSON OR FACILITY DOING THE ALCOHOL EVALUATION TO BE THE PERSON OR FACILITY PROVIDING ALCOHOL TREATMENT.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 18-8005, Idaho Code, be, and the same is hereby amended to read as follows:

18-8005. PENALTIES. (1) Any person who pleads guilty to or is found guilty of a violation of the provisions of section 18-8004, Idaho Code, for the first time is guilty of a misdemeanor; and
(a) May be sentenced to jail for not to exceed six (6) months;
(b) May be fined an amount not to exceed one thousand dollars ($1,000);
(c) Shall be advised by the court in writing at the time of sentencing of the penalties that will be imposed for second or subse-
quent violations of the provisions of section 18-8004, Idaho Code, which advice shall be signed by the defendant, and a copy retained by the court and another copy retained by the prosecuting attorney; and
(d) Shall have his driving privileges suspended by the court for not to exceed one hundred eighty (180) days; the defendant may request restricted driving privileges during the period of the suspension, which the court may allow, if the defendant shows by a preponderance of the evidence that driving privileges are necessary for his employment or for family health needs.
(2) Any person who pleads guilty to or is found guilty of a violation of the provisions of section 18-8004, Idaho Code, for the second time within five (5) years, notwithstanding the form of the judgment(s) or withheld judgment(s), is guilty of a misdemeanor; and
(a) Shall be sentenced to jail for a mandatory minimum period of not less than ten (10) days, and may be sentenced to not more than one (1) year;
(b) May be fined an amount not to exceed two thousand dollars ($2,000);
(c) Shall be advised by the court in writing at the time of sentencing, of the penalties that will be imposed for subsequent violations of the provisions of section 18-8004, Idaho Code, which advice shall be signed by the defendant, and a copy retained by the court and another copy retained by the prosecuting attorney;
(d) Shall surrender his license or permit to the court; and
(e) Shall have his driving privileges suspended by the court for an additional mandatory minimum period of six (6) months after release from confinement, and may have his driving privileges suspended by the court for an additional period of up to one (1) year after release from confinement. After thirty (30) days have passed following release from confinement, during which thirty (30) day period absolutely no driving privileges of any kind may be granted, the defendant may request restricted driving privileges during the balance of the suspension period, which the court may allow, if the defendant shows by a preponderance of the evidence that driving privileges are necessary for his family health needs or for his employment which requires that he operate a motor vehicle while on the job and in the course of his employment. That the defendant must commute between his residence and place of employment is not grounds for allowing the defendant to have restricted driving privileges.
(3) Any person who pleads guilty to or is found guilty of three (3) or more violations of the provisions of section 18-8004, Idaho Code, or of one (1) or more violations of section 18-8006, Idaho Code, within five (5) years, notwithstanding the form of the judgment(s) or withheld judgment(s), shall be guilty of a felony; and
(a) Shall be sentenced to the custody of the state board of correction for not to exceed five (5) years; provided that notwithstanding the provisions of section 19-2601, Idaho Code, should the court impose any sentence other than incarceration in the state penitentiary, the defendant shall be sentenced to the county jail for a mandatory minimum period of not less than thirty (30) days;
and further provided that notwithstanding the provisions of section 18-111, Idaho Code, a conviction under this section shall be deemed a felony;

(b) May be fined an amount not to exceed five thousand dollars ($5,000);

(c) Shall surrender his license or permit to the court; and

(d) Shall have his driving privileges suspended by the court for a mandatory minimum period of one (1) year after release from imprisonment, and may have his driving privileges suspended by the court for not to exceed five (5) years after release from imprisonment, during which time he shall have absolutely no driving privileges of any kind.

(4) For the purposes of paragraphs (2) and (3) of this section, convictions of violation of the provisions of section 18-8004, Idaho Code, shall be considered by the court to determine if a later conviction is a second or subsequent conviction only if such convictions were of violations committed on or after July 1, 1983.

(5) Any person who pleads guilty to or is found guilty of a violation of the provisions of section 18-8004 or 18-8006, Idaho Code, shall undergo, at his own expense, (or at county expense through the procedures set forth in chapters 34 and 35, title 31, Idaho Code,) and prior to the sentencing date, an alcohol evaluation by a licensed physician or an alcohol evaluation facility approved by the Idaho Department of Health and Welfare. In the event the alcohol evaluation indicates the need for alcohol treatment, the evaluation shall contain a recommendation by the evaluator as to the most appropriate treatment program, together with the estimated cost thereof, and recommendations for other suitable alternative treatment programs, together with the estimated costs thereof. The person shall request that a copy of the completed evaluation be forwarded to the court. The court shall take the evaluation into consideration in determining an appropriate sentence. If a copy of the completed evaluation has not been provided to the court, the court may proceed to sentence the defendant; however, in such event, it shall be presumed that alcohol treatment is required unless the defendant makes a showing by a preponderance of evidence that treatment is not required. If the defendant has not made a good faith effort to provide the completed copy of the evaluation to the court, the court may consider the failure of the defendant to provide the report as an aggravating circumstance in determining an appropriate sentence. If treatment is ordered, in no event shall the person or facility doing the evaluation be the person or facility that provides the treatment unless this requirement is waived by the sentencing court, with the exception of federally recognized Indian tribes or federal military installations, where diagnosis and treatment are appropriate and available. Nothing herein contained shall preclude the use of funds authorized pursuant to the provisions of chapter 3, title 39, Idaho Code, for court-ordered alcohol treatment for indigent defendants.

(6) At the time of sentencing, the court shall be provided with the following information:

(a) The results, if administered, of any evidentiary test for alcohol and/or drugs;
(b) A computer or teletype or other acceptable copy of the person's driving record;
(c) Information as to whether the defendant has pled guilty to or been found guilty of violation of the provisions of section 18-8004 or 18-8006, Idaho Code, or a similar offense within the past five (5) years, notwithstanding the form of the judgment(s) or withheld judgment(s); and
(d) The alcohol evaluation required in subsection (5) of this section, if any.
(7) A minor may be prosecuted for a violation of the provisions of section 18-8004, Idaho Code, under title 16, Idaho Code. In addition to any other penalty, if a minor pleads guilty to or is found guilty of a violation of the provisions of section 18-8004, Idaho Code, he shall have his driving privileges suspended or denied for an additional one (1) year following the end of any period of suspension or revocation existing at the time of the violation, or until he reaches the age of eighteen (18) years, whichever period is greater. During the period of additional suspension or denial, absolutely no driving privileges shall be allowed.
(8) In the event that the alcohol evaluation required in subsection (5) of this section recommends alcohol treatment, the court shall order the person to complete a treatment program in addition to any other sentence which may be imposed, unless the court determines that alcohol treatment would be inappropriate or undesirable, in which event, the court shall enter findings articulating the reasons for such determination on the record. The court shall order the defendant to complete the preferred treatment program set forth in the evaluation, or a comparable alternative, unless it appears that the defendant cannot reasonably obtain adequate financial resources for such treatment. In that event, the court may order the defendant to complete a less costly alternative set forth in the evaluation, or a comparable program. Such treatment shall, to the greatest extent possible, be at the expense of the defendant. In the event that funding is provided for or on behalf of the defendant by an entity of state government, restitution shall be ordered to such governmental entity in accordance with the restitution procedure for crime victims, as specified under chapter 53, title 19, Idaho Code. Nothing contained herein shall be construed as requiring a court to order that a governmental entity shall provide alcohol treatment at government expense unless otherwise required by law.

Approved March 29, 1989.

54-1740. SHORT TITLE. This act shall be known as the "Out-of-State Mail Service Pharmacy Licensing Act."

54-1741. LEGISLATIVE DECLARATION. The legislature recognizes that with the proliferation of alternate methods of health delivery, there has arisen among third-party payers and insurance companies the desire to control the cost and utilization of pharmacy services through a variety of mechanisms, including the use of mail service pharmacies located outside the state of Idaho.

As a result, the legislature finds and declares that to continue to protect the Idaho consumer-patient, all out-of-state pharmacies that provide service to Idaho residents shall be licensed with the board, disclose specific information about their services, and provide pharmacy services at a high level of protection and competence. This act shall be liberally construed to carry out these objects and purposes.

54-1742. DEFINITION -- OUT-OF-STATE MAIL SERVICE PHARMACY. For purposes of this act "out-of-state mail service pharmacy" means a pharmacy located outside the state that:

2. Provides information to a resident of this state on drugs or devices which may include, but is not limited to, advice relating to therapeutic values, potential hazards, and uses; or

3. Counsels pharmacy patients residing in this state concerning adverse and therapeutic effects of drugs.
54-1743. LICENSE REQUIREMENTS. Every out-of-state mail service pharmacy shall be licensed by the board. In order to be licensed by the board to do business in the state of Idaho and for annual renewal of the license, every out-of-state mail service pharmacy:

(4) Submit evidence satisfactory to the board that its physical facilities, records and operations are in accordance with the laws and regulations of the state in which the facilities are located;

(5) Submit certification satisfactory to the board that it will cooperate with all lawful requests and directions from the regulatory board or licensing authority of its state of domicile relating to the shipment, mailing or delivery of dispensed legend drugs to Idaho residents;

(6) Submit to the board, at the beginning of each calendar quarter, the following information acceptable to the board in form and substance, by the pharmacist-in-charge, concerning each prescription for a scheduled controlled substance shipped, mailed or delivered to an Idaho resident:

54-1745. INSPECTIONS. If the regulatory board or licensing authority of the state in which an out-of-state mail service pharmacy is domiciled or, if the matter is within the jurisdiction of the drug enforcement administration of the United States, fails or refuses to conduct an inspection of the out-of-state mail service pharmacy, after
a reasonable request by the board, that is substantially equivalent to
the inspection that the board would conduct in accordance with this
chapter, or fails to obtain records or reports required under this
chapter, the board, upon notice to the out-of-state board of pharmacy,
shall conduct such inspection. The out-of-state mail service pharmacy
shall submit to the inspection by making available all pertinent
records, reports, documents and other material or information neces-
sary to complete the inspection.

of-state mail service pharmacy dispensing a substituted drug product
into this state shall notify the patient of substitution either by
telephone or in writing.

week, provide a toll-free telephone service to facilitate communica-

who has access to the patient's records. This toll-free number shall
be disclosed on a label affixed to each container of drugs dispensed
to patients in this state.

54-1748. VIOLATIONS AND PENALTIES. (1) The board may impose on

(2) The board may impose any of the penalties provided in section
54-1728, Idaho Code, for conduct which causes serious bodily or seri-
ous psychological injury to a resident of this state if the board has
referred the matter to the regulatory or licensing agency in the state
in which the out-of-state mail service pharmacy is located and the
regulatory or licensing agency fails to initiate an investigation
within forty-five (45) days of the referral. The board shall obtain
and maintain a record of referrals pursuant to this subsection and any
action taken thereon.
(3) It is unlawful for any out-of-state mail service pharmacy
which is not licensed pursuant to this act to advertise its services
in this state, or for any person who is a resident of this state to
advertise the pharmacy services of an out-of-state mail service phar-
macy which has not licensed with the board, with the knowledge that
the advertisement will or is likely to induce members of the public in
this state to use the pharmacy to fill prescriptions.
(4) Any person or out-of-state mail service pharmacy violating
the provisions of this act, upon conviction, shall be guilty of a mis-
demeanor, subject to imprisonment in the county jail for a period not

CHAPTER 180
(S.B. No. 1070)

AN ACT
RELATING TO INCOME TAX WITHHOLDING INFORMATION RETURNS FILED BY EMPLOYERS; AMENDING SECTION 63-3035, IDAHO CODE, TO CONFORM THE FILING DATE FOR CERTAIN INFORMATION RETURNS TO THE FEDERAL FILING DATE AND TO ADOPT BY REFERENCE REQUIREMENTS FOR CERTAIN EMPLOYERS TO USE MAGNETIC MEDIA OR OTHER MACHINE READABLE FORM.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 63-3035, Idaho Code, be, and the same is hereby amended to read as follows:

63-3035. STATE WITHHOLDING TAX ON PERCENTAGE BASIS -- WITHHOLDING, COLLECTION AND PAYMENT OF TAX. (a) Every employer who is required under the provisions of the Internal Revenue Code to withhold, collect and pay income tax on wages or salaries paid by such employer to any employee shall, at the time of such payment of wages, salary, bonus or other emolument to such employee, deduct and retain therefrom an amount substantially equivalent to the tax reasonably calculated by the state tax commission to be due from the employee under this act. The state tax commission shall prepare tables showing amounts to be withheld, and shall supply same to each employer subject to this section. In the event that an employer can demonstrate administrative inconvenience in complying with the exact requirements set forth in these tables, he may, with the consent of the state tax commission and upon application to it, use a different method which will produce substantially the same amount of taxes withheld. Every employer making payments of wages or salaries earned in Idaho, regardless of the place where such payment is made:

(1) shall be liable to the state of Idaho for the payment of the tax required to be deducted and withheld under this section and shall not be liable to any individual for the amount deducted from his wages and paid over in compliance or intended compliance with this section;

(2) must make return of and pay to the state tax commission monthly on or before the 20th day of the succeeding month, or at such other times as the state tax commission may allow, an amount of tax which, under the provisions of this act, he is required to deduct and withhold; and

(3) must, notwithstanding the provisions of paragraphs (1) and (2), if the amount of withholding of such employer for the preceding twelve (12) month period equals or exceeds thirty-six thousand dollars ($36,000) per annum or an average of three thousand dollars ($3,000) per month per annum, make return of and pay to the state tax commission monthly on the following basis:

(A) For the withholding period May 1, 1983, through May 15, 1983, inclusive, payment and return must be made on or before May 20, 1983.
(B) Withholding periods for employers defined in this subsection 63-3035(a)(3), Idaho Code, shall, on and after May 16, 1983, begin on the 16th day of the month and end on the 15th day of the following month, and return and payment shall be made not later than five (5) days after the end of the withholding period.

(b) (1) Every employer shall, at the time of each payment made by him to the state tax commission, deliver to the state tax commission a return upon such form as shall be prescribed by said state tax commission showing the total amount of wages, salary, bonus or other emoluments paid to his employees, the amount deducted therefrom in accordance with the provisions of the Internal Revenue Code, the amount deducted therefrom in accordance with the provisions of this section, and such pertinent and necessary information as the state tax commission may require.

(2) Every employer making a declaration of withholding as provided herein shall furnish to the employees annually, but not later than thirty (30) days after the end of the calendar year, a record of the amount of tax withheld from such employee on forms to be prescribed, prepared and furnished by the state tax commission and at-the-same-time on or before the last day of February every employer shall file a copy thereof with the state tax commission. Every employer who is required, under Internal Revenue Code section 6011, to file returns on magnetic media or in other machine readable form may be required by regulations of the state tax commission to file corresponding state returns on similar magnetic media or other machine readable form.

(c) All moneys deducted and withheld by every employer shall immediately upon such deduction be state money and every employer who deducts and retains any amount of money under the provisions of this act shall hold the same in trust for the state of Idaho and for the payment thereof to the state tax commission in the manner and at the times in this act provided. Any employer who does not possess real property situated within the state of Idaho, which, in the opinion of the state tax commission, is of sufficient value to cover his probable tax liability, may be required to post a surety bond in such sum as the state tax commission shall deem adequate to protect the state.

(d) The provisions of this act relating to additions to tax in case of delinquency, and penalties, shall apply to employers subject to the provisions of this section and for these purposes any amount deducted, or required to be deducted and remitted to the state tax commission under this section, shall be considered to be the tax of the employer and with respect to such amount he shall be considered the taxpayer.

(e) Amounts deducted from wages of an employee during any calendar year in accordance with the provisions of this section shall be considered to be in part payment of the tax imposed on such employee for his tax year which begins within such calendar year and the return made by the employer under this subsection (e) shall be accepted by the state tax commission as evidence in favor of the employee of the amount so deducted from his wages. Where the total amount so deducted exceeds the amount of tax on the employee, based on his taxable income
as computed under the provisions of this act, as the same has been or may hereafter be amended, or where his income is not taxable under this act, the state tax commission shall, after examining the annual return filed by the employee in accordance with this act, but not later than sixty (60) days after the filing of each return, refund the amount of the excess deducted. No credit or refund shall be made to an employee who fails to file his return, as required under this act, within three (3) years from the due date of the return in respect of which the tax withheld might have been credited. In the event that the excess tax deducted is less than one dollar ($1.00), no refund shall be made unless specifically requested by the taxpayer at the time such return is filed.

(f) This section shall in no way relieve any taxpayer from his obligation of filing a return at the time required under this act, and, should the amount withheld under the provisions of this section be insufficient to pay the total tax of such taxpayer, such unpaid tax shall be paid at the time prescribed by section 63-3034, Idaho Code.

(g) An employee receiving wages shall on any day be entitled to the same number of withholding exemptions to which he is entitled under the Internal Revenue Code for federal income tax withholding purposes.

(h) An employer shall use the exemption certificate filed by the employee with the employer under the withholding exemption provisions of the Internal Revenue Code in determining the amount of tax to be withheld from the employee's wages or salary under this act. The tax commission may redetermine the number of withholding exemptions to which an employee is entitled under subsection (g), and the state tax commission may require such exemption certificate to be filed on a form prescribed by the commission in any circumstance where the commission finds that the exemption certificate filed for Internal Revenue Code purposes does not properly reflect the number of withholding exemptions to which the employee is entitled under this act. In no event shall any employee give an exemption certificate which claims a higher number of withholding exemptions than the number to which the employee is entitled by subsection (g) of this section.

Approved March 29, 1989.
Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 63-3022, Idaho Code, be, and the same is hereby amended to read as follows:

63-3022. TAXABLE INCOME. The term "taxable income" means "taxable income" as defined in section 63 of the Internal Revenue Code, adjusted as follows:

(a) Add interest and dividends received or accrued during the taxable year from foreign securities and from securities issued by states and other political subdivisions, other than those issued by the state of Idaho, its cities and political subdivisions, exempt from federal income tax under the Internal Revenue Code, less applicable amortization.

(1) In the case of a corporation whose income is taxable under this chapter, no deduction shall be allowed for interest on indebtedness incurred or continued to purchase after January 1, 1983, or to carry obligations acquired after January 1, 1983, the interest of which is wholly exempt from the taxes imposed under this chapter. The amount of interest on indebtedness thus incurred or continued shall be an amount which bears the same ratio to the aggregate amount allowable (determined without regard to this section) to the taxpayer as a deduction for interest for the taxable year as the taxpayer's average adjusted basis of the obligations mentioned in the preceding sentence bears to such average adjusted basis for all assets of the taxpayer, or, at the option of the taxpayer, an amount which bears the same ratio to the aggregate amount allowable (determined without regard to this section) to the taxpayer as a deduction for interest for the taxable year as the taxpayer's interest income from the obligations mentioned in the preceding sentence bears to the taxpayer's total income for the taxable year.

(2) In the case of a corporation whose income is computed pursuant to section 63-3027, Idaho Code, the interest expense deductible shall be an amount equal to interest and dividend income subject to apportionment, plus the amount, if any, by which the balance of interest expense exceeds interest and dividend income not subject to apportionment. Interest expense not included in the preceding sentence shall be directly offset against interest and dividend income not subject to apportionment. This provision shall not apply to dividend income excluded pursuant to section 63-3027C(c) and (e), Idaho Code.

(b) Add any state taxes, measured by net income, paid or accrued during the taxable year adjusted for state tax refunds used in arriving at taxable income as defined in section 63 of the Internal Revenue Code.

(c) Add the net operating loss deduction used in arriving at tax-
able income as defined in section 63 of the Internal Revenue Code.

(d) (1) A net operating loss for any taxable year commencing on or after January 1, 1983, shall be a net operating loss carryover to each of the ten (10) taxable years following the taxable year of such loss; provided, however, such net operating loss shall be subtracted in each succeeding year in order but the total subtracted in the succeeding taxable years shall not exceed the total of such net operating loss; provided, further, that a net operating loss not to exceed one hundred thousand dollars ($100,000) arising in a taxable year commencing on or after January 1, 1983, may, at the election of the taxpayer, be carried back to the three immediately preceding taxable years, and if such loss is not entirely absorbed by the income of those years, the amount of loss not exhausted may be subtracted from taxable income arising in the next ten (10) years succeeding the taxable year in which the loss arises in order until exhausted. An election under this subsection must be in the manner prescribed in the regulations of the state tax commission and once made is irrevocable for the year in which it is made. In the event that the taxpayer elects to carryback any loss arising in a year commencing on or after January 1, 1983, any loss not exhausted may be subtracted from taxable income arising in the next succeeding ten (10) taxable years in order until exhausted.

(2) Net operating losses incurred by a corporation during a year in which such corporation had no Idaho business situs may not be subtracted. Net operating losses incurred by a person, other than a corporation, in business activities not taxable by Idaho may not be subtracted.

(e) In the case of a corporation, add the provisions of section 243(a) of the Internal Revenue Code (relating to dividends received by corporations) as limited by section 246(b)(1) of said code.

(f) In the case of a corporation, subtract an amount equal to eighty per cent (80%) of the amount received during the taxable year as dividends, as limited by the rules of section 246(b)(1) of the Internal Revenue Code, from any corporation which has shown to the satisfaction of the state tax commission that more than fifty per cent (50%) of its taxable income for the taxable year immediately preceding the declaration of such dividends was taxable by the state of Idaho under the provisions of this act.

(g) Subtract the amount of any income received or accrued during the taxable year which is exempt from taxation by this state, under the provisions of any other law of this state or a law of the United States, if not previously subtracted in arriving at taxable income, as defined by section 63 of the Internal Revenue Code.

(h) In the case of a corporation with more than fifty per cent (50%) of its income taxable within this state, the salary, fee or other compensation of its nonresident officers or directors shall be treated as income from sources within the state. Whether or not any personal services have been performed by such nonresident officers or directors in this state, they shall be deemed to have a business situs in this state. If such salary, fee or other compensation is not
reported to this state as income, such corporation shall not deduct as part of its expenses for the taxable year any part of such salary, fee or other compensation in computing taxable income. When the salary, fee or other compensation paid to such nonresident officer is reported to this state as income by such nonresident officer, it shall be apportioned by applying to the total of such income the apportionment factor of the corporation paying the salary, fee or other compensation, as such factor is reported on the corporation's income tax return computed pursuant to section 63-3027, Idaho Code, or as subsequently modified. Provided, however, reasonable compensation paid to such nonresident officers or directors for personal services actually performed outside the state of Idaho shall not be included as income earned from Idaho sources.

(i) For the purpose of determining the taxable income of the beneficiary of a trust or of an estate, distributable net income as defined for federal tax purposes shall be corrected for the other adjustments required by this section. In the event that a nonresident beneficiary of a trust or estate fails to file an Idaho income tax return reporting all or any part of distributable net income taxable in Idaho or fails to pay any tax due thereon, the trust or estate making the payment or distribution shall be taxable upon the amount of such distribution or payment at the rates established by section 63-3024, Idaho Code.

(j) In the case of an individual who is on active duty as a full time officer, enlistee or draftee, with the armed forces of the United States, which full time duty is or will be continuous and uninterrupted for one hundred twenty (120) consecutive days or more, deduct compensation paid for services performed outside this state by the armed forces of the United States; provided that appropriate adjustments shall be made in his standard deduction amount and exemptions as described in section 63-3027A, Idaho Code.

(k) In the case of a corporation, add any capital loss deducted which loss was incurred during any year in which such corporation had no Idaho business situs. In the case of persons, other than corporations, add any capital loss deducted which was incurred in business activities not taxable by Idaho at the time such loss was incurred. In the case of a corporation having income from Idaho sources and having elected to file federal income tax returns thereon pursuant to Subchapter-S of the Internal Revenue Code, or a partnership having income from Idaho sources, salaries, wages, fees, and other compensation paid to nonresident shareholders or partners, and the items of income, loss, deduction, and credit allocated to each nonresident shareholder or partner shall be treated as having sources within the state. Whether or not any personal services have been performed in this state by such nonresident shareholders or partners, they shall be deemed to have a business situs in this state. When the salaries, wages, fees, and other compensations paid to such nonresident shareholders or partners or items of income, loss, deduction, and credit, or allocated to such shareholders or partners is reported to this state as taxable income pursuant to this subsection, such income shall be apportioned by applying to the total of such income the apportionment factor of the corporation or partnership. The apportionment fac-
ctor of the corporation or partnership shall be computed pursuant to the provisions of section 63-3027, Idaho Code. If such items of income, loss, deduction, or credit, salaries, wages, fees or other compensation are not reported to this state by the nonresident shareholders or partners, such corporation or partnership shall report the same to this state and be taxable thereon at the corporate rate. Provided, however, reasonable compensation paid to such nonresident shareholders or partners for personal services actually performed outside the state of Idaho shall not be included as income earned from Idaho sources. In computing the income taxable to the corporation or partnership under this subsection, deduction shall not be allowed for a carryover or carryback of a net operating loss provided for in subsection (d) of this section or a capital loss provided for in section 1212 of the Internal Revenue Code.

(1) In the case of natural persons, there shall be allowed as deductions from gross income either (1) or (2) at the option of the taxpayer:

(1) a. The standard deduction as defined by section 63, Internal Revenue Code, plus contributions made to the state of Idaho for credit to the medical assistance account, if such contributions were not previously subtracted in arriving at taxable income, plus
b. Itemized expenditures of not to exceed one thousand dollars ($1,000) per cared for member incurred in providing personal care services to or for an immediate member of the taxpayer's family; such services may be provided either in the taxpayer's home or the family member's home; personal care services shall be as defined in chapter A47, title 39, Idaho Code, but the cared for member need not be medicaid eligible for the purposes of this section only, if he substantially meets all of the other requirements of chapter A47, title 39, Idaho Code; in order for the deduction under this paragraph to be allowed, the expenditures claimed must not have been reimbursed by medicare, medicaid or private insurance, and such expenditures must not have been previously subtracted in arriving at taxable income.

b. Contributions made to the state of Idaho for credit to the medical assistance account, if such contributions were not previously subtracted in arriving at taxable income, plus
c. A47, title 39, Idaho Code; in order for the deduction under this paragraph c. to be allowed, the expenditures claimed must not have been reimbursed by medicare, medicaid or private insurance, and such expenditures must not have been previously subtracted in arriving at taxable income.

(m) Deduct any amounts added to gross income under section 87 of the Internal Revenue Code for tax credits allowable to the taxpayer under section 40 of the Internal Revenue Code.

(n) Add the ordinary income portion of any lump sum distribution deducted from gross income pursuant to section 402(e)(3) of the Internal Revenue Code.

(o) Deduct any amounts included in gross income under the provisions of section 86 of the Internal Revenue Code relating to certain social security and railroad benefits.

(1) Whether or not the adjustments are related to the production of income reported in Idaho; or

59-1319A. POST RETIREMENT ALLOWANCE ADJUSTMENTS. (1) Each retirement allowance payment shall, subject to the provisions of this section, equal the inflation factor for the adjustment year of payment multiplied by the amount of the retirement allowance payment for March of the previous year. During any adjustment year for which the ratio of the consumer price index for October the index month of the previous year to the consumer price index for October the index month of the second previous year is not more than one hundred one per cent (101%), the inflation factor shall be such ratio or ninety-four per cent (94%), whichever is greater, which inflation factor shall not be subject to legislative approval. Otherwise the inflation factor during such adjustment year shall be one hundred one per cent (101%), except that the board, with legislative approval, may put into effect a greater factor which is no more than such ratio or one hundred six per cent (106%), whichever is smaller, if it finds the value of the actuarial assets of the system to be no less than its actuarial liabilities, including those created by the increased factor, and consistent with the requirements of section 59-1330, Idaho Code. The board's proposed inflation factor for any adjustment year shall be communicated by letter to the legislature by not later than January 15 prior to that year.

(2) During an adjustment year following one in which there was at least one (1) retirement allowance payment but none in March, each retirement allowance payment shall equal the partial factor multiplied by the amount of the monthly retirement allowance payment in the earlier year. The partial factor shall equal 1.000 plus one-twelfth (1/12) of the product of the number of months in the earlier adjust-
ment year in which member contributions were not made and the excess, if any, of the inflation factor for the later year over 1.000.

(3) During an adjustment year following one in which there was no retirement allowance payment, each retirement allowance payment shall equal the initial retirement allowance multiplied by the bridging factor between the first day of the month following the member's final contribution and the date of the first retirement allowance payment.

(a) Except as provided in paragraph (b) of this subsection, the bridging factor between any two (2) dates shall be the ratio of the amounts of retirement allowance payable on the two (2) dates for any member who retired on the earlier date immediately following his final contribution.

(b) For any member not making a final contribution subsequent to 1974 whose initial retirement allowance is a minimum allowance provided in section 59-1319(1)(b) or 59-1319(2)(b), Idaho Code, the bridging factor shall be computed as if the member had made his final contribution in 1974.

(4) The consumer price index shall be that for all urban consumers published by the bureau of labor statistics, United States department of labor.

(5) The adjustments provided under this section shall in no event reduce a benefit payment below its initial amount.

(6) An adjustment year shall extend from March through the following February. Payments during January and February, 1987, shall be adjusted by the inflation factor for 1986; for the adjustment year commencing March, 1987, the board shall adopt a partial factor determined in a manner consistent with subsection (2) above. The index month is October for adjustment years commencing before March, 1990, and is August for subsequent adjustment years.

(7) If, by the forty-fifth day of any regular legislative session, the legislature has not adopted a concurrent resolution rejecting or amending the proposed adjustments of the board allowed in subsection (1) above, such action on the part of the legislature shall constitute legislative approval of the board's adjustments.

In order to achieve this goal, the state retiree medical insurance plan (plan) is hereby established.

(2) Every active member of the Idaho public employees retirement system, as defined in chapter 13, title 59, Idaho Code, who is an employee of the state of Idaho or any other public employee retirement system employer, as defined in chapter 13, title 59, Idaho Code, or any other employee of the state or a political subdivision thereof who is establishing the right to receive benefits in any other retirement system established for Idaho public employees if the employer's participation in the program is mandated by applicable Idaho statutes other than chapter 13, title 59, Idaho Code, may become a plan participant (participant) only if the employer maintains a group medical insurance plan for retirees. If no designation is made, it will be paid in accordance with the laws of descent and distribution of the
state of Idaho.

(6) If a participant terminates his employment with the state or other public employee retirement system employer before reaching retirement or withdraws from the plan, the funds in the account shall be paid to the participant within thirty-(30)-days after receipt by the board of the participant's written request for payment or notice of withdrawal from the plan.

(b) that he will remain so disabled permanently and continuously during the remainder of his life.

Refusal to submit to a medical examination ordered by the board before the commencement of a disability retirement allowance or at any reasonable time thereafter shall constitute proof that the member is not disabled. The board shall be empowered to select for such medical examination one (1) or more physicians or surgeons who are licensed to practice medicine and perform surgery. (f) The ratios computed for each tax contribution schedule as provided in subsection (d) of this section shall be placed with their appropriate tax schedule at the top of the columns as provided in subsection (g) of this section, and shall represent the minimum fund level required for the specific tax schedule to be in effect.

Reports of evaluation made pursuant to this section shall be filed with the court which vested custody of the person with the department. Failure of the department to evaluate a person or to reevaluate him within six (6) months of a previous examination shall not of itself entitle the person to a change in disposition but shall entitle him, his parent, guardian or custodian or his counsel to petition the court pursuant to section 16-1611, Idaho Code.

(h) The department having been granted legal custody of a child shall have the right to determine where and with whom the child shall live, provided that the child shall not be placed outside the state without the court's consent, and providing further, that the department shall not place the child in the home from which the court ordered the child removed without first obtaining the approval of the court.

CHAPTER 226
(H.B. No. 327)

AN ACT
RELATING TO THE RIGHT TO CONDUCT FOREST PRACTICES; AMENDING TITLE 38, IDAHO CODE, BY THE ADDITION OF A NEW CHAPTER 14, TITLE 38, IDAHO CODE, TO PROVIDE LEGISLATIVE FINDINGS AND INTENT, TO DEFINE TERMS, TO PROVIDE THAT FOREST PRACTICES SHALL NOT BE A NUISANCE WITH EXCEPTIONS, TO PROVIDE THE EFFECT OF ORDINANCES OF LOCAL GOVERNMENTS, AND TO PROVIDE THE EFFECT OF PRIOR ACTIONS.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Title 38, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW CHAPTER, to be known and designated as Chapter 14, Title 38, Idaho Code, and to read as follows:

CHAPTER 14
RIGHT TO CONDUCT FOREST PRACTICES

38-1401. LEGISLATIVE FINDINGS AND INTENT. The legislature finds that forest practices conducted on forest land in urbanizing areas are
often subjected to nuisance lawsuits, and that such suits encourage
and even force the premature removal of the lands from forest uses and
in some cases prohibit investments in forest improvements. It is the
intent of the legislature to reduce the loss to the state of its for­
est resources by limiting the circumstances under which forest prac­
tices may be deemed to be a nuisance. The legislature also finds that
the right to conduct forest practices is a natural right and is recog­
nized as a permitted use in the state of Idaho.

38-1402. DEFINITIONS. As used in this chapter:
(1) "Forest land" means state and private land growing forest
tree species which are, or could be at maturity, capable of furnishing
raw material used in the manufacture of lumber or other forest pro­
ducts. The term includes state and private land from which forest tree
species have been removed but have not yet been restocked, but it does
not include land affirmatively converted to uses other than the grow­
ing of forest tree species.
(2) "Forest practice" means:
(a) The harvesting of forest tree species;
(b) Road construction associated with harvesting of forest tree
species;
(c) Reforestation;
(d) Use of chemicals or fertilizers for the purpose of growing or
managing forest tree species; or
(e) The management of slashings resulting from harvest, manage­
ment or improvement of forest tree species.
(3) "Improper or negligent operation" means that the forest prac­
tice is not undertaken in conformity with federal, state and local
laws and regulations, and adversely affects the public health and
safety.

38-1403. FOREST PRACTICES NOT A NUISANCE -- EXCEPTION. No forest
practices conducted on forest land or an appurtenance to it shall be
or become a nuisance, private or public, by any changed conditions in
or about the surrounding nonforest activities after the same has been
in operation for more than one (1) year when the forest practice was
not a nuisance at the time the forest practice began; provided, that
the provisions of this section shall not apply whenever a nuisance
results from the improper or negligent operation of any forest prac­
tice conducted on any forest land or appurtenance to it.

38-1404. LOCAL ORDINANCES -- PRIOR ACTIONS. Any and all ordi­
nances of any unit of local government now in effect or hereafter
adopted that would make the operation of any forest practice conducted
on forest land or an appurtenance to it a nuisance in the circum­
stances set forth in this chapter are and shall be null and void; pro­
vided, however, that the provisions of this section shall not apply
whenever a nuisance results from the improper or negligent operation
of any forest practice on forest land or an appurtenance to it. Pro­
vided further, that the provisions of this section shall not apply
whenever a nuisance results from a forest practice on forest land
located within the corporate limits of any city on July 1, 1989, nor
shall the provisions of this chapter affect actions commenced prior to July 1, 1989.

Approved March 29, 1989.

21-112. RECKLESS OPERATION OF AIRCRAFT. It shall be unlawful for any person to operate an aircraft in the air, or on the ground or water, while under the influence of intoxicating liquor, narcotics, or other habit-forming drug, or to operate an aircraft in the air or on the ground or water, in a careless or reckless manner so as to endanger the life or property of another.

In any proceeding charging careless or reckless operation of aircraft in violation of this section, the court or jury, in determining whether the operation was careless or reckless, may consider the standards for safe operation of aircraft prescribed by federal statutes, federal regulations governing aeronautics and the rules, regulations and standards promulgated by the department.

(2) Any person having an alcohol concentration of less than 0.04 as defined in subsection (5) of this section, as shown by analysis of his blood, urine, breath, or other bodily substance, by a test requested by an authorized law enforcement officer shall not be prosecuted for operating an aircraft while under the influence of alcohol, except as provided in subsection (3) of this section. Any person who does not take a test to determine alcohol concentration or whose test result is determined by the court to be unreliable or inadmissible against him, may be prosecuted for piloting or being in actual physical control of an aircraft while under the influence of alcohol, drugs, or any other intoxication substances, on other competent evidence.

(3) If the results of the test requested by an authorized law enforcement officer show a person's alcohol concentration of less than 0.04, as defined in subsection (5) of this section, such fact may be considered with other competent evidence of drug use other than alcohol in determining the guilt or innocence of the defendant.

(4) Persons authorized to withdraw blood for the purposes of determining content of alcohol or other intoxicating substances are those persons authorized in section 18-8003, Idaho Code.

(5) For purposes of this chapter, an evidentiary test for alcohol concentration is a determination of the per cent by weight of alcohol in blood and shall be based upon a formula of grams of alcohol per one hundred (100) cubic centimeters of blood, per two hundred ten (210) liters of breath or sixty-seven (67) milliliters of urine. Analysis of blood, urine or breath for the purpose of determining the blood alcohol concentration shall be performed by a laboratory operated by the Idaho department of law enforcement or by a laboratory approved by the Idaho department of law enforcement under the provisions of approval and certification standards to be set by that department, or by any other method approved by the Idaho department of law enforcement. Notwithstanding any other provision of law or rule of court, the results of any test for alcohol concentration and records relating to calibration, approval, certification or quality control performed by a laboratory operated or approved by the Idaho department of law enforcement or by any other method approved by the Idaho department of law enforcement shall be admissible in any proceeding in this state without the necessity of producing a witness to establish the reliability of the testing procedure for examination.

(6) It is unlawful for any person who is an habitual user of, or under the influence of any narcotic drug, or who is under the influence of any other drug or any combination of alcohol and any drug to a degree which renders him incapable of safely piloting an aircraft, to pilot or be in actual physical control of an aircraft on an airport, body of water, or in the airspace above the state of Idaho. The fact that any person charged with a violation of the provisions of this subsection is or has been entitled to use such drug under the laws of this state shall not constitute a defense against any charge of a violation of the provision on this subsection.

(7) Notwithstanding any other provision of law, any evidence of conviction under this section shall be admissible in any civil action
for damages resulting from the occurrence. A conviction for the purposes of this section means that the person has pled guilty or has been found guilty, not withstanding the form of the judgment or withheld judgment.

SECTION 3. That Chapter 1, Title 21, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW SECTION, to be known and designated as Section 21-112B, Idaho Code, and to read as follows:

(2) Such person shall not have the right to consult with an attorney before submitting to an evidentiary test for concentration of alcohol, drugs or other intoxicating substances.

(3) At the time an evidentiary test for concentration of alcohol, drugs or other intoxicating substances is requested, the person shall be informed that if he refuses to take the test:
   (a) That an affidavit of such fact will be filed with the administrator of the federal aviation agency;
   (b) That such refusal could result in the suspension or revocation of the person's certificate or rating, or denial of application for a certificate or rating, under federal aviation regulations; and
   (c) That after submitting to the test he may, when practicable, at his own expense, have additional tests made by a person of his own choosing.

68-1302. CUSTODIAL TRUST -- GENERAL. (1) A person may create a custodial trust of property by a written transfer of the property to another person, evidenced by registration or by other instrument of transfer, executed in any lawful manner, naming as beneficiary, an individual who may be the transferor, in which the transferee is designated, in substance, as custodial trustee under the Idaho uniform custodial trust act.

(2) A person may create a custodial trust of property by a written declaration, evidenced by registration of the property or by other instrument of declaration executed in any lawful manner, describing the property and naming as beneficiary an individual other than the declarant, in which the declarant as titleholder is designated, in substance, as custodial trustee under the Idaho uniform custodial trust act. A registration or other declaration of trust for the sole benefit of the declarant is not a custodial trust under this chapter.

(3) Title to custodial trust property is in the custodial trustee and the beneficial interest is in the beneficiary.

(4) Except as provided in subsection (5) of this section, a transferor may not terminate a custodial trust.

(5) The beneficiary, if not incapacitated, or the conservator of an incapacitated beneficiary may terminate a custodial trust by delivering to the custodial trustee a writing signed by the beneficiary or conservator declaring the termination. If not previously terminated, the custodial trust terminates on the death of the beneficiary.

(6) Any person may augment existing custodial trust property by the addition of other property pursuant to this chapter.

(7) The transferor may designate, or authorize the designation of, a successor custodial trustee in the trust instrument.

(8) This chapter does not displace or restrict other means of creating trusts. A trust whose terms do not conform to this chapter may be enforceable according to its terms under other law.

68-1303. CUSTODIAL TRUSTEE FOR FUTURE PAYMENT OR TRANSFER. (1) A person having the right to designate the recipient of property payable or transferable upon a future event may create a custodial trust upon the occurrence of the future event by designating in writing the recipient, followed in substance by: "as custodial trustee for (name of beneficiary) under the Idaho uniform custodial trust act."

(2) Persons may be designated as substitute or successor custo-
dial trustees to whom the property must be paid or transferred in the order named if the first designated custodial trustee is unable or unwilling to serve.

(3) A designation under this section may be made in a will, a trust, a deed, a multiple-party account, an insurance policy, an instrument exercising a power of appointment, or a writing designating a beneficiary of contractual rights. Otherwise, to be effective, the designation must be registered with or delivered to the fiduciary, payor, issuer, or obligor of the future right.

68-1304. FORM AND EFFECT OF RECEIPT AND ACCEPTANCE BY CUSTODIAL TRUSTEE -- JURISDICTION. (1) Obligations of a custodial trustee, including the obligation to follow directions of the beneficiary, arise under this chapter upon the custodial trustee's acceptance, express or implied, of the custodial trust property.

(2) The custodial trustee's acceptance may be evidenced by a writing stating in substance: CUSTODIAL TRUSTEE'S RECEIPT AND ACCEPTANCE

I, (name of custodial trustee) acknowledge receipt of the custodial trust property described below or in the attached instrument and accept the custodial trust as custodial trustee for (name of beneficiary) under the Idaho Uniform Custodial Trust Act. I undertake to administer and distribute the custodial trust property pursuant to the Idaho Uniform Custodial Trust Act. My obligations as custodial trustee are subject to the directions of the beneficiary unless the beneficiary is designated as, is, or becomes incapacitated. The custodial trust property consists of ______________________.

Dated:

(Signature of Custodial Trustee)

(3) Upon accepting custodial trust property, a person designated as custodial trustee under this chapter is subject to personal jurisdiction of the court with respect to any matter relating to the custodial trust.

68-1305. TRANSFER TO CUSTODIAL TRUSTEE BY FIDUCIARY OR OBLIGOR -- FACILITY OF PAYMENT. (1) Unless otherwise directed by an instrument designating a custodial trustee pursuant to section 68-1303, Idaho Code, a person including a fiduciary other than a custodial trustee, who holds property of or owes a debt to an incapacitated individual not having a conservator may make a transfer to an adult member of the beneficiary's family or to a trust company as custodial trustee for the use and benefit of the incapacitated individual. If the value of the property or the debt exceeds twenty thousand dollars ($20,000), the transfer is not effective unless authorized by the court.

(2) A written acknowledgment of delivery, signed by a custodial trustee, is a sufficient receipt and discharge for property transferred to the custodial trustee pursuant to this section.

68-1306. MULTIPLE BENEFICIARIES -- SEPARATE CUSTODIAL TRUSTS -- SURVIVORSHIP. (1) Beneficial interests in a custodial trust created for multiple beneficiaries are deemed to be separate custodial trusts
of equal undivided interests for each beneficiary. Except in a transfer or declaration for use and benefit of husband and wife, for whom survivorship is presumed, a right of survivorship does not exist unless the instrument creating the custodial trust specifically provides for survivorship or survivorship is required as to community or marital property.

(2) Custodial trust property held under this chapter by the same custodial trustee for the use and benefit of the same beneficiary may be administered as a single custodial trust.

(3) A custodial trustee of custodial trust property held for more than one beneficiary shall separately account to each beneficiary pursuant to sections 68-1307 and 68-1315, Idaho Code, for the administration of the custodial trust.

68-1307. GENERAL DUTIES OF CUSTODIAL TRUSTEE. (1) If appropriate, a custodial trustee shall register or record the instrument vesting title to custodial trust property.

(2) If the beneficiary is not incapacitated, a custodial trustee shall follow the directions of the beneficiary in the management, control, investment, or retention of the custodial trust property. In the absence of effective contrary direction by the beneficiary while not incapacitated, the custodial trustee shall observe the standard of care that would be observed by a prudent person dealing with property of another and is not limited by any other law restricting investments by fiduciaries. However, a custodial trustee, in the custodial trustee's discretion, may retain any custodial trust property received from the transferor. If a custodial trustee has a special skill or expertise or is named custodial trustee on the basis of representation of a special skill or expertise, the custodial trustee shall use that skill or expertise.

(3) Subject to subsection (2) of this section, a custodial trustee shall take control of and collect, hold, manage, invest, and reinvest custodial trust property.

(4) A custodial trustee at all times shall keep custodial trust property of which the custodial trustee has control, separate from all other property in a manner sufficient to identify it clearly as custodial trust property of the beneficiary. Custodial trust property, the title to which is subject to recordation, is so identified if an appropriate instrument so identifying the property is recorded, and custodial trust property subject to registration is so identified if it is registered, or held in an account in the name of the custodial trustee, designated in substance: "as custodial trustee for (name of beneficiary) under the Idaho uniform custodial trust act."

(5) A custodial trustee shall keep records of all transactions with respect to custodial trust property, including information necessary for the preparation of tax returns, and shall make the records and information available at reasonable times to the beneficiary or legal representative of the beneficiary.

(6) The exercise of a durable power of attorney for an incapacitated beneficiary is not effective to terminate or direct the administration or distribution of a custodial trust.
68-1308. GENERAL POWERS OF CUSTODIAL TRUSTEE. (1) A custodial trustee, acting in a fiduciary capacity, has all the rights and powers over custodial trust property which an unmarried adult owner has over individually owned property, but a custodial trustee may exercise those rights and powers in a fiduciary capacity only.

(2) The provisions of this section do not relieve a custodial trustee from liability for a violation of section 68-1307, Idaho Code.

68-1309. USE OF CUSTODIAL TRUST PROPERTY. (1) A custodial trustee shall pay to the beneficiary or expend for the beneficiary's use and benefit so much or all of the custodial trust property as the beneficiary while not incapacitated may direct from time to time.

(2) If the beneficiary is incapacitated, the custodial trustee shall expend so much or all of the custodial trust property as the custodial trustee considers advisable for the use and benefit of the beneficiary and individuals who were supported by the beneficiary when the beneficiary became incapacitated, or who are legally entitled to support by the beneficiary. Expenditures may be made in the manner, when, and to the extent that the custodial trustee determines suitable and proper, without court order and without regard to other support, income, or property of the beneficiary.

(3) A custodial trustee may establish checking, savings, or other similar accounts of reasonable amounts under which either the custodial trustee or the beneficiary may withdraw funds from, or draw checks against, the accounts. Funds withdrawn from, or checks written against, the account by the beneficiary are distributions of custodial trust property by the custodial trustee to the beneficiary.

68-1310. DETERMINATION OF INCAPACITY -- EFFECT. (1) The custodial trustee shall administer the custodial trust as for an incapacitated beneficiary if (i) the custodial trust was created under section 68-1305, Idaho Code, (ii) the transferor has so directed in the instrument creating the custodial trust, or (iii) the custodial trustee has determined that the beneficiary is incapacitated.

(2) A custodial trustee may determine that the beneficiary is incapacitated in reliance upon (i) previous direction or authority given by the beneficiary while not incapacitated, including direction or authority pursuant to a durable power of attorney, (ii) the certificate of the beneficiary's physician, or (iii) other persuasive evidence.

(3) If a custodial trustee for an incapacitated beneficiary reasonably concludes that the beneficiary's incapacity has ceased, or that circumstances concerning the beneficiary's ability to manage property and business affairs have changed since the creation of a custodial trust directing administration as for an incapacitated beneficiary, the custodial trustee may administer the trust as for a beneficiary who is not incapacitated.

(4) On petition of the beneficiary, the custodial trustee, or other person interested in the custodial trust property or the welfare of the beneficiary, the court shall determine whether the beneficiary is incapacitated.

(5) Absent determination of incapacity of the beneficiary under
subsection (2) or (4) of this section, a custodial trustee who has
reason to believe that the beneficiary is incapacitated shall adminis-
ter the custodial trust in accordance with the provisions of this
chapter applicable to an incapacitated beneficiary.

(6) Incapacity of a beneficiary does not terminate (i) the custo-
dial trust, (ii) any designation of a successor custodial trustee,
(iii) rights or powers of the custodial trustee, or (iv) any immuni-
ties of third persons acting on instructions of the custodial trustee.

68-1311. EXEMPTION OF THIRD PERSON FROM LIABILITY. A third person
in good faith and without a court order may act on instructions of, or
otherwise deal with, a person purporting to make a transfer as, or
purporting to act in the capacity of, a custodial trustee. In the
absence of knowledge to the contrary, the third person is not respon-
sible for determining:

(1) The validity of the purported custodial trustee's designa-
tion;

(2) The propriety of, or the authority under this chapter for,
any action of the purported custodial trustee;

(3) The validity or propriety of an instrument executed or
instruction given pursuant to this chapter either by the person pur-
porting to make a transfer or declaration or by the purported custo-
dial trustee; or

(4) The propriety of the application of property vested in the
purported custodial trustee.

68-1312. LIABILITY TO THIRD PERSON. (1) A claim based on a con-
tract entered into by a custodial trustee acting in a fiduciary capac-
ity, an obligation arising from the ownership or control of custodial
trust property, or a tort committed in the course of administering the
custodial trust, may be asserted by a third person against the custo-
dial trust property by proceeding against the custodial trustee in a
fiduciary capacity, whether or not the custodial trustee or the bene-
ficiary is personally liable.

(2) A custodial trustee is not personally liable to a third per-
son:

(a) On a contract properly entered into in a fiduciary capacity
unless the custodial trustee fails to reveal that capacity or to
identify the custodial trust in the contract; or

(b) For an obligation arising from control of custodial trust
property or for a tort committed in the course of the administra-
tion of the custodial trust unless the custodial trustee is per-
sonally at fault.

(3) A beneficiary is not personally liable to a third person for
an obligation arising from beneficial ownership of custodial trust
property or for a tort committed in the course of administration of
the custodial trust unless the beneficiary is personally in possession
of the custodial trust property giving rise to the liability or is
personally at fault.

(4) The provisions of subsections (2) and (3) of this section do
not preclude actions or proceedings to establish liability of the cus-
todial trustee or beneficiary to the extent the person sued is pro-
tected as the insured by liability insurance.

68-1313. DECLINATION, RESIGNATION, INCAPACITY, DEATH, OR REMOVAL OF CUSTODIAL TRUSTEE -- DESIGNATION OF SUCCESSOR CUSTODIAL TRUSTEE. (1) Before accepting the custodial trust property, a person designated as custodial trustee may decline to serve by notifying the person who made the designation, the transferor, or the transferor's legal representative. If an event giving rise to a transfer has not occurred, the substitute custodial trustee designated under section 68-1303, Idaho Code, becomes the custodial trustee, or, if a substitute custodial trustee has not been designated, the person who made the designation may designate a substitute custodial trustee pursuant to section 68-1303, Idaho Code. In other cases, the transferor or the transferor's legal representative may designate a substitute custodial trustee.

(2) A custodial trustee who has accepted the custodial trust property may resign by (i) delivering written notice to a successor custodial trustee, if any, the beneficiary and, if the beneficiary is incapacitated, to the beneficiary's conservator, if any, and (ii) transferring or registering, or recording an appropriate instrument relating to, the custodial trust property, in the name of and delivering the records to, the successor custodial trustee identified under subsection (3) of this section.

(3) If a custodial trustee or successor custodial trustee is ineligible, resigns, dies, or becomes incapacitated, the successor, designated under section 68-1302 or 68-1303, Idaho Code, becomes custodial trustee. If there is no effective provision for a successor, the beneficiary, if not incapacitated, may designate a successor custodial trustee. If the beneficiary is incapacitated, or fails to act within ninety (90) days after the ineligibility, resignation, death, or incapacity of the custodial trustee, the beneficiary's conservator becomes the successor custodial trustee. If the beneficiary does not have a conservator or the conservator fails to act, the resigning custodial trustee may designate a successor custodial trustee.

(4) If a successor custodial trustee is not designated pursuant to subsection (3) of this section, the transferor, the legal representative of the transferor or of the custodial trustee, an adult member of the beneficiary's family, the guardian of the beneficiary, a person interested in the custodial trust property, or a person interested in the welfare of the beneficiary, may petition the court to designate a successor custodial trustee.

(5) A custodial trustee who declines to serve or resigns, or the legal representative of a deceased or incapacitated custodial trustee, as soon as practicable, shall put the custodial trust property and records in the possession and control of the successor custodial trustee. The successor custodial trustee may enforce the obligation to deliver custodial trust property and records and becomes responsible for each item as received.

(6) A beneficiary, the beneficiary's conservator, an adult member of the beneficiary's family, a guardian of the person of the beneficiary, a person interested in the custodial trust property, or a person interested in the welfare of the beneficiary, may petition the
court to remove the custodial trustee for cause and designate a successor custodial trustee, to require the custodial trustee to furnish a bond or other security for the faithful performance of fiduciary duties, or for other appropriate relief.

68-1314. EXPENSES, COMPENSATION AND BOND OF CUSTODIAL TRUSTEE. Except as otherwise provided in the instrument creating the custodial trust, in an agreement with the beneficiary, or by court order, a custodial trustee:

(1) Is entitled to reimbursement from custodial trust property for reasonable expenses incurred in the performance of fiduciary services;

(2) Has a noncumulative election, to be made no later than six (6) months after the end of each calendar year, to charge a reasonable compensation for fiduciary services performed during that year; and

(3) Need not furnish a bond or other security for the faithful performance of fiduciary duties.

68-1315. REPORTING AND ACCOUNTING BY CUSTODIAL TRUSTEE -- DETERMINATION OF LIABILITY OF CUSTODIAL TRUSTEE. (1) Upon the acceptance of custodial trust property, the custodial trustee shall provide a written statement describing the custodial trust property and shall thereafter provide a written statement of the administration of the custodial trust property (i) once each year, (ii) upon request at reasonable times by the beneficiary or the beneficiary's legal representative, (iii) upon resignation or removal of the custodial trustee, and (iv) upon termination of the custodial trust. The statements must be provided to the beneficiary or to the beneficiary's legal representative, if any. Upon termination of the beneficiary's interest, the custodial trustee shall furnish a current statement to the person to whom the custodial trustee property is to be delivered.

(2) A beneficiary, the beneficiary's legal representative, an adult member of the beneficiary's family, a person interested in the custodial trust property, or a person interested in the welfare of the beneficiary may petition the court for an accounting by the custodial trustee or the custodial trustee's legal representative.

(3) A successor custodial trustee may petition the court for an accounting by a predecessor custodial trustee.

(4) In an action or proceeding under this chapter or in any other proceeding, the court may require or permit the custodial trustee or the custodial trustee's legal representative to account. The custodial trustee or the custodial trustee's legal representative may petition the court for approval of final accounts.

(5) If a custodial trustee is removed, the court shall require an accounting and order delivery of the custodial trust property and records to the successor custodial trustee and the execution of all instruments required for transfer of the custodial trust property.

(6) On petition of the custodial trustee or any person who could petition for an accounting, the court, after notice to interested persons, may issue instructions to the custodial trustee or review the propriety of the acts of a custodial trustee or the reasonableness of compensation determined by the custodial trustee for the services of
the custodial trustee or others.

68-1316. LIMITATIONS OF ACTION AGAINST CUSTODIAL TRUSTEE. (1) Except as provided in subsection (3) of this section, unless previously barred by adjudication, consent, or limitation, a claim for relief against a custodial trustee for accounting or breach of duty is barred as to a beneficiary, a person to whom custodial trust property is to be paid or delivered, or the legal representative of an incapacitated or deceased beneficiary or payee:

(a) Who has received a final account or statement fully disclosing the matter unless an action or proceeding to assert the claim is commenced within two (2) years after receipt of the final account or statement; or

(b) Who has not received a final account or statement fully disclosing the matter unless an action or proceeding to assert the claim is commenced within three (3) years after the termination of the custodial trust.

(2) Except as provided in subsection (3) of this section, a claim for relief to recover from a custodial trustee for fraud, misrepresentation, or concealment related to the final settlement of the custodial trust or concealment of the existence of the custodial trust, is barred unless an action or proceeding to assert the claim is commenced within five (5) years after the termination of the custodial trust.

(3) A claim for relief is not barred by this section if the claimant:

(a) Is a minor, until the earlier of two (2) years after the claimant becomes an adult or dies;

(b) Is an incapacitated adult, until the earliest of two (2) years after (i) the appointment of a conservator, (ii) the removal of the incapacity, or (iii) the death of the claimant; or

(c) Was an adult, now deceased, who was not incapacitated, until two (2) years after the claimant's death.

68-1317. DISTRIBUTION ON TERMINATION. (1) Upon termination of a custodial trust, the custodial trustee shall transfer the unexpended custodial trust property:

(a) To the beneficiary, if not incapacitated or deceased;

(b) To the conservator or other recipient designated by the court for an incapacitated beneficiary; or

(c) Upon the beneficiary's death, in the following order:

(i) As last directed in a writing signed by the deceased beneficiary while not incapacitated and received by the custodial trustee during the life of the deceased beneficiary;

(ii) To the survivor of multiple beneficiaries if survivorship is provided for pursuant to section 68-1306, Idaho Code;

(iii) As designated in the instrument creating the custodial trust; or

(iv) To the estate of the deceased beneficiary.

(2) If, when the custodial trust would otherwise terminate, the distributee is incapacitated, the custodial trust continues for the use and benefit of the distributee as beneficiary until the incapacity is removed or the custodial trust is otherwise terminated.
(3) Death of the beneficiary does not terminate the power of the custodial trustee to discharge obligations of the custodial trustee or beneficiary incurred before the termination of the custodial trust.

68-1318. METHODS AND FORMS FOR CREATING CUSTODIAL TRUSTS. (1) If a transaction, including a declaration with respect to or a transfer of specific property, otherwise satisfies applicable law, the criteria of section 68-1302, Idaho Code, are satisfied by:

(a) The execution and either delivery to the custodial trustee or recording of an instrument in substantially the following form:

TRANSFER UNDER THE IDAHO
UNIFORM CUSTODIAL TRUST ACT

I, ________ (name of transferor or name of representative capacity if a fiduciary), transfer to ________ (name of trustee other than transferor), as custodial trustee for ________ (name of beneficiary) as beneficiary and ________ (name of distributee) as distributee on termination of the trust in absence of direction by the beneficiary under the Idaho Uniform Custodial Trust Act, the following: (insert a description of the custodial trust property legally sufficient to identify and transfer each item of property).

Dated: ________________________________

(Signature); or

(b) The execution and the recording or giving notice of its execution to the beneficiary of an instrument in substantially the following form:

Date: ________________________________

(Signature)

(2) Customary methods of transferring or evidencing ownership of property may be used to create a custodial trust, including any of the following:

(a) Registration of a security in the name of a trust company, an adult other than the transferor, or the transferor if the beneficiary is other than the transferor, designated in the substance "as custodial trustee for ________ (name of beneficiary) under the Idaho Uniform Custodial Trust Act";

(b) Delivery of a certificated security, or a document necessary for the transfer of an uncertificated security, together with any necessary endorsement, to an adult other than the transferor or to a trust company as custodial trustee accompanied by an instrument in substantially the form prescribed in subsection (1)(a) of this section;
(c) Payment of money or transfer of a security held in the name of a broker or a financial institution or its nominee to a broker or financial institution for credit to an account in the name of a trust company, an adult other than the transferor, or the transferor if the beneficiary is other than the transferor, designated in substance: "as custodial trustee for (name of beneficiary) under the Idaho Uniform Custodial Trust Act";
(d) Registration of ownership of a life or endowment insurance policy or annuity contract with the issuer in the name of a trust company, an adult other than the transferor, or the transferor if the beneficiary is other than the transferor, designated in substance: "as custodial trustee for (name of beneficiary) under the Idaho Uniform Custodial Trust Act";

(g) Delivery of a written notification or assignment of a right to future payment under a contract to an obligor which transfers the right under the contract to a trust company, an adult other than the transferor, or the transferor if the beneficiary is other than the transferor, whose name in the notification or assignment is designated in substance: "as custodial trustee for (name of beneficiary) under the Idaho Uniform Custodial Trust Act";
(h) Execution, delivery, and recordation of a conveyance of an interest in real property in the name of a trust company, an adult other than the transferor, or the transferor if the beneficiary is other than the transferor, designated in substance: "as custodial trustee for (name of beneficiary) under the Idaho Uniform Custodial Trust Act";
(i) Issuance of a certificate of title by an agency of a state or of the United States which evidences title to tangible personal property:
  (i) Issued in the name of a trust company, an adult other than the transferor, or the transferor if the beneficiary is other than the transferor, designated in substance: "as custodial trustee for (name of beneficiary) under the Idaho Uniform Custodial Trust Act"; or

Idaho Uniform Custodial Trust Act."

68-1319. APPLICABLE LAW. (1) This chapter applies to a transfer or declaration creating a custodial trust that refers to this chapter if, at the time of the transfer or declaration, the transferor, beneficiary, or custodial trustee is a resident of or has its principal place of business in this state or custodial trust property is located in this state. The custodial trust remains subject to this chapter despite a later change in residence or principal place of business of the transferor, beneficiary, or custodial trustee, or removal of the custodial trust property from this state.

(2) A transfer made pursuant to an act of another state substantially similar to the provisions of this chapter is governed by the law of that state and may be enforced in this state.

68-1320. UNIFORMITY OF APPLICATION AND CONSTRUCTION. This chapter shall be applied and construed to effectuate its general purpose to make uniform the law with respect to the subject of this chapter among states enacting it.

68-1321. SHORT TITLE. This chapter may be cited as the "Idaho Uniform Custodial Trust Act."

68-1322. SEVERABILITY. If any provision of this chapter or its application to any person or circumstance is held invalid, the invalidity does not affect other provisions or applications of this chapter which can be given effect without the invalid provision or application, and to this end the provisions of this chapter are severable.

Such petition shall be filed with the district court and a copy thereof served upon the board of county commissioners or clerk thereof of the county or counties to be affected thereby, which county or counties shall be denominated as the respondent. Such respondent shall thereafter be allowed twenty (20) days to appear and plead to said petition. The determination of such costs shall be made by a district judge sitting without a jury in the same manner as other civil actions under all rules of procedure for district courts of the state of Idaho. Upon the final determination of the petition by trial or otherwise, the district court shall enter a decree binding upon all parties thereto for all persons then and thereafter confined from said county or counties joined in the petition, stating the dollar amount of the confinement or detention costs per person per day which shall be paid by any such county confining or detaining persons in the jail or facility pursuant to a court order made under section 20-604, Idaho Code. If the committed person has been regularly employed, the sheriff shall, if ordered by the committing judge, arrange for a continuation of said employment in so far as possible without interruption. Any prisoner so employed shall be paid a fair and reasonable wage for such work and shall work at fair and reasonable employment and hours per day and per week. 3. Whenever the prisoner is not employed, and between the hours or periods of his employment, he shall be confined in jail as an ordinary prisoner, unless the court shall direct otherwise. 4. The earnings of the prisoner shall be collected under the
direction of the sheriff. From such earnings the sheriff shall pay the prisoner's board and personal expenses both inside and outside the jail, and to the extent directed by the court pay the support of his dependents, if any, and, if sufficient funds are available after making the foregoing payments, pay in whole or in part the pre-existing debts of the prisoner. Any balance shall be retained until his discharge, whereupon such balance shall be paid to him.

5. In case of any violation of the conditions laid down for his conduct, custody and employment the prisoner shall be returned to the court, and the court may then require the balance of his sentence be spent in actual confinement and may cancel any earned diminution of his term.

6. The sheriff shall receive such extra compensation and mileage for the administration of this act as the county commissioners determine.

7. The court may also by its order authorize the use of a jail in a contiguous or other county where the prisoner is employed, and while the prisoner is so employed under this act such prisoner shall be in the other county's custody.

(13) "Technician" means an individual who is certified by the Idaho board of medicine to remove or process a part.

39-3402. DUTIES OF STATE DEPARTMENT OF HEALTH AND WELFARE. (1) In addition to any other duties and responsibilities, the director of the department of health and welfare shall register facilities for the storage of human bodies or human body parts which are intended for transplantation into another human. The director shall not maintain on such registry any facility which does not certify that the body part or parts to be supplied for transplantation come from a person who has been tested for acquired immunodeficiency syndrome (AIDS), AIDS related complexes (ARC), or other manifestations of human immunodeficiency virus (HIV) infection, and that the test is negative for the presence of HIV antibodies or antigens.

39-3403. MAKING, AMENDING, REVOKING, AND REFUSING TO MAKE ANATOMICAL GIFTS BY INDIVIDUAL. (1) An individual who is at least eighteen (18) years of age may (i) make an anatomical gift for any of the purposes stated in section 39-3407 (1), Idaho Code, (ii) limit an anatomical gift to one (1) or more of those purposes, or (iii) refuse to make an anatomical gift.
(2) An anatomical gift may be made only by a document of gift signed by the donor. If the donor cannot sign, the document of gift must be signed by another individual and by two (2) witnesses, all of whom have signed at the direction and in the presence of the donor and of each other, and state that it has been so signed.

(3) If a document of gift is attached to or imprinted on a donor's motor vehicle operator's or chauffeur's license, the document of gift must comply with subsection (2) of this section. Revocation, suspension, expiration, or cancellation of the license does not invalidate the anatomical gift.

(4) A document of gift may designate a particular physician or surgeon to carry out the appropriate procedures. In the absence of a designation or if the designee is not available, the donee or other person authorized to accept the anatomical gift may employ or authorize any physician, surgeon, technician, or enucleator to carry out the appropriate procedures.

(5) An anatomical gift by will takes effect upon death of the testator, whether or not the will is probated. If, after death, the will is declared invalid for testamentary purposes, the validity of the anatomical gift is unaffected.

(6) A donor may amend or revoke an anatomical gift, not made by will, only by:
   (a) A signed statement;
   (b) An oral statement made in the presence of two (2) individuals;
   (c) Any form of communication during a terminal illness or injury addressed to a physician or surgeon; or
   (d) The delivery of a signed statement to a specified donee to whom a document of gift had been delivered.

(7) The donor of an anatomical gift made by will may amend or revoke the gift in the manner provided for amendment or revocation of wills, or as provided in subsection (6).

(8) An anatomical gift that is not revoked by the donor before death is irrevocable and does not require the consent or concurrence of any person after the donor's death.

(9) An individual may refuse to make an anatomical gift of the individual's body or part by (i) a writing signed in the same manner as a document of gift, (ii) a statement attached to or imprinted on a donor's motor vehicle operator's or chauffeur's license, or (iii) any other writing used to identify the individual as refusing to make an anatomical gift. During a terminal illness or injury, the refusal may be an oral statement or other form of communication.

(10) In the absence of contrary indications by the donor, an anatomical gift or a part is neither a refusal to give other parts nor a limitation on an anatomical gift under section 39-3404, Idaho Code, or on a removal or release of other parts under section 39-3405, Idaho Code.

(11) In the absence of contrary indications by the donor, a revocation or amendment of an anatomical gift is not refusal to make another anatomical gift. If the donor intends a revocation to be refusal to make an anatomical gift, the donor shall make the refusal pursuant to subsection (9).
39-3404. MAKING, REVOKING, AND OBJECTING TO ANATOMICAL GIFTS, BY OTHERS. (1) Any member of the following classes of persons, in the order of priority listed, may make an anatomical gift of all or a part of the decedent's body for an authorized purpose, unless the decedent, at the time of death, has made an unrevoked refusal to make that anatomical gift:
   (a) The holder of an unrevoked durable power of attorney for health care;
   (b) The spouse of the decedent;
   (c) An adult son or daughter of the decedent;
   (d) Either parent of the decedent;
   (e) An adult brother or sister of the decedent;
   (f) A grandparent of the decedent; and
   (g) A guardian of the person of the decedent at the time of death.
(2) An anatomical gift may not be made by a person listed in subsection (1), of this section if:
   (a) A person in a prior class is available at the time of death to make an anatomical gift;
   (b) The person proposing to make an anatomical gift knows of a refusal or contrary indications by the decedent; or
   (c) The person proposing to make an anatomical gift knows of an objection to making an anatomical gift by a member of the person's class or a prior class.
(3) An anatomical gift by a person authorized under subsection (1) of this section, must be made by (i) a document of gift signed by the person or (ii) the person's telegraphic, recorded telephonic, or other recorded message, or other form of communication from the person that is contemporaneously reduced to writing and signed by the recipient.
(4) An anatomical gift by a person authorized under subsection (1) of this section, may be revoked by any member of the same or a prior class if, before procedures have begun for the removal of a part from the body of the decedent, the physician, surgeon, technician, or enucleator removing the part knows of the revocation.
(5) A failure to make an anatomical gift under subsection (1) of this section, is not an objection to the making of an anatomical gift.

39-3405. AUTHORIZATION BY CORONER OR LOCAL PUBLIC HEALTH OFFICIAL. (1) The coroner may release and permit the removal of a part from a body within that official's custody, for transplantation or therapy if:
   (a) The official has received a request for the part from a hospital, physician, surgeon, or procurement organization;
   (b) The official has made a reasonable effort, taking into account the useful life of the part, to locate and examine the decedent's medical records and inform persons listed in section 39-3404(1), Idaho Code, of their option to make, or object to making, an anatomical gift;
   (c) The official does not know of a refusal or contrary indication by the decedent or objection by a person having priority to
act as listed in section 39-3404(1), Idaho Code;
(d) The removal will be by a physician, surgeon, or technician; but in the case of eyes by one of them or by an enucleator;
(e) The removal will not interfere with any autopsy or investigation;
(f) The removal will be in accordance with accepted medical standards; and
(g) Cosmetic restoration will be done, if appropriate.
(2) If the body is not within the custody of the coroner, the local public health officer may release and permit the removal of any part from a body in the local public health officer's custody for transplantation or therapy if the requirements of subsection (1) of this section are met.
(3) An official releasing and permitting the removal of a part shall maintain a permanent record of the name of the decedent, the person making the request, the date and purpose of the request, the part requested, and the person to whom it was released.

39-3406. ROUTINE INQUIRY AND REQUIRED REQUEST -- SEARCH AND NOTIFICATION. (1) If, at or near the time of death of a patient, there is no medical record that the patient has made or refused to make an anatomical gift, the hospital administrator or a representative designated by the administrator shall discuss the option to make or refuse to make an anatomical gift and request the making of an anatomical gift pursuant to section 39-3404(1), Idaho Code. The request must be made with reasonable discretion and sensitivity to the circumstances of the family. A request is not required if the gift is not suitable, based upon accepted medical standards, for a purpose specified in section 39-3407, Idaho Code. An entry must be made in the medical record of the patient, stating the name and affiliation of the individual making the request, and of the name, response, and relationship to the patient of the person to whom the request was made. The director of the department of health and welfare shall adopt regulations to implement this subsection.
(2) The following persons shall make a reasonable search for a document of gift or other information identifying the bearer as a donor or as an individual who has refused to make an anatomical gift:
(a) A law enforcement officer, fireman, paramedic, or other emergency rescuer finding an individual who the searcher believes is dead or near death; and
(b) A hospital, upon the admission of an individual at or near the time of death, if there is not immediately available any other source of that information.
(3) If a document of gift or evidence of refusal to make an anatomical gift is located by the search required by paragraph (3)(a) of this subsection, and the individual or body to whom it relates is taken to a hospital, the hospital must be notified of the contents and the document or other evidence must be sent to the hospital.
(4) If, at or near the time of death of a patient, a hospital knows that an anatomical gift has been made pursuant to section 39-3404(1), Idaho Code, or a release and removal of a part has been permitted pursuant to section 39-3405, Idaho Code, or that a patient
or an individual identified as in transit to the hospital is a donor, the hospital shall notify the donee if one is named and known to the hospital; if not, it shall notify an appropriate procurement organization. The hospital shall cooperate in the implementation of the anatomical gift or release and removal of a part.

(5) A person who fails to discharge the duties imposed by this section is not subject to criminal or civil liability but is subject to appropriate administrative sanctions.

39-3407. PERSONS WHO MAY BECOME DONEES -- PURPOSES FOR WHICH ANATOMICAL GIFTS MAY BE MADE. (1) The following persons may become donees of anatomical gifts for the purposes stated, provided that parts for transplantation shall not be transplanted or transfused under any conditions unless accompanied by a medical certificate which states that the part comes from a person who has been tested for HIV antibodies or antigens, and that the test is negative for the presence of HIV antibodies or antigens:

(a) A hospital, physician, surgeon, or procurement organization, for transplantation, therapy, medical or dental education, research, or advancement of medical or dental science;
(b) An accredited medical or dental school, college, or university for education, research, advancement of medical or dental science; or
(c) A designated individual for transplantation or therapy needed by that individual.

(2) An anatomical gift may be made to a designated donee or without designating a donee. If a donee is not designated or if the donee is not available or rejects the anatomical gift, the anatomical gift may be accepted by any hospital.

(3) If the donee knows of the decedent's refusal or contrary indications to make an anatomical gift or that an anatomical gift by a member of a class having priority to act is opposed by a member of the same class or a prior class under section 39-3404(1), Idaho Code, the donee may not accept the anatomical gift.

39-3408. DELIVERY OF DOCUMENT OF GIFT. (1) Delivery of a document of gift during the donor's lifetime is not required for the validity of an anatomical gift.

(2) If an anatomical gift is made to a designated donee, the document of gift, or a copy, may be delivered to the donee to expedite the appropriate procedures after death. The document of gift, or a copy, may be deposited in any hospital, procurement organization, or registry office that accepts it for safekeeping or for facilitation of procedures after death. On request of an interested person, upon or after the donor's death, the person in possession shall allow the interested person to examine or copy the document of gift.

39-3409. RIGHTS AND DUTIES AT DEATH. (1) Rights of a donee created by an anatomical gift are superior to rights of others except with respect to autopsies under section 39-3412(1), Idaho Code. Subject to the certification requirements of section 39-2307, Idaho Code, a donee may accept or reject an anatomical gift. If a donee accepts...
an anatomical gift of an entire body, the donee, subject to the terms of the gift, may allow embalming and use of the body in funeral services. If the gift is of a part of a body, the donee, upon the death of the donor and before embalming, shall cause the part to be removed without unnecessary mutilation. After removal of the part, custody of the remainder of the body vests in the person under obligation to dispose of the body.

(2) The time of death must be determined by a physician or surgeon who attends the donor at death or, if none, the physician or surgeon who certifies the death. Neither the physician or surgeon who attends the donor at death nor the physician or surgeon who determines the time of death may participate in the procedures for removing or transplanting a part unless the document of gift designates a particular physician or surgeon pursuant to section 39-3403(4), Idaho Code.

(3) If there has been an anatomical gift, a technician may remove any donated parts and an enucleator may remove any donated eyes or parts of eyes, after determination of death by a physician or surgeon.

39-3410. COORDINATION OF PROCUREMENT AND USE. Each hospital in this state, after consultation with other hospitals and procurement organizations, shall establish agreements or affiliations for coordination of procurement and use of human bodies and parts.

39-3411. SALE OR PURCHASE OF PARTS PROHIBITED. (1) A person may not knowingly, for valuable consideration purchase or sell a part for transplantation or therapy, if removal of the part is intended to occur after the death of the decedent.

(2) Valuable consideration does not include reasonable payment for the removal, processing, disposal, preservation, quality control, storage, transportation, or implantation of a part.

(3) A person who violates this section is guilty of a felony and upon conviction is subject to a fine not exceeding fifty thousand dollars ($50,000) or imprisonment not exceeding five (5) years, or both.

39-3412. EXAMINATION -- AUTOPSY -- LIABILITY. (1) An anatomical gift authorizes any reasonable examination necessary to assure medical acceptability of the gift for the purposes intended.

(2) The provisions of this chapter are subject to the laws of this state governing autopsies.

(3) A hospital, physician, surgeon, coroner, local public health officer, enucleator, technician, or other person, who acts in accordance with this chapter or with the applicable anatomical gift law of another state or a foreign country or attempts in good faith to do so is not liable for that act in a civil action or criminal proceeding.

(4) An individual who makes an anatomical gift pursuant to section 39-3403 or 39-3404, Idaho Code, and the individual's estate are not liable for any injury or damage that may result from the making or the use of the anatomical gift.

CHAPTER 239
(S.B. No. 1134)

AN ACT RELATING TO FORMAL REQUISITES OF FINANCING STATEMENTS IN SECURED TRANSACTIONS; AMENDING SECTION 28-9-402, IDAHO CODE, TO PROVIDE FURTHER HOW FINANCING STATEMENTS MAY BE AMENDED.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 28-9-402, Idaho Code, be, and the same is hereby amended to read as follows:

28-9-402. FORMAL REQUISITES OF FINANCING STATEMENTS -- AMENDMENTS --MORTGAGE AS FINANCING STATEMENT. (1) Except as provided in subsection (9) of this section, a financing statement is sufficient if it gives the names of the debtor and the secured party, is signed by the debtor, gives an address of the secured party from which information concerning the security interest may be obtained, gives a mailing address of the debtor and contains a statement indicating the types, or describing the items, of collateral. A financing statement may be filed before a security agreement is made or a security interest otherwise attaches. When the financing statement covers timber to be cut or covers minerals or the like (including oil and gas) or accounts subject to subsection (5) of section 28-9-103, or when the financing statement is filed as a fixture filing (section 28-9-313) and the collateral is goods which are or are to become fixtures, the statement must also comply with subsection (5). A copy of the security agreement is sufficient as a financing statement if it contains the above information and is signed by the debtor. A carbon, photographic or other reproduction of a security agreement or a financing statement is sufficient as a financing statement if the security agreement so pro-
vides or if the original has been filed in this state.

(2) A financing statement which otherwise complies with subsection (1) is sufficient when it is signed by the secured party instead of the debtor if it is filed to perfect a security interest in

(a) Collateral already subject to a security interest in another jurisdiction when it is brought into this state, or when the debtor's location is changed to this state. Such a financing statement must state that the collateral was brought into this state or that the debtor's location was changed to this state under such circumstances; or

(b) Proceeds under section 28-9-306 if the security interest in the original collateral was perfected. Such a financing statement must describe the original collateral; or

(c) Collateral as to which the filing has lapsed; or

(d) Collateral acquired after a change of name, identity or corporate structure of the debtor (subsection (7)).

(3) A form substantially as follows is sufficient to comply with subsection (1):

Name of debtor (or assignor) ..............................................
Address ...........................................................................
Name of secured party (or assignee) ......................................
Address ...........................................................................

1. This financing statement covers the following types (or items) of property:
   (Describe) ...................................................................

2. (If applicable) The above goods are to become fixtures on:
   (Describe Real Estate) ...................................................
   and this financing statement is to be filed in the real estate records. (If the debtor does not have an interest of record) The name of a record owner is .........................

3. (If the collateral is timber to be cut) The above described timber is standing on:
   (Describe Real Estate) ...................................................
   and this financing statement is to be filed for record in the real estate records. (If the debtor does not have an interest of record) The name of a record owner is .........................

4. (If the collateral is minerals or the like) The above described minerals (or the like) are located on:
   (Describe Real Estate) ...................................................
   and this financing statement is to be filed for record in the real estate records. (If the debtor does not have an interest of record) The name of a record owner is .........................

5. (If products of collateral are claimed) Products of the collateral are also covered. Signature of Debtor (or Assignor, whichever is applicable).................................
   Signature of Secured Party (or Assignee) .........................

(4) A financing statement may be amended as follows:

(a) A financing statement may be amended by filing a writing signed by both the debtor and the secured party, except as provided in paragraph (b) of this subsection. An amendment does not extend the period of effectiveness of a financing statement. If
any amendment adds collateral, it is effective as to the added collateral only from the filing date of the amendment. In this chapter, unless the context otherwise requires, the term "financing statement" means the original financing statement and any amendments.

(b) A financing statement other than a financing statement for farm products may be amended by filing a writing signed only by the secured party of record if the amendment consists of no more than a change of the secured party's name or address, a change of the debtor's address, a subordination of the secured party's interest in the collateral to the interest of a junior secured party, or a combination of the foregoing functions.

(5) A financing statement covering timber to be cut or covering minerals or the like (including oil and gas) or accounts subject to subsection (5) of section 28-9-103, or a financing statement filed as a fixture filing (section 28-9-313) where the debtor is not a transmitting utility, must show that it covers this type of collateral, must recite that it is to be filed for record in the real estate records, and the financing statement must contain a description of the real estate sufficient if it were contained in a mortgage of the real estate to give constructive notice of the mortgage under the law of this state. If the debtor does not have an interest of record in the real estate, the financing statement must show the name of a record owner.

(6) A mortgage is effective as a financing statement filed as a fixture filing from the date of its recording if (a) the goods are described in the mortgage by item or type, (b) the goods are or are to become fixtures related to the real estate described in the mortgage, (c) the mortgage complies with the requirements for a financing statement in this section other than a recital that it is to be filed in the real estate records, (d) the mortgage is duly recorded, and (e) the mortgage is filed in the same manner as a financing statement.

(7) A financing statement sufficiently shows the name of the debtor if it gives the individual, partnership or corporate name of the debtor, whether or not it adds other trade names or names of partners. Where the debtor so changes his name or in the case of an organization its name, identity or corporate structure that a filed financing statement becomes seriously misleading, the filing is not effective to perfect a security interest in collateral acquired by the debtor more than four (4) months after the change, unless a new appropriate financing statement is filed before the expiration of that time. A filed financing statement remains effective with respect to collateral transferred by the debtor or even though the secured party knows of or consents to the transfer.

(8) A financing statement substantially complying with the requirements of this section is effective even though it contains minor errors which are not seriously misleading.

(9) A financing statement for farm products is sufficient if it contains the following information:

(a) The name and address of the debtor;
(b) The debtor's signature;
(c) The name, address, and signature of the secured party;
(d) The social security number of the debtor, or in the case of a debtor doing business other than as an individual, the debtor's Internal Revenue Service taxpayer identification number;
(e) A description by category of the farm products subject to the security interest and the amount of such products (where applicable);
(f) A reasonable description of the real estate where the farm products are produced or located. This provision may be satisfied by a description of the county(ies), and a legal description is not required.
(10) A financing statement described in subsection (9) must be amended in writing within three (3) months, and similarly signed and filed, to reflect any material changes. In the event such form is not incorporated within the financing statement, the effectiveness and continuation of that form is to be treated as if it were a part of the financing statement with which it is filed.

Approved March 29, 1989.

In particular, and without qualifying the foregoing, a guardian has the following powers and duties, except as modified by order of the court when the guardianship is limited:

(3) A guardian may give any consents or approvals that may be necessary to enable the ward to receive medical or other professional care, counsel, treatment or service.

(4) If no conservator for the estate of the ward has been appointed, he may:

(A) institute proceedings to compel any person under a duty to support the ward or to pay sums for the welfare of the ward to perform his duty;

(B) receive money and tangible property deliverable to the ward and apply the money and property for support, care and education of the ward; but, he may not use funds from his ward's estate for room and board which he, his spouse, parent, or child have furnished the ward unless a charge for the service is approved by order of the court made upon notice to at least one (1) of the next of kin of the incompetent ward, if notice is possible. He must exercise care to conserve any excess for the ward's needs.

(b) Any guardian of one for whom a conservator also has been appointed shall control the custody and care of the ward, and is entitled to receive reasonable sums for his services and for room and board furnished to the ward as agreed upon between him and the conservator, provided the amounts agreed upon are reasonable under the circumstances. The guardian may request the conservator to expend the

The court may order more frequent reports by its own ruling or pursuant to a petition of any person interested in the ward's welfare. Every conservator must account to the court for his administration of the trust upon his resignation or removal, and at other times as the court may direct. On termination of the protected person's minority or disability, a conservator may account to the court or he may and shall account to the former protected person or his personal representative. Subject to appeal or vacation within the time permitted, an order, made upon notice and hearing, allowing an intermediate account of a conservator, adjudicates as to his liabilities concerning the matters considered in connection therewith; and an
order, made upon notice and hearing, allowing a final account adjudicates as to all previously unsettled liabilities of the conservator to the protected person or his successors relating to the conservatorship. In connection with any account, the court may require a conservator to submit to a physical check of the estate in his control, to be made in any manner the court may specify.

In reviewing dividend policies under this section, the director shall be flexible in recognizing the special characteristics of BIDCOs and the diverse range of potentially appropriate dividend policies for BIDCOs, while at the same time protecting against unsafe or unsound acts which could threaten the viability of the licensee as an ongoing BIDCO. The director may at any time withdraw any previous approval of a dividend policy if the director determines that the withdrawal is necessary to prevent unsafe or unsound acts.

(5) In connection with an extension of credit by a person to a licensee or an extension of credit by a licensee to a business entity, the parties may agree to any rate of interest.

26-2718. BIDCO ACQUIRING ANOTHER FIRM -- APPLICATION -- REQUIREMENTS. (1) Either by itself or in concert with a director, officer, principal shareholder, or affiliate; another licensee; or a director, officer, principal shareholder, or affiliate of another licensee, a licensee shall not hold control of a business firm, except as follows:

(a) If and to the extent necessary to protect the licensee's interest as creditor of, or investor in, the business firm, a licensee that had provided financing assistance to a business firm may acquire and hold control of that business firm. Unless the director approves a longer period, a licensee holding control of a business firm under this subdivision shall divest itself of the interest which constitutes holding control as soon as practicable or within three (3) years after acquiring that interest, whichever is sooner.

(b) With the approval of the director, a licensee may acquire and hold control of a corporation which has offices located only in this state and which is licensed as a small business investment company under the small business investment act of 1958, Public Law 85-699, 72 Stat. 689 or any successor statute.

(c) With the approval of the director, a licensee may acquire and hold control of a company located in this state which is a local development company in accordance with the small business investment act of 1958, whether or not such a development company is or may become certified by the small business administration under section 503 of the small business investment act of 1958, 15
(d) With the approval of the director, a licensee may acquire and hold control of another business firm with offices only in this state which is engaged in no business other than the business of providing financing assistance and management assistance to business firms.

(e) With the approval of the director, a licensee may acquire and hold control of a business firm not referred to in paragraphs (a) through (d) of this subsection. The director shall not approve an application under this subdivision unless the director determines that such an approval will not cause the amount of the licensee's investments in business firms covered by this subdivision to exceed fifteen percent (15%) of the amount of the assets of the licensee and that in the director's judgment such an approval will promote the purposes of this chapter. An approval by the director under this subdivision shall be for a period of not more than three (3) years, except that in a particular case the director may subsequently extend the period beyond three (3) years if the director determines that a longer period is needed and is consistent with the purposes of this chapter.

(2) If the director fails to issue an order approving or denying an application under subsection (1)(b) or (c) of this section, within forty-five (45) days from receipt by the director of an application which complies with section 26-2704, Idaho Code, the application shall be considered approved by the director.

(3) For the purposes of subsection (1) of this section, "hold control" means ownership, directly or indirectly, of record or beneficially, of voting securities greater than:

(a) For a business firm with outstanding voting securities held by fewer than fifty (50) shareholders, forty percent (40%) of the outstanding voting securities.

(b) For a business firm with outstanding voting securities held by fifty (50) or more shareholders, twenty-five percent (25%) of the outstanding voting securities.

(4) If a licensee anticipates acquiring and holding control of a business firm under subsection (1)(a) of this section, the licensee shall file with the director a plan for acquiring and holding control of the business firm that shall include at least all of the following:

(a) The reasons it is necessary for the licensee to acquire and hold control of the business firm.

(b) The percentage of outstanding voting securities of the business firm the licensee plans to own.

(c) The licensee's proposed course of action upon obtaining control of the business firm.

(d) The length of time the licensee anticipates it will be necessary to hold control of the business firm.

(5) The director may require the licensee to demonstrate the necessity for the licensee to hold control of a business firm under subsection (1)(a) of this section.

26-2719. SOUND BUSINESS PRACTICES REQUIRED. (1) A licensee shall transact its business in a safe and sound manner and shall maintain
itself in a safe and sound condition.

(2) In determining whether a licensee is transacting business in a safe and sound manner or has committed an unsafe or unsound act, the director shall not consider the risk of a provision of financing assistance to a business firm, unless the director determines that the risk is so great compared with the realistically expected return as to demonstrate gross mismanagement.

(3) The provisions of subsection (2) of this section do not limit the authority of the director to do any of the following:

(a) Determine that a licensee's financing assistance to a single business firm or a group of affiliated business firms is in violation of subsection (1) of this section or constitutes an unsafe or unsound act, if the amount of that financing assistance is unduly large in relation to the total assets or the total shareholders equity of the licensee.

(b) Require that a licensee maintain a reserve in the amount of anticipated losses.

(c) Require that a licensee have in effect a written financing assistance policy, approved by its board of directors, including credit evaluation and other matters. The director shall not require that a licensee adopt a financing assistance policy that contains standards which prevent the licensee from exercising needed flexibility in evaluating and structuring financing assistance to business firms on a deal by deal basis.

26-2720. CONFLICT OF INTEREST -- DEFINED. (1) For purposes of this section:

(a) "Associate" means that term as defined as in section 26-2702, Idaho Code.

(b) "Relative" means parent, child, sibling, spouse, father-in-law, mother-in-law, son-in-law, brother-in-law, daughter-in-law, sister-in-law, grandparent, grandchild, nephew, niece, uncle, or aunt.

(2) If a licensee provides financing assistance to a business firm or engages in another business transaction, and if that financing assistance or transaction involves a potential conflict of interest, the terms and conditions under which the licensee provides the financing assistance or engages in the transaction shall not be less favorable to the licensee than the terms and conditions that would be required by the licensee in the ordinary course of business if the transaction did not involve a potential conflict of interest. Each person who participates in the decision of the licensee relating to a transaction described in this section and has knowledge of a potential conflict of interest involving that transaction shall take care that the potential conflict of interest is disclosed in the financing documents of the transaction or, for a business transaction not involving financing assistance, in another appropriate document.

(3) For the purposes of subsection (2) of this section, transactions engaged in by a licensee which involve a potential conflict of interest include, but are not limited to, the following:

(a) Providing financing assistance to a principal shareholder of the licensee, to a person controlled by a principal shareholder of
the licensee, or to a director, officer, partner, relative, controlling person, or affiliate of a principal shareholder of the licensee.

(b) Providing financing assistance to a business firm to which a principal shareholder of the licensee: a director, officer, partner, relative, controlling person, or affiliate of a principal shareholder of the licensee, or a person controlled by a principal shareholder of the licensee provides or plans to provide contemporaneous financing assistance.

(c) Providing financing assistance to a business firm which has or is expected to have a substantial business relationship with another business firm which has a director, officer, or controlling person who is also a director, officer, or controlling person of the licensee or who is the spouse of a director, officer, or controlling person of the licensee.

(d) Providing financing assistance to a business firm if that business firm, or a director, officer, or controlling person of that business firm, contemporaneously has lent or will lend money to an associate of the licensee.

(e) Providing financing assistance for the purchase of property of an associate or principal shareholder of the licensee.

(f) Selling or otherwise transferring any of its assets to an associate or principal shareholder of the licensee.

(4) Nothing in this section or in any other section of this chapter limits the authority of the director to determine that an act involves a conflict of interest and therefore is an unsafe or unsound act.

(5) Except with the approval of the director, a licensee shall not provide a lien on or security interest in any of its property for the purpose of securing an obligation of, or an obligation incurred for the benefit of, another person.

26-2721. ACQUISITION OF BIDCO -- APPROVAL REQUIRED. (1) Without the prior approval of the director, a person shall not acquire control of a licensee.

(2) With respect to an application for approval to acquire control of a licensee, if the director determines, that the applicant and the directors and officers of the applicant are of good character and sound financial standing; that it is reasonable to believe that, if the applicant acquires control of the licensee, the applicant will comply with this chapter; and that the applicant's plans, if any, to make a major change in the business, corporate structure, or management of the licensee are not detrimental to the safety and soundness of the licensee, the director shall approve the application. If, after notice and a hearing, the director determines otherwise, the director shall deny the application.

(3) For purposes of subsection (2) of this section, the director may determine any of the following:

(a) That an applicant or a director or officer of an applicant is not of good character if that person has been convicted of, or has pleaded nolo contendere to, a crime involving fraud or dishonesty.

(b) That an applicant's plan to make a major change in the man-
agement of a licensee is detrimental to the safety and soundness of the licensee if the plan provides for a person to become a director or officer of the licensee and that person has been convicted of, or has pleaded no contest to, a crime involving fraud or dishonesty.

(4) The conditions described in subsection (3) of this section are not the only conditions upon which the director may determine that an applicant or a director or an officer of an applicant is not of good character or that an applicant's plan to make a major change in the management of a licensee is detrimental to the safety and soundness of the licensee.

26-2722. MERGER -- REQUIREMENTS -- APPLICATIONS. (1) A licensee shall not merge with another corporation unless:
(a) The licensee is the surviving corporation and the merger is approved by the director.
(b) The licensee is a disappearing corporation, the surviving corporation is a licensee and the merger is approved by the director.

(2) A licensee shall not purchase all or substantially all of the business of another person unless the purchase is approved by the director.

(3) A licensee shall not sell all or substantially all of its business or of the business of any of its offices to another person unless that other person is a licensee and the sale is approved by the director.

(4) The director shall approve an application for approval of a merger, purchase, or sale, if, and only if, the director determines all of the following:
(a) That the merger, purchase, or sale will be safe and sound with respect to the acquiring licensee.
(b) That, upon consummation of the merger, purchase, or sale, it is reasonable to believe that the acquiring licensee will comply with this chapter.
(c) That the merger, purchase, or sale will not have a major detrimental impact on competition in the providing of financial assistance or management assistance to business firms, or if there will be such a detrimental impact, the merger, purchase, or sale is necessary in the interests of the safety and soundness of any of the parties to the merger, purchase, or sale, or is otherwise, on balance, in the public interest.

26-2723. VIOLATION OF CHAPTER -- DIRECTOR'S POWERS -- HEARINGS -- CEASE AND DESIST. (1) If in the opinion of the director, a person violates, or there is reasonable cause to believe that a person is about to violate the provisions of this chapter, the director may bring an action in the district court to enjoin the violation or to enforce compliance with the provisions of this chapter. Upon a showing that a person has engaged in or is about to engage in, an act or practice constituting a violation of the provisions of this chapter, a restraining order, preliminary or permanent injunction, or writ of mandamus shall be granted, and a receiver or a conservator may be
appointed for the defendant or the defendant's assets. The court
shall not require the director to post a bond in an action brought
under this chapter.

(2) If the director finds that a person has violated or that
there is reasonable cause to believe that a person is about to violate
the provisions of section 26-2711, Idaho Code, the director may order
the person to cease and desist from the violation unless and until the
person is issued a license.

(3) Within thirty (30) days after an order is issued under sub-
section (2) of this section, the person to whom the order is directed
may file with the director an application for a hearing on the order.
If the director fails to commence a hearing within fifteen (15) busi-
ness days after that application is filed or within a longer period to
which the person consents, the order shall be considered rescinded.
Upon the conclusion of the hearing, the director shall affirm, modify,
or rescind the order. A person to whom an order is issued under sub-
section (2) of this section may petition for judicial review of the
order in conformance with the provisions of chapter 52, title 67,
Idaho Code.

(4) If, after notice and a hearing, the director determines that
a licensee or a subject person of a licensee has violated or is vio-
lating, or that there is reasonable cause to believe that a licensee
or subject person of a licensee is about to violate, this chapter or
another applicable law, or that a licensee or subject person of a
licensee has engaged or participated or is engaging or participating,
or that there is a reasonable cause to believe that a licensee or sub-
ject person of a licensee is about to engage or participate, in an
unsafe or unsound act with respect to the business of that licensee,
the director may order that licensee or subject person to cease and
desist from the action or violation. The order may require the licen-
see or subject person to take affirmative action to correct any condi-
tion resulting from the action or violation.

(5) If the director determines that any of the factors set forth
in subsection (4) of this section are true with respect to a licensee
or subject person of a licensee and that the action or violation is
likely to cause the insolvency of or substantial dissipation of the
assets or earnings of the licensee; is likely to seriously weaken the
condition of the licensee; or is likely to otherwise seriously preju-
dice the interests of the licensee before the completion of proceed-
ings conducted under subsection (4) of this section, the director may
order the licensee or subject person to cease and desist from that
action or violation. The order may require the licensee or subject
person to take affirmative action to correct any condition resulting
from the action or violation.

(6) Within thirty (30) days after an order is issued under sub-
section (5) of this section, the licensee or subject person to whom the order is directed may file with the director an appli-
cation for a hearing on the order. If the director fails to com-
mence a hearing within fifteen (15) business days after the appli-
cation is filed or within a longer period to which the licensee or sub-
ject person consents, the order shall be considered rescinded. Upon
the hearing, the director shall affirm, modify, or rescind the order.
A licensee or subject person to whom an order is issued under subsection (5) of this section may petition for judicial review of the order pursuant to chapter 52, title 67, Idaho Code.

(7) If the director finds that a licensee has failed to comply with the provisions of section 26-2717(5), Idaho Code, the director shall revoke the certification of eligible equity investment and shall so notify the licensee promptly.

26-2724. VIOLATION OF CHAPTER -- REMOVAL OF SUBJECT PERSON. (1) The director may issue an order removing a subject person of a licensee from his office, if any, with the licensee and prohibiting the subject person from further participating in any manner in the conduct of the business of the licensee, if, after notice and a hearing, the director determines all of the following are true:

(a) The subject person has violated the provisions of this chapter or another applicable law; the subject person has engaged or participated in an unsafe or unsound act with respect to the business of the licensee; or the subject person has engaged or participated in an act which constitutes a breach of the subject person's fiduciary duty.

(b) The act, violation, or breach of fiduciary duty has caused or is likely to cause substantial financial loss or other damage to the licensee or has seriously prejudiced or is likely to seriously prejudice the interests of the licensee, or the subject person has received financial gain by reason of the act, violation, or breach of fiduciary duty.

(c) The act, violation, or breach of fiduciary duty either involves dishonesty on the part of the subject person or demonstrates the subject person's gross negligence with respect to the business of the licensee or a willful disregard for the safety and soundness of the licensee.

(2) The director may issue an order removing the subject person from his office with the licensee, if any, and prohibiting the subject person from further participating in any manner in the conduct of the business of the licensee, except with the prior consent of the director, if, after notice and a hearing, the director determines that, by engaging or participating in an act with respect to a financial or other business institution which resulted in substantial financial loss or other damage, the subject person of a licensee has demonstrated both of the following:

(a) Dishonesty or willful or continuing disregard for the safety and soundness of the financial or other business institution.

(b) Unfitness to continue as a subject person of the licensee or to participate in conducting the business of the licensee.

(3) If the director determines that the factors set forth in subsection (1) or (2) of this section are true with respect to a subject person of a licensee, and that it is necessary for the protection of the interest of the licensee or for the protection of the public interest that the director immediately suspend the subject person from his or her office, if any, with the licensee and prohibit the subject person from further participating in any manner in conducting the business of the licensee, the director may issue an order suspending
the subject person from his or her office, if any, with the licensee and prohibiting the subject person from further participating in any manner in conducting the business of the licensee, except with the consent of the director.

(4) Within thirty (30) days after an order is issued under subsection (3) of this section, the subject person of a licensee to whom the order is directed may file with the director an application for a hearing on the order. If the director fails to begin a hearing within fifteen (15) business days after the application is filed or within a longer period to which the subject person consents, the order shall be considered rescinded. Upon the conclusion of the hearing, the director shall affirm, modify, or rescind the order. A subject person of a licensee to whom an order is issued under subsection (3) of this section may petition for judicial review of the order pursuant to chapter 52, title 67, Idaho Code.

(5) A person to whom an order is issued under this section may apply to the director to modify or rescind the order. The director shall not modify or rescind the order unless the director determines that it is in the public interest to do so and that it is reasonable to believe that the person, if and when he or she becomes a subject person of a licensee, will comply with this chapter.

(6) As used in this section, "office", if used with respect to a licensee, means the position of director, officer, or employee of the licensee or of a subsidiary of the licensee.

26-2725. INDICTMENT OR CONVICTION OF A CRIME -- REMOVAL OF SUBJECT PERSON. (1) If the director determines that a subject person of a licensee has been indicted by a grand jury or has been bound over for trial by a court for a crime involving dishonesty or breach of trust, and that the fact that the person continues to be a subject person of the licensee may threaten the interests of the licensee or may threaten to impair public confidence in the licensee, the director may issue an order suspending the subject person from his office, if any, with the licensee and prohibiting the subject person from further participating in any manner in the conduct of the business of the licensee, except with the consent of the director.

(2) If the director determines that a subject person or former subject person of a licensee to whom an order was issued under subsection (1) of this section, or another subject person of a licensee, has been convicted of, entered a plea of guilty to, has been found guilty of a crime which is punishable by imprisonment for a term of not less than one (1) year and which involves dishonesty or breach of trust, and that the fact that the person continues to be or will resume to be a subject person of the licensee may threaten the interests of the licensee or may threaten to impair public confidence in the licensee, the director may issue an order suspending or removing the subject person or former subject person from his office, if any, with the licensee and prohibiting the subject person from further participating in any manner in the conduct of the business of the licensee, except with the prior consent of the director.

(3) Within thirty (30) days after an order is issued under subsection (1) or (2) of this section, the subject person of a licensee
to whom the order is directed may file with the director an application for a hearing on the order. If the director fails to commence a hearing within fifteen (15) business days after the application is filed or within a longer period to which the subject person consents, the order shall be considered rescinded. Upon the conclusion of the hearing, the director shall affirm, modify, or rescind the order. A subject person or former subject person of a licensee to whom an order is issued under subsection (1) or (2) of this section may petition for judicial review of the order pursuant to chapter 52, Title 67, Idaho Code.

(4) The fact that a subject person of a licensee charged with a crime involving dishonesty or breach of trust is not convicted of the crime shall not preclude the director from issuing an order to the subject person under any other provision of this chapter.

(5) A person to whom an order is issued under this section may apply to the director to modify or rescind the order. The director shall not modify or rescind the order unless the director determines that it is in the public interest to do so and that it is reasonable to believe that the person, if and when he or she becomes a subject person of a licensee, will comply with this chapter.

(6) As used in this section, "office", if used with respect to a licensee, means the position of director, officer, or employee of the licensee or of a subsidiary of the licensee.

26-2726. DISCLOSURE TO SHAREHOLDERS -- BOARD OF DIRECTORS.

(1) If, in the opinion of the director, disclosure to shareholders regarding a matter is warranted, the director may require a licensee, in such a form and manner as the director may specify, to disclose to the shareholders of a licensee the results of a communication or order from the director addressed to the licensee or to a subject person of the licensee.

(2) If the director considers it expedient, the director may call a meeting of the board of directors of a licensee by giving notice of the time, place, and purpose of the meeting not less than five (5) days before the meeting to each director either by personal service or by registered or certified mail sent to the director's last known address as shown in the records of the director.

(3) If the director considers it expedient, the director may call a meeting of the shareholders of a licensee by giving notice of the time, place, and purpose of the meeting not less than five (5) days before the meeting to each shareholder either by personal service or by registered or certified mail sent to the shareholder's last known address as shown by the books of the licensee. The licensee shall pay the expenses of the notice and of a meeting called under this subsection.

26-2727. ORDER TO REFRAIN FROM OFFERING FINANCIAL ASSISTANCE -- CONDITIONS -- HEARING. (1) The director may issue an order directing a licensee to refrain from providing any additional financing assistance to business firms if, in the opinion of the director, the order is necessary to protect the interest of the licensee or the public interest, and if, after notice and a hearing, the director determines
that any of the following are true:
(a) The licensee or a controlling person, subsidiary, or affiliate of the licensee has violated the provisions of this chapter or another applicable law.
(b) The licensee is conducting its business in an unsafe and unsound manner.
(c) The licensee is in a condition that makes it unsafe or unsound for the licensee to transact business.
(d) The licensee has ceased to transact business as a business and industrial development corporation.
(e) The licensee is insolvent.
(f) The licensee has suspended payment of its obligations, has made an assignment for the benefit of its creditors, or has admitted in writing its inability to pay its debts as they become due.
(g) The licensee has applied for an adjudication of bankruptcy, reorganization, arrangement, or other relief under a bankruptcy, reorganization, insolvency, or moratorium law, or that a person has applied for such relief under such a law against a licensee and the licensee has by any affirmative act approved of or consented to the action or such relief has been granted.
(h) A fact or condition exists which would have been grounds for denying the application if the fact or condition had existed at the time the licensee applied for its license.

(2) If the director determines that any of the factors set forth in subsection (1) of this section are true with respect to a licensee and that it is necessary for the protection of the interests of the licensee or the public interest that the director immediately issue an order directing the licensee to refrain from providing any additional financing assistance to business firms, the director may issue such an order without a hearing. Within thirty (30) days after an order is issued under this subsection, the licensee to whom the order is directed may file with the director a request for a hearing on the order. If the director fails to commence a hearing within fifteen (15) business days after the request is filed or within a longer period to which the licensee consents, that order shall be considered rescinded. Upon the conclusion of the hearing, the director shall affirm, modify, or rescind the order.

(3) With the consent of the director, a licensee which has been the subject of an order under subsection (1) or (2) of this section may resume providing financing assistance to business firms under such conditions as the director may prescribe.

(4) A person to whom an order is issued under subsection (1) or (2) of this section may apply to the director to modify or rescind the order. The director shall not grant the application unless the director determines that it is in the public interest to do so and that it is reasonable to believe that the person, if and when the order is modified or rescinded, will comply with this chapter.

26-2728. APPOINTMENT OF TRUSTEE -- LIQUIDATION OF THE BIDCO -- PROCEDURE. (1) If the director finds that any of the factors set forth in section 26-2727, Idaho Code, are true with respect to a licensee and that it is necessary for the protection of the interests
of the licensee or for the protection of the public interest that the director take immediate possession of the property and business of the licensee, the director may appoint a conservator for the licensee. The director may appoint as conservator one (1) of the employees of the department or some other competent and disinterested person. The department shall be reimbursed out of the assets of the conservatorship for all sums expended by the department in connection with the conservatorship as expenses. Upon the approval of the director, the expenses of the conservatorship shall be paid out of the assets of the licensee. The expenses shall be a first charge upon the assets and shall be fully paid before any final distribution is made.

(2) Under the direction of the director, the conservator shall take possession of the books, records, and assets of the licensee and shall take such action with respect to employees, agents, or representatives of the licensee or any other action as may be necessary to conserve the assets of the licensee or ensure payment of obligations of the licensee pending further disposition of its business as provided by law. At any appropriate time, the director may terminate the conservatorship and permit the licensee to resume the transaction of its business subject to the terms, conditions, restrictions and limitations the director may prescribe.

(3) If in the opinion of the director it is appropriate that the licensee be liquidated, the director may apply to the district court for the county in which the principal office of the licensee is located for the appointment of a receiver for the licensee, if the director determines that any of the following are true:

(a) The licensee is insolvent.
(b) The licensee has suspended payment of its obligations, has made an assignment for the benefit of its creditors, or has admitted in writing its inability to pay its debts as they become due.
(c) The licensee has applied for an adjudication of bankruptcy, reorganization, arrangement, or other relief under a bankruptcy, reorganization, insolvency, or moratorium law.
(d) A person has applied for the relief described under paragraph (c) against any licensee and that licensee has by an affirmative act approved of or consented to the action or the relief has been granted.
(e) The licensee is in a condition that makes it unsafe or unsound for the licensee to transact business.

(4) If a receiver is appointed under subsection (3) of this section, the receiver shall liquidate the property and business of the licensee in the manner provided for in chapter 10, title 26, Idaho Code, as if the licensee were a bank.

26-2729. VIOLATION OF CHAPTER -- CIVIL PENALTIES. (1) If, after notice and a hearing, the director finds that a person has violated the provisions of this chapter, he may order that person to pay to the director a civil penalty in the amount the director specifies. However, the amount of the civil penalty shall not exceed one thousand dollars ($1,000) for each violation, or in the case of a continuing violation, one thousand dollars ($1,000) for each day for which the violation continues. Money collected for a civil penalty under this
section shall be deposited into the finance administrative account pursuant to section 67-2702, Idaho Code.

(2) The provisions of this section do not apply to any act committed or omitted in good faith in conformity with an order, rule, declaratory ruling, or written interpretative opinion of the director, notwithstanding that the order, rule, declaratory ruling, or written interpretative opinion is later amended, rescinded, or repealed, or determined by judicial or other authority to be invalid for any reason.

(3) The provisions of subsection (1) of this section are additional to, and not alternative to, other provisions of this chapter which authorize the director to issue orders or to take other action on account of a violation of the provisions of this chapter.

26-2730. PROHIBITED ACTS -- EXCEPTIONS -- PENALTIES. (1) A person shall not willfully make an untrue statement of a material fact in an application or report filed with the director under this chapter, or willfully omit to state in such an application or report a material fact required to be stated in the application or report.

(2) A person having custody of any of the books, accounts, or other records of a licensee shall not willfully refuse to allow the director, upon request, to inspect or make copies of any of those books, accounts, or other records.

(3) A person shall not, with intent to deceive a director, officer, employee, auditor, or attorney of a licensee, the director or a governmental agency, make a false entry in the books, accounts, or other records of that licensee; omit to make an entry in those books, accounts, or other records which that person is required to make, or alter, conceal, or destroy any of those books, accounts, or other records.

(4) A licensee shall not provide, directly or indirectly, financing assistance to an associate of the licensee.

(5) A licensee shall not provide, directly or indirectly, financing assistance to discharge, or to free other money for use in discharging, in whole or in part, an obligation to an associate of that licensee. This section does not apply to a transaction effected by an associate of a licensee in the normal course of that associate's business involving a line of credit or short-term financing assistance.

(6) A licensee shall not provide, directly or indirectly, financing assistance to a business firm to which an associate of that licensee provides financing assistance, either contemporaneously with, or within one (1) year before or after, the providing of financing assistance by the licensee, if the terms on which the licensee provides financing assistance are less favorable to the licensee than the terms on which the associate provides financing assistance to the business firm. If the financing assistance provided by the associate of the licensee is of a different kind from the financing assistance provided by the licensee, the burden shall be on the licensee to prove that the terms on which the licensee provided financing assistance were at least as favorable to the licensee as the terms on which the associate provided financing assistance to the business firm.

(7) This section does not apply to any of the following:
(a) If the associate is a controlling person of the licensee and is also the only shareholder of the licensee.
(b) If the associate is a subsidiary of the licensee.
(c) A transaction effected by an associate of a licensee in the normal course of that associate's business involving a line of credit or short-term financing assistance.
(8) An associate of a licensee shall not receive, directly or indirectly, from a person to whom that licensee provides financing assistance, compensation in connection with the providing of that financing assistance or anything of value for procuring, influencing, or attempting to procure or influence the licensee's action with respect to the providing of the financing assistance. This section does not apply to the receipt of fees by an associate of a licensee for bona fide closing services performed by that associate if all of the following are true:
(a) The associate, with the consent and knowledge of the person to whom the financing assistance is provided, is designated by the licensee to perform the services.
(b) The services are appropriate and necessary in the circumstances.
(c) The fees for the services are approved as reasonable by the licensee.
(d) The fees for the services are collected by the licensee on behalf of the associate.
(9) By such orders or rules the director considers necessary and appropriate, he may exempt from the provisions of subsections (4) through (8), either unconditionally or upon specified terms and conditions and for specified periods, a person or transaction or class of persons or transactions, if the director finds that the exemption is in the public interest and that the regulation of the person, transaction or class is not necessary for the purposes of this chapter.
(10) In exempting a person or transaction or class of persons or transactions, the director shall give consideration, as considered appropriate by the director, to conflict of interest provisions of federal law or regulation that may be applicable to that person or transaction governing participants in federal financing programs.
(11) A person who knowingly commits an act which violates the provisions of this chapter shall be fined not more than ten thousand dollars ($10,000) or shall be imprisoned for not more than five (5) years, or both.

AN ACT
RELATING TO THE SUBPOENA OF WITNESSES IN CRIMINAL PROCEEDINGS; STATING LEGISLATIVE FINDINGS; AND AMENDING CHAPTER 30, TITLE 19, IDAHO CODE, BY THE ADDITION OF A NEW SECTION 19-3007A, IDAHO CODE, TO PROVIDE FOR THE SERVICE OF A SUBPOENA BY MAIL OR MESSENGER.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. The legislature is aware that most witnesses in criminal proceedings are cooperative and would agree to appear and testify before a court if a subpoena is delivered to said witness by mail. The legislature finds that service and delivery of a subpoena by mail would significantly reduce the costs incurred by personal service, and that it would be in the best interests of the taxpayers of the state of Idaho that the sender of a subpoena have the option of serving a subpoena by mail.

SECTION 2. That Chapter 30, Title 19, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW SECTION, to be known and designated as Section 19-3007A, Idaho Code, and to read as follows:

The sender shall make a written notation of the identifying information obtained during any acknowledgement by telephone or in person. A subpoena issued and acknowledged pursuant to this section shall have the same force and effect as a subpoena personally served. Failure to comply with a subpoena issued and acknowledged pursuant to this section may be punished as a contempt, and the subpoena may so state; provided, that a warrant of arrest or a body attachment may not be issued based upon a failure to appear after being subpoenaed pursuant to this section.

(2) A party requesting a continuance based upon the failure of a
witness to appear in court at the time and place required for his appearance or testimony pursuant to a subpoena shall prove to the court that the party has complied with the provisions of this section. Such a continuance shall only be granted for a period of time which would allow personal service of the subpoena and a reasonable time for the witness to appear before the court.

(8) If an insurer acquires the certificate of title of a vehicle in a settlement of a theft claim, the insurer shall immediately, upon receipt of the properly released certificate of origin or certificate of title, issue a salvage certificate in the name of the insurer and surrender to the department the ownership documents, a copy of the salvage certificate, the salvage certificate fee and other documents as required by the department for processing.

(9) If an insurer has acquired a vehicle in a settlement of a theft claim, has made application to and has been issued a new salvage certificate in the name of the insurer and the vehicle is subsequently recovered and is not a salvage vehicle, the insurer may complete an affidavit indemnifying the department stating the facts of acquisition and disposition of the vehicle in a form prescribed by the department and deliver the salvage certificate of ownership, affidavit and any other documents required by the department to the transferee at the time of delivery of the vehicle.

(11) An owner of a salvage vehicle who sells or transfers said vehicle shall provide a properly executed assignment of the salvage certificate of ownership to the transferee.

(12) A purchaser of a salvage vehicle shall not possess or retain a salvage vehicle without a salvage certificate unless the salvage vehicle is six (6) years old or older with a fair market value of five thousand dollars ($5,000) or less or was damaged prior to July 1, 1989. The salvage vehicle purchaser shall display the salvage certificate upon the request of any peace officer or agent of the department.

SECTION 8. That Chapter 5, Title 49, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW SECTION, to be known and designated as Section 49-525, Idaho Code, and to read as follows:

49-525. SALVAGE-CERTIFIED VEHICLE -- INSPECTIONS -- BRANDING BRANDED CERTIFICATE OF TITLE. (2) An initial vehicle identification number inspection and major component parts inspection shall be conducted by an authorized department employee and shall include examination of the vehicle and its parts to determine that the identification numbers of the vehicle or its parts have not been removed, falsified, altered, defaced or destroyed and that there are no indications that the vehicle or any of its parts are stolen. Such certification shall not attest to the roadworthiness or safety condition of the vehicle. The fee for ini-
tial inspection shall be twenty-five dollars ($25.00) and shall be deposited in the state highway account. The department may contract with private or public entities to conduct the inspections.

(a) If the inspector determines that one (1), or no, major component part has damage requiring repair or replacement, the vehicle statement of facts shall indicate that the vehicle qualifies for an unbranded certificate of title. The owner may then submit an application with all required supporting documents to the department for issuance of a certificate of title.

(b) If the inspector determines that two (2) or more major component parts have damage requiring repair or replacement, the vehicle shall not be eligible for a certificate of title until it has been restored or reconstructed and has been reinspected as a reconstructed vehicle. The vehicle statement of facts shall indicate that the vehicle will require a "reconstructed vehicle" decal before issuance of a branded certificate of title.

(3) Every owner of a salvage vehicle which has been restored in this state to its operating condition, in compliance with chapter 9, title 49, Idaho Code, shall present the vehicle to the department for inspection as a reconstructed vehicle.

(a) If the inspector determines that the receipts for major component parts are valid, including the vehicle identification numbers of the vehicles from which the major component parts were removed, a "reconstructed vehicle" decal shall be affixed to the vehicle and the statement of facts shall indicate that the vehicle has been branded and that the certificate of title shall be branded accordingly.

(b) The fee for issuance of a "reconstructed vehicle" decal shall be ten dollars ($10.00) and shall be deposited in the state highway account.

(c) The owner may then submit an application for branded certificate of title to the department which application shall be accompanied by the salvage bill of sale, salvage certificate, vehicle statement of facts, indemnifying affidavit, bills of sale or invoices for major component parts and written affirmation which states:

1. That the owner personally rebuilt the vehicle or personally supervised its rebuilding and includes a description of work done to restore the vehicle to the operating condition that existed prior to the event which caused the salvage certificate to be issued;
2. That the identification numbers of the restored vehicle and its parts have not, to the knowledge of the owner, been removed, destroyed, falsified, altered or defaced;
3. That the salvage certificate document or out-of-state title certificate attached to the application has not to the knowledge of the owner been forged, falsified or altered; and
4. That all information contained on the application and its attachments is true and correct.

(4) Upon presentation of the documents required by the department, the department shall issue a branded certificate of title which shall contain the word "reconstruct."

(5) If an otherwise correct application is made for a certificate of title on any salvage-certified vehicle which was not inspected as required by the provisions of subsection (2) of this section, the department shall brand the vehicle with the decal and shall issue a branded certificate of title.

(6) Each branded certificate of title received from another jurisdiction shall have its brand carried forward to all subsequent certificates of title issued in this state.

(7) The department may promulgate rules as necessary to implement the provisions of sections 49-524 and 49-525, Idaho Code.

SECTION 6. That Section 22-2444, Idaho Code, be, and the same is hereby amended to read as follows:

22-244475. NOTICES FOR CONTROL OF NOXIOUS WEEDS -- EFFECT -- Publi­ce--Meeting--Required--On--Petition. (1) Notices for control of noxious weeds shall consist of two (2) kinds: (a) a general notice for control of noxious weeds to be published in a newspaper of general circu-
lation within the county; and (b) individual notices in a form prescribed by the director.

(2) Failure to publish the notice for control or serve individual notices herein provided does not relieve any person from the necessity of full compliance with this chapter and regulations thereunder. In all cases said published notice shall be deemed legal and sufficient notice. The general notice for control shall be published at least one time between March 1st and April 30th and shall contain a list of the Idaho noxious weeds and shall specifically indicate those noxious weeds known to be in or imminently threatening to the county, and shall stipulate the obligation to control.

(3) Whenever any county finds it necessary to secure more prompt or definite control of noxious weeds than is accomplished by the general notice, it shall cause individual notices to be served upon the person or agency owning and the person controlling such land, giving specific instructions when and how certain named weeds are to be controlled. The individual notice shall also contain information concerning the right to appeal pursuant to section 22-245281, Idaho Code. Individual notices shall be applicable only to the current growing season.

Within sixty-(60)-days-of-a-petition-by--any--affected--person;--a public--meeting--shall--be--held-to-review-the-county-weed-program-and allow-public-comment.

(b) Whenever-the-owner-or-person-in-control-of-lands--other-than private-lands-or-federal-lands-on-which-noxious-weeds-are-present has-neglected-or-failed-to-control-them-as-required-pursuant-to this--chapter;--and-any-notice-given-pursuant-to-this-section;--the control-authority-having-jurisdiction-shall--have--proper-control methods-used-on-such-land;--and-shall-advice-the-owner-and-person in-control-of-the-cost-incurred-in-connection-with-such-operation; The-cost-of-any-such-control-shall-be-at-the-expense-of-the-owner of-person-in-control-of-the-land;--if-the-costs-have-not-been-paid within-sixty-(60)-days-to-the-control-authority--which--performed the-work;--the-control-authority-may-direct-that-suit-be-brought-in a-court-of-competent-jurisdiction-for-the-unpaid-charges.
Whenever the owner of any nonfederal land on which noxious weeds are present has neglected or failed to initiate control as required pursuant to this chapter within five (5) working days from receipt of an individual notice given pursuant to this section, the county having jurisdiction shall have proper control methods used on such land, including necessary destruction of crops, and shall advise the owner of the cost incurred in connection with such operation. The cost of any such control on private land shall be at the expense of the owner. If unpaid for sixty (60) days or longer the amount of such expense shall become a lien upon the property. Thereafter the lien shall be subject to collection by the county by sale of the property in the same manner as for delinquent taxes. The cost of control on lands other than private or federal shall be at the expense of the person or agency who owns the land. If the costs have not been paid to the control authority which performed the work within sixty (60) days, the control authority may direct that suit be brought in a court of competent jurisdiction for the unpaid charges. Nothing contained in this section shall be construed to require satisfaction of the imposed obligation by the sale of property or to bar the application of any other available remedy. Amounts collected under this section shall be deposited to the noxious weed fund of the county.

When it appears to a control authority that upon any tract of land under its jurisdiction there is an infestation of noxious weeds beyond the ability of the owner and the person in control of such land to control, the control authority, subject to the approval of the director, may quarantine such land and put into immediate operation the necessary means for the control of such noxious weeds including necessary destruction of crops. The control authority shall, prior to the entry upon such land, serve individual notices on the owner, if known, and the person in control thereof of such quarantine and of the date of the proposed entry, and shall also advise the same persons of the completion of the control operation and the cost thereof. If the owner is not known or readily available, notice shall be deemed satisfied after eight (8) days from postmark of registered mail to the address as shown on the assessment roll of the county.

A weed control authority who finds noxious weeds on land that is unoccupied or on land the occupant of which is not readily determinable and after inquiry determines that it is not practicable to serve a notice pursuant to subsection (1) of this section within seventy-two (72) hours, may cause the noxious weeds to be destroyed immediately by any means consistent with sound weed control practices. Immediately upon taking action under this subsection, the authority shall notify the owner of the land, by registered mail, addressed to his address as shown on the assessment roll of the county of the action taken.

Until such article is treated in accordance with the applicable regulations, it shall not be moved from designated premises except under and in accordance with the written permission of the control authority having jurisdiction of the area in which such article is located, and the control authority may hold or prevent its movement from such premises. (e) In order to preserve the unity of the family system and to insure the best interests of the child whether issuing an order of protective supervision or an order of legal custody, the court may consider extending or initiating a protective order as part of the decree. The protective order shall be determined as in the best interests of the child and upon a showing of continuing danger to the child. CHAPTER 308

AN ACT
RELATING TO NUTRIENTS IN SURFACE WATERS; PROVIDING LEGISLATIVE INTENT; AMENDING SECTION 39-103, IDAHO CODE, TO DEFINE THE TERM NUTRIENT; AMENDING SECTION 39-105, IDAHO CODE, TO PROVIDE THAT THE DIRECTOR OF THE DEPARTMENT OF HEALTH AND WELFARE SHALL FORMULATE AND ADOPT A COMPREHENSIVE STATE NUTRIENT MANAGEMENT PLAN FOR THE SURFACE WATERS OF THE STATE OF IDAHO AND TO PROVIDE THE EFFECT OF THE PLAN; AND DECLARING AN EMERGENCY.
Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. (1) The legislature of the state of Idaho finds:
(a) Waterborne nutrients, including phosphorus and nitrogen, provide nourishment for aquatic plants and fish.
(b) Nutrient enrichment or overloading can result in overfeeding aquatic plant life, and a subsequent increase in the growth of algae.
(c) Nitrogen, phosphorus and the other nutrient elements are naturally occurring elements that exist in all living things and are essential to all life.
(d) Nutrients enter the water through rainfall, land runoff, decomposition of plants and animals, and other nonpoint sources as well as from point sources, including discharges from industrial operations and sewage treatment facilities.
(e) Effective nutrient management requires an understanding of a complicated array of technical factors, including nutrient sources, nutrient removal and use and the ability of a water body to clean itself.
(f) State and federal agencies are currently conducting comprehensive technical analyses to determine the magnitude of nutrient enrichment in certain bodies of water in the state of Idaho and to recommend methods to resolve potential nutrient overloading.
(g) A comprehensive statewide nutrient management plan offers a mechanism to facilitate collection and coordination of the information for a strong technical base to define methods to protect the rivers and lakes of the state of Idaho from nutrient overloading.
(2) Therefore, it is hereby declared that the purposes of this act are:
(a) To establish a comprehensive statewide nutrient management plan.
(b) To develop the plan on a hydrologic basin unit basis with a lake system emphasis.
(c) To affirm primary responsibility for nutrient management to the state to assure a consistent and effective program throughout the state.
(d) To clearly express the legislature's intent that comprehensive basin planning is necessary to optimize management actions designed to achieve the desired water quality benefits.

(2) (a) "Express warranty" means:
   (i) A written statement arising out of a sale to the buyer of a motor vehicle pursuant to which the manufacturer undertakes to preserve or maintain the utility or performance of the motor vehicle as provided in the warranty; or

(b) It is not necessary to the creation of an express warranty that formal words such as "warrant" or "guarantee" be used, but if such words are used then an express warranty is created. An affirmation merely of the value of the vehicle or a statement pur-
porting to be merely an opinion or commendation of the vehicle does not create a warranty.

(c) Statements or representations such as expressions of general policy concerning buyer satisfaction which are not subject to any limitation do not create an express warranty.

(3) "Manufacturer" means a manufacturer, importer, distributor, or anyone who is named as the warrantor on an express written warranty on a motor vehicle.

(4) "Motor vehicle" means a motor vehicle as defined in section 49-10123, Idaho Code, which is sold in this state, but does not include: (a) motorcycle or farm tractor, as defined in sections 49-10114 and 49-107, Idaho Code; or (b) house trailer as defined in section 49-1021, Idaho Code; or (c) any motor vehicle with a gross laden weight of over twelve thousand (12,000) pounds.

69-262. PROOF OF CLAIMS -- PROCEDURE -- HEARING -- INSPECTION OF WAREHOUSE. In the event a warehouse or dealer fails, as defined in section 69-202(67), Idaho Code, or otherwise fails to comply with the provisions of this chapter or rules promulgated hereunder, the department shall process the claims of depositors producing written evidence of ownership disclosing a storage obligation or written evidence of a sale of commodities for damages caused by the failure, in the following manner:

(1) The department shall give notice and provide a reasonable time of not less than thirty (30) days and not more than sixty (60) days to depositors possessing written evidence of ownership disclosing a storage obligation or written evidence of sale of commodities to file their written verified claims with the department.

(2) The department may investigate each claim and determine whether the claimant's commodities are under a storage obligation or whether a sale of commodities has occurred. The department shall notify each claimant, the commodity warehouseman or dealer, and the committee of the department's determination as to the validity and amount of each claimant's claim. A claimant or warehouseman or dealer may request a hearing on the department's determination within twenty (20) days of receipt of written notification and a hearing shall be held by the department pursuant to title 67, chapter 52, Idaho Code. Upon determining the amount and validity of the claim, the director shall pay to the claimant an amount equal to ninety per cent (90%) of the claim from the commodity indemnity account. For the purpose of determining the amount of the producer's claim, the value of a producer's commodity shall be the value of the commodity on the date the director declared the warehouse or dealer to have failed or to have failed to comply with the provisions of this chapter or rules promulgated thereunder.

(3) The department may inspect and audit a failed warehouseman to determine whether the warehouseman has in his possession sufficient quantities of commodities to cover his storage obligations. In the event of a shortage, the department shall determine each depositor's pro rata share of available commodities and the deficiency shall be considered as a claim of the depositor. Each type of commodity shall be treated separately for the purpose of determining shortages.

(4) The director shall not approve or pay any claim made on the commodity indemnity account if the claim is based on losses resulting from the deposit, sale or storage of commodities in an unlicensed warehouse or dealer.

SECTION 8. That Sections 69-264 and 69-265, Idaho Code, be, and the same are hereby repealed.

SECTION 9. That Chapter 2, Title 69, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW SECTION, to be known and designated as Section 69-264, Idaho Code, and to read as follows:
69-264. MINIMUM BALANCE -- SUBSEQUENT PAYMENTS. The minimum balance in the commodity indemnity account shall be five hundred thousand dollars ($500,000). At no time shall the balance be allowed to fall below the minimum balance. The director may pay claims, on a pro rata basis if necessary, until the minimum balance is reached. If the director cannot fully pay a claim before the minimum balance is reached, he shall, when the commodity indemnity account contains sufficient funds, pay off the claim.

SECTION 10. An emergency existing therefor, which emergency is hereby declared to exist, this act shall be in full force and effect on and after its passage and approval.

Approved April 5, 1989.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. (1) With passage of this legislation, the state of Idaho begins development of a comprehensive oversight program for the Idaho national engineering laboratory (INEL). The purposes of this program are:
(a) To assure INEL's continued positive contribution to national research, development, and security and to Idaho's society and economy;
(b) To assure that all present and future activities at the INEL protect the health and safety of Idahoans and the land, air, water and wildlife of Idaho;
(c) To assure that the people of Idaho have a vigilant and independent overseer, acting on their behalf, with full access to all unclassified INEL premises and information;
(d) To provide Idahoans and their elected officials independent, thorough, factual analysis of the environmental and public health features and impacts of all present and proposed INEL activities or projects.
(2) It is the policy of the state of Idaho to establish a comprehensive state INEL oversight program to achieve these goals. This program may include the following elements:
(a) Independent, authoritative auditing and analysis of the design and results of the environmental monitoring network at the INEL;
(b) Full participation in ranking, design and auditing the progress of remedial decisions and actions;
(c) Thorough, factual advance analysis of environmental and public health impacts associated with proposed new INEL projects;
(d) Development of an ongoing, legally binding framework of agreements with the United States department of energy, comprehensively enumerating the state's regulatory, permitting and policy authority over environmental emissions at INEL, INEL-related transportation, new projects, and remedial priorities and actions;
(e) Active public information and outreach of the people of the state of Idaho. It is the intent of the legislature that the state's INEL oversight program be both a reliable, ongoing source of clear factual information about INEL, and directly responsive to the concerns of Idahoans; and
(f) Annual plain-language reporting to the legislature and the people of the state of Idaho, on the status and trends of relevant INEL decisions, operations, and actions, and on the status of the state oversight program. Reports shall include recommendations to the legislature, state agencies and the United States department of energy.

(2) The governor shall prepare and present to the second regular session of the centennial legislature in 1990 an assessment and recommendations for a comprehensive state oversight program, reflecting the purposes and elements enumerated in this act. This report shall:
(a) Assess INEL's existing monitoring network and current state resources; compare monitoring networks and state audit or evaluation systems for such networks at other department of energy facilities in the country; analyze, and integrate within the recommended state system the INEL monitoring program of Idaho state university and propose specific design, staff, funding and public reporting means for the state monitoring system;
(b) Identify Idaho's existing statutory and regulatory authorities over INEL decisions and operations; identify statutory and regulatory authority needed to fulfill the purposes of this act, recommend statutory or regulatory changes needed to fill any gaps between existing and needed authorities;
(c) Assess Idaho's present role in review, approval and design of priorities and actions of a remedial nature at the INEL including recommendations to strengthen that role if needed to fulfill the purposes of this act;
(d) Make recommendations which, if implemented, would assure Idaho's capability for timely analysis of environmental and
health-related impacts of prospective INEL projects which may have significant environmental impact;

(e) Propose specific means by which a state oversight program will report to, involve, and serve as an INEL information source for the people of Idaho; and

(f) Assess the specific staff levels, positions and interagency coordinating mechanism necessary for an effective state oversight program; and assess the necessary funding levels between federal and state funds which will be needed for an effective state program.

43-214. INITIATING RECALL PROCEEDINGS -- STATEMENT -- CONTENTS --
VERIFICATION -- DEFINITIONS. Whenever any legal voter of the irriga-
tion district, either individually or on behalf of an organization,
desires to demand the recall and discharge of a director of an irriga-
tion district, under the provisions of article VI, section 6, of the
constitution of the state of Idaho, he shall prepare a typewritten
petition. The petition may recite that the director has wilfully
neglected or failed to perform faithfully a duty imposed by law; or
acted in an arbitrary and capricious manner; or has committed an
unlawful act; or has wrongfully acted so as to interfere with, inter-
rupt, or adversely affect the performance of his official duty; or has
violated his oath of office. The petition may describe the act or acts
complained of, if applicable, in concise language, give a detailed
description including the approximate date, location and nature of
each act complained of, be signed by the person making the charge,
give his respective post office address and be verified, under oath,
that he believes the charge or charges to be true and that he has
knowledge of the alleged facts relating to the charges if any have
been alleged in the recall petition.

43-215. PETITION -- WHERE FILED. Any person making a charge shall
file it with the secretary of the district, whose duty it is to
receive and to promptly serve a copy of the charge upon the director
whose recall is demanded.

counsel. The court may hear arguments as to the adequacy of the ballot
synopsis and if any charges have been included in the petition and
ballot synopsis, the sufficiency of the charges. The court shall not
consider the truth of the charges if any have been included, but only

The secretary of the irrigation district may limit the number of observers if in his opinion a greater number would cause undue delay or disruption of the verification process. Any such limitation shall apply equally to both sides, but in no case shall fewer than two (2) observers on each side be allowed. If the secretary of the irrigation district finds the same name signed to more than one (1) petition, he shall reject all but one (1) such valid signature.

The special election shall be held not less than fourteen (14) days nor more than forty-five (45) days from the certification. shall promptly send a copy of the response to the person who filed the

specify the number of additional signatures required to make the peti­tion valid. The petition must be perfected within thirty (30) days of
the date that the secretary finds the petition defective for lack of
certified signatures. If the petition is not perfected within the
thirty (30) day period, the secretary shall declare the petition null

43-227. INVALID NAMES -- RECORD OF. The secretary of the irriga­

CHAPTER 340
(H.B. No. 274, As Amended)

AN ACT
RELATING TO TRUST DEEDS; AMENDING SECTION 45-1503, IDAHO CODE, TO PROVIDE THAT THE HOLDER OF AN OBLIGATION SECURED BY A TRUST DEED MAY NOT WAIVE HIS SECURITY AND SUO DIRECTLY ON THE OBLIGATION, UNLESS THE BENEFICIARY'S INTEREST IN THE PROPERTY COVERED BY THE TRUST DEED HAS BECOME SUBSTANTIALLY VALUELESS; AND DECLARING AN EMERGENCY.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 45-1503, Idaho Code, be, and the same is hereby amended to read as follows:

45-1503. TRANSFERS IN TRUST TO SECURE OBLIGATION — FORECLOSURE.
(1) Transfers in trust of any estate in real property as defined in section 45-1502(5), Idaho Code, may hereafter be made to secure the performance of an obligation of the grantor or any other person named in the deed to a beneficiary. Where any transfer in trust of any estate in real property is hereafter made to secure the performance of such an obligation, a power of sale is hereby conferred upon the trustee to be exercised after a breach of the obligation for which such transfer is security, and a deed of trust executed in conformity with this act may be foreclosed by advertisement and sale in the manner hereinafter provided, or, at the option of beneficiary, by foreclosure as provided by law for the foreclosure of mortgages on real property. If an obligation secured by a trust deed is breached, the beneficiary may not institute a judicial action against the grantor or his successor in interest to enforce an obligation owed by the grantor or his successor in interest unless:

(a) The trust deed has been foreclosed by advertisement and sale in the manner provided in this chapter and the judicial action is brought pursuant to section 45-1512, Idaho Code; or
(b) The action is one for foreclosure as provided by law for the foreclosure of mortgages on real property; or
(c) The beneficiary's interest in the property covered by the trust deed is substantially valueless as defined in subsection (2) of this section, in which case the beneficiary may bring an action against the grantor or his successor in interest to enforce the obligation owed by grantor or his successor in interest without first resorting to the security.

(2) As used in this section, "substantially valueless" means that the beneficiary's interest in the property covered by the trust deed has become valueless through no fault of the beneficiary, or that the beneficiary's interest in such property has little or no practical value to the beneficiary after taking into account factors such as the nature and extent of the estate in real property which was transferred in trust; the existence of senior liens against the property; the cost to the beneficiary of satisfying or making current payments on senior
liens; the time and expense of marketing the property covered by the deed of trust; the existence of liabilities in connection with the property for clean up of hazardous substances, pollutants or contaminants; and such other factors as the court may deem relevant in determining the practical value to the beneficiary of the beneficiary's interest in the real property covered by the trust deed.

(3) The beneficiary may bring an action to enforce an obligation owed by grantor or his successor in interest alleging that the beneficiary's interest in the property covered by the trust deed is substantially valueless without affecting the priority of the lien of the trust deed and without waiving his right to require the trust deed to be foreclosed by advertisement and sale and the beneficiary may, but shall not be required to, plead an alternative claim for foreclosure of the trust deed as a mortgage in the same action. If the court finds that the property is not substantially valueless, the beneficiary may seek judicial foreclosure of the trust deed, or he may dismiss the action and foreclose the trust deed by advertisement and sale in the manner provided in this chapter. If the court finds that the beneficiary's interest in the property covered by the trust deed is substantially valueless and enters a judgment upon the obligation, when that judgment becomes final the beneficiary shall execute a written request to the trustee to reconvey to the grantor or his successor in interest the estate in real property described in the trust deed. If the beneficiary obtains judgment on an obligation secured by a trust deed pursuant to subsection (1)(c) of this section, the lien of the judgment shall not relate back to the date of the lien of the trust deed.

SECTION 2. An emergency existing therefor, which emergency is hereby declared to exist, this act shall be in full force and effect on and after its passage and approval.

Approved April 5, 1989.

CHAPTER 341
(H.B. No. 256)

AN ACT
RELATING TO THE UNIFORM CONTROLLED SUBSTANCES ACT; AMENDING SECTION 37-2744A, IDAHO CODE, TO REDESIGNATE THE SECTION AND TO PROVIDE A PROPER REFERENCE; AND AMENDING CHAPTER 27, TITLE 37, IDAHO CODE, BY THE ADDITION OF A NEW SECTION 37-2744A, IDAHO CODE, TO PROVIDE A PROCEDURE FOR FORFEITURE OF REAL PROPERTY.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 37-2744A, Idaho Code, be, and the same is hereby amended to read as follows:

37-2744AB. AUTHORIZATION TO RECEIVE AND ADMINISTER FEDERAL FOR-
FEATURES AND PRIVATE DONATIONS. The director of the department of law enforcement is authorized to receive and dispose of any real or personal property which has been seized by a federal drug enforcement agency, or any donations from private citizens, the proceeds of which shall be placed in the drug enforcement donation account created in section 63-30676 57-816, Idaho Code.

SECTION 2. That Chapter 27, Title 37, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW SECTION, to be known and designated as Section 37-2744A, Idaho Code, and to read as follows:

37-2744A. REAL PROPERTY SUBJECT TO FORFEITURE. (a) Any real property, including any interest therein and any appurtenances thereto or improvements thereon, which is used in any manner or part, to commit or to facilitate the commission of a violation of the provisions of this chapter punishable by more than one (1) year of imprisonment, shall be subject to forfeiture under the provisions of this section.

(b) Property subject to forfeiture under the provisions of this section may be seized by the director upon determining that a parcel of property is subject to forfeiture, by filing a notice of forfeiture with the recorder of the county in which the property or any part thereof is situated. The notice must contain a legal description of the property sought to be forfeited; provided, however, that in the event the property sought to be forfeited is part of a greater parcel, the director may, for the purposes of this notice, use the legal description of the greater parcel. The director shall also send by certified mail a copy of the notice of forfeiture to any persons holding a recorded interest or of whose interest the director has actual knowledge. The director shall post a similar copy of the notice conspicuously upon the property and publish a copy thereof once a week for three (3) consecutive weeks immediately following the seizure in a newspaper published in the county. The owner or party in lawful possession of the property sought to be forfeited may retain possession and use thereof and may collect and keep income from the property while the forfeiture proceedings are pending.

(c) In the event of a seizure pursuant to subsection (a) of this section, a complaint instituting forfeiture proceedings under subsection (d) of this section shall be filed in the district court in the county in which the real property is situated within ninety (90) days of the date of seizure. The complaint shall be served in the same manner as other complaints subject to the Idaho rules of civil procedure on all persons having an interest in the real property sought to be forfeited.

(d) Real property sought to be forfeited under the provisions of this section shall not be subject to an action for detainer or any other collateral action, but is deemed to be in the custody of the director subject only to the orders and decrees of the district court having jurisdiction over the forfeiture proceedings. Forfeiture proceedings shall be civil proceedings in which the burden of proof shall be on the director to prove by a preponderance of the evidence that the property sought to be forfeited is subject to forfeiture. Upon
being satisfied that an owner or claimant as defined in paragraph (4) of this subsection should not be subjected to forfeiture because that person had no knowledge or reason to believe that the real property was being used or had been used for the purposes alleged by the department, the director shall release the property to the owner or other claimant. The procedure applicable to such cases shall be the same as that prescribed by the Idaho rules of civil procedure. Following service the director may, where appropriate, seek default judgment pursuant to the Idaho rules of civil procedure. If an answer is filed the court shall proceed to set the case for hearing before the court without a jury.

(1) Following the hearing, if the court finds that the property is subject to forfeiture pursuant to subsection (a) of this section the court shall order the property forfeited to the director and title shall vest as of the date of the original seizure.

(2) Following the hearing, if the court finds that the property is not subject to forfeiture pursuant to subsection (a) of this section, the court shall order the property released to the owner or owners thereof.

(3) Any owner who has an answer on file may show by competent evidence that his interest in the property sought to be forfeited is not subject to forfeiture because he could not have known in the exercise of reasonable diligence that the real property was being used, or had been used in any manner in violation of the provisions of this section. If the court finds that the property was not used in violation of the provisions of this section or is not subject to forfeiture under the provisions of this section, the court shall order the property released to the owner.

(4) An owner, co-owner or claimant of any right, title or interest in the real property sought to be forfeited may prove that his right, title or interest, whether under a lien, mortgage, or otherwise, was created without any knowledge or reason to believe that the real property was being used or had been used for the purposes alleged by the department;

(A) In the event of such proof, the court shall order the real property released to the innocent owner, purchaser, lien holder or mortgagee.

(B) If the amount due to such person is less than the value of the real property, the real property may be sold at public auction by the director. The director shall publish a notice of the sale by at least one (1) publication in a newspaper published and circulated in the city or county where the sale is to take place at least one (1) week prior to sale of the real property. The proceeds from such sale shall be distributed as follows in the order indicated:

(i) To the innocent owner, purchaser or mortgagee of the real property, if any, up to the value of his interest in the real property.

(ii) The balance, if any, in the following order:

1. To the director for all expenditures made or incurred by the department in connection with the sale, including expenditure for any necessary
reparations or maintenance of the real property, and for all expenditures made or incurred by the department in connection with the forfeiture proceedings including, but not limited to, expenditures for witnesses' fees, reporters' fees, transcripts, printing, travel, investigation, title company fees and insurance premiums.

2. The remainder, if any, to the director for credit to the drug enforcement donation account.

(C) In any case, the director may, within thirty (30) days after judgment, pay the balance due to the innocent owner, purchaser, lien holder or mortgagee and thereby purchase the real property for use in the enforcement of this act.

(e) In issuing any order under the provisions of this section, the court shall make a determination that the property, or a portion thereof, was actually used in violation of the provisions of this act. The size of the property forfeited shall not be unfairly disproportionate to the size of the property actually used in violation of the provisions of this section.

(f) When property is forfeited under the provisions of this section the director may:

(1) Retain it for official use; or

(2) Sell the property at public auction. The proceeds shall be distributed by the director as follows:

(A) To reimburse for all expenditures made or incurred in connection with the sale, including expenditures for any necessary repairs or maintenance, and for all expenditures made or incurred in connection with the forfeiture proceedings including, but not limited to, expenditures for attorneys' fees, title company fees, insurance premiums, recording costs, witnesses' fees, reporters' fees, transcripts, printing, travel and investigation.

(B) The remainder, if any, shall be credited to the drug enforcement donation account.

(3) Recommend to the court that the property, or proceeds thereof, be forfeited in whole or in part to a city or county, the law enforcement agency of which participated in the events leading to the seizure of the property or proceeds. Property distributed pursuant to this recommendation shall be used by the city or county for purposes consistent with the provisions of this chapter.

Approved April 5, 1989.

LIENS IN CROPS

45-301. PURPOSE AND SCOPE. (1) The purpose of this chapter is to provide a unified system for creation of liens and to provide notice of claims of liens in farm crops.

(2) The scope of this chapter is limited to liens in the crops of producers, and such liens are limited in amount to the value of the seeds or labor used in the production of the crops, plus expenses incurred in obtaining recovery pursuant to this chapter.

45-302. DEFINITIONS. For the purposes of this chapter:
(1) "Buyer" means a person who purchases, on his own behalf or as an agent for others, a crop from a producer.

(2) "Claimant" means a provider of seed or farm labor who files a notice of claim of lien in a crop.

(3) "Crop year" means the calendar year in which a crop would normally be harvested.

(4) "Crops" mean products of the soil. As it relates to liens for seed, the term "crops" shall be limited to annual crops. As it relates to liens for farm labor, it shall include annual crops as well as fruits, berries, grapes and nursery products.

(5) "Person" means an individual, partnership, corporation, or association.

(6) "Producer" means a farm operator to whom a claimant has provided seed or farm labor.

45-303. FARM LABORER'S LIEN. (1) Any person who performs farm labor on a farm in furtherance of production of a crop shall have a lien in the crop for the agreed or reasonable value of the labor.

(2) The farm laborer's lien shall have priority over any security interest in the same crop.

(3) A landlord's interest in a crop produced on premises which are leased in consideration of a share of the crop is not subject to a farm laborer's lien.

45-304. SEED LIEN. (1) Any person who furnishes seed to a producer to be sown or planted on lands owned, rented or otherwise lawfully occupied by the producer, shall have a lien in the crop or crops produced from the seed for the purchase price of the seed.

(2) The seed lien shall have priority over any security interest in the same crop, but shall be subordinate to a farm laborer's lien in the same crop.

(3) A landlord's interest in a crop produced on premises which are leased in consideration of a share of the crop is not subject to a seed lien.
45-307. ATTACHMENT OF LIEN. (1) A lien in a crop attaches when a claimant files a notice of claim of lien with the secretary of state. (2) A lien attaches to the crop subject to the lien, but not to proceeds of the sale of the crop.

45-308. NOTICE OF CLAIM OF LIEN. (1) A claimant must file with the secretary of state a notice of claim of lien between thirty (30) days before and ninety (90) days after completion of his labor for or providing seed to the producer. If a notice of claim of lien is filed before completion of the labor or delivery of the seed, there must exist a written or verbal contract for such labor or seed. (2) The notice of claim of lien must include: (a) The nature of the lien (farm laborer's or seed); (b) The name and address of the producer; (c) The name and address of the claimant; (d) The county or counties where the crop or crops covered by the lien are grown; (e) The type(s) of crop (name of commodity) to which the lien applies; (f) The crop year of the crop(s) to which the lien applies; and (g) Such other information as the secretary of state shall by administrative rule require. (3) The notice of claim of lien shall be signed by the claimant, his agent, or his attorney-in-fact, and the signer shall certify to the truth of the claim. Notarization is not required. (4) The notice of claim of lien shall be filed on a standard form prescribed by the secretary of state.

45-309. CIVIL PENALTY FOR FALSE CLAIM. (1) Any person who signs and files a notice of claim of lien which he knows or has reason to believe is false shall be liable to the producer in the amount of the actual damages caused by the false claim or five hundred dollars ($500), whichever is greater, plus reasonable attorney's fees and costs. (2) If the notice of claim of lien is signed by a person other than the claimant, and the claimant knows or has reason to believe the claim is false, the claimant and the person who signed the claim shall be jointly and severally liable for the amount described in subsection (1) of this section.

45-310. DURATION OF LIEN. (1) A notice of claim of lien for farm labor remains in effect for six (6) months from the date of filing. (2) A notice of claim of lien for seed remains in effect for sixteen (16) months from the date of filing. If a crop subject to a lien for seed is not harvested within ten (10) months after the date of filing, the notice of claim of lien may be extended for six (6) months by filing a notice of extension of claim of lien. The notice of extension shall contain such information as the secretary of state shall by administrative rule require, and shall be filed within sixty (60) days prior to the lapse of the original sixteen (16) month period. (3) Civil action to enforce a lien on crops shall be commenced
within the periods set forth in subsections (1) and (2) of this section.

45-311. DUTY TO RELEASE UPON SATISFACTION. (1) When a claimant's lien has been satisfied, the claimant shall, within thirty (30) days after satisfaction, file with the secretary of state a notice of release of lien.

(2) The notice of release shall be signed by the claimant, his agent, or his attorney-in-fact.

(3) The notice of release shall be filed on a standard form prescribed by the secretary of state.

45-312. LIST OF LIENS IN FARM CROPS. (1) The secretary of state shall publish a list of all presently effective notices of claim of lien in farm crops. The list shall be distributed to all persons who register therefor, on a schedule to be set by administrative rule of the secretary of state, but not less frequently than semimonthly.

(2) The list shall be published in a format established by administrative rule of the secretary of state, and may be in either complete form or in cumulative supplements to a complete list.

45-313. LIEN SEARCH. (1) Upon request the secretary of state shall issue a certificate listing all liens in crops of a particular producer for which notices of claim are on file in his office. The requesting party may additionally request copies of all relevant notices of claim of lien.

(2) Upon the request of any person, the secretary of state shall provide, within twenty-four (24) hours (excluding weekends and holidays), a verbal listing of liens in crops as described in subsection (1) of this section, followed by the certificate.

(3) The secretary of state shall, by administrative rule, prescribe the standards and forms for the lien searches described in this section.

45-314. WHEN BUYER TAKES FREE OF LIEN. (1) A buyer takes free of a lien in crops if he purchases and pays for a crop before a notice of claim of lien is filed with the secretary of state.

(2) A buyer who has registered for, and has received, the list of liens described in section 45-312, Idaho Code, takes free of a lien in crops if:

(b) He has no actual notice of the existence of the lien.

As against buyers, a list is current until the third day after publication of the next list, or if mail is not delivered on that day, on the next day thereafter on which mail is delivered.

45-315. DUTY OF BUYER. A buyer who does not take free of a lien under section 45-314, Idaho Code, is obligated to secure permission of the claimant to pay the producer in full or to insure payment of the claimant from the purchase price.

SECTION 1. That Section 36-2107, Idaho Code, be, and the same is hereby amended to read as follows:

36-2107. POWERS AND DUTIES OF BOARD. The board which may by written agreement authorize the bureau of occupational licenses as agent to act in its interest, shall have the following duties and powers:

(a) To conduct examinations to ascertain the qualifications of applicants for outfitter's or guide's licenses, and to issue such licenses to qualified applicants, with such restrictions and limitations thereon as the board may find reasonable.

(b) To prescribe and establish rules of procedure and regulations to carry into effect the provisions of this act, including but not limited to regulations prescribing all requisite qualifications of training, experience, knowledge of rules and regulations of governmental bodies, condition and type of gear and equipment, examinations to be given applicants, whether oral, written or demonstrative, or a combination thereof.

(c) To conduct hearings and proceedings to suspend, revoke or
restrict the licenses of outfitters or guides, and to suspend, revoke or restrict said licenses for due cause in the manner hereinafter provided.

(d) The board is expressly vested with the power and the authority to enforce the provisions of this chapter and make and enforce any and all reasonable rules and regulations which shall by it be deemed necessary and which are not in conflict with the provisions of this chapter, for the express purpose of safeguarding the health, safety, welfare and freedom from injury or danger of those persons utilizing the services of outfitters and guides, and for the conservation of wildlife and range resources.

(e) The board shall have the power to cooperate with the federal and state government through its appropriate agency or instrumentality in matters of mutual concern regarding the business of outfitting and guiding in Idaho.

(f) The board shall have the power throughout the state of Idaho to request the attendance of witnesses and the production of such books, records and papers as may be required at any hearing before it, and for that purpose the board may request a district court to issue a subpoena for any witness or a subpoena duces tecum to compel the production of any books, records or papers. Subpoenas shall be directed to the sheriff of any county in the state of Idaho where such witness resides or may be found. Disobedience of any subpoena issued by the district court or the refusal by any witness in failing to testify concerning any matter regarding which he may lawfully be interrogated, or the failure to produce any books, records or papers shall constitute a contempt of the district court of any county where such disobedience or refusal occurs, and said court, or any judge thereof, by proceedings for contempt in said court, may, if such contempt be found, punish said witness as in any other case of disobedience of a subpoena issued from such court or refusal to testify therein.

(g) The board shall have the power to appoint an executive director to serve at the pleasure of the board. The executive director shall be exempt from the provisions of chapter 53, title 67, Idaho Code, and shall receive a salary that is fixed by the board.

All enforcement agents appointed by the board who are certified by the Idaho peace officer standards and training advisory council, shall have the power of peace officers limited to:

1. Enforcement of the provisions of this chapter.
2. Responding to express requests from other law enforcement agencies for aid and assistance in enforcing other laws. For purposes of this section, such a request from a law enforcement agency shall mean only a request as to a particular and singular violation or suspicion of violation of law, and shall not consti-

CHAPTER 366
(S.B. No. 1004, As Amended)

AN ACT
RELATING TO DRIVING WHILE UNDER THE INFLUENCE OF ALCOHOL, DRUGS OR INTOXICATING SUBSTANCES; AMENDING SECTION 18-8002, IDAHO CODE, TO PROVIDE FOR SUSPENSION OF DRIVING PRIVILEGES; AND AMENDING SECTION 18-8005, IDAHO CODE, TO PROVIDE PENALTIES FOR VIOLATIONS.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 18-8002, Idaho Code, be, and the same is hereby amended to read as follows:

18-8002. TEST OF DRIVER FOR ALCOHOL CONCENTRATION. (1) Any person who drives or is in actual physical control of a motor vehicle in this state shall be deemed to have given his consent to an evidentiary test for concentration of alcohol, drugs or other intoxicating substances as defined in section 18-8004, Idaho Code, provided that such test is administered at the request of a police officer having reasonable grounds to believe that person has been driving or in actual physical control of a motor vehicle while under the influence of alcohol, drugs or of any other intoxicating substances.

(2) Such person shall not have the right to consult with an attorney before submitting to an evidentiary test for concentration of alcohol, drugs or other intoxicating substances.

(3) At the time an evidentiary test for concentration of alcohol, drugs or other intoxicating substances is requested, the person shall be informed that if he refuses to take the test:

(a) His license will be seized by the police officer and a temporary permit will be issued; provided, however, that no peace officer shall issue a temporary permit pursuant to this section to a driver whose license or permit has already been and is suspended or revoked because of previous violations;

(b) He has the right to request a hearing within seven (7) days to show cause why he refused to take the test;

(c) If he does not request a hearing or does not prevail at the hearing, his license will be suspended absolutely for one hundred eighty (180) days if this is his first refusal and one (1) year if this is his second refusal within five (5) years; and
(d) After submitting to the test he may, when practicable, at his own expense, have additional tests made by a person of his own choosing.

(4) If the motorist refuses to take the evidentiary test after the information has been given in accordance with subsection (3) above:

(a) His license or permit shall be seized by the police officer and forwarded to the court and a temporary permit shall be issued by the police officer which allows him to operate a motor vehicle until the date of his hearing, if a hearing is requested, but in no event for more than thirty (30) days; provided, however, that no peace officer shall issue a temporary permit pursuant to this section to a driver whose license or permit has already been and is suspended or revoked because of previous violations;

(b) A written request may be made within seven (7) calendar days for a hearing before the court; if requested, the hearing must be held within thirty (30) days of the seizure unless this period is, for good cause shown, extended by the court for one (1) additional thirty (30) day period. The court, in granting such an extension, may, for good cause shown, extend the defendant’s temporary driving privileges for one (1) additional thirty (30) day period. The hearing shall be limited to the question of why the defendant did not take the test, and the burden of proof shall be upon the defendant; the court shall suspend all his driving privileges immediately for one hundred eighty (180) days for a first refusal and one (1) year for a second refusal within five (5) years unless it finds that the police officer did not have probable cause to stop and request him to take the test or that the request violated his civil rights;

(c) If a hearing is not requested by written notice to the court concerned within seven (7) calendar days, upon receipt of a sworn statement by the police officer of the circumstances of the refusal, the court shall suspend his driving privileges for one hundred eighty (180) days for a first refusal and one (1) year for a second refusal within five (5) years, during which time he shall have absolutely no driving privileges of any kind; and

(d) After submitting to the test at the request of the police officer, he may, when practicable, at his own expense, have additional tests made by a person of his own choosing. The failure or inability to obtain an additional test or tests by a person shall not preclude the admission of an evidentiary test for alcohol concentration taken at the direction of the police officer unless the additional test was denied by the police officer.

(5) Any suspension of driving privileges under this section shall be a civil penalty separate and apart from any other suspension imposed for a violation of other Idaho motor vehicle codes or for a conviction of an offense pursuant to this chapter, and may be appealed to the district court.

(6) No hospital, hospital officer, agent, or employee, or health care professional licensed by the state of Idaho shall be held liable in damages in any civil proceeding for a cause of action based upon assault, battery or false imprisonment, or be subject to prosecution
under chapter 9 or 29, title 18, Idaho Code, for any act arising out
of administering an evidentiary test for alcohol concentration at the
request of a police officer in the manner described by this section.
(7) "Actual physical control" as used in this section, shall be
defined as being in the driver's position of the motor vehicle with
the motor running or with the motor vehicle moving.
(8) Any written notice required by this section shall be effec-
tive upon mailing.

SECTION 2. That Section 18-8005, Idaho Code, be, and the same is
hereby amended to read as follows:

18-8005. PENALTIES. (1) Any person who pleads guilty to or is
found guilty of a violation of the provisions of section 18-8004,
Idaho Code, for the first time is guilty of a misdemeanor; and
(a) May be sentenced to jail for not to exceed six (6) months;
(b) May be fined an amount not to exceed one thousand dollars
($1,000);
(c) Shall be advised by the court in writing at the time of sen-
tencing of the penalties that will be imposed for second or subse-
quent violations of the provisions of section 18-8004, Idaho Code,
which advice shall be signed by the defendant, and a copy retained
by the court and another copy retained by the prosecuting attor-
ney; and
(d) Shall have his driving privileges suspended by the court for
a period not to exceed one hundred eighty (180) days; the defend-
ant may request restricted driving privileges during the period of
the suspension, which the court may allow, if the defendant shows
by a preponderance of the evidence that driving privileges are
necessary for his employment or for family health needs.
(2) Any person who pleads guilty to or is found guilty of a
violation of the provisions of section 18-8004, Idaho Code, for the
second time within five years, notwithstanding the form of the judg-
ment(s) or withheld judgment(s), is guilty of a misdemeanor; and
(a) Shall be sentenced to jail for a mandatory minimum period of
not less than ten (10) days the first forty-eight (48) hours of
which must be consecutive, and may be sentenced to not more than
one (1) year;
(b) May be fined an amount not to exceed two thousand dollars
($2,000);
(c) Shall be advised by the court in writing at the time of sen-
tencing, of the penalties that will be imposed for subsequent
violations of the provisions of section 18-8004, Idaho Code, which
advice shall be signed by the defendant, and a copy retained by
the court and another copy retained by the prosecuting attorney;
(d) Shall surrender his license or permit to the court; and
(e) Shall have his driving privileges suspended by the court for
an additional mandatory minimum period of six-(6)-months one (1)
year after release from confinement, and--may--have--his--driving
privileges--suspended--by-the-court-for-an-additionat-period-of-up
to-one-(1)-year-after-release-from-confinement. After-thirty--(30)
days--have--passed-following-release-from-confinement, during which
thirty-(30)-day one (1) year period absolutely no driving privileges of any kind may be granted—the defendant may request restricted-driving-privileges during the balance of the suspension period, which the court may allow, if the defendant shows by a preponderance of the evidence that driving privileges are necessary for his family health needs or for his employment which requires that he operate a motor vehicle white on the job and in the course of his employment. That the defendant must commute between his residence and place of employment is not grounds for allowing the defendant to have restricted driving privileges.

(3) Any person who pleads guilty to or is found guilty of three (3) or more violations of the provisions of section 18-8004, Idaho Code, within five (5) years, notwithstanding the form of the judgment(s) or withheld judgment(s), shall be guilty of a felony; and
(a) Shall be sentenced to the custody of the state board of correction for not to exceed five (5) years; provided that notwithstanding the provisions of section 19-2601, Idaho Code, should the court impose any sentence other than incarceration in the state penitentiary, the defendant shall be sentenced to the county jail for a mandatory minimum period of not less than thirty (30) days; and further provided that notwithstanding the provisions of section 18-111, Idaho Code, a conviction under this section shall be deemed a felony;
(b) May be fined an amount not to exceed five thousand dollars ($5,000);
(c) Shall surrender his license or permit to the court; and
(d) Shall have his driving privileges suspended by the court for a mandatory minimum period of one (1) year after release from imprisonment, and may have his driving privileges suspended by the court for not to exceed five (5) years after release from imprisonment, during which time he shall have absolutely no driving privileges of any kind.

(4) For the purposes of paragraphs (2) and (3) of this section, convictions of violation of the provisions of section 18-8004, Idaho Code, shall be considered by the court to determine if a later conviction is a second or subsequent conviction only if such convictions were of violations committed on or after July 1, 1983.

(5) Any person who pleads guilty to or is found guilty of a violation of the provisions of section 18-8004 or 18-8006, Idaho Code, shall undergo, at his own expense, (or at county expense through the procedures set forth in chapters 34 and 35, title 31, Idaho Code,) and prior to the sentencing date, an alcohol evaluation by a licensed physician or alcohol evaluation facility approved by the Idaho department of health and welfare. In the event the alcohol evaluation indicates the need for alcohol treatment, the evaluation shall contain a recommendation by the evaluator as to the most appropriate treatment program, together with the estimated cost thereof, and recommendations for other suitable alternative treatment programs, together with the estimated costs thereof. The person shall request that a copy of the completed evaluation be forwarded to the court. The court shall take the evaluation into consideration in determining an appropriate sentence. If a copy of the completed evaluation has not been provided to
the court, the court may proceed to sentence the defendant; however, in such event, it shall be presumed that alcohol treatment is required unless the defendant makes a showing by a preponderance of evidence that treatment is not required. If the defendant has not made a good faith effort to provide the completed copy of the evaluation to the court, the court may consider the failure of the defendant to provide the report as an aggravating circumstance in determining an appropriate sentence. If treatment is ordered, in no event shall the person or facility doing the evaluation be the person or facility that provides the treatment, with the exception of federally recognized Indian tribes or federal military installations, where diagnosis and treatment are appropriate and available. Nothing herein contained shall preclude the use of funds authorized pursuant to the provisions of chapter 3, title 39, Idaho Code, for court-ordered alcohol treatment for indigent defendants.

(6) At the time of sentencing, the court shall be provided with the following information:
(a) The results, if administered, of any evidentiary test for alcohol and/or drugs;
(b) A computer or teletype or other acceptable copy of the person's driving record;
(c) Information as to whether the defendant has pled guilty to or been found guilty of violation of the provisions of section 18-8004 or 18-8006, Idaho Code, or a similar offense within the past five (5) years, notwithstanding the form of the judgment(s) or withheld judgment(s); and
(d) The alcohol evaluation required in subsection (5) of this section, if any.

(7) A minor may be prosecuted for a violation of the provisions of section 18-8004, Idaho Code, under title 16, Idaho Code. In addition to any other penalty, if a minor pleads guilty to or is found guilty of a violation of the provisions of section 18-8004, Idaho Code, he shall have his driving privileges suspended or denied for an additional one (1) year following the end of any period of suspension or revocation existing at the time of the violation, or until he reaches the age of eighteen (18) years, whichever period is greater. During the period of additional suspension or denial, absolutely no driving privileges shall be allowed.

(8) In the event that the alcohol evaluation required in subsection (5) of this section recommends alcohol treatment, the court shall order the person to complete a treatment program in addition to any other sentence which may be imposed, unless the court determines that alcohol treatment would be inappropriate or undesirable, in which event, the court shall enter findings articulating the reasons for such determination on the record. The court shall order the defendant to complete the preferred treatment program set forth in the evaluation, or a comparable alternative, unless it appears that the defendant cannot reasonably obtain adequate financial resources for such treatment. In that event, the court may order the defendant to complete a less costly alternative set forth in the evaluation, or a comparable program. Such treatment shall, to the greatest extent possible, be at the expense of the defendant. In the event that funding is
provided for or on behalf of the defendant by an entity of state government, restitution shall be ordered to such governmental entity in accordance with the restitution procedure for crime victims, as specified under chapter 53, title 19, Idaho Code. Nothing contained herein shall be construed as requiring a court to order that a governmental entity shall provide alcohol treatment at government expense unless otherwise required by law.

(b) He has the right to request a hearing within seven (7) days to show cause why he refused to take-the-test submit to, or complete evidentiary testing;

(c) If he does not request a hearing or does not prevail at the hearing, his license will be suspended absolutely for one hundred eighty (180) days; and

(d) After submitting to the evidentiary testing he may, when practicable, at his own expense, have additional tests made by a person of his own choosing.

(a) His license or permit shall be seized by the police officer and forwarded to the court and a temporary permit shall be issued by the police officer which allows him to operate a motor vehicle until the date of his hearing, if a hearing is requested, but in no event for more than thirty (30) days; provided, however, that no peace officer shall issue a temporary permit pursuant to this section to a driver whose license or permit has already been and is suspended or revoked because of previous violations;

The court, in granting such an extension, may, for good cause shown, extend the defendant's temporary driving privileges for one (1) additional thirty (30) day period. The hearing shall be limited to the question of why the defendant did not take-the-test submit to, or complete, evidentiary testing, and the burden of proof shall be upon the defendant; the court shall suspend all his driving privileges immediately for one hundred eighty (180) days unless it finds that the police officer did not have probable cause to stop and request him to take the test or that the request violated his civil rights;

The failure or inability to obtain an additional test or tests by a person shall not preclude the admission of an results of evidentiary testing for alcohol concentration or for the presence of drugs or other intoxicating substances taken at the direction of the police officer unless the additional test was denied by the police officer.

(5) Any suspension of driving privileges under this section shall be a civil penalty separate and apart from any other suspension imposed for a violation of other Idaho motor vehicle codes or for a
conviction of an offense pursuant to this chapter, and may be appealed to the district court.

(6) No hospital, hospital officer, agent, or employee, or health care professional licensed by the state of Idaho shall be held liable in damages in any civil proceeding for a cause of action based upon assault, battery or false imprisonment, or be subject to prosecution under chapter 9 or 29, title 18, Idaho Code, for any act arising out of administering an evidentiary test for alcohol concentration or for the presence of drugs or other intoxicating substances at the request of a police officer in the manner described by this section.

(7) "Actual physical control" as used in this section, shall be defined as being in the driver's position of the motor vehicle with the motor running or with the motor vehicle moving.

(8) Any written notice required by this section shall be effective upon mailing.

(9) For the purposes of this section, "evidentiary testing" shall mean a procedure or test or series of procedures or tests, including the additional test authorized in subsection (10) of this section, utilized to determine the concentration of alcohol or the presence of drugs or other intoxicating substances in a person.

The police officer shall state in his or her report the facts upon which that belief is based.

CHAPTER 368
(S.B. No. 1147)

AN ACT
RELATING TO ASSESSMENTS OF IRRIGATION DISTRICTS; AMENDING SECTION 43-701, IDAHO CODE, TO ALLOW OWNERS OF TWO OR MORE LOTS WHICH HAVE BEEN SUBDIVIDED AND WHICH HAVE BEEN GIVEN NEW ASSESSMENT NUMBERS TO REQUEST THAT LOTS BE COMBINED FOR ASSESSMENT PURPOSES, AND TO PROVIDE PROCEDURES FOR THE IRRIGATION DISTRICT; AND AMENDING SECTION 43-707, IDAHO CODE, TO PROVIDE A PROCEDURE FOR PAYMENT WHEN SUBDIVIDED PARCELS HAVE BEEN COMBINED FOR ASSESSMENT PURPOSES; AND DECLARING AN EMERGENCY.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 43-701, Idaho Code, be, and the same is hereby amended to read as follows:
43-701. PREPARATION OF ASSESSMENT BOOK -- LEVY OF ASSESSMENTS.

(1) The secretary of the board of directors shall be the assessor of the district, and on or before August 1 of each year shall prepare an assessment book containing a full and accurate list and description of all of the land of the district, and a list of the persons who own, claim or have in possession or control thereof during said year, giving the number of acres listed to each person; provided, that where the property to be listed is described by metes and bounds description, the assessor of the district may give to each tract of land within the district which is described by metes and bounds description an irrigation district assessment number, which number shall be placed on the assessment roll to indicate the certain piece of land bearing such number, and entered on a plat book to indicate what tract is designated by such irrigation district assessment number, and no further description of such land shall be necessary upon the irrigation district assessment roll. The assessor of the district must, in the event irrigation district assessment numbers are used in lieu of the metes and bounds description, on or before the first day of August of each year, file with the board of directors of the district an accurate and complete list of all irrigation district assessment numbers entered on the assessment rolls for the year, showing opposite each number an accurate description of the tract of land designated by such number. Thereafter, in all cases where an irrigation district assessment number is used to designate the same tract of land in the assessment of succeeding year, the assessor of the district shall not include such number in his list of the irrigation district assessment numbers filed with the board of directors of the district.

(2) Whenever a tract of land which has been given an irrigation district assessment number is subdivided, the assessor of the district shall give each subdivision a new irrigation district assessment number, which number with an accurate description of the tract of land designated by such new number, shall be included in his list of irrigation district assessment numbers filed with the board of directors; and provided, that in the owners of two (2) or more lots each of which is less than five (5) acres in size in any subdivision which has been given new assessment numbers may request of the assessor in writing that those lots be combined for assessment purposes, whereupon the assessor shall combine those lots into a single assessment number, which may be the same as the number previously assigned to one (1) of the lots, which number with an accurate description of the lots designated by such number shall be included in his list of irrigation district assessment numbers filed with the board of directors; thereafter, such combined area shall be deemed to be a single parcel for all purposes related to the levy and collection of assessments and all subsequent assessments shall constitute a single lien against the entire combined area. The request to combine the parcels for assessment purposes shall include the name and mailing address of the person designated by the requesting landowners to receive notices from the district. All assessment notices which otherwise would be sent to the individual landowners, shall be sent to the person thus designated, and shall be deemed to have been sent to the owner of each parcel included in the combined area.
(3) In all irrigation districts where the collection of assessments is made by county officers as provided for by sections 43-727, 43-728 and 43-729, Idaho Code, said assessment book shall be prepared on or before June fifteenth of each year and the provisions of this section with reference to assessment numbers shall not apply. If the name of the person owning, claiming, possessing or controlling any tract of said land is not known, it shall be listed to unknown owners.

In all districts in which an assessment is levied for the purpose of maintaining and operating the works of said district, at a regular meeting of the board between August 1 and November 8 of each year, the board of directors shall levy an assessment upon all the lands of the district for the expense of maintaining and operating the property of the district; provided, that in all districts where the collection of assessments is made by county officers as provided by sections 43-727, 43-729, Idaho Code, said levy shall be made on or before the third Tuesday of July of each year.

(4) At the time of meeting of the board of directors to levy assessments as in this section provided, the board of directors of the irrigation district are authorized to determine the aggregate amount necessary to be raised for all purposes connected with the maintaining and operating of the works of said district, and may determine the total amount of said sum necessary and required to pay the expense of making the assessment book and extension of the assessments thereon, giving notice of assessments and making collections of assessments, which shall be designated as assessment expense fund. If the district has adopted a flat rate method of assessing residential lots of one (1) acre or less as authorized by section 43-701B, Idaho Code, the share of the assessment expense to be apportioned against the residential lots and the share to be apportioned against the tracts of land assessed by the regular method shall be determined separately so as to allocate as accurately as reasonably possible, between (1) such residential lots and (2) all other parcels, the assessment expenses specified above. The balance of said amount necessary to be raised shall be designated as operation and maintenance fund. The board of directors are authorized to apportion the total amount of assessment expense fund against the several tracts of land as shown on the assessment book, so that each tract shall pay its proportionate share of the cost of making assessments and collections thereof. The amount of said assessment designated operation and maintenance fund shall be spread upon all the lands in the district and shall be proportionate to the benefits received by such lands growing out of the maintenance and operation of the said works of said district. Such assessments shall be carried out by the secretary and entered into an appropriate column on the assessment roll immediately and shall be subject to review by the board of correction hereinafter provided for.

(5) In districts that furnish water to landowners who have previously petitioned out of such district, the board of directors shall assess such owners in the same proportionate amount for maintenance and operation of the irrigation works of the district as they do on the land within such district, and in addition thereto shall assess such landowners in the same proportionate amount for bond interest and redemption of bonds outstanding under the provisions of chapters 4, 5,
and 6, of this title, or other contract indebtedness of the district, as they do against the land of the district, and such assessment shall be considered as a toll, and if not paid by the first day of January following such assessment, the board of directors may refuse to deliver water to such landowner until this; or any other delinquent payment has been paid.

SECTION 2. That Section 43-707, Idaho Code, be, and the same is hereby amended to read as follows:

43-707. PAYMENT OF ASSESSMENTS — WHEN DELINQUENT. Except in districts which have prior to such assessment entered into contracts with the United States requiring payments to the United States on or before December first of that year, on or before the first day of November the secretary must deliver the assessment book to the treasurer of the district, who shall within ten (10) days publish a notice in a newspaper published in each county in which any portion of the district may lie, that said assessments are due and payable and will become delinquent at five o'clock p.m. on the twentieth day of December next thereafter, and also the times and places at which the payment of the assessments may be made, which notice shall be published for the period of two (2) weeks. The treasurer must attend at the times and places specified in the notice to receive assessments, which must be paid in lawful money of the United States: provided, that maintenance warrants of the district may be accepted as cash in the hands of the original owner for the payment of the maintenance assessments; and that matured bonds of the district and the accrued interest coupons detached from any of the bonds of the district, when presented by landowners within the irrigation district, may be accepted as cash in payment of assessments levied for bond interest and principal, and in the event that the said bonds so used are of a greater denomination than the said assessments the treasurer shall indorse upon said bond or bonds the amount necessary to pay said assessment or assessments and the date of said payment, and take a receipt from such bond holder for the amount so credited, and either such receipt describing the bond so indorsed or such indorsement shall be prima facie evidence that the said sum so indorsed has been paid on said bond or bonds. He must mark the date of payment of any assessment in the assessment book opposite the name of the person paying and give a receipt to such person, specifying the amount of the assessment and the amount paid with a description of the property assessed. On the twentieth day of December, at five o'clock p.m. of each year, all unpaid assessments for the current year are delinquent; provided, that if any person shall pay one-half (1/2) of his assessment before they become delinquent as aforesaid, the remaining one-half (1/2) shall not become delinquent until the twentieth day of June at five o'clock p.m. of each year.

Where subdivided parcels have been combined for assessment purposes as permitted by section 43-701, Idaho Code, payment of any assessment against the parcels in the combined area shall be made by the designated person or by someone acting under his authority; by a single remittance or, if payment is made in two (2) installments then by two (2) remittances. It shall be the responsibility of the owners...
of the parcels within the combined area to determine their respective shares of the assessment and to provide funds to the designated person for payment of their respective shares thereof.

The treasurer of the district shall not be required to accept partial payments of any installment of an assessment.

SECTION 3. An emergency existing therefor, which emergency is hereby declared to exist, this act shall be in full force and effect on and after its passage and approval.

Approved April 5, 1989.

(a) Subject to section 19-2513, Idaho Code, the commission shall have the power to establish rules, regulations, policies or procedures in compliance with chapter 52, title 67, Idaho Code, under which any prisoner, excepting any under sentence of death, may be allowed to go upon parole but to remain while on parole in the legal custody and under the control of the board and subject to be taken back into confinement at the direction of the commission.

(b) No person serving a sentence for rape, incest, committing a lewd act upon a child, crime against nature, or with an intent or an assault with intent to commit any of the said crimes or whose history and conduct indicate to the commission that he is a sexually dangerous person, shall be released on parole except upon the examination and evaluation of one or more psychiatrists or psychologists to be selected by the commission and such evaluation shall be duly considered by the commission in making its parole determination. The commission may, in its discretion, likewise require a similar examination and evaluation for persons serving sentences for crimes other than those above enumerated. No psychiatrist or psychologist making such evaluation shall be held financially responsible to any person for denial of parole by the commission or for the results of the future acts of such person if he be granted parole.
(c) Before considering the parole of any prisoner, the commission shall afford the prisoner the opportunity to be interviewed. A parole shall be ordered only for the best interests of society when the commission reasonably believes that the prisoner no longer poses a threat to the safety of society, not as a reward of clemency and it shall not be considered to be a reduction of sentence or a pardon. A prisoner shall be placed on parole only when arrangements have been made for his employment or maintenance and care, and when the commission believes the prisoner is able and willing to fulfill the obligations of a law-abiding citizen. The commission may also by its rules, regulations, policies or procedures fix the times and conditions under which any application denied may be reconsidered.

(d) In making any parole or commutation decision with respect to a prisoner, the commission shall consider the compliance of the prisoner with any order of restitution which may have been entered according to section 19-5304, Idaho Code. The commission may make compliance with such an order of restitution a condition of parole.

(e) Except as provided in subsection (a) of this section, no provision of chapter 52, title 67, Idaho Code, shall apply to the commission.

SECTION 2. An emergency existing therefor, which emergency is hereby declared to exist, this act shall be in full force and effect on and after its passage and approval.

22-436. SEED ARBITRATION REVIEW COUNCIL. (1) Requirement of arbitration. When any buyer claims to have been damaged by the failure of any seed for planting to produce or perform as represented by the required label to be attached to such seed under section 22-415, Idaho
Code, or by warranty, or as a result of negligence, as a prerequisite to the buyer's right to maintain a legal action against the dealer or any other seller of such seed, the buyer shall first submit the claim to arbitration as provided in this section. Any applicable period of limitations with respect to such claim shall be tolled until ten (10) days after the filing of the report of arbitration with the director of the department of agriculture as provided in subsection (5)(i) of this section.

(2) Notice of arbitration requirement. Conspicuous language calling attention to the requirement for arbitration under this section shall be referenced or included on the analysis label required under section 22-415, Idaho Code, or otherwise attached to the seed bag or package. Arbitration shall not be required unless this notice is included. A notice in the following form, or equivalent language, shall be sufficient:

NOTICE OF REQUIRED ARBITRATION

Under the seed laws of some states, arbitration is required as a precondition of maintaining certain legal actions, counterclaims or defenses against a seller of seed. The buyer must file a complaint along with the filing fee within such time as to permit inspection of the crops, plants or trees and notify seller of complaint by certified mail.

(3) Effect of arbitration.
(a) Agreement to arbitrate. The report of arbitration shall be binding upon all parties to the extent, if any, that they have so agreed in any contract governing the sale of the seed.
(b) Commencement of legal action. In the absence of an agreement to be bound by arbitration, a buyer may commence legal proceedings against a seller or assert such claim as a counterclaim or defense in any action brought by the seller, at any time after the receipt of the report of arbitration.
(c) Use as evidence. In any litigation involving a complaint which has been the subject of arbitration under this section, any party may introduce the report of arbitration as evidence of the findings of the report, and the court may give such weight to the arbitration council's findings and recommendations as to damages and costs, as the court may see fit based upon all the evidence before the court. The court may also take into account any finding of the arbitration council with respect to the failure of any party to cooperate in the arbitration proceedings including, any finding as to the effect of delay in filing the arbitration claim upon the arbitration council's ability to determine the facts of the case.
(d) Investigation cost. The costs of conducting the investigation will be borne by the nonprevailing party.

(4) Seed arbitration council. The director of the department of agriculture shall appoint an arbitration council composed of five (5) members and four (4) alternate members. An Idaho department of agriculture representative shall serve as a permanent member. One (1) member and one (1) alternate shall be appointed upon the recommendation of each of the following:

Either the buyer or the seller may challenge any member or alternate of the council if there is reason to believe that a conflict of interest exists. In the event that a member or alternate is challenged, the director of the department of agriculture shall appoint, with the consent of the buyer and seller, a replacement, who shall be knowledgeable about agricultural husbandry.

The council shall elect a chairman and a secretary from its membership. The chairman shall conduct meetings and deliberations of the council and direct all of its other activities. The secretary shall keep accurate records of all such meetings and deliberations and perform such other duties for the council as the chairman may direct.

The purpose of the council is to conduct arbitration as provided in this section. The council may be called into session by or at the direction of the director or upon direction of its chairman to consider matters referred to it by the director or such chairman in accordance with this section.

(5) Procedures.
(a) Commencement. A buyer may invoke arbitration by filing a sworn complaint with the director together with a filing fee of one hundred dollars ($100) which is nonrefundable. The buyer shall serve a copy of the complaint upon the seller by certified mail. Except in case of seed which has not been planted, the claim shall be filed within such time as to permit effective inspection of the plants under field conditions.
(b) Seller's answer. Within twenty (20) days after receipt of a copy of the complaint, the seller shall file with the director an answer to the complaint and serve a copy of the answer upon the buyer by certified mail.
(c) Referral to arbitration council. The director shall refer the complaint and answer to the council for investigation, findings and recommendation.

CHAPTER 10
HOMESTEADS

55-1001. DEFINITIONS. For purposes of this chapter:
(1) "Dwelling house" and "mobile home" include manufactured housing.
(2) "Homestead" means and consists of the dwelling house or the mobile home in which the owner resides or intends to reside, with appurtenant buildings, and the land on which the same are situated and by which the same are surrounded, or improved; or unimproved land owned with the intention of placing a house or mobile home thereon and residing thereon. A mobile home may be exempted under this chapter whether or not it is permanently affixed to the underlying land and whether or not the mobile home is placed upon a lot owned by the mobile home owner. Property included in the homestead must be actually intended or used as a principal home for the owner.
(3) "Net value" means market value less all liens and encumbrances.
(4) "Owner" includes, but is not limited to, a purchaser under a deed of trust, mortgage, or contract.

55-1002. FROM WHAT PROPERTY SELECTED. If the owner is married, the homestead may consist of the community or jointly owned property of the spouses or the separate property of either spouse: Provided, that the same premises may not be claimed separately by the husband and wife with the effect of increasing the net value of the homestead available to the marital community beyond the amount specified in section 55-1003, Idaho Code. When the owner is not married, the homestead may consist of any of his or her property.

55-1003. HOMESTEAD EXEMPTION LIMITED. A homestead may consist of lands, as described in section 55-1001, Idaho Code, regardless of area, but the homestead exemption amount shall not exceed the lesser of (i) the total net value of the lands, mobile home, and improvements as described in section 55-1001, Idaho Code; or (ii) the sum of thirty thousand dollars ($30,000).

55-1004. AUTOMATIC HOMESTEAD EXEMPTION -- CONDITIONS -- DECLARATION OF HOMESTEAD -- DECLARATION OF ABANDONMENT. (1) Property described in section 55-1001, Idaho Code, constitutes a homestead and is automatically protected by the exemption described in section 55-1003, Idaho Code, from and after the time the property is occupied as a principal residence by the owner or, if the homestead is unimproved or improved land that is not yet occupied as a homestead, from and after the declaration or declarations required in this section are filed for record or, if the homestead is a mobile home not yet occu-
pied as a homestead and located on land not owned by the owner of the mobile home, from and after delivery of a declaration as described in section 55-1006, Idaho Code.

(2) An owner who selects a homestead from unimproved or improved land that is not yet occupied as a homestead must execute a declaration of homestead and file the same for record in the office of the recorder of the county in which the land is located. However, if the owner also owns another parcel of property on which the owner presently resides or in which the owner claims a homestead, the owner must also execute a declaration of abandonment of homestead on that other property and file the same for record with the recorder of the county in which the land is located.

(3) The declaration of homestead must contain:

(a) A statement that the person making it is residing on the premises or intends to reside thereon and claims the premises as a homestead;

(b) A legal description of the premises; and

c) An estimate of the premises actual cash value.

(4) The declaration of abandonment must contain:

(a) A statement that a premises occupied as a residence or claimed as a homestead no longer constitutes the owner's homestead;

(b) A legal description of the premises; and

(c) A statement of the date of abandonment.

(5) The declaration of homestead and declaration of abandonment of homestead must be acknowledged in the same manner as a grant of real property is acknowledged.

55-1005. TO WHAT JUDGMENTS SUBJECT. The homestead is subject to execution or forced sale in satisfaction of judgments obtained:

(1) Before the homestead was in effect, and which constitute liens upon the premises; or in an action in which an attachment was levied upon the premises before the homestead became effective.

(2) On debts secured by mechanic's, laborer's or vendor's lien upon the premises.

(3) On debts secured by mortgages, deeds of trust or other consensual liens upon the premises, executed and acknowledged by the husband and wife or by an unmarried claimant.

(4) On debts secured by mortgages, deeds of trust or other consensual liens upon the premises, executed and recorded before the homestead became effective.

55-1006. PRESCRIPTION OF ABANDONMENT -- DECLARATION OF NONABANDONMENT. A homestead is presumed abandoned if the owner vacates the property for a continuous period of at least six (6) months. However, if an owner is going to be absent from the homestead for more than six (6) months but does not intend to abandon the homestead, and has no other principal residence, the owner may execute and acknowledge, in the same manner as a grant of real property is acknowledged, a declaration of nonabandonment of homestead and file the declaration for record in the office of the recorder of the county in which the property is situated. The declaration of nonabandonment of homestead
must contain:

(1) A statement that the owner claims the property as a homestead, that the owner intends to occupy the property in the future, and that the owner claims no other property as a homestead;

(2) A statement of where the owner will be residing while absent from the homestead property, the estimated duration of the owner's absence, and the reason for the absence; and

(3) A legal description of the homestead property.

55-1007. CONVEYANCE OR ENCUMBRANCE BY HUSBAND AND WIFE. The homestead of a married person cannot be conveyed or encumbered unless the instrument by which it is conveyed or encumbered is executed and acknowledged by both husband and wife, except that a husband or a wife or both jointly may make and execute powers of attorney for the conveyance or encumbrance of the homestead.

55-1008. HOMESTEAD EXEMPT FROM EXECUTION -- WHEN PRESUMED VALID.

(1) Except as provided in section 55-1005, Idaho Code, the homestead is exempt from attachment and from execution or forced sale for the debts of the owner up to the amount specified in section 55-1003, Idaho Code. The proceeds of the voluntary sale of the homestead in good faith for the purpose of acquiring a new homestead, and proceeds from insurance covering destruction of homestead property held for use in restoring or replacing the homestead property, up to the amount specified in section 55-1003, Idaho Code, shall likewise be exempt for one (1) year from receipt, and also such new homestead acquired with such proceeds.

(2) Every homestead created under this chapter is presumed to be valid to the extent of all the property claimed exempt, until the validity thereof is contested in a court of general jurisdiction in the county in which the homestead is situated.

55-1009. JUDGMENT AGAINST HOMESTEAD OWNER -- LIEN ON EXCESS VALUE OF HOMESTEAD PROPERTY. A judgment against the owner of a homestead shall become a lien on the value of the homestead property in excess of the homestead exemption from the time the judgment creditor records the judgment with the recorder of the county where the property is located.

55-1010. DEVOLUTION AFTER DEATH. If the selection of the homestead was made by a married person from the community property, the land, on the death of either of the spouses, vests in the survivor, subject to no other liability than such as exists or has been created under the provisions of this title; in other cases, upon the death of the person whose property was selected as a homestead, it shall go to his heirs or devisees, subject to the power of the court to assign the same for a limited period to the family of the decedent; but in no case shall it be held liable for the debts of the owner, except as provided in this title.

The exemption provided by this subsection shall be in addition to that provided in section 55-1201. Idaho Code this chapter.

(2) Any plan or arrangement described in subsection (1) of this section is not exempt from the claims of an alternate payee under a qualified domestic relations order. However, the interest of any alternate payee under a qualified domestic relations order is exempt from all claims of any creditor, other than the department of health and welfare, or the alternate payee. As used in this subsection, the terms "alternate payee" and "qualified domestic relations order" have the meanings ascribed to them in section 414(p) of the internal revenue code of 1986.

(3) The provisions of subsection (1) of this section apply to any proceeding that is filed on or after July 1, 1988.

In addition to the regular annual meeting, to be held in January, said commission shall
hold other regular quarterly meetings in April, July and October of each year at such places within the state as the commission shall select for the transaction of business. 2. Hold hearings for the purpose of hearing testimony, considering evidence and determining the facts as to when the supply of any of the wildlife in this state will be injuriously affected by the taking thereof, or for the purpose of determining when an open season may be declared for the taking of wildlife. Whenever said commission determines that the supply of any particular species of wildlife is being, or will be, during any particular period of time, injuriously affected by depletion by permitting the same to be taken, or if it should find a longer or different season, or different bag limit should be adopted for the better protection thereof, or if it finds that an open season may be declared without endangering the supply thereof, then it shall make an order embodying its findings in respect to when, under what circumstances, in which localities, by what means, what sex, and in what amounts and numbers the wildlife of this state may be taken.

3. Whenever it finds it necessary for the preservation, protection, or management of any wildlife of this state, by reason of any act of God or any other sudden or unexpected emergency, declare by written order the existence of such necessity, and the cause thereof, and prescribe and designate all affected areas or streams, and close the same to hunting, angling or trapping, or impose such restrictions and conditions upon hunting, angling or trapping as said commission shall find to be necessary.

(A) Every such emergency order shall be made in accordance with the provisions of section 67-5203, Idaho Code.

(B) Any person knowingly hunting, angling or trapping in an area or stream closed by any such emergency order, and before such order has been rescinded, shall be deemed guilty of a misdemeanor.

4. At any time it shall deem necessary for the proper management of wildlife on any game preserve in the state of Idaho, declare an open season in any game preserve as it deems appropriate.

5. (B) The commission may, under rules and regulations as it may prescribe, authorize the director to issue additional controlled hunt permits and collect fees therefore authorizing owners, lessees in control of land valuable for habitat or propagation purposes of deer, elk or antelope, or members of their immediate families, to hunt deer, elk or antelope in controlled hunt units containing the eligible land owned or controlled by those individuals in areas where permits for deer, elk or antelope are limited.

(C) There shall be no fee charged to any individual for submitting an application to participate in a controlled hunt; provided, however, a permit fee of not to exceed three dollars ($3.00) for deer, ten dollars ($10.00) for moose, sheep and goat and five dollars ($5.00) for elk, antelope and such other species as may be determined in the future, shall be charged for the privilege of participating in a controlled hunt. All procedures under this section shall be under the control and in the discretion of the director of the department of fish and game. It is a misdemeanor for any person to transfer any such permit to any other person, or for any person to make use of such permit issued to any other person.

8. Enter into cooperative agreements with educational institutions, and state, federal, or other agencies to promote wildlife research and to train students for wildlife management.

9. Enter into cooperative agreements with state and federal agencies, municipalities, corporations, organized groups of landowners, associations, and individuals for the development of wildlife rearing, propagating, management, protection and demonstration projects.

10. In the event owners or lawful possessors of land have restricted the operation of motor-propelled vehicles upon their land, the commission, upon consultation with all other potentially affected landowners, and having held a public hearing, if
requested by not less than ten (10) residents of any county in which the land is located, may enter into cooperative agreements with those owners or possessors to enforce those restrictions when the restrictions protect wildlife or wildlife habitat. Provided, however, the commission shall not enter into such agreements for lands which either lie outside or are not adjacent to any adjoining the proclaimed boundaries of the national forests in Idaho.

(A) The landowners, with the assistance of the department, shall cause notice of the restrictions, including the effective date thereof, to be posted on the main traveled roads entering the areas to which the restrictions apply. Provided, however, that nothing in this subsection shall allow the unlawful posting of signs or other information on or adjacent to public highways as defined in subsection (5) of section 40-109, Idaho Code.

(C) It shall be a misdemeanor for any person to violate such restrictions on the use of motor-propelled vehicles or to tear down or lay down any fencing or gates enclosing such a restricted area or to willfully remove, mutilate, damage or destroy any notices, signs or markers giving notice of such restrictions. The commission may promulgate rules and regulations to administer the restrictions and cooperative agreements addressed in this subsection.

(d) Organization of Work. The commission shall organize the department, in accordance with the provisions of title 67, Idaho Code, into administrative units as may be necessary to efficiently administer said department. All employees of the department except the director shall be selected and appointed by the director in conformance with the provisions of chapter 53, title 67, Idaho Code.

RELATING TO CHILD SEXUAL ABUSE; EXPRESSING LEGISLATIVE INTENT; AMENDING CHAPTER 14, TITLE 67, IDAHO CODE, BY THE ADDITION OF A NEW SECTION 67-1405, IDAHO CODE, TO PROVIDE DUTIES OF THE ATTORNEY GENERAL REGARDING THE COMPILATION OF REPORTS OF CHILD SEXUAL ABUSE FROM STATE AND LOCAL UNITS OF GOVERNMENT.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. During the first regular session of the centennial legislature, many bills were proposed dealing with the problem of child sexual abuse. The legislature found that information regarding child sexual abusers was incomplete. The purpose of this act is to provide a mechanism whereby information can be collected and collated on a statewide basis so that future policy decisions of the legislature can be based upon a more substantial body of evidence.

SECTION 2. That Chapter 14, Title 67, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW SECTION, to be known and designated as Section 67-1405, Idaho Code, and to read as follows:

67-1405. DUTIES OF THE ATTORNEY GENERAL REGARDING CHILD SEXUAL ABUSE REPORTS. 1. The department of health and welfare, each city police department, each county sheriff and the department of law enforcement shall submit to the office of the attorney general a report of each child sexual abuse incident reported to each agency of state or local government. The report shall contain such information as specified by the attorney general. It shall be the duty of the attorney general to the greatest extent possible to use and develop the information required in this section on forms currently in use by each governmental entity, thus avoiding unnecessary paperwork.

2. It shall be the duty of each county prosecuting attorney to submit to the office of the attorney general a report of each child sexual abuse case handled by the prosecuting attorney. The report required pursuant to this section shall be designed by the attorney general to minimize the paperwork impact on each county prosecutor.

3. The administrative office of the courts shall submit to the office of the attorney general a report showing the disposition of each child sexual abuse case handled by each of the district courts throughout the state. This reporting requirement may be satisfied by submission of a copy of a judgment made and entered in each case.

4. The commission on pardons and parole shall submit to the office of the attorney general a report showing the release or discharge of any individual convicted of a crime involving child sexual abuse. Such report shall be designed to minimize the paperwork impact upon the commission.

5. The office of the attorney general in conjunction with the
governor of the state of Idaho shall report, prepare and submit to the legislature a report showing all of the statistical data and information compiled as a result of the reporting requirement contained within this section. This report shall be prepared and submitted no later than January 20, of each year.

Approved April 5, 1989.

CHAPTER 383
(S.B. No. 1232)

AN ACT
RELATING TO CLEAN LAKES; AMENDING TITLE 39, IDAHO CODE, BY THE ADDITION OF A NEW CHAPTER 64, TITLE 39, IDAHO CODE, TO PROVIDE LEGISLATIVE INTENT, TO DEFINE TERMS, TO PROVIDE A DECLARATION OF POLICIES AND PURPOSES, TO PROVIDE FOR THE ESTABLISHMENT OF A REGIONAL CLEAN LAKES COORDINATING COUNCIL, TO PROVIDE MEMBERSHIP OF THE COUNCIL, TO PROVIDE ADVISORY COMMITTEES, TO PROVIDE A TECHNICAL ADVISORY GROUP, TO PROVIDE DUTIES OF THE REGIONAL COUNCIL, TO PROVIDE RESPONSIBILITIES, TO PROVIDE FOR LAKE MANAGEMENT PLANS, TO PROVIDE MONEYS, TO PROVIDE ORGANIZATION, TO PROVIDE FOR A QUORUM AND TO APPROPRIATE MONEYS TO THE PANHANDLE HEALTH DISTRICT FOR THE PERIOD JUNE 1, 1989, THROUGH JUNE 30, 1990.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Title 39, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW CHAPTER, to be known and designated as Chapter 64, Title 39, Idaho Code, and to read as follows:

CHAPTER 64
CLEAN LAKES ACT

39-6401. LEGISLATIVE INTENT. The legislature finds that the waters of Idaho lakes are threatened with deterioration that may endanger the natural beauty, wildlife values, recreational use and economic potential of the public lake resources; that the state holds all such public lakes in trust for the use of all its citizens; that to preserve and protect the public lakes and to increase and enhance the use and enjoyment of the lakes is in the best interest of all the citizens of the state; that natural lakes form an important basis of the state's economy and that the increasing demand upon the lake waters of this state require coordinated state and local action to maintain and improve the water quality of the lakes.

To this end the legislature declares that it is necessary to embark upon a program of lake water quality protection so that future generations of Idahoans may use and enjoy their natural heritage of clean lakes. This act creates a pilot clean lakes program, to be initiated in the five (5) northern counties of the state of Idaho. The pilot program, hereinafter referred to as the clean lakes program,
shall require a working partnership of federal, state and local agencies. The clean lakes program will conform to and compliment the program authorized by 33 U.S.C. 1324 of the federal water pollution control act.

39-6402. DEFINITIONS. Whenever used in this chapter:
(1) "Council" shall mean the regional clean lakes coordinating council.
(2) "County" shall mean counties created by title 31, Idaho Code, and the term shall include the board of county commissioners.
(3) "Lake" shall mean a natural lake including an entire lake or any portion of a lake which had defined boundaries and historical identification as a lake at the time Idaho became admitted to the union. The existence of a dam or other artificial impoundment at the outlet shall not disqualify an historic natural lake from being included. Lake does not include a reservoir constructed for reclamation or irrigation purposes.
(4) "Region" shall include the counties of Boundary, Bonner, Kootenai, Benewah and Shoshone.

39-6403. DECLARATION OF POLICIES AND PURPOSES. The clean lakes program will include:
(1) Coordination of the activities related to lake water quality enhancement to ensure comprehensive management of the lake resources;
(2) Determination of the priority of lakes for diagnosis, planning and implementation;
(3) Completion of baseline studies of lakes designated for diagnosis, outlining the limnological and environmental characteristics;
(4) Preparation and completion, with consultation with the appropriate agencies and public involvement, of a lake management plan for each lake designated for study;
(5) Development, in consultation with appropriate units of government, of a program of public information designed to help meet the objectives of the lake management plan;
(6) Promotion of public awareness activities to provide information to the general public on lake protection methods and responsibilities;
(7) Technical assistance to lake associations and interested citizens who are engaged in activities consistent with the intent of the clean lakes act; and
(8) Public reports through hearings and otherwise upon lake conditions and the progress of implementation of lake management plans.

Since the public of Idaho has a vested right in the preservation, enhancement, and enjoyment of all the public lakes of Idaho, public participation in every stage of the planning, implementation and recommending processes will be essential. At every stage of the program, consideration of delivering information and education to the general public will be given.

39-6404. ESTABLISHMENT OF A REGIONAL CLEAN LAKES COORDINATING COUNCIL. There is hereby created in the region encompassing Boundary, Benewah, Bonner, Kootenai and Shoshone counties a regional clean lakes
coordinating council. It shall be the responsibility of the clean lakes coordinating council to implement the clean lakes pilot program created by this chapter. The regional clean lakes coordinating council shall be assisted in carrying out its responsibilities by the staffs of the panhandle health district and the division of environmental quality of the department of health and welfare.

39-6405. MEMBERSHIP. The governor shall appoint one (1) member from each participating county to the council and two (2) members at large from the region. Two (2) members of the council will be county commissioners at the time of their appointment. The terms of the members shall be three (3) years with the initial term to be staggered in terms of one (1), two (2) and three (3) years by the governor when he makes the appointment. Members of the regional clean lakes coordinating council shall be compensated as provided in section 59-509(b), Idaho Code.

39-6406. PUBLIC ADVISORY COMMITTEE. The council shall create a public advisory committee comprised of nominees or designated representatives of any incorporated nonprofit membership lake association and any Indian tribe whose reservation touches upon a lake. The public advisory committee may meet with the council with full right to participate in all proceedings and discussions except that public advisory committee members shall not be voting members.

39-6407. TECHNICAL ADVISORY GROUP. To assist in its objectives, the council shall create a technical advisory group which may include the designated representatives of the public health district, city and county planning or engineering departments, Department of Health and Welfare, Department of Lands, Department of Fish and Game, Department of Parks and Recreation, Department of Water Resources, State Soil Conservation Commission, United States Forest Service, United States Bureau of Land Management, United States Army Corps of Engineers, United States Agricultural Conservation and Stabilization Services, United States Environmental Protection Agency, United States Geological Survey or any one or more of said agencies and such representatives of agriculture, conservation, forest products, sportsmen and mining interests as may be appointed by the county. Indian tribes may nominate a representative for the technical advisory group to the county for appointment to the group. Members shall serve without state compensation except such normal compensation received by members who are state employees serving in the normal course and scope of their employment.

39-6408. DUTIES OF THE REGIONAL COUNCIL. The regional council shall have the following duties:

(1) To coordinate the activities related to water quality enhancement to ensure a comprehensive management of the lake resources.

(2) To conduct a public awareness program to educate the general public on lake protection methods and responsibilities.

(3) To make an examination of environmental conditions in, upon
and around those lakes in the county or counties where the council recognizes public concern for protection and enhancement of lakes. Recognizing the desirability of avoiding duplication or overlapping with others, the council may accept, adopt, incorporate or expand upon any study or examination that has heretofore been made by any private association, city, county, state or federal agency or government or any combination thereof. The objective shall be to obtain a scientifically sound baseline study for planning future action by the council or by other appropriate agencies or governmental bodies.

(4) To undertake and complete lake management plans and recommendations based upon such examination and studies. The plan to be prepared shall specifically identify and address lake protection concerns upon the lake and within the surrounding area where land use, scenic values, residential development, wildlife habitat, commerce, and other forms of human activity is both influenced by the lake and may reasonably be expected to significantly impact the environmental status of the lake.

(5) To promote the implementation of the plan by serving in an advisory capacity to those county, state and federal units of government with responsibilities which affect lake management or lake water quality.

(6) To follow, observe and make public report through hearings and otherwise upon the implementation of lake management plans and upon lake conditions in general whether or not management plans have been adopted.

39-6409. RESPONSIBILITIES. (1) The responsibilities of a council are on-going and continuous. The council shall have the authority to complete the examination and studies and make its plans and recommendations for one (1) or more lakes without regard to the status of any studies or plans upon any other lake.

(2) The council shall not have any regulatory or enforcement powers.

39-6410. LAKE MANAGEMENT PLANS. (1) Whenever the council has obtained and accepted an examination and baseline study, it shall make the same available to all appropriate and interested city, county, health district and state agencies and to any interested or affected lake agencies and to the interested individuals or lake associations. For a period of ninety (90) days after dissemination, any interested agency or person or association may submit written suggestions, comments or proposals for a lake management plan or recommendations to the council.

(2) The council shall thereafter prepare a lake management plan and recommendation which shall be completed within one hundred eighty (180) days after dissemination of the examination and baseline study.

(6) The council shall provide copies of its lake management plan and recommendation to all agencies, persons and associations who have indicated an interest in the examination and baseline study. SECTION 1. That Chapter 42, Title 67, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW SECTION, to be known and designated as Section 67-4240, Idaho Code, and to read as follows:

67-4240. LEGISLATIVE INTENT. The legislature finds that in order to obtain the maximum long-term benefits to the people of Idaho, it is necessary for lands of outstanding park and recreation potential to be acquired and incorporated into the state park system in the most economical manner possible.

The legislature further recognizes that the land assets of the department must be reviewed from time to time to determine whether such assets are most suitable for achieving the department's objectives. If such assets are unsatisfactory for the purpose of providing outstanding park and recreation opportunities or because of geographic location or other factors are inefficient to manage, then such assets should be replaced by other, more suitable assets so that the full potential of the state park system shall be realized.

The purpose of this chapter is to provide a means to facilitate the disposition, by the parks and recreation board, of unsuitable park and recreation lands, and the acquisition of lands to improve the overall park and recreation opportunities offered by the state park system.

SECTION 2. That Chapter 42, Title 67, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW SECTION, to be known and designated as Section 67-4241, Idaho Code, and to read as follows:

67-4241. PARK LAND TRUST -- CREATED -- ACQUISITION OF PROPERTY AUTHORIZED. 67-4242. EXCHANGE OR SALE OF PROPERTY HELD IN PARK LAND TRUST. The parks and recreation board may:

1. Exchange property held in the park land trust for any land of equal value which it administers, provided such exchange is not prohibited by title restrictions on such lands;

2. Exchange property held in the park land trust for property of equal or greater value which is owned publicly or privately and which has greater potential for park and recreation purposes, property which could be more efficiently managed by the department, or property which could be traded for other lands with high park and recreation poten-
No power of eminent domain is hereby granted to the department;
(3) Sell property held in the park land trust as provided in section 67-4227, Idaho Code, at a price not less than its appraised value, and use the proceeds from such sale to acquire property for the park land trust which has substantial potential for park and recreation purposes, which can be efficiently managed by the department, or which can be traded for other lands with high park and recreation potential.

SECTION 4. That Chapter 42, Title 67, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW SECTION, to be known and designated as Section 67-4243, Idaho Code, and to read as follows:

67-4243. CONTROL, MANAGEMENT, AND ADMINISTRATION OF PROPERTY HELD IN PARK LAND TRUST. The department of parks and recreation shall control, manage, and administer the property held in the park land trust as provided in chapter 42, title 67, Idaho Code. Income from the sale or management of property in the park land trust shall be returned as a recovered expense to the park land account and may be used to acquire property under section 67-4224, Idaho Code. SECTION 1. That Section 67-7034, Idaho Code, be, and the same is hereby amended to read as follows:

67-7034. PERSONS UNDER THE INFLUENCE OF ALCOHOL, DRUGS OR ANY OTHER INTOXICATING SUBSTANCES. (1) It is unlawful for any person who is under the influence of alcohol, drugs or any other intoxicating substances, or who has an alcohol concentration of 0.10, as defined in subsection (5) of this section, or more, as shown by analysis of his blood, urine, breath, or other bodily substance, to operate or be in actual physical control of a vessel on the waters of the state of Idaho if the person in the operation of the vessel operates the vessel carelessly and heedlessly or without due caution and circumspection or at a speed or in a manner so as to endanger or be likely to endanger any person or property.

(2) Any person having an alcohol concentration of less than 0.10, as defined in subsection (5) of this section, as shown by analysis of his blood, urine, breath, or other bodily substance, by a test requested by an authorized law enforcement officer shall not be prosecuted for operating under the influence of alcohol, except as provided in subsection (3) of this section. Any person who does not take a test to determine alcohol concentration or whose test result is determined by the court to be unreliable or inadmissible against him, may be prosecuted for operating or being in actual physical control of a vessel while under the influence of alcohol, drugs, or any other intoxicating substances, or other competent evidence.

(3) If the results of the test requested by an authorized law enforcement officer show a person's alcohol concentration of less than 0.10, as defined in subsection (5) of this section, such fact may be considered with other competent evidence of drug use other than alcohol in determining the guilt or innocence of the defendant.

(4) Persons authorized to withdraw blood for the purposes of determining content of alcohol or other intoxicating substances are those persons authorized in section 18-8003, Idaho Code.

(5) For purposes of this chapter, an evidentiary test for alcohol concentration is a determination of the percent by weight of alcohol in blood and shall be based upon a formula of grams of alcohol per one hundred (100) cubic centimeters of blood, per two hundred ten (210) liters of breath or sixty-seven (67) milliliters of urine. Analysis of blood, urine or breath for the purpose of determining the blood alcohol concentration shall be performed by a laboratory operated by the Idaho department of law enforcement or by a laboratory approved by the Idaho department of law enforcement under the provisions of approval and certification standards to be set by that department, or by any other method approved by the Idaho department of law enforcement. Notwithstanding any other provision of law or rule of court, the results of any test for alcohol concentration and records relating to calibration, approval, certification or quality control performed by a laboratory operated or approved by the Idaho department of law enforcement or by any other method approved by the Idaho department of law enforcement shall be admissible in any proceeding in this state without the necessity of producing a witness to establish the reliability.
(6) It is unlawful for any person who is an habitual user of, or under the influence of any narcotic drug, or who is under the influence of any other drug or any combination of alcohol and any drug to a degree which renders him incapable of safely operating a vessel to operate or be in actual physical control of a vessel on the waters of the state of Idaho. The fact that any person charged with a violation of the provisions of this subsection is or has been entitled to use such drug under the laws of this state shall not constitute a defense against any charge of a violation of the provisions of this subsection.

(7) Notwithstanding any other provision of law, any evidence of conviction under this section shall be admissible in any civil action for damages resulting from the occurrence. A conviction for the purposes of this section means that the person has pled guilty or has been found guilty, notwithstanding the form of the judgment or withheld judgment.

Each report shall be cumulative of all miles traveled during all
calendar months in that year for which the report is made.

(2) Every owner whose use fees are computed as specified in section 49-434, Idaho Code, shall maintain records and purchase documents to substantiate and justify the use of such schedule and shall permit the department to inspect the same upon demand. When the records are maintained outside this state by owners engaged in transportation in this state, the owner shall reimburse the department for reasonable expenses incurred by the department in making audits of those records and accounts at the out-of-state location. The owner or the department may request that the records be presented at a place within the state designated by the department. The records must be presented by a representative of the owner familiar with the records and who is responsible for the safekeeping of the records. An owner who willfully fails to maintain records and purchase documents to substantiate and justify the mileage reported shall have the registration of all vehicles registered under sections 49-434 and 49-435, Idaho Code, cancelled until such time as adequate records are provided.

In determining the necessity for an applicant or owner to maintain a deposit the department shall consider the applicant or owner's financial capability and responsibility and prior experience, if any, in collecting fees or penalties from the applicant, owner or any person having a substantial interest or control, directly or indirectly, in or over the operations conducted or to be conducted under the registration.

(b) The department may accept in lieu of a deposit a bond to secure payment of sums payable by the owner. If an informal conference is held, the written report of the results of that conference shall be provided to the director within ten (10) days. If the results of the informal conference are not satisfactory to the owner, he may continue with the appeal by informing the director in writing, and the director or his authorized representative shall appoint a hearing officer to conduct a contested case hearing in accordance with chapter 52, title 67, Idaho Code. The hearing officer may subpoena witnesses and evidence and administer oaths. The hearing officer shall prepare written findings of fact and conclusions of law for the director or his authorized representative. RELATING TO CHILD SUPPORT ORDERS; AMENDING SECTION 32-706, IDAHO CODE, TO PROVIDE THAT CONSIDERATION OF THE FINANCIAL RESOURCES, NEEDS AND OBLIGATIONS OF EITHER PARENT ORDINARILY SHALL NOT INCLUDE A PARENT'S COMMUNITY PROPERTY INTEREST IN THE FINANCIAL RESOURCES OR OBLIGATIONS OF A Spouse WHO IS NOT A PARENT OF THE CHILD UNLESS COMPELLING REASONS EXIST AND TO PROVIDE THAT THE ACTUAL TAX BENEFIT RECOGNIZED BY THE PARTY CLAIMING THE FEDERAL CHILD DEPENDENCY EXEMPTION IS AN ADDITIONAL FACTOR IN DETERMINING THE AMOUNT OF CHILD SUPPORT TO BE ORDERED BY THE COURT; AND AMENDING CHAPTER 7, TITLE 32, IDAHO CODE, BY THE ADDITION OF A NEW SECTION 32-706A, IDAHO CODE, TO AUTHORIZE AND ENCOURAGE THE SUPREME COURT TO ADOPT GUIDELINES FOR CHILD SUPPORT, AND TO MAKE EXISTING SUPREME COURT GUIDELINES PRESUMPTIVE; AND TO PROVIDE A SUNSET CLAUSE.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 32-706, Idaho Code, be, and the same is hereby amended to read as follows:

32-706. CHILD SUPPORT. A. In a proceeding for divorce or child support, the court may order either or both parents owing a duty of support to a child to pay an amount reasonable or necessary for his or
her support, without regard to marital misconduct, after considering all relevant factors which may include:

1. The financial resources of the child;
2. The financial resources, needs, and obligations of both the custodial and noncustodial parents which ordinarily shall not include a parent's community property interest in the financial resources or obligations of a spouse who is not a parent of the child, unless compelling reasons exist;
3. The standard of living the child enjoyed during the marriage;
4. The physical and emotional condition and needs of the child and his or her educational needs;
5. The availability of medical coverage for the child at reasonable cost;
6. The actual tax benefit recognized by the party claiming the federal child dependency exemption.

B. Any child support order issued or modified under this section after July 1, 1986, shall contain a provision allowing the obligee to enforce the order by income withholding if arrearages at least equal to the support payable for one (1) month accumulate under the order; and shall include the notice required in section 32-1205, Idaho Code, advising the obligor that the obligee can seek enforcement of the order by means of a mandatory income withholding order issued pursuant to this chapter without further notice to the obligor whenever there are arrearages at least equal to the support payment for one (1) month.

Failure to include this provision does not affect the validity of the support order. If the social security number of the person obligated to make child support payments under the support order or decree is available, the court shall require that the social security number of the obligor be included in the order or decree.

SECTION 2. That Chapter 7, Title 32, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW SECTION, to be known and designated as Section 32-706A, Idaho Code, and to read as follows:

32-706A. PURPOSE — AUTHORIZATION TO ADOPT GUIDELINES — GUIDELINES TO BE PRESUMPTIVE. A. The purpose of this act is to provide compliance with recent federal action whereby the congress of the United States has enacted 42 USC 667 as amended by public law 100-485, 102 STAT 2343, which measure requires that, effective October 13, 1989, as a condition to having a state plan for the receipt of federal aid for dependent children funds approved, a state must establish child support guidelines, which are to have a rebuttable presumption of being the correct amount for purposes of setting the level of child support, unless in a particular case the court finds, under criteria established by the legislature of the state that application of the guidelines would be unjust or inappropriate. In addition, the purpose of this act is to recognize and give presumptive effect to the child support guidelines which have been adopted by the supreme court of the state of Idaho, to be effective on and after April 1, 1989, which guidelines have been declared by the supreme court to be advisory, as
an aid for the litigants and the courts to evaluate the needs of the children and the resources of the parents in determining the appropriate level of child support.

B. The legislature hereby authorizes and encourages the supreme court of the state of Idaho to adopt and to periodically review for modification, guidelines to promote uniform and adequate child support awards, to supplement the factors set forth in section 32-706, Idaho Code, to be used as an aid and a structure for litigants and courts to evaluate the individual circumstances of the needs of children and the resources of parents, in determining the levels of child support, and in evaluating the evidentiary circumstances of each individual case.

C. In arriving at the amount to be ordered as child support, the court, in addition to considering the factors described in section 32-706, Idaho Code, shall also apply the guidelines adopted by the supreme court of the state of Idaho on January 27, 1989, and as those guidelines are from time to time amended. There shall be a rebuttable presumption that the amount of the award which would result from the application of the guidelines is the amount of child support to be awarded, unless evidence is presented in a particular case which indicates that an application of the guidelines would be unjust or inappropriate. If the court determines that circumstances exist to permit a departure from the guidelines, the judge making the determination shall make a written or specific finding on the record that the application of the guidelines would be unjust or inappropriate in the particular case before the court.

SECTION 3. The provisions of Section 2 of this act shall be null, void and of no force and effect on and after July 1, 1991.

Approved April 7, 1989.

The director may from time to time make, amend and rescind such rules and forms as are necessary to carry out the provisions of this chapter. No rule or form may be made unless the director finds that the action is necessary or appropriate in the public interest or for the protection of investors and consistent with the purposes of this chapter.
(2) Neither the director nor any employees of the director shall use any information which is filed with or obtained by the director which is not public information for personal gain or benefit, nor shall the director nor any employees of the director conduct any securities or commodity dealings whatsoever based upon any such information, even though public, if there has not been a sufficient period of time for the securities or commodity markets to assimilate such information.

30-1515. CONSENT TO SERVICE OF PROCESS. When a person including a nonresident of this state, engages in conduct prohibited or made actionable by the provisions of this chapter or any rule or order of the director, such conduct shall constitute the appointment of the director and his successors as the person's attorney to receive service of any lawful process in a noncriminal proceeding against the person, a successor, or personal representative, which grows out of that conduct and which is brought under this chapter or any rule or order of the director with the same force and validity as if served personally.

30-1516. SCOPE. (1) Sections 30-1502, 30-1505 and 30-1506, Idaho Code, apply to persons who sell or offer to sell when:

   (b) Is directed by the offeror to this state and received at the place to which it is directed or at any post office in this state in the case of a mailed offer.
(4) For the purpose of this section, an offer to buy or to sell is accepted in this state when acceptance:
   (a) Is communicated to the offeror in this state, and
   (b) Has not previously been communicated to the offeror, orally or in writing, outside this state; and acceptance is communicated to the offeror in this state, whether or not either party is then present in this state, when the offeree directs it to the offeror in this state, reasonably believing the offeror to be in this state and it is received at the place to which it is directed or at any post office in this state in the case of a mailed acceptance.

30-1517. PROCEDURE FOR ENTRY OF AN ORDER. (1) The director shall commence an administrative proceeding under this chapter by entering either a notice of intent to do a contemplated act or a summary order. The notice of intent or summary order may be entered without notice, without opportunity for hearing, and need not be supported by findings of fact or conclusions of law, but must be in writing.

(3) If the proceeding is pursuant to a summary order, the director, whether or not a written request for a hearing is received from any interested party, may set the matter down for hearing on the director's own motion.

(4) If no hearing is requested and none is ordered by the director, the summary order will automatically become a final order after thirty (30) business days.

(5) If a hearing is requested or ordered, the director, after notice of an opportunity for hearing to all interested persons, may modify or vacate the order or extend it until final determination.

(6) No final order or order after hearing may be returned without:
(a) Appropriate notice to all interested persons;
(b) Opportunity for hearing by all interested persons; and

CHAPTER 417
(H.B. No. 304, As Amended)

AN ACT RELATING TO FREE-STANDING SKILLED NURSING FACILITIES AND INTERMEDIATE CARE FACILITIES; AMENDING SECTION 56-108, IDAHO CODE, TO PROVIDE WHEN THE EFFECTIVE AGE OF A FACILITY SHALL BE ADJUSTED, TO PROVIDE THE EXTENT TO WHICH RENT MAY BE INCREASED, TO PROVIDE A BASE RENTAL RATE, TO PROVIDE THAT THE GRANDFATHER RATE MAY BE ADJUSTED FOR CERTAIN REPLACEMENTS AND RENOVATIONS OF FACILITIES, AND TO PROVIDE A FORMULA FOR DETERMINING THE GRANDFATHERED RATE.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 56-108, Idaho Code, be, and the same is hereby amended to read as follows:

56-108. PROPERTY REIMBURSEMENT -- FACILITIES WILL BE PAID A PROPERTY RENTAL RATE, PROPERTY TAXES AND REASONABLE PROPERTY INSURANCE. The provisions of this section shall not apply to hospital-based facilities which are subject to the provisions of section 56-120, Idaho Code. The provisions of this section are applicable to all other facilities. The property rental rate includes compensation for major movable equipment but not for minor movable equipment. However, the property rental rate for intermediate care facilities for the mentally retarded shall not include compensation for major movable equipment. The property rental rate is paid in lieu of payment for amortization, depreciation, and interest for financing the cost of land and depreciable assets. However, reimbursement for the cost of major movable equipment for intermediate care facilities for the mentally retarded shall be excluded from the property rental rate and shall be reimbursed according to other provisions of this chapter and to provisions of health insurance manual 15 as promulgated by the U.S. department of health and human services. Prior to final audit, the director shall determine an interim rate that approximates the property rental rate. The property rental rate shall be determined as follows:

(1) Except as determined pursuant to this section and as modified by section 56-109, Idaho Code:

Property rental rate = ("Property base") x ("Change in building
(c) $ \text{Costs} \times (40 - \text{"Age of facility"}) \\
\quad 40$

where:

(a) "Property base" = $9.24 for all facilities except intermediate care facilities for the mentally retarded. Beginning the effective date of this subsection, the property base rate for intermediate care facilities for the mentally retarded shall be $8.94. (Property base = $5.81 for intermediate care facilities for the mentally retarded not designed for the care of nonambulatory patients as determined by the director.)

(b) "Change in building costs" = 1.0 from April 1, 1985, through December 31, 1985. However, for intermediate care facilities for the mentally retarded, "change in building costs" = 1.0 from the effective date of this subsection through December 31, 1986. Thereafter "Change in building costs" will be adjusted for each calendar year to reflect the reported annual change in the building cost index for a class D building in the western region, as of September of the prior year, published by the Marshall Swift Valuation Service.

(c) "Age of facility" = the director shall determine the effective age, in years, of the facility by subtracting the year in which the facility, or portion thereof, was constructed from the year in which the rate is to be applied. No facility or portion thereof shall be assigned an age of more than thirty (30) years.

(i) If adequate information is not submitted by the facility to document that the facility, or portion thereof, is newer than thirty (30) years, the director shall set the effective age at thirty (30) years. Adequate documentation shall include, but not be limited to, such documents as copies of building permits, tax assessors' records, receipts, invoices, building contracts, and original notes of indebtedness. The director shall compute an appropriate age for facilities when documentation is provided to reflect expenditures for building expansion or remodeling prior to the effective date of this section. The computation shall decrease the age of a facility by an amount consistent with the expenditure and the square footage impacted and shall be calculated as follows:

1. Determine, according to indexes published by the Marshall Swift Valuation Service, the construction cost per square foot of an average class D convalescent hospital in the western region for the year in which the expansion or renovation was completed.
2. Multiply the total square footage of the building following the expansion or renovation by the cost per square foot to establish the estimated replacement cost of the building at that time.
3. The age of the building at the time of construction shall be multiplied by the quotient of total actual renovation or remodeling costs divided by replacement cost. If this number is equal to or greater than 2.0, the age of the building in years will be reduced by this number, rounded to the nearest whole number. In no case...
will the age be less than zero.

(ii) The director shall adjust the effective age of a facility as a result of necessary major repairs, approved in advance, when major repairs, replacement, remodeling or renovation initiated after April 1, 1985, and completed prior to December 31, 1989, would result in a change in age of at least one (1) year. Such changes shall not increase the allowable property rental rate by more than one-half (1/2) three-fourths (3/4) of the difference between the initial property rental rate for the facility and the property base shown in paragraph (a) of this subsection adjusted property base determined in subsections (1)(a) and (1)(b) of this section and the rental rate paid to the facility at the time of completion of such changes but before the change component has been added to said rate. The adjusted effective age of the facility will be used in future age determinations, unless modified by provisions of this chapter.

(iii) The director shall allow for future adjustments to the effective age of a facility or its rate to reimburse an appropriate amount for property expenditures resulting from new requirements imposed by state or federal agencies. The director shall, within twelve (12) months of verification of expenditure, reimburse the medicaid share of the entire cost of such new requirements as a one-time payment if the incurred cost for a facility is less than one hundred dollars ($100) per bed.

(d) At no time shall the property rental rate, established under subsection (1) of this section, be less than that allowed in subsection (1)(c)(ii), with the rate in effect December 31, 1988 being the base. However, subsequent to the application of this paragraph, before any rate increase may be paid, it must first be offset by any rate decrease that would have been realized if the provisions of this paragraph had not been in effect.

(2) A "grandfathered rate" for existing facilities will be determined by dividing the audited allowable annual property costs, exclusive of taxes and insurance, for assets on hand as of January 1, 1985 by the total patient days in the period July 1, 1984 through June 30, 1985. However, a "grandfathered rate" for existing intermediate care facilities for the mentally retarded will be determined by dividing the audited allowable annual property costs, exclusive of taxes, insurance and costs of major movable equipment, for assets on hand as of January 1, 1986 by the total patient days in the period July 1, 1985 through June 30, 1986. The property rental rate will be the greater of the amount determined pursuant to subsection (1) of this section, or the grandfathered rate. The director shall adjust the grandfathered rate of a facility to compensate the owner for the cost of necessary major repairs, replacement, expansion or remodeling, and renovation initiated prior to April 1, 1985, and completed after January 1, 1985, but completed no later than December 31, 1985. Such changes shall not increase the allowable property rental rate by more than one-half (1/2) of the difference between the initial property rental rate and the property base shown in subsection (1)(a) of this
section The director shall adjust the grandfathered rate of a facility to compensate the owner for the cost of major repairs, replacement, expansion, remodeling and renovation initiated prior to April 1, 1985, and completed after January 1, 1985, but completed no later than December 31, 1985. For facilities receiving a grandfathered rate making major repairs, replacement, expansion, remodeling or renovation, initiated after January 1, 1986, the director shall compare the grandfathered rate of the facility to the actual depreciation, amortization, and interest for the current audit period plus the per diem of the recognized cost of major repairs, replacement, expansion, remodeling or renovation, amortized over the American Hospital Association guideline component useful life. The greater of the two (2) numbers will be allowed as the grandfathered rate. Such changes shall not increase the allowable grandfathered rate by more than three-fourths (3/4) of the difference between the current grandfathered rate and the adjusted property base determined in subsections (1)(a) and (1)(b) of this section.

(3) The property rental rate per day of care paid to facilities with leases signed prior to March 30, 1981, will be the sum of the annualized allowed lease costs and the other annualized property costs for assets on hand as of January 1, 1985, exclusive of taxes and insurance when paid separately, divided by total patient days in the period June 30, 1983 through July 1, 1984. However, the property rental rate per day of care paid to intermediate care facilities for the mentally retarded with leases signed prior to March 30, 1981, will be the sum of the annualized allowed lease costs and the other annualized property costs for assets on hand as of January 1, 1986, exclusive of costs related to major movable equipment, taxes, and insurance when paid separately, divided by total patient days in the period July 1, 1985, through June 30, 1986. Where such leases contain provisions that bind the lessee to accept an increased rate, reimbursement shall be at a rate per day of care which reflects the increase in the lease rate. Where such leases bind the lessee to the lease and allow the rate to be renegotiated, reimbursement shall be at a rate per day of care which reflects an annual increase in the lease rate not to exceed the increase in the consumer price index for renters costs. After the effective date of this subsection, if such a lease is terminated or if the lease allows the lessee the option to terminate other than by purchase of the facility, the property rental rate shall become the amount determined by the formula in subsection (1) of this section as of the date on which the lease is or could be terminated.

(4) (a) In the event of a sale, except under the conditions of paragraph (b) of this subsection, the buyer shall receive the property rental rate, not modified by section 56-109, Idaho Code, if the seller was receiving a grandfathered rate. If the seller was receiving a rate other than a grandfathered rate, the buyer shall receive the seller’s rate.

(b) In the event of a forced sale of a facility where the seller has been receiving a grandfathered rate, the buyer will receive a rate based upon his incurred property costs, exclusive of taxes and insurance, for the twelve (12) months following the sale, divided by the facility’s total patient days for that period, or
the property rental rate, not modified by section 56-109, Idaho Code, whichever is higher, but not exceeding the rate that would be due the seller.

Approved April 11, 1989.

CHAPTER 420
(S.B. No. 1238)

AN ACT
RELATING TO TIMBER SALES ON STATE LANDS; AMENDING TITLE 58, IDAHO CODE, BY THE ADDITION OF A NEW CHAPTER 10, TITLE 58, IDAHO CODE, TO PROVIDE A SHORT TITLE, TO PROVIDE LEGISLATIVE FINDINGS AND PURPOSES, TO DEFINE TERMS, TO PROVIDE FOR SALE OF STATE TIMBER, TO PROVIDE FOR CERTIFICATION AND APPROVAL OF BIDDERS ON STATE TIMBER, TO PROVIDE FOR REMOVAL FROM THE LIST OF CERTIFIED BIDDERS, TO PROVIDE DUTIES OF THE ATTORNEY GENERAL, AND TO PROVIDE SEVERABILITY.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Title 58, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW CHAPTER, to be known and designated as Chapter 10, Title 58, Idaho Code, and to read as follows:

CHAPTER 10
TIMBER SUPPLY STABILIZATION

58-1001. SHORT TITLE. This chapter may be known and cited as the "Timber Supply Stabilization Act of 1989."

58-1002. LEGISLATIVE FINDINGS AND PURPOSES. (1) The legislature of the state of Idaho finds:
(a) That state forests are a valuable resource to the people of Idaho, providing employment opportunities and a significant source of income to the state and endowed state institutions;
(b) That section 8, article ix, of the constitution of the state of Idaho provides that the state board of land commissioners manage state forests in such manner as will secure the maximum long-term financial return to the institution to which granted or to the state if not specifically granted;
(c) That maximum long-term financial returns to the institutions to which granted or to the state if not specifically granted with state forests is derived from processing within Idaho timber from state forests because this sustains a healthy forest products industry in Idaho, thereby ensuring a sufficient number of bidders to compete for the timber, generating increased financial returns for it;
(d) That a stable supply of timber for the Idaho forest products industry will induce businesses to invest in processing facilities in Idaho, providing more jobs to Idaho's people; and
(e) That the growth of the forest products industry in Idaho produced by a stable timber supply will contribute to the maximum long-term financial return to the institution or to the state by generating increased corporate and individual income and property taxes.
(2) It is hereby declared that the purposes of this chapter are:
(a) To promote wood processing and manufacturing in Idaho to generate related business and employment opportunities, creating additional corporate and individual income and property taxes for the state and its endowed institutions; and
(b) To act as a market participant in the timber market in a way that helps enhance the long-term maximum value of state forests by ensuring that an adequate proportion of the total sales of timber sold by the state of Idaho is sold to qualified purchasers within Idaho.

58-1003. DEFINITIONS. As used in this chapter:
(1) "Board" means the Idaho state board of land commissioners.
(2) "Person" means any individual, association, partnership, corporation, trust, or other legal entity.
(3) "Qualified bidder" means a person who has neither processed outside of Idaho, nor sold to another person who has processed outside of Idaho, five per cent (5%) or more of the cumulative total of the timber from state forests he or she has purchased; provided, however, that the purchase and disposition of pulp logs, as such logs are defined by the board, shall not be considered in determining whether a purchaser is qualified.
(4) "State forests" mean all forest lands owned by the state of Idaho, including those lands granted to an institution by the federal government, which are managed or controlled by the board pursuant to section 8, article ix, of the constitution of the state of Idaho.
(5) "Wood processing or manufacturing" means the conversion of logs into finished wood products generally recognized as consumer goods, including, but not limited to: paper, shakes, lumber, shingles, plywood and panel products, utility and other finished poles, and posts and other fence products. Wood processing or manufacturing shall not include removing bark and the immediate underlying surfaces of logs thereby producing cants for export outside the boundaries of the state.

58-1004. SALE OF STATE TIMBER. (1) Each fiscal year, the board shall offer ninety-five per cent (95%) of the total volume of the year's timber sales from state forests, exclusive of estimated pulp log volumes from state forests, for sale to qualified bidders. The remaining five per cent (5%) of the total volume of the year's timber sales shall be offered for sale to all persons, regardless of whether they are qualified bidders under this chapter.
(2) Notwithstanding the provisions of subsection (1) of this section, the board shall, if it finds after consideration of unantici-
pated dislocations in local timber supplies that timber from state forests in certain regions of the state will not be needed by qualified bidders, offer such timber for sale to all persons without regard to whether they are qualified bidders. In addition, if the board determines that a purchaser who has previously acquired state timber is adversely affected by a market dislocation, such purchaser may dispose of his timber without affecting his qualified bidder status.

(3) In the event qualified bidders do not purchase timber offered for sale exclusively to them, the board, if it finds after consideration of the reasons the timber was not sold, that it is in the best interests of the state and the endowed institutions, may offer the timber for sale to all bidders, without regard to whether they are qualified bidders as defined herein. The purchase and disposition of such timber shall not be considered in determining whether a person is a qualified bidder for subsequent timber sales.

58-1005. CERTIFICATION AND APPROVAL OF BIDDERS PRIOR TO BIDDING. A person must be certified by the board as qualified prior to participating in any bidding for state forest timber offered for sale under the provisions of this chapter as described in subsection (1) of section 58-1004, Idaho Code. In support of such certification, each bidder shall present at the request of the board the timber purchase and disposition records described in this section. Such records shall show the cumulative annual purchases and disposition of timber from state forests for the years preceding the date of the timber sale; provided, however, that in no event shall the disposition of timber from a sale prior to the effective date of this chapter be considered. Any person seeking certification who has not previously purchased timber from state forests shall provide the board with the names and addresses of all persons who have any financial interest in the purchase or disposition of the timber, whether such interest results from open loans, mortgages, conditional sales, contracts, silent partnerships, trusts, or any other basis other than trade accounts incurred in the ordinary course of business, and the amounts of such interests. Persons seeking certification shall further provide any other information the board reasonably requires to determine whether such person is a qualified bidder as defined herein. In determining the status of a person, the board may take into consideration other evidence, such as scaling records, load tickets for vehicles transporting forest products, and other written and oral testimony. The information received pursuant to this section shall be only for the confidential use of the board or the department and shall not be available to the general public unless the person seeking to become a qualified bidder authorizes a release of such information.

58-1006. REMOVAL FROM LIST OF CERTIFIED BIDDERS. The board shall maintain a current list of all certified bidders. The board shall immediately remove from its list of certified bidders any person who ceases to meet the definition of a qualified bidder as defined in section 58-1003, Idaho Code. Any person removed from the list of qualified bidders shall be ineligible for a period of five (5) years to participate in any bidding on timber sales reserved for qualified bid-
ders. The board shall retain the power to make the final determination upon a bidder's status.

58-1007. IMPLEMENTATION OF THIS CHAPTER. It is therefore declared to be the policy of the state to provide for the protection of the environment and the promotion of personal health and to thereby protect and promote the health, safety and general welfare of the people of this state.

2. The goal of the legislature in enacting the ground water quality protection act of 1989 shall be to maintain the existing high quality of the state's ground water and to satisfy existing and projected future beneficial uses including drinking water, agricultural, industrial and aquacultural water supplies. All ground water shall be protected as a valuable public resource against unreasonable contamination or deterioration. The quality of degraded ground water shall be restored where feasible and appropriate to support identified beneficial uses.

3. In enacting this law, the legislature intends to prevent contamination of ground water from point and nonpoint sources of contamination to the maximum extent practical. In attaining the goals enumerated in subsections 1 and 2 of this section, the legislature wishes to enumerate the following ground water quality protection goals:

a. It is the policy of the state to prevent contamination of ground water from any source to the maximum extent practical.

b. The discovery of any contamination that poses a threat to existing or projected future beneficial uses of ground water shall require appropriate actions to prevent further contamination. These actions may consist of investigation and evaluation or enforcement actions if necessary to stop further contamination or clean up existing contamination as required under the environmental protection and health act.

c. All persons in the state should conduct their activities so as to prevent the nonregulated release of contaminants into ground water.

d. Education of the citizens of the state is necessary to preserve and restore ground water quality.

4. The board of health and welfare may adopt, by rule, after consultation with the ground water quality council, ambient ground water quality standards for contaminants for which the administrator of the United States environmental protection agency has established drinking water maximum contaminant levels. The board, after consultation with the ground water quality council, may adopt by rule such ground water quality standards for contaminants for which the administrator has not established drinking water maximum contaminant levels. However, the existence of such standards, or the lack of them, should not be construed or utilized in derogation of the ground water quality protection goal and protection policies of the state.

5. The departments of health and welfare, water resources and agriculture should take actions necessary to promote and assure public confidence and public awareness of ground water quality protection. agency in excess of eight-per-cent—(8%)—(or such lesser-per-cent percentage of a housing sponsor's equity in such housing project as shall be prescribed by rules and regulations of the agency) of a housing sponsor's equity in such project, nor shall any of the principals or stockholders of such a housing sponsor at any time earn, accept, or receive a return greater than eight-per-cent—(8%)—per-annum—(or such lesser-per-cent percentage of its investment in such housing project as shall be prescribed by rules and regulations of the agency) of--its investment--in--such--housing--project--financed--by-the--Idaho-housing agency. A housing sponsor's equity in a housing project shall consist of the difference between the mortgage loan and the total housing project cost.

SECTION 5. That Section 67-6207B, Idaho Code, be, and the same is hereby amended to read as follows:

67-6207B. MORTGAGE LOANS -- RULES AND REGULATIONS -- PURCHASE. The agency shall promulgate rules and regulations governing the various programs which it has authorized to be undertaken. In promulgating such regulations it shall consider the following:

(a) The agency shall from time to time adopt, modify or repeal rules and regulations governing the making of loans to housing sponsors and the purchase and sale of mortgage loans from mortgage lenders and the application of the proceeds thereof, including rules and regulations as to any or all of the following:

(1) Restrictions as to the interest rates on mortgage loans or the return realized therefrom by mortgage lenders;
(2) Requirements as to disbursements and commitments by mortgage lenders with respect to mortgage loans;
(3) Rules and regulations relative to the purchase and sale of mortgage loans shall be designed to effectuate the general purposes of this act and the following specific objectives:

(i) the expansion of the supply of funds in this state available for mortgage loans for persons of low income;
(ii) the provision of the additional housing for persons of low income needed to remedy the shortage of adequate housing in this state and eliminate the existence of a large number of substandard dwellings;
(iii) the restriction of the financial return and benefit to that necessary to protect against the realization by mortgage lenders of an excessive financial return or benefit as determined by prevailing market conditions; and
(iv) standards as to the number of dwelling units and housing projects and other characteristics of dwelling units for persons of low income and housing projects to be financed by mortgage loans.

(b) The ratio of loan to total housing project cost and the amortization period of loans made under this act which are insured by the federal housing administration (FHA) shall be governed by the FHA mortgage insurance commitment for each housing project; but in no event shall such amortization period exceed fifty (50) years. In the case of a mortgage loan not insured by FHA the amount of the loan to
(1) limited profit housing sponsors shall not exceed ninety-five per cent (95%) of the total housing project cost as determined by the agency, and
(2) nonprofit housing sponsors shall not exceed one hundred per cent (100%) of the total housing project cost as determined by the agency.

The amortization period of such loan shall be determined in accordance with regulations formulated and published by the agency, but in no event shall such amortization period exceed fifty (50) years.

(c) A mortgage loan made hereunder may be prepaid to maturity after such period of years and under such terms and conditions as shall be determined by the agency.

(d) No mortgage loan purchased from a mortgage lender shall be eligible for purchase or commitment to purchase by the agency hereunder unless at or before the time of transfer thereof to the agency such mortgage lender certifies:

(1) That in its judgment the mortgage loan would in all respects be a prudent investment; and
(2) That, except for mortgage loans purchased under a preexisting commitment with the agency for the origination and purchase of such loans, the proceeds of sale or its equivalent shall be reinvested in obligations of the agency or in mortgage loans to provide housing for persons of low income within this state, or, if required by the agency, invested in short term obligations pending the purchase of such agency obligations or the making of such mortgage loans.

(e) The agency shall purchase mortgage loans at a purchase price equal to the outstanding principal balance; provided, however, that discount from the principal balance or the payment of a premium may be employed to effect a fair rate of return, as determined by the agency, in its discretion, based upon the rate of interest payable by the agency on its obligations issued to purchase such mortgages, its administrative expenses, and market conditions and any other relevant factors existing at the time of purchase.

(f) Each mortgage loan to a housing sponsor for a newly constructed rental housing project shall be evidenced by a mortgage or deed of trust, note or bond and by a mortgage or deed of trust which shall be a first lien on the housing project and on all of the real property constituting the site of or relating to such housing project and which shall contain such terms and provisions and be in a form approved by the agency.

(g) Each mortgage loan shall be subject to an agreement between the agency and the housing sponsor which will subject said sponsor and its principals or stockholders to limitations established by the agency as to rentals and other charges, builders' and developers' profits and fees, and the disposition of its property and on all of the real property constituting the site of or relating to such housing project.

(h) Each mortgage loan shall be subject to an agreement between the agency and any housing sponsor prohibiting the transfer of ownership or management responsibilities by such housing sponsor at any time prior to repayment of at least five per cent (5%) of the original
mortality-loan—unless-the-transfer-of-ownership-or-management—respon-
sibilities—has-been-ordered-by-a-court-of-competent-jurisdiction-to-a
different-housing-sponsor—

(1) The agency shall require as a condition of each loan to a
mortgage lender, and (except for mortgage loans to persons of low
income or for housing projects for persons of low income and/or for
mixed income housing projects which were made by a mortgage lender
pursuant to a preexisting commitment with the agency to purchase such
mortgage loans) as a condition of the purchase or the making of a com-
mitment to purchase mortgage loans from a mortgage lender, that such
mortgage lender shall following the receipt of the loan proceeds or
sale proceeds have entered into written commitments with the agency to
make, and shall thereafter proceed as promptly as practicable to make
and disburse from such loan proceeds, mortgage loans to persons of low
income or mortgage loans for housing projects or to purchase obliga-
tions of the agency in an aggregate principal amount equal to the
amount of such prior loan; and the agency shall not purchase nor make
commitment to purchase such mortgage loans or obligations from a mort-
gage lender from which it has previously purchased such mortgage loans
nor make a loan to a mortgage lender to which it has previously made a
loan unless said mortgage lender has either restored or made commit-
ments to restore to its portfolio of mortgage loans in this state,
mortgage loans to provide residential housing for persons of low
income from the date thereof or has added to or made commitments to
add to its portfolio of agency obligations in an aggregate principal
amount equal to the proceeds of prior sale to said mortgage lender.

(jj) To assure repayment loans from the agency to mortgage lend-
ers, the agency shall require that loans made to mortgage lenders
shall be secured as to payment of both principal and interest by a
pledge of and lien upon collateral security, including without limita-
tion direct obligations of, or obligations (including, without limita-
tion, mortgages) guaranteed or insured as to payment of principal and
interest by, the federal government or this state.

SECTION 6. That Section 67-6207C, Idaho Code, be, and the same is
hereby amended to read as follows:

67-6207C. HOUSING SPONSORSHIP. The agency shall have the power to
supervise housing sponsors, including limited profit housing sponsors,
and their real and personal property in the following respects:

(a) The reorganization of any housing sponsor shall be subject to
the supervision and control of the agency, and no such reorganization
shall be had without the consent of the agency.

(b) In the event of violation by a housing sponsor of any provi-
sions of a loan, the terms of any agreement between the agency and the
housing sponsor, the provisions of this act, or of any rules or regu-
lations duly promulgated pursuant to this act, the agency may remove
any or all of the existing directors or officers of such housing spon-
or and may appoint such person or persons whom the agency in its sole
discretion deems advisable as new directors or officers to serve in
the places of those removed, notwithstanding the provisions of any
other law; provided, however, that any such directors or officers so
appointed by the agency shall serve only for a period coexistent with the duration of such violation or until the agency is assured in a manner satisfactory to it against violations of a similar nature. Officers or directors so appointed need not be stockholders or meet other qualifications which may be prescribed by the certificate or articles of incorporation, or by-laws, or by other instruments or laws governing such housing sponsor.

(c) The agency shall require the housing sponsor receiving a loan or its contractor to post labor and materials, construction performance, surety bonds or make other assurances of completion in amounts related to the housing project cost as established by the agency's regulations, and to execute such other assurances and guarantees as the agency may deem necessary.

(d) The agency shall

(1) prescribe uniform systems of accounts and records for housing sponsors,
(2) require such housing sponsors to make reports,
(3) make certifications as to expenditures made by such housing sponsors, and
(4) examine all books and records with reference to capital structure, income, expenditures and other payments of a housing sponsor.

(e) The agency shall supervise the operation and maintenance of any housing project.

(f) The agency shall fix and may alter from time to time a schedule of rents and charges for any housing project.

(g) The agency shall determine standards for, and shall control tenant selection by a housing sponsor.

(h) The agency may require the housing project sponsor shall have demonstrated to the agency and the agency shall have determined that the housing project will be occupied to the maximum extent feasible by persons whose incomes fall in the lowest twenty-five per cent (25%) of all persons who are eligible to occupy the housing project under the income guidelines established by the agency for admission to such housing projects.

(i) The agency shall prescribe regulations specifying the categories of cost which shall be allowable in the construction, reconstruction, remodeling, improvement or rehabilitation of a housing project. The agency shall require any housing sponsor to certify the actual housing project costs upon completion of the housing project, subject to audit and determination by the agency. Notwithstanding the provisions of this subsection, the agency may accept, in lieu of any certification of housing project costs as provided herein, such other assurances of the said housing project costs, in any form or manner whatsoever, as will enable the agency to determine with reasonable accuracy the amount of said housing project costs.

(j) The agency shall regulate the retirement of any capital investment or the redemption of stock of a limited profit housing sponsor where any such retirement or redemption when added to any dividend or other distribution will exceed in any one (1) fiscal year eight per cent (8%) (or such lesser per cent as shall be prescribed by rules and regulations of the agency) of the original face amount of
such sponsor's investment or equity in any housing project.

(k) Notwithstanding any other provision of this chapter, the agency is not empowered to finance any housing project undertaken by a housing sponsor unless, prior to the financing of any housing project hereunder, the agency finds:

(i) That there exists a shortage of decent, safe, and sanitary housing at rentals or prices which persons of low income can afford within the general housing market area to be served by the proposed housing project.

(ii) That private enterprise and investment have been unable, without assistance, to provide the needed decent, safe, and sanitary housing at rentals or prices which persons of low income can afford or to provide sufficient mortgage financing for residential housing for occupancy by such persons.

SECTION 7. That Section 67-6207D, Idaho Code, be, and the same is hereby amended to read as follows:

67-6207D. PERIODIC EXAMINATION OF INCOME OF PERSONS RESIDING IN HOUSING PROJECTS. (a) The agency shall, by rules and regulations, provide for the periodic examination of the income of any person or family residing in and renting a dwelling unit in any rental housing project, assisted by virtue of the powers granted the agency under this act. In the event that the gross aggregate income of such persons or families residing in any such housing project increases and the ratio to the current rental or carrying charges of the dwelling unit becomes greater than the ratio prescribed for admission by the agency, but is not more than twenty-five-per-cent (25%) above the income level prescribed for admission to the project, the owner or managing agent of such housing project shall permit such persons to continue to occupy the unit.

(b) The agency or the housing sponsor (with the approval of the agency) of any such rental housing project, may terminate the tenancy or interest of any such person or family residing in such housing project whose gross aggregate income exceeds twenty-five-per-cent (25%) of that prescribed herein amounts prescribed by regulation of the agency and which continues to exceed the same for a period of six (6) months or more; provided, that no tenancy or interest of any such person in any such housing project shall be terminated except upon reasonable notice and opportunity to obtain suitable alternate housing, in accordance with rules and regulations of the agency; provided further, that any such person, with the approval of the agency, shall be permitted to continue to occupy the unit, subject to payment of rent or carrying charges or a surcharge to the housing sponsor in accordance with a schedule of surcharges fixed by the agency.

(c) Any person residing in a housing project who has acquired equity in such housing project, including equity in a housing project which is a cooperative, and is required to be removed from the housing project because of excessive income as herein provided, shall be discharged from liability on any note, bond, or other evidence of indebtedness relating thereto and shall be reimbursed, in accordance with the rules of the agency, for all sums paid by such person to the hous-
ing sponsor on account of the purchase of stock or debentures as a condition of occupancy or on account of the acquisition of title for such purpose.

SECTION 8. That Section 67-6211, Idaho Code, be, and the same is hereby amended to read as follows:

67-6211. ADDITIONAL DEFINITIONS AND CAPITAL RESERVE FUND PROCE- 
DURES. As used in this section, the following words and phrases shall have the following meanings unless the context shall indicate another or different meaning or intent:

(a) "Maximum capital reserve fund requirement" shall mean the amount set forth in the agency's resolution or indenture authorizing the bonds or other obligations secured by a capital reserve fund, or, if no amount is stated in such resolution or indenture, then, as of any particular date of computation, an amount of money equal to the greatest of the respective amounts, for the then current or any future fiscal year of the agency, of annual debt service of the agency, such annual debt service for any fiscal year being the amount of money equal to the aggregate of:

(1) All interest payable during such fiscal year on all bonds secured by such capital reserve fund of the agency outstanding on said date of computation, plus
(2) The principal amount of all bonds of the agency secured by such capital reserve fund, outstanding on said date of computation which matures during such fiscal year, plus
(3) The amount of all annual sinking fund payments payable during such fiscal year with respect to any bonds of the agency secured by such capital reserve fund, outstanding on said date of computation.

(b) "Annual sinking fund payment" shall mean the amount of money specified in the resolution authorizing term bonds as payable into a sinking fund during a particular fiscal year for the retirement of term bonds which mature after such fiscal year, but shall not include any amount payable by reason only of the maturity of a bond.

(c) "Available operating revenues" shall mean all amounts received on account of rentals and fees and other charges imposed by the agency, if any, and income or interest earned or added to funds of the agency due to the investment thereof and not required under the terms or provisions of any covenant or agreement with holders of any bonds or notes of the agency to be applied to any purposes other than payment of expenses of the agency.

(d) "Amortized value," when used with respect to securities purchased at a premium above or a discount below par, shall mean the value as of any given date obtained by dividing the total premiums or discount at which such securities were purchased by the number of interest payments remaining to maturity on such securities after such purchase, and by multiplying the amount so calculated by the number of interest payment dates having passed since the date of such purchase; and

(1) In the case of securities purchased at a premium, by deducting the product thus obtained from the purchase price, and
(2) In the case of securities purchased at a discount, by adding the product thus obtained to the purchase price.

(f) All moneys held in or credited to each such capital reserve fund, except as hereinafter provided, shall be used, as required, solely for the payment of the principal of bonds or of the sinking fund payments hereinafter mentioned with respect to such bonds, the purchase or redemption of bonds, the payment of interest on bonds or the payment of any redemption premium required to be paid when such bonds are redeemed prior to maturity; provided, however:

1. That moneys in any such fund shall not be withdrawn therefrom at any time in such amount as would reduce the amount of such fund to less than the maximum capital reserve fund requirement, except for the purposes of making payment, when due, with respect to such bonds, of principal or redemption price of, interest and the sinking fund payments, as the same become due, and for the payment of which other moneys of the agency are not available.
2. Any income or interest earned by, or increment to, any capital reserve fund due to the investment thereof may be transferred by the agency to other funds or accounts of the agency to the extent it does not reduce the amount of such capital reserve fund below the maximum capital reserve fund requirement.

(g) Within sixty (60) days after the close of the agency's fiscal year, the chairman of the agency shall certify to the state tax commission the amount, if any, required to maintain the capital reserve funds established pursuant to this section at the maximum capital reserve fund requirement, but only for any capital reserve fund of the agency which is required by a resolution of the agency to be maintained by a continuing appropriation from the sales tax account. The chairman of the agency shall not be entitled to so certify to the state tax commission at any time that the total principal amount of the agency's outstanding bonds exceeds the sum of $6,899,000,000.

(h) The agency shall not issue bonds at any time if upon issuance there will be created a capital reserve fund and the amount in the capital reserve fund securing such bonds will be less than the maximum capital reserve fund requirement, unless the agency, at the time of issuance of such bonds, shall deposit in such fund, from the proceeds of the bonds so to be issued, or sources other than the state sales tax fund, an amount which, together with the amount then in such fund, will not be less than the maximum capital reserve fund requirement.

United States of America or obligations the principal of and interest on which are guaranteed by the state or the United States of America or obligations of agencies of the United States of America or any obligations which may from time to time be legally purchased by savings banks of the state under title 26, Idaho Code, as investment of funds belonging to them or in their control. In computing the amount of a capital reserve fund for the purposes of this section, securities in which all or a portion of such fund are invested shall be valued at par if purchased at par or, if purchased at other than par, at amortized value.

(j) The agency shall create and establish such other fund or funds as may be necessary or desirable for its corporate purposes.

(k) In the event of the dissolution of the agency, any funds or assets of the agency remaining after paying its bonds, notes or other obligations shall revert to the state.

(l) The total principal amount of the agency's outstanding bonds secured by a capital reserve fund entitled to appropriation from the state sales tax account pursuant to section 67-621(g), Idaho Code, and section 63-363B(ed)(l), Idaho Code, shall not exceed the sum of four hundred million dollars ($400,000,000).

CHAPTER 14
CHEMIGATION

22-1401. DEFINITIONS. As used in this chapter:
(1) "Antipollution devices" mean any mechanical equipment used to
reduce hazard to the environment in cases of malfunction or shutdown
of chemigation equipment during chemigation and may include, but not
be limited to, interlock, water line check valve, chemical line clo-
sure device, vacuum relief device and automatic low pressure drain.
(2) "Chemical" means any fertilizer or pesticide.
(3) "Chemigation" means any process whereby chemicals are added
to irrigation water applied to land or crop or both through an irriga-
tion system.
(4) "Director" means the director of the department of agricul-
ture.
(5) "Fertilizer" means any formulation or product used as a plant
nutrient which is intended to promote plant growth and contains one or
more plant nutrients.
(6) "Herbicide" means any substance or mixture of substances used
to inhibit or destroy plant or weed growth.
(7) "Irrigation system" means any device or combination of
devices having a hose, pipe or other conduit which connects directly to any source of ground or surface water, through which water or a mixture of water and chemicals is drawn and applied to land or crop or both. The term does not include any hand held hose sprayer or other similar device which is constructed so that an interruption in water flow automatically prevents any backflow to the water source.

(8) "Person" means an individual, firm, partnership, corporation, or other recognized legal entity.

(9) "Pest" means (a) any insect, rodent, nematode, fungus, weed, or (b) any other form of terrestrial or aquatic plant or animal life or virus, bacteria, or other microorganism, except virus, bacteria, or other microorganism on or in living man or other living animals, which the director declares to be a pest.

(10) "Pesticide" means but is not limited to (a) any substance or mixture of substances intended to prevent, destroy, control, repel or mitigate any insect, rodent, nematode, snail, slug, fungus, weed and any other form of plant or animal life or virus, except virus or fungus on or in living man or other animal, which is normally considered to be a pest or which the director may declare to be a pest, and (b) any substance or mixture of substances intended to be used as a plant regulator, defoliant or desiccant, and (c) any spray adjuvant.

22-1402. USE OF IRRIGATION SYSTEM FOR CHEMIGATION — COMPLIANCE WITH STANDARDS AND REQUIREMENTS. Any person who utilizes an irrigation system for chemigation shall comply with any standards and requirements which are established pursuant to section 22-1403, Idaho Code; and shall be certified and licensed as provided in this chapter.

22-1403. PROMULGATION OF RULES REGARDING STANDARDS AND REQUIREMENTS. The director shall promulgate rules and regulations in compliance with chapter 52, title 67, Idaho Code, to provide chemigation equipment standards, performance standards and installation requirements, to provide requirements regarding the use and location of antipollution devices, and to provide that special rules and equipment requirements shall apply if a direct pipe connection exists between an irrigation system used for chemigation and a domestic water supply system. The requirements and standards established pursuant to the provisions of this section may provide for additional protection if chemigation involves the application of a pesticide rather than a fertilizer. The department shall also promulgate rules and regulations regarding the list of equipment under section 22-1405, Idaho Code. The department may further provide training programs and seminars for chemigation equipment owners, operators and suppliers on an annual basis. Further, the department shall provide information to the interested public regarding its rules and regulations promulgated pursuant to this chapter.

22-1404. ENTRY BY DIRECTOR TO DETERMINE COMPLIANCE. The director or his authorized designee may enter upon the land owned or rented by a person for the purpose of determining whether such person is in compliance with the provisions of this chapter and any rule and regulation promulgated pursuant thereto. The director may enter into an
agreement with the director of the department of water resources to allow the director of that department or any employee designated by him to determine whether persons are in compliance with the provisions of this chapter and any rule and regulation promulgated pursuant thereto. Any person refusing entrance to the director or his designee, pursuant to the provisions of this chapter shall be guilty of a misdemeanor. Inspections shall occur at reasonable times. As part of its duties pursuant to this chapter, the department shall conduct, or make provision for the conducting, at least two hundred fifty (250) annual audits of chemigation installations to assure the effectiveness of the installations from keeping chemicals out of the ground water.

22-1405. DEPARTMENT TO COMPILE LIST. The department shall compile a list of the types of irrigation systems or portions thereof which may be used by persons to apply pesticides, herbicides or fertilizers through his irrigation system in accordance with the rules and regulations under section 22-1403, Idaho Code. This list shall be made public and constitutes state recognition of a chemigation system.

22-1406. DUTIES OF SUPPLIERS OF PESTICIDE, FERTILIZER OR HERBICIDE. Any person who directly supplies or sells at retail a pesticide, fertilizer or herbicide and who knows or has reason to know that the pesticide, fertilizer or herbicide will be applied through chemigation, shall not sell to any person who does not have a valid chemigation license as provided in this chapter. Any person who directly supplies or sells at retail a pesticide, fertilizer or herbicide and who violates the provisions of this section shall be subject to the penalties contained in section 22-1411, Idaho Code.

22-1407. LICENSE REQUIRED. (1) It shall be unlawful for any person to engage in, conduct or carry on chemigation without first obtaining a license to do so from the Idaho department of agriculture. A person may obtain a chemigation license from the department of agriculture by making application and paying a license fee of twenty-five dollars ($25.00) to the department. On the application for a license, the applicant must certify that the equipment and system they plan to use for chemigation meets department standards and that the owner and person(s) operating the equipment have read the rules and regulations for chemigation in the state of Idaho and that the owner intends to operate and maintain the chemigation system according to the rules and regulations. The equipment certification may be provided to the person proposing to chemigate by the equipment supplier in the case of a new installation. The department shall assist persons in completing their license applications upon request. On the application for licensure, the department may require such other information as it deems necessary. Upon receipt of a properly signed and completed application and the required information and fee, the department shall issue a license to the applicant so that the person can engage in, conduct or carry on chemigation. The department may impose as a condition of licensure that an applicant attend a seminar conducted, sponsored or accredited by the department regarding chemigation through irrigation systems and ways to avert contaminating the ground water of the state while
engaged in chemigation.

(2) The fee for the renewal of the license required by this section shall be five dollars ($5.00) and shall be paid with the application for license renewal on February 1 of each year. Failure to pay the fees when due forfeits the right to engage in, conduct or carry on chemigation.

(3) Any person who has been previously licensed to engage in, conduct or carry on chemigation and whose license has been forfeited shall not be issued a renewal license except upon written application to the department accompanied by a sum of money equal to the initial application fee charged in subsection (1) of this section.

(4) The department may suspend, revoke, or refuse to issue or renew the license of any person when it is satisfied that:
   (a) The applicant or licensee has been guilty of fraud, deception, or misrepresentation in the procurement of a license;
   (b) The licensee was guilty of willfully violating any of the provisions of this chapter; and
   (c) The chemigation equipment is insufficient to protect against accident.

22-1408. CONDUCTING CHEMIGATION WITHOUT A LICENSE. Any person who engages in, conducts or carries on chemigation without having a valid license in full force and effect pursuant to this chapter shall be liable for a civil fine of not less than one thousand dollars ($1,000) and not more than twenty-five thousand dollars ($25,000). All civil fines collected pursuant to this section shall be remitted to the water pollution control account. The burden of proof for such liability shall be met by showing a preponderance of the evidence. The civil liability contained in this section shall be in addition to, and not in lieu of, any liability contained in chapter 1, title 39, Idaho Code.

22-1409. STOP WORK ORDER. (1) The department may issue and enforce a written or printed "stop work" order to any person engaged in, conducting or carrying on chemigation when the department finds the chemigation is in violation of the provisions of this chapter or any rules and regulations promulgated pursuant thereto.
   (2) The "stop work" order shall be in effect until the provisions of this chapter, or rules and regulations promulgated pursuant thereto have been complied with.

22-1410. DISPOSITION AND USE OF MONEY RECEIVED. License fees collected pursuant to this chapter shall be paid into the state treasury and credited to the pesticide account created in section 22-3415, Idaho Code, and such fees shall be used only to carry out the provisions of this chapter.

22-1411. PENALTIES. Any person who violates the provisions of this chapter or any rule or regulation promulgated hereunder, other than conducting chemigation without a license, shall be subject to the following penalties.
   (1) Upon a first violation within a five (5) year period, the
violator shall receive a letter of warning from the director.

(2) Upon a second violation within a five (5) year period, the violator shall be guilty of a misdemeanor.

(3) Upon a third or subsequent violation within a five (5) year period, the violator shall be guilty of a misdemeanor and upon conviction thereof shall be punished by a fine of not more than ten thousand dollars ($10,000) for each separate violation or one thousand dollars ($1,000) per day for continuing violations, whichever is greater.

The penalties provided in this section shall be in addition to other penalties provided by law for contamination or pollution of the waters or environment of this state.

care, taken from each cost report;

(3) Next, the director shall multiply the cost of care per patient-day obtained from paragraph (2) of this section by the percentage representing the annual combined inflator index, for the period in which the base rate is to be effective, as determined and agreed upon pursuant to section 56-130, Idaho Code;

(4) Next, the director shall combine the results from each such facility obtained from paragraph (3) to establish the range of costs of care per patient-day for all such facilities; and

(5) Next, the director shall calculate the mean cost of care per patient-day and the standard deviation from such mean, which shall be used to determine the base rate as specified in section 56-103(a), Idaho Code.

(6) Any cost increases resulting from federal or state law or rule changes shall be passed through automatically and will be treated as costs separate from the cap cost center until such time as these costs have become part of the data base for calculating the percentile cap. The providers efficiency incentive shall not be affected by these increases.

The result obtained from paragraph (5) or (6) of this subsection shall constitute the basic payment for the cost of care per patient-day in each free-standing skilled facility in the class, and the director shall notify each such facility of such payment not later than sixty (60) days prior to the fiscal year in which it is to become effective. A rebuttable presumption exists with respect to costs above the basic payment that a facility incurring such costs is not economically and efficiently operated, taking into account economic conditions and trends during the period covered by such costs, and that such costs are not reasonable. Such rebuttable presumption shall not be employed to justify costs below the basic payment. For purposes of this subsection, "audited cost report" means a cost report prepared and submitted to the director by a free-standing skilled care facility and audited by the director in accordance with the provider reimbursement manual, as promulgated by the director for the Idaho medicaid program, and the health insurance manual 15, as promulgated by the United States department of health and human services or its predecessor agency; provided, that the provider reimbursement manual shall take precedence over the health insurance manual 15 in case of conflict, ambiguity or disagreement.

(b) In addition to the basic payment per patient-day of care, as calculated in subsection (a) of this section, each free-standing skilled nursing facility shall be paid as a part of the monthly prospective payment:

(1) Its property rental rate plus projected property taxes, reasonable property insurance, and utility costs, to be determined by dividing its total projected property taxes, reasonable property insurance, and utility costs for its upcoming fiscal year, by the projected number of patient-days; and

(2) A monthly incentive payment equal to the computed difference between the facility's actual payment per patient-day and the base rate established for the class pursuant to section 56-103(a), Idaho Code, and this part. This computed difference shall be:
1. One-half (1/2) of the difference, where the one hundredth percentile applies to such facility's class;
2. One-third (1/3) of the difference, where the ninetieth percentile applies to such facility's class;
3. One-fourth (1/4) of the difference, where the eightieth percentile applies to such facility's class; or
4. One-sixth (1/6) of the difference, where the seventy-fifth percentile applies to such facility's class;

provided, that in no event shall the computed difference exceed one dollar and fifty cents ($1.50) per patient-day.

(c) Actual payments made by the director to each free-standing skilled care facility pursuant to sections 56-103 and 56-105, Idaho Code, and this section, shall be subject to audit and settlement under section 56-107, Idaho Code. In no event shall reimbursement to any facility exceed the usual and customary charges made to private pay patients.

Be It Resolved by the Legislature of the State of Idaho:

WHEREAS, there are Indian tribes in the State of Idaho with unique rights which are inherent or acknowledged by treaties, statutes or case law and these tribes are recognized by the United States as sovereign dependent nations; and

WHEREAS, due to the unique character of tribal governments, there are many complex issues relating to law enforcement, water rights, zoning and land use, natural resources, wildlife management, health

Indian tribes, has not acted in a decisive manner to resolve many of
these legal, social and economic issues relating to Indian tribes in
Idaho; and

WHEREAS, The Legislature of the State of Idaho and tribal councils
of the five Idaho Indian tribes have started a successful effort
toward resolving these complex issues through cooperation, negotia­

to address current Indian affairs issues through coordinated legisla­
tive action based upon improved communications and better understand­
ing between the federal, state and tribal governments; and

WHEREAS, the Legislative Council Committee on Indian Affairs in
meeting in 1983 and 1984, studied Indian affairs issues and determined

Be It Resolved by the Legislature of the State of Idaho:

WHEREAS, a significant number of studies and extensive hearings completed by the Northwest Power Planning Council, the Idaho Public Utilities Commission, the utilities serving the state of Idaho and other governmental and private organizations in the Pacific Northwest conclusively demonstrate that conservation measures associated with the construction of new buildings are among the most efficient methods of providing for the future energy needs of Idaho and the region; and

WHEREAS, the same studies demonstrate that the construction of commercial and residential buildings to certain standards of energy efficiency provides the least costly housing investment for building occupants and owners, and represents the cheapest method of achieving long-term energy conservation; and

WHEREAS, the efficiency levels of such standards, the type of standards and the procedural mechanisms for imposing such standards for application within the state of Idaho have yet to be finally determined; and

WHEREAS, the above-mentioned studies and those conducted by the Environmental Protection Agency and others have revealed health hazards and related economic implications in buildings even if constructed to these or any other standards without source control measures to mitigate natural indoor air pollutants such as radon and other chemicals; and

WHEREAS, the effects of indoor air pollutants and the resultant economic and legal implications thereof have yet to be fully analyzed and assessed in the state of Idaho.

NOW, THEREFORE, BE IT RESOLVED by the members of the First Regular Session of the Centennial Idaho Legislature, the Senate and House of Representatives concurring therein, that the Legislative Council is authorized and directed to appoint a committee to undertake and complete a study of all relevant issues associated with energy efficient building standards and the health effects associated with increased indoor air pollutant levels. Be It Resolved by the Legislature of the State of Idaho:

WHEREAS, it is the best interest of the state of Idaho to have an
integrated educational system providing an orderly transfer of stu­
dents from one institution to another; and
WHEREAS, progress has been made through development of general
education curricula at the institutions, and the State Board of
Education's articulation policy has eased the problems encountered by
students transferring between institutions; and
WHEREAS, waste of student resources of time and money nonetheless continue to occur when students are forced to repeat lower division courses in order to satisfy requirements in professional schools, and to meet prerequisites for upper division courses.

NOW, THEREFORE, BE IT RESOLVED by the members of the First Regular Session of the Centennial Idaho Legislature, the Senate and the House of Representatives concurring therein, that we urge the State Board of Education and the institutions of higher education in the state of Idaho and the professional departments and schools of business, nursing, engineering, education and vocational education, as well as others, to enter into articulation agreements providing that courses offered in one institution shall satisfy the requirements for admission, prerequisite courses, and matriculation in the respective various professional departments of the institutions.

BE IT FURTHER RESOLVED that the State Board of Education shall report its progress to the Second Regular Session of the Centennial Legislature when it convenes in January, 1990.

Be It Resolved by the Legislature of the State of Idaho:

WHEREAS, the Legislature has long recognized the need for an executive residence suitable to the needs of the chief executive officer of this state and truly indicative of the pride of Idaho citizens; and

WHEREAS, the current executive residence, now closed to the public, was constructed in 1914 and is generally considered inadequate for utilization as the governor's residence; and

WHEREAS, the Lasting Legacy Committee of the Idaho Centennial Commission has specifically endorsed the construction of a governor's residence and has listed the project in the Idaho Centennial Wish Book; and

WHEREAS, construction of a new executive residence, coinciding with the Idaho Centennial Celebration, is appropriate fulfillment of a genuine need while launching the state into the next one hundred years; and

WHEREAS, it is the desire of the Legislature, acting on behalf of the citizens of the state of Idaho, to endorse construction of a governor's residence as a lasting legacy of the Idaho Centennial Celebration.

NOW, THEREFORE, BE IT RESOLVED by the members of the First Regular Session of the Centennial Idaho Legislature, the Senate and the House

DIRECTING THE LEGISLATIVE COUNCIL TO UNDERTAKE AND COMPLETE A STUDY OF ACCESS TO AND RETENTION OF PUBLIC RECORDS.

Be It Resolved by the Legislature of the State of Idaho:

WHEREAS, statutes of the state of Idaho governing public access to records and requirements for retention of records establish a multiplicity of requirements; and

WHEREAS, rules and regulations, adopted pursuant to law, also govern retention of and public access to records; and

WHEREAS, judicial action has created additional and conflicting standards governing the applicability of public access requirements; and

WHEREAS, assuring appropriate access to and retention of public records is in the public interest, while certain records are deserving of the strictest confidentiality; and

WHEREAS, it is incumbent upon the Legislature to establish a uniform and easily applied standard to guarantee public access where appropriate and assure confidentiality where required.

NOW, THEREFORE, BE IT RESOLVED by the members of the First Regular Session of the Centennial Idaho Legislature, the Senate and the House of Representatives concurring therein, that the Legislative Council is authorized and directed to undertake and complete a study of state laws, rules and regulations governing access to and retention of public records. A CONCURRENT RESOLUTION
AUTHORIZING AND DIRECTING THE LEGISLATIVE COUNCIL TO APPOINT A COMMITTEE TO DEVELOP AN EFFECTIVE, STATEWIDE, LOCALLY-BASED PERSONAL CARE SERVICE PROGRAM.

Be It Resolved by the Legislature of the State of Idaho:

WHEREAS, personal care services allow Idaho citizens who are elderly or developmentally disabled to receive medical and personal care in their own home, retain their self dignity, live in neighborhoods with family and friends, and retain control and independence in their individual life; and

WHEREAS, studies have shown that home based intervention into many medical conditions occurring in the elderly and disabled population is cost-effective, and more often than not, precludes additional and often more costly procedures later which usually must be paid for with taxpayer dollars; and

WHEREAS, a number of health related, home based programs are in existence for senior and disabled citizens which are not well coordinated systems; and

WHEREAS, personal care services are limited, restrictive waived Medicaid services rather than an optional residential care program within Idaho; and

WHEREAS, preauthorization and eligibility determination is performed for personal care services only in Boise for all areas of Idaho rather than on a localized basis causing delay in enrollments up to three to six months; and this delay jeopardizes the health and safety of some of Idaho's most vulnerable elderly and disabled citizens; and

WHEREAS, there is no consistent or timely personal care service system for provider recruitment, training, reimbursement or background checks to maintain a quality, safe, dependable service; and

WHEREAS, nearly 700 Idahoans have struggled to become enrolled in the personal care service program and approximately this many more could benefit from personal care services, avoid expensive facility-based long-term care and save Idaho taxpayers thousands of dollars; and

WHEREAS, no in-depth legislative review of the personal care service program has occurred to identify its true cost effectiveness, dignity, and independence orientation compared to other forms of long-term care for elderly and disabled Idahoans.

NOW, THEREFORE, BE IT RESOLVED by the members of the First Regular Session of the Centennial Idaho Legislature, the Senate and the House of Representatives concurring therein, that the Legislative Council is authorized and directed to appoint a committee to review past studies, obtain public input as necessary, and develop a statewide, comprehensive, locally based personal care services system and identify the means and methods necessary to implement and finance all recommendations.

BE IT FURTHER RESOLVED that the Committee shall consist of at
least two representatives each from the Senate and House of Representatives Health and Welfare Committees, and one member each from the Senate Finance Committee and House of Representatives Appropriations Committee.

BE IT FURTHER RESOLVED that the Committee shall meet as necessary to complete the tasks assigned herein and shall regularly consult with representatives from the Idaho State Council on Developmental Disabilities, Idaho Office on Aging, Idaho Citizens Network, Department of Health and Welfare, Division of Vocational Rehabilitation, Idaho Health Care Facilities Association and other interested health care oriented organizations.

BE IT FURTHER RESOLVED that the Committee shall report its findings, recommendations and proposed legislation, if any, to the Second Regular Session of the Centennial Idaho Legislature.

Adopted by the Senate March 13, 1989.
Adopted by the House March 29, 1989.

Be It Resolved by the Legislature of the State of Idaho:

WHEREAS, the state and many of the political subdivisions of the state have construction and repair needs on the public's many buildings, facilities, bridges, roads, streets and highways; and

WHEREAS, the state and its political subdivisions do some construction and repair work using public employees and public equipment, and contract with private industry for some of this construction and repair work; and

WHEREAS, there is some concern about the economy and efficiency of using "in-house" employees and equipment for these construction and repair needs versus using private industry.

NOW, THEREFORE, BE IT RESOLVED by the members of the First Regular Session of the Centennial Idaho Legislature, the Senate and the House of Representatives concurring therein, that the Legislative Council is authorized and directed to appoint a committee to undertake and complete a study of the processes, procedures, statutory requirements and limitations including penalties for nonperformance, for awarding public works projects contracts to be performed by private industry.

STATING FINDINGS OF THE LEGISLATURE AND RECOMMENDING THAT A SHELTER CARE TASK FORCE BE CREATED.

Be It Resolved by the Legislature of the State of Idaho:

WHEREAS, since 1980 the number of shelter care facilities in Idaho has more than doubled and there has almost been a 100% increase in shelter care facility utilization by geriatric residents; and
WHEREAS, Idaho will experience a 77% increase by the year 2000 in persons 75 years and older with limitation of activity due to chronic conditions, many of whom may well seek shelter care; and
WHEREAS, the current shelter care law lacks enforceable sanctions, does not have adequate requirements for education and training of shelter care administrators and staff, lacks intermediate sanctions for deficiencies, and lacks requirements for periodic assessments of all residents; and
WHEREAS, there is a strong need to redefine the mission and philosophy of shelter level care in the continuum of long-term care services for geriatric, developmentally disabled and mentally ill residents.

NOW, THEREFORE, BE IT RESOLVED by the members of the First Regular Session of the Centennial Idaho Legislature, the House of Representatives and the Senate concurring therein, that we recommend to the Idaho Department of Health and Welfare, in coordination with the Idaho Office on Aging and the Idaho Council on Developmental Disabilities, the creation of a Shelter Care Task Force. The Task Force should be directed to review the current shelter care law and to develop recommendations and draft language for restructuring the statutes.

BE IT FURTHER RESOLVED that the Shelter Care Task Force shall report its findings and recommendations to the Health and Welfare Committee of the Senate and the House of Representatives prior to December 30, 1989.

WHEREAS, love of state and professions is enhanced by traditions that have become a part of our way of life and the customs of the American people; and

WHEREAS, we have distinctive and meaningful symbols of our ideals in our state’s flag and in many cultural endeavors, but no official designation of a state folk dance; and

WHEREAS, official recognition of the Square Dance will enhance the cultural stature of Idaho both nationally and internationally; and

WHEREAS, it is fitting that the Square Dance be added to the array of symbols of our state character and pride.

NOW, THEREFORE, BE IT RESOLVED by the members of the First Regular Session of the Centennial Idaho Legislature, the House of Representatives and the Senate concurring therein, that the dance known as the SQUARE DANCE is hereby designated as the American folk dance of Idaho.

A CONCURRENT RESOLUTION
AUTHORIZING AND DIRECTING THE LEGISLATIVE COUNCIL TO UNDERTAKE AND COMPLETE A STUDY OF UNDERGROUND STORAGE TANKS IN THE STATE OF IDAHO.

Be It Resolved by the Legislature of the State of Idaho:

WHEREAS, Congress passed the Resources and Conservation Act of 1984 which, among other provisions, required the Environmental Protection Agency (EPA) to develop regulations to protect human health and the environment from leaking underground storage tanks (USTs) which regulations concerning USTs became effective in the fall of 1988; and

WHEREAS, the regulations require the owner of an UST to obtain tank leak insurance on the UST for financial protection in case of
tank leaks despite the fact that only two insurance carriers offer such insurance, one of which has raised its premiums to a rate that is virtually unaffordable and the other carrier is financially shaky, thus making the acquisition of the required insurance coverage virtually impossible; and

WHEREAS, according to the Petroleum Marketers Association of America (PMAA) which represents a majority of the independent petroleum marketers in the United States, tank owners over the past three years, in anticipation of the new regulations, have replaced or upgraded one-third of the total number of tanks owned, spending an average of $37,000 per tank and an estimated total of over $800 million over the past four years; and

WHEREAS, despite these massive expenditures, the stringent new regulations will probably cause up to 26,500 service stations to close permanently primarily due to the insurance requirements the regulations impose because currently nearly half of the PMAA's members do not carry pollution insurance because it's either unavailable or prohibitively expensive; and

WHEREAS, according to PMAA, rural areas such as Idaho will suffer a disproportionate number of closures, to wit: 86 per cent of the stations in danger of closing are in areas with populations of less than 50,000 people and 61 per cent are in areas with less than 10,000 people.

NOW, THEREFORE, BE IT RESOLVED by the members of the First Regular Session of the Centennial Idaho Legislature, the House of Representatives and the Senate concurring therein, that the Legislative Council is hereby authorized and directed to appoint a committee to undertake and complete a study of the extent of the problem of leaking underground storage tanks in the state of Idaho and what impact the new federal regulations will have on petroleum marketers located in Idaho, and what role the state has in resolving this problem and protecting the state's vital ground water.

BE IT FURTHER RESOLVED that the Committee shall report findings and recommended legislation, if any, to the Second Regular Session of the Centennial Idaho Legislature.

Adopted by the House March 13, 1989.
Adopted by the Senate March 24, 1989.

Be It Resolved by the Legislature of the State of Idaho:

WHEREAS, big game herds, particularly deer, elk, and antelope, have increased in recent years; and
WHEREAS, drought conditions throughout the state have resulted in reduced native forage productions; and
WHEREAS, the large herds, in conjunction with the drought conditions, have resulted in the herds migrating into and consuming crops in the fields and after harvest resulting in depredation losses to landowners and lessees; and
WHEREAS, the Idaho Department of Fish and Game is charged by law with the management of wildlife; and
WHEREAS, the existing mechanisms for evaluation and validation of claims of losses are inadequate and funding for compensation therefor does not exist; and
WHEREAS, the Idaho Department of Fish and Game and concerned legislators have met and agreed that a long-term approach is wise and necessary to solve these problems; and
WHEREAS, determination of a long-term solution can best be determined by negotiations and study involving knowledgeable, interested and affected persons or entities.

NOW, THEREFORE, BE IT RESOLVED by the members of the First Regular Session of the Centennial Idaho Legislature, the House of Representatives and the Senate concurring therein, that a negotiation committee consisting of appointees of the Director of the Department of Agriculture and appointees of the Director of the Department of Fish and Game is authorized to meet and confer regarding the subject of wildlife depredation. The negotiation committee shall conduct public meetings, confer with knowledgeable persons in appropriate disciplines and prepare a final report to the legislative management oversight committee setting forth recommendations, solutions and a mechanism for evaluation and validation of property damage and losses caused by wildlife including, but not limited to, any necessary legislation and funding sources.

BE IT FURTHER RESOLVED that the negotiations committee is authorized to retain the Northwest Renewable Resources Center of Seattle, Washington, or other mediation team to be paid by Department of Fish and Game funds for the purpose of recommending long-term mutually agreeable solutions.

SENATE JOINT MEMORIALS

(S.J.M. No. 101)

A JOINT MEMORIAL

We, your Memorialists, the Senate and the House of Representatives of the State of Idaho assembled in the First Regular Session of the Centennial Idaho Legislature, do hereby respectfully represent that:

WHEREAS, Part 2, Subtitle C of Title IV, of the Omnibus Budget Reconciliation Act of 1987 (P.L. 100-203) adds a new Section 1919 to the Social Security Act which substantially revises statutory provisions governing certification standards and enforcement procedures applicable to Medicaid-funded nursing homes; and

WHEREAS, when Congress passed P.L. 100-203, it appeared a problem in some states where persons who were mentally ill or mentally retarded were inappropriately placed in nursing homes for reasons relating to funding; and

WHEREAS, there is absolutely no indication, finding or legislative history that this has ever been a problem in Idaho; and

WHEREAS, the new law, 42 U.S.C. 1396r, prohibits a Medicaid-certified nursing facility from admitting, after January 1, 1989, any new resident who is mentally retarded or mentally ill, or has a related condition, unless the state mental retardation/developmental disability authority has determined, prior to admission, that the individual requires the level of services provided by a nursing facility; and

WHEREAS, the Health Care Financing Administration interprets the act to require the prescreening for mental illness and mental retardation to be done on all patients, regardless of whether public moneys are supporting the patient; and

WHEREAS, the implementing guidelines established by the state of Idaho create a screening process for all patients being admitted to nursing facilities which will delay admission to the nursing facility, which could cause extra expenses to be incurred by facilities transferring patients to these facilities, and, more importantly, would cause an extreme hardship on the patient who may not receive treatment
on a timely basis; and

WHEREAS, there are very limited facilities in Idaho to provide services to the patients who are screened out of the nursing facilities as evidenced by the state institutions having few, if any, beds available and the fact that free standing, private psychiatric hospitals are not reimbursed for rendering care to state patients under the Medicaid program; and

WHEREAS, the state of Idaho is attempting to implement a program of vast proportions at the behest of Congress, without the benefit of final federal regulation and without any clear idea of how the program will be implemented, the timetable for implementation and the cost to the state, providers and the patients; and

WHEREAS, patients will continue to become ill, be admitted to hospitals, need to be discharged from hospitals in a timely manner, and many may require care rendered by a nursing facility.

NOW, THEREFORE, BE IT RESOLVED by the members of the First Regular Session of the Centennial Idaho Legislature, the Senate and the House of Representatives concurring therein, that we petition Congress to repeal that section of Public Law 100-203 (42 U.S.C. 1396r) which requires prescreening for nursing home patients.

BE IT FURTHER RESOLVED that we petition Congress and the United States Department of Health and Human Services not to pass public laws nor promulgate federal regulations without first determining the fiscal impact on the states, the individual citizens of the states and the businesses and organizations for which the law or regulation is intended.

BE IT FURTHER RESOLVED that we petition Congress to determine prior to passing public laws which impact all states that the problem the public law is intended to solve is indeed existent in all states.

BE IT FURTHER RESOLVED that the Secretary of the Senate be, and she is hereby authorized and directed to forward a copy of this Memorial to the President of the United States, the President of the Senate and the Speaker of the House of Representatives of the United States Congress, the Secretary of the United States Department of Health and Human Services, and the congressional delegation representing the state of Idaho in the Congress of the United States.

A JOINT MEMORIAL

We, your Memorialists, the Senate and the House of Representatives of the State of Idaho assembled in the First Regular Session of the Centennial Legislature, do hereby respectfully represent that:

WHEREAS, the Sixteenth Amendment to the Constitution of the United States, as evidenced by the history of its adoption, was not intended by its framers, proponents, or the ratifying states, to permit taxation by the federal government of interest income on the obligations of the state or their political subdivisions; and

WHEREAS, the court decision of South Carolina v. Baker has created pressures on tax-exempt debt issues by eroding the principle of intergovernmental tax immunity; and

WHEREAS, the Congress of the United States has of late enacted and proposed legislation which operates to tax or restrict such obligations and the income thereon and proceeds thereof; has enacted and proposed retroactive tax legislation; and has enacted or proposed legislation which limits the deductibility for federal income tax purposes of taxes paid under state laws and interest on amounts borrowed by financial institutions to purchase or carry such obligations, all to the manifest detriment of the states and their economies.

NOW, THEREFORE BE IT RESOLVED by the members of the First Regular Session of the Centennial Idaho Legislature, the Senate and the House of Representatives concurring therein, that the Congress of the United States should take action to propose a constitutional amendment to clarify the Sixteenth Amendment to the Constitution of the United States to provide that interest income derived from debt instruments of the several states, their political subdivisions, and instrumentalities shall not be subject to tax by the United States when issued for water, sewer, electric, streets, highways, public improvements, health care, waste disposal, schools, or other educational purposes, or for such other purposes as the legislatures of a majority of the states may find from time to time to be public purposes.

BE IT FURTHER RESOLVED that the Secretary of the Senate be, and she is hereby authorized and directed to forward a copy of this Memorial to the honorable George Bush, president of the United States, the President of the Senate and the Speaker of the House of Representatives of Congress, and the congressional delegation representing the State of Idaho in the Congress of the United States.

A JOINT MEMORIAL
TO THE PRESIDENT OF THE UNITED STATES, GEORGE BUSH, TO THE ADMINISTRATOR OF THE ENVIRONMENTAL PROTECTION AGENCY, WILLIAM REILLY, TO THE SENATE AND HOUSE OF REPRESENTATIVES OF THE UNITED STATES IN CONGRESS ASSEMBLED, AND TO THE CONGRESSIONAL DELEGATION REPRESENTING
We, your Memorialists, the Senate and the House of Representatives of the State of Idaho assembled in the First Regular Session of the Centennial Idaho Legislature, do hereby respectfully represent that:

WHEREAS, Congress passed the Resources and Conservation Act of 1984 which, among other provisions, required the Environmental Protection Agency (EPA) to develop regulations to protect human health and the environment from leaking underground storage tanks (USTs) which regulations concerning USTs became effective in the fall of 1988; and

WHEREAS, the regulations require the owner of an UST to obtain tank leak insurance on the UST for financial protection in case of tank leaks; and

WHEREAS, only two insurance carriers offer such insurance, one of which has raised its premiums to a rate that is virtually unaffordable and the other carrier is financially shaky, thus making the acquisition of the required insurance coverage virtually impossible; and

WHEREAS, the regulations also require extensive testing which testing is also extremely expensive and burdensome to the independent service station owner; and

WHEREAS, a recent survey conducted by the Petroleum Marketers Association of America indicated that 15 to 20 per cent of service stations in the United States, some 26,000 service stations, which are owned by independent petroleum marketers, may be forced to close because of the extra expenses and burdens imposed by the new regulations; and

WHEREAS, according to the survey, rural areas such as Idaho will suffer a disproportionate number of closures, to wit: 86 per cent of the stations in danger of closing are in areas with populations of less than 50,000 people and 61 per cent are in areas with less than 10,000 people.

NOW, THEREFORE, BE IT RESOLVED by the members of the First Regular Session of the Centennial Idaho Legislature, the Senate and the House of Representatives concurring therein, that we do hereby petition the Congress of the United States and the EPA to suspend the recently promulgated EPA regulations and that more reasonable, less burdensome rules be promulgated to ease the financial impact on the small independent service station owner and that the federal Leaking Underground Storage Tank Trust be expanded in order to assume an increased role in remedial activities.

BE IT FURTHER RESOLVED that the Secretary of the Senate be, and she is hereby authorized and directed to forward a copy of this Memorial to the President of the United States, George Bush, to the Administrator of the Environmental Protection Agency, William Reilly, to the President of the Senate and the Speaker of the House of Representatives of Congress, and the congressional delegation representing the State of Idaho in the Congress of the United States.

Adopted by the Senate March 2, 1989.
Adopted by the House March 27, 1989.
A JOINT MEMORIAL
STATING THE SENSE OF THE LEGISLATURE CONCERNING PROTECTION OF ANADROMOUS FISH IN THE COLUMBIA RIVER BASIN.

We, your Memorialists, the Senate and the House of Representatives of the State of Idaho assembled in the First Regular Session of the Centennial Idaho Legislature, do hereby respectfully represent that:

WHEREAS, the anadromous salmon and steelhead originating in the Columbia River Basin must pass the federal Columbia River hydroelectric projects on the Columbia and Snake Rivers on their migration to and from the Pacific Ocean; and
WHEREAS, three of the dams do not have bypass facilities to steer juvenile anadromous fish away from turbine intakes, and a fourth dam has inadequate bypass facilities; and
WHEREAS, the Army Corps of Engineers, which operates the dams, has failed to provide sufficient spill to enable juvenile anadromous fish to bypass turbines on their downward migration; and
WHEREAS, the lack of bypass facilities and insufficient spill has resulted in significant mortality to salmon and steelhead in the Columbia River Basin; and
WHEREAS, the following parties recently negotiated an agreement providing for spills to reduce turbine mortality of anadromous fish at the federal Columbia River hydroelectric projects: the United States Department of Energy, acting by and through the Bonneville Power Administration; the Pacific Northwest Utilities Conference Committee, on behalf of its member utilities and industries; the United States Department of Interior; the National Marine Fisheries Service, in its own capacity and as delegate for the United States Department of Commerce; the Washington Department of Fisheries and the Washington Department of Wildlife; the Oregon Department of Fish and Wildlife; the Idaho Department of Fish and Game; the Columbia River Inter-tribal Fish Commission; the Confederated Tribes of the Warm Springs Reservation of Oregon; the Confederated Tribes of the Umatilla Indian Reservation; the Confederated Tribes and Bands of the Yakima Indian Nation; the Confederated Tribes of the Colville Reservation; and the Nez Perce Tribe of Idaho; and
WHEREAS, the agreement will substantially benefit efforts to increase the populations of the salmon and steelhead originating in the Columbia River Basin; and
WHEREAS, the Northwest Power Planning Council has initiated a process to amend the Columbia River Basin Fish and Wildlife Program to incorporate the provisions of the spill agreement, and has further endorsed the installation of mechanical bypass facilities as superior to the present method of barging migrating fish around dams.

NOW, THEREFORE, BE IT RESOLVED by the members of the First Regular Session of the Centennial Idaho Legislature, the Senate and the House of Representatives concurring therein, that we endorse that action taken by the Northwest Power Planning Council to amend the Columbia
River Basin Fish and Wildlife Program to include the spill agreement and we hereby request the Northwest Power Planning Council to expedite the amendment process.

BE IT FURTHER RESOLVED that the United States Congress is hereby encouraged and urged to direct the Army Corps of Engineers, as the operator of the federal Columbia River hydroelectric projects, to implement the spill agreement and to install appropriate bypass facilities as soon as reasonably possible.

BE IT FURTHER RESOLVED that the United States Congress is hereby encouraged and urged to appropriate the funds necessary to finance expeditious construction of the bypass facilities.

Adopted by the Senate February 15, 1989.
Adopted by the House March 27, 1989.

A JOINT MEMORIAL

TO WILLIAM REILLY, ADMINISTRATOR OF THE ENVIRONMENTAL PROTECTION AGENCY AND TO THE SENATORS AND REPRESENTATIVES REPRESENTING THE STATE OF IDAHO IN THE CONGRESS OF THE UNITED STATES.

We, your Memorialists, the Senate and the House of Representatives of the State of Idaho assembled in the First Regular Session of the Centennial Idaho Legislature, do hereby respectfully represent that:

WHEREAS, an anonymous release of an unverified internal memo has led to publication in national media of accusations that aldicarb levels in potatoes may pose health threats to humans; and

WHEREAS, these news reports are based upon an untested method of risk assessment and a hypothesized computer simulation, and actually appear to be without scientific merit; and

WHEREAS, there is a history over a decade of use of aldicarb and the Food and Drug Administration's sampling of Idaho potato products has shown no detectable levels of aldicarb and absolutely no hazard to public health; and

WHEREAS, the annual value of the potato crop in Idaho is between 230 and 450 million dollars with a value in the economy, from the planting through the processing, of more than 1.5 billion dollars; and

WHEREAS, the potato is justifiably the pride of Idaho, and has been developed to meet the most discriminating tastes of the American consumer as well as assure delivery of a safe and nutritious product; and

WHEREAS, the sensationalization of a report leaked by an Environmental Protection Agency employee threatens the good reputation of this valuable product as well as the economic well being of this segment of the agricultural community.

NOW, THEREFORE, BE IT RESOLVED by the members of the First Regular Session of the Centennial Idaho Legislature, the Senate and the House
of Representatives concurring therein, that we express our concern that such irresponsibility on the part of a public employee can pose the threat of irreparable damage to the economic future of the Idaho potato crop. Appropriate immediate action should be taken to review procedures followed in this case. Furthermore, the Environmental Protection Agency should undertake a comprehensive review of the testing procedures followed in this case and should assess the validity of the initial unverified results. Every effort must be made to assure the health of the consumer, the safety of the product, and the integrity of the system of product testing.

BE IT FURTHER RESOLVED that the Secretary of the Senate be, and she is hereby authorized and directed to forward a copy of this Memorial to William Reilly, Administrator of the Environmental Protection Agency, and the Senators and Representatives representing the State of Idaho in the Congress of the United States.

Adopted by the Senate March 27, 1989.
Adopted by the House March 28, 1989.
A JOINT MEMORIAL

We, your Memorialists, the House of Representatives and the Senate of the State of Idaho assembled in the First Regular Session of the Centennial Idaho Legislature, do hereby respectfully represent that:

WHEREAS, the United States Congress is seeking some effective means of reducing the federal budget deficit in the immediate future; and

WHEREAS, several proposals being considered for budget reduction purposes would increase the existing federal gasoline tax by various sizable increments; and

WHEREAS, the U.S. Department of Energy has stated that "a motor fuel tax will create an economic loss which is of far greater magnitude than the possible benefits..."; and

WHEREAS, a gasoline tax for deficit reduction would be a regressive tax affecting the poor to a greater extent than other income levels; and

WHEREAS, states would receive no direct revenue benefits, while incurring substantial increases in their public assistance costs; and

WHEREAS, residents of the south, midwest and west pay more fuel taxes because they must travel greater distances by personal vehicles than residents of other regions and therefore would bear a disproportionate burden of deficit reduction; and

WHEREAS, since there continues to exist a great need to rehabilitate and reconstruct the nation's transportation infrastructure, motor fuel taxes should continue to be dedicated to transportation purposes; and

WHEREAS, the tourism industry, one of the top three employers in eighty per cent of the states, would be adversely affected; and

WHEREAS, the gross national product, consumer price index, and employment all would be severely and negatively affected; and

WHEREAS, raising the gasoline excise tax for deficit reduction
purposes would not only undermine the highway trust fund, but would also fail to get to the root of the problem of federal spending exceeding federal income.

NOW, THEREFORE, BE IT RESOLVED by the members of the First Regular Session of the Centennial Idaho Legislature, the House of Representatives and the Senate concurring therein, that we petition the United States Congress to oppose the use of the federal gasoline tax to reduce the federal deficit.

BE IT FURTHER RESOLVED that the Chief Clerk of the House of Representatives be, and she is hereby authorized and directed to forward a copy of this Memorial to the President of the United States, the Secretary of the United States Department of Transportation, The President of the Senate and the Speaker of the House of Representatives of the United States Congress, the cochairs of the National Economic Commission, and the congressional delegation representing the state of Idaho in the Congress of the United States.

Adopted by the Senate February 2, 1989.

A JOINT MEMORIAL

We, your Memorialists, the House of Representatives and the Senate of the State of Idaho assembled in the First Regular Session of the Centennial Idaho Legislature, do hereby respectfully represent that:

WHEREAS, large scale rehabilitation, repair and capacity improvements are ongoing necessities of the national highway transportation system; and

WHEREAS, the highway transportation system is the most critical component of the physical infrastructure of the United States of America; and

WHEREAS, there is a growing and concentrated national consensus for a program to serve the country's highway transportation needs through the year 2020; and

WHEREAS, high quality highways are critical to the ability of manufacturers to build and deliver products, and to the ability of states and communities to attract new industry and to sustain economic growth; and

WHEREAS, the international-trade competitive positions of the nation and of the states are directly related to the quality of access
WHEREAS, current national policy makes no provision for continuing
the Federal-Aid Highway Program into the future; and
WHEREAS, in all recent federal-aid highway acts, Congress has had
to include provisions for extending the Highway Trust Fund and the
taxes which fund it.

NOW, THEREFORE, BE IT RESOLVED by the members of the First Regular
Session of the Centennial Idaho Legislature, the House of Representa­
tives and the Senate concurring therein, that we petition the United
States Congress to make permanent the Highway Trust Fund and the user
fees accruing to it, so that a reliable funding source is available
for constructing, rehabilitating, and otherwise improving the highways
and bridges which are so essential to the economic vigor of Idaho, and
of the nation.

BE IT FURTHER RESOLVED that we petition the United States Congress
to protect the Highway Trust Fund from predatory proposals to divert
highway user revenues to programs entirely unrelated to the transpor­
tation purposes for which the Fund was established.

BE IT FURTHER RESOLVED that the Chief Clerk of the House of Repre­
sentatives be, and she is hereby authorized and directed to forward
copies of this Memorial to the President of the United States, the
Secretary of the United States Department of Transportation, the Pres­
ident of the Senate and the Speaker of the House of Representatives of
the United States Congress, the cochairmen of the National Economic
Commission, and the congressional delegation representing the state of
Idaho in the Congress of the United States.

Adopted by the Senate February 2, 1989.

A JOINT MEMORIAL
TO THE HONORABLE PRESIDENT OF THE UNITED STATES, GEORGE BUSH, TO THE
SENATE AND HOUSE OF REPRESENTATIVES OF THE UNITED STATES IN CON­
GRESS ASSEMBLED, AND TO THE CONGRESSIONAL DELEGATION REPRESENTING
THE STATE OF IDAHO IN THE CONGRESS OF THE UNITED STATES.

We, your Memorialists, the House of Representatives and the Senate
of the State of Idaho assembled in the First Regular Session of the
Centennial Idaho Legislature, do hereby respectfully represent that:

WHEREAS, the Congress adopted and the President signed the Medi­
care Catastrophic Coverage Act of 1988; and
WHEREAS, the burden of financing the Act falls primarily upon the
elderly citizens who are living on fixed, limited incomes; and
WHEREAS, the Act constitutes the greatest expansion of Medicare
benefits in the twenty-three year history of the program, and the
costs of the expansion have yet to be fully determined; and

WHEREAS, the Act imposed increased taxes upon recipients which were described by its sponsors as a premium for insurance, but the Act in reality subverts free choice and is not an optional insurance program; and

WHEREAS, the Act greatly expands coverage with untold fiscal consequences, but fails to address the costs of long term care in nursing homes which may actually be the most catastrophic cost to the elderly; and

WHEREAS, vastly expanded services are designed to be available to only a limited number of beneficiaries, and as a consequence the Act will inevitably pressure the system to expand eligibility and coverage levels, with the result that the program will be overtaxed and significantly underfunded; and

WHEREAS, senior citizens in Idaho and the nation do not deserve to be saddled with the costs of a health care program which most of them will never qualify to use and which many have already contracted with private insurers to provide.

NOW, THEREFORE, BE IT RESOLVED by the members of the First Regular Session of the Centennial Idaho Legislature, the House of Representatives and the Senate concurring therein, that we urge the Congress of the United States to immediately address the issues raised by implementation of the Medicare Catastrophic Coverage Act of 1988, and substantially revise the Act to modify the impact upon individual senior citizens. If a need exists for a program of this scope, the method of funding must be reversed in order to protect the limited resources of the elderly from an unwarranted assault by the federal government. The Act was adopted amid confusion and uncertainty and the issues which have been raised since the enactment warrant thorough study and comprehensive amendment.

BE IT FURTHER RESOLVED that the Chief Clerk of the House of Representatives be, and she is hereby authorized and directed to forward a copy of this Memorial to the President of the United States, George Bush, the President of the Senate and the Speaker of the House of Representatives of Congress, and the congressional delegation representing the State of Idaho in the Congress of the United States.

A JOINT MEMORIAL
TO THE CONGRESSIONAL DELEGATION REPRESENTING THE STATE OF IDAHO IN THE CONGRESS OF THE UNITED STATES AND THE DIRECTOR OF THE NATIONAL PARK SERVICE.

We, your Memorialists, the House of Representatives and the Senate of the State of Idaho assembled in the First Regular Session of the
Centennial Idaho Legislature, do hereby respectfully represent that:

WHEREAS, a battle between a band of the Northwestern Shoshone Indians and members of the California Volunteers under the command of Colonel Patrick Edward Connor, U.S. Army, Military District of Utah took place on January 29, 1863, on the Bear River about four miles northwest of the present-day Preston, Idaho; and

WHEREAS, between 250 and 300 Shoshone Indians, including men, women and children were killed or wounded at Bear River, making it one of the first, and one of the largest, Indian battles in the Trans-Mississippi West; and

WHEREAS, because the Battle of Bear River occurred during the Civil War it has been largely ignored by historians; and

WHEREAS, the Bear River-Battle Creek Monument Committee has been formed for the purpose of obtaining national recognition for the battle in the form of a national monument commemorating this historic event and the site where it took place; and

WHEREAS, during November and December, 1986, the board of county commissioners of Franklin, Caribou, Oneida, Bear Lake, and Bannock Counties of Idaho and Cache, Box Elder, and Rich Counties of Utah passed a resolution endorsing and supporting the Committee in its efforts to commemorate the Battle of Bear River and urging the state and federal governments to study the establishment of a national monument at Bear River.

NOW, THEREFORE, BE IT RESOLVED by the members of the First Regular Session of the Centennial Idaho Legislature, the House of Representatives and the Senate concurring therein, that it is hereby requested that the National Park Service and all other appropriate state and national agencies study and take under advisement the establishment of a national monument at the site of the Battle of Bear River.

BE IT FURTHER RESOLVED that the Chief Clerk of the House of Representatives be, and she is hereby authorized and directed to forward a copy of this Memorial to the congressional delegation representing the State of Idaho in the Congress of the United States and the Director of the National Park Service.

Adopted by the House January 26, 1989.

A JOINT MEMORIAL

We, your Memorialists, the House of Representatives and the Senate
of the State of Idaho assembled in the First Regular Session of the Centennial Idaho Legislature, do hereby respectfully represent that:

WHEREAS, there is need for a special category of north-south primary highways with improved alignments and additional lanes to achieve better interstate system integration, and to provide for faster, safer movement of mixed tourist and commercial truck traffic; and

WHEREAS, development of the Interstate Highway System focused primarily on east-west travel corridors and much of the north-south travel in the west still relies on key primary highways; and

WHEREAS, north-south interstate highways in the western interior states are approximately 500 miles apart; and

WHEREAS, transportation is one of the major determining factors in the location of manufacturing facilities; and the ability to ship to western states, the Pacific Rim countries and Canada is one of the keys for business and manufacturing site location in the western United States; and

WHEREAS, the Pacific Rim countries constitute a $3 trillion market that is growing at the rate of $3 billion per week, and that in the past decade, the preponderance of our nation's international trade has shifted dramatically from the Atlantic to the Pacific coast; and

WHEREAS, this shift coupled with the United States-Canada free trade agreement has resulted in a dramatic increase in the flow of commerce, migration, goods and services in the western United States; and

WHEREAS, if the State of Idaho is to position itself to move into the twenty-first century as a key player in the distribution needs of a growing economy as well as in the attraction of new business and industry to our state; a viable north-south transportation link is critical; and

WHEREAS, approved special north-south primary routes should have designated funding for construction improvement, thus enhancing the realization of state and local economic objectives as well as benefiting the national economic base; and

WHEREAS, U.S. primary highway 95 which extends from Mexico to Canada via the length of Idaho is an example of such a special primary highway category with connections to east-west interstate routes.

NOW, THEREFORE, BE IT RESOLVED by the members of the First Regular Session of the Centennial Idaho Legislature, the House of Representatives and the Senate concurring therein, that we support federal designation and funding for improvement of key north-south highways to facilitate better connections with east-west interstate highways.

BE IT FURTHER RESOLVED that the Chief Clerk of the House of Representatives be, and she is hereby authorized and directed to forward a copy of this Memorial to the President of the United States, the Secretary of the United States Department of Transportation, the President of the Senate and the Speaker of the House of Representatives of Congress, and the congressional delegation representing the State of Idaho in the Congress of the United States.

We, your Memorialists, the House of Representatives and the Senate of the State of Idaho assembled in the First Regular Session of the Centennial Idaho Legislature, do hereby respectfully represent that:

WHEREAS, a well educated citizenry is crucial to a self-governing nation; and
WHEREAS, the Constitution of the United States is the fundamental document of the constitutional system of government under which we prosper; and
WHEREAS, as a society we hold the Constitution of the United States, and the governmental system established pursuant to the Constitution, in high esteem; and
WHEREAS, a thoughtful study of the Constitution is appropriate to each individual citizen and will serve as an opportunity to commit, along with our President, to "...preserve, protect and defend the Constitution of the United States"; and
WHEREAS, it is desirable that a national day of recognition be designated for the purpose of honoring the work of our nation's founders and studying the concepts embodied in their great work, the Constitution of the United States; and
WHEREAS, September 17, 1787, is the date on which the Constitution was approved by all twelve state delegations at the Constitutional Convention, and signed by 39 of the 42 delegates present.

NOW, THEREFORE, BE IT RESOLVED by the members of the First Regular Session of the Centennial Idaho Legislature, the House of Representatives and the Senate concurring therein, that we urge the Congress of the United States to take steps necessary to designate September 17 as a National Constitutional Commemorative Day. National activities should be established and state and local jurisdictions should be encouraged to establish activities which would serve to enhance the level of knowledge about the Constitution of the United States and appropriately honor the work of the Constitutional Convention.

BE IT FURTHER RESOLVED that the Chief Clerk of the House of Representatives be, and she is hereby authorized and directed to forward a copy of this Memorial to the President of the United States, George Bush, the President of the Senate and the Speaker of the House of Representatives of Congress, and the congressional delegation representing the State of Idaho in the Congress of the United States.

TO THE SENATE AND HOUSE OF REPRESENTATIVES OF THE UNITED STATES IN CONGRESS ASSEMBLED, AND TO THE SENATORS AND REPRESENTATIVES REPRESENTING THE STATE OF IDAHO IN THE CONGRESS OF THE UNITED STATES.

We, your Memorialists, the House of Representatives and the Senate of the State of Idaho assembled in the First Regular Session of the Centennial Idaho Legislature, do hereby respectfully represent that:

WHEREAS, the Legislature of the state of Idaho finds and declares that there is a need for additional reservoir storage in the upper Snake River Basin to meet existing and future water needs during periods of drought; and

WHEREAS, the resolution of federal reserved water rights in the Snake River Basin whether through a negotiated process or through litigation will involve the acquisition of additional storage to meet existing water uses; and

WHEREAS, the Teton Dam and Reservoir Project authorized by Congress in 1964 for irrigation, flood control, power, recreation and fish and wildlife remains as a moral if not legal obligation of the federal government to the state of Idaho; and

WHEREAS, the economic feasibility of rebuilding the Teton Dam and Reservoir Project should be based on the planning criteria including the interest rate in effect at the time the project was authorized in 1964; and

WHEREAS, some of the project facilities which remain after the tragic loss of Teton Dam in June, 1976, are usable and will contribute toward the economical rebuilding of the project; and

WHEREAS, the local people strongly support the need for the Teton Dam and Reservoir Project and request that it be rebuilt at the earliest opportunity.

NOW, THEREFORE, BE IT RESOLVED by the members of the First Regular Session of the Centennial Idaho Legislature, the House of Representatives and the Senate concurring therein, that we do hereby petition the Congress of the United States to act immediately to authorize and appropriate funds to the U.S. Bureau of Reclamation for an evaluation of the feasibility of reconstruction of the Teton Dam and Reservoir Project.

BE IT FURTHER RESOLVED that the Chief Clerk of the House of Representatives be, and she is hereby authorized and directed to forward copies of this Memorial to the President of the Senate and the Speaker of the House of the United States Congress, and the congressional delegation representing the State of Idaho in the Congress of the United States.

TO THE INTERSTATE COMMERCE COMMISSION, THE SENATE AND HOUSE OF REPRESENTATIVES OF THE UNITED STATES IN CONGRESS ASSEMBLED, AND TO THE CONGRESSIONAL DELEGATION REPRESENTING THE STATE OF IDAHO IN THE CONGRESS OF THE UNITED STATES.

We, your Memorialists, the House of Representatives and the Senate of the State of Idaho assembled in the First Regular Session of the Centennial Idaho Legislature, do hereby respectfully represent that:

WHEREAS, the Union Pacific Railroad Company has initiated proceedings with the Interstate Commerce Commission to abandon 30.8 miles of branch line known as the Teton Valley Branch in Fremont and Teton Counties, Idaho; and

WHEREAS, the abandonment of rail lines and the discontinuance of rail services is governed by federal law; and

WHEREAS, the Interstate Commerce Commission is the federal agency vested with the authority to authorize the abandonment or discontinuance of rail service; and

WHEREAS, Section 62-424, Idaho Code, vests the Idaho Public Utilities Commission with the authority to represent the people of the State of Idaho before the Interstate Commerce Commission; and

WHEREAS, the Union Pacific Railroad Company had embargoed and discontinued service on the Teton Valley Branch during 1988; and

WHEREAS, the Union Pacific Railroad Company had not participated in a state proceeding to determine whether the abandonment of this branch line would have an adverse impact upon Idaho communities and their access to vital goods and services; and

WHEREAS, the Idaho Public Utilities Commission will protest the abandonment of the Teton Valley Branch on the basis of the record developed before it at hearing in the affected area that realistic potential exists for rail shipments if the line can be preserved; and

WHEREAS, the Idaho Public Utilities Commission will therefore request that the Interstate Commerce Commission institute an investigation into the proposed abandonment.

NOW, THEREFORE, BE IT RESOLVED by the members of the First Regular Session of the Centennial Idaho Legislature, the House of Representatives and the Senate concurring therein, that we petition the Interstate Commerce Commission to investigate the abandonment of the Teton Valley Branch through oral hearing conducted at a location in close proximity to the affected rail line.

BE IT FURTHER RESOLVED that the Chief Clerk of the House of Representatives be, and she is hereby authorized and directed to forward a copy of this Memorial to the Interstate Commerce Commission, the President of the Senate and the Speaker of the House of Representatives of Congress, and the congressional delegation representing the State of Idaho in the Congress of the United States.

A JOINT MEMORIAL

We, your Memorialists, the House of Representatives and the Senate of the State of Idaho assembled in the First Regular Session of the Centennial Idaho Legislature, do hereby respectfully represent that:

WHEREAS, Congress enacted the Commercial Motor Vehicle Safety Act of 1986 to establish minimum standards for state testing and licensing of commercial motor vehicle drivers and to require certain information to be shown on commercial drivers' licenses; and

WHEREAS, the vehicles affected are defined by the act as those vehicles certified by the manufacturer to be over 26,000 pounds gross vehicle weight; and

WHEREAS, approximately 40,000 highway maintenance trucks operated by local government entities come under the provisions of the Commercial Motor Vehicle Safety Act of 1986; and

WHEREAS, drivers of local highway, road and street maintenance trucks are trained employees and are committed to the integrity of organizational discipline; and

WHEREAS, local-entity highway maintenance vehicle drivers operate only within city and county boundaries and normally during periods of lowest daily traffic volumes, thus presenting limited exposure in predominantly low-speed areas; and

WHEREAS, the described maintenance vehicles are in the lower range of gross weights in excess of 26,000 pounds, have a satisfactory safety record, and are not involved in hauling for commerce.

NOW, THEREFORE, BE IT RESOLVED by the members of the First Regular Session of the Centennial Idaho Legislature, the House of Representatives and the Senate concurring therein, that we petition the United States Congress to exempt local-entity highway maintenance vehicle drivers from the requirements of the Commercial Motor Vehicle Safety Act of 1986.

WHEREAS, the American citizens, in the western United States as well as the eastern United States, are equal partners in the democratic process; and

WHEREAS, with the advent of the eastern-based news media's early evening election projections, voters in the western United States have been taken for granted in presidential elections; and

WHEREAS, early projections, made when polls in the western states are still open, create the impression that western voters have no role to play in the selection of our president; and

WHEREAS, it is therefore time to restore the electorate of the western states to its rightful place in the political process.

NOW, THEREFORE, BE IT RESOLVED by the members of the First Regular Session of the Centennial Idaho Legislature, the House of Representatives and the Senate concurring therein, that the Idaho Legislature does petition the 101st Congress to reconsider legislation, introduced in its last session, to mandate that all polls in the continental United States close at the same time, 9:00 p.m. Eastern Standard Time, according to the following schedule: 9:00 p.m. Eastern Standard Time, 8:00 p.m. Central Standard Time, 7:00 p.m. Mountain Standard Time and 7:00 p.m. in the Pacific Time Zone, according to Daylight Saving Time.

ENERGY CONSERVATION CONSIDERATIONS INCLUDED IN STATE BUILDINGS
REPEALING AND REPLACING EXECUTIVE ORDER NO. 86-5

WHEREAS, the efficient use of energy is of prime importance to the economic and energy well-being of the State of Idaho; and
WHEREAS, the State of Idaho uses, in its owned and leased buildings, a considerable portion of the state's energy demand; and
WHEREAS, the state government's ability to control energy use in leased facilities has been minimal, particularly after signing a lease; and
WHEREAS, it is imperative that the state government of Idaho set an example of energy efficiency for owners and operators of public and private buildings;

NOW, THEREFORE, I, CECIL D. ANDRUS, Governor of the State of Idaho, do hereby continue the order that all state building designs and lease agreements will include energy conservation considerations including:

-- those outlined in the publication entitled Energy Conscious Design for New Idaho State Buildings;
-- use of alternative energy sources such as solar, geothermal, and cogeneration;
-- energy management systems and controls to include effective means to monitor and maintain systems at optimal operations; and
-- current "state-of-the-art" systems and equipment to economically conserve energy.

FURTHER, I order that all lease agreements be reviewed in draft form for compliance with these objectives. All parties are to be notified in any such negotiations that failure to comply with these objectives may be sufficient grounds for voiding the lease agreement. I further order that the signing of such agreements include a statement of accountability to the intent of this order so that compliance will be a part of the lease-drafting procedure rather than a source of conflict after a contract has been signed. I further direct the attention
of all persons and agencies in all branches of state and local government to the spirit of this order. Consideration of long-term energy costs, including seasonal and peaking demands upon the suppliers of energy, should become a major consideration in construction of all state buildings and lease agreements.

ANTIDEGRADATION POLICY-IMPLEMENTATION, WATER QUALITY ADVISORY WORKING COMMITTEE, AND ASSIGNMENT OF FUNCTIONS TO STATE AGENCIES

WHEREAS, water quality is of paramount importance to the environment, economy, and unique quality of life in Idaho; and
WHEREAS, the degradation, maintenance, or improvement of water quality is an issue of vital public concern; and

WHEREAS, representatives of agriculture, conservation, forest
products, mining, and Indian tribal interests have negotiated an "AGREEMENT TO IMPLEMENT AN ANTIDEGRADATION POLICY FOR THE STATE OF IDAHO" (attached hereto), henceforth referred to as the "Agreement," which sets out an approach and framework to achieve coordination and enhancement of water quality monitoring and full intergovernmental coordination and public participation in the process of water quality planning, regulation, and management;

I. ANTIDEGRADATION POLICY

The antidegradation policy of the State of Idaho shall be as follows:

A. Existing instream water uses and the level of water quality necessary to protect the existing uses shall be maintained and protected.

In allowing such degradation or lower water quality, the state shall assure water quality adequate to protect existing uses fully. Further, the state shall assure that there shall be achieved the highest statutory and regulatory requirements for all new and existing point sources and all cost-effective and reasonable best management practices for nonpoint source control.

C. Where high quality waters constitute an outstanding national resource, such as waters of national and state parks and wildlife refuges and waters of exceptional recreational or ecological significance, that water quality shall be maintained and protected.

II. IMPLEMENTATION OF THE ANTIDEGRADATION POLICY

The Agreement as negotiated by representatives of agriculture, conservation, forest products, mining, and Indian tribal interests sets out an approach and framework for a cooperative state, federal, Indian tribal, industry, and public participation process to implement the antidegradation policy.
