CHAPTER 5
UNIFORM COMMERCIAL CODE -- LETTERS OF CREDIT

28-5-101. SHORT TITLE. This chapter may be cited as "Uniform Commercial Code -- Letters of Credit."
28-5-102. DEFINITIONS. (1) In this chapter:
(a) "Adviser" means a person who, at the request of the issuer, a confirmer, or another adviser, notifies or requests another adviser to notify the beneficiary that a letter of credit has been issued, confirmed, or amended.
(b) "Applicant" means a person at whose request or for whose account a letter of credit is issued. The term includes a person who requests an issuer to issue a letter of credit on behalf of another if the person making the request undertakes an obligation to reimburse the issuer.
(c) "Beneficiary" means a person who, under the terms of a letter of credit, is entitled to have its complying presentation honored. The term includes a person to whom drawing rights have been transferred under a transferable letter of credit.
(d) "Confirmer" means a nominated person who undertakes, at the request or with the consent of the issuer, to honor a presentation under a letter of credit issued by another.
(e) "Dishonor" of a letter of credit means failure to timely honor or to take an interim action, such as acceptance of a draft, that may be required by the letter of credit.
(f) "Document" means a draft or other demand, document of title, investment security, certificate, invoice, or other record, statement, or representation of fact, law, right, or opinion (i) which is presented in a written or other medium permitted by the letter of credit or, unless prohibited by the letter of credit, by the standard practice referred to in section 28-5-108(5) and (ii) which is capable of being examined for compliance with the terms and conditions of the letter of credit. A document may not be oral.
(g) "Good faith" means honesty in fact in the conduct or transaction concerned.
(h) "Honor" of a letter of credit means performance of the issuer's undertaking in the letter of credit to pay or deliver an item of value. Unless the letter of credit otherwise provides, "honor" occurs
   (i) upon payment,
   (ii) if the letter of credit provides for acceptance, upon acceptance of a draft and, at maturity, its payment, or
   (iii) if the letter of credit provides for incurring a deferred obligation, upon incurring the obligation and, at maturity, its performance.
(i) "Issuer" means a bank or other person that issues a letter of credit, but does not include an individual who makes an engagement for personal, family, or household purposes.
(j) "Letter of credit" means a definite undertaking that satisfies the requirements of section 28-5-104 by an issuer to a beneficiary at the request or for the account of an applicant or, in the case of a financial institution, to itself or for its own account, to honor a documentary presentation by payment or delivery of an item of value.
(k) "Nominated person" means a person whom the issuer (i) designates or authorizes to pay, accept, negotiate, or otherwise give value under a letter of credit and (ii) undertakes by agreement or
custom and practice to reimburse.

(1) "Presentation" means delivery of a document to an issuer or nominated person for honor or giving of value under a letter of credit.

(m) "Presenter" means a person making a presentation as or on behalf of a beneficiary or nominated person.

(n) "Record" means information that is inscribed on a tangible medium, or that is stored in an electronic or other medium and is retrievable in perceivable form.

(o) "Successor of a beneficiary" means a person who succeeds to substantially all of the rights of a beneficiary by operation of law, including a corporation with or into which the beneficiary has been merged or consolidated, an administrator, executor, personal representative, trustee in bankruptcy, debtor in possession, liquidator, and receiver.

(2) Definitions in other chapters applying to this chapter and the sections in which they appear are:

"Accept" or "Acceptance" Section 28-3-409
"Value" Sections 28-3-303, 28-4-211

(3) Chapter 1, title 28, Idaho Code, contains certain additional general definitions and principles of construction and interpretation applicable throughout this chapter.

28-5-103. SCOPE. (1) This chapter applies to letters of credit and to certain rights and obligations arising out of transactions involving letters of credit.

(2) The statement of a rule in this chapter does not by itself require, imply, or negate application of the same or a different rule to a situation not provided for, or to a person not specified, in this chapter.

(3) With the exception of this subsection, subsections (1) and (2), sections 28-5-102(1)(i) and (1)(j), 28-5-106(4) and 28-5-114(4), and except to the extent prohibited in sections 28-1-102(3) and 28-5-117(4), the effect of this chapter may be varied by agreement or by a provision stated or incorporated by reference in an undertaking. A term in an agreement or undertaking generally excusing liability or generally limiting remedies for failure to perform obligations is not sufficient to vary obligations prescribed by this chapter.

(4) Rights and obligations of an issuer to a beneficiary or a nominated person under a letter of credit are independent of the existence, performance, or nonperformance of a contract or arrangement out of which the letter of credit arises or which underlies it, including contracts or arrangements between the issuer and the applicant and between the applicant and the beneficiary.

28-5-104. FORMAL REQUIREMENTS. A letter of credit, confirmation, advice, transfer, amendment, or cancellation may be issued in any form that is a record and is authenticated (i) by a signature or (ii) in accordance with the agreement of the parties or the standard practice referred to in section 28-5-108(5).

28-5-105. CONSIDERATION. Consideration is not required to issue, amend, transfer, or cancel a letter of credit, advice, or confirm
tion.

28-5-106. ISSUANCE, AMENDMENT, CANCELLATION, AND DURATION. (1) A letter of credit is issued and becomes enforceable according to its terms against the issuer when the issuer sends or otherwise transmits it to the person requested to advise or to the beneficiary. A letter of credit is revocable only if it so provides.

(2) After a letter of credit is issued, rights and obligations of a beneficiary, applicant, confirmer, and issuer are not affected by an amendment or cancellation to which that person has not consented except to the extent the letter of credit provides that it is revocable or that the issuer may amend or cancel the letter of credit without that consent.

(3) If there is no stated expiration date or other provision that determines its duration, a letter of credit expires one (1) year after its stated date of issuance or, if none is stated, after the date on which it is issued.

(4) A letter of credit that states that it is perpetual expires five (5) years after its stated date of issuance, or if none is stated, after the date on which it is issued.

28-5-107. CONFIRMER, NOMINATED PERSON, AND ADVISER. (1) A confirmer is directly obligated on a letter of credit and has the rights and obligations of an issuer to the extent of its confirmation. The confirmer also has rights against and obligations to the issuer as if the issuer were an applicant and the confirmer had issued the letter of credit at the request and for the account of the issuer.

(2) A nominated person who is not a confirmer is not obligated to honor or otherwise give value for a presentation.

(3) A person requested to advise may decline to act as an adviser. An adviser that is not a confirmer is not obligated to honor or give value for a presentation. An adviser undertakes to the issuer and to the beneficiary accurately to advise the terms of the letter of credit, confirmation, amendment, or advice received by that person and undertakes to the beneficiary to check the apparent authenticity of the request to advise. Even if the advice is inaccurate, the letter of credit, confirmation, or amendment is enforceable as issued.

(4) A person who notifies a transferee beneficiary of the terms of a letter of credit, confirmation, amendment, or advice has the rights and obligations of an adviser under subsection (3) of this section. The terms in the notice to the transferee beneficiary may differ from the terms in any notice to the transferor beneficiary to the extent permitted by the letter of credit, confirmation, amendment, or advice received by the person who so notifies.

28-5-108. ISSUER'S RIGHTS AND OBLIGATIONS. (1) Except as otherwise provided in section 28-5-109, an issuer shall honor a presentation that, as determined by the standard practice referred to in subsection (5) of this section, appears on its face strictly to comply with the terms and conditions of the letter of credit. Except as otherwise provided in section 28-5-113 and unless otherwise agreed with the applicant, an issuer shall dishonor a presentation that does not appear so to comply.
(2) An issuer has a reasonable time after presentation, but not beyond the end of the seventh business day of the issuer after the day of its receipt of documents:
   (a) to honor,
   (b) if the letter of credit provides for honor to be completed more than seven (7) business days after presentation, to accept a draft or incur a deferred obligation, or
   (c) to give notice to the presenter of discrepancies in the presentation.

(3) Except as otherwise provided in subsection (4) of this section, an issuer is precluded from asserting as a basis for dishonor any discrepancy if timely notice is not given, or any discrepancy not stated in the notice if timely notice is given.

(4) Failure to give the notice specified in subsection (2) of this section or to mention fraud, forgery, or expiration in the notice does not preclude the issuer from asserting as a basis for dishonor fraud or forgery as described in section 28-5-109(1) or expiration of the letter of credit before presentation.

(5) An issuer shall observe standard practice of financial institutions that regularly issue letters of credit. Determination of the issuer's observance of the standard practice is a matter of interpretation for the court. The court shall offer the parties a reasonable opportunity to present evidence of the standard practice.

(6) An issuer is not responsible for:
   (a) the performance or nonperformance of the underlying contract, arrangement, or transaction,
   (b) an act or omission of others, or
   (c) observance or knowledge of the usage of a particular trade other than the standard practice referred to in subsection (5) of this section.

(7) If an undertaking constituting a letter of credit under section 28-5-102(1)(j) contains nondocumentary conditions, an issuer shall disregard the nondocumentary conditions and treat them as if they were not stated.

(8) An issuer that has dishonored a presentation shall return the documents or hold them at the disposal of, and send advice to that effect to, the presenter.

(9) An issuer that has honored a presentation as permitted or required by this chapter:
   (a) is entitled to be reimbursed by the applicant in immediately available funds not later than the date of its payment of funds,
   (b) takes the documents free of claims of the beneficiary or presenter,
   (c) is precluded from asserting a right of recourse on a draft under sections 28-3-414 and 28-3-415,
   (d) except as otherwise provided in sections 28-5-110 and 28-5-117, is precluded from restitution of money paid or other value given by mistake to the extent the mistake concerns discrepancies in the documents or tender which are apparent on the face of the presentation, and
   (e) is discharged to the extent of its performance under the letter of credit unless the issuer honored a presentation in which a required signature of a beneficiary was forged.
28-5-109. FRAUD AND FORGERY. (1) If a presentation is made that appears on its face strictly to comply with the terms and conditions of the letter of credit, but a required document is forged or materially fraudulent, or honor of the presentation would facilitate a material fraud by the beneficiary on the issuer or applicant:

(a) the issuer shall honor the presentation, if honor is demanded by (i) a nominated person who has given value in good faith and without notice of forgery or material fraud, (ii) a confirmer who has honored its confirmation in good faith, (iii) a holder in due course of a draft drawn under the letter of credit which was taken after acceptance by the issuer or nominated person, or (iv) an assignee of the issuer's or nominated person's deferred obligation that was taken for value and without notice of forgery or material fraud after the obligation was incurred by the issuer or nominated person, and

(b) the issuer, acting in good faith, may honor or dishonor the presentation in any other case.

(2) If an applicant claims that a required document is forged or materially fraudulent or that honor of the presentation would facilitate a material fraud by the beneficiary on the issuer or applicant, a court of competent jurisdiction may temporarily or permanently enjoin the issuer from honoring a presentation or grant similar relief against the issuer or other persons only if the court finds that:

(a) the relief is not prohibited under the law applicable to an accepted draft or deferred obligation incurred by the issuer,

(b) a beneficiary, issuer, or nominated person who may be adversely affected is adequately protected against loss that it may suffer because the relief is granted,

(c) all of the conditions to entitle a person to the relief under Idaho law have been met, and

(d) on the basis of the information submitted to the court, the applicant is more likely than not to succeed under its claim of forgery or material fraud and the person demanding honor does not qualify for protection under subsection (1)(a) of this section.

28-5-110. WARRANTIES. (1) If its presentation is honored, the beneficiary warrants:

(a) to the issuer, any other person to whom presentation is made, and the applicant that there is no fraud or forgery of the kind described in section 28-5-109(1); and

(b) to the applicant that the drawing does not violate any agreement between the applicant and beneficiary or any other agreement intended by them to be augmented by the letter of credit.

(2) The warranties in subsection (1) of this section are in addition to warranties arising under chapters 3, 4, 7 and 8, title 28, Idaho Code, because of the presentation or transfer of documents covered by any of those chapters.

28-5-111. REMEDIES. (1) If an issuer wrongfully dishonors or repudiates its obligation to pay money under a letter of credit before presentation, the beneficiary, successor, or nominated person presenting on its own behalf may recover from the issuer the amount that is the subject of the dishonor or repudiation. If the issuer's obliga-
tion under the letter of credit is not for the payment of money, the claimant may obtain specific performance or, at the claimant's election, recover an amount equal to the value of performance from the issuer. In either case, the claimant may also recover incidental but not consequential damages. The claimant is not obligated to take action to avoid damages that might be due from the issuer under this subsection. If, although not obligated to do so, the claimant avoids damages, the claimant's recovery from the issuer must be reduced by the amount of damages avoided. The issuer has the burden of proving the amount of damages avoided. In the case of repudiation the claimant need not present any document.

(2) If an issuer wrongfully dishonors a draft or demand presented under a letter of credit or honors a draft or demand in breach of its obligation to the applicant, the applicant may recover damages resulting from the breach, including incidental but not consequential damages, less any amount saved as a result of the breach.

(3) If an adviser or nominated person other than a confirmer breaches an obligation under this article or an issuer breaches an obligation not covered in subsection (1) or (2) of this section, a person to whom the obligation is owed may recover damages resulting from the breach, including incidental but not consequential damages, less any amount saved as a result of the breach. To the extent of the confirmation, a confirmer has the liability of an issuer specified in this subsection and subsections (1) and (2) of this section.

(4) An issuer, nominated person, or adviser who is found liable under subsection (1), (2) or (3) of this section shall pay interest on the amount owed thereunder from the date of wrongful dishonor or other appropriate date.

(5) Reasonable attorney's fees and other expenses of litigation must be awarded to the prevailing party in an action in which a remedy is sought under this chapter.

(6) Damages that would otherwise be payable by a party for breach of an obligation under this article may be liquidated by agreement or undertaking, but only in an amount or by a formula that is reasonable in light of the harm anticipated.

28-5-112. TRANSFER OF LETTER OF CREDIT. (1) Except as otherwise provided in section 28-5-113, unless a letter of credit provides that it is transferable, the right of a beneficiary to draw or otherwise demand performance under a letter of credit may not be transferred.

(2) Even if a letter of credit provides that it is transferable, the issuer may refuse to recognize or carry out a transfer if:
(a) the transfer would violate applicable law, or
(b) the transferor or transferee has failed to comply with any requirement stated in the letter of credit or any other requirement relating to transfer imposed by the issuer which is within the standard practice referred to in section 28-5-108(5) or is otherwise reasonable under the circumstances.

28-5-113. TRANSFER BY OPERATION OF LAW. (1) A successor of a beneficiary may consent to amendments, sign and present documents, and receive payment or other items of value in the name of the beneficiary without disclosing its status as a successor.
(2) A successor of a beneficiary may consent to amendments, sign and present documents, and receive payment or other items of value in its own name as the disclosed successor of the beneficiary. Except as otherwise provided in subsection (5) of this section, an issuer shall recognize a disclosed successor of a beneficiary as beneficiary in full substitution for its predecessor upon compliance with the requirements for recognition by the issuer of a transfer of drawing rights by operation of law under the standard practice referred to in section 28-5-108(5) or, in the absence of such a practice, compliance with other reasonable procedures sufficient to protect the issuer.

(3) An issuer is not obliged to determine whether a purported successor is a successor of a beneficiary or whether the signature of a purported successor is genuine or authorized.

(4) Honor of a purported successor's apparently complying presentation under subsection (1) or (2) of this section has the consequences specified in section 28-5-108(9) even if the purported successor is not the successor of a beneficiary. Documents signed in the name of the beneficiary or of a disclosed successor by a person who is neither the beneficiary nor the successor of the beneficiary are forged documents for the purposes of section 28-5-109.

(5) An issuer whose rights of reimbursement are not covered by subsection (4) of this section or substantially similar law and any confirmer or nominated person may decline to recognize a presentation under subsection (2) of this section.

(6) A beneficiary whose name is changed after the issuance of a letter of credit has the same rights and obligations as a successor of a beneficiary under this section.

28-5-114. ASSIGNMENT OF PROCEEDS. (1) In this section, "proceeds of a letter of credit" means the cash, check, accepted draft, or other item of value paid or delivered upon honor or giving of value by the issuer or any nominated person under the letter of credit. The term does not include a beneficiary's drawing rights or documents presented by the beneficiary.

(2) A beneficiary may assign its right to part or all of the proceeds of a letter of credit. The beneficiary may do so before presentation as a present assignment of its right to receive proceeds contingent upon its compliance with the terms and conditions of the letter of credit.

(3) An issuer or nominated person need not recognize an assignment of proceeds of a letter of credit until it consents to the assignment.

(4) An issuer or nominated person has no obligation to give or withhold its consent to an assignment of proceeds of a letter of credit, but consent may not be unreasonably withheld if the assignee possesses and exhibits the letter of credit and presentation of the letter of credit is a condition to honor.

(5) Rights of a transferee beneficiary or nominated person are independent of the beneficiary's assignment of the proceeds of a letter of credit and are superior to the assignee's right to the proceeds.

(6) Neither the rights recognized by this section between an assignee and an issuer, transferee beneficiary, or nominated person
nor the issuer's or nominated person's payment of proceeds to an assignee or a third person affect the rights between the assignee and any person other than the issuer, transferee beneficiary, or nominated person. The mode of creating and perfecting a security interest in or granting an assignment of a beneficiary's rights to proceeds is governed by chapter 9, title 28, Idaho Code, or other law. Against persons other than the issuer, transferee beneficiary, or nominated person, the rights and obligations arising upon the creation of a security interest or other assignment of a beneficiary's right to proceeds and its perfection are governed by chapter 9, title 28, Idaho Code, or other law.

28-5-115. STATUTE OF LIMITATIONS. An action to enforce a right or obligation arising under this chapter must be commenced within one (1) year after the expiration date of the relevant letter of credit or one (1) year after the cause of action accrues, whichever occurs later. A cause of action accrues when the breach occurs, regardless of the aggrieved party's lack of knowledge of the breach.

28-5-116. CHOICE OF LAW AND FORUM. (1) The liability of an issuer, nominated person, or adviser for action or omission is governed by the law of the jurisdiction chosen by an agreement in the form of a record signed or otherwise authenticated by the affected parties in the manner provided in section 28-5-104 or by a provision in the person's letter of credit, confirmation, or other undertaking. The jurisdiction whose law is chosen need not bear any relation to the transaction.

(2) Unless subsection (1) of this section applies, the liability of an issuer, nominated person, or adviser for action or omission is governed by the law of the jurisdiction in which the person is located. The person is considered to be located at the address indicated in the person's undertaking. If more than one (1) address is indicated, the person is considered to be located at the address from which the person's undertaking was issued. For the purpose of jurisdiction, choice of law, and recognition of interbranch letters of credit, but not enforcement of a judgment, all branches of a bank are considered separate juridical entities and a bank is considered to be located at the place where its relevant branch is considered to be located under this subsection.

(3) Except as otherwise provided in this subsection, the liability of an issuer, nominated person, or adviser is governed by any rules of custom or practice, such as the uniform customs and practice for documentary credits, to which the letter of credit, confirmation, or other undertaking is expressly made subject. If (i) this chapter would govern the liability of an issuer, nominated person, or adviser under subsection (1) or (2) of this section, (ii) the relevant undertaking incorporates rules of custom or practice, and (iii) there is conflict between this chapter and those rules as applied to that undertaking, those rules govern except to the extent of any conflict with the nonvariable provisions specified in section 28-5-103(3).

(4) If there is conflict between this chapter and chapter 3, 4, or 9, title 28, Idaho Code, this chapter governs.

(5) The forum for settling disputes arising out of an undertaking
within this chapter may be chosen in the manner and with the binding effect that governing law may be chosen in accordance with subsection (1) of this section.

28-5-117. SUBROGATION OF ISSUER, APPLICANT, AND NOMINATED PERSON. (1) An issuer that honors a beneficiary's presentation is subrogated to the rights of the beneficiary to the same extent as if the issuer were a secondary obligor of the underlying obligation owed to the beneficiary and of the applicant to the same extent as if the issuer were the secondary obligor of the underlying obligation owed to the applicant.

(2) An applicant that reimburses an issuer is subrogated to the rights of the issuer against any beneficiary, presenter, or nominated person to the same extent as if the applicant were the secondary obligor of the obligations owed to the issuer and has the rights of subrogation of the issuer to the rights of the beneficiary stated in subsection (1) of this section.

(3) A nominated person who pays or gives value against a draft or demand presented under a letter of credit is subrogated to the rights of:

(a) the issuer against the applicant to the same extent as if the nominated person were a secondary obligor of the obligation owed to the issuer by the applicant,
(b) the beneficiary to the same extent as if the nominated person were a secondary obligor of the underlying obligation owed to the beneficiary, and
(c) the applicant to the same extent as if the nominated person were a secondary obligor of the underlying obligation owed to the applicant.

(4) Notwithstanding any agreement or term to the contrary, the rights of subrogation stated in subsections (1) and (2) of this section do not arise until the issuer honors the letter of credit or otherwise pays and the rights in subsection (3) of this section do not arise until the nominated person pays or otherwise gives value. Until then, the issuer, nominated person, and the applicant do not derive under this section present or prospective rights forming the basis of a claim, defense, or excuse.

28-5-118. APPLICABILITY. This act applies to a letter of credit that is issued on or after the effective date of this act. This act does not apply to a transaction, event, obligation, or duty arising out of or associated with a letter of credit that was issued before the effective date of this act.

28-5-119. SAVINGS CLAUSE. A transaction arising out of or associated with a letter of credit that was issued before the effective date of this act and the rights, obligations, and interests flowing from that transaction are governed by any statute or other law amended or repealed by this act as if repeal or amendment had not occurred and may be terminated, completed, consummated, or enforced under that statute or other law.

SECTION 3. That Section 28-1-105, Idaho Code, be, and the same is
hereby amended to read as follows:

28-1-105. TERRITORIAL APPLICATION OF THE ACT -- PARTIES' POWER TO CHOOSE APPLICABLE LAW. (1) Except as provided hereafter in this section, when a transaction bears a reasonable relation to this state and also to another state or nation the parties may agree that the law either of this state or of such other state or nation shall govern their rights and duties. Failing such agreement this act applies to transactions bearing an appropriate relation to this state.

(2) Where one of the following provisions of this act specifies the applicable law, that provision governs and a contrary agreement is effective only to the extent permitted by the law (including the conflict of laws rules so specified):

Rights of creditors against sold goods. Section 28-2-402.
Applicability of the chapter on Leases. Sections 28-12-105 and 28-12-106.
Applicability of the chapter on Bank Deposits and Collections. Section 28-4-102.
Governing law in the part on Funds Transfers. Section 28-4-638.
Letters of Credit. Section 28-5-116.
Applicability of the chapter on Investment Securities. Section 28-8-110.

SECTION 4. That Section 28-2-512, Idaho Code, be, and the same is hereby amended to read as follows:

28-2-512. PAYMENT BY BUYER BEFORE INSPECTION. (1) Where the contract requires payment before inspection nonconformity of the goods does not excuse the buyer from so making payment unless
(a) the nonconformity appears without inspection; or
(b) despite tender of the required documents the circumstances would justify injunction against honor under the provisions of this act (section 28-5-4109(2)).

(2) Payment pursuant to subsection (1) does not constitute acceptance of goods or impair the buyer's right to inspect or any of his remedies.

SECTION 5. That Section 28-9-103, Idaho Code, be, and the same is hereby amended to read as follows:

28-9-103. PERFECTION OF SECURITY INTERESTS IN MULTIPLE STATE TRANSACTIONS. (1) Documents, instruments, letters of credit, and ordinary goods.

(a) This subsection applies to documents, instruments, rights to proceed of written letters of credit, and to goods other than those covered by a certificate of title described in subsection (2), mobile goods described in subsection (3), and minerals described in subsection (5).

(b) Except as otherwise provided in this subsection, perfection and the effect of perfection or nonperfection of a security interest in collateral are governed by the law of the jurisdiction
where the collateral is when the last event occurs on which is based the assertion that the security interest is perfected or unperfected.

(c) If the parties to a transaction creating a purchase money security interest in goods in one jurisdiction understand at the time that the security interest attaches that the goods will be kept in another jurisdiction, then the law of the other jurisdiction governs the perfection and the effect of perfection or nonperfection of the security interest from the time it attaches until thirty (30) days after the debtor receives possession of the goods and thereafter if the goods are taken to the other jurisdiction before the end of the thirty (30) day period.

(d) When collateral is brought into and kept in this state while subject to a security interest perfected under the law of the jurisdiction from which the collateral was removed, the security interest remains perfected, but if action is required by part 3 of this chapter to perfect the security interest,

(i) if the action is not taken before the expiration of the period of perfection in the other jurisdiction or the end of four (4) months after the collateral is brought into this state, whichever period first expires, the security interest becomes unperfected at the end of that period and is thereafter deemed to have been unperfected as against a person who became a purchaser after removal;

(ii) if the action is taken before the expiration of the period specified in subparagraph (i), the security interest continues perfected thereafter;

(iii) for the purpose of priority over a buyer of consumer goods (subsection (2) of section 28-9-307), the period of the effectiveness of a filing in the jurisdiction from which the collateral is removed is governed by the rules with respect to perfection in subparagraphs (i) and (ii).

(2) Certificate of title.

(a) This subsection applies to goods covered by a certificate of title issued under a statute of this state or of another jurisdiction under the law of which indication of a security interest on the certificate is required as a condition of perfection.

(b) Except as otherwise provided in this subsection, perfection and the effect of perfection or nonperfection of the security interest are governed by the law (including the conflict of laws rules) of the jurisdiction issuing the certificate until four (4) months after the goods are removed from that jurisdiction and thereafter until the goods are registered in another jurisdiction, but in any event not beyond surrender of the certificate. After the expiration of that period, the goods are not covered by the certificate of title within the meaning of this section.

(c) Except with respect to the rights of a buyer described in the next paragraph, a security interest, perfected in another jurisdiction otherwise than by notation on a certificate of title, in goods brought into this state and thereafter covered by a certificate of title issued by this state is subject to the rules stated in paragraph (d) of subsection (1).

(d) If goods are brought into this state while a security inter-
est therein is perfected in any manner under the law of the juris-
diction from which the goods are removed and a certificate of
title is issued by this state and the certificate does not show
that the goods are subject to the security interest or that they
may be subject to security interests not shown on the certificate,
the security interest is subordinate to the rights of a buyer of
the goods who is not in the business of selling goods of that kind
to the extent that he gives value and receives delivery of the
goods after issuance of the certificate and without knowledge of
the security interest.
(3) Accounts, general intangibles and mobile goods.
(a) This subsection applies to accounts (other than an account
described in subsection (5) on minerals) and general intangibles
other than uncertified securities and to goods which are mobile
and which are of a type normally used in more than one jurisdic-
tion, such as motor vehicles, trailers, rolling stock, airplanes,
shipping containers, road building and construction machinery and
commercial harvesting machinery and the like, if the goods are
equipment or are inventory leased or held for lease by the debtor
to others, and are not covered by a certificate of title described
in subsection (2).
(b) The law (including the conflict of laws rules) of the juris-
diction in which the debtor is located governs the perfection and
the effect of perfection or nonperfection of the security inter-
est.
(c) If, however, the debtor is located in a jurisdiction which is
not a part of the United States, and which does not provide for
perfection of the security interest by filing or recording in that
jurisdiction, the law of the jurisdiction in the United States in
which the debtor has its major executive office in the United
States governs the perfection and the effect of perfection or
nonperfection of the security interest through filing. In the
alternative, if the debtor is located in a jurisdiction which is
not a part of the United States or Canada and the collateral is
accounts or general intangibles for money due or to become due,
the security interest may be perfected by notification to the
account debtor. As used in this paragraph, "United States"
includes its territories and possessions and the Commonwealth of
Puerto Rico.
(d) A debtor shall be deemed located at his place of business if
he has one, at his chief executive office if he has more than one
place of business, otherwise at his residence. If, however, the
debtor is a foreign air carrier under the Federal Aviation Act of
1958, as amended, it shall be deemed located at the designated
office of the agent upon whom service of process may be made on
behalf of the foreign air carrier.
(e) A security interest perfected under the law of the jurisdic-
tion of the location of the debtor is perfected until the expira-
tion of four (4) months after a change of the debtor’s location to
another jurisdiction, or until perfection would have ceased by the
law of the first jurisdiction, whichever period first expires.
Unless perfected in the new jurisdiction before the end of that
period, it becomes unperfected thereafter and is deemed to have
been unperfected as against a person who became a purchaser after the change.

(4) Chattel paper. The rules stated for goods in subsection (1) apply to a possessory security interest in chattel paper. The rules stated for accounts in subsection (3) apply to a nonpossessory security interest in chattel paper, but the security interest may not be perfected by notification to the account debtor.

(5) Minerals. Perfection and the effect of perfection or nonperfection of a security interest which is created by a debtor who has an interest in minerals or the like (including oil and gas) before extraction and which attaches thereto as extracted, or which attaches to an account resulting from the sale thereof at the wellhead or minehead are governed by the law (including the conflict of laws rules) of the jurisdiction wherein the wellhead or minehead is located.

(6) Investment property.
(a) This subsection applies to investment property.
(b) Except as otherwise provided in paragraph (f), during the time that a security certificate is located in a jurisdiction, perfection of a security interest, the effect of perfection or nonperfection, and the priority of a security interest in the certificated security represented thereby are governed by the local law of that jurisdiction.
(c) Except as otherwise provided in paragraph (f), perfection of a security interest, the effect of perfection or nonperfection, and the priority of a security interest in an uncertificated security are governed by the local law of the issuer's jurisdiction as specified in section 28-8-110(4).
(d) Except as otherwise provided in paragraph (f), perfection of a security interest, the effect of perfection or nonperfection, and the priority of a security interest in a security entitlement or securities account are governed by the local law of the securities intermediary's jurisdiction as specified in section 28-8-110(5).
(e) Except as otherwise provided in paragraph (f), perfection of a security interest, the effect of perfection or nonperfection, and the priority of a security interest in a commodity contract or commodity account are governed by the local law of the commodity intermediary's jurisdiction. The following rules determine a "commodity intermediary's jurisdiction" for purposes of this paragraph:

(i) If an agreement between the commodity intermediary and commodity customer specifies that it is governed by the law of a particular jurisdiction, that jurisdiction is the commodity intermediary's jurisdiction.
(ii) If an agreement between the commodity intermediary and commodity customer does not specify the governing law as provided in subparagraph (i), but expressly specifies that the commodity account is maintained at an office in a particular jurisdiction, that jurisdiction is the commodity intermediary's jurisdiction.
(iii) If an agreement between the commodity intermediary and commodity customer does not specify a jurisdiction as pro-
vided in subparagraphs (i) or (ii), the commodity intermediary's jurisdiction is the jurisdiction in which is located the office identified in an account statement as the office serving the commodity customer's account.

(iv) If an agreement between the commodity intermediary and commodity customer does not specify a jurisdiction as provided in subparagraphs (i) or (ii) and an account statement does not identify an office serving the commodity customer's account as provided in subparagraph (iii), the commodity intermediary's jurisdiction is the jurisdiction in which is located the chief executive office of the commodity intermediary.

(f) Perfection of a security interest by filing, automatic perfection of a security interest in investment property granted by a broker or securities intermediary, and automatic perfection of a security interest in a commodity contract or commodity account granted by a commodity intermediary are governed by the local law of the jurisdiction in which the debtor is located.

SECTION 6. That Section 28-9-104, Idaho Code, be, and the same is hereby amended to read as follows:

28-9-104. TRANSACTIONS EXCLUDED FROM CHAPTER. This chapter does not apply:

(a) To a security interest subject to any statute of the United States such as the Ship Mortgage Act, 1920, to the extent that such statute governs the rights of parties to and third parties affected by transactions in particular types of property; or

(b) To a landlord's lien; or

(c) To a lien given by statute or other rule of law for services or materials except as provided in section 28-9-310 on priority of such liens; or

(d) To a transfer of a claim for wages, salary or other compensation of an employee; or

(e) To a transfer by a government or governmental subdivision or agency; or

(f) To a sale of accounts or chattel paper as part of a sale of the business out of which they arose, or an assignment of accounts or chattel paper which is for the purpose of collection only, or a transfer of a right to payment under a contract to an assignee who is also to do the performance under the contract or a transfer of a single account to an assignee in whole or partial satisfaction of a preexisting indebtedness; or

(g) To a transfer of an interest in or claim in or under any policy of insurance, except as provided with respect to proceeds (section 28-9-306), and priorities in proceeds (section 28-9-312); or

(h) To a right represented by a judgment (other than a judgment taken on a right to payment which was collateral); or

(i) To any right of set-off; or

(j) Except to the extent that provision is made for fixtures in section 28-9-313, to the creation or transfer of an interest in or lien on real estate, including a lease or rents thereunder; or

(k) To a transfer in whole or in part of any claim arising out of
tort; or

(1) To a transfer of an interest in any deposit account (subsection (1) of section 28-9-105), except as provided with respect to proceeds (section 28-9-306) and priorities in proceeds (section 28-9-312); or

(m) To a transfer of an interest in a letter of credit other than the rights to proceeds of a written letter of credit.

SECTION 7. That Section 28-9-105, Idaho Code, be, and the same is hereby amended to read as follows:

28-9-105. DEFINITIONS AND INDEX OF DEFINITIONS. (1) In this chapter unless the context otherwise requires:

(a) "Account debtor" means the person who is obligated on an account, chattel paper or general intangible;
(b) "Chattel paper" means a writing or writings which evidence both a monetary obligation and a security interest in or lease of specific goods, but a charter or other contract involving the use or hire of a vessel is not chattel paper. When a transaction is evidenced both by such a security agreement or a lease and by an instrument or a series of instruments, the group of writings taken together constitutes chattel paper;
(c) "Collateral" means the property subject to a security interest, and includes accounts and chattel paper which have been sold;
(d) "Debtor" means the person who owes payment or other performance of the obligation secured, whether or not he owns or has rights in the collateral, and includes the seller of accounts or chattel paper. Where the debtor and the owner of the collateral are not the same person, the term "debtor" means the owner of the collateral in any provision of the chapter dealing with the collateral, the obligor in any provision dealing with the obligation, and may include both where the context so requires;
(e) "Deposit account" means a demand, time, savings, passbook or like account maintained with a bank, savings and loan association, credit union or like organization, other than an account evidenced by a certificate of deposit;
(f) "Document" means document of title as defined in the general definitions of chapter 1 (section 28-1-201), and a receipt of the kind described in subsection (2) of section 28-7-201;

(h) "Goods" includes all things which are movable at the time the security interest attaches or which are fixtures (section 28-9-313), but does not include money, documents, instruments, investment property, commodity contracts, accounts, chattel paper, general intangibles, or minerals or the like (including oil and gas) before extraction. "Goods" also includes standing timber which is to be cut and removed under a conveyance or contract for sale, the unborn young of animals and growing crops;
(i) "Instrument" means a negotiable instrument (defined in section 28-3-104), or any other writing which evidences a right to the payment of money and is not itself a security agreement or
lease and is of a type which is in ordinary course of business transferred by delivery with any necessary indorsement or assignment. The term does not include investment property;

(j) "Mortgage" means a consensual interest created by a real estate mortgage, a trust deed on real estate, or the like;

(1) "Security agreement" means an agreement which creates or provides for a security interest;

(m) "Secured party" means a lender, seller or other person in whose favor there is a security interest, including a person to whom accounts or chattel paper have been sold. When the holders of obligations issued under an indenture of trust, equipment trust agreement or the like are represented by a trustee or other person, the representative is the secured party;

(n) "Transmitting utility" means any person primarily engaged in the railroad, street railway or trolley bus business, the electric or electronics communications transmission business, the transmission of goods by pipeline, or the transmission or the production and transmission of electricity, steam, gas or water, or the provision of sewer service;

28-9-106. DEFINITIONS -- "ACCOUNT" -- "GENERAL INTANGIBLES". "Account" means any right to payment for goods sold or leased or for services rendered which is not evidenced by an instrument or chattel paper, whether or not it has been earned by performance. "General intangibles" means any personal property (including things in action) other than goods, accounts, chattel paper, documents, instruments, investment property, rights to proceeds of written letters of credit, and money. All rights to payment earned or unearned under a charter or other contract involving the use or hire of a vessel and all rights incident to the charter or contract are accounts.

SECTION 9. That Section 28-9-304, Idaho Code, be, and the same is hereby amended to read as follows:

28-9-304. PERFECTION OF SECURITY INTEREST IN INSTRUMENTS, DOCUMENTS, PROCEEDS OF A WRITTEN LETTER OF CREDIT, AND GOODS COVERED BY DOCUMENTS -- PERFECTION BY PERMISSIVE FILING -- TEMPORARY PERFECTION WITHOUT FILING OR TRANSFER OF POSSESSION. (1) A security interest in chattel paper or negotiable documents may be perfected by filing. A security interest in the rights to proceeds of a written letter of credit can be perfected only by the secured party's taking possession of the letter of credit. A security interest in money or instruments (other than instruments which constitute part of chattel paper) can be perfected only by the secured party's taking possession, except as provided in subsections (4) and (5) of this section and subsections (2) and (3) of section 28-9-306 on proceeds.

(2) During the period that goods are in the possession of the issuer of a negotiable document therefor, a security interest in the goods is perfected by perfecting a security interest in the document, and any security interest in the goods otherwise perfected during such
(3) A security interest in goods in the possession of a bailee other than one who has issued a negotiable document therefor is perfected by issuance of a document in the name of the secured party or by the bailee's receipt of notification of the secured party's interest or by filing as to the goods.

(4) A security interest in instruments, certificated securities, or negotiable documents is perfected without filing or the taking of possession for a period of twenty-one (21) days from the time it attaches to the extent that it arises for new value given under a written security agreement.

(5) A security interest remains perfected for a period of twenty-one (21) days without filing where a secured party having a perfected security interest in an instrument, a certificated security, a negotiable document or goods in possession of a bailee other than one who has issued a negotiable document therefor:

(a) makes available to the debtor the goods or documents representing the goods for the purpose of ultimate sale or exchange or for the purpose of loading, unloading, storing, shipping, transshipping, manufacturing, processing or otherwise dealing with them in a manner preliminary to their sale or exchange, but priority between conflicting security interests in the goods is subject to subsection (3) of section 28-9-312; or

A security interest in the right to proceeds of a written letter of credit may be perfected by the secured party's taking possession of the letter of credit. If such collateral other than goods covered by a negotiable document is held by a bailee, the secured party is deemed to have possession from the time the bailee receives notification of the secured party's interest. A security interest is perfected by possession from the time possession is taken without relation back and continues only so long as possession is retained, unless otherwise specified in this chapter. The security interest may be otherwise perfected as provided in this chapter before or after the period of possession by the secured party.

CHAPTER 8
(H.B. No. 473)

AN ACT
RELATING TO PUBLIC SCHOOL; AMENDING SECTION 1, CHAPTER 448, LAWS OF 1994, TO EXTEND THE SUNSET CLAUSE ON RULES AND TO PROVIDE OTHER DATE CHANGES; AND DECLARING AN EMERGENCY.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 1, Chapter 448, Laws of 1994, be, and the same is hereby amended to read as follows:

SECTION 1. All rules for the public schools of the state board of education, IDAPA 08.02, chapters 01 through 07, that were in effect as of April 1, 1994, that are not otherwise repealed by the state board of education or the legislature, shall be null and void effective April 1, 1996.

It is the intent of the legislature that the state board of education shall undertake a complete evaluation of all rules relating to the public schools to determine whether and how those rules promote a thorough system of education as described in section 33-1612, Idaho Code, (1994 Senate Bill 1291) and shall draft and promulgate new rules if necessary and consistent with a thorough system of education.

(6) "Herbicide" means any substance or mixture of substances used to inhibit or destroy plant or weed growth.
(7) "Irrigation system" means any device or combination of devices having a hose, pipe or other conduit which connects directly to any source of ground or surface water, through which water or a mixture of water and chemicals is drawn and applied to land or crop or both. The term does not include any hand held hose sprayer or other similar device which is constructed so that an interruption in water flow automatically prevents any backflow to the water source.
(8) "Person" means an individual, firm, partnership, corporation, or other recognized legal entity.
(9) "Pest" means (a) any insect, rodent, nematode, fungus, weed, or (b) any other form of terrestrial or aquatic plant or animal life or virus, bacteria, or other microorganism, except virus, bacteria, or other microorganism on or in living man or other living animals, which the director declares to be a pest.

A person may obtain a chemigation category on a private or professional applicator license from the department of agriculture by making application and paying a license fee of twenty-five dollars ($250.00) to the department. On the application for a license, the applicant must certify that the equipment and system they plan to use for chemigation meets department standards and that the owner and person(s) operating the equipment have read the rules and regulations for chemigation in the state of Idaho and that the owner intends to operate and maintain the chemigation system according to the rules and regulations. The equipment certification may be provided to the person proposing to chemigate by the equipment supplier in the case of a new installation. The department shall assist persons in completing their license applications upon request. On the application for licensure, the department may require such other information as it deems necessary. Upon receipt of a properly signed and completed application and the required information and fee, the department shall issue a license to the applicant so that the person can engage in, conduct or carry on chemigation. The department may impose as a condition of licensure that an applicant either attend a seminar conducted, sponsored or accredited by the department or pass an examination regarding chemigation through irrigation systems and ways to avert contaminating the ground water of the state while engaged in chemigation.

(2) The fee for the renewal of the chemigation category on a private or professional applicator's license required by this section shall be ten twenty dollars ($10.00) and shall be paid with the application for license renewal on or before April 1 of each year. Failure to pay the fees when due forfeits the right to engage in, conduct or carry on chemigation. Chemigation categories issued to private or professional applicators shall expire on the same date as the private or professional license, unless suspended or revoked as provided for in this section.

(3) Any person who has been previously licensed to engage in, conduct or carry on chemigation and whose license has been forfeited shall not be issued a renewal license except upon written application to the department accompanied by a sum of money equal to the initial application fee charged in subsection (1) of this section.

(4) The department may suspend, revoke, or refuse to issue or renew the license of any person when it is satisfied that:
(a) The applicant or licensee has been guilty of fraud, deception, or misrepresentation in the procurement of a license;
(b) The licensee was guilty of willfully violating any of the provisions of this chapter; and
(c) The chemigation equipment is insufficient to protect against accident.

SECTION 3. That Section 22-1408, Idaho Code, be, and the same is hereby amended to read as follows:
22-1408. CONDUCTING CHEMIGATION WITHOUT A LICENSE. Any person who engages in, conducts or carries on chemigation without having a valid chemigation category on a private or professional applicator license in full force and effect pursuant to this chapter shall be liable for a civil penalty of not less than one thousand dollars ($1,000) and not more than twenty-five thousand dollars ($25,000). The director may file a civil action to enforce this section in a court of competent jurisdiction in the county in which the violation occurred. All civil penalties collected pursuant to this section shall be remitted to the water pollution control account. The burden of proof for such liability shall be met by showing a preponderance of the evidence. The civil liability contained in this section shall be in addition to, and not in lieu of, any liability contained in chapter 1, title 39, Idaho Code.

CHAPTER 34
(H.B. No. 407)

AN ACT
RELATING TO BONDED WAREHOUSE LAW; AMENDING SECTION 69-208, IDAHO CODE, TO CONFIRM BOND COVERAGE FOR COMMODITY INDEMNITY ACCOUNT PAYMENTS AND TO MAKE A TECHNICAL CORRECTION; AND AMENDING SECTION 69-266, IDAHO CODE, TO CLARIFY REIMBURSEMENT RIGHTS AND ACCRUAL OF CAUSE OF ACTION.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 69-208, Idaho Code, be, and the same is hereby amended to read as follows:

69-208. BOND OF APPLICANT FOR LICENSE -- ADDITIONAL BOND -- ADDITIONAL OBLIGATIONS -- CERTIFICATE OF DEPOSIT, ANNUITY OR IRREVOCABLE LETTER OF CREDIT IN LIEU OF BOND. Each warehouseman applying for a license to conduct a warehouse in accordance with this chapter shall, as a condition to the granting thereof, execute and file with the department a good and sufficient bond other than personal security to the state to secure the faithful performance of his obligations as a warehouseman under all the laws of the state, including obligations arising by operation of the commodity indemnity account program, and the rules and regulations prescribed hereunder, and of such additional obligations as a warehouseman as may be assumed by him under contracts with the respective depositors of agricultural commodities in such warehouse. Said bond shall be in such form and amount, shall have such surety or sureties, and shall contain such terms and conditions as the department may prescribe to carry out the purposes of this chapter. Whenever the department shall determine that a bond approved by it is, or for any cause has become, insufficient, it may require an addi-
tional bond or bonds to be given by the warehouseman concerned, con-
forming with the requirements of this section, and unless the same be
given within the time fixed by a written demand therefor the license
of such warehouseman may be suspended or revoked.

The bond shall be approved by the department and shall be condi-
tioned upon the faithful performance by the warehouseman of the duty
to keep in the warehouse for the depositor the agricultural commodity
delivered and to deliver the agricultural commodity to or for such
depositors. The bond shall also be conditioned upon the faithful per-
formance by the warehouseman of any additional obligations involving
marketing transactions with a depositor.

The warehouseman may give a single bond meeting the requirements
as provided in this chapter and all warehouses operated by the ware-
houseman shall be as one (1) warehouse for the purpose of compliance
with the provisions of this section. Any changes in the capacity of a
warehouse or installation of any new warehouses involving a change in
the bond liability under the provisions of this chapter shall be
reported to the department prior to the operation thereof.

At the discretion of the director, any person required to submit a
bond to the department in accordance with this chapter, may at his
option give to the department a certificate of deposit, an annuity or
an irrevocable letter of credit payable to the director as trustee in
lieu of the bond required herein. The principal amount of the certifi-
cate, annuity or letter of credit shall be the same as that required
for a surety bond pursuant to this chapter. Accrued interest upon the
certificate of deposit or annuity shall be payable to the purchaser of
the certificate or annuity. The certificate, annuity or letter of
credit shall remain on file with the department until it is released,
cancelled or discharged by the director. The provisions of this chap-
ter that apply to a bond required pursuant to this chapter apply to
each certificate of deposit, annuity or letter of credit given in lieu
of such bond.

Under provisions of this chapter, an irrevocable letter of credit
shall not be acceptable unless it is issued by a national bank in
Idaho or by an Idaho state-chartered bank insured by the federal
deposit insurance corporation. Under the provisions of this chapter,
an annuity shall not be accepted by the department unless it is issued
by an insurance company, bank or other financial institution found
acceptable by the director and shall have a cash value equal to the
bond requirement less any penalty for early withdrawal.

SECTION 2. That Section 69-266, Idaho Code, be, and the same is
hereby amended to read as follows:

69-266. PAYMENT FROM ACCOUNT -- DEBT OF WAREHOUSEMAN OR DEALER OR
SURETY -- REIMBURSEMENT -- ACCRUAL OF CAUSE OF ACTION. Amounts paid
from the commodity indemnity account in satisfaction of any approved
claim shall constitute a debt and obligation of the warehouseman, or
dealer, or surety against whom the claim was made. The director may
bring suit on behalf of the commodity indemnity account in the dis-
trict court of Ada county to recover from the warehouseman, or dealer,
or surety the amount of the payment made from the commodity indemnity
account, together with costs and attorneys' fees incurred in maintain-
ing the suit. In the event the department initiates an action against a warehouseman, dealer, or surety the department's claim is deemed to accrue and relate back to the time that each producer who received a commodity indemnity account payment incurred a loss in the facility. In no event shall a commodity indemnity account payment be deemed to be beyond the reimbursement from the warehouseman, dealer, or surety merely because the payment may have occurred after the facility closed.

Approved February 19, 1996.

(c) An individual shall not be considered a resident, but may be considered a part-year resident, for income-tax-purposes during a period of absence from this state described as follows:

63-3022J. DEDUCTION OF VALUE FOR TECHNOLOGICAL EQUIPMENT. (1) For taxable years commencing on and after January 1, 1985, any individual or corporation may deduct from taxable income an amount equal to the fair market value of technological equipment donated to public elementary or public secondary schools, public universities, private universities, public colleges, private colleges, public community colleges, private community colleges, public technical colleges or private technical colleges, or public libraries and library districts located within the state of Idaho, except that the amount of the deduction shall not reduce taxable income to less than zero. The deduction allowed pursuant to this section shall be in addition to any other deduction allowed pursuant to this chapter. In order to take the deduction pursuant to this section, the taxpayer shall receive a written statement from the donee in which the donee agrees to accept the technological equipment donated.

2. For the purposes of this section, "technological equipment" means a computer, computer software, scientific equipment or apparatus
to be used by the university, college, community college, technical college, school or library directly or indirectly in the education program of the university, college, community college, technical college, school or library and which is donated to the university, college, community college, technical college, school or library no later than five (5) years after its manufacture has been substantially completed.

(7) The state tax commission shall promulgate rules to administer the provisions of this section. The rules shall be promulgated in compliance with chapter 52, title 67, Idaho Code.

SECTION 3. That Section 63-3026A, Idaho Code, be, and the same is hereby amended to read as follows:

63-3026A. COMPUTING IDAHO TAXABLE INCOME OF PART-YEAR OR NONRESIDENT INDIVIDUALS, TRUSTS AND ESTATES. (1) For nonresident individuals, trusts, or estates the term "Idaho taxable income" includes only those components of Idaho taxable income as computed for a resident which are derived from or related to sources within Idaho. This is to be computed without the deductions for either the standard deduction or itemized deductions or personal exemptions except as provided in subsection (4) of this section.

(2) For part-year resident individuals, trusts or estates the term "Idaho taxable income" includes the total of: (a) Idaho taxable income as computed for a resident for the portion of the tax period during which a taxpayer is domiciled in or is residing in Idaho, plus (b) those components of Idaho taxable income which are derived from or related to sources within Idaho for that portion of the tax period during which a taxpayer is not domiciled in and is not residing in Idaho. This is to be computed without the deductions for either the standard deduction or itemized deductions or personal exemptions except as provided in subsection (4) of this section.

(3) For the purposes of subsections (1) and (2) of this section:

(a) Income shall be considered derived from or relating to sources within Idaho when such income is attributable to or resulting from:

(i) Any business, trade, profession or occupation conducted or carried on in this state, including the distributive share of partnership income and deductions, and the pro rata share
of S corporation income and deductions;
(ii) The ownership or disposition of any interest in real or tangible personal property located in this state;
(iii) The ownership or disposition of any interest in intangible personal property only to the extent that such property is employed in a business, trade, profession or occupation conducted or carried on in this state. Provided however, that interest income from an installment sale of real or tangible personal property shall constitute income from sources within this state to the extent that the property sold was located within this state. Provided further, that interest income received by a partner or shareholder of a partnership or S corporation from such partnership or S corporation shall constitute income from sources within this state to the extent that the partnership or S corporation is transacting business within this state;
(iv) Income--of--estates-and--trusts-distributed-or-distributable-to-nonresident-or-part-year-resident-beneficiaries--when such--income--is--from--a resident estate or trust; or when such income is derived from or related to sources within this state;
(v) A nonresident estate or trust to the extent the income and deductions of the nonresident estate or trust were derived from or related to sources within this state;
(vi) The conduct of pari-mutuel wagering, charitable gaming or any other form of gambling taking place within this state, except as expressly limited in section 67-7439, Idaho Code.

(b) Notwithstanding the provisions of subsection (3)(a) of this section, transactions and investments made, placed or directed by Idaho resident registered broker-dealers and investment advisers or institutions exempt from registration under the Idaho securities act in securities listed with or through the New York Stock Exchange, the American Stock Exchange or any other stock exchange registered with the United States securities and exchange commission and approved by the director of the department of finance which generate dividends, interest, capital gains or similar profits or returns for nonresidents not otherwise subject to Idaho income taxation shall not result in the intangible property being deemed to have a situs outside the domicile of the owner.

(c) Compensation paid by the United States for active service in the armed forces of the United States, performed by an individual not domiciled in this state, shall not constitute income derived from or related to sources within this state.

(d) The income of nonresident or part-year resident individuals, trusts or estates which is derived from or related to sources both within and without this state shall be attributable to this state in the manner prescribed in the rules of the state tax commission.

(4) In computing the Idaho taxable income of a part-year or nonresident individual, trust or estate, the standard deduction or itemized deductions, as defined in section 63-3022(1), Idaho Code, if applicable, and the exemptions, as defined in section 151 of the internal revenue code or any allowance in lieu of such deduction, shall be allowed in the proportion that paragraph (a) of this subsec-
tion bears to paragraph (b) of this subsection:

(a) The Idaho taxable income of the taxpayer modified as follows:
   (i) No allowance shall be made for either the standard deduction or itemized deductions;
   (ii) No deduction shall be made for personal exemptions or any allowance in lieu of such deduction.

(b) The Idaho taxable income as would be calculated for a resident of Idaho modified as follows:
   (i) No allowance shall be made for either a standard deduction or itemized deductions;
   (ii) No deduction shall be made for personal exemptions or any allowance in lieu of such deduction;
   (iii) Compensation for active military service in the armed forces shall not be deducted;
   (iv) Income earned within the original exterior boundaries of any federally created Indian reservation by an enrolled Indian in a federally recognized Indian tribe on a federally recognized Indian reservation shall be added if not otherwise included.

(5) An adjustment may be made to eliminate distortions in the amount of net income attributable to a taxpayer's activities within the state of Idaho. Such deductions shall be limited to circumstances involving itemized deductions as referred to in subsection (4) of this section and which reflect:
   (a) A failure to reflect the net income or deduction after reimbursements have been received; or
   (b) A failure to reflect the net amount of mortgage interest income or expense from activities within Idaho.

(6) For the purposes of subsections (1) and (2) of this section, deductions and adjustments allowed in computing the Idaho taxable income of nonresident and part-year resident individuals, trusts and estates shall be prescribed in the rules of the state tax commission. Such rules shall be based upon:
   (a) Whether or not the deduction or adjustment is related to the production of income reportable to Idaho;
   (b) Whether or not the deduction or adjustment is related to income received, expenses paid, or events of tax consequence which occurred during a portion of a taxable year that the taxpayer was domiciled in or residing in Idaho; or
   (c) Any other appropriate basis for making the adjustment. An "appropriate basis" is one which the state tax commission finds is needed to insure that the amount of Idaho taxable income is fairly and reasonably related to a taxpayer's activities in this state.

SECTION 4. That Section 63-3029B, Idaho Code, be, and the same is hereby amended to read as follows:

63-3029B. INCOME TAX CREDIT FOR CAPITAL INVESTMENT. (1) At the election of the taxpayer there shall be allowed, subject to the applicable limitations provided herein as a credit against the income tax imposed by chapter 30, title 63, Idaho Code, an amount equal to the sum of:
   (a) the tax credit carry-overs; and
(b) the tax credit for the taxable year.

(2) The maximum allowable amount of the credit for the current taxable year shall be three percent (3%) of the amount of qualified investments made during the taxable year.

(3) As used in this section "qualified investment" means certain depreciable property which:
   (a) is eligible for the federal investment tax credit, as defined in sections 46(c) and 48 of the internal revenue code subject to the limitations provided for certain regulated companies in section 46(f) of the internal revenue code and is not a motor vehicle under eight thousand (8,000) pounds gross weight;
   (b) is acquired, constructed, reconstructed, erected or placed into service after December 31, 1981; and
   (c) has a situs in Idaho.

(4) Notwithstanding the provisions of subsections (1) and (2), the amount of the credit allowed shall not exceed forty-five percent (45%) of the tax liability of the taxpayer.

(5) If the sum of credit carry-overs from the credit allowed by subsection (2) and the amount of credit for the taxable year from the credit allowed by subsection (2) exceed the limitation imposed by subsection (4) for the current taxable year, the excess attributable to the current taxable year's credit shall be an investment credit carry-over to the seven (7) succeeding taxable years. In the case of a group of corporations filing a combined report under section 63-3027, Idaho Code, or sections 63-3027B through 63-3027E, Idaho Code, credit earned by one (1) member of the group but not used by that member may be used by another member of the group, subject to the provisions of subsection (4) of this section, instead of carried over. The entire amount of unused credit shall be carried forward to the earliest of the succeeding years, wherein the oldest available unused credit shall be used first, so long as the qualified investment property for which the unused credit was granted still maintains Idaho situs. For a combined group of corporations, credit carried forward may be claimed by any member of the group unless the member who earned the credit is no longer included in the combined group.

(6) Any recapture of the credit allowed by subsection (2) of this section on property disposed of or ceasing to qualify, prior to the close of its useful life, shall be determined according to the applicable recapture provisions of the internal revenue code. In the case of a unitary group of corporations, the increase in tax due to the recapture of investment tax credit must be reported by the member of the group who earned the credit regardless of which member claimed the credit against tax.

(7) For the purpose of determining whether property placed in service is a "qualified investment" as defined in subsection (3) of this section, the provisions of section 49 of the internal revenue code shall be disregarded.

(8) For purposes of this section, property has a situs in Idaho during a taxable year if it is used in Idaho at any time during the taxable year. Property not used in Idaho during a taxable year does not have a situs in Idaho in the taxable year during which the property is not used in Idaho or in any subsequent taxable year. No credit or carry-over of credit is permitted under this section if the credit
or carry-over relates to property that does not have a situs in Idaho during the taxable year for which the credit or carry-over is claimed. The Idaho situs of property must be established by records maintained by the taxpayer which are created reasonably contemporaneously with the use of the property.

(9) In the case of property used both in and outside Idaho, the taxpayer, electing to claim the credit provided in this section, must elect to compute the qualified investment in property with a situs in Idaho for all such investments first qualifying during that year in one, but only one, of the following ways:
   (a) the amount of each qualified investment in a specific asset shall be separately computed based on the percentage of the actual use of the property in Idaho by using a measure of the use, such as total miles or total machine hours, that most accurately reflects the beneficial use during the taxable year in which it is first acquired, constructed, reconstructed, erected or placed into service; provided, that the asset is placed in service more than ninety (90) days before the end of the taxable year. In the case of assets acquired, constructed, reconstructed, erected or placed into service within ninety (90) days prior to the end of the taxable year in which the investment first qualifies, the measure of the use of that asset within Idaho for that year shall be based upon the percentage of use in Idaho during the first ninety (90) days of use of the asset;
   (b) the total investment in qualified property used both inside and outside Idaho during the taxable year in which it is first acquired, constructed, reconstructed, erected or placed into service shall be multiplied by the percent of the investment that would be included in the numerator of the Idaho property factor determined pursuant to section 63-3027, Idaho Code, for the same year.

(10) Only for the purposes of subsections (3)(a) and (7) of this section, references to sections of the "internal revenue code" mean the sections referred to as they existed in the internal revenue code of 1986 prior to November 5, 1990.

SECTION 5. That Section 63-3045, Idaho Code, be, and the same is hereby amended to read as follows:

63-3045. NOTICE OF REDETERMINATION OR DEFICIENCY -- INTEREST.
   (1) (a) If, in the case of any taxpayer, the state tax commission determines that there is a deficiency in respect of the tax imposed by this title, the state tax commission shall, immediately upon discovery thereof, send notice of such deficiency to the taxpayer by registered or certified mail or by other commercial delivery service providing proof of delivery, whichever is the most cost efficient. The notice shall be sent to the taxpayer's last address known to the state tax commission. The notice of deficiency shall be accompanied by an explanation of the specific reason for the determination and an explanation of the taxpayer's right to appeal. Within sixty-three (63) days after such notice is mailed, the taxpayer may, at his option, file a protest in writing with the state tax commission and obtain redetermination of the
(b) If the taxpayer files a protest with the tax commission within the period set forth in paragraph (1)(a) of this subsection, and such protest does not comply with the regulations of the tax commission and is therefore inadequate to perfect the taxpayer's right to a redetermination of the deficiency determination, then, the tax commission shall notify the taxpayer, in the same manner as set forth in paragraph (1)(a) of this subsection, of such inadequacies, setting forth in said notice the corrective action to be taken by the taxpayer to perfect his protest. The taxpayer shall thereafter have twenty-eight (28) days from the date of said notice to perfect his protest.

(c) No assessment of a deficiency in respect of the tax imposed by this title chapter, and no distraint or proceedings in court for its collection shall be made, begun, or prosecuted until such notice has been mailed to the taxpayer, nor until the expiration of such time periods; nor, if a protest has been filed, until the decision of the state tax commission becomes final, as provided in section 63-3045B, Idaho Code all appeal rights relating to the deficiency have become final.

(2) Following a protest, the taxpayer has the right to a hearing. The purpose of the hearing is to discuss the deficiency determination and the taxpayer's protest with a commissioner or duly authorized representative of the commission. The meeting shall be held informally and evidence shall be freely admitted regardless of the rules of evidence.

(3) Any hearing conducted under the provisions of this section may be conducted, in whole or in part, by telephone, television, or other electronic means, if each participant in the hearing has an opportunity to participate in the entire proceeding while it is taking place.

(4) A taxpayer has the right to be represented by, or be accompanied by, any person of his choice in any proceeding before the tax commission. If the taxpayer is not present at a proceeding, the representative of that taxpayer must be designated in writing by the taxpayer as shall be prescribed in administrative rules or in any manner acceptable to the tax commission.

(5) If the taxpayer does not file a protest with the state tax commission within the time prescribed in subsection (1)(a) of this section, the deficiency shall be assessed and shall become due and payable upon notice and demand from the state tax commission.

(6) (a) Interest upon any deficiency shall be assessed at the same time as the deficiency, shall be due and payable upon notice and demand from the state tax commission and shall be collected as a part of the tax at the rate per annum determined under the provisions of paragraph (b) of this subsection from the date prescribed for the payment of the tax. In the event any of the deficiency is reduced by reason of a carry back of a net operating loss, such reduction in deficiency shall not affect the computation of interest under this subsection for the period ending with the last day of the taxable year in which the net operating loss arises.

(b) By November 1 of each year, the tax commission shall fix the
rate of interest due for the succeeding calendar year, or portion thereof, upon any deficiency, or payable upon an overpayment or refund. The rate of interest, rounded to the nearest whole number, shall be two percent (2%) plus the rate determined under section 1274(d), Internal Revenue Code, by the secretary of the treasury of the United States as the mid-term federal rate as it applies on October 15 of that year.

(7) When the time provisions contained in this section conflict with the provisions of section 63-4208, Idaho Code, relating to the assessment of taxes on illegal possession of controlled substances, the provisions of section 63-4208, Idaho Code, shall prevail.

SECTION 6. An emergency existing therefor, which emergency is hereby declared to exist, this act shall be in full force and effect on and after passage and approval, and retroactively to January 1, 1996.

Approved February 23, 1996.

(a) Except as otherwise provided in this section, a notice of deficiency, as provided in section 63-3045, Idaho Code, for the tax imposed in this chapter shall be issued within three (3) years from either the due date of the return, without regard to extensions, or from the date the return was filed, whichever is later.

(b) If an assessment has been made as provided in this chapter, then such tax shall be collected either by levy, or by a proceeding brought in court, within a period of six (6) years from the date of assessment of the tax and provided, further, that this shall not be in derogation of any of the remedies elsewhere provided in this chapter.

(c) In the case of a fraudulent return or a false return with the intent to evade the tax imposed in this chapter, or a willful attempt in any manner to defeat or evade the tax imposed in this chapter, a
notice of deficiency may be issued, the tax may be assessed, or a proceeding in court for collection of such tax may be begun without assessment, at any time.

(d) In the case of a failure to file a return, for any reason, a notice of deficiency may be issued, the tax imposed in this chapter may be assessed, or a proceeding in court for collection of such tax may be begun without assessment, at any time.

(e) In the case of income received during the lifetime of a decedent, a notice of deficiency shall be issued, the tax shall be assessed or any proceeding in court without assessment for the collection of such tax shall be begun, within six (6) months after written request therefore (filed after the return is made) by the executor, administrator, or other fiduciary representing the estate of such decedent.

(f) When Idaho taxable income or tax credits for any taxable year have been adjusted as a result of a final federal determination, the period of limitation for issuing a notice of deficiency shall be reopened and shall not expire until the later of one (1) year from the date of delivery of the final federal determination to the state tax commission by the taxpayer, three (3) years from the due date of the return, without regard to extensions, or three (3) years from the date the return was filed. For purposes of this subsection the term "final federal determination" shall mean the final resolution of all issues which were adjusted by the internal revenue service. When the final federal determination is submitted, the taxpayer shall also submit copies of all schedules and written explanations provided by the internal revenue service. Upon the expiration of the period of limitations as provided in subsections (a) and (l) of this section, only those specific items of income, deductions, gains, losses, or credits which were adjusted in the final federal determination shall be subject to adjustment for purposes of recomputing Idaho income, deductions, gains, losses, credits, and the effect of such adjustments on Idaho allocations and apportionments.

(g) If an adjustment, which was made within the period of limitations as provided in this section, affects the amount of tax credit, net operating loss, or capital loss, claimed in a taxable year other than the tax year in which the adjustment is made, then adjustments to the credit, net operating loss, or capital loss claimed in such other tax year may be made and a resulting notice of deficiency may be issued even though such notice of deficiency would otherwise be barred under the provisions of this section.

(h) Notwithstanding any other provisions of this section, when an amended Idaho return is filed within the period of limitations as provided in subsections (a) and (l) of this section, the period of limitations for issuing a notice of deficiency shall be three (3) years from the date the amended return was filed. However, upon the expiration of the period of limitations as provided in subsections (a) and (l) of this section, only those specific items of income, deductions, gains, losses, or credits, which were adjusted in the amended Idaho return shall be subject to adjustment for purposes of recomputing Idaho income, deductions, gains, losses, credits, and the effect of such adjustments on Idaho allocations and apportionments.

(i) If a taxpayer has filed an amended federal return, and no
corresponding Idaho amended return has been filed with the state tax commission, then the period of limitations for issuing a notice of deficiency shall be reopened and shall not expire until three (3) years from the date of delivery to the tax commission by the taxpayer of the amended federal return. However, upon the expiration of the period of limitations as provided in subsections (a) and (1) of this section, then only those specific items of income, deductions, gains, losses, or credits, which were adjusted in the amended federal return shall be subject to adjustment for purposes of recomputing Idaho income, deductions, gains, losses, credits, and the effect of such adjustments on Idaho allocations and apportionments.

(j) Notwithstanding any other provisions of this section, a notice of deficiency, related to items on the return of any pass-through entity, as defined in this section, which other taxpayers are required by law to report, shall be issued to such other taxpayers within the later of three (3) years from the due date of the other taxpayers' return, without regard to extensions, three (3) years from the date the other taxpayers' returns were filed, or three (3) years from the date of filing of the pass-through entity's return. If the pass-through entity files an amended return, notices of deficiency may be issued to the other taxpayers within three (3) years from the date the amended return for the pass-through entity was filed with the state tax commission. If the pass-through entity files an amended return with the internal revenue service, or the internal revenue service issues a final determination to the pass-through entity, then the period of limitations for issuing a notice of deficiency to the other taxpayers shall be reopened and shall not expire until three (3) years from the date of delivery to the tax commission by the pass-through entity of the amended federal return or the later of one (1) year from the due date of the pass-through entity's return, without regard to extensions, or three (3) years from the date the pass-through entity's return was filed.

(k) For purposes of this section, "pass-through entity" means a partnership, S-corporation, trust, limited liability company or any other entity whose items of income, deductions, gains, losses and credits must be reported by other taxpayer(s). For further purposes of this section, the term "other taxpayer" shall include, by way of unlimiting example, such taxpayers as partners, shareholders, beneficiaries, joint venturers or investors.

(1) Prior to the expiration of the time prescribed in this section for the issuance of a notice of deficiency for the tax imposed in this chapter, both the state tax commission, its delegate or deputy, and the taxpayer may consent in writing to extend the period of time within which a notice of deficiency may be issued. The period so agreed upon may be extended by subsequent agreements in writing made before the expiration of the period previously agreed upon. When a pass-through entity extends the period of limitations in accordance with this subsection, the period of limitations for the other taxpayers is automatically extended for the same period for the purpose of issuing a notice of deficiency to the other taxpayers reflecting the adjustments to the pass-through entity's return.
(m) The expiration of the period of limitations as provided in this section shall be suspended for the time period during which the state tax commission is prohibited from issuing a notice of deficiency, making the assessment, or from collecting by levy or a proceeding in court, and for thirty (30) days thereafter.

(n) For the purposes of this section, "return" includes a notice of deficiency determination issued by the state tax commission when no return was filed by the taxpayer. Such a return is deemed filed on the date the taxes determined by the state tax commission are assessed.

SECTION 2. That Section 63-3072, Idaho Code, be, and the same is hereby amended to read as follows:

63-3072. CREDITS AND REFUNDS. (a) Subject to the provisions of subsections (c) and (g) of this section, where there has been an overpayment of the tax imposed by the provisions of this chapter, the amount of such overpayment shall be credited against any tax administered by the state tax commission which tax is then due from the taxpayer, and any balance of such excess shall be refunded to the taxpayer.

(b) The state tax commission is authorized, and the state board of tax appeals is authorized to order the state tax commission in proper cases, to credit, remit, refund, or pay back all tax, penalties, and interest, erroneously or illegally assessed or collected, regardless of whether the same have been paid under protest, which claim for refund shall be certified to the state board of examiners by the state tax commission.

(c) Except as provided in subsection (e) of section 63-3035, Idaho Code, a claim for credit or refund of tax, penalties, or interest paid shall be made within the later of three (3) years of the due date of the return, without regard to extensions, or three (3) years from the date the return was filed. However, with regard to remittances received with an extension of time to file, or a tentative return, a claim for credit or refund of such remittances shall be made within three (3) years from the due date of the return without regard to extensions.

(d) Notwithstanding any other provisions of this section, when Idaho taxable income and/or tax credits for any taxable year have been adjusted as a result of a final federal determination, the period of limitations for claiming a refund or credit of tax, penalties, or interest shall be reopened and shall not expire until the later of one (1) year from the date of delivery of the final federal determination to the taxpayer by the internal revenue service, three (3) years from the due date of the return, without regard to extensions, or three (3) years from the date the return was filed. For purposes of this subsection, the term "final federal determination" shall mean the final resolution of all issues which were adjusted by the internal revenue service. When the final federal determination is submitted, the taxpayer shall also submit copies of all schedules and written explanations provided by the internal revenue service. Upon the expiration of the period of limitations as provided in subsections (c) and (g) of this section, only those specific items of income, deductions, gains, losses or credits which were adjusted in the final federal determina-
tion shall be subject to adjustment for purposes of recomputing Idaho income, deductions, gains, losses, credits, and the effect of such adjustments on Idaho allocations and apportionments.

(e) If a claim for credit or refund relates to an overpayment attributable to a net operating loss carryback, in lieu of the period of limitations prescribed in subsection (c) of this section, the period shall be that period which ends with the expiration of the fifteenth day of the fortieth month following the end of the taxable year of the net operating loss which results in such carryback.

(f) If an adjustment, which was made within the period of limitations as provided in this section, affects the amount of tax credit, net operating loss, or capital loss, claimed in a taxable year other than the tax year in which the adjustment is made, then adjustments to the credit, net operating loss, or capital loss, claimed in such other tax year may be made and a claim for credit or refund of tax, penalties or interest may be made even though such claim would otherwise be barred under the provisions of this section.

(g) Prior to the expiration of the time prescribed in this section for credit or refund of any tax imposed by the provisions of this chapter, both the state tax commission or its delegate or deputy and the taxpayer may consent in writing to extend such period of time. The period so agreed upon may be extended by subsequent agreements in writing made before the expiration of the period previously agreed upon. When a pass-through entity extends the period of limitations in accordance with the provisions of this subsection the period of limitations for the other taxpayers is automatically extended for the same period for the purpose of claiming a credit or refund of tax, penalties or interest by the other taxpayers reflecting the pass-through entity adjustments.

(h) The expiration of the period of limitations as provided in this section shall be suspended for the time period during which the taxpayer is prohibited from claiming a credit or refund of tax, penalties or interest imposed under the provisions of this chapter, and for thirty (30) days thereafter.

(i) Appeal of a state tax commission decision denying in whole or in part a claim for credit or refund shall be made in accordance with and within the time limits prescribed in section 63-3049, Idaho Code.

(j) For purposes of this section, "return" includes a notice of deficiency determination issued by the state tax commission when no return was filed by the taxpayer. Such a return is deemed filed on the date the taxes determined by the state tax commission are assessed.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 63-3606A, Idaho Code, be, and the same is hereby amended to read as follows:

63-3606A. MODULAR BUILDING. The term "modular building", as defined in section 39-4105, Idaho Code, which is a substantially complete building designed to be affixed to real property. The term "modular building," includes all components incorporated in such modular building at the time of manufacture and remaining unchanged at the time of the original retail sale. Furniture, fixtures, furnishings, appliances, and attachments not incorporated as component parts of the modular building at the time of manufacture shall be subject to the sales and use tax separately and distinctly from the sales price of a modular building. Refrigerators, ranges, draperies, and wood burning stoves placed in the modular home by the manufacturer shall be deemed to be components incorporated into such modular building.

SECTION 2. That Section 63-3609, Idaho Code, be, and the same is hereby amended to read as follows:

63-3609. RETAIL SALE -- SALE AT RETAIL. The terms "retail sale" or "sale at retail" means a sale of tangible personal property for any purpose other than resale of that property in the regular course of business or lease or rental of that property in the regular course of business where such rental or lease is taxable under section 63-3612(h), Idaho Code.

(a) All persons engaged in constructing, altering, repairing or improving real estate, are consumers of the material used by them; all sales to or use by such persons of tangible personal property are taxable whether or not such persons intend resale of the improved property.

(b) The delivery in this state of tangible personal property by an owner or former owner thereof or by a factory or agent of such owner, former owner or factory, if the delivery is to a consumer or person for redelivery to a consumer pursuant to a retail sale made by a retailer not engaged in business in this state, is a retail sale in this state by the person making the delivery. He shall include the retail selling price of the property in his total sales subject to tax under this act.

(c) For the purpose of this chapter, the sale or purchase of personal property incidental to the sale of real property or used mobile homes is deemed a sale of real property.

SECTION 3. That Section 63-3613, Idaho Code, be, and the same is
hereby amended to read as follows:

63-3613. SALES PRICE. (a) The term "sales price" means the total amount for which tangible personal property, including services agreed to be rendered as a part of the sale, is sold, rented or leased, valued in money, whether paid in money or otherwise, without any deduction on account of any of the following:

1. The cost of the property sold. However, in accordance with such rules and regulations as the state tax commission may prescribe, a deduction may be taken if the retailer has purchased property for some purpose other than resale or rental, has reimbursed his vendor for tax which the vendor is required to pay to the state or has paid the use tax with respect to the property, and has resold or rented the property prior to making any use of the property other than retention, demonstration or display while holding it for sale in the regular course of business. If such a deduction is taken by the retailer, no refund or credit will be allowed to his vendor with respect to the sale of the property.
2. The cost of materials used, labor or service cost, losses, or any other expense.
3. The cost of transportation of the property prior to its sale.
4. The face value of manufacturer's discount coupons. A manufacturer's discount coupon is a price reduction coupon presented by a consumer to a retailer upon purchase of a manufacturer's product, the face value of which may only be reimbursed by the manufacturer to the retailer.

(b) The term "sales price" does not include any of the following:
1. Retailer discounts allowed and taken on sales, but only to the extent that such retailer discounts represent price adjustments as opposed to cash discounts offered only as an inducement for prompt payment.
2. Any sums allowed on merchandise accepted in payment of other merchandise, provided that this allowance shall not apply to the sale of a "new manufactured home" or a "modular building" as defined herein.
3. The amount charged for property returned by customers when the amount charged therefor is refunded either in cash or credit; but this exclusion shall not apply in any instance when the customer, in order to obtain the refund, is required to purchase other property at a price greater than the amount charged for the property that is returned.
4. The amount charged for labor or services rendered in installing or applying the property sold, provided that said amount is stated separately and such separate statement is not used as a means of avoiding imposition of this tax upon the actual sales price of the tangible personal property; except that charges by a manufactured homes dealer for set up of a manufactured home shall be included in the "sales price" of such manufactured home.
5. The amount of any tax (not including, however, any manufacturers' or importers' excise tax) imposed by the United States upon or with respect to retail sales whether imposed upon the retailer or the consumer.
6. The amount charged for finance charges, carrying charges, ser-
vice charges, time-price differential, or interest on deferred payment sales, provided such charges are not used as a means of avoiding imposition of this tax upon the actual sales price of the tangible personal property.

7. Delivery and handling charges for transportation of tangible personal property after-sale to the consumer, provided that the transportation is stated separately and the separate statement is not used as a means of avoiding imposition of the tax upon the actual sales price of the tangible personal property; except that charges by a manufactured homes dealer for transportation of a manufactured home shall be included in the "sales price" of such manufactured home.

8. Manufacturers' rebates when used at the time of a retail sale as a down payment on or reduction to the retail sales price of a motor vehicle to which the rebate applies. A manufacturer's rebate is a cash payment made by a manufacturer to a consumer who has purchased or is purchasing the manufacturer's product from the retailer.

9. The amount of any fee imposed upon an outfitter as defined in section 36-2102, Idaho Code, by a governmental entity pursuant to statute for the purpose of conducting outfitting activities on land or water subject to the jurisdiction of the governmental entity, provided that the fee is stated separately and is presented as a use fee paid by the outfitted public to be passed through to the governmental entity.

(c) The sales price of a "new manufactured home" or a "modular building" as defined in this act shall be limited to and include only fifty-five per cent (55%) of the sales price as otherwise defined herein.

(d) For sales made on and after January 1, 1967, taxes previously paid on amounts represented by accounts found to be worthless and actually charged off for income tax purposes may be credited upon a subsequent payment of the tax provided in this chapter or, if no such tax is due, refunded. If such accounts are thereafter collected, a tax shall be paid upon the amount so collected.

(e) Tangible personal property when sold at retail for more than eleven cents ($0.11) but less than one dollar and one cent ($1.01) through a vending machine shall be deemed to have sold at a sales price equal to one hundred seventeen per cent (117%) of the price which is paid for such tangible personal property and/or its component parts including packaging by the owner or operator of the vending machines.

SECTION 4. That Section 63-3619, Idaho Code, be, and the same is hereby amended to read as follows:

63-3619. IMPOSITION AND RATE OF THE SALES TAX. An excise tax is hereby imposed upon each sale at retail at the rate of five per cent (5%) of the sales price of all property subject to taxation under this act and such amount shall be computed monthly on all sales at retail within the preceding month.

(a) The tax shall apply to, be computed on, and collected for all credit, instalment, conditional or similar sales at the time of the
sale or, in the case of rentals, at the time the rental is charged.

(b) The tax hereby imposed shall be collected by the retailer from the consumer.

(c) The state tax commission shall provide schedules for collection of the tax on sales which involve a fraction of a dollar. The retailer shall calculate the tax upon the entire amount of the purchases of the consumer made at a particular time and not separately upon each item purchased. The retailer may retain any amount collected under the bracket system prescribed which is in excess of the amount of tax for which he is liable to the state during the period as compensation for the work of collecting the tax.

(d) It is unlawful for any retailer to advertise or hold out or state to the public or to any customer, directly or indirectly, that the tax or any part thereof will be assumed or absorbed by the retailer or that it will not be added to the selling price of the property sold or that if added it or any part thereof will be refunded. Any person violating any provision of this section is guilty of a misdemeanor.

(e) The tax commission may by regulation rule provide that the amount collected by the retailer from the customer in reimbursement of the tax be displayed separately from the list price, the price advertised on the premises, the marked price, or other price on the sales slip or other proof of sale.

(f) The tax imposed by this act shall apply to the sales of any tangible personal property to contractors purchasing such property for resale to the United States or for use in the performance of contracts with the United States.

SECTION 5. That Section 63-3620, Idaho Code, be, and the same is hereby amended to read as follows:

63-3620. PERMITS -- ISSUANCE -- REVOCATION -- RESALE CERTIFICATES -- PENALTIES. (a) Every person desiring to engage in or conduct business as a seller within this state shall file with the state tax commission an application for a permit. Every application for a permit shall be made upon a form prescribed by the state tax commission and shall set forth the name under which the applicant transacts or intends to transact business, the location of his place or places of business, and such other information as the state tax commission may require. The applications, or any information contained thereon, may be made available by the tax commission to authorized representatives of state or federal agencies. The application shall be signed by the owner if he is a natural person; in the case of an association or partnership by a member or partner; in the case of a corporation, by an executive officer or other person authorized by the corporation to sign the application. Initial permits shall be issued without charge.

(b) The person signing the application shall certify that the applicant will actively engage in or conduct a business making sales subject to tax under this chapter.

(c) After compliance by the applicant with the requirements set out above and in section 63-3625, Idaho Code, the state tax commission shall grant and issue to each applicant a permit. A permit shall not be assignable, and shall be valid only for the person in whose name it
is issued. The permit or a copy thereof shall at all times be conspicuously displayed at each place where the person to whom it is issued conducts business.

(d) A seller whose permit has been previously suspended or revoked shall pay the state tax commission a fee of ten dollars ($10.00) for the renewal or issuance of a permit in the event of a first revocation and twenty-five dollars ($25.00) for renewal after each successive revocation unless the suspension or revocation is for inactivity pursuant to section 63-3620A, Idaho Code.

(e) Whenever any person fails to comply with any provision of this act relating to the sales tax or any rules or regulations of the state tax commission relating to the sales tax prescribed and adopted under this act, the state tax commission, upon hearing, after giving the person ten (10) days notice in writing specifying the time and place of hearing and requiring him to show cause why his permit or permits should not be revoked, may revoke or suspend any one or more of the permits held by the person. The state tax commission shall give to the person written notice of the suspension or revocation of any of his permits. The notices may be served personally or by mail in the manner prescribed for service of notice of a deficiency determination. The state tax commission shall not issue a new permit after the revocation of a permit unless the commission is satisfied that the former holder of the permit will comply with the provisions of this act relating to the sales tax and the regulations rules of the state tax commission.

(f) A person who engages in business as a seller in this state without a permit or permits, or after a permit has been suspended, and each officer of any corporation which so engages in business is guilty of a misdemeanor punishable by a fine not in excess of one hundred dollars ($100), and each day shall constitute a separate offense.

(g) (i) For the purpose of the proper administration of this act and to prevent evasion of the sales tax, it shall be presumed that all sales are subject to the tax. The burden of proving that a sale is not a sale at retail is upon the person who makes the sale unless he obtains from the purchaser a resale certificate, or has a resale certificate on file from the purchaser, to the effect that the property is purchased for resale. It shall be presumed that sales made to a person who has completed a resale certificate for the seller's records are not taxable and the seller need not collect sales or use taxes unless the tangible personal property or services purchased are taxable to the purchaser as a matter of law in the particular instance claimed on the resale certificate.

(ii) A seller may accept a resale certificate from a purchaser prior to the time of sale, at the time of the sale, or at any reasonable time after the sale when necessary to establish the privilege of the exemption. The resale certificate relieves the seller from the burden of proof only if taken from a person who is engaged in the business of selling or renting tangible personal property and who holds a permit provided for in this section, or who is a retailer not engaged in business in this state, and who, at the time of purchasing the tangible personal property, intends to sell or rent it in the regular course of business or is unable to ascertain at the time of purchase whether the property will be
sold or will be used for some other purpose. Other than as provided elsewhere in this section, when a resale certificate, properly executed, is presented to the seller, the seller has no duty or obligation to collect sales or use taxes in regard to any sales transaction so documented regardless of whether the purchaser properly or improperly claimed an exemption. A seller so relieved of the obligation to collect tax is also relieved of any liability to the purchaser for failure to collect tax or for making any report or disclosure of information required or permitted under this chapter.

(iii) The resale certificate shall be signed by and bear the name and address of the purchaser or his agent, shall indicate the number of the permit issued to the purchaser or that the purchaser is an out-of-state retailer, and shall indicate the general character of the tangible personal property sold or rented by the purchaser in the regular course of business. The certificate shall be substantially in such form as the state tax commission may prescribe.

(h) If a purchaser who gives a resale certificate makes any use of the property other than retention, demonstration or display while holding it for sale or rent in the regular course of business, the use shall be taxable to the purchaser as of the time the property is first used by him, and the sales price of the property to him shall be deemed the measure of the tax.

(i) Any person who gives a resale certificate for property which he knows at the time of purchase is not to be resold or rented by him in the regular course of business for the purpose of evading payment to the seller of the amount of the tax applicable to the transaction is guilty of a misdemeanor and punishable by a fine not exceeding one thousand dollars ($1,000), or by imprisonment for a period not in excess of one (1) year, or by both such fine and imprisonment.

(j) If a purchaser gives a resale certificate with respect to the purchase of fungible goods and thereafter commingles these goods with other fungible goods—not so purchased—but with such similarity that the identity of the constituent goods in the commingled mass cannot be determined, sales from the mass of commingled goods shall be deemed to be sales of the goods so purchased until an quantity of commingled goods equal to the quantity of purchased goods so commingled has been sold.

SECTION 6. That Section 63-3620A, Idaho Code, be, and the same is hereby amended to read as follows:

63-3620A. REVOCATION OR CANCELLATION OF PERMITS HELD BY PERSONS NOT ACTIVELY ENGAGED IN BUSINESS. (1) A permit shall be held only by persons actively engaged in making sales subject to tax under this chapter. Any person not so engaged shall forthwith surrender his permit to the state tax commission for cancellation. The state tax commission may revoke the permit of a person not actively engaged in making sales subject to tax under this chapter.

(2) The state tax commission may provide by regulation rule for the temporary suspension of permits held by persons engaged in seasonal business or who may otherwise temporarily not be actively engaged in the business of making sales subject to tax under this chapter.
chapter.
(3) A person holding a seller's permit who, for a period of twelve (12) consecutive months, reports no sales subject to tax may be deemed by the state tax commission to be a person not actively engaged in making sales subject to tax under this chapter.

SECTION 7. That Section 63-3621, Idaho Code, be, and the same is hereby amended to read as follows:

63-3621. IMPOSITION AND RATE OF THE USE TAX -- EXEMPTIONS. An excise tax is hereby imposed on the storage, use, or other consumption in this state of tangible personal property acquired on or after July 1, 1965, for storage, use, or other consumption in this state at the rate of five per cent (5%) of the value of the property, and a recent sales price shall be presumptive evidence of the value of the property.
(a) Every person storing, using, or otherwise consuming, in this state, tangible personal property is liable for the tax. His liability is not extinguished until the tax has been paid to this state except that a receipt from a retailer maintaining a place of business in this state or engaged in business in this state given to the purchaser is sufficient to relieve the purchaser from further liability for the tax to which the receipt refers.
(b) Every retailer engaged in business in this state, and making sales of tangible personal property for the storage, use, or other consumption in this state, not exempted under section 63-3622, Idaho Code, shall, at the time of making the sales or, if storage, use or other consumption of the tangible personal property is not then taxable hereunder, at the time the storage, use or other consumption becomes taxable, collect the tax from the purchaser and give to the purchaser a receipt therefor in the manner and form prescribed by the state tax commission.
(c) The provisions of this section shall not apply when the retailer pays sales tax on the transaction and collects reimbursement for such sales tax from the customer.
(d) Every retailer engaged in business in this state or maintaining a place of business in this state shall register with the state tax commission and give the name and address of all agents operating in this state, the location of all distributions or sales houses or offices or other places of business in this state, and such other information as the state tax commission may require.
(e) For the purpose of the proper administration of this act and to prevent evasion of the use tax and the duty to collect the use tax, it shall be presumed that tangible personal property sold by any person for delivery in this state is sold for storage, use, or other consumption in this state. The burden of proving the sale is tax exempt is upon the person who makes the sale unless he obtains from the purchaser a resale certificate to the effect that the property is purchased for resale or rental. It shall be presumed that sales made to a person who has completed a resale certificate for the seller's records are not taxable and the seller need not collect sales or use taxes unless the tangible personal property purchased is taxable to the purchaser as a matter of law in the particular instance claimed on the
A seller may accept a resale certificate from a purchaser prior to the time of sale, at the time of sale, or at any reasonable time after the sale when necessary to establish the privilege of the exemption. The resale certificate relieves the person selling the property from the burden of proof only if taken from a person who is engaged in the business of selling or renting tangible personal property and who holds the permit provided for by section 63-3620, Idaho Code, or who is a retailer not engaged in business in this state, and who, at the time of purchasing the tangible personal property, intends to sell or rent it in the regular course of business or is unable to ascertain at the time of purchase whether the property will be sold or will be used for some other purpose. Other than as provided elsewhere in this section, when a resale certificate, properly executed, is presented to the seller, the seller has no duty or obligation to collect sales or use taxes in regard to any sales transaction so documented regardless of whether the purchaser properly or improperly claimed an exemption. A seller so relieved of the obligation to collect tax is also relieved of any liability to the purchaser for failure to collect tax or for making any report or disclosure of information required or permitted under this chapter.

The resale certificate shall bear the name and address of the purchaser, shall be signed by the purchaser or his agent, shall indicate the number of the permit issued to the purchaser, or that the purchaser is an out-of-state retailer, and shall indicate the general character of the tangible personal property sold by the purchaser in the regular course of business. The certificate shall be substantially in such form as the state tax commission may prescribe.

(f) If a purchaser who gives a resale certificate makes any storage or use of the property other than retention, demonstration or display while holding it for sale in the regular course of business, the storage or use is taxable as of the time the property is first so stored or used.

(g) If a purchaser gives a resale certificate with respect to the purchase of fungible goods and thereafter commingles these goods with other fungible goods not so purchased but of such similarity that the identity of the constituent goods in the commingled mass cannot be determined, sales from the mass of commingled goods shall be deemed to be sales of the goods so purchased until a quantity of commingled goods equal to the quantity of purchased goods so commingled has been sold.

(h) Any person violating any provision of this section is guilty of a misdemeanor and punishable by a fine not in excess of one hundred dollars ($100), and each violation shall constitute a separate offense.

(i) It shall be presumed that tangible personal property shipped or brought to this state by the purchaser was purchased from a retailer, for storage, use or other consumption in this state.

(jj) It shall be presumed that tangible personal property delivered outside this state to a purchaser known by the retailer to be a resident of this state was purchased from a retailer for storage, use, or other consumption in this state. This presumption may be contested by evidence satisfactory to the state tax commission that the
property was not purchased for storage, use, or other consumption in this state.

(kj) When the tangible personal property subject to use tax has been subjected to a general retail sales or use tax by another state of the United States in an amount equal to or greater than the amount of the Idaho tax, and evidence can be given of such payment, the property will not be subject to Idaho use tax. If the amount paid the other state was less, the property will be subject to use tax to the extent that the Idaho tax exceeds the tax paid to the other state. For the purposes of this subsection, a registration certificate or title issued by another state or subdivision thereof for a vehicle or trailer or a vessel as defined in section 67-7003, Idaho Code, shall be sufficient evidence of payment of a general retail sales or use tax.

(rk) The use tax herein imposed shall not apply to the use by a nonresident of this state of a motor vehicle which is registered or licensed under the laws of the state of his residence and is not used in this state more than a cumulative period of time totaling ninety (90) days in any consecutive twelve (12) months, and which is not required to be registered or licensed under the laws of this state, or to the use of household goods, personal effects and private automobiles by a bona fide resident of this state, if such articles were acquired by such person in another state while a bona fide resident thereof and primarily for use outside this state and if such use was actual and substantial, but if an article was acquired less than three (3) months prior to the time he entered this state, it will be presumed that the article was acquired for use in this state and that its use outside this state was not actual and substantial.

(ml) The use tax herein imposed shall not apply to the storage, use or other consumption of tangible personal property which is or will be incorporated into real property and which has been donated to and has become the property of:

(1) A nonprofit organization as defined in section 63-36220, Idaho Code; or
(2) The state of Idaho; or
(3) Any political subdivision of the state.

This exemption applies whether the tangible personal property is incorporated in real property by the donee, a contractor or subcontractor of the donee, or any other person.

SECTION 8. That Section 63-3622, Idaho Code, be, and the same is hereby amended to read as follows:

63-3622. EXEMPTIONS -- EXEMPTION CERTIFICATES -- PENALTIES. (a) To prevent evasion of the sales and use tax, it shall be presumed that all articles of sales are subject to the taxes imposed by the provisions of this chapter and the retailer shall have the burden of establishing the facts giving rise to such exemption unless the purchaser delivers to the retailer, or has on file with the retailer, an exemption certificate. The exemption certificate shall show the purchaser's name, business name and address (if any), address, and signature and the reason for and nature of the claimed exemption. It shall be presumed that sales made to a person who has completed an exemption certificate
for the seller's records are not taxable and the seller need not collect sales or use taxes unless the tangible personal property or services purchased are taxable to the purchaser as a matter of law in the particular instance claimed on the exemption certificate.

A seller may accept an exemption certificate from a purchaser prior to the time of sale, at the time of the sale, or at any reasonable time after the sale when necessary to establish the privilege of the exemption. Other than as provided elsewhere in this section, when an exemption certificate, properly executed, is presented to or is on file with the seller, the seller has no duty or obligation to collect sales or use taxes in regard to any sales transaction so documented regardless of whether the purchaser properly or improperly claimed an exemption. A seller so relieved of the obligation to collect tax is also relieved of any liability to the purchaser for failure to collect tax or for making any report or disclosure of information required or permitted under this chapter. A seller need not accept an exemption certificate that is not readable, legible or copyable.

(b) Any person who gives an exemption certificate with the intention of evading payment of the amount of the tax applicable to the transaction is guilty of a misdemeanor and punishable by a fine not exceeding one thousand dollars ($1,000) or imprisonment for not more than one (1) year, or by both such fine and imprisonment.

(c) The claim for the exemption may be a part of the documentation on a sales invoice, purchase order, or other documentation retained by the retailer with regard to the sale. The claim shall be in substantially the same form as required by the tax commission. Unless the purchaser has an exemption certificate on file with the seller, the purchaser or his agent must sign the exemption claim, which shall be in addition to any other signature which the seller normally requires on sales invoices, purchase orders, or other sales documentation.

   (i) Not held for resale in the regular course of business; and

The tax commission shall review each petition and may examine the books and records of the petitioner to insure that the products sold by the petitioner are those sold by a retail food store. The tax commission shall give written notice of its determination to the petitioner as soon as practicable after receiving the written request, but in no event later than sixty (60) days after receiving the petition. As used in this section, "retail food stores" shall mean those retail stores primarily engaged in selling food for home preparation and consumption described in major group 54 of the standard industrial classification manual (SIC) of 1987, as amended, published by the office of management and budget of the executive office of the president of the United States.

(e) The state tax commission, or any person authorized in writing by it, may examine the books, papers, records, and equipment of any person selling tangible personal property and any person liable for the use tax and may investigate the character of the business of the person in order to verify the accuracy of any return made, or, if no return is made by the person, to ascertain and determine the amount required to be paid.

(f) Purchasers claiming exemption from tax and retailers whose pertinent records are kept outside of the state must bring the records to Idaho for examination by the state tax commission upon request of the latter, or, by agreement with the state tax commission, permit an auditor designated by the state tax commission to visit the place where the records are kept, and there audit such records.

(g) In the administration of the use tax, the state tax commission may require the filing of reports by any person or class of per-
sons having in his or their possession or custody information relating to sales of tangible personal property the storage, use, or other consumption of which is subject to the tax. The reports shall be filed when the state tax commission requires and shall set forth the names and addresses of purchasers of tangible personal property, the sale price of the property, the date of sale, and such other information as the state tax commission may require.

(h) When the tax commission determines that a retail sale claimed exempt under any of the provisions of this chapter is not exempt and the purchaser has failed to voluntarily report and pay sales or use tax in regard to the property or services purchased on use tax return, the tax commission may collect the sales tax which was due at the time of the sale or the use tax due at the time of storage, use or other consumption of the taxable goods or services by issuing to the purchaser a notice of deficiency determination, asserting tax together with interest, at the rate provided in section 63-3045, Idaho Code, and may assert penalties found elsewhere in this chapter.

(i) If the tax commission determines that the purchaser has repeatedly or intentionally made purchases claimed to be exempt that are not exempt, and the purchaser has failed to voluntarily report and pay use tax in regard to those purchases, or the commission determines that the purchaser has repeatedly or intentionally made purchases claimed to be exempt that are not exempt and has removed the goods from this state, the commission may assert a penalty equal to five percent (5%) of the sales price of the property or two hundred dollars ($200), whichever is greater. The tax commission may abate the penalty when the purchaser establishes during a proceeding for redetermination that there were reasonable grounds for believing that the purchase was properly exempt from tax.

63-3635. COLLECTION AND ENFORCEMENT. CHAPTER 49
(S.B. No. 1307)

AN ACT
RELATING TO ACKNOWLEDGMENT OF PATERNITY; AMENDING SECTION 7-1106,
IDAHO CODE, TO PROVIDE CIRCUMSTANCES UNDER WHICH EXECUTION OF A
VOLUNTARY ACKNOWLEDGMENT OF PATERNITY CONSTITUTES A LEGAL FINDING
OF PATERNITY AND CIRCUMSTANCES UNDER WHICH THE ACKNOWLEDGMENT MAY BE RESCINDED; AMENDING SECTION 7-1116, IDAHO CODE, TO INCLUDE REFERENCE TO ADDITIONAL BLOOD TESTING ACCREDITATION BODIES; AMENDING SECTION 7-1121, IDAHO CODE, TO PROVIDE FOR A TEMPORARY SUPPORT ORDER BASED UPON BLOOD TESTS AND TO MAKE A TECHNICAL CORRECTION; AND AMENDING CHAPTER 11, TITLE 7, IDAHO CODE, BY THE ADDITION OF A NEW SECTION 7-1125, IDAHO CODE, TO PROVIDE THAT THERE SHALL BE NO RIGHT TO JURY TRIAL IN PROCEEDINGS UNDER THIS CHAPTER.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 7-1106, Idaho Code, be, and the same is hereby amended to read as follows:

7-1106. VOLUNTARY ACKNOWLEDGMENTS -- APPROVAL BY COURT -- EFFECT.
(1) In lieu of contested paternity proceedings, a verified voluntary acknowledgment of parentage executed jointly by the father and the mother of a child may be filed with a court of competent jurisdiction and proper venue. A voluntary acknowledgment executed after July 1, 1994, shall be admissible as evidence of paternity and shall create a rebuttable presumption of paternity. After filing, either parent may, upon notice to the other parent, move the court for entry of an order of filiation. Upon notice to both parents, the department of health and welfare may move the court for entry of an order of filiation on behalf of a child for whom services are being provided under Title IV-D of the social security act.

(2) A voluntary acknowledgment of paternity executed after July 1, 1996, shall be admissible as evidence of paternity and shall constitute a legal finding of paternity subject to the right of any party executing the acknowledgment to rescind the acknowledgment within the earlier of:
(a) Six (6) months, or less if so prescribed by federal law or regulation, of execution; or
(b) The date of an administrative or judicial proceeding relating to the child, including a proceeding to establish a support order, in which the signatory is a party.

(3) After the period for rescission, an executed acknowledgment of paternity may be challenged in court only on the basis of fraud, duress, or material mistake of fact, with the burden of proof upon the party challenging the acknowledgment. The legal responsibilities, including the obligation to pay child support, or any party to the acknowledgment shall not be stayed except for good cause shown.

(4) Judicial or administrative proceedings are not required or permitted to ratify an unchallenged acknowledgment of paternity.

(5) An executed acknowledgment of paternity shall be filed with the department of health and welfare, bureau of vital statistics, however, failure to file the acknowledgment shall not affect the validity or legal effect of the acknowledgment.

(6) The voluntary acknowledgment of parentage may also contain agreements regarding custody, support and visitation. Such agreements, if approved by the court, shall have the same force and effect as a judgment of the court. However, the court shall have the same power to investigate the facts regarding custody, support and visitation prior
to entering an order relative to those issues as it would have if no agreement had been filed; and provided further, that an agreement regarding the issues of child support, custody, or visitation shall be approved only if the court finds it to be in the best interest of the child. The court may enter an order for the support of a child upon execution of a voluntary acknowledgment without further proceedings to establish paternity.

SECTION 2. That Section 7-1116, Idaho Code, be, and the same is hereby amended to read as follows:

7-1116. GENETIC TESTS. (1) The court may, and upon request of a party shall, require the child, mother, alleged father, or any male witness who testifies or will testify about his sexual relations with the mother at a possible time of conception to submit to genetic tests. The tests shall be performed by an expert qualified as an examiner of genetic markers. Verified documentation of the chain of custody of the genetic evidence is competent evidence to establish chain of custody. A verified experts' report prepared by a laboratory approved by the American association of blood banks or other accreditation body, pursuant to an order of the court or by voluntary agreement of the parties, shall be admitted at trial unless a challenge to the testing procedures or the genetic analysis has been made twenty-one (21) days before trial. The genetic test report must be served upon the defendant party with the complaint or as soon as it is obtained, and in any event at least twenty-eight (28) days before a trial together with a notice that the genetic test will be admitted unless a challenge to the testing procedures or the genetic analysis has been made by a party at least twenty-one (21) days before trial. A genetic test result with a probability of paternity of at least ninety-eight percent (98%) shall create a rebuttable presumption of paternity.

(2) The court, upon reasonable request by a party, shall order that independent tests be performed by other experts qualified as examiners of genetic markers present on blood cells and components. Additional tests performed by other experts of the same qualifications may be ordered by the court at the expense of the party requesting additional testing.

(3) In all cases, the court shall determine the number and qualifications of the experts.

(4) The requesting party shall pay the expense of genetic testing; however, the cost of genetic testing shall be recovered by the prevailing party in the action.

(5) Whenever the results of the tests exclude any male witness from possible paternity, the tests shall be conclusive evidence of nonpaternity of the male witness. The refusal of any party to submit to the genetic tests shall be disclosed to the court and is subject to the sanctions within the jurisdiction of the court. If the action was brought by the child's mother, but she refuses to submit herself or the child to genetic tests, the action shall be dismissed.

(6) Any party calling a male witness for the purpose of testifying that he had sexual intercourse with the mother at any possible time of conception shall provide all other parties with the name and
address of the witness twenty (20) days before the trial or pretrial hearing. If a male witness is produced at the hearing for the purpose stated in this subsection, but the party calling the witness failed to provide the twenty (20) day notice, the court may adjourn the proceeding for the purpose of taking a genetic test of the witness prior to hearing the testimony of the witness if the court finds that the party calling the witness acted in good faith.

SECTION 3. That Section 7-1121, Idaho Code, be, and the same is hereby amended to read as follows:

7-1121. ORDER FOR SUPPORT -- CONTINUANCE BEYOND AGE OF 18 -- OTHER PAYMENTS BY FATHER. (1) In a proceeding in which the court has made an order of filiation, the court shall direct a father possessed of sufficient means or able to earn such means to pay monthly or at other fixed periods a fair and reasonable sum for the support and education of the child until the child is eighteen (18) years of age. If the child continues his formal education subsequent to reaching the age of eighteen (18) years, the court may, in its discretion, order the continuation of support payments until the child discontinues his education or reaches the age of nineteen (19) years, whichever is sooner.

(2) The order of filiation may direct the father to pay or reimburse amounts paid for the support of the child prior to the date of the order of filiation and may also direct him to pay or reimburse amounts paid for: (1) the funeral expenses if the child has died; (2) the necessary expenses incurred by or for the mother in connection with her confinement and recovery; and (3) such expenses in connection with the pregnancy of the mother as the court may deem proper.

(3) If the father is a minor at the time the order is entered, the order shall continue in effect as a valid order after the father reaches majority, and cannot be disaffirmed by the minor himself or personal representatives.

(4) Upon the receipt of a genetic test result with a probability of paternity of at least ninety-eight percent (98%) the court shall, upon motion by a party, order temporary support for the child pending a final order of paternity and support. The support shall be in accordance with the Idaho child support guidelines.

(5) Any child support order issued or modified shall contain a provision allowing the obligee to enforce the order by income withholding and shall include the notice required in section 32-1205, Idaho Code, advising the obligor that the obligee can seek enforcement of the order by means of a mandatory income withholding order issued pursuant to this chapter without further notice to the obligor. Failure to include this provision does not affect the validity of the support order. If the social security number of the person obligated to make child support payments under the support order or decree is available, the court shall required that the social security number of the obligor be included in the order or decree.

SECTION 4. That Chapter 11, Title 7, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW SECTION, to be known and designated as Section 7-1125, Idaho Code, and to read as
7-1125. NO RIGHT TO JURY TRIAL. There shall be no right to a jury trial in proceedings under this chapter.

Approved February 23, 1996.

AN ACT
RELATING TO DOMESTIC RELATIONS; AMENDING SECTION 32-1216, IDAHO CODE, TO PROVIDE CONDITIONS WHEN AN EMPLOYER CANNOT DISENROLL A CHILD FROM HEALTH INSURANCE COVERAGE WHICH HAS BEEN ORDERED PURSUANT TO A COURT OR ADMINISTRATIVE ORDER.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 32-1216, Idaho Code, be, and the same is hereby amended to read as follows:

32-1216. HEALTH INSURANCE COVERAGE -- ENFORCEMENT. (1) Where a person is required by court or administrative order to provide health insurance coverage for a dependent child, that person is eligible for family health coverage through an employer and fails to provide such coverage or lets it lapse, the department of health and welfare or other obligee may seek enforcement of the coverage order as provided under this section.

(2) (a) If the obligor parent's order to provide health insurance coverage contains language notifying the obligor that failure to provide such coverage may result in direct enforcement of the order and orders payments through, or has been submitted to, the department of health and welfare for enforcement, then the department of health and welfare may, without further notice to the obligor, send a notice of intent to enroll to the obligor's employer by certified mail, return receipt requested. The notice shall require the employer to enroll the child in the health insurance plan as provided in subsection (3) of this section.

(b) If the obligor parent's order to provide health insurance coverage does not order payments through, and has not been submitted to, the department of health and welfare:

(i) The obligee may, without further notice to the obligor, send a certified copy of the order requiring health insurance coverage to the obligor's employer by certified mail, return receipt requested; and

(ii) The obligee shall attach a notarized statement to the order declaring that the order is the latest order addressing coverage entered by the court and require the employer to enroll the child in the health insurance plan as provided in subsection (3) of this section without regard to any enrollment season restrictions.

If the obligor's plan does not provide coverage which is accessible to the child, the child shall be enrolled in the least expensive plan otherwise available to the obligor parent;

(d) The employer or insurer shall provide the name of the health insurance coverage provider or insurer, the extent of coverage available and other necessary information to the department of health and welfare or other obligee and shall make available any necessary claim forms or enrollment membership cards.

(4) If the order for coverage contains no language notifying the obligor that failure to provide health insurance coverage may result in direct enforcement of the order, the department of health and welfare or other obligee may serve a written notice of intent to enforce the order on the obligor by certified mail, return receipt requested, or by personal service. If the obligor fails to provide written proof that such coverage has been obtained or applied for within thirty (30) days of service of the notice, or within thirty (30) days of coverage becoming available, the department of health and welfare or other obligee may proceed to enforce the order directly as provided in subsection (2) of this section.

(8) If the obligor fails to respond to a notice served under subsection (5) of this section to the party who served the notice, the party who served the notice may enroll the obligor's child in the health insurance coverage specified in the notice directly. The employer shall withhold the amount of the premium from the income of the obligor. The amount to be withheld from the income of the obligor shall not exceed the amount specified in section 11-207, Idaho Code. The employer shall forward the amount of premium withheld to the insurance provider.

(10) This section shall not be construed to limit the right of the obligor or the obligee to bring an action in court at any time to enforce, modify or clarify the original support order.

(11) If the amount of the obligor's income or wages which are withheld under subsection (3)(b) of this section is insufficient to pay the premium for the dependents, the obligor shall, nevertheless, be responsible for payment of the premium.

AN ACT
RELATING TO THE PUBLIC EMPLOYEE RETIREMENT SYSTEM; AMENDING SECTION 59-1302, IDAHO CODE, TO EXEMPT EMPLOYER CONTRIBUTIONS TO EMPLOYEE HELD MEDICAL SAVINGS ACCOUNTS FROM THE DEFINITION OF SALARY USED TO CALCULATE BENEFITS IN THE PUBLIC EMPLOYEE RETIREMENT SYSTEM; DECLARING AN EMERGENCY AND PROVIDING RETROACTIVE APPLICATION.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 59-1302, Idaho Code, be, and the same is hereby amended to read as follows:

59-1302. DEFINITIONS. (1) As used in this chapter, each of the terms defined in this section shall have the meaning given in this section unless a different meaning is clearly required by the context.

(2) "Active member" means any employee who is not establishing the right to receive benefits through his or her employer's participation in any other retirement system established for Idaho public employees, if such participation is mandated by applicable Idaho statutes other than this chapter. In no case will an employee be entitled to any benefit under this chapter for public service if such employee is establishing retirement benefit entitlements by other Idaho statutes or federal statutes other than military service or social security for that same service.

(3) "Accumulated contributions" means the sum of amounts contributed by a member of the system, together with regular interest credit thereon.

(4) "Actuarial equivalent" means a benefit equal in value to
another benefit, when computed upon the basis of the actuarial tables in use by the system.

(5) "Actuarial tables" means such tables as shall have been adopted by the board in accordance with recommendations of the actuary.

(5A) "Average monthly salary" means the member's average salary during the base period as calculated pursuant to rules adopted by the retirement board.

(5B) (a) "Base period" means the period of fifty-four (54) consecutive calendar months during which the member earned:
   (i) The highest average salary; and
   (ii) Membership service of at least one-half (1/2) the number of months in the period, excluding months of service attributable to:
       A. Military service;
       B. Service qualifying as minimum benefit pursuant to section 59-1342(5), Idaho Code; and
       C. Workers' compensation income benefits.
   (b) Effective October 1, 1993, the consecutive calendar months shall be forty-eight (48). Effective October 1, 1994, the consecutive calendar months shall be forty-two (42).
   (c) Entitlement to a base period shall not vest until the effective date of that base period. The retirement benefits shall be calculated on the amounts, terms and conditions in effect at the date of the final contribution by the member.
   (d) If no base period exists for a member, the member's average monthly salary shall be determined by the board, using standards not inconsistent with those established in this subsection.
   (e) To assure equitable treatment for all members, salary increments inconsistent with usual compensation patterns may be disallowed by the board in determining average monthly salary and base period.

(6) "Beneficiary" means the person who is nominated by the written designation of a member, duly executed and filed with the board, to receive the death benefit.

(7) "Calendar year" means twelve (12) calendar months commencing on the first day of January.

(b) That the member will likely remain so disabled permanently and continuously during the remainder of the member's life.

It is not necessary that a person be absolutely helpless or entirely unable to do anything worthy of compensation to be considered disabled. If the person is so disabled that substantially all the avenues of employment are reasonably closed to the person, that condition is within the meaning of "disabled." In evaluating whether a person is disabled, medical factors and nonmedical factors including, but not limited to, education, economic and social environment, training and usable skills may be considered.

Refusal to submit to a medical examination ordered by the board before the commencement of a disability retirement allowance or at any reasonable time thereafter shall constitute proof that the member is not disabled. The board shall be empowered to select for such medical examination one (1) or more physicians or surgeons who are licensed to practice medicine and perform surgery. The fees and expenses of such examination shall be paid from the administration account of the fund. No member shall be required to undergo such examination more often than once each year after he has received a disability retirement allowance continuously for two (2) years.

(12A) "Disabled service" means the total number of months elapsing from the first day of the month next succeeding the final contribution of a member prior to receiving a disability retirement allowance to the first day of the month following the date of termination of such disability retirement allowance. During such period, the member shall remain classified in the membership category held during the month of final contribution. Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 59-1302, Idaho Code, be, and the same is hereby amended to read as follows:

59-1302. DEFINITIONS. (1) As used in this chapter, each of the terms defined in this section shall have the meaning given in this section unless a different meaning is clearly required by the context.
(2) "Active member" means any employee who is not establishing the right to receive benefits through his or her employer’s participation in any other retirement system established for Idaho public employees, if such participation is mandated by applicable Idaho stat-
utes other than this chapter. In no case will an employee be entitled
to any benefit under this chapter for public service if such employee
is establishing retirement benefit entitlements by other Idaho stat-
tutes or federal statutes other than military service or social secu-
ritv for that same service.
(3) "Accumulated contributions" means the sum of amounts contrib­
uted by a member of the system, together with regular interest credit
thereon.
(4) "Actuarial equivalent" means a benefit equal in value to
another benefit, when computed upon the basis of the actuarial tables
in use by the system.
(5) "Actuarial tables" means such tables as shall have been
adopted by the board in accordance with recommendations of the actu­
ary.
(5A) "Average monthly salary" means the member's average salary
during the base period as calculated pursuant to rules adopted by the
retirement board.
(5B) (a) "Base period" means the period of fifty-four (54) con­
secutive calendar months during which the member earned:
(i) The highest average salary; and
(ii) Membership service of at least one-half (1/2) the num­
ber of months in the period, excluding months of service
attributable to:
   A. Military service;
   B. Service qualifying as minimum benefit pursuant to
      section 59-1342(5), Idaho Code; and
   C. Workers' compensation income benefits.
(b) Effective October 1, 1993, the consecutive calendar months
shall be forty-eight (48). Effective October 1, 1994, the consecu­
tive calendar months shall be forty-two (42).
(c) Entitlement to a base period shall not vest until the effec­
tive date of that base period. The retirement benefits shall be
calculated on the amounts, terms and conditions in effect at the
date of the final contribution by the member.
(d) If no base period exists for a member, the member's average
monthly salary shall be determined by the board, using standards
not inconsistent with those established in this subsection.
(e) To assure equitable treatment for all members, salary incre­
ments inconsistent with usual compensation patterns may be disal­
lowed by the board in determining average monthly salary and base
period.
(6) "Beneficiary" means the person who is nominated by the writ­
ten designation of a member, duly executed and filed with the board,
to receive the death benefit.
(7) "Calendar year" means twelve (12) calendar months commencing
on the first day of January.
(8) "Credited service" means the aggregate of membership service,
prior service and disabled service.
(9) "Date of establishment" means July 1, 1965, or a later date
established by the board or statute.

(b) That the member will likely remain so disabled permanently and continuously during the remainder of the member's life.

It is not necessary that a person be absolutely helpless or entirely unable to do anything worthy of compensation to be considered disabled. If the person is so disabled that substantially all the avenues of employment are reasonably closed to the person, that condition is within the meaning of "disabled." In evaluating whether a person is disabled, medical factors and nonmedical factors including, but not limited to, education, economic and social environment, training and usable skills may be considered.

Refusal to submit to a medical examination ordered by the board before the commencement of a disability retirement allowance or at any reasonable time thereafter shall constitute proof that the member is not disabled. The board shall be empowered to select for such medical examination one (1) or more physicians or surgeons who are licensed to practice medicine and perform surgery. The fees and expenses of such examination shall be paid from the administration account of the fund. No member shall be required to undergo such examination more often than once each year after he has received a disability retirement allowance continuously for two (2) years.

(12A) "Disabled service" means the total number of months elapsing from the first day of the month next succeeding the final contribution of a member prior to receiving a disability retirement allowance to the first day of the month following the date of termination of such disability retirement allowance. During any adjustment year for which the ratio of the consumer price index for the index month of the previous year
to the consumer price index for the index month of the second previous year is not more than one hundred one per cent (101%), the inflation factor shall be such ratio or ninety-four per cent (94%), whichever is greater, which inflation factor shall not be subject to legislative approval. Otherwise the inflation factor during such adjustment year shall be one hundred one per cent (101%), except that the board, with legislative approval, may put into effect a greater factor which is no more than such ratio or one hundred six per cent (106%), whichever is smaller, if it finds the value of the actuarial assets of the system to be no less than its actuarial liabilities, including those created by the increased factor. The actuarial assets comprise the sum of the actuarial present value of the amortization payments determined in accordance with the requirements of section 59-1322(45), Idaho Code, and plus the amounts determined in paragraphs (b), (c), (d) and (e)(ii), (e)(iii), (e)(iv) and (g) of section 59-133922(4), Idaho Code. The board's proposed inflation factor for any adjustment year shall be communicated by letter to the legislature by not later than January 15 prior to that year.

(2) During an adjustment year following one in which there was at least one (1) retirement allowance payment but none in March, each retirement allowance payment shall equal the partial factor multiplied by the amount of the monthly retirement allowance payment in the earlier year. The partial factor shall equal 1.000 plus one-twelfth (1/12) of the product of the number of months in the earlier adjustment year in which member contributions were not made and the excess, if any, of the inflation factor for the later year over 1.000.

(3) During an adjustment year following one in which there was no retirement allowance payment, each retirement allowance payment shall equal the initial retirement allowance multiplied by the bridging factor between the first day of the month following the member's final contribution and the date of the first retirement allowance payment.

(a) Except as provided in paragraph (b) of this subsection, the bridging factor between any two (2) dates shall be the ratio of the amounts of retirement allowance payable on the two (2) dates for any member, who retired on the earlier date immediately following his final contribution.

(b) For any member not making a final contribution subsequent to 1974 whose initial retirement allowance is a minimum allowance provided in section 59-1342(1)(b) or 59-13432(2)(b), Idaho Code, the bridging factor shall be computed as if the member had made his final contribution in 1974.

(5) The adjustments provided under this section shall in no event reduce a benefit payment below its initial amount.

ing or amending the proposed adjustments of the board allowed in sub-
sections (1) and (8) of this section, such action on the part of the
legislature shall constitute legislative approval of the board's
adjustments.

(8) Notwithstanding other provisions of this section, the board
may grant a post-retirement allowance adjustment for any previous year
or years up to the full amount of the increase in the consumer price
index for that year or those years, as provided in subsection (7)
above.

Appraisal also includes collection, verification and analysis of market value sales, applicable income and expense data and building cost information, and application of this information to predict market value.

In addition, every domestic insurer shall file its RBC report:
   (a) With the NAIC in accordance with the RBC instructions; and
   (b) With the insurance director in any state in which the insurer is authorized to do business, if the insurance director has notified the insurer of its request in writing, in which case the insurer shall file its RBC report not later than the later of:

The RBC plan or revised RBC plan shall be submitted:

(a) Within forty-five (45) days after the occurrence of the regulatory action level event;

(b) If the insurer challenges an adjusted RBC report pursuant to section 41-5407, Idaho Code, and the challenge is not frivolous in the judgment of the director, within forty-five (45) days after the notification to the insurer that the director has, after a hearing, rejected the insurer's challenge; or

(c) If the insurer challenges a revised RBC plan pursuant to section 41-5407, Idaho Code, and the challenge is not frivolous in the judgment of the director, within forty-five (45) days after the notification to the insurer that the director has, after a hearing, rejected the insurer's challenge.

(4) The director may retain actuaries and investment experts and other consultants as may be necessary in the judgment of the director to review the insurer's RBC plan or revised RBC plan, examine or analyze the assets, liabilities and operations of the insurer and formulate the corrective order with respect to the insurer. The fees, costs and expenses relating to consultants shall be borne by the affected insurer or such other party as directed by the director.

41-5405. AUTHORIZED CONTROL LEVEL EVENT. (1) "Authorized control level event" means any of the following events:

(a) The filing of an RBC report by the insurer which indicates that the insurer's total adjusted capital is greater than or equal to its mandatory control level RBC but less than its authorized control level RBC;

(b) The notification by the director to the insurer of an
adjusted RBC report that indicates the event in paragraph (a) of this subsection, provided the insurer does not challenge the adjusted RBC report under section 41-5407, Idaho Code; (c) If, pursuant to section 41-5407, Idaho Code, the insurer challenges an adjusted RBC report that indicates the event in paragraph (a) of this subsection, notification by the director to the insurer that the director has, after a hearing, rejected the insurer's challenge; (d) The failure of the insurer to respond, in a manner satisfactory to the director, to a corrective order, provided the insurer has not challenged the corrective order under section 41-5407, Idaho Code; or (e) If the insurer has challenged a corrective order under section 41-5407, Idaho Code, and the director has, after a hearing, rejected the challenge or modified the corrective order, the failure of the insurer to respond, in a manner satisfactory to the director, to the corrective order subsequent to rejection or modification by the director.

(2) In the event of an authorized control level event with respect to an insurer, the director shall: (a) Take such actions as are required under section 41-5404, Idaho Code, regarding an insurer with respect to which a regulatory action level event has occurred; or (b) If the director deems it to be in the best interests of the policyholders and creditors of the insurer and of the public, take such actions as are necessary to cause the insurer to be placed under regulatory control pursuant to chapter 33, title 41, Idaho Code. In the event the director takes such actions, the authorized control level event shall be deemed sufficient grounds for the director to take action pursuant to chapter 33, title 41, Idaho Code, and the director shall have the rights, powers and duties with respect to the insurer as are set forth in chapter 33, title 41, Idaho Code. In the event the director takes actions under this paragraph pursuant to an adjusted RBC report, the insurer shall be entitled to such protections as are afforded to insurers under the provisions of section 41-3309, Idaho Code, pertaining to summary proceedings.

41-5406. MANDATORY CONTROL LEVEL EVENT. (1) "Mandatory control level event" means any of the following events: (a) The filing of an RBC report which indicates that the insurer's total adjusted capital is less than its mandatory control level RBC; (b) Notification by the director to the insurer of an adjusted RBC report that indicates the event in paragraph (a) of this subsection, provided the insurer does not challenge the adjusted RBC report under section 41-5407, Idaho Code; or (c) If, pursuant to section 41-5407, Idaho Code, the insurer challenges an adjusted RBC report that indicates the event in paragraph (a) of this subsection, notification by the director to the insurer that the director has, after a hearing, rejected the insurer's challenge.

(2) In the event of a mandatory control level event:
(a) With respect to a life insurer, the director shall take such actions as are necessary to place the insurer under regulatory control pursuant to chapter 33, title 41, Idaho Code. In that event, the mandatory control level event shall be deemed sufficient grounds for the director to take action pursuant to chapter 33, title 41, Idaho Code, and the director shall have the rights, powers and duties with respect to the insurer as are set forth in chapter 33, title 41, Idaho Code. If the director takes actions pursuant to an adjusted RBC report, the insurer shall be entitled to the protections of section 41-3309, Idaho Code, pertaining to summary proceedings. Notwithstanding any of the foregoing, the director may forego action for up to ninety (90) days after the mandatory control level event if the director finds there is a reasonable expectation that the mandatory control level event may be eliminated within the ninety (90) day period.

(b) With respect to a property and casualty insurer, the director shall take such actions as are necessary to place the insurer under regulatory control pursuant to chapter 33, title 41, Idaho Code, or, in the case of an insurer which is writing no business and which is running off its existing business, may allow the insurer to continue its run off under the supervision of the director. In either event, the mandatory control level event shall be deemed sufficient grounds for the director to take action pursuant to chapter 33, title 41, Idaho Code, and the director shall have the rights, powers and duties with respect to the insurer as are set forth in chapter 33, title 41, Idaho Code. If the director takes actions pursuant to an adjusted RBC report, the insurer shall be entitled to the protections of section 41-3309, Idaho Code, pertaining to summary proceedings. Notwithstanding any of the foregoing, the director may forego action for up to ninety (90) days after the mandatory control level event if the director finds there is a reasonable expectation that the mandatory control level event may be eliminated within the ninety (90) day period.

41-5407. HEARINGS. Upon any of the following the insurer shall have the right to a confidential departmental hearing, on a record, at which the insurer may challenge any determination or action by the director. The insurer shall notify the director of its request for a hearing within five (5) days after the notification by the director under subsection (1), (2), (3) or (4) of this section. Upon receipt of the insurer's request for a hearing, the director shall set a date for the hearing, which date shall be no less than ten (10) nor more than thirty (30) days after the date of the insurer's request.

(1) Notification to an insurer by the director of an adjusted RBC report; or

(2) Notification to an insurer by the director that:
   (a) The insurer's RBC plan or revised RBC plan is unsatisfactory; and
   (b) Such notification constitutes a regulatory action level event with respect to such insurer; or

(3) Notification to any insurer by the director that the insurer has failed to adhere to its RBC plan or revised RBC plan and that such failure has a substantial adverse effect on the ability of the insurer
to eliminate the company action level event with respect to the insurer in accordance with its RBC plan or revised RBC plan; or

(4) Notification to an insurer by the director of a corrective order with respect to the insurer.

41-5408. CONFIDENTIALITY -- PROHIBITION ON ANNOUNCEMENTS, PROHIBITION ON USE IN Ratemaking. (1) All RBC reports, to the extent the information therein is not required to be set forth in a publicly available annual statement schedule, and RBC plans, including the results or report of any examination or analysis of an insurer performed pursuant hereto and any corrective order issued by the director pursuant to examination or analysis, with respect to any domestic insurer or foreign insurer which are filed with the director constitute information that might be damaging to the insurer if made available to its competitors, and therefore shall be kept confidential by the director. Notwithstanding the provisions of chapter 3, title 9, Idaho Code, this information shall not be made public or be subject to subpoena, other than by the director and then only for the purpose of enforcement actions taken by the director pursuant to this chapter or any other provision of the insurance laws of this state.

(2) It is the judgment of the legislature that the comparison of an insurer's total adjusted capital to any of its RBC levels is a regulatory tool which may indicate the need for possible corrective action with respect to the insurer, and is not intended as a means to rank insurers generally. Therefore, except as otherwise required under the provisions of this chapter, the making, publishing, disseminating, circulating or placing before the public, or causing, directly or indirectly to be made, published, disseminated, circulated or placed before the public, in a newspaper, magazine or other publication, or in the form of a notice, circular, pamphlet, letter or poster, or over any radio or television station, or in any other way, an advertisement, announcement or statement containing an assertion, representation or statement with regard to the RBC levels of any insurer, or of any component derived in the calculation, by any insurer, agent, broker or other person engaged in any manner in the insurance business would be misleading and is therefore prohibited; provided however, that if any materially false statement with respect to the comparison regarding an insurer's total adjusted capital to its RBC levels (or any of them) or an inappropriate comparison of any other amount to the insurers' RBC levels is published in any written publication and the insurer is able to demonstrate to the director with substantial proof the falsity of such statement, or the inappropriateness, as the case may be, then the insurer may publish an announcement in a written publication if the sole purpose of the announcement is to rebut the materially false statement.

(3) It is the further judgment of the legislature that the RBC instructions, RBC reports, adjusted RBC reports, RBC plans and revised RBC plans are intended solely for use by the director in monitoring the solvency of insurers and the need for possible corrective action with respect to insurers and shall not be used by the director for ratemaking nor considered or introduced as evidence in any rate proceeding nor used by the director to calculate or derive any elements of an appropriate premium level or rate of return for any line of
insurance which an insurer or any affiliate is authorized to write.

41-5409. SUPPLEMENTAL PROVISIONS -- RULES -- EXEMPTION. (1) The provisions of this chapter are supplemental to any other provisions of the laws of this state, and shall not preclude or limit any other powers or duties of the director under such laws, including, but not limited to, chapter 33, title 41, Idaho Code, and rules adopted by the department of insurance relating to the director's authority for companies deemed to be in hazardous financial condition.

(2) The director may adopt reasonable rules necessary for the implementation of this chapter in accordance with the provisions of chapter 52, title 67, Idaho Code.

(3) Upon written application, the director may exempt from compliance with this chapter, for a specified period or periods, any domestic property and casualty insurer which:

(a) Writes direct business only in this state; and
(b) Writes direct annual premiums of two million dollars ($2,000,000) or less; and
(c) Assumes no reinsurance in excess of five percent (5%) of direct premium written.

41-5410. FOREIGN INSURERS. (1) Any foreign insurer shall, upon the written request of the director, submit to the director an RBC report as of the end of the calendar year just ended the later of:

(a) The date an RBC report would be required to be filed by a domestic insurer under this chapter; or
(b) Fifteen (15) days after the request is received by the foreign insurer.

Any foreign insurer shall, at the written request of the director, promptly submit to the director a copy of any RBC plan that is filed with the insurance director of any other state.

(2) In the event of a company action level event, regulatory action level event or authorized control level event with respect to any foreign insurer as determined under the RBC statute applicable in the state of domicile of the insurer (or, if no RBC statute is in force in that state, under the provisions of this chapter), if the insurance director of the state of domicile of the foreign insurer fails to require the foreign insurer to file an RBC plan in the manner specified under that state's RBC statute (or, if no RBC statute is in force in that state, under section 41-5403, Idaho Code), the director may require the foreign insurer to file an RBC plan with the director. In such event, the failure of the foreign insurer to file an RBC plan with the director shall be grounds to order the insurer to cease and desist from writing new insurance business in this state.

(3) In the event of a mandatory control level event with respect to any foreign insurer, if no domiciliary receiver has been appointed with respect to the foreign insurer under the rehabilitation and liquidation statute applicable in the state of domicile of the foreign insurer, the director may make application to the district court for Ada county, state of Idaho, as permitted under chapter 33, title 41, Idaho Code, with respect to the liquidation of property of foreign insurers found in this state, and the occurrence of the mandatory control level event shall be considered adequate grounds for the applica-
41-5411. IMMUNITY. There shall be no liability on the part of, and no cause of action shall arise against, the director or the insurance department or its employees or agents for any action taken by them in the performance of their powers and duties under this chapter.

41-5412. NOTICES. All notices by the director to an insurer which may result in regulatory action hereunder shall be effective upon dispatch if transmitted by registered or certified mail, or in the case of any other transmission shall be effective upon the insurer's receipt of such notice.

41-5413. SEVERABILITY. The provisions of this act are hereby declared to be severable and if any provision of this act or the application of such provision to any person or circumstance is declared invalid for any reason, such declaration shall not affect the validity of the remaining portions of this act.

CHAPTER 97
(H.B. No. 436)

AN ACT
RELATING TO REGULATION OF INSURANCE; AMENDING SECTION 41-612, IDAHO CODE, TO PROVIDE THAT AN ANNUAL STATEMENT OF AN ACTUARIAL OPINION RELATING TO INSURER RESERVES SHALL BE SUBMITTED, TO PROVIDE CONTENTS OF THE OPINION, AND TO PROVIDE CONFIDENTIALITY FOR THE OPINIONS AND TO MAKE TECHNICAL CORRECTIONS.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 41-612, Idaho Code, be, and the same is hereby amended to read as follows:

41-612. STANDARD VALUATION LAW -- LIFE INSURANCE. (1) This section shall be known as the standard valuation law.

(2) Annual valuation. The director shall annually value, or cause to be valued, the reserve liabilities (hereinafter called reserves) for all outstanding life insurance policies and annuity and pure endowment contracts of every life insurer doing business in this state, and may certify the amount of any such reserves, specifying the mortality table or tables, rate or rates of interest and methods (net level premium method or others) used in the calculation of such reserves. In the case of an alien insurer, such valuation shall be limited to its insurance transactions in the United States. In calculating such reserves, the director may use group methods and approximate averages for fractions of a year or otherwise. He may accept in his discretion the insurer's calculation of such reserves. In lieu of the valuation of the reserves herein required of any foreign or alien
insurer, he may accept any valuation made or caused to be made by the insurance supervisory official of any state or other jurisdiction when such valuation complies with the minimum standard herein provided, and if the official of such state or jurisdiction accepts as sufficient and valid for all legal purposes the certificate of valuation of the director when such certificate states the valuation to have been made in a specified manner according to which the aggregate reserves would be at least as large as if they had been computed in the manner prescribed by the law of that state or jurisdiction. Where any such valuation is made by the director, he may use the actuary of the department or employ an actuary for the purpose, and the reasonable compensation and expenses of the actuary, at a rate approved by the director, upon demand by the director supported by an itemized statement of such compensation and expenses, shall be paid by the insurer. When a domestic insurer furnishes the director with a valuation of its outstanding policies as computed by its own actuary or by an actuary deemed satisfactory for the purpose by the director, the valuation shall be verified by the actuary of the department without costs to the insurer.

(3) Except as otherwise provided in subsections (4) and (4a) of this section, the minimum standard for the valuation of all such policies and contracts issued on and after January 1, 1914, and prior to the operative date of section 41-1927, Idaho Code, (standard nonforfeiture law) shall be the American experience table of mortality and interest at three and one-half per cent (3 1/2%) per annum. Not more than one year shall be used as a preliminary term. Extra charges may be made in particular cases of invalid lives and other extra hazards, policies may be valued in groups, and approximate averages may be used for fractions of a year. Policies other than ordinary and twenty (20) payment life may be valued according to the modified preliminary term, with twenty (20) payment life policies as a basis for such valuation. This subsection applies only as to policies and contracts issued prior to the operative date of section 41-1927, Idaho Code.

(4) Except as otherwise provided in subsections (4a) and (4b) of this section, the minimum standard for the valuation of all such policies and contracts issued on or after the operative date of section 41-1927, Idaho Code, (standard nonforfeiture law) shall be the commissioners reserve valuation methods defined in subsections (5), (6) and (10) of this section, three and one-half per cent (3 1/2%) interest for all other such policies and contracts, except that the rate shall be four and one-half per cent (4 1/2%) for individual annuity contracts, or in the case of policies and contracts, other than annuity and pure endowment contracts, issued on or after July 1, 1973, four per cent (4%) interest for such policies issued prior to July 1, 1977, five and one-half per cent (5 1/2%) interest for single premium life insurance policies and four and one-half per cent (4 1/2%) interest for all other such policies issued on or after July 1, 1977, but prior to the operative date of section (9)(d) of the standard nonforfeiture law for life insurance as amended, seven per cent (7%) interest for such policies issued on and after the operative date of section (9)(d) of the standard nonforfeiture law for life insurance as amended, and the following tables:

(g) For group life insurance, life insurance issued on the substandard basis and other special benefits, such tables as may be approved by the director as being sufficient with relation to the benefits provided by such policies.

(4a) Except as provided in subsection (4b), the minimum standard for the valuation of all individual annuity and pure endowment contracts issued on or after the operative date of this subsection (4a), as defined herein, and for all annuities and pure endowments purchased on or after such operative date under group annuity and pure endowment contracts, shall be the commissioners reserve valuation methods defined in subsections (5) and (6) of this section and the following tables and interest rates:

After July 1, 1973, any insurer may file with the director a written notice of its election to comply with the provisions of this subsection after a specified date before January 1, 1979, which shall be the operative date of this subsection for such insurer, provided that an
insurer may elect a different operative date for individual annuity and pure endowment contracts from that elected for group annuity and pure endowment contracts. If an insurer makes no such election, the operative date of this subsection for such insurer shall be January 1, 1979.

(4b) For any calendar year on or after the effective date of subsection (9)(d) of the standard nonforfeiture law for life insurance in the case of life insurance policies issued on or after such effective date, and for any calendar year on or after January 1, 1982, in the case of:

(a) Individual annuity and pure endowment contracts issued on or after January 1, 1982;
(b) Annuities and pure endowments purchased on or after January 1, 1982, under group annuity and pure endowment contracts; and
(c) The net increase, if any, in any particular calendar year after January 1, 1982, in amounts held under guaranteed interest contracts, the company may elect, for the purpose of determining the minimum standard for valuation, for any category of policy or contract, the calendar year statutory valuation interest rate as defined in this subsection in lieu of the interest rate specified in subsection (4) or (4a).

The provisions of this subsection shall be applicable to:
A. The interest rates used in determining the minimum standard for the valuation of:
   a. All life insurance policies issued in a particular calendar year, on or after the operative date of subsection (9)(d) of the standard nonforfeiture law for life insurance on or after January 1, 1982;
   b. All individual annuity and pure endowment contracts issued in a particular calendar year on or after January 1, 1982;
   c. All annuities and pure endowments purchased in a particular calendar year on or after January 1, 1982, under group annuity and pure endowment contracts; and
   d. The net increase, if any, in a particular calendar year after January 1, 1982, in amounts held under guaranteed interest contracts

shall be the calendar year statutory valuation interest rates as defined in this subsection.

B. Calendar year statutory valuation interest rates:
   a. The calendar year statutory valuation interest rates, I, shall be determined as follows and the results rounded to the nearer one-quarter of one per cent (1/4 of 1%).
      1. For life insurance,
         \[ I = .03 + W (R_1 - .03) + \frac{W}{2} (R_2 - .09); \]
      2. For single premium immediate annuities and for annuity benefits involving life contingencies arising from other annuities with cash settlement options and from guaranteed interest contracts with cash settlement options,
         \[ I = .03 + W (R - .03) \]
   where \( R_1 \) is the lesser of \( R \) and .09;  
   \( R_2 \) is the greater of \( R \) and .09;  
   \( R \) is the reference interest rate defined in this
subsection and \( W \) is the weighting factor defined in this subsection.

3. For other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, valued on an issue year basis, except as stated in 2. above, the formula for life insurance stated in 1. above shall apply to annuities and guaranteed interest contracts with guarantee durations in excess of ten (10) years and the formula for single premium immediate annuities stated in 2. above shall apply to annuities and guaranteed interest contracts with guarantee duration of ten (10) years or less.

4. For other annuities with no cash settlement options and guaranteed interest contracts with no cash settlement options, the formula for single premium immediate annuities stated in 2. above shall apply.

5. For other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, valued on a change in fund basis, the formula for single premium immediate annuities stated in 2. above shall apply.

b. However, if the calendar year statutory valuation interest rate for any life insurance policies issued in any calendar year determined without reference to this sentence differs from the corresponding actual rate for similar policies issued in the immediately preceding calendar year by less than one-half of one per cent (1/2 of 1%), the calendar year statutory valuation interest rate for such life insurance policies shall be equal to the corresponding actual rate for the immediately preceding calendar year. For purposes of applying the immediately preceding sentence, the calendar year statutory valuation interest rate for life insurance policies issued in a calendar year shall be determined for 1980 (using the reference interest rate defined for 1979) and shall be determined for each subsequent calendar year regardless of when subsection (9)(d) of the standard nonforfeiture law for life insurance becomes operative.

C. Weighting factors

a. The weighting factors referred to in the formulas stated above are given in the following tables:

1. Weighting factors for life insurance:

<th>Weighting Factors</th>

<td>More than 10, but not more than 20</td>
<td>.45</td>

   For life insurance, the guarantee duration is the maximum number of years the life insurance can remain in force on a basis guaranteed in the policy or under options to convert to plans of life insurance with premium rates or nonforfeiture values, or both, which are guaranteed in the original policy;
2. Weighting factor for single premium immediate annuities and for annuity benefits involving life contingencies arising from other annuities with cash settlement options and guaranteed interest contracts with cash settlement options:

3. Weighting factors for other annuities and for guaranteed interest contracts, except as stated in 2. above, shall be as specified in tables (i), (ii) and (iii) below, according to the rules and definitions in (iv), (v) and (vi) below:

(i) For annuities and guaranteed interest contracts valued on an issue year basis:

(ii) For annuities and guaranteed interest contracts valued on a change in fund basis, the factors shown in (i) above increased by:

(iii) For annuities and guaranteed interest contracts valued on an issue year basis (other than those with no cash settlement options) which do not guarantee interest on considerations received more than one (1) year after issue or purchase and for annuities and guaranteed interest contracts valued on a change in fund basis which do not guarantee interest rates on considerations received more than twelve (12) months beyond the valuation date, the factors shown in (i) or derived in (ii) increased by:

(iv) For other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, the guarantee duration is the number of years for which the contract guarantees interest rates in excess of the calendar year stat-
utory valuation interest rate for life insurance policies with guarantee duration in excess of twenty (20) years. For other annuities with no cash settlement options and for guaranteed interest contracts with no cash settlement options, the guarantee duration is the number of years from the date of issue or date of purchase to the date annuity benefits are scheduled to commence.

(v) Plan type as used in the above tables is defined as follows:

Plan Type A: At any time policyholder may withdraw funds only:

(1) with an adjustment to reflect changes in interest rates or asset values since receipt of the funds by the insurer; or
(2) without such adjustment but in installments over five (5) years or more; or
(3) as an immediate life annuity; or
(4) no withdrawal permitted.

Plan Type B: Before expiration of the interest rate guarantee, policyholder may withdraw funds only:

(1) with an adjustment to reflect changes in interest rates or asset values since receipt of the funds by the insurer; or
(2) without such adjustment but in installments over five (5) years or more; or
(3) no withdrawal permitted.

At the end of interest rate guarantee, funds may be withdrawn without such adjustment in a single sum or installments over less than five (5) years.

Plan Type C: Policyholder may withdraw funds before expiration of interest rate guarantee in a single sum or installments over less than five (5) years, either:

(1) without adjustment to reflect changes in interest rates or asset values since receipt of the funds by the insurer; or
(2) subject only to a fixed surrender charge stipulated in the contract as a percentage of the fund.

(vi) An insurer may elect to value guaranteed interest contracts with cash settlement options and annuities with cash settlement options on either an issue year basis or on a change in fund basis. Guaranteed interest contracts with no cash settlement options and other annuities with no cash settlement options must be valued on an issue year basis. As used in this subsection, an issue year basis of valuation refers to a valuation basis under which the interest rate used to determine the minimum valuation standard for the entire duration of the annuity or guaranteed interest contract is
the calendar year valuation interest rate for the year of issue or year of purchase of the annuity or guaranteed interest contract, and the change in fund basis of valuation refers to a valuation basis under which the interest rate used to determine the minimum valuation standard applicable to each change in the fund held under the annuity or guaranteed interest contract is the calendar year valuation interest rate for the year of the change in the fund.

D. Reference interest rate

a. The reference interest rate referred to in paragraph B. of this subsection shall be defined as follows:

1. For all life insurance, the lesser of the average over a period of thirty-six (36) months and the average over a period of twelve (12) months, ending on June 30 of the calendar next year next preceding the year of issue, of Moody's corporate bond yield average -- monthly average corporates, as published by Moody's Investors Service, Inc.

b. For single premium immediate annuities and for annuity benefits involving life contingencies arising from other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, the average over a period of twelve (12) months, ending on June 30 of the calendar year of issue or year of purchase, of Moody's corporate bond yield average -- monthly average corporates, as published by Moody's Investors Service, Inc.

c. For other annuities with cash settlement options and guaranteed interest contracts with cash settlement options valued on a year of issue basis, except as stated in b. above, with guarantee duration in excess of ten (10) years, the lesser of the average over a period of thirty-six (36) months and the average over a period of twelve (12) months, ending on June 30 of the calendar year of issue or purchase, of Moody's corporate bond yield average -- monthly average corporates, as published by Moody's Investors Service, Inc.

d. For other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, valued on a year of issue basis, except as stated in b. above, with guarantee duration of ten (10) years or less, the average over a period of twelve (12) months, ending June 30 of the calendar year of issue or purchase, of Moody's corporate bond yield average -- monthly average corporates, as published by Moody's Investors Service, Inc.

e. For other annuities with no cash settlement options and for guaranteed interest contracts with no cash settlement options, the average over a period of twelve (12) months, ending on June 30 of the calendar year of issue or purchase, of Moody's corporate bond yield average -- monthly average corporates, as published by Moody's Investors Service, Inc.

f. For other annuities with cash settlement options and guaranteed interest contracts with cash settlement options,
valued on a change in fund basis, except as stated in b. above, the average over a period of twelve (12) months, ending on June 30 of the calendar year of the change in the fund, of Moody's corporate bond yield average -- monthly average corporates, as published by Moody's Investors Service, Inc.

Alternative method for determining reference interest rates

a. In the event that Moody's corporate bond yield average -- monthly average corporates is no longer published by Moody's Investors Service, Inc., or in the event that the national association of insurance commissioners determines that Moody's corporate bond yield average -- monthly average corporates, as published by Moody's Investors Service, Inc., is no longer appropriate for the determination of the reference interest rate, then an alternative method for determination of the reference interest rate, which is adopted by the national association of insurance commissioners and approved by regulation promulgated by the director, may be substituted.

(5) Commissioners reserve valuation method.

(a) Except as otherwise provided in subsections (6) and (10) of this section reserves according to the commissioners reserve valuation method, for the life insurance and endowment benefits of policies providing for a uniform amount of insurance and requiring the payment of uniform premiums, shall be the excess, if any, of the present value, at the date of valuation, of such future guaranteed benefits provided for by such policies, over the then present value of any future modified net premiums therefor. The modified net premiums for any such policy shall be such uniform percentage of the respective contract premiums for such benefits that the present value, at the date of issue of the policy, of all such modified net premiums shall be equal to the sum of the then present value of such benefits provided for by the policy and the excess of (i) over (ii) as follows:

(i) A net level annual premium equal to the present value, at the date of issue, of such benefits provided for after the first policy year, divided by the present value, at the date of issue, of an annuity of one (1) per annum payable on the first and each subsequent anniversary of such policy on which a premium falls due; provided, however, that such net level annual premium shall not exceed the net level annual premium on the nineteen (19) year premium whole life plan for insurance of the same amount at an age one (1) year higher than the age of at issue of such policy.

(ii) A net one (1) year term premium for such benefits provided for in the first policy year.

Provided that for any life insurance policy issued on or after January 1, 1986, for which the contract premium in the first policy year exceeds that of the second year and for which no comparable additional benefit is provided in the first year for such excess and which provides an endowment benefit or a cash surrender value or a combination thereof in an amount greater than such excess premium, the reserve according to the commissioners reserve
valuation method as of any policy anniversary occurring on or before the assumed ending date defined herein as the first policy anniversary on which the sum of any endowment benefit and any cash surrender value then available is greater than such excess premium shall, except as otherwise provided in subsection (10), be the greater of the reserve as of such policy anniversary calculated as described in the preceding paragraph and the reserve as of such policy anniversary calculated as described in that paragraph, but with (a) the value defined in subparagraph (i) of that paragraph being reduced by fifteen per cent (15%) of the amount of such excess first year premium, (b) all present values of benefits and premiums being determined without reference to premiums or benefits provided for by the policy after the assumed ending date, (c) the policy being assumed to mature on such date as an endowment, and (d) the cash surrender value provided on such date being considered as an endowment benefit. In making the above comparison the mortality and interest basis stated in subsection (4) and (4b) shall be used.

(b) Reserves according to the commissioners reserve valuation method for:

(i) Life insurance policies providing for a varying amount of insurance or requiring the payment of varying premiums,

(ii) Group annuity and pure endowment contracts purchased under a retirement plan or plan of deferred compensation, established or maintained by an employer (including a partnership or sole proprietorship) or by an employee organization, or by both, other than a plan providing individual retirement accounts or individual retirement annuities under section 408 of the Internal Revenue Code, as now or hereafter amended,

(iii) Disability and accidental death benefits in all policies and contracts, and

(iv) All other benefits, except life insurance and endowment benefits in life insurance policies and benefits provided by all other annuity and pure endowment contracts, shall be calculated by a method consistent with the principles of subsection (5)(a) of this section, except that any extra premiums charged because of impairments or special hazards shall be disregarded in the determination of modified net premiums.

(6) Individual annuity and pure endowment reserves.

(a) This subsection (6) shall apply to all annuity and pure endowment contracts other than group annuity and pure endowment contracts purchased under a retirement plan or plan of deferred compensation, established or maintained by an employer (including a partnership or sole proprietorship) or by an employee organization, or by both, other than a plan providing individual retirement accounts or individual retirement annuities under section 408 of the Internal Revenue Code, as now or hereafter amended.

(b) Reserves according to the commissioners annuity reserve method for benefits under annuity or pure endowment contracts, excluding any disability and accidental death benefits in such contracts, shall be equal to the accumulation up to the date of valuation at the accumulation interest rate specified in the con-
tract of the actual percentages of the actual net considerations credited to the contract prior to the date of valuation for benefits, other than disability and accidental death benefits, decreased by the amount appropriate according to the terms of the contract to reflect any prior withdrawals from or partial surrenders of the contract and increased by any existing additional amounts credited by the insurer to the contract. Additional amounts credited by the insurer to the contract shall include any dividends declared on the contract.

(7) Minimum aggregate reserves. In no event shall an insurer's aggregate reserves for all life insurance policies, excluding disability and accidental death benefits, issued on or after the operative date of section 41-1927, Idaho Code, be less than the aggregate reserves calculated in accordance with the methods set forth in subsections (5), (6), (10) and (11) of this section and the mortality table or tables and rate or rates of interest used in calculating nonforfeiture benefits for such policies.

(8) Optional reserve basis.
   (a) Reserves for all policies and contracts issued prior to the operative date of section 41-1927, Idaho Code, may be calculated, at the option of the insurer, according to any standards which produce greater aggregate reserves for all such policies and contracts than the minimum reserves required by the laws in effect immediately prior to such date.
   (b) For any category of policies, contracts or benefits specified in subsections (4), (4a) and (4b) of this section, issued on or after the operative date of section 41-1927, Idaho Code, (the standard nonforfeiture law), reserves may be calculated, at the option of the insurer, according to any standard or standards which produce greater aggregate reserves for such category than those calculated according to the minimum standard herein provided, but the rate or rates of interest used for policies and contracts, other than annuity and pure endowment contracts, shall not be higher than the corresponding rate or rates of interest used in calculating any nonforfeiture benefits provided for therein.

(9) Lower valuations. An insurer which at any time had adopted any standard of valuation producing greater aggregate reserves than those calculated according to the minimum standard herein provided may, with the approval of the director, adopt any lower standard of valuation, but not lower than the minimum herein provided.

(10) Minimum reserve. If in any contract year the gross premium charged by any life insurer on any policy or contract is less than the valuation net premium for the policy or contract calculated by the method used in calculating the reserve thereon but using the minimum valuation standards of mortality and rate of interest the minimum reserve required for such policy or contract shall be the greater of either the reserve calculated according to the mortality table, rate of interest, and method actually used for such policy or contract, or the reserve calculated by the method actually used for such policy or contract but using the minimum valuation standards of mortality and rate of interest and replacing the valuation net premium by the actual gross premium in each contract year for which the valuation net pre-
mium exceeds the actual gross premium. The minimum valuation standards of mortality and rate of interest referred to in this subsection are those standards stated in subsections (4) and (4b).

Provided that for any life insurance policy issued on or after January 1, 1986, for which the gross premium in the first policy year exceeds that of the second year and for which no comparable additional benefit is provided in the first year for such excess and which provides an endowment benefit or a cash surrender value or a combination thereof in an amount greater than such excess premium, the foregoing provisions of this subsection (10) shall be applied as if the method actually used in calculating the reserve for such policy were the method described in subsection (5), ignoring the second paragraph of subsection (5). The minimum reserve at each policy anniversary of such a policy shall be the greater of the minimum reserve calculated in accordance with subsection (5), including the second paragraph of that subsection, and the minimum reserve calculated in accordance with this subsection (10).

(11) In the case of any plan of life insurance which provides for future premium determination, the amounts of which are to be determined by the insurer based on the then estimates of future experience, or in the case of any plan of life insurance or annuity which is of such a nature that the minimum reserves cannot be determined by the methods described in subsections (5), (6) and (10), the reserves which are held under any such plan must:

(a) Be appropriate in relation to the benefits and the pattern of premiums for that plan, and
(b) Be computed by a method which is consistent with the principles of this standard valuation law, as determined by regulations rules promulgated by the director.

(12) Actuarial opinion of reserves.

(a) Every life insurance company doing business in this state shall annually submit the opinion of a qualified actuary as to whether the reserves and related actuarial items held in support of the policies and contracts specified by the director by rule are computed appropriately, are based on assumptions which satisfy contractual provisions, are consistent with prior reported amounts and comply with applicable laws of this state. The director by rule shall define the specifics of this opinion and add any other items deemed to be necessary to its scope.

(b) Actuarial analysis of reserves and assets supporting such reserves.

(i) Every life insurance company, except as exempted by or pursuant to rule, shall also annually include in the opinion required by paragraph (a) of this subsection, an opinion of the same qualified actuary as to whether the reserves and related actuarial items held in support of the policies and contracts specified by the director by rule, when considered in light of the assets held by the company with respect to the reserves and related actuarial items, including, but not limited to, the investment earnings on the assets and the considerations anticipated to be received and retained under the policies and contracts, make adequate provision for the company's obligations under the policies and contracts.
including, but not limited to, the benefits under and expenses associated with the policies and contracts.

(ii) The director may provide by rule for a transition period for establishing any higher reserves which the qualified actuary may deem necessary in order to render the opinion required in this section.

(c) Requirements for opinion in paragraph (b) of this subsection. Each opinion required in paragraph (b) of this subsection shall be governed by the following provisions:

(i) A memorandum, in form and substance acceptable to the director as specified by rule, shall be prepared to support each actuarial opinion.

(ii) If the insurance company fails to provide a supporting memorandum at the request of the director within a period specified by rule or the director determines that the supporting memorandum provided by the insurance company fails to meet the standards prescribed by the rules or otherwise unacceptable to the director, the director may engage a qualified actuary at the expense of the company to review the opinion and prepare such supporting memorandum as is required by the director.

(d) Requirements for all opinions. Every opinion shall be governed by the following provisions:

(i) The opinion shall be submitted with the annual statement reflecting the valuation of such reserve liabilities for each year ending on or after December 31, 1995.

(ii) The opinion shall apply to all business in force including individual and group health insurance plans, in form and substance acceptable to the director as specified by rule.

(iii) The opinion shall be based on standards adopted from time to time by the actuarial standards board and on such additional standards as the director may by rule prescribe.

(iv) In the case of an opinion required to be submitted by a foreign or alien company, the director may accept the opinion filed by that company with the insurance supervisory official of another state if the director determines that the opinion reasonably meets the requirements applicable to a company domiciled in this state.

(v) For the purposes of this section, "qualified actuary" means a member in good standing of the American Academy of Actuaries who meets the requirements set forth in such regulations.

(vi) Except in cases of fraud or willful misconduct, the qualified actuary shall not be liable for damages to any person (other than the insurance company and the director) for any act, error, omission, decision or conduct with respect to the actuary's opinion.

(vii) Disciplinary action by the director against the company or the qualified actuary shall be defined by rule by the director.

(viii) Any memorandum in support of the opinion, and any other material provided by the company to the director in
connection therewith, shall be kept confidential by the
director and shall not be made public and shall not be sub-
ject to subpoena, other than for the purpose of defending an
action seeking damages from any person by reason of any
action required in this section or by rule promulgated here-
under; provided however, that the memorandum or other mate-
rial may otherwise be released by the director (A) with the
written consent of the company or (B) to the American academy
of actuaries upon request stating that the memorandum or
other material is required for the purpose of professional
disciplinary proceedings and setting forth procedures satis-
factory to the director for preserving the confidentiality of
the memorandum or other material. Once any portion of the
confidential memorandum is cited by the company in its mar-
keting or is cited before any governmental agency other than
a state insurance department or is released by the company to
the news media, all portions of the confidential memorandum
shall no longer be confidential.

Approved March 6, 1996.

63-101. DEPARTMENT OF REVENUE AND TAXATION -- STATE TAX COMMISSION -- BOARD OF TAX APPEALS. (3) The state tax commission shall delegate to each member of the commission responsibility for administration and control of one (1) or more taxes and responsibility for that tax. The state tax commission, as a body, shall perform the duties imposed upon it by law and shall adopt all rules, in each case acting only on a majority decision of the commission.

In any case in which the state tax commission sits as an appellate body upon an appeal from a tax decision from one (1) of the various
administrative units subject to its supervision, the state tax commis-
ioner charged with responsibility for administration of that unit
shall not vote upon the appeal but instead shall, during that hearing,
advise the remaining members of the commission on the technical
aspects of the problems before them.

(4) The chairman shall be the chief executive officer and admin­

commission may employ an officer who shall serve as secretary of the

by the state tax commission. The state tax commission may delegate to
any of its employees the duty of assisting in the collection, audit,

state, the United States, or any other state, except as provided in
this section, so long as they shall remain members or employees of the
commission. Any member or employee of the tax commission may serve in
the national guard or armed forces of the United States. Further, any
member or employee of the tax commission may be appointed or elected
to other office, when that office is without compensation beyond reim­

not conflict with the duties of the tax commission.

63-105. POWERS AND DUTIES -- GENERAL. In addition to all other
powers and duties vested in it, the state tax commission shall have
the power and duty:
(1) To assess and collect all taxes and administer all programs relating to taxes which are the responsibility of the state tax commission.

(2) To make, adopt and publish such rules as it may deem necessary and desirable to carry out the powers and duties imposed upon it by law, provided however, that all rules adopted by the state tax commission prior to the effective date of this 1996 amendatory act shall remain in full force and effect until such time as they may be rescinded or revised by the commission.

(3) To maintain a tax research section to observe and investigate the effectiveness and adequacy of the revenue laws of this state and to assist the executive and legislative departments in estimation of revenue, analysis of tax measures and determination of the administrative feasibility of proposed tax legislation.

However, no person shall be required to testify outside the county wherein he resides or the principal place of his business is located. Such summons to testify shall be issued and served in like manner as a subpoena to witnesses issued from the district court and shall be served without fee or mileage charge by the sheriff of the county, and return of service shall be made by the sheriff to the commission. Persons appearing before the commission or its agents in obedience to such a summons, shall, in the discretion of the commission, receive the same compensation as witnesses in the district court, to be paid upon claims presented against the state from any appropriation made for the administration of the provisions of this title, in the same manner as other claims against the state are presented and paid.

(8) To administer oaths and take affirmations of witnesses appearing before it. The power to administer oaths and take affirmations is vested in each member of the state tax commission, and its duly constituted agents. In case any witness shall fail or refuse to appear and testify before the state tax commission or its agents upon being summoned to appear as herein provided, the clerk of the district court of the county shall, upon demand of the state tax commission, any member thereof, or agent, issue a subpoena reciting the demand therefor and summoning the witness to appear and testify at a time and place fixed; and violation of such subpoena or disobedience thereto shall be deemed and punished as a violation of any other subpoena issued from the district court.

the amount of such property taxes to such person, and binds all par­
ties in interest for the repayment of their just proportions of the
amount of such property taxes to such person.
(2) Whenever a person claiming property and desiring to pay the
property taxes thereon is not named as the owner he may have his name
inserted on the property roll with that of the person named, if so

assessed for taxation in any county in this state shall not be
assessed again for taxation for the same purposes or period of time in

(a) Transmitted through the United States mail, shall be deemed filed or made and received by the state or political subdivision on the date shown by the post office cancellation mark stamped upon the envelope or other appropriate wrapper containing it. For purposes of this title, a postage meter cancellation shall not be deemed a post office cancellation mark.

(b) Mailed but not received by the state or political subdivision or where received and the cancellation mark is illegible, erroneous or omitted, shall be deemed filed or made and received on the date it was mailed if the sender establishes by competent evidence that the report, claim, tax return, statement or other document or payment was deposited in the United States mail on or before the date for filing or paying; and in cases of such nonreceipt of any such report, claim, tax return, statement or other document or payment required by law to be filed or made, the sender files with the state or political subdivision a duplicate within fifteen (15) days after written notification is given to the sender by the state or political subdivision of its nonreceipt of such report, claim, tax return, statement, or other document or payment.

(2) If any such report, claim, tax return, statement or other document or payment is sent by United States mail and either registered or certified, a record authenticated by the United States post office of such registration or certification shall be considered competent evidence that the report, claim, tax return, statement or other document or payment was delivered to the state officer or state agency or officer or agency of the political subdivision to which addressed, and the date of registration or certification shall be deemed the postmarked date.

(3) If the date for filing any such report, claim, tax return, statement or other document or making any such payment falls upon a Saturday, Sunday or legal holiday, such acts shall be considered
timely if performed on the next business day.

63-218. REPRODUCTION OF RECORDS -- DESTRUCTION OF ORIGINALS AUTHORIZED -- ADMISSIBILITY IN EVIDENCE -- PREVALENCE OVER PREVIOUS LAW. Upon reproducing such return, report or record, the state tax commission or any political subdivision of the state of Idaho in its discretion may cause the original records from which reproductions have been made, or any part thereof, to be disposed of or destroyed; provided however, that original tax returns shall be retained for not less than one (1) year.

(2) Photographs, microphotographs, films or other reproductions by technological means of any record as herein provided, shall have the same force and effect as the originals thereof would have had, and shall be treated as originals for the purpose of their admissibility in evidence. Duly certified or authenticated reproductions shall be admitted in evidence equally with the original documents.

63-219. UNIFORM PROPERTY ROLLS AND RELATED DOCUMENTS. (1) The state tax commission shall develop, maintain and enforce statewide systems for the preparation of property rolls and related documents and procedures and for uniform parcel numbering. Said systems shall provide related information specified by the state tax commission.

(2) The state tax commission shall prescribe forms and documents to be used to comply with the requirements of subsection (1) of this section when the information contained in said forms and documents is needed by the tax commission. The appropriate county official may request that the state tax commission consider an alternate, but equivalent, system for the preparation of property rolls and related documents. If the county official demonstrates equivalence to the satisfaction of the state tax commission, the state tax commission may, at its discretion, permit the alternate system to be used. Alternate forms or documents to be provided at county expense may be used if submitted to the state tax commission prior to use and if, in the opinion of the state tax commission, the alternate forms or documents are equivalent to the forms or documents provided by the state tax commission.

(3) Forms or documents required to comply with the provisions of subsection (1) of this section may be prescribed by the appropriate county official, provided that the information on said forms or documents is not needed by the state tax commission. Said forms or documents must be provided at county expense and a copy of each separate form or document must be filed with the state tax commission prior to use.

(4) The state tax commission shall, at its expense, provide aid to the counties on numbering, mapping and software for implementation of this program, and shall, at its expense, provide uniform valuation assessment notices to the county assessor and property tax notices to the county tax collector.
SECTION 4. That Title 63, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW CHAPTER, to be known and designated as Chapter 3, Title 63, Idaho Code, and to read as follows:

CHAPTER 3
ASSESSMENT OF REAL AND PERSONAL PROPERTY

63-301. TIME OF ASSESSMENT -- PROPERTY ROLL, SUBSEQUENT PROPERTY ROLL AND MISSED PROPERTY ROLL. (1) The assessor shall complete an assessment of all real and personal property in his county which is subject to assessment by him on or before the fourth Monday of June. In making such assessment, the assessor shall determine, according to recognized appraisal methods and techniques, the market value for assessment purposes of real and personal property. Said assessments shall be entered on the property roll. After the aforesaid date, any property which has been omitted from the property roll shall be entered on the subsequent property roll and submitted to the county commissioners meeting as a board of equalization, from the fourth Monday of November through the first Monday of December of the current year, or entered on the missed property roll and submitted during the county board of equalization's monthly meeting in January of the following year.

(2) The market value for assessment purposes of each parcel of property subject to assessment shall be listed on the appropriate roll, as defined in subsection (1) of this section, by category of property established and defined pursuant to section 63-109, Idaho Code.

63-302. LIST OF TAXABLE PERSONAL PROPERTY. (1) The assessor shall leave at the office, place of business or residence of each personal property owner, or mail to such personal property owner at his last known post office address, a form with notice requiring such personal property owner to make a correct list of taxable personal property. Every personal property owner so required shall enter a true and correct statement of such personal property and the ownership thereof, which statement shall be signed and verified by the oath of the personal property owner or his agent listing such personal property, and shall be delivered to the assessor, not later than March 15. The assessor shall thereupon determine the market value for assessment purposes of such personal property and enter the same on the property roll. However, if for any reason the assessor shall fail to contact such personal property owner, the failure shall not impair or invalidate any assessment, nor will such failure relieve the personal property owner or his agent of the responsibility to obtain such declaration and to comply with the requirements of this title. Any willful failure to personally contact each personal property owner, shall be deemed malfeasance in office and grounds for the removal of the assessor from office.

(2) If such person fails to make and deliver the list as required, the assessor may list and assess such personal property according to his best judgment and information.

(3) Whenever a taxpayer's list of taxable personal property discloses personal property having a situs for purposes of taxation in
another county in this state, the assessor must immediately make a copy of that portion of such list for each county in which such personal property is situated, and transmit the same by mail to the assessor of the proper county, who must, upon receipt of such copy, enter such personal property upon the property roll therein, unless such personal property has already been entered. The assessor shall strike from the original list all personal property so disclosed as having a situs in another county, and shall assess and enter only the balance of the personal property in his county.

63-303. ASSESSMENT OF MANUFACTURED HOMES. Manufactured homes shall be assessed as other residential housing and such assessments shall be entered on the property roll except that the following manufactured homes are specifically exempt from the provisions of this section:
   (1) Manufactured homes eligible to be used under a dealer's license plate;
   (2) Manufactured homes designated as sheep and cow camps.

63-304. MANUFACTURED HOMES TO CONSTITUTE REAL PROPERTY. (1) A manufactured home may constitute real property if the running gear is removed and:
   (a) If the manufactured home becomes permanently affixed to a foundation on land which is owned or being purchased by the owner or purchaser of said manufactured home; and
   (b) If the owner or purchaser of a manufactured home records with the county recorder in the county in which the manufactured home will be situated a statement of intent to declare the manufactured home as real property.
   (2) The exercise of said option shall require all county assessors to treat those manufactured homes whose owners or purchasers have exercised said option as any other site-built residence and shall permit lending institutions to treat said manufactured homes as real property or as any other residence.
   (3) The form of the declaration shall be prescribed by the state tax commission. Any form used shall have attached to it the certificate of origin or the original title to the manufactured home to allow a reversal of the declaration as provided in section 63-305, Idaho Code.

63-305. REVERSAL OF DECLARATION WHICH TREATS A MANUFACTURED HOME AS REAL PROPERTY. (1) Once a manufactured home has been converted to real property under the provisions of section 63-304, Idaho Code, it shall be deemed a fixture and an improvement to the real property to which it is affixed. Physical removal shall be prohibited without the consent of all persons or entities who, at the time of removal have an interest in the real property or title to any estate in the real property to which the manufactured home has been affixed. The homeowner shall obtain a title report from a title insurance company which shall establish the identity of those individuals or entities whose consent must be obtained. Consent to removal of the manufactured home shall not be required from the owners of rights-of-way, easements or owners of subsurface rights.
(2) Physical removal shall include, without limitation, the separation of the manufactured home from the foundation system, except for the temporary purposes of repair or improvement thereto.

(3) At least thirty (30) days before the manufactured home is to be removed, the homeowner shall give written notice of the intended removal to the county assessor in the county in which the real property is located. The county assessor shall require written evidence that the necessary consents have been obtained from those persons or entities identified in the title report as required in the provisions of subsection (1) of this section. In addition, removal shall be prohibited until the county tax collector has given written approval for the removal of the manufactured home by certifying that all property taxes, due and payable, have been paid.

(4) The homeowner shall, within five (5) days of removal, make application for the issuance of a certificate of title for the manufactured home. Prior to the issuance of a certificate of title, the declaration of reversal shall be recorded. Immediately upon issuance of a certificate of title, the manufactured home shall again become personal property for the purpose of financing and for the purpose of taxation shall be assessed pursuant to section 63-302, Idaho Code.

(5) The state tax commission shall prescribe the forms to be used by the county assessor to reverse the option exercised under the provisions of section 63-304, Idaho Code, which created the real property designation.

63-306. LISTING OF PROPERTY BY OWNER, AGENT OR FIDUCIARY. (1) All property required to be listed and assessed under the provisions of this title shall be listed by the owner or his agent, except as hereinafter provided:

(a) The property of a minor shall be listed by his guardian, or by the person having such property in charge.

(b) The property of a person determined by a court to be legally incompetent, by the person having charge of such property.

(h) Property in litigation in possession of a receiver, or of any county officer, or officer of a court, by the custodian thereof.

(2) Whenever property is listed to any person in a representative capacity, his representative designation must be added to his name, and such property must be entered upon the property roll separate and apart from any individual property of such person.

63-307. OWNERSHIP IDENTIFICATION. (1) The assessor shall ascertain the current ownership of land from documents recorded in the
county recorder's office.

(2) Whenever any person is the owner of, or has contracted to purchase, either an undivided or defined portion of any real property assessed as a whole, such owner or purchaser, upon producing his deed, contract or other muniment of title, to the assessor at any time before the assessor has completed the assessment for that year, may have such assessment changed and corrected accordingly.

(3) No mistake in the name of the owner or failure to designate such owner shall in any manner affect the validity of the assessment or tax lien.

(4) If the ownership of any property is not known, such property must be assessed in the name of "unknown owner."

63-308. VALUATION ASSESSMENT NOTICE TO BE FURNISHED TAXPAYER. (1) The valuation assessment notice required under the provisions of this chapter shall be delivered to the taxpayer, or to his agent or representative, or mailed to the taxpayer, or to his agent or representative at his last known post office address no later than the first Monday in June. The original valuation assessment notice so mailed or delivered must contain notices of all meetings of the board of equalization prescribed by this title for the purposes of equalizing assessments of property, and for granting exemptions from taxation. The notice shall, in clear terms, inform the taxpayer of the assessed market value for assessment purposes of his property for the current year, and his right to appeal to the county board of equalization. The state tax commission may require that other data or information be shown on the form.

(2) In case any changes or corrections are made by the assessor from the original valuation assessment notice, the assessor shall immediately deliver or mail a corrected valuation assessment notice to the taxpayer, or his agent or representative.

(3) If the taxpayer is one other than the equitable titleholder, such as an escrowee, trustee of trust deed or other third party, the taxpayer shall deliver to the equitable titleholder a true copy of the valuation assessment notice on or before the second Monday in June.

(4) For property entered and assessed on the subsequent property roll pursuant to section 63-311, Idaho Code, the valuation assessment notice shall be delivered to the taxpayer, his agent or representative, or mailed to the taxpayer, or to his agent or representative at his last known post office address as soon as possible after it is prepared, but not later than the fourth Monday in November.

(5) For property entered and assessed on the missed property roll pursuant to section 63-311, Idaho Code, the valuation assessment notice shall be delivered to the taxpayer, his agent or representative, or mailed to the taxpayer, or to his agent or representative at his last known post office address as soon as possible after it is prepared, but not later than the first Monday of January of the following year.

63-309. IMPROVEMENTS ON EXEMPT AND RAILROAD RIGHTS-OF-WAY LANDS -- EQUITY IN STATE PROPERTY. (1) All taxable improvements on government, Indian, state, county, municipal or other lands exempt from tax-
ation, and all improvements on all railroad rights-of-way owned separately from the ownership of the rights-of-way upon which the same stands, or in which nonexempt persons have possessory interests, shall be assessed and taxed as personal property.

(2) Property of the state of Idaho or any department, agency or subdivision thereof, or any other property not subject to property taxation to the owner thereof by reason of the legal status of the owner, held under contract of sale or lease with option to purchase, with lease moneys applicable to the purchase price, by any person, corporation or other association for his or its exclusive use, shall be subject to the purchaser or lessee for property taxation. When such property is held under a contract of sale or other agreement whereby on certain payment or payments the legal title is or may be acquired by such person, firm, corporation or association, such property shall be assessed to such person, firm, corporation or association and taxed without deduction on account of the whole or any part of the purchase price or other sum due on such property remaining unpaid. The lien for any such property tax shall neither attach to, impair or be enforced against any interest of the state of Idaho or any department, agency or subdivision thereof.

(3) Refusal to pay the property tax levied upon any equity in state property by the owner upon demand by the tax collector shall operate as forfeiture of such equity.

63-310. COMPLETION AND DELIVERY OF PROPERTY ROLL. The assessor must certify the completion of the property roll on or before the fourth Monday of June in each year, and must, on or before that date, deliver the completed property roll, together with all claims for exemptions from assessment or taxation to the clerk of the board. The property roll and claims for exemptions must remain in the office of the clerk until the second Monday of July for the inspection of all persons interested.

63-311. COMPLETION AND DELIVERY OF SUBSEQUENT AND MISSED PROPERTY ROLLS. (1) The assessor shall assess all personal property and all improvements to real property except as otherwise provided in section 63-317, Idaho Code, which have been completed or discovered between the fourth Monday of June and the fourth Monday of November and which were not included on the property roll delivered on the fourth Monday of June, and shall enter such assessments on the subsequent property roll to be delivered to the clerk of the board on the fourth Monday of November of the current year.

(2) If other real or personal property is discovered and assessed between the fourth Monday of November and December 31st, it shall be assessed and entered on the missed property roll to be delivered to the clerk of the board on the first Monday of January of the following year.

(3) Personal property coming into the state from without the state after the first day of January shall be assessed as of the date of its entry into the state as follows; if before the first day of April, for its full market value for assessment purposes; if on the first day of April and before the first day of July, for three-fourths (3/4) of its full market value for assessment purposes; if on the
first day of July and before the first day of October, for one-half (1/2) of its full market value for assessment purposes; and if on the first day of October and on or before the thirty-first day of December, for one-fourth (1/4) of its full market value for assessment purposes, and the taxes so levied thereupon shall be a first and prior lien on such property from the date of its entry into the state so assessed, and upon all other personal or real property, belonging to the same owner, and no personal property of any kind shall be exempt from such lien.

**63-312. AFFIDAVIT TO COMPLETED ROLL -- EFFECT OF FAILURE TO MAKE AFFIDAVIT.** (1) The county assessor, at the time of delivery of the property roll, subsequent property roll or missed property roll to the clerk of the board, must subscribe an affidavit that the property roll, subsequent property roll or missed property roll is, to the best of his knowledge and ability, a true and complete statement of market value for assessment purposes of all property subject to appraisal by him and that he has faithfully complied with all the duties imposed upon him under law.

(2) Failure by the assessor to make the affidavit shall not affect the validity of any appraisal entered on the property roll, subsequent property roll or missed property roll. The making of such affidavit, however, is declared to be a duty pertaining to the office of the assessor, and when the same is to be made by the deputy assessor it shall be the duty of the assessor to have the same properly made. In every case where the said affidavit is omitted from any assessment roll as completed as aforesaid, the board of county commissioners must require the assessor to make the same, or have the same made by the deputy assessor, and upon refusal or neglect of such assessor to supply such affidavit forthwith, the chairman of the board of county commissioners must immediately file in the district court in the county any information, in writing, verified by his oath, charging such assessor with refusal or neglect to perform the official duties pertaining to his office, and thereupon he must be proceeded against as in such cases provided by law.

**63-313. SPECIAL PROVISIONS FOR TRANSIENT PERSONAL PROPERTY.** (1) All transient personal property shall be listed by the owner and shall show the quantity, name, model, serial number, if any, year of manufacture, date of purchase, cost, whether new or used and other identifying information required by the county assessor. The list of transient personal property shall identify the owner of the property and shall be filed with the home county assessor on or before the first day of November of each year. The owner of transient personal property may elect to treat as his home county that county in which he maintains his residence or usual place of business or in which the transient personal property is usually kept. The report shall be made on forms prescribed by the state tax commission and shall identify periods of thirty (30) days or more during which the personal property is located in a county, specifying the location of the transient personal property for each month of the current calendar year with a projection of the location for the remaining months of November and December.
(2) The county assessor of the home county or the receiving county of the listing shall file within ten (10) days with the county assessor of all counties identified on the report a copy of the report. Each county so identified shall then place a prorated assessment on such personal property on the subsequent or missed property roll only for the length of time that the personal property was located in their county.

(3) In the event that any transient personal property has been or will be taxed for the current year in another state, the property shall be taxed for only that portion of the year that the transient personal property is kept and does remain in the state of Idaho.

(4) The provisions of this section shall not apply to transient personal property in transit through this state, or to transient personal property sold by the owner thereof in the home county upon which the taxes for the full year have been paid or secured, which said transient personal property is kept, moved, transported, shipped or hauled into and remaining in another county, and there kept or remaining either for the purpose of use or sale within the current year.

63-314. COUNTY VALUATION PROGRAM TO BE CARRIED ON BY ASSESSOR.

(1) It shall be the duty of the county assessor of each county in the state to conduct and carry out a continuing program of valuation of all properties under his jurisdiction pursuant to such rules as the state tax commission may prescribe, to the end that all parcels of property under the assessor's jurisdiction are assessed at current market values. It is legislative intent that in order to promote uniform assessment of property in the state of Idaho, taxable property shall be appraised or indexed annually. In order to achieve this goal, at least twenty percent (20%) of the property in each of the categories of property established by rules of the state tax commission shall be included in each year's appraisal, resulting in a complete appraisal of all taxable property every five (5) years. The results of the annual appraisal of twenty percent (20%) of taxable property shall be used to index all property not actually appraised each year so as to reflect current market value for assessment purposes. The county assessor shall maintain in the respective offices sufficient records to show when each parcel or item of property was last appraised. The state tax commission is hereby authorized, empowered and directed to promulgate rules for the implementation of this program, and to provide any such county assessor with such supervision and technical assistance as may be necessary.

(2) The county commissioners of each county shall furnish the assessor with such additional funds and personnel as may be required to carry out the program hereby provided, and for this purpose may levy annually a property tax of not to exceed four-hundredths percent (.04%) of the market value for assessment purposes on all taxable property in the county to be collected and paid into the county treasury and appropriated to the property valuation fund which is hereby created.

(3) If compliance with the requirements of subsection (1) of this section is not obtained, or if any county fails to meet the goals set in subsection (1) of this section, the state tax commission may proceed as required by section 63-316, Idaho Code.
63-315. ASSESSMENT RATIOS AND THE DETERMINATION OF ADJUSTED MARKET VALUE FOR ASSESSMENT PURPOSES FOR SCHOOL DISTRICTS. (1) For the purpose of this section, adjusted market value for assessment purposes shall be the adjusted market value for assessment purposes of all property assessed for property tax purposes for the year referred to in sections 33-802 and 33-1002, Idaho Code.

(2) The state tax commission shall conduct a ratio study to annually ascertain the ratio between the assessed value and the market value for assessment purposes of all property assessed for property tax purposes. Said ratio study shall be conducted in accordance with nationally accepted procedures. From the ratio so ascertained the state tax commission shall compute the adjusted market value of all property assessed for property tax purposes.

(3) This ratio shall be computed in each county and applied to the market value for assessment purposes within each school district in each county. The ratio shall be computed in each school district and applied to the market value for assessment purposes within each school district.

(4) The ratio will be determined using arm's length property sales occurring between October 1 and September 30 of the year preceding the year for which the adjusted market value is to be determined. The state tax commission may, at its discretion, modify the sales period when doing so produces provably better representativeness of the actual ratio in any county or school district. The state tax commission may also add independently conducted appraisals when the state tax commission believes that this procedure will improve the representativeness and reliability of the ratio.

(5) Whenever the state tax commission is unable to determine with reasonable statistical certainty that the assessed value within any county or school district differs from the market value for assessment purposes, the state tax commission may certify the assessed value to be the adjusted market value of any county or school district.

(6) The state tax commission shall certify the adjusted market value of each school district to the state department of education and each county auditor no later than the first Monday in April each year. The state tax commission shall prepare a report indicating procedures used in computing the adjusted market value and showing statistical measures computed in the ratio study. This report shall be submitted to the state department of education at the same time as the certification of adjusted market value. The report of the state tax commission shall also be made available for public inspection in the office of the county auditor.

(7) The state tax commission shall promulgate rules to implement the ratio study described in this section.

63-316. ADJUSTMENT OF ASSESSED VALUE -- COMPLETION OF ASSESSMENT PROGRAM BY STATE TAX COMMISSION -- PAYMENT OF COSTS. (1) Whenever the state tax commission, after a hearing, determines that any county assessor or the county commissioners in assessing property in the county subject to taxation have failed to abide by, adhere to and conform with the laws of the state of Idaho and the rules of the state tax commission in determining market value for assessment purposes, the state tax commission shall order the county assessor and county
commissioners of such county to make the necessary changes or corrections in such assessments and if the county assessor and the county commissioners refuse or neglect to comply with such order, the state tax commission is authorized to and shall forthwith adjust or change the property roll in such county.

(2) In lieu of the hearings and actions permitted in subsection (1) of this section, the state tax commission shall monitor each county's implementation of the continuing appraisal required in section 63-314, Idaho Code, and may require each county to file such reports of its progress at implementation of such continuing appraisals as the commission may find necessary. In the event that the commission finds that any county is failing to meet the requirements of section 63-314, Idaho Code, the commission may order that county's indexing or appraisal or reappraisal programs be conducted under the exclusive and complete control of the state tax commission and the results of such programs shall be binding upon the county officers of the county for which ordered. Payments for the actual cost of such programs shall be made from the sales tax distribution created in section 63-3638, Idaho Code, and the amount of such payments shall be withheld from the payments otherwise made under the provisions of section 63-3638(e) and (g), Idaho Code, to the county for which indexing, appraisal or reappraisal has been ordered, and this subsection shall constitute the necessary appropriation to accomplish such payments, any other provision of law notwithstanding.

63-317. OCCUPANCY TAX -- PROCEDURES. (1) All real property subject to property taxation shall be valued and taxed based upon its status as of January 1 of each tax year. Improvements, other than additions to existing improvements, constructed upon real property shall not be subject to property taxation during the year of construction other than that portion actually in place as of January 1 of each calendar year.

(2) There is hereby levied an occupancy tax upon all newly constructed and occupied residential and commercial structures, except additions to existing improvements, prorated for the portion of the year for which the structure was occupied. The occupancy tax shall be upon those improvements for that portion of the calendar year in which first occupancy occurs. For the purposes of this section, the term "occupied" means:

(a) Use of the property by any person as a residence; or
(b) Use of the property for any business or commercial purpose unrelated to the construction and sale of the property; or
(c) Any possessory use of the property for which the owner received any compensation or consideration.

(3) The owner of any newly constructed improvement, as described in this section, upon which no occupancy tax has been charged shall report to the county assessor that the improvement has been occupied. As soon as practical after receiving such a report, the county assessor shall appraise and determine the market value for assessment purposes.

(a) At the time the county assessor determines the market value for assessment purposes of any improvement, he shall allow as an offset against the market value of the improvement, the market
value of any portion of that improvement which was existing on January 1 and placed upon the real property roll.

(b) Upon completion of the appraisal, the county assessor shall notify the owner of the appraisal, and further shall notify the owner of their right to apply for the exemption provided in section 63-602G, Idaho Code. If the owner applies for and meets the requirements for such exemption within thirty (30) days of the notification by the county assessor, the exemption shall be extended to the newly constructed and occupied residential structures in compliance with section 63-602G, Idaho Code, notwithstanding limitations requiring occupancy as of January 1 of the tax year.

(c) In the event that the owner fails to report to the county assessor that the property is ready for occupancy, the assessor shall notify the county board of equalization, who may impose as penalty an additional amount equal to five percent (5%) of the tax for each month following the date of first occupancy during which the report is not made, to a maximum of twenty-five percent (25%) of the tax.

(4) Appeals of the market value for assessment purposes shall be resolved in the same manner as all other appeals of valuation by the board of equalization.

(5) The occupancy tax calculated upon the values set by the county assessor, and any penalty imposed by the board of equalization shall be collected in the same manner as all other property taxes.

(6) An occupancy tax lien shall be imposed in the manner provided in section 63-206, Idaho Code.

(7) Occupancy taxes shall be billed, collected and distributed in the same manner as all other property taxes.

SECTION 5. That Title 63, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW CHAPTER, to be known and designated as Chapter 4, Title 63, Idaho Code, and to read as follows:

The assessment of such operating property in the name of the owner, lessee or operating company, shall be deemed and held to be an assessment of all title and interest in such property of every kind and nature.

63-404. OPERATOR'S STATEMENT -- ARBITRARY ASSESSMENT. (1) Every person owning, operating or constructing, either as owner or lessee, any public utility, railroad or private railcar fleet which is not exempt from taxation under the provisions of this title, shall prepare or cause to be prepared an annual statement showing all property subject to assessment by the state tax commission, together with such pertinent information as may be required on forms supplied by the state tax commission for such purposes, which statement and forms must be signed by the owner or lessee, or the president, secretary, auditor, superintendent or principal accounting officer or agent of such person, and delivered to the state tax commission on or before such time as the state tax commission may determine, and the state tax commission must file such statement and forms in its office.

(2) The statement must contain such information as the state tax commission determines to be necessary for it to properly assess the operating property. This information shall include, unless otherwise specified, such a general description of the property of such owner or lessee situated or operated in the state of Idaho as would be sufficient to identify the same for all purposes of assessment; the entire length of the system, the length of the system within this state, the length of the line owned and the length of the line operated for the whole system and in this state being separately shown; the total number of miles of each line within the state, the number of miles of main line, branch line, second track, siding and spurs being shown and the number of miles within any county, and within any incorporated city, and within any school or other taxing district into or through which said line extends; the total number of shares of capital stock for the whole system; the amount authorized, the amount issued, the amount outstanding and the dividends paid thereon being separately shown; the market and actual value of the shares of capital stock for the whole system; the funded debt for the whole system; and a detailed statement of all series of bonds, debentures and other securities forming part of the funded debt, at par value, with date of issue, date of maturity, rate of interest and interest paid; the market and actual cash values of such series of funded debt for the whole system; a detailed statement of all capital stock and bonds or other securities of such person, or of other persons, owned by or held in trust,
the par value and market and actual value of the same; the entire gross receipts and gross expenses for the entire system each year, ending on the thirty-first day of December; and such other matters and things as may be required in the annual statement supplied by the state tax commission.

(3) In addition to the statement required by this section, every person filing such statement shall, at the same time, furnish to the state tax commission unless otherwise specified, certified copies of the annual reports of the board of directors or other officers to the stockholders, and the annual reports made to the interstate commerce commission, federal communications commission, federal energy commission and the securities exchange commission.

(4) If any person or officer refuses or neglects to furnish the annual statement, list, or copies of the reports required to be furnished under the provisions of this chapter, or refuses or neglects to appear before the state tax commission, or to answer under oath all questions propounded to him in relation to matters necessary to be known by the commission in order to discharge its duties in the assessment of his property or the property of the person represented by him, then the commission shall make an arbitrary assessment of such property, except as otherwise provided in section 63-411, Idaho Code, which shall be as fair and equitable as it may be able to make from the best information it possesses, and any such person shall be estopped to question or impeach any such assessment in any hearing or proceeding thereafter.

63-405. ASSESSMENT OF OPERATING PROPERTY. (1) The state tax commission must assess all operating property at a meeting of the commission convening on the second Monday of August in each year, and must complete the assessment of such property on the fourth Monday in August.

(2) The state tax commission shall determine the system value and calculate the allocation and apportionment of the system value for all operating property and specifically determine:

(a) The number of miles and the value per mile of each railroad in the state and for each taxing district in which such railroad may exist.

(b) The number of miles and the value per mile of each telephone company in the state and for each taxing district in which such telephone company may exist.

(c) The number of miles and the value per mile of each pipeline in the state and for each taxing district in which such pipeline may exist.

(d) The number of miles and the value per mile of each water company under the jurisdiction of the public utilities commission in the state, and for each taxing district in which such water company may exist. The value per mile of any line included in this subsection, except railroads, shall be determined by dividing the total value of such line within the state by the number of miles of such line within the state. The value per mile of railroad line shall be determined by apportionment of the total value of line within the state. The apportionment shall be based twenty percent (20%) on the ratio of line miles in the state to line miles in the
county; forty percent (40%) on the ratio of net ton miles in the state to net ton miles in the county; and forty percent (40%) on the ratio of station revenues in the state to station revenues in the county. All operating property of railroads shall be apportioned to the counties as part of the railroad line in the county. The apportionment for taxing districts shall be the same as the apportionment among counties.

(e) The system value, the number of miles and the value per mile of each electric current transmission line and each electric current distribution line in each county separately, and for each taxing district within said county in which such transmission and distribution lines may exist. The value per mile of any line included in this subsection shall be determined by dividing the apportioned value of such line within each county by the number of miles of such line within said county.

(f) The system value of private railcar fleets entering or standing in Idaho in the year preceding the constituted lien as provided in section 63-411(3), Idaho Code.

(g) The system value and calculate the allocation and apportionment of the system value for all other operating property.

63-406. ATTENDANCE AT ASSESSMENT HEARING. The state tax commission may, for the purpose of securing evidence, facts or information to enable it to properly assess any operating property, require the attendance of the person, or any officer, manager or agent of such person, whose property is to be assessed, and require him to answer, under oath, all questions propounded which, in the judgment of the commission, would assist it in fixing the value of such property, whether such person, officer, manager or agent resides within or without this state.

63-407. APPEAL OF OPERATING PROPERTY ASSESSMENTS. Every person whose property is to be assessed by the state tax commission shall, upon request therefor in writing, be entitled to a hearing before the commission in relation to the assessment on his property or the assessment of other property in the state, and the commission shall, upon any such request, fix a time for such hearing within the period in which such assessment must be made, and such hearing shall be conducted in such manner as the commission may direct.

63-408. REEXAMINATION OF VALUE — COMPLAINT BY ASSESSOR. The state tax commission shall, upon complaint by a county assessor, examine the valuation and allocation of value of property assessable on a statewide basis any part of which is allocable to his county.

63-409. APPEALS FROM STATE TAX COMMISSION VALUATIONS OF OPERATING PROPERTY. Any taxpayer or county assessor who is aggrieved by a state tax commission decision assessing a taxpayer's operating property may file an appeal to the district court of Ada county or, if such operating property is located in only one (1) county, to the district court in and for the county in which such operating property is located. The appeal shall be filed within thirty (30) days after service upon the taxpayer of the decision. The appeal may be based upon any issue pre-
sented by the taxpayer to the state tax commission and shall be heard by the district court in a trial de novo without a jury in the same manner as though it were an original proceeding in that court. Nothing in this section shall be construed to suspend the payment of taxes pending appeal. Payment of taxes while an appeal hereunder is pending shall not operate to waive the right to an appeal. Any final order of the district court under this section shall be subject to appeal to the Idaho supreme court in the manner provided by the Idaho appellate rules.

63-410. CERTIFICATION OF VALUE TO COUNTIES -- COMPARISONS -- SPECIAL MEETING -- ESCAPED ASSESSMENTS. (1) On or before the first Monday of September in each year the chairman of the state tax commission, or his designee, must prepare and transmit certified statements of the taxable value of operating property by the commission to the county auditors of the several counties of this state. The certified statements shall show each type of operating property separately, shall show the taxable value of the operating property, and shall show the taxable value of operating property to be apportioned to each of the various taxing districts within a county, as provided in section 63-405, Idaho Code. The Idaho taxable value of private railcar fleets shall be apportioned to the several counties as provided in section 63-405, Idaho Code.

(2) Each county auditor, upon receipt of certified statements of the taxable value of operating property apportioned to his county, shall compare the same with the previous year's taxable values, and if any errors are made by the state tax commission or if in the opinion of the county auditor any property in the county subject to assessment by the state tax commission, has not been assessed by the state commission or that any assessment as certified is erroneous it shall be the duty of the county auditor, as soon as any error or omission in such statement is discovered, to forthwith notify the chairman of the state tax commission of such error or omission, with as full an explanation as can be made by such county auditor. The county auditor shall send a duplicate copy of any such notice and explanation sent to the chairman of the state tax commission, to the office of the owner or nearest managing agent of any property which may be affected by any change in assessment under the provisions of this section.

(3) The governor may call a special meeting of the state tax commission for the purpose of correcting any errors made or to assess, allocate, and apportion any operating property which may have been omitted. Notice of at least ten (10) days of such special meeting shall be mailed by the chairman of the state tax commission to the owner or nearest managing agent of any property which may be affected by any change in assessment as originally certified. The procedure in the special meeting shall be as nearly as possible the same as provided in section 63-406, Idaho Code. Corrected statements shall be certified in the same manner as the original statements.

(4) Any property which has escaped taxation in the previous year shall be assessed by said commission on an equalized value, as with other property assessed in the preceding year, and such value shall be added to the value of the assessment for the current year.
63-411. SPECIAL PROVISIONS FOR PRIVATE RAILCAR FLEETS -- NOTICE OF DELINQUENCY -- COLLECTION OF DELINQUENCY. (1) In case any such private railcar fleet shall fail or refuse to make the annual statement herein required within the time above specified, or shall make a false annual statement, the state tax commission shall proceed to assess the property of such private railcar fleet so failing, and shall add fifty percent (50%) to the value thereof, as ascertained and determined by the commission.

(2) The president or other officer of every railroad company whose lines run through, in or into this state shall, on or before such time as may be determined by the state tax commission, furnish to said commission a statement, verified by the affidavit of the officer or person making the same, showing the total number of miles made by the cars of every such private railcar fleet on their lines, branches, sidings, spurs and warehouse tracks in this state during the year ending on the thirty-first day of December last past. The state tax commission shall declare the date for the filing of the statement in its rules.

(3) The state tax commission shall determine the system value of private railcar fleets utilizing statements and data furnished by the railroads and private railcar operators, and such other pertinent information deemed necessary by the state tax commission. The state tax commission shall also be responsible for the allocation of the system value of private railcar fleets taxable in this state. In developing the allocation method, the state tax commission may use and consider any of the following factors or criteria:

(a) An actual count of cars in this state;
(b) The ratio between the mileage traveled by taxpayers' cars in this state as compared with the mileage traveled by taxpayers' cars everywhere;
(c) Such other factors or criteria as the state tax commission may deem appropriate.

(4) Private railcar fleets having an Idaho taxable value of five hundred thousand dollars ($500,000) or more shall be apportioned to where said cars were present in each county as determined by the state tax commission. The state tax commission shall certify the taxable value to the county auditor of each county showing the amounts of taxable value to be apportioned to the qualified taxing districts. The county auditor shall cause the taxable value to be entered upon the tax roll in the same manner as all other properties. The taxes shall be collected in the same manner as other operating property taxes by the county tax collector as provided by law.

(5) Private railcar fleets having an Idaho taxable value of less than five hundred thousand dollars ($500,000) shall not be apportioned to counties. The state tax commission hereby is empowered to charge, levy and collect the property tax so determined on the private railcar fleets under five hundred thousand dollars ($500,000) having a taxable situs in the state and such property shall be treated as personal property for taxing purposes.

(a) The state tax commission shall determine the property tax to be charged on the property covered by each such assessment by applying to the taxable value thereof the average tax rate in the state for the current year on private railcar fleets having an
Idaho taxable value equal to or greater than five hundred thousand dollars ($500,000). In the event no private railcar fleets are assessed for five hundred thousand dollars ($500,000) or more in the current year, then the average property tax rate shall be the average tax rate on all taxable property for the prior year.

(b) Each property tax so charged and levied shall constitute a perpetual lien as of January 1 of the year of assessment on all the operating property of the private railcar fleet within this state and shall be payable in the same manner and at the same due dates provided by law in respect to property taxes on personal property payable in the several counties.

(c) In collecting such property taxes, the state tax commission is hereby authorized to pursue any or all of the rights, remedies or processes provided by law for the collection of a delinquency on personal property.

(d) All moneys collected by the state tax commission as provided under this subsection shall be paid forthwith to the state treasurer for transfer to the public school income fund.

(6) Whenever any person is delinquent in the payment of any obligation imposed by law, the state tax commission may give notice of the amount of the delinquency by registered mail to any railroad company over whose line or lines in this state the cars of said person have been transported, or are being transported, and which said railroad company has in its possession or under its control any credits or other personal property belonging to that person, or owes any debts to the delinquent.

(a) After receiving the notice the railroad company so notified shall neither transfer nor make other disposition of the credits, personal property, or debts until the state tax commission consents to a transfer or disposition, or until thirty (30) days elapse after receipt of the notice.

(b) All railroad companies so notified shall advise the state tax commission within five (5) days after receipt of the notice of all such credits, personal property, or debts in their possession, under their control, or owing by them.

(7) Whenever any railroad company advises the state tax commission that it has within its possession or under its control any credits or personal property belonging to a person with a delinquency, or owes any debt to that person, and the amount thereof, the state tax commission may thereupon issue a warrant of distraint and have the same served upon any such railroad company. Service of said warrant upon an agent of such railroad company within this state shall constitute valid service. Any railroad company so served shall pay over to the state tax commission the sum of any credits belonging to that person, or any debts owing to that person, whenever such credits or debts are less than the delinquency, penalty and costs; or shall pay over to the state tax commission the amount of the delinquency, penalty and costs, whenever such credits or debts are greater, and shall deduct the sum so paid over from the credits or debts due that person.

SECTION 6. That Title 63, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW CHAPTER, to be known and designated as Chapter 5, Title 63, Idaho Code, and to read as follows:
CHAPTER 5

63-501. MEETING OF COMMISSIONERS AS A BOARD OF EQUALIZATION. (1) The county commissioners of each county shall convene as a board of equalization at least once in every month of the year up to the fourth Monday of June for the purpose of equalizing the assessments of property on the property roll and shall meet on the aforesaid date in each year:

(a) To complete the equalization of assessments on all property which has not yet been equalized;
(b) To grant, allow or deny applications for exemption from property tax valuation; and
(c) To hear appeals of assessment of property which are received on or before the end of each county's normal business hours on the fourth Monday of June.

Upon meeting to complete the equalization of assessments, the board of equalization shall continue in session from day to day until equalization of the assessments of such property has been completed and shall also hear and determine complaints upon allowing or disallowing exemptions under chapter 6, title 63, Idaho Code. The board of equalization must complete such business and adjourn as a board of equalization on the second Monday of July, provided that the board of equalization may adjourn any time prior to the aforesaid date when they have completed all of the business as a board of equalization.

The county assessor or his designee shall attend all meetings of the county commissioners in session as a board of equalization and he may make any statements or introduce testimony and examine witnesses on questions before the board of equalization relating to the assessments.

(2) The county commissioners of each county in this state shall meet as a board of equalization on the fourth Monday of November in each year for the purpose of:

(a) Equalizing the assessments of all property entered upon the subsequent property roll;
(b) Determining complaints and hearing appeals in regard to the assessment of such property;
(c) Allowing or disallowing exemptions and cancellations claimed under the provisions of this title affecting the assessment or taxation of property entered upon the rolls, and having a settlement with the assessor and tax collector.

The board of equalization shall complete its business and adjourn on or before the first Monday of December in each year, but if other personal or real property is discovered and assessed after the subsequent board of equalization has adjourned, and is entered on the missed property roll, the taxpayer may appeal that assessment to the county commissioners meeting as a board of equalization, for the purposes stated in subsection (2)(a), (b) and (c) of this section, during its monthly meeting in January of the following year, provided however, that said meeting must be no sooner than the first Monday in January.

63-501A. TAXPAYER'S RIGHT TO APPEAL. (1) Taxpayers may appeal an
assessment to the county board of equalization. The taxpayer may file
an appeal of an assessment listed on the real or personal property
roll on or before the end of the county's normal business hours on the
fourth Monday of June. The taxpayer may file an appeal of an assess-
ment listed on the subsequent property roll on or before the end of
the county's normal business hours on the fourth Monday of November.
The taxpayer may file an appeal of an assessment listed on the missed
property roll on or before the end of the county's normal business
hours on the day of the January meeting of the board of equalization.
(2) Appeals from the county board of equalization shall be made
pursuant to section 63-511, Idaho Code.

63-502. FUNCTION OF BOARD OF EQUALIZATION ON ASSESSMENTS. The
function of the board of equalization shall be confined strictly to
assuring that the market value for assessment purposes of property has
been found by the assessor, and to the functions provided for in chap-
ter 6, title 63, Idaho Code, relating to exemptions from taxation. It
is hereby made the duty of the board of equalization to enforce and
compel a proper classification and assessment of all property required
under the provisions of this title to be entered on the property
rolls, and in so doing, the board of equalization shall examine the
rolls and shall raise or cause to be raised, or lower or cause to be
lowered, the assessment of any property which in the judgment of the
board has not been properly assessed. The board of equalization must
examine and act upon all complaints filed with the board in regard to
the assessed value of any property entered on the property rolls and
must correct any assessment improperly made.

63-503. NEW AND ADDITIONAL ASSESSMENTS. (1) The board of equal-
ization, during its sessions, must direct and require the assessor to
assess any property required by this title to be entered upon the
property rolls, which is known to have escaped assessment, and in case
any assessment of property made by the assessor is deemed by the board
of equalization to be so incomplete or inaccurate as to render doubt-
ful the collection of the taxes thereon, the said board must direct
the assessor to make a new assessment of such property, in which case
the defective assessment shall be cancelled.
(2) All changes in assessments and all new assessments ordered by
the board of equalization shall be entered on the property rolls,
under the direction of the clerk of the board, and any assessment so
changed or entered has the same force and effect as if made and
entered by the assessor before the completion of the property rolls.
(3) The county commissioners meeting as a board of equalization
shall make no reduction in the assessment of any property when,
according to the notation made by the assessor upon the roll, the
owner, or his agent or representative, has refused to make the sworn
taxpayer's declaration required of him or has willfully concealed,
removed, transferred, misrepresented or failed to list such property
for the purpose of evading taxation, unless it is shown to the satis-
faction of the board that such notation by the assessor is erroneous
or false.

63-504. LIEN OF UNPAID PERSONAL PROPERTY TAXES ON REAL PROPERTY.
All taxes upon personal property, where the owners of such personal property are owners of real property in the county, which have not been paid at the time of the November meeting of the county commissioners, sitting as a board of equalization, and which said board of equalization finds to be a lien upon the real property, may be certified to the county auditor and the tax collector. Such taxes must be entered by the tax collector upon the property roll against the real property subject to such lien. The tax collector shall immediately notify the property owner of any such taxes which have been added.

63-505. PRODUCTION OF EVIDENCE BY COUNTY OFFICIALS AND OTHERS. The board of equalization may require the attendance of any county officer or deputy, who must furnish the board with any information which may be had from the records in his office and which the board may deem necessary in equalizing the assessments, and may also subpoena witnesses and hear evidence in all matters relating to the assessment of property, and may arbitrarily assess the property of any person refusing to appear or testify, and any assessment so made shall be conclusive on all questions of assessment in any court or proceeding.

63-506. NOTICE TO TAXPAYER OF NEW ASSESSMENTS AND CHANGES. The board of equalization must, before taking final action in equalizing the assessed value of the property of any person refusing to appear and testify, or in increasing the assessed value of any property, notify the owner thereof, or his agent or representative, of its intention to do so, and require such person to appear forthwith before the board and make objection, if he has any. The board may direct the notice to be served personally upon the owner, or his agent or representative; or, it may direct the clerk to serve the notice by mail, addressed to such owner, or his agent or representative, at his last known post office address. In the case of service by mail, the board of equalization shall not take final action until five (5) days after the mailing of such notice, unless the owner, or his agent, or representative, shall sooner appear. If the owner is one other than the equitable titleholder, such as an escrowee, trustee of trust deed or other third party, the owner shall, within ten (10) days, deliver to the equitable titleholder a true copy of the notice from the board of equalization.

63-507. RECORD OF PROCEEDINGS. The clerk of the board must record in the official minutes all proceedings of the county commissioners relating to the equalization of assessments, the allowance of exemptions, and all changes, corrections and orders made by the board of equalization, and the names of all persons who have appeared before the board of equalization and who have been heard upon matters affecting the assessment of property.

63-508. COMPLETION OF PROPERTY ROLL AFTER EQUALIZATION. As soon as the county auditor receives the certified statements prescribed in section 63-111, Idaho Code, he shall cause to be entered all changes and corrections made by the state tax commission in the assessments upon the property tax roll. The county auditor shall enter upon the
operating property roll all assessments of operating property under the jurisdiction of the state tax commission in his county, and made by the state tax commission in adjusting the valuations among the taxing districts in accordance with the certified statement of the chairman of the state tax commission. The auditor shall enter the total equalized values and show the amount, and reasons for any exemptions which have been allowed by the county commissioners, and shall thereafter enter the total equalized values for taxation on the property rolls. The auditor shall then add up the total equalized values, amounts of exemption and total equalized values for taxation, and enter the total in the property rolls.

63-509. DELIVERY OF ROLLS TO COUNTY AUDITOR -- ABSTRACTS OF ROLLS. (1) On or before the second Monday of July the board of equalization must deliver the property rolls, with all changes, corrections and additions and exemptions from taxation entered therein, to the county auditor. It shall be the duty of the county auditor to cause to be prepared the roll for delivery to the county tax collector on or before the first Monday of November. It shall be the duty of the county auditor to cause to be prepared a total of the amount and value of each category of property and prepare an abstract of all the property entered upon the roll in the manner and form required by the state tax commission. Such forms must show, but need not be limited to, the market value for assessment purposes of all property by categories, and the exemptions from taxation allowed by categories. Any abstracts needed by and prepared for the state tax commission must be delivered by certified mail to the state tax commission by the fourth Monday of July. The value of exemptions will be shown and identified for exemptions granted pursuant to chapters 20 and 29, title 50, Idaho Code, for the value in excess of the equalized assessment valuation as shown on the base assessment roll in any revenue allocation area, and sections 63-602G, 63-602K and 63-602P, Idaho Code, as well as the net taxable value for each of the categories. The abstracts shall be prepared and duly verified and must show a correct classification of all the property in accordance with the classification of such property upon the property roll, and all matters and things required to be shown upon the abstracts must be entered.

(2) The subsequent property roll shall be delivered to the county auditor as soon as possible after the first Monday in December. The county auditor shall deliver the subsequent property roll to the county tax collector without delay.

(3) The missed property roll shall be delivered to the county auditor as soon as possible, but no later than the first Monday in March of the succeeding year. The county auditor shall deliver the missed property roll to the county tax collector without delay.

(4) The county auditor must cause to be prepared abstracts of the combined subsequent and missed property rolls as prescribed in subsection (1) and submit the abstracts by certified mail to the state tax commission on or before the first Monday in March of the succeeding year.

63-510. NOTIFICATION OF VALUATION DUE TO STATE TAX COMMISSION. (1) Prior to the first Monday of August the auditor of each county in
the state shall notify the state tax commission of the net taxable value of all property situated within each taxing unit or district in the county from the property roll for the current year and shall provide an estimate of the net taxable value for each taxing unit or district from the current year's estimated subsequent and missed property rolls. Such notification shall also include an estimate of the net taxable value within any area annexed during the immediate prior year to any taxing unit or district.

(2) Prior to the first Monday of March the auditor of each county in the state shall notify the state tax commission of the net taxable value of all property situated within each taxing unit or district in the county from the subsequent and missed property rolls. Such notification shall also include an estimate of the net taxable value within any area annexed during the immediate prior year, and listed on the subsequent or missed property roll, to any taxing unit or district.

(3) The notification required in subsections (1) and (2) of this section shall be on forms prescribed and provided by the state tax commission and shall list separately the value exempt from property taxation in accordance with section 63-602C, Idaho Code, and the value in excess of the equalized assessment valuation as shown on the base assessment roll in any revenue allocation area, pursuant to chapters 20 and 29, title 50, Idaho Code.

(4) For the purposes of this section, "taxing district," as defined in section 63-201(22), Idaho Code, shall include each incorporated city in each county, regardless of whether said city certifies a property tax budget.

63-511. APPEALS FROM COUNTY BOARD OF EQUALIZATION. (1) Any time within thirty (30) days after mailing of notice of a decision of the board of equalization, or pronouncement of a decision announced at a hearing, an appeal of any act, order or proceeding of the board of equalization, or the failure of the board of equalization to act may be taken to the board of tax appeals. Such appeal may only be filed by the property owner, the assessor, the state tax commission or by a person aggrieved when he deems such action illegal or prejudicial to the public interest. Nothing in this section shall be construed so as to suspend the payment of property taxes pending said appeal.

(2) Notice of such appeal stating the grounds therefor shall be filed with the county auditor, who shall forthwith transmit to the board of tax appeals a copy of said notice, together with a certified copy of the minutes of the proceedings of the board of equalization resulting in such act, order or proceeding, or a certificate to be furnished by the clerk of the board that said board of equalization has failed to act in the time required by law on any complaint, protest, objection, application or petition in regard to assessment of the complainant's property, or a petition of the state tax commission. The county auditor shall also forthwith transmit all evidence taken in connection with the matter appealed. The board of tax appeals may receive further evidence and will hear the appeal as provided in chapter 38, title 63, Idaho Code.

(3) Any appeal that may be taken to the board of tax appeals may, during the same time period, be taken to the district court for the county in which the property is located.
SECTION 7. That Title 63, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW CHAPTER, to be known and designated as Chapter 6, Title 63, Idaho Code, and to read as follows:

CHAPTER 6
EXEMPTIONS FROM TAXATION

63-601. ALL PROPERTY SUBJECT TO TAXATION. All property within the jurisdiction of this state, not expressly exempted, is subject to assessment and taxation.

63-602. PROPERTY EXEMPT FROM TAXATION. (1) Property shall be exempt from taxation as provided in this chapter; provided, that no deduction shall be made in assessment of shares of capital stock of any corporation or association for exemptions claimed under this section, and provided further, that the term "full cash value" wherever used in this act shall mean the actual assessed value of the property as to which an exemption is claimed.

(2) The use of the words "exclusive" or "exclusively" in this chapter shall mean used exclusively for any one (1) or more, or any combination of, the exempt purposes provided hereunder and property used for more than one (1) exempt purpose, pursuant to the provisions of sections 63-602A through 63-602Z, Idaho Code, shall be exempt from taxation hereunder so long as the property is used exclusively for one (1) or more or any combination of the exempt purposes provided hereunder.

(3) All exemptions from property taxation claimed under this chapter shall be approved annually by the county board of equalization.

63-602A. PROPERTY EXEMPT FROM TAXATION -- GOVERNMENT PROPERTY. (1) The following property is exempt from taxation: property belonging to the United States, except when taxation thereof is authorized by the congress of the United States, this state, or to any county or municipal corporation or school district within this state.

(2) However, inventory property of the farmers home administration of the United States department of agriculture shall be subject to taxation as other property in the county.

(3) However, unimproved real property of more than ten (10) contiguous acres owned in fee simple by the department of fish and game shall be subject to a fee in lieu of property taxes contingent upon the following conditions and requirements:

(a) The fee in lieu of property taxes shall not exceed the property tax for the property at the time of acquisition by the department of fish and game, unless the property tax rate for the property shall have been increased.

(b) The department shall determine and identify the parcels of property and their current use as qualified under the provisions of this act. The department shall consult with the appropriate county treasurer and determine the fee to be paid on the property and credited continuously to the county current expense fund. The fee shall be an amount equal to the property tax the property would generate if assessed as agricultural property.
(c) Any future increase in the fee paid in lieu of property taxes shall be determined by the amount of property taxes the property would generate if assessed as agricultural property. The increase may be determined by the department working cooperatively with the appropriate county assessor. The method used for determining the fee that would be due on department property is to be used only under this subsection and has no other application in any other section of the Idaho Code.

(d) The department shall then provide to the assessor of the county where the parcels are located on or before the second Monday of March each year, a listing identifying each parcel of unimproved property by legal description, size and amount of the fee for the preceding calendar year. The treasurer shall prepare and submit a billing for payment based on this information to the department. Once the fee has been determined, payment shall be made by June 20 of that year from moneys appropriated for that purpose. However, if the fees exceed the moneys appropriated for that purpose, the director of the department of fish and game shall calculate the percent reduction that must be made and certify the proportionate reduction to each county treasurer.

(2) Land shall not be classified or valued as agricultural land which is part of a platted subdivision with stated restrictions prohibiting its use for agricultural purposes, whether within or without a city.

(3) Land utilized for the grazing of a horse or other animals kept primarily for personal use or pleasure rather than as part of a bona fide profit-making agricultural enterprise shall not be considered to be land which is actively devoted to agriculture.

(4) Land actively devoted to agriculture, having previously qualified for exemption under this section in the preceding year, or which would have qualified under this section during the current year, shall not lose such qualification due to the owner's or lessee's absence in the current year by reason of active military service in a designated combat zone, as defined in section 112 of the internal revenue code. If an owner fails to timely apply for exemption as required in this section solely by reason of active duty in a designated combat zone, as defined in section 112 of the internal revenue code, and the land would otherwise qualify for exemption under this section, then the board of county commissioners of the county in which the land actively devoted to agriculture is located shall refund property taxes, if previously paid, in an amount equal to the exemption which would otherwise have applied.

63-605. LAND USED TO PROTECT WILDLIFE AND WILDLIFE HABITAT. Land which is owned and used for wildlife habitat by a private, nonprofit corporation which corporation has a recognized tax exempt status under
section 501(C)(3) of the internal revenue code, and which corporation qualifies for exemption status under section 63-602C, Idaho Code, and which corporation is dedicated to the conservation of wildlife or wildlife habitat, shall be eligible for appraisal, assessment and taxation as agricultural property.

SECTION 8. That Title 63, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW CHAPTER, to be known and designated as Chapter 7, Title 63, Idaho Code, and to read as follows:

CHAPTER 7

63-701. DEFINITIONS. As used in this chapter:
(1) "Claimant" means a person who has filed a claim under the provisions of this chapter. On January 1 of the year in which the claim was filed a claimant must own a homestead and be:
(a) Not less than sixty-five (65) years old; or
(b) A fatherless or motherless child under the age of eighteen (18) years of age; or
(c) A widow or widower; or
(d) A disabled person who is recognized as disabled pursuant to 42 USC 423, 45 USC 228, 45 USC 231 or 5 USC 8337; or
(e) A disabled veteran of any war engaged in by the United States, whose disability is recognized as a service-connected disability of a degree of ten percent (10%) or more, or who has a pension for nonservice-connected disabilities, in accordance with laws and regulations administered by the United States veterans administration; or
(f) A person as specified in 42 USC 1701, who was or is entitled to receive benefits because he is known to have been taken by a hostile force as a prisoner, hostage or otherwise; or
(g) Blind.
(2) "Homestead" means the dwelling, owner-occupied by the claimant and used as the primary dwelling place of the claimant and occupied by any members of the household as their home, and so much of the land surrounding it, not exceeding one (1) acre, as is reasonably necessary for the use of the dwelling as a home. It may consist of a part of a multidwelling or multipurpose building and part of the land upon which it is built. Homestead does not include personal property such as furniture, furnishings or appliances, but a manufactured home may be a homestead.
(3) "Household" means the claimant and any person or persons who live in the same dwelling, and share its furnishings, facilities, accommodations or expenses. The term includes any person owing a duty of support to the applicant pursuant to section 32-1002, Idaho Code, unless the person qualifies as a "nonhousehold member" pursuant to subsection (6) of this section. The term does not include bona fide lessees, tenants, or roomers and boarders on contract.
(4) "Household income" means all income received by all persons of a household in a calendar year while members of the household.
(5) "Income" means the sum of federal adjusted gross income as defined in the internal revenue code, as defined in section 63-3004,
Idaho Code, alimony, support money, income from inheritances, nontaxable strike benefits, the nontaxable amount of any individual retirement account pension or annuity, (including railroad retirement benefits, all payments received under the federal social security act, state unemployment insurance laws, and veterans' disability pensions and compensation, excluding rollovers as provided in section 402 or 403 of the internal revenue code). Nontaxable interest received from the federal government or any of its instrumentalities or a state government or any of its instrumentalities, worker's compensation and the gross amount of loss of earnings insurance. It does not include capital gains, gifts from nongovernmental sources, inheritances, or medical care as defined in section 213(d) of the internal revenue code, incurred by the household. Documentation of medical expenses may be required by the county assessor, board of equalization and state tax commission. "Income" shall be that received in the calendar year immediately preceding the year in which a claim is filed. Where a claimant does not file a federal tax return the claimant's federal adjusted gross income, for purposes of this section, shall be an income equivalent to federal adjusted gross income had the claimant filed a federal tax return.

(6) "Nonhousehold member" means any nonspouse who lives in the claimant's dwelling for the purpose of providing protective oversight, caregiving, or personal care services to the claimant, or who is receiving disability benefits pursuant to subsection (1)(d) of this section.

(7) "Occupied" means actual use and possession.

(8) "Owner" means a person holding title in fee simple or holding a certificate of motor vehicle title (either of which may be subject to mortgage, deed of trust or other lien) or who has retained or been granted a life estate. "Owner" shall also include any person who as grantor created a revocable trust and named himself as beneficiary of that trust. "Owner" shall not include any person that otherwise occupies property as beneficiary of a trust. "Owner" includes a vendee in possession under a land sale contract. Any partial ownership shall be considered ownership for determining qualification for property tax reduction benefits, however, the amount of property tax reduction under section 63-704, Idaho Code, and rules promulgated pursuant to section 63-705, Idaho Code, shall be reduced to a proportion commensurate with the proportion of partial ownership. "Partial ownership," for the purposes of this section, means any one (1) person's ownership when property is owned by more than one (1) person. The combined community property interests of both spouses shall not be considered partial ownership. The proportional reduction required under this subsection shall not apply to community property interests. Where title to property is held by a person who has died without timely filing a claim for property tax reduction, the estate shall be the "owner."

(9) (a) "Primary dwelling place" means the claimant's dwelling place on January 1 of the year for which the claim is made. The primary dwelling place is the single place where a claimant has his true, fixed and permanent home and principal establishment, and to which whenever the individual is absent he has the intention of returning. A claimant must establish the dwelling to which the claim relates as his primary dwelling place by clear and con-
 convincing evidence or by establishing that the dwelling is where the claimant resided on January 1 and:

(i) At least six (6) months during the prior year; or
(ii) The majority of the time the claimant owned the dwelling if owned by the claimant less than one (1) year; or
(iii) The majority of the time after the claimant first occupied the dwelling if occupied by the claimant less than one (1) year.

(b) Notwithstanding the provisions of paragraph (a) of this subsection, the property upon which the claimant makes application shall be deemed to be the claimant's primary dwelling place if the claimant is otherwise qualified and resides in a care facility and does not allow the property upon which the claimant has made application to be occupied by persons paying a consideration to occupy the dwelling. A care facility is a hospital, skilled nursing facility, intermediate care facility or intermediate care facility for the mentally retarded as defined in section 39-1301, Idaho Code, or a facility as defined in section 39-3302(15), Idaho Code, or a dwelling other than the one upon which the applicant makes application where a claimant who is unable to reside in the dwelling upon which the application is made lives and receives help in daily living, protection and security.

63-702. CLAIM IS PERSONAL. (1) The right to file a claim under the provisions of this chapter shall be personal to the claimant and shall not survive his death. Such right may be exercised on behalf of a living claimant by an agent authorized in writing to so act or by a guardian or other representative acting pursuant to judicial authority. If a claimant dies after having filed a timely claim, the amount thereof shall be allowed to his personal representative, if one is appointed, or to surviving heirs.

(2) A claimant's spouse may file a claim subject to the provisions of section 63-706, Idaho Code, on behalf of a claimant who dies on or after January 1, only if the claimant qualified for property tax reduction granted under the provisions of this chapter on January 1.

63-703. PROCEDURE FOR FILING CLAIMS. (1) Any claim filed shall be signed by the claimant. By signing such claim, the claimant shall attest to the truth of such claim, and shall be subject to the penalties provided by section 18-5401, Idaho Code, for stating as true any material fact known to be false. All claims shall be made on forms prescribed by the state tax commission and shall be in triplicate. One copy of the form shall be provided to the claimant, one copy shall be kept for all county purposes, and one copy shall be forwarded to the state tax commission with the property tax reduction roll.

(2) By filing a claim, a claimant does not relinquish any right he or any member of his household may have to apply for a cancellation of property taxes pursuant to section 63-711, Idaho Code. The county commissioners may grant any such claimant, or any member of his household, a cancellation of property taxes, late charges and interest under such section, if a claim has been filed under the provisions of this chapter.
(3) If two (2) or more individuals of a household are able to meet the qualifications of a claimant, they may decide between themselves who may obtain a reduction in property taxes under the provisions of this chapter, but if they do not decide between themselves, then the reduction shall be divided equally among or between the claimants in the household.

(4) A claimant who requests nonhousehold member status for any nonspouse residing in the dwelling must provide a statement from the attending physician, verifying that the claimant would not be able to maintain residency in the dwelling in the absence of the nonhousehold member. To establish nonhousehold member status for any disabled nonspouse for whom the claimant provides care, the claimant must provide proof of disability from the recognizing agency.

(5) When an "owner" is any person who as grantor created a revocable trust and named himself or herself as beneficiary of that trust, he or she may provide proof of the revocable trust with an affidavit stating: (i) the name of the grantor, (ii) a statement that the grantor is the beneficiary of the trust, (iii) the trust is revocable during the grantor's lifetime, and (iv) the grantor is the owner-occupier of the residential property and uses the property as the primary dwelling place of the owner as of January 1.

The affidavit shall include the attaching of the copies of those portions of the trust which sets forth the grantor, the grantor as beneficiary, the revocable character of the trust and the signature page of the trust.

63-704. AMOUNT OF PROPERTY TAX REDUCTION. (1) Each claimant qualifying for and applying for a reduction in property taxes under the provisions of this chapter, shall be allowed a reduction in property taxes on his homestead for the current year only, in the amounts provided by subsection (4) of this section.

(2) All property taxes continue to be the responsibility of the individual taxpayer, all property taxes continue to be perpetual liens against the property against which assessed, and all property taxes may be collected and enforced in the usual manner, if the taxpayer does not receive any property tax reduction as provided under this chapter, or if the taxpayer receives less property tax reduction than the whole amount of property taxes he is charged with.

(3) The claimant property owner's property tax reduction shall be based upon the current year's assessed value and the current year's levy.

(4) Property tax reductions qualified under this chapter shall be allowed as set out in section 2, chapter 59, laws of 1992, and adjusted for cost-of-living fluctuations as provided in section 63-705, Idaho Code.

63-705. RULES -- CHANGES IN INCOME LIMITATIONS AND PROPERTY TAX REDUCTION AMOUNTS. (1) The state tax commission shall promulgate rules adjusting the income limitations and property tax reduction amounts to reflect cost-of-living fluctuations. Said rules shall effect change in each income limitation by a percentage equal as near as practicable to the annual cost-of-living percentage modification as determined by the secretary of health and human services pursuant to 42 USC 415(i). The
lowest limitation shall allow a maximum reduction of eight hundred dollars ($800), or actual property taxes, whichever is less. Each income limitation and reduction amount shall be prorated based on the basic eight hundred dollars ($800) maximum reduction, in practicable increments so that the highest income limitation will provide for a reduction of one hundred dollars ($100), or actual property taxes, whichever is less.

(2) The tax commission shall promulgate said rules each and every year the secretary of health and human services announces said cost-of-living modification. The rules shall be promulgated no later than October 1 of each such year and shall be effective for claims filed in and for the following property tax year.

63-706. TIME REQUIREMENTS FOR FILING CLAIM. (1) Any claim for property tax reduction to be granted under the provisions of this chapter shall be filed in the office of the county assessor between January 1 and April 15 of each year. The county assessor shall examine each claim and determine whether it is in conformity with section 63-701, Idaho Code, and shall accordingly approve, modify or disapprove the claim in total at the time the application is received. Additionally, the county assessor shall notify the claimant in writing by May 1 if his claim has been modified or has been disapproved. The notice of modification or disapproval shall declare that the claimant may appeal the assessor's decision to the county board of equalization, and shall state the time and place that the county board of equalization shall meet for such purposes.

(2) All claims filed with the county assessor shall be completed by him and forwarded to the county commissioners, which shall convene as a board of equalization, any other provision of law notwithstanding, on or before May 15, and shall approve all claims approved by the county assessor, and shall approve the action of the county assessor in modifying or disapproving all other claims unless an appeal has been filed with the board of equalization prior to May 15. In considering any appeal of the assessor's decision in modifying or disapproving a claim, the board of equalization may affirm the assessor's decision, may modify the assessor's decision, or may reject the assessor's decision and proceed to approve all or any part of the claim as submitted to the assessor originally.

(3) No informality on the part of the board of equalization shall invalidate any action of the board. The decision of the board of equalization shall be final, except that within thirty (30) days the claimant may appeal to the district court on matters of law, and may appeal the decision of the board of equalization when the board has acted arbitrarily. The claimant shall be notified immediately, in writing, of the board of equalization's action on his appeal to it.

63-707. PROCEDURE AFTER CLAIM APPROVAL. (1) Immediately after claims have been approved by the board of equalization, the county assessor shall prepare a property tax reduction roll, which shall be in addition to the property roll, the subsequent property roll and missed property rolls which property tax reduction roll shall show:

(a) The name of the taxpayer;

(b) The description of the property for which a reduction in
property taxes is claimed, suitably detailed to meet the requirements of the individual county;
(c) The property's prior year's market value for assessment purposes or the assessor's best estimate of current market value for assessment purposes; and
(d) The amount of tax reduction for which the applicant is eligible as determined by the applicant's household income, pursuant to sections 63-704 and 63-705, Idaho Code.
(2) As soon as possible, but in any event by no later than the fourth Monday of June, the property tax reduction roll shall be certified to the county auditor and to the state tax commission in the manner prescribed by rules promulgated by the state tax commission. The property tax reduction roll shall be accompanied by a copy of the claim forms for disapproved claims, when requested by the state tax commission and a copy of the approved claims form signed by each claimant.
(3) (a) As soon as possible, but in any event by no later than the fourth Monday of October, the county auditor shall complete the property tax reduction roll by adding the following information:
(i) The current year's levy for the code area in which the property is situated;
(ii) The amount of property tax reduction claimed based on the current year's market value for assessment purposes and the current year's levy; and
(iii) The current year's market value for assessment purposes.
(b) As soon as possible, but in any event no later than the fourth Monday of October, the county auditor shall certify the completed property tax reduction roll to the state tax commission in the manner prescribed by rules promulgated by the state tax commission.
(4) The state tax commission shall calculate the total of all claims for reduction in property taxes from current year's property taxes, evidenced by the abstracts and claims forms from all the counties. Each county auditor shall be notified by the third Monday in November of the amount of property tax reduction to be granted.
(5) The state tax commission may audit each and every claim submitted to it, and, any other provision of law notwithstanding, may utilize income tax returns filed by the claimant or by any member of his household to determine household income of the claimant.
(6) If it is determined by the state tax commission that a claim is erroneous, the tax commission shall disapprove so much of the claim as necessary in order to conform with statutory standards. The tax commission shall provide the claimant written notice of the tax commission's intent to disapprove all or a portion of the claim. The claimant shall have fourteen (14) days to make written protest to the tax commission of the intended action. The claimant may submit additional information and may request an informal hearing with the commission. If the claimant fails to make written protest within fourteen (14) days, the tax commission shall provide written notice of disapproval to the claimant by the fourth Monday of October and to the county auditor of the county from which the claim was received. Any
claimant whose claim is disapproved in whole or in part by the state tax commission may:
(a) File a claim with the county commissioners for a special cancellation pursuant to section 63-711, Idaho Code;
(b) Appeal such disapproval by the state tax commission to the board of tax appeals or to the district court of the county of residence of the taxpayer within thirty (30) days.

63-708. RECOVERY OF ERRONEOUS CLAIMS. Within three (3) years of payment, the state tax commission may recover any erroneous or incorrect payment made under this act from any "claimant" as defined in section 63-701(1), Idaho Code. The deficiency determination, collection, and enforcement procedures provided by the Idaho income tax act, sections 63-3039, 63-3042, 63-3043 through 63-3064, Idaho Code, shall apply and be available to the commission for enforcement and collection under this chapter and such sections shall, for this purpose, be considered part of this chapter. Wherever liens or any other proceedings are defined as income tax liens or proceedings, they shall, when applied in enforcement or collection under this chapter, be described as tax relief liens and proceedings. In connection with such sections, a deficiency shall consist of any amount erroneously claimed by or paid to a claimant under this chapter.

63-709. REIMBURSEMENT BY STATE TAX COMMISSION. (1) The state tax commission shall determine the total number of claims to be allowed in each county, the dollar amount of each claim allowed, and the total dollar amount for all claims for each county. These amounts shall be certified to the county auditor and tax collector by the state tax commission by no later than the first Monday in November.
(2) By no later than December 20 of each year the state tax commission shall pay to the county tax collector of each county one-half (1/2) of the amount due each county as reimbursement for reduction in property taxes as provided in this chapter, as shown on the abstract of property tax reduction roll and claims forms approved by the state tax commission, and shall pay the second one-half (1/2) of such amount by not later than June 20 of the following year.

63-710. PROCEDURE AFTER REIMBURSEMENT. (1) Upon receipt of the notice of percentage reduction from the state tax commission, the county auditor shall immediately notify the county commissioners, and the commissioners may take this reduction into consideration in making its property tax levies, and the county commissioners are authorized, but not required, to increase any levy to the extent necessary to compensate for the percentage reduction.
(2) The money received by the county tax collector under the provisions of section 63-709(2), Idaho Code, may be considered by the counties and other taxing districts and budgeted against at the same time, in the same manner and in the same year as revenues from taxation.

63-711. CANCELLATION OF TAXES -- HARDSHIP -- SPECIAL. (1) Property taxes may be cancelled for reason of undue hardship. The commissioners may, at their discretion, grant such cancellation for a speci-
fied time period.

(2) Applicants seeking a cancellation pursuant to this section must apply to the county commissioners. Each applicant shall give a sworn statement containing full and complete information of his financial status to the county commissioners and shall make true answers to all questions put before him touching such person's right to the cancellation. The county commissioners shall decide and determine from each examination and from each written application for said cancellation whether or not such person is entitled to the cancellation claimed or any part thereof accordingly. In applying for a cancellation pursuant to this section, an applicant may submit an application at any time and the county commissioners may grant such application, either in whole or in part, at any regular meeting and the burden of proving the right of such cancellation shall rest upon the applicant.

(3) A special cancellation under this section shall be granted by cancelling taxes on property of persons filing an application pursuant to section 63-707, Idaho Code.

(4) The county commissioners may, for good cause shown, allow an agent or some person acting for and on behalf of the applicant to make the application for the cancellation provided in this section for any applicant, or where a person is entitled to cancellation shall be mentally incompetent or physically unable to make such sworn statement, his or her spouse, widow, widower, guardian or personal representative, or other person having knowledge of the facts, may make the application for the cancellation.

(5) Any time within thirty (30) days after mailing of a decision of the county commissioners, or pronouncement of a decision announced at a meeting, or the failure of the county commissioners to act, an appeal may be taken to the district court for the county in which the property is located. Such appeal may only be filed by the property owner or by any person aggrieved when he deems any such action illegal or prejudicial to the public interest. Nothing in this section shall be construed so as to suspend the payment of property taxes pending said appeal.

Notice of such appeal stating the grounds thereafter shall be filed with the county auditor, who shall forthwith transmit a copy of said notice to the county commissioners.

(6) The county commissioners shall order all necessary adjustments to be made in the property tax records of the various county officers and taxing districts.

(7) The cancellation of property taxes which have become delinquent shall affect only those property taxes granted a cancellation by order of the county commissioners and all interest and late charges on such taxes.

SECTION 9. That Title 63, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW CHAPTER, to be known and designated as Chapter 8, Title 63, Idaho Code, and to read as follows:

CHAPTER 8
LEVY AND APPORTIONMENT OF TAXES

63-801. ANNUAL STATE PROPERTY TAX LEVY. (1) The county commis-
sioners in each county in this state must meet on the second Monday of September in each year to ascertain the tax rate necessary to be levied on each dollar of the valuation of all the taxable property in the county for such year in order to raise the amount of state taxes apportioned to such county by the state tax commission. The total of all levies must be within the limits prescribed by the laws of this state.

(2) In any period during which a sales tax is in force in this state, there shall be no levy of the general state property tax permitted by section 9, article VII, of the constitution of the state of Idaho.

63-802. LIMITATION ON BUDGET REQUESTS -- LIMITATION ON TAX CHARGES -- EXCEPTIONS. (1) Except as provided in subsection (2) of this section for tax year 1995, and each year thereafter, no taxing district shall certify a budget request to finance the ad valorem portion of its annual budget that exceeds the greater of:

(a) The dollar amount of ad valorem taxes certified for its annual budget for any one (1) of the three (3) tax years preceding the current tax year, whichever is greater, which amount may be increased by a growth factor of not to exceed three percent (3%) plus the amount of revenue that would have been generated by applying the levy of the previous year, not including any levy for voter approved bonds, override levies, supplemental levies, plant facilities reserve fund levies or school emergency fund levies, to any increase in market value subject to taxation resulting from new construction as evidenced by the value of either: (i) property subject to the occupancy tax pursuant to section 63-317, Idaho Code, for the preceding tax year; or (ii) new construction based upon a quantitative formula approved by the state tax commission which uses the value of building permits for the preceding year; and by the value of annexation during the previous calendar year, as certified by the county assessor;

(b) The dollar amount of ad valorem taxes certified for its annual budget during the last year in which a levy was made; or

(c) The dollar amount of the actual budget request, if the taxing district is newly created; or

(d) In the case of school districts, the restriction imposed in section 33-802, Idaho Code; or

(e) In the case of a nonschool district for which less than the maximum allowable increase in the dollar amount of ad valorem taxes is certified for annual budget purposes in any one (1) year, such a district may, in any following year, recover the foregone increase by certifying, in addition to any increase otherwise allowed, an amount not to exceed one hundred percent (100%) of the increase originally foregone. Said additional amount shall be included in future calculations for increases as allowed.

(2) No board of county commissioners shall set a levy, nor shall the state tax commission approve a levy for annual budget purposes which exceeds the limitation imposed in subsection (1) of this section, unless authority to exceed such limitation has been approved by a majority of the taxing district's electors voting on the question at an election called for that purpose and held pursuant to section
34-106, Idaho Code, provided however, that such voter approval shall be for a period of not to exceed two (2) years.

(3) The amount of ad valorem tax revenues to finance an annual budget does not include revenues from non-ad valorem tax sources, and does not include revenue from levies that are voter approved for bonds, override levies or supplemental levies or for levies applicable to newly annexed property or for levies applicable to new construction as evidenced by the value of property subject to the occupancy tax pursuant to section 63-317, Idaho Code, for the preceding tax year and does not include plant facility reserve fund levies or school emergency fund levies.

63-803. CERTIFICATION OF BUDGETS IN DOLLARS. (1) Whenever any taxing district is required by law to certify to any county treasurer, county auditor, county assessor, county commissioners or to any other county officer, any property tax levy, upon property located within said district, such certification shall, notwithstanding any other provision of the law applicable to any such district, be made at the time and in the manner hereinafter provided.

(2) The county auditor shall inform each of the taxing districts within his county of the taxable value of that district as soon as such value is known to the auditor, whether the value comes from the appraisal and assessment of real and personal property, or from allocation of the taxable value of operating property, or from other sources.

(3) Using the taxable value of the district, the council, trustees, board or other governing body of any taxing district shall certify the total amount required from a property tax upon property within the district to raise the amount of money fixed by their budget as previously prepared or approved. The amount of money so determined shall be certified in dollars to the appropriate county commissioners. Any taxing unit, except regional airport authorities, located in more than one (1) county shall divide its dollar budget for certification to the separate counties by multiplying the amount of such budget by a fraction, the numerator of which shall be the total taxable value of all property in such taxing unit within the county to which such certification is to be made, and the denominator of which shall be the total taxable value of property in such taxing unit in all such counties. Budget certification to the participating counties of regional airport authorities shall be made in the manner prescribed in section 21-807(10), Idaho Code. Taxable value shall be certified by the county auditor of each affected county to such taxing unit and such certification shall be used in this formula. The certification to the county commissioners required in this section shall be made not later than the second Monday in September, unless, upon application therefor, the county commissioners grant an extension of not more than one (1) week. After receipt of this certification, the county commissioners shall make a tax levy as a percent of taxable value of all property in the taxing district, which when applied to the tax rolls, will meet the budget requirements certified by such taxing districts.

(4) For the purpose of this section, "taxable value" shall mean the portion of the equalized assessed value, less any exemptions and the value that exceeds the value of the base assessment roll for the
portion of any taxing district within a revenue allocation area of an urban renewal district, located within each taxing district which certifies a budget to be raised from a property tax levy. For each taxing district, taxable value shall include the value from the property and operating property rolls for the current year and subsequent and missed property rolls for the prior year or the best estimate of the subsequent and missed property rolls for the current year.

63-804. FILING COPY OF BUDGET. The council, trustees, board or other governing body of any taxing district shall at the time of certifying the total amount required from a property tax upon property within the district to raise the amount of money fixed by their budget as previously prepared or approved and as provided for in section 63-803, Idaho Code, file with the appropriate county commissioners a certified copy of their budget as previously prepared, approved and adopted.

63-805. ANNUAL LEVIES. (1) The county commissioners of each county in this state may levy annually upon all taxable property of said county, a property tax for general county purposes, to be collected and paid into the county treasury and apportioned to the county current expense fund which levy shall not exceed twenty-six hundredths percent (.26%) of market value for assessment purposes of such property, or a levy sufficient to raise two hundred fifty thousand dollars ($250,000), whichever is greater. If a county establishes the justice fund, as provided in section 31-4602, Idaho Code, the maximum current expense levy shall be reduced to twenty hundredths percent (.20%) of market value for assessment purposes, or a levy sufficient to raise two hundred fifty thousand dollars ($250,000), whichever is greater.

(2) The county commissioners of each county in this state may levy upon all taxable property of said county, a property tax for the purposes set forth in the statutes authorizing a county justice fund, to be collected and paid into the county treasury and apportioned to the county justice fund, if one has been established. Said levy shall not exceed twenty hundredths percent (.20%) of market value for assessment purposes of such property, or a levy sufficient to raise two hundred fifty thousand dollars ($250,000), whichever is greater.

The county commissioners shall have the right to make a "general reserve appropriation," said appropriation not to exceed five percent (5%) of the county justice fund budget as finally adopted. The total levy, however, for the county justice fund, including the "general reserve appropriation," shall be within the limitations imposed by chapter 8, title 63, Idaho Code, or by any statutes of the state of Idaho in force and effect.

(3) Annually, before the second Monday in September, the board of trustees of any school district within the county having determined the number, if any, of pupils in average daily attendance above the number included in the last annual report thereof, and the amount of money required to provide the educational support programs and transportation support programs for such additional pupils in average daily attendance, as defined in chapter 10, title 33, Idaho Code, the county commissioners shall determine the total of such new requirements within the county and upon the taxable property situate within the
district requesting the same, and the county commissioners shall levy a tax sufficient to provide such amount, provided in no case shall the levy be more than six-hundredths percent (.06%) of the taxable value of the property to be collected and paid to the requesting district.

(4) (a) The county commissioners of each county in this state may levy annually upon all taxable property of its county, a property tax for the acquisition, maintenance and operation of public parks or public recreational facilities, to be collected and paid into the county treasury and apportioned to a fund to be designated as the "parks and recreation fund," which is hereby created, and such county commissioners may appropriate otherwise unappropriated funds for such purposes. No levy made under this subsection shall exceed one-hundredth percent (.01%) of the market value for assessment purposes on all taxable property within the district.

(b) Any funds unexpended from the "parks and recreation fund," or any funds unexpended from the current year's certified parks and recreation budget may be retained in, or deposited to, the "parks and recreation fund" for the purpose of future land acquisition, park expansion or improvement, or the acquisition of operating equipment. The maximum accumulation of funds allowable shall not exceed twice the amount of money provided by the levy authorized in paragraph (a) of this subsection.

(5) Upon the same property and for the same year the county commissioners must also levy such other property taxes as may be necessary for the payment of the interest on county bonds or to provide a sinking fund for the redemption of county bonds or such other authorized taxes as may be necessary for any other or special purposes, to be collected and paid into the county treasury and apportioned as provided by the laws of this state.

63-806. WARRANT REDEMPTION FUND. (1) Upon the same property and for the same year the county commissioners shall levy a property tax for the redemption of outstanding county warrants issued prior to the first day of October in said year, to be collected and paid into the county treasury and apportioned to the county warrant redemption fund, which levy shall be sufficient for the redemption of all the outstanding county warrants, unless the amount of outstanding warrants exceeds the amount that would be raised by a levy of two-tenths of one percent (.2%) of the market value for assessment purposes on all taxable property in the county, in which case the county commissioners shall annually levy a property tax of two-tenths of one percent (.2%) of the market value for assessment purposes on all taxable property in the county for the redemption of such outstanding warrants.

(2) All property taxes levied in any year for the county current expense fund, county road fund and county bridge fund and collected on or after the first day of January in the succeeding year and any property tax levied for any purpose and which is no longer needed for such purpose when collected must be paid into the county treasury and apportioned to the county warrant redemption fund, except as otherwise provided by law. All money in the county treasury on the first day of October to the credit of the county current expense fund, county road fund, county bridge fund or any other fund which is no longer needed must be transferred to the county warrant redemption fund upon the
books of the county auditor and county treasurer by resolution of the county commissioners entered upon the records of the proceedings.

63-807. LEVY BY NEW TAXING UNITS -- DUTIES OF AUDITOR. Except as otherwise provided by law, no taxing district formed or organized after the first day of January, in any year, shall be authorized to make a levy for that calendar year, nor shall the auditor of any county in which the taxing district may be situated be required to extend any levy on behalf of the taxing district upon the county rolls extended by him for the year. No existing taxing district which shall annex any territory after the first day of January of the current year, shall be authorized to levy a property tax for the year upon the property situated in the annexed territory and the property shall in all respects be taxed as if the annexation had not taken place. However, should any existing school district or school districts divide, consolidate or reorganize after the assessment date in any year, the board of trustees of the divided, consolidated or reorganized school district shall have the power to levy property taxes and certify the levy for the year in the same manner and according to the same boundaries which the separate school districts involved in the division, consolidation or reorganization could have levied property taxes had the division, consolidation or reorganization not taken place.

63-808. RECORD OF PROCEEDINGS. (1) The clerk of the board must keep a record of all proceedings of the county commissioners relating to the levy of property taxes in the minutes and all levies authorized and fixed by the county commissioners must be recorded in said minutes. Except as otherwise provided in subsection (2) of this section, the clerk must, on or before the third Monday of September in each year, prepare four (4) certified copies of the record of all levies authorized and fixed by the county commissioners, and deliver one (1) of such copies to the assessor, and one (1) of such copies to the tax collector, and one (1) of such copies to the state tax commission, who must each file the same in his or their office, and the clerk must file the other copy in his office as county auditor.

(2) When the county commissioners grant an extension for the certification required in section 63-803(3), Idaho Code, the clerk must prepare the certified copies specified in subsection (1) of this section on or before the fourth Monday of September.

63-809. UNAUTHORIZED LEVY -- NOTIFICATION BY STATE TAX COMMISSION -- ACTION TO SET ASIDE. (1) The state tax commission shall carefully examine the statements furnished to it, as provided in section 63-808, Idaho Code. On or before the fourth Monday in October, the state tax commission shall notify the county commissioners of each county of the approval of all previously certified levies. The state tax commission shall also notify the county commissioners of each county and the governing authorities of any city, school district, or any other taxing district or municipality no later than the fourth Monday of October if it appears that the county commissioners or governing authorities have fixed a levy or certified a property tax budget increase that exceeds any limitation provided by law.

(2) If it appears that the county commissioners of any county
have fixed a levy for any purpose or purposes not authorized by law, or in excess of the maximum provided by law for any purpose or purposes, the state tax commission shall thereupon notify the attorney general, and if it appears that the governing authorities of any city, school district, or any other district or municipality to which is delegated by law the authority to levy property taxes, have fixed a levy for any purpose or purposes not authorized by law or in excess of the maximum provided by law for any purpose or purposes, the commission shall thereupon notify the county attorney of the county in which it appears that such unauthorized or excess levy has or levies have been fixed.

(3) The attorney general or the county attorney so notified shall immediately bring suit in a court of proper jurisdiction against the county commissioners or governing authorities of any city, school district or other district or municipality levying such unauthorized or excess levy to set aside such levy as being illegal.

(4) Any necessary expenses incurred by the attorney general or the county attorney in the prosecution of such action shall be borne by the county in which the suit was brought.

63-810. ERRONEOUS LEVY — CORRECTIVE ACTION. (1) Whenever the county commissioners have discovered that a levy has been made by unintentional clerical, mathematical or electronic error, in any levy certified by such board, the county commissioners on its own motion may:

(a) If discovered prior to the fourth Monday of November of the year for which the levy is certified, order all necessary corrections made in all property tax records, if the corrected levy is otherwise within statutory limits.
(b) If discovered after the fourth Monday of November of the year for which the levy is certified, but before January 30 of the succeeding year, order all necessary corrections made in all property tax records, if the corrected levy is otherwise within statutory limits. The corrected levy shall be applied to the taxable value within each taxing district and the property taxes so applied shall be a perpetual lien on the property, and such property tax levy and tax charge shall supersede all previous incorrect levies and charges made for that year, except that the property tax computed using the corrected levy shall allow a credit for the amount of property taxes previously paid. If additional property tax is owed due to the corrected levy, the county tax collector shall, prior to the fourth Monday in May, mail to the last record owner of any property affected by such erroneous levy a notice of tax correction. The deadline for paying such property tax shall be no later than June 20 of that year. Late charges and interest will be added if full property tax is not paid by June 20 and interest will be calculated from January 1 as provided in section 63-1001, Idaho Code.

(c) The levy correction shall be considered at a hearing held by the county commissioners at which time any taxpayer may appear and be heard upon the issue. Notice of the date, time, place and purpose of such hearing shall be published in a newspaper published in the county, or if there is none, then in a newspaper of general
circulation in the county. The notice shall be run once each week for the two (2) weeks preceding the hearing. The hearing shall be held not less than seven (7) days after the first notice is published.

(2) The county commissioners shall submit the corrected levy and a copy of the order to the state tax commission. The state tax commission shall review the corrected levy and take action as required in section 63-809, Idaho Code.

(3) For the purposes of sections 63-701 through 63-710, Idaho Code, and for the purposes of the distributions required in section 63-3638, Idaho Code, the state tax commission, county auditor, and the county commissioners shall use the corrected values and numbers allowed in this section to recompute and correct such distributions by adjusting future distributions to account for any difference. For the purposes of chapters 8 and 10, title 33, Idaho Code, the state department of education shall use the corrected values and numbers allowed in this section.

63-811. COMPUTATION OF PROPERTY TAXES -- DUTY OF COUNTY AUDITOR.
(1) The county auditor must cause to be computed the amount of the local property taxes levied on the total of the taxable value as entered on the property and operating property rolls, and must deliver the property and operating property rolls to the tax collector on or before the first Monday of November.

(2) The county auditor must cause to be computed the amount of the local property taxes levied on the total of the taxable value as entered on the subsequent property roll, and must deliver the subsequent property roll to the tax collector as soon as possible, without delay, after the first Monday of December.

(3) The county auditor must cause to be computed the amount of the state property tax and the amount of the local property taxes levied on the total taxable value as entered on the missed property roll, and must deliver the missed property roll to the tax collector as soon as possible, without delay, after the first Monday of March of the year following the year in which the assessment was entered on the missed property roll.

(4) For the purpose of this section, "taxable value" shall mean the portion of the equalized assessed value, less any exemptions and the value that exceeds the value of the base assessment roll for the portion of any taxing district within a revenue allocation area of an urban renewal district, located within each taxing district which certifies a budget to be raised from a property tax levy. When the portion of the property tax to be allocated to school districts as required in sections 33-1002 and 50-2908, Idaho Code, is calculated, the taxable value must include the value that exceeds the value of the base assessment roll.

(5) The county auditor, at the time of delivery to the county tax collector of the property roll, subsequent property roll, missed property roll or operating property roll with all property taxes computed, must subscribe an affidavit to such roll that he has to the best of his knowledge and ability computed the proper amount of property taxes due, and recorded such orders of the board of equalization as have been made and have made no other changes.
(6) Failure of the auditor to make the affidavit shall not affect the validity of any entry on the roll. The making of such affidavit, however, is declared to be a duty pertaining to the office of the county auditor. In every case where the said affidavit is omitted from the real property assessment roll, completed and delivered as aforesaid, the board of county commissioners must require the county auditor to make the same, and upon refusal or neglect of such county auditor to make and subscribe to such affidavit forthwith, the chairman of the said board must immediately file in the district court in the county, an information in writing, verified by his oath, charging such county auditor with refusal or neglect to perform the official duties pertaining to his office, and thereupon he must be proceeded against as in such cases provided by law.

63-812. ACCOUNTING AND COLLECTION OF PROPERTY TAXES. The tax collector shall collect and account for the amount of property taxes due and remit any property tax revenues collected to the county auditor showing distribution to the proper accounts or funds.

SECTION 10. That Title 63, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW CHAPTER, to be known and designated as Chapter 9, Title 63, Idaho Code, and to read as follows:

63-902. PROPERTY TAX NOTICE AND RECEIPTS -- DUTY OF TAX COLLECTOR. (1) For property on the property roll or operating property roll, the county tax collector must, prior to the fourth Monday of November in each year, mail to every taxpayer, or to his agent or representative, at his last known post-office address, a tax notice prepared upon forms prescribed in section 63-219, Idaho Code, which shall contain at least the following:
   (a) The year in which the property tax was levied;
   (b) The name and address of the property owner;
   (c) An accurate description of the property, or in lieu thereof, the tax number of record;
   (d) The parcel number;
   (e) Full market value for assessment purposes;
   (f) The total amount of property taxes due:
      (i) State;
      (ii) County;
      (iii) City;
      (iv) School district;
      (v) And every other tax being separately shown.
   (g) All property tax levies in the tax code area;
   (h) The date when such property taxes become delinquent;
   (i) Notation of delinquencies against said property;
   (j) Whether an interim payment account exists.
   (2) The tax notices shall be numbered consecutively and the num-
bers must be entered upon all property rolls.

(3) Tax notices prepared in tax code area format shall state that levy sheets are available to the public.

(4) Levy sheets shall list the total property tax levy for each taxing district or taxing jurisdiction and the total in each tax code area.

(5) If the taxpayer is one other than the equitable titleholder, such as an escrowee, trustee of trust deed or other third party, the taxpayer shall deliver to the equitable titleholder a statement of the total amount of property taxes billed, on or before the second Monday of December.

(6) The tax collector in each county of the state is authorized to destroy all duplicate property tax receipts and microfilm of tax receipts on file in his office as they reach ten (10) years old. Property tax receipts may be destroyed if information has been replicated in other storage media.

(7) Computer and data processing routines for completion of all phases of the property tax roll procedures may be utilized with the responsibility for completion of each office's statutory duties to remain under the supervision of that office. Wherever the designation "property roll" appears within title 63, data processing or computer procedures and forms may be substituted as permanent records.

(8) The county tax collector must, as soon as possible after the subsequent or missed property roll is delivered to him from the county auditor, mail a notice to every taxpayer listed on the subsequent or missed property roll, or to his agent or representative. The notice shall conform as nearly as possible to the notice required for property listed on the property roll.

(9) Failure to mail such property tax notice, or receipt of said notice by the taxpayer, shall not invalidate the property taxes, or any proceedings in the collection of property taxes, or any proceedings in the foreclosure of property tax liens.

63-903. WHEN PAYABLE. (1) All property taxes extended on the property and operating property rolls shall be due and payable in full to the tax collector without late charges and interest on or before December 20 of the year in which the property taxes are levied. The property taxes may be paid in full or paid in two (2) halves, the first half on or before December 20 with a grace period extending to June 20 for the second half if the first half is totally paid.

(2) Any portion of a property tax may be paid at any time, but nothing in this section shall excuse costs, interest or late charges pursuant to section 63-1002, Idaho Code.

(3) If the first one-half (1/2) is not totally paid on or before December 20 late charges as defined in section 63-201, Idaho Code, and interest as defined in section 63-1001, Idaho Code, shall be assessed. If the first one-half (1/2) of the property tax has been paid in part, late charges and interest shall be calculated on the remaining first half tax due.

(4) If the second one-half (1/2) is not totally paid on or before June 20 late charges as defined in section 63-201, Idaho Code, and interest as defined in section 63-1001, Idaho Code, shall be assessed. If the second one-half (1/2) has been paid in part, late charges and
interest shall be calculated on the remaining property tax due.

(5) Property taxes on the subsequent or missed property roll shall be billed within thirty (30) days after delivery of the property roll to the county tax collector or as otherwise provided for. The tax collector shall notify the property owner of the property taxes due without delay after delivery of the property roll. Delinquency occurs if the tax remains unpaid thirty (30) days after the bills are mailed.

(6) All property taxes and fees, together with any costs, late charges and interest collected by the county tax collector shall be remitted to the county auditor as provided in section 63-1201, Idaho Code.

(7) Payment of any current property taxes shall not invalidate any proceeding in the collection of a delinquency.

63-904. SPECIAL PROVISIONS FOR COLLECTION OF PROPERTY TAXES ON PERSONAL PROPERTY. (1) If a personal property owner fails to make timely payment on the first one-half (1/2) provided for, the unpaid portion of the entire tax shall immediately become due and payable and a late charge as provided in section 63-201, Idaho Code, and interest as provided in section 63-1001, Idaho Code, on the unpaid portion of the first half shall be added. Interest shall be calculated from January 1 of the year following the year for which the taxes were assessed.

(2) All personal property taxes are due and payable upon demand. If no demand is made, taxes may be paid in part or in full until the tax collector issues a warrant of distraint for collection of said taxes.

(3) Whenever the county assessor notifies the tax collector of personal property that has been listed on a property roll, the tax collector may demand immediate payment of any property taxes due from the owner. Property taxes due shall be calculated using the previous year's levies, unless current year's levies are known.

(4) In lieu of demanding immediate payment of property taxes due, the county tax collector may require a surety bond adequate to secure the payment and collection of property taxes that may be due to that county.

(5) Property taxes on transient personal property shall be payable on demand, or in full on the due date stated on the notice. No extensions shall be granted on transient personal property.

(6) In the event a taxpayer is unable to pay his personal property tax due on or before December 20, he may appeal to the county commissioners prior to the property tax becoming delinquent. If sufficient information is given to satisfy the county commissioners that the property taxes will be paid, the county commissioners may grant an extension of time for the payment of the property taxes, late charges and interest, not to exceed four (4) months. A warrant of distraint shall not be issued until the expiration of the extended time. No extensions shall be granted on the second one-half (1/2) of the property tax.

63-905. RECEIPT FOR PROPERTY TAXES PAID. Upon payment of property taxes, the tax collector shall issue a receipt if requested by the taxpayer. The record of payment must show the date paid and the amount
of payment. If the taxpayer is other than the equitable titleholder, such as an escrowee, trustee of trust deed or other third party, the taxpayer shall, upon request of the equitable titleholder, deliver to the equitable titleholder a receipt of property taxes paid. In the event payment is mailed to the tax collector, the cancelled check may serve as a receipt.

63-906. INTERIM PAYMENT ACCOUNT -- RECEIPT FOR DEPOSITS. Any person, upon application to the tax collector, may establish a payment schedule to allow payments of at least twenty-five dollars ($25.00) or the balance owing, to be accumulated toward the payment of current or future real or personal property taxes.

(1) The tax collector shall issue a numbered receipt consisting of:
   (a) Date deposited;
   (b) Name and address of person making deposit;
   (c) The amount of payment; and
   (d) Account identification number or parcel number or legal description.

(2) The county shall pay no interest on any interim payment receipts, and the amount so deposited cannot be withdrawn by the depositor. Such receipts shall not invalidate any proceedings in the collection of property taxes, or in the issuance of any delinquency or any proceedings in the foreclosure of tax liens.

(3) The payment shall be posted to the roll when the current property tax becomes due.

(4) The tax collector may return to the depositor any moneys deposited in excess of the amount necessary to satisfy the tax lien if the payment schedule is not maintained.

(5) The tax collector shall be held accountable for all moneys received under this subsection and shall be liable on his official bond for the custody and safekeeping of such moneys, except as to what may be on deposit in designated depositories under the provisions of the public depository law, which is hereby made applicable to such deposits.

63-907. ENTRY OF DELINQUENT TAX -- DUTY OF COUNTY TREASURER. The county treasurer shall, on or before the first day of January in the succeeding year, enter all delinquent taxes on the property rolls. Such entries shall be dated as of the first day of January and shall have the force and effect of a sale to the treasurer as grantee in trust for the county, for all property entered upon the property roll on which first installment of the taxes has not been paid. The settlement date shall be as of the close of business on the December due date of the preceding year.

The county treasurer shall, on or before the first day of July in the succeeding year, make delinquency entries to be dated as of the first day of January in the year the taxes fall delinquent for all property entered upon the property roll on which the second installment of the taxes have not been paid. The settlement date shall be as of the close of business on the June due date of the current year.

SECTION 11. That Title 63, Idaho Code, be, and the same is hereby
amended by the addition thereto of a NEW CHAPTER, to be known and designated as Chapter 10, Title 63, Idaho Code, and to read as follows:

CHAPTER 10
COLLECTION OF DELINQUENCY ON REAL, PERSONAL AND OPERATING PROPERTY

63-1001. EFFECT OF DELINQUENCY -- INTEREST RATE. To avoid delinquency, total payment must be made in full to the county tax collector by the due date. Any delinquency shall have the force and effect of a sale to the county tax collector as grantee in trust for the county of the property described. Any payment on a delinquency is, in effect, a partial redemption of the property from tax sale. Interest on a delinquency will be charged at one percent (1%) per month calculated from January 1 following the year the tax lien attached, provided however, that the interest shall not be charged on collection costs.

63-1002. PAYMENT OF DELINQUENCY -- ORDER -- RECEIPT. (1) Whenever a delinquency exists for any year, the taxpayer may pay to the tax collector any part of such delinquency together with the costs, late charges and interest. Costs include certified mailings, title searches, advertising and all other expenses for the processing and collection of the delinquency. Provided however, that any delinquency shall be applied to costs, collection costs, special assessments, charges, fees, interest, late charges and property tax in the proportion each bears to the total amount due. Payment applied to the property tax shall be posted directly to the roll.

(2) Payment may only be paid and accepted upon the oldest delinquency standing on the records of the county tax collector wherein such payment is made unless otherwise authorized by a judicial action. The second one-half (1/2) shall not be considered current if the first one-half (1/2) is delinquent.

(3) Upon payment of a delinquency, the tax collector shall issue to the taxpayer a receipt, if requested by the taxpayer. In the event payment is mailed to the tax collector, the cancelled check may serve as the receipt. Payment of current taxes shall not invalidate any proceeding in the collection of a delinquency.

63-1003. LIEN AND EFFECT OF DELINQUENCY. (1) Any delinquency on real property taxes in accordance with the provisions of this title shall constitute a perpetual lien in favor of the county for all property taxes, late charges and interest on the property described and shall entitle the county to a tax deed for such property in the manner provided for in this title. Such delinquency entry shall further constitute prima facie evidence in any legal proceedings in which it may lawfully be used that the property described was subject to appraisal, assessment and taxation at the time the same was assessed, that said property was appraised, assessed and equalized according to law, that the property taxes levied on such property were levied according to law, that such taxes were not paid before the delinquency became effective, and that the property and taxes were entered upon the property roll.

(2) Any delinquency on personal property taxes in accordance with the provisions of this title shall be a first and prior, perpetual
lien, except as otherwise provided by law, upon such personal property and all real and personal property of the owner of such personal property until all property taxes due upon such personal property have been paid.

63-1004. PAYMENT OF DELINQUENCY ON SEGREGATED PROPERTY. (1) The record owner or owners or any party in interest of a segregated portion of the property covered by a delinquency may release the lien for property taxes, by paying to the tax collector the amount of property taxes due along with late charges, interest and costs, if any, on that particular piece of property. The county assessor shall determine and provide to the tax collector the market value for assessment purposes of that segregated portion of property, and the tax collector will calculate the property tax to be paid for any prior year or years of delinquency, including the late charges, accrued interest and costs incurred.

(2) The record owner or owners or any party in interest of a segregated portion of property covered by a tax deed may redeem that property at the time and in the manner provided in section 63-1007, Idaho Code, by paying to the tax collector the amount due on that particular piece of property including, but not limited to, the late charges, accrued interest, title search fees and other costs incurred. The county assessor shall determine and provide to the tax collector the market value for assessment purposes of that segregated portion of property, and the tax collector will calculate the property tax to be paid for that current calendar year and all prior years of delinquency.

63-1005. PENDING ISSUE OF TAX DEED -- GENERAL PROVISIONS -- NOTICE. (1) If real property on which there is a delinquency is not redeemed within three (3) years from the date of delinquency, the county tax collector of the county wherein such property is situated must make, in favor of said county, a tax deed for such property. However, the county shall not be entitle to a tax deed for such real property until:

(a) A notice of pending issue of tax deed has been given; and
(b) An affidavit of compliance has been recorded.

(2) The county tax collector of the county wherein the real property for which a tax deed may issue shall serve or cause to be served written notice of pending issue of tax deed upon the record owner or owners and parties in interest of record in the following exclusive manner:

(a) By serving or causing to be served a copy of such notice by certified mail with return receipt demanded upon the record owner or owners and parties in interest of record at their last known address, such service of notice to be made no more than five (5) months nor less than two (2) months before the time set for the tax deed to issue;
(b) In the event that such notice is served as above described and returned undelivered after attempting to locate and serve the record owner or owners and parties in interest of record, by publishing a summary of such notice in a newspaper having general circulation in the county wherein the real property is situated.
Such publication must be made at least once a week for four (4) consecutive weeks, the last publication of which is to be no more than two (2) months nor less than fourteen (14) days before the time set for the tax deed to issue.

(3) The record owner or owners and parties in interest of record shall be liable and pay to the county tax collector all costs and fees in the preparation, service and publication of such notice and the tax deed process and such costs shall become a perpetual lien upon the property in favor of the county tax collector.

(4) Such notice and summary thereof must contain the following items:
(a) The name and last known address of the record owner or owners;
(b) An accurate description of the property on which the delinquency stands, or, in lieu thereof, the tax number of record or parcel number used in assessing the same;
(i) A street address or other information which would be of assistance to the public in ascertaining the location of the property; or
(ii) The name and telephone number of a person, firm or business office from whom information concerning the location of the property may be obtained;
(c) The year for which the property tax was assessed and for which the delinquency exists;
(d) An itemized statement detailing the delinquency and all costs and fees incident to the delinquency and notice up to and including the date of the making of such notice;
(e) The date the delinquency occurred;
(f) The time, date, place at which, and by whom the tax deed will issue; and
(g) A statement that the record owner or owners or any party in interest shall have adequate opportunity to be heard, to confront and cross-examine any evidence or witness against the record owner or owners, and obtain and present evidence on behalf of the record owner or owners or any party in interest. Such statement shall also contain notice of to whom inquiries and objections shall be directed concerning the notice and information contained therein and by what date such inquiries and objections must be received.

(5) Any party in interest may file a written request for such notice in the office of the county tax collector of the county wherein the property for which the delinquency stands have been made is situated. Such request shall contain the following items:
(a) The name and address of the record owner or owners;
(b) An accurate description of the property covered by the interest, or, in lieu thereof, the tax number of record or parcel number used in assessing the same;
(c) The name and address of the party in interest;
(d) An accurate description of the interest held; and
(e) The date of expiration of the interest held.
(6) If a record owner or owners or a party in interest shall have actual notice of the notice of pending issue of tax deed or that issuance of a tax deed is pending, it shall be deemed sufficient notice under this section.
(7) Service shall be deemed completed upon depositing the certified letter containing the original or a copy of the notice of pending issue of tax deed with return receipt demanded in any United States post office, or upon physical delivery of such notice or copy thereof by the county tax collector or his appointed agent to the record owner or owners or party in interest, or upon the date of last publication.

(8) No less than five (5) working days prior to the date on which the tax deed shall be issued, the county tax collector shall make an affidavit of compliance stating that he has complied with the conditions of issuance of notice of pending issue of tax deed described in this section, and stating particularly the facts relied on as constituting such compliance.

(9) Such affidavit shall be recorded in the office of the county recorder. Such record of affidavit shall be prima facie evidence that such notice has been given.

(10) Any person who knowingly and intentionally swears falsely to facts averred in any affidavit shall be guilty of perjury and be punished by a fine of not more than three hundred dollars ($300).

63-1006. HEARING AND ISSUANCE OF TAX DEED. (1) When a record owner or owners or any party in interest upon whom a notice of pending issue of tax deed is served or who has actual knowledge of such notice or its contents fails, to appear or otherwise defend and answer at the time set for hearing in such notice and the county commissioners are satisfied that the county tax collector has fulfilled the requirements of section 63-1005, Idaho Code, the county commissioners shall, without further notice, immediately direct the county tax collector to issue and record a tax deed in favor of the county.

(2) When a record owner or owners or any party in interest upon whom such notice is served or who has actual knowledge of such notice or its contents appears or answers at the date specified in such notice, the county commissioners shall hear evidence and witnesses and make a final decision in writing. Such final decision shall be mailed by registered or certified mail return receipt demanded upon all parties affected by its action. If the county commissioners shall find that the county tax collector has conformed to the requirements of section 63-1005, Idaho Code, and that a delinquency was owing on the property described and that such delinquency has not been paid, the county commissioners shall immediately direct the county tax collector to issue a tax deed in favor of the county. Such final decision shall include findings of fact and conclusions of law.

(3) A record of the proceedings shall be kept and entered into the county minutes.

(4) Any person who is aggrieved by a final decision of the county commissioners concerning the issuance of a tax deed is entitled to have that decision reviewed by the district court of the district wherein the county is located by filing a petition in the district court within thirty (30) days after receipt of the final decision of the county commissioners. Such filing does not itself stay enforcement of the county commissioners' decision; however, the county commissioners may grant, or the reviewing court may order, a stay upon appropriate terms. Review shall be conducted by the court without a jury and shall be confined to the record in the county minutes. The court may
reverse or modify the decision of the county commissioners if substan-
tial rights of the appellant have been prejudiced because the county
commissioners' findings, conclusions or decisions are:
(a) Made upon unlawful procedure;
(b) Clearly erroneous in view of reliable, probative and substan-
tial evidence on the whole record; or
(c) Arbitrary or capricious or characterized by abuse of discre-
tion or clearly unwarranted exercise of discretion.
(5) All costs and fees of any hearing or proceeding shall be
awarded to the prevailing party or in the discretion of the reviewing
court each party shall be responsible for their own costs and fees;
provided however, the costs and fees shall not be ordered paid by any
county or its officials in absence of a showing of gross negligence,
gross nonfeasance or gross malfeasance by the county or its officers
and a showing of substantial and definite injury to the petitioning
party.
(6) The form of the tax deed issued must contain the following
items:
(a) The name and address of the former record owner or owners;
(b) The name of the county in whose favor the tax deed issues;
(c) An accurate description of the property using a township,
range, section and division of section, together with a statement
as to acreage, or in the appropriate case, using block and lot
numbers or as described in a city plat; and if appropriate,
include the tax number;
(d) A statement that the tax deed issues out of a delinquency and
hearing; and
(e) The tax deed must be signed by the county tax collector and
acknowledged before the county recorder and shall be recorded as
provided by law.

63-1007. REDEMPTION -- EXPIRATION OF RIGHT. (1) After the issu-
ance of a tax deed, real property may be redeemed only by the record
owner or owners, or party in interest, up to the time the county com-
misioners have entered into a contract of sale or the property has
been transferred by county deed. In order to redeem real property, the
record owner or owners, or party in interest shall pay any delinquency
including the late charges, accrued interest, and costs, including,
but not limited to, title search and other professional fees. The
property taxes accrued against such property subsequent to the issu-
ance of a tax deed to the county shall be extended upon a valuation to
be given by the assessor upon application of the tax collector. The
property taxes shall be computed according to the authorized levies
for the year or years to be extended, including the current calendar
year which shall be calculated using the previous year's levies until
the current levies are authorized.
(2) Should such payments be made, a redemption deed shall be
issued by the county tax collector into the name of the redemptioner
and the rights, title and interest acquired by the county shall cease
and terminate; provided however, that such right of redemption shall
expire three (3) years from the date of issuance of a tax deed to the
county, in the event the county commissioners have not extinguished
the right of redemption by contract of sale or transfer by county deed
during said redemption period. In the event a tax deed is issued and payment is not received within three (3) years of the issuance of such tax deed, then said tax deed to the county is presumptive evidence of the regularity of all proceedings prior thereto and the fee simple title, after the issuance of said tax deed, rests in the county.

63-1008. EFFECT OF TAX DEED AS EVIDENCE. (1) The matters recited in the delinquency must be recited in the deed, and such deed duly acknowledged or proved is prima facie evidence that:
   (a) The property was appraised and assessed as required by law;
   (b) The property was equalized as required by law;
   (c) The property taxes were levied in accordance with law;
   (d) The property taxes were not paid;
   (e) The delinquency took effect at the proper time as prescribed by law;
   (f) The property was not redeemed;
   (g) The person who executed the deed was the proper officer;
   (h) Where the real property was sold to pay property taxes on personal property that the real property belonged to the person liable to pay the property tax.
(2) The deed duly acknowledged or proved is prima facie evidence of the regularity of all other proceedings, from the assessment by the assessor inclusive up to the execution of the deed.

63-1009. EFFECT OF TAX DEED AS CONVEYANCE. The deed conveys to the grantee the absolute title to the land described therein, free of all encumbrances except mortgages of record to the holders of which notice has not been sent as provided in section 63-1005, Idaho Code, any lien for property taxes which may have attached subsequently to the assessment and any lien for special assessments.

63-1010. DEEDS UPON REDEMPTION. In all cases where real property has been or may hereafter be sold for delinquency and a deed has been issued to the county therefor, and redemption has been made in the manner provided and in accordance with the provisions of section 63-1007, Idaho Code, the county tax collector, must issue a deed to the redemptioner; and upon the giving of such deed, such tax deed so issued to the county and the delinquency and tax sale upon which the same is based and all delinquencies and sales for prior year delinquencies shall become null and void, and all right, title and interest acquired by the county, under and by virtue of such tax deed, or tax sales, or delinquencies, shall cease and terminate.

63-1011. POSSESSION UNDER TAX DEED CONCLUSIVE AS TO REGULARITY OF PROCEEDINGS. (1) Any and all tax deeds issued by counties, or any other municipal or quasi-municipal corporations of the state of Idaho, authorized by law to issue deeds for delinquencies or assessments, shall, when the property has been sold by such counties or other municipal or quasi-municipal corporations and held and peaceably possessed by the purchaser or his successors in interest for more than three (3) years and upon which the purchaser or his successors in interest have paid all property taxes lawfully assessed thereon for such period, be conclusive as to the regularity and validity of all
proceedings required by law to be done in making the levy, assessment, or sale of such property for the delinquency or assessment for which such property was sold.

(2) No action shall be maintained to contest any delinquency or assessment, or the proceedings upon which the tax deed has been issued after such property has been sold by the taxing agency, and the purchaser or his successors in interest have paid all property taxes legally levied or assessed thereon for a period of three (3) years, and such purchaser's deed from such county or other taxing agency, shall be conclusive evidence of the doing of each and all of the acts, and taking of each and all proceedings required by law as to the issuance of a valid tax deed to such property.

63-1012. SALE OF PERSONAL PROPERTY UPON DELINQUENCY. (1) Upon a delinquency of any personal property tax, the county tax collector shall issue a warrant of distraint for the collection of the delinquency. The warrant of distraint shall bear the date of its issuance, and shall be directed to the county sheriff. The warrant shall give the name of the delinquent taxpayer and his mailing address as ascertained by the county tax collector. The warrant shall also describe generally the personal property upon which the delinquency exists and give the amount of each delinquency. The warrant shall contain a direction to the county sheriff to seize and sell a sufficient amount of the property, or any other personal property of the delinquent taxpayer to be found within the county, with the minimum bid sufficient to pay the delinquency, together with interest and late charges thereon and together with all fees, commissions, mileage and costs accruing thereon.

(2) The county tax collector shall keep a record of the date of the issuance of each warrant of distraint and of the return, showing in detail the amount collected or the fact that no personal property belonging to the delinquent taxpayer was found. A record of all warrants of distraint shall, upon their return, be kept by the tax collector for a period of two (2) years. The collection of any delinquency, or the return of a warrant of distraint showing no property found, shall relieve the county sheriff and tax collector and their bondsmen from responsibility of that delinquency. Upon the return of any warrant of distraint showing property taxes uncollected it shall be the duty of the tax collector, when directed by the county commissioners, to commence and prosecute to judgment an action against the delinquent taxpayer, and no property shall be exempt from levy and sale upon execution issued on the judgment.

63-1013. WARRANTS OF DISTRAINT -- SERVICE AND EXECUTION. (1) All warrants of distraint issued by the tax collector shall be served and executed by the sheriff in the manner provided by law for the services of executions by levy upon personal property issued out of the district court, and he shall make return of the same to the tax collector of the county within ninety (90) days from the date of his receipt thereof with an endorsement thereon showing that the delinquency therein described, together with interest, late charges and costs, as provided by law, have been collected, or that, no property can be found to seize under the warrant. For making a false return the sher-
iff shall be liable to the county for double the amount of the property taxes, with interest and costs.

(2) Fees allowed for issuing warrants of distraint, collection, levy and return of same, shall be ten dollars ($10.00) for issuing each warrant. When levying on a warrant of distraint, the provisions of section 31-3203, Idaho Code, shall apply in determining service fees.

(3) If the sheriff returns the warrant of distraint showing that no property can be found upon which a levy can be made to collect the delinquency, he shall note in the return the county, if any, in this state to which the delinquent taxpayer may have moved together with his mailing address and the date of his departure shall also be noted on the returns. Upon the filing of the sheriff's return showing that any delinquent taxpayer has moved to another county in this state, it shall be the duty of the tax collector to immediately issue and mail another warrant of distraint to the sheriff of the county to which the delinquent taxpayer is so shown to have moved, or in which personal property belonging to him may be found, and the sheriff to whom the other warrant of distraint is issued shall serve and return the warrant in the manner provided for the service and return of original warrants of distraint, making return of fees and commissions earned by him to the county auditor of his county, and paying any delinquency and fees collected, shown by the other warrant of distraint to be due, to the tax collector issuing the other warrant. Should a sheriff to whom the other warrant of distraint is issued be unable to find any property out of which the delinquency may be collected, he shall so return to the tax collector issuing the warrant.

63-1014. REMOVAL OR SALE OR REPOSSESSION OF PERSONAL PROPERTY BEFORE PAYMENT OF PROPERTY TAXES ON PROPERTY ROLLS. (1) Whenever any person, firm or corporation owning any personal property shall desire to remove the personal property from the county or sell or repossess the property before all property taxes due and payable including the current year's taxes have been paid upon the personal property, the property taxes shall be paid to the tax collector upon demand and before the removal of the property from the county. It shall be the duty of the tax collector to collect the property taxes provided for in this section, and all the provisions of this chapter are hereby made available to the tax collector in the collection of such taxes.

(2) It shall be a misdemeanor for any person, firm or corporation to move from the county or sell or repossess any personal property or manufactured home without the payment of the current year's property taxes or without paying property taxes due and owing, and upon conviction the person, firm or corporation shall, in addition to any penalty which the court may impose, pay to the tax collector a sum not in excess of double the amount of property tax which was collectible on the property removed or sold or repossessed, together with all costs and late charges provided for in this chapter. The excess sum shall be collected by the tax collector in the same manner as the original property tax.

63-1015. APPORTIONMENT OF PROCEEDS FROM REDEMPTION. Upon the redemption from tax sale of any property described in any delinquency
entry, the amount paid on account of such redemption, shall be paid into the county treasury by the tax collector, upon the certificate of the county auditor, to be apportioned among the several state and county funds and taxing districts, as provided for the apportionment of property taxes.

SECTION 12. That Title 63, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW CHAPTER, to be known and designated as Chapter 11, Title 63, Idaho Code, and to read as follows:

CHAPTER 11

63-1101. SEIZURE OF PROPERTY FOR REFUSAL TO PAY PROPERTY TAX -- DUTY OF TAX COLLECTOR. In case any person refuses to pay the property tax levied on any personal property belonging to him when demanded by the tax collector, the tax collector shall direct the sheriff to seize and sell as much of the personal property or any other property of the person as will be sufficient to pay the property taxes, late charges, interest, costs and expenses accruing thereon, as estimated by the tax collector.

63-1102. SALE. The sale must be made after one (1) week's notice of the time and place thereof, given by publication in a newspaper of general circulation in the county or posting in three (3) public places within the county, and must be at public auction for cash, and each article seized must be sold separately to the highest bidder.

63-1103. DISPOSITION OF PROCEEDS. The sheriff shall collect from the proceeds of the sale, in addition to the estimated amount of property taxes, all costs and expenses incurred in publishing or posting the notices of the sale, in making the sale and in keeping and caring for the property. After collecting the proceeds and noting the costs of the sale, the sheriff shall have an immediate settlement with the tax collector.

63-1104. BILL OF SALE. On payment of the amount bid for the property sold the sheriff shall make out and deliver a bill of sale thereof which, with the delivery of the property sold, vests title thereto, in the purchaser.

63-1105. RESALE. In the event of the refusal of any bidder to pay the amount bid and complete his purchase, the sheriff may either sue the purchaser upon his bid or offer the property for resale.

63-1106. SALE OF ADDITIONAL PROPERTY. In the event that the property seized does not bring sufficient money to pay the property taxes and costs, the tax collector shall direct the sheriff to seize and sell additional property liable for the property tax, pursuant to section 63-1012(1), Idaho Code.

63-1107. DISPOSITION OF EXCESS. All excess over the property taxes and costs of the proceedings of any sale must be returned to the
owner of the property or deposited in the county treasury to be refunded by order of the county commissioners. Any unsold portion of any such property shall be stored until claimed by the owner or for thirty (30) days, whichever is less. The owner shall pay storage and transportation costs when reclaiming any unsold property.

63-1108. PURCHASE BY COUNTY. In the event that no person bids on any property offered for sale, or if such property, in the judgment of the tax collector exceeds in value the amount of the highest bid made and the tax collector deems it for the best interests of the county, he shall bid on the property himself for the county. He shall dispose of the purchased property by sale in the same manner as other personal property belonging to the county. However, the tax collector shall not buy any property for the county when a sufficient sum to defray the property taxes and costs of sale is bid therefor.

SECTION 13. That Title 63, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW CHAPTER, to be known and designated as Chapter 12, Title 63, Idaho Code, and to read as follows:

CHAPTER 12

On the first Monday of each month, except the second Monday of January and July, the county tax collector shall settle with the county auditor for all moneys collected, including property taxes levied on property, and make a detailed statement under oath, showing the amount of money collected for state and county purposes and for every city, school district, road district or other taxing district or authority, since his last settlement, and shall pay all the moneys into the county treasury upon the certificate of the county auditor, to be apportioned as provided by law.

63-1202. SETTLEMENT BY COUNTY AUDITOR. (1) The county auditor must, on the second Monday of each month, transmit to the clerk of every taxing district having a treasurer whose duty it is to receive, keep and disburse all moneys belonging to it, a settlement of all moneys belonging to each district, paid into the county treasury since the last transmittal; provided however, that in the months of July and January the money may be transmitted no later than the twenty-fifth day of the month.

(2) On the second Monday of each month the county auditor shall transmit to the appropriate agency all moneys belonging to the state paid into the county treasury on and after the second Monday of the preceding month, showing from what sources the money was received and the amount received from each source, with a statement duly sworn to before an officer authorized to administer oaths.

SECTION 14. That Title 63, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW CHAPTER, to be known and designated as Chapter 13, Title 63, Idaho Code, and to read as follows:
63-1301. APPLICATION TO TAXING DISTRICTS. The provisions of this title governing and in aid of the appraisal, assessment, levy and collection of state and county property taxes, are hereby made applicable to all general and special taxes of any taxing district incorporated, organized or chartered under any general or special laws of this state and authorized to collect revenue under the provisions of the laws of this state.

63-1302. CANCELLATION AND REFUND OF PROPERTY TAX. (1) The county commissioners may, at any time when in session, cancel property taxes which for any lawful reason should not be collected, and may refund to any taxpayer any money to which he may be entitled by reason of a double payment of property taxes on any property for the same year, or the double assessment or erroneous assessment of property through error. Notwithstanding any other provisions of law, in any case in which the county commissioners find that, due to error or otherwise by fault of the county, an excess amount of property tax was paid, the county commissioners may refund the excess amount so collected plus pay the same late charges and delinquency interest rate on that amount which the county would regularly require of a taxpayer who is delinquent, and the county commissioners may adopt an ordinance or resolution to establish such payments.

(2) The county commissioners may refund to the purchaser of any property when it has been determined by the county commissioners that such sale is void or invalid, the amount paid by such purchaser to the county with interest thereon from the date of such payment at the rate of six percent (6%) per annum.

(3) All proceedings of the county commissioners in the cancellation or refund of property taxes or refund of payments made at void sale must be recorded in the official minutes. All such refund of property taxes or payments must be paid upon warrants drawn on the county current expense fund by the county auditor or upon checks issued by the county tax collector. All such refunds shall be apportioned to the various funds or taxing districts.

63-1303. ADJUSTMENT OF PROPERTY TAXES BY COUNTY COMMISSIONERS — DUTIES OF TAX COLLECTOR. (1) Whenever the county commissioners shall make any adjustments correcting errors or any other tax adjustments coming within the authority vested by law in such body, the clerk of the board shall, without delay, prepare and deliver to the county tax collector, a copy of the proceedings of the county commissioners.

(2) It shall be the duty of the tax collector to make the necessary corrections. All such copies shall be full authority for the tax collector to make adjustments as ordered; however, the tax collector shall assume no personal responsibility as to the legality of the orders but such responsibility shall rest entirely with the county commissioners.

63-1304. ADJUSTMENT OF LATE CHARGES OR INTEREST. The county commissioners of any county within the state of Idaho may, by resolution,
authorize the county tax collector to make adjustments of late charges, interest and fees, not to exceed the designated limit as set by the county commissioners, in order to facilitate the collection of property taxes.

63-1305. REFUND OR CREDIT OF PROPERTY TAXES BY ORDER OF COURT OR BOARD OF TAX APPEALS. (1) When any court or the board of tax appeals orders a refund of any property taxes imposed under chapters 1 through 17, title 63, the county commissioners of the county or counties which collected the taxes may either refund taxes or apply the amount to be refunded as a credit against taxes due from the taxpayer in the following year. The county commissioners may use a combination of both a payment and a credit to effect the refund.

(2) As used in this section, "refund" includes property tax described in subsection (1) of this section found by the court or the board of tax appeals to have been overpaid and not lawfully due, interest due on the refund of such tax, costs and other amounts ordered paid by a court or the board of tax appeals.

(3) In the event a refund is paid, payments must be made by warrants drawn on the county's current expense fund by the county auditor. The auditor shall apportion the amount of property taxes cancelled as credit to the tax collector. The auditor shall charge the various funds and taxing districts with their proportionate share of the refund and credit the current expense account.

(4) If a credit is given the following year, the credit shall be allowed against actual property taxes assessed to the taxpayer by the taxing districts which received the taxes ordered to be refunded.

(5) Amounts equal to the refunds or credits allowed in this section may be included in amounts certified pursuant to sections 63-802 through 63-807, Idaho Code, but shall not be a part of the operating budget within the meaning of section 63-802, Idaho Code.

63-1306. PROCEDURE AND PROOF OF PAYMENT. (1) No procedure or action relating to the appraisal or assessment of property or the collection of property taxes is illegal on account of informality.

In the event any school building is destroyed or rendered unusable for school purposes by reason of fire, flood or other catastrophe, and a school bond election for the purpose of the replacement of such building is prohibited by the provisions of this section, the state board of education shall have the power to authorize an election for such purpose by order based upon a finding of such facts. The provisions of this section shall not apply to school elections held solely for determining property tax levies for general school purposes not involving the issuance of bonds. This time requirement between elections shall not apply to municipalities or water and/or sewer districts when bond issues are being proposed for the installation or improvement of water supply systems or public sewerage systems which have been deemed necessary by the Idaho state board of health to bring such system or systems in conformance with state statutes or rules of the state board of health.

63-1310. DESTRUCTION OF PERSONAL PROPERTY. In the event of the destruction of personal property by fire, flood or other natural disaster after the first day of January of any year the lien of the personal property tax shall attach to and follow any insurance that may be upon said property and the insurer shall pay to the county tax collector from the insurance money all property taxes, late charges, interest and costs incurred that may be due unless cancelled by the county commissioners.

63-1311. FEES FOR SERVICES. Notwithstanding any other provision of law, the governing board of any taxing district may impose and cause to be collected fees for those services provided by that district which would otherwise be funded by property tax revenues. The fees collected pursuant to this section shall be reasonably related to, but shall not exceed, the actual cost of the service being rendered.

63-1312. MUNICIPAL PROPERTY TAXES -- NOTIFICATION OF VALUATION. (1) Prior to the fourth Monday of March of the current year the county auditor must notify every taxing district or authority and the state board of education of the total taxable valuation of all the taxable property situated within such districts for the preceding calendar year for the purpose of assisting such governing authorities in their determination of tax rates to be levied for the current year and other informational purposes.

(2) Prior to the first Monday in August the auditor of each county in the state shall notify the state tax commission and the clerk of each taxing unit in his county of the taxable valuation of
all the taxable property situated within that taxing district from the property roll for the current year, from the operating property roll for the previous year, from the prior year's actual or current year's estimated subsequent property roll and missed property roll, and the amount of value subject to occupancy tax notwithstanding exemptions authorized in chapter 6, title 63, Idaho Code, for the previous year.

(3) The auditor shall furnish the valuation from the current operating property roll upon receipt from the state tax commission.

63-1313. LIMITATION ON PROPERTY TAXES -- VALUE OF REAL AND PERSONAL PROPERTY -- SPECIAL TAX LEVIES.

(b) The limitation provided for in paragraph (a) of this subsection shall not apply to property taxes or special assessments to pay the principal of and the interest and redemption charges on any indebtedness incurred prior to the time this section becomes effective, nor shall the limitation provided for in paragraph (a) of this subsection apply to property taxes to pay the principal of and the interest and redemption charges on any indebtedness incurred on or after November 7, 1978, as prescribed by the constitution of the state of Idaho, nor shall the limitation provided for in paragraph (a) of this subsection apply to special assessments levied on or after November 7, 1978, as provided by law.

(2) The market value for assessment purposes of real and personal property subject to appraisal by the county assessor shall be determined by the county assessor according to the rules prescribed by the state tax commission, as provided in section 63-208, Idaho Code, but where real property is concerned it shall be the actual and functional use of the real property. All taxable property shall be annually appraised or indexed to reflect that valuation.

63-1314. COSTS FOR PROFESSIONAL SERVICES TO BE LIEN ON PROPERTY. Costs and fees for professional services incurred by the county in the collection of property taxes are a perpetual lien on the property and may be attached to the property taxes, current and delinquent.

Such professional services shall include, but not be limited to, attorney fees and title searches.

SECTION 15. That Title 63, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW CHAPTER, to be known and designated as Chapter 14, Title 63, Idaho Code, and to read as follows:

assessor is hereby authorized to administer oaths to all persons who may be required to swear, and he may examine under oath any person who is required under the provisions of this chapter to list property for appraisal, assessment or taxation, concerning the amount and value of such property, and he may examine under oath any person whom he may suppose to have knowledge of the amount or value of the property of any person refusing to list such property or to verify such list, or whenever the assessor shall be of the opinion that the person listing property for himself or for any other person has not made a complete list of such property. If any person shall refuse to answer under oath any question asked of him by the assessor concerning the amount and value of the property required to be listed by him, the assessor may list and assess such property according to his best judgment and information, but, if any property is willfully concealed, removed, transferred, misrepresented or not listed by the person required to do so, such property, upon discovery, must be appraised, assessed and taxed at two (2) times its value for each year such property has escaped taxation. The county board of equalization may excuse the liability for such penalty upon a proper showing that by good and sufficient cause the requirement to list such property need not be complied with. Any person making a false list, schedule or statement under oath shall be guilty of perjury.

(2) The assessor shall note, at the time of appraisal, all cases where the owner, agent or other person required by this title to list property: refused or failed to make the sworn taxpayer's declaration required of him; refused to answer any question asked of him by the assessor in reference to the appraisal of property; was absent or willfully concealed, removed, transferred, misrepresented or failed to list such property.

(d) For any member of the county commissioners to knowingly or willfully permit any unjust, excessive or insufficient county property tax levy to stand.

(g) For any tax collector to knowingly or willfully fail to mail a property tax notice within the time prescribed by law.
(h) For any tax collector to knowingly or willfully fail to col-

(2) In addition to criminal penalties which may be imposed under this section:
(a) The assessor shall be liable upon his official bond for the amount of property tax on any property which he has knowingly or willfully allowed to escape appraisal or on any property on which he has knowingly or willfully entered any untrue or incorrect classification of land or other property upon the property roll.
(b) Any member of the board of equalization shall be liable upon his official bond for the amount of property tax on any property which he has knowingly or willfully allowed to escape assessment and taxation or on any property on which he has knowingly or willfully allowed any untrue or incorrect classification of land or other property to stand.

63-1403. SUITS BY ATTORNEY GENERAL. (1) The attorney general of this state is empowered to sue and collect, for and on behalf of any other political subdivision or state of the United States taxes legally due such political subdivision or state provided that the law of such state contains a reciprocal provision by which that state will enforce and collect taxes due this state or its political subdivision.
(2) The attorney general or an appropriate official of any political subdivision of this state may bring suits in the courts of other states to collect taxes legally due this state or any political subdivision thereof. The officials of other states which extend a like comity to this state are empowered to sue for the collection of such taxes in the courts of this state. A certificate by the secretary of state under the great seal of the state that such officers have
authority to collect the tax is conclusive evidence of such authority.

63-1404. COMPLIANCE OF PUBLIC OFFICERS WITH RULES AND ORDERS OF STATE TAX COMMISSION. (1) Every public officer shall comply with any lawful order or rule of the state tax commission made pursuant to the provisions of this title.

(2) Every county officer or employee performing related functions shall provide information regarding property rolls and related documents and procedures and parcel numbers to the state tax commission as provided in section 63-219, Idaho Code, may use the computer software prescribed and furnished by the state tax commission, and shall record and transmit information required by the state tax commission in the performance of its duties.

(3) Whenever it appears to the state tax commission that any public officer or employee whose duties relate to the assessment or equalization of assessments of property for taxation has failed to comply with any law relating to such duties, or the rules of the state tax commission made in pursuance thereof, the state tax commission, after a hearing on the facts, may request an order directing the public officer or employee to comply with such law or rule. An order of the state tax commission may require a county to conduct a revaluation of some or all of the property within the county as the state tax commission may find necessary to promote uniformity of taxation within the county. When necessary for the implementation of such an order, the state tax commission is empowered to reconvene a county board of equalization for a period not to exceed ninety (90) days beyond the date otherwise prescribed for the adjournment of such board for the sole purpose of permitting the board to hear and determine protests of valuations resulting from such ordered reappraisal provided that such protests are filed on or before the date otherwise prescribed for the adjournment of the board of equalization and that such extension is necessary for the proper completion of the board's duties. The order may further permit the certification of estimated values by the county to the state tax commission subject to the approval of the tax commission if necessary to permit the board of equalization to properly complete its work and such values, when approved by the tax commission, may be used to set levies if actual values are unavailable on the date prescribed for setting levies.

(4) If such public officer or employee, for a period of ten (10) days after service on him of the state tax commission's order, neglects or refuses to comply therewith, the state tax commission may apply to a judge of the district court of the county in which the public officer holds office for an order, returnable within five (5) days thereof, to compel such public officer or employee to comply with the state tax commission's order, or to show cause why he should not be compelled to do so.

(5) Any order issued by the judge pursuant thereto shall be final; provided however, that any person aggrieved by such order may appeal to the supreme court of the state of Idaho in the manner provided for appeals in other civil actions. An appeal shall not stay any order issued by any judge.

(6) The remedy provided in this section shall be cumulative and shall not exclude the state tax commission from exercising any other
power or right delegated to it.

63-1405. REMOVAL OF OFFICERS. Any county officer upon whom any duties devolve under the revenue laws of this state, who willfully neglects or refuses to perform any such duty, may be removed from office in the manner prescribed by law. When proceedings are commenced to remove such officer, the county commissioners, or in case such officer be a commissioner, then the district judge, may suspend such officer from his powers and duties under the revenue laws, and appoint a competent person in his place until a proper tribunal has either removed or acquitted such suspended officer. Any act relating to the appraisal of property, the assessment of property, the levy or collection of property taxes, or the sale of property for nonpayment of property taxes, performed by any such temporary officer, is valid and of the same force and effect as if performed by a duly qualified officer, elected to such office; provided, that such temporary officer has been bonded, as is required of persons duly elected to such office.

63-1706. YIELD TAX ON APPLICABLE FOREST PRODUCTS. (1) All forest lands designated by the owner to be subject to the provisions of section 63-1703(b), Idaho Code, shall be appraised, assessed and taxed according to the provisions of this section.

(2) Forest lands held in private ownership and designated by the owner to be subject to the provisions of this section for ad valorem property taxation shall be valued by the county assessor as real property at rates which reflect only bare forest land value as determined under rules of the state tax commission.

(3) All timber severed from lands subject to the provisions of this section and delivered to a point of utilization as logs or semiprocessed forest products, shall be subject to a forest products yield tax. This yield tax is in lieu of and replacement for, and not in addition to, ad valorem property taxes on timber.

(4) The yield tax rate shall be three percent (3%) of stumpage
value as determined by the state tax commission. In establishing
stumpage values, the state tax commission shall:

(a) Divide the state into appropriate stumpage value zones, with
each zone designated so as to recognize the uniqueness of timber
marketing areas.

(b) By November 1, set stumpage values by zone for each species
and/or product, for use in the reporting and payment of yield
taxes for timber severed during the following calendar year.
Stumpage values shall be based on a five (5) year rolling average
value of comparable timber harvested from state timber sales
within the stumpage value zone and/or the best available data for
the same five (5) year period.

(5) Report and payment of yield taxes is the direct liability and
responsibility of the landowner at the time of severance. In the event
of nonpayment, the yield taxes due shall constitute a perpetual lien
on the assets of the landowner. Yield tax amounts shall be calculated
by the county assessor on forms prescribed by the state tax commis­
sion. Yield tax amounts shall be supplied by the county assessor to
the county treasurer tax collector on or before November 15 for tim­

the following January 1. Yield tax amounts shall be supplied by the
county assessor to the county treasurer tax collector on or before May
15 for timber severed from July 1 through December 31 in the year fol­
lowing severance with payments due on or before June 20 in the year
following severance. If the yield taxes due for said period are not

report of data already required under the provisions of section
38-122, Idaho Code. The report format shall include the identification
of the forest landowner at the source, legal description of the
source, timber or product owner at time of severance, harvester and
volume of forest products severed. The Idaho department of lands shall
deliver to the various county assessors without fee, copies of these
reports as they are available. In the event the point of utilization
lies out of the state or a report is not required under the provisions
of section 38-122, Idaho Code, the timber owner at time of severance
shall be responsible for the reporting of the above-stated data to the
department of lands.

(8) If reports required by this section are found to be intentionally false or when appropriate reports are not made, the assessor shall value the forest crop harvested, based on the best available estimates.

(9) Not reporting timber or forest products delivery or receipt as required by this section shall be deemed a misdemeanor.

(10) Buildings and other improvements, other than roads, located on forest lands shall be appraised, assessed and taxed as provided by applicable laws and rules.

If a majority of votes cast on the question of changing the name of the district are in favor of the name change, the governing body of the taxing district shall adopt a resolution effecting that change, specifying the date of organization of the district and its present name.

(3) No resolution for change of the name of a taxing district shall be effective until a certified copy of the resolution has been filed with the state tax commission and with the county recorder of each county in which the jurisdiction is situated.

(4) Any change of name under the provisions of this section shall not affect any of the rights, property or obligations of said taxing district.

(5) The provisions of this section shall not apply to any city, county or school district, nor to any taxing district for which provision for change of name is otherwise provided by law.

63-3622K. OCCASIONAL SALES. (a) There are exempted from the taxes imposed by this chapter occasional sales of tangible personal property.

(b) As used in this section, the term "occasional sale" means:
(1) A sale of property not held or used by a person in the course of an activity for which he is required to hold a seller's permit, provided such sale is not one (1) of a series of sales sufficient in number or of such a nature as to constitute the seller a "retailer" under section 63-3610(c), Idaho Code.
(2) Any transfer of all or substantially all of the property held or used by a person in a business requiring a seller's permit when, after such transfer, the real or ultimate ownership of such property is substantially similar to that which existed before such transfer. (3) A transfer of capital assets to or by a business when the transfer is accomplished through an adjustment of the beneficial interest of the business and the transferor has paid sales or use taxes pursuant to section 63-3619 or 63-3621, Idaho Code, on the capital assets, incidental to:
   (i) A division of joint venture or partnership assets among the members or partners in exchange for a proportional reduction of the transferee's interest in the joint venture or partnership;

(4) The sale, but not the lease or rental, of a capital asset in substantially the same form as acquired by the transferor and on which the initial transferor has paid sales or use taxes pursuant to section 63-3619 or 63-3621, Idaho Code, when the owners of all of the outstanding stock, equity or interest of the transferor are the same as the transferee or are members of the same family within the second degree of consanguinity or affinity.

(5) The sale of substantially all of the operating assets of a business or of a separate division, branch, or identifiable segment to a buyer who continues operation of the business. SECTION 2. An emergency existing therefor, which emergency is hereby declared to exist, this act shall be in full force and effect on and after passage and approval, and retroactively to January 1, 1996.

Approved March 6, 1996.
Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 59-1302, Idaho Code, be, and the same is hereby amended to read as follows:

59-1302. DEFINITIONS. (1) As used in this chapter, each of the terms defined in this section shall have the meaning given in this section unless a different meaning is clearly required by the context.

(2) "Active member" means any employee who is not establishing the right to receive benefits through his or her employer's participation in any other retirement system established for Idaho public employees, if such participation is mandated by applicable Idaho statutes other than this chapter. In no case will an employee be entitled to any benefit under this chapter for public service if such employee is establishing retirement benefit entitlements by other Idaho statutes or federal statutes other than military service or social security for that same service.

(3) "Accumulated contributions" means the sum of amounts contributed by a member of the system, together with regular interest credit thereon.

(4) "Actuarial equivalent" means a benefit equal in value to another benefit, when computed upon the basis of the actuarial tables in use by the system.

(5) "Actuarial tables" means such tables as shall have been adopted by the board in accordance with recommendations of the actuary.

(5A) "Average monthly salary" means the member's average salary during the base period as calculated pursuant to rules adopted by the retirement board.

(5B) (a) "Base period" means the period of fifty-four (54) consecutive calendar months during which the member earned:

(i) The highest average salary; and

(ii) Membership service of at least one-half (1/2) the number of months in the period, excluding months of service attributable to:

A. Military service;
B. Service qualifying as minimum benefit pursuant to section 59-1342(5), Idaho Code; and
C. Workers' compensation income benefits.

(b) Effective October 1, 1993, the consecutive calendar months shall be forty-eight (48). Effective October 1, 1994, the consecutive calendar months shall be forty-two (42).
Entitlement to a base period shall not vest until the effective date of that base period. The retirement benefits shall be calculated on the amounts, terms and conditions in effect at the date of the final contribution by the member.

If no base period exists for a member, the member's average monthly salary shall be determined by the board, using standards not inconsistent with those established in this subsection.

To assure equitable treatment for all members, salary increments inconsistent with usual compensation patterns may be disallowed by the board in determining average monthly salary and base period.

"Beneficiary" means the person who is nominated by the written designation of a member, duly executed and filed with the board, to receive the death benefit.

"Calendar year" means twelve (12) calendar months commencing on the first day of January.

"Credited service" means the aggregate of membership service, prior service and disabled service.

"Date of establishment" means July 1, 1965, or a later date established by the board or statute.

"Death benefit" means the amount, if any, payable upon the death of a member.

"Disabled" means:

(b) That the member will likely remain so disabled permanently and continuously during the remainder of the member's life.

It is not necessary that a person be absolutely helpless or entirely unable to do anything worthy of compensation to be considered disabled. If the person is so disabled that substantially all the avenues of employment are reasonably closed to the person, that condition is within the meaning of "disabled." In evaluating whether a person is disabled, medical factors and nonmedical factors including, but not limited to, education, economic and social environment, training and usable skills may be considered.

Refusal to submit to a medical examination ordered by the board before the commencement of a disability retirement allowance or at any reasonable time thereafter shall constitute proof that the member is not disabled. The board shall be empowered to select for such medical examination one (1) or more physicians or surgeons who are licensed to practice medicine and perform surgery. The fees and expenses of such examination shall be paid from the administration account of the fund. No member shall be required to undergo such examination more often than once each year after he has received a disability retirement allowance continuously for two (2) years.

"Disabled service" means the total number of months elapsing
from the first day of the month next succeeding the final contribution of a member prior to receiving a disability retirement allowance to the first day of the month following the date of termination of such disability retirement allowance. During such period, the member shall remain classified in the membership category held during the month of final contribution. The total number of months of disabled service credited for a person first becoming disabled after the effective date of this chapter shall not exceed the excess, if any, of three hundred sixty (360) over the total number of months of prior service and membership service.

(14) (A) "Employee" means:

(B) "Employee" does not include employment as:
(a) A person rendering service to an employer in the capacity of an independent business, trade or profession; or

(d) An inmate of a state institution, whether or not receiving compensation for services performed for the institution; or
(e) A student enrolled in an undergraduate, graduate, or vocational-technical program at and employed by a state college, university, community college or vocational-technical center when such employment is predicated on student status; or
(f) A person making contributions to the United States civil service commission under the United States Civil Service System Retirement Act except that a person who receives separate remuneration for work currently performed for an employer and the United States government may elect to be a member of the retirement system in accordance with rules of the board, or;
(g) A person occupying a position that does not exceed eight (8) consecutive months in a calendar year with a city when the city has certified, in writing to the system, the position is (i) seasonal or casual; and (ii) affected by weather and the growing season, including parks and golf course positions.

member or in military service or on leave of absence on the date of
establishment shall receive credit for the member's service prior to
July 1, 1965, on the basis of recognizing two (2) months of such ser­

CHAPTER 116
(H.B. No. 641)

AN ACT
RELATING TO AREAS OF CITY IMPACT AND ANNEXATION; AMENDING SECTION 50-222, IDAHO CODE, TO CLARIFY THAT IF A CITY DID NOT ADOPT AN AREA OF CITY IMPACT PRIOR TO JANUARY 1, 1995, IT IS NOT PROHIBITED FROM ANNEXING ADJACENT TERRITORY IF THE AREA OF CITY IMPACT IS ADOPTED BEFORE THE CITY ANNEXES ADJACENT TERRITORY AND ALL OTHER ANNEXATION REQUIREMENTS ARE MET; AMENDING SECTION 67-6526, IDAHO CODE, TO CLARIFY THAT AN AREA OF CITY IMPACT MUST BE ESTABLISHED BEFORE THE CITY MAY ANNEX ADJACENT TERRITORY; AND DECLARING AN EMERGENCY.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 50-222, Idaho Code, be, and the same is hereby amended to read as follows:

50-222. ANNEXATION OF ADJACENT TERRITORY. (1) On and after January 1, 1995, any land lying contiguous or adjacent to any city in the state of Idaho, or to any addition or extension thereof may be annexed by the city only if the land is lying in the area of city impact as determined by procedures contained in section 67-6526, Idaho Code, and the land is laid off into blocks containing not more than five (5) acres of land each, whether the same shall have been or shall be laid off, subdivided or platted in accordance with any statute of this state or otherwise, or whenever the owner or proprietor or any person by or with his authority, has sold or begun to sell off such contiguous or adjacent lands by metes and bounds in tracts not exceeding five (5) acres. If a city has not adopted an area of city impact prior to January 1, 1995, the city shall not be prohibited from annexing adjacent territory if an area of city impact has been adopted in accordance with the provisions of section 67-6526, Idaho Code, prior to annexation and all other requirements for annexation have been met. An owner of land of any size may request that the tract of land be annexed by the city whether the land is or is not contained in the city's area of impact by submitting such request in writing to the city council. If the tract of land is surrounded by or borders the city, the council may, by ordinance, declare the land by proper legal description thereof to be a part of such city. In any annexation of adjacent territory, the annexation shall include all portions of highways lying wholly or partially within the annexed area.

(2) Railroad right of way property may be annexed when property within the city adjoins both sides of the right of way notwithstanding
any other provision of this section. Provided, that the city may annex
only those areas which can be reasonably assumed to be used for
orderly development of the city. Provided further, that said council
shall not have the power to declare such land, lots or blocks a part
of said city, if they will be connected to such city only by a shoe-
string or strip of land upon a public highway.

(3) Notwithstanding any other provision of law, no city council
shall have authority to annex property owned by a county or any entity
within the county which property is used as a fairgrounds area under
the provisions of chapter 8, title 31, or chapter 2, title 22, Idaho
Code, without the consent of a majority of the board of county commis-
sioners of the county in which said property lies.

(4) Notwithstanding any other provision of law, no city council
shall have authority to annex property owned by a nongovernmental
entity used to provide outdoor recreational activities to the public
which has been designated as a planned unit development of fifty (50)
acres or more and does not require or utilize any city services with­
out the express written permission of the nongovernmental entity whose
property is subject to annexation.

SECTION 2. That Section 67-6526, Idaho Code, be, and the same is
hereby amended to read as follows:

67-6526. AREAS OF CITY IMPACT -- NEGOTIATION PROCEDURE. (a) The
governing board of each county and each city therein shall, prior to
October 1, 1994, adopt by ordinance following the notice and hearing
procedures provided in section 67-6509, Idaho Code, a map identifying
an area of city impact within the unincorporated area of the county.
By mutual agreement, this date may be extended to November 1, 1994. A
separate ordinance providing for application of plans and ordinances
for the area of city impact shall be adopted no later than January 1,
1995. Subject to the provisions of section 50-222, Idaho Code, an
area of city impact must be established before a city may annex adja-
cent territory. This separate ordinance shall provide for one of the
following:

(1) Application of the city plan and ordinances adopted under
this chapter to the area of city impact; or
(2) Application of the county plan and ordinances adopted under
this chapter to the area of city impact; or
(3) Application of any mutually agreed upon plan and ordinances
adopted under this chapter to the area of city impact.

Areas of city impact, together with plan and ordinance require-
ments, may cross county boundaries by agreement of the city and county
concerned if the city is within three (3) miles of the adjoining
county.

(b) If the requirements of section 67-6526(a), Idaho Code, are
not met, the county commissioners for the county concerned, together
with three (3) elected city officials designated by the mayor of the
city and confirmed by the council, shall, within thirty (30) days after the city officials have been confirmed by the council, select
three (3) city or county residents. These nine (9) persons shall, by
majority vote, recommend to the city and county governing boards an
area of city impact together with plan and ordinance requirements. The
recommendations shall be acted upon by the governing boards within sixty (60) days of receipt. If the city or county fails to enact ordinances providing for an area of city impact, plan, and ordinance requirements, the city or county may seek a declaratory judgment from the district court identifying the area of city impact, and plan and ordinance requirements. In defining an area of city impact, the following factors shall be considered: (1) trade area; (2) geographic factors; and (3) areas that can reasonably be expected to be annexed to the city in the future.

(c) If areas of city impact overlap, the cities involved shall negotiate boundary adjustments to be recommended to the respective city councils. If the cities cannot reach agreement, the board of county commissioners shall, upon a request from either city, within thirty (30) days, recommend adjustments to the areas of city impact which shall be adopted by ordinance by the cities following the notice and hearing procedures provided in section 67-6509, Idaho Code. If any city objects to the recommendation of the board of county commissioners, the county shall conduct an election, subject to the provisions of section 34-106, Idaho Code, and establish polling places for the purpose of submitting to the qualified electors residing in the overlapping impact area, the question of which area of city impact the electors wish to reside. The results of the election shall be conclusive and binding, and no further proceedings shall be entertained by the board of county commissioners, and the decision shall not be appealable by either city involved. The clerk of the board of county commissioners shall by abstract of the results of the election, certify that fact, record the same and transmit copies of the original abstract of the result of the election to the clerk of the involved cities.

(d) Areas of city impact, plan, and ordinance requirements shall remain fixed until both governing boards agree to renegotiate. In the event the city and county cannot agree, the judicial review process of subsection (b) shall apply. Renegotiations shall begin within thirty (30) days after written request by the city or county and shall follow the procedures for original negotiation provided in this section.

(e) Prior to negotiation or renegotiation of areas of city impact, plan, and ordinance requirements, the governing boards shall submit the questions to the planning, zoning, or planning and zoning commission for recommendation. Each commission shall have a reasonable time fixed by the governing board to make its recommendations to the governing board.

(f) This section shall not preclude growth and development in areas of any county within the state of Idaho which are not within the areas of city impact provided for herein.

(g) If the area of impact has been delimited pursuant to the provisions of subsection (a)(1) of this section, persons living within the delimited area of impact shall be entitled to representation on the planning, zoning, or the planning and zoning commission of the city of impact. Such representation shall as nearly as possible reflect the proportion of population living within the city as opposed to the population living within the areas of impact for that city. To achieve such proportional representation, membership of the planning, zoning or planning and zoning commission, may exceed twelve (12) per-
sons, notwithstanding the provisions of subsection (a) of section 67-6504, Idaho Code. In instances where a city has combined either or both of its planning and zoning functions with the county, representation on the resulting joint planning, zoning or planning and zoning commission shall as nearly as possible reflect the proportion of population living within the impacted city, the area of city impact outside the city, and the remaining unincorporated area of the county. Membership on such a joint planning, zoning or planning and zoning commission may exceed twelve (12) persons, notwithstanding the provisions of subsection (a) of section 67-6504, Idaho Code.

SECTION 3. An emergency existing therefor, which emergency is hereby declared to exist, this act shall be in full force and effect on and after its passage and approval.

Approved March 6, 1996.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 1 of the Charter of the City of Bellevue, be, and the same is hereby amended to read as follows:

Section 1. That the corporate limits of the City of

688.58 feet to the True Point of Beginning. Provided however, the owner or adjoining owner of any platted on unplatted tract or tracts of land containing not less than five acres, included within the said corporate limits, and used exclusively for agricultural purposes, may petition the district court of the county in which said tract or tracts are situated for a judgment and decree of the court detaching such tract or tracts of land from the said municipality.

Upon the filing of such petition with the clerk of such court and paying a fee of $100.00 which fee shall be in full for all clerk's fees, except the regular fees provided by law on appeals, the said court shall fix a time for the hearing thereon, which shall not be less than thirty days from the date of filing the petition, and the petitioners shall serve or cause to be served a notice of hearing upon the mayor or clerk of said city at least twenty days before the time fixed for said hearing.

The said petitioner or petitioners shall also cause notices to be posted in at least three conspicuous places in said city, said notices stating the time and place of such hearing and that any person desiring to protest or object to the granting of the prayer of said petition may do so by filing with the clerk of said court, at least two days before the date set for the hearing of said petition, his objections or protest in writing. Such notice shall state generally the purpose of the petition and the location and description of the land sought to be detached from the corporate limits of said city.

The hearing herein provided may be held either during term time or at chambers and must be by the court or a judge thereof without the intervention of a jury and the testimony reduced to writing as in ordinary civil actions in such court. The judge of such court, either before or after such hearing, may view the lands and premises sought to be detached, as well as other lands or property within the corporate limits, which might in any way be affected by the granting of such petitions, and also the lands on the outside of said corporate limits in the same vicinity or locality, in which the lands sought to be detached are situated, and may consider such conditions as he finds in connection with the evidence introduced on the hearing, in making his final decision in the matter.

If, upon the hearing, the court shall find that such tract or tracts of land are tracts containing at least five acres and are included within the said corporate limits and the lands included within such tract or tracts are used exclusively for agricultural purposes; that such lands do not receive sufficient special benefits to justify the retention
of said lands within the said corporate limits, and that by
the detachment of said lands the symmetry of the municipality
would not be materially marred, then the judge of said court
shall grant the prayer of said petition and shall enter judg­
ment and decree accordingly: Provided, however, that if such
petition prays for detaching several tracts of land the court
may enter judgment granting the prayer of the petition as to
such tract or tracts as come within its finding as aforesaid
and may deny such petition as to such tract or tracts which
do not come within his findings as aforesaid.

And said tract or tracts of land sought to be detached
and for which the said judgment is entered detaching the same
shall, upon the entering of said judgment, become detached
from said corporate limits and the corporate boundary line or
limits shall be deemed changed accordingly, and said tract or
tracts so detached shall be free from the government of the
said City of Bellevue from the date of said judgment.

Such separation shall not relieve any such tract or land
from its liability on account of any outstanding bonded
indebtedness of said City of Bellevue existing at the time of
such separation therefrom.

The detaching of any lands from said corporate limits as
herein provided shall not affect or change the status of any
public streets or highways as the same are laid out or con­
structed or dedicated at the time of such detachment.

The said City of Bellevue or any person aggrieved by the
judgment of the court as herein provided may appeal from such
decision to the Supreme Court. The procedure of such appeal
shall be the same as upon appeal from final judgment in civil
actions.

SECTION 2. That the Charter of the City of Bellevue, be, and the
same is hereby amended by the addition thereto of a NEW SECTION, known
and designated as Section 33, and to read as follows:

Section 33. All powers and authority granted to cities
under any general law of the state of Idaho are hereby
granted to the City of Bellevue. The City of Bellevue may

hereby declared to exist, this act shall be in full force and effect
on and after its passage and approval.

Stumpage values shall be based on a five (5) year rolling average value of comparable timber harvested from state timber sales within the stumpage value zone and/or the best available data for the same five (5) year period.

(5) Report and payment of yield taxes is become the direct liability and responsibility of the landowner at the time of severance. ln--the--event-of-nonpayment; At the time of severance the yield taxes due shall constitute become a lien on the assets real and personal property of the landowner. (8) If reports required by this section are found to be intentionally false or when appropriate reports are not made, the assessor shall value the forest crop harvested, based on the best available estimates.

(9) Not reporting timber or forest products delivery or receipt as required by this section shall be deemed a misdemeanor.

(10) Buildings and other improvements, other than roads, located on forest lands shall be appraised, assessed and taxed as provided by applicable laws and rules.

2. Districts which educate school age exceptional children, special education students who, due to the nature and severity of their disabilities are residing in state-institutions, licensed and certified intermediate-care-facilities, or licensed public or private non-profit residential facilities or homes, and whose parents are not patrons of the district shall be eligible for an allowance equivalent to the previous year's certified local annual tuition rate per child plus the excess cost rate that is annually determined by the state superintendent of public instruction. This district allowance shall be in addition to exceptional child education support unit funding and included in district apportionment payments, subject to approval of district applications by the state department-of-education superintendent of public instruction.

SECTION 2. That Section 33-2004, Idaho Code, be, and the same is hereby amended to read as follows:

1. For each resident student educated by another school district, the amount of the tuition rate certified for the receiving district under the provisions of section 33-1405, Idaho Code;

When public school districts contract for the education of exceptional children residing within the several districts, one (1) district shall be designated as the educating district for the purpose herein.

2. For each resident student educated by contract by a rehabilitation center, hospital, corporation or state agency, the amount of the tuition rate certified for the sending district under the provisions of section 33-1405, Idaho Code, and sufficient state and county
funds to pay the balance of the obligations of the contract as approved by the state department of education. Total allowance for an approved contract amount cannot be greater than the educational costs of the student.

Should any corporation provide a program of education for exceptional children, contracts and payments as herein authorized may be made to the corporation upon approval of the state department of education.

When any rehabilitation center, hospital, corporation or state agency shall have contracted for the education of any exceptional children as defined in this chapter all such children shall be enrolled in the district of their residence; and the institution, hospital or corporation shall certify to the home school district the daily record of attendance of each such pupil. The home district shall be eligible for reimbursement of the state and county amounts of the costs approved contracts by the state superintendent of public instruction as provided in this subsection and in section 33-1002, Idaho Code.

Reimbursement of approved costs shall be part of the district's exceptional child contract allowance and cannot exceed the amount of state support contracted students would generate if they were enrolled in an educational program for which average daily attendance is computed.

SECTION 3. That Chapter 20, Title 33, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW SECTION, to be known and designated as Section 33-2005, Idaho Code, and to read as follows:

The state department of education shall determine the eligibility of school districts and the amount of additional disbursements. This determination shall be made in an equitable fashion and shall be limited by legislative appropriations.

SECTION 1. That Section 28-42-301, Idaho Code, be, and the same
is hereby amended to read as follows:

28-42-301. DELINQUENCY CHARGES. (1) With respect to a precomputed regulated consumer credit transaction, the parties may contract for a delinquency charge on any installment not paid in full within ten (10) days after its due date, as originally scheduled or as deferred, in an amount which is not more than five percent (5%) of the unpaid amount of the installment, or five dollars ($5.00), whichever is greater.

(2) With respect to a regulated consumer loan secured by a security interest in real property which is used or expected to be used as the residence of the debtor which is not a precomputed regulated consumer loan, the parties may contract for a delinquency charge on any installment not paid in full within fifteen (15) days after its scheduled due date in an amount not exceeding five percent (5%) of the unpaid amount of the installment, or five dollars ($5.00), whichever is greater.

(3) With respect to all other regulated consumer credit transactions, whether secured or unsecured, and whether such credit transactions are classified as open-end credit or closed-end credit, the parties may contract for a delinquency charge on any installment or scheduled payment not paid in full within fifteen (15) days after its scheduled due date in an amount not exceeding five percent (5%) of the unpaid amount of the installment or scheduled payment, or five ten dollars ($510.00), whichever is greater.

(4) A delinquency charge under subsection (1), subsection (2) or subsection (3) of this section may be collected only once on an installment or scheduled payment, however long it remains in default. No delinquency charge may be collected if the installment or scheduled payment has been deferred and a deferral charge, section 28-42-302, Idaho Code, has been paid or incurred. A delinquency charge may be collected at the time it accrues or at any time thereafter.

(6) If two (2) installments or parts thereof of a precomputed regulated consumer credit transaction are in default for ten (10) days or more, the creditor may elect to convert the credit transaction from a precomputed regulated consumer credit transaction to one in which the finance charge is based on unpaid balances. In this event, he shall make a rebate pursuant to the provisions on rebate upon prepayment, section 28-42-307, Idaho Code, as of the maturity date of the first delinquent installment, and thereafter may make a finance charge as authorized by the provisions on finance charge for regulated consumer credit transactions. AN ACT
RELATING TO ANATOMICAL GIFTS; AMENDING SECTION 39-3403, IDAHO CODE, TO
CLARIFY THE SUFFICIENCY OF A NOTATION OF INTENT TO MAKE AN ANATOMI-
CAL GIFT.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 39-3403, Idaho Code, be, and the same is hereby amended to read as follows:

39-3403. MAKING, AMENDING, REVOKING, AND REFUSING TO MAKE ANATOM-
ICAL GIFTS BY INDIVIDUAL. (1) An individual who is at least eighteen (18) years of age may (i) make an anatomical gift for any of the pur-
poses stated in section 39-3407 (1), Idaho Code, (ii) limit an anatom­i-
cal gift to one (1) or more of those purposes, or (iii) refuse to make an anatomical gift.

(2) An anatomical gift may be made only by a document of gift signed by the donor. If the donor cannot sign, the document of gift must be signed by another individual and by two (2) witnesses, all of whom have signed at the direction and in the presence of the donor and of each other, and state that it has been so signed.

(3) An individual may attach to his driver's license or identifi-
cation card a document and the document of gift must comply with sub-
section (2) of this section. A notation on an individual's driver's license or identification card that he intends to make an anatomical gift shall be sufficient to satisfy all requirements for consent to organ or tissue donation. Revocation, suspension, expiration, or can-
celation of the license does not invalidate the anatomical gift.

(4) A document of gift may designate a particular physician or surgeon to carry out the appropriate procedures. In the absence of a designation or if the designee is not available, the donee or other person authorized to accept the anatomical gift may employ or autho-
rize any physician, surgeon, technician, or enucleator to carry out the appropriate procedures.

(5) An anatomical gift by will takes effect upon death of the testator, whether or not the will is probated. If, after death, the will is declared invalid for testamentary purposes, the validity of the anatomical gift is unaffected.

(6) A donor may amend or revoke an anatomical gift, not made by will, only by:
(a) A signed statement;
(b) An oral statement made in the presence of two (2) individu-
als;
(c) Any form of communication during a terminal illness or injury addressed to a physician or surgeon; or
(d) The delivery of a signed statement to a specified donee to whom a document of gift had been delivered.

(7) The donor of an anatomical gift made by will may amend or revoke the gift in the manner provided for amendment or revocation of
(8) An anatomical gift that is not revoked by the donor before death is irrevocable and does not require the consent or concurrence of any person after the donor's death.

(9) An individual may refuse to make an anatomical gift of the individual's body or part by (i) a writing signed in the same manner as a document of gift, (ii) attaching a statement on his driver's license or identification card, or (iii) any other writing used to identify the individual as refusing to make an anatomical gift. During a terminal illness or injury, the refusal may be an oral statement or other form of communication.

(10) In the absence of contrary indications by the donor, an anatomical gift or a part is neither a refusal to give other parts nor a limitation on an anatomical gift under section 39-3404, Idaho Code, or on a removal or release of other parts under section 39-3405, Idaho Code.

(11) In the absence of contrary indications by the donor, a revocation or amendment of an anatomical gift is not refusal to make another anatomical gift. If the donor intends a revocation to be refusal to make an anatomical gift, the donor shall make the refusal pursuant to subsection (9) of this section.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Chapter 22, Title 41, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW SECTION, to be known and designated as Section 41-2221, Idaho Code, and to read as follows:

41-2221. CREDITING OF PREEXISTING CONDITION WAITING PERIOD. (1) Health benefit plans covering large employers shall comply with the following provisions:
(a) A health benefit plan shall not deny, exclude or limit benefits for a covered individual for covered expenses incurred more than twelve (12) months following the effective date of the individual's coverage due to a preexisting condition. A health benefit plan shall not define a preexisting condition more restrictively than:
(i) A condition that would have caused an ordinarily prudent person to seek medical advice, diagnosis, care or treatment during the six (6) months immediately preceding the effective date of coverage;
(ii) A condition for which medical advice, diagnosis, care or treatment was recommended or received during the six (6) months immediately preceding the effective date of coverage; or
(iii) A pregnancy existing on the effective date of coverage.
(b) A health benefit plan shall waive any time period applicable to a preexisting condition exclusion or limitation period with respect to particular services for the period of time an individual was previously covered by qualifying previous coverage that provided benefits with respect to such services, provided that the qualifying previous coverage was continuous to a date not more than thirty (30) days prior to the effective date of the new cov-
verage. This paragraph does not preclude application of any waiting period applicable to all new enrollees under the health benefit plan. In the case of replacement coverage from the same carrier, a preexisting condition will be covered for the first twelve (12) months for the lesser of:

(i) The benefits payable under the new policy; or
(ii) The benefits which would have been payable under the prior policy.

(c) A health benefit plan may exclude coverage for late enrollees for the greater of twelve (12) months or for a twelve (12) month preexisting condition exclusion; provided that if both a period of exclusion from coverage and a preexisting condition exclusion are applicable to a late enrollee, the combined period shall not exceed twelve (12) months from the date the individual enrolls for coverage under the health benefit plan.

(2) As used in this section:

(a) "Health benefit plan" means any group hospital or medical policy or certificate, any group subscriber contract provided by a hospital or professional service corporation, or group health maintenance organization subscriber contract. (b) "Large employer" means any person, firm, corporation, partnership or association that is actively engaged in business that, on at least fifty percent (50%) of its working days during the preceding calendar quarter, employed no less than fifty (50) eligible employees, the majority of whom were employed within this state. In determining the number of eligible employees, companies that are affiliated companies, or that are eligible to file a combined tax return for purposes of state taxation, shall be considered one (1) employer.

(c) "Late enrollee" means an eligible employee or dependent who requests enrollment in a health benefit plan of a large employer following the initial enrollment period during which the individual is entitled to enroll under the terms of the health benefit plan, provided that the initial enrollment period is a period of at least thirty (30) days. However, an eligible employee or dependent shall not be considered a late enrollee if:

(i) The individual meets each of the following:
   a. The individual was covered under qualifying previous coverage at the time of the initial enrollment;
   b. The individual lost coverage under qualifying previous coverage as a result of termination of employment or eligibility, the involuntary termination of the qualifying previous coverage, death of a spouse or divorce; and
   c. The individual requests enrollment within thirty (30) days after termination of the qualifying previous

(ii) The individual is employed by a large employer which
offers multiple health benefit plans and the individual
elects a different plan during an open enrollment period; or
(iii) A court has ordered coverage be provided for a spouse

In applying these tables to any given separate attendance unit, no school district shall receive less total money than it would receive if it had a lesser average daily attendance in such separate attendance unit. In applying the kindergarten table to a kindergarten program of less days than a full school year, the support unit allowance shall be in ratio to the number of days of a full school year. The tables for exceptional education and alternative high school secondary support units shall be applicable only for programs approved by the state department of education following rules established by the state board of education.

7. State Distribution Factor per Support Unit. Divide educational support program distribution funds, after subtracting the amounts necessary to pay the obligations specified in subsection 2. of this section, by the total state support units to secure the state distribution factor per support unit.

8. District Share of State Funds for Educational Support Program. Ascertain a district's share of state funds for the educational support program as follows:

a. District Contribution Calculation. Without including any allowance as a credit for prepaid taxes, as provided in section 63-1607, Idaho Code, the district contribution calculation shall be the rate determined under subsection 3. of this section.

b. District Support Units. The number of support units for each school district in the state shall be determined as follows:

(1) Divide the actual average daily attendance, excluding students approved for inclusion in the exceptional child educational program, for the administrative schools and each of the separate schools by the appropriate divisor from the tables of support units in this section, then add the quotients to obtain the district's support units allowance for regular students, kindergarten through grade 12 including alternative high school secondary students. Calculations in application of this subsection shall be carried out to the nearest tenth.
(2) Divide the combined totals of the average daily attendance of all preschool, handicapped, kindergarten, elementary, secondary and juvenile detention center students approved for inclusion in the exceptional child program of the district by the appropriate divisor from the table for computation of exceptional education support units to obtain the number of support units allowed for the district's approved exceptional child program. Calculations for this subsection shall be carried out to the nearest tenth when more than one (1) unit is allowed.

(3) The total number of support units of the district shall be the sum of the total support units for regular students, subsection 8.b.(1) of this section, and the support units allowance for the approved exceptional child program, subsection 8.b.(2) of this section.

c. Total District Allowance Educational Program. Multiply the district's total number of support units, carried out to the nearest tenth, by the state distribution factor per support unit and to this product add the approved amount of programs of the district provided in subsection 2. of this section to secure the district's total allowance for the educational support program.

d. District Share. To secure the district's share of state apportionment, subtract the amount of the local district contribution calculation, subsection 3. of this section, from the amount of the total district allowance, subsection 8.c. of this section.

e. Adjustment of District Share. The contract salary of every noncertificated teacher shall be subtracted from the district's share as calculated from the provisions of subsection 8.d. of this section.

SECTION 2. That Section 33-1002C, Idaho Code, be, and the same is hereby amended to read as follows:

33-1002C. ALTERNATIVE HIGH SECONDARY SCHOOL SUMMER SCHOOL PROGRAM SUPPORT UNITS. Alternative high secondary schools approved by the state board of education may establish a summer school program of not less than two hundred twenty-five (225) hours of instruction which shall be included in the educational support units calculated as provided in section 33-1002, Idaho Code. The average daily attendance divided by forty (40) shall determine the number of allowable support units which shall be included in the alternative high school secondary support units calculated for the school district for the succeeding school term.

SECTION 3. That Section 33-1002D, Idaho Code, as added by Section 1, Chapter 108, Laws of 1995, be, and the same is hereby amended to read as follows:

33-1002BF. ALTERNATIVE SCHOOL REPORT. Annually, prior to the tenth legislative day, the department of education shall file with the legislature a report detailing the alternative high secondary school programs within the state. On July 1 of each year, or as soon thereafter as feasible, each school district receiving moneys pursuant to the
alternative high school secondary support units factor in section 33-1002, Idaho Code, or section 33-1002C, Idaho Code, shall file with the state department a comprehensive report of the amount of money received in the district, the expenditure on alternative school programs, and the programs provided. This information shall be compiled by the department for transmission to the legislature.

(2) The purpose of this act is to declare legislative support for the important work of the poison control center and to assure, by statute, the continued existence of the poison control center.

(b) In a year ending in one (1), a new federal census is available, in which case an order shall be issued no earlier than June 1.
(2) A commission formed pursuant to paragraph (1)(b) of this section shall be reconvened if, prior to the next general election, a court of competent jurisdiction orders the plan adopted by that commission to be revised.

72-1502. MEMBERS. The president pro tempore of the senate, the speaker of the house of representatives, and the minority leaders of the senate and the house of representatives shall each designate one (1) member of the commission and the state chairmen of the two (2) largest political parties, determined by the vote cast for governor in the last gubernatorial election, shall each designate one (1) member of the commission. Appointing authorities should give consideration to achieving geographic representation in appointments to the commission. If an appointing authority does not select the members within fifteen (15) calendar days following the secretary of state's order to form the commission, such members shall be appointed by the supreme court.

Should a vacancy on the commission occur during the tenure of a commission, the secretary of state shall issue an order officially recognizing such vacancy. The vacancy shall be filled by the original appointing authority within fifteen (15) days of the order. Should the original appointing authority fail to make the appointment within fifteen (15) days, the vacancy shall be filled by the supreme court.

No person may serve on the commission who:
(1) Is not a registered voter of the state at the time of selection; or
(2) Is or has been within one (1) year a registered lobbyist; or
(3) Is or has been within two (2) years prior to selection an elected official or elected legislative district, county or state party officer. The provisions of this subsection do not apply to the office of precinct committeeperson.

72-1503. POLITICAL ACTIVITIES PROHIBITED. No person may serve on the commission who is a candidate for political office as the term "candidate" is defined in section 67-6602, Idaho Code. In the event a person serving on the commission becomes a candidate, a vacancy on the commission shall be declared by the secretary of state, and filled as provided by law.

72-1504. COMPENSATION. Members of the commission shall be compen-
sated at the rate established by the citizen's committee on compensa-
tion for members of the legislature who are engaged in legislative
business while the legislature is not in session. In addition, they
shall be entitled to expense reimbursement for actual travel expense,
including transportation, food and lodging, when necessary for offi-
cially authorized commission business at the same rate as expense
reimbursements are made for other state offices and employees.

72-1505. ORGANIZATION AND PROCEDURE. The commissioners shall
elect, by majority vote, a member or members to serve as chairman or
cochairmen and other officers as they may determine.
All proceedings of the commission shall be governed by the follow-

databases available to the commission, will be provided in a form, as
determined by the commission, to any person at cost.
(4) The commission shall hold meetings in different locations in
the state in order to maximize the opportunity for public participa-
tion.
(5) A quorum of the commission shall consist of four (4) members.
In the event there is a previously scheduled meeting, less than a quo-

a future agenda, to prepare for future meetings, and to adjourn or
recess, may be taken. Any final action of the commission shall be by a
vote of two-thirds (2/3) of the full membership of the commission.
(6) A member must be present to vote.
(7) A redistricting plan may be presented to the commission by an
individual citizen or organization. All such plans shall be public
information. Any citizen or organization shall provide a current mail-
ing address and telephone number to accompany any plan submitted.

72-1506. CRITERIA GOVERNING PLANS. Congressional and legislative
redistricting plans considered by the commission, and plans adopted by
the commission, shall be governed by the following criteria:
(1) The total state population as reported by the U.S. census
bureau, and the population of subunits determined therefrom, shall be
exclusive permissible data.
(2) To the maximum extent possible, districts shall preserve tra-
ditional neighborhoods and local communities of interest.
(3) Districts shall be substantially equal in population and
should seek to comply with all applicable federal standards and stat-
tutes.
(4) To the maximum extent possible, the plan should avoid drawing
districts that are oddly shaped.
(5) Division of counties should be avoided whenever possible.
Counties should be divided into districts not wholly contained within
that county only to the extent reasonably necessary to meet the
requirements of the equal population principle. In the event that a
county must be divided, the number of such divisions, per county,
should be kept to a minimum.

(6) To the extent that counties must be divided to create districts, such districts shall be composed of contiguous counties.

(7) District boundaries should retain, as far as practicable, the local voting precinct boundary lines to the extent those lines comply with the provisions of section 34-306, Idaho Code.

(8) Counties shall not be divided to protect a particular political party or a particular incumbent.

72-1507. STAFF. The legislative council is directed to furnish such secretarial and other staff assistance as the commission may require in the performance of its duties. The council shall prepare and submit a budget for the expenses of the commission, including staff, equipment, meetings, salary and expense reimbursement of members, for consideration by the legislature not later than the session held in a year ending in nine (9) preceding the convening of a commission.

72-1508. FINAL REPORT. The final report of the commission shall be filed with the office of the secretary of state not more than ninety (90) days after the commission has been organized. At the next regular or special session of the legislature, the secretary of state shall transmit a copy of the report to the president of the senate and the speaker of the house, which shall be spread upon the journals.

28-9-105. DEFINITIONS AND INDEX OF DEFINITIONS. (1) In this chapter unless the context otherwise requires:
(a) "Account debtor" means the person who is obligated on an account, chattel paper or general intangible;
(b) "Chattel paper" means a writing or writings which evidence both a monetary obligation and a security interest in or lease of specific goods, but a charter or other contract involving the use or hire of a vessel is not chattel paper. When a transaction is evidenced both by such a security agreement or a lease and by an instrument or a series of instruments, the group of writings taken together constitutes chattel paper;
(c) "Collateral" means the property subject to a security interest, and includes accounts and chattel paper which have been sold;
(d) "Debtor" means the person who owes payment or other performance of the obligation secured, whether or not he owns or has rights in the collateral, and includes the seller of accounts or chattel paper. Where the debtor and the owner of the collateral are not the same person, the term "debtor" means the owner of the collateral in any provision of the chapter dealing with the collateral, the obligor in any provision dealing with the obligation, and may include both where the context so requires;
(e) "Deposit account" means a demand, time, savings, passbook or like account maintained with a bank, savings and loan association, credit union or like organization, other than an account evidenced by a negotiable certificate of deposit;
(f) "Document" means document of title as defined in the general definitions of chapter 1 (section 28-1-201), and a receipt of the kind described in subsection (2) of section 28-7-201;

(h) "Goods" includes all things which are movable at the time the security interest attaches or which are fixtures (section
28-9-313), but does not include money, documents, instruments, investment property, commodity contracts, accounts, chattel paper, general intangibles, or minerals or the like (including oil and gas) before extraction. "Goods" also includes standing timber which is to be cut and removed under a conveyance or contract for sale, the unborn young of animals and growing crops;

(i) "Instrument" means a negotiable instrument (defined in section 28-3-104), or any other writing which evidences a right to the payment of money and is not itself a security agreement or lease and is of a type which is in ordinary course of business transferred by delivery with any necessary indorsement or assignment. The term does not include investment property;

(j) "Mortgage" means a consensual interest created by a real estate mortgage, a trust deed on real estate, or the like;

(k) An advance is made "pursuant to commitment" if the secured party has bound himself to make it, whether or not a subsequent event of default or other event not within his control has relieved or may relieve him from his obligation;

(l) "Security agreement" means an agreement which creates or provides for a security interest;

(m) "Secured party" means a lender, seller or other person in whose favor there is a security interest, including a person to whom accounts or chattel paper have been sold. When the holders of obligations issued under an indenture of trust, equipment trust agreement or the like are represented by a trustee or other person, the representative is the secured party;

(n) "Transmitting utility" means any person primarily engaged in the railroad, street railway or trolley bus business, the electric or electronics communications transmission business, the transmission of goods by pipeline, or the transmission or the production and transmission of electricity, steam, gas or water, or the provision of sewer service;

28-9-302. WHEN FILING IS REQUIRED TO PERFECT SECURITY INTEREST -- SECURITY INTERESTS TO WHICH FILING PROVISIONS OF THIS CHAPTER DO NOT APPLY. (1) A financing statement must be filed to perfect all security interests except the following:

(a) a security interest in collateral in possession of the secured party under section 28-9-305;
(b) a security interest temporarily perfected in instruments, certificated securities, or documents without delivery under section 28-9-304 or in proceeds for a ten (10) day period under section 28-9-306;
(c) a security interest created by an assignment of a beneficial interest in a trust or a decedent's estate;
(d) a purchase money security interest in consumer goods; but filing is required for a motor vehicle required to be registered; and fixture filing is required for priority over conflicting interests in fixtures to the extent provided in section 28-9-313;
(e) an assignment of accounts which does not alone or in conjunction with other assignments to the same assignee transfer a significant part of the outstanding accounts of the assignor;
(f) a security interest of a collecting bank (section 28-4-208) or arising under the chapter on sales (see section 28-9-113) or covered in subsection (3) of this section;
(g) an assignment for the benefit of all the creditors of the
transferor, and subsequent transfers by the assignee thereunder;

(h) a security interest in investment property which is perfected without filing under section 28-9-115 or section 28-9-116;

(i) a security interest in timber retained by the state of Idaho;

(j) a security interest in a deposit account. Such a security interest is perfected:

(i) as to a deposit account maintained with the secured party, when the security agreement is executed; and

(ii) as to a deposit account not described in subparagraph (i), when notice thereof in writing is given to the organization with whom the deposit account is maintained.

(2) If a secured party assigns a perfected security interest, no filing under this chapter is required in order to continue the perfected status of the security interest against creditors of and transferees from the original debtor.

(3) The filing of a financing statement otherwise required by this chapter is not necessary or effective to perfect a security interest in property subject to:

(a) a statute or treaty of the United States which provides for a national or international registration or a national or international certificate of title or which specifies a place of filing different from that specified in this chapter for filing of the security interest; or

(b) chapter 5, title 49, Idaho Code, but during any period in which collateral is inventory held for sale by a person who is in the business of selling goods of that kind, the filing provisions of part 4, chapter 9, title 28, apply to a security interest in that collateral created by him as debtor; or

(c) a certificate of title statute of another jurisdiction under the law of which indication of a security interest on the certificate is required as a condition of perfection (subsection (2) of section 28-9-103).

(4) Compliance with a statute or treaty described in subsection (3) is equivalent to the filing of a financing statement under this chapter, and a security interest in property subject to the statute or treaty can be perfected only by compliance therewith except as provided in section 28-9-103 on multiple state transactions. Duration and renewal of perfection of a security interest perfected by compliance with the statute or treaty are governed by the provisions of the statute or treaty; in other respects the security interest is subject to this chapter.

(5) The filing provisions of this chapter do not apply to a security interest in personal property or fixtures of any utility company, as hereinafter defined, which security interest is created by a mortgage, deed of trust or other security agreement which also covers real property situated in the state of Idaho and which has been filed for record in accordance with the laws of Idaho governing deeds of trust and mortgages on real property. Such security interest shall be perfected by such filing, whether such filing shall have been accomplished before or after the effective date set out in section 28-10-101; and such security interest shall be and remain effective, both as to the personal property or fixtures covered by the security interest at the time that it is perfected and as to personal property
or fixtures which may subsequently be covered by the security interest under any after-acquired property provision of the mortgage, deed of trust, or other security agreement creating the security interest, as long as such mortgage, deed of trust or other security agreement shall remain in effect, without the necessity for any refiling under the provisions of this chapter 9.

Except as provided in the preceding paragraph of this subsection (5) notwithstanding anything in this chapter 9 or any other law to the contrary, the proper place to file a financing statement in order to perfect a security interest in personal property or fixtures of a utility company, as hereinafter defined, is in the office of the secretary of state; and the security interest covered by the financing statement shall continue perfected, both as to the personal property or fixtures covered by the security interest at the time that it is perfected and as to personal property or fixtures which may subsequently be covered by the security interest under any after-acquired property provision of the security agreement creating the security interest, without the necessity for any refiling or filing of a continuation statement under the provisions of this chapter 9, for as long as may be provided for in the security agreement creating the security interest. When the financing statement covers goods of a utility company as hereinafter defined, which goods are or are to become fixtures, no description of the real estate concerned or the name of the record owner or record lessee thereof is required.

A "utility company" shall mean any person, corporation, association, or other entity, foreign or domestic, primarily engaged in the railroad or street railway business; the ownership or operation of wires, or cables, used in the transmission or distribution of telephone, telegraph or television signals or any other information or data; the transmission or distribution of oil, gas or petroleum products by pipeline; or the generation, production, transmission or distribution of electric energy, steam, gas or water, whether its activities be interstate or intrastate.

(10) "Purchaser" means any successor in interest of a claimant, whether the interest is acquired by purchase, gift, inheritance, or other means.

(11) "Supplemental adjudication" means an action commenced in accordance with section 42-1424, Idaho Code, for the judicial determin-
nation of both the extent and priority of the rights of a person to the use of water from any water system within the state of Idaho which has been adjudicated in a general adjudication or in a private adjudication.

(12) "Stock watering use" means the use of water solely for livestock or wildlife where the total diversion is not in excess of thirteen thousand (13,000) gallons per day.

(13) "Water system" includes all rivers, streams, lakes, springs, ground waters, or other sources within this state, including any river system or other source, as used in 43 U.S.C. section 666.

SECTION 2. That Section 42-1411, Idaho Code, be, and the same is hereby amended to read as follows:

42-1411. REPORT OF THE DIRECTOR. (1) The director shall prepare a director's report on the water system. The director may file the director's report in parts as the director deems appropriate. The director may include such explanatory material as he deems appropriate in the director's report. Such explanatory material shall not impose any conditions or restrictions on the rights reported and shall not be subject to objection. This explanatory material shall not be used to support any notice of claim, objection to a notice of claim, or response to an objection.

(2) The director shall determine the following elements, to the extent the director deems appropriate and proper, to define and administer the water rights acquired under state law:

(a) the name and address of the claimant;
(b) the source of water;
(c) the quantity of water used describing the rate of water diversion or, in the case of an instream flow right, the rate of water flow in cubic feet per second or annual volume of diversion of water for use or storage in acre-feet per year as necessary for the proper administration of the water right;
(d) the date of priority;
(e) the legal description of the point(s) of diversion; if the claim is for an instream flow, then a legal description of the beginning and ending points of the claimed instream flow;
(f) the purpose of use;
(g) the period of the year when water is used for such purposes;
(h) a legal description of the place of use; if one (1) of the purposes of use is irrigation, then the number of irrigated acres within each forty (40) acre subdivision, except as provided in section 42-219, Idaho Code;
(i) the annual volume of consumptive use as provided in section 42-1401A(2), Idaho Code;
(j) conditions on the exercise of any water right included in any decree, license, or approved transfer application; and
(k) such remarks and other matters as are necessary for definition of the right, for clarification of any element of a right, or for administration of the right by the director.

(3) The director may include such general provisions in the director's report, as the director deems appropriate and proper, to define and to administer all water rights.
(4) The director shall file the director's report with the district court, and the director's report shall be a part of the record. Upon filing with the court, the director's report, except for the explanatory material referred to in subsection (1) of this section, shall constitute prima facie evidence of the nature and extent of the water rights acquired under state law. The unobjected to portions of the director's report shall be decreed as reported.

(5) Each claimant of a water right acquired under state law has the ultimate burden of persuasion for each element of a water right. Since the director's report is prima facie evidence of the nature and extent of the water rights acquired under state law, a claimant of a water right acquired under state law has the burden of going forward with the evidence to establish any element of a water right which is in addition to or inconsistent with the description in a director's report. Any party filing an objection to any portion of the director's report shall have the burden of going forward with the evidence to rebut the director's report as to all issues raised by the objection. Any other party to the proceeding may submit evidence in opposition to the objector's position and in support of the director's report. All such proceedings shall be governed by the Idaho rules of civil procedure and Idaho rules of evidence.

(6) The director shall file an original of the director's report with the district court. The director shall also distribute for display and review at least one (1) copy of the director's report to the office of the clerk of the district court for each county in which any part of the water system is located. The director shall also serve on each claimant or the claimant's attorney whose water right is listed in the director's report a notice of filing of the director's report. Notice shall be sent to the last known address of the claimant or the claimant's attorney. The notice shall be prepared by the director using plain and concise language and shall include:

(a) a statement that the director's report of the various water rights acquired under state law has been filed with the district court, naming the district court(s) to which the report was filed;
(b) a copy of that portion of the report setting forth the claimant's water right;
(c) a statement that a complete copy of the director's report is available for inspection, listing the locations at which the director's report is available, which shall include the office of the clerk of the district court for each county in which any part of the water system is located, the offices of the department, and any other locations the director may designate;
(d) a statement that all or a portion of the director's report is available upon request at the offices of the department, subject to payment of a reasonable fee to cover costs of reproduction and mailing;
(e) a statement that any claimant may file objections to any portion of the director's report with the district court specified in the notice and must mail a copy of the objection to the director, and to the claimant of each claimed right objected to, if the objector is not also the claimant of the right for which the objection is filed;
(f) the date prior to which all objections must be filed, which
shall not be less than sixty (60) days for any director's report containing five hundred (500) claims or less, one hundred twenty (120) days for any director's report containing more than five hundred (500) claims and not more than five thousand (5,000) claims, and one hundred eighty (180) days for any director's report containing more than five thousand (5,000) claims; the above-stated periods of time shall commence on the date of service by mail of the notice of filing;

(g) a statement that claimants may file responses with the court to objections filed against their claims, and that a copy of any response must be mailed to the director and to the objector;

(h) the date prior to which all responses to objections must be filed with the court, which shall not be less than one hundred twenty (120) days following receipt of a copy of the objection; and

(i) a statement that any part of the report to which no objections are filed shall be decreed by the district court and the time and location set for the hearing at which the unobjected parts of the report will be decreed, which time shall not be less than sixty (60) days following the expiration of the period for filing responses to objections.

(7) The director shall file an affidavit with the district court demonstrating compliance with the notice requirements of subsection (6) of this section.

SECTION 3. That Section 42-1411A, Idaho Code, be, and the same is hereby amended to read as follows:

42-1411A. SERVICE OF NOTICE OF AND DETERMINATION OF WATER RIGHTS ESTABLISHED UNDER FEDERAL LAW. (1) The district court shall determine the water rights established under federal law in accordance with the procedures established in this section.

(2) The district court shall determine the following procedures for water rights established under federal law:

(a) The contents of a notice of water right claims established under federal law;

(b) The method of service of the notice of water right claims established under federal law;

(c) The location of any depositories of notices of claim for water rights established under federal law, if the district court determines that claim depositories are necessary to provide other claimants reasonable access to the notices of claims established under federal law.

(3) The district court shall be guided by the following three (3) principles in establishing the procedures required in this section:

(a) The purpose of this notice is to provide notice to other claimants of the filing of water rights established under federal law comparable to the notice of filing for water rights acquired under state law;

(b) The procedures shall not impose any burden greater than the burden placed upon the director to prepare, file, and serve the notice of filing for a director's report; and

(c) The procedure shall comply with the McCarran amendment, 43
USC 666.

(4) Any claimant of a water right established under federal law shall serve all such notices of claim on the other claimants in accordance with the procedures established by the district court.

(5) Any claimant may contract with the director to perform all or any portion of the service required in this section. The director shall require in any contract that the cost of the services provided by the director are reimbursed by the claimant of a water right established under federal law.

(6) The United States, if it filed any notices of claim for a water right established under federal law, and any other claimants of such water rights, shall file an affidavit demonstrating proof of service in compliance with this section.

(7) The district court shall provide at least sixty (60) days for filing objections to water rights established under federal law where the number of those water rights are five hundred (500) or less, at least one hundred twenty (120) days where the number of those water rights are more than five hundred (500) and not more than five thousand (5,000), and at least one hundred eighty (180) days where the number of these water rights are more than five thousand (5,000).

(8) Any claimant who desires to object to a claim established under federal law shall file an objection with the district court within the time specified in the notice of water right claims established under federal law. The claimant shall also send a copy of the objection to the claimant whose claim is the subject of the objection and to the director. Any claimant may file a response to an objection.

(9) The notice of claim, objection, and responses to an objection shall identify the issues to be litigated.

(10) If a claimant of a water right established under federal law has filed notices of claim for one (1) water use based upon state and federal law, the district court shall develop procedures, after an opportunity for hearing, for coordination of the determination of such claims based upon state and federal law.

(11) The district court shall conduct the trial without a jury on an objection or any group of objections in accordance with the Idaho rules of civil procedure.

(12) Each claimant of a water right established under federal law has the ultimate burden of persuasion for each element of a water right. Since no independent review of the notice of claim has occurred as provided for water rights acquired under state law in a director's report, a claimant of a water right established under federal law has the burden of going forward with the evidence to establish a prima facie case for the water right established under federal law. All such proceedings shall be governed by the Idaho rules of civil procedure and Idaho rules of evidence.

(13) The district court shall enter a partial decree that contains or incorporates a statement of each element of a water right as stated in subsection (2) of section 42-1409, Idaho Code, as applicable, and that contains such general provisions, remarks, and other matters as are necessary for definition of the right, for clarification of any element of a right, or for administration of the right by the director.

(14) If no objections are filed to a notice of claim for a water
right established under federal law, the claimant shall appear at a
hearing scheduled by the district court and shall demonstrate a prima
facie case of the existence of the water right established under fed­
eral law prior to entry of a decree for such claimed water right
established under federal law. If the claimant fails to present a
prima facie case of the existence of the water right established under
federal law, then the district court shall enter an order determining
that the claimed water right does not exist.
(15) Any party may appeal in accordance with the Idaho rules of
civil procedure.
(16) The attorney general shall represent the state of Idaho in
all matters regarding claims to water rights established under federal
law, including, but not limited to, filing objections to water right
claims established under federal law.

SECTION 4. That Section 42-1414, Idaho Code, be, and the same is
hereby amended to read as follows:

42-1414. FEES FOR FILING NOTICE OF CLAIMS WITH THE DIRECTOR. (1)
In order to provide an adequate and equitable cost-sharing formula for
financing the costs of adjudicating water rights the department of
water resources shall accept no notice of claim required under the
provisions of section 42-1409, Idaho Code, unless such notice of claim
is submitted with a filing fee based upon the fee schedule set forth
below. Failure to pay the variable water use fee in accordance with
the timetable provided shall be cause for the department to reject and
return the notice of claim to the claimant. The fee schedule set forth
below applies to adjudication proceedings commenced or enlarged on or
(a) Flat fee per claim filed:
   (i) Claims for domestic and/or stockwatering stock watering
       rights ................................................................. $25.00
   (ii) Claims for all other rights ................................. $50.00
(b) Additional variable water use fee for claims filed based upon
    acreage, power generating capacity, c.f.s., or equivalent volume
    of water:
    (i) Irrigation use (one fee irrespective of number of
        claims): .................................................. $ 1.00 per acre
    (ii) Power: ........................................ $ 3.50 per kilowatt of capacity
         (manufacturer's nameplate rating)
    (iii) Aquaculture: ................................. $ 10.00 per c.f.s.
    (iv) Municipal, industrial, commercial, mining, heating,
         cooling: ................................. $100.00 per c.f.s.
    (v) Public instream flow, public lake level maintenance,
         wildlife: ................................. $100.00 per c.f.s.
(c) Payment of a variable water use fee of more than one thousand
dollars ($1,000) may be spread out over as many as five (5) annual
equal payments with ten percent (10%) interest accruing on the
unpaid balance. All fees collected by the department pursuant to
this section shall be placed in the water resources adjudication
account established in section 42-1777, Idaho Code.
(2) If a claimant increases in an amended notice of claim the
amount of water claimed, the amount of land irrigated, or the kilowatt
capacity of the generating facility, the claimant shall pay upon fil­
ing the amended notice of claim an additional variable fee in accor­dance with the rates set forth in subsection (1) of this section. Claimants shall be entitled to a return of filing fees or late fees only where the fee was miscalculated at the time the original or amended notice of claim was filed.

(3) If a claimant files a notice of claim after the date set by
the director in the notice mailed or served in accordance with subsec­tions (2), (3), or (4) of section 42-1408, Idaho Code, or with subsec­tion (97) of section 42-1409, Idaho Code; the claimant shall pay the fee set forth in subsection (1) of this section, and in addition, the amount of fifty dollars ($50.00) or fifteen percent (15%) of the orig­inal filing fee, whichever is greater. The director may waive the late processing fee or a portion thereof for good cause.

SECTION 5. That Section 42-1420, Idaho Code, be, and the same is hereby amended to read as follows:

42-1420. BINDING EFFECT OF DECREE -- EXCEPTIONS. (1) The decree entered in a general adjudication shall be conclusive as to the nature and extent of all water rights in the adjudicated water system except that the following described water rights shall not be lost by failure to file a notice of claim:

(a) a water right for domestic use or stock watering use, specif­ically excluded from the general adjudication by court order;
(b) a water right application for permit filed under chapters 2 or 15, title 42, Idaho Code;
(c) a water right permit issued under chapters 2 or 15, title 42, Idaho Code, unless the director required the permit holder to file a notice of claim in accordance with subsection (97) of section 42-1409, Idaho Code;
(d) a water right license issued under chapter 2 or 15, title 42, Idaho Code, if proof of beneficial use had not been filed on the date of commencement of the general adjudication, unless the director required the license holder to file a notice of claim in accordance with subsection (7) of section 42-1409, Idaho Code; and
(e) a claim to a water right established under federal law, if the priority of the right claimed is later than and junior to the date of entry of the order commencing the general adjudication.

(2) The exceptions from the conclusive effect of a decree in a general adjudication stated in subsection (1) above shall not apply to any water right for which a notice of claim or negotiated agreement is filed.

SECTION 6. That Section 42-1421, Idaho Code, be, and the same is hereby amended to read as follows:

42-1421. PROCEDURES FOR ADJUDICATION OF UNPERFECTED WATER RIGHTS INITIATED UNDER STATE LAW -- DIRECTOR'S JURISDICTION. (1) All persons claiming a water right based on an application or permit on the date of entry of the order commencing a general adjudication are not required to file a notice of claim unless required in accordance with subsection (97) of section 42-1409, Idaho Code. If the director
approves the application in whole or in part during the pendency of a
genral adjudication and prior to filing the director's report, the
director shall notify the permit holder of the pendency of the general
adjudication. A permit holder who is not required by the director to
file a notice of claim in accordance with subsection (97) of section
42-1409, Idaho Code, may file a notice of claim at any time prior to
filing the director's report.

(2) All persons claiming a water right based on a water right
license existing on the date of entry of the order commencing a gen-
eral adjudication shall file a notice of claim.

(3) The district court shall decree any claimed water right for
which proof of beneficial use has not been filed, but shall state that
the right is conditioned upon completion of the appropriation in
accordance with the laws of the state governing the appropriation of
water and that the decreed right shall be subject to the terms of the
license to appropriate water that is ultimately issued.

(4) The director retains jurisdiction of all applications, per-
mits and licenses under chapter 2, 3, 6 or 15, title 42, Idaho Code,
to take action authorized by the conditions contained in any permit or
license or by applicable law and action on any application for trans-
fer under section 42-222, Idaho Code.

(5) The director retains jurisdiction of all decreed water rights
under chapters 2, 3 and 6, title 42, Idaho Code, to take action autho-
rized by the conditions of any decree or by applicable law, including
action on any application for transfer under section 42-222, Idaho
Code.

(6) The director retains jurisdiction of all beneficial use water
rights under chapters 2, 3 and 6, title 42, Idaho Code, to take action
authorized by applicable law.

SECTION 7. That Section 42-1425, Idaho Code, be, and the same is
hereby amended to read as follows:

42-1425. ACCOMPLISHED TRANSFERS. (1) Legislative findings regard-
ing accomplished transfers and the public interest.

(a) The legislature finds and declares that prior to the com-
mencement of the Snake River basin adjudication, many persons
entitled to the use of water or owning land to which water has
been made appurtenant either by decree of the court or under pro-
visions of the constitution and statutes of this state changed the
place of use, purpose of use, point of diversion, nature or pur-
pose of use, or period of use of their water rights without com-
pliance with the transfer provisions of sections 42-108 and
42-222, Idaho Code.

(b) The legislature finds that many of these changes occurred
with the knowledge of other water users and that the water has
been distributed to the right as changed. The legislature further
finds and declares that the continuation of the historic water use
patterns resulting from these changes is in the local public
interest provided no other existing water right was injured at the
time of the change. Denial of a claim based solely upon a failure
to comply with sections 42-108 and 42-222, Idaho Code, where no
injury or enlargement exists, would cause significant undue finan-
cial impact to a claimant and the local economy. Approval of the accomplished transfer through the procedure set forth in this section avoids the harsh economic impacts that would result from a denial of the claim.

(c) The legislature further finds and declares that examination of these changes by the director through the procedures of section 42-222, Idaho Code, would be impractical and unduly burdensome. The more limited examination of these changes provided for in this section, constitutes a reasonable procedure for an expeditious review by the director while ensuring that the changes do not injure other existing water rights or constitute an enlargement of use of the original right.

(2) Any change of place of use, purpose-of-use, point of diversion, nature or purpose of use or period of use of a water right by any person entitled to use of water or owning any land to which water has been made appurtenant either by decree of the court or under the provisions of the constitution and statutes of this state, prior to November 19, 1987, the date of commencement of the Snake River basin adjudication, may be claimed in a general adjudication even though the person has not complied with sections 42-108 and 42-222, Idaho Code, provided no other water rights existing on the date of the change were injured and the change did not result in an enlargement of the original right. Except for the consent requirements of section 42-108, Idaho Code, all requirements of sections 42-108 and 42-222, Idaho Code, are hereby waived in accordance with the following procedures:

(a) If an objection is filed to a claim for accomplished change of place of use, purpose-of-use, point of diversion, nature or purpose of use or period of use, the district court shall remand the water right to the director for further hearing to determine whether the change injured a water right existing on the date of the change or constituted an enlargement of the original right. After a hearing, the director shall submit a supplemental report to the district court setting forth his findings and conclusions. If the claimant or any person who filed an objection to the accomplished transfer is aggrieved by the director's determination, they may seek review before the district court. If the change is disallowed, the claimant shall be entitled to resume use of the original water right, provided such resumption of use will not cause injury or can be mitigated to prevent injury to existing water rights. The unapproved change shall not be deemed a forfeiture or abandonment of the original water right.

(b) This section is not applicable to any claim based upon an enlargement of use.

SECTION 8. An emergency existing therefor, which emergency is hereby declared to exist, this act shall be in full force and effect on and after its passage and approval.

Approved March 12, 1996.
CHAPTER 187
(S.B. No. 1476)

AN ACT
RELATING TO WATER DELIVERY ORGANIZATIONS; AMENDING SECTION 42-1102, IDAHO CODE, TO CLARIFY WHAT THE RIGHT-OF-WAY INCLUDES, TO PROVIDE WHAT CONSTITUTES NOTICE TO THE OWNER OF THE LAND THAT THE OWNER OF THE DITCH, CANAL OR CONDUIT HAS THE RIGHT-OF-WAY, TO PROVIDE APPLICATION AND TO MAKE TECHNICAL CORRECTIONS; AMENDING SECTION 42-1204, IDAHO CODE, TO CLARIFY WHAT THE RIGHT-OF-WAY INCLUDES; AND DECLARING AN EMERGENCY.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 42-1102, Idaho Code, be, and the same is hereby amended to read as follows:

42-1102. OWNERS OF LAND -- RIGHT TO RIGHT-OF-WAY. When any such owners or claimants to land have not sufficient length of frontage on a stream to afford the requisite fall for a ditch, canal or other conduit on their own premises for the proper irrigation thereof, or where the land proposed to be irrigated is back from the banks of such stream, and convenient facilities otherwise for the watering of said lands cannot be had, such owners or claimants are entitled to a right-of-way through the lands of others, for the purposes of irrigation. The right-of-way shall include, but is not limited to, the right to enter the land across which the right-of-way extends, for the purposes of cleaning, maintaining and repairing the ditch, canal or conduit, and to occupy such width of the land along the banks of the ditch, canal or conduit as is necessary to properly do the work of cleaning, maintaining and repairing the ditch, canal or conduit with personnel and with such equipment as is commonly used, or is reasonably adapted, to that work. The right-of-way also includes the right to deposit on the banks of the ditch or canal the debris and other matter necessarily required to be taken from the ditch or canal to properly clean and maintain it, but no greater width of land along the banks of the canal or ditch than is absolutely necessary for such deposits shall be occupied by the removed debris or other matter. Provided, that in the making, constructing, keeping up and maintenance of such ditch, canal or conduit, through the lands of others, the person, company or corporation, proceeding under this section, and those succeeding to the interests of such person, company or corporation, must keep such ditch, canal or other conduit in good repair, and are liable to the owners or claimants of the lands crossed by such work or aqueduct for all damages occasioned by the overflow thereof, or resulting from any neglect or accident (unless the same be unavoidable) to such ditch or aqueduct.

The existence of a visible ditch, canal or conduit shall constitute notice to the owner, or any subsequent purchaser, of the underlying servient estate, that the owner of the ditch, canal or conduit has the right-of-way and incidental rights confirmed or granted by this section.
This section shall apply to ditches, canals or other conduits existing on the effective date of this act, as well as to ditches, canals or other conduits constructed after such effective date.

SECTION 2. That Section 42-1204, Idaho Code, be, and the same is hereby amended to read as follows:

42-1204. PREVENTION OF DAMAGE TO OTHERS. The owners or constructors of ditches, canals, works or other aqueducts, and their successors in interest, using and employing the same to convey the waters of any stream or spring, whether the said ditches, canals, works or aqueducts be upon the lands owned or claimed by them, or upon other lands, must carefully keep and maintain the same, and the embankments, flumes or other conduits, by which such waters are or may be conducted, in good repair and condition, so as not to damage or in any way injure the property or premises of others. The owners or constructors have the right to enter the land across which the right-of-way extends, for the purposes of cleaning, maintaining and repairing the ditch, canal or conduit, and to occupy such width of the land along the banks of the ditch, canal or conduit as is necessary to properly do the work of cleaning, maintaining and repairing the ditch, canal or conduit with personnel and with such equipment as is commonly used, or is reasonably adapted, to that work. The right-of-way also includes the right to deposit on the banks of the ditch or canal the debris and other matter necessarily required to be taken from the ditch or canal to properly clean and maintain it, but no greater width of land along the banks of the canal or ditch than is absolutely necessary for such deposits shall be occupied by the removed debris or other matter.

SECTION 3. An emergency existing therefor, which emergency is hereby declared to exist, this act shall be in full force and effect on and after its passage and approval.

Approved March 12, 1996.

CHAPTER 188
(S.B. No. 1469)

AN ACT
RELATING TO ADOPTION; AMENDING SECTION 16-1507, IDAHO CODE, TO STRIKE THE REQUIREMENT FOR IDENTIFICATION OF PARENTAGE FOR FOREIGN BORN CHILD; AMENDING CHAPTER 15, TITLE 16, IDAHO CODE, BY THE ADDITION OF A NEW SECTION 16-1514, IDAHO CODE, TO PROVIDE FOR A JUDICIAL PROCEDURE FOR THE ADOPTION OF FOREIGN BORN CHILDREN RECOGNIZING PERMISSION BY THE UNITED STATES DEPARTMENT OF STATE OR THE UNITED STATES DEPARTMENT OF JUSTICE, IMMIGRATION AND NATURALIZATION SERVICE, OR IN THE ALTERNATIVE AN ORDER FROM A COURT OR AUTHORIZED AGENCY FROM THE COUNTRY OF BIRTH, AS GROUNDS FOR THE ENTRY OF A DEGREE OF ADOPTION BY AN IDAHO COURT; AND DECLARING AN EMERGENCY.
Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 16-1507, Idaho Code, be, and the same is hereby amended to read as follows:

16-1507. ORDER OF ADOPTION. The judge must examine all persons appearing before him pursuant to the last section this chapter, each separately, and the any report of the investigation provided pursuant to the last section and if satisfied that the interests of the child will be promoted by the adoption, he must in the adoption of all foreign born persons make a finding of facts as to the true or probable date and place of birth and parentage of the foreign born child to be adopted and make an order declaring that the child shall thenceforth be regarded and treated in all respects as the child of the person adopting.

SECTION 2. That Chapter 15, Title 16, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW SECTION, to be known and designated as Section 16-1514, Idaho Code, and to read as follows:

16-1514. INTERNATIONAL ADOPTION. (1) Proceedings to adopt a foreign born child who has been allowed to enter the United States for the purpose of adoption shall be commenced by the filing of a petition under this section. Similarly, United States citizen parents who have adopted a child in a foreign country may commence proceedings to have the foreign adoption recognized and granted judicial comity by the filing of a petition under this section. A petition under this section shall be initiated by the person or persons proposing to adopt the child and shall be filed with the district court of the judicial district in which said person or persons reside. The petitioner shall have resided and maintained a dwelling within the state of Idaho for at least six (6) consecutive months prior to the filing of a petition. The petition shall set forth the following:

(a) The name and address of the petitioner or petitioners;
(b) The name of the child proposed to be adopted and the name by which he or she shall be known when adopted;
(c) The degree of relationship of the child, if any, to the petitioner or petitioners;
(d) The child's country of origin, and date of birth, if known;
(e) That the child has been issued a visa or other document authorizing entry into the United States as an immigrant or for the purpose of adoption in the United States and the date of the person's entry into the United States;
(f) That a home study of the petitioner or petitioners was prepared and the name of the person or agency performing the home study. A copy of the home study shall be attached to the petition;
(g) That, to the information and belief of the petitioners, the biological parents of the child to be adopted are residents of another country;
(h) That the adoption of such child is in the child's best interests.

(2) At the time fixed for the hearing on a petition for adoption...
under this section, the person or persons adopting the child and the child to be adopted must appear before the court where the petition was filed. The judge shall examine the petitioner or petitioners at the hearing and, if satisfied that the proposed adoption is in the best interests of the child to be adopted, shall enter a decree of adoption. The petitioner or petitioners shall at such time execute an agreement to the effect that the child shall be adopted and treated in all respects as the petitioner's own lawful child.

(3) This section governs the adoption of all foreign born children who have entered the United States to be adopted or who have entered the United States as immigrants after having been adopted in a foreign country by United States citizens. Notwithstanding any other provision of this chapter, no consent shall be required from the biological parents of the child to be adopted if the child has been granted permission by the United States department of state or United States department of justice, immigration and naturalization service to enter the United States for the purpose of adoption or as an immigrant after having been adopted in a foreign country by United States citizens. 16-1501. MINORS AND ADULTS MAY BE ADOPTED. Any minor child may be adopted by any adult person residing in and having residence in Idaho, in the cases and subject to the rules prescribed in this chapter.

Persons not minors may be adopted by a resident adult in cases where the person adopting has sustained the relation of parent to such adopted person: (i) for a period in excess of one (1) year while the person was a minor; or (ii) for such period of time or in such manner that the court after investigation finds a substantial family relationship has been created.

SECTION 2. That Section 16-1504, Idaho Code, be, and the same is hereby amended to read as follows:

16-1504. CONSENT OF PARENTS, GUARDIAN, NEAREST RELATIVE, OR NEXT FRIEND OF CHILD -- EXCEPTIONS. (1) A child cannot be adopted without
the consent of its parents, if living, except that the consent of a putative father whose paternity has not been legally established by order of a court of competent jurisdiction shall be implied as provided in section 16-1513, Idaho Code, nor without the consent of its guardian if one has been legally appointed or, if no living parents or guardian, then of its nearest relative; if no relative, then by the consent of some person appointed by the judge to act in the proceedings as the next friend to such child. The consent of a parent who is a minor shall not be voidable because of that minority. No consent shall be required of, nor notice given to, any person whose parental relationship to such child shall have been terminated in accordance with the provisions of either chapter 16 or 20, title 16, Idaho Code, or by a court of competent jurisdiction of a sister state under like proceedings; or in any other manner authorized by the laws of a sister state. Where a voluntary child placement agency licensed by the state in which it does business is authorized to place a child for adoption and to consent to such child's adoption under the laws of such state, the consent of such agency to the adoption of such child in a proceeding within the state of Idaho shall be valid and no further consents or notices shall be required.

(2) A petition to adopt an adult may be granted only if written consent to adoption has been executed by the adult being adopted and the adult's spouse, if any, and by the guardian or conservator of a disabled or incapacitated adult, if one has been appointed.

SECTION 3. That Section 16-1506, Idaho Code, be, and the same is hereby amended to read as follows:

16-1506. PROCEEDINGS ON ADOPTION. (1) Proceedings to adopt a child shall be commenced by the filing of a petition together with a copy thereof. Said petition shall be initiated by the person or persons proposing to adopt the child and shall be filed with the district court of the county in which said person or persons reside. The petitioners shall have resided and maintained a dwelling within the state of Idaho for at least six (6) consecutive months prior to the filing of a petition. The petition shall set forth the name and address of the petitioner or petitioners, the name of the child proposed to be adopted and the name by which it the person to be adopted shall be known if and when adopted, the degree of relationship of the child, if any, to the petitioner or petitioners and the names of any person or agency whose consent to said adoption is necessary. At the time fixed for hearing such petition the person adopting a child, and the child adopted, and the spouse of petitioner if a natural parent of the child, must appear before the court of the county wherein the petition was filed. Petitioner shall at such time execute an agreement to the effect that the child shall be adopted and treated in all respects as his own lawful child should be treated.

(2) Any person or persons whose consent is required shall execute such consent in writing, in a form consistent with the provisions of subsection f. of section 16-2005, Idaho Code, which consent being filed in the court where the application is made, shall be deemed a sufficient appearance on the part of such person or persons. If any adoptive parent, or a person not a minor being adopted by a resident
adult under the provisions of section 16-1501, Idaho Code, is a member of the armed services and is unable to attend the hearing, his appearance and testimony shall be received by means of deposition, which shall be filed in the court at the time of the hearing.

(3) Prior to the placement for adoption of any child in the home of prospective adoptive parents, it shall be required that a thorough social investigation of the prospective adoptive family and all of its members, consistent with the rules regarding such investigations promulgated by the department of health and welfare, shall be completed and that a positive recommendation for adoptive placement shall have been made. The social investigation may be performed by any individual who meets the requirements of the law. A copy of the study must be submitted to the department and the department may impose a reasonable fee, not to exceed fifty dollars ($50.00), for oversight of such privately conducted studies. In those instances where the prospective adoptive parent is married to the birth parent or is the grandparent of the child to be adopted, such social investigation shall be completed with regard to the prospective adoptive parent only upon order of the court. In exigent circumstances where the prospective adoptive parents are determined by the court to have been unable to complete a social investigation of the family with a positive recommendation prior to the time the child is placed in the home, the child shall remain in the home unless the court determines the best interests of the child are served by other placement. If exigent circumstances exist, a social investigation shall be initiated within five (5) days of placement. Once initiated, all studies shall be completed within sixty (60) days. Upon the filing of a petition to adopt a minor child by a person unrelated to the child or unmarried to a natural parent of the child and at the discretion of the court upon the filing of any other petition for adoption, a copy of such petition, together with a statement containing the full names and permanent addresses of the child and the petitioners, shall be served by the court receiving the petition within five (5) days on the director of the department of health and welfare by registered mail or personal service. If no private investigation is conducted, it shall then be the duty of the said director, through the personnel of the department or through such qualified child-placing children's adoption agency incorporated under chapter 3, title 30, Idaho Code, as the director may designate, to verify the allegations of the petition, and as soon as possible not exceeding thirty (30) days after service of the petition on the director to make a thorough investigation of the matter to include in all cases information as to the alleged date and place of birth and as to parentage of the child to be adopted as well as the source of all such information and report his findings in writing to the court. The investigative report shall include reasonably known or available medical and genetic information regarding both natural parents and sources of such information as well as reasonably known or available providers of medical care and services to the natural parents. A copy of all medical and genetic information compiled in the investigation shall be made available to the adopting family by the department or other investigating children's adoption agency prior to entry of the final order of adoption. The petition, statement and all other papers, records or files relating to the adoption, including the preplacement
investigation and recommendation, shall be returned to the court with the investigative report. The department of health and welfare or other children's adoption agency may require the petitioner to pay all or any part of the costs of the investigation. If the report disapproves of the adoption of the child, motion may be made to the court to dismiss the petition.

(4) Proceedings for termination of parent-child relationship in accordance with chapter 20, title 16, Idaho Code, and proceedings for adoption may be consolidated and determined at one (1) hearing provided that all of the requirements of this chapter as well as chapter 20, title 16, Idaho Code, be fully complied with. In all disputed matters under this chapter or chapter 20, title 16, Idaho Code, the paramount criterion for consideration and determination by the court shall be the best interests of the child.

(5) Proceedings for the adoption of an adult shall be as provided in subsection (1) of this section and any consents required shall be executed as provided in subsection (2) of this section. Upon a finding by the court that the consent of all persons for whom consent is required has been given and that the requirements of section 16-1501, Idaho Code, have been proven to the satisfaction of the court, the court shall enter an order granting the adoption. In cases where the adult proposed to be adopted is incapacitated or disabled, the court may require that an investigation be performed. The form and extent of the investigation to be undertaken may be as provided in subsection (3) of this section, or as otherwise ordered by the court. If an investigation is performed, the court must review and approve the findings of the investigation before issuing an order approving the adoption.

SECTION 4. That Section 16-1508, Idaho Code, be, and the same is hereby amended to read as follows:

16-1508. EFFECT OF ADOPTION. A child or adult, when adopted, may take the name of the person adopting, and the two (2) shall thenceforth sustain toward each other the legal relation of parent and child, and shall have all the rights and shall be subject to all the duties of that relation, including all of the rights of a child of the whole blood to inherit from any person, in all respects, under the provisions of section 14-103, Idaho Code, and to the same extent as a child of the whole blood.

SECTION 5. That Section 16-1511, Idaho Code, be, and the same is hereby amended to read as follows:

16-1511. SEALING RECORD OF PROCEEDINGS. Upon the motion of petitioners, or upon its own motion the probate court shall order that the record of its proceedings in any adoption proceeding shall be sealed. When such order has been made and entered the court shall seal such record and thereafter the seal shall not be broken except upon the motion of petitioners or the person adopted; provided, however, that such record may be sealed again as in this section provided.

SECTION 6. An emergency existing therefor, which emergency is
hereby declared to exist, this act shall be effective immediately upon its passage and approval. Adoptions of adults accomplished prior to the effective date of this act shall not be subject to procedural challenge on the basis that the procedures used in the prior adoption do not meet the requirements of this act.

Approved March 12, 1996.

(H.B. No. 531)

AN ACT RELATING TO MEDICAL ASSISTANCE; AMENDING SECTION 56-209b, IDAHO CODE, TO GIVE THE DIRECTOR OF THE DEPARTMENT OF HEALTH AND WELFARE DISCRETION WITH RESPECT TO CERTAIN SERVICES UNDER THE STATE MEDICAL ASSISTANCE PROGRAM AND TO CLARIFY THE DEPARTMENT OF HEALTH AND WELFARE'S SUBROGATION AND CREDITOR'S RIGHTS TO RECOVER FROM THIRD PARTIES FOR SERVICES PROVIDED TO INDIVIDUALS RECEIVING MEDICAL ASSISTANCE; AND PROVIDING SEVERABILITY.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 56-209b, Idaho Code, be, and the same is hereby amended to read as follows:

56-209b. MEDICAL ASSISTANCE -- MEDICAL ASSISTANCE ACCOUNT. (2) There is hereby created in the dedicated fund the medical assistance account. The medical assistance account shall be an entity primarily designed to receive moneys from the families and relatives of patients receiving medical assistance under the state plan for medicaid, and to provide a source of moneys to pay for the state's share of medical assistance expenses. Moneys in the medical assistance account may not be commingled with moneys in the cooperative welfare account. Moneys in the medical assistance account must be appropriated in order to be expended to pay for the state's share of medical assistance expenses.

(3) In all cases where the department of health and welfare through the medical assistance program has or will be required to pay medical expenses for a recipient and that recipient is entitled to recover any or all such medical expenses from any third party, the department of health and welfare will be subrogated to the rights of the recipient to the extent of the amount of medical assistance bene-
fits paid by the department as the result of the occurrence giving rise to the claim against the third party.

(4) If a recipient of medical assistance pursues a claim against a third party through litigation or a settlement in such a claim is pursued by the recipient of medical assistance, the recipient will notify the department. If the recipient recovers funds, either by settlement or judgment, from such a third party, the recipient shall repay the department to the extent of the funds received in settlement minus attorney fees and costs, the amount of the medical assistance benefits paid by the department on his behalf as a result of the occurrence giving rise to the need for medical assistance. The department shall be entitled to all the legal rights and powers of a creditor against a debtor in enforcing the recipient's reimbursement obligation.

(5) The department shall have priority to any amount received from a third party which can reasonably be construed to compensate the recipient for the occurrence giving rise to the need for medical assistance, whether the settlement or judgment is obtained through the subrogation right of the department or through recovery by the recipient, and whether or not the recipient is made whole by the amount recovered. The department will be entitled to reimbursement of medical assistance benefits paid on behalf of the recipient arising from the incident or occurrence prior to any amount being distributed to the recipient.

(46) In the event a recipient of assistance through the medical assistance program incurs the obligation to pay attorney fees and costs for the purpose of enforcing a monetary claim to which the department is subrogated has a right under this section, the amount which the department is entitled to recover, or any lesser amount which the department may agree to accept in compromise of its claim, shall be reduced by an amount which bears the same relation to the total amount of attorney fees and costs actually paid by the recipient as the amount actually recovered for medical expenses paid by the department, exclusive of the reduction for attorney fees and costs, bears to the total amount paid by the third party to the recipient. If a settlement or judgment is received by the recipient without delineating what portion of the settlement or judgment is in payment of medical expenses, it will be presumed that the settlement or judgment applies first to the medical expenses incurred by the recipient in an amount equal to the expenditure for medical assistance benefits paid by the department as a result of the occurrence giving rise to the payment or payments to the recipient.

SECTION 2. SEVERABILITY. The provisions of this act are hereby declared to be severable and if any provision of this act or the application of such provision to any person or circumstance is declared invalid for any reason, such declaration shall not affect the validity of the remaining portion of this act.

SECTION 3. That Section 67-5718, Idaho Code, be, and the same is hereby amended to read as follows:

67-5718. REQUISITIONS FOR PROPERTY -- NOTICE -- FORM -- GUARANTEE -- PROCEDURE FOR BIDDING. If the property to be acquired may reasonably be expected to cost in excess of twenty-five thousand dollars ($25,000) if purchased, or one thousand dollars ($1,000) per month if procured, there must be accompanying the requisition a copy of the specifications proposed for use in the acquisition. Upon receipt of the requisition, notice must be commenced within a reasonable period of time and must allow not less than ten (10) days from notice to bid opening date.

For any acquisition not otherwise requiring specifications, the same may be required by regulation rule drawn by the administrator.

Provided further, however, that in connection with the award of any contract for the placement of any order for state printing, binding, engraving or stationery work, the provisions of sections 60-101 and 60-103, Idaho Code, shall apply to the extent that the same may be inconsistent with any requirements contained in this section.

Nothing shall prevent all registered vendors from bidding on the property to be acquired. The administrator shall cause all invitations to bid to be posted in a conspicuous place in his office.

The notice shall describe the property to be acquired in sufficient detail to apprise a bidder of the exact nature or functionality of the property required; and shall give the time when, and the place where, bids will be opened. The bid opening date shall be set forth in the specifications. Each bid shall be in writing, sealed and marked, "sealed bid for ...., to be opened ...., 19.." and shall be mailed or delivered to the office of the administrator of the division of pur-

If the competitive sealed proposal method is used, award shall be made to the lowest responsible bidder on the basis of initial proposals received or following receipt and evaluation of best and final offers. The administrator shall have the right to reject any and all bids pursuant to rules and regulations established for the division.

Where both the bids and quality of property offered are the same, preference shall be given to property of local and domestic production and manufacture or from bidders having a significant Idaho economic presence as defined in the Idaho Code.

All taxable property shall be annually appraised or indexed to reflect that valuation.

(3) If any section, part, clause or phrase hereof is for any reason held to be invalid or unconstitutional, the remaining sections shall not be affected but will remain in full force and effect.

SECTION 2. That Section 63-2220A, Idaho Code, be, and the same is hereby amended to read as follows:

(a) The dollar amount of ad valorem taxes certified for its annual budget for any one (1) of the three (3) tax years preceding the current tax year, whichever is greater, which amount may be increased by a growth factor of not to exceed three percent (3%) plus the amount of revenue that would have been generated by applying the levy of the previous year, not including any levy for voter-approved-bonds, override-levies, supplemental-levies, plant facilities--reserve--fund--levies--or--school-emergency-fund-levies described in subsection (3) of this section, to any increase in market value subject to taxation resulting from new construction as evidenced by the value of either: (i) property subject to the occupancy tax pursuant to chapter 39, title 63, Idaho Code, for the preceding tax year; or (ii) new construction based upon a quantitative formula approved by the state tax commission which uses the value of building permits for the preceding year; and by the value of annexation during the previous calendar year, as certified by the county assessor;

(b) The dollar amount of ad valorem taxes certified for its annual budget during the last year in which a levy was made; or

(c) The dollar amount of the actual budget request, if the taxing district is newly created; or
(d) In the case of school districts, the restriction imposed in section 33-802, Idaho Code; or
(e) In the case of a nonschool district for which less than the maximum allowable increase in the dollar amount of ad valorem taxes is certified for annual budget purposes in any one (1) year, such a district may, in any following year, recover the foregone increase by certifying, in addition to any increase otherwise allowed, an amount not to exceed one hundred percent (100%) of the increase originally foregone. Said additional amount shall be included in future calculations for increases as allowed.

(2) No board of county commissioners shall set a levy, nor shall the state tax commission approve a levy for annual budget purposes which exceeds the limitation imposed in subsection (1) of this section, unless authority to exceed such limitation has been approved by a majority of the taxing district's electors voting on the question at an election called for that purpose and held pursuant to section 34-106, Idaho Code, provided however, that such voter approval shall be for a period of not to exceed two (2) years.

(3) The amount of ad valorem tax revenues to finance an annual budget does not include revenues from non-ad valorem tax sources, and does not include revenue from levies that are voter approved for bonds, override levies or supplemental levies, plant facilities reserve fund levies, school emergency fund levies or for levies applicable to newly annexed property or for levies applicable to new construction as evidenced by the value of property subject to the occupancy tax pursuant to chapter 39, title 63, Idaho Code, for the preceding tax year and does not include plant facility reserve fund levies or school emergency fund levies.

(c) Serve individual notice on the landowner and where possible on the operator of the land prior to the entry upon such land declaring a quarantine and specifying the date of the proposed entry and the proposed cost to the violator, and advise the same person of the completion of the control operation and the required reimbursement thereof. (2) The county weed superintendent is authorized to:
(a) Enter upon all lands within the county where there are noxious weeds to ascertain conditions, if a reasonable attempt has been made to contact the landowner and where possible the operator of the land prior to entry and there is probable cause for entry; and

SECTION 4. That Section 31-1420, Idaho Code, be, and the same is hereby amended to read as follows:

31-1420. LEVY. (1) Each year, immediately prior to the annual county levy of taxes, the board of commissioners of each fire protection district, organized and existing under this act, may levy a tax upon all the taxable property within the boundaries of such district sufficient to defray the cost of equipping and maintaining the district, not exceeding sixteen hundredths percent (.16%) of market value for assessment purposes, provided, districts having a population in excess of two thousand five hundred (2,500) may levy a total tax of twenty-four hundredths percent (.24%) of market value for assessment purposes, to be used for the purposes of this act and for no other purpose. The levy shall be made by resolution entered upon the minutes
of the board of commissioners of the fire protection district, and it shall be the duty of the secretary of the district, immediately after entry of the resolution in the minutes, to transmit to the county auditor, county assessor and state board of equalization certified copies of the resolution providing for such levy. Said taxes shall be collected as provided by section 63-918, Idaho Code.

(2) If two (2) or more fire protection districts consolidate into one (1) district, the provisions of section 63-2220A, Idaho Code, shall apply to the consolidated district's budget request during the first tax year following consolidation; and the current year tax rate of the district with the higher levy of any fire protection district being consolidated shall be the rate used for the purposes of as if the former district which, in the year of the consolidation, has the higher levy subject to the limitations of section 63-2220A, Idaho Code, had annexed the other district or districts. In addition, the consolidated district shall receive the benefit of foregone increases accumulated by the former districts under section 63-2220(1)(e), Idaho Code.

SECTION 5. That Section 31-4603, Idaho Code, be, and the same is hereby amended to read as follows:

31-4603. PROCEDURE FOR ESTABLISHMENT. (1) If a board of county commissioners desires to establish a county justice fund, it shall publish notice of intent to do so in conjunction with the proposed budget publication required in section 31-1604, Idaho Code, and shall depict such proposal in the proposed county budget in a manner consistent with the provisions of section 31-1603, Idaho Code.

(2) Establishment of a county justice fund shall proportionately reduce the allowable ad valorem tax charges for remaining expenses in the county current expense fund. For purposes of achieving a proportionate reduction, the following procedure shall be followed:

(a) Prior to the September budget hearing required by section 31-1604, Idaho Code, and upon the request of the board of county commissioners, the budget officer shall identify and separate the appropriations for the services and operations outlined in section 31-4602, Idaho Code, from the previous year's budget, including estimated portions of the general reserve appropriation and court-ordered expenditures for such purposes. Such figure, and the percentage that such figure constitutes of the whole of the current expense fund expenditures, shall be certified by the clerk of the county and shall be transmitted to the board of county commissioners.

(b) The board of county commissioners shall review the submittal by the clerk and shall, upon completion of such review, adopt a resolution creating a county justice fund, which resolution shall certify, to the accuracy of two (2) decimal places, the percentage that authorized justice fund appropriations in the prior budget
year are of total current expense fund appropriations for that year. If the board of county commissioners believes the previous year's budget is not typical, it may petition the state tax commission for an administrative ruling setting the percentage of justice fund expenditures based upon a more extended history of such budgeted expenditures.

(c) The percentage derived by completion of the steps called for in subsection (2)(b) of this section shall be multiplied by the total of ad valorem tax charges levied to support the current expense fund as a whole. The product of this multiplication shall be subtracted from the entire ad valorem tax charge for the current expense fund and shall constitute the justice fund allocation. The remainder, after the justice fund allocation has been subtracted, shall constitute a new ad valorem tax base for the current expense fund, which current expense and justice fund bases shall continue to be subject to the provisions of Section 63-2220, Idaho Code. Allowable ad valorem tax charges for the current expense fund in the year the justice fund is created shall be determined upon the base established in this section. In subsequent years, after a county has established a justice fund, the maximum levy authority for the current expense fund shall be twenty hundredths percent (.20%) of market value for assessment purposes as provided for in Section 63-903, Idaho Code.

(3) Additional revenues, other than those derived from ad valorem taxation, shall be allocated to the current expense fund or the justice fund, respectively, in accordance with their association with the functions performed by offices supported by the respective funds. Where revenues sources are not clearly attributable to either justice or current expense fund activities, they shall be apportioned to the current expense fund or justice fund by the board of county commissioners to meet the greatest funding need in each local jurisdiction.

SECTION 6. That Section 31-4706, Idaho Code, be, and the same is hereby amended to read as follows:

The board of county commissioners may make a levy upon all taxable property in the county in the amount requested by the county museum budget. No levy for the purposes of this chapter shall exceed three-hundredths percent (.03%) on each dollar of market value for assessment purposes of taxable property in the county. When such taxes have been collected, the same shall be paid to the treasurer of the county museum board to be used for the purposes authorized by this chapter. Upon the creation and appointment of the museum board by the county commissioners, it hereby becomes a taxing unit separate and distinct from any other taxing unit or tax levy within the county.
the district's first levy shall be subject to the provisions of section 63-2220(1)(iii), Idaho Code, under the provisions of the Idaho budget law and as such is empowered to issue tax anticipation notes or warrants as provided by law for maintaining, carrying on, conducting, payment of obligations and all other necessary expenses, incurred or to be incurred in maintaining a museum. It may be the duty of the county commissioners of any county, where property for county museum purposes is located, to levy an amount sufficient to maintain and protect such museum grounds and property.

SECTION 7. That Section 33-1003, Idaho Code, be, and the same is hereby amended to read as follows:

33-1003. SPECIAL APPLICATIONS OF EDUCATIONAL SUPPORT PROGRAM. 1. Decrease in Average Daily Attendance. -- Any school district which has a decrease in total average daily attendance of one percent (1%) of its average daily attendance in the then current school year from the total average daily attendance used for determining the allowance in the educational support program for the school year immediately preceding, the allowance of funds from the educational support program may be based on the average daily attendance of the school year immediately preceding, less one percent (1%). When this provision is applied, the decrease in average daily attendance shall be proportionately distributed among the various categories of support units that are appropriate for the district.

2. Application of Support Program to Separate Schools in District.
   a. Separate Elementary School. -- Any separate elementary school shall be allowed to participate in the educational support program as though the school were the only elementary school operated by the district.
   b. Hardship Elementary School. -- Upon application of the board of trustees of a school district, the state board of education is empowered to determine that a given elementary school or elementary schools within the school district, not otherwise qualifying, are entitled to be counted as a separate elementary school as defined in section 33-1001, Idaho Code, when, in the discretion of the state board of education, special conditions exist warranting the retention of the school as a separate attendance unit and the retention results in a substantial increase in cost per pupil in average daily attendance above the average cost per pupil in average daily attendance of the remainder of the district's elementary grade school pupils.
   c. Separate Secondary School. -- Any separate secondary school shall be allowed to participate in the educational support program as though the school were the only secondary school operated by the district.
   d. Minimum Pupils Required. -- Any elementary school having less than ten (10) pupils in average daily attendance shall not be allowed to participate in the state or county support program unless the school has been approved for operation by the state board of education.

3. Remote Schools. -- The board of trustees of any Idaho school
district which operates and maintains a school which is remote and isolated from the other schools of the state because of geographical or topographical conditions may petition the state board of education to recognize and approve the school as a remote and necessary school. The petition shall be in form and content approved by the state board of education and shall provide such information as the state board of education may require. Petitions for the recognition of a school as a remote and necessary school shall be filed annually at least ninety (90) days prior to the date of the annual meeting of the board of trustees as established in section 33-510, Idaho Code.

Within forty-five (45) days after the receipt of a petition for the recognition of a remote and necessary school, the state board of education shall either approve or disapprove the petition and notify the board of trustees of its decision. Schools which the state board of education approves as being necessary and remote shall be allowed adequate funding within the support program for an acceptable educational program for the students of the school. In the case of a remote and necessary secondary school, grades 7-12, the educational program shall be deemed acceptable when, in the opinion of the state board of education, the accreditation standard relating to staff size, established in accordance with section 33-119, Idaho Code, has been met. The final determination of an acceptable program and adequate funding in the case of a remote and necessary elementary school shall be made by the state board of education.

4. Support Program When District Boundaries are Changed.
   a. In new districts formed by the division of a district, the support program computed for the district divided in its last year of operation, shall be apportioned to the new districts created by the division, in the proportion that the average daily attendance of pupils, elementary and secondary combined, residing in the area of each new district so created, is to the average daily attendance of all pupils, elementary and secondary combined, in the district divided in its last year of operation before the division.
   b. When boundaries of districts are changed by excision or annexation of territory, the support program of any district from which territory is excised for the last year of operation before such excision shall be divided, and apportioned among the districts involved, as prescribed in subsection 4a, hereof.
   c. In new districts formed by consolidation of former districts, the support program allowance for a seven (7) year period following the formation of the new district, shall not be less than the combined support program allowances of the component districts in the last year of operation before consolidation.

5. For the fiscal year which commences on July 1, 1986, and for each succeeding fiscal year, any school district whose adjusted market value for assessment purposes decreases forty percent (40%) or more from the previous year's adjusted market value for assessment purposes as such valuation existed on December 31, is eligible to receive an adjustment to its educational support program entitlement, subject to qualifications as follows:
   (a). The adjusted market value for assessment purposes has decreased forty percent (40%) or more from the previous year's
adjusted market value for assessment purposes as such valuation existed on December 31; and

(b) The school levy to be certified for the general maintenance and operation fund shall be no less than four-tenths of one percent (.4%); and

(c) The revenue generated by the four-tenths of one percent (.4%) tax levy is less than what could have been authorized under the provisions of section 63-2220(1)(a), Idaho Code; and

(d) An eligible school district has made application to the state department of education for an adjustment to entitlement from the state educational support program on or before June 1 of the fiscal year. Such application must document the need for additional funds and must include a district plan to minimize impact of a reduced local tax base.

The application for adjustment to the educational support program shall be reviewed by the state department of education and any adjustment shall not be greater than fifty percent (50%) of the difference between the maximum revenue authorized under section 33-802(2)(a), Idaho Code, and the revenue that could have been authorized under the provisions of section 63-2220, Idaho Code.

SECTION 8. That Section 33-1408, Idaho Code, be, and the same is hereby amended to read as follows:

33-1408. SPECIAL LEVY FOR TUITION. Any school district is hereby authorized to make a levy above the maintenance and operation levy otherwise authorized by law for the purpose of paying tuition costs of its students who, under authorization of the board of trustees of the district, attend school in another district either in or out of Idaho, except for those costs reimbursed by the state under border contracts. Any levy made under the provisions of this section shall be exempt from the limitation imposed by section 63-923(1), Idaho Code, and from the provisions of section 63-2220, Idaho Code.

SECTION 9. That Section 33-2110A, Idaho Code, be, and the same is hereby amended to read as follows:

33-2110A. TUITION OF OUT OF DISTRICT IDAHO STUDENTS, COUNTY TAXES AND OTHER FINANCIAL SUPPORT. (1) Any student residing in the area of a county outside of a community college district or in a county without a community college district, who has been a resident of the county and state as defined by section 33-2110B, Idaho Code, immediately prior to the date of his first enrollment in a community college, which residence may not be acquired while attending and enrolled in a community college, may enroll in any community college in the state, and the county of his residence shall pay that portion of his tuition as hereinafter set out. The tuition which shall be paid by the resident county shall be that portion of the tuition uniformly established by a community college district for all out of district students, both in state as well as out of state, pursuant to section 33-2110, Idaho Code, after deducting therefrom the amount of tuition paid by a resident student at the community college; however, the liability of the resident county shall not exceed two-thirds (2/3) the total tuition
and fees charged and in no instance shall it exceed five hundred dollars ($500) each semester for a two-(2) semester year for a full-time student. The student shall pay the tuition and fees charged a student resident in the district, and the balance, if any, of the nonresident student tuition above the maximum liability of the county of his residence. No county shall be liable for out of district tuition unless the board of county commissioners of that county has first verified to the community college in writing the fact that the student is a resident of the county. Upon verification, the county shall thereafter be liable for the out of district tuition so long as the student is duly enrolled and attending the college subject to the following limitations:

(a) Liability shall be for six (6) semesters or the term of the curriculum for which the student is enrolled, whichever is lesser.

(b) Liability shall terminate if the student's domiciliary residence changes and that change continues for twelve (12) months.

(2) The nonresident tuition shall be established annually not later than August 1st and shall be forthwith filed with the state board of education, together with a statement supporting the computation thereof. Each community college, by September 30 and March 1 of each year, shall bill the county of residence of each nonresident student enrolled at the commencement of each semester, and each board of county commissioners shall allow and order paid any bill for tuition at the first regular meeting following receipt of the bill, but not exceeding forty-five (45) days after receipt. Upon failure of a county to pay the tuition, a community college district may commence action in the district court of the state of Idaho for the county to collect the same.

(3) For the payment of tuition of nonresident students as herein provided, there shall be allocated in each county without a community college district to a county community college fund, and paid to the county treasurer to be held in that fund, fifty per cent (50%) of all moneys apportioned to the county out of liquor funds of the state of Idaho as set forth in chapter 4, title 23, Idaho Code, and that amount shall be deducted from the amount that would otherwise be allocated to the county; and if liquor funds are not sufficient to pay the tuition, commencing for the calendar year 1966, the board of county commissioners shall levy upon the taxable property within each county without a community college district, and, in a county with such a district, upon the taxable property within the county lying outside of the community college district, an ad valorem tax not to exceed six hundredths per cent (.0600%) of market value for assessment purposes, to be certified as set out in section 33-2111, Idaho Code. Such levy shall be exempt from the limitation imposed by section 63-923(1), Idaho Code, and the moneys derived from such levy shall be exempt from the limitation imposed by section 63-2220, Idaho Code. The proceeds of the levy shall be placed in the county community college fund. Apportionment of liquor funds herein provided shall commence for the fiscal quarter ending September 30, 1965, and accruing during that quarter.

(4) Based upon the enrollment established by the first semester's tuition bills received by September 30, the board of county commissioners shall establish immediately a total community college annual tuition budget for two (2) semesters which shall be equal to twice the
amount of the tuition bills plus a contingency factor of ten per cent (10%). This budget shall be adjusted after March 1 based on any change of enrollment shown by the second semester tuition bills. If enrollment is from none to not more than four (4) students, a minimum budget of five (5) students at five hundred dollars ($500) each shall be established. In the event all tuition bills received have been paid, notwithstanding any other provision hereof, (a) any liquor funds received, which in the quarter when received to any extent are in excess of the budget, to the extent of that excess shall not be paid over to the county treasurer to be held in the community college fund, and (b) any funds received from the levy on taxable property, which when received to any extent are in excess of the budget after the application of liquor funds thereto, to the extent of that excess shall not be paid over to the community college fund. Excess liquor funds shall be paid pursuant to law as if this section were not applicable and excess funds shall be paid to the general fund of the county. In the event the total liquor fund payable hereunder to the county community college fund together with the receipts from the levy on taxable property for each fiscal year are insufficient to pay tuition bills, which deficiency is caused by a levy of less than the maximum allowed hereunder, or by enrollment in excess of the budget herein provided, the budget for each following year shall be increased to the maximum allowed by the maximum tax levy authorized to pay any deficiency at the earliest time. If the deficiency is due to the lack of funds in a fiscal year when the maximum levy authorized shall have been made, for the next fiscal year thereafter the number of students from that county shall be limited by the board of county commissioners to the extent necessary to pay the deficiency not later than the end of the following year. Provided nevertheless, for the two (2) semesters commencing September, 1965 the board of county commissioners shall limit the community college budget and total students to estimated liquor funds available on quarterly disbursements through June 30, 1966. Any limitation of students authorized shall be accomplished (a) on the basis of student grades and financial need, and (b) by each community college notifying the county of residence of each student's application and the county shall accept or reject the application at least five (5) days prior to the tuition billing dates set out herein. A community college shall nevertheless have a right to require any student residing outside the district to pay nonresident tuition if the county of his residence is more than twenty-five per cent (25%) in arrears of a total county tuition bill for one (1) year as of the beginning of the subsequent semester, but tuition shall be refunded to such students when paid by the county.

SECTION 10. That Section 33-2112, Idaho Code, be, and the same is hereby amended to read as follows:

33-2112. ADDITIONAL TAX LEVY FOR GYMNASIUM AND GROUNDS. The board of trustees of any community college district may levy a tax not exceeding one one-hundredth percent (.01%) on each dollar of the assessed value of the taxable property within the district for the maintenance and care of the gymnasium and college grounds of the district, in addition to other taxes authorized by law for the mainte-
nance and support of the community college. Such levy shall be exempt from the limitation imposed in section 63-923(1), Idaho Code, and the moneys derived from such levy shall be exempt from the limitation imposed by section 63-2220, Idaho Code.

SECTION 11. That Section 46-1008, Idaho Code, be, and the same is hereby amended to read as follows:

46-1008. THE GOVERNOR AND DISASTER EMERGENCIES. (1) Under this act, the governor may issue executive orders, proclamations and amend or rescind them. Executive orders and proclamations have the force and effect of law.

(2) A disaster emergency shall be declared by executive order or proclamation of the governor if he finds a disaster has occurred or that the occurrence or the threat thereof is imminent. The state of disaster emergency shall continue until the governor finds that the threat or danger has passed, or the disaster has been dealt with to the extent that emergency conditions no longer exist, and when either or both of these events occur, the governor shall terminate the state of disaster emergency by executive order or proclamation; provided, however, that no state of disaster emergency may continue for longer than thirty (30) days unless the governor finds that it should be continued for another thirty (30) days or any part thereof. The legislature by concurrent resolution may terminate a state of disaster emergency at any time. Thereupon, the governor shall issue an executive order or proclamation ending the state of disaster emergency. All executive orders or proclamations issued under this subsection shall indicate the nature of the disaster, the area or areas threatened, the area subject to the proclamation, and the conditions which are causing the disaster. An executive order or proclamation shall be disseminated promptly by means calculated to bring its contents to the attention of the general public and unless the circumstances attendant upon the disaster prevent or impede, be promptly filed with the bureau of disaster services, the office of the secretary of state and the office of the recorder of each county where the state of disaster emergency applies.

(3) An executive order or proclamation of a state of disaster emergency shall activate the disaster response and recovery aspects of the state, local and intergovernmental disaster emergency plans applicable to the political subdivision or area in question and be authority for the deployment and use of any forces to which the plan or plans apply and for use or distribution of any supplies, equipment, and materials and facilities assembled, stockpiled, or arranged to be made available pursuant to this act or any other provision of law relating to disaster emergencies.

(4) During the continuance of any state of disaster emergency the governor is commander-in-chief of the militia and may assume command of all other forces available for emergency duty. To the greatest extent practicable, the governor shall delegate or assign command authority by prior arrangement embodied in appropriate executive orders or regulations, but nothing herein restricts his authority to do so by orders issued at the time of the disaster emergency.

(5) In addition to any other powers conferred upon the governor
by law, he may:

(a) suspend the provisions of any regulations prescribing the procedures for conduct of public business that would in any way prevent, hinder, or delay necessary action in coping with the emergency;
(b) utilize all resources of the state, including, but not limited to, those sums in the disaster emergency account as he shall deem necessary to pay obligations and expenses incurred during a declared state of disaster emergency;
(c) transfer the direction, personnel, or functions of state departments and agencies or units thereof for the purpose of performing or facilitating emergency services;
(d) subject to any applicable requirements for compensation under section 46-1012, Idaho Code, commandeer or utilize any private property, real or personal, if he finds this necessary to cope with the disaster emergency;
(e) direct and compel the evacuation of all or part of the population from any stricken or threatened area within the state if he deems this action necessary for the preservation of life or other disaster mitigation, response, or recovery;
(f) prescribe routes, modes of transportation, and destinations in connection with evacuation;
(g) control ingress and egress to and from a disaster area, the movement of persons within the area, and the occupancy of premises therein;
(h) suspend or limit the sale, dispensing or transportation of alcoholic beverages, firearms, explosives, and combustibles;
(i) make provision for the availability and use of temporary emergency housing.

(6) Whenever an emergency or a disaster has been declared to exist in Idaho by the president under the provisions of the disaster relief act of 1974 (public law 93-288, 42 USC 5121) the governor may:

(a) enter into agreements with the federal government for the sharing of disaster recovery expenses involving public facilities;
(b) require as a condition of state assistance that a local taxing district be responsible for paying forty per cent (40%) of the nonfederal share of costs incurred by the local taxing district which have been determined to be eligible for reimbursement by the federal government, provided that the total local share of eligible costs for a taxing district shall not exceed ten per cent (10%) of the taxing district's tax charges authorized by section 63-923(1) and section 63-2220, Idaho Code;
(c) obligate the state to pay the balance of the nonfederal share of eligible costs within local taxing entities qualifying for federal assistance; and
(d) enter into agreements with the federal government for the sharing of disaster assistance expenses to include individual and family grant programs (42 USC 5178).

SECTION 12. That Section 50-1512, Idaho Code, be, and the same is hereby amended to read as follows:

50-1512. TAX LEVY — SALARY DEDUCTIONS. Any city having estab-
lished a policeman's retirement fund may levy a tax of not to exceed eight hundredths per cent (.08%) of market value for assessment purposes of property within the corporate limits of the city, except where pursuant to section 50-1525, Idaho Code, it is found that the levy is not sufficient to meet the fund's future liability, in which case the levy may be increased to provide for the actuarial soundness of the fund. The levy, as authorized herein, shall be exempt from the provisions of section 63-2220, Idaho Code. Said taxes shall be placed by the city treasurer in a fund to be known as the "policeman's retirement fund." Sums certain, as determined by the governing body, not to exceed eight per cent (8%) per month, may be deducted from the salary of each police officer and placed in said "policeman's retirement fund" by the treasurer. When all claims against the fund have been satisfied, the authority to levy according to this section shall terminate.

SECTION 13. That Section 50-2908, Idaho Code, be, and the same is hereby amended to read as follows:

50-2908. DETERMINATION OF TAX LEVIES -- CREATION OF SPECIAL FUND.
(1) For purposes of calculating the rate at which taxes shall be levied by or for each taxing district in which a revenue allocation area is located, the county commissioners shall, with respect to the taxable property located in such revenue allocation area, use the equalized assessed value of such taxable property as shown on the base assessment roll rather than on the current equalized assessed valuation of such taxable property.

(2) With respect to each such taxing district, the tax rate calculated under subsection (1) of this section shall be applied to the current equalized assessed valuation of all taxable property in the taxing district, including the taxable property in the revenue allocation area. The tax revenues thereby produced shall be allocated as follows:

(a) To the taxing district shall be allocated and shall be paid by the county treasurer:

(i) All taxes levied by the taxing district or on its behalf on taxable property located within the taxing district but outside the revenue allocation area;

(ii) A portion of the taxes levied by the taxing district or on its behalf on the taxable property located within the revenue allocation area, which portion is the amount produced by applying the taxing district's tax rate determined under subsection (1) of this section to the equalized assessed valuation, as shown on the base assessment roll, of the taxable property located within the revenue allocation area; and

(iii) If such taxing district is a school district, a further portion of the taxes levied by such district or on its behalf on the taxable property located within the revenue allocation area, which portion is the amount equal to the percentage specified in section 33-1002(7)(a), Idaho Code, multiplied by the difference between the current equalized assessed valuation of such taxable property and the equalized assessed valuation of such taxable property as shown on the base assess-
ment roll.

(b) To the urban renewal agency shall be allocated the balance, if any, of the taxes levied on the taxable property located within the revenue allocation area.

(3) Upon enactment of an ordinance adopting a revenue allocation financing provision as part of an urban renewal plan, the urban renewal agency shall create a special fund or funds to be used for the purposes enumerated in this chapter. The revenues allocated to the urban renewal agency pursuant to this chapter, shall be paid to the agency by the treasurer of the county in which the revenue allocation district is located and shall be deposited by the agency into one or more of such special funds. The agency may, in addition, deposit into such special fund or funds such other income, proceeds, revenues and funds it may receive from sources other than the revenues allocated to it under subsection (2)(b) of this section.

(4) For the purposes of sections 63-621 through 63-626, Idaho Code, during the period when revenue allocation under this chapter is in effect, and solely with respect to any taxing district in which a revenue allocation area is located, the county commissioners shall, in fixing any tax levy, take into consideration the equalized assessed valuation of the taxable property situated in the revenue allocation area as shown in the base assessment roll, rather than the current equalized assessed value of such taxable property.

(5) For all other purposes, including, without limitation, for purposes of sections 33-802, 33-1002, 63-923 and 63-2220, Idaho Code, reference in the Idaho Code to the term "market value for assessment purposes" (or any other such similar term) shall mean market value for assessment purposes as defined in section 63-202, Idaho Code.

SECTION 14. That Section 59-1394, Idaho Code, be, and the same is hereby amended to read as follows:

59-1394. EXCESS COSTS -- ADDITIONAL CONTRIBUTIONS. (1) In addition to the employee and employer contributions required by chapter 14, title 72, Idaho Code, additional contributions shall be required to fund the provisions of section 59-1397, Idaho Code. These costs shall be borne by employers and by the state of Idaho as hereinafter provided.

(a) Fifty percent (50%) of the gross receipts by the state of the tax on fire insurance premiums, as provided by section 41-402, Idaho Code, is hereby perpetually appropriated to the public employee retirement account for the purpose of partially funding the benefit payment requirements imposed by the provisions of chapter 14, title 72, Idaho Code.

(b) The board shall conduct studies from time to time of the benefits prescribed by section 59-1397, Idaho Code, to determine the additional contributions required to fund the rights conferred by chapter 14, title 72, Idaho Code, above and beyond the initial contribution from the fire insurance premium tax required by subsection (1)(a) of this section. If such studies indicate the value of the benefits exceeds the required contributions otherwise prescribed, the board shall establish an additional contribution
rate necessary to bring the amounts into balance. The cost of such additional contribution shall be borne equally by the employers through additional contributions and the state of Idaho through the fire insurance premium tax. In addition to appropriation of the fire insurance premium tax contained in subsection (1)(a) of this section, the amount of the gross receipts by the state of the tax on fire insurance premiums, as provided by section 41-402, Idaho Code, necessary to match dollar for dollar the additional contribution required of employers is hereby perpetually appropriated commencing July 1, 1980 to the public employee retirement account for the purpose of subsection (1)(b) of this section. If the matching funds herein provided equal one hundred percent (100%) of the gross receipts from the fire insurance premium tax, the employers shall contribute the balance of the monies required to meet the required contribution rate. The additional contribution rate from the employers commencing October 1, 1980 shall be ten percent (10%) of the pay period salary of each paid firefighter until next determined by the board. If the additional contribution rate is to be satisfied by an ad valorem tax levy, such levy shall be exempt from the limitation imposed by section 63-923(1), Idaho Code, and from the provisions of section 63-2220, Idaho Code.

(2) Nothing herein contained shall prevent the board from contracting with employers to provide a schedule of contributions which will retire any excess cost over a given period of time, not to exceed fifty (50) years. In the event that such agreements are reached, the amount of the fire insurance premium tax necessary to match additional employer contributions is continuously appropriated for that purpose.

SECTION 15. That Section 63-1605, Idaho Code, be, and the same is hereby amended to read as follows:

63-1605. LOCAL IMPACT FUND. In each county in which a local impact committee is formed, under the provisions of this chapter, there is hereby created and established in the county treasury a local impact fund to which all prepaid ad valorem taxes shall be credited as received.

Moneys in the local impact fund may be expended or transferred to a taxing district only upon the approval of the board of county commissioners with the advice of the local impact committee, any other provisions of law notwithstanding.

The preparation of a budget for the moneys in the fund shall be controlled by the provisions of this chapter, any other provision of law notwithstanding.

The expenditure of moneys from the fund, or the transfer of moneys in the fund to a taxing district, shall be exempt from the provisions of chapter 16, title 31, Idaho Code, from the provisions of section 63-923, Idaho Code, and from the provisions of section 63-2220, Idaho Code.

The moneys received by any taxing district from the local impact fund shall be exempt from the provisions of sections 63-923 and 63-2220, Idaho Code.
SECTION 16. That Section 63-1607, Idaho Code, be, and the same is hereby amended to read as follows:

63-1607. CREDIT FOR PREPAID TAXES. During the last one-half (1/2) of the impact period and for not to exceed three (3) years thereafter, each taxpayer who has prepaid taxes shall be allowed a credit for such taxes paid during the first one-half (1/2) of the impact period. The credit shall be allowed against the actual taxes assessed to the taxpayer by the taxing district which received prepaid taxes from the local impact fund, and shall be calculated to provide an approximately equal credit during each year that the credit is allowed. *Allowances necessary as a credit for prepaid taxes shall not be included as a part of the dollar limitations required by section 63-2202A, Idaho Code.* Any extension of time during which the credit may be allowed shall require the approval of the local impact committee.

SECTION 17. That Section 63-2202A, Idaho Code, be, and the same is hereby amended to read as follows:

63-2202A. REFUND OR CREDIT OF TAXES. (1) When any court or the board of tax appeals orders a refund of any taxes imposed under chapters 1 through 22 of this title, the board of county commissioners of the county or counties which collected the taxes may either refund taxes or apply the amount to be refunded as a credit against taxes due from the taxpayer in the following year. The board of county commissioners may use a combination of both a payment and a credit to effect the refund.

(2) In the event a refund is paid, payments must be made by warrants drawn on the county's current expense fund by the county auditor. The auditor shall apportion the amount of taxes cancelled as credit to the tax collector. The auditor shall charge the various funds and taxing districts with their proportionate share of the refund and credit the current expense account.

(3) If a credit is given the following year, the credit shall be allowed against actual taxes assessed to the taxpayer by the taxing districts which received the taxes ordered to be refunded.

(4) Amounts equal to the refunds or credits allowed in this section may be included in amounts certified pursuant to sections 63-621 through 63-625, Idaho Code, but shall not be a part of the operating budget within the meaning of section 63-2202A, Idaho Code.

(5) As used in this section, "refund" includes tax described in subsection (1) of this section found by the court or the board of tax appeals to have been overpaid and not lawfully due, interest due on the refund of such tax, costs and other amounts ordered paid by a court or the board of tax appeals.

The board shall by resolution fix the levy to be made for such district for such year and the secretary shall transmit a certified copy of such resolution to the county commissioners at the time and in the manner provided by sections 63-621 through 63-624, Idaho Code. Such taxes shall be collected as provided by section 63-918, Idaho Code, and remitted to the treasurer of the district as provided by section 63-2104, Idaho Code.

Provided, that in the first year after organization, the board of a district may, for the purpose of organization, to finance general preliminary expenses of the district or for any other purpose of the hospital district law, and before making a tax levy, incur an indebtedness not exceeding in the aggregate a sum equal to three-(3)-millions-on-each-one-dollar-three tenths percent (.3%) of market value for assessment purposes of all real and personal property within the district. To repay any such organizational indebtedness incurred, on or after March 21, 1985, the board shall have authority to levy and collect an additional tax not to exceed one-(1)-millions-per annum-on-the-dollar-on one tenth percent (.1%) of market value for assessment purposes of all taxable property within the district. such annual appropriation bill; if such warrants amount to a sum equal to three per cent (3%) and less than four per cent (4%) of such taxable property, they must levy and include a special tax or assessment of not to exceed six-(6)-mills-on-the-dollar twelve hundredths per cent (.12%) of market value for assessment purposes in such annual appropriation bill; if such warrants amount to a sum equal to two per cent (2%) and less than three per cent (3%) of such taxable property, they must levy and include a special tax or assessment of not to exceed four-(4)-mills-on-the-dollar eight hundredths per cent (.08%) of market value for assessment purposes in such annual appropriation bill; and if such warrants amount to one per cent (1%) and less than two per cent (2%) of such taxable property they must levy and include a special tax or assessment of not to exceed two-(2)-mills-on-the-dollar four hundredths per cent (.04%) of market value for assessment purposes in such annual appropriation bill; and if such warrants amount to less than one per cent (1%) of such taxable property, then they must levy and include such special tax or assessment on the dollar in such annual appropriation bill as shall be sufficient to pay such warrants.

All moneys arising from such special tax or assessment shall be placed in a special fund to be known as the "Warrant Redemption Fund" and the redemption of such warrants shall be paid exclusively from this fund.

All moneys in the city treasury at the end of each fiscal year not needed for that year's expenses and applicable thereto, and not subject to the provisions of section 50-l005A, Idaho Code, shall be transferred to said "Warrant Redemption Fund," if such there be.

RELATING TO APPRAISEMENT, LEASE AND SALE OF PUBLIC LANDS; AMENDING SECTION 58-335A, IDAHO CODE, TO ALLOW THE IDAHO TRANSPORTATION DEPARTMENT TO DISPOSE OF SURPLUS REAL PROPERTY OF THE DEPARTMENT, TO PROVIDE FOR EXCHANGE OF SURPLUS REAL PROPERTIES FOR PURPOSES OF ACQUIRING HIGHWAY RIGHTS-OF-WAY, TO PROVIDE OWNERS OF PROPERTY ADJOINING SURPLUS PROPERTY OF THE DEPARTMENT THE OPTION TO PURCHASE SURPLUS PROPERTY, AND TO MAKE A TECHNICAL CORRECTION.

Be It Enacted by the Legislature of the State of Idaho:
SECTION 1. That Section 58-335A, Idaho Code, be, and the same is hereby amended to read as follows:

58-335A. OTHER LANDS EXEMPT FROM ACT. The provisions of sections 58-331 through 58-335, Idaho Code, shall not apply to surplus real properties of the Idaho transportation department having an appraised value of twenty-five thousand dollars ($25,000) or less, with the exclusion of office and maintenance yard sites. For the purpose of acquiring highway rights-of-way, the Idaho transportation board is authorized to exchange surplus real property of the department for other parcels of real property. In exchanging real properties, the board shall cause both parcels of real property to be appraised, and either the owner or the department shall pay to the other the difference in value.

Before the department disposes of surplus property at public sale, if the property is valued at less than ten thousand dollars ($10,000), the department shall first notify any person who owns real property which is contiguous with the surplus property of the department that he has first option to purchase the surplus property for an amount not less than the established value. If more than one (1) adjoining owner wants to purchase the property, a private auction shall be held for such parties. If no owner of adjoining property exercises his option to buy, the department may proceed to public sale.

CHAPTER 210
(H.B. No. 765)

AN ACT
RELATING TO SALES TAXES; AMENDING SECTION 63-3620, IDAHO CODE, TO MODIFY THE PROCEDURE BY WHICH SELLER'S PERMITS MAY BE REVOKED, MAKING GRAMMATICAL CHANGES AND REPEALING OBSOLETE LANGUAGE; AMENDING SECTION 63-3620A, IDAHO CODE, TO MODIFY THE PROCEDURE BY WHICH SELLER'S PERMITS MAY BE REVOKED AND TO PROVIDE FOR THE EXPIRATION OF PERMITS; AMENDING SECTION 63-3631, IDAHO CODE, TO MODIFY THE PROCEDURE BY WHICH SELLER'S PERMITS MAY BE REVOKED.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 63-3620, Idaho Code, be, and the same is hereby amended to read as follows:

63-3620. PERMITS -- ISSUANCE -- REVOCATION -- RESALE CERTIFICATES -- PENALTIES. (a) Every person desiring to engage in or conduct retailer engaged in business in this state, before conducting business as a seller within this state, shall file with the state tax commis-
sion an application for a seller's permit. Every application for a permit shall be made upon a form prescribed by the state tax commission and shall set forth the name under which the applicant transacts or intends to transact business, the location of his place or places of business, and such other information as the state tax commission may require. The applications, or any information contained therein, may be made available by the tax commission to authorized representatives of state or federal agencies. The application shall be signed by the owner if he is a natural person; in the case of an association or partnership by a member or partner; in the case of a corporation, by an executive officer or other person by an individual authorized by the corporation seller to sign the application. Except as provided in subsection (e) of this section, permits shall be issued without charge.

(b) The person signing the application shall certify that the applicant will actively engage in or conduct a business making sales subject to tax under this chapter.

(c) After compliance by the applicant with the requirements set out above and in section 63-3625, Idaho Code, the state tax commission shall grant and issue to each applicant a permit. A permit shall not be assignable, and shall be valid only for the person in whose name it is issued. The permit or a copy thereof shall at all times be conspicuously displayed at each place where the person to whom it is issued conducts business.

(d) A seller whose permit has been previously suspended or revoked shall pay the state tax commission a fee of ten dollars ($10.00) for the renewal or issuance of a permit in the event of a first revocation and twenty-five dollars ($25.00) for renewal after each successive revocation unless the suspension or revocation is for inactivity pursuant to section 63-3620A, Idaho Code.

(e) Whenever any person fails to comply with any provision of this act chapter relating to the sales tax or any rules or regulations of the state tax commission relating to the sales tax prescribed and adopted under this act chapter, the state tax commission, upon hearing, after giving the person ten (10) days' notice in writing specifying the time and place of hearing and requiring him to show cause why his permit or permits should not be revoked, may revoke or suspend any one or more of the permits held by the person. The notices may be served personally or by mail in the manner prescribed for service of notice of a deficiency determination. Notice of revocation shall be given in the manner provided for deficiencies in taxes in section 63-3629, Idaho Code, which shall be subject to review as provided in section 63-3631, Idaho Code. The state tax commission shall not issue a new permit after the revocation of a permit unless the commission is satisfied that the former holder of the permit will comply with the provisions of this act chapter relating to the sales tax and the regulations rules of the state tax commission.

(f) A person who engages in business as a seller in this state without a permit or permits, or after a permit has been suspended, and each officer of any corporation which so engages in business is guilty of a misdemeanor punishable by a fine not in excess of one hundred
dollars ($100), and each day shall constitute a separate offense.

(g) (i) For the purpose of the proper administration of this act chapter and to prevent evasion of the sales tax, it shall be presumed that all sales are subject to the tax. The burden of proving that a sale is not a sale at retail is upon the person who makes the sale unless he obtains from the purchaser a resale certificate, or has a resale certificate on file from the purchaser, to the effect that the property is purchased for resale. It shall be presumed that sales made to a person who has completed a resale certificate for the seller's records are not taxable and the seller need not collect sales or use taxes unless the tangible personal property or services purchased are taxable to the purchaser as a matter of law in the particular instance claimed on the resale certificate.

(ii) A seller may accept a resale certificate from a purchaser prior to the time of sale, at the time of the sale, or at any reasonable time after the sale when necessary to establish the privilege of the exemption. The resale certificate relieves the seller from the burden of proof only if taken from a person who is engaged in the business of selling or renting tangible personal property and who holds a permit provided for in this section, or who is a retailer not engaged in business in this state, and who, at the time of purchasing the tangible personal property, intends to sell or rent it in the regular course of business or is unable to ascertain at the time of purchase whether the property will be sold or will be used for some other purpose. Other than as provided elsewhere in this section, when a resale certificate, properly executed, is presented to the seller, the seller has no duty or obligation to collect sales or use taxes in regard to any sales transaction so documented regardless of whether the purchaser properly or improperly claimed an exemption. A seller so relieved of the obligation to collect tax is also relieved of any liability to the purchaser for failure to collect tax or for making any report or disclosure of information required or permitted under this chapter.

(iii) The resale certificate shall be signed by and bear the name and address of the purchaser or his agent, shall indicate the number of the permit issued to the purchaser or that the purchaser is an out-of-state retailer, and shall indicate the general character of the tangible personal property sold or rented by the purchaser in the regular course of business. The certificate shall be substantially in such form as the state tax commission may prescribe.

(h) If a purchaser who gives a resale certificate makes any use of the property other than retention, demonstration or display while holding it for sale or rent in the regular course of business, the use shall be taxable to the purchaser as of the time the property is first used by him, and the sales price of the property to him shall be deemed the measure of the tax.

(i) Any person who gives a resale certificate for property which he knows at the time of purchase is not to be resold or rented by him in the regular course of business for the purpose of evading payment to the seller of the amount of the tax applicable to the transaction is guilty of a misdemeanor and punishable by a fine not exceeding one
thousand dollars ($1,000), or by imprisonment for a period not in excess of one (1) year, or by both such fine and imprisonment.

(c) If a purchaser gives a resale certificate with respect to the purchase of fungible goods and thereafter commingles these goods with other fungible goods not so purchased but with such similarity that the identity of the constituent goods in the commingled mass cannot be determined, sales from the mass of commingled goods shall be deemed to be sales of the goods so purchased until a quantity of commingled goods equal to the quantity of purchased goods so commingled has been sold.

SECTION 2. That Section 63-3620A, Idaho Code, be, and the same is hereby amended to read as follows:

63-3620A. REVOCATION, SUSPENSION OR CANCELLATION EXPIRATION OF PERMITS HELD BY PERSONS NOT ACTIVELY ENGAGED IN BUSINESS. (1) A permit shall be held only by persons actively engaged in making sales subject to tax under this chapter. Any person not so engaged shall forthwith surrender his permit to the state tax commission for cancellation. The state tax commission may revoke the permit of a person not actively engaged in making sales subject to tax under this chapter.

(2) Notice of revocation shall be given in the manner provided for deficiencies in taxes in section 63-3629, Idaho Code, which shall be subject to review as provided in section 63-3631, Idaho Code.

(3) A permit held by a person who, for a period of twelve (12) consecutive months, reports no sales shall expire automatically upon the state tax commission providing notice of the expiration to the last known address of the person to whom the permit was issued.

(4) The state tax commission may provide by regulation rule for the temporary suspension of permits held by persons engaged in seasonal business or who may otherwise temporarily not be actively engaged in the business of making sales subject to tax under this chapter.

(5) A person holding a seller's permit who, for a period of twelve (12) consecutive months, reports no sales subject to tax may be deemed by the state tax commission to be a person not actively engaged in making sales subject to tax under this chapter.

SECTION 3. That Section 63-3631, Idaho Code, be, and the same is hereby amended to read as follows:

63-3631. REDETERMINATION. (1) Any person against whom a deficiency determination is made under section 63-3629, Idaho Code, or in regard to whom the state tax commission proposes to revoke or suspend a permit under section 63-3620, 63-3620A or 63-3623B, Idaho Code, or any person directly interested, may petition for a redetermination within the time period allowed by section 63-3045, Idaho Code. If a petition for redetermination is not filed within the time period allowed, the determination becomes final as provided in section 63-3045B, Idaho Code.

(2) The state tax commission may decrease or increase the amount of the determination before it becomes final, but the amount may be increased only if a claim for the increase is asserted by the state
tax commission at or before the hearing.

CHAPTER 211
(H.B. No. 793)

AN ACT
RELATING TO CONDITIONS WHEN TWO OR MORE APPLICANTS APPLY FOR A STATE LAND LEASE; AMENDING SECTION 58-310B, IDAHO CODE, TO CLARIFY CRITERIA THAT MAY BE CONSIDERED BY THE STATE BOARD OF LAND COMMISSIONERS IN DECIDING WHO IS QUALIFIED TO BID IN CONFLICT AUCTIONS AND TO WHOM THE LEASE SHOULD BE AWARDED; AND DECLARING AN EMERGENCY.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 58-310B, Idaho Code, be, and the same is hereby amended to read as follows:

58-310B. TWO OR MORE APPLICANTS FOR SAME LAND -- AUCTION OF LEASE. (1) The legislature of the state of Idaho finds:
(a) That state endowment lands are a valuable resource to the people of Idaho, supporting employment opportunities and creating a significant source of income to the state and endowed state institutions;
(b) That many state endowment lands have few alternative uses, except for grazing livestock, that provide a stable long-term source of income to the endowed institutions of the state and contribute to tax revenues from all sources;
(c) That maximum long-term financial returns to the institutions to which granted are best obtained through stable leases;
(d) That long-term productivity of state endowment grazing lands and maximum long-term financial returns to the endowed institutions and the state are encouraged when lessees engage in cooperative grazing planning and management with the state of Idaho and federal land management agencies;
(e) That the promotion of good stewardship through the cooperative development and implementation of written grazing management plans, which meet department standards, on state endowment lands should be encouraged.
(2) It is hereby declared that the purposes of this section are:
(a) To support the endowed institutions and the state by encouraging a healthy Idaho livestock industry so as to generate related
business and employment opportunities on a state and local level, thus supporting additional sales, income and property taxes;
(b) To enhance the long-term financial returns to the endowed institutions and the state from the state endowment lands available for grazing leases.
(3) When two (2) or more qualified applicants, as determined by the state board of land commissioners apply to lease the same endowment land that is currently leased for grazing, the director of the department of lands, or his agent, shall hold an auction.
(a) At least fourteen (14) days prior to the date of such auction, the director, or his agent, shall give notice by letter, which notice shall be sent in the course of regular mail to each of the qualified applicants for the lease, notifying them of the time and place such auction is to be held. The notice shall be sent to the name and address exactly as it is given in the application.
(b) Each qualified applicant who appears in person or by proxy at the time and place so designated in said notice shall be deemed to have participated in the auction. To be awarded the lease, a qualified applicant must participate in the auction.
(4) To be a qualified applicant and therefore entitled to participate at an auction for a lease under this section:
(a) The conflict applicant must have provided payment of one (1) year's rental on the lease payable at the time of application to lease;
(b) The applicant must be capable of and willing to fulfill all provisions of any existing written grazing management plan which meets department standards associated with the parcel;
(c) The conflict applicant's proposed use of the state land must be compatible with the purpose and terms of a written grazing management plan which meets department standards;
(d) The applicant must have filed applications in the manner and at the time provided for by statute and rules duly promulgated thereunder.
(e) Nothing herein shall limit the state board of land commissioner's discretion to consider other qualification criteria, including but not limited to applicable criteria contained in subsection (6) of this section.
(5) The state board of land commissioners is expressly authorized to reject conflict applications, filed under section 58-307, Idaho Code, and this section, to lease parcels of grazing land.
(6) Criteria to that may be considered by the state board of land commissioners, in deciding who shall be a qualified applicant—and to whom the lease should be awarded, include, but are not limited to, the following:
(a) Whether the participant is qualified to bid, as provided for in satisfies the requirements of subsection (4) of this section;
(b) Whether the current lessee owns or controls sufficient real property to adequately feed the livestock in the lessee's agricultural operation when the lessee is not utilizing the state lands for grazing purposes;
(c) The importance of the state grazing lands to be leased upon the current lessee's total annual livestock operation, and the
ability of the lessee to remain economically viable without the
lease;
(d) The future revenues reasonably anticipated to be generated for the beneficiaries of the endowment and the state as a result of awarding the lease to one (1) applicant over others, including but not limited to, if a conflict auction has been held, the board also may consider the premium bids resulting from the auction.
(e) The board shall also consider the indirect benefits to the beneficiaries of the endowment from tax revenues from all sources generated by the lessee's proposed activities on the leasehold and those activities related thereto, and the long-term stability or appreciation of such tax revenues; and
(ef) The impact that each proposed leasehold operation will have on any adjacent public endowment land or the return to the endowment if the leasehold is not managed in conjunction with adjacent grazing lands and related grazing management units;
(ff) Whether the current lessee has managed the conflicted parcels in accordance with a written cooperative grazing management plan which meets department standards;
(gg) Whether the current lessee has applied in writing to the director for the development and implementation of a written cooperative grazing management plan which meets department standards;
(hh) Nothing herein shall limit the state board of land commissioner's discretion to consider other criteria in deciding to whom the lease should be awarded.
(7) (a) For the purposes of subsection (6)(gh) of this section, the qualified applicant status of a current lessee having applied in writing to the director for the cooperative development and implementation of a written grazing management plan, meeting department standards, shall remain in force until the director notifies the lessee in writing that the department is ready to develop a written grazing management plan;
(b) The failure of the lessee to enter into a cooperative grazing management plan within eighteen (18) months following the director's written notice shall constitute a breach of the lease;
(c) Upon written request by the lessee, filed before the expiration of the eighteen (18) month period, the department may authorize additional time to complete the plan, provided that development of the written grazing management plan is progressing to the satisfaction of the director;
(d) The department shall prioritize all written requests to establish grazing management plans, with such priority list in writing to be made available at appropriate department offices.
(78) (a) If the board awards the lease for the conflicted parcels to the former lessee, any existing written grazing management plan shall be incorporated by reference in the lease;
(b) If the board awards the lease for the conflicted parcel(s) to the former lessee who, prior to said award, has applied in writing to the director for the development and implementation of a written grazing management plan which meets department standards, then said written grazing management plan shall, upon its development, be incorporated by reference into the lease as a matter of law, as if it had existed and been approved when the board awarded the
lease;
(c) If the board awards the lease for the conflicted parcels to a conflict applicant, a written cooperative grazing management plan which meets department standards shall, upon its development, be incorporated by reference into the lease as a matter of law, as if it had existed and been approved when the board awarded the lessee lease.

(89) The state board of land commissioners shall review all bids and shall have the power to reject any and all bids made at such auctions, when in their judgment:
(a) There has been fraud or collusion;
(b) The criteria listed in subsection (6) of this section have not been satisfied so as to support the findings and purposes of this section; or
(c) For any other reasons which, in the judgment of the state board of land commissioners, justify the rejection of said bids.

SECTION 2. An emergency existing therefor, which emergency is hereby declared to exist, this act shall be in full force and effect on and after its passage and approval.

Approved March 12, 1996.

AN ACT RELATING TO SEED ARBITRATION; AMENDING SECTION 22-436, IDAHO CODE, TO CLARIFY REQUIREMENTS TO QUALIFY FOR ARBITRATION, TO CLARIFY NOTIFICATION REQUIREMENTS, TO INCREASE MEMBERSHIP OF THE SEED ARBITRATION COUNCIL, TO CLARIFY PROCEDURES ASSOCIATED WITH COMMENCEMENT OF ARBITRATION, TO PROVIDE FOR ASSESSMENT AND COSTS OF INVESTIGATIONS AND TO MAKE TECHNICAL CORRECTIONS.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 22-436, Idaho Code, be, and the same is hereby amended to read as follows:

22-436. SEED ARBITRATION REVIEW-COUNCIL. (1) Requirement of arbitration. When any buyer claims to have been damaged by the failure of a--tuber,--plant,--or-plant-part--to--perform--as--represented;--or-when-any buyer-claims-to-have been-damaged-by--the--failure--of any seed for planting to produce or perform as represented by the required label to be attached to such seed under section 22-415, Idaho Code, or by warranty, or as a result of negligence, as a prerequisite to the buyer's right to maintain a legal action against the dealer or any other seller of such seed, the buyer shall first submit the claim to arbitration as provided in this section. The monetary value of the claim must exceed three thousand dollars ($3,000). Any applicable period of limitations with respect to such claim shall be tolled until ten (10) days after the filing of the report of arbitration with the director
of the department of agriculture as provided in subsection (5)(i) of this section.

(2) Notice of arbitration requirement. Conspicuous language calling attention to the requirement for arbitration under this section shall be referenced or included on the analysis label required under section 22-415, Idaho Code, or otherwise attached to the seed bag or package. Arbitration shall not be required unless this notice is included. A notice in the following form, or equivalent language, shall be sufficient:

NOTICE OF REQUIRED ARBITRATION
Under the seed laws of some states, arbitration is required as a precondition of maintaining certain legal actions, counterclaims or defenses against a seller of seed. The buyer must file a complaint along with the filing fee with the Idaho Department of Agriculture within such time as to permit inspection of the crops, plants or trees and notify seller of complaint. The buyer shall notify and serve a copy of the complaint upon the seller by certified mail.

(c) Use as evidence. In any litigation involving a complaint which has been the subject of arbitration under this section, any party may introduce the report of arbitration as evidence of the findings of the report, and the court may give such weight to the arbitration council's findings and recommendations as to damages and costs, as the court may see fit based upon all the evidence before the court. The court may also take into account any finding of the arbitration council with respect to the failure of any party to cooperate in the arbitration proceedings including, any finding as to the effect of delay in filing the arbitration claim upon the arbitration council's ability to determine the facts of the case.
(d) Investigation costs. The costs of conducting the investigation will be borne by the nonprevailing party.

Either the buyer or the seller may challenge any member or alternate of the council if there is reason to believe that a conflict of interest exists. In the event that a member or alternate is challenged, the director of the department of agriculture shall appoint, with the consent of the buyer and seller, a replacement, who shall be knowledgeable about agricultural husbandry.

The council shall elect a chairman and a secretary from its membership. The chairman shall conduct meetings and deliberations of the council and direct all of its other activities. The secretary shall keep accurate records of all such meetings and deliberations and perform such other duties for the council as the chairman may direct.

The tax shall be due on or before the time when the canola or rapeseed is first sold or contracted in the commercial channels in this state and shall be paid at the times the commission may by rule prescribe, but not later than the 15th day of the month next succeeding the three (3) month period in which the canola or rapeseed is sold or contracted in commercial channels. The commission shall designate the quarters (three (3) month periods) for the purpose of collection of this tax.

(2) The tax shall be levied and assessed to the seller at the time of delivery for sale and shall be deducted by the first purchaser from the price paid to the seller at the time of sale, or in case of a lienholder who may possess the canola or rapeseed under his lien, the tax shall be deducted by the lienholder from the proceeds of the claim secured by the lien at the time the canola or rapeseed is pledged or mortgaged. The tax shall be deducted as provided in this section whether the canola or rapeseed is stored in this state or elsewhere. The commission may, however, permit any federal corporation, such as the commodity credit corporation, to waive its responsibility for the collection of the tax, provided the amount of the tax is one dollar ($1.00) or less.

(3) The tax constitutes a lien prior to all other liens and encumbrances upon the canola or rapeseed, except liens which are declared prior by operation of a statute of this state.

(4) Any person or firm who pays taxes to the commission at a date later than that prescribed in this section may be subject to assessment of a late payment penalty as set forth by rule of the commission. The penalty shall not exceed the rate of eighteen percent (18%) per annum on the amount due. In addition to the penalty, the commission may recover all costs and fees, including reasonable attorney's fees, incurred in collecting the tax and penalty provided for in this section.

(5) A sale shall be exempt from the tax imposed in this section if a substantially similar tax is imposed by and paid to another state or foreign country and used for similar purposes with respect to the same canola or rapeseed. The commission shall, by rule, identify what other taxes are substantially similar and are used for similar pur-
poses, and shall establish procedures for sellers to prove the payment of the other taxes.

22-4717. ASSESSMENT REFUNDS — ESCROW ACCOUNT. (1) During the period beginning on July 1, 1996, and ending on the date on which a referendum is conducted pursuant to section 22-4718, Idaho Code, the commission shall establish an escrow account to be used for refunds of assessments collected pursuant to section 22-4716, Idaho Code, and shall place an amount equal to ten percent (10%) of the total amounts collected in the escrow account.

(2) The commission shall refund to a seller the assessments paid by or on behalf of the seller if the seller is required to pay the assessments, the seller does not support the program established under this act, and the seller demands the refund prior to the performance of the referendum described in this act.

(3) The refund demand shall be made in accordance with rules, in the form, and within the time period prescribed by the commission.

(4) The refund shall be made on submission of proof satisfactory to the commission that the seller paid the assessments described in section 22-4716, Idaho Code, and for which the refund is demanded.

(5) If the amount in the escrow account is not sufficient to refund the total amount of assessments demanded by eligible sellers and the commission is not approved to continue pursuant to the referendum conducted pursuant to this act, the commission shall prorate the amount of the refunds among all eligible sellers who demand a refund.

(6) If the operation of the commission is approved in the referendum conducted pursuant to this act, all funds in the escrow account shall be returned to the commission for its use in accordance with this act.

22-4718. REFERENDUM. (1) During the period ending thirty (30) months after July 1, 1996, the commission shall conduct a referendum among sellers who, during a representative period as determined by the rules of the commission, have sold canola or rapeseed for the purpose of ascertaining whether the commission shall continue.

(2) Notice shall be given to sellers eligible to vote in the referendum in accordance with rules established by the commission.

(3) If a majority of the eligible sellers approve, the commission will be continued and the refund provisions will be terminated.

(4) If a majority of eligible sellers do not approve to continue the commission, collection of the tax under this act shall be terminated.

(5) If a majority of the eligible sellers approve of continuing the commission in the original referendum, at intervals of five (5) years, the commission shall conduct an advisory poll of qualified sellers as to the effectiveness and continuation of the commission.

22-4719. DELIVERY OF INVOICES TO SELLERS. (1) The purchaser, at the time of settlement, shall make and deliver separate invoices for each purchase to the seller.

(2) The invoices shall be on forms and in such numbers as prescribed and supplied by the commission and shall show at least:

(b) The name and address of the purchaser.
(c) The number of pounds of canola or rapeseed sold.

(3) The invoices shall be legibly written and shall have no corrections or erasures on the face thereof.
(4) Unlawful or willful alteration of an invoice shall constitute a misdemeanor.

The commission shall designate the banks or trust companies. All funds so deposited are hereby continuously appropriated for the purpose of carrying out the provisions of this chapter.

(2) Funds can be withdrawn or paid out of such accounts only upon checks or other orders upon such accounts signed by two (2) officers designated by the commission.

(3) The right is reserved to the state of Idaho to audit the funds of the commission at any time.

(4) On or before January 15 of each year, the commission shall file with the senate agricultural affairs committee, the house agricultural affairs committee, the legislative council, the state controller, and the division of financial management, a report showing the annual income and expenses by standard classification of the commission during the preceding fiscal year. The report shall also include an estimate of income to the commission for the current and next fiscal year. From and after January 15, 1999, the report shall also include a reconciliation between the estimated income and expenses projected and the actual income and expenses of the preceding fiscal year.

(5) All moneys received or expended by the commission shall be audited annually by a certified public accountant designated by the commission, who shall furnish a copy of the audit to the state controller and to the senate agricultural affairs committee and the house agricultural affairs committee. The audit shall be completed within ninety (90) days following the close of the fiscal year.

22-4721. TEMPORARY LINE OF CREDIT FOR START-UP COSTS. There is hereby established a temporary line of credit to be drawn from the state general fund to the commission in the amount of ten thousand dollars ($10,000). This sum is continuously appropriated for carrying out the purposes of this act. The temporary line of credit may be drawn upon by the commission only during the first eighteen (18) months after the effective date of this act and only for the purpose of financing the initial start-up of the commission. The commission may draw upon all or part of this temporary line of credit, as may be required. The money advanced from the state general fund shall be repaid with interest to the general fund within two (2) years from the date the commission first draws upon the temporary line of credit.
The interest of ten percent (10%) per annum shall be calculated upon the principal amount outstanding each month until repaid.

22-4722. PENALTIES. Any person who shall violate or aid in the violation of any of the provisions of this act shall be guilty of a misdemeanor and upon conviction shall be punished by a fine of not more than three hundred dollars ($300), or imprisonment not to exceed ninety (90) days, or both. Fines collected for violation of this act shall be paid into the "Idaho canola and rapeseed commission fund."

At the time any claim is concluded, only statistical data and actual amounts paid in settlement shall be deemed a public record unless otherwise ordered to be sealed by a court of competent jurisdiction. Provided, however, nothing in this subsection is intended to limit the attorney client privilege or attorney work product privilege otherwise available to any public agency.

(41) Records of laboratory test results provided by or retained by the department of agriculture's quality assurance laboratory. Nothing in this subsection shall limit the use which can be made, or availability of such information if used, for regulatory purposes or its admissibility in any enforcement proceeding.

Be It Enacted by the Legislature of the State of Idaho:

It is the intent of the legislature that, through this act, domestic reciprocal insurers which offer only worker's compensation coverage be treated like self-insured employers. Commercial insurance companies are required to participate in the assigned risk pool. However, it is the intent of the legislature that small, domestic reciprocal insurers addressed through this act not be included in the assigned risk pool and not be required to participate in the assigned risk pool system.

SECTION 2. That Section 72-322, Idaho Code, be, and the same is hereby amended to read as follows:

72-322. ASSIGNED RISK. The commissioner director of the department of insurance, after consultation with sureties authorized to issue 
workmen's worker's compensation policies and guaranty contracts in this state, may put into effect a reasonable system for the equitable apportionment among such sureties of applicants for such policies or guaranty contracts who are in good faith entitled to but are unable to procure the same through ordinary methods. Such system shall be so
drawn as to guarantee that such an applicant, if not in default on workmen's worker's compensation premiums, shall, following his application to the assigned risk system and tender of required premium, be covered by workmen's worker's compensation insurance or his coverage guaranteed. When any such system has been approved, all such carriers shall subscribe thereto and participate therein. Assignment shall be in such manner that, as far as practicable, no surety shall be assigned a larger proportion of compensation premiums under assigned policies during any calendar year than that which the total of compensation premiums written in the state by such surety during the preceding year bears to the total compensation premiums written in the state by all such sureties during the preceding calendar year. Provided however, that domestic reciprocal insurers which insure only worker's compensation risks shall be exempt from participation in this system.

   (b) A compressed or liquified gas obtained as a byproduct in petroleum refining or natural gasoline manufacture, such as butane, isobutane, propane, propylene, butylenes, and their mixtures; and
   (c) Natural gas, either liquid or gas, and hydrogen, used for the generation of power for the operation or propulsion of motor vehicles.

(20) "Special fuels dealer" means "distributor" under subsection (5) of this section.

(21) "Special fuels user" means any person who uses or consumes special fuels for the operation or propulsion of motor vehicles owned or controlled by him upon the highways of this state.

(22) "Use" means either:
   (a) The receipt, delivery or placing of fuels by a licensed distributor or a special fuels dealer into the fuel supply tank or tanks of any motor vehicle not owned or controlled by him while the vehicle is within this state; or
   (b) The consumption of fuels in the operation or propulsion of a motor vehicle on the highways of this state.

SECTION 2. That Section 63-2407, Idaho Code, be, and the same is hereby amended to read as follows:

63-2407. DEDUCTIONS AUTHORIZED. Each licensed distributor shall deduct from his monthly report:

(1) Gasoline and/or aircraft engine fuel exported from this state other than in the supply tanks of motor vehicles, motor boats or aircraft when supported by a shipping document issued by a common car-
rier, an invoice signed by the purchaser, or other proper documents approved by the commission **but only if:**

(a) the purchaser is not a licensed distributor and the seller can establish that any tax due in the jurisdiction to which the gasoline and/or aircraft engine fuel is destined is paid, or

(b) the purchaser is a licensed distributor in the jurisdiction to which the gasoline and/or aircraft engine fuel is destined.

(2) Gasoline and/or aircraft engine fuel returned to a licensed distributor's refinery or pipeline terminal storage when supported by proper documents approved by the commission.

(3) Gasoline and/or aircraft engine fuel lost or destroyed by fire, lightning, flood, tornado, windstorm, explosion, or other accidental casualty, after presenting to the commission satisfactory proof of loss.

(4) The number of gallons which would be equal to one per cent (1%) of the total number of gallons received during the reporting period, less the total number of gallons deducted under subsections (1) through (3) of this section, which credit is granted to the licensed distributor to reimburse him for the expense incurred on behalf of the state of Idaho in collecting and remitting gasoline and/or aircraft engine fuel tax moneys, maintaining necessary records for the state, preparing necessary reports and remittances in compliance with this chapter, and for loss from evaporation, handling, spillage and shrinkage, except losses caused by casualty as provided in subsection (3) of this section. The licensed distributor may, in addition to the above, deduct the number of gallons equal to one per cent (1%) of the total number of gallons received during the preceding calendar month, less the total number of gallons deducted under subsections (1) through (3) of this section, to cover shrinkage, evaporation, spillage and handling losses of a retail dealer. The latter deductions are to be allowed only upon filing with the commission satisfactory evidence as may be prescribed by it indicating the credit allowance has been made in favor of the retail dealer or paid to him. The evidence shall be submitted together with the report wherein this portion of the deduction is claimed. A licensed distributor who sells and delivers gasoline directly to the consumer and not for resale shall, with respect to those sales, be deemed a retail dealer for the purposes of this section.

(6) For sales made on or after July 1, 1995, taxes previously paid on gallons represented by accounts found to be worthless and actually charged-off for income tax purposes may be credited upon a subsequent payment of the tax provided in this chapter or, if no such tax is due, refunded. If such accounts are thereafter collected, the tax per gallon shall be paid based upon the amount actually received divided by the price per gallon of the original sale multiplied by the appropriate tax rate.
SECTION 3. That Section 63-2416, Idaho Code, be, and the same is hereby amended to read as follows:

63-2416. TAX IMPOSED. (1) For the privilege of using the public highways, an excise tax is hereby imposed on all special fuels used for the operation or propulsion of any motor vehicle which is licensed or required to be licensed under the laws of this state or which is required to be licensed under the laws of another state and is operated on a highway in this state. The tax shall apply at the same rate as the tax imposed by section 63-2405, Idaho Code. The tax shall attach and be collected at the time special fuels are received, in the same manner as for gasoline under section 63-2403, Idaho Code, and is to be paid by the licensed distributor.

(2) The tax imposed in subsection (1) of this section does not apply to special fuels:
   (a) Which have been dyed at a refinery or terminal; or
   (b) Exported, other than in the supply tanks of motor vehicles, but only if:

      (ii) the purchaser is a licensed distributor in the jurisdiction to which the special fuel is destined; or
   (c) Dispensed into a motor vehicle which uses gaseous special fuels and which displays a valid gaseous special fuels permit under section 63-2424, Idaho Code; or
   (d) Which are gaseous special fuels, as defined in section 63-2401, Idaho Code, unless any part thereof is delivered into the fuel supply tank or tanks of a motor vehicle.

(4) A floor stocks tax is hereby imposed upon every licensed special fuels dealer on all undyed diesel fuel at the rate imposed in subsection (1) of this section on each gallon of fuel in their possession or under their control on January 1, 1996. The tax shall be reported with the return due under this chapter for the month of January, 1996, in the manner required by the state tax commission. The tax due under this subsection shall be paid in full to the state tax commission on or before July 31, 1996.

AN ACT
RELATING TO DETERMINATION OF MENTAL STATUS IN CRIMINAL PROSECUTIONS;
AMENDING SECTION 18-207, IDAHO CODE, TO PROVIDE CONDITIONS FOR EXPERT TESTIMONY CONCERNING MENTAL CONDITION AND TO REQUIRE OPPORTUNITY FOR THE OPPOSING PARTY TO CONDUCT EXAMINATIONS AND TO MAKE TECHNICAL CORRECTIONS; AND AMENDING SECTION 18-211, IDAHO CODE, TO ELIMINATE A REQUIREMENT FROM A REPORT ORDERED BY THE COURT.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 18-207, Idaho Code, be, and the same is hereby amended to read as follows:

18-207. MENTAL CONDITION NOT A DEFENSE -- PROVISION FOR TREATMENT DURING INCARCERATION -- RECEPTION OF EVIDENCE -- NOTICE AND APPOINTMENT OF EXPERT EXAMINERS. (a1) Mental condition shall not be a defense to any charge of criminal conduct.

(b2) If by the provisions of section 19-2523, Idaho Code, the court finds that one convicted of crime suffers from any mental condition requiring treatment, such person shall be committed to the board of correction or such city or county official as provided by law for placement in an appropriate facility for treatment, having regard for such conditions of security as the case may require. In the event a sentence of incarceration has been imposed, the defendant shall receive treatment in a facility which provides for incarceration or less restrictive confinement. In the event that a course of treatment thus commenced shall be concluded prior to the expiration of the sentence imposed, the offender shall remain liable for the remainder of such sentence, but shall have credit for time incarcerated for treatment.

(c3) Nothing herein is intended to prevent the admission of expert evidence on the issues of mens-rea-or any state of mind which is an element of the offense, subject to the rules of evidence.

(4) No court shall, over the objection of any party, receive the
evidence of any expert witness on any issue of mental condition, or permit such evidence to be placed before a jury, unless such evidence is fully subject to the adversarial process in at least the following particulars:

(a) Notice must be given at least ninety (90) days in advance of trial, or such other period as justice may require, that a party intends to raise any issue of mental condition and to call expert witnesses concerning such issue, failing which such witness shall not be permitted to testify until such time as the opposing party has a complete opportunity to consider the substance of such testimony and prepare for rebuttal through such opposing expert(s) as the party may choose.

(b) A party who expects to call an expert witness to testify on an issue of mental condition must, on a schedule to be set by the court, furnish to the opposing party a written synopsis of the findings of such expert, or a copy of a written report. The court may authorize the taking of depositions to inquire further into the substance of such reports or synopses.

(c) Raising an issue of mental condition in a criminal proceeding shall constitute a waiver of any privilege that might otherwise be interposed to bar the production of evidence on the subject and, upon request, the court shall order that the state's experts shall have access to the defendant in such cases for the purpose of having its own experts conduct an examination in preparation for any legal proceeding at which the defendant's mental condition may be in issue.

(d) The court is authorized to appoint at least one (1) expert at public expense upon a showing by an indigent defendant that there is a need to inquire into questions of the defendant's mental condition. The costs of examination shall be paid by the defendant if he is financially able. The determination of ability to pay shall be made in accordance with chapter 8, title 19, Idaho Code.

(e) If an examination cannot be conducted by reason of the unwillingness of the defendant to cooperate, the examiner shall so advise the court in writing. In such cases the court may deny the party refusing to cooperate the right to present evidence in support of a mental status claim unless the interest of justice requires otherwise and shall instruct the jury that it may consider the party's lack of cooperation for its effect on the credibility of the party's mental status claim.

SECTION 2. That Section 18-211, Idaho Code, be, and the same is hereby amended to read as follows:

18-211. EXAMINATION OF DEFENDANT -- APPOINTMENT OF PSYCHIATRISTS AND LICENSED PSYCHOLOGISTS -- HOSPITALIZATION -- REPORT. (1) Whenever there is reason to doubt the defendant's fitness to proceed as set forth in section 18-210, Idaho Code, the court shall appoint at least one (1) qualified psychiatrist or licensed psychologist or shall request the director of the department of health and welfare to designate at least one (1) qualified psychiatrist or licensed psychologist to examine and report upon the mental condition of the defendant to assist counsel with defense or understand the proceedings. The costs
of examination shall be paid by the defendant if he is financially able. The determination of ability to pay shall be made in accordance with chapter 8, title 19, Idaho Code.

(2) Within three (3) days, excluding Saturdays, Sundays and legal holidays, of the appointment or designation, the examiner shall determine the best location for the examination. If practical, the examination shall be conducted locally on an outpatient basis.

(3) If the examiner determines that confinement is necessary for purposes of the examination, the court may order the defendant to be confined to a jail, a hospital, or other suitable facility for that purpose for a period not exceeding thirty (30) days. The order of confinement shall require the county sheriff to transport the defendant to and from the facility and shall notify the facility of any known medical, behavioral, or security requirements of the defendant. The court, upon request, may make available to the examiner any court records relating to the defendant.

(4) In such examination any method may be employed which is accepted by the examiner's profession for the examination of those alleged not to be competent to assist counsel in their defense.

(5) Upon completion of the examination a report shall be submitted to the court and shall include the following:

(a) a description of the nature of the examination;
(b) a diagnosis or evaluation of the mental condition of the defendant;
(c) an opinion as to the defendant's capacity to understand the proceedings against him and to assist in his own defense;
(d) when directed by the court, an opinion as to the capacity of the defendant to form mens rea or a particular state of mind which is an element of the offense charged.

(6) If the examination cannot be conducted by reason of the unwillingness of the defendant to participate therein, the report shall so state and shall include, if possible, an opinion as to whether such unwillingness of the defendant was the result of mental disease or defect.

(7) The report of the examination shall be filed in triplicate with the clerk of the court, who shall cause copies to be delivered to the prosecuting attorney and to counsel for the defendant.

(8) When the defendant wishes to be examined by an expert of his own choice, such examiner shall be permitted to have reasonable access to the defendant for the purpose of examination.

(9) In addition to the psychiatrist or licensed psychologist, the court may appoint additional experts to examine the defendant. In the event a defendant is suspected of being developmentally disabled, the examination shall proceed with those experts set out in subsection (6) of section 66-402, Idaho Code.

(10) If the defendant lacks capacity to make informed decisions about treatment, as defined in section 66-317(i), Idaho Code, the court may authorize consent to be given pursuant to section 66-322, Idaho Code. If the defendant lacks capacity to make informed decisions as defined in subsection (8) of section 66-402, Idaho Code, the court may authorize consent to be given pursuant to sections 66-404 and 66-405, Idaho Code.
(11) If the defendant was confined solely for the purpose of examination, he shall be released from the facility within three (3) days, excluding Saturdays, Sundays and legal holidays following notification of completion of the examination.

RELATING TO THE PUNISHMENT FOR BATTERY; AMENDING SECTION 18-904, IDAHO CODE, TO PROVIDE AN ENHANCED PUNISHMENT FOR BATTERY IF THE VICTIM IS PREGNANT AND THAT FACT IS KNOWN TO THE BATTERER.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 18-904, Idaho Code, be, and the same is hereby amended to read as follows:

18-904. BATTERY -- PUNISHMENT. Battery is punishable by a fine not exceeding five hundred dollars ($500), or by imprisonment in the county jail not to exceed six (6) months, or both unless the victim is pregnant and this fact is known to the batterer, in which case the punishment is by a fine not exceeding one thousand dollars ($1,000), or by imprisonment in the county jail not to exceed one (1) year, or both.

Approved March 14, 1996.
AN ACT
RELATING TO DOMESTIC ASSAULT OR BATTERY; AMENDING SECTION 18-918, IDAHO CODE, TO PROVIDE FOR THE CRIME OF DOMESTIC ASSAULT OR BATTERY IF A HOUSEHOLD MEMBER RATHER THAN AN ADULT HOUSEHOLD MEMBER COMMITS THE ACT.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 18-918, Idaho Code, be, and the same is hereby amended to read as follows:

18-918. DOMESTIC ASSAULT OR BATTERY. (1) For the purpose of this section, "adult household member" means a person who is eighteen (18) years of age or older and is a spouse, former spouse, or a person who has a child in common regardless of whether they have been married or have lived together at any time.

(2) An adult household member who commits an assault, as defined in section 18-901, Idaho Code, against another adult household member is guilty of domestic assault.

(3) An adult household member who commits a battery, as defined in section 18-903, Idaho Code, against another adult household member is guilty of domestic battery.

(4) Upon a first conviction, the crime of domestic assault or battery is punishable by a fine not exceeding one thousand dollars ($1,000) or by imprisonment in a county jail not to exceed six (6) months, or both. Upon a second conviction, within ten (10) years of the first conviction, the person so convicted shall be punished by imprisonment in the county jail for a term not to exceed one (1) year or by a fine not exceeding two thousand dollars ($2,000) or by both fine and imprisonment. Upon a third or subsequent conviction, within fifteen (15) years of the first conviction, the person so convicted shall be punished by imprisonment in the state prison for a term not to exceed five (5) years or by a fine not to exceed five thousand dollars ($5,000) or by both fine and imprisonment.

(5) (a) Any person who pleads guilty or is found guilty of a violation of this section shall undergo, at the person's own expense and prior to the sentencing date, an evaluation by a person, agency or organization approved by the court in accordance with subsection (c) of this section to determine whether the defendant should be required to obtain aggression counseling or other appropriate treatment for anger control and prevention. If the evaluation recommends counseling or other treatment, the evaluation shall recommend the type of counseling or treatment considered appropriate for the defendant, together with the estimated costs thereof, and shall recommend any other suitable alternative counseling or treatment programs, together with the estimated costs thereof. The defendant shall request that a copy of the completed evaluation be forwarded to the court. The court shall take the evaluation into consideration in determining an appropri-
ate sentence. If a copy of the completed evaluation has not been provided to the court, the court may proceed to sentence the defendant; however, in such event, it shall be presumed that counseling is required unless the defendant makes a showing by a preponderance of evidence that counseling is not required. If the defendant has not made a good faith effort to provide the completed copy of the evaluation to the court, the court may consider the failure of the defendant to provide the report as an aggravating circumstance in determining an appropriate sentence. If counseling or other treatment is ordered, in no event shall the person, agency or organization doing the evaluation be the person, agency or organization that provides the counseling or other treatment unless this requirement is waived by the sentencing court, with the exception of federally recognized Indian tribes or federal military installations, where diagnosis and treatment are appropriate and available. Nothing herein contained shall preclude the use of funds authorized for court-ordered counseling or treatment pursuant to this section for indigent defendants as provided by law. In the event that funding is provided for or on behalf of the defendant by a governmental entity, the defendant shall be ordered to make restitution to such governmental entity in accordance with the restitution procedure for crime victims, as specified under chapter 53, title 19, Idaho Code.

(b) If the evaluation recommends counseling or other treatment, the court shall order the person to complete the counseling or other treatment in addition to any other sentence which may be imposed. If the court determines that counseling or treatment would be inappropriate or undesirable, the court shall enter findings articulating the reasons for such determination on the record. The court shall order the defendant to complete the preferred counseling or treatment program set forth in the evaluation, or a comparable alternative, unless it appears that the defendant cannot reasonably obtain adequate financial resources for such counseling or treatment. In that event, the court may order the defendant to complete a less costly alternative set forth in the evaluation or a comparable program. Nothing contained in this subsection shall be construed as requiring a court to order that counseling or treatment be provided at government expense unless otherwise required by law.

(c) Each judicial district shall by rule establish a uniform system for the qualification and approval of persons, agencies or organizations to perform the evaluations required in this subsection. Only qualified evaluators approved by the court shall be authorized to perform such evaluations. Funds to establish a system for approval of evaluators shall be derived from moneys designated therefor and deposited in the district court fund as provided in section 31-3201A(p), Idaho Code.

Whenever any such person is taken into custody therefor by any officer, such officer must take charge of such vehicle, and its contents, together with the animal and deposit them in some place of custody. Any necessary expense incurred for taking care of and keeping the same, is a lien thereon, to be paid before the same can be lawfully recovered; and if such expense, or any part thereof remains unpaid, it may be recovered, by the person incurring the same, from the owner of such animal, in an action therefor.

Nothing in this section prohibits any customary practice of breeding or rearing game fowl, regardless of the subsequent uses of said game fowl.

25-3507. TRAINING--BIRDS--OR--ANIMALS--FOR--FIGHTING EXHIBITION OF DOGFIGHTS. Whoever owns; possesses; keeps or trains any bird or animal, with the intent that such bird or animal shall be engaged in an exhibition of fighting; or is present at any place; building or tennancy; where preparations are being made for an exhibition of fighting of birds or animals, with the intent to be present at such exhibition; Every person who participates in a public or private display of combat between two (2) or more dogs in which the fighting, killing, maiming or injuring of dogs is a significant feature is guilty of a misdemeanor and shall, upon conviction, be punished in accordance with section 25-3520A, Idaho Code. And it shall be the duty of any peace officer, or officer of any incorporated association qualified as provided by law, to take possession of the animal so abandoned or neglected, and care for the same until it is redeemed by the owner or claimant, and the cost of caring for such animal shall be a lien on the same until the charges are paid. Every sick, disabled, infirm or crippled animal which shall be abandoned in any city, county or precinct, may if after due search no owner can be found thereof, be humanely destroyed, or other provision made for the animal by or on the order of such officer; and it shall be the duty of all peace officers, or by an officer of said incorporated association, to cause the same to be humanely destroyed, or other provision made therefor, on information of such abandonment. If, after due process under this section, a responsible owner cannot be found, the animal may be offered for adoption to a responsible person in lieu of destruction.

Provided however, that a veterinarian who participates or reports in bad faith or with malice shall not be protected under the provisions of this section.

SECTION 12. That Section 25-3516, Idaho Code, be, and the same is hereby amended to read as follows:

CHAPTER 230
(H.B. No. 585)

AN ACT
RELATING TO FORFEITURES IN CRIMINAL ACTIONS; AMENDING TITLE 37, IDAHO CODE, BY THE ADDITION OF A NEW CHAPTER 28, TITLE 37, IDAHO CODE, TO PROVIDE FOR FORFEITURES OF PROPERTY IN CERTAIN CRIMINAL CONVICTIONS, TO SPECIFY THE PROPERTY SUBJECT TO FORFEITURE, TO REQUIRE AN INVENTORY OF PROPERTY SEIZED, TO PROVIDE FOR A FORFEITURE REQUEST AND ESTABLISH A REBUTTABLE PRESUMPTION, TO PROVIDE FOR PRESERVATION OF PROPERTY, A WARRANT OF SEIZURE, AND PROTECTIVE ORDERS, TO PROVIDE FOR INSTITUTION OF PROCEEDINGS, TO PROVIDE RIGHTS OF THIRD PARTIES IN PERSONAL PROPERTY, TO PROVIDE RIGHTS OF THIRD PARTIES IN REAL PROPERTY, TO PROVIDE PROPORTIONALITY, TO PROVIDE AUTHORITY OF THE ATTORNEY GENERAL, TO PROVIDE A BAR ON INTERVENTION, TO PROVIDE JURISDICTION, TO PROVIDE FOR DISPOSITION OF PROPERTY, TO PROVIDE FOR FORFEITURE OF SUBSTITUTE PROPERTY AND TO PROVIDE FOR STATUTORY CONSTRUCTION; AND TO PROVIDE SEVERABILITY.

Be It Enacted by the Legislature of the State of Idaho:
SECTION 1. That Title 37, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW CHAPTER, to be known and designated as Chapter 28, Title 37, Idaho Code, and to read as follows:

CHAPTER 28
CRIMINAL FORFEITURES

37-2801. PROPERTY SUBJECT TO CRIMINAL FORFEITURE. Any person who is found guilty of, who enters a plea of guilty, or who is convicted of a violation of the uniform controlled substances act, chapter 27, title 37, Idaho Code, punishable by imprisonment for more than one (1) year, no matter the form of the judgment or order withholding judgment, shall forfeit to the state of Idaho:

(1) Any property constituting, or derived from, any proceeds the person obtained, directly or indirectly, as the result of such violation; and

(2) Any of the person's property used, or intended to be used, in any manner or part, to commit, or to facilitate the commission of such violation.

The court, in imposing sentence on such person, shall order, in addition to any other sentence imposed pursuant to chapter 27, title 37, Idaho Code, that the person forfeit to the state of Idaho all property described in this section. The provisions of this chapter shall not be construed or interpreted in any manner to prevent the state of Idaho, attorney general or the appropriate prosecuting attorney from requesting restitution pursuant to section 37-2732(k), Idaho Code; or, if appropriate, from pursuing civil forfeiture pursuant to section 37-2744 and/or section 37-2744A, Idaho Code. Nor shall an order of forfeiture pursuant to this chapter be used as an offset against, or in any manner be used to diminish the amount of, a restitution order under section 37-2732(k), Idaho Code. The issue of criminal forfeiture shall be for the court alone, without submission to a jury, as a part of the sentencing procedure within the criminal action.

37-2802. PROPERTY SUBJECT TO FORFEITURE. "Property" subject to criminal forfeiture under this chapter includes:

(1) Real property, including things growing on, affixed to, or found on the land; and

(2) Tangible and intangible personal property, including rights, privileges, interests, claims and securities.

37-2803. INVENTORY. Any peace officer of this state seizing property subject to forfeiture under the provisions of this chapter shall cause a written inventory to be made and maintain custody of the same until all legal actions have been exhausted. A copy of the inventory shall be sent, within five (5) days of the seizure, to the director of the department of law enforcement. Upon completion of the forfeiture action pursuant to this chapter, a final inventory shall be made which indicates the disposition of the seized property, and a copy of that inventory shall also be sent to the director of the department of law enforcement.

37-2804. FORFEITURE REQUEST -- REBUTTABLE PRESUMPTION. Property
subject to criminal forfeiture under this chapter shall not be ordered forfeited unless the attorney general or the appropriate prosecuting attorney has filed a separate allegation within the criminal proceeding seeking forfeiture of specific property as described in section 37-2801, Idaho Code. The attorney general or appropriate prosecuting attorney shall file, within fourteen (14) days of the filing of the criminal information or indictment, a separate part II forfeiture request and notice with the trial court.

There is a rebuttable presumption that any property of a person subject to the provisions of section 37-2801, Idaho Code, is subject to forfeiture under this chapter if the state of Idaho establishes by a preponderance of the evidence that:

1. The property was acquired by a person during the period of the violation of chapter 27, title 37, Idaho Code, or within a reasonable time after such violation; and

2. There was no likely source for such property other than the violation of chapter 27, title 37, Idaho Code.

37-2805. PRESERVATION OF PROPERTY -- WARRANT OF SEIZURE -- PROTECTIVE ORDERS. (1) Upon application of the state of Idaho, the court may enter a restraining order or injunction, require the execution of a satisfactory performance bond, or take any other action to preserve the availability of property described in section 37-2801, Idaho Code, for forfeiture under this chapter upon the filing of an indictment or information charging a violation of the uniform controlled substance act for which criminal forfeiture may be ordered and alleging that the property with respect to which the order is sought would, in the event of conviction, be subject to forfeiture under this chapter.

(2) The state may request the issuance of a warrant authorizing the seizure of property subject to forfeiture under this chapter in the same manner as provided for a search warrant. If the court determines that there is probable cause to believe that the property to be seized would, in the event of conviction, be subject to forfeiture and that an order under subsection (1) of this section may not be sufficient to assure the availability of the property for forfeiture, the court shall issue a warrant authorizing the seizure of such property by the appropriate law enforcement agency upon such terms and conditions as the court shall deem proper.

(3) The court may, upon application of the state of Idaho, enter such appropriate restraining orders or injunctions, require the execution of satisfactory performance bonds, appoint receivers, conservators, appraisers, accountants, or trustees, or take any other action to protect the interest of the state of Idaho in the property subject to forfeiture. Any income accruing to or derived from property subject to forfeiture under this chapter may be used to offset ordinary and necessary expenses to the property which are required by law, or which are necessary to protect the interests of the state of Idaho or third parties.

37-2806. INSTITUTION OF PROCEEDINGS -- THIRD PARTIES. Upon the filing of a part II forfeiture request pursuant to section 37-2804, Idaho Code, or in the event of seizure pursuant to a warrant of seizure, or upon entry of an order of forfeiture pursuant to section
37-2801, Idaho Code, the attorney general or appropriate prosecuting attorney shall, if appropriate, institute proceedings pursuant to sections 37-2807 or 37-2808, Idaho Code, or both, within five (5) days of such event.

37-2807. PERSONAL PROPERTY -- RIGHTS OF THIRD PARTIES. (1) Within five (5) days of any of the events specified in section 37-2806, Idaho Code, notice, including a copy of the request for forfeiture, shall be given to each co-owner or party in interest who has or claims any right, title or interest in any of such personal property according to one (1) of the following methods:

(a) Upon each co-owner of or party in interest in a titled motor vehicle, aircraft or other conveyance, by mailing notice by certified mail to the address of each co-owner and party in interest as given upon the records of the appropriate department of state or federal government where records relating to such conveyances are maintained.

(b) Upon each secured party and assignee designated as such in any UCC-1 financing statement on file in an appropriate filing office covering any personal property sought to be forfeited, by mailing notice by certified mail to the secured party and the assignee, if any, at their respective addresses as shown on such financing statement.

(c) Upon each co-owner or party in interest whose name and address is known, by mailing notice by registered mail to the last-known address of such person.

(2) Within twenty (20) days after the mailing of the notice, the co-owner or party in interest may file a verified answer and claim to the property described in the notice.

(3) If a verified answer is filed within twenty (20) days after mailing of the notice, the forfeiture proceeding against all co-owners and parties in interest who have filed verified answers shall be set for hearing before the court without a jury on a day not less than sixty (60) days after the mailing of the notice; and the proceeding shall have priority over other civil cases.

(a) At the hearing, any co-owner or party in interest who has a verified answer on file may show by competent evidence that his interest in the titled motor vehicle, aircraft or other conveyance is not subject to forfeiture because he could not have known in the exercise of reasonable diligence that the titled motor vehicle, aircraft or other conveyance was being used, had been used or was intended to be used for the purposes described in section 37-2801, Idaho Code.

(b) A co-owner, or claimant of any right, title, or interest in the property may prove that his right, title or interest, whether under a lien, mortgage, security agreement, conditional sales contract or otherwise, was created without any knowledge or reason to believe that the property was being used, had been used or was intended to be used for the purpose alleged;

(i) In the event of such proof, the court shall order that portion of the property or interest released to the bona fide or innocent co-owner, purchaser, lienholder, mortgagor, secured party or conditional sales vendor.
(ii) If the amount due to such person is less than the value of the property, the property may be sold at public auction or in another commercially reasonable method by the attorney general or appropriate prosecuting attorney. If sold at public auction, the attorney general, or appropriate prosecuting attorney, shall publish a notice of the sale by at least one publication in a newspaper published and circulated in the city, community or locality where the sale is to take place at least one (1) week prior to sale of the property. The proceeds from such sale shall be distributed as follows in the order indicated:

1. To the bona fide or innocent co-owner, purchaser, conditional sales vendor, lienholder, mortgagee or secured party of the property, if any, up to the value of his interest in the property.

2. The balance, if any, in the following order:
   (A) To the attorney general or appropriate prosecuting attorney, for all expenditures made or incurred by them in connection with the sale, including expenditure for any necessary repairs, storage or transportation of the property, and for all expenditures made or incurred by him in connection with the forfeiture proceedings including, but not limited to, expenditures for witnesses' fees, reporters' fees, transcripts, printing, traveling and investigation.
   (B) To the law enforcement agency of this state which seized the property for all expenditures for traveling, investigation, storage and other expenses made or incurred after the seizure and in connection with the forfeiture of any property seized under this chapter.
   (C) The remainder, if any, to the director of law enforcement for credit to the drug enforcement donation account created in section 57-816, Idaho Code, or to the appropriate prosecuting attorney for credit to the local drug enforcement donation account, or its equivalent.

3. Notwithstanding any other provision of this section, upon being satisfied that the interest of a co-owner or claimant should not be subject to forfeiture because they neither knew nor should have known that the personal property was being used or had been used for the purposes alleged, or that due to preexisting security interests in such property there is no equity which may be forfeited, the attorney general or appropriate prosecuting attorney may release the property to the co-owner, holder of the security interest, or other claimant.

4. In any case, the attorney general, or appropriate prosecuting attorney, may, within thirty (30) days after order of forfeiture, pay the balance due to the bona fide lienholder, mortgagee, secured party or conditional
sales vendor and thereby purchase the property for use to enforce this chapter.

37-2808. REAL PROPERTY -- RIGHTS OF THIRD PARTIES. (1) Real property subject to forfeiture under the provisions of this chapter may be seized by the attorney general or appropriate prosecuting attorney upon determining that a parcel of property is subject to forfeiture, by filing a notice of seizure with the recorder of the county in which the property or any part thereof is situated. The notice must contain a legal description of the property sought to be forfeited; provided however, that in the event the property sought to be forfeited is part of a greater parcel, the attorney general or appropriate prosecuting attorney may, for the purposes of this notice, use the legal description of the greater parcel. The attorney general or appropriate prosecuting attorney shall also send by certified mail a copy of the notice of seizure to any persons holding a recorded interest or of whose interest the attorney general or appropriate prosecuting attorney has actual knowledge. The attorney general or appropriate prosecuting attorney shall post a similar copy of the notice conspicuously upon the property and publish a copy thereof once a week for three (3) consecutive weeks immediately following the seizure in a newspaper published in the county. The co-owner or party in lawful possession of the property sought to be forfeited may retain possession and use thereof and may collect and keep income from the property while the forfeiture proceedings are pending.

(2) In the event of a seizure pursuant to subsection (1) of this section, a request for forfeiture shall be filed with the trial court within the time limit imposed by section 37-2804, Idaho Code. The request shall be served in the same manner as complaints subject to the Idaho rules of civil procedure on all persons having an interest in the real property sought to be forfeited.

(3) Notwithstanding any other provision of this section, upon being satisfied that the interest of a co-owner or claimant should not be subject to forfeiture because they neither knew nor should have known that the real property was being used or had been used for the purposes alleged, or that due to preexisting security interests in such property there is no equity which may be forfeited, the attorney general or appropriate prosecuting attorney may release the property to the co-owner, holder of the security interest, or other claimant.

(4) Within twenty (20) days of the mailing of the notice, the co-owner or party in interest may file a verified answer and claim to the property described in the notice.

(5) If a verified answer is filed within twenty (20) days after mailing of the notice, the forfeiture proceeding against all co-owners and parties in interest who have filed verified answers shall be set for hearing before the court without a jury on a day not less than sixty (60) days after the mailing of the notice; and the proceeding shall have priority over other civil cases.

(a) A co-owner, or claimant of any right, title or interest in the real property sought to be forfeited may prove that his right, title or interest, whether under a lien, mortgage, deed of trust or otherwise, was created without any knowledge or reason to believe that the real property was being used or had been used for
the purposes alleged;
(b) Any co-owner who has a verified answer on file may show by competent evidence that his interest in the property sought to be forfeited is not subject to forfeiture because he could not have known in the exercise of reasonable diligence that the real property was being used, or had been used in any manner in violation of the provisions of section 37-2801, Idaho Code.
(6) In the event of such proof, the court shall order the release of the interest of the co-owner, purchaser, lienholder, mortgagee or beneficiary.
(a) If the amount due to such person is less than the value of the real property, the real property may be sold in a commercially reasonable manner by the attorney general or appropriate prosecuting attorney. The proceeds from such sale shall be distributed as follows in the order indicated:
(i) To the innocent co-owner, purchaser, mortgagee or beneficiary of the real property, if any, up to the value of his interest in the real property.
(ii) The balance, if any, in the following order:
1. To the attorney general or appropriate prosecuting attorney for all expenditures made or incurred in connection with the sale, including expenditure for any necessary repairs or maintenance of the real property, and for all expenditures made or incurred in connection with the forfeiture proceedings including, but not limited to, expenditures for witnesses' fees, reporters' fees, transcripts, printing, travel, investigation, title company fees and insurance premiums.
2. The remainder, if any, to the director of law enforcement for credit to the drug enforcement donation account created in section 57-816, Idaho Code.
(b) In any case, the attorney general or appropriate prosecuting attorney may, within thirty (30) days after the order of forfeiture, pay the balance due to the innocent co-owner, purchaser, lienholder, mortgagee or beneficiary and thereby purchase the real property for use in the enforcement of this chapter.

37-2809. PROPORTIONALITY. In issuing any order under the provisions of this chapter, the court shall make a determination that the property, or a portion thereof in the case of real property, was actually used in violation of the provisions of this chapter. The size of the property forfeited shall not be unfairly disproportionate to the size of the property actually used in violation of the provisions of this chapter.

37-2810. AUTHORITY OF THE ATTORNEY GENERAL. With respect to property ordered forfeited under this chapter, the attorney general or appropriate prosecuting attorney is authorized to:
(1) Restore forfeited property to victims of a violation of this chapter, or take any other action to protect the rights of innocent persons which is in the interest of justice and which is not inconsistent with the provisions of this chapter;
(2) Compromise claims arising under this chapter;
(3) Award compensation to persons providing information resulting in a forfeiture under this chapter; and
(4) Take appropriate measures necessary to safeguard and maintain property ordered forfeited under this chapter pending its disposition.

37-2811. BAR ON INTERVENTION. Except as provided in sections 37-2807 and 37-2808, Idaho Code, no party claiming an interest in property subject to forfeiture under this section may:
(1) Intervene in a trial or appeal of a criminal case involving the forfeiture of such property under this chapter; or
(2) Commence an action at law or equity against the state of Idaho concerning the validity of his alleged interest in the property subsequent to the filing of an indictment or information alleging that the property is subject to forfeiture under this chapter.

37-2812. JURISDICTION -- DEPOSITIONS. The district courts of the state of Idaho shall have jurisdiction over:
(1) Property for which forfeiture is sought that is within the state at the time the action is filed; or
(2) The interest of a co-owner or interest holder in the property if the co-owner or interest holder is subject to personal jurisdiction in this state.

In order to facilitate the identification and location of property declared forfeited after the entry of an order declaring property forfeited to the state of Idaho, the court may, upon application of the state of Idaho, order that the testimony of any witness relating to the property forfeited be taken by deposition and that any designated book, paper, document, record, recording or other material not privileged be produced at the same time and place, in the same manner as provided for the taking of depositions under rule 26 of the Idaho rules of civil procedure.

37-2813. DISPOSITION OF PROPERTY. On the motion of a party and after notice to any persons who are known to have an interest in the property and an opportunity to be heard, the court may order property that has been seized for forfeiture sold, leased, rented or operated to satisfy an interest of any interest holder who has timely filed a proper claim or to preserve the interests of any party. The court may order a sale or any other disposition of the property if the property may perish, waste, be foreclosed on or otherwise be significantly reduced in value or if the expenses of maintaining the property are or will become greater than its fair market value. If the court orders a sale, the court shall designate a third party or state property manager to dispose of the property by public sale or other commercially reasonable method and shall distribute the proceeds in the following order of priority:
(1) Payment of reasonable expenses incurred in connection with the sale.
(2) Satisfaction of exempt interests in the order of their priority.
(3) Preservation of the balance, if any, in the actual or constructive custody of the court in an interest-bearing account, subject to further proceedings under this chapter.
When property is forfeited under this chapter, the attorney general or appropriate prosecuting attorney, may:

(1) Retain it for official use; and/or
(2) Sell that which is not required to be destroyed by law and which is not harmful to the public, pursuant to section 37-2807 or 37-2808, Idaho Code.

37-2814. FORFEITURE OF SUBSTITUTE PROPERTY. If any of the property described in section 37-2801, Idaho Code, as a result of any act or omission of the defendant:

(1) Cannot be located upon the exercise of due diligence;
(2) Has been transferred or sold to, or deposited with, a third party;
(3) Has been placed beyond the jurisdiction of the court;
(4) Has been substantially diminished in value; or
(5) Has been commingled with other property which cannot be divided without difficulty;

the court shall order the forfeiture of any other property of the defendant up to the value of any property described in section 37-2801, Idaho Code.

37-2815. CONSTRUCTION. The provisions of this section shall be liberally construed to effectuate its remedial purposes.

SECTION 2. SEVERABILITY. The provisions of this act are hereby declared to be severable and if any provision of this act or the application of such provision to any person or circumstance is declared invalid for any reason, such declaration shall not affect the validity of the remaining portions of this act.

Approved March 14, 1996.

54-2060. SHORT TITLE. Sections 54-2060 through 54-2074, Idaho Code, shall be known and may be cited as "The Idaho Real Estate Brokerage Representation Act."

54-2061. DEFINITIONS. As used in this act:
(1) "Adverse material fact" means a fact that would significantly affect the desirability or value of the property to a reasonable person or which establishes a reasonable belief that a party to the transaction is not able to or does not intend to complete that party's obligations under a real estate contract.
(2) "Agency representation" or "representation" means the statutory agency relationship between a client and a brokerage in a regulated real estate transaction with respect to which the duties defined in section 54-2065, Idaho Code, are applicable. See also "representation."
(3) "Brokerage" means a licensed designated broker, the licensed real estate business represented by that broker and its affiliated licensees.
(4) "Client" means a buyer or seller or both who have entered into an express written contract or agreement with a brokerage for agency representation in a regulated real estate transaction.
(5) "Confidential client information" means information gained from or about a client that:
   (a) Is not a matter of public record;
   (b) The client has not disclosed or authorized to be disclosed to third parties;
   (c) If disclosed, would be detrimental to the client; and
   (d) The client would not be personally obligated to disclose to another party to the transaction. Information which is required to be disclosed by statute or rule or where the failure to disclose would constitute fraudulent misrepresentation is not confidential client information within the provisions of this act. Information generally disseminated in the marketplace, including "sold" prices of property, is also not confidential client information within the provisions of this act.
(6) "Customer" means a buyer or seller who is not represented in an agency relationship in a regulated real estate transaction.
(7) "Express agreement" or "express contract" means a written agreement by the parties to undertake brokerage representation. An express agreement under this statute can only be made in writing, and cannot be made orally or by assumption or implication.
(8) "Idaho real estate license law and rules" means chapter 20, title 54, Idaho Code, and all administrative rules promulgated thereunder.
(9) "Limited disclosed dual agent" means only that limited brokerage representation in which both a buyer and a seller are clients for the purposes of a regulated real estate transaction, and as specifically allowed in this act.
"Ministerial acts" means reasonably necessary and customary acts typically performed by real estate licensees in assisting a transaction to its closing or conclusion.

"Nonagent" means a brokerage and its licensees working with or assisting a buyer or seller as a customer to which the duties provided in section 54-2064, Idaho Code, are applicable.

"Regulated real estate transaction" means those real estate transactions for which a real estate license is required under chapter 20, title 54, Idaho Code.

"Representation" or "brokerage representation" or "represented" means the statutory agency relationship between a client and a brokerage in a regulated real estate transaction with respect to which the duties provided in section 54-2065, Idaho Code, are applicable.

54-2062. BROKERAGE AGENCY RELATIONSHIPS -- CREATION. For all regulated real estate transactions first executed on or after July 1, 1996, a buyer or seller is not represented by a brokerage in a regulated real estate transaction unless the buyer or seller and the brokerage agree, in writing, to such representation. No type of agency representation may be assumed by a buyer or seller or created orally or by implication.

54-2063. DISCLOSURE AND WRITING REQUIREMENTS -- AGENCY DISCLOSURE BROCHURE. (1) A licensee shall give to a prospective buyer or seller at the first substantial business contact the agency disclosure brochure established by the Idaho real estate commission. The commission by rule shall establish the form and contents of the brochure in accordance with the provisions of this act.

(2) The agency disclosure brochure shall list the types of representation available to a buyer or seller in a regulated real estate transaction, the legal duties and obligations owed to the buyer or seller in each type of representation and a conspicuous notice that no representation will exist absent a written agreement between the buyer or seller and the brokerage.

(3) A brokerage's relationship with a buyer and seller as an agent, nonagent, or limited dual agent must be determined and all necessary agreements executed no later than the preparation of a purchase and sale agreement. A brokerage must disclose its relationship to both buyer and seller in any transaction no later than the preparation or presentation of a purchase and sale agreement.

(4) In addition, a purchase and sale agreement or other document drafted in connection with a real estate transaction shall contain the following confirmation of the relationship, whether it involved representation or not, between the buyer, seller and licensees involved:

REPRESENTATION CONFIRMATION

In this transaction, the brokerage(s) involved had the following relationship(s) with the BUYER ("agent" or "nonagent" or "limited dual agent"):

Listing broker acted as a(n) ................. for the buyer.

Selling broker acted as a(n) ................. for the buyer.
In this transaction, the brokerage(s) involved had the following relationship(s) with the SELLER ("agent" or "nonagent" or "limited dual agent"):

- Listing broker acted as a(n) ............ for the seller.
- Selling broker acted as a(n) ............ for the seller.

Each party signing this document confirms that he or she has received, read and understood the Agency Disclosure Brochure and has elected the relationship confirmed above. In addition, each party confirms that the broker's agency office policy was made available for inspection and review. EACH PARTY UNDERSTANDS THAT HE OR SHE IS A "CUSTOMER" AND IS NOT REPRESENTED BY A BROKER UNLESS THERE IS A SIGNED WRITTEN AGREEMENT FOR AGENCY REPRESENTATION.

(5) The failure of a licensee to timely give a buyer or seller the agency disclosure brochure or the failure of a licensee to properly and timely obtain any written agreement or confirmation required by this act shall be a violation of the Idaho real estate license law and may subject the licensee to disciplinary action according to the provisions of section 54-2040, Idaho Code.

54-2064. DUTIES TO A CUSTOMER. (1) If a buyer or seller is not represented by a brokerage in a regulated real estate transaction, that buyer or seller remains a customer to whom the brokerage and its licensees are nonagents and owe only the following legal duties and obligations:

- (a) To perform ministerial acts to assist the buyer or seller in the sale or purchase of real estate;
- (b) To perform these acts with honesty, good faith, reasonable skill and care;
- (c) To properly account for moneys or property placed in the care and responsibility of the brokerage;
- (d) To disclose to the buyer/customer all adverse material facts actually known or which reasonably should have been known by the licensee;
- (e) To disclose to the seller/customer all adverse material facts actually known or which reasonably should have been known by the licensee;

(2) A nonagent brokerage and its licensees owe no duty to a buyer/customer to conduct an independent inspection of the property for the benefit of that buyer/customer and owe no duty to independently verify the accuracy or completeness of any statement or representation made by the seller or any source reasonably believed by the licensee to be reliable.

(3) A nonagent brokerage and its licensees owe no duty to a seller/customer to conduct an independent investigation of the buyer's financial condition for the benefit of that seller/customer and owe no duty to independently verify the accuracy or completeness of statements made by the buyer or any source reasonably believed by the licensee to be reliable.

54-2065. DUTIES TO A CLIENT. If a buyer or seller enters into a
written contract for representation in a regulated real estate transaction, that buyer or seller becomes a client to whom the brokerage and its licensees owe the following agency duties and obligations:

1. To perform the terms of the written agreement with the client;
2. To exercise reasonable skill and care;
3. To promote the best interests of the client in good faith, honesty and fair dealing including, but not limited to:
   a. Disclosing to the client all adverse material facts actually known or which reasonably should have been known by the licensee;
   b. Seeking a buyer to purchase the seller's property at a price, and under terms and conditions acceptable to the seller and assisting in the negotiation therefor; or
   c. Seeking a property for purchase at a price and under terms and conditions acceptable to the buyer and assisting in the negotiation therefor;
   d. For the benefit of a client/buyer: conducting a reasonable investigation of the property and material representations about the property made by the seller or seller's agent, or when appropriate, advising the client to obtain professional inspections of the property or to seek appropriate tax, legal and other professional advice or counsel;
   e. For the benefit of a client/seller: requesting reasonable proof of a prospective buyer's financial ability to purchase the real property which is the subject matter of the transaction. This duty may be satisfied by any appropriate method suitable to the transaction or, when deemed necessary by the real estate licensee, by advising the client to consult with an accountant, lawyer, or other professional as dictated by the transaction.
4. To maintain the confidentiality of specific client information as defined by and to the extent required in this act.
5. To properly account for moneys or property placed in the care and responsibility of the brokerage.

54-2066. LIMITED DISCLOSED DUAL AGENCY PERMITTED. (1) A brokerage may act as a limited disclosed dual agent only with the express written consent of all parties to the transaction. Such consent shall contain separate signatures of all parties to the transaction and shall contain the following language:

CONSENT TO LIMITED DUAL REPRESENTATION

The undersigned have received, read and understand the Agency Disclosure Brochure. The undersigned understand that the brokerage involved in this transaction will be or may be providing agency representation to both the buyer(s) and the seller(s). The undersigned each understand that as agents for both buyer and seller, the brokerage(s) will be limited dual agents and cannot legally disclose to either party certain confidential information concerning price negotiations, terms or factors motivating the buyer to buy or the seller to sell without specific written permission of the disclosing party. The specific duties, obligations and limitations of a limited dual agent are contained in the Agency Disclosure Brochure as required by Section 54-2063, Idaho Code. The undersigned each
understand that a limited dual agent does not have a duty of undivided loyalty to either client.

(2) All duties and obligations owed to a buyer or a seller client under section 54-2065, Idaho Code, apply to limited disclosed dual agency relationships to the extent they do not unreasonably conflict with duties and obligations owed to the other client, except that:

(a) A limited disclosed dual agent shall not disclose any of the following without express written consent of the client to whom the information pertains:

(i) That a buyer is willing to pay more than the listing price of the property;
(ii) That a seller is willing to accept less than the listing price for the property;
(iii) The factors motivating the buyer to buy or the seller to sell;
(iv) That a buyer or seller will agree to a price or financing terms other than those offered.

(b) A limited disclosed dual agent does not have a duty of undivided loyalty to either buyer/client or seller/client, and by consenting to limited dual agency, the buyer and seller agree to those limitations.

(3) No cause of action for any buyer or seller shall arise against a limited disclosed dual agent for making any required or permitted disclosure under this act, nor does making such disclosure terminate the limited disclosed dual agency.

(4) Receipt of the agency disclosure brochure required by section 54-2063, Idaho Code, and the signed consent to dual representation by buyer and seller agreeing to limited disclosed dual agency representation shall be sufficient informed legal consent to dual representation under this act. A consent by the buyer and seller to possible dual representation in the future, such as may be contained in a written marketing or representation agreement between a brokerage and client, shall also be considered effective and informed legal consent to dual representation.

54-2067. BROKER COMPENSATION. Payment of compensation or a written agreement only for payment of compensation to a brokerage shall not constitute an express agreement creating an agency relationship.

54-2068. WRITTEN OFFICE POLICY REQUIRED. Each designated broker shall be responsible to adopt and maintain in each office, including branch offices, a written policy which identifies and describes the types of representation in which that brokerage and its affiliated licensees may engage with any buyer or seller, or both, as a part of that office's real estate brokerage services.

54-2069. DURATION OF EXPRESS REPRESENTATION. (1) A brokerage representation under this act shall commence on the date indicated on the written agreement between the brokerage and a buyer/client or seller/client and shall end at the earliest of:

(a) Performance or completion of the representation;
(b) Agreement by the parties;
(c) Expiration of the agency relationship agreement.
(2) Nothing in this act shall prohibit the brokerage and the buyer or seller from changing the legal nature of their relationship or representation in accordance with this act during the course of the real estate transaction. However, the brokerage is not relieved thereby from meeting the disclosure requirements and obtaining the written agreements, consents or confirmations required by this act.

54-2070. DUTIES AND OBLIGATIONS OWED AFTER TERMINATION OF REPRESENTATION. Except as otherwise agreed in writing, a brokerage owes no further duty or obligation to a client after termination of the agreed representation except:

(1) Accounting for all moneys and property received by the brokerage during the representation; and

(2) Maintaining the confidentiality of all information defined as confidential client information by this act.

54-2071. VICARIOUS LIABILITY ABOLISHED. (1) A client, as defined in this act, whether buyer or seller, shall not be liable for a wrongful act, error, omission or misrepresentation of his broker/representative or subagent unless the client had actual knowledge of or reasonably should have known of the wrongful act, error, omission or misrepresentation.

(2) A licensee or brokerage engaged in representation of a client shall not be liable for a wrongful act, error, omission or misrepresentation of the client or of any subagent unless the licensee or brokerage had actual knowledge or reasonably should have known of the wrongful act, error, omission or misrepresentation.

(3) Nothing in this section shall be construed to diminish or limit any of the broker's or licensee's responsibilities under chapter 20, title 54, Idaho Code, or the rules promulgated thereunder.

54-2072. REPRESENTATION NOT FIDUCIARY IN NATURE. While this act is intended to abrogate the common law of agency as it applies to regulated real estate transactions, nothing in this act shall prohibit a brokerage from entering into a written agreement with a buyer or seller which creates an agency relationship in which the duties and obligations are greater than those provided in this act. However, unless greater duties are specifically agreed to in writing between the brokerage and a represented client, the duties and obligations owed to a represented client in a regulated real estate transaction are not fiduciary in nature and are not subject to remedies for breach of fiduciary duty.

54-2073. CONFLICTS WITH OTHER LAW. If the provisions of this act are found to be in conflict with any other provision of Idaho law, the provisions of this act shall control.

54-2074. RULEMAKING AUTHORITY OF THE COMMISSION. The Idaho real estate commission shall have authority to promulgate rules in accordance with the provisions of chapter 52, title 67, Idaho Code, to implement the provisions of this act.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 59-1326, Idaho Code, be, and the same is hereby amended to read as follows:

59-1326. PROCEDURE FOR COMPLETE OR PARTIAL WITHDRAWAL OF POLITICAL SUBDIVISIONS FROM THE SYSTEM -- CALCULATION OF WITHDRAWAL CONTRIBUTIONS LIABILITY -- INDEMNIFICATION. (1) An employer incuring complete withdrawal or partial withdrawal after December 31, 1980, shall be required to make withdrawal contributions, as provided in this section. A political subdivision, through its governing body, may by resolution adopted by two-thirds (2/3) of the members of the governing body, declare its intent to withdraw completely from the system and to submit the question of withdrawing from the system to the active members of the political subdivision. The political subdivision shall notify its employees and the retirement board, in writing, of its action, and shall advise the active members of their right to vote for or against withdrawal, as provided in subsection (2) of this section.

A political subdivision shall automatically be considered to have requested a complete withdrawal from the system the date the political subdivision permanently ceases to employ active members. A withdrawing political subdivision shall be required to make withdrawal liability payments as provided in this section.

(2) Complete withdrawal occurs for a political subdivision on the date it permanently ceases to employ active members. All active members
of the withdrawing political subdivision shall be allowed to vote by
secret ballot for or against allowing the political subdivision to
completely withdraw from the system. More than fifty percent (50%) of
the withdrawing political subdivision's active members must approve
the complete withdrawal at least thirty (30) days before the effective
withdrawal date. All active members of the withdrawing political sub-
division who are on the political subdivision's payroll thirty (30)
days before the effective withdrawal date shall be allowed to vote. If
more than fifty percent (50%) of the withdrawing political subdivision's active members fail to vote for complete withdrawal, the
political subdivision shall not be allowed to withdraw. Fifteen (15)
days before the effective withdrawal date the governing board of the
withdrawing political subdivision shall certify to the retirement
board the results of the voting by the active members.

(3) Partial withdrawal occurs for a political subdivision when
its average membership declines from one fiscal year to the next by
more than twenty-five (25) members and twenty-five per-cent percent
(25%) of the average membership in the earlier year. The effective
date of partial withdrawal is the first day after the end of the later
year.

(4) "Average membership" for a fiscal year shall equal one-
twelfth (1/12) of the sum of the number of active members employed
during each month of that year.

(5) Withdrawal contributions shall commence on the first day of
the fourth month after the date of complete withdrawal or partial
withdrawal. The monthly amount of withdrawal contribution of an
employer incurring complete withdrawal shall be one-twelfth (1/12) of
the employer's contribution during the last complete fiscal year prior
to such date. The monthly amount of withdrawal contribution of an
employer incurring partial withdrawal shall be one-twelfth (1/12) of
(c) reduced proportionately by the ratio of (a) to (b) as follows:
(a) The average membership of the employer estimated by the board
for the year commencing on such date;
(b) The average membership of the employer during the second com-
plete fiscal year prior to such date;
(c) The employer's contribution payable during the second complete
fiscal year prior to such date;

(6) Withdrawal contributions shall continue until the withdrawal
liability becomes nil.

(4) Complete withdrawal by a political subdivision shall be the
first day of the month following the date the political subdivision
ceases to employ active members or the first day of the month follow-
ing sixty (60) days from the date the board receives the political
subdivision's written request to withdraw. However, the complete with-
drawal date shall not occur before the withdrawal liability is deter-
mined, as provided in subsection (7) of this section.

(5) After complete withdrawal, all employees of the withdrawing
political subdivision shall be ineligible to accrue future benefits
with the system due to employment with the withdrawing political sub-
division. The withdrawing political subdivision shall be ineligible to
request to be included in the system, as provided in section 59-1321,
Idaho Code, for five (5) years after its complete withdrawal date.

(6) All active or inactive members of the political subdivision
shall be eligible for benefits accrued with the system up to the complete withdrawal date. However, no retirement allowance or separation benefit shall be paid until the member actually separates from service with the withdrawing political subdivision, and there is no guarantee of right to re-employment made by the withdrawing political subdivision. If the person returns to employment with the same withdrawing political subdivision within ninety (90) days, any separation benefit or retirement allowance paid to the person shall be repaid to the system.

(7) On the date of complete withdrawal, the withdrawal liability of an employer is (a) multiplied by the fraction ratio of (b) to (c) as follows:

(a) The excess of the actuarial present value of the vested accrued benefits of the system's members over the fair value of its assets, both as of the date of the last actuarial valuation for the fiscal year preceding such date adopted by the board prior to the complete withdrawal date based on the assumption that thirty percent (30%) of all terminating employees will eventually return to employment covered by the system and that future cost-of-living allowances as provided in section 59-1355, Idaho Code, will be at a rate of two percent (2%) per year;

(b) The total employer-contributions-of-the-employer--during--the five--(5)--complete--fiscal--years--immediately--prior--to--such--date present value of accrued benefits of all active members of the withdrawing political subdivision as of the last actuarial valuation adopted by the board prior to the complete withdrawal date;

(c) The total employer-contributions-of-all-employers--during--the five--(5)--complete--fiscal--years--immediately--prior--to--such--date present value of accrued benefits of all active members of the system as of the last actuarial valuation adopted by the board prior to the complete withdrawal date.

The actuarial costs to determine the amount described in subsection (7)(b) of this section shall be paid by the withdrawing political subdivision.

(8) On the date of partial withdrawal, the withdrawal liability of an employer is the same as if complete withdrawal had occurred, reduced--proportionately multiplied by one (1) minus the ratio of (a) to (b) as follows:

(a) The average membership of the employer estimated by the board for the year commencing on such date;

(b) The average membership of the employer during the second complete fiscal year prior to such date.

(9) After the date of an employer's complete withdrawal--or--partial-withdrawal--the--withdrawal-liability--is--the--initial-withdrawal liability-decreased-by-the-accumulation-of--withdrawal-contributions; all-adjusted-for-interest--interest-charges-shall-be-on-the-basis-used in--determining--the--original--withdrawal-liability--Interest--credits shall be based upon quarter-year investment earnings of the system. If partial withdrawal occurs, the amounts of withdrawal liability and withdrawal--contribution--shall--be--adjusted--by--appropriate recalculation--after-the-average-membership-of-the-employer--is--known for--the--year--commencing--on--the-date-of-partial-withdrawal--if-the average-membership-of-an-employer-which-has-incurred-a--partial--with-
drawal--exceeds--for--each--of--three-(3)--consecutive--fiscal--years--the
average--membership--during--the--second--fiscal--year--prior--to--the--date--of
partial--withdrawal;--the--withdrawal--liability--shall--become--due--upon--the
final--day--of--the--last--of--such--three-(3)--fiscal--years;--regardless--of
the--accumulation--of--the--previously--computed--withdrawal--liability. The
withdrawing political subdivision shall enter into a contract with the
system which establishes terms for the political subdivision's payment
of its withdrawal liability. The contract shall use an interest rate
equal to the interest rate used in the actuarial valuation adopted by
the board prior to the withdrawal date, net of actuarially assumed
investment expenses. The contract shall not extend the duration of the
withdrawal liability payments beyond ten (10) years or the end of the
current amortization period whichever is less. The contract shall be a
financial obligation of the withdrawing political subdivision and any
of its successors and assigns. "Current amortization period" means the
period over which the amortization payment rate times the actuarial
present value of the projected salaries is equivalent to the unfunded
actuarial liability, all determined by the current valuation last
adopted by the board prior to the complete withdrawal date.

(10) Upon the complete withdrawal of the political subdivision,
the system shall have no further legal obligation to the political
subdivision or its employees, nor shall the system be held accountable
for the continued future accrual of any retirement benefit rights to
which such employees may be entitled beyond the complete withdrawal
date. Any litigation regarding the forfeiture of any benefits because
of the political subdivision's complete withdrawal from the system
shall be the sole legal responsibility of the withdrawing political
subdivision and the withdrawing political subdivision shall indemnify
and hold harmless the system, its board, its employees and the state
of Idaho, from any claims, losses, costs, damages, expenses, and lia-
bilities, including without limitation, court costs and reasonable
attorney's fees, asserted by any person or entity as a result of the
political subdivision's withdrawal from the system.

SECTION 2. An emergency existing therefor, which emergency is
hereby declared to exist, this act shall be in full force and effect
on and after its passage and approval.

Approved March 14, 1996.

(1) That it is the policy of the state of Idaho to provide for the protection of the public health, welfare, safety, and environment; and to foster the remediation, transfer, reuse, or redevelopment of sites or groups of sites based on the risk to human health and the environment where releases or threatened release of hazardous substances or petroleum exists. The minimization of risk to public health and the environment on a commercial and industrial site offers significant potential economic benefit to local communities and is vital to their use and reuse as sources of employment, housing, recreation and open-space areas.
(2) That establishing a voluntary program for the remediation of hazardous substance or petroleum contaminated sites will encourage innovation and cooperation between the state, local communities, and interested persons and will promote the economic revitalization of property. It is intended that this program will provide for an expedited remediation process by eliminating the need for many adversarial enforcement actions and delays in remediation plan approvals.

(1) Restrictions as to the interest rates on mortgage loans or the return realized therefrom by mortgage lenders;
(2) Requirements as to disbursements and commitments by mortgage lenders with respect to mortgage loans;
(3) Rules and regulations relative to the purchase and sale of mortgage loans shall be designed to effectuate the general purposes of this act and the following specific objectives:
   (i) the expansion of the supply of funds in this state available for mortgage loans for persons of low-income;
   (ii) the provision of the additional housing for persons of low-income needed to remedy the shortage of adequate housing in this state and eliminate the existence of a large number of substandard dwellings;

Notwithstanding the provisions of this subsection, the agency association may accept, in lieu of any certification of housing project costs as provided herein, such other assurances of the said housing project costs, in any form or manner whatsoever, as will enable the agency association to determine with reasonable accuracy the amount of said housing project costs.

(j) The agency association shall regulate the retirement of any capital investment or the redemption of stock of a limited profit housing sponsor where any such retirement or redemption when added to any dividend or other distribution will exceed in any one (1) fiscal year such percentage as shall be prescribed by rules and regulations of the agency association of such sponsor's investment or equity in any housing project.

(k) Notwithstanding any other provision of this chapter, the agency association is not empowered to finance any housing project undertaken by a housing sponsor unless, prior to the financing of any housing project hereunder, the agency association finds:

The agency association may provide by such trust indenture for the payment of the proceeds of the bonds and the revenues to the trustee under such trust indenture or other depository, and for the method of disbursement thereof, with such safeguards and restrictions as it may determine. All expenses incurred in carrying out such trust indenture may be treated as a part of the operating expenses of the agency association. If the bonds shall be secured by a trust indenture, the bondholders shall have no authority to appoint a separate trustee to represent them.

(i) Whether or not the notes and bonds are of such form and character as to be negotiable instruments under the terms of the uniform
commercial code, the notes and bonds are hereby made negotiable instruments within the meaning of and for all the purposes of the uniform commercial code, subject only to the provisions of the notes and bonds for registration.

(j) In case any of the commissioners or officers of the agency association whose signatures appear on any notes or bonds or coupons shall cease to be such commissioners or officers before the delivery of such notes or bonds, such signatures shall, nevertheless, be valid and sufficient for all purposes, the same as if such commissioners or officers had remained in office until such delivery.

(c) "Available operating revenues" shall mean all amounts received on account of rentals and fees and other charges imposed by the agency association, if any, and income or interest earned or added to funds of the agency association due to the investment thereof and not required under the terms or provisions of any covenant or agreement with holders of any bonds or notes of the agency association to be applied to any purposes other than payment of expenses of the agency association.

(d) "Amortized value," when used with respect to securities purchased at a premium above or a discount below par, shall mean the value as of any given date obtained by dividing the total premiums or

(1) That moneys in any such fund shall not be withdrawn therefrom at any time in such amount as would reduce the amount of such fund to less than the maximum capital reserve fund requirement, except for the purposes of making payment, when due, with respect to such bonds, of principal or redemption price of, interest and the sinking fund payments, as the same become due, and for the payment of which other moneys of the agency association are not available.
(2) Any income or interest earned by, or increment to, any capital reserve fund due to the investment thereof may be transferred by the agency association to other funds or accounts of the agency association to the extent it does not reduce the amount of such capital reserve fund below the maximum capital reserve fund requirement.

(g) Within sixty (60) days after the close of the agency's association's fiscal year, the chairman of the agency association shall certify to the state tax commission the amount, if any, required to maintain the capital reserve funds established pursuant to this section at the maximum capital reserve fund requirement, but only for any capital reserve fund of the agency association which is required by a resolution of the agency association to be maintained by a continuing appropriation from the sales tax account. In computing the amount of a capital reserve fund for the purposes of this section, securities in which all or a portion of such fund are invested shall be valued at par if purchased at par or, if purchased at other than par, at amortized value.

(j) The agency association shall create and establish such other fund or funds as may be necessary or desirable for its corporate purposes.

(ii) The moneys set aside and appropriated to the county treasurer out of the sales tax account above may be considered by the counties and other taxing districts and budgeted against at the same time, in the same manner and in the same year as revenues from taxation on all classes of personal property which these moneys replace.

(3) All moneys distributed pursuant to subsection (e) shall be subject to the redistribution provisions of section 40-801, Idaho Code, where applicable.

(f) One dollar ($1.00) on each application for certificate of title to a motor vehicle, or initial application for registration processed by the county assessor or the Idaho transportation department excepting those applications in which any sales or use taxes due have been previously collected by a retailer, shall be a fee for the services of the assessor of the county or the Idaho transportation department in collecting such taxes, and shall be paid into the current expense fund of the county or state highway account established in section 40-702, Idaho Code.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Title 6, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW CHAPTER, to be known and designated as Chapter 22, Title 6, Idaho Code, and to read as follows:

CHAPTER 22
CONSTITUTIONALLY BASED EDUCATIONAL CLAIMS ACT

6-2201. SHORT TITLE. This chapter shall be known and may be cited as the "Constitutionally Based Educational Claims Act."

6-2202. PURPOSE OF CHAPTER -- DEFINITION OF CONSTITUTIONALLY BASED EDUCATIONAL CLAIM. Section 1, article IX, of the constitution of the state of Idaho provides: "The stability of a republican form of government depending mainly upon the intelligence of the people, it shall be the duty of the legislature of Idaho, to establish and maintain a general, uniform and thorough system of public, free common schools." The purpose of this chapter is to provide a mechanism for adjudicating the performance of that duty when there are allegations that public schools do not provide educational services that they are required to provide as part of a general, uniform and thorough system of public, free common schools. In this chapter, a constitutionally based educational claim is defined as a claim that public schools are not providing educational services that they are required to provide under section 1, article IX, of the constitution of the state of Idaho, and constitutionally required educational services are defined as the educational services that must be provided under section 1, article IX, of the constitution of the state of Idaho. In particular,
6-2203. SYSTEM ESTABLISHED UNDER SECTION 1, ARTICLE IX. The legislature hereby declares that the statutes allowing the creation of or chartering local school districts and giving them authority to raise and spend moneys and to provide educational services are designed to establish and maintain a general, uniform and thorough system of public, free common schools. The legislature hereby declares that the public schools operated by and the educational services provided by local school districts, together with any public schools operated by the state, constitute the system of public, free common schools described in section 1, article IX of the constitution of the state of Idaho.

6-2204. RESPONSIBILITY FOR PROVIDING EDUCATIONAL SERVICES REQUIRED BY THE CONSTITUTION. The legislature has established a system of public, free common schools by its authorization of the creation of or chartering of local school districts. Local school districts are hereby declared to have the primary responsibility for provision of constitutionally required educational services and for assuring themselves and the public that the local school districts are operating their schools as part of a general, uniform and thorough system of public, free common schools. When a local school district is unable to meet its responsibilities under this chapter because it does not provide constitutionally required educational services, this chapter provides judicial and administrative remedies to bring schools operated by the local school district into compliance with section 1, article IX, of the constitution of the state of Idaho and first prescribes local solutions where possible.

6-2205. RIGHT OF ACTION -- STANDING TO SUE. (1) Patron suits against local school districts. Any person who is a schoolchild, the parent or guardian of a schoolchild, or the parent or guardian of a child who will enter public school in the next two (2) years has standing to sue and may bring suit against the local school district in which the schoolchild or potential schoolchild resides on the ground that the local school district is not providing constitutionally required educational services. These complaints may be known as patron complaints, and the persons who are plaintiffs may be known as patrons. The patron complaint must list with specificity the manner in which the patrons contend that the local school district is not providing constitutionally required educational services. No other person, except the state as parens patriae, has standing to bring suit against a school district on the ground that the school district is...
not providing constitutionally required educational services.

(2) Parens patriae suit against districts. The state of Idaho, through the legislature or through the superintendent of public instruction, may bring suit against a school district on the ground that the school district is not providing constitutionally required educational services.

(3) Patron suits against the state. No person other than a patron authorized to bring suit against a school district under subsection (1) of this section has standing to bring suit against the state, the legislature, or any of the state's officers or agencies on the ground that the state has not established and maintained a general, uniform and thorough system of public, free common schools. No patron with standing to bring suit against a school district may bring suit against the state, the legislature, or any of the state's officers or agencies on the ground that the state has not established and maintained a general, uniform and thorough system of public, free common schools unless the patron has first brought suit against its local school district pursuant to subsection (1) of this section and the district court has later authorized the patron to add the state as a defendant as authorized by this section. Any patron suit against the state, the legislature, or any of the state's officers or agencies not authorized by the district court pursuant to this section shall be dismissed.

(4) No other suits recognized. School districts are agents of the state for purposes of providing a general, uniform and thorough system of public, free common schools, and they have no standing to bring suit against the state for failure to establish and maintain a general, uniform and thorough system of public, free common schools. Any suit brought by a school district against the state, the legislature, or any of the state's officers or agents contending that the state has not established a general, uniform and thorough system of public, free common schools shall be dismissed. There shall be no right of action by any person contending that there is not a general, thorough and uniform system of free common schools in this state except those authorized in subsections (1), (2) and (3) of this section naming with specificity the local school districts in which the plaintiffs live and with specificity the manner in which they contend that the public schools in that district are not providing constitutionally required educational services. Any other suit contending that there is not a general, thorough and uniform system of free, common schools shall be dismissed.

6-2206. PATRON COMPLAINTS TO BE FORWARDED TO ATTORNEY GENERAL. When a patron complaint is filed against a school district pursuant to this chapter, a copy of the complaint shall also be served on the attorney general, who shall notify the legislature and the superintendent of public instruction that the complaint has been filed. Either the legislature or the superintendent of public instruction may intervene as plaintiffs in the patron suit as a matter of right. No action shall be taken in the patron suit, except for the school district's filing of an answer to the patron complaint, until a copy of the complaint has been forwarded to the attorney general and the legislature and the superintendent of public instruction have been
given thirty-five (35) calendar days to decide whether to intervene as a matter of right as plaintiffs in the patron suit.

6-2207. BENCH TRIAL. When a complaint is filed against a school district pursuant to this chapter, trial shall be before the district court sitting without a jury.

6-2208. DISTRICT COURT FINDINGS. Upon reaching the merits of the constitutionally based educational claim, the district court shall find whether the defendant local school district is providing all constitutionally required educational services. If the district court shall find that the defendant local school district is providing all constitutionally required educational services, it shall issue a declaratory judgment to that effect. If the district court shall find that the defendant local school district is not providing all constitutionally required educational services, the district court shall then conduct further proceedings as necessary to allow it to make the following findings:

(1) The local school district (a) does or does not offer educational or other services that are not constitutionally required, and (b) does or does not offer the constitutionally required educational services that it does offer in a manner that consumes more of the local school district's resources than necessary to offer the constitutionally required educational services that it does offer.

(2) If the local school district (a) offers educational or other services that are not constitutionally required, or (b) offers some of the services that are constitutionally required in a manner that consumes more of the local school district's resources than necessary to provide the constitutionally required educational services that it does offer, there is or is not a manner that resources devoted to offering services not constitutionally required or that consume more resources than necessary may be redirected to offer services that are constitutionally required but are not being offered. In making this finding, the district court shall take into account any federal mandates with which the local school district must comply, and the local school district shall not be obligated to redirect its resources from complying with federal mandates.

(3) The local school district (a) does or does not impose maintenance and operations tax levies, supplemental maintenance and operations tax levies, and school emergency fund levies up to the statutory maximum allowed by law without holding further elections, and (b) does or does not impose maintenance and operations tax levies, supplemental maintenance and operations tax levies, and school emergency fund levies in a total amount that equals or exceeds the sum of the maximum statutory maintenance and operations levy and maximum statutory emergency fund levy plus the simple average of all supplemental maintenance and operations levies of all the local school districts in the state. In making this calculation, the district court may take official notice of publications of the superintendent of public instruction or may by order direct the superintendent of public instruction to supply calculations for the district court's use.

6-2209. REMEDIES IN SUIT AGAINST DISTRICT -- CONTINUING JURISDIC-
TION. (1) If the district court finds that the local school district offers educational or other services not federally mandated and not constitutionally required, or offers some of the services that are constitutionally required in a manner that consumes more of the local school district's resources than necessary to provide the constitutionally required services that it does offer, it shall issue an order choosing from among the following remedies and retaining jurisdiction as required by this chapter. Any order accepting or modifying a consent agreement under subsection (2) of this section, accepting or modifying a plan under subsection (3) of this section, or directing school district action under subsection (4) of this section, shall be a final order for purposes of rehearing and appeal, but the filing of an appeal shall not itself stay the effect of the order, and the district court shall have continuing jurisdiction over compliance with the order or stay of the order unless stayed from continuing jurisdiction by the supreme court. The supreme court may stay the order or stay the district court's continuing jurisdiction over compliance with the order on such grounds as it finds appropriate.

(2) The parties shall be given a reasonable time not to exceed thirty-five (35) calendar days to attempt to enter into a consent agreement for meeting the local school district's obligations to provide constitutionally required educational services. If the parties cannot agree on a consent agreement within thirty-five (35) calendar days, the district court shall issue an order under subsection (3) or (4) of this section. If the parties submit a consent agreement, the district court shall independently review the consent agreement and may modify the consent agreement as it finds necessary in light of the local school district's obligations to provide constitutionally required educational services. Following review, the district court shall enter an order accepting, modifying or rejecting the consent agreement and retaining jurisdiction over the case. If the district court rejects the consent agreement, it shall issue an order under subsection (3) or (4) of this section. An order accepting or modifying the consent agreement may require the local school district to impose maintenance and operations levies, supplemental maintenance and operations levies and emergency fund levies in the maximum amount allowed by law without an election and to impose an educational necessity levy as authorized in this chapter and defined in section 6-2214, Idaho Code.

(3) The local school district shall be given a reasonable time not to exceed thirty-five (35) calendar days to submit a plan for meeting its obligations to provide constitutionally required educational services. If the local school district does not submit a plan within thirty-five (35) calendar days, the district court shall issue an order under subsection (2) or (4) of this section. If the local school district submits a plan, the district court shall independently review the plan and any of the parties' comments to the plan and may modify the plan as it finds necessary in light of the local school district's obligations to provide constitutionally required educational services. Following review, the district court shall enter an order accepting, modifying or rejecting the plan and retaining jurisdiction over the case. If the district court rejects the plan, it shall issue an order under subsection (2) or (4) of this section.
(4) The district court may issue any of the following orders:
(a) If the local school district offers educational or other services not federally mandated and not constitutionally required, the district court may enjoin the local school district from offering some or all of those services not federally mandated and not constitutionally required.
(b) If the local school district offers some of the services that are constitutionally required in a manner that consumes more of the local school district's resources than necessary to provide the constitutionally required services that it does offer, the district court may enjoin the local school district from offering some or all of the constitutionally required services in a manner that consumes more of the local district's resources than necessary.
(c) If the local school district does not impose a maintenance and operations levy, a supplemental maintenance and operations levy, and an emergency fund levy in the maximum amounts allowed by law without an election, or if the sum of the local school district's maintenance and operations levy, supplemental maintenance and operations levy, and emergency fund levy does not equal or exceed the maximum maintenance and operations levy and emergency fund levy that may be imposed by law plus the simple average supplemental maintenance and operations levy of all the school districts in the state, pursuant to section 6-2210, Idaho Code, the district court may order the local school district to impose maintenance and operations levies, supplemental maintenance and operations levies, and emergency fund levies in the maximum amount allowed by law without an election and to impose an educational necessity levy as authorized by this chapter.
(d) If the district court finds that any other order or mandate would assist the local school district in providing constitutionally required educational services, the district court may issue any order that it determines would assist the local school district in providing constitutionally required educational services.

6-2210. FURTHER INQUIRY ABOUT TAX LEVIES -- ORDERS. (1) If the district court finds:
(a) That the local school district cannot offer federally mandated services and constitutionally required educational services because it does not have sufficient revenues; or
(b) That if the local school district were to offer the constitutionally required educational services that it does offer in a manner that consumes no more of the local school district's resources than necessary, it would still be unable to offer federally mandated services and constitutionally required educational services because it does not have sufficient revenues;
then the district court shall then find the sum of the maintenance and operations levies, supplemental maintenance and operations levies, and emergency fund levies imposed by the local school district and compare the sum to the sum of maintenance and operations levies and emergency fund levies in the maximum amount allowed by law plus the simple average of the supplemental maintenance and operations levies imposed by all school districts in the state.
(2) Orders following further inquiry about tax levies.

(a) If the district court finds:

(i) That the local school district cannot offer federally mandated educational services and constitutionally required educational services because it does not have sufficient revenues;

(ii) That if the local school district were to offer the constitutionally required educational services in a manner that consumes no more of the local school district's resources than necessary, it would still be unable to offer federally mandated educational services and constitutionally required educational services because it does not have sufficient revenues; and

(iii) That the sum of the local school district's levies totaled in subsection (1) of this section equals or exceeds the comparison made in subsection (1) of this section;

the district court shall issue an order authorizing the plaintiffs to add the state and/or the legislature as defendants.

(b) If the district court finds:

(i) That the local school district cannot offer federally mandated educational services and constitutionally required educational services because it does not have sufficient revenues;

(ii) That if the local school district were to offer the constitutionally required educational services in a manner that consumes no more of the local school district's resources than necessary, it would still be unable to offer federally mandated educational services and constitutionally required educational services because it does not have sufficient revenues; and

(iii) The sum of the local school district's levies totaled in subsection (1) of this section do not equal or exceed the comparison made in subsection (1) of this section;

 notwithstanding any other provision of law to the contrary, the district court shall issue an order directing the local school board to impose maintenance and operations levies and emergency fund levies in the maximum amount that may be imposed by law. Furthermore, if the sum of the maximum maintenance and operations levy and emergency fund levy that may be imposed by law plus the supplemental maintenance and operations levy does not exceed the comparison made in subsection (1) of this section, the district court shall order the local school board to adopt an educational necessity levy in an amount so that the sum of the maintenance and operations levy, the supplemental maintenance and operations levy, the emergency fund levy, and the educational necessity levy equals the comparison set forth in subsection (1) of this section. The district court shall issue an order directing that all tax revenues from the additional amounts levied pursuant to this subsection be directed first to meeting the local school district's obligations to provide constitutionally required educational services, but may allow the local school district to reduce any of the levies that it was ordered to raise upon the local school district's proof that it is then providing constitutionally required educational services. The district court shall have continuing jurisdiction to see that the
additional tax revenues are spent according to its order.

6-2211. DISTRICT COURT'S CONTINUING JURISDICTION. When the district court has issued an order over which it has continuing jurisdiction under this chapter, the district court may review as necessary, but not less than annually, the question whether the local school district has complied with its obligation to offer constitutionally required educational services. Upon its review, the district court shall take the following actions:

(1) If the district court finds that the local school district has at that time complied with its obligation to provide constitutionally required educational services, it shall issue a declaratory judgment to that effect, and it may dissolve any orders previously in place as it finds appropriate.

(2) If the district court finds that the local school district has not yet complied with its obligations to provide constitutionally required educational services, but is making good faith progress toward compliance with its obligations to provide constitutionally required educational services, it shall issue an interlocutory finding to that effect and continue its jurisdiction.

(3) If the district court finds that:
   (a) The local school district has not yet complied with its obligations to provide constitutionally required educational services;
   (b) The local school district does not offer educational or other services not federally mandated or constitutionally required;
   (c) The local school district does not offer constitutionally required educational services in a manner that consumes more of the local school district's resources than necessary to provide the constitutionally required educational services that it does offer;
   (d) The sum of the local school district's maintenance and operations levy, supplemental maintenance and operations levy, emergency fund levy, and educational necessity levy equals or exceeds the comparison made in section 6-2210(1), Idaho Code; and
   (e) The local school district does not have the resources to meet its obligation to provide constitutionally required educational services;

the district court shall issue an order authorizing the plaintiffs to add the state and/or the legislature as defendants.

(4) If the district court finds that the local school district has not yet complied with its obligations to provide constitutionally required educational services and is not making good faith efforts toward substantial compliance, it shall continue its jurisdiction and may issue such orders as it finds necessary to compel good faith efforts on the local school district's part, including an order for state supervision.

6-2212. STATE SUPERVISION. When authorized in this chapter, the district court may issue an order for state supervision of a local school district. When an order for state supervision of a local school district is entered, the superintendent of public instruction shall within thirty-five (35) calendar days appoint, at local school district expense, an officer to be known as a district supervisor. The
district supervisor shall have authority to approve or disapprove any actions of the board of the local school district, to supervise or dismiss superintendents, assistance superintendents, and any other district administrative personnel, and to take any actions necessary to further the local school district's obligations to provide constitutionally required educational services. The district supervisor shall serve at the pleasure of the superintendent of public instruction until removed by the superintendent of public instruction or the superintendent of public instruction reports to the district court that the local school district is in substantial compliance with its obligations to provide constitutionally required educational services, or until the district court, upon its own motion or upon motion of any of the parties, orders state supervision to end.

6-2213. SUIT AGAINST STATE. When the district court has authorized the plaintiffs to add the state or the legislature as defendants in a suit brought under this chapter, if the legislature is not already party to the suit, the legislature may move to reopen the proceedings to present evidence with regard to the district court's findings that preceded the district court's authorization to sue the state and/or the legislature, or it may stand on the record and findings before the district court. Following any additional evidence that may be offered after the state and/or the legislature is added as a defendant, if the district court finds that:

(1) The local school district has not yet complied with its obligations to provide constitutionally required educational services;
(2) The local school district does not offer educational or other services not federally mandated or constitutionally required;
(3) The local school district does not offer the constitutionally required educational services that it does offer in a manner that consumes more of the local school district's resources than necessary to provide the constitutionally required educational services that it does offer;
(4) The sum of the local school district's maintenance and operations levy, supplemental maintenance and operations levy, emergency fund levy, and educational necessity levy equal or exceed the comparison made in section 6-2210(1), Idaho Code; and
(5) The local school district does not have the resources to meet its obligation to provide constitutionally required educational services;

the district court shall enter a declaratory judgment finding that the system of public, free common schools established by law is unconstitutional as applied to the patrons of that local school district. If the district court cannot make all of these five (5) findings, it shall dismiss the complaint against the state and/or the legislature, but retain jurisdiction over the other defendants as necessary. The district court shall not issue any other final judgments or orders against the state and/or the legislature except as authorized by this section.

6-2214. EDUCATIONAL NECESSITY Levy. There is hereby created an educational necessity levy that may be levied by a local school district as authorized in this chapter. The educational necessity levy
shall expire upon order of the district court having jurisdiction over
a suit brought under this chapter or five (5) years after it comes
into existence, whichever comes first.

6-2215. EFFECT ON PENDING LAWSUITS. This chapter shall not apply
to any lawsuit pending on its effective date, but shall apply to any
lawsuit bringing a constitutionally based educational claim filed
after its effective date; provided, however, that if section 1, arti­
cle IX, of the constitution of the state of Idaho is amended to
require the legislature to provide procedures and immunities for
lawsuits brought under that section, including pending lawsuits, this
chapter shall apply to all suits pending when such a constitutional
amendment is approved.

6-2216. SEVERABILITY. The provisions of this act are hereby
declared to be severable and if any provision of this act or the
application of such provision to any person or circumstance is
declared invalid for any reason, such declaration shall not affect the
validity of the remaining portions of this act.

SECTION 2. An emergency existing therefor, which emergency is
hereby declared to exist, this act shall be in full force and effect
on and after passage and approval, and retroactively to January 1,
1996.

Approved March 15, 1996.

peace officer may take a juvenile into custody, or a private citizen
may detain a juvenile until the juvenile can be delivered forthwith
into the custody of a peace officer, without order of the court:
(a) When he has reasonable cause to believe that the juvenile has
committed an act which would be a felony if committed by an adult; or
(b) When in the presence of a peace officer or private citizen the juvenile has violated any local, state or federal law or municipal ordinance; or
(c) When there are reasonable grounds to believe the juvenile has committed a status offense. Status offenses are truancy, running away from or being beyond the control of parents, guardian, or legal custodian and curfew violations. Status offenders shall not be placed in any jail facility but instead may be placed in juvenile shelter care facilities, except in the case of runaways, when there is a specific detention request from a foreign jurisdiction to hold the juvenile pending transportation arrangements.

(2) A peace officer may take a juvenile into custody upon a written order or warrant signed by a judge. The judge may issue the order or warrant after finding that there is reasonable cause to believe that the juvenile comes within the purview of this chapter. Such taking into custody shall not be deemed an arrest. Jurisdiction of the court shall attach from the time the juvenile is taken into custody. When an officer takes a juvenile into custody, he shall notify the parent, guardian or custodian of the juvenile as soon as possible. Unless otherwise ordered by the court, or unless it appears to the officer taking the juvenile into custody that it is contrary to the welfare of society or the juvenile, such juvenile shall be released to the custody of his parent or other responsible adult upon written promise, signed by such person, to bring the juvenile to the court at a stated time. Such written promise shall be submitted to the court as soon as possible. If such person shall fail to produce the juvenile as agreed, or upon notice from the court, a summons for such person may be issued by the court and a warrant may be issued for apprehension of the juvenile.

(3) A juvenile taken into custody may be fingerprinted and photographed. Any fingerprints and photographs taken shall be forwarded as provided in subsection (8) of this section. If the court finds good cause it may order any fingerprints and photographs expunged.

Status offenders shall not be placed in any jail facility, but instead may be placed in juvenile shelter care facilities.

(5) The person in charge of a detention facility shall give immediate notice to the court that the juvenile is in his custody.

(6) No juvenile shall be held in detention longer than twenty-four (24) hours, exclusive of Saturdays, Sundays and holidays, unless

Fingerprints and photographs taken of juveniles at detention facility by staff of the facility shall be forwarded to the appropriate law enforcement agency and filed with the bureau of criminal identification of the Idaho department of law enforcement which shall create a juvenile fingerprint file separate and apart from any adult file in a records system and enter the fingerprint data into the automated fingerprint identification system. The fingerprint data shall then be forwarded to the department to be maintained in a statewide juvenile offender information system. Access to the information in the juvenile offender system shall be controlled by the department, subject to the provisions of section 9-342, Idaho Code. If the court finds a juvenile's detention for an offense to be unlawful, the court shall good cause it may order the fingerprints and photographs of the juvenile taken pursuant to that detention expunged, unless the court, after a hearing, orders otherwise.

(79) Peace officers' records of juveniles shall be kept separate from records of adults and shall be subject to disclosure according to chapter 3, title 9, Idaho Code.

Approved March 15, 1996.

CHAPTER 260

20-511. DIVERSION OR INFORMAL DISPOSITION OF THE PETITION. (1) Prior to the filing of any petition under this act, the prosecuting attorney may request a preliminary inquiry from the juvenile county probation department officer to determine whether the interest of the public or the juvenile requires a formal court proceeding. If court action is not required, the prosecuting attorney may utilize the
diversion process and refer the case directly to the juvenile county probation department officer or a community based-diversion program for informal probation and counseling. If community service is going to be utilized pursuant to this subsection, the prosecuting attorney shall collect a fee of sixty cents (60¢) per hour for each hour of community service work the juvenile is going to perform and remit the fee to the state insurance fund for the purpose of securing worker's compensation insurance for the juvenile performing community service.

(2) After the petition has been filed and where, at the admission or denial hearing, the juvenile admits to the allegations contained in the petition, the court may decide to make an informal adjustment of the petition. Informal adjustment includes, but is not limited to:

When an informal adjustment is made pursuant to this section and the juvenile is to perform community service work, the court shall assess the juvenile a fee of sixty cents (60¢) per hour for each hour of community service work the juvenile is to perform. This fee shall be remitted by the court to the state insurance fund for the purpose of securing worker's compensation insurance for the juvenile performing community service.

AND TO AUTHORIZE ADULT DRUG TESTING IN CERTAIN CIRCUMSTANCES; AND
PROVIDING EFFECTIVE DATES.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Chapter 27, Title 37, Idaho Code, be, and the
same is hereby amended by the addition thereto of a NEW SECTION, to be
known and designated as Section 37-2732C, Idaho Code, and to read as
follows:

37-2732C. USING OR BEING UNDER THE INFLUENCE — PENALTIES. (a)
Except as authorized in this chapter, it is unlawful for any person on
a public roadway, on a public conveyance, on public property or on
private property open to the public, to use or be under the influence
of any controlled substance specified in subsection (b), (c), (d) and
(f) of section 37-2705, Idaho Code, or subsection (b), (c) and (d) of
section 37-2707, Idaho Code, or any narcotic drug classified in sched­
ule III, IV or V, except when administered by or under the direction
of a person licensed by the state to dispense, prescribe, or adminis­
ter controlled substances. It shall be the burden of the defense to
show that it comes within this exception.

(b) Any person convicted of violating the provisions of subsec­
tion (a) of this section is guilty of a misdemeanor and is punishable
by imprisonment in a county jail for not more than six (6) months, or
by a fine not exceeding one thousand dollars ($1,000) or by both.

(c) Any person who is convicted of violating subsection (a) of
this section, when the offense occurred within five (5) years of that
person being convicted of two (2) or more separate violations of that
subsection and who refuses to complete a licensed drug rehabilitation
program offered by the court pursuant to subsection (d) shall be pun­
ished by imprisonment in the county jail for a mandatory minimum
period of time of not less than one hundred twenty (120) days, nor
more than one (1) year. The court may not reduce the mandatory mini­
mum period of incarceration provided in this subsection.

(d) The court may, when it would be in the interest of justice,
permit any person convicted of a violation of subsection (a) of this
section, punishable under subsection (b) or (c) of this section, to
complete a licensed drug rehabilitation program in lieu of part or all
of the imprisonment in the county jail. As a condition of sentencing,
the court may require the offender to pay all or a portion of the drug
rehabilitation program. In order to alleviate jail overcrowding and
to provide recidivist offenders with a reasonable opportunity to seek
rehabilitation pursuant to this subsection, counties are encouraged to
include provisions to augment licensed drug rehabilitation programs in
their substance abuse proposals and applications submitted to the
state for federal and state drug abuse funds.

(e) Notwithstanding subsection (a), (b) or (c) of this section,
or any other provision of law to the contrary, any person who is
unlawfully under the influence of cocaine, cocaine base, methamphet-
amine, heroin, or phencyclidine while in the immediate personal pos-
session of a loaded, operable firearm is guilty of a public offense
and is punishable by imprisonment in the county jail or the state
prison for not more than one (1) year. As used in this subsection,
"immediate possession" includes, but is not limited to, the interior
passenger compartment of a motor vehicle.

(f) Every person who violates subsection (e) of this section is
punishable upon the second and each subsequent conviction by imprison-
ment in the state prison for a period of time not in excess of four
(4) years.

(g) In addition to any fine assessed under this section and not-
withstanding the provisions of section 19-4705, Idaho Code, the court
may, upon conviction, assess an additional cost to the defendant in
the way of restitution, an amount not to exceed two hundred dollars
($200) to the arresting and/or prosecuting agency or entity. These
funds shall be remitted to the appropriate fund to offset the expense
of toxicology testing.

SECTION 2. That Section 18-1502C, Idaho Code, be, and the same is
hereby amended to read as follows:

18-1502C. POSSESSION OF MARIJUANA OR DRUG PARAPHERNALIA BY A
MINOR -- USE OF CONTROLLED SUBSTANCES -- FINES. (1) Any person under

stitute a misdemeanor for an adult so charged, or who shall have in
his possession any drug paraphernalia as defined in section
37-2701(n), Idaho Code, or who shall unlawfully use or be under the
influence of controlled substances in violation of the provisions of
section 37-2732C, Idaho Code, shall be guilty of a misdemeanor, and
upon conviction, may be punished by a fine not in excess of one thou-
sand dollars ($1,000) or by ninety (90) days in a juvenile detention
facility or by both or may be subject to the provisions of chapter
185, title 20, Idaho Code. If the juvenile is adjudicated under the
provisions of chapter 185, title 20, Idaho Code, for a violation of
this section he shall be sentenced in accordance with the provisions
of this section. The juvenile shall be adjudicated under chapter 5,
title 20, Idaho Code, for a violation of section 37-2732C, Idaho Code,
unless the court finds that adjudication under chapter 5, title 20,
Idaho Code, is not appropriate in the circumstances.

(2) A conviction under this section shall not be used as a factor
or considered in any manner for the purpose of establishing rates of
motor vehicle insurance charged by a casualty insurer, nor shall such
conviction be grounds for nonrenewal of any insurance policy as pro-
vided in section 41-2507, Idaho Code.

(3) Whenever-a Any person who pleads guilty or is found guilty of
possession of marijuana pursuant to this section, or who pleads guilty
or is found guilty of a violation of section 37-2732C, Idaho Code,
then in addition to the penalty provided in subsection (1) of this
section:

(a) The court shall suspend the person's driving privileges for a
period of not more than one (1) year. The person may request
restricted driving privileges during the period of suspension,
which the court may allow, if the person shows by a preponderance of the evidence that driving privileges are necessary as deemed appropriate by the court.

(b) If the person's driving privileges have been previously suspended under this section, the court shall suspend the person's driving privileges for a period of not more than two (2) years. The person may request restricted driving privileges during the period of suspension, which the court may allow, if the person shows by a preponderance of the evidence that driving privileges are necessary as deemed appropriate by the court.

(c) The person shall surrender his license or permit to the court.

(d) The court shall notify the motor vehicle division of the Idaho transportation department of all orders of suspension it issues pursuant to this section.

(e) The court, in its discretion, may also order the person convicted of possession of marijuana under subsection (1) of this section, or convicted of using or being under the influence of a controlled substance in violation of section 37-2732C, Idaho Code, to undergo and complete a substance abuse evaluation and to complete a drug treatment program, as provided in section 37-2738(2), Idaho Code.

SECTION 3. That Section 20-505, Idaho Code, be, and the same is hereby amended to read as follows:

20-505. JURISDICTION. Subject to the prior jurisdiction of the United States, the court shall have exclusive, original jurisdiction over any juvenile and over any adult who was a juvenile at the time of any act, omission or status, in the county in which the juvenile resides, or in the county in which the act, omission or status allegedly took place, in the following cases:

(1) Where the act, omission or status is prohibited by federal, state, local or municipal law or ordinance by reason of minority only, regardless of where the same occurred;

(2) Where the act or omission is a violation of any federal, state, local or municipal law or ordinance which would be a crime if committed by an adult, regardless of where the same occurred, except traffic, watercraft, fish and game, failure to obey a misdemeanor citation and criminal contempt violations. A juvenile violator under the age of fourteen (14) years at the time of the violation may, at the discretion of the court, be treated under the provisions of this chapter;
