WHEREAS, consumers of electricity in the State of Idaho have enjoyed some of the lowest rates for electricity in the nation and such rates are a factor in Idaho's economic vitality;
WHEREAS, since 1970, the public policy of the State of Idaho has been to promote stability among and between electric suppliers furnishing electricity within the state, to prohibit the 'pirating' of customers of another supplier, to discourage duplication of electric facilities, and to stabilize the territories and customers served with electricity by such suppliers; and
WHEREAS, in order to fulfill these goals, the law of the State of Idaho, as set forth in the Electric Supplier Stabilization Act (ESSA), has restricted competition for existing utility customers by prohibiting would-be suppliers from providing service to current or former customers of another supplier without the written consent of the other supplier; and
WHEREAS, for several years, the Legislature's Committee on Electric Utility Restructuring has studied the proposed impact of electric utility deregulation on the State of Idaho; and
WHEREAS, on October 3, 2000, the United States Court of Appeals for the Ninth Circuit held that notwithstanding the clearly articulated policy of the State of Idaho, that electricity suppliers who withhold consent from would-be suppliers to current or former customers of the supplier, pursuant to state law are subject to federal antitrust liability; and
WHEREAS, the decision of the Ninth Circuit has created uncertainty in state law and could subject some electricity suppliers to federal antitrust liability; and
WHEREAS, the long-standing public policy in Idaho should be maintained in light of such uncertainty and until the State Legislature has the opportunity to more fully deliberate this issue during upcoming regular legislative session; and
WHEREAS, article 4, section 9 of the Constitution of the State of Idaho empowers the Governor, on extraordinary occasions, to convene the Legislature by proclamation; and
WHEREAS, the issue of whether the public policy of Idaho to promote stability among and between electric suppliers furnishing electricity within the State should be maintained on an interim basis constitutes such an extraordinary occasion.
NOW, THEREFORE, I, DIRK KEMPTHORNE, Governor of the State of Idaho, by virtue of the authority vested in me by the Constitution and laws of the State of Idaho, do by this Proclamation convene the 56th Idaho Legislature in Extraordinary Session in the Legislative Chambers at the Capitol in Boise City, Ada County, Idaho, at the hour of 10:00 a.m. on
the 8th day of December, 2000, to:

1. Consider and enact legislation, on an interim basis, to provide for sufficient state supervision over the clearly articulated state policy of prohibiting would-be suppliers from providing service to current or former customers of another supplier without the written consent of the other supplier; and

2. Consider and enact legislation to provide for, on an interim basis, any other appropriate measure which confers active state supervision over the conduct covered by the ESSA; and

3. Consider and enact legislation which shall not be effective after March 1, 2001.

The Extraordinary Session of the Legislature convened by the Proclamation shall have no power to legislate on any subject other than that specified herein.

I HEREBY DIRECT AND REQUIRE that a copy of this Proclamation be delivered to the Lieutenant Governor, to each of the members of the 56th Idaho Legislature and to the Constitutional Officers of the State Government at the earliest practicable time.

IN WITNESS WHEREOF, I have hereunto set my hand and caused to be affixed the Great Seal of the State of Idaho at the Capitol in Boise on this seventh day of December in the year of our Lord two-thousand and of the Independence of the United States of America the two hundred twenty-fourth and of the Statehood of Idaho the one hundred tenth.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. LEGISLATIVE INTENT. The provision of a safe and reliable supply of electricity in a manner that prohibits the "pirating" of consumers and discourages duplication of facilities is essential to the well-being of Idaho's citizens and its economy. It was for these and other reasons that the legislature passed the Electric Supplier Stabilization Act in 1970. The legislature has been advised of federal antitrust litigation alleging that conformance with the provisions of this act does not confer federal antitrust immunity upon parties in compliance with the act. The legislature finds that a negative judicial ruling would have the effect of repealing applicable provisions of the act, undercutting the purposes for which this act was enacted.

It is and has been the intention of the legislature to confer antitrust immunity upon parties acting in compliance with the act under what is known as the state action doctrine. While the legislature believes that compliance with the existing provisions of this act confers such immunity, it has determined to amend the act to more fully address this issue. The legislature therefore finds that it is in the public interest to enact the following amendments.

SECTION 2. That Section 61-332, Idaho Code, be, and the same is hereby amended to read as follows:

61-332. PURPOSE OF ELECTRIC SUPPLIER STABILIZATION ACT. A. B. (2) This act and its amendments are designed to promote harmony among and between electric suppliers furnishing electricity within the state of Idaho, prohibit the "pirating" of customers consumers of another electric supplier, discourage duplication of electric facilities, actively supervise certain conduct of electric suppliers as it relates to this act, and stabilize the territories and customers served with electricity by such electric suppliers.

RELATING TO LAND ACTIVELY DEVOTED TO AGRICULTURE FOR TAXATION PURPOSES; AMENDING SECTION 63-604, IDAHO CODE, TO FURTHER DEFINE "LAND ACTIVELY DEVOTED TO AGRICULTURE" TO INCLUDE LAND PRODUCING NURSERY STOCK AND TO MAKE TECHNICAL CORRECTIONS; DECLARING AN EMERGENCY AND PROVIDING RETROACTIVE APPLICATION.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 63-604, Idaho Code, be, and the same is hereby amended to read as follows:
63-604. LAND ACTIVELY DEVOTED TO AGRICULTURE DEFINED. (a) The total area of such land, including the homesite, is more than five (5) contiguous acres, and is actively devoted to agriculture which means:

(i) It is used to produce field crops including, but not limited to, grains, feed crops, fruits and vegetables; or
(ii) It is used to produce nursery stock as defined in section 22-2302(11), Idaho Code; or
(iii) It is used by the owner for the grazing of livestock to be sold as part of a net profit-making enterprise, or is leased by the owner to a bona fide lessee for grazing purposes; or
(iv) It is in a cropland retirement or rotation program.

(b) The area of such land is five (5) acres or less and such land has been actively devoted to agriculture within the meaning of subsection (1)(a) of this section during the last three (3) growing seasons; and

When the area of land is five (5) acres or less, such land shall be presumed to be nonagricultural land until it is established that the requirements of this subsection have been met.

(2) Land shall not be classified or valued as agricultural land which is part of a platted subdivision with stated restrictions prohibiting its use for agricultural purposes, whether within or without a city.

If an owner fails to timely apply for exemption as required in this section solely by reason of active duty in a designated combat zone, as defined in section 112 of the Internal Revenue Code, and the land would otherwise qualify for exemption under this section, then the board of county commissioners of the county in which the land actively devoted to agriculture is located shall refund property taxes, if previously paid, in an amount equal to the exemption which would otherwise have applied.
SECTION 2. An emergency existing therefor, which emergency is hereby declared to exist, this act shall be in full force and effect on and after its passage and approval, and retroactively to January 1, 2001.

If the court, after notice and hearing, finds that a juvenile has violated the court's decree imposing the sentence under circumstances that bring the violation under the valid court order exception of the federal juvenile justice and delinquency prevention act of 1974, as amended, the court may commit the juvenile to detention for the period of detention previously imposed at sentencing;
(c) Commit the juvenile to a period of detention, pursuant to this act, for a period of time not to exceed ninety (90) days for each unlawful or criminal act the juvenile is found to have committed, if the unlawful or criminal act would be a misdemeanor if committed by...

(d) If the juvenile has committed an unlawful or criminal act which would be a felony if committed by an adult, the court may commit the juvenile to detention for a period not to exceed one hundred eighty (180) days for each unlawful or criminal act;
(e) Whenever a court commits a juvenile to a period of detention it shall notify the school district where the detention facility is located. (f) Commit the juvenile to detention and suspend the sentence on specific probationary conditions;
(g) The court may suspend or restrict the juvenile's driving privileges for such periods of time as the court deems necessary, and the court may take possession of the juvenile's driver's license. The juvenile may request restricted driving privileges during a period of suspension, which the court may allow if the juvenile shows by a preponderance of evidence that driving privileges are necessary for his employment or for family health needs;
(h) The court may order that the juvenile be examined or treated by a physician, surgeon, psychiatrist or psychologist, or that he receive other special care, or that he submit to an alcohol or drug evaluation, if needed, and for such purposes may place the juvenile in a hospital or other suitable facility;
(i) In support of an order under the provisions of this section, the court may make an additional order setting forth reasonable conditions to be complied with by the parents, the juvenile, his legal guardian or custodian, or any other person who has been made a party to the proceedings, including, but not limited to, restrictions on visitation by the parents or one (1) parent, restrictions on the juvenile's associates, occupation and other activities, and requirements to be observed by the parents, guardian or custodian;
(j) The court may make any other reasonable order which is in the best interest of the juvenile or is required for the protection of the public, except that no person under the age of eighteen (18) years may be committed to jail, prison or a secure facility which does not meet the standards set forth in section 20-518, Idaho Code, unless jurisdiction over the individual is in the process of being waived or has been waived pursuant to section 20-508 or 20-509, Idaho Code. The court may combine several of the above-listed modes of disposition where they are compatible;
(k) An order under the provisions of this section for probation or placement of a juvenile with an individual or an agency may provide a schedule for review of the case by the court;
(l) Order the proceeding expanded or altered to include consideration of the cause pursuant to chapter 16, title 16, Idaho Code;
(m) Order the case and all documents and records connected therewith transferred to the magistrate division of the district court for the county where the juvenile and/or parents reside if different than the county where the juvenile was charged and found to have committed the unlawful or criminal act, for the entry of a dispositional order;
(n) Order such other terms, conditions, care or treatment as appears to the court will best serve the interests of the juvenile and the community;

(o) The court shall assess a twenty dollar ($20.00) charge detention/probation training academy fee against the juvenile for every petition filed where there has been an adjudication that the juvenile is within the purview of this chapter. All monies raised pursuant to this subsection shall be transmitted by the court for deposit in the juvenile corrections account fund which is created in section 20-542, Idaho Code;

(p) Additionally, the court shall assess a fee of sixty cents (60¢) per hour of community service against the juvenile for every petition filed where there has been an adjudication that the juvenile is within the purview of this chapter and the court is ordering community service. Such fee is to be remitted by the court to the state insurance fund for purposes of providing worker's compensation insurance for persons performing community service pursuant to this chapter;

(q) Commit the juvenile to the legal custody of the department of juvenile corrections for an indeterminate period of time not to exceed the juvenile's twenty-first birthday, unless extended jurisdiction is necessary to complete the competency development and accountability goals of the department;

(r) Notwithstanding any other provision of this section, a court may not commit a juvenile offender under the age of ten (10) years to a period of detention or to the custody of the department of juvenile corrections for placement in secure confinement.

(2) When an order is entered pursuant to this section, the juvenile shall be transported to the facility or program so designated by the court or the department, as applicable, by the sheriff of the county where the juvenile resides or is committed, or by an appointed agent. When committing a juvenile to the department, or another entity, the court shall at once forward to the department or entity a certified copy of the order of commitment.

(3) Unless the court determines that an order of restitution would be inappropriate or undesirable, it shall order the juvenile or his parents or both to pay restitution to or make whole any victim who suffers an economic loss as a result of the juvenile's conduct in accordance with the standards and requirements of sections 19-5304 and 19-5305, Idaho Code. The amount of restitution which may be ordered by the court shall not be subject to the limitations of section 6-210, Idaho Code. Court-ordered restitution shall be paid prior to any other court-ordered payments unless the court specifically orders otherwise.

(4) Any parent, legal guardian or custodian violating any order of the court entered against the person under the provisions of this chapter shall be subject to contempt proceedings under the provisions of chapter 6, title 7, Idaho Code.

SECTION 2. That Section 20-522, Idaho Code, be, and the same is hereby amended to read as follows:

20-522. JURISDICTION OVER PARENTS. Whenever a juvenile is found to come under the purview of this chapter, the court shall have jurisdiction and authority to have the juvenile and the juvenile's parent(s),
legal guardian or custodian sign a probationary contract with the court containing terms and conditions that the juvenile and the juvenile's parent(s), legal guardian or custodian must adhere to as a condition of the juvenile's probation. The probationary contract may provide that upon a violation or breach of the terms and conditions of the probationary contract, the juvenile's parent(s), legal guardian or custodian shall be liable to the court for a specific monetary sum not in excess of one thousand dollars ($1,000) for the breach of contract. All such moneys shall be payable to the court and shall be in addition to any other fines, penalties or other sanctions provided by law. Any moneys received by the court pursuant to this section shall be paid into the juvenile corrections account fund created in section 20-542, Idaho Code. In lieu of or in addition to a monetary payment, the court may order that the parent(s), legal guardian or custodian attend parenting classes or undergo other treatment or counseling. Any person violating any order of the court entered under the provisions of this section shall be subject to contempt proceedings under the provisions of chapter 6, title 7, Idaho Code.

Except as provided herein, all proceeds from the training tax defined in subsection (4) of this section shall be paid into the training fund. The state treasurer shall be the custodian of the training fund and shall invest said moneys in accordance with law. Any interest earned on the moneys in
the training fund shall be deposited in the training fund. Moneys in the training fund shall be disbursed in accordance with the directions of the director.

(2) All moneys in the training fund are perpetually appropriated to the director for expenditure in accordance with the provisions of this section. The purpose of the training fund is to provide or expand training and retraining opportunities in an expeditious manner that would not otherwise exist for Idaho's workforce. The training fund is intended to supplement, but not to supplant or compete with, money available through existing training programs. The moneys in the training fund shall be used for the following purposes:

(a) To provide training for skills necessary for specific economic opportunities and industrial expansion initiatives;
(b) To provide training to upgrade the skills of currently employed workers at risk of being permanently laid off;
(c) For refunds of training taxes erroneously collected and deposited in the workforce training fund;
(d) For all administrative expenses incurred by the department associated with the collection of the training tax and any other administrative expenses associated with the training fund.

(3) Expenditures from the training fund for purposes authorized in paragraphs (a) and (b) of subsection (2) of this section shall be approved by the director and the director of the department of commerce based on procedures, criteria and performance measures established by the council appointed pursuant to section 72-1336, Idaho Code. The activities funded by the training fund will be coordinated with similar activities funded by the state division of professional-technical education. Expenditures from the training fund for purposes authorized in paragraphs (c) and (d) of subsection (2) of this section shall be approved by the director. The director shall pay all approved expenditures as long as the training fund has a positive balance. The council shall report annually to the governor and the joint finance-appropriations committee the commitments and expenditures made from the training fund in the preceding fiscal year and the results of the activities funded by the training fund.

(4) A training tax is hereby imposed on all covered employers required to pay contributions pursuant to section 72-1350, Idaho Code, with the exception of deficit employers who have been assigned a taxable wage rate from rate class six pursuant to section 72-1350, Idaho Code. The training tax rate shall be equal to three percent (3%) of the taxable wage rate then in effect for each eligible, standard-rated and deficit employer. The training tax shall be due and payable at the same time and in the same manner as contributions. This subsection is repealed effective January 1, 2007, unless, prior to that date, the Idaho legislature approves the continuation of this subsection by repeal of this sunset clause.

(5) The provisions of this chapter which apply to the payment and collection of contributions also apply to the payment and collection of the training tax, including the same calculations, assessments, method of payment, penalties, interest, costs, liens, injunctive relief, collection procedures and refund procedures. In the administration of the provisions of this section, the director is granted all rights, authority, and prerogatives granted under the provisions of this chapter. Moneys collected from an employer delinquent in paying contributions,
reserve taxes and the training tax shall first be applied to any penalty and interest imposed pursuant to the provisions of this chapter and shall then be applied pro rata to delinquent contributions to the employment security fund, section 72-1346, Idaho Code, delinquent reserve taxes to the reserve fund, section 72-1347A, Idaho Code, and delinquent training taxes to the training fund. Any interest and penalties collected pursuant to this subsection shall be paid into the state employment security administrative and reimbursement fund, section 72-1348, Idaho Code, and any interest or penalties refunded under this subsection shall be paid out of that same fund. Training taxes paid pursuant to this section shall not be credited to the employer's experience rating account and may not be deducted by any employer from the wages of individuals in its employ. All training taxes shall be deposited in the clearing account of the employment security fund, section 72-1346, Idaho Code, for clearance only and shall not become part of such fund. After clearance, the moneys shall be deposited in the training fund established in subsection (1) of this section.

(6) Administrative costs related to the training fund shall be paid from the training fund in accordance with subsection (3) of this section.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Chapter 1, Laws of the First Extraordinary Session of 2000, be, and the same is hereby repealed.

SECTION 2. LEGISLATIVE INTENT. The provision of a safe and reliable supply of electricity in a manner that prohibits the "pirating" of consumers and discourages duplication of facilities is essential to the well-being of Idaho's citizens and its economy. It was for these and other reasons that the legislature passed the Electric Supplier Stabilization Act in 1970. The legislature has been advised of federal antitrust litigation alleging that conformance with the provisions of this act does not confer federal antitrust immunity upon parties in compliance with the act. The legislature finds that a negative judicial ruling would have the effect of repealing applicable provisions of the act, undercutting the purposes for which this act was enacted.

It is and has been the intention of the legislature to confer antitrust immunity upon parties acting in compliance with the act under what is known as the state action doctrine. While the legislature believes that compliance with the existing provisions of this act confers such immunity, it has determined to amend the act to more fully address this issue. The legislature therefore finds that it is in the public interest to enact the following amendments.

It is the intent of the legislature in enacting Sections 14 and 15 of this act that relevant court precedent in existence on the effective date of this act be applicable in the interpretation of Sections 30-3-14 and 50-325, Idaho Code. Such court precedent shall include, but not be limited to, Kiefer v. City of Idaho Falls, 49 Idaho 458 (1930).

SECTION 3. That Section 61-332, Idaho Code, be, and the same is hereby amended to read as follows:

As(2) This act is and its amendments are designed to promote harmony among and between electric suppliers furnishing electricity within the state of Idaho, prohibit the "pirating" of customers consumers of
another electric supplier, discourage duplication of electric facili­ties, actively supervise certain conduct of electric suppliers as it relates to this act, and stabilize the territories and customers con­sumers served with electricity by such electric suppliers.

SECTION 4. That Section 61-332A, Idaho Code, be, and the same is hereby amended to read as follows:

61-332A. DEFINITIONS FOR ELECTRIC SUPPLIER STABILIZATION ACT. As used in this act, unless the context requires otherwise:

(1) "Public utility" means an electric utility regulated by the Idaho public utilities commission.

(2) "Cooperative" means a cooperative corporation furnishing elec­tric service in the state of Idaho to its consumer-members who own and operate the cooperative.

(3) "Municipality" means any municipal corporation or quasi­municipal corporation furnishing electric service to its citizens the consumers of the municipality in the state of Idaho.

(4) "Electric supplier" means any public utility, cooperative, or municipality supplying or intending to supply electric service to a con­sumer.

(5) "Electric service" means electricity furnished to an ultimate consumer by an electric supplier.

(6) "Consumer" is any person, firm, corporation, or other entity receiving or intending to receive electric service at a specific service entrance.

(7) "Service entrance" means the entrance-of-electric-service-from facilities--of--the--supplier--to--the--service-equipment or utilization equipment-of-the-consumer. In determining "service entrance" reference shall be made to the definition of "entrance of the service to the service-equipment-or-utilization-equipment" as defined in the national electrical code-of-1965 location on the consumer's property where the consumer's main disconnect switch, fuses or other disconnect equipment exists, and which are intended to provide the means of cutoff of the supply.

(8) "New service entrance" means a service entrance not previously served with electricity. A change, improvement, replacement, enlarge­ment, or change in location of a service entrance shall not be deemed a "new service entrance" if utilized to serve any service or utilization equipment previously served with electricity from the former service entrance, but for the rules provisions of this act shall be deemed the former "service entrance." A change in consumer shall not be construed to make an existing service entrance a "new service entrance." A change, enlargement, or other modification of service or utilization equipment served from an existing service entrance shall not be construed to make it a "new service entrance."

(9) "Transmission line," for the purposes of this act, means any electric line of an electric supplier for carrying a voltage of sixty-nine (69) KV or more.

(10) "Service line," for the purposes of this act, means any single or multi-phase electric line of an electric supplier used for carrying less than sixty-nine (69) KV and used or capable of use to provide electric service for a consumer.

(11) "Existing service line" means any electric service line in
existence at the time of the event in question and constructed to supply a consumer that could be lawfully served by that electric supplier under this act. It shall not mean any service line constructed to obtain an advantage under this act, or to evade its purpose or terms.

(12) "Commission" means the Idaho public utilities commission.

SECTION 5. That Section 61-332B, Idaho Code, be, and the same is hereby amended to read as follows:

is the timely completion of the pending Snake River Basin Adjudication resulting in a judicial determination of all water rights within the Snake River basin in accordance with the provisions of Chapter 14, Title 42, Idaho Code. A recent judicial decision holding that the Snake River Basin Adjudication district court has exclusive jurisdiction to provide judicial review of administrative actions by the Department of Water Resources affecting rights to the use of water in the Snake River basin potentially frustrates this legislative goal.

It is and has been the intention of the Legislature that the district court presiding over a water rights adjudication proceeding under the provisions of Chapter 14, Title 42, Idaho Code, exercises unique jurisdiction over the "judicial determination" of the elements of the water rights subject to the court's jurisdiction. Further, it is and has been the intention of the Legislature that judicial review of an agency action by the Department of Water Resources under the provisions of Chapter 52, Title 67, Idaho Code, does not provide a judicial determination of the elements of a water right. Rather, a judicial review proceeding potentially results only in confirmation of an administrative determination of one (1) or more elements of a water right, which then shall constitute prima facie evidence of those elements consistent with the provisions of Section 42-220, Idaho Code. In order not to burden and delay the adjudication proceeding with actions for judicial review, the Legislature finds it necessary to enact the following statutory amendment, which is intended to apply to all actions for judicial review pending on the date of enactment as well as future actions.

SECTION 2. That Chapter 14, Title 42, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW SECTION, to be known and designated as Section 42-1401D, Idaho Code, and to read as follows:

42-1401D. JURISDICTIONAL LIMITATION. Review of an agency action of the department of water resources, which is subject to judicial review or declaratory judgment under the provisions of chapter 52, title 67, Idaho Code, shall not be heard in any water rights adjudication proceeding commenced under this chapter. Venue and jurisdiction over any such action pending on the effective date of this section, or initiated subsequent thereto, shall be in the district court as authorized under the provisions of section 67-5272, Idaho Code, without regard to any other provision of law.

SECTION 3. An emergency existing therefor, which emergency is hereby declared to exist, this act shall be in full force and effect on and after its passage and approval.

The date of payment shall be deemed the date of actual receipt by the director, or if mailed, the date of mailing. Penalties collected pursuant to this subsection shall be paid into the federal advance interest payment fund. information required by the administrator of the division of
purchasing which shall include, but not be limited to, the following:

deposited in the general account of the state treasury.
Notice of renewal shall be mailed to the registered vendor at least sixty (60) days prior to the expiration date of the vendor's registration.

Failure to renew the registration and pay the biennial registration fee shall result in removal of the vendor from the list of qualified vendors.

Registered vendors may be removed from the list of registered vendors for failure to participate by submitting a bid in five (5) consecutive acquisitions of property which such vendor is registered to supply to the state, and for which the vendor has been notified of intended acquisition; provided, however, that submission of a no-bid response shall not be deemed failure on the part of the vendor to participate. A vendor so removed shall be given notice of removal and shall be eligible for re-registration at any time unless otherwise disqualified.

(2) Vendors may be disqualified for any of the following reasons:
(a) Failure to perform according to the terms of any agreement;

(c) Use of the provisions of this chapter to obstruct or unreasonably delay acquisitions by the state. Any hearings shall be held in accordance with chapter 52, title 67, Idaho Code.

(4) In lieu of disqualification, the determinations officer may recommend to the director of the department of administration specific conditions to the vendor's continued participation in acquisitions by the state.

(2) A rule providing a means for interested vendors to cause alteration of any specification issued if such alteration will improve the competitiveness of bidding;

(3) Rules establishing the procedures for performance tests, where
practical and advisable, and requiring equipment tested during the bidding procedure to substantially meet or exceed those test results prior to acceptance by the state;

(4) Rules controlling acquisition of components which shall prevent substantial changes in the performance of equipment through multiple successive acquisitions;

(5) Rules requiring, when practical, specifications to describe the function sought, the end results desired and the effect to be achieved by the property to be acquired;

(6) Special rules for specific categories of property, that because of the nature of the property and its distinguishability from other types of property, require specialized treatment to insure a more effective bidding process.

SECTION 12. That Section 67-5733, Idaho Code, be, and the same is hereby amended to read as follows:

67-5733. DIVISION OF PURCHASING -- APPEALS.
(1) (a) There shall be, beginning with the day of receipt of notice, a period of not more than ten (10) working days in which any vendor, registered as qualified and able to sell or supply the items to be acquired, may notify in writing the administrator of the division of purchasing of his intention to challenge the specifications and shall specifically state the exact nature of his challenge. The specific challenge shall describe the location of the challenged portion or clause in the specification document, unless the challenge concerns an omission, explain why any provision should be struck, added or altered, and contain suggested corrections.

Upon receipt of the challenge, the administrator of the division of purchasing shall either deny the challenge, and such denial shall be considered the final agency decision, or he shall present the matter to the director of the department of administration for appointment of a determinations officer. If the director of the department of administration appoints a determinations officer, then all registered vendors, who are invited to bid on the property sought to be acquired, shall be sent a copy of both the notice to challenge notified of the appeal and the appointment of determinations officer and may indicate in writing their agreement or disagreement with the challenge within five (5) days. The notice to the vendors may be electronic. Any registered vendor may note his agreement or disagreement with the challenge. The determinations officer may, on his own motion, refer the challenge portion and any related portions of the challenge to the author of the specification to be rewritten with the advice and comments of the registered vendors capable of supplying the property; rewrite the specification himself and/or reject all or any part of any challenge. If specifications are to be rewritten, the matter shall be continued until the determinations officer makes a final determination of the acceptability of the revised specifications.

The administrator shall reset the bid opening no later than fifteen (15) days after final determination of challenges or the amendment of the specifications. If the administrator denies the challenge, then the bid opening date shall not be reset.

The final decision of the determinations officer or administra-
tor on the challenge to specifications shall not be considered a contested case within the meaning of the administrative procedure act; provided that a vendor disagreeing with specifications may include such disagreement as a reason for asking for appointment of a determinations officer pursuant to section 67-5733(1)(c), Idaho Code.

(b) There shall be, beginning with the day following receipt of notice of rejection, a period of five (5) working days in which a bidder whose bid was found nonresponsive may appeal such decision to the director of the department of administration. A nonresponsive bid, within the meaning of this chapter, is a bid which does not comply with the bid invitation and specifications and shall not apply to a vendor whose bid is considered but who is determined not to be the lowest responsible bidder as defined in this chapter. The director shall:

(i) Deny the application; or
(ii) Appoint a determinations officer to review the record and submit a recommended order to the director to affirm or reverse the administrator's decision of bid nonresponsiveness.

The director shall, upon receipt of a written recommendation from the determinations officer, sustain, modify or reverse the administrator's nonresponsive bid decision. An appeal conducted under the provisions of this subsection shall not be considered a contested case and shall not be subject to judicial review under the provisions of chapter 52, title 67, Idaho Code.

(c) A vendor whose bid is considered may, within five (5) working days following receipt of notice that he is not the lowest responsible bidder, apply to the director of the department of administration for appointment of a determinations officer. The application shall set forth in specific terms the reasons why the administrator's decision is thought to be erroneous. Upon receipt of the application, the director shall within three (3) working days:

(i) Deny the application, and such denial shall be considered the final agency decision; or
(ii) Appoint a determinations officer to review the record to determine whether the administrator's selection of the lowest responsible bidder is correct; or
(iii) Appoint a determinations officer with authority to conduct a contested case hearing in accordance with the provisions of chapter 52, title 67, Idaho Code.

A determinations officer appointed pursuant to section 67-5733(1)(c)(ii), Idaho Code, shall inform the director by written recommendation whether, in his opinion, the administrator's selection of the lowest responsible bidder is correct. The determinations officer in making this recommendation may rely on the documents of record, statements of employees of the state of Idaho participating in any phase of the selection process, and statements of any vendor submitting a bid. A contested case hearing shall not be allowed and the determinations officer shall not be required to solicit statements from any person. Upon receipt of the recommendation from the determinations officer, the director shall sustain, modify or reverse the decision of the administrator on the selection of the lowest responsible bidder or the director may appoint a determinations officer pursuant to section 67-5733(1)(c)(iii), Idaho Code.
A determinations officer appointed pursuant to section 67-5733(1)(c)(iii), Idaho Code, shall conduct a contested case hearing and upon conclusion of the hearing shall prepare findings of fact, conclusions of law and a recommended order for the director of the department of administration. Upon receipt of the findings of fact, conclusions of law and recommended order, the director shall enter a final order sustaining, modifying or reversing the decision of the administrator on the selection of the lowest responsible bidder.

(d) In the case of a sole source procurement, there shall be a period of not more than five (5) working days from the last date of public notice in which any vendor, able to sell or supply the item(s) to be acquired, may notify the administrator of the division of purchasing, in writing, of his intention to challenge the sole source procurement and briefly explain the nature of the challenge.

Upon receipt of the challenge, the director shall appoint a determinations officer to hear the challenge and, upon receipt of the written recommendation of the determinations officer, sustain, modify or reverse the approval for the sole source procurement. If unregistered, the vendor issuing the challenge shall be required to register as a vendor to the state either:

(i) Deny the application; or

(ii) Appoint a determinations officer to review the record and submit a recommended order to the director to affirm or reverse the administrator's sole source determination.

The director shall, upon receipt of a written recommendation from the determinations officer, sustain, modify or reverse the administrator's sole source determination. An appeal conducted under the provisions of this subsection shall not be considered a contested case and shall not be subject to judicial review under the provisions of chapter 52, title 67, Idaho Code.

(e) The administrator of the division of purchasing may, on his own initiative, file a complaint with the director for a hearing before a determinations officer. The director shall appoint a determinations officer who shall make written recommendations to the director and the director shall render whatever decision is necessary to resolve the complaint.

(2) The director of the department of administration is hereby authorized and directed to appoint a determinations officer whenever one is required by this chapter. The officer shall meet and render whatever determination is called for. When a complaint is filed pursuant to section 67-5733(1)(b), Idaho Code, no bid may be awarded until the final decision is rendered by the director of the department of administration; provided that in all other cases where a determinations officer is appointed by the director, the director shall have the power to allow the acquisition contract to be awarded to the successful bidder prior to or after the decision of the determinations officer if he determines such award to be in the best interest of the state. Any determinations officer appointed pursuant to this chapter section shall exist only for the duration of unresolved complaints on an acquisition and shall be dismissed upon resolution of all such complaints. The determinations officer shall be guided in his determination by the best economic interests of the state for both the near future and more extended periods of time. In addition to the powers conferred on the determinations officer,
the director of the department of administration may: impose the penalty prescribed by section 67-5734(3), Idaho Code; enjoin any activity which violates this chapter; direct that bids be rejected, or sustained; direct that specifications be rejected, sustained or modified; and direct further legal action.

(3) Challenges or appeals filed conducted pursuant to section 67-5733(1)(a), (1)(b), (1)(c)(i) or (1)(c)(ii), Idaho Code, shall not be considered to be a contested case as that term is defined in the administrative procedure act. An appeal filed conducted pursuant to section 67-5733(1)(c)(iii), Idaho Code, shall be conducted as a contested case according to the provisions of chapter 52, title 67, Idaho Code.

on the issue, an appeals examiner shall decide whether the employer has shown that the requested information was provided by the due date or that good cause existed for the failure to provide the requested information by the due date. The decision of the appeals examiner shall be final and shall not be subject to appeal. If the appeals examiner decides that the requested separation information was provided to the department by the due date or that good cause existed for the employer’s failure to timely provide the information, the employer shall have fourteen (14) days after notice of the decision to contest any determinations that have been issued on the claim.

(3) A representative of the department hereinafter referred to as a claims examiner shall examine a claim filed pursuant to subsection (1) of this section and, on the basis of the facts found by him, shall determine whether the claimant is eligible for benefits and, if eligible, the date his benefit year begins, the weekly benefit amount, the total benefit amount, the base period wages, and the base period covered employers. In the event of a denial of benefits, the determination shall include the reasons for the ineligibility. Before the determination becomes final or an appeal is filed, the claims examiner, on his own motion, may issue a revised determination. The determination or revised determination shall become final unless, within fourteen (14) days after notice, as provided in subsection (5) of this section, an appeal is filed by an interested party with the department.

(4) The director may make a special redetermination whenever he finds that a departmental error has occurred in connection with a determination, or that additional wages of the claimant or other facts pertinent to such determination have become available or have been newly discovered, or that benefits have been allowed or denied or the amount of benefits fixed on the basis of nondisclosure or misrepresentation of fact. The special redetermination must be made within one (1) year from the date of the original determination, except that a special redetermination involving a finding that benefits have been allowed or denied or the amount of benefits fixed on the basis of nondisclosures or misrepresentations of fact may be made within two (2) years from the date of the original determination. Subject to the same limitations and for the same reasons, the director may make a special redetermination in any case in which the final decision has been rendered by an appeals examiner, the commission, or a court and may apply to the appeal tribunal which rendered such final decision to issue a revised decision. In the event that an appeal involving an original determination is pending as of the date a special redetermination is issued, the appeal, unless withdrawn, shall be treated as an appeal from the special redetermination.

(5) All interested parties shall be entitled to prompt service of notice of determinations and decisions. A notice shall be deemed served if delivered to the person being served or if mailed to his last known address; service by mail shall be deemed complete on the date of mailing.

(6) To hear and decide appeals from determinations and redeterminations, the director shall appoint appeals examiners. Unless the appeal is withdrawn, the appeals examiner shall affirm, modify, set aside or reverse the determination or redetermination involved, after affording the interested parties reasonable opportunity for a fair hearing, or may refer a matter back to the claims examiner for further
action. The appeals examiner shall notify the interested parties of his
decision by serving notice in the same manner as provided in subsection
(5) of this section. The decision shall set forth findings of fact and
conclusions of law. The appeals examiner may, either upon application
for rehearing by an interested party or on his own motion, rehear, affirm, modify, set aside or reverse any prior decision on the basis of the
evidence previously submitted or on the basis of additional evi­
dence; provided, that such application or motion be made within ten (10)
days after the date of service of the decision. A complete record shall be kept of all proceedings in connection with an appealed claim. All testimony at any hearing shall be recorded. If a claim for review of the appeals examiner's decision is filed with the commission, the testimony shall be transcribed if ordered by the commission. Witnesses subpoenaed by the appeals examiner shall be allowed fees at a rate prescribed by the director. If any interested party to a hearing formally requests the appeals examiner to issue a subpoena for a witness whose evidence is deemed necessary, the appeals examiner shall promptly issue the sub­ poena, unless such request is determined to be unreasonable. Unless an interested party shall within fourteen (14) days after service of the decision of the appeals examiner file with the commission a claim for review or unless an application or motion is made for a rehearing of such decision, the decision of the appeals examiner shall become final.

(7) The commission shall decide all claims for review filed by any interested party in accordance with its own rules of procedure not in conflict herewith. The record before the commission shall consist of the record of proceedings before the appeals examiner, unless it appears to the commission that the interests of justice require that the interested parties be permitted to present additional evidence. In that event, the commission may, in its sole discretion, conduct a hearing or may remand the matter back to the appeals examiner for an additional hearing and decision. On the basis of the record of proceedings before the appeals examiner as well as additional evidence, if allowed, the commission shall affirm, reverse, modify, set aside or revise the decision of the appeals examiner or may refer the matter back to the appeals examiner for further proceedings. The commission shall file its decision and shall promptly serve notice of its decision to all interested parties. A decision of the commission shall be final and conclusive as to all mat­ters adjudicated by the commission upon filing the decision in the office of the commission; provided, within twenty (20) days from the date of filing the decision, any party may move for reconsideration of the decision or the commission may rehear or reconsider its decision on its own initiative. The decision shall be final upon denial of a motion for rehearing or reconsideration or the filing of the decision on recon­ sideration.

(8) No person acting on behalf of the director or any member of the commission shall participate in any case in which he has a direct or indirect personal interest.

(9) An appeal may be made to the Supreme Court from decisions and orders of the commission within the times and in the manner prescribed by rule of the Supreme Court.

(10) (a) Benefits shall be paid promptly in accordance with any
decision allowing benefits, regardless of:

(i) The pendency of a time period for filing an appeal or petitioning for commission review; or
(ii) The pendency of an appeal or petition for review.
(b) Such payments shall not be withheld until a subsequent appeals examiner decision or commission decision modifies or reverses the previous decision, in which event benefits shall be paid or denied in accordance with such decision.
(11) (a) Any right, fact, or matter in issue, directly based upon or necessarily involved in a determination, redetermination, decision of the appeals examiner or decision of the commission which has become final, shall be conclusive for all the purposes of this chapter as between the interested parties who had notice of such determination, redetermination or decision. Subject to appeal proceedings and judicial review by the Supreme Court as set forth in this section, any determination, redetermination or decision as to rights to benefits shall be conclusive for all purposes of this chapter and shall not be subject to collateral attack irrespective of notice.
(b) No finding of fact or conclusion of law contained in a decision or determination rendered pursuant to this chapter by an appeals examiner, the industrial commission, a court, or any other person authorized to make such determinations shall have preclusive effect in any other action or proceeding, except proceedings that are brought (i) pursuant to this chapter, (ii) to collect unemployment insurance contributions, (iii) to recover overpayments of unemployment insurance benefits, or (iv) to challenge the constitutionality of provisions of this chapter or administrative proceedings under this chapter.
(12) The provisions of the Idaho administrative procedure act, chapter 52, title 67, Idaho Code, regarding contested cases and judicial review of contested cases are inapplicable to proceedings involving claimants under the provisions of this chapter.

SECTION 2. An emergency existing therefor, which emergency is hereby declared to exist, this act shall be in full force and effect on and after its passage and approval.

(3) It shall be an affirmative defense that the seller of a tobacco product to a minor in violation of this section had requested, examined and reasonably relied upon a photographic identification from such person establishing that person's age as at least eighteen (18) years of age prior to selling such person a tobacco product. The failure of a seller to request and examine photographic identification from a person under eighteen (18) years of age prior to the sale of a tobacco product to such person shall be construed against the seller and form a conclusive basis for the seller's violation of this section.
SECTION 2. That Section 39-5708, Idaho Code, be, and the same is hereby amended to read as follows:

39-5708. CIVIL PENALTIES FOR VIOLATIONS OF PERMIT. For a violation of section 39-5705, Idaho Code, the permittee shall not be fined if the permittee can show that a training program was in place for the employee and that the permittee has a form signed by that employee on file stating that they understand the tobacco laws dealing with minors and the unlawful purchase of tobacco, but the permittee shall be notified in writing of penalties to be levied for any further violations. If no such training is in place, the permittee shall be fined two hundred dollars ($200).

(4) In the case of a second third violation in a two (2) year period, the permittee shall be fined four two hundred dollars ($400) and the permit may be suspended for up to seven (7) days. Tobacco retailers must remove all tobacco products from all areas accessible to or visible to the public while the permit is suspended.

(5) In the case of three four (34) or more violations within a two (2) year period, the permittee shall be fined one-thousand four hundred dollars ($1,040) and the permit shall be revoked until such time that the permittee demonstrates an effective training plan to the department, but in no case shall the revocation be for less than thirty (30) days. Each year the department shall conduct random unannounced inspections, with the assistance of a minor, equal to the number of permittees multiplied by the violation percentage rate reported for the previous year multiplied by a factor of ten (10). Local law enforcement agencies are encouraged to contract with the department to perform these required inspections.

(4) Minors may assist with random, unannounced inspections with the written consent of a parent or legal guardian. When assisting with these inspections, minors shall not provide false identification, nor make any false statement regarding their age.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 63-3022, Idaho Code, be, and the same is hereby amended to read as follows:

63-3022. ADJUSTMENTS TO TAXABLE INCOME. The additions and subtractions set forth in this section, and in sections 63-3022A through 63-3022M, Idaho Code, are to be applied to the extent allowed in computing Idaho taxable income:

(a) Add any state taxes, measured by net income, paid or accrued during the taxable year adjusted for state tax refunds used in arriving at taxable income.

(b) Add the net operating loss deduction used in arriving at taxable income.

(c) (1) A net operating loss for any taxable year commencing on and after January 1, 2000, shall be a net operating loss carryback not to exceed a total of one hundred thousand dollars ($100,000) to the two (2) immediately preceding taxable years. Any portion of the net operating loss not subtracted in the two (2) preceding years may be subtracted in the next twenty (20) years succeeding the taxable year in which the loss arises in order until exhausted. The sum of the deductions may not exceed the amount of the net operating loss deduction incurred. At the election of the taxpayer, the two (2) year carryback may be foregone and the loss subtracted from income received in taxable years arising in the next twenty (20) years suc-
ceeding the taxable year in which the loss arises in order until exhausted. The election shall be made as under section 172(b)(3) of the Internal Revenue Code. An election under this subsection must be made in the manner prescribed in the rules of the state tax commission and once made is irrevocable for the year in which it is made. The term "income" as used in this subsection (c) means Idaho taxable income as defined in this chapter as modified by section 63-3021(b)(2), (3) and (4), Idaho Code.

(2) Net operating losses incurred by a corporation during a year in which such corporation did not transact business in Idaho or was not included in a group of corporations combined under subsection (t) of section 63-3027, Idaho Code, may not be subtracted. However, if at least one (1) corporation within a group of corporations combined under subsection (t) of section 63-3027, Idaho Code, was transacting business in Idaho during the taxable year in which the loss was incurred, then the net operating loss may be subtracted. Net operating losses incurred by a person, other than a corporation, in business activities not taxable by Idaho may not be subtracted.

(d) In the case of a corporation, add the amount deducted under the provisions of sections 243(a) and (c), 244, 245 and 246A of the Internal Revenue Code (relating to dividends received by corporations) as limited by section 246(b)(1) of said code.

(e) In the case of a corporation, subtract an amount determined under section 78 of the Internal Revenue Code to be taxable as dividends.

(f) Subtract the amount of any income received or accrued during the taxable year which is exempt from taxation by this state, under the provisions of any other law of this state or a law of the United States, if not previously subtracted in arriving at taxable income.

(g) For the purpose of determining the Idaho taxable income of the beneficiary of a trust or of an estate, distributable net income as defined for federal tax purposes shall be corrected for the other adjustments required by this section. In the event that a nonresident beneficiary of a trust or estate fails to file an Idaho income tax return reporting all or any part of distributable net income taxable in Idaho or fails to pay any tax due thereon, the trust or estate making the payment or distribution shall be taxable upon the amount of such distribution or payment at the rates established by section 63-3024, Idaho Code.

(c) Thirty-five and nine-tenths percent (35.9%) of the amount appropriated in this subsection (8) shall be paid to the several counties for distribution to the cities and counties as follows:

(i) Each city and county which received a payment under the provisions of section 63-3638(e), Idaho Code, during the fourth quarter of calendar year 1999, shall be entitled to a like amount during succeeding calendar quarters.

(ii) If the dollar amount of money available under this subsection (8)(c) in any quarter does not equal the amount paid in the fourth quarter of calendar year 1999, each city's and county's payment shall be reduced proportionately.

(iii) If the dollar amount of money available under this subsection (8)(c) in any quarter exceeds the amount paid in the fourth quarter of calendar year 1999, each city and county shall be entitled to a proportionately increased payment, but such increase shall not exceed one hundred five percent (105%) of the total payment made in the fourth quarter of calendar year 1999.

(iv) If the dollar amount of money available under this subsection (8)(c) in any quarter exceeds one hundred five percent (105%) of the total payment made in the fourth quarter of calendar year 1999, any amount over and above such one hundred five percent (105%) shall be paid fifty percent (50%) to the various cities in the proportion that the population of the city bears to the population of all cities within the state, and fifty percent (50%) to the various counties in the proportion that the population of a county bears to the population of the state; and

(d) Seven and seven-tenths percent (7.7%) of the amount appropriated in this subsection (8) shall be paid to the several counties for distribution to special purpose taxing districts as follows:

(i) Each such district which received a payment under the provisions of section 63-3638(e), Idaho Code, during the fourth quarter of calendar year 1999, shall be entitled to a like amount during succeeding calendar quarters.

(ii) If the dollar amount of money available under this subsection (8)(d) in any quarter does not equal the amount paid in the fourth quarter of calendar year 1999, each special purpose taxing district's payment shall be reduced proportionately.

(iii) If the dollar amount of money available under this subsection (8)(d) in any quarter exceeds the amount distributed under paragraph (i) of this subsection (8)(d), each special purpose taxing district shall be entitled to a share of the excess based on the proportion each such district's current property tax budget bears to the sum of the current property tax budgets of all such districts in the state. The state tax commission shall calculate district current property tax budgets to include any unrecovered foregone amounts as determined
under section 63-802(1)(e), Idaho Code. When a special purpose
taxing district is situated in more than one (1) county, the
tax commission shall determine the portion attributable to the
special purpose taxing district from each county in which it is
situated.

(iv) If special purpose taxing districts are consolidated,
the resulting district is entitled to a base amount equal to
the sum of the base amounts which were received in the last
calendar quarter by each district prior to the consolidation.

(iv) If a special purpose taxing district is dissolved or
disincorporated, the state tax commission shall continuously
distribute to the board of county commissioners an amount equal
to the last quarter's distribution prior to dissolution or
disincorporation. The board of county commissioners shall
determine any redistribution of moneys so received.

(vi) Taxing districts formed after January 1, 2001, are not
entitled to a payment under the provisions of this subsection
(8)(d).

(vii) For purposes of this subsection (8)(d), a special purpose
taxing district is any taxing district which is not a city, a
county or a school district.

(9) Any moneys remaining over and above those necessary to meet and
reserve for payments under other subsections of this section shall be
distributed to the general account.

SECTION 2. An emergency existing therefor, which emergency is
hereby declared to exist, this act shall be in full force and effect on
and after its passage and approval, and retroactively to January 1,

63-3035. STATE WITHHOLDING TAX ON PERCENTAGE BASIS -- WITHHOLDING, COLLECTION AND PAYMENT OF TAX. (a) Every employer who is required under the provisions of the Internal Revenue Code to withhold, collect and pay income tax on wages or salaries paid by such employer to any employee (other than employees specified in Internal Revenue Code section 3401(a)(2)) shall, at the time of such payment of wages, salary, bonus or other emolument to such employee, deduct and retain therefrom an amount substantially equivalent to the tax reasonably calculated by the state tax commission to be due from the employee under this chapter. The state tax commission shall prepare tables showing amounts to be withheld, and shall supply same to each employer subject to this section. In the event that an employer can demonstrate administrative inconvenience in complying with the exact requirements set forth in these tables, he may, with the consent of the state tax commission and upon application to it, use a different method which will produce substantially the same amount of taxes withheld. Every employer making payments of wages or salaries earned in Idaho, regardless of the place where such payment is made:

1) shall be liable to the state of Idaho for the payment of the tax required to be deducted and withheld under this section and shall not be liable to any individual for the amount deducted from his wages and paid over in compliance or intended compliance with this section;
2) must pay to the state tax commission monthly on or before the 20th day of the succeeding month, or at such other times as the state tax commission may allow, an amount of tax which, under the provisions of this chapter, he is required to deduct and withhold;
3) shall register with the state tax commission, in the manner prescribed by it, to establish an employer's withholding account number. The account number will be used to report all amounts withheld, for the annual reconciliation required in this section, and for such other purposes relating to withholding as the state tax commission may require; and
4) must, notwithstanding the provisions of paragraphs (1) and (2) of this subsection, if the amount of withholding of such employer for the preceding twelve (12) month period equals or exceeds sixty thousand dollars ($60,000) per annum or an average of five thousand dollars ($5,000) per month per annum, pay to the state tax commission on the basis of withholding periods which begin on the 16th day of the month and end on the 15th day of the following month, and payment shall be made not later than five (5) days after the end of the withholding period.

5) If the payments made pursuant to subsections (a)(2) and (a)(4) of this section are equal to the withholding under this section shown or required to be shown on the return required by subsection (b)(1) of this section, no penalty shall apply to the underpayment for the period between the due date of the payment and the due date of the return. Interest, at the rate provided by section 63-3045, Idaho Code, shall apply to any such underpayment.
6) Commencing in 1994, the state tax commission shall determine whether the threshold amounts established by subsection (a)(4) of this section must be adjusted to reflect fluctuations in the cost of living. The commission shall base its determination on the cumulative effect of the annual cost-of-living percentage modifications.
determined by the United States secretary of health and human services pursuant to 42 USC 415(i). When the cumulative percentage applied to the monthly threshold amount equals or exceeds one thousand dollars ($1,000), the commission shall promulgate a rule adjusting the monthly threshold amount by one thousand dollars ($1,000) and making the necessary proportional adjustment to the annual threshold amount. The rule shall be effective for the next succeeding calendar year and each year thereafter until again adjusted by the commission. The tax commission shall determine subsequent adjustments in the same manner, in each case using the year of the last adjustment as the base year.

(b) (1) Every employer shall file a return upon such form as shall be prescribed by the state tax commission, but not more frequently than quarterly, or as required pursuant to any agreement between the state tax commission and the department of labor under section 63-3035B, Idaho Code. The return shall show, for the period to which it relates, the total amount of wages, salary, bonus or other emoluments paid to his employees, the amount deducted therefrom in accordance with the provisions of the Internal Revenue Code, the amount deducted therefrom in accordance with the provisions of this section, the amount of any previous payments made pursuant to this section, and such pertinent and necessary information as the state tax commission may require.

(2) Every employer making a declaration of withholding as provided herein shall furnish to the employees annually, but not later than thirty (30) days after the end of the calendar year, a record of the amount of tax withheld from such employee on forms to be prescribed, prepared and furnished by the state tax commission and on or before the last day of February every employer shall file a copy thereof with the state tax commission. Every employer who is required, under Internal Revenue Code section 6011, to file returns on magnetic media or in other machine readable form may be required by rules of the state tax commission to file corresponding state returns on similar magnetic media or other machine readable form.

(c) All moneys deducted and withheld by every employer shall immediately upon such deduction be state money and every employer who deducts and retains any amount of money under the provisions of this chapter shall hold the same in trust for the state of Idaho and for the payment thereof to the state tax commission in the manner and at the times in this chapter provided. Any employer who does not possess real property situated within the state of Idaho, which, in the opinion of the state tax commission, is of sufficient value to cover his probable tax liability, may be required to post a surety bond in such sum as the state tax commission shall deem adequate to protect the state.

(d) The provisions of this chapter relating to additions to tax in case of delinquency, and penalties, shall apply to employers subject to the provisions of this section and for these purposes any amount deducted, or required to be deducted and remitted to the state tax commission under this section, shall be considered to be the tax of the employer and with respect to such amount he shall be considered the taxpayer.

(e) Amounts deducted from wages of an employee during any calendar year in accordance with the provisions of this section shall be considered to be in part payment of the tax imposed on such employee for his
tax year which begins within such calendar year and the return made by
the employer under this subsection (e) shall be accepted by the state
tax commission as evidence in favor of the employee of the amount so
deducted from his wages. Where the total amount so deducted exceeds the
amount of tax on the employee, based on his Idaho taxable income, or
where his income is not taxable under this chapter, the state tax com­
mission shall, after examining the annual return filed by the employee
in accordance with this chapter, but not later than sixty (60) days
after the filing of each return, refund the amount of the excess
deducted. No credit or refund shall be made to an employee who fails to
file his return, as required under this chapter, within three (3) years
from the due date of the return, without regard to extensions, in
respect of which the tax withheld might have been credited. In the event
that the excess tax deducted is less than one dollar ($1.00), no refund
shall be made unless specifically requested by the taxpayer at the time
such return is filed.

(f) This section shall in no way relieve any taxpayer from his
obligation of filing a return at the time required under this chapter,
and, should the amount withheld under the provisions of this section be
insufficient to pay the total tax of such taxpayer, such unpaid tax
shall be paid at the time prescribed by section 63-3034, Idaho Code.

(g) An employee receiving wages shall on any day be entitled to not
more than, but may claim fewer than, the number of withholding exemp­
tions to which he is entitled under the Internal Revenue Code for fed­
eral income tax withholding purposes.

(h) An employer shall use the exemption certificate filed by the
employee with the employer under the withholding exemption provisions of
the Internal Revenue Code in determining the amount of tax to be with­
held from the employee's wages or salary under this chapter. The tax
commission may redetermine the number of withholding exemptions to which
an employee is entitled under subsection (g) of this section, and the
state tax commission may require such exemption certificate to be filed
on a form prescribed by the commission in any circumstance where the
commission finds that the exemption certificate filed for Internal Reve­
nue Code purposes does not properly reflect the number of withholding
exemptions to which the employee is entitled under this chapter. In no
event shall any employee give an exemption certificate which claims a
higher number of withholding exemptions than the number to which the
employee is entitled by subsection (g) of this section.

SECTION 2. That Section 63-3035A, Idaho Code, be, and the same is
hereby amended to read as follows:

63-3035A. STATE INCOME TAX WITHHOLDING TAX ON LOTTERY WINNINGS. (1)
Whenever the Idaho state lottery is required by the Internal Revenue
Code to withhold, collect and pay over income tax on any prize, pro­
ceeds or winnings it shall, at the time of payment of such prize, pro­
cceeds or winnings to the recipient, withhold from the payment an amount
equal to eight and two-tenths percent (8.2%) of the prize, proceeds or
winnings to be applied to Idaho income taxes due from the recipient.

(2) The state tax commission shall accept amounts withheld accord­
ing to this section as payment by the recipient of the amount so with­
held of income taxes imposed on the recipient for the taxable year in
which the prize, proceeds or winnings are includable in the recipient's
Idaho taxable income.

(3) When the total amount withheld (along with other credits due, withholding or payments attributable to the taxpayer) exceeds the taxes due from the recipient, the state tax commission shall, after examining the state income tax return filed by the recipient, refund the amount of the excess withheld in the manner provided for refunds of withholding under section 63-3035, Idaho Code. The state tax commission shall make no credit or refund to a person who fails to file within three (3) years from the due date, without regard to extensions, the return on which the tax withheld could have been credited.

(4) The Idaho state lottery shall remit the amounts withheld to the state tax commission on or before the date similar payments and reports are due to the internal revenue service.

(5) The Idaho state lottery shall furnish to the recipient, not later than thirty (30) days after the end of the calendar year, a record of the tax withheld during that year and shall, not later than the last day of the following February, file a copy of the record with the state tax commission.

(6) The Idaho state lottery and the state tax commission may agree to different times and procedures for making the remittances or reports required in this section.

(7) Nothing in this section relieves any taxpayer from an obligation to file a return or pay taxes at the time and in the manner required by this chapter.

SECTION 3. That Section 63-3036A, Idaho Code, be, and the same is hereby amended to read as follows:

63-3036A. PAYMENT OF ESTIMATED TAX. (a) Any corporation subject to this chapter which is required to make a payment of estimated taxes to the internal revenue service and will have an Idaho income tax liability of five hundred dollars ($500) or more shall pay to the state tax commission estimated taxes due under this chapter.

(b) The provisions of the Internal Revenue Code relating to determination of reporting periods and the due dates of payments of estimated tax shall apply to the estimated payments due under this section.

(c) The amount of estimated tax due shall be determined as follows:

1. Commencing with the calendar quarter that begins July 1, 1987, in the case of any corporation which was required to pay tax under this chapter for its immediately preceding taxable year, the amount of each quarterly payment for its current taxable year shall be twenty-five percent (25%) of the lesser of:
   i. The tax amount required to be reported on the return for the immediately preceding taxable year; or
   ii. Ninety percent (90%) of the tax required to be paid with the current year's return.

2. Any corporation required to make estimated payments under this section and who makes annualized estimated payments under the Internal Revenue Code shall be permitted to annualize its estimated payments under this section in the manner prescribed by regulation of the state tax commission. Such regulations shall, to the extent practicable, follow the provisions of the Internal Revenue Code and the regulations thereunder relating to annualization of estimated payments.
(d) The amounts paid as estimated taxes pursuant to subsection (c) of this section shall be considered to be in part payment of the tax imposed by this chapter on the person reporting such estimated tax. The part payment shall apply to such tax for the tax year during which the reporting period for which the estimate is made occurs. In the event that such part payments, together with all other part payments, estimated payments, withheld taxes or other credits allowable against the taxes imposed by this chapter shall exceed the amount of tax due, the state tax commission shall refund such excess within the time and in the manner prescribed in section 63-3035(e)(72(c), Idaho Code, relating to refund of taxes withheld by employers.

(e) The provisions of this section shall in no way relieve any person from any obligation to file a return under any provision of this chapter at the time such return may be due. In the event that the estimated payments required under this section, together with any other part payments, estimated payments, withheld taxes or other credits applicable to the same taxable year are less than the amount of taxes imposed by this chapter, the unpaid tax shall be paid at the time prescribed in section 63-3034, Idaho Code.

(f) The payment due for the first full reporting period occurring after the effective date of this act, and the payment due for each of the next three (3) succeeding reporting periods shall be one-half (1/2) of the amount otherwise due under this section.

SECTION 4. That Section 63-3072, Idaho Code, be, and the same is hereby amended to read as follows:

63-3072. CREDITS AND REFUNDS. (a) Subject to the provisions of subsections (b), (c) and (g) of this section, where there has been an overpayment of the tax imposed by the provisions of this chapter, the amount of such overpayment shall be credited against any tax administered by the state tax commission which tax is then due from the taxpayer, and any balance of such excess shall be refunded to the taxpayer.

(b) The state tax commission is authorized, and the state board of tax appeals is authorized to order the state tax commission in proper cases, to credit, remit, refund, or pay back all tax, penalties, and interest, erroneously or illegally assessed or collected, regardless of whether the same have been paid under protest; which claim for refund shall be certified to the state board of examiners by the state tax commission;

(c) Except in regard to amounts withheld as provided in subsection (e) of section 63-3035, 63-3035A or 63-3036, Idaho Code, or amounts paid as estimated payments under section 63-3036A, Idaho Code, a claim for credit or refund of tax, penalties, or interest paid shall be made within the later of three (3) years of the due date of the return, without regard to extensions, or three (3) years from the date the return was filed. However, with regard to remittances received with an extension of time to file, or a tentative return, a claim for credit or refund of such remittances shall be made within three (3) years from the due date of the return without regard to extensions.

(c) With regard to amounts withheld as provided in section 63-3035, 63-3035A or 63-3036, Idaho Code, or amounts paid as estimated payments under section 63-3036A, Idaho Code, a claim for credit or refund shall be made within three (3) years from the due date of the return, without
regard to extensions, for the taxable year in respect to which the tax was withheld.

(d) Notwithstanding any other provisions of this section, when Idaho taxable income and/or tax credits for any taxable year have been adjusted as a result of a final federal determination, the period of limitations for claiming a refund or credit of tax, penalties, or interest shall be reopened and shall not expire until the later of one (1) year from the date of delivery of the final federal determination to the taxpayer by the internal revenue service, three (3) years from the due date of the return, without regard to extensions, or three (3) years from the date the return was filed. For purposes of this subsection, the term "final federal determination" shall mean the final resolution of all issues which were adjusted by the internal revenue service. When the final federal determination is submitted, the taxpayer shall also submit copies of all schedules and written explanations provided by the internal revenue service. Upon the expiration of the period of limitations as provided in subsections (eb) and (g) of this section, only those specific items of income, deductions, gains, losses or credits which were adjusted in the final federal determination shall be subject to adjustment for purposes of recomputing Idaho income, deductions, gains, losses, credits, and the effect of such adjustments on Idaho allocations and apportionments.

(e) If a claim for credit or refund relates to an overpayment attributable to a net operating loss carryback, in lieu of the period of limitations prescribed in subsection (eb) of this section, the period shall be that period which ends with the expiration of the fifteenth day of the fortieth month following the end of the taxable year of the net operating loss which results in such carryback.

(f) If an adjustment, which was made within the period of limitations as provided in this section, affects the amount of tax credit, net operating loss, or capital loss, claimed in a taxable year other than the tax year in which the adjustment is made, then adjustments to the credit, net operating loss, or capital loss, claimed in such other tax year may be made and a claim for credit or refund of tax, penalties or interest may be made even though such claim would otherwise be barred under the provisions of this section.

(g) Prior to the expiration of the time prescribed in this section for credit or refund of any tax imposed by the provisions of this chapter, both the state tax commission or its delegate or deputy and the taxpayer may consent in writing to extend such period of time. The period so agreed upon may be extended by subsequent agreements in writing made before the expiration of the period previously agreed upon. When a pass-through entity extends the period of limitations in accordance with the provisions of this subsection the period of limitations for the other taxpayers is automatically extended for the same period for the purpose of claiming a credit or refund of tax, penalties or interest by the other taxpayers reflecting the pass-through entity adjustments.

(h) The expiration of the period of limitations as provided in this section shall be suspended for the time period during which the taxpayer is prohibited from claiming a credit or refund of tax, penalties or interest imposed under the provisions of this chapter, and for thirty (30) days thereafter between the issuance by the state tax commission of a notice under either section 63-3045 or 63-3065, Idaho Code, and the
final resolution of any proceeding resulting from the notice.

(1) Appeal of a state tax commission decision denying in whole or in part a claim for credit or refund shall be made in accordance with and within the time limits prescribed in section 63-3049, Idaho Code.

(j) For purposes of this section, "return" includes a notice of deficiency determination issued by the state tax commission when no return was filed by the taxpayer. Such a return is deemed filed on the date the taxes determined by the state tax commission are assessed.

CHAPTER 57
(H.B. No. 122)

AN ACT
RELATING TO THE USE TAX; AMENDING SECTION 63-3621, IDAHO CODE, TO PROVIDE AN EXEMPTION FROM TAXATION FOR CERTAIN PERSONALLY OWNED MOTOR VEHICLES.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 63-3621, Idaho Code, be, and the same is hereby amended to read as follows:

63-3621. IMPOSITION AND RATE OF THE USE TAX — EXEMPTIONS. An excise tax is hereby imposed on the storage, use, or other consumption in this state of tangible personal property acquired on or after July 1, 1965, for storage, use, or other consumption in this state at the rate of five percent (5%) of the value of the property, and a recent sales price shall be presumptive evidence of the value of the property unless the property is wireless telecommunications equipment, in which case a recent sales price shall be conclusive evidence of the value of the property.

(a) Every person storing, using, or otherwise consuming, in this state, tangible personal property is liable for the tax. His liability is not extinguished until the tax has been paid to this state except that a receipt from a retailer maintaining a place of business in this state or engaged in business in this state given to the purchaser is sufficient to relieve the purchaser from further liability for the tax to which the receipt refers. A retailer shall not be considered to have stored, used or consumed wireless telecommunications equipment by virtue of giving, selling or otherwise transferring such equipment at a discount as an inducement to a consumer to commence or continue a contract for telecommunications service.

(b) Every retailer engaged in business in this state, and making sales of tangible personal property for the storage, use, or other consumption in this state, not exempted under section 63-3622, Idaho Code, shall, at the time of making the sales or, if storage, use or other consumption of the tangible personal property is not then taxable hereunder, at the time the storage, use or other consumption becomes taxable, collect the tax from the purchaser and give to the purchaser a receipt therefor in the manner and form prescribed by the state tax commission.
(c) The provisions of this section shall not apply when the retailer pays sales tax on the transaction and collects reimbursement for such sales tax from the customer.

(d) Every retailer engaged in business in this state or maintaining a place of business in this state shall register with the state tax commission and give the name and address of all agents operating in this state, the location of all distributions or sales houses or offices or other places of business in this state, and such other information as the state tax commission may require.

(e) For the purpose of the proper administration of this act and to prevent evasion of the use tax and the duty to collect the use tax, it shall be presumed that tangible personal property sold by any person for delivery in this state is sold for storage, use, or other consumption in this state. The burden of proving the sale is tax exempt is upon the person who makes the sale unless he obtains from the purchaser a resale certificate to the effect that the property is purchased for resale or rental. It shall be presumed that sales made to a person who has completed a resale certificate for the seller's records are not taxable and the seller need not collect sales or use taxes unless the tangible personal property purchased is taxable to the purchaser as a matter of law in the particular instance claimed on the resale certificate.

A seller may accept a resale certificate from a purchaser prior to the time of sale, at the time of sale, or at any reasonable time after the sale when necessary to establish the privilege of the exemption. The resale certificate relieves the person selling the property from the burden of proof only if taken from a person who is engaged in the business of selling or renting tangible personal property and who holds the permit provided for by section 63-3620, Idaho Code, or who is a retailer not engaged in business in this state, and who, at the time of purchasing the tangible personal property, intends to sell or rent it in the regular course of business or is unable to ascertain at the time of purchase whether the property will be sold or will be used for some other purpose. Other than as provided elsewhere in this section, when a resale certificate, properly executed, is presented to the seller, the seller has no duty or obligation to collect sales or use taxes in regard to any sales transaction so documented regardless of whether the purchaser properly or improperly claimed an exemption. A seller so relieved of the obligation to collect tax is also relieved of any liability to the purchaser for failure to collect tax or for making any report or disclosure of information required or permitted under this chapter.

The resale certificate shall bear the name and address of the purchaser, shall be signed by the purchaser or his agent, shall indicate the number of the permit issued to the purchaser, or that the purchaser is an out-of-state retailer, and shall indicate the general character of the tangible personal property sold by the purchaser in the regular course of business. The certificate shall be substantially in such form as the state tax commission may prescribe.

(f) If a purchaser who gives a resale certificate makes any storage or use of the property other than retention, demonstration or display while holding it for sale in the regular course of business, the storage or use is taxable as of the time the property is first so stored or used.

(g) Any person violating any provision of this section is guilty of a misdemeanor and punishable by a fine not in excess of one hundred dol-
lars ($100), and each violation shall constitute a separate offense.

(h) It shall be presumed that tangible personal property shipped or brought to this state by the purchaser was purchased from a retailer, for storage, use or other consumption in this state.

(i) It shall be presumed that tangible personal property delivered outside this state to a purchaser known by the retailer to be a resident of this state was purchased from a retailer for storage, use, or other consumption in this state. This presumption may be controverted by evidence satisfactory to the state tax commission that the property was not purchased for storage, use, or other consumption in this state.

(j) When the tangible personal property subject to use tax has been subjected to a general retail sales or use tax by another state of the United States in an amount equal to or greater than the amount of the Idaho tax, and evidence can be given of such payment, the property will not be subject to Idaho use tax. If the amount paid the other state was less, the property will be subject to use tax to the extent that the Idaho tax exceeds the tax paid to the other state. For the purposes of this subsection, a registration certificate or title issued by another state or subdivision thereof for a vehicle or trailer or a vessel as defined in section 67-7003, Idaho Code, shall be sufficient evidence of payment of a general retail sales or use tax.

(k) The use tax herein imposed shall not apply to the use by a non-resident of this state of a motor vehicle which is registered or licensed under the laws of the state of his residence and is not used in this state more than a cumulative period of time totaling ninety (90) days in any consecutive twelve (12) months, and which is not required to be registered or licensed under the laws of this state.

(l) The use tax herein imposed shall not apply to the use of household goods, and personal effects and personally owned motor vehicles by a resident of this state, if such articles were acquired by such person in another state while a resident of that state and primarily for use outside this state and if such use was actual and substantial, but if an article was acquired less than three (3) months prior to the time he entered this state, it will be presumed that the article was acquired for use in this state and that its use outside this state was not actual and substantial. For purposes of this subsection, "resident" shall be as defined in section 63-3013 or 63-3013A, Idaho Code.

(m) The use tax herein imposed shall not apply to the storage, use or other consumption of tangible personal property which is or will be incorporated into real property and which has been donated to and has become the property of:

(1) A nonprofit organization as defined in section 63-36220, Idaho Code; or
(2) The state of Idaho; or
(3) Any political subdivision of the state.

This exemption applies whether the tangible personal property is incorporated in real property by the donee, a contractor or subcontractor of the donee, or any other person.

(c) X-ray films may be destroyed five (5) years after the date of exposure, or five (5) years after the patient reaches the age of majority, whichever is later, pursuant to subsection paragraph (d) hereof of this subsection, if there are in the hospital record written findings of a physician who has read such x-ray films.
(d) At any time after the retention periods specified in subparagraphs (b) and (c) hereof of this subsection, the hospital may, without thereby incurring liability, destroy such records, by burning, shredding or other effective method in keeping with the confidential nature of their contents, provided, however, that destruction of such records must be in the ordinary course of business and no record shall be destroyed on an individual basis.

AN ACT
RELATING TO PAYMENTS FOR SKILLED CARE SERVICES; AMENDING SECTION 56-102, IDAHO CODE, TO PROVIDE AN EXCEPTION TO PAYMENT PRINCIPLES FOR THE IDAHO STATE VETERANS HOMES AND STATE HOSPITAL SOUTH AND TO MAKE TECHNICAL CORRECTIONS.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 56-102, Idaho Code, be, and the same is hereby amended to read as follows:

56-102. PRINCIPLES OF PROSPECTIVE RATES AND PAYMENT. The following principles shall apply to the reimbursement of freestanding skilled care and hospital-based skilled care facilities, with the exception of the nursing facilities at Idaho state veterans homes and state hospital south, which shall be reimbursed costs based on medicare reasonable cost provisions:

(1) Payments to facilities shall be through a prospective cost-based system which includes facility-specific case mix adjustments. Details of the methodology shall be set forth in rules based on negotiations between the department, the state association(s) representing freestanding skilled care facilities, and the state associations(s) representing hospital-based skilled care facilities. In no event shall reimbursement to any facility exceed the usual and customary charges made to private pay patients; and

(2) Each skilled care facility's case mix index shall be calculated quarterly and rates shall be adjusted based on the case mix of that facility's medicaid residents as of a certain date during the preceding quarter specified in rule; and

(3) In state fiscal year 2000, the total amount paid to skilled care facilities shall approximate the same amount in medicaid expenditures as would have been paid using the methodology in effect in state fiscal year 1999, and the percentages of medicaid funds projected to be paid to freestanding skilled care facilities and hospital-based skilled care facilities shall be the same percentages that are projected to be paid using the methodology in effect during state fiscal year 1999; and

(4) The cost limits used for the direct care and indirect care
costs of rural hospital-based skilled care facilities shall be higher than the cost limits used for the direct care and indirect care costs of freestanding skilled care and urban hospital-based skilled care facilities; and

(5) In computing the direct care per diem rate neither medicaid-related ancillary services nor raw food shall be case-mix adjusted; and

(6) Property costs shall not be subject to a cost limitation or incentive. Property costs of freestanding skilled care facilities shall be reimbursed as described in section 56-108, Idaho Code, and property costs of urban and rural hospital-based skilled care facilities shall be reimbursed as described in section 56-120, Idaho Code; and

(7) Cost limits shall apply to direct care costs and indirect care costs. The cost limits shall be based on percentages above the bed-weighted median of the combined costs of both freestanding skilled care and hospital-based skilled care facilities; and

(8) Costs exempt from cost limits are property taxes, property insurance, utilities and costs related to new legal mandates as defined by rule; and

(9) An incentive payment shall be paid to those facilities with indirect per diem costs that are less than the established indirect care cost limit. The incentive payment is calculated by taking the difference between the cost limits and the provider's per diem indirect care cost times the incentive percentage. Freestanding skilled care and hospital-based skilled care facilities shall receive the same percentage incentive payments for indirect care costs but no incentive payment for direct care costs. The percentage at which the incentive payment will be set shall be based on negotiations between the department, the state association(s) representing freestanding skilled care facilities, and the state association(s) representing hospital-based skilled care facilities; and

(10) A newly constructed facility shall be reimbursed at the median rate for skilled care facilities of that type (freestanding or hospital-based) for the first three (3) full years of operation; and

(11) A facility adding new beds will have its rates for the three (3) full years following the addition of the beds subjected to an additional reimbursement limitation. This limitation will apply beginning with the first rate setting period which uses a cost report that includes the date when the beds were added. The facility's rate will be limited to the bed-weighted average of two (2) rates: the facility's rate in effect immediately prior to the rate first subject to the limitation and the median rate for skilled care facilities of that type (freestanding or hospital-based) at the time the beds were added; and

(12) A facility acquired prior to the end of that facility's fiscal year will be reimbursed at the rate then in effect for that facility until the next cost report can be used for rate setting. If the department determines that the facility is operationally or financially unstable, the department may negotiate a reimbursement rate different than the rate then in effect for that facility; and

(13) If the department determines that a facility is located in an under-served area, or addresses an underserved need, the department may negotiate a reimbursement rate different than the rate then in effect for that facility; and
From July 1, 1999, through June 30, 2002, the nursing facility inflation rate plus one percent (1%) per year shall be added to the costs reported in a facility's cost report for purposes of setting that facility's rate. The inflation rate to be used effective July 1, 2002, and the period of its use will be based on negotiations between the department, the state association(s) representing freestanding skilled care facilities, and the state association(s) representing hospital-based skilled care facilities; and

To control the growth in the cost limits, the increase in the cost limits shall not exceed the skilled nursing facility inflation rate established by data resources, inc., or its successor, plus two percent (2%) per year for the period from July 1, 1999, through June 30, 2002. The maximum rate of growth in the cost limits to be used effective July 1, 2002, and the period of its use will be based on negotiations between the department, the state association(s) representing freestanding skilled care facilities, and the state association(s) representing hospital-based skilled care facilities; and

To control declines in the cost limits, the cost limits for the period from July 1, 1999, through June 30, 2002, shall not be lower than the respective cost limits effective July 1, 1999. The minimum cost limits to be used effective July 1, 2002, and the period of its use will be based on negotiations between the department, the state association(s) representing freestanding skilled care facilities, and the state association(s) representing hospital-based skilled care facilities; and

Rates shall be re-based annually. Rate setting shall be prospective with new rates effective July 1 of each year, using the principles applying to skilled care facilities set forth in this chapter and the rules promulgated pursuant to this chapter. There will be no settlement between actual costs incurred during the rate year and the rate itself. Rates will be established using the most recent audited cost report trended forward to the rate year. Rates for skilled care facilities with unaudited cost reports will be interim rates established by the department until a rate is calculated based on an audited cost report. The draft audit of a cost report submitted by a facility shall be issued by the department no later than five (5) months from the date all information required for completion of the audit is filed with the department; and

Changes of more than fifty cents (50¢) per patient day in allowable costs resulting from federal or state law or rule changes shall be treated as costs separate from the cost limitations until such time as they become part of the data used for calculating the cost limits and in cost reports used for rate setting; and

If a review of the data submitted by a facility reveals errors that result in an incorrect case mix index, the department may retroactively adjust the facility's rate and pay the facility any amount by which the facility was underpaid or recoup from the facility any amount by which the facility was overpaid; and

The rates established under the principles set forth in this section shall be phased in using a combination of the reimbursement methodology in effect as of state fiscal year 1999 and the principles set forth in this section and in rules based on negotiations between the department, the state association(s) representing freestanding skilled care facilities, and the state association(s) representing hospital-based skilled care facilities. Effective July 1, 2001, the phase-in pro-
visions will no longer apply and the department shall pay rates solely based on the principles set forth in this section and the applicable rules.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 63-602G, Idaho Code, be, and the same is hereby amended to read as follows:

63-602G. PROPERTY EXEMPT FROM TAXATION -- RESIDENTIAL IMPROVEMENTS. (1) During the tax year 1983 and each year thereafter, the first fifty thousand dollars ($50,000) of the market value for assessment purposes of residential improvements, or fifty percent (50%) of the market value for assessment purposes of residential improvements, whichever is the lesser, shall be exempt from property taxation.

(2) The exemption allowed by this section may be granted only if:

(a) The residential improvements are owner-occupied and used as the primary dwelling place of the owner as of January 1. The residential improvements may consist of part of a multidwelling or multipurpose building and shall include all of such dwelling or building except any portion used exclusively for anything other than the primary dwelling of the owner. The presence of an office in an owner-occupied residential property, which office is used for multiple purposes, including business and personal use, shall not prevent the owner from claiming the exemption provided in this section; and
(b) The tax commission has certified to the board of county commissioners that all properties in the county which are subject to appraisal by the county assessor have, in fact, been appraised uniformly so as to secure a just valuation for all property within the county; and

(c) The owner has certified to the county assessor by April 15 that:

(i) He is making application for the exemption allowed by this section;
(ii) That the residential improvements are his primary dwelling place; and
(iii) That he has not made application in any other county for the exemption, and has not made application for the exemption on any other residential improvements in the county.

(d) For the purpose of this section, the definition of owner shall be the same definition set forth in section 63-701(87), Idaho Code.

When an "owner," pursuant to the provisions of section 63-701(7), Idaho Code, is any person who as grantor, or whose spouse as grantor, created a revocable or irrevocable trust and was named himself or herself as beneficiary of that trust, or who is a partner of a limited partnership, a member of a limited liability company, or shareholder of a corporation, he or she may provide proof of the trust, limited partnership, limited liability company, or corporation with an affidavit stating: (i) the name of the grantor, partner, member or shareholder; (ii) a statement that the grantor, or the grantor's spouse, is the beneficiary of the trust, or the person is a partner of the limited partnership, or a member of the limited liability company, or a shareholder of the corporation; and (iii) the grantor, the grantor's spouse, partner, member or shareholder is the owner-occupier of the residential property and uses the property as the primary dwelling place of the owner, grantor, the grantor's spouse, partner, member or shareholder as of January 1; and (iv) if applicable, the person holds at least a five percent (5%) ownership in the limited partnership, limited liability company or corporation.

The affidavit shall include the attaching of the copies of those portions of the trust or other document which set forth the grantor, the grantor or the grantor's spouse as beneficiary and the signature page of the trust or other document; those portions of the articles of organization or operating agreement of the limited liability company indicating the person's membership in the company and the ownership percentage held by such person; those portions of the limited partnership agreement or other records of the limited partnership indicating that the person has been admitted to the partnership and the ownership percentage held by such person; or those portions of the articles of incorporation indicating that the person is a shareholder of the corporation and the ownership percentage held by such person.

(e) Any owner may request in writing the return of all copies of any documents submitted with the affidavit set forth in paragraph (d) of this subsection that are held by a county assessor, and the copies shall be returned by the county assessor upon submission of the affidavit in proper form.

(f) For the purpose of this section, the definition of "primary
"dwelling place" shall be the same definition set forth in section 63-701(98), Idaho Code.

(g) For the purpose of this section, the definition of "occupied" shall be the same definition set forth in section 63-701(76), Idaho Code.

(3) An owner need only make application for the exemption described in subsection (1) of this section once, as long as all of the following conditions are met:
   (a) The owner has received the exemption during the previous year as a result of his making a valid application as defined in subsection (2)(c) of this section.
   (b) The owner or beneficiary, partner, member or shareholder, as appropriate, still occupies the same residential improvements for which he the owner made application.
   (c) The residential improvements described in subsection (3)(b) of this section are owner-occupied or occupied by a beneficiary, partner, member or shareholder, as appropriate, and used as the primary dwelling place of the owner or beneficiary, partner, member or shareholder, as appropriate, as of January 1.

(4) The exemption allowed by this section must be taken before the reduction in taxes provided by sections 63-701 through 63-710, Idaho Code, is applied.

(5) The legislature declares that this exemption is necessary and just.

(6) Residential improvements having previously qualified for exemption under this section in the preceding year, shall not lose such qualification due to the owner's, beneficiary's, partner's, member's or shareholder's absence in the current year by reason of active military service in a designated combat zone, as defined in section 112 of the Internal Revenue Code. If an owner fails to timely apply for exemption as required in this section solely by reason of active duty in a designated combat zone, by the owner, beneficiary, partner, member or shareholder, as appropriate, as defined in section 112 of the Internal Revenue Code, and such improvements would have otherwise qualified under this section, then the board of county commissioners of the county in which the residential improvements are located shall refund property taxes, if previously paid, in an amount equal to the exemption which would otherwise have applied.

SECTION 2. That Section 63-701, Idaho Code, be, and the same is hereby amended to read as follows:

63-701. DEFINITIONS. As used in this chapter:
   (1) "Claimant" means a person who has filed a claim under the provisions of sections 63-701 through 63-710, Idaho Code. Except as provided in section 63-702(2), Idaho Code, on January 1 of the year in which the claim was filed a claimant must be an owner of a homestead and be:

It may consist of a part of a multidwelling or multipurpose building and part of the land upon which it is built. Homestead does not include personal property such as furniture, furnishings or appliances, but a manufactured home may be a homestead.

(3) "Household" means the claimant and any-person--or--persons--who live--in--the--same--dwelling,--and--share--its--furnishings,--facilities,--accommodations--or--expenses. The term includes any person owing a duty of support to the applicant pursuant to section 32-1002, Idaho Code, unless the person qualifies as a "nonhousehold member" pursuant to subsection (6) of this section the claimant's spouse. (a) Alimony;

(b) Support money; income from inheritances;

(c) Nontaxable strike benefits;

(d) The nontaxable amount of any individual retirement account, pension or annuity, (including railroad retirement benefits, all payments received under the federal social security act except the social security death benefit as specified in this subsection, state unemployment insurance laws, and veterans disability pensions and compensation, excluding rollovers as provided in section 402 or 403 of the Internal Revenue Code);

To the extent not reimbursed, the cost of medical care as defined in section 213(d) of the Internal Revenue Code, incurred or paid by the household claimant and/or, if applicable, the claimant's spouse, may be deducted from income. "Income" does not include veterans disability pensions received by a person described in subsection (1)(e) who is a claimant or a claimant's spouse, provided however, that if the disability pension is received pursuant to a service-connected disability of a degree of forty percent (40%) or more, "income" does not include lump sum death benefits made by the social security administration pursuant to 42 U.S.C. section 402(i). Documentation of medical expenses may be required by the county assessor, board of equalization and state tax commission in such form as the county assessor, board of equalization or state tax commission shall determine. "Income" shall be that received in the calendar year immediately preceding the year in which a claim is filed. Where a claimant and/or the claimant's spouse does not file a federal tax return, the claimant's and/or the claimant's spouse's federal adjusted gross income, for purposes of this section, shall be an income equivalent to federal adjusted gross income had the claimant and/or the claimant's spouse filed a federal tax return, as determined by the county assessor. The county assessor, board of equalization or state tax commission may require documentation of income in such form as each shall determine, including, but not limited to: copies of federal or state tax returns and any attachments thereto; and income reporting forms such as the W-2 and 1099.

(6) "Nonhousehold-member" means any nonspouse who lives in the claimant's dwelling for the purpose of providing protective oversight, caregiving, or personal assistance services to the claimant; or who is receiving disability benefits pursuant to subsection (1)(d) or (e) of this section, or who is over age sixty-five (65) and lives in the claimant's dwelling and receives protective oversight, caregiving or personal assistance services provided by the claimant.

("Occupied" means actual use and possession.

(8) "Owner" means a person holding title in fee simple or holding a certificate of motor vehicle title (either of which may be subject to mortgage, deed of trust or other lien) or who has retained or been granted a life estate or who is a person entitled to file a claim under section 63-702, Idaho Code. "Owner" shall also include any person who:
(a) As grantor, or whose spouse as grantor, created a revocable or irrevocable trust and was named himself as a beneficiary of that trust; or who
(b) Is the beneficiary of a revocable or irrevocable trust which is the owner of such homestead and under which the claimant or the claimant's spouse has the primary right of occupancy of the homestead; or
(c) Is a partner of a limited partnership, member of a limited liability company or shareholder of a corporation which if such entity holds title in fee simple or holds a certificate of motor vehicle title and if the person holds at least a five percent (5%) ownership in such entity, as determined by the county assessor; or
(d) Has retained or been granted a life estate.

"Owner" shall not include any person that otherwise occupies property as beneficiary of a trust. "Owner" includes a vendee in possession under a
land sale contract. Any partial ownership shall be considered as ownership for determining initial qualification for property tax reduction benefits; however, the amount of property tax reduction under section 63-704, Idaho Code, and rules promulgated pursuant to section 63-705, Idaho Code, shall be computed on the value of the claimant's partial ownership. "Partial ownership," for the purposes of this section, means any one (1) person's ownership when property is owned by more than one (1) person or where the homestead is held by an entity, as set forth in this subsection, but more than one (1) person has the right of occupancy of such homestead. A person holding either partial title in fee simple or holding a certificate of motor vehicle title together with another person but who does not occupy the dwelling as his primary dwelling place, shall not be considered an owner for purposes of this section, if such person is a cosignatory of a note secured by the dwelling in question and at least one (1) of the other cosignatories of the note occupies the dwelling as his primary dwelling place. The combined community property interests of both spouses shall not be considered partial ownership so long as the combined community property interests constitute the entire ownership of the homestead, including where the spouses are occupying a homestead owned by an entity, as set forth in this subsection, and the spouses have the primary right of occupancy of the homestead. The proportional reduction required under this subsection shall not apply to community property interests. Where title to property is held by a person who has died without timely filing a claim for property tax reduction, the estate of the deceased person shall be the "owner," provided that the time periods during which the deceased person held such title shall be attributed to the estate for the computation of any time periods under subsection (8)(a) or (8)(b) of this section.

(98) (a) "Primary dwelling place" means the claimant's dwelling place on January 1 of the year for which the claim is made. The primary dwelling place is the single place where a claimant has his true, fixed and permanent home and principal establishment, and to which whenever the individual is absent he has the intention of returning. A claimant must establish the dwelling to which the claim relates as to be his primary dwelling place by clear and convincing evidence or by establishing that the dwelling is where the claimant resided on January 1 and:

(i) At least six (6) months during the prior year; or
(ii) The majority of the time the claimant owned the dwelling if owned by the claimant less than one (1) year; or
(iii) The majority of the time after the claimant first occupied the dwelling if occupied by the claimant for less than one (1) year. The county assessor may require written or other proof of the foregoing in such form as the county assessor may determine.

(b) Notwithstanding the provisions of paragraph (a) of this subsection, the property upon which the claimant makes application shall be deemed to be the claimant's primary dwelling place if the claimant is otherwise qualified and resides in a care facility and does not allow the property upon which the claimant has made application to be occupied by persons paying a consideration to occupy the dwelling. Payment of utilities shall not be payment of a consideration to occupy the dwelling. A claimant's spouse who resides in a care facility shall be deemed to reside at the claimant's primary
dwelling place and to be a part of the claimant's household. A care facility is a hospital, nursing facility or intermediate care facility for the mentally retarded as defined in section 39-1301, Idaho Code, or a facility as defined in section 39-3302(16), Idaho Code, or a dwelling other than the one upon which the applicant makes application where a claimant who is unable to reside in the dwelling upon which the application is made lives and receives help in daily living, protection and security.

SECTION 3. That Section 63-702, Idaho Code, be, and the same is hereby amended to read as follows:

63-702. CLAIM IS PERSONAL -- EXCEPTIONS. (1) The right to file a claim under the provisions of sections 63-701 through 63-710, Idaho Code, shall be personal to the claimant and shall not survive his death except as otherwise provided in this section. Such right may be exercised on behalf of a living claimant by an agent authorized in writing to so act, or by a guardian or other representative acting pursuant to judicial authority or by any person or entity described in section 63-711(3), Idaho Code. If a claimant dies after having filed a timely claim, the amount thereof shall be allowed to his personal representative, if one is appointed, or to surviving heirs or to the trust or other entity owning the property, as appropriate.

(a) May file a claim on behalf of his or her the deceased spouse if the deceased spouse qualified or would have qualified as a claimant on January 1 of the year in which the claim is filed; or

(b) The widow or widower shall be deemed the owner of the property in any year after the year of the death of the spouse.

SECTION 4. That Section 63-703, Idaho Code, be, and the same is hereby amended to read as follows:

63-703. PROCEDURE FOR FILING CLAIMS. (1) Any claim filed shall be signed by the claimant or by any person or entity described in section 63-711(3), Idaho Code. By signing such claim, the claimant or other person or entity signing such claim shall attest to the truth of such claim, and shall be subject to the penalties provided by section 18-5401, Idaho Code, for stating as true any material fact known to be false. All claims shall be made on forms prescribed by the state tax commission and shall be in triplicate. One (1) copy of the form shall be provided to the claimant or the person or entity acting on behalf of the claimant, one (1) copy shall be kept for all county purposes, and one (1) copy shall be forwarded to the state tax commission with the property tax reduction roll. Except as provided in section 63-707, Idaho Code, the claim and its documentation shall not be deemed to be public records and may not be used for any commercial purpose; provided however, the state tax commission and the county assessor may use the con-
tents of such claims and documentation for general statistical analysis and may publish such analysis, or any part of such analysis, as appropriate.

(2) By filing a claim, a claimant does not relinquish any right he or any member of his household may have to apply for a cancellation of property taxes pursuant to section 63-711, Idaho Code. The county commissioners may grant any such claimant, or any member of his household, a cancellation of property taxes, late charges and interest under such section, if a claim has been filed under the provisions of sections 63-701 through 63-710, Idaho Code.

(3) If two (2) or more individuals of a household are able to meet the qualifications of a claimant, they may decide between themselves who may obtain a reduction in property taxes under the provisions of sections 63-701 through 63-710, Idaho Code, and shall certify such division in writing to the county assessor in such form as the county assessor shall require, but if they do not decide between themselves, then the reduction shall be divided equally among or between the claimants in the household or shall be divided as determined under section 63-701(7), Idaho Code, whichever is appropriate.

(4) A claimant who requests nonhousehold member status for any nonspouse residing in the dwelling must provide a statement from the attending physician verifying that the claimant would not be able to maintain residency in the absence of the nonhousehold member. To establish nonhousehold member status for any disabled nonspouse for whom the claimant provides care, the claimant must provide proof of disability from the recognizing agency.

(5) When an "owner" is any person who as grantor, or whose spouse as grantor, created a revocable or irrevocable trust and was named himself or herself as beneficiary of that trust, he or she, or any person or entity described in section 63-711(3), Idaho Code, may provide proof of the revocable or irrevocable trust with an affidavit stating: (i) the name of the grantor, (ii) a statement that the grantor, or the grantor's spouse, is the beneficiary of the trust, and (iii) the trust is revocable during the grantor's lifetime, and (iv) the grantor, or the grantor's spouse, is the owner-occupier of the residential property and uses the property as the primary dwelling place of the owner occupier as of January 1.

The affidavit shall include the attaching of the copies of those portions of the trust which sets forth the name of the grantor, the status of the grantor or the grantor's spouse as beneficiary, the revocable character of the trust and which contain the signature page or pages of the trust. The county assessor may require such additional documentation as is necessary to carry out the provisions of this chapter including, but not limited to:

(a) Proof of the current status of the entity owning the property, including statements from the secretary of state as to such status if appropriate;
(b) Copies of any documents, or portions thereof, relating to the entity;
(c) Copies of any contracts or other agreements between the entity and the claimant or the claimant's spouse; and
(d) Any other documentation which the county assessor determines would aid the county assessor in carrying out the provisions of this chapter.
SECTION 5. That Section 63-704, Idaho Code, be, and the same is hereby amended to read as follows:

63-704. AMOUNT OF PROPERTY TAX REDUCTION. Every person making application for a license to hold a race meet, under the provisions of this act, shall file an application with the commission which shall set forth the time, place and number of days such will continue, an agreement with a horsemen's group as the term "horsemen's group" is defined in section 54-2502, Idaho Code, and such other information as the commission may require. The agreement shall be reached voluntarily or pursuant to binding arbitration in conformance with chapter 9, title 7, Idaho Code, and shall address, but not be limited to, number of live race days and percentage of the live race and simulcast handle that is dedicated to the live horse race purse structure. Provided, that if unforeseen obstacles arise, which prevent the holding, or completion of any race meet, the license fee held may be refunded the licensee, if the commission deems the reason for failure to hold or complete the race meet sufficient. Any unexpired license held by any person who violates any of the provisions of this act, pursuant thereto, or who fails to pay to the commission any and all sums required under the provisions of this act, shall be subject to cancellation and revocation by the commission. Such cancellation shall be made only after a summary hearing before the commission, of which three (3) days' notice in writing shall be given the licensee, specifying the grounds for the proposed cancellation, and at which hearing the licensee shall be given an opportunity to be heard in opposition to the proposed cancellation.

(c) The commission may issue a license authorizing simulcast and/or televised races to a live horse race licensee only after that licensee has conducted at that facility a minimum of forty (40) live horse races in each of the two (2) calendar years preceding the application for such license. The requirements of this paragraph are only applicable to live horse race licensees who have received their initial live horse race license after April 1, 1997.

(4) The participation by a licensee in an interstate combined wagering pool does not cause that licensee to be considered to be doing business in any jurisdiction other than the jurisdiction in which the licensee is physically located.

(5) Pari-mutuel taxes or commissions may not be imposed on any amounts wagered in an interstate combined wagering pool other than
amounts wagered within this jurisdiction.

purchased from the department for a fee of thirty dollars ($30.00),
twelve ten dollars ($120.00) of which shall be deposited in the state
highway account and eighteen twenty dollars ($1820.00) of which shall be

in the maintenance of parks and facilities. No additional fee shall be
charged for personalizing sample plates.

Lewis and Clark commemorative plates in lieu of regular license plates.
The provisions of this section shall not apply to any vehicle with a
registered maximum gross weight over sixteen twenty-six thousand
(162,000) pounds. Availability of Lewis and Clark commemorative plates
for other vehicles shall be subject to the rules, policies and proce­

fund the cost of administration of this special license plate program. Twenty-five dollars ($25.00) of each initial fee and fifteen dollars
($15.00) of each renewal fee shall be transferred by the state treasurer
for deposit to the governor's Idaho Lewis and Clark trail committee fund
created in section 67-8601, Idaho Code, and shall be used exclusively
for the purposes described in section 67-8601, Idaho Code.

(3) Whenever title or interest in a vehicle registered under the
provisions of this section is transferred or assigned, the owner may
transfer the special plates to another vehicle upon payment of the
required transfer fees. The owner may only display the plates on another
vehicle upon receipt of the new registration from the department.

(4) The Lewis and Clark commemorative license plate shall be of a
color and design in accordance with the provisions of section 49-402C,
Idaho Code. That portion of the design which features Lewis and Clark

(4) As an option to the trailer and semitrailer annual registration, the department may provide extended registration.

(a) For trailers and semitrailers, the optional extended-registration period shall not extend beyond seven (7) years.
(b) The fee shall be fifteen dollars ($15.00) for each year.
(c) The license plate originally issued shall remain on the trailer or semitrailer until the registration expires.
(d) The registration document shall be the official record of the status of the extended registration. No pressure-sensitive validation sticker shall be required.
(e) For rental utility trailers, the optional registration period shall not extend beyond five (5) years. The fee shall be as specified in subsection (3)(b) or (c) of this section. A pressure-sensitive sticker shall be used to validate the license plate. The license plate shall become void if the owner's interest in the rental utility trailer changes during the five (5) year period. If the owner fails to enter the rental utility trailer on the annual renewal application during the five (5) year period, the registration record shall be purged. Any unrenewed plate shall be returned to the department if it is not entered on the renewal application.

(5) A fleet registration option is available to owners who have
twenty-five (25) or more commercial or farm vehicles or any combination thereof. Such owners may register all of their company vehicles with the department in lieu of registering with a county assessor. To qualify the fleet must be owned and operated under the unified control of one (1) person and the vehicles must be physically garaged and maintained in two (2) or more counties. Fleet registration shall not include fleets of rental vehicles. The department shall provide a registration application to the owner and the owner shall provide all information that the department determines is necessary. The department shall devise a special license plate numbering system for fleet-registered vehicles as an alternative to county license plates. The fleet registration application and all subsequent registration renewals shall include the physical address where a vehicle is principally used, garaged and maintained. The fleet owner shall report the physical address to the department upon initial registration, on each renewal, and at any time a vehicle registered under this option is permanently transferred to another location.

(6) If the ownership of a vehicle changes during the registration period, the original owner may transfer the plate to another vehicle. The remaining fee shall be credited against the cost of the new registration. Refunds may be given for any unexpired portion of the vehicle registration fee if the plate is not transferred by the owner to another vehicle. Any request for refund shall include surrender of the license plate, validation sticker and registration document. Owners of vehicles registered under the international registration plan may request a refund of the unexpired portion of the Idaho vehicle registration fee by presenting evidence from the base jurisdiction that the license plate, validation sticker and registration document have been surrendered. A license plate shall not be transferred to another owner when the ownership of a vehicle changes. The owner shall obtain a replacement plate, validation sticker if required, and a registration document when a plate is lost, destroyed or becomes illegible.

(7) An administrative fee of four dollars ($4.00) shall be paid and deposited to the state highway account on all registrations completed by the department under subsection (1) or (8)(a) of this section. Vehicles registered under subsection (8)(b) of this section shall pay the fee provided in section 49-435(2), Idaho Code.

(8) There shall be paid on all commercial and farm vehicles having a maximum gross weight in excess of sixty thousand (60,000) pounds, a registration fee based upon the maximum gross weight of a vehicle as declared by the owner and the total number of miles driven on roads and highways in the state, county, city and highway district systems in Idaho, and if registered under the international registration plan (IRP), in all other jurisdictions. The appropriate registration fee shall be determined as follows:

(a) If the owner registers vehicles under the international registration plan (IRP), the appropriate mileage column shall be determined by the total miles an owner operated a fleet of vehicles on roads and highways in the state, county, city and highway district systems in Idaho and in all other jurisdictions in the preceding year, as defined in section 49-117, Idaho Code, and by the maximum gross weight of each vehicle within a fleet.

(b) If the owner registers vehicles under the international registration plan and determines that the average international registration plan fleet miles, calculated by dividing the total IRP fleet
miles in all jurisdictions by the number of registered vehicles, is
less than fifty thousand one (50,001) miles, the owner may apply to
the department for refund of a portion of the registration fees
paid, consistent with the fee schedules set forth in this section.
The department shall provide an application for the refund. An owner
making application for refund under this section shall be subject to
auditing as provided in section 49-439, Idaho Code.
(c) If the owner is not registering vehicles under the interna­
tional registration plan, the appropriate mileage column shall be
determined by the total miles the owner operated each of the vehi­
cles to be registered on roads and highways in the state, county,
city and highway district systems in Idaho in the preceding year and
by the maximum gross weight of each vehicle.

(d) Any commercial or farm vehicle registered for more than sixty thousand (60,000) pounds up to one hundred six thousand (106,000)
pounds traveling fewer than two thousand five hundred (2,500) miles annually on roads and highways in the state, county, city and highway district systems in Idaho shall pay an annual registration fee of two hundred fifty-five dollars ($255). The provisions of section 49-437(2), Idaho Code, shall not apply to vehicles registered under this subsection (8)(d).

(9) (a) During the first registration year that the fee schedule in subsection (8)(c) of this section is in use, an owner shall use the mileage data from the records used to report the mileage use fee in the immediately preceding year as the basis for determining the appropriate registration fee schedule.

(b) Any owner who registers a motor vehicle for the first time and who has no mileage history for the vehicle shall estimate the miles to determine the appropriate fee schedule in subsection (8)(c) of this section. When estimating the miles, the owner shall provide a statement on the application of the method used to arrive at the estimated miles.

(c) Any owner using any fee schedule other than the highest fee schedule under subsection (8)(c) of this section, shall certify at the time of registration that the miles operated in the preceding year do not exceed the schedule applied for. Any owner using a fee schedule under subsection (8)(c) of this section that is less than the highest schedule shall maintain records to substantiate the use of the schedule as required by section 49-439, Idaho Code.

(10) If any vehicle or combinations of vehicles haul nonreducible loads, as authorized under the provisions of section 49-1004, Idaho Code, and weigh less than the starting weights per axle configuration listed in column 1 of subsection (2), section 49-1004, Idaho Code, then and in that event there shall be paid for that vehicle, in addition to the other fees required in this section, an additional use fee of 2.1 mills per mile for each two thousand (2,000) pounds or fraction thereof of the maximum gross weight in excess of those set forth in section 49-1001, Idaho Code.

SECTION 12. That Section 49-443, Idaho Code, be, and the same is hereby amended to read as follows:

If a vehicle is issued one (1) plate only, that plate shall be displayed in accordance with the provisions of section 49-428, Idaho Code. For vehicles registered under the provisions of section 49-407, Idaho Code, the applicant shall provide one (1) plate to be displayed on the rear of the vehicle.

Commencing January 1, 1992, the color and design of the plates shall be comparable to the color and design of the statehood centennial issue of license plates with blue numerals and letters on a multicolored red, white and blue background. Each license plate must bear upon its face the inscriptions "Famous Potatoes" and "Scenic Idaho."

Every license plate shall have displayed upon it the registration
number assigned to the vehicle and its owner and the name "Idaho" which may be abbreviated. The plates issued under the provisions of section 49-402(1), Idaho Code, and the required letters and numerals, including an identification of the county in which the motor vehicle to which the plates will be affixed is registered, shall be of sufficient size to be plainly readable from a distance of seventy-five (75) feet during daylight, and each license plate and registration sticker shall be treated with a fully reflectorized material according to specifications prescribed by the board.

(2) License plates shall be valid for a period of seven (7) years beginning with the date of issuance of new plates. At the end of the sixth year, the registered owner shall receive notice of the date upon which the plates will expire. The department shall implement a plate-number reservation program beginning prior to the 1999 plate issue and following once every seven (7) years thereafter, for a limited plate-number sequence in each county which chooses to offer a reservation program. Requests for license plate number reservations shall be submitted to the county during the open reservation period established by the department. The department may charge a minimal fee as determined by the board to recover costs to the department for reservation of license plate numbers.

(3) If a license plate number has expired as provided in subsection (2) of this section and the number was not reserved, or if the vehicle registration is not renewed within sixty (60) days of its expiration, the plate number shall be available for use by another registrant. To obtain a specific number in the recycled license plate number file, the owner of a registered vehicle shall pay a one (1) time fee as determined by rule of the board.

The provisions of this subsection shall apply only to vehicles registered under the provisions of section 49-402(1), Idaho Code, and section 49-434(1), Idaho Code, as it applies to noncommercial vehicles.

The assessor shall also furnish for each registration, and to validate the license plate, a pressure-sensitive, serially uniquely-numbered registration sticker, except for trailers and semitrailers registered under the optional seven (7) year trailer provisions in section 49-434, Idaho
Code. License plates issued for state, county and city motor vehicles shall be permanent and remain on the vehicle for which issued from year to year, and need no renewal or validation sticker.

None of the original fees shall be subject to refund.

(8) The department shall furnish to every owner whose vehicle is registered under sections 49-434 and 49-435, Idaho Code, a pressuresensitive, serially uniquely-numbered registration sticker to validate the license plate.

The miniaturized files shall be retained a minimum of twenty (20) years, after which time they may be destroyed. The records shall be maintained so as to permit the tracing of title of the vehicles designated.

The board may accept the voluntary surrender of a license from any nurse under investigation and accordingly enter an order revoking or suspending such license and/or imposing such conditions, limitations, or restrictions on the practice of any such nurse as may be appropriate in the discretion of the board. Otherwise, every person subject to disciplinary proceedings shall be afforded an opportunity for hearing after reasonable notice. All proceedings hereunder shall be in accordance with chapter 52, title 67, Idaho Code.

(b) Hearings shall be conducted by the board or by persons appointed by the board to conduct hearings and receive evidence. The board and any person duly appointed by the board to conduct hearings shall have all powers as are necessary and incident to orderly and effective receipt of evidence including, but not limited to, the power to administer oaths, and to compel by subpoena attendance of witnesses and production of books, records and things at the hearing or at a deposition taken by a party in accordance with the Idaho rules of civil procedure. Any party shall be entitled to the use of subpoena upon application therefor.

(c) In the event any person fails to comply with a subpoena personally served upon him or refuses to testify to any matter regarding which he may be lawfully interrogated, the board shall petition the district court in the county where such failure or refusal occurred or where such person resides, to enforce such subpoena or compel such testimony. Proceedings before the district court shall be for contempt in the same nature as contempt of court for failure or refusal to comply with an order of the court and the court shall have the same powers to secure compliance with subpoena and testimony or to impose penalties as in contempt of court proceedings.

(3) Probation/Subsequent review. Any order of the board entered under this section may be withheld or suspended for a probationary period to be fixed by the board upon such terms and conditions as may be appropriate in order to regulate, monitor and/or supervise the practice of nursing by the licensee subject to such order for the prescribed probationary period. Any order of the board entered under this section may be withdrawn, reversed, modified or amended upon a showing by the person subject to the order that the grounds for discipline no longer exist or that he is rehabilitated, qualified and competent to practice nursing and that he is not likely to violate this act or rules adopted hereunder in the future. The board may, as a condition to withdrawal, reversal, modification or amendment of the order, require the person to pay all or part of the costs incurred by the board in proceedings upon which the order was entered.

(4) Reporting investigative information. Nothing in section 9-340C(8) and (9), Idaho Code, shall be construed as limiting the authority of the Board to report current significant investigative information to the coordinated licensure information system for transmission to states that are parties to any multistate agreements or compacts regarding nurse licensure.
SECTION 3. That Chapter 14, Title 54, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW SECTION, to be known and designated as Section 54-1418, Idaho Code, and to read as follows:

54-1418. NURSE LICENSURE COMPACT. The terms and conditions of the nurse licensure compact are hereby enacted in substantially the following form:

NURSE LICENSURE COMPACT

ARTICLE I

FINDINGS AND DECLARATION OF PURPOSE

(1) The party states find that:
   (a) The health and safety of the public are affected by the degree of compliance with and the effectiveness of enforcement activities related to state nurse licensure laws;
   (b) Violations of nurse licensure and other laws regulating the practice of nursing may result in injury or harm to the public;
   (c) The expanded mobility of nurses and the use of advanced communication technologies as part of our nation's health care delivery system require greater coordination and cooperation among states in the areas of nurse licensure and regulation;
   (d) New practice modalities and technology make compliance with individual state nurse licensure laws difficult and complex; and
   (e) The current system of duplicative licensure for nurses practicing in multiple states is cumbersome and redundant to both nurses and states.

(2) The general purposes of this compact are to:
   (a) Facilitate the states' responsibility to protect the public's health and safety;
   (b) Ensure and encourage the cooperation of party states in the areas of nurse licensure and regulation;
   (c) Facilitate the exchange of information between party states in the areas of nurse regulation, investigation and adverse actions;
   (d) Promote compliance with the laws governing the practice of nursing in each jurisdiction; and
   (e) Invest all party states with the authority to hold a nurse accountable for meeting all state practice laws in the state in which the patient is located at the time care is rendered through the mutual recognition of party state licenses.

ARTICLE II

DEFINITIONS

As used in this compact:
(1) "Adverse action" means a home or remote state action.
(2) "Alternative program" means a voluntary, nondisciplinary monitoring program approved by a nurse licensing board.
(3) "Coordinated licensure information system" means an integrated process for collecting, storing and sharing information on nurse licensure and enforcement activities related to nurse licensure laws, which is administered by a nonprofit organization composed of and controlled by state nurse licensing boards.
(4) "Current significant investigative information" means:
   (a) Investigative information that a licensing board, after a pre-
limentary inquiry that includes notification and an opportunity for the nurse to respond if required by state law, has reason to believe is not groundless and, if proved true, would indicate more than a minor infraction; or

(b) Investigative information that indicates that the nurse represents an immediate threat to public health and safety regardless of whether the nurse has been notified and had an opportunity to respond.

(5) "Home state" means the party state which is the nurse's primary state of residence.

(6) "Home state action" means any administrative, civil, equitable or criminal action permitted by the home state's laws which are imposed on a nurse by the home state's licensing board or other authority including actions against an individual's license such as: revocation, suspension, probation, or any other action which affects a nurse's authorization to practice.

(7) "Licensing board" means a party state's regulatory body responsible for issuing nurse licenses.

(8) "Multistate licensure privilege" means current, official authority from a remote state permitting the practice of nursing as either a registered nurse or a licensed practical/vocational nurse in such party state. All party states have the authority, in accordance with existing state due process law, to take actions against the nurse's privilege such as: revocation, suspension, probation or any other action which affects a nurse's authorization to practice.

(9) "Nurse" means a registered nurse or licensed practical/vocational nurse, as those terms are defined by each party's state practice laws.

(10) "Party state" means any state that has adopted this compact.

(11) "Remote state" means a party state, other than the home state:

(a) Where the patient is located at the time nursing care is provided; or

(b) In the case of the practice of nursing not involving a patient, in such party state where the recipient of nursing practice is located.

(12) "Remote state action" means:

(a) Any administrative, civil, equitable or criminal action permitted by a remote state's laws which are imposed on a nurse by the remote state's licensing board or other authority including actions against an individual's multistate licensure privilege to practice in the remote state; and

(b) Cease and desist and other injunctive or equitable orders issued by remote states or the licensing boards thereof.

(13) "State" means a state, territory, or possession of the United States, the District of Columbia, or the Commonwealth of Puerto Rico.

(14) "State practice laws" means those individual party's state laws and rules or regulations that govern the practice of nursing, define the scope of nursing practice, and create the methods and grounds for imposing discipline. "State practice laws" does not include the initial qualifications for licensure or requirements necessary to obtain and retain a license, except for qualifications or requirements of the home state.
ARTICLE III
GENERAL PROVISIONS AND JURISDICTION

(1) A license to practice registered nursing issued by a home state to a resident in that state will be recognized by each party state as authorizing a multistate licensure privilege to practice as a registered nurse in such party state. A license to practice licensed practical/vocational nursing issued by a home state to a resident in that state will be recognized by each party state as authorizing a multistate licensure privilege to practice as a licensed practical/vocational nurse in such party state. In order to obtain or retain a license, an applicant must meet the home state's qualifications for licensure and license renewal as well as all other applicable state laws.

(2) Party states, in accordance with state due process laws, may limit or revoke the multistate licensure privilege of any nurse to practice in their state and may take any other actions under their applicable state laws necessary to protect the health and safety of their citizens. If a party state takes such action, it shall promptly notify the administrator of the coordinated licensure information system. The administrator of the coordinated licensure information system shall promptly notify the home state of any such actions by remote states.

(3) Every nurse practicing in a party state must comply with the state practice laws of the state in which the patient is located at the time care is rendered. In addition, the practice of nursing is not limited to patient care, but shall include all nursing practice as defined by the state practice laws of a party state. The practice of nursing will subject a nurse to the jurisdiction of the nurse licensing board and the courts, as well as the laws, in that party state.

(4) This compact does not affect additional requirements imposed by states for advanced practice registered nursing. However, a multistate licensure privilege to practice registered nursing granted by a party state shall be recognized by other party states as a license to practice registered nursing if one is required by state law as a precondition for qualifying for advanced practice registered nurse authorization.

(5) Individuals not residing in a party state shall continue to be able to apply for nurse licensure as provided for under the laws of each party state. However, the license granted to these individuals will not be recognized as granting the privilege to practice nursing in any other party state unless explicitly agreed to by that party state.

ARTICLE IV
APPLICATIONS FOR LICENSURE IN A PARTY STATE

(1) Upon application for a license, the licensing board in a party state shall ascertain, through the coordinated licensure information system, whether the applicant has ever held, or is the holder of, a license issued by any other party state, whether there are any restrictions on the multistate licensure privilege, and whether any other adverse action by any state has been taken against the license.

(2) A nurse in a party state shall hold licensure in only one (1) party state at a time, issued by the home state.

(3) A nurse who intends to change primary state of residence may apply for licensure in the new home state in advance of such change. However, new licenses will not be issued by a party state until after a nurse provides evidence of change in primary state of residence satis-
factory to the new home state's licensing board.

(4) When a nurse changes primary state of residence by:
(a) Moving between two (2) party states, and obtains a license from
the new home state, the license from the former home state is no
longer valid;
(b) Moving from a nonparty state to a party state, and obtains a
license from the new home state, the individual state license issued
by the nonparty state is not affected and will remain in full force
if so provided by the laws of the nonparty state;
(c) Moving from a party state to a nonparty state, the license
issued by the prior home state converts to an individual state
license, valid only in the former home state, without the multistate
licensure privilege to practice in other party states.

ARTICLE V
ADVERSE ACTIONS

In addition to the general provisions described in article III, the fol­
lowing provisions apply:

(1) The licensing board of a remote state shall promptly report to
the administrator of the coordinated licensure information system any
remote state actions including the factual and legal basis for such
action, if known. The licensing board of a remote state shall also
promptly report any significant current investigative information yet to
result in a remote state action. The administrator of the coordinated
licensure information system shall promptly notify the home state of any
such reports.

(2) The licensing board of a party state shall have the auth­rity
to complete any pending investigations for a nurse who changes primary
state of residence during the course of such investigations. It shall
also have the authority to take appropriate action(s), and shall
promptly report the conclusions of such investigations to the adminis­
trator of the coordinated licensure information system. The administra­
tor of the coordinated licensure information system shall promptly
notify the new home state of any such actions.

(3) A remote state may take adverse action affecting the multistate
licensure privilege to practice within that party state. However, only
the home state shall have the power to impose adverse action against the
license issued by the home state.

(4) For purposes of imposing adverse action, the licensing board of
the home state shall give the same priority and effect to reported con­
duct received from a remote state as it would if such conduct had
occurred within the home state. In so doing, it shall apply its own
state laws to determine appropriate action.

(5) The home state may take adverse action based on the factual
findings of the remote state, so long as each state follows its own pro­
cedures for imposing such adverse action.

(6) Nothing in this compact shall override a party state's decision
that participation in an alternative program may be used in lieu of
licensure action and that such participation shall remain nonpublic if
required by the party state's laws. Party states must require nurses who
enter any alternative programs to agree not to practice in any other
party state during the term of the alternative program without prior
authorization from such other party state.
ARTICLE VI
ADDITIONAL AUTHORITIES INVESTED IN PARTY STATE NURSE LICENSING BOARDS
Notwithstanding any other powers, party state nurse licensing boards shall have the authority to:

(1) If otherwise permitted by state law, recover from the affected nurse the costs of investigations and disposition of cases resulting from any adverse action taken against that nurse;

(2) Issue subpoenas for both hearings and investigations which require the attendance and testimony of witnesses and the production of evidence. Subpoenas issued by a nurse licensing board in a party state for the attendance and testimony of witnesses, and/or the production of evidence from another party state, shall be enforced in the latter state by any court of competent jurisdiction, according to the practice and procedure of that court applicable to subpoenas issued in proceedings pending before it. The issuing authority shall pay any witness fees, travel expenses, mileage and other fees required by the service statutes of the state where the witnesses and/or evidence are located;

(3) Issue cease and desist orders to limit or revoke a nurse's authority to practice in their state; and

(4) Promulgate uniform rules and regulations as provided for in article VIII(3).

ARTICLE VII
COORDINATED LICENSURE INFORMATION SYSTEM

(1) All party states shall participate in a cooperative effort to create a coordinated database of all licensed registered nurses and licensed practical/vocational nurses. This system will include information on the licensure and disciplinary history of each nurse, as contributed by party states, to assist in the coordination of nurse licensure and enforcement efforts.

(2) Notwithstanding any other provision of law, all party states' licensing boards shall promptly report adverse actions, actions against multistate licensure privileges, any current significant investigative information yet to result in adverse action, denials of applications, and the reasons for such denials, to the coordinated licensure information system.

(3) Current significant investigative information shall be transmitted through the coordinated licensure information system only to party states' licensing boards.

(4) Notwithstanding any other provision of law, all party states' licensing boards contributing information to the coordinated licensure information system may designate information that may not be shared with nonparty states or disclosed to other entities or individuals without the express permission of the contributing state.

(5) Any personally identifiable information obtained by a party state's licensing board from the coordinated licensure information system may not be shared with nonparty states or disclosed to other entities or individuals except to the extent permitted by the laws of the party state contributing the information.

(6) Any information contributed to the coordinated licensure information system that is subsequently required to be expunged by the laws of the party state contributing that information, shall also be expunged from the coordinated licensure information system.

(7) The compact administrators, acting jointly with each other and
in consultation with the administrator of the coordinated licensure information system, shall formulate necessary and proper procedures for the identification, collection, and exchange of information under this compact.

ARTICLE VIII
COMPACT ADMINISTRATION AND INTERCHANGE OF INFORMATION

(1) The head of the nurse licensing board, or his/her designee, of each party state shall be the administrator of this compact for his/her state.

(2) The compact administrator of each party state shall furnish to the compact administrator of each other party state any information and documents including, but not limited to, a uniform data set of investigations, identifying information, licensure data, and disclosable alternative program participation information to facilitate the administration of this compact.

(3) Compact administrators shall have the authority to develop uniform rules to facilitate and coordinate implementation of this compact. These uniform rules shall be adopted by party states under the authority invested under article VI(4).

ARTICLE IX
IMMUNITY

No party state or the officers or employees or agents of a party state's nurse licensing board who acts in accordance with the provisions of this compact shall be liable on account of any act or omission in good faith while engaged in the performance of their duties under this compact. Good faith in this article shall not include willful misconduct, gross negligence or recklessness.

ARTICLE X
ENTRY INTO FORCE, WITHDRAWAL AND AMENDMENT

(1) This compact shall enter into force and become effective as to any state when it has been enacted into the laws of that state. Any party state may withdraw from this compact by enacting a statute repealing the same, but no such withdrawal shall take effect until six (6) months after the withdrawing state has given notice of the withdrawal to the executive heads of all other party states.

(2) No withdrawal shall affect the validity or applicability by the licensing boards of states remaining party to the compact of any report of adverse action occurring prior to the withdrawal.

(3) Nothing contained in this compact shall be construed to invalidate or prevent any nurse licensure agreement or other cooperative arrangement between a party state and a nonparty state that is made in accordance with the other provisions of this compact.

(4) This compact may be amended by the party states. No amendment to this compact shall become effective and binding upon the party states unless and until it is enacted into the laws of all party states.

ARTICLE XI
CONSTRUCTION AND SEVERABILITY

(1) This compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this compact shall be severable and if any phrase, clause, sentence or provision of this compact is
declared to be contrary to the constitution of any party state or of the United States or the applicability thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If this compact shall be held contrary to the constitution of any state party thereto, the compact shall remain in full force and effect as to the remaining party states and in full force and effect as to the party state affected as to a severable matter.

(2) In the event party states find a need for settling disputes arising under this compact:
(a) The party states may submit the issues in dispute to an arbitration panel which will be comprised of an individual appointed by the compact administrator in the home state; an individual appointed by the compact administrator in the remote state(s) involved; and an individual mutually agreed upon by the compact administrators of all the party states involved in the dispute; and
(b) The decision of a majority of the arbitrators shall be final and binding.

Be It Enacted by the Legislature of the State of Idaho:
SECTION 1. That Section 16-1623, Idaho Code, be, and the same is hereby amended to read as follows:

16-1623. POWERS AND DUTIES OF THE DEPARTMENT. The department, working in conjunction with the court and other public and private agencies and persons, shall have the primary responsibility to implement the purpose of this chapter. To this end, the department is empowered and shall have the duty to do all things reasonably necessary to carry out the purpose of this chapter, including, but not limited to, the following:

(a) The department shall administer treatment programs for the protection and care of neglected, abused and abandoned children, and in so doing may place in foster care, shelter care, group homes or other diagnostic, treatment, or care centers or facilities, children of whom it has been given custody. The department is to be governed by the standards found in chapter 12, title 39, Idaho Code.

(b) On December 1, the department shall make an annual statistical report to the governor covering the preceding fiscal year showing the number and status of persons in its custody and including such other data as will provide sufficient facts for sound planning in the conservation of children and youth. All officials and employees of the state and of every county and city shall furnish the department upon request, such information within their knowledge and control as the department deems necessary. Local agencies shall report in such uniform format as may be required by the department.

(c) The department shall be required to maintain a central registry for the reporting of child neglect, abuse and abandonment information.

(d) The department shall make periodic evaluation of all persons in its custody or under its supervision for the purpose of determining whether existing orders and dispositions in individual cases shall be modified or continued in force. Evaluations may be made as frequently as the department considers desirable and shall be made with respect to every person at intervals not exceeding six (6) months. Reports of evaluation made pursuant to this section shall be filed with the court which vested custody of the person with the department. Reports of evaluation shall be provided to persons having full or partial legal or physical custody of a child. Failure of the department to evaluate a person or to reevaluate him within six (6) months of a previous examination shall not of itself entitle the person to a change in disposition but shall entitle him, his parent, guardian or custodian or his counsel to petition the court pursuant to section 16-1611, Idaho Code.

(e) In a consultive capacity, the department shall assist communities in the development of constructive programs for the protection, prevention and care of children and youth.

(f) The department shall keep written records of investigations, evaluations, prognosis and all orders concerning disposition or treatment of every person over whom it has legal custody. Department records shall be subject to disclosure according to chapter 3, title 9, Idaho Code, unless otherwise ordered by the court, the person consents to the disclosure, or disclosure is necessary for the delivery of services to the person. Notwithstanding the provisions restricting disclosure or the exemptions from disclosure provided in chapter 3, title 9, Idaho Code, all records pertaining to investigations, the rehabilitation of youth, the protection of children, evaluation, treatment and/or disposition records pertaining to the statutory responsibilities of the department
shall be disclosed to any duly elected state official carrying out his official functions.

(g) The department shall establish appropriate administrative procedures for the processing of complaints of child neglect, abuse and abandonment received and for the implementation of the protection, treatment and care of children formally or informally placed in the custody of the department under this chapter.

(h) The department having been granted legal custody of a child, subject to the judicial review provisions of this subsection, shall have the right to determine where and with whom the child shall live, provided that the child shall not be placed outside the state without the court's consent. Provided however, that the court shall retain jurisdiction over the child, which jurisdiction shall be entered on any order or petition granting legal custody to the department, and the court shall have jurisdiction over all matters relating to the child. The department shall not place the child in the home from which the court ordered the child removed without first obtaining the approval of the court.

(i) The department shall give to the court any information concerning the child that the court may at any time require, but in any event shall report the progress of the child under its custody at intervals of not to exceed six (6) months. There shall be a rebuttable presumption that if a child is placed in the custody of the department and was also placed in out of the home care for a period not less than fifteen (15) out of the last twenty-two (22) months from the date the child entered shelter care, the department shall initiate a petition for termination of parental rights. This presumption may be rebutted by a finding of the court that the filing of a petition for termination of parental rights would not be in the best interests of the child or reasonable efforts have not been provided to reunite the child with his family, or the child is placed permanently with a relative.

(j) The department shall establish appropriate administrative procedures for the conduct of administrative reviews and hearings as required by federal statute for all children committed to the department and placed in out of home care.

(k) At any time the department is considering a placement pursuant to this act, the department shall make a reasonable effort to place the child in the least disruptive environment to the child and in so doing may consider, without limitation, placement of the child with related persons.

The policy shall provide specific standards for acceptance and rejection of applications for accepting out of district pupils. Standards may include the capacity of a program, class, grade level or school building. Standards may not include previous academic achievement, athletic or other extracurricular ability, handicapping conditions, or proficiency in the English language.

(3) Any record, or portion of a record, provided to or obtained by the department of health-and-welfare, division of environmental quality and identified by the person providing the record as a trade secret shall not be disclosed to the public and shall be kept confidential according to the procedures established in this section.

(6) Notwithstanding the time frames set forth in section 9-339(1), Idaho Code, when a request is made to the department of health-and-welfare--division of environmental quality pursuant to the provisions of this chapter for the disclosure of information for which a trade secret claim has been made, and the information has not been demonstrated to be a trade secret to the satisfaction of the administrator director of the division department of environmental quality, within three (3) working days of receipt of the request for the disclosure of the information the division department of environmental quality shall provide a written request for substantiation to the person making the confidentiality claim. The information claimed to be a trade secret shall not be disclosed until the period for appeal has expired with no appeal being taken, or a court order has been issued finding that the information is not a trade secret and all appeals of that order have been exhausted.

(7) In any appeal taken pursuant to this section, the court may award reasonable costs and attorney's fees to the prevailing party if it finds the claim of confidentiality or the decision of the administrator director of the division department of environmental quality to provide records was frivolously pursued.

(8) By December 31, 1998, the department of health-and-welfare environmental quality shall adopt rules which include:

(a) Appropriate measures to safeguard and protect against improper disclosure of trade secrets, including procedures to train all employees on the proper handling of trade secrets; and
(b) Any other provisions necessary to carry out this section.

(9) As it relates to the department of health-and-welfare, division of environmental quality, or to agents, contractors, or other representatives of the division department, the immunity created in section 9-346, Idaho Code, shall apply only when disclosure of a trade secret is made consistent with this section.

22-4801. LEGISLATIVE FINDINGS AND INTENT. The legislature finds that the current knowledge and technology support the practice of burning crop residue to control disease, weeds, pests, and to enhance crop rotations. It is the intent of the legislature to promote agricultural activities. Currently some of those activities include crop residue burning. The director of the Idaho department of agriculture may promulgate rules relating to crop residue burning under this chapter. Further, the legislature encourages the Idaho department of agriculture and the Idaho department of health-and-welfare, division of environmental quality to cooperate with the agricultural community and establish voluntary smoke management and crop residue burning programs. The legislature encourages the Idaho department of agriculture and the agricultural com-
munity to pursue alternative means to crop residue disposal. Nothing in this chapter shall prohibit the Idaho department of health-and-welfare, division-of environmental quality from enforcing the environmental protection and health act, chapter 1, title 39, Idaho Code, and the rules promulgated pursuant thereto, as they relate to air quality and protection of the state and national ambient air quality standards.

SECTION 7. That Section 22-4902, Idaho Code, be, and the same is hereby amended to read as follows:

22-4902. DECLARATION OF POLICY AND STATEMENT OF LEGISLATIVE INTENT.
(1) The legislature recognizes the importance of protecting state natural resources including, surface water and ground water. It is the intent of the legislature to protect the quality of these natural resources while maintaining an economically viable beef cattle industry in the state. The beef cattle industry produces manure and process wastewater which, when properly used, supplies valuable nutrients and organic matter to soils and is protective of the environment, but may, when improperly stored and managed, create adverse impacts on natural resources, including waters of the state. This act chapter is intended
to ensure that manure and process wastewater associated with beef cattle operations are handled in a manner which protects the natural resources of the state.

(2) Further, the legislature recognizes that the beef cattle industry is potentially subject to various state and federal laws designed to protect state natural resources and that the Idaho department of agriculture is in the best position to administer and implement these various laws. It is therefore the intent of the legislature that the administration of this law by the department of agriculture fully meets the goals and requirements of the federal clean water act and state laws designed to further protect state waters and that administration of this act chapter by the department of agriculture shall not be more stringent than or broader in scope than the requirements of the clean water act and applicable state and federal laws. The department shall have authority to administer all laws to protect the quality of water within the confines of a beef cattle animal feeding operation. In carrying out this act chapter the department shall prioritize its resources on operations which have the greatest potential to significantly impact the environment and ensure that any requirements imposed under this act chapter upon operators of beef cattle animal feeding operations are cost-effective and environmentally and technologically feasible.

(3) Successful implementation of this act chapter is dependent upon the department receiving adequate funding from the legislature and is dependent upon the department executing a memorandum of agreement with the United States environmental protection agency, the division department of environmental quality and the Idaho cattle association which sets forth a working arrangement between the agencies to ensure compliance with this act chapter and applicable state and federal laws, including the federal clean water act. Moreover, the legislature recognizes that it is important for the state to obtain a delegated national pollutant discharge elimination system (NPDES) permit program from the EPA under the clean water act.

SECTION 8. That Section 22-4903, Idaho Code, be, and the same is hereby amended to read as follows:

22-4903. AUTHORITY AND DUTIES OF DIRECTOR CONCERNING BEEF CATTLE ANIMAL FEEDING OPERATIONS. The director of the department of agriculture through the division of animal industries is authorized to regulate beef cattle animal feeding operations to protect state natural resources, including surface water and ground water. In order to carry out its duties under this act chapter, the department shall be the responsible state department to prevent any ground water contamination from beef cattle animal feeding operations as provided under section 39-120, Idaho Code. The director shall have the authority to exercise any other authorities delegated by the administrator director of the division department of environmental quality regarding the protection of ground water, surface water and other natural resources associated with confined animal feeding operations, and this shall be the authority for the administrator director of the division department of environmental quality to so delegate. The administrator director of the division department of environmental quality shall consult with the director of the department of agriculture before certifying discharges from beef cattle animal feeding operations as provided under 33 U.S.C. section 1341.
SECTION 9. That Section 22-4905, Idaho Code, be, and the same is hereby amended to read as follows:

22-4905. DESIGN AND CONSTRUCTION. Each new beef cattle animal feeding operation and each modified beef cattle animal feeding operation shall design and construct all new and modified wastewater storage and containment facilities in accordance with the engineering standards and specifications provided by the natural resource conservation service or the American society of agricultural engineers (ASAE) or other equally protective standard approved by the director. The department's review and approval of plans under this section shall supersede the Idaho department of health--and-welfare, division of environmental quality's implementation of plan and specification review and approval provided under section 39-118, Idaho Code. Such design and construction shall be considered a best management practice.

SECTION 10. That Section 31-4405, Idaho Code, be, and the same is hereby amended to read as follows:

31-4405. RULES AND REGULATIONS -- NOTICE OF VIOLATION -- MISDEMEANOR -- INJUNCTION. All solid waste disposal systems shall be located, maintained and operated according to rules and regulations promulgated and adopted by the state board of health--and-welfare environmental quality. Every person who violates any of the provisions of this act, or of any order, rule or regulation of the state board of health--and-welfare environmental quality issued pursuant thereto, where a copy of the order, rule or regulation has been served upon said person by certified mail, and said person fails to comply therewith within the time provided in the order, rule or regulation, or within ten (10) days of such service if not otherwise provided, shall be guilty of a misdemeanor. In the event of a continuing violation, each day that the violation continues constitutes a separate and distinct offense. In addition to the criminal penalties provided by this act, whenever it appears to the state board of health--and-welfare environmental quality that any person has engaged or is about to engage in any act or practice constituting a violation of any provision of this act or of any rule or regulation promulgated and adopted under the provisions of this act, the board may bring an action in any court of competent jurisdiction to enjoin any such acts or practices and to enforce compliance with this act or any rule or regulation hereunder. Upon a showing that a person has engaged or is about to engage in an act or practice constituting a violation of this act or any rule or regulation hereunder, a permanent or temporary injunction, restraining order or writ of mandamus shall be granted. The board of health--and-welfare environmental quality shall not be required to furnish bond.

SECTION 11. That Section 36-1905, Idaho Code, be, and the same is hereby amended to read as follows:

39-104A. AUTHORITY TO MAKE RULES REGULATING LARGE SWINE AND POULTRY FEEDING OPERATIONS -- FINANCIAL ASSURANCES. (1) The state of Idaho is experiencing the development of large swine and poultry feeding operations which are inadequately controlled through existing state regulatory mechanisms. If not properly regulated, these facilities pose a threat to the state's surface and ground water resources. Due to existing rulemaking authority, the division department of environmental quality is in the best position of all state agencies to modify its present rules and to make new rules to develop an adequate regulatory framework for large swine and poultry feeding operations.

(2) The division department of environmental quality is authorized to modify its existing administrative rules and to make new rules regulating large swine and poultry feeding operations, as they shall be defined by the division department. The division department is authorized to work with the Idaho department of agriculture in the development of such rules.

(3) Owners and operators of swine and poultry facilities required to obtain a permit from the division department of environmental quality to construct, operate, expand or close the facilities shall provide financial assurances demonstrating financial capability to meet requirements for operation and closure of the facilities and remediation. Requirements for financial assurances shall be determined by the agency as set forth in rule. Financial assurances may include any mechanism or combination of mechanisms meeting the requirements established by agency rule including, but not limited to, surety bonds, trust funds, irrevocable letters of credit, insurance and corporate guarantees. The mechanism(s) used to demonstrate financial capability must be legally valid, binding and enforceable under applicable law and must ensure that the funds necessary to meet the costs of closure and remediation will be available whenever the funds are needed. The director may retain financial assurances for up to five (5) years after closure of a facility to ensure proper closure and remediation, as defined by rule.

(4) Nothing in this section prohibits the boards of county commissioners of any county or the governing body of any city from adopting regulations that are more stringent or that require greater financial assurances than those imposed by the division department of environmental quality. A board of county commissioners of a county or a governing body of a city in which a swine or poultry facility is located may choose to determine whether the facility is properly closed according to imposed standards or may leave that determination to the division department. This choice shall be communicated to the director in writing.
when closure begins; provided that determinations of closure by a board of county commissioners of a county or a governing body of a city in which the swine or poultry facility is located shall not permit closure under less stringent requirements than those imposed by the division department.

(5) As used in this section:
(a) "Animal unit" means a unit equaling two and one-half (2.5) swine, each weighing over twenty-five (25) kilograms (approximately fifty-five (55) pounds), or ten (10) weaned swine, each weighing under twenty-five (25) kilograms, or one hundred (100) poultry. Total animal units are calculated by adding the number of swine weighing over twenty-five (25) kilograms multiplied by four-tenths (.4) plus the number of weaned swine weighing under twenty-five (25) kilograms multiplied by one-tenth (.1) plus the number of poultry multiplied by one one-hundredth (.01).
(b) "Facilities" or "facility" means a place, site or location or part thereof where swine or poultry are kept, handled, housed or otherwise maintained and includes, but is not limited to, buildings, lots, pens and animal waste management systems, and which has a one-time animal unit capacity of two thousand (2,000) or more animal units.
(c) "Large swine and poultry feeding operations" means swine facilities and poultry facilities having a one-time animal unit capacity of two thousand (2,000) or more animal units.
(d) "One-time animal unit capacity" means the maximum number of animal units that a facility is capable of housing at any given time.

(a) The minimum biological, physical and chemical conditions necessary to fully support the designated beneficial uses; or
(b) A water body representing natural conditions with few impacts from human activities and which are representative of the highest level of support attainable in the basin; or
(c) A water body representing minimum conditions necessary to fully support the designated beneficial uses.

In highly mineralized areas or in the absence of such reference streams or water bodies, the director, in consultation with the basin advisory group and the technical advisers to it, may define appropriate hypothetical reference conditions or may use monitoring data specific to the site in question to determine conditions in which the beneficial uses are fully supported.

(21) "Short-term or temporary activity" means an activity which is limited in scope and is expected to have only minimal impact on water quality as determined by the director. Short-term or temporary activities include, but are not limited to, maintenance of existing structures, limited road and trail reconstruction, soil stabilization measures, and habitat enhancement structures.

department, landowners, federal managers, operators and the public to
determine conformance with objectives of this act chapter;

(4) Following adoption of best management practices, the designated
agency shall require implementation of applicable outstanding resource
water best management practices which will assure that water quality of
an outstanding resource water is not lowered;

(5) Where outstanding resource water best management practices have
not been adopted as set forth in subsections (1) through (4) of this
section, the designated agency shall:

compliance with rules and regulations governing water quality stan­
dards.

(6) When the applicable outstanding resource water best management
practices are applied, the landowner, land manager, or operator applying
those practices will be in compliance with the provisions of this act
chapter. In the event water quality is lowered, the outstanding resource
water best management practices will be revised within a time frame
established by the designated agency to ensure water quality is
restored.

(1) After the effective date of this act sections 39-3634 through 39-3639, Idaho Code, all cottage site leases authorized by the state of Idaho shall require that each lessee must construct, at his cost and expense, sewage disposal facilities, certified by the director of the department of health-and-welfare environmental quality as adequate, as follows:

(a) For all new cottage or house construction completed after July 1, 1971 on any cottage site the certificate shall be issued prior to occupancy.

(b) Those cottages or houses existing on the cottage sites prior to the effective date of this act sections 39-3634 through 39-3639, Idaho Code, shall meet those standards required by the director of the department of health-and-welfare environmental quality for certification within two (2) years of the effective date of this act sections 39-3634 through 39-3639, Idaho Code, unless a public or private sewage collection or disposal system is being planned or constructed in which case the director of the department of health and welfare environmental quality may grant extensions on a year by year basis but not exceed three (3) such extensions for any one (1) cottage site.

(c) Isolated dwellings on sites situated on mining, grazing or
other similar types of state land board leases shall not be affected unless within two hundred (200) yards of any flowing stream or a lake.

(2) Wherever any cottage site is located within the boundaries of a district organized for water or sewer purposes, or a combination thereof, pursuant to the provisions of chapter 32, title 42, Idaho Code, as amended, the cottage site lessee shall connect his property to the sewer system of the district within sixty (60) days after written notice from the district so to do, provided, however, no cottage site lessee shall be compelled to connect his property with such sewer system unless a service line is brought by the district to a point within two hundred (200) feet of his dwelling place. All cottage site leases hereafter issued shall require, as a condition of acceptance thereof by the lessee, that the lessee will connect his property to a district sewer system as required in this subsection (2). With respect to all cottage site leases issued subsequent to July 1, 1970, filing with the department issuing the lease of evidence of connection to the district sewer system as contemplated in this subsection (2) shall be conclusive evidence of compliance by the cottage site lessee with the requirements of subsection (1) of this section and of the provisions of the cottage site lease to provide sewage disposal facilities at the expense of the cottage site lessee. Each cottage site lessee whose cottage site is subject to connection to a district sewer system as required in this subsection (2) shall pay to the district to which the cottage site is required to be connected, in a timely manner and when due, all connection fees and charges, all monthly rates, tolls and charges, as provided by chapter 32, title 42, Idaho Code, as amended, and all special benefits payments in lieu of tax payments provided for in subsection (3) of this section.

The special benefits payments shall be computed by applying the millage levy of the district to the cottage site in the ordinary course to the assessed valuation of the property as determined by the county assessor of the county in which the cottage site is located. No special benefits payments shall be imposed prior to January 1, 1980. The cottage site lessee shall have such rights of protest, hearings and appeals with respect to the valuation of the cottage site for purposes of determining the special benefits payments as if such cottage site were held in private ownership.

It shall be the duty of the county assessor to establish the value of each cottage site as compared to like property upon the request, in writing, of the district.

(4) Each water and sewer district shall immediately notify the department issuing a cottage site lease of the failure of any cottage site lessee to connect to the district sewer system, or to pay any connection fee or charge, monthly rate, toll or charge, or any special benefits payments, all as required or provided for in subsection (3) of this section. Any such notification shall set forth the amount of any such fees, charges or payments which are delinquent.
(5) Approval, pursuant to the provisions of section 39-118, Idaho Code, by the department of health-and-welfare environmental quality of the plans and specifications of a sewer system to be constructed, acquired, improved or extended by a water and sewer district shall, as to all cottage sites connected to the district sewer system, satisfy the requirements of section 39-3637, Idaho Code.

(6) The state of Idaho, its boards, agencies or departments, shall not be liable, directly or indirectly, for any connection fees and charges, monthly rates, tolls and charges, or special benefits payments charged to cottage site lessees beyond those fees or payments collected from new lessees pursuant to section 58-304A, Idaho Code, and placed in the revolving fund created by section 58-141A, Idaho Code.

Duplicate originals of all certificates issued by the director of the department of health-and-welfare environmental quality shall be filed with the director of the department issuing a cottage site lease.

The director of the department of health-and-welfare environmental quality shall initiate or before July 1, 1971 maintain a site by site inventory of such sewage disposal systems that may exist. The inventory shall ascertain:

(a1) If the existing system meets the board standards. If the system meets all standards and rules for cottage sewage disposal systems a certificate shall be issued immediately.

(b2) If the system does not meet the board standards. In such case, the lessee shall be advised in writing of the actions necessary to meet the proper standards. A copy of such report shall be filed with the state agency granting the lease. The modifications, unless specifically exempted from the time limit, as provided in this act sections 39-3634 through 39-3637, Idaho Code, shall be completed within two (2) years of the date of the written notice.

39-7401. LEGISLATIVE FINDINGS AND PURPOSES. (1) The legislature finds:

(a) That adverse public health and environmental impacts can result from the improper land disposal of solid waste and that the need for establishing safe sites with adequate capacity for the disposal of solid waste is a matter of statewide concern and necessity; and

(b) That the resource conservation and recovery act (42 U.S.C. sec. 6901, et seq.) as amended, and regulations adopted pursuant thereto, establish complex, detailed and costly provisions for the location, design, operation and monitoring of solid waste disposal sites, including such sites as may be operated pursuant to the responsibility established in chapter 44, title 31, Idaho Code; and

(c) That a state program to implement flexible standards provided in 40 CFR 258, if approved by the U.S. environmental protection agency, enables a state to take advantage of site specific factors in the design and operation of solid waste facilities and flexibility in meeting federal criteria set forth in that regulation; and

(d) That 40 CFR 258 provides that such a program of flexible standards requires approvals by a designated state agency; and

(e) That chapter 1, title 39, Idaho Code, vests the department of health-and-welfare environmental quality with the responsibility to issue a certificate of suitability concerning prospective solid waste landfill sites, to approve solid waste facility and ground water monitoring programs and to provide approvals pursuant to 40 CFR 258; and

(f) That chapter 44, title 31, Idaho Code, imposes on the counties the primary responsibility for the development and operation of a solid waste management system; and

(g) That chapter 4, title 39, Idaho Code, vests the health districts with the primary responsibility for the review of solid waste facility operations plans and the enforcement of solid waste management operations; and

(h) That the coordination and timeliness of response to federal law on the part of all public officials within the state is critical to compliance with federal regulations, the ability of each affected agency to carry out their statutory responsibilities and the avoidance of excessive construction and public expenditures.

(2) Therefore, it is the intent of the legislature to establish a program of solid waste management which complies with 40 CFR 258 and facilitates the incorporation of flexible standards in facility design and operation. The legislature hereby establishes the solid waste disposal standards and procedures outlined herein and a facility approval process for the state of Idaho, the political subdivisions thereof, and any private solid waste disposal site owner in order to facilitate the development and operation of solid waste disposal sites, to effect timely and responsible completion of statutory duties and to ensure protection of human health and the environment, to protect the air, land and waters of the state of Idaho.

feasible and appropriate changes in operations, including ownership, management, accounting, rates, maintenance, consolidation, alternative water supply or other procedures, and then only if the director determines that the measures are necessary to ensure that the system has the technical, managerial and financial capability to comply with the requirements of this chapter and the safe drinking water act amendments of 1996.

(3) Except as otherwise prohibited by state law, the amounts deposited into the drinking water loan account fund under this chapter may be used only for the following:

(a) To make loans on the conditions that:
   (i) The interest rate for each loan is less than or equal to the market interest rate,

   (iii) The recipient of each loan will establish a dedicated source of revenue, or, in the case of a privately owned system, demonstrate that there is adequate security, for the repayment of the loan, and
   (iv) The drinking water loan account fund will be credited with all payment of principal and interest on each loan;

(b) To buy or refinance the debt obligation of a municipality or an intermunicipal or interstate agency within the state at an interest rate that is less than or equal to the market interest rate in any case in which a debt obligation is incurred after July 1, 1993;

SECTION 72. That Section 39-7902, Idaho Code, be, and the same is hereby amended to read as follows:

39-7902. LEGISLATIVE FINDINGS AND PURPOSES. (1) The legislature finds that:
   (a) The swine industry is experiencing rapid changes such as increased sophistication of production technology, increased demand for capital to maintain or expand operations, consolidation of production and packing facilities and changing consumer demands and markets;
   (b) Large swine facilities increase social and environmental impacts in the areas where these facilities are located;
   (c) Adverse public health and environmental impacts can result from the improper siting of large swine facilities, therefore the need for establishing safe sites with an adequate supply of natural resources, such as water, and an adequate capacity for the disposal of animal waste is a matter of statewide concern;
   (d) Section 39-104A, Idaho Code, vests the department of health-and-welfare environmental quality with the responsibility to make rules regulating swine operations; and section 39-105, Idaho Code, vests the department of health-and-welfare environmental quality with the responsibility for the general supervision of the promotion and protection of the life, health and environment of the people of the state, including regulation of air quality, water quality and disposal of solid waste.

(2) (a) To facilitate swine facility siting decisions by boards of county commissioners and governing bodies of cities, this chapter establishes a review process within the department of health-and-welfare environmental quality for construction or expansion of large swine facilities of a certain size, and to require approval of sites.
   (b) The procedures and requirements established in this chapter are necessary to facilitate the proper siting of large swine facilities, to effect timely and responsible completion of statutory duties and to ensure protection of human health, natural resources, private property values and the environment of the state.
   (c) The site approval required in this chapter is required in addition to any other license, permit or approval required by law or rule.

(3) It is the intent of the legislature that this chapter will be applied only to swine facilities with a capacity of twenty thousand (20,000) animal units or more and that this chapter will not be applied to any other confined animal feeding operations.

site is located, of a site application filed with the department and
shall instruct the city or cities and county to appoint the necessary
members to a panel.
(4) A majority of members of the panel shall constitute a quorum

Requirements for financial assurances shall be determined by the agency as set forth in rule. Financial assurances may include any mechanism or combination of mechanisms meeting the requirements established by agency rule including, but not limited to, surety bonds, trust funds, irrevocable letters of credit, insurance and corporate guarantees. The mechanism(s) used to demonstrate financial capability must be legally valid, binding and enforceable under applicable law and must ensure that the funds necessary to meet the costs of closure and remediation will be available whenever the funds are needed. The director may retain financial assurances for up to five (5) years after closure of a facility to ensure proper closure and remediation, as defined by rule.

(2) Nothing in this section prohibits the boards of county commissioners of any county or the governing body of any city from adopting regulations that are more stringent or that require greater financial assurances than those imposed by the division department of environmental quality.

SECTION 76. That Section 39-7914, Idaho Code, be, and the same is hereby amended to read as follows:

If an above-ground aboveground tank is exempt from state or federal rules and regulations and/or the uniform fire code by virtue of its being installed prior to the effective date of such rules and regulations or the uniform fire code, such tank is not eligible unless it passes a tank tightness test;
(f) The tank, if a farm tank or residential tank, is in compliance with any applicable state or federal rules and regulations;
(g) Any contamination caused by or released by or from the tank has been cleaned up, or a plan for cleanup or removal approved by the Idaho department of health-and-welfare, division of environmental quality, is being implemented; provided, however, that the trust fund shall not pay for any costs associated with prior contamination.

42-1503. APPLICATION TO APPROPRIATE -- PROCESS -- JUDICIAL REVIEW. Whenever the board desires to appropriate a minimum stream flow of the unappropriated waters of any stream, it shall submit an application to the director. Such application shall be made upon forms to be furnished by the director and shall include:
(a) The name of the stream and legal description of the point on the stream where the minimum stream flow is proposed to be appropriated and determined;
(b) The minimum stream flow proposed;
(c) The purpose for which the minimum stream flow appropriation is proposed to be made;
(d) The period of time or season of the year during which said appropriation is proposed; and
(e) Such other information as shall be required by the form furnished by the director.

Upon the receipt of an application filed under the provisions of this act, the director shall forward a copy thereof to the departments of fish and game, health-and-welfare environmental quality, parks and recreation, and any other public entity likely to have an interest or knowledge in the matter. The director shall also prepare a notice describing the proposed appropriation of minimum stream flow and cause said notice to be published once each week in two (2) consecutive weekly issues of a newspaper published within the county where the appropriation of minimum stream flow is proposed, if there is such newspaper, otherwise in a newspaper of general circulation within the county. The director may also give other notice of the proposed appropriation in such manner and to such persons or organizations as he may determine. Such notice shall specify the time and place for a public hearing to be held concerning the proposed appropriation of minimum stream flow. Such hearing shall be held in accordance with the provisions of section 42-1701A(1) and (2), Idaho Code. The director shall have power to administer oaths and to require the attendance of such witnesses and the production of such books, records, and papers as he may desire at the hearing and for that purpose the director may apply to the district court for a subpoena for any witnesses or a subpoena duces tecum to compel the production of any books, records, or papers which shall be served and returned in the same manner as a subpoena in a civil case. In case of any disobedience or neglect to obey a subpoena or subpoena duces tecum it shall be the duty of the district court in any county of this state in which such disobedience, neglect, or refusal occurs, or any judge thereof, on application by the director, to compel obedience by proceedings for contempt as in the case of a subpoena issued by a regularly constituted court. Upon the conclusion of the hearings and completion of any investigation conducted by the director, he shall enter his findings in writing approving the application in whole, or in part, or upon conditions or rejecting said application. Approval of any such application must be based upon a finding that such appropriation of minimum stream flow:

(a) will not interfere with any vested water right, permit, or water right application with priority of right date earlier than the date of receipt in the office of the director of a complete application for appropriation of minimum stream flow filed under the provisions of this act;
(b) is in the public, as opposed to private, interest;
(c) is necessary for the preservation of fish and wildlife habitat, aquatic life, recreation, aesthetic beauty, navigation, transportation, or water quality of the stream;
(d) is the minimum flow or lake level and not the ideal or most desirable flow or lake level; and
(e) is capable of being maintained as evidenced by records of stream flows and water levels and the existing or future establishment of necessary gauging stations and bench marks.

A copy of the director's findings shall be mailed to the board and
to each person or organization who gave testimony in support of or in opposition to the proposed appropriation. The board or any person testifying at a hearing who is aggrieved by a decision of the director shall have the right to have that decision reviewed by the courts pursuant to section 42-1701A(4), Idaho Code. Approved applications shall be submitted to each legislature by the fifth legislative day of each regular session, and: (i) shall not become finally effective until affirmatively acted upon by concurrent resolution of the Idaho legislature; or (ii) except that if the legislature fails to act prior to the end of the regular session to which the application was submitted, the application shall be considered approved.

SECTION 85. That Section 42-3910, Idaho Code, be, and the same is hereby amended to read as follows:
42-3910. CANCELLATION OF PERMIT -- NOTICE -- HEARING -- REVIEW. When the director of the department of water resources has reason to believe the operation and use of an injection well, for which a permit has been issued in accordance with this chapter, is interfering with the right of the public to withdraw water for beneficial uses, or is causing unreasonable contamination or deterioration of the quality of the ground water below the adopted water quality standards of the board of health and welfare environmental quality, he may cancel such permit. Prior to the cancellation of such permit there shall be a hearing before the water resource board for the purpose of determining whether or not the permit should be cancelled. At such hearing the director of the department of water resources shall be the complaining party. For purposes of such hearing, the board shall have power to administer oaths, examine witnesses and issue subpoenas requiring testimony of witnesses and production of evidence relevant to any matter in the hearing. The hearing shall be conducted in accordance with chapter 52, title 67, Idaho Code, and the board shall provide the owner or operator whose permit is proposed to be cancelled with reasonable notice and the opportunity to be heard in accordance with chapter 52, title 67, Idaho Code. A certified transcript of the proceedings and the evidence received at such hearing shall be maintained by the board. The board shall affirm, modify or reject the director's decision, and make its decision in the form of an order to the director. Review of a final determination by the board may be secured by the owner or operator by filing a petition for review as prescribed by chapter 52, title 67, Idaho Code, in the district court of the county wherein the injection well is situated. The petition for review shall be served upon the chairman of the water resource board and upon the attorney general as provided by the Idaho rules of civil procedure.

The last ten (10) members shall be appointed by the governor to serve staggered three (3) year
terms. The manager of the bureau of disaster services and the manager of the bureau of hazardous materials shall be nonvoting members of the commission. All members shall serve without compensation, except that members who are not state officers or employees shall be compensated as provided in section 59-509(g), Idaho Code. The governor shall appoint a chairman from the appointees. The attorney general shall provide legal counsel to the commission.

(2) The commission shall act as an all-hazards advisory and coordinating body to the governor for all types of disasters and emergencies which could affect the citizens of Idaho. SECTION 87. That Section 47-1315, Idaho Code, be, and the same is hereby amended to read as follows:

47-1315. WATER CLARIFICATION. Where any person conducts a placer or dredge mining operation where the water used in such mining process flows in, or into a natural watercourse, such person shall construct and use settling ponds of sufficient capacity and character and/or install and use filtration processes fully adequate to clarify the water used in the mining process to conform to the standards and regulations rules of the state department of health-and-welfare environmental quality regarding water quality as authorized under chapter 1, title 39, Idaho Code, before such water is discharged into the natural watercourse.

SECTION 88. That Section 47-1513, Idaho Code, be, and the same is hereby amended to read as follows:

47-1513. OPERATOR'S FAILURE TO COMPLY -- FORFEITURE OF BOND -- PENALTIES -- RECLAMATION FUND. (a) Whenever the board determines that an operator has not complied with the provisions of this act, the board may notify the operator of such noncompliance, and may by private conference, conciliation, and persuasion, endeavor to remedy such violation. In the event of a violation referred to in subsections (d) and (e) of this section, the board may proceed without an administrative action, hearing or decision to exercise the remedies set forth in said subsections. Additionally, no administrative action, hearing or decision shall be required from the Idaho board of health-and-welfare environmental quality prior to the board proceeding under subsections (d) and (e) of this section. In the event of the failure of any conference, conciliation and persuasion to remedy any alleged violation, the board may cause to have issued and served upon the operator alleged to be committing such violation, a formal complaint which shall specify the provisions of this act which the operator allegedly is violating, and a statement of the manner in and the extent to which said operator is alleged to be violating the provisions of this act. Such complaint may be served by certified mail, and return receipt signed by the operator, an officer of a corporate operator, or the designated agent of the operator shall constitute service. The operator shall answer the complaint and request a hearing before a designated hearing officer within thirty (30) days from receipt of the complaint if matters asserted in the complaint are disputed. If the operator fails to answer the complaint and request a hear-
ing, the matters asserted in the complaint shall be deemed admitted by
the operator, and the board may proceed to cancel the reclamation plan
and forfeit the bond in the amount necessary to reclaim affected lands.
Upon request for a hearing by an operator, the board shall schedule a
hearing before a hearing officer appointed by the board at a time not
less than thirty (30) days after the date the operator requests a hear­
ing. The board shall issue subpoenas at the request of the director of
the department of lands and at the request of the charged operator, and
the matter shall be otherwise handled and conducted in accordance with
chapter 52, title 67, Idaho Code. The hearing officer shall, pursuant to
said hearing, enter an order in accordance with chapter 52, title 67,
Idaho Code, which, if adverse to the operator, shall designate a time
period within which corrective action should be taken. The time period
designated shall be long enough to allow the operator, in the exercise
of reasonable diligence, to rectify any failure to comply designated in
said order. In the event that the operator takes such action as is nec­
essary to comply with the order within the time period designated in
said order, no further action shall be taken by the board to compel per­
formance under the act.

(b) Upon request of the board, the attorney general shall institute
proceedings to have the bond of an operator forfeited for the violation
by the operator of an order entered pursuant to this section.

(c) The forfeiture of such bond shall fully satisfy all obligations
of the operator to reclaim the affected land under the provisions of
this act. If the violation involves an operator that has not furnished a
bond required by this act, or an operator that is not required to fur­
nish a bond pursuant to this act, or an operator who violates this act
by performing an act not included in the original approved reclamation
plan, and such departure from the plan is not subsequently approved,
such operator shall be subject to a civil penalty for his failure to
comply with such order in the amount determined by the board to be the
anticipated cost of reasonable reclamation of affected lands.

(d) Notwithstanding any other provisions of this act, the board may
commence an action without bond or undertaking, in the name of the state
of Idaho to enjoin any operator who is conducting operations without an
approved reclamation plan required by section 47-1506, Idaho Code, or
without the bond required by this act. The court, or a judge thereof at
chambers, if satisfied from the complaint or by affidavits that such
acts have been or are being committed, shall issue a temporary restrain­
ing order without notice or bond, enjoining the defendant, his agents,
and employees from conducting such operations without said reclamation
plan or bond. Upon a showing of good cause therefor, the temporary
restraining order may require the defendant to perform reclamation of
the mined area in conformity with sections 47-1509 and 47-1510, Idaho
Code, pending final disposition of the action. The action shall then
proceed as in other cases for injunctions. If it is established at trial
that the defendant has operated without an approved reclamation plan or
bond, the court shall enter, in addition to any other order, a decree
enjoining the defendant, his agents and employees from thereafter con­
ducting such activities or similar actions in violation of this act. The
board may, in conjunction with its injunctive procedures, proceed in the
same or in a separate action to recover from an operator who is conduct­
ing surface mining or exploration operations without the required plan
or bond, the cost of performing the reclamation activities required by
sections 47-1509 and 47-1510, Idaho Code, from any such operator who has not filed a bond to cover the cost of the reclamation required.

(e) Notwithstanding any other provision of this act, the board may, without bond or undertaking and without any administrative action, hearing or decision, commence an action in the name of the state of Idaho (1) to enjoin a permitted surface mining operation when, under an existing approved plan, an operator violates the terms of the plan and where immediate and irreparable injury, loss or damage may result to the state and (2) to recover the penalties and to collect civil damages provided for by law.

(f) In addition to the procedures set forth in subsections (a), (d) and (e) of this section, and in addition to the civil penalty provided in subsection (c) of this section, any operator who violates any of the provisions of this act or rules adopted pursuant thereto, or who fails to perform the duties imposed by these provisions, or who violates any determination or order promulgated pursuant to the provisions of this act, shall be liable to a civil penalty of not less than five hundred dollars ($500) nor more than two thousand five hundred dollars ($2,500) for each day during which such violation continues, and in addition may be enjoined from continuing such violation. Such penalties shall be recoverable in an action brought in the name of the state of Idaho by the attorney general in the district court for the county where the violation, or some part thereof, occurs, or in the district court for the county wherein the defendant resides. All sums recovered shall be placed in the state treasury and credited to the surface mining reclamation fund, which is hereby created, to be used to reclaim affected lands and to administer this act.

(g) Any person who wilfully and knowingly falsifies any records, information, plans, specifications, or other data required by the board or wilfully fails, neglects, or refuses to comply with any of the provisions of this act shall be guilty of a misdemeanor and shall be punished by a fine of not less than one thousand dollars ($1,000) and not more than five thousand dollars ($5,000) or imprisonment not to exceed one (1) year or both.

(h) Reclamation plans approved by the board as of January 1, 1997, shall be deemed to be in full compliance with the requirements of this act. However, the board may periodically review, and revise if necessary to meet the requirements of sections 47-1506, 47-1509, 47-1510 and 47-1511, Idaho Code, the amount, terms and conditions of any bond when there is a material change in the reclamation plan or a material change in the estimated reasonable costs of reclamation determined pursuant to section 47-1512, Idaho Code. Any revision to the amount, terms and conditions of a bond due to a material change in the reclamation plan shall apply only to the affected lands covered by the material change in the reclamation plan.

SECTION 89. That Section 49-2203, Idaho Code, be, and the same is hereby amended to read as follows:

49-2203. ENDORSEMENT REQUIREMENTS FOR TRANSPORTERS OF HAZARDOUS MATERIALS. (1) Every person, including a private carrier or a common or contract carrier, who operates a vehicle on any highway of this state transporting hazardous material in such quantity and under such conditions that such vehicle is required to be placarded pursuant to title
49, code of federal regulations, part 172, or such vehicle's cargo is regulated by title 49, code of federal regulations, part 171, or is required to meet the manifest requirements as set forth under the rules of the bureau of hazardous materials, department of health and welfare, environmental quality, shall first procure from the department an annual vehicle registration endorsement or single trip vehicle registration endorsement for each vehicle so driven. This registration endorsement shall be available for examination and shall be displayed in accordance with rules adopted by the department. The provisions of this section shall not apply to vehicles owned by any city, county, state or federal governmental department or agency or special purpose district created pursuant to law.

(2) The fee for an annual vehicle registration endorsement for the transportation of hazardous materials shall be three dollars ($3.00) if purchased at the time of registration or renewal, or five dollars ($5.00) if purchased at any time thereafter and the fee for a single trip vehicle registration endorsement shall be five dollars ($5.00). Any carrier required to pay the fee assessed pursuant to this section is authorized to pass along such fee to the shipping party. Vendors selling endorsements on behalf of the board shall be reimbursed at the rate of forty cents (40¢) per endorsement. No portion of the annual endorsement fee shall be prorated, reduced or transferred to another vehicle.

(3) The operation of a vehicle, which is subject to the endorsement requirements of this section, in a negligent manner is a violation of the provisions of this chapter.

SECTION 90. That Section 50-1326, Idaho Code, be, and the same is hereby amended to read as follows:

50-1326. ALL PLATS TO BEAR A SANITARY RESTRICTION -- SUBMISSION OF PLANS AND SPECIFICATIONS OF WATER AND SEWAGE SYSTEMS TO STATE DEPARTMENT OF HEALTH AND WELFARE ENVIRONMENTAL QUALITY -- REMOVAL OR REIMPOSITION OF SANITARY RESTRICTION. For the purposes of sections 50-1326 through 50-1329, Idaho Code, any plat of a subdivision filed in accordance with chapter 13, title 50, Idaho Code, or in accordance with county ordinances adopted pursuant to chapter 38, title 31, Idaho Code, shall be subject to the sanitary restriction. There shall be placed upon the face of every plat prior to it being recorded by the county clerk and recorder, the sanitary restriction, except such sanitary restriction may be omitted from the plat, or if it appears on the plat, may be indorsed by the county clerk and recorder as sanitary restriction satisfied, when there is recorded at the time of the filing of the plat, or at any time subsequent thereto, a duly acknowledged certificate of approval issued by the director of the department of health and welfare environmental quality, for either public water and/or public sewer facilities, or individual water and/or sewage facilities for the particular land. The owner shall have the obligation of submitting to the director all information necessary concerning the proposed facilities referred to. Such certificate of approval may be issued for the subdivision or any portion thereof. Until the sanitary restrictions have been satisfied by the filing of said certificate of approval, no owner shall construct any building or shelter on said premises which necessitates the supplying of water or sewage facilities for persons using such premises. The sanitary restrictions shall be reimposed on the plat upon the issuance of a cer-
certificate of disapproval after notice to the responsible party and an opportunity to appeal, if construction is not in compliance with approved plans and specifications, or the facilities do not substantially comply with regulatory standards in effect at the time of facility construction.

SECTION 91. That Section 50-1327, Idaho Code, be, and the same is hereby amended to read as follows:

50-1327. FILING OR RECORDING OF NONCOMPLYING MAP OR PLAT PROHIBITED. No person shall offer for recording, or cause to be recorded, a plat not containing a sanitary restriction, unless there is submitted for record at the same time the certificate of approval from the director of the department of health-and-welfare environmental quality as required in section 50-1326, Idaho Code. The filing and recording of a noncomplying plat shall in no way invalidate a title conveyed thereunder.

SECTION 92. That Section 50-1328, Idaho Code, be, and the same is hereby amended to read as follows:

50-1328. RULES FOR THE ADMINISTRATION AND ENFORCEMENT OF SANITARY RESTRICTION. The state board of health-and-welfare environmental quality may adopt rules pursuant to section 39-107(8), Idaho Code, including adoption of sanitary standards necessary for administration and enforcement, pursuant to section 39-108, Idaho Code, of sections 50-1326 through 50-1329, Idaho Code. The rules and standards shall provide the basis for approving subdivision plats for various types of water and sewage facilities, both public and individual, and may be related to size of lots, contour of land, porosity of soil, ground water level, pollution of water, type of construction of water and sewage facilities, and other factors for the protection of the public health or the environment.

SECTION 93. That Section 50-1329, Idaho Code, be, and the same is hereby amended to read as follows:

50-1329. VIOLATION A MISDEMEANOR. Any person, firm or corporation who constructs, or causes to be constructed, a building or shelter prior to the satisfaction of the sanitary restriction, or who installs or causes to be installed water and sewer facilities thereon prior to the issuance of a certificate of approval by the director of the department of health-and-welfare environmental quality, shall be guilty of a misdemeanor. Each and every day that such activities are carried on in violation of this section shall constitute a separate and distinct offense.

(a) Failure to maintain in good working order, to the terminal point of service, electrical, water or sewer services supplied by the landlord;
(b) Maintaining the premises in a manner hazardous to the health or safety of the tenant, including, but not limited to, a continuing violation of any of the following:

(iii) Any rule adopted by the public health district in which the mobile home park is located governing waste water and on-site sewage treatment systems;
(iv) Any provision of the uniform fire code, as amended by the provisions of any fire code adopted by the county or municipality in which the mobile home park is located;
(v) Any provision of the uniform building code, as amended by the provisions of any building code adopted by the county or municipality in which the mobile home park is located.

Nothing contained in the provisions of this subsection is intended to extend the application of any such rule or code provision to a previously existing condition which, as of July 1, 1993, was exempt from the enforcement of such rule or code provision.
(c) Failure to return a security deposit as and when required by law;
(d) Breach of any term or provision of the lease or rental agreement materially affecting the health and safety of the tenant, whether explicitly or implicitly a part thereof.
(2) Upon filing the complaint, a summons must be issued, served and returned as in other actions; provided however, that in an action exclu-
sively for specific performance, at the time of issuance of the summons, the court shall schedule a trial within twelve (12) days from the filing of the complaint, and the service of the summons, complaint and trial setting on the defendant shall be not less than five (5) days before the day of trial appointed by the court. If the plaintiff brings an action for damages under this section, or combines this action for damages with an action for specific performance, the early trial provision shall not be applicable, and a summons must be issued returnable as in other cases upon filing the complaint.

(3) In an action under this section, the plaintiff, in his complaint, must set forth the facts on which he seeks to recover, describe the premises, and set forth any circumstances which may have accompanied the failure or breach by the landlord.

If, within three (3) days after service of the notice, any listed failure or breach has not been performed or cured by the landlord, the tenant may proceed to commence an action for damages and specific performance.

(6) The notice required in subsection (5) of this section shall be served either:

(j) The department shall establish appropriate administrative pro-
cedures for the conduct of administrative reviews and hearings as required by federal statute for all children committed to the department and placed in out of the home care.

56-1009. INVESTIGATION -- INSPECTION -- RIGHT OF ENTRY -- VIOLATION -- ENFORCEMENT -- PENALTY -- INJUNCTIONS. (1) The director shall cause investigations to be made upon receipt of information concerning an alleged violation of this chapter or of any rule, permit or order promulgated thereunder, and may cause to be made such other investigations as the director shall deem advisable.

(2) For the purpose of enforcing any provision of this chapter or any rule authorized in this chapter, the director or the director's designee shall have the authority to:

(a) Conduct a program of continuing surveillance and of regular or periodic inspection of actual or potential health hazards;
(b) Enter at all reasonable times upon any private or public property, upon presentation of appropriate credentials, for the purpose of inspecting or investigating to ascertain possible violations of this chapter or of rules, permits or orders adopted and promulgated by the director or the board;
(c) All inspections and investigations conducted under the authority of this chapter shall be performed in conformity with the prohibitions against unreasonable searches and seizures contained in the fourth amendment to the constitution of the United States and section 17, article I, of the constitution of the state of Idaho. The state shall not, under the authority granted by this chapter, conduct warrantless searches of private property in the absence of either consent from the property owner or occupier or exigent circumstances such as a public health emergency;
(d) Any district court in and for the county in which the subject property is located is authorized to issue a search warrant to the director upon a showing of (i) probable cause to suspect a violation, or (ii) the existence of a reasonable program of inspection. Any search warrant issued under the authority of this chapter shall be limited in scope to the specific purposes for which it is issued and shall state with specificity the manner and the scope of the search authorized.

(3) Whenever the director determines that any person is in violation of any provision of this chapter or any rule, permit or order issued or promulgated pursuant to this chapter, the director may commence either of the following:

(a) Administrative enforcement action.
   (i) Notice. The director may commence an administrative enforcement action by issuing a written notice of violation. The notice of violation shall identify the alleged violation with specificity, shall specify each provision of the chapter, rule, regulation, permit or order which has been violated, and shall state the amount of civil penalty claimed for each violation. The notice of violation shall inform the person to whom it is directed of an opportunity to confer with the director or the director's designee in a compliance conference concerning the alleged violation. A written response may be required within fifteen (15) days of receipt of the notice of violation by the person to whom it is directed.
   (ii) Scheduling compliance conference. If a recipient of a notice of violation contacts the department within fifteen (15) days of the receipt of the notice, the recipient shall be entitled to a compliance conference. The conference shall be held...
within twenty (20) days of the date of receipt of the notice, unless a later date is agreed upon between the parties. If a compliance conference is not requested, the director may proceed with a civil enforcement action as provided in paragraph (b) of this subsection.

(iii) Compliance conference. The compliance conference shall provide an opportunity for the recipient of a notice of violation to explain the circumstances of the alleged violation and, where appropriate, to present a proposal for remedying damage caused by the alleged violation and assuring future compliance.

(iv) Consent order. If the recipient and the director agree on a plan to remedy damage caused by the alleged violation and to assure future compliance, they may enter into a consent order formalizing their agreement. The consent order may include a provision providing for payment of any agreed civil penalty.

(v) Effect of consent order. A consent order shall be effective immediately upon signing by both parties and shall preclude any civil enforcement action for the same alleged violation. If a party does not comply with the terms of the consent order, the director may seek and obtain, in any appropriate district court, specific performance of the consent order and such other relief as authorized in this chapter.

(vi) Failure to reach consent order. If the parties cannot reach agreement on a consent order within sixty (60) days after the receipt of the notice of violation or if the recipient does not request a compliance conference pursuant to paragraph (a)(ii) of this section, the director may commence and prosecute a civil enforcement action in district court, in accordance with subsection (b) of this section.

(b) Civil enforcement action. The director may initiate a civil enforcement action through the attorney general as provided in section 56-1010, Idaho Code. Civil enforcement actions shall be commenced and prosecuted in the district court in and for the county in which the alleged violation occurred, and may be brought against any person who is alleged to have violated any provision of this chapter or any rule, permit or order which has become effective pursuant to this chapter. Such action may be brought to compel compliance with any provision of this chapter or with any rule, permit or order promulgated hereunder and for any relief or remedies authorized in this chapter. The director shall not be required to initiate or prosecute an administrative action before initiating a civil enforcement action.

(4) No civil or administrative proceeding may be brought to recover for a violation of any provision of this chapter or a violation of any rule, permit or order issued or promulgated pursuant to this chapter, more than two (2) years after the director had knowledge or ought reasonably to have had knowledge of the violation.

(5) Monetary penalties.

(a) Any person determined in a civil enforcement action to have violated any provision of this chapter or any rule, permit or order promulgated pursuant to this chapter shall be liable for a civil penalty not to exceed ten thousand dollars ($10,000) per violation or one thousand dollars ($1,000) for each day of a continuing violation, whichever is greater. The method of recovery of said penalty
shall be by a civil enforcement action in the district court in and for the county where the violation occurred. All civil penalties collected under this chapter shall be paid into the general fund of the state. Parties to an administrative enforcement action may agree to a civil penalty as provided in this subsection.

(b) The imposition or computation of monetary penalties may take into account the seriousness of the violation and any good faith efforts by the person to comply with the law.

(6) In addition to such civil penalties, any person who has been determined to have violated the provisions of this chapter or the rules, permits or orders promulgated thereunder, shall be liable for any expense incurred by the state in enforcing the chapter, or in enforcing or terminating any nuisance, cause of sickness or health hazard.

(7) No action taken pursuant to the provisions of this chapter or of any other health law shall relieve any person from any civil action and damages that may exist for injury or damage resulting from any violation of this chapter or of the rules, permits and orders promulgated thereunder.

(8) In addition to, and notwithstanding other provisions of this chapter, in circumstances of emergency creating conditions of imminent and substantial danger to the public health, the prosecuting attorney or the attorney general may institute a civil action for an immediate injunction to halt any activity in violation of the provisions of this chapter or rules, permits and orders promulgated thereunder. To have the national portion of the exam waived, a request for waiver shall indicate the individual's mailing address to which the commission is to deliver the certificate of waiver. The certificate of waiver must be obtained from the Idaho real estate commission and shall be submitted with the application for exam as provided in subsection (4) of section 54-2014, Idaho Code.

(3) An individual who is currently and actively licensed in another state or jurisdiction that administers a real estate exam may be issued a primary Idaho license without further exam or proof of educational prerequisites pursuant to written agreement between Idaho and the other state or jurisdiction, provided that such other state or jurisdiction allows the issuance of real estate licenses in substantially the same manner as set forth in this subsection.

SECTION 5. That Section 54-2016, Idaho Code, be, and the same is hereby amended to read as follows:

54-2016. PRIMARY IDAHO LICENSES FOR LEGAL BUSINESS ENTITIES, SOLE PROPRIETORSHIPS AND BRANCH OFFICES -- ADDITIONAL REQUIREMENTS. (1) Legal business entities. Each legal business entity, as defined in section 54-2004, Idaho Code, shall be licensed by the Idaho real estate commission to engage in the real estate business in Idaho and shall make proper application, pay all required fees, and meet all requirements listed below.

(a) Each legal business entity shall have a properly licensed individual designated broker, who shall be held responsible for the activities of the licensed entity. The individual designated broker shall also hold the following legal position within the licensed entity:

(i) Corporation — an officer;
(ii) Partnership or limited partnership — a general partner;
(iii) Limited liability company — a member or manager.

It is the intent of the law that in these and in any other instance,
The individual designated broker for any business entity shall have full authority to act on behalf of the licensed business entity, and shall submit sufficient and satisfactory proof thereof with the application for license. Such proof shall include a list of the entity's officers, directors, members or managers, as reflected in the minutes, resolutions or other similar business documents of the entity. All acts of that individual as designated broker shall be considered acts of the licensed business entity. Nothing in this section is intended to create liability to a legal business entity for illegal or fraudulent acts by the individual broker performed solely on his own account.

(b) A license issued to a legal business entity, as defined in this chapter, is effective only as long as the individual designated broker's license is in active status and in effect. If the individual so designated has a license refused, revoked, suspended or otherwise made inactive by the commission, or if the individual designated broker voluntarily surrenders the individual license or ceases to be connected with the entity in the manner required above, the business entity shall have ten (10) business days in which to designate another qualified individual as designated broker before the entity's license is terminated, and the licenses of all associated licensees are made inactive.

(c) One (1) individual may act as designated broker for more than one (1) licensed business entity, however, all entities shall have their main offices in the same physical location.

(d) Satisfactory proof of mandatory errors and omissions insurance shall be provided for both the individual designated broker and the licensed business entity.

(e) A legal business entity doing business under an assumed name shall provide satisfactory proof of having legally filed a certificate of assumed name with the Idaho secretary of state.

(2) Sole proprietorships. An individual designated broker not licensed with a legal business entity, as defined in section 54-2004, Idaho Code, shall be licensed as a sole proprietor. Each sole proprietorship seeking a real estate license shall meet all of the following requirements:

(a) A licensed sole proprietor doing business under an assumed business name shall provide satisfactory proof of having legally filed a certificate of assumed name with the Idaho secretary of state;

(b) Satisfactory proof of mandatory errors and omissions insurance shall be provided for the licensed designated broker of a sole proprietorship.

(3) Multiple business names prohibited. A legal business entity or sole proprietorship shall be licensed under only one (1) business name.

(4) Branch offices. Each branch office in which trust funds or original transactions are maintained shall be separately licensed by application and payment of fifty-dollars ($50.00) for the issuance and renewal of each branch office license. Such branch office in accordance with the following:

(a) The designated broker establishing the branch office shall submit an application, along with the required fee for the issuance or renewal of the branch office license.

(b) The broker shall designate in the application a branch manager,
who shall be a salesperson with at least two (2) years' experience or an associate broker, to regularly occupy and be responsible for the supervision of the branch office. When a branch manager is a regular full-time employee or is engaged in a full-time activity at a location other than the place he is licensed to do business, a presumption will be made that the branch manager is unable to responsibly supervise the branch; provided however, the presumption may be overcome by evidence to the contrary which the commission determines to be satisfactory.

(c) A branch manager shall not be licensed to manage more than one branch office at a time.

(d) A license issued to a branch office is valid and in effect only as long as the license of the designated individual remains in active status. The wall license of the branch office shall be signed by the designated broker.

(e) No separate branch office license or manager is required for business locations other than the main office unless trust funds or original transaction records are kept at the branch.

(f) If a separate real estate trust account is maintained for a branch office, all records and related files for that account shall be maintained at the branch office.

(g) Each branch office or business location, whether separately licensed or not, shall conduct business only in the licensed name of the legal entity or sole proprietor.

SECTION 6. That Section 54-2018, Idaho Code, be, and the same is hereby amended to read as follows:

54-2018. LICENSE RENEWALS -- INACTIVE LICENSES STATUS -- PERSONAL CHANGES -- EFFECTIVE DATES. (1) Each new or reactivated license shall be for a period of one (1) year plus the months up to and including the next birth date of the licensee, not to exceed a period of two (2) years, and shall expire on a date to coincide with the last day of the month of the birth date of the licensee. Corporations, partnerships, limited liability companies and other entities defined as "persons" in this chapter shall have established as the equivalent of a birth date, the birth date of its designated broker. Licensed branch offices shall have established as the equivalent of a birth date, the birth date of the real estate broker establishing the branch office.

(2) Each license shall be renewable for a period of two (2) years by submitting a properly completed application, including evidence of having met the commission's continuing education requirements as set forth in section 54-2023, Idaho Code, and all renewal fees established by this chapter or by the commission, on or before 5 p.m. of the last day of the birth month of the licensee. If mailed, the application and fee shall be postmarked by that same date and time.

(3) If the licensee fails to submit a proper application or pay the renewal fee on or before the last day of the birth month of the licensee, the commission may accept a later payment, subject to such conditions as the commission may require including, but not limited to, the assessment of a late fee; provided that between the last day of the month of the licensee's birth date and the date of renewal of the license, the rights of the licensee under such license shall be suspended expired, and during such period of suspension expiration it shall...
be unlawful for any licensee to do or attempt to offer to do any of the acts of the kind and nature described in the definitions of real estate broker or real estate salesperson in section 54-2004, Idaho Code, in consideration of compensation of any kind or expectation thereof. An expired license that is not renewed within one (1) year of the expiration date shall be automatically terminated by the commission and may not be renewed.

(4) A licensee who has paid all applicable fees, who is not affiliated with a designated broker and who holds a current license that is not revoked or suspended may place his license on inactive status. The holder of an inactive license during the period that his license is inactive, the licensee shall not engage in the business or act in the capacity of real estate broker, associate broker or salesperson. An inactive license may be reactivated as provided in this chapter and the rules of the commission. However, an inactive licensee may receive a referral fee for any referral made during the period his license was active. A licensee may reactivate an inactive license by meeting each of the following:

(a) Making proper application and paying the required fee;
(b) Licensing under an Idaho broker as a sales associate or, if licensing as a broker, establishing an office and making proper application and paying the required fee;
(c) Providing evidence of having errors or omissions insurance in the manner required by section 54-2013, Idaho Code, and in accordance with the rules of the commission; and
(d) Providing evidence of having successfully completed the continuing education requirements or their equivalent, as prescribed in section 54-2023, Idaho Code. A continuing education course taken to make up a deficiency of the requirements from the previous renewal period may be applied toward the continuing education requirements for the current period.

(5) An individual licensee, whether active or inactive, shall provide written notice to the commission of any change of his personal name, address of personal residence or personal telephone number. Notice shall be provided within ten (10) days of the change. If the licensee has changed his personal name, he shall also submit legal proof of the change and the fee for printing a new license and, if an active licensee, he shall return the wall license bearing his former name.

(6) No license shall be valid unless signed by the licensee.

(7) Application requests for licensure and for license changes shall become effective when the properly completed forms, attachments and required fees are received at and approved by the commission. Applications which are incomplete or lacking proper fees shall be returned to the applicant and no license shall be issued until a completed application and proper fees are physically received at and actually approved by the commission.

SECTION 7. That Section 54-2019, Idaho Code, be, and the same is hereby amended to read as follows:

54-2019. DENIAL OF LICENSE APPLICATIONS. (1) The commission may deny any license application, including an application for license renewal, upon the commission's determination of any of the following:

(a) The applicant does not possess all of the qualifications
required for the license sought;

(2b) The applicant employed fraud, deception, misrepresentation, misstatement or omission or any unlawful means in applying for a license or taking the exam;

(3c) Within the five-year period immediately preceding the application, the applicant committed any act for which a real estate license in Idaho may be revoked or suspended;

(d) Payment of any licensing fee by check that is returned by the banking institution due to insufficient funds, unless the reason for not paying on the check is the fault of the banking institution; or

(4e) There exist any other specific facts about the applicant that cause the commission to reasonably conclude that granting the applicant's request for Idaho licensure is not in the best interests of the citizens of the state of Idaho.

(2) Where any of the facts referenced above warranting denial of the application are not discovered or determined by the commission until after the license has been issued, such facts may be grounds for the expiration, termination, suspension or revocation of the license.

SECTION 8. That Section 54-2020, Idaho Code, be, and the same is hereby amended to read as follows:

54-2020. FEES. The Idaho real estate commission shall establish fees which, in its discretion, are sufficient, when added to the other fees authorized by this chapter, or any other law or rule, to raise that revenue required to administer the provisions of this chapter.

Each person seeking any type of Idaho real estate license shall pay the following fees, in addition to any other fees established in this chapter or by rule:

(1) For each year or portion thereof for which an active or inactive license is issued or renewed, a license fee in an amount not to exceed one hundred dollars ($100), the exact fee to be determined by administrative rule of the commission. Fees so established shall remain effective from year to year unless changed through the rules promulgation process prescribed in chapter 52, title 67, Idaho Code;

(2) A tuition or registration fee for real estate education courses, course materials and any course exam fee. These fees shall be established based upon the total annual costs involved in the provision of all real estate education courses, course materials and course exam fees;

(3) A fee in the amount of twenty-five dollars ($25.00) for late license renewal;

(4) A fee in the amount of fifteen dollars ($15.00) for any license change that necessitates the printing of a new license certificate;

(5) A fee in the amount allowed by law for insufficient funds checks or other types of insufficient payment;

(6) A fee in the amount of ten dollars ($10.00) for each certified copy of a licensee's education history or license history;

(7) A fee in the amount of fifty dollars ($50.00) for issuance or renewal of a branch office license.

SECTION 9. That Section 54-2022, Idaho Code, be, and the same is hereby amended to read as follows:
54-2022. REAL ESTATE EDUCATION -- PRELICENSE REQUIREMENTS. (1) Except as provided in section 54-2015, Idaho Code, an applicant seeking a primary Idaho license as a real estate salesperson, broker or associate broker shall furnish satisfactory proof to the commission that the applicant has successfully completed current commission-approved and accredited courses of real estate study as follows:

(a) Salesperson's license. For a salesperson's license, the applicant shall complete a total of ninety (90) classroom hours, or the equivalent in available correspondence hours;

(b) Broker's or associate broker's license. Applicants seeking a broker's or associate broker's license shall, in addition to meeting the requirements for a salesperson's license, successfully complete four (4) specified courses in advanced real estate study, for a minimum of ninety (90) additional classroom hours, or the equivalent in available correspondence hours.

(2) Each applicant shall successfully complete all prelicense real estate courses within no more than five (5) years prior to the date of the license application. However, upon written request for special consideration by the license applicant, the commission may waive or modify the five-year requirement at its discretion, based on the applicant's experience or additional education. Each waiver request shall be submitted with a current certified license history from Idaho or the applicant's other licensing jurisdiction, which history shall indicate all disciplinary actions taken against the applicant's license and the status and standing of such license in such licensing state or jurisdiction, along with sufficient proof of education completion.

(3) To receive credit for prelicense real estate courses, a student must regularly attend and complete the course, and such course must meet all requirements set forth in section 54-2036, Idaho Code.

(4) No credit will be given for courses taken for audit.

(5) Credit for completion of approved prelicense education course work will not be granted when the content of a course repeats that for which credit has been previously received.

(6) Upon written request from a license applicant, the commission may waive or modify one (1) or more prelicense course requirements based upon the applicant's satisfactory completion of similar real estate courses in Idaho or another state or jurisdiction. The request for waiver shall be accompanied by an official transcript from the institution that provided the course of instruction, along with a description of the subjects covered in the course and the number of classroom hours involved in the instruction. "Satisfactory completion" means the applicant regularly attended the course and received a final grade of "C" or better.

SECTION 10. That Section 54-2023, Idaho Code, be, and the same is hereby amended to read as follows:

54-2023. CONTINUING EDUCATION REQUIREMENTS. Each licensee seeking renewal of an Idaho real estate license on active status, and each Idaho licensee seeking to change from inactive to active license status, shall submit satisfactory proof to the commission of having successfully completed at least twelve (12) classroom hours of commission-approved and certified continuing education course work. Failure to provide proof of meeting the continuing education requirements as set forth in this chap-
ter constitutes an incomplete application for a renewal of an active license or for a change in license status from inactive to active, and, as such, constitutes grounds for denial of those applications.

1. Renewing active license. Licensees renewing on active status must successfully complete the continuing education requirement on or before the license expiration date, in the manner stated in section 54-2018, Idaho Code.

2. Change from inactive to active. Licensees changing from inactive to active status must successfully complete one (1) continuing education requirement offered during their current inactive license period.

3. No duplicate credit. Credit for completion of any approved continuing education course will not be granted twice.

4. Excess credits. The twelve (12) hours of course work shall apply to the license period in which such course work is completed; hours completed in excess of those required for the license period shall not accumulate or be credited for the purposes of subsequent license renewal periods.

5. Challenge exams. The commission may substitute all or a portion of the continuing education course work required when a licensee shows evidence of passing an approved challenge exam or of completing equivalent education determined by the commission to be in full compliance with such continuing education requirements.

6. No exam for live courses. A licensee may receive continuing education course credit without having to take or pass an exam if the licensee personally attends the entire live presentation of an approved course.

7. Provisional license -- Extension of time. A three-month extension of time for completing the education requirements may be obtained by submitting with the renewal application, or application to activate, satisfactory evidence showing that the applicant was unable to comply with such education requirements. Such evidence may be:
   a) Bona fide hardship preventing completion of the reinstatement requirements of an inactive license;
   b) Health reasons preventing attendance or completion;
   c) Active duty in the military service with assignment to a permanent duty station outside of the state during the last twelve (12) months of a license period; or
   d) Other compelling cause beyond the control of the applicant while engaged in the real estate business.

If such an extension is granted, the licensee shall receive a provisional license for a period of time not to exceed three (3) months. No further extension of time may be granted. A license issued or renewed after an extension of time has been granted shall be dated effective as of the original license expiration date and not the extended date. Failure to satisfy the continuing education requirement within the time granted shall result in the automatic inactivation of the license.

SECTION 11. That Section 54-2025, Idaho Code, be, and the same is hereby amended to read as follows:

54-2025. CERTIFICATION REQUIREMENTS. (1) Certification required. Certification must be obtained by all course providers, course instructors and for all course content in order for the course to be credited toward prelicense or continuing education requirements in Idaho under
this chapter.

(2) Courses, instructors and providers monitored. The commission or its representative may monitor any course for the purpose of course, instructor or provider certification.

(3) If the commission at any time determines that an instructor, course or provider is not meeting the requirements for continued commission approval or certification, written notification detailing the deficiencies requiring correction shall be made immediately to the appropriate person. The commission shall take no action to withdraw the certification for thirty (30) days from the date of the written notice. At the expiration of this period, if the deficiencies have not been corrected to the commission's satisfaction, the commission may take action to withdraw certification. Withdrawal of certification shall be governed by the Idaho administrative procedure act, chapter 52, title 67, Idaho Code, and the rules of the commission.

SECTION 12. That Section 54-2027, Idaho Code, be, and the same is hereby amended to read as follows:

54-2027. DUTIES AND REQUIREMENTS OF ALL CERTIFIED COURSE PROVIDERS. Failure of a certified course provider to comply with the following duties and requirements shall be grounds for the commission to withdraw or cancel the provider's certification for cause.

(1) Discrimination prohibited. Each certified course provider shall at all times be in compliance with state and federal laws, rules and regulations regarding all aspects of equal opportunity and protection of civil rights. No course provider shall engage in discriminatory practices, nor allow their course instructor, or method of delivery to violate laws prohibiting discrimination. Each course provider will fully comply with any requirements of the Americans with disabilities act regarding access to and delivery of its courses, including the provision of accessible facilities and reasonable accommodations for students.

(2) Open access to course offerings. Registration and attendance at all certified courses offered for prelicense or continuing education credit shall be open to all persons meeting normal course prerequisites. A certified course provider located in or affiliated with a licensed real estate brokerage company may not refuse reasonable access to any licensee based on that licensee's affiliation with another organization or brokerage company, or the licensee's membership status in any professional organization. However, a course provider is not prohibited from charging a separate and reasonable course fee to nonaffiliated or nonmember licensees.

(3) Disclosure of fees. All fees charged to a student by a course provider shall be specified separately in writing. If additional fees are charged for supplies, materials or books required for course work, such fees shall be itemized by the provider and, upon payment of such fees, the supplies, materials or books shall become the property of the student. All fees and the manner in which they are to be paid shall be stated in a student contract, in a form approved by the commission. The student contract shall expressly include the provider's policy regarding the return of fees in the instance where the student is dismissed or voluntarily withdraws from the course.

(4) Facilities and supportive personnel. The provider shall provide the facilities and all supportive qualified personnel or approved
proctors necessary to adequately implement its real estate program.

(45) Student records and other requirements. Each Idaho certified course provider shall comply with the following requirements:

(a) Records. Maintain for each individual student a complete, accurate and detailed record which shall include the total number of hours of instruction undertaken and satisfactorily or unsatisfactorily completed in the area of study;

(b) Course completion lists. Within five (5) working days after conclusion of each course of instruction, the provider shall submit to the council or commission an alphabetical list which shall include the names, addresses and social security numbers of the students completing the course of instruction, the name of the course, the name of the instructor, the number of hours included in the course, the date of the course and the location. The list shall be certified by the instructor from whom the students received instruction and an authorized representative of the provider;

(c) Grades. The provider will provide written notification to students who successfully or unsuccessfully complete a course within thirty (30) days of the course completion date;

(d) Evaluations. Each provider shall submit acceptable student evaluations for each course and instructor, which must be on commission-approved forms. The use of the commission evaluation form is recommended;

(e) Course schedules. Each provider shall submit schedules of courses and instructors as requested by the commission and submit changes promptly as they occur. Whenever there is a change in a course including, but not limited to, a change in curriculum, course length or instructor, the provider shall promptly notify the commission in writing of the change.

(57) Advertising restrictions:

(a) Providers may advertise that they are currently certified by the commission, if current certification has been approved, but no such advertising may state or imply that the provider is an agency of the commission or the council;

(b) No course provider shall provide any information to the public or to prospective students which is misleading in nature. Information is misleading when, taken as a whole, there is distinct probability that it will deceive the persons whom it is intended to influence.

(68) Changes in certification. Certification shall be granted to the particular provider for the specific ownership, provider location, and named individual in charge as designated in the application for certification. Any changes in ownership, provider location, or provider name, or named individual in charge must be submitted for approval to the commission, at least one (1) month in advance of the effective date of the proposed changes.

SECTION 13. That Section 54-2036, Idaho Code, be, and the same is hereby amended to read as follows:
54-2036. CERTIFICATION OF COURSES AND COURSE CONTENT. Every real estate course offered for prelicense or continuing education credit for an Idaho real estate license shall first be certified and accredited by the Idaho real estate commission.

(1) An application for course certification must be submitted in the form and manner required by the commission, with proper fees, at least two (2) months prior to contemplated date of the first course offering.

(2) Minimum requirements for course certification:
   (a) Each course must be certified individually, offered only through a provider certified or approved in Idaho, and taught by an instructor certified or approved in Idaho in accordance with this chapter.
   (b) Each prelicense course must contain at least twenty (20) hours of classroom instruction.
   (c) Exam time shall not be included as approved classroom hours of instruction.
   (d) A course hour is defined as a period of at least fifty (50) minutes of actual instruction.
   (e) Distance learning and alternative course delivery. The length of a certified distance learning or other alternative course shall be based upon the same number of hours which would be awarded in an equivalent classroom course, and must include a commission-approved, proctored final exam. The commission may, by motion, adopt national standards and require national certification for the design and delivery of noncommission-produced distance learning courses.
   (f) Each prelicense course must include a proctored, commission-approved final exam requiring a minimum passing score of seventy percent (70%).
      (i) Exam retake policy. Each certified course provider may, at its option, allow students who fail the initial course exam one (1) opportunity to retake the approved course exam within the following time periods:
         1. Prelicense course exam retakes must occur within one (1) month of the original course exam;
         2. Continuing education course challenge exam retakes must occur within that course's certification period;
      (ii) If a student fails the retake exam for any prelicense or continuing education course, the student must repeat the entire course and pass the final exam to receive credit.
   (g) Challenge exams. A student shall not earn credit for any prelicense course by challenging and passing the course exam without otherwise completing all course requirements. Credit for continuing education courses may be earned by challenge exam only as allowed in section 54-2023(5), Idaho Code.
   (3) Approved topics. The commission shall establish specific, approved topics for course content as it deems appropriate to current real estate practices and laws.

SECTION 14. That Section 54-2039, Idaho Code, be, and the same is hereby amended to read as follows:

54-2039. BROKER AND BRANCH OFFICE MANAGER ABSENCES AND CHANGES. Each real estate brokerage company must have a legally qualified indi-
individual acting as designated broker at all times. Each branch office licensed under section 54-2016(4), Idaho Code, shall have, at all times, a legally qualified individual acting as branch office manager.

(1) Broker or branch manager absent for more than twenty-one days. A designated broker who is absent from his main office for more than twenty-one (21) calendar consecutive days shall appoint a qualified designated broker of another office, or an associate broker who is licensed and associated with the absent broker, to manage, supervise and oversee the regular office operations of the company in his absence. A branch office manager who is absent for more than twenty-one (21) consecutive days from a branch office in which trust funds and original transaction files are maintained shall appoint a qualified individual to manage, supervise and oversee the regular office operations of the company in his absence. The appointee shall conduct all supervisory activities normally required of the designated broker or branch manager. Except in the event of an emergency, the designated broker or branch manager shall notify the commission in writing of the name of the appointee prior to the broker or manager leaving the office for an extended period of more than twenty-one (21) consecutive days.

(2) Broker or branch manager absent for more than sixty days. A designated broker, or manager of a branch office in which trust funds and original transaction files are maintained, shall not be absent from his main office for a period longer than sixty (60) consecutive days. In the case of such extended absence, another qualified individual shall be designated to act as broker or branch office manager. If a designated broker is absent from his main office for a period longer than sixty (60) consecutive days, and no new broker is designated to act as broker for the brokerage company, the commission shall place on inactive status the licenses of the absent broker and of all licensees associated with him, and all brokerage listing agreements and all buyer brokerage agreements shall be terminated.

(3) Change of broker in business entity. A license issued to a legal business entity, as defined in this chapter, is effective only as long as the individual designated broker's license is in active status and in effect. If the individual so designated has a license refused, revoked, suspended or otherwise made inactive by the commission, or if the individual designated broker voluntarily surrenders the individual license or ceases to be connected with the entity in the manner required in this chapter, the business entity shall have ten (10) business days in which to designate another qualified individual as designated broker before the entity's license is terminated, and the licenses of all associated licensees are made inactive.

(4) Effective date of changes. No change in designated broker shall be effective until written notice is received and approved by the commission, in the form required.

(5) Failure to comply — Original broker to remain responsible except in the case of revocation. Where a licensed brokerage company fails to comply with this section and its office is closed, or during any period where the designated broker has left the brokerage company and no new broker has been designated to act for the company, the original designated broker shall remain responsible for trust account funds, pending transactions and records in the manner described in sections 54-2041 through 54-2049, Idaho Code. However, if the license of the original designated broker of the brokerage company is revoked, the
license of that brokerage company shall be made inactive and its office closed until the company designates another qualified individual to act as broker.

SECTION 15. That Section 54-2040, Idaho Code, be, and the same is hereby amended to read as follows:

54-2040. MAIN OFFICE OR BUSINESS LOCATION -- DISPLAY OF LICENSE. (1) Definite location required. Notice in writing shall be given to the commission of any change by the broker of the business name, or-business location, or mailing address whereupon a new license shall be issued reflecting the changed business name or address and each wall license requiring a change shall be returned to the commission along with the fee for printing and issuance of a new license. A change of business name or location without notification to the commission and issuance of a new license shall automatically cancel inactivate the license heretofore previously issued. The broker shall also notify the commission in writing of any change in the business mailing address telephone number.

(2) Broker for more than one business. A qualified individual may be the designated broker for more than one (1) licensed real estate business entity only if all licensed businesses operate their main offices at the same physical location.

(3) Brokers sharing same business location. More than one (1) individually licensed broker may operate an office at the same address only if each broker operates under a business name which clearly identifies the broker as an individual within the group of brokers, and each broker shall maintain his or her records and trust accounts separate from all other brokers.

(4) Business name and display of licenses. A broker shall not conduct business under any name other than the one in which the license is issued. Current licenses of the broker and all associates licensed with the broker shall be prominently displayed or available for public inspection in the office designated with the commission as the broker's main office location. No other location may be used as a main office location until proper notice is acknowledged by the commission.

(5) Lending license prohibited. A broker shall not lend or permit the use of the broker's license, whether for compensation or not, to enable anyone licensed or unlicensed to, in fact, establish or carry on a business for which a real estate broker's license is required, wherein the broker does not actively manage and have full control. In like manner, a salesperson shall not use another person's broker's license, whether for compensation or not, to establish or carry on a business for which a broker's license is required, nor to manage and control the office, except as allowed by sections 54-2016(4) and 54-2039(1), Idaho Code.

(6) Upon surrender of his real estate license or upon notice of suspension or revocation of such license, a licensee shall immediately forward the wall license to the commission. The license of any sales associate licensed under and associated with a broker whose license is

1. Such private park or pond is not constructed in or across any natural stream bed, lake, or other watercourse containing wild fish, or on lands where wildlife abounds, except when it has been determined by the commission that the water flow and volume of wildlife concerned in such proposed private ponds, waters or parks are not a significant part of the wildlife resource of the state.
2. The private park or pond is located entirely on private property owned or leased by the applicant.
3. Any dam constructed to divert water into such private pond meets all requirements as provided in section 36-906(a), Idaho Code.
4. All inlets to such private pond are screened at the point of diversion as provided in section 36-906(b), Idaho Code, to prevent the entrance of wild fish into the private pond.
5. The application for such permit is made upon a form provided by the department which sets forth such information as may be required...

CHAPTER 126
(S.B. No. 1122)

AN ACT
RELATING TO WATER USE; AMENDING SECTION 42-222A, IDAHO CODE, TO ALLOW TEMPORARY CHANGES TO WATER RIGHTS BY TRANSFER OR EXCHANGE OF WATER DURING A DROUGHT EMERGENCY, TO ADD A STATUTORY REFERENCE TO PROVIDE THAT THE DIRECTOR OF THE DEPARTMENT OF WATER RESOURCES IS NOT REQUIRED TO PUBLISH NOTICE OR MAKE FINDINGS IN REGARD TO CHANGES PURSUANT TO THIS SECTION AND TO CHANGE A REFERENCE FROM ACT TO SECTION; AND DECLARING AN EMERGENCY.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 42-222A, Idaho Code, be, and the same is hereby amended to read as follows:

42-222A. EMERGENCY--TRANSFERS TEMPORARY CHANGES DURING DROUGHT CONDITIONS. (1) Upon declaration of a drought emergency for an area designated by the director of the department of water resources and approved by the governor of the state of Idaho, the director of the department of water resources is authorized to allow temporary changes to the use of water rights consisting of temporary transfers to change point of diversion, place and purpose of use of valid existing water rights or temporary exchanges of water authorized to be diverted under water rights, as provided in section 42-240, Idaho Code, when the director of the department of water resources determines that such change(s) can be accomplished in accordance with the provisions of this section.

(2) Application for a temporary change shall be made upon forms provided by the department of water resources and shall be accompanied by an application fee of fifty dollars ($50.00) per application.

(3) The director of the department of water resources is not
required to publish notice of the proposed change pursuant to the provisions of section 42-211, or 42-222(1) or 42-240, Idaho Code, and is not required to make findings as provided in said sections. A temporary change may be approved upon completion of the application form, payment of the filing fee and a determination by the director of the department of water resources that the proposed change can be properly administered and there is no information that the change will injure any other water right. If the water right to be changed is administered by a watermaster within a water district, the director of the department of water resources shall obtain and consider the recommendations of the watermaster before approving the temporary change application.

(4) All temporary changes approved pursuant to the provisions of this act section shall expire on the date shown in the approval which shall not be later than December 31 of the year in which the emergency transfer approval is made and thereafter the water right shall revert to the point of diversion and place of use existing prior to the temporary change. Nothing herein shall be construed as approval to authorize the construction of a new well as a new point of diversion.

(5) The recipient of an approved temporary change issued pursuant to this section shall assume all risk that the diversion and use of the water may cause injury to other water rights, that the change constitutes an enlargement in use of the original right, that the use is not consistent with the conservation of water resources within the state of Idaho and that such use is not in the local public interest. Any applicant for a temporary change who is aggrieved by a denial by the director of the department of water resources of a temporary change pursuant to this act section may request a hearing pursuant to the provisions of section 42-1701A(3), Idaho Code, and may seek judicial review of the final order of the director pursuant to the provisions of section 42-1701A(4), Idaho Code.

(6) Temporary changes shall only be approved for the purpose of providing a replacement water supply to lands or other uses which normally have a full water supply except for a drought condition. Temporary changes may not be approved to provide water for new projects or to allow expansion of the use of water under existing water rights. If the right to use the water, the diversion works or the water delivery system is represented by shares of stock in a corporation or if such right, diversion works or delivery system is owned or managed by an irrigation district, no change in point of diversion or place or nature of use of such water shall be made or allowed without the written consent of such corporation or irrigation district.

SECTION 2. An emergency existing therefor, which emergency is hereby declared to exist, this act shall be in full force and effect on and after its passage and approval.

CHAPTER 87
IDAHO BOND BANK AUTHORITY

67-8701. SHORT TITLE. This chapter shall be known and may be cited as the "Idaho Bond Bank Authority Act."

67-8702. DEFINITIONS. As used in this chapter:
(1) "Authority" or "bond bank authority" means the Idaho bond bank authority.
(2) "Bonds" means bonds, notes or other obligations of the authority issued under this chapter.
(3) "Municipal bond" means a bond, note or other obligation, including a lease or installment sale agreement, issued or undertaken by a municipality for any purpose authorized by law.
(4) "Municipality" means any county, city, municipal corporation, school district, irrigation district, sewer district, water district,
highway district or other special purpose district or political subdivision of the state established by law.

67-8703. BOND BANK AUTHORITY CREATED -- MEMBERSHIP -- VACANCIES -- OFFICERS -- QUORUM -- COMPENSATION. (1) There is hereby created an independent public body corporate and politic to be known as the Idaho bond bank authority. The authority is an instrumentality of the state within the state treasurer's office but has a legal existence independent of and separate from the state with continuing succession until its existence is terminated by law.

(2) The authority shall consist of the following five (5) members:
(a) The state treasurer, or his designee, who shall serve as ex officio chairman;
(b) One (1) member of the senate, who shall be appointed by and serve at the pleasure of the president pro tempore of the senate for a term of two (2) years;
(c) One (1) member of the house of representatives, who shall be appointed by and serve at the pleasure of the speaker of the house of representatives for a term of two (2) years; and

(3) A vacancy occurring other than by expiration of term shall be filled in the same manner as the original appointment and for the balance of the unexpired term.

(4) The members may elect, by majority vote, a secretary and a treasurer. The secretary and treasurer may be nonmembers, and the same person may be elected to serve both as secretary and treasurer.

(5) Three (3) members of the authority shall constitute a quorum. Action may be taken and motions and resolutions adopted by the authority at any meeting by the affirmative vote of a majority of members present. A vacancy in the membership of the authority does not impair the right of a quorum to exercise all the powers and perform all the duties of the authority.

(6) Members of the authority shall be compensated as provided by section 59-509(h), Idaho Code.

67-8704. RETENTION OF OUTSIDE SERVICES. The authority may contract for and engage the services of bond counsel, consultants, experts and others whose the authority considers necessary or appropriate.

(2) To adopt and from time to time alter an official seal;
(3) To adopt and from time to time amend or repeal rules and bylaws;

(6) To charge such fees to municipalities in connection with application for and receipt of financing under this chapter and interest and other charges on or in connection with municipal bonds purchased as it may deem necessary or appropriate to cover all costs and expenses of the authority and its operations, and to set such other terms and conditions on its services or purchase of municipal bonds as may be necessary or appropriate to secure the bonds or improve their marketability or to otherwise achieve the purposes of the authority; and

(7) To take any and all actions, execute any and all contracts, including payment of any arbitrage rebate as may be necessary to obtain or maintain exemption of interest on bonds issued by the authority from federal income taxes; provided however, that nothing shall prevent the authority from issuing bonds bearing interest subject to federal income tax.

67-8706. ANNUAL REPORT. Before January 1 of each year, the authority shall prepare and submit to the governor and the legislature a report of its activities for the preceding fiscal year. The report shall set out a complete operating and financial statement which covers its operations during the previous fiscal year, and shall include an estimate of the amount of bonds of the authority to be issued during the upcoming fiscal year.

67-8707. NEGOTIABILITY OF BONDS. Notwithstanding any other provision of law, a bond issued under this chapter is fully negotiable, and a holder or owner of a bond, by accepting the bond, is conclusively considered to have agreed that the bond is fully negotiable.

67-8708. BONDS AS LEGAL INVESTMENTS. Notwithstanding any other provisions of law, all banks, trust companies, savings banks and institutions, building and loan associations, savings and loan associations, investment companies, and other persons carrying on a banking business, all insurance companies, insurance associations, and other persons carrying on an insurance business, and all executors, administrators, guardians, trustees and other fiduciaries, may legally invest sinking
funds, money or other funds belonging to them or within their control in bonds issued under this chapter.

67-8709. TAX EXEMPTION. All property of the authority is public property exempt from all taxes and special assessments of the state or a municipality. All bonds issued under this chapter are issued by a body corporate and politic of this state, and the bonds and the interest and income on and from the bonds and their transfer, and all fees, charges, funds, revenues, interest, income and other moneys or property received by the authority from or in connection with municipal bonds or other assets or operations of the authority, are exempt from every kind of taxation by the state or a municipality.

67-8710. ISSUANCE OF BONDS -- FORM OF ISSUANCE -- SALE PRICE -- PAYMENT OR REFUNDING OF BONDS -- TERMS OF AGREEMENT WITH BONDBOHLDER. (1) The authority may issue its bonds from time to time in principal amounts that it considers necessary to provide funds for any purpose under this chapter, including, without limitations, to purchase municipal bonds, to fund reserves or to pay costs of issuance, refunding, including redemption premium, credit enhancement, or other matters related to the purpose, structure or marketing of the bonds.

(2) Bonds shall be authorized by resolution of the authority and shall bear the date, mature at the time or times, bear interest at the rate or rates of fixed or variable interest, payable at the times, be in the denominations, be in the forms, carry the conversion or registration privileges, have the rank or priority, be executed in the manner, be payable from the sources in the medium of payment at the place or places inside or outside the state, and be subject to the terms of redemption, with or without premium, rights of holders to tender for purchase and other terms and conditions as the resolution of the authority provides.

(3) Bonds of the authority may be issued in one (1) or more series.

(4) Bonds of the authority may be sold at public or private sale at the price or prices the authority determines.

(5) The authority may, from time to time, issue its bonds under this chapter and pay and retire, or fund or refund previously issued bonds from proceeds of refunding bonds, or from other funds or money of the authority available for that purpose.

(6) By resolution, the authority may authorize entering into an indenture or trust agreement with a corporate trustee located within or outside the state in order:

(a) To provide for the issuance of the bonds with such terms, including without limitation those terms referred to in subsection (2) of this section, as the authority may determine;

(b) To pledge or assign to the trustee for the benefit of holders of the bonds all or any part of the proceeds of the bonds, any municipal bonds purchased from municipalities, any other assets or revenues of or received by or pledged to the authority, and the income or other proceeds from any or all of the foregoing;

(c) To provide for the establishment of reserves and any other funds or accounts that the authority determines to be necessary or appropriate;

(d) To provide for the custody, safekeeping and enforcement of the municipal bonds acquired;

(e) To provide for the right to sell or otherwise dispose of prop-
erty of any kind, including municipal bonds;
(f) To provide for the investment of bond proceeds or other moneys held by the trustee in such securities or obligations as may be described in the indenture or trust agreement;
(g) To provide for amending the indenture or trust agreement, with or without the consent of the holders of the bonds;
(h) To provide for the replacement of lost, stolen, destroyed or mutilated bonds;
(i) To provide for the issuance or limitations on issuance of additional bonds;
(j) To provide for the rights, liabilities, powers and duties arising upon the breach of any covenant, condition or obligation, to limit the rights of bondholders to enforce covenants, conditions or obligations, and to prescribe the events of default and the terms and conditions upon which any or all of the bonds become or may be declared due and payable before maturity, and the terms and conditions upon which the declaration and its consequences may be waived;
(k) To appoint and to provide for the duties and obligations of a paying agent or agents or other fiduciaries inside or outside the state;
(l) To make covenants to do or refrain from doing acts, including to enter into any contract, and to provide any other terms and conditions which the authority may determine to be necessary or appropriate in order to better secure the bonds or improve their marketability; and
(m) To intercept certain payments, and to impose interest and penalties, as provided in section 67-8725, Idaho Code.

67-8711. PURCHASE AND DISPOSITION OF BONDS. The authority may purchase bonds of the authority. The authority may hold, cancel or resell the bonds subject to, and in accordance with, agreements with holders of its bonds.

67-8712. PRESUMPTION OF VALIDITY. After issuance, all bonds of the authority, and the purchase of all municipal bonds from municipalities with the proceeds of the bonds, and any contracts entered into in connection with issuance of the bonds, shall be conclusively presumed to be fully authorized and issued under the laws of the state, and all persons, entities and municipalities are estopped from questioning the authorization, sale, issuance, execution or delivery of the bonds and other agreements by the authority.

67-8713. RESERVE FUND -- ADDITIONAL FUNDS AND ACCOUNTS. (1) There is hereby created in the state treasury a fund to be known as the "Idaho Municipal Bond Bank Authority Reserve Fund" (hereinafter referred to as "reserve fund") in which there shall be deposited or transferred:
(a) All proceeds of bonds that the authority may require municipalities, by contract with the municipality or by a resolution of the authority, to deposit in the reserve fund; and
(b) All moneys appropriated by the legislature for the purpose of the fund.
(2) Moneys in the reserve fund shall be maintained by the authority and shall be held and applied solely to the payment of the interest on and principal of bonds, pursuant to the provisions of section 67-8725,
Idaho Code, as the interest and principal become due and payable. Moneys may not be withdrawn from the reserve fund if a withdrawal would reduce the amount in the reserve fund to an amount less than the required debt service reserve, as herein defined, except for payment of interest then due and payable on bonds and the principal of bonds then maturing and payable, whether by reason of maturity or mandatory redemption, for which payments other than moneys of the authority are not then available. As used in this chapter, "required debt service reserve" means, as of the date of computation, the amount required to be on deposit in the reserve fund as provided by resolution of the authority.

(3) For purposes of valuation, investments in the reserve fund shall be valued at par, or if purchased at less than par, at cost unless otherwise provided by resolution of the authority. Valuation on a particular date shall include the amount of interest then earned or accrued to that date on the moneys or investments in the reserve fund.

(4) Moneys in the reserve fund in excess of the required debt service reserve, whether by reason of investment or otherwise, may be withdrawn at any time by the authority and transferred to another fund or account of the authority, subject to the provisions of any agreement with the holders of any bonds.

(5) In order to assure the maintenance of the required debt service reserve in the reserve fund, the legislature may annually appropriate to the authority for deposit in the reserve fund the sum, certified by the chairman of the authority to the legislature, that is necessary to restore the fund to an amount equal to the required debt service reserve. The chairman of the authority, annually before December 1, shall make and deliver to the legislature his certificate stating the sum required to restore the funds to that amount. Nothing in this subsection creates a debt or liability of the state to make any appropriation.

(6) All amounts received on account of moneys appropriated by the state to the reserve fund shall be held and applied in accordance with this section; provided however, at the end of each fiscal year, if the amount in the reserve fund exceeds the required debt service reserve, any amount representing earnings or income received on account of moneys appropriated to the reserve fund that exceed the expenses of the authority for that fiscal year shall be transferred to the general fund of the state.

(7) The authority may establish additional reserves or other funds or accounts as may be, in its discretion, necessary or appropriate to further the accomplishment of its purposes or to comply with the provisions of any of its agreements or resolutions.

67-8714. PERSONAL LIABILITY. Neither a member of the authority nor a person executing bonds issued or contracts entered into under this chapter shall be liable personally on the bonds or contracts.

67-8715. EXEMPTION FROM EXECUTION AND SALE. All property of the authority is exempt from levy and sale by virtue of an execution. No execution or other judicial process may issue against the property of the authority, and a judgment against the authority may not be a charge or lien upon its property; provided however, this section shall not apply to nor limit the rights of a holder of bonds or a trustee on behalf of the holder to pursue a remedy for the enforcement of a pledge,
lien or covenant given by the authority or a municipality.

67-8716. UNLIMITED SALES TAX ACCOUNT PLEDGE. (1) If moneys expected to be intercepted pursuant to section 67-8725, Idaho Code, are expected to be insufficient to reimburse the state for its payments on the municipal bonds, the state treasurer shall certify to and give notice to the state tax commission of the amount of the deficiency.

(2) After receipt of the certified notice from the state treasurer, the state tax commission shall:
   (a) Immediately fix the amount necessary and in the amount of the deficiency stated in the notice; and
   (b) Cause moneys to be transferred from the state sales tax account pursuant to section 63-3638, Idaho Code, and deposited in the bond bank authority fund, which is hereby statutorily created in the state treasury; provided however, that in no event shall a transfer of moneys from the state sales tax account under the provisions of this chapter impede or otherwise affect the payment of sales tax moneys pledged for the payment on other outstanding state bonds.

(3) The state of Idaho pledges to and agrees with the holders of any bonds that the state will not alter, impair or limit the rights vested by the sales tax account pledge provided in this section and in section 63-3638, Idaho Code, with respect to the bonds until the bonds, together with applicable interest, are fully paid and discharged.

(4) To the extent that other legally available revenues and funds of the state are sufficient to meet the certified deficiency, the transfer of moneys from the sales tax account in section 63-3638, Idaho Code, is abated.

67-8717. LIEN OF PLEDGE. A pledge of sales tax revenues made by the authority is binding from the time the pledge is made. Sales tax revenues so pledged and thereafter received by the authority are immediately subject to the lien of the pledge without any physical delivery thereof or further act, and the lien of a pledge is binding against all parties having claims against the authority of any kind in tort, contract, or otherwise, regardless of whether the parties have notice of the lien and notwithstanding any other law relating to the creation, priority, perfection or enforcement of pledges or liens or otherwise. Neither the resolution nor any other instrument by which a pledge is created must be filed or recorded except in the records of the authority.

67-8718. CREDIT ENHANCEMENT OR LIQUIDITY. (1) The authority may enter into agreements to obtain, from a department or agency of the United States or from a nongovernmental financial institution or other entity, insurance, guaranty or other credit enhancement or liquidity for the payment of interest or principal on, or payment of the purchase price on tender of:
   (a) Bonds issued by the authority;
   (b) Municipal bonds purchased or held by the authority; and
   (c) Other municipal bonds as the authority determines to be appropriate.

(2) Agreements as provided in subsection (1) of this section may contain such payment, interest rate, security, default, remedies or other terms and conditions as the authority may determine to be necessary or appropriate.
67-8719. SURETY FOR DEPOSITS BY BANK. All banks, trust companies, savings banks, investment companies and other persons carrying on a banking business are authorized to give to the authority a good and sufficient undertaking with such sureties as are approved by the bank, to the effect that the bank or banking institution shall faithfully keep and pay over to the order of, or upon the warrant of, the authority or its authorized agent all those funds deposited with it by the bank and agreed interest under, or by reason of, this chapter at such times or upon such demands as may be agreed with the bank or in lieu of these sureties, deposit with the authority or its authorized agent or a trustee or for the holders of bonds, as collateral, those securities as the authority may approve. The deposits of the authority may be evidenced by an agreement in the form, and upon the terms and conditions, that may be agreed upon by the authority and the depository bank or banking institution.

67-8720. EXPENSES OF ADMINISTRATION. All expenses incurred in carrying out this chapter are payable solely from revenues or funds appropriated under this chapter. Nothing in this chapter authorizes the authority to incur an indebtedness or a liability on behalf of or payable by the state.

67-8721. SWAPS. In connection with, or incidental to, the issuance or carrying of bonds, but only for the purpose of reducing the amount or duration of payment, interest rate, spread or similar risk, or to result in a lower cost of borrowing, and not for purposes of investment or speculation, the authority may enter into contracts which the authority determines to be necessary or appropriate to hedge such risk or to place the obligation of the bonds, in whole or in part, on the interest rate, cash flow, or other basis desired by the authority, including without limitation, contracts commonly known as interest rate swap agreements, interest rate caps or floors, forward payment conversion agreements, futures or hedge contracts.

67-8722. MUNICIPAL BONDS. Any municipality which receives sales tax funds from the state may, in addition to any other powers it may have and without regard to the restrictions or requirements that might otherwise apply under the laws of the state but subject to the requirements of section 3, article VIII, of the constitution of the state of Idaho and any other limitations imposed upon municipalities by the constitution of the state of Idaho:

(1) Issue municipal bonds for sale to the authority, with such interest rate, maturity, redemption, security, remedies and other terms as the municipality may agree with the authority;

(2) Levy and collect property taxes, fees, rates, charges and other assessments to pay or secure the municipal bonds issued by the municipality for sale to the authority;

(3) Pledge or assign to the authority or its designee property taxes, fees, rates, charges and other assessments, and rights to enforce the collection and application thereof, to pay or secure the municipal bonds issued by the municipality for sale to the authority; and

(4) Take any other actions and enter into such other contracts and agreements including, without limitation, leases on installment or bond agreements for credit enhancement or liquidity, with such terms as it
may determine with the authority to be necessary or appropriate to accomplish the purposes of the authority under this chapter.

67-8723 COMPLETE AUTHORITY. This chapter provides a complete, additional and alternative method for accomplishing the acts authorized by this chapter, whether by the authority or by municipalities, and the issuance of bonds and municipal bonds, the purchase of municipal bonds, the entering into of any indenture, trust agreement, credit enhancement or liquidity agreement, investment agreement, swap or other agreement entered into or the taking of any other action in connection with the issuance of bonds or municipal bonds need not comply with the requirements of any other law except as specifically set forth in this chapter.

67-8724. RIGHTS NOT TO BE IMPAIRED BY STATE. The state does hereby pledge to and agree with the holders of any bonds issued under this chapter that the state will not limit or alter the rights hereby vested in the authority to fulfill the terms of any agreements made with the holders thereof or in any way impair the security, rights or remedies of such holders until the bonds, with interest thereon, are fully paid and discharged. The authority is authorized to include this pledge and agreement in any indenture, trust agreement or other agreement with the holders of such bonds.

67-8725. PAYMENT TRANSFER -- NOTICE OF NONPAYMENT -- STATE FINANCIAL ASSISTANCE INTERCEPT MECHANISM -- STATE TREASURER DUTIES -- INTEREST AND PENALTY PROVISIONS.

(1) (a) Each municipality with outstanding unpaid bonds as set forth in this chapter shall transfer moneys sufficient for the scheduled debt service payment to its paying agent at least fifteen (15) days before any principal or interest payment date for the bonds. The paying agent may, if instructed to do so by the municipality, invest the moneys at the risk and for the benefit of the municipality until the payment date.

(b) A municipality which is unable to transfer the scheduled debt service payment to the paying agent fifteen (15) days before the payment date shall immediately notify the paying agent and the state treasurer by:

(i) Telephone;
(ii) A writing sent by facsimile transmission; and
(iii) A writing sent by first-class United States mail.

(c) If sufficient funds are not transferred to the paying agent as required by this subsection, the paying agent shall notify the state treasurer of that failure in writing at least ten (10) days before the scheduled debt service payment date by:

(i) Telephone;
(ii) A writing sent by facsimile transmission; and
(iii) A writing sent by first-class United States mail.

(d) If sufficient moneys to pay the schedule debt service payment have not been transferred to the paying agent, the state treasurer shall, on or before the scheduled payment date, transfer sufficient moneys from the reserve fund as provided in section 67-8713, Idaho Code, to the paying agent to make the scheduled debt service payment.

(e) The payment by the treasurer:
(i) Discharges the obligation of the issuing municipality to its bondholders for the payment; and
(ii) Transfers the rights represented by the general obligation of the municipality from the bondholders to the state.

(2) (a) If one (1) or more payments on bonds are made by the state treasurer due to the failure of the municipality to make payment on its bonds in a timely manner, the state treasurer shall:
   (i) Immediately intercept any payments from:
      (A) The receipt of any payment of property taxes; or
      (B) Sales tax moneys distributed pursuant to section 63-3638, Idaho Code; or
      (C) Any other source of operating moneys provided by the state to the municipality that issued the bonds that would otherwise be paid to the municipality by the state; and

AN ACT
RELATING TO MILITIA AND MILITARY AFFAIRS; AMENDING CHAPTER 10, TITLE 46, IDAHO CODE, BY THE ADDITION OF A NEW SECTION 46-1018A, IDAHO CODE,
TO PROVIDE THAT THE GOVERNOR MAY ENTER INTO A COMPACT ON BEHALF OF THE STATE FOR EMERGENCY MANAGEMENT ASSISTANCE AND TO PROVIDE FOR THE EMERGENCY MANAGEMENT ASSISTANCE COMPACT.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Chapter 10, Title 46, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW SECTION, to be known and designated as Section 46-1018A, Idaho Code, and to read as follows:

46-1018A. EMERGENCY MANAGEMENT ASSISTANCE COMPACT. The legislature of the state of Idaho hereby authorizes the governor of the state of Idaho to enter into a compact on behalf of the state of Idaho with any other state legally joining therein, in the form substantially as follows:

EMERGENCY MANAGEMENT ASSISTANCE COMPACT

ARTICLE I
PURPOSES AND AUTHORITIES

(1) This compact is made and entered into by and between the participating member states which enact this compact, hereinafter called party states. For the purposes of this agreement, the term "states" is taken to mean the several states, the Commonwealth of Puerto Rico, the District of Columbia, and all United States territorial possessions.

(2) The purpose of this compact is to provide for mutual assistance between the states entering into this compact in managing any emergency or disaster that is duly declared by the governor of the affected state(s), whether arising from natural disaster, technological hazard, man-made disaster, civil emergency aspects of resources shortages, community disorders, insurgency, or enemy attack.

(3) This compact shall also provide for mutual cooperation in emergency-related exercises, testing, or other training activities using equipment and personnel simulating performance of any aspect of the giving and receiving of aid by party states or subdivisions of party states during emergencies, such actions occurring outside actual declared emergency periods. Mutual assistance in this compact may include the use of the states' national guard forces, either in accordance with the national guard mutual assistance compact or by mutual agreement between states.

ARTICLE II
GENERAL IMPLEMENTATION

(1) Each party state entering into this compact recognizes many emergencies transcend political jurisdictional boundaries and that intergovernmental coordination is essential in managing these and other emergencies under this compact. Each state further recognizes that there will be emergencies which require immediate access and present procedures to apply outside resources to make a prompt and effective response to such an emergency. This is because few, if any, individual states have all the resources they may need in all types of emergencies or the capability of delivering resources to areas where emergencies exist.

(2) The prompt, full, and effective utilization of resources of the participating states, including any resources on hand or available from
the federal government or any other source, that are essential to the safety, care, and welfare of the people in the event of any emergency or disaster declared by a party state, shall be the underlying principle on which all articles of this compact shall be understood.

(3) On behalf of the governor of each state participating in the compact, the legally designated state official who is assigned responsibility for emergency management will be responsible for formulation of the appropriate interstate mutual aid plans and procedures necessary to implement this compact.

ARTICLE III
PARTY STATE RESPONSIBILITIES

(1) It shall be the responsibility of each party state to formulate procedural plans and programs for interstate cooperation in the performance of the responsibilities listed in this article. In formulating such plans, and in carrying them out, the party states, insofar as practical, shall:

(a) Review individual state hazards analysis and, to the extent reasonably possible, determine all those potential emergencies the party states might jointly suffer, whether due to natural disaster, technological hazard, man-made disaster, emergency aspects of resource shortages, civil disorders, insurgency or enemy attack.

(b) Review party states' individual emergency plans and develop a plan which will determine the mechanism for the interstate management and provision of assistance concerning any potential emergency.

(c) Develop interstate procedures to fill any identified gaps and to resolve any identified inconsistencies or overlaps in existing or developed plans.

(d) Assist in warning communities adjacent to or crossing the state boundaries.

(e) Protect and assure uninterrupted delivery of services, medicines, water, food, energy and fuel, search and rescue, and critical lifeline equipment, services, and resources, both human and material.

(f) Inventory and set procedures for the interstate loan and delivery of human and material resources, together with procedures for reimbursement or forgiveness.

(g) Provide, to the extent authorized by law, for temporary suspension of any statutes or ordinances that restrict the implementation of the above responsibilities.

(2) The authorized representative of a party state may request assistance of another party state by contacting the authorized representative of that state. The provisions of this compact shall only apply to requests for assistance made by and to authorized representatives. Requests may be verbal or in writing. If verbal, the request shall be confirmed in writing within thirty (30) days of the verbal request. Requests shall provide the following information:

(a) A description of the emergency service function for which assistance is needed, including, but not limited to, fire services, law enforcement, emergency medical, transportation, communications, public works and engineering, building inspection, planning and information assistance, mass care, resource support, health and medical services, and search and rescue.

(b) The amount and type of personnel, equipment, materials and sup-
plies needed, and a reasonable estimate of the length of time they will be needed.
(c) The specific place and time for staging of the assisting party's response and a point of contact at that location.
(3) There shall be frequent consultation between state officials who have assigned emergency management responsibilities and other appropriate representatives of the party states with affected jurisdictions and the United States government, with free exchange of information, plans, and resource records relating to emergency capabilities.

ARTICLE IV
LIMITATIONS

Any party state requested to render mutual aid or conduct exercises and training for mutual aid shall take such action as is necessary to provide and make available the resources covered by this compact in accordance with the terms hereof; provided that it is understood that the state rendering aid may withhold resources to the extent necessary to provide reasonable protection for such state. Each party state shall afford to the emergency forces of any party state, while operating within its state limits under the terms and conditions of this compact, the same powers (except that of arrest unless specifically authorized by the receiving state), duties, rights, and privileges as are afforded forces of the states in which they are performing emergency services. Emergency forces will continue under the command and control of their regular leaders, but the organizational units will come under the operational control of the emergency service authorities of the state receiving assistance. These conditions may be activated, as needed, only subsequent to a declaration of a state of emergency or disaster by the governor of the party state that is to receive assistance or upon commencement of exercises or training of mutual aid and shall continue so long as the exercises or training for mutual aid are in progress, the state of emergency or disaster remains in effect, or loaned resources remain in the receiving state, whichever is longer.

ARTICLE V
LICENSES AND PERMITS

Whenever any person holds a license, certificate, or other permit issued by any state party to the compact evidencing the meeting of qualifications for professional, mechanical, or other skills, and when such assistance is requested by the receiving party state, such person shall be deemed licensed, certified, or permitted by the state requesting assistance to render aid involving such skill to meet a declared emergency or disaster, subject to such limitations and conditions as the governor of the requesting state may prescribe by executive order or otherwise.

ARTICLE VI
LIABILITY

Officers or employees of a party state rendering aid in another state pursuant to this compact shall be considered agents of the requesting state for tort liability and immunity purposes. No party state or its officers or employees rendering aid in another state pursuant to this compact shall be liable on account of any act or omission in good faith on the part of such forces while so engaged or on account of...
the maintenance or use of any equipment or supplies in connection there­with. Good faith in this article shall not include willful misconduct, gross negligence or recklessness.

ARTICLE VII
SUPPLEMENTARY AGREEMENTS
Inasmuch as it is probable that the pattern and detail of the machinery for mutual aid among two (2) or more states may differ from that among the states that are party hereto, this compact contains elements of a broad base common to all states, and nothing herein contained shall preclude any state from entering into supplementary agreements with another state or affect any other agreements already in force between states. Supplementary agreements may comprehend, but shall not be limited to, provisions for evacuation and reception of injured and other persons and the exchange of medical, fire, police, public utility, reconnaissance, welfare, transportation and communications personnel, and equipment and supplies.

ARTICLE VIII
COMPENSATION
Each party state shall provide for the payment of compensation and death benefits to injured members of the emergency forces of that state and representatives of deceased members of such forces in case such mem­bers sustain injuries or are killed while rendering aid pursuant to this compact, in the same manner and on the same terms as if the injury or death were sustained within their own state.

ARTICLE IX
REIMBURSEMENT
Any party state rendering aid in another state pursuant to this com­pact shall be reimbursed by the party state receiving such aid for any loss or damage to or expense incurred in the operation of any equipment and the provisions of any service in answering a request for aid and for the costs incurred in connection with such requests; provided, that any aiding party state may assume in whole or in part such loss, damage, expense, or other cost, or may loan such equipment or donate such ser­vices to the receiving party state without charge or cost; and provided further, that any two (2) or more party states may enter into supplemen­tary agreements establishing a different allocation of costs among those states. Article VIII expenses shall not be reimbursable under this pro­vision.

ARTICLE X
EVACUATION
Plans for the orderly evacuation and interstate reception of por­tions of the civilian population as the result of any emergency or disaster of sufficient proportions to so warrant, shall be worked out and maintained between the party states and the emergency management/services directors of the various jurisdictions where any type of incident requiring evacuations might occur. Such plans shall be put into effect by request of the state from which evacuees come and shall include the manner of transporting such evacuees, the number of evacuees to be received in different areas, the manner in which food, clothing, housing, and medical care will be provided, the registration
of the evacuees, the providing of facilities for the notification of relatives or friends, and the forwarding of such evacuees to other areas or the bringing in of additional materials, supplies, and all other relevant factors. Such plans shall provide that the party state receiving evacuees and the party state from which the evacuees come shall mutually agree as to reimbursement of out-of-pocket expenses incurred in receiving and caring for such evacuees, for expenditures for transportation, food, clothing, medicines and medical care, and like items. Such expenditures shall be reimbursed as agreed by the party state from which the evacuees come. After the termination of the emergency or disaster, the party state from which the evacuees come shall assume the responsibility for the ultimate support of repatriation of such evacuees.

ARTICLE XI
IMPLEMENTATION

(1) This compact shall become operative immediately upon its enactment into law by any two (2) states; thereafter this compact shall become effective as to any other state upon its enactment by such state.

(2) Any party state may withdraw from this compact by enacting a statute repealing the same, but no such withdrawal shall take effect until thirty (30) days after the governor of the withdrawing state has given notice in writing of such withdrawal to the governors of all other party states. Such action shall not relieve the withdrawing state from obligations assumed hereunder prior to the effective date of withdrawal.

(3) Duly authenticated copies of this compact and of such supplementary agreements as may be entered into shall, at the time of their approval, be deposited with each of the party states and with the federal emergency management agency and other appropriate agencies of the United States government.

ARTICLE XII
VALIDITY

This compact shall be construed to effectuate the purposes stated in Article I hereof. If any provision of this compact is declared unconstitutional, or the applicability thereof to any person or circumstances is held invalid, the constitutionality of the remainder of the compact and the applicability thereof to other persons and circumstances shall not be affected thereby.

ARTICLE XIII
ADDITIONAL PROVISIONS

Nothing in this compact shall authorize or permit the use of military force by the national guard of a state at any place outside that state in any emergency for which the President is authorized by law to call into federal service the militia, or for any purpose for which the use of the army or the air force would in the absence of express statutory authorization be prohibited under section 1385 of title 18, United States Code.

(2) "Brand" means a term, design, or trademark used in connection with one (1) or several grades of fertilizer.
(3) "Calcium carbonate equivalent" means the acid-neutralizing capacity of an agricultural liming material expressed as a weight per-
centage of calcium carbonate.

(4) "Compost" means a biologically stable material derived from the composting process.

(35) "Composting" means the controlled--aerobic--degradation--of organic waste materials. Natural decay of organic waste under uncontrolled conditions is not composting biological decomposition of organic matter. It is accomplished by mixing and piling in such a way to promote aerobic and/or anaerobic decay. The process inhibits pathogens, viable weed seeds and odors.

(6) "Coproduct" means a chemical substance produced for a commercial purpose during the manufacture, processing, use or disposal of another chemical substance or mixture.

(47) "Deficiency" means the amount of nutrient found by analysis to be less than that guaranteed, which may result from a lack of nutrient ingredients or from lack of uniformity.

(58) "Department" means the Idaho state department of agriculture or its authorized representative.

(69) "Distribute" means to import, consign, manufacture, produce, compound, mix, or blend fertilizer, or to offer for sale, sell, barter or otherwise supply fertilizer in this state.

(310) "Distributor" means any person who distributes.

(811) "Fertilizer" means any substance containing one (1) or more recognized plant nutrient which is used for its plant nutrient content and which is designed for use or claimed to have value in promoting plant growth, and includes limes and gypsum. It does not include unmanipulated animal manure and vegetable organic waste-derived material, or biosolids regulated under the code of federal regulations, 40 CFR 503, as amended.

(a) "Bulk fertilizer" means a fertilizer distributed in a nonpackaged form.

(b) "Customer formula fertilizer" means a mixture of fertilizer or materials of which each batch is mixed according to the specific instructions of the final purchaser.

(c) "Fertilizer material" means a fertilizer which either:

(i) Contains important quantities of no more than one (1) of the primary plant nutrients: nitrogen (N), phosphate (P\textsubscript{2}O\textsubscript{5}) and potash (K\textsubscript{2}O), or

(ii) Has eighty-five percent (85%) or more of its plant nutrient content present in the form of a single chemical compound, or

(d) "Micronutrient fertilizer" means a fertilizer that contains valuable concentrations of micronutrients, but does not contain valuable concentrations of total nitrogen (N), available phosphate (P\textsubscript{2}O\textsubscript{5}), soluble potash (K\textsubscript{2}O), calcium (Ca), magnesium (Mg), or sulfur (S).

(e) "Mixed fertilizer" means a fertilizer containing any combination or mixture of fertilizer materials.

(912) "Grade" means the percentage of total nitrogen, available phosphate, and soluble potash stated in whole numbers in the same terms, order, and percentages as in the guaranteed analysis. (103) "Guaranteed analysis" means the minimum percentage of plant nutrients claimed, for a total nitrogen, available phosphate, or soluble potash fertilizer, in the following order and form:

(a) Total nitrogen
Available phosphate
Soluble potash

(b) Any fertilizer intended for agricultural use with a total nitrogen, available phosphate, or soluble potash guarantee shall contain five percent (5%) or more of available nitrogen, phosphate, or potash, singly, collectively, or in combination.

(c) For unacidulated mineral phosphatic materials and basic slag, the guaranteed analysis shall contain both total and available phosphate and the degree of fineness. For bone, tankage, and other organic phosphatic materials, the guaranteed analysis shall contain total and available phosphate.

(d) The guaranteed analysis for limes shall include the percentage of calcium or magnesium expressed as their carbonate; the calcium carbonate equivalent as determined by methods prescribed by the association of official analytical chemists, international (AOAC); and the minimum percentage of material that will pass respectively a one hundred (100) mesh, sixty (60) mesh, and ten (10) mesh sieve.

SECTION 3. That Section 22-604, Idaho Code, be, and the same is hereby amended to read as follows:

22-604. ADOPTION OF RULES. The department shall administer, enforce, and carry out the provisions of this chapter and may adopt rules necessary to carry out its purposes including, but not limited to,
the proper use, handling, transportation, storage, display, distribution, sampling, records, analysis, form, minimum percentages, fertilizer ingredients, exempted materials, investigational allowances, definitions, labels, labeling, misbranding, mislabeling and disposal of fertilizers and their containers. The adoption of rules is subject to public hearing as prescribed by the Idaho administrative procedure act, chapter 52, title 67, Idaho Code.

SECTION 4. That Section 22-605, Idaho Code, be, and the same is hereby amended to read as follows:

22-605. REGISTRATION OF PRODUCTS. (1) Each brand and separately identifiable fertilizer product under each brand shall be registered before being distributed in this state. Companies planning to mix customer-formula fertilizers shall include the statement "customer-formula grade mixes" under the column headed "grades" on the brand registration application form. The application for registration shall be submitted to the department on forms furnished by the department, and shall be accompanied by a nonrefundable fee of twenty-five dollars ($25.00) per brand and a nonrefundable fee of twenty-five dollars ($25.00) per separately identifiable fertilizer product, under each brand, if sold in packages of twenty-five (25) pounds or less. Upon approval by the department, a certificate of registration shall be furnished to the applicant. All registrations expire on December 31 of each year. The application shall include the following information:
   (a) The brand name;
   (b) Declaration of guaranteed analysis of formulations to be sold;

(2) A distributor is not required to register any brand of fertilizer that is already registered under this chapter, as long as the label remains unchanged.

(3) A distributor is not required to register a customer-formula fertilizer; provided, that each shall be distributed under a registered brand.

(4) If an application for renewal of the brand registration provided for in this section is not filed before January 1 of any one (1) year, a penalty of ten dollars ($10.00) per product shall be assessed after February 1 of that year and added to the original fee and shall be paid by the applicant before the renewal brand registration is issued; provided, that the penalty shall not apply if the applicant furnished an affidavit that he has not distributed this brand subsequent to the expiration of his prior registration.

(5) The department shall examine the fertilizer product registration application form and labels for conformance with the requirements of this chapter. If the application, information and appropriate labels are in proper form and contain all the required information, the fertilizer products shall be registered by the department and a certificate of registration shall be issued to the applicant. The department may refuse to register or, cancel the registration, of any fertilizer product which would be in violation of any provision of this chapter.
In reviewing the fertilizer product registration application, the department may consider experimental data, manufacturers' evaluations, data from agricultural experiment stations' product review evaluations, and other authoritative sources to substantiate labeling claims. The data shall be from statistically designed and analyzed trials representative of the soil, crops, and climatic conditions found in the northwestern area of the United States.

In determining whether approval of a label statement or guarantee of an ingredient is appropriate, the department may require the submission of a written statement describing the methodology of laboratory analysis utilized, the source of the ingredient material, and any reference material relied upon to support the label statement or guarantee of ingredient.

Any waste-derived fertilizer distributed as a single ingredient product or blended with other fertilizer ingredients must be identified as "waste-derived fertilizer" by the registrant in the application for registration.

The registrant of a waste-derived fertilizer shall state in the application for registration the levels of nonnutritive metals including, but not limited to, arsenic (As), cadmium (Cd), mercury (Hg), lead (Pb) and selenium (Se). The registrant shall provide a laboratory report or other documentation verifying the levels of the nonnutritive metals in the waste-derived fertilizer.

SECTION 5. That Section 22-610, Idaho Code, be, and the same is hereby amended to read as follows:

22-610. INSPECTION — SAMPLING. (1) The department shall inspect, sample, analyze, and test fertilizers distributed within this state, at a time and place and to the extent the department deems necessary, to determine whether the fertilizers comply with this chapter. The department may stop any commercial vehicle transporting fertilizers on the public highways and direct it to the nearest scales approved by the department to check weights of fertilizers being delivered. The department may also, upon presentation of proper identification, enter any distributor's premises, including any vehicle of transport, at all reasonable times in order to have access to fertilizers and to records relating to their distribution.

(2) The methods of sampling and analysis shall be those adopted by the department from officially recognized sources including, but not limited to, the association of American plant food control officials (AAPFCO) and the association of official analytical chemists, international (AOAC).

(3) The department, in determining for administrative purposes whether a fertilizer is deficient in any component or total nutrients, shall be guided solely by the official sample as defined in section 22-603(218), Idaho Code, and obtained and analyzed as provided for in this section.

(4) When the inspection and analysis of an official sample has been made, the department shall forward the results of the analysis to the distributor and manufacturer, and to the purchaser upon request. The association shall pay claims in any order which it deems reasonable, including the payment of claims as such are received from the claimants or in groups or categories of claims. Deferred assessments shall be paid when such payment will not reduce capital or surplus below required minimums. Such payments shall be refunded to those companies receiving larger assessments by virtue of such deferment, or at the election of any such company, credited against future assessments. Each member insurer may set off against any assessment, authorized payments made on covered claims and expenses incurred in the payment of such claims by the member insurer if they are chargeable to the account. for-which-the-assessment-is-made.

(e) Investigate claims brought against the association and adjust, compromise, settle, and pay covered claims to the extent of the association's obligation and deny all other claims and may review settlements, releases and judgments to which the insolvent insurer or its insureds were parties to determine the extent to which such settlements, releases and judgments may be properly contested. The association shall have the right to appoint or substitute and to direct legal counsel retained under liability insurance policies for the defense of covered claims.

For the plaintiff to be awarded attorney's fees, for the prosecution of the action, written demand for the payment of such claim must have been made on the defendant not less than ten (10) days before the commencement of the action; provided, that no attorney's fees shall be allowed to the plaintiff if the court finds that the defendant tendered to the plaintiff, prior to the commencement of the action, an amount at least equal to ninety-five percent (95%) of the amount awarded to the plaintiff.

(2) The provisions of subsection (1) of this section shall also apply to any counterclaims, cross-claims or third party claims which may be filed after the initiation of the original action. Except that a ten
(10) day written demand letter shall not be required in the case of a counterclaim.

(3) In any civil action to recover on an open account, account stated, note, bill, negotiable instrument, guaranty, or contract relating to the purchase or sale of goods, wares, merchandise, or services and in any commercial transaction unless otherwise provided by law, the prevailing party shall be allowed a reasonable attorney's fee to be set by the court, to be taxed and collected as costs.

The term "commercial transaction" is defined to mean all transactions except transactions for personal or household purposes. The term "party" is defined to mean any person, partnership, corporation, association, private organization, the state of Idaho or political subdivision thereof.

(4) In actions for personal injury, where the amount of plaintiff's claim for damages does not exceed twenty-five thousand dollars ($25,000), there shall be taxed and allowed to the claimant, as part of the costs of the action, a reasonable amount to be fixed by the court as attorney's fees. For the plaintiff to be awarded attorney's fees for the prosecution of the action, written demand for payment of the claim and a statement of claim must have been served on the defendant's insurer, if known, or if there is no known insurer, then on the defendant, not less than sixty (60) days before the commencement of the action; provided that no attorney's fees shall be allowed to the plaintiff if the court finds that the defendant tendered to the plaintiff, prior to the commencement of the action, an amount at least equal to ninety percent (90%) of the amount awarded to the plaintiff.

The term "statement of claim" shall mean a written statement signed by the plaintiff's attorney, or if no attorney, by the plaintiff which includes:

attorney's fees and costs incurred in attempting to collect on the judgment. Such attorney's fees and costs shall be set by the court following the filing of a memorandum of attorney's fees and costs with notice to all parties and an opportunity for hearing. The amount of such attorney's fees shall be determined by the court after consideration of the factors set out in rule 54(e)(3) of the Idaho rules of civil procedure, or any future rule that the supreme court of the state of Idaho may promulgate, but the court shall not base its determination of such fees upon any contingent fees arrangement between attorney and client, or any arrangement setting such fees as a percentage of the judgment or the amount recovered. SECTION 1. That Section 33-313, Idaho Code, be, and the same is hereby amended to read as follows:

Each elementary school district shall be divided into three (3) trustee zones and each other school district shall be divided into no fewer than five (5) or more than nine (9) trustee zones according to the provisions of section 33-501, Idaho Code. Any proposal to define the boundaries of the several trustee zones in each such school district shall include the determination, where appropriate, of the number of trustee zones in such district, and the date of expiration of the term of office for each trustee. The boundaries of the several trustee zones in each such school district shall be defined and drawn so that, as reasonably as may be, each such zone shall have approximately the same population.

Whenever the area of any district has been enlarged by the annexation of all or any part of another district, or by the correction of errors in the legal description of school district boundaries, any such additional territory shall be included in the trustee zone or zones contiguous to such additional territory until such time as the trustee zones may be redefined and changed. Trustee zones may be redefined and
changed, but not more than once every five (5) years in the manner hereinafter provided.

A proposal to redefine and change trustee zones of any district may be initiated by its board of trustees and shall be initiated by its board of trustees at the first meeting following the report of the decennial census, and submitted to the state board of education, or by petition signed by not less than fifty (50) school electors residing in the district, and presented to the board of trustees of the district. Within one hundred twenty (120) days following the decennial census or the receipt of a petition to redefine and change the trustee zones of a district the board of trustees shall prepare a proposal for a change which will equalize the population in each zone in the district and shall submit the proposal to the state board of education. Any proposal shall include a legal description of each trustee zone as the same would appear as proposed, a map of the district showing how each trustee zone would then appear, and the approximate population each would then have, should the proposal to change any trustee zones become effective.

Within sixty (60) days after it has received the said proposal the state board of education may approve or disapprove the proposal to redefine and change trustee zones and shall give notice thereof in writing to the board of trustees of the district wherein the change is proposed. Should the state board of education disapprove a proposal that had been initiated at the request of petitioners, the board of trustees shall within forty-five (45) days submit a revised proposal to the state board of education. Should the state board of education approve the proposal, the board of trustees shall within sixty (60) days after notification of the approval of such proposal submit to the school district electors residing in the district, in an election to be held not less than thirty (30) days prior to the date of the next ensuing annual election of school district trustees, the question of approving or disapproving the proposal to change trustee zones. Notice of such election shall be posted and published; the election shall be held and conducted and the ballots canvassed, as provided in chapter 4, title 33, Idaho Code. If a majority of the school district electors residing in the district, and voting in the election, should approve the proposal, the trustee zones shall be changed in accordance with the proposal.

At the next regular meeting of the board of trustees following the approval of the proposal the board shall appoint from its membership a trustee for each new zone to serve as trustee until that incumbent trustee's three (3) year term expires. If the current board membership includes two (2) incumbent trustees from the same new trustee zone, the board will select the incumbent trustee with the most seniority as a trustee to serve the remainder of his three (3) year term. If both incumbent trustees have equal seniority, the board will choose one (1) of the trustees by the drawing of lots. If there is a trustee vacancy in any of the new zones, the board of trustees shall appoint from the patrons resident in that new trustee zone, a person from that zone to serve as trustee until the next annual meeting. At the annual election a trustee shall be elected to serve during the term specified in the election for the zone. Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 63-602G, Idaho Code, be, and the same is hereby amended to read as follows:

63-602G. PROPERTY EXEMPT FROM TAXATION -- RESIDENTIAL IMPROVEMENTS.

(2) The exemption allowed by this section may be granted only if:
(a) The residential improvements are owner-occupied and used as the primary dwelling place of the owner as of January 1, provided that in the event the residential improvements are owner-occupied after January 1 but before April 15, the owner of the property is entitled to the exemption. The residential improvements may consist of part of a mult1dwell1ng or multipurpose building and shall include all of such dwelling or building except any portion used exclusively for anything other than the primary dwelling of the owner. The presence of an office in an owner-occupied residential property, which office is used for multiple purposes, including business and personal use, shall not prevent the owner from claiming the exemption provided in this section; and
(b) The tax commission has certified to the board of county commisioners that all properties in the county which are subject to appraisal by the county assessor have, in fact, been appraised uniformly so as to secure a just valuation for all property within the county; and
(c) The owner has certified to the county assessor by April 15 that:
   (i) He is making application for the exemption allowed by this section;
   (ii) That the residential improvements are his primary dwelling place; and
   (iii) That he has not made application in any other county for the exemption, and has not made application for the exemption on any other residential improvements in the county.

(d) For the purpose of this section, the definition of owner shall be the same definition set forth in section 63-701(8), Idaho Code.

When an "owner" is any person who as grantor created a revocable or irrevocable trust and named himself or herself as beneficiary of that trust, or who is a partner of a limited partnership, a member of a limited liability company or shareholder of a corporation, he or she may provide proof of the trust, limited partnership, limited liability company or corporation with an affidavit stating:

(i) the name of the grantor, partner, member or shareholder;
(ii) a statement that the grantor is the beneficiary of the trust, the person is a partner of the limited partnership, a member of the limited liability company or shareholder of the corporation; and
(iii) the grantor, partner, member or shareholder is the owner-occupier of the residential property and uses the property as the primary dwelling place of the owner as of January 1.

The affidavit shall include the attaching of the copies of those portions of the trust which set forth the grantor, the grantor as beneficiary and the signature page of the trust; those portions of the articles of organization or operating agreement of the limited liability company indicating the person's membership in the company; those portions of the limited partnership agreement or other records of the limited partnership indicating that the person has been admitted to the partnership; or those portions of the articles of incorporation indicating that the person is a shareholder of the corporation.

(e) Any owner may request in writing the return of all copies of any documents submitted with the affidavit set forth in paragraph (d) of this subsection that are held by a county assessor, and the copies shall be returned by the county assessor upon submission of the affidavit in proper form.

(f) For the purpose of this section, the definition of "primary dwelling place" shall be the same definition set forth in section 63-701(9), Idaho Code.

(g) For the purpose of this section, the definition of "occupied" shall be the same definition set forth in section 63-701(7), Idaho Code.

(a) The owner has received the exemption during the previous year as a result of his making a valid application as defined in subsection (2)(c) of this section.
(b) The owner still occupies the same residential improvements for which he made application.
(c) The residential improvements described in subsection (3)(b) of
this section are owner-occupied and used as the primary dwelling place of the owner as of January 1; provided however, that in the event the residential improvements are owner-occupied after January 1 but before April 15, the owner of the property is entitled to the exemption.

(4) The exemption allowed by this section must be taken before the reduction in taxes provided by sections 63-701 through 63-710, Idaho Code, is applied.

(5) The legislature declares that this exemption is necessary and just.

(6) Residential improvements having previously qualified for exemption under this section in the preceding year, shall not lose such qualification due to the owner's absence in the current year by reason of active military service in a designated combat zone, as defined in section 112 of the Internal Revenue Code. If an owner fails to timely apply for exemption as required in this section solely by reason of active duty in a designated combat zone, as defined in section 112 of the Internal Revenue Code, and such improvements would have otherwise qualified under this section, then the board of county commissioners of the county in which the residential improvements are located shall refund property taxes, if previously paid, in an amount equal to the exemption which would otherwise have applied.

A property tax reduction shall be allowed pursuant to the provisions of sections 63-701 and 63-710, Idaho Code, if the owner occupies the residential improvements after January 1 but before April 15, and if no other property tax reductions have been claimed. Such right may be exercised on behalf of a living claimant by an agent authorized in writing to so act or by a guardian or other representative acting pursuant to judicial authority. If a claimant dies after having filed a timely claim, the amount thereof shall be allowed to his personal representative, if one is appointed, or to surviving heirs.

(2) In the case of property owned by an estate, the deceased owner's widow or widower:
   (a) May file a claim on behalf of his or her deceased spouse if the deceased spouse qualified or would have qualified as a claimant on January 1 of the year in which the claim is filed; or
   (b) Shall be deemed the owner of the property in any year after the year of the death of the spouse.

2. Hold hearings for the purpose of hearing testimony, considering evidence and determining the facts as to when the supply of any of the wildlife in this state will be injuriously affected by the taking thereof, or for the purpose of determining when an open season may be declared for the taking of wildlife. Whenever said commission determines that the supply of any particular species of wildlife is being, or will be, during any particular period of time, injuriously affected by depletion by permitting the same to be taken, or if it should find a longer or different season, or different bag limit should be adopted for the better protection thereof, or if it finds that an open season may be declared without endangering the supply thereof, then it shall make a rule or proclamation embodying its findings in respect to when, under what circumstances, in which localities, by what means, what sex, and in what amounts and numbers the wildlife of this state may be taken.

3. Whenever it finds it necessary for the preservation, protection, or management of any wildlife of this state, by reason of any act of God or any other sudden or unexpected emergency, declare by temporary rule or proclamation the existence of such necessity, and the cause thereof, and prescribe and designate all affected areas or streams, and close the same to hunting, angling or trapping, or impose such restrictions and conditions upon hunting, angling or trapping as said commission shall find to be necessary. Every such temporary rule shall be made in accordance with the provisions of chapter 52, title 67, Idaho Code.

(B) The commission may, under rules or proclamations as it may
prescribe, authorize the director to issue additional con-

landowners of property valuable for habitat or propagation pur-
poses of deer, elk or antelope, or the landowner's designated
agent(s) to hunt deer, elk or antelope in controlled hunts con-
taining the eligible property owned by those landowners in
units where any permits for deer, elk or antelope are limited.
(C) A nonrefundable fee as specified in section 36-416, Idaho
Code, shall be charged each applicant for a controlled hunt
permit. Successful applicants for controlled hunt permits shall
be charged the fee as specified in section 36-416, Idaho Code.

shall have ten (10) days after official notification to notify the
commission whether or not they desire the commission to hold a pub-

shall give serious consideration to all public input received at the
public hearing before making a final decision on the proposed acqui-
sition. Following any land purchase, the fish and game commission
shall provide, upon request by the board of county commissioners,
within one hundred twenty (120) days, a management plan for the area
purchased that would address noxious weed control, fencing, water
management and other important issues raised during the public hear-
ing. When considering purchasing lands pursuant to this paragraph,
the commission shall first make a good faith attempt to obtain a
conservation easement, as provided in chapter 21, title 55, Idaho
Code, before it may begin proceedings to purchase, condemn or other-
wise acquire such lands. If the attempt to acquire a conservation
easement is unsuccessful and the commission then purchases, condemns
or otherwise acquires the lands, the commission shall record in
writing the reasons why the attempt at acquiring the conservation
easement was unsuccessful and then file the same in its records and
in a report to the joint finance-appropriations committee. The com-
misson shall develop, operate, and maintain the lands, waters or
conservation easements for said purposes, which are hereby declared

(A) For fish hatcheries, nursery ponds, or game animal or game bird farms;

Provided, however, the commission shall not enter into such agreements for lands which either lie outside or are not adjacent to any adjoining the proclaimed boundaries of the national forests in Idaho.

(A) The landowners, with the assistance of the department, shall cause notice of the restrictions, including the effective date thereof, to be posted on the main traveled roads entering the areas to which the restrictions apply. Provided, however, that nothing in this subsection shall allow the unlawful posting of signs or other information on or adjacent to public highways as defined in subsection (5) of section 40-109, Idaho Code.

(B) Nothing in this section authorizes the establishment of any restrictions that impede normal forest or range management operations.

(C) No person shall violate such restrictions on the use of motor-propelled vehicles or tear down or lay down any fencing or gates enclosing such a restricted area or remove, mutilate, damage or destroy any notices, signs or markers giving notice of such restrictions. The commission may promulgate rules to administer the restrictions and cooperative agreements addressed in this subsection.

An application for renewal is not complete and sufficient unless it is submitted with both the applicable fee and the completed continuing education statement. The continuation fees as stated in section 41-401, Idaho Code (fee schedule), are for a one (1) year continuation; and licenses continued for two (2) years shall be subject to payment of a two (2) year continuation fee. Request for continuation shall be made in writing on forms to be supplied by the director.

(2) The director may, in his discretion, fix the dates of expiration of respective licenses and appointments in such manner as is deemed by him to be advisable for an efficient distribution of the work load of his office. If as to a particular license or appointment the expiration date so fixed would upon first occurrence shorten the period for which license or appointment continuation fee has theretofore been paid, no refund of unearned fee shall be made; and if the expiration date so fixed as to a particular license or appointment would upon first occurrence lengthen the period for which license or appointment continuation fee had theretofore been paid, the director shall charge no additional fee for such lengthened period. If another date is not so fixed by the director, each such license shall, unless continued as hereinabove provided, expire at midnight on March 31.

(3) Any license referred to in subsection (1) of this section as to which request for continuation, fee and completed continuing education

Placement of these stop signs shall be mandatory except when in the determination of public highway agencies the existence of stop signs at a given crossing would constitute a greater hazard than their absence based on a recognized engineering study.

Nothing in this subsection shall be construed as granting immunity to any railroad company as to liability, if any, for an accident which might occur at a crossing where stop signs are erected and in place, but liability, if any, shall be determined as provided by law. Liability on
the part of governmental authorities on account of absence of any stop sign at a crossing shall be determined as provided by law.

If the property to be acquired may reasonably be expected to cost in excess of twenty-five thousand dollars ($25,000) if purchased, or one thousand dollars ($1,000) per month if procured, there must be accompanying the requisition a copy of the specifications proposed for use in the acquisition. (2) There shall be paid on all commercial vehicles, irrespective of body type, and on all farm vehicles having a maximum gross weight in excess of sixty thousand (60,000) pounds, an annual registration fee in the amount prescribed by subsection (8) of this section, as applicable.

(3) In addition, the annual registration fee for trailers shall be:

(c) Rental utility trailer with a gross weight over two thousand (2,000) pounds ......................................................$15.00

(4) As an option to the trailer and semitrailer annual registration, the department may provide extended registration.

(a) For trailers and semitrailers, the optional extended-registration period shall not extend beyond seven (7) years.
(b) The fee shall be fifteen dollars ($15.00) for each year.
(c) The license plate originally issued shall remain on the trailer or semitrailer until the registration expires.
(d) The registration document shall be the official record of the status of the extended registration. No pressure-sensitive validation sticker shall be required.
(e) For rental utility trailers, the optional registration period shall not extend beyond five (5) years. The fee shall be as specified in subsection (3)(b) or (c) of this section. A pressure-sensitive sticker shall be used to validate the license plate. The license plate shall become void if the owner's interest in the rental utility trailer changes during the five (5) year period. If the owner fails to enter the rental utility trailer on the annual renewal application during the five (5) year period, the registration record shall be purged. Any unrenewed plate shall be returned to the department if it is not entered on the renewal application.
(5) A fleet registration option is available to owners who have twenty-five (25) or more commercial or farm vehicles or any combination thereof. Fleet registration shall not include fleets of rental vehicles. The department shall provide a registration application to the owner and the owner shall provide all information that the department determines is necessary. The fleet owner shall report the physical address to the department upon initial registration, on each renewal, and at any time a vehicle registered under this option is permanently transferred to another location.
(6) If the ownership of a vehicle changes during the registration period, the original owner may transfer the plate to another vehicle. The remaining fee shall be credited against the cost of the new registration. Refunds may be given for any unexpired portion of the vehicle registration fee if the plate is not transferred by the owner to another vehicle. Any request for refund shall include surrender of the license plate, validation sticker and registration document. Owners of vehicles registered under the international registration plan may request a refund of the unexpired portion of the Idaho vehicle registration fee by presenting evidence from the base jurisdiction that the license plate, validation sticker and registration document have been surrendered. A license plate shall not be transferred to another owner when the ownership of a vehicle changes. The owner shall obtain a replacement plate, validation sticker if required, and a registration document when a plate is lost, destroyed or becomes illegible.
(7) An administrative fee of four dollars ($4.00) shall be paid and deposited to the state highway account on all registrations completed by the department under subsection (1) or (8)(a) of this section. Vehicles registered under subsection (8)(b) of this section shall pay the fee provided in section 49-435(2), Idaho Code.
(8) There shall be paid on all commercial and farm vehicles having
a maximum gross weight in excess of sixty thousand (60,000) pounds, a registration fee based upon the maximum gross weight of a vehicle as declared by the owner and the total number of miles driven on roads and highways in the state, county, city and highway district systems in Idaho, and if registered under the international registration plan (IRP), in all other jurisdictions. The appropriate registration fee shall be determined as follows:

(a) If the owner registers vehicles under the international registration plan (IRP), the appropriate mileage column shall be determined by the total miles an owner operated a fleet of vehicles on roads and highways in the state, county, city and highway district systems in Idaho and in all other jurisdictions in the preceding year, as defined in section 49-117, Idaho Code, and by the maximum gross weight of each vehicle within a fleet.

(b) If the owner registers vehicles under the international registration plan and determines that the average international registration plan fleet miles, calculated by dividing the total IRP fleet miles in all jurisdictions by the number of registered vehicles, is less than fifty thousand one (50,001) miles, the owner may apply to the department for refund of a portion of the registration fees paid, consistent with the fee schedules set forth in this section. The department shall provide an application for the refund. An owner making application for refund under this section shall be subject to auditing as provided in section 49-439, Idaho Code.

(c) If the owner is not registering vehicles under the international registration plan, the appropriate mileage column shall be determined by the total miles the owner operated each of the vehicles to be registered on roads and highways in the state, county, city and highway district systems in Idaho in the preceding year and by the maximum gross weight of each vehicle.

When estimating the miles, the owner shall provide a statement on the application of the method used to arrive at the estimated miles.

(c) Any owner using any fee schedule other than the highest fee schedule under subsection (8)(c) of this section, shall certify at the time of registration that the miles operated in the preceding year do not exceed the schedule applied for. Any owner using a fee schedule under subsection (8)(c) of this section that is less than the highest schedule shall maintain records to substantiate the use of the schedule as required by section 49-439, Idaho Code.

(10) An owner registering under subsection (8)(a) or (8)(c) of this section may elect to pay the full annual registration fee at the time of registration or renewal of registration, or an owner may pay at least one-quarter (1/4) of the annual registration fee due. The remainder of the annual Idaho registration fee shall be paid in three (3) equal installments on dates as billed by the department.

(11) An owner registering or renewing a registration under subsection (8)(a) of this section electing to use installment payments as provided in subsection (10) of this section, shall pay all of the fees due to other INP jurisdictions in addition to one quarter (1/4) of the Idaho

State of Idaho, et al., the following provisions setting forth the process for transitioning from a combination of registration fees and weight-distance use fees to a system of registration fees only, shall take effect as provided herein. These following provisions are both integral and necessary for the administration and implementation of the new registration system. It is legislative intent that the following provisions for vehicle registrations shall be in effect, subject to the contingencies stated above, from October 1, 2000, through September 30, 2001. Subsection (5) shall continue to be in effect until the expiration of the applicable limitations period under that subsection.

(1) With regard to registrations for vehicles exceeding sixty thousand pounds gross vehicle weight which expire on December 31, 2000, the Idaho Transportation Department may accept payment for registration fees that will become effective on January 1, 2001, beginning October 1, 2000, and the owners of those vehicles shall cease to accrue new liability for repealed weight-distance use fees on January 1, 2001, and shall be liable for the new registration fees on January 1, 2001. An owner shall pay at least one-quarter of the annual Idaho registration fee due. The remainder of the annual Idaho registration fee shall be paid in three equal installments on dates as billed by the department.

(2) With regard to registration under the International Registration Plan for foreign-based vehicles exceeding sixty thousand pounds gross vehicle weight which expire in any month beginning October 1, 2000, through September 30, 2001, the owners of those vehicles shall cease to accrue new liability for the repealed weight-distance use fees and shall be liable for the new registration fees on the first day of the month during which their registration is due. Owners of vehicles whose registration has not yet expired during a given calendar quarter shall continue to accrue, report and remit the weight-distance use fees until the quarter in which their registration expires under the repealed weight-distance statutes.

CHAPTER 191
(S.B. No. 1111)

AN ACT
RELATING TO THE POWERS AND DUTIES OF THE BOARD OF TRUSTEES OF A SCHOOL DISTRICT; AMENDING SECTION 33-601, IDAHO CODE, TO PROVIDE CONDITIONS GOVERNING THE SALE OR OTHER DISPOSAL OF PROPERTY OWNED BY THE SCHOOL DISTRICT.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 33-601, Idaho Code, be, and the same is hereby amended to read as follows:

33-601. REAL AND PERSONAL PROPERTY -- ACQUISITION, USE OR DISPOSAL OF SAME. The board of trustees of each school district shall have the following powers and duties:

1. To rent to or from others, school buildings or other property used, or to be used, for school purposes.

2. To contract for the construction, repair, or improvement of any real property, or the acquisition, purchase or repair of any equipment, or other personal property necessary for the operation of the school district.

Except for the purchase of curricular materials as defined in section 33-118A, Idaho Code, no such contract shall be executed which entails the expenditure of fifteen thousand dollars ($15,000) or more without notice first being given by publishing twice in the manner required by subsections g. and h. of section 33-402, Idaho Code, unless in cooperation with the division of purchasing or cooperative agency established pursuant to chapter 23, title 67, and/or sections 33-315 through 33-318, Idaho Code. The board of trustees may let the contract to the lowest responsible bidder, or reject any bid, or reject all bids and publish notice for bids, as before. If, thereafter, no satisfactory bid is received, the board may proceed under its own direction, subject to the approval of the state board of education.

3. To designate and purchase any real property necessary for school purposes or in the operation of the district, or remove any building, or dispose of any real property. Prior to, but not more than one (1) year prior to, any purchase or disposal of real property, the board shall have such property appraised by an appraiser certified in the state of Idaho, which appraisal shall be entered in the records of the board of trustees, and shall be used to establish the value of the real property. The board of trustees shall determine the size of the site necessary for school purposes. The site shall be located within the incorporated limits of any city within the district; provided, however, that if the board finds that it is not in the best interests of the electors and the
students of the district to locate the site within the incorporated lim­its of a city, the board, by duly adopted resolution setting forth the reasons for its finding, may designate a site located elsewhere within the district. In elementary school districts, except upon removal for highway purposes, a site may be designated or changed only after approval of two-thirds (2/3) or more of the electors voting at the annual meeting.

4. (a) To convey, except as provided by paragraph (b) of this sub­section, by deed, bill of sale, or other appropriate instrument, all of the estate and interest of the district in any property, real or personal. In elementary school districts, except such conveyance as is authorized by subsection 6. of this section, any of the transac­tions authorized in this subsection shall be subject to the approval of two-thirds (2/3) or more of the electors voting at the annual meeting.

Prior to such sale or conveyance, the board shall have the property appraised pursuant to this section, which appraisal shall be entered in the records of the board of trustees. The property may be sold at public auction or by sealed bids, as the board of trustees shall determine, to the highest bidder. Such property may be sold for cash or for such terms and conditions as the board of trustees shall determine for a period not exceeding ten (10) years, with the annual rate of interest on all deferred payments not less than seven percent (7%) per annum. The title to all property sold on contract shall be retained in the name of the school district until full payment has been made by the purchaser, and title to all prop­erty sold under a note and mortgage or deed of trust shall be transfer­red to the purchaser at the point of sale under the terms and conditions of the mortgage or deed of trust as the board of trustees shall determine. Notice of the time and the conditions of such sale shall be published twice, and proof thereof made, in accordance with subsections g. and h. of section 33-402, Idaho Code, except that when the appraised value of the property is less than five-hundred one thousand dollars ($51,000), one (1) single notice by publication shall be sufficient and the property shall be sold by sealed bids or at public auction.

The board of trustees may accept the highest bid, may reject any bid, or reject all bids. If the real property was donated to the school district the board may, within a period of one (1) year from the time of the appraisal, sell the property without additional advertising or bidding. Otherwise, the board of trustees must have new appraisals made and again publish notice for bids, as before. If, thereafter, no satisfactory bid is made and received, the board may proceed under its own direction to sell and convey the property. In no case shall any real property of the school district be sold for less than its appraisal.

The board of trustees may sell personal property, with an esti­mated value of less than five-hundred one thousand dollars ($51,000), without appraisal, by sealed bid or at public auction, provided that there has been not less than one (1) published adver­tisement prior to the sale of said property. If the board, by a unanimous vote of those members present, finds that the property has an estimated value of less than five hundred dollars ($500) and is of insufficient value to defray the costs of arranging a sale, the
property may be disposed of in the most cost-effective and expedient manner by an employee of the district empowered for that purpose by the board.

(b) Real and personal property may be exchanged hereunder for other property. Provided, however, that aside from the provisions of this paragraph, any school district may by a vote of one-half (1/2) plus one (1) of the members of the full board of trustees, by resolution duly adopted, authorize the transfer or conveyance of any real or personal property owned by such school district to the government of the United States, any city, county, the state of Idaho, any hospital district organized under chapter 13, title 39, Idaho Code, any other school district, any library district, any community college district, or any recreation district, with or without any consideration accruing to the school district, when in the judgment of the board of trustees it is for the interest of such school district that said transfer or conveyance be made. Prior to any transfer or conveyance of any real or personal property pursuant to this paragraph 4.(b), the board shall have the property appraised by an appraiser certified in the state of Idaho, which appraisal shall be entered in the records of the board of trustees, and shall be used to establish the value of the real or personal property.

5. To enter into contracts with any city located within the boundaries of the school district for the joint purchase, construction, development, maintenance and equipping of playgrounds, ball parks, swimming pools, and other recreational facilities upon property owned either by the school district or the city.

6. To convey rights-of-way and easements for highway, public utility, and other purposes over, upon or across any school property and, when necessary to the use of such property for any such purpose, to authorize the removal of school buildings to such new location, or locations, as shall be determined by the board of trustees, and such removal shall be made at no cost or expense to the school district.

7. To authorize the use of any school building of the district as a community center, or for any public purpose, and to establish a policy of charges, if any, to be made for such use.

8. To exercise the right of eminent domain under the provisions of chapter 7, title 7, Idaho Code, for any of the uses and purposes provided in section 7-701, Idaho Code.

9. If there is a great public calamity, such as an extraordinary fire, flood, storm, epidemic, or other disaster, or if it is necessary to do emergency work to prepare for national or local defense, or it is necessary to do emergency work to safeguard life, health or property, the board of trustees may pass a resolution declaring that the public interest and necessity demand the immediate expenditure of public money to safeguard life, health or property. Upon adoption of the resolution, the board may expend any sum required in the emergency without compliance with this section.

Approved March 26, 2001.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 6-303, Idaho Code, be, and the same is hereby amended to read as follows:

6-303. UNLAWFUL DETAINER DEFINED. A tenant of real property, for a term less than life, is guilty of an unlawful detainer:
1. When he continues in possession, in person or by subtenant, of the property, or any part thereof, after the expiration of the term for which it is let to him, without the permission of his landlord, or the successor in estate of his landlord, if any there be; but in case of a tenancy at will, it must first be terminated by notice, as prescribed in the civil code.

2. Where he continues in possession, in person or by subtenant, without permission of his landlord, or the successor in estate of his landlord, if any there be, after default in the payment of rent, pursuant to the lease or agreement under which the property is held, and three (3) days' notice, in writing, requiring its payment, stating the amount which is due, or possession of the property, shall have been served upon him, and if there be a subtenant in actual occupation of the premises, also upon such subtenant. Such notice may be served at any time within one (1) year after the rent becomes due. In all cases of tenancy upon agricultural lands, where the tenant has held over and retained possession for more than sixty (60) days after the expiration of his term without any demand of possession or notice to quit by the landlord, or the successor in estate of his landlord, if any there be, he shall be deemed to be holding by permission of the landlord, or the successor in estate of his landlord, if any there be, and shall be entitled to hold under the terms of the lease for another full year, and shall not be guilty of an unlawful detainer during said year, and such holding over for the period aforesaid shall be taken and construed as a consent on the part of a tenant to hold for another year.

3. Where he continues in possession in person, or by subtenants, after a neglect or failure to perform other conditions or covenants of the lease or agreement under which the property is held, including any covenant not to assign or sublet, than the one for payment of rent, and three (3) days' notice, in writing, requiring the performance of such conditions or covenants, or the possession of the property, shall have been served upon him, and if there be a subtenant in actual occupation of the premises, also upon such subtenant. Within three (3) days after the service of the notice, the tenant, or any subtenant in actual occupation of the premises, or any mortgagee of the term, or other person interested in its continuance, may perform the conditions or covenants of the lease, or pay the stipulated rent, as the case may be, and thereby save the lease from forfeiture: provided, if the covenants and conditions of the lease, violated by the lessee, can not afterward be performed, then no notice, as last prescribed herein, need be given to said lessee or his subtenant demanding the performance of the violated covenant or conditions of the lease. A tenant may take proceedings similar to those prescribed in this chapter, to obtain possession of premises let to an undertenant, in case of his unlawful detention of the premises underlet to him.

4. A tenant or subtenant, assigning or subletting, or committing waste upon, the demised premises contrary to the covenants of his lease, thereby terminates the lease, and the landlord, or his successor in estate, shall, upon service of three (3) days' notice to quit upon the person or persons in possession, be entitled to restitution of possession of such demised premises under the provisions of this chapter.

5. If any person is, or has been, engaged in the unlawful delivery, production or use of a controlled substance on the premises of the leased property during the term for which the premises are let to the
For purposes of this chapter, the terms "delivery," "production," and "controlled substance" shall be defined as set forth in section 37-2701, Idaho Code.

SECTION 2. That Section 6-310, Idaho Code, be, and the same is hereby amended to read as follows:

6-310. ACTION FOR POSSESSION -- COMPLAINT -- SUMMONS. In an action exclusively for possession of a tract of land of five (5) acres or less for the nonpayment of rent, or on the grounds that a landlord has reasonable grounds to believe that any person is, or has been, engaged in the unlawful delivery, production or use of a controlled substance on the leased premises during the term for which the premises are let to the tenant, it is sufficient to state in the complaint:

(1) A description of the premises with convenient certainty;
(2) That the defendant is in possession of the premises;
(3) That the defendant entered upon the premises, holds the premises, and is in default of the payment of rent or that the landlord has reasonable grounds to believe that any person is, or has been, engaged in the unlawful delivery, production or use of a controlled substance on the leased premises during the term for which the premises are let to the tenant;
(4) That all notices required by law have been served upon the defendant in the required manner; and
(5) That the plaintiff is entitled to the possession of the premises. Upon filing the complaint, a summons must be issued, served and returned as in other actions, provided, however, that at the time of issuance of the summons, the court shall schedule a trial within twelve (12) days from the filing of the complaint and the service of the summons, complaint and trial setting on the defendant shall be not less than five (5) days before the day of trial appointed by the court.

SECTION 3. That Section 6-311, Idaho Code, be, and the same is hereby amended to read as follows:

6-311. CONTINUANCE. In an action exclusively for possession of a tract of land of five (5) acres or less for the nonpayment of rent or if a landlord has alleged that the landlord has reasonable grounds to believe that any person is, or has been, engaged in the unlawful delivery, production, or use of a controlled substance during the term for which the premises are let to the tenant, no continuance shall be granted for a longer period than two (2) days unless the defendant applying therefor gives an undertaking to the adverse party with good and sufficient security, to be approved by the court, conditioned for the payment of the rent that may accrue if judgment is rendered against the defendant.

SECTION 4. That Section 6-311A, Idaho Code, be, and the same is hereby amended to read as follows:

6-311A. JUDGMENT ON TRIAL BY COURT. In an action exclusively for possession of a tract of land of five (5) acres or less for the nonpayment of rent or on the grounds that the landlord has reasonable grounds to believe that a person is, or has been, engaged in the unlawful deliv-
ery, production, or use of a controlled substance on the leased premises during the term for which the premises are let to the tenant, the action shall be tried by the court without a jury. If, after hearing the evidence the court concludes that the complaint is not true, it shall enter judgment against the plaintiff for costs and disbursements. If the court finds the complaint true or if judgment is rendered by default, it shall render a general judgment against the defendant and in favor of the plaintiff, for restitution of the premises and the costs and disbursements of the action. If the court finds the complaint true in part, it shall render judgment for the restitution of such part only, and the costs and disbursements shall be taxed as the court deems just and equitable. No provision of this law shall be construed to prevent the bringing of an action for damages.

SECTION 5. That Section 6-311E, Idaho Code, be, and the same is hereby amended to read as follows:

6-311E. ACTION FOR DAMAGES -- COMPLAINT -- SUMMONS. In an action for damages incurred as a result of failure to pay rent or damages as a result of the unlawful production of a controlled substance on the leased premises during the term for which the premises are let to the tenant, the plaintiff in his complaint must set forth the facts on which he seeks to recover. If the plaintiff combines his action for damages with an action for possession, the complaint shall also describe the premises with reasonable certainty and may set forth therein any circumstances which may have accompanied the alleged nonpayment of rent or the facts which are the basis for the landlord's reasonable grounds to believe that a person is, or has been, engaged in the unlawful production of a controlled substance on the leased premises during the term for which the premises are let to the tenant, and claim damages therefor; provided, however, that the early trial provision of section 6-310, Idaho Code, shall not be applicable when an action for damages is combined with an action for possession. In an action for damages, a summons must be issued returnable as in other cases upon filing the complaint.

SECTION 6. That Section 6-316, Idaho Code, be, and the same is hereby amended to read as follows:

6-316. JUDGMENT -- RESTITUTION. If, upon the trial, the verdict of the jury, or, if the case be tried without a jury, the finding of the court, be in favor of the plaintiff and against the defendant, judgment shall be entered for the restitution of the premises; and if the proceeding be for an unlawful detainer after neglect or failure to perform the conditions or covenants of the lease or agreement under which the property is held, or after default in the payment of rent or based upon a finding that a landlord had reasonable grounds to believe that a person is, or has been, engaged in the unlawful distribution, production, or use of a controlled substance on the leased premises during the term for which the premises are let to the tenant, the judgment shall also declare the forfeiture of such lease or agreement. The jury, or the court, if the proceeding be tried without a jury, shall also assess the damages occasioned to the plaintiff by any forcible entry, or by any forcible or unlawful detainer, alleged in the complaint and proved on the trial, and find the amount of any rent due, if the alleged unlawful
detainer be after default in the payment of rent or, after default, based upon a finding that a landlord had reasonable grounds to believe that a person is, or has been, engaged in the unlawful distribution, production, or use of a controlled substance on the leased premises during the term for which the premises are let to the tenant, and the judgment shall be rendered against the defendant guilty of the forcible entry, or forcible or unlawful detainer, for the amount of the damages thus assessed, and of the rent found due. When the proceeding is for an unlawful detainer after default in payment of rent where the tract of land is larger than five (5) acres, and the lease or agreement under which the rent is payable has not by its terms expired, execution upon the judgment shall not be issued until the expiration of five (5) days after the entry of the judgment, within which time the tenant, or any subtenant, or any mortgagee of the term, or other party interested in its continuance, may pay into court, for the landlord, the amount found due as rent, with interest thereon, and the amount of the damages found by the jury or the court for the unlawful detainer, and the costs of the proceeding, and thereupon the judgment shall be satisfied and the tenant be restored to his estate; but if payment as here provided be not made within the five (5) days, the judgment may be enforced for its full amount, and for the possession of the premises. In all other cases the judgment may be enforced immediately.

PART 2.
EFFECTIVENESS OF SECURITY AGREEMENT -- ATTACHMENT OF SECURITY INTEREST -- RIGHTS OF PARTIES TO SECURITY AGREEMENT

28-9-201. GENERAL EFFECTIVENESS OF SECURITY AGREEMENT. (a) Except as otherwise provided in the uniform commercial code, a security agreement is effective according to its terms between the parties, against purchasers of the collateral, and against creditors.
   (b) A transaction subject to this chapter is subject to any applicable rule of law which establishes a different rule for consumers, to the Idaho credit code, chapters 41 through 49, title 28, Idaho Code, and any rules promulgated thereunder and to the Idaho credit union act, chapter 21, title 26, Idaho Code, and any rules promulgated thereunder.
   (c) In case of conflict between this chapter and a rule of law, statute or rule described in subsection (b) of this section, the rule of law, statute or rule controls. Failure to comply with a statute or rule described in subsection (b) of this section has only the effect the statute or rule specifies.
   (d) This chapter does not:
      (1) Validate any rate, charge, agreement or practice that violates a rule of law, statute or rule described in subsection (b) of this section; or
      (2) Extend the application of the rule of law, statute or rule to a transaction not otherwise subject to it.
28-9-202. TITLE TO COLLATERAL IMMATERIAL. Except as otherwise pro-
vided with respect to consignments or sales of accounts, chattel paper,
payment intangibles or promissory notes, the provisions of this chapter
with regard to rights and obligations apply whether title to collateral
is in the secured party or the debtor.

28-9-203. ATTACHMENT AND ENFORCEABILITY OF SECURITY INTEREST --
PROCEEDS -- SUPPORTING OBLIGATIONS -- FORMAL REQUISITES. (a) A security
interest attaches to collateral when it becomes enforceable against the
debtor with respect to the collateral, unless an agreement expressly
postpones the time of attachment.

(b) Except as otherwise provided in subsections (c) through (i) of
this section, a security interest is enforceable against the debtor and
third parties with respect to the collateral only if:

1. Value has been given;
2. The debtor has rights in the collateral or the power to trans-
fer rights in the collateral to a secured party; and
3. One (1) of the following conditions is met:
   A. the debtor has authenticated a security agreement that
      provides a description of the collateral and, if the security
      interest covers timber to be cut, a description of the land
      concerned;
   B. the collateral is not a certificated security and is in
      the possession of the secured party under section 28-9-313 purs-
      uant to the debtor's security agreement;
   C. the collateral is a certificated security in registered
      form and the security certificate has been delivered to the
      secured party under section 28-8-301 pursuant to the debtor's
      security agreement; or
   D. the collateral is deposit accounts, electronic chattel
      paper, investment property, or letter of credit rights, and the
      secured party has control under section 28-9-104, 28-9-105,
      28-9-106 or 28-9-107 pursuant to the debtor's security agree-
      ment.

security interest of a letter of credit issuer or nominated person, section
28-9-110 on a security interest arising under chapter 2 or 12,
title 28, and section 28-9-206 on security interests in investment prop-

(d) A person becomes bound as debtor by a security agreement
entered into by another person if, by operation of law other than this
chapter or by contract:

1. The security agreement becomes effective to create a security
   interest in the person's property; or
2. The person becomes generally obligated for the obligations of
   the other person, including the obligation secured under the secu-
   rity agreement, and acquires or succeeds to all or substantially all
   of the assets of the other person.

(e) If a new debtor becomes bound as debtor by a security agreement
entered into by another person:

1. The agreement satisfies subsection (b)(3) of this section with
   respect to existing or after-acquired property of the new debtor to
   the extent the property is described in the agreement; and
(2) Another agreement is not necessary to make a security interest in the property enforceable.

(f) The attachment of a security interest in collateral gives the secured party the rights to proceeds provided by section 28-9-315 and is also attachment of a security interest in a supporting obligation for the collateral.

(g) The attachment of a security interest in a right to payment or performance secured by a security interest or other lien on personal or real property is also attachment of a security interest in the security interest, mortgage or other lien.

(h) The attachment of a security interest in a securities account is also attachment of a security interest in the securities account.

(b) A security interest does not attach under a term constituting an after-acquired property clause to:

(1) Consumer goods, other than an accession when given as additional security, unless the debtor acquires rights in them within ten (10) days after the secured party gives value; or

(2) A commercial tort claim.

(c) A security agreement may provide that collateral secures, or that accounts, chattel paper, payment intangibles or promissory notes are sold in connection with, future advances or other value, whether or not the advances or value are given pursuant to commitment.

28-9-205. USE OR DISPOSITION OF COLLATERAL PERMISSIBLE. (a) A security interest is not invalid or fraudulent against creditors solely because:

(1) The debtor has the right or ability to:
   (A) use, commingle or dispose of all or part of the collateral, including returned or repossessed goods;
   (B) collect, compromise, enforce or otherwise deal with collateral;
   (C) accept the return of collateral or make repossessions; or
   (D) use, commingle or dispose of proceeds; or

(2) The secured party fails to require the debtor to account for proceeds or replace collateral.

(b) This section does not relax the requirements of possession if attachment, perfection or enforcement of a security interest depends upon possession of the collateral by the secured party.

28-9-206. SECURITY INTEREST ARISING IN PURCHASE OR DELIVERY OF FINANCIAL ASSET. (a) A security interest in favor of a securities intermediary attaches to a person's security entitlement if:

(1) The person buys a financial asset through the securities inter-
mediary in a transaction in which the person is obligated to pay the purchase price to the securities intermediary at the time of the purchase; and
(2) The securities intermediary credits the financial asset to the buyer's securities account before the buyer pays the securities intermediary.

(b) The security interest described in subsection (a) of this section secures the person's obligation to pay for the financial asset.

(c) A security interest in favor of a person that delivers a certificated security or other financial asset represented by a writing attaches to the security or other financial asset if:

(1) The security or other financial asset:
   (A) in the ordinary course of business is transferred by delivery with any necessary indorsement or assignment; and
   (B) is delivered under an agreement between persons in the business of dealing with such securities or financial assets; and

(b) Except as otherwise provided in subsection (d) of this section, if a secured party has possession of collateral:

(1) Reasonable expenses, including the cost of insurance and payment of taxes or other charges, incurred in the custody, preservation, use or operation of the collateral are chargeable to the debtor and are secured by the collateral;

(2) The risk of accidental loss or damage is on the debtor to the extent of a deficiency in any effective insurance coverage;

(3) May create a security interest in the collateral.

(d) If the secured party is a buyer of accounts, chattel paper, payment intangibles, or promissory notes or a consignor:
(1) Subsection (a) of this section does not apply unless the secured party is entitled under an agreement:
   (A) to charge back uncollected collateral; or
   (B) otherwise to full or limited recourse against the debtor or a secondary obligor based on the nonpayment or other default of an account debtor or other obligor on the collateral; and

(c) A security interest or agricultural lien is perfected continuously if it is originally perfected by one (1) method under this chapter and is later perfected by another method under this chapter, without an intermediate period when it was unperfected.

(d) Perfection of a security interest in collateral also perfects a security interest in a supporting obligation for the collateral.

(e) Perfection of a security interest in a right to payment or performance also perfects a security interest in a security interest, mortgage or other lien on personal or real property securing the right.

(f) Perfection of a security interest in a securities account also perfects a security interest in the securities carried in the securities account.

(g) Perfection of a security interest in a commodity account also perfects a security interest in the commodity contracts carried in the commodity account.

28-9-309. SECURITY INTEREST PERFECTED UPON ATTACHMENT. The following security interests are perfected when they attach:

(1) A purchase-money security interest in consumer goods, except as otherwise provided in section 28-9-311(b) with respect to consumer goods that are subject to a statute or treaty described in section 28-9-311(a);

(2) An assignment of accounts or payment intangibles which does not by itself or in conjunction with other assignments to the same assignee transfer a significant part of the assignor's outstanding accounts or payment intangibles;

(3) A sale of a payment intangible;

(4) A sale of a promissory note;

(5) A security interest created by the assignment of a health care insurance receivable to the provider of the health care goods or services;

(6) A security interest arising under section 28-2-401, 28-2-505, 28-2-711(3) or 28-12-508(5), until the debtor obtains possession of the collateral;
(7) A security interest of a collecting bank arising under section 28-4-210;
(8) A security interest of an issuer or nominated person arising under section 28-5-120;
(9) A security interest arising in the delivery of a financial asset under section 28-9-206(c);
(10) A security interest in investment property created by a broker or securities intermediary;
(11) A security interest in a commodity contract or a commodity account created by a commodity intermediary;
(12) An assignment for the benefit of all creditors of the transferor and subsequent transfers by the assignee thereunder; and
(13) A security interest created by an assignment of a beneficial interest in a decedent's estate.

28-9-310. WHEN FILING REQUIRED TO PERFECT SECURITY INTEREST OR AGRICULTURAL LIEN -- SECURITY INTERESTS AND AGRICULTURAL LIENS TO WHICH FILING PROVISIONS DO NOT APPLY. (a) Except as otherwise provided in subsection (b) of this section and section 28-9-312(b), a financing statement must be filed to perfect all security interests and agricultural liens.

(b) The filing of a financing statement is not necessary to perfect a security interest:
(1) That is perfected under section 28-9-308(d), (e), (f) or (g);
(2) That is perfected under section 28-9-309 when it attaches;
(3) In property subject to a statute, regulation or treaty described in section 28-9-311(a);
(4) In goods in possession of a bailee which is perfected under section 28-9-312(d)(1) or (2);
(5) In certificated securities, documents, goods or instruments which is perfected without filing or possession under section 28-9-312(e), (f) or (g);
(6) In collateral in the secured party's possession under section 28-9-313;
(7) In a certificated security which is perfected by delivery of the security certificate to the secured party under section 28-9-313;
(8) In deposit accounts, electronic chattel paper, investment property, or letter of credit rights which is perfected by control under section 28-9-314;
(9) In proceeds which is perfected under section 28-9-315; or
(10) That is perfected under section 28-9-316.

(c) If a secured party assigns a perfected security interest or agricultural lien, a filing under this chapter is not required to continue the perfected status of the security interest against creditors of and transferees from the original debtor.

28-9-311. PERFECTION OF SECURITY INTERESTS IN PROPERTY SUBJECT TO CERTAIN STATUTES, REGULATIONS AND TREATIES. (a) Except as otherwise provided in subsection (d) of this section, the filing of a financing statement is not necessary or effective to perfect a security interest in property subject to:
(1) A statute, regulation or treaty of the United States whose requirements for a security interest's obtaining priority over the
rights of a lien creditor with respect to the property preempt section 28-9-310(a);
(2) Section 49-510, Idaho Code; or
(3) A certificate of title statute of another jurisdiction which provides for a security interest to be indicated on the certificate as a condition or result of the security interest's obtaining priority over the rights of a lien creditor with respect to the property.
(b) Compliance with the requirements of a statute, regulation or treaty described in subsection (a) of this section for obtaining priority over the rights of a lien creditor is equivalent to the filing of a financing statement under this chapter. Except as otherwise provided in subsection (d) of this section and sections 28-9-313 and 28-9-316(d) and (e) for goods covered by a certificate of title, a security interest in property subject to a statute, regulation or treaty described in subsection (a) of this section may be perfected only by compliance with those requirements, and a security interest so perfected remains perfected notwithstanding a change in the use or transfer of possession of the collateral.
(c) Except as otherwise provided in subsection (d) of this section and section 28-9-316(d) and (e), duration and renewal of perfection of a security interest perfected by compliance with the requirements prescribed by a statute, regulation or treaty described in subsection (a) of this section are governed by the statute, regulation or treaty. In other respects, the security interest is subject to this chapter.
(d) During any period in which collateral subject to a statute specified in subsection (a)(2) of this section is inventory held for sale or lease by a person or leased by that person as lessor and that person is in the business of selling or leasing goods of that kind, this section does not apply to a security interest in that collateral created by that person as debtor.
28-9-312. PERFECTION OF SECURITY INTERESTS IN CHATTEL PAPER, DEPOSIT ACCOUNTS, DOCUMENTS, GOODS COVERED BY DOCUMENTS, INSTRUMENTS, INVESTMENT PROPERTY, LETTER OF CREDIT RIGHTS AND MONEY -- PERFECTION BY PERMISSIVE FILING -- TEMPORARY PERFECTION WITHOUT FILING OR TRANSFER OF POSSESSION. (a) A security interest in chattel paper, negotiable documents, instruments or investment property may be perfected by filing.
(b) Except as otherwise provided in section 28-9-315(c) and (d) for proceeds:
(1) A security interest in a deposit account may be perfected only by control under section 28-9-314;
(2) And except as otherwise provided in section 28-9-308(d), a security interest in a letter of credit right may be perfected only by control under section 28-9-314; and
(3) A security interest in money may be perfected only by the secured party's taking possession under section 28-9-313.
(c) While goods are in the possession of a bailee that has issued a negotiable document covering the goods:
(1) A security interest in the goods may be perfected by perfecting a security interest in the document; and
(2) A security interest perfected in the document has priority over any security interest that becomes perfected in the goods by another method during that time.
(d) While goods are in the possession of a bailee that has issued a
nonnegotiable document covering the goods, a security interest in the
goods may be perfected by:
   (1) Issuance of a document in the name of the secured party;
   (2) The bailee's receipt of notification of the secured party's
       interest; or
   (3) Filing as to the goods.
   (e) A security interest in certified securities, negotiable doc­
       uments or instruments is perfected without filing or the taking of pos­
       session for a period of twenty (20) days from the time it attaches to
       the extent that it arises for new value given under an authenticated
       security agreement.
   (f) A perfected security interest in a negotiable document or goods
       in possession of a bailee, other than one that has issued a negotiable
       document for the goods, remains perfected for twenty (20) days without
       filing if the secured party makes available to the debtor the goods or
       documents representing the goods for the purpose of:
          (1) Ultimate sale or exchange; or
          (2) Loading, unloading, storing, shipping, transshipping, manufac­
              turing, processing or otherwise dealing with them in a manner pre­
              liminary to their sale or exchange.
   (g) A perfected security interest in a certificated security or
       instrument remains perfected for twenty (20) days without filing if the
       secured party delivers the security certificate or instrument to the
       debtor for the purpose of:
          (1) Ultimate sale or exchange; or
          (2) Presentation, collection, enforcement, renewal or registration
             of transfer.
   (h) After the twenty (20) day period specified in subsection (e),
       (f) or (g) of this section expires, perfection depends upon compliance
       with this chapter.

28-9-313. WHEN POSSESSION BY OR DELIVERY TO SECURED PARTY PERFECTS
SECURITY INTEREST WITHOUT FILING. (a) Except as otherwise provided in
subsection (b) of this section, a secured party may perfect a security
interest in negotiable documents, goods, instruments, money or tangible
chattel paper by taking possession of the collateral. A secured party
may perfect a security interest in certificated securities by taking
delivery of the certificated securities under section 28-8-301.
(b) With respect to goods covered by a certificate of title issued
by this state, a secured party may perfect a security interest in the
goods by taking possession of the goods only in the circumstances
described in section 28-9-316(d).
(c) With respect to collateral other than certificated securities
and goods covered by a document, a secured party takes possession of
collateral in the possession of a person other than the debtor, the
secured party or a lessee of the collateral from the debtor in the ordi­
nary course of the debtor's business, when:
   (1) The person in possession authenticates a record acknowledging
       that it holds possession of the collateral for the secured party's
       benefit; or
   (2) The person takes possession of the collateral after having
       authenticated a record acknowledging that it will hold possession of
       collateral for the secured party's benefit.
   (d) If perfection of a security interest depends upon possession of
the collateral by a secured party, perfection occurs no earlier than the
time the secured party takes possession and continues only while the
secured party retains possession.

(e) A security interest in a certificated security in registered
form is perfected by delivery when delivery of the certificated security
occurs under section 28-8-301, and remains perfected by delivery until
the debtor obtains possession of the security certificate.

(f) A person in possession of collateral is not required to
acknowledge that it holds possession for a secured party's benefit.

(g) If a person acknowledges that it holds possession for the
secured party's benefit:

1. The acknowledgment is effective under subsection (c) of this
section or section 28-8-301(1), even if the acknowledgment violates
the rights of a debtor; and

2. Unless the person otherwise agrees, or law other than this
chapter otherwise provides, the person does not owe any duty to the
secured party and is not required to confirm the acknowledgment to
another person.

(h) A secured party having possession of collateral does not relin­
quish possession by delivering the collateral to a person other than the
debtor or a lessee of the collateral from the debtor in the ordinary
course of the debtor's business if the person was instructed before the
delivery or is instructed contemporaneously with the delivery:

1. To hold possession of the collateral for the secured party's
benefit; or

2. To redeliver the collateral to the secured party.

(i) A secured party does not relinquish possession, even if a
delivery under subsection (h) of this section violates the rights of a
debtor. A person to which collateral is delivered under subsection (h)
of this section does not owe any duty to the secured party and is not
required to confirm the delivery to another person unless the person
otherwise agrees, or law other than this chapter otherwise provides.

28-9-314. PERFECTION BY CONTROL. (a) A security interest in invest­
ment property, deposit accounts, letter of credit rights, or electronic
chattel paper may be perfected by control of the collateral under sec­

(b) A security interest in deposit accounts, electronic chattel
paper, or letter of credit rights is perfected by control under section
28-9-104, 28-9-105 or 28-9-107, when the secured party obtains control
and remains perfected by control only while the secured party retains
control.

(c) A security interest in investment property is perfected by con­
trol under section 28-9-106 from the time the secured party obtains con­
trol and remains perfected by control until:

1. The secured party does not have control; and

2. One (1) of the following occurs:

(A) if the collateral is a certificated security, the debtor
has or acquires possession of the security certificate;

(B) if the collateral is an uncertificated security, the
issuer has registered or registers the debtor as the registered
owner; or

(C) if the collateral is a security entitlement, the debtor is
or becomes the entitlement holder.
28-9-315. SECURED PARTY'S RIGHTS ON DISPOSITION OF COLLATERAL AND IN PROCEEDS. (a) Except as otherwise provided in this chapter and in section 28-2-403(2):

(1) A security interest or agricultural lien continues in collateral notwithstanding sale, lease, license, exchange or other disposition thereof unless the secured party authorized the disposition free of the security interest or agricultural lien; and

(2) A security interest attaches to any identifiable proceeds of collateral.

(b) Proceeds that are commingled with other property are identifiable proceeds:

(1) If the proceeds are goods, to the extent provided by section 28-9-336; and

(2) If the proceeds are not goods, to the extent that the secured party identifies the proceeds by a method of tracing, including application of equitable principles, that is permitted under law other than this chapter with respect to commingled property of the type involved.

(c) A security interest in proceeds is a perfected security interest if the security interest in the original collateral was perfected.

(d) A perfected security interest in proceeds becomes unperfected on the twenty-first day after the security interest attaches to the proceeds unless:

(1) The following conditions are satisfied:

(A) a filed financing statement covers the original collateral;

(B) the proceeds are collateral in which a security interest may be perfected by filing in the office in which the financing statement has been filed; and

(C) the proceeds are not acquired with cash proceeds;

(2) The proceeds are identifiable cash proceeds; or

(3) The security interest in the proceeds is perfected other than under subsection (c) of this section when the security interest attaches to the proceeds or within twenty (20) days thereafter.

(e) If a filed financing statement covers the original collateral, a security interest in proceeds which remains perfected under subsection (d)(1) of this section becomes unperfected at the later of:

(1) When the effectiveness of the filed financing statement lapses under section 28-9-515 or is terminated under section 28-9-513; or

(2) The twenty-first day after the security interest attaches to the proceeds.

28-9-316. CONTINUED PERFECTION OF SECURITY INTEREST FOLLOWING CHANGE IN GOVERNING LAW. (a) A security interest perfected pursuant to the law of the jurisdiction designated in section 28-9-301(1) or 28-9-305(c) remains perfected until the earliest of:

(1) The time perfection would have ceased under the law of that jurisdiction;

(2) The expiration of four (4) months after a change of the debtor's location to another jurisdiction; or

(3) The expiration of one (1) year after a transfer of collateral to a person that thereby becomes a debtor and is located in another jurisdiction.

(b) If a security interest described in subsection (a) of this sec-
tion becomes perfected under the law of the other jurisdiction before the earliest time or event described in that subsection, it remains perfected thereafter. If the security interest does not become perfected under the law of the other jurisdiction before the earliest time or event, it becomes unperfected and is deemed never to have been perfected as against a purchaser of the collateral for value.

(c) A possessory security interest in collateral, other than goods covered by a certificate of title and as-extracted collateral consisting of goods, remains continuously perfected if:

(1) The collateral is located in one (1) jurisdiction and subject to a security interest perfected under the law of that jurisdiction;
(2) Thereafter the collateral is brought into another jurisdiction; and
(3) Upon entry into the other jurisdiction, the security interest is perfected under the law of the other jurisdiction.

(d) Except as otherwise provided in subsection (e) of this section, a security interest in goods covered by a certificate of title which is perfected by any method under the law of another jurisdiction when the goods become covered by a certificate of title from this state remains perfected until the security interest would have become unperfected under the law of the other jurisdiction had the goods not become so covered.

(e) A security interest described in subsection (d) of this section becomes unperfected as against a purchaser of the goods for value and is deemed never to have been perfected as against a purchaser of the goods for value if the applicable requirements for perfection under section 28-9-311(b) or 28-9-313 are not satisfied before the earlier of:

(1) The time the security interest would have become unperfected under the law of the other jurisdiction had the goods not become covered by a certificate of title from this state; or
(2) The expiration of four (4) months after the goods had become so covered.

(f) A security interest in deposit accounts, letter of credit rights, or investment property which is perfected under the law of the bank's jurisdiction, the issuer's jurisdiction, a nominated person's jurisdiction, the securities intermediary's jurisdiction, or the commodity intermediary's jurisdiction, as applicable, remains perfected until the earlier of:

(1) The time the security interest would have become unperfected under the law of that jurisdiction; or
(2) The expiration of four (4) months after a change of the applicable jurisdiction to another jurisdiction.

(g) If a security interest described in subsection (f) of this section becomes perfected under the law of the other jurisdiction before the earlier of the time or the end of the period described in that subsection, it remains perfected thereafter. If the security interest does not become perfected under the law of the other jurisdiction before the earlier of that time or the end of that period, it becomes unperfected and is deemed never to have been perfected as against a purchaser of the collateral for value.

28-9-317. INTERESTS THAT TAKE PRIORITY OVER OR TAKE FREE OF SECURITY INTEREST OR AGRICULTURAL LIEN. (a) A security interest or agricultural lien is subordinate to the rights of:
(1) A person entitled to priority under section 28-9-322; and
(2) Except as otherwise provided in subsection (e) of this section, a person that becomes a lien creditor before the earlier of the time:
   (A) the security interest or agricultural lien is perfected; or
   (B) one (1) of the conditions specified in section 28-9-203(b)(3) is met and a financing statement covering the collateral is filed.

(b) Except as otherwise provided in subsection (e) of this section, a buyer, other than a secured party, of tangible chattel paper, documents, goods, instruments or a security certificate takes free of a security interest or agricultural lien if the buyer gives value and receives delivery of the collateral without knowledge of the security interest or agricultural lien and before it is perfected.

(c) Except as otherwise provided in subsection (e) of this section, a lessee of goods takes free of a security interest or agricultural lien if the lessee gives value and receives delivery of the collateral without knowledge of the security interest or agricultural lien and before it is perfected.

(d) A licensee of a general intangible or a buyer, other than a secured party, of accounts, electronic chattel paper, general intangibles, or investment property other than a certificated security takes free of a security interest if the licensee or buyer gives value without knowledge of the security interest and before it is perfected.

(e) Except as otherwise provided in sections 28-9-320 and 28-9-321, if a person files a financing statement with respect to a purchase-money security interest before or within twenty (20) days after the debtor receives delivery of the collateral, the security interest takes priority over the rights of a buyer, lessee, or lien creditor which arise between the time the security interest attaches and the time of filing.

28-9-318. NO INTEREST RETAINED IN RIGHT TO PAYMENT THAT IS SOLD

RIGHTS AND TITLE OF SELLER OF ACCOUNT OR CHATTEL PAPER WITH RESPECT TO CREDITORS AND PURCHASERS. (a) A debtor that has sold an account, chattel paper, payment intangible or promissory note does not retain a legal or equitable interest in the collateral sold.

(b) For purposes of determining the rights of creditors of, and purchasers for value of an account or chattel paper from, a debtor that has sold an account or chattel paper, while the buyer's security interest is unperfected, the debtor is deemed to have rights and title to the account or chattel paper identical to those the debtor sold.

28-9-319. RIGHTS AND TITLE OF CONSIGNEE WITH RESPECT TO CREDITORS AND PURCHASERS. (a) Except as otherwise provided in subsection (b) of this section, for purposes of determining the rights of creditors of, and purchasers for value of goods from, a consignee, while the goods are in the possession of the consignee, the consignee is deemed to have rights and title to the goods identical to those the consignor had or had power to transfer.

(b) For purposes of determining the rights of a creditor of a consignee, law other than this chapter determines the rights and title of a consignee while goods are in the consignee's possession if, under this part, a perfected security interest held by the consignor would have
priority over the rights of the creditor.

28-9-320. BUYER OF GOODS. (a) Except as otherwise provided in subsection (e) of this section, a buyer in ordinary course of business, other than a person buying farm products from a person engaged in farming operations, takes free of a security interest created by the buyer's seller, even if the security interest is perfected and the buyer knows of its existence. A buyer who, in the ordinary course of business, buys farm products from a person engaged in farming operations or a commission merchant or selling agent who in the ordinary course of business sells farm products for a person engaged in farming operations shall take and sell free of a security interest created by his seller, even though the security interest is perfected and the buyer or commission merchant or selling agent knows of the existence of such interest, if he has registered with the secretary of state pursuant to section 28-9-523(h) and the security interest is not listed on the most recent master list or cumulative supplement distributed by the secretary of state pursuant to section 28-9-523(i), unless he has received written notification, as that term is used in applicable federal law and regulation, of the security interest from the secretary of state, his seller or the secured party.

(b) Except as otherwise provided in subsection (e) of this section, a buyer of goods from a person who used or bought the goods for use primarily for personal, family or household purposes takes free of a security interest, even if perfected, if the buyer buys:

(1) Without knowledge of the security interest;
(2) For value;
(3) Primarily for the buyer's personal, family or household purposes; and
(4) Before the filing of a financing statement covering the goods.

(c) To the extent that it affects the priority of a security interest over a buyer of goods under subsection (b) of this section, the period of effectiveness of a filing made in the jurisdiction in which the seller is located is governed by section 28-9-316(a) and (b).

(d) A buyer in ordinary course of business buying oil, gas, or other minerals at the wellhead or minehead or after extraction takes free of an interest arising out of an encumbrance.

(e) Subsections (a) and (b) of this section do not affect a security interest in goods in the possession of the secured party under section 28-9-313.

28-9-321. LICENSEE OF GENERAL INTANGIBLE AND LESSEE OF GOODS IN ORDINARY COURSE OF BUSINESS. (a) In this section, "licensee in ordinary course of business" means a person that becomes a licensee of a general intangible in good faith, without knowledge that the license violates the rights of another person in the general intangible, and in the ordinary course from a person in the business of licensing general intangibles of that kind. A person becomes a licensee in the ordinary course if the license to the person comports with the usual or customary practices in the kind of business in which the licensor is engaged or with the licensor's own usual or customary practices.

(b) A licensee in ordinary course of business takes its rights under a nonexclusive license free of a security interest in the general intangible created by the licensor, even if the security interest is
perfected and the licensee knows of its existence.

(c) A lessee in ordinary course of business takes its leasehold interest free of a security interest in the goods created by the lessor, even if the security interest is perfected and the lessee knows of its existence.

28-9-322. PRIORITIES AMONG CONFLICTING SECURITY INTERESTS IN AND AGRICULTURAL LIENS ON SAME COLLATERAL. (a) Except as otherwise provided in this section, priority among conflicting security interests and agricultural liens in the same collateral is determined according to the following rules:

(1) Conflicting perfected security interests and agricultural liens rank according to priority in time of filing or perfection. Priority dates from the earlier of the time a filing covering the collateral is first made or the security interest or agricultural lien is first perfected, if there is no period thereafter when there is neither filing nor perfection.

(2) A perfected security interest or agricultural lien has priority over a conflicting unperfected security interest or agricultural lien.

(3) The first security interest or agricultural lien to attach or become effective has priority if conflicting security interests and agricultural liens are unperfected.

(b) For the purposes of subsection (a)(1) of this section:

(1) The time of filing or perfection as to a security interest in collateral is also the time of filing or perfection as to a security interest in proceeds; and

(2) The time of filing or perfection as to a security interest in collateral supported by a supporting obligation is also the time of filing or perfection as to a security interest in the supporting obligation.

(c) Except as otherwise provided in subsection (f) of this section, a security interest in collateral which qualifies for priority over a conflicting security interest under section 28-9-327, 28-9-328, 28-9-329, 28-9-330 or 28-9-331 also has priority over a conflicting security interest in:

(1) Any supporting obligation for the collateral; and

(2) Proceeds of the collateral if:

(A) the security interest in proceeds is perfected;

(B) the proceeds are cash proceeds or of the same type as the collateral; and

(C) in the case of proceeds that are proceeds of proceeds, all intervening proceeds are cash proceeds, proceeds of the same type as the collateral, or an account relating to the collateral.

(d) Subject to subsection (e) of this section and except as otherwise provided in subsection (f) of this section, if a security interest in chattel paper, deposit accounts, negotiable documents, instruments, investment property, or letter of credit rights is perfected by a method other than filing, conflicting perfected security interests in proceeds of the collateral rank according to priority in time of filing.

(e) Subsection (d) of this section applies only if the proceeds of the collateral are not cash proceeds, chattel paper, negotiable documents, instruments, investment property or letter of credit rights.
(f) Subsections (a) through (e) of this section are subject to:
(1) Subsection (g) of this section and the other provisions of this part;
(2) Section 28-4-210 with respect to a security interest of a collecting bank;
(3) Section 28-5-120 with respect to a security interest of an issuer or nominated person; and
(4) Section 28-9-110 with respect to a security interest arising under chapter 2 or 12.
(g) A perfected agricultural lien on collateral has priority over a conflicting security interest in or agricultural lien on the same collateral if the statute creating the agricultural lien so provides.

28-9-322A. SECURITY INTERESTS IN CROPS FOR PROVISION OF AGRICULTURAL CHEMICALS. (a) As used in this section:
(1) "Agricultural chemical" means fertilizers and other chemicals applied to crops or land which is to be used for the raising of crops, including pesticides, soil amendments and plant regulators.
(2) "Fall agricultural chemical security interest" means a security interest in specific crops growing or to be grown granted by a grower to a supplier to secure the grower's obligation to repay value given by the supplier to enable the grower to purchase from the supplier (A) agricultural chemicals to apply to such crops or to land on which such crops will be grown, and (B) application of such agricultural chemicals if such application is performed by the supplier. To qualify as a fall agricultural chemical security interest, the security interest must also satisfy the following conditions:
   (i) Before supplying the agricultural chemicals to the grower, the supplier and grower provide the lender with a notification statement and opportunity to respond in accordance with this section;
   (ii) The security interest is perfected within twenty (20) days after the agricultural chemicals are delivered to the grower; and
   (iii) The agricultural chemicals are actually applied to the grower's land or crops during the period September 1 through December 15.
(3) "Grower" shall mean a specified debtor of a lender.
(4) "Lender" shall mean the holder of an existing perfected security interest in crops of a grower.
(5) "Letter of response" shall mean a statement by a supplier containing the information specified in subsection (j) of this section.
(6) "Notification statement" shall mean a statement by a supplier containing the information specified in subsection (h) of this section.
(7) "Supplier" shall mean a person who supplies agricultural chemicals to a grower.
(b) A supplier may obtain a fall agricultural chemical security interest as provided in this section. To the extent not otherwise expressly provided in this section, the provisions of this chapter apply to a fall agricultural chemical security interest. The amount secured by a fall agricultural security interest shall be the lesser of: (i) the agreed charges for the agricultural chemicals and application costs provided pursuant to the notification statement; or (ii) the amount of the
anticipated charges as reflected in the notification statement.

(c) A fall agricultural chemical security interest attaches to the existing crops upon the land where the agricultural chemical is applied, or if crops are not planted at the time of the application, to the next production crop from that land. It does not attach to crops already harvested or which are harvested before December 15 from such land, or to crops to be grown on such land after the next production crop, or to crops grown on other land than that identified in the notification statement.

(d) A fall agricultural chemical security interest is perfected by filing a financing statement.

(e) A fall agricultural chemical security interest shall have priority over a conflicting security interest in the same crops and identifiable proceeds thereof except for a prior perfected fall agricultural chemical security interest. In the event of any commingling of crops or proceeds covered by a fall agricultural chemical security interest with other crops or proceeds, the burden of proving the applicability of the fall agricultural chemical security interest to any particular crops or proceeds is on the supplier asserting it.

(f) Nothing in this section is intended to limit the priority of agricultural liens established by the statutes creating such liens, and a perfected agricultural lien shall have priority over a conflicting security interest (including a fall agricultural chemical security interest) if the statute creating the agricultural lien provides such priority.

(g) A supplier may notify the lender that the supplier intends to supply agricultural chemicals to the grower and that the supplier requests the lender to issue a letter of response. In order to so notify the lender, the supplier shall provide a notification statement to the lender in an envelope marked CROP SECURITY INTEREST NOTIFICATION STATEMENT, sent by certified mail addressed to the lender at the address for such lender shown on such lender's most recently filed UCC-1F financing statement regarding that grower.

(h) A notification statement shall contain:

(1) The name, address and signature of the supplier providing the notification statement;
(2) The date the notification statement was prepared;
(3) The name and address of the lender;
(4) The name and address of the person to whom the lender's response to the supplier should be addressed;
(5) A description and anticipated date of the application of agricultural chemicals and the anticipated charges for the agricultural chemicals, including anticipated application costs;
(6) The name, address and signature of the grower to whom the supplier furnished or intends to furnish agricultural chemicals;
(7) A reasonable description of the real estate sufficient to identify the same where the agricultural chemicals are to be applied;
(8) The name and address of the owner (if other than the grower) of such real property;
(9) A description of the crops growing or to be grown on such real property as to which the supplier intends to supply agricultural chemicals and upon which the supplier claims or intends to obtain a security interest;
(10) The social security number or federal tax identification number
of the grower to whom the supplier intends to provide agricultural chemicals; and
(11) The social security number or federal tax identification number of the supplier providing the notice.

(i) Within fifteen (15) days after actual receipt of a notification statement, the lender shall deposit in the U.S. mail, certified, a letter of response to the supplier. A copy of the lender's letter of response shall be sent to the grower.

(j) A letter of response shall contain the name, address and signature of the lender, and either

(1) A statement by the lender that there is an outstanding commitment for operating financing from the lender to the grower, and that the lender shall reserve the amount in the notification statement for the purpose of honoring drafts or other demands for payment by the supplier accompanied by invoices signed by the grower or other proof of delivery signed by the grower; or

(2) A statement by the lender that the lender shall subordinate the priority of its security interest in specified crops of the grower to the priority of the security interest in such crops obtained or to be obtained by the supplier, and specifying that the maximum amount of such subordination shall be the amount stated in the notification statement; or

(3) A statement by the lender that it declines to either reserve funds or subordinate its security interest.

(k) If the lender's letter of response states that the lender declines to either reserve funds or subordinate its security interest, the respective rights of the lender and the supplier are not affected by this section and the relative priority between the lender's security interest in crops, and any security interest obtained by the supplier in such crops, shall be determined according to the ordinary rules governing the priority of conflicting security interests in the same collateral, unless the supplier's security interest is a fall agricultural chemical security interest.

(l) If the lender does not mail its letter of response to the supplier within fifteen (15) days after receiving the notification statement, and the supplier has perfected a security interest in such crops or perfects such security interest within ten (10) days after the expiration of the fifteen (15) day period for the lender to respond, the supplier's perfected security interest in such crops shall take priority over the lender's perfected security interest in such crops, but only to the extent of the lesser of (1) the amount stated in the notification statement, or (2) the unpaid agreed charges for the agricultural chemicals identified in the notification statement and actually applied to, or for the benefit of, such crops.

(m) Any amounts repaid by any person on the grower's obligation for which the supplier has obtained an agricultural chemical security interest shall reduce the value of the agricultural chemical security interest on a dollar-for-dollar basis, and amounts may not be reborrowed or readvanced under the same notification statement. If the supplier receives proceeds of any collateral of the lender (other than proceeds of the crops covered by the fall agricultural security interest), such proceeds shall be turned over to the lender. In order to obtain the benefits of this section, any additional sales of agricultural chemicals not included in the original notification statement must be the subject
of a new notification statement, to which the lender may issue a new letter of response.

(n) No one but the supplier shall be entitled to rely on a letter of response. Rights (if any) under a letter of response are not assignable, except in connection with an assignment by the supplier of the entire security interest to which such letter of response relates. By issuing a letter of response and performing thereunder, the lender does not become a partner, joint venturer or fiduciary of either the grower or the supplier.

28-9-323. FUTURE ADVANCES. (a) Except as otherwise provided in subsection (c) of this section, for purposes of determining the priority of a perfected security interest under section 28-9-322(a)(1), perfection of the security interest dates from the time an advance is made to the extent that the security interest secures an advance that:

1. Is made while the security interest is perfected only:
   (A) under section 28-9-309 when it attaches; or
   (B) temporarily under section 28-9-312(e), (f) or (g); and

2. Is not made pursuant to a commitment entered into before or while the security interest is perfected by a method other than under section 28-9-309 or 28-9-312(e), (f) or (g).

(b) Except as otherwise provided in subsection (c) of this section, a security interest is subordinate to the rights of a person that becomes a lien creditor to the extent that the security interest secures an advance made more than forty-five (45) days after the person becomes a lien creditor unless the advance is made:

1. Without knowledge of the lien; or
2. Pursuant to a commitment entered into without knowledge of the lien.

(c) Subsections (a) and (b) of this section do not apply to a security interest held by a secured party that is a buyer of accounts, chattel paper, payment intangibles, or promissory notes or a consignor.

(d) Except as otherwise provided in subsection (e) of this section,
a buyer of goods other than a buyer in ordinary course of business takes free of a security interest to the extent that it secures advances made after the earlier of:

1. The time the secured party acquires knowledge of the buyer's purchase; or
2. Forty-five (45) days after the purchase.

(e) Subsection (d) of this section does not apply if the advance is made pursuant to a commitment entered into without knowledge of the buyer's purchase and before the expiration of the forty-five (45) day period.

(f) Except as otherwise provided in subsection (g) of this section, a lessee of goods, other than a lessee in ordinary course of business, takes the leasehold interest free of a security interest to the extent that it secures advances made after the earlier of:

1. The time the secured party acquires knowledge of the lease; or
2. Forty-five (45) days after the lease contract becomes enforceable.

(g) Subsection (f) of this section does not apply if the advance is made pursuant to a commitment entered into without knowledge of the lease and before the expiration of the forty-five (45) day period.

28-9-324. PRIORITY OF PURCHASE-MONEY SECURITY INTERESTS. (a) Except as otherwise provided in subsection (g) of this section, a perfected purchase-money security interest in goods other than inventory or livestock has priority over a conflicting security interest in the same goods and, except as otherwise provided in section 28-9-327, a perfected security interest in its identifiable proceeds also has priority, if the purchase-money security interest is perfected when the debtor receives possession of the collateral or within twenty (20) days thereafter.

(b) Subject to subsection (c) of this section and except as otherwise provided in subsection (g) of this section, a perfected purchase-money security interest in inventory has priority over a conflicting security interest in the same inventory, has priority over a conflicting security interest in chattel paper or an instrument constituting proceeds of the inventory and in proceeds of the chattel paper, if so provided in section 28-9-330, and, except as otherwise provided in section 28-9-327, also has priority in identifiable cash proceeds of the inventory to the extent the identifiable cash proceeds are received on or before delivery of the inventory to a buyer, if:

1. The purchase-money security interest is perfected when the debtor receives possession of the inventory;
2. The purchase-money secured party sends an authenticated notification to the holder of the conflicting security interest;
3. The holder of the conflicting security interest receives the notification within five (5) years before the debtor receives possession of the inventory; and
4. The notification states that the person sending the notification has or expects to acquire a purchase-money security interest in inventory of the debtor and describes the inventory.

(c) Subsections (b)(2) through (b)(4) of this section apply only if the holder of the conflicting security interest had filed a financing statement covering the same types of inventory:

1. If the purchase-money security interest is perfected by filing, before the date of the filing; or
(2) If the purchase-money security interest is temporarily perfected without filing or possession under section 28-9-312(f), before the beginning of the twenty (20) day period thereunder.

(d) Subject to subsection (e) of this section and except as otherwise provided in subsection (g) of this section, a perfected purchase-money security interest in livestock that are farm products has priority over a conflicting security interest in the same livestock and, except as otherwise provided in section 28-9-327, a perfected security interest in their identifiable proceeds and identifiable products in their unmanufactured states also has priority, if:

(1) The purchase-money security interest is perfected when the debtor receives possession of the livestock;
(2) The purchase-money secured party sends an authenticated notification to the holder of the conflicting security interest;
(3) The holder of the conflicting security interest receives the notification within six (6) months before the debtor receives possession of the livestock; and
(4) The notification states that the person sending the notification has or expects to acquire a purchase-money security interest in livestock of the debtor and describes the livestock.

(e) Subsections (d)(2) through (d)(4) of this section apply only if the holder of the conflicting security interest had filed a financing statement covering the same types of livestock:
(1) If the purchase-money security interest is perfected by filing, before the date of the filing; or
(2) If the purchase-money security interest is temporarily perfected without filing or possession under section 28-9-312(f), before the beginning of the twenty (20) day period thereunder.

(f) Except as otherwise provided in subsection (g) of this section, a perfected purchase-money security interest in software has priority over a conflicting security interest in the same collateral and, except as otherwise provided in section 28-9-327, a perfected security interest in its identifiable proceeds also has priority, to the extent that the purchase-money security interest in the goods in which the software was acquired for use has priority in the goods and proceeds of the goods under this section.

(g) If more than one (1) security interest qualifies for priority in the same collateral under subsection (a), (b), (d) or (f) of this section:
(1) A security interest securing an obligation incurred as all or part of the price of the collateral has priority over a security interest securing an obligation incurred for value given to enable the debtor to acquire rights in or the use of collateral; and
(2) In all other cases, section 28-9-322(a) applies to the qualifying security interests.

28-9-325. PRIORITY OF SECURITY INTERESTS IN TRANSFERRED COLLATERAL.

(a) Except as otherwise provided in subsection (b) of this section, a security interest created by a debtor is subordinate to a security interest in the same collateral created by another person if:
(1) The debtor acquired the collateral subject to the security interest created by the other person;
(2) The security interest created by the other person was perfected when the debtor acquired the collateral; and
(3) There is no period thereafter when the security interest is unperfected.

(b) Subsection (a) of this section subordinates a security interest only if the security interest:

(1) Otherwise would have priority solely under section 28-9-322(a) or 28-9-324; or

(2) Arose solely under section 28-2-711(3) or 28-12-508(5).

28-9-326. PRIORITY OF SECURITY INTERESTS CREATED BY NEW DEBTOR. (a) Subject to subsection (b) of this section, a security interest created by a new debtor which is perfected by a filed financing statement that is effective solely under section 28-9-508 in collateral in which a new debtor has or acquires rights is subordinate to a security interest in the same collateral which is perfected other than by a filed financing statement that is effective solely under section 28-9-508.

(b) The other provisions of this part determine the priority among conflicting security interests in the same collateral perfected by filed financing statements that are effective solely under section 28-9-508. However, if the security agreements to which a new debtor became bound as debtor were not entered into by the same original debtor, the conflicting security interests rank according to priority in time of the new debtor's having become bound.

28-9-327. PRIORITY OF SECURITY INTERESTS IN DEPOSIT ACCOUNT. The following rules govern priority among conflicting security interests in the same deposit account:

(1) A security interest held by a secured party having control of the deposit account under section 28-9-104 has priority over a conflicting security interest held by a secured party that does not have control.

(2) Except as otherwise provided in subsections (3) and (4) of this section, security interests perfected by control under section 28-9-314 rank according to priority in time of obtaining control.

(3) Except as otherwise provided in subsection (4) of this section, a security interest held by the bank with which the deposit account is maintained has priority over a conflicting security interest held by another secured party.

(4) A security interest perfected by control under section 28-9-104(a)(3) has priority over a security interest held by the bank with which the deposit account is maintained.

28-9-328. PRIORITY OF SECURITY INTERESTS IN INVESTMENT PROPERTY. The following rules govern priority among conflicting security interests in the same investment property:

(1) A security interest held by a secured party having control of investment property under section 28-9-106 has priority over a security interest held by a secured party that does not have control of the investment property.

(2) Except as otherwise provided in subsections (3) and (4) of this section, conflicting security interests held by secured parties each of which has control under section 28-9-106 rank according to priority in time of:

(A) If the collateral is a security, obtaining control;

(B) If the collateral is a security entitlement carried in a secu-
rities account and:

(i) if the secured party obtained control under section 28-8-106(4)(a), the secured party's becoming the person for which the securities account is maintained;

(ii) if the secured party obtained control under section 28-8-106(4)(b), the securities intermediary's agreement to comply with the secured party's entitlement orders with respect to security entitlements carried or to be carried in the securities account; or

(iii) if the secured party obtained control through another person under section 28-8-106(4)(c), the time on which priority would be based under this paragraph if the other person were the secured party; or

(C) If the collateral is a commodity contract carried with a commodity intermediary, the satisfaction of the requirement for control specified in section 28-9-106(b)(2) with respect to commodity contracts carried or to be carried with the commodity intermediary.

(3) A security interest held by a securities intermediary in a security entitlement or a securities account maintained with the securities intermediary has priority over a conflicting security interest held by another secured party.

(4) A security interest held by a commodity intermediary in a commodity contract or a commodity account maintained with the commodity intermediary has priority over a conflicting security interest held by another secured party.

(5) A security interest in a certificated security in registered form which is perfected by taking delivery under section 28-9-313(a) and not by control under section 28-9-314 has priority over a conflicting security interest perfected by a method other than control.

(6) Conflicting security interests created by a broker, securities intermediary or commodity intermediary which are perfected without control under section 28-9-106 rank equally.

(7) In all other cases, priority among conflicting security interests in investment property is governed by sections 28-9-322 and 28-9-323.

28-9-329. PRIORITY OF SECURITY INTERESTS IN LETTER OF CREDIT RIGHT. The following rules govern priority among conflicting security interests in the same letter of credit right:

(1) A security interest held by a secured party having control of the letter of credit right under section 28-9-107 has priority to the extent of its control over a conflicting security interest held by a secured party that does not have control.

(2) Security interests perfected by control under section 28-9-314 rank according to priority in time of obtaining control.

28-9-330. PRIORITY OF PURCHASER OF CHATTEL PAPER OR INSTRUMENT. (a) A purchaser of chattel paper has priority over a security interest in the chattel paper which is claimed merely as proceeds of inventory subject to a security interest if:

(1) In good faith and in the ordinary course of the purchaser's business, the purchaser gives new value and takes possession of the chattel paper or obtains control of the chattel paper under section 28-9-105; and
(2) The chattel paper does not indicate that it has been assigned to an identified assignee other than the purchaser.

(b) A purchaser of chattel paper has priority over a security interest in the chattel paper which is claimed other than merely as proceeds of inventory subject to a security interest if the purchaser gives new value and takes possession of the chattel paper or obtains control of the chattel paper under section 28-9-105 in good faith, in the ordinary course of the purchaser's business, and without knowledge that the purchase violates the rights of the secured party.

(c) Except as otherwise provided in section 28-9-327, a purchaser having priority in chattel paper under subsection (a) or (b) of this section also has priority in proceeds of the chattel paper to the extent that:

1. Section 28-9-322 provides for priority in the proceeds; or
2. The proceeds consist of the specific goods covered by the chattel paper or cash proceeds of the specific goods, even if the purchaser's security interest in the proceeds is unperfected.

(d) Except as otherwise provided in section 28-9-331(a), a purchaser of an instrument has priority over a security interest in the instrument perfected by a method other than possession if the purchaser gives value and takes possession of the instrument in good faith and without knowledge that the purchase violates the rights of the secured party.

(e) For purposes of subsections (a) and (b) of this section, the holder of a purchase-money security interest in inventory gives new value for chattel paper constituting proceeds of the inventory.

(f) For purposes of subsections (b) and (d) of this section, if chattel paper or an instrument indicates that it has been assigned to an identified secured party other than the purchaser, a purchaser of the chattel paper or instrument has knowledge that the purchase violates the rights of the secured party.

28-9-331. PRIORITY OF RIGHTS OF PURCHASERS OF INSTRUMENTS, DOCUMENTS AND SECURITIES UNDER OTHER CHAPTERS -- PRIORITY OF INTERESTS IN FINANCIAL ASSETS AND SECURITY ENTITLEMENTS UNDER CHAPTER 8. (a) This chapter does not limit the rights of a holder in due course of a negotiable instrument, a holder to which a negotiable document of title has been duly negotiated, or a protected purchaser of a security. These holders or purchasers take priority over an earlier security interest, even if perfected, to the extent provided in chapters 3, 7 and 8.

(b) This chapter does not limit the rights of or impose liability on a person to the extent that the person is protected against the assertion of a claim under chapter 8.

(c) Filing under this chapter does not constitute notice of a claim or defense to the holders, or purchasers, or persons described in subsections (a) and (b) of this section.

28-9-332. TRANSFER OF MONEY -- TRANSFER OF FUNDS FROM DEPOSIT ACCOUNT. (a) A transferee of money takes the money free of a security interest unless the transferee acts in collusion with the debtor in violating the rights of the secured party.
(b) A transferee of funds from a deposit account takes the funds free of a security interest in the deposit account unless the transferee acts in collusion with the debtor in violating the rights of the secured party.

28-9-333. PRIORITY OF CERTAIN LIENS ARISING BY OPERATION OF LAW. (a) In this section, "possessor lien" means an interest, other than a security interest or an agricultural lien:
   (1) Which secures payment or performance of an obligation for services or materials furnished with respect to goods by a person in the ordinary course of the person's business;
   (2) Which is created by statute or rule of law in favor of the person; and
   (3) Whose effectiveness depends on the person's possession of the goods.
   (b) A possessory lien on goods has priority over a security interest in the goods unless the lien is created by a statute that expressly provides otherwise.

28-9-334. PRIORITY OF SECURITY INTERESTS IN FIXTURES AND CROPS. (a) A security interest under this chapter may be created in goods that are fixtures or may continue in goods that become fixtures. A security interest does not exist under this chapter in ordinary building materials incorporated into an improvement on land.
   (b) This chapter does not prevent creation of an encumbrance upon fixtures under real property law.
   (c) In cases not governed by subsections (d) through (h) of this section, a security interest in fixtures is subordinate to a conflicting interest of an encumbrancer or owner of the related real property other than the debtor.
   (d) Except as otherwise provided in subsection (h) of this section, a perfected security interest in fixtures has priority over a conflicting interest of an encumbrancer or owner of the real property if the debtor has an interest of record in or is in possession of the real property and:
      (1) The security interest is a purchase-money security interest;
      (2) The interest of the encumbrancer or owner arises before the goods become fixtures; and
      (3) The security interest is perfected by a fixture filing before the goods become fixtures or within twenty (20) days thereafter.
   (e) A perfected security interest in fixtures has priority over a conflicting interest of an encumbrancer or owner of the real property if:
      (1) The debtor has an interest of record in the real property or is in possession of the real property and the security interest:
         (A) is perfected by a fixture filing before the interest of the encumbrancer or owner is of record; and
         (B) has priority over any conflicting interest of a predecessor in title of the encumbrancer or owner;
      (2) Before the goods become fixtures, the security interest is perfected by any method permitted by this chapter and the fixtures are readily removable:
         (A) factory or office machines;
(B) equipment that is not primarily used or leased for use in the operation of the real property; or
(C) replacements of domestic appliances that are consumer goods;

(3) The conflicting interest is a lien on the real property obtained by legal or equitable proceedings after the security interest was perfected by any method permitted by this chapter; or

(4) The security interest is:
(A) created in a manufactured home in a manufactured home transaction; and
(B) perfected pursuant to a statute described in section 28-9-311(a)(2).

(f) A security interest in fixtures, whether or not perfected, has priority over a conflicting interest of an encumbrancer or owner of the real property if:
(1) The encumbrancer or owner has, in an authenticated record, consented to the security interest or disclaimed an interest in the goods as fixtures; or
(2) The debtor has a right to remove the goods as against the encumbrancer or owner.

(g) The priority of the security interest under subsection (f)(2) of this section continues for a reasonable time if the debtor's right to remove the goods as against the encumbrancer or owner terminates.

(h) A mortgage is a construction mortgage to the extent that it secures an obligation incurred for the construction of an improvement on land, including the acquisition cost of the land, if a recorded record of the mortgage so indicates. Except as otherwise provided in subsections (e) and (f) of this section, a security interest in fixtures is subordinate to a construction mortgage if a record of the mortgage is recorded before the goods become fixtures and the goods become fixtures before the completion of the construction. A mortgage has this priority to the same extent as a construction mortgage to the extent that it is given to refinance a construction mortgage.

(i) A perfected security interest in crops growing on real property has priority over a conflicting interest of an encumbrancer or owner of the real property if the debtor has an interest of record in or is in possession of the real property.

28-9-335. ACCESSIONS. (a) A security interest may be created in an accession and continues in collateral that becomes an accession.

(b) If a security interest is perfected when the collateral becomes an accession, the security interest remains perfected in the collateral.

(c) Except as otherwise provided in subsections (d) and (g) of this section, the other provisions of this part determine the priority of a security interest in an accession.

(d) Except as otherwise provided in subsection (g) of this section, a security interest in an accession is subordinate to a security interest in the whole which is perfected by compliance with the requirements of a certificate of title statute under section 28-9-311(b).

(e) After default, subject to part 6, a secured party may remove an accession from other goods if the security interest in the accession has priority over the claims of every person having an interest in the whole.
(f) A secured party that removes an accession from other goods under subsection (e) of this section shall promptly reimburse any holder of a security interest or other lien on, or owner of, the whole or of the other goods, other than the debtor, for the cost of repair of any physical injury to the whole or the other goods. The secured party need not reimburse the holder or owner for any diminution in value of the whole or the other goods caused by the absence of the accession removed or by any necessity for replacing it. A person entitled to reimbursement may refuse permission to remove until the secured party gives adequate assurance for the performance of the obligation to reimburse.

(g) A security interest in an accession has priority over a security interest in the whole which is perfected by compliance with the requirements of a certificate-of-title statute under subsection (b) of section 28-9-311, Idaho Code, if the security interest in the accession is a purchase money security interest that is perfected when the debtor receives possession of the accession or within twenty (20) days thereafter.

28-9-336. COMMINGLED GOODS. (a) In this section, "commingled goods" means goods that are physically united with other goods in such a manner that their identity is lost in a product or mass.

(b) A security interest does not exist in commingled goods as such. However, a security interest may attach to a product or mass that results when goods become commingled goods.

(c) If collateral becomes commingled goods, a security interest attaches to the product or mass.

(d) If a security interest in collateral is perfected before the collateral becomes commingled goods, the security interest that attaches to the product or mass under subsection (c) of this section is perfected.

(e) Except as otherwise provided in subsection (f) of this section, the other provisions of this part determine the priority of a security interest that attaches to the product or mass under subsection (c) of this section.

(f) If more than one (1) security interest attaches to the product or mass under subsection (c) of this section, the following rules determine priority:

(1) A security interest that is perfected under subsection (d) of this section has priority over a security interest that is unperfected at the time the collateral becomes commingled goods.

(2) If more than one (1) security interest is perfected under subsection (d) of this section, the security interests rank equally in proportion to the value of the collateral at the time it became commingled goods.

28-9-337. PRIORITY OF SECURITY INTERESTS IN GOODS COVERED BY CERTIFICATE OF TITLE. If, while a security interest in goods is perfected by any method under the law of another jurisdiction, this state issues a certificate of title that does not show that the goods are subject to the security interest or contain a statement that they may be subject to security interests not shown on the certificate:

(1) A buyer of the goods, other than a person in the business of selling goods of that kind, takes free of the security interest if the
buyer gives value and receives delivery of the goods after issuance of the certificate and without knowledge of the security interest; and

(2) The security interest is subordinate to a conflicting security interest in the goods that attaches, and is perfected under section 28-9-311(b), after issuance of the certificate and without the conflicting secured party's knowledge of the security interest.

28-9-338. PRIORITY OF SECURITY INTEREST OR AGRICULTURAL LIEN PERFECTED BY FILED FINANCING STATEMENT PROVIDING CERTAIN INCORRECT INFORMATION. If a security interest or agricultural lien is perfected by a filed financing statement providing information described in section 28-9-516(b)(5) which is incorrect at the time the financing statement is filed:

(1) The security interest or agricultural lien is subordinate to a conflicting perfected security interest in the collateral to the extent that the holder of the conflicting security interest gives value in reasonable reliance upon the incorrect information; and

(2) A purchaser, other than a secured party, of the collateral takes free of the security interest or agricultural lien to the extent that, in reasonable reliance upon the incorrect information, the purchaser gives value and, in the case of chattel paper, documents, goods, instruments, or a security certificate, receives delivery of the collateral.

28-9-339. PRIORITY SUBJECT TO SUBORDINATION. This article does not preclude subordination by agreement by a person entitled to priority.

28-9-340. EFFECTIVENESS OF RIGHT OF RECOUPEMENT OR SET-OFF AGAINST DEPOSIT ACCOUNT. (a) Except as otherwise provided in subsection (c) of this section, a bank with which a deposit account is maintained may exercise any right of recoupment or set-off against a secured party that holds a security interest in the deposit account.

(b) Except as otherwise provided in subsection (c) of this section, the application of this chapter to a security interest in a deposit account does not affect a right of recoupment or set-off of the secured party as to a deposit account maintained with the secured party.

(c) The exercise by a bank of a set-off against a deposit account is ineffective against a secured party that holds a security interest in the deposit account which is perfected by control under section 28-9-104(a)(3), if the set-off is based on a claim against the debtor.

28-9-341. BANK'S RIGHTS AND DUTIES WITH RESPECT TO DEPOSIT ACCOUNT. Except as otherwise provided in section 28-9-340(c), and unless the bank otherwise agrees in an authenticated record, a bank's rights and duties with respect to a deposit account maintained with the bank are not terminated, suspended or modified by:

(1) The creation, attachment or perfection of a security interest in the deposit account;

(2) The bank's knowledge of the security interest; or

(3) The bank's receipt of instructions from the secured party.

28-9-342. BANK'S RIGHT TO REFUSE TO ENTER INTO OR DISCLOSE EXISTENCE OF CONTROL AGREEMENT. This chapter does not require a bank to enter into an agreement of the kind described in section 28-9-104(a)(2),
even if its customer so requests or directs. A bank that has entered into such an agreement is not required to confirm the existence of the agreement to another person unless requested to do so by its customer.

PART 4.
RIGHTS OF THIRD PARTIES

28-9-401. ALIENABILITY OF DEBTOR'S RIGHTS. (a) Except as otherwise provided in subsection (b) of this section and sections 28-9-406, 28-9-407, 28-9-408 and 28-9-409, whether a debtor's rights in collateral may be voluntarily or involuntarily transferred is governed by law other than this chapter.
(b) An agreement between the debtor and secured party which prohibits a transfer of the debtor's rights in collateral or makes the transfer a default does not prevent the transfer from taking effect.

28-9-402. SECURED PARTY NOT OBLIGATED ON CONTRACT OF DEBTOR OR IN TORT. The existence of authority given to a debtor to dispose of or use collateral, without more, does not subject a secured party to liability in contract or tort for the debtor's acts or omissions.

28-9-403. AGREEMENT NOT TO ASSERT DEFENSES AGAINST ASSIGNEE. (a) In this section, "value" has the meaning provided in section 28-3-303(1).
(b) Except as otherwise provided in this section, an agreement between an account debtor and an assignor not to assert against an assignee any claim or defense that the account debtor may have against the assignor is enforceable by an assignee that takes an assignment:
(1) For value;
(2) In good faith;
(3) Without notice of a claim of a property or possessory right to the property assigned; and
(4) Without notice of a defense or claim in recoupment of the type that may be asserted against a person entitled to enforce a negotiable instrument under section 28-3-305(1).
(c) Subsection (b) of this section does not apply to defenses of a type that may be asserted against a holder in due course of a negotiable instrument under section 28-3-305(2).
(d) In a consumer transaction, if a record evidences the account debtor's obligation, law other than this chapter requires that the record include a statement to the effect that the rights of an assignee are subject to claims or defenses that the account debtor could assert against the original obligee, and the record does not include such a statement:
(1) The record has the same effect as if the record included such a statement; and
(2) The account debtor may assert against an assignee those claims and defenses that would have been available if the record included such a statement.
(e) This section is subject to law other than this chapter which establishes a different rule for an account debtor who is an individual and who incurred the obligation primarily for personal, family or household purposes.
(f) Except as otherwise provided in subsection (d) of this section,
this section does not displace law other than this chapter which gives effect to an agreement by an account debtor not to assert a claim or defense against an assignee.

28-9-404. RIGHTS ACQUIRED BY ASSIGNEE -- CLAIMS AND DEFENSES AGAINST ASSIGNEE. (a) Unless an account debtor has made an enforceable agreement not to assert defenses or claims, and subject to subsections (b) through (e) of this section, the rights of an assignee are subject to:

(1) All terms of the agreement between the account debtor and assignor and any defense or claim in recoupment arising from the transaction that gave rise to the contract; and

(2) Any other defense or claim of the account debtor against the assignor which accrues before the account debtor receives a notification of the assignment authenticated by the assignor or the assignee.

(b) Subject to subsection (c) of this section and except as otherwise provided in subsection (d) of this section, the claim of an account debtor against an assignor may be asserted against an assignee under subsection (a) of this section only to reduce the amount the account debtor owes.

(c) This section is subject to law other than this chapter which establishes a different rule for an account debtor who is an individual and who incurred the obligation primarily for personal, family or household purposes.

(d) In a consumer transaction, if a record evidences the account debtor's obligation, law other than this chapter requires that the record include a statement to the effect that the account debtor's recovery against an assignee with respect to claims and defenses against the assignor may not exceed amounts paid by the account debtor under the record, and the record does not include such a statement, the extent to which a claim of an account debtor against the assignor may be asserted against an assignee is determined as if the record included such a statement.

(e) This section does not apply to an assignment of a health care insurance receivable.

28-9-405. MODIFICATION OF ASSIGNED CONTRACT. (a) A modification of or substitution for an assigned contract is effective against an assignee if made in good faith. The assignee acquires corresponding rights under the modified or substituted contract. The assignment may provide that the modification or substitution is a breach of contract by the assignor. This subsection is subject to subsections (b) through (d) of this section.

(b) Subsection (a) of this section applies to the extent that:

(1) The right to payment or a part thereof under an assigned contract has not been fully earned by performance; or

(2) The right to payment or a part thereof has been fully earned by performance and the account debtor has not received notification of the assignment under section 28-9-406(a).

(c) This section is subject to law other than this chapter which establishes a different rule for an account debtor who is an individual and who incurred the obligation primarily for personal, family or household purposes.
(d) This section does not apply to an assignment of a health care insurance receivable.

28-9-406. DISCHARGE OF ACCOUNT DEBTOR — NOTIFICATION OF ASSIGNMENT — IDENTIFICATION AND PROOF OF ASSIGNMENT — RESTRICTIONS ON ASSIGNMENT OF ACCOUNTS, CHATTEL PAPER, PAYMENT INTANGIBLES AND PROMISSORY NOTES INEFFECTIVE. (a) Subject to subsections (b) through (i) of this section, an account debtor on an account, chattel paper or a payment intangible may discharge its obligation by paying the assignor until, but not after, the account debtor receives a notification, authenticated by the assignor or the assignee, that the amount due or to become due has been assigned and that payment is to be made to the assignee. After receipt of the notification, the account debtor may discharge its obligation by paying the assignee and may not discharge the obligation by paying the assignor.

(b) Subject to subsection (h) of this section, notification is ineffective under subsection (a) of this section:

(1) If it does not reasonably identify the rights assigned;
(2) To the extent that an agreement between an account debtor and a seller of a payment intangible limits the account debtor's duty to pay a person other than the seller and the limitation is effective under law other than this chapter; or
(3) At the option of an account debtor, if the notification notifies the account debtor to make less than the full amount of any installment or other periodic payment to the assignee, even if:
   (A) only a portion of the account, chattel paper or payment intangible has been assigned to that assignee;
   (B) a portion has been assigned to another assignee; or
   (C) the account debtor knows that the assignment to that assignee is limited.

(c) Subject to subsection (h) of this section, if requested by the account debtor, an assignee shall seasonably furnish reasonable proof that the assignment has been made. Unless the assignee complies, the account debtor may discharge its obligation by paying the assignor, even if the account debtor has received a notification under subsection (a) of this section.

(d) Except as otherwise provided in subsection (e) of this section and sections 28-9-407 and 28-12-303, and subject to subsection (h) of this section, a term in an agreement between an account debtor and an assignor or in a promissory note is ineffective to the extent that it:

(1) Prohibits, restricts or requires the consent of the account debtor or person obligated on the promissory note to the assignment or transfer of, or the creation, attachment, perfection or enforcement of a security interest in, the account, chattel paper, payment intangible or promissory note; or
(2) Provides that the assignment or transfer or the creation, attachment, perfection or enforcement of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination, or remedy under the account, chattel paper, payment intangible or promissory note.

(e) Subsection (d) of this section does not apply to the sale of a payment intangible or promissory note.

(f) Except as otherwise provided in sections 28-9-407 and 28-12-303 and subject to subsections (h) and (i) of this section, a rule of law,
statute, rule or regulation that prohibits, restricts, or requires the consent of a government, governmental body or official, or account debtor to the assignment or transfer of, or creation of a security interest in, an account or chattel paper is ineffective to the extent that the rule of law, statute, rule or regulation:

(1) Prohibits, restricts or requires the consent of the government, governmental body or official, or account debtor to the assignment or transfer of, or the creation, attachment, perfection, or enforcement of a security interest in the account or chattel paper; or

(2) Provides that the assignment or transfer or the creation, attachment, perfection or enforcement of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination or remedy under the account or chattel paper.

(g) Subject to subsection (h) of this section, an account debtor may not waive or vary its option under subsection (b)(3) of this section.

(h) This section is subject to law other than this chapter which establishes a different rule for an account debtor who is an individual and who incurred the obligation primarily for personal, family or household purposes.

(i) This section does not apply to an assignment of a health care insurance receivable, an award of compensation made pursuant to the crime victims compensation act, chapter 10, title 72, Idaho Code, or a lottery prize subject to the provisions of chapter 74, title 67, Idaho Code.

28-9-407. RESTRICTIONS ON CREATION OR ENFORCEMENT OF SECURITY INTEREST IN LEASEHOLD INTEREST OR IN LESSOR'S RESIDUAL INTEREST. (a) Except as otherwise provided in subsection (b) of this section, a term in a lease agreement is ineffective to the extent that it:

(1) Prohibits, restricts or requires the consent of a party to the lease to the assignment or transfer of, or the creation, attachment, perfection, or enforcement of a security interest in, an interest of a party under the lease contract or in the lessor's residual interest in the goods; or

(2) Provides that the assignment or transfer or the creation, attachment, perfection or enforcement of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination, or remedy under the lease.

(b) Except as otherwise provided in section 28-12-303(7), a term described in subsection (a)(2) of this section is effective to the extent that there is:

(1) A transfer by the lessee of the lessee's right of possession or use of the goods in violation of the term; or

(2) A delegation of a material performance of either party to the lease contract in violation of the term.

(c) The creation, attachment, perfection or enforcement of a security interest in the lessor's interest under the lease contract or the lessor's residual interest in the goods is not a transfer that materially impairs the lessee's prospect of obtaining return performance or materially changes the duty of or materially increases the burden or risk imposed on the lessee within the purview of section 28-12-303(4) unless, and then only to the extent that, enforcement actually results
in a delegation of material performance of the lessor.

28-9-408. RESTRICTIONS ON ASSIGNMENT OF PROMISSORY NOTES, HEALTH CARE INSURANCE RECEIVABLES, AND CERTAIN GENERAL INTANGIBLES INEFFECTIVE.
(a) Except as otherwise provided in subsection (b) of this section, a term in a promissory note or in an agreement between an account debtor and a debtor which relates to a health care insurance receivable or a general intangible, including a contract, permit, license, or franchise, and which term prohibits, restricts, or requires the consent of the person obligated on the promissory note or the account debtor to, the assignment or transfer of, or creation, attachment, or perfection of a security interest in, the promissory note, health care insurance receivable, or general intangible, is ineffective to the extent that the term:
(1) Would impair the creation, attachment or perfection of a security interest; or
(2) Provides that the assignment or transfer or the creation, attachment, or perfection of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination, or remedy under the promissory note, health care insurance receivable, or general intangible.
(b) Subsection (a) of this section applies to a security interest in a payment intangible or promissory note only if the security interest arises out of a sale of the payment intangible or promissory note.
(c) A rule of law, statute, rule or regulation that prohibits, restricts, or requires the consent of a government, governmental body or official, person obligated on a promissory note, or account debtor to the assignment or transfer of, or creation of a security interest in, a promissory note, health care insurance receivable, or general intangible, including a contract, permit, license, or franchise between an account debtor and a debtor, is ineffective to the extent that the rule of law, statute or regulation:
(1) Would impair the creation, attachment or perfection of a security interest; or
(2) Provides that the assignment or transfer or the creation, attachment, or perfection of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination, or remedy under the promissory note, health care insurance receivable, or general intangible.
(d) To the extent that a term in a promissory note or in an agreement between an account debtor and a debtor which relates to a health care insurance receivable or general intangible or a rule of law, statute or regulation described in subsection (c) of this section would be effective under law other than this chapter but is ineffective under subsection (a) or (c) of this section, the creation, attachment, or perfection of a security interest in the promissory note, health care insurance receivable, or general intangible:
(1) Is not enforceable against the person obligated on the promissory note or the account debtor;
(2) Does not impose a duty or obligation on the person obligated on the promissory note or the account debtor;
(3) Does not require the person obligated on the promissory note or the account debtor to recognize the security interest, pay or render performance to the secured party, or accept payment or performance from the secured party;
(4) Does not entitle the secured party to use or assign the debtor's rights under the promissory note, health care insurance receivable, or general intangible, including any related information or materials furnished to the debtor in the transaction giving rise to the promissory note, health care insurance receivable, or general intangible;
(5) Does not entitle the secured party to use, assign, possess, or have access to any trade secrets or confidential information of the person obligated on the promissory note or the account debtor; and
(6) Does not entitle the secured party to enforce the security interest in the promissory note, health care insurance receivable, or general intangible.

28-9-409. RESTRICTIONS ON ASSIGNMENT OF LETTER OF CREDIT RIGHTS INEFFECTIVE. (a) A term in a letter of credit or a rule of law, statute, rule, regulation, custom or practice applicable to the letter of credit which prohibits, restricts or requires the consent of an applicant, issuer or nominated person to a beneficiary's assignment of or creation of a security interest in a letter of credit right is ineffective to the extent that the term or rule of law, statute, rule, regulation, custom or practice:
(1) Would impair the creation, attachment or perfection of a security interest in the letter of credit right; or
(2) Provides that the assignment or the creation, attachment or perfection of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination, or remedy under the letter of credit right.
(b) To the extent that a term in a letter of credit is ineffective under subsection (a) of this section but would be effective under law other than this chapter or a custom or practice applicable to the letter of credit, to the transfer of a right to draw or otherwise demand performance under the letter of credit, or to the assignment of a right to proceeds of the letter of credit, the creation, attachment, or perfection of a security interest in the letter of credit right:
(1) Is not enforceable against the applicant, issuer, nominated person or transferee beneficiary;
(2) Imposes no duties or obligations on the applicant, issuer, nominated person or transferee beneficiary; and
(3) Does not require the applicant, issuer, nominated person or transferee beneficiary to recognize the security interest, pay or render performance to the secured party, or accept payment or other performance from the secured party.

PART 5.
FILING

28-9-501. FILING OFFICE. (a) Except as otherwise provided in subsection (b) of this section, if the local law of this state governs perfection of a security interest or agricultural lien, the office in which to file a financing statement to perfect the security interest or agricultural lien is:
(1) The office designated for the filing or recording of a record of a mortgage on the related real property, if:
(A) the collateral is as-extracted collateral or timber to be cut; or
(B) the financing statement is filed as a fixture filing and the collateral is goods that are or are to become fixtures; or
(2) The office of the secretary of state or any office duly authorized by the secretary of state, in all other cases, including a case in which the collateral is goods that are or are to become fixtures and the financing statement is not filed as a fixture filing.
(b) The office in which to file a financing statement to perfect a security interest in collateral, including fixtures, of a transmitting utility is the office of the secretary of state. The financing statement also constitutes a fixture filing as to the collateral indicated in the financing statement which is or is to become a fixture.

28-9-502. CONTENTS OF FINANCING STATEMENT -- RECORD OF MORTGAGE AS FINANCING STATEMENT -- TIME OF FILING FINANCING STATEMENT -- FARM PRODUCTS. (a) Subject to subsection (b) of this section, a financing statement is sufficient only if it:
(1) Provides the name of the debtor;
(2) Provides the name of the secured party or a representative of the secured party; and
(3) Indicates the collateral covered by the financing statement.
(b) Except as otherwise provided in section 28-9-501(b), to be sufficient, a financing statement that covers as-extracted collateral or timber to be cut, or which is filed as a fixture filing and covers goods that are or are to become fixtures, must satisfy subsection (a) of this section and also:
(1) Indicate that it covers this type of collateral;
(2) Indicate that it is to be filed in the real property records;
(3) Provide a description of the real property to which the collateral is related sufficient to give constructive notice of a mortgage under the law of this state if the description were contained in a record of the mortgage of the real property; and
(4) If the debtor does not have an interest of record in the real property, provide the name of a record owner.
(c) A record of a mortgage is effective, from the date of recording, as a financing statement filed as a fixture filing or as a financing statement covering as-extracted collateral or timber to be cut only if:
(1) The record indicates the goods or accounts that it covers;
(2) The goods are or are to become fixtures related to the real property described in the record or the collateral is related to the real property described in the record and is as-extracted collateral or timber to be cut;
(3) The record satisfies the requirements for a financing statement in this section other than an indication that it is to be filed in the real property records; and
(4) The record is recorded.
(d) A financing statement may be filed before a security agreement is made or a security interest otherwise attaches.
(e) A financing statement covering farm products is sufficient if it contains the following information:
(1) The name and address of the debtor;
(2) The debtor's signature;
(3) The name, address and signature of the secured party;
(4) The social security number of the debtor, or in the case of a debtor doing business other than as an individual, the debtor's internal revenue service taxpayer identification number;
(5) A description by category of the farm products subject to the security interest and the amount of such products, where applicable;
(6) A reasonable description of the real estate where the farm products are produced or located. This provision may be satisfied by a designation of the county or counties, and a legal description is not required.
(f) A financing statement described in subsection (e) of this section must be amended in writing within three (3) months, and similarly signed and filed, to reflect any material changes. In the event such form is not incorporated within the financing statement, the effectiveness and continuation of that form is to be treated as if it were a part of the financing statement with which it is filed.

28-9-503. NAME OF DEBTOR AND SECURED PARTY. (a) A financing statement sufficiently provides the name of the debtor:
(1) If the debtor is a registered organization, only if the financing statement provides the name of the debtor indicated on the public record of the debtor's jurisdiction of organization which shows the debtor to have been organized;
(2) If the debtor is a decedent's estate, only if the financing statement provides the name of the decedent and indicates that the debtor is an estate;
(3) If the debtor is a trust or a trustee acting with respect to property held in trust, only if the financing statement:
(A) provides the name specified for the trust in its organic documents or, if no name is specified, provides the name of the settlor and additional information sufficient to distinguish the debtor from other trusts having one (1) or more of the same settlors; and
(B) indicates, in the debtor's name or otherwise, that the debtor is a trust or is a trustee acting with respect to property held in trust; and
(4) In other cases:
(A) if the debtor has a name, only if it provides the individual or organizational name of the debtor; and
(B) if the debtor does not have a name, only if it provides the names of the partners, members, associates or other persons comprising the debtor.
(b) A financing statement that provides the name of the debtor in accordance with subsection (a) of this section is not rendered ineffective by the absence of:
(1) A trade name or other name of the debtor; or
(2) Unless required under subsection (a)(4)(B) of this section, names of partners, members, associates or other persons comprising the debtor.
(c) A financing statement that provides only the debtor's trade name does not sufficiently provide the name of the debtor.
(d) Failure to indicate the representative capacity of a secured party or representative of a secured party does not affect the sufficiency of a financing statement.
(e) A financing statement may provide the name of more than one (1) debtor and the name of more than one (1) secured party.

28-9-504. INDICATION OF COLLATERAL. A financing statement sufficiently indicates the collateral that it covers if the financing statement provides:
(1) A description of the collateral pursuant to section 28-9-108; or
(2) An indication that the financing statement covers all assets or all personal property.

28-9-505. FILING AND COMPLIANCE WITH OTHER STATUTES AND TREATIES FOR CONSIGNMENTS, LEASES, OTHER BAILMENTS, AND OTHER TRANSACTIONS. (a) A consignor, lessor, or other bailor of goods, a licensor, or a buyer of a payment intangible or promissory note may file a financing statement, or may comply with a statute or treaty described in section 28-9-311(a), using the terms "consignor," "consignee," "lessor," "lessee," "bailor," "bailee," "licensor," "licensee," "owner," "registered owner," "buyer," "seller," or words of similar import, instead of the terms "secured party" and "debtor."
(b) This part applies to the filing of a financing statement under subsection (a) of this section and, as appropriate, to compliance that is equivalent to filing a financing statement under section 28-9-311(b), but the filing or compliance is not of itself a factor in determining whether the collateral secures an obligation. If it is determined for another reason that the collateral secures an obligation, a security interest held by the consignor, lessor, bailor, licensor, owner or buyer which attaches to the collateral is perfected by the filing or compliance.

28-9-506. EFFECT OF ERRORS OR OMISSIONS. (a) A financing statement substantially satisfying the requirements of this part is effective, even if it has minor errors or omissions, unless the errors or omissions make the financing statement seriously misleading.
(b) Except as otherwise provided in subsection (c) of this section, a financing statement that fails sufficiently to provide the name of the debtor in accordance with section 28-9-503(a) is seriously misleading.
(c) If a search of the records of the filing office under the debtor's correct name, using the filing office's standard search logic, if any, would disclose a financing statement that fails sufficiently to provide the name of the debtor in accordance with section 28-9-503(a), the name provided does not make the financing statement seriously misleading.
(d) For purposes of section 28-9-508(b), the "debtor's correct name" in subsection (c) of this section means the correct name of the new debtor.

28-9-507. EFFECT OF CERTAIN EVENTS ON EFFECTIVENESS OF FINANCING STATEMENT. (a) A filed financing statement remains effective with respect to collateral that is sold, exchanged, leased, licensed, or otherwise disposed of and in which a security interest or agricultural lien continues, even if the secured party knows of or consents to the disposition.
(b) Except as otherwise provided in subsection (c) of this section
and section 28-9-508, a financing statement is not rendered ineffectual if, after the financing statement is filed, the information provided in the financing statement becomes seriously misleading under section 28-9-506.

(c) If a debtor so changes its name that a filed financing statement becomes seriously misleading under section 28-9-506:

1. The financing statement is effective to perfect a security interest in collateral acquired by the debtor before, or within four (4) months after, the change; and
2. The financing statement is not effective to perfect a security interest in collateral acquired by the debtor more than four (4) months after the change, unless an amendment to the financing statement which renders the financing statement not seriously misleading is filed within four (4) months after the change.

28-9-508. EFFECTIVENESS OF FINANCING STATEMENT IF NEW DEBTOR BECOMES BOUND BY SECURITY AGREEMENT. (a) Except as otherwise provided in this section, a filed financing statement naming an original debtor is effective to perfect a security interest in collateral in which a new debtor has or acquires rights to the extent that the financing statement would have been effective had the original debtor acquired rights in the collateral.

(b) If the difference between the name of the original debtor and that of the new debtor causes a filed financing statement that is effective under subsection (a) of this section to be seriously misleading under section 28-9-506:

1. The financing statement is effective to perfect a security interest in collateral acquired by the new debtor before, and within four (4) months after, the new debtor becomes bound under section 28-9-203(d); and
2. The financing statement is not effective to perfect a security interest in collateral acquired by the new debtor more than four (4) months after the new debtor becomes bound under section 28-9-203(d) unless an initial financing statement providing the name of the new debtor is filed before the expiration of that time.

(c) This section does not apply to collateral as to which a filed financing statement remains effective against the new debtor under section 28-9-507(a).

28-9-509. PERSONS ENTITLED TO FILE A RECORD. (a) A person may file an initial financing statement, amendment that adds collateral covered by a financing statement, or amendment that adds a debtor to a financing statement only if:

1. The debtor authorizes the filing in an authenticated record or pursuant to subsection (b) or (c) of this section; or
2. The person holds an agricultural lien that has become effective at the time of filing and the financing statement covers only collateral in which the person holds an agricultural lien.

(b) By authenticating or becoming bound as debtor by a security agreement, a debtor or new debtor authorizes the filing of an initial financing statement, and an amendment, covering:

1. The collateral described in the security agreement; and
2. Property that becomes collateral under section 28-9-315(a)(2), whether or not the security agreement expressly covers proceeds.
(c) By acquiring collateral in which a security interest or agricultural lien continues under section 28-9-315(a)(1), a debtor authorizes the filing of an initial financing statement, and an amendment, covering the collateral and property that becomes collateral under section 28-9-315(a)(2).

(d) A person may file an amendment other than an amendment that adds collateral covered by a financing statement or an amendment that adds a debtor to a financing statement only if:

1. The secured party of record authorizes the filing; or
2. The amendment is a termination statement for a financing statement as to which the secured party of record has failed to file or send a termination statement as required by section 28-9-513(a) or (c), the debtor authorizes the filing, and the termination statement indicates that the debtor authorized it to be filed.

(e) If there is more than one secured party of record for a financing statement, each secured party of record may authorize the filing of an amendment under subsection (d) of this section.

28-9-510. EFFECTIVENESS OF FILED RECORD. (a) A filed record is effective only to the extent that it was filed by a person that may file it under section 28-9-509.

(b) A record authorized by one secured party of record does not affect the financing statement with respect to another secured party of record.

(c) A continuation statement that is not filed within the six-month period prescribed by section 28-9-515(d) is ineffective.

28-9-511. SECURED PARTY OF RECORD. (a) A secured party of record with respect to a financing statement is a person whose name is provided as the name of the secured party or a representative of the secured party in an initial financing statement that has been filed. If an initial financing statement is filed under section 28-9-514(a), the assignee named in the initial financing statement is the secured party of record with respect to the financing statement.

(b) If an amendment of a financing statement which provides the name of a person as a secured party or a representative of a secured party is filed, the person named in the amendment is a secured party of record. If an amendment is filed under section 28-9-514(b), the assignee named in the amendment is a secured party of record.

(c) A person remains a secured party of record until the filing of an amendment of the financing statement which deletes the person.

28-9-512. AMENDMENT OF FINANCING STATEMENT. (a) Subject to section 28-9-509, a person may add or delete collateral covered by, continue or terminate the effectiveness of, or, subject to subsection (e) of this section, otherwise amend the information provided in, a financing statement by filing an amendment that:

1. Identifies, by its file number, the initial financing statement to which the amendment relates; and
2. If the amendment relates to an initial financing statement filed or recorded in a filing office described in section 28-9-501(a)(1), provides the information specified in section 28-9-502(b).

(b) Except as otherwise provided in section 28-9-515, the filing of
an amendment does not extend the period of effectiveness of the financing statement.

(c) A financing statement that is amended by an amendment that adds collateral is effective as to the added collateral only from the date of the filing of the amendment.

(d) A financing statement that is amended by an amendment that adds a debtor is effective as to the added debtor only from the date of the filing of the amendment.

(e) An amendment is ineffective to the extent it:
(1) Purports to delete all debtors and fails to provide the name of a debtor to be covered by the financing statement; or
(2) Purports to delete all secured parties of record and fails to provide the name of a new secured party of record.

28-9-513. TERMINATION STATEMENT. (a) A secured party shall cause the secured party of record for a financing statement to file a termination statement for the financing statement if the financing statement covers consumer goods and:

(1) There is no obligation secured by the collateral covered by the financing statement and no commitment to make an advance, incur an obligation, or otherwise give value; or
(2) The debtor did not authorize the filing of the initial financing statement.

(b) To comply with subsection (a) of this section, a secured party shall cause the secured party of record to file the termination statement:

(1) Within one (1) month after there is no obligation secured by the collateral covered by the financing statement and no commitment to make an advance, incur an obligation, or otherwise give value; or
(2) If earlier, within twenty (20) days after the secured party receives an authenticated demand from a debtor.

(c) In cases not governed by subsection (a) of this section, within twenty (20) days after a secured party receives an authenticated demand from a debtor, the secured party shall cause the secured party of record for a financing statement to send to the debtor a termination statement for the financing statement or file the termination statement in the filing office if:

(1) Except in the case of a financing statement covering accounts or chattel paper that has been sold or goods that are the subject of a consignment, there is no obligation secured by the collateral covered by the financing statement and no commitment to make an advance, incur an obligation, or otherwise give value;
(2) The financing statement covers accounts or chattel paper that has been sold but as to which the account debtor or other person obligated has discharged its obligation;
(3) The financing statement covers goods that were the subject of a consignment to the debtor but are not in the debtor's possession; or
(4) The debtor did not authorize the filing of the initial financing statement.

(d) Except as otherwise provided in section 28-9-510, upon the filing of a termination statement with the filing office, the financing statement to which the termination statement relates ceases to be effective. Except as otherwise provided in section 28-9-510, for purposes of sections 28-9-519(g), 28-9-522(a) and 28-9-523(c), the filing with the
filing office of a termination statement relating to a financing statement that indicates that the debtor is a transmitting utility also causes the effectiveness of the financing statement to lapse.

28-9-514. ASSIGNMENT OF POWERS OF SECURED PARTY OF RECORD. (a) Except as otherwise provided in subsection (c) of this section, an initial financing statement may reflect an assignment of all of the secured party's power to authorize an amendment to the financing statement by providing the name and mailing address of the assignee as the name and address of the secured party.

(b) Except as otherwise provided in subsection (c) of this section, a secured party of record may assign of record all or part of its power to authorize an amendment to a financing statement by filing in the filing office an amendment of the financing statement which:

(1) Identifies, by its file number, the initial financing statement to which it relates;
(2) Provides the name of the assignor; and
(3) Provides the name and mailing address of the assignee.

(c) An assignment of record of a security interest in a fixture covered by a record of a mortgage which is effective as a financing statement filed as a fixture filing under section 28-9-502(c) may be made only by an assignment of record of the mortgage in the manner provided by law of this state other than the uniform commercial code.

28-9-515. DURATION AND EFFECTIVENESS OF FINANCING STATEMENT — EFFECT OF LAPSED FINANCING STATEMENT. (a) Except as otherwise provided in subsections (b), (e), (f) and (g) of this section, a filed financing statement is effective for a period of five (5) years after the date of filing.

(b) Except as otherwise provided in subsections (e), (f) and (g) of this section, an initial financing statement filed in connection with a public finance transaction or manufactured home transaction is effective for a period of thirty (30) years after the date of filing if it indicates that it is filed in connection with a public finance transaction or manufactured home transaction.

(c) The effectiveness of a filed financing statement lapses on the expiration of the period of its effectiveness unless before the lapse a continuation statement is filed pursuant to subsection (d) of this section. Upon lapse, a financing statement ceases to be effective and any security interest or agricultural lien that was perfected by the financing statement becomes unperfected, unless the security interest is perfected otherwise. If the security interest or agricultural lien becomes unperfected upon lapse, it is deemed never to have been perfected as against a purchaser of the collateral for value.

(d) A continuation statement may be filed only within six (6) months before the expiration of the five (5) year period specified in subsection (a) of this section or the thirty (30) year period specified in subsection (b) of this section, whichever is applicable.

(e) Except as otherwise provided in section 28-9-510, upon timely filing of a continuation statement, the effectiveness of the initial financing statement continues for a period of five (5) years commencing on the day on which the financing statement would have become ineffective in the absence of the filing. Upon the expiration of the five (5) year period, the financing statement lapses in the same manner as pro-
vided in subsection (c) of this section, unless, before the lapse, another continuation statement is filed pursuant to subsection (d) of this section. Succeeding continuation statements may be filed in the same manner to continue the effectiveness of the initial financing statement.

(f) If a debtor is a transmitting utility and a filed financing statement so indicates, the financing statement is effective until a termination statement is filed.

(g) A record of a mortgage that is effective as a financing statement filed as a fixture filing under section 28-9-502(c) remains effective as a financing statement filed as a fixture filing until the mortgage is released or satisfied of record or its effectiveness otherwise terminates as to the real property.

28-9-516. WHAT CONSTITUTES FILING -- EFFECTIVENESS OF FILING. (a) Except as otherwise provided in subsection (b) of this section, communication of a record to a filing office and tender of the filing fee or acceptance of the record by the filing office constitutes filing.

(b) Filing does not occur with respect to a record that a filing office refuses to accept because:

(1) The record is not communicated by a method or medium of communication authorized by the filing office;

(2) An amount equal to or greater than the applicable filing fee is not tendered;

(3) The filing office is unable to index the record because:

(A) in the case of an initial financing statement, the record does not provide a name for the debtor;

(B) in the case of an amendment or correction statement, the record:

(i) does not identify the initial financing statement as required by section 28-9-512 or 28-9-518, as applicable; or

(ii) identifies an initial financing statement whose effectiveness has lapsed under section 28-9-515;

(C) in the case of an initial financing statement that provides the name of a debtor identified as an individual or an amendment that provides a name of a debtor identified as an individual which was not previously provided in the financing statement to which the record relates, the record does not identify the debtor's last name; or

(D) in the case of a record filed, or recorded, in the filing office described in section 28-9-501(a)(1), the record does not provide a sufficient description of the real property to which it relates;

(4) In the case of an initial financing statement or an amendment that adds a secured party of record, the record does not provide a name and mailing address for the secured party of record;

(5) In the case of an initial financing statement or an amendment that provides a name of a debtor which was not previously provided in the financing statement to which the amendment relates, the record does not:

(A) provide a mailing address for the debtor;

(B) indicate whether the debtor is an individual or an organization; or
(c) if the financing statement indicates that the debtor is an organization, provide:
   (i) a type of organization for the debtor;
   (ii) a jurisdiction of organization for the debtor; or
   (iii) an organizational identification number for the debtor or indicate that the debtor has none;

(6) In the case of an assignment reflected in an initial financing statement under section 28-9-514(a) or an amendment filed under section 28-9-514(b), the record does not provide a name and mailing address for the assignee;

(7) In the case of a continuation statement, the record is not filed within the six (6) month period prescribed by section 28-9-515(d);

(8) In the case of a financing statement covering farm products, the financing statement does not contain all of the information specified in section 28-9-502(e) and does not conform to the official form for farm products financing statements published by the secretary of state; or

(9) In the case of an amendment or correction statement relating to a financing statement covering farm products, the amendment or correction statement does not conform to the official form for amendment or correction statements relating to financing statements covering farm products published by the secretary of state.

(c) For purposes of subsection (b) of this section:
   (1) A record does not provide information if the filing office is unable to read or decipher the information; and
   (2) A record that does not indicate that it is an amendment or identify an initial financing statement to which it relates, as required by section 28-9-512, 28-9-514 or 28-9-518, is an initial financing statement.

(d) A record that is communicated to the filing office with tender of the filing fee, but which the filing office refuses to accept for a reason other than one set forth in subsection (b) of this section, is effective as a filed record except as against a purchaser of the collateral which gives value in reasonable reliance upon the absence of the record from the files.

28-9-517. EFFECT OF INDEXING ERRORS. The failure of the filing office to index a record correctly does not affect the effectiveness of the filed record.

28-9-518. CLAIM CONCERNING INACCURATE OR WRONGFULLY FILED RECORD. 
(a) A person may file in the filing office a correction statement with respect to a record indexed there under the person's name if the person believes that the record is inaccurate or was wrongfully filed.

(b) A correction statement must:
   (1) Identify the record to which it relates by the file number assigned to the initial financing statement to which the record relates;
   (2) Indicate that it is a correction statement; and
   (3) Provide the basis for the person's belief that the record is inaccurate and indicate the manner in which the person believes the record should be amended to cure any inaccuracy or provide the basis for the person's belief that the record was wrongfully filed.
(c) The filing of a correction statement does not affect the effectiveness of an initial financing statement or other filed record.

28-9-519. NUMBERING, MAINTAINING, AND INDEXING RECORDS -- COMMUNICATING INFORMATION PROVIDED IN RECORDS. (a) For each record filed in a filing office, the filing office shall:
   (1) Assign a unique number to the filed record;
   (2) Create a record that bears the number assigned to the filed record and the date and time of filing;
   (3) Maintain the filed record for public inspection; and
   (4) Index the filed record in accordance with subsections (c), (d) and (e) of this section.

(b) A file number assigned after January 1, 2002, must include a digit that:
   (1) Is mathematically derived from or related to the other digits of the file number; and
   (2) Aids the filing office in determining whether a number communicated as the file number includes a single digit or transpositional error.

(c) Except as otherwise provided in subsections (d) and (e) of this section, the filing office shall:
   (1) Index an initial financing statement according to the name of the debtor and index all filed records relating to the initial financing statement in a manner that associates with one another an initial financing statement and all filed records relating to the initial financing statement; and
   (2) Index a record that provides a name of a debtor which was not previously provided in the financing statement to which the record relates also according to the name that was not previously provided.

(d) If a financing statement is filed as a fixture filing or covers as-extracted collateral or timber to be cut, it must be filed for record and the filing office shall index it:
   (1) Under the names of the debtor and of each owner of record shown on the financing statement as if they were the mortgagors under a mortgage of the real property described; and
   (2) To the extent that the law of this state provides for indexing of records of mortgages under the name of the mortgagee, under the name of the secured party as if the secured party were the mortgagee thereunder, or, if indexing is by description, as if the financing statement were a record of a mortgage of the real property described.

(e) If a financing statement is filed as a fixture filing or covers as-extracted collateral or timber to be cut, the filing office shall index an assignment filed under section 28-9-514(a) or an amendment filed under section 28-9-514(b):
   (1) Under the name of the assignor as grantor; and
   (2) To the extent that the law of this state provides for indexing a record of the assignment of a mortgage under the name of the assignee, under the name of the assignee.

(f) The filing office shall maintain a capability:
   (1) To retrieve a record by the name of the debtor and by the file number assigned to the initial financing statement to which the record relates; and
   (2) To associate and retrieve with one another an initial financing
statement and each filed record relating to the initial financing statement.

(g) The filing office may not remove a debtor's name from the index until one (1) year after the effectiveness of a financing statement naming the debtor lapses under section 28-9-515 with respect to all secured parties of record.

(h) The filing office shall perform the acts required by subsections (a) through (e) of this section at the time and in the manner prescribed by filing office rule, but not later than two (2) business days after the filing office receives the record in question.

(i) Subsections (b) and (h) of this section do not apply to a filing office described in section 28-9-501(a)(1).

28-9-520. ACCEPTANCE AND REFUSAL TO ACCEPT RECORD. (a) A filing office shall refuse to accept a record for filing for a reason set forth in section 28-9-516(b) and may refuse to accept a record for filing only for a reason set forth in section 28-9-516(b).

(b) If a filing office refuses to accept a record for filing, it shall communicate to the person that presented the record the fact of and reason for the refusal and the date and time the record would have been filed had the filing office accepted it. The communication must be made at the time and in the manner prescribed by filing office rule but, in the case of a filing office described in section 28-9-501(a)(2), in no event more than two (2) business days after the filing office receives the record.

(c) A filed financing statement satisfying section 28-9-502(a) and (b) is effective, even if the filing office is required to refuse to accept it for filing under subsection (a) of this section. However, section 28-9-338 applies to a filed financing statement providing information described in section 28-9-516(b)(5) which is incorrect at the time the financing statement is filed.

(d) If a record communicated to a filing office provides information that relates to more than one (1) debtor, this part applies as to each debtor separately.
28-9-521. UNIFORM FORM OF WRITTEN FINANCING STATEMENT AND AMENDMENT. (a) A filing office that accepts written records may not refuse to accept a written initial financing statement in the following form and format except for a reason set forth in section 28-9-516(b):

28-9-522. MAINTENANCE AND DESTRUCTION OF RECORDS. (a) The filing office shall maintain a record of the information provided in a filed financing statement for at least one (1) year after the effectiveness of the financing statement has lapsed under section 28-9-515 with respect to all secured parties of record. The record must be retrievable by using the name of the debtor and by using the file number assigned to the initial financing statement to which the record relates.

(b) Except to the extent that a statute governing disposition of public records provides otherwise, the filing office immediately may destroy any written record evidencing a financing statement. However, if the filing office destroys a written record, it shall maintain another record of the financing statement which complies with subsection (a) of this section.

28-9-523. INFORMATION FROM FILING OFFICE -- SALE OR LICENSE OF RECORDS -- FARM PRODUCTS -- MASTER LISTS. (a) If a person that files a written record requests an acknowledgment of the filing, the filing office shall send to the person an image of the record showing the number assigned to the record pursuant to section 28-9-519(a)(1) and the date and time of the filing of the record. However, if the person furnishes a copy of the record to the filing office, the filing office may instead:

(1) Note upon the copy the number assigned to the record pursuant to section 28-9-519(a)(1) and the date and time of the filing of the record; and

(2) Send the copy to the person.

(b) If a person files a record other than a written record, the filing office shall communicate to the person an acknowledgment that provides:

(1) The information in the record;

(2) The number assigned to the record pursuant to section 28-9-519(a)(1); and

(3) The date and time of the filing of the record.

(c) The filing office shall communicate or otherwise make available in a record the following information to any person that requests it:

(1) Whether there is on file on a date and time specified by the filing office, but not a date earlier than three (3) business days before the filing office receives the request, any financing statement that:

(A) designates a particular debtor;

(B) has not lapsed under section 28-9-515 with respect to all secured parties of record; and

(C) if the request so states, has lapsed under section 28-9-515 and a record of which is maintained by the filing office under section 28-9-522(a);

(2) The date and time of filing of each financing statement; and

(3) The information provided in each financing statement.

(d) In complying with its duty under subsection (c) of this section, the filing office may communicate information in any medium. However, if requested, the filing office shall communicate information by issuing a record that can be admitted into evidence in the courts of this state without extrinsic evidence of its authenticity.

(e) The filing office shall perform the acts required by subsections (a) through (d) of this section at the time and in the manner pre-
scribed by filing office rule, but in the case of a filing office described in section 28-9-501(a)(2), not later than two (2) business days after the filing office receives the request.

(f) At least weekly, the filing office shall offer to sell or license to the public on a nonexclusive basis, in bulk, copies of all records filed in it under this part, in every medium from time to time available to the filing office.

(g) The secretary of state shall maintain a central filing system containing the information filed with his office pursuant to section 28-9-502(e). Under this system the secretary shall record the date and time of filing and compile the information into a master list organized according to farm products. The list shall be organized within each farm product category in alphabetical order according to the last name of the borrower or, in the case of borrowers doing business other than as individuals, the first word in the name of such borrower. The list shall be further organized according to and contain information required by federal law and regulation. The secretary of state shall, by duly adopted administrative rule, designate the categories of farm products to be used in compiling the master list. The secretary of state may establish and maintain, pursuant to duly adopted administrative rule, a separate system for filing of financing statements and search, retrieval and dissemination of information relating to financing statements for farm products, and require separate search requests for such information pursuant to a fee schedule to be established in such administrative rule.

(h) The secretary of state shall maintain a list of all buyers of farm products, commission merchants, and selling agents who register with the secretary of state indicating an interest in receiving the lists described in subsection (i) of this section.

(i) The secretary of state shall distribute complete master lists for each farm product category at least quarterly to each buyer, commission merchant and selling agent registered under subsection (h) of this section and distribute either complete lists or cumulative supplements, which supplements shall be issued not less frequently than semimonthly, of financing statements covering farm products filed subsequent to the last date of filing for financing statements on the last preceding quarterly master list, which the buyer, commission merchant or selling agent has requested. The date of receipt for lists and supplements shall be the third calendar day following the date of mailing by the secretary of state, or in the event the mail is not delivered on that day, the first day thereafter on which mail is delivered.

(j) Upon the request of any person the secretary of state shall provide, within twenty-four (24) hours, an oral confirmation of the filing of the financing statement covering farm products followed by a written confirmation.

(k) Upon request of any person, the filing officer shall furnish copies of particular filed financing statements covering farm products or statements of assignment covering farm products at a uniform cost of one dollar ($1.00) per page if the requestor provides the filing officer with the file numbers of the statement to be copied.

28-9-524. DELAY BY FILING OFFICE. Delay by the filing office beyond a time limit prescribed by this part is excused if:

(1) The delay is caused by interruption of communication or computer facilities, war, emergency conditions, failure of equipment, or
other circumstances beyond control of the filing office; and

(2) The filing office exercises reasonable diligence under the circumstances.

28-9-525. FEES. (a) Except as otherwise provided in subsection (e) of this section, the fee for filing and indexing a record under this part, other than an initial financing statement of the kind described in section 28-9-502(c), is:

(1) Six dollars ($6.00) if the record is communicated in writing and consists of one (1) or two (2) pages;

(2) Twelve dollars ($12.00) if the record is communicated in writing and consists of more than two (2) pages; and

(3) Three dollars ($3.00) if the record is communicated by another medium authorized by filing office rule.

(b) Except as otherwise provided in subsection (e) of this section, the fee for filing and indexing an initial financing statement of the kind described in section 28-9-502(c) is the amount specified in subsection (c) of this section, if applicable.

(c) The number of names required to be indexed does not affect the amount of the fee in subsections (a) and (b) of this section.

(d) The fee for responding to a request for information from the filing office, including for issuing a certificate showing whether there is on file any financing statement naming a particular debtor, is twelve dollars ($12.00).

(e) This section does not require a fee with respect to a record of a mortgage which is effective as a financing statement filed as a fixture filing or as a financing statement covering as-extracted collateral or timber to be cut under section 28-9-502(c). However, the recording and satisfaction fees that otherwise would be applicable to the record of the mortgage apply.

(f) The secretary of state shall, by administrative rule, establish a fee schedule for filing and indexing and other matters relating to filing of financing statements covering farm products and for public access to the secretary of state's files which are open to public inspection. A secured party shall provide an itemization of fees paid by the secured party for filing, searches or other matters related to filing of financing statements covering farm products pertaining to that debtor.

28-9-526. FILING OFFICE RULES. (a) The secretary of state shall promulgate rules to implement this chapter. The filing office rules must be:

(1) Consistent with this chapter; and

(2) Promulgated in accordance with the administrative procedure act, chapter 52, title 67, Idaho Code.

(b) To keep the filing office rules and practices of the filing office in harmony with the rules and practices of filing offices in other jurisdictions that enact substantially this part, and to keep the technology used by the filing office compatible with the technology used by filing offices in other jurisdictions that enact substantially this part, the secretary of state, so far as is consistent with the purposes, policies and provisions of this chapter, in adopting, amending and repealing filing office rules, shall:

(1) Consult with filing offices in other jurisdictions that enact
(2) Consult the most recent version of the model rules promulgated by the international association of corporate administrators or any successor organization; and
(3) Take into consideration the rules and practices of, and the technology used by, filing offices in other jurisdictions that enact substantially this part.

PART 6.
DEFAULT

28-9-601. RIGHTS AFTER DEFAULT -- JUDICIAL ENFORCEMENT -- CONSIGNOR OR BUYER OF ACCOUNTS, CHATTEL PAPER, PAYMENT INTANGIBLES OR PROMISSORY NOTES. (a) After default, a secured party has the rights provided in this part and, except as otherwise provided in section 28-9-602, those provided by agreement of the parties. A secured party:
(1) May reduce a claim to judgment, foreclose or otherwise enforce the claim, security interest or agricultural lien by any available judicial procedure; and
(2) If the collateral is documents, may proceed either as to the documents or as to the goods they cover.
(b) A secured party in possession of collateral or control of collateral under section 28-9-104, 28-9-105, 28-9-106 or 28-9-107 has the rights and duties provided in section 28-9-207.
(c) The rights under subsections (a) and (b) of this section are cumulative and may be exercised simultaneously.
(d) Except as otherwise provided in subsection (g) of this section and section 28-9-605, after default, a debtor and an obligor have the rights provided in this part and by agreement of the parties.
(e) If a secured party has reduced its claim to judgment, the lien of any levy that may be made upon the collateral by virtue of an execution based upon the judgment relates back to the earliest of:
(1) The date of perfection of the security interest or agricultural lien in the collateral;
(2) The date of filing a financing statement covering the collateral; or
(3) Any date specified in a statute under which the agricultural lien was created.
(f) A sale pursuant to an execution is a foreclosure of the security interest or agricultural lien by judicial procedure within the meaning of this section. A secured party may purchase at the sale and thereafter hold the collateral free of any other requirements of this chapter.
(g) Except as otherwise provided in section 28-9-607(c), this part imposes no duties upon a secured party that is a consignor or is a buyer of accounts, chattel paper, payment intangibles, or promissory notes.

28-9-602. WAIVER AND VARIANCE OF RIGHTS AND DUTIES. Except as otherwise provided in section 28-9-624, to the extent that they give rights to a debtor or obligor and impose duties on a secured party, the debtor or obligor may not waive or vary the rules stated in the following listed sections:
(1) Section 28-9-207(b)(4)(c), which deals with use and operation of the collateral by the secured party;
(2) Section 28-9-210, which deals with requests for an accounting and requests concerning a list of collateral and statement of account;  
(3) Section 28-9-607(c), which deals with collection and enforcement of collateral;  
(4) Sections 28-9-608(a) and 28-9-615(c) to the extent that they deal with application or payment of noncash proceeds of collection, enforcement, or disposition;  
(5) Sections 28-9-608(a) and 28-9-615(d) to the extent that they require accounting for or payment of surplus proceeds of collateral;  
(6) Section 28-9-609 to the extent that it imposes upon a secured party that takes possession of collateral without judicial process the duty to do so without breach of the peace;  
(7) Sections 28-9-610(b), 28-9-611, 28-9-613 and 28-9-614, which deal with disposition of collateral;  
(8) Section 28-9-615(f), which deals with calculation of a deficiency or surplus when a disposition is made to the secured party, a person related to the secured party, or a secondary obligor;  
(9) Section 28-9-616, which deals with explanation of the calculation of a surplus or deficiency;  
(10) Sections 28-9-620, 28-9-621 and 28-9-622, which deal with acceptance of collateral in satisfaction of obligation;  
(11) Section 28-9-623, which deals with redemption of collateral;  
(12) Section 28-9-624, which deals with permissible waivers; and  
(13) Sections 28-9-625 and 28-9-626, which deal with the secured party's liability for failure to comply with this chapter.

28-9-603. AGREEMENT ON STANDARDS CONCERNING RIGHTS AND DUTIES. (a) The parties may determine by agreement the standards measuring the fulfillment of the rights of a debtor or obligor and the duties of a secured party under a rule stated in section 28-9-602 if the standards are not manifestly unreasonable.  
(b) Subsection (a) of this section does not apply to the duty under section 28-9-609 to refrain from breaching the peace.

28-9-604. PROCEDURE IF SECURITY AGREEMENT COVERS REAL PROPERTY OR FIXTURES. (a) If a security agreement covers both personal and real property, a secured party may proceed:  
(1) Under this part as to the personal property without prejudicing any rights with respect to the real property; or  
(2) As to both the personal property and the real property in accordance with the rights with respect to the real property, in which case the other provisions of this part do not apply.  
(b) Subject to subsection (c) of this section, if a security agreement covers goods that are or become fixtures, a secured party may proceed:  
(1) Under this part; or  
(2) In accordance with the rights with respect to real property, in which case the other provisions of this part do not apply.  
(c) Subject to the other provisions of this part, if a secured party holding a security interest in fixtures has priority over all owners and encumbrancers of the real property, the secured party, after default, may remove the collateral from the real property.  
(d) A secured party that removes collateral shall promptly reimburse any encumbrancer or owner of the real property, other than the
debtor, for the cost of repair of any physical injury caused by the removal. The secured party need not reimburse the encumbrancer or owner for any diminution in value of the real property caused by the absence of the goods removed or by any necessity of replacing them. A person entitled to reimbursement may refuse permission to remove until the secured party gives adequate assurance for the performance of the obligation to reimburse.

28-9-605. UNKNOWN DEBTOR OR SECONDARY OBLIGOR. A secured party does not owe a duty based on its status as secured party:
(1) To a person that is a debtor or obligor, unless the secured party knows:
   (A) That the person is a debtor or obligor;
   (B) The identity of the person; and
   (C) How to communicate with the person; or
(2) To a secured party or lienholder that has filed a financing statement against a person, unless the secured party knows:
   (A) That the person is a debtor; and
   (B) The identity of the person.

28-9-606. TIME OF DEFAULT FOR AGRICULTURAL LIEN. For purposes of this part, a default occurs in connection with an agricultural lien at the time the secured party becomes entitled to enforce the lien in accordance with the statute under which it was created.

28-9-607. COLLECTION AND ENFORCEMENT BY SECURED PARTY. (a) If so agreed, and in any event after default, a secured party:
(1) May notify an account debtor or other person obligated on collateral to make payment or otherwise render performance to or for the benefit of the secured party;
(2) May take any proceeds to which the secured party is entitled under section 28-9-315;
(3) May enforce the obligations of an account debtor or other person obligated on collateral and exercise the rights of the debtor with respect to the obligation of the account debtor or other person obligated on collateral to make payment or otherwise render performance to the debtor, and with respect to any property that secures the obligations of the account debtor or other person obligated on the collateral;
(4) If it holds a security interest in a deposit account perfected by control under section 28-9-104(a)(1), may apply the balance of the deposit account to the obligation secured by the deposit account; and
(5) If it holds a security interest in a deposit account perfected by control under section 28-9-104(a)(2) or (3), may instruct the bank to pay the balance of the deposit account to or for the benefit of the secured party.
(b) If necessary to enable a secured party to exercise, under subsection (a)(3) of this section, the right of a debtor to enforce a mortgage nonjudicially, the secured party may record in the office in which a record of the mortgage is recorded:
(1) A copy of the security agreement that creates or provides for a security interest in the obligation secured by the mortgage; and
(2) The secured party's sworn affidavit in recordable form stating that:
   (A) a default has occurred; and
   (B) the secured party is entitled to enforce the mortgage nonjudicially.
(c) A secured party shall proceed in a commercially reasonable manner if the secured party:
   (1) Undertakes to collect from or enforce an obligation of an account debtor or other person obligated on collateral; and
   (2) Is entitled to charge back uncollected collateral or otherwise to full or limited recourse against the debtor or a secondary obligor.
(d) A secured party may deduct from the collections made pursuant to subsection (c) of this section reasonable expenses of collection and enforcement, including reasonable attorney's fees and legal expenses incurred by the secured party.
(e) This section does not determine whether an account debtor, bank, or other person obligated on collateral owes a duty to a secured party.

28-9-608. APPLICATION OF PROCEEDS OF COLLECTION OR ENFORCEMENT -- LIABILITY FOR DEFICIENCY AND RIGHT TO SURPLUS. (a) If a security interest or agricultural lien secures payment or performance of an obligation, the following rules apply:
   (1) A secured party shall apply or pay over for application the cash proceeds of collection or enforcement under section 28-9-607 in the following order to:
      (A) the reasonable expenses of collection and enforcement and, to the extent provided for by agreement and not prohibited by law, reasonable attorney's fees and legal expenses incurred by the secured party;
      (B) the satisfaction of obligations secured by the security interest or agricultural lien under which the collection or enforcement is made; and
      (C) the satisfaction of obligations secured by any subordinate security interest in or other lien on the collateral subject to the security interest or agricultural lien under which the collection or enforcement is made if the secured party receives an authenticated demand for proceeds before distribution of the proceeds is completed.
   (2) If requested by a secured party, a holder of a subordinate security interest or other lien shall furnish reasonable proof of the interest or lien within a reasonable time. Unless the holder complies, the secured party need not comply with the holder's demand under subsection (1)(C) of this section.
   (3) A secured party need not apply or pay over for application noncash proceeds of collection and enforcement under section 28-9-607 unless the failure to do so would be commercially unreasonable. A secured party that applies or pays over for application noncash proceeds shall so do in a commercially reasonable manner.
   (4) A secured party shall account to and pay a debtor for any surplus, and the obligor is liable for any deficiency.
   (b) If the underlying transaction is a sale of accounts, chattel paper, payment intangibles or promissory notes, the debtor is not enti-
tled to any surplus, and the obligor is not liable for any deficiency.

28-9-609. SECURED PARTY'S RIGHT TO TAKE POSSESSION AFTER DEFAULT. (a) After default, a secured party:
(1) May take possession of the collateral; and
(2) Without removal, may render equipment unusable and dispose of collateral on a debtor's premises under section 28-9-610.
(b) A secured party may proceed under subsection (a) of this section:
(1) Pursuant to judicial process; or
(2) Without judicial process, if it proceeds without breach of the peace.
(c) If so agreed, and in any event after default, a secured party may require the debtor to assemble the collateral and make it available to the secured party at a place to be designated by the secured party which is reasonably convenient to both parties.

28-9-610. DISPOSITION OF COLLATERAL AFTER DEFAULT. (a) After default, a secured party may sell, lease, license or otherwise dispose of any or all of the collateral in its present condition or following any commercially reasonable preparation or processing.
(b) Every aspect of a disposition of collateral, including the method, manner, time, place, and other terms, must be commercially reasonable. If commercially reasonable, a secured party may dispose of collateral by public or private proceedings, by one (1) or more contracts, as a unit or in parcels, and at any time and place and on any terms.
(c) A secured party may purchase collateral:
(1) At a public disposition; or
(2) At a private disposition only if the collateral is of a kind that is customarily sold on a recognized market or the subject of widely distributed standard price quotations.
(d) A contract for sale, lease, license, or other disposition includes the warranties relating to title, possession, quiet enjoyment, and the like which by operation of law accompany a voluntary disposition of property of the kind subject to the contract.
(e) A secured party may disclaim or modify warranties under subsection (d) of this section:
(1) In a manner that would be effective to disclaim or modify the warranties in a voluntary disposition of property of the kind subject to the contract of disposition; or
(2) By communicating to the purchaser a record evidencing the contract for disposition and including an express disclaimer or modification of the warranties.
(f) A record is sufficient to disclaim warranties under subsection (e) of this section if it indicates "There is no warranty relating to title, possession, quiet enjoyment, or the like in this disposition" or uses words of similar import.

28-9-611. NOTIFICATION BEFORE DISPOSITION OF COLLATERAL. (a) In this section, "notification date" means the earlier of the date on which:
(1) A secured party sends to the debtor and any secondary obligor an authenticated notification of disposition; or
(2) The debtor and any secondary obligor waive the right to notification.

(b) Except as otherwise provided in subsection (d) of this section, a secured party that disposes of collateral under section 28-9-610 shall send to the persons specified in subsection (c) of this section a reasonable authenticated notification of disposition.

(c) To comply with subsection (b) of this section, the secured party shall send an authenticated notification of disposition to:

(1) The debtor; 
(2) Any secondary obligor; and

(B) any other secured party or lienholder that, ten (10) days before the notification date, held a security interest in or other lien on the collateral perfected by the filing of a financing statement that:
   (i) identified the collateral;
   (ii) was indexed under the debtor's name as of that date; and
   (iii) was filed in the office in which to file a financing statement against the debtor covering the collateral as of that date; and
(C) any other secured party that, ten (10) days before the notification date, held a security interest in the collateral perfected by compliance with a statute, regulation, or treaty described in section 28-9-311(a).

(d) Subsection (b) of this section does not apply if the collateral is perishable or threatens to decline speedily in value or is of a type customarily sold on a recognized market.

(e) A secured party complies with the requirement for notification prescribed by subsection (c)(3)(B) of this section if:

(1) Not later than twenty (20) days or earlier than thirty (30) days before the notification date, the secured party requests, in a commercially reasonable manner, information concerning financing statements indexed under the debtor's name in the office indicated in subsection (c)(3)(B) of this section; and
(2) Before the notification date, the secured party:
   (A) did not receive a response to the request for information; or
   (B) received a response to the request for information and sent an authenticated notification of disposition to each secured party or other lienholder named in that response whose financing statement covered the collateral.

28-9-612. TIMELINESS OF NOTIFICATION BEFORE DISPOSITION OF COLLATERAL. (a) Except as otherwise provided in subsection (b) of this section, whether a notification is sent within a reasonable time is a question of fact.

(b) A notification of disposition sent after default and ten (10) days or more before the earliest time of disposition set forth in the notification is sent within a reasonable time before the disposition.
28-9-613. CONTENTS AND FORM OF NOTIFICATION BEFORE DISPOSITION OF COLLATERAL -- GENERAL. Except in a consumer goods transaction, the following rules apply:

28-9-615. APPLICATION OF PROCEEDS OF DISPOSITION -- LIABILITY FOR DEFICIENCY AND RIGHT TO SURPLUS. (a) A secured party shall apply or pay over for application the cash proceeds of disposition under section 28-9-610 in the following order to:

(1) The reasonable expenses of retaking, holding, preparing for disposition, processing and disposing, and, to the extent provided for by agreement and not prohibited by law, reasonable attorney's fees and legal expenses incurred by the secured party;

(2) The satisfaction of obligations secured by the security interest or agricultural lien under which the disposition is made;

(3) The satisfaction of obligations secured by any subordinate security interest in or other subordinate lien on the collateral if:

(A) the secured party receives from the holder of the subordinate security interest or other lien an authenticated demand for proceeds before distribution of the proceeds is completed; and

(B) in a case in which a consignor has an interest in the collateral, the subordinate security interest or other lien is senior to the interest of the consignor; and

(4) A secured party that is a consignor of the collateral if the secured party receives from the consignor an authenticated demand for proceeds before distribution of the proceeds is completed.

(b) If requested by a secured party, a holder of a subordinate security interest or other lien shall furnish reasonable proof of the interest or lien within a reasonable time. Unless the holder does so, the secured party need not comply with the holder's demand under subsection (a)(3) of this section.

(c) A secured party need not apply or pay over for application noncash proceeds of disposition under section 28-9-610 unless the failure to do so would be commercially unreasonable. A secured party that applies or pays over for application noncash proceeds shall do so in a commercially reasonable manner.

(d) If the security interest under which a disposition is made secures payment or performance of an obligation, after making the payments and applications required by subsection (a) of this section and permitted by subsection (c) of this section:
(1) Unless subsection (a)(4) of this section requires the secured party to apply or pay over cash proceeds to a consignor, the secured party shall account to and pay a debtor for any surplus; and
(2) The obligor is liable for any deficiency.
(e) If the underlying transaction is a sale of accounts, chattel paper, payment intangibles or promissory notes:
(1) The debtor is not entitled to any surplus; and
(2) The obligor is not liable for any deficiency.
(f) The surplus or deficiency following a disposition is calculated based on the amount of proceeds that would have been realized in a disposition complying with this part to a transferee other than the secured party, a person related to the secured party, or a secondary obligor if:
(1) The transferee in the disposition is the secured party, a person related to the secured party or a secondary obligor; and
(2) The amount of proceeds of the disposition is significantly below the range of proceeds that a complying disposition to a person other than the secured party, a person related to the secured party, or a secondary obligor would have brought.
(g) A secured party that receives cash proceeds of a disposition in good faith and without knowledge that the receipt violates the rights of the holder of a security interest or other lien that is not subordinate to the security interest or agricultural lien under which the disposition is made:
(1) Takes the cash proceeds free of the security interest or other lien;
(2) Is not obligated to apply the proceeds of the disposition to the satisfaction of obligations secured by the security interest or other lien; and

28-9-616. EXPLANATION OF CALCULATION OF SURPLUS OR DEFICIENCY. (a) In this section:
(1) "Explanation" means a writing that:
(A) states the amount of the surplus or deficiency;
(B) provides an explanation in accordance with subsection (c) of this section of how the secured party calculated the surplus or deficiency;
(C) states, if applicable, that future debits, credits, charges, including additional credit service charges or interest, rebates, and expenses may affect the amount of the surplus or deficiency; and
(D) provides a telephone number or mailing address from which additional information concerning the transaction is available.
(2) "Request" means a record:
(A) authenticated by a debtor or consumer obligor;
(B) requesting that the recipient provide an explanation; and
(C) sent after disposition of the collateral under section 28-9-610.
(b) In a consumer goods transaction in which the debtor is entitled to a surplus or a consumer obligor is liable for a deficiency under section 28-9-615, the secured party shall:
(1) Send an explanation to the debtor or consumer obligor, as applicable, after the disposition and:
   (A) before or when the secured party accounts to the debtor and pays any surplus or first makes written demand on the consumer obligor after the disposition for payment of the deficiency; and
   (B) within fourteen (14) days after receipt of a request; or
(2) In the case of a consumer obligor who is liable for a deficiency, within fourteen (14) days after receipt of a request, send to the consumer obligor a record waiving the secured party's right to a deficiency.
(c) To comply with subsection (a)(1)(B) of this section, a writing must provide the following information in the following order:
(1) The aggregate amount of obligations secured by the security interest under which the disposition was made, and, if the amount reflects a rebate of unearned interest or credit service charge, an indication of that fact, calculated as of a specified date:
   (A) if the secured party takes or receives possession of the collateral after default, not more than thirty-five (35) days before the secured party takes or receives possession; or
   (B) if the secured party takes or receives possession of the collateral before default or does not take possession of the collateral, not more than thirty-five (35) days before the disposition;
(2) The amount of proceeds of the disposition;
(3) The aggregate amount of the obligations after deducting the amount of proceeds;
(4) The amount, in the aggregate or by type, and types of expenses, including expenses of retaking, holding, preparing for disposition, processing, and disposing of the collateral, and attorney's fees secured by the collateral which are known to the secured party and relate to the current disposition;
(5) The amount, in the aggregate or by type, and types of credits, including rebates of interest or credit service charges, to which the obligor is known to be entitled and which are not reflected in the amount in paragraph (1) of this subsection; and
(6) The amount of the surplus or deficiency.
(d) A particular phrasing of the explanation is not required. An explanation complying substantially with the requirements of subsection (a) of this section is sufficient, even if it includes minor errors that are not seriously misleading.
(e) A debtor or consumer obligor is entitled without charge to one response to a request under this section during any six (6) month period in which the secured party did not send to the debtor or consumer obligor an explanation pursuant to subsection (b)(1) of this section. The secured party may require payment of a charge not exceeding twenty-five dollars ($25.00) for each additional response.

(2) Discharges the security interest under which the disposition is made; and
(3) Discharges any subordinate security interest or other subordinate lien.

(b) A transferee that acts in good faith takes free of the rights and interests described in subsection (a) of this section, even if the secured party fails to comply with this chapter or the requirements of any judicial proceeding.

(c) If a transferee does not take free of the rights and interests described in subsection (a) of this section, the transferee takes the collateral subject to:
   (1) The debtor's rights in the collateral;
   (2) The security interest or agricultural lien under which the disposition is made; and
   (3) Any other security interest or other lien.

28-9-618. RIGHTS AND DUTIES OF CERTAIN SECONDARY OBLIGORS. (a) A secondary obligor acquires the rights and becomes obligated to perform the duties of the secured party after the secondary obligor:

   (3) Is subrogated to the rights of a secured party with respect to collateral.

   (1) That the debtor has defaulted in connection with an obligation secured by specified collateral;

   (3) That, by reason of the exercise, a transferee has acquired the rights of the debtor in the collateral; and
   (4) The name and mailing address of the secured party, debtor and transferee.

(b) A transfer statement entitles the transferee to the transfer of record of all rights of the debtor in the collateral specified in the statement in any official filing, recording, registration, or certificate of title system covering the collateral. If a transfer statement is presented with the applicable fee and request form to the official or office responsible for maintaining the system, the official or office shall:
   (1) Accept the transfer statement;
   (2) Promptly amend its records to reflect the transfer; and
(3) If applicable, issue a new appropriate certificate of title in the name of the transferee.

(c) A transfer of the record or legal title to collateral to a secured party under subsection (b) of this section or otherwise is not of itself a disposition of collateral under this chapter and does not of itself relieve the secured party of its duties under this chapter.

28-9-620. ACCEPTANCE OF COLLATERAL IN FULL OR PARTIAL SATISFACTION OF OBLIGATION — COMPULSORY DISPOSITION OF COLLATERAL. (a) A secured party may accept collateral in full or partial satisfaction of the obligation it secures only if:

(2) Has disposed of collateral or entered into a contract for its disposition under section 28-9-610; or
(3) Has accepted collateral in full or partial satisfaction of the obligation it secures under section 28-9-622.

28-9-624. WAIVER. (a) A debtor or secondary obligor may waive the right to notification of disposition of collateral under section 28-9-611 only by an agreement to that effect entered into and authenticated after default.
(b) A debtor may waive the right to require disposition of collateral under section 28-9-620(e) only by an agreement to that effect entered into and authenticated after default.
(c) Except in a consumer goods transaction, a debtor or secondary obligor may waive the right to redeem collateral under section 28-9-623 only by an agreement to that effect entered into and authenticated after default.

28-9-625. REMEDIES FOR SECURED PARTY'S FAILURE TO COMPLY WITH CHAPTER. (a) If it is established that a secured party is not proceeding in accordance with this chapter, a court may order or restrain collection, enforcement or disposition of collateral on appropriate terms and conditions.
(b) Subject to subsections (c) and (d) of this section, a person is liable for damages in the amount of any loss caused by a failure to comply with this chapter. Loss caused by a failure to comply may include loss resulting from the debtor's inability to obtain, or increased costs of, alternative financing.
(c) Except as otherwise provided in section 28-9-628:
(1) A person that, at the time of the failure, was a debtor, was an obligor, or held a security interest in or other lien on the collateral may recover damages under subsection (b) of this section for its loss; and
(2) If the collateral is consumer goods, a person that was a debtor or a secondary obligor at the time a secured party failed to comply with this part may recover for that failure in any event, an amount not less than the credit service charge plus ten percent (10%) of the principal amount of the obligation or the time price differential plus ten percent (10%) of the cash price.
(d) A debtor whose deficiency is eliminated under section 28-9-626 may recover damages for the loss of any surplus. However, a debtor or secondary obligor whose deficiency is eliminated or reduced under section 28-9-626 may not otherwise recover under subsection (b) of this section for noncompliance with the provisions of this part relating to
collection, enforcement, disposition or acceptance.

e) In addition to any damages recoverable under subsection (b) of this section, the debtor, consumer obligor or person named as a debtor in a filed record, as applicable, may recover one hundred dollars ($100) in each case from a person that:
    (1) Files a record that the person is not entitled to file under section 28-9-509(a);
    (2) Fails to cause the secured party of record to file or send a termination statement as required by section 28-9-513(a) or (c).

f) If a secured party fails to comply with a request regarding a list of collateral or a statement of account under section 28-9-210, the secured party may claim a security interest only as shown in the statement included in the request as against a person that is reasonably misled by the failure.

28-9-626. ACTION IN WHICH DEFICIENCY OR SURPLUS IS IN ISSUE. In an action arising from a transaction, other than a consumer transaction, in which the amount of a deficiency or surplus is in issue, the following rules apply:

(a) A secured party need not prove compliance with the provisions of this part relating to collection, enforcement, disposition or acceptance unless the debtor or a secondary obligor places the secured party's compliance in issue.

(b) If the secured party's compliance is placed in issue, the secured party has the burden of establishing that the collection, enforcement, disposition or acceptance was conducted in accordance with this part.

(c) Except as otherwise provided in section 28-9-628, if a secured party fails to prove that the collection, enforcement, disposition or acceptance was conducted in accordance with the provisions of this part relating to collection, enforcement, disposition or acceptance, the liability of a debtor or a secondary obligor for a deficiency is limited to an amount by which the sum of the secured obligation, expenses and attorney's fees exceeds the greater of:
    (1) The proceeds of the collection, enforcement, disposition or acceptance; or
    (2) The amount of proceeds that would have been realized had the noncomplying secured party proceeded in accordance with the provisions of this part relating to collection, enforcement, disposition or acceptance.

(d) For purposes of subsection (c)(2) of this section, the amount of proceeds that would have been realized is equal to the sum of the secured obligation, expenses and attorney's fees unless the secured party proves that the amount is less than that sum.

(e) If a deficiency or surplus is calculated under section 28-9-615(f), the debtor or obligor has the burden of establishing that the amount of proceeds of the disposition is significantly below the range of prices that a complying disposition to a person other than the secured party, a person related to the secured party, or a secondary obligor would have brought.

28-9-627. DETERMINATION OF WHETHER CONDUCT WAS COMMERCIAL REASONABLE. (a) The fact that a greater amount could have been obtained by a collection, enforcement, disposition or acceptance at a different time
or in a different method from that selected by the secured party is not of itself sufficient to preclude the secured party from establishing that the collection, enforcement, disposition or acceptance was made in a commercially reasonable manner.

(b) A disposition of collateral is made in a commercially reasonable manner if the disposition is made:
   (1) In the usual manner on any recognized market;
   (2) At the price current in any recognized market at the time of the disposition; or
   (3) Otherwise in conformity with reasonable commercial practices among dealers in the type of property that was the subject of the disposition.

(c) A collection, enforcement, disposition or acceptance is commercially reasonable if it has been approved:
   (1) In a judicial proceeding;
   (2) By a bona fide creditors' committee;
   (3) By a representative of creditors; or
   (4) By an assignee for the benefit of creditors.

(d) Approval under subsection (c) of this section need not be obtained, and lack of approval does not mean that the collection, enforcement, disposition or acceptance is not commercially reasonable.

28-9-628. NONLIABILITY AND LIMITATION ON LIABILITY OF SECURED PARTY — LIABILITY OF SECONDARY OBLIGOR. (a) Unless a secured party knows that a person is a debtor or obligor, knows the identity of the person, and knows how to communicate with the person:
   (1) The secured party is not liable to the person, or to a secured party or lienholder that has filed a financing statement against the person, for failure to comply with this chapter; and
   (2) The secured party's failure to comply with this chapter does not affect the liability of the person for a deficiency.

(b) A secured party is not liable because of its status as secured party:
   (1) To a person that is a debtor or obligor, unless the secured party knows:
       (A) that the person is a debtor or obligor;
       (B) the identity of the person; and
       (C) how to communicate with the person; or
   (2) To a secured party or lienholder that has filed a financing statement against a person, unless the secured party knows:
       (A) that the person is a debtor; and
       (B) the identity of the person.

(c) A secured party is not liable to any person, and a person's liability for a deficiency is not affected, because of any act or omission arising out of the secured party's reasonable belief that a transaction is not a consumer goods transaction or a consumer transaction or that goods are not consumer goods, if the secured party's belief is based on its reasonable reliance on:
   (1) A debtor's representation concerning the purpose for which collateral was to be used, acquired or held; or
   (2) An obligor's representation concerning the purpose for which a secured obligation was incurred.

(d) A secured party is not liable to any person under section 28-9-625(c)(2) for its failure to comply with section 28-9-616.
(e) A secured party is not liable under section 28-9-625(c)(2) more than once with respect to any one (1) secured obligation.

PART 7. TRANSITION

28-9-701. [RESERVED.]

28-9-702. SAVINGS CLAUSE. (a) Except as otherwise provided in this part, this act applies to a transaction or lien within its scope, even if the transaction or lien was entered into or created before this act takes effect.

(b) Except as otherwise provided in subsection (c) of this section and sections 28-9-703 through 28-9-709:

(1) Transactions and liens that were not governed by former chapter 9, title 28, Idaho Code, were validly entered into or created before this act takes effect, and would be subject to this act if they had been entered into or created after this act takes effect, and the rights, duties, and interests flowing from those transactions and liens remain valid after this act takes effect; and

(2) The transactions and liens may be terminated, completed, consummated and enforced as required or permitted by this act or by the law that otherwise would apply if this act had not taken effect.

(c) This act does not affect an action, case or proceeding commenced before this act takes effect.

28-9-703. SECURITY INTEREST PERFECTED BEFORE EFFECTIVE DATE. (a) A security interest that is enforceable immediately before this act takes effect and would have priority over the rights of a person that becomes a lien creditor at that time is a perfected security interest under this act if, when this act takes effect, the applicable requirements for enforceability and perfection under this act are satisfied without further action.

(b) Except as otherwise provided in section 28-9-705, if, immediately before this act takes effect, a security interest is enforceable and would have priority over the rights of a person that becomes a lien creditor at that time, but the applicable requirements for enforceability or perfection under this act are not satisfied when this act takes effect, the security interest:

(1) Is a perfected security interest for one (1) year after this act takes effect;

(2) Remains enforceable thereafter only if the security interest becomes enforceable under section 28-9-203 before the year expires; and

(3) Remains perfected thereafter only if the applicable requirements for perfection under this act are satisfied before the year expires.

28-9-704. SECURITY INTEREST UNPERFECTED BEFORE EFFECTIVE DATE. A security interest that is enforceable immediately before this act takes effect but which would be subordinate to the rights of a person that becomes a lien creditor at that time:

(1) Remains an enforceable security interest for one (1) year after this act takes effect;
(2) Remains enforceable thereafter if the security interest becomes enforceable under section 28-9-203 when this act takes effect or within one (1) year thereafter; and
(3) Becomes perfected:
(A) Without further action, when this act takes effect if the applicable requirements for perfection under this act are satisfied before or at that time; or
(B) When the applicable requirements for perfection are satisfied if the requirements are satisfied after that time.

28-9-705. EFFECTIVENESS OF ACTION TAKEN BEFORE EFFECTIVE DATE. (a) If action, other than the filing of a financing statement, is taken before this act takes effect and the action would have resulted in priority of a security interest over the rights of a person that becomes a lien creditor had the security interest become enforceable before this act takes effect, the action is effective to perfect a security interest that attaches under this act within one (1) year after this act takes effect. An attached security interest becomes unperfected one (1) year after this act takes effect unless the security interest becomes a perfected security interest under this act before the expiration of that period.
(b) The filing of a financing statement before this act takes effect is effective to perfect a security interest to the extent the filing would satisfy the applicable requirements for perfection under this act.
(c) This act does not render ineffective an effective financing statement that, before this act takes effect, is filed and satisfies the applicable requirements for perfection under the law of the jurisdiction governing perfection as provided in former section 28-9-103. However, except as otherwise provided in subsections (d) and (e) of this section and section 28-9-706, the financing statement ceases to be effective at the earlier of:
(1) The time the financing statement would have ceased to be effective under the law of the jurisdiction in which it is filed; or
(2) June 30, 2006.
(d) The filing of a continuation statement after this act takes effect does not continue the effectiveness of the financing statement filed before this act takes effect. However, upon the timely filing of a continuation statement after this act takes effect and in accordance with the law of the jurisdiction governing perfection as provided in part 3, the effectiveness of a financing statement filed in the same office in that jurisdiction before this act takes effect continues for the period provided by the law of that jurisdiction.
(e) Subsection (c)(2) of this section applies to a financing statement that, before this act takes effect, is filed against a transmitting utility and satisfies the applicable requirements for perfection under the law of the jurisdiction governing perfection as provided in former section 28-9-103 only to the extent that part 3 provides that the law of a jurisdiction other than jurisdiction in which the financing statement is filed governs perfection of a security interest in collateral covered by the financing statement.
(f) A financing statement that includes a financing statement filed before this act takes effect and a continuation statement filed after this act takes effect is effective only to the extent that it satisfies
the requirements of part 5 for an initial financing statement.

28-9-706. WHEN INITIAL FINANCING STATEMENT SUFFICES TO CONTINUE EFFECTIVENESS OF FINANCING STATEMENT. (a) The filing of an initial financing statement in the office specified in section 28-9-501 continues the effectiveness of a financing statement filed before this act takes effect if:
(1) The filing of an initial financing statement in that office would be effective to perfect a security interest under this act; and
(2) The preeffective-date financing statement was filed in an office in another state or another office in this state; and
(3) The initial financing statement satisfies subsection (c) of this section.
(b) The filing of an initial financing statement under subsection (a) of this section continues the effectiveness of the preeffective-date financing statement:
(1) If the initial financing statement is filed before this act takes effect, for the period provided in former section 28-9-403 with respect to a financing statement; and
(2) If the initial financing statement is filed after this act takes effect, for the period provided in section 28-9-515 with respect to an initial financing statement.
(c) To be effective for purposes of subsection (a) of this section, an initial financing statement must:
(1) Satisfy the requirements of part 5 for an initial financing statement;
(2) Identify the preeffective-date financing statement by indicating the office in which the financing statement was filed and providing the dates of filing and file numbers, if any, of the financing statement and of the most recent continuation statement filed with respect to the financing statement; and
(3) Indicate that the preeffective-date financing statement remains effective.

28-9-707. AMENDMENT OF PREEFFECTIVE-DATE FINANCING STATEMENT. A person may file an initial financing statement or a continuation statement under this part if:
(a) In this section, "preeffective-date financing statement" means a financing statement filed before this act takes effect.
(b) After this act takes effect, a person may add or delete collateral covered by, continue or terminate the effectiveness of, or otherwise amend the information provided in, a preeffective-date financing statement only in accordance with the law of the jurisdiction governing perfection as provided in part 3. However, the effectiveness of a preeffective-date financing statement also may be terminated in accordance with the law of the jurisdiction in which the financing statement is filed.

28-9-708. PERSONS ENTITLED TO FILE INITIAL FINANCING STATEMENT OR CONTINUATION STATEMENT. A person may file an initial financing statement or a continuation statement under this part if:
(1) The secured party of record authorizes the filing; and
(2) The filing is necessary under this part:
(A) To continue the effectiveness of a financing statement filed
before this act takes effect; or

(B) To perfect or continue the perfection of a security interest.

28-9-709. PRIORITY. (a) This act determines the priority of conflicting claims to collateral. However, if the relative priorities of the claims were established before this act takes effect, former chapter 9, title 28, determines priority.

(b) For purposes of section 28-9-322(a), the priority of a security interest that becomes enforceable under section 28-9-203 of this act dates from the time this act takes effect if the security interest is perfected under this act by the filing of a financing statement before this act takes effect which would not have been effective to perfect the security interest under former chapter 9, title 28. This subsection does not apply to conflicting security interests, each of which is perfected by the filing of such a financing statement.

SECTION 3. That Section 28-1-105, Idaho Code, be, and the same is hereby amended to read as follows:

28-1-105. TERRITORIAL APPLICATION OF THE ACT — PARTIES' POWER TO CHOOSE APPLICABLE LAW. Failing such agreement this act applies to transactions bearing an appropriate relation to this state.

A person that acquires goods in a transfer in bulk or as

A printed heading in capitals (as: NON-NEGOTIABLE BILL OF LADING) is conspicuous. Language in the body of a form is "conspicuous" if it is in larger or other contrasting type or color. (b) he has received a notice or notification of it; or
(c) from all the facts and circumstances known to him at the time in question he has reason to know that it exists.

A person "knows" or has "knowledge" of a fact when he has actual knowledge of it. "Discover" or "learn" or a word or phrase of similar import refers to knowledge rather than to reason to know. The time and circumstances under which a notice or notification may cease to be effective are not determined by this act.

(26) A person "notifies" or "gives" a notice or notification to another by taking such steps as may be reasonably required to inform the other in ordinary course whether or not such other actually comes to know of it. A person "receives" a notice or notification when:
(a) it comes to his attention; or
(b) it is duly delivered at the place of business through which the contract was made or at any other place held out by him as the place for receipt of such communications.

(27) Notice, knowledge or a notice or notification received by an organization is effective for a particular transaction from the time when it is brought to the attention of the individual conducting that transaction, and in any event from the time when it would have been brought to his attention if the organization had exercised due diligence. An organization exercises due diligence if it maintains reasonable routines for communicating significant information to the person conducting the transaction and there is reasonable compliance with the routines. Due diligence does not require an individual acting for the organization to communicate information unless such communication is part of his regular duties or unless he has reason to know of the transaction and that the transaction would be materially affected by the information.

(28) "Organization" includes a corporation, government or governmental subdivision or agency, business trust, estate, trust, partnership or association, two (2) or more persons having a joint or common interest, or any other legal or commercial entity.

"Representative" includes an agent, an officer of a corporation or association, and a trustee, executor or administrator of an estate, or any other person empowered to act for another.

"Security interest" means an interest in personal property or fixtures which secures payment or performance of an obligation. The retention or reservation of title by a seller of goods notwithstanding shipment or delivery to the buyer (section 28-2-401) is limited in effect to a reservation of a "security interest." The term also includes any interest of a consignor and a buyer of accounts, or chattel paper, which a payment intangible, or a promissory note in a transaction that is subject to chapter 9, title 28, Idaho Code. The special property interest of a buyer of goods on identification of those goods to a contract for sale under section 28-2-401 is not a "security interest," but a buyer may also acquire a "security interest" by complying with chapter 9, title 28, Idaho Code. Unless a consignment is intended as security, reservation of title thereunder is not a "security interest," but a consignment in any event is subject to the provisions on consignment sales (section 28-2-326). Except as otherwise provided in section 28-2-205, the right of a seller or lessor of goods under chapter 2 or chapter 12, title 28, Idaho Code, to retain or acquire possession of the goods is not a "security interest," but a seller or lessor may also acquire a "security interest" by complying with chapter 9, title 28, Idaho Code. The retention or reservation of title by a seller of goods notwithstanding shipment or delivery to the buyer (section 28-2-401) is limited in effect to a reservation of a "security interest."

Whether a transaction creates a lease or security interest is determined by the facts of each case; however, a transaction creates a security interest if the consideration the lessee is to pay the lessor for the right to possession and use of the goods is an obligation for the term of the lease not subject to termination by the lessee, and:

(a) the original term of the lease is equal to or greater than the remaining economic life of the goods; or
(b) the lessee is bound to renew the lease for the remaining economic life of the goods or is bound to become the owner of the goods; or
(c) the lessee has an option to renew the lease for the remaining economic life of the goods for no additional consideration or nominal additional consideration upon compliance with the lease agreement; or
(d) the lessee has an option to become the owner of the goods for no additional consideration or nominal additional consideration upon compliance with the lease agreement.

A transaction does not create a security interest merely because it provides that:

(a) the present value of the consideration the lessee is obligated to pay the lessor for the right to possession and use of the goods is substantially equal to or is greater than the fair market value of the goods at the time the lease is entered into; or
(b) the lessee assumes risk of loss of the goods, or agrees to pay taxes, insurance, filing, recording, or registration fees, or service or maintenance costs with respect to the goods; or
(c) the lessee has an option to renew the lease or to become the owner of the goods; or
(d) The lessee has the option to renew the lease for a fixed rent that is equal to or greater than the reasonably predictable fair market rent for the use of the goods for the term of the renewal at the time the option is to be performed; or

(e) The lessee has the option to become the owner of the goods for a fixed price that is equal to or greater than the reasonably predictable fair market value of the goods at the time the option is to be performed.

For purposes of this subsection (37):
Additional consideration is not nominal if (i) when the option to renew the lease is granted to the lessee the rent is stated to be the fair market rent for the use of the goods for the term of the renewal determined at the time the option is to be performed, or (ii) when the option to become the owner of the goods is granted to the lessee the price is stated to be the fair market value of the goods determined at the time the option is to be performed.

Additional consideration is nominal if it is less than the lessee's reasonably predictable cost of performing under the lease agreement if the option is not exercised.

"Reasonably predictable" and "remaining economic life of the goods" are to be determined with reference to the facts and circumstances at the time the transaction is entered into.

"Present value" means the amount as of a date certain of one (1) or more sums payable in the future, discounted to the date certain. The discount is determined by the interest rate specified by the parties if the rate is not manifestly unreasonable at the time the transaction is entered into; otherwise, the discount is determined by a commercially reasonable rate that takes into account the facts and circumstances of each case at the time the transaction was entered into.

(38) "Send" in connection with any writing or notice means to deposit in the mail or deliver for transmission by any other usual means of communication with postage or cost of transmission provided for and properly addressed and in the case of an instrument to an address specified thereon or otherwise agreed, or if there be none to any address reasonable under the circumstances. The receipt of any writing or notice within the time at which it would have arrived if properly sent has the effect of a proper sending.

(39) "Signed" includes any symbol executed or adopted by a party with present intention to authenticate a writing.

(40) "Surety" includes guarantor.

SECTION 6. That Section 28-2-210, Idaho Code, be, and the same is hereby amended to read as follows:

28-2-210. DELEGATION OF PERFORMANCE -- ASSIGNMENT OF RIGHTS. (1) A party may perform his duty through a delegate unless otherwise agreed or unless the other party has a substantial interest in having his original promisor perform or control the acts required by the contract. No delegation of performance relieves the party delegating of any duty to perform or any liability for breach.

(2) Except as otherwise provided in section 28-9-406, unless otherwise agreed, all rights of either seller or buyer can be assigned except where the assignment would materially change the duty of the other party, or increase materially the burden or risk imposed on him by his contract, or impair materially his chance of obtaining return performance. A right to damages for breach of the whole contract or a right arising out of the assignor's due performance of his entire obligation can be assigned despite agreement otherwise.

(3) The creation, attachment, perfection or enforcement of a security interest in the seller's interest under a contract is not a transfer that materially changes the duty of or increases materially the burden or risk imposed on the buyer or impairs materially the buyer's chance of obtaining return performance within the purview of subsection (2) of this section unless, and then only to the extent that, enforcement actually results in a delegation of material performance of the seller. Even in that event, the creation, attachment, perfection and enforcement of the security interest remain effective, but: (i) the seller is liable to the buyer for damages caused by the delegation to the extent that the damages could not reasonably be prevented by the buyer; and (ii) a court having jurisdiction may grant other appropriate relief, including cancellation of the contract for sale or an injunction against enforcement of the security interest or consummation of the enforcement.

(4) Unless the circumstances indicate the contrary, a prohibition of assignment of "the contract" is to be construed as barring only the delegation to the assignee of the assignor's performance.

(45) An assignment of "the contract" or of "all my rights under the contract" or an assignment in similar general terms is an assignment of rights and unless the language or the circumstances, (as in an assignment for security), indicate the contrary, it is a delegation of performance of the duties of the assignor and its acceptance by the assignee constitutes a promise by him to perform those duties. This promise is enforceable by either the assignor or the other party to the original contract.

(56) The other party may treat any assignment which delegates performance as creating reasonable grounds for insecurity and may without prejudice to his rights against the assignor demand assurances from the assignee (section 28-2-609).
SECTION 7. That Section 28-2-326, Idaho Code, be, and the same is hereby amended to read as follows:

28-2-326. SALE ON APPROVAL AND SALE OR RETURN -- CONSIGNMENT-SALES AND RIGHTS OF CREDITORS. (1) Unless otherwise agreed, if delivered goods may be returned by the buyer even though they conform to the contract, the transaction is:
   (a) a "sale on approval" if the goods are delivered primarily for use; or
   (b) a "sale or return" if the goods are delivered primarily for resale.
(2) Except-as-provided-in-subsection-(3), Goods held on approval are not subject to the claims of the buyer's creditors until acceptance; goods held on sale or return are subject to such claims while in the buyer's possession.
(3) Where--goods-are-deri�ered-to-a-perso-n-for-sare-and-stteh-person maintains-a-place-of-business-at-which-he-deals-in-goods-of-the-kind involved;--under-a-name-other-than-the-name-of-the-person-making-deliv- er,--then-with-respect-to-claims-of-creditors-of-the-person-conducting the--business--the--goods-are-deemed-to-be-on-sale-or-returns. The provi-sions-of-this-subsection-are-applicable-even-though--an--agreement-pur- ports--to--reserve-ttitle-to-the-person-making-delivery-until-payment-or resale-or-uses-such-words-as-"on-consignment"-or-"on-memorandum."-How- ever, this subsection is not applicable if the person conducting delivery
   (a)--complies--with-an-applicable--law-providing-for-a-consignor's interest-or-the-like-to-be-evidenced-by-a-sign; or
   (b)--establishes-that-the-person-conducting-the-business--is--gener- ally-known--by-his-creditors-to-be-substantially-engaged-in-selling the-goods-of-others; or
   (c)--complies-with-the-filing-provisions-of-the-chapter-on-Secured Transactions-(chapter-9).
(4) Any "or return" term of a contract for sale is to be treated as a separate contract for sale within the statute of frauds section of this chapter (section 28-2-201) and as contradicting the sale aspect of the contract within the provisions of this chapter on parol or extrinsic evidence (section 28-2-202).

SECTION 8. That Section 28-2-502, Idaho Code, be, and the same is hereby amended to read as follows:

28-2-502. BUYER'S RIGHT TO GOODS ON SELLER'S REPUDIATION, FAILURE TO DELIVER, OR INSOLVENCY. (1) Subject to subsections (2) and (3) and even though the goods have not been shipped a buyer who has paid a part or all of the price of goods in which he has a special property under the provisions of the immediately-preceding section 28-2-501, may on making and keeping good a tender of any unpaid portion of their price recover them from the seller if:
   (a) In the case of goods bought for personal, family or household purposes, the seller repudiates or fails to deliver as required by the contract; or
   (b) In all cases, the seller becomes insolvent within ten (10) days after receipt of the first installment installment on their price.
(2) The buyer's right to recover the goods under subsection (1)(a) vests upon acquisition of a special property, even if the seller had not
then repudiated or failed to deliver.

(3) If the identification creating his special property has been made by the buyer he acquires the right to recover the goods only if they conform to the contract for sale.

SECTION 9. That Section 28-2-716, Idaho Code, be, and the same is hereby amended to read as follows:

28-2-716. BUYER'S RIGHT TO SPECIFIC PERFORMANCE OR CLAIM AND DELIVERY. (1) Specific performance may be decreed where the goods are unique or in other proper circumstances.

(2) The decree for specific performance may include such terms and conditions as to payment of the price, damages, or other relief as the court may deem just.

(3) The buyer has a right to maintain a claim and delivery action for goods identified to the contract if after reasonable effort he is unable to effect cover for such goods or the circumstances reasonably indicate that such effort will be unavailing or if the goods have been shipped under reservation and satisfaction of the security interest in them has been made or tendered. In the case of goods bought for personal, family or household purposes, the buyer's right of replevin vests upon acquisition of a special property, even if the seller had not then repudiated or failed to deliver.

SECTION 10. That Section 28-4-210, Idaho Code, be, and the same is hereby amended to read as follows:

28-4-210. SECURITY INTEREST OF COLLECTING BANK IN ITEMS, ACCOMPANYING DOCUMENTS AND PROCEEDS. (1) A collecting bank has a security interest in an item and any accompanying documents or the proceeds of either:

(a) in case of an item deposited in an account, to the extent to which credit given for the item has been withdrawn or applied;

(b) in case of an item for which it has given credit available for withdrawal as of right, to the extent of the credit given, whether or not the credit is drawn upon or there is a right of charge-back; or

(c) if it makes an advance on or against the item.

(2) If credit given for several items received at one time or pursuant to a single agreement is withdrawn or applied in part, the security interest remains upon all the items, any accompanying documents or the proceeds of either. For the purpose of this section, credits first given are first withdrawn.

(3) Receipt by a collecting bank of a final settlement for an item is a realization on its security interest in the item, accompanying documents and proceeds. So long as the bank does not receive final settlement for the item or give up possession of the item or accompanying documents for purposes other than collection, the security interest continues to that extent and is subject to the provisions of chapter 9, title 28, Idaho Code, but:

(a) no security agreement is necessary to make the security interest enforceable (section 28-9-203(1b)(3)(a));

(b) no filing is required to perfect the security interest; and

(c) the security interest has priority over conflicting perfected security interests in the item, accompanying documents or proceeds.
SECTION 11. That Chapter 5, Part 1, Title 28, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW SECTION, to be known and designated as Section 28-5-120, Idaho Code, and to read as follows:

28-5-120. SECURITY INTEREST OF ISSUER OR NOMINATED PERSON. (a) An issuer or nominated person has a security interest in a document presented under a letter of credit to the extent that the issuer or nominated person honors or gives value for the presentation.

(b) So long as and to the extent that an issuer or nominated person has not been reimbursed or has not otherwise recovered the value given with respect to a security interest in a document under subsection (a) of this section, the security interest continues and is subject to chapter 9, title 28, Idaho Code, but:

(1) A security agreement is not necessary to make the security interest enforceable under section 28-9-203(b)(3);
(2) If the document is presented in a medium other than a written or other tangible medium, the security interest is perfected; and
(3) If the document is presented in a written or other tangible medium and is not a certificated security, chattel paper, a document of title, an instrument, or a letter of credit, the security interest is perfected and has priority over a conflicting security interest in the document so long as the debtor does not have possession of the document. This act applies to a letter of credit that is issued on or after the effective date of this act. This act does not apply to a transaction, event, obligation, or duty arising out of or associated with a letter of credit that was issued before the effective date of this act.

SECTION 12. That Section 28-7-209A, Idaho Code, be, and the same is hereby amended to read as follows:

28-7-209A. LIENS OF AGRICULTURAL COMMODITY WAREHOUSEMEN. (1) An agricultural commodity warehouseman, as such term is defined in subsection (2) of this section has a lien, dependent upon possession, upon any agricultural commodity deposited with the warehouseman, or stored in or upon the warehouseman's premises, and any proceeds of sale of such agricultural commodity, which lien shall secure payment of any and all lawful charges incurred or payable for the storage, preservation, transportation, labor, weighing, testing, processing, milling, improvement, sale or similar expense incurred with regard to such agricultural commodity.

(2) As used in this section, the term "agricultural commodity warehouseman" shall include any person, partnership, corporation or other lawful business organization which owns or operates a warehousing, storage, weighing, milling or processing facility which is predominantly employed for the purpose of storing, keeping, preserving, processing, milling, cleaning, bagging, boxing or otherwise handling any agricultural commodity for or to the benefit of the owner or depositor thereof.

(3) Notwithstanding the provisions of section 28-7-209, Idaho Code, or any of the provisions of chapters 7 or 9, title 28, Idaho Code, the lien created in favor of an agricultural commodity warehouseman in this section shall have the priority conferred upon other statutory liens under section 28-9-31033, Idaho Code.

(4) If the charges secured by the lien conferred in this section
shall not have been paid by or before the date called for by any con-
tact, agreement or document to title between the agricultural commodity
warehouseman and the owner or depositor of such agricultural commodity,
or thirty (30) days after written demand for payment shall have been
made upon the owner or depositor, whichever shall be earlier, the lien
may be enforced in the manner specified in section 28-7-210(1), Idaho
Code.

(5) The provisions of this section and the lien created hereby
shall be applicable to any agricultural commodity deposited or stored
with any agricultural commodity warehouseman within this state after
March 1, 1992.

SECTION 13. That Section 28-7-503, Idaho Code, be, and the same is
hereby amended to read as follows:

28-7-503. DOCUMENT OF TITLE TO GOODS DEFEATED IN CERTAIN CASES. (1)
A document of title confers no right in goods against a person who
before issuance of the document had a legal interest or a perfected
security interest in them and who neither:
(a) Delivered or entrusted them or any document of title covering
them to the bailor or his nominee with actual or apparent authority
to ship, store or sell or with power to obtain delivery under this
chapter (section 28-7-403) or with power of disposition under this
act (sections 28-2-403 and 28-9-30720) or other statute or rule of
law; nor
(b) Acquiesced in the procurement by the bailor or his nominee of
any document of title.
(2) Title to goods based upon an unaccepted delivery order is sub-
ject to the rights of anyone to whom a negotiable warehouse receipt or
bill of lading covering the goods has been duly negotiated. Such a title
may be defeated under the next section 28-7-504, Idaho Code, to the same
extent as the rights of the issuer or a transferee from the issuer.
(3) Title to goods based upon a bill of lading issued to a freight
forwarder is subject to the rights of anyone to whom a bill issued by
the freight forwarder is duly negotiated; but delivery by the carrier in
accordance with Part 4 of this chapter pursuant to its own bill of lad-
ing discharges the carrier's obligation to deliver.

SECTION 14. That Section 28-8-103, Idaho Code, be, and the same is
hereby amended to read as follows:

28-8-103. RULES FOR DETERMINING WHETHER CERTAIN OBLIGATIONS AND
INTERESTS ARE SECURITIES OR FINANCIAL ASSETS. (1) A share or similar
equity interest issued by a corporation, business trust, joint stock
company or similar entity is a security.
(2) An "investment company security" is a security. "Investment
company security" means a share or similar equity interest issued by an
entity that is registered as an investment company under the federal
investment company laws, an interest in a unit investment trust that is
so registered, or a face-amount certificate issued by a face-amount cer-
tificate company that is so registered. Investment company security
does not include an insurance policy or endowment policy or annuity con-
tract issued by an insurance company.
(3) An interest in a partnership or limited liability company is
not a security unless it is dealt in or traded on securities exchanges or in securities markets, its terms expressly provide that it is a security governed by this chapter, or it is an investment company security. However, an interest in a partnership or limited liability company is a financial asset if it is held in a securities account.

(4) A writing that is a security certificate is governed by this chapter and not by chapter 3, title 28, even though it also meets the requirements of chapter 3, title 28. However, a negotiable instrument governed by chapter 3, title 28, is a financial asset if it is held in a securities account.

(5) An option or similar obligation issued by a clearing corporation to its participants is not a security, but is a financial asset.

(6) A commodity contract, as defined in section 28-9-1502(a)(15), is not a security or a financial asset.

SECTION 15. That Section 28-8-106, Idaho Code, be, and the same is hereby amended to read as follows:

28-8-106. CONTROL. (1) A purchaser has "control" of a certificated security in bearer form if the certificated security is delivered to the purchaser.

(2) A purchaser has "control" of a certificated security in registered form if the certificated security is delivered to the purchaser, and:

(a) The certificate is indorsed to the purchaser or in blank by an effective indorsement; or

(b) The certificate is registered in the name of the purchaser, upon original issue or registration of transfer by the issuer.

(3) A purchaser has "control" of an uncertificated security if:

(a) The uncertificated security is delivered to the purchaser; or

(b) The issuer has agreed that it will comply with instructions originated by the purchaser without further consent by the registered owner.

(4) A purchaser has "control" of a security entitlement if:

(a) The purchaser becomes the entitlement holder; or

(b) The securities intermediary has agreed that it will comply with entitlement orders originated by the purchaser without further consent by the entitlement holder; or

(c) Another person has control of the security entitlement on behalf of the purchaser or, having previously acquired control of the security entitlement, acknowledges that it has control on behalf of the purchaser.

(b) If an interest in a security entitlement is granted by the entitlement holder to the entitlement holder's own securities intermediary, the securities intermediary has control.

(6) A purchaser who has satisfied the requirements of subsection (3)(b) or (4)(b) of this section has control, even if the registered owner in the case of subsection (3)(b) of this section, or the entitlement holder in the case of subsection (4)(b) of this section, retains the right to make substitutions for the uncertificated security or security entitlement, to originate instructions or entitlement orders to the issuer or securities intermediary, or otherwise to deal with the uncertificated security or security entitlement.

(7) An issuer or a securities intermediary may not enter into an
agreement of the kind described in subsection (3)(b) or (4)(b) of this section without the consent of the registered owner or entitlement holder, but an issuer or a securities intermediary is not required to enter into such an agreement even though the registered owner or entitlement holder so directs. An issuer or securities intermediary that has entered into such an agreement is not required to confirm the existence of the agreement to another party unless requested to do so by the registered owner or entitlement holder.

SECTION 16. That Section 28-8-110, Idaho Code, be, and the same is hereby amended to read as follows:

28-8-110. APPLICABILITY AND CHOICE OF LAW. (1) The local law of the issuer's jurisdiction, as specified in subsection (4) of this section, governs:

(a) The validity of a security;
(b) The rights and duties of the issuer with respect to registration of transfer;
(c) The effectiveness of registration of transfer by the issuer;
(d) Whether the issuer owes any duties to an adverse claimant to a security; and
(e) Whether an adverse claim can be asserted against a person to whom transfer of a certificated or uncertificated security is registered or a person who obtains control of an uncertificated security.

(2) The local law of the securities intermediary's jurisdiction, as specified in subsection (5) of this section, governs:

(a) Acquisition of a security entitlement from the securities intermediary;
(b) The rights and duties of the securities intermediary and entitlement holder arising out of a security entitlement;
(c) Whether the securities intermediary owes any duties to an adverse claimant to a security entitlement; and
(d) Whether an adverse claim can be asserted against a person who acquires a security entitlement from the securities intermediary or a person who purchases a security entitlement or interest therein from an entitlement holder.

(3) The local law of the jurisdiction in which a security certificate is located at the time of delivery governs whether an adverse claim can be asserted against a person to whom the security certificate is delivered.

(4) "Issuer's jurisdiction" means the jurisdiction under which the issuer of the security is organized or, if permitted by the law of that jurisdiction, the law of another jurisdiction specified by the issuer. An issuer organized under the law of this state may specify the law of another jurisdiction as the law governing the matters specified in subsections (1)(b) through (1)(e) of this section.

(5) The following rules determine a "securities intermediary's jurisdiction" for purposes of this section:

(a) If an agreement between the securities intermediary and its entitlement holder specifies that it is governed by the law of a particular jurisdiction governing the securities account expressly provides that a particular jurisdiction is the securities intermediary's jurisdiction for purposes of this part, this chapter,
or this act, that jurisdiction is the securities intermediary's jurisdiction.
(b) If paragraph (a) of this subsection does not apply and an agreement between the securities intermediary and its entitlement holder governing the securities account expressly provides that the agreement is governed by the law of a particular jurisdiction, that jurisdiction is the securities intermediary's jurisdiction.
(c) If neither paragraph (a) nor paragraph (b) of this section applies and an agreement between the securities intermediary and its entitlement holder does not specify the governing law as provided in paragraph (a) of this subsection, but governing the securities account expressly specifies provides that the securities account is maintained at an office in a particular jurisdiction, that jurisdiction is the securities intermediary's jurisdiction.
(d) If an agreement between the securities intermediary and its entitlement holder does not specify a jurisdiction as provided in paragraphs (a) or (b) of this subsection none of the preceding paragraphs apply, the securities intermediary's jurisdiction is the jurisdiction in which is located the office identified in an account statement as the office serving the entitlement holder's account is located.
(e) If an agreement between the securities intermediary and its entitlement holder does not specify a jurisdiction as provided in paragraph (a) or (b) of this subsection, and an account statement does not identify an office serving the entitlement holder's account as provided in paragraph (c) of this subsection none of the preceding paragraphs apply, the securities intermediary's jurisdiction is the jurisdiction in which is located the chief executive office of the securities intermediary is located.
(6) A securities intermediary's jurisdiction is not determined by the physical location of certificates representing financial assets, or by the jurisdiction in which is organized the issuer of the financial asset with respect to which an entitlement holder has a security entitlement, or by the location of facilities for data processing or other record-keeping concerning the account.

SECTION 17. That Section 28-8-301, Idaho Code, be, and the same is hereby amended to read as follows:

28-8-301. DELIVERY. (1) Delivery of a certificated security to a purchaser occurs when:
(a) The purchaser acquires possession of the security certificate;
(b) Another person, other than a securities intermediary, either acquires possession of the security certificate on behalf of the purchaser or, having previously acquired possession of the certificate, acknowledges that it holds for the purchaser; or
(c) A securities intermediary acting on behalf of the purchaser acquires possession of the security certificate, only if the certificate is in registered form and has been: (i) registered in the name of the purchaser, (ii) payable to the order of the purchaser, or (iii) specially indorsed to the purchaser by an effective indorsement and has not been indorsed to the securities intermediary or in blank.
(2) Delivery of an uncertificated security to a purchaser occurs when:
   (a) The issuer registers the purchaser as the registered owner, upon original issue or registration of transfer; or
   (b) Another person, other than a securities intermediary, either becomes the registered owner of the uncertificated security on behalf of the purchaser or, having previously become the registered owner, acknowledges that it holds for the purchaser.

SECTION 18. That Section 28-8-302, Idaho Code, be, and the same is hereby amended to read as follows:

28-8-302. RIGHTS OF PURCHASER. (1) Except as otherwise provided in subsections (2) and (3) of this section, upon delivery a purchaser of a certificated or uncertificated security acquires all rights in the security that the transferor had or had power to transfer.

(2) A purchaser of a limited interest acquires rights only to the extent of the interest purchased.

(3) A purchaser of a certificated security who as a previous holder had notice of an adverse claim does not improve its position by taking from a protected purchaser.

SECTION 19. That Section 28-8-510, Idaho Code, be, and the same is hereby amended to read as follows:

28-8-510. RIGHTS OF PURCHASER OF SECURITY ENTITLEMENT FROM ENTITLEMENT HOLDER. (1) In a case not covered by the priority rules in chapter 9, title 28, Idaho Code, or the rules stated in subsection (3) of this section, an action based on an adverse claim to a financial asset or security entitlement, whether framed in conversion, replevin, constructive trust, equitable lien, or other theory, may not be asserted against a person who purchases a security entitlement, or an interest therein, from an entitlement holder if the purchaser gives value, does not have notice of the adverse claim, and obtains control.

(2) If an adverse claim could not have been asserted against an entitlement holder under section 28-8-502, the adverse claim cannot be asserted against a person who purchases a security entitlement, or an interest therein, from the entitlement holder.

(3) In a case not covered by the priority rules in chapter 9, title 28, Idaho Code, a purchaser for value of a security entitlement, or an interest therein, who obtains control has priority over a purchaser of a security entitlement, or an interest therein, who does not obtain control. Except as otherwise provided in subsection (4) of this section, purchasers who have control rank equally, except that a according to priority in time of:
   (a) The purchaser's becoming the person for whom the securities account, in which the security entitlement is carried, is maintained, if the purchaser obtained control under section 28-8-106(4)(a);
   (b) The securities intermediary's agreement to comply with the purchaser's entitlement orders with respect to security entitlements.
carried or to be carried in the securities account in which the security entitlement is carried, if the purchaser obtained control under section 28-8-106(4)(b); or
(c) If the purchaser obtained control through another person under section 28-8-106(4)(c), the time on which priority would be based under this subsection if the other person were the secured party.
(4) A securities intermediary as purchaser has priority over a conflicting purchaser who has control unless otherwise agreed by the securities intermediary.

SECTION 20. That Section 28-12-103, Idaho Code, be, and the same is hereby amended to read as follows:

(B) The lessee's approval of the contract by which the
lessor acquired the goods or the right to possession and use of the goods is a condition to effectiveness of the lease contract;

(C) The lessee, before signing the lease contract, receives an accurate and complete statement designating the promises and warranties, and any disclaimers of warranties, limitations or modifications of remedies, or liquidated damages, including those of a third party, such as the manufacturer of the goods, provided to the lessor by the person supplying the goods in connection with or as part of the contract by which the lessor acquired the goods or the right to possession and use of the goods; or

(D) If the lease is not a consumer lease, the lessor, before the lessee signs the lease contract, informs the lessee in writing:

a. Of the identity of the person supplying the goods to the lessor, unless the lessee has selected that person and directed the lessor to acquire the goods or the right to possession and use of the goods from that person;

b. That the lessee is entitled under this article chapter to the promises and warranties, including those of any third party, provided to the lessor by the person supplying the goods in connection with or as part of the contract by which the lessor acquired the goods or the right to possession and use of the goods; and

c. That the lessee may communicate with the person supplying the goods to the lessor and receive an accurate and complete statement of those promises and warranties, including any disclaimers and limitations of them or of remedies.

(h) "Goods" means all things that are movable at the time of identification to the lease contract, or are fixtures (section 28-12-309), but the term does not include money, documents, instruments, accounts, chattel paper, general intangibles, or minerals or the like, including oil and gas, before extraction. The term also includes the unborn young of animals.

(i) "Installment lease contract" means a lease contract that authorizes or requires the delivery of goods in separate lots to be separately accepted, even though the lease contract contains a clause "each delivery is a separate lease" or its equivalent.

(j) "Lease" means a transfer of the right to possession and use of goods for a term in return for consideration, but a sale, including a sale on approval or a sale or return, or retention or creation of a security interest is not a lease. Unless the context clearly indicates otherwise, the term includes a sublease.

(k) "Lease agreement" means the bargain, with respect to the lease, of the lessor and the lessee in fact as found in their language or by implication from other circumstances including course of dealing or usage of trade or course of performance as provided in this chapter. Unless the context clearly indicates otherwise, the term includes a sublease agreement.

(l) "Lease contract" means the total legal obligation that results
from the lease agreement as affected by this chapter and any other applicable rules of law. Unless the context clearly indicates otherwise, the term includes a sublease contract.

(m) "Leasehold interest" means the interest of the lessor or the lessee under a lease contract.

(n) "Lessee" means a person who acquires the right to possession and use of goods under a lease. Unless the context clearly indicates otherwise, the term includes a sublessee.

(o) "Lessee in ordinary course of business" means a person who in good faith and without knowledge that the lease to him is in violation of the ownership rights or security interest or leasehold interest of a third party in the goods leases in ordinary course from a person in the business of selling or leasing goods of that kind but does not include a pawnbroker. "Leasing" may be for cash or by exchange of other property or on secured or unsecured credit and includes receiving goods or documents of title under a pre-existing lease contract but does not include a transfer in bulk or as security for or in total or partial satisfaction of a money debt.

(p) "Lessor" means a person who transfers the right to possession and use of goods under a lease. Unless the context clearly indicates otherwise, the term includes a sublessor.

(q) "Lessor's residual interest" means the lessor's interest in the goods after expiration, termination or cancellation of the lease contract.

(r) "Lien" means a charge against or interest in goods to secure payment of a debt or performance of an obligation, but the term does not include a security interest.

(s) "Lot" means a parcel or a single article that is the subject matter of a separate lease or delivery, whether or not it is sufficient to perform the lease contract.

(t) "Merchant lessee" means a lessee that is a merchant with respect to goods of the kind subject to the lease.

(u) "Present value" means the amount as of a date certain of one or more sums payable in the future, discounted to the date certain. The discount is determined by the interest rate specified by the parties if the rate was not manifestly unreasonable at the time the transaction was entered into; otherwise, the discount is determined by a commercially reasonable rate that takes into account the facts and circumstances of each case at the time the transaction was entered into.

(v) "Purchase" includes taking by sale, lease, mortgage, security interest, pledge, gift or any other voluntary transaction creating an interest in goods.

(w) "Sublease" means a lease of goods the right to possession and use of which was acquired by the lessor as a lessee under an existing lease.

(x) "Supplier" means a person from whom a lessor buys or leases goods to be leased under a finance lease.

(y) "Supply contract" means a contract under which a lessor buys or leases goods to be leased.

(z) "Termination" occurs when either party pursuant to a power created by agreement or law puts an end to the lease contract otherwise than for default.

SECTION 21. That Section 28-12-303, Idaho Code, be, and the same is hereby amended to read as follows:

28-12-303. ALIENABILITY OF PARTY'S INTEREST UNDER LEASE CONTRACT OR OF LESSOR'S RESIDUAL INTEREST IN GOODS — DELEGATION OF PERFORMANCE — TRANSFER OF RIGHTS. (1) As used in this section, "creation of a security interest" includes the sale of a lease contract that is subject to chapter 9, title 28, Idaho Code, secured transactions, by reason of section 28-9-1029(ia)(63).

(2) Except as provided in subsections (3) and (4) of this section and section 28-9-407, a provision in a lease agreement which: (i) prohibits the voluntary or involuntary transfer, including a transfer by sale, sublease, creation or enforcement of a security interest, or attachment, levy, or other judicial process, of an interest of a party under the lease contract or of the lessor's residual interest in the goods, or (ii) makes such a transfer an event of default, gives rise to the rights and remedies provided in subsection (34) of this section, but a transfer that is prohibited or is an event of default under the lease agreement is otherwise effective.

(3) A provision in a lease agreement which (i) prohibits the creation or enforcement of a security interest in an interest of a party under the lease contract or in the lessor's residual interest in the
(4) A provision in a lease agreement which: (i) prohibits a transfer of a right to damages for default with respect to the whole lease contract or of a right to payment arising out of the transferor's due performance of the transferor's entire obligation, or (ii) makes such a transfer an event of default, is not enforceable, and such a transfer is not a transfer that materially impairs the prospect of obtaining return performance by, materially changes the duty of, or materially increases the burden or risk imposed on, the lessee within the purview of subsection (5) of this section unless, and then only to the extent that, there is an actual delegation of a material performance of the lessor.

(54) Subject to the provisions of subsections (3) and (4) of this section and section 28-9-407:

(a) If a transfer is made which is made an event of default under a lease agreement, the party to the lease contract not making the transfer, unless that party waives the default or otherwise agrees, has the rights and remedies described in section 28-12-501(2);

(b) If paragraph (a) of this subsection is not applicable and if a transfer is made that: (i) is prohibited under a lease agreement or (ii) materially impairs the prospect of obtaining return performance by, materially changes the duty of, or materially increases the burden or risk imposed on, the other party to the lease contract, unless the party not making the transfer agrees at any time to the transfer in the lease contract or otherwise, then, except as limited by contract, (i) the transferor is liable to the party not making the transfer for damages caused by the transfer to the extent that the damages could not reasonably be prevented by the party not making the transfer and (ii) a court having jurisdiction may grant other appropriate relief, including cancellation of the lease contract or an injunction against the transfer.

(65) A transfer of "the lease" or of "all my rights under the lease," or a transfer in similar general terms, is a transfer of rights and, unless the language or the circumstances, as in a transfer for security, indicate the contrary, the transfer is a delegation of duties by the transferor to the transferee. Acceptance by the transferee constitutes a promise by the transferee to perform those duties. The promise is enforceable by either the transferor or the other party to the lease contract.

(76) Unless otherwise agreed by the lessor and the lessee, a delegation of performance does not relieve the transferor as against the other party of any duty to perform or of any liability for default.

(87) In a consumer lease, to prohibit the transfer of an interest of a party under the lease contract or to make a transfer an event of
default, the language must be specific, by a writing, and conspicuous.

SECTION 22. That Section 28-12-307, Idaho Code, be, and the same is hereby amended to read as follows:

28-12-307. PRIORITY OF LIENS ARISING BY ATTACHMENT OR LEVY ON, SECURITY INTERESTS IN, AND OTHER CLAIMS TO GOODS. (1) Except as otherwise provided in section 28-12-306, a creditor of a lessee takes subject to the lease contract.

(2) Except as otherwise provided in subsections (3) and (4) of this section and in sections 28-12-306 and 28-12-308, a creditor of a lessor takes subject to the lease contract unless:

(a) The creditor holds a lien that attached to the goods before the lease contract became enforceable;

(b) The creditor holds a security interest in the goods and the lessee did not give value and receive delivery of the goods without knowledge of the security interest;

(c) The creditor holds a security interest in the goods which was perfected before the lease contract became enforceable;

(d) A lessee in the ordinary course of business takes the leasehold interest free of a security interest in the goods created by the lessor even though the security interest is perfected and the lessee knows of its existence;

(e) A lessee other than a lessee in the ordinary course of business takes the leasehold interest free of a security interest to the extent that it secures future advances made after the secured party acquires knowledge of the lease or more than forty-five (45) days after the lease contract becomes enforceable, whichever first occurs, unless the future advances are made pursuant to a commitment entered into without knowledge of the lease and before the expiration of the forty-five (45) day period.

(3) Except as otherwise provided in sections 28-9-317, 28-9-321 and 28-9-323, a lessee takes a leasehold interest subject to a security interest held by a creditor of the lessor.

SECTION 23. That Section 28-12-309, Idaho Code, be, and the same is hereby amended to read as follows:

28-12-309. LESSOR'S AND LESSEE'S RIGHTS WHEN GOODS BECOME FIXTURES. (1) In this section:

(a) Goods are "fixtures" when they become so related to particular real estate that an interest in them arises under real estate law;

(b) A "fixture filing" is the filing, in the office where a record of a mortgage on the real estate would be filed or recorded, of a financing statement covering goods that are or are to become fixtures and conforming to the requirements of section 28-9-4502(5a) and (b);

(c) A "lease" is a "purchase money lease" unless the lessee has possession or use of the goods or the right to possession or use of the goods before the lease agreement is enforceable;

(d) A mortgage is a "construction mortgage" to the extent it secures an obligation incurred for the construction of an improvement on land including the acquisition cost of the land, if the
recorded writing so indicates; and

(e) "Encumbrance" includes real estate mortgages and other liens on real estate and all other rights in real estate that are not ownership interests.

(2) Under this chapter a lease may be of goods that are fixtures or may continue in goods that become fixtures, but no lease exists under this chapter of ordinary building materials incorporated into an improvement on land.

(3) The provisions of this chapter do not prevent creation of a lease of fixtures pursuant to real estate law.

(4) The perfected interest of a lessor of fixtures has priority over a conflicting interest of an encumbrancer or owner of the real estate if:

(a) The lease is a purchase money lease, the conflicting interest of the encumbrancer or owner arises before the goods become fixtures, the interest of the lessor is perfected by a fixture filing before the goods become fixtures or within ten (10) days thereafter, and the lessee has an interest of record in the real estate or is in possession of the real estate; or

(b) The interest of the lessor is perfected by a fixture filing before the interest of the encumbrancer or owner is of record, the lessor's interest has priority over any conflicting interest of a predecessor in title of the encumbrancer or owner, and the lessee has an interest of record in the real estate or is in possession of the real estate.

(5) The interest of a lessor of fixtures, whether or not perfected, has priority over the conflicting interest of an encumbrancer or owner of the real estate if:

(a) The fixtures are readily removable factory or office machines, readily removable equipment that is not primarily used or leased for use in the operation of the real estate, or readily removable replacements of domestic appliances that are goods subject to a consumer lease, and before the goods become fixtures the lease contract is enforceable; or

(b) The conflicting interest is a lien on the real estate obtained by legal or equitable proceedings after the lease contract is enforceable; or

(c) The encumbrancer or owner has consented in writing to the lease or has disclaimed an interest in the goods as fixtures; or

(d) The lessee has a right to remove the goods as against the encumbrancer or owner. If the lessee's right to remove terminates, the priority of the interest of the lessor continues for a reasonable time.

(6) Notwithstanding the provisions of subsection (4)(a) of this section but otherwise subject to the provisions of subsections (4) and (5) of this section, the interest of a lessor of fixtures, including the lessor's residual interest, is subordinate to the conflicting interest of an encumbrancer of the real estate under a construction mortgage recorded before the goods become fixtures if the goods become fixtures before the completion of the construction. To the extent given to refinance a construction mortgage, the conflicting interest of an encumbrancer of the real estate under a mortgage has this priority to the same extent as the encumbrancer of the real estate under the construction mortgage.
(7) In cases not within the preceding subsections, priority between the interest of a lessor of fixtures, including the lessor's residual interest, and the conflicting interest of an encumbrancer or owner of the real estate who is not the lessee is determined by the priority rules governing conflicting interests in real estate.

(8) If the interest of a lessor of fixtures, including the lessor's residual interest, has priority over all conflicting interests of all owners and encumbrancers of the real estate, the lessor or the lessee may: (i) on default, expiration, termination, or cancellation of the lease agreement but subject to the lease agreement and this chapter, or (ii) if necessary to enforce his other rights and remedies of the lessor or lessee under this chapter, remove the goods from the real estate, free and clear of all conflicting interests of all owners and encumbrancers of the real estate, but the lessor or lessee must reimburse any encumbrancer or owner of the real estate who is not the lessee and who has not otherwise agreed for the cost of repair of any physical injury, but not for any diminution in value of the real estate caused by the absence of the goods removed or by any necessity of replacing them. A person entitled to reimbursement may refuse permission to remove until the party seeking removal gives adequate security for the performance of this obligation.

(9) Even though the lease agreement does not create a security interest, the interest of a lessor of fixtures, including the lessor's residual interest, is perfected by filing a financing statement as a fixture filing for leased goods that are or are to become fixtures in accordance with the relevant provisions of the chapter on secured transactions (chapter 9, title 28, Idaho Code).

SECTION 24. That Section 28-50-116, Idaho Code, be, and the same is hereby amended to read as follows:

28-50-116. TRANSFERABLE RECORD. (a) In this section, "transferable record" means an electronic record that:

(1) Would be a note under chapter 3, title 28, Idaho Code (uniform commercial code -- negotiable instruments) or a document under chapter 7, title 28, Idaho Code (uniform commercial code -- warehouse receipts, bills of lading and other documents of title) if the electronic record were in writing; and

(2) The issuer of the electronic record expressly has agreed is a transferable record.

(b) A person has control of a transferable record if a system employed for evidencing the transfer of interests in the transferable record reliably establishes that person as the person to which the transferable record was issued or transferred.

(c) A system satisfies subsection (b) of this section, and a person is deemed to have control of a transferable record, if the transferable record is created, stored and assigned in such a manner that:

(1) A single authoritative copy of the transferable record exists which is unique, identifiable, and, except as otherwise provided in paragraphs (4), (5) and (6) of this subsection, unalterable;

(2) The authoritative copy identifies the person asserting control as:

(A) The person to which the transferable record was issued; or

(B) If the authoritative copy indicates that the transferable
record has been transferred, the person to which the transferable record was most recently transferred;
(3) The authoritative copy is communicated to and maintained by the person asserting control or its designated custodian;
(4) Copies or revisions that add or change an identified assignee of the authoritative copy can be made only with the consent of the person asserting control;
(5) Each copy of the authoritative copy and any copy of a copy is readily identifiable as a copy that is not the authoritative copy; and
(6) Any revision of the authoritative copy is readily identifiable as authorized or unauthorized.
(d) Except as otherwise agreed, a person having control of a transferable record is the holder, as defined in section 28-1-201(20), Idaho Code, of the transferable record and has the same rights and defenses as a holder of an equivalent record or writing under chapters 1 through 12, title 28, Idaho Code (uniform commercial code), including, if the applicable statutory requirements under section 28-3-302(1), 28-7-501 or 28-9-30830, Idaho Code, are satisfied, the rights and defenses of a holder in due course, a holder to which a negotiable document of title has been duly negotiated, or a purchaser, respectively. Delivery, possession and indorsement are not required to obtain or exercise any of the rights under this subsection.
(e) Except as otherwise agreed, an obligor under a transferable record has the same rights and defenses as an equivalent obligor under equivalent records or writings under chapters 1 through 12, title 28, Idaho Code (uniform commercial code).
(f) If requested by a person against which enforcement is sought, the person seeking to enforce the transferable record shall provide reasonable proof that the person is in control of the transferable record. Proof may include access to the authoritative copy of the transferable record and related business records sufficient to review the terms of the transferable record and to establish the identity of the person having control of the transferable record.

SECTION 25. That Chapter 3, Title 45, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW SECTION, to be known and designated as Section 45-318, Idaho Code, and to read as follows:

45-318. APPLICABILITY OF UNIFORM COMMERCIAL CODE. The liens provided for by this chapter are "agricultural liens" as defined in section 28-9-102, Idaho Code. The perfection and effect of perfection or nonperfection of the liens provided by this chapter are governed by uniform commercial code article 9, secured transactions (chapter 9, title 28, Idaho Code). In the event of any conflict between the provisions of this chapter relating to perfection and the effect of perfection or nonperfection of any lien provided by this chapter and the provisions of chapter 9, title 28, Idaho Code, relating to those same issues, the provisions of chapter 9, title 28, Idaho Code, shall prevail.

SECTION 26. That Section 8-506A, Idaho Code, be, and the same is hereby amended to read as follows:
8-506A. ATTACHMENT OF A DEBTOR'S INTEREST IN PERSONAL PROPERTY SUBJECT TO SECURITY AGREEMENT — ATTACHMENT OF DEFENDANT'S INTEREST IN MORTGAGE OR TRUST DEED — ATTACHMENT OF DEFENDANT'S INTEREST IN SECURITY AGREEMENT. Personal property subject to a security interest, a defendant's equity of redemption in personal property and a defendant's interest in a real estate mortgage or deed of trust or as secured party under a security agreement may be attached by the following methods, and no other:

(a) Personal property capable of manual delivery may be attached by taking possession, provided all secured parties with a perfected security interest therein under the Idaho Uniform Commercial Code consent thereto in writing, and the attachment shall be subject to the rights of any secured party under a perfected security agreement, but otherwise would be to the same effect and in the same manner as if the property were not subject to the security agreement.

(b) If any secured party with a perfected security interest does not consent in writing that the sheriff take possession of the personal property, the attaching creditor must pay or tender to the secured party the amount due on the security agreement before the officer may take the property into possession. The attaching creditor upon so redeeming shall be subrogated to the rights of the secured party under the security agreement, and the secured party shall, upon payment or tender assign the security agreement, note or notes so paid, and any filed financing statements to the attaching creditor. Upon any sale by judicial proceedings, any amounts owing to the attaching creditor on the security agreement so redeemed, with lawful interest thereon, shall first be paid to the attaching creditor.

(c) If the attaching creditor so elects and instructs the sheriff, the equity of redemption of the defendant in the personal property subject to a perfected security agreement shall be attached. Such attachment is made by serving upon the secured party, upon the defendant, and upon the person in possession of the property, if other than the defendant or secured party, if said parties can be found within the county where the property is situated, a copy of the writ of attachment, together with a notice signed by the sheriff, describing the property attached, giving the name of the secured party, and stating the interest of the defendant in the property attached, and by causing the notice to be filed in the office where a security agreement or financing statement on said property should be filed to perfect the security according to the Idaho Uniform Commercial Code or other applicable law. The sheriff shall make the filing by mail if in an office outside his county, and shall also file with the notice in any office where a financing statement should be filed for the property, a financing statement describing the property attached, the prior security agreement, and signed by the attaching creditor or his agent as secured party and for the defendant as debtor by the sheriff. The filing officer shall receive and file the financing statement and index the same pursuant to part 5, chapter 9, title 28, chapter-9-part-4, Idaho Code. Service and filing as above provided shall operate as an attachment of the property described in the notice, subject to the prior rights of the secured party under the security agreement; possession of the property shall not be taken by the sheriff. Compliance with the foregoing is constructive notice to the world of the attachment. Provided, however, that this section shall not be constructive notice to a bona fide purchaser for value
of any motor vehicle who has actual or constructive possession of the vehicle and who has relied on the certificate of title for determination by said purchaser as to secured parties shown thereon; nothing in this section shall relieve any person from complying with section 49-504, Idaho Code.

When the sale of such property attached under this subsection is made on writ of execution obtained by such creditor, the proceeds must be applied as in the case of any other execution sale. The purchaser at any such sale acquires all title and rights of the judgment debtor in the property sold, as of the time the attachment was levied, subject to the perfected security agreement including all liens if any thereunder, securing obligations to be created after the security agreement was made in cases where such obligations have actually been created, and are by law entitled to priority over attaching creditors, and is entitled to the possession of such property subject, however, to the rights of the secured party.

Any transfer of encumbrance of the attached interest of the debtor-defendant is void as against the attaching creditor, but this provision shall not be construed as forbidding or invalidating any transfer or disposition of the property lawfully made pursuant to the prior security agreement, or any other right exercised or acquired thereunder.

(d) Any interest of the defendant as mortgagee of a real estate mortgage or beneficiary of a trust deed on real estate whether held directly or as an assignee, may be attached. The sheriff must record with the county recorder where the real property is located a copy of the writ along with a notice in writing, naming the defendant, describing the real property, and identifying the recording information on the real estate mortgage or trust deed, and stating that the defendant's interest therein is attached, and by serving copies of the notice and writ upon the defendant and upon the mortgagor of the mortgage or trustor of the trust deed if they can be located within the county where the property is located. The recorder shall index the same as an assignment of the defendant's interest in the mortgage or deed of trust, and it shall be constructive notice to the world of the attachment. The attachment shall be subject to the rights of a holder in due course of a note or notes secured by the mortgage or trust deed, whether acquired before or after the attachment.

(e) Any interest of the defendant as secured party of a security agreement, whether held directly or as an assignee, shall be attached by the sheriff filing with the filing office where the security agreement or financing statement pursuant thereto is or should by law be filed, a copy of the writ along with a notice in writing, naming the defendant, describing the property listed in the financing statement or filed security statement, identifying the parties to the security agreement, and stating that the defendant's interest therein is attached. The sheriff shall serve a copy of the notice and writ upon the defendant and upon the debtor under the security agreement, if they can be located within the county where the property is located. The sheriff may file the copy of the writ or notice by mail if the filing officer is outside the county. The filing officer shall index the same as an assignment of the defendant's interest in the security agreements, and it shall be constructive notice to the world. The attachment shall be subject to the rights of a holder in due course of a note or notes secured by the security agreement, whether acquired before or after the attachment.
SECTION 27. That Section 31-2402, Idaho Code, be, and the same is hereby amended to read as follows:

(3) The secretary of state will compile and publish a list of all effective notices of state lien which the filing agencies have identified as pertaining to debtors who are agricultural producers. The list will be published on the same schedule and conditions as the list of liens in farm crops which is published pursuant to section 45-312, Idaho Code. The list of notices of state lien may be appended to the list of liens in farm crops, and no fee shall be charged in addition to the fee.
