(b) Authorization for Commission Powers and Duties. For the purpose of administering the policy as declared in section 36-103, Idaho Code, the commission is hereby authorized and empowered to:

1. Investigate and find facts regarding the status of the state's wildlife populations in order to give effect to the policy of the state hereinbefore announced.

2. Hold hearings for the purpose of hearing testimony, considering evidence and determining the facts as to when the supply of any of the wildlife in this state will be injuriously affected by the taking thereof, or for the purpose of determining when an open season may be declared for the taking of wildlife. Whenever said commission determines that the supply of any particular species of wildlife is being, or will be, during any particular period of time, injuriously affected by depletion by permitting the same to be taken, or if it should find a longer or different season, or different bag limit should be adopted for the better protection thereof, or if it finds that an open season may be declared without endangering the supply thereof, then it shall make a rule or proclamation embodying its findings in respect to when, under what circumstances, in which localities, by what means, what sex, and in what amounts and numbers the wildlife of this state may be taken.

3. Whenever it finds it necessary for the preservation, protection, or management of any wildlife of this state, by reason of any act of God or any other sudden or unexpected emergency, declare by temporary rule or proclamation the existence of such necessity, and the cause thereof, and prescribe and designate all affected areas or streams, and close the same to hunting, angling or trapping, or impose such restrictions and conditions upon hunting, angling or trapping as said commission shall find to be necessary. Every such temporary rule shall be made in accordance with the provisions of chapter 52, title 67, Idaho Code.

4. At any time it shall deem necessary for the proper management of wildlife on any game preserve in the state of Idaho, declare an open season in any game preserve as it deems appropriate.

5. (A) Upon notice to the public, hold a public drawing giving to license holders, under the wildlife laws of this state, the privilege of drawing by lot for a controlled hunt permit authorizing the person to whom issued to hunt, kill, or attempt to kill any species of wild animals or birds designated by the commission under such rules as it shall prescribe.

(B) The commission may, under rules or proclamations as it may prescribe, authorize the director to issue additional controlled hunt permits and collect fees therefor authorizing landowners of property valuable for habitat or propagation purposes of deer, elk or antelope, or the landowner's designated agent(s) to hunt deer, elk or antelope in controlled hunts containing the eligible property owned by those landowners in units where any permits for deer, elk or antelope are limited.

(C) A nonrefundable fee as specified in section 36-416, Idaho Code, shall be charged each applicant for a controlled hunt permit. Successful applicants for controlled hunt permits shall be charged the fee as specified in section 36-416, Idaho Code. Additionally, a fee may be charged for telephone and credit card orders in accordance with subsection (e)(11) of section
36-106, Idaho Code. The department shall include a checkoff form to allow applicants to designate one dollar ($1.00) of such nonrefundable application fee for transmittal to the reward fund of citizens against poaching, inc., an Idaho nonprofit corporation. The net proceeds from the nonrefundable fee shall be deposited in the fish and game account and none of the net proceeds shall be used to purchase lands.

6. Adopt rules pertaining to the importation, exportation, release, sale, possession or transportation into, within or from the state of Idaho of any species of live, native or exotic wildlife or any eggs thereof.

7. Acquire for and on behalf of the state of Idaho, by purchase, condemnation, lease, agreement, gift, or other device, lands or waters suitable for the purposes hereinafter enumerated in this paragraph. Whenever the commission proposes to purchase a tract of land in excess of fifteen (15) acres, the commission shall notify the board of county commissioners of the county where this land is located of the intended action. The board of county commissioners shall have ten (10) days after official notification to notify the commission whether or not they desire the commission to hold a public hearing on the intended purchase in the county. The commission shall give serious consideration to all public input received at the public hearing before making a final decision on the proposed acquisition. Following any land purchase, the fish and game commission shall provide, upon request by the board of county commissioners, within one hundred twenty (120) days, a management plan for the area purchased that would address noxious weed control, fencing, water management and other important issues raised during the public hearing. When considering purchasing lands pursuant to this paragraph, the commission shall first make a good faith attempt to obtain a conservation easement, as provided in chapter 21, title 55, Idaho Code, before it may begin proceedings to purchase, condemn or otherwise acquire such lands. If the attempt to acquire a conservation easement is unsuccessful and the commission then purchases, condemns or otherwise acquires the lands, the commission shall record in writing the reasons why the attempt at acquiring the conservation easement was unsuccessful and then file the same in its records and in a report to the joint finance-appropriations committee. The commission shall develop, operate, and maintain the lands, waters or conservation easements for said purposes, which are hereby declared a public use:

(A) For fish hatcheries, nursery ponds, or game animal or game bird farms;
(B) For game, bird, fish or fur-bearing animal restoration, propagation or protection;
(C) For public hunting, fishing or trapping areas to provide places where the public may fish, hunt, or trap in accordance with the provisions of law, or the regulation of the commission;
(D) To extend and consolidate by exchange, lands or waters suitable for the above purposes.

8. Enter into cooperative agreements with educational institutions, and state, federal, or other agencies to promote wildlife research and to train students for wildlife management.
9. Enter into cooperative agreements with state and federal agencies, municipalities, corporations, organized groups of landowners, associations, and individuals for the development of wildlife rearing, propagating, management, protection and demonstration projects.

10. In the event owners or lawful possessors of land have restricted the operation of motor-propelled vehicles upon their land, the commission, upon consultation with all other potentially affected landowners, and having held a public hearing, if requested by not less than ten (10) residents of any county in which the land is located, may enter into cooperative agreements with those owners or possessors to enforce those restrictions when the restrictions protect wildlife or wildlife habitat. Provided, however, the commission shall not enter into such agreements for lands which either lie outside or are not adjacent to any adjoining the proclaimed boundaries of the national forests in Idaho.

   (A) The landowners, with the assistance of the department, shall cause notice of the restrictions, including the effective date thereof, to be posted on the main traveled roads entering the areas to which the restrictions apply. Provided, however, that nothing in this subsection shall allow the unlawful posting of signs or other information on or adjacent to public highways as defined in subsection (5) of section 40-109, Idaho Code.

   (B) Nothing in this section authorizes the establishment of any restrictions that impede normal forest or range management operations.

   (C) No person shall violate such restrictions on the use of motor-propelled vehicles or tear down or lay down any fencing or gates enclosing such a restricted area or remove, mutilate, damage or destroy any notices, signs or markers giving notice of such restrictions. The commission may promulgate rules to administer the restrictions and cooperative agreements addressed in this subsection.

11. Capture, propagate, transport, buy, sell or exchange any species of wildlife needed for propagation or stocking purposes, or to exercise control of undesirable species.

12. Adopt rules pertaining to the application for, issuance of and administration of a lifetime license certificate system.

13. Adopt rules governing the application and issuance of permits for and administration of fishing contests on waters under the jurisdiction of the state. The fee for each permit shall be as provided for in section 36-416, Idaho Code.

14. Adopt rules governing the application for and issuance of licenses by telephone and other electronic methods.

15. Enter into agreements with cities, counties, recreation districts or other political subdivisions for the lease of lands or waters, in accordance with all other applicable laws, including applicable provisions of titles 42 and 43, Idaho Code, to cost-effectively provide recreational opportunities for taxpayers or residents of those local governments or political subdivisions.

(c) Limitation on Powers. Nothing in this title shall be construed to authorize the commission to change any penalty prescribed by law for a violation of its provisions, or to change the amount of license fees.
or the authority conferred by licenses prescribed by law.

(d) Organization of Work. The commission shall organize the department, in accordance with the provisions of title 67, Idaho Code, into administrative units as may be necessary to efficiently administer said department. All employees of the department except the director shall be selected and appointed by the director in conformance with the provisions of chapter 53, title 67, Idaho Code.

AN ACT
RELATING TO SENTENCING CRITERIA IN DRUG CASES; AMENDING SECTION 37-2738, IDAHO CODE, TO PROVIDE THAT CERTAIN FIRST-TIME OFFENSE NONNARCOTIC MISDEMEANORS QUALIFY FOR A DISCRETIONARY WAIVER OF THE SUBSTANCE ABUSE EVALUATION REQUIREMENT, TO MAKE A GRAMMATICAL CHANGE AND TO MAKE TECHNICAL CORRECTIONS.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 37-2738, Idaho Code, be, and the same is hereby amended to read as follows:

37-2738. SENTENCING CRITERIA IN DRUG CASES. (1) Any person who pleads guilty to, is found guilty of or has a judgment of conviction entered upon a violation of the provisions of subsection (a), (b), (c) or (e) of section 37-2732, Idaho Code, shall be sentenced according to the criteria set forth herein.

(2) Prior to sentencing for a violation enumerated in subsection (1) above of this section, the defendant shall undergo, at his own expense (or at county expense through the procedures set forth in chapters 34 and 35, title 31, Idaho Code), a substance abuse evaluation at a facility approved by the Idaho department of health and welfare. Provided however, that if the defendant has no prior or pending charges under the provisions of subsection (a), (b), (c) or (e) of section 37-2732, Idaho Code, and the court does not have any reason to believe that the defendant regularly abuses drugs and is in need of treatment, the court may, in its discretion, waive the evaluation with respect to sentencing for a violation of subsection (b), (c)(3), or (e) of section 37-2732, Idaho Code, and proceed to sentence the defendant. The court may also, in its discretion, waive the requirement of a substance abuse evaluation with respect to a defendant's violation of the provisions of subsection (a), (b), (c) or (e) of section 37-2732, Idaho Code, and proceed to sentence the defendant if the court has a presentence investigation report, substance abuse assessment, criminogenic risk assessment, or similar assessment which has evaluated the defendant's need for substance abuse treatment conducted within twelve (12) months preceding the date of the defendant's sentencing.

(3) In the event a substance abuse evaluation indicates the need for substance abuse treatment, the evaluation shall recommend an appropriate treatment program, together with the estimated costs thereof, and
recommendations for other suitable alternative treatment programs, together with the estimated costs thereof. The person shall request that a copy of the completed evaluation be forwarded to the court. The court shall take the evaluation into consideration to determine an appropriate sentence. If a copy of the completed evaluation has not been provided to the court, the court may proceed to sentence the defendant; however, in such event it shall be presumed that substance abuse treatment is needed unless it is shown by a preponderance of evidence that treatment is not required. If the defendant has not made a good faith effort to provide the completed copy of the evaluation to the court, the court may consider the failure of the defendant to provide or report an aggravating circumstance in determining an appropriate sentence. If treatment is ordered, the person or facility performing the evaluation shall not be the person or facility that provides the treatment, unless this requirement is waived by the sentencing court, and with the exception of federally recognized Indian tribes or federal military installations where diagnoses and treatment are appropriate and available. Nothing herein contained shall preclude the use of funds authorized pursuant to the provisions of chapter 3, title 39, Idaho Code, for court ordered substance abuse treatment for indigent defendants.

(4) When sentencing an individual for the crimes enumerated in section (1) of this section, the court shall not enter a withheld judgment unless it finds by a preponderance of the evidence that:

(a) The defendant has no prior finding of guilt for any felony, any violation of chapter 80, title 18, Idaho Code, or subsection (a), (b), (c) or (e) of section 37-2732, Idaho Code, whatsoever; and
(b) The sentencing court has an abiding conviction that the defendant will successfully complete the terms of probation; and
(c) The defendant has satisfactorily cooperated with law enforcement authorities in the prosecution of drug related crimes of which the defendant has previously had involvement.

(5) Any person who pleads guilty to or is found guilty of a violation of the provisions of the Idaho Code identified in subsection (1) of this section shall, when granted a probationary period of any sort whatsoever, be required by the court to complete a period of not less than one hundred (100) hours of community service work.

Approved March 5, 2004.

SECTION 4. That Section 72-1351, Idaho Code, be, and the same is hereby amended to read as follows:

72-1351. EXPERIENCE RATING. (1) Subject to the other provisions of this chapter, each eligible and deficit employer's (except cost reimbursement employers) taxable wage rate shall be determined in the manner set forth below for each calendar year:
(a) (i) Each eligible employer shall be given an "experience factor" which shall be the ratio of excess of contributions over benefits paid on the employer's account since December 31, 1939, to his average annual taxable payroll rounded to the next lower dollar amount for the four (4) fiscal years immediately preceding the computation date, except that when an employer first becomes eligible, his "experience factor" will be computed on his average annual taxable payroll for the two (2) fiscal years or more, but not to exceed four (4) fiscal years, immediately preceding the computation date. The computation of such "experience factor" shall be to six (6) decimal places.
(ii) Each deficit employer shall be given a "deficit experience factor" which shall be the ratio of excess of benefits paid on the employer's account over contributions since December 31, 1939, to his average annual taxable payroll rounded to the next lower dollar amount for one (1) or more fiscal years, but not to exceed four (4) fiscal years, for which he had covered employment ending on the computation date; provided, however, that any employer who on any computation date has a "deficit experience factor" for the period immediately preceding such computation date but who has filed all reports, paid all contributions and penalties due on or before the cut-off date, and has during the last four (4) fiscal years paid contributions at a rate of not less than the standard rate applicable for each such year and in excess of benefits charged to his experience rating account during such years, shall have any balance of benefits charged to his account which on the computation date immediately preceding such four (4) fiscal years were in excess of contributions paid, deleted from his account,
and the excess benefits so deleted shall not be considered in the computation of his taxable wage rate for the rate years following such four (4) fiscal years. For the rate year following such computation date, he shall be given the standard rate for that year.

(iii) In the event an employer's coverage has been terminated because he has ceased to do business or because he has not had covered employment for a period of four (4) years, and if said employer thereafter becomes a covered employer, he will be considered as though he were a new employer, and he shall not be credited with his previous experience under this chapter for the purpose of computing any future "experience factor."

(b) Schedules shall be prepared listing all eligible employers in inverse numerical order of their experience factors, and all deficit employers in numerical order of their deficit experience factors. There shall be listed on such schedules for each such employer in addition to the experience factor (i) the amount of his taxable payroll for the fiscal year ending on the computation date, and (ii) a cumulative total consisting of the sum of such employer's taxable payroll for the fiscal year ending on the computation date and the corresponding taxable payrolls for all other employers preceding him on such schedules.

(c) The cumulative taxable payroll amounts listed on the schedules provided for in paragraph (b) of this subsection shall be segregated into groups whose limits shall be those set out in the table of schedules of taxable wage rates, section 72-1350(7), Idaho Code. Each of such groups shall be identified by the rate class number listed in the table which represents the percentage limits of each group. Each employer on the schedules shall be assigned the taxable wage rate opposite his rate class for the tax schedule in effect for the taxable year.

(d) (i) If the grouping of rate classes requires the inclusion of exactly one-half (1/2) of an employer's taxable payroll, the employer shall be assigned the lower of the two (2) rates designated for the two (2) classes in which the halves of his taxable payroll are so required.

(ii) If the group of rate classes requires the inclusion of a portion other than exactly one-half (1/2) of an employer's taxable payroll, the employer shall be assigned the rate designated for the class in which the greater part of his taxable payroll is so required.

(iii) If one (1) or more employers on the schedules have experience factors identical to that of the last employer included in a particular rate class, all such employers shall be included in and assigned the taxable wage rate specified for such class, notwithstanding the provisions of paragraph (c) of this subsection.

(e) If the taxable payroll amount or the experience factor or both such taxable payroll amount and experience factor of any eligible or deficit employer listed on the schedules is changed, the employer shall be placed in that position on the schedules which he would have occupied had his taxable payroll amount and/or experience factor as changed been used in determining his position in the first instance, but such change shall not affect the position or rate
classification of any other employer listed on the schedules and
shall not affect the rate determination for previous years.

(2) For experience rating purposes, all previously accumulated ben-
efit charges to covered employers' accounts, except cost reimburse-
ment employers, shall not be changed except as provided by this chapter. Ben-
efits paid prior to June 30 shall, as of June 30 of each year preceding
the calendar year for which a covered employer's taxable wage rate is
effective, be charged to the account of the covered employer, except
cost reimbursement employers, who paid the largest individual amount of
base period wages as shown on the determination used as the basis for
the payment of such benefits, except that no charge shall be made to the
account of such covered employer with respect to benefits paid under the
following situations:

(a) If paid to a worker who terminated his services voluntarily
without good cause attributable to such covered employer, or who had
been discharged for misconduct in connection with such services;
(b) If paid in accordance with the provisions of section
72-1368(10), Idaho Code, and the decision to pay benefits is subse-
quently reversed; or
(c) For that portion of benefits paid to multistate claimants pur-
suant to section 72-1344, Idaho Code, which exceeds the amount of
benefits that would have been charged had only Idaho wages been used
in paying the claim;
(d) If paid in accordance with the extended benefit program trig-
gerated by either national or state indicators;
(e) If paid to a worker who continues to perform services for such
covered employer without a reduction in his customary work schedule,
and who is eligible to receive benefits due to layoff or a reduction
in earnings from another employer.

(3) A covered employer whose experience rating account is charge-
able, as prescribed by this section, is an interested party as defined
in section 72-1323, Idaho Code. An experience rating record shall be
maintained for each covered employer. The record shall be credited with
all contributions which the covered employer has paid for covered
employment prior to the cut-off date, pursuant to the provisions of this
and preceding acts, and which covered employment occurred prior to the
computation date. The record shall also be charged with the amount of
benefits paid which are chargeable to the covered employer's account as
provided by the appropriate provisions of the employment security law
and regulations thereunder in effect at the time such benefits were
paid. Nothing in this section shall be construed to grant any covered
employer or individual in his service a priority with respect to any
claim or right because of amounts paid by such covered employer into the
employment security fund.

(4) (a) Whenever any individual or type of organization (whether
or not a covered employer within the meaning of section 72-1315,
Idaho Code) in any manner succeeds to, or acquires all or substan-
tially all, of the business of an employer who at the time of acquisi-
tion was a covered employer, and in respect to whom the director
finds that the business of the predecessor is continued solely by
the successor, the separate experience rating account and-the-actual
contribution, benefit and taxable payroll experience of the prede-
cessor shall, upon the joint application of the predecessor and the
successor within the ninety-(90) one hundred eighty (180) days after
such acquisition and approval by the director, be transferred to the successor employer for the purpose of determining such successor's liability and taxable wage rate and any successor who was not an employer on the date of acquisition shall as of such date become a covered employer as defined in this chapter. Provided; however, that such ninety-(90) Such one hundred eighty (180) day period may be extended at the discretion of the director, and provided further that whenever a predecessor covered employer has a deficit The transfer of the predecessor's experience rating account as of the last computation date such transfer, as herein provided, to the successor shall be mandatory except where it is shown by substantial evidence that if the management or ownership or both management and ownership are not control is substantially the same for the successor as for the predecessor, in which case the successor shall begin with the rate of a new employer and there is a continuity of business activity by the successor. section 14-522, Idaho Code, shall be deposited in the unclaimed property account.

(2) All money in the unclaimed property account is hereby continuously appropriated to the state tax commission, without regard to fiscal years, for expenditure in accordance with law in carrying out and enforcing the provisions of this chapter, including, but not limited to, the following purposes:

(e) For payment of amounts required to be paid by the state as trustee, bailee, or successor in interest to the preceding owner.

(3) At the end of each month, or more often, if it deems it advisable, the state tax commission shall transfer all money in the unclaimed property account in excess of two hundred fifty thousand dollars ($250,000) to the general account. The record shall be available for public inspection at all reasonable business hours.

(4) All money received under this chapter, including the proceeds from the sale of property under section 14-522, Idaho Code, deposited in the general account shall be retained by the state of Idaho for the purposes of this section and administered pursuant to this section for a period of ten (10) years. At the end of such period, those moneys which have not been claimed and paid over or delivered as an allowed claim under this section and section 14-524, Idaho Code, shall become due and payable by escheat to the state of Idaho and become the property of the state of Idaho without further action on the part of the administrator.

The administrator's failure to issue such statement will release the purchaser from any obligation to withhold from the purchase price the amounts as above required, or responsibility for the reporting or delivery of any unclaimed property due and owing by the holder under section 14-517, Idaho Code, and section 14-519, Idaho Code.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 41-3821, Idaho Code, be, and the same is hereby amended to read as follows:

41-3821. MUTUAL INSURANCE HOLDING COMPANIES.
(1) (a) A domestic mutual insurer, upon approval of the director, may reorganize by forming an insurance holding company system, "the mutual insurance holding company," based upon a mutual plan and con-
continuing the corporate existence of the reorganizing insurer as a stock insurer. The director, after a public hearing as provided in section 41-3805, Idaho Code, if satisfied that the interests of the policyholders are properly protected and that the plan of reorganization is fair and equitable to the policyholders, may approve the proposed plan of reorganization and may require as a condition of approval such modifications of the proposed plan of reorganization as the director finds necessary for the protection of the policyholders' interests. The director may retain consultants as provided in section 41-3805(4), Idaho Code. A reorganization pursuant to this subsection is subject to sections 41-3802 and 41-3803, Idaho Code. The director shall retain jurisdiction over a mutual insurance holding company organized pursuant to this section to assure that policyholder interests are protected.

(b) All of the initial shares of the capital stock of the reorganized insurer shall be issued to the mutual insurance holding company. The membership interests of the policyholders of the reorganized insurer shall become membership interests in the mutual insurance holding company. Policyholders of the reorganized insurer shall be members of the mutual insurance holding company in accordance with the articles of incorporation and bylaws of the mutual insurance holding company. The mutual insurance holding company shall at all times own a majority of the voting shares of the capital stock of the reorganized insurer.

(2) (a) A domestic mutual insurer, upon the approval of the director, may reorganize by merging its policyholders' membership interests into a mutual insurance holding company formed pursuant to subsection (1) of this section and continuing the corporate existence of the reorganizing insurer as a stock insurer subsidiary of the mutual insurance holding company. The director, after a public hearing as provided in section 41-3805, Idaho Code, if satisfied that the interests of the policyholders are properly protected and that the merger is fair and equitable to the policyholders, may approve the proposed merger and may require as a condition of approval such modifications of the proposed merger as the director finds necessary for the protection of the policyholders' interests. The director may retain consultants as provided in section 41-3805(4), Idaho Code. A merger pursuant to this subsection is subject to sections 41-3802 and 41-3803, Idaho Code. The director shall retain jurisdiction over the mutual insurance holding company organized pursuant to this section to assure that policyholder interests are protected.

(b) All of the initial shares of the capital stock of the reorganized insurer shall be issued to the mutual insurance holding company. The membership interests of the policyholders of the reorganized insurer shall become membership interests in the mutual insurance holding company. Policyholders of the reorganized insurer shall be members of the mutual insurance holding company in accordance with the articles of incorporation and bylaws of the mutual insurance holding company. The mutual insurance holding company shall at all times own a majority of the voting shares of the capital stock of the reorganized insurer. A merger of policyholders' membership interests in a mutual insurer into a mutual insurance holding company shall be deemed to be a merger of insurance companies pursuant to section 41-2857, Idaho Code, and section 41-2857,
Idaho Code, is also applicable.

(c) A foreign mutual insurer, which if a domestic corporation would be organized under chapter 3, title 30, Idaho Code, may reorganize upon the approval of the director and in compliance with the requirements of any law or rule which is applicable to the foreign mutual insurer by merging its policyholders' membership interests into a mutual insurance holding company formed pursuant to subsection (1) of this section and continuing the corporate existence of the reorganizing foreign mutual insurer as a foreign stock insurer subsidiary of the mutual insurance holding company. The director, after a public hearing as provided in section 41-3805, Idaho Code, may approve the proposed merger. The director may retain consultants as provided in section 41-3805(4), Idaho Code. A merger pursuant to this paragraph is subject to sections 41-3802 and 41-3803, Idaho Code. The reorganizing foreign mutual insurer may remain a foreign company or foreign corporation after the merger, and may be admitted to do business in this state. A foreign mutual insurer which is a party to the merger may at the same time redomesticate in this state by complying with the applicable requirements of this state and its state of domicile. The provisions of subsection (2)(b) shall apply to a merger authorized under this paragraph.

(3) A mutual insurance holding company resulting from the reorganization of a domestic mutual insurer organized under chapter 1, title 30, Idaho Code, shall be incorporated pursuant to chapter 1, title 30, Idaho Code. This requirement shall supersede any conflicting provisions of chapter 1, title 30, Idaho Code. The articles of incorporation and any amendments to such articles of the mutual insurance holding company shall be subject to approval of the director in the same manner as those of an insurance company.

(4) A mutual insurance holding company is deemed to be an insurer subject to chapter 33, title 41, Idaho Code, and shall automatically be a party to any proceeding under chapter 33, title 41, Idaho Code, involving an insurer which as a result of a reorganization pursuant to subsection (1) or (2) of this section is a subsidiary of the mutual insurance holding company. In any proceeding under chapter 33, title 41, Idaho Code, involving the reorganized insurer, the assets of the mutual insurance holding company are deemed to be assets of the estate of the reorganized insurer for purposes of satisfying the claims of the reorganized insurer's policyholders. A mutual insurance holding company shall not dissolve or liquidate without the approval of the director or as ordered by the district court pursuant to chapter 33, title 41, Idaho Code.

(5) (a) Section 41-2855, Idaho Code, is not applicable to a reorganization or merger pursuant to this section.

(b) Section 41-2855, Idaho Code, is applicable to demutualization of a mutual insurance holding company which resulted from the reorganization of a domestic mutual insurer organized under chapter 3, title 41, Idaho Code, as if it were a mutual life insurer.

(6) A membership interest in a domestic mutual insurance holding company shall not constitute a security as defined in section 30-1402(12), Idaho Code.

(7) The majority of the voting shares of the capital stock of the reorganized insurer, which is required by this section to be at all times owned by a mutual insurance holding company, shall not be con-
veyed, transferred, assigned, pledged, subject to a security interest or lien, encumbered, or otherwise hypothecated or alienated by the mutual insurance holding company or intermediate holding company. Any conveyance, transfer, assignment, pledge, security interest, lien, encumbrance, or hypothecation or alienation of, in or on the majority of the voting shares of the reorganized insurer which is required by this section to be at all times owned by a mutual insurance holding company, is in violation of this section and shall be void in inverse chronological order of the date of such conveyance, transfer, assignment, pledge, security interest, lien, encumbrance, or hypothecation or alienation, as to the shares necessary to constitute a majority of such voting shares. The majority of the voting shares of the capital stock of the reorganized insurer which is required by this section to be at all times owned by a mutual insurance holding company shall not be subject to execution and levy as provided in title 11, Idaho Code. The shares of the capital stock of the surviving or new company resulting from a merger or consolidation of two (2) or more reorganized insurers or two (2) or more intermediate holding companies which were subsidiaries of the same mutual insurance holding company are subject to the same requirements, restrictions, and limitations as provided in this section to which the shares of the merging or consolidating reorganized insurers or intermediate holding companies were subject by this section prior to the merger or consolidation.

As used in this section, "majority of the voting shares of the capital stock of the reorganized insurer" means shares of the capital stock of the reorganized insurer which carry the right to cast a majority of the votes entitled to be cast by all of the outstanding shares of the capital stock of the reorganized insurer for the election of directors and on all other matters submitted to a vote of the shareholders of the reorganized insurer. The ownership of a majority of the voting shares of the capital stock of the reorganized insurer which are required by this section to be at all times owned by a parent mutual insurance holding company includes indirect ownership through one (1) or more intermediate holding companies in a corporate structure approved by the director. However, indirect ownership through one (1) or more intermediate holding companies shall not result in the mutual insurance holding company owning less than the equivalent of a majority of the voting shares of the capital stock of the reorganized insurer. The director shall have jurisdiction over an intermediate holding company as if it were a mutual insurance holding company.

As used in this section, "intermediate holding company" means a holding company which is a subsidiary of a mutual insurance holding company, and which either directly or through a subsidiary intermediate holding company has one (1) or more subsidiary reorganized insurers of which a majority of the voting shares of the capital stock would otherwise have been required by this section to be at all times owned by the mutual insurance holding company.

(8) It is the intent of the legislature that the formation of a mutual insurance holding company should not increase the Idaho tax burden of the mutual insurance holding company system and that a stock insurance subsidiary shall continue to be subject to Idaho insurance premium taxation in lieu of all other taxes except real property taxes as provided in section 41-405, Idaho Code. Subject to approval by the director as required under Idaho law, a stock insurance subsidiary may
issue dividends or distributions to the mutual insurance holding company or any intermediate holding company, and such dividends or distributions shall be excluded from the Idaho taxable income of the recipients; provided however, that such exclusion shall not apply to the extent that if, in the year preceding the year in which the dividends or distributions were made, the subsidiary insurer's liability for Idaho premium tax was less than the amount of Idaho income tax, computed after allowance for income tax credits, for which the insurer would have been liable in such year had the insurer been subject to Idaho income taxation rather than premium taxation.

SECTION 2. That Section 63-3022, Idaho Code, be, and the same is hereby amended to read as follows:

63-3022. ADJUSTMENTS TO TAXABLE INCOME. The additions and subtractions set forth in this section, and in sections 63-3022A through 63-3022Q, Idaho Code, are to be applied to the extent allowed in computing Idaho taxable income:

(a) Add any state and local taxes, as defined in section 164 of the Internal Revenue Code and, measured by net income, paid or accrued during the taxable year adjusted for state or local tax refunds used in arriving at taxable income.

(b) Add the net operating loss deduction used in arriving at taxable income.

(c) (1) A net operating loss for any taxable year commencing on and after January 1, 2000, shall be a net operating loss carryback not to exceed a total of one hundred thousand dollars ($100,000) to the two (2) immediately preceding taxable years. Any portion of the net operating loss not subtracted in the two (2) preceding years may be subtracted in the next twenty (20) years succeeding the taxable year in which the loss arises in order until exhausted. The sum of the deductions may not exceed the amount of the net operating loss deduction incurred. At the election of the taxpayer, the two (2) year carryback may be foregone and the loss subtracted from income received in taxable years arising in the next twenty (20) years succeeding the taxable year in which the loss arises in order until exhausted. The election shall be made as under section 172(b)(3) of the Internal Revenue Code. An election under this subsection must be in the manner prescribed in the rules of the state tax commission and once made is irrevocable for the year in which it is made. The term "income" as used in this subsection (c) means Idaho taxable income as defined in this chapter as modified by section 63-3021(b)(2), (3) and (4), Idaho Code.

(2) Net operating losses incurred by a corporation during a year in which such corporation did not transact business in Idaho or was not included in a group of corporations combined under subsection (t) of section 63-3027, Idaho Code, may not be subtracted. However, if at least one (1) corporation within a group of corporations combined under subsection (t) of section 63-3027, Idaho Code, was transacting business in Idaho during the taxable year in which the loss was incurred, then the net operating loss may be subtracted. Net operating losses incurred by a person, other than a corporation, in activities not taxable by Idaho may not be subtracted.

(d) In the case of a corporation, add the amount deducted under the
provisions of sections 243(a) and (c), 244, 245 and 246A of the Internal Revenue Code (relating to dividends received by corporations) as limited by section 246(b)(1) of said code.

(e) In the case of a corporation, subtract an amount determined under section 78 of the Internal Revenue Code to be taxable as dividends.

(f) Subtract the amount of any income received or accrued during the taxable year which is exempt from taxation by this state, under the provisions of any other law of this state or a law of the United States, if not previously subtracted in arriving at taxable income.

(g) For the purpose of determining the Idaho taxable income of the beneficiary of a trust or of an estate:

1. Distributable net income as defined for federal tax purposes shall be corrected for the other adjustments required by this section.

2. Net operating losses attributable to a beneficiary of a trust or estate under section 642 of the Internal Revenue Code shall be a deduction for the beneficiary to the extent that income from the trust or estate would be attributable to this state under the provisions of this chapter.

(h) In the case of an individual who is on active duty as a full-time officer, enlistee or draftee, with the armed forces of the United States, which full-time duty is or will be continuous and uninterrupted for one hundred twenty (120) consecutive days or more, deduct compensation paid by the armed forces of the United States for services performed outside this state. The deduction is allowed only to the extent such income is included in taxable income, and provided that appropriate adjustments shall be made in determining the deductions and exemptions allowed pursuant to section 63-3026A(4), Idaho Code.

(i) In the case of a corporation, including any corporation included in a group of corporations combined under subsection (t) of section 63-3027, Idaho Code, add any capital loss deducted which loss was incurred during any year in which such corporation did not transact business in Idaho. However, do not add any capital loss deducted if a corporation, including any corporation in a group of corporations combined under subsection (t) of section 63-3027, Idaho Code, was transacting business in Idaho during the taxable year in which the loss was incurred. In the case of persons, other than corporations, add any capital loss deducted which was incurred in activities not taxable by Idaho at the time such loss was incurred. In computing the income taxable to an S corporation or partnership under this section, deduction shall not be allowed for a carryover or carryback of a net operating loss provided for in subsection (c) of this section or a capital loss provided for in section 1212 of the Internal Revenue Code.

(j) In the case of an individual, there shall be allowed as a deduction from gross income either (1) or (2) at the option of the taxpayer:

1. The standard deduction as defined in section 63, Internal Revenue Code.

2. Itemized deductions as defined in section 63 of the Internal Revenue Code except state or local taxes measured by net income and as defined in section 164 of the Internal Revenue Code.

(k) Add the taxable amount of any lump sum distribution excluded from gross income for federal income tax purposes under the ten (10)
year averaging method. The taxable amount will include the ordinary income portion and the amount eligible for the capital gain election.

(1) Deduct any amounts included in gross income under the provisions of section 86 of the Internal Revenue Code relating to certain social security and railroad benefits.

(m) In the case of a self-employed individual, deduct the actual cost of premiums paid to secure worker's compensation insurance for coverage in Idaho, if such cost has not been deducted in arriving at taxable income.

(n) In the case of an individual, deduct the amount contributed to a college savings program pursuant to chapter 54, title 33, Idaho Code, but not more than four thousand dollars ($4,000) per tax year. If the contribution is made on or before April 15, 2001, it may be deducted for tax year 2000 and an individual can make another contribution and claim the deduction according to the limits provided in this subsection during 2001 for tax year 2001, as long as the contribution is made on or before December 31, 2001.

(o) In the case of an individual, add the amount of a nonqualified withdrawal from an individual trust account or savings account established pursuant to chapter 54, title 33, Idaho Code, less any amount of such nonqualified withdrawal included in the individual's federal gross income pursuant to 529 section 529 of the Internal Revenue Code.

SECTION 3. That Section 63-3022A, Idaho Code, be, and the same is hereby amended to read as follows:

63-3022A. DEDUCTION OF CERTAIN RETIREMENT BENEFITS. (a) An amount of retirement benefits may be deducted by an individual from taxable income if such individual has either attained age sixty-five (65) years, or has attained age sixty-two (62) years and is classified as disabled:

(1) Retirement annuities paid by the United States of America to a retired civil service employee or the unremarried widow of a retired civil service employee.

(2) Retirement benefits paid from the firemen's retirement fund of the state of Idaho to a retired fireman or the unremarried widow of a retired fireman.

(3) Retirement benefits paid from the policemen's retirement fund of a city within this state to a retired policeman or the unremarried widow of a retired policeman.

(4) Retirement benefits paid by the United States of America to a retired member of the military services of the United States or the unremarried widow of such member.

(b) The amount of retirement benefits that may be deducted from taxable income shall be an amount not in excess of maximum retirement benefits under the social security act, as amended, on the date on which this act is passed and approved, including adjustments to be made based upon consumer price index adjustments provided in section 215 of the social security act. The state tax commission shall ascertain benefit changes made in accordance with the social security act and publish the appropriate deduction amounts provided by this section reflecting such changes annually. Maximum retirement benefits under the social security act shall mean:

(1) In the case of a taxpayer who files a joint return with his
spouse for the tax year, an amount equal to the maximum social secu-
riority benefits payable for the tax year to a man person attaining
full retirement age sixty-five-(65)-years in the tax year who has
earned the maximum earnings creditable under social security for the
years used in the computation of his benefits, and whose spouse has
no social security benefits except those payable on his record of
earnings.
(2) In the case of a taxpayer who is not married, an amount equal
to maximum social security benefits payable for the tax year to a
person attaining full retirement age sixty-five-(65)-years in the
tax year who has earned the maximum earnings creditable under social
security for the years used in the computation of his benefits.
(3) In the case of an unmarried widow, an amount equal to the
maximum social security benefits payable for the tax year to a widow
attaining full retirement age sixty-five-(65)-years in the tax year
who has no social security benefits except those to which she is
entitled on her deceased husband's record and whose husband had
received no reduced retirement benefits prior to his death and whose
husband had earned the maximum earnings creditable under social
security for the years used in the computation of his benefits under
social security.
(4) Maximum retirement benefits shall, in every case, take into
consideration and be adjusted to reflect adjustments that would be
made to such amounts had they been received as social security bene-
fits as the result of the receipt of earnings in excess of earnings
limitations. The terms in this paragraph are those defined in the
social security act.
(5) Taxpayers not described in paragraphs (1), (2), (3) and (4) of
this subsection may not deduct any amount of retirement benefits
under this section.
(c) The total deduction under this section may not exceed the total
amount of retirement benefits or annuities which are described in sub-
section (a) of this section and which are included in the taxpayer's
gross income in the tax year. If the taxpayer or the taxpayer's spouse
receives retirement benefits under the federal railroad retirement act
or the federal social security act in the tax year, then the amount of
any retirement annuities computed under subsection (b) of this section
shall be reduced by the amount of such federal railroad retirement act
and federal social security act retirement benefits received by either
the taxpayer or the taxpayer's spouse, and the lesser of the amount so
computed or the total amount of retirement benefits or annuities which
are described in subsection (a) of this section and which are included
in the taxpayer's gross income shall constitute the allowable deduction.
Furthermore, the allowable deduction as calculated under this section
may be subject to additional limitations under section 63-3026A(6),
Idaho Code, and the rules promulgated thereunder.
(d) As used in this section, the word "widow" shall include a wid-
ower.
(e) As used in this section, the word "disabled" shall mean an
individual who is a disabled person described in section 63-701, Idaho
Code.

In the case of an individual who maintains a household which includes as a member one (1) or more qualifying individuals (as defined in section 21(b)(1), Internal Revenue Code), there shall be allowed as a deduction the employment-related expenses (as defined in section 21(b)(2), Internal Revenue Code, and as further specified and limited by section 21(c), (d), and (e), Internal Revenue Code) paid by such individual during the taxable year.

SECTION 5. That Section 63-3022N, Idaho Code, be, and the same is hereby amended to read as follows:

63-3022N. MARRIAGE PENALTY ADJUSTMENT. (1) To eliminate from the calculation of Idaho taxable income any marriage penalty that may exist in the basic standard deductions provided in the Internal Revenue Code, basic federal standard deductions shall be adjusted as provided in this section.

(2) As used in this section, "the marriage penalty" means the difference obtained by subtracting:

(a) The basic standard deduction for joint returns, from

(b) Two (2) times the basic standard deduction for an individual who is not married and who is not a surviving spouse or head of household.

(3) For each taxable year beginning on and after January 1, 2000, the standard deduction in section 63-3022(kj)(1), Idaho Code, shall be:

on a joint return, the basic federal joint standard deduction plus the marriage penalty, rounded to the nearest dollar, plus the amount of any additional standard deduction for the aged or blind for which a taxpayer may qualify under section 63 of the Internal Revenue Code.

(4) The basic federal standard deduction for an individual for whom a deduction under section 151 of the Internal Revenue Code is allowable to another taxpayer shall not be reduced below the minimum adjusted basic standard deduction provided by section 63 of the Internal Revenue Code.

SECTION 6. That Section 63-3035A, Idaho Code, be, and the same is hereby amended to read as follows:

63-3035A. STATE INCOME TAX WITHHOLDING TAX ON LOTTERY WINNINGS. (1) Whenever the Idaho state lottery is required by the Internal Revenue Code to withhold, collect and pay over income tax on any prize, proceeds or winnings it shall, at the time of payment of such prize, proceeds or winnings to the recipient, withhold from the payment an amount equal to eight-and-two-tenths-percent (8.2%) the maximum percentage applicable to individuals under section 63-3024, Idaho Code, of the prize, proceeds or winnings to be applied to Idaho income taxes due from the recipient.

(2) The state tax commission shall accept amounts withheld according to this section as payment by the recipient of the amount so withheld of income taxes imposed on the recipient for the taxable year in which the prize, proceeds or winnings are includable in the recipient's Idaho taxable income.

(3) When the total amount withheld (along with other credits due, withholding or payments attributable to the taxpayer) exceeds the taxes due from the recipient, the state tax commission shall, after examining
the state income tax return filed by the recipient, refund the amount of
the excess withheld in the manner provided for refunds of withholding
under section 63-3035, Idaho Code.
(4) The Idaho state lottery shall remit the amounts withheld to the
state tax commission on or before the date similar payments and reports
are due to the internal revenue service.
(5) The Idaho state lottery shall furnish to the recipient, not
later than thirty (30) days after the end of the calendar year, a record
of the tax withheld during that year and shall, not later than the last
day of the following February, file a copy of the record with the state
tax commission.

required by this chapter.

SECTION 7. An emergency existing therefor, which emergency is
hereby declared to exist, this act shall be in full force and effect on
and after its passage and approval, and retroactively to January 1,
2004.

CHAPTER 7
DOCUMENTS OF TITLE

PART 1.
GENERAL

28-7-101. SHORT TITLE. This chapter shall be known and may be cited as "Uniform Commercial Code - Documents of Title."

28-7-102. DEFINITIONS AND INDEX OF DEFINITIONS. (a) In this chapter, unless the context otherwise requires:

(1) "Bailee" means a person that by a warehouse receipt, bill of lading, or other document of title acknowledges possession of goods and contracts to deliver them.

(2) "Carrier" means a person that issues a bill of lading.

(3) "Consignee" means a person named in a bill of lading to which or to whose order the bill promises delivery.

(4) "Consignor" means a person named in a bill of lading as the person from which the goods have been received for shipment.

(5) "Delivery order" means a record that contains an order to deliver goods directed to a warehouse, carrier, or other person that in the ordinary course of business issues warehouse receipts or bills of lading.

(6) "Good faith" means honesty in fact and the observance of reasonable commercial standards of fair dealing.

(7) "Goods" means all things that are treated as movable for the purposes of a contract for storage or transportation.

(8) "Issuer" means a bailee that issues a document of title or, in the case of an unaccepted delivery order, the person that orders the possessor of goods to deliver. The term includes a person for which an agent or employee purports to act in issuing a document if the agent or employee has real or apparent authority to issue documents, even if the issuer did not receive any goods, the goods were misdescribed, or in any other respect the agent or employee violated the issuer's instructions.

(9) "Person entitled under the document" means the holder, in the case of a negotiable document of title, or the person to which delivery of the goods is to be made by the terms of, or pursuant to instructions in a record under, a nonnegotiable document of title.

(10) "Record" means information that is inscribed on a tangible medium or that is stored in an electronic or other medium and is retrievable in perceivable form.
(11) "Sign" means, with present intent to authenticate or adopt a record:
   (A) To execute or adopt a tangible symbol; or
   (B) To attach to or logically associate with the record an electronic sound, symbol, or process.

(12) "Shipper" means a person that enters into a contract of transportation with a carrier.

(13) "Warehouse" means a person engaged in the business of storing goods for hire.

(b) Definitions in other chapters applying to this chapter and the sections in which they appear are:
   (1) "Contract for sale," section 28-2-106.
   (2) "Lessee in ordinary course," section 28-12-103.
   (3) "Receipt" of goods, section 28-2-103.

(c) In addition, chapter 1, title 28, Idaho Code, contains general definitions and principles of construction and interpretation applicable throughout this chapter.

28-7-103. RELATION OF CHAPTER TO TREATY OR STATUTE. (a) This chapter is subject to any treaty or statute of the United States or regulatory statute of this state to the extent the treaty, statute, or regulatory statute is applicable.

(b) This chapter does not modify or repeal any law prescribing the form or content of a document of title or the services or facilities to be afforded by a bailee, or otherwise regulating a bailee's business in respects not specifically treated in this chapter. However, violation of such a law does not affect the status of a document of title that otherwise is within the definition of a document of title.

(c) This chapter modifies, limits, and supersedes the federal electronic signatures in global and national commerce act (15 U.S.C. 7001, et seq.) but does not modify, limit, or supersede section 101(c) of that act (15 U.S.C. 7001(c)) or authorize electronic delivery of any of the notices described in section 103(b) of that act (15 U.S.C. 7003(b)).

(d) To the extent there is a conflict between the uniform electronic transactions act, chapter 50, title 28, Idaho Code, and this chapter, this chapter governs.

28-7-104. NEGOTIABLE AND NONNEGOTIABLE DOCUMENT OF TITLE. (a) Except as otherwise provided in subsection (c) of this section, a document of title is negotiable if by its terms the goods are to be delivered to bearer or to the order of a named person.

(b) A document of title other than one described in subsection (a) of this section is nonnegotiable. A bill of lading that states that the goods are consigned to a named person is not made negotiable by a provision that the goods are to be delivered only against an order in a record signed by the same or another named person.

(c) A document of title is nonnegotiable if, at the time it is issued, the document has a conspicuous legend, however expressed, that it is nonnegotiable.

28-7-105. REISSUANCE IN ALTERNATIVE MEDIUM. (a) Upon request of a person entitled under an electronic document of title, the issuer of the electronic document may issue a tangible document of title as a substitute for the electronic document if:
(1) The person entitled under the electronic document surrenders control of the document to the issuer; and
(2) The tangible document when issued contains a statement that it is issued in substitution for the electronic document.

(b) Upon issuance of a tangible document of title in substitution for an electronic document of title in accordance with subsection (a) of this section:
(1) The electronic document ceases to have any effect or validity; and
(2) The person that procured issuance of the tangible document warrants to all subsequent persons entitled under the tangible document that the warrantor was a person entitled under the electronic document when the warrantor surrendered control of the electronic document to the issuer.

(c) Upon request of a person entitled under a tangible document of title, the issuer of the tangible document may issue an electronic document of title as a substitute for the tangible document if:
(1) The person entitled under the tangible document surrenders possession of the document to the issuer; and
(2) The electronic document when issued contains a statement that it is issued in substitution for the tangible document.

(d) Upon issuance of an electronic document of title in substitution for a tangible document of title in accordance with subsection (c) of this section:
(1) The tangible document ceases to have any effect or validity; and
(2) The person that procured issuance of the electronic document warrants to all subsequent persons entitled under the electronic document that the warrantor was a person entitled under the tangible document when the warrantor surrendered possession of the tangible document to the issuer.

28-7-106. CONTROL OF ELECTRONIC DOCUMENT OF TITLE. (a) A person has control of an electronic document of title if a system employed for evidencing the transfer of interests in the electronic document reliably establishes that person as the person to which the electronic document was issued or transferred.

(b) A system satisfies subsection (a) of this section, and a person is deemed to have control of an electronic document of title, if the document is created, stored, and assigned in such a manner that:
(1) A single authoritative copy of the document exists which is unique, identifiable, and, except as otherwise provided in subsections (b)(4), (5), and (6) of this section, unalterable;
(2) The authoritative copy identifies the person asserting control as:
   (A) The person to which the document was issued; or
   (B) If the authoritative copy indicates that the document has been transferred, the person to which the document was most recently transferred;

(3) The authoritative copy is communicated to and maintained by the person asserting control or its designated custodian;
(4) Copies or amendments that add or change an identified assignee of the authoritative copy can be made only with the consent of the person asserting control;
(5) Each copy of the authoritative copy and any copy of a copy is readily identifiable as a copy that is not the authoritative copy; and
(6) Any amendment of the authoritative copy is readily identifiable as authorized or unauthorized.

PART 2.
WAREHOUSE RECEIPTS -- SPECIAL PROVISIONS

28-7-201. PERSON THAT MAY ISSUE A WAREHOUSE RECEIPT -- STORAGE UNDER BOND. (a) A warehouse receipt may be issued by any warehouse.

(b) If goods, including distilled spirits and agricultural commodities, are stored under a statute requiring a bond against withdrawal or a license for the issuance of receipts in the nature of warehouse receipts, a receipt issued for the goods is deemed to be a warehouse receipt even if issued by a person that is the owner of the goods and is not a warehouse.

28-7-202. FORM OF WAREHOUSE RECEIPT -- EFFECT OF OMISSION. (a) A warehouse receipt need not be in any particular form.

(b) Unless a warehouse receipt provides for each of the following, the warehouse is liable for damages caused to a person injured by its omission:

(1) A statement of the location of the warehouse facility where the goods are stored;
(2) The date of issue of the receipt;
(3) The unique identification code of the receipt;
(4) A statement whether the goods received will be delivered to the bearer, to a named person, or to a named person or its order;
(5) The rate of storage and handling charges, unless goods are stored under a field warehousing arrangement, in which case a statement of that fact is sufficient on a nonnegotiable receipt;
(6) A description of the goods or the packages containing them;
(7) The signature of the warehouse or its agent;
(8) If the receipt is issued for goods that the warehouse owns, either solely, jointly, or in common with others, a statement of the fact of that ownership; and
(9) A statement of the amount of advances made and of liabilities incurred for which the warehouse claims a lien or security interest, unless the precise amount of advances made or liabilities incurred, at the time of the issue of the receipt, is unknown to the warehouse or to its agent that issued the receipt, in which case a statement of the fact that advances have been made or liabilities incurred and the purpose of the advances or liabilities is sufficient.

(c) A warehouse may insert in its receipt any terms that are not contrary to the uniform commercial code and do not impair its obligation of delivery under section 28-7-403 or its duty of care under section 28-7-204. Any contrary provision is ineffective.

28-7-203. LIABILITY FOR NONRECEIPT OR MISDESCRIPTION. A party to or purchaser for value in good faith of a document of title, other than a bill of lading, that relies upon the description of the goods in the document may recover from the issuer damages caused by the nonreceipt or misdescription of the goods, except to the extent that:
(1) The document conspicuously indicates that the issuer does not know whether all or part of the goods in fact were received or conform to the description, such as a case in which the description is in terms of marks or labels or kind, quantity, or condition, or the receipt or description is qualified by "contents, condition, and quality unknown," "said to contain," or words of similar import, if the indication is true; or
(2) The party or purchaser otherwise has notice of the nonreceipt or misdescription.

28-7-204. DUTY OF CARE — CONTRACTUAL LIMITATION OF WAREHOUSE'S LIABILITY. (a) A warehouse is liable for damages for loss of or injury to the goods caused by its failure to exercise care with regard to the goods that a reasonably careful person would exercise under similar circumstances. Unless otherwise agreed, the warehouse is not liable for damages that could not have been avoided by the exercise of that care.
(b) Damages may be limited by a term in the warehouse receipt or storage agreement limiting the amount of liability in case of loss or damage beyond which the warehouse is not liable. Such a limitation is not effective with respect to the warehouse's liability for conversion to its own use. On request of the bailor in a record at the time of signing the storage agreement or within a reasonable time after receipt of the warehouse receipt, the warehouse's liability may be increased on part or all of the goods covered by the storage agreement or the warehouse receipt. In this event, increased rates may be charged based on an increased valuation of the goods.
(c) Reasonable provisions as to the time and manner of presenting claims and commencing actions based on the bailment may be included in the warehouse receipt or storage agreement.

28-7-205. TITLE UNDER WAREHOUSE RECEIPT DEFEATED IN CERTAIN CASES. A buyer in ordinary course of business of fungible goods sold and delivered by a warehouse that is also in the business of buying and selling such goods takes the goods free of any claim under a warehouse receipt even if the receipt is negotiable and has been duly negotiated.

28-7-206. TERMINATION OF STORAGE AT WAREHOUSE'S OPTION. (a) A warehouse, by giving notice to the person on whose account the goods are held and any other person known to claim an interest in the goods, may require payment of any charges and removal of the goods from the warehouse at the termination of the period of storage fixed by the document of title or, if a period is not fixed, within a stated period not less than thirty (30) days after the warehouse gives notice. If the goods are not removed before the date specified in the notice, the warehouse may sell them pursuant to section 28-7-210.
(b) If a warehouse in good faith believes that goods are about to deteriorate or decline in value to less than the amount of its lien within the time provided in subsection (a) of this section and section 28-7-210, the warehouse may specify in the notice given under subsection (a) of this section any reasonable shorter time for removal of the goods and, if the goods are not removed, may sell them at public sale held not less than one (1) week after a single advertisement or posting.
(c) If, as a result of a quality or condition of the goods of which the warehouse did not have notice at the time of deposit, the goods are
a hazard to other property, the warehouse facilities, or other persons, the warehouse may sell the goods at public or private sale without advertisement or posting on reasonable notification to all persons known to claim an interest in the goods. If the warehouse, after a reasonable effort, is unable to sell the goods, it may dispose of them in any lawful manner and does not incur liability by reason of that disposition.

(d) A warehouse shall deliver the goods to any person entitled to them under this chapter upon due demand made at any time before sale or other disposition under this section.

(e) A warehouse may satisfy its lien from the proceeds of any sale or disposition under this section but shall hold the balance for delivery on the demand of any person to which the warehouse would have been bound to deliver the goods.

28-7-207. GOODS MUST BE KEPT SEPARATE -- FUNGIBLE GOODS. (a) Unless the warehouse receipt provides otherwise, a warehouse shall keep separate the goods covered by each receipt so as to permit at all times identification and delivery of those goods. However, different lots of fungible goods may be commingled.

(b) If different lots of fungible goods are commingled, the goods are owned in common by the persons entitled thereto and the warehouse is severally liable to each owner for that owner's share. If, because of overissue, a mass of fungible goods is insufficient to meet all the receipts the warehouse has issued against it, the persons entitled include all holders to which overissued receipts have been duly negotiated.

28-7-208. ALTERED WAREHOUSE RECEIPTS. If a blank in a negotiable tangible warehouse receipt has been filled in without authority, a good-faith purchaser for value and without notice of the lack of authority may treat the insertion as authorized. Any other unauthorized alteration leaves any tangible or electronic warehouse receipt enforceable against the issuer according to its original tenor.

28-7-209. LIEN OF WAREHOUSE. (a) A warehouse has a lien against the bailor on the goods covered by a warehouse receipt or storage agreement or on the proceeds thereof in its possession for charges for storage or transportation, including demurrage and terminal charges, insurance, labor, or other charges, present or future, in relation to the goods, and for expenses necessary for preservation of the goods or reasonably incurred in their sale pursuant to law. If the person on whose account the goods are held is liable for similar charges or expenses in relation to other goods whenever deposited and it is stated in the warehouse receipt or storage agreement that a lien is claimed for charges and expenses in relation to other goods, the warehouse also has a lien against the goods covered by the warehouse receipt or storage agreement or on the proceeds thereof in its possession for those charges and expenses, whether or not the other goods have been delivered by the warehouse. However, as against a person to which a negotiable warehouse receipt is duly negotiated, a warehouse's lien is limited to charges in an amount or at a rate specified in the warehouse receipt or, if no charges are so specified, to a reasonable charge for storage of the specific goods covered by the receipt subsequent to the date of the receipt.
(b) A warehouse may also reserve a security interest against the bailor for the maximum amount specified on the receipt for charges other than those specified in subsection (a) of this section, such as for money advanced and interest. The security interest is governed by chapter 9, title 28, Idaho Code.

(c) A warehouse's lien for charges and expenses under subsection (a) of this section or a security interest under subsection (b) of this section is also effective against any person that so entrusted the bailor with possession of the goods that a pledge of them by the bailor to a good-faith purchaser for value would have been valid. However, the lien or security interest is not effective against a person that before issuance of a document of title had a legal interest or a perfected security interest in the goods and that did not:

(1) Deliver or entrust the goods or any document of title covering the goods to the bailor or the bailor's nominee with:
   (A) Actual or apparent authority to ship, store, or sell;
   (B) Power to obtain delivery under section 28-7-403; or
   (C) Power of disposition under section 28-2-403, 28-12-304(2), 28-12-305(2), 28-9-320 or 28-9-321(c), or other statute or rule of law; or

(2) Acquiesce in the procurement by the bailor or its nominee of any document.

(d) A warehouse's lien on household goods for charges and expenses in relation to the goods under subsection (a) of this section is also effective against all persons if the depositor was the legal possessor of the goods at the time of deposit. In this subsection, "household goods" means furniture, furnishings, or personal effects used by the depositor in a dwelling.

(e) A warehouse loses its lien on any goods that it voluntarily delivers or unjustifiably refuses to deliver.

28-7-210. ENFORCEMENT OF WAREHOUSE'S LIEN. (a) Except as otherwise provided in subsection (b) of this section, a warehouse's lien may be enforced by public or private sale of the goods, in bulk or in packages, at any time or place and on any terms that are commercially reasonable, after notifying all persons known to claim an interest in the goods. The notification must include a statement of the amount due, the nature of the proposed sale, and the time and place of any public sale. The fact that a better price could have been obtained by a sale at a different time or in a method different from that selected by the warehouse is not of itself sufficient to establish that the sale was not made in a commercially reasonable manner. The warehouse sells in a commercially reasonable manner if the warehouse sells the goods in the usual manner in any recognized market therefor, sells at the price current in that market at the time of the sale, or otherwise sells in conformity with commercially reasonable practices among dealers in the type of goods sold. A sale of more goods than apparently necessary to be offered to ensure satisfaction of the obligation is not commercially reasonable, except in cases covered by the preceding sentence.

(b) A warehouse may enforce its lien on goods, other than goods stored by a merchant in the course of its business, only if the following requirements are satisfied:

(1) All persons known to claim an interest in the goods must be notified.
(2) The notification must include an itemized statement of the claim, a description of the goods subject to the lien, a demand for payment within a specified time not less than ten (10) days after receipt of the notification, and a conspicuous statement that unless the claim is paid within that time the goods will be advertised for sale and sold by auction at a specified time and place.

(3) The sale must conform to the terms of the notification.

(4) The sale must be held at the nearest suitable place to where the goods are held or stored.

(5) After the expiration of the time given in the notification, an advertisement of the sale must be published once a week for two (2) weeks consecutively in a newspaper of general circulation where the sale is to be held. The advertisement must include a description of the goods, the name of the person on whose account the goods are being held, and the time and place of the sale. The sale must take place at least fifteen (15) days after the first publication. If there is no newspaper of general circulation where the sale is to be held, the advertisement must be posted at least ten (10) days before the sale in not fewer than six (6) conspicuous places in the neighborhood of the proposed sale.

(c) Before any sale pursuant to this section, any person claiming a right in the goods may pay the amount necessary to satisfy the lien and the reasonable expenses incurred in complying with this section. In that event, the goods may not be sold but must be retained by the warehouse subject to the terms of the receipt and this chapter.

(d) A warehouse may buy at any public sale held pursuant to this section.

(e) A purchaser in good faith of goods sold to enforce a warehouse's lien takes the goods free of any rights of persons against which the lien was valid, despite the warehouse's noncompliance with this section.

(f) A warehouse may satisfy its lien from the proceeds of any sale pursuant to this section but shall hold the balance, if any, for delivery on demand to any person to which the warehouse would have been bound to deliver the goods.

(g) The rights provided by this section are in addition to all other rights allowed by law to a creditor against a debtor.

(h) If a lien is on goods stored by a merchant in the course of its business, the lien may be enforced in accordance with subsection (a) or (b) of this section.

(i) A warehouse is liable for damages caused by failure to comply with the requirements for sale under this section and, in case of willful violation, is liable for conversion.

PART 3.

BILLS OF LADING -- SPECIAL PROVISIONS

28-7-301. LIABILITY FOR NONRECEIPT OR MISDESCRIPTION -- "SAID TO CONTAIN" -- "SHIPPER'S WEIGHT, LOAD, AND COUNT" -- IMPROPER HANDLING.

(a) A consignee of a nonnegotiable bill of lading which has given value in good faith, or a holder to which a negotiable bill has been duly negotiated, relying upon the description of the goods in the bill or upon the date shown in the bill, may recover from the issuer damages caused by the misdating of the bill or the nonreceipt or misdescription
of the goods, except to the extent that the bill indicates that the issuer does not know whether any part or all of the goods in fact were received or conform to the description, such as in a case in which the description is in terms of marks or labels or kind, quantity, or condition or the receipt or description is qualified by "contents or condition of contents of packages unknown," "said to contain," "shipper's weight, load, and count," or words of similar import, if that indication is true.

(b) If goods are loaded by the issuer of a bill of lading:
(1) The issuer shall count the packages of goods if shipped in packages and ascertain the kind and quantity if shipped in bulk; and
(2) Words such as "shipper's weight, load, and count," or words of similar import indicating that the description was made by the shipper are ineffective except as to goods concealed in packages.

(c) If bulk goods are loaded by a shipper that makes available to the issuer of a bill of lading adequate facilities for weighing those goods, the issuer shall ascertain the kind and quantity within a reasonable time after receiving the shipper's request in a record to do so. In that case, "shipper's weight" or words of similar import are ineffective.

(d) The issuer of a bill of lading, by including in the bill the words "shipper's weight, load, and count," or words of similar import, may indicate that the goods were loaded by the shipper, and, if that statement is true, the issuer is not liable for damages caused by the improper loading. However, omission of such words does not imply liability for damages caused by improper loading.

(e) A shipper guarantees to an issuer the accuracy at the time of shipment of the description, marks, labels, number, kind, quantity, condition, and weight, as furnished by the shipper, and the shipper shall indemnify the issuer against damage caused by inaccuracies in those particulars. This right of indemnity does not limit the issuer's responsibility or liability under the contract of carriage to any person other than the shipper.

28-7-302. THROUGH BILLS OF LADING AND SIMILAR DOCUMENTS OF TITLE.
(a) The issuer of a through bill of lading, or other document of title embodying an undertaking to be performed in part by a person acting as its agent or by a performing carrier, is liable to any person entitled to recover on the bill or other document for any breach by the other person or the performing carrier of its obligation under the bill or other document. However, to the extent that the bill or other document covers an undertaking to be performed overseas or in territory not contiguous to the continental United States or an undertaking including matters other than transportation, this liability for breach by the other person or the performing carrier may be varied by agreement of the parties.

(b) If goods covered by a through bill of lading or other document of title embodying an undertaking to be performed in part by a person other than the issuer are received by that person, the person is subject, with respect to its own performance while the goods are in its possession, to the obligation of the issuer. The person's obligation is discharged by delivery of the goods to another person pursuant to the bill or other document and does not include liability for breach by any other person or by the issuer.
(c) The issuer of a through bill of lading or other document of title described in subsection (a) of this section is entitled to recover from the performing carrier, or other person in possession of the goods when the breach of the obligation under the bill or other document occurred:

(1) The amount it may be required to pay to any person entitled to recover on the bill or other document for the breach, as may be evidenced by any receipt, judgment, or transcript of judgment; and

(2) The amount of any expense reasonably incurred by the issuer in defending any action commenced by any person entitled to recover on the bill or other document for the breach.

28-7-303. DIVERSION -- RECONSIGNMENT -- CHANGE OF INSTRUCTIONS. (a) Unless the bill of lading otherwise provides, a carrier may deliver the goods to a person or destination other than that stated in the bill or may otherwise dispose of the goods, without liability for misdelivery, on instructions from:

(1) The holder of a negotiable bill;

(2) The consignor on a nonnegotiable bill, even if the consignee has given contrary instructions;

(3) The consignee on a nonnegotiable bill in the absence of contrary instructions from the consignor, if the goods have arrived at the billed destination or if the consignee is in possession of the tangible bill or in control of the electronic bill; or

(4) The consignee on a nonnegotiable bill, if the consignee is entitled as against the consignor to dispose of the goods.

(b) Unless instructions described in subsection (a) of this section are duly included in a negotiable bill of lading, a person to which the bill is duly negotiated may hold the bailee according to the original terms.

28-7-304. TANGIBLE BILLS OF LADING IN A SET. (a) Except as customary in international transportation, a tangible bill of lading may not be issued in a set of parts. The issuer is liable for damages caused by violation of this subsection.

(b) If a tangible bill of lading is lawfully issued in a set of parts, each of which contains an identification code and is expressed to be valid only if the goods have not been delivered against any other part, the whole of the parts constitutes one bill.

(c) If a tangible negotiable bill of lading is lawfully issued in a set of parts and different parts are negotiated to different persons, the title of the holder to which the first due negotiation is made prevails as to both the document of title and the goods even if any later holder may have received the goods from the carrier in good faith and discharged the carrier's obligation by surrendering its part.

(d) A person that negotiates or transfers a single part of a tangible bill of lading issued in a set is liable to holders of that part as if it were the whole set.

(e) The bailee shall deliver in accordance with part 4 of this chapter against the first presented part of a tangible bill of lading lawfully issued in a set. Delivery in this manner discharges the bailee's obligation on the whole bill.

28-7-305. DESTINATION BILLS. (a) Instead of issuing a bill of lading to the consignor at the place of shipment, a carrier, at the request
of the consignor, may procure the bill to be issued at destination or at any other place designated in the request.

(b) Upon request of any person entitled as against a carrier to control the goods while in transit and on surrender of possession or control of any outstanding bill of lading or other receipt covering the goods, the issuer, subject to section 28-7-105, may procure a substitute bill to be issued at any place designated in the request.

28-7-306. ALTERED BILLS OF LADING. An unauthorized alteration or filling in of a blank in a bill of lading leaves the bill enforceable according to its original tenor.

28-7-307. LIEN OF CARRIER. (a) A carrier has a lien on the goods covered by a bill of lading or on the proceeds thereof in its possession for charges after the date of the carrier's receipt of the goods for storage or transportation, including demurrage and terminal charges, and for expenses necessary for preservation of the goods incident to their transportation or reasonably incurred in their sale pursuant to law. However, against a purchaser for value of a negotiable bill of lading, a carrier's lien is limited to charges stated in the bill or the applicable tariffs or, if no charges are stated, a reasonable charge.

(b) A lien for charges and expenses under subsection (a) of this section on goods that the carrier was required by law to receive for transportation is effective against the consignor or any person entitled to the goods unless the carrier had notice that the consignor lacked authority to subject the goods to those charges and expenses. Any other lien under subsection (a) of this section is effective against the consignor and any person that permitted the bailor to have control or possession of the goods unless the carrier had notice that the bailor lacked authority.

(c) A carrier loses its lien on any goods that it voluntarily delivers or unjustifiably refuses to deliver.

28-7-308. ENFORCEMENT OF CARRIER'S LIEN. (a) A carrier's lien on goods may be enforced by public or private sale of the goods, in bulk or in packages, at any time or place and on any terms that are commercially reasonable, after notifying all persons known to claim an interest in the goods. The notification must include a statement of the amount due, the nature of the proposed sale, and the time and place of any public sale. The fact that a better price could have been obtained by a sale at a different time or in a method different from that selected by the carrier is not of itself sufficient to establish that the sale was not made in a commercially reasonable manner. The carrier sells goods in a commercially reasonable manner if the carrier sells the goods in the usual manner in any recognized market therefor, sells at the price current in that market at the time of the sale, or otherwise sells in conformity with commercially reasonable practices among dealers in the type of goods sold. A sale of more goods than apparently necessary to be offered to ensure satisfaction of the obligation is not commercially reasonable, except in cases covered by the preceding sentence.

(b) Before any sale pursuant to this section, any person claiming a right in the goods may pay the amount necessary to satisfy the lien and the reasonable expenses incurred in complying with this section. In that event, the goods may not be sold but must be retained by the carrier,
subject to the terms of the bill of lading and this chapter.

(c) A carrier may buy at any public sale pursuant to this section.
(d) A purchaser in good faith of goods sold to enforce a carrier's lien takes the goods free of any rights of persons against which the lien was valid, despite the carrier's noncompliance with this section.
(e) A carrier may satisfy its lien from the proceeds of any sale pursuant to this section but shall hold the balance, if any, for delivery on demand to any person to which the carrier would have been bound to deliver the goods.
(f) The rights provided by this section are in addition to all other rights allowed by law to a creditor against a debtor.
(g) A carrier's lien may be enforced pursuant to either subsection (a) of this section or the procedure set forth in section 28-7-210(b).
(h) A carrier is liable for damages caused by failure to comply with the requirements for sale under this section and, in case of willful violation, is liable for conversion.

28-7-309. DUTY OF CARE -- CONTRACTUAL LIMITATION OF CARRIER'S LIABILITY. (a) A carrier that issues a bill of lading, whether negotiable or nonnegotiable, shall exercise the degree of care in relation to the goods which a reasonably careful person would exercise under similar circumstances. This subsection does not affect any statute, regulation, or rule of law that imposes liability upon a common carrier for damages not caused by its negligence.

(b) Damages may be limited by a term in the bill of lading or in a transportation agreement that the carrier's liability may not exceed a value stated in the bill or transportation agreement if the carrier's rates are dependent upon value and the consignor is afforded an opportunity to declare a higher value and the consignor is advised of the opportunity. However, such a limitation is not effective with respect to the carrier's liability for conversion to its own use.

(c) Reasonable provisions as to the time and manner of presenting claims and commencing actions based on the shipment may be included in a bill of lading or a transportation agreement.

PART 4.
WAREHOUSE RECEIPTS AND BILLS OF LADING -- GENERAL OBLIGATIONS

28-7-401. IRREGULARITIES IN ISSUE OF RECEIPT OR BILL OR CONDUCT OF ISSUER. The obligations imposed by this chapter on an issuer apply to a document of title even if:
(1) The document does not comply with the requirements of this chapter or of any other statute, rule, or regulation regarding its issuance, form, or content;
(2) The issuer violated laws regulating the conduct of its business;
(3) The goods covered by the document were owned by the bailee when the document was issued; or
(4) The person issuing the document is not a warehouse but the document purports to be a warehouse receipt.

28-7-402. DUPLICATE DOCUMENT OF TITLE -- OVERISSUE. A duplicate or any other document of title purporting to cover goods already represented by an outstanding document of the same issuer does not confer any
right in the goods, except as provided in the case of tangible bills of lading in a set of parts, overissue of documents for fungible goods, substitutes for lost, stolen, or destroyed documents, or substitute documents issued pursuant to section 28-7-105. The issuer is liable for damages caused by its overissue or failure to identify a duplicate document by a conspicuous notation.

28-7-403. OBLIGATION OF BAILLEE TO DELIVER — EXCUSE. (a) A bailee shall deliver the goods to a person entitled under a document of title if the person complies with subsections (b) and (c) of this section, unless and to the extent that the bailee establishes any of the following:

1) Delivery of the goods to a person whose receipt was rightful as against the claimant;
2) Damage to or delay, loss, or destruction of the goods for which the bailee is not liable;
3) Previous sale or other disposition of the goods in lawful enforcement of a lien or on a warehouse's lawful termination of storage;
4) The exercise by a seller of its right to stop delivery pursuant to section 28-2-705 or by a lessor of its right to stop delivery pursuant to section 28-12-526;
5) A diversion, reconsignm, or other disposition pursuant to section 28-7-303;
6) Release, satisfaction, or any other personal defense against the claimant; or
7) Any other lawful excuse.

(b) A person claiming goods covered by a document of title shall satisfy the bailee's lien if the bailee so requests or if the bailee is prohibited by law from delivering the goods until the charges are paid.

(c) Unless a person claiming the goods is a person against which the document of title does not confer a right under section 28-7-503(a):
1) The person claiming under a document shall surrender possession or control of any outstanding negotiable document covering the goods for cancellation or indication of partial deliveries; and
2) The bailee shall cancel the document or conspicuously indicate in the document the partial delivery or the bailee is liable to any person to which the document is duly negotiated.

28-7-404. NO LIABILITY FOR GOOD-FAITH DELIVERY PURSUANT TO DOCUMENT OF TITLE. A bailee that in good faith has received goods and delivered or otherwise disposed of the goods according to the terms of a document of title or pursuant to this chapter is not liable for the goods even if:

1) The person from which the bailee received the goods did not have authority to procure the document or to dispose of the goods; or
2) The person to which the bailee delivered the goods did not have authority to receive the goods.
PART 5.
WAREHOUSE RECEIPTS AND BILLS OF LADING -- NEGOTIATION AND TRANSFER

28-7-501. FORM OF NEGOTIATION AND REQUIREMENTS OF DUE NEGOTIATION. (a) The following rules apply to a negotiable tangible document of title:
(1) If the document's original terms run to the order of a named person, the document is negotiated by the named person's indorsement and delivery. After the named person's indorsement in blank or to bearer, any person may negotiate the document by delivery alone.
(2) If the document's original terms run to bearer, it is negotiated by delivery alone.
(3) If the document's original terms run to the order of a named person and it is delivered to the named person, the effect is the same as if the document had been negotiated.
(4) Negotiation of the document after it has been indorsed to a named person requires indorsement by the named person and delivery.
(5) A document is duly negotiated if it is negotiated in the manner stated in this subsection to a holder that purchases it in good faith, without notice of any defense against or claim to it on the part of any person, and for value, unless it is established that the negotiation is not in the regular course of business or financing or involves receiving the document in settlement or payment of a monetary obligation.
(b) The following rules apply to a negotiable electronic document of title:
(1) If the document's original terms run to the order of a named person or to bearer, the document is negotiated by delivery of the document to another person. Indorsement by the named person is not required to negotiate the document.
(2) If the document's original terms run to the order of a named person and the named person has control of the document, the effect is the same as if the document had been negotiated.
(3) A document is duly negotiated if it is negotiated in the manner stated in this subsection to a holder that purchases it in good faith, without notice of any defense against or claim to it on the part of any person, and for value, unless it is established that the negotiation is not in the regular course of business or financing or involves taking delivery of the document in settlement or payment of a monetary obligation.
(c) Indorsement of a nonnegotiable document of title neither makes it negotiable nor adds to the transferee's rights.
(d) The naming in a negotiable bill of lading of a person to be notified of the arrival of the goods does not limit the negotiability of the bill or constitute notice to a purchaser of the bill of any interest of that person in the goods.

28-7-502. RIGHTS ACQUIRED BY DUE NEGOTIATION. (a) Subject to sections 28-7-205 and 28-7-503, a holder to which a negotiable document of title has been duly negotiated acquires thereby:
(1) Title to the document;
(2) Title to the goods;
(3) All rights accruing under the law of agency or estoppel, including rights to goods delivered to the bailee after the document was issued; and
(4) The direct obligation of the issuer to hold or deliver the goods according to the terms of the document free of any defense or claim by the issuer except those arising under the terms of the document or under this chapter, but in the case of a delivery order, the bailee's obligation accrues only upon the bailee's acceptance of the delivery order and the obligation acquired by the holder is that the issuer and any indorser will procure the acceptance of the bailee.

(b) Subject to section 28-7-503, title and rights acquired by due negotiation are not defeated by any stoppage of the goods represented by the document of title or by surrender of the goods by the bailee and are not impaired even if:
(1) The due negotiation or any prior due negotiation constituted a breach of duty;
(2) Any person has been deprived of possession of a negotiable tangible document or control of a negotiable electronic document by misrepresentation, fraud, accident, mistake, duress, loss, theft, or conversion; or
(3) A previous sale or other transfer of the goods or document has been made to a third person.

28-7-503. DOCUMENT OF TITLE TO GOODS DEFEATED IN CERTAIN CASES. (a) A document of title confers no right in goods against a person that before issuance of the document had a legal interest or a perfected security interest in the goods and that did not:

(1) Deliver or entrust the goods or any document of title covering the goods to the bailor or the bailor's nominee with:
(A) Actual or apparent authority to ship, store, or sell;
(B) Power to obtain delivery under section 28-7-403; or
(C) Power of disposition under section 28-2-403, 28-12-304(2), 28-12-305(2), 28-9-320 or 28-9-321(c), or other statute or rule of law; or
(2) Acquiesce in the procurement by the bailor or its nominee of any document.
(b) Title to goods based upon an unaccepted delivery order is subject to the rights of any person to which a negotiable warehouse receipt or bill of lading covering the goods has been duly negotiated. That title may be defeated under section 28-7-504 to the same extent as the rights of the issuer or a transferee from the issuer.
(c) Title to goods based upon a bill of lading issued to a freight forwarder is subject to the rights of any person to which a bill issued by the freight forwarder is duly negotiated. However, delivery by the carrier in accordance with part 4 of this chapter pursuant to its own bill of lading discharges the carrier's obligation to deliver.

28-7-504. RIGHTS ACQUIRED IN ABSENCE OF DUE NEGOTIATION -- EFFECT OF DIVERSION -- STOPPAGE OF DELIVERY. (a) A transferee of a document of title, whether negotiable or nonnegotiable, to which the document has been delivered but not duly negotiated, acquires the title and rights that its transferor had or had actual authority to convey.
(b) In the case of a transfer of a nonnegotiable document of title,
until but not after the bailee receives notice of the transfer, the rights of the transferee may be defeated:

(1) By those creditors of the transferor which could treat the transfer as void under section 28-2-402 or 28-12-308;

(2) By a buyer from the transferor in ordinary course of business if the bailee has delivered the goods to the buyer or received notification of the buyer's rights;

(3) By a lessee from the transferor in ordinary course of business if the bailee has delivered the goods to the lessee or received notification of the lessee's rights; or

(4) As against the bailee, by good-faith dealings of the bailee with the transferor.

(c) A diversion or other change of shipping instructions by the consignor in a nonnegotiable bill of lading which causes the bailee not to deliver the goods to the consignee defeats the consignee's title to the goods if the goods have been delivered to a buyer in ordinary course of business or a lessee in ordinary course of business and, in any event, defeats the consignee's rights against the bailee.

(d) Delivery of the goods pursuant to a nonnegotiable document of title may be stopped by a seller under section 28-2-705 or a lessor under section 28-12-526, subject to the requirements of due notification in those sections. A bailee that honors the seller's or lessor's instructions is entitled to be indemnified by the seller or lessor against any resulting loss or expense.

28-7-505. INDOER NOT GUARANTOR FOR OTHER PARTIES. The indorsement of a tangible document of title issued by a bailee does not make the indorser liable for any default by the bailee or previous indorsers.

28-7-506. DELIVERY WITHOUT INDORSEMENT -- RIGHT TO COMPEL INDORSEMENT. The transferee of a negotiable tangible document of title has a specifically enforceable right to have its transferor supply any necessary indorsement, but the transfer becomes a negotiation only as of the time the indorsement is supplied.

28-7-507. WARRANTIES ON NEGOTIATION OR DELIVERY OF DOCUMENT OF TITLE. If a person negotiates or delivers a document of title for value, otherwise than as a mere intermediary under section 28-7-508, unless otherwise agreed, the transferor, in addition to any warranty made in selling or leasing the goods, warrants to its immediate purchaser only that:

(1) The document is genuine;

(2) The transferor does not have knowledge of any fact that would impair the document's validity or worth; and

(3) The negotiation or delivery is rightful and fully effective with respect to the title to the document and the goods it represents.

28-7-508. WARRANTIES OF COLLECTING BANK AS TO DOCUMENTS OF TITLE. A collecting bank or other intermediary known to be entrusted with documents of title on behalf of another or with collection of a draft or other claim against delivery of documents warrants by the delivery of the documents only its own good faith and authority even if the collecting bank or other intermediary has purchased or made advances against the claim or draft to be collected.
28-7-509. ADEQUATE COMPLIANCE WITH COMMERCIAL CONTRACT. Whether a document of title is adequate to fulfill the obligations of a contract for sale, a contract for lease, or the conditions of a letter of credit is determined by chapter 2, 5 or 12, title 28, Idaho Code.

PART 6.
WAREHOUSE RECEIPTS AND BILLS OF LADING -- MISCELLANEOUS PROVISIONS

28-7-601. LOST, STOLEN, OR DESTROYED DOCUMENTS OF TITLE. (a) If a document of title is lost, stolen, or destroyed, a court may order delivery of the goods or issuance of a substitute document and the bailee may without liability to any person comply with the order. If the document was negotiable, a court may not order delivery of the goods or issuance of a substitute document without the claimant's posting security unless it finds that any person that may suffer loss as a result of nonsurrender of possession or control of the document is adequately protected against the loss. If the document was nonnegotiable, the court may require security. The court may also order payment of the bailee's reasonable costs and attorney's fees in any action under this subsection.

(b) A bailee that, without a court order, delivers goods to a person claiming under a missing negotiable document of title is liable to any person injured thereby. If the delivery is not in good faith, the bailee is liable for conversion. Delivery in good faith is not conversion if the claimant posts security with the bailee in an amount at least double the value of the goods at the time of posting to indemnify any person injured by the delivery which files a notice of claim within one (1) year after the delivery.

28-7-602. JUDICIAL PROCESS AGAINST GOODS COVERED BY NEGOTIABLE DOCUMENTS OF TITLE. Unless a document of title was originally issued upon delivery of the goods by a person that did not have power to dispose of them, a lien does not attach by virtue of any judicial process to goods in the possession of a bailee for which a negotiable document of title is outstanding unless possession or control of the document is first surrendered to the bailee or the document's negotiation is enjoined. The bailee may not be compelled to deliver the goods pursuant to process until possession or control of the document is surrendered to the bailee or to the court. A purchaser of the document for value without notice of the process or injunction takes free of the lien imposed by judicial process.

28-7-603. CONFLICTING CLAIMS -- INTERPLEADER. If more than one (1) person claims title to or possession of the goods, the bailee is excused from delivery until the bailee has a reasonable time to ascertain the validity of the adverse claims or to commence an action for interpleader. The bailee may assert an interpleader either in defending an action for nondelivery of the goods or by original action.

PART 7.
MISCELLANEOUS PROVISIONS

28-7-701. EFFECTIVE DATE. This act takes effect on July 1, 2004.

This act does not apply to a document of title that is issued or a bailment that arises before July 1, 2004, even if the document of title or bailment would be subject to this act if the document of title had been issued or bailment had arisen on or after July 1, 2004. This act does not apply to a right of action that has accrued before July 1, 2004.

28-7-704. SAVINGS CLAUSE. A document of title issued or a bailment that arises before July 1, 2004, and the rights, obligations, and interests flowing from that document or bailment are governed by any statute or other rule amended or repealed by this act as if amendment or repeal had not occurred and may be terminated, completed, consummated, or enforced under that statute or other rule.

SECTION 3. That Section 28-1-201, Idaho Code, be, and the same is hereby amended to read as follows:

A person that sells oil, gas or other minerals at the wellhead or minehead is a person in the business of selling goods of that kind. A buyer in ordinary course of business may buy for cash, by exchange of other property, or on secured or unsecured credit, and may acquire goods or documents of title under a preexisting contract for sale. Only a buyer that takes possession of the goods or has a right to recover the goods from the seller under chapter 2, title 28, Idaho Code, may be a buyer in ordinary course of business. A person that acquires goods in a transfer in bulk or as security for or in total or partial satisfaction of a money debt is not a buyer in ordinary course of business.

(10) "Conspicuous*" with reference to a term, or--clause--is--conspicuous--when--it--is means so written, displayed, or presented that a reasonable person against whom it is to operate ought to have noticed it. Whether a term is "conspicuous" or not is a decision for the court. Conspicuous terms include the following:

The term includes a bill of lading, transport document, dock warrant, dock receipt, warehouse receipt, and order for delivery of goods. An electronic document of title means a document of title evidenced by a record consisting of information stored in an electronic medium. A tangible document of title means a document of title evidenced by a record consisting of information that is inscribed on a tangible medium.

"Fault" means wrongful act, omission or breach.

"Fungible" with respect to goods or securities means goods or securities of which any unit is, by nature or usage of trade, the equivalent of any other like unit. Goods which are not fungible shall be deemed fungible for the purposes of this act to the extent that under a particular agreement or document unlike units are treated as equivalents.

"Money" means a medium of exchange authorized or adopted by a
domestic or foreign government and includes a monetary unit of account established by an intergovernmental organization or by agreement between two (2) or more nations.

(25) Subject to subsection (27) of this section, a person has "notice" of a fact when if the person:
(a) Has actual knowledge of it; or
(b) Has received a notice or notification of it; or
(c) From all the facts and circumstances known to the person at the time in question, he has reason to know that it exists.

A person "knows" or has "knowledge" of a fact when he has actual knowledge of it. "Discover" or "learn" or a word or phrase of similar import refers to knowledge rather than to reason to know. The time and circumstances under which a notice or notification may cease to be effective are not determined by this act.

(26) A person "notifies" or "gives" a notice or notification to another person by taking such steps as may be reasonably required to inform the other person in ordinary course whether or not the other person actually comes to know of it. Subject to subsection (27) of this section, a person "receives" a notice or notification when:
(a) It comes to his attention; or
(b) It is duly delivered in a form reasonable under the circumstances at the place of business through which the contract was made or at another place another location held out by his that person as the place for receipt of such communications.

(27) Notice, knowledge, or a notice or notification received by an organization is effective for a particular transaction from the time when it is brought to the attention of the individual conducting that transaction, and in any event, from the time when it would have been brought to his attention if the organization had exercised due diligence. An organization exercises due diligence if it maintains reasonable routines for communicating significant information to the person conducting the transaction and there is reasonable compliance with the routines. Due diligence does not require an individual acting for the organization to communicate information unless such communication is part of his regular duties or unless he the individual has reason to know of the transaction and that the transaction would be materially affected by the information.

(28) "Organization" includes a corporation, government or governmental subdivision or agency, business trust, estate, trust, partnership or association, two (2) or more persons having a joint or common interest, or any other legal or commercial entity.

(29) "Party," as distinct from "third party," means a person who has engaged in a transaction or made an agreement within this act.

(30) "Person" includes an individual or an organization (See section 28-1-102).

(32) "Purchase" includes taking by sale, discount, negotiation, mortgage, pledge, lien, security interest, issue or reissue, gift or any other voluntary transaction creating an interest in property.

(33) "Purchaser" means a person who takes by purchase.

(35) "Representative" includes an agent, an officer of a corporation or association, and a trustee, executor or administrator of an estate, or any other person empowered to act for another.

(36) "Rights" includes remedies.

(37) "Security interest" means an interest in personal property or fixtures which secures payment or performance of an obligation. The term also includes any interest of a consignor and a buyer of accounts, chattel paper, a payment intangible, or a promissory note in a transaction that is subject to chapter 9, title 28, Idaho Code. The special property interest of a buyer of goods on identification of those goods to a contract for sale under section 28-2-401 is not a "security interest," but a buyer may also acquire a "security interest" by complying with chapter 9, title 28, Idaho Code. Except as otherwise provided in section 28-2-205, the right of a seller or lessor of goods under chapter 2 or chapter 12, title 28, Idaho Code, to retain or acquire possession of the goods is not a "security interest," but a seller or lessor may also acquire a "security interest" by complying with chapter 9, title 28, Idaho Code. The retention or reservation of title by a seller of goods notwithstanding shipment or delivery to the buyer (section 28-2-401) is limited in effect to a reservation of a "security interest."

Whether a transaction creates a lease or security interest is determined by the facts of each case; however, a transaction creates a security interest if the consideration the lessee is to pay the lessor for the right to possession and use of the goods is an obligation for the term of the lease not subject to termination by the lessee, and:

(a) The original term of the lease is equal to or greater than the remaining economic life of the goods; or
(b) The lessee is bound to renew the lease for the remaining economic life of the goods or is bound to become the owner of the goods; or
(c) The lessee has an option to renew the lease for the remaining economic life of the goods for no additional consideration or nominal additional consideration upon compliance with the lease agreement; or
(d) The lessee has an option to become the owner of the goods for no additional consideration or nominal additional consideration upon compliance with the lease agreement.

A transaction does not create a security interest merely because it provides that:

(a) The present value of the consideration the lessee is obligated to pay the lessor for the right to possession and use of the goods is substantially equal to or is greater than the fair market value of the goods at the time the lease is entered into; or
(b) The lessee assumes risk of loss of the goods, or agrees to pay taxes, insurance, filing, recording, or registration fees, or service or maintenance costs with respect to the goods; or
(c) The lessee has an option to renew the lease or to become the owner of the goods; or
(d) The lessee has an option to renew the lease for a fixed rent that is equal to or greater than the reasonably predictable fair market rent for the use of the goods for the term of the renewal at the time the option is to be performed; or
The lessee has an option to become the owner of the goods for a fixed price that is equal to or greater than the reasonably predictable fair market value of the goods at the time the option is to be performed.

For purposes of this subsection (37):

Additional consideration is not nominal if (i) when the option to renew the lease is granted to the lessee the rent is stated to be the fair market rent for the use of the goods for the term of the renewal determined at the time the option is to be performed, or (ii) when the option to become the owner of the goods is granted to the lessee the price is stated to be the fair market value of the goods determined at the time the option is to be performed.

Additional consideration is nominal if it is less than the lessee's reasonably predictable cost of performing under the lease agreement if the option is not exercised.

"Reasonably predictable" and "remaining economic life of the goods" are to be determined with reference to the facts and circumstances at the time the transaction is entered into.

"Present value" means the amount as of a date certain of one (1) or more sums payable in the future, discounted to the date certain. The discount is determined by the interest rate specified by the parties if the rate is not manifestly unreasonable at the time the transaction is entered into; otherwise, the discount is determined by a commercially reasonable rate that takes into account the facts and circumstances of each case at the time the transaction was entered into.

(38) "Send" in connection with any writing, record, or notice means:

(A) To deposit in the mail or deliver for transmission by any other usual means of communication with postage or cost of transmission provided for and properly addressed and, in the case of an instrument, to an address specified thereon or otherwise agreed, or if there be none to any address reasonable under the circumstances;

(B) The receipt of any writing in any other way to cause to be received any record or notice within the time at which it would have arrived if properly sent, has the effect of a proper sending.

(39) "Signed" includes any symbol executed or adopted by a party with present intention to authenticate a writing.

(40) "Surety" includes guarantor.

(41) "Telegram" includes a message transmitted by radio, teletype, cable, any mechanical method of transmission, or the like.

(42) "Term" means that portion of an agreement which relates to a particular matter.

(43) "Unauthorized" signature means one made without actual, implied or apparent authority and includes a forgery.

(44) "Value." Except as otherwise provided with respect to negotiable instruments and bank collections (sections 28-3-303, 28-4-208 and 28-4-209) a person gives "value" for rights if he acquires them:

(a) In return for a binding commitment to extend credit or for the extension of immediately available credit whether or not drawn upon and whether or not a chargeback is provided for in the event of difficulties in collection; or

(b) As security for or in total or partial satisfaction of a preexisting claim; or
(c) By accepting delivery pursuant to a preexisting contract for purchase; or
(d) Generally, in return for any consideration sufficient to support a simple contract.
(45) "Warehouse receipt" means a receipt document of title issued by a person engaged in the business of storing goods for hire.
(46) "Written" or "writing" includes printing, typewriting or any other intentional reduction to tangible form.

28-2-104. DEFINITIONS -- "MERCHANT" -- "BETWEEN MERCHANTS" -- "FINANCING AGENCY." (1) "Merchant" means a person who deals in goods of the kind or otherwise by his occupation holds himself out as having knowledge or skill peculiar to the practices or goods involved in the transaction or to whom such knowledge or skill may be attributed by his employment of an agent or broker or other intermediary who by his occupation holds himself out as having such knowledge or skill.

(2) "Financing agency" means a bank, finance company or other person who in the ordinary course of business makes advances against goods or documents of title or who by arrangement with either the seller or the buyer intervenes in ordinary course to make or collect payment due or claimed under the contract for sale, as by purchasing or paying the seller's draft or making advances against it or by merely taking it for collection whether or not documents of title accompany or are associated with the draft. "Financing agency" includes also a bank or other person who similarly intervenes between persons who are in the position of seller and buyer in respect to the goods (section 28-2-707).

(3) "Between merchants" means in any transaction with respect to which both parties are chargeable with the knowledge or skill of merchants.

(a) Payment is due at the time and place at which the buyer is to receive the goods even though the place of shipment is the place of delivery; and

(b) If the seller is authorized to send the goods he may ship them under reservation, and may tender the documents of title, but the buyer may inspect the goods after their arrival before payment is due unless such inspection is inconsistent with the terms of the contract (section 28-2-513); and

(c) If delivery is authorized and made by way of documents of title otherwise than by subsection (b) then payment is due regardless of where the goods are to be received (i) at the time and place at which the buyer is to receive delivery of the tangible documents regardless of where the goods are to be received or (ii) at the time the buyer is to receive delivery of the electronic documents and at the seller's place of business or if none, the seller's residence; and

(d) Where the seller is required or authorized to ship the goods on credit the credit period runs from the time of shipment but post-dating the invoice or delaying its dispatch will correspondingly delay the starting of the credit period.

28-2-323. FORM OF BILL OF LADING REQUIRED IN OVERSEAS SHIPMENT -- "OVERSEAS." (1) Where the contract contemplates overseas shipment and contains a term C.I.F. or C. & F. or F.O.B. vessel, the seller unless otherwise agreed must obtain a negotiable bill of lading stating that the goods have been loaded on board or, in the case of a term C.I.F. or C. & F., received for shipment.

(2) Where in a case within subsection (1) of this section a tangible bill of lading has been issued in a set of parts, unless otherwise agreed if the documents are not to be sent from abroad the buyer may demand tender of the full set; otherwise only one (1) part of the bill of lading need be tendered. Even if the agreement expressly requires a full set

(a) due tender of a single part is acceptable within the provisions of this chapter on cure of improper delivery (subsection (1) of section 28-2-508); and

(b) even though the full set is demanded, if the documents are sent from abroad the person tendering an incomplete set may nevertheless require payment upon furnishing an indemnity which the buyer in good faith deems adequate.

(3) A shipment by water or by air or a contract contemplating such shipment is "overseas" insofar as by usage of trade or agreement it is subject to the commercial, financing or shipping practices characteristic of international deep water commerce.

SECTION 8. That Section 28-2-401, Idaho Code, be, and the same is hereby amended to read as follows:

28-2-401. PASSING OF TITLE -- RESERVATION FOR SECURITY -- LIMITED APPLICATION OF THIS SECTION. Each provision of this chapter with regard to the rights, obligations and remedies of the seller, the buyer, purchasers or other third parties applies irrespective of title to the goods except where the provision refers to such title. Insofar as situations are not covered by the other provisions of this chapter and matters concerning title become material the following rules apply:

(1) Title to goods cannot pass under a contract for sale prior to their identification to the contract (section 28-2-501), and unless otherwise explicitly agreed the buyer acquires by their identification a special property as limited by this act. Any retention or reservation by the seller of the title (property) in goods shipped or delivered to the buyer is limited in effect to a reservation of a security interest. Subject to these provisions and to the provisions of the chapter on secured transactions (chapter 9), title to goods passes from the seller to the buyer in any manner and on any conditions explicitly agreed on by the parties.

(2) Unless otherwise explicitly agreed title passes to the buyer at the time and place at which the seller completes his performance with reference to the physical delivery of the goods, despite any reservation of a security interest and even though a document of title is to be delivered at a different time or place; and in particular and despite any reservation of a security interest by the bill of lading

(a) if the contract requires or authorizes the seller to send the
goods to the buyer but does not require him to deliver them at destination, title passes to the buyer at the time and place of shipment; but
(b) if the contract requires delivery at destination, title passes on tender there.

(3) Unless otherwise explicitly agreed where delivery is to be made without moving the goods,
(a) if the seller is to deliver a tangible document of title, title passes at the time when and the place where he delivers such documents and if the seller is to deliver an electronic document of title, title passes when the seller delivers the document; or
(b) if the goods are at the time of contracting already identified and no documents of title are to be delivered, title passes at the time and place of contracting.

(4) A rejection or other refusal by the buyer to receive or retain the goods, whether or not justified, or a justified revocation of acceptance revests title to the goods in the seller. Such revesting occurs by operation of law and is not a "sale."

SECTION 9. That Section 28-2-503, Idaho Code, be, and the same is hereby amended to read as follows:

28-2-503. MANNER OF SELLER'S TENDER OF DELIVERY. (1) Tender of delivery requires that the seller put and hold conforming goods at the buyer's disposition and give the buyer any notification reasonably necessary to enable him to take delivery. The manner, time and place for tender are determined by the agreement and this chapter, and in particular
(a) tender must be at a reasonable hour, and if it is of goods they must be kept available for the period reasonably necessary to enable the buyer to take possession; but
(b) unless otherwise agreed the buyer must furnish facilities reasonably suited to the receipt of the goods.
(2) Where the case is within the next section respecting shipment tender requires that the seller comply with its provisions.
(3) Where the seller is required to deliver at a particular destination tender requires that he comply with subsection (1) and also in any appropriate case tender documents as described in subsections (4) and (5) of this section.
(4) Where goods are in the possession of a bailee and are to be delivered without being moved
(a) tender requires that the seller either tender a negotiable document of title covering such goods or procure acknowledgment by the bailee of the buyer's right to possession of the goods; but
(b) tender to the buyer of a nonnegotiable document of title or of a written direction record directing to the bailee to deliver is sufficient tender unless the buyer seasonably objects, and except as otherwise provided in chapter 9, title 28, Idaho Code, receipt by the bailee of notification of the buyer's rights fixes those rights as against the bailee and all third persons; but risk of loss of the goods and of any failure by the bailee to honor the nonnegotiable document of title or to obey the direction remains on the seller until the buyer has had a reasonable time to present the document or direction, and a refusal by the bailee to honor the document or to
obey the direction defeats the tender.

(5) Where the contract requires the seller to deliver documents
(a) he must tender all such documents in correct form, except as
provided in this chapter with respect to bills of lading in a set
(subsection (2) of section 28-2-323); and
(b) tender through customary banking channels is sufficient and
dishonor of a draft accompanying or associated with the documents
constitutes nonacceptance or rejection.

SECTION 10. That Section 28-2-505, Idaho Code, be, and the same is
hereby amended to read as follows:

28-2-505. SELLER'S SHIPMENT UNDER RESERVATION. (1) Where the seller
has identified goods to the contract by or before shipment:
(a) his procurement of a negotiable bill of lading to his own order
or otherwise reserves in him a security interest in the goods. His
procurement of the bill to the order of a financing agency or of the
buyer indicates in addition only the seller's expectation of trans­
ferring that interest to the person named.
(b) a nonnegotiable bill of lading to himself or his nominee
reserves possession of the goods as security but except in a case of
conditional delivery (subsection (2) of section 28-2-507) a nonnego­
tiable bill of lading naming the buyer as consignee reserves no
security interest even though the seller retains possession or con­
trol of the bill of lading.
(2) When shipment by the seller with reservation of a security
interest is in violation of the contract for sale it constitutes an
improper contract for transportation within the preceding section but
impairs neither the rights given to the buyer by shipment and identifi­
cation of the goods to the contract nor the seller's powers as a holder
of a negotiable document of title.

SECTION 11. That Section 28-2-506, Idaho Code, be, and the same is
hereby amended to read as follows:

28-2-506. RIGHTS OF FINANCING AGENCY. (1) A financing agency by
paying or purchasing for value a draft which relates to a shipment of
goods acquires to the extent of the payment or purchase and in addition
to its own rights under the draft and any document of title securing it
any rights of the shipper in the goods including the right to stop
delivery and the shipper's right to have the draft honored by the buyer.
(2) The right to reimbursement of a financing agency which has in
good faith honored or purchased the draft under commitment to or author­
ity from the buyer is not impaired by subsequent discovery of defects
with reference to any relevant document which was apparently regular on
its face.

SECTION 12. That Section 28-2-509, Idaho Code, be, and the same is
hereby amended to read as follows:

28-2-509. RISK OF LOSS IN THE ABSENCE OF BREACH. (1) Where the con­
tract requires or authorizes the seller to ship the goods by carrier
(a) if it does not require him to deliver them at a particular des­
tination, the risk of loss passes to the buyer when the goods are
duly delivered to the carrier even though the shipment is under reservation (section 28-2-505); but
(b) if it does require him to deliver them at a particular destination and the goods are there duly tendered while in the possession of the carrier, the risk of loss passes to the buyer when the goods are there duly so tendered as to enable the buyer to take delivery.

(2) Where the goods are held by a bailee to be delivered without being moved, the risk of loss passes to the buyer
(a) on his receipt of possession or control of a negotiable document of title covering the goods; or
(b) on acknowledgment by the bailee of the buyer's right to possession of the goods; or
(c) after his receipt of possession or control of a nonnegotiable document of title or other written direction to deliver in a record, as provided in subsection (4)(b) of section 28-2-503.

(3) In any case not within subsection (1) or (2), the risk of loss passes to the buyer on his receipt of the goods if the seller is a merchant; otherwise the risk passes to the buyer on tender of delivery.

(4) The provisions of this section are subject to contrary agreement of the parties and to the provisions of this chapter on sale on approval (section 28-2-327) and on effect of breach on risk of loss (section 28-2-510).

SECTION 13. That Section 28-2-605, Idaho Code, be, and the same is hereby amended to read as follows:

28-2-605. WAIVER OF BUYER'S OBJECTIONS BY FAILURE TO PARTICULARIZE.
(1) The buyer's failure to state in connection with rejection a particular defect which is ascertainable by reasonable inspection precludes him from relying on the unstated defect to justify rejection or to establish breach
(a) where the seller could have cured it if stated seasonably; or
(b) between merchants when the seller has after rejection made a request in writing for a full and final written statement of all defects on which the buyer proposes to rely.
(2) Payment against documents made without reservation of rights precludes recovery of the payment for defects apparent on the face of the documents.

SECTION 14. That Section 28-2-705, Idaho Code, be, and the same is hereby amended to read as follows:

28-2-705. SELLER'S STOPPAGE OF DELIVERY IN TRANSIT OR OTHERWISE.
(1) The seller may stop delivery of goods in the possession of a carrier or other bailee when he discovers the buyer to be insolvent (section 28-2-702) and may stop delivery of carload, truckload, plane load or larger shipments of express or freight when the buyer repudiates or fails to make a payment due before delivery or if for any other reason the seller has a right to withhold or reclaim the goods.
(2) As against such buyer the seller may stop delivery until
(a) receipt of the goods by the buyer; or
(b) acknowledgment to the buyer by any bailee of the goods except a carrier that the bailee holds the goods for the buyer; or
(c) such acknowledgment to the buyer by a carrier by reshipment or
as a warehouseman; or
(d) negotiation to the buyer of any negotiable document of title
covering the goods.
(3) (a) To stop delivery the seller must so notify as to enable the
bailee by reasonable diligence to prevent delivery of the goods.
(b) After such notification the bailee must hold and deliver the
goods according to the directions of the seller but the seller is
liable to the bailee for any ensuing charges or damages.
(c) If a negotiable document of title has been issued for goods the
bailee is not obliged to obey a notification to stop until surrender
of possession or control of the document.
(d) A carrier who has issued a nonnegotiable bill of lading is not
obliged to obey a notification to stop received from a person other
than the consignor.

SECTION 15. That Section 28-12-103, Idaho Code, be, and the same is
hereby amended to read as follows:

28-12-103. DEFINITIONS AND INDEX OF DEFINITIONS. (1) In this chap-
ter unless the context otherwise requires:
(a) "Buyer in ordinary course of business" means a person who in
good faith and without knowledge that the sale to him is in viola-
tion of the ownership rights or security interest or leasehold
interest of a third person in the goods, buys in ordinary course from
a person in the business of selling goods of that kind but does not
include a pawnbroker. "Buying" may be for cash or by exchange of
other property or on secured or unsecured credit and includes
receiving acquiring goods or documents of title under a preexisting
contract for sale but does not include a transfer in bulk or as
security for or in total or partial satisfaction of a money debt.
(b) "Cancellation" occurs when either party puts an end to the
lease contract for default by the other party.
(c) "Commercial unit" means such a unit of goods as by commercial
usage is a single whole for purposes of lease and division of which
materially impairs its character or value on the market or in use. A
commercial unit may be a single article, as a machine, or a set of
articles, as a suite of furniture or a line of machinery, or a quan-
tity, as a gross or carload, or any other unit treated in use or in
the relevant market as a single whole.
(d) "Conforming" goods or performance under a lease contract means
goods or performance that are in accordance with the obligations
under the lease contract.
(e) "Consumer lease" means a lease that a lessor regularly engaged
in the business of leasing or selling makes to a lessee who is an
individual and who takes under the lease primarily for a personal,
family or household purpose, if the total payments to be made under
the lease contract, excluding payments for options to renew or buy,
do not exceed twenty-five thousand dollars ($25,000).
(f) "Fault" means wrongful act, omission, breach or default.
(g) "Finance lease" means a lease with respect to which:
(i) The lessor does not select, manufacture, or supply the
goods;
(ii) The lessor acquires the goods or the right to possession
and use of the goods in connection with the lease; and
(iii) One of the following occurs:

(A) The lessee receives a copy of the contract by which the lessor acquired the goods or the right to possession and use of the goods before signing the lease contract;

(B) The lessee's approval of the contract by which the lessor acquired the goods or the right to possession and use of the goods is a condition to effectiveness of the lease contract;

(C) The lessee, before signing the lease contract, receives an accurate and complete statement designating the promises and warranties, and any disclaimers of warranties, limitations or modifications of remedies, or liquidated damages, including those of a third party, such as the manufacturer of the goods, provided to the lessor by the person supplying the goods in connection with or as part of the contract by which the lessor acquired the goods or the right to possession and use of the goods; or

(D) If the lease is not a consumer lease, the lessor, before the lessee signs the lease contract, informs the lessee in writing:

a. Of the identity of the person supplying the goods to the lessor, unless the lessee has selected that person and directed the lessor to acquire the goods or the right to possession and use of the goods from that person;

b. That the lessee is entitled under this chapter to the promises and warranties, including those of any third party, provided to the lessor by the person supplying the goods in connection with or as part of the contract by which the lessor acquired the goods or the right to possession and use of the goods; and

c. That the lessee may communicate with the person supplying the goods to the lessor and receive an accurate and complete statement of those promises and warranties, including any disclaimers and limitations of them or of remedies.

(h) "Goods" means all things that are movable at the time of identification to the lease contract, or are fixtures (section 28-12-309), but the term does not include money, documents, instruments, accounts, chattel paper, general intangibles, or minerals or the like, including oil and gas, before extraction. The term also includes the unborn young of animals.

(i) "Installment lease contract" means a lease contract that authorizes or requires the delivery of goods in separate lots to be separately accepted, even though the lease contract contains a clause "each delivery is a separate lease" or its equivalent.

(j) "Lease" means a transfer of the right to possession and use of goods for a term in return for consideration, but a sale, including a sale on approval or a sale or return, or retention or creation of a security interest is not a lease. Unless the context clearly indicates otherwise, the term includes a sublease.

(k) "Lease agreement" means the bargain, with respect to the lease, of the lessor and the lessee in fact as found in their language or by implication from other circumstances including course of dealing.
or usage of trade or course of performance as provided in this chapter. Unless the context clearly indicates otherwise, the term includes a sublease agreement.

(1) "Lease contract" means the total legal obligation that results from the lease agreement as affected by this chapter and any other applicable rules of law. Unless the context clearly indicates otherwise, the term includes a sublease contract.

(m) "Leasehold interest" means the interest of the lessor or the lessee under a lease contract.

(n) "Lessee" means a person who acquires the right to possession and use of goods under a lease. Unless the context clearly indicates otherwise, the term includes a sublessee.

"Leasing" may be for cash or by exchange of other property or on secured or unsecured credit and includes acquiring goods or documents of title under a preexisting lease contract but does not include a transfer in bulk or as security for or in total or partial satisfaction of a money debt.

(p) "Lessor" means a person who transfers the right to possession and use of goods under a lease. Unless the context clearly indicates otherwise, the term includes a sublessor.

(q) "Lessor's residual interest" means the lessor's interest in the goods after expiration, termination or cancellation of the lease contract.

(r) "Lien" means a charge against or interest in goods to secure payment of a debt or performance of an obligation, but the term does not include a security interest.

(s) "Lot" means a parcel or a single article that is the subject matter of a separate lease or delivery, whether or not it is sufficient to perform the lease contract.

(t) "Merchant lessee" means a lessee that is a merchant with respect to goods of the kind subject to the lease.

(u) "Present value" means the amount as of a date certain of one or more sums payable in the future, discounted to the date certain. The discount is determined by the interest rate specified by the parties if the rate was not manifestly unreasonable at the time the transaction was entered into; otherwise, the discount is determined by a commercially reasonable rate that takes into account the facts and circumstances of each case at the time the transaction was entered into.

(v) "Purchase" includes taking by sale, lease, mortgage, security interest, pledge, gift or any other voluntary transaction creating an interest in goods.

(w) "Sublease" means a lease of goods the right to possession and use of which was acquired by the lessor as a lessee under an existing lease.

(x) "Supplier" means a person from whom a lessor buys or leases goods to be leased under a finance lease.

28-12-514. WAIVER OF LESSEE'S OBJECTIONS. (1) In rejecting goods, a lessee's failure to state a particular defect that is ascertainable by reasonable inspection precludes the lessee from relying on the defect to justify rejection or to establish default:

(a) If, stated seasonably, the lessor or the supplier could have cured it (section 28-12-513); or
(b) Between merchants if the lessor or the supplier after rejection has made a request in writing for a full and final written statement of all defects on which the lessee proposes to rely.

(2) A lessee's failure to reserve rights when paying rent or other consideration against documents precludes recovery of the payment for defects apparent on-the-face-of in the documents.

SECTION 17. That Section 28-12-526, Idaho Code, be, and the same is hereby amended to read as follows:
28-12-526. LESSOR'S STOPPAGE OF DELIVERY IN TRANSIT OR OTHERWISE.
(1) A lessor may stop delivery of goods in the possession of a carrier or other bailee if the lessor discovers the lessee to be insolvent and may stop delivery of carload, truckload, planeload or larger shipments of express or freight if the lessee repudiates or fails to make a payment due before delivery, whether for rent, security or otherwise under the lease contract, or for any other reason the lessor has a right to withhold or take possession of the goods.
(2) In pursuing its remedies under the provisions of subsection (1) of this section, the lessor may stop delivery until:
(a) Receipt of the goods by the lessee;
(b) Acknowledgment to the lessee by any bailee of the goods, except a carrier, that the bailee holds the goods for the lessee; or
(c) Such an acknowledgment to the lessee by a carrier via reshipment or as a warehouseman.
(3) (a) To stop delivery, a lessor shall so notify as to enable the bailee by reasonable diligence to prevent delivery of the goods.

SECTION 19. That Section 28-4-210, Idaho Code, be, and the same is hereby amended to read as follows:

28-4-210. SECURITY INTEREST OF COLLECTING BANK IN ITEMS, ACCOMPANYING DOCUMENTS AND PROCEEDS. (1) A collecting bank has a security interest in an item and any accompanying documents or the proceeds of either:
(a) In case of an item deposited in an account, to the extent to which credit given for the item has been withdrawn or applied;
(b) In case of an item for which it has given credit available for withdrawal as of right, to the extent of the credit given, whether or not the credit is drawn upon or there is a right of charge-back; or
(c) If it makes an advance on or against the item.

(2) If credit given for several items received at one (1) time or pursuant to a single agreement is withdrawn or applied in part, the security interest remains upon all the items, any accompanying documents or the proceeds of either. For the purpose of this section, credits first given are first withdrawn.

(3) Receipt by a collecting bank of a final settlement for an item is a realization on its security interest in the item, accompanying documents and proceeds. So long as the bank does not receive final settlement for the item or give up possession of the item or possession or control of the accompanying documents for purposes other than collection, the security interest continues to that extent and is subject to the provisions of chapter 9, title 28, Idaho Code, but:
(a) No security agreement is necessary to make the security interest enforceable (section 28-9-203(b)(3)(A));
(b) No filing is required to perfect the security interest; and
(c) The security interest has priority over conflicting perfected security interests in the item, accompanying documents or proceeds.

SECTION 20. That Section 28-8-103, Idaho Code, be, and the same is hereby amended to read as follows:

28-8-103. RULES FOR DETERMINING WHETHER CERTAIN OBLIGATIONS AND INTERESTS ARE SECURITIES OR FINANCIAL ASSETS. (1) A share or similar equity interest issued by a corporation, business trust, joint stock company or similar entity is a security.

(2) An "investment company security" is a security. "Investment company security" means a share or similar equity interest issued by an entity that is registered as an investment company under the federal investment company laws, an interest in a unit investment trust that is so registered, or a face-amount certificate issued by a face-amount certificate company that is so registered. Investment company security does not include an insurance policy or endowment policy or annuity contract issued by an insurance company.

(3) An interest in a partnership or limited liability company is not a security unless it is dealt in or traded on securities exchanges or in securities markets, its terms expressly provide that it is a security governed by this chapter, or it is an investment company security. However, an interest in a partnership or limited liability company is a financial asset if it is held in a securities account.

(4) A writing that is a security certificate is governed by this chapter and not by chapter 3, title 28, even though it also meets the requirements of chapter 3, title 28. However, a negotiable instrument governed by chapter 3, title 28, is a financial asset if it is held in a securities account.

(5) An option or similar obligation issued by a clearing corporation to its participants is not a security, but is a financial asset.

(6) A commodity contract, as defined in section 28-9-102(a)(15), is
not a security or a financial asset.

(7) A document of title is not a financial asset unless section 28-8-102(1)(i)(iii) applies.

SECTION 21. That Section 28-9-102, Idaho Code, be, and the same is hereby amended to read as follows:

28-9-102. DEFINITIONS AND INDEX OF DEFINITIONS. (a) In this chapter:

(1) "Accession" means goods that are physically united with other goods in such a manner that the identity of the original goods is not lost.

(b) The obligations of good faith, diligence, reasonableness, and care prescribed by the uniform commercial code may not be disclaimed by agreement. The parties, by agreement, may determine the standards by
which the performance of those obligations is to be measured if those standards are not manifestly unreasonable. Whenever the uniform commercial code requires an action to be taken within a reasonable time, a time that is not manifestly unreasonable may be fixed by agreement.

(c) The presence in certain provisions of the uniform commercial code of the phrase "unless otherwise agreed," or words of similar import, does not imply that the effect of other provisions may not be varied by agreement under this section.

SECTION 21. That Section 28-1-205, Idaho Code, be, and the same is hereby amended to read as follows:

28-1-205 303. COURSE OF PERFORMANCE, COURSE OF DEALING, AND USAGE OF TRADE. (a) A "course of performance" is a sequence of conduct between the parties to a particular transaction that exists if:

(1) The agreement of the parties with respect to the transaction involves repeated occasions for performance by a party; and

(2) The other party, with knowledge of the nature of the performance and opportunity for objection to it, accepts the performance or acquiesces in it without objection.

(2c) A "usage of trade" is any practice or method of dealing having such regularity of observance in a place, vocation, or trade as to justify an expectation that it will be observed with respect to the transaction in question. The existence and scope of such a usage must be proved as facts. If it is established that such a usage is embodied in a written trade code or similar writing record, the interpretation of the writing record is for the court a question of law.

(3e) The Except as otherwise provided in subsection (f) of this section, the express terms of an agreement and any applicable course of performance, course of dealing, or usage of trade shall be construed wherever reasonable as consistent with each other but when If such a construction is unreasonable:

(2) Course of performance prevails over course of dealing and usage of trade; and

(3) Course of dealing prevails over usage of trade.

(4e) An applicable usage of trade in the place where—any—part—of performance is to occur shall be used in interpreting the agreement as to that part of Subject to section 28-2-209, Idaho Code, a course of
performance is relevant to show a waiver or modification of any term inconsistent with the course of performance.

(6g) Evidence of a relevant usage of trade offered by one (1) party is not admissible unless and until he that party has given the other party such notice as that the court finds sufficient to prevent unfair surprise to the latter other party.

28-1-20304. OBLIGATION OF GOOD FAITH. Every contract or duty within this act the uniform commercial code imposes an obligation of good faith in its performance or and enforcement.

(2b) Any right or obligation declared by this act the uniform commercial code is enforceable by action unless the provision declaring it specifies a different and limited effect.

SECTION 24. That Section 28-1-107, Idaho Code, be, and the same is hereby amended to read as follows:

28-1-107306. WAIVER OR RENUNCIATION OF CLAIM OR RIGHT AFTER BREACH. The burden of establishing lack of good faith is on the party against whom which the power has been exercised.

SECTION 28. That Part 3, Chapter 1, Title 28, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW SECTION, to be known and designated as Section 28-1-310, Idaho Code, and to read as follows:

(i) "Promise" means a written undertaking to pay money signed by the person undertaking to pay. An acknowledgment of an obligation by the obligor is not a promise unless the obligor also undertakes to pay the obligation.

SECTION 33. That Section 28-4-606, Idaho Code, be, and the same is hereby amended to read as follows:

28-4-606. TIME PAYMENT ORDER IS RECEIVED. (1) The time of receipt of a payment order or communication canceling or amending a payment order is determined by the rules applicable to receipt of a notice stated in section 28-1-201(27)202. A receiving bank may fix a cut-off time or times on a funds-transfer business day for the receipt and processing of payment orders and communications canceling or amending payment orders. Different cut-off times may apply to payment orders, cancellations, or amendments, or to different categories of payment orders, cancellations, or amendments. A cut-off time may apply to senders generally or different cut-off times may apply to different categories of payment orders. If a payment order or communication canceling or amending a payment order is received
after the close of a funds-transfer business day or after the appro­p­riate cut-off time on a funds-transfer business day, the receiving bank may treat the payment order or communication as received at the opening of the next funds-transfer business day.

(2) If this part refers to an execution date or payment date or states a day on which a receiving bank is required to take action, and the date or day does not fall on a funds-transfer business day, the next day that is a funds-transfer business day is treated as the date or day stated, unless the contrary is stated in this part.

SECTION 34. That Section 28-4-612, Idaho Code, be, and the same is hereby amended to read as follows:

28-4-612. REFUND OF PAYMENT AND DUTY OF CUSTOMER TO REPORT WITH RESPECT TO UNAUTHORIZED PAYMENT ORDER. (ta) If a receiving bank accepts a payment order issued in the name of its customer as sender which is:
(a) not authorized and not effective as the order of the customer under section 28-4-610, or
(b) not enforceable, in whole or in part, against the customer under section 28-4-611, the bank shall refund any payment of the payment order received from the customer to the extent the bank is not entitled to enforce payment and shall pay interest on the refundable amount calculated from the date the bank received payment to the date of the refund. However, the customer is not entitled to interest from the bank on the amount to be refunded if the customer fails to exercise ordinary care to determine that the order was not authorized by the customer and to notify the bank of the relevant facts within a reasonable time not exceeding ninety (90) days after the date the customer received notification from the bank that the order was accepted or that the customer's account was debited with respect to the order. The bank is not entitled to any recovery from the customer on account of a failure by the customer to give notification as stated in this section.

(2b) Reasonable time under subsection (ta) of this section may be fixed by agreement as stated in section 28-2-2041-302(b), but the obligation of a receiving bank to refund payment as stated in subsection (ta) of this section may not otherwise be varied by agreement.

SECTION 35. That Section 28-5-103, Idaho Code, be, and the same is hereby amended to read as follows:

28-5-103. SCOPE. (1) This chapter applies to letters of credit and to certain rights and obligations arising out of transactions involving letters of credit.

(2) The statement of a rule in this chapter does not by itself require, imply, or negate application of the same or a different rule to a situation not provided for, or to a person not specified, in this chapter.

(3) With the exception of this subsection, subsections (1) and (2), sections 28-5-102(1)(i) and (1)(j), 28-5-106(4) and 28-5-114(4), and except to the extent prohibited in sections 28-1-402(3)(3)302 and 28-5-117(4), the effect of this chapter may be varied by agreement or by a provision stated or incorporated by reference in an undertaking. A term in an agreement or undertaking generally excusing liability or gen-
generally limiting remedies for failure to perform obligations is not sufficient to vary obligations prescribed by this chapter.

(4) Rights and obligations of an issuer to a beneficiary or a nominated person under a letter of credit are independent of the existence, performance, or nonperformance of a contract or arrangement out of which the letter of credit arises or which underlies it, including contracts or arrangements between the issuer and the applicant and between the applicant and the beneficiary.

SECTION 36. That Section 28-12-103, Idaho Code, be, and the same is hereby amended to read as follows:

(D) If the lease is not a consumer lease, the lessor, before the lessee signs the lease contract, informs the lessee in writing:

   a. Of the identity of the person supplying the goods to the lessor, unless the lessee has selected that person and directed the lessor to acquire the goods or the right to possession and use of the goods from that person;
   b. That the lessee is entitled under this chapter to the promises and warranties, including those of any third party, provided to the lessor by the person supplying the goods in connection with or as part of the contract by which the lessor acquired the goods or the right to possession and use of the goods; and

Unless the context clearly indicates otherwise, the term includes a sublease.
(k) "Lease agreement" means the bargain, with respect to the lease, of the lessor and the lessee in fact as found in their language or by implication from other circumstances including course of dealing or usage of trade or course of performance as provided in this chapter. (v) "Purchase" includes taking by sale, lease, mortgage, security interest, pledge, gift or any other voluntary transaction creating an interest in goods.
(w) "Sublease" means a lease of goods the right to possession and use of which was acquired by the lessor as a lessee under an existing lease.

(2) Except as otherwise provided with respect to damages liquidated in the lease agreement (section 28-12-504) or otherwise determined pursuant to agreement of the parties (sections 28-1-102(3), 302 and 28-12-503), if a lessee's cover is by a lease agreement substantially similar to the original lease agreement and the new lease agreement is made in good faith and in a commercially reasonable manner, the lessee may recover from the lessor as damages (i) the present value, as of the date of the commencement of the term of the new lease agreement, of the rent under the new lease agreement applicable to that period of the new lease term which is comparable to the then remaining term of the original lease agreement minus the present value as of the same date of the total rent for the then remaining lease term of the original lease agreement, and (ii) any incidental or consequential damages, less expenses saved in consequence of the lessor's default.

(3) If a lessee's cover is by lease agreement that for any reason does not qualify for treatment under the provisions of subsection (2) of this section, or is by purchase or otherwise, the lessee may recover from the lessor as if the lessee had elected not to cover and section 28-12-519 governs.

SECTION 40. That Section 28-12-519, Idaho Code, be, and the same is hereby amended to read as follows:

28-12-519. LESSEE'S DAMAGES FOR NONDELIVERY, REPUDIATION, DEFAULT, AND BREACH OF WARRANTY IN REGARD TO ACCEPTED GOODS. (1) Except as otherwise provided with respect to damages liquidated in the lease agreement (section 28-12-504) or otherwise determined pursuant to agreement of the parties (sections 28-1-102(3), 302 and 28-12-503), if a lessee elects not to cover or a lessee elects to cover and the cover is by lease agreement that for any reason does not qualify for treatment under section 28-12-518(2), or is by purchase or otherwise, the measure of damages for nondelivery or repudiation by the lessor or for rejection or revocation of acceptance by the lessee is the present value, as of the date of the default, of the then market rent minus the present value as of the same date of the original rent, computed for the remaining lease term of the original lease agreement, together with incidental and consequential damages, less expenses saved in consequence of the lessor's default.

(2) Market rent is to be determined as of the place for tender or, in cases of rejection after arrival or revocation of acceptance, as of the place of arrival.

(3) Except as otherwise agreed, if the lessee has accepted goods and given notification (section 28-12-516(3)), the measure of damages
for nonconforming tender or delivery or other default by a lessor is the loss resulting in the ordinary course of events from the lessor's default as determined in any manner that is reasonable together with incidental and consequential damages, less expenses saved in consequence of the lessor's default.

(4) Except as otherwise agreed, the measure of damages for breach of warranty is the present value at the time and place of acceptance of the difference between the value of the use of the goods accepted and the value if they had been as warranted for the lease term, unless special circumstances show proximate damages of a different amount, together with incidental and consequential damages, less expenses saved in consequence of the lessor's default or breach of warranty.

(2) Except as otherwise provided with respect to damages liquidated in the lease agreement (section 28-12-504) or otherwise determined pursuant to agreement of the parties (sections 28-1-102(3)302 and 28-12-503), if the disposition is by lease agreement substantially similar to the original lease agreement and the new lease agreement is made in good faith and in a commercially reasonable manner, the lessor may recover from the lessee as damages (i) accrued and unpaid rent as of the date of the commencement of the term of the new lease agreement, (ii) the present value, as of the same date, of the total rent for the then remaining lease term of the original lease agreement minus the present value, as of the same date, of the rent under the new lease agreement applicable to that period of the new lease term which is comparable to the then remaining term of the original lease agreement, and (iii) any incidental damages allowed under section 28-12-530, less expenses saved in consequence of the lessee's default.

(3) If the lessor's disposition is by lease agreement that for any reason does not qualify for treatment under the provisions of subsection (2) of this section, or is by sale or otherwise, the lessor may recover from the lessee as if the lessor had elected not to dispose of the goods and section 28-12-528 governs.

(4) A subsequent buyer or lessee who buys or leases from the lessor in good faith for value as a result of a disposition under the provisions of this section takes the goods free of the original lease contract and any rights of the original lessee even though the lessor fails to comply with one or more of the requirements of this chapter.

28-12-528. LESSOR'S DAMAGES FOR NONACCEPTANCE, FAILURE TO PAY, REPUDIATION, OR OTHER DEFAULT. (1) Except as otherwise provided with respect to damages liquidated in the lease agreement (section 28-12-504) or otherwise determined pursuant to agreement of the parties (sections 28-1-102(3)302 and 28-12-503), if a lessor elects to retain the goods or a lessor elects to dispose of the goods and the disposition is by lease agreement that for any reason does not qualify for treatment under section 28-12-527(2), or is by sale or otherwise, the lessor may recover from the lessee as damages for a default of the type described in section 28-12-523(1) or 28-12-523(3)(a), or, if agreed, for other default of the lessee, (i) accrued and unpaid rent as of the date of default if the lessee has never taken possession of the goods, or, if the lessee has taken possession of the goods, as of the date the lessor repossesses the goods or an earlier date on which the lessee makes a tender of the goods to the lessor, (ii) the present value as of the date determined under clause (i) of this subsection, of the total rent for the then remaining lease term of the original lease agreement minus the present value as of the same date of the market rent at the place where the goods are located computed for the same lease term, and (iii) any incidental damages allowed under section 28-12-530, less expenses saved in consequence of the lessee's default.

(2) If the measure of damages provided in subsection (1) of this section is inadequate to put a lessor in as good a position as performance would have, the measure of damages is the present value of the profit, including reasonable overhead, the lessor would have made from full performance by the lessee, together with any incidental damages allowed under section 28-12-530, due allowance for costs reasonably incurred and due credit for payments or proceeds of disposition.

   (a) Directors; general partners; trustees, if the issuer is a business trust; officers; consultants; and advisers;
   (b) Family members who acquire such securities from those persons through gifts or domestic relations orders;
   (c) Former employees, directors, general partners, trustees, officers, consultants and advisers if those individuals were employed by or providing services to the issuer when the securities were offered; and
   (d) Insurance agents who are exclusive insurance agents of the issuer, or the issuer's subsidiaries or parents, or who derive more than fifty percent (50%) of their annual income from those organizations;

(22) A transaction involving:
   (a) A stock dividend or equivalent equity distribution, whether the corporation or other business organization distributing the dividend or equivalent equity distribution is the issuer or not, if nothing of value is given by stockholders or other equity holders for the dividend or equivalent equity distribution other than the surrender of a right to a cash or property dividend if each stockholder or other equity holder may elect to take the dividend or equivalent equity distribution in cash, property or stock;
   (b) An act incident to a judicially approved reorganization in which a security is issued in exchange for one (1) or more outstanding securities, claims, or property interests, or partly in such exchange and partly for cash; or
   (c) The solicitation of tenders of securities by an offeror in a tender offer in compliance with rule 162 adopted under the securities act of 1933 (17 CFR 230.162); or

(23) A nonissuer transaction in an outstanding security by or through a broker-dealer registered or exempt from registration under this chapter, if the issuer is a reporting issuer in a foreign jurisdiction designated by this subsection or by a rule adopted or an order issued under this chapter; has been subject to continuous reporting
requirements in the foreign jurisdiction for not less than one hundred eighty (180) days before the transaction; and the security is listed on the foreign jurisdiction's securities exchange that has been designated by this subsection or by a rule adopted or an order issued under this chapter, or is a security of the same issuer that is of senior or substantially equal rank to the listed security or is a warrant or right to purchase or subscribe to any of the foregoing. For purposes of this subsection, Canada, together with its provinces and territories, is a designated foreign jurisdiction and the Toronto stock exchange, Inc., is a designated securities exchange. After an administrative hearing in compliance with chapter 52, title 67, Idaho Code, the administrator, by rule adopted or an order issued under this chapter, may revoke the designation of a securities exchange under this subsection, if the administrator finds that revocation is necessary or appropriate in the public interest and for the protection of investors.

30-14-202A. FAIRNESS HEARING. (a) The administrator is expressly authorized to hold a hearing and consider the fairness of the terms and conditions of a transaction described in section 30-14-202(9), Idaho Code. This section 30-14-202A, Idaho Code, is intended to provide for a fairness hearing before the administrator with respect to transactions which, if approved by the administrator, will be exempt from the registration requirements of the federal securities laws under section 3(a)(10) of the securities act of 1933, or any section comparable thereto which may subsequently be enacted.

(b) An application for approval shall describe the proposed transaction and shall be in such form, contain such information and be accompanied by such documents as the administrator shall reasonably require by rule or otherwise. The applicant shall pay to the administrator a filing fee of three hundred dollars ($300) and shall file with the administrator an undertaking to defray the costs of a hearing officer and a stenographer for the hearing.

(c) An application for approval shall be set for hearing within thirty (30) days after the filing of an application. The applicant shall give notice of the hearing to all persons to whom securities are to be issued in the proposed transaction, and all such persons shall have the right to appear at the hearing.

(d) Within ten (10) days after the hearing, the administrator shall issue an order either granting or denying approval of the terms of conditions of the proposed plan. The order shall grant approval if the proposed transaction is fair, equitable and free from fraud. The order shall deny approval if the proposed transaction is unfair, inequitable or not free from fraud.

30-14-203. ADDITIONAL EXEMPTIONS AND WAIVERS. (1) A rule adopted or an order issued under this chapter may exempt a security, transaction or offer.

(2) A rule adopted under this chapter may exempt a class of securities, transactions or offers from any or all of the requirements of sections 30-14-301 through 30-14-306, Idaho Code, and section 30-14-504, Idaho Code.

(3) An order issued under this chapter may waive, in whole or in part, any or all of the conditions for an exemption or offer under sections 30-14-201 and 30-14-202, Idaho Code.
30-14-204. DENIAL, SUSPENSION, REVOCATION, CONDITION OR LIMITATION OF EXEMPTIONS. (a) Enforcement related powers. Except with respect to a federal covered security or a transaction involving a federal covered security, an order under this chapter may deny, suspend application of, condition, limit, or revoke an exemption created under section 30-14-201(3)(c), (7) or (8), Idaho Code, or section 30-14-202, Idaho Code, or an exemption or waiver created pursuant to section 30-14-203, Idaho Code, with respect to a specific security, transaction or offer. An order under this section may be issued only pursuant to the procedures set forth in section 30-14-306(d) or 30-14-604, Idaho Code, and only prospectively.

(b) Knowledge of order required. A person does not violate section 30-14-301, 30-14-303 through 30-14-306, 30-14-504 or 30-14-510, Idaho Code, by an offer to sell, offer to purchase, sale, or purchase effected after the entry of an order issued under this section if the person did not know, and in the exercise of reasonable care could not have known, of the order.

PART 3.
REGISTRATION OF SECURITIES AND NOTICE FILING OF FEDERAL COVERED SECURITIES

30-14-301. SECURITIES REGISTRATION REQUIREMENT. It is unlawful for a person to offer or sell a security in this state unless:

(a) The security is a federal covered security;

(b) The security, transaction or offer is exempted from registration under sections 30-14-201 through 30-14-203, Idaho Code; or

(c) The security is registered under this chapter.

30-14-302. NOTICE FILING. (a) Required filing of records. With respect to a federal covered security, as defined in section 18(b)(2) of the securities act of 1933 (15 U.S.C. 77r(b)(2)), that is not otherwise exempt under sections 30-14-201 through 30-14-203, Idaho Code, a rule adopted or an order issued under this chapter may require the filing of any or all of the following records:

(1) Before the initial offer of a federal covered security in this state, all records that are part of a federal registration statement filed with the securities and exchange commission under the securities act of 1933 and a consent to service of process complying with section 30-14-611 signed by the issuer and the payment of a fee of three hundred dollars ($300) for mutual funds and one hundred dollars ($100) for unit investment trusts;

(2) After the initial offer of the federal covered security in this state, all records that are part of an amendment to a federal registration statement filed with the securities and exchange commission under the securities act of 1933; and

(3) To the extent necessary or appropriate to compute fees, a report of the value of the federal covered securities sold or offered to persons present in this state, if the sales data are not included in records filed with the securities and exchange commission; and

(4) Each series or portfolio of an investment company offering shall be required to make a separate notice filing. Separate notice filings for classes of an investment company are not required so
long as classes are used solely as a method of distinguishing payment plans within a series or portfolio.

(b) Notice filing effectiveness and renewal. A notice filing under subsection (a) of this section is effective for one (1) year commencing on the later of the notice filing or the effectiveness of the offering filed with the securities and exchange commission. On or before expiration, the issuer may renew a notice filing by filing a copy of those records filed by the issuer with the securities and exchange commission that are required by rule or order under this chapter to be filed and by paying a renewal fee of three hundred dollars ($300) for mutual funds and one hundred dollars ($100) for unit investment trusts. A previously filed consent to service of process complying with section 30-14-611, Idaho Code, may be incorporated by reference in a renewal. A renewed notice filing becomes effective upon the expiration of the filing being renewed.

(c) Notice filings for federal covered securities under section 18(b)(4)(d). With respect to a security that is a federal covered security under section 18(b)(4)(d) of the securities act of 1933 (15 U.S.C. 77r(b)(4)(d)), a rule or order under this chapter may require a notice filing by or on behalf of an issuer to include a copy of form D, including the appendix, as promulgated by the securities and exchange commission, and a consent to service of process complying with section 30-14-611, Idaho Code, signed by the issuer not later than fifteen (15) days after the first sale of the federal covered security in this state and the payment of a fee of fifty dollars ($50.00); and the payment of a fee of fifty dollars ($50.00) for any late filing.

(d) Stop orders. Except with respect to a federal security under section 18(b)(1) of the securities act of 1933 (15 U.S.C. 77r(b)(1)), if the administrator finds that there is a failure to comply with a notice or fee requirement of this section, the administrator may issue a stop order suspending the offer and sale of a federal covered security in this state. If the deficiency is corrected, the stop order is void as of the time of its issuance and no penalty may be imposed by the administrator.

30-14-303. SECURITIES REGISTRATION BY COORDINATION. (a) Registration permitted. A security for which a registration statement has been filed under the securities act of 1933 in connection with the same offering may be registered by coordination under this section.

(b) Required records. A registration statement and accompanying records under this section must contain or be accompanied by the following records in addition to the information specified in section 30-14-305, Idaho Code, and a consent to service of process complying with section 30-14-611, Idaho Code:

1. A copy of the latest form of prospectus filed under the securities act of 1933;

2. A copy of the articles of incorporation and bylaws or their substantial equivalents currently in effect; a copy of any agreement with or among underwriters; a copy of any indenture or other instrument governing the issuance of the security to be registered; and a specimen, copy or description of the security that is required by any rule adopted or an order issued under this chapter;
(3) Copies of any other information or any other records filed by the issuer under the securities act of 1933 requested by the administrator; and
(4) An undertaking to forward each amendment to the federal prospectus, other than an amendment that delays the effective date of the registration statement, promptly after it is filed with the securities and exchange commission.
(c) Conditions for effectiveness of registration statement. A registration statement under this section becomes effective simultaneously with or subsequent to the federal registration statement when all the following conditions are satisfied:
(1) A stop order issued pursuant to subsection (d) of this section or section 30-14-306, Idaho Code, or issued by the securities and exchange commission, is not in effect and a proceeding is not pending against the issuer under section 30-14-306, Idaho Code, and the administrator has not given written notice of deficiencies that are unresolved and that would constitute grounds for a stop order under section 30-14-306, Idaho Code; and
(2) The registration statement has been on file for at least twenty (20) days or a shorter period provided by a rule adopted or an order issued under this chapter.
(d) Notice of federal registration statement effectiveness. The registrant shall promptly notify the administrator in a record of the date when the federal registration statement becomes effective and the content of any price amendment and shall promptly file a record containing the price amendment. If the notice is not timely received, the administrator may issue a stop order, without prior notice or hearing, retroactively denying effectiveness to the registration statement or suspending its effectiveness until compliance with this section. The administrator shall promptly notify the registrant of an order by telegram, telephone or electronic means and shall promptly confirm this notice by a record. If the registrant subsequently complies with the notice requirements of this section, the stop order is void as of the date of its issuance.
(e) Effectiveness of registration statement. If the federal registration statement becomes effective before each of the conditions in this section is satisfied or is waived by the administrator, the registration statement is automatically effective under this chapter when all the conditions are satisfied or waived. If the registrant notifies the administrator of the date when the federal registration statement is expected to become effective, the administrator shall promptly notify the registrant by telegram, telephone or electronic means and shall promptly confirm this notice by a record, indicating whether all the conditions are satisfied or waived and whether the administrator intends the institution of a proceeding under section 30-14-306, Idaho Code. The notice by the administrator does not preclude the institution of such a proceeding.

30-14-304. SECURITIES REGISTRATION BY QUALIFICATION. (a) Registration permitted. A security may be registered by qualification under this section.
(b) Required records. A registration statement under this section must contain the information or records specified in section 30-14-305, Idaho Code, a consent to service of process complying with section
30-14-611, Idaho Code, and, if required by rule adopted under this chapter, the following information or records unless waived by the administrator for good cause shown:

(1) With respect to the issuer and any significant subsidiary, its name, address, and form of organization; the state or foreign jurisdiction and date of its organization; the general character and location of its business; a description of its physical properties and equipment; and a statement of the general competitive conditions in the industry or business in which it is or will be engaged;

(7) The capitalization and long-term debt, on both a current and pro forma basis, of the issuer and any significant subsidiary, including a description of each security outstanding or being registered or otherwise offered, and a statement of the amount and kind of consideration, whether in the form of cash, physical assets, services, patents, goodwill, or anything else of value, for which the issuer or any subsidiary has issued its securities within the previous two (2) years or is obligated to issue its securities;

(9) The estimated monetary proceeds to be received by the issuer from the offering; the purposes for which the proceeds are to be used by the issuer; the estimated amount to be used for each purpose; the order or priority in which the proceeds will be used for the purposes stated; the amounts of any funds to be raised from other sources to achieve the purposes stated; the sources of the funds; and, if a part of the proceeds is to be used to acquire property, including goodwill, otherwise than in the ordinary course of business, the names and addresses of the vendors, the purchase price, the names of any persons that have received commissions in connection with the acquisition, and the amounts of the commissions and other expenses in connection with the acquisition, including the cost of borrowing money to finance the acquisition;

(10) A description of any stock options or other security options outstanding, or to be created in connection with the offering, and the amount of those options held or to be held by each person required to be named in paragraph (2), (4), (5), (6) or (8) of this subsection and by any person that holds or will hold ten percent (10%) or more in the aggregate of those options;

(11) The dates of, parties to, and general effect concisely stated of each managerial or other material contract made or to be made otherwise than in the ordinary course of business to be performed in whole or in part at or after the filing of the registration statement or that was made within the previous two (2) years, and a copy of the contract;

(12) A description of any pending litigation, action or proceeding to which the issuer is a party and that materially affects its business or assets, and any litigation, action or proceeding known to be contemplated by governmental authorities;

(13) A copy of any prospectus, pamphlet, circular, form letter, advertisement or other sales literature intended as of the effective date, to be used in connection with the offering and any solicitation of interest used in compliance with section 30-14-202(17)(b), Idaho Code;

effect; and a copy of any indenture or other instrument covering the
security to be registered;
(15) A signed or conformed copy of an opinion of counsel concerning
the legality of the security being registered, with an English
translation if it is in a language other than English, which states

and nonassignable and, if a debt security, a binding obligation of
the issuer;
(16) A signed or conformed copy of a consent of any accountant,
engineer, appraiser or other person whose profession gives authority
for a statement made by the person, if the person is named as having

tration statement;
(17) A balance sheet of the issuer as of a date within four (4)
months before the filing of the registration statement; a state-
ment of income and a statement of cash flows for each of the three (3)
fiscal years preceding the date of the balance sheet and for any
period between the close of the immediately previous fiscal year and
the date of the balance sheet, or for the period of the issuer's and
any predecessor's existence if less than three (3) years; and, if
any part of the proceeds of the offering is to be applied to the
purchase of a business, the financial statements that would be
required if that business were the registrant; and
(18) Any additional information or records required by a rule
adopted or an order issued under this chapter.
(c) Conditions for effectiveness of registration statement. A reg-
istration statement under this section becomes effective thirty (30)
days, or any shorter period provided by a rule adopted or an order
issued under this chapter, after the date the registration statement or
the last amendment other than a price amendment is filed, if:
(1) A stop order is not in effect and a proceeding is not pending
under section 30-14-306, Idaho Code;
(2) The administrator has not issued an order under section
30-14-306, Idaho Code, delaying effectiveness; and
(3) The applicant or registrant has not requested that effective-
ness be delayed.
(d) Delay of effectiveness of registration statement. The adminis-
trator may delay effectiveness once for not more than ninety (90)
days if the administrator determines the registration statement is not com-
plete in all material respects and promptly notifies the applicant or
registrant of that determination. The administrator may also delay
effectiveness for a further period of not more than thirty (30) days if
the administrator determines that the delay is necessary or appropriate.
(e) Prospectus distribution may be required. A rule adopted or an
order issued under this chapter may require as a condition of registra-
tion under this section that a prospectus containing a specified part of
the information or record specified in subsection (b) of this section be
sent or given to each person to which an offer is made, before or con-
currently, with the earliest of:
(1) The first offer made in a record to the person otherwise than
by means of a public advertisement, by or for the account of the
issuer or another person on whose behalf the offering is being made
or by an underwriter or broker-dealer that is offering part of an
unsold allotment or subscription taken by the person as a participant in the distribution;
(2) The confirmation of a sale made by or for the account of the person;
(3) Payment pursuant to such a sale; or
(4) Delivery of the security pursuant to such a sale.

30-14-305. SECURITIES REGISTRATION FILINGS. (a) Who may file. A registration statement may be filed by the issuer, a person on whose behalf the offering is to be made, or a broker-dealer registered under this chapter.

(b) Filing fee. A person filing a registration statement shall pay a filing fee of three hundred dollars ($300). If a registration statement is withdrawn before the effective date or a pre-effective stop order is issued under section 30-14-306, Idaho Code, the administrator shall retain the fee.

(c) Status of offering. A registration statement filed under section 30-14-303 or 30-14-304, Idaho Code, must specify:
(1) The amount of securities to be offered in this state;
(2) The states in which a registration statement or similar record in connection with the offering has been or is to be filed; and
(3) Any adverse order, judgment or decree issued in connection with the offering by a state securities regulator, the securities and exchange commission, or a court.

(d) Incorporation by reference. A record filed under this chapter or the predecessor act within five (5) years preceding the filing of a registration statement may be incorporated by reference in the registration statement to the extent that the record is currently accurate.

(e) Nonissuer distribution. In the case of a nonissuer distribution, information or a record may not be required under subsection (i) of this section or section 30-14-304, Idaho Code, unless it is known to the person filing the registration statement or to the person on whose behalf the distribution is to be made or unless it can be furnished by those persons without unreasonable effort or expense.

(f) Escrow and impoundment. A rule adopted or an order issued under this chapter may require as a condition of registration that a security issued within the previous five (5) years or to be issued to a promoter for a consideration substantially less than the public offering price or to a person for a consideration other than cash be deposited in escrow; and that the proceeds from the sale of the registered security in this state be impounded until the issuer receives a specified amount from the sale of the security either in this state or elsewhere. The conditions of any escrow or impoundment required under this subsection may be established by a rule adopted or an order issued under this chapter, provided however that the administrator may not reject a depository institution solely because of its location in another state.

(g) Form of subscription. A rule adopted or an order issued under this chapter may require as a condition of registration that a security registered under this chapter be sold only on a specified form of subscription or sale contract and that a signed or conformed copy of each contract be filed under this chapter or preserved for a period specified by the rule or order, which may not be longer than five (5) years.

(h) Effective period. Except while a stop order is in effect under section 30-14-306, Idaho Code, a registration statement is effective for
one (1) year after its effective date, or for any longer period designated in an order under this chapter during which the security is being offered or distributed in a nonexempted transaction by or for the account of the issuer or other person on whose behalf the offering is being made or by an underwriter or broker-dealer that is still offering part of an unsold allotment or subscription taken as a participant in the distribution. A registration statement remains effective for each additional year by filing a renewal as prescribed by a rule adopted or an order issued under this chapter. For the purposes of a nonissuer transaction, all outstanding securities of the same class identified in the registration statement as a security registered under this chapter are considered to be registered while the registration statement is effective. If any securities of the same class are outstanding, a registration statement may not be withdrawn until one (1) year after its effective date. A registration statement may be withdrawn only with the approval of the administrator.

(i) Periodic reports. While a registration statement is effective, a rule adopted or an order issued under this chapter may require the person that filed the registration statement to file reports, not more often than quarterly, to keep the information or other record in the registration statement reasonably current and to disclose the progress of the offering.

(j) Posteffective amendments. A registration statement shall be amended after its effective date if there are material changes in information or documents in the registration statement. The posteffective amendment becomes effective when the administrator so orders.

30-14-306. DENIAL, SUSPENSION, AND REVOCATION OF SECURITIES REGISTRATION. (a) Stop orders. The administrator may issue a stop order denying effectiveness to, or suspending or revoking the effectiveness of, a registration statement if the administrator finds that the order is in the public interest and that:

(1) Any of the following is incomplete in a material respect or contains a statement that, in the light of the circumstances under which it was made, was false or misleading with respect to a material fact:

(A) The registration statement as of its effective date, or before the effective date in the case of an order denying effectiveness;

(B) A posteffective amendment under section 30-14-305(j), Idaho Code, as of its effective date; or

(C) A periodic report under section 30-14-305(i), Idaho Code;

(2) This chapter or a rule adopted or an order issued under this chapter, or a condition imposed under this chapter, has been willfully violated in connection with the offering, by: the person filing the registration statement; the issuer, a partner, officer or director of the issuer or a person having a similar status or performing a similar function; a promoter of the issuer; or a person directly or indirectly controlling or controlled by the issuer; but only if the person filing the registration statement is directly or indirectly controlled by or acting for the issuer; or by an underwriter;

(3) The security registered or sought to be registered is the subject of a permanent or temporary injunction of a court of competent
jurisdiction or an administrative stop order or similar order issued under any federal, foreign or state law other than this chapter applicable to the offering, provided however the administrator may not institute a proceeding against an effective registration statement under this paragraph more than one (1) year after the date of the order or injunction on which it is based, and the administrator may not issue an order under this paragraph on the basis of an order or injunction issued under the securities act of another state unless the order or injunction was based on conduct that would constitute, as of the date of the order, a ground for a stop order under this section;
(4) The issuer's enterprise or method of business includes or would include activities that are unlawful where performed;
(5) With respect to a security sought to be registered under section 30-14-303, Idaho Code, there has been a failure to comply with the undertaking required by section 30-14-303(b)(4), Idaho Code;
(6) The applicant or registrant has not paid the filing fee, provided however the administrator shall void the order if the deficiency is corrected; or
(7) The offering:
(A) Will work or tend to work a fraud upon purchasers or would so operate;
(B) Has been or would be made with unreasonable amounts of underwriters' and sellers' discounts, commissions or other compensation, or promoters' profits or participations, or unreasonable amounts or kinds of options; or
(C) Is being made on terms that are unfair, unjust or inequitable.
(b) Enforcement. To the extent practicable, the administrator by a rule adopted or an order issued under this chapter shall publish standards that provide notice of conduct that violates subsection (a)(7) of this section.
(c) Institution of stop order. The administrator may not institute a stop order proceeding against an effective registration statement on the basis of conduct or a transaction known to the administrator when the registration statement became effective unless the proceeding is instituted within thirty (30) days after the registration statement became effective.
(d) Summary process. The administrator may summarily revoke, deny, postpone or suspend the effectiveness of a registration statement pending final determination of an administrative proceeding. Upon the issuance of the order, the administrator shall promptly notify each person specified in subsection (e) of this section that the order has been issued, the reasons for the revocation, denial, postponement or suspension, and that within fifteen (15) days after the receipt of a request in a record from the person the matter will be scheduled for a hearing. If a hearing is not requested and none is ordered by the administrator, within thirty (30) days after the date of service of the order, the order becomes final. If a hearing is requested or ordered, the administrator, after notice of and an opportunity for a hearing for each person subject to the order, may modify or vacate the order or extend the order until final determination.
(e) Procedural requirements for stop order. A stop order may not be issued under this section without:
(1) Appropriate notice to the applicant or registrant, the issuer, and the person on whose behalf the securities are to be or have been offered;
(2) An opportunity for a hearing; and
(3) Findings of fact and conclusions of law in a record in accordance with chapter 52, title 67, Idaho Code.
(f) Modification or vacation of stop order. The administrator may modify or vacate a stop order issued under this section if the administrator finds that the conditions that caused its issuance have changed or that it is necessary or appropriate in the public interest or for the protection of investors.

30-14-307. WAIVER AND MODIFICATION. The administrator may waive or modify, in whole or in part, any or all of the requirements of sections 30-14-302, 30-14-303 and 30-14-304(b), Idaho Code, or the requirement of any information or record in a registration statement or in a periodic report filed pursuant to section 30-14-305(i), Idaho Code.

PART 4.

30-14-401. BROKER-DEALER REGISTRATION REQUIREMENT AND EXEMPTIONS.
(a) Registration requirement. It is unlawful for a person to transact business in this state as a broker-dealer unless the person is registered under this chapter as a broker-dealer or is exempt from registration as a broker-dealer under subsection (b) or (d) of this section.
(b) Exemptions from registration. The following persons are exempt from the registration requirement of subsection (a) of this section:
(1) A broker-dealer without a place of business in this state if its only transactions effected in this state are with:
   (A) The issuer of the securities involved in the transactions;
   (B) A broker-dealer registered as a broker-dealer under this chapter or not required to be registered as a broker-dealer under this chapter;
   (C) An institutional investor;

(2) Upon request by the administrator, any other financial or other information or record that the administrator determines is appropriate.

financial condition or management. The amendment becomes effective when filed or on a date designated by the registrant in its filing. The new organization is a successor to the original registrant for the purposes of this chapter. If there is a material change in financial condition or management, the broker-dealer or investment adviser shall file a new application for registration. (1) Immediately effective as of the date of the completed filing, if the agent's central registration depository record or successor record or the investment adviser representative's investment adviser registration depository record or successor record does not contain a new or amended disciplinary disclosure within the previous twelve (12) months; or
(2) Temporarily effective as of the date of the completed filing, if the agent's central registration depository record or successor record or the investment adviser representative's investment adviser registration depository record or successor record contains a new or amended disciplinary disclosure within the preceding twelve (12) months.

The administrator may withdraw a temporary registration if there are or were grounds for discipline as specified in section 30-14-412, Idaho Code, and the administrator does so within thirty (30) days after the filing of the application. If the administrator does not withdraw the temporary registration within the thirty (30) day period, registration becomes automatically effective on the thirty-first day after filing.

(d) Power to prevent registration. The administrator may prevent the effectiveness of a transfer of an agent or investment adviser representative under subsection (b)(1) or (2) of this section based on the public interest and the protection of investors.

(e) Termination of registration or application for registration. If the administrator determines that a registrant or applicant for registration is no longer in existence or has ceased to act as a broker-dealer, agent, investment adviser or investment adviser representative, or is the subject of an adjudication of incapacity or is subject to the control of a committee, conservator or guardian, or cannot reasonably be located, a rule adopted or an order issued under this chapter may require the registration be canceled or terminated or the application denied. The administrator may reinstate a canceled or terminated registration, with or without hearing, and may make the registration retroactive.

30-14-409. WITHDRAWAL OF REGISTRATION OF BROKER-DEALER, AGENT, INVESTMENT ADVISER AND INVESTMENT ADVISER REPRESENTATIVE. Withdrawal of registration by a broker-dealer, agent, investment adviser or investment adviser representative becomes effective sixty (60) days after the filing of the application to withdraw or within any shorter period as provided by a rule adopted or an order issued under this chapter unless a revocation or suspension proceeding is pending when the application is filed. If a proceeding is pending, withdrawal becomes effective when and upon such conditions as required by a rule adopted or an order issued under this chapter. The administrator may institute a revocation or suspension proceeding under section 30-14-412, Idaho Code, within one (1) year after the withdrawal became effective automatically and issue a revocation or suspension order as of the last date on which registration was effective if a proceeding is not pending.

(2) Under subsection (d)(5)(A) or (B) of this section, issue an order on the basis of an order issued under the securities act of another state unless the other order was based on conduct for which subsection (d) of this section would authorize the action had the conduct occurred in this state.

(c) Disciplinary penalties — Registrants. If the administrator finds that the order is in the public interest and subsections (d)(1) through (6), (8), (9), (10), (12) or (13) of this section authorizes the action, an order under this chapter may censure, impose a bar or suspension from association with a broker-dealer or investment adviser regis-
tered in this state, or impose a civil penalty in an amount not to exceed five thousand dollars ($5,000) for each violation, on a registrant and, if the registrant is a broker-dealer or investment adviser, a partner, officer, director or person having a similar status or performing similar functions, or a person directly or indirectly in control, of the broker-dealer or investment adviser.

(d) Grounds for discipline. A person may be disciplined under subsections (a) through (c) of this section if the person:

(1) Has filed an application for registration in this state under this chapter or the predecessor act within the previous ten (10) years, which, as of the effective date of registration or as of any date after filing in the case of an order denying effectiveness, was incomplete in any material respect or contained a statement that, in light of the circumstances under which it was made, was false or misleading with respect to a material fact;

(2) Willfully violated or willfully failed to comply with this chapter or the predecessor act or a rule adopted or an order issued under this chapter or the predecessor act within the previous ten (10) years;

(5) Is the subject of an order, issued after notice and opportunity for hearing by:

(A) The securities, depository institution, insurance or other financial services regulator of a state or by the securities and exchange commission or other federal agency denying, revoking, barring or suspending registration as a broker-dealer, agent, investment adviser, federal covered investment adviser, or investment adviser representative;

(B) The securities regulator of a state or the securities and exchange commission against a broker-dealer, agent, investment adviser, investment adviser representative, or federal covered investment adviser;

(C) The securities and exchange commission or a self-regulatory organization suspending or expelling the registrant from membership in the self-regulatory organization;

(D) A court adjudicating a United States postal service fraud order;

(F) A depository institution regulator suspending or barring the person from the depository institution business;

(6) Is the subject of an adjudication or determination, after notice and opportunity for hearing, by the securities and exchange commission or a state or federal court.
commission, the commodity futures trading commission; the federal trade commission; a federal depository institution regulator, or a depository institution, insurance or other financial services regulator of a state that the person willfully violated the securities act of 1933, the securities exchange act of 1934, the investment advisers act of 1940, the investment company act of 1940, or the commodity exchange act, the securities or commodities law of a state, or a federal or state law under which a business involving investments, franchises, insurance, banking or finance is regulated;

(7) Is insolvent, either because the person's liabilities exceed the person's assets or because the person cannot meet the person's obligations as they mature, provided however that the administrator may not enter an order against an applicant or registrant under this paragraph (7) without a finding of insolvency as to the applicant or registrant;

(8) Refuses to allow or otherwise impedes the administrator from conducting an audit or inspection under section 30-14-411(d), Idaho Code, or refuses access to a registrant's office to conduct an audit or inspection under section 30-14-411(d), Idaho Code;

(9) Has failed to reasonably supervise an agent, investment adviser representative or other individual, if the agent, investment adviser representative or other individual was subject to the person's supervision and committed a violation of this chapter or the predecessor act or a rule adopted or an order issued under this chapter or the predecessor act within the previous ten (10) years;

(10) Has not paid the proper filing fee within thirty (30) days after having been notified by the administrator of a deficiency, provided however that the administrator shall vacate an order under this paragraph (10) when the deficiency is corrected;

(11) After notice and opportunity for a hearing, has been found within the previous ten (10) years:

(A) By a court of competent jurisdiction to have willfully violated the laws of a foreign jurisdiction under which the business of securities, commodities, investment, franchises, insurance, banking or finance is regulated;

(B) To have been the subject of an order of a securities regulator of a foreign jurisdiction denying, revoking or suspending the right to engage in the business of securities as a broker-dealer, agent, investment adviser, investment adviser representative or similar person; or

(C) To have been suspended or expelled from membership by or participation in a securities exchange or securities association operating under the securities laws of a foreign jurisdiction;

(13) Has engaged in dishonest or unethical practices in the securities, commodities, investment, franchise, banking, finance or insurance business within the previous ten (10) years; or

(14) Is not qualified on the basis of factors such as training, experience and knowledge of the securities business. Provided however, in the case of an application by an agent for a broker-dealer
that is a member of a self-regulatory organization or by an individual for registration as an investment adviser representative, a denial order may not be based on this paragraph (14) if the individual has successfully completed all examinations required by subsection (e) of this section. The administrator may require an applicant for registration under section 30-14-402 or 30-14-404, Idaho Code, who has not been registered in a state within the two (2) years preceding the filing of an application in this state to successfully complete an examination.

(e) Examinations. A rule adopted or an order issued under this chapter may require that an examination, including an examination developed or approved by an organization of securities regulators, be successfully completed by a class of individuals or all individuals. An order issued under this chapter may waive, in whole or in part, an examination as to an individual and a rule adopted under this chapter may waive, in whole or in part, an examination as to a class of individuals if the administrator determines that the examination is not necessary or appropriate in the public interest and for the protection of investors.

(f) Summary process. The administrator may suspend or deny an application summarily; restrict, condition, limit or suspend a registration; or censure, bar, or impose a civil penalty on a registrant before final determination of an administrative proceeding. Upon the issuance of an order, the administrator shall promptly notify each person subject to the order that the order has been issued, the reasons for the action, and that within fifteen (15) days after the receipt of a request in a record from the person the matter will be scheduled for a hearing. If a hearing is not requested and none is ordered by the administrator within thirty (30) days after the date of service of the order, the order becomes final by operation of law. If a hearing is requested or ordered, the administrator, after notice of and opportunity for hearing to each person subject to the order, may modify or vacate the order or extend the order until final determination.

(g) Procedural requirements. An order issued may not be issued under this section, except under subsection (f) of this section, without:

1. Appropriate notice to the applicant or registrant;
2. Opportunity for hearing; and
3. Findings of fact and conclusions of law in a record in accordance with chapter 52, title 67, Idaho Code.

(h) Control person liability. A person that controls, directly or indirectly, a person not in compliance with this section may be disciplined by order of the administrator under subsections (a) through (c) of this section to the same extent as the noncomplying person, unless the controlling person did not know, and in the exercise of reasonable care could not have known, of the existence of conduct that is a ground for discipline under this section.

(i) Limit on investigation or proceeding. The administrator may not institute a proceeding under subsection (a), (b) or (c) of this section based solely on material facts actually known by the administrator unless an investigation or the proceeding is instituted within one (1) year after the administrator actually acquires knowledge of the material facts.
PART 5.
FRAUD AND LIABILITIES

30-14-501. GENERAL FRAUD. It is unlawful for a person, in connection with the offer, sale, or purchase of a security, directly or indirectly:
(1) To employ a device, scheme, or artifice to defraud;
(2) To make an untrue statement of a material fact or to omit to state a material fact necessary in order to make the statements made, in light of the circumstances under which they were made, not misleading; or
(3) To engage in an act, practice, or course of business that operates or would operate as a fraud or deceit upon another person.

30-14-502. PROHIBITED CONDUCT IN PROVIDING INVESTMENT ADVICE. (a) Fraud in providing investment advice. It is unlawful for a person that advises others for compensation, either directly or indirectly or through publications or writings, as to the value of securities or the advisability of investing in, purchasing or selling securities or that, for compensation and as part of a regular business, issues or promulgates analyses or reports relating to securities:
(1) To employ a device, scheme, or artifice to defraud another person; or
(2) To engage in an act, practice, or course of business that operates or would operate as a fraud or deceit upon another person.
(b) Rules defining fraud. A rule adopted under this chapter may define an act, practice, or course of business of an investment adviser or an investment adviser representative, as fraudulent, deceptive or manipulative, and prescribe means reasonably designed to prevent investment advisers and investment adviser representatives, from engaging in acts, practices, and courses of business defined as fraudulent, deceptive or manipulative.
(c) Rules specifying contents of advisory contract. A rule adopted or an order issued under this chapter may specify the contents of an investment advisory contract entered into, extended or renewed by an investment adviser.

30-14-503. EVIDENTIARY BURDEN. (a) Civil. In a civil action or administrative proceeding under this chapter, a person claiming an exemption, exception, preemption or exclusion has the burden to prove the applicability of the claim.
(b) Criminal. In a criminal proceeding under this chapter, a person claiming an exemption, exception, preemption or exclusion has the burden of going forward with evidence of the claim.

30-14-504. FILING OF SALES AND ADVERTISING LITERATURE. (a) Filing requirement. Except as otherwise provided in subsection (b) of this section, a rule adopted or an order issued under this chapter may require the filing of a prospectus, pamphlet, circular, form letter, advertisement, sales literature or other advertising record relating to a security or investment advice, addressed or intended for distribution to prospective investors, including clients or prospective clients of a person registered or required to be registered as an investment adviser under this chapter.
(b) Excluded communications. This section does not apply to sales and advertising literature specified in subsection (a) of this section which relates to a federal covered security, a federal covered investment adviser, or a security or transaction exempted by section 30-14-201, 30-14-202 or 30-14-203, Idaho Code, except as required pursuant to section 30-14-201(7), Idaho Code.

30-14-505. MISLEADING FILINGS. It is unlawful for a person to make or cause to be made, in a record that is used in an action or proceeding or filed under this chapter, a statement that, at the time and in the light of the circumstances under which it is made, is false or misleading in a material respect, or, in connection with the statement, to omit to state a material fact necessary to make the statement made, in the light of the circumstances under which it was made, not false or misleading.

30-14-506. MISREPRESENTATIONS CONCERNING REGISTRATION OR EXEMPTION. The filing of an application for registration, a registration statement, a notice filing under this chapter, the registration of a person, the notice filing by a person, or the registration of a security under this chapter does not constitute a finding by the administrator that a record filed under this chapter is true, complete, and not misleading. The filing or registration or the availability of an exemption, exception, pre-emption or exclusion for a security or a transaction does not mean that the administrator has passed upon the merits or qualifications of, or recommended or given approval to, a person, security or transaction. It is unlawful to make, or cause to be made, to a purchaser, customer, client, or prospective customer or client a representation inconsistent with this section.

30-14-507. QUALIFIED IMMUNITY. A broker-dealer, agent, investment adviser, federal covered investment adviser, or investment adviser representative is not liable to another broker-dealer, agent, investment adviser, federal covered investment adviser, or investment adviser representative for defamation relating to a statement that is contained in a record required by the administrator, or designee of the administrator, the securities and exchange commission or a self-regulatory organization, unless the person knew, or should have known at the time that the statement was made, that it was false in a material respect or the person acted in reckless disregard of the statement's truth or falsity.

30-14-508. CRIMINAL PENALTIES. (a) Criminal penalties. A person that willfully violates this chapter, or a rule adopted or an order issued under this chapter, except section 30-14-504, Idaho Code, or the notice filing requirements of section 30-14-302 or 30-14-405, Idaho Code, or that willfully violates section 30-14-505, Idaho Code, knowing the statement made to be false or misleading in a material respect, shall be guilty of a felony and upon conviction, shall be fined not more than ten thousand dollars ($10,000) or imprisoned not more than five (5) years, or both. An individual convicted of violating a rule or order under this chapter may be fined, but may not be imprisoned, if the individual did not have knowledge of the rule or order.

(b) A person that willfully violates section 30-14-501 or 30-14-502(a), Idaho Code, and in connection with that violation, the
violator knowingly accepts any money representing:

(1) Equity in a person's home;
(2) A withdrawal from any individual retirement account or similar retirement account; or
(3) A withdrawal from any qualified retirement plan as defined in the Internal Revenue Code,

shall upon conviction be punished by imprisonment for not less than three (3) years or more than fifteen (15) years if, at the time the crime was committed, the property, money or thing unlawfully obtained or sought to be obtained was worth ten thousand dollars ($10,000) or more.

(c) If, in the commission of an offense described in subsection (a) or (b) of this section, the victim is an elder or dependent adult, and the violator has knowledge that the victim is an elder or dependent adult, the defendant shall receive an additional term of imprisonment as follows:

(1) Three (3) years if the victim is under seventy (70) years of age.
(2) Five (5) years if the victim is seventy (70) years of age or older.

(d) As used in this section, "elder" means any person who is sixty-five (65) years of age or older.
(e) As used in this section, "dependent adult" means any person who is between the ages of eighteen (18) and sixty-four (64) years, who has physical or mental limitations which restrict the person's ability to carry out normal activities or to protect the person's rights, including, but not limited to, persons who have physical or developmental disabilities or whose physical or mental abilities have diminished because of age.

(f) No indictment or information may be returned under this chapter more than five (5) years after the alleged violation.

(g) Criminal reference not required. The attorney general or the proper prosecuting attorney with or without a reference from the administrator, may institute criminal proceedings under this chapter.

(h) No limitation on other criminal enforcement. This chapter does not limit the power of this state to punish a person for conduct that constitutes a crime under other laws of this state.

30-14-509. CIVIL LIABILITY. (a) Securities litigation uniform standards act. Enforcement of civil liability under this section is subject to the securities litigation uniform standards act of 1998, as cited in section 30-14-103, Idaho Code.

(b) Liability of seller to purchaser. A person is liable to the purchaser if the person sells a security in violation of section 30-14-301, Idaho Code, or, by means of an untrue statement of a material fact or an omission to state a material fact necessary in order to make the statement made, in light of the circumstances under which it is made, not misleading, the purchaser not knowing the untruth or omission and the seller not sustaining the burden of proof that the seller did not know and, in the exercise of reasonable care, could not have known of the untruth or omission. An action under this subsection is governed by the following:

(1) The purchaser may maintain an action to recover the consideration paid for the security, less the amount of any income received on the security, and interest at the annual rate of interest set
forth in section 28-22-104(2), Idaho Code, from the date of the pur-
chase, costs, and reasonable attorneys' fees determined by the
court, upon the tender of the security, or for actual damages as
provided in subsection (b)(3) of this section.
(2) The tender referred to in subsection (b)(1) of this section may
be made any time before entry of judgment. Tender requires only
notice in a record of ownership of the security and willingness to
exchange the security for the amount specified. A purchaser that no
longer owns the security may recover actual damages as provided in
subsection (b)(3) of this section.
(3) Actual damages in an action arising under this subsection are
the amount that would be recoverable upon a tender less the value of
the security when the purchaser disposed of it, and interest at the
annual rate of interest set forth in section 28-22-104(2), Idaho
Code, from the date of the purchase, costs, and reasonable attor-
neys' fees determined by the court.
(c) Liability of purchaser to seller. A person is liable to the
seller if the person buys a security by means of an untrue statement of
a material fact or omission to state a material fact necessary in order
to make the statement made, in light of the circumstances under which it
is made, not misleading, the seller not knowing of the untruth or omis-
sion, and the purchaser not sustaining the burden of proof that the pur-
chaser did not know, and in the exercise of reasonable care, could not
have known of the untruth or omission. An action under this subsection
is governed by the following:
(1) The seller may maintain an action to recover the security, and
any income received on the security, costs, and reasonable attor-
nies' fees determined by the court, upon the tender of the purchase
price, or for actual damages as provided in subsection (c)(3) of
this section.
(2) The tender referred to in subsection (c)(1) of this section may
be made any time before entry of judgment. Tender requires only
notice in a record of the present ability to pay the amount tendered
and willingness to take delivery of the security for the amount
specified. If the purchaser no longer owns the security, the seller
may recover actual damages as provided in subsection (c)(3) of this
section.
(3) Actual damages in an action arising under this subsection are
the difference between the price at which the security was sold and
the value the security would have had at the time of the sale in the
absence of the purchaser's conduct causing liability, and at the
annual rate of interest set forth in section 28-22-104(2), Idaho
Code, from the date of the sale of the security, costs, and reason-
able attorneys' fees determined by the court.
(d) Liability of unregistered broker-dealer and agent. A person
acting as a broker-dealer or agent that sells or buys a security in
violation of section 30-14-401(a), 30-14-402(a) or 30-14-506, Idaho
Code, is liable to the customer. The customer, if a purchaser, may main-
tain an action for recovery of actual damages as specified in subsec-
tions (b)(1) through (3) of this section, or, if a seller, for a remedy
as specified in subsections (c)(1) through (3) of this section.
(e) Liability of unregistered investment adviser and investment
adviser representative. A person acting as an investment adviser or
investment adviser representative that provides investment advice for
compensation in violation of section 30-14-403(a), 30-14-404(a) or
30-14-506, Idaho Code, is liable to the client. The client may maintain
an action to recover the consideration paid for the advice, interest at
the annual rate of interest set forth in section 28-22-104(2), Idaho
Code, from the date of payment, costs, and reasonable attorneys' fees
determined by the court.

(f) Liability for investment advice. A person that receives
directly or indirectly any consideration for providing investment advice
to another person and that employs a device, scheme or artifice to
defraud the other person or engages in an act, practice, or course of
business that operates or would operate as a fraud or deceit on the
other person, is liable to the other person. An action under this sub-
section is governed by the following:

(1) The person defrauded may maintain an action to recover the con-
sideration paid for the advice and the amount of any actual damages
caused by the fraudulent conduct, interest at the annual rate of
interest set forth in section 28-22-104(2), Idaho Code, from the
date of the fraudulent conduct, costs, and reasonable attorneys' fees determined by the court, less the amount of any income received
as a result of the fraudulent conduct.

(2) This subsection does not apply to a broker-dealer or its agents
if the investment advice provided is solely incidental to transact-
ing business as a broker-dealer and no special compensation is
received for the investment advice.

(g) Joint and several liability. The following persons are liable
jointly and severally with and to the same extent as persons liable
under subsections (b) through (f) of this section:

(1) A person that directly or indirectly controls a person liable
under subsections (b) through (f) of this section, unless the con-
trolling person sustains the burden of proof that the person did not
know, and in the exercise of reasonable care could not have known,
of the existence of conduct by reason of which the liability is
alleged to exist;

(2) An individual who is a managing partner, executive officer, or
director of a person liable under subsections (b) through (f) of
this section, including an individual having a similar status or
performing similar functions, unless the individual sustains the
burden of proof that the individual did not know and, in the exer-
cise of reasonable care could not have known, of the existence of
conduct by reason of which the liability is alleged to exist;

(3) An individual who is an employee of or associated with a person
liable under subsections (b) through (f) of this section and who
materially aids the conduct giving rise to the liability, unless the
individual sustains the burden of proof that the individual did not
know and, in the exercise of reasonable care could not have known,
of the existence of conduct by reason of which the liability is
alleged to exist; and

(4) A person that is a broker-dealer, agent, investment adviser, or
investment adviser representative that materially aids the conduct
giving rise to the liability under subsections (b) through (f) of
this section, unless the person sustains the burden of proof that
the person did not know and, in the exercise of reasonable care
could not have known, of the existence of conduct by reason of which
liability is alleged to exist.
(h) Right of contribution. A person liable under this section has a right of contribution as in cases of contract against any other person liable under this section for the same conduct.

(i) Survival of cause of action. A cause of action under this section survives the death of an individual who might have been a plaintiff or defendant.

(j) Statute of limitations. A person may not obtain relief:
(1) Under subsection (b) of this section for violation of section 30-14-301, Idaho Code, or under subsection (d) or (e) of this section, unless the action is instituted within one (1) year after the violation occurred; or
(2) Under subsection (b) of this section, other than for violation of section 30-14-301, Idaho Code, or under subsection (c) or (f) of this section, unless the action is instituted within the earlier of two (2) years after discovery of the facts constituting the violation or five (5) years after the violation.

(k) No enforcement of violative contract. A person that has made, or has engaged in the performance of, a contract in violation of this chapter or a rule adopted or an order issued under this chapter, or that has acquired a purported right under the contract with knowledge of conduct by reason of which its making or performance was in violation of this chapter, may not base an action on the contract.

(1) No contractual waiver. A condition, stipulation, or provision binding a person purchasing or selling a security or receiving investment advice to waive compliance with this chapter or a rule adopted or an order issued under this chapter is void.

(m) Survival of other rights or remedies. The rights and remedies provided by this chapter are in addition to any other rights or remedies that may exist, but this chapter does not create a cause of action not specified in this section or section 30-14-411(e), Idaho Code.

30-14-510. RESCISSION OFFERS. A purchaser, seller, or recipient of investment advice may not maintain an action under section 30-14-509, Idaho Code, if:

(a) The purchaser, seller, or recipient of investment advice receives in a record, before the action is instituted:
(1) An offer stating the respect in which liability under section 30-14-509, Idaho Code, may have arisen and fairly advising the purchaser, seller, or recipient of investment advice of that person’s rights in connection with the offer, and any financial or other information necessary to correct all material misrepresentations or omissions in the information that was required by this chapter to be furnished to that person at the time of the purchase, sale, or investment advice;

(2) If the basis for relief under this section may have been a violation of section 30-14-509(b), Idaho Code, an offer to repurchase the security for cash, payable on delivery of the security, equal to the consideration paid, and interest at the annual rate of interest set forth in section 28-22-104(2), Idaho Code, from the date of the purchase, less the amount of any income received on the security, or, if the purchaser no longer owns the security, an offer to pay the purchaser upon acceptance of the offer damages in an amount that would be recoverable upon a tender, less the value of the security when the purchaser disposed of it, and interest at the
annual rate of interest set forth in section 28-22-104(2), Idaho Code, from the date of the purchase in cash equal to the damages computed in the manner provided in this subsection;

(3) If the basis for relief under this section may have been a violation of section 30-14-509(c), Idaho Code, an offer to tender the security, on payment by the seller of an amount equal to the purchase price paid, less income received on the security by the purchaser and interest at the annual rate of interest set forth in section 28-22-104(2), Idaho Code, from the date of the sale; or if the purchaser no longer owns the security, an offer to pay the seller upon acceptance of the offer, in cash, damages in the amount of the difference between the price at which the security was purchased and the value the security would have had at the time of the purchase in the absence of the purchaser's conduct that may have caused liability and interest at the annual rate of interest set forth in section 28-22-104(2), Idaho Code, from the date of the sale;

(4) If the basis for relief under this section may have been a violation of section 30-14-509(d), Idaho Code; and if the customer is a purchaser, an offer to pay as specified in subsection (b) of this section; or, if the customer is a seller, an offer to tender or to pay as specified in subsection (c) of this section;

(5) If the basis for relief under this section may have been a violation of section 30-14-509(e), Idaho Code, an offer to reimburse in cash the consideration paid for the advice and interest at the annual rate of interest set forth in section 28-22-104(2), Idaho Code, from the date of payment; or

(6) If the basis for relief under this section may have been a violation of section 30-14-509(f), Idaho Code, an offer to reimburse in cash the consideration paid for the advice, the amount of any actual damages that may have been caused by the conduct, and interest at the annual rate of interest set forth in section 28-22-104(2), Idaho Code, from the date of the violation causing the loss;

(b) The offer under subsection (a)(1) of this section states that it must be accepted by the purchaser, seller, or recipient of investment advice within thirty (30) days after the date of its receipt by the purchaser, seller, or recipient of investment advice or any shorter period, of not less than three (3) days, that the administrator, by order, specifies;

(c) The offeror has the present ability to pay the amount offered or to tender the security under subsection (a)(1) of this section;

(d) The offer under subsection (a)(1) of this section is delivered to the purchaser, seller, or recipient of investment advice, or sent in a manner that ensures receipt by the purchaser, seller, or recipient of investment advice; and

(e) The purchaser, seller, or recipient of investment advice that accepts the offer under subsection (a)(1) of this section in a record within the period specified under subsection (a)(2) of this section is paid in accordance with the terms of the offer.
30-14-601. ADMINISTRATION. (a) Administration. The administration of the provisions of this chapter shall be under the general supervision and control of the administrator.

(b) Unlawful use of records or information. It is unlawful for the administrator or an officer, employee, or designee of the administrator to use for personal benefit or the benefit of others records or other information obtained by or filed with the administrator that are not public under section 30-14-607(b), Idaho Code. This chapter does not authorize the administrator or an officer, employee, or designee of the administrator to disclose the record or information, except in accordance with section 30-14-602, 30-14-607(c) or 30-14-608, Idaho Code.

(c) No privilege or exemption created or diminished. This chapter does not create or diminish a privilege or exemption that exists at common law, by statute or rule, or otherwise.

(d) Investor education. The administrator may develop and implement investor education initiatives to inform the public about investing in securities, with particular emphasis on the prevention and detection of securities fraud. In developing and implementing these initiatives, the administrator may collaborate with public and nonprofit organizations with an interest in investor education. The administrator may accept a grant or donation from a person that is not affiliated with the securities industry or from a nonprofit organization, regardless of whether the organization is affiliated with the securities industry, to develop and implement investor education initiatives. This subsection does not authorize the administrator to require participation or monetary contributions of a registrant in an investor education program.

(e) The securities investor education and training fund. The securities investor education and training fund is hereby created to provide funds for the purposes specified in subsection (d) of this section. All monies received by the state by reason of civil penalties and administrative fines collected pursuant to this chapter shall be deposited in the securities investor education and training fund up to but not exceeding fifty thousand dollars ($50,000) per year. The administrator may use funds in this account in a manner consistent with the duties of the department of finance under this chapter.

30-14-602. INVESTIGATIONS AND SUBPOENAS. (a) Authority to investigate. The administrator may:

(1) Conduct public or private investigations within or outside of this state which the administrator considers necessary or appropriate to determine whether a person has violated, is violating, or is about to violate this chapter or a rule adopted or an order issued under this chapter, or to aid in the enforcement of this chapter or in the adoption of rules and forms under this chapter;

(2) Require or permit a person to testify, file a statement, or produce a record, under oath or otherwise as the administrator determines, as to all the facts and circumstances concerning a matter to be investigated or about which an action or proceeding is to be instituted; and

(3) Publish a record concerning an action, proceeding, or an investigation under, or a violation of, this chapter or a rule adopted or
an order issued under this chapter if the administrator determines it is necessary or appropriate in the public interest and for the protection of investors.

(b) Administrator powers to investigate. For the purpose of an investigation or proceeding under this chapter, the administrator or its designated officer may administer oaths and affirmations, subpoena witnesses, seek compulsion of attendance, take evidence, require the filing of statements, and require the production of any records that the administrator considers relevant or material to the investigation or proceeding.

(c) Procedure and remedies for noncompliance. If a person does not appear or refuses to testify, file a statement, produce records, or otherwise does not obey a subpoena as required by the administrator under this chapter, the administrator may apply to any court of competent jurisdiction or a court of another state for an order to enforce compliance. The court may:

1. Hold the person in contempt;
2. Order the person to appear before the administrator;
3. Order the person to testify about the matter under investigation or in question;
4. Order the production of records;
5. Grant injunctive relief, including restricting or prohibiting the offer or sale of securities or the providing of investment advice;
6. Impose a civil penalty of not less than five hundred dollars ($500) and not greater than five thousand dollars ($5,000) for each violation; and
7. Grant any other necessary or appropriate relief.

(d) Application for relief. This section does not preclude a person from applying to any court of competent jurisdiction or a court of another state for relief from a request to appear, testify, file a statement, produce records, or obey a subpoena.

(e) Use immunity procedure. An individual is not excused from attending, testifying, filing a statement, producing a record or other evidence, or obeying a subpoena of the administrator under this chapter or in an action or proceeding instituted by the administrator under this chapter on the ground that the required testimony, statement, record, or other evidence, directly or indirectly, may tend to incriminate the individual or subject the individual to a criminal fine, penalty, or forfeiture. If the individual refuses to testify, file a statement, or produce a record or other evidence on the basis of the individual's privilege against self-incrimination, the administrator may apply to any court of competent jurisdiction to compel the testimony, the filing of the statement, the production of the record, or the giving of other evidence. The testimony, record, or other evidence compelled under such an order may not be used, directly or indirectly, against the individual in a criminal case, except in a prosecution for perjury or contempt or otherwise failing to comply with the order.

(f) Assistance to securities regulator of another jurisdiction. At the request of a law enforcement or other governmental or regulatory agency or self-regulatory organization, the administrator may provide assistance if the requesting entity states that it is conducting an investigation to determine whether a person has violated, is violating, or is about to violate a law or rule of the other state or foreign
jurisdiction relating to securities matters that the requesting regulator administers or enforces. The administrator may provide the assistance by using the authority to investigate and the powers conferred by this section as the administrator determines is necessary or appropriate. The assistance may be provided without regard to whether the conduct described in the request would also constitute a violation of this chapter or other law of this state if occurring in this state. In deciding whether to provide the assistance, the administrator may consider whether the requesting regulator is permitted and has agreed to provide assistance reciprocally within its state, federal or foreign jurisdiction to the administrator on securities matters when requested; whether compliance with the request would violate or prejudice the public policy of this state; and the availability of resources and employees of the administrator to carry out the request for assistance.

30-14-603. CIVIL ENFORCEMENT. (a) Civil action instituted by administrator. If the administrator believes that a person has engaged, is engaging, or is about to engage in an act, practice, or course of business constituting a violation of this chapter or a rule adopted or an order issued under this chapter or that a person has, is, or is about to engage in an act, practice, or course of business that materially aids a violation of this chapter or a rule adopted or an order issued under this chapter, the administrator may maintain an action in any court of competent jurisdiction to enjoin the act, practice, or course of business and to enforce compliance with this chapter or a rule adopted or an order issued under this chapter.

(b) Relief available. In an action under this section and on a proper showing, the court may:
(1) Issue a permanent or temporary injunction, restraining order, or declaratory judgment;
(2) Order other appropriate or ancillary relief, which may include:
   (A) An asset freeze, accounting, writ of attachment, writ of general or specific execution, and appointment of a receiver or conservator, that may be the administrator, for the defendant or the defendant's assets;
   (B) Ordering the administrator to take charge and control of a defendant's property, including investment accounts and accounts in a depository institution, rents, and profits; to collect debts; and to acquire and dispose of property;
   (C) Imposing a civil penalty not to exceed ten thousand dollars ($10,000) for each violation; an order of rescission, restitution, or disgorgement directed to a person that has engaged in an act, practice, or course of business constituting a violation of this chapter or the predecessor act or a rule adopted or an order issued under this chapter or the predecessor act; and
   (D) Ordering the payment of prejudgment and postjudgment interest;
   or
   (3) Order such other relief as the court considers appropriate.
(c) No bond required. The administrator shall not be required to post a bond in an action or proceeding under this chapter.

30-14-604. ADMINISTRATIVE ENFORCEMENT. (a) Issuance of an order or notice. If the administrator determines that a person has engaged, is
engaging, or is about to engage in an act, practice, or course of business constituting a violation of this chapter or a rule adopted or an order issued under this chapter or that a person has materially aided, is materially aiding, or is about to materially aid an act, practice, or course of business constituting a violation of this chapter or a rule adopted or an order issued under this chapter, the administrator may:

(1) Issue an order directing the person to cease and desist from engaging in the act, practice, or course of business or to take other action necessary or appropriate to comply with this chapter;

(2) Issue an order denying, suspending, revoking, or conditioning the exemptions for a broker-dealer under section 30-14-401(b)(1)(D) or (F), Idaho Code, or an investment adviser under section 30-14-403(b)(1)(C), Idaho Code; or

(3) Issue an order under section 30-14-204, Idaho Code.

(b) Summary process. An order under subsection (a) of this section is effective on the date of issuance. Upon issuance of the order, the administrator shall promptly serve each person subject to the order with a copy of the order and a notice that the order has been entered. The order must include a statement whether the administrator will seek a civil penalty or costs of the investigation, a statement of the reasons for the order, and notice that, within fifteen (15) days after receipt of a request in a record from the person, the matter will be scheduled for a hearing. If a person subject to the order does not request a hearing and none is ordered by the administrator within thirty (30) days after the date of service of the order, the order, which may include a civil penalty or costs of the investigation if a civil penalty or costs were sought in the statement accompanying the order, becomes final as to that person by operation of law. If a hearing is requested or ordered, the administrator, after notice of and opportunity for hearing to each person subject to the order, may modify or vacate the order or extend it until final determination.

(c) Procedure for final order. If a hearing is requested or ordered pursuant to subsection (b) of this section, a hearing must be held pursuant to chapter 52, title 67, Idaho Code. A final order may not be issued unless the administrator makes findings of fact and conclusions of law in a record pursuant to chapter 52, title 67, Idaho Code. The final order may make final, vacate, or modify the order issued under subsection (a) of this section.

(d) Civil penalty. In a final order under subsection (c) of this section, the administrator may impose a civil penalty not to exceed five thousand dollars ($5,000) for each violation.

(e) Costs. In a final order, the administrator may charge the actual cost of an investigation or proceeding for a violation of this chapter or a rule adopted or an order issued under this chapter.

(f) Filing of certified final order with court -- Effect of filing. If a petition for judicial review of a final order is not filed in accordance with section 30-14-609, Idaho Code, the administrator may file a certified copy of the final order with the clerk of a court of competent jurisdiction. The order so filed has the same effect as a judgment of the court and may be recorded, enforced, or satisfied in the same manner as a judgment of the court.

(g) Enforcement by court -- Further civil penalty. If a person does not comply with an order under this section, the administrator may petition a court of competent jurisdiction to enforce the order. The court
may not require the administrator to post a bond in an action or proceeding under this section. If the court finds, after service and opportunity for hearing, that the person was not in compliance with the order, the court may adjudge the person in civil contempt of the order. The court may impose a further civil penalty against the person for contempt in an amount not less than five hundred dollars ($500) but not greater than five thousand dollars ($5,000) for each violation and may grant any other relief the court determines is just and proper in the circumstances.

30-14-605. RULES, FORMS, ORDERS, INTERPRETATIVE OPINIONS, AND HEARINGS. (a) Issuance and adoption of forms, orders, and rules. The administrator may:

(1) Issue forms and orders and, after notice and comment, may adopt and amend rules necessary or appropriate to carry out this chapter and may repeal rules, including rules and forms governing registration statements, applications, notice filings, reports, and other records;
(2) By rule, define terms, whether or not used in this chapter but those definitions may not be inconsistent with this chapter; and
(3) By rule, classify securities, persons, and transactions and adopt different requirements for different classes.

(b) Findings and cooperation. Under this chapter, a rule or form may not be adopted or amended, or an order issued or amended, unless the administrator finds that the rule, form, order, or amendment is necessary or appropriate in the public interest or for the protection of investors and is consistent with the purposes intended by this chapter. In adopting, amending, and repealing rules and forms, section 30-14-608, Idaho Code, applies in order to achieve uniformity among the states and coordination with federal laws in the form and content of registration statements, applications, reports, and other records, including the adoption of uniform rules, forms, and procedures.

(c) Financial statements. Subject to section 15(h) of the securities exchange act and section 222 of the investment advisers act of 1940, the administrator may require that a financial statement filed under this chapter be prepared in accordance with generally accepted accounting principles in the United States and comply with other requirements specified by rule adopted or an order issued under this chapter. A rule adopted or an order issued under this chapter may establish:

(1) Subject to section 15(h) of the securities exchange act and section 222 of the investment advisers act of 1940, the form and content of financial statements required under this chapter;
(2) Whether unconsolidated financial statements must be filed; and
(3) Whether required financial statements must be audited by an independent certified public accountant.

(d) Interpretative opinions. The administrator may provide interpretative opinions or issue determinations that the administrator will not institute a proceeding or an action under this chapter against a specified person for engaging in a specified act, practice, or course of business if the determination is consistent with this chapter. A rule adopted or an order issued under this chapter may establish a reasonable charge for interpretative opinions or determinations that the administrator will not institute an action or a proceeding under this chapter.
(e) Effect of compliance. A penalty under this chapter may not be imposed for, and liability does not arise from conduct that is engaged in or omitted in good faith believing it conforms to a rule, form, or order of the administrator under this chapter.

(f) Presumption for public hearings. A hearing in an administrative proceeding under this chapter must be conducted in public unless the administrator for good cause consistent with this chapter determines that the hearing will not be so conducted.

30-14-606. ADMINISTRATIVE FILES AND OPINIONS. (a) Public register of filings. The administrator shall maintain, or designate a person to maintain, a register of applications for registration of securities; registration statements; notice filings; applications for registration of broker-dealers, agents, investment advisers, and investment adviser representatives; notice filings by federal covered investment advisers that are or have been effective under this chapter or the predecessor act; notices of claims of exemption from registration or notice filing requirements contained in a record; orders issued under this chapter or the predecessor act; and interpretative opinions or no action determinations issued under this chapter.

(b) Public availability. The administrator shall make all rules, forms, interpretative opinions, and orders available to the public.

(c) Copies of public records. The administrator shall furnish a copy of a record that is a public record or a certification that the public record does not exist to a person that so requests. A rule adopted under this chapter may establish a reasonable charge for furnishing the record or certification. A copy of the record certified or a certificate by the administrator of a record's nonexistence is prima facie evidence of a record or its nonexistence.

30-14-607. PUBLIC RECORDS -- CONFIDENTIALITY. (a) Presumption of public records. Except as otherwise provided in subsection (b) of this section, records obtained by the administrator or filed under this chapter, including a record contained in or filed with a registration statement, application, notice filing, or report, are public records and are available for public examination.

(b) Nonpublic records. Records as set forth in section 9-340H, Idaho Code, are not public records and are not available for public examination under subsection (a) of this section.

(c) Administrator discretion to disclose. If disclosure is for the purpose of a civil, administrative, or criminal investigation, action, or proceeding or to a person specified in section 30-14-608(a), Idaho Code, the administrator may disclose a record obtained in connection with an audit or inspection under section 30-14-411(d), Idaho Code, or a record obtained in connection with an investigation under section 30-14-602, Idaho Code.

30-14-608. UNIFORMITY AND COOPERATION WITH OTHER AGENCIES. (a) Objective of uniformity. The administrator shall, in its discretion, cooperate, coordinate, consult, and, subject to section 30-14-607, Idaho Code, share records and information with the securities regulator of another state, Canada, a Canadian province or territory, a foreign jurisdiction, the securities and exchange commission, the United States department of justice, the commodity futures trading commission, the
federal trade commission, the securities investor protection corporation, a self-regulatory organization, a national or international organization of securities regulators, a federal or state banking or insurance regulator, and a governmental law enforcement or regulatory agency to effectuate greater uniformity in securities matters among the federal government, self-regulatory organizations, states, and foreign governments.

(b) Policies to consider. In cooperating, coordinating, consulting, and sharing records and information under this section and in acting by rule, order, or waiver under this chapter, the administrator shall, in the administrator's discretion, take into consideration in carrying out the public interest the following general policies:

(1) Maximizing effectiveness of regulation for the protection of investors;
(2) Maximizing uniformity in federal and state regulatory standards; and
(3) Minimizing burdens on the business of capital formation, without adversely affecting essentials of investor protection.

(c) Subjects for cooperation. The cooperation, coordination, consultation, and sharing of records and information authorized by this section include:

(1) Establishing or employing one (1) or more designees as a central depository for registration and notice filings under this chapter and for records required or allowed to be maintained under this chapter;
(2) Developing and maintaining uniform forms;
(3) Conducting a joint examination or investigation;
(4) Holding a joint administrative hearing;
(5) Instituting and prosecuting a joint civil or administrative proceeding;
(6) Sharing and exchanging personnel;
(7) Coordinating registrations under section 30-14-301, Idaho Code, and sections 30-14-401 through 30-14-404, Idaho Code, and exemptions under section 30-14-203, Idaho Code;
(8) Sharing and exchanging records, subject to section 30-14-607, Idaho Code;
(9) Formulating rules, statements of policy, guidelines, forms, and interpretative opinions and releases;
(10) Formulating common systems and procedures;
(11) Notifying the public of proposed rules, forms, statements of policy, and guidelines;
(12) Attending conferences and other meetings among securities regulators, which may include representatives of governmental and private sector organizations involved in capital formation, deemed necessary or appropriate to promote or achieve uniformity; and
(13) Developing and maintaining a uniform exemption from registration for small issuers, and taking other steps to reduce the burden of raising investment capital by small businesses.

30-14-609. JUDICIAL REVIEW. Judicial review of orders. A final order issued by the administrator under this chapter is subject to judicial review in accordance with chapter 52, title 67, Idaho Code.
30-14-610. JURISDICTION. (a) Sales and offers to sell. Sections 30-14-301, 30-14-302, 30-14-401(a), 30-14-402(a), 30-14-403(a), 30-14-404(a), 30-14-501, 30-14-506, 30-14-509, and 30-14-510, Idaho Code, do not apply to a person that sells or offers to sell a security unless the offer to sell or the sale is made in this state or the offer to purchase or the purchase is made and accepted in this state.

(b) Purchases and offers to purchase. Sections 30-14-401(a), 30-14-402(a), 30-14-403(a), 30-14-404(a), 30-14-501, 30-14-506, 30-14-509, and 30-14-510, Idaho Code, do not apply to a person that purchases or offers to purchase a security unless the offer to purchase or the purchase is made in this state or the offer to sell or the sale is made and accepted in this state.

(c) Offers in this state. For the purpose of this section, an offer to sell or to purchase a security is made in this state, whether or not either party is then present in this state, if the offer:

(1) Originates from within this state; or
(2) Is directed by the offeror to a place in this state and received at the place to which it is directed.

(d) Acceptances in this state. For the purpose of this section, an offer to purchase or to sell is accepted in this state, whether or not either party is then present in this state, if the acceptance:

(1) Is communicated to the offeror in this state and the offeree reasonably believes the offeror to be present in this state and the acceptance is received at the place in this state to which it is directed; and
(2) Has not previously been communicated to the offeror, orally or in a record, outside this state.

(e) Publications, radio, television, or electronic communications. An offer to sell or to purchase is not made in this state when a publisher circulates or there is circulated on the publisher's behalf in this state a bona fide newspaper or other publication of general, regular, and paid circulation that is not published in this state, or that is published in this state but has had more than two-thirds (2/3) of its circulation outside this state during the previous twelve (12) months or when a radio or television program or other electronic communication originating outside this state is received in this state. A radio or television program, or other electronic communication is considered as having originated in this state if either the broadcast studio or the originating source of transmission is located in this state, unless:

(1) The program or communication is syndicated and distributed from outside this state for redistribution to the general public in this state;
(2) The program or communication is supplied by a radio, television, or other electronic network with the electronic signal originating from outside this state for redistribution to the general public in this state;
(3) The program or communication is an electronic communication that originates outside this state and is captured for redistribution to the general public in this state by a community antenna or cable, radio, cable television, or other electronic system; or
(4) The program or communication consists of an electronic communication that originates in this state, but which is not intended for distribution to the general public in this state.
(f) Investment advice and misrepresentations. Sections 30-14-403(a), 30-14-404(a), 30-14-405(a), 30-14-502, 30-14-505 and 30-14-506, Idaho Code, apply to a person if the person engages in an act, practice, or course of business instrumental in effecting prohibited or actionable conduct in this state, whether or not either party is then present in this state.

30-14-611. SERVICE OF PROCESS. (a) Signed consent to service of process. From September 1, 2004, through June 30, 2005, all persons applying for registration or making a notice filing shall submit to the administrator a signed consent to service of process. A consent appointing the administrator the person's agent for service of process in a noncriminal action or proceeding against the person, or the person's successor or personal representative under this chapter or a rule adopted or an order issued under this chapter after the consent is filed, has the same force and validity as if the service were made personally on the person filing the consent. From July 1, 2005, and thereafter, registrants shall be required to submit a consent to service of process only if there has been a material change.

(b) Conduct constituting appointment of agent for service. If a person, including a nonresident of this state, engages in an act, practice, or course of business prohibited or made actionable by this chapter or a rule adopted or an order issued under this chapter and the person has not filed a consent to service of process under subsection (a) of this section, the act, practice, or course of business constitutes the appointment of the administrator as the person's agent for service of process in a noncriminal action or proceeding against the person or the person's successor or personal representative.

(c) Procedure for service of process. Service under subsection (a) or (b) of this section may be made by providing a copy of the process to the office of the administrator, but it is not effective unless:

(1) The plaintiff, which may be the administrator, promptly sends notice of the service and a copy of the process, return receipt requested, to the defendant or respondent at the address set forth in the consent to service of process or, if a consent to service of process has not been filed, at the last known address, or takes other reasonable steps to give notice; and

(2) The plaintiff files an affidavit of compliance with this subsection in the action or proceeding on or before the return day of the process, if any, or within the time that the court, or the administrator in a proceeding before the administrator, allows.

(d) Service in administrative proceedings or civil actions by administrator. Service pursuant to subsection (c) of this section may be used in a proceeding before the administrator or by the administrator in a civil action in which the administrator is the moving party.

(e) Opportunity to defend. If process is served under subsection (c) of this section, the court, or the administrator in a proceeding before the administrator, shall order continuances as are necessary or appropriate to afford the defendant or respondent reasonable opportunity to defend.
30-14-612. SEVERABILITY CLAUSE. If any provision of this chapter or its application to any person or circumstance is held invalid, the invalidity does not affect other provisions or applications of this act that can be given effect without the invalid provision or application, and to this end the provisions of this act are severable.

PART 7.
TRANSITION

30-14-701. EFFECTIVE DATE. This act takes effect on September 1, 2004.

30-14-702. REPEALS. The following chapter is repealed: The Idaho securities act, chapter 14, title 30, Idaho Code.

30-14-703. APPLICATION OF CHAPTER TO EXISTING PROCEEDING AND EXISTING RIGHTS AND DUTIES. (a) Applicability of predecessor act to pending proceedings and existing rights. The predecessor act exclusively governs all actions or proceedings that are pending on the effective date of this act or may be instituted on the basis of conduct occurring before the effective date of this act, but a civil action may not be maintained to enforce any liability under the predecessor act unless instituted within any period of limitation that applied when the cause of action accrued or within five (5) years after the effective date of this act, whichever is earlier.

(b) Continued effectiveness under predecessor act. All effective registrations under the predecessor act, all administrative orders relating to the registrations, rules, statements of policy, interpretative opinions, declaratory rulings, no action determinations, and conditions imposed on the registrations under the predecessor act remain in effect while they would have remained in effect if this act had not been enacted. They are considered to have been filed, issued, or imposed under this act, but are exclusively governed by the predecessor act.

(c) Applicability of predecessor act to offers or sales. The predecessor act exclusively applies to an offer or sale made within one (1) year after the effective date of this act pursuant to an offering made in good faith before the effective date of this act on the basis of an exemption available under the predecessor act.

SECTION 3. That Chapter 3, Title 9, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW SECTION, to be known and designated as Section 9-340H, Idaho Code, and to read as follows:

SECTION 7. That Section 41-3821, Idaho Code, be, and the same is hereby amended to read as follows:

41-3821. MUTUAL INSURANCE HOLDING COMPANIES.
(1) (a) A domestic mutual insurer, upon approval of the director, may reorganize by forming an insurance holding company system, "the mutual insurance holding company," based upon a mutual plan and continuing the corporate existence of the reorganizing insurer as a stock insurer. The director, after a public hearing as provided in section 41-3805, Idaho Code, if satisfied that the interests of the policyholders are properly protected and that the plan of reorganization is fair and equitable to the policyholders, may approve the proposed plan of reorganization and may require as a condition of approval such modifications of the proposed plan of reorganization as the director finds necessary for the protection of the policyholders' interests. The director may retain consultants as provided in section 41-3805(4), Idaho Code. A reorganization pursuant to this subsection is subject to sections 41-3802 and 41-3803, Idaho Code. The director shall retain jurisdiction over a mutual insurance holding company organized pursuant to this section to assure that policyholder interests are protected.
(b) All of the initial shares of the capital stock of the reorganized insurer shall be issued to the mutual insurance holding company. The membership interests of the policyholders of the reorganized insurer shall become membership interests in the mutual insurance holding company. Policyholders of the reorganized insurer shall be members of the mutual insurance holding company in accordance with the articles of incorporation and bylaws of the mutual insurance holding company. The mutual insurance holding company shall at all times own a majority of the voting shares of the capital stock of the reorganized insurer.

(2) (a) A domestic mutual insurer, upon the approval of the director, may reorganize by merging its policyholders' membership interests into a mutual insurance holding company formed pursuant to subsection (1) of this section and continuing the corporate existence of the reorganizing insurer as a stock insurer subsidiary of the mutual insurance holding company. The director, after a public hearing as provided in section 41-3805, Idaho Code, if satisfied that
the interests of the policyholders are properly protected and that the merger is fair and equitable to the policyholders, may approve the proposed merger and may require as a condition of approval such modifications of the proposed merger as the director finds necessary for the protection of the policyholders' interests. The director may retain consultants as provided in section 41-3805(4), Idaho Code. A merger pursuant to this subsection is subject to sections 41-3802 and 41-3803, Idaho Code. The director shall retain jurisdiction over the mutual insurance holding company organized pursuant to this section to assure that policyholder interests are protected.

(b) All of the initial shares of the capital stock of the reorganized insurer shall be issued to the mutual insurance holding company. The membership interests of the policyholders of the reorganized insurer shall become membership interests in the mutual insurance holding company. Policyholders of the reorganized insurer shall be members of the mutual insurance holding company in accordance with the articles of incorporation and bylaws of the mutual insurance holding company. The mutual insurance holding company shall at all times own a majority of the voting shares of the capital stock of the reorganized insurer. A merger of policyholders' membership interests in a mutual insurer into a mutual insurance holding company shall be deemed to be a merger of insurance companies pursuant to section 41-2857, Idaho Code, and section 41-2857, Idaho Code, is also applicable.

(c) A foreign mutual insurer, which if a domestic corporation would be organized under chapter 3, title 41, Idaho Code, may reorganize upon the approval of the director and in compliance with the requirements of any law or rule which is applicable to the foreign mutual insurer by merging its policyholders' membership interests into a mutual insurance holding company formed pursuant to subsection (1) of this section and continuing the corporate existence of the reorganizing foreign mutual insurer as a foreign stock insurer subsidiary of the mutual insurance holding company. The director, after a public hearing as provided in section 41-3805, Idaho Code, may approve the proposed merger. The director may retain consultants as provided in section 41-3805(4), Idaho Code. A merger pursuant to this paragraph is subject to sections 41-3802 and 41-3803, Idaho Code. The reorganizing foreign mutual insurer may remain a foreign company or foreign corporation after the merger, and may be admitted to do business in this state. A foreign mutual insurer which is a party to the merger may at the same time redomesticate in this state by complying with the applicable requirements of this state and its state of domicile. The provisions of subsection (2)(b) shall apply to a merger authorized under this paragraph.

(3) A mutual insurance holding company resulting from the reorganization of a domestic mutual insurer organized under chapter 1, title 30, Idaho Code, shall be incorporated pursuant to chapter 1, title 30, Idaho Code. This requirement shall supersede any conflicting provisions of chapter 1, title 30, Idaho Code. The articles of incorporation and any amendments to such articles of the mutual insurance holding company shall be subject to approval of the director in the same manner as those of an insurance company.

(4) A mutual insurance holding company is deemed to be an insurer subject to chapter 33, title 41, Idaho Code, and shall automatically be
a party to any proceeding under chapter 33, title 41, Idaho Code, involving an insurer which as a result of a reorganization pursuant to subsection (1) or (2) of this section is a subsidiary of the mutual insurance holding company. In any proceeding under chapter 33, title 41, Idaho Code, involving the reorganized insurer, the assets of the mutual insurance holding company are deemed to be assets of the estate of the reorganized insurer for purposes of satisfying the claims of the reorganized insurer's policyholders. A mutual insurance holding company shall not dissolve or liquidate without the approval of the director or as ordered by the district court pursuant to chapter 33, title 41, Idaho Code.

(5) (a) Section 41-2855, Idaho Code, is not applicable to a reorganization or merger pursuant to this section.

(b) Section 41-2855, Idaho Code, is applicable to demutualization of a mutual insurance holding company which resulted from the reorganization of a domestic mutual insurer organized under chapter 3, title 41, Idaho Code, as if it were a mutual life insurer.

(6) A membership interest in a domestic mutual insurance holding company shall not constitute a security as defined in section 30-14-102(12), Idaho Code.

(7) The majority of the voting shares of the capital stock of the reorganized insurer, which is required by this section to be at all times owned by a mutual insurance holding company, shall not be conveyed, transferred, assigned, pledged, subject to a security interest or lien, encumbered, or otherwise hypothecated or alienated by the mutual insurance holding company or intermediate holding company. Any conveyance, transfer, assignment, pledge, security interest, lien, encumbrance, or hypothecation or alienation of, in or on the majority of the voting shares of the reorganized insurer which is required by this section to be at all times owned by a mutual insurance holding company, is in violation of this section and shall be void in inverse chronological order of the date of such conveyance, transfer, assignment, pledge, security interest, lien, encumbrance, or hypothecation or alienation, as to the shares necessary to constitute a majority of such voting shares. The majority of the voting shares of the capital stock of the reorganized insurer which is required by this section to be at all times owned by a mutual insurance holding company shall not be subject to execution and levy as provided in title 11, Idaho Code. The shares of the capital stock of the surviving or new company resulting from a merger or consolidation of two or more reorganized insurers or two intermediate holding companies which were subsidiaries of the same mutual insurance holding company are subject to the same requirements, restrictions, and limitations as provided in this section to which the shares of the merging or consolidating reorganized insurers or intermediate holding companies were subject by this section prior to the merger or consolidation.

As used in this section, "majority of the voting shares of the capital stock of the reorganized insurer" means shares of the capital stock of the reorganized insurer which carry the right to cast a majority of the votes entitled to be cast by all of the outstanding shares of the capital stock of the reorganized insurer for the election of directors and on all other matters submitted to a vote of the shareholders of the reorganized insurer. The ownership of a majority of the voting shares of the capital stock of the reorganized insurer which are required by this
section to be at all times owned by a parent mutual insurance holding company includes indirect ownership through one (1) or more intermediate holding companies in a corporate structure approved by the director. However, indirect ownership through one (1) or more intermediate holding companies shall not result in the mutual insurance holding company owning less than the equivalent of a majority of the voting shares of the capital stock of the reorganized insurer. The director shall have jurisdiction over an intermediate holding company as if it were a mutual insurance holding company.

As used in this section, "intermediate holding company" means a holding company which is a subsidiary of a mutual insurance holding company, and which either directly or through a subsidiary intermediate holding company has one (1) or more subsidiary reorganized insurers of which a majority of the voting shares of the capital stock would otherwise have been required by this section to be at all times owned by the mutual insurance holding company.

(8) It is the intent of the legislature that the formation of a mutual insurance holding company should not increase the Idaho tax burden of the mutual insurance holding company system and that a stock insurance subsidiary shall continue to be subject to Idaho insurance premium taxation in lieu of all other taxes except real property taxes as provided in section 41-403, Idaho Code. Subject to approval by the director as required under Idaho law, a stock insurance subsidiary may issue dividends or distributions to the mutual insurance holding company or any intermediate holding company, and such dividends or distributions shall be excluded from the Idaho taxable income of the recipients; provided however, that such exclusion shall not apply to the extent that, in the year preceding the year in which the dividends or distributions were made, the subsidiary insurer's liability for Idaho premium tax was less than the amount of Idaho income tax for which the insurer would have been liable in such year had the insurer been subject to Idaho income taxation rather than premium taxation.

SECTION 8. This act shall be in full force and effect on and after September 1, 2004.

Approved March 10, 2004.

SECTION 3. That Section 20-524, Idaho Code, be, and the same is
hereby amended to read as follows:

20-524. SUPPORT OF JUVENILE -- REIMBURSEMENT FOR COSTS INCURRED. --
PAYMENT OF DETENTION COSTS. (1) Whenever a juvenile is placed by the
court in custody other than that of the juvenile's parents, guardian or
custodian, after due notice to the parent, guardian or other persons
legally obligated to care for and support the juvenile, and after a
hearing, the court may order and decree that the parent or other legally
obligated person shall pay in such a manner as the court may direct a
reasonable sum that will cover in whole or in part the support and
treatment of the juvenile. If the parent or other legally obligated per­
son willfully fails or refuses to pay such sum, the court may proceed
against him for contempt, or the order may be filed and shall have the
effect of a civil judgment.

(2) If the juvenile is detained, the court may order that the par­
ents or other legal guardian of the juvenile contribute to the costs of
detention in an amount to be set by the court. The order may be filed
and shall have the effect of a civil judgment. It is the intent of the
legislature that foster parents or a parent or legal guardian receiving
public assistance relating to that juvenile should not benefit from the
continued receipt of payments or public assistance from any state or
federal agency while the juvenile is detained. The department of health
and welfare is directed to promulgate a rule implementing this intent.

(3) All child support orders shall notify the obligor that the
order will be enforced by income withholding pursuant to chapter 12,
title 32, Idaho Code.

(4) Failure to include these provisions does not affect the valid­
ity of the support order or decree. The court shall require that the
social security numbers of both the obligor and obligee be included in
the order or decree.

(5) If the juvenile is committed to the custody of the department
of juvenile corrections pursuant to chapter 5, title 20, Idaho Code, the
department shall reimburse the county for the period of time in excess
of five (5) days during which the juvenile is housed at a detention
facult.Facility. The time period shall begin to run from the day the department receives a copy of the order of commitment executed by the court. Facsimile transmissions of the order are acceptable.

SECTION 4. That Chapter 5, Title 20, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW SECTION, to be known and designated as Section 20-524A, Idaho Code, and to read as follows:

20-524A. PAYMENT OF DETENTION COSTS. If the juvenile is committed to the custody of the department of juvenile corrections pursuant to chapter 5, title 20, Idaho Code, the department shall reimburse the county for the period of time in excess of five (5) calendar days during which the juvenile is housed at a detention facility. This time period shall begin to run on the first business day the department receives a copy of the order of commitment, executed by the court. Orders received by the department after 3 o'clock p.m., mountain standard time, on a business day, will be considered to have been received the next business day. Facsimile transmissions of the order are acceptable.

SECTION 5. That Section 20-532A, Idaho Code, be, and the same is hereby amended to read as follows:

20-532A. ORDER FOR APPREHENSION AND DETENTION OF ESCAPEES FROM CUSTODY. Upon a finding by the Idaho department of juvenile corrections that a juvenile in the custody of the department has escaped from custody, a written order signed by the director or his designee shall be a sufficient order for detention for any law enforcement officer to apprehend and take into custody such person. It is hereby made the duty of all sheriffs, police, constables, parole officers, prison officials and other peace officers, to execute such order. From and after the issuance of the detention order and until taken into custody, the escapee shall be considered a fugitive from justice. Upon apprehension, the juvenile shall be detained in the closest available detention center and shall thereafter be transported by the department as soon as possible or, at the discretion of the detaining authority, the juvenile may be transported directly by that authority to the department's juvenile-management-center nearest regional facility.

AN ACT
RELATING TO PYRAMID SCHEMES; AMENDING SECTION 18-3101, IDAHO CODE, TO REVISE TERMINOLOGY, TO PROHIBIT CERTAIN ACTIONS RELATING TO PYRAMID PROMOTIONAL SCHEMES, TO DELETE THE DEFINITION FOR "CHAIN DISTRIBUTOR" OR "PYRAMID DISTRIBUTOR SCHEME," TO DEFINE TERMS, TO REVISE DEFINITIONS, TO PROVIDE THAT CERTAIN PLANS OR OPERATIONS SHALL NOT BE PROHIBITED OR DEFINED AS PYRAMID PROMOTIONAL SCHEMES, TO PROVIDE CORRECT TERMINOLOGY AND TO MAKE A TECHNICAL CORRECTION.
Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 18-3101, Idaho Code, be, and the same is hereby amended to read as follows:

18-3101. CHAIN-OR PYRAMID DISTRIBUTOR PROMOTIONAL SCHEMES PROHIBITED -- PENALTIES -- SALE OF INTEREST VOIDABLE -- SCOPE OF REMEDY. (1) It is illegal and prohibited for any person, or any agent or employee thereof, to establish, promote, offer, operate, advertise or grant participation in a chain or any pyramid distributor promotional scheme.

(2) As used herein in this section:
   (a) A chain-distributor scheme means any plan or operation whereby a person gives consideration for the opportunity to receive consideration to be derived primarily from any person's introduction of other persons into participation in the plan or operation rather than from the sale of goods, services, or other intangible property by the person or other persons introduced into the plan or operation. "Appropriate inventory repurchase program" means a program by which a plan or operation repurchases, upon request at the termination of a participant's business relationship with the plan or operation and based upon commercially reasonable terms, current and marketable inventory purchased and maintained by the participant for resale, use or consumption, provided such plan or operation clearly describes the program in its recruiting literature, sales manual, or contracts with participants, including the manner in which the repurchase is exercised and disclosure of any inventory that is not eligible for repurchase under the program.
   (b) "Commercially reasonable terms" means the repurchase of current and marketable inventory within twelve (12) months from the date of original purchase at not less than ninety percent (90%) of the original net cost to the participant, less appropriate set-offs and legal claims, if any. In the case of service products, the repurchase of such service products shall be on a pro rata basis, unless clearly disclosed otherwise to the participant, in order to qualify as "commercially reasonable terms."
   (c) "Compensation" means a payment of any money, thing of value, or financial benefit.
   (d) "Consideration" means anything of value, a payment of any money, or the purchase of goods, services, or intangible property but shall not include:
      1. The not-for-profit sale of demonstration equipment and materials for use purchase of goods or services furnished at cost to be used in making sales and not for resale.
      2. Time or and effort spent in pursuit of sales or recruiting activities.
   (e) "Current and marketable" includes inventory that, in the case of consumable or durable goods, is unopened, unused and within its commercially reasonable use of shelf-life period. In the case of services and intangible property, including internet sites, "current and marketable" means the unexpired portion of any contract or agreement. The term "current and marketable" does not include inventory that has been clearly described to the participant prior to purchase as a seasonal, discontinued, or special promotion product...
not subject to the plan or operation's inventory repurchase program.

(f) "Inventory" includes both goods and services, including company-produced promotional materials, sales aids and sales kits that the plan or operation requires independent salespersons to purchase.

(g) "Inventory loading" means that the plan or operation requires or encourages its independent salespersons to purchase inventory in an amount that unreasonably exceeds that which the salesperson can expect to resell for ultimate consumption, or to use or consume, in a reasonable time period.

(h) "Participant" means a natural person who joins a plan or operation.

(i) "Person" means a natural person, partnership, corporation, trust, estate, business trust, joint venture, unincorporated association, or any other legal or commercial entity.

(j) "Promote" means to contrive, prepare, establish, plan, operate, advertise or otherwise induce or attempt to induce another person to be a participant.

(k) "Pyramid promotional scheme" means any plan or operation in which a participant gives consideration for the right to receive compensation that is derived primarily from the recruitment of other persons as participants in the plan or operation rather than from the sales of goods, services or intangible property to participants or by participants to others.

(3) A limitation as to the number of persons who may participate, or the presence of additional conditions affecting eligibility, or upon payment of anything of value by a person whereby the person obtains any other property in addition to the right to receive consideration, does not change the identity of the scheme as a chain-or pyramid distributor promotional scheme.

(4) Any person, or any agent or employee thereof who wilfully and knowingly promotes, offers, advertises, or grants participation in a chain-or pyramid distributor promotional scheme shall be guilty of a felony.

(5) All chain-or pyramid distribution promotional schemes offered by the same person, or agents or employees thereof, or any person controlled by or affiliated with such person, for the same type of consideration, at substantially the same period of time and for the same general purpose, shall be deemed to be one (1) integrated chain-or pyramid distributor promotional scheme, even though such chain-or pyramid distributor promotional schemes may be given different names or other designations.

(6) Nothing in this section or in any rule promulgated pursuant to this section shall be construed to prohibit a plan or operation, or to define such plan or operation as a pyramid promotional scheme, based upon the fact that participants in the plan or operation give consideration in return for the right to receive compensation based upon purchases of goods, services or intangible property by participants for personal use, consumption or resale, provided the plan or operation implements an appropriate inventory repurchase program and does not promote inventory loading.

(7) Any violation of this act section shall also be deemed an unfair and deceptive practice in violation of the Idaho consumer protection act. Any person aggrieved by a violation of this section can
recovered monetary damages pursuant to the Idaho consumer protection act.

(78) The rights and remedies that are granted under the provisions of this section to purchasers in chain-or pyramid distributor promotional schemes are independent of and in addition to any other right or remedy available to them in law or equity, and nothing contained herein shall be construed to diminish or abrogate any such right or remedy.

RELATING TO PERSONS ELIGIBLE FOR APPOINTMENT AS GUARDIAN OR CONSERVATOR;
AMENDING SECTION 15-5-311, IDAHO CODE, TO PROHIBIT APPOINTMENT OF A CONVICTED FELON AS GUARDIAN EXCEPT UPON CONDITIONS SPECIFIED; AND
AMENDING SECTION 15-5-410, IDAHO CODE, TO PROHIBIT APPOINTMENT OF A CONVICTED FELON AS CONSERVATOR EXCEPT UPON CONDITIONS SPECIFIED.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 15-5-311, Idaho Code, be, and the same is hereby amended to read as follows:

15-5-311. WHO MAY BE GUARDIAN -- PRIORITIES. (a) Any competent person, except as set forth hereafter, or a suitable institution may be appointed guardian of an incapacitated person.

(b) The person preferred by the incapacitated person shall be appointed guardian unless good cause be shown why appointment of such person is contrary to the best interests of the incapacitated person. If the incapacitated person is unable to express a preference, any previous expression, including a durable power of attorney for health care, may be considered by the court.

(c) Persons who are not disqualified have priority for appointment as guardian in the following order:

(1) The person preferred by the incapacitated person. The court shall always consider the wishes expressed by an incapacitated person as to who shall be appointed guardian;
(2) The spouse of the incapacitated person;
(3) An adult child of the incapacitated person;
(4) A parent of the incapacitated person, including a person nominated by will or other writing signed by a deceased parent;
(5) Any relative of the incapacitated person with whom he has resided for more than six (6) months prior to the filing of the petition;
(6) A person nominated by the person who is caring for him or paying benefits to him.

(d) No convicted felon shall be appointed as a guardian of an incapacitated person unless the court finds by clear and convincing evidence that such appointment is in the best interests of the incapacitated person.
SECTION 2. That Section 15-5-410, Idaho Code, be, and the same is hereby amended to read as follows:

15-5-410. WHO MAY BE APPOINTED CONSERVATOR -- PRIORITIES. (1) an individual or corporation nominated by the protected person if he is fourteen (14) or more years of age and has, in the opinion of the court, sufficient mental capacity to make an intelligent choice;

(2) the spouse of the protected person;

(4) a conservator, guardian of property or other like fiduciary (but not a fiduciary serving only as a trustee) appointed or recognized by the appropriate court of any other jurisdiction in which the protected person resides;

(6) any relative of the protected person with whom he has resided for more than six (6) months prior to the filing of the petition;

(7) a person nominated by the person who is caring for him or paying benefits to him.

(b) A person in priorities (2), (3), (4), (5), or (6) of subsection (a) of this section may nominate in writing a person to serve in his stead. With respect to persons having equal priority, the court is to select the one who is best qualified of those willing to serve. The court for good cause, may pass over a person having priority and appoint a person having less priority or no priority.

(c) No convicted felon shall be appointed as a conservator of the estate of a protected person unless the court finds by clear and convincing evidence that such appointment is in the best interests of the protected person.

SECTION 1. That Part 4, Chapter 5, Title 15, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW SECTION, to be known and designated as Section 15-5-407A, Idaho Code, and to read as follows:

15-5-407A. TEMPORARY AND EMERGENCY APPOINTMENTS. (a) The court may appoint upon an ex parte petition, without hearing, a person to act as temporary conservator, pending the final hearing, upon a finding supported by statement made under oath that an emergency situation exists. The emergency appointment shall remain in effect no longer than ninety (90) days, unless extended for good cause upon application of the temporary conservator.

(b) A report from a medical doctor or a licensed psychologist to the effect that the person to be protected is unable to take care of his own activities of daily living, together with any one (1) of the following, shall be considered an emergency situation:

(1) A finding that the person to be protected is unable to reasonably manage said person's finances and as a result the person's assets will be wasted or dissipated unless proper management is provided without delay; or
(2) A finding that the person to be protected has been taken advantage of and that the situation is likely to continue unless a temporary appointment is made without delay; or
(3) A finding that funds are needed for support, care and welfare of the person to be protected and a temporary appointment is necessary to secure such funding; or
(4) A finding that other conditions exist that in the court's determination necessitate the appointment of a temporary conservator.

(c) The duty of a temporary conservator shall be to preserve and protect the assets of the estate and to provide the funding necessary for the support, care and welfare of the person to be protected. The conservator shall have all the powers enumerated in section 15-5-424, Idaho Code, to be exercised, however, only within said limited context. The court may expand the duties of the temporary conservator upon application and a finding that a proposed action is necessary prior to the hearing.

(d) A temporary conservator shall not remove any of the assets of the estate from the jurisdiction of the court without a specific order to that effect.

(e) The petition for appointment of a temporary conservator must be accompanied by a petition for appointment of a conservator pursuant to section 15-5-404, Idaho Code.

(f) If the person to be protected is a minor, the court shall appoint a guardian ad litem for said minor at the same time the temporary appointment of a conservator is made.

(g) Upon application by an interested party and a hearing, the court may limit the powers and duties of the temporary conservator.

(h) Notice of the appointment of a temporary conservator shall be given to all interested persons by the petitioner within five (5) days after the date of such appointment.

(i) The court shall hold a hearing on the appropriateness of the temporary appointment within five (5) days if requested by an interested party. In such event, if a visitor and physician have not already been
appointed, the court shall appoint a visitor to meet with the alleged incapacitated person and to make a written report to the court, and shall appoint a physician to examine the proposed ward and submit a written report to the court, giving preference to the appointment of the proposed ward's treating physician if the proposed ward has a current treating physician.

SECTION 2. That Section 15-5-312, Idaho Code, be, and the same is hereby amended to read as follows:

15-5-312. GENERAL POWERS AND DUTIES OF GUARDIAN. (a) A guardian of an incapacitated person has the powers and responsibilities of a parent who has not been deprived of custody of his unemancipated minor child except that a guardian is not legally obligated to provide from his own funds for the ward and is not liable to third persons for acts of the ward, and except as hereinafter limited. In particular, and without qualifying the foregoing, a guardian has the following powers and duties, except as modified by order of the court when the guardianship is limited:

(1) To the extent that it is consistent with the terms of any order by a court of competent jurisdiction relating to detention or commitment of the ward, he is entitled to custody of the person of his ward and may establish the ward's place of abode within or without this state.

(2) If entitled to custody of his ward he shall make provision for the care, comfort and maintenance of his ward, and, whenever appropriate, arrange for his training and education. Without regard to custodial rights of the ward's person, he shall take reasonable care of his ward's clothing, furniture, vehicles and other personal effects and commence protective proceedings if other property of his ward is in need of protection.

(3) A guardian may give any consents or approvals that may be necessary to enable the ward to receive medical or other professional care, counsel, treatment or service. A guardian shall be automatically entitled to any information governed by the health insurance portability and accountability act of 1996 (HIPAA), 42 U.S.C. 1320d and 45 CFR 160 through 164, and the appointment of such guardian shall be deemed to grant such release authority.

(4) If no conservator for the estate of the ward has been appointed, he may:

(A) institute proceedings to compel any person under a duty to support the ward or to pay sums for the welfare of the ward to perform his duty;

(B) receive money and tangible property deliverable to the ward and apply the money and property for support, care and education of the ward; but, he may not use funds from his ward's estate for room and board which he, his spouse, parent or child have furnished the ward unless a charge for the service is approved by order of the court made upon notice to at least one (i) of the next of kin of the incompetent ward, if notice is possible; He must exercise care to conserve any excess for the ward's needs the guardian may institute proceedings to appoint a conservator. In no circumstances shall the guardian exercise any of the powers of a conservator.
(5) A guardian shall be required to report as provided in section 15-5-419, Idaho Code.

(6) If a conservator has been appointed, all of the ward's estate received by the guardian in excess of those funds expended to meet current expenses for support, care, and education of the ward must be paid to the conservator for management as provided in this code, and the guardian must account to the conservator for funds expended.

(b) Any guardian of one for whom a conservator also has been appointed shall control the custody and care of the ward, and is entitled to receive reasonable sums for his services and for room and board furnished to the ward as agreed upon between him and the conservator, provided the amounts agreed upon are reasonable under the circumstances. The guardian may request the conservator to expend the ward's estate by payment to third persons or institutions for the ward's care and maintenance.

(c) A guardian may delegate certain of his responsibilities for decisions affecting the ward's well-being to the ward when reasonable under all of the circumstances.

(S.B. No. 1246)

AN ACT
RELATING TO APPORTIONMENT OF ESTATE TAX; REPEALING SECTION 15-3-916, IDAHO CODE; AMENDING CHAPTER 3, TITLE 15, IDAHO CODE, BY THE ADDITION OF A NEW PART 13, CHAPTER 3, TITLE 15, IDAHO CODE, TO PROVIDE ADOPTION OF THE UNIFORM ESTATE TAX APPORTIONMENT ACT, TO PROVIDE A SHORT TITLE, TO DEFINE TERMS, TO SPECIFY THE RULES APPLICABLE TO THE APPORTIONMENT BY WILL OR OTHER DISPOSITIVE INSTRUMENT, TO SPECIFY STATUTORY RULES APPLICABLE WHEN THERE IS NO CONTROLLING INSTRUMENT, TO SPECIFY THE RULES APPLICABLE TO CREDITS AND DEFERRALS OF ESTATE TAXES, TO SPECIFY CONDITIONS FOR ADVANCEMENT OF TAX FOR UNINSULATED PROPERTY, TO PROVIDE AN INITIAL APPORTIONMENT AND RECAPTURE OF SPECIAL ELECTIVE BENEFITS, TO AUTHORIZE SECURING PAYMENT OF ESTATE TAX FROM PROPERTY IN POSSESSION OF A FIDUCIARY, TO AUTHORIZE COLLECTION OF ESTATE TAX BY A FIDUCIARY, TO GOVERN THE RIGHT OF REIMBURSEMENT, TO AUTHORIZE AN ACTION TO DETERMINE OR ENFORCE THE PROVISIONS OF THIS ACT, TO PROVIDE UNIFORMITY OF APPLICATION AND CONSTRUCTION, TO PROVIDE SEVERABILITY, AND TO PROVIDE DELAYED APPLICATION.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 15-3-916, Idaho Code, be, and the same is hereby repealed.

SECTION 2. That Title 15, Chapter 3, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW PART, to be known and designated as Part 13, Chapter 3, Title 15, Idaho Code, and to read as follows:
PART 13
UNIFORM ESTATE TAX APPORTIONMENT

15-3-1301. SHORT TITLE. This part may be cited as the "Uniform Estate Tax Apportionment Act."

15-3-1302. DEFINITIONS. As use in this part:
(a) "Apportionable estate" means the value of the gross estate as finally determined for purposes of the estate tax to be apportioned reduced by:
(1) Any claim or expense allowable as a deduction for purposes of the tax;
(2) The value of any interest in property that, for purposes of the tax, qualifies for a marital or charitable deduction or otherwise is deductible or is exempt; and
(3) Any amount added to the decedent's gross estate because of a gift tax on transfers made before death.
(b) "Estate tax" means a federal, state, or foreign tax, however denominated, imposed because of the death of an individual and interest and penalties associated with the tax. The term does not include an inheritance tax, income tax, or generation-skipping transfer tax other than a generation-skipping transfer tax incurred on a direct skip taking effect at death.
(c) "Gross estate" means, with respect to an estate tax, all interests in property subject to the tax.
(d) "Person" has the same meaning set forth in section 15-1-201(33), Idaho Code.
(e) "Ratable" means apportioned or allocated pro rata according to the relative values of interests to which the term is to be applied. "Ratably" has a corresponding meaning.
(f) "Time-limited interest" means an interest in property which terminates on a lapse of time or on the occurrence or nonoccurrence of an event or which is subject to the exercise of discretion that could transfer a beneficial interest to another person. The term does not include a cotenancy unless the cotenancy itself is a time-limited interest.
(g) "Value" means, with respect to an interest in property, fair market value as finally determined for purposes of the estate tax that is to be apportioned, reduced by any outstanding debt secured by the interest without reduction:
(1) For taxes paid or required to be paid; or
(2) For any special valuation adjustment.

15-3-1303. APPORTIONMENT BY WILL OR OTHER DISPOSITIVE INSTRUMENT. (a) Except as otherwise provided in subsection (c), the following rules apply:
(1) To the extent that a provision of a decedent's will expressly and unambiguously directs the apportionment of an estate tax, the tax must be apportioned accordingly regardless of whether such will is probated.
(2) Any portion of an estate tax not apportioned pursuant to paragraph (a)(1) of this section must be apportioned in accordance with any provision of a revocable trust of which the decedent was the settlor which expressly and unambiguously directs the apportionment.
of an estate tax. If conflicting apportionment provisions appear in two (2) or more revocable trust instruments, the provision in the most recently dated instrument prevails. For purposes of this paragraph:

(A) A trust is revocable if it was revocable immediately after the trust instrument was executed, even if the trust subsequently becomes irrevocable; and

(B) The date of an amendment to a revocable trust instrument is the date of the amended instrument only if the amendment contains an apportionment provision.

(3) If any portion of an estate tax is not apportioned pursuant to paragraph (a)(1) of this section or paragraph (a)(2) of this section, and a provision in any other dispositive instrument expressly and unambiguously directs that any interest in the property disposed of by the instrument is or is not to be applied to the payment of the estate tax attributable to the interest disposed of by the instrument, the provision controls the apportionment of the tax to that interest.

(b) Subject to subsection (c) of this section, and unless the decedent expressly and unambiguously directs the contrary, the following rules apply:

(1) If an apportionment provision directs that a person receiving an interest in property under an instrument is to be exonerated from the responsibility to pay an estate tax that would otherwise be apportioned to the interest,

(A) The tax attributable to the exonerated interest must be apportioned among the other persons receiving interests passing under the instrument, or

(B) If the values of the other interests are less than the tax attributable to the exonerated interest, the deficiency must be apportioned ratably among the other persons receiving interests in the apportionable estate that are not exonerated from apportionment of the tax.

(2) If an apportionment provision directs that an estate tax is to be apportioned to an interest in property a portion of which qualifies for a marital or charitable deduction, the estate tax must first be apportioned ratably among the holders of the portion that does not qualify for a marital or charitable deduction and then apportioned ratably among the holders of the deductible portion to the extent that the value of the nondeductible portion is insufficient.

(3) Except as otherwise provided in paragraph (4) of this subsection, if an apportionment provision directs that an estate tax be apportioned to property in which one (1) or more time-limited interests exist, other than interests in specified property under section 15-3-1307, Idaho Code, the tax must be apportioned to the principal of that property, regardless of the deductibility of some of the interests in that property.

(4) If an apportionment provision directs that an estate tax is to be apportioned to the holders of interests in property in which one (1) or more time-limited interests exist and a charity has an interest that otherwise qualifies for an estate tax charitable deduction, the tax must first be apportioned, to the extent feasible, to interests in property that have not been distributed to the persons enti-
tled to receive the interests.

(c) A provision that apports an estate tax is ineffective to the extent that it increases the tax apportioned to a person having an interest in the gross estate over which the decedent had no power to transfer immediately before the decedent executed the instrument in which the apportionment direction was made. For purposes of this subsection, a testamentary power of appointment is a power to transfer the property that is subject to the power.

(d) For purposes of this section, a decedent's will, revocable trust, or other dispositive instrument that contains the applicable phrase(s) set forth in paragraphs (1), (2) or (3) of this subsection (or other substantially similar language in other dispositive instruments not listed in said paragraphs), shall satisfy the part's requirement for an express and unambiguous direction as to what properties are to bear or not bear the payment of those taxes. Other language may be used to direct the apportionment of the estate tax, but if it is determined by a court that the direction in the will, trust, or other dispositive instrument does not expressly and unambiguously direct the apportionment of all of the estate tax with respect to all property that constitutes the gross estate, the estate tax that is not clearly and unambiguously apportioned shall be apportioned in accordance with the provisions of this part. The portions of said phrase(s) set forth in parentheses indicate suggestions or descriptions of alternate language for the word or phrase immediately preceding the language in parentheses which may be added, deleted, or varied in the instrument. Said phrases are:

(1) In the case of a will, "all taxes arising as a result of my death, whether attributable to assets passing under this will or otherwise, shall be paid out of the residue of my probate estate (or apportioned to other specifically identified assets, probate or otherwise)"; or

(2) In the case of a revocable trust, "all taxes arising as a result of the Grantor's (Settlor's or Trustor's) death, whether attributable to assets passing under this trust instrument or otherwise, shall be paid out of the residue of the trust estate (or apportioned to other specifically identified assets in trust or otherwise)"; or

(3) In the case of a charitable remainder trust as to assets already transferred to or in the trust, "no estate taxes and state death taxes shall be charged or apportioned to and paid from the assets of this charitable remainder trust" or "The (lifetime or term) annuity (unitrust) interest of the Successor Recipient (Beneficiary) will take effect upon the death of the Initial Recipient (Beneficiary) only if the Successor Recipient (Beneficiary) furnishes the funds for payment of any federal estate taxes and state death taxes for which the Trustee may be liable upon the death of the Initial Recipient (Beneficiary). If the funds are not furnished by the Successor Recipient (Beneficiary), the annuity (unitrust) period shall terminate on the death of the Initial Recipient (Beneficiary), notwithstanding any other provision in this instrument to the contrary."

15-3-1304, STATUTORY APPORTIONMENT OF ESTATE TAXES. To the extent that apportionment of an estate tax is not controlled by an instrument described in section 15-3-1303, Idaho Code, and except as otherwise pro-
vided in sections 15-3-1306 and 15-3-1307, Idaho Code, the following rules apply:

(1) Subject to subsections (2), (3) and (4) of this section, the estate tax is apportioned ratably to each person that has an interest in the apportionable estate.

(2) A generation-skipping transfer tax incurred on a direct skip taking effect at death is charged to the person to whom the interest in property is transferred.

(3) If property is included in the decedent's gross estate because of section 2044 of the Internal Revenue Code of 1986 or any similar estate tax provision, the difference between the total estate tax for which the decedent's estate is liable and the amount of estate tax for which the decedent's estate would have been liable if the property had not been included in the decedent's gross estate is apportioned ratably among the holders of interests in the property. The balance of the tax, if any, is apportioned ratably to each other person having an interest in the apportionable estate.

(4) Except as otherwise provided in section 15-3-1303(b)(4), Idaho Code, and except as to property to which section 15-3-1307, Idaho Code applies, an estate tax apportioned to persons holding interests in property subject to a time-limited interest must be apportioned, without further apportionment, to the principal of that property.

15-3-1305. CREDITS AND DEFERRALS. Except as otherwise provided in sections 15-3-1306 and 15-3-1307, Idaho Code, the following rules apply to credits and deferrals of estate taxes:

(1) A credit resulting from the payment of gift taxes or from estate taxes paid on property previously taxed inures ratably to the benefit of all persons to which the estate tax is apportioned.

(2) A credit for state or foreign estate taxes inures ratably to the benefit of all persons to which the estate tax is apportioned, except that the amount of a credit for a state or foreign tax paid by a beneficiary of the property on which the state or foreign tax was imposed, directly or by a charge against the property, inures to the benefit of the beneficiary.

(3) If payment of a portion of an estate tax is deferred because of the inclusion in the gross estate of a particular interest in property, the benefit of the deferral inures ratably to the persons to which the estate tax attributable to the interest is apportioned. The burden of any interest charges incurred on a deferral of taxes and the benefit of any tax deduction associated with the accrual or payment of the interest charge is allocated ratably among the persons receiving an interest in the property.

15-3-1306. INSULATED PROPERTY, ADVANCEMENT OF TAX. (a) In this section:

(1) "Advanced fraction" means a fraction that has as its numerator the amount of the advanced tax and as its denominator the value of the interests in insulated property to which that tax is attributable.

(2) "Advanced tax" means the aggregate amount of estate tax attributable to interests in insulated property which is required to be advanced by uninsulated holders under subsection (c) of this section.
(3) "Insulated property" means property subject to a time-limited interest which is included in the apportionable estate but is unavailable for payment of an estate tax because of impossibility or impracticability.

(4) "Uninsulated holder" means a person who has an interest in uninsulated property.

(5) "Uninsulated property" means property included in the apportionable estate other than insulated property.

(b) If an estate tax is to be advanced pursuant to subsection (c) of this section by persons holding interests in uninsulated property subject to a time-limited interest other than property to which section 15-3-1307, Idaho Code applies, the tax must be advanced, without further apportionment, from the principal of the uninsulated property.

(c) Subject to section 15-3-1309(b) and (d), Idaho Code, an estate tax attributable to interests in insulated property must be advanced ratably by uninsulated holders. If the value of an interest in uninsulated property is less than the amount of estate taxes otherwise required to be advanced by the holder of that interest, the deficiency must be advanced ratably by the persons holding interests in properties that are excluded from the apportionable estate under section 15-3-1302(a)(2), Idaho Code, as if those interests were in uninsulated property.

(d) A court having jurisdiction to determine the apportionment of an estate tax may require a beneficiary of an interest in insulated property to pay all or part of the estate tax otherwise apportioned to the interest if the court finds that it would be substantially more equitable for that beneficiary to bear the tax liability personally than for that part of the tax to be advanced by uninsulated holders.

(e) When a distribution of insulated property is made, each uninsulated holder may recover from the distributee a ratable portion of the advanced fraction of the property distributed. To the extent that undistributed insulated property ceases to be insulated, each uninsulated holder may recover from the property a ratable portion of the advanced fraction of the total undistributed property.

(f) Upon a distribution of insulated property for which, pursuant to subsection (d) of this section, the distributee becomes obligated to make a payment to uninsulated holders, a court may award an uninsulated holder a recordable lien on the distributee's property to secure the distributee's obligation to that uninsured holder.

15-3-1307. APPORTIONMENT AND RECAPTURE OF SPECIAL ELECTIVE BENEFITS.

(a) In this section:

(1) "Special elective benefit" means a reduction in an estate tax obtained by an election for:

(A) A reduced valuation of specified property that is included in the gross estate;

(B) A deduction from the gross estate, other than a marital or charitable deduction, allowed for specified property; or

(C) An exclusion from the gross estate of specified property.

(2) "Specified property" means property for which an election has been made for a special elective benefit.

(b) If an election is made for one (1) or more special elective benefits, an initial apportionment of a hypothetical estate tax must be computed as if no election for any of those benefits had been made. The
aggregate reduction in estate tax resulting from all elections made must be allocated among holders of interests in the specified property in the proportion that the amount of deduction, reduced valuation, or exclusion attributable to each holder's interest bears to the aggregate amount of deductions, reduced valuations, and exclusions obtained by the decedent's estate from the elections. If the estate tax initially apportioned to the holder of an interest in specified property is reduced to zero, any excess amount of reduction reduces ratably the estate tax apportioned to other persons that receive interests in the apportionable estate.

(c) An additional estate tax imposed to recapture all or part of a special elective benefit must be charged to the persons that are liable for the additional tax under the law providing for the recapture.

15-3-1308. SECURING PAYMENT OF ESTATE TAX FROM PROPERTY IN POSSESSION OF FIDUCIARY. (a) A fiduciary may defer a distribution of property until the fiduciary is satisfied that adequate provision for payment of the estate tax has been made.

(b) A fiduciary may withhold from a distributee an amount equal to the amount of estate tax apportioned to an interest of the distributee.

(c) As a condition to a distribution, a fiduciary may require the distributee to provide a bond or other security for the portion of the estate tax apportioned to the distributee.

15-3-1309. COLLECTION OF ESTATE TAX BY FIDUCIARY. (a) A fiduciary responsible for payment of an estate tax may collect from any person the tax apportioned to and the tax required to be advanced by the person.

(b) Except as otherwise provided in section 15-3-1306, Idaho Code, any estate tax due from a person that cannot be collected from the person may be collected by the fiduciary from other persons in the following order of priority:

(1) Any person having an interest in the apportionable estate which is not exonerated from the tax;
(2) Any other person having an interest in the apportionable estate;
(3) Any person having an interest in the gross estate.

(c) A domiciliary fiduciary may recover from an ancillary personal representative the estate tax apportioned to the property controlled by the ancillary personal representative.

(d) The total tax collected from a person pursuant to this part may not exceed the value of the person's interest.

15-3-1310. RIGHT OF REIMBURSEMENT. (a) A person required under section 15-3-1309, Idaho Code, to pay an estate tax greater than the amount due from the person under section 15-3-1303 or 15-3-1304, Idaho Code, has a right to reimbursement from another person to the extent that the other person has not paid the tax required by section 15-3-1303 or 15-3-1304, Idaho Code, and a right to reimbursement ratably from other persons to the extent that each has not contributed a portion of the amount collected under section 15-3-1309(b), Idaho Code.

(b) A fiduciary may enforce the right of reimbursement under subsection (a) of this section on behalf of the person that is entitled to the reimbursement and shall take reasonable steps to do so if requested by the person.
15-3-1311. ACTION TO DETERMINE OR ENFORCE PART. A fiduciary, transferee, or beneficiary of the gross estate may maintain an action including, but not limited to, petitioning for declaratory judgment, to have a court determine and enforce this part or may petition a court pursuant to section 15-3-704 or 15-7-201, Idaho Code, whichever is applicable.

15-3-1312. UNIFORMITY OF APPLICATION AND CONSTRUCTION. In applying and construing this uniform act, consideration must be given to the need to promote uniformity of the law with respect to its subject matter among states that enact it.

15-3-1313. SEVERABILITY. If any provision of this part or the application thereof to any person or circumstance is held invalid, the invalidity does not affect other provisions or applications of this part which can be given effect without the invalid provision or application, and to this end the provisions of this part are severable.

15-3-1314. DELAYED APPLICATION. (a) Sections 15-3-1303 through 15-3-1307, Idaho Code, do not apply to the estate of a decedent who dies prior to January 1, 2005.

(b) For the estate of a decedent who dies on or after the effective date of this act, but prior to January 1, 2005, and as to which sections 15-3-1303 through 15-3-1307, Idaho Code do not apply, estate taxes must be apportioned pursuant to the law in effect immediately before the effective date of this act.

CHAPTER 62
(S.B. No. 1295)

AN ACT
RELATING TO WATER RIGHT TRANSFERS; AMENDING SECTION 42-222, IDAHO CODE, TO PROVIDE THAT NOTICE OF AN APPLICATION FOR TRANSFER OF A WATER RIGHT SHALL BE MADE IN A MANNER SIMILAR TO THAT PROVIDED FOR APPLICATIONS UNDER SECTION 42-203A, IDAHO CODE, AND TO PROVIDE DISCRETION TO THE DIRECTOR OF THE DEPARTMENT OF WATER RESOURCES IN GIVING NOTICE OF PROPOSED CHANGES TO THE POINT OF DIVERSION OR PLACE OF USE OF A WATER RIGHT THAT DO NOT IMPACT THE HYDROLOGIC SYSTEM OR AFFECT THE RIGHTS OF OTHER WATER USERS.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 42-222, Idaho Code, be, and the same is hereby amended to read as follows:

42-222. CHANGE IN POINT OF DIVERSION, PLACE OF USE, PERIOD OF USE, OR NATURE OF USE OF WATER UNDER ESTABLISHED RIGHTS -- FORFEITURE AND EXTENSION -- APPEALS. (1) Any person, entitled to the use of water whether represented by license issued by the department of water resources, by claims to water rights by reason of diversion and application to a beneficial use as filed under the provisions of this chapter, or by decree of the court, who shall desire to change the point of diversion, place of use, period of use or nature of use of all or part of the water, under the right shall first make application to the department of water resources for approval of such change. Such application shall be upon forms furnished by the department and shall describe the right licensed, claimed or decreed which is to be changed and the changes which are proposed, and shall be accompanied by the statutory filing fee as in this chapter provided. Upon receipt of such application it shall be the duty of the director of the department of water resources to examine same, obtain any consent required in section 42-108, Idaho Code, and if otherwise proper to provide notice of the proposed change in the same a similar manner as applications under section 42-203A, Idaho Code. Such notice shall advise that anyone who desires to protest the proposed change shall file notice of protests
with the department within ten (10) days of the last date of publication. Upon the receipt of any protest, accompanied by the statutory filing fee as provided in section 42-221, Idaho Code, it shall be the duty of the director of the department of water resources to investigate the same and to conduct a hearing thereon. He shall also advise the watermaster of the district in which such water is used of the proposed change and the watermaster shall notify the director of the department of water resources of his recommendation on the application, and the director of the department of water resources shall not finally determine the action on the application for change until he has received from such watermaster his recommendation thereof, which action of the watermaster shall be received and considered as other evidence. For applications proposing to change only the point of diversion or place of use of a water right in a manner that will not change the effect on the source for the right and any other hydraulically-connected sources from the effect resulting under the right as previously approved, and that will not affect the rights of other water users, the director of the department of water resources shall give only such notice to other users as he deems appropriate.

When the nature of use of the water right is to be changed to municipal purposes and some or all of the right will be held by a municipal provider to serve reasonably anticipated future needs, the municipal provider shall provide to the department sufficient information and documentation to establish that the applicant qualifies as a municipal provider and that the reasonably anticipated future needs, the service area and the planning horizon are consistent with the definitions and requirements specified in this chapter. The service area need not be described by legal description nor by description of every intended use in detail, but the area must be described with sufficient information to identify the general location where the water under the water right is to be used and the types and quantity of uses that generally will be made.

When a water right or a portion thereof to be changed is held by a municipal provider for municipal purposes, as defined in section 42-202B, Idaho Code, that portion of the right held for reasonably anticipated future needs at the time of the change shall not be changed to a place of use outside the service area, as defined in section 42-202B, Idaho Code, or to a new nature of use.

The director of the department of water resources shall examine all the evidence and available information and shall approve the change in whole, or in part, or upon conditions, provided no other water rights are injured thereby, the change does not constitute an enlargement in use of the original right, the change is consistent with the conservation of water resources within the state of Idaho and is in the local public interest as defined in section 42-202B, Idaho Code, the change will not adversely affect the local economy of the watershed or local area within which the source of water for the proposed use originates, in the case where the place of use is outside of the watershed or local area where the source of water originates, and the new use is a beneficial use, which in the case of a municipal provider shall be satisfied if the water right is necessary to serve reasonably anticipated future needs as provided in this chapter. The director may consider consumptive use, as defined in section 42-202B, Idaho Code, as a factor in determining whether a proposed change would constitute an enlargement in use of
the original water right. The director shall not approve a change in the nature of use from agricultural use where such change would significantly affect the agricultural base of the local area. The transfer of the right to the use of stored water for irrigation purposes shall not constitute an enlargement in use of the original right even though more acres may be irrigated, if no other water rights are injured thereby. A copy of the approved application for change shall be returned to the applicant and he shall be authorized upon receipt thereof to make the change and the original water right shall be presumed to have been amended by reason of such authorized change. In the event the director of the department of water resources determines that a proposed change shall not be approved as provided in this section, he shall deny the same and forward notice of such action to the applicant by certified mail, which decision shall be subject to judicial review as hereafter set forth. Provided however, minimum stream flow water rights may not be established under the local public interest criterion, and may only be established pursuant to chapter 15, title 42, Idaho Code.

(2) All rights to the use of water acquired under this chapter or otherwise shall be lost and forfeited by a failure for the term of five (5) years to apply it to the beneficial use for which it was appropriated and when any right to the use of water shall be lost through nonuse or forfeiture such rights to such water shall revert to the state and be again subject to appropriation under this chapter; except that any right to the use of water shall not be lost through forfeiture by the failure to apply the water to beneficial use under certain circumstances as specified in section 42-223, Idaho Code.

(3) Upon proper showing before the director of the department of water resources of good and sufficient reason for nonapplication to beneficial use of such water for such term of five (5) years, the director of the department of water resources is hereby authorized to grant an extension of time extending the time for forfeiture of title for nonuse thereof, to such waters for a period of not to exceed five (5) additional years.

(4) Application for an extension shall be made before the end of the five (5) year period upon forms to be furnished by the department of water resources and shall fully describe the right on which an extension of time to resume the use is requested and the reasons for such nonuse and shall be accompanied by the statutory filing fee; provided that water rights protected from forfeiture under the provisions of section 42-223, Idaho Code, are exempt from this requirement.

(a) Upon the receipt of such application it shall be the duty of the director of the department of water resources to examine the same and to provide notice of the application for an extension in the same manner as applications under section 42-203A, Idaho Code. The notice shall fully describe the right, the extension which is requested and the reason for such nonuse and shall state that any person desiring to object to the requested extension may submit a protest, accompanied by the statutory filing fee as provided in section 42-221, Idaho Code, to the director of the department of water resources within ten (10) days of the last date of publication.

(b) Upon receipt of a protest it shall be the duty of the director of the department of water resources to investigate and conduct a hearing thereon as in this chapter provided.

(c) The director of the department of water resources shall find
from the evidence presented in any hearing, or from information available to the department, the reasons for such nonuse of water and where it appears to the satisfaction of the director of the department of water resources that other rights will not be impaired by granting an extension of time within which to resume the use of the water and good cause appearing for such nonuse, he may grant one (1) extension of five (5) years within which to resume such use.

(d) In his approval of the application for an extension of time under this section the director of the department of water resources shall set the date when the use of water is to be resumed. Sixty (60) days before such date the director of the department of water resources shall forward to the applicant at his address of record a notice by certified mail setting forth the date on which the use of water is to be resumed and a form for reporting the resumption of the use of the water right. If the use of the water has not been resumed and report thereon made on or before the date set for resumption of use such right shall revert to the state and again be subject to appropriation, as provided in this section.

(e) In the event the director of the department of water resources determines that a proposed extension of time within which to resume use of a water right shall not be approved as provided in this section, he shall deny same and forward notice of such action to the applicant by certified mail, which decision shall be subject to judicial review as hereafter provided.

(5) Any person or persons feeling themselves aggrieved by the determination of the department of water resources in approving or rejecting an application to change the point of diversion, place, period of use or nature of use of water under an established right or an application for an extension of time within which to resume the use of water as provided in this section, may, if a protest was filed and a hearing held thereon, seek judicial review pursuant to section 42-1701A(4), Idaho Code. If no protest was filed and no hearing held, the applicant may request a hearing pursuant to section 42-1701A(3), Idaho Code, for the purpose of contesting the action of the director and may seek judicial review of the final order of the director following the hearing pursuant to section 42-1701A(4), Idaho Code.

AN ACT
RELATING TO GEOTHERMAL RESOURCES; AMENDING SECTION 42-4005, IDAHO CODE, TO PROVIDE THAT THE DIRECTOR SHALL NOT ISSUE A PERMIT FOR GEOTHERMAL RESOURCES IF HE FINDS THAT THE OPERATION OF ANY WELL UNDER A PROPOSED PERMIT WILL DECREASE GROUND WATER IN ANY AQUIFER OR OTHER GROUND WATER SOURCE OR WILL UNREASONABLY DECREASE GROUND WATER AVAILABLE FOR PRIOR WATER RIGHTS IN ANY AQUIFER OR OTHER GROUND WATER SOURCE OF WATER FOR BENEFICIAL USES, OTHER THAN USES AS A MINERAL SOURCE, AN ENERGY SOURCE OR OTHERWISE AS A MATERIAL MEDIUM, UNLESS AND UNTIL THE APPLICANT HAS ALSO OBTAINED A PERMIT FOR THE APPROPRIATION OF GROUND WATERS AND TO MAKE A TECHNICAL CORRECTION.
Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 42-4005, Idaho Code, be, and the same is hereby amended to read as follows:

42-4005. PERMIT -- ISSUANCE -- BOND -- REVIEW -- APPEAL. (a) If the director finds that the well or the injection well as proposed to be constructed or altered is in the public interest, he shall issue a permit. The director may issue a permit substantially in accordance with the specifications on the application, or the director may limit the scope of the permit granted or may issue a permit subject to conditions.

(b) If the director finds that the well or injection well as it is proposed to be constructed or altered in the application will not be in the public interest, he shall refuse to issue a permit. In no case shall the director issue a permit to construct or alter a well or injection well if he finds that use of the proposed well or injection well may be expected to unreasonably reduce the quality of any surface or ground waters below the quality which such waters would have had but for the proposed well.

(c) If the director refuses to issue a permit, or issues one subject to conditions or limitations, he shall issue a clear statement of his reasons for refusing to issue or issuing the limited permit. The director shall issue a statement of findings of fact and conclusions of law that provides a factual and legal basis for the order. The refusal of the director to issue a permit, together with the clear statement of the reasons for refusing to issue the permit shall be served on the applicant by certified mail. A permit issued conditionally or subject to limitations shall, with the statement of reasons required under this subdivision, be served in the same manner as a refusal to issue a permit.

(d) An applicant denied a permit or issued a limited or conditional permit may seek a public hearing before the water resource board. A certified transcript of the proceedings and the evidence received at such hearing shall be maintained by the board. The board shall affirm, modify or reject the director's decision, and make its decision in the form of an order to the director. The hearing shall be conducted in accordance with chapter 52, title 67, Idaho Code. Judicial review of the final determination by the board may be secured pursuant to chapter 52, title 67, Idaho Code.

(e) The director shall not issue a permit if he finds that the operation of any well under a proposed permit will unreasonably decrease ground water available for prior water rights in any aquifer or other ground water source for or will unreasonably decrease ground water available for prior water rights in any aquifer or other ground water source of water for beneficial uses, other than uses as a mineral source, an energy source, or otherwise as a material medium, unless and until the applicant has also obtained a permit for the appropriation of ground waters under chapter 2, title 42, Idaho Code.

(f) The director shall require, as a condition of every permit, every person who engages in the construction, alteration, testing, or operation of a well to file with the director, on a form prescribed by the director, a bond indemnifying the state of Idaho providing good and sufficient security, conditioned upon the performance of the duties required by this chapter and the proper abandonment of any well covered
by such permit. The bond shall be in an amount not less than five thou­
sand dollars ($5,000) or more than one hundred thousand dollars
($100,000) as determined by the director based on the size and depth of
the well, the complexity of the well, the resource to be recovered, the
area of operation, and other relevant factors.

Upon the box being so opened the director shall extract therefrom and deliver to the sheriff for sale on execution deposited assets or securities of the insurer in amount, up to the full amount so on deposit, not less than as required for the satisfaction of the judgment. In--case—of—a—levy upon--the—special—deposit—of—an—insurer—made—under—section—41-317,--idaho--code; and failure of the insurer fully to pay and discharge such judgment within forty (40) days after the date of notice by the director, the state treasurer shall deliver to the sheriff for sale on execution so much of the insurer's securities or assets so on deposit as may be required to cover the judgment and attendant costs. All proceedings for the enforcement of the writ of execution against the deposit shall conform as nearly as may be to the practice in ordinary cases except as in
this subsection specially provided.

(5) If the insurer, after notice by the director as required under subsection (4) of this section, willfully fails to attend to the opening of the box in which its deposit is kept, or willfully fails to permit the director to extract therefrom assets or securities as in subsection (4) of this section provided, the director shall after hearing held thereon forthwith revoke the insurer's certificate of authority and institute proceedings for the rehabilitation or liquidation of the insurer under chapter 33 of this code. In any such proceedings the judgment with respect to which execution was issued and leading to the insurer's failure as herein referred to, shall have a first and prior right and claim as to the assets and securities of the insurer constituting its deposit as levied against, as of the date of service upon the director of the copy of the judgment, petition, and writ of execution as provided for in subsection (4) of this section.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 41-1927A, Idaho Code, be, and the same is hereby amended to read as follows:

41-1927A. STANDARD NONFORFEITURE LAW FOR INDIVIDUAL DEFERRED ANNUITIES. (1) This section shall be known as the standard nonforfeiture law for individual deferred annuities.

(2) This section shall not apply to any reinsurance, group annuity purchased under a retirement plan or plan of deferred compensation established or maintained by an employer (including a partnership or sole proprietorship) or by an employee organization, or by both, other than a plan providing individual retirement accounts or individual retirement annuities under section 408 of the Internal Revenue Code, as now or hereafter amended, premium deposit fund, variable annuity, investment annuity, immediate annuity, any deferred annuity contract after annuity payments have commenced, or reversionary annuity, nor to any contract which shall be delivered outside this state through an agent or other representative of the insurer issuing the contract.

(3) In the case of contracts issued on or after the operative date of this section as defined in subsection (12) of this section, no contract of annuity, except as stated in subsection (2) of this section shall be delivered or issued for delivery in this state unless it con-
contains in substance the following provisions, or corresponding provisions which in the opinion of the director are at least as favorable to the contractholder, upon cessation of payment of considerations under the contract.

(a) That upon cessation of payment of considerations under a contract, the insurer will grant a paid-up annuity benefit on a plan stipulated in the contract of such value as is specified in subsections (5), (6), (7), (8) and (10) of this section.

(b) If a contract provides for a lump sum settlement at maturity, or at any other time, that upon surrender of the contract at or prior to the commencement of any annuity payments, the insurer will pay in lieu of any paid-up annuity benefit a cash surrender benefit of such amount as is specified in subsections (5), (6), (8) and (10) of this section. The insurer shall reserve the right to defer the payment of such cash surrender benefit for a period of six (6) months after demand therefor with surrender of the contract. If the insurer defers payment of a cash surrender benefit under this section, the insurer shall pay interest at the rate specified in section 28-22-104(2), Idaho Code, as established and in existence at the time of the surrender demand.

(c) A statement of the mortality table, if any, and interest rates used in calculating any minimum paid-up annuity, cash surrender or death benefits that are guaranteed under the contract, together with sufficient information to determine the amounts of such benefits.

(d) A statement that any paid-up annuity, cash surrender or death benefits that may be available under the contract are not less than the minimum benefits required by any statute of the state in which the contract is delivered and an explanation of the manner in which such benefits are altered by the existence of any additional amounts credited by the insurer to the contract, any indebtedness to the insurer on the contract or any prior withdrawals from or partial surrenders of the contract.

Notwithstanding the requirements of this section, any deferred annuity contract may provide that if no considerations have been received under a contract for a period of two (2) full years and the portion of the paid-up annuity benefit at maturity on the plan stipulated in the contract arising from considerations paid prior to such period would be less than twenty dollars ($20.00) monthly, the insurer may at its option terminate such contract by payment in cash of the then present value of such portion of the paid-up annuity benefit, calculated on the basis of the mortality table, if any, and interest rate specified in the contract for determining the paid-up annuity benefit, and by such payment shall be relieved of any further obligation under such contract.

(4) The minimum values as specified in subsections (5), (6), (7), (8) and (10) of this section of any paid-up annuity, cash surrender or death benefits available under an annuity contract shall be based upon minimum nonforfeiture amounts as defined in this section.

(a) With respect to contracts providing for flexible considerations, the minimum nonforfeiture amount at any time at or prior to the commencement of any annuity payments shall be equal to an accumulation up to such time at a rate of interest of three percent (3%) per annum of percentages of the net considerations (as hereinafter defined) paid prior to such time, decreased by the sum of--(i)--any prior withdrawals from or partial surrenders of the contract accumu-
lated at a rate of interest of three percent (3%) per annum and (ii) the amount of any indebtedness to the insurer on the contract, including interest due and accrued, and increased by any existing additional amounts credited by the insurer to the contract.

The net considerations for a given contract year used to define the minimum nonforfeiture amount shall be an amount not less than zero and shall be equal to the corresponding gross considerations credited to the contract during that contract year less an annual contract charge of thirty dollars ($30.00) and less a collection charge of one dollar and twenty-five cents ($1.25) per consideration credited to the contract during that contract year. The percentages of net considerations shall be sixty-five percent (65%) of the net considerations for the first contract year and eighty-seven and one-half percent (87 1/2%) of the net considerations for the second and later contract years. Notwithstanding the provisions of the preceding sentence, the percentage shall be sixty-five percent (65%) of the portion of the total net consideration for any renewal contract year which exceeds by not more than two (2) times the sum of those portions of the net considerations in all prior contract years for which the percentage was sixty-five percent (65%).

Notwithstanding the provisions of paragraph (a) of this subsection, the minimum nonforfeiture amount for any contract issued on or after July 1, 2003, and before July 1, 2005 shall be based on a rate of interest of one and one-half percent (1.5%) per annum.

(b) With respect to contracts providing for fixed scheduled considerations, minimum nonforfeiture amounts shall be calculated on the assumption that considerations are paid annually in advance and shall be defined as for contracts with flexible considerations which are paid annually with two (2) exceptions:

1. The portion of the net consideration for the first contract year to be accumulated shall be the sum of sixty-five percent (65%) of the net consideration for the first contract year plus twenty-two and one-half percent (22 1/2%) of the excess of the net consideration for the first contract year over the lesser of the net considerations for the second and third contract years.

2. The annual contract charge shall be the lesser of (i) thirty dollars ($30.00) or (ii) ten percent (10%) of the gross annual considerations.

(c) With respect to contracts providing for a single consideration, minimum nonforfeiture amounts shall be defined as for contracts with flexible considerations except that the percentage of net consideration used to determine the minimum nonforfeiture amount shall be equal to ninety percent (90%) and the net consideration shall be the gross consideration less a contract charge of seventy-five dollars ($75.00). The minimum nonforfeiture amount at any time at or prior to the commencement of any annuity payments shall be equal to an accumulation up to such time at rates of interest as indicated in subsection (4)(b) of this section of the net considerations (as herein-after defined) paid prior to such time, decreased by the sum of sub para rank (4)(a)(i) through (iv) below:

(i) Any prior withdrawals from or partial surrenders of the contract accumulated at rates of interest as indicated in subsection (4)(b) of this section;
(ii) An annual contract charge of fifty dollars ($50.00), accumulated at rates of interest as indicated in subsection (4)(b) of this section;

(iii) Any premium tax paid by the insurer for the contract, accumulated at rates of interest as indicated in subsection (4)(b) of this section, provided that the premium tax credit is only permitted if the tax is actually paid by the insurer, and provided further that if the tax is paid and subsequently credited back to the insurer, such as upon early termination of the contract, the tax credit may not be taken; and

(iv) The amount of any indebtedness to the insurer on the contract, including interest due and accrued.

The net considerations for a given contract year used to define the minimum nonforfeiture amount shall be an amount equal to eighty-seven and one-half percent (87.5%) of the gross considerations credited to the contract during that contract year.

(b) The interest rate used in determining minimum nonforfeiture amounts shall be an annual rate of interest determined as the lesser of three percent (3%) per annum and the following, which shall be specified in the contract if the interest rate will be reset:

(i) The five (5) year constant maturity treasury rate reported by the federal reserve as of a date, or average over a period, rounded to the nearest one-twentieth of one percent (0.2%), specified in the contract no longer than fifteen (15) months prior to the contract issue date or redetermination date under subsection (4)(b)(iv) of this section;

(ii) Reduced by one hundred twenty-five (125) basis points;

(iii) Where the resulting interest rate is not less than one percent (1%); and

(iv) The interest rate shall apply for an initial period and may be redetermined for additional periods. The redetermination date, basis and period, if any, shall be stated in the contract. The basis is the date or average over a specified period that produces the value of the five (5) year constant maturity treasury rate to be used at each redetermination date.

(c) During the period or term that a contract provides substantive participation in an equity indexed benefit, it may increase the reduction described in subsection (4)(b)(ii) of this section by up to an additional one hundred (100) basis points to reflect the value of the equity index benefit. The present value at the contract issue date, and at each redetermination date thereafter, of the additional reduction shall not exceed the market value of the benefit. The director may require a demonstration that the present value of the additional reduction does not exceed the market value of the benefit. Lacking such a demonstration that is acceptable to the director, the director may disallow or limit the additional reduction.

(d) The director may adopt rules to implement the provisions of subsection (4)(c) of this section and to provide for further adjustments to the calculation of minimum nonforfeiture amounts for contracts that provide substantive participation in an equity index benefit and for other contracts that the director determines adjustments are justified.

(5) Any paid-up annuity benefit available under a contract shall be such that its present value on the date annuity payments are to commence
is at least equal to the minimum nonforfeiture amount on that date. Such present value shall be computed using the mortality table, if any, and the interest rate specified in the contract for determining the minimum paid-up annuity benefits guaranteed in the contract.

(6) For contracts which provide cash surrender benefits, such cash surrender benefits available prior to maturity shall not be less than the present value as of the date of surrender of that portion of the maturity value of the paid-up annuity benefit which would be provided under the contract at maturity arising from considerations paid prior to the time of cash surrender reduced by the amount appropriate to reflect any prior withdrawals from or partial surrenders of the contract, such present value being calculated on the basis of an interest rate not more than one percent (1%) higher than the interest rate specified in the contract for accumulating the net considerations to determine such maturity value, decreased by the amount of any indebtedness to the insurer on the contract, including interest due and accrued, and increased by any existing additional amounts credited by the insurer to the contract. In no event shall any cash surrender benefit be less than the minimum nonforfeiture amount at that time. The death benefit under such contracts shall be at least equal to the cash surrender benefit.

(7) For contracts which do not provide cash surrender benefits, the present value of any paid-up annuity benefit available as a nonforfeiture option at any time prior to maturity shall not be less than the present value of that portion of the maturity value of the paid-up annuity benefit provided under the contract arising from considerations paid prior to the time the contract is surrendered in exchange for, or changed to, a deferred paid-up annuity, such present value being calculated for the period prior to the maturity date on the basis of the interest rate specified in the contract for accumulating the net considerations to determine such maturity value, and increased by any existing additional amounts credited by the insurer to the contract. For contracts which do not provide any death benefits prior to the commencement of any annuity payments, such present values shall be calculated on the basis of such interest rate and the mortality table specified in the contract for determining the maturity value of the paid-up annuity benefit. However, in no event shall the present value of a paid-up annuity benefit be less than the minimum nonforfeiture amount at that time.

(8) For the purpose of determining the benefits calculated under subsections (6) and (7) of this section, in the case of annuity contracts under which an election may be made to have annuity payments commence at optional maturity dates, the maturity date shall be deemed to be the latest date for which election shall be permitted by the contract, but shall not be deemed to be later than the anniversary of the contract next following the annuitant's seventieth birthday or the tenth anniversary of the contract, whichever is later.

(9) Any contract which does not provide cash surrender benefits or does not provide death benefits at least equal to the minimum nonforfeiture amount prior to the commencement of any annuity payments shall include a statement in a prominent place in the contract that such benefits are not provided.

(10) Any paid-up annuity, cash surrender or death benefits available at any time, other than on the contract anniversary under any contract with fixed scheduled considerations, shall be calculated with allowance for the lapse of time and the payment of any scheduled considerations.
beyond the beginning of the contract year in which cessation of payment of considerations under the contract occurs.

(11) For any contract which provides, within the same contract by rider or supplemental contract provision, both annuity benefits and life insurance benefits that are in excess of the greater of cash surrender benefits or a return of the gross considerations with interest, the minimum nonforfeiture benefits shall be equal to the sum of the minimum nonforfeiture benefits for the annuity portion and the minimum nonforfeiture benefits, if any, for the life insurance portion computed as if each portion were a separate contract. Notwithstanding the provisions of subsections (5), (6), (7), (8) and (10) of this section, additional benefits payable (i) in the event of total and permanent disability, (ii) as reversionary annuity or deferred reversionary annuity benefits, or (iii) as other policy benefits additional to life insurance, endowment, and annuity benefits, and considerations for all such additional benefits, shall be disregarded in ascertaining the minimum nonforfeiture amounts, paid-up annuity, cash surrender and death benefits that may be required by this section. The inclusion of such additional benefits shall not be required in any paid-up benefits, unless such additional benefits separately would require minimum nonforfeiture amounts, paid-up annuity, cash surrender and death benefits.

(12) After the effective date of this section any insurer may file with the director a written notice of its election to comply with the provisions of this section after a specified date before the second anniversary of the effective date of this section. After the filing of such notice, then upon such specified date, which shall be the operative date of this section for such insurer, this section shall become operative with respect to annuity contracts thereafter issued by such insurer. If an insurer makes no such election, the operative date of this section for such insurer shall be the second anniversary of the effective date of this section.

SECTION 2. Before January 1, 2006, an insurer may (1) issue an annuity policy under the provisions of Section 41-1927A(4), Idaho Code, as those provisions were in effect on July 1, 2003; or (2) issue an annuity policy under the provisions of Section 41-1927A(4), Idaho Code, as those provisions are in effect on July 1, 2004. On and after January 1, 2006, an annuity policy issued by an insurer must comply with the provisions of Section 41-1927A(4), Idaho Code, as those provisions, including any subsequent amendments thereto, are in effect on and after July 1, 2004.

CHAPTER 19
INTERSTATE COMPACT FOR JUVENILES

16-1901. COMPACTS WITH OTHER STATES AUTHORIZED. The governor of this state is hereby authorized and directed to execute a compact on behalf of the state of Idaho with any of the United States legally joining therein in the form substantially as follows:

ARTICLE I
PURPOSE

The compacting states to this interstate compact recognize that each state is responsible for the proper supervision or return of juveniles, delinquents and status offenders who are on probation or parole and who have absconded, escaped or run away from supervision and control and in so doing have endangered their own safety and the safety of others. The compacting states also recognize that each state is responsible for the safe return of juveniles who have run away from home and in doing so have left their state of residence. The compacting states also recognize that congress, by enacting the crime control act, 4 U.S.C. section 112 (1965), has authorized and encouraged compacts for cooperative efforts and mutual assistance in the prevention of crime.

It is the purpose of this compact, through means of joint and cooperative action among the compacting states to: (A) ensure that the adjudicated juveniles and status offenders subject to this compact are provided adequate supervision and services in the receiving state as ordered by the adjudicating judge or parole authority in the sending state; (B) ensure that the public safety interests of the citizens, including the victims of juvenile offenders, in both the sending and
receiving states are adequately protected; (C) return juveniles who have run away, absconded or escaped from supervision or control or have been accused of an offense to the state requesting their return; (D) make contracts for the cooperative institutionalization in public facilities in member states for delinquent youth needing special services; (E) provide for the effective tracking and supervision of juveniles; (F) equitably allocate the costs, benefits and obligations of the compacting states; (G) establish procedures to manage the movement between states of juvenile offenders released to the community under the jurisdiction of courts, juvenile departments, or any other criminal or juvenile justice agency which has jurisdiction over juvenile offenders; (H) ensure immediate notice to jurisdictions where defined offenders are authorized to travel or to relocate across state lines; (I) establish procedures to resolve pending charges (detainers) against juvenile offenders prior to transfer or release to the community under the terms of this compact; (J) establish a system of uniform data collection on information pertaining to juveniles subject to this compact that allows access by authorized juvenile justice and criminal justice officials, and regular reporting of compact activities to heads of state executive, judicial, and legislative branches and juvenile and criminal justice administrators; (K) monitor compliance with rules governing interstate movement of juveniles and initiate interventions to address and correct noncompliance; (L) coordinate training and education regarding the regulation of interstate movement of juveniles for officials involved in such activity; and (M) coordinate the implementation and operation of the compact with the interstate compact for the placement of children, the interstate compact for adult offender supervision and other compacts affecting juveniles particularly in those cases where concurrent or overlapping supervision issues arise. It is the policy of the compacting states that the activities conducted by the interstate commission created herein are the formation of public policies and therefore are public business. Furthermore, the compacting states shall cooperate and observe their individual and collective duties and responsibilities for the prompt return and acceptance of juveniles subject to the provisions of this compact. The provisions of this compact shall be reasonably and liberally construed to accomplish the purposes and policies of the compact.

The commission shall have all the responsibilities, powers and duties set forth herein, and such additional powers as may be conferred upon it by subsequent action of the respective legislatures of the compacting states in accordance with the terms of this compact.

B. The interstate commission shall consist of commissioners
appointed by the appropriate appointing authority in each state pursuant to the rules and requirements of each compacting state and in consultation with the state council for interstate juvenile supervision created hereunder. The commissioner shall be the compact administrator, deputy compact administrator or designee from that state who shall serve on the interstate commission in such capacity under or pursuant to the applicable law of the compacting state.

C. In addition to the commissioners who are the voting representatives of each state, the interstate commission shall include individuals who are not commissioners, but who are members of interested organizations. Such noncommissioner members must include a member of the national organizations of governors, legislators, state chief justices, attorneys general, interstate compact for adult offender supervision, interstate compact for the placement of children, juvenile justice and juvenile corrections officials, and crime victims. All noncommissioner members of the interstate commission shall be ex officio (nonvoting) members. The interstate commission may provide in its bylaws for such additional ex officio (nonvoting) members, including members of other national organizations, in such numbers as shall be determined by the commission.

G. Each member of the interstate commission shall have the right and power to cast a vote to which that compacting state is entitled and to participate in the business and affairs of the interstate commission. A member shall vote in person and shall not delegate a vote to another compacting state. However, a commissioner, in consultation with the state council, shall appoint another authorized representative, in the absence of the commissioner from that state, to cast a vote on behalf of the compacting state at a specified meeting. The bylaws may provide for members' participation in meetings by telephone or other means of telecommunication or electronic communication.

9. Specifically relate to the interstate commission's issuance of a subpoena, or its participation in a civil action or other legal proceeding.

J. For every meeting closed pursuant to this provision, the interstate commission's legal counsel shall publicly certify that, in the legal counsel's opinion, the meeting may be closed to the public, and shall reference each relevant exemptive provision. The interstate commission shall keep minutes which shall fully and clearly describe all matters discussed in any meeting and shall provide a full and accurate summary of any actions taken, and the reasons therefor, including a description of each of the views expressed on any item and the record of any roll call vote (reflected in the vote of each member on the question). All documents considered in connection with any action shall be identified in such minutes.

K. The interstate commission shall collect standardized data concerning the interstate movement of juveniles as directed through its rules which shall specify the data to be collected, the means of collection and data exchange and reporting requirements. Such methods of data collection, exchange and reporting shall insofar as is reasonably possible conform to up-to-date technology and coordinate its information functions with the appropriate repository of records.

ARTICLE IV

order to effectively and efficiently achieve the purposes of the com-

the interstate commission deems appropriate consistent with due process
requirements under the United States Constitution as now or hereafter

For purposes of this subsection, evidence is substantial if it would be considered substantial evidence under the model state administrative procedures act.
E. If a majority of the legislatures of the compacting states rejects a rule, those states may, by enactment of a statute or resolution in the same manner used to adopt the compact, cause that such rule shall have no further force and effect in any compacting state.

The receipts and disbursements of the interstate commission shall be subject to the audit and accounting procedures established under its bylaws. own state council, its membership must include at least one (1) representative from the legislative, judicial, and executive branches of government, victims groups, and the compact administrator, deputy compact administrator or designee. Each compacting state retains the right to determine the qualifications of the compact administrator or deputy compact administrator. Thereafter it shall become effective and binding as to any other compacting state upon enactment of the compact into law by that state. The governors of nonmember states or their designees shall be invited to participate in the activities of the interstate commission on a non-voting basis prior to adoption of the compact by all states and territories of the United States.

C. The interstate commission may propose amendments to the compact for enactment by the compacting states. No amendment shall become effective and binding upon the interstate commission and the compacting states unless and until it is enacted into law by unanimous consent of the compacting states.

   b. Alternative dispute resolution;
   c. Fines, fees, and costs in such amounts as are deemed to be reasonable as fixed by the interstate commission; and

Suspension or termination of membership in the compact, which shall be imposed only after all other reasonable means of securing compliance under the bylaws and rules have been exhausted and the interstate commission has therefore determined that the offending state is in default. Immediate notice of suspension shall be given by the interstate commission to the governor, the chief justice or the chief judicial officer of the state, the majority and minority leaders of the defaulting state's legislature, and the state council. The grounds for default include, but are not limited to, failure of a compacting state to perform such obligations or responsibilities imposed upon it by this compact, the bylaws, or duly promulgated rules and any other grounds designated in commission bylaws and rules. The interstate commission shall immediately notify the defaulting state in writing of the penalty imposed by the interstate commission and of the default pending a cure of the default. The commission shall stipulate the conditions and the time period within which the defaulting state must cure its default. If the defaulting state fails to cure the default within the time period specified by the commission, the defaulting state shall be terminated from the compact upon an affirmative vote of a majority of the compacting states and all rights, privileges and benefits conferred by this compact shall be terminated from the effective date of termination.

2. Within sixty (60) days of the effective date of termination of a defaulting state, the commission shall notify the governor, the chief justice or chief judicial officer, the majority and minority leaders of the defaulting state's legislature, and the state council of such termination.

3. The defaulting state is responsible for all assessments, obligations and liabilities incurred through the effective date of termination including any obligations, the performance of which extends beyond the effective date of termination.

4. The interstate commission shall not bear any costs relating to the defaulting state unless otherwise mutually agreed upon in writing between the interstate commission and the defaulting state.

5. Reinstatement following termination of any compacting state requires both a reenactment of the compact by the defaulting state and the approval of the interstate commission pursuant to the rules.

Section C. Judicial Enforcement

The interstate commission may, by majority vote of the members, ini-
tiate legal action in the United States district court for the District of Columbia or, at the discretion of the interstate commission, in the federal district where the interstate commission has its offices, to enforce compliance with the provisions of the compact, its duly promulgated rules and bylaws, against any compacting state in default. In the event judicial enforcement is necessary the prevailing party shall be awarded all costs of such litigation including reasonable attorney's fees.

Section D. Dissolution of Compact
1. The compact dissolves effective upon the date of the withdrawal or default of the compacting state, which reduces membership in the compact to one (1) compacting state.

In the event any provision of this compact exceeds the constitutional limits imposed on the legislature of any compacting state, the obligations, duties, powers or jurisdiction sought to be conferred by such provision upon the interstate commission shall be ineffective and such obligations, duties, powers or jurisdiction shall remain in the compacting state and shall be exercised by the agency thereof to which such obligations, duties, powers or jurisdiction are delegated by law in effect at the time this compact becomes effective.
16-1902. SHORT TITLE. This act may be cited as the "Interstate Compact for Juveniles."

(ii) That the telemarketer is going to charge the account holder's account;
(iii) The specific account that will be charged;
(iv) The specific amount that the account holder's account will be charged; and

63-3035. STATE WITHHOLDING TAX ON PERCENTAGE BASIS — WITHHOLDING, COLLECTION AND PAYMENT OF TAX. (a) Every employer who is required under the provisions of the Internal Revenue Code to withhold, collect and pay income tax on wages or salaries paid by such employer to any employee (other than employees specified in Internal Revenue Code section 3401(a)(2)) shall, at the time of such payment of wages, salary, bonus or other emolument to such employee, deduct and retain therefrom an amount substantially equivalent to the tax reasonably calculated by the state tax commission to be due from the employee under this chapter. The state tax commission shall prepare tables showing amounts to be withheld, and shall supply same to each employer subject to this section. In the event that an employer can demonstrate administrative inconvenience in complying with the exact requirements set forth in these tables, he may, with the consent of the state tax commission and upon application to it, use a different method which will produce substantially the same amount of taxes withheld. Every employer making payments of wages or salaries earned in Idaho, regardless of the place where such payment is made:

(1) shall be liable to the state of Idaho for the payment of the tax required to be deducted and withheld under this section and shall not be liable to any individual for the amount deducted from his wages and paid over in compliance or intended compliance with this section;
(2) must pay to the state tax commission monthly on or before the 20th day of the succeeding month, or at such other times as the state tax commission may allow, an amount of tax which, under the provisions of this chapter, he is required to deduct and withhold;
(3) shall register with the state tax commission, in the manner prescribed by it, to establish an employer's withholding account number. The account number will be used to report all amounts withheld, for the annual reconciliation required in this section, and for such other purposes relating to withholding as the state tax commission may require; and
(4) must, notwithstanding the provisions of paragraphs (1) and (2) of this subsection, if the amount of withholding of such employer for the preceding twelve (12) month period equals or exceeds sixty thousand dollars ($60,000) per annum or an average of five thousand dollars ($5,000) per month per annum, pay to the state tax commission on the basis of withholding periods which begin on the 16th day of the month and end on the 15th day of the following month, and payment shall be made not later than five (5) days after the end of the withholding period.

(5) If the payments made required pursuant to subsections (a)(2) and (a)(4) of this section are not made or is made delinquent or if made is not equal to the withholding required under this section shown or required to be shown on the return required by subsection (b)(1) of this section, no penalty shall apply to the underpayment for the period between the due date of the payment and the due date of the return the state tax commission may treat the failure as a failure to file a return and may take administrative and judicial actions as authorized by this chapter in the
case of a failure to file a return. Interest, at the rate provided by section 63-3045, Idaho Code, shall apply to any such underpayment.

(6) Commencing in 1994, the state tax commission shall determine whether the threshold amounts established by subsection (a)(4) of this section must be adjusted to reflect fluctuations in the cost of living. The commission shall base its determination on the cumulative effect of the annual cost-of-living percentage modifications determined by the United States secretary of health and human services pursuant to 42 USC 415(i). When the cumulative percentage applied to the monthly threshold amount equals or exceeds one thousand dollars ($1,000), the commission shall promulgate a rule adjusting the monthly threshold amount by one thousand dollars ($1,000) and making the necessary proportional adjustment to the annual threshold amount. The rule shall be effective for the next succeeding calendar year and each year thereafter until again adjusted by the commission. The tax commission shall determine subsequent adjustments in the same manner, in each case using the year of the last adjustment as the base year.

(b) (1) In addition to the payments required pursuant to subsections (a)(2) and (a)(4) of this section, every employer shall file a return upon such form as shall be prescribed by the state tax commission, but not more frequently than quarterly annually, or as required pursuant to any agreement between the state tax commission and the department of labor under section 63-3035B, Idaho Code, unless a shorter filing period and due date are prescribed by the state tax commission. The return shall be due on the last day of the month following the end of the period to which the return relates. The return shall show, for the period to which it relates, the total amount of wages, salary, bonus or other emolument paid to his employees, the amount deducted therefrom in accordance with the provisions of the Internal Revenue Code, the amount deducted therefrom in accordance with the provisions of this section, the amount of any previous payments made pursuant to this section, and such pertinent and necessary information as the state tax commission may require.

(2) Every employer making a declaration of withholding as provided herein shall furnish to the employees annually, but not later than thirty (30) days after the end of the calendar year, a record of the amount of tax withheld from such employee on forms to be prescribed, prepared and furnished by the state tax commission and on or before the last day of February every employer shall file a copy thereof with the state tax commission. Every employer who is required, under Internal Revenue Code section 6011, to file returns on magnetic media or in other machine readable form may be required by rules of the state tax commission to file corresponding state returns on similar magnetic media or other machine readable form.

(c) All moneys deducted and withheld by every employer shall immediately upon such deduction be state money and every employer who deducts and retains any amount of money under the provisions of this chapter shall hold the same in trust for the state of Idaho and for the payment thereof to the state tax commission in the manner and at the times in this chapter provided. Any employer who does not possess real property situated within the state of Idaho, which, in the opinion of the state tax commission, is of sufficient value to cover his probable
tax liability, may be required to post a surety bond in such sum as the state tax commission shall deem adequate to protect the state.

(d) The provisions of this chapter relating to additions to tax in case of delinquency, and penalties, shall apply to employers subject to the provisions of this section and for these purposes any amount deducted, or required to be deducted and remitted to the state tax commission under this section, shall be considered to be the tax of the employer and with respect to such amount he shall be considered the taxpayer.

(e) Amounts deducted from wages of an employee during any calendar year in accordance with the provisions of this section shall be considered to be in part payment of the tax imposed on such employee for his tax year which begins within such calendar year and the return made by the employer under this subsection (e) shall be accepted by the state tax commission as evidence in favor of the employee of the amount so deducted from his wages. Where the total amount so deducted exceeds the amount of tax on the employee, based on his Idaho taxable income, or where his income is not taxable under this chapter, the state tax commission shall, after examining the annual return filed by the employee in accordance with this chapter, but not later than sixty (60) days after the filing of each return, refund the amount of the excess deducted.

(f) This section shall in no way relieve any taxpayer from his obligation of filing a return at the time required under this chapter, and, should the amount withheld under the provisions of this section be insufficient to pay the total tax of such taxpayer, such unpaid tax shall be paid at the time prescribed by section 63-3034, Idaho Code.

(g) An employee receiving wages shall on any day be entitled to not more than, but may claim fewer than, the number of withholding exemptions to which he is entitled under the Internal Revenue Code for federal income tax withholding purposes.

(h) An employer shall use the exemption certificate filed by the employee with the employer under the withholding exemption provisions of the Internal Revenue Code in determining the amount of tax to be withheld from the employee's wages or salary under this chapter. The tax commission may redetermine the number of withholding exemptions to which an employee is entitled under subsection (g) of this section, and the state tax commission may require such exemption certificate to be filed on a form prescribed by the commission in any circumstance where the commission finds that the exemption certificate filed for Internal Revenue Code purposes does not properly reflect the number of withholding exemptions to which the employee is entitled under this chapter. In no event shall any employee give an exemption certificate which claims a higher number of withholding exemptions than the number to which the employee is entitled by subsection (g) of this section.

SECTION 2. That Section 63-3035, Idaho Code, as amended in Section 1, Chapter 296, Laws of 2003, be, and the same is hereby amended to read as follows:

(other than employees specified in Internal Revenue Code section 3401(a)(2)) shall, at the time of such payment of wages, salary, bonus or other emolument to such employee, deduct and retain therefrom an amount substantially equivalent to the tax reasonably calculated by the state tax commission to be due from the employee under this chapter. The state tax commission shall prepare tables showing amounts to be withheld, and shall supply same to each employer subject to this section. In the event that an employer can demonstrate administrative inconvenience in complying with the exact requirements set forth in these tables, he may, with the consent of the state tax commission and upon application to it, use a different method which will produce substantially the same amount of taxes withheld. Every employer making payments of wages or salaries earned in Idaho, regardless of the place where such payment is made:

(1) shall be liable to the state of Idaho for the payment of the tax required to be deducted and withheld under this section and shall not be liable to any individual for the amount deducted from his wages and paid over in compliance or intended compliance with this section;
(2) must pay to the state tax commission monthly on or before the 20th day of the succeeding month, or at such other times as the state tax commission may allow, an amount of tax which, under the provisions of this chapter, he is required to deduct and withhold;

(4) must, notwithstanding the provisions of paragraphs (1) and (2) of this subsection, if the amount of withholding of such employer for the preceding twelve (12) month period equals or exceeds two hundred forty thousand dollars ($240,000) per annum or an average of twenty thousand dollars ($20,000) per month per annum, pay to the state tax commission on the basis of withholding periods which begin on the 16th day of the month and end on the 15th day of the following month, and payment shall be made not later than five (5) days after the end of the withholding period.

Interest, at the rate provided by section 63-3045, Idaho Code, shall apply to any such underpayment.

(6) Commencing in 2006, the state tax commission shall determine whether the threshold amounts established by subsection (a)(4) of this section must be adjusted to reflect fluctuations in the cost of living. The commission shall base its determination on the cumula-
tive effect of the annual cost-of-living percentage modifications
determined by the United States secretary of health and human ser-
vices pursuant to 42 USC 415(i). When the cumulative percentage
applied to the monthly threshold amount equals or exceeds five thou-
sand dollars ($5,000), the commission shall promulgate a rule
adjusting the monthly threshold amount by five thousand dollars
($5,000) and making the necessary proportional adjustment to the
annual threshold amount. The rule shall be effective for the next

thirty (30) days after the end of the calendar year, a record of the
amount of tax withheld from such employee on forms to be prescribed,
prepared and furnished by the state tax commission and on or before
the last day of February every employer shall file a copy thereof
with the state tax commission. Every employer who is required, under
Internal Revenue Code section 6011, to file returns on magnetic
media or in other machine readable form may be required by rules of
the state tax commission to file corresponding state returns on sim-
ilar magnetic media or other machine readable form.

(c) All moneys deducted and withheld by every employer shall imme-
diately upon such deduction be state money and every employer who
deducts and retains any amount of money under the provisions of this
chapter shall hold the same in trust for the state of Idaho and for the
payment thereof to the state tax commission in the manner and at the

property situated within the state of Idaho, which, in the opinion of
the state tax commission, is of sufficient value to cover his probable
tax liability, may be required to post a surety bond in such sum as the
state tax commission shall deem adequate to protect the state.

(d) The provisions of this chapter relating to additions to tax in
case of delinquency, and penalties, shall apply to employers subject to
the provisions of this section and for these purposes any amount
deducted, or required to be deducted and remitted to the state tax com-
mision under this section, shall be considered to be the tax of the
employer and with respect to such amount he shall be considered the taxpayer.

Where the total amount so deducted exceeds the amount of tax on the employee, based on his Idaho taxable income, or where his income is not taxable under this chapter, the state tax commission shall, after examining the annual return filed by the employee in accordance with this chapter, but not later than sixty (60) days after the filing of each return, refund the amount of the excess deducted.

(f) This section shall in no way relieve any taxpayer from his obligation of filing a return at the time required under this chapter, and, should the amount withheld under the provisions of this section be insufficient to pay the total tax of such taxpayer, such unpaid tax shall be paid at the time prescribed by section 63-3034, Idaho Code.

(g) An employee receiving wages shall on any day be entitled to not more than, but may claim fewer than, the number of withholding exemptions to which he is entitled under the Internal Revenue Code for federal income tax withholding purposes.

(h) An employer shall use the exemption certificate filed by the employee with the employer under the withholding exemption provisions of the Internal Revenue Code in determining the amount of tax to be withheld from the employee's wages or salary under this chapter. The tax commission may redetermine the number of withholding exemptions to which an employee is entitled under subsection (g) of this section, and the state tax commission may require such exemption certificate to be filed on a form prescribed by the commission in any circumstance where the commission finds that the exemption certificate filed for Internal Revenue Code purposes does not properly reflect the number of withholding exemptions to which the employee is entitled under this chapter. For purposes of this section, "in the presence of a child" means in the physical presence of a child or knowing that a child is present and may see or hear an act of domestic assault or battery. For purposes of this section, "child" means a person under sixteen (16) years of age.

(5) Notwithstanding any other provisions of this section, any person who previously has pled guilty to or been found guilty of a felony violation of the provisions of this section or of any substantially conforming foreign criminal felony violation, notwithstanding the form of the judgment or withheld judgment, and who within fifteen (15) years pleads guilty to or is found guilty of any further violation of this section, shall be guilty of a felony and shall be punished by imprisonment in the state prison for a term not to exceed ten (10) years or by a fine not to exceed ten thousand dollars ($10,000), or by both such fine and imprisonment.

(6) For the purposes of this section, a substantially conforming foreign criminal violation exists when a person has pled guilty to or been found guilty of a violation of any federal law or law of another state, or any valid county, city or town ordinance of another state, substantially conforming with the provisions of this section. The determination of whether a foreign criminal violation is substantially conforming is a question of law to be determined by the court.

(87) (a) Any person who pleads guilty to or is found guilty of a violation of this section shall undergo, at the person's own expense, an evaluation by a person, agency or organization approved by the court in accordance with subsection (c) of this section to determine whether the defendant should be required to obtain aggression counseling or other appropriate treatment. Such evaluation shall be completed prior to the sentencing date if the court's list of approved evaluators, in accordance with subsection (c) of this section, contains evaluators who are able to perform the evaluation prior to the sentencing dates. If the evaluation recommends counseling or other treatment, the evaluation shall recommend the type of counseling or treatment considered appropriate for the defendant, together with the estimated costs thereof, and shall recommend any other suitable alternative counseling or treatment programs, together with the estimated costs thereof. The defendant shall request that a copy of the completed evaluation be forwarded to the court. The court shall take the evaluation into consideration in determining an appropriate sentence. If a copy of the completed evaluation has not been provided to the court, the court may proceed to sentence the defendant; however, in such event, it shall be presumed that counseling is required unless the defendant makes a show-
ing by a preponderance of evidence that counseling is not required. If the defendant has not made a good faith effort to provide the completed copy of the evaluation to the court, the court may consider the failure of the defendant to provide the report as an aggravating circumstance in determining an appropriate sentence. If counseling or other treatment is ordered, in no event shall the person, agency or organization doing the evaluation be the person, agency or organization that provides the counseling or other treatment unless this requirement is waived by the sentencing court, with the exception of federally recognized Indian tribes or federal military installations, where diagnosis and treatment are appropriate and available. Nothing herein contained shall preclude the use of funds authorized for court-ordered counseling or treatment pursuant to this section for indigent defendants as provided by law. In the event that funding is provided for or on behalf of the defendant by a governmental entity, the defendant shall be ordered to make restitution to such governmental entity in accordance with the restitution procedure for crime victims, as specified under chapter 53, title 19, Idaho Code.

(b) If the evaluation recommends counseling or other treatment, the court shall order the person to complete the counseling or other treatment in addition to any other sentence which may be imposed. If the court determines that counseling or treatment would be inappropriate or undesirable, the court shall enter findings articulating the reasons for such determination on the record. The court shall order the defendant to complete the preferred counseling or treatment program set forth in the evaluation, or a comparable alternative, unless it appears that the defendant cannot reasonably obtain adequate financial resources for such counseling or treatment. In that event, the court may order the defendant to complete a less costly alternative set forth in the evaluation or a comparable program. Nothing contained in this subsection shall be construed as requiring a court to order that counseling or treatment be provided at government expense unless otherwise required by law.

(c) Each judicial district shall by rule establish a uniform system for the qualification and approval of persons, agencies or organizations to perform the evaluations required in this subsection. Only qualified evaluators approved by the court shall be authorized to perform such evaluations. Funds to establish a system for approval of evaluators shall be derived from moneys designated therefor and deposited in the district court fund as provided in section 31-3201A(q), Idaho Code.

(d) Counseling or treatment ordered pursuant to this section shall be conducted according to standards established or approved by the Idaho council on domestic violence.

(3) The express written consent to limited dual agency shall contain separate signatures of all parties to clients involved in the transaction and shall contain the following language:
CONSENT TO LIMITED DUAL REPRESENTATION AND ASSIGNED AGENCY

The undersigned have received, read and understand the Agency Disclosure Brochure. The undersigned understand that the brokerage involved in this transaction will be-or may be providing agency representation to both the buyer(s) and the seller(s). The undersigned each understands that, as agents for both buyer/client and seller/client, the brokerage will be a limited dual agent of each client and cannot advocate on behalf of one client over another, and cannot legally disclose to either party client certain confidential client information concerning price negotiations, terms or factors motivating the buyer/client to buy or the seller/client to sell without specific written permission of the disclosing-party client to whom the information pertains. The specific duties, obligations and limitations of a limited dual agent are contained in the Agency Disclosure Brochure as required by Section 54-2085, Idaho Code. The undersigned each understands that a limited dual agent does not have a duty of undivided loyalty to either client.

The undersigned further acknowledge that, to the extent the brokerage firm offers assigned agency as a type of agency representation, individual sales associates may be assigned to represent each client to act solely on behalf of the client consistent with applicable duties set forth in Section 54-2087, Idaho Code. In an assigned agency situation, the designated broker (the broker who supervises the sales associates) will remain a limited dual agent of the client and shall have the duty to supervise the assigned agents in the fulfillment of their duties to their respective clients, to refrain from advocating on behalf of any one client over another, and to refrain from disclosing or using, without permission, confidential information of any other client with whom the brokerage has an agency relationship.

(24) All duties and obligations owed to a buyer/client or a seller/client under section 54-2087, Idaho Code, apply to limited disclosed dual agency relationships to the extent they do not unreasonably conflict with duties and obligations owed to the other client, except that:

(a) A limited disclosed dual agent shall not disclose any of the following without express written consent of the client to whom the information pertains:
   (i) That a buyer is willing to pay more than the listing price of the property;
   (ii) That a seller is willing to accept less than the listing price for the property;
   (iii) The factors motivating the buyer to buy or the seller to sell;
   (iv) That a buyer or seller will agree to a price or financing terms other than those offered.

(b) A limited disclosed dual agent does not have a duty of undivided loyalty to either buyer/client or seller/client, and by consenting to limited dual agency, the buyer and seller agree to those limitations.
(5) The following apply whenever a brokerage acting as a limited dual agent assigns separate sales associates to act on behalf of the separate clients:

(a) Designated broker. The designated broker continues to act as limited dual agent of each client with the duty to:

(i) Supervise the assigned agents in the fulfillment of their duties to their respective clients;
(ii) Refrain from advocating on behalf of any one client over another; and
(iii) Refrain from disclosing or using, without permission, confidential information of any other client with whom the brokerage has an agency relationship.

(b) Imputed knowledge. Knowledge of any fact known to the brokerage, its designated broker, or any other licensee associated with the brokerage, shall not be imputed to an assigned agent of the brokerage so as to create an impermissible conflict of interest. Nothing in this subsection shall diminish a licensee's duty with respect to facts actually known or that reasonably should have been known to the licensee.

(6) If a designated broker determines that confidential information of a client has been disclosed to another client in the transaction in violation of this section, the designated broker shall promptly provide written notice of the disclosure to the affected client.

(37) No cause of action for any buyer or seller shall arise against a limited disclosed dual agent for making any required or permitted disclosure under this act, nor does making such disclosure terminate the limited disclosed dual agency.

(48) Receipt of the agency disclosure brochure required by section 54-2085, Idaho Code, and the signed consent to dual representation by buyer and seller agreeing to limited disclosed dual agency representation shall be sufficient informed legal consent to dual representation under this act. A consent by the buyer and seller to possible dual representation in the future, such as may be contained in a written marketing or representation agreement between a brokerage and client, shall also be considered effective and informed legal consent to dual representation.

SECTION 6. That Section 54-2090, Idaho Code, be, and the same is hereby amended to read as follows:

54-2090. WRITTEN OFFICE POLICY REQUIRED. Each designated broker shall be responsible to adopt and maintain in each office, including branch offices, a written policy which identifies and describes the types of representation in which that brokerage and its affiliated associated licensees may engage with any buyer or seller, or both, as a part of that office's real estate brokerage services.

Failure to provide proof of meeting the continuing education requirements as set forth in this section constitutes an incomplete application for a renewal of an active license or for a change in license status from inactive to active, and, as such, constitutes grounds for denial of the application.

(i) Courses developed by national professional organizations that are required in order to earn professional designations from a national organization in specialized areas of licensed real estate practice; and
(ii) Courses approved by and offered in satisfaction of another professional or occupational licensing authority's education requirements, if within the approved topic areas established by the commission.
(f) If a certified course instructor, teach a live course for which continuing education credit may be obtained. Credits shall be granted for the number of classroom hours taught.

Such evidence may be:

If such an extension is granted, the licensee shall receive a provisional license for a period of time not to exceed three (3) months. No further extension of time may be granted. A license issued or renewed after an extension of time has been granted shall retain the original license expiration date. Failure to satisfy the continuing education requirement within the time granted shall result in the automatic inactivation of the license.

The designated individual in charge must not have been convicted, issued any fine, placed on probation, received a withheld judgment, or completed any sentence of confinement for or on account of any felony or a misdemeanor involving fraud, misrepresentation, or dishonest or dishonorable dealing in a court of proper jurisdiction. The failure of the provider to have in place a designated individual meeting the qualifications required by this subsection shall be grounds for the commission to withdraw or cancel the provider's certificate as provided in section 54-2025(3), Idaho Code;
(c) File a properly executed "irrevocable consent to service of process" in the manner and form prescribed by the commission and in substantial accordance with section 54-2012(1)(j), Idaho Code. The commission, in its discretion, may make such additional investigation and inquiry relative to the applicant for provider certifica-

(2) Other instructor applicants. All other individuals wishing to teach real estate courses for credit toward Idaho prelicense or continuing education requirements must first meet the following additional qualifications and receive separate certification for each course to be taught:

Further, the individual may not have been convicted, issued any fine, placed on probation, received a withheld judgment, or completed any sentence of confinement for or on account of any felony, or any misdemeanor involving fraud, misrepresentation, or dishonest or dishonorable dealing, in a court of proper jurisdiction. The failure of a certified instructor to maintain the qualifications required by this subsection shall be grounds for the commission to withdraw or cancel the instructor's certificate as provided in section 54-2025(3), Idaho Code.

(b) Each applicant for certification shall also:

(i) Submit a properly completed application for instructor certification in the form and manner required by the commission, with all proper fees;

CHAPTER 123
(S.B. No. 1250)

AN ACT
RELATING TO HOMESTEAD ALLOWANCE DETERMINATIONS OF AN ESTATE; AMENDING
SECTION 15-2-402, IDAHO CODE, TO FURTHER DEFINE THE RIGHT TO A HOME­
STEAD ALLOWANCE; AMENDING SECTION 15-2-403, IDAHO CODE, TO FURTHER
DEFINE THE VALUE OF EXEMPT PROPERTY; AMENDING SECTION 15-2-404,
IDAHO CODE, TO FURTHER DEFINE A FAMILY ALLOWANCE; AMENDING SECTION
15-2-405, IDAHO CODE, TO PROVIDE PROCEDURES IN DETERMINATIONS OF
HOMESTEAD ALLOWANCE, FAMILY ALLOWANCE AND EXEMPT PROPERTY; AND
REPEALING SECTION 55-1010, IDAHO CODE.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 15-2-402, Idaho Code, be, and the same is
hereby amended to read as follows:
15-2-402. HOMESTEAD ALLOWANCE. If a surviving spouse of a decedent is entitled to the homestead pursuant to section 55-1018, Idaho Code, then no person is entitled to a homestead allowance. If a surviving spouse of a decedent is not entitled to the homestead pursuant to section 55-1018, Idaho Code, then the surviving spouse of a decedent is entitled to a homestead allowance. If there is no surviving spouse, and if no homestead passes to the minor children and/or dependent children of the decedent as set forth in section 55-1018, Idaho Code, each minor child and/or each dependent child of the decedent is entitled to a homestead allowance in the amount determined hereafter divided by the number of minor and dependent children of the decedent. The homestead allowance is exempt from and has priority over all claims against the estate except as hereinafter set forth. The homestead allowance is in addition to any share passing to the surviving spouse or minor or dependent child by the will of the decedent unless otherwise provided in the will, or by intestate succession, or by way of elective share. The amount of the homestead allowance shall be the sum set forth in the provisions of section 55-1003, Idaho Code, as those provisions are in effect on the date of the decedent's death. The homestead allowance is not a right to claim ownership of, or succession to, any homestead owned by the decedent at the time of the decedent's death but is only the right to claim the sum set forth above. The right to a homestead allowance is determined as follows:

(a) If there is a surviving spouse of the decedent, and the surviving spouse does not, at the time of the death of the decedent, have a homestead, which for purposes of this chapter shall have the same definition as set forth in section 63-701(2), Idaho Code, the surviving spouse shall be entitled to a homestead allowance unless the surviving spouse receives (by will or other dispositive instrument, by intestate succession, by survivorship, or by other means) such a homestead either from the decedent or due to the death of the decedent;

(b) If there is no surviving spouse and there are one (1) or more minor and/or dependent children of the decedent, then each minor child and each dependent child of the decedent is entitled to a portion of the homestead allowance in the amount of the homestead allowance divided by the number of minor and dependent children of the decedent entitled to receive the homestead allowance, unless the minor child or dependent child receives (by will or other dispositive instrument, by intestate succession, by survivorship, or by other means) such a homestead either from the decedent or due to the death of the decedent.

SECTION 2. That Section 15-2-403, Idaho Code, be, and the same is hereby amended to read as follows:

15-2-403. EXEMPT PROPERTY. In addition to any homestead or homestead allowance, the decedent's surviving spouse is entitled from the estate to value, not exceeding ten thousand dollars ($10,000) in excess of any security interests therein, in household furniture, automobiles, furnishings, appliances and personal effects. If there is no surviving spouse, the decedent's children are entitled jointly to the same value unless the decedent's will provides otherwise. If encumbered chattels are selected and if the value in excess of security interests, plus that of other exempt property, is less than ten thousand dollars ($10,000), or if there is not ten thousand dollars ($10,000) worth of exempt prop-
In the estate, the spouse or children are entitled to other assets of the estate, if any, to the extent necessary to make up the ten thousand dollar ($10,000) value. Rights to exempt property and assets needed to make up a deficiency of exempt property have priority over all claims against the estate, except that the right to any assets to make up a deficiency of exempt property shall abate as necessary to permit prior payment of homestead allowance and family allowance, and except as otherwise provided. These rights are in addition to any benefit or share passing to the surviving spouse or children by the will of the decedent (unless otherwise provided in the will), or by intestate succession, or by elective share.

SECTION 3. That Section 15-2-404, Idaho Code, be, and the same is hereby amended to read as follows:

15-2-404. FAMILY ALLOWANCE. (a) In addition to the right to a homestead or homestead allowance and exempt property, the decedent's surviving spouse and minor children whom the decedent was obligated to support and children who were in fact being supported by the decedent are entitled to a reasonable allowance in money out of the estate for their maintenance during the period of administration, which allowance may not continue for longer than one (1) year if the estate is inadequate to discharge allowed claims. The allowance may be paid as a lump sum or in periodic installments. It is payable to the surviving spouse, if living, for the use of the surviving spouse and minor and dependent children; otherwise to the children, or persons having their care and custody. If a minor child or dependent child is not living with the surviving spouse, the allowance may be made partially to the child or the child's guardian or other person having the child's care and custody, and partially to the spouse, as their needs may appear. The family allowance is exempt from and has priority over all claims except the homestead allowance except as otherwise provided.

(b) The family allowance is not chargeable against any benefit or share passing to the surviving spouse or children by the will of the decedent unless otherwise provided in the will, or by intestate succession, or by elective share. The death of any person entitled to family allowance terminates the right to allowances not yet paid.

SECTION 4. That Section 15-2-405, Idaho Code, be, and the same is hereby amended to read as follows:

15-2-405. SOURCE -- DETERMINATION -- DOCUMENTATION -- MISCELLANEOUS PROVISIONS. If the estate is otherwise sufficient, property specifically devised may not be used to satisfy rights to the homestead allowance, family allowance or, and exempt property. Subject to this restriction, the surviving spouse, the guardians of the minor children, or children who are adults may select property of the estate as homestead allowance, family allowance, or and exempt property. The personal representative may make these selections if the surviving spouse, the children or the guardians of the minor children are unable or fail to do so within a reasonable time or if there is no guardian of a minor child. The personal representative may execute an instrument or deed of distribution to establish the ownership of property taken as a homestead allowance, family allowance, or exempt property. The personal representative may
determine the family allowance in a lump sum not exceeding eighteen thousand dollars ($18,000) or periodic installments not exceeding one thousand five hundred dollars ($1,500) per month for one (1) year, and may disburse funds of the estate in payment of the family allowance and any part of the homestead allowance payable in cash. The personal representative or any interested person aggrieved by any selection, determination, payment, proposed payment, or failure to act under this section may petition the court for appropriate relief, which may include a family allowance other than that which the personal representative determined or could have determined. Despite any language to the contrary in this chapter, the homestead allowance, family allowance, and exempt property are not mandatory automatic allowances, but rather must be applied for by the surviving spouse and/or children, as appropriate, as set forth in this title. Even though these allowances and the right to apply for exempt property are not claims against estates, the manner of and time period for applying for these allowances or the exempt property shall be the same as set forth in sections 15-3-801, 15-3-803 and 15-3-804, Idaho Code; provided however, that the personal representative shall not be required to give actual notice to a surviving spouse or a minor or dependent child of the right to apply for these allowances or the exempt property, and provided further that any notice actually given by the personal representative does not need to make any additional or special reference to an application by the surviving spouse or dependent or minor children also being barred if not submitted within the time period set forth in the notice. Also, the personal representative shall not be liable to the surviving spouse, minor or dependent child, any creditor, or any other successor to the estate in the same manner as provided in section 15-3-801(c), Idaho Code, as a result of giving or failing to give notice. The homestead allowance, family allowance, and exempt property may not be enforced or applied for on behalf of a surviving spouse or a minor or dependent or adult child of the decedent by a creditor of the surviving spouse or a minor or dependent or adult child of the decedent, or by any person or entity claiming by, through, or because of the surviving spouse or minor or dependent or adult child of the decedent. Despite any language to the contrary in other sections of this chapter, the homestead allowance, family allowance, and exempt property do not take precedence over reasonable administrative costs and expenses of the estate of the decedent.

SECTION 5. That Section 55-1010, Idaho Code, be, and the same is hereby repealed.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 15-3-804, Idaho Code, be, and the same is hereby amended to read as follows:

15-3-804. MANNER OF PRESENTATION OF CLAIMS. Claims against a decedent's estate may be presented as follows:

(a) The claimant shall deliver or mail to the personal representative a written statement of the claim indicating its basis, the name and address of the claimant, and the amount claimed, and file a written statement of the claim, in the form prescribed by rule, with the clerk of the court. The claim is deemed presented on the first last to occur on receipt of: (1) delivery or mailing of the written statement of claim by to the personal representative; or, (2) the filing of the claim with the court. If a claim is not yet due, the date when it will become due shall be stated. If the claim is contingent or unliquidated, the nature of the uncertainty shall be stated. If the claim is secured, the security shall be described. Failure to describe correctly the security, the nature of any uncertainty, and the due date of a claim not yet due does not invalidate the presentation made.

(b) The claimant may commence a proceeding against the personal representative in any court where the personal representative may be subjected to jurisdiction, to obtain payment of his claim against the estate, but the commencement of the proceeding must occur within the time limited for presenting the claim. No presentation of claim is required in regard to matters claimed in proceedings against the decedent which were pending at the time of his death.

(c) If a claim is presented under subsection (a) of this section, no proceeding thereon may be commenced more than sixty (60) days after the personal representative has mailed a notice of disallowance; but, in the case of a claim which is not presently due or which is contingent or unliquidated, the personal representative may consent to an extension of the sixty (60) day period, or to avoid injustice the court, on petition, may order an extension of the sixty (60) day period, but in no event shall the extension run beyond the applicable statute of limitations.

(b) The guidelines shall include, but are not limited to, the following general categories for risk assessment: seriousness of the offense, offense history, whether the offense was predatory, characteristics of the offender, characteristics of the victim, the relationship of the offender to the victim, the number of victims and the number of violations of each victim.

(56) If the offender has indicated an intention to reoffend if released into the community and the available record reveals credible evidence to support this finding, then the offender shall be deemed a violent sexual predator regardless of application of the guidelines.
(67) Once the board has made its determination, it shall set forth written findings which shall include:

Notwithstanding any other provision of law or rule of court, the results of any test for alcohol concentration and records relating to calibration, approval, certification or quality control performed by a laboratory operated and approved by the Idaho state police or by any other method approved by the Idaho state police shall be admissible in any proceeding in this state without the necessity of producing a witness to establish the reliability of the testing procedure for examination.

(2) Information to be given. (a) The peace officer will seize your driver's license and issue a notice of suspension and a temporary driving permit to you, but no peace officer will issue you a temporary driving permit if your driver's license or permit has already been and is suspended or revoked. No peace officer shall issue a temporary driving permit to a driver of a commercial vehicle who refuses to submit to or fails to complete and pass an evidentiary test;

(b) You have the right to request a hearing within seven (7) days of the notice of suspension of your driver's license to show cause why you refused to submit to or to complete and pass evidentiary testing and why your driver's license should not be suspended;

(c) If you refused or failed to complete evidentiary testing and do not request a hearing before the court or do not prevail at the hearing, your driver's license will be suspended. The suspension will be for one hundred eighty (180) days if this is your first refusal. The suspension will be for one (1) year if this is your second refusal within five (5) years. You will not be able to obtain a temporary restricted license during that period;

(d) If you complete evidentiary testing and fail the testing and do not request a hearing before the department or do not prevail at the hearing, your driver's license will be suspended. This suspension will be for ninety (90) days if this is your first failure of evidentiary testing, but you may request restricted driving privileges after the first thirty (30) days. The suspension will be for one (1) year if this is your second failure of evidentiary testing within five (5) years. You will not be able to obtain a temporary restricted license during that period;

(e) After submitting to evidentiary testing you may, when practicable, at your own expense, have additional tests made by a person of your own choosing.

(3) Rulemaking authority of the Idaho state police. The Idaho state police may, pursuant to chapter 52, title 67, Idaho Code, prescribe by rule:

Any rules of the Idaho state police shall be in accordance with the following: a test for alcohol concentration in breath as defined in section 18-8004, Idaho Code, and subsection (1)(e) of this section will be valid for the purposes of this section if the breath alcohol testing instrument was approved for testing by the Idaho state police in
accordance with section 18-8004, Idaho Code, at any time within ninety (90) days before the evidentiary testing. A test for alcohol concentration in blood or urine as defined in section 18-8004, Idaho Code, that is reported by the Idaho state police or by any laboratory approved by the Idaho state police to perform this test will be valid for the purposes of this section.

(4) Suspension.
(a) Upon receipt of the sworn statement of a peace officer that there existed legal cause to believe a person had been driving or was in actual physical control of a motor vehicle while under the influence of alcohol, drugs or other intoxicating substances and that the person submitted to a test and the test results indicated an alcohol concentration or the presence of drugs or other intoxicating substances in violation of section 18-8004, 18-8004C or 18-8006, Idaho Code, the department shall suspend the person's driver's license, driver's permit, driving privileges or nonresident driving privileges:
   (i) For a period of ninety (90) days for a first failure of evidentiary testing under the provisions of this section. The first thirty (30) days of the suspension shall be absolute and the person shall have absolutely no driving privileges of any kind. Restricted driving privileges applicable during the remaining sixty (60) days of the suspension may be requested as provided in subsection (9) of this section.
   (ii) For a period of one (1) year for a second and any subsequent failure of evidentiary testing under the provisions of this section within the immediately preceding five (5) years. No driving privileges of any kind shall be granted during the suspension imposed pursuant to this subsection.

The person may request an administrative hearing on the suspension as provided in subsection (7) of this section. Any right to contest the suspension shall be waived if a hearing is not requested as therein provided.
(b) The suspension shall become effective thirty (30) days after service upon the person of the notice of suspension. The notice shall be in a form provided by the department and shall state:
   (i) The reason and statutory grounds for the suspension;
   (ii) The effective date of the suspension;
   (iii) The suspension periods to which the person may be subject as provided in subsection (4)(a) of this section;
   (iv) The procedures for obtaining restricted driving privileges;

   (vi) The procedures for obtaining an administrative hearing on the suspension;
   (vii) The right to judicial review of the hearing officer's decision on the suspension and the procedures for seeking such review.

(5) Service of suspension by peace officer or the department. If the driver submits to evidentiary testing after the information in sub-
section (2) of this section has been provided and the results of the test indicate an alcohol concentration or the presence of drugs or other intoxicating substances in violation of the provisions of section 18-8004, 18-8004C or 18-8006, Idaho Code:

(a) The peace officer shall take possession of the person's driver's license, shall issue a temporary permit which shall be valid for a period not to exceed thirty (30) days from the date of issuance, and, acting on behalf of the department, will serve the person with a notice of suspension in the form and containing the information required under subsection (4) of this section. The department may serve the person with a notice of suspension if the peace officer failed to issue the notice of suspension or failed to include the date of service as provided in subsection (4)(b) of this section.

(b) Within five (5) business days following service of a notice of suspension the peace officer shall forward to the department a copy of the completed notice of suspension form upon which the date of service upon the driver shall be clearly indicated, a copy of any completed temporary permit form along with any confiscated driver's license, a certified copy or duplicate original of the results of all tests for alcohol concentration, as shown by analysis of breath administered at the direction of the peace officer, and a sworn statement of the officer, which may incorporate any arrest or incident reports relevant to the arrest and evidentiary testing setting forth:

(i) The identity of the person;
(ii) Stating the officer's legal cause to stop the person;
(iii) Stating the officer's legal cause to believe that the person had been driving or was in actual physical control of a motor vehicle while under the influence of alcohol, drugs or other intoxicating substances in violation of the provisions of section 18-8004, 18-8004C or 18-8006, Idaho Code;
(iv) That the person was advised of the consequences of taking and failing the evidentiary test as provided in subsection (2) of this section;
(v) That the person was lawfully arrested;
(vi) That the person was tested for alcohol concentration, drugs or other intoxicating substances as provided in this chapter, and that the results of the test indicated an alcohol concentration or the presence of drugs or other intoxicating substances in violation of the provisions of section 18-8004, 18-8004C or 18-8006, Idaho Code. A certified copy or duplicate original of the results of all tests for alcohol concentration, as shown by analysis of breath administered at the direction of the peace officer shall accompany the sworn statement of the officer. If an evidentiary test of blood or urine was administered rather than a breath test, the peace officer or the department shall serve the notice of suspension once the results are received. The sworn statement required in this subsection shall be made on forms in accordance with rules adopted by the department.

(c) The department may serve the person with a notice of suspension if the peace officer failed to issue the notice of suspension or failed to include the date of service as provided in subsection (4)(b) of this section.
(6) Additional tests. After submitting to evidentiary testing at the request of the peace officer, the person may, when practicable, at his own expense, have additional tests for alcohol concentration or for the presence of drugs or other intoxicating substances made by a person of his own choosing. The person's failure or inability to obtain additional tests shall not preclude admission of the results of evidentiary tests administered at the direction of the peace officer unless additional testing was denied by the peace officer.

(7) Administrative hearing on suspension. A person who has been served with a notice of suspension after submitting to an evidentiary test may request an administrative hearing on the suspension before a hearing officer designated by the department. The request for hearing shall be in writing and must be received by the department within seven calendar days of the date of service upon the person of the notice of suspension, and shall include what issue or issues shall be raised at the hearing. The date on which the hearing request was received shall be noted on the face of the request.

If a hearing is requested, the hearing shall be held within twenty (20) days of the date the hearing request was received by the department unless this period is, for good cause shown, extended by the hearing officer for one ten (10) day period. Such extension shall not operate as a stay of the suspension and any temporary permit shall expire thirty (30) days after service of the notice of suspension, notwithstanding an extension of the hearing date beyond such thirty (30) day period. Written notice of the date and time of the hearing shall be sent to the party requesting the hearing at least seven (7) days prior to the scheduled hearing date. The department may conduct all hearings by telephone if each participant in the hearing has an opportunity to participate in the entire proceeding while it is taking place.

The hearing shall be recorded. The sworn statement of the arresting officer, and the copy of the notice of suspension and any temporary permit issued by the officer shall be admissible at the hearing without further evidentiary foundation. The results of any tests for alcohol concentration or the presence of drugs or other intoxicating substances by analysis of blood, urine or breath administered at the direction of the peace officer and the records relating to calibration, certification, approval or quality control pertaining to equipment utilized to perform the tests shall be admissible as provided in section 18-8004(4), Idaho Code. The arresting officer shall not be required to participate unless directed to do so by a subpoena issued by the hearing officer.

The burden of proof shall be on the person requesting the hearing. The hearing officer shall not vacate the suspension unless he finds, by a preponderance of the evidence, that:
(a) The peace officer did not have legal cause to stop the person; or
(b) The officer did not have legal cause to believe the person had been driving or was in actual physical control of a vehicle while under the influence of alcohol, drugs or other intoxicating substances in violation of the provisions of section 18-8004, 18-8004C or 18-8006, Idaho Code; or
(c) The test results did not show an alcohol concentration or the presence of drugs or other intoxicating substances in violation of section 18-8004, 18-8004C or 18-8006, Idaho Code; or
(d) The tests for alcohol concentration, drugs or other intoxicat-
ing substances administered at the direction of the peace officer were not conducted in accordance with the requirements of section 18-8004(4), Idaho Code, or the testing equipment was not functioning properly when the test was administered; or

e) The person was not informed of the consequences of submitting to evidentiary testing as required in subsection (2) of this section.

If the hearing officer finds that the person has not met his burden of proof, he shall sustain the suspension. The hearing officer shall make findings of fact and conclusions of law on each issue and shall enter an order vacating or sustaining the suspension. If the suspension is vacated, the person's driver's license, unless unavailable by reason of an existing suspension, revocation, cancellation, disqualification or denial shall be returned to him. The findings of fact, conclusions of law and order entered by the hearing officer shall be considered a final order pursuant to the provisions of chapter 52, title 67, Idaho Code, except that motions for reconsideration of such order shall be allowed and new evidence can be submitted.

The facts as found by the hearing officer shall be independent of the determination of the same or similar facts in the adjudication of any criminal charges arising out of the same occurrence. The disposition of those criminal charges shall not affect the suspension required to be imposed under the provisions of this section. If a license is suspended under this section and the person is also convicted on criminal charges arising out of the same occurrence for a violation of the provisions of section 18-8004, 18-8004C or 18-8006, Idaho Code, both the suspension under this section and the suspension imposed pursuant to the provisions of section 18-8005 or 18-8006, Idaho Code, shall be imposed, but the periods of suspension shall run concurrently, with the total period of suspension not to exceed the longer of the applicable suspension periods, unless the court ordering the suspension in the criminal case orders to the contrary.

(8) Judicial review. A party aggrieved by the decision of the hearing officer may seek judicial review of the decision in the manner provided for judicial review of final agency action provided in chapter 52, title 67, Idaho Code.

(9) Restricted driving privileges. A person served with a notice of suspension for ninety (90) days pursuant to this section may apply to the department for restricted driving privileges, to become effective after the thirty (30) day absolute suspension has been completed. The request may be made at any time after service of the notice of suspension. Restricted driving privileges will be issued for the person to travel to and from work and for work purposes, to attend an alternative high school, work on a GED, for postsecondary education, or to meet the medical needs of the person or his family if the person is eligible for restricted driving privileges.

(10) Rules. The department may adopt rules under the provisions of chapter 52, title 67, Idaho Code, deemed necessary to implement the provisions of this section.

SECTION 1. That Title 39, Idaho Code, be, and the same is hereby
amended by the addition thereto of a NEW CHAPTER, to be known and design­
ated as Chapter 61, Title 39, Idaho Code, and to read as follows:

CHAPTER 61
IDAHO CONRAD J-1 VISA WAIVER PROGRAM

39-6101. SHORT TITLE. This chapter shall be known and may be cited
as the "Idaho Conrad J-1 Visa Waiver Program."

39-6102. PURPOSE. The "Idaho Conrad J-1 Visa Waiver Program" would
authorize the state of Idaho department of health and welfare to recom­
mend up to thirty (30) foreign trained physicians per federal fiscal
year to locate in communities that are federally designated as having a
health workforce shortage. Final approval of J-1 visa waiver requests
are made by the U.S. department of state and the bureau of citizenship
and immigration services. Under this chapter, rural and underserved com­
munities in Idaho would be able to apply for the placement of a foreign
trained physician after demonstrating that they are unable to recruit an
American physician, and all other recruitment/placement possibilities
have proven to be inaccessible.

39-6103. SEVERABILITY. The provisions of this chapter are hereby
declared to be severable and if any provision of this chapter or the
application of such provision to any person or circumstance is declared
invalid for any reason, such declaration shall not affect the validity
of the remaining portions of this chapter.

39-6104. INCORPORATION BY REFERENCE. P.L. 103-416, amended by P.L.
107-273, November 2, 2002, 8 U.S.C. 1184(1) and 22 CFR sec. 514.44(e),
P.R. volume 60, No. 197, and 18 U.S.C. 1001 are incorporated by refer­
ence.
39-6105. DEFINITIONS. As used in this chapter:

(1) "Applicant" means a health care facility that seeks to employ a physician and is requesting state support of a visa waiver.

(2) "Area of underservice" means a health professional shortage area in primary care or mental health, a medically underserved area, or a medically underserved population, federally designated by the secretary of health and human services.

(3) "Department" means the Idaho department of health and welfare.

(4) "De-designation threshold" means the number of full-time equivalent primary care physicians necessary to remove the federal designation as an area of underservice.

(5) "Employment contract" means a legally binding agreement between the applicant and the physician named in the visa waiver application which contains all terms and conditions of employment, including, but not limited to, the salary, benefits, length of employment and any other consideration owing under the agreement. The employment contract must meet all state and federal criteria, including labor and immigration rules.

(6) "Federal fiscal year" means the twelve (12) months which commence the first day of October in each year and close on the thirtieth day of September of the following year.

(7) "Full time" means a working week of a minimum of forty (40) hours at a health care facility.

(8) "Health care facility" means an entity with an active Idaho taxpayer identification number doing business or proposing to do business in the practice location where the physician would be employed, whose stated purposes include the delivery of primary medical or mental health care.

(9) "Interested government agency" means an agency that has the authority from the United States department of state to submit requests for J-1 visa waivers of foreign physician petitioners on behalf of public interest.

(10) "J-1 visa" means an entrance permit into the United States for a foreign trained physician who is a nonimmigrant admitted under section 101(a)(15)(J) of the United States information and education exchange act or who acquired such status or who acquired exchange visitor status under the act.

(11) "New start" means a health care facility as defined in subsection (8) of this section, that has been in existence for twelve (12) months or less.

(12) "Physician" means the foreign physician, named in the visa waiver application, who requires a waiver to remain in the United States to practice medicine.

(13) "Primary care" means a medical doctor or doctor of osteopathy licensed in pediatrics, family medicine, internal medicine, obstetrics, gynecology, or psychiatry.

(14) "Sliding fee discount schedule" means a written delineation documenting the value of charge discounts granted to patients based upon financial hardship and federal poverty guidelines.

(15) "Unmet need" means a vacancy or shortage of primary care health physicians experienced by a community or population, as defined by federally designated health professional shortage areas or medically underserved areas/populations.
(16) "Vacancy" means a full-time physician practice opportunity in the delivery of primary care services.

(17) "Visa waiver" means a federal action that waives the requirement for a foreign physician, in the United States on a J-1 visa, to return to his home country for a two (2) year period following medical residency training.

39-6106. GENERAL REQUIREMENTS AND LIMITATIONS. (1) Visa waiver request. The department may only submit a visa waiver request when:
(a) The application contains all of the required information and documentation; and
(b) The application meets all state and federal criteria; and
(c) Foreign exchange physicians having a J-1 case number assigned by the United States department of state have paid all federal processing fees; and
(d) The applicant has paid the state of Idaho application processing fee.

(2) Limitations of department actions.
(a) Prior to submission of an application, the department may provide information to the applicant on preparing a complete application.
(b) The department will not be responsible for adding any information to incomplete application packets.
(c) For applicants who have benefitted from department waiver requests previously, the applicant's history of compliance will be a consideration in future decisions for waiver requests.
(d) In any single program year, a health care facility in any one area of underservice:
(i) Will not be allotted more than two (2) waiver request applications; and
(ii) Will not exceed by more than one and nine-tenths (1.9) full-time equivalents, the number of physicians needed to eliminate the physician shortage as defined by the current designation threshold in any single program year.

(e) The shortage area designation must be current on the date the United States department of state reviews and recommends the application and on the date the immigration agency approves the J-1 visa waiver. Any application that is being submitted to the department at the end of the three (3) year health professional shortage area designation cycle may be summarily denied if the renewal is not obtained.

(i) Participation by the department in the Idaho conrad J-1 visa waiver program is completely discretionary and voluntary. The department may elect not to participate in the program at any time. The submission of a complete waiver package does not ensure the department will recommend a waiver. The department reserves the right to recommend or decline any request for a waiver.
(ii) The department, its employees or agents are held harmless of any perceived consequence for the denial of a waiver petitioner, or the approved placement of one that is not favorable.
(iii) Application procedures for Idaho conrad J-1 visa waiver physician placements were developed by the department in compliance with P.L. 103-416 and subsequent revisions. They are
subject to updates and changes at any time. Interpretation of
these procedures rests solely with the department in consulta­
tion with the appropriate federal agencies.

39-6107. APPLIED PRINCIPLES. (1) Option of last resort. The visa
waiver program is considered a final source for recruiting qualified
physicians. It is not a substitute for broad recruiting efforts for
graduates from United States medical schools, but an option of last
resort. Any application that qualifies for consideration under any other
interested government agency or federal program, such as the one admin­
istered by the department of health and human services, must be submit­
ted under that program in lieu of the Idaho conrad J-1 visa waiver pro­
gram.

(2) Waiver request applications will only be considered for health
care facilities that can provide evidence of sustained active recruit­
ment over a period of at least six (6) months for the primary care
vacancy in the practice location.

(3) The visa waiver program will be used to assist health care
facilities that can document the provision of primary health care ser­
vices to all residents of the federally designated underserved area.
When a federal designation is for an underserved population, the health
care facility must document the provision of care to, and assure access
by, the underserved population.

39-6108. CRITERIA FOR APPLICANTS. (1) Applicants must be existing
health care facilities that:
(a) Have an active taxpayer identification number in Idaho; and
(b) Have provided medical or mental health care in Idaho for a min­
imum of twelve (12) months prior to submitting the application, or
meet the requirements for a new start as defined in this chapter.

(2) The waiver request to the department must come from a U.S.
health care facility on behalf of the physician and not directly from
the physician or his representative.

(3) J-1 visa waiver petitioners with fellowship training must con­
tract with employers to provide primary care services full time.

(4) Applicants must not be former J-1 visa waiver physicians who
are currently fulfilling their required three (3) year obligation.

(5) Applicants may not submit waiver requests for a relative.

(6) Applicants must accept all patients regardless of their ability
to pay.

(7) Except for state institutional and correctional facilities des­
ignated as federal shortage areas, the applicant must:
(a) Serve medicare clients, medicaid clients, low-income clients,
uninsured clients, and the population of the federal designation.
(b) Agree to implement a sliding fee discount schedule. The sched­
ule must be:
   (i) Available in Spanish (where applicable) and English; and
   (ii) Posted conspicuously; and
   (iii) Distributed in hard copy on request to individuals making
or keeping appointments with that physician.

(8) Applicants must have a signed employment contract with the phy­
sician, and guarantee wages for the three (3) years of the contract.

(9) Applicants must cooperate in providing the department with
clarifying information, verifying information already provided, or in
any investigation of the applicant's financial status and payer mix.

(10) Applicants must first apply through any organization with federal or interested governmental agency authority which submits waiver requests for Idaho's underserved rural areas. Documentation which fully explains why this route was not taken for placement is required as part of the application.

(11) The physician's name and practice location will be made available to the public as a provider of primary health who accepts medicare, medicaid and utilizes a sliding fee schedule for the low-income population.

(12) An assurance letter that the health care facility, its principals, and the J-1 petitioning physician are not under investigation for, under probation for, or under restriction for medicare or medicaid fraud, or other violations of law or licensure restrictions that may indicate that it may not be in the public interest that a waiver of the two (2) year home residency requirement be granted, must be provided.

(13) The applicant and its principals must be free of default on any federal or state scholarship or loan repayment program such as the national health service corps or by the state.

39-6109. CONTRACT REQUIREMENTS. Throughout the period of obligation, regardless of physician's visa status, the employment contract must:

(1) Meet state and federal requirements;

(2) Not prevent the physician from providing medical services in the designated shortage area after the term of employment. A noncompetition clause or any provision that purports to limit the J-1 visa waiver physician's ability to remain in the area upon completion of the contract term is prohibited by regulation;

(3) State that the physician must serve medicare clients, medicaid clients, low-income clients, uninsured clients, and the population of the federal designation for the area of underservice full time;

(4) Include a notarized statement by the physician that he agrees to meet the requirements set forth in section 214(1) of the immigration and nationality act;

(5) Guarantee the physician a base salary of at least ninety-five percent (95%) of step II of the local prevailing wage for the field of practice in the area to be served;

(6) Specify that benefits offered are not included as part of the base salary;

(7) Include leave (annual, sick, continuing medical education and holiday);

(8) State that amendments shall adhere to state and federal J-1 visa waiver requirements;

(9) Acknowledge that the contract may be terminated only with cause and cannot be terminated by mutual agreement until the statutorily required three (3) years have expired;

(10) Be assignable only by the employer to a successor with concurrence of the department;

(11) Include the practice site address, the days and hours of practice, field of medicine, and a statement that on-call and travel times are not included in the minimum hours;

(12) Not commence until after the physician's J-1 waiver and appropriate work authorization are approved and his residency program has
been successfully completed. The contract shall affirm that no transfer or other modification regarding the duration of contract dates will be approved unless extenuating circumstances are shown to exist, as determined by the department and approved by the United States attorney general in accordance with applicable federal rules and regulations;

(13) Not be subject to changes which result in termination of contract, change in practice scope, or relocation from a site approved in the application. Any proposed changes must be presented in writing to the department for consideration and approval at least thirty (30) days prior to the proposed change. Moving or placement of a physician to a location that was not approved by the department will result in the physician and applicant being in noncompliance with the program and will be reported as such to the immigration agency. It will also limit the applicant's future participation in the program;

(14) Be signed by both the J-1 visa waiver petitioning physician and the applicant employer, and the date it is signed must be clear.

(b) Support a full-time physician practice;
(c) Have written referral plans that describe how patients using the new primary care location will be connected to existing secondary and tertiary care if needed.

39-6111. CRITERIA FOR THE PHYSICIAN. (1) The physician must not have a J-1 visa waiver pending for any other employment offer, and must provide a notarized statement testifying to this fact.
(2) The physician must have the qualifications described in recruitment efforts for a specific vacancy.

The physician must have an unrestricted license to practice
in the state of Idaho and be board certified or eligible in his respective medical specialty. A copy of the license must be included in the waiver request.

(5) Physicians must have at least one (1) recommendation from their residency program that:
   a. Addresses the physician's interpersonal and professional ability to effectively care for diverse and low-income persons in the United States; and

When submitting the final report, the physician must indicate whether he intends to remain in the shortage area to practice.

(3) Sites receiving waiver approval must agree to report to the department on the status of the physician's activities at the beginning of the physician's employment and every year thereafter during the three (3) year waiver service period. Failure to provide these reports within thirty (30) days of the annual anniversary date of approval of the J-1 visa in an accurate manner or failure to demonstrate good faith in utilizing a physician's services in accordance with these policies will
jeopardize future eligibility for placements and will be cause for reporting and referral to the United States department of state and immigration agency. This referral could ultimately lead to deportation proceedings against the J-1 physician.

(4) Any amendments made to the required elements of the employment contract during the first three (3) years for primary care physicians of contracted employment must be reported to the department for review. The department will complete review and provide notice of approval or declination of such amendments within thirty (30) calendar days of receipt.

Whether or not there is foreign government funding can be determined from examining the physician's IAP-66 form. This letter must be in English and follow the procedures and format outlined in federal register volume 60, number 197, published October 12, 1995 (or subsequent revisions);
(o) Payment of the department's administrative application processing fee;
(p) Federal form G-28 or letterhead from the law office, if the physician is being represented by an attorney, with telephone and fax numbers, and a contact name and address;

Local, state, or federal institutions which offer primary care services and are federally designated as a shortage facility accompanied by a health professional shortage area score may submit an application. Physician services may be limited to the population of the institution. All other state and federal requirements must be met.

39-6116. DEPARTMENT REVIEW AND ACTION. (1) The department will review applications for completeness in date order received.
(2) Applications submitted for physicians with language skills appropriate to the community they wish to serve will be given priority.
(3) Selection preference will be given to applications received from HPSAs having the greatest unmet need for primary care physicians.

(4) Applications must be mailed, sent by commercial carrier, or delivered in person. Applications may not be sent electronically. The department is not responsible for applications or related materials lost in the mail.

(5) The department may limit the time period during which applications may be submitted including refusing to process applications after the department has submitted requests for all applications allowed in a given federal fiscal year.

(6) In the event an applicant for a J-1 visa waiver submits an application to the department, the department will acknowledge receipt of the copy of the application within five (5) business days of receipt.

(7) The department will review applications within fifteen (15) working days of receipt of the application to determine if the application is complete, and provide a written explanation of missing items.

(8) An additional fee will not be charged for incomplete applications if the missing items are provided within thirty (30) calendar days of the date on the letter of explanation from the department. If new information is not received within this time frame, the application will be returned to the applicant. The application fee will not be returned.

(9) The department will return applications and application fees to applicants having had two (2) approved J-1 visa waiver requests in the current federal fiscal year for the shortage area, applications received that exceed the de-designation threshold limit, and applications received after thirty (30) placements have been recommended.

   (e) Return the application as incomplete if the applicant does not supply the requested clarifying information in its entirety within thirty (30) days of request. The application fee is nonrefundable. Incomplete applications must be resubmitted with the application fee. Resubmitted applications will be considered new applications and will be reviewed in date order received.

(12) The department may request the director of the United States department of state to recommend that the immigration agency grant the waiver.

(13) The department will notify the applicant in writing of action taken by the department. If the decision is to decline the J-1 visa waiver request, the department will provide an explanation of how the application failed to meet the stated criterion or criteria. The application fee is nonrefundable.

(14) The department may deny a visa waiver request or, prior to United States department of state approval, may withdraw a visa waiver recommendation for cause, which shall include the following:
   (a) The application is not consistent with state or federal criteria;

This does not apply only if the approved site is in a designated health professional shortage area that loses its designation after the physician begins employment;
(3) A physician does not remain employed by the applicant for the full three (3) years of employment;
(4) The applicant or physician is not in compliance with the terms defined in this chapter or any federal requirements.

39-6118. DEPARTMENT RESPONSIBILITY TO REPORT. The department shall report to the United States department of state and the immigration agency if the applicant or physician is determined to be out of compliance with any of the provisions of this chapter or if the physician is determined to have left employment in the federally designated area.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 57-720, Idaho Code, be, and the same is hereby amended to read as follows:

57-720. PERMANENT ENDOWMENT FUNDS -- EARNINGS RESERVE FUNDS -- INCOME FUNDS -- INVESTMENT POLICY REGULATIONS -- ANNUAL AUDIT. The investment board or its investment manager(s) may, and are hereby authorized to, invest the permanent endowment funds and the earnings reserve funds of the state of Idaho. Earnings reserve funds shall be accounted for separately from permanent endowment funds. Prior to the annual calculation of gains and losses as-defined-in pursuant to section 57-724, Idaho Code, the investment board shall annually allocate the end of fiscal year market value between the permanent endowment funds and the earnings reserve funds, at-the-end-of--each--fiscal--year. This allocation shall be made based upon the proportion that the market value of the permanent endowment funds and the market value of the earnings reserve funds bear to the combined market value of both sets of funds, at the end of the fiscal year. The investment board shall formulate investment policy regulations governing the investment of permanent endowment funds and earnings reserve funds. The regulations shall pertain to the types, kinds or nature of investment of any of the funds, and any limitations, conditions or restrictions upon the methods, practices or procedures for investment, reinvestments, purchases, sales or exchange transactions, provided such regulations shall not conflict with nor be in derogation of any Idaho constitutional provision or of the provisions of this act.

Annually, the investment board shall cause an audit to be conducted of the investment of permanent endowment funds and earnings reserve funds, such audit to be conducted by a recognized certified public accountant. The certified public accountant conducting the audit shall not be an employee of the state. The expense of such audit shall be paid from the appropriation to the investment board.

The state treasurer shall invest the income funds of the respective endowments and distribute the moneys in the income funds according to legislative appropriation.

SECTION 2. That Section 57-724, Idaho Code, be, and the same is hereby amended to read as follows:

57-724. DETERMINATION OF GAINS AND LOSSES. (1) Gains. Gains and losses to permanent endowment funds shall be determined by comparing the investment board when the current market value of the permanent endowment fund as of the end of the fiscal year, excluding funds transferred to-the-permanent-endowment-fund-from-the-earnings-reserve-fund-or-funds deposited-as-a-result-of-land-sales-or-mineral-royalties, to exceeds the gain benchmark market value of the permanent endowment fund, at-the-end of-the-prior--fiscal--year The gain benchmark market value shall begin with the market value of the permanent endowment fund calculated as it existed on June 30, 2000, and shall be modified on June 30 of each subsequent fiscal year by the percentage change in the average of the immediately preceding three (3) fiscal years of the unadjusted consumer price index for all urban consumers as issued by the United States department of labor, and by the addition of funds deposited as a result...
of land sales and mineral royalty payments.

(2) Losses. Losses to permanent endowment funds shall be determined by the investment board when the market value of the permanent endowment fund as of the end of the fiscal year is less than the loss benchmark market value of the permanent endowment fund. The loss benchmark market value shall begin with the market value of the permanent endowment fund calculated as it existed on June 30, 2000, and shall be modified on June 30 of each subsequent fiscal year by the addition of funds deposited as a result of land sales and mineral royalty payments. Losses to permanent endowment funds other than the public school permanent endowment fund shall be made up from earnings reserve fund moneys that the state board of land commissioners determines will not be needed for administrative costs or scheduled distributions to each endowment's respective income fund. Losses to the public school permanent endowment fund shall be made up as follows:

(a) The state board of land commissioners may annually transfer any funds in the public school earnings reserve fund that it determines will not be needed for administrative costs or scheduled distributions to the public school income fund in the following fiscal year to the public school permanent endowment fund, to make up for any prior losses in value.

(b) If funds transferred from the earnings reserve fund are insufficient to make up any losses in value to the public school permanent endowment fund, and the market value of the public school permanent endowment fund at the end of each fiscal year remains below the loss benchmark market value of the preceding ten (10) consecutive fiscal years, then the remaining legislature shall make up the loss within four (4) years, by legislative transfer or appropriation if subsequent gains, as determined pursuant to the provisions of this section, or transfers from the earnings reserve fund, make up for any remaining loss before this four (4) year period expires, then no legislative transfer or appropriation shall be necessary.

Losses to permanent endowment funds other than the public school permanent endowment fund shall be made up from earnings reserve fund moneys that the state board of land commissioners determines will not be needed for administrative costs or scheduled distributions to each endowment's respective income fund authorized during one (1) or both of the next succeeding two (2) regular sessions of the legislature. Such loss to be made up shall be the lesser of the:

(i) Current cumulative loss; or

(ii) Annual loss determined in the first year of the preceding consecutive ten (10) years.

(c) Any transfers or appropriations authorized by the legislature for deposit into the public school permanent endowment fund shall take place at the end of the fiscal year, after the determination of gains and losses. If the market value of the public school permanent endowment fund exceeds the loss benchmark market value at the end of any fiscal year in which legislative transfers or appropriations are authorized to the public school permanent endowment fund, then such transfers or appropriations shall be reduced by the lesser of the:

(i) Amount that the market value of the public school permanent endowment fund would exceed the loss benchmark market value at the end of the fiscal year if all authorized legisla-
tive transfers or appropriations were to be made; or

(iii) Amount of the legislative transfers or appropriations authorized for deposit in the public school permanent endowment fund for the fiscal year.

SECTION 3. That Section 57-724A, Idaho Code, be, and the same is hereby amended to read as follows:

"Earnings" does not include mineral royalties or land sale proceeds.

SECTION 4. An emergency existing therefor, which emergency is hereby declared to exist, Sections 1 and 2 of this act shall be in full force and effect on and after passage and approval.

SECTION 5. Section 3 of this act shall be in full force and effect on and after July 1 of the year in which the Endowment Fund Investment Board certifies to the Secretary of State that gains, as determined by the provisions of Section 57-724, Idaho Code, have been paid from the Public School Permanent Endowment Fund to the Public School Earnings Reserve Fund for the fiscal year ending June 30 of the same year.

The process for considering applications for medical staff membership and privileges shall afford each applicant due process.

All applications for medical staff membership shall be acted upon within one hundred twenty (120) days from the date the required information is submitted.

The accordance and delineation of clinical privileges for podiatrists shall be determined on an individual basis and commensurate with the applicant's education, training, experience and demonstrated competence. In implementing these procedures, each hospital shall formulate and apply reasonable standards that do not discriminate in the evaluation of an applicant's credentials.

A podiatrist with medical staff privileges may initiate admission; but the admission is not complete until the history and physical is performed and signed by a physician licensed pursuant to chapter 18, title 54, Idaho Code. A member of the medical staff licensed pursuant to chapter 18, title 54, Idaho Code, shall have responsibility for the overall medical care of the patient while in the hospital. Arrangements for the services of a member of the medical staff licensed pursuant to chapter 18, title 54, Idaho Code, for the purposes of this section shall be the sole responsibility of the admitting podiatrist and not that of the hospital or any other member of the medical staff.

(1) Whether it has conducted or has in progress an inquiry, proceeding or disciplinary matter regarding the quality of or propriety of the health care involved, which concerns the subject patient while he was under the care or responsibility of a member of such health care organization or while he was a patient in such hospital; and, if so,
(2) Whether disposition of any kind resulted or will result therefrom; and, if so,
(3) What the disposition was, or, if not yet determined, approximately when it will be determined.

Such disclosure of information shall be limited to the health care organization's actions in connection with the physician, emergency medical services personnel, or hospital against whom such claim is asserted.

(b) Such a claimant shall likewise be entitled to inquire of such health care organization respecting the names and addresses of persons who such health care organization knows to have direct knowledge of the provision of the health care in question, such inquiry to be limited, however, to the particular patient and the particular times and occasions germane to the specific occurrences on which the claim is based; provided, names shall not be disclosed respecting persons who have gained secondary knowledge or formed opinions respecting the matter solely by participating as witnesses, officials, investigators or otherwise on, for, or in connection with such a health care organization committee, staff, governing board or the state board of medicine.

The term "commercial purposes" means industrial enterprises, retail sales outlets, business and professional office buildings, hospitality enterprises, commercial recreational activities, multifamily residential developments and other similar businesses. For purposes of this section, agricultural leases, grazing leases, oil and gas leases, mineral leases, geothermal leases, communication site leases, and single family, recreational cottage site and homesite leases, and leases for other similar uses, are not considered leases for commercial purposes.

The board may require that all fixed improvements constructed upon land leased for commercial purposes be removed or become the property of the state upon termination of the lease, and that any heirs, encumbrances or claims of third parties with respect to any improvements shall be expressly subordinate and subject to the rights of the state under this section.

Except for geothermal, oil and gas, mineral and commercial leases, the lease year shall run from January 1 through December 31, and all leases shall expire on December 31 of the year of expiration.

All applications to lease or to renew an existing lease which expires December 31 of any year, shall be filed in the office of the director of the department of lands by the thirtieth day of April preceding the date of such expiration. Such applications will be considered by the state land board and be disposed of in the manner provided by law; except that the board may reject conflicting applications for a lease for commercial purposes if the lessee exercises the preference right to renew clause.

Where conflicts appear upon leases, except for mineral leases which do not pursuant to chapter 7, title 47, Idaho Code, contain a preferential right to renew clause, such applications shall be considered as having been filed simultaneously. However, nothing herein shall be construed to prevent the state board of land commissioners from accepting and considering applications for new leases at any time.

In case improvements have been made on land while under lease which is expiring, and the former lessee is not the successful bidder, but the land is leased to another, the amount of such improvements shall be paid to the former lessee. The following shall be considered improvements: plowing done within one (1) year, provided no crop has been raised on the plowed land after such plowing, fencing, buildings, cisterns, wells, growing crops and any other asset which shall be considered an improvement by the director.

Commercial leases of the state lands described in this section shall not be subject to the conflict auction provisions of section 58-310, Idaho Code. The board may, at its discretion, call for proposals and sealed bids by public advertisement, and may evaluate said proposals and award the lease to the bidder whose proposal achieves the highest return over the term of the lease and who is capable of meeting such terms and conditions as may be set by the board; in the alternative, the board may call for lease applications by public advertisement and if more than one (1) person files an application to hold an auction in the same manner as provided in section 58-310, Idaho Code. In either case, the board must obtain a reasonable rental, based upon fair market value of the state land, throughout the duration of the lease. The board may
c. 156 2004 IDAHO SESSION LAWS 495

reject any or all proposals and any or all bids, and may reoffer the
lease at a later date if the board determines that the proposals or bids
do not achieve the highest and best use of the land at market rental.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 63-602G, Idaho Code, be, and the same is hereby amended to read as follows:

63-602G. PROPERTY EXEMPT FROM TAXATION -- RESIDENTIAL IMPROVEMENTS.
(1) During the tax year 1983 and each year thereafter, the first fifty thousand dollars ($50,000) of the market value for assessment purposes of residential improvements, or fifty percent (50%) of the market value for assessment purposes of residential improvements, whichever is the lesser, shall be exempt from property taxation.

(2) The exemption allowed by this section may be granted only if:
(a) The residential improvements are owner-occupied and used as the primary dwelling place of the owner as of January 1, provided that in the event the residential improvements are owner-occupied after January 1 but before April 15, the owner of the property is entitled to the exemption. The residential improvements may consist of part of a multidwelling or multipurpose building and shall include all of such dwelling or building except any portion used exclusively for
anything other than the primary dwelling of the owner. The presence of an office in an owner-occupied residential property, which office is used for multiple purposes, including business and personal use, shall not prevent the owner from claiming the exemption provided in this section; and

(b) The tax commission has certified to the board of county commissioners that all properties in the county which are subject to appraisal by the county assessor have, in fact, been appraised uniformly so as to secure a just valuation for all property within the county; and

(c) The owner has certified to the county assessor by April 15 that:

(i) He is making application for the exemption allowed by this section;
(ii) That the residential improvements are his primary dwelling place; and
(iii) That he has not made application in any other county for the exemption on any other residential improvements in the county.

(d) For the purpose of this section, the definition of owner shall be the same definition set forth in section 63-701(7), Idaho Code.

When an "owner," pursuant to the provisions of section 63-701(7), Idaho Code, is any person who as grantor, or whose spouse as grantor, created a revocable or irrevocable trust and was named as is the beneficiary of that a revocable or irrevocable trust, or who is a partner of a limited partnership, a member of a limited liability company, or shareholder of a corporation, he or she may provide proof of the trust, limited partnership, limited liability company, or corporation in the manner set forth in section 63-703(4), Idaho Code, with an affidavit stating-(i) the name of the grantor, partner, member or shareholder, (ii) a statement that the grantor, or the grantor's spouse, is the beneficiary of the trust, or the person is a partner of the limited partnership, or a member of the limited liability company, or a shareholder of the corporation, (iii) the grantor, the grantor's spouse, partner, member, or shareholder is the occupier of the residential property and uses the property as the primary dwelling place of the grantor, the grantor's spouse, partner, member or shareholder as of January 1; and (iv) if applicable, the person holds at least a five percent (5%) ownership in the limited partnership, limited liability company or corporation.

The affidavit shall include the attaching of the copies of those portions of the trust or other document which set forth the grantor, the grantor or the grantor's spouse as beneficiary and the signature page of the trust or other document; those portions of the articles of organization or operating agreement of the limited liability company indicating the person's membership in the company and the ownership percentage held by such person; those portions of the limited partnership agreement, or other records of the limited partnership indicating that the person has been admitted to the partnership and the ownership percentage held by such person; or those portions of the articles of incorporation indicating that the person is a shareholder of the corporation and the ownership percentage held by such person.
(e) Any owner may request in writing the return of all copies of any documents submitted with the affidavit set forth in paragraph (d) of this subsection section 63-703(4), Idaho Code, that are held by a county assessor, and the copies shall be returned by the county assessor upon submission of the affidavit in proper form.

(f) For the purpose of this section, the definition of "primary dwelling place" shall be the same definition set forth in section 63-701(8), Idaho Code.

(g) For the purpose of this section, the definition of "occupied" shall be the same definition set forth in section 63-701(6), Idaho Code.

(3) An owner need only make application for the exemption described in subsection (1) of this section once, as long as all of the following conditions are met:

(a) The owner has received the exemption during the previous year as a result of his making a valid application as defined in subsection (2)(c) of this section.

(b) The owner or beneficiary, partner, member or shareholder, as appropriate, still occupies the same residential improvements for which the owner made application.

(c) The residential improvements described in subsection (3)(b) of this section are owner-occupied or occupied by a beneficiary, partner, member or shareholder, as appropriate, and used as the primary dwelling place of the owner or beneficiary, partner, member or shareholder, as appropriate, as of January 1; provided however, that in the event the residential improvements are owner-occupied after January 1, but before April 15, the owner of the property is entitled to the exemption.

(4) The exemption allowed by this section must be taken before the reduction in taxes provided by sections 63-701 through 63-710, Idaho Code, is applied.

(5) The legislature declares that this exemption is necessary and just.

(6) Residential improvements having previously qualified for exemption under this section in the preceding year, shall not lose such qualification due to the owner's, beneficiary's, partner's, member's or shareholder's absence in the current year by reason of active military service in a designated combat zone, as defined in section 112 of the Internal Revenue Code. If an owner fails to timely apply for exemption as required in this section solely by reason of active duty in a designated combat zone by the owner, beneficiary, partner, member or shareholder, as appropriate, as defined in section 112 of the Internal Revenue Code, and such improvements would have otherwise qualified under this section, then the board of county commissioners of the county in which the residential improvements are located shall refund property taxes, if previously paid, in an amount equal to the exemption which would otherwise have applied.

The combined community property interests of both spouses shall not be considered partial ownership so long as the combined community property interests constitute the entire ownership of the homestead, including where the spouses are occupying a homestead owned by an entity, as set forth in this subsection, and the spouses have the primary right of occupancy of the homestead. The proportional reduction required under this subsection shall not apply to community property interests. Where title to property is held by a person who has died without timely filing a claim for property tax reduction, the estate of the deceased person shall be the "owner," provided that the time periods during which the deceased person held such title shall be attributed to the estate for the computation of any time periods under subsection (8)(a) or (8)(b) of this section.

(b) Notwithstanding the provisions of paragraph (a) of this subsection, the property upon which the claimant makes application shall be deemed to be the claimant's primary dwelling place if the claimant is otherwise qualified and resides in a care facility and does not allow the property upon which the claimant has made application to be occupied by persons paying a consideration to occupy the dwelling. Payment of utilities shall not be payment of a consideration to occupy the dwelling. A claimant's spouse who resides in a care facility shall be deemed to reside at the claimant's primary dwelling place and to be a part of the claimant's household. A care

SECTION 2. That Section 26-703, Idaho Code, be, and the same is hereby amended to read as follows:

26-703. REAL ESTATE LOANS. Any bank may make real estate loans secured by first liens upon improved real estate, including improved farm land and improved business and residential properties, as are consistent with safe and sound banking practices. A loan secured by real estate within the meaning of this section shall be in the form of an obligation or obligations secured by mortgage, trust deed, or other such instrument which shall constitute a lien upon real estate, and any bank may purchase any obligation so secured when the entire amount of such obligation is sold to the bank. The amount of any such loan hereafter made shall not exceed ninety percent (90%) of the appraised value of the real estate offered as security and no such loan shall be made for a longer term than thirty (30) years. The foregoing limitations and restrictions shall not prevent the renewal or extension of loans heretofore made and shall not apply to real estate loans which are insured under the provisions of the National Housing Act, act of Congress of June 27, 1934, and amending and supplemental legislation relating to loans insured by the federal housing administration. No such bank shall hold on its books real estate loans in an aggregate sum in excess of the amount of the capital and surplus fund, or in excess of sixty percent (60%) of the amount of its savings and time deposits, whichever is the greater, except with the consent of the director.

SECTION 3. That Sections 26-704, 26-705, 26-706 and 26-707, Idaho Code, be, and the same are hereby repealed.

SECTION 4. That Section 26-708, Idaho Code, be, and the same is hereby amended to read as follows:

26-7084. DETERMINATION OF LIMITS OF LOANS AND INVESTMENTS OF BANKS. For the purpose of determining limitations on loans and investments the following items are to be disregarded:
(a) The sale of excess reserve funds by one bank to another bank;
(b) The purchase of securities by a bank, under an agreement to resell at the end of a stated period; and
(c) The purchase of mortgage loans by a bank, under agreement to resell at the end of a stated period.

The director may, upon application by a bank, approve loans and investments in excess of the limitations provided in this chapter.

SECTION 5. That Section 26-709, Idaho Code, be, and the same is hereby amended to read as follows:

26-7095. LOANS TO ONE PERSON. (1) The total liabilities of any bank to any bank of loans and extensions of credit by a bank to a person for money borrowed outstanding at one time, shall at no time exceed twenty percent (20%) of the aggregate paid-in-capital, surplus and capital notes structure of such bank.

(2) "Loans and extensions of credit" means a bank's direct or indirect advance of funds to or on behalf of a borrower based upon an obligation of the borrower to repay the funds, or repayable from specific property pledged by or on behalf of the borrower, and includes, for the purposes of this section:

(a) A contractual commitment to advance funds;
(b) A maker or endorser's obligation arising from a bank's discount of commercial paper;
(c) A bank's purchase of securities subject to an agreement that the seller shall repurchase the securities at the end of a stated period, but not including a bank's purchase of type I securities, as defined in 12 CFR part 1, subject to a repurchase agreement, where the purchasing bank has assured control over or has established its rights to the type I securities as collateral;
(d) A bank's purchase of third-party paper subject to an agreement that the seller shall repurchase the paper upon default or at the end of a stated period. The amount of the bank's loan is the total unpaid balance of the paper owned by the bank less any applicable dealer reserves retained by the bank and held by the bank as collateral. Where the seller's obligation to repurchase is limited, the bank's loan is measured by the total amount of the paper the seller may ultimately be obligated to repurchase. A bank's purchase of third party paper without direct or indirect recourse to the seller is not a loan or extension of credit to the seller;
(e) An overdraft, whether or not prearranged, but not an intra-day overdraft for which payment is received before the close of business of the bank that makes the funds available;
(f) The sale of federal funds with a maturity of more than one business day, but not federal funds with a maturity of one day or less or federal funds sold under a continuing contract; and
(g) Loans or extensions of credit that have been charged off on the books of the bank in whole or in part, unless the loan or extension of credit:

(i) Is unenforceable by reason of discharge in bankruptcy;
(ii) Is no longer legally enforceable because of expiration of the statute of limitations or a judicial decision; or
(iii) is no longer legally enforceable for other reasons, provided that the bank maintains sufficient records to demonstrate that the loan is unenforceable.

(3) The following items do not constitute loans or extensions of credit for purposes of this section:

(a) Additional funds advanced for the benefit of a borrower by a bank for payment of taxes, insurance, utilities, security, and maintenance and operating expenses necessary to preserve the value of real property securing the loan, consistent with safe and sound banking practices, but only if the advance is for the protection of the bank's interest in the collateral, and provided that such amounts must be treated as an extension of credit if a new loan or extension of credit is made to the borrower;

(b) Accrued and discounted interest on an existing loan or extension of credit, including interest that has been capitalized from prior notes and interest that has been advanced under terms and conditions of a loan agreement;

(c) Financed sales of a bank's own assets, including other real estate owned, if the financing does not put the bank in a worse position than when the bank held title to the assets;

(d) A renewal or restructuring of a loan as a new loan or extension of credit, following the exercise by a bank of reasonable efforts, consistent with safe and sound banking practices, to bring the loan into conformance with the lending limit, unless new funds are advanced by the bank to the borrower (except as permitted by this section), or a new borrower replaces the original borrower, or unless the director determines that a renewal or restructuring was undertaken as a means to evade the bank's lending limit;

(e) Amounts paid against uncollected funds in the normal process of collection; and

(f) (i) That portion of a loan or extension of credit sold as a participation by a bank on a nonrecourse basis, provided that the participation results in a pro rata sharing of credit risk proportionate to the respective interests of the originating and participating lenders. Where a participation agreement provides that repayment must be applied first to the portions sold, a pro rata sharing shall be deemed to exist only if the agreement also provides that, in the event of a default or comparable event defined in the agreement, participants must share in all subsequent repayments and collections in proportion to their percentage participation at the time of the occurrence of the event.

(ii) When an originating bank funds the entire loan, it must receive funding from the participants before the close of business of its next business day. If the participating portions are not received within that period, then the portions funded shall be treated as a loan by the originating bank to the borrower. If the portions so attributed to the borrower exceed the originating bank's lending limit, the loan may be treated as nonconforming, rather than a violation, if:

1. The originating bank had a valid and unconditional participation agreement with a participating bank or banks that was sufficient to reduce the loan to within the originating bank's lending limit;
2. The participating bank reconfirmed its participation and the originating bank had no knowledge of any information that would permit the participant to withhold its participation; and

3. The participation was to be funded by close of business of the originating bank's next business day.

(4) The following loans or extensions of credit are not subject to the lending limits of this section:

(a) The discount of bills of exchange drawn in good faith against actual existing values;
(b) The discount of bankers' acceptances of other banks;
(c) The discount of commercial or business paper actually owned by the person negotiating the same; and
(d) The obligations of the United States or general obligations of any state or of any political subdivision thereof, or obligation issued under authority of the Federal Farm Loan Act; shall not be considered as money borrowed; nor shall the foregoing limitations apply to
(e) Loans made on warehouse receipts and bills of lading, when such warehouse receipts and bills of lading cover nonperishable commodities of the marketable value of at least one hundred twenty percent (120%) of the amount loaned thereon;
(f) Loans or obligations shall not be subject under this section to any limitation based upon such capital and surplus and extensions of credit to the extent that such loans or obligations are secured or covered by guaranties, or by commitments or agreements to take over or to purchase, made by any Federal Reserve Bank or by the United States or any department, bureau, board, commission, or establishment of the United States, including any corporation wholly owned directly or indirectly by the United States; or
(g) Loans, including portions thereof, secured by a segregated deposit account in the lending bank, provided a security interest in the deposit has been perfected under applicable law.

The combined liabilities of the several members of any firm, copartnership, or unincorporated association to the loaning bank shall be included in the liabilities of such firm, copartnership, or unincorporated association and shall be included in the liabilities of any member thereof in determining the foregoing limitations.

(5) Combination. Loans or extensions of credit to one (1) borrower shall be attributed to another person and each person shall be deemed a borrower when proceeds of a loan or extension of credit are to be used for the direct benefit of the other person, to the extent of the proceeds so used, or when a common enterprise is deemed to exist between the persons.

(a) Direct benefit. The proceeds of a loan or extension of credit to a borrower shall be deemed to be used for the direct benefit of another person and shall be attributed to the other person when the proceeds, or assets purchased with the proceeds, are transferred to another person, other than in a bona fide arm's length transaction where the proceeds are used to acquire property, goods or services.
(b) Common enterprise. A common enterprise shall be deemed to exist and loans to separate borrowers shall be aggregated:

(i) When the expected source of repayment for each loan or extension of credit is the same for each borrower and neither
borrower has another source of income from which the loan 
(together with the borrower's other obligations) may be fully 
repaid. An employer shall not be treated as a source of repay­ 
ment under this paragraph because of wages and salaries paid to 
an employee unless the standards of paragraph (b)(ii) of this 
subsection are met;

(ii) When loans or extensions of credit are made:
1. To borrowers who are related directly or indirectly 
through common control, including where one (I) borrower 
is directly or indirectly controlled by another borrower; and
2. Substantial financial interdependence exists between 
or among the borrowers. Substantial financial 
interdependence is deemed to exist when fifty percent 
(50%) or more of one (I) borrower's gross receipts or 
gross expenditures (on an annual basis) are derived from 
transactions with the other borrower. Gross receipts and 
expenditures include gross revenues/expenses, intercompany 
loans, dividends, capital contributions, and similar 
receipts or payments;

(iii) When separate persons borrow from a bank to acquire a 
business enterprise of which those borrowers will own more than 
fifty percent (50%) of the voting securities or voting inter­ 
ests, in which case a common enterprise is deemed to exist 
between the borrowers for purposes of combining the acquisition 
loans; or

(iv) When the director determines, based upon an evaluation of 
the facts and circumstances of particular transactions, that a 
common enterprise exists.

c) Loans to a corporate group.

(i) Loans or extensions of credit by a bank to a corporate 
group may not exceed fifty percent (50%) of the bank's capital 
and surplus. A corporate group includes a person and all of its 
subsidiaries. For purposes of this paragraph, a corporation or 
a limited liability company is a subsidiary of a person if the 
person owns or beneficially owns directly or indirectly more 
than fifty percent (50%) of the voting securities or voting 
interests of the corporation or company.

(ii) Except as provided in paragraph (c)(i) of this subsec­ 
tion, loans or extensions of credit to a person and its subdi­ 
siary, or to different subsidiaries of a person, are not com­ 
bined unless either the direct benefit or the common enterprise 
test is met.

d) Loans to partnerships, joint ventures, and associations.

(i) Partnership loans. Loans or extensions of credit to a 
partnership, joint venture or association are deemed to be 
loans or extensions of credit to each member of the partner­ 
ship, joint venture or association. This rule does not apply to 
limited partners in limited partnerships or to members of joint 
vventures or associations if the partners or members, by the 
terms of the partnership or membership agreement, are not held 
generally liable for the debts or actions of the partnership, 
joint venture or association, and those provisions are valid 
under applicable law.
(ii) Loans to partners.

1. Loans or extensions of credit to members of a partnership, joint venture or association are not attributed to the partnership, joint venture or association unless either the direct benefit or the common enterprise test is met. Both the direct benefit and common enterprise tests are met between a member of a partnership, joint venture or association and such partnership, joint venture or association, when loans or extensions of credit are made to the member to purchase an interest in the partnership, joint venture or association.

2. Loans or extensions of credit to members of a partnership, joint venture or association are not attributed to other members of the partnership, joint venture or association unless either the direct benefit or common enterprise test is met.

(e) Loans to foreign governments and their agencies and instrumentalities.

(i) Aggregation. Loans and extensions of credit to foreign governments and their agencies and instrumentalities shall be aggregated with one another only if the loans or extensions of credit fail to meet either the means test or the purpose test at the time the loan or extension of credit is made.

1. The means test is satisfied if the borrower has resources or revenue of its own sufficient to service its debt obligations. If the government’s support (excluding guarantees by a central government of the borrower’s debt) exceeds the borrower’s annual revenues from other sources, it shall be presumed that the means test has not been satisfied.

2. The purpose test is satisfied if the purpose of the loan or extension of credit is consistent with the purposes of the borrower’s general business.

(ii) Documentation. In order to show that the means and purpose tests have been satisfied, a bank must, at a minimum, retain in its files the following items:

1. A statement (accompanied by supporting documentation) describing the legal status and the degree of financial and operational autonomy of the borrowing entity;

2. Financial statements for the borrowing entity for a minimum of three (3) years prior to the date the loan or extension of credit was made or for each year that the borrowing entity has been in existence, if less than three (3) years;

3. Financial statements for each year the loan or extension of credit is outstanding;

4. The bank’s assessment of the borrower’s means of servicing the loan or extension of credit, including specific reasons in support of that assessment. The assessment shall include an analysis of the borrower’s financial history, its present and projected economic and financial performance, and the significance of any financial support provided to the borrower by third parties, including the borrower’s central government; and
5. A loan agreement or other written statement from the borrower that clearly describes the purpose of the loan or extension of credit. The written representation will ordinarily constitute sufficient evidence that the purpose test has been satisfied. However, when, at the time the funds are disbursed, the bank knows or has reason to know of other information suggesting that the borrower will use the proceeds in a manner inconsistent with the written representation, it may not, without further inquiry, accept the representation.

(6) Calculation. For purposes of determining compliance with this section, a bank shall determine its lending limit as of the last day of the preceding calendar quarter. A bank’s lending limit calculated in accordance with this section shall be effective on the date that the limit is to be calculated. If the director determines for safety and soundness reasons that a bank should calculate its lending limit more frequently than required by this subsection, the director may provide written notice to the bank directing the bank to calculate its lending limit at a more frequent interval, and the bank shall thereafter calculate its lending limit at that interval until further notice from the director.

(7) Nonconforming loans. A loan, within a bank’s legal lending limit when made, shall not be deemed a violation but shall be treated as nonconforming if the loan is no longer in conformity with the bank’s lending limit because:

(a) The bank’s capital has declined, borrowers have subsequently merged or formed a common enterprise, lenders have merged, or the lending limit or capital rules have changed. A bank must use reasonable efforts to bring a loan that is nonconforming under this subsection into conformity with the bank’s lending limit unless to do so would be inconsistent with safe and sound banking practices.

(b) Collateral securing the loan to satisfy the requirements of a lending limit exception has declined in value. program described in chapter 54, title 33, Idaho Code. The term "employee--benefit-plan" shall not include any employee--benefit-plan that is established or maintained for its employees by the government of the United States, by the state of Idaho or any political subdivision of the state, or by any agent or instrumentality of any of the foregoing.

(5) An employee benefit plan shall be deemed to be a spendthrift trust, regardless of the source of funds, the relationship between the beneficiary and the trustee or custodian of the plan, or the ability of the debtor to withdraw, borrow or otherwise become entitled to benefits from the plan before retirement. This subsection shall permit benefits under any such plan or arrangement to be payable to a spouse, former spouse, child, or other dependent of a participant in the plan to the extent expressly provided for in a qualified domestic relations order that meets the requirements for those orders under the plan, or, in the case of benefits payable under a plan described in sections 403(b), 408, or 408A or 457 of the Internal Revenue Code of 1986, as amended, or section 409 of the Internal Revenue Code as in effect before 1984, to the extent provided in any order issued by a court of competent jurisdiction that provides home maintenance or support.

(6) Unless contrary to applicable federal law, nothing contained in subsection (3), (4) or (5) of this section shall be construed as a termination or limitation of a spouse's community property interest in an individual retirement account held in the name of, or on account of, the other spouse, the "account holder spouse." At the death of the non-account nonaccount holder spouse, the account holder spouse may transfer or distribute the community property interest of the non-account nonaccount holder spouse in the account holder spouse's individual retirement account to the non-account nonaccount holder spouse's estate, testamentary trust, inter vivos trust, or other successor or successors pursuant to the last will of the non-account nonaccount holder spouse, or the law of intestate succession if applicable, and that distributee may, but shall not be required to, obtain an order from a court of competent jurisdiction, including a nonjudicial dispute resolution agreement, or other order, entered to confirm the distribution. For purposes of subsection (3) of this section, the distributee of the non-account nonaccount holder spouse's community property interest in an individual retirement account shall be considered a person entitled to the full protection of subsection (3) of this section. The non-account nonaccount holder spouse's consent to a beneficiary designation by the account holder spouse with respect to an individual retirement account shall not, absent clear and convincing evidence to the contrary, be deemed a release, gift, relinquishment, termination, limitation or transfer of the non-account nonaccount holder spouse's community property interest in an individual retirement account. For purposes of this subsection, the term "non-account nonaccount holder spouse" means the spouse of the person in whose name the individual retirement account is maintained. The term "individual retirement account" includes an individual retirement account and an individual retirement annuity both as described in section 408 of the Internal Revenue Code of 1986, as amended, a Roth individual retirement account as described in section 408A of the Internal Revenue Code of 1986, as amended, and an individual retirement bond as described in section 409 of the Internal Revenue Code as in effect before January 1, 1984.

SECTION 1. That Section 42-1717, Idaho Code, be, and the same is hereby amended to read as follows:

42-1717. JURISDICTION OVER SUPERVISION OF MAINTENANCE, OPERATION AND INSPECTION OF DAMS AND MINE TAILINGS IMPOUNDMENT STRUCTURES. Supervision over the maintenance and operation of dams, reservoirs and mine tailings impoundment structures insofar as necessary to safeguard life and property from injury by reason of the failure thereof is vested in the director of the department of water resources. The director shall at state expense inspect or cause to be inspected, as often as he thinks advisable, every dam used for holding water and mine tailings impoundment structure used for holding tailings slurry in this state; however, all dams twenty (20) feet or more in height or mine tailings impoundment structures more than thirty (30) feet in height regulated by the department shall be inspected at least once every two (2) years, and if after any such inspection such dam or mine tailings impoundment structure, in the opinion of the director, is unsafe, and life or property liable to be endangered by reason thereof, the director shall give written notice and order by certified mail or by personal service upon the owner or owners to remove or repair the same so as to make it safe. If such owner or owners shall neglect or refuse to remove or repair the same after notice to that effect has been given in writing by the director, the director may draw off all or part of such water from behind such dam, embankment or mine tailings slurry from behind mine tailings impoundment structure and keep said water or mine tailings slurry drawn off until such time as the orders shall be complied with. In determining whether or not a dam, reservoir or mine tailings impoundment structure or proposed dam, reservoir or mine tailings impoundment structure constitutes or would constitute a danger to life or property, the director shall take into consideration the possibility that the dam, reservoir or mine tailings impoundment structure might be endangered by overtopping, seepage, settlement, erosion, cracking, earth movement or other conditions which exist or might occur in any area in the vicinity of the dam, reservoir or mine tailings impoundment structure.
No action shall be brought against the state, the water resource board, the director, or the department of water resources or their respective agents or employees for the recovery of damages caused by the partial or total failure of any dam, reservoir or mine tailings impoundment structure or through the operation of any dam, reservoir or mine tailings impoundment structure upon the ground that such defendant is liable by virtue of any of the following:

(a) The approval of the dam, reservoir or mine tailings impoundment structure.
(b) The issuance or enforcement of orders relative to maintenance or operation of the dam, reservoir or mine tailings impoundment structure.

(d) Measures taken to protect against failure during an emergency.
(e) The use of design and construction criteria prepared by the department.
(f) The failure to issue or enforce orders, to control or regulate dams, or to take measures to protect against dam failure.

No action shall be brought by the state against the owner for pollution which may occur in the event that the director orders emergency dumping or bypassing.

Nothing in this part shall be construed to relieve an owner or operator of a dam, reservoir or mine tailings impoundment structure of the legal duties, obligations or liabilities incident to the ownership or operation of the dam, reservoir or mine tailings impoundment structure.

The findings and orders of the director and the certificate of approval of any dam, reservoir or mine tailings impoundment structure issued by the director are final and conclusive and binding upon all state agencies, regulatory or otherwise, as to the safety of design, construction, maintenance and operation of any dam, reservoir or mine tailings impoundment structure.

The director may require owners to keep records of, and to report on, maintenance, operation, staffing and engineering and geologic investigations, and the water resource board shall issue such rules and regulations as necessary to secure maintenance and operation and to require staffing and engineering and geologic investigations which will safeguard life and property. In addition, the owner of a dam, reservoir or mine tailings impoundment structure or his agent shall fully and promptly advise the department of any sudden or unprecedented flood or unusual or alarming circumstance or occurrence affecting the safety of the dam, reservoir or mine tailings impoundment structure. The director, from time to time, shall make inspections of dams, reservoirs and mine tailings impoundment structures at state expense for the purpose of determining their safety, but shall require owners to perform at their expense such work as necessary to disclose information sufficient to enable the director to determine conditions of dams, reservoirs, and mine tailings impoundment structures in regard to their safety and to perform at their expense other work necessary to secure maintenance and operation which will safeguard life and property.

All hunters must have a current hunting license and shall have equal access to both public and private lands within the hunt boundaries. It shall be unlawful for any landholder(s) to receive any form of compensation from a person who obtains or uses a depredation controlled hunt permit.

Those communicable diseases to be tested for shall be arrived at by mutual agreement between the department of fish and game and the department of agriculture. Any moneys expended by the department of fish and game on wildlife disease research shall be mutually agreed upon by the department of fish and game and the department of agriculture.

In addition, a comprehensive animal health program for all deer, elk, antelope, moose, bighorn sheep, or bison imported into, transported, or resident within the state of Idaho shall be implemented after said program is mutually agreed upon by the department of fish and game and the department of agriculture.

The employing of said veterinarian shall be by mutual agreement of the director of the department of fish and game and of the director of the department of agriculture. The veterinarian shall be on the staff of the division of animal industries, department of agriculture. The salary or compensation to be paid said veterinarian or veterinarians shall be divided equally between the department of fish and game and the department of agriculture, and the department of fish and game's portion shall be deposited directly into the livestock disease control account. The veterinarian shall be employed on and after July 1, 1989.

10. In order to monitor and evaluate the disease status of wildlife and to protect Idaho's livestock resources, any suspicion by fish and game personnel of a potential communicable disease process in wildlife shall be reported within twenty-four (24) hours to the department of agriculture. All samples collected for disease monitoring or disease evaluation of wildlife shall be submitted to the division of animal industries, department of agriculture.
11. (A) The director is authorized to enter into an agreement with an independent contractor for the purpose of providing a telephone order and credit card payment service for controlled hunt permits, licenses, tags, and permits.

The contractor shall furnish a good and sufficient surety bond to the state of Idaho in an amount sufficient to cover the amount of the telephone orders and potential refunds.

(D) The refund of moneys for unsuccessful controlled hunt permit applications and licenses, tags, and permits approved by the department may be made by the contractor crediting the applicant's or licensee's credit card account.

12. The director may define activities or facilities that primarily provide a benefit: to the department; to a person; for personal use; to a commercial enterprise; or for a commercial purpose.

AN ACT  
RELATING TO FORFEITURE OF WATER RIGHTS; AMENDING SECTION 42-223, IDAHO CODE, TO PROVIDE THAT NO PORTION OF ANY WATER RIGHT SHALL BE LOST OR FORFEITED FOR NONUSE IF THE NONUSE RESULTS FROM THE WATER RIGHT BEING USED FOR MITIGATION PURPOSES APPROVED BY THE DIRECTOR OF THE DEPARTMENT OF WATER RESOURCES INCLUDING AS A CONDITION OF APPROVAL FOR A NEW WATER RIGHT APPROPRIATION, A WATER RIGHT TRANSFER, A WATER EXCHANGE OR A MITIGATION PLAN.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 42-223, Idaho Code, be, and the same is hereby amended to read as follows:

42-223. EXCEPTIONS OR DEFENSES TO FORFEITURE. A right to the use of water shall not be lost by forfeiture pursuant to the provisions of section 42-222, Idaho Code, for a failure to apply the water to beneficial use under the conditions specified in any subsection of this section. The legislature does not intend through enactment of this section to diminish or impair any statutory or common law exception or defense to forfeiture existing on the date of enactment or amendment of this section, or to preclude judicial or administrative recognition of other exceptions or defenses to forfeiture recognized in Idaho case law or other provisions of the Idaho Code. No provision of this section shall be construed to imply that the legislature does not recognize the existence or validity of any common law exception or defense to forfeiture existing on the date of enactment or amendment of this section.

(1) A water right appurtenant to land contracted in a federal crop-land set-aside program shall not be lost or forfeited for nonuse during the contracted period. The running of any five (5) year period of nonuse for forfeiture of a water right shall be tolled during the time that the land remains in the cropland set-aside program.

(2) A water right held by a municipal provider to meet reasonably anticipated future needs shall be deemed to constitute beneficial use, and such rights shall not be lost or forfeited for nonuse unless the planning horizon specified in the license has expired and the quantity of water authorized for use under the license is no longer needed to meet reasonably anticipated future needs.

(3) A water right shall not be lost or forfeited by a failure to divert and apply the water to beneficial use if the water is not needed to maintain full beneficial use under the right because of land application of waste for disposal purposes including, but not limited to, discharge from dairy lagoons used in combination with or substituted for water diverted under the water right.

(4) A water right shall not be lost or forfeited by a failure to divert and apply the water to beneficial use if the reason for the nonuse of the water is to comply with the provisions of a ground water management plan approved by the director of the department of water resources pursuant to section 42-233a or 42-233b, Idaho Code.

(5) A water right shall not be lost or forfeited by a failure of
the owner of the right to divert and apply the water to beneficial use while the water right is placed in the water supply bank or is retained in or rented from the water supply bank pursuant to sections 42-1761 through 42-1765A, Idaho Code, or while the water right is leased pursuant to sections 43-335 through 43-342, Idaho Code, or sections 42-2501 through 42-2509, Idaho Code, or while use of the water is made under any other provision of law authorizing the rental or lease of water rights.

(6) No portion of any water right shall be lost or forfeited for nonuse if the nonuse results from circumstances over which the water right owner has no control. Whether the water right owner has control over nonuse of water shall be determined on a case-by-case basis.

(7) No portion of a water right held by an irrigation district, a Carey Act operating company, or any other company, corporation, association, or entity which holds water rights for distribution to its landowners, shareholders or members shall be lost or forfeited due to nonuse by such landowners, shareholders or members, unless the nonuse is subject to the control of such entity.

(8) No portion of a water right held by an irrigation district shall be lost, forfeited or subject to forfeiture as a result of the exclusion of land from the district pursuant to chapter 11, title 43, Idaho Code, so long as any five (5) year period of nonuse following the exclusion does not result from circumstances over which the district has control.

(9) No portion of any water right shall be lost or forfeited for nonuse if the nonuse results from a water conservation practice, which maintains the full beneficial use authorized by the water right, as defined in section 42-250, Idaho Code.

(10) No portion of any water right shall be lost or forfeited for nonuse if the nonuse results from the water right being used for mitigation purposes approved by the director of the department of water resources including as a condition of approval for a new water right appropriation approved pursuant to section 42-203A, Idaho Code, a water right transfer approved pursuant to section 42-222, Idaho Code, a water exchange approved pursuant to section 42-240, Idaho Code, or a mitigation plan approved in accordance with rules promulgated pursuant to section 42-603, Idaho Code.

CHAPTER 179
(H.B. No. 634, As Amended)

AN ACT
RELATING TO IRRIGATION AND DRAINAGE EASEMENTS AND RIGHTS-OF-WAY; AMENDING SECTION 42-1102, IDAHO CODE, TO REQUIRE PERMISSION FROM OWNERS OF IRRIGATION RIGHTS-OF-WAY FOR ENCROACHMENTS OF ANY KIND ON THE RIGHTS-OF-WAY; AMENDING SECTION 42-1208, IDAHO CODE, TO CLARIFY THAT PROTECTION FROM ADVERSE POSSESSION APPLIES TO EASEMENTS AS WELL AS TO RIGHTS-OF-WAY OF IRRIGATION AND DRAINAGE DISTRICTS; AND AMENDING CHAPTER 12, TITLE 42, IDAHO CODE, BY THE ADDITION OF A NEW SECTION 42-1209, IDAHO CODE, TO REQUIRE WRITTEN PERMISSION OF THE OWNER OF AN IRRIGATION OR DRAINAGE EASEMENT OR RIGHT-OF-WAY BEFORE ENCROACHMENTS OF ANY KIND ARE PERMITTED.
Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 42-1102, Idaho Code, be, and the same is hereby amended to read as follows:

42-1102. OWNERS OF LAND -- RIGHT TO RIGHT-OF-WAY. When any such owners or claimants to land have not sufficient length of frontage on a stream to afford the requisite fall for a ditch, canal or other conduit on their own premises for the proper irrigation thereof, or where the land proposed to be irrigated is back from the banks of such stream, and convenient facilities otherwise for the watering of said lands cannot be had, such owners or claimants are entitled to a right-of-way through the lands of others, for the purposes of irrigation. The right-of-way shall include, but is not limited to, the right to enter the land across which the right-of-way extends, for the purposes of cleaning, maintaining and repairing the ditch, canal or conduit, and to occupy such width of the land along the banks of the ditch, canal or conduit as is necessary to properly do the work of cleaning, maintaining and repairing the ditch, canal or conduit with personnel and with such equipment as is commonly used, or is reasonably adapted, to that work. The right-of-way also includes the right to deposit on the banks of the ditch or canal the debris and other matter necessarily required to be taken from the ditch or canal to properly clean and maintain it, but no greater width of land along the banks of the canal or ditch than is absolutely necessary for such deposits shall be occupied by the removed debris or other matter. Provided, that in the making, constructing, keeping up and maintenance of such ditch, canal or conduit, through the lands of others, the person, company or corporation, proceeding under this section, and those succeeding to the interests of such person, company or corporation, must keep such ditch, canal or other conduit in good repair, and are liable to the owners or claimants of the lands crossed by such work or aqueduct for all damages occasioned by the overflow thereof, or resulting from any neglect or accident (unless the same be unavoidable) to such ditch or aqueduct.

The existence of a visible ditch, canal or conduit shall constitute notice to the owner, or any subsequent purchaser, of the underlying servient estate, that the owner of the ditch, canal or conduit has the right-of-way and incidental rights confirmed or granted by this section.

Rights-of-way provided by this section are essential for the operations of the ditches, canals and conduits. No person or entity shall cause or permit any encroachments onto the right-of-way, including public or private roads, utilities, fences, gates, pipelines, structures, or other construction or placement of objects, without the written permission of the owner of the right-of-way, in order to ensure that any such encroachments will not unreasonably or materially interfere with the use and enjoyment of the right-of-way. Encroachments of any kind placed in such right-of-way without express written permission of the owner of the right-of-way shall be removed at the expense of the person or entity causing or permitting such encroachment, upon the request of the owner of the right-of-way, in the event that any such encroachments unreasonably or materially interfere with the use and enjoyment of the right-of-way. Nothing in this section shall in any way affect the exercise of the right of eminent domain for the public purposes set forth in section 7-701, Idaho Code.
This section shall apply to ditches, canals or other conduits existing on the effective date of this act, as well as to ditches, canals or other conduits constructed after such effective date.

SECTION 2. That Section 42-1208, Idaho Code, be, and the same is hereby amended to read as follows:

42-1208. EASEMENTS OR RIGHTS-OF-WAY NOT SUBJECT TO ADVERSE POSSESSION. Easements or rights-of-way of irrigation districts, Carey act operating companies, nonprofit irrigation entities, and lateral ditch associations, and drainage districts are not subject to adverse possession, and no person shall prevent free access of authorized personnel on easements or rights-of-way or construct any obstruction on easements or rights-of-way in an effort to adversely possess said easement or right-of-way.

SECTION 3. That Chapter 12, Title 42, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW SECTION, to be known and designated as Section 42-1209, Idaho Code, and to read as follows:

42-1209. ENCROACHMENTS ON EASEMENTS AND RIGHTS-OF-WAY. Easements or rights-of-way of irrigation districts, Carey act operating companies, nonprofit irrigation entities, lateral ditch associations, and drainage districts are essential for the operations of such irrigation and drainage entities. Accordingly, no person or entity shall cause or permit any encroachments onto the easements or rights-of-way, including any public or private roads, utilities, fences, gates, pipelines, structures or other construction or placement of objects, without the written permission of the irrigation district, Carey act operating company, nonprofit irrigation entity, lateral ditch association, or drainage district owning the easement or right-of-way, in order to ensure that any such encroachments will not unreasonably or materially interfere with the use and enjoyment of the easement or right-of-way. Encroachments of any kind placed in such easement or right-of-way, without such express written permission shall be removed at the expense of the person or entity causing or permitting such encroachments, upon the request of the owner of the easement or right-of-way, in the event that any such encroachments unreasonably or materially interfere with the use and enjoyment of the easement or right-of-way. Nothing in this section shall in any way affect the exercise of the right of eminent domain for the public purposes set forth in section 7-701, Idaho Code.

42-1712. CONSTRUCTION, ENLARGEMENT, ALTERATION OR REPAIR OF DAMS -- SUBMISSION OF DUPLICATE PLANS, DRAWINGS AND SPECIFICATIONS. Owners who shall desire to construct, or enlarge, or alter or repair, meaning only such alterations or repairs as may affect the safety of the dam or reservoir, any dam, for the purpose of storing or appropriating or diverting any of the waters of this state, when the same is to be more than twenty (20) feet in height or to have a storage capacity of one hundred (100) acre-feet or more, except as otherwise in this chapter provided, shall submit duplicate plans, drawings and specifications of the proposed work to the director, and construction of a new dam or enlargement, or alteration or repairs shall not be commenced until the owner has applied for and obtained written approval of the plans, drawings and specifications.

Owners of dams under construction on the effective date of this legislation and for which plans, drawings and specifications are required but have not been approved on or before the effective date of this legislation shall submit such plans, drawings and specifications for approval, with the fee established hereinafter. The director shall give notice to owners to submit plans, drawings and specifications, and failure to submit plans, drawings and specifications for approval within thirty (30) days of the date of mailing the notice shall be punishable as provided in this act, and construction shall be stopped upon issuance of an order by the director unless for good cause shown as determined by the director unless further time is allowed. The notice and/or order provided for in this paragraph may be given by certified mail and a return receipt signed by the owner or responsible company shall constitute prima facie evidence of service.

Upon receipt of the plans, drawings and specifications, the director shall give consideration thereto and shall approve or disapprove the same within the time provided in this section, and if he approves them, the director shall affix his approval thereto and return one (1) copy of each such plans, drawings and specifications, with his approval, to the party or parties proposing to construct the works.

Plans, drawings and specifications submitted to the director complete with fees shall be approved or disapproved in no more than sixty (60) days and in no less than fourteen (14) days after receipt. Defective plans, drawings and specifications made in a bona fide attempt to conform to the law and rules and regulations of the water resource board shall not be rejected but notice of defect shall be sent to the owner by certified mail. If within thirty (30) days of the date of mailing the notice the owner does not file amended and perfected plans, drawings and specifications, the plans, drawings and specifications shall be rejected and canceled unless for good cause shown the director allows the owner further time.

The construction of all dams under plans, drawings and specifications approved by the director shall be pursued with reasonable diligence to completion. In the event that an owner fails to commence actual construction and maintain reasonable construction progress of the dam under the plans, drawings and specifications approved by the director prior to or after the effective date of this act, such approval may be voided by the director one (1) year after such approval. Notice of the intent to void any such approval shall be sent by the director to the owner by certified mail and said owner shall be allowed thirty (30) days within which to show cause why such approval should not be voided. The
director may grant additional time within which to commence the construction under plans, drawings and specifications approved by the director upon a showing of reasonable cause. Plans, drawings and specifications for which approval has become void must be resubmitted for approval, with the fee therefor as hereafter provided, prior to commencing construction of any such dam.

The plans, drawings and specifications shall include the following information:

(a) The name and address of the owner.
(b) The location, type, size and height of the proposed dam or reservoir and appurtenant works.
(c) The storage capacity of the reservoir.
(d) Such other pertinent information as the director may require including the following:

1. Data concerning subsoil and foundation conditions and materials entering into construction of the dam or reservoir.
2. Investigations of, and reports on subsurface conditions involving such matters as exploratory pits, trenches, and adits, drilling, coring, geophysical surveys, tests to determine leakage rates, and physical tests to measure in place the properties and behavior of foundation materials at the dam or reservoir site.
3. Investigation of and reports on the geology of the dam or reservoir site and its vicinity, possible geological hazards, availability and quality of construction materials, and other pertinent factors.

The plans, drawings and specifications shall be of such character and size setting forth such pertinent details and dimensions and in such form as the director requires. Plans, drawings and specifications which are submitted to the department shall be prepared by or under the direction of a registered professional engineer who is registered pursuant to Idaho law and authenticated by him as provided in section 54-1215, Idaho Code, or by such other person as provided in section 54-1223, Idaho Code.

Where said dam is, in the opinion of the director, not of sufficient importance to have the provisions of the section apply to such dam, then the director shall have power, upon written application, to suspend the provisions of this section in regard to such dam.

The director shall prepare design and construction criteria for dams and barriers not requiring departmental approval of plans, drawings and specifications and shall supply such criteria upon request to any interested person to aid in constructing such dams and barriers. The use of such criteria shall in no way relieve the owner of responsibility for adequacy of design and construction procedures, nor be the basis of liability for any city or county that grants a permit related to construction of the dam or barrier pursuant to the provisions of chapter 65, title 67, Idaho Code.
SECTION 3. An emergency existing therefor, which emergency is hereby declared to exist, this act shall be in full force and effect on and after its passage and approval, and shall apply to any proceeding before any administrative or judicial tribunal pending on the effective date of this act, or initiated subsequent thereto without regard to any other provision of law.

(3) The remedy for the recovery of those emergency response costs identified in section 39-7109, Idaho Code, provided by this chapter shall be exclusive and shall not be used in conjunction with or in addition to any other remedy for recovery of such costs provided by applicable federal laws. Any person who receives compensation for the emergency response costs pursuant to any other federal or state law shall be precluded from recovering compensation for such costs pursuant to this chapter. Nothing in this chapter shall otherwise affect or modify in any way the obligations or liability of any person under any other provision of state or federal law, including common law, for damages, injury or loss resulting from the release of any hazardous substance or for remedial action or the cost of remedial action for such release.

(4) It shall be the duty of the attorney general to commence any civil action brought by the military division pursuant to this chapter. At the request of a political subdivision of the state or a local governmental entity who has responded to or contained a hazardous substance incident, the attorney general may commence a civil action on their behalf pursuant to this chapter.
(5) Any person who renders assistance in response to a hazardous substance incident may file a civil action under the provisions of this chapter for recoverable costs which have not been reimbursed by the state.

(6) There is hereby created in the state treasury the hazardous substance emergency response fund. Recoveries by the state for reimbursed costs shall be deposited in the general account said fund to offset amounts paid as reimbursement.

AN ACT
RELATING TO TAXATION OF FOREST LANDS; AMENDING SECTION 63-1703, IDAHO CODE, TO PROVIDE THAT IN THE EVENT PAYMENT IS OFFERED OR MADE FOR TAXATION OF FOREST LANDS, IT SHALL BE ACCEPTED BY THE COUNTY TREASURER AND APPLIED IN THE MANNER OF PAYMENT OF OTHER PROPERTY TAX AND TO PROVIDE A CORRECT CODE REFERENCE.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 63-1703, Idaho Code, be, and the same is hereby amended to read as follows:

572 IDAHO SESSION LAWS C. 183 2004
63-1703. CERTAIN FOREST LANDS TO BE DESIGNATED FOR TAXATION BY OWNER — LIMITATIONS. For the purposes of appraisal, assessment and taxation under the provisions of this chapter, all forest lands in parcels of five (5) or more acres but less than five thousand (5,000), whether contiguous or not, as long as such parcels are held in common ownership, must be designated by the forest landowner to be subject to the provisions of either subsection (a) or (b) of this section. A forest landowner cannot have parcels designated under the provisions of both subsections (a) and (b) of this section at one (1) time. If the forest landowner fails to make a designation, his forest lands shall be subject to appraisal, assessment and taxation under the provisions of section 63-1702, Idaho Code. Once a designation is made by the forest landowner, such designation must remain in effect until the designation period expires, unless the forest lands are transferred to another owner using a different taxing category; in such case, the taxing category of the transferred forest lands shall be the same as that maintained by the new owner.

A forest landowner may change the designation of all forest lands in common ownership at the end of any designation period, subject to the recapture of any deferred taxes due as a result of such change. After January 1 and by December 31 of the tenth year of each designation period the forest landowner must notify the county assessor of any change in forest land designation. Failure to notify the county assessor will result in the continuation of the landowner's present designation until the end of the next designation period.

Any substantial change in the use of forest lands not conforming with the definition of forest land in section 63-1701, Idaho Code, during such ten (10) year period under the designations made in subsection (a) or (b) shall be reported by the landowner to the county assessor within thirty (30) days of the change in use. Upon notification of the change in use, the assessor shall appraise, assess and tax those acres as provided by applicable laws and rules. Failure to notify the assessor of the change in use when forest lands have been designated as subject to the provisions of subsection (a) or (b) shall cause forfeiture of such designation, and cause that property to be appraised, assessed and taxed as provided in section 63-1702, Idaho Code.

Forest lands designated for assessment pursuant to the provisions of section 63-1706, Idaho Code, shall be subject to the recapture of deferred taxes upon removal of such designation, a substantial change in use, or ownership transfer, except that there shall be no recapture initiated upon ownership transfer of forest lands designated as subject to the provisions of section 63-1706, Idaho Code, to a landowner with forest lands already designated as subject to the provisions of section 63-1706, Idaho Code, prior to the transfer, or who so designates his lands to be subject to the provisions of section 63-1706, Idaho Code. In the event payment is offered or made, it shall be accepted by the county treasurer and applied in the manner of payment of other property tax.

The dollar amount of deferred taxes subject to recapture shall be determined by the county assessor by applying current tax levies against the current values that would have been in effect if the lands were subject to appraisal and assessment during the current year under the provisions of section 63-1705, Idaho Code, if there has been a change in ownership or a removal of designation, or section 63-1702, Idaho Code, if there has been a change in use with no change in ownership, which
amount shall be multiplied by the number of years that the lands have been subject to the designation under section 63-1706, Idaho Code. The amount of the deferred tax shall accrue through designation periods, up to a maximum of ten (10) years, and shall apply to the most recent ten (10) years in which the parcel has been designated under the provisions of section 63-1706, Idaho Code. A credit shall be allowed for taxes actually paid under the provisions of section 63-1706, Idaho Code, for an identical ten (10) year period, up to the total amount of the deferred taxes. All deferred amounts shall be a lien against the land. Deferred tax amounts shall be calculated by the county assessor on forms prescribed by the state tax commission. Deferred tax amounts shall be supplied by the county assessor to the county treasurer by May 15 of the year following conveyance or within thirty (30) days of removal of designation, or of learning of a change in use. All deferred tax amounts shall be due and payable to the county treasurer on demand and shall become delinquent if not paid by the demand due date specified by the county treasurer on the forms prescribed by the state tax commission. If the deferred tax is not paid as provided above, the payment becomes delinquent and subject to late charges, and interest in the amounts provided in sections 63-201(67) and 63-1001, Idaho Code, and subject to collection in the manner as set forth in chapter 10, title 63, Idaho Code. Estimated deferred tax amounts may be held by the county treasurer in a tax anticipation account from the date of conveyance until June 1 of the year following conveyance.

The county treasurer shall cause the deferred taxes and any penalty and interest paid pursuant to the provisions of this section to be apportioned to the various taxing authorities within which the property subject to the tax is located in the same manner as property taxes.

(a) A forest landowner may choose to have his forest land assessed, appraised and taxed under the provisions of section 63-1705, Idaho Code, by filing such choice with the county assessor on a form prescribed by the state tax commission. Designation filed pursuant to section 63-1705, Idaho Code, shall become effective the first day of January following the year of designation.

(b) A forest landowner may choose to have his forest land assessed, appraised and taxed under the provisions of section 63-1706, Idaho Code, by filing such choice with the county assessor on a form prescribed by the state tax commission. Designation filed pursuant to section 63-1706, Idaho Code, shall become effective the first day of January following the year of designation.

(c) All forest products or timber harvested from investment lands not designated as subject to the provisions of section 63-1702, 63-1705 or 63-1706, Idaho Code, and delivered to a point of utilization as logs or semiprocessed forest products (except those forest products harvested for the domestic use of the landowner under the provisions of section 63-1708, Idaho Code) shall be subject to the yield tax at the time of harvest in the same manner provided for in section 63-1706, Idaho Code.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 58-122, Idaho Code, be, and the same is hereby amended to read as follows:

58-122. CONTESTED CASES -- PROCEDURE. It shall be the duty of the director of the department of lands in any or all contested cases, at the direction of the board, to appoint hearing officers, receive evidence, issue subpoenas and to hold contested case hearings in accordance with sections 67-5240 through 67-5271, Idaho Code, when hearings are necessary and witnesses may be required to be examined; to set a date for hearing such cases. The director shall duly advise the contestants and their accredited attorneys of the date set for such hearing, and on the date appointed the director is hereby empowered to administer oaths and to hear and receive evidence; after the manner and procedure established by the United States in the district land offices, or in accordance with the rules that are or may be adopted by the board governing such cases. All evidence given and provided in such cases before the hearing shall be at the contestant's own cost, and shall be fully transcribed and arranged, and shall form a part of the records of the office of the state board of land commissioners. The director shall, as soon as convenient after such hearings, present a full transcript of the proceedings to the state board of land commissioners, who shall render a decision in accordance therewith. Provided however, that when the state board of land commissioners is exercising its duties and authorities concerning the direction, control or disposition of the public lands of the state pursuant to sections 7 and 8, article IX, of the constitution of the state of Idaho, such actions shall not be considered to be contested cases as defined in subsection (6) of section 67-5201, Idaho Code, and section 67-5240, Idaho Code, unless the board, in its discretion, determines that a contested case hearing would be of assistance to the board in the exercise of its duties and authorities.

Be It Enacted by the Legislature of the State of Idaho:

AN ACT
RELATING TO CROP MANAGEMENT AREAS; AMENDING SECTION 22-2017, IDAHO CODE, TO PROVIDE FOR PETITIONS FOR THE ESTABLISHMENT OF CROP MANAGEMENT AREAS IN AREAS WHERE FEWER THAN TWENTY-FIVE REGISTERED ELECTORS RESIDE.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 22-2017, Idaho Code, be, and the same is hereby amended to read as follows:

22-2017. CROP MANAGEMENT AREAS. The legislature recognizes the fact that in order to produce crops that are free from plant pests, and to control such plant pests, it is frequently necessary to apply certain crop management practices over an area which may include several farms, orchards, nurseries or other crop producing entities. Such practices may include, but are not limited to, use of clean seed, destruction of infested or undesirable plants, use of chemicals and prohibiting introduction of host materials. The legislature further recognizes that it is in the public interest that the director be authorized to designate certain areas as crop management areas and to stipulate those practices which shall be followed in the management area insofar as they affect the particular crop.
(1) The director may provide for establishment of a crop management area after presentation of a petition signed by not less than twenty-five (25) registered electors residing within the confines of the pro-
posed crop management area. The petitioners shall give the petition to the county clerk of the county or counties who shall examine the signatures and certify the number of valid signatures of electors residing within the confines of the proposed crop management area and transmit the petition to the director. The director may establish a crop management area within the boundaries specified in the petition.

(2) In instances where there are less than twenty-five (25) registered electors residing within the confines of the proposed crop management area, a majority of those registered electors must sign the petition in order for the petition to be considered by the director. The petitioner(s) of the proposed crop management area shall present the petition to the county clerk of the county of the proposed crop management area. The county clerk of the county shall examine the signatures presented by the petitioner(s) and shall certify that the number of valid signatures constitutes a majority of electors residing within the confines of the proposed crop management area. The county clerk of the county shall then transmit the petition to the director. The director may establish a crop management area within the boundaries specified in the petition.

(3) In instances where there are no registered electors residing within the confines of the proposed crop management area, the petitioner(s) of the proposed crop management area shall present the petition to the county clerk of the county of the proposed crop management area. The county clerk of the county shall notify the director in writing certifying that there are no registered electors residing in the proposed crop management area. The county clerk of the county shall then transmit the petition to the director. The director may establish a crop management area within the boundaries specified in the petition.

(4) The director may make and enforce rules to maintain the management area. Rules may include, but shall not be limited to:
(a) Specification of the kind and quality of seed or other propagative material which may be planted in the area;
(b) Specification of treatments, chemical or otherwise, which shall be used to control pests or undesirable plants in the area;
(c) Transportation of vegetative material into, within or out of the area;
(d) Disposition of infested crops, undesirable plants or other material which may include destruction of the crops, plants or other material;
(e) Disposition of vegetative material planted in violation of the rules.

(5) Disposition of infested or violative material in a crop management area shall be at the expense of the owner thereof.

CHAPTER 187
(H.B. No. 682)

AN ACT
RELATING TO BEEF CATTLE FEEDING OPERATIONS; AMENDING SECTION 22-4902, IDAHO CODE, TO PROVIDE ADDITIONAL LEGISLATIVE INTENT RELATING TO THE BEEF CATTLE ENVIRONMENTAL CONTROL ACT; AMENDING SECTION 22-4903,
Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 22-4902, Idaho Code, be, and the same is hereby amended to read as follows:

22-4902. DECLARATION OF POLICY AND STATEMENT OF LEGISLATIVE INTENT.  
(1) The legislature recognizes the importance of protecting state natural resources including, surface water and ground water. It is the intent of the legislature to protect the quality of these natural resources while maintaining an ecologically sound, economically viable, and socially responsible beef cattle industry in the state. The beef cattle industry produces manure and process wastewater which, when properly used, supplies valuable nutrients and organic matter to soils and is protective of the environment, but may, when improperly stored and managed, create adverse impacts on natural resources, including waters of the state. This chapter is intended to ensure that manure and process wastewater associated with beef cattle operations are handled in a manner which protects the natural resources of the state. 

(2) Further, the legislature recognizes that the beef cattle industry is potentially subject to various state and federal laws designed to protect state natural resources and that the Idaho department of agriculture is in the best position to administer and implement these various laws. It is therefore the intent of the legislature that the administration of this law by the department of agriculture fully meets the goals and requirements of the federal clean water act and state laws designed to further protect state waters and that administration of this chapter by the department of agriculture shall not be more stringent than or broader in scope than the requirements of the clean water act and applicable state and federal laws. The department shall have authority to administer all laws to protect the quality of water within the confines of a beef cattle animal feeding operation. In carrying out this chapter the department shall prioritize its resources on operations which have the greatest potential to significantly impact the environment and ensure that any requirements imposed under this chapter upon operators of beef cattle animal feeding operations are cost-effective and economically, environmentally and technologically feasible. 

(3) Successful implementation of this chapter is dependent upon the department receiving adequate funding from the legislature and is dependent upon the department executing a memorandum of agreement with the United States environmental protection agency, the department of environmental quality and the Idaho cattle association which sets forth a working arrangement between the agencies to ensure compliance with this chapter and applicable state and federal laws, including the federal clean water act. Moreover, the legislature recognizes that it is important for the state to obtain a delegated national pollutant dis-
charge elimination system (NPDES) permit program from the EPA under the clean water act.

SECTION 2. That Section 22-4903, Idaho Code, be, and the same is hereby amended to read as follows:

22-4903. AUTHORITY AND DUTIES OF DIRECTOR CONCERNING BEEF CATTLE ANIMAL FEEDING OPERATIONS. (1) The director of the department of agriculture through the division of animal industries is authorized to regulate beef cattle animal feeding operations to protect state natural resources, including surface water and ground water.

(2) In order to carry out its duties under this chapter, the department shall be the responsible state department to prevent any ground water contamination from beef cattle animal feeding operations as provided under section 39-120, Idaho Code.

(3) The director shall have the authority to exercise any other authorities delegated by the director of the department of environmental quality regarding the protection of ground water, surface water and other natural resources associated with confined animal feeding operations, and this shall be the authority for the director of the department of environmental quality to so delegate.

(4) The director of the department of environmental quality shall consult with the director of the department of agriculture before certifying discharges from beef cattle animal feeding operations as provided under 33 U.S.C. section 1341.

Any new operation commencing operations after July 1, 2000, shall not operate prior to the director's approval of a nutrient management plan. An approved nutrient management plan shall be implemented and considered a best management
practice. Following department review and approval, the plan, and all copies of the plan, shall be returned to the operation and maintained on site. Such plans shall be available to the administrator on request.

(B) The balance of all unpaid approved claim amounts shall be accumulated to a total as of June 30. If the balance in the big game secondary depredation account appropriation is sufficient to pay all approved claims, the director shall promptly pay them.    (B) The balance of all unpaid approved claim amounts shall be accumulated to a total as of June 30. If the balance in the big game secondary depredation account appropriation is sufficient to pay all approved claims, the director shall pay them. If the balance is not sufficient to pay all approved claims, the director shall authorize a proportionate amount to be paid to each claimant. However, claims filed under section 36-1108, Idaho Code, shall have priority and will be paid prior to claims filed under sections 36-1109 and 36-1110, Idaho Code.

SECTION 3. That Section 36-1108, Idaho Code, be, and the same is hereby amended to read as follows:

36-1108. CONTROL OF DAMAGE BY ANTELOPE, ELK, DEER OR MOOSE -- COMPENSATION FOR DAMAGES. (a) Prevention of depredation shall be a priority management objective of the department, and it is the obligation of landowners to take all reasonable steps to prevent property loss from wildlife or to mitigate damages by wildlife. When any antelope, elk, deer or moose is doing damage to or is destroying any property or is about to do so, the owner or lessee thereof may make complaint and report the facts to the director or his designee who shall, within seventy-two (72) hours, investigate the conditions complained of. If it appears that the complaint is well founded and the property of the complainant is being or is likely to be damaged or destroyed by such antelope, elk, deer or moose, the director may:

1. Send a representative onto the premises to control, trap, and/or remove such animals as will stop the damage to said property. Any animals so taken shall remain the property of the state and shall be turned over to the director.

2. Grant properly safeguarded permission to the complainant to control, trap and/or remove such animals. Any animals so taken shall remain the property of the state and shall be turned over to the director.

3. Make an agreement with the owner or lessee to allow continued use of lands by the animals where damage by them has occurred to stored, growing or matured crops on private property whether owned or leased. This agreement may be transacted only after department attempts to resolve the problem by other means have proven unsuccessful. The agreement made under the provisions of this subsection may provide for financial compensation to the owner or lessee. If made, financial compensation under the provisions of this subsection shall be governed by the provisions of section 36-114, Idaho Code, and shall not be in addition to any payments for the same crop losses from any other source. Compensation for damages under the provisions of this subsection shall be available for damages done to private lands, whether owned or leased, if the owner or lessee allowed hunters reasonable access to the property or through the property to public lands for hunting purposes during the preceding hunting season. This provision shall not negate the provisions of section 36-1602, Idaho Code, relating to the necessity of obtaining permission to enter private land. If necessary, the arbitration panel provided for in subsection (b) of this section shall determine the reasonableness of access allowed.

(b) 1. In order to establish eligibility for submission of claims for damages, persons suffering crop damages on privately owned or leased land caused by antelope, elk, deer or moose must:

(A) Notify the department within seventy-two (72) hours of discovery of damage.

(B) Follow up verbal notification with a written notice within ten (10) days of the discovery of damages.
(C) The department shall not be held liable or accountable for any damages occurring more than ten (10) days prior to the initial notification of damage. However, the department may extend the period up to thirty (30) days under exceptional circumstances.

The owner or lessee must have allowed hunters reasonable access to the property or through the property to public lands for hunting purposes during the preceding hunting season or the claim for damages shall be disallowed. Compensation for crop damages' claims shall not be in addition to any payments for the same crop losses from any other source and shall not include fence or other types of property damage. While fences and irrigation equipment are not subject to claim for payment, the department is allowed to provide support and assistance, including provision of materials to design, construct, and maintain fences for control of depredation. The notice of damages caused must be in written form, shall be in the form of a claim for damages substantially the same as required by section 6-907, Idaho Code, shall be attested to by the claimant under oath, and the claim shall be at least one thousand dollars ($1,000). The claim shall not be amended after it is filed, provided however, that a claimant may file an additional claim in the event additional damage occurs subsequent to filing the initial claim. The department shall prepare and make available suitable forms for notice and claim for damages. Claims may be submitted only for the fiscal year (July 1 through June 30) in which they occurred. Any person submitting a fraudulent claim shall be prosecuted for a felony as provided in section 18-2706, Idaho Code. For purposes of this subsection, crop damages shall mean damage to plants grown or stored for profit and exclude ornamental plants.

2. Upon receipt by the department, the department shall review the claim, and if approved, pay it as provided in section 36-114, Idaho Code, or order it paid as provided in section 36-115, Idaho Code. Failure on the part of the owner or lessee to allow on-site access for inspection and investigation of alleged losses shall void the claim for damages.

3. In the event the owner or lessee and the department fail to agree on the amount of damages and neither party elects to retain the services of an independent certified insurance adjuster, provisions of subsection (b)4. of this section shall apply. The independent certified adjuster shall complete his review and determination within thirty twenty (320) days from the date he is retained, and will report his determination in writing by certified mail to the department and to the owner or lessee. Neither the owner or lessee, nor the department, shall disturb the affected property prior to review and determination by the independent insurance adjuster. Costs associated with the services of the written-claim independent insurance adjuster shall be divided equally between the owner or lessee and
the department, subject to reapportionment of the costs by an arbitration panel pursuant to the provisions of subsection (b)(4) of this section. If the department, or the owner or lessee rejects the department's offer, which rejection or refusal must be in writing; the provisions of paragraph 4. shall apply. Any offer which is not accepted determination of the adjuster, they shall notify the other party in writing of the rejection within thirty five (305) business days of receipt shall be deemed to be rejected of the adjuster's determination. In the event that either party rejects the adjuster's determination, the provisions of subsection (b)(4) of this section shall apply.

4. Within five (5) working business days of the owner's or lessee's rejection of an offer to pay adjuster's determination of damages or failure of the owner or lessee and the department to agree on damages when a certified insurance adjuster is not used; or within five (5) working days after the department finds that no damage has in fact been sustained, the director must convene an arbitration panel. To convene an arbitration panel, the director must, within five (5) working business days, appoint the department's representative and notify the landholder of the appointment. The landholder(s) shall, within the next five (5) working business days following such notice from the department, appoint his representative and notify the department of the appointment. Within the next five (5) working days, the department representative and the landholder must mutually appoint the third arbitrator. The arbitration panel shall consist of three (3) members, as follows:

(A) The director of the department of fish and game or his designee;

(B) The owner or his designee, or the lessee or his designee;

(C) One (1) member selected by the two (2) members above.

The panel shall convene within thirty (30) days of the selection of the third arbitrator, and render its decision within fourteen (14) days after the hearing. When convened, the arbitration panel shall have the same authority to make on-site inspections as the department. The owner or lessee shall be responsible for payment of the expenses of his appointee; the director shall pay the expenses of his appointee from the big game primary depredation account; and the expenses of the third member shall be a joint responsibility of the owner or lessee, and the department. Provided however, the panel is authorized to review the costs associated with retaining the independent insurance adjuster and to determine whether those costs should instead be borne solely by the owner or lessee, solely by the department, or be apportioned between the owner or lessee and the department. In cases where an independent insurance adjuster was used, the party electing to use the adjuster shall assume the insurance adjuster's determination of damage as their estimate of damage. The panel shall consider the claim submitted by the owner or lessee, and the estimate of damages determined submitted by the department, and shall select one (1) amount or the other as being the closest to the actual damages sustained by the claimant. The arbitration panel shall report its decision in writing to both the owner or lessee and to the department within ten (10) days of the decision, and the decision of the panel shall be binding on the owner or lessee and the department. The fish and game advisory committee shall develop
(c) Any claim received by the department under the provisions of subsection (b) of this section must be processed by the department within sixty (60) calendar days of receipt. If the claim is approved for payment, payment must be made within forty-five (45) calendar days of such approval. Any damage claim determination by an independent insurance adjuster pursuant to subsection (b)3. of this section, accepted by the parties, must be paid by the department within forty-five (45) calendar days of the determination. If the claim is arbitrated, the arbitration must be completed within one hundred eighty (180) calendar days of filing the claim for such damages.

SECTION 4. That Section 36-1109, Idaho Code, be, and the same is hereby amended to read as follows:

36-1109. CONTROL OF DAMAGE BY BLACK BEARS OR MOUNTAIN LIONS -- COMPENSATION FOR DAMAGE. (a) Prevention of depredation shall be a priority management objective of the department, and it is the obligation of landowners to take all reasonable steps to prevent property loss from black bears or mountain lions or to mitigate damage by such. The director, or his representative, will consult with appropriate land management agencies and landusers before transplanting or relocating any black bear or mountain lion.

(b) When any black bear or mountain lion has done damage to or is destroying livestock on public, state, or private land, whether owned or leased, or when any black bear has done damage to or is destroying berries or honey on private land, the owner or his representative of such livestock shall, for the purposes of filing a claim, report such loss to a representative of the U.S. department of agriculture animal plant and health inspection services/animal damage control (APHIS/ADC) who shall, within seventy-two (72) hours, investigate the conditions complained of. For purposes of this section, livestock shall be defined as domestic cattle, sheep, and goats. If it appears that the complaint is well founded and livestock, berries or honey of the complainant has been damaged or destroyed by such black bear or mountain lion, APHIS/ADC shall so inform the director or the department's regional office owner or his representative of the extent of physical damage or destruction in question. The owner shall provide the director or the department's regional office with the APHIS/ADC determination of damages or destruction. The physical damages, without establishing a monetary value thereon, as determined by the APHIS/ADC representative shall be final, and shall be binding upon the owner or his representative and on the department.

(c) Any claim for damages must be in written form, shall be in the form of a claim for damages substantially the same as required in section 6-907, Idaho Code, shall be attested to by the claimant under oath, and the claim shall be for an amount of at least one thousand dollars ($1,000) in damages per occurrence. The department shall prepare and make available suitable forms for claims for damages. Claims may be submitted only for the fiscal year (July 1 through June 30) in which they occurred. Any person submitting a fraudulent claim shall be prosecuted for a felony as provided in section 18-2706, Idaho Code.

1. Upon receipt by the department, the department shall review the claim, and if approved, pay it as provided in section 36-115, Idaho Code.
Code. Failure on the part of the owner or representative to allow on-site access shall negate the claim for damages.

2. If the department accepts the claim for damages as submitted by the owner or his representative, the department may approve the claim for payment, or may make a counter offer. If the owner or his representative rejects the department's counter offer, this rejection or refusal must be in writing and submitted within five (5) working business days. The value of the damage or destruction will then be determined by arbitration as set forth in pursuant to the provisions of subsection (b)3. of section 36-1108, Idaho Code, and, in circumstances so provided for by the provisions of subsection (b)3. of section 36-1108, Idaho Code, pursuant to the provisions of subsection (b)4. of section 36-1108, Idaho Code. (H.B. No. 739)

AN ACT
RELATING TO PROPERTY EXEMPT FROM TAXATION; AMENDING SECTION 63-602G, IDAHO CODE, TO PROVIDE A PROCEDURE FOR DETERMINATION AND COLLECTION OF PROPERTY TAX MONEYS THAT WERE IMPROPERLY CLAIMED OR APPROVED FOR THE FIFTY-FIFTY HOMEOWNER'S PROPERTY TAX EXEMPTION AND TO PROVIDE APPLICATION OF MONEYS COLLECTED TO THE THREE PERCENT PROPERTY TAX CAP.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 63-602G, Idaho Code, be, and the same is hereby amended to read as follows:

63-602G. PROPERTY EXEMPT FROM TAXATION -- RESIDENTIAL IMPROVEMENTS.
(1) During the tax year 1983 and each year thereafter, the first fifty thousand dollars ($50,000) of the market value for assessment purposes of residential improvements, or fifty percent (50%) of the market value for assessment purposes of residential improvements, whichever is the lesser, shall be exempt from property taxation.
(2) The exemption allowed by this section may be granted only if:
(a) The residential improvements are owner-occupied and used as the primary dwelling place of the owner as of January 1, provided that in the event the residential improvements are owner-occupied after
January 1 but before April 15, the owner of the property is entitled to the exemption. The residential improvements may consist of part of a multidwelling or multipurpose building and shall include all of such dwelling or building except any portion used exclusively for anything other than the primary dwelling of the owner. The presence of an office in an owner-occupied residential property, which office is used for multiple purposes, including business and personal use, shall not prevent the owner from claiming the exemption provided in this section; and

(b) The tax commission has certified to the board of county commissioners that all properties in the county which are subject to appraisal by the county assessor have, in fact, been appraised uniformly so as to secure a just valuation for all property within the county; and

(c) The owner has certified to the county assessor by April 15 that:

(i) He is making application for the exemption allowed by this section;

(ii) That the residential improvements are his primary dwelling place; and

(iii) That he has not made application in any other county for the exemption, and has not made application for the exemption on any other residential improvements in the county.

(d) For the purpose of this section, the definition of owner shall be the same definition set forth in section 63-701(7), Idaho Code. When an "owner," pursuant to the provisions of section 63-701(7), Idaho Code, is any person who as grantor, or whose spouse as grantor, created a revocable or irrevocable trust and was named as beneficiary of that trust, or who is a partner of a limited partnership, a member of a limited liability company, or shareholder of a corporation, he or she may provide proof of the trust, limited partnership, limited liability company, or corporation with an affidavit stating: (i) the name of the grantor, partner, member or shareholder; (ii) a statement that the grantor, or the grantor's spouse, is the beneficiary of the trust, or the person is a partner of the limited partnership, or a member of the limited liability company, or a shareholder of the corporation; (iii) the grantor, the grantor's spouse, partner, member or shareholder is the occupier of the residential property and uses the property as the primary dwelling place of the grantor, the grantor's spouse, partner, member or shareholder as of January 1; and (iv) if applicable, the person holds at least a five percent (5%) ownership in the limited partnership, limited liability company or corporation.

The affidavit shall include the attaching of the copies of those portions of the trust or other document which set forth the grantor, the grantor or the grantor's spouse as beneficiary and the signature page of the trust or other document; those portions of the articles of organization or operating agreement of the limited liability company indicating the person's membership in the company and the ownership percentage held by such person; those portions of the limited partnership agreement or other records of the limited partnership indicating that the person has been admitted to the partnership and the ownership percentage held by such person; or those portions of the articles of incorporation indicating that the person is
a shareholder of the corporation and the ownership percentage held by such person.

e) Any owner may request in writing the return of all copies of any documents submitted with the affidavit set forth in paragraph (d) of this subsection that are held by a county assessor, and the copies shall be returned by the county assessor upon submission of the affidavit in proper form.

f) For the purpose of this section, the definition of "primary dwelling place" shall be the same definition set forth in section 63-701(8), Idaho Code.

g) For the purpose of this section, the definition of "occupied" shall be the same definition set forth in section 63-701(6), Idaho Code.

(3) An owner need only make application for the exemption described in subsection (1) of this section once, as long as all of the following conditions are met:

(a) The owner has received the exemption during the previous year as a result of his making a valid application as defined in subsection (2)(c) of this section.
(b) The owner or beneficiary, partner, member or shareholder, as appropriate, still occupies the same residential improvements for which the owner made application.

(c) The residential improvements described in subsection (3)(b) of this section are owner-occupied or occupied by a beneficiary, partner, member or shareholder, as appropriate, and used as the primary dwelling place of the owner or beneficiary, partner, member or shareholder, as appropriate, as of January 1; provided however, that in the event the residential improvements are owner-occupied after January 1, but before April 15, the owner of the property is entitled to the exemption.

(4) The exemption allowed by this section must be taken before the reduction in taxes provided by sections 63-701 through 63-710, Idaho Code, is applied.

(5) Recovery of property tax exemptions allowed by this section but improperly claimed or approved.

(a) Upon discovery of evidence, facts or circumstances indicating any exemption allowed by this section was improperly claimed or approved, the county assessor shall decide whether the exemption claimed should be allowed and if not, notify the taxpayer in writing, assess a recovery of property tax and notify the county treasurer of this assessment.

(b) When information indicating that an improper claim for the exemption allowed by this section is discovered by the state tax commission, the state tax commission may disclose this information to the appropriate county assessor, board of county commissioners and county treasurer. Information disclosed to county officials by the state tax commission under this subsection may be used to decide the validity of any entitlement to the exemption provided in this section and is not otherwise subject to public disclosure pursuant to chapter 3, title 9, Idaho Code.

(c) The assessment and collection of the recovery of property tax must begin within the seven (7) year period beginning the date the assessment notice reflecting the improperly claimed or approved exemption was required to be mailed to the taxpayer.
(d) The taxpayer may appeal to the board of county commissioners the decision by the county assessor to assess the recovery of property tax within thirty (30) days of the date the county assessor sent the notice to the taxpayer pursuant to this section.

(e) A recovery of property tax shall be for each year the exemption allowed by this section was improperly claimed or approved up to the lesser of a maximum of seven (7) years or until the property was transferred to a bona fide purchaser for value. The amount of the recovery of property tax shall be calculated using the product of the amount of exempted value for each year multiplied by the levy for that year plus costs, late charges and interest for each year at the rates equal to those provided for delinquent property taxes during that year.

(f) Any recovery of property tax shall be due and payable no later than the date provided for property taxes in section 63-903, Idaho Code, and if not timely paid, late charges and interest, beginning the first day of January in the year following the year the county assessor sent the notice to the taxpayer pursuant to this section, shall be calculated at the current rate provided for property taxes.

(g) Recovered property taxes shall be billed, collected and distributed in the same manner as property taxes, except each taxing district or unit shall be notified of the amount of any recovered property taxes included in any distribution.

(h) Any unpaid recovered property taxes shall become a lien upon the real property in the same manner as provided for property taxes in section 63-206, Idaho Code, except such lien shall attach as of the first day of January in the year following the year the county assessor sent the notice to the taxpayer pursuant to this section.

(i) For purposes of the limitation provided by section 63-802, Idaho Code, moneys received pursuant to this subsection as recovery of property tax shall be treated as property tax revenue.

(j) The legislature declares that this exemption is necessary and just.

(67) Residential improvements having previously qualified for exemption under this section in the preceding year, shall not lose such qualification due to the owner's, beneficiary's, partner's, member's or shareholder's absence in the current year by reason of active military service in a designated combat zone, as defined in section 112 of the Internal Revenue Code. If an owner fails to timely apply for exemption as required in this section solely by reason of active duty in a designated combat zone by the owner, beneficiary, partner, member or shareholder, as appropriate, as defined in section 112 of the Internal Revenue Code, and such improvements would have otherwise qualified under this section, then the board of county commissioners of the county in which the residential improvements are located shall refund property taxes, if previously paid, in an amount equal to the exemption which would otherwise have applied.

SECTION 1. That Section 22-4804, Idaho Code, be, and the same is hereby amended to read as follows:

22-4804. REGISTERED COUNTIES -- AGRICULTURAL BURNING FEES -- ACCOUNT -- RULES -- RESEARCH -- MANAGEMENT PROGRAM. (1) Any person who registers a field for agricultural burning in Kootenai, Benewah, Boundary, Bonner, Shoshone, Latah, Clearwater, Nez Perce, Lewis or Idaho counties shall pay to the department a fee of one two dollars ($2.00) per acre of cropland to be burned. The department shall remit all fees monthly to the state treasurer, who shall deposit the moneys in the state agricultural smoke management account which is hereby created.

(2) The department may use moneys from the agricultural smoke management account as appropriated annually by the legislature for:
   (a) Research to:

      (ii) Improve burning and cultural practices for crops which may require burning;

      (iv) If appropriate, study and evaluate any public health impacts of burning; and
   (b) Supplementation of appropriated general account moneys for implementation of agricultural smoke management programs referenced in section 22-4801, Idaho Code.

SECTION 2. An emergency existing therefor, which emergency is hereby declared to exist, this act shall be in full force and effect on and after its passage and approval.

CHAPTER 198
(H.B. No. 780, As Amended in the Senate)

AN ACT RELATING TO THE BOND LEVY EQUALIZATION SUPPORT PROGRAM; AMENDING SECTION 33-906, IDAHO CODE, TO FURTHER LIMIT UTILIZATION OF ASSISTANCE PURSUANT TO THE PROGRAM, TO PROVIDE THAT A SCHOOL DISTRICT SHALL NOT BE DEEMED TO BE REFINANCING EXISTING DEBT IN CERTAIN CIRCUMSTANCES, TO PROVIDE THAT AN OTHERWISE ELIGIBLE SCHOOL DISTRICT SHALL NOT BE DEEMED INELIGIBLE DUE TO THE SCHOOL DISTRICT'S ELIGIBILITY AND PRIOR PARTICIPATION IN SAFE SCHOOL PROGRAMS UNDER CERTAIN CONDITIONS AND TO MAKE TECHNICAL CHANGES.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 33-906, Idaho Code, be, and the same is hereby amended to read as follows:

33-906. BOND LEVY EQUALIZATION SUPPORT PROGRAM. (1) Pursuant to section 33-906B, Idaho Code, school districts with a value index below one (1) shall be eligible to receive additional state financial assistance for the cost of annual bond interest and redemption payments made on bonds passed on or after September 15, 2002. However, any school dis-
school district shall receive no less than ten percent (10%) of the interest cost portion of the annual bond interest and redemption payment for bonds passed on or after September 15, 2002. The state department of education shall disburse such funds to school districts from moneys appropriated from the bond levy equalization fund. The department shall disburse the funds by no later than September 1 of each year for school districts in which voters have approved the issuance of qualifying bonds by no later than January 1 of that calendar year, and which are certifying a qualifying bond interest and redemption payment for the fiscal year in which the disbursement is made. For districts with a value index below one (1), the percentage of each annual bond interest and redemption payment that is paid by the state shall be determined by dividing the difference between one (1) and the school district's value index by one (1) provided that the state shall pay no more than the interest cost portion of the annual bond interest and redemption payment, and each school district shall receive no less than ten percent (10%) of the interest cost portion of the qualifying bond interest and redemption payment.

(2) For the purposes of this section, the annual bond interest and redemption payment shall be determined by dividing the total payment amounts by the number of fiscal years in which payments are to be made. The interest cost portion of the annual bond interest and redemption payment shall be determined by dividing the total interest paid by the number of fiscal years in which payments are to be made. For school districts not qualifying for a state payment in the first year of the bond interest and redemption payment schedule, due solely to the January 1 eligibility deadline, the state department of education shall distribute an additional payment in the next fiscal year, in the amount of such funds that the school district would have otherwise qualified for in the current fiscal year.

(3) The provisions of this section may not be utilized to refinance existing debt or subsidize projects previously subsidized by state grants; provided however, that any school district that has issued qualifying bonds prior to June 30, 2004, in conformance with this section shall not be deemed to be refinancing existing debt when the qualifying bonds are utilized to finance the acquisition of public school facilities previously leased or financed through means other than the issuance of general obligation bonds approved by a two-thirds (2/3) vote at an election called for that purpose subject to subsection (5) of this section.

(4) School districts shall annually report the status of all qualifying bonds to the state department of education by January 1 of each year, including bonds approved by the voters, but not yet issued. Information submitted shall include the following:

(4a) The actual or estimated bond interest and redemption payment schedule;

(4b) Any qualifying bond that has been paid off;

(4c) Other information as may be required by the state department of education.

(5) No school district eligible for participation in the bond levy equalization support program shall be deemed ineligible for participation due to that school district's eligibility and prior participation in the safe school facilities loan and grant program or the Idaho safe schools facilities program under section 33-804A, 33-1017 or 33-1613, Idaho Code, provided that:
(a) Such school district notifies the state department of education of its desire and eligibility to participate in the bond levy equalization support program; and

(b) Such school district shall receive no state financial assistance under the bond levy equalization support program until the amount to which it would otherwise have been entitled to receive shall equal the amounts received by the school district under the safe schools facilities loan and grant program or the Idaho safe schools facilities program under section 33-804A, 33-1017 or 33-1613, Idaho Code.

APPROPRIATING MONEYS FROM THE IDAHO MILLENNIUM INCOME FUND TO THE STATE TREASURER FOR THE PURPOSE AND PROGRAM SPECIFIED FOR FISCAL YEAR 2005; APPROPRIATING MONEYS AND DIRECTING THE STATE CONTROLLER TO TRANSFER MONEYS FOR THE PURPOSES AND PROGRAMS SPECIFIED FOR FISCAL YEAR 2005; PROVIDING LEGISLATIVE INTENT TO THE CATASTROPHIC HEALTH CARE COST PROGRAM BOARD REGARDING CERTAIN EXPENDITURES; AND PROVIDING THAT CERTAIN UNEXPENDED AND UNENCUMBERED MONEYS SHALL BE REVERTED.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. There is hereby appropriated from the Idaho Millennium Income Fund to the State Treasurer $60,700 to be expended for trustee and benefit payments to the Idaho American Cancer Society for the period July 1, 2004, through June 30, 2005. This appropriation shall be for the use of the Magic Valley Youth Tobacco-Free Coalition to develop a statewide community tobacco control program.

SECTION 2. There is hereby appropriated and the State Controller is hereby directed to make cash transfers from the Idaho Millennium Income Fund to the following programs, at the request of the State Treasurer, not to exceed $1,879,000 for the period July 1, 2004, through June 30, 2005:

(a) $500,000 for the Catastrophic Health Care Cost Program for tobacco-related disease treatment as determined by a physician, by way of reducing the county deductible payment pursuant to Section 3 of this act.

(b) $500,000 for the Bureau of Health Promotion in the Department of Health and Welfare for targeted tobacco counter-marketing programs, specific to Idaho, and to be matched by private industry funds on at least a one-to-one basis.
(c) $515,000 for the Public Health Districts to continue tobacco use cessation programs statewide through the Public Health Districts of Idaho and other nonprofit entities such as hospitals, primary care clinics and voluntary organizations. The tobacco use cessation programs should be available to any Idaho citizen, with primary emphasis on youth and pregnant women.

(d) $270,000 for the Idaho Supreme Court for its youth courts and status offender services programs as they relate to addressing tobacco and/or substance abuse issues.

(e) $94,000 for Law Enforcement Programs in the Idaho State Police to offset the cost of youth tobacco investigations.

SECTION 3. It is legislative intent that the Catastrophic Health Care Cost Program Board use the funds appropriated in Section 2(a) of this act to temporarily reduce the $10,000 deductible paid by counties for the costs of caring for indigent persons with tobacco-related diseases. The Catastrophic Health Care Cost Program Board shall be vested with the authority to define and determine which cases qualify for the reduced county deductible, subject to the provisions of this section. Notwithstanding the provisions of Chapter 35, Title 31, Idaho Code, the Catastrophic Health Care Cost Program Board is hereby granted the authority to enact these reductions for the period July 1, 2004, through June 30, 2005, provided that the additional fiscal impact of these reductions on the Catastrophic Health Care Cost Program shall not exceed the amount appropriated in Section 2(a) of this act.

SECTION 4. Notwithstanding any other provision of law to the contrary, on June 30, 2005, any remaining unexpended and unencumbered moneys appropriated in Section 2 of this act shall be reverted to the Idaho Millennium Income Fund. The State Controller shall then transfer the balance in the Idaho Millennium Income Fund to the Idaho Millennium Fund.

SECTION 2. In accordance with Section 67-3519, Idaho Code, the Department of Correction is authorized no more than one thousand four hundred twenty-six and eight-tenths (1,426.8) full-time equivalent positions at any point during the period July 1, 2004, through June 30, 2005, for the programs specified in Section 1 of this act, unless specifically authorized by the Governor. The Joint Finance-Appropriations Committee will be notified promptly of any increased positions so authorized.

SECTION 3. It is the finding of the Legislature that there is an appropriate segment of the offender population that can be safely managed in the community with adequate supervision and appropriate treatment services. The population targeted for these programs shall be offenders eligible for parole who would otherwise be granted parole if not for the lack of community services, and probationers and parolees who would otherwise be violated back to prison due to the lack of community services. All offenders eligible for parole who are considered for placement in the community shall meet public safety standards set by the
Commission of Pardons and Parole. The Commission of Pardons and Parole shall clearly remain the approving authority for parole eligibility under these circumstances, and shall be informed of actions to maintain parole violators in the community with services.

SECTION 4. It is the intent of the Legislature that the Department of Correction, while managing inmate population growth, shall first maximize the use of funded beds in state institutions, followed by the use of county jail beds before seeking placements out of state. The Department is also encouraged to seek efficiencies and opportunities to expand bed space within state-owned facilities upon approval of the Board of Correction and the Governor if the population growth exceeds funded capacity. The Department shall report back to the Joint Finance Appropriations Committee during the interim if expansion of these facilities becomes necessary.

CHAPTER 204
(H.B. No. 799, As Amended)

AN ACT
RELATING TO TAXATION; AMENDING SECTION 63-3029B, IDAHO CODE, RELATING TO THE ELECTION FOR A PROPERTY TAX EXEMPTION IN LIEU OF THE INVESTMENT TAX CREDIT, TO CLARIFY THE ELECTION IS AVAILABLE FOR QUALIFIED PROPERTY PLACED IN SERVICE IN CALENDAR YEAR 2003, TO CLARIFY A LOSS YEAR, TO EXCLUDE TAXPAYERS WHOSE RATES OF RETURN ARE REGULATED ACCORDING TO FEDERAL OR STATE LAW, TO LIMIT PUBLIC DISCLOSURE OF TAX INFORMATION EXCHANGED BETWEEN THE STATE TAX COMMISSION AND COUNTY OFFICIALS, TO PROVIDE FOR RECAPTURE OF THE PROPERTY TAX BENEFIT OF PROPERTY CEASING TO QUALIFY FOR THE INVESTMENT TAX CREDIT OR FOR THE ELECTION, TO PROVIDE THAT ALL MONEYS COLLECTED BY THE STATE TAX COMMISSION FOR AN ERRONEOUSLY TAKEN INVESTMENT TAX CREDIT SHALL BE REMITTED TO THE COUNTY WHERE THE PROPERTY WAS LOCATED THAT WAS NOT A QUALIFIED INVESTMENT OR CEASED TO QUALIFY DURING THE RECAPTURE PERIOD, TO PROVIDE FOR DISTRIBUTION OF MONEYS TO TAXING DISTRICTS WITHIN THE COUNTY AND TO PROVIDE APPLICATION OF THESE MONEYS TO THE THREE PERCENT PROPERTY TAX CAP; AMENDING SECTION 9-340D, IDAHO CODE, TO PROVIDE FOR CERTAIN INFORMATION GIVEN TO COUNTY OFFICIALS BY THE STATE TAX COMMISSION TO BE EXEMPT FROM DISCLOSURE; DECLARING AN EMERGENCY AND PROVIDING RETROACTIVE APPLICATION.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 63-3029B, Idaho Code, be, and the same is hereby amended to read as follows:

63-3029B. INCOME TAX CREDIT FOR CAPITAL INVESTMENT. (1) At the election of the taxpayer there shall be allowed, subject to the applicable limitations provided herein as a credit against the income tax imposed by chapter 30, title 63, Idaho Code, an amount equal to the sum of:

(a) The tax credit carryovers; and

(b) The tax credit for the taxable year.

(2) The maximum allowable amount of the credit for the current taxable year shall be three percent (3%) of the amount of qualified investments made during the taxable year.

(3) As used in this section "qualified investment" means certain depreciable property which:

(a) (i) Is eligible for the federal investment tax credit, as defined in sections 46(c) and 48 of the Internal Revenue Code subject to the limitations provided for certain regulated companies in section 46(f) of the Internal Revenue Code and is not a motor vehicle under eight thousand (8,000) pounds gross weight; or

(ii) Is qualified broadband equipment as defined in section 63-30291, Idaho Code; and

(b) Is acquired, constructed, reconstructed, erected or placed into service after December 31, 1981; and

(c) Has a situs in Idaho.

(4) (a) For qualified investments placed in service in taxable
years—beginning—on 2003 and thereafter, the taxpayer, other than a person whose rate of charge or rate of return, or both, is regulated or limited according to federal or state law, may elect, in lieu of the credit provided by this section, a two (2) year exemption from all taxes on personal property on the qualified investment. The exemption from personal property tax shall apply to the year the election is filed as provided in this section and the immediately following year. The election provided by this paragraph is available only to a taxpayer whose Idaho taxable income, before application of net operating losses carried back or forward, in the second preceding taxable year in which the investment is placed in service is negative.

(b) The election shall be made in the form prescribed by the state tax commission and shall include a specific description and location of all qualified investments placed into service and located in the jurisdiction of the assessing authority, a designation of the specific assets for which the exemption is claimed, and such other information as the state tax commission may require. The election must be made by including the election form with the listing of personal property required by section 63-302, Idaho Code, or, in the case of operating property assessed under chapter 4, title 63, Idaho Code, with the operator’s statement required by section 63-404, Idaho Code, for the calendar year immediately following the taxable year in which the property was placed in service. Once made the election is irrevocable. If no election is made, the election is not otherwise available. A copy of the election form must also be attached to the original income tax return due for the taxable year in which the claim was made.

(c) The state tax commission and the various county assessors are authorized to exchange information as necessary to properly coordinate the exemption provided in this subsection. Information disclosed to county officials under this subsection may be used only to determine the validity or amount of a taxpayer’s entitlement to the exemption provided in this section, and is not otherwise subject to public disclosure as provided in section 9-340D, Idaho Code.

(d) In the event that an investment in regard to which the election under this subsection was made is determined by the state tax commission:

(i) To not be a qualified investment, or ceases
(ii) To have ceased to qualify during the recapture period, or
(iii) To be otherwise not qualified for the election,
the taxpayer shall be subject to a penalty equal to the amount of the claimed investment recapture of the property tax benefit.

(e) The benefit to be recaptured in subsection (4)(d) of this section shall be computed in the manner required in subsection (7) of this section and such recapture amount shall be subject to assessment in the same manner as a deficiency in tax under this chapter. For purposes of calculating the recapture, the property tax benefit shall be:

(i) In the case of locally assessed property located in a single county or nonapportioned centrally assessed property, the market value of exempted property times the average property tax levy for that county in the year or years for which the exemption was claimed.
(ii) In the case of other centrally assessed property and property located in more than one (1) county, the market value of exempted property times the average urban property tax levy of the state as determined by the state tax commission times two in each of the years for which the exemption was claimed.

(f) All moneys collected by the state tax commission pursuant to this subsection, which amounts are continuously appropriated for this purpose, shall be deposited with the state treasurer and placed in the state refund account, as provided by section 63-3067, Idaho Code, to be remitted to the county within which the property was located that was not a qualified investment or ceased to qualify during the recapture period. The county shall distribute this remittance to all appropriate taxing districts based on the proportion each appropriate taxing district's levy is to the total of all the levies of the taxing districts for the tax code area where the property was located for each year the exemption was granted. If any taxing district is dissolved or disincorporated, the proportionate share of the remittance to be distributed to that taxing district shall be deposited in the county current expense fund.

(g) For purposes of the limitation provided by section 63-802, Idaho Code, moneys received pursuant to this subsection shall be treated as property tax revenue by taxing districts.

(5) Notwithstanding the provisions of subsections (1) and (2) of this section, the amount of the credit allowed shall not exceed fifty percent (50%) of the tax liability of the taxpayer. The tax liability of the taxpayer shall be the tax after deducting the credit allowed by section 63-3029, Idaho Code.

(6) If the sum of credit carryovers from the credit allowed by subsection (2) of this section and the amount of credit for the taxable year from the credit allowed by subsection (2) of this section exceed the limitation imposed by subsection (5) of this section for the current taxable year, the excess attributable to the current taxable year's credit shall be an investment credit carryover to the fourteen (14) succeeding taxable years. In the case of a group of corporations filing a combined report under section 63-3027, Idaho Code, or sections 63-3027B through 63-3027E, Idaho Code, credit earned by one (1) member of the group but not used by that member may be used by another member of the group, subject to the provisions of subsection (5) of this section, instead of carried over. The entire amount of unused credit shall be carried forward to the earliest of the succeeding years, wherein the oldest available unused credit shall be used first, so long as the qualified investment property for which the unused credit was granted still maintains Idaho situs. For a combined group of corporations, credit carried forward may be claimed by any member of the group unless the member who earned the credit is no longer included in the combined group.

(7) Any recapture of the credit allowed by subsection (2) of this section on property disposed of or ceasing to qualify, prior to the close of the recapture period, shall be determined according to the applicable recapture provisions of the Internal Revenue Code. In the case of a unitary group of corporations, the increase in tax due to the recapture of investment tax credit must be reported by the member of the group who earned the credit regardless of which member claimed the credit against tax.
(8) For the purpose of determining whether property placed in service is a "qualified investment" as defined in subsection (3) of this section, the provisions of section 49 of the Internal Revenue Code shall be disregarded.

(9) For purposes of this section, property has a situs in Idaho during a taxable year if it is used in Idaho at any time during the taxable year. Property not used in Idaho during a taxable year does not have a situs in Idaho in the taxable year during which the property is not used in Idaho or in any subsequent taxable year. No credit or carryover of credit is permitted under this section if the credit or carryover relates to property that does not have a situs in Idaho during the taxable year for which the credit or carryover is claimed. The Idaho situs of property must be established by records maintained by the taxpayer which are created reasonably contemporaneously with the use of the property.

(10) In the case of property used both in and outside Idaho, the taxpayer, electing to claim the credit provided in this section, must elect to compute the qualified investment in property with a situs in Idaho for all such investments first qualifying during that year in one (1), but only one (1), of the following ways:

(a) The amount of each qualified investment in a specific asset shall be separately computed based on the percentage of the actual use of the property in Idaho by using a measure of the use, such as total miles or total machine hours, that most accurately reflects the beneficial use during the taxable year in which it is first acquired, constructed, reconstructed, erected or placed into service; provided, that the asset is placed in service more than ninety (90) days before the end of the taxable year. In the case of assets acquired, constructed, reconstructed, erected or placed into service within ninety (90) days prior to the end of the taxable year in which the investment first qualifies, the measure of the use of that asset within Idaho for that year shall be based upon the percentage of use in Idaho during the first ninety (90) days of use of the asset;

(b) The investment in qualified property used both inside and outside Idaho during the taxable year in which it is first acquired, constructed, reconstructed, erected or placed into service shall be multiplied by the percent of the investment that would be included in the numerator of the Idaho property factor determined pursuant to section 63-3027, Idaho Code, for the same year.

(11) Only for the purposes of subsections (3)(a) and (8) of this section, references to sections of the "Internal Revenue Code" mean the sections referred to as they existed in the Internal Revenue Code of 1986 prior to November 5, 1990.

SECTION 2. That Section 9-340D, Idaho Code, be, and the same is hereby amended to read as follows:

9-340D. RECORDS EXEMPT FROM DISCLOSURE -- TRADE SECRETS, PRODUCTION RECORDS, APPRAISALS, BIDS, PROPRIETARY INFORMATION. The following records are exempt from disclosure:

(1) Trade secrets including those contained in response to public agency or independent public body corporate and politic requests for proposal, requests for clarification, requests for information and simi-
lar requests. "Trade secrets" as used in this section means information, including a formula, pattern, compilation, program, computer program, device, method, technique, process, or unpublished or in progress research that:

(a) Derives independent economic value, actual or potential, from not being generally known to, and not being readily ascertainable by proper means by other persons who can obtain economic value from its disclosure or use; and

(b) Is the subject of efforts that are reasonable under the circumstances to maintain its secrecy.

(2) Production records, housing production, rental and financing records, sale or purchase records, catch records, mortgage portfolio loan documents, or similar business records of a private concern or enterprise required by law to be submitted to or inspected by a public agency or submitted to or otherwise obtained by an independent public body corporate and politic. Nothing in this subsection shall limit the use which can be made of such information for regulatory purposes or its admissibility in any enforcement proceeding.

(3) Records relating to the appraisal of real property, timber or mineral rights prior to its acquisition, sale or lease by a public agency or independent public body corporate and politic.

(4) Any estimate prepared by a public agency or independent public body corporate and politic that details the cost of a public project until such time as disclosed or bids are opened, or upon award of the contract for construction of the public project.

(5) Examination, operating or condition reports and all documents relating thereto, prepared by or supplied to any public agency or independent public body corporate and politic responsible for the regulation or supervision of financial institutions including, but not limited to, banks, savings and loan associations, regulated lenders, business and industrial development corporations, credit unions, and insurance companies, or for the regulation or supervision of the issuance of securities.

(6) Records gathered by a local agency or the Idaho department of commerce, as described in chapter 47, title 67, Idaho Code, for the specific purpose of assisting a person to locate, maintain, invest in, or expand business operations in the state of Idaho.

(7) Shipping and marketing records of commodity commissions used to evaluate marketing and advertising strategies and the names and addresses of growers and shippers maintained by commodity commissions.

(8) Financial statements and business information and reports submitted by a legal entity to a port district organized under title 70, Idaho Code, in connection with a business agreement, or with a development proposal or with a financing application for any industrial, manufacturing, or other business activity within a port district.

(9) Names and addresses of seed companies, seed crop growers, seed crop consignees, locations of seed crop fields, variety name and acreage by variety. Upon the request of the owner of the proprietary variety, this information shall be released to the owner. Provided however, that if a seed crop has been identified as diseased or has been otherwise identified by the Idaho department of agriculture, other state departments of agriculture, or the United States department of agriculture to represent a threat to that particular seed or commercial crop industry or to individual growers, information as to test results, location,
acreage involved and disease symptoms of that particular seed crop, for that growing season, shall be available for public inspection and copying. This exemption shall not supersede the provisions of section 22-436, Idaho Code.

(10) Information obtained from books, records and accounts required in chapter 47, title 22, Idaho Code, to be maintained by the Idaho canola and rapeseed commission and pertaining to the individual production records of canola or rapeseed growers.

(11) Records of any risk retention or self-insurance program prepared in anticipation of litigation or for analysis of or settlement of potential or actual money damage claims against a public entity and its employees or against the industrial special indemnity fund except as otherwise discoverable under the Idaho or federal rules of civil procedure. These records shall include, but are not limited to, claims evaluations, investigatory records, computerized reports of losses, case reserves, internal documents and correspondence relating thereto. At the time any claim is concluded, only statistical data and actual amounts paid in settlement shall be deemed a public record unless otherwise ordered to be sealed by a court of competent jurisdiction. Provided however, nothing in this subsection is intended to limit the attorney-client privilege or attorney work product privilege otherwise available to any public agency or independent public body corporate and politic.

(12) Records of laboratory test results provided by or retained by the Idaho food quality assurance laboratory. Nothing in this subsection shall limit the use which can be made, or availability of such information if used, for regulatory purposes or its admissibility in any enforcement proceeding.

(14) Voluntarily prepared environmental audits, and voluntary disclosures of information submitted on or before December 31, 1997, to an environmental agency as defined in section 9-803, Idaho Code, which are claimed to be confidential business information.

(15) Computer programs developed or purchased by or for any public agency or independent public body corporate and politic for its own use. As used in this subsection, "computer program" means a series of instructions or statements which permit the functioning of a computer system in a manner designed to provide storage, retrieval and manipulation of data from the computer system, and any associated documentation and source material that explain how to operate the computer program. Computer program does not include:

(a) The original data including, but not limited to, numbers, text, voice, graphics and images;

(b) Analysis, compilation and other manipulated forms of the original data produced by use of the program; or

(c) The mathematical or statistical formulas that would be used if the manipulated forms of the original data were to be produced manually.

(16) Active investigative records and trademark usage audits of the Idaho potato commission specifically relating to the enforcement of chapter 12, title 22, Idaho Code, until the commencement of formal proceedings as provided by rules of the commission; purchase and sales information submitted to the Idaho potato commission during a trademark
usage audit, and investigation or enforcement proceedings. Inactive inves­
tigatory records shall be disclosed unless the disclosure would vio­
late the standards set forth in subsections (1)(a) through (f) of sec­
tion 9-335, Idaho Code. Nothing in this subsection shall limit the use
which can be made, or availability of such information if used, for reg­
ulatory purposes or its admissibility in any enforcement proceeding.
(17) All records copied or obtained by the director of the depart­

to section 25-3806, Idaho Code, except:
(a) Records otherwise deemed to be public records not exempt from
disclosure pursuant to this chapter; and
(b) Inspection reports, determinations of compliance or noncompli­
ance and all other records created by the director or his designee
pursuant to section 25-3806, Idaho Code.
(18) Records disclosed to a county official by the state tax commis­
sion pursuant to subsection (4)(c) of section 63-3029B, Idaho Code.

SECTION 3. An emergency existing therefor, which emergency is
hereby declared to exist, this act shall be in full force and effect on
and after its passage and approval, and retroactively to January 1,
2003.

59-1361. COMPUTATION OF DEATH BENEFITS -- METHOD OF PAYMENT -- OPTIONAL DEATH BENEFIT. (1) The death benefit of an active or inactive member not vested at time of death shall equal the excess, if any, of the member's accumulated contributions at the time the benefit becomes payable over the aggregate of all benefit payments ever made to the member.

(2) The death benefit of an early or service retired member shall equal the excess, if any, of the member's accumulated contributions at the time the member retired over the aggregate of all retirement allowance payments ever made to the member, the member's named contingent annuitant, and the optional death benefit recipient, if any.

(4) The death benefit, if any, will be paid to the member's designated beneficiary who is surviving the member at the time the benefit becomes payable. If no beneficiary has been designated or the designated beneficiary has predeceased the member, the death benefit will be paid to the surviving spouse, and if there is no surviving spouse it will be paid in accordance with the laws of descent and distribution of the state of Idaho as they may then be in effect. The designated beneficiary

The initial retirement allowance upon which such optional retirement allowance is based shall be calculated as if the member had retired immediately before his death. If the member is not then eligible to receive a service or early retirement allowance, such initial retirement allowance shall equal the actuarial equivalent of the retirement allowance payable when the member would first be eligible for service or early retirement, calculated as if he had separated from service immediately before his death.

(c) As a term of each proposed agreement, limit authority to engage match functions, the matching process and access to all information received to the smallest number of upper management specialized staff in the department as is possible; (d) and (e) Develop written protocol within the department for the foregoing, delineating which functions would be performed by which personnel and under what circumstances;

(a) The only asset of the estate provides the primary source of support for other family members; or

CHAPTER 219
(S.B. No. 1345)

AN ACT
RELATING TO SCHOOL PROPERTY; AMENDING SECTION 33-601, IDAHO CODE, TO PROVIDE THAT CERTAIN CONTRACTS SHALL NOT BE EXECUTED UNLESS IN COOPERATION WITH A COOPERATIVE AGENCY OR THROUGH A CONTRACT THAT HAS BEEN COMPETITIVELY BID BY THE STATE OF IDAHO, ONE OF ITS SUBDIVISIONS, OR AN AGENCY OF THE FEDERAL GOVERNMENT.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 33-601, Idaho Code, be, and the same is hereby amended to read as follows:

33-601. REAL AND PERSONAL PROPERTY -- ACQUISITION, USE OR DISPOSAL OF SAME. The board of trustees of each school district shall have the following powers and duties:

1. To rent to or from others, school buildings or other property used, or to be used, for school purposes.
2. To contract for the construction, repair, or improvement of any real property, or the acquisition, purchase or repair of any equipment,
or other personal property necessary for the operation of the school district.

Except for the purchase of curricular materials as defined in section 33-118A, Idaho Code, no such contract shall be executed which entails the expenditure of twenty-five thousand dollars ($25,000) or more without notice first being given by publishing twice in the manner required by subsections g. and h. of section 33-402, Idaho Code, unless in cooperation with the division of purchasing or a cooperative agency established pursuant to chapter 23, title 67, and/or sections 33-315 through 33-318, Idaho Code, or through a contract that has been competitively bid by the state of Idaho, one (1) of its subdivisions, or an agency of the federal government. The board of trustees may let the contract to the lowest responsible bidder, or reject any bid, or reject all bids and publish notice for bids, as before. If, thereafter, no satisfactory bid is received, the board may proceed under its own direction.

3. To designate and purchase any real property necessary for school purposes or in the operation of the district, or remove any building, or dispose of any real property. Prior to, but not more than one (1) year prior to, any purchase or disposal of real property, the board shall have such property appraised by an appraiser certified in the state of Idaho, which appraisal shall be entered in the records of the board of trustees, and shall be used to establish the value of the real property. The board of trustees shall determine the size of the site necessary for school purposes. The site shall be located within the incorporated limits of any city within the district; provided, however, that if the board finds that it is not in the best interests of the electors and the students of the district to locate the site within the incorporated limits of a city, the board, by duly adopted resolution setting forth the reasons for its finding, may designate a site located elsewhere within the district. In elementary school districts, except upon removal for highway purposes, a site may be designated or changed only after approval of two-thirds (2/3) or more of the electors voting at the annual meeting.

4. (a) To convey, except as provided by paragraph (b) of this subsection, by deed, bill of sale, or other appropriate instrument, all of the estate and interest of the district in any property, real or personal. In elementary school districts, except such conveyance as is authorized by subsection 6. of this section, any of the transactions authorized in this subsection shall be subject to the approval of two-thirds (2/3) or more of the electors voting at the annual meeting.

Prior to such sale or conveyance, the board shall have the property appraised pursuant to this section, which appraisal shall be entered in the records of the board of trustees. The property may be sold at public auction or by sealed bids, as the board of trustees shall determine, to the highest bidder. Such property may be sold for cash or for such terms and conditions as the board of trustees shall determine for a period not exceeding ten (10) years, with the annual rate of interest on all deferred payments not less than seven percent (7%) per annum. The title to all property sold on contract shall be retained in the name of the school district until full payment has been made by the purchaser, and title to all property sold under a note and mortgage or deed of trust shall be transferred to the purchaser at the point of sale under the terms and
conditions of the mortgage or deed of trust as the board of trustees shall determine. Notice of the time and the conditions of such sale shall be published twice, and proof thereof made, in accordance with subsections g. and h. of section 33-402, Idaho Code, except that when the appraised value of the property is less than one thousand dollars ($1,000), one (1) single notice by publication shall be sufficient and the property shall be sold by sealed bids or at public auction.

The board of trustees may accept the highest bid, may reject any bid, or reject all bids. If the real property was donated to the school district the board may, within a period of one (1) year from the time of the appraisal, sell the property without additional advertising or bidding. Otherwise, the board of trustees must have new appraisals made and again publish notice for bids, as before. If, thereafter, no satisfactory bid is made and received, the board may proceed under its own direction to sell and convey the property. In no case shall any real property of the school district be sold for less than its appraisal.

The board of trustees may sell personal property, with an estimated value of less than one thousand dollars ($1,000), without appraisal, by sealed bid or at public auction, provided that there has been not less than one (1) published advertisement prior to the sale of said property. If the board, by a unanimous vote of those members present, finds that the property has an estimated value of less than five hundred dollars ($500) and is of insufficient value to defray the costs of arranging a sale, the property may be disposed of in the most cost-effective and expedient manner by an employee of the district empowered for that purpose by the board.

(b) Real and personal property may be exchanged hereunder for other property. Provided, however, that aside from the provisions of this paragraph, any school district may by a vote of one-half (1/2) plus one (1) of the members of the full board of trustees, by resolution duly adopted, authorize the transfer or conveyance of any real or personal property owned by such school district to the government of the United States, any city, county, the state of Idaho, any hospital district organized under chapter 13, title 39, Idaho Code, any other school district, any library district, any community college district, or any recreation district, with or without any consideration accruing to the school district, when in the judgment of the board of trustees it is for the interest of such school district that said transfer or conveyance be made. Prior to any transfer or conveyance of any real or personal property pursuant to this paragraph 4.(b), the board shall have the property appraised by an appraiser certified in the state of Idaho, which appraisal shall be entered in the records of the board of trustees, and shall be used to establish the value of the real or personal property.

5. To enter into contracts with any city located within the boundaries of the school district for the joint purchase, construction, development, maintenance and equipping of playgrounds, ball parks, swimming pools, and other recreational facilities upon property owned either by the school district or the city.

6. To convey rights-of-way and easements for highway, public utility, and other purposes over, upon or across any school property and, when necessary to the use of such property for any such purpose, to
authorize the removal of school buildings to such new location, or locations, as shall be determined by the board of trustees, and such removal shall be made at no cost or expense to the school district.

7. To authorize the use of any school building of the district as a community center, or for any public purpose, and to establish a policy of charges, if any, to be made for such use.

8. To exercise the right of eminent domain under the provisions of chapter 7, title 7, Idaho Code, for any of the uses and purposes provided in section 7-701, Idaho Code.

9. If there is a great public calamity, such as an extraordinary fire, flood, storm, epidemic, or other disaster, or if it is necessary to do emergency work to prepare for national or local defense, or it is necessary to do emergency work to safeguard life, health or property, the board of trustees may pass a resolution declaring that the public interest and necessity demand the immediate expenditure of public money to safeguard life, health or property. Upon adoption of the resolution, the board may expend any sum required in the emergency without compliance with this section.
