BY THE GOVERNOR:

SECRETARY OF STATE
The purposes of the Property Tax Relief Act of 2006 are:

Permanently eliminate the 3 mil education maintenance and operation levy on Idaho real property, which will immediately reduce property taxes $260 million, and replacing that amount with the state sources described below.

Raise the Sales Tax 1% from 5% to 6%, effective October 1, 2006, which will generate approximately $210 million annually.

Protect education funding now and into the future by placing $100 million into the Public Education Stabilization Fund.

Appropriate sufficient funds from the General Fund to accomplish the aforementioned.

Place an advisory question on the November 2006 general election ballot asking Idaho voters:

"Should the State of Idaho keep the property tax relief adopted in August 2006, reducing property taxes by approximately $260 million and protecting funding for public schools by keeping the sales tax at 6%?"

FISCAL IMPACT

Immediately reduces Idaho property taxes $260 million. Commencing October 1, 2006, increases annualized sales tax revenues approximately $210 million, for a net tax reduction of $50 million.

Average daily attendance calculation shall be carried out to the nearest hundredth. Computation of average daily attendance shall also be governed by the provisions of section 33-1003A, Idaho Code.

6. (4) Support Units. The total state support units shall be determined by using the tables set out hereafter called computation of kindergarten support units, computation of elementary support units, computation of secondary support units, computation of exceptional education support units, and computation of alternative school secondary support units. The sum of all of the total support units of all school districts of the state shall be the total state support units.

In applying these tables to any given separate attendance unit, no school district shall receive less total money than it would receive if it had a lesser average daily attendance in such separate attendance unit. In applying the kindergarten table to a kindergarten program of less days than a full school year, the support unit allowance shall be in ratio to the number of days of a full school year. The tables for exceptional education and alternative school secondary support units shall be applicable only for programs approved by the state department of education following rules established by the state board of education. Moneys generated from computation of support units for alternative schools shall be utilized for alternative school programs. School district administrative and facility costs may be included as part of the alternative school expenditures.

### Exceptional Education Support Units Calculation

\[ \text{State Distribution Factor per Support Unit} = \frac{\text{Educational Support Program Distribution Funds}}{\text{Total State Support Units}} \]

### Alternative School Support Units Calculation

\[ \text{District Contribution Calculation} = \text{Without including any allowance as a credit for prepaid taxes, as provided in section 63-3607, Idaho Code, the district contribution calculation shall be the rate determined under subsection 3 of this section.} \]
Divide the actual average daily attendance, excluding students approved for inclusion in the exceptional child educational program, for the administrative schools and each of the separate schools and attendance units by the appropriate divisor from the tables of support units in this section, then add the quotients to obtain the district's support units allowance for regular students, kindergarten through grade 12 including alternative school secondary students. Calculations in application of this subsection shall be carried out to the nearest tenth.

Divide the combined totals of the average daily attendance of all preschool, handicapped, kindergarten, elementary, secondary and juvenile detention center students approved for inclusion in the exceptional child program of the district by the appropriate divisor from the table for computation of exceptional education support units to obtain the number of support units allowed for the district's approved exceptional child program. Calculations for this subsection shall be carried out to the nearest tenth when more than one (1) unit is allowed.

The total number of support units of the district shall be the sum of the total support units for regular students, subsection 8(b)(6)(a)(i) of this section, and the support units allowance for the approved exceptional child program, subsection 8(b)(6)(a)(ii) of this section.

c.(b) Total District Allowance Educational Program. Multiply the district's total number of support units, carried out to the nearest tenth, by the state distribution factor per support unit and to this product add the approved amount of programs of the district provided in subsection 2(c) of this section to secure the district's total allowance for the educational support program.

d.(c) District Share. To secure the district's share of state apportionment, subtract the amount of the local district contribution—calculation—subsection 3—of this section, from is the amount of the total district allowance, subsection 8(c)(6)(b) of this section.

e.(d) Adjustment of District Share. The contract salary of every noncertificated teacher shall be subtracted from the district's share as calculated from the provisions of subsection 8(d)(6)(c) of this section.

(7) Property Tax Computation Ratio. In order to receive state funds pursuant to this section a charter district shall utilize a school maintenance and operation property tax computation ratio for the purpose of calculating its maintenance and operation levy, that is no greater than that which it utilized in tax year 1994, less four-tenths of one percent (.4%). As used herein, the term "property tax computation ratio" shall mean a ratio determined by dividing the district's certified property tax maintenance and operation budget by the actual or adjusted market value for assessment purposes as such values existed on December 31, 1993. Such maintenance and operation levy shall be based on the property
tax computation ratio multiplied by the actual or adjusted market value for assessment purposes as such values existed on December 31 of the prior calendar year.

SECTION 9. That Sections 33-1002A and 33-1002D, Idaho Code, be, and the same are hereby repealed.

SECTION 10. That Section 33-1003, Idaho Code, be, and the same is hereby amended to read as follows:

33-1003. SPECIAL APPLICATIONS OF EDUCATIONAL SUPPORT PROGRAM. (1) Decrease in Average Daily Attendance. -- Any school district which has a decrease in total average daily attendance of one percent (1%) of its average daily attendance in the then current school year from the total average daily attendance used for determining the allowance in the educational support program for the school year immediately preceding, the allowance of funds from the educational support program may be based on the average daily attendance of the school year immediately preceding, less one percent (1%). When this provision is applied, the decrease in average daily attendance shall be proportionately distributed among the various categories of support units that are appropriate for the district.

(2) Application of Support Program to Separate Schools/Attendance Units in District.

(a) Separate Elementary School. -- Any separate elementary school shall be allowed to participate in the educational support program as though the school were the only elementary school operated by the district.

(b) Hardship Elementary School. -- Upon application of the board of trustees of a school district, the state board of education is empowered to determine that a given elementary school or elementary schools within the school district, not otherwise qualifying, are entitled to be counted as a separate elementary school as defined in section 33-1001, Idaho Code, when, in the discretion of the state board of education, special conditions exist warranting the retention of the school as a separate attendance unit and the retention results in a substantial increase in cost per pupil in average daily attendance above the average cost per pupil in average daily attendance of the remainder of the district's elementary grade school pupils. An elementary school operating as a previously approved hardship elementary school shall continue to be considered as a separate attendance unit, unless the hardship status of the elementary school is rescinded by the state board of education.

(c) Separate Secondary School. -- Any separate secondary school shall be allowed to participate in the educational support program as though the school were the only secondary school operated by the district.

(d) Elementary/Secondary School Attendance Units. -- Elementary grades in an elementary/secondary school will be funded as a separate attendance unit if all elementary grades served are situated more than ten (10) miles distance from both the nearest like elementary grades within the same school district and from the location of
the office of the superintendent of schools of such district, or from the office of the chief administrative officer of such district if the district employs no superintendent of schools. Secondary grades in an elementary/secondary school will be funded as a separate attendance unit if all secondary grades served are located more than fifteen (15) miles by an all-weather road from the nearest like secondary grades operated by the district.

(ef) Hardship Secondary School. -- Any district which operated two (2) secondary schools separated by less than fifteen (15) miles, but which district was created through consolidation subsequent to legislative action pursuant to chapter 111, laws of 1947, and which school buildings were constructed prior to 1935, shall be entitled to count the schools as separate attendance units.

(ff) Minimum Pupils Required. -- Any elementary school having less than ten (10) pupils in average daily attendance shall not be allowed to participate in the state or county support program unless the school has been approved for operation by the state board of education.

(gg) Remote Schools. -- The board of trustees of any Idaho school district which operates and maintains a school which is remote and isolated from the other schools of the state because of geographical or topographical conditions may petition the state board of education to recognize and approve the school as a remote and necessary school. The petition shall be in form and content approved by the state board of education and shall provide such information as the state board of education may require. Petitions for the recognition of a school as a remote and necessary school shall be filed annually at least ninety (90) days prior to the date of the annual meeting of the board of trustees as established in section 33-510, Idaho Code.

Within forty-five (45) days after the receipt of a petition for the recognition of a remote and necessary school, the state board of education shall either approve or disapprove the petition and notify the board of trustees of its decision. Schools which the state board of education approves as being necessary and remote shall be allowed adequate funding within the support program for an acceptable educational program for the students of the school. In the case of a remote and necessary secondary school, grades 7-12, the educational program shall be deemed acceptable when, in the opinion of the state board of education, the accreditation standard relating to staff size, established in accordance with section 33-119, Idaho Code, has been met. The final determination of an acceptable program and adequate funding in the case of a remote and necessary elementary school shall be made by the state board of education.

(hh) Support Program When District Boundaries are Changed.

(ii) In new districts formed by the division of a district, the support program computed for the district divided in its last year of operation, shall be apportioned to the new districts created by the division, in the proportion that the average daily attendance of pupils, elementary and secondary combined, residing in the area of each new district so created, is to the average daily attendance of all pupils, elementary and secondary combined, in the district divided in its last year of operation before the division.
When boundaries of districts are changed by excision or annexation of territory, the support program of any district from which territory is excised for the last year of operation before such excision shall be divided, and apportioned among the districts involved, as prescribed in subsection 4a(4)(a) of this section.

In new districts formed by consolidation of former districts, the support program allowance for a seven (7) year period following the formation of the new district, shall not be less than the combined support program allowances of the component districts in the last year of operation before consolidation.

For each succeeding fiscal year, any school district whose adjusted-market value for assessment purposes decreases forty percent (40%) or more from the previous year's adjusted-market value for assessment purposes as such valuation existed on December 31, is eligible to receive an adjustment to its educational support program entitlement, subject to qualifications as follows:

a. The adjusted-market value for assessment purposes has decreased forty percent (40%) or more from the previous year's adjusted-market value for assessment purposes as such valuation existed on December 31, and

b. The school levy to be certified for the general maintenance and operation fund shall be no less than four tenths of one percent (0.4%) and

c. An eligible school district has made application to the state department of education for an adjustment to entitlement from the state educational support program on or before June 1 of the fiscal year. Such application must document the need for additional funds and must include a district plan to minimize impact of a reduced local tax base.

SECTION 11. That Section 33-1004, Idaho Code, be, and the same is hereby amended to read as follows:

33-1004. STAFF ALLOWANCE. For each school district, a staff allowance shall be determined as follows:

1. Using the daily attendance reports that have been submitted for computing the February 15th apportionment of state funds as provided in section 33-1009, Idaho Code, determine the total support units for the district in the manner provided in section 33-1002 & 6(b)(a), Idaho Code;

2. Determine the instructional staff allowance by multiplying the support units by 1.1. A district must demonstrate that it actually employs the number of certificated instructional staff allowed. If the district does not employ the number allowed, the staff allowance shall be reduced to the actual number employed;

3. Determine the administrative staff allowance by multiplying the support units by .075;

4. Determine the classified staff allowance by multiplying the support units by .375;

5. Additional conditions governing staff allowance:

(a) In determining the number of staff in subsections (2), (3) and
(4) of this section, a district may contract separately for services to be rendered by nondistrict employees and such employees may be counted in the staff allowance. A "nondistrict employee" means a person for whom the school district does not pay the employer's obligations for employee benefits. When a district contracts for the services of a nondistrict employee, only the salary portion of the contract shall be allowable for computations.

(b) If there are circumstances preventing eligible use of staff allowance to which a district is entitled as provided in subsections (2) and (3) of this section, an appeal may be filed with the state department of education outlining the reasons and proposed alternative use of these funds, and a waiver may be granted.

(c) For any district with less than forty (40) support units:

(i) The instructional staff allowance shall be calculated applying the actual number of support units. If the actual instructional staff employed in the school year is greater than the instructional staff allowance, then the instructional staff allowance shall be increased by one-half (1/2) staff allowance; and

(ii) The administrative staff allowance shall be calculated applying the actual number of support units. If the actual administrative staff employed in the school year is greater than the administrative staff allowance, then the administrative staff allowance shall be increased by one-half (1/2) staff allowance.

(iii) Additionally, for any district with less than twenty (20) support units, the instructional staff allowance shall be calculated applying the actual number of support units. If the number of instructional staff employed in the school year is greater than the instructional staff allowance, the staff allowance shall be increased as provided in paragraphs (i) and (ii) of this subsection, and by an additional one-half (1/2) instructional staff allowance.

(d) For any school district with one (1) or more separate secondary schools serving grades nine (9) through twelve (12), the instructional staff allowance shall be increased by two (2) additional instructional staff allowances for each such separate secondary school.

(e) Only instructional, administrative and classified personnel compensated by the school district from the general maintenance and operation fund of the district shall be included in the calculation of staff allowance or in any other calculations based upon staff, including determination of the experience and education multiplier, the reporting requirements, or the district's salary-based apportionment calculation. No food service staff or transportation staff shall be included in the staff allowance.

(f) In the event that the staff allowance in any category is insufficient to meet accreditation standards, a district may appeal to the state board of education, demonstrating the insufficiency, and the state board may grant a waiver authoring sufficient additional staff to be included within the staff allowance to meet accreditation standards.
Such a waiver shall be limited to one (1) year, but may be renewed upon showing of continuing justification.

SECTION 12. That Section 33-1408, Idaho Code, be, and the same is hereby amended to read as follows:

33-1408. SPECIAL LEVY FOR TUITION. Any school district is hereby authorized to make a levy above the maintenance and operation levy otherwise authorized by law for the purpose of paying tuition costs of its students who, under authorization of the board of trustees of the district, attend school in another district either in or out of Idaho; except for those costs reimbursed by the state under border contracts. Such levy shall be exempt from the provisions of section 63-802, Idaho Code.

SECTION 13. That Section 33-5208, Idaho Code, be, and the same is hereby amended to read as follows:

33-5208. PUBLIC CHARTER SCHOOL FINANCIAL SUPPORT. Except as provided in subsection (8) of this section, from the state educational support program the state department of education shall make the following apportionment to each public charter school for each fiscal year based on attendance figures submitted in a manner and time as required by the department of education:

(1) Per student support. Computation of support units for each public charter school shall be calculated as if it were a separate school according to the schedules in section 33-1002 67(4), Idaho Code, except that public charter schools with fewer than one hundred (100) secondary ADA shall use a divisor of twelve (12) and the minimum units shall not apply, and no public charter school shall receive an increase in support units that exceeds the support units it received in the prior year by more than twenty (20). Funding from the state educational support program shall be equal to the total distribution factor, plus the salary-based apportionment provided in chapter 10, title 33, Idaho Code. Provided however, any public charter school that is formed by the conversion of an existing traditional public school shall be assigned divisors, pursuant to section 33-1002, Idaho Code, that are no lower than the divisors of the school district in which the traditional public school is located, for each category of pupils listed.

(2) Special education. For each student enrolled in the public charter school who is entitled to special education services, the state and federal funds from the exceptional child education program for that student that would have been apportioned for that student to the school district in which the public charter school is located.

(3) Alternative school support. Public charter schools may qualify under the provisions of sections 33-1002 and 33-1002C, Idaho Code, provided the public charter school meets the necessary statutory requirements, and students qualify for attendance at an alternative school as provided by rule of the state board of education.

(4) Transportation support. Support shall be paid to the public charter school as provided in chapter 15, title 33, Idaho Code, and section 33-1006, Idaho Code. Each public charter school shall furnish the
department with an enrollment count as of the first Friday in November, of public charter school students living more than one and one-half (1 1/2) miles from the school. For charter schools in the initial year of operation, the petition shall include a proposal for transportation services with an estimated first year cost. The state department of education is authorized to include in the annual appropriation to the charter school eighty percent (80%) of the estimated transportation cost. The final appropriation payment in July shall reflect eighty-five percent (85%) of the actual cost.

(5) Payment schedule. The state department of education is authorized to make an advance payment of twenty-five percent (25%) of a public charter school's estimated annual apportionment for its first year of operation, and each year thereafter, provided the public charter school has an increase of student population in any given year of twenty (20) students or more, to assist the school with initial start-up costs or payroll obligations.

(a) For a state public charter school to receive the advance payment, the school shall submit its anticipated fall membership for each grade level to the state department of education by June 1.

(b) Using the figures provided by the public charter school, the state department of education shall determine an estimated annual apportionment from which the amount of the advance payment shall be calculated. Advance payment shall be made to the school on or after July 1 but no later than July 31.

(c) All subsequent payments, taking into account the one-time advance payment made for the first year of operation, shall be made to the public charter school in the same manner as other traditional public schools in accordance with the provisions of section 33-1009, Idaho Code.

A public charter school shall comply with all applicable fiscal requirements of law, except that the following provisions shall not be applicable to public charter schools: section 33-1003B, Idaho Code, relating to guaranteed minimum support; that portion of section 33-1004, Idaho Code, relating to reduction of the administrative and instructional staff allowance when there is a discrepancy between the number allowed and the number actually employed; and section 33-1004E, Idaho Code, for calculation of district staff indices.

(6) Nothing in this chapter shall be construed to prohibit any private person or organization from providing funding or other financial assistance to the establishment or operation of a public charter school.

(7) Nothing in this chapter shall prevent a public charter school from applying for federal grant moneys.

(8) (a) For the period July 1, 2003, through June 30, 2005, all public virtual schools shall be assigned divisors, pursuant to section 33-1002, Idaho Code, that are no higher than the median divisor shown for each respective category of pupils, among the possible divisors listed, for each respective category of pupils that contains more than one (1) divisor. If there is an even number of possible divisors listed for a particular category of pupils, then the lesser of the two (2) median divisors shall be used. For the period July 1, 2005, through June 30, 2007, all public virtual schools shall be assigned divisors, pursuant to section 33-1002, Idaho Code,
that are no higher than the second highest divisor shown, among the possible divisors listed, for each respective category of pupils that contains more than one (1) divisor. The divisor provisions contained herein shall only be applicable to the number of pupils in average daily attendance in such public virtual schools for the period July 1, 2003, through June 30, 2004. If the number of pupils in average daily attendance in any particular category of pupils increases, during the period July 1, 2004, through June 30, 2005, to a number above that which existed in the prior fiscal year, then those additional pupils in average daily attendance shall be assigned the divisor, pursuant to section 33-1002, Idaho Code, that would have otherwise been assigned to the school district or public charter school had this section not been in force.

(b) Each student in attendance at a public virtual school shall be funded based upon either the actual hours of attendance in the public virtual school on a flexible schedule, or the percentage of coursework completed, whichever is more advantageous to the school, up to the maximum of one (1) full-time equivalent student.

(c) All federal educational funds shall be administered and distributed to public charter schools, including public virtual schools, that have been designated by the state board of education as a local education agency (LEA), as provided in section 33-5203(7), Idaho Code.

(9) Nothing in this section prohibits separate face-to-face learning activities or services.

SECTION 14. That Section 50-2908, Idaho Code, be, and the same is hereby amended to read as follows:

50-2908. DETERMINATION OF TAX LEVIES -- CREATION OF SPECIAL FUND.

(1) For purposes of calculating the rate at which taxes shall be levied by or for each taxing district in which a revenue allocation area is located, the county commissioners shall, with respect to the taxable property located in such revenue allocation area, use the equalized assessed value of such taxable property as shown on the base assessment roll rather than on the current equalized assessed valuation of such taxable property.

(2) With respect to each such taxing district, the tax rate calculated under subsection (1) of this section shall be applied to the current equalized assessed valuation of all taxable property in the taxing district, including the taxable property in the revenue allocation area. The tax revenues thereby produced shall be allocated as follows:

(a) To the taxing district shall be allocated and shall be paid by the county treasurer:

(i) All taxes levied by the taxing district or on its behalf on taxable property located within the taxing district but outside the revenue allocation area; and

(ii) A portion of the taxes levied by the taxing district or on its behalf on the taxable property located within the revenue allocation area, which portion is the amount produced by applying the taxing district's tax rate determined under subsection (1) of this section to the equalized assessed valua-
tion, as shown on the base assessment roll, of the taxable property located within the revenue allocation area and (iii) if such taxing district is a school district, a further portion of the taxes levied by such district or on its behalf on the taxable property located within the revenue allocation area, which portion is the amount equal to the percentage specified in section 33-1002(7)(a), Idaho Code, multiplied by the difference between the current equalized assessed valuation of such taxable property and the equalized assessed valuation of such taxable property as shown on the base assessment roll.

(b) To the urban renewal agency shall be allocated the balance, if any, of the taxes levied on the taxable property located within the revenue allocation area.

(3) Upon enactment of an ordinance adopting a revenue allocation financing provision as part of an urban renewal plan, the urban renewal agency shall create a special fund or funds to be used for the purposes enumerated in this chapter. The revenues allocated to the urban renewal agency pursuant to this chapter, shall be paid to the agency by the treasurer of the county in which the revenue allocation district is located and shall be deposited by the agency into one (1) or more of such special funds. The agency may, in addition, deposit into such special fund or funds such other income, proceeds, revenues and funds it may receive from sources other than the revenues allocated to it under subsection (2)(b) of this section.

(4) For the purposes of section 63-803, Idaho Code, during the period when revenue allocation under this chapter is in effect, and solely with respect to any taxing district in which a revenue allocation area is located, the county commissioners shall, in fixing any tax levy, take into consideration the equalized assessed valuation of the taxable property situated in the revenue allocation area as shown in the base assessment roll, rather than the current equalized assessed value of such taxable property.

(5) For all other purposes, including, without limitation, for purposes of sections 33-802, 33-1002 and 63-1313, Idaho Code, reference in the Idaho Code to the term "market value for assessment purposes" (or any other such similar term) shall mean market value for assessment purposes as defined in section 63-208, Idaho Code.

SECTION 15. That Section 63-315, Idaho Code, be, and the same is hereby amended to read as follows:

63-315. ASSESSMENT RATIOS AND THE DETERMINATION OF ADJUSTED MARKET VALUE FOR ASSESSMENT PURPOSES FOR SCHOOL DISTRICTS. (1) The provisions of this section shall apply only to charter districts levying a maintenance and operation levy in the prior calendar year. For the purpose of this section, adjusted market value for assessment purposes shall be the adjusted market value for assessment purposes of all property assessed for property tax purposes for the year referred to in sections 33-802 and 33-1002, Idaho Code.

(2) The state tax commission shall conduct a ratio study to annually ascertain the ratio between the assessed value and the market value for assessment purposes of all property assessed for property tax pur-
poses. Said ratio study shall be conducted in accordance with nationally accepted procedures. From the ratio so ascertained the state tax commission shall compute the adjusted market value of all property assessed for property tax purposes.

(3) The ratio shall be computed in each school district and applied to the market value for assessment purposes within each school district.

(4) Sales used in determining the ratio required by this section shall be arm's length, market value property sales occurring in the year beginning on October 1 of the year preceding the year for which the adjusted market value is to be determined. The state tax commission may, at its discretion, modify the sales period when doing so produces provably better representativeness of the actual ratio in any school district. The state tax commission may also add independently conducted appraisals when the state tax commission believes that this procedure will improve the representativeness and reliability of the ratio.

(5) Whenever the state tax commission is unable to determine with reasonable statistical certainty that the assessed value within any school district differs from the market value for assessment purposes, the state tax commission may certify the assessed value to be the adjusted market value of any school district.

(6) The state tax commission shall certify the adjusted market value of each school district to the state department of education and each county auditor no later than the first Monday in April each year. The state tax commission shall prepare a report indicating procedures used in computing the adjusted market value and showing statistical measures computed in the ratio study. This report shall be submitted to the state department of education at the same time as the certification of adjusted market value. The report of the state tax commission shall also be made available for public inspection in the office of the county auditor.

(7) The state tax commission shall promulgate rules to implement the ratio study described in this section.

SECTION 16. That Section 63-802A, Idaho Code, be, and the same is hereby amended to read as follows:

63-802A. NOTICE OF BUDGET HEARING. (1) Not later than April 30 of each year, each taxing district shall set and notify the county clerk of the date and location set for the budget hearing of the district. If no budget hearing is required by law, the county clerk shall be so notified.

(2) Beginning in 2003, a nonschool taxing district that fails to comply with subsection (1) of this section shall be prohibited from including in its budget any budget increase otherwise permitted by either subsection (1)(a) or (1)(e) of section 63-802, Idaho Code.

(3) Beginning in 2003, a school district that fails to comply with subsection (1) of this section shall be prohibited, in the year of such failure, from increasing the portion of its property tax budget raised under section 33-802-2, Idaho Code, over the amount of the immediately preceding year.

(4) If a taxing district wishes to change the time and location of such budget hearing as stated on the assessment notice, they it shall
publish such change of time and location in advance of such hearing as provided by law.

SECTION 17. That Section 63-811, Idaho Code, be, and the same is hereby amended to read as follows:

63-811. COMPUTATION OF PROPERTY TAXES -- DUTY OF COUNTY AUDITOR.
(1) The county auditor must cause to be computed the amount of the local property taxes levied on the total of the taxable value as entered on the property and operating property rolls, and must deliver the property and operating property rolls to the tax collector on or before the first Monday of November.

(2) The county auditor must cause to be computed the amount of the local property taxes levied on the total of the taxable value as entered on the subsequent property roll, and must deliver the subsequent property roll to the tax collector as soon as possible, without delay, after the first Monday of December.

(3) The county auditor must cause to be computed the amount of the state property tax and the amount of the local property taxes levied on the total taxable value as entered on the missed property roll, and must deliver the missed property roll to the tax collector as soon as possible, without delay, after the first Monday of March of the year following the year in which the assessment was entered on the missed property roll.

(4) For the purpose of this section, "taxable value" shall mean the portion of the equalized assessed value, less any exemptions and the value that exceeds the value of the base assessment roll for the portion of any taxing district within a revenue allocation area of an urban renewal district, located within each taxing district which certifies a budget to be raised from a property tax levy. When the portion of the property tax to be allocated to school districts as required in sections 33-1002 and 58-2908, Idaho Code, is calculated, the taxable value must include the value that exceeds the value of the base assessment roll.

(5) The county auditor, at the time of delivery to the county tax collector of the property roll, subsequent property roll, missed property roll or operating property roll with all property taxes computed, must subscribe an affidavit to such roll that he has to the best of his knowledge and ability computed the proper amount of property taxes due, and recorded such orders of the board of equalization as have been made and have been made no other changes.

(6) Failure of the auditor to make the affidavit shall not affect the validity of any entry on the roll. The making of such affidavit, however, is declared to be a duty pertaining to the office of the county auditor. In every case where the said affidavit is omitted from the real property assessment roll, completed and delivered as aforesaid, the board of county commissioners must require the county auditor to make the same, and upon refusal or neglect of such county auditor to make and subscribe to such affidavit forthwith, the chairman of the said board must immediately file in the district court in the county, an information in writing, verified by his oath, charging such county auditor with refusal or neglect to perform the official duties pertaining to his
office, and thereupon he must be proceeded against as in such cases pro­
vided by law.

SECTION 18. That Section 63-3619, Idaho Code, be, and the same is hereby amended to read as follows:

63-3619. IMPOSITION AND RATE OF THE SALES TAX. An excise tax is hereby imposed upon each sale at retail at the rate of five six percent (5\%\(\frac{1}{2}\)) of the sales price of all retail sales subject to taxation under this chapter and such amount shall be computed monthly on all sales at retail within the preceding month.

(a) The tax shall apply to, be computed on, and collected for all credit, installment, conditional or similar sales at the time of the sale or, in the case of rentals, at the time the rental is charged.

(b) The tax hereby imposed shall be collected by the retailer from the consumer.

(c) The state tax commission shall provide schedules for collection of the tax on sales which involve a fraction of a dollar. The retailer shall calculate the tax upon the entire amount of the purchases of the consumer made at a particular time and not separately upon each item purchased. The retailer may retain any amount collected under the bracket system prescribed which is in excess of the amount of tax for which he is liable to the state during the period as compensation for the work of collecting the tax.

(d) It is unlawful for any retailer to advertise or hold out or state to the public or to any customer, directly or indirectly, that the tax or any part thereof will be assumed or absorbed by the retailer or that it will not be added to the selling price of the property sold or that if added it or any part thereof will be refunded. Any person violating any provision of this section is guilty of a misdemeanor.

(e) The tax commission may by rule provide that the amount collected by the retailer from the customer in reimbursement of the tax be displayed separately from the list price, the price advertised on the premises, the marked price, or other price on the sales slip or other proof of sale.

(f) The taxes imposed by this chapter shall apply to the sales to contractors purchasing for use in the performance of contracts with the United States.

SECTION 19. That Section 63-3621, Idaho Code, be, and the same is hereby amended to read as follows:

63-3621. IMPOSITION AND RATE OF THE USE TAX -- EXEMPTIONS. An excise tax is hereby imposed on the storage, use, or other consumption in this state of tangible personal property acquired on or after July 1, 2005, for storage, use, or other consumption in this state at the rate of five six percent (5\%\(\frac{1}{2}\)) of the value of the property, and a recent sales price shall be presumptive evidence of the value of the property unless the property is wireless telecommunications equipment, in which case a recent sales price shall be conclusive evidence of the value of the property.

(a) Every person storing, using, or otherwise consuming, in this
state, tangible personal property is liable for the tax. His liability is not extinguished until the tax has been paid to this state except that a receipt from a retailer maintaining a place of business in this state or engaged in business in this state given to the purchaser is sufficient to relieve the purchaser from further liability for the tax to which the receipt refers. A retailer shall not be considered to have stored, used or consumed wireless telecommunications equipment by virtue of giving, selling or otherwise transferring such equipment at a discount as an inducement to a consumer to commence or continue a contract for telecommunications service.

(b) Every retailer engaged in business in this state, and making sales of tangible personal property for the storage, use, or other consumption in this state, not exempted under section 63-3622, Idaho Code, shall, at the time of making the sales or, if storage, use or other consumption of the tangible personal property is not then taxable hereunder, at the time the storage, use or other consumption becomes taxable, collect the tax from the purchaser and give to the purchaser a receipt therefor in the manner and form prescribed by the state tax commission.

(c) The provisions of this section shall not apply when the retailer pays sales tax on the transaction and collects reimbursement for such sales tax from the customer.

(d) Every retailer engaged in business in this state or maintaining a place of business in this state shall register with the state tax commission and give the name and address of all agents operating in this state, the location of all distributions or sales houses or offices or other places of business in this state, and such other information as the state tax commission may require.

(e) For the purpose of the proper administration of this act and to prevent evasion of the use tax and the duty to collect the use tax, it shall be presumed that tangible personal property sold by any person for delivery in this state is sold for storage, use, or other consumption in this state. The burden of proving the sale is tax exempt is upon the person who makes the sale unless he obtains from the purchaser a resale certificate to the effect that the property is purchased for resale or rental. It shall be presumed that sales made to a person who has completed a resale certificate for the seller's records are not taxable and the seller need not collect sales or use taxes unless the tangible personal property purchased is taxable to the purchaser as a matter of law in the particular instance claimed on the resale certificate.

A seller may accept a resale certificate from a purchaser prior to the time of sale, at the time of sale, or at any reasonable time after the sale when necessary to establish the privilege of the exemption. The resale certificate relieves the person selling the property from the burden of proof only if taken from a person who is engaged in the business of selling or renting tangible personal property and who holds the permit provided for by section 63-3620, Idaho Code, or who is a retailer not engaged in business in this state, and who, at the time of purchasing the tangible personal property, intends to sell or rent it in the regular course of business or is unable to ascertain at the time of purchase whether the property will be sold or will be used for some other purpose. Other than as provided elsewhere in this section, when a resale certificate, properly executed, is presented to the seller, the seller
has no duty or obligation to collect sales or use taxes in regard to any sales transaction so documented regardless of whether the purchaser properly or improperly claimed an exemption. A seller so relieved of the obligation to collect tax is also relieved of any liability to the purchaser for failure to collect tax or for making any report or disclosure of information required or permitted under this chapter.

The resale certificate shall bear the name and address of the purchaser, shall be signed by the purchaser or his agent, shall indicate the number of the permit issued to the purchaser, or that the purchaser is an out-of-state retailer, and shall indicate the general character of the tangible personal property sold by the purchaser in the regular course of business. The certificate shall be substantially in such form as the state tax commission may prescribe.

(f) If a purchaser who gives a resale certificate makes any storage or use of the property other than retention, demonstration or display while holding it for sale in the regular course of business, the storage or use is taxable as of the time the property is first so stored or used.

(g) Any person violating any provision of this section is guilty of a misdemeanor and punishable by a fine not in excess of one hundred dollars ($100), and each violation shall constitute a separate offense.

(h) It shall be presumed that tangible personal property shipped or brought to this state by the purchaser was purchased from a retailer, for storage, use or other consumption in this state.

(i) It shall be presumed that tangible personal property delivered outside this state to a purchaser known by the retailer to be a resident of this state was purchased from a retailer for storage, use, or other consumption in this state. This presumption may be controverted by evidence satisfactory to the state tax commission that the property was not purchased for storage, use, or other consumption in this state.

(j) When the tangible personal property subject to use tax has been subjected to a general retail sales or use tax by another state of the United States in an amount equal to or greater than the amount of the Idaho tax, and evidence can be given of such payment, the property will not be subject to Idaho use tax. If the amount paid the other state was less, the property will be subject to use tax to the extent that the Idaho tax exceeds the tax paid to the other state. For the purposes of this subsection, a registration certificate or title issued by another state or subdivision thereof for a vehicle or trailer or a vessel as defined in section 67-7003, Idaho Code, shall be sufficient evidence of payment of a general retail sales or use tax.

(k) The use tax herein imposed shall not apply to the use by a non-resident of this state of a motor vehicle which is registered or licensed under the laws of the state of his residence and is not used in this state more than a cumulative period of time totaling ninety (90) days in any consecutive twelve (12) months, and which is not required to be registered or licensed under the laws of this state.

(l) The use tax herein imposed shall not apply to the use of household goods, personal effects and personally owned motor vehicles by a resident of this state, if such articles were acquired by such person in another state while a resident of that state and primarily for use outside this state and if such use was actual and substantial, but if an
article was acquired less than three (3) months prior to the time he entered this state, it will be presumed that the article was acquired for use in this state and that its use outside this state was not actual and substantial. For purposes of this subsection, "resident" shall be as defined in section 63-3013 or 63-3013A, Idaho Code.

(m) The use tax herein imposed shall not apply to the storage, use or other consumption of tangible personal property which is or will be incorporated into real property and which has been donated to and has become the property of:

(1) A nonprofit organization as defined in section 63-36220, Idaho Code; or
(2) The state of Idaho; or
(3) Any political subdivision of the state.

This exemption applies whether the tangible personal property is incorporated in real property by the donee, a contractor or subcontractor of the donee, or any other person.

SECTION 20. That Section 63-3638, Idaho Code, be, and the same is hereby amended to read as follows:

(a) Twenty-eight and two-tenths percent (28.2%) shall be paid to the various cities as follows:

(i) Fifty percent (50%) of such amount shall be paid to the various cities, and each city shall be entitled to an amount in the proportion that the population of that city bears to the population of all cities within the state; and

(ii) Fifty percent (50%) of such amount shall be paid to the various cities, and each city shall be entitled to an amount in the proportion that the preceding year's market value for assessment purposes for that city bears to the preceding year's market value for assessment purposes for all cities within the state.

(b) Twenty-eight and two-tenths percent (28.2%) shall be paid to the various counties as follows:

(i) One million three hundred twenty thousand dollars ($1,320,000) annually shall be distributed one forty-fourth (1/44) to each of the various counties; and

(ii) The balance of such amount shall be paid to the various counties, and each county shall be entitled to an amount in the proportion that the population of that county bears to the population of the state;

(c) Thirty-five and nine-tenths percent (35.9%) of the amount appropriated in this subsection (9) shall be paid to the several counties for distribution to the cities and counties as follows:

(i) Each city and county which received a payment under the provisions of section 63-3638(e), Idaho Code, during the fourth quarter of calendar year 1999, shall be entitled to a like amount during succeeding calendar quarters.

(ii) If the dollar amount of money available under this subsection (9)(c) in any quarter does not equal the amount paid in the fourth quarter of calendar year 1999, each city's and county's payment shall be reduced proportionately.

(iii) If the dollar amount of money available under this subsection (9)(c) in any quarter exceeds the amount paid in the
fourth quarter of calendar year 1999, each city and county shall be entitled to a proportionately increased payment, but such increase shall not exceed one hundred five percent (105%) of the total payment made in the fourth quarter of calendar year 1999.

(iv) If the dollar amount of money available under this subsection (9)(c) in any quarter exceeds one hundred five percent (105%) of the total payment made in the fourth quarter of calendar year 1999, any amount over and above such one hundred five percent (105%) shall be paid fifty percent (50%) to the various cities in the proportion that the population of the city bears to the population of all cities within the state, and fifty percent (50%) to the various counties in the proportion that the population of a county bears to the population of the state; and

(d) Seven and seven-tenths percent (7.7%) of the amount appropriated in this subsection (9) shall be paid to the several counties for distribution to special purpose taxing districts as follows:

(i) Each such district which received a payment under the provisions of section 63-3638(e), Idaho Code, during the fourth quarter of calendar year 1999, shall be entitled to a like amount during succeeding calendar quarters.

(ii) If the dollar amount of money available under this subsection (9)(d) in any quarter does not equal the amount paid in the fourth quarter of calendar year 1999, each special purpose taxing district's payment shall be reduced proportionately.

(iii) If the dollar amount of money available under this subsection (9)(d) in any quarter exceeds the amount distributed under paragraph (i) of this subsection (9)(d), each special purpose taxing district shall be entitled to a share of the excess based on the proportion each such district's current property tax budget bears to the sum of the current property tax budgets of all such districts in the state. The state tax commission shall calculate district current property tax budgets to include any unrecovered foregone amounts as determined under section 63-802(1)(e), Idaho Code. When a special purpose taxing district is situated in more than one (1) county, the tax commission shall determine the portion attributable to the special purpose taxing district from each county in which it is situated.

(iv) If special purpose taxing districts are consolidated, the resulting district is entitled to a base amount equal to the sum of the base amounts which were received in the last calendar quarter by each district prior to the consolidation.

(v) If a special purpose taxing district is dissolved or disincorporated, the state tax commission shall continuously distribute to the board of county commissioners an amount equal to the last quarter's distribution prior to dissolution or disincorporation. The board of county commissioners shall determine any redistribution of moneys so received.
(vi) Taxing districts formed after January 1, 2001, are not entitled to a payment under the provisions of this subsection (9)(d).

For nonschool districts, the state tax commission shall distribute one-fourth (1/4) of this amount certified quarterly to each county. For school districts, the state tax commission shall distribute one-fourth (1/4) of the amount certified quarterly to each school district. For nonschool districts, the county auditor shall distribute to each district within thirty (30) calendar days from receipt of moneys from the tax commission. Moneys received by each taxing district for replacement shall be utilized in the same manner and in the same proportions as revenues from property taxation. The moneys remitted to the county treasurer for replacement of property exempt from taxation pursuant to section 63-602EE, Idaho Code, may be considered by the counties and other taxing districts and budgeted at the same time, in the same manner and in the same year as revenues from taxation on personal property which these moneys replace. If taxing districts are consolidated, the resulting district is entitled to an amount equal to the sum of the amounts which were received in the last calendar quarter by each district pursuant to this subsection prior to the consolidation. If a taxing district is dissolved or disincorporated, the state tax commission shall continuously distribute to the board of county commissioners an amount equal to the last quarter's distribution prior to dissolution or disincorporation. The board of county commissioners shall determine any redistribution of moneys so received. Taxing districts formed after January 1, 2001, are not entitled to a payment under the provisions of this subsection. School districts shall receive an amount determined by multiplying the sum of the year 2000 school district levy plus .001 minus .004 times the market value on December 31, 2000, in the district of the property exempt from taxation pursuant to section 63-602EE, Idaho Code—For school-districts—beginning-January-1, 2002, only the portion of property—tax—replacement—received—to replace—property—exempt—from—taxation pursuant to section 63-602EE, Idaho Code—based on the tax year 2000 tax charges for maintenance and operation as limited by sections 33-802-2, and 33-1002D, Idaho Code, shall not be subtracted from the maximum school district maintenance and operation property taxes permitted in accordance with section 33-802-2, Idaho Code, provided that the result of these calculations shall not be less than zero (0). The result of these school district calculations shall be further increased by six percent (6%). For purposes of the limitation provided by section 63-802, Idaho Code, moneys received pursuant to this section as property tax replacement for property exempt from taxation pursuant to section 63-602EE, Idaho Code, shall be treated as property tax revenues.
(11) Any moneys remaining over and above those necessary to meet and reserve for payments under other subsections of this section shall be distributed to the general fund.

SECTION 21. That Section 63-3640, Idaho Code, be, and the same is hereby amended to read as follows:

(c) Was negotiated or bid based upon the sales or use tax being five percent (5%); and

(d) Requires the cost of the sales or use tax to be borne by the contractor.

The claim for refund shall include:

As a representative body, members of the Legislature desire to be responsive and responsible to these citizens. For this reason, the Legislature herewith submits an advisory ballot to the electors of the state of Idaho, and the results will guide the Legislature as to whether the three-tenths of
one percent property tax previously contained in Section 33-802, Idaho Code, and levied against the market value of taxable property in the school districts for maintenance and operation purposes of school districts should continue to be removed and the funds be replaced by a sufficient increase in the state sales tax.

The Secretary of State shall have the question below placed on the 2006 general election ballot and shall take necessary steps to have the results on the question tabulated. The question shall be as follows:

"Should the State of Idaho keep the property tax relief adopted in August 2006, reducing property taxes by approximately $260 million and protecting funding for public schools by keeping the sales tax at 6%?"

33-701. FISCAL YEAR -- PAYMENT AND ACCOUNTING OF FUNDS. The fiscal year of each school district shall be a period of twelve (12) months commencing on the first day of July in each year.

Warrants shall be signed by the treasurer of the district and countersigned by the chairman or vice-chairman of the board of trustees.

Whenever any school district has sufficient funds on deposit so to do so, it may pay any allowed claim for salaries, wages or purchases by regular bank check signed by the treasurer or assistant treasurer of the district and countersigned by the chairman, or vice-chairman, of the board of trustees.

The total amount of warrants or orders for warrants drawn on any fund, together with disbursements from such fund in any other manner made, shall not exceed ninety-five percent (95%) of the estimated income and revenue accrued or accruing to such fund for the same school year, until such income and revenue shall have been paid into the treasury to the credit of the district;

2. To invest all or part of any plant facilities reserve fund, or any fund accumulated for the payment of interest on, and the redemption of, outstanding bonds, or other obligations of the district in bonds or certificates of indebtedness of the United States of America, or in bonds or warrants of the state of Idaho, or in warrants or tax anticipation notes of any county or school district of the state of Idaho, when such investments shall be due and payable on or before the date any plant facilities reserve fund shall be required to be expended or any bonds or other obligations, or interest thereon, of the investing district shall become payable.

Whenever in the judgment of the board of trustees, the proceeds of any bond issue should be temporarily invested pending the expenditure of
such proceeds for the purposes for which such bonds were issued, the proceeds may be invested in the manner and form hereinabove prescribed. Any interest, or profits accruing from such investments shall be used for the purposes for which the bonds were issued. Unless otherwise provided by law, any interest or profits accruing from the investment of any funds shall be credited to the general fund of the district;

3. To insure any schoolhouse schoolhouse and other property, and the district, against any loss by fire, casualty, or liability, and the board, its officers and employees, and to preserve its property for the benefit of the district. In case of loss of any insured property, any proceeds from insurance:
   (a) May be expended in constructing a temporary or permanent structure, but no sum greater than the insurance proceeds shall be so expended except upon approval of a majority of the school district electors voting in an election called for that purpose; or

Such annual statement shall include, but not be limited to, the amounts of money budgeted and received and from what sources, and the amounts budgeted and expended for salaries and other expenses by category. Salaries may be reported in gross amount. Each school district shall have available at the administrative office, upon request, a full and complete list of vendors and the amount paid to each and a list of the number of

SECTION 3. That Section 33-802, Idaho Code, be, and the same is hereby amended to read as follows:

33-802. SCHOOL LEVIES. Any tax levied for school purposes shall be a lien on the property against which the tax is levied. The board of trustees shall determine the levies upon each dollar of taxable property in the district for the ensuing fiscal year as follows:

(1) Bond, Interest and Judgment Obligation Levies. Such levies as shall be required to satisfy all maturing bond, bond interest, and judgment obligations.

(2) Maximum School-Maintenance-and-Operation Budget Stabilization Levies. Such levies for maintaining and operating the schools of the district and for the payment of tuition and transportation, that do not exceed an amount equal to four-tenths of one percent (0.4%) during tax year 1994, and do not exceed an amount equal to three-tenths of one percent (0.3%) during tax year 1995 and thereafter, applied to the actual or adjusted market value for assessment purposes of the district—as such valuation existed on December 31 of the previous year, but allowances necessary as a credit for prepaid taxes, as provided in section 63-1607, Idaho Code, shall not be included in such maximum levies. Provided—however—that in the event property within a district's boundaries is contained in a revenue allocation area established under chapter 29, title 50, Idaho Code, and such revenue allocation area has given notice of termination thereunder, then, only for the purpose of determining the levy described in this subsection, the district may add the increment value, as defined in section 50-2903, Idaho Code, to the actual or adjusted market value for assessment purposes of the district as such value existed on December 31 of the previous year;

3. Authorized School-Maintenance-and-Operation Levies. Such levies for maintaining and operating the schools of the district and for the payment of tuition and transportation that do not exceed one hundred eleven percent (111%) of the local district's contribution authorized in subsection 2 of section 33-802, Idaho Code. Implementation of the provisions of this subsection shall be authorized only after approval by a majority of the district's electors voting on the question. Leavies otherwise authorized by law shall not require an election. School districts not receiving state equalization funds in fiscal year 2006 may authorize a budget stabilization levy for calendar year 2006 and each
year thereafter. Such levies shall not exceed the difference between the amount of equalized funds that the state department of education estimates the school district will receive in fiscal year 2007, based on the school district's fiscal year 2006 reporting data, and the combined amount of money the school district would have received from its maintenance and operation levy and state property tax replacement funds in fiscal year 2007 under the laws of the state of Idaho as they existed prior to amendment by the first extraordinary session of the fifty-eighth Idaho legislature. The state department of education shall notify the state tax commission and affected counties and school districts of the maximum levy amounts permitted, by no later than September 1, 2006.

4-(3) Supplemental Maintenance and Operation Levies. No levy in excess of the levy permitted by subsection 2. or 3. of this section shall be made by a noncharter school district unless such a supplemental levy in a specified amount and for a specified time not to exceed two (2) years be first authorized through an election held pursuant to chapter 4, title 33, Idaho Code, and approved by a majority of the district electors voting in such election. A levy approved pursuant to this subsection may be reduced by a majority vote of the board of trustees in the second year.

5.-(4) Charter District Supplemental Maintenance and Operation. Levies pursuant to the respective charter of any such charter district shall be first authorized through an election held pursuant to chapter 4, title 33, Idaho Code, and approved by a majority of the district electors voting in such election.

6.-(5) The Local-District Contribution. The local-school-district-contribution levy is the amount utilized for calculating local-district participation in the educational-foundation program, which is applied to the adjusted-market-value-for-assessment-purposes, as such valuation existed on December 31 of the previous year, together with the increment value, as defined in section 50-2903, Idaho Code, if applicable under the circumstance described in subsection 2. of this section, relating to termination of a revenue-allocation-area.

7.-(5) The board of trustees of any school district that has, for at least seven (7) consecutive years, been authorized through an election held pursuant to chapter 4, title 33, Idaho Code, to certify a supplemental levy that has annually been equal to or greater than twenty percent (20%) of the total general maintenance and operation fund, may submit the question of an indefinite term supplemental levy to the electors of the school district. Such question shall clearly state the dollar amount that will be certified annually and that the levy will be for an indefinite number of years. The question must be approved by a majority of the district electors voting on the question in an election held pursuant to chapter 4, title 33, Idaho Code. The levy approved pursuant to this subsection may be reduced by a majority vote of the board of trustees during any fiscal year.

6. A charter district may levy for maintenance and operations if such authority is contained within its charter. In the event property within a charter district's boundaries is contained in a revenue allocation area established under chapter 29, title 30, Idaho Code, and such revenue allocation area has given notice of termination thereunder, then, only for the purpose of determining the levy described in this subsection, the district may add the increment value, as defined in sec-
tion 50-2903, Idaho Code, to the actual or adjusted market value for assessment purposes of the district as such value existed on December 31 of the previous year.

SECTION 4. That Section 33-802A, Idaho Code, be, and the same is hereby amended to read as follows:

When the board of trustees of any school district determines and makes the levy required by section 33-802, Idaho Code, and incorporates such levy as a part of the school district's budget to service all maturing bond and bond interest payments for the ensuing fiscal year, it shall take into consideration any state bond levy equalization funds provided pursuant to section 33-906, Idaho Code, and any balances remaining or that may remain in its bond interest and redemption fund after meeting its bond and bond interest obligations for its current fiscal year. The levy so made for the ensuing fiscal year shall be an amount which, together with any state bond levy equalization funds provided pursuant to section 33-906, Idaho Code, and the balance in its bond interest and redemption fund remaining after meeting its current fiscal year bond and bond interest obligations, shall satisfy all maturing bond and bond interest payments for at least the ensuing twelve (12) months, and not to exceed the ensuing twenty-one (21) months counted from July 1 of the current calendar year.

In applying these tables to any given separate attendance unit, no school district shall receive less total money than it would receive if it had a lesser average daily attendance in such separate attendance unit. In applying the kindergarten table to a kindergarten program of less days than a full school year, the support unit allowance shall be in ratio to the number of days of a full school year. The tables for exceptional education and alternative school secondary support units shall be applicable only for programs approved by the state department of education following rules established by the state board of education. Moneys generated from computation of support units for alternative schools shall be utilized for alternative school programs. School district administrative and facility costs may be included as part of the alternative school expenditures.

7-(5) State Distribution Factor per Support Unit. Divide educational support program distribution funds, after subtracting the amounts necessary to pay the obligations specified in subsection (2) of this section, by the total state support units to secure the state distribution factor per support unit.

8-(6) District--Share--of--State--Funds--for--Educational--Support--Program.--Ascertain--a--district's--share--of--state--funds--for--the--educational--support--program--as--follows:

a.--District--Contribution--Calculation. Without including any allowance as a credit for prepaid taxes, as provided in section 63-1607, Idaho Code, the district contribution calculation shall be the rate determined under subsection 3 of this section.

b.--District Support Units. The number of support units for each school district in the state shall be determined as follows:

(a) (i) Divide the actual average daily attendance, excluding students approved for inclusion in the exceptional child educational program, for the administrative schools and each of the separate schools and attendance units by the appropriate divisor from the tables of support units in this section, then add the quotients to obtain the district's support units allowance for regular students, kindergarten through grade 12 including alternative school secondary students. Calculations in application of this subsection shall be carried out to the nearest tenth.

(3ii) Divide the combined totals of the average daily attendance of all preschool, handicapped, kindergarten, elementary, secondary and juvenile detention center students approved for inclusion in the exceptional child program of the district by the appropriate divisor from the table for computation of exceptional education support units to obtain the number of support units allowed for the district's approved exceptional child program. Calculations for this subsection shall be carried out to the nearest tenth when more than one (1) unit is allowed.

(3iii) The total number of support units of the district shall be the sum of the total support units for regular students, subsection 8b-(6)(a)(i) of this section, and the support units allowance for the approved exceptional child program, subsection 8b-(6)(a)(ii) of this section.

c.--(b) Total District Allowance Educational Program. Multiply the district's total number of support units, carried out to the nearest
tenth, by the state distribution factor per support unit and to this product add the approved amount of programs of the district provided in subsection (2r) of this section to secure the district's total allowance for the educational support program.

d(c) District Share. To secure the district's share of state apportionment, subtract the amount of the local district contribution calculation, subsection 3x of this section, from is the amount of the total district allowance, subsection 8rt(6)(b) of this section.

e(d) Adjustment of District Share. The contract salary of every noncertificated teacher shall be subtracted from the district's share as calculated from the provisions of subsection 8rd(6)(c) of this section.

(7) Property Tax Computation Ratio. In order to receive state funds pursuant to this section a charter district shall utilize a school maintenance and operation property tax computation ratio for the purpose of calculating its maintenance and operation levy, that is no greater than that which it utilized in tax year 1994, less four-tenths of one percent (.4%). As used herein, the term "property tax computation ratio" shall mean a ratio determined by dividing the district's certified property tax maintenance and operation budget by the actual or adjusted market value for assessment purposes as such values existed on December 31, 1993. Such maintenance and operation levy shall be based on the property tax computation ratio multiplied by the actual or adjusted market value for assessment purposes as such values existed on December 31 of the prior calendar year.

SECTION 9. That Sections 33-1002A and 33-1002D, Idaho Code, be, and the same are hereby repealed.

SECTION 10. That Section 33-1003, Idaho Code, be, and the same is hereby amended to read as follows:

33-1003. SPECIAL APPLICATIONS OF EDUCATIONAL SUPPORT PROGRAM. (1r) Decrease in Average Daily Attendance. -- Any school district which has a decrease in total average daily attendance of one percent (1%) of its average daily attendance in the then current school year from the total average daily attendance used for determining the allowance in the educational support program for the school year immediately preceding, the allowance of funds from the educational support program may be based on the average daily attendance of the school year immediately preceding, less one percent (1%). When this provision is applied, the decrease in average daily attendance shall be proportionately distributed among the various categories of support units that are appropriate for the district.

(2r) Application of Support Program to Separate Schools/Attendance Units in District.

(a) Separate Elementary School. -- Any separate elementary school shall be allowed to participate in the educational support program as though the school were the only elementary school operated by the district.

(b) Hardship Elementary School. -- Upon application of the board of trustees of a school district, the state board of education is empowered to determine that a given elementary school or elementary
schools within the school district, not otherwise qualifying, are entitled to be counted as a separate elementary school as defined in section 33-1001, Idaho Code, when, in the discretion of the state board of education, special conditions exist warranting the retention of the school as a separate attendance unit and the retention results in a substantial increase in cost per pupil in average daily attendance above the average cost per pupil in average daily attendance of the remainder of the district's elementary grade school pupils. An elementary school operating as a previously approved hardship elementary school shall continue to be considered as a separate attendance unit, unless the hardship status of the elementary school is rescinded by the state board of education.

(c?) Separate Secondary School. -- Any separate secondary school shall be allowed to participate in the educational support program as though the school were the only secondary school operated by the district.

(d?) Elementary/Secondary School Attendance Units. -- Elementary grades in an elementary/secondary school will be funded as a separate attendance unit if all elementary grades served are situated more than ten (10) miles distance from both the nearest like elementary grades within the same school district and from the location of the office of the superintendent of schools of such district, or from the office of the chief administrative officer of such district if the district employs no superintendent of schools. Secondary grades in an elementary/secondary school will be funded as a separate attendance unit if all secondary grades served are located more than fifteen (15) miles by an all-weather road from the nearest like secondary grades operated by the district.

(2) Hardship Secondary School. -- Any district which operated two (2) secondary schools separated by less than fifteen (15) miles, but which district was created through consolidation subsequent to legislative action pursuant to chapter 111, laws of 1947, and which school buildings were constructed prior to 1935, shall be entitled to count the schools as separate attendance units.

(2) Minimum Pupils Required. -- Any elementary school having less than ten (10) pupils in average daily attendance shall not be allowed to participate in the state or county support program unless the school has been approved for operation by the state board of education.

(3?) Remote Schools. -- The board of trustees of any Idaho school district which operates and maintains a school which is remote and isolated from the other schools of the state because of geographical or topographical conditions may petition the state board of education to recognize and approve the school as a remote and necessary school. The petition shall be in form and content approved by the state board of education and shall provide such information as the state board of education may require. Petitions for the recognition of a school as a remote and necessary school shall be filed annually at least ninety (90) days prior to the date of the annual meeting of the board of trustees as established in section 33-510, Idaho Code.

Within forty-five (45) days after the receipt of a petition for the recognition of a remote and necessary school, the state board of education shall either approve or disapprove the petition and notify the board of trustees of its decision. Schools which the state board of edu-
cation approves as being necessary and remote shall be allowed adequate funding within the support program for an acceptable educational program for the students of the school. In the case of a remote and necessary secondary school, grades 7-12, the educational program shall be deemed acceptable when, in the opinion of the state board of education, the accreditation standard relating to staff size, established in accordance with section 33-119, Idaho Code, has been met. The final determination of an acceptable program and adequate funding in the case of a remote and necessary elementary school shall be made by the state board of education.

(4T) Support Program When District Boundaries are Changed.

(a) In new districts formed by the division of a district, the support program computed for the district divided in its last year of operation, shall be apportioned to the new districts created by the division, in the proportion that the average daily attendance of pupils, elementary and secondary combined, residing in the area of each new district so created, is to the average daily attendance of all pupils, elementary and secondary combined, in the district divided in its last year of operation before the division.

(b) When boundaries of districts are changed by excision or annexation of territory, the support program of any district from which territory is excised for the last year of operation before such excision shall be divided, and apportioned among the districts involved, as prescribed in subsection 4aT (4)(a) of this section.

(c) In new districts formed by consolidation of former districts, the support program allowance for a seven (7) year period following the formation of the new district, shall not be less than the combined support program allowances of the component districts in the last year of operation before consolidation.

SECTION 11. That Section 33-1004, Idaho Code, be, and the same is hereby amended to read as follows:
33-1004. STAFF ALLOWANCE. For each school district, a staff allowance shall be determined as follows:

(1) Using the daily attendance reports that have been submitted for computing the February 15th apportionment of state funds as provided in section 33-1009, Idaho Code, determine the total support units for the district in the manner provided in section 33-1002(b)(6)(a), Idaho Code;

(2) Determine the instructional staff allowance by multiplying the support units by 1.1. A district must demonstrate that it actually employs the number of certificated instructional staff allowed. If the district does not employ the number allowed, the staff allowance shall be reduced to the actual number employed;

(3) Determine the administrative staff allowance by multiplying the support units by .075;

(4) Determine the classified staff allowance by multiplying the support units by .375;

(5) Additional conditions governing staff allowance:

(a) In determining the number of staff in subsections (2), (3) and (4) of this section, a district may contract separately for services to be rendered by nondistrict employees and such employees may be counted in the staff allowance. A "nondistrict employee" means a person for whom the school district does not pay the employer's obligations for employee benefits. When a district contracts for the services of a nondistrict employee, only the salary portion of the contract shall be allowable for computations.

(b) If there are circumstances preventing eligible use of staff allowance to which a district is entitled as provided in subsections (2) and (3) of this section, an appeal may be filed with the state department of education outlining the reasons and proposed alternative use of these funds, and a waiver may be granted.

(c) For any district with less than forty (40) support units:

(i) The instructional staff allowance shall be calculated applying the actual number of support units. If the actual instructional staff employed in the school year is greater than the instructional staff allowance, then the instructional staff allowance shall be increased by one-half (1/2) staff allowance; and

(ii) The administrative staff allowance shall be calculated applying the actual number of support units. If the actual administrative staff employed in the school year is greater than the administrative staff allowance, then the administrative staff allowance shall be increased by one-half (1/2) staff allowance.

(iii) Additionally, for any district with less than twenty (20) support units, the instructional staff allowance shall be calculated applying the actual number of support units. If the number of instructional staff employed in the school year is greater than the instructional staff allowance, the staff allowance shall be increased as provided in paragraphs (i) and (ii) of this subsection, and by an additional one-half (1/2) instructional staff allowance.

(d) For any school district with one (1) or more separate secondary schools serving grades nine (9) through twelve (12), the instructional staff allowance shall be increased by two (2) additional
instructional staff allowances for each such separate secondary school.

(e) Only instructional, administrative and classified personnel compensated by the school district from the general maintenance and operation fund of the district shall be included in the calculation of staff allowance or in any other calculations based upon staff, including determination of the experience and education multiplier, the reporting requirements, or the district's salary-based apportionment calculation. No food service staff or transportation staff shall be included in the staff allowance.

(6) In the event that the staff allowance in any category is insufficient to meet accreditation standards, a district may appeal to the state board of education, demonstrating the insufficiency, and the state board may grant a waiver authorizing sufficient additional staff to be included within the staff allowance to meet accreditation standards. Such a waiver shall be limited to one (1) year, but may be renewed upon showing of continuing justification.

SECTION 12. That Section 33-1408, Idaho Code, be, and the same is hereby amended to read as follows:

33-1408. SPECIAL LEVY FOR TUITION. Any school district is hereby authorized to make a levy above the maintenance and operation levy otherwise authorized by law for the purpose of paying tuition costs of its students who, under authorization of the board of trustees of the district, attend school in another district either in or out of Idaho, except for those costs reimbursed by the state under border contracts. Such levy shall be exempt from the provisions of section 63-802, Idaho Code.

SECTION 13. That Section 33-5208, Idaho Code, be, and the same is hereby amended to read as follows:

33-5208. PUBLIC CHARTER SCHOOL FINANCIAL SUPPORT. Except as provided in subsection (8) of this section, from the state educational support program the state department of education shall make the following apportionment to each public charter school for each fiscal year based on attendance figures submitted in a manner and time as required by the department of education:

(1) Per student support. Computation of support units for each public charter school shall be calculated as if it were a separate school according to the schedules in section 33-1002(4), Idaho Code, except that public charter schools with fewer than one hundred (100) secondary ADA shall use a divisor of twelve (12) and the minimum units shall not apply, and no public charter school shall receive an increase in support units that exceeds the support units it received in the prior year by more than twenty (20). Funding from the state educational support program shall be equal to the total distribution factor, plus the salary-based apportionment provided in chapter 10, title 33, Idaho Code. Provided however, any public charter school that is formed by the conversion of an existing traditional public school shall be assigned divisors, pursuant to section 33-1002, Idaho Code, that are no lower than the divisors of the school district in which the traditional public school is located, for each category of pupils listed.
(2) Special education. For each student enrolled in the public charter school who is entitled to special education services, the state and federal funds from the exceptional child education program for that student that would have been apportioned for that student to the school district in which the public charter school is located.

(3) Alternative school support. Public charter schools may qualify under the provisions of sections 33-1002 and 33-1002C, Idaho Code, provided the public charter school meets the necessary statutory requirements, and students qualify for attendance at an alternative school as provided by rule of the state board of education.

(4) Transportation support. Support shall be paid to the public charter school as provided in chapter 15, title 33, Idaho Code, and section 33-1006, Idaho Code. Each public charter school shall furnish the department with an enrollment count as of the first Friday in November, of public charter school students living more than one and one-half (1 1/2) miles from the school. For charter schools in the initial year of operation, the petition shall include a proposal for transportation services with an estimated first year cost. The state department of education is authorized to include in the annual appropriation to the charter school eighty percent (80%) of the estimated transportation cost. The final appropriation payment in July shall reflect eighty-five percent (85%) of the actual cost.

(5) Payment schedule. The state department of education is authorized to make an advance payment of twenty-five percent (25%) of a public charter school's estimated annual apportionment for its first year of operation, and each year thereafter, provided the public charter school has an increase of student population in any given year of twenty (20) students or more, to assist the school with initial start-up costs or payroll obligations.

(a) For a state public charter school to receive the advance payment, the school shall submit its anticipated fall membership for each grade level to the state department of education by June 1.

(b) Using the figures provided by the public charter school, the state department of education shall determine an estimated annual apportionment from which the amount of the advance payment shall be calculated. Advance payment shall be made to the school on or after July 1 but no later than July 31.

(c) All subsequent payments, taking into account the one-time advance payment made for the first year of operation, shall be made to the public charter school in the same manner as other traditional public schools in accordance with the provisions of section 33-1009, Idaho Code.

A public charter school shall comply with all applicable fiscal requirements of law, except that the following provisions shall not be applicable to public charter schools: section 33-1003B, Idaho Code, relating to guaranteed minimum support; that portion of section 33-1004, Idaho Code, relating to reduction of the administrative and instructional staff allowance when there is a discrepancy between the number allowed and the number actually employed; and section 33-1004E, Idaho Code, for calculation of district staff indices.

(6) Nothing in this chapter shall be construed to prohibit any private person or organization from providing funding or other financial assistance to the establishment or operation of a public charter school.
(7) Nothing in this chapter shall prevent a public charter school from applying for federal grant moneys.

(8) (a) For the period July 1, 2003, through June 30, 2005, all public virtual schools shall be assigned divisors, pursuant to section 33-1002, Idaho Code, that are no higher than the median divisor shown for each respective category of pupils, among the possible divisors listed, for each respective category of pupils that contains more than one (1) divisor. If there is an even number of possible divisors listed for a particular category of pupils, then the lesser of the two (2) median divisors shall be used. For the period July 1, 2005, through June 30, 2007, all public virtual schools shall be assigned divisors, pursuant to section 33-1002, Idaho Code, that are no higher than the second highest divisor shown, among the possible divisors listed, for each respective category of pupils that contains more than one (1) divisor. The divisor provisions contained herein shall only be applicable to the number of pupils in average daily attendance in such public virtual schools for the period July 1, 2003, through June 30, 2004. If the number of pupils in average daily attendance in any particular category of pupils increases, during the period July 1, 2004, through June 30, 2005, to a number above that which existed in the prior fiscal year, then those additional pupils in average daily attendance shall be assigned the divisor, pursuant to section 33-1002, Idaho Code, that would have otherwise been assigned to the school district or public charter school had this section not been in force.

(b) Each student in attendance at a public virtual school shall be funded based upon either the actual hours of attendance in the public virtual school on a flexible schedule, or the percentage of coursework completed, whichever is more advantageous to the school, up to the maximum of one (1) full-time equivalent student.

(c) All federal educational funds shall be administered and distributed to public charter schools, including public virtual schools, that have been designated by the state board of education as a local education agency (LEA), as provided in section 33-5203(7), Idaho Code.

(9) Nothing in this section prohibits separate face-to-face learning activities or services.

SECTION 14. That Section 50-2908, Idaho Code, be, and the same is hereby amended to read as follows:

50-2908. DETERMINATION OF TAX LEVIES -- CREATION OF SPECIAL FUND. (1) For purposes of calculating the rate at which taxes shall be levied by or for each taxing district in which a revenue allocation area is located, the county commissioners shall, with respect to the taxable property located in such revenue allocation area, use the equalized assessed value of such taxable property as shown on the base assessment roll rather than on the current equalized assessed valuation of such taxable property.

(2) With respect to each such taxing district, the tax rate calculated under subsection (1) of this section shall be applied to the current equalized assessed valuation of all taxable property in the taxing district, including the taxable property in the revenue allocation area. The tax revenues thereby produced shall be allocated as follows:
(a) To the taxing district shall be allocated and shall be paid by the county treasurer:

(i) All taxes levied by the taxing district or on its behalf on taxable property located within the taxing district but outside the revenue allocation area; and

(ii) A portion of the taxes levied by the taxing district or on its behalf on the taxable property located within the revenue allocation area, which portion is the amount produced by applying the taxing district's tax rate determined under subsection (1) of this section to the equalized assessed valuation, as shown on the base assessment roll, of the taxable property located within the revenue allocation area; and

(iii) If such taxing district is a school district, a further portion of the taxes levied by such district or on its behalf on the taxable property located within the revenue allocation area, which portion is the amount equal to the percentage specified in section 33-1002(7)(a), Idaho Code, multiplied by the difference between the current equalized assessed valuation of such taxable property and the equalized assessed valuation of such taxable property as shown on the base assessment roll.

(b) To the urban renewal agency shall be allocated the balance, if any, of the taxes levied on the taxable property located within the revenue allocation area.

(3) Upon enactment of an ordinance adopting a revenue allocation financing provision as part of an urban renewal plan, the urban renewal agency shall create a special fund or funds to be used for the purposes enumerated in this chapter. The revenues allocated to the urban renewal agency pursuant to this chapter, shall be paid to the agency by the treasurer of the county in which the revenue allocation district is located and shall be deposited by the agency into one or more of such special funds. The agency may, in addition, deposit into such special fund or funds such other income, proceeds, revenues and funds it may receive from sources other than the revenues allocated to it under subsection (2)(b) of this section.

(4) For the purposes of section 63-803, Idaho Code, during the period when revenue allocation under this chapter is in effect, and solely with respect to any taxing district in which a revenue allocation area is located, the county commissioners shall, in fixing any tax levy, take into consideration the equalized assessed valuation of the taxable property situated in the revenue allocation area as shown in the base assessment roll, rather than the current equalized assessed value of such taxable property.

(5) For all other purposes, including, without limitation, for purposes of sections 33-802, 33-1002 and 63-1313, Idaho Code, reference in the Idaho Code to the term "market value for assessment purposes" (or any other such similar term) shall mean market value for assessment purposes as defined in section 63-208, Idaho Code.

SECTION 15. That Section 63-315, Idaho Code, be, and the same is hereby amended to read as follows:

63-315. ASSESSMENT RATIOS AND THE DETERMINATION OF ADJUSTED MARKET VALUE FOR ASSESSMENT PURPOSES FOR SCHOOL DISTRICTS. (1) The provisions of this section shall apply only to charter districts levy ing a mainte-
nance and operation levy in the prior calendar year. For the purpose of this section, adjusted market value for assessment purposes shall be the adjusted market value for assessment purposes of all property assessed for property tax purposes for the year referred to in sections 33-802 and 33-1002, Idaho Code.

(2) The state tax commission shall conduct a ratio study to annually ascertain the ratio between the assessed value and the market value for assessment purposes of all property assessed for property tax purposes. Said ratio study shall be conducted in accordance with nationally accepted procedures. From the ratio so ascertained the state tax commission shall compute the adjusted market value of all property assessed for property tax purposes.

(3) The ratio shall be computed in each school district and applied to the market value for assessment purposes within each school district.

(4) Sales used in determining the ratio required by this section shall be arm's length, market value property sales occurring in the year beginning on October 1 of the year preceding the year for which the adjusted market value is to be determined. The state tax commission may, at its discretion, modify the sales period when doing so produces provably better representativeness of the actual ratio in any school district. The state tax commission may also add independently conducted appraisals when the state tax commission believes that this procedure will improve the representativeness and reliability of the ratio.

(5) Whenever the state tax commission is unable to determine with reasonable statistical certainty that the assessed value within any school district differs from the market value for assessment purposes, the state tax commission may certify the assessed value to be the adjusted market value of any school district.

(6) The state tax commission shall certify the adjusted market value of each school district to the state department of education and each county auditor no later than the first Monday in April each year. The state tax commission shall prepare a report indicating procedures used in computing the adjusted market value and showing statistical measures computed in the ratio study. This report shall be submitted to the state department of education at the same time as the certification of adjusted market value. The report of the state tax commission shall also be made available for public inspection in the office of the county auditor.

(7) The state tax commission shall promulgate rules to implement the ratio study described in this section.

SECTION 16. That Section 63-802A, Idaho Code, be, and the same is hereby amended to read as follows:

63-802A. NOTICE OF BUDGET HEARING. (1) Not later than April 30 of each year, each taxing district shall set and notify the county clerk of the date and location set for the budget hearing of the district. If no budget hearing is required by law, the county clerk shall be so notified.

(2) Beginning in 2003, a nonschool taxing district that fails to comply with subsection (1) of this section shall be prohibited from including in its budget any budget increase otherwise permitted by either subsection (1)(a) or (1)(e) of section 63-802, Idaho Code.

(3) Beginning in 2003, a school district that fails to comply--with
subsection—(1)—of—this—section—shall—be—prohibited—in—the—year—of—such
failure—from—increasing—the—portion—of—its—property—tax—budget—raised
under—section—33-802-2,—Idaho—Code,—over—the—amount—of—the—immediately
preceding—year.

(4) If a taxing district wishes to change the time and location of
such budget hearing as stated on the assessment notice, they it shall
publish such change of time and location in advance of such hearing as
provided by law.

SECTION 17. That Section 63-811, Idaho Code, be, and the same is
hereby amended to read as follows:

63-811. COMPUTATION OF PROPERTY TAXES -- DUTY OF COUNTY AUDITOR.
(1) The county auditor must cause to be computed the amount of the local
property taxes levied on the total of the taxable value as entered on
the property and operating property rolls, and must deliver the property
and operating property rolls to the tax collector on or before the first
Monday of November.

(2) The county auditor must cause to be computed the amount of the
local property taxes levied on the total of the taxable value as entered
on the subsequent property roll, and must deliver the subsequent prop­
erty roll to the tax collector as soon as possible, without delay, after
the first Monday of December.

(3) The county auditor must cause to be computed the amount of the
state property tax and the amount of the local property taxes levied on
the total taxable value as entered on the missed property roll, and must
deliver the missed property roll to the tax collector as soon as possi­
ble, without delay, after the first Monday of March of the year follow­
ing the year in which the assessment was entered on the missed property
roll.

(4) For the purpose of this section, "taxable value" shall mean the
portion of the equalized assessed value, less any exemptions and the
value that exceeds the value of the base assessment roll for the portion
of any taxing district within a revenue allocation area of an urban
renewal district, located within each taxing district which certifies a
budget to be raised from a property tax levy. When-the—portion—of—the
property-tax—to-be-allocated-to-school-districts-as-required-in-sections
33-1002—and—50-2908,—Idaho—Code,—is-calculated,—the-taxable-value-must
include—the-value-that-exceeds-the-value-of-the-base-assessment-roll.

(5) The county auditor, at the time of delivery to the county tax
collector of the property roll, subsequent property roll, missed prop­
erty roll or operating property roll with all property taxes computed,
must subscribe an affidavit to such roll that he has to the best of his
knowledge and ability computed the proper amount of property taxes due,
and recorded such orders of the board of equalization as have been made
and have has made no other changes.

(6) Failure of the auditor to make the affidavit shall not affect
the validity of any entry on the roll. The making of such affidavit,
however, is declared to be a duty pertaining to the office of the county
auditor. In every case where the said affidavit is omitted from the real
property assessment roll, completed and delivered as aforesaid, the
board of county commissioners must require the county auditor to make
the same, and upon refusal or neglect of such county auditor to make and
subscribe to such affidavit forthwith, the chairman of the said board
must immediately file in the district court in the county, an informa-
tion in writing, verified by his oath, charging such county auditor with
refusal or neglect to perform the official duties pertaining to his
office, and thereupon he must be proceeded against as in such cases pro-
vided by law.

SECTION 18. That Section 63-3619, Idaho Code, be, and the same is
hereby amended to read as follows:

63-3619. IMPOSITION AND RATE OF THE SALES TAX. An excise tax is
hereby imposed upon each sale at retail at the rate of five six percent
(56%) of the sales price of all retail sales subject to taxation under
this chapter and such amount shall be computed monthly on all sales at
retail within the preceding month.

(a) The tax shall apply to, be computed on, and collected for all
credit, installment, conditional or similar sales at the time of the
sale or, in the case of rentals, at the time the rental is charged.

(b) The tax hereby imposed shall be collected by the retailer from
the consumer.

(c) The state tax commission shall provide schedules for collection
of the tax on sales which involve a fraction of a dollar. The retailer
shall calculate the tax upon the entire amount of the purchases of the
consumer made at a particular time and not separately upon each item
purchased. The retailer may retain any amount collected under the
bracket system prescribed which is in excess of the amount of tax for
which he is liable to the state during the period as compensation for
the work of collecting the tax.

(d) It is unlawful for any retailer to advertise or hold out or
state to the public or to any customer, directly or indirectly, that the
tax or any part thereof will be assumed or absorbed by the retailer or
that it will not be added to the selling price of the property sold or
that if added it or any part thereof will be refunded. Any person vio-
lating any provision of this section is guilty of a misdemeanor.

(e) The tax commission may by rule provide that the amount col-
lected by the retailer from the customer in reimbursement of the tax be
displayed separately from the list price, the price advertised on the
premises, the marked price, or other price on the sales slip or other
proof of sale.

(f) The taxes imposed by this chapter shall apply to the sales to
contractors purchasing for use in the performance of contracts with the
United States.

SECTION 19. That Section 63-3621, Idaho Code, be, and the same is
hereby amended to read as follows:

63-3621. IMPOSITION AND RATE OF THE USE TAX -- EXEMPTIONS. An
excise tax is hereby imposed on the storage, use, or other consumption
in this state of tangible personal property acquired on or after July
October 1, 2005, for storage, use, or other consumption in this state
at the rate of five six percent (56%) of the value of the property, and
a recent sales price shall be presumptive evidence of the value of the
property unless the property is wireless telecommunications equipment,
in which case a recent sales price shall be conclusive evidence of the
value of the property.
(a) Every person storing, using, or otherwise consuming, in this state, tangible personal property is liable for the tax. His liability is not extinguished until the tax has been paid to this state except that a receipt from a retailer maintaining a place of business in this state or engaged in business in this state given to the purchaser is sufficient to relieve the purchaser from further liability for the tax to which the receipt refers. A retailer shall not be considered to have stored, used or consumed wireless telecommunications equipment by virtue of giving, selling or otherwise transferring such equipment at a discount as an inducement to a consumer to commence or continue a contract for telecommunications service.

(b) Every retailer engaged in business in this state, and making sales of tangible personal property for the storage, use, or other consumption in this state, not exempted under section 63-3622, Idaho Code, shall, at the time of making the sales or, if storage, use or other consumption of the tangible personal property is not then taxable hereunder, at the time the storage, use or other consumption becomes taxable, collect the tax from the purchaser and give to the purchaser a receipt therefor in the manner and form prescribed by the state tax commission.

(c) The provisions of this section shall not apply when the retailer pays sales tax on the transaction and collects reimbursement for such sales tax from the customer.

(d) Every retailer engaged in business in this state or maintaining a place of business in this state shall register with the state tax commission and give the name and address of all agents operating in this state, the location of all distributions or sales houses or offices or other places of business in this state, and such other information as the state tax commission may require.

(e) For the purpose of the proper administration of this act and to prevent evasion of the use tax and the duty to collect the use tax, it shall be presumed that tangible personal property sold by any person for delivery in this state is sold for storage, use, or other consumption in this state. The burden of proving the sale is tax exempt is upon the person who makes the sale unless he obtains from the purchaser a resale certificate to the effect that the property is purchased for resale or rental. It shall be presumed that sales made to a person who has completed a resale certificate for the seller's records are not taxable and the seller need not collect sales or use taxes unless the tangible personal property purchased is taxable to the purchaser as a matter of law in the particular instance claimed on the resale certificate.

A seller may accept a resale certificate from a purchaser prior to the time of sale, at the time of sale, or at any reasonable time after the sale when necessary to establish the privilege of the exemption. The resale certificate relieves the person selling the property from the burden of proof only if taken from a person who is engaged in the business of selling or renting tangible personal property and who holds the permit provided for by section 63-3620, Idaho Code, or who is a retailer not engaged in business in this state, and who, at the time of purchasing the tangible personal property, intends to sell or rent it in the regular course of business or is unable to ascertain at the time of purchase whether the property will be sold or will be used for some other purpose. Other than as provided elsewhere in this section, when a resale certificate, properly executed, is presented to the seller, the seller has no duty or obligation to collect sales or use taxes in regard to any
sales transaction so documented regardless of whether the purchaser properly or improperly claimed an exemption. A seller so relieved of the obligation to collect tax is also relieved of any liability to the purchaser for failure to collect tax or for making any report or disclosure of information required or permitted under this chapter.

The resale certificate shall bear the name and address of the purchaser, shall be signed by the purchaser or his agent, shall indicate the number of the permit issued to the purchaser, or that the purchaser is an out-of-state retailer, and shall indicate the general character of the tangible personal property sold by the purchaser in the regular course of business. The certificate shall be substantially in such form as the state tax commission may prescribe.

(f) If a purchaser who gives a resale certificate makes any storage or use of the property other than retention, demonstration or display while holding it for sale in the regular course of business, the storage or use is taxable as of the time the property is first so stored or used.

(g) Any person violating any provision of this section is guilty of a misdemeanor and punishable by a fine not in excess of one hundred dollars ($100), and each violation shall constitute a separate offense.

(h) It shall be presumed that tangible personal property shipped or brought to this state by the purchaser was purchased from a retailer, for storage, use or other consumption in this state.

(i) It shall be presumed that tangible personal property delivered outside this state to a purchaser known by the retailer to be a resident of this state was purchased from a retailer for storage, use, or other consumption in this state. This presumption may be controverted by evidence satisfactory to the state tax commission that the property was not purchased for storage, use, or other consumption in this state.

(j) When the tangible personal property subject to use tax has been subjected to a general retail sales or use tax by another state of the United States in an amount equal to or greater than the amount of the Idaho tax, and evidence can be given of such payment, the property will not be subject to Idaho use tax. If the amount paid the other state was less, the property will be subject to use tax to the extent that the Idaho tax exceeds the tax paid to the other state. For the purposes of this subsection, a registration certificate or title issued by another state or subdivision thereof for a vehicle or trailer or a vessel as defined in section 67-7003, Idaho Code, shall be sufficient evidence of payment of a general retail sales or use tax.

(k) The use tax herein imposed shall not apply to the use by a non-resident of this state of a motor vehicle which is registered or licensed under the laws of the state of his residence and is not used in this state more than a cumulative period of time totaling ninety (90) days in any consecutive twelve (12) months, and which is not required to be registered or licensed under the laws of this state.

(l) The use tax herein imposed shall not apply to the use of household goods, personal effects and personally owned motor vehicles by a resident of this state, if such articles were acquired by such person in another state while a resident of that state and primarily for use outside this state and if such use was actual and substantial, but if an article was acquired less than three (3) months prior to the time he entered this state, it will be presumed that the article was acquired for use in this state and that its use outside this state was not actual
and substantial. For purposes of this subsection, "resident" shall be as
defined in section 63-3013 or 63-3013A, Idaho Code.

(m) The use tax herein imposed shall not apply to the storage, use
or other consumption of tangible personal property which is or will be
incorporated into real property and which has been donated to and has
become the property of:

(1) A nonprofit organization as defined in section 63-36220, Idaho
Code; or
(2) The state of Idaho; or
(3) Any political subdivision of the state.

This exemption applies whether the tangible personal property is incor­
porated in real property by the donee, a contractor or subcontractor of
the donee, or any other person.

SECTION 20. That Section 63-3638, Idaho Code, be, and the same is
hereby amended to read as follows:

63-3638. SALES TAX -- DISTRIBUTION. All moneys collected under this
chapter, except as may otherwise be required in sections 63-3203 and
63-3709, Idaho Code, shall be distributed by the tax commission as fol­

established by the Idaho housing and finance association pursuant to
section 67-6211, Idaho Code. Such amounts, if any, as may be appropri­
ated hereunder to the capital reserve fund of the Idaho housing and
finance association shall be repaid for distribution under the provi­
sions of this section, subject to the provisions of section 67-6215,
Idaho Code, by the Idaho housing and finance association, as soon as
possible, from any moneys available therefor and in excess of the
amounts which the association determines will keep it self-supporting.

(5) An amount equal to the sum required by the provisions of sec­
tions 63-709 and 63-717, Idaho Code, after allowance for the amount
appropriated by section 63-718(3), Idaho Code, is continuously appro­

Idaho Code.

(6) An amount required by the provisions of chapter 53, title 33,
Idaho Code.

(7) An amount required by the provisions of chapter 87, title 67,
Idaho Code.

(8) One dollar ($1.00) on each application for certificate of title
or initial application for registration of a motor vehicle, snowmobile,
all-terrain vehicle or other vehicle processed by the county assessor or the Idaho transportation department excepting those applications in which any sales or use taxes due have been previously collected by a retailer, shall be a fee for the services of the assessor of the county or the Idaho transportation department in collecting such taxes, and shall be paid into the current expense fund of the county or state highway account established in section 40-702, Idaho Code.

(9) Thirteen Eleven and three-quarters five-tenths percent (13\(\frac{11}{15}\)\%) is continuously appropriated and shall be distributed to the revenue sharing account which is created in the state treasury, and the moneys in the revenue sharing account will be paid in installments each calendar quarter by the tax commission as follows:

(a) Twenty-eight and two-tenths percent (28.2\%) shall be paid to the various cities as follows:
   (i) Fifty percent (50\%) of such amount shall be paid to the various cities, and each city shall be entitled to an amount in the proportion that the population of that city bears to the population of all cities within the state; and
   (ii) Fifty percent (50\%) of such amount shall be paid to the various cities, and each city shall be entitled to an amount in the proportion that the preceding year's market value for assessment purposes for that city bears to the preceding year's market value for assessment purposes for all cities within the state.

(b) Twenty-eight and two-tenths percent (28.2\%) shall be paid to the various counties as follows:
   (i) One million three hundred twenty thousand dollars ($1,320,000) annually shall be distributed one forty-fourth (1/44) to each of the various counties; and
   (ii) The balance of such amount shall be paid to the various counties, and each county shall be entitled to an amount in the proportion that the population of that county bears to the population of the state;

(c) Thirty-five and nine-tenths percent (35.9\%) of the amount appropriated in this subsection (9) shall be paid to the several counties for distribution to the cities and counties as follows:
   (i) Each city and county which received a payment under the provisions of section 63-3638(e), Idaho Code, during the fourth quarter of calendar year 1999, shall be entitled to a like amount during succeeding calendar quarters.
   (ii) If the dollar amount of money available under this subsection (9)(c) in any quarter does not equal the amount paid in the fourth quarter of calendar year 1999, each city's and county's payment shall be reduced proportionately.
   (iii) If the dollar amount of money available under this subsection (9)(c) in any quarter exceeds the amount paid in the fourth quarter of calendar year 1999, each city and county shall be entitled to a proportionately increased payment, but such increase shall not exceed one hundred five percent (105\%) of the total payment made in the fourth quarter of calendar year 1999.
   (iv) If the dollar amount of money available under this subsection (9)(c) in any quarter exceeds one hundred five percent (105\%) of the total payment made in the fourth quarter of cal-
endar year 1999, any amount over and above such one hundred five percent (105%) shall be paid fifty percent (50%) to the various cities in the proportion that the population of the city bears to the population of all cities within the state, and fifty percent (50%) to the various counties in the proportion that the population of a county bears to the population of the state; and

(d) Seven and seven-tenths percent (7.7%) of the amount appropriated in this subsection (9) shall be paid to the several counties for distribution to special purpose taxing districts as follows:

(i) Each such district which received a payment under the provisions of section 63-3638(e), Idaho Code, during the fourth quarter of calendar year 1999, shall be entitled to a like amount during succeeding calendar quarters.

(ii) If the dollar amount of money available under this subsection (9)(d) in any quarter does not equal the amount paid in the fourth quarter of calendar year 1999, each special purpose taxing district's payment shall be reduced proportionately.

(iii) If the dollar amount of money available under this subsection (9)(d) in any quarter exceeds the amount distributed under paragraph (i) of this subsection (9)(d), each special purpose taxing district shall be entitled to a share of the excess based on the proportion each such district's current property tax budget bears to the sum of the current property tax budgets of all such districts in the state. The state tax commission shall calculate district current property tax budgets to include any unrecovered foregone amounts as determined under section 63-802(1)(e), Idaho Code. When a special purpose taxing district is situated in more than one county, the tax commission shall determine the portion attributable to the special purpose taxing district from each county in which it is situated.

(iv) If special purpose taxing districts are consolidated, the resulting district is entitled to a base amount equal to the sum of the base amounts which were received in the last calendar quarter by each district prior to the consolidation.

(v) If a special purpose taxing district is dissolved or disincorporated, the state tax commission shall continuously distribute to the board of county commissioners an amount equal to the last quarter's distribution prior to dissolution or disincorporation. The board of county commissioners shall determine any redistribution of moneys so received.

(vi) Taxing districts formed after January 1, 2001, are not entitled to a payment under the provisions of this subsection (9)(d).

(vii) For purposes of this subsection (9)(d), a special purpose taxing district is any taxing district which is not a city, a county or a school district.

(10) Amounts calculated in accordance with section 2, chapter 356, laws of 2001, for annual distribution to counties and other taxing districts beginning in October 2001 for replacement of property tax on farm machinery and equipment exempted pursuant to section 63-602EE, Idaho Code. For nonschool districts, the state tax commission shall distribute one-fourth (1/4) of this amount certified quarterly to each county. For
school districts, the state tax commission shall distribute one-fourth (1/4) of the amount certified quarterly to each school district. For nonschool districts, the county auditor shall distribute to each district within thirty (30) calendar days from receipt of moneys from the tax commission. Moneys received by each taxing district for replacement shall be utilized in the same manner and in the same proportions as revenues from property taxation. The moneys remitted to the county treasurer for replacement of property exempt from taxation pursuant to section 63-602EE, Idaho Code, may be considered by the counties and other taxing districts and budgeted at the same time, in the same manner and in the same year as revenues from taxation on personal property which these moneys replace. If taxing districts are consolidated, the resulting district is entitled to an amount equal to the sum of the amounts which were received in the last calendar quarter by each district pursuant to this subsection prior to the consolidation. If a taxing district is dissolved or disincorporated, the state tax commission shall continuously distribute to the board of county commissioners an amount equal to the last quarter's distribution prior to dissolution or disincorporation. The board of county commissioners shall determine any redistribution of moneys so received. If a taxing district annexes territory, the distribution of moneys received pursuant to this subsection shall be unaffected. Taxing districts formed after January 1, 2001, are not entitled to a payment under the provisions of this subsection. School districts shall receive an amount determined by multiplying the sum of the year 2000 school district levy plus .004 times the market value on December 31, 2000, in the district of the property exempt from taxation pursuant to section 63-602EE, Idaho Code. School districts, beginning January 1, 2002, only the portion of property tax replacement received to replace property exempt from taxation pursuant to section 63-602EE, Idaho Code, based on the tax year 2000 tax charges for maintenance and operation as limited by sections 33-802 and 33-1002B, Idaho Code, shall not be subtracted from the maximum school district maintenance and operation property taxes permitted in accordance with section 33-802-27, Idaho Code, provided that the result of these calculations shall not be less than zero (0). The result of these school district calculations shall be further increased by six percent (6%). For purposes of the limitation provided by section 63-802, Idaho Code, moneys received pursuant to this section as property tax replacement for property exempt from taxation pursuant to section 63-602EE, Idaho Code, shall be treated as property tax revenues.

(11) Any moneys remaining over and above those necessary to meet and reserve for payments under other subsections of this section shall be distributed to the general fund.

SECTION 21. That Section 63-3640, Idaho Code, be, and the same is hereby amended to read as follows:

63-3640. CONTRACTS ENTERED INTO BEFORE EFFECTIVE DATE OF INCREASED TAX. (1) Commencing May 1, 2003, and ending June 30, 2005 October 1, 2006, the purchase, use, storage or other consumption of tangible personal property which is otherwise subject to the taxes imposed by this chapter by persons defined in section 63-3609(a), Idaho Code, shall be exempt from one cent (1c) of the taxes imposed by sections 63-3619 and 63-3621, Idaho Code, if:
(a) The tangible personal property is purchased, used, stored or otherwise consumed for incorporation into real property; and
(b) The tangible personal property is purchased, used, stored or otherwise consumed in regard to a project performed by such person pursuant to a qualified contract; and
(c) The taxpayer claims the exemption in the manner provided by subsection (3) of this section.

(2) As used in this section, the term "qualified contract" means a contract which:

(a) Is a written contract; and
(b) Was in effect on April 15, 2003 September 1, 2006, or was submitted for bid or bid in written form on or before April 15, 2003 September 1, 2006, and subsequently became a written contract; and
(c) Was negotiated or bid based upon the sales or use tax being five percent (5%); and
(d) Requires the cost of the sales or use tax to be borne by the contractor.

(3) A person entitled to the exemption granted in subsection (1) of this section may submit a claim for refund to the state tax commission for the amount of one cent (1¢) of the tax imposed by sections 63-3619 and 63-3621, Idaho Code, if it has actually been paid by him. The claim for refund shall include:

(a) A copy of a written contract which is a qualified contract; and
(b) A detailed invoice prepared by the seller showing all items of tangible personal property purchased by the claimant, the sale of which is subject to the exemption granted in subsection (1) of this section; and
(c) A document signed by the purchaser certifying that the tangible personal property shown on the invoice required by subsection (3)(b) of this section has in fact been used by him on the project to which the qualified contract relates.

(4) Upon receipt of the claim for refund, the state tax commission shall review the claim and, if it finds it to be proper, shall pay the refund together with interest from the date that the claim was filed at the rate established by section 63-3045, Idaho Code, within thirty (30) days from the date the claim was received by the commission.

(5) The use or incorporation into real property of any tangible personal property upon which the exemption provided by subsection (1) of this section has been claimed pursuant to any contract other than a qualified contract shall be a misdemeanor.

(6) In addition to the criminal penalties provided by subsection (5) of this section, the use or incorporation into real property of tangible personal property upon which the exemption provided by subsection (1) of this section has been claimed pursuant to any contract which is not a qualified contract shall subject the user to a penalty of three (3) times the sales or use tax otherwise due under this chapter to be enforced and collected as provided by sections 63-3634 and 63-3635, Idaho Code.

(7) In the case of a retailer who makes sales of tangible personal property to any person entitled to the exemption granted in subsection (1) of this section who is for any reason unable to collect one cent (1¢) of the tax imposed by sections 63-3619 and 63-3621, Idaho Code, from the purchaser, the retailer shall be entitled to claim the refund otherwise available to the purchaser. The claim for refund shall be
filed in the manner prescribed by subsection (3) of this section. Nothing in this subsection shall excuse the retailer from reporting sales and use taxes at the full statutory rate on all taxable sales made during the period to which his sales or use tax return relates. If a refund claim is filed concurrently with the return, the refund claimed may be credited against the tax due on the return. Any retailer who claims a refund for any taxes actually collected from the purchaser shall be subject to a penalty of three (3) times the sales or use tax refund improperly claimed to be enforced and collected as provided by sections 63-3634 and 63-3635, Idaho Code.

SECTION 22. There is hereby appropriated the following amount to be transferred to the Public School Income Fund for the period July 1, 2006, through June 30, 2007:

SECTION 24. The State Controller shall transfer $100,000,000 from the General Fund to the Public Education Stabilization Fund by no later than February 1, 2007.

SECTION 25. The Legislature finds and declares that the issue of the property tax funding maintenance and operations of public schools is of importance to the citizens of the state of Idaho. As a representative body, members of the Legislature desire to be responsive and responsible to these citizens. For this reason, the Legislature herewith submits an advisory ballot to the electors of the state of Idaho, and the results will guide the Legislature as to whether the three-tenths of one percent property tax previously contained in Section 33-802, Idaho Code, and levied against the market value of taxable property in the school districts for maintenance and operation purposes of school districts should continue to be removed and the funds be replaced by a sufficient increase in the state sales tax.

The Secretary of State shall have the question below placed on the 2006 general election ballot and shall take necessary steps to have the results on the question tabulated. The question shall be as follows: "Should the State of Idaho keep the property tax relief adopted in August 2006, reducing property taxes by approximately $260 million and protecting funding for public schools by keeping the sales tax at 6%?"

The advisory question provided for in this act is hereby declared to be a "measure" for purposes of Chapter 66, Title 67, Idaho Code, and the provisions of Chapter 66, Title 67, Idaho Code, shall apply thereto.
SECTION 26. SEVERABILITY. The provisions of this act are hereby declared to be severable and if any provision of this act or the application of such provision to any person or circumstance is declared invalid for any reason, such declaration shall not affect the validity of the remaining portions of this act.

Sections 21, 22, 23, 24 and 25 of this act shall be in full force and effect on and after passage and approval.

Be It Enacted by the Legislature of the State of Idaho:
SECTION 1. That Section 63-3025A, Idaho Code, be, and the same is hereby amended to read as follows:

63-3025A. FRANCHISE TAX. For taxable years commencing on and after January 1, 2001, a franchise tax shall be imposed upon any corporation for the privilege of exercising its corporate franchise within the state during such taxable year including, but not limited to, corporations engaged in business in Idaho for the exclusive purpose of performing contracts with the United States department of energy at the Idaho national engineering-and-environmental laboratory or any successor organization, which tax shall be measured by income which is attributable to this state under the provisions of this chapter and which tax shall be at the rate provided in section 63-3025, Idaho Code; provided, however, that the tax shall not be less than twenty dollars ($20.00); provided further that the twenty dollar ($20.00) minimum payment shall not be collected from nonproductive mining corporations; but the twenty dollar ($20.00) minimum tax shall apply to corporations qualified to file returns and actually filing returns under the provisions of subchapter "S" of the Internal Revenue Code.

SECTION 2. That Section 63-3027, Idaho Code, be, and the same is hereby amended to read as follows:

63-3027. COMPUTING IDAHO TAXABLE INCOME OF MULTISTATE OR UNITARY CORPORATIONS. The Idaho taxable income of any multistate or unitary corporation transacting business both within and without this state shall be computed in accordance with the rules set forth in this section:

(a) As used in this section, unless the context otherwise requires:
(1) "Business income" means income arising from transactions and activity in the regular course of the taxpayer's trade or business and includes income from the acquisition, management, or disposition of tangible and intangible property when such acquisition, management, or disposition constitutes integral or necessary parts of the taxpayer's trade or business operations. Gains or losses and dividend and interest income from stock and securities of any foreign or domestic corporation shall be presumed to be income from intangible property, the acquisition, management, or disposition of which constitutes an integral part of the taxpayer's trade or business; such presumption may only be overcome by clear and convincing evidence to the contrary.
(2) "Commercial domicile" means the principal place from which the trade or business of the taxpayer is directed or managed.
(3) "Compensation" means wages, salaries, commissions and any other form of remuneration paid to employees for personal services.
(4) "Nonbusiness income" means all income other than business income.
(5) "Sales" means all gross receipts of the taxpayer not allocated under subsections (d) through (h) of this section.
(6) "State" means any state of the United States, the District of Columbia, the Commonwealth of Puerto Rico, any territory or possession of the United States, and any foreign country or political subdivision thereof.
(b) Any taxpayer having income from business activity which is taxable both within and without this state shall allocate and apportion
such net income as provided in this section.

(c) For purposes of allocation and apportionment of income under this section, a taxpayer is taxable in another state if:

1. In that state he is subject to a net income tax, a franchise tax measured by net income, a franchise tax for the privilege of doing business, or a corporate stock tax; or

2. That state has jurisdiction to subject the taxpayer to a net income tax regardless of whether, in fact, the state does or does not.

(d) Rents and royalties from real or tangible personal property, capital gains interest, dividends, or patent or copyright royalties, to the extent that they constitute nonbusiness income, shall be allocated as provided in subsections (e) through (h) of this section. Allocable nonbusiness income shall be limited to the total nonbusiness income received which is in excess of any related expenses which have been allowed as a deduction during the taxable year. In the case of allocable nonbusiness interest or dividends, related expenses include interest on indebtedness incurred or continued to purchase or carry assets on which the interest or dividends are nonbusiness income.

(e) (1) Net rents and royalties from real property located in this state are allocable to this state.

2. Net rents and royalties from tangible personal property are allocable to this state:

(i) If and to the extent that the property is utilized in this state, or

(ii) In their entirety if the taxpayer's commercial domicile is in this state and the taxpayer is not organized under the laws of or taxable in the state in which the property is utilized.

3. The extent of utilization of tangible personal property in a state is determined by multiplying the rents and royalties by a fraction, the numerator of which is the number of days of physical location of the property in the state during the rental or royalty period in the taxable year and the denominator of which is the number of days of physical location of the property everywhere during all rental or royalty periods in the taxable year. If the physical location of the property during the rental or royalty period is unknown or unascertainable by the taxpayer, tangible personal property is utilized in the state in which the property was located at the time the rental or royalty payer obtained possession.

(f) (1) Capital gains and losses from sales of real property located in this state are allocable to this state.

2. Capital gains and losses from sales of tangible personal property are allocable to this state if:

(i) The property had a situs in this state at the time of the sale, or

(ii) The taxpayer's commercial domicile is in this state and the taxpayer is not taxable in the state in which the property had a situs.

3. Capital gains and losses from sales of intangible personal property are allocable to this state if the taxpayer's commercial domicile is in this state, unless such gains and losses constitute business income as defined in this section.

(g) Interest and dividends are allocable to this state if the
taxpayer's commercial domicile is in this state unless such interest or dividends constitute business income as defined in this section.

(h) (1) Patent and copyright royalties are allocable to this state:
   (i) if and to the extent that the patent or copyright is utilized by the payer in this state, or
   (ii) if and to the extent that the patent or copyright is utilized by the payer in a state in which the taxpayer is not taxable and the taxpayer's commercial domicile is in this state.

(2) A patent is utilized in a state to the extent that it is employed in production, fabrication, manufacturing, or other processing in the state or to the extent that a patent product is produced in the state. If the basis of receipts from patent royalties does not permit allocation to states or if the accounting procedures do not reflect states of utilization, the patent is utilized in the state in which the taxpayer's commercial domicile is located.

(3) A copyright is utilized in a state to the extent that printing or other publication originates in the state. If the basis of receipts from copyright royalties does not permit allocation to states or if the accounting procedures do not reflect states of utilization, the copyright is utilized in the state in which the taxpayer's commercial domicile is located.

(i) (1) Notwithstanding the election allowed in Article III.1 of the multistate tax compact enacted as section 63-3701, Idaho Code, all business income shall be apportioned to this state under subsection (j) of this section by multiplying the income by a fraction, the numerator of which is the property factor plus the payroll factor plus two times the sales factor, and the denominator of which is four, except as provided in paragraph (2) of this subsection.

(2) If a corporation, or a parent corporation of a combined group filing a combined report under sections 63-3027 and 63-3701, Idaho Code, is an electrical corporation as defined in section 61-119, Idaho Code, or is a telephone corporation as defined in section 62-603, Idaho Code, all business income of the corporation shall be apportioned to this state by multiplying the income by a fraction, the numerator of which is the property factor plus the payroll factor plus the sales factor, and the denominator of which is three.

(j) (1) In the case of a corporation or group of corporations combined under subsection (t) of this section, Idaho taxable income or loss of the corporation or combined group shall be determined as follows:
   (i) From the income or loss of the corporation or combined group of corporations, subtract any nonbusiness income, and add any nonbusiness loss, included in the total,
   (ii) Multiply the amounts determined under paragraph (1)(i) of this subsection by the Idaho apportionment percentage defined in subsection (i) of this section, taking into account, where applicable, the property, payroll and sales of all corporations, wherever incorporated, which are included in the combined group. The resulting product shall be the amount of business income or loss apportioned to Idaho.

(2) To the amount determined as apportioned business income or loss under paragraph (1)(ii) of this subsection, add nonbusiness income
allocable entirely to Idaho under the provisions of this section or subtract nonbusiness loss allocable entirely to Idaho under this section. The resulting sum is the Idaho taxable income or loss of the corporation.

(3) In the case of a corporation not subject to subsection (t) of this section, the income or loss referred to in paragraph (1)(i) of this subsection, shall be the taxable income of the corporation after making appropriate adjustments under the provisions of section 63-3022, Idaho Code.

(k) The property factor is a fraction, the numerator of which is the average value of the taxpayer's real and tangible personal property owned or rented and used in this state during the tax period and the denominator of which is the average value of all the taxpayer's real and tangible personal property owned or rented and used during the tax period.

(1) Property owned by the taxpayer is valued at its original cost. Property rented by the taxpayer is valued at eight (8) times the net annual rental rate. Net annual rental rate is the annual rental rate paid by the taxpayer less any annual rental rate received by the taxpayer from subrentals.

(m) The average value of property shall be determined by averaging the values at the beginning and ending of the tax period, but the state tax commission may require the averaging of monthly values during the tax period if reasonably required to reflect properly the average value of the taxpayer's property.

(n) The payroll factor is a fraction, the numerator of which is the total amount paid in this state during the tax period by the taxpayer for compensation, and the denominator of which is the total compensation paid everywhere during the tax period.

(o) Compensation is paid in this state if:

(1) The individual's service is performed entirely within the state; or

(2) The individual's service is performed both within and without the state, but the service performed without the state is incidental to the individual's service within the state; or

(3) Some of the service is performed in the state and:

(i) The base of operations or, if there is no base of operations, the place from which the service is directed or controlled is in the state, or

(ii) The base of operations or the place from which the service is directed or controlled is not in any state in which some part of the service is performed, but the individual's residence is in this state.

(p) The sales factor is a fraction, the numerator of which is the total sales of the taxpayer in this state during the tax period, and the denominator of which is the total sales of the taxpayer everywhere during the tax period.

(q) Sales of tangible personal property are in this state if:

(1) The property is delivered or shipped to a purchaser, other than the United States government, within this state regardless of the f.o.b. point or other conditions of the sale, or

(2) The property is shipped from an office, store, warehouse, factory, or other place of storage in this state and:

(i) The purchaser is the United States government, or
(ii) The taxpayer is not taxable in the state of the purchaser.

(r) Sales, other than sales of tangible property, are in this state, if:

1. The income-producing activity is performed in this state; or
2. The income-producing activity is performed both in and outside this state and a greater proportion of the income-producing activity is performed in this state than in any other state, based on costs of performance.

(s) If the allocation and apportionment provisions of this section do not fairly represent the extent of the taxpayer's business activity in this state, the taxpayer may petition for or the state tax commission may require, in respect to all or any part of the taxpayer's business activity, if reasonable:

1. Separate accounting, provided that only that portion of general expenses clearly identifiable with Idaho business operations shall be allowed as a deduction;
2. The exclusion of any one (1) or more of the factors;
3. The inclusion of one (1) or more additional factors which will fairly represent the taxpayer's business activity in this state; or
4. The employment of any other method to effectuate an equitable allocation and apportionment of the taxpayer's income.

(t) For purposes of this section and sections 63-3027B through 63-3027E, Idaho Code, the income of two (2) or more corporations, wherever incorporated, the voting stock of which is more than fifty percent (50%) owned directly or indirectly by a common owner or owners, when necessary to accurately reflect income, shall be allocated or apportioned as if the group of corporations were a single corporation, in which event:

1. The Idaho taxable income of any corporation subject to taxation in this state shall be determined by use of a combined report which includes the income, determined under subparagraph (2) of this subsection, of all corporations which are members of a unitary business, allocated and apportioned using apportionment factors for all corporations included in the combined report and methods set out in this section. The use of a combined report does not disregard the separate corporate identities of the members of the unitary group. Each corporation which is transacting business in this state is responsible for its apportioned share of the combined business income plus its nonbusiness income or loss allocated to Idaho, minus its net operating loss carryover or carryback.
2. The income of a corporation to be included in a combined report shall be determined as follows:
   (i) For a corporation incorporated in the United States or included in a consolidated federal corporation income tax return, the income to be included in the combined report shall be the taxable income for the corporation after making appropriate adjustments under the provisions of section 63-3022, Idaho Code;
   (ii) For a corporation incorporated outside the United States, but not included in subsection (t)(2)(i) of this section, the income to be included in the combined report shall be the net income before income taxes of such corporation stated on the profit and loss statements of such corporation which are
included within the consolidated profit and loss statement prepared for the group of related corporations of which the corporation is a member, which statement is prepared for filing with the United States securities and exchange commission. If the group of related companies is not required to file such profit and loss statement with the United States securities and exchange commission, the profit and loss statement prepared for reporting to shareholders and subject to review by an independent auditor may be used to obtain net income before income taxes. In the alternative, and subject to reasonable substantiation and consistent application by the group of related companies, adjustments may be made to the profit and loss statements of the corporation incorporated outside the United States, if necessary, to conform such statements to tax accounting standards as required by the Internal Revenue Code as if such corporation were incorporated in the United States and required to file a federal income tax return, subject to appropriate adjustments under the provisions of section 63-3022, Idaho Code; and

(iii) If the income computation for a group under paragraphs (i) and (ii) of this subsection results in a loss, such loss shall be taken into account in other years, subject to the provisions of subsections (b) and (c) of section 63-3022, Idaho Code.

(u) If compensation is paid in the form of a reasonable cash fee for the performance of management services directly for the United States government at the Idaho national engineering laboratory or any successor organization, separate accounting for that part of the business activity without regard to other activity of the taxpayer in the state of Idaho or elsewhere shall be required; provided that only that portion of general expenses clearly identifiable with Idaho business operations of that activity shall be allowed as a deduction.

SECTION 3. That Section 63-3067A, Idaho Code, be, and the same is hereby amended to read as follows:

63-3067A. DESIGNATION BY INDIVIDUALS -- TRUST ACCOUNTS. (a) Every individual who:

SECTION 4. That Section 63-3072, Idaho Code, be, and the same is hereby amended to read as follows:

63-3072. CREDITS AND REFUNDS. (a) Subject to the provisions of subsections (b), (c) and (h) of this section, where there has been an overpayment of the tax imposed by the provisions of this chapter, the amount of such overpayment shall be credited against any tax administered by the state tax commission which tax is then due from the taxpayer, and any balance of such excess shall be refunded to the taxpayer.

(b) Except in regard to amounts withheld as provided in section 63-3035, 63-3035A or 63-3036, Idaho Code, or amounts paid as estimated payments under section 63-3036A, Idaho Code, a claim for credit or refund of tax, penalties, or interest paid shall be made within the later of three (3) years of the due date of the return, without regard to extensions, or three (3) years from the date the return was filed. (d) Notwithstanding any other provisions of this section, when Idaho taxable income and/or tax credits for any taxable year have been adjusted as a result of a final federal determination, the period of limitations for claiming a refund or credit of tax, penalties, or interest shall be reopened and shall not expire until the later of one (1)
year from the date of delivery of the final federal determination to the taxpayer by the internal revenue service, three (3) years from the due date of the return, without regard to extensions, or three (3) years from the date the return was filed. For purposes of this subsection, the term "final federal determination" shall mean the final resolution of all issues which were adjusted by the internal revenue service. When the final federal determination is submitted, the taxpayer shall also submit copies of all schedules and written explanations provided by the internal revenue service. Upon the expiration of the period of limitations as provided in subsections (b) and (h) of this section, only those specific items of income, deductions, gains, losses or credits which were adjusted in the final federal determination shall be subject to adjustment for purposes of recomputing Idaho income, deductions, gains, losses, credits, and the effect of such adjustments on Idaho allocations and apportionments.

(e) If a claim for credit or refund relates to an overpayment attributable to a net operating loss carryback or a capital loss carryback, in lieu of the period of limitations prescribed in subsection (b) of this section, the period shall be that period which ends with the expiration of the fifteenth day of the fortieth month following the end of the taxable year of the net operating loss or capital loss which results in such carryback.

(f) If an adjustment, which was made within the period of limitations as provided in this section, affects the amount of tax credit, net operating loss, or capital loss, claimed in a taxable year other than the tax year in which the adjustment is made, then adjustments to the credit, net operating loss, or capital loss, claimed in such other tax year may be made and a claim for credit or refund of tax, penalties or interest may be made even though such claim would otherwise be barred under the provisions of this section.

(g) In the case of a duplicate return filed under section 63-217(1)(b), Idaho Code, the limitations under this section shall be the later of one (1) year from the filing of the duplicate return or the date otherwise applicable under this section.

(h) Prior to the expiration of the time prescribed in this section for credit or refund of any tax imposed by the provisions of this chapter, both the state tax commission or its delegate or deputy and the taxpayer may consent in writing to extend such period of time. The period so agreed upon may be extended by subsequent agreements in writing made before the expiration of the period previously agreed upon. When a pass-through entity extends the period of limitations in accordance with the provisions of this subsection the period of limitations for the other taxpayers is automatically extended for the same period for the purpose of claiming a credit or refund of tax, penalties or interest by the other taxpayers reflecting the pass-through entity adjustments.

(i) The expiration of the period of limitations as provided in this section shall be suspended for the time period between the issuance by the state tax commission of a notice under either section 63-3045 or 63-3065, Idaho Code, and the final resolution of any proceeding resulting from the notice.

(j) Appeal of a state tax commission decision denying in whole or in part a claim for credit or refund shall be made in accordance with and within the time limits prescribed in section 63-3049, Idaho Code.
(k) For purposes of this section, "return" includes a notice of deficiency determination issued by the state tax commission when no return was filed by the taxpayer. Such a return is deemed filed on the date the taxes determined by the state tax commission are assessed.

SECTION 5. That Section 63-4407, Idaho Code, be, and the same is hereby amended to read as follows:

63-4407. RECAPTURE. (1) In the event that any person to whom a tax credit allowed by section 63-4403, 63-4404 or 63-4405, Idaho Code, fails to meet the tax incentive criteria, the full amount of the credit shall be subject to recapture by the commission.

(2) If, during any taxable year, an investment in new plant is disposed of, or otherwise ceases to qualify with respect to the taxpayer, prior to the close of the recapture period, recapture of the credit allowed by sections 63-4403 and 63-4404, Idaho Code, shall be determined for such taxable year in the same proportion and subject to the same provisions as an amount of credit required to be recaptured under section 63-3029B, Idaho Code.

(3) In the event that the employment required level for which the credit allowed in section 63-4402(2)(j) 63-4405, Idaho Code, is not maintained for the entire recapture period, recapture of the credit allowed in section 63-4405, Idaho Code, shall be determined for such taxable year in the same proportion as an amount of credit required to be recaptured under section 63-3029B, Idaho Code. This subsection shall not be construed to require that the required level of employment must be met by the same individual employees.

(4) Any amount subject to recapture is a deficiency in tax for the amount of the credit in the taxable year in which the disqualification first occurs and may be enforced and collected in the manner provided by the Idaho income tax act, provided however, that in lieu of the provisions of section 63-3068(a), Idaho Code, the period of time within which the commission may issue a notice under section 63-3045, Idaho Code, in regard to an amount subject to recapture shall be the later of five (5) years after the end of the taxable year in which the project period ends or three (3) years after the end of the taxable year in which any amounts carried forward under section 63-4406, Idaho Code, expire.

CHAPTER 12
(H.B. No. 15)

AN ACT
RELATING TO INCOME TAXES; AMENDING SECTION 63-3026A, IDAHO CODE, TO PROVIDE THAT NONRESIDENT INDIVIDUALS SHALL NOT BE TAXABLE ON INVESTMENT INCOME DISTRIBUTED BY A QUALIFIED INVESTMENT PARTNERSHIP AND TO DEFINE "QUALIFIED INVESTMENT PARTNERSHIP"; DECLARING AN EMERGENCY AND PROVIDING A RETROACTIVE EFFECTIVE DATE.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 63-3026A, Idaho Code, be, and the same is hereby amended to read as follows:

63-3026A. COMPUTING IDAHO TAXABLE INCOME OF PART-YEAR OR NONRESIDENT INDIVIDUALS, TRUSTS AND ESTATES. (1) For nonresident individuals, trusts, or estates the term "Idaho taxable income" includes only those components of Idaho taxable income as computed for a resident which are derived from or related to sources within Idaho. This is to be computed without the deductions for either the standard deduction or itemized
deductions or personal exemptions except as provided in subsection (4) of this section.

(2) For part-year resident individuals, trusts or estates the term "Idaho taxable income" includes the total of: (a) Idaho taxable income as computed for a resident for the portion of the tax period during which a taxpayer is domiciled in or is residing in Idaho, plus (b) those components of Idaho taxable income which are derived from or related to sources within Idaho for that portion of the tax period during which a taxpayer is not domiciled in and is not residing in Idaho. This is to be computed without the deductions for either the standard deduction or itemized deductions or personal exemptions except as provided in subsection (4) of this section.

(3) For the purposes of subsections (1) and (2) of this section:
(a) Income shall be considered derived from or relating to sources within Idaho when such income is attributable to or resulting from:
   (i) Any business, trade, profession or occupation conducted or carried on in this state, including the distributive share of partnership income and deductions, and the pro rata share of S corporation income and deductions;
   (ii) The ownership or disposition of any interest in real or tangible personal property located in this state;
   (iii) The ownership or disposition of any interest in intangible personal property only to the extent that such property is employed in a business, trade, profession or occupation conducted or carried on in this state. Provided however, that interest income from an installment sale of real or tangible personal property shall constitute income from sources within this state to the extent that the property sold was located within this state. Provided further, that interest income received by a partner or shareholder of a partnership or S corporation from such partnership or S corporation shall constitute income from sources within this state to the extent that the partnership or S corporation is transacting business within this state;
   (iv) A resident estate or trust;
   (v) A nonresident estate or trust to the extent the income and deductions of the nonresident estate or trust were derived from or related to sources within this state;
   (vi) The conduct of pari-mutuel wagering, charitable gaming or any other form of gambling taking place within this state, except as expressly limited in section 67-7439, Idaho Code;
   (vii) Gains or losses realized from the sale or other disposition of a partnership interest or stock in an S corporation to the extent of the partnership's or S corporation's Idaho apportionment factor in the taxable year immediately preceding the year of sale.

(b) Notwithstanding the provisions of subsection (3)(a) of this section, transactions and investments made, placed or directed by Idaho resident registered broker-dealers and investment advisers or institutions exempt from registration under the Idaho securities act in securities listed with or through the New York Stock Exchange, the American Stock Exchange or any other stock exchange registered with the United States securities and exchange commission and approved by the director of the department of finance which generate
dividends, interest, capital gains or similar profits or returns for nonresidents not otherwise subject to Idaho income taxation shall not result in the intangible property being deemed to have a situs outside the domicile of the owner.

(c) Notwithstanding the provisions of subsection (3)(a) of this section, when intangible property owned by a limited liability company, partnership or other entity taxed as a partnership for federal income tax purposes generates dividends, interest, capital gains or similar profits or returns, such income shall not constitute income derived from or related to sources within Idaho, provided that the business activity of such entity is limited to the investment in securities and activities incident thereto. Nonresident individuals shall not be taxable on investment income from a qualified investment partnership. For purposes of this paragraph, a "qualified investment partnership" means a partnership, as defined in section 63-3006B, Idaho Code, that derives at least ninety percent (90%) of its gross income from investments that produce income that would not be taxable to a nonresident individual if the investment were held by that individual.

(d) Compensation paid by the United States for active service in the armed forces of the United States, performed by an individual not domiciled in this state, shall not constitute income derived from or related to sources within this state.

(e) The income of nonresident or part-year resident individuals, trusts or estates which is derived from or related to sources both within and without this state shall be attributable to this state in the manner prescribed in the rules of the state tax commission.

(4) In computing the Idaho taxable income of a part-year or nonresident individual, trust or estate, the standard deduction or itemized deductions, as defined in section 63-3022(j), Idaho Code, if applicable, and the exemptions, as defined in section 151 of the Internal Revenue Code or any allowance in lieu of such deduction, shall be allowed in the proportion that paragraph (a) of this subsection bears to paragraph (b) of this subsection:

(a) The Idaho taxable income of the taxpayer modified as follows:
   (i) No allowance shall be made for either the standard deduction or itemized deductions;
   (ii) No deduction shall be made for personal exemptions or any allowance in lieu of such deduction.

(b) The Idaho taxable income as would be calculated for a resident of Idaho modified as follows:
   (i) No allowance shall be made for either a standard deduction or itemized deductions;
   (ii) No deduction shall be made for personal exemptions or any allowance in lieu of such deduction;
   (iii) Compensation for active military service in the armed forces shall not be deducted;
   (iv) Income earned within the original exterior boundaries of any federally created Indian reservation by an enrolled Indian in a federally recognized Indian tribe on a federally recognized Indian reservation shall be added if not otherwise included.

(5) An adjustment may be made to eliminate distortions in the amount of net income attributable to a taxpayer's activities within the
state of Idaho. Such deductions shall be limited to circumstances involving itemized deductions as referred to in subsection (4) of this section and which reflect:

(a) A failure to reflect the net income or deduction after reimbursements have been received; or

(b) A failure to reflect the net amount of mortgage interest income or expense from activities within Idaho.

(6) For the purposes of subsections (1) and (2) of this section, deductions and adjustments allowed in computing the Idaho taxable income of nonresident and part-year resident individuals, trusts and estates shall be prescribed in the rules of the state tax commission. Such rules shall be based upon:

(a) Whether or not the deduction or adjustment is related to the production of income reportable to Idaho;

(b) Whether or not the deduction or adjustment is related to income received, expenses paid, or events of tax consequence which occurred during a portion of a taxable year that the taxpayer was domiciled in or residing in Idaho; or

(c) Any other appropriate basis for making the adjustment. An "appropriate basis" is one which the state tax commission finds is needed to insure that the amount of Idaho taxable income is fairly and reasonably related to a taxpayer's activities in this state.

SECTION 2. An emergency existing therefor, which emergency is hereby declared to exist, this act shall be in full force and effect on and after its passage and approval, and retroactively to January 1, 2007.

(2) Taxes paid on tobacco products sold on or after January 1, 2000, on accounts later found to be worthless and actually charged-off may be credited upon a subsequent payment of the tax on tobacco products or, if no such tax is due, refunded. If all or part of such an account is thereafter collected, the tax shall be paid based upon the proportion of the amount collected.

No local authority shall place or maintain any traffic-control device upon any highway under the jurisdiction of the department except by the latter's permission, except where the duly elected officials of an incorporated city have established speed limits lower than those set by the department on the portion of state highways, excluding controlled-access and interstate highways, that pass through residential, urban or business districts within the jurisdiction of the incorporated city. The placement and maintenance of such a traffic-control device by a local authority shall be made according to the board's manual and specifications for a uniform system of traffic-control devices.

(22) Whenever the department shall determine on the basis of an engineering and traffic investigation that slow speeds on any highway or part of a highway impede the normal and reasonable movement of traffic, the department may determine and declare a minimum speed limit below which no person shall drive a vehicle except when necessary for safe operation or in compliance with law, and that limit shall be effective when posted upon appropriate fixed or variable signs, except in cases
where the duly elected officials of an incorporated city have established speed limits lower than those set by the department on portions of state highways, excluding controlled-access and interstate highways, that pass through residential, urban or business districts within the jurisdiction of the incorporated city.

Placement of these stop signs shall be mandatory except when in the determination of public highway agencies the existence of stop signs at a given crossing would constitute a greater hazard than their absence based on a recognized engineering study.

Nothing in this subsection shall be construed as granting immunity to any railroad company as to liability, if any, for an accident which might occur at a crossing where stop signs are erected and in place, but liability, if any, shall be determined as provided by law. Liability on the part of governmental authorities on account of absence of any stop sign at a crossing shall be determined as provided by law.

(26) The department and local authorities are authorized to determine those portions of any highway under their respective jurisdictions where overtaking and passing or driving on the left side of the roadway would be especially hazardous and may by appropriate signs or markings on the roadway indicate the beginning and end of those zones and when signs or markings are in place and clearly visible to an ordinarily observant person, every driver of a vehicle shall obey those directions.

(27) The department and local authorities in their respective jurisdictions may in their discretion issue special permits authorizing the operation upon a highway of traction engines or tractors having movable tracks with transverse corrugations upon the periphery of the movable tracks or farm tractors or other farm machinery, the operation of which upon a highway would otherwise be prohibited under this title or title 40, Idaho Code.

(28) The department and local highway authorities within their respective jurisdictions may place official traffic-control devices prohibiting, limiting or restricting the stopping, standing or parking of vehicles on any highway where such stopping, standing or parking is dangerous to those using the highway or where the stopping, standing or parking of vehicles unduly interferes with the free movement of traffic thereon.

(29) On any informational material printed after July 1, 1995, by or at the order of the department and distributed to counties, school districts or individuals for the purpose of assisting a person to successfully pass a driver's license test, the department shall include material about the state's open range law and responsibilities, liabilities and obligations of drivers driving in the open range.

AN ACT
RELATING TO REGISTRATION OF VEHICLES WEIGHING OVER EIGHT THOUSAND
POUNDS; AMENDING SECTION 49-431, IDAHO CODE, TO DELETE THE RESTRICTIONS ON REFUND OF REGISTRATION FEES DUE TO A CHANGE IN OWNERSHIP; AND AMENDING SECTION 49-437, IDAHO CODE, TO CLARIFY THAT A CHANGE IN REGISTRATION DUE TO AN INCREASE IN MAXIMUM GROSS REGISTERED WEIGHT DURING A REGISTRATION YEAR SHALL NOT RESULT IN A REFUND OF FEES ALREADY PAID AND TO MAKE A TECHNICAL CORRECTION.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 49-431, Idaho Code, be, and the same is hereby amended to read as follows:

(2) There shall be paid on all commercial vehicles, irrespective of body type, and on all farm vehicles having a maximum gross weight in excess of sixty thousand (60,000) pounds, an annual registration fee in the amount prescribed by subsection (8) of this section, as applicable.

(3) In addition, the annual registration fee for trailers shall be:
   (a) Trailer or semitrailer in a combination of vehicles $15.00
   (b) Rental utility trailer with a gross weight of two thousand (2,000) pounds or less $8.00
   (c) Rental utility trailer with a gross weight over two thousand (2,000) pounds $15.00

(4) As an option to the trailer and semitrailer and rental utility trailer annual registrations issued pursuant to subsection (3) of this section, the department may provide a nonexpiring registration for trailers and semitrailers, and an optional, extended registration for rental utility trailers.
   (a) For trailers and semitrailers, the optional, extended, nonexpiring registration period shall not extend beyond seven (7) years.
   (b) The fee shall be fifteen one hundred five dollars ($155.99) for each year.
   (c) The license plate originally issued shall remain on the trailer or semitrailer until the registration expires.
   (d) It is canceled. If the registrant does not transfer the plate and registration to another trailer or semitrailer titled to the regis-
trant, the plate and registration shall be canceled and no part of
the fee is subject to refund. Provided however, the registrant may
transfer the nonexpiring plate and registration to another trailer
or semitrailer titled to the registrant. The registration document
shall be the official record of the status of the extended
nonexpiring registration. No pressure-sensitive validation sticker
shall be required or issued for such nonexpiring license plate.

(eQ) For rental utility trailers, the registrant may prepay the
annual registration for an additional one (1), two (2), three (3) or
four (4) years, but in no event shall the optional registration
period shall--not extend beyond five (5) years. The fee shall be as
specified in subsection (3)(b) or (c) of this section. A pressure­
sensitive sticker shall be used to validate the license plate. The
license plate shall become void if the owner's interest in the
rental utility trailer changes during the five (5) year period. If
the owner fails to enter the rental utility trailer on the annual
renewal application during the five (5) year period, the registra­
tion record shall be purged. Any unrenewed plate shall be returned
to the department if it is not entered on the renewal application.

(5) A fleet registration option is available to owners who have
twenty-five (25) or more commercial or farm vehicles or any combination
thereof. Such owners may register all of their company vehicles with the
department in lieu of registering with a county assessor. To qualify the
fleet must be owned and operated under the unified control of one (1)
person and the vehicles must be physically garaged and maintained in two
(2) or more counties. Fleet registration shall not include fleets of
rental vehicles. The department shall provide a registration application
to the owner and the owner shall provide all information that the
department determines is necessary. The department shall devise a spe­
cial license plate numbering system for fleet-registered vehicles as an
alternative to county license plates. The fleet registration application
and all subsequent registration renewals shall include the physical
address where a vehicle is principally used, garaged and maintained. The
fleet owner shall report the physical address to the department upon
initial registration, on each renewal, and at any time a vehicle regis­
tered under this option is permanently transferred to another location.

(6) If the ownership of a vehicle changes during the registration
period, the original owner may transfer the plate to another vehicle.
The remaining fee shall be credited against the cost of the new regis­
tration. Refunds may be given for any unexpired portion of the vehicle
registration fee if the plate is not transferred by the owner to another
vehicle. Any request for refund shall include surrender of the license
plate, validation sticker and registration document. Owners of vehicles
registered under the international registration plan may request a
refund of the unexpired portion of the Idaho vehicle registration fee by
presenting evidence from the base jurisdiction that the license plate,
validation sticker and registration document have been surrendered. A
license plate shall not be transferred to another owner when the owner­
ship of a vehicle changes. The owner shall obtain a replacement plate,
validation sticker if required, and a registration document when a plate
is lost, destroyed or becomes illegible.

(7) An administrative fee of four dollars ($4.00) shall be paid and
deposited to the state highway account on all registrations completed by
the department under subsection (1) or (8)(a) of this section. Vehicles
registered under subsection (8)(b) of this section shall pay the fee provided in section 49-435(2), Idaho Code.

(8) There shall be paid on all commercial and farm vehicles having a maximum gross weight in excess of sixty thousand (60,000) pounds, a registration fee based upon the maximum gross weight of a vehicle as declared by the owner and the total number of miles driven on roads and highways in the state, county, city and highway district systems in Idaho, and if registered under the international registration plan (IRP), in all other jurisdictions. The appropriate registration fee shall be determined as follows:

(a) If the owner registers vehicles under the international registration plan (IRP), the appropriate mileage column shall be determined by the total miles an owner operated a fleet of vehicles on roads and highways in the state, county, city and highway district systems in Idaho and in all other jurisdictions in the preceding year, as defined in section 49-117, Idaho Code, and by the maximum gross weight of each vehicle within a fleet.

(b) If the owner registers vehicles under the international registration plan and determines that the average international registration plan fleet miles, calculated by dividing the total IRP fleet miles in all jurisdictions by the number of registered vehicles, is less than fifty thousand one (50,001) miles, the owner may apply to the department for refund of a portion of the registration fees paid, consistent with the fee schedules set forth in this section. The department shall provide an application for the refund. An owner making application for refund under this section shall be subject to auditing as provided in section 49-439, Idaho Code.

(c) If the owner is not registering vehicles under the international registration plan, the appropriate mileage column shall be determined by the total miles the owner operated each of the vehicles to be registered on roads and highways in the state, county, city and highway district systems in Idaho in the preceding year and by the maximum gross weight of each vehicle.

d) In addition to the fees set forth in paragraphs (a) and (c) of
this subsection (8), an owner or operator may purchase a temporary
permit as provided in section 49-432(2), Idaho Code, for operation
of a vehicle at a weight in excess of the current, valid, registered
maximum gross vehicle weight. The permit so issued shall be specific
to the motor vehicle to which it is issued. No permit or fee shall

(b) Any owner who registers a motor vehicle for the first time and

SECTION 2. That Section 49-443, Idaho Code, be, and the same is
hereby amended to read as follows:

49-443. LICENSE PLATES TO BE FURNISHED BY DEPARTMENT — FORM AND

owner whose vehicle is registered by that office, pursuant to sections
49-402 and 49-402A, Idaho Code, one (1) license plate for vehicles reg­

Code, or a motorcycle, trailer, truck-tractor, or semitrailer, and two
(2) license plates for every other motor vehicle. If a vehicle is issued
one (1) plate only, that plate shall be displayed in accordance with the
provisions of section 49-428, Idaho Code. For vehicles registered under
the provisions of section 49-407, Idaho Code, the applicant shall pro­
vide one (1) plate to be displayed on the rear of the vehicle.

Commencing January 1, 1992, the color and design of the plates shall
be comparable to the color and design of the statehood centennial issue
of license plates with blue numerals and letters on a multicolored red,
white and blue background. Each license plate must bear upon its face
the inscriptions "Famous Potatoes" and "Scenic Idaho."

Every license plate shall have displayed upon it the registration
number assigned to the vehicle and its owner and the name "Idaho" which
may be abbreviated. The plates issued under the provisions of section
49-402(1), Idaho Code, and the required letters and numerals, including
an identification of the county in which the motor vehicle to which the
plates will be affixed is registered, shall be of sufficient size to be
plainly readable from a distance of seventy-five (75) feet during day­
light, and each license plate and registration sticker shall be treated
with a fully reflectorized material according to specifications pre­
scribed by the board.
(2) License plates shall be valid for a period of seven (7) years beginning with the date of issuance of new plates. At the end of the sixth year, the registered owner shall receive notice of the date upon which the plates will expire. The department shall implement a plate-number reservation program beginning prior to the 1999 plate issue and following once every seven (7) years thereafter, for a limited plate-number sequence in each county which chooses to offer a reservation program. Requests for license plate number reservations shall be submitted to the county during the open reservation period established by the department. The department may charge a minimal fee as determined by the board to recover costs to the department for reservation of license plate numbers. The provisions of this subsection (2) shall not apply to any license plates issued pursuant to the provisions of section 49-434(4), Idaho Code.

(3) If a license plate number has expired as provided in subsection (2) of this section and the number was not reserved, or if the vehicle registration is not renewed within sixty (60) days of its expiration, the plate number shall be available for use by another registrant. To obtain a specific number in the recycled license plate number file, the owner of a registered vehicle shall pay a one (1) time fee as determined by rule of the board.

The provisions of this subsection shall apply only to vehicles registered under the provisions of section 49-402(1), Idaho Code, and section 49-434(1), Idaho Code, as it applies to noncommercial vehicles.

(4) License plates issued for vehicles required to be registered in accordance with the provisions of sections 49-402 and 49-402A, Idaho Code, shall be issued color coded registration validation stickers showing the year of registration. Each registration validation sticker shall bear a number from 1 through 12, which number shall correspond to the month of the calendar year in which the registration of the vehicle expires and shall be affixed to the lower right-hand corner of the plates within the outlined rectangular area.

If a design change occurs, plates from the effective date of the design change shall be manufactured using the new design. Unexpired plates need not be reissued to conform to a design change.

(6) For license plates which are lost, stolen, mutilated, or illegible, the owner shall apply for a duplicate or substitute. The assessor shall also furnish for each registration, and to validate the license plate, a pressure-sensitive, uniquely-numbered registration sticker, except for trailers and semitrailers registered under the optional-seven-year-trailer nonexpiring provisions in section 49-434, Idaho Code. License plates issued for state, county and city motor vehicles shall be permanent and remain on the vehicle for which issued from year to year, and need no renewal or validation sticker.

(7) Whenever a vehicle is completely destroyed by fire or accident and the operator submits satisfactory proof of that destruction to the department or appropriate assessor's office, the registration use increment and fees shall be transferred to the replacement vehicle for a
service transfer fee of five dollars ($5.00), which fee shall be retained by the registering authority. None of the original fees shall be subject to refund.

(8) The department shall furnish to every owner whose vehicle is registered under sections 49-434 and 49-435, Idaho Code, a pressure-sensitive, uniquely-numbered registration sticker to validate the license plate, provided however, the provisions of this subsection (8) shall not apply to trailers and semitrailers registered under the provisions of section 49-434(4), Idaho Code.

(9) The board shall have authority to require the return to the department of all license plates and registration stickers upon termination of the lawful use of them by the owner.

39-3403. APPLICABILITY. This chapter applies to an anatomical gift or amendment to, revocation of, or refusal to make an anatomical gift, whenever made.

39-3404. WHO MAY MAKE ANATOMICAL GIFT BEFORE DONOR'S DEATH. Subject to section 39-3408, Idaho Code, an anatomical gift of a donor's body or part may be made during the life of the donor for the purpose of transplantation, therapy, research or education in the manner provided in section 39-3405, Idaho Code, by:

(1) The donor, if the donor is an adult or if the donor is a minor and is:
   (a) Emancipated; or
   (b) At least sixteen (16) years of age, provided however, that if the donor is sixteen (16) years of age or older and less than eighteen (18) years of age, a parent or an adult guardian must consent in writing in the presence of the donor.

(2) An agent of the donor, unless the power of attorney for health care or other record prohibits the agent from making an anatomical gift;

(3) A parent of the donor, if the donor is an unemancipated minor;

or

(4) The donor's guardian.

39-3405. MANNER OF MAKING ANATOMICAL GIFT BEFORE DONOR'S DEATH. (1) A donor may make an anatomical gift:

(a) By authorizing a statement or symbol indicating that the donor has made an anatomical gift to be imprinted on the donor's driver's license or identification card;

(b) In a will;

(c) During a terminal illness or injury of the donor, by any form of communication addressed to at least two (2) adults, at least one (1) of whom is a disinterested witness; or
(d) As provided in subsection (2) of this section.

(2) A donor or other person authorized to make an anatomical gift under section 39-3404, Idaho Code, may make a gift by a donor card or other record signed by the donor or other person making the gift or by authorizing that a statement or symbol indicating that the donor has made an anatomical gift be included on a donor registry. If the donor or other person is physically unable to sign a record, the record may be signed by another individual at the direction of the donor or other person and must:

(a) Be witnessed by at least two (2) adults, at least one (1) of whom is a disinterested witness, who have signed at the request of the donor or the other person; and

(b) State that it has been signed and witnessed as provided in paragraph (a) of this subsection.

(3) Revocation, suspension, expiration or cancellation of a driver's license or identification card upon which an anatomical gift is indicated does not invalidate the gift.

(4) An anatomical gift made by will takes effect upon the donor's death whether or not the will is probated. Invalidation of the will after the donor's death does not invalidate the gift.

39-3406. AMENDING OR REVOKING ANATOMICAL GIFT BEFORE DONOR'S DEATH.

(1) Subject to section 39-3408, Idaho Code, a donor or other person authorized to make an anatomical gift under section 39-3404, Idaho Code, may amend or revoke an anatomical gift by:

(a) A record signed by:

(i) The donor;

(ii) The other person; or

(iii) Subject to subsection (2) of this section, another individual acting at the direction of the donor or the other person if the donor or other person is physically unable to sign; or

(b) A later-executed document of gift that amends or revokes a previous anatomical gift or portion of an anatomical gift, either expressly or by inconsistency.

(2) A record signed pursuant to subsection (1)(a)(iii) of this section must:

(a) Be witnessed by at least two (2) adults, at least one (1) of whom is a disinterested witness, who have signed at the request of the donor or the other person; and

(b) State that it has been signed and witnessed as provided in paragraph (a) of this subsection.

(3) Subject to section 39-3408, Idaho Code, a donor or other person authorized to make an anatomical gift under section 39-3404, Idaho Code, may revoke an anatomical gift by the destruction or cancellation of the document of gift, or the portion of the document of gift used to make the gift, with the intent to revoke the gift.

(4) A donor may amend or revoke an anatomical gift that was not made in a will by any form of communication during a terminal illness or injury addressed to at least two (2) adults, at least one (1) of whom is a disinterested witness.

(5) A donor who makes an anatomical gift in a will may amend or revoke the gift in the manner provided for amendment or revocation of wills or as provided in subsection (1) of this section.
39-3407. REFUSAL TO MAKE ANATOMICAL GIFT -- EFFECT OF REFUSAL. (1) An individual may refuse to make an anatomical gift of the individual's body or part by:
   (a) A record signed by:
       (i) The individual; or
       (ii) Subject to subsection (2) of this section, another individual acting at the direction of the individual if the individual is physically unable to sign;
   (b) The individual's will, whether or not the will is admitted to probate or invalidated after the individual's death; or
   (c) Any form of communication made by the individual during the individual's terminal illness or injury addressed to at least two adults, at least one of whom is a disinterested witness.
(2) A record signed pursuant to subsection (1)(a)(ii) of this section must:
   (a) Be witnessed by at least two adults, at least one of whom is a disinterested witness, who have signed at the request of the individual; and
   (b) State that it has been signed and witnessed as provided in paragraph (a) of this subsection.
(3) An individual who has made a refusal may amend or revoke the refusal:
   (a) In the manner provided in subsection (1) of this section for making a refusal;
   (b) By subsequently making an anatomical gift pursuant to section 39-3405, Idaho Code, that is inconsistent with the refusal; or
   (c) By destroying or canceling the record evidencing the refusal, or the portion of the record used to make the refusal, with the intent to revoke the refusal.
(4) Except as otherwise provided in section 39-3408(8), Idaho Code, in the absence of an express, contrary indication by the individual set forth in the refusal, an individual's unrevoked refusal to make an anatomical gift of the individual's body or part bars all other persons from making an anatomical gift of the individual's body or part.

39-3408. PRECLUSIVE EFFECT OF ANATOMICAL GIFT, AMENDMENT OR REVOCATION. (1) Except as otherwise provided in subsection (7) of this section and subject to subsection (6) of this section, in the absence of an express, contrary indication by the donor, a person other than the donor is barred from making, amending or revoking an anatomical gift of a donor's body or part if the donor made an anatomical gift of the donor's body or part under section 39-3405, Idaho Code, or an amendment to an anatomical gift of the donor's body or part under section 39-3406, Idaho Code.
(2) A donor's revocation of an anatomical gift of the donor's body or part under section 39-3406, Idaho Code, is not a refusal and does not bar another person specified in section 39-3404 or 39-3409, Idaho Code, from making an anatomical gift of the donor's body or part under section 39-3405 or 39-3410, Idaho Code.
(3) If a person other than the donor makes an unrevoked anatomical gift of the donor's body or part under section 39-3405, Idaho Code, or an amendment to an anatomical gift of the donor's body or part under section 39-3406, Idaho Code, another person may not make, amend or
revoke the gift of the donor's body or part under section 39-3410, Idaho Code.

(4) A revocation of an anatomical gift of a donor's body or part under section 39-3406, Idaho Code, by a person other than the donor does not bar another person from making an anatomical gift of the body or part under section 39-3405 or 39-3410, Idaho Code.

(5) In the absence of an express, contrary indication by the donor or other person authorized to make an anatomical gift under section 39-3404, Idaho Code, an anatomical gift of a part is neither a refusal to give another part nor a limitation on the making of an anatomical gift of another part at a later time by the donor or another person.

(6) In the absence of an express, contrary indication by the donor or other person authorized to make an anatomical gift under section 39-3404, Idaho Code, an anatomical gift of a part for one (1) or more of the purposes set forth in section 39-3404, Idaho Code, is not a limitation on the making of an anatomical gift of the part for any of the other purposes by the donor or any other person under section 39-3405 or 39-3410, Idaho Code.

(7) If a donor who is an unemancipated minor dies, a parent of the donor who is reasonably available may revoke or amend an anatomical gift of the donor's body or part.

(8) If an unemancipated minor who signed a refusal dies, a parent of the minor who is reasonably available may revoke the minor's refusal.

39-3409. WHO MAY MAKE ANATOMICAL GIFT OF DECEDED'S BODY OR PART.

(1) Subject to subsections (2) and (3) of this section and unless barred by section 39-3407 or 39-3408, Idaho Code, an anatomical gift of a decedent's body or part for purpose of transplantation, therapy, research or education may be made by any member of the following classes of persons who is reasonably available, in the order of priority listed:

(a) An agent of the decedent at the time of death who could have made an anatomical gift under section 39-3404(2), Idaho Code, immediately before the decedent's death;

(c) Adult children of the decedent;
(d) Parents of the decedent;
(e) Adult siblings of the decedent;
(f) Adult grandchildren of the decedent;

(2) If there is more than one (1) member of a class listed in subsection (1)(a), (c), (d), (e), (f), (g) or (i) of this section entitled to make an anatomical gift, an anatomical gift may be made by a member of the class unless that member or a person to which the gift may pass under section 39-3412, Idaho Code, knows of an objection by another member of the class. If an objection is known, the gift may be made only by a majority of the members of the class who are reasonably available.

(3) A person may not make an anatomical gift if, at the time of the decedent's death, a person in a prior class under subsection (1) of this
section is reasonably available to make or to object to the making of an anatomical gift.

39-3410. MANNER OF MAKING, AMENDING OR REVOKING ANATOMICAL GIFT OF DECEDENT'S BODY OR PART. (1) A person authorized to make an anatomical gift under section 39-3409, Idaho Code, may make an anatomical gift by a document of gift signed by the person making the gift or by that person's oral communication that is electronically recorded or is contemporaneously reduced to a record and signed by the individual receiving the oral communication.

(2) Subject to subsection (3) of this section, an anatomical gift by a person authorized under section 39-3409, Idaho Code, may be amended or revoked orally or in a record by any member of a prior class who is reasonably available. If more than one (1) member of the prior class is reasonably available, the gift made by a person authorized under section 39-3409, Idaho Code, may be:
   (a) Amended only if a majority of the reasonably available members agree to the amending of the gift; or
   (b) Revoked only if a majority of the reasonably available members agree to the revoking of the gift or if they are equally divided as to whether to revoke the gift.

(3) A revocation under subsection (2) of this section is effective only if, before an incision has been made to remove a part from the donor's body or before invasive procedures have begun to prepare the recipient, the procurement organization, transplant hospital, or physician or technician knows of the revocation.

39-3411. REQUIREMENTS FOR INFORMED CONSENT. In the absence of a document of gift or other evidence of an individual's intention to make or refuse to make an anatomical gift, the following information shall be provided to any person or persons, listed in section 39-3409, Idaho Code, approached for purposes of obtaining informed consent:
   (1) A confirmation of the donor's identity and his or her clinical terminal condition;
   (2) A general description of the purposes of anatomical gift donation;
   (3) Identification of specific organs and/or tissues, including cells, that are being requested for donation, provided that subsequent information on the specific gifts recovered shall be supplied;
   (4) An explanation that the retrieved organs and/or tissues may be used for transplantation, therapy, medical research or educational purposes;
   (5) A general description of the recovery process including, but not limited to, timing, relocation of the donor if applicable, and contact information;

   (8) A statement granting access to the donor's medical records and
providing that the medical records may be released to other appropriate parties;

(9) An explanation that costs directly related to the evaluation, recovery, preservation and placement of the organs and/or tissues will not be charged to the family members of the donor;

(10) An explanation of the impact the donation process may have on burial arrangements and on the appearance of the donor's body; and

(11) A statement that tissues or parts may be retrieved and/or used by for-profit procurement entities.

39-3412. PERSONS THAT MAY RECEIVE ANATOMICAL GIFT — PURPOSE OF ANATOMICAL GIFT. (1) An anatomical gift may be made to the following persons named in the document of gift:

(a) A hospital; accredited medical school, dental school, college, or university; organ procurement organization; or other appropriate person, for research or education;

(b) Subject to subsection (2) of this section, an individual designated by the person making the anatomical gift if the individual is the recipient of the part;

(c) An eye bank or tissue bank.

(2) If an anatomical gift to an individual under subsection (1)(b) of this section cannot be transplanted into the individual, the part passes in accordance with subsection (7) of this section in the absence of an express, contrary indication by the person making the anatomical gift.

(3) If an anatomical gift of one (1) or more specific parts or of all parts is made in a document of gift that does not name a person described in subsection (1) of this section but identifies the purpose for which an anatomical gift may be used, the following rules apply:

(a) If the part is an eye and the gift is for the purpose of transplantation or therapy, the gift passes to the appropriate eye bank.

(b) If the part is tissue and the gift is for the purpose of transplantation or therapy, the gift passes to the appropriate tissue bank.

(c) If the part is an organ and the gift is for the purpose of transplantation or therapy, the gift passes to the appropriate organ procurement organization as custodian of the organ.

(d) If the part is an organ, an eye, or tissue and the gift is for the purpose of research or education, the gift passes to the appropriate procurement organization.

(4) For the purpose of subsection (3) of this section, if there is more than one (1) purpose of an anatomical gift set forth in the document of gift but the purposes are not set forth in any priority, the gift must be used for transplantation or therapy, if suitable. If the gift cannot be used for transplantation or therapy, the gift may be used for research or education.

(5) If an anatomical gift of one (1) or more specific parts is made in a document of gift that does not name a person described in subsection (1) of this section and does not identify the purpose of the gift, the gift may be used only for transplantation or therapy, and the gift passes in accordance with subsection (7) of this section.

(6) If a document of gift specifies only a general intent to make an anatomical gift by words such as "donor," "organ donor" or "body donor," or by a symbol or statement of similar import, the gift may be
used only for transplantation or therapy, and the gift passes in accordance with subsection (7) of this section.

(7) For purposes of subsections (2), (5) and (6) of this section, the following rules apply:

(a) If the part is an eye, the gift passes to the appropriate eye bank.
(b) If the part is tissue, the gift passes to the appropriate tissue bank.
(c) If the part is an organ, the gift passes to the appropriate organ procurement organization as custodian of the organ.

(8) An anatomical gift of an organ for transplantation or therapy, other than an anatomical gift under subsection (1)(b) of this section, passes to the organ procurement organization as custodian of the organ.

(9) If an anatomical gift does not pass pursuant to subsections (1) through (8) of this section or the decedent's body or part is not used for transplantation, therapy, research or education, custody of the body or part passes to the person under obligation to dispose of the body or part.

(10) A person may not accept an anatomical gift if the person knows that the gift was not effectively made under section 39-3405 or 39-3410, Idaho Code, or if the person knows that the decedent made a refusal under section 39-3407, Idaho Code, that was not revoked. For purposes of this subsection, if a person knows that an anatomical gift was made on a document of gift, the person is deemed to know of any amendment or revocation of the gift or any refusal to make an anatomical gift on the same document of gift.

(11) Except as otherwise provided in subsection (1)(b) of this section, nothing in this chapter affects the allocation of organs for transplantation or therapy.

39-3413. SEARCH AND NOTIFICATION. (1) The following persons shall make a reasonable search of an individual who the person reasonably believes is dead or near death for a document of gift or other information identifying the individual as a donor or as an individual who made a refusal:

(a) A law enforcement officer, firefighter, paramedic or other emergency rescuer finding the individual; and
(b) If no other source of the information is immediately available, a hospital, as soon as practical after the individual's arrival at the hospital.

(2) If a document of gift or a refusal to make an anatomical gift is located by the search required by subsection (1)(a) of this section and the individual or deceased individual to whom it relates is taken to a hospital, the person responsible for conducting the search shall send the document of gift or refusal to the hospital.

(3) A person is not subject to criminal or civil liability for failing to discharge the duties imposed by this section but may be subject to administrative sanctions.

39-3414. DELIVERY OF DOCUMENT OF GIFT NOT REQUIRED — RIGHT TO EXAMINE. (1) A document of gift need not be delivered during the donor's lifetime to be effective.

(2) Upon or after an individual's death, a person in possession of a document of gift or a refusal to make an anatomical gift with respect
to the individual shall allow examination and copying of the document of
gift or refusal by a person authorized to make or object to the making
of an anatomical gift with respect to the individual or by a person to
which the gift could pass under section 39-3412, Idaho Code.

39-3415. RIGHTS AND DUTIES OF PROCUREMENT ORGANIZATION AND OTHERS.
(1) When a hospital refers an individual at or near death to a procure­
ment organization, the organization shall make a reasonable search of
the records of the Idaho transportation department and any donor regis­
try that it knows exist for the geographical area in which the individ­
ual resides to ascertain whether the individual has made an anatomical
gift.

(2) A procurement organization must be allowed reasonable access to
information in the records of the Idaho transportation department to
ascertain whether an individual at or near death is a donor.

(3) When a hospital refers an individual at or near death to a pro­
curement organization, the organization may conduct any reasonable exami­
nation necessary to ensure the medical suitability of a part that is or
could be the subject of an anatomical gift for transplantation, therapy,
research or education from a donor or a prospective donor. During the
examination period, measures necessary to ensure the medical suitability
of the part may not be withdrawn unless the hospital or procurement
organization knows that the individual expressed a contrary intent.

(4) Unless prohibited by law other than this chapter, at any time
after a donor's death, the person to which a part passes under section
39-3412, Idaho Code, may conduct any reasonable examination necessary to
ensure the medical suitability of the body or part for its intended pur­
pose.

(5) Unless prohibited by law other than this chapter, an examina­
tion under subsection (3) or (4) of this section may include an examina­
tion of all medical and dental records of the donor or prospective
donor.

(6) Upon the death of a minor who was a donor or who had signed a
refusal, unless a procurement organization knows the minor is emanci­
pated, the procurement organization shall conduct a reasonable search
for the parents of the minor and provide the parents with an opportunity
revoke or amend the anatomical gift or revoke the refusal.

(7) Upon referral by a hospital under subsection (1) of this sec­
tion, a procurement organization shall make a reasonable search for any
person listed in section 39-3409, Idaho Code, having priority to make an
anatomical gift on behalf of a prospective donor. If a procurement orga­
nization receives information that an anatomical gift to any other per­
son was made, amended or revoked, it shall promptly advise the other
person of all relevant information.

(8) Subject to section 39-3412(9), Idaho Code, the rights of the
person to which a part passes under section 39-3412, Idaho Code, are
superior to the rights of all others with respect to the part. The per­
son may accept or reject an anatomical gift in whole or in part. Subject
to the terms of the document of gift and this chapter, a person that
accepts an anatomical gift of an entire body may allow embalming, burial
or cremation, and use of remains in a funeral service. If the gift is of
a part, the person to which the part passes under section 39-3412, Idaho
Code, upon the death of the donor and before embalming, burial or crema­
tion, shall cause the part to be removed without unnecessary mutilation.
(9) Neither the physician who attends the decedent at death nor the physician who determines the time of the decedent's death may participate in the procedures for removing or transplanting a part from the decedent.

(10) A physician or technician may remove a donated part from the body of a donor that the physician or technician is qualified to remove.

39-3416. COORDINATION OF PROCUREMENT AND USE. Each hospital in this state shall enter into agreements or affiliations with procurement organizations for coordination of procurement and use of anatomical gifts.

39-3417. SALE OR PURCHASE OF PARTS PROHIBITED. (1) Except as otherwise provided in subsection (2) of this section, a person that for valuable consideration, knowingly purchases or sells a part for transplantation or therapy if removal of a part from an individual is intended to occur after the individual's death commits a felony and upon conviction is subject to a fine not exceeding fifty thousand dollars ($50,000) or imprisonment not exceeding five (5) years, or both such fine and imprisonment.

(2) A person may charge a reasonable amount for the removal, processing, preservation, quality control, storage, transportation, implantation or disposal of a part.

(3) A coroner acting pursuant to this section shall not authorize the removal of a part from a body within the coroner's custody if the coroner, or any deputy or agent of the coroner, derives or may derive any direct or indirect financial benefit relative to the removal, donation or use of the part.

39-3418. OTHER PROHIBITED ACTS. A person that, in order to obtain a financial gain, intentionally falsifies, forges, conceals, defaces or obliterates a document of gift, an amendment or revocation of a document of gift, or a refusal commits a felony and upon conviction is subject to a fine not exceeding fifty thousand dollars ($50,000) or imprisonment not exceeding five (5) years, or both such fine and imprisonment.

39-3419. IMMUNITY. (1) A person that acts in accordance with this chapter or with the applicable anatomical gift law of another state, or attempts in good faith to do so, is not liable for the act in a civil action, criminal prosecution or administrative proceeding.

(2) Neither the person making an anatomical gift nor the donor's estate is liable for any injury or damage that results from the making or use of the gift.

(3) In determining whether an anatomical gift has been made, amended or revoked under this chapter, a person may rely upon representations of an individual listed in section 39-3409(1)(b), (c), (d), (e), (f), (g) or (h), Idaho Code, relating to the individual's relationship to the donor or prospective donor unless the person knows that the representation is untrue.

39-3420. LAW GOVERNING VALIDITY -- CHOICE OF LAW AS TO EXECUTION OF DOCUMENT OF GIFT -- PRESUMPTION OF VALIDITY. (1) A document of gift is valid if executed in accordance with:

(a) This chapter;

(b) The laws of the state or country where it was executed; or
(c) The laws of the state or country where the person making the anatomical gift was domiciled, has a place of residence or was a national at the time the document of gift was executed.

(2) If a document of gift is valid under this section, the law of this state governs the interpretation of the document of gift.

(3) A person may presume that a document of gift or amendment of an anatomical gift is valid unless that person knows that it was not validly executed or was revoked.

39-3421. DONOR REGISTRY. (1) The Idaho transportation department shall cooperate with a person that administers any donor registry that this state establishes, contracts for, or recognizes for the purpose of transferring to the donor registry all relevant information regarding a donor's making, amendment to, or revocation of an anatomical gift.

(2) A donor registry must:
   (a) Allow a donor or other person authorized under section 39-3404, Idaho Code, to include on the donor registry a statement or symbol that the donor has made, amended or revoked an anatomical gift;
   (b) Be accessible to a procurement organization to allow it to obtain relevant information on the donor registry to determine, at or near death of the donor or a prospective donor, whether the donor or prospective donor has made, amended or revoked an anatomical gift; and
   (c) Be accessible for purposes of paragraphs (a) and (b) of this subsection seven (7) days a week on a twenty-four (24) hour basis.

(3) Personally identifiable information on a donor registry about a donor or prospective donor shall not be used or disclosed without the express consent of the donor, prospective donor, or person that made the anatomical gift for any purpose other than to determine, at or near death of the donor or prospective donor, whether the donor or prospective donor has made, amended or revoked an anatomical gift.

(4) This section does not prohibit any person from creating or maintaining a donor registry that is not established by or under contract with the state. Any such registry must comply with subsections (2) and (3) of this section.

39-3422. EFFECT OF ANATOMICAL GIFT ON ADVANCE HEALTH CARE DIRECTION. (1) In this section:
   (a) "Advance health care directive" means a power of attorney for health care or a record signed by a prospective donor containing the prospective donor's direction concerning a health care decision for the prospective donor.
   (b) "Declaration" means a record signed by a prospective donor specifying the circumstances under which a life support system may be withheld or withdrawn from the prospective donor.
   (c) "Health care decision" means any decision made regarding the health care of the prospective donor.

(2) If a prospective donor has a declaration or advance health care directive, measures necessary to ensure the medical suitability of an organ for transplantation or therapy may not be withheld or withdrawn from the prospective donor, unless the declaration expressly provides to the contrary.
39-3423. COOPERATION BETWEEN CORONER AND PROCUREMENT ORGANIZATION. (1) A coroner shall cooperate with procurement organizations to maximize the opportunity to recover anatomical gifts for the purpose of transplantation, therapy, research or education.

(2) A part may not be removed from the body of a decedent under the jurisdiction of a coroner for transplantation, therapy, research or education unless the part is the subject of an anatomical gift and the removal will not interfere with any autopsy or investigation. The body of a decedent under the jurisdiction of the coroner may not be delivered to a person for research or education unless the body is the subject of an anatomical gift. This subsection does not preclude a coroner from performing the medicolegal investigation upon the body or parts of a decedent under the jurisdiction of the coroner.

39-3424. UNIFORMITY OF APPLICATION AND CONSTRUCTION. In applying and construing this uniform act, consideration must be given to the need to promote uniformity of the law with respect to its subject matter among states that enact it.

39-3425. RELATION TO ELECTRONIC SIGNATURES IN GLOBAL AND NATIONAL COMMERCE ACT. This chapter modifies, limits and supersedes the electronic signatures in global and national commerce act, 15 U.S.C. section 7001 et seq., but does not modify, limit or supersede section 101(a) of that act or authorize electronic delivery of any of the notices described in section 103(b) of that act.

CHAPTER 36
(S.B. No. 1011)

AN ACT

RELATING TO FISH AND GAME; AMENDING SECTION 36-1101, IDAHO CODE, TO REVISE TERMINOLOGY RELATING TO SPECIAL PERMITS AUTHORIZING PHYSICALLY DISABLED PERSONS TO HUNT FROM MOTORIZED VEHICLES WHICH ARE NOT IN MOTION, TO PROVIDE A DEFINITION AND TO MAKE A TECHNICAL CORRECTION.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 36-1101, Idaho Code, be, and the same is hereby amended to read as follows:

36-1101. TAKING OF WILDLIFE UNLAWFUL EXCEPT BY STATUTE OR COMMISSION RULE OR PROCLAMATION -- METHODS PROHIBITED -- EXCEPTIONS. (a) It is unlawful, except as may be otherwise provided by Idaho law, including this title or commission rules or proclamations promulgated pursuant thereto, for any person to take any of the game animals, birds or fur-bearing animals of this state.

(b) Except as may be otherwise provided under this title or commission rules or proclamations promulgated pursuant thereto, it is unlawful for any person to:

1. Hunt from Motorized Vehicles. Hunt any of the game animals or game birds of this state from or by the use of any motorized vehicle except as provided by commission rule; provided however, that the commission shall promulgate rules which shall allow a physically handicapped disabled person to apply for a special permit which would allow the person to hunt from a motorized vehicle which is not in motion. A physically handicapped disabled person means a person who has lost, or has lost the use of, one (1) or both lower extremities or both hands, or who has a significant limitation in the use of the lower extremities, or who has a diagnosable disease or disorder which substantially impairs or interferes with mobility, or who is so severely disabled as to be unable to move without the aid of an assistance device.
(B) Who suffers from lung disease to the extent that his forced expiratory volume for one (1) second when measured by spirometry is less than one (1) liter or his arterial oxygen tension (Pao2) is less than 68 mmHg on room air at rest.

(c) Who is impaired by cardiovascular disease to the extent that his functional limitations are classified in severity as class III or class IV according to standards accepted by the American Heart Association who has lost the use of one (1) or both lower extremities or both hands, or is unable to walk two hundred (200) feet or more unassisted by another person, or is unable to walk two hundred (200) feet or more without the aid of a walker, cane, crutches, braces, prosthetic device or a wheelchair, or is unable to walk two hundred (200) feet or more without great difficulty or discomfort due to one (1) or more of the following impairments: neurological, orthopedic, respiratory, cardiac, arthritic disorder, blindness, or the loss of function or absence of a limb.

The commission shall specify the form of application for and design of the special permit which shall allow a physically handicapped disabled person to hunt from a motorized vehicle which is not in motion. No fee shall be charged for the issuance of the special permit and the issuance of a special permit shall not exempt a person from otherwise properly purchasing or obtaining other necessary licenses, permits and tags in accordance with this title and rules promulgated pursuant thereto. The special permit shall not be transferable and may only be used by the person to whom it is issued. A person who has been issued a special permit which allows a physically handicapped disabled person to hunt from a motorized vehicle not in motion shall have that permit prominently displayed on any vehicle the person is utilizing to hunt from and the person shall produce, on demand, the permit and other identification when so requested by a conservation officer of the department of fish and game. A person possessing a special permit shall not discharge any firearm from or across a public highway. In addition to other penalties any unauthorized use of the special permit shall be grounds for revocation of the permit.

2. Molest with Motorized Vehicles. Use any motorized vehicle to molest, stir up, rally or drive in any manner any of the game animals or game birds of this state.

3. Communicate from Aircraft. Make use of aircraft in any manner to spot or locate game animals, game birds or fur-bearing animals of this state from the air and communicate the location or approximate location thereof by any signals whatsoever, whether radio, visual or otherwise, to any person then on the ground.

4. Hunt from Helicopter. Make use of any helicopter in any manner in the taking of game or loading, transporting, or unloading hunters, game or hunting gear in any manner except when such use is at recognized airports or airplane landing fields, or at heliports which have been previously established on private land or which have been established by a department or agency of the federal, state or local government or when said use is in the course of emergency or search and rescue operations. Provided however, that nothing in this chapter shall limit or prohibit the lawful control of wolves through the use of helicopters when such measures are deemed necessary by
federal or state agencies in accordance with existing laws or management plans.

5. Artificial Light. Hunt any animal or bird except raccoon by the aid of a spotlight, flashlight or artificial light of any kind. The act of casting or throwing, after sunset, the beam or rays of any spotlight, headlight or other artificial light capable of utilizing six (6) volts or more of electrical power upon any field, forest or other place by any person while having in his possession or under his control any uncased firearm or contrivance capable of killing any animal or bird, shall be prima facie evidence of hunting with an artificial light. Provided nothing in this subsection shall apply where the headlights of a motor vehicle, operated and proceeding in a normal manner on any highway or roadway, cast a light upon animals or birds on or adjacent to such highway or roadway and there is no intent or attempt to locate such animals or birds. Provided further, nothing in this subsection shall prevent the hunting of unprotected or predatory wildlife with the aid of artificial light when such hunting is for the purpose of protecting property or livestock, is done by landowners or persons authorized in writing by them to do so and is done on property they own, lease or control; and provided further that the hunting and taking of unprotected or predatory wildlife with the aid of artificial light on public lands is authorized after obtaining a permit to do so from the director. The director may, for good cause, refuse to issue such permit.

Other provisions of this subsection notwithstanding, the commission may establish rules allowing the hunting of raccoon with the aid of an artificial light.

6. Regulation of Dogs.

(A) No person shall make use of a dog for the purpose of pursuing, taking or killing any of the big game animals of this state except as otherwise provided by rules of the commission.

(B) Any person who is the owner of, or in possession of, or who harbors any dog found running at large and which is actively tracking, pursuing, harassing or attacking, or which injures or kills deer or any other big game animal within this state shall be guilty as provided in section 36-1401(a)(1), Idaho Code. It shall be no defense that such dog or dogs were pursuing said big game animals without the aid or direction of the owner, possessor, or harborer.

(C) Any dog found running at large and which is actively tracking, pursuing, harassing, attacking or killing deer or any other big game animal may be destroyed without criminal or civil liability by the director, or any peace officer, or other persons authorized to enforce the Idaho fish and game laws.

7. Attempt to take Simulated Wildlife.

(A) Attempt to take, by firearm or any other contrivance capable of killing an animal or bird, simulated wildlife in violation of any of the provisions of this title or commission rules applicable to the taking of the wildlife being simulated, when the simulated wildlife is being used by a conservation officer or other person authorized to enforce Idaho fish and game laws or rules promulgated pursuant thereto. No person shall be found guilty of violating this subpart subparagraph provided that no other law or rule has been violated.
(B) Any person pleading guilty to, convicted of or found guilty for attempting to take simulated wildlife within this state shall be guilty of a misdemeanor and shall be punished as provided in either subsection (b) or (d) of section 36-1402, Idaho Code.

SECTION 2. That Section 63-2407, Idaho Code, be, and the same is hereby amended to read as follows:

63-2407. DEDUCTIONS AUTHORIZED. Each licensed distributor shall deduct from his monthly report:
(1) Motor fuel exported from this state other than in the supply tanks of motor vehicles, motor boats or aircraft when supported by a shipping document, an invoice signed by the purchaser, or other proper documents approved by the commission but only if:
(a) The purchaser is not a licensed distributor and the seller can establish that any tax due in the jurisdiction to which the motor fuel is destined is paid; or
(b) The purchaser is a licensed distributor in the jurisdiction to which the motor fuel is destined.

(2) Motor fuel returned to a licensed distributor's refinery or pipeline terminal storage when supported by proper documents approved by the commission.

(3) Motor fuel lost or destroyed by fire, lightning, flood, tornado, windstorm, explosion, or other accidental casualty, after presenting to the commission satisfactory proof of loss.

(4) The number of gallons which would be equal to one percent (1%) of the total number of gallons received during the reporting period, less the total number of gallons deducted under subsections (1) through (3) of this section, which credit is granted to the licensed distributor to reimburse him for the expense incurred on behalf of the state of Idaho in collecting and remitting motor fuel tax moneys, maintaining necessary records for the state, preparing necessary reports and remittances in compliance with this chapter, and for loss from evaporation, handling, spillage and shrinkage, except losses caused by casualty as provided in subsection (3) of this section. The licensed distributor may, in addition to the above, deduct the number of gallons equal to one percent (1%) of the total number of gallons received during the preceding calendar month, less the total number of gallons deducted under subsections (1) through (3) of this section, to cover shrinkage, evaporation, spillage and handling losses of a retail dealer. The latter deductions are to be allowed only upon filing with the commission satisfactory evidence as may be prescribed by it indicating the credit allowance has been made in favor of the retail dealer or paid to him. The evidence shall be submitted together with the report wherein this portion of the deduction is claimed. A licensed distributor who sells and delivers motor fuel directly to the consumer and not for resale shall, with respect to those sales, be deemed a retail dealer for the purposes of this section.

(5) Motor fuel sold to the Idaho national guard for use in aircraft and in vehicles used off public highways provided, however, such deduction is supported by an exemption certificate signed by an authorized officer of the Idaho national guard.

(6) For sales made on or after July 1, 1995, taxes previously paid on gallons represented by accounts found to be worthless and actually charged-off for income tax purposes may be credited upon a subsequent payment of the tax provided in this chapter or, if no such tax is due, refunded. If such accounts are thereafter collected, the tax per gallon shall be paid based upon the amount actually received divided by the price per gallon of the original sale multiplied by the appropriate tax rate.

(7) In the case of motor fuel received-during-the-reporting-period and-included-in-the-report that is:

(a) Gasohol, deduct the number of gallons of denatured anhydrous ethanol contained in the gasohol imported or blended during the reporting period and that would be taxable in the report but for the deduction allowed by this subsection.

(b) Biodiesel, in-whole-or-in-part, deduct the number of gallons of agricultural-products-or-animal-fats-or-the-wastes-of-such-products contained-in-the-fuel that are sold during the month to which the report relates to any person other than a licensed distributor.
(c) A biodiesel blend, deduct the number of gallons of biodiesel contained in the biodiesel blend imported, blended or received from a licensed distributor who is a biodiesel producer during the month to which the report relates. In the case of a licensed distributor who is a biodiesel producer, the deduction is only available when the producer sells its biodiesel blends to a person who is not a motor fuel distributor licensed in this state.

(d) The deduction provided in this subsection shall not exceed ten percent (10%) of (i) the volume of gasohol reported on the report or (ii) the special fuel which is or contains biodiesel.

(e) The deduction allowed by paragraphs (b) and (c) of this subsection is only available for motor fuel otherwise subject to tax under this chapter.

(17) "Licensed distributor" means any distributor who has obtained a license under the provisions of section 63-2427A, Idaho Code. If a person subject to the fee imposed by section 41-4909(7), Idaho Code, is not required to obtain a distributor's license under the provisions of chapter 24, title 63, Idaho Code, such person shall apply to the commission for a limited license for the purpose of complying with the requirements of this chapter. Such a limited license shall not be valid for any other purpose. No bond shall be required for a limited license. A holder of a limited license is a "licensed distributor" for the purposes of filing reports, paying fees and other actions necessary to the proper administration and enforcement of this chapter.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 63-602G, Idaho Code, be, and the same is hereby amended to read as follows:

63-602G. PROPERTY EXEMPT FROM TAXATION — HOMESTEAD. (1) During the tax year 2006 and each year thereafter, subject to annual adjustment as provided herein, the first seventy-five thousand dollars ($75,000) of the market value for assessment purposes of the homestead as that term is defined in section 63-701, Idaho Code, or fifty percent (50%) of the market value for assessment purposes of the homestead as that term is defined in section 63-701, Idaho Code, whichever is the lesser, shall be exempt from property taxation. Beginning for tax year 2007, the state
tax commission shall publish adjustments to the maximum amount subject to property tax exemption to reflect cost-of-living fluctuations. The adjustments shall effect changes in the amount subject to tax exemption by a percentage equal as near as practicable to the annual increase in the Idaho housing price index as determined by the United States office of federal housing enterprise oversight. The state tax commission shall publish the adjustments required by this subsection each and every year the office of federal housing enterprise oversight announces a change in the Idaho housing price index. The adjustments shall be published no later than October 1 of each year and shall be effective for claims filed in and for the following property tax year. The publication of adjustments under this subsection shall be exempt from the provisions of chapter 52, title 67, Idaho Code, but shall be provided to each county and to members of the public upon request and without charge.

(2) The exemption allowed by this section may be granted only if:
(a) The homestead is owner-occupied and used as the primary dwelling place of the owner as of January 1, provided that in the event the homestead is owner-occupied after January 1 but before April 15, the owner of the property is entitled to the exemption. The homestead may consist of part of a multidwelling or multipurpose building and shall include all of such dwelling or building except any portion used exclusively for anything other than the primary dwelling of the owner. The presence of an office in a homestead, which office is used for multiple purposes, including business and personal use, shall not prevent the owner from claiming the exemption provided in this section; and
(b) The tax commission has certified to the board of county commissioners that all properties in the county which are subject to appraisal by the county assessor have, in fact, been appraised uniformly so as to secure a just valuation for all property within the county; and
(c) The owner has certified to the county assessor by April 15 that:
(i) He is making application for the exemption allowed by this section;
(ii) That the homestead is his primary dwelling place; and
(iii) That he has not made application in any other county for the exemption, and has not made application for the exemption on any other homestead in the county.
(d) For the purpose of this section, the definition of 'owner' shall be the same definition set forth in section 63-701(7), Idaho Code.

When an "owner," pursuant to the provisions of section 63-701(7), Idaho Code, is any person who is the beneficiary of a revocable or irrevocable trust, or who is a partner of a limited partnership, a member of a limited liability company, or shareholder of a corporation, he or she may provide proof of the trust, limited partnership, limited liability company, or corporation in the manner set forth in section 63-703(4), Idaho Code.
(e) Any owner may request in writing the return of all copies of any documents submitted with the affidavit set forth in section 63-703(4), Idaho Code, that are held by a county assessor, and the copies shall be returned by the county assessor upon submission of the affidavit in proper form.
(f) For the purpose of this section, the definition of "primary
dwelling place" shall be the same definition set forth in section
63-701(8), Idaho Code.

(g) For the purpose of this section, the definition of "occupied"
shall be the same definition set forth in section 63-701(6), Idaho
Code.

(3) An owner need only make application for the exemption described
in subsection (1) of this section once, as long as all of the following
conditions are met:
   (a) The owner has received the exemption during the previous year
       as a result of his making a valid application as defined in subsec­
tion (2)(c) of this section.
   (b) The owner or beneficiary, partner, member or shareholder, as
       appropriate, still occupies the same homestead for which the owner
       made application.
   (c) The homestead described in subsection (3)(b) of this section is
       owner-occupied or occupied by a beneficiary, partner, member or
       shareholder, as appropriate, and used as the primary dwelling place
       of the owner or beneficiary, partner, member or shareholder, as
       appropriate, as of January 1; provided however, that in the event
       the homestead is owner-occupied after January 1, but before April
       15, the owner of the property is entitled to the exemption.

(4) The exemption allowed by this section must be taken before the
reduction in taxes provided by sections 63-701 through 63-710, Idaho
Code, is applied.

(5) Recovery of property tax exemptions allowed by this section but
improperly claimed or approved:
   (a) Upon discovery of evidence, facts or circumstances indicating
       any exemption allowed by this section was improperly claimed or
       approved, the county assessor shall decide whether the exemption
       claimed should have been allowed and if not, notify the taxpayer
       in writing, assess a recovery of property tax and notify the county
treasurer of this assessment. If the county assessor determined that
an exemption was improperly approved as a result of county error,
the county assessor shall present the discovered evidence, facts or
circumstances from the improperly approved exemption to the board of
county commissioners, at which time the board may waive a recovery
of the property tax and notify such taxpayer in writing.
   (b) When information indicating that an improper claim for the
exemption allowed by this section is discovered by the state tax
commission, the state tax commission may disclose this information
to the appropriate county assessor, board of county commissioners
and county treasurer. Information disclosed to county officials by
the state tax commission under this subsection may be used to decide
the validity of any entitlement to the exemption provided in this
section and is not otherwise subject to public disclosure pursuant
to chapter 3, title 9, Idaho Code.
   (c) The assessment and collection of the recovery of property tax
must begin within the seven (7) year period beginning the date the
assessment notice reflecting the improperly claimed or approved
exemption was required to be mailed to the taxpayer.
   (d) The taxpayer may appeal to the board of county commissioners
the decision by the county assessor to assess the recovery of prop­
erty tax within thirty (30) days of the date the county assessor
sent the notice to the taxpayer pursuant to this section. The board may waive the collection of all or part of any costs, late charges and interest, in order to facilitate the collection of the recovery of the property tax.

(c) For purposes of calculating the tax, the amount of the recovered property tax shall be for each year the exemption allowed by this section was improperly claimed or approved, up to the lesser of a maximum of seven (7) years, or until the property was transferred to a bona fide purchaser for value. The amount of the recovery of property tax shall be calculated using the product of the amount of exempted value for each year multiplied by the levy for that year plus costs, late charges and interest for each year at the rates equal to those provided for delinquent property taxes during that year.

(e) Any recovery of property tax shall be due and payable no later than the date provided for property taxes in section 63-903, Idaho Code, and if not timely paid, late charges and interest, beginning the first day of January in the year following the year the county assessor sent the notice to the taxpayer pursuant to this section, shall be calculated at the current rate provided for property taxes.

(g) Recovered property taxes shall be billed, collected and distributed in the same manner as property taxes, except each taxing district or unit shall be notified of the amount of any recovered property taxes included in any distribution.

(h) Thirty (30) days after the taxpayer is notified, as provided in subsection (5)(a) of this section, the assessor shall record a notice of intent to attach a lien. Upon the payment in full of such recovered property taxes prior to the attachment of the lien as provided in subsection (5)(i) of this section, or upon the successful appeal by the taxpayer, the county assessor shall record a rescission of the intent to attach a lien within seven (7) business days of receiving such payment or within seven (7) business days of the county commissioners' decision granting the appeal. If the real property is sold to a bona fide purchaser for value, prior to the recording of the notice of the intent to attach a lien, the county assessor and treasurer shall cease the recovery of such unpaid recovered property tax.

(i) Any unpaid recovered property taxes shall become a lien upon the real property in the same manner as provided for property taxes in section 63-206, Idaho Code, except such lien shall attach as of the first day of January in the year following the year the county assessor sent the notice to the taxpayer pursuant to this section.

(j) For purposes of the limitation provided by section 63-802, Idaho Code, moneys received pursuant to this subsection as recovery of property tax shall be treated as property tax revenue.

(6) The legislature declares that this exemption is necessary and just.

(7) A homestead having previously qualified for exemption under this section in the preceding year, shall not lose such qualification due to the owner's, beneficiary's, partner's, member's or shareholder's absence in the current year by reason of active military service in a designated combat zone, as defined in section 112 of the Internal Revenue Code, or because the homestead has been leased because the owner, beneficiary, partner, member or shareholder is absent in the current
year by reason of active military service in a designated combat zone, as defined in section 112 of the Internal Revenue Code. If an owner fails to timely apply for exemption as required in this section solely by reason of active duty in a designated combat zone by the owner, beneficiary, partner, member or shareholder, as appropriate, as defined in section 112 of the Internal Revenue Code, and such homestead would have otherwise qualified under this section, then the board of county commissioners of the county in which the homestead is located shall refund property taxes, if previously paid, in an amount equal to the exemption which would otherwise have applied.

SECTION 2. An emergency existing therefor, which emergency is hereby declared to exist, this act shall be in full force and effect on and after its passage and approval, and retroactively to January 1, 2007.

Approved March 2, 2007.

(b) That the member will likely remain so disabled permanently and continuously during the remainder of the member's life.
It is not necessary that a person be absolutely helpless or entirely unable to do anything worthy of compensation to be considered disabled. If the person is so disabled that substantially all the avenues of employment are reasonably closed to the person, that condition is within the meaning of "disabled." In evaluating whether a person is disabled, medical factors and nonmedical factors including, but not limited to, education, economic and social environment, training and usable skills may be considered.

Refusal to submit to a medical examination ordered by the board before the commencement of a disability retirement allowance or at any reasonable time thereafter shall constitute proof that the member is not disabled. The board shall be empowered to select for such medical examination one (1) or more physicians or surgeons who are licensed to practice medicine and perform surgery. The fees and expenses of such examination shall be paid from the administration account of the fund. No member shall be required to undergo such examination more often than once each year after he has received a disability retirement allowance continuously for two (2) years.

(12A) "Disabled service" means the total number of months elapsing from the first day of the month next succeeding the final contribution of a member prior to receiving a disability retirement allowance to the first day of the month following the date of termination of such disability retirement allowance. During such period, the member shall remain classified in the membership category held during the month of final contribution. The total number of months of disabled service credited for a person first becoming disabled after the effective date of this chapter shall not exceed the excess, if any, of three hundred sixty (360) over the total number of months of prior service and membership service.

(12B) "Domestic retirement order" means any judgment, decree, or order, including approval of a property settlement agreement which relates to the provision of marital property rights to a spouse or former spouse of a member, and is made pursuant to a domestic relations law, including the community property law of the state of Idaho or of another state.

(4) For purposes of this section, "same employer" means the employer for which the retired member last worked prior to retirement.

SECTION 4. That Section 59-1359, Idaho Code, be, and the same is hereby amended to read as follows:

actuarial costs of the service as determined by the board. The board may
provide for payment options, including periodic payments, but no service

interest accruing only from the date of return from active duty service. If
the member terminates employment prior to repaying all the employee
contributions related to the eligible period as agreed, membership ser-
vice will be granted only for the period for which contributions were
paid.

(4) For purposes of this section, "active duty service in the armed
forces of the United States" means active duty, other than primarily for
training purposes, in the army, navy, air force, marine corps or coast
guard, concluding with other than a dishonorable discharge. All periods
of active duty service that do not qualify as "military service" under
section 59-1302(23), Idaho Code, or for purchase of membership service
under this section, must be purchased under section 59-1363, Idaho Code.

that an employer may participate in the costs at its option.

whether purchased under this section, or any other provision authorizing
purchase of membership service.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 59-1356, Idaho Code, be, and the same is hereby amended to read as follows:

59-1356. REEMPLOYMENT OF RETIRED MEMBERS. (1) If an early retired member is reemployed with the same employer within ninety (90) days from retiring, or the early retired member is guaranteed reemployment with the same employer the member shall be considered to have continued in the status of an employee and not to have separated from service. Any retirement allowance payments received by the retired member shall be repaid to the system and the retirement shall be negated. The month of last contribution prior to the negated retirement and the month of initial contribution upon return to reemployment shall be considered consecutive months of contributions in the determination of an appropriate salary base period upon subsequent retirement.

(2) Except as provided in subsection (3) of this section, when a retired member meets the definition of an employee as defined in section 59-1302(14)(A)(a), Idaho Code, any benefit payable on behalf of such member shall be suspended and any contributions payable by such member under sections 59-1331 through 59-1334, Idaho Code, shall again commence. The suspended benefit, as adjusted pursuant to section 59-1355, Idaho Code, shall resume upon subsequent retirement, along with a separate allowance computed with respect to only that salary and service credited during the period of reemployment. Any death benefit that becomes payable under the suspended benefit shall be payable under section 59-1361(2), Idaho Code. Any death benefit that becomes payable with respect to salary and service accrued during the period of reemployment shall be payable under section 59-1361(3), Idaho Code, if the member dies during the period of reemployment.

(4) It is the responsibility of each employer to immediately report to the retirement board the employment of any retired member so that benefit payments can be suspended as provided in this section. If an employer fails to properly report the employment of a retired member and it results in the retirement board making benefit payments that should have been suspended, the employer shall, in addition to paying delin-
quent employee and employer contributions from the date of eligibility, also be responsible for repaying to the retirement board the benefit payments made to the retired member that should have been suspended, plus interest. The employer may then recoup such payments from the retired member.

(5) For purposes of this section, "same employer" means the employer for which the retired member last worked prior to retirement.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Chapter 14, Title 10, Idaho Code, be, and the same is hereby repealed.

SECTION 2. That Title 10, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW CHAPTER, to be known and designated as Chapter 14, Title 10, Idaho Code, and to read as follows:

CHAPTER 14
UNIFORM FOREIGN COUNTRY MONEY JUDGMENTS RECOGNITION ACT

10-1401. SHORT TITLE. This chapter shall be known and may be cited as the "Uniform Foreign Country Money Judgments Recognition Act."

10-1402. DEFINITIONS. In this chapter:
(1) "Foreign country" means a government other than:
(a) The United States;
(b) A state, district, commonwealth, territory or insular possession of the United States; or
(c) Any other government with regard to which the decision in this state as to whether to recognize a judgment of that government's courts is initially subject to determination under the full faith and credit clause of the United States Constitution.
(2) "Foreign country judgment" means a judgment of a court of a foreign country.
10-1403. APPLICABILITY. (1) Except as otherwise provided in subsection (2) of this section, this chapter applies to a foreign country judgment to the extent that the judgment:
   (a) Grants or denies recovery of a sum of money; and
   (b) Under the law of the foreign country where rendered, is final, conclusive and enforceable.

(2) This chapter does not apply to a foreign country judgment, even if the judgment grants or denies recovery of a sum of money, to the extent that the judgment is:
   (a) A judgment for taxes;
   (b) A fine or other penalty; or
   (c) A judgment for divorce, support, or maintenance, or other judgment rendered in connection with domestic relations.

(3) A party seeking recognition of a foreign country judgment has the burden of establishing that this chapter applies to the foreign country judgment.

10-1404. STANDARDS FOR RECOGNITION OF FOREIGN COUNTRY JUDGMENT. (1) Except as otherwise provided in subsections (2) and (3) of this section, a court of this state shall recognize a foreign country judgment to which this chapter applies.

(2) A court of this state may not recognize a foreign country judgment if:
   (a) The judgment was rendered under a judicial system that does not provide impartial tribunals or procedures compatible with the requirements of due process of law;
   (b) The foreign court did not have personal jurisdiction over the defendant; or
   (c) The foreign court did not have jurisdiction over the subject matter.

(3) A court of this state need not recognize a foreign country judgment if:
   (a) The defendant in the proceeding in the foreign court did not receive notice of the proceeding in sufficient time to enable the defendant to defend;
   (b) The judgment was obtained by fraud that deprived the losing party of an adequate opportunity to present its case;
   (c) The judgment or the claim for relief on which the judgment is based is repugnant to the public policy of this state or of the United States;
   (d) The judgment conflicts with another final and conclusive judgment;
   (e) The proceeding in the foreign court was contrary to an agreement between the parties under which the dispute in question was to be determined otherwise than by proceedings in that foreign court;
   (f) In the case of jurisdiction based only on personal service, the foreign court was a seriously inconvenient forum for the trial of the action;
   (g) The judgment was rendered in circumstances that raise substantial doubt about the integrity of the rendering court with respect to the judgment; or
   (h) The specific proceeding in the foreign court leading to the judgment was not compatible with the requirements of due process of law.
(4) A party resisting recognition of a foreign country judgment has the burden of establishing that a ground for nonrecognition stated in subsection (2) or (3) of this section exists.

10-1405. PERSONAL JURISDICTION. (1) A foreign country judgment may not be refused recognition for lack of personal jurisdiction if:
   (a) The defendant was served with process personally in the foreign country;
   (b) The defendant voluntarily appeared in the proceeding, other than for the purpose of protecting property seized or threatened with seizure in the proceeding or of contesting the jurisdiction of the court over the defendant;
   (c) The defendant, before the commencement of the proceeding, had agreed to submit to the jurisdiction of the foreign court with respect to the subject matter involved;
   (d) The defendant was domiciled in the foreign country when the proceeding was instituted or was a corporation or other form of business organization that had its principal place of business in, or was organized under the laws of, the foreign country;
   (e) The defendant had a business office in the foreign country and the proceeding in the foreign court involved a claim for relief arising out of business done by the defendant through that office in the foreign country; or
   (f) The defendant operated a motor vehicle or airplane in the foreign country and the proceeding involved a claim for relief arising out of that operation.

(2) The list of bases for personal jurisdiction in subsection (1) of this section is not exclusive. The courts of this state may recognize bases of personal jurisdiction other than those listed in subsection (1) of this section as sufficient to support a foreign country judgment.

10-1406. PROCEDURE FOR RECOGNITION OF FOREIGN COUNTRY JUDGMENT. (1) If recognition of a foreign country judgment is sought as an original matter, the issue of recognition shall be raised by filing an action seeking recognition of the foreign country judgment.

(2) If recognition of a foreign country judgment is sought in a pending action, the issue of recognition may be raised by counterclaim, cross-claim, or affirmative defense.

10-1407. EFFECT OF RECOGNITION OF FOREIGN COUNTRY JUDGMENT. If the court in a proceeding under section 10-1406, Idaho Code, finds that the foreign country judgment is entitled to recognition under this chapter then, to the extent that the foreign country judgment grants or denies recovery of a sum of money, the foreign country judgment is:

   (1) Conclusive between the parties to the same extent as the judgment of a sister state entitled to full faith and credit in this state would be conclusive; and
   (2) Enforceable in the same manner and to the same extent as a judgment rendered in this state.

10-1408. STAY OF PROCEEDINGS PENDING APPEAL OF FOREIGN COUNTRY JUDGMENT. If a party establishes that an appeal from a foreign country judgment is pending or will be taken, the court may stay any proceedings with regard to the foreign country judgment until the appeal is con-
eluded, the time for appeal expires, or the appellant has had sufficient
time to prosecute the appeal and has failed to do so.

10-1409. STATUTE OF LIMITATIONS. An action to recognize a foreign
country judgment must be commenced within the earlier of the time during
which the foreign country judgment is effective in the foreign country
or fifteen (15) years from the date that the foreign country judgment
became effective in the foreign country.

10-1410. UNIFORMITY OF INTERPRETATION. In applying and construing
this uniform act, consideration must be given to the need to promote
uniformity of the law with respect to its subject matter among states
that enact it.

10-1411. SAVINGS CLAUSE. This chapter does not prevent the recogni-
tion under principles of comity or otherwise of a foreign country judg-
ment not within the scope of this chapter.

SECTION 3. This act shall be in full force and effect on and after
July 1, 2007, and shall apply to all actions commenced on or after July
1, 2007, in which the issue of recognition of a foreign country judgment
is raised.

Approved March 12, 2007.

It is the purpose of this act chapter to promote the public health and welfare of the citizens of the state by implementing a program of research, promotion, and consumer and industry information designed to strengthen the position in the marketplace of the Idaho canola-and-rapeseed oilseed industry, to expand existing markets, and to develop new markets for canola-and-rapeseed oilseed and their products.

CHAPTER 62
(S.B. No. 1015)

AN ACT
RELATING TO CRIME VICTIM COMPENSATION; AMENDING SECTION 19-5304, IDAHO CODE, TO CLARIFY THAT THE CRIME VICTIMS' COMPENSATION ACCOUNT IS ENTITLED TO RESTITUTION FOR PAYMENTS MADE TO OR ON BEHALF OF A DIRECTLY INJURED VICTIM AS A RESULT OF A DEFENDANT'S CRIMINAL CONDUCT.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 19-5304, Idaho Code, be, and the same is hereby amended to read as follows:

19-5304. RESTITUTION FOR CRIME VICTIMS -- ORDERS TO BE SEPARATE -- WHEN RESTITUTION IS NOT APPROPRIATE -- OTHER REMEDIES -- EVIDENTIAL HEARINGS -- DEFINITIONS. (1) As used in this chapter: (a) "Economic loss" includes, but is not limited to, the value of property taken, destroyed, broken, or otherwise harmed, lost wages, and direct out-of-pocket losses or expenses, such as medical expenses resulting from the criminal conduct, but does not include less tangible damage such as pain and suffering, wrongful death or emotional distress.
(b) "Found guilty of any crime" shall mean a finding by a court that a defendant has committed a criminal act and shall include an entry of a plea of guilty, an order withholding judgment, suspending sentence, or entry of judgment of conviction for a misdemeanor or felony.
(c) "Value" shall be as defined in section 18-2402(11), Idaho Code.
(d) "Property" shall be as defined in section 18-2402(8), Idaho Code.
(e) "Victim" shall mean:
   (i) The directly injured victim which means a person or entity, who suffers economic loss or injury as the result of the defendant's criminal conduct and shall also include the immediate family of a minor and the immediate family of the actual victim in homicide cases;
   (ii) Any health care provider who has provided medical treatment to a directly injured victim if such treatment is for an injury resulting from the defendant's criminal conduct, and who has not been otherwise compensated for such treatment by the directly injured victim or the immediate family of the directly injured victim;
   (iii) The account established pursuant to the crime victims compensation act, chapter 10, title 72, Idaho Code, from which payment was made for medical treatment, services or monetary benefits for injury resulting from or on behalf of a directly injured victim pursuant to the requirements of Idaho law as a result of the defendant's criminal conduct;
   (iv) A person or entity who suffers economic loss because such person or entity has made payments to or on behalf of a directly injured victim pursuant to a contract including, but not limited to, an insurance contract.

(2) Unless the court determines that an order of restitution would be inappropriate or undesirable, it shall order a defendant found guilty of any crime which results in an economic loss to the victim to make restitution to the victim. An order of restitution shall be a separate written order in addition to any other sentence the court may impose, including incarceration, and may be complete, partial, or nominal. The court may also include restitution as a term and condition of judgment of conviction; however, if a court orders restitution in the judgment of conviction and in a separate written order, a defendant shall not be required to make restitution in an amount beyond that authorized by this chapter. Restitution shall be ordered for any economic loss which the victim actually suffers. The existence of a policy of insurance covering the victim's loss shall not absolve the defendant of the obligation to pay restitution.

(3) If the court determines that restitution is inappropriate or undesirable or if only partial or nominal restitution is ordered, it shall enter an order articulating the reasons therefor on the record.

(4) If a separate written order of restitution is issued, an order of restitution shall be for an amount certain and shall be due and owing at the time of sentencing or at the date the amount of restitution is determined, whichever is later. An order of restitution may provide for interest from the date of the economic loss or injury.

(5) The court may order the defendant to pay restitution to the victim in any case, regardless of whether the defendant is incarcerated or placed on probation. The court may order the defendant to pay all or a part of the restitution ordered to the court to be distributed by the court to the victims in a manner the court deems just.

(6) Restitution orders shall be entered by the court at the time of sentencing or such later date as deemed necessary by the court. Economic loss shall be based upon the preponderance of evidence submitted to the court by the prosecutor, defendant, victim or presentence investigator. Each party shall have the right to present such evidence as may be rele-
want to the issue of restitution, and the court may consider such hearsay as may be contained in the presentence report, victim impact statement or otherwise provided to the court.

(7) The court, in determining whether to order restitution and the amount of such restitution, shall consider the amount of economic loss sustained by the victim as a result of the offense, the financial resources, needs and earning ability of the defendant, and such other factors as the court deems appropriate. The immediate inability to pay restitution by a defendant shall not be, in and of itself, a reason to not order restitution.

(8) In determining restitution, where it appears that more than one person is responsible for a crime that results in economic loss to a victim, and one or more of the suspects or defendants are not found, apprehended, charged, convicted or ordered to pay restitution, the court may require the remaining defendant or defendants, who are convicted of or plead guilty to the crime, to be jointly and severally responsible for the entire economic loss to the victim.

(9) The court may, with the consent of the parties, order restitution to victims, and/or any other person or entity, for economic loss or injury for crimes which are not adjudicated or are not before the court.

(10) A defendant, against whom a restitution order has been entered, may, within forty-two (42) days of the entry of the order of restitution, request relief from the restitution order in accordance with the Idaho rules of civil procedure relating to relief from final orders.

(11) An order of restitution shall not preclude the victim from seeking any other legal remedy.

(12) Every presentence report shall include a full statement of economic loss suffered by the victim or victims of the defendant's crime or crimes.

(13) If there is more than one victim, the restitution order shall provide that the directly injured victim(s) be fully compensated for so much of the loss caused by the defendant's criminal conduct which has not been paid by a third party, including persons referred to in subsection (1)(e)(ii), (iii) and (iv) of this section.

Be It Enacted by the Legislature of the State of Idaho:

(3) To keep the standards and practices of recorders in this state in harmony with the standards and practices of recording offices in other jurisdictions that enact substantially this uniform act and to keep the technology used by recorders in this state compatible with technology used by recording offices in other jurisdictions that enact substantially this uniform act, the electronic recording commission, so far as is consistent with the purposes, policies and provisions of this chapter, shall adopt, amend or repeal standards, taking into account the following considerations:

(a) Standards and practices of other jurisdictions;
(b) The most recent standards promulgated by national standard-setting bodies, such as the property records industry association;
(c) The views of interested persons and governmental officials and entities;
(d) The needs of counties of varying size, population and resources; and
(e) Standards requiring adequate information security protection to ensure that electronic documents are accurate, authentic, adequately preserved and resistant to tampering.

31-2906. UNIFORMITY OF APPLICATION AND CONSTRUCTION. In applying and construing this uniform act, consideration must be given to the need to promote uniformity of the law with respect to its subject matter among states that enact it.

31-2907. RELATION TO ELECTRONIC SIGNATURES IN GLOBAL AND NATIONAL COMMERCE ACT. This chapter modifies, limits, and supersedes the federal electronic signatures in global and national commerce act, 15 U.S.C. section 7001, et seq., but does not modify, limit, or supersede section 101(c) of that act or authorize electronic delivery of any of the notices described in section 103(b) of that act.

CHAPTER 64
(S.B. No. 1043)

AN ACT
RELATING TO THE EMPLOYMENT SECURITY LAW; AMENDING SECTION 72-1372, IDAHO CODE, TO REVISE THE CIVIL PENALTY STRUCTURE FOR WILLFUL FAILURE TO TIMELY FILE AN EMPLOYER'S QUARTERLY REPORT; AND DECLARING AN EMERGENCY.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 72-1372, Idaho Code, be, and the same is hereby amended to read as follows:

72-1372. CIVIL PENALTIES. (1) The following civil penalties shall be assessed by the director:
(a) If a determination is made finding that an employer willfully failed to file any report required by the director or filed a false report, a monetary penalty equal to one hundred percent (100%) of the amount that would be due if the employer had filed a correct report or two hundred fifty dollars ($250), whichever is greater, shall be added to the liability of the employer for each quarter for which the employer failed to file a report or willfully filed a false report. For the purposes of this section, a false report includes, but is not limited to, a report for a period wherein an employer pays remuneration for personal services which meets the definition of "wages" under section 72-1328, Idaho Code, and the payment is concealed, hidden, or otherwise not reported to the department.
(b) If a determination is made finding that an employer willfully failed to file the employer's quarterly unemployment insurance tax report when due, the director shall assess a monetary penalty equal to:
(i) Seventy-five dollars ($75.00) or twenty-five percent (25%) of the amount that would be due if the employer had filed a timely quarterly report, whichever is greater, if the employer had not been found in any previous determination to have willfully failed to file a timely quarterly report for any of the sixteen (16) preceding consecutive calendar quarters; or
(ii) One hundred fifty dollars ($150) or fifty percent (50%) of the amount that would be due if the employer had filed a timely quarterly report, whichever is greater, if the employer had been found in any previous determination to have willfully failed to file a timely quarterly report for no more than one (1) of the sixteen (16) preceding consecutive calendar quarters; or
(iii) Two hundred fifty dollars ($250) or one hundred percent (100%) of the amount that would be due if the employer had filed a timely quarterly report, whichever is greater, if the employer had been found in any previous determination or determinations to have willfully failed to file a timely quarterly report for two (2) or more of the sixteen (16) preceding consecutive calendar quarters.

(c) If a determination is made finding that an employer, or any officer or agent or employee of the employer with the employer’s knowledge, willfully makes made a false statement or representation or willfully fails failed to report a material fact when submitting facts to the department concerning a claimant’s separation from the employer, a penalty in an amount equal to ten (10) times the weekly benefit amount of such claimant shall be added to the liability of the employer.

(cg) If a determination is made finding that an employer induces induces, solicits solicits, has induced, solicited or coerces coerces an employee or former employee to file a false or fraudulent claim for benefits under this chapter, a penalty in an amount equal to ten (10) times the weekly benefit amount of such employee or former employee shall be added to the liability of the employer.

(cd) If a determination is made finding that an employer fails fails to complete and submit an Idaho business registration form when due, as required by section 72-1337(1), Idaho Code, a penalty of five hundred dollars ($500) shall be assessed against the employer.

(ef) For purposes of paragraphs (b)–and (c) and (d) of this subsection (1), the term “weekly benefit amount” means the amount calculated pursuant to section 72-1367(2), Idaho Code.

(2) At the discretion of the director, the department may waive all or any part of the penalties imposed pursuant to this section if the employer shows to the satisfaction of the director that it had good cause for failing to comply with the requirements of this chapter and rules promulgated thereunder.

(3) Determinations imposing civil penalties pursuant to this section shall be served in accordance with section 72-1368(5), Idaho Code. Penalties imposed pursuant to this section shall be due and payable twenty (20) days after the date the determination was served unless an appeal is filed in accordance with section 72-1368, Idaho Code, and rules promulgated thereunder. Such appeals shall be conducted in accor-
dance with section 72-1368, Idaho Code, and rules promulgated thereunder.

(4) Civil penalties imposed by this section shall be in addition to any other penalties authorized by this chapter. The provisions of this chapter that apply to the collection of contributions, and the rules promulgated thereunder, shall also apply to the collection of penalties imposed pursuant to this section. Amounts collected pursuant to this section shall be paid into the state employment security administrative and reimbursement fund as established by section 72-1348, Idaho Code.

SECTION 2. An emergency existing therefor, which emergency is hereby declared to exist, this act shall be in full force and effect on and after its passage and approval.

AN ACT
RELATING TO ALLOWABLE GROSS LOADS; AMENDING SECTION 49-1001, IDAHO CODE, TO DELETE PROVISIONS ALLOWING FOR PREQUALIFICATION OF VARIABLE LOAD SUSPENSION AXLES AND TO ALLOW VARIABLE LOAD SUSPENSION AXLES TO BE NONSTEERING WHEN NOT EXCEEDING FIVE FEET FROM THE REMAINING AXLE GROUP AND TO MAKE A TECHNICAL CORRECTION.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 49-1001, Idaho Code, be, and the same is hereby amended to read as follows:

49-1001. ALLOWABLE GROSS LOADS. The gross load imposed on the highway by any vehicle or combination of vehicles shall not exceed the limits in this section. The maximum single axle gross weight shall be twenty thousand (20,000) pounds, the maximum single wheel gross weight shall be ten thousand (10,000) pounds and the maximum gross vehicle or combination weight shall be one hundred five thousand five hundred (105,500) pounds, provided that maximum gross vehicle or combination weight on United States federal interstate and defense highways of this state shall not exceed eighty thousand (80,000) pounds, except as permitted under the provisions of section 49-1004, Idaho Code.

(1) The total gross weight imposed on the highway by any group of consecutive axles shall be determined by the following formula:

\[ W = 500 \left( \frac{LN}{N-1} + 12N + 36 \right) \]

Where \( W \) is the maximum weight in pounds (to the nearest 500 pounds) carried on any group of two (2) or more consecutive axles. \( L \) is the distance in feet between the extremes of any group of two (2) or more consecutive axles, and \( N \) is the number of axles under consideration.

(a) A public highway agency may limit the application of the weights authorized in this section as to certain highways within its jurisdiction which it determines have limited structural capacity of pavements, bridges, or other appurtenances. In designing such highways, it may specify a minimum wheelbase for combinations to be operated thereon. It may also designate specific highways or portions on which operation of a combination of vehicles with seven (7) through thirteen (13) axles will be subject to specified lesser allowable gross weights.

(b) Notwithstanding the figures shown in the table in this subsection (1), two (2) consecutive sets of tandem axles may carry a gross load of thirty-four thousand (34,000) pounds each, providing the overall distance between the first and last axles of such consecutive sets of tandem axles is thirty-six (36) feet or more.

(c) Vehicles may operate with reducible loads at gross weights greater than one hundred five thousand five hundred (105,500) pounds but not exceeding one hundred twenty-nine thousand (129,000) pounds on noninterstate highways in accordance with the provisions of section 49-1004, Idaho Code, provided such vehicles are in compliance...
with the weight formula specified in this subsection (1) of this section, have registered and have paid the registration fees as specified in section 49-434, Idaho Code, and are in compliance with the length restrictions set forth in section 49-1010(7), Idaho Code.

(2) The weight limitations set forth in the table in subsection (1) of this section shall not apply to any vehicle, or combination of vehicles when a greater allowed weight in pounds would be permitted such vehicles under the table provided in this subsection, except that with regard to transportation on the United States federal interstate and defense highways of this state, the following table of allowable weights shall apply only to vehicles engaged in the transportation of logs, pulp wood, stull, rough lumber, poles or piling; or to any such vehicle engaged in the transportation of ores, concentrates, sand and gravel and aggregates thereof, in bulk; or to any such vehicle engaged in the transportation of agricultural commodities, including livestock:

The weight allowances provided in this subsection do not apply if the total gross weight of a vehicle or combination of vehicles is intended to exceed seventy-nine thousand (79,000) pounds as declared by the oper-
ator. When the provisions of this subsection are applicable to a vehicle or combination of vehicles, it shall be a violation of the provisions of this subsection if that vehicle or combination of vehicles exceeds the weights specified in this table.

(3) In determining the gross weight of a vehicle or the gross weight of any two (2) or more consecutive axles under subsection (1) or (2) or (9) of this section, the total gross weight of the vehicle or combination of vehicles or the gross weight of any two (2) or more consecutive axles shall be the sum of the axle weights.

For the purposes of this chapter the gross weight of a vehicle or the gross weight of any two (2) or more consecutive axles may be determined by accumulatively adding the separate weights of individual axles and tandem axles or groups of axles to determine gross weight. The results of any weighing at a temporary or permanent port of entry and the records relating to the calibration and accuracy of any scale at a temporary or permanent port of entry shall be admissible in any proceeding in this state. In order to prove a violation of the provisions of this section the state must show that:

(a) The sum of the axle weights exceeds what is allowable under the provisions of subsection (1) or (2) or (9) of this section;

(b) The scale involved in the weighing was at the time of weighing calibrated in conformity with and met the accuracy requirements of the standards for the enforcement of traffic and highway laws as set forth in the latest edition of handbook 44 of the national institute of standards and technology;

(c) Weights of individual axles or axles within a commonly suspended group of axles supported by a mechanical system designed to distribute equal wheel loads to individual axles in the group were utilized only to determine gross weights of that group of axles, and that any further evaluation of gross weights of combinations of axles considered only the accumulated gross weight of each such commonly suspended group of axles.

(4) In applying the weight limitations imposed in this section, a vehicle or combination of vehicles must comply exclusively with the weight limitations in either subsection (1) or (2) or (9) of this section.

(5) In applying the weight limitations imposed in this section, the distance between axles shall be measured to the nearest even foot. When a fraction is exactly one-half (1/2) foot the next larger whole number shall be used.

(6) The limitations imposed in this section are in addition and supplemental to all other laws imposing limitations upon the size and weight of vehicles. Further, single axles within groups of axles are subject to the provisions and limitations of this chapter. Single axles within groups of axles may be weighed and evaluated separately, or—single-axles-may-be-prequantified-in-accordance-with-rules-or-ordinances-establihed-by-the-board-or-other-public-road-jurisdiction,-if—any—of-the-following-conditions-exist-regarding-the-single-axle-within-a-group-of-axles:

(a) A suspension system common to all axles in the group of axles does not exist;

(b) One or more axles in the group of axles is equipped with separate variable load suspension controls to regulate the weight carried by individual axles.
(c) One (i) or more axles in a group of axles is equipped with more or fewer tires than other axles in the group of axles. 
(d) All tires in the group of axles are not the same size as determined by the manufacturer's sidewall rating.

(7) Notwithstanding the other provisions of this chapter, no vehicle, motor vehicle, trailer and/or semitrailer, or combination thereof, may be operated on the public highways of the state under loads which would result in the withholding of funds by operation of controlling federal law as provided in the Federal Aid Highway Act of 1956, as amended.

(8) Except as provided herein, no vehicle or combination of vehicles may proceed past the place of weighing at temporary or permanent ports of entry or checking stations when: the weight of a single axle exceeds the maximum limitations set forth herein by two thousand (2,000) pounds or more; the weight of a combination of axles, or gross vehicle weight exceeds the maximum allowable weight as set forth herein by seven percent (7%) or more. Vehicles or combinations of vehicles which exceed the weight limitations set forth herein shall be required to be brought into compliance with applicable weight limitations contained within this subsection at the place of weighing prior to continuing, except those vehicles or combinations of vehicles which are transporting loads which, in the determination of the board or other proper authorities in charge of or having jurisdiction over a highway, are deemed unsafe or impractical to bring into compliance at the place of weighing, and except those vehicles which do not exceed fifteen percent (15%) over maximum axle and axle group weights set forth in this section. Vehicles or combinations of vehicles transporting loads in this latter category shall obtain a travel authorization to the nearest place of safe unloading, load adjustment or other means of legalization.

(a) Neither the state of Idaho or its employees, nor any authority and its employees in charge of or having jurisdiction over a highway, shall be held liable for personal injury or property damage resulting from the requirements of section 49-1001(8), Idaho Code. 
(b) The fee for a travel authorization as set forth above shall be fifty dollars ($50.00) and shall be on a form prescribed by the board or other proper authorities, and shall not be construed as contributing to a reduction in the penalties prescribed in section 49-1013, Idaho Code.
(c) The board or other proper authorities in charge of or having jurisdiction over a highway shall adopt and enforce administrative rules as may be necessary to carry out the provisions of this section.

(9) For vehicles on all highways except the United States federal interstate and defense highways of this state, the following table shall apply:

The weight allowances provided in this subsection do not apply if the total gross weight of a vehicle or combination of vehicles is intended to exceed eighty thousand (80,000) pounds as declared by the operator. When the provisions of this subsection are applicable to a vehicle or combination of vehicles, it shall be a violation of the provisions of this subsection if that vehicle or combination of vehicles exceeds the weights specified in this table.

(10) When owned by or under contract to or under authority of a city, county, or state agency, refuse/sanitation trucks transporting refuse may be operated on public highways in accordance with the weights allowed in subsection (9) of this section, except that such trucks equipped with single rear axles are allowed twenty-four thousand (24,000) pounds on that single rear axle when specifically authorized by the public highway agency governing the highways over which the refuse/sanitation truck is operating and provided the following conditions are met:

(a) The weight allowances provided for in this subsection shall not apply to the United States federal interstate and defense highways of the state; and

(b) The owner or operator has paid an annual operating fee for a permit, not to exceed fifty dollars ($50.00) per refuse/sanitation truck to each public agency governing the public highways over which the refuse/sanitation truck operates. The permit shall be carried in
the refuse/sanitation truck. The permit fee may be waived by a public agency for refuse/sanitation trucks operated over public highways under that agency's jurisdiction.

(11) Variable load suspension axles shall meet the following criteria in order to be included in the computation of gross vehicle or axle weight limits for vehicles under the provisions of this section:

15-7-502. SPENDTHRIFT TRUSTS. (1) A settlor may provide in the terms of the trust that the interest of a beneficiary in the income or in the principal or in both may not be voluntarily or involuntarily transferred before payment or delivery of the interest to the benefici­ciary by the trustee.
(2) A declaration in a trust instrument that the interest of a benefi­ciary shall be held subject to a "spendthrift trust" is sufficient to restrain voluntary or involuntary alienation of the interest by a benefi­ciary to the maximum extent permitted under this section.
(3) Validity of a restraint on transfer in a trust document shall not require specific reference to or identical verbiage set forth in subsection (1) or (2) of this section.
(4) If a person is both a settlor and beneficiary of the same trust, a provision restraining the voluntary or involuntary transfer of the settlor's beneficial interest in such trust does not prevent the settlor's creditors from satisfying claims from the settlor's interest in the trust estate that relates to the portion of the trust that was contributed by the settlor. For the purposes of this subsection (4), however, a settlor shall not be considered to be a beneficiary of an irrevocable trust created by the settlor and taxed for federal income tax purposes pursuant to the grantor trust rules of the Internal Revenue Code, sections 671 through 679, inclusive, if the settlor's only benefi­cial interest in such trust consists of the right to receive a distribu­tion from such trust in an amount equal to or less than the amount of the federal and state income tax liability incurred by the settlor as a result of such trust being characterized as a grantor trust pursuant to the aforementioned grantor trust rules.
(5) A beneficiary of a trust shall not be considered a settlor of a trust merely because of a lapse, waiver or release of:
(a) A power described in subsection (6) of this section; or
(b) The beneficiary's right to withdraw a part of the trust property to the extent that the value of the property affected by the lapse, waiver or release in any calendar year does not exceed the greater of the amount specified in:
   (i) Section 2041(b)(2) or 2514(e) of the Internal Revenue Code of 1986, as amended; or
   (ii) Section 2503(b) of the Internal Revenue Code of 1986, as amended.

(6) A beneficiary of a trust shall not be considered a settlor, to have made a voluntary or involuntary transfer of the beneficiary's interest in a trust, or to have the power to make a voluntary or involuntary transfer of the beneficiary's interest in the trust, merely because the beneficiary, in any capacity including, but not limited to, as a trustee, holds or exercises:
   (a) A presently exercisable power to:
       (i) Consume, invade, appropriate or distribute property to or for the benefit of the beneficiary, if the power is either exercisable only on consent of another person holding an interest adverse to the beneficiary's interest or limited by an ascertainable standing including, but not limited to, health, education, support or maintenance of the beneficiary; or
       (ii) Exercise a limited power of appointment, as defined in the Internal Revenue Code of 1986, as amended, including, but not limited to, the power to appoint any property of the trust to or for the benefit of a person other than the beneficiary, a creditor of the beneficiary, the beneficiary's estate, or a creditor of the beneficiary's estate;
   (b) A testamentary power of appointment; or
   (c) A presently exercisable right described in subsection (5)(b) of this section.

SECTION 5. That Section 55-905, Idaho Code, be, and the same is hereby amended to read as follows:

55-905. FRAUDULENT TRANSFERS OF PERSONALITY. All deeds of gift, all conveyances, and all transfers or assignments, verbal oral or written, of goods, chattels, or things in action, made in trust for the use of the person making the same, are void as against the creditors, existing or subsequent, of such person. However, a settlor's retained right to receive distributions from a trust in an amount equal to or less than the federal and state income tax liability incurred by such settlor as a result of such trust being characterized as a grantor trust pursuant to the rules of the Internal Revenue Code of 1986, as amended, sections 671 through 679, inclusive, shall not be considered a deed of gift, conveyance, transfer or assignment that is made in trust for the use of the person making the same.

The commission is hereby authorized to establish a limit annually as to the number of each kind and class of licenses, tags, or permits to be sold or issued and is further authorized to limit the number or prohibit entirely, the participation by nonresidents in controlled hunts.

(3) Outfitters Set-aside. When the commission establishes a limit as to the number of nonresident deer tags and nonresident elk tags, it shall set aside annually a maximum of twenty-five percent (25%) of the nonresident deer tag and nonresident elk tag limit. The set-aside tags shall be sold pursuant to commission rule, only to persons that have entered into an agreement for that year to utilize the services of an outfitter licensed pursuant to chapter 21, title 36, Idaho Code.

In order for a person to purchase any set-aside nonresident deer tag or nonresident elk tag, that person's outfitter must submit an application with the proper fees as required by the director. If any nonresident deer tags or nonresident elk tags set aside pursuant to this subsection are unsold by July 1 of the year in which they were set aside, they may be sold by the department to the general public who are nonresidents. The commission may promulgate all necessary rules to implement
the provisions of this subsection.

ber of deer or elk tags available for use in any game management area,
unit or zone, the commission may allocate by rule a number of deer or

may be retained by the organization. The tag to be issued pursuant
to this subsection shall be taken from the nonresident bighorn sheep
tag quota. The net proceeds shall be forwarded to the director for
deposit in the fish and game expendable trust account and shall be
used for bighorn sheep research and management purposes. Moneys
raised pursuant to this subsection may not be used to transplant
additional bighorn sheep into that portion of southwest Idaho south

department of fish and game to an eligible person drawn from the
lottery provided in this subsection. No more than twenty-five per-
cent (25%) of gross revenue can be retained for administrative costs
by the organization. All net proceeds for the tag disposed of by
lottery pursuant to this subsection shall be remitted to the depart-
ment and deposited in the fish and game expendable trust account.
Moneys in the account from the lottery bighorn sheep tag shall be
utilized by the department in solving problems between bighorn sheep

No more than five percent (5%) of all proceeds for each tag may be retained by the nonprofit organization for administrative costs involved. Each wolf tag shall be issued by the department of fish and game and awarded to the highest eligible bidder or winner of a lottery. AN ACT

RELATING TO THE PUBLIC EMPLOYEE RETIREMENT SYSTEM; AMENDING SECTION 33-1228, IDAHO CODE, TO PROVIDE THAT CERTAIN CONTRIBUTIONS SHALL BE HELD IN TRUST, TO PROVIDE THAT THE RETIREMENT BOARD SHALL SERVE AS TRUSTEE OF THE TRUST, TO SET FORTH LIMITATIONS APPLICABLE TO TRUST ASSETS AND TO PROVIDE THAT TRUST ASSETS MAY BE COMMINGLED FOR INVESTMENT PURPOSES WITH OTHER ASSETS MANAGED BY THE RETIREMENT BOARD; AMENDING SECTION 67-5333, IDAHO CODE, TO PROVIDE THAT CERTAIN CONTRIBUTIONS SHALL BE HELD IN TRUST, TO PROVIDE THAT THE RETIREMENT BOARD SHALL SERVE AS TRUSTEE OF THE TRUST, TO SET FORTH LIMITATIONS APPLICABLE TO TRUST ASSETS AND TO PROVIDE THAT TRUST ASSETS MAY BE COMMINGLED FOR INVESTMENT PURPOSES WITH OTHER ASSETS MANAGED BY THE RETIREMENT BOARD.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 33-1228, Idaho Code, be, and the same is hereby amended to read as follows:

33-1228. SEVERANCE ALLOWANCE AT RETIREMENT. (1) Upon separation from public school employment by retirement in accordance with chapter 13, title 59, Idaho Code, an employee's unused sick leave shall be determined based on accumulated sick leave earned subsequent to July 1, 1976, as provided by section 33-1218, Idaho Code, and shall be reported by the employer to the Idaho public employee retirement system. A sum equal to one-half (1/2) of the monetary value of such unused sick leave, calculated at the rate of pay for such employee at the time of retirement, as determined by the retirement board, shall be transferred from the sick leave account provided by subsection (2) of this section and shall be credited to such employee's retirement account. Such sums shall be used by the retirement board to continue to pay, subject to applicable federal tax limits:

(a) Premiums for the retiree and the retiree's dependents at the rate for the active employee's group health, long-term care, vision, prescription drug and dental insurance programs as maintained by the employer for the active employees until the retiree and/or the retiree's spouse becomes eligible for medicare at which time the district shall make available a supplemental program to medicare for the eligible individual. Upon the death of the retiree the surviving spouse's health coverage shall be available and continued under the same terms and conditions as the retiree. Coverage may be continued for the retiree's surviving dependent spouse and dependents until remarriage of the spouse or until the retiree's surviving dependent spouse is eligible for a group health program by an employer. The medicare supplement program will provide the same premium and benefits for all retirees of all the employers served by the same insurance carrier. However, a school district may make available to all retirees from that district other benefits in addition to the medicare supplement program and the retiree or the district shall pay for such additional benefits.
(b) Premiums at the time of retirement for the retiree for the life insurance program maintained by the employer which may be reduced to a minimum of five thousand dollars ($5,000) of coverage.

(2) The retiree may continue to pay the premiums for the health, accident, dental and life insurance to the extent of the funds credited to the employee's account pursuant to this section and when these funds are expended the premiums may be deducted from the retiree's allowance. Upon a retiree's death, any unexpended sums remaining in the retiree's account shall revert to the sick leave account. If funds are not available for payment by the Idaho public employee retirement system from the retiree's surviving dependent spouse's allowance, the insurance carrier shall implement a direct billing procedure to permit the retiree's surviving spouse to continue coverage.

(3) Each employer shall contribute to a sick leave account maintained by the public employee retirement system in trust exclusively for the purpose of the provisions of this section. The retirement board shall serve as trustee of the trust and shall be indemnified to the same extent as provided in section 59-1305, Idaho Code. Assets in the trust shall not be assignable or subject to execution, garnishment or attachment or to the operation of any bankruptcy or insolvency law. The rate of such contribution each pay period shall consist of a percentage of employees' salaries as determined by the board, and such rate shall remain in effect until next determined by the board. Any excess balance in the sick leave account shall be invested, and the earnings therefrom shall accrue to the sick leave account except the amount required by the board to defray administrative expenses. Assets of the trust may be commingled for investment purposes with other assets managed by the retirement board. All moneys payable to the sick leave account are hereby perpetually appropriated to the board, and shall not be included in its departmental budget.

(4) For purposes of this section public school employment shall be defined to permit inclusion of employees of organizations funded by school districts or of contributions of employees of school districts.

SECTION 2. That Section 67-5333, Idaho Code, be, and the same is hereby amended to read as follows:

67-5333. SICK LEAVE. (1) Sick leave shall be computed as follows:

(a) The rate per hour at which sick leave shall accrue to classified officers and employees earning credited state service shall be at the rate represented by the proportion 96/2080. Sick leave shall accrue without limit, and shall be transferable from department to department.

(b) Sick leave shall not accrue to any officer or employee on any kind of leave of absence without pay, suspension without pay or layoff. Sick leave shall accrue while an officer or employee is on approved leave with pay, on approved vacation leave, on approved military leave with pay, and on approved sick leave, but not when compensatory time or earned administrative leave is taken.

(c) All accrued sick leave shall be forfeited at the time of separation from state service and no officer or employee shall be reimbursed for accrued sick leave at the time of separation, except as provided in subsection (2) of this section. If such officer or employee returns to credited state service within three (3) years of
such separation, all sick leave credits accrued at the time of separation shall be reinstated, except to the extent that unused sick leave was utilized for the purposes specified in subsection (2) of this section.
(d) Sick leave shall be taken on a workday basis. Regularly scheduled days off and officially designated holidays falling within a period of sick leave shall not be counted against sick leave. Sick leave shall not be taken in advance of being earned.
(e) In cases where absences for sick leave exceed three (3) consecutive working days, the appointing authority may require verification by a physician or other authorized practitioner.
(f) If an absence for illness or injury extends beyond the sick leave accrued to the credit of the officer or employee, the officer or employee may be granted leave without pay.
(g) The administrator shall prescribe additional requirements for sick leave for classified officers and employees on a part-time or irregular schedule, for maintaining sick leave records, for funeral leave, and such other applicable purposes as necessary.
(2) Unused sick leave may be used as follows:
(a) Upon separation from state employment by retirement in accordance with chapter 13, title 59 or chapter 1, title 33, Idaho Code, an employee's unused sick leave shall be determined based on accumulated sick leave earned subsequent to July 1, 1976, and shall be reported by the employer to the public employee retirement system. Upon separation from state employment by retirement in accordance with chapter 20, title 1, Idaho Code, an employee's unused sick leave shall be determined based on accumulated sick leave earned subsequent to July 1, 2000, and shall be reported by the employer to the public employee retirement system. A sum equal to one-half (1/2), or the maximum amount allowed by paragraph (b) of this subsection (2), whichever is the lesser, of the monetary value of such unused sick leave, calculated at the rate of pay for such employee at the time of retirement, as determined by the retirement board, shall be transferred from the sick leave account provided by paragraph (c) of this subsection (2) and shall be credited to such employee's retirement account. Such sums shall be used by the Idaho public employee retirement board to pay premiums, subject to applicable federal tax limits, for such group health, dental, vision, long-term care, prescription drug and life insurance programs as may be maintained by the state, to the extent of the funds credited to the employee's account pursuant to this section. Upon an employee's death, any unexpended sums remaining in the account shall revert to the sick leave account.
(b) For the purposes of determining the monetary value of unused sick leave, the maximum unused sick leave which may be considered, shall be:
   (i) During the first ten thousand four hundred (10,400) hours of credited state service, the maximum unused sick leave which may be considered shall be four hundred twenty (420) hours;
   (ii) During the second ten thousand four hundred (10,400) hours of credited state service, the maximum unused sick leave which may be considered shall be four hundred eighty (480) hours;
   (iii) During the third ten thousand four hundred (10,400) hours
of credited state service, the maximum unused sick leave which may be considered shall be five hundred forty (540) hours; and
(iv) Thereafter, the maximum unused sick leave which may be considered shall be six hundred (600) hours.

(c) Each employer in state government shall contribute to a sick leave account maintained by the public employee retirement system in trust exclusively for the purpose of the provisions of this section. The retirement board shall serve as trustee of the trust and shall be indemnified to the same extent as provided in section 59-1305, Idaho Code. Assets in the trust shall not be assignable or subject to execution, garnishment or attachment or to the operation of any bankruptcy or insolvency law. The rate of such contribution each pay period shall consist of a percentage of employees' salaries as determined by the board, and such rate shall remain in effect until next determined by the board. Any excess balance in the sick leave account shall be invested, and the earnings therefrom shall accrue to the sick leave account except the amount required by the board to defray administrative expenses. Assets of the trust may be commingled for investment purposes with other assets managed by the retirement board. All moneys payable to the sick leave account are hereby perpetually appropriated to the board, and shall not be included in its departmental budget. The state insurance fund and public health districts shall be considered employers in state government for purposes of participation under this section.

Notice of the time and place of such hearing shall be given, by each such district, by two (2) publications in a newspaper of general circulation in the district, the first and last
publications being not less than six (6) days apart.

At such hearings, any school district elector or taxpayer of the district may appear and be heard, and may request any information from the board of trustees, concerning the proposed consolidation. Records of the hearings shall be entered in the minutes of each board of trustees and shall be included with the plan of proposed consolidation if and when it is submitted to the state board of education.

Following any hearing, it shall be within the discretion of the board of trustees of any proposing district whether it shall further proceed in the plan for consolidating the districts.

SECTION 2. That Section 33-310B, Idaho Code, be, and the same is hereby amended to read as follows:

33-310B. FEASIBILITY STUDY AND PLAN FOR CONSOLIDATION. All school districts operating one (1) or more high schools may conduct a feasibility study and prepare a plan for school consolidation, which may also include school district consolidation. The cost of such feasibility studies and plans shall be reimbursed at an amount not to exceed ten thousand dollars ($10,000) per study each school district that proposes to consolidate, in accordance with rules promulgated by the state board of education. The state board of education shall review and act upon all plans for school consolidation.

SECTION 3. That Chapter 5, Title 33, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW SECTION, to be known and designated as Section 33-521, Idaho Code, and to read as follows:

33-521. EMPLOYEE SEVERANCE IN CONSOLIDATED DISTRICT. The board of trustees of any school district newly formed within the last twelve (12) months through the consolidation of two (2) or more school districts may offer a one (1) time severance payment to a maximum of ten percent (10%) of the employees that were previously employed by the separate school districts. Such severance offers shall be made entirely at the discretion of the board of trustees, and shall not be bound by custom, seniority or contractual commitment. Employees are under no obligation to accept a severance offer. Any employee accepting a severance payment shall not be eligible for reemployment by the school district for a one (1) year period thereafter.

The severance payment shall consist of fifty-five percent (55%) of the salary-based apportionment funds allocated for the employee in the last year, plus any applicable state paid employee benefits. Such severance shall be reduced by one-half (1/2) for any employee who is simultaneously receiving a disbursement of early retirement incentive funds, pursuant to section 33-1004G, Idaho Code. The state department of education shall reimburse eligible school districts for one hundred percent (100%) of such costs, upon application by the school district.

SECTION 4. That Section 33-906, Idaho Code, be, and the same is hereby amended to read as follows:

33-906. BOND LEVY EQUALIZATION SUPPORT PROGRAM. (1) Pursuant to section 33-906B, Idaho Code, school districts with a value index below one (1) shall be eligible to receive additional state financial assis-
tance for the cost of annual bond interest and redemption payments made on bonds passed on or after September 15, 2002. However, any school dis-

trict with a value index of less than one and one-half (1.5), shall receive no less than ten percent (10%) of the interest cost portion of the annual bond interest and redemption payment for bonds passed on or after September 15, 2002. The state department of education shall dis­

burse such funds to school districts from moneys appropriated from the bond levy equalization fund. The department shall disburse the funds by no later than September 1 of each year for school districts in which voters have approved the issuance of qualifying bonds by no later than January 1 of that calendar year, and which are certifying a qualifying bond interest and redemption payment for the fiscal year in which the disbursement is made. For districts with a value index below one (1), the percentage of each annual bond interest and redemption payment that is paid by the state shall be determined by dividing the difference between one (1) and the school district's value index by one (1).

(2) For the purposes of this section, the annual bond interest and redemption payment shall be determined by dividing the total payment amounts by the number of fiscal years in which payments are to be made. The interest cost portion of the annual bond interest and redemption payment shall be determined by dividing the total interest paid by the number of fiscal years in which payments are to be made. For school dis­

tricts not qualifying for a state payment in the first year of the bond interest and redemption payment schedule, due solely to the January 1 eligibility deadline, the state department of education shall distribute an additional payment in the next fiscal year, in the amount of such funds that the school district would have otherwise qualified for in the current fiscal year.

(3) The provisions of this section may not be utilized to refinance existing debt or subsidize projects previously subsidized by state grants; provided however, that any school district that has issued qual­

ifying bonds prior to June 30, 2004, in conformance with this section shall not be deemed to be refinancing existing debt when the qualifying bonds are utilized to finance the acquisition of public school facili­

ties previously leased or financed through means other than the issuance of general obligation bonds approved by a two-thirds (2/3) vote at an election called for that purpose subject to subsection (5) of this sec­

tion.

(4) School districts shall annually report the status of all quali­

fying bonds to the state department of education by January 1 of each year, including bonds approved by the voters, but not yet issued. Infor­

mation submitted shall include the following:

(a) The actual or estimated bond interest and redemption payment schedule;

(b) Any qualifying bond that has been paid off;

(c) Other information as may be required by the state department of education.

(5) No school district eligible for participation in the bond levy equalization support program shall be deemed ineligible for participa­

tion due to that school district's eligibility and prior participation in the safe school facilities loan and grant program or the Idaho safe schools facilities program under section 33-804A, 33-1017 or 33-1613, Idaho Code, provided that:

(a) Such school district notifies the state department of education
of its desire and eligibility to participate in the bond levy equalization support program; and

(b) Such school district shall receive no state financial assistance under the bond levy equalization support program until the amount to which it would otherwise have been entitled to receive shall equal the amounts received by the school district under the safe school facilities loan and grant program or the Idaho safe schools facilities program under section 33-804A, 33-1017 or 33-1613, Idaho Code.

(6) Any school district formed as a result of the consolidation of two (2) or more school districts that passes an eligible bond within three (3) years of the successful consolidation election shall participate in the bond levy equalization support program at the district's actual value index minus twenty-five hundredths (.25). This adjustment shall apply for the duration of the bond interest and redemption payment schedule. If a school district advantaged by this subsection (6) deconsolidates either during the applicable bond interest and redemption payment schedule, or within a three (3) year period thereafter, each deconsolidated district shall, upon deconsolidation, repay to the bond levy equalization fund all additional subsidies received pursuant to this subsection (6). The proportions owed by each deconsolidated district shall be determined by the proportion that each district's market value for assessment purposes bears to the whole.

SECTION 5. That Section 33-1002, Idaho Code, be, and the same is hereby amended to read as follows:

33-1002. EDUCATIONAL SUPPORT PROGRAM. The educational support program is calculated as follows:

(1) State Educational Support Funds. Add the state appropriation, including the moneys available in the public school income fund, together with all miscellaneous revenues to determine the total state funds.

(2) From the total state funds subtract the following amounts needed for state support of special programs provided by a school district:

(a) Pupil tuition-equivalency allowances as provided in section 33-1002B, Idaho Code;
(b) Transportation support program as provided in section 33-1006, Idaho Code;
(c) Feasibility studies allowance as provided in section 33-1007A, Idaho Code;
(d) The approved costs for border district allowance, provided in section 33-1403, Idaho Code, as determined by the state superintendent of public instruction;
(e) The approved costs for exceptional child approved contract allowance, provided in subsection 2. of section 33-2004, Idaho Code, as determined by the state superintendent of public instruction;
(f) Certain expectant and delivered mothers allowance as provided in section 33-2006, Idaho Code;
(g) Salary-based apportionment calculated as provided in sections 33-1004 through 33-1004F, Idaho Code;
(h) Unemployment insurance benefit payments according to the provisions of section 72-1349A, Idaho Code;
(i) For expenditure as provided by the public school technology program;
(j) For employee severance payments as provided in section 33-521, Idaho Code;
(k) For the support of provisions that provide a safe environment conducive to student learning and maintain classroom discipline, an allocation of $300 per support unit; and
(l) Any additional amounts as required by statute to effect administrative adjustments or as specifically required by the provisions of any bill of appropriation;
to secure the total educational support distribution funds.

(3) Average Daily Attendance. The total state average daily attendance shall be the sum of the average daily attendance of all of the school districts of the state. The state board of education shall establish rules setting forth the procedure to determine average daily attendance and the time for, and method of, submission of such report. Average daily attendance calculation shall be carried out to the nearest hundredth. Computation of average daily attendance shall also be governed by the provisions of section 33-1003A, Idaho Code.

(4) Support Units. The total state support units shall be determined by using the tables set out hereafter called computation of kindergarten support units, computation of elementary support units, computation of secondary support units, computation of exceptional education support units, and computation of alternative school secondary support units. In applying these tables to any given separate attendance unit, no school district shall receive less total money than it would receive if it had a lesser average daily attendance in such separate attendance unit. In applying the kindergarten table to a kindergarten program of less days than a full school year, the support unit allowance shall be in ratio to the number of days of a full school year. The tables for exceptional education and alternative school secondary support units shall be applicable only for programs approved by the state department of education following rules established by the state board of education. Moneys generated from computation of support units for alternative schools shall be utilized for alternative school programs. School district administrative and facility costs may be included as part of the alternative school expenditures.

(5) State Distribution Factor per Support Unit. Divide educational support program distribution funds, after subtracting the amounts necessary to pay the obligations specified in subsection (2) of this section, by the total state support units to secure the state distribution factor per support unit.

(6) District Support Units. The number of support units for each school district in the state shall be determined as follows:

(a) (i) Divide the actual average daily attendance, excluding students approved for inclusion in the exceptional child educational program, for the administrative schools and each of the separate schools and attendance units by the appropriate divisor from the tables of support units in this section, then add the quotients to obtain the district's support units allowance for regular students, kindergarten through grade 12 including...
alternative school secondary students. Calculations in application of this subsection shall be carried out to the nearest tenth.

(ii) Divide the combined totals of the average daily attendance of all preschool, handicapped, kindergarten, elementary, secondary and juvenile detention center students approved for inclusion in the exceptional child program of the district by the appropriate divisor from the table for computation of exceptional education support units to obtain the number of support units allowed for the district's approved exceptional child program. Calculations for this subsection shall be carried out to the nearest tenth when more than one (1) unit is allowed.

(iii) The total number of support units of the district shall be the sum of the total support units for regular students, subsection (6)(a)(i) of this section, and the support units allowance for the approved exceptional child program, subsection (6)(a)(ii) of this section.

(b) Total District Allowance Educational Program. Multiply the district's total number of support units, carried out to the nearest tenth, by the state distribution factor per support unit and to this product add the approved amount of programs of the district provided in subsection (2) of this section to secure the district's total allowance for the educational support program.

(c) District Share. The district's share of state apportionment is the amount of the total district allowance, subsection (6)(b) of this section.

(d) Adjustment of District Share. The contract salary of every non-certificated teacher shall be subtracted from the district's share as calculated from the provisions of subsection (6)(c) of this section.

(7) Property Tax Computation Ratio. In order to receive state funds pursuant to this section a charter district shall utilize a school maintenance and operation property tax computation ratio for the purpose of calculating its maintenance and operation levy, that is no greater than that which it utilized in tax year 1994, less four-tenths of one percent (0.4%). As used herein, the term "property tax computation ratio" shall mean a ratio determined by dividing the district's certified property tax maintenance and operation budget by the actual or adjusted market value for assessment purposes as such values existed on December 31, 1993. Such maintenance and operation levy shall be based on the property tax computation ratio multiplied by the actual or adjusted market value for assessment purposes as such values existed on December 31 of the prior calendar year.

SECTION 6. That Section 33-1003, Idaho Code, be, and the same is hereby amended to read as follows:

33-1003. SPECIAL APPLICATIONS OF EDUCATIONAL SUPPORT PROGRAM. (1) Decrease in Average Daily Attendance. -- Any school district which has a decrease in total average daily attendance of one percent (1%) of its average daily attendance in the then current school year from the total average daily attendance used for determining the allowance in the educational support program for the school year immediately preceding, the
allowance of funds from the educational support program may be based on the average daily attendance of the school year immediately preceding, less one percent (1%). When this provision is applied, the decrease in average daily attendance shall be proportionately distributed among the various categories of support units that are appropriate for the district.

(2) Application of Support Program to Separate Schools/Attendance Units in District.

(a) Separate Elementary School. — Any separate elementary school shall be allowed to participate in the educational support program as though the school were the only elementary school operated by the district.

(b) Hardship Elementary School. — Upon application of the board of trustees of a school district, the state board of education is empowered to determine that a given elementary school or elementary schools within the school district, not otherwise qualifying, are entitled to be counted as a separate elementary school as defined in section 33-1001, Idaho Code, when, in the discretion of the state board of education, special conditions exist warranting the retention of the school as a separate attendance unit and the retention results in a substantial increase in cost per pupil in average daily attendance above the average cost per pupil in average daily attendance of the remainder of the district's elementary grade school pupils. An elementary school operating as a previously approved hardship elementary school shall continue to be considered as a separate attendance unit, unless the hardship status of the elementary school is rescinded by the state board of education.

(c) Separate Secondary School. — Any separate secondary school shall be allowed to participate in the educational support program as though the school were the only secondary school operated by the district.

(d) Elementary/Secondary School Attendance Units. — Elementary grades in an elementary/secondary school will be funded as a separate attendance unit if all elementary grades served are situated more than ten (10) miles distance from both the nearest like elementary grades within the same school district and from the location of the office of the superintendent of schools of such district, or from the office of the chief administrative officer of such district if the district employs no superintendent of schools. Secondary grades in an elementary/secondary school will be funded as a separate attendance unit if all secondary grades served are located more than fifteen (15) miles by an all-weather road from the nearest like secondary grades operated by the district.

(e) Hardship Secondary School. — Any district which operated two (2) secondary schools separated by less than fifteen (15) miles, but which district was created through consolidation subsequent to legislative action pursuant to chapter 111, laws of 1947, and which school buildings were constructed prior to 1935, shall be entitled to count the schools as separate attendance units.

(f) Minimum Pupils Required. — Any elementary school having less than ten (10) pupils in average daily attendance shall not be allowed to participate in the state or county support program unless the school has been approved for operation by the state board of education.
(3) Remote Schools. -- The board of trustees of any Idaho school district which operates and maintains a school which is remote and isolated from the other schools of the state because of geographical or topographical conditions may petition the state board of education to recognize and approve the school as a remote and necessary school. The petition shall be in form and content approved by the state board of education and shall provide such information as the state board of education may require. Petitions for the recognition of a school as a remote and necessary school shall be filed annually at least ninety (90) days prior to the date of the annual meeting of the board of trustees as established in section 33-510, Idaho Code.

Within forty-five (45) days after the receipt of a petition for the recognition of a remote and necessary school, the state board of education shall either approve or disapprove the petition and notify the board of trustees of its decision. Schools which the state board of education approves as being necessary and remote shall be allowed adequate funding within the support program for an acceptable educational program for the students of the school. In the case of a remote and necessary secondary school, grades 7-12, the educational program shall be deemed acceptable when, in the opinion of the state board of education, the accreditation standard relating to staff size, established in accordance with section 33-119, Idaho Code, has been met. The final determination of an acceptable program and adequate funding in the case of a remote and necessary elementary school shall be made by the state board of education.

(4) Support Program When District Boundaries are Changed.

(a) In new districts formed by the division of a district, the support program computed for the district divided in its last year of operation, shall be apportioned to the new districts created by the division, in the proportion that the average daily attendance of pupils, elementary and secondary combined, residing in the area of each new district so created, is to the average daily attendance of all pupils, elementary and secondary combined, in the district divided in its last year of operation before the division.

(b) When boundaries of districts are changed by excision or Annexation of territory, the support program of any district from which territory is excised for the last year of operation before such excision shall be divided, and apportioned among the districts involved, as prescribed in subsection (4)(a) of this section.

(c) In new districts formed by consolidation of former districts after January 1, 2007, the support program allowance for a seven (7) year period following the formation of the new district, shall not be less than the combined support program allowances of the component districts in the last year of operation before consolidation. After the expiration of this period, the state department of education shall annually calculate the number of support units that would have been generated had the previous school districts not consolidated. All applicable state funding to the consolidated district shall then be provided based on a support unit number that is halfway between this figure and the actual support units, provided that it cannot be less than the actual support units.

SECTION 7. That Section 33-906B, Idaho Code, be, and the same is hereby amended to read as follows:
33-906B. VALUE INDEX CALCULATION. The state department of education shall establish a value index for each school district, based on each school district's market value per support unit for equalization purposes, the average annual seasonally-adjusted unemployment rate in the county in which a plurality of the school district's market value for assessment purposes of taxable property is located and the per capita income in the county in which a plurality of the school district's market value for assessment purposes is located. The value index for each school district shall be calculated as the sum of the following three (3) components:

(1) The state department of education shall annually calculate the market value per support unit that is used to equalize school funding for each school district in the state, and the statewide average. The first portion of the value index shall be calculated by dividing the school district's market value for equalization purposes per support unit by the statewide average market value for equalization per support unit and dividing the result of this calculation by two (2).

(2) The second portion of the value index shall be calculated by dividing the statewide unemployment rate by the unemployment rate in the county in which a plurality of the school district's market value for assessment purposes of taxable property is located, and dividing the result of this calculation by four (4). For the purposes of this subsection, the statewide unemployment rate and county unemployment rates shall be based on the most recent average annual seasonally-adjusted unemployment rate data reported by the United States department of labor, for which there is a complete calendar year of data.

(3) The third portion of the value index shall be calculated by dividing the county per capita income in the county in which a plurality of the school district's market value for assessment purposes of taxable property is located by the statewide per capita income, and dividing the result of this calculation by four (4). For the purposes of this subsection, the statewide per capita income and county per capita income shall be based on the most recent data reported by the United States department of commerce, for which there is a complete calendar year of data.

If a bond is passed by a subdistrict created pursuant to section 33-351, Idaho Code, the index used shall be that of the school district. For subdistricts created as a result of consolidation, for the purposes of retiring prior bonded indebtedness, pursuant to section 33-311, Idaho Code, the subdistrict shall retain the value index factor calculated in subsection (1) of this section, as such factor was calculated in the subdistrict's last fiscal year as a separate school district. The remaining components of the subdistrict's value index calculation shall be that of the consolidated school district, as calculated each year.

SECTION 8. An emergency existing therefor, which emergency is hereby declared to exist, this act shall be in full force and effect on and after its passage and approval, and retroactively to January 1, 2007.

Approved March 14, 2007.

(S.B. No. 1053)

AN ACT
RELATING TO CREDIT GUARANTEES FOR SCHOOL DISTRICTS; AMENDING SECTION
57-728, IDAHO CODE, TO PROVIDE THAT THE AMOUNT OF DEBT GUARANTEED BY
THE CREDIT ENHANCEMENT PROGRAM SHALL NOT BE GREATER THAN FOUR TIMES
THE AMOUNT MADE AVAILABLE BY THE PUBLIC SCHOOL PERMANENT ENDOWMENT
FUND; AND AMENDING SECTION 33-5303, IDAHO CODE, TO PROVIDE A MAXIMUM
AMOUNT OF SCHOOL DISTRICT BONDS THAT MAY BE GUARANTEED, TO PROVIDE
AN EXCEPTION, TO PROVIDE THE MAXIMUM AMOUNT OF SCHOOL DISTRICT BONDS
THAT MAY BE GUARANTEED WHEN SCHOOL DISTRICTS CONSOLIDATE AND TO MAKE

Be It Enacted by the Legislature of the State of Idaho:

hereby amended to read as follows:

57-728. CREDIT ENHANCEMENT PROGRAM FOR SCHOOL DISTRICT BONDS. (1) The
dependent fund investment board shall administer a school district
bond credit enhancement program in accordance with this section and in
conjunction with chapter 53, title 33, Idaho Code, and may promulgate
rules to implement it. This program applies to voter approved bonds
issued by school districts. The program is intended to benefit school
districts by purchasing notes issued by the state of Idaho, whereby the
state may guarantee payment of school district bonded indebtedness in
order to avoid an imminent default, providing lower interest rates at
which the bonds may be issued.

(2) A school district that seeks the guarantee of bonds under this
program shall apply to the state treasurer pursuant to section 33-5304,
Idaho Code. The state treasurer shall transmit all approved applications
to the board. The board may challenge an approved application within
three (3) business days of their receipt of the same. If no challenge is
issued within three (3) business days the application shall be deemed
approved by the board. In the event of a challenge in writing to the
state treasurer, the treasurer and the board shall have ten (10) busi-
ness days to mutually approve the application. If after a challenge by
the board, the application is not mutually approved within the ten (10) business days, the application shall be deemed rejected. Nothing con-
tained herein shall prohibit a school district from reapplying following a rejected application.

(3) Upon approval of the credit enhancement program under this sec-
tion, the following shall be in effect in the event moneys from the
sales tax account or from the provisions of section 33-5309, Idaho Code,
are insufficient to pay the principal of and interest on the notes
issued by the state pursuant to section 33-5308, Idaho Code, the endow-
ment fund shall purchase new notes from the state, in accordance with
section 33-5308, Idaho Code, the proceeds of which shall be sufficient
to pay the principal of and the interest on the original notes as they
become due pursuant to section 33-5308, Idaho Code. The new notes
shall be subject to the following terms and conditions:

(a) The notes shall bear interest at a rate equal to an annual rate
ten percent (10%) higher than the average interest earned on the
investments of the public school permanent endowment fund in the
four (4) calendar quarters preceding the quarter in which the loan
occurred and if this figure is not equal to the percentage return of
the fund's highest category of investments in its portfolio, then
the interest rate shall equal that percentage return on investment,
plus all additional administrative costs related to these invest-
ments;

(b) The notes, including principal and interest, shall be repaid
from the district's next payments pursuant to chapter 8, title 33,
Idaho Code, as collected by the state treasurer;

(c) The state may make additional payments on the note;

(d) The endowment fund investment board may require the state trea-
surer to compel the school district to modify its fiscal practices
and its general operations if the board determines that there is a
substantial likelihood that the district will not be able to make
future payments required under this section.

(4) The provisions of this section shall not be deemed to interfere
with the state treasurer's ability in chapter 53, title 33, Idaho Code,
to obtain repayment of a delinquent obligation.

(5) For purposes of administering the provisions of this section,
the board shall make available the sum of at least two hundred million
dollars ($200,000,000) from the public school permanent endowment fund,
for purposes of purchasing notes as authorized by this section. The
amount of debt guaranteed by the credit enhancement program shall not be
greater than three four (94) times the amount made available by the pub-

SECTION 2. That Section 33-5303, Idaho Code, be, and the same is
hereby amended to read as follows:

33-5303. STATE'S GUARANTEE -- MONITORING OF FINANCIAL SOLVENCY CON-
TRACT WITH BONDHOLDERS -- GUARANTEE -- LIMITATION AS TO CERTAIN REFUNDED
BONDS.

(1) (a) The state of Idaho pledges to and agrees with the holders
of any bonds that the state will not alter, impair, or limit the
rights vested by the default avoidance program with respect to the
bonds until the bonds, together with applicable interest, are fully
paid and discharged.
(b) Notwithstanding subsection (1)(a) of this section, nothing con-
tained in this chapter precludes an alteration, impairment, or limi-
tation if adequate provision is made by law for the protection of
the holders of the bonds.
(c) Each school district may refer to this pledge and undertaking
by the state in its bonds.

(2) (a) The sales tax of the state is pledged to guarantee full and
timely payment of the principal of, (either at the stated maturity
or by any advancement of maturity pursuant to a mandatory sinking
fund payment), and interest on, refunding bonds issued on and after
March 1, 1999, for voter approved bonds which were voted on by the
electorate prior to March 1, 1999, and voter approved bonds which
were voted on by the electorate on and after March 1, 1999, as such
payments shall become due, (except that in the event of any acceler-
ation of the due date of such principal by reason of mandatory or
optional redemption or acceleration resulting from default or other-
wise, other than any advancement of maturity pursuant to a mandatory
sinking fund payment, the payments guaranteed shall be made in such
amounts and at such times as such payments of principal would have
been due had there not been any such acceleration).
(b) This guaranty does not extend to the payment of any redemption
premium.
(c) Reference to this chapter by its title on the face of any bond
conclusively establishes the guaranty provided to that bond under
provisions of this chapter.

(3) (a) Any bond guaranteed under this chapter that is refunded and
considered paid for, no longer has the benefit of the guaranty pro-
vided by this chapter from and after the date on which that bond was
considered to be paid.
(b) Any refunding bond issued by a board that is itself secured by
government obligations until the proceeds are applied to pay
refunded bonds is not guaranteed under the provisions of this chap-
ter, until the refunding bonds cease to be secured by government
obligations.

(4) Only validly issued bonds issued after the effective date of
this chapter are guaranteed under this chapter.

(5) On and after July 1, 2007, state school bond guarantees issued
by the state of Idaho shall not exceed twenty million dollars
($20,000,000) in the aggregate per school district. Notwithstanding this
maximum limit, bond guarantees exceeding the twenty million dollar
($20,000,000) limit prior to July 1, 2007, shall remain in effect. In
the event school districts consolidate, the maximum state bond guarantee
of the newly consolidated school district shall be the sum of the maxi-
mum limit of each school district participating in the consolidation.
This new maximum limit shall also apply to bonds issued by the consoli-
dated district after July 1, 2007.

The instructional salary allocation shall be increased by the amount necessary for each full-time equivalent instructional staff member placed on the experience and education index to be allocated at least the minimum salary mandated by this section. Full-time instructional staff salaries shall be determined from a salary schedule developed by each district and sub-

2. To determine the apportionment for district administrative staff, first determine the district average experience and education index by placing all eligible certificated administrative employees on the statewide index provided in section 33-1004A, Idaho Code. The district administrative staff index shall be multiplied by the base salary of $34,773. The amount so determined shall be multiplied by the district staff allowance for administrative staff determined as provided in section 33-1004(3v), Idaho Code. The resulting amount is the district's salary-based apportionment for administrative staff.

3. To determine the apportionment for classified staff, multiply $19,207 by the district classified staff allowance determined as provided in section 33-1004(4v), Idaho Code. The amount so determined is the district's apportionment for classified staff.

(a) Each legal business entity shall have a properly licensed individual designated broker, who shall be held responsible for the activities of the licensed entity.

(b) The individual designated broker shall, within five (5) years immediately prior to the designation, satisfactorily complete a commission-approved business conduct and office operations course.

(c) The individual designated broker shall also hold the following legal position within the licensed entity:

(i) Corporation -- an officer;

(ii) Partnership or limited partnership -- a general partner;

(iii) Limited liability company -- a member or manager.

The individual designated broker for any business entity shall have full authority to act on behalf of the licensed business entity, and
shall submit sufficient and satisfactory proof thereof with the application for license. Such proof shall include a list of the entity's officers, directors, members or managers, as reflected in the minutes, resolutions or other similar business documents of the entity. All acts of that individual as designated broker shall be considered acts of the licensed business entity. Nothing in this section is intended to create liability to a legal business entity for illegal or fraudulent acts by the individual broker performed solely on his own account.

(d) A license issued to a legal business entity, as defined in this chapter, is effective only as long as the individual designated broker's license is in active status and in effect. If the individual so designated has a license refused, revoked, suspended or otherwise made inactive by the commission, or if the individual designated broker voluntarily surrenders the individual license or ceases to be connected with the entity in the manner required above, the business entity shall have ten (10) business days in which to designate another qualified individual as designated broker before the entity's license is terminated, and the licenses of all associated licensees are made inactive.

(e) One (1) individual may act as designated broker for more than one (1) licensed business entity, however, all entities shall have their main offices in the same physical location.

(f) Satisfactory proof of mandatory errors and omissions insurance shall be provided for both the individual designated broker and the licensed business entity.

(g) A legal business entity doing business under an assumed name shall provide satisfactory proof of having legally filed a certificate of assumed name with the Idaho secretary of state.

When a branch manager is a regular full-time employee or is engaged in a full-time activity at a location other than the place he is licensed to do business, a presumption will be made that the branch manager is unable to responsibly supervise the branch; provided however, the presumption may be overcome by evidence to the contrary which the commission determines to be satisfactory.

(c) A branch manager shall not be licensed to manage more than one branch office at a time.

(d) A license issued to a branch office is valid and in effect only as long as the license of the designated broker remains in active status. The license certificate of the branch office shall be signed by the designated broker.

A broker shall not lend or permit the use of the broker’s license, whether for compensation or not, to enable anyone licensed or unlicensed to, in fact, establish or carry on a business for which a real estate broker’s license is required, wherein the broker does not actively manage and have full control. In like manner, a salesperson shall not use another person’s broker’s license, whether for compensation or not, to establish or carry on a business for which a broker’s license is required, nor to manage and control the office, except as allowed by sections 54-2016(4) and 54-2039(1), Idaho Code.

SECTION 9. That Section 54-2044, Idaho Code, be, and the same is hereby amended to read as follows:
54-2044. TRUST ACCOUNT RECORDKEEPING — FORMAT OF RECORDS REQUIRED.
In order that the financial interests of the consumers of Idaho be ade­quately protected, each designated broker is required to create and maintain the following records regarding any real estate trust account, and is required to reconcile and balance each trust account with all ledger records, the check register and the bank statement at least once each month. Any electronic recordkeeping system is required to have a generally accepted and adequate backup system in use at all times.

(1) Maintenance ledger record. A separate ledger card or record, herein called "ledgers," identified as "trust account maintenance fund" shall be initiated when the broker's or firm's funds are initially deposited into the trust account. These ledgers shall be filed at all times with the broker's current "open" ledgers of pending transactions. Additions or deductions to trust account maintenance funds shall be posted to the ledger records as soon as the broker is given notice of the deposit or deduction. The balance on this maintenance fund ledger shall be kept current at all times.

(2) Individual trust ledger records. An individual trust ledger shall be immediately created whenever a broker, or any licensed or unli­censed person representing the broker, receives earnest money or other consideration, even if the consideration will be deposited with, held by, paid directly to, transferred or delivered to a title company, other approved depository, or any other person, as directed in writing, and signed by both parties to the transaction. Receipt of consideration, for purposes of this chapter, occurs when the broker or any person repre­senting the broker, takes physical possession of the consideration or assumes the responsibility to deliver or deposit it.

(3) When a broker deposits funds with another broker, an approved depository, or directly to the seller or any other person, as directed in writing by both parties to the transaction, a ledger record must be created by the transferring broker, with a transaction number assigned. Upon transfer of funds or consideration, a receipt for such deposit shall be obtained and retained in the transaction files of the trans­ferring broker. The receipt must show the name of the payee and date of transfer.

(4) Additional requirements for creating an individual trust ledger record are set forth in section 54-2045, Idaho Code. Individual trust ledger records must each be assigned a transaction number. In addition, each individual trust account ledger record created must contain:
(a) The next chronological transaction number for each transaction;
(b) The names of both parties to the transaction;
(c) The location of the property;
(d) The date of each deposit and disbursement;
(e) The name of the payor or payee;
(f) The amount and check number of each disbursement;
(g) The amount and nature of the deposit;
(h) The current balance; and
(i) After the transaction is closed, each individual ledger record must show the final disposition of the transaction and funds.

A broker's trust account ledger records must be maintained with one (1) file, electronic or hard copy, for closed, terminated and rejected transactions, and a separate file for transactions pending but not closed. Ledger records shall be kept in alphabetical order or by trans­action number. Ledger posting must be kept current at all times.
(5) Trust account checks. The broker shall maintain consecutively numbered checks for each trust account, which checks must:
   (a) Contain the broker's licensed business name and current business address; and
   (b) Be imprinted with the words "real estate trust account."

(6) Check register or journal. A check register or journal must be posted properly, maintained and kept current by the broker at all times even if funds are held at a title company or other approved depository. The register must itemize deposits and disbursements in consecutive order, and must also clearly show:
   (a) The date of the deposit or disbursement;
   (b) The payee or payor;
   (c) The amount and purpose of any deposits or disbursements;
   (d) The check number;
   (e) The transaction number; and
   (f) The current cash balance remaining in that trust account.

(7) Duplicate bank deposit record. For each trust account, the broker shall maintain, in hard copy, a duplicate bank deposit record, which shall be imprinted with the broker's business name and the words, "real estate trust account." Each deposit record shall state:
   (a) The name of the person or firm placing the money with the broker's office;
   (b) The date of the deposit; and
   (c) The transaction number. The duplicate deposit record shall be retained in the bank deposit records in proper chronological sequence and shall be date stamped by the bank or the bank deposit receipt shall be attached to the duplicate deposit record in the deposit records.

(8) Real estate trust account checks. For each trust account, the broker shall maintain a set of consecutively numbered checks, which shall be imprinted with the broker's business name and address and the words "real estate trust account." Any check drawn on such a trust account shall be identified by a transaction number noted on the face of the check. Any voided trust account check shall be marked "VOID" and retained in numerical sequence with the other checks for the banking month.

SECTION 10. That Section 54-2045, Idaho Code, be, and the same is hereby amended to read as follows:

54-2045. TRUST ACCOUNT DEPOSITS AND RECEIPT OF CONSIDERATION. Except as otherwise provided in this section, all entrusted funds received by a broker in connection with a regulated real estate transaction, including, but not limited to, earnest money, shall be deposited into a real estate trust account maintained by the broker at an approved depository located in the state of Idaho. In addition, all earnest money, option money, promissory notes, tangible personal property and any other consideration received by a broker, regardless of form, must be accounted for upon receipt and in the following manner:

(1) Time of deposit. All moneys received by a broker for another in a real estate transaction are to be deposited on or before the banking day immediately following the receipt day of such funds, unless written instructions signed by the party or parties having an interest in the funds direct the broker to do otherwise.
(2) Checks held in uncashed form. A ledger record must also be created when the broker or associate receives a check to be held for later deposit. However, such a check must be accompanied by written instructions in the purchase and sale agreement or offer to withhold deposit until a time certain, such as acceptance of the offer by the seller.

(3) Consideration returned before deposit. A ledger record must also be created if the consideration received by a broker or salesperson is to be returned before it has been deposited or otherwise properly transferred. A written and dated notation must be placed on both the purchase and sale agreement, offer or other document dealing with the consideration, and on the ledger record. No consideration is to be returned without the knowledge and consent of the broker.

(4) Consideration received by sales associate. All consideration, including cash, checks held in uncashed form and promissory notes, received by a sales associate in connection with a real estate transaction shall be immediately delivered to the broker or the broker's office.

SECTION 11. That Section 54-2051, Idaho Code, be, and the same is hereby amended to read as follows:

54-2051. OFFERS TO PURCHASE. (1) A broker or sales associate shall, as promptly as practicable, tender to the seller every written offer to purchase obtained on the real estate involved, up until time of closing, and shall obtain the signature of the seller or seller's agent verifying time and date such offer was received. A purchase and sale agreement signed by the prospective buyer shall be deemed in all respects an offer to purchase.

(2) Immediately upon receiving any offer to purchase signed and dated by the buyer and any consideration, a broker or salesperson shall provide a copy of the offer to purchase to the buyer as a receipt.

(3) Upon obtaining a properly signed and dated acceptance of an offer to purchase, the broker or sales associate shall promptly deliver true and legible copies of such accepted offer to both the buyer and the seller.

(4) The broker or sales associate shall make certain that all offers to purchase real property or any interest therein are in writing and contain all of the following specific terms, provisions and statements:

(a) All terms and conditions of the real estate transaction as directed by the buyer or seller;
(b) The actual form and amount of the consideration received as earnest money;
(c) The name of the responsible broker in the transaction, as defined in section 54-2048, Idaho Code;

(e) A provision for division of earnest money retained by any person as forfeited payment should the transaction not close;
(f) All appropriate signatures; and
(g) A legal description of the property.
(5) All changes made to any offer to purchase or other real estate purchase agreement shall be initialed and dated by the parties to the transaction.

54-2056. TERMINATING OR CHANGING LICENSED BUSINESS RELATIONSHIPS.
(1) Termination of licensed association. A sales associate who terminates his licensed association with a broker shall provide the broker written notice of the termination no later than three (3) business days after the effective date. A broker who terminates the licensed association of a sales associate shall provide the associate written notice of the termination no later than three (3) business days after the effective date. A licensee's written notice to the commission does not relieve him of the duty to provide written notice to the other licensee that he is terminating the licensed association. Upon written notice of the termination of a sales associate's licensed business association with a broker, whether by the broker or by the sales associate, the broker shall remove from public view the former associate's license certificate;

(2) New association. The broker shall submit a written application, in the form and manner approved by the commission, for each sales associate licensing with the broker;

(4) Closing a branch office. Immediately upon closing a branch office, the broker shall provide the commission written notice of the closure advising of the new status of all licensees licensed with the closed branch. The broker shall immediately remove from public view the branch office any license certificate and the license certificates of all licensees licensed in for the branch office.

(5) Property of the broker. Upon termination of the business relationship as a sales associate licensed under a broker, the sales associate shall immediately turn over to the broker all listing information and listing contracts, keys, purchase and sale agreements and similar contracts, buyer brokerage information and contracts, and other property belonging to the broker. A sales associate shall not engage in any practice or conduct, directly or indirectly, which encourages, entices or induces clients of the broker to terminate any legal business relationship with the broker unless he first obtains written permission of the broker.

(6) Location of trust accounts and file records. When an actively licensed broker changes to a license status other than that of a designated broker, that individual must notify the commission in writing of the location of all trust accounts and transaction file records which the broker was responsible for during the term of licensure as a designated broker. These records shall be available to the commission for three (3) years following the year in which each transaction was closed.

(7) Terminating relationships between a broker and a sole proprietorship owned by a person other than the broker. When a broker for a
sole proprietorship, owned by a person other than the broker, terminates an association with the owner, all records and trust account funds shall become the property of, and be maintained and disbursed by, the terminating broker in accordance with this chapter and applicable rules promulgated thereunder. The terminating broker shall deliver, upon request made in writing by the clients and the new broker of that sole proprietorship, such records and trust account funds pertaining to that client, to the new broker who shall thereafter have the responsibility for preservation and disbursement, in accordance with this chapter and applicable rules promulgated thereunder.

(a) In the same manner as the plan was approved, if the plan does not provide for the manner in which it may be amended; or

(4) If the surviving entity is a domestic entity, its public organic document, if any, must satisfy the requirements of the law of this state, except that it does not need to be signed and may omit any provision that is not required to be included in a restatement of the public organic document.

(5) A plan of merger that is signed on behalf of all of the merging entities and meets all of the requirements of subsection (2) of this section may be filed with the secretary of state instead of a statement of merger and upon filing has the same effect. If a plan of merger is filed as provided in this subsection (5), references in this chapter to a statement of merger refer to the plan of merger filed under this subsection (5).

(6) A statement of merger becomes effective upon the date and time of filing or the later date and time specified in the statement of merger.

   (i) Its public organic document, if any, is amended as provided in the statement of merger and remains binding on its interest holders; and
   (ii) Its private organic rules that are to be in a record, if any, are amended to the extent provided in the plan of merger and remain binding on its interest holders;
(i) If the surviving entity is created by the merger, its public organic document, if any, and its private organic rules are effective and are binding upon the interest holders of the surviving entity; and
(j) The interests in each merging entity that are to be converted in the merger are converted, and the interest holders of those interests are entitled only to the rights provided to them under the plan of merger and to any appraisal rights they have under section 30-18-109, Idaho Code.
(2) Except as otherwise provided in the organic law or organic rules of a merging entity, the merger does not give rise to any rights that an interest holder, governor, or third party would otherwise have upon a dissolution, liquidation, or winding-up of the merging entity.
(3) When a merger becomes effective, a person that did not have interest holder liability with respect to any of the merging entities and that becomes subject to interest holder liability with respect to a domestic entity as a result of a merger has interest holder liability only to the extent provided by the organic law of the entity and only for those liabilities that arise after the merger becomes effective.
(4) When a merger becomes effective, the interest holder liability of a person that ceases to hold an interest in a domestic merging entity with respect to which the person had interest holder liability is as follows:

   (c) The organic law of the domestic merging entity continues to apply to the release, collection, or discharge of any interest holder liability preserved under paragraph (a) of this subsection as if the merger had not occurred and the surviving entity was the domestic merging entity; and
   (d) The person has whatever rights of contribution from any other
person as are provided by the organic law or organic rules of the domestic merging entity with respect to any interest holder liability preserved under paragraph (a) of this subsection as if the merger had not occurred.

(5) When a merger becomes effective, a foreign entity that is the surviving entity:
(a) May be served with process in this state for the collection and enforcement of any liabilities of a domestic merging entity; and
(b) Appoints the secretary of state as its agent for service of process for collecting or enforcing those liabilities.

(3) If a protected agreement contains a provision that applies to a merger of a domestic entity but does not refer to an interest exchange, the provision applies to an interest exchange in which the domestic entity is the acquired entity as if the interest exchange were a merger until the provision is amended after the effective date of this chapter.

30-18-302. PLAN OF INTEREST EXCHANGE. (1) A domestic entity may be the acquired entity in an interest exchange under this part by approving a plan of interest exchange. The plan must be in a record and contain:

(3) Except as otherwise provided in its organic law or organic rules, the interest holders of the acquiring entity are not required to approve the interest exchange.

(4) A provision of the organic law of a domestic acquired entity that would permit a merger between the acquired entity and the acquiring entity to be approved without the vote or consent of the interest holders of the acquired entity because of the percentage of interests in the acquired entity held by the acquiring entity does not apply to approval of an interest exchange under subsection (1)(a)(ii) of this section.

30-18-304. AMENDMENT OR ABANDONMENT OF PLAN OF INTEREST EXCHANGE -- STATEMENT OF ABANDONMENT. (1) A plan of interest exchange of a domestic acquired entity may be amended:
(a) In the same manner as the plan was approved, if the plan does not provide for the manner in which it may be amended; or
(b) By the governors or interest holders of the entity in the manner provided in the plan, but an interest holder that was entitled to vote on or consent to approval of the interest exchange is entitled to vote on or consent to any amendment of the plan that will change:

(2) After a plan of interest exchange has been approved by a domestic acquired entity and before a statement of interest exchange becomes effective, the plan may be abandoned:
(a) As provided in the plan; or
(b) Unless prohibited by the plan, in the same manner as the plan was approved.

(3) If a plan of interest exchange is abandoned after a statement of interest exchange has been filed with the secretary of state and before the filing becomes effective, a statement of abandonment, signed on behalf of the acquired entity, must be filed with the secretary of state before the time the statement of interest exchange becomes effective. The statement of abandonment takes effect upon filing, and the interest exchange is abandoned and does not become effective. The statement of abandonment must contain:

(4) A plan of interest exchange that is signed on behalf of a domestic acquired entity and meets all of the requirements of subsection (2) of this section may be filed with the secretary of state instead of a statement of interest exchange and upon filing has the same effect. If the plan of interest exchange is filed as provided in this subsection (4), references in this chapter to a statement of interest exchange refer to the plan of interest exchange filed under this subsection (4).
(5) A statement of interest exchange becomes effective upon the date and time of filing or the later date and time specified in the statement of interest exchange.
30-18-306. EFFECT OF INTEREST EXCHANGE. (1) When an interest exchange becomes effective:
(a) The interests in the acquired entity that are the subject of the interest exchange cease to exist or are converted or exchanged, and the interest holders of those interests are entitled only to the rights provided to them under the plan of interest exchange and to any appraisal rights they have under section 30-18-109, Idaho Code;
(b) The acquiring entity becomes the interest holder of the interests in the acquired entity stated in the plan of interest exchange to be acquired by the acquiring entity;

(3) When an interest exchange becomes effective, a person that did not have interest holder liability with respect to the acquired entity and that becomes subject to interest holder liability with respect to a domestic entity as a result of the interest exchange has interest holder liability only to the extent provided by the organic law of the entity and only for those liabilities that arise after the interest exchange becomes effective.
(4) When an interest exchange becomes effective, the interest holder liability of a person that ceases to hold an interest in a domestic acquired entity with respect to which the person had interest holder liability is as follows:
(a) The interest exchange does not discharge any interest holder liability under the organic law of the domestic acquired entity to the extent the interest holder liability arose before the interest exchange became effective;
(b) The person does not have interest holder liability under the organic law of the domestic acquired entity for any liability that arises after the interest exchange becomes effective;
(c) The organic law of the domestic acquired entity continues to apply to the release, collection, or discharge of any interest holder liability preserved under paragraph (a) of this subsection as if the interest exchange had not occurred; and

(3) When a conversion becomes effective, a person that did not have interest holder liability with respect to the converting entity and that becomes subject to interest holder liability with respect to a domestic entity as a result of a conversion has interest holder liability only to the extent provided by the organic law of the entity and only for those liabilities that arise after the conversion becomes effective.

In the event that the general contractor intends to self-perform the plumbing, HVAC or electrical work, the general contractor must be properly licensed by the state of Idaho to perform such work. The general contractor shall demonstrate compliance with this requirement by listing the valid contractor's license number for the plumbing, HVAC or electrical work to be self-performed by the general contractor on the bid form.

The general contractor shall disclose to the public entity the cost for work to be performed by the substitute subcontractor. If the amount of the substitute subcontractor's bid is less than the original subcontractor's bid, the reduction in cost shall be passed through to the benefit of the public entity which awarded the contract.

(4) This act shall not apply to the construction, alteration or repair of public buildings under the jurisdiction of the board of regents of the University of Idaho.

(3) School districts are not required to provide health insurance or life insurance benefits to persons employed under this section. Post-termination benefits may be negotiated between the school district and the certificated employee at the time of rehiring but in no event can the parties affect or attempt to affect the provisions governing the public employee retirement system.

Any death benefit that becomes payable under the suspended benefit shall be payable under section 59-1361(2), Idaho Code. Any death benefit that becomes payable with respect to salary and service accrued during the period of reemployment shall be payable under section 59-1361(3), Idaho Code, if the member dies during the period of reemployment.

However, the school district shall pay the required employer contribution for that employee to the public employee retirement system. After June 30, 2012, this subsection (4) shall no longer be in force and effect and the other provisions of this section shall be applicable to all employment, including the employment of retirees who were employed under section 33-1004H, Idaho Code, before that date.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 33-1019, Idaho Code, be, and the same is hereby amended to read as follows:

Any school district expending more than four percent (4%) of the replacement value of school buildings for school building mainte-
nance in any single fiscal year, beginning with the expenditures of fiscal year 2005, may apply the excess as a credit against the two percent (2%) requirement of this section until such credit is depleted or fifteen (15) years have expired. The state shall annually provide funds to be deposited into the allocated for school building maintenance fund as follows:

(a) Divide one (1) by the school district’s value index for the fiscal year, as calculated pursuant to section 33-906B, Idaho Code; and
(b) Multiply the result by one-half of one percent (0.5%) of the replacement value of school buildings.
(c) For purposes of the calculation in this subsection (1), public charter schools shall be assigned a value index of one (1).

(2) State funds shall be appropriated through the educational support program/division of facilities, and disbursed from the school district building account. The order of funding sources used to meet the state funding requirements of this section shall be as follows:

(3) Moneys in a school district’s allocated for school building maintenance fund shall be used exclusively for the maintenance and repair of school buildings or any serious or imminent safety hazard on the property of said school buildings as identified pursuant to chapter 80, title 39, Idaho Code, and shall be utilized, first, to abate serious or imminent safety hazards, as identified pursuant to chapter 80, title 39, Idaho Code. Unexpended moneys in a school district’s school building maintenance fund allocation shall be carried over from year to year, and shall remain allocated for the purposes specified in this subsection (3). The replacement value of school buildings shall be determined by multiplying the number of square feet of building floor space in school buildings by eighty dollars ($80.00). Notwithstanding the definition in subsection (4) of this section, school buildings that are less than one (1) year old on the first day of school shall not be used in the replacement value calculation. The joint finance-appropriations committee shall annually review the replacement value per square foot when setting appropriations for the educational support program, and may make adjustments to this figure as necessary. School districts shall submit the following to the state department of education by not later than December 1:

39-8011. VIOLATIONS. (1) If a school district, the district superintendent, principal, board of trustees, or other person in charge willfully violates the provisions of this chapter, the state superintendent of public instruction shall withhold such ensuing apportionments as are necessary to make repairs to abate the identified imminent safety hazard or serious safety hazard. Withheld funds, not to exceed one and one-half percent (1 1/2%) of the district's appropriation, shall be disbursed only to pay for such repairs.

(2) If the funds that would be raised over two (2) fiscal years from applying the provisions of subsection (1) of this section are insufficient, in combination with all moneys that will be available in the district's school building maintenance fund allocation for the same period, to provide sufficient moneys to abate the identified imminent or serious safety hazard, then the administrator shall submit an application to abate said hazard to the Idaho public school facilities cooperative funding program panel pursuant to section 33-909, Idaho Code.

(3) It is a misdemeanor to remove, without permission of the administrator, a notice or order posted pursuant to this chapter.

AN ACT
RELATING TO SCHOOL DISTRICT FUNDING; AMENDING SECTION 33-906B, IDAHO CODE, TO REVISE THE VALUE INDEX CALCULATION; AMENDING SECTION 63-802, IDAHO CODE, TO PROVIDE APPLICATION TO ANY SCHOOL DISTRICT LEVY REDUCTION RESULTING FROM A DISTRIBUTION OF STATE FUNDS FROM THE SALES TAX ACCOUNT; DECLARING AN EMERGENCY, PROVIDING RETROACTIVE APPLICATION AND PROVIDING AN EFFECTIVE DATE.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 33-906B, Idaho Code, be, and the same is hereby amended to read as follows:

33-906B. VALUE INDEX CALCULATION. The state department of education shall establish a value index for each school district, based on each school district's market value per support unit for equalization purposes, the average annual seasonally-adjusted unemployment rate in the county in which a plurality of the school district's market value for assessment purposes of taxable property is located and the per capita income in the county in which a plurality of the school district's market value for assessment purposes is located. The value index for each school district shall be calculated as the sum of the following three (3) components:

1. The state department of education shall annually calculate the each school district's market value per support unit, that is used to equalize school funding for each school district in the state based on the market values that would be used to calculate a bond levy, and the statewide average. The first portion of the value index shall be calculated by dividing the school district's market value for equalization purposes per support unit figure by the statewide average market value for equalization per support unit figure and dividing the result of this calculation by two (2).

2. The second portion of the value index shall be calculated by dividing the statewide unemployment rate by the unemployment rate in the county in which a plurality of the school district's market value for assessment purposes of taxable property is located, and dividing the result of this calculation by four (4). For the purposes of this subsection, the statewide unemployment rate and county unemployment rates shall be based on the most recent average annual seasonally-adjusted unemployment rate data reported by the United States department of labor, for which there is a complete calendar year of data.

3. The third portion of the value index shall be calculated by dividing the county per capita income in the county in which a plurality of the school district's market value for assessment purposes of taxable
property is located by the statewide per capita income, and dividing the
result of this calculation by four (4). For the purposes of this subsec­
tion, the statewide per capita income and county per capita income shall
be based on the most recent data reported by the United States depart­
ment of commerce, for which there is a complete calendar year of data.

SECTION 2. That Section 63-802, Idaho Code, be, and the same is
hereby amended to read as follows:

by a growth factor of not to exceed three percent (3%) plus the
amount of revenue that would have been generated by applying the
levy of the previous year, not including any levy described in sub­
section (4) of this section, or any school district levy reduction
resulting from a distribution of state funds pursuant to section
63-3638(10), Idaho Code, to any increase in market value subject to
taxation resulting from new construction or change of land use clas­
sification as evidenced by the value shown on the new construction
roll compiled pursuant to section 63-301A, Idaho Code; and by the
value of annexation during the previous calendar year, as certified
by the state tax commission for market values of operating property
of public utilities and by the county assessor; or

(b) The dollar amount of property taxes certified for its annual
budget during the last year in which a levy was made; or

(c) The dollar amount of the actual budget request, if the taxing

maximum allowable increase in the dollar amount of property taxes is
certified for annual budget purposes in any one (1) year, such a
district may, in any following year, recover the foregone increase
by certifying, in addition to any increase otherwise allowed, an
amount not to exceed one hundred percent (100%) of the increase
originally foregone. Said additional amount shall be included in
future calculations for increases as allowed; or

(f) In the case of cities, if the immediately preceding year's levy
subject to the limitation provided by this section, is less than
0.004, the city may increase its budget by an amount not to exceed
the difference between 0.004 and actual prior year's levy multiplied
by the prior year's market value for assessment purposes. The addi­
tional amount must be approved by sixty percent (60%) of the voters
voting on the question at an election called for that purpose and
held on the date in May or November provided by law, and may be
included in the annual budget of the city for purposes of this sec­

(ii) A small employer carrier shall treat all health benefit plans issued or renewed in the same calendar month as having the same rating period.

AN ACT
RELATING TO THE IDAHO HOUSING AND FINANCE ASSOCIATION; AMENDING SECTION 67-6201, IDAHO CODE, TO INCLUDE ASSISTANCE FOR ECONOMIC DEVELOPMENT PROJECTS AS PUBLIC PURPOSES AND TO MAKE A TECHNICAL CORRECTION; AMENDING SECTION 67-6205, IDAHO CODE, TO PROVIDE AN ADDITIONAL DEFINITION AND TO MAKE A TECHNICAL CORRECTION; AMENDING SECTION 67-6206, IDAHO CODE, TO PROVIDE POWERS RELATING TO THE FINANCING OF ECONOMIC DEVELOPMENT PROJECTS AND TO MAKE TECHNICAL CORRECTIONS; AMENDING SECTION 67-6207A, IDAHO CODE, TO PROVIDE ADDITIONAL POWERS TO THE IDAHO HOUSING AND FINANCE ASSOCIATION AND TO MAKE A TECHNICAL CORRECTION; AMENDING SECTION 67-6223, IDAHO CODE, TO PROVIDE AUTHORITY TO RECEIVE STATE, PRIVATE OR FEDERAL ASSISTANCE FOR ECONOMIC DEVELOPMENT PROJECTS, TO REVISE THE BORROWING POWER, FINANCIAL ASSISTANCE AND COOPERATION WITH THE STATE AND FEDERAL GOVERNMENT BY THE ASSOCIATION AND TO MAKE A TECHNICAL CORRECTION; AND DECLARING AN EMERGENCY.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 67-6201, Idaho Code, be, and the same is hereby amended to read as follows:

67-6201. PURPOSE. It is hereby declared:
(a) That within the state there is a shortage of safe or sanitary dwelling accommodations available which persons of low incomes can afford and that such persons are forced to occupy overcrowded and congested dwelling accommodations; that the aforesaid conditions cause an increase in and spread of disease and crime, and constitute a menace to the health, safety, morals and welfare of the residents of the state and impair economic values; that these conditions necessitate excessive and disproportionate expenditures of public funds for crime prevention and punishment, public health and safety, fire and accident protection, and other public services and facilities.

(b) That private enterprise has not been able to provide, without assistance, an adequate supply of safe and sanitary dwellings at prices or rents which persons and families of low income can afford, or to achieve rehabilitation of much of the present low-income housing. It is imperative that the supply of housing for persons and families of low income be increased and that coordination and cooperation among private enterprise, state and local government be encouraged to sponsor, build and rehabilitate residential housing for such persons and families.

(c) That the clearance, replanning and reconstruction of the areas in which unsanitary or unsafe housing conditions exist, and the providing of safe and sanitary dwelling accommodations for persons of low incomes (which dwelling-accommodations need not be solely for persons of low incomes in order to avoid concentrations of such persons in specific localities), are public uses, and purposes for which public money may be spent and private property acquired, and are governmental functions.

(d) It is also declared and the legislature hereby finds that char-
itable, educational, human service, cultural and other purposes pursued by nonprofit corporations are important public functions and public purposes that should be encouraged and that financing of nonprofit facilities for these purposes should be encouraged, without using state funds or lending the credit of the state, through the issuance of nonrecourse revenue bonds and the lending of the proceeds thereof to nonprofit corporations to promote their purposes.

(e) It is further declared that in this state:
   (1) There exists an inadequate supply of funds at interest rates sufficiently low to enable persons engaged in agriculture in this state, particularly beginning farmers and ranchers, to pursue agricultural operations at present levels;
   (2) That such inability to pursue agricultural operations reduces the supply of agricultural commodities available to fulfill the needs of the citizens of this state;
   (3) That such inability to continue operations decreases available employment in the agricultural sector of the state and results in unemployment and its attendant problems;
   (4) That such conditions prevent the acquisition of an adequate capital stock of farm and ranch equipment and machinery, therefore impairing the productivity of agricultural land;
   (5) That such conditions are conducive to consolidation of acreage of agricultural land with fewer individuals living and farming and ranching on the traditional family farm and ranch;
   (6) That these conditions result in a loss in population, unemployment and movement of persons from rural to urban areas accompanied by added costs to communities for creation of new public facilities and services;
   (7) That there have been recurrent shortages of funds from private market sources at reasonable rates of interest;
   (8) That these shortages have made the sale and purchase of agricultural land to beginning farmers and ranchers a virtual impossibility in many parts of the state;
   (9) That the ordinary operations of private enterprise have not in the past corrected these conditions; and
   (10) That a stable supply of adequate funds for agricultural financing is required to encourage beginning farmers and ranchers in an orderly and sustained manner and to reduce the problems described herein.

(f) It is further declared that in this state there is an urgent need to promote higher employment; encourage the development of new jobs; maintain and supplement the capital investments in industry and commerce that currently exist in this state; encourage future employment by ensuring future capital investment; attract environmentally sound industry and commerce to the state; protect and enhance the quality of natural resources and the environment; and promote the production and conservation of energy; and that financing of economic development projects in partnership with private financial institutions and state or local economic development entities for these purposes should be encouraged, without using state funds or lending the credit of the state through the issuance of nonrecourse revenue bonds and the lending of the proceeds thereof for such purposes.

(g) It is hereby further declared that:
   (1) The growth of the economy of this state has prompted new and
ever-increasing uses of public highways, roads, and other transporta-
tion infrastructure, and the existing transportation infrastruc-
ture of this state cannot adequately accommodate such greatly
increased uses;
(2) One of the major concerns of the citizens of this state is the
ability of the state to address the long-term transportation infra-
structure needs of this state that are critical to the continued
growth of the state's economy and the maintenance of citizens' qual-
ity of life;
(3) Utilizing bonds or notes to finance projects for transportation
infrastructure results in significant cost savings to the state,
since such transportation projects can be completed at present day
costs and at an accelerated pace, but such bonds and notes need to
be issued promptly in order to realize these cost savings; and
(4) It is reasonable and necessary to utilize such bonds or notes
for the financing of transportation projects.
(gh) It is hereby further declared that all of the foregoing are
public purposes and uses for which public moneys may be borrowed,
expended or granted and that such activities are governmental functions
and serve a public purpose in improving or otherwise benefiting the peo-
ple of this state; that the necessity of enacting the provisions herein-
after set forth is in the public interest and is hereby so declared as a
matter of express legislative determination.

RELATING TO THE SALES AND USE TAX; AMENDING CHAPTER 36, TITLE 63, IDAHO CODE, BY THE ADDITION OF A NEW SECTION 63-3641, IDAHO CODE, TO PROVIDE A SALES AND USE TAX REBATE TO CERTAIN DEVELOPERS OF CERTAIN RETAIL COMMERCIAL COMPLEXES, TO PROVIDE QUALIFICATIONS, TO PROVIDE PROCEDURES, TO PROVIDE WHEN THE REBATE IS NO LONGER PAID AND TO DEFINE TERMS; AND AMENDING SECTION 63-3638, IDAHO CODE, TO PROVIDE FOR DISTRIBUTION OF MONEYS TO CERTAIN DEVELOPERS OF CERTAIN RETAIL COMMERCIAL COMPLEXES WHO HAVE INCURRED CERTAIN COSTS FOR IMPROVEMENTS.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Chapter 36, Title 63, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW SECTION, to be known and designated as Section 63-3641, Idaho Code, and to read as follows:

63-3641. TANGIBLE PERSONAL PROPERTY SOLD BY CERTAIN RETAILERS. (1) A developer of a retail commercial complex whose stores sell tangible personal property or taxable services and collected sales or use tax from customers at the location of the developer's retail commercial complex may qualify for a rebate of taxes paid on such purchases, but only if the developer of a retail commercial complex whose stores sell tangible personal property or taxable services has built a complex in Idaho that is of a minimum cost as provided in subsection (2) of this section and has incurred costs in excess of eight million dollars ($8,000,000) for the installation of an interchange from an interstate highway or a highway enumerated in section 40-201, Idaho Code, by the Idaho transpor-
tation department or a political subdivision or a contractor of the transportation department or political subdivision and/or freeway interchange improvements on land owned by the state of Idaho or a political subdivision and/or auxiliary lanes necessitated by the design and construction of interchanges.

(2) To qualify for the rebate, the developer of a retail commercial complex whose stores sell tangible personal property or taxable services shall have those stores collect sales and use taxes on sales of tangible personal property or taxable services from the retail commercial complex. Any improvement or alteration to a public highway must be bonded in accordance with the public contracts bond act in chapter 19, title 54, Idaho Code. Once the developer of a retail commercial complex whose stores sell tangible personal property or taxable services certifies that the retail commercial complex has cost a minimum of four million dollars ($4,000,000) and the developer of a retail commercial complex whose stores sell tangible personal property or taxable services has expended in excess of eight million dollars ($8,000,000) for the installation of an interchange and/or related interchange improvements from an interstate highway by the Idaho transportation department or a political subdivision or a contractor of the transportation department or political subdivision and/or freeway interchange improvements, the developer may file with the state tax commission a refund request of sixty percent (60%) of the sales and use taxes collected for the sale of tangible personal property or taxable services from stores in the retail commercial complex. The refund request shall state that the developer of a retail commercial complex whose stores sell tangible personal property or taxable services has constructed a retail facility that meets the minimum expenditure requirements and also meets the minimum expenditure requirements for an interchange and/or related freeway interchange improvements and/or highway improvements to be eligible for the rebate, and that the developer is entitled to receive a rebate of sixty percent (60%) of all sales and use taxes collected by the stores in the retail commercial complex that qualifies for the rebate created by this section. The state tax commission may require that sufficient documentation be provided by the developer of a retail commercial complex whose stores sell tangible personal property or taxable services regarding expenditures and shall require an attestation from the Idaho transportation department or a political subdivision that the minimum requirements of this section have been met. The transportation department or the political subdivision shall verify to the state tax commission the amount of expenditures the developer has expended on the interchange and/or related freeway interchange improvements and/or highway improvements.

(3) Upon filing of a written refund claim by the developer of a retail commercial complex whose stores sell tangible personal property or taxable services entitled to the rebate, and subject to such reasonable documentation and verification as the state tax commission may require, the rebate shall be paid by the state tax commission from the demonstration pilot project fund, which is hereby created in the state treasury, in a timely manner not to exceed sixty (60) calendar days after receipt as funds are available. To qualify for the rebate, stores in an eligible complex shall report their sales to the state tax commission separately from other stores they own in the state. Nothing in this section shall be deemed to hold the state of Idaho or any political subdivision liable for any and all liens filed on a project subject to
rebate pursuant to this section. All sales and use tax information remitted by retailers shall be deemed a trade secret, shall be confidential and shall not be disclosed by the state tax commission. A developer of a retail commercial complex whose stores sell tangible personal property or taxable services must submit a claim for refund pursuant to this section within two (2) years of the developer's last expenditure on the interchange and/or related freeway interchange improvements and/or highway improvements. No interest shall be paid by the state on moneys refunded and all moneys refunded shall be paid from the sales tax account pursuant to subsection (11) of section 63-3638, Idaho Code, and shall be limited to a total aggregate of thirty-five million dollars ($35,000,000) or lesser amount if that is what was expended.

(4) Once the developer of a retail commercial complex whose stores sell tangible personal property or taxable services has recouped its costs of funding the interchange and/or related freeway interchange improvements and/or highway improvements and/or related transportation infrastructure, the developer shall be ineligible to receive the rebate pursuant to this section.

(5) As used in this section:

Retail stores in the retail commercial complex shall sell tangible personal property or taxable services that are subject to the sales and use tax.
(b) "Freeway interchange improvements" includes on and off ramps, overpass and underpass improvements and signalization to facilitate the effective access from the interstate highway system.

(d) Seven and seven-tenths percent (7.7%) of the amount appropriated in this subsection (9) shall be paid to the several counties for distribution to special purpose taxing districts as follows:

The state tax commission shall calculate district current property tax budgets to include any unrecovered foregone amounts as determined under section 63-802(1)(e), Idaho Code. When a special purpose taxing district is situated in more than one (1) county, the tax commission shall determine the portion attributable to the special purpose taxing district from each county in which it is situated.

(iv) If special purpose taxing districts are consolidated, the resulting district is entitled to a base amount equal to the sum of the base amounts which were received in the last calendar quarter by each district prior to the consolidation.

(v) If a special purpose taxing district is dissolved or
disincorporated, the state tax commission shall continuously distribute to the board of county commissioners an amount equal to the last quarter's distribution prior to dissolution or disincorporation. The board of county commissioners shall determine any redistribution of moneys so received.

For school districts, the state tax commission shall distribute one-fourth (1/4) of the amount certified quarterly to each school district. For nonschool districts, the county auditor shall distribute to each district within thirty (30) calendar days from receipt of moneys from the tax commission. Moneys received by each taxing district for replacement shall be utilized in the same manner and in the same proportions as revenues from property taxation. The moneys remitted to the county treasurer for replacement of property exempt from taxation pursuant to section 63-602EE, Idaho Code, may be considered by the counties and other taxing districts and budgeted at the same time, in the same manner and in the same year as revenues from taxation on personal property which these moneys replace. If taxing districts are consolidated, the resulting district is entitled to an amount equal to the sum of the amounts which were received in the last calendar quarter by each district pursuant to this subsection prior to the consolidation. If a taxing district is dissolved or disincorporated, the state tax commission shall continuously distribute to the board of county commissioners an amount equal to the last quarter's distribution prior to dissolution or disincorporation. The board of county commissioners shall determine any redistribution of moneys so received. Taxing districts formed after January 1, 2001, are not entitled to a payment under the provisions of this subsection. School districts shall receive an amount determined by multiplying the sum of the year 2000 school district levy minus .004 times the market value on December 31, 2000, in the district of the property exempt from taxation pursuant to section 63-602EE, Idaho Code, provided that the result of these calculations shall not be less than zero (0). The result of these school district calculations shall be further increased by six percent (6%). For purposes of the limitation provided by section 63-802, Idaho Code, moneys received pursuant to this section as property tax replacement for property exempt from taxation pursuant to section 63-602EE, Idaho Code, shall be treated as property tax revenues.

(11) Amounts necessary to pay refunds as provided in subsection (3) of section 63-3841, Idaho Code, to a developer of a retail commercial complex whose stores sell tangible personal property or taxable services subject to the sales and use tax up to an aggregate total of

(12) Any moneys remaining over and above those necessary to meet and reserve for payments under other subsections of this section shall be distributed to the general fund.

(1) "Charitable purpose" means the relief of poverty, the advancement of education or religion, the promotion of health, the promotion of a governmental purpose, or any other purpose the achievement of which is beneficial to the community.
(2) "Endowment fund" means an institutional fund or part thereof, under the terms of a gift instrument, is not wholly expendable by the institution on a current basis. The term does not include assets

33-5003. STANDARD OF CONDUCT IN MANAGING AND INVESTING INSTITU­TIONAL FUND. (1) Subject to the intent of a donor expressed in a gift
instrument, an institution, in managing and investing an institutional
fund, shall consider the charitable purposes of the institution and the
purposes of the institutional fund.

(2) In addition to complying with the duty of loyalty imposed by
law other than this chapter, each person responsible for managing and
investing an institutional fund shall manage and invest the fund in good
faith and with the care an ordinarily prudent person in a like position
would exercise under similar circumstances.

(3) In managing and investing an institutional fund, an institu­tion:
(a) May incur only costs that are appropriate and reasonable in
relation to the assets, the purposes of the institution, and the
skills available to the institution; and
(b) Shall make a reasonable effort to verify facts relevant to the
management and investment of the fund.

(4) An institution may pool two (2) or more institutional funds for
purposes of management and investment.

(5) Except as otherwise provided by a gift instrument, the follow­ing rules apply:
In managing and investing an institutional fund, the following factors, if relevant, must be considered:

(i) General economic conditions;
(ii) The possible effect of inflation or deflation;
(iii) The expected tax consequences, if any, of investment decisions or strategies;
(iv) The role that each investment or course of action plays within the overall investment portfolio of the fund;
(v) The expected total return from income and the appreciation of investments;
(vi) Other resources of the institution;
(vii) The needs of the institution and the fund to make distributions and to preserve capital; and
(viii) An asset's special relationship or special value, if any, to the charitable purposes of the institution.

Management and investment decisions about an individual asset must be made not in isolation but rather in the context of the institutional fund's portfolio of investments as a whole and as a part of an overall investment strategy having risk and return objectives reasonably suited to the fund and to the institution.

Except as otherwise provided by law other than this chapter, an institution may invest in any kind of property or type of investment consistent with this section.

An institution shall diversify the investments of an institutional fund unless the institution reasonably determines that, because of special circumstances, the purposes of the fund are better served without diversification.

Within a reasonable time after receiving property, an institution shall make and carry out decisions concerning the retention or disposition of the property or to rebalance a portfolio, in order to bring the institutional fund into compliance with the purposes, terms and distribution requirements of the institution or necessary to meet other circumstances of the institution and the requirements of this chapter.

A person that has special skills or expertise, or is selected in reliance upon the person's representation that the person has special skills or expertise, has a duty to use those skills or that expertise in managing and investing institutional funds.

33-5004. APPROPRIATION FOR EXPENDITURE OR ACCUMULATION OF ENDOWMENT FUND — RULES OF CONSTRUCTION. (1) Subject to the intent of a donor expressed in the gift instrument, an institution may appropriate for expenditure or accumulate so much of an endowment fund as the institution determines is prudent for the uses, benefits, purposes and duration for which the endowment fund is established. Unless stated otherwise in the gift instrument, the assets in an endowment fund are donor restricted assets until appropriated for expenditure by the institution. In making a determination to appropriate or accumulate, the institution shall act in good faith, with the care that an ordinarily prudent person in a like position would exercise under similar circumstances, and shall consider, if relevant, the following factors:

(a) The duration and preservation of the endowment fund;
(b) The purposes of the institution and the endowment fund;
(c) General economic conditions;
(d) The possible effect of inflation or deflation;
(e) The expected total return from income and the appreciation of investments;
(f) Other resources of the institution; and
(g) The investment policy of the institution.

(2) To limit the authority to appropriate for expenditure or accumulate under subsection (1) of this section, a gift instrument must specifically state the limitation.

(3) Terms in a gift instrument designating a gift as an endowment, or a direction or authorization in the gift instrument to use only "income," "interest," "dividends" or "rents, issues or profits," or "to preserve the principal intact," or words of similar import:

(a) Create an endowment fund of permanent duration unless other language in the gift instrument limits the duration or purpose of the fund; and
(b) Do not otherwise limit the authority to appropriate for expenditure or accumulate under subsection (1) of this section.

33-5005. DELEGATION OF MANAGEMENT AND INVESTMENT FUNCTIONS. (1) Subject to any specific limitation set forth in a gift instrument or in law other than this chapter, an institution may delegate to an external agent the management and investment of an institutional fund to the extent that an institution could prudently delegate under the circumstances. An institution shall act in good faith, with the care that an ordinarily prudent person in a like position would exercise under similar circumstances, in:

(a) Selecting an agent;
(b) Establishing the scope and terms of the delegation, consistent with the purposes of the institution and the institutional fund; and
(c) Periodically reviewing the agent's actions in order to monitor the agent's performance and compliance with the scope and terms of the delegation.

(2) In performing a delegated function, an agent owes a duty to the institution to exercise reasonable care to comply with the scope and terms of the delegation.

(3) An institution that complies with subsection (1) of this section is not liable for the decisions or actions of an agent to which the function was delegated.

(4) By accepting delegation of a management or investment function from an institution that is subject to the laws of this state, an agent submits to the jurisdiction of the courts of this state in all proceedings arising from or related to the delegation or the performance of the delegated function.

(5) An institution may delegate management and investment functions to its committees, officers or employees as authorized by law of this state other than this chapter.

33-5006. RELEASE OR MODIFICATION OF RESTRICTIONS ON MANAGEMENT, INVESTMENT OR PURPOSE. (1) If the donor consents in a record, an institution may release or modify, in whole or in part, a restriction contained in a gift instrument on the management, investment or purpose of an institutional fund. A release or modification may not allow a fund to be used for a purpose other than a charitable purpose of the institution.
(2) The court, upon application of an institution, may modify a restriction contained in a gift instrument regarding the management or investment of an institutional fund if the restriction has become impracticable or wasteful, if it impairs the management or investment of the fund, or if, because of circumstances not anticipated by the donor, a modification of a restriction will further the purposes of the fund. The institution shall notify the attorney general of the application, and the attorney general must be given an opportunity to be heard. To the extent practicable, any modification must be made in accordance with the donor's probable intention.

(3) If a particular charitable purpose or a restriction contained in a gift instrument on the use of an institutional fund becomes unlawful, impracticable, impossible to achieve, or wasteful, the court, upon application of an institution, may modify the purpose of the fund or the restriction on the use of the fund in a manner consistent with the charitable purposes expressed in the gift instrument. The institution shall notify the attorney general of the application, and the attorney general must be given an opportunity to be heard.

(4) If an institution determines that a restriction contained in a gift instrument on the management, investment or purpose of an institutional fund is unlawful, impracticable, impossible to achieve, or wasteful, the institution, sixty (60) days after notification to the attorney general and the donor if available, may release or modify the restriction, in whole or part, if:

(a) The institutional fund subject to the restriction has a total value of less than twenty-five thousand dollars ($25,000);
(b) More than ten (10) years have elapsed since the fund was established; and
(c) The institution uses the property in a manner consistent with the charitable purposes expressed in the gift instrument.

33-5007. REVIEWING COMPLIANCE. Compliance with this chapter is determined in light of the facts and circumstances existing at the time a decision is made or action is taken, and not by hindsight.

33-5008. APPLICATION TO EXISTING INSTITUTIONAL FUNDS. This chapter applies to institutional funds existing on or established after July 1, 2007. As applied to institutional funds existing on July 1, 2007, this chapter governs only decisions made or actions taken on or after that date.

33-5009. RELATION TO ELECTRONIC SIGNATURES IN GLOBAL AND NATIONAL COMMERCE ACT. This chapter modifies, limits, and supersedes the electronic signatures in global and national commerce act, 15 U.S.C. section 7001 et seq., but does not modify, limit, or supersede section 101 of that act, 15 U.S.C. section 7001(a), or authorize electronic delivery of any of the notices described in section 103 of that act, 15 U.S.C. section 7003(b).

(1) The provisions of this chapter apply to the construction or modification of transmission facilities located in a national interest electric transmission corridor designated by the secretary of the United States department of energy under section 1221 of the energy policy act of 2005. The purpose of this chapter is to provide for the efficient and timely review of applications for the siting of electric transmission facilities in federally designated national interest electric transmission corridors. The review is intended to facilitate participation from all interested entities and individuals and to avoid federal preemption.

(2) The legislature finds that the efficient and safe transmission of electricity is critical to the well-being of the citizens and the economy of this state, the region and the nation. The legislature further finds that enactment of this chapter is necessary for the protection of the public welfare and public interest.

(3) After the secretary has designated national interest electric transmission corridors in Idaho, no construction or modification of transmission facilities may be undertaken in a national interest electric transmission corridor without first obtaining a route certificate from the commission.

61-1702. DEFINITIONS. (1) "Affected landowner" includes owners of property interests, as reflected in the most recent county or city tax records as receiving the tax notice, whose property:
(a) Is directly affected, either crossed or used, by the proposed transmission line, including all facility sites, rights-of-way, access roads and temporary work spaces; and

(b) Abuts either side of an existing right-of-way or facility site owned in fee by any utility company, or abuts the edge of a proposed transmission line or right-of-way which runs along a property line in the area in which the transmission line would be constructed, or contains a residence within fifty (50) feet of the proposed transmission line.

(2) "Application" means any request by a transmitting utility for a route certificate for the construction and operation of new transmission facilities or the modification of existing transmission facilities located in a national interest electric transmission corridor in Idaho.

(3) "Commission" means the Idaho public utilities commission.

(6) "Secretary" means the secretary of the United States department of energy.

(7) "Transmission facility" means:

(a) Newly constructed high voltage transmission lines with an operating level capacity of one hundred fifteen thousand (115,000) volts or more;

(b) Rebuilt and upgraded existing high voltage transmission lines with an operating level capacity of at least fifty-seven thousand (57,000) volts to one hundred fifteen thousand (115,000) volts or more along the same right-of-way; or

(c) Electric facilities associated with high voltage transmission lines such as substations, switchyards or temporary contractor work yards.

(7) "Transmitting utility" is an entity that owns, operates or controls facilities used for the transmission of electric energy in interstate commerce.

(a) If a local government has denied or not authorized a transmitting utility to construct transmission facilities in a designated national interest electric transmission corridor by sixty (60) days after an application for a route certificate has been filed with the commission; or
(b) If the transmitting utility claims that a local land use condition imposed by a local government is unreasonable or not economical, then the commission may preempt the local government's denial, lack of decision or conditioned decision after giving the affected local government an opportunity to appear before the commission.

The transmitting utility shall have the burden of demonstrating that the local government's final land use decision will not be timely issued, is unreasonable, or is not economical.

(ii) The proposed right-of-way width of the proposed transmission including to what extent a new right-of-way will be required or an existing right-of-way will be widened;

(iii) If the proposed transmission route follows or includes a public right-of-way, a description of where the facilities
would be located within the public right-of-way, to the extent known. If the transmitting utility might locate all or part of the transmission facilities adjacent to but not within the public right-of-way, describe the reasons to justify locating the transmission facility outside the public right-of-way. The transmitting utility must include a set of clear and objective criteria and adequately demonstrate that its decision to locate the proposed transmission facility outside the public right-of-way is based on those criteria;
(iv) Streams, rivers and wetlands that may be disturbed during construction;
(v) Portions of the route located within lands that require zoning changes, variances or exceptions;
(vi) Whether the proposed transmission line would be outside of areas where historical, cultural or archeological resources are likely to exist, are listed, or determined by the state historic preservation officer to be eligible for listing on the national register of historic places; and
(vii) A description of the transmission structures and their dimensions.

(j) Exhibit J - Construction Schedule. The construction schedule shall include the dates when the transmitting utility proposes to begin construction and the estimated date when construction will be completed. This schedule should be broken down into topics including surveying, exploration or other activities. The transmitting utility shall also provide a map showing all areas that may be temporarily disturbed by any activity related to the design, construction and operation of the proposed transmission facility.
(k) Exhibit K - Map. A map identifying all areas designated for protection by a tribe, the state or federal government including, but not limited to, monuments, wilderness areas, wildlife refuges, scenic waterways and similar areas. The map shall identify affected tribal lands and locations that may have cultural significance to any tribe. If the proposed route traverses wetland areas, provide copies of all permits related to such wetlands. The map shall denote all airports and private airstrips within ten thousand (10,000) feet of the centerline of the proposed route. The map shall show all commercial AM radio transmitters and all FM radio transmitters within ten thousand (10,000) feet of the centerline and all microwave relay stations or similar installations within two thousand (2,000) feet of the centerline of the proposed route.
(l) Exhibit L - Affected Landowners. Describe the efforts utilized to notify all affected landowners. Indicate in a quantitative fashion the amount of property already acquired or optioned from affected landowners.
(m) Exhibit M - Soils and Geotechnical Work. Describe the locations along the proposed transmission route where the transmitting utility proposes to perform site specific geotechnical work including, but not limited to, railroad crossings, major road crossings, river crossings, dead ends, or corners. Describe where geological reconnaissance and other site specific studies provide evidence of existing landslides or marginally stable slopes that could be made unstable by the planned construction. This exhibit shall also contain a map showing the location of existing and significant potential geo-
logical and soil stability hazards and problems, if any, on the proposed route and in the adjacent vicinity that could adversely affect, or be aggravated by, the construction and operation of the proposed transmission facility.

(n) Exhibit N - Seismic Hazards. The transmitting utility shall include an analysis and assessment of the seismic hazards that may occur along the proposed transmission route.

(3) The transmitting utility shall also provide any other information that the commission requests.

(4) The transmitting utility shall include, with its application for a route certificate, written prefiled testimony that supports the information contained in the application. Such testimony shall be in a form that conforms to the commission's rules of procedure.

(5) After notice and an opportunity for hearing, the commission shall issue its final order denying, granting, or granting with conditions the application for a route certificate. The commission shall issue its final order no later than twelve (12) months after the application for a route certificate is filed, unless the transmitting utility agrees to an extension in writing.

(6) The transmitting utility will make available copies of its complete application on its project website and at publicly accessible locations in each county. The application will also be available on the commission's website.

61-1706. CONSTRUCTION STANDARDS. Each transmitting utility will construct, install, operate, and maintain its transmission facility in compliance with the current edition of the national electrical safety code published by the institute of electrical and electronic engineers, inc. Transmission facilities shall be constructed and operated in a manner to best accommodate the public and to prevent interference with service furnished by other public utilities insofar as practical.

61-1707. PUBLIC WORKSHOPS. (1) After a transmitting utility has filed its notice of intent with the commission and before it files the application for a route certificate, the transmitting utility shall conduct informal public workshops at location(s) along the proposed transmission route. The purpose of the workshops is to provide information about the transmission project and the process for obtaining construction authority.

(2) After a transmitting utility has filed an application for a route certificate, the commission will determine whether the staff should conduct an informational public workshop at locations along the proposed transmission route. The purpose of the public workshop is for the commission staff to dispense information concerning the transmission utility's application and to advise interested persons on how to participate in the commission's review proceeding.

(3) Notice of the public workshops shall be issued a minimum of fourteen (14) days prior to the workshop to newspapers of general circulation and radio and television stations in the affected area.

61-1708. EFFECT OF ISSUANCE OF ROUTE CERTIFICATION. (1) Subject to any conditions attached to the certificate by the commission, a final commission order granting a route certificate shall bind the state and each of its agencies, divisions, bureaus, commissions, boards and local
governments as to the approval of the authorized transmission route and the construction and operation of the authorized transmission facility.

(2) Issuance of a route certificate to a transmitting utility authorizes the utility to exercise the right of eminent domain pursuant to chapter 7, title 7, Idaho Code.

(3) Issuance of the route certificate shall not be construed to preempt jurisdiction of any state agency or local government over matters that are not included in and governed by the route certificate including, but not limited to, employee health and safety, wage and hour or other labor regulations, other design and operational issues that do not relate to the siting of the transmission facilities.

61-1709. COMMISSION PROCEDURES -- ADMINISTRATIVE REMEDY -- RECONSIDERATION -- JUDICIAL REVIEW. (1) All matters arising under this chapter shall be governed by the commission's rules of procedure.

(2) The commission's proceeding to review an application for a route certificate for the construction of transmission facilities in a designated national interest electric transmission corridor shall constitute a necessary administrative remedy for a person aggrieved by a local government's final land use action on a transmitting utility's application to construct transmission facilities in a designated national interest electric transmission corridor. Judicial review shall not be available from a local government's final land use decision concerning a transmitting utility's application to construct transmission facilities in a national interest electric transmission corridor. A person aggrieved by a local government's final land use action involving the construction of a proposed transmission facility route in a national interest electric transmission corridor must participate in the commission's proceeding and seek judicial review of the commission's final order.

(3) Reconsideration of, appeal from, and stay of orders issued pursuant to this chapter shall be governed by law as for orders of the commission in other matters.

SECTION 2. That Section 67-6508, Idaho Code, be, and the same is hereby amended to read as follows:

"High-voltage transmission lines" means lines with a capacity of one hundred fifteen thousand (115,000) volts or more supported by structures of forty (40) feet or more in height.

Nothing herein shall preclude the consideration of additional planning components or subject matter.

SECTION 3. SEVERABILITY. The provisions of this act are hereby declared to be severable and if any provision of this act or the application of such provision to any person or circumstance is declared invalid for any reason, such declaration shall not affect the validity of the remaining portions of this act.

When the above conditions have been met the county commissioners shall publish the petition, and if after thirty (30) days no protests are received, an election must be held at the next on a regularly scheduled election date specified in section 34-106, Idaho Code. The petitioners abatement district shall bear the expense of holding their portion of the election upon their successful formation from the first tax moneys collected. If there are written protests, the county commissioners must hold a public hearing within thirty (30) days after receipt of the written protests and after the hearing hold an election. Notice of the time and place of such election shall be published at least once not less than twelve (12) days prior to the election and a second time not less than five (5) days prior to the election in at least one (1) newspaper having general circulation in the proposed abatement district. Only qualified electors who own land within the district or the proposed district, and are residents of the county in which the district, or a portion thereof, is located, or are spouses of such landowners residing in such county, may vote on the formation of the district. A majority of the votes cast will establish the district.

(b) The board of county commissioners may place the question on a ballot during either a primary or general election as to whether to create an abatement district. If the board of county commissioners determines to place such a question on the ballot, it shall be after they define the boundaries of the proposed district and assessed tax valuation of the property therein. Notice of the time and place of such election shall be published at least once not less than twelve (12) days prior to the election and a second time not less than five (5) days prior to the election in at least one (1) newspaper having general circulation in the proposed abatement district.

(2) No person shall be entitled to vote at any election held under the provisions of this chapter unless he shall possess all the qualifications required of electors under the general laws of the state and be a resident of the proposed district. A majority of the votes cast by the qualified electors shall establish the district.

c. To take all necessary and proper steps for the control of mosquitoes and other vermin of public health and welfare importance in the district and for these purposes shall have the right to enter upon any and all lands.

d. To sue and be sued.

e. To contract to purchase, hold, dispose of, and acquire by gift real and personal property in the name of the district. To exercise the right of eminent domain and for these purposes to condemn any necessary land and/or rights-of-way in accordance with general law.

f. To abate as nuisance breeding places of mosquitoes and/or other vermin of public health and welfare importance within the district or within migrating distance of the district by use of chemicals and/or permanent control measures and in this connection have the right to enter upon any and all lands.

g. To work with the lateral ditch water users associations, irrigation, drainage and flood control districts and other cooperating organizations. The board of trustees of the abatement district may supplement funds of cooperating organizations for improvement, repair, maintenance and cleaning of ditches which will temporarily or permanently eliminate mosquito breeding or for other activities which will benefit the district.

h. To file annually with the board of county commissioners for their approval an estimate of funds required for the next year, a plan of the work to be done, and methods to be employed. No procedure, work or contract for any year of operation shall be done or entered upon until plans and budget have been jointly approved by the board of county commissioners.

i. To file, annually or by February 1 of the succeeding year, with the board of county commissioners a report setting forth the moneys expended during the previous year, methods employed, and work accomplishments.

j. To approve a written mosquito or other vermin management plan submitted by a landowner requesting that their property be excluded from treatment by the abatement district. Such plan must be specific to the landowner's property, provide adequate control measures, and be implemented by the landowner. The abatement district shall refrain from treatment of property included in the approved plan, but shall maintain monitoring and surveillance activities. If the landowner fails to follow the plan or does not provide adequate control measures, the abatement district may abate the mosquitoes or other vermin.

For annexations that will increase the size of an existing contiguous district, there shall be no size restriction on the property being annexed. Noncontiguous areas shall not be annexed unless the area meets the provisions of section 39-2801A, Idaho Code. Upon receiving this petition or written request, the trustees of the existing mosquito abatement district must submit the question of annexation to the legal voters of the district at an election held subject to the provisions of section 34-106, Idaho Code.

Upon receiving a petition signed by fifty (50) or more landowners within the portion desired to be withdrawn from any mosquito abatement district, or by a majority of such landowners, if there are less than one hundred (100) landowners within the portion sought to be withdrawn, requesting the withdrawal of such portion from the district on the ground that such portion will not be reasonably benefited by remaining in said district, the board of county commissioners shall fix a time for hearing on such petition and for hearing protests to the continuance of the remaining territory as mosquito abatement district. The hearing shall not be less than ten (10) days nor more than thirty (30) days after the receipt thereof. The board shall, at least one (1) week prior to the time so fixed, publish notice of such hearing by one (1) publication in a newspaper of general circulation in the district, which the board deems most likely to give notice to the inhabitants thereof, of the proposed withdrawal.

The board of county commissioners shall consider all objections and shall pass upon the same, and if it finds that portion of the district sought to be withdrawn will not be reasonably benefited by remaining within the district, and the terri-
tory not sought to be withdrawn will be reasonably benefited by continuing as an mosquito abatement district, it shall grant the petition and enter an order thereon upon its records. In the event the board finds the district will not be reasonably benefited by continuing as a mosquito abatement district, it shall enter an order upon its records completely dissolving and terminating the previously existing mosquito abatement district. Upon the withdrawal of any territory from an mosquito abatement district, as in this section provided, all property acquired for the district shall remain vested in the county and be used for the purposes of the district. (2) Boards of county commissioners are further authorized and empowered, in the event of a disaster or emergency declared by such boards, to make direct appropriations for the purpose of controlling public health and welfare pests as declared pursuant to this section. All moneys raised by direct appropriation shall be placed in a county public health and welfare pest fund, which shall be used exclusively for the control of pests of public health and welfare significance and for payment of all necessary expenses incurred in such control program. In addition, the county may impose an annual property tax assessment pursuant to section 39-2805, Idaho Code, and in accordance with the provisions of sections 63-802 and 63-803, Idaho Code, for the term of the disaster or emergency or until all expenses incurred during the disaster or emergency have been recovered. Such fund shall be a revolving fund and all moneys returned to the fund under any of the provisions of this chapter shall continue to be available for the operation of the control program.

(3) The disaster or emergency declaration of a pest of public health and welfare significance within a county and subsequent pest management activity shall, except as provided herein, place the whole county into an interim abatement district for administrative purposes for no more than two (2) years. The transition of an interim abatement district into a formally defined abatement district, shall be brought to a vote of the electorate within twenty-four (24) months of the declara-
tion, subject to the notification and establishment requirements pro-
vided in this chapter and conducted during a general election held on

provisions of this chapter shall be implemented. If the measure fails,
the balance of revolving fund moneys shall be distributed as required by
state law. In the event the disaster or emergency exceeds the county’s
capacity or resources, provisions should be made to request state or
federal disaster or emergency funds to address the evolving situation.
If the interim abatement district provides the same service as an exist-
ing abatement district, the interim abatement district shall exclude any
area within an existing abatement district.

SECTION 11. That Chapter 28, Title 39, Idaho Code, be, and the same

to the board of county commissioners. If such an ordinance is adopted,
the board of county commissioners shall retain and may exercise the
powers, duties and responsibilities otherwise charged to the abatement
district board of trustees by the provisions of this chapter. Any such

sation, and terms of office of the abatement advisory board and may pro-
vide for any such other rules under which the abatement advisory board
shall advise the board of county commissioners and conduct its opera-
tions. Any such ordinance may be repealed at any time and, if repealed,
the provisions of this chapter shall apply as if no such ordinance had

AN ACT
RELATING TO GEOTHERMAL RESOURCES; AMENDING SECTION 42-4003, IDAHO CODE, TO REVISE FILING FEE PROVISIONS AND TO MAKE TECHNICAL CORRECTIONS; AMENDING SECTION 42-4004, IDAHO CODE, TO REVISE PROCEDURES RELATING TO THE PROCESSING OF APPLICATIONS AND INVESTIGATIONS AND TO MAKE TECHNICAL CORRECTIONS; AMENDING SECTION 42-4005, IDAHO CODE, TO REVISE REQUIREMENTS RELATING TO THE PROVISION OF GOOD AND SUFFICIENT SECURITY, TO AUTHORIZE THE DIRECTOR TO ACCEPT A COMPREHENSIVE SECURITY AND TO MAKE A TECHNICAL CORRECTION; AND DECLARING AN EMERGENCY.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 42-4003, Idaho Code, be, and the same is hereby amended to read as follows:

42-4003. PERMITS -- APPLICATION -- FEE -- EXCEPTIONS. (a) Any person who, as owner or operator, proposes to construct a well or to alter a well or to construct or to alter an injection well shall first apply to the director for a geothermal resource well permit. Such application shall set out the following information on a form or forms prescribed by the department:

(1) The name of any person making the application; if such person is a partnership, joint-venture, association, or other unincorporated group of corporate or natural persons, the names and places of domicile of each of the constituent persons who have general partnership responsibility and authority for and in such unincorporated group of persons; if any person named on a permit application is a corporation, its place of domicile, the names and places of domicile
of its principal executive officers, and the names and places of domicile of any person or persons owning a thirty percent (30%) or greater interest, whether legal, beneficial, or a combined legal and beneficial interest, in such corporate person; if the applicant is making an application as an agent for any other person, it shall be clearly so stated and any person who is the applicant's principal shall be subject to each and all of the disclosure requirements of this subdivision subsection; for purposes of this subdivision subsection, the domicile of a corporation is at all of the following:
   a. The place of incorporation;
   b. The principal place of business;
   c. The place, by city and state, of the home office, and in any instance where domicile is required to be disclosed all of these places shall be specified.

(2) The location of the proposed well; and/or the injection well described particularly by the quarter-quarter section according to the township and range system of the United States public lands survey.

(3) The length, size, type, and thickness of casing proposed to be used in such well and/or such injection well and any other devices or techniques to be used in the drilling, operation, and maintenance of such well and/or injection well for the purpose of conserving geothermal resources and their availability, avoiding waste and for the protection of other subsurface natural resources.

(4) The character and composition of the material expected to be derived from such well.

(5) The means proposed to be used to contain and manage the material expected to be derived from such well or injected into such injection well in order to avoid unreasonable damage to life, property, or surface and atmospheric natural resources.

(6) Whether such well or such injection well is proposed to be constructed as a part of a program for exploration or for development of an already explored geothermal resource area.

(7) Such other information as the director may determine to be necessary for the administration of this chapter.

(b) Any application for a permit to construct a well which is made pursuant to this section, if the construction or operation of such well will involve the use of water, or if such well may be expected to yield water to be used, for any beneficial purpose, other than as a mineral source, an energy source, or otherwise as a material medium, shall be accompanied by an application to appropriate the public waters of this state in the form prescribed in chapter 2, title 42, Idaho Code, and by regulations rules adopted pursuant thereto, and such application to appropriate the public waters shall be governed in all respects by that chapter.

(c) Any application for a permit made pursuant to this section shall be accompanied by a filing fee of:
   (1) One Two hundred dollars ($200) if for a well;
   (2) Fifty One hundred dollars ($50-100) for an injection well;
and no application shall be accepted and filed by the director until such filing fee has been deposited with him. All moneys received under provisions of this act chapter shall be deposited with the state treasurer in the water administration fund as provided in section 42-238a, Idaho Code.
(d) No person shall construct or alter a well or an injection well without having first secured a permit therefor; provided however, that the director may, by general rule or regulation adopted pursuant to chapter 52, title 67, Idaho Code, exempt specific categories of wells or injection wells otherwise embraced by this act chapter upon a finding that the purposes of this act chapter do not require that such wells be subject to the permit requirement of this section.

(e) Nothing in this act chapter shall be construed as affecting any valid, vested water rights for water in use on or before July 1, 1987.

(f) The director shall have the authority to and may designate any area of the state a "geothermal area" when the director finds or has reason to believe that such designation is necessary to protect the geothermal resource from waste and to protect other resources of the state from contamination or waste.

(g) No person shall drill a well for any purpose to a depth of three thousand (3,000) feet or more below land surface in a designated "geothermal area" without first obtaining a permit under the provisions of this section. Such permit shall be in addition to any permit required by other provisions of law.

(h) The owner of any well constructed or being constructed pursuant to section 47-320, Idaho Code, who encounters a geothermal resource, and who intends or desires to utilize such resource, shall make application for a geothermal permit as required under this section, provided however, that no additional filing fee shall be required.

(i) A geothermal resource shall be utilized primarily for its heat value. Usage of a geothermal resource primarily for some reason other than its heat value shall not be deemed a beneficial use of the resource.

SECTION 2. That Section 42-4004, Idaho Code, be, and the same is hereby amended to read as follows:

42-4004. PROCESSING OF APPLICATIONS -- INVESTIGATIONS -- HEARINGS.
(a) Upon receipt of an application made pursuant to section 42-4003, Idaho Code, it shall be the duty of the director to examine such application to ascertain, within thirty (30) days of receipt, if it sets forth all information required by that section and all the information necessary for the director to make the determination required by this section. If upon such examination the application is found to be defective, the director shall return such application for correction, or notify the applicant that such application is defective, and the applicant may correct such application within thirty (30) days or make a new application. All applications which comply with the provisions of this act chapter and with the regulations rules of the water resource board shall be accepted by the director and numbered in a manner which will aid in their identification.

(b) Upon within thirty (30) days of the receipt and acceptance of a proper application and the determination of its completeness in accordance with subsection (a) of this section, the director shall undertake and thereafter diligently conduct such investigations as necessary to determine that the construction or alteration of the proposed well or injection well will be in the public interest. The director may consider, but is not limited in his consideration to:

(1) The financial resources of the applicant, his principal, or
other person who may be legally responsible for the subject well or injection well, and the probability that such person will be financially able to bear all costs for which he might be responsible which may be incident to the construction, operation, and maintenance of the well or injection well proposed to be constructed or altered.

(2) The adequacy of measures proposed to safeguard subsurface, surface, and atmospheric resources from unreasonable degradation, and especially to protect ground-water aquifers and surface-water sources from contamination which would render such water of lesser quality than it would have had but for the contamination.

(3) The possibility that the construction and maintenance of the proposed well will cause waste or will damage any geothermal resource, reservoir, or other source, by unreasonable reduction of pressures or unreasonable reduction of any geothermal resource material medium or in any other manner, so as to render any geothermal resource of unreasonably less value.

(4) The adequacy of measures proposed to safeguard the environment of the area around the site of the proposed well from unreasonable contamination or pollution.

(5) Any possible interdependence between any geothermal resource, reservoir, pool, or other source expected to be affected under the permit and any aquifers or other sources of ground waters used for beneficial uses other than uses as a material medium or a mineral source, and the probability that such interdependence may cause such ground-water sources to be inadequate to meet demands on them under existing water rights.

(c) Upon completion of the investigations required under subsection (b) of this section, the director shall approve the application in whole or in part or upon conditions, or reject the application. Any applicant or the director shall have a right to have a public hearing concerning the propriety of issuing a permit for which an application has been made under section 42-4003, Idaho Code. Hearings held under this subdivision of this section shall be governed by rules of procedure adopted by the water resource board pursuant to chapter 52, title 67, Idaho Code. Hearings held under this subdivision shall be held at any location found to be appropriate by the water resource board.

SECTION 3. That Section 42-4005, Idaho Code, be, and the same is hereby amended to read as follows:

42-4005. PERMIT -- ISSUANCE -- BOND SUFFICIENT SECURITY -- REVIEW -- APPEAL. (a) If the director finds that the well or the injection well as proposed to be constructed or altered is in the public interest, he shall issue a permit. The director may issue a permit substantially in accordance with the specifications on the application, or the director may limit the scope of the permit granted or may issue a permit subject to conditions.

(b) If the director finds that the well or injection well as it is proposed to be constructed or altered in the application will not be in the public interest, he shall refuse to issue a permit. In no case shall the director issue a permit to construct or alter a well or injection well if he finds that use of the proposed well or injection well may be
expected to unreasonably reduce the quality of any surface or ground waters below the quality which such waters would have had but for the proposed well.

(c) If the director refuses to issue a permit, or issues one subject to conditions or limitations, he shall issue a clear statement of his reasons for refusing to issue or issuing the limited permit. The director shall issue a statement of findings of fact and conclusions of law that provides a factual and legal basis for the order. The refusal of the director to issue a permit, together with the clear statement of the reasons for refusing to issue the permit shall be served on the applicant by certified mail. A permit issued conditionally or subject to limitations shall, with the statement of reasons required under this subdivision subsection, be served in the same manner as a refusal to issue a permit.

(d) An applicant denied a permit or issued a limited or conditional permit may seek a public hearing before the water resource board. A certified transcript of the proceedings and the evidence received at such hearing shall be maintained by the board. The board shall affirm, modify or reject the director's decision, and make its decision in the form of an order to the director. The hearing shall be conducted in accordance with chapter 52, title 67, Idaho Code. Judicial review of the final determination by the board may be secured pursuant to chapter 52, title 67, Idaho Code.

(e) The director shall not issue a permit if he finds that the operation of any well under a proposed permit will decrease ground water in any aquifer or other ground water source or will unreasonably decrease ground water available for prior water rights in any aquifer or other ground water source of water for beneficial uses, other than uses as a mineral source, an energy source, or otherwise as a material medium, unless and until the applicant has also obtained a permit for the appropriation of ground waters under chapter 2, title 42, Idaho Code.

(f) The director shall require, as a condition of every permit, that every person who engages in the construction, alteration, testing, or operation of a well to file with the director, on a form prescribed by the director, a bond indemnifying the state of Idaho providing evidence of good and sufficient security, conditioned upon the performance of the duties required by this chapter and the proper abandonment of any well covered by such permit. The bond Good and sufficient security shall be in an amount not less than five ten thousand dollars ($510,000) or more than one hundred thousand dollars ($100,000) as determined by the director based on the size and depth of the well, the complexity of the well, the resource to be recovered, the area of operation, and other relevant factors.

(g) Notwithstanding the requirements for sufficient security for individual permits identified in this section, the director shall have the discretion to accept evidence of good and sufficient security in the form of a comprehensive wellfield or statewide bond, trust fund, letter of credit, insurance or other acceptable surety for all well permits owned by the applicant within a field or within the state, provided the amount of the comprehensive security does not exceed the total sum of the amounts under each individual permit.
SECTION 4. An emergency existing therefor, which emergency is hereby declared to exist, this act shall be in full force and effect on and after its passage and approval.

Approved March 26, 2007.

(H.B. No. 239)

AN ACT
RELATING TO INCOME TAX; AMENDING SECTION 63-3022, IDAHO CODE, TO PROVIDE THAT WITHDRAWALS FROM THE IDAHO COLLEGE SAVINGS PROGRAM THAT ARE TRANSFERRED TO A QUALIFIED PROGRAM OPERATED BY ANOTHER STATE SHALL BE INCLUDED AS TAXABLE INCOME IN IDAHO.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 63-3022, Idaho Code, be, and the same is hereby amended to read as follows:

63-3022. ADJUSTMENTS TO TAXABLE INCOME. The additions and subtractions set forth in this section, and in sections 63-3022A through 63-3022Q, Idaho Code, are to be applied to the extent allowed in computing Idaho taxable income:

(a) Add any state and local taxes, as defined in section 164 of the Internal Revenue Code and, measured by net income, paid or accrued during the taxable year adjusted for state or local tax refunds used in arriving at taxable income.

(b) Add the net operating loss deduction used in arriving at taxable income.

(c) (1) A net operating loss for any taxable year commencing on and after January 1, 2000, shall be a net operating loss carryback not to exceed a total of one hundred thousand dollars ($100,000) to the two (2) immediately preceding taxable years. Any portion of the net operating loss not subtracted in the two (2) preceding years may be subtracted in the next twenty (20) years succeeding the taxable year in which the loss arises in order until exhausted. The sum of the deductions may not exceed the amount of the net operating loss deduction incurred. At the election of the taxpayer, the two (2) year carryback may be foregone and the loss subtracted from income received in taxable years arising in the next twenty (20) years succeeding the taxable year in which the loss arises in order until exhausted. The election shall be made as under section 172(b)(3) of the Internal Revenue Code. An election under this subsection must be in the manner prescribed in the rules of the state tax commission and once made is irrevocable for the year in which it is made. The term "income" as used in this subsection (c) means Idaho taxable income as defined in this chapter as modified by section 63-3021(b)(2), (3) and (4), Idaho Code.

(2) Net operating losses incurred by a corporation during a year in which such corporation did not transact business in Idaho or was not included in a group of corporations combined under subsection (t) of section 63-3027, Idaho Code, may not be subtracted. However, if at
least one (1) corporation within a group of corporations combined under subsection (t) of section 63-3027, Idaho Code, was transacting business in Idaho during the taxable year in which the loss was incurred, then the net operating loss may be subtracted. Net operating losses incurred by a person, other than a corporation, in activities not taxable by Idaho may not be subtracted.

(d) In the case of a corporation, add the amount deducted under the provisions of sections 243(a) and (c), 244, 245 and 246A of the Internal Revenue Code (relating to dividends received by corporations) as limited by section 246(b)(1) of said code.

(e) In the case of a corporation, subtract an amount determined under section 78 of the Internal Revenue Code to be taxable as dividends.

(f) Subtract the amount of any income received or accrued during the taxable year which is exempt from taxation by this state, under the provisions of any other law of this state or a law of the United States, if not previously subtracted in arriving at taxable income.

(g) For the purpose of determining the Idaho taxable income of the beneficiary of a trust or of an estate:

(1) Distributable net income as defined for federal tax purposes shall be corrected for the other adjustments required by this section.

(2) Net operating losses attributable to a beneficiary of a trust or estate under section 642 of the Internal Revenue Code shall be a deduction for the beneficiary to the extent that income from the trust or estate would be attributable to this state under the provisions of this chapter.

(h) In the case of an individual who is on active duty as a full-time officer, enlistee or draftee, with the armed forces of the United States, which full-time duty is or will be continuous and uninterrupted for one hundred twenty (120) consecutive days or more, deduct compensation paid by the armed forces of the United States for services performed outside this state. The deduction is allowed only to the extent such income is included in taxable income.

(i) In the case of a corporation, including any corporation included in a group of corporations combined under subsection (t) of section 63-3027, Idaho Code, add any capital loss deducted which loss was incurred during any year in which such corporation did not transact business in Idaho. However, do not add any capital loss deducted if a corporation, including any corporation in a group of corporations combined under subsection (t) of section 63-3027, Idaho Code, was transacting business in Idaho during the taxable year in which the loss was incurred. In the case of persons, other than corporations, add any capital loss deducted which was incurred in activities not taxable by Idaho at the time such loss was incurred. In computing the income taxable to an S corporation or partnership under this section, deduction shall not be allowed for a carryover or carryback of a net operating loss provided for in subsection (c) of this section or a capital loss provided for in section 1212 of the Internal Revenue Code.

(j) In the case of an individual, there shall be allowed as a deduction from gross income either (1) or (2) at the option of the taxpayer:

(1) The standard deduction as defined in section 63, Internal Revenue Code.
(2) Itemized deductions as defined in section 63 of the Internal Revenue Code except state or local taxes measured by net income and general sales taxes as either is defined in section 164 of the Internal Revenue Code.

(k) Add the taxable amount of any lump sum distribution excluded from gross income for federal income tax purposes under the ten (10) year averaging method. The taxable amount will include the ordinary income portion and the amount eligible for the capital gain election.

(l) Deduct any amounts included in gross income under the provisions of section 86 of the Internal Revenue Code relating to certain social security and railroad benefits.

(m) In the case of a self-employed individual, deduct the actual cost of premiums paid to secure worker's compensation insurance for coverage in Idaho, if such cost has not been deducted in arriving at taxable income.

(n) In the case of an individual, deduct the amount contributed to a college savings program pursuant to chapter 54, title 33, Idaho Code, but not more than four thousand dollars ($4,000) per tax year. If the contribution is made on or before April 15, 2001, it may be deducted for tax year 2000 and an individual can make another contribution and claim the deduction according to the limits provided in this subsection during 2001 for tax year 2001, as long as the contribution is made on or before December 31, 2001.

(o) In the case of an individual, add the amount of a nonqualified withdrawal from an individual trust account or savings account established pursuant to chapter 54, title 33, Idaho Code, less any amount of such nonqualified withdrawal included in the individual's federal gross income pursuant to section 529 of the Internal Revenue Code.

(p) In the case of an individual, add the amount of a withdrawal from an individual trust account or savings account established pursuant to chapter 54, title 33, Idaho Code, transferred to a qualified tuition program, as defined in section 529 of the Internal Revenue Code, that is operated by a state other than Idaho.

Approved March 26, 2007.

(1) A resident individual shall be allowed a credit against the tax otherwise due under this chapter for the amount of any income tax imposed on the individual, an S corporation, partnership, limited liability company, or trust of which the individual is a shareholder, partner, member, or beneficiary (to the extent attributable to the individual as a result of the individual's share of the S corporation's, partnership's, limited liability company's or trust's taxable income in another state), for the taxable year by another state on income derived from sources therein while domiciled in Idaho and that is also subject to tax under this chapter.

(2) For purposes of this section, "state" shall include any state of the United States, the District of Columbia, or any possession or territory of the United States.

(3) (a) Except as provided in subsection (3)(b), the credit provided under this section shall not exceed the proportion of the tax otherwise due under this chapter that the amount of the adjusted gross income of the taxpayer derived from sources in the other state as modified by this chapter bears to the adjusted gross income of the taxpayer as modified by this chapter. This limitation applies to all individuals, whether the tax paid to the other state is paid by the individual or by an S corporation, partnership, limited liability company, or trust. Further, the credit shall not exceed the tax paid to the other state.

(b) When tax is paid to another state on income of an S corporation, partnership, limited liability company, or trust, the limitation calculated in subsection (3)(a) with respect to that income shall be based on the proportion that the individual taxpayer's share of the entity's taxable income correctly reported to the other state under the laws of the other state bears to the individual's adjusted gross income. This limitation shall apply whether the tax is paid to the other state by the individual or by the S corporation, partnership, limited liability company or trust.

(5) No credit allowed under this section shall be applied in calculating tax due under this chapter if the tax upon which the credit is based has been claimed as a deduction, unless the tax is restored to income on the Idaho return.

(6) The credit shall not be allowed if such other state allows a credit against taxes imposed by such state for taxes paid or payable under this act.

(7) For purposes of this section an income tax imposed on an S corporation, partnership, limited liability company, or trust includes:

(a) A direct tax imposed upon the income for the taxable year of
the S corporation, partnership, limited liability company or trust; and
(b) An excise or franchise tax that is measured by the income for the taxable year of the S corporation, partnership, limited liability company, or trust.

This defense is an affirmative defense that shall be raised by the defendant and is not an element of any crime or administrative violation that must be proved by the state.

(2) If, due to a medical emergency as defined in subsection (5) of section 18-609A, Idaho Code, there was insufficient time for the physician to confirm that the woman, due to her age, did not then come within the provisions of subsection (1) of section 18-609A, Idaho Code, the physician shall not be subject to criminal or administrative liability for performing the abortion in violation of subsection (1)(a)(v) of section 18-609A, Idaho Code, if, as soon as possible but in no event longer than twenty-four (24) hours after performing the abortion, the physician obtained positive identification or other documentary evidence from which a reasonable person would have concluded that the woman seeking the abortion was either an emancipated minor or was not then a minor and if the physician retained, at the time of receiving the evidence, a legible photocopy of such evidence in the physician's office file for the woman. This defense is an affirmative defense that shall be raised by the defendant and is not an element of any crime or administrative violation that must be proved by the state.

(3) If after performing an abortion under circumstances of a medical emergency as defined in subsection (5) of section 18-609A, Idaho Code, the physician, after reasonable inquiry, is unable to determine whether or not the woman is a minor, the physician shall not be subject to criminal, civil or administrative liability for taking any action that would have been required by subsection (1)(a)(v) of section 18-609A, Idaho Code, if the woman had been a minor at the time the abortion was caused or performed.

(4) For purposes of this section, "positive identification" means a lawfully issued state, district, territorial, possession, provincial, national or other equivalent government driver's license, identification card or military card, bearing the person's photograph and date of birth, the person's valid passport or a certified copy of the person's birth certificate.

tion thereof to any person or circumstance, or application to any other section of Idaho Code is found to be unconstitutional, the same is hereby declared to be severable and the balance of this act shall remain effective notwithstanding such unconstitutionality. The Legislature hereby declares that it would have passed this act, and each provision, section, subsection, sentence, clause, phrase or word thereof, irrespective of the fact that any one or more provision, section, subsection, sentence, clause, phrase or word be declared unconstitutional.

SECTION 1. That Section 41-4909, Idaho Code, be, and the same is hereby amended to read as follows:

41-4909. SOURCE OF TRUST FUND -- APPLICATION FEES -- APPLICATION FOR ENROLLMENT -- TRANSFER FEES. (1) Every owner or operator of an underground storage tank may, if he desires to apply to the trust fund to insure the underground tank, make application for and pay into the trust fund an initial application fee set by the administrator, but not to exceed twenty-five dollars ($25.00) for each tank for which application for coverage is made.

(2) Every owner or operator of an aboveground storage tank may, if he desires to apply to the trust fund to insure the aboveground tank, make application for and pay into the trust fund an initial application fee set by the administrator, but not to exceed twenty-five dollars ($25.00) for each tank for which application for coverage is made.

(3) Every owner or operator of a farm tank or residential tank may, if he desires to apply to the trust fund to insure the tank, make application for and pay into the trust fund an initial application fee set by the administrator, but not to exceed twenty-five dollars ($25.00) for each tank for which application for coverage is made.

(4) Every owner or operator of a heating tank may, if he desires to apply to the trust fund to insure the tank, make application for and pay
into the trust fund an initial application fee set by the administrator, but not to exceed five dollars ($5.00) for each tank for which application for coverage is made.

(5) The application for insurance shall be made to the administrator on forms furnished and prescribed by the administrator for the purpose of eliciting reasonably available information as to the type and use of the storage tank, the type of business enterprise of the tank owner or operator, the age of the storage tank, the materials used in the construction of the tank and the inside and outside protective coatings and other corrosion protective measures, leak detection methods, spill and overfill prevention methods of the tank, the location of the tank and its proximity to roads and buildings, the foundation and type of material used as a bedding and fill for the tank, any available inspection records of the tank including the gallons of petroleum products entered into the tank and the gallon dispersements from the tank, and other information that is reasonably prudent in order to obtain a sufficient body of statistical data to determine the relative hazards of various categories of tanks, the potential that future leaks or discharges may occur, and the conditions under which cleanup costs and personal injury and property damage costs may occur and vary in the severity of the release and the resultant costs to the trust fund.

(6) The administrator shall act upon the application for insurance with all reasonable promptness, and the administrator shall make such investigations of the applicant as the administrator deems advisable to determine if the information contained in the application for insurance is accurate and complete. The administrator shall determine if the applicant's storage tanks meet all the eligibility requirements and promptly notify the applicant of the acceptance or nonacceptance of the application for insurance. The absence of unknown data requested on the application shall not preclude an applicant's acceptance for coverage by the trust fund, if the applicant is otherwise eligible for insurance under this chapter.

(7) In addition to the application fees received by the trust fund pursuant to this section, the trust fund shall receive the revenue produced by the imposition of a "transfer fee" of one cent (1¢) per gallon on the delivery or storage of all petroleum products as defined in subsection (24J) of section 41-4903, Idaho Code, delivered or stored within the state of Idaho. The fee imposed by this subsection shall not apply to: (a) petroleum or petroleum products which are first delivered or stored in this state in a container of fifty-five (55) gallons or less if such container is intended to be transferred to the ultimate consumer of the petroleum or petroleum products; or (b) petroleum or petroleum products delivered or stored in this state for the purpose of packaging or repackaging into containers of fifty-five (55) gallons or less if such container is intended to be transferred to the ultimate consumer of the petroleum or petroleum products.

(8) The transfer fee shall be collected by the commission on all petroleum products delivered or stored within this state after April 1, 1990. This transfer fee shall be in addition to any excise tax imposed
on motor fuel or other petroleum products and shall be remitted to the
commission with the distributor's monthly report as required in section
63-2406, Idaho Code. The distributor may deduct from his monthly report
those gallons of petroleum products returned to a licensed distributor's
refinery or pipeline terminal storage or exported from the state when
supported by proper documents approved by the commission. For the pur­
pose of carrying out its duties under the provisions of this chapter,
the commission shall have the powers and duties provided in sections
63-3038, 63-3039, 63-3042 through 63-3066, 63-3068, 63-3071, and 63-3074
through 63-3078, Idaho Code, which sections are incorporated by refer­
ence herein as though set out verbatim.

(9) No person shall be excused from liability for any duty or fee
imposed in this chapter for failure to obtain a distributor's license.

(10) The director shall certify to the commission when the unencum­
bered balance in the trust fund equals twentythree-million dollars
(§235,000,000). Effective the first day of the second month following
the date of such certification, the imposition of the transfer fee shall
be suspended. Thereafter, the director shall certify to the commission
when the unencumbered balance in the trust fund equals fifteen-twenty­
five million dollars (§1525,000,000). Effective the first day of the
second month following the date of such certification, the imposition of
the transfer fee shall be reinitiated.

hereby amended to read as follows:

(1) The legislature finds—that recognizes the established common
law and the fundamental right of adult persons have—the—fundamental
right to control the decisions relating to the rendering of their medi-
cal care, including the decision to have life-sustaining procedures
withheld or withdrawn. The legislature further finds that modern medical
technology has made possible the artificial prolongation of human life
beyond natural limits. The legislature further finds that patients are
sometimes unable to express their desire to withhold or withdraw such
artificial life prolongation procedures which provide nothing medically
necessary or beneficial to the patient because of the patient's inabil-
ity to communicate with the physician.

(2) In reco
gn
ition of the di
gn
ity and privacy which patients have a
right to expect, the legislature hereby declares that the laws of this
state shall reco
gn
ize the right of a competent person to have his or her
wishes for medical treatment and for the withdrawal of artificial life-
sustaining procedures carried out even though that person is no longer
able to communicate with the physician.

(3) It is the intent of the legislature to establish an effective
means for such communication. It is not the intent of the legislature
that the procedures described in this—chapter sections 39-4509 through
39-4515, Idaho Code, are the only effective means of such communication,
and nothing in this—chapter sections 39-4509 through 39-4515, Idaho
Code, shall impair or supersede any legal right or legal responsibility
which a person may have to effect the withholding or withdrawal of life-
sustaining procedures in any lawful manner. Any authentic expression of
a person's wishes with respect to health care should be honored.

(4) "Competent person" means any emancipated minor or person eigh-
teen (18) or more years of age who is of sound mind.

SECTION 10. That Section 39-4509, Idaho Code, be, and the same is
hereby repealed.

hereby amended to read as follows:

SECTION 12. That Section 39-4511, Idaho Code, be, and the same is hereby amended to read as follows:

39-4511. REVOCATION. (1) A living will and durable power of attorney for health care or physician orders for scope of treatment (POST) form may be revoked at any time by the maker thereof, without regard to his mental state or competence, by any of the following methods:

(a) By being canceled, defaced, obliterated or burned, torn, or otherwise destroyed by the maker thereof, or by some person in his presence and by his direction;

(b) By a written, signed revocation of the maker thereof expressing his intent to revoke; or

(2) The maker of the revoked living will and durable power of attorney for health care is responsible for notifying his physician of the revocation.

(3) There shall be no criminal or civil liability on the part of any person for the failure to act upon a revocation of a living will and durable power of attorney for health care or physician orders for scope of treatment (POST) form made pursuant to this section unless that person has actual knowledge of the revocation.

SECTION 13. That Chapter 45, Title 39, Idaho Code, be, and the same is hereby amended by the addition thereto of a new section, to be known and designated as Section 39-4512A, Idaho Code, and to read as follows:

39-4512A. PHYSICIAN ORDERS FOR SCOPE OF TREATMENT (POST). (1) A physician orders for scope of treatment (POST) form is appropriate in cases where a patient has an incurable or irreversible injury, disease, illness or condition, or where a patient is in a persistent vegetative state. A POST form is also appropriate if such conditions are anticipated.

(2) The POST form shall be effective from the date of execution unless otherwise revoked. If there is a conflict between the person's expressed directives, the POST form, and the decisions of the durable power of attorney representative or surrogate, the orders contained in the POST form shall be followed.

(3) The attending physician shall, upon request of the patient, provide the patient with a copy of the POST form, discuss with the patient the form's content and ramifications and treatment options, and assist the patient in the completion of the form.
(4) The attending physician shall review the POST form:
(a) Each time the physician examines the patient, or at least every seven (7) days, for patients who are hospitalized; and
(b) Each time the patient is transferred from one (1) care setting or care level to another; and
(c) Any time there is a substantial change in the patient's health status; and
(d) Any time the patient's treatment preferences change.
Failure to meet these review requirements does not affect the POST form's validity or enforceability. As conditions warrant, the physician may issue a superseding POST form. The physician shall, whenever practi-
cal, consult with the patient or the patient's agent.
(5) A patient who has completed a POST form signed by a physician may wear a POST identification device as provided in section 39-4502(13), Idaho Code.
(6) The department of health and welfare shall develop the POST form.

SECTION 14. That Chapter 45, Title 39, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW SECTION, to be known and designated as Section 39-4512B, Idaho Code, and to read as follows:

39-4512B. ADHERENCE TO PHYSICIAN ORDERS FOR SCOPE OF TREATMENT (POST) PROTOCOL. (1) Health care providers and emergency medical services personnel shall comply with a patient's physician orders for scope of treatment (POST) instruction when presented with a completed POST form signed by a physician or when a patient is wearing a proper POST identification device pursuant to section 39-4512A(5), Idaho Code.
(2) A completed POST form is deemed to meet the requirements of "Do Not Resuscitate (DNR)" forms of all Idaho health care facilities. Health care providers and emergency medical services personnel shall not require the completion of other forms in order for the patient's wishes to be respected.

SECTION 15. That Chapter 45, Title 39, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW SECTION, to be known and designated as Section 39-4512C, Idaho Code, and to read as follows:

39-4512C. DUTY TO INSPECT. Health care providers and emergency medical services personnel shall make reasonable efforts to inquire as to whether the patient has completed a physician orders for scope of treatment (POST) form and inspect the patient for a POST identification device when presented with a situation calling for artificial life-sustaining treatment not caused by severe trauma or involving mass casualties and with no indication of homicide or suicide.

SECTION 16. That Section 39-4513, Idaho Code, be, and the same is hereby amended to read as follows:

39-4513. IMMUNITY. (1) No emergency medical services personnel, or health care provider, facility, or individual employed by, acting as the agent of, or under contract with any such health care provider or facility shall be civilly or criminally liable or subject to discipline for unprofessional conduct for acts or omissions carried out or performed in
good faith pursuant to the directives in a facially valid POST form or living will or by the holder of a facially valid durable power of attorney or directive for health care, if the medical personnel or health care facility acts in good faith.

(2) Any physician or other health care provider who for ethical or professional reasons is incapable or unwilling to conform to the desires of the patient as expressed by the procedures set forth in this chapter may withdraw without incurring any civil or criminal liability provided the physician or other health care provider, before withdrawal of his or her participation, makes a good faith effort to assist the patient in obtaining the services of another physician or other health care provider before withdrawal who is willing to provide care for the patient in accordance with the patient's expressed or documented wishes.

(3) No person who exercises the responsibilities of a durable power of attorney for health care in good faith shall be subject to civil or criminal liability as a result.

(4) Neither the registration of a health care directive in the health care directive registry under section 39-4515, Idaho Code, nor the revocation of such a directive requires a health care provider to request information from that registry. The decision of a health care provider to request or not to request a health care directive document from the registry shall be immune from civil or criminal liability. A health care provider who in good faith acts in reliance on a facially valid health care directive received from the health care directive registry shall be immune from civil or criminal liability for those acts done in such reliance.

(5) Health care providers and emergency medical services personnel may disregard the POST form or a POST identification device:
   (a) If they believe in good faith that the order has been revoked; or
   (b) To avoid oral or physical confrontation; or
   (c) If ordered to do so by the attending physician.

39-4514. GENERAL PROVISIONS. (1) Application. This chapter shall have no effect or be in any manner construed to apply to persons not executing a "Living Will and Durable Power of Attorney for Health Care" care or POST form pursuant to this chapter nor shall it in any manner affect the rights of any such persons or of others acting for or on behalf of such persons to give or refuse to give consent or withhold consent for any medical care, neither shall this chapter be construed to affect chapter 3 or chapter 4, title 66, Idaho Code, in any manner.

(2) The making of a "Living Will and Durable Power of Attorney for Health Care" pursuant to this chapter shall not restrict, inhibit, or impair in any manner the sale, procurement or issuance of any policy of life insurance; nor shall it be deemed to modify the terms of an existing policy of life insurance. No policy of life insurance shall be legally impaired or invalidated in any manner by the withholding or withdrawal of artificial life sustaining procedures from an insured patient; notwithstanding any term of the policy to the contrary. Euthanasia, mercy killing, or assisted suicide. This chapter does not make legal, and in no way condones, euthanasia, mercy killing, or

(b) A completed durable power of attorney for health care for that person is in effect, pursuant to section 39-4510, Idaho Code, in which the person has indicated that he or she does not wish to receive cardiopulmonary resuscitation, or his or her representative has determined that the person would not wish to receive cardiopulmonary resuscitation; or

(6) Existing directives and directives from other states. A health care directive executed prior to July 1, 2007, but which was in the liv­ing will, durable power of attorney for health care, DNR, or POST form pursuant to prior Idaho law at the time of execution, or in another form that contained the elements set forth in this chapter at the time of execution, shall be deemed to be in compliance with this chapter. Health care directives or similar documents executed in another state that sub­stantially comply with this chapter shall be deemed to be in compliance with this chapter.

(7) Insurance.
(a) The making of a living will and/or durable power of attorney for health care or physician orders for scope of treatment (POST) form pursuant to this chapter shall not restrict, inhibit or impair in any manner the sale, procurement or issuance of any policy of life insurance, nor shall it be deemed to modify the terms of an existing policy of life insurance. No policy of life insurance shall be legally impaired or invalidated in any manner by the withholding or withdrawal of artificial life-sustaining procedures from an insured patient, notwithstanding any term of the policy to the con­trary.
(b) No physician, health care facility or other health care pro­vider and no health care service plan, insurer issuing disability insurance, self-insured employee plan, welfare benefit plan or non­profit hospital service plan shall require any person to execute a living will and durable power of attorney for health care or physi­cian orders for scope of treatment (POST) form as a condition for

(a) A completed physician orders for scope of treatment (POST) form signed by a physician shall be transferred with the patient to, and be effective in, all care settings including, but not limited to, home care, ambulance or other transport, hospital, residential care facility, and hospice care. The POST form shall remain in effect until such time as there is a valid revocation pursuant to section 39-4511, Idaho Code, or new orders are issued by a physician.
(b) A photostatic, facsimile or electronic copy of a valid physician orders for scope of treatment (POST) form may be treated as an original by a health care provider or by an institution receiving or treating a patient.

(9) Registration. A directive or the revocation of a directive meeting the requirements of this chapter may be registered with the secretary of state pursuant to section 39-4515, Idaho Code. Failure to register the health care directive shall not affect the validity of the health care directive.

(10) Rulemaking authority.
(a) The department of health and welfare shall adopt those rules and protocols necessary to administer the provisions of this chapter.
(b) In the adoption of a physician orders for scope of treatment (POST) or DNR protocol, the department shall adopt standardized POST identification to be used statewide.

SECTION 19. That Section 66-405, Idaho Code, be, and the same is hereby amended to read as follows:

66-405. ORDER IN PROTECTIVE PROCEEDINGS. (1) If it is determined that the respondent is not developmentally disabled but appears in need of protective services, the court may cause the proceeding to be expanded or altered for consideration under the uniform probate code.

(2) If it is determined that the respondent is able to manage financial resources and meet essential requirements for physical health or safety, the court shall dismiss the petition.

(3) If it is determined that the respondent is developmentally disabled and is unable to manage some financial resources or meet some essential requirements for physical health or safety, the court may appoint a partial guardian and/or partial conservator on behalf of the respondent. An order establishing partial guardianship or partial conservatorship shall define the powers and duties of the partial guardian or partial conservator so as to permit the respondent to meet essential requirements for physical health or safety and to manage financial resources commensurate with his ability to do so, and shall specify all legal restrictions to which he is subject. A person for whom a partial guardianship or partial conservatorship has been appointed under this chapter retains all legal and civil rights except those which have by court order been limited or which have been specifically granted to the partial guardian or partial conservator by the court.

(4) If it is determined that the respondent is developmentally dis-
abled and is unable to manage financial resources or meet essential requirements for physical health or safety even with the appointment of a partial guardian or partial conservator, the court may appoint a total guardian and/or total conservator.

(5) In the event that more than one (1) person seeks to be appointed guardian and/or conservator, the court shall appoint the person or persons most capable of serving on behalf of the respondent; the court shall not customarily or ordinarily appoint the department or any other organization or individual, public or private, that is or is likely to be providing services to the respondent.

(6) Subject to the limitations of the provisions of subsection (7) of this section, guardians or conservators may have any of the duties and powers as provided in sections 15-5-312(a)(1) through (4), 15-5-424 and 15-5-425, Idaho Code, and as specified in the order. Any order appointing a partial or total guardian or partial or total conservator under the provisions of this section must require a report to the court at least annually. In addition to such other requirements imposed by law or order, the report shall include:

(a) A description of the respondent's current mental, physical and social condition;
(b) The respondent's present address and living arrangement;
(c) A description of any significant changes in the capacity of the respondent to meet essential requirements for physical health or safety or to manage financial resources;
(d) A description of services being provided the respondent;
(e) A description of significant actions taken by the guardian or conservator during the reporting period;
(f) Any significant problems relating to the guardianship or conservatorship;
(g) A complete financial statement of the financial resources under the control or supervision of the guardian or conservator; and
(h) A description of the need for continued guardianship or conservatorship services.

(7) No guardian appointed under this chapter shall have the authority to refuse or withhold consent for medically necessary treatment when the effect of withholding such treatment would seriously endanger the life or health and well-being of the person with a developmental disability. To withhold or attempt to withhold such treatment shall constitute neglect of the person and be cause for removal of the guardian. No physician or caregiver shall withhold or withdraw such treatment for a respondent whose condition is not terminal or whose death is not imminent. If the physician or caregiver cannot obtain valid consent for medically necessary treatment from the guardian, he shall provide the medically necessary treatment as authorized by section 39-45034(1)(g), Idaho Code.

(8) A guardian appointed under this chapter may consent to withholding or withdrawal of artificial life-sustaining procedures, only if the respondent:
(a) Has an incurable injury, disease, illness or condition, certified by the respondent's attending physician and at least one (1) other physician to be terminal such that the application of artificial life-sustaining procedures would not result in the possibility of saving or significantly prolonging the life of the respondent, and would only serve to prolong the moment of the respondent's death
for a period of hours, days or weeks, and where both physicians certify that death is imminent, whether or not the life-sustaining procedures are used; or

(b) Has been diagnosed by the respondent's attending physician and at least one (1) other physician as being in a persistent vegetative state which is irreversible and from which the respondent will never regain consciousness.

(9) Any person, who has information that medically necessary treatment of a respondent has been withheld or withdrawn, may report such information to adult protective services or to the Idaho protection and advocacy system for people with developmental disabilities, who shall have the authority to investigate the report and in appropriate cases to seek a court order to ensure that medically necessary treatment is provided.

If adult protective services or the protection and advocacy system determines that withholding of medical treatment violates the provisions of this section, they may petition the court for an ex parte order to provide or continue the medical treatment in question. If the court finds, based on affidavits or other evidence, that there is probable cause to believe that the withholding of medical treatment in a particular case violates the provisions of this section, and that the life or health of the patient is endangered thereby, the court shall issue an ex parte order to continue or to provide the treatment until such time as the court can hear evidence from the parties involved. Petitions for court orders under this section shall be expedited by the courts and heard as soon as possible. No bond shall be required of a petitioner under this section.

(10) No partial or total guardian or partial or total conservator appointed under the provisions of this section may without specific approval of the court in a proceeding separate from that in which such guardian or conservator was appointed:

(a) Consent to medical or surgical treatment the effect of which permanently prohibits the conception of children by the respondent unless the treatment or procedures are necessary to protect the physical health of the respondent and would be prescribed for a person who is not developmentally disabled;

(b) Consent to experimental surgery, procedures or medications; or

(c) Delegate the powers granted by the order.

Approved March 27, 2007.

SECTION 2. In accordance with Section 67-3519, Idaho Code, the Office of the State Board of Education is authorized no more than twenty-seven (27) full-time equivalent positions at any point during the period July 1, 2007, through June 30, 2008, for the program specified in Section 1 of this act, unless specifically authorized by the Governor. The Joint Finance-Appropriations Committee will be notified promptly of any increased positions so authorized.

SECTION 3. The Legislature reaffirms that the Division of Professional-Technical Education and the Office of the State Board of Education each play unique and vital roles in the state's educational system. The Legislature authorizes these agencies to share administrative resources only to the extent necessary to achieve readily obtainable administrative efficiencies. The shared resources authorized in this section shall be narrowly defined as reception services. Each division administrator shall retain management decision-making autonomy over their respective divisions. The employees of the Division of Professional-Technical Education shall not be considered or used as adjunct staff by the Office of the State Board of Education. Under no circumstances shall this arrangement impair the individual ability of these agencies to fulfill their individual missions. This authorization is automatically withdrawn to the extent it is found to be inconsistent with laws or regulations pertaining to the use of federal or dedicated funds. The Legislature shall review this authorization each year and reserve its prerogative to withdraw it at any time.

SECTION 4. Agencies and institutions shall distribute the funding for employee compensation based on merit as follows:
(a) Agencies and institutions are directed to, based on merit, target funding first toward high turnover classifications and individuals below midpoint within their agency.

(b) Agencies and institutions are directed to, based on merit, target funding second toward positions within their agency that are below ninety percent (90%) of the Compa-Ratio.

(c) Agencies and institutions are directed to target any remaining funding based on merit using the merit matrix required by Idaho Code.

Agencies and institutions shall create compensation and distribution plans to ensure that they are consistent with the policies contained herein. Agency directors and institutional presidents shall approve all compensation and distribution plans and ensure that implementation of the plans is consistent with policies contained herein. Each agency and institution shall forward, for informational purposes, approved copies of the compensation and distribution plans to the Legislative Services Office and the Division of Financial Management by June 1, 2007. The effective date of implementation of ongoing salary adjustments shall be June 17, 2007.

SECTION 5. The Office of the State Board of Education is hereby directed to allocate salary savings, based on performance, to provide for employee salary needs before other operational budget priorities are considered. Where applicable, employees whose salaries are below the midpoint of their pay grade or occupational groups with significant turnover rates shall be considered first in the order of salary savings distributions.

SECTION 6. The Legislature seeks to encourage local communities to establish new community college districts under existing law. As such, it is legislative intent that a newly formed community college district shall be eligible for up to $5,000,000 in ongoing General Fund moneys. The State Board of Education shall evaluate the business and operating plans of any newly created community college in determining the amount of General Fund moneys the college is eligible to receive. Any portion of the $5,000,000 which is not allocated to a new college shall be reverted to the General Fund. In the event that more than one (1) district is formed, and the Board determines that additional funding is necessary, the Board may request additional funding as a part of the annual budget process.

Approved March 27, 2007.
