(3) Shall register with the state tax commission, in the manner prescribed by it, to establish an employer's withholding account number. The account number will be used to report all amounts withheld, for the annual reconciliation required in this section, and for such other purposes relating to withholding as the state tax commission may require; and

(4) Must, notwithstanding the provisions of paragraphs (1) and (2) of this subsection, if the amount of withholding of such employer for the preceding twelve (12) month period equals or exceeds two hundred forty thousand dollars ($240,000) per annum or an average of
twenty thousand dollars ($20,000) per month per annum, pay to the state tax commission on the basis of withholding periods which begin on the 16th day of the month and end on the 15th day of the following month, and payment shall be made not later than five (5) days after the end of the withholding period.

(5) If a payment required pursuant to subsection (a)(2) or (a)(4) of this section is not made or is made delinquently or if made is not equal to the withholding required under this section the state tax commission may treat the failure as a failure to file a return and may take administrative and judicial actions as authorized by this chapter in the case of a failure to file a return. Interest, at the rate provided by section 63-3045, Idaho Code, shall apply to any such underpayment.

(6) Commencing in 2006, the state tax commission shall determine whether the threshold amounts established by subsection (a)(4) of this section must be adjusted to reflect fluctuations in the cost of living. The commission shall base its determination on the cumulative effect of the annual cost-of-living percentage modifications determined by the United States secretary of health and human services pursuant to 42 USC 415(i). When the cumulative percentage applied to the monthly threshold amount equals or exceeds five thousand dollars ($5,000), the commission shall promulgate a rule adjusting the monthly threshold amount by five thousand dollars ($5,000) and making the necessary proportional adjustment to the annual threshold amount. The rule shall be effective for the next succeeding calendar year and each year thereafter until again adjusted by the commission. The tax commission shall determine subsequent adjustments in the same manner, in each case using the year of the last adjustment as the base year.

(b) (1) In addition to the payments required pursuant to subsections (a)(2) and (a)(4) of this section, every employer shall file a return upon such form as shall be prescribed by the state tax commission, but not more frequently than annually, or as required pursuant to any agreement between the state tax commission and the department of labor under section 63-3035B, Idaho Code, unless a shorter filing period and due date is prescribed by the state tax commission. The return shall be due on the last day of the second month following the end of the period to which the return relates. The return shall:

(i) Show, for the period to which it relates, the total amount of wages, salary, bonus or other emolument paid to his employees, the amount deducted therefrom in accordance with the provisions of the Internal Revenue Code, the amount deducted therefrom in accordance with the provisions of this section, the amount of any previous payments made pursuant to this section, the amount of any deficiency due from the employer or refund payable by the state tax commission and such pertinent and necessary information as the state tax commission may require.

(ii) Include a copy of the declaration of withholding provided to employees pursuant to subsection (b)(2) of this section.

(2) Every employer making a declaration of withholding as provided herein shall furnish to the employees annually, but not later than thirty (30) days after the end of the calendar year, a record of the
amount of tax withheld from such employee on forms to be prescribed, prepared and furnished by the state tax commission, and on or before the last day of February, every employer shall file a copy thereof with the state tax commission.

(3) Every employer who is required, under Internal Revenue Code section 6011, to file returns on magnetic media, machine readable form or electronic means, as defined in the Idaho uniform electronic transaction act, may be required by rules of the state tax commission to file corresponding state returns on similar magnetic media, machine readable form or electronic means. Such rules may provide a different due date for such returns which shall be no later than the date employers are required to file such returns with the internal revenue service or the social security administration.

(c) All moneys deducted and withheld by every employer shall immediately upon such deduction be state money and every employer who deducts and retains any amount of money under the provisions of this chapter shall hold the same in trust for the state of Idaho and for the payment thereof to the state tax commission in the manner and at the times in this chapter provided. Any employer who does not possess real property situated within the state of Idaho, which, in the opinion of the state tax commission, is of sufficient value to cover his probable tax liability, may be required to post a surety bond in such sum as the state tax commission shall deem adequate to protect the state.

(d) The provisions of this chapter relating to additions to tax in case of delinquency, and penalties, shall apply to employers subject to the provisions of this section and for these purposes any amount deducted, or required to be deducted and remitted to the state tax commission under this section, shall be considered to be the tax of the employer and with respect to such amount he shall be considered the taxpayer.

(e) Amounts deducted from wages of an employee during any calendar year in accordance with the provisions of this section shall be considered to be in part payment of the tax imposed on such employee for his tax year which begins within such calendar year and the return made by the employer under this subsection (e) shall be accepted by the state tax commission as evidence in favor of the employee of the amount so deducted from his wages. Where the total amount so deducted exceeds the amount of tax on the employee, based on his Idaho taxable income, or where his income is not taxable under this chapter, the state tax commission shall, after examining the annual return filed by the employee in accordance with this chapter, but not later than sixty (60) days after the filing of each return, refund the amount of the excess deducted.

(f) This section shall in no way relieve any taxpayer from his obligation of filing a return at the time required under this chapter, and, should the amount withheld under the provisions of this section be insufficient to pay the total tax of such taxpayer, such unpaid tax shall be paid at the time prescribed by section 63-3034, Idaho Code.

(g) An employee receiving wages shall on any day be entitled to not more than, but may claim fewer than, the number of withholding exemptions to which he is entitled under the Internal Revenue Code for federal income tax withholding purposes.

(h) An employer shall use the exemption certificate filed by the employee with the employer under the withholding exemption provisions of
the Internal Revenue Code in determining the amount of tax to be withheld from the employee's wages or salary under this chapter. The tax commission may redetermine the number of withholding exemptions to which an employee is entitled under subsection (g) of this section, and the state tax commission may require such exemption certificate to be filed on a form prescribed by the commission in any circumstance where the commission finds that the exemption certificate filed for Internal Revenue Code purposes does not properly reflect the number of withholding exemptions to which the employee is entitled under this chapter. In no event shall any employee give an exemption certificate which claims a higher number of withholding exemptions than the number to which the employee is entitled by subsection (g) of this section.

SECTION 2. This act shall be in full force and effect on and after January 1, 2009.

Approved February 13, 2008.

CHAPTER 10
(H.B. No. 345)

AN ACT
RELATING TO INCOME TAX; AMENDING SECTION 63-3068, IDAHO CODE, TO PROVIDE A CORRECT CODE REFERENCE.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 63-3068, Idaho Code, be, and the same is hereby amended to read as follows:

63-3068. PERIOD OF LIMITATIONS FOR ISSUING A NOTICE OF DEFICIENCY AND COLLECTION OF TAX. (a) Except as otherwise provided in this section, a notice of deficiency, as provided in section 63-3045, Idaho Code, for the tax imposed in this chapter shall be issued within three (3) years from either the due date of the return, without regard to extensions, or from the date the return was filed, whichever is later.

(b) If an assessment has been made as provided in this chapter, then such tax shall be collected either by levy, or by a proceeding brought in court, within a period of six (6) years from the date of entry of the record of assessment required by section 63-30445A, Idaho Code, of the tax and provided, further, that this shall not be in derogation of any of the remedies elsewhere provided in this chapter.

(c) In the case of a fraudulent return or a false return with the intent to evade the tax imposed in this chapter, or a willful attempt in any manner to defeat or evade the tax imposed in this chapter, a notice of deficiency may be issued, the tax may be assessed, or a proceeding in court for collection of such tax may be begun without assessment, at any time.

(d) In the case of a failure to file a return, for any reason, a notice of deficiency may be issued, the tax imposed in this chapter may be assessed, or a proceeding in court for collection of such tax may be begun without assessment, at any time.
(e) In the case of income received during the lifetime of a decedent, or by his estate during the period of administration, a notice of deficiency shall be issued, a claim shall be made, the tax shall be assessed or any proceeding in court without assessment for the collection of such tax shall be begun, within twelve (12) months after written request for prompt action is filed with the state tax commission by the executor, administrator, or other fiduciary representing the estate of such decedent. This subsection shall not apply if the return for which the request for prompt action relates has not been filed with the state tax commission.

(f) When Idaho taxable income or tax credits for any taxable year have been adjusted as a result of a final federal determination, the period of limitation for issuing a notice of deficiency shall be reopened and shall not expire until the later of one (1) year from the date of delivery of the final federal determination to the state tax commission by the taxpayer, three (3) years from the due date of the return, without regard to extensions, or three (3) years from the date the return was filed. For purposes of this subsection the term "final federal determination" shall mean the final resolution of all issues which were adjusted by the internal revenue service. When the final federal determination is submitted, the taxpayer shall also submit copies of all schedules and written explanations provided by the internal revenue service. Upon the expiration of the period of limitations as provided in subsections (a) and (m) of this section, only those specific items of income, deductions, gains, losses, or credits which were adjusted in the final federal determination shall be subject to adjustment for purposes of recomputing Idaho income, deductions, gains, losses, credits, and the effect of such adjustments on Idaho allocations and apportionments.

(g) If an adjustment, which was made within the period of limitations as provided in this section, affects the amount of tax credit, net operating loss, or capital loss, claimed in a taxable year other than the tax year in which the adjustment is made, then adjustments to the credit, net operating loss, or capital loss claimed in such other tax year may be made and a resulting notice of deficiency may be issued even though such notice of deficiency would otherwise be barred under the provisions of this section.

(h) Notwithstanding any other provisions of this section, when an amended Idaho return is filed within the period of limitations as provided in subsections (a) and (m) of this section, the period of limitations for issuing a notice of deficiency shall be three (3) years from the date the amended return was filed. However, upon the expiration of the period of limitations as provided in subsections (a) and (m) of this section, only those specific items of income, deductions, gains, losses, or credits, which were adjusted in the amended Idaho return shall be subject to adjustment for purposes of recomputing Idaho income, deductions, gains, losses, credits, and the effect of such adjustments on Idaho allocations and apportionments.

(i) If a taxpayer has filed an amended federal return, and no corresponding Idaho amended return has been filed with the state tax commission, then the period of limitations for issuing a notice of deficiency shall be reopened and shall not expire until three (3) years from the date of delivery to the tax commission by the taxpayer of the amended federal return. However, upon the expiration of the period of
limitations as provided in subsections (a) and (m) of this section, then only those specific items of income, deductions, gains, losses, or credits, which were adjusted in the amended federal return shall be subject to adjustment for purposes of recomputing Idaho income, deductions, gains, losses, credits, and the effect of such adjustments on Idaho allocations and apportionments.

(j) Notwithstanding any other provisions of this section, a notice of deficiency, related to items on the return of any pass-through entity, as defined in this section, which other taxpayers are required by law to report, shall be issued to such other taxpayers within the later of three (3) years from the due date of the other taxpayers' return, without regard to extensions, three (3) years from the date the other taxpayers' returns were filed, or three (3) years from the date of filing of the pass-through entity's return. If the pass-through entity files an amended return, notices of deficiency may be issued to the other taxpayers within three (3) years from the date the amended return for the pass-through entity was filed with the state tax commission. If the pass-through entity files an amended return with the internal revenue service, or the internal revenue service issues a final determination to the pass-through entity, then the period of limitations for issuing a notice of deficiency to the other taxpayers shall be reopened and shall not expire until three (3) years from the date of delivery to the tax commission by the pass-through entity of the amended federal return or the later of one (1) year from the date of delivery to the state tax commission by the pass-through entity of the final federal determination, three (3) years from the due date of the pass-through entity's return, without regard to extensions, or three (3) years from the date the pass-through entity's return was filed.

(k) For purposes of this section, "pass-through entity" means a partnership, S-corporation, trust, limited liability company or any other entity whose items of income, deductions, gains, losses and credits must be reported by other taxpayer(s). For further purposes of this section, the term "other taxpayer" shall include, by way of unlimited example, such taxpayers as partners, shareholders, beneficiaries, joint venturers or investors.

(l) In the case of a duplicate return filed under section 63-217(1)(b), Idaho Code, the limitation under this section shall be the later of one (1) year from the filing of the duplicate return or the date otherwise applicable under this section.

(m) Prior to the expiration of the time prescribed in this section for the issuance of a notice of deficiency for the tax imposed in this chapter, both the state tax commission, its delegate or deputy, and the taxpayer may consent in writing to extend the period of time within which a notice of deficiency may be issued. The period so agreed upon may be extended by subsequent agreements in writing made before the expiration of the period previously agreed upon. When a pass-through entity extends the period of limitations in accordance with this subsection, the period of limitations for the other taxpayers is automatically extended for the same period for the purpose of issuing a notice of deficiency to the other taxpayers reflecting the adjustments to the pass-through entity's return.

(n) The expiration of the period of limitations as provided in this section shall be suspended for the time period during which the state tax commission is prohibited from issuing a notice of deficiency, making
the assessment, or from collecting by levy or a proceeding in court, and for thirty (30) days thereafter.

(o) For the purposes of this section, "return" includes a notice of deficiency determination issued by the state tax commission when no return was filed by the taxpayer. Such a return is deemed filed on the date the taxes determined by the state tax commission are assessed.

Approved February 13, 2008.

AN ACT
RELATING TO DEFENSES TO A CHARGE OF THEFT OF PROPERTY; AMENDING SECTION 18-2406, IDAHO CODE, TO REVISE PROVISIONS RELATING TO THE UNLAWFUL RETENTION OF PROPERTY OF ANOTHER.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 18-2406, Idaho Code, be, and the same is hereby amended to read as follows:
18-2406. DEFENSES. (1) It is no defense to a charge of theft of property that the offender has an interest therein, when the owner also has an interest to which the offender is not entitled.

(2) Where the property involved is that of the offender's spouse, no prosecution for theft may be maintained unless the parties were not living together as man and wife and were living in separate abodes at the time of the alleged theft.

(3) In any prosecution for theft committed by trespassory taking or the offense previously known as embezzlement, it is an affirmative defense that the property was appropriated openly and avowedly, and under a claim of right made in good faith. It is not a defense to a theft committed by such conduct that the accused intended to restore the property taken, but may be considered by the court to mitigate punishment if the property is voluntarily and actually restored (or tendered) prior to the filing of any complaint or indictment relating thereto, and this provision does not excuse the unlawful retention of the property of another to offset or pay demands held against the accused such other person.

(4) In any prosecution for theft by extortion committed by instilling in the victim a fear that he or another person would be charged with a crime, it is an affirmative defense that the defendant reasonably believed the threatened charge to be true and that his sole purpose was to compel or induce the victim to take reasonable action to make good the wrong which was the subject of such threatened charge.

(5) It is no defense to a prosecution for theft under a provision of this chapter that the defendant, by reason of the same conduct, also committed an act specified as a crime in another chapter of title 18, or another title of the Idaho Code.

(1) Notwithstanding any statute or rule of court to the contrary, nothing in this chapter nor chapter 10, title 59, Idaho Code, shall be construed to require disclosure of investigatory records compiled for law enforcement purposes by a law enforcement agency, but such exemption from disclosure applies only to the extent that the production of such records would:

(a) Interfere with enforcement proceedings;
(b) Deprive a person of a right to a fair trial or an impartial adjudication;
(c) Constitute an unwarranted invasion of personal privacy;
(d) Disclose the identity of a confidential source and, in the case of a record compiled by a criminal law enforcement agency in the course of a criminal investigation, confidential information furnished only by the confidential source;
(e) Disclose investigative techniques and procedures; or

The court shall decide the case after examining the record in camera, papers filed by the parties, and such oral argument and additional evidence as the court may allow.

If the court finds that the public official's decision to refuse disclosure is not justified, he shall order the public officials to make the record public. If the judge determines that the public official was justified in refusing to make the record public, he shall return the item to the public official without disclosing its content with an order supporting the decision refusing disclosure. Any person who fails to obey the order of the court shall be cited to show cause why he is not in contempt of court. The court may, in its discretion, award costs and fees to the prevailing party.

In applying these tables to any given separate attendance unit, no school district shall receive less total money than it would receive if it had a lesser average daily attendance in such separate attendance unit. In applying the kindergarten table to a kindergarten program of less days than a full school year, the support unit allowance shall be in ratio to the number of days of a full school year. The tables for exceptional education and alternative school secondary support units shall be applicable only for programs approved by the state department of education following rules established by the state board of education. Moneys generated from computation of support units for alternative
schools shall be utilized for alternative school programs. School district administrative and facility costs may be included as part of the alternative school expenditures.

(5) State Distribution Factor per Support Unit. Divide educational support program distribution funds, after subtracting the amounts necessary to pay the obligations specified in subsection (2) of this section, by the total state support units to secure the state distribution factor per support unit.

(6) District Support Units. The number of support units for each school district in the state shall be determined as follows:

(a) (i) Divide the actual average daily attendance, excluding students approved for inclusion in the exceptional child educational program, for the administrative schools and each of the separate schools and attendance units by the appropriate divisor from the tables of support units in this section, then add the quotients to obtain the district's support units allowance for regular students, kindergarten through grade 12 including alternative school secondary students. Calculations in application of this subsection shall be carried out to the nearest tenth.

(ii) Divide the combined totals of the average daily attendance of all preschool, handicapped, kindergarten, elementary, secondary and juvenile detention center students approved for inclusion in the exceptional child program of the district by the appropriate divisor from the table for computation of exceptional education support units to obtain the number of support units allowed for the district's approved exceptional child program. Calculations for this subsection shall be carried out to the nearest tenth when more than one (1) unit is allowed.

(iii) The total number of support units of the district shall be the sum of the total support units for regular students, subsection (6)(a)(i) of this section, and the support units allowance for the approved exceptional child program, subsection (6)(a)(ii) of this section.

(b) Total District Allowance Educational Program. Multiply the district's total number of support units, carried out to the nearest tenth, by the state distribution factor per support unit and to this product add the approved amount of programs of the district provided in subsection (2) of this section to secure the district's total allowance for the educational support program.

(c) District Share. The district's share of state apportionment is the amount of the total district allowance, subsection (6)(b) of this section.

(d) Adjustment of District Share. The contract salary of every non-certificated teacher shall be subtracted from the district's share as calculated from the provisions of subsection (6)(c) of this section.

(7) Property Tax Computation Ratio. In order to receive state funds pursuant to this section a charter district shall utilize a school maintenance and operation property tax computation ratio for the purpose of calculating its maintenance and operation levy, that is no greater than that which it utilized in tax year 1994, less four-tenths of one percent (,.4%). As used herein, the term "property tax computation ratio" shall
mean a ratio determined by dividing the district's certified property tax maintenance and operation budget by the actual or adjusted market value for assessment purposes as such values existed on December 31, 1993. Such maintenance and operation levy shall be based on the property tax computation ratio multiplied by the actual or adjusted market value for assessment purposes as such values existed on December 31 of the prior calendar year.

SECTION 9. That Section 33-2106, Idaho Code, be, and the same is hereby amended to read as follows:

33-2106. TRUSTEES OF COMMUNITY COLLEGE DISTRICTS. (1) The board of trustees of each community college district shall consist of five (5) school electors residing in the district who shall be appointed or elected as herein provided.

(a) Immediately following the establishment of a community college district, the state board of education shall appoint the members of the first board, who shall serve until the election and qualification of their successors.

(b) At the first election of trustees after the creation of a district, five (5) trustees shall be elected: two (2) for terms of two (2) years each, and three (3) for terms of four (4) years each. Thereafter the successors of persons so elected shall be elected for terms of four (4) years.

(c) Excluding any first election of trustees after the creation of a district, at any other election of trustees held in 2008, and in each trustee election thereafter, trustees shall be elected to terms of four (4) years. If more than two (2) trustee positions are eligible for election in 2008, one (1) trustee shall be elected to a term of four (4) years and two (2) trustees shall be elected to a term of six (6) years. Thereafter the successors of persons so elected in 2008 shall be elected for terms of four (4) years.

(d) The expiration of any term shall be at the regular meeting of the trustees next following the election for the successor terms.

(2) Elections of trustees of community college districts shall be biennially in even-numbered years, and shall be held on a date authorized in section 34-106, Idaho Code. Vacancies on the board of trustees shall be filled by appointment by the remaining members, but if by reason of vacancies there remain on the board less than a majority of the required number of members, appointment to fill such vacancies shall be made by the state board of education. Any person so appointed shall serve until the next trustee election, at which time his successor shall be elected for the unexpired term. The trustees shall take and subscribe the oath of office required in the case of state officers and said oath shall be filed with the secretary of state.

(3) Notice of the election, the conduct thereof, the qualification of electors and the canvass of returns shall be as prescribed in chapter 14, title 34, Idaho Code.

(4) The person or persons, equal in number to the number of trustees to be elected for regular or unexpired terms, receiving the largest number of votes shall be declared elected. An individual shall be a candidate for a specific position of the board and each candidate must declare which position he seeks on the board of trustees. If it be necessary to resolve a tie between two (2) or more persons, the board of
trustees shall determine by lot which thereof shall be declared elected. The clerk of the board shall promptly notify any person by mail of his election, enclosing a form of oath to be subscribed by him as herein provided.

(5) When elections held pursuant to this section coincide with other elections held by the state of Idaho or any subdivision thereof, or any municipality or school district, the board of trustees may make agreement with the body holding such election for joint boards of election and the payment of fees and expenses of such boards of election on such proportionate basis as may be agreed upon.

(6) At its first meeting following the appointment of the first board of trustees, and at the first regular meeting following any community college trustee election, the board shall organize, and shall elect one (1) of its members chairman, one (1) a vice-chairman; and shall elect a secretary and a treasurer, who may be members of the board; or one (1) person to serve as secretary and treasurer, who may be a member of the board.

(7) The board shall set a given day of a given week in each month as its regular meeting time. Three (3) members of the board shall constitute a quorum for the transaction of official business.

(8) The authority of trustees of community college districts shall be limited in the manner prescribed in section 33-507, Idaho Code.

SECTION 10. That Section 46-206, Idaho Code, be, and the same is hereby amended to read as follows:

In the discretion of the adjutant general, any member may be advanced one (1) grade prior to retirement. Promotions under this section shall be honorary.

SECTION 11. That Section 49-2902, Idaho Code, be, and the same is hereby amended to read as follows:

49-2902. INTERAGENCY WORKING GROUP CREATED. (1) An interagency working group is hereby created to advise the department of agriculture on issues and policies in support of the department of agriculture’s administration of the rural economic development and integrated freight transportation program established in section 49-2901, Idaho Code. The interagency working group shall participate in planning and identifying program needs and shall carry out its duties specified in section 49-2903, Idaho Code. Before recommending state funding, using state dedicated funds, and recommending priorities, the interagency working group shall seek pertinent information, facts and data from state and local governments, and agencies regarding rural freight transportation issues.

(2) The interagency working group shall be composed of eight (8) members:

(a) Four (4) members shall be appointed by the director of the Idaho transportation department, two (2) of whom shall be employees of the Idaho transportation department with a working knowledge of rail and truck freight transportation and intermodal entities, one
(1) member, not a state employee, shall represent freight shipping interests, and one (1) member shall be a representative from the local highway technical assistance council;

(b) Three (3) members shall be appointed by the director of the department of agriculture, two (2) of whom shall be employees of the department of agriculture with a working knowledge of economic development issues, and one (1) member, not a state employee, shall represent business development and financing interests; and

(c) One (1) member shall be appointed by the director of the department of commerce and labor and shall be an employee with knowledge of rural economic development issues.

(d) At the beginning of each state fiscal year, the director of the Idaho transportation department shall designate one (1) of his appointees as cochairman, and the director of the department of commerce shall designate one (1) of his appointees as cochairman.

(e) Each member appointed shall serve at the pleasure of the appointing authority, provided however, the service of state employee members shall run concurrently with their state employment. Nonstate employee members shall serve one (1) term of five (5) years, but may be appointed to serve nonconsecutive terms, and shall be reimbursed according to the provisions of section 59-509(b), Idaho Code.

(f) The interagency working group shall meet at such times as necessary and appropriate to review applications for funds distributed pursuant to the provisions of this chapter, but not less frequently than annually.

(3) The department of agriculture shall determine and provide for amounts appropriated to the fund, a one-time amount not to exceed three percent (3%) for planning and operating expenses and staff assistance and support from the department of agriculture and the Idaho transportation department in order to administer the program, and to administer the fund established in section 49-2904, Idaho Code.

(2) The interagency working group shall provide recommendations to the department of agriculture in order for the department to develop criteria for prioritizing freight rail and intermodal projects that meet the minimum eligibility requirements for state financial support from the revolving loan fund created in section 49-2904, Idaho Code. Project criteria should consider the level of local financial commitment to the project as well as the cost/benefit ratio. Railroads, shippers, intermodal commerce authorities as defined in chapter 22, title 70, Idaho Code, and others who benefit from the project should participate financially to the greatest extent practicable.

(3) The interagency working group shall provide the assistance necessary for the department to ensure that the state maintains a contin-
gent interest in any equipment, property, rail line, or facility that has outstanding grants or loans. The owner of a qualified line as defined in section 49-2904, Idaho Code, shall not use the line as collateral, remove track, bridges or associated elements for salvage, or use it in any other manner subordinating the state's interest until any loan made to the owner pursuant to this chapter has been repaid in full. As the state is not a primary lender of money, it is understood the state may need to take a subordinate position for its contingent interest.

SECTION 13. That Section 49-2905, Idaho Code, be, and the same is hereby amended to read as follows:

49-2905. STATE RAIL AND INTERMODAL FACILITY SYSTEM PLAN. (h) Identify and evaluate those rail freight lines that are potentially subject to abandonment in the future because of unmet capital needs or other reasons, or have recently been approved for abandonment but the track improvements are still in place;
(i) Whenever possible provide priorities for determining which rail lines or intermodal commerce authorities should receive state support, and provide to the interagency working group supporting information used in establishing such priorities for use by the interagency working group in advising the department of agriculture.

The priorities should include:

(i) The anticipated benefits to the state and local economy;
(ii) Coordinated freight transportation system including the anticipated cost of road and highway improvements necessitated by the proposed project;
(iii) Establishment of an intermodal facility, if indicated;
(iv) The likelihood the qualified line receiving funding can meet operating costs from freight charges, surcharges on rail traffic and other funds; and
(v) The impact of abandonment or capacity constraints if the project does not obtain state support; and

(j) Identify and describe the state's intermodal rural rail and truck freight system by:

freight transfer capacity and coordination issues in cooperation with local government and the railroad and truck interests;

SECTION 14. That Section 58-304, Idaho Code, be, and the same is hereby amended to read as follows:

58-304. LEASES. (1) The state board of land commissioners may lease any portion of the state land at a rental amount fixed and determined by the board. The rental amount shall be due and payable by the date and upon the terms set by the board in the lease. Provided however, all grazing leases shall provide for annual payments which shall be due and payable by the date set by the board in the lease.

(2) The state board of land commissioners shall notify the lessee of any increase in the applicable rental rate six (6) months in advance of the date the rent is due and payable.

(3) The lessee shall pay the rental to the director of the department of lands, who shall receipt for the same in the name of the board. Upon receiving such rental, the director shall immediately transmit the same to the state treasurer.

SECTION 15. That Chapter 13, Title 58, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW HEADING, to be known and designated as the Heading for Chapter 13, Title 58, Idaho Code, be, and read as follows:

CHAPTER 13
NAVIGATIONAL ENCROACHMENTS

SECTION 16. That Section 59-1356, Idaho Code, be, and the same is hereby amended to read as follows:

59-1356. REEMPLOYMENT OF RETIRED MEMBERS. (1) If an early retired member is reemployed with the same employer within ninety (90) days from retiring, or the early retired member is guaranteed reemployment with the same employer the member shall be considered to have continued in the status of an employee and not to have separated from service. Any
retirement allowance payments received by the retired member shall be repaid to the system and the retirement shall be negated. The month of last contribution prior to the negated retirement and the month of initial contribution upon return to reemployment shall be considered consecutive months of contributions in the determination of an appropriate salary base period upon subsequent retirement. A retired member is not considered to have separated from service if he continues performing services for the same employer in any capacity including, but not limited to, independent contractor, leased employee, or temporary services.

(2) Except as provided in subsection (3) of this section, when a retired member meets the definition of an employee as defined in section 59-1302(14)(A)(a), Idaho Code, any benefit payable on behalf of such member shall be suspended and any contributions payable by such member under sections 59-1331 through 59-1334, Idaho Code, shall again commence. The suspended benefit, as adjusted pursuant to section 59-1355, Idaho Code, shall resume upon subsequent retirement, along with a separate allowance computed with respect to only that salary and service credited during the period of reemployment. Any death benefit that becomes payable under the suspended benefit shall be payable under section 59-1361(2), Idaho Code. Any death benefit that becomes payable with respect to salary and service accrued during the period of reemployment shall be payable under section 59-1361(3), Idaho Code, if the member dies during the period of reemployment.

(3) If a retired member, who is receiving a benefit that is not reduced under section 59-1346, Idaho Code, and who has been retired for more than six (6) months, again becomes employed as defined in this section and section 59-1302(14)(A)(b), Idaho Code, as a result of being elected to a public office other than an office held prior to retirement, the retired member may elect to continue receiving benefits and not accrue additional service, in which event no contributions shall be made by the member or employer during such reemployment and any benefit payable on behalf of such member shall continue.

(4) If a retired school teacher or administrator, who retired on or after age sixty-two (62) years and is receiving a benefit that is not reduced under section 59-1346, Idaho Code, again becomes employed as defined in this section and section 59-1302(14), Idaho Code, as a result of returning to employment with a school district as provided in section 33-1004H, Idaho Code, the retired member may elect to continue receiving benefits and not accrue additional service, in which event no contributions shall be made by the member during such reemployment and any benefit payable on behalf of such member shall continue. However, the school district shall pay the required employer contribution for that employee to the public employee retirement system. After June 30, 2012, this subsection (4) shall no longer be in force and effect and the other provisions of this section shall be applicable to all employment, including the employment of retirees who were employed under section 33-1004H, Idaho Code, before that date.

(5) It is the responsibility of each employer to immediately report to the retirement board the employment of any retired member so that benefit payments can be suspended as provided in this section. If an employer fails to properly report the employment of a retired member and it results in the retirement board making benefit payments that should have been suspended, the employer shall, in addition to paying delinquent employee and employer contributions from the date of eligibility,
also be responsible for repaying to the retirement board the benefit payments made to the retired member that should have been suspended, plus interest. The employer may then recoup such payments from the retired member.

(56) For purposes of this section, "same employer" means the employer for which the retired member last worked prior to retirement.

SECTION 17. That Section 67-2601, Idaho Code, be, and the same is hereby amended to read as follows:

67-2601. DEPARTMENT CREATED -- ORGANIZATION -- DIRECTOR -- BUREAU OF OCCUPATIONAL LICENSES CREATED. (1) There is hereby created the department of self-governing agencies. (4) If a mediation communication is not privileged under subsection (1) or (2) of this section, only the portion of the communication necessary for the application of the exception from nondisclosure may be admitted. Admission of evidence under subsection (1) or (2) of this section does not render the evidence, or any other mediation communication, discoverable or admissible for any other purpose.

9-807. PROHIBITED MEDIATOR REPORTS. (1) Except as otherwise provided in subsection (2) of this section, a mediator may not make a report, assessment, evaluation, recommendation, finding or other communication regarding a mediation to a court, administrative agency or other authority that may make a ruling on the dispute that is the subject of the mediation.

9-809. MEDIATOR'S DISCLOSURE OF CONFLICTS OF INTEREST -- BACKGROUND. (1) Before accepting a mediation, an individual who is requested to serve as a mediator shall:
(a) Make an inquiry that is reasonable under the circumstances to determine whether there are any known facts that a reasonable individual would consider likely to affect or create the appearance of affecting the impartiality of the mediator, including a financial or personal interest in the outcome of the mediation and an existing or past relationship with a mediation party or foreseeable participant in the mediation; and
(b) Disclose any such known fact to the mediation parties as soon as is practical before accepting a mediation.

(2) If a mediator learns any fact described in subsection (1)(a) of this section after accepting a mediation, the mediator shall disclose it as soon as is practicable.

(2) Except as otherwise provided in subsections (3) and (4) of this section, if a mediation is an international commercial mediation, the mediation is governed by the model law.

(3) Unless the parties agree in accordance with section 9-803(3), Idaho Code, that all or part of an international commercial mediation is not privileged, sections 9-804, 9-805 and 9-806, Idaho Code, and any applicable definitions in section 9-802, Idaho Code, also apply to the mediation and nothing in article 10 of the model law derogates from sections 9-804, 9-805 and 9-806, Idaho Code.

(4) If the parties to an international commercial mediation agree under article 1, subsection 7., of the model law that the model law does not apply, this chapter applies.

This chapter modifies, limits or supersedes the federal electronic signatures in global and national commerce act, 15 U.S.C. section 7001 et seq., but this chapter does not modify, limit or supersede section 101(c) of that act or authorize electronic delivery of any of the notices described in section 103(b) of that act.

9-813. UNIFORMITY OF APPLICATION AND CONSTRUCTION. In applying and construing this chapter, consideration should be given to the need to promote uniformity of the law with respect to its subject matter among states that enact it.

9-814. APPLICATION TO EXISTING AGREEMENTS OR REFERRALS. This chapter governs a mediation occurring after the effective date of this chapter pursuant to a referral or an agreement to mediate, whenever made.
SECTION 2. SEVERABILITY. The provisions of this act are hereby declared to be severable and if any provision of this act or the application of such provision to any person or circumstance is declared invalid for any reason, such declaration shall not affect the validity of the remaining portions of this act.

AN ACT
RELATING TO JUVENILES; AMENDING SECTION 20-520, IDAHO CODE, TO REVISE SENTENCING PROVISIONS.

Be It Enacted by the Legislature of the State of Idaho:
SECTION 1. That Section 20-520, Idaho Code, be, and the same is hereby amended to read as follows:

20-520. SENTENCING. (1) Upon the entry of an order finding the juvenile is within the purview of the act, the court shall then hold a sentencing hearing in the manner prescribed by the Idaho juvenile rules to determine the sentence that will promote accountability, competency development and community protection. Prior to the entry of an order disposing of the case, other than an order of discharge or dismissal, the court may request and, if requested, shall receive a report containing the results of an inquiry into the home environment, past history, competency development, prevention or out of home placement services provided, and the social, physical and mental condition of the juvenile. The court shall not consider or review the report prior to the entry of an order of adjudication. Upon presentation and consideration of the report by the court, the court may proceed to sentence the juvenile as follows:

(a) Place the juvenile on formal probation for a period not to exceed three (3) years from the date of the order, except the court may place a juvenile on formal probation for a period not to exceed the juvenile's twenty-first birthday if the court finds that the juvenile has committed a crime of a sexual nature;

(b) Sentence the juvenile to detention pursuant to this act for a period not to exceed thirty (30) days for each act, omission or status which is prohibited by the federal, state, local or municipal law or ordinance by reason of minority only. The sentence shall not be executed unless the act, omission or status is in violation of section 922(x) of title 18, United States Code, or the court finds that the juvenile has violated the court's decree imposing the sentence as provided below.

If the court, after notice and hearing, finds that a juvenile has violated the court's decree imposing the sentence under circumstances that bring the violation under the valid court order exception of the federal juvenile justice and delinquency prevention act of 1974, as amended, the court may commit the juvenile to detention for the period of detention previously imposed at sentencing;

(c) Commit the juvenile to a period of detention, pursuant to this act, for a period of time not to exceed ninety (90) days for each unlawful or criminal act the juvenile is found to have committed, if the unlawful or criminal act would be a misdemeanor if committed by an adult, or where the juvenile has been adjudicated as an habitual status offender;

(d) If the juvenile has committed an unlawful or criminal act which would be a felony if committed by an adult, the court may commit the juvenile to detention for a period not to exceed one hundred eighty (180) days for each unlawful or criminal act;

(e) Whenever a court commits a juvenile to a period of detention it shall notify the school district where the detention facility is located. No juvenile who is found to come within the purview of the act for the commission of a status offense shall be sentenced to detention in a jail facility unless an adjudication has been made that the juvenile is an habitual status offender;

(f) Commit the juvenile to detention and suspend the sentence on specific probationary conditions;
(g) The court may suspend or restrict the juvenile's driving privileges for such periods of time as the court deems necessary, and the court may take possession of the juvenile's driver's license. The juvenile may request restricted driving privileges during a period of suspension, which the court may allow if the juvenile shows by a preponderance of evidence that driving privileges are necessary for his employment or for family health needs;

(h) The court may order that the juvenile be examined or treated by a physician, surgeon, psychiatrist or psychologist, or that he receive other special care, or that he submit to an alcohol or drug evaluation, if needed, and for such purposes may place the juvenile in a hospital or other suitable facility;

(i) The court may order that the department of health and welfare conduct a comprehensive substance abuse assessment of the juvenile. After receiving the comprehensive substance abuse assessment, and upon a finding by the court that treatment will provide a cost-effective means of achieving the sentencing goals of accountability, competency development and community protection, the court may order that the juvenile receive immediate treatment for substance abuse in keeping with a plan of treatment approved by the court. The initial cost of the assessment and treatment shall be borne by the department of health and welfare. The director of the department of health and welfare may promulgate rules consistent with this paragraph (i) to establish a schedule of fees to be charged to parents by the department of health and welfare for such services based upon the cost of the services and the ability of parents to pay;

(j) In support of an order under the provisions of this section, the court may make an additional order setting forth reasonable conditions to be complied with by the parents, the juvenile, his legal guardian or custodian, or any other person who has been made a party to the proceedings, including, but not limited to, restrictions on visitation by the parents or one (1) parent, restrictions on the juvenile's associates, occupation and other activities, and requirements to be observed by the parents, guardian or custodian;

(k) The court may make any other reasonable order which is in the best interest of the juvenile or is required for the protection of the public, except that no person under the age of eighteen (18) years may be committed to jail, prison or a secure facility which does not meet the standards set forth in section 20-518, Idaho Code, unless jurisdiction over the individual is in the process of being waived or has been waived pursuant to section 20-508 or 20-509, Idaho Code. The court may combine several of the above-listed modes of disposition where they are compatible;

(l) An order under the provisions of this section for probation or placement of a juvenile with an individual or an agency may provide a schedule for review of the case by the court;

(m) Order the proceeding expanded or altered to include consideration of the cause pursuant to chapter 16, title 16, Idaho Code;

(n) Order the case and all documents and records connected therewith transferred to the magistrate division of the district court for the county where the juvenile and/or parents reside if different than the county where the juvenile was charged and found to have committed the unlawful or criminal act, for the entry of a dispositional order;
(o) Order such other terms, conditions, care or treatment as appears to the court will best serve the interests of the juvenile and the community;

(p) The court shall assess a twenty dollar ($20.00) detention/probation training academy fee against the juvenile for every petition filed where there has been an adjudication that the juvenile is within the purview of this chapter. All moneys raised pursuant to this paragraph shall be transmitted by the court for deposit in the juvenile corrections fund which is created in section 20-542, Idaho Code;

(q) Additionally, the court shall assess a fee of sixty cents (60¢) per hour of community service against the juvenile for every petition filed where there has been an adjudication that the juvenile is within the purview of this chapter and the court is ordering community service. Such fee is to be remitted by the court to the state insurance fund for purposes of providing worker's compensation insurance for persons performing community service pursuant to this chapter;

(r) Commit the juvenile to the legal custody of the department of juvenile corrections for an indeterminate period of time not to exceed the juvenile's nineteenth birthday, unless, in the opinion of the custody review board, determines that extended time in custody is necessary to address competency development, accountability, and community protection; provided however, that no juvenile shall remain in the custody of the department beyond the juvenile's twenty-first birthday. The department shall adopt rules implementing the custody review board and operations and procedures of such board;

(s) Notwithstanding any other provision of this section, a court may not commit a juvenile offender under the age of ten (10) years to a period of detention or to the custody of the department of juvenile corrections for placement in secure confinement.

(2) When an order is entered pursuant to this section, the juvenile shall be transported to the facility or program so designated by the court or the department, as applicable, by the sheriff of the county where the juvenile resides or is committed, or by an appointed agent. When committing a juvenile to the department, or another entity, the court shall at once forward to the department or entity a certified copy of the order of commitment.

(3) Unless the court determines that an order of restitution would be inappropriate or undesirable, it shall order the juvenile or his parents or both to pay restitution to or make whole any victim who suffers an economic loss as a result of the juvenile's conduct in accordance with the standards and requirements of sections 19-5304 and 19-5305, Idaho Code. The amount of restitution which may be ordered by the court shall not be subject to the limitations of section 6-210, Idaho Code. Court-ordered restitution shall be paid prior to any other court-ordered payments unless the court specifically orders otherwise.

(4) The court may order the juvenile's parents, legal guardian or custodian to pay the charges imposed by community programs ordered by the court for the juvenile, or the juvenile's parents, legal guardian or custodian.
(5) Any parent, legal guardian or custodian violating any order of the court entered against the person under the provisions of this chapter shall be subject to contempt proceedings under the provisions of chapter 6, title 7, Idaho Code.

An organization shall not contract with any person not employed by, or a volunteer for, the organization for the purpose of conducting a bingo session or providing bingo services or conducting a raffle on the organization's behalf, provided that this prohibition does not prevent a bingo organization from hiring employees and paying wages as provided in section 67-7709(1)(d)(ii), Idaho Code. However, if the state lottery commission has entered into an agreement or contract with another state for the operation or promotion of joint bingo sessions, the charitable
or nonprofit organization may participate in that contract or agreement.

(4) Different chapters of an organization may apply for and share one (1) license to conduct raffles so long as the information required in subsection (2) of this section is provided to the lottery prior to the issuance of the license.

(5) The organization may apply for the license to coincide with the organization's fiscal year.

72-1351. EXPERIENCE RATING AND VOLUNTARY TRANSFERS OF EXPERIENCE RATING ACCOUNTS. (1) Subject to the other provisions of this chapter, each eligible and deficit employer's taxable wage rate shall be determined in the manner set forth below for each calendar year:

(a) (i) Each eligible employer shall be given an "experience factor" which shall be the ratio of excess of contributions over benefits paid on the employer's account since December 31, 1939, to his average annual taxable payroll rounded to the next lower dollar amount for the four (4) fiscal years immediately preceding the computation date, except that when an employer first becomes eligible, his "experience factor" will be computed on his average annual taxable payroll for the two (2) fiscal years or more, but not to exceed four (4) fiscal years, immediately preceding the computation date. The computation of such "experience factor" shall be to six (6) decimal places.

(ii) Each deficit employer shall be given a "deficit experience factor" which shall be the ratio of excess of benefits paid on the employer's account over contributions since December 31, 1939, to his average annual taxable payroll rounded to the next lower dollar amount for one (1) or more fiscal years, but not to exceed four (4) fiscal years, for which he had covered employment ending on the computation date; provided, however, that any employer who on any computation date has a "deficit experience factor" for the period immediately preceding such computation date but who has filed all reports, paid all contributions and penalties due on or before the cut-off date, and has during the last four (4) fiscal years paid contributions at a rate of not less than the standard rate applicable for each such year and in excess of benefits charged to his experience rating account during such years, shall have any balance of benefits charged to his account which on the computation date immediately preceding such four (4) fiscal years were in excess of contributions paid, deleted from his account, and the excess benefits so deleted shall not be considered in the computation of his taxable wage rate for the rate years following such four (4) fiscal years. For the rate year following such computation date, he shall be given the standard rate for that year.

(iii) In the event an employer's coverage has been terminated because he has ceased to do business or because he has not had covered employment for a period of four (4) years, and if said employer thereafter becomes a covered employer, he will be considered as though he were a new employer, and he shall not be credited with his previous experience under this chapter for the purpose of computing any future "experience factor."

(b) Schedules shall be prepared listing all eligible employers in inverse numerical order of their experience factors, and all deficit employers in numerical order of their deficit experience factors. There shall be listed on such schedules for each such employer in addition to the experience factor: (i) the amount of his taxable payroll for the fiscal year ending on the computation date, and (ii) a cumulative total consisting of the sum of such employer's taxable payroll for the fiscal year ending on the computation date and the
corresponding taxable payrolls for all other employers preceding him on such schedules.

(c) The cumulative taxable payroll amounts listed on the schedules provided for in paragraph (b) of this subsection shall be segregated into groups whose limits shall be those set out in the table provided in section 72-1350(7), Idaho Code. Each of such groups shall be identified by the rate class number listed in the table which represents the percentage limits of each group. Each employer on the schedules shall be assigned a taxable wage rate in accordance with section 72-1350, Idaho Code.

(d) (i) If the grouping of rate classes requires the inclusion of exactly one-half (1/2) of an employer's taxable payroll, the employer shall be assigned the lower of the two (2) rates designated for the two (2) classes in which the halves of his taxable payroll are so required.

(ii) If the group of rate classes requires the inclusion of a portion other than exactly one-half (1/2) of an employer's taxable payroll, the employer shall be assigned the rate designated for the class in which the greater part of his taxable payroll is so required.

(iii) If one (1) or more employers on the schedules have experience factors identical to that of the last employer included in a particular rate class, all such employers shall be included in and assigned the taxable wage rate specified for such class, notwithstanding the provisions of paragraph (c) of this subsection.

(e) If the taxable payroll amount or the experience factor or both such taxable payroll amount and experience factor of any eligible or deficit employer listed on the schedules is changed, the employer shall be placed in that position on the schedules which he would have occupied had his taxable payroll amount and/or experience factor as changed been used in determining his position in the first instance, but such change shall not affect the position or rate classification of any other employer listed on the schedules and shall not affect the rate determination for previous years.

(2) For experience rating purposes, all previously accumulated benefit charges to covered employers' accounts, except cost reimbursement employers, shall not be changed except as provided by in this chapter. Benefits paid prior to June 30 shall, as of June 30 of each year preceding the calendar year for which a covered employer's taxable wage rate is effective, be charged to the account of the covered employer, except cost reimbursement employers, who paid the largest individual amount of base period wages as shown on the determination used as the basis for the payment of such benefits, except that no charge shall be made to the account of such covered employer with respect to benefits paid under the following situations:

(a) If paid to a worker who terminated his services voluntarily without good cause attributable to such covered employer, or who had been discharged for misconduct in connection with such services;

(b) If paid in accordance with the provisions of section 72-1368(10), Idaho Code, and the decision to pay benefits is subsequently reversed;

(c) For that portion of benefits paid to multistate claimants pursuant to section 72-1344, Idaho Code, which exceeds the amount of
benefits that would have been charged had only Idaho wages been used in paying the claim;
(d) If paid in accordance with the extended benefit program trig-
egered by either national or state indicators;
(e) If paid to a worker who continues to perform services for such
covered employer without a reduction in his customary work schedule,
and who is eligible to receive benefits due to layoff or a reduction
in earnings from another employer.
(3) A covered employer whose experience rating account is charge-
able, as prescribed by this section, is an interested party as defined
in section 72-1323, Idaho Code. A determination of chargeability shall
become final unless, within fourteen (14) days after notice as provided
in section 72-1368(5), Idaho Code, an appeal is filed by an interested
party with the department in accordance with the department's rules.
(4) An experience rating record shall be maintained for each cov-
ered employer. The record shall be credited with all contributions which
the covered employer has paid for covered employment prior to the cut-
off date, pursuant to the provisions of this and preceding acts, and
which covered employment occurred prior to the computation date. The
record shall also be charged with the amount of benefits paid which are
chargeable to the covered employer's account as provided by the appro-
priate provisions of the employment security law and regulations there-
der in effect at the time such benefits were paid. Nothing in this
section shall be construed to grant any covered employer or individual
in his service a priority with respect to any claim or right because of
amounts paid by such covered employer into the employment security fund.
(5) (a) Whenever any individual or type of organization, (whether
or not a covered employer within the meaning of section 72-1315,
Idaho Code), in any manner succeeds to, or acquires all or substan-
tially all, of the business of an employer who at the time of acqui-
sition was a covered employer, and in respect to whom the director
finds that the business of the predecessor is continued solely by
the successor, the separate experience rating account of the prede-
cessor shall, upon the joint application of the predecessor and the
successor within the one hundred eighty (180) days after such acqui-
sition and approval by the director, be transferred to the successor
employer for the purpose of determining such successor's liability
and taxable wage rate and any successor who was not an employer on
the date of acquisition shall as of such date become a covered
employer as defined in this chapter. Such one hundred eighty (180)
day period may be extended at the discretion of the director. The
transfer--of--the--predecessor's-experience-rating-account-as-of-the
last-computation-date-to-the-successor-shall--be--mandatory--if--the
management-or-ownership-or-control-is-substantially-the-same-for-the
successor--as-for-the-predecessor-and-there-is-a-continuity-of-busi-
ness-activity-by-the-successor;
(b) Whenever any individual or type of organization, whether or not
a covered employer within the meaning of section 72-1315, Idaho
Code, in any manner succeeds to, or acquires, part of the business
of an employer who at the time of acquisition was a covered
employer, and such portion of the business is continued by the suc-
cessor, so much of the separate experience rating account of the
predecessor as is attributable to the portion of the business trans-
ferred, as determined on a pro rata basis in the same ratio that the
wages of covered employees properly allocable to the transferred portion of the business bears to the payroll of the predecessor in the last four (4) completed calendar quarters immediately preceding the date of transfer, shall, upon the joint application of the predecessor and the successor within one hundred eighty (180) days after such acquisition and approval by the director, be transferred to the successor employer for the purpose of determining such successor's liability and taxable wage rate and any successor who was not an employer on the date of acquisition shall as of such date become a covered employer as defined in this chapter. Such one hundred eighty (180) day period may be extended at the discretion of the director. The transfer of the predecessor's experience rating account as of the last computation date to the successor shall be mandatory if the management or ownership or control is substantially the same for the successor as for the predecessor and there is a continuity of business activity by the successor. Whenever such mandatory transfer involves only a portion of the experience rating record and the predecessor or successor employers fail to supply the required payroll information, the transfer shall be based on estimates of the allocable payrolls.

(c) (i) If the successor was a covered employer prior to the date of the acquisition of all or a part of the predecessor's business his taxable wage rate, effective the first day of the calendar quarter immediately following the date of acquisition, shall be a newly computed rate based on the combined experience of the predecessor and successor, the resulting rate remaining in effect the balance of the rate year.

(ii) If the successor was not a covered employer prior to the date of the acquisition of all or a part of the predecessor's business, his rate shall be the rate applicable to the predecessor with respect to the period immediately preceding the date of acquisition, but if there were more than one (1) predecessor the successor's rate shall be a newly computed rate based on the combined experience of the predecessors, becoming effective immediately after the date of acquisition, and shall remain in effect the balance of the rate year.

(d) For purposes of this section, an employer's experience rating account shall consist of the actual contribution, benefit and taxable payroll experience of the employer and any amounts due from the employer under this chapter. When a transferred experience rating account includes amounts due from the employer under this chapter, both the predecessor employer and the successor employer shall be jointly and severally liable for those amounts.

SECTION 4. That Section 72-1351A, Idaho Code, be, and the same is hereby amended to read as follows:

72-1351A. MANDATORY TRANSFERS OF EXPERIENCE RATING ACCOUNTS AND FEDERAL CONFORMITY PROVISIONS REGARDING TRANSFERS OF EXPERIENCE AND ASSIGNMENT OF RATES. Notwithstanding any other provision of this chapter, the following shall apply regarding transfers of experience and assignment of rates:

(1) (a) If a covered employer transfers its trade or business, or a portion thereof, to another covered employer, whether or not a cov-
ered employer within the meaning of section 72-1315, Idaho Code, and, at the time of the transfer, there is substantially common ownership, management or control of the two (2) employers, then the experience rating account attributable to the transferred trade or business shall be transferred to the employer to whom such business is so transferred. The rates of both employers shall be recalculated using the methods provided in section 72-1351(5)(b) and either (c)(i) or (c)(ii), Idaho Code. Whenever such mandatory transfer involves only a portion of the experience rating record, and the predecessor or successor employers fail within ten (10) days after notice to supply the required payroll information, the transfer may be based on estimates of the allocable payroll.

(b) If, following a transfer of experience under paragraph (a) of this subsection (1), the director determines that a substantial purpose of the transfer of the trade or business was to obtain a reduced liability for contributions, then the experience rating accounts of the employers involved shall be combined into a single account and a single rate shall be assigned to such account.

(2) Whenever a person who is not a covered employer under this chapter at the time such person acquires the trade or business of a covered employer, the experience rating account of the acquired business shall not be transferred to such person if the director finds that such person acquired the business primarily for the purpose of obtaining a lower rate of contributions. Instead, such person shall be assigned the standard rate for new employers under section 72-1350, Idaho Code. In determining whether the trade or business was acquired primarily for the purpose of obtaining a lower rate of contributions, the director shall use objective factors which may include, but are not limited to, the cost of acquiring the business, whether the person continued the business enterprise of the acquired business, how long such business enterprise was continued, or whether a substantial number of new employees were hired for performance of duties unrelated to the business activity conducted prior to acquisition.

(3) (a) It shall be a violation of this section if a person:
(i) Makes any false statement to the department when the maker knows the statement to be false or acts with deliberate ignorance of or reckless disregard for the truth of the matter or willfully fails to disclose a material fact to the department in connection with the transfer of a trade or business;
(ii) Prepares any false or antedated report, form, book, paper, record, written instrument, or other matter or thing in connection with the transfer of a trade or business with the intent to submit it or allow it to be submitted to the department as genuine or true;
(iii) Knowingly violates or attempts to violate subsection (1) or (2) of this section or any other provision of this chapter related to determining the assignment of a contribution rate or an experience rate; or
(iv) Knowingly advises another person in a way that results in a violation or an attempted violation of subsection (1) or (2) of this section or any other provision of this chapter related to determining the assignment of a contribution rate or an experience rate.

(b) If a person commits any of the acts described in paragraph (a)
of this subsection (3), the person shall be subject to the following penalties:

(i) If the person is a covered employer, a civil money penalty of ten percent (10%) of such person's taxable wages for the four (4) completed consecutive quarters preceding the violation shall be imposed for such year and said penalty shall be deposited in the state employment security administrative and reimbursement fund as established by section 72-1348, Idaho Code.

(ii) If the person is not a covered employer, such person shall be subject to a civil money penalty of not more than five thousand dollars ($5,000) for each violation. Any such penalty shall be deposited in the state employment security administrative and reimbursement fund as established by section 72-1348, Idaho Code.

(4) Every person who knowingly makes any false statement to the department or knowingly fails to disclose a material fact to the department in connection with the transfer of a trade or business, or knowingly prepares any false or antedated report, form, book, paper, record, written instrument, or other matter or thing in connection with the transfer of a trade or business with the intent to submit it or allow it to be submitted to the department as genuine or true, or knowingly violates or attempts to violate subsection (1) or (2) of this section or any other provision of this chapter related to determining the assignment of a contribution rate or an experience rate, or knowingly advises another person to act in a way that results in a violation or an attempted violation of subsection (1) or (2) of this section or any other provision of this chapter related to determining the assignment of a contribution rate or an experience rate, shall be guilty of a felony punishable as provided in section 18-112, Idaho Code.

(5) For purposes of this section:

(a) An employer's experience rating account shall consist of the actual contribution, benefit and taxable payroll experience of the employer and any amounts due from the employer under this chapter. When a transferred experience rating account includes amounts due from the employer under this chapter, both the predecessor employer and the successor employer shall be jointly and severally liable for those amounts.

(b) "Knowingly" means having actual knowledge of or acting with deliberate ignorance of or reckless disregard for the prohibition involved.

(c) "Person" has the meaning given such term by section 7701(a)(1) of the Internal Revenue Code of 1986 (26 U.S.C. 7701(a)(1)).

(d) A "transfer of a trade or business" occurs whenever a person in any manner acquires or succeeds to all or a portion of a trade or business. Factors the department may consider when determining whether a transfer of a trade or business has occurred include, but are not limited to, the following:

(i) Whether the successor continued the business enterprise of the acquired business;

(ii) Whether the successor purchased, leased or assumed machinery and manufacturing equipment, office equipment, business premises, the business or corporate name, inventories, a covenant not to compete or a list of customers;
(iii) Continuity of business relationships with third parties such as vendors, suppliers and subcontractors;
(iv) A transfer of good will;
(v) A transfer of accounts receivable;
(vi) Possession and use of the predecessor's sales correspondence; and
(vii) Whether the employees remained the same.

(e) "Trade or business" includes, but is not limited to, the employer's workforce. The transfer of some or all of an employer's workforce to another employer shall be considered a transfer of a trade or business when, as the result of such transfer, the transferring employer no longer performs trade or business with respect to the transferred workforce, and such trade or business is performed by the employer to whom the workforce is transferred.

(f) "Violates or attempts to violate" includes, but is not limited to, intent to evade, misrepresentation or willful nondisclosure.

(6) The director shall establish procedures to identify the transfer or acquisition of a business for purposes of this section.

(7) This section shall be interpreted and applied in such a manner as to meet the minimum requirements contained in any guidance or regulations issued by the United States department of labor.

SECTION 5. That Section 72-1372, Idaho Code, be, and the same is hereby amended to read as follows:

72-1372. CIVIL PENALTIES. (1) The following civil penalties shall be assessed by the director:
(a) If a determination is made finding that an employer willfully filed a false report, a monetary penalty equal to one hundred percent (100%) of the amount that would be due if the employer had filed a correct report or two hundred fifty dollars ($250), whichever is greater, shall be added to the liability of the employer for each quarter for which the employer willfully filed a false report. For the purposes of this section, a false report includes, but is not limited to, a report for a period wherein an employer pays remuneration for personal services which meets the definition of "wages" under section 72-1328, Idaho Code, and the payment is concealed, hidden, or otherwise not reported to the department.
(b) If a determination is made finding that an employer willfully failed to file the employer's quarterly unemployment insurance tax report when due, the director shall assess a monetary penalty equal to:

(i) Seventy-five dollars ($75.00) or twenty-five percent (25%) of the amount that would be due if the employer had filed a timely quarterly report, whichever is greater, if the employer had not been found in any previous determination to have willfully failed to file a timely quarterly report for any of the sixteen (16) preceding consecutive calendar quarters; or
(ii) One hundred fifty dollars ($150) or fifty percent (50%) of the amount that would be due if the employer had filed a timely quarterly report, whichever is greater, if the employer had been found in any previous determination to have willfully
failed to file a timely quarterly report for no more than one (1) of the sixteen (16) preceding consecutive calendar quarters; or

(iii) Two hundred fifty dollars ($250) or one hundred percent (100%) of the amount that would be due if the employer had filed a timely quarterly report, whichever is greater, if the employer had been found in any previous determination or determinations to have willfully failed to file a timely quarterly report for two (2) or more of the sixteen (16) preceding consecutive calendar quarters.

(c) If a determination is made finding that an employer, or any officer or agent or employee of the employer with the employer's knowledge, willfully made a false statement or representation or willfully failed to report a material fact when submitting facts to the department concerning a claimant's separation from the employer, a penalty in an amount equal to ten (10) times the weekly benefit amount of such claimant shall be added to the liability of the employer.

(d) If a determination is made finding that an employer has induced, solicited, or coerced or colluded with an employee or former employee to file a false or fraudulent claim for benefits under this chapter, a penalty in an amount equal to ten (10) times the weekly benefit amount of such employee or former employee shall be added to the liability of the employer.

(e) If a determination is made finding that an employer failed to complete and submit an Idaho business registration form when due, as required by section 72-1337(1), Idaho Code, a penalty of five hundred dollars ($500) shall be assessed against the employer.

(f) For purposes of paragraphs (c) and (d) of this subsection (1), the term "weekly benefit amount" means the amount calculated pursuant to section 72-1367(2), Idaho Code.

A forest landowner cannot have parcels designated under the provisions of both subsections (a) and (b) of this section at one (1) time. If the forest landowner fails to make a designation, his forest lands shall be subject to appraisal, assessment and taxation under the provisions of section 63-1702, Idaho Code. Once a designation is made by the forest landowner, such designation must remain in effect until the designation period expires, unless the forest lands are transferred to another owner using a different taxing category; in such case, the taxing category of the transferred forest lands shall be the same as that maintained by the new owner.

A forest landowner may change the designation of all forest lands in common ownership at the end of any designation period, subject to the recapture of any deferred taxes due as a result of such change. After January 1 and by December 31 of the tenth year of each designation period the forest landowner must notify the county assessor of any change in forest land designation. Failure to notify the county assessor will result in the continuation of the landowner's present designation until the end of the next designation period.

Any substantial change in the use of forest lands not conforming with the definition of forest land in section 63-1701, Idaho Code, during such ten (10) year period under the designations made in subsection (a) or (b) of this section shall be reported by the landowner to the county assessor within thirty (30) days of the change in use. Upon notification of the change in use, the assessor shall appraise, assess and tax those acres as provided by applicable laws and rules. Failure to
notify the assessor of the change in use when forest lands have been
designated as subject to the provisions of subsection (a) or (b) of this
section shall cause forfeiture of such designation, and cause that prop­
erty to be appraised, assessed and taxed as provided in section 63-1702,
Idaho Code.

Forest lands designated for assessment pursuant to the provisions of
section 63-1706, Idaho Code, shall be subject to the recapture of
deferred taxes upon removal of such designation, a substantial change in
use, or ownership transfer, except that there shall be no recapture ini­

the provisions of section 63-1706, Idaho Code, to a landowner with for­
est lands already designated as subject to the provisions of section
63-1706, Idaho Code, prior to the transfer, or who so designates his
lands to be subject to the provisions of section 63-1706, Idaho Code. In
the event payment is offered or made, it shall be accepted by the county
treasurer and applied in the manner of payment of other property tax.

The dollar amount of deferred taxes subject to recapture shall be
determined by the county assessor by applying current tax levies against
the current values that would have been in effect if the lands were sub­
ject to appraisal and assessment during the current year under the pro­
visions of section 63-1705, Idaho Code, if there has been a change in
ownership or a removal of designation, or section 63-1702, Idaho Code,
if there has been a change in use with no change in ownership, which
amount shall be multiplied by the number of years that the lands have
been subject to the designation under section 63-1706, Idaho Code. The
amount of the deferred tax shall accrue through designation periods, up
to a maximum of ten (10) years, and shall apply to the most recent ten
(10) years in which the parcel has been designated under the provisions
of section 63-1706, Idaho Code. A credit shall be allowed for taxes
actually paid under the provisions of section 63-1706, Idaho Code, for
an identical ten (10) year period, up to the total amount of the
deferred taxes. All deferred amounts shall be a lien against the land.
Deferred tax amounts shall be calculated by the county assessor on forms
prescribed by the state tax commission. Deferred tax amounts shall be
supplied by the county assessor to the county treasurer by May 15 of the
year following conveyance or within thirty (30) days of removal of des­
ignation, or of learning of a change in use. All deferred tax amounts
shall be due and payable to the county treasurer on demand and shall
become delinquent if not paid by the demand due date specified by the
county treasurer on the forms prescribed by the state tax commission. If
the deferred tax is not paid as provided above, the payment becomes
delinquent and subject to late charges, and interest in the amounts
provided in sections 63-201(710) and 63-1001, Idaho Code, and subject to
collection in the manner as set forth in chapter 10, title 63, Idaho
Code. Estimated deferred tax amounts may be held by the county treasurer
in a tax anticipation account from the date of conveyance until June 1
of the year following conveyance.

The county treasurer shall cause the deferred taxes and any penalty
and interest paid pursuant to the provisions of this section to be
apportioned to the various taxing authorities within which the property
subject to the tax is located in the same manner as property taxes.

(a) A forest landowner may choose to have his forest land assessed,
appraised and taxed under the provisions of section 63-1705, Idaho Code,
by filing such choice with the county assessor on a form prescribed by
the state tax commission. Designation filed pursuant to section 63-1705, Idaho Code, shall become effective the first day of January following the year of designation.

(20) The department shall place and maintain traffic-control devices, conforming to the board's manual and specifications, upon all state highways as it shall deem necessary to indicate and to carry out the provisions of this title or to regulate, warn, or guide traffic. No local authority shall place or maintain any traffic-control device upon any highway under the jurisdiction of the department except by the latter's permission, except where the duly elected officials of an incorporated city have established speed limits lower than those set by the department on the portion of state highways, excluding controlled-access and interstate highways, that pass through residential, urban or business districts within the jurisdiction of the incorporated city. The placement and maintenance of such a traffic-control device by a local authority shall be made according to the board's manual and specifications for a uniform system of traffic-control devices.

(21) The department may conduct an investigation of any bridge or other elevated structure constituting a part of a highway, and if it shall find that the structure cannot with safety to itself withstand vehicles traveling at a speed otherwise permissible under this title, shall determine and declare the maximum speed of vehicles which the structure can safely withstand, and shall cause or permit suitable signs stating the maximum speed to be erected and maintained before each end of the structure.

(22) Whenever the department shall determine on the basis of an engineering and traffic investigation that slow speeds on any highway or
part of a highway impede the normal and reasonable movement of traffic, the department may determine and declare a minimum speed limit below which no person shall drive a vehicle except when necessary for safe operation or in compliance with law, and that limit shall be effective when posted upon appropriate fixed or variable signs, except in cases where the duly elected officials of an incorporated city have established speed limits lower than those set by the department on portions of state highways, excluding controlled-access and interstate highways, that pass through residential, urban or business districts within the jurisdiction of the incorporated city.

(23) The department shall regulate or prohibit the use of any controlled-access highway by any class or kind of traffic which is found to be incompatible with the normal and safe movement of traffic.

(24) The department shall erect and maintain traffic-control devices on controlled-access highways on which any prohibitions are applicable.

(25) Wherever a highway crosses one (1) or more railroads at grade, the department or local authorities within their respective jurisdictions shall place and maintain stop signs, directing vehicular traffic approaching the crossing to come to a full stop prior to entering the crossing at all railroad crossings where electric or mechanical warning signals do not exist. Placement of these stop signs shall be mandatory except when in the determination of public highway agencies the existence of stop signs at a given crossing would constitute a greater hazard than their absence based on a recognized engineering study.

Nothing in this subsection shall be construed as granting immunity to any railroad company as to liability, if any, for an accident which might occur at a crossing where stop signs are erected and in place, but liability, if any, shall be determined as provided by law. Liability on the part of governmental authorities on account of absence of any stop sign at a crossing shall be determined as provided by law.

(26) The department and local authorities are authorized to determine those portions of any highway under their respective jurisdictions where overtaking and passing or driving on the left side of the roadway would be especially hazardous and may by appropriate signs or markings on the roadway indicate the beginning and end of those zones and when signs or markings are in place and clearly visible to an ordinarily observant person, every driver of a vehicle shall obey those directions.

(27) The department and local authorities in their respective jurisdictions may in their discretion issue special permits authorizing the operation upon a highway of traction engines or tractors having movable tracks with transverse corrugations upon the periphery of the movable tracks or farm tractors or other farm machinery, the operation of which upon a highway would otherwise be prohibited under this title or title 40, Idaho Code.

(28) The department and local highway authorities within their respective jurisdictions may place official traffic-control devices prohibiting, limiting or restricting the stopping, standing or parking of vehicles on any highway where such stopping, standing or parking is dangerous to those using the highway or where the stopping, standing or parking of vehicles unduly interferes with the free movement of traffic thereon.

(29) On any informational material printed after July 1, 1995, by or at the order of the department and distributed to counties, school districts or individuals for the purpose of assisting a person to success-
fully pass a driver's license test, the department shall include mate­
rial about the state's open range law and responsibilities, liabilities
and obligations of drivers driving in the open range.

(67) In the case of a name change, the applicant shall provide legal documentation to verify the change in accordance with department rules.

(78) Whenever any person, after applying for or receiving an identification card, shall move from the address shown on the application or on the identification card issued, that person shall, within thirty (30) days, notify the transportation department in writing of the old and new addresses.

(89) The department shall cancel any identification card upon determining that the person was not entitled to the issuance of the identification card, or that the person failed to give the required and correct information in his application or committed fraud in making the application. Upon cancellation, the person shall surrender the canceled identification card to the department.

(910) If any person shall fail to return to the department the identification card as required, the department may direct any peace officer to secure its possession and return the identification card to the department.

RELATING TO THE BOND LEVY EQUALIZATION PROGRAM; AMENDING SECTION 33-906, IDAHO CODE, TO CLARIFY THAT THE BOND LEVY EQUALIZATION SUPPORT PROGRAM APPLIES TO ACTUAL PROJECTS THAT WERE PREVIOUSLY ELIGIBLE.

Be it enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 33-906, Idaho Code, be, and the same is hereby amended to read as follows:

33-906. BOND LEVY EQUALIZATION SUPPORT PROGRAM. (1) Pursuant to section 33-906B, Idaho Code, school districts with a value index below one (1) shall be eligible to receive additional state financial assistance for the cost of annual bond interest and redemption payments made on bonds passed on or after September 15, 2002. However, any school district with a value index of less than one and one-half (1.5), shall receive no less than ten percent (10%) of the interest cost portion of the annual bond interest and redemption payment for bonds passed on or
after September 15, 2002. The state department of education shall disburse such funds to school districts from moneys appropriated from the bond levy equalization fund. The department shall disburse the funds by no later than September 1 of each year for school districts in which voters have approved the issuance of qualifying bonds by no later than January 1 of that calendar year, and which are certifying a qualifying bond interest and redemption payment for the fiscal year in which the disbursement is made. For districts with a value index below one (1), the percentage of each annual bond interest and redemption payment that is paid by the state shall be determined by dividing the difference between one (1) and the school district's value index by one (1).

(2) For the purposes of this section, the annual bond interest and redemption payment shall be determined by dividing the total payment amounts by the number of fiscal years in which payments are to be made. The interest cost portion of the annual bond interest and redemption payment shall be determined by dividing the total interest paid by the number of fiscal years in which payments are to be made. For school districts not qualifying for a state payment in the first year of the bond interest and redemption payment schedule, due solely to the January 1 eligibility deadline, the state department of education shall distribute an additional payment in the next fiscal year, in the amount of such funds that the school district would have otherwise qualified for in the current fiscal year.

(3) The provisions of this section may not be utilized to refinance existing debt or subsidize projects previously subsidized by state grants, unless the existing debt being refinanced is a bond passed on or after September 15, 2002; provided however, that any school district that has issued qualifying bonds prior to June 30, 2004, in conformance with this section shall not be deemed to be refinancing existing debt when the qualifying bonds are utilized to finance the acquisition of public school facilities previously leased or financed through means other than the issuance of general obligation bonds approved by a two-thirds (2/3) vote at an election called for that purpose subject to subsection (5) of this section.

(4) School districts shall annually report the status of all qualifying bonds to the state department of education by January 1 of each year, including bonds approved by the voters, but not yet issued. Information submitted shall include the following:

(a) The actual or estimated bond interest and redemption payment schedule;
(b) Any qualifying bond that has been paid off;
(c) Other information as may be required by the state department of education.

(5) No school district project eligible for participation in the bond levy equalization support program shall be deemed ineligible for participation due to that school district's project's eligibility and prior participation in the safe school facilities loan and grant program or the Idaho safe schools facilities program under section 33-804A, 33-1017 or 33-1613, Idaho Code, provided that:

(a) Such school district notifies the state department of education of its desire and eligibility to participate in the bond levy equalization support program; and
(b) Such school district shall receive no state financial assistance for the project under the bond levy equalization support pro-
gram until the amount to which it would otherwise have been entitled to receive shall equal the amounts received by the school district under the safe school facilities loan and grant program or the Idaho safe schools facilities program under section 33-804A, 33-1017 or 33-1613, Idaho Code.

(6) Any school district formed as a result of the consolidation of two (2) or more school districts that passes an eligible bond within three (3) years of the successful consolidation election shall participate in the bond levy equalization support program at the district's actual value index minus twenty-five hundredths (.25). This adjustment shall apply for the duration of the bond interest and redemption payment schedule. If a school district advantaged by this subsection (6) deconsolidates either during the applicable bond interest and redemption payment schedule, or within a three (3) year period thereafter, each deconsolidated district shall, upon deconsolidation, repay to the bond levy equalization fund all additional subsidies received pursuant to this subsection (6). The proportions owed by each deconsolidated district shall be determined by the proportion that each district's market value for assessment purposes bears to the whole.

The court shall direct the petitioner to report the results of, or make and report back concerning, a reasonably diligent search for the alleged decedent in any manner that may seem advisable, including any or all of the following methods:

(a1) The court shall entertain a petition for modification or vacation of its order and probate of another will of the decedent if it is shown that the proponents of the later-offered will were unaware of its existence at the time of the earlier proceeding or were unaware of the earlier proceeding and were given no notice thereof, except by publication.

(b2) If intestacy of all or part of the estate has been ordered, the determination of heirs of the decedent may be reconsidered if it is shown that one (1) or more persons were omitted from the determination and it is also shown that the persons were unaware of their relationship to the decedent, were unaware of his death or were given no notice of any proceeding concerning his estate, except by publication.

The order originally rendered in the testacy proceeding may be modified or vacated, if appropriate under the circumstances, by the order of probate of the later-offered will or the order redetermining heirs.

The finding of the fact of death is conclusive as to the alleged decedent only if notice of the hearing on the petition in the formal testacy proceeding was sent by registered or certified mail addressed to the alleged decedent at his last known address and the court finds that a search under subsection (b2) of section 15-3-403 of this Part was made.

If the alleged decedent is not dead, even if notice was sent and search was made, he may recover estate assets in the hands of the personal representative. In addition to any remedies available to the alleged decedent by reason of any fraud or intentional wrongdoing, the alleged decedent may recover any estate or its proceeds from distributees that is in their hands, or the value of distributions received by them, to the extent that any recovery from distributees is equitable in view of all of the circumstances.

CHAPTER 91
(H.B. No. 443)

AN ACT
RELATING TO THE IDAHO HOSPITAL ASSESSMENT ACT; AMENDING TITLE 56, IDAHO
CODE, BY THE ADDITION OF A NEW CHAPTER 14, TITLE 56, IDAHO CODE, TO
PROVIDE A SHORT TITLE AND TO SET FORTH LEGISLATIVE INTENT, TO DEFINE
TERMS, TO ESTABLISH THE HOSPITAL ASSESSMENT FUND, TO PROVIDE FOR
ASSESSMENTS, TO PROVIDE FOR A REVIEW OF THE ANNUAL ASSESSMENT
AMOUNT, TO PROVIDE FOR INPATIENT AND OUTPATIENT ADJUSTMENT PAYMENTS,
TO PROVIDE FOR TIMING OF PAYMENTS AND ASSESSMENTS, TO PROVIDE FOR
EXEMPTIONS, TO PROVIDE FOR MULTIHOSPITAL LOCATIONS, HOSPITAL
CLOSURES AND NEW HOSPITALS AND TO PROVIDE APPLICABILITY; AND PROVID­
ing a sunset date.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Title 56, Idaho Code, be, and the same is hereby
amended by the addition thereto of a NEW CHAPTER, to be known and desig­
nated as Chapter 14, Title 56, Idaho Code, and to read as follows:
56-1401. SHORT TITLE -- LEGISLATIVE INTENT. (1) This chapter shall be known and may be cited as the "Idaho Hospital Assessment Act."
(2) It is the intent of the legislature to encourage the maximization of financial resources eligible and available for medicaid services by establishing a fund within the Idaho department of health and welfare to receive private hospital assessments to use in securing federal matching funds under federally prescribed upper payment limit programs available through the state medicaid plan.

56-1402. DEFINITIONS. As used in this chapter:
(1) "Governmental entity" means and includes the state and its political subdivisions.
(2) "Hospital" is as defined in section 39-1301(a), Idaho Code.
(3) "Political subdivision" means a county, city, municipal corporation or hospital taxing district and, as used in this chapter, shall include state licensed hospitals established by counties pursuant to chapter 36, title 31, Idaho Code, or jointly by cities and counties pursuant to chapter 37, title 31, Idaho Code.
(4) "Private hospital" means a hospital that is not owned by a governmental entity.
(5) "Upper payment limit" means a limitation established by federal regulations, 42 CFR 447.272 and 42 CFR 447.321, that disallows federal matching funds when state medicaid agencies pay certain classes of hospitals an aggregate amount for inpatient and outpatient hospital services that would exceed the amount that would be paid for the same services furnished by that class of hospitals under medicare payment principles.

56-1403. HOSPITAL ASSESSMENT FUND ESTABLISHED. (1) There is hereby created in the office of the state treasurer a dedicated fund to be known as the hospital assessment fund, hereinafter "fund," to be administered by the department of health and welfare, hereinafter "department." The state treasurer shall invest idle moneys in the fund and any interest received on those investments shall be returned to the fund.
(2) Moneys in the fund shall consist of:
(a) All moneys collected or received by the department from hospital assessments required by this chapter;
(b) All federal matching funds received by the department as a result of expenditures made by the department that are attributable to moneys deposited in the fund;
(c) Any interest or penalties levied in conjunction with the administration of this chapter; and
(d) Any appropriations, federal funds, donations, gifts or moneys from any other sources.
(3) The fund is created for the purpose of receiving moneys in accordance with this section and section 56-1404, Idaho Code. The fund shall not be used to replace any moneys appropriated to the Idaho medical assistance program by the legislature. Moneys in the fund shall be distributed by the department subject to appropriation for the following purposes only:
(a) Payments to hospitals as required under Idaho's medical assistance program as set forth in sections 56-209b through 56-209d, Idaho Code;
(b) Reimbursement of moneys collected by the department from hospitals through error or mistake in performing the activities authorized under Idaho's medical assistance program;
(c) Payments of administrative expenses incurred by the department or its agent in performing the activities authorized by this chapter;
(d) Payments made to the federal government to repay excess payments made to hospitals from the fund if the assessment plan is deemed out of compliance and after the state has appealed the findings. Hospitals shall refund the payments in question to the assessment fund. The state in turn shall return funds to both the federal government and hospital providers in the same proportion as the original financing. Individual hospitals shall be reimbursed based on the proportion of the individual hospital's assessment to the total assessment paid by all hospitals. If a hospital is unable to refund payments, the state shall develop a payment plan and deduct moneys from future medicaid payments;
(e) Transfers to any other fund in the state treasury, provided such transfers shall not exceed the amount transferred previously from that other fund into the hospital assessment fund; and
(f) Making refunds to hospitals pursuant to section 56-1410, Idaho Code.

56-1404. ASSESSMENTS. (1) All hospitals, except those exempted under section 56-1408, Idaho Code, shall make payments to the fund in accordance with this chapter. Subject to section 56-1410, Idaho Code, an annual assessment on both inpatient and outpatient services is determined for each qualifying hospital for state fiscal years 2009, 2010 and 2011, in an amount calculated by multiplying the rate, as set forth in subsection (3) of this section, by the assessment base, as set forth in subsection (4) of this section.
(2) The department shall calculate the private hospital upper payment limit gap for both inpatient and outpatient services. The upper payment limit gap is the difference between the maximum allowable payments eligible for federal match, less medicaid payments not financed using hospital assessment funds. The upper payment limit gap shall be calculated separately for hospital inpatient and outpatient services. Medicaid disproportionate share payments shall be excluded from the calculation.
(3) The department shall calculate the assessment rate for state fiscal years 2009, 2010 and 2011 to be the percentage that, when multiplied by the assessment base as defined in subsection (4) of this section, equals the upper payment limit gap determined in subsection (2) of this section, but is not greater than one and one-half percent (1.5%).
(4) The assessment base shall be the hospital's net patient revenue for the applicable period. "Net patient revenue" for state fiscal year 2009 shall be determined using the most recent data available from each hospital's fiscal year 2004 medicare cost report on file with the department on June 30, 2008, without regard to any subsequent adjustments or changes to such data. Net patient revenue for state fiscal year 2010 shall be determined using the most recent data available for each
hospital's fiscal year 2005 medicare cost report on file with the department on June 30, 2009, without regard to any subsequent adjustments or changes to such data. Net patient revenue for state fiscal year 2011 shall be determined using the most recent data available from each hospital's fiscal year 2006 medicare cost report on file with the department on June 30, 2010, without regard to any subsequent adjustments or changes to such data.

56-1405. REVIEW OF ANNUAL ASSESSMENT AMOUNT. Each state fiscal year, hospitals shall have at least thirty (30) days prior to implementation to review and verify the assessment base, rate, and the estimated assessment amount.

56-1406. INPATIENT AND OUTPATIENT ADJUSTMENT PAYMENTS. All hospitals, except those exempted under section 56-1408, Idaho Code, shall be eligible for inpatient and outpatient adjustments as follows:

(1) For state fiscal year 2009, the inpatient upper payment limit gap for private hospitals shall be divided by medicaid inpatient days for the same hospitals from calendar year 2007 to establish an average per diem adjustment rate. Each hospital shall receive an annual payment that is equal to the average per diem adjustment rate multiplied by the hospital's calendar year 2007 medicaid inpatient days. For purposes of this section, "hospital medicaid inpatient days" are days of inpatient hospitalization paid for by the Idaho medical assistance program for the applicable calendar year. For fiscal year 2010, calendar year 2008 inpatient hospital medicaid days shall be utilized to determine the hospital inpatient adjustment payment. For state fiscal year 2011, calendar year 2009 hospital medicaid inpatient days shall be utilized to determine the hospital inpatient adjustment payment. In the event that either the inpatient upper payment limit gap for private hospitals or the available hospital assessment funding is lower than anticipated, the department shall apply an across-the-board factor such that the inpatient payment adjustments are maximized, financed entirely from hospital assessment funding, and do not exceed the Idaho inpatient upper payment limit for private hospitals. Payments shall be made no later than seven (7) days after the due date for the hospital assessment required in section 56-1404, Idaho Code.

(2) For state fiscal year 2009, the outpatient upper payment limit gap for private hospitals shall be divided by medicaid outpatient hospital reimbursement for the same hospitals from calendar year 2007 to establish an average percentage adjustment rate. Each hospital, except those exempt under section 56-1408, Idaho Code, shall receive an annual payment that is equal to the average percentage adjustment rate multiplied by the hospital's calendar year 2007 hospital medicaid outpatient reimbursement. For purposes of this section, "hospital outpatient reimbursement" is reimbursement for hospital outpatient services paid for by the Idaho medical assistance program for the applicable calendar year. For state fiscal year 2010, calendar year 2008 hospital medicaid outpatient reimbursement shall be utilized to determine the outpatient hospital adjustment payment. For state fiscal year 2011, calendar year 2009 hospital medicaid outpatient reimbursement shall be utilized to determine the outpatient hospital adjustment payment. In the event that either the outpatient upper payment limit gap for private hospitals or the available hospital assessment funding is lower than anticipated, the
department shall apply an across-the-board factor, such that outpatient adjustment payments are maximized, financed entirely from hospital assessment funding, and do not exceed the Idaho outpatient upper payment limit for private hospitals. Payments shall be made no later than seven (7) days after the due date for the hospital assessments required in section 54-1404, Idaho Code.

56-1407. TIMING OF PAYMENTS AND ASSESSMENTS. (1) The department shall establish an annual assessment schedule for all payments created under this chapter.

(2) If a hospital fails to pay the full amount of an installment when due, including any extensions granted, there shall be added to the assessment imposed by section 56-1404, Idaho Code, unless waived by the department for reasonable cause, a penalty equal to the lesser of:

(a) An amount equal to five percent (5%) of the assessment installment amount not paid on or before the due date, plus five percent (5%) of the portion thereof remaining unpaid on the last day of each month thereafter; or

(b) An amount equal to one hundred percent (100%) of the assessment installment amount not paid on or before the due date.

(3) For purposes of subsection (2) of this section, payments shall be credited first to unpaid installment amounts rather than to penalty or interest amounts, beginning with the most delinquent installment.

56-1408. EXEMPTIONS. (1) A hospital that is a governmental entity, including a state agency, is exempt from the assessment required by section 56-1404, Idaho Code, unless the exemption is adjudged to be unconstitutional or otherwise invalid, in which case the hospital shall pay such assessment.

(2) A private hospital that does not provide emergency services through an emergency department and is not categorized as "rehabilitation" or "psychiatric" as provided in section II.C. of the "application for hospital licenses and annual report — 2007" by the bureau of facility standards of the department of health and welfare, is exempt from the assessment required by section 56-1404, Idaho Code.

56-1409. MULTIHOSPITAL LOCATIONS, HOSPITAL CLOSURE AND NEW HOSPITALS. (1) If a hospital conducts, operates or maintains more than one hospital licensed by the department, the hospital shall pay the assessment for each hospital separately.

(2) A hospital, subject to assessments under this chapter, that ceases to conduct hospital operations or maintain its state license or did not conduct hospital operations throughout a calendar or fiscal year, shall have its required assessment adjusted by multiplying the assessment computed under section 56-1404, Idaho Code, by a fraction, the numerator of which is the number of days in the year during which the hospital conducts hospital business, operates a hospital and maintains licensure, and the denominator of which is three hundred sixty-five (365). The hospital shall pay the required assessment computed under section 56-1404, Idaho Code, on the date and in pro rata installments as required by the department for that portion of the state fiscal year during which the hospital operated and maintained state licensure, to the extent not previously paid.

(3) A hospital, subject to assessments under this chapter, that has
not been previously licensed as a hospital by the department and that
commences hospital operations during a fiscal year, shall pay the
required assessment computed under section 56-1404, Idaho Code, and
shall be eligible for payment adjustments under section 56-1406, Idaho
Code, only after two (2) complete state fiscal years have elapsed and
two (2) full fiscal year medicare cost reports are filed with the center
for medicare and medicaid services (CMS) after the commencement of op­
erations and on the date as required by the department beginning on the
first day of the next state fiscal year.

56-1410. APPLICABILITY. (1) The assessment required by section
56-1404, Idaho Code, shall not take effect or shall cease to be imposed,
and any moneys remaining in the fund shall be refunded to hospitals in
proportion to the amounts paid by such hospitals if:
(a) The appropriation for each state fiscal year 2009, 2010 and
2011 from the general fund for hospital payments under the Idaho
medical assistance program is less than that for fiscal year 2008;
(b) The department makes changes in its rules that reduce the hos­
pital inpatient or outpatient payment rates, including adjustment
payment rates, in effect on January 1, 2008; or
(c) The payments to hospitals required under section 56-1403(3),
Idaho Code, are changed or are not eligible for federal matching
funds under the Idaho medical assistance program.
(2) The assessment required by section 56-1404, Idaho Code, shall
not take effect or shall cease to be required if the assessment is not
approved or is determined to be impermissible under title XIX of the
social security act. Moneys in the fund derived from assessments
required prior thereto shall be distributed in accordance with section
56-1403(3), Idaho Code, to the extent federal matching funds are not
reduced due to the impermissibility of the assessments, and any remain­
ing moneys shall be refunded to hospitals in proportion to the amounts
paid by such hospitals.

SECTION 2. The provisions of this act shall be null, void and of no
force and effect on and after July 1, 2011.

Approved March 14, 2008.
63-3622UU. PERSONAL PROPERTY TAX ON RENTALS. The taxes imposed by this chapter do not apply to charges for personal property tax added to the rent paid for leases of tangible personal property. This exemption applies if:

(1) The lessor separately states the charge for property tax to the lessee; and
(2) The amount charged to the lessee is not more than the property tax actually paid by the lessor; and
(3) The lease agreement is for an initial period of one (1) year or longer.

Approved March 14, 2008.

RELATING TO THE EMPLOYMENT SECURITY LAW; AMENDING SECTION 72-1342, IDAHO CODE, TO PROVIDE THAT SPECIFIED EMPLOYMENT SECURITY INFORMATION SHALL BE EXEMPT FROM DISCLOSURE, TO PROVIDE EXCEPTIONS AND TO AUTHORIZE THE DIRECTOR OF THE DEPARTMENT OF LABOR TO PROMULGATE RULES RELATING TO DISCLOSURE; AMENDING SECTION 72-1366, IDAHO CODE, TO REVISE AND TO PROVIDE FOR ADDITIONAL PERSONAL ELIGIBILITY CONDITIONS FOR BENEFIT CLAIMANTS AND TO MAKE TECHNICAL CORRECTIONS; AMENDING SECTION 72-1372, IDAHO CODE, TO PROVIDE A CIVIL PENALTY RELATING TO UNAUTHORIZED DISCLOSURE OF EMPLOYMENT SECURITY INFORMATION AND TO REFERENCE SPECIFIC PENALTIES; AMENDING SECTION 72-1374, IDAHO CODE, TO PROVIDE THAT EACH ACT OF CERTAIN UNAUTHORIZED DISCLOSURE OF EMPLOYMENT SECURITY INFORMATION BY SPECIFIED PERSONS SHALL CONSTITUTE A MISDEMEANOR; AND AMENDING SECTION 9-340C, IDAHO CODE, TO PROVIDE THAT CERTAIN EMPLOYMENT SECURITY INFORMATION MAY BE DISCLOSED TO THIRD PARTIES PROVIDED THERE IS WRITTEN, INFORMED CONSENT, TO PROVIDE FOR APPLICABILITY OF A TERM AND TO MAKE A TECHNICAL CORRECTION.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 72-1342, Idaho Code, be, and the same is hereby amended to read as follows:

72-1342. **DISCLOSURE OF INFORMATION.** Employment security information obtained from any employer or individual pursuant to the administration of this chapter, and determinations of the benefit rights of any individual as defined in section 9-340C(7), Idaho Code, shall be subject to exempt from disclosure as provided in chapter 3, title 9, Idaho Code, except that such information may be disclosed as is necessary for the proper administration of programs under this chapter or may be made available to public employees officials for use in the performance of their public official duties subject to such restrictions and fees as the director may by rule prescribe. The director may by rule prescribe the form of written, informed consent by a person that is ade-
quate for disclosure of employment security information pertaining to that person to a third party, as provided in section 9-340C(7), Idaho Code, and the security requirements and cost provisions that apply to such disclosures.

SECTION 2. That Section 72-1366, Idaho Code, be, and the same is hereby amended to read as follows:

72-1366. PERSONAL ELIGIBILITY CONDITIONS. The personal eligibility conditions of a benefit claimant are that:

(1) The claimant shall have made a claim for benefits and provided all necessary information pertinent to eligibility.
(2) The claimant shall have registered for work and thereafter reported to a job service office or other agency in a manner prescribed by the director.
(3) The claimant shall have met the minimum wage requirements in his base period as provided in section 72-1367, Idaho Code.
(4) (a) During the whole of any week with respect to which he claims benefits or credit to his waiting period, the claimant was:

(i) Able to work, available for suitable work, and seeking work; provided, however, that no claimant shall be considered ineligible for failure to comply with the provisions of this subsection if:

1. Such failure is due to the claimant's illness or disability which occurs after he has filed a claim and during such illness or disability, the claimant does not refuse or miss suitable work that would have provided wages greater than one-half (1/2) of the claimant's weekly benefit amount; or
2. Such failure is due to compelling personal circumstances, provided that such failure does not exceed a minor portion of the claimant's workweek and during which time the claimant does not refuse or miss suitable work that would have provided wages greater than one-half (1/2) of the claimant's weekly benefit amount; and

(ii) Living in a state, territory, or country that is included in the interstate benefit payment plan or that is a party to an agreement with the United States or the director with respect to unemployment insurance.

(b) If a claimant who is enrolled in an approved job training course pursuant to subsection (8) of this section fails to attend or otherwise participate in the job training course during any week with respect to which he claims benefits or credit to his waiting period, the claimant shall be ineligible for that week if he was not able to work nor available for suitable work, to be determined as follows: The claimant shall be ineligible unless he is making satisfactory progress in the training and his failure to attend or otherwise participate was due to:

(i) The claimant's illness or disability which occurred after he had filed a claim and the claimant missed fewer than one-half (1/2) of the classes available to him that week; or
(ii) Compelling personal circumstances, provided that the claimant missed fewer than one-half (1/2) of the classes available to him that week.
(5) The claimant's unemployment is not due to the fact that he left his employment voluntarily without good cause connected with his employment, or that he was discharged for misconduct in connection with his employment.

(6) The claimant's unemployment is not due to his failure without good cause to apply for available suitable work or to accept suitable work when offered to him. The longer a claimant has been unemployed, the more willing he must be to seek other types of work and accept work at a lower rate of pay.

(7) In determining whether or not work is suitable for an individual, the degree of risk involved to his health, safety, morals, physical fitness, experience, training, past earnings, length of unemployment and prospects for obtaining local employment in his customary occupation, the distance of the work from his residence, and other pertinent factors shall be considered. No employment shall be deemed suitable and benefits shall not be denied to any otherwise eligible individual for refusing to accept new work or to hold himself available for work under any of the following conditions:

(a) If the vacancy of the position offered is due directly to a strike, lockout, or other labor dispute;

(b) If the wages, hours, or other conditions of the work offered are below those prevailing for similar work in the locality of the work offered;

(c) If, as a condition of being employed, the individual would be required to join a company union or to resign from or refrain from joining any bona fide labor organization.

(8) No claimant who is otherwise eligible shall be denied benefits for any week due to an inability to comply with the requirements contained in subsections (4)(a) and (6) of this section, if:

(a) The claimant is a participant in a program sponsored by title I of the workforce investment act and attends a job training course under that program; or

(b) The claimant attends a job training course authorized pursuant to the provisions of section 236(a)(1) of the trade act of 1974 or the North American free trade agreement implementation act.

(c) The claimant lacks skills to compete in the labor market and attends a job training course with the approval of the director. The director may approve job training courses that meet the following criteria:

(i) The purpose of the job training is to teach the claimant skills that will enhance the claimant's opportunities for employment; and

(ii) The job training can be completed within one (1) year, except that this requirement may be waived pursuant to rules that the director may prescribe.

This subsection shall apply only if the claimant submits with each claim report a written certification from the training facility that the claimant is attending and satisfactorily completing the job training course, or demonstrates good cause for failure to attend the job training. If the claimant fails to attend or otherwise participate in the job training course, it must be determined whether the claimant is able to work and available for suitable work as provided in subsection (4)(b) of this section.

(9) No claimant who is otherwise eligible shall be denied benefits
under subsection (5) of this section for leaving employment to attend job training pursuant to subsection (8) of this section, provided that the claimant obtained the employment after enrollment in or during scheduled breaks in the job training course, or that the employment was not suitable. For purposes of this subsection, the term "suitable employment" means work of a substantially equal or higher skill level than the individual's past employment, and wages for such work are not less than eighty percent (80%) of the average weekly wage in the individual's past employment.

(10) A claimant shall not be eligible to receive benefits for any week with respect to which it is found that his unemployment is due to a labor dispute; provided, that this subsection shall not apply if it is shown that:

(a) The claimant is not participating, financing, aiding, abetting, or directly interested in the labor dispute; and
(b) The claimant does not belong to a grade or class of workers with members employed at the premises at which the labor dispute occurs, who are participating in or directly interested in the dispute.

(H.B. No. 406, As Amended)

AN ACT
RELATING TO STATE ENDOWMENT LANDS; AMENDING SECTION 58-307, IDAHO CODE,
TO PROVIDE FOR THE LEASE OF STATE ENDOWMENT LANDS FOR RESIDENTIAL
PURPOSES.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 58-307, Idaho Code, be, and the same is
hereby amended to read as follows:

58-307. TERM OF LEASE -- APPLICATION FOR RENEWAL -- ALLOWANCE FOR
IMPROVEMENTS. (1) No lease of state public school endowment lands, other
than those valuable for stone, coal, oil, gas or other minerals, shall
be for a longer term than ten (10) years.

(2) Notwithstanding any other provisions of law, all state lands
may be leased for a period of up to twenty-five (25) years to the fed­
eral government, to federal agencies, state agencies, counties, or cit­
ies, school districts or political subdivisions when leased for public
purposes. Such leases for public purposes may be entered into by negoti­
ation and shall secure a rental amount based on the fair market value of
the state land.

(3) Notwithstanding any other provisions of law, all state endow­
ment lands may be leased for a period of up to thirty-five (35) years
for residential purposes as determined by the state board of land com­
misioners including, but not limited to, single family, recreational
cottage site and homesite leases.
(4) Notwithstanding any other provisions of law, all state endowment lands may be leased for a period of up to forty-nine (49) years for commercial purposes, or for lands eligible for the federal conservation reserve enhancement program (CREP), under such terms and conditions as may be set by the board, provided that, for such leases in excess of ten (10) years, the board consults with the county commissioners of the county in which the lands are located before leasing the lands, and the use for which the land is leased shall be consistent with the local planning and zoning ordinances insofar as is reasonable and practicable. For each lease in excess of ten (10) years, the department shall hold a hearing in the county in which the parcel is located.

(45) The term "commercial purposes" means wind or geothermal energy projects, industrial enterprises, retail sales outlets, business and professional office buildings, hospitality enterprises, commercial recreational activities, multifamily residential developments and other similar businesses. For purposes of this section, agricultural leases, grazing leases, oil and gas leases, mineral leases, geothermal leases, communication site leases, single family, recreational cottage site and homesite leases, and leases for other similar uses, are not considered leases for commercial purposes.

(56) The board may require that all fixed improvements constructed upon land leased for commercial purposes be removed or become the property of the state upon termination of the lease, and that any heirs, encumbrances or claims of third parties with respect to any improvements shall be expressly subordinate and subject to the rights of the state under this section.

(67) Except for geothermal, oil and gas, mineral and commercial leases, the lease year shall run from January 1 through December 31, and all leases shall expire on December 31 of the year of expiration.

(78) All applications to lease or to renew an existing lease which expires December 31 of any year, shall be filed in the office of the director of the department of lands by the thirtieth day of April preceding the date of such expiration. Such applications will be considered by the state land board and be disposed of in the manner provided by law; except that the board may reject conflicting applications for a lease for commercial purposes if the lessee exercises the preference right to renew clause, and provided such right is specified in the lease.

(89) Where conflicts appear upon leases, except for mineral leases which, pursuant to chapter 7, title 47, Idaho Code, contain a preferential right to renew clause, such applications shall be considered as having been filed simultaneously. However, nothing herein shall be construed to prevent the state board of land commissioners from accepting and considering applications for new leases at any time.

(910) In case improvements have been made on land while under lease which is expiring, and the former lessee is not the successful bidder, but the land is leased to another, the amount of such improvements shall be paid to the former lessee. The following shall be considered improvements: plowing done within one (1) year, provided no crop has been raised on the plowed land after such plowing, fencing, buildings, cisterns, wells, growing crops and any other asset which shall be considered an improvement by the director.

(101) Commercial leases of the state lands shall not be subject to the conflict auction provisions of section 58-310, Idaho Code. The board
may, at its discretion, consider individual applications or call for proposals and sealed bids by public advertisement, and may evaluate said proposals and award the lease to the bidder whose proposal achieves the highest return over the term of the lease and who is capable of meeting such terms and conditions as may be set by the board; in the alternative, the board may call for lease applications by public advertisement and if more than one (1) person files an application to hold an auction in the same manner as provided in section 58-310, Idaho Code. In all cases, the board must obtain a reasonable rental, based upon fair market value of the state land, throughout the duration of the lease. The board may reject any or all proposals and any or all bids, and may reoffer the lease at a later date if the board determines that the proposals or bids do not achieve the highest and best use of the land at market rental.

Electors of the districts may approve continuation of such levy for an additional ten (10) years at an election held for that purpose. There is no limit on the number of elections which may be held for the purpose of continuing the levy authorized under this subsection (3) for an additional ten (10) years. (6) Except for geothermal, oil and gas, mineral and commercial leases, the lease year shall run from January 1 through December 31, and all leases shall expire on December 31 of the year of expiration.

(7) All applications to lease or to renew an existing lease which expires December 31 of any year, shall be filed in the office of the director of the department of lands by the thirtieth day of April preceding the date of such expiration. Such applications will be considered by the state land board and be disposed of in the manner provided by law; except that the board may reject conflicting applications for a lease for commercial purposes if the lessee exercises the preference right to renew clause, and provided such right is specified in the lease.

(8) Where conflicts appear upon leases, except for mineral leases which, pursuant to chapter 7, title 47, Idaho Code, contain a preferenc-
tial right to renew clause, such applications shall be considered as having been filed simultaneously. However, nothing herein shall be construed to prevent the state board of land commissioners from accepting and considering applications for new leases at any time.

(9) In case improvements have been made on land while under lease which is expiring, and the former lessee is not the successful bidder, but the land is leased to another, the amount of such improvements shall be paid to the former lessee. The following shall be considered improvements: plowing done within one (1) year, provided no crop has been raised on the plowed land after such plowing, fencing, buildings, cisterns, wells, growing crops and any other asset which shall be considered an improvement by the director.

(10) Commercial leases of the state lands shall not be subject to the conflict auction provisions of section 58-310, Idaho Code. The board may, at its discretion, consider individual applications or call for proposals and sealed bids by public advertisement, and may evaluate said proposals and award the lease to the bidder whose proposal achieves the highest return over the term of the lease and who is capable of meeting such terms and conditions as may be set by the board; in the alternative, the board may call for lease applications by public advertisement and if more than one (1) person files an application to hold an auction in the same manner as provided in section 58-310, Idaho Code. In all cases, the board must obtain a reasonable rental, based upon fair market value of the state land, throughout the duration of the lease. The board may reject any or all proposals and any or all bids, and may reoffer the lease at a later date if the board determines that the proposals or bids do not achieve the highest and best use of the land at market rental.

The provisions of chapter 26, title 55, Idaho Code, shall not apply to state outdoor sport shooting ranges.
(2) The legislature finds that state outdoor sport shooting ranges should be subject to uniform noise standards as specified in this section.
(3) The noise emitted from a state outdoor sport shooting range shall not exceed an Leq(h) of sixty-four (64) dBA.
(4) Sound pressure measurements shall be made twenty (20) feet from the nearest existing occupied residence, school, hotel, motel, hospital or church and in a location directly between the range and the nearest existing occupied residence, school, hotel, motel, hospital or church. If there are natural or artificial obstructions that prevent an accurate noise measurement, the measurement may be taken within an additional twenty (20) feet radius from the initial measurement location. If access to such location is not available, then sound pressure measurements shall be made at the range property line in a location directly between the range and the nearest existing occupied residence, school, hotel, motel, hospital or church.

puted on the value of the claimant's partial ownership. "Partial ownership," for the purposes of this section, means any one (1) person's ownership when property is owned by more than one (1) person or where the homestead is held by an entity, as set forth in this subsection, but more than one (1) person has the right of occupancy of such homestead. The combined community property interests of both spouses shall not be considered partial ownership so long as the combined community property interests constitute the entire ownership of the homestead, including where the spouses are occupying a homestead owned by an entity, as set forth in this subsection, and the spouses have the primary right of occupancy of the homestead. The proportional reduction required under this subsection shall not apply to community property interests. Where title to property was held by a person who has died without timely filing a claim for property tax reduction, the estate of the deceased person shall be the "owner," provided that the time periods during which the deceased person held such title shall be attributed to the estate for the computation of any time periods under subsection (8)(a) or (8)(b) of this section.

(b) Notwithstanding the provisions of paragraph (a) of this subsection, the property upon which the claimant makes application shall be deemed to be the claimant's primary dwelling place if the claimant is otherwise qualified and resides in a care facility and does not allow the property upon which the claimant has made application to be occupied by persons paying a consideration to occupy the dwelling. Payment of utilities shall not be payment of a consideration to occupy the dwelling. CHAPTER 118
(H.B. No. 545)

AN ACT
RELATING TO ANNEXATION; AMENDING SECTION 50-222, IDAHO CODE, TO REVISE ANNEXATION CATEGORIES, TO REVISE THE EVIDENCE OF CONSENT TO ANNEXATION, TO REVISE PROCEDURES FOR EVIDENCE OF CONSENT FOR CATEGORY C ANNEXATIONS AND TO MAKE TECHNICAL CORRECTIONS.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 50-222, Idaho Code, be, and the same is hereby amended to read as follows:

50-222. ANNEXATION BY CITIES. (1) Legislative intent. The legislature hereby declares and determines that it is the policy of the state of Idaho that cities of the state should be able to annex lands which are reasonably necessary to assure the orderly development of Idaho's cities in order to allow efficient and economically viable provision of tax-supported and fee-supported municipal services, to enable the orderly development of private lands which benefit from the cost-effective availability of municipal services in urbanizing areas and to equitably allocate the costs of public services in management of development on the urban fringe.

(2) General authority. Cities have the authority to annex land into a city upon compliance with the procedures required in this section. In any annexation proceeding, all portions of highways lying wholly or partially within an area to be annexed shall be included within the area annexed unless expressly agreed between the annexing city and the governing board of the highway agency providing road maintenance at the time of annexation. Provided further, that said city council shall not have the power to declare such land, lots or blocks a part of said city if they will be connected to such city only by a shoestring or strip of land which comprises a railroad or highway right-of-way.

(3) Annexation classifications. Annexations shall be classified and processed according to the standards for each respective category set forth herein. The three (3) categories of annexation are:

(a) Category A: Annexations wherein:

(i) All private landowners raise no objection have consented to annexation; or annexations of. Annexation where all landowners have consented may extend beyond the city area of impact provided that the land is contiguous to the city and that the comprehensive plan includes the area of annexation;

(ii) Any residential enclaved lands of less than one hundred (100) privately-owned parcels, irrespective of surface
area, which are surrounded on all sides by land within a city or which are bounded on all sides by lands within a city and by the boundary of the city's area of impact: or

(iii) The lands are those for which owner approval must be given pursuant to subsection (5)(b)(v) of this section— or which are bounded on all sides by lands within a city and by the boundary of the city's area of impact.

(b) Category B: Annexations wherein:

(i) The subject lands contain less than one hundred (100) separate private ownerships and platted lots of record and where not all such landowners have consented to annexation; or

(ii) The subject lands contain more than one hundred (100) separate private ownerships and platted lots of record and where landowners owning more than fifty percent (50%) of the area of the subject private lands have evidenced—their consented to annexation at-the-outset prior to the commencement of the annexation process; or

(iii) The lands are the subject of a development moratorium or a water or sewer connection restriction imposed by state or local health or environmental agencies; provided such lands shall not be counted for purposes of determining the number of separate private ownerships and platted lots of record aggregated to determine the appropriate category.

(c) Category C: Annexations wherein the subject lands contain more than one hundred (100) separate private ownerships and platted lots of record and where landowners owning more than fifty percent (50%) of the area of the subject private lands have not evidenced— their consented to annexation at-the-outset prior to commencement of the annexation process.

(4) Evidence of consent to annexation. For purposes of this section, prior consent to annex shall be deemed—given valid only when evidenced by written authorization—or-approval instrument executed by the owner or the owner's authorized agent. Consent shall be implied for the area of all lands connected to a water or wastewater collection system operated by the city and—for-lands-subject-to-a-written-consent-to-annex recorded-in-the-county-recorder's-office only if the connection was requested or completed prior to July 1, 2008. Written consent to annex lands, if must be recorded in the county recorder's office; shall to be binding upon subsequent purchasers, heirs, or assigns of lands addressed in the consent. Lands need not be contiguous or adjacent to the city limits at the time the landowner consents to annexation for the property to be subject to a valid consent to annex; provided however, no annexation of lands shall occur, irrespective of consent, until such land becomes contiguous or adjacent to such city.

(5) Annexation procedures. Annexation of lands into a city shall follow the procedures applicable to the category of lands as established by this section. The implementation of any annexation proposal wherein the city council determines that annexation is appropriate shall be concluded with the passage of an ordinance of annexation.

(a) Procedures for category A annexations: Lands lying contiguous or adjacent to any city in the state of Idaho may be annexed by the city if the proposed annexation meets the requirements of category A. Upon determining that a proposed annexation meets such requirements, a city may initiate the planning and zoning procedures set
forth in chapter 65, title 67, Idaho Code, to establish the comprehensive planning policies, where necessary, and zoning classification of the lands to be annexed.

(b) Procedures for category B annexations: A city may annex lands that would qualify under the requirements of category B annexation if the following requirements are met:

(i) The lands are contiguous or adjacent to the city and lie within the city's area of city impact;
(ii) The land is laid off into lots or blocks containing not more than five (5) acres of land each, whether the same shall have been or shall be laid off, subdivided or platted in accordance with any statute of this state or otherwise, or whenever the owner or proprietor or any person by or with his authority has sold or begun to sell off such contiguous or adjacent lands by metes and bounds in tracts not exceeding five (5) acres, or whenever the land is surrounded by the city. Splits of ownership which occurred prior to January 1, 1975, and which were the result of placement of public utilities, public roads or highways, or railroad lines through the property shall not be considered as evidence of an intent to develop such land and shall not be sufficient evidence that the land has been laid off or subdivided in lots or blocks. A single sale after January 1, 1975, of five (5) acres or less to a family member of the owner for the purpose of constructing a residence shall not constitute a sale within the meaning of this section. For purposes of this section, "family member" means a natural person or the spouse of a natural person who is related to the owner by blood, adoption or marriage within the first degree of consanguinity;
(iii) Preparation and publication of a written annexation plan, appropriate to the scale of the annexation contemplated, which includes, at a minimum, the following elements:
   (A) The manner of providing tax-supported municipal services to the lands proposed to be annexed;
   (B) The changes in taxation and other costs, using examples, which would result if the subject lands were to be annexed;
   (C) The means of providing fee-supported municipal services, if any, to the lands proposed to be annexed;
   (D) A brief analysis of the potential effects of annexation upon other units of local government which currently provide tax-supported or fee-supported services to the lands proposed to be annexed; and
   (E) The proposed future land use plan and zoning designations, subject to public hearing, for the lands proposed to be annexed;
(iv) Compliance with the notice and hearing procedures governing a zoning district boundary change as set forth in section 67-6511, Idaho Code, on the question of whether the property should be annexed and, if annexed, the zoning designation to be applied thereto; provided however, the initial notice of public hearing concerning the question of annexation and zoning shall be published in the official newspaper of the city and mailed by first class mail to every property owner with lands included
in such annexation proposal not less than twenty-eight (28) days prior to the initial public hearing. All public hearing notices shall establish a time and procedure by which comments concerning the proposed annexation may be received in writing and heard and, additionally, public hearing notices delivered by mail shall include a one (1) page summary of the contents of the city's proposed annexation plan and shall provide information regarding where the annexation plan may be obtained without charge by any property owner whose property would be subject to the annexation proposal.

(v) In addition to the standards set forth elsewhere in this section, annexation of the following lands must meet the following requirements:

(A) Property, owned by a county or any entity within the county, that is used as a fairgrounds area under the provisions of chapter 8, title 31, Idaho Code, or chapter 2, title 22, Idaho Code, must have the consent of a majority of the board of county commissioners of the county in which the property lies; and
(B) Property, owned by a nongovernmental entity, that is used to provide outdoor recreational activities to the public and that has been designated as a planned unit development of fifty (50) acres or more and does not require or utilize any city services must have the express written permission of the nongovernmental entity owner.

(vi) After considering the written and oral comments of property owners whose land would be annexed and other affected persons, the city council may proceed with the enactment of an ordinance of annexation and zoning. In the course of the consideration of any such ordinance, the city must make express findings, to be set forth in the minutes of the city council meeting at which the annexation is approved, as follows:

(A) The land to be annexed meets the applicable requirements of this section and does not fall within the exceptions or conditional exceptions contained in this section;
(B) The annexation would be consistent with the public purposes addressed in the annexation plan prepared by the city;
(C) The annexation is reasonably necessary for the orderly development of the city;

(vii) Notwithstanding any other provision of this section, railroad right-of-way property may be annexed pursuant to this section only when property within the city adjoins or will adjoin both sides of the right-of-way.

(c) Procedures for category C annexations: A city may annex lands that would qualify under the requirements of category C annexation if the following requirements are met:

(i) Compliance with the procedures governing category B annexations; and
(ii) Evidence of consent to annexation based upon the following procedures:

(A) Following completion of all procedures required for consideration of a category B annexation, but prior to enactment of an annexation ordinance and upon an affirm-
tive action by the city council, the city shall mail notice to all private landowners owning lands within the area to be annexed, exclusive of the owners of lands that receive water or sewer service and owners of lands that are subject to a recorded consent to annex which complies with subsection (4) of this section defining consent. Such notice shall invite property owners to either give written consent or express written opposition to the annexation, include a description of how that consent or opposition can be made and where it can be filed, and inform the landowners where the entire record of the subject annexation may be examined. Such mailed notice shall also include a legal description of the lands proposed for annexation and a simple map depicting the location of the subject lands.

(B) Each landowner desiring to consent to or oppose the proposed annexation must submit the consent or opposition in writing to the city clerk by a date specified in the notice, which date shall not be sooner later than twenty-one (21) forty-five (45) days after the date of the mailing of such notice.

(C) After the date specified in the notice for receipt of written consent, or opposition, the city clerk shall compile and present to the city council a report setting forth: (i) the total physical area sought to be annexed, and (ii) the total physical area of the lands, as expressed in acres or square feet, whose owners have newly consented in writing to the annexation, plus the area of all lands receiving water or sewer service from the city and the area of all lands subject to a recorded prior consent to annex. Objections received after the conclusion of the twenty-one (21)-day-period shall not be considered unless the late objection is due to the city’s failure to follow the procedures provided herein. Objections received from owners of lands subject to a recorded consent to annex, or from owners receiving water or sewer service from the city, shall not be considered objections for purposes of this section which complies with subsection (4) of this section defining consent. The clerk shall immediately report the results to the city council.

(D) Upon receiving such report, the city council shall review the results and may thereafter confirm whether consent was received from the owners of a majority of the land areas and those providing written consent, in addition to all lands subject to the implied consent provisions set forth herein and those subject to consent of record in the office of the county recorder. The results of the report shall be reflected in the minutes of the city council. If the report as accepted by the city council confirms that owners of more a majority of the land area have consented to annexation, the city council may enact an ordinance of annexation, which thereafter shall be published and become effective according to the terms of the ordinance. If the
report confirms that owners of more a majority of the land area oppose have not consented to the annexation, than consent—to—such—annexation; the category C annexation shall not be authorized.

(6) The decision of a city council to annex and zone lands as a category B or category C annexation shall be subject to judicial review in accordance with the procedures provided in chapter 52, title 67, Idaho Code, and pursuant to the standards set forth in section 67-5279, Idaho Code. Any such appeal shall be filed by an affected person in the appropriate district court no later than twenty-eight (28) days after the date of publication of the annexation ordinance. All cases in which there may arise a question of the validity of any annexation under this section shall be advanced as a matter of immediate public interest and concern, and shall be heard by the district court at the earliest practicable time.

(7) Annexation of noncontiguous municipal airfield. A city may annex land that is not contiguous to the city and is occupied by a municipally owned or operated airport or landing field. However, a city may not annex any other land adjacent to such noncontiguous facilities which is not otherwise annexable pursuant to this section.

SECTION 1. That Section 33-5502, Idaho Code, be, and the same is hereby amended to read as follows:
33-5502. CREATION -- LEGISLATIVE FINDINGS -- GOAL. (1) There is hereby created within the state department of education the Idaho digital learning academy, a public school-choice learning environment which joins the best technology with the best instructional practices. The Idaho digital learning academy as provided for in this chapter, is not a single department of state government unto itself, nor is it a part of any of the twenty (20) departments of state government authorized by section 20, article IV, of the constitution of the state of Idaho, or of the departments prescribed in section 67-2402, Idaho Code. It is legislative intent that the Idaho digital learning academy operate and be recognized not as a state agency or department, but as a governmental entity whose creation has been authorized by the state, much in the manner as other single purpose districts.

(2) The legislature finds that it is in the best public interest to create the Idaho digital learning academy based on findings that indicate:

(a) Technology continues to impact all facets of life, including the education of students of school age and adult learners;
(b) Systems for delivery of education are as diverse as the learners;
(c) Public school systems are seeking high quality educational choices within the public system, and are aligning curriculum and assessment with state achievement standards; and
(d) The development of a comprehensive digital learning environment is cost prohibitive for individual school districts.

(3) The goal of the digital learning academy is to provide choice, accessibility, flexibility, quality and equity in curricular offerings for secondary students in this state.

One (1) superintendent shall be elected from among the superintendents in regions one and two on a rotating term basis between the two (2) regions; one (1) superintendent shall be elected from among the superintendents in regions three and four on a rotating term basis between the two (2) regions; and one (1) superintendent shall be elected from among the superintendents in regions five and six on a rotating term basis between the two (2) regions;
(b) Two members shall be high school principals, each elected to a three (3) year term by the governing body of the Idaho association of secondary school administrators;
(c) Two members shall be citizens at-large who are not professional educators, appointed by the members of the academy board, each to a term of three (3) years; and
(d) The state superintendent of public instruction shall be a voting member and shall serve concurrently with the term of office to which the state superintendent is elected;

(e) Two (2) members shall be ex officio, nonvoting members, (i) the state superintendent of public instruction who shall serve concurrently with the term of office to which the state superintendent is elected, and (ii) a member appointed by the academy board of directors to serve as secretary to the academy board.

(3) For purposes of establishing staggered terms of office, the initial term of office for the superintendent position representing educational classification regions one and two shall be one (1) year, and thereafter shall be three (3) years. The initial term of office for the superintendent position representing educational classification regions three and four shall be two (2) years, and thereafter shall be three (3) years. The superintendent position representing educational classification regions five and six shall be three (3) years. The initial term of office for one (1) high school principal position shall be one (1) year and thereafter shall be three (3) years, and the initial term of office for the other high school principal position shall be two (2) years and thereafter shall be three (3) years. The initial term of office for one (1) member at-large shall be one (1) year and thereafter shall be three (3) years, and the term of office for the other member at-large shall be three (3) years.

(4) No voting member shall serve for more than two (2) consecutive full terms. Members of the board who are appointed to fill vacancies which occur prior to the expiration of a former member's full term shall serve the unexpired portion of such term.

(5) The board shall meet in person at least three (3) times annually; none of these three (3) meetings shall be conducted by telephone or video conferencing.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Chapter 83, Title 18, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW SECTION, to be known and designated as Section 18-8331, Idaho Code, and to read as follows:

18-8331. ADULT CRIMINAL SEX OFFENDERS -- PROHIBITED GROUP DWELLING -- EXCEPTIONS. (1) Except as otherwise provided in this section, when a person is required to register pursuant to this chapter, that person may not reside in any residential dwelling unit with more than one (1) other person who is also required to register pursuant to this chapter. If, on the effective date of this section, any person required to register pursuant to this chapter, is legally residing in a residential dwelling unit with more than one (1) other person required to so register, the person may continue to reside in that residential dwelling unit without violating the provisions of this section, provided that no additional persons so required to register shall move into that residential dwelling unit if the person moving in would be in violation of this section.

(2) For purposes of this section:
(a) "Reside" and "residing" mean occupying the residential dwelling unit as a fixed place of abode or habitation for any period and to
which place the person has the intention of returning after a departure or absence therefrom regardless of the duration of absence.

(b) "Residential dwelling unit" includes, but is not limited to, single family dwellings and units in multifamily dwellings including units in duplexes, apartment dwellings, mobile homes, condominiums and townhouses in areas zoned as residential. For the purposes of this section a state or federally licensed health care or convalescent facility is not a residential dwelling unit.

(3) (a) A judge of the district court may, upon petition and after an appropriate hearing, authorize a person required to register pursuant to this chapter, to reside in a residential dwelling unit with more than one (1) other person who is also required to register pursuant to this chapter, if the judge determines that:

(i) Upon clear and convincing evidence that not doing so would deprive the petitioner of a constitutionally guaranteed right; and

(ii) That such right is more compelling under the facts of the case than is the interest of the state and local government in protecting neighboring citizens, including minors, from risk of physical or psychological harm. Such risk of harm shall be presumed absent clear and convincing evidence to the contrary given the applicant's status as a person required to register pursuant to this chapter;

(b) Any exception allowed under this section shall be limited to alleviate only a deprivation of constitutional right which is more compelling than the interest of the state and local government in minimizing the risk of harm to the neighboring citizens;

(c) Any order of exception under this section shall be made a part of the registry maintained pursuant to this chapter.

(4) Any city or county may establish standards for the establishment and operation of residential houses for registered sex offenders which exceed the number of registered sex offenders allowed to reside in a residential dwelling unit under subsection (1) of this section. Applicable standards shall include establishing procedures to allow comment of neighboring residents within a specified distance, and may include, but are not limited to:

(a) Designating permissible zones in which such houses may be located;

(b) Designating permissible distances between such houses;

(c) Designating the maximum number of registered sex offenders allowed to reside in such houses;

(d) Designating qualifications and standards for supervision and care of such houses and the residents;

(e) Designating requirements and procedures to qualify as the operator of such houses, including any requirement that the residents be engaged in treatment or support programs for sex offenders and related addiction treatment or support programs; and

(f) Designating any health and safety requirements which are different than those applicable to other residential dwelling units in the zone.

(5) No person or entity shall operate a residence house for registered sex offenders in violation of the limitations of subsection (1) of this section except as otherwise provided under subsection (4) of this section. If, on the effective date of this section, any individual or
entity is operating an existing residence house for persons required to register pursuant to this chapter, and when such individual or entity also requires such persons to be participants in a sex offender treatment or support program such individual or entity shall not be precluded from continuing to operate such residence house, provided that:

(a) The residence house shall not operate at a capacity exceeding eight (8) residents in the dwelling unit and two (2) residents per bedroom, or the existing number of residents, whichever is less;

(b) Once the governing city or county enacts an ordinance pursuant to subsection (4) of this section establishing standards for the operation of a residence house for sex offenders, the operator of the residence house shall, no later than one (1) year after enactment of the ordinance, comply with all standards of the ordinance, except any requirement that is less than the maximum capacity provided for under subsection (5)(a) of this section or which requires a relocation of the residence;

(c) The burden of proving that an existing residence house qualifies for continuing operation under this subsection shall be upon the operator of the residence house;

(d) Any change in the use of an existing residence house shall void the exception for the continuing operation of the house under the provisions of this section.

(6) If any person required to register pursuant to this chapter, is on parole or probation under the supervision of the Idaho department of correction, the department shall be notified by the person or the person's agent of any intent to reside with another person required to register under this chapter. The department must approve the living arrangement in advance as consistent with the terms of the parole or probation, and consistent with the objective of reducing the risk of recidivism. The department shall establish rules governing the application of this subsection.

(7) Any person who knowingly and with intent violates the provisions of this section is guilty of a misdemeanor.

(8) Any city or county is entitled to injunctive relief against any person or entity operating a residence house within its jurisdiction in violation of this section.

SECTION 2. An emergency existing therefor, which emergency is hereby declared to exist, this act shall be in full force and effect on and after its passage and approval.

Approved March 17, 2008.

46-804. MILITARY DIVISION RULES. Those individuals meeting the requirements for initial licensure in Idaho, pursuant to the provisions of this chapter and the rules of the board, shall be issued a license effective for no more than twelve (12) months. The license shall then be subject to annual renewal.

(b) Renewal. The board shall collect an annual license fee from all licensees each year as set forth in section 54-212, Idaho Code, and as prescribed by the rules of the board. Those persons meeting the requirements of this subsection for license renewal shall be issued a license effective for a period of one (1) year after its issuance. Requirements include:

(iii) Identification, in the renewal application, of the firm with which the licensee is affiliated; and
(iv) Where applicable, verification of satisfactory completion of a peer review program by the firm with which the licensee is affiliated, pursuant to section 54-214, Idaho Code, and the rules prescribed by the board. Any licensee who issues compilation reports for the public other than through a firm must undergo no more frequently than once every three (3) years, a peer review conducted in accordance with rules prescribed by the board, and such review shall include verification that such licensee has met the competency requirements set out in professional standards for such service.

(c) Inactive status. (5) Firms which fall out of compliance with the provisions of this section due to changes in firm ownership or personnel, after registration, shall take corrective action to bring the firm back into compliance as quickly as possible. The board may grant a reasonable period of time for a firm to take such corrective action. The manufacturer or seller of the fertilizer may, upon written request, obtain from the department a portion of the sample(s) in question. If he fails to agree with the analyses of the department, he may request an umpire who shall be one (1) of a list of not less than three (3) public analysts of recognized ability in fertilizer analyses, who shall be named by the department. The umpire analyses shall be made at the expense of the manufacturer or seller requesting the same. AN ACT
RELATING TO BANKING; REPEALING SECTION 26-307, IDAHO CODE, RELATING TO ADDITION TO CAPITAL STRUCTURE OF BANK, AND SECTION 26-603, IDAHO CODE, RELATING TO AUTHORITY OF THE DIRECTOR OF THE DEPARTMENT OF FINANCE REGARDING RESERVES; AMENDING SECTION 19-5304, IDAHO CODE, TO REVISE THE DEFINITION OF "VICTIM"; AMENDING SECTION 26-201, IDAHO CODE, TO PROVIDE FOR CONTROL OF THE BANK ACT OVER OTHER DESIGNATED LAWS; AMENDING SECTION 26-203, IDAHO CODE, TO REMOVE A RECORDING REQUIREMENT; AMENDING SECTION 26-601, IDAHO CODE, TO REMOVE CERTAIN RESERVE REQUIREMENTS AND TO REVISE THE BANKS THAT ARE SUBJECT TO CERTAIN RESERVE REQUIREMENTS; AMENDING SECTION 26-602, IDAHO CODE, TO REVISE TERMINOLOGY AND TO MAKE A TECHNICAL CORRECTION; AMENDING SECTION 26-702, IDAHO CODE, TO REMOVE RESTRICTIONS ON REDEEMED OR OTHERWISE PURCHASED PORTION OF A BANK'S OWN CAPITAL STOCK AND TO PROVIDE FOR REDEMPTION OR PURCHASE OF A BANK'S OWN CAPITAL STOCK FOR SPECIFIED PURPOSES; AND AMENDING SECTION 26-708, IDAHO CODE, TO REVISE A CODE REFERENCE.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Sections 26-307 and 26-603, Idaho Code, be, and the same are hereby repealed.

SECTION 2. That Section 19-5304, Idaho Code, be, and the same is hereby amended to read as follows:
19-5304. RESTITUTION FOR CRIME VICTIMS -- ORDERS TO BE SEPARATE -- WHEN RESTITUTION IS NOT APPROPRIATE -- OTHER REMEDIES -- EVIDENTIARY HEARINGS -- DEFINITIONS. (1) As used in this chapter:

(a) "Economic loss" includes, but is not limited to, the value of property taken, destroyed, broken, or otherwise harmed, lost wages, and direct out-of-pocket losses or expenses, such as medical expenses resulting from the criminal conduct, but does not include less tangible damage such as pain and suffering, wrongful death or emotional distress.

(b) "Found guilty of any crime" shall mean a finding by a court that a defendant has committed a criminal act and shall include an entry of a plea of guilty, an order withholding judgment, suspending sentence, or entry of judgment of conviction for a misdemeanor or felony.

(c) "Value" shall be as defined in section 18-2402(11), Idaho Code.

(d) "Property" shall be as defined in section 18-2402(8), Idaho Code.

(e) "Victim" shall mean:

(i) The directly injured victim which means a person or entity, who suffers economic loss or injury as the result of the defendant's criminal conduct and shall also include the immediate family of a minor and the immediate family of the actual victim in homicide cases;

(ii) Any health care provider who has provided medical treatment to a directly injured victim if such treatment is for an injury resulting from the defendant's criminal conduct, and who has not been otherwise compensated for such treatment by the directly injured victim or the immediate family of the directly injured victim;

(iii) The account established pursuant to the crime victims compensation act, chapter 10, title 72, Idaho Code, from which payment was made to or on behalf of a directly injured victim pursuant to the requirements of Idaho law as a result of the defendant's criminal conduct;

(iv) A person or entity who suffers economic loss because such person or entity has made payments to or on behalf of a directly injured victim pursuant to a contract including, but not limited to, an insurance contract, or payments to or on behalf of a directly injured victim to pay or settle a claim or claims against such person or entity in tort or pursuant to statute and arising from the crime.

(2) Unless the court determines that an order of restitution would be inappropriate or undesirable, it shall order a defendant found guilty of any crime which results in an economic loss to the victim to make restitution to the victim. An order of restitution shall be a separate written order in addition to any other sentence the court may impose, including incarceration, and may be complete, partial, or nominal. The court may also include restitution as a term and condition of judgment of conviction; however, if a court orders restitution in the judgment of conviction and in a separate written order, a defendant shall not be required to make restitution in an amount beyond that authorized by this chapter. Restitution shall be ordered for any economic loss which the victim actually suffers. The existence of a policy of insurance covering
the victim’s loss shall not absolve the defendant of the obligation to pay restitution.

(3) If the court determines that restitution is inappropriate or undesirable or if only partial or nominal restitution is ordered, it shall enter an order articulating the reasons therefor on the record.

(4) If a separate written order of restitution is issued, an order of restitution shall be for an amount certain and shall be due and owing at the time of sentencing or at the date the amount of restitution is determined, whichever is later. An order of restitution may provide for interest from the date of the economic loss or injury.

(5) The court may order the defendant to pay restitution to the victim in any case, regardless of whether the defendant is incarcerated or placed on probation. The court may order the defendant to pay all or part of the restitution ordered to the court to be distributed by the court to the victims in a manner the court deems just.

(6) Restitution orders shall be entered by the court at the time of sentencing or such later date as deemed necessary by the court. Economic loss shall be based upon the preponderance of evidence submitted to the court by the prosecutor, defendant, victim or presentence investigator. Each party shall have the right to present such evidence as may be relevant to the issue of restitution, and the court may consider such hearsay as may be contained in the presentence report, victim impact statement or otherwise provided to the court.

(7) The court, in determining whether to order restitution and the amount of such restitution, shall consider the amount of economic loss sustained by the victim as a result of the offense, the financial resources, needs and earning ability of the defendant, and such other factors as the court deems appropriate. The immediate inability to pay restitution by a defendant shall not be, in and of itself, a reason to not order restitution.

(8) In determining restitution, where it appears that more than one person is responsible for a crime that results in economic loss to a victim, and one or more of the suspects or defendants are not found, apprehended, charged, convicted or ordered to pay restitution, the court may require the remaining defendant or defendants, who are convicted of or plead guilty to the crime, to be jointly and severally responsible for the entire economic loss to the victim.

(9) The court may, with the consent of the parties, order restitution to victims, and/or any other person or entity, for economic loss or injury for crimes which are not adjudicated or are not before the court.

(10) A defendant, against whom a restitution order has been entered, may, within forty-two (42) days of the entry of the order of restitution, request relief from the restitution order in accordance with the Idaho rules of civil procedure relating to relief from final orders.

(11) An order of restitution shall not preclude the victim from seeking any other legal remedy.

(12) Every presentence report shall include a full statement of economic loss suffered by the victim or victims of the defendant’s crime or crimes.

(13) If there is more than one victim, the restitution order shall provide that the directly injured victim(s) be fully compensated for so much of the loss caused by the defendant’s criminal conduct which has not been paid by a third party, including persons referred to in subsection (1)(e)(ii), (iii) and (iv) of this section.
SECTION 3. That Section 26-201, Idaho Code, be, and the same is hereby amended to read as follows:

26-201. GENERAL CORPORATION LAWS APPLICABLE. Except as otherwise provided herein, the general business corporation laws of this state shall apply to all corporations organized and operating under the bank act. The articles may include a provision which eliminates or limits the personal liability of the directors of the bank in accordance with section 30-1-202, Idaho Code, provided that such provision shall not eliminate or limit the liability of a director under section 26-213(5), Idaho Code.

26-601. RESERVE. Said reserve shall be in cash in its vaults or held on deposit subject to check with any other bank or banks which shall have been approved by the director as reserve depositories and shall be computed biweekly in the following manner: on the basis of average daily net deposit balances and average daily cash in its vaults or held on deposit in reserve depositories subject to check during the prior biweekly period. Biweekly periods shall end at the close of business on days to be fixed by the director. Notwithstanding the above, upon an annual showing by a bank not a member of the Federal Reserve System, that it is subject to the reserve requirements of the Federal Reserve Act, the director may waive the reserve requirements of this act.

Any bank which is or becomes a member of the Federal Reserve System, organized under the laws of this state and authorized to receive deposits, shall comply with the reserve requirements of the Federal Reserve act.

SECTION 6. That Section 26-602, Idaho Code, be, and the same is hereby amended to read as follows:
26-602. DIMINUTION OF RESERVE. (1) When the reserve of any bank falls below the amount required by section 26-601, Idaho Code, for a biweekly reporting period, the bank shall immediately restore its reserve to the amount required by section 26-601, Idaho Code, and in addition:

(a) If a bank is deficient in reserve for two (2) nonconsecutive biweekly reporting periods in a calendar year, the bank shall pay to the department of finance at the end of the second biweekly reporting period a fine of three hundred dollars ($300).

(b) If a bank is deficient in reserves for three (3) nonconsecutive biweekly reporting periods in a calendar year, the bank shall pay to the department of finance at the end of the third biweekly reporting period a fine equal to five percent (5%) of the dollar amount by which it was deficient in reserves for the third biweekly reporting period or five hundred dollars ($500), whichever is greater.

(c) If a bank is deficient in reserves for more than three (3) nonconsecutive biweekly reporting periods or for two (2) or more consecutive reporting periods in a calendar year, the director shall proceed as provided in section 26-1115, Idaho Code. The bank shall not increase its loans or discounts until its reserve is fully restored and the director may by order set a minimum level of cash reserves which the bank must maintain until such time as the director has reason to believe that the bank will comply with the reserve requirements of section 26-601, Idaho Code.

After the expiration of six (6) months any such stock shall not be considered as a part of the assets of such bank.

(2) With the written approval of the director, a bank may redeem or otherwise purchase a portion shares of its own capital stock if the director finds that such redemption or purchase does not impair the capital structure of the bank as required by section 26-205, Idaho Code, is for legitimate corporate purposes and not for speculation, is not for an unreasonable price, does not conflict with the articles of incorporation or the bylaws of the bank, and is not otherwise detrimental to the bank or to the public interest; provided, however, (i) that a bank may not hold its capital stock so redeemed or purchased for a period longer than twelve (12) months from the date of such redemption or purchase; and (ii) a bank shall not retain at any one time a total number of shares of

RELATING TO REAL ESTATE; AMENDING SECTION 54-2016, IDAHO CODE, TO REVISE THE TIME IN WHICH CERTAIN BROKERS AND BRANCH MANAGERS ARE REQUIRED TO COMPLETE A COMMISSION-APPROVED BUSINESS CONDUCT AND OFFICE OPERATIONS COURSE; AMENDING SECTION 54-2022, IDAHO CODE, TO REVISE THE TIME IN WHICH CERTAIN LICENSE APPLICANTS ARE REQUIRED TO COMPLETE PRELICENSE REAL ESTATE COURSES, TO REVISE AN EXCEPTION AND TO MAKE TECHNICAL CORRECTIONS; AMENDING SECTION 54-2023, IDAHO CODE, TO REVISE THE TIME IN WHICH A LICENSEE MAY RETAKE CERTAIN COURSES FOR CONTINUING EDUCATION CREDIT AND TO PROVIDE THAT THE REAL ESTATE COMMISSION SHALL DETERMINE WHETHER CERTAIN COURSES ARE WITHIN APPROVED TOPIC AREAS ESTABLISHED BY THE COMMISSION; AMENDING SECTION 54-2027, IDAHO CODE, TO REQUIRE CERTIFIED COURSE PROVIDERS TO CREATE AND RETAIN CERTAIN STUDENT RECORDS FOR A DESIGNATED PERIOD OF TIME; AND AMENDING SECTION 54-2033, IDAHO CODE, TO PROVIDE FOR INSTRUCTOR TEACHING STANDARDS.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 54-2016, Idaho Code, be, and the same is hereby amended to read as follows:

54-2016. PRIMARY IDAHO LICENSES FOR LEGAL BUSINESS ENTITIES, SOLE PROPRIETORSHIPS AND BRANCH OFFICES -- ADDITIONAL REQUIREMENTS. (1) Legal business entities. Each legal business entity, as defined in section 54-2004, Idaho Code, shall be licensed by the Idaho real estate commission to engage in the real estate business in Idaho and shall make proper application, pay all required fees, and meet all requirements listed below.

(a) Each legal business entity shall have a properly licensed individual designated broker, who shall be held responsible for the activities of the licensed entity.

(b) The individual designated broker shall, within five three (53) years immediately prior to the designation, satisfactorily complete a commission-approved business conduct and office operations course.

(c) The individual designated broker shall also hold the following legal position within the licensed entity:

(i) Corporation -- an officer;

(ii) Partnership or limited partnership -- a general partner;

(iii) Limited liability company -- a member or manager.

The individual designated broker for any business entity shall have full authority to act on behalf of the licensed business entity, and shall submit sufficient and satisfactory proof thereof with the
application for license. Such proof shall include a list of the entity's officers, directors, members or managers, as reflected in the minutes, resolutions or other similar business documents of the entity. All acts of that individual as designated broker shall be considered acts of the licensed business entity. Nothing in this section is intended to create liability to a legal business entity for illegal or fraudulent acts by the individual broker performed solely on his own account.

d) A license issued to a legal business entity, as defined in this chapter, is effective only as long as the individual designated broker's license is in active status and in effect. If the individual so designated has a license refused, revoked, suspended or otherwise made inactive by the commission, or if the individual designated broker voluntarily surrenders the individual license or ceases to be connected with the entity in the manner required above, the business entity shall have ten (10) business days in which to designate another qualified individual as designated broker before the entity's license is terminated, and the licenses of all associated licensees are made inactive.

(e) One (1) individual may act as designated broker for more than one (1) licensed business entity, however, all entities shall have their main offices in the same physical location.

(f) Satisfactory proof of mandatory errors and omissions insurance shall be provided for both the individual designated broker and the licensed business entity.

(g) A legal business entity doing business under an assumed name shall provide satisfactory proof of having legally filed a certificate of assumed name with the Idaho secretary of state.

2) Sole proprietorships. An individual designated broker not licensed with a legal business entity, as defined in section 54-2004, Idaho Code, shall be licensed as a sole proprietor. Each sole proprietorship seeking a real estate license shall meet all of the following requirements:

(a) A licensed sole proprietor doing business under an assumed business name shall provide satisfactory proof of having legally filed a certificate of assumed name with the Idaho secretary of state;

(b) Satisfactory proof of mandatory errors and omissions insurance shall be provided for the licensed designated broker of a sole proprietorship;

(c) The individual designated broker shall have satisfactorily completed a commission-approved business conduct and office operations course within five three (53) years immediately prior to the application for license.

3) Multiple business names prohibited. A legal business entity or sole proprietorship shall be licensed under only one (1) business name.

4) Branch offices. Each branch office in which trust funds and original transaction files are maintained shall be separately licensed in accordance with the following:

(a) The designated broker establishing the branch office shall submit an application, along with the required fee for the issuance or renewal of the branch office license.
(b) The designated broker shall designate in the application a branch manager, who shall be an associate broker and who, within five three (53) years immediately prior to the designation, shall have completed a commission-approved business conduct and office operations course, to regularly occupy and be responsible for the supervision of the branch office. Any salesperson acting as a branch manager on July 1, 2005, shall have until July 1, 2006, to obtain an associate broker's license. When a branch manager is a regular full-time employee or is engaged in a full-time activity at a location other than the place he is licensed to do business, a presumption will be made that the branch manager is unable to responsibly supervise the branch; provided however, the presumption may be overcome by evidence to the contrary which the commission determines to be satisfactory.

(c) A branch manager shall not be licensed to manage more than one branch office at a time.

(d) A license issued to a branch office is valid and in effect only as long as the license of the designated broker remains in active status.

(e) No separate branch office license or manager is required for business locations other than the main office unless trust funds or original transaction records are kept at the branch.

(f) If a separate real estate trust account is maintained for a branch office, all records and related files for that account shall be maintained at the branch office.

(g) Each branch office or business location, whether separately licensed or not, shall conduct business only in the licensed name of the legal entity or sole proprietor.

SECTION 2. That Section 54-2022, Idaho Code, be, and the same is hereby amended to read as follows:

54-2022. REAL ESTATE EDUCATION -- PRELICENSE REQUIREMENTS. (1) Except as provided in section 54-2015, Idaho Code, an applicant seeking a primary Idaho license as a real estate salesperson, broker or associate broker shall furnish satisfactory proof to the commission that the applicant has successfully completed current commission-approved and accredited courses of real estate study as follows:

(a) Salesperson's license. For a salesperson's license, the applicant shall complete a total of ninety (90) classroom hours, or the equivalent in available correspondence hours;

Applicants seeking a broker's or associate broker's license shall, in addition to meeting the requirements for a salesperson's license, successfully complete four (4) specified courses in advanced real estate study, for a minimum of ninety (90) additional classroom hours, or the equivalent in available correspondence hours.

(2) Each applicant shall successfully complete all prelicense real estate courses within no more than five three (53) years prior to the date of the license application. However, upon written request for special consideration by the license applicant, the commission may waive or modify the five-year three-year requirement at its discretion, based on the applicant's experience or additional education. Each waiver request shall be submitted with a current certified license history from Idaho.
or the applicant's other licensing jurisdiction, which history shall indicate all disciplinary actions taken against the applicant's license and the status and standing of such license in such licensing state or jurisdiction, along with sufficient proof of education completion.

(3) To receive credit for prelicense real estate courses, a student must regularly attend and complete the course, and such course must meet all requirements set forth in section 54-2036, Idaho Code.

(4) No credit will be given for courses taken for audit.

(5) Credit for completion of approved prelicense education coursework will not be granted when the content of a course repeats that for which credit has been previously received.

(6) Upon written request from a license applicant, the commission may waive or modify one (1) or more prelicense course requirements based upon the applicant's satisfactory completion of similar real estate courses in Idaho or another state or jurisdiction. The request for waiver shall be accompanied by an official transcript from the institution that provided the course of instruction, along with a description of the subjects covered in the course and the number of classroom hours involved in the instruction. "Satisfactory completion" means the applicant regularly attended the course and received a final grade of "C" or better.

SECTION 3. That Section 54-2023, Idaho Code, be, and the same is hereby amended to read as follows:

54-2023. CONTINUING EDUCATION REQUIREMENTS. Each licensee applying to renew an Idaho real estate license on active status, and each Idaho licensee applying to change from inactive to active license status, shall successfully complete a commission core course, plus the required number of classroom hours of commission-approved or certified continuing education coursework as provided in this section.

(1) Required number of classroom hours. The required number of classroom hours is as follows:

(a) Renewing license on active status. A licensee renewing on active status must successfully complete a commission core course, plus sixteen (16) classroom hours of continuing education, on or before the current license expiration date.

(b) Change from inactive to active. Unless the licensee is within the initial licensing period, a licensee changing from inactive to active license status shall complete a commission core course, plus sixteen (16) classroom hours of continuing education, before he can change to active license status. Continuing education credit may be obtained for retaking the same broker prelicense course or challenge exam only if completed after five three (53) years of completing the previous course or challenge exam; or
   (e) Provide to the commission a transcript or course completion certificate of successful completion of any of the following courses without commission preapproval of the curriculum, instructors or providers:
      (i) Professional designation courses. Any course developed by national professional organizations that is required in order to earn professional designations from a national organization in specialized areas of licensed real estate practice;
      (ii) Courses accredited by another profession or jurisdiction. (d) Other compelling cause beyond the control of the applicant while engaged in the real estate business.

If such an extension is granted, the licensee shall receive a provisional license for a period of time not to exceed three (3) months. No further extension of time may be granted. A license issued or renewed after an extension of time has been granted shall retain the original license expiration date. Failure to satisfy the continuing education requirement within the time granted shall result in the automatic inactivation of the license.

SECTION 4. That Section 54-2027, Idaho Code, be, and the same is hereby amended to read as follows:

54-2027. DUTIES AND REQUIREMENTS OF ALL CERTIFIED COURSE PROVIDERS. Failure of a certified course provider to comply with the following duties and requirements shall be grounds for the commission to withdraw or cancel the provider's certification for cause.

(1) Discrimination prohibited. Each certified course provider shall at all times be in compliance with state and federal laws, rules and regulations regarding all aspects of equal opportunity and protection of civil rights. No course provider shall engage in discriminatory practices, nor allow their course instructor, or method of delivery to violate laws prohibiting discrimination. Each course provider will fully comply with any requirements of the Americans with disabilities act regarding access to and delivery of its courses, including the provision of accessible facilities and reasonable accommodations for students.

(2) Open access to course offerings. Registration and attendance at all certified courses offered for credit toward the education requirements of this chapter shall be open to all persons meeting normal course prerequisites; provided however, a certified course provider located in or affiliated with a licensed real estate brokerage company or professional association may refuse access to any licensee or unlicensed person based on that licensee's or unlicensed person's affiliation with another organization or brokerage company, or the licensee's or unlicensed person's membership status in any professional organization unless such course provider has received financial support from the commission for its particular course offering. Nothing in this section shall restrict a course provider from charging a separate and reasonable course fee to nonaffiliated or nonmember licensees or unlicensed persons.

(3) Disclosure of fees. All fees charged to a student by a course provider shall be specified separately in writing. If additional fees are charged for supplies, materials or books required for coursework, such fees shall be itemized by the provider and, upon payment of such fees, the supplies, materials or books shall become the property of the student. All fees and the manner in which they are to be paid shall be stated in a student contract, in a form approved by the commission. The student contract shall expressly include the provider's policy regarding the return of fees in the instance where the student is dismissed or voluntarily withdraws from the course.
(4) Facilities and supportive personnel. The provider shall provide the facilities and all supportive qualified personnel or approved proctors necessary to adequately implement its real estate program.

(5) Student records and other requirements. Each Idaho certified course provider shall comply with the following requirements:

(b) Course completion lists. Within five (5) working days after conclusion of each course of instruction, the provider shall submit to the council or commission an alphabetical list which shall include the names, addresses, and social security numbers or, if licensed, the license numbers, of the students completing the course of instruction, the name of the course, the name of the instructor, the number of hours included in the course, the date of the course and the location. The list shall be certified by the instructor from whom the students received instruction and an authorized representative of the provider;

(c) Grades. The provider will provide written notification to students who successfully or unsuccessfully complete a course within thirty (30) days of the course completion date;

(d) Evaluations. Upon the conclusion of each course, the provider shall collect written evaluations from students for the course and instructor, using an evaluation form approved by the commission. The provider shall keep such evaluations for a period of one (1) year from the course completion date. Upon written request from the commission, the provider shall submit either the student evaluations for the course and instructor, or a written summary of those evaluations using a form approved by the commission.

(e) Course schedules. Each provider shall submit schedules of courses and instructors as requested by the commission and submit changes promptly as they occur. Whenever there is a change in a course including, but not limited to, a change in curriculum, course length or instructor, the provider shall promptly notify the commission in writing of the change.

(6) Instructors. A certified provider may offer a continuing education elective course without obtaining approval or certification for the course instructor; provided however, the provider shall take reasonable steps to ensure that the instructor is competent to teach the course and shall maintain resumes or other biographical information that documents the qualifications of the instructor. The provider shall make such documentation available to the public and commission upon written request. A course provider shall not offer for credit any course that is being taught below the minimum teaching standards established by the commission or that is being taught in a manner that is detrimental to the purpose of educating licensees.

(7) Posting and recording fees. The commission may require that course providers pay to the commission a nonrefundable posting and recording fee to defray normal expenses incurred in maintaining the certificate program. The fee amount shall be established by the commission by motion.
(8) Advertising restrictions:
(a) Providers may advertise that they are currently certified by the commission, if current certification has been approved, but no such advertising may state or imply that the provider is an agency of the commission or the council;
(b) No course provider shall provide any information to the public or to prospective students which is misleading in nature. Information is misleading when, taken as a whole, there is distinct probability that it will deceive the persons whom it is intended to influence.
(9) Changes in certification. Certification shall be granted to the particular provider for the specific ownership, provider location, and named individual in charge as designated in the application for certification. Any changes in ownership, provider location, or provider name, or named individual in charge must be submitted for approval to the commission, at least one (1) month in advance of the effective date of the proposed changes.

SECTION 5. That Section 54-2033, Idaho Code, be, and the same is hereby amended to read as follows:

54-2033. INSTRUCTOR QUALIFICATIONS. (1) Qualified instructors at degree-granting institutions. A qualified or full-time instructor or professor of an accredited college or university in any state or jurisdiction and who teaches real estate-related courses is deemed to be an approved instructor of such courses, in Idaho, for the purposes of this chapter.
(2) Other instructor applicants. All other individuals wishing to teach any real estate courses for credit toward Idaho prelicense requirements, including the business conduct and office operations course, or the commission continuing education core course requirements must first meet the following additional qualifications and receive separate certification for each course to be taught:
(a) Unless this requirement is waived upon special review of the commission in the manner stated below, no individual instructor seeking certification may have had a real estate or other professional or occupational license suspended or revoked for disciplinary reasons or have been refused a renewal of a license issued by the state of Idaho or any other state or jurisdiction. Further, the individual may not have been convicted, issued any fine, placed on probation, received a withheld judgment, or completed any sentence of confinement for or on account of any felony, or any misdemeanor involving fraud, misrepresentation, or dishonest or dishonorable dealing, in a court of proper jurisdiction. The failure of a certified instructor to maintain the qualifications required by this subsection shall be grounds for the commission to withdraw or cancel the instructor's certificate as provided in section 54-2025(3), Idaho Code.
(b) Each applicant for certification shall also:
(i) Submit a completed application for instructor certification in the form and manner required by the commission, with all required fees;

SECTION 2. That Section 30-14-412, Idaho Code, be, and the same is hereby amended to read as follows:

30-14-412. DENIAL, REVOCATION, SUSPENSION, WITHDRAWAL, RESTRICTION, CONDITION OR LIMITATION OF REGISTRATION. (a) Disciplinary conditions -- Applicants. If the administrator finds that the order is in the public interest and subsection (d) of this section authorizes the action, an order issued under this chapter may deny an application, or may condition or limit registration of an applicant to be a broker-dealer, agent, investment adviser or investment adviser representative, and, if the applicant is a broker-dealer or investment adviser, of or a partner, officer, director or person having a similar status or performing similar functions, or a person directly or indirectly in control, of the broker-dealer or investment adviser.

(b) Disciplinary conditions -- Registrants. If the administrator finds that the order is in the public interest and subsection (d) of this section authorizes the action, an order issued under this chapter may revoke, suspend, condition or limit the registration of a registrant and, if the registrant is a broker-dealer or investment adviser, of or a partner, officer, director or person having a similar status or performing similar functions, or a person directly or indirectly in control, of the broker-dealer or investment adviser. Provided however, the administrator may not:

(1) Institute a revocation or suspension proceeding under this subsection based on an order issued under a law of another state that is reported to the administrator or a designee of the administrator more than one (1) year after the date of the order on which it is based; or

(2) Under subsection (d)(5)(A) or (B) of this section, issue an order on the basis of an order issued under the securities act of another state unless the other order was based on conduct for which subsection (d) of this section would authorize the action had the conduct occurred in this state.

(c) Disciplinary penalties -- Registrants. If the administrator finds that the order is in the public interest and subsections (d)(1) through (6), (8), (9), (10), (12) or (13) of this section authorizes the action, an order under this chapter may censure, impose a bar or suspension from association with a broker-dealer or investment adviser registered in this state, or impose a civil penalty in an amount not to exceed five thousand dollars ($5,000) for each violation, on a registrant and, if the registrant is a broker-dealer or investment adviser, a partner, officer, director or person having a similar status or performing similar functions, or a person directly or indirectly in control, of the broker-dealer or investment adviser.

(d) Grounds for discipline. A person may be disciplined under subsections (a) through (c) of this section if the person:

(1) Has filed an application for registration in this state under
this chapter or the predecessor act within the previous ten (10) years, which, as of the effective date of registration or as of any date after filing in the case of an order denying effectiveness, was incomplete in any material respect or contained a statement that, in light of the circumstances under which it was made, was false or misleading with respect to a material fact;

(2) Willfully violated or willfully failed to comply with this chapter or the predecessor act or a rule adopted or an order issued under this chapter or the predecessor act within the previous ten (10) years;

(5) Is the subject of an order, issued after notice and opportunity for hearing by:

(B) The securities regulator of a state or the securities and exchange commission against a broker-dealer, agent, investment adviser, investment adviser representative, or federal covered investment adviser;

(F) A depository institution regulator suspending or barring the person from the depository institution business;

(6) Is the subject of an adjudication or determination, after notice and opportunity for hearing, by the securities and exchange commission, the commodity futures trading commission; the federal trade commission; a federal depository institution regulator, or a depository institution, insurance or other financial services regulator of a state that the person willfully violated the securities act of 1933, the securities exchange act of 1934, the investment advisers act of 1940, the investment company act of 1940, or the commodity exchange act, the securities or commodities law of a state, or a federal or state law under which a business involving investments, franchises, insurance, banking or finance is regulated;
(7) Is insolvent, either because the person's liabilities exceed the person's assets or because the person cannot meet the person's obligations as they mature, provided however that the administrator may not enter an order against an applicant or registrant under this paragraph (7) without a finding of insolvency as to the applicant or registrant;

(8) Refuses to allow or otherwise impedes the administrator from conducting an audit or inspection under section 30-14-411(d), Idaho Code, or refuses access to a registrant's office to conduct an audit or inspection under section 30-14-411(d), Idaho Code;

(9) Has failed to reasonably supervise an agent, investment adviser representative or other individual, if the agent, investment adviser representative or other individual was subject to the person's supervision and committed a violation of this chapter or the predecessor act or a rule adopted or an order issued under this chapter or the predecessor act within the previous ten (10) years;

(10) Has not paid the proper filing fee within thirty (30) days after having been notified by the administrator of a deficiency, provided however that the administrator shall vacate an order under this paragraph (10) when the deficiency is corrected;

(13) Has engaged in dishonest or unethical practices in the securities, commodities, investment, franchise, banking, finance or insurance business within the previous ten (10) years; or

(14) Is not qualified on the basis of factors such as training, experience and knowledge of the securities business. Provided however, in the case of an application by an agent for a broker-dealer that is a member of a self-regulatory organization or by an individual for registration as an investment adviser representative, a denial order may not be based on this paragraph (14) if the individual has successfully completed all examinations required by subsection (e) of this section. The administrator may require an applicant for registration under section 30-14-402 or 30-14-404, Idaho Code, who has not been registered in a state within the two (2) years preceding the filing of an application in this state to successfully complete an examination.
(e) Examinations. A rule adopted or an order issued under this chapter may require that an examination, including an examination developed or approved by an organization of securities regulators, be successfully completed by a class of individuals or all individuals. An order issued under this chapter may waive, in whole or in part, an examination as to an individual and a rule adopted under this chapter may waive, in whole or in part, an examination as to a class of individuals if the administrator determines that the examination is not necessary or appropriate in the public interest and for the protection of investors.

(f) Summary process. The administrator may suspend or deny an application summarily; restrict, condition, limit or suspend a registration; or censure, bar, or impose a civil penalty on a registrant before final determination of an administrative proceeding. Upon the issuance of an order, the administrator shall promptly notify each person subject to the order that the order has been issued, the reasons for the action, and that within fifteen (15) days after the receipt of a request in a record from the person the matter will be scheduled for a hearing. If a hearing is not requested and none is ordered by the administrator within thirty (30) days after the date of service of the order, the order becomes final by operation of law. If a hearing is requested or ordered, the administrator, after notice of and opportunity for hearing to each person subject to the order, may modify or vacate the order or extend the order until final determination.

(g) Procedural requirements. An order issued may not be issued under this section, except under subsection (f) of this section, without:

1. Appropriate notice to the applicant or registrant;
2. Opportunity for hearing; and
3. Findings of fact and conclusions of law in a record in accordance with chapter 52, title 67, Idaho Code.

(h) Control person liability. A person that controls, directly or indirectly, a person not in compliance with this section may be disciplined by order of the administrator under subsections (a) through (c) of this section to the same extent as the noncomplying person, unless the controlling person did not know, and in the exercise of reasonable care could not have known, of the existence of conduct that is a ground for discipline under this section.

(i) Limit on investigation or proceeding. The administrator may not institute a proceeding under subsection (a), (b) or (c) of this section based solely on material facts actually known by the administrator unless an investigation or the proceeding is instituted within one (1) year after the administrator actually acquires knowledge of the material facts.

SECTION 3. That Section 30-14-611, Idaho Code, be, and the same is hereby amended to read as follows:

30-14-611. SERVICE OF PROCESS. (a) Signed consent to service of process. From September 1, 2004, through June 30, 2005, all persons applying for registration or making a notice filing shall submit to the administrator a signed consent to service of process. A consent appointing the administrator the person's agent for service of process in a noncriminal action or proceeding against the person, or the person's successor or personal representative under this chapter or a rule
adopted or an order issued under this chapter after the consent is filed, has the same force and validity as if the service were made personally on the person filing the consent. From July 1, 2005, and thereafter, registrants shall be required to submit a consent to service of process only if there has been a material change.

(b) Conduct constituting appointment of agent for service. If a person, including a nonresident of this state, engages in an act, practice, or course of business prohibited or made actionable by this chapter or a rule adopted or an order issued under this chapter and the person has not filed a consent to service of process under subsection (a) of this section, the act, practice, or course of business constitutes the appointment of the administrator as the person's agent for service of process in a noncriminal action or proceeding against the person or the person's successor or personal representative.

(c) Procedure for service of process. Service under subsection (a) or (b) of this section may be made by providing a copy of the process to the office of the administrator, but it is not effective unless:

(1) The plaintiff, which may be the administrator, promptly sends notice of the service and a copy of the process, return receipt requested, to the defendant or respondent at the address set forth in the consent to service of process or, if a consent to service of process has not been filed, at the last known address, or takes other reasonable steps to give notice; and

(2) The plaintiff files an affidavit of compliance with this subsection in the action or proceeding on or before the return day of the process, if any, or within the time that the court, or the administrator in a proceeding before the administrator, allows.

(d) Service in administrative proceedings or civil actions by administrator. Service pursuant to subsection (c) of this section may be used in a proceeding before the administrator or by the administrator in a civil action in which the administrator is the moving party.

(e) Opportunity to defend. If process is served under subsection (c) of this section, the court, or the administrator in a proceeding before the administrator, shall order continuances as are necessary or appropriate to afford the defendant or respondent reasonable opportunity to defend.

Public assistance shall be paid in the manner prescribed by the state department.
(1) Assistance to families with children shall not be granted under this act to any person who within six (6) months prior to applying for or at any time during which such assistance is received, has either made an assignment or transfer of property for the purpose of rendering himself eligible for assistance under this act, or who has divested himself of any interest in property without adequate consideration which interest or proceeds therefrom could reasonably be expected to contribute to the support and maintenance of such person and his family, except that
any person who is ineligible for public assistance due solely to such assignment or transfer shall become eligible provided:

(a) There is a showing that such person has caused such property to be assigned or transferred back to him; or

(b) There is a showing that the person to whom such property is assigned or transferred has, subsequent to such assignment or transfer, met subsistence and medical care costs exclusive of any obligation for support, of such person or family, according to the department's assistance standard, equal to, or in excess of, the market value of the property so assigned or transferred; or

(c) There is a showing that the subsistence and medical care costs of such person, according to the department's assistance standard, subsequent to such assignment or transfer, equal or exceed the market value of the property so assigned or transferred.

(2) Eligibility for old age assistance under section 56-207, Idaho Code, or aid to the blind under section 56-208, Idaho Code, or aid to the disabled under section 56-209a, Idaho Code, shall be determined by continuing to consider as available any resource that was transferred prior to July 1, 1988, until such resource is fully accounted for under the provisions of section 1613(c) of the social security act as such section read on June 30, 1988.

(2) Unless the court determines that an order of restitution would be inappropriate or undesirable, it shall order a defendant found guilty of any crime which results in an economic loss to the victim to make restitution to the victim. An order of restitution shall be a separate written order in addition to any other sentence the court may impose, including incarceration, and may be complete, partial, or nominal. The court may also include restitution as a term and condition of judgment of conviction; however, if a court orders restitution in the judgment of conviction and in a separate written order, a defendant shall not be required to make restitution in an amount beyond that authorized by this chapter. Restitution shall be ordered for any economic loss which the victim actually suffers. The existence of a policy of insurance covering the victim's loss shall not absolve the defendant of the obligation to pay restitution.

(3) If the court determines that restitution is inappropriate or undesirable or if only partial or nominal restitution is ordered, it shall enter an order articulating the reasons therefor on the record.

(4) If a separate written order of restitution is issued, an order of restitution shall be for an amount certain and shall be due and owing at the time of sentencing or at the date the amount of restitution is determined, whichever is later. An order of restitution may provide for interest from the date of the economic loss or injury.

(5) The court may order the defendant to pay restitution to the victim in any case, regardless of whether the defendant is incarcerated or placed on probation. The court may order the defendant to pay all or a part of the restitution ordered to the court to be distributed by the court to the victims in a manner the court deems just.

(6) Restitution orders shall be entered by the court at the time of sentencing or such later date as deemed necessary by the court. Economic loss shall be based upon the preponderance of evidence submitted to the court by the prosecutor, defendant, victim or presentence investigator. Each party shall have the right to present such evidence as may be relevant to the issue of restitution, and the court may consider such hearsay as may be contained in the presentence report, victim impact statement or otherwise provided to the court.

(7) The court, in determining whether to order restitution and the amount of such restitution, shall consider the amount of economic loss sustained by the victim as a result of the offense, the financial
resources, needs and earning ability of the defendant, and such other factors as the court deems appropriate. The immediate inability to pay restitution by a defendant shall not be, in and of itself, a reason to not order restitution.

(8) In determining restitution, where it appears that more than one (1) person is responsible for a crime that results in economic loss to a victim, and one (1) or more of the suspects or defendants are not found, apprehended, charged, convicted or ordered to pay restitution, the court may require the remaining defendant or defendants, who are convicted of or plead guilty to the crime, to be jointly and severally responsible for the entire economic loss to the victim.

(9) The court may, with the consent of the parties, order restitution to victims, and/or any other person or entity, for economic loss or injury for crimes which are not adjudicated or are not before the court.

(10) A defendant, against whom a restitution order has been entered, may, within forty-two (42) days of the entry of the order of restitution, request relief from the restitution order in accordance with the Idaho rules of civil procedure relating to relief from final orders.

(11) An order of restitution shall not preclude the victim from seeking any other legal remedy.

(12) Every presentence report shall include a full statement of economic loss suffered by the victim or victims of the defendant’s crime or crimes.

(13) If there is more than one (1) victim, the restitution order shall provide that the directly injured victim(s) be fully compensated for so much of the loss caused by the defendant’s criminal conduct which has not been paid by a third party, including persons referred to in subsection (1)(e)(ii), (iii) and (iv) of this section.

(14) When a person is found guilty of violating section 18-8007, Idaho Code, the court, in addition to any other sentence imposed, may order the person to pay to any victim an amount of money equal to the amount of that victim’s economic loss caused by the person as a result of the incident that created the duties as provided in section 18-8007, Idaho Code.

Approved March 17, 2008.

SECTION 1. That Section 33-5205, Idaho Code, be, and the same is hereby amended to read as follows:

33-5205. PETITION TO ESTABLISH PUBLIC CHARTER SCHOOL. (1) Any group of persons may petition to establish a new public charter school, or to convert an existing traditional public school to a public charter school.

(a) A petition to establish a new public charter school, including a public virtual charter school, shall be signed by not fewer than thirty (30) qualified electors of the attendance area designated in the petition. Proof of elector qualifications shall be provided with the petition.

(b) A petition to establish a new public virtual school must be submitted directly to the public charter school commission. A petition to establish a new public charter school, other than a new public virtual school, shall first be submitted to the local board of trustees in which the public charter school will be located. A petition shall be considered to be received by an authorized chartering entity as of the next scheduled meeting of the authorized chartering entity after submission of the petition.

(c) The board of trustees may either: (i) consider the petition and approve the charter; or (ii) consider the petition and deny the charter; or (iii) refer the petition to the public charter school commission, but such referral shall not be made until the local board has documented its due diligence in considering the petition. Such documentation shall be submitted with the petition to the public charter school commission. If the petitioners and the local board of trustees have not reached mutual agreement on the provisions of the charter, after a reasonable and good faith effort, within sixty (60) days from the date the charter petition is received, the petitioners may withdraw their petition from the local board of trustees and may submit their charter petition to the public charter school commission, provided it is signed by thirty (30) qualified electors as required by subsection (1)(a) of this section. Documentation of the reasonable and good faith effort between the petitioners and the local board of trustees must be submitted with the petition to the public charter school commission.

(d) The public charter school commission may either: (i) consider the petition and approve the charter; or (ii) consider the petition and deny the charter.

(e) A petition to convert an existing traditional public school shall be submitted to the board of trustees of the district in which the school is located for review and approval. The petition shall be signed by not fewer than sixty percent (60%) of the teachers currently employed by the school district at the school to be converted, and by one (1) or more parents or guardians of not fewer than sixty percent (60%) of the students currently attending the school to be converted. (2) Not later than sixty (60) days after receiving a petition
signed by thirty (30) qualified electors as required by subsection (1)(a) of this section, the authorized chartering entity shall hold a public hearing for the purpose of discussing the provisions of the charter, at which time the authorized chartering entity shall consider the merits of the petition and the level of employee and parental support for the petition. In the case of a petition submitted to the public charter school commission, such public hearing must be not later than sixty (60) days after receipt of the petition, which may be extended to ninety (90) days if both parties agree to an extension, and the public hearing shall also include any oral or written comments that an authorized representative of the school district in which the proposed public charter school would be physically located may provide regarding the merits of the petition and any potential impacts on the school district. Following review of the petition and the public hearing, the authorized chartering entity shall either approve or deny the charter within sixty (60) days after the date of the public hearing, provided however, that the date may be extended by an additional sixty (60) days if the petition fails to contain all of the information required in this section, or if both parties agree to the extension. This public hearing shall be an opportunity for public participation and oral presentation by the public. This hearing is not a contested case hearing as described in chapter 52, title 67, Idaho Code.

The goals identified in the program shall include how all educational thoroughness standards as defined in section 33-1612, Idaho Code, shall be fulfilled.

(b) The measurable student educational standards identified for use by the public charter school. "Student educational standards" for the purpose of this chapter means the extent to which all students of the public charter school demonstrate they have attained the skills and knowledge specified as goals in the school's educational program.

(c) The method by which student progress in meeting those student educational standards is to be measured.

(d) A provision by which students of the public charter school will be tested with the same standardized tests as other Idaho public school students.

(e) A provision which ensures that the public charter school shall be state accredited as provided by rule of the state board of education.

42-14068. NORTHERN IDAHO WATER RIGHTS ADJUDICATIONS -- COMMENCEMENT. Therefore, the director of the department of water resources shall petition the district court to commence adjudications within the terms of the McCarran amendment, 43 U.S.C. section 666, of the water rights from surface water and ground water sources in northern Idaho through initiation of three (3) proceedings. The filing of each petition shall be contingent on legislative funding approval. Each petition shall describe the boundaries of the water source or water sources to be adjudicated.

Any person or persons proposing a budget adjustment under this section shall notify in writing each member of the board of trustees one (1) week prior to the meeting at which such proposal will be made. Prior to the final vote on such a proposal, notice shall be posted and published once, as prescribed in section 33-402, Idaho Code. AN ACT  
RELATING TO NONPROBATE TRANSFERS; AMENDING CHAPTER 6, TITLE 15, IDAHO CODE, BY THE ADDITION OF A NEW PART 4, CHAPTER 6, TITLE 15, IDAHO CODE, TO PROVIDE FOR COMMUNITY PROPERTY WITH RIGHT OF SURVIVORSHIP IN REAL PROPERTY AND TO PROVIDE FOR TERMINATION OF COMMUNITY PROPERTY WITH RIGHT OF SURVIVORSHIP IN REAL PROPERTY.

PART 4. COMMUNITY PROPERTY RIGHT OF SURVIVORSHIP

15-6-401. COMMUNITY PROPERTY WITH RIGHT OF SURVIVORSHIP IN REAL PROPERTY. Any estate in real property held by a husband and wife as community property with right of survivorship shall, upon the death of one (1) spouse, transfer and belong to the surviving spouse. An estate in community property with right of survivorship is created by a grant, transfer or devise to a husband and wife, when expressly declared in the grant, transfer or devise to be an estate in community property with right of survivorship. An estate in community property with right of survivorship may also be created by grant or transfer from a husband and wife, when holding title as community property or otherwise, to themselves or from either husband or wife to both husband and wife when expressly declared in the grant, transfer or devise to be an estate in community property with right of survivorship.

15-6-402. TERMINATION OF COMMUNITY PROPERTY WITH RIGHT OF SURVIVORSHIP IN REAL PROPERTY. (1) In the case of real property owned by a husband and wife as community property with right of survivorship pursuant to section 15-6-401, Idaho Code, the right of survivorship is extinguished on the recordation in the office of the recorder of the county or counties where the real property is located an affidavit entitled "affidavit terminating right of survivorship" executed by either spouse under oath which sets forth:

(a) A stated intent by the spouse to terminate the survivorship right;

(b) A description in the instrument by which the right of survivorship was created, including the date the instrument was recorded and the county recorder's book and page or instrument reference number; and

(c) The legal description of the real property affected by the affidavit.

The recordation shall not extinguish the community interest of either spouse.

(2) Divorce, or annulment of the marriage of, the husband and wife, unless otherwise ordered by the court in which the divorce is granted, severs the interests of the former spouses in property held by them at the time of the divorce or annulment as community property with the right of survivorship and transforms the interests of the former spouses into tenancies in common. A severance under this section does not affect any third party interest in property acquired for value and in good faith reliance on an apparent title by survivorship in the survivor of the former spouses unless a writing declaring the severance has been noted, registered, filed or recorded in records appropriate to the kind and location of the property that a person relied upon as evidence of ownership in the ordinary course of transactions involving that property.

   (b) Identify specific types or categories of activities that do not violate the duty of loyalty;
   (c) Alter the duty of care, except to authorize intentional misconduct or knowing violation of law;
   (d) Alter any other fiduciary duty, including eliminating particular aspects of that duty; and
   (e) Prescribe the standards by which to measure the performance of the contractual obligation of good faith and fair dealing under section 30-6-409(4), Idaho Code.

(5) The operating agreement may specify the method by which a spe-
specific act or transaction that would otherwise violate the duty of loyalty may be authorized or ratified by one (1) or more disinterested and independent persons after full disclosure of all material facts.

(6) To the extent the operating agreement of a member-managed limited liability company expressly relieves a member of a responsibility that the member would otherwise have under this chapter and imposes the responsibility on one (1) or more other members, the operating agreement may, to the benefit of the member that the operating agreement relieves of the responsibility, also eliminate or limit any fiduciary duty that would have pertained to the responsibility.

(7) The operating agreement may alter or eliminate the indemnification for a member or manager provided by section 30-6-408(1), Idaho Code, and may eliminate or limit a member or manager's liability to the limited liability company and members for money damages, except for:

(a) Breach of the duty of loyalty;
(b) A financial benefit received by the member or manager to which the member or manager is not entitled;
(c) A breach of a duty under section 30-6-406, Idaho Code;
(d) Intentional infliction of harm on the company or a member; or
(e) An intentional violation of criminal law.

(8) The court shall decide any claim, under subsection (4)(a) of this section, that a term of an operating agreement is manifestly unreasonable. The court:

(a) Shall make its determination as of the time the challenged term became part of the operating agreement and by considering only circumstances existing at that time; and
(b) May invalidate the term only if, in light of the purposes and activities of the limited liability company, it is readily apparent that:

(i) The objective of the term is unreasonable; or
(ii) The term is an unreasonable means to achieve the provision's objective.

30-6-111. OPERATING AGREEMENT -- EFFECT ON LIMITED LIABILITY COMPANY AND PERSONS BECOMING MEMBERS -- PREAMINATION AGREEMENT. (1) A limited liability company is bound by and may enforce the operating agreement, whether or not the company has itself manifested assent to the operating agreement.

(2) A person that becomes a member of a limited liability company is deemed to assent to the operating agreement.

(3) Two (2) or more persons intending to become the initial members of a limited liability company may make an agreement providing that upon the formation of the company the agreement will become the operating agreement. One (1) person intending to become the initial member of a limited liability company may assent to terms providing that upon the formation of the company the terms will become the operating agreement.

30-6-112. OPERATING AGREEMENT -- EFFECT ON THIRD PARTIES AND RELATIONSHIP TO RECORDS EFFECTIVE ON BEHALF OF LIMITED LIABILITY COMPANY. (1) An operating agreement may specify that its amendment requires the approval of a person that is not a party to the operating agreement or the satisfaction of a condition. An amendment is ineffective if its adoption does not include the required approval or satisfy the specified condition.
(2) The obligations of a limited liability company and its members to a person in the person's capacity as a transferee or dissociated member are governed by the operating agreement. Subject only to any court order issued under section 30-6-503(2)(b), Idaho Code, to effectuate a charging order, an amendment to the operating agreement made after a person becomes a transferee or dissociated member is effective with regard to any debt, obligation or other liability of the limited liability company or its members to the person in the person's capacity as a transferee or dissociated member.

(3) If a record that has been delivered by a limited liability company to the secretary of state for filing and has become effective under this chapter contains a provision that would be ineffective under section 30-6-110(3), Idaho Code, if contained in the operating agreement, the provision is likewise ineffective in the record.

(4) Subject to subsection (3) of this section, if a record that has been delivered by a limited liability company to the secretary of state for filing and has become effective under this chapter conflicts with a provision of the operating agreement:

(a) The operating agreement prevails as to members, dissociated members, transferees and managers; and
(b) The record prevails as to other persons to the extent they reasonably rely on the record.

30-6-113. DESIGNATED OFFICE AND REGISTERED AGENT. (1) A limited liability company shall designate and continuously maintain in this state:

(a) An office, which need not be a place of its activity in this state; and
(b) A registered agent.

(2) A foreign limited liability company that has a certificate of authority under section 30-6-802, Idaho Code, shall designate and continuously maintain in this state a registered agent.

30-6-114. CHANGE OF DESIGNATED OFFICE. (1) A limited liability company or foreign limited liability company may change its designated office by delivering to the secretary of state for filing a statement of change containing:

(a) The name of the company;
(b) The street and mailing addresses of its current designated office; and
(c) If the current designated office is to be changed, the street and mailing addresses of the new designated office.

(2) Subject to section 30-6-205(3), Idaho Code, a statement of change is effective when filed by the secretary of state.

PART 2.

FORMATION -- CERTIFICATE OF ORGANIZATION AND OTHER FILINGS

30-6-201. FORMATION OF LIMITED LIABILITY COMPANY -- CERTIFICATE OF ORGANIZATION. (1) One (1) or more persons may act as organizers to form a limited liability company by signing and delivering to the secretary of state for filing a certificate of organization.

(2) A certificate of organization must state:
(a) The name of the limited liability company, which must comply with section 30-6-108, Idaho Code;
(b) The street and mailing addresses of the initial designated office and the information required by section 30-405(1), Idaho Code;
(c) The name and mailing address of at least one (1) member or manager of the limited liability company; and
(d) If the limited liability company is a professional company, a statement to that effect and the principal profession or professions for which members are duly licensed or otherwise legally authorized to render professional services.
(3) Subject to section 30-6-112(3), Idaho Code, a certificate of organization may also contain statements as to matters other than those required by subsection (2) of this section. However, a statement in a certificate of organization is not effective as a statement of authority as defined in section 30-6-302, Idaho Code. The secretary of state shall not accept operating agreements for filing.
(4) The following rules apply to the filing of a certificate of organization:
(a) A limited liability company is formed when the secretary of state has filed the certificate of organization, unless the certificate states a delayed effective date pursuant to section 30-6-205(3), Idaho Code.
(b) If the certificate states a delayed effective date, a limited liability company is not formed if, before the certificate takes effect, a statement of cancellation is signed and delivered to the secretary of state for filing and the secretary of state files the certificate of cancellation.
(c) Subject to any delayed effective date and except in a proceeding by this state to dissolve a limited liability company, the filing of the certificate of organization by the secretary of state is conclusive proof that the organizer satisfied all conditions to the formation of a limited liability company.

30-6-201A. PROFESSIONAL COMPANY. (1) Section 30-6-201, Idaho Code, shall not be deemed to authorize a professional company to render allied professional services where the laws pertaining to specific professions or the codes of ethics or professional responsibility of any of the professions involved in such a proposed professional company prohibit such a combination of professional services.
(2) No professional company may render professional services in this state except through its managers, members, employees and agents who are duly licensed or otherwise legally authorized to render such professional services within this state. The term "employee," as used in this section, does not include clerks, secretaries, bookkeepers, technicians and other assistants who are not usually and ordinarily considered by custom and practice to be rendering professional services to the public for which a license or other legal authorization is required.
(3) Nothing contained in this section shall be interpreted to abolish, repeal, modify, restrict or limit the law now in effect in this state applicable to the professional relationship and liabilities between the person furnishing the professional services and the person receiving such professional services or to the standards for professional conduct. Notwithstanding section 30-6-304(1), Idaho Code, any
manager, member, agent or employee of a professional company organized under this chapter shall remain personally and fully liable and accountable for any negligent or wrongful acts or misconduct committed by him, or by any person under his direct supervision and control, while rendering professional services on behalf of the professional company to the person for whom such professional services were being rendered. The professional company shall be liable up to the full value of its property for any negligent or wrongful acts or misconduct committed by any of its managers, members, agents or employees while they are engaged on behalf of the professional company in the rendering of professional services.

(4) The relationship of a person, whether as an individual, shareholder of a professional corporation, partner of a partnership or member of a professional company, to a professional company organized under the provisions of this chapter with which such person is associated, whether as manager, member or employee, shall in no way modify or diminish the jurisdiction over him of the governmental authority or state agency which licensed, certified or registered him for a particular profession.

(5) No professional company may offer membership to or accept as a member anyone other than an individual who is duly licensed or otherwise legally authorized to render the same specific professional services as those for which the company was organized or professional corporations, partnerships or limited liability companies, all of whose shareholders, partners or members are duly licensed or otherwise legally authorized to render the same specific professional services as those for which the professional company was organized. No member of a professional company shall enter into a voting trust agreement or any other type of agreement vesting another person with the authority to exercise the voting power of his membership.

(6) If any manager, member, agent or employee of a professional company who has been rendering professional services within this state accepts employment that, pursuant to existing law, places restrictions or limitations upon his continued rendering of such professional services, he shall cease to be a member in such professional company in accordance with the provisions of section 30-6-602(15), Idaho Code, and the remaining members of the professional company shall take such action as is required to terminate such membership.

(7) No member of a professional company may sell or transfer his membership in such professional company except to another individual, professional corporation, partnership or limited liability company eligible to be a member of such professional company and except pursuant to the provisions of section 30-6-502, Idaho Code.

(8) The provisions of this section shall not be considered as repealing, modifying or restricting the applicable provisions of law regulating the several professions except insofar as such laws conflict with this section.

30-6-202. AMENDMENT OR RESTATEMENT OF CERTIFICATE OF ORGANIZATION.
(1) A certificate of organization may be amended or restated at any time.

(2) To amend its certificate of organization, a limited liability company must deliver to the secretary of state for filing an amendment stating:
   (a) The name of the company;
   (b) The date of filing of its certificate of organization; and
(c) The changes the amendment makes to the certificate as most recently amended or restated.

(3) To restate its certificate of organization, a limited liability company must deliver to the secretary of state for filing a restatement, designated as such in its heading, stating:
   (a) In the heading or in an introductory paragraph, the company's present name and the date of the filing of the company's initial certificate of organization;
   (b) If the company's name has been changed at any time since the company's formation, each of the company's former names; and
   (c) The changes the restatement makes to the certificate as most recently amended or restated.

(4) Subject to sections 30-6-112(3) and 30-6-205(3), Idaho Code, an amendment to or restatement of a certificate of organization is effective when filed by the secretary of state.

(5) If a member of a member-managed limited liability company, or a manager of a manager-managed limited liability company, knows that any information in a filed certificate of organization was inaccurate when the certificate was filed or has become inaccurate owing to changed circumstances, the member or manager shall promptly:
   (a) Cause the certificate to be amended; or
   (b) If appropriate, deliver to the secretary of state for filing a statement of change under section 30-6-114, Idaho Code, or section 30-408, Idaho Code, or a statement of correction under section 30-6-206, Idaho Code.

30-6-203. SIGNING OF RECORDS TO BE DELIVERED FOR FILING TO SECRETARY OF STATE. (1) A record delivered to the secretary of state for filing pursuant to this chapter must be signed as follows:
   (a) Except as otherwise provided in paragraphs (b) through (d) of this subsection, a record signed on behalf of a limited liability company must be signed by a person authorized by the company.
   (b) A limited liability company's initial certificate of organization must be signed by at least one (1) person acting as an organizer.
   (c) A record filed on behalf of a dissolved limited liability company that has no members must be signed by the person winding up the company's activities under section 30-6-702(3), Idaho Code, or a person appointed under section 30-6-702(4), Idaho Code, to wind up those activities.
   (d) A statement of cancellation under section 30-6-201(4)(b), Idaho Code, must be signed by each organizer that signed the initial certificate of organization, but a personal representative of a deceased or incompetent organizer may sign in the place of the deceased or incompetent.
   (e) A statement of denial by a person under section 30-6-303, Idaho Code, must be signed by that person.
   (f) Any other record must be signed by the person on whose behalf the record is delivered to the secretary of state.

(2) Any record filed under this chapter may be signed by an agent.

(3) Any record filed under this chapter must be signed in a manner acceptable to the secretary of state.
30-6-204. SIGNING AND FILING PURSUANT TO JUDICIAL ORDER. (1) If a person required by this chapter to sign a record or deliver a record to the secretary of state for filing under this chapter does not do so, any other person that is aggrieved may petition the district court to order:
   (a) The person to sign the record;
   (b) The person to deliver the record to the secretary of state for filing; or
   (c) The secretary of state to file the record unsigned.
(2) If a petitioner under subsection (1) of this section is not the limited liability company or foreign limited liability company to which the record pertains, the petitioner shall make the company a party to the action.

30-6-205. DELIVERY TO AND FILING OF RECORDS BY SECRETARY OF STATE -- EFFECTIVE TIME AND DATE. (1) A record authorized or required to be delivered to the secretary of state for filing under this chapter must be captioned to describe the record's purpose, be in a medium permitted by the secretary of state, and be delivered to the secretary of state. If the filing fees have been paid, unless the secretary of state determines that a record does not comply with the filing requirements of this chapter, the secretary of state shall file the record and:
   (a) For a statement of denial under section 30-6-303, Idaho Code, send a copy of the filed statement and a receipt for the fees to the person on whose behalf the statement was delivered for filing and to the limited liability company; and
   (b) For all other records, send a copy of the filed record and a receipt for the fees to the person on whose behalf the record was filed.
(2) Upon request and payment of the requisite fee, the secretary of state shall send to the requester a certified copy of a requested record.
(3) Except as otherwise provided in section 30-6-206, Idaho Code, a record delivered to the secretary of state for filing under this chapter may specify an effective time and a delayed effective date. Subject to sections 30-408, 30-6-201(4)(a) and 30-6-206, Idaho Code, a record filed by the secretary of state is effective:
   (a) If the record does not specify either an effective time or a delayed effective date, on the date and at the time the record is filed as evidenced by the secretary of state's endorsement of the date and time on the record;
   (b) If the record specifies an effective time but not a delayed effective date, on the date the record is filed at the time specified in the record;
   (c) If the record specifies a delayed effective date but not an effective time, at 12:01 a.m. on the earlier of:
      (i) The specified date; or
      (ii) The ninetieth day after the record is filed; or
   (d) If the record specifies an effective time and a delayed effective date, at the specified time on the earlier of:
      (i) The specified date; or
      (ii) The ninetieth day after the record is filed.
30-6-206. CORRECTING FILED RECORD. (1) A limited liability company or foreign limited liability company may deliver to the secretary of state for filing a statement of correction to correct a record previously delivered by the company to the secretary of state and filed by the secretary of state, if at the time of filing the record contained inaccurate information or was defectively signed.

(2) A statement of correction under subsection (1) of this section may not state a delayed effective date and must:
   (a) Describe the record to be corrected, including its filing date, or attach a copy of the record as filed;
   (b) Specify the inaccurate information and the reason it is inaccurate or the manner in which the signing was defective; and
   (c) Correct the defective signature or inaccurate information.

(3) When filed by the secretary of state, a statement of correction under subsection (1) of this section is effective retroactively as of the effective date of the record the statement corrects, but the statement is effective when filed:
   (a) For the purposes of section 30-6-103(4), Idaho Code; and
   (b) As to persons that previously relied on the uncorrected record and would be adversely affected by the retroactive effect.

30-6-207. LIABILITY FOR INACCURATE INFORMATION IN FILED RECORD. (1) If a record delivered to the secretary of state for filing under this chapter and filed by the secretary of state contains inaccurate information, a person that suffers a loss by reliance on the information may recover damages for the loss from:
   (a) A person that signed the record, or caused another to sign it on the person's behalf, and knew the information to be inaccurate at the time the record was signed; and
   (b) Subject to subsection (2) of this section, a member of a member-managed limited liability company or the manager of a manager-managed limited liability company, if:
      (i) The record was delivered for filing on behalf of the company; and
      (ii) The member or manager had notice of the inaccuracy for a reasonably sufficient time before the information was relied upon so that, before the reliance, the member or manager reasonably could have:
         1. Effected an amendment under section 30-6-202, Idaho Code;
         2. Filed a petition under section 30-6-204, Idaho Code; or
         3. Delivered to the secretary of state for filing a statement of change under section 30-6-114, Idaho Code, or section 30-408, Idaho Code, or a statement of correction under section 30-6-206, Idaho Code.

(2) To the extent that the operating agreement of a member-managed limited liability company expressly relieves a member of responsibility for maintaining the accuracy of information contained in records delivered on behalf of the company to the secretary of state for filing under this chapter and imposes that responsibility on one (1) or more other members, the liability stated in subsection (1)(b) of this section applies to those other members and not to the member that the operating agreement relieves of the responsibility.
(3) An individual who signs a record authorized or required to be filed under this chapter affirms under penalty of perjury that the information stated in the record is accurate.

30-6-208. CERTIFICATE OF EXISTENCE OR AUTHORIZATION. (1) The secretary of state, upon request and payment of the requisite fee, shall furnish to any person a certificate of existence for a limited liability company if the records filed in the office of the secretary of state show that the company has been formed under section 30-6-201, Idaho Code, and the secretary of state has not filed a statement of termination pertaining to the company. A certificate of existence must state:
   (a) The company's name;
   (b) That the company was duly formed under the laws of this state and the date of formation;
   (c) Whether all fees due under this chapter or other law to the secretary of state have been paid;
   (d) Whether the company's most recent annual report required by section 30-6-209, Idaho Code, has been filed by the secretary of state;
   (e) Whether the secretary of state has administratively dissolved the company;
   (f) Whether the company has delivered to the secretary of state for filing a statement of dissolution;
   (g) That a statement of termination has not been filed by the secretary of state; and
   (h) Other facts of record in the office of the secretary of state which are specified by the person requesting the certificate.

(2) The secretary of state, upon request and payment of the requisite fee, shall furnish to any person a certificate of authorization for a foreign limited liability company if the records filed in the office of the secretary of state show that the secretary of state has filed a certificate of authority, has not revoked the certificate of authority, and has not filed a notice of cancellation. A certificate of authorization must state:
   (a) The company's name and any alternate name adopted under section 30-6-805(1), Idaho Code, for use in this state;
   (b) That the company is authorized to transact business in this state;
   (c) Whether all fees due under this chapter or other law to the secretary of state have been paid;
   (d) Whether the company's most recent annual report required by section 30-6-209, Idaho Code, has been filed by the secretary of state;
   (e) That the secretary of state has not revoked the company's certificate of authority and has not filed a notice of cancellation; and
   (f) Other facts of record in the office of the secretary of state which are specified by the person requesting the certificate.

(3) Subject to any qualification stated in the certificate, a certificate of existence or certificate of authorization issued by the secretary of state is conclusive evidence that the limited liability company is in existence or the foreign limited liability company is authorized to transact business in this state.
30-6-209. ANNUAL REPORT FOR SECRETARY OF STATE. (1) Each year, a limited liability company or a foreign limited liability company authorized to transact business in this state shall deliver to the secretary of state for filing a report that states:
(a) The name of the company;
(b) The information required by section 30-405(1), Idaho Code;
(c) The street and mailing addresses of the company's designated office;
(d) The street and mailing addresses of its principal office;
(e) The name and mailing address of at least one (1) member or manager; and
(f) In the case of a foreign limited liability company, the state or other jurisdiction under whose law the company is formed and any alternate name adopted under section 30-6-805(1), Idaho Code.
(2) Information in an annual report under this section must be current as of the date the report is delivered to the secretary of state for filing.
(3) The annual report of a limited liability company or foreign limited liability company shall be delivered to the secretary of state each year before the end of the month during which a limited liability company was initially organized, or a foreign limited liability company was initially authorized to transact business. Beginning one (1) year after a limited liability company is organized or a foreign limited liability company is authorized to transact business, and each year thereafter, the annual report of the limited liability company must be received in the office of the secretary of state not later than the close of business on the final day of the applicable month. If the secretary of state finds that such report conforms to the requirements of this chapter, he shall file the same.
(4) If an annual report under this section does not contain the information required in subsection (1) of this section, the secretary of state shall promptly notify the reporting limited liability company or foreign limited liability company and return the report to it for correction. If the report is corrected to contain the information required in subsection (1) of this section and delivered to the secretary of state within thirty (30) days after the effective date of the notice, it is timely delivered.
(5) If an annual report under this section contains an address of a designated office or the name or address of a registered agent which differs from the information shown in the records of the secretary of state immediately before the annual report becomes effective, the differing information in the annual report is considered a statement of change under section 30-6-114, Idaho Code, or section 30-408, Idaho Code.

30-6-210. FILING, SERVICE AND COPYING FEES. (1) The secretary of state shall collect the following fees for copying and certifying the copy of any document filed under this chapter:
(a) Twenty-five cents (25¢) per page for copying; and
(b) Ten dollars ($10.00) for a certificate.
(2) The secretary of state shall charge and collect the following fees when the documents described are delivered for filing:
PART 3.
RELATIONS OF MEMBERS AND MANAGERS
TO PERSONS DEALING WITH LIMITED LIABILITY COMPANY

30-6-301. NO AGENCY POWER OF MEMBER AS MEMBER. (1) A member is not an agent of a limited liability company solely by reason of being a member.

(2) A person's status as a member does not prevent or restrict law other than this chapter from imposing liability on a limited liability company because of the person's conduct.

30-6-302. STATEMENT OF AUTHORITY. (1) A limited liability company may deliver to the secretary of state for filing a statement of authority. The statement:

(a) Must include the name of the company and the street and mailing addresses of its designated office;
(b) With respect to any position that exists in or with respect to the company, may state the authority, or limitations on the authority, of all persons holding the position to:
   (i) Execute an instrument transferring real property held in the name of the company; or
   (ii) Enter into other transactions on behalf of, or otherwise act for or bind, the company; and
(c) May state the authority, or limitations on the authority, of a specific person to:
   (i) Execute an instrument transferring real property held in the name of the company; or
   (ii) Enter into other transactions on behalf of, or otherwise act for or bind, the company.

(2) To amend or cancel a statement of authority filed by the secretary of state under section 30-6-205(1), Idaho Code, a limited liability company must deliver to the secretary of state for filing an amendment or cancellation stating:

(a) The name of the company;
(b) The street and mailing addresses of the company's designated office;
(c) The caption of the statement being amended or canceled and the date the statement being affected became effective; and
(d) The contents of the amendment or a declaration that the statement being affected is canceled.

(3) A statement of authority affects only the power of a person to bind a limited liability company to persons that are not members.

(4) Subject to subsection (3) of this section and section 30-6-103(4), Idaho Code, and except as otherwise provided in subsections (6), (7) and (8) of this section, a limitation on the authority of a
person or a position contained in an effective statement of authority is not by itself evidence of knowledge or notice of the limitation by any person.

(5) Subject to subsection (3) of this section, a grant of authority not pertaining to transfers of real property and contained in an effective statement of authority is conclusive in favor of a person that gives value in reliance on the grant, except to the extent that when the person gives value:

(a) The person has knowledge to the contrary;
(b) The statement has been canceled or restrictively amended under subsection (2) of this section; or
(c) A limitation on the grant is contained in another statement of authority that became effective after the statement containing the grant became effective.

(6) Subject to subsection (3) of this section, an effective statement of authority that grants authority to transfer real property held in the name of the limited liability company and that is delivered by the limited liability company to the secretary of state for filing is conclusive in favor of a person that gives value in reliance on the grant without knowledge to the contrary, except to the extent that when the person gives value:

(a) The statement has been canceled or restrictively amended under subsection (2) of this section; or
(b) A limitation on the grant is contained in another statement of authority that became effective after the statement containing the grant became effective.

(7) Subject to subsection (3) of this section, if a statement containing a limitation on the authority to transfer real property held in the name of a limited liability company is filed with the secretary of state, all persons are deemed to know of the limitation.

(8) Subject to subsection (9) of this section, an effective statement of dissolution or termination is a cancellation of any filed statement of authority for the purposes of subsection (6) of this section and is a limitation on authority for the purposes of subsection (7) of this section.

(9) After a statement of dissolution becomes effective, a limited liability company may deliver to the secretary of state for filing a statement of authority that is designated as a postdissolution statement of authority. The statement operates as provided in subsections (6) and (7) of this section.

(10) Unless earlier canceled, an effective statement of authority is canceled by operation of law five (5) years after the date on which the statement, or its most recent amendment, becomes effective.

(11) An effective statement of denial operates as a restrictive amendment under this section.

30-6-303. STATEMENT OF DENIAL. A person named in a filed statement of authority granting that person authority may deliver to the secretary of state for filing a statement of denial that:

(1) Provides the name of the limited liability company and the caption of the statement of authority to which the statement of denial pertains; and
(2) Denies the grant of authority.
30-6-304. LIABILITY OF MEMBERS AND MANAGERS. (1) The debts, obligations or other liabilities of a limited liability company, whether arising in contract, tort or otherwise:
   (a) Are solely the debts, obligations or other liabilities of the company; and
   (b) Do not become the debts, obligations or other liabilities of a member or manager solely by reason of the member acting as a member or manager acting as a manager.

(2) The failure of a limited liability company to observe any particular formalities relating to the exercise of its powers or management of its activities is not a ground for imposing liability on the members or managers for the debts, obligations or other liabilities of the company.

PART 4.
RELATIONS OF MEMBERS TO EACH OTHER AND TO LIMITED LIABILITY COMPANY

30-6-401. BECOMING A MEMBER. (1) If a limited liability company is to have only one (1) member upon formation, the person becomes a member as agreed by that person and the organizer of the company. That person and the organizer may be, but need not be, different persons. If different, the organizer acts on behalf of the initial member.

(2) If a limited liability company is to have more than one (1) member upon formation, those persons become members as agreed by the persons before the formation of the company. The organizer acts on behalf of the persons in forming the company and may be, but need not be, one (1) of the persons.

(3) After formation of a limited liability company, a person becomes a member:
   (a) As provided in the operating agreement;
   (b) As the result of a transaction effective under chapter 18, title 30, Idaho Code;
   (c) With the consent of all the members; or
   (d) If, within ninety (90) consecutive days after the company ceases to have any members:
      (i) The last person to have been a member, or the legal representative of that person, designates a person to become a member; and
      (ii) The designated person consents to become a member.

(4) A person may become a member without acquiring a transferable interest and without making or being obligated to make a contribution to the limited liability company.

30-6-402. FORM OF CONTRIBUTION. A contribution may consist of tangible or intangible property or other benefit to a limited liability company, including money, services performed, promissory notes, other agreements to contribute money or property, and contracts for services to be performed.

30-6-403. LIABILITY FOR CONTRIBUTIONS. (1) A person's obligation to make a contribution to a limited liability company is not excused by the person's death, disability, or other inability to perform personally. If a person does not make a required contribution, the person or the
person's estate is obligated to contribute money equal to the value of the part of the contribution which has not been made, at the option of the company.

(2) A creditor of a limited liability company which extends credit or otherwise acts in reliance on an obligation described in subsection (1) of this section may enforce the obligation.

30-6-404. SHARING OF AND RIGHT TO DISTRIBUTIONS BEFORE DISSOLUTION. (1) Any distributions made by a limited liability company before its dissolution and winding up must be in equal shares among members and dissociated members, except to the extent necessary to comply with any transfer effective under section 30-6-502, Idaho Code, and any charging order in effect under section 30-6-503, Idaho Code.

(2) A person has a right to a distribution before the dissolution and winding up of a limited liability company only if the company decides to make an interim distribution. A person's dissociation does not entitle the person to a distribution.

(3) A person does not have a right to demand or receive a distribution from a limited liability company in any form other than money. Except as otherwise provided in section 30-6-708(3), Idaho Code, a limited liability company may distribute an asset in kind if each part of the asset is fungible with each other part and each person receives a percentage of the asset equal in value to the person's share of distributions.

(4) If a member or transferee becomes entitled to receive a distribution, the member or transferee is entitled to all remedies available to a creditor of the limited liability company with respect to the distribution.

30-6-405. LIMITATIONS ON DISTRIBUTION. (1) A limited liability company may not make a distribution if after the distribution:

(a) The company would not be able to pay its debts as they become due in the ordinary course of the company's activities; or

(b) The company's total assets would be less than the sum of its total liabilities plus the amount that would be needed, if the company were to be dissolved, wound up and terminated at the time of the distribution, to satisfy the preferential rights upon dissolution, winding up and termination of members whose preferential rights are superior to those of persons receiving the distribution.

(2) A limited liability company may base a determination that a distribution is not prohibited under subsection (1) of this section on financial statements prepared on the basis of accounting practices and principles that are reasonable in the circumstances or on a fair valuation or other method that is reasonable under the circumstances.

(3) Except as otherwise provided in subsection (6) of this section, the effect of a distribution under subsection (1) of this section is measured:

(a) In the case of a distribution by purchase, redemption or other acquisition of a transferable interest in the company, as of the date money or other property is transferred or debt incurred by the company; and

(b) In all other cases, as of the date:

(i) The distribution is authorized, if the payment occurs within one hundred twenty (120) days after that date; or
(ii) The payment is made, if the payment occurs more than one hundred twenty (120) days after the distribution is authorized.

(4) A limited liability company's indebtedness to a member incurred by reason of a distribution made in accordance with this section is at parity with the company's indebtedness to its general, unsecured creditors.

(5) A limited liability company's indebtedness, including indebtedness issued in connection with or as part of a distribution, is not a liability for purposes of subsection (1) of this section if the terms of the indebtedness provide that payment of principal and interest are made only to the extent that a distribution could be made to members under this section.

(6) If indebtedness is issued as a distribution, each payment of principal or interest on the indebtedness is treated as a distribution, the effect of which is measured on the date the payment is made.

(7) In subsection (1) of this section, "distribution" does not include amounts constituting reasonable compensation for present or past services or reasonable payments made in the ordinary course of business under a bona fide retirement plan or other benefits program.

30-6-406. LIABILITY FOR IMPROPER DISTRIBUTIONS. (1) Except as otherwise provided in subsection (2) of this section, if a member of a member-managed limited liability company or manager of a manager-managed limited liability company consents to a distribution made in violation of section 30-6-405, Idaho Code, and in consenting to the distribution fails to comply with section 30-6-409, Idaho Code, the member or manager is personally liable to the company for the amount of the distribution that exceeds the amount that could have been distributed without the violation of section 30-6-405, Idaho Code.

(2) To the extent the operating agreement of a member-managed limited liability company expressly relieves a member of the authority and responsibility to consent to distributions and imposes that authority and responsibility on one (1) or more other members, the liability stated in subsection (1) of this section applies to the other members and not the member that the operating agreement relieves of authority and responsibility.

(3) A person that receives a distribution knowing that the distribution to that person was made in violation of section 30-6-405, Idaho Code, is personally liable to the limited liability company but only to the extent that the distribution received by the person exceeded the amount that could have been properly paid under section 30-6-405, Idaho Code.

(4) A person against which an action is commenced because the person is liable under subsection (1) of this section may:

(a) Implead any other person that is subject to liability under subsection (1) of this section and seek to compel contribution from the person; and

(b) Implead any person that received a distribution in violation of subsection (3) of this section and seek to compel contribution from the person in the amount the person received in violation of subsection (3) of this section.

(5) An action under this section is barred if not commenced within two (2) years after the distribution.
30-6-407. MANAGEMENT OF LIMITED LIABILITY COMPANY. (1) A limited liability company is a member-managed limited liability company unless the operating agreement:

(a) Expressly provides that:
   (i) The company is or will be "manager-managed";
   (ii) The company is or will be "managed by managers"; or
   (iii) Management of the company is or will be "vested in managers"; or

(b) Includes words of similar import.

(2) In a member-managed limited liability company, as among the members, the following rules apply:

(a) The management and conduct of the company are vested in the members.
(b) Each member has equal rights in the management and conduct of the company's activities.
(c) A difference arising among members as to a matter in the ordinary course of the activities of the company may be decided by a majority of the members.
(d) An act outside the ordinary course of the activities of the company may be undertaken only with the consent of all members.
(e) The operating agreement may be amended only with the consent of all members.

(3) In a manager-managed limited liability company, as among the members and the managers, the following rules apply:

(a) Except as otherwise expressly provided in this chapter, any matter relating to the activities of the company is decided exclusively by the managers.
(b) Each manager has equal rights in the management and conduct of the activities of the company.
(c) A difference arising among managers as to a matter in the ordinary course of the activities of the company may be decided by a majority of the managers.
(d) The consent of all members is required to:
   (i) Sell, lease, exchange or otherwise dispose of all, or substantially all, of the company's property, with or without the good will, outside the ordinary course of the company's activities;
   (ii) Approve a merger, conversion or domestication under part 10 of this chapter;
   (iii) Undertake any other act outside the ordinary course of the company's activities; and
   (iv) Amend the operating agreement.

(e) A manager may be chosen at any time by the consent of a majority of the members and remains a manager until a successor has been chosen, unless the manager at an earlier time resigns, is removed, or dies, or, in the case of a manager that is not an individual, terminates. A manager may be removed at any time by the consent of a majority of the members without notice or cause.

(f) A person need not be a member to be a manager, but the dissociation of a member that is also a manager removes the person as a manager. If a person that is both a manager and a member ceases to be a manager, that cessation does not by itself dissociate the person as a member.

(g) A person's ceasing to be a manager does not discharge any debt,
obligation or other liability to the limited liability company or members which the person incurred while a manager.

(4) An action requiring the consent of members under this chapter may be taken without a meeting, and a member may appoint a proxy or other agent to consent or otherwise act for the member by signing an appointing record, personally or by the member's agent.

(5) The dissolution of a limited liability company does not affect the applicability of this section. However, a person that wrongfully causes dissolution of the company loses the right to participate in management as a member and a manager.

(6) This chapter does not entitle a member to remuneration for services performed for a member-managed limited liability company, except for reasonable compensation for services rendered in winding up the activities of the company.

30-6-408. INDEMNIFICATION AND INSURANCE. (1) A limited liability company shall reimburse for any payment made and indemnify for any debt, obligation or other liability incurred by a member of a member-managed company or the manager of a manager-managed company in the course of the member's or manager's activities on behalf of the company, if, in making the payment or incurring the debt, obligation or other liability, the member or manager complied with the duties stated in sections 30-6-405 and 30-6-409, Idaho Code.

(2) A limited liability company may purchase and maintain insurance on behalf of a member or manager of the company against liability asserted against or incurred by the member or manager in that capacity or arising from that status even if, under section 30-6-110(7), Idaho Code, the operating agreement could not eliminate or limit the person's liability to the company for the conduct giving rise to the liability.

30-6-409. STANDARDS OF CONDUCT FOR MEMBERS AND MANAGERS. (1) A member of a member-managed limited liability company owes to the company and, subject to section 30-6-901(2), Idaho Code, the other members the fiduciary duties of loyalty and care stated in subsections (2) and (3) of this section.

(2) The duty of loyalty of a member in a member-managed limited liability company includes the duties:

(a) To account to the company and to hold as trustee for it any property, profit or benefit derived by the member:
   (i) In the conduct or winding up of the company's activities;
   (ii) From a use by the member of the company's property; or
   (iii) From the appropriation of a limited liability company opportunity;

(b) To refrain from dealing with the company in the conduct or winding up of the company's activities as or on behalf of a person having an interest adverse to the company; and

(c) To refrain from competing with the company in the conduct of the company's activities before the dissolution of the company.

(3) Subject to the business judgment rule, the duty of care of a member of a member-managed limited liability company in the conduct and winding up of the company's activities is to act with the care that a person in a like position would reasonably exercise under similar circumstances and in a manner the member reasonably believes to be in the best interests of the company. In discharging this duty, a member may
rely in good faith upon opinions, reports, statements or other information provided by another person that the member reasonably believes is a competent and reliable source for the information.

(4) A member in a member-managed limited liability company or a manager-managed limited liability company shall discharge the duties under this chapter or under the operating agreement and exercise any rights consistently with the contractual obligation of good faith and fair dealing.

(5) It is a defense to a claim under subsection (2)(b) of this section and any comparable claim in equity or at common law that the transaction was fair to the limited liability company.

(6) All of the members of a member-managed limited liability company or a manager-managed limited liability company may authorize or ratify, after full disclosure of all material facts, a specific act or transaction that otherwise would violate the duty of loyalty.

(7) In a manager-managed limited liability company, the following rules apply:

(a) Subsections (1), (2), (3) and (5) of this section apply to the manager or managers and not the members.

(b) The duty stated under subsection (2)(c) of this section continues until winding up is completed.

(c) Subsection (4) of this section applies to the members and managers.

(d) Subsection (6) of this section applies only to the members.

(e) A member does not have any fiduciary duty to the company or to any other member solely by reason of being a member.

30-6-410. RIGHT OF MEMBERS, MANAGERS AND DISSOCIATED MEMBERS TO INFORMATION. (1) In a member-managed limited liability company, the following rules apply:

(a) On reasonable notice, a member may inspect and copy during regular business hours, at a reasonable location specified by the company, any record maintained by the company regarding the company's activities, financial condition and other circumstances, to the extent the information is material to the member's rights and duties under the operating agreement or this chapter.

(b) The company shall furnish to each member:

(i) Without demand, any information concerning the company's activities, financial condition and other circumstances which the company knows and is material to the proper exercise of the member's rights and duties under the operating agreement or this chapter, except to the extent the company can establish that it reasonably believes the member already knows the information; and

(ii) On demand, any other information concerning the company's activities, financial condition and other circumstances, except to the extent the demand or information demanded is unreasonable or otherwise improper under the circumstances.

(c) The duty to furnish information under paragraph (b) of this subsection also applies to each member to the extent the member knows any of the information described in paragraph (b) of this subsection.

(2) In a manager-managed limited liability company, the following rules apply:
(a) The informational rights stated in subsection (1) of this section and the duty stated in subsection (1)(c) of this section apply to the managers and not the members.

(b) During regular business hours and at a reasonable location specified by the company, a member may obtain from the company and inspect and copy full information regarding the activities, financial condition and other circumstances of the company as is just and reasonable if:

(i) The member seeks the information for a purpose material to the member's interest as a member;

(ii) The member makes a demand in a record received by the company, describing with reasonable particularity the information sought and the purpose for seeking the information; and

(iii) The information sought is directly connected to the member's purpose.

(c) Within ten (10) days after receiving a demand pursuant to paragraph (b)(ii) of this subsection, the company shall in a record inform the member that made the demand:

(i) Of the information that the company will provide in response to the demand and when and where the company will provide the information; and

(ii) If the company declines to provide any demanded information, the company's reasons for declining.

(d) Whenever this chapter or an operating agreement provides for a member to give or withhold consent to a matter, before the consent is given or withheld, the company shall, without demand, provide the member with all information that is known to the company and is material to the member's decision.

(3) On ten (10) days' demand made in a record received by a limited liability company, a dissociated member may have access to information to which the person was entitled while a member if the information pertains to the period during which the person was a member, the person seeks the information in good faith, and the person satisfies the requirements imposed on a member by subsection (2)(b) of this section. The company shall respond to a demand made pursuant to this subsection in the manner provided in subsection (2)(c) of this section.

(4) A limited liability company may charge a person that makes a demand under this section the reasonable costs of copying, limited to the costs of labor and material.

(5) A member or dissociated member may exercise rights under this section through an agent or, in the case of an individual under legal disability, a legal representative. Any restriction or condition imposed by the operating agreement or under subsection (7) of this section applies both to the agent or legal representative and the member or dissociated member.

(6) The rights under this section do not extend to a person as transferee.

(7) In addition to any restriction or condition stated in its operating agreement, a limited liability company, as a matter within the ordinary course of its activities, may impose reasonable restrictions and conditions on access to and use of information to be furnished under this section, including designating information confidential and impos-
ing nondisclosure and safeguarding obligations on the recipient. In a dispute concerning the reasonableness of a restriction under this subsection, the company has the burden of proving reasonableness.

PART 5.
TRANSFERABLE INTERESTS AND RIGHTS OF TRANSFEREES AND CREDITORS

30-6-501. NATURE OF TRANSFERABLE INTEREST. A transferable interest is personal property.

30-6-502. TRANSFER OF TRANSFERABLE INTEREST. (1) A transfer, in whole or in part, of a transferable interest:
   (a) Is permissible, provided however, that the transfer of a transferable interest in a professional company is not permissible absent compliance with section 30-6-201A(7), Idaho Code;
   (b) Does not by itself cause a member's dissociation or a dissolution and winding up of the limited liability company's activities; and
   (c) Subject to section 30-6-504, Idaho Code, does not entitle the transferee to:
      (i) Participate in the management or conduct of the company's activities; or
      (ii) Except as otherwise provided in subsection (3) of this section, have access to records or other information concerning the company's activities.

(2) A transferee has the right to receive, in accordance with the transfer, distributions to which the transferor would otherwise be entitled.

(3) In a dissolution and winding up of a limited liability company, a transferee is entitled to an account of the company's transactions only from the date of dissolution.

(4) A transferable interest may be evidenced by a certificate of the interest issued by the limited liability company in a record, and, subject to this section, the interest represented by the certificate may be transferred by a transfer of the certificate.

(5) A limited liability company need not give effect to a transferee's rights under this section until the company has notice of the transfer.

(6) A transfer of a transferable interest in violation of a restriction on transfer contained in the operating agreement is ineffective as to a person having notice of the restriction at the time of transfer.

(7) Except as otherwise provided in section 30-6-602(4)(b), Idaho Code, when a member transfers a transferable interest, the transferor retains the rights of a member other than the interest in distributions transferred and retains all duties and obligations of a member.

(8) When a member transfers a transferable interest to a person that becomes a member with respect to the transferred interest, the transferee is liable for the member's obligations under sections 30-6-403 and 30-6-406(3), Idaho Code, known to the transferee when the transferee becomes a member.
30-6-503. CHARGING ORDER. (1) On application by a judgment creditor of a member or transferee, a court may enter a charging order against the transferable interest of the judgment debtor for the unsatisfied amount of the judgment. A charging order constitutes a lien on a judgment debtor's transferable interest and requires the limited liability company to pay over to the person to which the charging order was issued any distribution that would otherwise be paid to the judgment debtor.

(2) To the extent necessary to effectuate the collection of distributions pursuant to a charging order in effect under subsection (1) of this section, the court may:

(a) Appoint a receiver of the distributions subject to the charging order, with the power to make all inquiries the judgment debtor might have made; and

(b) Make all other orders necessary to give effect to the charging order.

(3) Upon a showing that distributions under a charging order will not pay the judgment debt within a reasonable time, the court may foreclose the lien and order the sale of the transferable interest. The purchaser at the foreclosure sale only obtains the transferable interest, does not thereby become a member, and is subject to section 30-6-502, Idaho Code.

(4) At any time before foreclosure under subsection (3) of this section, the member or transferee whose transferable interest is subject to a charging order under subsection (1) of this section may extinguish the charging order by satisfying the judgment and filing a certified copy of the satisfaction with the court that issued the charging order.

(5) At any time before foreclosure under subsection (3) of this section, a limited liability company or one or more members whose transferable interests are not subject to the charging order may pay to the judgment creditor the full amount due under the judgment and thereby succeed to the rights of the judgment creditor, including the charging order.

(6) This chapter does not deprive any member or transferee of the benefit of any exemption laws applicable to the member's or transferee's transferable interest.

(7) This section provides the exclusive remedy by which a person seeking to enforce a judgment against a member or transferee may, in the capacity of judgment creditor, satisfy the judgment from the judgment debtor's transferable interest.

30-6-504. POWER OF PERSONAL REPRESENTATIVE OF DECEASED MEMBER. If a member dies, the deceased member's personal representative or other legal representative may exercise the rights of a transferee provided in section 30-6-502(3), Idaho Code, and, for the purposes of settling the estate, the rights of a current member under section 30-6-410, Idaho Code.

PART 6.
MEMBER'S DISSOCIATION

30-6-601. MEMBER'S POWER TO DISSOCIATE -- WRONGFUL DISSOCIATION. (1) A person has the power to dissociate as a member at any time, rightfully or wrongfully, by withdrawing as a member by express will under section 30-6-602(1), Idaho Code.
(2) A person's dissociation from a limited liability company is wrongful only if the dissociation:
   (a) Is in breach of an express provision of the operating agreement; or
   (b) Occurs before the termination of the company and:
      (i) The person withdraws as a member by express will;
      (ii) The person is expelled as a member by judicial order under section 30-6-602(5), Idaho Code;
      (iii) The person is dissociated under section 30-6-602(7)(a), Idaho Code, by becoming a debtor in bankruptcy; or
      (iv) In the case of a person that is not a trust other than a business trust, an estate or an individual, the person is expelled or otherwise dissociated as a member because it willfully dissolved or terminated.

(3) A person that wrongfully dissociates as a member is liable to the limited liability company and, subject to section 30-6-901, Idaho Code, to the other members for damages caused by the dissociation. The liability is in addition to any other debt, obligation or other liability of the member to the company or the other members.

30-6-602. EVENTS CAUSING DISSOCIATION. A person is dissociated as a member from a limited liability company when:
   (1) The company has notice of the person's express will to withdraw as a member, but, if the person specified a withdrawal date later than the date the company had notice, on that later date;
   (2) An event stated in the operating agreement as causing the person's dissociation occurs;
   (3) The person is expelled as a member pursuant to the operating agreement;
   (4) The person is expelled as a member by the unanimous consent of the other members if:
      (a) It is unlawful to carry on the company's activities with the person as a member;
      (b) There has been a transfer of all of the person's transferable interest in the company, other than:
         (i) A transfer for security purposes; or
         (ii) A charging order in effect under section 30-6-503, Idaho Code, which has not been foreclosed;
      (c) The person is a corporation and, within ninety (90) days after the company notifies the person that it will be expelled as a member because the person has filed a certificate of dissolution or the equivalent, its charter has been revoked, or its right to conduct business has been suspended by the jurisdiction of its incorporation, the certificate of dissolution has not been revoked or its charter or right to conduct business has not been reinstated; or
      (d) The person is a limited liability company or partnership that has been dissolved and whose business is being wound up;
   (5) On application by the company, the person is expelled as a member by judicial order because the person:
      (a) Has engaged, or is engaging, in wrongful conduct that has adversely and materially affected, or will adversely and materially affect, the company's activities;
      (b) Has willfully or persistently committed, or is willfully and persistently committing, a material breach of the operating agree-
ment or the person's duties or obligations under section 30-6-409, Idaho Code; or
(c) Has engaged in, or is engaging, in conduct relating to the company's activities which makes it not reasonably practicable to carry on the activities with the person as a member;
(6) In the case of a person who is an individual:
(a) The person dies; or
(b) In a member-managed limited liability company:
   (i) A guardian or general conservator for the person is appointed; or
   (ii) There is a judicial order that the person has otherwise become incapable of performing the person's duties as a member under this chapter or the operating agreement;
(7) In a member-managed limited liability company, the person:
(a) Becomes a debtor in bankruptcy;
(b) Executes an assignment for the benefit of creditors; or
(c) Seeks, consents to or acquiesces in the appointment of a trustee, receiver or liquidator of the person or of all or substantially all of the person's property;
(8) In the case of a person that is a trust or is acting as a member by virtue of being a trustee of a trust, the trust's entire transferable interest in the company is distributed;
(9) In the case of a person that is an estate or is acting as a member by virtue of being a personal representative of an estate, the estate's entire transferable interest in the company is distributed;
(10) In the case of a member that is not an individual, partnership, limited liability company, corporation, trust or estate, the termination of the member;
(11) The company participates in a merger under chapter 18, title 30, Idaho Code, if:
   (a) The company is not the surviving entity; or
   (b) Otherwise as a result of the merger, the person ceases to be a member;
(12) The company participates in a conversion under chapter 18, title 30, Idaho Code;
(13) The company participates in a domestication under chapter 18, title 30, Idaho Code, if, as a result of the domestication, the person ceases to be a member;
(14) The company terminates; or
(15) In the case of a professional company, restrictions or limitations are placed upon a member's ability to continue to render professional services.

30-6-603. EFFECT OF PERSON'S DISSOCIATION AS MEMBER. (1) When a person is dissociated as a member of a limited liability company:
(a) The person's right to participate as a member in the management and conduct of the company's activities terminates;
(b) If the company is member-managed, the person's fiduciary duties as a member end with regard to matters arising and events occurring after the person's dissociation; and
(c) Subject to section 30-6-504, Idaho Code, and chapter 18, title 30, Idaho Code, any transferable interest owned by the person immediately before dissociation in the person's capacity as a member is owned by the person solely as a transferee.
(2) A person's dissociation as a member of a limited liability company does not of itself discharge the person from any debt, obligation or other liability to the company or the other members which the person incurred while a member.

PART 7.
DISSOLUTION AND WINDING UP

30-6-701. EVENTS CAUSING DISSOLUTION. (1) A limited liability company is dissolved, and its activities must be wound up, upon the occurrence of any of the following:
(a) An event or circumstance that the operating agreement states causes dissolution;
(b) The consent of all the members;
(c) The passage of ninety (90) consecutive days during which the company has no members;
(d) On application by a member, the entry by the district court of an order dissolving the company on the grounds that:
   (i) The conduct of all or substantially all of the company's activities is unlawful; or
   (ii) It is not reasonably practicable to carry on the company's activities in conformity with the certificate of organization and the operating agreement; or
(e) On application by a member, the entry by the district court of an order dissolving the company on the grounds that the managers or those members in control of the company:
   (i) Have acted, are acting, or will act in a manner that is illegal or fraudulent; or
   (ii) Have acted or are acting in a manner that is oppressive and was, is, or will be directly harmful to the applicant.
(2) In a proceeding brought under subsection (1)(e) of this section, the district court may order a remedy other than dissolution.

30-6-702. WINDING UP. (1) A dissolved limited liability company shall wind up its activities, and the company continues after dissolution only for the purpose of winding up.
(2) In winding up its activities, a limited liability company:
(a) Shall discharge the company's debts, obligations or other liabilities, settle and close the company's activities, and marshal and distribute the assets of the company; and
(b) May:
   (i) Deliver to the secretary of state for filing a statement of dissolution stating the name of the company and that the company is dissolved;
   (ii) Preserve the company activities and property as a going concern for a reasonable time;
   (iii) Prosecute and defend actions and proceedings, whether civil, criminal or administrative;
   (iv) Transfer the company's property;
   (v) Settle disputes by mediation or arbitration;
   (vi) Deliver to the secretary of state for filing a statement of termination stating the name of the company and that the company is terminated; and
(vii) Perform other acts necessary or appropriate to the winding up.

(3) If a dissolved limited liability company has no members, the legal representative of the last person to have been a member may wind up the activities of the company. If the person does so, the person has the powers of a sole manager under section 30-6-407(3), Idaho Code, and is deemed to be a manager for the purposes of section 30-6-304(1)(b), Idaho Code.

(4) If the legal representative under subsection (3) of this section declines or fails to wind up the company's activities, a person may be appointed to do so by the consent of transferees owning a majority of the right to receive distributions as transferees at the time the consent is to be effective. A person appointed under this subsection:

(a) Has the powers of a sole manager under section 30-6-407(3), Idaho Code, and is deemed to be a manager for the purposes of section 30-6-304(1)(b), Idaho Code; and

(b) Shall promptly deliver to the secretary of state for filing an amendment to the company's certificate of organization to:

(i) State that the company has no members;

(ii) State that the person has been appointed pursuant to this subsection to wind up the company; and

(iii) Provide the street and mailing addresses of the person.

(5) The district court may order judicial supervision of the winding up of a dissolved limited liability company, including the appointment of a person to wind up the company's activities:

(a) On application of a member, if the applicant establishes good cause;

(b) On the application of transferee, if:

(i) The company does not have any members;

(ii) The legal representative of the last person to have been a member declines or fails to wind up the company's activities; and

(iii) Within a reasonable time following the dissolution a person has not been appointed pursuant to subsection (3) of this section; or

(c) In connection with a proceeding under section 30-6-701(1)(d) or (e), Idaho Code.

30-6-703. KNOWN CLAIMS AGAINST DISSOLVED LIMITED LIABILITY COMPANY.

(1) Except as otherwise provided in subsection (4) of this section, a dissolved limited liability company may give notice of a known claim under subsection (2) of this section, which has the effect as provided in subsection (3) of this section.

(2) A dissolved limited liability company may in a record notify its known claimants of the dissolution. The notice must:

(a) Specify the information required to be included in a claim;

(b) Provide a mailing address to which the claim is to be sent;

(c) State the deadline for receipt of the claim, which may not be less than one hundred twenty (120) days after the date the notice is received by the claimant; and

(d) State that the claim will be barred if not received by the deadline.

(3) A claim against a dissolved limited liability company is barred if the requirements of subsection (2) of this section are met and:
(a) The claim is not received by the specified deadline; or
(b) If the claim is timely received but rejected by the company:
   (i) The company causes the claimant to receive a notice in a record stating that the claim is rejected and will be barred unless the claimant commences an action against the company to enforce the claim within ninety (90) days after the claimant receives the notice; and
   (ii) The claimant does not commence the required action within the ninety (90) days.

(4) This section does not apply to a claim based on an event occurring after the effective date of dissolution or a liability that on that date is contingent.

30-6-704. OTHER CLAIMS AGAINST DISSOLVED LIMITED LIABILITY COMPANY.
(1) A dissolved limited liability company may publish notice of its dissolution and request persons having claims against the company to present them in accordance with the notice.
   (2) The notice authorized by subsection (1) of this section must:
      (a) Be published at least once in a newspaper of general circulation in the county in this state in which the dissolved limited liability company's principal office is located or, if it has none in this state, in the county in which the company's designated office is or was last located;
      (b) Describe the information required to be contained in a claim and provide a mailing address to which the claim is to be sent; and
      (c) State that a claim against the company is barred unless an action to enforce the claim is commenced within five (5) years after publication of the notice.
   (3) If a dissolved limited liability company publishes a notice in accordance with subsection (2) of this section, unless the claimant commences an action to enforce the claim against the company within five (5) years after the publication date of the notice, the claim of each of the following claimants is barred:
      (a) A claimant that did not receive notice in a record under section 30-6-703, Idaho Code;
      (b) A claimant whose claim was timely sent to the company but not acted on; and
      (c) A claimant whose claim is contingent at, or based on an event occurring after, the effective date of dissolution.
   (4) A claim not barred under this section may be enforced:
      (a) Against a dissolved limited liability company, to the extent of its undistributed assets; and
      (b) If assets of the company have been distributed after dissolution, against a member or transferee to the extent of that person's proportionate share of the claim or of the assets distributed to the member or transferee after dissolution, whichever is less, but a person's total liability for all claims under this paragraph does not exceed the total amount of assets distributed to the person after dissolution.

30-6-705. GROUNDS FOR ADMINISTRATIVE DISSOLUTION, PROCEDURE AND EFFECT. (1) The secretary of state may administratively dissolve a limited liability company if:
   (a) The limited liability company does not deliver its annual
report to the secretary of state by the date on which it is due;
(b) The limited liability company is without a registered agent for sixty (60) days or more; or
(c) The secretary of state has credible information that the limited liability company has failed to notify the secretary of state within sixty (60) days after the occurrence that its registered agent has been changed or that its registered agent has resigned.
(2) If the secretary of state determines that one (1) or more grounds exist under this section for dissolving a limited liability company, the secretary of state shall give notice of the determination to the limited liability company by first class mail addressed to its mailing address as indicated on its most recent annual report or, if the limited liability company has not yet filed an annual report, to its registered agent.
(3) If the limited liability company does not correct each ground for dissolution or demonstrate to the reasonable satisfaction of the secretary of state that each ground determined by the secretary of state does not exist within sixty (60) days after receipt of the notice of determination, the secretary of state shall administratively dissolve the limited liability company by noting the fact of dissolution and the effective date thereof in his records. The secretary of state shall give notice of the dissolution to the limited liability company by first class mail addressed to its mailing address as indicated on its most recent annual report or, if the limited liability company has not yet filed an annual report, to its registered agent.
(4) A limited liability company administratively dissolved continues its legal existence but may not carry on any business except that necessary to wind up and liquidate its business and affairs under sections 30-6-702 and 30-6-708, Idaho Code, and notify claimants under sections 30-6-703 and 30-6-704, Idaho Code.
(5) The administrative dissolution of a limited liability company does not terminate the authority of its registered agent.

30-6-706. REINSTATEMENT FOLLOWING ADMINISTRATIVE DISSOLUTION. (1) A limited liability company that has been administratively dissolved may apply to the secretary of state for reinstatement within ten (10) years after the effective date of dissolution. The application must be delivered to the secretary of state for filing and state:
(a) The name of the company and the effective date of its dissolution;
(b) That the grounds for dissolution have been eliminated; and
(c) That the company's name satisfies the requirements of section 30-6-108, Idaho Code.
(2) If the secretary of state determines that an application under subsection (1) of this section contains the required information and that the information is correct, the secretary of state shall prepare a certificate of reinstatement that states this determination, file the original of the certificate of reinstatement, and mail a copy to the limited liability company.
(3) When a reinstatement becomes effective, it relates back to and takes effect as of the effective date of the administrative dissolution and the limited liability company may resume its activities as if the dissolution had not occurred.
30-6-707. APPEAL FROM REJECTION OF REINSTATEMENT. (1) If the secretary of state denies a limited liability company's application for reinstatement following administrative dissolution, the secretary of state shall mail the company a copy of the notice that reinstatement has been denied.

(2) Within thirty (30) days after mailing of a notice of denial of reinstatement under subsection (1) of this section, a limited liability company may appeal from the denial by petitioning the district court of Ada county to set aside the dissolution. The petition must be served on the secretary of state and contain a copy of the secretary of state's notice of dissolution, the company's application for reinstatement, and the secretary of state's notice of denial.

(3) The district court may, if grounds exist, order the secretary of state to reinstate a dissolved limited liability company or take other action the court considers appropriate.

30-6-708. DISTRIBUTION OF ASSETS IN WINDING UP LIMITED LIABILITY COMPANY'S ACTIVITIES. (1) In winding up its activities, a limited liability company must apply its assets to discharge its obligations to creditors, including members that are creditors.

(2) After a limited liability company complies with subsection (1) of this section, any surplus must be distributed in the following order, subject to any charging order in effect under section 30-6-503, Idaho Code:

(a) To each person owning a transferable interest that reflects contributions made by a member and not previously returned, an amount equal to the value of the unreturned contributions; and

(b) In equal shares among members and dissociated members, except to the extent necessary to comply with any transfer effective under section 30-6-502, Idaho Code.

(3) If a limited liability company does not have sufficient surplus to comply with subsection (2)(a) of this section, any surplus must be distributed among the owners of transferable interests in proportion to the value of their respective unreturned contributions.

(4) All distributions made under subsections (2) and (3) of this section must be paid in money.

PART 8.
FOREIGN LIMITED LIABILITY COMPANIES

30-6-801. GOVERNING LAW. (1) The law of the state or other jurisdiction under which a foreign limited liability company is formed governs:

(a) The internal affairs of the company; and

(b) The liability of a member as member and a manager as manager for the debts, obligations or other liabilities of the company; provided however, that a foreign professional company rendering services in this state shall be subject to the laws of this state and the code of ethics or professional responsibility which are applicable to the professions in which such professional company is rendering services in this state.

(2) A foreign limited liability company may not be denied a certificate of authority by reason of any difference between the law of the
jurisdiction under which the company is formed and the law of this state.

(3) A certificate of authority does not authorize a foreign limited liability company to engage in any business or exercise any power that a limited liability company may not engage in or exercise in this state.

30-6-802. APPLICATION FOR CERTIFICATE OF AUTHORITY. (1) A foreign limited liability company may apply for a certificate of authority to transact business in this state by delivering an application to the secretary of state for filing. The application must state:

(a) The name of the company and, if the name does not comply with section 30-6-108, Idaho Code, an alternate name adopted pursuant to section 30-6-805(1), Idaho Code;

(b) The name of the state or other jurisdiction under whose law the company is formed;

(c) The street and mailing addresses of the company's principal office and, if the law of the jurisdiction under which the company is formed requires the company to maintain an office in that jurisdiction, the street and mailing addresses of the required office;

(d) The information required by section 30-405(1), Idaho Code; and

(e) The name and mailing address of at least one (1) member or manager.

(2) A foreign limited liability company shall deliver with a completed application under subsection (1) of this section a certificate of existence or a record of similar import signed by the secretary of state or other official having custody of the company's publicly filed records in the state or other jurisdiction under whose law the company is formed.

30-6-803. ACTIVITIES NOT CONSTITUTING TRANSACTING BUSINESS. (1) Activities of a foreign limited liability company which do not constitute transacting business in this state within the meaning of this part include:

(a) Maintaining, defending or settling an action or proceeding;

(b) Carrying on any activity concerning its internal affairs, including holding meetings of its members or managers;

(c) Maintaining accounts in financial institutions;

(d) Maintaining offices or agencies for the transfer, exchange and registration of the company's own securities or maintaining trustees or depositories with respect to those securities;

(e) Selling through independent contractors;

(f) Soliciting or obtaining orders, whether by mail or electronic means or through employees or agents or otherwise, if the orders require acceptance outside this state before they become contracts;

(g) Creating or acquiring indebtedness, mortgages or security interests in real or personal property;

(h) Securing or collecting debts or enforcing mortgages or other security interests in property securing the debts and holding, protecting or maintaining property so acquired;

(i) Conducting an isolated transaction that is completed within thirty (30) days and is not in the course of similar transactions; and

(j) Transacting business in interstate commerce.
(2) For purposes of this part, the ownership in this state of income-producing real property or tangible personal property, other than property excluded under subsection (1) of this section, constitutes transacting business in this state.

(3) This section does not apply in determining the contacts or activities that may subject a foreign limited liability company to service of process, taxation or regulation under law of this state other than this chapter.

30-6-804. FILING OF CERTIFICATE OF AUTHORITY. Unless the secretary of state determines that an application for a certificate of authority does not comply with the filing requirements of this chapter, the secretary of state, upon payment of all filing fees, shall file the application of a foreign limited liability company, prepare, sign and file a certificate of authority to transact business in this state, and send a copy of the filed certificate, together with a receipt for the fees, to the company or its representative.

30-6-805. NONCOMPLYING NAME OF FOREIGN LIMITED LIABILITY COMPANY. (1) A foreign limited liability company whose name does not comply with section 30-6-108, Idaho Code, may not obtain a certificate of authority until it adopts, for the purpose of transacting business in this state, an alternate name that complies with section 30-6-108, Idaho Code. A foreign limited liability company that adopts an alternate name under this subsection and obtains a certificate of authority with the alternate name need not comply with chapter 5, title 53, Idaho Code. After obtaining a certificate of authority with an alternate name, a foreign limited liability company shall transact business in this state under the alternate name unless the company is authorized under chapter 5, title 53, Idaho Code, to transact business in this state under another name.

(2) If a foreign limited liability company authorized to transact business in this state changes its name to one that does not comply with section 30-6-108, Idaho Code, it may not thereafter transact business in this state until it complies with subsection (1) of this section and obtains an amended certificate of authority.

30-6-806. REVOCATION OF CERTIFICATE OF AUTHORITY. (1) A certificate of authority of a foreign limited liability company to transact business in this state may be revoked by the secretary of state in the manner provided in subsections (2) and (3) of this section, if the company does not:

(a) Deliver its annual report by the date on which it is due as required under section 30-6-209, Idaho Code;
(b) Appoint and maintain a registered agent; or
(c) Deliver for filing a statement of a change under section 30-408, Idaho Code, within thirty (30) days after a change has occurred in the name or address of the registered agent.

(2) To revoke a certificate of authority of a foreign limited liability company, the secretary of state must mail a notice of revocation to the company's registered agent, or if the company does not appoint and maintain a proper registered agent, to the company's designated office. The notice must state:
(a) The revocation's effective date, which must be at least sixty (60) days after the date the secretary of state mails the notice; and
(b) The grounds for revocation under subsection (1) of this section.
(3) The authority of a foreign limited liability company to transact business in this state ceases on the effective date of the notice of revocation unless before that date the company cures each ground for revocation stated in the notice mailed under subsection (2) of this section.

30-6-807. CANCELLATION OF CERTIFICATE OF AUTHORITY. To cancel its certificate of authority to transact business in this state, a foreign limited liability company must deliver to the secretary of state for filing a notice of cancellation stating the name of the company and that the company desires to cancel its certificate of authority. The certificate is canceled when the notice becomes effective.

30-6-808. EFFECT OF FAILURE TO HAVE CERTIFICATE OF AUTHORITY. (1) A foreign limited liability company transacting business in this state may not maintain an action or proceeding in this state unless it has a certificate of authority to transact business in this state.
(2) The failure of a foreign limited liability company to have a certificate of authority to transact business in this state does not impair the validity of a contract or act of the company or prevent the company from defending an action or proceeding in this state.
(3) A member or manager of a foreign limited liability company is not liable for the debts, obligations or other liabilities of the company solely because the company transacted business in this state without a certificate of authority.

30-6-809. ACTION BY ATTORNEY GENERAL. The attorney general may maintain an action to enjoin a foreign limited liability company from transacting business in this state in violation of this part.

PART 9.
ACTIONS BY MEMBERS

30-6-901. DIRECT ACTION BY MEMBER. (1) Subject to subsection (2) of this section, a member may maintain a direct action against another member, a manager or the limited liability company to enforce the member's rights and otherwise protect the member's interests, including rights and interests under the operating agreement or this chapter or arising independently of the membership relationship.
(2) A member maintaining a direct action under this section must plead and prove an actual or threatened injury that is not solely the result of an injury suffered or threatened to be suffered by the limited liability company.

30-6-902. DERIVATIVE ACTION. A member may maintain a derivative action to enforce a right of a limited liability company if:
(1) The member first makes a demand on the other members in a member-managed limited liability company, or the managers of a manager-managed limited liability company, requesting that they cause the com-
pany to bring an action to enforce the right, and the managers or other members do not bring the action within a reasonable time; or

(2) A demand under subsection (1) of this section would be futile.

30-6-903. PROPER PLAINTIFF. (1) Except as otherwise provided in subsection (2) of this section, a derivative action under section 30-6-902, Idaho Code, may be maintained only by a person that is a member at the time the action is commenced and remains a member while the action continues.

(2) If the sole plaintiff in a derivative action dies while the action is pending, the court may permit another member of the limited liability company to be substituted as plaintiff.

30-6-904. PLEADING. In a derivative action under section 30-6-902, Idaho Code, the complaint must state with particularity:

(1) The date and content of plaintiff's demand and the response to the demand by the managers or other members; or

(2) If a demand has not been made, the reasons a demand under section 30-6-902(1), Idaho Code, would be futile.

30-6-905. SPECIAL LITIGATION COMMITTEE. (1) If a limited liability company is named as or made a party in a derivative proceeding, the company may appoint a special litigation committee to investigate the claims asserted in the proceeding and determine whether pursuing the action is in the best interests of the company. If the company appoints a special litigation committee, on motion by the committee made in the name of the company, except for good cause shown, the district court shall stay discovery for the time reasonably necessary to permit the committee to make its investigation. This subsection does not prevent the court from enforcing a person's right to information under section 30-6-410, Idaho Code, or, for good cause shown, granting extraordinary relief in the form of a temporary restraining order or preliminary injunction.

(2) A special litigation committee may be composed of one (1) or more disinterested and independent individuals, who may be members.

(3) A special litigation committee may be appointed:

(a) In a member-managed limited liability company:
   (i) By the consent of a majority of the members not named as defendants or plaintiffs in the proceeding; and
   (ii) If all members are named as defendants or plaintiffs in the proceeding, by a majority of the members named as defendants; or

(b) In a manager-managed limited liability company:
   (i) By a majority of the managers not named as defendants or plaintiffs in the proceeding; and
   (ii) If all managers are named as defendants or plaintiffs in the proceeding, by a majority of the managers named as defendants.

(4) After appropriate investigation, a special litigation committee may determine that it is in the best interests of the limited liability company that the proceeding:

(a) Continue under the control of the plaintiff;

(b) Continue under the control of the committee;

(c) Be settled on terms approved by the committee; or
(d) Be dismissed.
(5) After making a determination under subsection (4) of this section, a special litigation committee shall file with the court a statement of its determination and its report supporting its determination, giving notice to the plaintiff. The district court shall determine whether the members of the committee were disinterested and independent and whether the committee conducted its investigation and made its recommendation in good faith, independently, and with reasonable care, with the committee having the burden of proof. If the district court finds that the members of the committee were disinterested and independent and that the committee acted in good faith, independently, and with reasonable care, the district court shall enforce the determination of the committee. Otherwise, the district court shall dissolve the stay of discovery entered under subsection (1) of this section and allow the action to proceed under the direction of the plaintiff.

30-6-906. PROCEEDS AND EXPENSES. (1) Except as otherwise provided in subsection (2) of this section:
(a) Any proceeds or other benefits of a derivative action under section 30-6-902, Idaho Code, whether by judgment, compromise or settlement, belong to the limited liability company and not to the plaintiff; and
(b) If the plaintiff receives any proceeds, the plaintiff shall remit them immediately to the company.
(2) If a derivative action under section 30-6-902, Idaho Code, is successful in whole or in part, the district court may award the plaintiff reasonable expenses, including reasonable attorney's fees and costs, from the recovery of the limited liability company.

PART 10.
MERGER, INTEREST EXCHANGE, CONVERSION AND DOMESTICATION

30-6-1001. APPLICABILITY OF IDAHO ENTITY TRANSACTIONS ACT. (1) Unless the limited liability company is excluded therefrom by section 30-18-110, Idaho Code, and except as provided in subsection (2) of this section, a merger, interest exchange, conversion or domestication, in which a limited liability company is a party is governed by the Idaho entity transactions act, chapter 18, title 30, Idaho Code.
(2) Section 30-6-1002, Idaho Code, applies to transactions in which a limited liability company is a party under the Idaho entity transactions act, chapter 18, title 30, Idaho Code.

30-6-1002. RESTRICTIONS ON APPROVAL OF MERGERS, INTEREST EXCHANGES, CONVERSIONS AND DOMESTICATIONS. (1) If a member of a constituent, converting or domesticating limited liability company will have personal liability with respect to a surviving, converted or domesticated organization, approval or amendment of a plan of merger, interest exchange, conversion or domestication is ineffective without the consent of the member, unless:
(a) The company's operating agreement provides for approval of a merger, interest exchange, conversion or domestication with the consent of fewer than all the members; and
(b) The member has consented to the provision of the operating agreement.
(2) A member does not give the consent required by subsection (1) of this section merely by consenting to a provision of the operating agreement that permits the operating agreement to be amended with the consent of fewer than all the members.

PART 11.
MISCELLANEOUS PROVISIONS

30-6-1101. UNIFORMITY OF APPLICATION AND CONSTRUCTION. In applying and construing this chapter, consideration must be given to the need to promote uniformity of the law with respect to its subject matter among states that enact it.

30-6-1102. RELATION TO ELECTRONIC SIGNATURES IN GLOBAL AND NATIONAL COMMERCE ACT. To the extent this chapter modifies, limits and supersedes the federal electronic signatures in global and national commerce act, 15 U.S.C. section 7001 et seq., this chapter does not modify, limit or supersede section 101(c) of that act, 15 U.S.C. section 7001(c), or authorize electronic delivery of any of the notices described in section 103(b) of that act, 15 U.S.C. section 7003(b).

30-6-1103. SAVINGS CLAUSE. This chapter does not affect an action commenced, proceeding brought, or right accrued before this chapter takes effect.

30-6-1104. APPLICATION TO EXISTING RELATIONSHIPS. (1) Before July 1, 2010, this chapter governs only:
(a) A limited liability company formed on or after July 1, 2008; and
(b) Except as otherwise provided in subsection (3) of this section, a limited liability company formed before July 1, 2008, which elects, in the manner provided in its operating agreement or by law for amending the operating agreement, to be subject to this chapter.(2) Except as otherwise provided in subsection (3) of this section, on and after July 1, 2010, this chapter governs all limited liability companies.
(3) For the purposes of applying this chapter to a limited liability company formed before July 1, 2008:
(a) The company's articles of organization are deemed to be the company's certificate of organization; and
(b) For the purposes of applying section 30-6-102(10), Idaho Code, and subject to section 30-6-112(4), Idaho Code, language in the company's articles of organization designating the company's management structure operates as if that language were in the operating agreement.

SECTION 2. That Section 30-1-401, Idaho Code, be, and the same is hereby amended to read as follows:

used it shall not be immediately preceded by the word "and" or by an abbreviation of or symbol representing the word "and";
(b) May not contain language falsely stating or implying government affiliation or stating or implying that the corporation is organized for a purpose other than that permitted by section 30-1-301, Idaho Code, and its articles of incorporation.
(2) Except as authorized by subsections (3) and (4) of this section, a corporate name must be distinguishable upon the records of the secretary of state from:
(a) The corporate name of a corporation incorporated or authorized to transact business in this state;
(b) A name reserved or registered under section 30-1-402 or 30-1-403, Idaho Code, or reserved under section 53-2-109, Idaho Code, or as reserved under section 30-6-109 or 53-6503, Idaho Code, as appropriate pursuant to section 30-6-1104, Idaho Code;
(c) The fictitious name adopted by a foreign corporation authorized to transact business in this state because its real name is unavailable;
(d) The corporate name of a nonprofit corporation incorporated or authorized to transact business in this state; and
(e) The name of any limited partnership, limited liability partnership or limited liability company which is organized under the laws of this state or registered to do business in this state.
(3) A corporation may apply to the secretary of state for authorization to use a name that is not distinguishable on his records from one or more of the names described in subsection (2) of this section. The secretary of state shall authorize use of the name applied for if:
(a) The other corporation, holder of a reserved or registered name, limited partnership, limited liability partnership or limited liability company consents to the use in writing and submits an undertaking in a form satisfactory to the secretary of state to change its name to a name that is distinguishable upon the records of the secretary of state from the name of the applying corporation; or
(b) The applicant delivers to the secretary of state a certified copy of the final judgment of a court of competent jurisdiction establishing the applicant's right to use the name applied for in this state.
(4) A corporation may use the name, including the fictitious name, of another domestic or foreign corporation or limited liability company that is used in this state if the other corporation or limited liability company is organized or authorized to transact business in this state and the proposed user corporation:
(a) Has merged with the other corporation or limited liability company;
(b) Has been formed by reorganization of the other corporation or limited liability company; or
(c) Has acquired all or substantially all of the assets, including the name, of the other corporation or limited liability company.
(6) Nothing in this section shall abrogate or limit the law as to unfair competition or unfair practice in the use of trade names, nor derogate from the common law, the principles of equity, or the statutes
of this state or of the United States with respect to the right to acquire and protect trade names.

(7) The assumption of a name in violation of this section shall not affect or vitiate the corporate existence, but the courts of this state, having equity jurisdiction, may, upon the application of the state, or of any person, unincorporated association, or corporation interested or affected, enjoin such corporation in violation from doing business under any name assumed in violation of this section.

SECTION 3. That Section 63-3006A, Idaho Code, be, and the same is hereby amended to read as follows:

63-3006A. LIMITED LIABILITY COMPANY -- CLASSIFICATION AND TAXATION. Notwithstanding the provisions of section 63-3006, Idaho Code, for the purposes of chapter 30, title 63, Idaho Code, a limited liability company as defined in subsection (5) or (6) of section 53-601, Idaho Code, or as defined in section 30-6-102, Idaho Code, as appropriate pursuant to section 30-6-1104, Idaho Code, shall be classified as a partnership, corporation, unincorporated association or otherwise pursuant to the provisions of the internal revenue code. A limited liability company that is classified as a partnership pursuant to the internal revenue code shall be treated as a partnership for purposes of chapter 30, title 63, Idaho Code. A limited liability company that is classified other than a partnership pursuant to the internal revenue code shall be treated for purposes of chapter 30, title 63, Idaho Code, in accordance with its classification.

(b) As used in this section, the term "occasional sale" means:

(1) A sale of property not held or used by a person in the course of an activity for which he is required to hold a seller's permit, provided such sale is not one (1) of a series of sales sufficient in number or of such a nature as to constitute the seller a "retailer" under section 63-3610(c), Idaho Code. The definition of "occasional sales" provided in this subsection does not apply to use tax in regard to tangible personal property used to improve real property when such property is obtained, directly or indirectly, from a person in the business of making like or similar improvements to real property.

(2) Any transfer of all or substantially all of the property held or used by a person in a business requiring a seller's permit when, after such transfer, the real or ultimate ownership of such property is substantially similar to that which existed before such transfer. For the purpose of this section, stockholders, bondholders, partners, or other persons holding an interest in a corporation or other entity are regarded as having a "real or ultimate ownership" of the property of such corporation or other entity.

company" means a business organization as defined in chapter 6,
title 53, Idaho Code, or as defined in section 30-6-102, Idaho
Code, as appropriate pursuant to section 30-6-1104, Idaho Code;

which is owned at least eighty percent (80%) by the parent cor-
poration to a parent corporation or another subsidiary which is
owned at least eighty percent (80%) by the parent corporation,

the parent corporation or the subsidiary which received the
assets.

the same form as acquired by the transferor and on which the initial

CREDIT REPORT PROTECTION ACT

28-52-101. SHORT TITLE. This chapter shall be known and cited as the "Credit Report Protection Act."

28-52-102. DEFINITIONS. In this chapter:
(1) "Consumer" means a natural person.
(2) "Consumer reporting agency" means a person who, for fees, dues or on a cooperative basis, regularly engages in whole or in part in the practice of assembling or evaluating information concerning a consumer's credit or other information for the purpose of furnishing a credit report to another person.
(3) "Credit report" means a consumer report, as defined in 15 U.S.C. section 1681a, that is used or collected, in whole or in part, for the purpose of serving as a factor in establishing a consumer's eligibility for credit for personal, family or household purposes.
(4) "Personal information" means personally identifiable financial information provided by a consumer to another person, resulting from any transaction with the consumer or any service performed for the consumer or otherwise obtained by another person. Personal information does not include publicly available information, as that term is defined by regulations prescribed under 15 U.S.C. section 6804, or any list, description or other grouping of consumers, and publicly available information pertaining to consumers that is derived without using any nonpublic personal information. Notwithstanding the foregoing, "personal information" includes any list, description or other grouping of consumers, and publicly available information pertaining to the consumers, that is derived using any nonpublic personal information other than publicly available information.
(5) "Proper identification" has the same meaning as in 15 U.S.C. section 1681h(a)(1) and includes:
(a) The consumer's full name, including first, middle and last names and any suffix;
(b) Any name the consumer previously used;
(c) The consumer's current and recent full addresses, including street address, any apartment number, city, state and zip code;
(d) The consumer's social security number; and
(e) The consumer's date of birth.
(6) "Security freeze" means a prohibition, consistent with section 28-52-103, Idaho Code, on a consumer reporting agency's furnishing of a consumer's credit report to a third party intending to use the credit report to determine the consumer's eligibility for credit.

28-52-103. SECURITY FREEZE. (1) A consumer may place a security freeze on the consumer's credit report by:
(a) Making a request to a consumer reporting agency in writing by regular or certified mail at an address designated by the consumer reporting agency to receive the request;
(b) Providing proper identification; and
(c) Paying the fee required by the consumer reporting agency in accordance with section 28-52-106, Idaho Code.
(2) Upon receiving a request from a consumer under subsection (1) of this section, the consumer reporting agency shall:
(a) Place a security freeze on the consumer's credit report within three (3) business days after receiving the consumer's request; and
(b) Within five (5) business days after placing the security freeze, send a written confirmation of the security freeze to the consumer and provide the consumer with a unique personal identification number or password to be used by the consumer when providing authorizations for removal or temporary lifts of the security freeze under section 28-52-104, Idaho Code.

(3) If a security freeze is in place, a consumer reporting agency may not release a consumer's credit report, or information from the credit report, to a third party that intends to use the information to determine a consumer's eligibility for credit without prior authorization from the consumer.

(4) Notwithstanding subsection (3) of this section, a consumer reporting agency may communicate to a third party requesting a consumer's credit report that a security freeze is in effect on the consumer's credit report. If a third party requesting a consumer's credit report in connection with the consumer's application for credit is notified of the existence of a security freeze under this section, the third party may treat the consumer's application as incomplete.

(5) A consumer reporting agency shall require proper identification of the consumer requesting to place, remove or temporarily remove a security freeze.

(6) A consumer reporting agency shall develop a contact method to receive and process a consumer's request to permanently remove or temporarily lift a security freeze. The contact method may include: a postal address; an electronic contact method chosen by the consumer reporting agency, which may include the use of fax, internet or other electronic means; or the use of telephone in a manner that is consistent with any federal requirements placed on the consumer reporting agency. By no later than September 1, 2008, a consumer reporting agency shall develop a secure electronic means for a consumer to request the temporary lift of a security freeze.

(7) A security freeze placed under this section may be removed only in accordance with section 28-52-104, Idaho Code.

28-52-104. REMOVAL OF SECURITY FREEZE -- REQUIREMENTS AND TIMING.
(1) A consumer reporting agency may remove a security freeze from a consumer's credit report only if the consumer reporting agency receives the consumer's request through a contact method established and required in accordance with subsection (6) of section 28-52-103, Idaho Code, and the consumer reporting agency receives the consumer's proper identification and other information sufficient to identify the consumer, including the consumer's personal identification number or password; or the consumer makes a material misrepresentation of fact in connection with the placement of the security freeze and the consumer reporting agency notifies the consumer in writing before removing the security freeze.

(2) A consumer reporting agency shall temporarily lift a security freeze upon receipt of the consumer's request through the contact method established by the consumer reporting agency in accordance with subsection (6) of section 28-52-103, Idaho Code, along with:

(b) On and after September 1, 2008, within fifteen (15) minutes after the consumer's request to temporarily lift the security freeze is received by the consumer reporting agency through the electronic contact method chosen by the consumer reporting agency in accordance with subsection (6) of section 28-52-103, Idaho Code, if such request is received between 6:00 a.m. and 9:30 p.m. mountain time.

(4) A consumer reporting agency need not remove or temporarily lift a security freeze within the time specified in subsection (3) of this section if the consumer fails to meet the requirements of subsection (1) or (2) of this section, as applicable, or the consumer reporting agency's ability to remove the security freeze within such time is prevented by:

a subsidiary, affiliate, agent, assignee or prospective assignee of
the person holding the consumer's account or to whom the consumer

the consumer reporting agency from disclosing the consumer's credit
report for other than credit related purposes consistent with the defi­

list identifies the types of credit report disclosures by consumer

(a) A consumer reporting agency, the sole purpose of which is to

(2) The contract may specify that the public adjuster shall be named as a co-payee on an insurer's payment of a claim.

(a) If the compensation is based on a share of the insurance settlement, the exact percentage shall be specified.
(b) Initial expenses to be reimbursed to the public adjuster from the proceeds of the claim payment shall be specified by type, with dollar estimates set forth in the contract and with any additional expenses first approved by the insured.

The word "firm" shall include any person.
(5) A public adjuster contract may not contain any contract term that:
(a) Allows the public adjuster's percentage fee to be collected when money is due from an insurance company, but not paid, or that allows a public adjuster to collect the entire fee from the first check issued by an insurance company, rather than as a percentage of each check issued by an insurance company;
(b) Requires the insured to authorize an insurance company to issue a check only in the name of the public adjuster;
(c) Imposes collection costs or late fees; or
(d) Precludes a public adjuster from pursuing civil remedies.

(a) Property insurance policies obligate the insured to present a claim to his or her insurance company for consideration. There are three (3) types of adjusters that could be involved in that process. The definitions of the three types are as follows:
(i) "Company adjuster" means the insurance adjusters are employees of an insurance company. They represent the interest of the insurance company and are paid by the insurance company. They will not charge you a fee.
(ii) "Independent adjuster" means the insurance adjusters are hired on a contract basis by an insurance company to represent the insurance company's interest in the settlement of the claim. They are paid by your insurance company. They will not charge you a fee.
(iii) "Public adjuster" means the insurance adjusters do not work for any insurance company. They work for the insured to assist in the preparation, presentation and settlement of the
claim. The insured hires them by signing a contract agreeing to pay them a fee or commission based on a percentage of the settlement or other method of compensation.

(b) The insured is not required to hire a public adjuster to help the insured meet his or her obligations under the policy, but has the right to do so.

(c) The insured has the right to initiate direct communications with the insured's attorney, the insurer, the insurer's adjuster, and the insurer's attorney, or any other person regarding the settlement of the insured's claim.

(d) The public adjuster is not a representative or employee of the insurer.

(e) The salary, fee, commission or other consideration is the obligation of the insured, not the insurer.

(7) The contract shall be executed in duplicate to provide an original contract to the public adjuster, and an original contract to the insured. The public adjuster's original contract shall be available at all times for inspection without notice by the department.

(8) The public adjuster shall provide the insurer a notification letter, which has been signed by the insured, authorizing the public adjuster to represent the insured's interest.

(9) The public adjuster shall give the insured written notice of the insured's rights as provided in this section.

(10) The insured has the right to rescind the contract within three (3) business days after the date the contract was signed. The rescission shall be in writing and mailed or delivered to the public adjuster at the address in the contract within the three (3) business day period.

(11) If the insured exercises the right to rescind the contract, anything of value given by the insured under the contract will be returned to the insured within twenty-eight (28) days following the receipt by the public adjuster of the cancellation notice.

41-5816. ESCROW OR TRUST ACCOUNTS. A public adjuster who receives, accepts or holds any funds on behalf of an insured, towards the settlement of a claim for loss or damage, shall deposit the funds in a non-interest bearing escrow or trust account in a financial institution that is insured by an agency of the federal government in the public adjuster's home state or where the loss occurred.

41-5817. RECORD RETENTION. (1) A public adjuster shall maintain a complete record of each transaction as a public adjuster. The records required by this section shall include the following:

(a) Name of the insured;

(h) Name of public adjuster who executed the contract;
(i) Name of the attorney representing the insured, if applicable, and the name of the claims representatives of the insurance company; and
(j) Evidence of financial responsibility in a format prescribed by the department.

(2) Records shall be maintained for at least five (5) years after the termination of the transaction with an insured and shall be open to examination by the department at all times.

(3) Records submitted to the department in accordance with this section that contain information identified in writing as proprietary by the public adjuster shall be treated as confidential by the department pursuant to section 9-340D, Idaho Code.

41-5818. STANDARDS OF CONDUCT OF PUBLIC ADJUSTER. (1) A public adjuster is obligated, under his or her license, to serve with objectivity and complete loyalty the interest of his or her client alone; and to render to the insured such information, counsel and service, as within the knowledge, understanding and opinion in good faith of the licensee, as will best serve the insured's insurance claim needs and interests.

(2) A public adjuster shall not solicit, or attempt to solicit, an insured during the progress of a loss-producing occurrence, as defined in the insured's insurance contract.

(3) A public adjuster shall not permit an unlicensed employee or representative of the public adjuster to conduct business for which a license is required under this chapter.

(4) A public adjuster shall not have a direct or indirect financial interest in any aspect of the claim, other than the salary, fee, commission or other consideration established in the written contract with the insured, unless full written disclosure has been made to the insured as set forth in section 41-5815(6), Idaho Code.

(5) A public adjuster shall not acquire any interest in salvage of property subject to the contract with the insured unless the public adjuster obtains written permission from the insured after settlement of the claim with the insurer as set forth in section 41-5815(4), Idaho Code.

(6) The public adjuster shall disclose to an insured if he or she has any interest or will be compensated by any construction firm, salvage firm, building appraisal firm, motor vehicle repair shop or any other firm that performs any work in conjunction with damages caused by the insured loss. The word "firm" shall include any person.

(7) Any compensation or anything of value in connection with an insured's specific loss that will be received by a public adjuster shall be disclosed by the public adjuster to the insured in writing, including the source and amount of any such compensation.

(8) Public adjusters shall adhere to the following general ethical requirements:

(a) A public adjuster shall not undertake the adjustment of any claim if the public adjuster is not competent and knowledgeable as to the terms and conditions of the insurance coverage, or which otherwise exceeds the public adjuster's current expertise;

(b) A public adjuster shall not knowingly make any oral or written material misrepresentations or statements which are false or maliciously critical and intended to injure any person engaged in the
business of insurance to any insured client or potential insured client;
(c) No public adjuster, while so licensed by the department, may represent or act as a company adjuster or as an independent adjuster on the same claim;
(d) The contract shall not be construed to prevent an insured from pursuing any civil remedy after the three (3) business day revocation or cancellation period;
(e) A public adjuster shall not enter into a contract or accept a power of attorney that vests in the public adjuster the effective authority to choose the persons who shall perform repair work; and
(f) A public adjuster shall ensure that all contracts for the public adjuster's services are in writing and set forth all terms and conditions of the engagement.
(9) A public adjuster may not agree to any loss settlement without the insured's knowledge and consent.

41-5819. REPORTING OF ACTIONS. (1) The public adjuster shall report to the department any administrative action taken against the public adjuster in another jurisdiction or by another governmental agency in this state within thirty (30) days of the final disposition of the matter. This report shall include a copy of the order, consent to order, or other relevant legal documents.
(2) Within thirty (30) days of the initial pretrial hearing date, the public adjuster shall report to the department any criminal prosecution of the public adjuster taken in any jurisdiction. The report shall include a copy of the initial complaint filed, the order resulting from the hearing, and any other relevant legal documents.

41-5820. RULES. The department may, in accordance with section 41-211, Idaho Code, promulgate reasonable rules as are necessary or proper to carry out the purposes of this chapter.

41-5821. SEVERABILITY. If any provisions of this chapter, or the application of a provision to any persons or circumstances, shall be held invalid, the remainder of the chapter, and the application of the provision to persons or circumstances other than those to which it is held invalid, shall not be affected.

SECTION 2. This act shall be in full force and effect on and after July 1, 2008. Provided however, that the provisions of section 41-5805, Idaho Code, do not become effective until a state participates in the NAIC's central repository for the purpose of obtaining criminal background information.

(e) Temporary signs or banners displaying a vintner's, winery's or
distributor's name, trademark or label, which signs may be permitted
to be temporarily displayed on the exterior portion of the retailer
premises in connection with a special event, in accordance with such
rules relating thereto as may be established by the director.
(4) A distributor may perform services incident to or in connection
with the stocking, rotation and restocking of wine sold and delivered to
such licensed retailer on or in such licensed retailer's storeroom,

established by the retailer and to the arranging, rearranging, or relo-
cating of advertising displays referred to in this section. A distribu-
tor may, with the permission of the retailer and in accordance with
space allocations directed by the retailer, set, remove, replace, reset
or relocate all wine upon shelves of the retailer. Labor performed or
schematics prepared by the distributor relating to conduct authorized
pursuant to the provisions of this subsection (4) shall not constitute
prohibited conduct.
(5) An importer, distributor, vintner or winery may furnish or give
to a retailer authorized to sell wine for consumption on the licensed
premises, for sampling purposes only, a container of wine, containing
not more than sixty-four (64) ounces, not currently being sold by the
retailer, and which container is clearly marked "NOT FOR SALE--FOR SAM-
PLING PURPOSES ONLY."
(6) A licensed winery may aid or assist a licensed retail wine out-
let which retails exclusively the wine product of that winery and which
outlet is wholly owned and operated by that winery. Two (2) or more win-
eries may use the same location for their respective retail wine outlets
provided each outlet holds a separate retail wine license or wine by the
drink license.
(7) Every violation of the provisions of this section by an
importer, distributor, vintner or winery in which a licensed retailer
shall have actively participated shall constitute a violation on the
part of such licensed retailer.
SECTION 2. An emergency existing therefor, which emergency is hereby declared to exist, this act shall be in full force and effect on and after its passage and approval.

OF THE HOMESTEAD ALLOWANCE, TO REMOVE CERTAIN CIRCUMSTANCES QUALIFYING A SURVIVING SPOUSE FOR A HOMESTEAD ALLOWANCE, TO REVISE TERMINOLOGY, TO PROVIDE A HOMESTEAD ALLOWANCE FOR CERTAIN MINOR AND DISABLED CHILDREN AND TO REMOVE CERTAIN CIRCUMSTANCES QUALIFYING SUCH MINOR AND DISABLED CHILDREN FOR A HOMESTEAD ALLOWANCE; AMENDING SECTION 15-2-403, IDAHO CODE, TO REMOVE REFERENCES TO THE FAMILY ALLOWANCE, TO PROVIDE FOR AN ALLOWANCE FOR CERTAIN TANGIBLE PERSONAL PROPERTY, TO REMOVE PROVISIONS DEALING WITH ENCumberED CHATTELS AND DEFICIENCIES OF EXEMPT PROPERTY, TO REVISE TERMINOLOGY AND TO MAKE TECHNICAL CORRECTIONS; REPEALING SECTION 15-2-404, IDAHO CODE, RELATING TO FAMILY ALLOWANCE; AMENDING SECTION 15-2-405, IDAHO CODE, TO PROVIDE A CODE REFERENCE, TO REMOVE REFERENCES TO THE FAMILY ALLOWANCE, TO REMOVE A PROVISION FOR A CERTAIN LUMP SUM FAMILY ALLOWANCE, TO REVISE TERMINOLOGY AND TO REMOVE A PROVISION PERMITTING A PERSONAL REPRESENTATIVE OR CERTAIN INTERESTED PERSONS TO PETITION THE COURT FOR A CERTAIN FAMILY ALLOWANCE; AMENDING CHAPTER 2, TITLE 15, IDAHO CODE, BY THE ADDITION OF A NEW SECTION 15-2-406, IDAHO CODE, TO PROVIDE FOR LIMITATIONS ON EXEMPT PROPERTY AND HOMESTEAD ALLOWANCE BY WILL; AND AMENDING SECTION 56-218, IDAHO CODE, TO REMOVE PROVISIONS DEALING WITH PETITIONING THE COURT FOR AN EXEMPT PROPERTY ALLOWANCE CLAIM UNDER CERTAIN CIRCUMSTANCES AND TO MAKE TECHNICAL CORRECTIONS.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 15-2-401, Idaho Code, be, and the same is hereby amended to read as follows:

15-2-401. APPLICABLE LAW. This part applies to the estate of a decedent who dies domiciled in this state. Rights to the homestead allowance, and to exempt property, and the family allowance for a decedent who dies not domiciled in this state are governed by the law of the decedent's domicile at death.

SECTION 2. That Section 15-2-402, Idaho Code, be, and the same is hereby amended to read as follows:

15-2-402. HOMESTEAD ALLOWANCE. The homestead allowance is exempt from and has priority over all claims against the estate except as hereinafter set forth. The homestead allowance is in addition to any share passing to the surviving spouse or minor or dependent disabled child by the will of the decedent unless otherwise provided in the will, or by intestate succession, or by way of elective share. The amount of the homestead allowance shall be the sum set forth in the provisions of section 55-1003, Idaho Code, as those provisions are in effect on the date of the decedent's death fifty thousand dollars ($50,000). The homestead allowance is not a right to claim ownership of, or succession to, any homestead owned by the decedent at the time of the decedent's death but is only the right to claim the sum set forth above. The right to a homestead allowance is determined as follows:

(a) If there is a surviving spouse of the decedent, and the surviving spouse does not, at the time of the death of the decedent, have a homestead; which for purposes of this chapter shall have the same definition as set forth in section 63-701(2), Idaho Code; the surviving
spouse shall be entitled to a homestead allowance, unless the surviving spouse receives (by will or other dispositive instrument; by intestate succession; by survivorship; or by other means) such a homestead—either from the decedent or due to the death of the decedent.

(b) If there is no surviving spouse, and there are one (1) or more minor-and/or-dependent children of the decedent under the age of twenty-one (21) years whom the decedent was obligated to support or children who were in fact being supported by the decedent and who are disabled, as provided in 42 U.S.C. section 1382c, then each such minor or disabled child and each dependent child of the decedent is entitled to a portion of the homestead allowance in the amount of the homestead allowance divided by the number of such minor and dependent or disabled children of the decedent entitled to receive the homestead allowance, unless the minor child or dependent child receives (by will or other dispositive instrument; by intestate succession; by survivorship; or by other means) such a homestead—either from the decedent or due to the death of the decedent.

SECTION 3. That Section 15-2-403, Idaho Code, be, and the same is hereby amended to read as follows:

15-2-403. EXEMPT PROPERTY. In addition to any homestead allowance, the decedent's surviving spouse is entitled from the estate to value, not exceeding ten thousand dollars ($10,000) in excess of any security interests therein, in tangible personal property including, but not limited to, household furniture, automobiles, furnishings, appliances, family heirlooms and personal effects, subject to the terms of section 15-2-406, Idaho Code. If there is no surviving spouse, the decedent's children are entitled jointly to the same value unless the decedent's will provides otherwise. If encumbered chattels are selected and if the value in excess of security interests, plus that of other exempt property, is less than ten thousand dollars ($10,000), or if there is not ten thousand dollars ($10,000) worth of exempt property in the estate, the spouse and children are entitled to other assets of the estate, if any, to the extent necessary to make up the ten thousand dollar ($10,000) value of tangible personal property, subject to the terms of section 15-2-406, Idaho Code. Rights to exempt property and assets needed to make up a deficiency of exempt property have priority over all claims against the estate, except that the right to any assets to make up a deficiency of exempt property shall abate as necessary to permit prior payment of homestead allowance and family allowance, and except as otherwise provided. These rights are in addition to any benefit or share passing to the surviving spouse or children by the will of the decedent, unless otherwise provided in the will, or by intestate succession, or by way of elective share.

SECTION 4. That Section 15-2-404, Idaho Code, be, and the same is hereby repealed.

SECTION 5. That Section 15-2-405, Idaho Code, be, and the same is hereby amended to read as follows:

15-2-405. SOURCE -- DETERMINATION -- DOCUMENTATION -- MISCELLANEOUS PROVISIONS. If the estate is otherwise sufficient, property specifically
devised, including the provisions pursuant to section 15-2-513, Idaho Code, may not be used to satisfy rights to the homestead allowance, family allowance or exempt property. Subject to this restriction, the surviving spouse, the guardians of the minor children, or children who are adults may select property of the estate as homestead allowance, family allowance, or exempt property. The personal representative may make these selections if the surviving spouse, the children or the guardians of the minor children are unable or fail to do so within a reasonable time or if there is no guardian of a minor child. The personal representative may execute an instrument to establish the homestead allowance, family allowance, or exempt property. The personal representative may determine the family allowance in a lump sum not exceeding eighteen thousand dollars ($18,000) or periodic installments not exceeding one thousand five hundred dollars ($1,500) per month for one (1) year, and may disburse funds of the estate in payment of the family allowance and any part of the homestead allowance payable in cash. The personal representative or any interested person aggrieved by any selection, determination, payment, proposed payment, or failure to act under this section may petition the court for appropriate relief, which may include a family allowance other than that which the personal representative determined or could have determined. Despite any language to the contrary in this chapter, the homestead allowance, family allowance, and exempt property are not mandatory or automatic allowances; but rather must be applied for by the surviving spouse and/or children, as appropriate, as set forth in this title. Even though these allowances and the right to apply for exempt property are not claims against estates, the manner of and time period for applying for these allowances or the exempt property shall be the same as set forth in sections 15-3-801, 15-3-803 and 15-3-804, Idaho Code; provided however, that the personal representative shall not be required to give actual notice to a surviving spouse or a minor or dependent disabled child of the right to apply for these homestead allowances or the exempt property, and provided further that any notice actually given by the personal representative does not need to make any additional or special reference to an application by the surviving spouse or dependent minor or disabled adult child also being barred if not submitted within the time period set forth in the notice. Also, the personal representative shall not be liable to the surviving spouse, minor or dependent disabled or adult child, any creditor, or any other successor to the estate in the same manner as provided in section 15-3-801(c), Idaho Code, as a result of giving or failing to give notice. The homestead allowance, family allowance, and exempt property may not be enforced or applied for on behalf of a surviving spouse or a minor or dependent adult child of the decedent by a creditor of the surviving spouse or a minor or dependent disabled or adult child of the decedent, or by any person or entity claiming by, through, or because of the surviving spouse or minor or dependent disabled or adult child of the decedent. Despite any language to the contrary in other sections of this chapter, the homestead allowance, family allowance, and exempt property do not take precedence over reasonable administrative costs and expenses of the estate of the decedent.

SECTION 6. That Chapter 2, Title 15, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW SECTION, to be known and designated as Section 15-2-406, Idaho Code, and to read as follows:
15-2-406. LIMITATIONS ON EXEMPT PROPERTY AND HOMESTEAD ALLOWANCE BY WILL. The decedent may provide by will that a surviving spouse, and/or adult children, but not minor or disabled children:

(1) Are not entitled to any exempt property or homestead allowance; or

(2) Are entitled to limited exempt property or a limited homestead allowance, as provided in the will; but

(3) May not condition such elimination or limitation upon whether the estate of the decedent is subject to a claim for estate recovery for medicaid benefits paid to the decedent or to a spouse of the decedent.

SECTION 7. That Section 56-218, Idaho Code, be, and the same is hereby amended to read as follows:

56-218. RECOVERY OF CERTAIN MEDICAL ASSISTANCE. (1) Except where exempted or waived in accordance with federal law medical assistance pursuant to this chapter paid on behalf of an individual who was fifty-five (55) years of age or older when the individual received such assistance may be recovered from the individual's estate, and the estate of the spouse, if any, for such aid paid to either or both:

(a) There shall be no adjustment or recovery until after the death of both the individual and the spouse, if any, and only at a time when the individual has no surviving child who is under twenty-one (21) years of age or is blind or permanently and totally disabled as defined in 42 U.S.C. 1382c.

(b) While one (1) spouse survives, except where joint probate will be authorized pursuant to section 15-3-111, Idaho Code, a claim for recovery under this section may be established in the estate of the deceased spouse.

(c) The claim against the estate of the first deceased spouse must be made within the time provided by section 15-3-801(b), Idaho Code, if the estate is administered and actual notice is given to the director as required by subsection (5) of this section. However, if there is no administration of the estate of the first deceased spouse, or if no actual notice is given to the director as required by subsection (5) of this section, no claim shall be required until the time provided for creditor claims in the estate of the survivor.

(d) Nothing in this section authorizes the recovery of the amount of any aid from the estate or surviving spouse of a recipient to the extent that the need for aid resulted from a crime committed against the recipient.

(2) Transfers of real or personal property, on or after the look-back dates defined in 42 U.S.C. 1396p, by recipients of such aid, or their spouses, without adequate consideration are voidable and may be set aside by an action in the district court.

(3) Except where there is a surviving spouse, or a surviving child who is under twenty-one (21) years of age or is blind or permanently and totally disabled as defined in 42 U.S.C. 1382c, the amount of any medical assistance paid under this chapter on behalf of an individual who was fifty-five (55) years of age or older when the individual received such assistance is a claim against the estate in any guardianship or conservatorship proceedings and may be paid from the estate.

(4) For purposes of this section, the term "estate" shall include:

(a) All real and personal property and other assets included within
the individual's estate, as defined for purposes of state probate law; and
(b) Any other real and personal property and other assets in which
the individual had any legal title or interest at the time of death,
to the extent of such interest, including such assets conveyed to
a survivor, heir, or assign of the deceased individual through joint
tenancy, tenancy in common, survivorship, life estate, living trust
or other arrangement.
(5) Claims made pursuant to this section shall be classified and
paid as a debt with preference as defined in section 15-3-805(5), Idaho
Code. Any distribution or transfer of the estate prior to satisfying
such claim is voidable and may be set aside by an action in the district
court. The personal representative of every estate subject to a claim
under this section must, within thirty (30) days of the appointment,
give notice in writing to the director of his or her appointment to
administer the estate. However, if an exempt property allowance claim
is made in an estate subject to a claim under this section by one--(i)--or
more--persons--not-described-in-subsection--(2)--of--this--section; then, to
the extent such exempt property allowance claim exceeds the fair--market
value of the actual personal property of the decedent held by the estate
subject to a claim under this section (including, but not limited to,
such items as household furniture, automobiles, furnishings, appliances,
and personal effects), the persons making such exempt property allowance
claim must file with the court, and with the personal representative or
administrator of the estate, and with the department, a written state-
ment under oath containing the following:
(a) A statement that no personal property of the decedent has been
transferred without adequate consideration to any person or entity,
including any one--(i)--or--more--of--the--persons--making--the--exempt
property allowance claim, to the actual knowledge of any of the--persons
making the exempt property allowance claim, within a time period
commencing one--(i)--year prior to the death of the decedent and end-
ing on the date of the statement; or
(b) A statement that personal property of the decedent has been
transferred without adequate consideration to any person or entity,
including one--(i)--or--more--of--the--persons--making--the--exempt
property allowance claim, within a time period commencing one--(i)--year prior
to the death of the decedent and ending on the date of the state-
ment, to the actual knowledge of any of the persons making the
exempt property allowance claim, and stating the fair market value
of the personal property so transferred, and stating a reasonable
description of such property, and stating the method of determining
the fair market value of the personal property so transferred.
If the written statement indicates that there has been such an--transfer
of personal property, then the fair market value of the personal prop-
erty so transferred shall be subtracted from the remaining exempt--prop-
erty allowance claim, after subtraction of the personal property held by
the estate, as described above, and only any still remaining portion of
the exempt property claim may be paid by the estate to the persons--mak-
ing the exempt property allowance claim. The statement submitted under
paragraph--(a)--or--(b)--of--this--subsection; must be signed--under--oath--by
all persons making the exempt property claim.
(6) The department may file a notice of lien against the property
of any estate subject to a claim under this section.
(a) In order to perfect a lien against real or personal property, the department shall, within ninety (90) days after the personal representative or successor makes a written request for prompt action to the director, or three (3) years from the death of the decedent, whichever is sooner, file a notice of lien in the same general form and manner as provided in section 56-218A(3)(a), Idaho Code, in the office of the secretary of state, pursuant to section 45-1904, Idaho Code. Failure to file a notice of lien does not affect the validity of claims made pursuant to this section.

(b) The department may release the lien in whole or in part to permit the estate property to be administered by a court-appointed personal representative.

(c) The department may foreclose its lien, without probate, in any of the following circumstances:
   (i) Where no personal representative has been appointed after one (1) year from the date of death of the survivor of both the individual and spouse, if any;
   (ii) Where the property has been abandoned by the decedent's heirs or successors, if any;
   (iii) Where the real property taxes that are due and payable have remained unpaid for two (2) years and, after demand by the department, the heirs or successors, if any, have failed to seek appointment or pay the property taxes; or
   (iv) Where all parties interested in the estate consent to foreclosure of the lien.

(7) The director shall promulgate rules reasonably necessary to implement this section including, but not limited to, rules establishing undue hardship waivers for the following circumstances:
   (a) The estate subject to recovery is income-producing property that provides the primary source of support for other family members; or
   (b) The estate has a value below an amount specified in the rules; or
   (c) Recovery by the department will cause the heirs of the deceased individual to be eligible for public assistance.

(8) The cause of action to void a transfer without adequate consideration established in this section shall not be deemed to have accrued until the department discovers, or reasonably could have discovered, the facts constituting the transfer without adequate consideration.

Approved March 18, 2008.

PART 1.
GENERAL PROVISIONS AND DEFINITIONS

15-12-101. SHORT TITLE. This chapter may be known and cited as the "Uniform Power of Attorney Act."

15-12-102. DEFINITIONS. In this chapter:

1. "Agent" means a person granted authority to act for a principal under a power of attorney, whether denominated an agent, attorney-in-fact, or otherwise. The term includes an original agent, coagent, successor agent or a person to which an agent's authority is delegated.

2. "Durable" with respect to a power of attorney means not terminated by the principal's incapacity.

3. "Electronic" means relating to technology having electrical, digital, magnetic, wireless, optical, electromagnetic or similar capabilities.

4. "Good faith" means honesty in fact.

5. "Incapacity" means inability of an individual to manage property or business affairs because:
   (a) The individual has an impairment in the ability to receive and evaluate information or make or communicate decisions even with the use of technological assistance; or
   (b) The individual is:
      (i) Missing;
      (ii) Detained, including incarcerated in a penal system; or

6. "Person" means an individual, corporation, business trust, estate, trust, partnership, limited liability company, association, joint venture, public corporation, government or governmental subdivision, agency or instrumentality, or any other legal or commercial entity.

7. "Power of attorney" means a writing or other record which grants authority to an agent to act in the place of the principal, whether or not the term power of attorney is used.

8. "Presently exercisable general power of appointment" with respect to the property or property interest subject to the power means that the power is exercisable at the time in question to vest absolute ownership in the principal individually, the principal's estate, the principal's creditors, or the creditors of the principal's estate. The term includes a power of appointment that is not exercisable until the occurrence of a specified event, the satisfaction of an ascertainable standard, or the passage of a specified period only after the occurrence of the specified event, the satisfaction of the ascertainable standard, or the passage of the specified period. The term does not include a power exercisable in a fiduciary capacity or only by will.

9. "Principal" means an individual who grants authority to an agent in a power of attorney.
(10) "Property" means anything that may be the subject of ownership, whether real or personal, or legal or equitable, or any interest or right therein.

(11) "Record" means information that is inscribed on a tangible medium or that is stored in an electronic or other medium and is retrievable in perceivable form.

(12) "Sign" means, with present intent to authenticate or adopt a record:
   (a) To execute or adopt a tangible symbol; or
   (b) To attach to or logically associate with the record an electronic sound, symbol or process.

(13) "State" means a state of the United States, the District of Columbia, Puerto Rico, United States Virgin Islands or any territory or insular possession subject to the jurisdiction of the United States.

(14) "Stocks and bonds" means stocks, bonds, mutual funds and all other types of securities and financial instruments, whether held directly, indirectly, or in any other manner, except commodity futures contracts and call and put options on stocks and stock indexes.

15-12-103. APPLICABILITY. This chapter applies to all powers of attorney except:

(1) A power to the extent it is coupled with an interest in the subject of the power, including, but not limited to, a power given to or for the benefit of a creditor in connection with a credit transaction;

(2) A power to make health care decisions;

(3) A proxy or other delegation to exercise voting rights or management rights with respect to an entity; and

(4) A power created on a form prescribed by a government or governmental subdivision, agency or instrumentality for a governmental purpose.

15-12-104. POWER OF ATTORNEY IS DURABLE. A power of attorney created under this chapter is durable unless it expressly provides that it is terminated by the incapacity of the principal.

15-12-105. EXECUTION OF POWER OF ATTORNEY. A power of attorney must be signed by the principal or in the principal's conscious presence by another individual directed by the principal to sign the principal's name on the power of attorney, including as set forth in section 73-114, Idaho Code. The signature is presumed to be genuine if the principal acknowledges the signature before a notary public or other individual authorized to take acknowledgments, including as set forth in section 51-109(6), Idaho Code, or section 55-7128, Idaho Code.

15-12-106. VALIDITY OF POWER OF ATTORNEY. (1) A power of attorney executed in this state on or after the effective date of this chapter is valid if its execution complies with section 15-12-105, Idaho Code.

(2) A power of attorney executed in this state before the effective date of this chapter is valid if its execution complied with the law of this state as it existed at the time of execution.

(3) A power of attorney executed other than in this state is valid in this state if, when the power of attorney was executed, the execution complied with:
   (a) The law of the jurisdiction that determines the meaning and
effect of the power of attorney pursuant to section 15-12-107, Idaho Code; or
(b) The requirements for a military power of attorney pursuant to 10 U.S.C. section 1044b, as amended.

(4) Except as otherwise provided by statute other than this chapter, a photocopy or electronically transmitted copy of an original power of attorney has the same effect as the original.

15-12-107. MEANING AND EFFECT OF POWER OF ATTORNEY. The meaning and effect of a power of attorney is determined by the law of the jurisdiction indicated in the power of attorney and, in the absence of an indication of jurisdiction, by the law of the jurisdiction in which the power of attorney was executed.

15-12-108. NOMINATION OF CONSERVATOR; RELATION OF AGENT TO COURT-APPOINTED FIDUCIARY. (1) In a power of attorney, a principal may nominate a conservator of the principal's estate for consideration by the court if protective proceedings for the principal's estate are thereafter commenced.

(2) If, after a principal executes a power of attorney, a court appoints a conservator of the principal's estate or other fiduciary charged with the management of some or all of the principal's property, the agent is accountable to the fiduciary as well as to the principal. The power of attorney is not terminated and the agent's authority continues unless limited, suspended or terminated by the court.

15-12-109. WHEN POWER OF ATTORNEY EFFECTIVE. (1) A power of attorney is effective when executed unless the principal provides in the power of attorney that it is to become effective at a future date or upon the occurrence of a future event or contingency.

(2) If a power of attorney is to become effective upon the occurrence of a future event or contingency, the principal, in the power of attorney, may authorize one (1) or more persons to determine in a writing or other record that the event or contingency has occurred.

(3) If a power of attorney is to become effective upon the principal's incapacity and the principal has not authorized a person to determine whether the principal is incapacitated, or the person authorized is unable or unwilling to make the determination, the power of attorney becomes effective upon a determination in a writing or other record by:
   (a) A physician or licensed psychologist that the principal is incapacitated within the meaning of section 15-12-102(5)(a), Idaho Code; or
   (b) A licensed attorney at law, judge or appropriate governmental official that the principal is incapacitated within the meaning of section 15-12-102(5)(b), Idaho Code.

(4) A person authorized by the principal in the power of attorney to determine that the principal is incapacitated may act as the principal's personal representative as defined in, and pursuant to, the health insurance portability and accountability act, sections 1171 through 1179 of the social security act, 42 U.S.C. section 1320d through 1320d-8, as amended, and applicable regulations, to obtain access to the principal's health care information and communicate with the principal's health care provider.
15-12-110. TERMINATION OF POWER OF ATTORNEY OR AGENT'S AUTHORITY.

(1) A power of attorney terminates when:
   (a) The principal dies;
   (b) The principal becomes incapacitated, if the power of attorney is not durable;
   (c) The principal revokes the power of attorney;
   (d) The power of attorney provides it terminates;
   (e) The purpose of the power of attorney is accomplished; or
   (f) The principal revokes the agent's authority or the agent dies, becomes incapacitated, or resigns, and the power of attorney does not provide for another agent to act under the power of attorney.

(2) An agent's authority terminates when:
   (a) The principal revokes the agent's authority;
   (b) The agent dies, becomes incapacitated or resigns;
   (c) An action is filed for the dissolution or annulment of the agent's marriage to the principal or their legal separation, unless the power of attorney otherwise provides; or
   (d) The power of attorney terminates.

(3) Unless the power of attorney otherwise provides, an agent's authority is exercisable until the power of attorney terminates, notwithstanding a lapse of time since the execution of the power of attorney.

(4) Termination of an agent's authority or of a power of attorney is not effective as to the agent or another person that, without actual knowledge of the termination, acts in good faith under the power of attorney. An act so performed, unless otherwise invalid or unenforceable, binds the principal and the principal's successors in interest.

(5) Incapacity of the principal of a power of attorney that is not durable does not revoke or terminate the power of attorney as to an agent or other person that, without actual knowledge of the incapacity, acts in good faith under the power of attorney. An act so performed, unless otherwise invalid or unenforceable, binds the principal and the principal's successors in interest.

(6) The execution of a power of attorney does not revoke a power of attorney previously executed by the principal unless the subsequent power of attorney provides that the previous power of attorney is revoked or that all other powers of attorney are revoked.

15-12-111. COAGENTS AND SUCCESSOR AGENTS. (1) A principal may designate two (2) or more persons to act as coagents. Unless a power of attorney otherwise provides, each coagent may exercise its authority independently.

(2) A principal may designate one (1) or more successor agents to act if an agent resigns, dies, becomes incapacitated, is not qualified to serve, or declines to serve, including a successor coagent. A principal may grant to an agent or other person designated by name, office or function, authority to designate one (1) or more successor agents, including a successor coagent. Unless a power of attorney otherwise provides, a successor agent:
   (a) Has the same authority as that granted to the original agent; and
   (b) May not act until all predecessor agents have resigned, died, become incapacitated, are no longer qualified to serve, or have declined to serve.
(3) Except as otherwise provided in the power of attorney and subsection (4) of this section, an agent that does not participate in or conceal a breach of fiduciary duty committed by another agent, including a predecessor agent, is not liable for the actions of the other agent.

(4) An agent that has actual knowledge of a breach or imminent breach of fiduciary duty by another agent shall notify the principal and, if the principal is incapacitated, take any action reasonably appropriate in the circumstances to safeguard the principal's best interest. An agent that fails to notify the principal or take action as required by this subsection is liable for the reasonably foreseeable damages that could have been avoided if the agent had notified the principal or taken such action.

15-12-112. REIMBURSEMENT AND COMPENSATION OF AGENT. Unless the power of attorney otherwise provides, an agent is entitled to reimbursement of expenses reasonably incurred on behalf of the principal and to compensation that is reasonable under the circumstances.

15-12-113. AGENT'S ACCEPTANCE. Except as otherwise provided in the power of attorney, a person accepts appointment as an agent under a power of attorney by exercising authority or performing duties as an agent or by any other assertion or conduct indicating acceptance.

15-12-114. AGENT'S DUTIES. (1) Notwithstanding provisions in a power of attorney, an agent that has accepted appointment shall:
   (a) Act in accordance with the principal's reasonable expectations to the extent actually known by the agent and, otherwise, in the principal's best interest;
   (b) Act in good faith; and
   (c) Act only within the scope of authority granted in the power of attorney.

   (2) Except as otherwise provided in the power of attorney, an agent that has accepted appointment shall:
   (a) Act loyally for the principal's benefit;
   (b) Act so as not to create a conflict of interest that impairs the agent's ability to act impartially in the principal's best interest;
   (c) Act with the care, competence and diligence ordinarily exercised by agents in similar circumstances;
   (d) Keep a record of all receipts, disbursements and transactions made on behalf of the principal;
   (e) Cooperate with a person that has authority to make health care decisions for the principal to carry out the principal's reasonable expectations to the extent actually known by the agent and, otherwise, act in the principal's best interest; and
   (f) Attempt to preserve the principal's estate plan, to the extent actually known by the agent, if preserving the plan is consistent with the principal's best interest based on all relevant factors, including:
      (i) The value and nature of the principal's property;
      (ii) The principal's foreseeable obligations and need for maintenance;
      (iii) Minimization of taxes, including income, estate, inheritance, generation-skipping transfer and gift taxes; and
(iv) Eligibility for a benefit, a program or assistance under a statute or governmental regulation.

(3) An agent that acts in good faith is not liable to any beneficiary of the principal's estate plan for failure to preserve the plan.

(4) An agent that acts with care, competence and diligence for the best interest of the principal is not liable solely because the agent also benefits from the act or has an individual or conflicting interest in relation to the property or affairs of the principal.

(5) If an agent is selected by the principal because of special skills or expertise possessed by the agent, or in reliance on the agent's representation that the agent has special skills or expertise, the special skills or expertise must be considered in determining whether the agent has acted with care, competence and diligence under the circumstances.

(6) Absent a breach of duty to the principal, an agent is not liable if the value of the principal's property declines.

(7) An agent that exercises authority to delegate to another person the authority granted by the principal or that employs another person on behalf of the principal is not liable for an act, error of judgment or default of that person if the agent exercises care, competence and diligence in selecting and monitoring the person.

(8) Except as otherwise provided in the power of attorney, an agent is not required to disclose receipts, disbursements or transactions conducted on behalf of the principal unless ordered by a court or requested by the principal, a guardian, conservator, other fiduciary acting for the principal, a governmental agency having authority to protect the welfare of the principal or, upon the death of the principal, by the personal representative or successor in interest of the principal's estate. If so requested, the agent shall comply with the request within thirty (30) days or provide a writing or other record substantiating why additional time is needed and shall comply with the request within an additional thirty (30) days.

15-12-115. EXONERATION OF AGENT. A provision in a power of attorney relieving the agent of liability for breach of duty is binding on the principal and the principal's successors in interest except to the extent the provision:

(1) Relieves the agent of liability for breach of duty committed dishonestly, with an improper motive, or with reckless indifference to the purposes of the power of attorney or the best interest of the principal; or

(2) Was inserted as a result of an abuse of a confidential or fiduciary relationship with the principal.

15-12-116. JUDICIAL RELIEF. (1) The following persons may petition a court to construe a power of attorney or review the agent's conduct, and grant appropriate relief:

(a) The principal or the agent;
(b) A guardian, conservator or other fiduciary acting for the principal;
(c) A person authorized to make health care decisions for the principal;
(d) The principal's spouse, parent or descendant;
(e) An individual who would qualify as a presumptive heir of the principal;
(f) A person named as a beneficiary to receive any property, benefit or contractual right on the principal's death or as a beneficiary of a trust created by or for the principal that has a financial interest in the principal's estate;
(g) A governmental agency having regulatory authority to protect the welfare of the principal;
(h) The principal's caregiver or another person that demonstrates sufficient interest in the principal's welfare; and
(i) A person asked to accept the power of attorney.

(2) Upon motion by the principal, the court shall dismiss a petition filed under this section, unless the court finds that the principal lacks capacity to revoke the agent's authority or the power of attorney.

(3) The court may award reasonable attorney's fees and costs to the prevailing party in a proceeding under this section.

15-12-117. AGENT'S LIABILITY. An agent that violates this chapter is liable to the principal or the principal's successors in interest for the amount required to:

(1) Restore the value of the principal's property to what it would have been had the violation not occurred; and
(2) Reimburse the principal or the principal's successors in interest for the attorney's fees and costs, and other professional fees and costs, paid on the agent's behalf.

15-12-118. AGENT'S RESIGNATION -- NOTICE. If a power of attorney does not provide the method for an agent's resignation, an agent may resign by giving written notice to the principal and, if the principal is incapacitated:

(1) To the conservator or guardian, if one (1) has been appointed for the principal, and a coagent or successor agent; or
(2) If there is no person described in subsection (1) of this section, to:
   (a) The principal's caregiver;
   (b) Another person reasonably believed by the agent to have sufficient interest in the principal's welfare; or
   (c) A governmental agency having authority to protect the welfare of the principal.

15-12-119. ACCEPTANCE OF AND RELIANCE UPON AN ACKNOWLEDGED POWER OF ATTORNEY. (1) For purposes of this section and section 15-12-120, Idaho Code, "acknowledged" means purportedly verified before a notary public or other individual authorized to take acknowledgments.

(2) A person that in good faith accepts an acknowledged power of attorney without actual knowledge that the signature is not genuine may rely upon the presumption under section 15-12-105, Idaho Code, that the signature is genuine.

(3) A person that in good faith accepts an acknowledged power of attorney without actual knowledge that the power of attorney is void, invalid or terminated, that the purported agent's authority is void, invalid or terminated, or that the agent is exceeding or improperly exercising the agent's authority may rely upon the power of attorney as if the power of attorney were genuine, valid and still in effect, the
agent's authority were genuine, valid and still in effect, and the agent had not exceeded and had properly exercised the authority.

(4) A person that is asked to accept an acknowledged power of attorney may request, and rely upon, without further investigation:
   (a) An agent's certification under penalty of perjury of any factual matter concerning the principal, the agent or the power of attorney;
   (b) An English translation of the power of attorney if the power of attorney contains, in whole or in part, language other than English; and
   (c) An opinion of counsel as to any matter of law concerning the power of attorney if the person making the request provides in a writing or other record the reason for the request.

(5) An English translation or an opinion of counsel requested under this section must be provided at the principal's expense unless the request is made more than seven (7) business days after the power of attorney is presented for acceptance.

(6) For purposes of this section and section 15-12-120, Idaho Code, a person that conducts activities through employees is without actual knowledge of a fact relating to a power of attorney, a principal or an agent if the employee conducting the transaction involving the power of attorney is without actual knowledge of the fact.

15-12-120. LIABILITY FOR REFUSAL TO ACCEPT AN ACKNOWLEDGED POWER OF ATTORNEY. (1) Except as otherwise provided in subsection (2) of this section:
   (a) A person must either accept an acknowledged power of attorney or request an agent's certification, a translation or an opinion of counsel pursuant to section 15-12-119(4), Idaho Code, within seven (7) business days after presentation of the power of attorney for acceptance;
   (b) If a person requests an agent's certification, a translation, or an opinion of counsel under section 15-12-119(4), Idaho Code, the person must accept the power of attorney no later than five (5) business days after receipt of the certification, translation or opinion of counsel; and
   (c) A person may not require an additional or different form of power of attorney for authority granted in the power of attorney presented.

(2) A person is not required to accept an acknowledged power of attorney if:
   (a) The person is not otherwise required to engage in a transaction with the principal in the same circumstances;
   (b) Engaging in a transaction with the agent or the principal in the same circumstances would not be consistent with federal law;
   (c) The person has actual knowledge of the termination of the agent's authority or of the power of attorney before exercise of the power;
   (d) A request for a certification, a translation, or an opinion of counsel under section 15-12-119(4), Idaho Code, is refused;
   (e) The person in good faith believes that the power is not valid or that the agent does not have the authority to perform the act requested, whether or not an agent's certification, a translation or an opinion of counsel has been requested or provided; or
(f) The person makes, or has actual knowledge that another person has made, a report to the local adult protective services office stating a good faith belief that the principal may be subject to physical or financial abuse, neglect, exploitation or abandonment by the agent or a person acting for or with the agent.

(3) A person that refuses in violation of this section to accept an acknowledged power of attorney is subject to:

(a) A court order mandating acceptance of the power of attorney; and

(b) Liability for reasonable attorney's fees and costs incurred in any action or proceeding that confirms the validity of the power of attorney or mandates acceptance of the power of attorney.

15-12-121. PRINCIPLES OF LAW AND EQUITY. Unless displaced by a provision of this chapter, the principles of law and equity supplement this chapter.

15-12-122. LAWS APPLICABLE TO FINANCIAL INSTITUTIONS AND ENTITIES. This chapter does not supersede any law applicable to financial institutions or other entities, and the other law controls if inconsistent with this chapter.

15-12-123. REMEDIES UNDER OTHER LAW. The remedies under this chapter are not exclusive and do not abrogate any right or remedy under the law of this state.

PART 2.

AUTHORITY

15-12-201. AUTHORITY THAT REQUIRES SPECIFIC GRANT -- GRANT OF GENERAL AUTHORITY. (1) An agent under a power of attorney may exercise the following authority on behalf of the principal or with the principal's property only if the power of attorney expressly grants the agent the authority and exercise is not otherwise prohibited by other agreement or instrument to which the authority or property is subject:

(a) Create, amend, revoke or terminate an inter vivos trust;

(b) Make a gift;

(c) Create or change rights of survivorship;

(d) Create or change a beneficiary designation;

(e) Delegate authority granted under the power of attorney;

(f) Waive the principal's right to be a beneficiary of a joint and survivor annuity, including a survivor benefit under a retirement plan; or

(g) Exercise fiduciary powers that the principal has authority to delegate.

(2) Notwithstanding a grant of authority to exercise authority in subsection (1) of this section, unless the power of attorney otherwise provides, an agent that is not an ancestor, spouse or descendant of the principal, may not exercise authority under a power of attorney to create in the agent, or in an individual to whom the agent owes a legal obligation of support, an interest in the principal's property, whether by gift, right of survivorship, beneficiary designation, disclaimer or otherwise.

(3) Subject to subsections (1), (2), (4) and (5) of this section,

CHAPTER 191
(S.B. No. 1405)

AN ACT
RELATING TO SCHOOL DISTRICT REAL AND PERSONAL PROPERTY; AMENDING SECTION 33-601, IDAHO CODE, TO PROVIDE FOR THE TRANSFER OR CONVEYANCE OF ANY REAL OR PERSONAL PROPERTY OWNED BY A SCHOOL DISTRICT TO ANY PUBLIC CHARTER SCHOOL; AND DECLARING AN EMERGENCY.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 33-601, Idaho Code, be, and the same is hereby amended to read as follows:

33-601. REAL AND PERSONAL PROPERTY -- ACQUISITION, USE OR DISPOSAL OF SAME. The board of trustees of each school district shall have the following powers and duties:

(1) To rent to or from others, school buildings or other property used, or to be used, for school purposes.

(2) To contract for the construction, repair, or improvement of any real property, or the acquisition, purchase or repair of any equipment, or other personal property necessary for the operation of the school district.

Except for the purchase of curricular materials as defined in section 33-118A, Idaho Code, such contract shall be executed in accordance with the provisions of chapter 28, title 67, Idaho Code.

(3) To designate and purchase any real property necessary for school purposes or in the operation of the district, or remove any building, or dispose of any real property. Prior to, but not more than one (1) year prior to, any purchase or disposal of real property, the board shall have such property appraised by an appraiser certified in the state of Idaho, which appraisal shall be entered in the records of the board of trustees, and shall be used to establish the value of the real property. The board of trustees shall determine the size of the site necessary for school purposes. The site shall be located within the incorporated limits of any city within the district; provided, however,
that if the board finds that it is not in the best interests of the electors and the students of the district to locate the site within the incorporated limits of a city, the board, by duly adopted resolution setting forth the reasons for its finding, may designate a site located elsewhere within the district. In elementary school districts, except upon removal for highway purposes, a site may be designated or changed only after approval of two-thirds (2/3) or more of the electors voting at the annual meeting.

(4T) (a) To convey, except as provided by paragraph (b) of this subsection, by deed, bill of sale, or other appropriate instrument, all of the estate and interest of the district in any property, real or personal. In elementary school districts, except such conveyance as is authorized by subsection (6T) of this section, any of the transactions authorized in this subsection shall be subject to the approval of two-thirds (2/3) or more of the electors voting at the annual meeting.

Prior to such sale or conveyance, the board shall have the property appraised pursuant to this section, which appraisal shall be entered in the records of the board of trustees. The property may be sold at public auction or by sealed bids, as the board of trustees shall determine, to the highest bidder. Such property may be sold for cash or for such terms and conditions as the board of trustees shall determine for a period not exceeding ten (10) years, with the annual rate of interest on all deferred payments not less than seven percent (7%) per annum. The title to all property sold on contract shall be retained in the name of the school district until full payment has been made by the purchaser, and title to all property sold under a note and mortgage or deed of trust shall be transferred to the purchaser at the point of sale under the terms and conditions of the mortgage or deed of trust as the board of trustees shall determine. Notice of the time and the conditions of such sale shall be published twice, and proof thereof made, in accordance with subsections g. and h. of section 33-402, Idaho Code, except that when the appraised value of the property is less than one thousand dollars ($1,000), one (1) single notice by publication shall be sufficient and the property shall be sold by sealed bids or at public auction.

The board of trustees may accept the highest bid, may reject any bid, or reject all bids. If the real property was donated to the school district the board may, within a period of one (1) year from the time of the appraisal, sell the property without additional advertising or bidding. Otherwise, the board of trustees must have new appraisals made and again publish notice for bids, as before. If, thereafter, no satisfactory bid is made and received, the board may proceed under its own direction to sell and convey the property. In no case shall any real property of the school district be sold for less than its appraisal.

The board of trustees may sell personal property, with an estimated value of less than one thousand dollars ($1,000), without appraisal, by sealed bid or at public auction, provided that there has been not less than one (1) published advertisement prior to the sale of said property. If the property has an estimated value of less than five hundred dollars ($500), the property may be disposed of in the most cost-effective and expedient manner by an employee of
the district empowered for that purpose by the board, provided how­
ever, such employee shall notify the board prior to disposal of said property.

(b) Real and personal property may be exchanged hereunder for other property. Provided, however, that aside from the provisions of this paragraph, any school district may by a vote of one-half (1/2) plus one (1) of the members of the full board of trustees, by resolution duly adopted, authorize the transfer or conveyance of any real or personal property owned by such school district to the government of the United States, any city, county, the state of Idaho, any hospital district organized under chapter 13, title 39, Idaho Code, any other school district, any public charter school, any library dis­trict, any community college district, or any recreation district, with or without any consideration accruing to the school district, when in the judgment of the board of trustees it is for the interest of such school district that said transfer or conveyance be made. Prior to any transfer or conveyance of any real or personal property pursuant to this paragraph (47)(b), the board shall have the prop­erty appraised by an appraiser certified in the state of Idaho, which appraisal shall be entered in the records of the board of trustees, and shall be used to establish the value of the real or personal property.

(57) To enter into contracts with any city located within the boundaries of the school district for the joint purchase, construction, development, maintenance and equipping of playgrounds, ball parks, swim­ming pools, and other recreational facilities upon property owned either by the school district or the city.

(67) To convey rights-of-way and easements for highway, public utility, and other purposes over, upon or across any school property and, when necessary to the use of such property for any such purpose, to authorize the removal of school buildings to such new location, or loca­tions, as shall be determined by the board of trustees, and such removal shall be made at no cost or expense to the school district.

(77) To authorize the use of any school building of the district as a community center, or for any public purpose, and to establish a policy of charges, if any, to be made for such use.

(87) To exercise the right of eminent domain under the provisions of chapter 7, title 7, Idaho Code, for any of the uses and purposes pro­vided in section 7-701, Idaho Code.

(97) If there is a great public calamity, such as an extraordinary fire, flood, storm, epidemic, or other disaster, or if it is necessary to do emergency work to prepare for national or local defense, or it is necessary to do emergency work to safeguard life, health or property, the board of trustees may pass a resolution declaring that the public interest and necessity demand the immediate expenditure of public money to safeguard life, health or property. Upon adoption of the resolution, the board may expend any sum required in the emergency without compli­ance with this section.

SECTION 2. An emergency existing therefor, which emergency is hereby declared to exist, this act shall be in full force and effect on and after its passage and approval.

Approved March 18, 2008.
CHAPTER 16
CONSUMER FORECLOSURE PROTECTION ACT

45-1601. LEGISLATIVE FINDINGS. The legislature finds that some persons and businesses are engaging in patterns of conduct that defraud innocent homeowners of their title, equity interest, or other value in residential dwellings under the guise of stopping or postponing a foreclosure sale. The legislature also finds this activity to be contrary to the public policy of this state and therefore establishes notice requirements governing contracts or agreements entered into during the foreclosure period. The legislature further finds that the provisions of this chapter shall be construed in such a manner that it does not inhibit transactions with legitimate lenders and investors.

45-1602. CONTRACT NOTICE. (1) During the foreclosure period described in section 45-1506, Idaho Code, any contract or agreement with the owner or owners of record that involves the transfer of any interest in residential real property, as defined in section 45-525(5)(b), Idaho Code, subject to foreclosure must be in writing and must be accompanied by and affixed to the following notice in twelve (12) point boldface type and on a separate sheet of canary yellow or some similarly colored yellow paper no smaller than eight and one-half (8 1/2) inches by eleven (11) inches:

"NOTICE REQUIRED BY IDAHO LAW

Mortgage foreclosure is a legal proceeding where a lender terminates a borrower's interest in property to satisfy unpaid debt secured by the property. This can mean that when a homeowner gets behind on his or her mortgage payments, the lender forces a sale of the home on which the mortgage loan is based. Some individuals or businesses may say they can "save" your home from foreclosure. You should be cautious about such claims. It is important that you understand all the terms of a plan to "rescue" you from mortgage foreclosure and how it will
affect you. It may result in your losing valuable equity that you may have in your home. If possible, you should consult with an attorney or financial professional to find out what other options you may have. Do not delay seeking advice, because the longer you wait, the fewer options you may have.

You may find helpful information online. One excellent source is the Department of Housing and Urban Development (HUD) website which can be found at "http://www.hud.gov/foreclosure/index.cfm". HUD also maintains on its website a list of approved housing counselors who can provide free information to assist homeowners with financial problems. Another good source of information is found at the Office of the Attorney General’s website at "http://www2.state.id.us/ag/".

Under Idaho law, you have five (5) days to rescind or undo certain contracts or agreements that relate to transferring interests in property or money in a foreclosure situation. An attorney or financial professional can tell you more about this option.

(2) If during the foreclosure period described in section 45-1506, Idaho Code, any contract or agreement that involves the transfer of any interest in residential real property, as defined in section 45-525(5)(b), Idaho Code, was solicited, negotiated, or represented to the consumer in the Spanish language, the written notice to be provided to the consumer and set forth in this section shall be in the Spanish language on a form to be prepared and made available by the office of the attorney general.

45-1603. RIGHT OF RESCISSION OF CONTRACT. (1) In addition to any other legal right to cancel or rescind a contract, any person whose property is in foreclosure as described in section 45-1505, Idaho Code, has the right to cancel or rescind any and all contracts or agreements relating to such property entered into during the foreclosure period within five (5) business days of entering into such contract or agreement. Neither funds nor an interest in the property shall be transferred or transferable until the five (5) days have passed.

(2) Cancellation occurs when such person gives written notice of cancellation to all other parties to the contract. Notice of cancellation need not take any particular form and, however expressed, is effective if it indicates the intention not to be bound by the contract.

(3) Notice of cancellation, if given by mail, is effective when deposited in the mail properly addressed with postage prepaid. Notice by certified mail, return receipt requested, addressed to the address specified in the contract or agreement, shall be conclusive proof of notice of service.

45-1604. EXCLUSIONS. The provisions of this chapter shall not apply to:

(1) Regulated lenders, as defined in section 28-41-301(37), Idaho Code;

(2) Any person licensed or chartered under the laws of any state or
of the United States as a bank, trust company, savings and loan association, credit union, or industrial loan company. The terms "bank," "trust company," "savings and loan association," "credit union" and "industrial loan company" shall include affiliates or wholly-owned subsidiaries of such organizations, provided that the affiliate or subsidiary is regularly examined by the chartering state or federal agency for consumer compliance purposes;

(3) Mortgage lenders and mortgage brokers licensed under the Idaho residential mortgage practices act, sections 26-3101 et seq., Idaho Code;

(4) Employees and agents of the organizations specified in subsections (1), (2) and (3) of this section, when acting within the scope of such employment or agency; and

(5) Family member or members of the owner or owners of record of any interest in residential real property subject to foreclosure. For purposes of this chapter, "family member or members" means a natural person or the spouse of a natural person who is related to such owner or owners of record by blood, adoption or marriage within the second degree of consanguinity or a grandchild or the spouse of a grandchild.

45-1605. PENALTIES. In addition to any other penalty provided by law, any person who violates the provisions of this chapter shall be liable for penalties and damages in accordance with chapter 6, title 48, Idaho Code.

SECTION 2. That Section 45-1505, Idaho Code, be, and the same is hereby amended to read as follows:

45-1505. FORECLOSURE OF TRUST DEED, WHEN. The trustee may foreclose a trust deed by advertisement and sale under this act if:

(1) The trust deed, any assignments of the trust deed by the trustee or the beneficiary and any appointment of a successor trustee are recorded in mortgage records in the counties in which the property described in the deed is situated; and

(2) There is a default by the grantor or other person owing an obligation the performance of which is secured by the trust deed or by their successors in interest with respect to any provision in the deed which authorizes sale in the event of default of such provision; and

(3) The trustee or beneficiary shall have (a) filed for record in the office of the recorder in each county wherein the trust property, or some part or parcel, is situated, a notice of default identifying the deed of trust by stating the name or names of the trustor or trustors and giving the book and page where the same is recorded, or a description of the trust property, and containing a statement that a breach of the obligation for which the transfer in trust is security has occurred, and setting forth the nature of such breach and his election to sell or cause to be sold such property to satisfy such obligation; and (b) mailed a copy of such notice by registered or certified mail, return receipt requested, to any person requesting such notice of record as provided in section 45-1511, Idaho Code. Service by mail in accordance with this subsection (3) shall be deemed effective at the time of mailing. In addition, the trustee shall mail the notice required in this section to any individual who owns an interest in property which is the subject of this section. Such notice shall be accompanied by and affixed
to the following notice in twelve (12) point boldface type, on a separate sheet of canary yellow or some similarly colored yellow paper, no smaller than eight and one-half (8 1/2) inches by eleven (11) inches:

(2) "Consistent with the least restrictive alternative principle" means that services are delivered in the setting which places the fewest restrictions on the personal liberty of the child, and provides the greatest integration with individuals who do not have disabilities, in typical and age appropriate, school, community and family environments, which is consistent with safe, effective and cost-effective treatment for the child and family.
(3) "Designated examiner" means a psychiatrist, psychologist, psychiatric nurse, or social worker and such other mental health professionals as may be designated in accordance with rules promulgated pursuant to the provisions of chapter 52, title 67, Idaho Code, by the department of health and welfare. child's parents, or mental health professionals, and treatment in the community while the child remains in his family home.

(7) "Informed consent to treatment" means a knowing and voluntary decision to undergo a specific course of treatment, evidenced in writing, and made by an emancipated child, or a child's parent, or guardian, who has the capacity to make an informed decision, after the staff of the facility or other provider of treatment have explained the nature and effects of the proposed treatment.

(8) "Involuntary treatment" means treatment, services and placement of children provided without consent of the parent of a child, under the authority of a court order obtained pursuant to this chapter, as directed by an order of disposition issued by a designated employee of the department of health and welfare under section 16-2415, Idaho Code.

(9) "Lacks capacity to make an informed decision concerning treatment" means that the parent is unable to understand the nature and effects of hospitalization or treatment, or is unable to engage in a rational decision-making process regarding such hospitalization or treatment, as evidenced by an inability to weigh the risks and benefits, despite conscientious efforts to explain them in terms that the parent can understand.

(10) " Likely to cause harm to himself or to suffer substantial mental or physical deterioration" means that, as evidenced by recent behavior, the child:

(a) Is likely in the near future to inflict substantial physical injury upon himself; or
