on behalf of a holder for any appreciation in the value of the property
occurring after delivery by the holder to the administrator.

tor pursuant to this chapter takes the property free of all claims of the
owner or previous holder thereof and of all persons claiming through or under
them. The administrator shall execute all documents necessary to complete
the transfer of ownership.

thereof from the date the property should have been paid or delivered until
actual delivery is made unless the holder demonstrates to the satisfaction
of the administrator that the failure was due to reasonable cause and not
neglect.

istrator to pay or deliver property as required under this chapter shall be
guilty of a misdemeanor and upon conviction may be punished by a fine of not
less than three hundred dollars ($300) nor by more than three thousand dol-
ars ($3,000).

(d) An order of dismissal.

(2) Where the order affects the custody of a child, the appeal shall be heard at the earliest practicable time. No bond or undertaking shall be required of any party appealing to the district court under the provisions of this section. Any final order or judgment of the district court shall be appealable to the supreme court of the state of Idaho in the same manner as appeals in other civil actions. The filing of the notice of appeal shall not, unless otherwise ordered, stay the order of the district court.

SECTION 3. That Section 16-2014, Idaho Code, be, and the same is hereby amended to read as follows:

16-2014. APPEALS. Any appeal may be taken to the district court from an order or decree of the court granting or refusing to grant a termination in the manner and form as appeals are taken in other civil proceedings from the magistrates division of the district court to district courts shall be taken to the supreme court, provided, however, pendency of an appeal or application therefor shall not suspend the order of the court relative to termination of the parent-child relationship.

CHAPTER 9
INSURANCE ADMINISTRATORS

41-901. DEFINITIONS. For the purposes of this chapter:
1. "Administrator" or "third party administrator" or "TPA" means any person who directly or indirectly underwrites, collects charges or premiums from or adjusts or settles claims on residents of this state in connection with life, annuity or health insurance coverage offered or provided by an insurer, except any of the following:
   (a) An employer, or a wholly owned direct or indirect subsidiary of an employer, on behalf of its employees or the employees of one (1) or more subsidiaries or affiliated corporations of such employer.
   (b) A union on behalf of its members.
   (c) An insurance company that is either authorized to transact insurance in this state or acting as an insurer with respect to a policy lawfully issued and delivered by such company in and pursuant to the laws of a state in which the insurer was authorized to transact an insurance business, or a hospital, medical, dental or optometric service corporation or a health care service organization, including their sales representatives, possessing a valid certificate of authority in this state when engaged in the performance of their duties.
   (d) An insurance producer licensed to sell life, annuities or health coverage in this state whose activities are limited exclusively to the sale, solicitation and negotiation of insurance.
   (e) A creditor on behalf of its debtors with respect to insurance covering a debt between the creditor and its debtors.
   (f) A trust, its trustees, agents and employees acting pursuant to such trust established in conformity with 29 U.S.C. 186.
   (g) A trust exempt from taxation under section 501(a) of the Internal Revenue Code, its trustees and employees acting pursuant to such trust or a custodian and the custodian's agents or employees acting pursuant to a custodian account that meets the requirements of section 401(f) of the Internal Revenue Code.
   (h) A credit union or a financial institution that is subject to supervision or examination by federal or state banking authorities, or a mortgage lender, to the extent they collect and remit premiums to licensed insurance producers or to limited lines producers or authorized insurers in connection with loan payments.
   (i) A credit card issuing company that advances for and collects premiums or charges from its credit cardholders who have authorized such collection.
   (j) A person who adjusts or settles claims in the normal course of that person's practice or employment as an attorney at law and who does not collect charges or premiums in connection with life, annuity or health insurance coverage.
   (k) A person licensed as a managing general agent in this state whose activities are limited exclusively to the scope of activities conveyed under such license.
   (l) A person who is affiliated with an insurer and who acts solely as an administrator for the direct and assumed insurance business of an affiliated insurer. The insurer is responsible for the acts of the administrator and is responsible for providing all of the administrator's
books and records to the insurance director upon a request from the insurance director. For purposes of this paragraph, "insurer" means a licensed insurance company, hospital or professional service corporation or a managed care organization.

(2) "Affiliate" or "affiliated" means an entity or person who directly or indirectly through one (1) or more intermediaries controls or is controlled by, or is under common control with, a specified entity or person.

(3) "Control," including the terms "controlling," "controlled by" and "under common control with," means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a person whether through the ownership of voting securities, by contract other than a commercial contract for goods or nonmanagement services, or otherwise, unless the power is the result of an official position with or corporate office held by the person. Control shall be presumed to exist if any person, directly or indirectly, owns, controls, holds with the power to vote, or holds proxies representing ten percent (10%) or more of the voting securities of any other person. This presumption may be rebutted by a showing made in the manner provided in section 41-3806(11), Idaho Code, that control does not exist in fact. The director may determine, after furnishing all persons in interest notice and an opportunity to be heard and making specific findings of fact to support the determination, that control exists in fact, notwithstanding the absence of a presumption to that effect.

(4) "Director" means the director of the Idaho department of insurance.

(5) "GAAP" means United States "Generally Accepted Accounting Principles" consistently applied.

(6) "Home state" means the District of Columbia and any state or territory of the United States in which an administrator is incorporated or maintains its principal place of business. If neither the state in which the administrator is incorporated nor the state in which it maintains its principal place of business has adopted the provisions of this chapter, or a substantially similar law governing administrators, the administrator may declare another state in which it conducts business to be its "home state."

(7) "Insurer" means a person undertaking to provide life, annuity or health coverage or self-funded coverage who is subject to regulation under title 41, Idaho Code.

(8) "NAIC" means the "National Association of Insurance Commissioners."

(9) "Nonresident administrator" means an administrator with a home state other than Idaho.

(10) "Underwrites" or "underwriting" means, but is not limited to, the acceptance of employer or individual applications for coverage of individuals in accordance with the written rules of the insurer or self-funded plan, or the overall planning and coordinating of a benefits program.

(11) "Uniform application" means the current version of the NAIC uniform application for third party administrators.

41-902. WRITTEN AGREEMENT NECESSARY. (1) No administrator shall act as such without a written agreement between the administrator and the insurer, and the written agreement shall be retained as part of the official records of both the insurer and the administrator for the duration of the agreement and for five (5) years thereafter. The agreement shall be consistent with the provisions of this chapter and shall contain all provisions required in this chapter, except insofar as those requirements do not apply to the functions performed by the administrator.

(2) The written agreement shall include a statement of duties that the administrator is expected to perform on behalf of the insurer and the lines, classes or types of insurance for which the administrator is to be authorized to administer. The agreement shall make provision with respect to under-
writing or other standards pertaining to the business underwritten by the insurer.

(3) The insurer or administrator may, with written notice to the other party and the director, terminate the written agreement as provided in the agreement. The insurer may suspend the underwriting authority of the administrator during the pendency of any dispute regarding the termination of the written agreement. The insurer shall fulfill any lawful obligations with respect to policies affected by the written agreement regardless of any dispute between the insurer and the administrator.

41-903. PAYMENT TO ADMINISTRATOR. If an insurer utilizes the services of an administrator, the payment to the administrator of any premiums or charges for insurance by or on behalf of the insured shall be deemed to have been received by the insurer and the payment of return premiums or claims forwarded by the insurer to the administrator shall not be deemed payment to the insured or claimant until the payments are received by the insured or claimant. Nothing in this chapter limits any right of the insurer against the administrator resulting from the failure of the administrator to make payments to the insurer, insured parties or claimants.

41-904. MAINTENANCE OF INFORMATION. (1) Every administrator shall maintain and make available to the insurer complete books and records of all transactions performed on behalf of the insurer. The books and records shall be maintained in accordance with prudent standards of insurance recordkeeping and shall be maintained for a period of not less than five (5) years from the date of their creation.

(2) The director shall have access to books and records maintained by an administrator for the purposes of examination, audit and inspection.

(3) The insurer shall own the records generated by the administrator pertaining to the insurer; however, the administrator shall retain the right to continuing access to books and records to permit the administrator to fulfill all of its contractual obligations to insured parties, claimants and the insurer, and its obligations to maintain records available to the director.

(4) In the event the insurer and the administrator cancel their agreement, notwithstanding the provisions of subsection (1) of this section, the administrator may, by written agreement with the insurer, transfer all records to a new administrator rather than retain them for five (5) years. In such cases, the new administrator shall acknowledge, in writing, that it is responsible for retaining the records of the prior administrator as required in subsection (1) of this section.

41-905. ADVERTISING -- APPROVAL. An administrator may use only advertising pertaining to the business underwritten by an insurer that has been approved in writing by the insurer in advance of its use. Prior to approving the use of advertising by an administrator, the insurer shall first file the advertising with the director along with a certification in a form prescribed by the director that the advertising complies with Idaho law. The director may disapprove the use of the advertising on any of the grounds set forth in section 41-1813, Idaho Code.

41-906. PREMIUM COLLECTION AND PAYMENT OF CLAIMS. (1) All insurance charges or premiums collected by an administrator on behalf of or for an insurer, and the return of premiums received from that insurer, shall be held by the administrator in a fiduciary capacity. The funds shall be immediately remitted to the person entitled to them or shall be deposited promptly in a fiduciary account established and maintained by the administrator in a federally or state insured financial institution. The written agreement between the administrator and the insurer shall provide for the administrator
to periodically render an accounting to the insurer detailing all transac-
tions performed by the administrator pertaining to the business underwritten
by the insurer.

(2) All such funds, including charges, fees or premiums, shall be used
to establish the premium tax under section 41-402, Idaho Code.

(3) If charges or premiums deposited in a fiduciary account have been
collected on behalf of one (1) or more insurers, the administrator shall keep
records clearly recording the deposits in and withdrawals from the account
on behalf of each insurer. The administrator shall keep copies of all the
records and, upon request of an insurer, shall furnish the insurer with
copies of such records pertaining to deposits and withdrawals associated
with the insurer.

(4) The administrator shall not pay any claim by withdrawals from a
fiduciary account in which premiums or charges are deposited. Withdrawals
from the account shall be made as provided in the written agreement between
the administrator and the insurer. The written agreement shall address, but
not be limited to, the following:

(a) Remittance to an insurer entitled to remittance;
(b) Deposit in an account maintained in the name of the insurer;
(c) Transfer to and deposit in a claims-paying account with claims to be
paid as provided for in subsection (5) of this section;
(d) Payment to a group policyholder for remittance to the insurer enti-
tled to such remittance;
(e) Payment to the administrator of its commission, fees or charges;
and
(f) Remittance of return premiums to the person or persons entitled to
such return premiums.

(5) All claims paid by the administrator from funds collected on behalf
of or for an insurer shall be paid only on drafts or checks of and as autho-
razed by the insurer.

41-907. DELIVERY OF MATERIALS TO COVERED INDIVIDUALS. Any policies,
certificates, booklets, termination notices or other written communica-
tions delivered by the insurer to the administrator for delivery to insured
parties or covered individuals shall be delivered by the administrator
promptly after receipt of instructions from the insurer to deliver them.

41-908. COMPENSATION TO THE ADMINISTRATOR. (1) An administrator shall
not enter into an agreement or understanding with an insurer in which the
effect is to make the amount of the administrator’s commissions, fees or
charges contingent upon savings effected by the adjustment, settlement and
payment of losses covered by the insurer’s obligations. This provision
shall not prohibit an administrator from receiving performance-based
compensation for providing hospital or other auditing services.

(2) The provisions of this section shall not prevent the compensation
of an administrator from being based on premiums or charges collected or the
number of claims paid or processed.

41-909. NOTICE TO COVERED INDIVIDUALS -- DISCLOSURE OF CHARGES AND
FEES. (1) Where the services of an administrator are utilized, the admin-
istrator shall provide a written notice approved by the insurer to covered
individuals advising them of the identity of and relationship among the
administrator, the policyholder and the insurer.

(2) Where an administrator collects funds, the reason for collection
of each item shall be identified to the insured party and each item shall be
shown separately from any premium. Additional charges may not be made for
services to the extent the services have been paid for by the insurer.

(3) The administrator shall disclose to the insurer all charges, fees
and commissions received from all services in connection with the provision
of administrative services for the insurer, including any fees or commissions paid by insurers providing reinsurance.

41-910. REGISTRATION REQUIREMENT. A person who directly or indirectly underwrites, collects charges or premiums from or adjusts or settles claims on residents of this state in connection with life, annuity or health coverage provided by a self-funded plan not regulated under title 41, Idaho Code, shall register with the director biennially on a form prescribed by the director, verifying its status as herein described.

41-911. HOME STATE LICENSE. (1) A person shall apply to be an administrator in its home state and shall receive a license from the regulatory authority of its home state prior to performing any function of an administrator in this state.

(2) A person applying to Idaho as the home state shall submit to the director an application in the form prescribed by the director that shall include or be accompanied by the following information and documents:

(a) All basic organizational documents of the applicant, including any articles of incorporation, articles of association, partnership agreement, trade name certificate, trust agreement, shareholder agreement, certificate of existence from the Idaho secretary of state and other applicable documents and all amendments to such documents;

(b) The bylaws, rules, regulations or similar documents regulating the internal affairs of the applicant;

(c) NAIC biographical affidavits for the individuals who are directly or indirectly responsible for the conduct of affairs of the applicant, including all members of the board of directors, board of trustees, executive committee or other governing board or committee, the principal officers in the case of a corporation or the partners or members in the case of a partnership, association or limited liability company, any shareholders or members holding directly or indirectly ten percent (10%) or more of the voting stock, voting securities or voting interest of the applicant and any other person who directly or indirectly exercises control or influence over the affairs of the applicant;

(d) Audited annual financial statements or reports for the two (2) most recent fiscal years that prove that the applicant has a positive net worth. If the applicant has been in existence for less than two (2) fiscal years, the uniform application shall include financial statements or reports, certified by an officer of the applicant and prepared in accordance with GAAP, for any completed fiscal years and for any month during the current fiscal year for which such financial statements or reports have been completed. An audited annual financial report prepared on a consolidated basis shall include a columnar consolidating or combining worksheet that shall be filed with the report and include the following:

(i) Amounts shown on the consolidated audited financial report shall be shown on the worksheet;

(ii) Amounts for each entity shall be stated separately; and

(iii) Explanations of consolidating and eliminating entries shall be included.

The applicant shall also include such other information as the director may require in order to review the current financial condition of the applicant;

(e) A statement describing the business plan, including information on staffing levels and activities, proposed in this state and nationwide. The plan shall provide details setting forth the applicant’s capability for providing a sufficient number of experienced and qualified personnel in the areas of claims processing, recordkeeping and underwriting;

(f) The license application fee as provided for by rule; and
(g) Such other pertinent information as may be required by the director.

(3) An administrator licensed or applying for licensure under the provisions of this section shall make available for inspection by the director, copies of all contracts with insurers or other persons utilizing the services of the administrator.

(4) An administrator licensed or applying for licensure under the provisions of this section shall produce its accounts, records and files for examination, and make its officers available to give information with respect to its affairs, as often as reasonably required by the director.

(5) The director may refuse to issue a license if the director determines that the administrator or any individual responsible for the conduct of affairs of the administrator is not competent, trustworthy, financially responsible or of good personal and business reputation, or has had an insurance or an administrator certificate of authority or license denied or revoked for cause by any jurisdiction, or if the director determines that any of the grounds set forth in section 41-915, Idaho Code, exist with respect to the administrator.

(6) A license issued under this section shall remain valid, unless surrendered, suspended or revoked by the director, for so long as the administrator continues in business in this state and remains in compliance with the provisions of this chapter and any applicable rules.

(7) An administrator licensed or applying for licensure under the provisions of this section shall immediately notify the director of any material change in its ownership, control or other fact or circumstance affecting its qualification for a license in this state.

(8) An administrator licensed or applying for a home state license that administers or will administer self-funded health plans subject to regulation under chapter 40 or 41, title 41, Idaho Code, shall maintain a surety bond for the use and benefit of the director to be held in trust for the benefit and protection of covered persons and the insurer or insurers against loss by reason of acts of fraud or dishonesty. The bond shall be in the greater of the following amounts:
   (a) One hundred thousand dollars ($100,000); or
   (b) An amount equal to the greater of ten percent (10%) of the contributions collected by the administrator from self-funded plans subject to regulation under chapters 40 and 41, title 41, Idaho Code, or ten percent (10%) of the benefits paid by such self-funded plans administered during the preceding calendar year. If the administrator did not administer any self-funded plans subject to regulation under chapter 40 or 41, title 41, Idaho Code, during the preceding calendar year, the bond shall be in an amount equal to ten percent (10%) of the contributions projected to be received by the administrator from such self-funded plans during the next calendar year.

41-912. NONRESIDENT ADMINISTRATOR LICENSE. (1) Unless an administrator has obtained a home state license in this state, any administrator who performs administrator duties in this state shall obtain a nonresident administrator license in accordance with the provisions of this section by filing with the director the uniform application, accompanied by a letter of certification. In lieu of requiring an administrator to file a letter of certification with the uniform application, the director may verify the nonresident administrator’s home state certificate of authority or license status through an electronic database maintained by the NAIC, its affiliates or subsidiaries.

(2) An administrator shall not be eligible for a nonresident administrator license under the provisions of this section if it does not hold a license in a home state that has adopted under the provisions of this chapter or a substantially similar law governing administrators.
(3) Except as provided in subsections (2) and (8) of this section, the director shall issue to the administrator a nonresident administrator license promptly upon receipt of a complete application.

(4) Each nonresident administrator shall file biennially, as a part of its application for renewal of its license, a statement that its home state administrator license remains in force and has not been revoked or suspended by its home state during the preceding years.

(5) At the time of filing the application for licensing required under the provisions of this section the nonresident administrator shall pay a license application fee as provided for by rule.

(6) An administrator licensed or applying for licensure under the provisions of this section shall produce its accounts, records and files for examination, and make its officers available to give information with respect to its affairs, as often as reasonably required by the director.

(7) A nonresident administrator is not required to hold a nonresident administrator license in this state if the administrator is licensed in its home state and the administrator's duties in this state are limited to:

(a) The administration of a group policy or plan and no more than a total of twenty percent (20%) of covered persons, for all plans the administrator services, reside in this state; and

(b) The total number of covered persons residing in this state is less than one hundred (100).

(8) The director may refuse to issue a nonresident administrator license, or delay the issuance of a nonresident administrator license, if the director determines that, due to events or information obtained subsequent to the home state's licensure of the administrator, the nonresident administrator cannot satisfy the requirements of this chapter or that grounds exist for the home state's revocation or suspension of the administrator's home state certificate of authority or license.

41-913. EXPIRATION AND RENEWAL OF ADMINISTRATOR LICENSE. (1) A license issued pursuant to this chapter shall expire on December 31 of the year following its issuance, but may be renewed for a period of two (2) years commencing January 1 upon filing a renewal form prescribed by the director accompanied by a fee as provided for by rule. 45-810. HOMEOWNER'S ASSOCIATION LIENS. (1) Whenever a homeowner's association levies an assessment against a lot for the reasonable costs incurred in the maintenance of common areas consisting of real property owned and maintained by the association, the association, upon complying with subsection (2) of this section, shall have a lien upon the individual lot for such unpaid assessments accrued in the previous twelve (12) months.

(2) (a) An association claiming a lien under subsection (1) of this section shall file in the county in which the lot or some part thereof is located a claim containing:

For the purpose of determining the date the claim is filed in those cases when subsequent unpaid assessments have accumulated under the claim as provided in subsection (2) of this section, the claim regarding each unpaid assessment shall be deemed to have been filed at the time such unpaid assessment became due. The lien may be enforced by the board of directors acting on behalf of the association.

AN ACT
RELATING TO EDUCATION; AMENDING SECTION 33-601, IDAHO CODE, AS AMENDED BY SECTION 44, CHAPTER 341, LAWS OF 2009, TO REVISE PROVISIONS RELATING TO THE SEALED BID OR PUBLIC AUCTION PROCESS FOR CERTAIN REAL PROPERTY, TO PROVIDE THAT IF THE BOARD OF TRUSTEES FINDS IT IS IN THE SCHOOL DISTRICT'S BEST INTERESTS TO TRADE PERSONAL PROPERTY TO A PERSON OR ENTITY FOR LIKE KIND PERSONAL PROPERTY, THE BOARD MAY VOTE TO ELECT TO DO SO AND THE BOARD MAY ELECT TO ABSTAIN FROM AN APPRAISAL OF THE PERSONAL PROPERTY IN CERTAIN INSTANCES AND TO MAKE TECHNICAL CORRECTIONS; AND PROVIDING AN EFFECTIVE DATE.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 33-601, Idaho Code, as amended by Section 44, Chapter 341, Laws of 2009, be, and the same is hereby amended to read as follows:

33-601. REAL AND PERSONAL PROPERTY -- ACQUISITION, USE OR DISPOSAL OF SAME. The board of trustees of each school district shall have the following powers and duties:
   (1) To rent to or from others, school buildings or other property used, or to be used, for school purposes.
   (2) To contract for the construction, repair, or improvement of any real property, or the acquisition, purchase or repair of any equipment, or other personal property necessary for the operation of the school district.
Except for the purchase of curricular materials as defined in section 33-118A, Idaho Code, such contract shall be executed in accordance with the provisions of chapter 28, title 67, Idaho Code.

(3) To designate and purchase any real property necessary for school purposes or in the operation of the district, or remove any building, or dispose of any real property. Prior to, but not more than one (1) year prior to, any purchase or disposal of real property, the board shall have such property appraised by an appraiser certified in the state of Idaho, which appraisal shall be entered in the records of the board of trustees and shall be used to establish the value of the real property. The board of trustees shall determine the size of the site necessary for school purposes. The site shall be located within the incorporated limits of any city within the district; provided, however, that if the board finds that it is not in the best interests of the electors and the students of the district to locate the site within the incorporated limits of a city, the board, by duly adopted resolution setting forth the reasons for its finding, may designate a site located elsewhere within the district. In elementary school districts, except upon removal for highway purposes, a site may be designated or changed only after approval of two-thirds (2/3) or more of the electors voting at the annual meeting.

(4) (a) To convey, except as provided by paragraph (b) of this subsection, by deed, bill of sale, or other appropriate instrument, all of the estate and interest of the district in any property, real or personal. In elementary school districts, except such conveyance as is authorized by subsection (6) of this section, any of the transactions authorized in this subsection shall be subject to the approval of two-thirds (2/3) or more of the electors voting at the annual meeting.

Prior to such sale or conveyance, the board shall have the property appraised pursuant to this section, which appraisal shall be entered in the records of the board of trustees. The property may be sold at public auction or by sealed bids, as the board of trustees shall determine, to the highest bidder. Such property may be sold for cash or for such terms and conditions as the board of trustees shall determine for a period not exceeding ten (10) years, with the annual rate of interest on all deferred payments not less than seven percent (7%) per annum. The title to all property sold on contract shall be retained in the name of the school district until full payment has been made by the purchaser, and title to all property sold under a note and mortgage or deed of trust shall be transferred to the purchaser at the point of sale under the terms and conditions of the mortgage or deed of trust as the board of trustees shall determine. Notice of the time and the conditions of such sale shall be published twice, and proof thereof made, in accordance with subsections (72) and (73) of section 33-402, Idaho Code, except that when the appraised value of the property is less than one thousand dollars ($1,000), one (1) single notice by publication shall be sufficient and the property shall be sold by sealed bids or at public auction.

The board of trustees may accept the highest bid, may reject any bid, or reject all bids. If the real property was donated to the school district the board may, within a period of one (1) year from the time of the appraisal, sell the property without additional advertising or bidding. Otherwise, the board of trustees must have new appraisals made and again publish notice for bids, as before. During the sealed bid or public auction process, no real property of the school district can be sold for less than its appraised value. If, thereafter, no satisfactory bid is made and received, the board may proceed under its own direction to sell and convey the property for the highest price the market will bear. In no case shall any real property of the school district be sold for less than its appraisal.

The board of trustees may sell personal property, with an estimated value of less than one thousand dollars ($1,000), without appraisal, by
sealed bid or at public auction, provided that there has been not less than one (1) published advertisement prior to the sale of said property. If the property has an estimated value of less than five hundred dollars ($500), the property may be disposed of in the most cost-effective and expedient manner by an employee of the district empowered for that purpose by the board, provided however, such employee shall notify the board prior to disposal of said property.

(b) Real and personal property may be exchanged hereunder for other property. Provided, however, that aside from the provisions of this paragraph, any school district may by a vote of one-half (1/2) plus one (1) of the members of the full board of trustees, by resolution duly adopted, authorize the transfer or conveyance of any real or personal property owned by such school district to the government of the United States, any city, county, the state of Idaho, any hospital district organized under chapter 13, title 39, Idaho Code, any cooperative service agency formed pursuant to section 33-317, Idaho Code, any other school district, the Idaho housing and finance association, any public charter school, any library district, any community college district, or any recreation district, with or without any consideration accruing to the school district, when in the judgment of the board of trustees it is for the interest of such school district that said transfer or conveyance be made. Prior to any transfer or conveyance of any real or personal property pursuant to this paragraph (4)(b), the board shall have the property appraised by an appraiser certified in the state of Idaho, which appraisal shall be entered in the records of the board of trustees and shall be used to establish the value of the real or personal property. Provided however, if the board of trustees finds it is in the school district's best interests to trade personal property to a person or entity for like kind personal property, the board of trustees may vote to elect to do so. The board of trustees may elect to abstain from an appraisal of the personal property if the estimated value of such property is less than five thousand dollars ($5,000).

(5) To enter into contracts with any city located within the boundaries of the school district for the joint purchase, construction, development, maintenance and equipping of playgrounds, ball parks, swimming pools, and other recreational facilities upon property owned either by the school district or the city.

(6) To convey rights-of-way and easements for highway, public utility, and other purposes over, upon or across any school property and, when necessary to the use of such property for any such purpose, to authorize the removal of school buildings to such new location, or locations, as shall be determined by the board of trustees, and such removal shall be made at no cost or expense to the school district.

(7) To authorize the use of any school building of the district as a community center, or for any public purpose, and to establish a policy of charges, if any, to be made for such use.

(8) To exercise the right of eminent domain under the provisions of chapter 7, title 7, Idaho Code, for any of the uses and purposes provided in section 7-701, Idaho Code.

(9) If there is a great public calamity, such as an extraordinary fire, flood, storm, epidemic, or other disaster, or if it is necessary to do emergency work to prepare for national or local defense, or it is necessary to do emergency work to safeguard life, health or property, the board of trustees may pass a resolution declaring that the public interest and necessity demand the immediate expenditure of public money to safeguard life, health or property. Upon adoption of the resolution, the board may expend any sum required in the emergency without compliance with this section.
SECTION 2. This act shall be in full force and effect on and after January 1, 2011.

(a) Add any state and local taxes, as defined in section 164 of the Internal Revenue Code and, measured by net income, paid or accrued during the taxable year adjusted for state or local tax refunds used in arriving at taxable income.
(b) Add the net operating loss deduction used in arriving at taxable income.

(c) (1) A net operating loss for any taxable year commencing on and after January 1, 2000, shall be a net operating loss carryback not to exceed a total of one hundred thousand dollars ($100,000) to the two (2) immediately preceding taxable years. Any portion of the net operating loss not subtracted in the two (2) preceding years may be subtracted in the next twenty (20) years succeeding the taxable year in which the loss arises in order until exhausted. The sum of the deductions may not exceed the amount of the net operating loss deduction incurred. At the election of the taxpayer, the two (2) year carryback may be foregone and the loss subtracted from income received in taxable years arising in the next twenty (20) years succeeding the taxable year in which the loss arises in order until exhausted. The election shall be made as under section 172(b)(3) of the Internal Revenue Code. An election under this subsection must be in the manner prescribed in the rules of the state tax commission and once made is irrevocable for the year in which it is made. The term "income" as used in this subsection (c) means Idaho taxable income as defined in this chapter as modified by section 63-3021(b)(2), (3) and (4), Idaho Code.

(2) Net operating losses incurred by a corporation during a year in which such corporation did not transact business in Idaho or was not included in a group of corporations combined under subsection (t) of section 63-3027, Idaho Code, may not be subtracted. However, if at least one (1) corporation within a group of corporations combined under subsection (t) of section 63-3027, Idaho Code, was transacting business in Idaho during the taxable year in which the loss was incurred, then the net operating loss may be subtracted. Net operating losses incurred by a person, other than a corporation, in activities not taxable by Idaho may not be subtracted.

(d) In the case of a corporation, add the amount deducted under the provisions of sections 243(a) and (c), 244, 245 and 246A of the Internal Revenue Code (relating to dividends received by corporations) as limited by section 246(b)(1) of said code.

(e) In the case of a corporation, subtract an amount determined under section 78 of the Internal Revenue Code to be taxable as dividends.

(f) Subtract the amount of any income received or accrued during the taxable year which is exempt from taxation by this state, under the provisions of any other law of this state or a law of the United States, if not previously subtracted in arriving at taxable income.

(g) For the purpose of determining the Idaho taxable income of the beneficiary of a trust or of an estate:

(1) Distributable net income as defined for federal tax purposes shall be corrected for the other adjustments required by this section.

(2) Net operating losses attributable to a beneficiary of a trust or estate under section 642 of the Internal Revenue Code shall be a deduction for the beneficiary to the extent that income from the trust or estate would be attributable to this state under the provisions of this chapter.

The deduction is allowed only to the extent such income is included in taxable income.

(i) In the case of a corporation, including any corporation included in a group of corporations combined under subsection (t) of section 63-3027, Idaho Code, add any capital loss deducted which loss was incurred during any
year in which such corporation did not transact business in Idaho. However, do not add any capital loss deducted if a corporation, including any corporation in a group of corporations combined under subsection (t) of section 63-3027, Idaho Code, was transacting business in Idaho during the taxable year in which the loss was incurred. In the case of persons, other than corporations, add any capital loss deducted which was incurred in activities not taxable by Idaho at the time such loss was incurred. In computing the income taxable to an S corporation or partnership under this section, deduction shall not be allowed for a carryover or carryback of a net operating loss provided for in subsection (c) of this section or a capital loss provided for in section 1212 of the Internal Revenue Code.

(j) In the case of an individual, there shall be allowed as a deduction from gross income either (1) or (2) at the option of the taxpayer:

The addition provided in this subsection is limited to the amount of the total contributions to the Idaho individual trust account or savings account by the account owner in the twelve (12) months preceding the date of the transfer that were deducted on the account owner's income tax return for the year of the transfer and the prior taxable year.

AN ACT
RELATING TO STATE ENDOWMENT TRUST LANDS; AMENDING SECTION 58-307, IDAHO CODE, TO PROVIDE CORRECT TERMINOLOGY, TO REVISE PROVISIONS RELATING TO THE LEASE OF STATE ENDOWMENT TRUST LANDS, TO REVISE TERM OF LEASE PROVISIONS, TO REMOVE REFERENCE TO LANDS ELIGIBLE FOR THE FEDERAL CONSERVATION RESERVE ENHANCEMENT PROGRAM AS IT RELATES TO LEASES FOR COMMERCIAL PURPOSES, AND TO PROVIDE THAT CERTAIN TYPES OF LEASES SHALL NOT BE CONSIDERED LEASES FOR COMMERCIAL PURPOSES AS IT RELATES TO SPECIFIED LAW.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 58-307, Idaho Code, be, and the same is hereby amended to read as follows:

58-307. TERM OF LEASE -- APPLICATION FOR RENEWAL -- ALLOWANCE FOR IMPROVEMENTS. (1) No lease of state public school endowment trust lands, other than those valuable for stone, coal, oil, gas or other minerals, shall be for a longer term than ten twenty (20) years.

(2) Notwithstanding any other provisions of law, all state lands may be leased for a period of up to twenty-five (25) years to the federal government, to federal agencies, state agencies, counties, or cities, school
districts or political subdivisions when leased for public purposes. Such leases for public purposes may be entered into by negotiation and shall secure a rental amount based on the fair market value of the state land.

(3) Notwithstanding any other provisions of law, all state endowment trust lands may be leased for a period of up to thirty-five (35) years for residential purposes as determined by the state board of land commissioners including, but not limited to, single family, recreational cottage site and homesite leases.

(4) Notwithstanding any other provisions of law, all state endowment trust lands may be leased for a period of up to forty-nine (49) years for commercial purposes, or for lands eligible for the federal conservation reserve enhancement program (CREP), under such terms and conditions as may be set by the board, provided that, for such leases in excess of twenty (20) years, the board consults with the county commissioners of the county in which the lands are located before leasing the lands, and the use for which the land is leased shall be consistent with the local planning and zoning ordinances insofar as is reasonable and practicable. For each lease in excess of twenty (20) years, the department shall hold a hearing in the county in which the parcel is located.

(5) The term "commercial purposes" means fuel cells, low impact hydro, wind, geothermal resources, biomass, cogeneration, sun or landfill gas as the principal source of power with a facility capable of generating not less than twenty-five (25) kilowatts of electricity, industrial enterprises, retail sales outlets, business and professional office buildings, hospitality enterprises, commercial recreational activities, multifamily residential developments and other similar businesses. For purposes of this section, agricultural farming leases, grazing leases, conservation leases including lands enrolled in federal conservation programs such as the conservation reserve enhancement program (CREP), noncommercial recreation leases, oil and gas leases, mineral leases, communication site leases, single family, recreational cottage site and homesite leases, and leases for other similar uses, are not considered leases for commercial purposes. The terms fuel cells, low impact hydro, wind, geothermal resources, biomass, cogeneration, sun or landfill gas shall have the same definitions as provided in section 63-3622Q, Idaho Code.

(6) The board may require that all fixed improvements constructed upon land leased for commercial purposes be removed or become the property of the state upon termination of the lease, and that any heirs, encumbrances or claims of third parties with respect to any improvements shall be expressly subordinate and subject to the rights of the state under this section.

(7) Except for oil and gas, mineral and commercial leases, the lease year shall run from January 1 through December 31, and all leases shall expire on December 31 of the year of expiration.

(8) All applications to lease or to renew an existing lease which expires December 31 of any year, shall be filed in the office of the director of the department of lands by the thirtieth day of April preceding the date of such expiration. Such applications will be considered by the state land board and be disposed of in the manner provided by law; except that the board may reject conflicting applications for a lease for commercial purposes if the lessee exercises the preference right to renew clause, and provided such right is specified in the lease.

(9) Where conflicts appear upon leases, except for mineral leases which, pursuant to chapter 7, title 47, Idaho Code, contain a preferential right to renew clause, such applications shall be considered as having been filed simultaneously. However, nothing herein shall be construed to prevent the state board of land commissioners from accepting and considering applications for new leases at any time.

(10) In case improvements have been made on land while under lease which is expiring, and the former lessee is not the successful bidder, but the land
is leased to another, the amount of such improvements shall be paid to the
former lessee. The following shall be considered improvements: plowing
done within one (1) year, provided no crop has been raised on the plowed land
after such plowing, fencing, buildings, cisterns, wells, growing crops and
any other asset which shall be considered an improvement by the director.

(11) Commercial leases of the state lands shall not be subject to the
conflict auction provisions of section 58-310, Idaho Code. The board may,
at its discretion, consider individual applications or call for proposals
and sealed bids by public advertisement, and may evaluate said proposals and
award the lease to the bidder whose proposal achieves the highest return over
the term of the lease and who is capable of meeting such terms and conditions
as may be set by the board; in the alternative, the board may call for lease
applications by public advertisement and if more than one (1) person files
an application to hold an auction in the same manner as provided in section
58-310, Idaho Code. In all cases, the board must obtain a reasonable rental,
based upon fair market value of the state land, throughout the duration of
the lease. The board may reject any or all proposals and any or all bids, and
may reoffer the lease at a later date if the board determines that the pro-
posals or bids do not achieve the highest and best use of the land at market
rental.

CHAPTER 77
(S.B. No. 1367)

AN ACT
RELATING TO EDUCATION; AMENDING SECTION 33-3717B, IDAHO CODE, TO PROVIDE RESIDENT STUDENT STATUS TO CERTAIN VETERANS AND CERTAIN OF THEIR DEPENDENTS.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 33-3717B, Idaho Code, be, and the same is hereby amended to read as follows:

33-3717B. RESIDENCY REQUIREMENTS. (1) For any public institution of higher education in Idaho, a "resident student" is:
(a) Any student who has one (1) or more parent or parents or court-appointed guardians who are domiciled in the state of Idaho, and the parent, parents or guardians provide at least fifty percent (50%) of the student's support. Domicile, as used in this section, means that individual's true, fixed and permanent home and place of habitation. It is the place where that individual intends to remain, and to which that individual expects to return when that individual leaves without intending to establish a new domicile elsewhere. To qualify under this section, the parent, parents or guardians must have maintained a bona fide domicile in the state of Idaho for at least twelve (12) months prior to the opening day of the term for which the student matriculates.
(b) Any student, who receives less than fifty percent (50%) of the student's support from a parent, parents or legal guardians and who has continuously resided and maintained a bona fide domicile in the state of Idaho primarily for purposes other than educational for twelve (12) months next preceding the opening day of the term during which the student proposes to attend the college or university.
(c) Subject to subsection (2) of this section, any student who is a graduate of an accredited secondary school in the state of Idaho, and who matriculates at a college or university in the state of Idaho during the term immediately following such graduation regardless of the residence of the student's parent or guardian.
(d) The spouse of a person who is classified, or is eligible for classification, as a resident of the state of Idaho for the purposes of attending a college or university.
(e) A member of the armed forces of the United States, stationed in the state of Idaho on military orders.
(f) An officer or an enlisted member of the Idaho national guard.
(g) A student whose parent or guardian is a member of the armed forces and stationed in the state of Idaho on military orders and who receives fifty percent (50%) or more of support from parents or legal guardians. The student, while in continuous attendance, shall not lose that residence when the student's parent or guardian is transferred on military orders.
(h) A person separated, under honorable conditions, from the United States armed forces after at least two (2) years of service, who at the time of separation designates the state of Idaho as his intended domicile or who has Idaho as the home of record in service and enters a college or university in the state of Idaho within one (1) year of the date of separation, or who moves to Idaho for the purpose of establishing domicile; provided however, to maintain status as a resident student, such person must actively establish domicile in Idaho within one (1) year of matriculation in a public institution of higher educa-
tion in Idaho. The dependent of a person who qualifies as a resident student under this paragraph and who receives at least fifty percent (50%) support from such person shall also be a resident student.

(i) Any individual who has been domiciled in the state of Idaho, has qualified and who would otherwise be qualified under the provisions of this statute and who is away from the state for a period of less than thirty (30) months and has not established legal residence elsewhere provided a twelve (12) month period of continuous residence has been established immediately prior to departure; provided however, time spent away from the state while enrolled in a postsecondary education program shall not be included in the thirty (30) months. Such time spent away from the state while enrolled shall include normal academic year breaks, such as summer breaks or breaks between semesters or quarters, that occur prior to the receipt of the postsecondary degree.

(j) A student who is a member of any of the following Idaho Native American Indian tribes, regardless of current domicile, shall be considered an Idaho state resident for purposes of fees or tuition at institutions of higher education: members of the following Idaho Native American Indian tribes, whose traditional and customary tribal boundaries included portions of the state of Idaho, or whose Indian tribe was granted reserved lands within the state of Idaho: (i) Coeur d'Alene tribe; (ii) Shoshone-Paiute tribes; (iii) Nez Perce tribe; (iv) Shoshone-Bannock tribes; (v) Kootenai tribe.

(2) A "nonresident student" shall mean any student who does not qualify as a "resident student" under the provisions of subsection (1) of this section, and shall include:

(a) A student attending an institution in this state with the aid of financial assistance provided by another state or governmental unit or agency thereof, such nonresidency continuing for one (1) year after the completion of the semester for which such assistance is last provided.

(b) A person who is not a citizen of the United States of America, who does not have permanent or temporary resident status or does not hold "refugee-parolee" or "conditional entrant" status with the United States immigration and naturalization service or is not otherwise permanently residing in the United States under color of the law and who does not also meet and comply with all applicable requirements of this section.

(3) The establishment of a new domicile in Idaho by a person formerly domiciled in another state has occurred if such person is physically present in Idaho primarily for purposes other than educational and can show satisfactory proof that such person is without a present intention to return to such other state or to acquire a domicile at some other place outside of Idaho. A student who is enrolled for more than eight (8) hours in any semester or quarter during a twelve (12) month period shall be presumed to be in Idaho for primarily educational purposes. Such period of enrollment shall not be counted toward the establishment of a bona fide domicile in this state unless the student proves, in fact, establishment of a bona fide domicile in this state primarily for purposes other than educational. Institutions determining whether a student is domiciled in the state of Idaho primarily for purposes other than educational shall consider, but shall not be limited to, the following factors:

(a) Any of the following, if done for at least twelve (12) months before the term in which the student proposes to enroll as a resident student, proves the establishment and maintenance of domicile in Idaho for purposes other than educational and supports classification of a student as an Idaho resident:

(i) Filing of Idaho state income tax returns covering a period of at least twelve (12) months before the term in which the student proposes to enroll as a resident student;
(ii) Permanent full-time employment or the hourly equivalent thereof in the state of Idaho; or
(iii) Ownership by the student of the student's living quarters.
(b) The following, if done for at least twelve (12) months before the term in which the student proposes to enroll as a resident student, lend support to domiciliary intent and the absence of which indicates a lack of domiciliary intent. By themselves, the following do not constitute sufficient evidence of the establishment and maintenance of a domicile in Idaho for purposes other than educational:
(i) Registration and payment of Idaho taxes or fees on a motor vehicle, mobile home, travel trailer or other item of personal property for which state registration and the payment of a state tax or fee is required;
(ii) Registration to vote for state elected officials in Idaho at a general election;
(iii) Holding an Idaho driver's license;
(iv) Evidence of abandonment of a previous domicile;
(v) Presence of household goods in Idaho;
(vi) Establishment of accounts with Idaho financial institutions; and
(vii) Other similar factors indicating intent to be domiciled in Idaho and the maintenance of such domicile.
(4) The state board of education and the board of regents of the university of Idaho shall adopt uniform and standard rules applicable to all state colleges and universities now or hereafter established to determine resident status of any student and to establish procedures for review of that status.
(5) Appeal from a final determination denying resident status may be initiated by the filing of an action in the district court of the county in which the affected college or university is located; an appeal from the district court shall lie as in all civil actions.
(6) Nothing contained herein shall prevent the state board of education and the board of regents of the university of Idaho from establishing quotas, standards for admission, standards for readmission, or other terms and requirements governing persons who are not residents for purposes of higher education.
(7) For students who apply for special graduate and professional programs including, but not limited to, the WWAMI (Washington, Wyoming, Alaska, Montana, Idaho) regional medical program, the WICHE student exchange programs, Creighton university school of dental science, the university of Utah college of medicine, and the Washington, Oregon, Idaho (WOI) regional program in veterinary medical education, no applicant shall be certified or otherwise designated as a beneficiary of such special program who has not been a resident of the state of Idaho for at least one (1) calendar year previous to the application date.

Approved March 24, 2010.

(S.B. No. 1252, As Amended)

AN ACT
RELATING TO THE DIVISION OF HUMAN RESOURCES; AMENDING SECTION 67-5309, IDAHO CODE, TO REVISE PROVISIONS RELATING TO A RULE.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 67-5309, Idaho Code, be, and the same is hereby amended to read as follows:

67-5309. RULES OF THE DIVISION OF HUMAN RESOURCES AND THE PERSONNEL COMMISSION. The administrator of the division of human resources shall have the power and authority to adopt, amend, or rescind such rules as may be necessary for proper administration of this chapter. Such rules shall include:

(a) A rule requiring the administrator, after consulting with each department to develop, adopt, and make effective, a job classification system for positions covered by this chapter, based upon an analysis of the duties and responsibilities of the positions. The job classification shall include an appropriate title for each class, and a description of duties and responsibilities of positions in the classes and the requirements of minimum training, experience and other qualifications, suitable for the performance of duties of the position.
(b) A rule describing the relevant labor markets and benchmark job classifications used in the administrator's salary surveys.

(c) A rule requiring that all classes of positions which are common to the departments concerned shall have the same titles, minimum requirements and compensation ranges.

(d) A rule providing for review by the administrator of the personnel system including classifications and compensation policies and procedures.

(e) A rule that, notwithstanding the procedure for examination and ranking of eligibles on a register provided in subsection (f) of this section, an agency may appoint an individual directly into an entrance or promotional probation if the division of vocational rehabilitation, Idaho commission for the blind and visually impaired or the industrial commission certifies, with the concurrence of division of human resources staff, that the individual (1) has a disability or handicap as defined under state or federal law; (2) is qualified to perform the essential functions of a particular classified position with or without reasonable accommodation; and (3) lacks competitiveness in the examination process due to the disability or handicap. The probationary period as provided in subsection (j) of this section shall be the sole examination for such individuals.

(f) A rule requiring fair and impartial selection of appointees to all positions other than those defined as nonclassified in this chapter, on the basis of open competitive merit examinations or evaluations. An application for an examination will be accepted after the closing date of the examination from a person who was serving in the armed forces, or undergoing service-connected hospitalization up to one (1) year following discharge. The application must be submitted within one hundred twenty (120) days of separation from the armed forces or hospitalization and prior to the expiration of the register established as a result of the examination. A disabled veteran may file an application at any time up until a selection has been made for any position for which the division maintains a register as a source for future job openings or for which a register is about to be established, provided he or she has not already been examined twice for the same position and grade for which application is made, does not have current eligibility on that register, or is not serving in a competitive position in the same grade for which application is made. Examinations may be assembled or unassembled and may include various examining techniques such as rating of training and experience, written tests, oral interviews, recognition of professional licensing, performance tests, investigations and any other measure of ability to perform the duties of the position. Examinations shall be scored objectively. Five (5) percentage points shall be added to the earned rating of any veteran as defined in section 65-502, Idaho Code, and the widow or widower of any veteran as defined in section 65-502, Idaho Code, as long as he or she remains unmarried. Pursuant to section 65-504, Idaho Code, ten (10) percentage points shall be added to the earned rating of any disabled veteran as defined in section 65-502, Idaho Code, the widow or widower of any disabled veteran as long as he or she remains unmarried or the spouse of any eligible disabled veteran who cannot qualify for any public employment because of a service-connected disability. Employment registers shall be established in order of final score except that the names of all five (5) and ten (10) percentage point preference eligibles resulting from any merit system or civil service examination shall be placed on the register in accordance with their augmented rating. Certification of eligibility for appointment to vacancies shall be in accordance with a formula which limits selection by the hiring department from among the ten twenty-five (1025) top ranking available eligibles plus the names of all individuals with scores identical to the tenth twenty-fifth ranking eligible on the register. A register with at least five (5) eligibles shall be adequate. Selective certification shall be permitted when justified by the hiring department, under rules to be made by the division defining adequate justification based on
the duties and requirements of the positions. Such examinations need not be held until after the rules have been adopted, the service classified and a pay plan established, but shall be held not later than one (1) year after departments commence participation in the personnel system.

(g) A rule that, whenever practicable, a vacancy in a classified position shall be filled by the promotion of a qualified employee of the agency in which the vacancy occurs. An interagency promotion shall be made through competitive examination and all qualified state employees shall have the opportunity to compete for such promotions. If an employee’s name appears within certifiable range on a current register for a higher class of position, he shall be eligible for a transfer and promotion.

(h) A rule for development and maintenance of a system of service ratings and the use of such ratings by all departments in connection with promotions, demotions, retentions, separations and reassignments. The rule shall require that an evaluation of each classified employee shall be made after each two thousand eighty (2,080) hour period of credited state service, and that a copy of the evaluation shall be filed with the division.

(i) A rule prohibiting disqualification of any person from taking an examination, from appointment to a position, from promotion, or from holding a position because of race or national origin, color, sex, age, political or religious opinions or affiliations, and providing for right of appeal.

(j) A rule establishing a probation period not to exceed one thousand forty (1,040) hours of credited state service for all appointments and promotions, except that peace officers as defined in section 19-5101, Idaho Code, shall be subject to a probation period of two thousand eighty (2,080) hours of credited state service, and for the appointing authority to provide the employee and the administrator a performance evaluation indicating satisfactory or unsatisfactory performance not later than thirty (30) days after the expiration of the probationary period. The rule shall provide that if the appointing authority fails to provide a performance evaluation within thirty (30) days after the expiration of the probationary period, the employee shall be deemed to have satisfactorily completed the probation unless the appointing authority receives approval from the administrator to extend the probationary period for good cause for an additional specified period not to exceed one thousand forty (1,040) hours of credited state service. If an employee is performing in an unsatisfactory manner during the entrance probationary period, the appointing authority shall ask the employee to resign, and if no resignation is submitted, shall terminate the employment of such employee without the right of grievance or appeal.

(k) A rule concerning provisional appointments.

(l) A rule concerning temporary appointments.

(m) A rule governing the employment of consultants and persons retained under independent contract.

15. Misstatement or deception in the application for the position.
16. Failure to obtain or maintain a current license or certificate lawfully required as a condition for performing the duties of the job.
17. Prohibited participation in political activities.
   (o) A rule to establish procedures for maintenance of a record of the employment history and appropriate information relating to performance of all employees under the personnel system. For the purposes of this rule, the state shall be considered one (1) employer.
   (p) Rules to provide for recruitment programs in cooperation with department heads and the employment security agency in keeping with current employment conditions and labor market trends.
   (q) Rules to establish procedures for examinations as necessary for the purpose of maintaining current registers from which to fill employment vacancies.

A timely filed notice of appeal and motion to stay the forfeiture stays the obligation to remit payment until five (5) business days after the entry of the court's order denying the motion to stay or, in the event such motion is granted, five (5) business days following the final determination of the appeal.
   (2) If cash is deposited in lieu of bail, the clerk of the court shall pay the cash deposit to the county treasurer. order that the sheriffs and clerks of all counties in the judicial district shall not accept bail bonds submitted by that bail agent until the director has rendered a decision as to whether to suspend the bail agent's license pursuant to section 41-1039(4), Idaho Code. The director shall immediately notify all judicial district trial court administrators of such decision.

(3) The fee for renewal of the license shall be fifteen dollars ($15.00). The sheriff may collect any additional fees necessary to cover the processing costs lawfully required by any state or federal agency or department, and the cost of materials for the license lawfully required by any state agency or department, which costs shall be paid to the state. If a licensee applying for renewal has not previously been required to submit fingerprints, the sheriff shall require the licensee to do so and may collect any additional fees necessary to cover the cost of processing fingerprints lawfully required by any state or federal agency or department.

(6) A city, county or other political subdivision of this state shall not modify the requirements of this section, nor may a political subdivision ask the applicant to voluntarily submit any information not required in this section. A civil action may be brought to enjoin a wrongful refusal to issue a license or a wrongful modification of the requirements of this section. The civil action may be brought in the county in which the application
was made or in Ada county at the discretion of the petitioner. Any person who prevails against a public agency in any action in the courts for a violation of subsections (1) through (5) of this section, shall be awarded costs, including reasonable attorney's fees incurred in connection with the legal action.

(11) The sheriff of a county may issue a license to carry a concealed weapon to those individuals between the ages of eighteen (18) and twenty-one (21) years who in the judgment of the sheriff warrant the issuance of the license to carry a concealed weapon. Such issuance shall be subject to limitations which the issuing authority deems appropriate. Licenses issued to individuals between the ages of eighteen (18) and twenty-one (21) years shall be easily distinguishable from regular licenses.

(12) The requirement to secure a license to carry a concealed weapon under this section shall not apply to the following persons:

(g) Completion of any firearms training or training or safety course or class conducted by a state certified or national rifle association certified firearms instructor. 

14 A person carrying a concealed weapon in violation of the provisions of this section shall be guilty of a misdemeanor. 

15 The sheriff of the county where the license was issued or the sheriff of the county where the person resides shall have the power to revoke a license subsequent to a hearing in accordance with the provisions of chapter 52, title 67, Idaho Code, for any of the following reasons:

(e) The applicant is adjudicated guilty of or receives a withheld judgment for a crime which would have disqualified him from initially receiving a license. 

16 A person twenty-one (21) years of age or older issued a license to carry a concealed weapon is exempt from any requirement to undergo a records check at the time of purchase or transfer of a firearm from a federally licensed firearms dealer. However, a temporary emergency license issued under subsection (5) of this section shall not exempt the holder of the license from any records check requirement. Temporary emergency licenses shall be easily distinguishable from regular licenses. 

17 The attorney general is authorized to negotiate reciprocal agreements with other states related to the recognition of licenses to carry concealed weapons. The Idaho state police shall keep a copy and maintain a record of all such agreements, which shall be made available to the public. 

18 The provisions of this section are hereby declared to be severable and if any provision of this section or the application of such provision to any person or circumstance is declared invalid for any reason, such declaration shall not affect the validity of remaining portions of this section.

Prior to any payment from the fund to a claimant, the claimant shall be required to subrogate and assign to the department his right to any recovery from any other source. The claimant shall be entitled to seek recovery of the remaining ten percent (10%), which was not assigned to the department. The procedure to determine the value of any claim will be established by rules.

(3) In the event of a shortage or inability to meet financial obligations, the department shall determine each producer's pro rata share of available seed crops and any deficiency shall be the claims of the producers. Each type of seed crop shall be treated separately for the purpose of determining shortages.

(4) The director shall not approve or pay any claim based on losses resulting from transactions with persons unlicensed pursuant to this chapter. The director shall not approve or pay any claim based on losses resulting from uninsurable perils.
(5) If a producer's claim reveals that the assessment has not been paid or collected, and the claim is otherwise valid, the amount of the assessment shall be deducted from the claim payment.

CHAPTER 108
(H.B. No. 471)

AN ACT
RELATING TO INCOME TAX; AMENDING SECTION 63-3026A, IDAHO CODE, TO PROVIDE FOR CONSTITUTING CERTAIN INCOME DISTRIBUTED TO BENEFICIARIES OF AN ESTATE OR TRUST AS IDAHO SOURCE INCOME; DECLARING AN EMERGENCY AND PROVIDING RETROACTIVE APPLICATION.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 63-3026A, Idaho Code, be, and the same is hereby amended to read as follows:

63-3026A. COMPUTING IDAHO TAXABLE INCOME OF PART-YEAR OR NONRESIDENT INDIVIDUALS, TRUSTS AND ESTATES. (1) For nonresident individuals, trusts, or estates the term "Idaho taxable income" includes only those components of Idaho taxable income as computed for a resident which are derived from or related to sources within Idaho. This is to be computed without the deductions for either the standard deduction or itemized deductions or personal exemptions except as provided in subsection (4) of this section.

(2) For part-year resident individuals, trusts or estates the term "Idaho taxable income" includes the total of: (a) Idaho taxable income as computed for a resident for the portion of the tax period during which a taxpayer is domiciled in or is residing in Idaho, plus (b) those components of Idaho taxable income which are derived from or related to sources within Idaho for that portion of the tax period during which a taxpayer is not domiciled in and is not residing in Idaho. This is to be computed without the deductions for either the standard deduction or itemized deductions or personal exemptions except as provided in subsection (4) of this section.

(3) For the purposes of subsections (1) and (2) of this section:
(a) Income shall be considered derived from or relating to sources within Idaho when such income is attributable to or resulting from:
   (i) Any business, trade, profession or occupation conducted or carried on in this state, including the distributive share of partnership income and deductions, and the pro rata share of S corporation income and deductions;
   (ii) The ownership or disposition of any interest in real or tangible personal property located in this state;
   (iii) The ownership or disposition of any interest in intangible personal property only to the extent that such property is employed in a business, trade, profession or occupation conducted or carried on in this state. Provided however, that interest income from an installment sale of real or tangible personal property shall constitute income from sources within this state to the extent that the property sold was located within this state. Provided further, that interest income received by a partner or shareholder of a partnership or S corporation from such partnership or S corporation shall constitute income from sources within this state to the extent that the partnership or S corporation is transacting business within this state;
   (iv) A resident estate or trust; provided however, that income distributed to beneficiaries of an estate or trust shall constitute income from sources within this state only to the extent the income would be Idaho source income if such income had been received directly by a nonresident individual;
(v) A nonresident estate or trust to the extent the income and deductions of the nonresident estate or trust were derived from or related to sources within this state;

(vi) The conduct of pari-mutuel wagering, charitable gaming or any other form of gambling taking place within this state, except as expressly limited in section 67-7439, Idaho Code;

(vii) Gains or losses realized from the sale or other disposition of a partnership interest or stock in an S corporation to the extent of the partnership's or S corporation's Idaho apportionment factor in the taxable year immediately preceding the year of sale.

(b) Notwithstanding the provisions of subsection (3)(a) of this section, transactions and investments made, placed or directed by Idaho resident registered broker-dealers and investment advisers or institutions exempt from registration under the Idaho securities act in securities listed with or through the New York Stock Exchange, the American Stock Exchange or any other stock exchange registered with the United States securities and exchange commission and approved by the director of the department of finance which generate dividends, interest, capital gains or similar profits or returns for nonresidents not otherwise subject to Idaho income taxation shall not result in the intangible property being deemed to have a situs outside the domicile of the owner.

(c) Nonresident individuals shall not be taxable on investment income from a qualified investment partnership. For purposes of this paragraph, a "qualified investment partnership" means a partnership, as defined in section 63-3006B, Idaho Code, that derives at least ninety percent (90%) of its gross income from investments that produce income that would not be taxable to a nonresident individual if the investment were held by that individual.

(d) Compensation paid by the United States for active service in the armed forces of the United States, performed by an individual not domiciled in this state, shall not constitute income derived from or related to sources within this state.

(e) The income of nonresident or part-year resident individuals, trusts or estates which is derived from or related to sources both within and without this state shall be attributable to this state in the manner prescribed in the rules of the state tax commission.

(4) In computing the Idaho taxable income of a part-year or nonresident individual, trust or estate, the standard deduction or itemized deductions, as defined in section 63-3022(j), Idaho Code, if applicable, and the exemptions, as defined in section 151 of the Internal Revenue Code or any allowance in lieu of such deduction, shall be allowed in the proportion that paragraph (a) of this subsection bears to paragraph (b) of this subsection:

(a) The Idaho taxable income of the taxpayer modified as follows:

(i) No allowance shall be made for either the standard deduction or itemized deductions;

(ii) No deduction shall be made for personal exemptions or any allowance in lieu of such deduction.

(i) No allowance shall be made for either a standard deduction or itemized deductions;

(ii) No deduction shall be made for personal exemptions or any allowance in lieu of such deduction;

(iii) Compensation for active military service in the armed forces shall not be deducted;

(iv) Income earned within the original exterior boundaries of any federally created Indian reservation by an enrolled Indian in a
federally recognized Indian tribe on a federally recognized Indian reservation shall be added if not otherwise included.

(5) An adjustment may be made to eliminate distortions in the amount of net income attributable to a taxpayer's activities within the state of Idaho. Such deductions shall be limited to circumstances involving itemized deductions as referred to in subsection (4) of this section and which reflect:

(a) A failure to reflect the net income or deduction after reimbursements have been received; or
(b) A failure to reflect the net amount of mortgage interest income or expense from activities within Idaho.

(6) For the purposes of subsections (1) and (2) of this section, deductions and adjustments allowed in computing the Idaho taxable income of nonresident and part-year resident individuals, trusts and estates shall be prescribed in the rules of the state tax commission. Such rules shall be based upon:

(a) Whether or not the deduction or adjustment is related to the production of income reportable to Idaho;
(b) Whether or not the deduction or adjustment is related to income received, expenses paid, or events of tax consequence which occurred during a portion of a taxable year that the taxpayer was domiciled in or residing in Idaho; or
(c) Any other appropriate basis for making the adjustment. An "appropriate basis" is one which the state tax commission finds is needed to insure that the amount of Idaho taxable income is fairly and reasonably related to a taxpayer's activities in this state.

SECTION 2. An emergency existing therefor, which emergency is hereby declared to exist, this act shall be in full force and effect on and after its passage and approval, and retroactively to January 1, 2010, and shall apply to all proceedings pending before the State Tax Commission, Board of Tax Appeals or the courts of this state on the effective date of this act.

(2) Written examinations will be given in two (2) sections and may be taken only after the applicant has met the other minimum requirements as given in section 54-1212, Idaho Code, and has been approved by the board for admission to the examinations as follows:

(a) Fundamentals of Engineering -- The examination consists of an eight (8) hour test on the fundamentals of engineering acceptable to the board. Passing this examination qualifies the examinee for an engineer intern certificate, provided he has met all other requirements of certification required by this chapter.

(b) Principles and Practice of Engineering -- The examination consists of a minimum of an eight (8) hour test on applied engineering accept-
able to the board. Passing this examination qualifies the examinee for licensure as a professional engineer, provided he has met the other requirements for licensure required by this chapter.

(c) Fundamentals of Surveying -- The examination consists of an eight (8)-hour test on the fundamentals of surveying acceptable to the board. Passing this examination qualifies the examinee for a land surveyor intern certificate, provided he has met all other requirements for certification required by this chapter.

(d) Principles and Practice of Surveying -- The examination consists of a minimum of an eight (8)-hour test on applied surveying acceptable to the board. Passing this examination qualifies the examinee for licensure as a professional land surveyor, provided he has met the other requirements for licensure required by this chapter.

(3) A candidate failing all or part of an examination for the first time may apply for reexamination, which may be granted upon payment of an application fee equal to the application fee for the required examination plus a separate examination fee paid by the applicant directly to the entity designated by the board. In the event of a second failure, the examinee shall be required to obtain a minimum of one (1) additional year of experience, acceptable to the board, from the date of the second examination failure, and submit evidence of having completed an additional eight (8) semester credits of college level academic education relating to the examination, before the board will consider that he has acquired the necessary additional knowledge to warrant assignment to a third examination. The separate application and examination fees shall be as set forth herein. In the event of a third or subsequent failure, the examinee shall be required to obtain a minimum of three (3) additional years of experience, acceptable to the board, from the date of the third or subsequent examination failure, and submit evidence of having completed an additional twelve (12) semester credits of college level academic education relating to the examination, before the board will consider that he has acquired the necessary additional knowledge to warrant assignment to a subsequent examination. The separate application and examination fees shall be as set forth herein.

4) The board may prepare and adopt specifications for the written examinations in engineering and land surveying.

SECTION 4. That Section 54-1216, Idaho Code, be, and the same is hereby amended to read as follows:

54-1216. EXPIRATIONS AND RENEWALS -- FEES. Following issuance or renewal of licenses for professional engineers and professional land surveyors, expiration shall be on the last day of the month during which the licensee was born, in even-numbered state of Idaho fiscal years for those born in even-numbered calendar years and in odd-numbered state of Idaho fiscal years for those born in odd-numbered calendar years, and shall become invalid on that date unless renewed. On or after July 1, 2010, the executive director of the board shall send renewal notices to business entities that have been issued a certificate of authorization. The renewal fee amount shall be for a period of one (1) year plus a prorated annual renewal fee amount for the number of months from and including August to and including the month in which the certificate of authorization was originally issued. Thereafter, certificates of authorization for business entities shall expire on the last day of the month of July following issuance or renewal in which the certificates were initially issued and shall become invalid on that date unless renewed. It shall be the duty of the board to notify every person licensed and every business entity certified under this chapter, of the date of the expiration of said license or certificate of authorization and the amount of the fee that shall be required for its renewal. Such notice shall be mailed to the last known address of the licensee or business
entity at least one (1) month in advance of the date of the expiration of said license or certificate of authorization. Renewal shall be effective at any time in the appropriate year during the month in which the licensee was born or during the month of July in which the certificates were initially issued in the case of business entities, by the payment of a renewal fee to be fixed by the board at not more than one hundred fifty dollars ($150). The failure on the part of any licensee or certificate holder to renew his or its license or certificate biennially in the month in which they were born or in the month of July in which the certificates were initially issued in the case of business entities, as required above shall not deprive such person or business entity of the right of renewal, but the fee to be paid for the renewal of a license or certificate after the month in which it is due shall be increased twenty percent (20%) for each month or fraction of a month that payment of renewal is delayed; provided, however, that the maximum fee for delayed renewal shall not exceed twice the renewal fee for each renewal cycle delinquent, but in no event more than three hundred dollars ($300). Any work performed after a license or certificate of authorization has expired, but before delayed renewal has been effected, shall become valid upon delayed renewal as if the license or certificate of authorization had not expired, but the licensee or certificate holder may be subject to disciplinary action by the board for practice on an expired license or such other action as provided pursuant to this chapter.

Following issuance or renewal of certificates for engineer interns and land surveyor interns, expiration shall be on the last day of the month during which the certificate holder was born, in even-numbered state of Idaho fiscal years for those born in even-numbered calendar years and in odd-numbered state of Idaho fiscal years for those born in odd-numbered calendar years. The notification to holders of certificates shall be processed as prescribed above for licensees except that the biennial renewal fee shall not be more than thirty dollars ($30.00). The failure on the part of any holder of a certificate to effect renewal shall not invalidate his status as an engineer intern or land surveyor intern, but his name shall be removed from the board's mailing list.

SECTION 5. That Section 54-1220, Idaho Code, be, and the same is hereby amended to read as follows:

54-1220. DISCIPLINARY ACTION -- PROCEDURES. (1) Any affected party may prefer charges of fraud, deceit, gross negligence, incompetence, misconduct or violation of any provision of this chapter, or violation of any of the rules promulgated by the board against any individual licensee or certificate holder or against any business entity holding a certificate of authorization or against a person applying for a license or against a business entity applying for a certificate of authorization. Repeated acts of negligence may be considered as a gross act for disciplinary action. Such charges shall be in writing, and shall be sworn to by the person or persons making them and shall be filed with the executive director of the board. The executive director of the board shall be considered an affected party and may be the person making and filing the charges.

(2) All charges, unless dismissed by the board as unfounded or trivial, or unless settled informally, shall be heard by the board within six (6) months after the date they were received at the board office unless such time is extended by the board for justifiable cause.

(3) Hearing Administrative proceedings shall be governed by the provisions of chapter 52, title 67, Idaho Code.

(4) If, after such an administrative hearing, the board votes in favor of sustaining the charges, the board may, in its discretion, impose an administrative penalty, not to exceed five thousand dollars ($5,000) for deposit in the general fund of the state of Idaho. In addition, the board, in
its discretion, may admonish, reprimand, suspend, revoke, refuse to renew, refuse to grant, or any combination thereof, the individual's license or certificate or a business entity's certificate of authorization. The board may also, in its discretion, require the individual to practice under the supervision of another licensee, or require the individual to successfully complete continuing education courses as may be prescribed by the board.

(5) The board shall have jurisdiction over licensees whose licenses are not current provided the action relates to services performed when the license was current and valid.

SECTION 6. That Section 54-1223, Idaho Code, be, and the same is hereby amended to read as follows:

54-1223. SAVING CLAUSE -- EXEMPTIONS. (1) This chapter shall not be construed to affect:

(a) The practice of any other profession or trade for which a license is required under any law of this state or the United States.
(b) The work of an employee or a subordinate of a person holding a license under this chapter, provided such work does not include final engineering design or land surveying decisions and is done under the direct responsibility, checking, and supervision of, and verified by, a person holding a license under this chapter.
(c) Any individual teaching upper division engineering subjects that are classified as engineering design for any college or university in this state as of July 1, 1988, and any such individual employed after July 1, 1988, for a period of five (5) years from the date of employment with any college or university in this state.
(d) An individual doing surveying work for himself, or through a business entity, on property owned or leased by the individual or business entity, or in which the individual or business entity has an interest, estate or possessory right and which affects exclusively the property or interests of the individual or business entity; provided, that all land surveying maps, plats or plans filed with any county recorder's office in the state of Idaho for the purpose of illustrating or defining boundaries of property ownership, shall be made by a licensed professional land surveyor as provided in this chapter.
(e) An individual doing survey work for himself, or through a business entity with respect to the location, amendment, or relocation of a mining claim.
(f) The practice of engineering by employees of a business entity as long as the services provided by them are for internal business entity use only.

(2) The board, at its discretion, may exempt an exceptional individual who has twelve (12) or more years of appropriate experience in engineering from the requirement for satisfactory completion of an examination in the fundamentals of engineering.

(3) An applicant for licensure as a professional engineer either by examination or by comity who has earned a bachelor degree in engineering from an approved engineering program and has, in addition, earned a doctorate degree in engineering from a college or university which offers an approved undergraduate program in the same discipline as the doctorate degree earned, shall be exempt from the requirement for satisfactory completion of an examination in the fundamentals of engineering. Honorary doctorate degrees are not considered earned degrees for purposes of this subsection.

(4) In addition to, and notwithstanding other provisions of this chapter, in circumstances of emergency creating conditions of imminent and substantial danger to the public health, safety or environment through the provision of engineering services, the prosecuting attorney or the attorney
general may institute a civil action for an immediate injunction to halt the
 provision of engineering services.

(5) A professional engineer licensed in Idaho may review the work of
a professional engineer who is licensed in another jurisdiction of the
United States or a foreign country on a project that is a site adaptation
of a standard design plan to determine that the standard design plan meets
the standard of care and is applicable to the intended circumstance, with or
without modification. The Idaho professional engineer shall demonstrate
responsible charge, as defined in this chapter, by performing professional
services related to his assignment including developing or obtaining a
complete design record with design criteria and calculations, performing
necessary code research and developing any necessary and appropriate
changes to the standard design plan necessary to properly apply the standard
design to the intended circumstance. The nonprofessional services, such as
drafting, need not be redone by the Idaho professional engineer, but must
clearly and accurately reflect the Idaho professional engineer's work. The
burden is on the Idaho professional engineer to show such compliance. The
Idaho professional engineer shall have control of and responsibility for
the entire work product, shall seal, sign and date it as required in this
chapter, and shall be in possession of all original documents or certified
copies of documents related to the professional engineer's work for the
project.

(6) In the event a licensee in responsible charge of a project leaves
employment, is transferred, is promoted, becomes incapacitated, dies or is
otherwise not available to seal, sign and date final documents, the duty of
responsible charge of the project shall be accomplished by the successor li-
censee by becoming familiar with and reviewing, in detail, and retaining the
project documents to date. Subsequent work on the project must clearly and
accurately reflect the successor licensee's responsible charge. The suc-
cessor licensee shall seal, sign and date all work product in conformance
with section 54-1215, Idaho Code.

REQUIREMENTS FOR REQUESTING A REFILL OF AN EXISTING PRESCRIPTION DRUG
ORDER BY FACSIMILE TRANSMITTAL AND TO PROVIDE CORRECT TERMINOLOGY.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 54-1733, Idaho Code, be, and the same is hereby
amended to read as follows:

54-1733. VALIDITY OF PRESCRIPTION DRUG ORDERS. (1) A prescription or
drug order for a legend drug is not valid unless it is issued for a legitimate

cludes a documented patient evaluation adequate to establish diagnoses and
identify underlying conditions and/or contraindications to the treatment.
Treatment, including issuing a prescription or drug order, based solely on
an online questionnaire or consultation outside of an ongoing clinical rela-
tionship does not constitute a legitimate medical purpose. A prescription
or drug order may be issued either:

(a) By a practitioner acting in the usual course of his profession; or
(b) By a physician, dentist, veterinarian, scientific investigator or other person, other than a pharmacist, who is licensed in a jurisdiction other than the state of Idaho and is permitted by such license to dispense, conduct research with respect to or administer the prescribed legend drugs in the course of his professional practice or research in such jurisdiction, so long as the individual is acting within the jurisdiction, scope and authority of his license when issuing the prescription drug order.
(c) The prescription drug order may be signed and sent electronically pursuant to chapter 50, title 28, Idaho Code.
(d) Transmission of prescription drug order. In addition to delivery of the original signed written prescription drug order to a licensed pharmacy:
   (i) A prescription drug order that has been signed by the practitioner may be received by a licensed pharmacy for dispensing purposes through a facsimile transmission from the prescribing practitioner or the practitioner's agent, or from a health care facility for a patient or resident in such facility;
   (ii) A prescription drug order may also be received by a licensed pharmacist verbally from the practitioner, the practitioner's agent or from a licensed practical nurse or licensed professional nurse in a health care facility for a patient or resident in such facility;
   (iii) A prescription drug order received verbally from the practitioner by a licensed practical nurse or licensed professional nurse in a licensed health care facility for a patient or resident in such facility may also be sent by facsimile transmission from the health care facility to a licensed pharmacy for dispensing purposes provided the transmitted document includes the name of the prescriber issuing the prescription drug order, the name of the nurse who transcribed the order and the name of the person who sent the facsimile.
(e) In the event that there are no refills remaining on an existing prescription drug order, and the pharmacist requests a new prescription drug order from the practitioner, the practitioner's agent, after obtaining practitioner authorization, may sign and return the request via facsimile so long as:
   (i) The request is generated from the pharmacy;
   (ii) The request is for medication that the patient is currently taking;
   (iii) There are no changes to the type of drug, its strength or directions for the continuation of therapy;
   (iv) The practitioner's agent's transmission is received via facsimile from the practitioner's office; and
   (v) The request, which is subsequently transmitted back to the requesting pharmacy by the practitioner's agent, contains all components of a valid prescription drug order.
(2) It is unlawful for a practitioner to knowingly issue an invalid prescription drug order for a legend drug.
(3) It is unlawful for a pharmacist or veterinarian to knowingly fill an invalid prescription drug order for a legend drug.

This fund shall consist of all contributions collected pursuant to this chapter, payments in lieu of contributions, interest earned upon any moneys in the fund, any property or securities acquired through the use of moneys belonging to the fund, all earnings of such property or securities, moneys temporarily deposited in the clearing account, and all other moneys received for the fund from any other source.

(2) Accounts and Deposits. The state controller shall maintain within the fund three (3) separate accounts: (i) a clearing account, (ii) an unemployment trust fund account, and (iii) a benefit account. Upon receipt by the director, all moneys payable to the fund shall be promptly forwarded to the state treasurer for immediate deposit in the clearing account. After clearance, all moneys in the clearing account shall, except as otherwise provided, be deposited promptly with the secretary of the treasury of the United States to the credit of this state's account in the federal unemployment trust fund established and maintained pursuant to section 904 of the social security act (42 U.S.C. 1104), any provisions of law in this state to the contrary notwithstanding. The benefit account shall consist of all moneys requisitioned for the payment of benefits from this state's account in the federal unemployment trust fund. Moneys in the clearing and benefit accounts may be deposited by the state treasurer under the direction of the director in any depository bank in which general funds of the state may be deposited, but no public deposit insurance charge or premium shall be paid out of the fund. Moneys in the clearing and benefit accounts shall not be commingled with other state funds and shall be maintained in separate accounts on the books of the depository bank. Moneys may only be requisitioned and used for the payment of expenses incurred for the administration of this chapter if the expenses are incurred and the money is requisitioned after the enactment of a specific appropriation by the legislature which specifies the purposes for which such money is appropriated and the amounts appropriated therefor. Such appropriation is subject to the following conditions:

(a) Such money may not be obligated after the close of the two (2) year period which began on the date of the enactment of the appropriation law; and

(b) The amount which may be obligated at any time may not exceed the amount by which the aggregate of the amounts transferred to the account of this state pursuant to section 903 of the social security act (42 U.S.C. 1103) exceeds the aggregate of the amounts used by this state and charged against the amounts transferred to the account of this state. For the purposes of this subsection, amounts obligated for administrative purposes pursuant to an appropriation shall be chargeable against transferred amounts at the exact time the obligation is entered into.

(5) Reed act moneys requisitioned for the payment of benefits shall be deposited in the benefit account established in this section. Reed act moneys requisitioned for the payment of administrative expenses pursuant to a specific appropriation shall be deposited in the employment security administration fund, section 72-1347, Idaho Code, except that moneys appropriated for the purchase of lands and buildings shall be deposited in the state employment security administrative and reimbursement fund in accordance with section 72-1348, Idaho Code. Money so deposited shall, until expended, remain part of the employment security fund and, if not expended, shall be promptly returned to this state's account in the federal unemployment trust fund.

SECTION 4. That Section 72-1349, Idaho Code, be, and the same is hereby amended to read as follows:

72-1349. PAYMENT OF CONTRIBUTIONS -- LIMITATION OF ACTIONS. (1) Contributions shall be reported and paid to the department on taxable wages for each calendar year equal to the amount determined in accordance with section 72-1350, Idaho Code. Contributions on wages paid to an individual under another state unemployment insurance law, or paid by an employer's predecessor during the calendar year, shall be counted in complying with this provision.

(2) Contributions shall accrue and become reportable and payable to the department by each covered employer for each calendar quarter with respect to wages for covered employment. Such contributions shall become due and be paid by each covered employer to the director for the employment security fund and shall not be deducted from the wages of individuals employed by such employer. All moneys required to be paid by a covered employer pursuant to
this chapter shall immediately, upon becoming due and payable, become or be deemed money belonging to the state, and every covered employer shall hold or be deemed to hold said money separately, aside, or in trust from any other funds, moneys or accounts, for the state of Idaho for payment in the manner and at the times provided by law.

(3) The contributions reportable and payable to the department by each covered employer, with respect to covered employment, accruing in each calendar quarter, shall be reported and paid to the department on or before the last day of the month following the close of said calendar quarter.

(4) The director may, for good cause shown by a covered employer, extend the time for payment of his contributions or any part thereof, but no such extension of time shall postpone the due date more than sixty (60) days. Contributions with respect to which an extension of time for payment has been granted shall be paid on or before the last day of the period of the extension.

(5) Whenever it appears to be essential to the proper administration of this chapter that collection of the contributions of a covered employer must be made more often than quarterly, the director shall have authority to demand payment of the contributions forthwith.

(6) In accordance with rules the director may prescribe, any person or persons entering into a formal contract with the state, any county, city, town, school or irrigation district, or any quasi-public corporation of the state, for the construction, alteration, or repair of any public building or public work, the contract price of which exceeds the sum of one thousand dollars ($1,000) may be required before commencing such work, to execute a surety bond in an amount sufficient to cover contributions when due. If the director, who shall approve said bond, determines that said bond has become insufficient, he may require that a new bond be provided in the amount he directs. Failure on the part of the employer covered by the bond to pay the full amount of his contributions when due shall render the surety liable on said bond as though the surety was the employer and subject to the other provisions of this chapter.

(7) In the payment of any contributions a fractional part of a dollar shall be disregarded unless it amounts to fifty cents (50¢) or more, in which case it shall be increased to one dollar ($1.00).

(8) The director may commence administrative proceedings to enforce the provisions of this section by issuing a determination at any time within five (5) years of the due date of a quarterly report or the date a quarterly report is filed, whichever is later. The limitation period of this subsection (8) is tolled during any period in which the employer absconds from the state, during any period of the employer's concealment, or during any period when the department's ability to commence administrative proceedings to enforce the provisions of this section is stayed by legal proceedings.

SECTION 5. That Section 72-1368, Idaho Code, be, and the same is hereby amended to read as follows:

72-1368. CLAIMS FOR BENEFITS AND -- APPELLATE PROCEDURE -- LIMITATION OF ACTIONS. (1) Claims for benefits shall be made in accordance with such rules as the director may prescribe.

(2) Each employer shall post and maintain in places readily accessible to individuals performing services for him printed statements concerning benefit rights under this chapter which shall be provided by the department without cost to the employer.

(3) (a) A representative of the department hereinafter referred to as a claims examiner shall examine following the filing of a claim filed pursuant to subsection (1) of this section and, on the basis of the facts found by him, shall determine whether the claimant is eligible for benefits and, if eligible, the department shall:
(i) Verify the claimant's monetary eligibility pursuant to the requirements of section 72-1367, Idaho Code, and issue a determination. If monetarily eligible, the department shall establish the date the claimant's benefit year begins, the weekly benefit amount, the total benefit amount, the base period wages, and the base period covered employers.

(ii) If a claimant is monetarily eligible, the department shall verify, based on information provided by the claimant, whether the week claimed is a compensable week as defined in section 72-1312, Idaho Code. To receive benefits, a claimant must certify that each week claimed is a compensable week. In the event of a denial of the week claimed is not a compensable week, the department shall issue a determination denying benefits, the determination and shall include the reasons for the ineligibility.

(b) If the department has reason to believe at any time within five (5) years from the week ending date for any week in which benefits were paid that a claimant was not eligible for benefits, the department may investigate the claim and on the basis of facts found issue a determination denying or allowing benefits for the week(s) in question. If the department determines a claimant was not entitled to benefits received, the department shall issue a determination requiring repayment of the overpaid benefits, and assess any applicable penalties and interest.

(c) Before the a determination provided for in subsection (3) of this section becomes final or an appeal is filed, the claims examiner department, on its own motion, may issue a revised determination. The determination or revised determination shall become final unless, within fourteen (14) days after notice, as provided in subsection (5) of this section, an appeal is filed by an interested party with the department.

(4) (a) Upon appeal of a determination or revised determination, the director shall transfer the appeal directly to an appeals examiner pursuant to subsection (6) of this section, unless the director finds, in his sole discretion, that a redetermination should be issued affirming, reversing or modifying the determination or revised determination. The redetermination shall become final unless, within fourteen (14) days after notice as provided in subsection (5) of this section, an appeal is filed by an interested party with the department in accordance with the department's rules.

(b) The director may, in his sole discretion, make a special redetermination whenever he finds that a departmental error has occurred in connection with a determination, revised determination or redetermination that has become final, or that additional wages of the claimant or other facts pertinent to such final determination, revised determination or redetermination have become available or have been newly discovered, or that benefits have been allowed or denied or the amount of benefits fixed on the basis of nondisclosure or misrepresentation of fact. The special redetermination must be made within one (1) year from the date of the original determination, revised determination or redetermination became final, except that a special redetermination involving a finding that benefits have been allowed or denied or the amount of benefits fixed on the basis of nondisclosures or misrepresentations of fact may be made within two (2) years from the date of the original determination, revised determination or redetermination became final. Subject to the same limitations and for the same reasons, the director may make a special redetermination in any case in which the final decision has been rendered by an appeals examiner, the commission, or a court and may apply to the appeal tribunal which rendered such final decision to issue a revised decision. In the event that an appeal involving an original determination is pending as of the date a special redetermination is is-
that its decision or proceedings shall be deemed complete on the date of mailing. Service by electronic transmission shall be deemed complete on the date notice is electronically transmitted.

(6) To hear and decide appeals from determinations, revised determinations, redeterminations, and special redeterminations, the director shall appoint appeals examiners. Unless the appeal is withdrawn, the appeals examiner shall affirm, modify, set aside or reverse the determination involved, after affording the interested parties reasonable opportunity for a fair hearing, or may refer a matter back to the examiner department for further action. The appeals examiner shall notify the interested parties of his decision by serving notice in the same manner as provided in subsection (5) of this section. The decision shall set forth findings of fact and conclusions of law. The appeals examiner may, either upon application for rehearing by an interested party or on his own motion, rehear, affirm, modify, set aside or reverse any prior decision on the basis of the evidence previously submitted or on the basis of additional evidence; provided, that such application or motion be made within ten (10) days after the date of service of the decision. A complete record shall be kept of all proceedings in connection with an appealed claim. All testimony at any hearing shall be recorded. If a claim for review of the appeals examiner's decision is filed with the commission, the testimony shall be transcribed if ordered by the commission. Witnesses subpoenaed by the appeals examiner shall be allowed fees at a rate prescribed by the director. If any interested party to a hearing formally requests the appeals examiner to issue a subpoena for a witness whose evidence is deemed necessary, the appeals examiner shall promptly issue the subpoena, unless such request is determined to be unreasonable. Unless an interested party shall within fourteen (14) days after service of the decision of the appeals examiner file with the commission a claim for review or unless an application or motion is made for a rehearing of such decision, the decision of the appeals examiner shall become final.

(7) The commission shall decide all claims for review filed by any interested party in accordance with its own rules of procedure not in conflict herewith. The record before the commission shall consist of the record of proceedings before the appeals examiner, unless it appears to the commission that the interests of justice require that the interested parties be permitted to present additional evidence. In that event, the commission may, in its sole discretion, conduct a hearing or may remand the matter back to the appeals examiner for an additional hearing and decision. On the basis of the record of proceedings before the appeals examiner as well as additional evidence, if allowed, the commission shall affirm, reverse, modify, set aside or revise the decision of the appeals examiner or may refer the matter back to the appeals examiner for further proceedings. The commission shall file its decision and shall promptly serve notice of its decision to all interested parties. A decision of the commission shall be final and conclusive as to all matters adjudicated by the commission upon filing the decision in the office of the commission; provided, within twenty (20) days from the date of filing the decision, any party may move for reconsideration of the decision or the commission may rehear or reconsider its decision on its own initiative. The decision shall be final upon denial of a motion for rehearing or reconsideration or the filing of the decision on reconsideration.
(8) No person acting on behalf of the director or any member of the commission shall participate in any case in which he has a direct or indirect personal interest.

(9) An appeal may be made to the Supreme Court from decisions and orders of the commission within the times and in the manner prescribed by rule of the Supreme Court.

(10) (a) Benefits shall be paid promptly in accordance with any decision allowing benefits, regardless of:

(i) The pendency of a time period for filing an appeal or petitioning for commission review; or

(ii) The pendency of an appeal or petition for review.

(b) Such payments shall not be withheld until a subsequent appeals examiner decision or commission decision modifies or reverses the previous decision, in which event benefits shall be paid or denied in accordance with such decision.

(11) (a) Any right, fact, or matter in issue, directly based upon or necessarily involved in a determination, redetermination, decision of the appeals examiner or decision of the commission which has become final, shall be conclusive for all the purposes of this chapter as between the interested parties who had notice of such determination, redetermination or decision. Subject to appeal proceedings and judicial review by the Supreme Court as set forth in this section, any determination, redetermination or decision as to rights to benefits shall be conclusive for all purposes of this chapter and shall not be subject to collateral attack irrespective of notice.

(b) No finding of fact or conclusion of law contained in a decision or determination rendered pursuant to this chapter by an appeals examiner, the industrial commission, a court, or any other person authorized to make such determinations shall have preclusive effect in any other action or proceeding, except proceedings that are brought (i) pursuant to this chapter, (ii) to collect unemployment insurance contributions, (iii) to recover overpayments of unemployment insurance benefits, or (iv) to challenge the constitutionality of provisions of this chapter or administrative proceedings under this chapter.

(12) The provisions of the Idaho administrative procedure act, chapter 52, title 67, Idaho Code, regarding contested cases and judicial review of contested cases are inapplicable to proceedings involving claimants under the provisions of this chapter.

SECTION 6. That Section 72-1369, Idaho Code, be, and the same is hereby amended to read as follows:

72-1369. OVERPAYMENTS, CIVIL PENALTIES AND INTEREST -- COLLECTION AND WAIVER. (1) Any person who received benefits to which he was not entitled under the provisions of this chapter or under an unemployment insurance law of any state or of the federal government shall be liable to repay the benefits and the benefits shall, for the purpose of this chapter, be considered to be overpayments.

(2) Civil penalties. The director shall assess the following monetary penalties for each determination in which the claimant is found to have made a false statement, misrepresentation, or failed to report a material fact to the department:

(a) Twenty-five percent (25%) of any resulting overpayment for the first determination;

(b) Fifty percent (50%) of any resulting overpayment for the second determination; and

(c) One hundred percent (100%) of any resulting overpayment for the third and any subsequent determination.
(3) Any overpayment, civil penalty and/or interest which has not been repaid may, in addition to or alternatively to any other method of collection prescribed in this chapter, including the creation of a lien as provided by section 72-1360, Idaho Code, be collected with interest thereon at the rate prescribed in section 72-1360(2), Idaho Code. The director may also file a civil action in the name of the state of Idaho. In bringing such civil actions for the collection of overpayments, penalties and interest, the director shall have all the rights and remedies provided by the laws of this state, and any person adjudged liable in such civil action for any overpayments shall pay the costs of such action. A civil action filed pursuant to this subsection (3) shall be commenced within five (5) years from the date of the final determination establishing liability to repay. Any judgment obtained pursuant to this section shall, upon compliance with the requirements of chapter 19, title 45, Idaho Code, become a lien of the same type, duration and priority as if it were created pursuant to section 72-1360, Idaho Code.

(4) Collection of overpayments.
(a) Overpayments, other than those resulting from a false statement, misrepresentation, or failure to report a material fact by the claimant, which have not been repaid or collected, may, at the discretion of the director, be deducted from any future benefits payable to the claimant under the provisions of this chapter. Such overpayments not recovered within five (5) years from the date of the final determination establishing liability to repay may be deemed uncollectible.
(b) Overpayments resulting from a false statement, misrepresentation, or failure to report a material fact by the claimant which have not been recovered within eight (8) years from the date of the final determination establishing liability to repay may be deemed uncollectible.

(5) The director may waive the requirement to repay an overpayment, other than one resulting from a false statement, misrepresentation, or failure to report a material fact by the claimant, and interest thereon, if:
(a) The benefit payments were made solely as a result of department error or inadvertence and made to a claimant who could not reasonably have been expected to recognize the error; or
(b) Such payments were made solely as a result of an employer misreporting wages earned in a claimant's base period and made to a claimant who could not reasonably have been expected to recognize an error in the wages reported. The director, in his sole discretion, may also compromise a civil penalty assessed under subsection (2) of this section and/or interest.

(6) Neither the director nor any of his agents or employees shall be liable for benefits paid to persons not entitled to the same under the provisions of this chapter if it appears that such payments have been made in good faith and that ordinary care and diligence have been used in the determination of the validity of the claim or claims under which such benefits have been paid.

(7) The director may, in his sole discretion, compromise any or all of an overpayment, civil penalty, interest or fifty-two (52) week disqualification assessed under subsections (1) and (2) of this section and section 72-1366(12), Idaho Code, when the director finds it is in the best interest of the department.

19-2719. SPECIAL APPELLATE AND POST-CONVICTION PROCEDURE FOR CAPITAL CASES -- AUTOMATIC STAY. The following special procedures shall be interpreted to accomplish the purpose of eliminating unnecessary delay in carrying out a valid death sentence.

(1) When the punishment of death is imposed the time for filing an appeal shall begin to run when the death warrant is filed.

(2) The death warrant shall not be filed until forty-two (42) days after the judgment imposing the death sentence has been filed, or, in the event a post-conviction challenge to the conviction or sentence is filed, until the order deciding such post-conviction challenge is filed.

(3) Within forty-two (42) days of the filing of the judgment imposing the punishment of death, and before the death warrant is filed, the defendant must file any legal or factual challenge to the sentence or conviction that is known or reasonably should be known.

(4) Any remedy available by post-conviction procedure, habeas corpus or any other provision of state law must be pursued according to the procedures set forth in this section and within the time limitations of subsection (3) of this section. The special procedures for fingerprint or forensic DNA testing set forth in sections 19-4901(a)(6) and 19-4902(b) through (f), Idaho Code, are fully applicable in capital cases and are subject to the procedures set forth in this section, and must be pursued through a petition filed within the time limitations of subsection (3) of this section or by July 1, 2002, whichever is later.

(5) If the defendant fails to apply for relief as provided in this section and within the time limits specified, he shall be deemed to have waived such claims for relief as were known, or reasonably should have been known. The courts of Idaho shall have no power to consider any such claims for relief as have been so waived or grant any such relief.

(a) An allegation that a successive post-conviction petition may be heard because of the applicability of the exception herein for issues that were not known or could not reasonably have been known shall not be considered unless the applicant shows the existence of such issues by (i) a precise statement of the issue or issues asserted together with (ii) material facts stated under oath or affirmation by credible persons with first hand knowledge that would support the issue or issues asserted. A pleading that fails to make a showing of excepted issues supported by material facts, or which is not credible, must be summarily dismissed.

(b) A successive post-conviction pleading asserting the exception shall be deemed facially insufficient to the extent it alleges matters that are cumulative or impeaching or would not, even if the allegations were true, cast doubt on the reliability of the conviction or sentence.

(c) A successive post-conviction pleading asserting the exception shall be deemed facially insufficient to the extent it seeks retroactive application of new rules of law.

(6) In the event the defendant desires to appeal from any post-conviction order entered pursuant to this section, his appeal must be part of any appeal taken from the conviction or sentence. All issues relating to conviction, sentence and post-conviction challenge shall be considered in the same appellate proceeding.

(7) If post-conviction challenge is made under this section, questions raised thereby shall be heard and decided by the district court within ninety (90) days of the filing of any motion or petition for relief timely filed as provided by this section. The court shall give first priority to capital cases. In the event the district court fails to act within the time specified, the supreme court of Idaho shall, on its own motion or the motion of
any party, order the court to proceed forthwith, or if appropriate, reassign the case to another judge. When the supreme court intervenes as provided, it shall set a reasonable time limit for disposition of the issues before the district court.

(8) The time limit provided in subsection (7) of this section for disposition of post-conviction claims may be extended only upon a showing of extraordinary circumstances which would make it impossible to fairly consider defendant's claims in the time provided. Such showing must be made under oath and the district court's finding that extraordinary circumstances exist for extending the time shall be in writing and shall be immediately reported to the supreme court, which shall at once independently consider the sufficiency of the circumstances shown and determine whether an extension of time is warranted.

(9) When a judgment imposing the penalty of death is filed, the clerk and the reporter shall begin preparation of the transcripts of the trial, and other proceedings, and the clerk's transcript.

(10) When the procedures specified in this section and section 19-2827, Idaho Code, have been carried out and a remittitur issued, and an execution date set as provided by law, the defendant shall be deemed to have exhausted all state remedies.

(11) Any successive petition for post-conviction relief not within the exception of subsection (5) of this section shall be dismissed summarily. Notwithstanding any other statute or rule, the order of dismissal shall not be subject to any motion to alter, amend or reconsider. Such order shall not be subject to any requirement for the giving of notice of the court's intent to dismiss. The order of dismissal shall not be appealable.

(12) A stay of execution while the special appellate procedures specified herein are followed and during the pendency of automatic review of death sentences shall be automatically entered by the clerk of the supreme court at the time the district court transmits to the supreme court the report required by section 19-2827, Idaho Code. If the sentence is upheld, the clerk shall dissolve such stay when the remittitur is filed. Thereafter the district court shall set anew execution date.

SECTION 2. That Section 19-4901, Idaho Code, be, and the same is hereby amended to read as follows:

19-4901. REMEDY -- TO WHOM AVAILABLE -- CONDITIONS. (a) Any person who has been convicted of, or sentenced for, a crime and who claims:

(1) That the conviction or the sentence was in violation of the constitution of the United States or the constitution or laws of this state;
(2) That the court was without jurisdiction to impose sentence;
(3) That the sentence exceeds the maximum authorized by law;
(4) That there exists evidence of material facts, not previously presented and heard, that requires vacation of the conviction or sentence in the interest of justice;
(5) That his sentence has expired, his probation, or conditional release was unlawfully revoked by the court in which he was convicted, or that he is otherwise unlawfully held in custody or other restraint;
(6) Subject to the provisions of section 19-4902 (b) through (f), Idaho Code, that the petitioner is innocent of the offense; or
(7) That the conviction or sentence is otherwise subject to collateral attack upon any ground of alleged error heretofore available under any common law, statutory or other writ, motion, petition, proceeding, or remedy: may institute, without paying a filing fee, a proceeding under this act to secure relief.

(b) This remedy is not a substitute for nor does it affect any remedy incident to the proceedings in the trial court, or of an appeal from the sentence or conviction. Any issue which could have been raised on direct ap-
appeal, but was not, is forfeited and may not be considered in post-conviction proceedings, unless it appears to the court, on the basis of a substantial factual showing by affidavit, deposition or otherwise, that the asserted basis for relief raises a substantial doubt about the reliability of the finding of guilt and could not, in the exercise of due diligence, have been presented earlier. Except as otherwise provided in this act, it comprehends and takes the place of all other common law, statutory, or other remedies heretofore available for challenging the validity of the conviction or sentence. It shall be used exclusively in place of them.

SECTION 3. That Section 19-4902, Idaho Code, be, and the same is hereby amended to read as follows:

19-4902. COMMENCEMENT OF PROCEEDINGS -- VERIFICATION -- FILING -- SERVICE -- DNA TESTING. (a) A proceeding is commenced by filing an application verified by the applicant with the clerk of the district court in which the conviction took place. An application may be filed at any time within one (1) year from the expiration of the time for appeal or from the determination of an appeal or from the determination of a proceeding following an appeal, whichever is later. Facts within the personal knowledge of the applicant and the authenticity of all documents and exhibits included in or attached to the application must be sworn to affirmatively as true and correct. The supreme court may prescribe the form of the application and verification. The clerk shall docket the application upon its receipt and promptly bring it to the attention of the court and deliver a copy to the prosecuting attorney.

(b) A petitioner may, at any time, file a petition before the trial court that entered the judgment of conviction in his or her case for the performance of fingerprint or forensic deoxyribonucleic acid (DNA) testing on evidence that was secured in relation to the trial which resulted in his or her conviction but which was not subject to the testing that is now requested because the technology for the testing was not available at the time of trial. The petition must be filed by July 1, 2002, or within one (1) year after the filing of the judgment of conviction, whichever is later. The clerk shall docket the application upon its receipt and promptly bring it to the attention of the court and deliver a copy to the prosecuting attorney.

(c) The petitioner must present a prima facie case that:
(1) Identity was an issue in the trial which resulted in his or her conviction; and
(2) The evidence to be tested has been subject to a chain of custody sufficient to establish that such evidence has not been substituted, tampered with, replaced or altered in any material aspect.

(d) A petitioner who pleaded guilty in the underlying case may file a petition under subsection (b) of this section.

(e) The trial court shall allow the testing under reasonable conditions designed to protect the state's interests in the integrity of the evidence and the testing process upon a determination that:
(1) The result of the testing has the scientific potential to produce new, noncumulative evidence that would show that it is more probable than not that the petitioner is innocent; and
(2) The testing method requested would likely produce admissible results under the Idaho rules of evidence.

(ef) In the event the fingerprint or forensic DNA test results demonstrate, in light of all admissible evidence, that the petitioner is not the person who committed the offense, the court shall order the appropriate relief.

(eg) The cost of the forensic DNA test shall be at the petitioner's expense, except to the extent the petitioner qualifies for the test at public expense pursuant to chapter 8, title 19, Idaho Code, in which case the fingerprint or forensic DNA test shall be performed by, and paid for by
funds allocated for, Idaho state police forensic services. The petitioner may choose an ISO/IEC 17025 or an American society of crime laboratory directors/laboratory accreditation board accredited DNA testing laboratory to perform the DNA testing. Such testing shall be at the petitioner's expense.

AND OBLIGATIONS.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 46-1021, Idaho Code, be, and the same is hereby
amended to read as follows:
46-1021. DEFINITIONS. As used in this act:

(1) "Development" means any manmade change to improved or unimproved real estate, including, but not limited to, the construction of buildings, structures or accessory structures, or the construction of additions or substantial improvements to buildings, structures or accessory structures; the placement of mobile homes; mining, dredging, filling, grading, paving, excavation or drilling operations; and the deposition or extraction of materials; specifically including the construction of dikes, berms and levees. The term "development" does not include the operation, cleaning, maintenance or repair of any ditch, canal, lateral, drain, diversion structure or other irrigation or drainage works that is performed or authorized by the owner thereof pursuant to lawful rights and obligations.

(2) "Flood" means a general or temporary condition of partial or complete inundation of normally dry land areas caused by the overflow or rise of river, ocean, streams or lakes, or the unusual and rapid accumulation or runoff of surface waters from any source.

(3) "Flood fringe" is that portion of the floodplain outside of the floodway covered by floodwaters during the regulatory flood.

(4) "Floodplain" is the land that has been or may be covered by floodwaters, or is surrounded by floodwater and inaccessible, during the occurrence of the regulatory flood. The riverine floodplain includes the floodway and the flood fringe.

(5) "Floodplain management" is the analysis and integration of the entire range of measures that can be used to prevent, reduce or mitigate flood damage in a given location, and that can protect and preserve the natural, environmental, historical, and cultural values of the floodplain.

(6) "Floodproofing" means the modifications of structures, their sites, building contents and water and sanitary facilities, to keep water out or reduce the effects of water entry.

(7) "Flood protection elevation" means an elevation that shall correspond to the elevation of the one percent (1%) chance flood (one hundred (100) year flood) plus any increased flood elevation due to floodway encroachment, plus any required freeboard.

(8) "Floodway" is the channel of the river or stream and those portions of the floodplain adjoining the channel required to discharge and store the floodwater or flood flows associated with the regulatory flood.

(9) "Freeboard" represents a factor of safety usually expressed in terms of a certain amount of feet above a calculated flood level. Freeboard shall compensate for the many unknown factors that contribute to flood heights greater than the height calculated. These unknown factors include, but are not limited to, ice jams, debris accumulation, wave action, obstruction of bridge openings and floodways, the effects of urbanization on the hydrology of the watershed, loss of flood storage areas due to development and the sedimentation of a river or stream bed.

(10) "Local government," in the context of this chapter, means any county or city having planning and zoning authority to regulate land use within its jurisdiction.

(11) "Mitigation" means any action taken which will reduce the impact, damage or cost of the next flood that occurs.

(12) "Person" means any individual, group of individuals, corporation, partnership, association, political subdivision, public or private agency or entity.

(13) "Regulatory flood" is a flood determined to be representative of large floods known to have occurred in Idaho and which may be expected to occur on a particular stream because of like physical characteristics. The regulatory flood is based upon a statistical analysis of stream flow records available for the watershed or an analysis of rainfall and runoff characteristics in the watershed. In inland areas, the flood frequency of the regulatory flood is once in every one hundred (100) years; this means that in any
given year there is a one percent (1%) chance that a regulatory flood may occur or be exceeded.

SECTION 2. That Section 46-1022, Idaho Code, be, and the same is hereby amended to read as follows:

46-1022. LOCAL GOVERNMENTS MAY ADOPT FLOODPLAIN ZONING ORDNANCES. Subject to the availability of adequate mapping and data to properly identify the floodplains, if any, within their jurisdiction, each local government is encouraged to adopt a floodplain map and floodplain management ordinance which identifies these floodplains and which requires, at a minimum, that any development in a floodplain must be constructed at a flood protection elevation and/or have adequate floodproofing. The local government may regulate all mapped and unmapped floodplains within their jurisdiction. Nothing in this act shall prohibit a local government from adopting more restrictive standards than those contained in this chapter. Floodplain zoning ordinances shall not regulate the operation, cleaning, maintenance or repair of any ditch, canal, lateral, drain, diversion structure or other irrigation or drainage works that is performed or authorized by the owner thereof pursuant to lawful rights and obligations.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 59-1302, Idaho Code, be, and the same is hereby amended to read as follows:

59-1302. DEFINITIONS. (1) As used in this chapter, each of the terms defined in this section shall have the meaning given in this section unless a different meaning is clearly required by the context.

(2) "Active member" means any employee who is not establishing the right to receive benefits through his or her employer's participation in any other retirement system established for Idaho public employees, if such participation is mandated by applicable Idaho statutes other than this chapter. In no case will an employee be entitled to any benefit under this chapter for public service if such employee is establishing retirement benefit entitlements by other Idaho statutes or federal statutes other than military service or social security for that same service.

(3) "Accumulated contributions" means the sum of amounts contributed by a member of the system, together with regular interest credit thereon.

(4) "Actuarial equivalent" means a benefit equal in value to another benefit, when computed upon the basis of the actuarial tables in use by the system.

(5) "Actuarial tables" means such tables as shall have been adopted by the board in accordance with recommendations of the actuary.

(5A) "Alternate payee" means a spouse or former spouse of a member who is recognized by an approved domestic retirement order as having a right to all or a portion of the accrued benefits in the retirement system with respect to such member.

(5B) "Approved domestic retirement order" means a domestic retirement order which creates or recognizes the existence of an alternate payee's right or assigns to an alternate payee the right to all or a portion of the accrued benefits of a member under the retirement system, which directs the system to establish a segregated account or disburse benefits to an alternate payee, and which the executive director of the retirement system has determined meets the requirements of sections 59-1319 and 59-1320, Idaho Code.

(5C) "Average monthly salary" means the member's average salary during the base period as calculated pursuant to rules adopted by the retirement board.

(5D) (a) "Base period" means the period of fifty-four (54) consecutive calendar months during which the member earned:

(i) The highest average salary; and
(ii) Membership service of at least one-half (1/2) the number of months in the period, excluding months of service attributable to:
   A. Military service;
   B. Service qualifying as minimum benefit pursuant to section 59-1342 (5), Idaho Code; and
   C. Worker's compensation income benefits.

(b) Effective October 1, 1993, the consecutive calendar months shall be forty-eight (48). Effective October 1, 1994, the consecutive calendar months shall be forty-two (42).

(c) Entitlement to a base period shall not vest until the effective date of that base period. The retirement benefits shall be calculated on the amounts, terms and conditions in effect at the date of the final contribution by the member.

(d) If no base period exists for a member, the member's average monthly salary shall be determined by the board, using standards not inconsistent with those established in this subsection.

(e) To assure equitable treatment for all members, salary increments inconsistent with usual compensation patterns may be disallowed by the board in determining average monthly salary and base period.

(6) "Beneficiary" means the person who is nominated by the written designation of a member, duly executed and filed with the board, to receive the death benefit.

   (b) That the member will likely remain so disabled permanently and continuously during the remainder of the member's life.

It is not necessary that a person be absolutely helpless or entirely unable to do anything worthy of compensation to be considered disabled. If the person is so disabled that substantially all the avenues of employment are reasonably closed to the person, that condition is within the meaning of "disabled." In evaluating whether a person is disabled, medical factors and nonmedical factors including, but not limited to, education, economic and social environment, training and usable skills may be considered.

Refusal to submit to a medical examination ordered by the board before the commencement of a disability retirement allowance or at any reasonable time thereafter shall constitute proof that the member is not disabled. The board shall be empowered to select for such medical examination one (1) or more physicians or surgeons who are licensed to practice medicine and perform surgery. The fees and expenses of such examination shall be paid from the administration account of the fund. No member shall be required to un-

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Chapter 74, Title 39, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW SECTION, to be known and designated as Section 39-7421, Idaho Code, and to read as follows:

(2) The director shall initiate the process outlined in 40 CFR 239 by which the state may receive authorization to issue research, development and demonstration (RDD) permits in compliance with 40 CFR 258.4 at such time as:
(a) The department receives a request from any individual who expresses an intent to apply for an RDD permit; and 
(b) The department and requesting individual enter into a written agreement in which the requesting individual agrees to reimburse the
department for the reasonable and necessary cost to make such application.

(3) Upon receipt of state authorization to issue such permits, the director may issue an RDD permit for a new MSWLF unit, existing MSWLF unit, or lateral expansion for which the owner or operator proposes to utilize innovative and new methods which vary from either or both of the following criteria:

(a) The run-on control systems required by section 39-7412(7)(a), Idaho Code; and
(b) The liquid restrictions in section 39-7412(8), Idaho Code.

(4) Any permit issued under subsection (3) of this section shall include the following terms and conditions:

(b) Any liquids to be recirculated, injected or otherwise placed in the MSWLF unit shall be appropriate for the purposes of determining the efficacy and performance capabilities of the technology or process and shall be approved by the director;
(c) The MSWLF unit owner or operator shall install and operate a landfill gas collection and control system in accordance with emission control requirements as specified in 40 CFR part 60, and when collected in economically feasible volumes, landfill gas shall be used for energy generation.

(5) Upon receipt of state authorization to issue such permits, the director may issue an RDD permit for a new MSWLF unit, existing MSWLF unit, or lateral expansion, for which the owner or operator proposes to utilize innovative and new methods which vary from the final cover criteria of 40 CFR 258.60 (a) (1), (a) (2) and (b) (1) provided the landfill owner or operator demonstrates that the infiltration of liquid will not cause contamination of ground water or surface water, or cause leachate depth on the liner to exceed thirty (30) centimeters.

(6) Any permit issued under the provisions of this section shall include terms and conditions at least as protective as the criteria for MSWLFs to assure protection of human health and the environment. Such permits shall:

(a) Provide for the construction and operation of such facilities as necessary, for not longer than three (3) years, unless renewed as provided in subsection (8) of this section;

(d) Require the owner or operator of a MSWLF unit permitted under this section to submit an annual report to the director showing whether and to what extent the site is progressing in attaining project goals. The report shall also include a summary of all monitoring and testing results, as well as any other operating information specified by the director in the permit. Annual reports shall be submitted to the director within three (3) months after the anniversary date of the approved permit or permit renewal; and
(e) Require compliance with all criteria in chapter 74, title 39, Idaho Code, except as permitted under this section.

(7) The director may order an immediate termination of all operations at the facility allowed under this section or other corrective measures at
any time the director determines that the overall goals of the project are not being attained including, but not limited to, protection of human health or the environment.

(8) Any permit issued under the provisions of this section shall not exceed three (3) years and each renewal of a permit shall not exceed three (3) years.

(a) The total term for a permit for a project, including renewals, shall not exceed twelve (12) years.

(b) During permit renewal, the applicant shall provide a detailed assessment of the project showing the status with respect to achieving project goals, a list of problems and status with respect to problem resolutions, and any other requirements that the director determines necessary for permit renewal.

(c) Owners or operators requesting permit renewal shall submit the permit renewal application to the director at least six (6) months prior to the existing permit expiration date.

(9) It shall be unlawful to begin construction to implement or otherwise utilize the exemptions provided in this section without first receiving a permit from the director. Permit applications will be processed in the following manner:

(a) The director shall review the RDD permit application and each subsequent permit renewal in the same manner as the director reviews requests for design approval pursuant to section 39-7411, Idaho Code. An applicant shall provide information in the permit application in sufficient detail to address design, operating, closure, postclosure and financial assurance requirements.

(b) Each permit application and permit renewal application shall require the owner or operator to certify to the director that the information contained in the application is, to the best of his or her knowledge, accurate and true, and the MSWLF unit is in compliance with applicable law.

(10) Permit review and oversight costs incurred by the department of environmental quality, or "department," and health district shall be reimbursed by the applicant or permittee. Reimbursable review and oversight costs shall include, but are not limited to:

(a) Reasonable costs associated with the director's review of a permit application submitted pursuant to this section, including department staff time and the cost of goods and services contracted by the department in performance of the activities described in this section;

(b) Reasonable costs associated with the health district's review of portions of a permit application submitted pursuant to this section when such review is delegated to the health district by statute, rule, or agreement with the director;

(c) Reasonable costs associated with the department's and health district's oversight of permitted RDD units, including inspections and the review of annual reports, monitoring, and testing results required pursuant to this section or required by permit, and the processing of permit amendments and terminations; and

(d) All other reasonable and necessary costs of actions taken by the department pursuant to this section.

(11) Reimbursable review and oversight costs incurred by the department and health district, as defined in subsection (10) of this section, shall be reimbursed as follows:

(a) Each permit application submitted to the director pursuant to this section shall be accompanied by a nonrefundable fee of two hundred fifty dollars ($250) and an estimation of reimbursable review and oversight costs the department and health district may incur associated with the review of the permit application and oversight of the permit. Each permit renewal application submitted to the director pursuant to this sec-
tion shall be accompanied by a nonrefundable fee of one hundred dollars ($100) and an estimation of reimbursable review and oversight costs the department and health district may incur associated with the review and oversight of the permit renewal.

(b) If the department, in consultation with the health district, determines that the applicant's estimation of reimbursable review and oversight costs is accurate, and the submission of such funds will adequately reimburse the department and the health district for the cost of all review and oversight activities associated with that permit application or renewal application, the department shall notify the applicant, and the applicant shall submit to the department the full amount, or an installment deposit in the amount required pursuant to this subsection.

(c) If the department, in consultation with the health district, determines that the applicant's estimation of reimbursable review and oversight costs is not accurate, and the submission of such funds will not adequately reimburse the department and the health district for the cost of all review and oversight activities associated with that permit application or renewal application, the department shall notify the applicant and the application shall be returned to the applicant.

(d) Upon receipt of funds in the amount estimated by the applicant and concurred to by the department and health district, or receipt of an installment deposit in the amount required under this subsection, the director shall initiate permit application review or permit renewal review.

(e) Once the department and the health district concur with an applicant's estimation of reimbursable review and oversight costs, and the department provides the applicant notice thereof, a permit applicant or permit renewal applicant may submit to the department the reimbursement funds in their entirety or an installment deposit of two thousand five hundred dollars ($2,500). Should funding be required for costs incurred in excess of the initial two thousand five hundred dollar ($2,500) deposit, the department shall notify the applicant of required successive deposits in the amount of two thousand five hundred dollars ($2,500). The department shall pass along funds collected on behalf of the health district for reimbursable review and oversight costs incurred by such district within sixty (60) days of receipt of such funds from the applicant, or within sixty (60) days of receipt of a certified request for such funds from the health district, whichever is later. Any unused portion of the reimbursement funds, deposit, or successive deposit shall be returned to the applicant within sixty (60) days of the director's final decision to issue or deny a permit or permit renewal pursuant to this section. If the applicant fails to submit a successive deposit, the department shall suspend review of the permit application or renewal application, and the director shall be relieved of any applicable statutory or regulatory permit application or renewal application review deadlines during the review suspension.

(f) The director shall, as a condition of renewal, require renewal applicants to reimburse the department for previously uncaptured reimbursable permit review and oversight costs incurred by the department or health district during the prior permit term.

(g) Upon request, the department shall provide documentation to the applicant to aid in the development of the applicant's estimation of reimbursable review and oversight costs or to support the department's claims and any health district claims for such reimbursements.

(h) Funds submitted to the department pursuant to this section shall not be returned if a permit application is terminated, withdrawn, returned, or denied unless the funds, or some portion thereof, have not
been used by the department or health district as of the date of the termination, withdrawal, return, or denial.

(12) A permit issued pursuant to this section may be transferred only to a new owner or operator of the permitted MSWLF. The new owner or operator shall submit to the director in writing, a request for permit transfer. The request shall include a statement that the new owner or operator will comply with all terms and conditions of the permit. Upon transfer of the permit, the new owner or operator shall be responsible for compliance with all terms and conditions of the permit, and shall be subject to enforcement of such terms and conditions.

   (a) MSWLF units operating under an exemption set forth in section 39-7409(2) (c), Idaho Code.
   (b) MSWLF units operating under an exemption set forth in 40 CFR 258.1(f).

   (d) MSWLF units that have exceeded ground water protection standards at statistically significant levels as specified in section 39-7410(4) (a), Idaho Code, from any waste unit on site and have not implemented a remedy in accordance with section 39-7414, Idaho Code, prior to RDD permit application submittal.
   (e) MSWLF units that have landfill gas concentration exceedances, as specified in section 39-7412(4), Idaho Code, from any waste unit on site and have not implemented a remedy in accordance with section 39-7412(4), Idaho Code, prior to RDD permit application submittal.

(14) Owners or operators of MSWLF units circulating leachate or gas condensate derived from the MSWLF unit in compliance with section 39-7412(8), Idaho Code, and 40 CFR 258.28, and not implementing or otherwise utilizing an exemption under this section, are not required to comply with the requirements of this section.

(1) The department shall administer treatment programs for the protection and care of neglected, abused and abandoned children, and in so doing may place in foster care, shelter care, or other diagnostic, treatment, or care centers or facilities, children of whom it has been given custody. The department is to be governed by the standards found in chapter 12, title 39, Idaho Code.

All officials and employees of the state and of every county and city shall furnish the department, upon request, such information within their knowledge and control as the department deems necessary. Local agencies shall report in such uniform format as may be required by the department.

(3) The department shall be required to maintain a central registry for the reporting of child neglect, abuse and abandonment information. Provided however, that the department shall not retain any information for this purpose relating to a child, or parent of a child, abandoned pursuant to chapter 82, title 39, Idaho Code.

(4) The department shall make periodic evaluation of all persons in its custody or under its supervision for the purpose of determining whether existing orders and dispositions in individual cases shall be modified or continued in force. Evaluations may be made as frequently as the department considers desirable and shall be made with respect to every person at intervals not exceeding six (6) months. Reports of evaluation made pursuant to this section shall be filed with the court which vested custody of the person with the department. Reports of evaluation shall be provided to persons having full or partial legal or physical custody of a child. Failure of the department to evaluate a person or to reevaluate him within six (6) months of a previous examination shall not of itself entitle the person to a change in disposition but shall entitle him, his parent, guardian or custodian or his counsel to petition the court pursuant to section 16-1622, Idaho Code.
(5) In a consultive capacity, the department shall assist communities in the development of constructive programs for the protection, prevention and care of children and youth.

(6) The department shall keep written records of investigations, evaluations, prognoses and all orders concerning disposition or treatment of every person over whom it has legal custody. Department records shall be subject to disclosure according to chapter 3, title 9, Idaho Code, unless otherwise ordered by the court, the person consents to the disclosure, or disclosure is necessary for the delivery of services to the person. Notwithstanding the provisions restricting disclosure or the exemptions from disclosure provided in chapter 3, title 9, Idaho Code, all records pertaining to investigations, the rehabilitation of youth, the protection of children, evaluation, treatment and/or disposition records pertaining to the statutory responsibilities of the department shall be disclosed to any duly elected state official carrying out his official functions.

(7) The department shall establish appropriate administrative procedures for the processing of complaints of child neglect, abuse and abandonment received and for the implementation of the protection, treatment and care of children formally or informally placed in the custody of the department under this chapter including, but not limited to:

(a) Department employees whose job duties are related to the child protective services system under this chapter shall first be trained as to their obligations under this chapter regarding the protection of children whose health and safety may be endangered. The curriculum shall include information regarding their legal duties, how to conduct their work in conformity with the requirements of this chapter, information regarding applicable federal and state laws with regard to the rights of the child, parent and others who may be under investigation under the child protective services system, and the applicable legal and constitutional parameters within which they are to conduct their work.

(b) Department employees whose job duties are related to the child protective services system shall advise the individual of the complaints or allegations made against the individual at the time of the initial contact, consistent with protecting the identity of the referant referent.

(8) The department having been granted legal custody of a child, subject to the judicial review provisions of this subsection, shall have the right to determine where and with whom the child shall live, provided that the child shall not be placed outside the state without the court's consent. Provided however, that the court shall retain jurisdiction over the child, which jurisdiction shall be entered on any order or petition granting legal custody to the department, and the court shall have jurisdiction over all matters relating to the child. The department shall not place the child in the home from which the court ordered the child removed without first obtaining the approval of the court.

(9) The department shall give to the court any information concerning the child that the court may at any time require, but in any event shall report the progress of the child under its custody at intervals of not to exceed six (6) months. The department shall file with the court at least five (5) days prior to the permanency hearing either under section 16-1622, Idaho Code, or, in the case of a finding of aggravated circumstances, section 16-1620, Idaho Code, the permanency plan and recommendations of the department. There shall be a rebuttable presumption that if a child is placed in the custody of the department and was also placed in out of the home care for a period not less than fifteen (15) out of the last twenty-two (22) months from the date the child entered shelter care, the department shall initiate a petition for termination of parental rights. This presumption may be rebutted by a finding of the court that the filing of a petition for termination of parental rights would not be in the best interests of the
child or reasonable efforts have not been provided to reunite the child with his family, or the child is placed permanently with a relative.

(10) The department shall establish appropriate administrative procedures for the conduct of administrative reviews and hearings as required by federal statute for all children committed to the department and placed in out of the home care.

(11) At any time the department is considering a placement pursuant to this act chapter, the department shall make a reasonable effort to place the child in the least disruptive restrictive environment to the child and in so doing may shall consider, without limitation consistent with the best interest and special needs of the child, placement priority of the child with related persons in the following order:

AN ACT
RELATING TO ARCHITECTS; AMENDING SECTION 54-309, IDAHO CODE, TO REVISE A LICEN­SURE EXEMPTION.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 54-309, Idaho Code, be, and the same is hereby amended to read as follows:

54-309. DEFINITIONS -- LIMITATION ON APPLICATION. (1) Within the meaning and intent of this chapter, the following words shall be defined as follows:

(a) "Architect" means a person who engages in the practice of architecture as herein defined, and is licensed under the provisions of this chapter.

(b) "Building" is an enclosure including improvements related thereto, which has as its principal purpose the adaptation of space for occupancy, or habitation by human beings.

(c) "Practice of architecture" consists of rendering or offering those services hereinafter described, in connection with the design, construction, enlargement, or alteration of a building or a group of buildings. The services covered within this definition include architectural planning, advice and consultation; providing preliminary studies; architectural designs, drawings and specifications; technical submissions; and, administration of construction contracts.

(d) "Prototypical building" means any commercial building or space within a commercial building that is intended to be constructed in multiple locations and that in fact has been constructed in multiple locations, and which conveys an owner's intended uniform business program, plan or image.

(e) "Prototypical building documents" means technical submissions for prototypical buildings that:

(i) Are prepared by or under the responsible control of an architect then licensed in any jurisdiction and holding the certification issued by the national council of architectural registration boards;

(ii) Identify such architect together with the architect's license number, jurisdiction or license and national council of registration boards certification number; and
(iii) Are marked "Prototypical Design Documents Not For Construction." Prototypical building documents do not comprise a final, comprehensive set of design and construction documents because a prototypical building also requires adaptations for local conditions including site conditions and may require additional design as well.

(f) "Responsible control" means that amount of control over and detailed knowledge of the content of technical submissions during their preparation as is ordinarily exercised by registered architects applying the required professional standard of care. Reviewing, or reviewing and correcting, technical submissions after they have been prepared by others does not constitute the exercise of responsible control because the reviewer has neither control over nor detailed knowledge of the content of such submissions throughout their preparation.

(g) "Technical submissions" involving the practice of architecture, consist of designs, drawings, specifications, studies and other technical reports prepared in the course of practicing architecture.

(2) Nothing contained in this chapter shall be held or construed to have any application to, or to prevent or affect the following:

(a) The practice of engineering or any other profession or trade for which a license is required under any law of this state, or the practice of consultants, officers, and employees of the United States while engaged solely in the practice of architecture for said government.

(b) Draftsmen, students, clerks of work, project representatives, and others working under the supervision of those lawfully practicing as architects under the provisions of this chapter from acting under the instruction, control, or supervision of their supervisors, or to prevent the employment of clerks of work or inspectors of buildings paid by the owners from acting, if under the control or direction of a licensed architect who has prepared the drawings and specifications for the building.

(c) The rendering of any architectural service required in the erection, enlargement, alteration, or repair of any building, where such building is to be, or is used as a single or multiple family residence not exceeding three (3) units or two three (23) stories in height, or as a farm building; or for the purpose of outbuildings or auxiliary buildings in connection with such residential or farm premises.

(d) The rendering of any architectural service required in the erection, enlargement, alteration, or repair of any building which does not involve the public health or safety.

(e) The preparation of shop drawings by persons other than architects for use in connection with the execution of their work; or the preparation of drawings of fixtures, or other appliances or equipment, or for any work necessary to provide for their installation.

(f) Expert consultation rendered to an architect by a consultant, whether licensed or not, employed by the architect to consult, advise, and assist as long as the architect approves, adopts and is responsible for the results of such consultation, advice and assistance.

(g) An intern working under the supervision of a licensed architect, including the use of the title "architectural intern," as may be established and limited by board rule.

(h) The use of the title "architect" by a person previously licensed as an architect in good standing whose license has lapsed based upon retirement, to identify the person's profession but not for the purpose of practicing architecture.

(i) The use of the title "architect" in this state by a person licensed as an architect and in good standing in another jurisdiction, to identify the person's profession in circumstances that would not lead a rea-
sonable person to believe that the person using the title "architect" is offering to perform any of the services within the practice of architecture in this state.

(2) If the administrator finds a violation of the Idaho uniform school building safety code that he concludes does not constitute an imminent safety hazard or serious safety hazard, he shall notify in writing the school district superintendent, principal, board member, or other person in charge. Such notification shall state, in bold print, that the citations for violations or nonconformances constitute recommendations only.

(3) If the administrator finds a violation of the Idaho uniform school building safety code that he concludes constitutes a serious safety hazard, he shall immediately issue a written order or notice requiring the school superintendent, principal, board of trustees or other person in charge to eliminate the condition without delay and within the time specified by the administrator in the notice or order, but not exceeding one (1) year. This order shall be withdrawn if the evaluation of the department of administration designated licensed professional does not concur with the administrator that the condition constitutes an imminent safety hazard as could reasonably be expected to cause death or serious physical harm before the condition can be eliminated.

(5) If the department of administration agrees with the determination of the administrator that a condition identified constitutes an imminent safety hazard, the department of administration shall, within three (3) working days, so notify the administrator in writing.

Upon receipt of such written notice or order, the school district superintendent, principal, board of trustees, or other person in charge shall require all changes necessary to eliminate the imminent safety hazard be made, without delay and within the time specified by the administrator in the notice or order. If the condition presenting an imminent safety hazard is not corrected within the specified time, or if the administrator determines that the condition constituting such imminent safety hazard could reasonably be expected to cause death or serious physical harm before the condition can be eliminated, if he has not previously done so he shall determine the extent of the area where such condition exists and thereupon shall issue an order or notice requiring the school district superintendent, principal, board member, or other person in charge to cause all persons, except those necessary to eliminate the condition, to be withdrawn from, and to be restrained from entering, such area. The school district superintendent, principal, board member, or other person in charge shall assist the administrator as necessary to post such areas to prevent injury.

If a hearing is requested, the superintendent of public instruction shall appoint a hearing officer to consider the contested case. All administrative proceedings under this subsection shall be expedited as necessary to assure that serious safety hazards are eliminated as required by this section if the administrator's initial determination that there was a serious safety hazard is confirmed in the contested case proceedings.

(8) The administrator shall monitor the school district's progress in addressing any identified imminent safety hazard or serious safety hazard to ensure that appropriate corrective action was taken. The administrator may extend the time for completing corrective action if he deems necessary.

(9) Upon completion of corrective action and verification of such completion by the division of building safety and the department of administration, the administrator shall provide a report to the state superintendent of public instruction, the local superintendent of schools and the chair of the local school board.

Such hearing shall be governed by the provisions of chapter 52, title 67, Idaho Code. Final decisions of the board, other than code interpretations, are subject to judicial review in accordance with the provisions of chapter 52, title 67, Idaho Code.

(i) Grant or deny an permit application; or
(ii) Delay such a decision for a definite period of time for fur-
ther study or hearing. Each commission or governing board shall
establish by rule and regulation ordinance or resolution a time
period within which a recommendation or decision must be made.

(d) Every final decision rendered shall provide or be accompanied by
notice to the applicant regarding the applicant's right to request a re-
ulatory taking analysis pursuant to section 67-8003, Idaho Code. An
affected person aggrieved by a final decision concerning matters iden-
tified in section 67-6521(1)(a), Idaho Code, may within twenty-eight
(28) days after all remedies have been exhausted under local ordinances
seek judicial review as provided by chapter 52, title 67, Idaho Code.

(2) (a) Authority to exercise the regulatory power of zoning in land
use planning shall not simultaneously displace coexisting eminent do-
main authority granted under section 14, article I, of the constitution
of the state of Idaho and chapter 7, title 7, Idaho Code.

(b) An affected person claiming "just compensation" for a perceived
"taking," the basis of the claim being that a specific zoning action
or permitting final action restricting private property development
is actually a regulatory action by local government deemed "necessary
to complete the development of the material resources of the state," or
necessary for other public uses, may seek a judicial determination of
whether the claim comes within defined provisions of section 14,
article I, of the constitution of the state of Idaho relating to eminent
domain. Under these circumstances, the affected person is exempt from the provisions of subsection (1) of this section and may seek judicial review through an inverse condemnation action specifying neglect by local government to provide "just compensation" under the provisions of section 14, article I, of the constitution of the state of Idaho and chapter 7, title 7, Idaho Code.

SECTION 4. That Section 67-6535, Idaho Code, be, and the same is hereby amended to read as follows:

(b2) The approval or denial of any application provided for in required or authorized pursuant to this chapter shall be in writing and accompanied by a reasoned statement that explains the criteria and standards considered relevant, states the relevant contested facts relied upon, and explains the rationale for the decision based on the applicable provisions of the comprehensive plan, relevant ordinance and statutory provisions, pertinent constitutional principles and factual information contained in the record.

(c3) It is the intent of the legislature that decisions made pursuant to this chapter should be founded upon sound reason and practical application of recognized principles of law. In reviewing such decisions, the courts of the state are directed to consider the proceedings as a whole and to evaluate the adequacy of procedures and resultant decisions in light of practical considerations with an emphasis on fundamental fairness and the essentials of reasoned decision-making. Only those whose challenge to a decision demonstrates actual harm or violation of fundamental rights, not the mere possibility thereof, shall be entitled to a remedy or reversal of a decision. Every final decision rendered concerning a site-specific land use request shall provide or be accompanied by notice to the applicant regarding the applicant's right to request a regulatory taking analysis pursuant to section 67-8003, Idaho Code. An applicant denied an application or aggrieved by a final decision concerning matters identified in section 67-6521(1)(a), Idaho Code, may, within twenty-eight (28) days after all remedies have been exhausted under local ordinance, seek judicial review under the procedures provided by chapter 52, title 67, Idaho Code.

These teams are local resources that would be available to the state under a disaster declaration. Furthermore, it is the intent of the Legislature that these teams are to work under the authority of the agency having jurisdiction over the area where a response incident occurs. The creation of these teams assists the state in meeting the Federal Emergency Management Agency's strategic goals for disaster preparedness.

at all hazard type incidents. These teams may initially manage larger, more complex incidents prior to arrival of and transition to a type 2 or type 1 incident management team (IMT) under the direction of the agency having the jurisdiction.

RELATING TO THE EMPLOYMENT SECURITY LAW; AMENDING SECTION 72-1312, IDAHO CODE, TO REDUCE THE AMOUNT OF BENEFITS PAID IN A COMPENSABLE WEEK BY THE AMOUNT EQUAL TO TEMPORARY DISABILITY BENEFITS RECEIVED UNDER A WORKER'S COMPENSATION LAW OF ANY STATE OR UNDER A SIMILAR LAW OF THE UNITED STATES AND TO MAKE TECHNICAL CORRECTIONS; AND AMENDING SECTION 72-1351, IDAHO CODE, TO PROVIDE THAT NO CHARGE SHALL BE MADE TO A COVERED EMPLOYER'S ACCOUNT FOR BENEFITS PAID TO A WORKER WHO TURNS DOWN AN OFFER OF SUITABLE WORK BECAUSE OF PARTICIPATION IN AN APPROVED JOB TRAINING PROGRAM AND TO MAKE A TECHNICAL CORRECTION.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 72-1312, Idaho Code, be, and the same is hereby amended to read as follows:
72-1312. COMPENSABLE WEEK. "Compensable week" means a week of unem-
ployment, all of which occurred within the benefit year, for which an eli-
gible claimant is entitled to benefits and during which:
(1) The claimant had either no work or less than full-time work; and
(2) No benefits have been paid to the claimant; and
(3) The claimant complied with all of the personal eligibility condi-
tions of section 72-1366, Idaho Code; and
(4) The total wages payable to the claimant for less than full-time
work performed in such week amounted to less than one and one-half (1 1/2)
times his weekly benefit amount; provided, however, that any benefits which
a claimant receives for any week shall be reduced by:
(a) An amount equal to the amount received as pension, retirement pay,
anuity, or any other similar payment which is based on the previous
work of such individual which is reasonably attributable to such week,
if the payment is made under a plan maintained or contributed to by the
base period employer and the claimant has made no contributions to the
plan;
(b) An amount equal to temporary disability benefits received under
a worker's compensation law of any state or under a similar law of the
United States; and
(5) All of which occurred after a waiting week as defined in section
72-1329, Idaho Code.

SECTION 2. That Section 72-1351, Idaho Code, be, and the same is hereby
amended to read as follows:

72-1351. EXPERIENCE RATING AND VOLUNTARY TRANSFERS OF EXPERIENCE RAT-
ING ACCOUNTS. (1) Subject to the other provisions of this chapter, each eli-
gible and deficit employer's, except cost reimbursement employers, taxable
wage rate shall be determined in the manner set forth below for each calendar
year:
(a) (i) Each eligible employer shall be given an "experience factor"
which shall be the ratio of excess of contributions over benefits
paid on the employer's account since December 31, 1939, to his
average annual taxable payroll rounded to the next lower dollar
amount for the four (4) fiscal years immediately preceding the
computation date, except that when an employer first becomes
eligible, his "experience factor" will be computed on his average
annual taxable payroll for the two (2) fiscal years or more, but
not to exceed four (4) fiscal years, immediately preceding the
computation date. The computation of such "experience factor"
shall be to six (6) decimal places.
(ii) Each deficit employer shall be given a "deficit experience
factor" which shall be the ratio of excess of benefits paid on the
employer's account over contributions since December 31, 1939, to
his average annual taxable payroll rounded to the next lower dol-
lar amount for one (1) or more fiscal years, but not to exceed four (4)
fiscal years, for which he had covered employment ending on the
computation date; provided, however, that any employer who on any
computation date has a "deficit experience factor" for the period
immediately preceding such computation date but who has filed all
reports, paid all contributions and penalties due on or before the
cut-off date, and has during the last four (4) fiscal years paid
contributions at a rate of not less than the standard rate appli-
cable for each such year and in excess of benefits charged to his
experience rating account during such years, shall have any bal-
ance of benefits charged to his account which on the computation
date immediately preceding such four (4) fiscal years were was in
excess of contributions paid, deleted from his account, and the
excess benefits so deleted shall not be considered in the computation of his taxable wage rate for the rate years following such four (4) fiscal years. For the rate year following such computation date, he shall be given the standard rate for that year.

(iii) In the event an employer's coverage has been terminated because he has ceased to do business or because he has not had covered employment for a period of four (4) years, and if said employer thereafter becomes a covered employer, he will be considered as though he were a new employer, and he shall not be credited with his previous experience under this chapter for the purpose of computing any future "experience factor."

(b) Schedules shall be prepared listing all eligible employers in inverse numerical order of their experience factors, and all deficit employers in numerical order of their deficit experience factors. There shall be listed on such schedules for each such employer in addition to the experience factor: (i) the amount of his taxable payroll for the fiscal year ending on the computation date, and (ii) a cumulative total consisting of the sum of such employer's taxable payroll for the fiscal year ending on the computation date and the corresponding taxable payroll for all other employers preceding him on such schedules.

(c) The cumulative taxable payroll amounts listed on the schedules provided for in paragraph (b) of this subsection shall be segregated into groups whose limits shall be those set out in the table provided in section 72-1350(7), Idaho Code. Each of such groups shall be identified by the rate class number listed in the table which represents the percentage limits of each group. Each employer on the schedules shall be assigned a taxable wage rate in accordance with section 72-1350, Idaho Code.

(d) (i) If the grouping of rate classes requires the inclusion of exactly one-half (1/2) of an employer's taxable payroll, the employer shall be assigned the lower of the two (2) rates designated for the two (2) classes in which the halves of his taxable payroll are so required.

(ii) If the group of rate classes requires the inclusion of a portion other than exactly one-half (1/2) of an employer's taxable payroll, the employer shall be assigned the rate designated for the class in which the greater part of his taxable payroll is so required.

(iii) If one (1) or more employers on the schedules have experience factors identical to that of the last employer included in a particular rate class, all such employers shall be included in and assigned the taxable wage rate specified for such class, notwithstanding the provisions of paragraph (c) of this subsection.

(e) If the taxable payroll amount or the experience factor or both such taxable payroll amount and experience factor of any eligible or deficit employer listed on the schedules is changed, the employer shall be placed in that position on the schedules which he would have occupied had his taxable payroll amount and/or experience factor as changed been used in determining his position in the first instance, but such change shall not affect the position or rate classification of any other employer listed on the schedules and shall not affect the rate determination for previous years.

(2) For experience rating purposes, all previously accumulated benefit charges to covered employers' accounts, except cost reimbursement employers, shall not be changed except as provided in this chapter. Benefits paid prior to June 30 shall, as of June 30 of each year preceding the calendar year for which a covered employer's taxable wage rate is effective, be charged to the account of the covered employer, except cost reimbursement employers, who paid the largest individual amount of base period wages as shown on the
determination used as the basis for the payment of such benefits, except that no charge shall be made to the account of such covered employer with respect to benefits paid under the following situations:

(a) If paid to a worker who terminated his services voluntarily without good cause attributable to such covered employer, or who had been discharged for misconduct in connection with such services;

(b) If paid in accordance with the provisions of section 72-1368(10), Idaho Code, and the decision to pay benefits is subsequently reversed;

(c) For that portion of benefits paid to multistate claimants pursuant to section 72-1344, Idaho Code, which exceeds the amount of benefits that would have been charged had only Idaho wages been used in paying the claim;

(d) If paid in accordance with the extended benefit program triggered by either national or state indicators;

(e) If paid to a worker who continues to perform services for such covered employer without a reduction in his customary work schedule, and who is eligible to receive benefits due to layoff or a reduction in earnings from another employer;

(f) If paid to a worker who turns down an offer of suitable work because of participation in a job training program pursuant to the requirements of section 72-1366(8), Idaho Code.

(3) A covered employer whose experience rating account is chargeable, as prescribed by this section, is an interested party as defined in section 72-1323, Idaho Code. A determination of chargeability shall become final unless, within fourteen (14) days after notice as provided in section 72-1368(5), Idaho Code, an appeal is filed by an interested party with the department in accordance with the department's rules.

(4) An experience rating record shall be maintained for each covered employer. The record shall be credited with all contributions which the covered employer has paid for covered employment prior to the cut-off date, pursuant to the provisions of this and preceding acts, and which covered employment occurred prior to the computation date. The record shall also be charged with the amount of benefits paid which are chargeable to the covered employer's account as provided by the appropriate provisions of the employment security law and regulations thereunder in effect at the time such benefits were paid. Nothing in this section shall be construed to grant any covered employer or individual in his service a priority with respect to any claim or right because of amounts paid by such covered employer into the employment security fund.

(5) (a) Whenever any individual or type of organization, whether or not a covered employer within the meaning of section 72-1315, Idaho Code, in any manner succeeds to, or acquires all or substantially all, of the business of an employer who at the time of acquisition was a covered employer, and in respect to whom the director finds that the business of the predecessor is continued solely by the successor, the separate experience rating account of the predecessor shall, upon the joint application of the predecessor and the successor within the one hundred eighty (180) days after such acquisition and approval by the director, be transferred to the successor employer for the purpose of determining such successor's liability and taxable wage rate and any successor who was not an employer on the date of acquisition shall as of such date become a covered employer as defined in this chapter. Such one hundred eighty (180) day period may be extended at the discretion of the director.

(b) Whenever any individual or type of organization, whether or not a covered employer within the meaning of section 72-1315, Idaho Code, in any manner succeeds to, or acquires, part of the business of an employer who at the time of acquisition was a covered employer, and such portion of the business is continued by the successor, so much of the separate
experience rating account of the predecessor as is attributable to the portion of the business transferred, as determined on a pro rata basis in the same ratio that the wages of covered employees properly allocable to the transferred portion of the business bears to the payroll of the predecessor in the last four (4) completed calendar quarters immediately preceding the date of transfer, shall, upon the joint application of the predecessor and the successor within one hundred eighty (180) days after such acquisition and approval by the director, be transferred to the successor employer for the purpose of determining such successor's liability and taxable wage rate and any successor who was not an employer on the date of acquisition shall as of such date become a covered employer as defined in this chapter. Such one hundred eighty (180) day period may be extended at the discretion of the director.

(c)  (i) If the successor was a covered employer prior to the date of the acquisition of all or a part of the predecessor's business his taxable wage rate, effective the first day of the calendar quarter immediately following the date of acquisition, shall be a newly computed rate based on the combined experience of the predecessor and successor, the resulting rate remaining in effect the balance of the rate year.

(ii) If the successor was not a covered employer prior to the date of the acquisition of all or a part of the predecessor's business, his rate shall be the rate applicable to the predecessor with respect to the period immediately preceding the date of acquisition, but if there were more than one (1) predecessor the successor's rate shall be a newly computed rate based on the combined experience of the predecessors, becoming effective immediately after the date of acquisition, and shall remain in effect the balance of the rate year.

(d) For purposes of this section, an employer's experience rating account shall consist of the actual contribution, benefit and taxable payroll experience of the employer and any amounts due from the employer under this chapter. When a transferred experience rating account includes amounts due from the employer under this chapter, both the predecessor employer and the successor employer shall be jointly and severally liable for those amounts.

42-3207. HEARINGS ON PETITIONS -- ELECTION FOR ORGANIZATION AND DIRECTORS. On the day fixed for such hearing or at any adjournment thereof the court shall ascertain from the tax rolls of the county or counties in which the district is located or into which it extends, the total number of taxpayers within the proposed district, who pay a general tax on real property owned by him or her within the district.

If the court finds that no petition has been signed and presented in conformity with this chapter, or that the material facts are not as set forth in the petition filed, it shall dismiss said proceedings and adjudge the costs against the signers of the petition in such proportion as it shall deem just and equitable. No appeal or writ of error shall lie from an order dismissing said proceedings; but nothing herein shall be construed to prevent the filing of a subsequent petition or petitions for similar improvements or for
a similar district, and the right so to renew such proceedings is hereby express- 
ly granted and authorized.

Any time after the filing of the petition for the organization of a dis- 

trect and before the day fixed for the hearing thereon, the owner or owners of 

any real property within the proposed district may file a petition with the 

court stating reasons why said property should not be included therein, why 

his land or any part thereof will not be benefited by the proposed district, 

or should not be embraced in said district and made liable to taxation there- 

for, and praying that said property be excluded therefrom. Such petition 

shall be duly verified and shall describe the property sought to be excluded. 

The court shall conduct a hearing on said petition and shall hear all objec- 

tions to the inclusion in the district of any lands described in said peti- 

tion. In case any owner of real estate included in said proposed district 

shall satisfy the court that his real estate, or any part thereof, has been 

wrongfully included therein or will not be benefited thereby then the court 

shall exclude such real estate as will not be benefited.

Upon said hearing, if it shall appear that a petition for the organiza- 

tion of a district has been signed and presented as hereinabove provided, in 

conformity with this chapter, and the allegations of the petition are true, 

the court shall, by order duly entered of record, direct that the question of 

the organization of the district shall be submitted to the qualified elec- 

tors of the district at an election to be held, subject to the provisions of 

section 34-106, Idaho Code, for that purpose, and such order shall appoint 

three (3) qualified electors of the district as judges of said election. The 

clerk of the court having jurisdiction shall give published notice of the 

time and place of an election to be held in the district in accordance with 

the provisions of section 34-1406, Idaho Code.

Such election shall be held and conducted in the same manner as general 

elections in conformity with the general election in this state, including 

chapter 14, title 34, Idaho Code, except that the court shall establish as 

many election precincts within such proposed district as are deemed neces- 

sary, and shall define the boundaries thereof, which precincts and bound- 

aries may thereafter be changed by the board of directors of such district if 

so organized. Such court, and thereafter the board of directors of such dis- 

trect, if so organized, shall appoint three (3) judges of election, one (1) 

of whom shall act as clerk for such election precinct county commissioners if 

the district is organized.

At any time after the filing of the petition herein referred to and be- 

tore the day fixed for hearing, nominees for the board of directors of the 

district may be nominated by the filing of a petition designating the name or 

names of the nominee or nominees, signed by at least five (5) qualified elec- 

tors of the district. If upon the hearing as herein provided the court shall 

order an election for the creation of the district, the court shall also as- 

certain the names of persons nominated by the board of directors, and shall 

order that the names of persons whom the court finds to have been properly 

nominated shall be listed upon a ballot submitted to the electors at such 

election. In the event the court makes its order providing for such elec- 

tion, it shall prescribe the form of the question and ballot relating to the 

creation of the district, and also the form of the ballot relating to the 

election of the directors; provided that all matters may be contained upon 

one (1) ballot to be submitted to the voters.

At such election the voters shall vote for or against the organization 

of the district, and for five (5) qualified electors, who shall constitute 

the board of directors of the district, if organized, one (1) director to act 

until the first biennial election, two (2) until the second, and two (2) un- 

til the third biennial election.

The judges of election shall certify the returns of the election to the 

district court having jurisdiction. If a majority of the votes cast at said 

election are in favor of the organization, the district court shall declare
the district organized and give it a corporate name by which, in all proce-
dings, it shall thereafter be known, and designated the first board of direc-
tors elected, and thereupon the district shall be a governmental subdivision
of the state of Idaho and a body corporate with all the powers of a public or
quasi-municipal corporation.

If an order be entered establishing the district, such order shall be
deemed final and no appeal or writ of error shall lie therefrom, and the entry
of such order shall finally and conclusively establish the regular organiza-
tion of the said district against all persons except the state of Idaho, in
an action in the nature of a writ of quo warranto, commenced by the attorney
general within thirty (30) days after said decree declaring such district

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 56-1401, Idaho Code, be, and the same is hereby amended to read as follows:

56-1401. SHORT TITLE -- LEGISLATIVE INTENT. (1) This chapter shall be known and may be cited as the "Idaho Hospital Assessment Act."

(2) It is the intent of the legislature to encourage the maximization of financial resources eligible and available for medicaid services by establishing a fund within the Idaho department of health and welfare to receive private hospital assessments to use in securing federal matching funds under federally prescribed upper payment limit and disproportionate share hospital programs and to maximize reimbursement for allowable costs available through the state medicaid plan.

(3) It is also the intent of the legislature to assess private hospitals to maintain adequate state trustee and benefit funds.

SECTION 3. That Section 56-1403, Idaho Code, be, and the same is hereby amended to read as follows:

56-1403. HOSPITAL ASSESSMENT FUND ESTABLISHED. (1) There is hereby created in the office of the state treasurer a dedicated fund to be known as the hospital assessment fund, hereinafter "fund," to be administered by the department of health and welfare, hereinafter "department." The state treasurer shall invest idle moneys in the fund and any interest received on those investments shall be returned to the fund.
(2) Moneys in the fund shall consist of:
(a) All moneys collected or received by the department from hospital assessments required by this chapter;
(b) All federal matching funds received by the department as a result of expenditures made by the department that are attributable to moneys deposited in the fund;

(c) Payments of administrative expenses incurred by the department or its agent in performing the activities authorized by this chapter;
(d) Payments made to the federal government to repay excess payments made to hospitals from the fund if the assessment plan is deemed out of compliance and after the state has appealed the findings. Hospitals shall refund the payments in question to the assessment fund. The state in turn shall return funds to both the federal government and hospital providers in the same proportion as the original financing. Individual hospitals shall be reimbursed based on the proportion of the individual hospital's assessment to the total assessment paid by all hospitals. If a hospital is unable to refund payments, the state shall develop a payment plan and deduct money from future Medicaid payments;

(e) Transfers to any other fund in the state treasury, provided such transfers shall not exceed the amount transferred previously from that other fund into the hospital assessment fund; and

(f) Making refunds to hospitals pursuant to section 56-1410, Idaho Code;

(h) Provide state matching funds for department Medicaid trustee and benefit expenditures to the extent that a general fund shortfall exists or as limited by the maximum assessment as set forth in section 56-1404(4), whichever is less.

SECTION 4. That Section 56-1404, Idaho Code, be, and the same is hereby amended to read as follows:

56-1404. ASSESSMENTS. (1) All hospitals, except those exempted under section 56-1408, Idaho Code, shall make payments to the fund in accordance with this chapter. Subject to section 56-1410, Idaho Code, an annual assessment on both inpatient and outpatient services is determined for each qualifying hospital for each state fiscal year 2009, 2010 and 2011, in an amount calculated by multiplying the rate, as set forth in subsections (2)(b), and (3)(b) and (4)(b) of this section, by the assessment base, as set forth in subsection (56) of this section.

(2) (a) The department shall calculate the private hospital upper payment limit gap for both inpatient and outpatient services. The upper payment limit gap is the difference between the maximum allowable payments eligible for federal match, less Medicaid payments not financed using hospital assessment funds. The upper payment limit gap shall be calculated separately for hospital inpatient and outpatient services. Medicaid disproportionate share payments shall be excluded from the calculation.

(b) The department shall calculate the upper payment limit assessment rate for each state fiscal year 2009, 2010 and 2011 to be the percentage that, when multiplied by the assessment base as defined in subsection (56) of this section, equals the upper payment limit gap determined in paragraph (a) of this subsection.

(3) (a) The department shall calculate the disproportionate share allotment amount to be paid to private in-state hospitals.

(b) The department shall calculate the disproportionate share assessment rate for private in-state hospitals to be the percentage that, when multiplied by the assessment base as defined in subsection (56) of this section, equals the amount of state funding necessary to pay the private in-state hospital disproportionate share allotment determined in paragraph (a) of this subsection.

(4) (a) The department shall calculate the restoration of costs amount and the amount to maintain adequate state trustee and benefit funds.

(b) The department shall calculate the assessment rate for restoring allowable costs to private in-state hospitals and to maintain adequate state trustee and benefit funds to be the percentage that, when multiplied by the assessment base as defined in subsection (6) of this sec-
tion, equals the amount of state funding necessary to pay the allowable costs and to maintain the state trustee and benefit funds determined in paragraph (a) of this subsection.

(5) For private in-state hospitals, the assessments calculated pursuant to subsections (2), (3) and (4) of this section shall not be greater than two and one-half percent (2.5%) of the assessment base as defined in subsection (56) of this section.

(56) The assessment base shall be the hospital's net patient revenue for the applicable period. "Net patient revenue" for state fiscal year 2010 shall be determined using the most recent data available from each hospital's fiscal year 20045 medicare cost report on file with the department on June 30, 20049, without regard to any subsequent adjustments or changes to such data. Net patient revenue for each state fiscal year 2010 thereafter shall be determined in the same manner using the most recent data available a rolling yearly schedule for each hospital's fiscal year 2005 medicare cost report on file with the department on June 30, 2009 of each subsequent year, without regard to any subsequent adjustments or changes to such data. Net patient revenue for state fiscal year 2011 shall be determined using the most recent data available from each hospital's fiscal year 2006 medicare cost report on file with the department on June 30, 2010, without regard to any subsequent adjustments or changes to such data.

SECTION 5. That Section 56-1406, Idaho Code, be, and the same is hereby amended to read as follows:

56-1406. INPATIENT AND OUTPATIENT ADJUSTMENT UPPER PAYMENTS LIMIT DISTRIBUTIONS. All hospitals, except those exempted under section 56-1408, Idaho Code, shall be eligible for inpatient and outpatient adjustments as follows:

(1) For state fiscal year 2009, the inpatient upper payment limit gap for private hospitals shall be divided by medicaid inpatient days for the same hospitals from calendar year 2007 to establish an average per diem adjustment rate. Each hospital shall receive an annual payment distribution that is equal to the average per diem adjustment rate multiplied by the hospital's calendar year 2007 medicaid inpatient days. For purposes of this section, "hospital medicaid inpatient days" are days of inpatient hospitalization paid for by the Idaho medical assistance program for the applicable calendar year. For fiscal year 2010, calendar year 2008 inpatient hospital medicaid days shall be utilized to determine the hospital inpatient adjustment upper payment limit distributions. For state fiscal years 2011, 2012 and 2013, calendar years 2009, 2010 and 2011 hospital medicaid inpatient days shall be utilized respectively to determine the hospital inpatient adjustment upper payment limit distributions. In the event that either the inpatient upper payment limit gap for private hospitals or the available hospital assessment funding is lower than anticipated, the department shall apply an across-the-board factor such that the inpatient upper payment adjustments limit distributions are maximized, financed entirely from hospital assessment funding, and do not exceed the Idaho inpatient upper payment limit for private hospitals. Payment Distributions shall be made no later than thirty (30) days after the receipt of the last deposit of the hospital assessment required in section 56-1404, Idaho Code.

(2) For state fiscal year 2009, the outpatient upper payment limit gap for private hospitals shall be divided by medicaid outpatient hospital reimbursement for the same hospitals from calendar year 2007 to establish an average percentage adjustment rate. Each hospital, except those exempt under section 56-1408, Idaho Code, shall receive an annual payment distribution that is equal to the average percentage adjustment rate multiplied by the hospital's calendar year 2007 hospital medicaid outpatient reimbursement. For purposes of this section, "hospital outpatient reimbursement" is
reimbursement for hospital outpatient services paid for by the Idaho medical assistance program for the applicable calendar year. For state fiscal year 2010, calendar year 2008 hospital medicaid outpatient reimbursement shall be utilized to determine the outpatient hospital adjustment upper payment limit distribution. For state fiscal year 2011, calendar year 2009 hospital medicaid outpatient reimbursement shall be utilized to determine the outpatient hospital adjustment upper payment limit distributions. In the event that either the outpatient upper payment limit gap for private hospitals or the available hospital assessment funding is lower than anticipated, the department shall apply an across-the-board factor, such that outpatient adjustment payments are maximized, financed entirely from hospital assessment funding, and do not exceed the Idaho outpatient upper payment limit for private hospitals. Payments shall be made no later than thirty (30) days after the receipt of the last deposit of the hospital assessments required in section 56-1404, Idaho Code.

SECTION 6. That Sections 56-1401, 56-1402, 56-1403, 56-1404 and 56-1406, Idaho Code, be, and the same are hereby repealed.

SECTION 7. That Chapter 14, Title 56, Idaho Code, be, and the same is hereby amended by the addition thereto of NEW SECTIONS, to be known and designated as Sections 56-1401, 56-1402, 56-1403, 56-1404 and 56-1406, Idaho Code, and to read as follows:

(i) The exemption review shall consist of a review of any documents relating to the disciplinary action that resulted in the license revocation and any supplemental information provided by the applicant bearing upon his suitability for licensure. The commission may, at its discretion, grant an interview of the applicant.

Upon receipt of any such process or notice, the executive director shall immediately mail a copy of the same by certified mail to the last known address of the licensee. All licensees shall provide the commission a full and current mailing address and shall notify the commission in writing of any change in mailing address within ten (10) business days of the change;
(1) If licensing as an active salesperson or associate broker, provide the name and physical address of the main business location of the designated broker with whom the applicant will be licensed, and the signature of that broker; or, if licensing as a designated broker, provide the name and physical address of the main business location. In addition, such applicant shall provide a current, certified license history from the other licensing state or jurisdiction, which history shall indicate any disciplinary action taken against the applicant's license by the other licensing state or jurisdiction, and the status and standing of the applicant's license in the other state or jurisdiction.

(2) An individual who holds an active license in good standing in another state or jurisdiction may, upon written request to the commission, obtain a certificate of waiver of the national portion of the exam required for Idaho licensure. The certificate of waiver shall be submitted with the application for exam as provided in subsection (3) of section 54-2014, Idaho Code.

(3) An individual who is currently and actively licensed in another state or jurisdiction that administers a real estate exam may be issued a primary Idaho license without further exam or proof of educational prerequisites pursuant to written agreement between Idaho and the other state or jurisdiction, provided that such other state or jurisdiction allows the issuance of real estate licenses in substantially the same manner as set forth in this subsection; provided however, an individual applying to be
licensed as a designated broker of a business entity or sole proprietorship, or as a branch office manager of a licensed branch office, shall comply with the requirements of section 54-2016, Idaho Code, notwithstanding the terms of the agreement.

SECTION 3. That Section 54-2026, Idaho Code, be, and the same is hereby amended to read as follows:

54-2026. CERTIFICATION OF COURSE PROVIDERS. (1) Degree-granting institutions. Degree-granting, accredited colleges and universities in any state or jurisdiction shall be deemed to be approved course providers in Idaho. However, course content must still be approved for the real estate education course to receive credit toward prelicense or continuing education licensing requirements in Idaho.

(2) Other course providers. All other course providers desiring to offer real estate courses for credit toward Idaho prelicense or continuing education requirements must first meet the following qualifications and receive certification. Each applicant seeking certification as a course provider shall comply with the following:

(a) File an application for certification in the form and manner required by the commission, along with proper fees, at least two (2) months prior to contemplated date of opening or first accredited course offering;

(b) Designate a "director" or "individual in charge," who shall be responsible for the course provider's operation and its real estate courses, and with whom the commission may communicate. Unless this requirement is waived upon special review of the commission in the manner stated below, the individual in charge must not have had a real estate or other professional or occupational license suspended or revoked for disciplinary reasons or have been refused a renewal of a license issued by the state of Idaho or any other state or jurisdiction. The designated individual in charge must not have been convicted, issued any fine, placed on probation, received a withheld judgment, or completed any sentence of confinement for or on account of any felony or a misdemeanor involving fraud, misrepresentation, or dishonest or dishonorable dealing in a court of proper jurisdiction. The failure of the provider to have in place a designated individual meeting the qualifications required by this subsection shall be grounds for the commission to withdraw or cancel the provider's certificate as provided in section 54-2025(3), Idaho Code;

(c) File a properly executed "irrevocable consent to service of process" in the manner and form prescribed by the commission and in substantial accordance with section 54-2012(1)(jk), Idaho Code. The commission, in its discretion, may make such additional investigation and inquiry relative to the applicant for provider certification as it deems advisable and, if good cause exists, may deny or accept the application for certification.

SECTION 4. That Section 54-2033, Idaho Code, be, and the same is hereby amended to read as follows:

54-2033. INSTRUCTOR QUALIFICATIONS. (1) Qualified instructors at degree-granting institutions. A qualified or full-time instructor or professor of an accredited college or university in any state or jurisdiction and who teaches real estate-related courses is deemed to be an approved instructor of such courses, in Idaho, for the purposes of this chapter.

(2) Other instructor applicants. All other individuals wishing to teach any real estate courses for credit toward Idaho prelicense requirements, including the business conduct and office operations course, or the
commission continuing education core course requirements must first meet the following additional qualifications and receive separate certification for each course to be taught:

(a) Unless this requirement is waived upon special review of the commission in the manner stated below, no individual instructor seeking certification may have had a real estate or other professional or occupational license suspended or revoked for disciplinary reasons or have been refused a renewal of a license issued by the state of Idaho or any other state or jurisdiction. Further, the individual may not have been convicted, issued any fine, placed on probation, received a withheld judgment, or completed any sentence of confinement for or on account of any felony, or any misdemeanor involving fraud, misrepresentation, or dishonest or dishonorable dealing, in a court of proper jurisdiction. The failure of a certified instructor to maintain the qualifications required by this subsection shall be grounds for the commission to withdraw or cancel the instructor's certificate as provided in section 54-2025(3), Idaho Code.

(b) Each applicant for certification shall also:

(i) Submit a completed application for instructor certification in the form and manner required by the commission, with all required fees;

(ii) File an executed "irrevocable consent to service of process" in the manner and form prescribed by the commission and according to section 54-2012(1)(j)(k), Idaho Code;

(iii) Qualify as at least one (1) of the following:

1. An attorney at law actively licensed in any state or jurisdiction with at least five (5) years of active practice in the areas of study proposed to be taught, and who has also successfully completed a commission-approved instructor training course or procedure, including an assistant teaching period;

2. An individual currently approved or certified and in good standing as a real estate instructor for the same or similar course material in any other state or jurisdiction;

3. An individual who is appointed to teach a nationally recognized real estate course which is generally accepted in other states or jurisdictions; or

4. An individual with at least five (5) years active real estate-related experience who has also successfully completed a commission-approved instructor training procedure, including an assistant teaching period.

(3) Instructor teaching standards. An instructor certified to teach any real estate course for credit toward the requirements of this chapter shall comply with the minimum teaching standards established by the commission. A certified instructor shall not teach the course in a manner that is detrimental to the purpose of educating licensees.

Approved March 31, 2010.

RELATING TO IDAHO REAL ESTATE LICENSE LAW; AMENDING SECTION 54-2011, IDAHO CODE, TO REMOVE REFERENCE TO A RECIPROCAL IDAHO REAL ESTATE LICENSE AND TO MAKE A TECHNICAL CORRECTION; AMENDING SECTION 54-2016, IDAHO CODE, TO REMOVE OBSOLETE LANGUAGE RELATING TO SALESPERSONS ACTING AS BRANCH
MANAGERS ON JULY 1, 2005, AND TO MAKE TECHNICAL CORRECTIONS; AMENDING SECTION 54-2027, IDAHO CODE, TO REVISE REQUIREMENTS RELATING TO COURSE COMPLETION LISTS SUBMITTED TO THE COUNCIL OR COMMISSION BY A COURSE PROVIDER; AMENDING SECTION 54-2036, IDAHO CODE, TO REMOVE REFERENCE TO A NATIONAL ASSOCIATION OF REAL ESTATE LICENSE LAW OFFICIALS AND TO MAKE A TECHNICAL CORRECTION; AND AMENDING SECTION 54-2093, IDAHO CODE, TO REMOVE REFERENCE TO A SUBAGENT AND TO PROVIDE CORRECT TERMINOLOGY.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 54-2011, Idaho Code, be, and the same is hereby amended to read as follows:

54-2011. TYPES OF LICENSES. The commission may issue a primary or renewed Idaho real estate license to any individual, sole proprietorship or legal business entity in accordance with the requirements of this chapter. An individual may be licensed as a real estate salesperson, an associate broker, or a designated broker acting for a sole proprietorship or legal business entity.

SECTION 2. That Section 54-2016, Idaho Code, be, and the same is hereby amended to read as follows:

54-2016. PRIMARY IDAHO LICENSES FOR LEGAL BUSINESS ENTITIES, SOLE PROPRIETORSHIPS AND BRANCH OFFICES -- ADDITIONAL REQUIREMENTS. (1) Legal business entities. Each legal business entity, as defined in section 54-2004, Idaho Code, shall be licensed by the Idaho real estate commission to engage in the real estate business in Idaho and shall make proper application, pay all required fees and meet all requirements listed below.
   (a) Each legal business entity shall have a properly licensed individual designated broker, who shall be held responsible for the activities of the licensed entity.
   (b) The individual designated broker shall, within three (3) years immediately prior to the designation, satisfactorily complete a commission-approved business conduct and office operations course.
   (c) The individual designated broker shall also hold the following legal position within the licensed entity:
      (i) Corporation -- an officer;
      (ii) Partnership or limited partnership -- a general partner;
      (iii) Limited liability company -- a member or manager.
   The individual designated broker for any business entity shall have full authority to act on behalf of the licensed business entity and shall submit sufficient and satisfactory proof thereof with the application for license. Such proof shall include a list of the entity's officers, directors, members or managers, as reflected in the minutes, resolutions or other similar business documents of the entity. All acts of that individual as designated broker shall be considered acts of the licensed business entity. Nothing in this section is intended to create liability to a legal business entity for illegal or fraudulent acts by the individual broker performed solely on his own account.
   (d) A license issued to a legal business entity, as defined in this chapter, is effective only as long as the individual designated broker's license is in active status and in effect. If the individual so designated has a license refused, revoked, suspended or otherwise made inactive by the commission, or if the individual designated broker voluntarily surrenders the individual license or ceases to be connected with the entity in the manner required above, the business entity shall have ten (10) business days in which to designate another qualified individual as designated broker before the entity's license is terminated, and the licenses of all associated licensees are made inactive.
(e) One (1) individual may act as designated broker for more than one
(1) licensed business entity, however, all entities shall have their
main offices in the same physical location.
(f) Satisfactory proof of mandatory errors and omissions insurance
shall be provided for both the individual designated broker and the
licensed business entity.
(g) A legal business entity doing business under an assumed name shall
provide satisfactory proof of having legally filed a certificate of as­
sumed name with the Idaho secretary of state.
(2) Sole proprietorships. An individual designated broker not li­
censed with a legal business entity, as defined in section 54-2004, Idaho
Code, shall be licensed as a sole proprietor. Each sole proprietorship
seeking a real estate license shall meet all of the following require­
ments:
(a) A licensed sole proprietor doing business under an assumed busi­
ness name shall provide satisfactory proof of having legally filed a
certificate of assumed name with the Idaho secretary of state;
(b) Satisfactory proof of mandatory errors and omissions insurance
shall be provided for the licensed designated broker of a sole propri­
etership;
(c) The individual designated broker shall have satisfactorily com­
pleted a commission-approved business conduct and office operations
course within three (3) years immediately prior to the application for
license.
(3) Multiple business names prohibited. A legal business entity or
sole proprietorship shall be licensed under only one (1) business name.
(4) Branch offices. Each branch office in which trust funds and origi­
nal transaction files are maintained shall be separately licensed in ac­
cordance with the following:
(a) The designated broker establishing the branch office shall submit
an application, along with the required fee for the issuance or renewal
of the branch office license.
(b) The designated broker shall designate in the application a branch
manager, who shall be an associate broker and who, within three (3)
years immediately prior to the designation, shall have completed a
commission-approved business conduct and office operations course, to
regularly occupy and be responsible for the supervision of the branch
office. Any salesperson acting as a branch manager on July 1, 2005,
shall have until July 1, 2006, to obtain an associate broker's license.
When a branch manager is a regular full-time employee or is engaged in
a full-time activity at a location other than the place he is licensed
to do business, a presumption will be made that the branch manager
is unable to responsibly supervise the branch; provided however, the
presumption may be overcome by evidence to the contrary which the
commission determines to be satisfactory.
(c) A branch manager shall not be licensed to manage more than one (1)
branch office at a time.
(d) A license issued to a branch office is valid and in effect only as
long as the license of the designated broker remains in active status.
(e) No separate branch office license or manager is required for busi­
ness locations other than the main office unless trust funds or original
transaction records are kept at the branch.
(f) If a separate real estate trust account is maintained for a branch
office, all records and related files for that account shall be main­
tained at the branch office.
(g) Each branch office or business location, whether separately li­
censed or not, shall conduct business only in the licensed name of the
legal entity or sole proprietor.
SECTION 3. That Section 54-2027, Idaho Code, be, and the same is hereby amended to read as follows:

54-2027. DUTIES AND REQUIREMENTS OF ALL CERTIFIED COURSE PROVIDERS. Failure of a certified course provider to comply with the following duties and requirements shall be grounds for the commission to withdraw or cancel the provider's certification for cause.

(1) Discrimination prohibited. Each certified course provider shall at all times be in compliance with state and federal laws, rules and regulations regarding all aspects of equal opportunity and protection of civil rights. No course provider shall engage in discriminatory practices, nor allow their course instructor, or method of delivery to violate laws prohibiting discrimination. Each course provider will fully comply with any requirements of the Americans with Disabilities Act regarding access to and delivery of its courses, including the provision of accessible facilities and reasonable accommodations for students.

(2) Open access to course offerings. Registration and attendance at all certified courses offered for credit toward the education requirements of this chapter shall be open to all persons meeting normal course prerequisites; provided however, a certified course provider located in or affiliated with a licensed real estate brokerage company or professional association may refuse access to any licensee or unlicensed person based on that licensee's or unlicensed person's affiliation with another organization or brokerage company, or the licensee's or unlicensed person's membership status in any professional organization unless such course provider has received financial support from the commission for its particular course offering. Nothing in this section shall restrict a course provider from charging a separate and reasonable course fee to nonaffiliated or nonmember licensees or unlicensed persons.

(3) Disclosure of fees. All fees charged to a student by a course provider shall be specified separately in writing. If additional fees are charged for supplies, materials or books required for coursework, such fees shall be itemized by the provider and, upon payment of such fees, the supplies, materials or books shall become the property of the student. All fees and the manner in which they are to be paid shall be stated in a student contract, in a form approved by the commission. The student contract shall expressly include the provider's policy regarding the return of fees in the instance where the student is dismissed or voluntarily withdraws from the course.

(4) Facilities and supportive personnel. The provider shall provide the facilities and all supportive qualified personnel or approved proctors necessary to adequately implement its real estate program.

(5) Student records and other requirements. Each Idaho certified course provider shall comply with the following requirements:

(a) Records. For each individual student, create and retain for a period of five (5) years, a complete, accurate and detailed record which shall include the total number of hours of instruction undertaken and satisfactorily or unsatisfactorily completed in the area of study;

(b) Course completion lists. Within five (5) working days after conclusion of each course of instruction, the provider shall submit to the council or commission, in the form and manner designated by the commission, an alphabetical list which shall include the names, addresses, and social security numbers or, if licensed, the license numbers, of the students completing the course of instruction, the name of the course, the name of the instructor, the number of hours included in the course, the date of the course and the location. The list shall be certified by the instructor from whom the students received instruction and an authorized representative of the provider;
(c) Grades. The provider will provide written notification to students who successfully or unsuccessfully complete a course within thirty (30) days of the course completion date;

(d) Evaluations. Upon the conclusion of each course, the provider shall collect written evaluations from students for the course and instructor, using an evaluation form approved by the commission. The provider shall keep such evaluations for a period of one (1) year from the course completion date. Upon written request from the commission, the provider shall submit either the student evaluations for the course and instructor, or a written summary of those evaluations using a form approved by the commission.

(e) Course schedules. Each provider shall submit schedules of courses and instructors as requested by the commission and submit changes promptly as they occur. Whenever there is a change in a course including, but not limited to, a change in curriculum, course length or instructor, the provider shall promptly notify the commission in writing of the change.

(6) Instructors. A certified provider may offer a continuing education elective course without obtaining approval or certification for the course instructor; provided however, the provider shall take reasonable steps to ensure that the instructor is competent to teach the course and shall maintain resumes or other biographical information that documents the qualifications of the instructor. The provider shall make such documentation available to the public and commission upon written request. A course provider shall not offer for credit any course that is being taught below the minimum teaching standards established by the commission or that is being taught in a manner that is detrimental to the purpose of educating licensees.

(7) Posting and recording fees. The commission may require that course providers pay to the commission a nonrefundable posting and recording fee to defray normal expenses incurred in maintaining the certificate program. The fee amount shall be established by the commission by motion.

(8) Advertising restrictions:

(a) Providers may advertise that they are currently certified by the commission, if current certification has been approved, but no such advertising may state or imply that the provider is an agency of the commission or the council;

(b) No course provider shall provide any information to the public or to prospective students which is misleading in nature. Information is misleading when, taken as a whole, there is distinct probability that it will deceive the persons whom it is intended to influence.

(9) Changes in certification. Certification shall be granted to the particular provider for the specific ownership, provider location, and named individual in charge as designated in the application for certification. Any changes in ownership, provider location, or provider name, or named individual in charge must be submitted for approval to the commission, at least one (1) month in advance of the effective date of the proposed changes.

SECTION 4. That Section 54-2036, Idaho Code, be, and the same is hereby amended to read as follows:

(4) If a preponderance of the evidence at the adjudicatory hearing shows that the child comes within the court's jurisdiction under this chapter upon the grounds set forth in section 16-1603, Idaho Code, the court shall so decree and in its decree shall make a finding on the record of the facts and conclusions of law upon which it exercises jurisdiction over the child.

(5) Upon entering its decree the court shall consider any information relevant to the disposition of the child but in any event shall:
   (a) Place the child under protective supervision in his own home for an indeterminate period not to exceed the child's eighteenth birthday; or
   (b) Vest legal custody in the department or other authorized agency subject to residual parental rights and subject to full judicial review by the court of all matters relating to the custody of the child by the department or other authorized agency.

(6) If the court vests legal custody in the department or other authorized agency, the court shall make detailed written findings based on facts in the record, that, in addition to the findings required in subsection (4) of this section, continuation of residence in the home would be contrary to the welfare of the child and that vesting legal custody with the department or other authorized agency would be in the best interests of the child. In addition the court shall make detailed written findings based on facts in the record as to whether the department made reasonable efforts to prevent the placement of the child in foster care, including findings, when appropriate, that:
   (a) Reasonable efforts were made but were not successful in eliminating the need for foster care placement of the child;
   (b) The department made reasonable efforts to prevent removal but was not able to safely provide preventive services;

(7) A decree vesting legal custody in the department shall be binding upon the department and may continue until the child's eighteenth birthday.

(8) A decree vesting legal custody in an authorized agency other than the department shall be for a period of time not to exceed the child's eighteenth birthday, and on such other terms as the court shall state in its decree to be in the best interests of the child and which the court finds to be acceptable to such authorized agency.

(9) In order to preserve the unity of the family system and to ensure the best interests of the child whether issuing an order of protective supervision or an order of legal custody, the court may consider extending or initiating a protective order as part of the decree. The protective order shall be determined as in the best interests of the child and upon a showing of contin-
uening danger to the child. The conditions and terms of the protective order shall be clearly stated in the decree.

(10) If the court does not find that the child comes within the jurisdiction of this chapter pursuant to subsection (4) of this section it shall dismiss the petition.

(i) Certification that the applicant has met the commission's continuing education requirements as set forth in section 54-2023, Idaho Code;
(ii) Certification that the applicant has met the mandatory errors and omissions insurance requirement for real estate licensees as set forth in section 54-2013, Idaho Code; and
(iii) Payment of all renewal fees established by this chapter or by the commission.

(b) If renewing an inactive license, the application shall include payment of all renewal fees established by this chapter or by the commission by rule.

(3) Late renewal. If the licensee fails to submit a completed application for renewal or pay the renewal fee on or before the expiration date, the commission may accept a later application or payment of the fee, subject to
such conditions as the commission may require including, but not limited to, the assessment of a late fee; provided that between the license expiration date and the date of renewal of the license, the rights of the licensee under such license shall be expired, and during such period of expiration it shall be unlawful for any licensee to do or attempt to offer to do any of the acts of the kind and nature described in the definitions of real estate broker or real estate salesperson in section 54-2004, Idaho Code, in consideration of compensation of any kind or expectation thereof. An expired license that is not renewed within one (1) year of the expiration date shall be automatically terminated by the commission and may not be renewed.

(4) Active and inactive license status. A licensee who is a designated broker or associated with a designated broker shall hold an active license. A licensee who has paid all applicable fees, who is not associated with a designated broker and who holds a current license that is not revoked, suspended or terminated shall hold his license on inactive status. A licensee seeking to change from active license status to inactive license status shall have the broker submit a change of status application to the commission in the form and manner approved by the commission. During the period that his license is inactive, the licensee shall not engage in the business or act in the capacity of real estate broker, associate broker or salesperson. However, an inactive licensee may receive a referral fee for any referral made during the period his license was active. A licensee may activate an inactive license by meeting each of the following:

(a) If activating as a sales associate, associating with a designated Idaho broker and having the broker submit an application in the form and manner approved by the commission;
(b) If activating as a designated broker, establishing an office in the manner required by this chapter and submitting an application in the form and manner approved by the commission;
(c) Paying any required fees;
(d) Obtaining and maintaining a policy of errors and omissions insurance as required by section 54-2013, Idaho Code, and in accordance with the rules of the commission and certifying the same; and
(e) Successfully completing any continuing education requirements, as prescribed in section 54-2023, Idaho Code, and certifying the same for the current license period.

(5) Continuing education. A licensee shall not submit an application to renew a license on active status or to activate an inactive license without having obtained the continuing education credit hours required by section 54-2023, Idaho Code. A licensee who violates this subsection (5) shall be subject to disciplinary action by the commission.

(6) Time required. The commission may request satisfactory proof of continuing education compliance from any licensee who has certified to the commission that he has completed the requirement. The request shall state the time within which the proof must be received at the commission office, which time shall not be less than ten (10) business days.

(7) Satisfactory proof. Upon request from the commission, the licensee shall submit satisfactory proof of having met the continuing education requirement set forth in section 54-2023, Idaho Code. "Satisfactory proof" shall, for each course, consist of documentation:

(a) Identifying the licensee, the title of the course or challenge exam, the course certification number, the course provider, the number of classroom hours, the completion date of the course or challenge exam, and including:

(i) A transcript of the course taken;
(ii) A letter from the provider verifying successful completion of the course; or
(iii) A course completion certificate; and
(b) Identifying the course certification approval number to establish that the course is approved for continuing education credit as provided by section 54-2023, Idaho Code. The commission may, in its sole discretion, accept alternative documentation establishing that the course is approved for credit.

(8) Failure to submit proof. A licensee failing to submit satisfactory proof of completing the continuing education requirement after being requested to do so by the commission may have his license inactivated by the commission and shall not be entitled to reactivate the license unless and until he provides to the commission satisfactory proof that he meets the continuing education requirements of section 54-2023, Idaho Code. Nothing in this section shall limit the ability of the commission to investigate or discipline a licensee for violating subsection (5) of this section or for violating any other section of this chapter.

(9) Change in personal information. An individual licensee, whether active or inactive, shall provide written notice to the commission, in the form and manner approved by the commission, of any change of his personal name, address of personal residence or personal telephone number. Notice shall be provided within ten (10) days of the change. If the licensee has changed his personal name, he shall also submit legal proof of the change and, if an active licensee, he shall have the broker submit the written notice of change to the commission.

(10) Issuance of the license and effective date. A real estate license shall be deemed issued, and any requested license changes shall become effective, when the completed application, attachments, and any required fees are received at and approved by the commission. An application that is incomplete or lacking the required fees shall be returned to the applicant and no license shall be issued until a completed application and all required fees are received at and actually approved by the commission. A brokerage is not required to obtain, display or possess a physical license certificate as evidence of the individual's active licensure; however, the commission may make license certificates available for a fee as authorized by this chapter. A brokerage shall not display or otherwise make available to the public a license certificate for any individual who does not hold an active license with the brokerage.

(11) Fees nonrefundable. No licensee shall be entitled to a refund of any fee after the license or license change has become effective.

SECTION 3. That Section 54-2023, Idaho Code, be, and the same is hereby amended to read as follows:

54-2023. CONTINUING EDUCATION REQUIREMENTS. Each licensee applying to renew an Idaho real estate license on active status, and each Idaho licensee applying to change from inactive to active license status, shall successfully complete a commission core course, plus the required number of classroom hours of commission-approved or certified continuing education coursework as provided in this section.

(1) Required number of classroom hours. The required number of classroom hours is as follows:

(a) Renewing license on active status. A licensee renewing on active status must successfully complete a commission core course, plus sixteen (16) classroom hours of continuing education, on or before the current license expiration date.

(b) Change from inactive to active. Unless the licensee is within the initial licensing period, a licensee changing from inactive to active license status shall complete a commission core course, plus sixteen (16) classroom hours of continuing education, before he can change to active license status. If the inactive licensee is within his initial
licensing period, no continuing education is required to change to active license status.

(c) Credits used to reactivate license. Continuing education credit hours applied to activate an inactive license are considered "spent" and may not thereafter be applied toward the continuing education requirements for subsequent license renewal.

(2) No duplicate credit. No licensee may obtain continuing education credit for completing:

(a) Any core course curriculum for which he has previously received continuing education credit; or
(b) Any course curriculum for which he has received continuing education credit in the same license period.

(3) Excess credits. The classroom hours shall apply to the license period in which such course is completed; hours completed in excess of those required for the license period shall not accumulate or be credited for the purposes of subsequent license renewal periods.

(4) Commission-ordered education. No licensee shall obtain continuing education credit for education ordered by the commission as part of a disciplinary action.

(5) Obtaining continuing education classroom hours. In order to obtain continuing education classroom hours, a licensee must:

(a) Successfully complete a commission-approved continuing education course;
(b) Successfully complete a commission-approved continuing education challenge exam;
(c) Attend an entire regularly-scheduled meeting of the commission from the time the meeting is called to order until the meeting is adjourned or until the licensee is excused by the commission chairperson. A maximum of four (4) hours for this activity shall be credited for any one (1) meeting in any one (1) license period;
(d) Successfully complete a commission-approved broker prelicense course, or a commission-approved continuing education challenge exam, in advanced real estate study. Continuing education credit may be obtained for retaking the same broker prelicense course or challenge exam only if completed after three (3) years of completing the previous course or challenge exam; or
(e) Provide to the commission a transcript or course completion certificate of successful completion of any of the following courses without commission preapproval of the curriculum, instructors or providers:

(i) Professional designation courses. Any course developed by national professional organizations that is required in order to earn professional designations from a national organization in specialized areas of licensed real estate practice;
(ii) Courses accredited by another profession or jurisdiction. Any course approved by and offered in satisfaction of another professional or occupational licensing authority's education requirements, if the commission determines that the course is within the approved topic areas established by the commission; or
(iii) Courses offered by an accredited college or university. Any course offered in satisfaction of a degree requirement by an accredited college or university if the commission determines that the course is within the approved topic areas established by the commission.

(f) If a certified course instructor, teach a live course for which continuing education credit may be obtained. Credits shall be granted for the number of classroom hours taught.

(6) Licensee duty to keep satisfactory proof. The licensee shall keep satisfactory proof of having completed the continuing education requirement
and shall submit such proof at the request of the commission as provided in section 54-2018, Idaho Code.

(7) Provisional license -- Extension of time. A three-month extension of time for completing the education requirements may be obtained by submitting with the renewal application, or application to activate, satisfactory evidence showing that the applicant was unable to comply with such education requirements. Such evidence shall be:

(a) Bona fide hardship preventing completion of the reinstatement requirements of an inactive license;
(b) Health reasons preventing attendance or completion; or
(c) Active duty in the military service with assignment to a permanent duty station outside of the state during the last twelve (12) months of a license period; or
(d) Other compelling cause beyond the control of the applicant while engaged in the real estate business.

If such an extension is granted, the licensee shall receive a provisional license for a period of time not to exceed three (3) months. No further extension of time may be granted. A license issued or renewed after an extension of time has been granted shall retain the original license expiration date. Failure to satisfy the continuing education requirement within the time granted shall result in the automatic inactivation of the license.

SECTION 4. That Section 54-2055, Idaho Code, be, and the same is hereby amended to read as follows:

54-2055. LICENSEES DEALING WITH THEIR OWN PROPERTY. (1) Any actively licensed Idaho broker, sales associate, or legal business entity shall comply with this entire chapter when that licensee is buying, selling or otherwise acquiring or disposing of the licensee's own interest in real property in a regulated real estate transaction.

(2) A licensee shall disclose in writing to any buyer or seller no later than at the time of presentation of the purchase and sale agreement that the licensee holds an active Idaho real estate license, if the licensee directly, indirectly, or through a third party, sells or purchases an interest in real property for personal use or any other purpose; or acquires or intends to acquire any interest in real property or any option to purchase real property.

(3) Each actively licensed person buying or selling real property or any interest therein, in a regulated real estate transaction, must conduct the transaction through the broker with whom he is licensed, whether or not the property is listed.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 67-2310, Idaho Code, be, and the same is hereby amended to read as follows:
67-2310. SUBCONTRACTORS TO BE LISTED ON BID OF GENERAL CONTRACTOR — EXCEPTIONS. (1) Hereafter, before the state of Idaho, the separate counties, cities, towns, villages or school districts within the state of Idaho shall let contracts for the construction, alteration or repair of any and all buildings, improvements or public works, and such construction, alteration or repair requires plumbing, HVAC work, or electrical work, the general contractor shall be required to include in his bid the name, or names and address, or addresses, of the subcontractors who shall, in the event the contractor secures the contract, subcontract the plumbing, HVAC work, and electrical work under the general contract. In the event that the general contractor intends to self-perform the plumbing, HVAC or electrical work, the general contractor must be properly licensed by the state of Idaho to perform such work. The general contractor shall demonstrate compliance with this requirement by listing the valid contractor's license number for the plumbing, HVAC or electrical work to be self-performed by the general contractor on the bid form.

(2) No general contractor shall name any subcontractor in his bid unless the general contractor has received communication from the subcontractor. For the purposes of this section, "communication" shall include telephone, mail, facsimile machine, in person, or by computer using the internet or a bid service.

(3) In the event a general contractor secures the contract, and if the general contractor and a named subcontractor cannot finalize the terms of agreement between them for any reason other than cost, the general contractor shall name another subcontractor by written notification within ten (10) days of being awarded the public works contract. The general contractor shall disclose to the public entity the cost for work to be performed by the substitute subcontractor. If the amount of the substitute subcontractor's bid is less than the original subcontractor's bid, the reduction in cost shall be passed through to the benefit of the public entity which awarded the contract.

(4) This act shall not apply to the construction, alteration or repair of public buildings under the jurisdiction of the board of regents of the University of Idaho.

(5) This act shall have no application to the preparation and submission of plans and specifications pursuant to statute or local ordinance.

(6) Failure to name subcontractors or list the valid contractor's license number for plumbing, HVAC or electrical work being self-performed by the general contractor as required by subsection (1) of this section shall render any bid submitted by a general contractor unresponsive and void.

(7) At the time subcontractors are named in accordance with the provisions of this section, they must possess the appropriate licenses or certificates of competency issued by the state of Idaho covering the contractor work classification in which each respective subcontractor is named. The provisions of this subsection (7) shall not apply in those cases where the public works contract is financed in whole or in part by federal aid funds, provided that, at or prior to the award and execution of any such contract by the state of Idaho or any other contracting authority mentioned in subsection (1) of this section, the successful bidder has secured a license as provided in this chapter.
