SECRETARY OF STATE

PETE T. CENARRUSA
Secretary of State
Boise, Idaho
AN ACT
RELATING TO PUBLIC CHARTER SCHOOLS; AMENDING SECTION 33-5204, IDAHO CODE, TO PROVIDE THAT THE BOARD OF DIRECTORS OF A CHARTER SCHOOL MAY BORROW MONEY AS A NONPROFIT CORPORATION FOR THE PURCHASE OF A SCHOOL BUILDING FACILITY; AND DECLARING AN EMERGENCY.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 33-5204, Idaho Code, be, and the same is hereby amended to read as follows:

33-5204. NONPROFIT CORPORATION -- LIABILITY -- INSURANCE. (1) A charter school shall be organized and managed under the Idaho non-profit corporation act. The board of directors of a charter school shall be deemed public agents authorized by a public school district or the state board of education to control the charter school. A charter school shall be considered a public school for all purposes. For the purposes of section 59-1302(15), Idaho Code, a charter school created pursuant to this chapter shall be deemed a governmental entity. Pursuant to the provisions of section 63-36220, Idaho Code, sales to or purchases by a public charter school are exempt from payment of the sales and use tax.

(2) A charter school may sue or be sued, purchase, receive, hold and convey real and personal property for school purposes, and borrow money for such purposes, to the same extent and on the same conditions as a public school district, and its employees, directors and officers shall enjoy the same immunities as employees, directors and officers of public school districts and other public schools. The approving authority of a charter school shall have no liability for the acts, omissions, debts or other obligations of a charter school, except as may be provided in an agreement or contract with such charter school.

(3) Nothing in this chapter shall prevent the board of directors of a charter school, operating as a nonprofit corporation, from borrowing money to finance the purchase of school building facilities. Subject to the terms of a contractual agreement between the board and a lender, nothing herein shall prevent the board from using the facility as collateral for the loan.

(4) Charter schools shall secure insurance for liability and property loss.

SECTION 2. An emergency existing therefor, which emergency is hereby declared to exist, this act shall be in full force and effect on and after its passage and approval.

Approved April 13, 2000.
Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. It is the intent of the Legislature of the State of Idaho to join the twenty-three other states in the Union which have already honored their World War II veterans by participating in the National World War II Memorial "dollar per veteran" campaign.

The American Battle Monuments Commission was authorized by federal law in 1993 to establish the World War II Memorial. It will be located on seven acres on the National Mall in Washington, D.C., situated directly between the Lincoln Memorial and the Washington Monument. Primary funding for the one hundred million dollar memorial must be raised from private contributions.

"Millions served in uniform. Millions more served at home. And nearly a half million gave their lives. They were ordinary people who, during World War II, did nothing less than help save the world. Yet unbelievably there is no national memorial to honor their sacrifice. It is time to say thank-you. Dying for freedom isn't the worst that could happen. Being forgotten is." (Actor Tom Hanks)

SECTION 2. In addition to the appropriation made in Section 1, Chapter 254, Laws of 1999, there is hereby appropriated from the General Fund to the Office of the Governor for the Military Division for trustee and benefit payments the sum of $66,000 for the period July 1, 1999, through June 30, 2000. This amount is equal to one dollar for each resident of the state of Idaho who served in the Armed Forces of the United States during World War II. Any other provision of law notwithstanding, the Military Division shall disburse these funds upon enactment to the World War II Memorial Fund, 2300 Clarendon Boulevard, Suite 501, Arlington, Virginia 22201.

SECTION 3. An emergency existing therefor, which emergency is hereby declared to exist, this act shall be in full force and effect on and after its passage and approval.

Approved April 13, 2000.

served upon the executive director shall be of the same legal
force and validity as if served upon the licensee and that the
authority shall continue in force so long as any liability remains
outstanding in this state. Upon receipt of any such process or
notice, the executive director shall immediately mail a copy of
the same by certified mail to the last known business address of
the licensee. All licensees shall provide the commission a full
and current mailing address and shall immediately notify the com-
mision in writing of any change in mailing address;
(j) If licensing as an active salesperson or associate broker,
provide the name and physical address of the main business loca-
tion of the designated broker with whom the applicant will be
licensed, and the signature of that broker; or, if licensing as a
designated broker, provide the name and physical address of the
main business location;
(k) Submit a properly completed application and all license,
application and other fees listed in section 54-2020, Idaho Code,
or as otherwise required by statute or rule; and
(1) Provide satisfactory proof of meeting the mandatory errors
and omissions insurance requirement for real estate licensees, as
stated in section 54-2013, Idaho Code.
(2) Additional requirements for broker and associate broker
licenses. Applicants seeking a primary Idaho license as a broker or
associate broker shall meet the additional following qualifications:
(a) Provide satisfactory evidence of having been actively engaged
for two (2) years as a licensed real estate salesperson within
five (5) years immediately prior to the date upon which the indi-
individual makes application:
(i) A broker or associate broker applicant may be required
to furnish a report of listings and sales accomplished by the
applicant during two (2) or more years within the last five
(5) years of licensure immediately prior to the application
date;
(ii) This report shall be certified as correct by the broker
or brokers with whom the applicant has been associated;
(iii) The broker experience requirement may be modified or
reduced, in whole or in part, at the discretion of the com-
mision, based upon the applicant's educational background,
or experience in related or affiliated business activities;
(iv) The commission in its discretion may make such addi-
tional investigation and inquiry relative to the applicant as
it shall deem advisable;
(b) Designate a physical office location and a business name. The
commission may refuse to issue a license to any person if the
business name is the same as that of any person whose license has
been suspended or revoked or is so similar as to be easily con-
fused with another licensee's name by members of the general pub-
lic. However, nothing in this subsection shall restrict an indi-
vidual from obtaining a license in his or her own legal name.
(c) If currently licensed in Idaho as a salesperson and applying
for a license as an Idaho broker or associate broker, the individ-
ual shall submit a new fingerprint card for processing with the
application and pay associated fees.

54-2013. ERRORS AND OMISSIONS INSURANCE. (1) Each licensee who is
actively licensed under this chapter shall, as a condition to licens-
ing, carry and maintain errors and omissions insurance to cover all
licensed activities under the provisions of this chapter.
(2) The commission shall make the insurance required under the
provisions of this section available to each licensee by contracting
with an insurance provider for errors and omissions insurance coverage
for each licensee after competitive, sealed bidding in accordance with
chapter 57, title 67, Idaho Code. The exact premium shall be set by
the commission by motion.
(3) Any policy obtained by the commission shall be available to
each licensee with no right on the part of the insurance provider to
cancel coverage for any licensee.
(4) Each licensee shall have the option of obtaining errors and
omissions insurance independently, if the coverage contained in an
independently obtained policy complies with the minimum requirements
established by the commission.
(5) The commission shall determine the terms and conditions of
coverage required under the provisions of this section including, but
not limited to, the minimum limits of coverage, the permissible
deductible and the permissible exemptions.
(6) A certificate of coverage, showing compliance with the
required terms and conditions of coverage, shall be filed with the
commission ten (10) days prior to the license renewal date by each
licensee who elects not to participate in the insurance program admin-
istered by the commission.
(7) If the commission is unable to obtain errors and omissions insurance coverage to insure all licensees who choose to participate in the insurance program at a reasonable premium, not to exceed one hundred forty dollars ($140) per year, per licensee, the requirement of insurance coverage as provided in this section shall be void during the applicable contract period.

(8) The commission is also specifically empowered to charge and collect an administrative fee in addition to the premium paid from each licensee who obtains errors and omissions insurance through the commission contract, which fee shall not exceed ten dollars ($10.00) per licensee. This administrative fee shall be of an amount sufficient to raise that revenue required to administer the provisions of this section. The limit in subsection (7) of this section applies only to premium cost and not to any administrative fee charged.

54-2014. LICENSE EXAMS. (1) Exam required. Unless a written certificate of waiver is obtained from the commission and submitted with the application, an individual applicant seeking a primary Idaho real estate license shall take and pass the national portion and the Idaho state portion of an approved exam administered by or through the commission. The applicant shall take and pass the required portion or portions of the exam within no more than twelve (12) months immediately preceding the date of application.

(2) Preregistration for the exam. An applicant may preregister to sit and take the exam by submitting a completed preregistration application form and a nonrefundable exam fee in an amount established by motion of the commission, not to exceed one hundred dollars ($100). The application and fee shall be submitted directly to the testing company administering the exam, or to the commission, as specified by the commission, and shall be postmarked in the manner and time specified by the commission. Failure to appear for any reason for the exam shall cancel the application. A new application and fee shall be required to take the exam at a future time.

(3) Walk-in registration for the exam. An applicant may appear at a testing center and take the exam without having preregistered so long as seating remains available at the center. The applicant shall submit a completed exam application and a walk-in exam fee in an amount established by motion of the commission, not to exceed one hundred ten dollars ($110), at the time the applicant is admitted to take the exam.

(4) Waiver of national portion of exam. An applicant who has obtained a written certificate from the commission waiving the national portion of the exam shall be required to take and pass the Idaho state portion of the exam only. The certificate of waiver and exam fee shall be submitted with the application for exam.

(5) Failure to pass the exam. An applicant who fails to pass the exam may reapply to take another exam. The applicant must complete a new application and submit a new exam fee.

(6) The commission shall establish, by motion, fees for the exam which, in its discretion, are sufficient to raise the revenue required to administer the exam. Fees so established shall remain effective from year to year and may be altered only upon proper motion by the commission.
54-2015. INDIVIDUALS ACTIVELY LICENSED IN ANOTHER STATE OR JURISDICTION SEEKING PRIMARY IDAHO LICENSURE. (1) An individual who is currently and actively licensed as a real estate broker or salesperson in another state or jurisdiction at the time of application for a primary Idaho real estate license shall meet all qualifications listed in section 54-2012, Idaho Code, for the type of license sought, except that the applicant shall not be required to furnish proof of the educational prerequisites described in subsections (1)(c) and (1)(f) of section 54-2012, Idaho Code. In addition, such applicant shall provide a current, certified license history from the other licensing state or jurisdiction, which history shall indicate any disciplinary action taken against the applicant's license by the other licensing state or jurisdiction, and the status and standing of the applicant's license in the other state or jurisdiction.

(2) An applicant who holds an active license, in good standing, in another state or jurisdiction may request a waiver of the national portion of the exam required for Idaho licensure. To have the national portion of the exam waived, a certificate of waiver must be obtained from the Idaho real estate commission and submitted with the application for exam as provided in subsection (4) of section 54-2014, Idaho Code.

(3) An individual who is currently and actively licensed in another state or jurisdiction that administers a real estate exam may be issued a primary Idaho license without further exam or proof of educational prerequisites pursuant to written agreement between Idaho and the other state or jurisdiction, provided that such other state or jurisdiction allows the issuance of real estate licenses in substantially the same manner as set forth in this subsection.

54-2016. PRIMARY IDAHO LICENSES FOR LEGAL BUSINESS ENTITIES, SOLE PROPRIETORSHIPS AND BRANCH OFFICES -- ADDITIONAL REQUIREMENTS. (1) Legal business entities. Each legal business entity, as defined in section 54-2004, Idaho Code, shall be licensed by the Idaho real estate commission to engage in the real estate business in Idaho and shall make proper application, pay all required fees, and meet all requirements listed below.

(a) Each legal business entity shall have a properly licensed individual designated broker, who shall be held responsible for the activities of the licensed entity. The individual designated broker shall also hold the following legal position within the licensed entity:

(i) Corporation -- an officer;
(ii) Partnership or limited partnership -- a general partner;
(iii) Limited liability company -- a member or manager.

It is the intent of the law that in these and in any other instance, the individual designated broker for any business entity shall have full authority to act on behalf of the licensed business entity, and shall submit sufficient and satisfactory proof thereof with the application for license. All acts of that individual as designated broker shall be considered acts of the licensed business entity. Nothing in this section is intended to create liability to a legal business entity for illegal or fraudu-
lent acts by the individual broker performed solely on his own account.
(b) A license issued to a legal business entity, as defined in this chapter, is effective only as long as the individual designated broker's license is in active status and in effect. If the individual so designated has a license refused, revoked, suspended or otherwise made inactive by the commission, or if the individual designated broker voluntarily surrenders the individual license or ceases to be connected with the entity in the manner required above, the business entity shall have ten (10) business days in which to designate another qualified individual as designated broker before the entity's license is terminated, and the licenses of all associated licensees are made inactive.
(c) One (1) individual may act as designated broker for more than one (1) licensed business entity, however, all entities shall have their main offices in the same physical location.
(d) Satisfactory proof of mandatory errors and omissions insurance shall be provided for both the individual designated broker and the licensed business entity.
(e) A legal business entity doing business under an assumed name shall provide satisfactory proof of having legally filed a certificate of assumed name with the Idaho secretary of state.
(2) Sole proprietorships. An individual designated broker not licensed with a legal business entity, as defined in section 54-2004(11), Idaho Code, shall be licensed as a sole proprietor. Each sole proprietorship seeking a real estate license shall meet all the following requirements:
(a) A licensed sole proprietor doing business under an assumed business name shall provide satisfactory proof of having legally filed a certificate of assumed name with the Idaho secretary of state;
(b) Satisfactory proof of mandatory errors and omissions insurance shall be provided for the licensed designated broker of a sole proprietorship.
(3) Multiple business names prohibited. A legal business entity or sole proprietorship shall be licensed under only one (1) business name.
(4) Branch offices. Branch offices in which trust funds or original transaction files are maintained shall be separately licensed by application and payment of fifty dollars ($50.00) for the issuance and renewal of each branch office license. Such branch office shall designate in the application a branch manager, who shall be a salesperson with at least two (2) years experience or an associate broker, to be responsible for the supervision of the branch office. No separate branch office license or manager is required for business locations other than the main office unless trust funds or original transaction records are kept at the branch. Each branch office or business location, whether separately licensed or not, shall conduct business only in the licensed name of the legal entity or sole proprietor.

54-2017. RECIPROCAL IDAHO LICENSES. The commission may issue a reciprocal Idaho real estate license to a qualified person who holds an active primary license in another state or jurisdiction if a writ-
ten reciprocal licensing agreement exists between Idaho and the other state or jurisdiction. Each reciprocal license issued shall be limited to and governed by the terms of the applicable written agreement between Idaho and the other jurisdiction.

(1) Any reciprocal licensing agreement with Idaho shall require that the person seeking an Idaho reciprocal license make proper application, pay all required fees, and:
   (a) Be currently and actively licensed as a designated broker in the applicant's primary state or jurisdiction, or be licensed under a designated broker who holds a current, active Idaho reciprocal license;
   (b) Provide satisfactory proof of holding an active license, in good standing, as defined in the agreement, at the time of application;
   (c) File an irrevocable consent to service as described in section 54-2012(1)(i), Idaho Code, on the form approved and furnished by the Idaho real estate commission;
   (d) Provide satisfactory proof of errors and omissions insurance covering the applicant's licensed activities in Idaho; and that
(2) Whenever a designated broker who holds a reciprocal Idaho license ceases to hold a current active license in the primary licensing jurisdiction, the Idaho reciprocal license of that broker, and the licenses of all persons licensed under that broker, shall immediately be made inactive without further process. If a salesperson who holds a reciprocal Idaho license ceases to hold a current, active license in the primary licensing jurisdiction, that person's Idaho reciprocal sales license shall immediately be made inactive without further process.

54-2018. LICENSE RENEWALS -- INACTIVE LICENSES STATUS. (1) Each new or reactivated license shall be for a period of one (1) year plus the months up to and including the next birth date of the licensee, not to exceed a period of two (2) years, and shall expire on a date to coincide with the last day of the month of the birth date of the licensee. Corporations, partnerships, limited liability companies and other entities defined as "persons" in this chapter shall have established as the equivalent of a birth date, the birth date of its designated broker. Licensed branch offices shall have established as the equivalent of a birth date, the birth date of the real estate broker establishing the branch office.

(2) Each license shall be renewable for a period of two (2) years by submitting a properly completed application, including evidence of having met the commission's continuing education requirements as set forth in section 54-2023, Idaho Code, and all renewal fees established by this chapter or by the commission, on or before 5 p.m. of the last day of the birth month of the licensee. If mailed, the application and fee shall be postmarked by that same date and time.

(3) If the licensee fails to submit a proper application or pay the renewal fee on or before the last day of the birth month of the licensee, the commission may accept a later payment, subject to such conditions as the commission may require including, but not limited to, the assessment of a late fee; provided that between the last day of the month of the licensee's birth date and the date of renewal of
the license, the rights of the licensee under such license shall be suspended, and during such period of suspension it shall be unlawful for any licensee to do or attempt to offer to do any of the acts of the kind and nature described in the definitions of real estate broker or real estate salesperson in section 54-2004, Idaho Code, in consideration of compensation of any kind or expectation thereof.

(4) A licensee may place his license on inactive status. The holder of an inactive license shall not engage in the business or act in the capacity of real estate broker, associate broker or salesperson. An inactive license may be reactivated as provided in this chapter and the rules of the commission.

54-2019. DENIAL OF LICENSE APPLICATIONS. The commission may deny any license application, including an application for license renewal, upon the commission's determination of any of the following:

(1) The applicant does not possess all of the qualifications required for the license sought;
(2) The applicant employed fraud, deception, misrepresentation, misstatement or omission or any unlawful means in applying for a license or taking the exam;
(3) Within the five-year period immediately preceding the application, the applicant committed any act for which a real estate license in Idaho may be revoked or suspended; or
(4) There exist any other specific facts about the applicant that cause the commission to reasonably conclude that granting the applicant's request for Idaho licensure is not in the best interests of the citizens of the state of Idaho.

54-2020. FEES. The Idaho real estate commission shall establish fees which, in its discretion, are sufficient, when added to the other fees authorized by this chapter, or any other law or rule, to raise that revenue required to administer the provisions of this chapter.

Each person seeking any type of Idaho real estate license shall pay the following fees, in addition to any other fees established in this chapter or by rule:

(1) For each year or portion thereof for which an active or inactive license is issued or renewed, a license fee in an amount not to exceed one hundred dollars ($100), the exact fee to be determined by administrative rule of the commission. Fees so established shall remain effective from year to year unless changed through the rules promulgation process prescribed in chapter 52, title 67, Idaho Code;
(2) A tuition or registration fee for real estate education courses, course materials and any course exam fee. These fees shall be established based upon the total annual costs involved in the provision of all real estate education courses, course materials and course exam fees;
(3) A fee in the amount of twenty-five dollars ($25.00) for late license renewal;
(4) A fee in the amount of fifteen dollars ($15.00) for any license change that necessitates the printing of a new license certificate;
(5) A fee in the amount allowed by law for insufficient funds checks or other types of insufficient payment;
(6) A fee in the amount of ten dollars ($10.00) for each certified copy of a licensee's education history or license history;

(7) A fee in the amount of fifty dollars ($50.00) for issuance or renewal of a branch office license.

54-2021. DISPOSITION OF FUNDS. All fees collected by the commission under the provisions of this chapter, except as designated in section 54-2070, Idaho Code, shall be deposited at least monthly in the state treasury and all moneys so deposited shall be deposited to the credit of the special real estate fund, which fund is hereby created. All moneys so deposited in the special real estate fund are hereby perpetually appropriated for the purpose of carrying out the provisions of this chapter. All expenditures from the fund by the commission under the provisions of this chapter shall be paid out on warrants drawn by the state controller upon presentation of proper vouchers approved by the commission. Such claims and supporting vouchers shall be examined by the state board of examiners in the same manner as other claims against the state of Idaho. For the purposes of carrying out the objectives of this chapter and in the exercise of the powers herein granted, the commission shall have power to make orders concerning the disbursement of the moneys in the special real estate fund, including the payment of compensation and expenses of its members, clerks and employees and for the payment of printing and for the training and education of all licensees under this chapter. Moneys in the fund may be expended by the commission for the promotion and improvement of the real estate profession, the advancement of education and research in the field of real estate including, but not limited to, courses sponsored by the commission or in conjunction with any university or college in the state and/or contracting for a particular research project in the field of real estate, and the promotion and advertising of the state of Idaho.

54-2022. REAL ESTATE EDUCATION -- PRELICENSE REQUIREMENTS. (1) Except as provided in section 54-2015, Idaho Code, an applicant seeking a primary Idaho license as a real estate salesperson, broker or associate broker shall furnish satisfactory proof to the commission that the applicant has successfully completed current commission-approved and accredited courses of real estate study as follows:

(a) Salesperson's license. For a salesperson's license, the applicant shall complete a total of ninety (90) classroom hours, or the equivalent in available correspondence hours;

(b) Broker's or associate broker's license. Applicants seeking a broker's or associate broker's license shall, in addition to meeting the requirements for salesperson's license, successfully complete four (4) specified courses in advanced real estate study, for a minimum of ninety (90) additional classroom hours, or the equivalent in available correspondence hours.

(2) Each applicant shall successfully complete all prelicense real estate courses within no more than five (5) years prior to the date of the license application. However, upon written request for special consideration by the license applicant, the commission may waive or modify the five-year requirement at its discretion, based on the applicant's experience or additional education. Each waiver
request shall be submitted with a current certified license history from Idaho or the applicant's other licensing jurisdiction, which history shall indicate all disciplinary actions taken against the applicant's license and the status and standing of such license in such licensing state or jurisdiction, along with sufficient proof of education completion.

(3) To receive credit for prelicense real estate courses, a student must regularly attend and complete the course, and such course must meet all requirements set forth in section 54-2036, Idaho Code.

(4) No credit will be given for courses taken for audit.

(5) Credit for completion of approved prelicense education course work will not be granted when the content of a course repeats that for which credit has been previously received.

54-2023, CONTINUING EDUCATION REQUIREMENTS. Each licensee seeking renewal of an Idaho real estate license on active status, and each Idaho licensee seeking to change from inactive to active license status, shall submit satisfactory proof to the commission of having successfully completed at least twelve (12) classroom hours of commission-approved and certified continuing education course work. Failure to provide proof of meeting the continuing education requirements as set forth in this chapter constitutes an incomplete application for a renewal of an active license or for a change in license status from inactive to active, and, as such, constitutes grounds for denial of those applications.

(1) Renewing active license. Licensees renewing on active status must successfully complete the continuing education requirement on or before the license expiration date, in the manner stated in section 54-2018, Idaho Code.

(2) Change from inactive to active. Licensees changing from inactive to active status must successfully complete one (1) continuing education requirement offered during their current inactive license period.

(3) No duplicate credit. Credit for completion of any approved continuing education course will not be granted twice.

(4) Excess credits. The twelve (12) hours of course work shall apply to the license period in which such course work is completed; hours completed in excess of those required for the license period shall not accumulate or be credited for the purposes of subsequent license renewal periods.

(5) Challenge exams. The commission may substitute all or a portion of the course work required when a licensee shows evidence of passing an approved challenge exam or of completing equivalent education determined by the commission to be in full compliance with such continuing education requirements.

(6) Provisional license — Extension of time. A three-month extension of time for completing the education requirements may be obtained by submitting with the renewal application, or application to activate, satisfactory evidence showing that the applicant was unable to comply with such education requirements. Such evidence may be:

(a) Bona fide hardship preventing completion of the reinstatement requirements of an inactive license;

(b) Health reasons preventing attendance or completion;
(c) Active duty in the military service with assignment to a permanent duty station outside of the state during the last twelve (12) months of a license period; or
(d) Other compelling cause beyond the control of the applicant while engaged in the real estate business.
If such an extension is granted, the licensee shall receive a provisional license for a period of time not to exceed three (3) months.

54-2024. PURPOSE OF CERTIFICATION. It is the intent of this chapter that delivery of high quality real estate education to licensees and to those seeking to become licensed in the state of Idaho is a necessary and reasonable way to protect the citizens, businesses and public interests in Idaho. Therefore, the commission shall create and maintain a certification program for real estate education providers, instructors and course content.

54-2025. CERTIFICATION REQUIREMENTS. (1) Certification required. Certification must be obtained by all course providers, course instructors and for all course content in order for the course to be credited toward prelicense or continuing education requirements in Idaho under this chapter.
(2) Courses, instructors and providers monitored. The commission or its representative may monitor any course for the purpose of course, instructor or provider certification.

54-2026. CERTIFICATION OF COURSE PROVIDERS. (1) Degree-granting institutions. Degree-granting, accredited colleges and universities in any state or jurisdiction shall be deemed to be approved course providers in Idaho. However, course content must still be approved for the real estate education course to receive credit toward prelicense or continuing education licensing requirements in Idaho.
(2) Other course providers. All other course providers desiring to offer real estate courses for credit toward Idaho prelicense or continuing education requirements must first meet the following qualifications and receive certification. Each applicant seeking certification as a course provider shall comply with the following:
(a) File an application for certification in the form and manner required by the commission, along with proper fees, at least two (2) months prior to contemplated date of opening or first accredited course offering;
(b) Designate a "director" or "individual in charge," who shall be responsible for the course provider's operation and its real estate courses, and with whom the commission may communicate. Unless this requirement is waived upon special review of the commission in the manner stated below, the individual in charge must not have had a real estate or other professional or occupational license suspended or revoked for disciplinary reasons or have been refused a renewal of a license issued by the state of Idaho or any other state or jurisdiction. The designated individual in charge must not have been convicted, issued any fine, placed on probation, received a withheld judgment, or completed any sentence of confinement for or on account of any felony or a misdemeanor involving fraud, misrepresentation, or dishonest or dishonorable
dealing in a court of proper jurisdiction.
(c) File a properly executed "irrevocable consent to service of process" in the manner and form prescribed by the commission and in substantial accordance with section 54-2012(l)(i), Idaho Code. The commission, in its discretion, may make such additional investigation and inquiry relative to the applicant for provider certification as it deems advisable and, if good cause exists, may deny or accept the application for certification.

54-2027. DUTIES AND REQUIREMENTS OF ALL CERTIFIED COURSE PROVIDERS. Failure of a certified course provider to comply with the following duties and requirements shall be grounds for the commission to withdraw or cancel the provider's certification for cause.

(1) Discrimination prohibited. Each certified course provider shall at all times be in compliance with state and federal laws, rules and regulations regarding all aspects of equal opportunity and protection of civil rights. No course provider shall engage in discriminatory practices, nor allow their course instructor, or method of delivery to violate laws prohibiting discrimination. Each course provider will fully comply with any requirements of the Americans with disabilities act regarding access to and delivery of its courses, including the provision of accessible facilities and reasonable accommodations for students.

(2) Open access to course offerings. Registration and attendance at all certified courses offered for prelicense or continuing education credit shall be open to all persons meeting normal course prerequisites. A certified course provider located in or affiliated with a licensed real estate brokerage company may not refuse reasonable access to any licensee based on that licensee's affiliation with another organization or brokerage company, or the licensee's membership status in any professional organization. However, a course provider is not prohibited from charging a separate and reasonable course fee to nonaffiliated or nonmember licensees.

(3) Facilities and supportive personnel. The provider shall provide the facilities and all supportive qualified personnel or approved proctors necessary to adequately implement its real estate program.

(4) Student records and other requirements. Each Idaho certified course provider shall comply with the following requirements:
   (a) Records. Maintain for each individual student a complete, accurate and detailed record which shall include the total number of hours of instruction undertaken and satisfactorily or unsatisfactorily completed in the area of study;
   (b) Course completion lists. Within five (5) working days after conclusion of each course of instruction, the provider shall submit to the council or commission an alphabetical list which shall include the names, addresses and social security numbers of the students completing the course of instruction, the name of the course, the name of the instructor, the number of hours included in the course, the date of the course and the location. The list shall be certified by the instructor from whom the students received instruction and an authorized representative of the provider;
   (c) Grades. The provider will provide written notification to
students who successfully or unsuccessfully complete a course within thirty (30) days of the course completion date;
(d) Evaluations. Each provider shall submit acceptable student evaluations for each course and instructor, which must be on commission-approved forms. The use of the commission evaluation form is recommended;
(e) Course schedules. Each provider shall submit schedules of courses and instructors as requested by the commission and submit changes promptly as they occur.
(5) Advertising restrictions:
(a) Providers may advertise that they are currently certified by the commission, if current certification has been approved, but no such advertising may state or imply that the provider is an agency of the commission or the council;
(b) No course provider shall provide any information to the public or to prospective students which is misleading in nature. Information is misleading when, taken as a whole, there is distinct probability that it will deceive the persons whom it is intended to influence.
(6) Changes in certification. Certification shall be granted to the particular provider for the specific ownership, provider location, and named individual in charge as designated in the application for certification. Any changes in ownership, provider location, or provider name, or named individual in charge must be submitted for approval to the commission, at least one (1) month in advance of the effective date of the proposed changes.

54-2028. TERM OF PROVIDER CERTIFICATION AND RENEWAL. Each course provider's certification issued by the commission shall be for a term of two (2) years. The exact expiration date will be shown on the provider certificate. In order to maintain certification, each provider must return a properly completed renewal application on a form provided by the commission, along with all necessary attachments and renewal fees to the commission office prior to the expiration date for commission approval. Recertification is not effective until the commission has formally approved the application for renewal. Failure to obtain approved renewal of certification prior to its expiration date will result in no credit being given for courses not yet successfully completed by the expiration date.

54-2029. NOTICE OF POTENTIAL EXPIRATION OF CERTIFICATION. Certified providers who have not applied for renewal of certification or whose renewal applications do not meet the qualifications for renewal of certification shall be notified by the commission of potential termination at least fifteen (15) days before termination occurs.

54-2030. EXPIRATION OR WITHDRAWAL OF PROVIDER CERTIFICATION -- NOTICE TO STUDENTS. If a provider's certification expires, is terminated or withdrawn for any reason, the provider will no longer be approved by the commission, and no credit will be given to students for any courses starting after the expiration date. A provider whose certification has expired, been terminated or withdrawn for any reason, shall immediately notify every present or future student in writ-
ing that it is not a certified provider of approved real estate
courses in Idaho, and that no credit for prelicense or continuing edu-
cation will be given for its courses.

54-2031. WITHDRAWAL OF IDAHO CERTIFICATION FOR CAUSE -- PROCESS.
The commission may withdraw a provider's certification at any time,
for cause, including the violation of any provision of this chapter by
the provider or those for whom the provider is responsible. Any with­
drawal of certification shall be governed by the Idaho administrative
procedure act, chapter 52, title 67, Idaho Code, the rules of practice
and procedure of the Idaho real estate commission, this chapter and
all laws of the state of Idaho.

54-2032. CERTIFICATION OF INSTRUCTORS. All individuals wishing
to teach real estate courses for credit toward prelicense or contin­
ing education requirements in Idaho must first be approved or certi­
fied by the commission for each course the individual wishes to teach.

54-2033. INSTRUCTOR QUALIFICATIONS. (1) Qualified instructors at
degree-granting institutions. A qualified or full-time instructor or
professor of an accredited college or university in any state or
jurisdiction and who teaches real estate related courses is deemed to
be an approved instructor of such courses, in Idaho, for the purposes
of this chapter.

(2) Other instructor applicants. All other individuals wishing to
teach real estate courses for credit toward Idaho prelicense or con­
tinuing education requirements must first meet the following addi­
tional qualifications and receive separate certification for each
course to be taught:

(a) Unless this requirement is waived upon special review of the
commission in the manner stated below, no individual instructor
seeking certification may have had a real estate or other profes­
sional or occupational license suspended or revoked for disciplin­
ary reasons or have been refused a renewal of a license issued by
the state of Idaho or any other state or jurisdiction. Further,
the individual may not have been convicted, issued any fine,
placed on probation, received a withheld judgment, or completed
any sentence of confinement for or on account of any felony, or
any misdemeanor involving fraud, misrepresentation, or dishonest
or dishonorable dealing, in a court of proper jurisdiction.

(b) Each applicant for certification shall also:

(i) Submit a properly completed application for instructor
certification in the form and manner required by the commis­
ion, with all proper fees;

(ii) File a properly executed "irrevocable consent to ser­
tice of process" in the manner and form prescribed by the
commission and according to section 54-2012(1)(i), Idaho
Code;

(iii) Qualify as at least one (1) of the following:

1. An attorney at law actively licensed in any state or
jurisdiction with at least five (5) years of active
practice in the areas of study proposed to be taught,
and who has also successfully completed a commission-
approved instructor training course or procedure, including a student teaching period;
2. An individual currently approved or certified and in good standing as a real estate instructor for the same or similar course material in any other state or jurisdiction;
3. An individual who is appointed to teach a nationally recognized real estate course which is generally accepted in other states or jurisdictions; or
4. An individual with at least five (5) years active real estate-related experience who has also successfully completed a commission-approved instructor training procedure, including a student teaching period.

54-2034. SPECIAL CONSIDERATION -- DISCRETION OF THE COMMISSION.
The commission may, in its discretion, make such additional investigation and inquiry relative to the applicant for instructor certification as it shall deem advisable, and if other good cause exists, may deny or accept the application for certification. Based upon an applicant's educational background, experience in related activities, or a review of the applicant's evaluations as a student teacher, the commission may modify the requirements for instructor certification; such modification may include reducing the requirements or assigning additional requirements for certification.

54-2035. TERM OF INSTRUCTOR CERTIFICATION AND RENEWAL. (1) Certification. Each instructor certification issued by the commission shall be for a term of two (2) years. The exact expiration date will be shown on the instructor certificate. In order to maintain certification, each instructor shall:
(a) Return a properly completed renewal application on a form provided by the commission, along with all necessary attachments and renewal fees to the commission office prior to the expiration date, for commission approval;
(b) Have taught, or assistant taught during the preceding two (2) years at least twenty (20) hours of each council certified course for which the instructor wishes to continue to be certified; and
(c) Have attended a commission-sponsored instructor development seminar or received other acceptable training in methods of teaching adults during the preceding two (2) years.
(2) Recertification. Recertification shall not be effective until the commission formally approves the application for renewal. An instructor's failure to obtain approved recertification prior to the expiration of the certification will result in no credit being given for any course taught by the instructor whose certification has expired prior to conclusion of the course.

54-2036. CERTIFICATION OF COURSES AND COURSE CONTENT. Every real estate course offered for prelicense or continuing education credit for an Idaho real estate license shall first be certified and accredited by the Idaho real estate commission.
(1) An application for course certification must be submitted in the form and manner required by the commission, with proper fees, at
least two (2) months prior to contemplated date of the first course offering.

(2) Minimum requirements for course certification:
(a) Each course must be certified individually, offered only through a provider certified or approved in Idaho, and taught by an instructor certified or approved in Idaho in accordance with this chapter.
(b) Each prelicense course must contain at least twenty (20) hours of classroom instruction.
(c) Exam time shall not be included as approved classroom hours of instruction.
(d) A course hour is defined as a period of at least fifty (50) minutes of actual instruction.
(e) Distance learning and alternative course delivery. The length of a certified distance learning or other alternative course shall be based upon the same number of hours which would be awarded in an equivalent classroom course, and must include a commission-approved, proctored final exam.
(f) Each prelicense course must include a proctored, commission-approved final exam requiring a minimum passing score of seventy percent (70%).
   (i) Exam retake policy. Each certified course provider, may, at its option, allow students who fail the initial course exam one (1) opportunity to retake the approved course exam within the following time periods:
   1. Prelicense course exam retakes must occur within one (1) month of the original course exam;
   2. Continuing education course challenge exam retakes must occur within that course's certification period;
   (ii) If a student fails the retake exam for any prelicense or continuing education course, the student must repeat the entire course and pass the final exam to receive credit.
(g) Challenge exams. A student shall not earn credit for any prelicense course by challenging and passing the course exam without otherwise completing all course requirements. Credit for continuing education courses may be earned by challenge exam only as allowed in section 54-2023(5), Idaho Code.
(3) Approved topics. The commission shall establish specific, approved topics for course content as it deems appropriate to current real estate practices and laws.

54-2037. TERM OF COURSE CERTIFICATION AND RENEWAL. Each course certification issued by the commission shall be for a term of two (2) years. The exact expiration date will be shown on the course certificate. In order to maintain certification a course provider, for each course, must return a properly completed renewal application on a form provided by the commission, along with all necessary attachments and renewal fees to the commission office prior to the expiration date and within sufficient time for commission review and approval. Recertification is not effective until the commission has formally approved the application for renewal. Failure to obtain approved renewal of certification prior to its expiration date will result in no credit being given for a course if its certification has expired prior to conclu-
54-2038. DESIGNATED BROKER -- GENERAL RESPONSIBILITIES. The requirement that each brokerage company be maintained and conducted in compliance with the Idaho real estate license law and the Idaho real estate brokerage representation act is the responsibility of its designated broker. The designated broker is responsible for the actions of its licensees and associated unlicensed persons performed within the course and scope of their employment or agency, regardless of the location of the company's business or where representation is conducted.

(1) A designated broker is required to:
(a) Supervise and control, in the manner required by law and rule, all office locations, and the activities of all licensees and unlicensed persons associated with that brokerage company or for whom that designated broker is responsible;
(b) Review and approve all real estate agreements including, but not limited to, those related to listing, selling or purchasing property and brokerage representation agreements;
(c) Be reasonably available to manage and supervise the brokerage company during regular business hours. When a broker is a regular full-time employee or is engaged in a full-time activity at a location other than where the broker is licensed to do business, a presumption will be made that the broker is unable to manage and supervise the brokerage company in accordance with these requirements, and no sales associate shall be licensed under the broker until such presumption is overcome by evidence to the contrary, satisfactory to the commission.

(2) A broker who is otherwise qualified to do business in Idaho, but is not able to manage and supervise according to this section, may be licensed as a "limited broker" in Idaho and shall not have any sales associates licensed under that broker.

(3) A designated broker shall not allow any person who is not properly licensed to represent that broker as a sales associate or otherwise, in any real estate business activities requiring a real estate license. "Properly licensed" means a license or a change in license that has been made effective by the commission.

54-2039. BROKER AND BRANCH OFFICE MANAGER ABSENCES AND CHANGES. Each real estate brokerage company must have a legally qualified individual acting as designated broker at all times. Each branch office licensed under section 54-2016(4), Idaho Code, shall have, at all times, a legally qualified individual acting as branch office manager.

(1) Broker or branch manager absent for more than twenty-one days. A designated broker who is absent from his main office for more than twenty-one (21) calendar days shall appoint a qualified designated broker of another office, or an associate broker who is licensed and associated with the absent broker, to manage, supervise and oversee the regular office operations of the company in his absence. A branch office manager who is absent for more than twenty-one (21) days from a branch office in which trust funds and original transaction files are maintained shall appoint a qualified individual to manage, supervise and oversee the regular office operations of the company in
his absence. The appointee shall conduct all supervisory activities normally required of the designated broker or branch manager. Except in the event of an emergency, the designated broker or branch manager shall notify the commission in writing of the name of the appointee prior to the broker or manager leaving the office for an extended period of more than twenty-one (21) days.

(2) Broker or branch manager absent for more than sixty days. A designated broker, or manager of a branch office in which trust funds and original transaction files are maintained, shall not be absent from his main office for a period longer than sixty (60) days. In the case of such extended absence, another qualified individual shall be designated to act as broker or branch office manager. If a designated broker is absent from his main office for a period longer than sixty (60) days, and no new broker is designated to act as broker for the brokerage company, the commission shall place on inactive status the licenses of the absent broker and of all licensees associated with him, and all brokerage listing agreements and all buyer brokerage agreements shall be terminated.

(3) Change of broker in business entity. A license issued to a legal business entity, as defined in this chapter, is effective only as long as the individual designated broker's license is in active status and in effect. If the individual so designated has a license refused, revoked, suspended or otherwise made inactive by the commission, or if the individual designated broker voluntarily surrenders the individual license or ceases to be connected with the entity in the manner required in this chapter, the business entity shall have ten (10) business days in which to designate another qualified individual as designated broker before the entity's license is terminated, and the licenses of all associated licensees are made inactive.

(4) Effective date of changes. No change in designated broker shall be effective until written notice is received and approved by the commission, in the form required.

(5) Failure to comply -- Original broker to remain responsible except in the case of revocation. Where a licensed brokerage company fails to comply with this section and its office is closed, or during any period where the designated broker has left the brokerage company and no new broker has been designated to act for the company, the original designated broker shall remain responsible for trust account funds, pending transactions and records in the manner described in sections 54-2041 through 54-2049, Idaho Code. However, if the license of the original designated broker of the brokerage company is revoked, the license of that brokerage company shall be made inactive and its office closed until the company designates another qualified individual to act as broker.

54-2040. MAIN OFFICE OR BUSINESS LOCATION. (1) Definite location required. Each individual licensed as a designated real estate broker under the provisions of this chapter shall be required to have and maintain a definite, physical place of business, which place shall serve as his main office for the transaction of business and be regarded for the intent and purpose of this chapter as his principal place of business. Notice in writing shall be given to the commission of any change by the broker of the business name or business location,
whereupon a new license shall be issued reflecting the changed business name or address. A change of business name or location without notification to the commission and issuance of a new license shall automatically cancel the license heretofore issued. The broker shall also notify the commission in writing of any change in the business mailing address.

(2) Broker for more than one business. A qualified individual may be the designated broker for more than one (1) licensed real estate business entity only if all licensed businesses operate their main offices at the same physical location.

(3) Brokers sharing same business location. More than one (1) individually licensed broker may operate an office at the same address only if each broker operates under a business name which clearly identifies the broker as an individual within the group of brokers, and each broker shall maintain his or her records and trust accounts separate from all other brokers.

(4) Business name and display of licenses. A broker shall not conduct business under any name other than the one in which the license is issued. Current licenses of the broker and all associates licensed with the broker shall be prominently displayed or available for public inspection in the office designated with the commission as the broker's main office location. No other location may be used as a main office location until proper notice is acknowledged by the commission.

(5) Lending license prohibited. A broker shall not lend or permit the use of the broker's license, whether for compensation or not, to enable anyone licensed or unlicensed to, in fact, establish or carry on a business for which a real estate broker's license is required, wherein the broker does not actively manage and have full control. In like manner, a salesperson shall not use another person's broker's license, whether for compensation or not, to establish or carry on a business for which a broker's license is required, nor to manage and control the office, except as allowed by sections 54-2016(4), and 54-2039(1), Idaho Code.

54-2041. TRUST ACCOUNTS AND ENTRUSTED PROPERTY. A licensed Idaho real estate broker shall be responsible for all moneys or property entrusted to that broker or to any licensee representing the broker. Immediately upon receipt, the broker shall place entrusted moneys in a neutral, qualified trust fund account in Idaho, and shall properly care for any entrusted property. The real estate broker shall remain fully responsible and accountable for all entrusted funds until a full accounting has been given to the parties involved.

54-2042. CREATION OF NONINTEREST-BEARING TRUST ACCOUNTS -- REQUIREMENTS. A broker may establish one (1) or more real estate trust accounts but each account must meet all requirements of this chapter, including the following:

(1) Each trust account must be established at an approved depository, which must be located in the state of Idaho, and must be noninterest-bearing, except as allowed in section 54-2043, Idaho Code, or as otherwise may be provided by law. Approved depositories are state or federally chartered banks and trust companies, state or fed-
eraly chartered savings and loan associations, properly licensed title insurance companies in Idaho, or an actively licensed attorney at law in Idaho.

(2) Each account must be identified by the term "real estate trust account," on checks, deposit slips, and with the depository.

(3) Each trust account must be established and maintained under the licensed business name of the broker, and shall be under the full control of the broker.

(4) Each broker trust account must have a separate and complete set of records, which must consist of a monthly accounting, deposits, charges, and withdrawals or checks, even if the moneys are on deposit with a title company, attorney or other approved depository. The broker is responsible for ensuring that these separate account records are provided by the depository.

(5) Funds deposited in a real estate trust account must be subject to withdrawal on demand at the order or direction of the broker at all times, even if deposited with a title company or other approved depository.

(6) A commission-approved form giving notice of opening a trust account and giving authorization for the commission to inspect the account must be completed for each trust account, signed by the broker and an officer of the bank or depository and returned to the commission.

(7) No deposits to the trust account shall be made of funds that belong to the broker or real estate firm, except that the broker may deposit broker or firm funds for the purpose of opening and maintaining the account and for the payment of anticipated bank service charges for the trust account. In no event shall the balance of broker or firm funds in the account exceed three hundred dollars ($300). Maintenance funds shall not be disbursed for any purpose other than to cover bank charges charged directly to the trust account by the bank.

54-2043. INTEREST-BEARING TRUST ACCOUNTS. The broker may deposit funds in a separate, interest-bearing trust account for a single transaction if directed in writing by both parties to the transaction, and only if the following additional requirements are met:

(1) The interest-bearing trust account must be established in accordance with all requirements in section 54-2042, Idaho Code. However, the interest-bearing trust account shall be created at an approved depository in Idaho.

(2) The deposit shall be made in the name of the broker, as described above, and each such account shall contain only the funds relating to one (1) transaction.

(3) The interest-bearing trust account, when created for this purpose, must allow for withdrawal of the funds upon the broker's demand, unless all parties direct the broker in writing to do otherwise.

(4) There must be a written agreement signed by both the buyer and the seller stating who is to receive the interest accrued from the deposit. This agreement is to be retained by the responsible broker in the transaction file with a copy given to the buyer and the seller.
54-2044. TRUST ACCOUNT RECORDKEEPING -- FORMAT OF RECORDS REQUIRED. In order that the financial interests of the consumers of Idaho be adequately protected, each designated broker is required to create and maintain the following records regarding any real estate trust account, and is required to reconcile and balance each trust account with all ledger records, the check register and the bank statement at least once each month. Any electronic recordkeeping system is required to have a generally accepted and adequate backup system in use at all times.

(1) Maintenance ledger record. A separate ledger card or record, herein called "ledgers," identified as "trust account maintenance fund" shall be initiated when the broker's or firm's funds are initially deposited into the trust account. These ledgers shall be filed at all times with the broker's current "open" ledgers of pending transactions. Additions or deductions to trust account maintenance funds shall be posted to the ledger records as soon as the broker is given notice of the deposit or deduction. The balance on this maintenance fund ledger shall be kept current at all times.

(2) Individual trust ledger records. An individual trust ledger shall be immediately created whenever a broker, or any licensed or unlicensed person representing the broker, receives earnest money or other consideration, even if the consideration will be deposited with, held by, paid directly to, transferred or delivered to a title company, other approved depository, or any other person, as directed in writing, and signed by both parties to the transaction. Receipt of consideration, for purposes of this chapter, occurs when the broker or any person representing the broker, takes physical possession of the consideration or assumes the responsibility to deliver or deposit it.

(3) When a broker deposits funds with another broker, an approved depository, or directly to the seller or any other person, as directed in writing by both parties to the transaction, a ledger record must be created by the transferring broker, with a transaction number assigned. Upon transfer of funds or consideration, a receipt for such deposit shall be obtained and retained in the transaction files of the transferring broker. The receipt must show the name of the payee and date of transfer.

(4) Additional requirements for creating an individual trust ledger record are set forth in section 54-2045, Idaho Code. Individual trust ledger records must each be assigned a transaction number. In addition, each individual trust account ledger record created must contain:

(a) The next chronological transaction number for each transaction;
(b) The names of both parties to the transaction;
(c) The location of the property;
(d) The date of each deposit and disbursement;
(e) The name of the payor or payee;
(f) The amount and check number of each disbursement;
(g) The amount and nature of the deposit;
(h) The current balance; and
(i) After the transaction is closed, each individual ledger record must show the final disposition of the transaction and funds.
A broker's trust account ledger records must be maintained with one (1) file, electronic or hard copy, for closed, terminated and rejected transactions, and a separate file for transactions pending but not closed. Ledger records shall be kept in order by transaction number. Ledger posting must be kept current at all times.

(5) Trust account checks. The broker shall maintain consecutively numbered checks for each trust account, which checks must:

(a) Contain the broker's licensed business name and current business address; and

(b) Be imprinted with the words "real estate trust account."

(6) Check register or journal. A check register or journal must be posted properly, maintained and kept current by the broker at all times even if funds are held at a title company or other approved depository. The register must itemize deposits and disbursements in consecutive order, and must also clearly show:

(a) The date of the deposit or disbursement;

(b) The payee or payor;

(c) The amount and purpose of any deposits or disbursements;

(d) The check number;

(e) The transaction number; and

(f) The current cash balance remaining in that trust account.

(7) Duplicate bank deposit record. For each trust account, the broker shall maintain, in hard copy, a duplicate bank deposit record, which shall be imprinted with the broker's business name and the words, "real estate trust account." Each deposit record shall state:

(a) The name of the person or firm placing the money with the broker's office;

(b) The date of the deposit; and

(c) The transaction number. The duplicate deposit record shall be retained in the bank deposit records in proper chronological sequence and shall be date stamped by the bank or the bank deposit receipt shall be attached to the duplicate deposit record in the deposit records.

(8) Real estate trust account checks. For each trust account, the broker shall maintain a set of consecutively numbered checks, which shall be imprinted with the broker's business name and address and the words "real estate trust account." Any check drawn on such a trust account shall be identified by a transaction number noted on the face of the check. Any voided trust account check shall be marked "VOID" and retained in numerical sequence with the other checks for the banking month.

54-2045. TRUST ACCOUNT DEPOSITS AND RECEIPT OF CONSIDERATION. Except as otherwise provided in this section, all entrusted funds received by a broker in connection with a regulated real estate transaction, including, but not limited to, earnest money, shall be deposited into a real estate trust account maintained by the broker at an approved depository located in the state of Idaho. In addition, all earnest money, option money, promissory notes, tangible personal property and any other consideration received by a broker, regardless of form, must be accounted for upon receipt and in the following manner:

(1) Time of deposit. All moneys received by a broker for another in a real estate transaction are to be deposited on or before the
banking day immediately following the receipt day of such funds, unless written instructions signed by the party or parties having an interest in the funds direct the broker to do otherwise.

(2) Checks held in uncashed form. A ledger record must also be created when the broker or associate receives a check to be held for later deposit. However, such a check must be accompanied by written instructions in the purchase and sale agreement or offer to withhold deposit until a time certain, such as acceptance of the offer by the seller.

(3) Consideration returned before deposit. A ledger record must also be created even if the consideration received by a broker or salesperson is to be returned before it has been deposited or otherwise properly transferred. A written and dated notation must be placed on both the purchase and sale agreement, offer or other document dealing with the consideration, and on the ledger record. No consideration is to be returned without the knowledge and consent of the broker.

(4) Consideration received by sales associate. All consideration, including cash, checks held in uncashed form and promissory notes, received by a sales associate in connection with a real estate transaction shall be immediately delivered to the broker or the broker's office.

54-2046. TRUST ACCOUNT DISBURSEMENTS. The broker who holds entrusted funds or like payments in lieu of cash received in a regulated real estate transaction is fully responsible for all such funds until a full accounting has been made to the parties involved. All cash or like payments in lieu of cash must be disbursed from the real estate trust account only in accordance with this section. Failure to comply with this section is a violation of license law and will subject the broker to discipline.

(1) Written authorization required. No disbursements shall be made without a written, signed authorization by the parties to the transaction or an order of the court. Written and signed instructions from parties to the transaction may be in the purchase and sale agreement or in a separate document.

(2) Disbursements in advance of closing. No disbursements shall be made in advance of closing or before the happening of a condition set forth in the purchase and sale agreement or other agreement in a regulated real estate transaction to the seller, closing agent or any other person without the required written and signed authorization.

(3) Withdrawal of broker's commission. No disbursement of any portion of the broker's commission shall take place without prior written, signed authorization from the buyer and seller or until copies of the closing statements, signed by the buyer and seller, have been delivered to the broker and until the buyer or seller has been paid the amount due as determined by the closing statement.

(4) Provision for forfeited earnest money. The purchase and sale agreement must include a provision for division of moneys taken as earnest money when the transaction is not closed and such moneys are retained by any person as forfeited payment.

54-2047. DISPUTED EARNEST MONEY. (1) Any time more than one (1) party to a transaction makes demand on funds or other consideration
for which the broker is responsible, such as, but not limited to, earnest money deposits, the broker shall:

(a) Notify each party, in writing, of the demand of the other party; and

(b) Keep all parties to the transaction informed of any actions by the broker regarding the disputed funds or other consideration, including retention of the funds by the broker until the dispute is properly resolved.

(2) The broker may reasonably rely on the terms of the purchase and sale agreement or other written documents signed by both parties to determine how to disburse the disputed money and may, at the broker's own discretion, make such disbursement. Discretionary disbursement by the broker based on a reasonable review of the known facts is not a violation of license law, but may subject the broker to civil liability.

(3) If the broker does not believe it is reasonably possible to disburse the disputed funds, the broker may hold the funds until ordered by a court of proper jurisdiction to make a disbursement. The broker shall give all parties written notice of any decision to hold the funds pending a court order for disbursement.

54-2048. RESPONSIBLE BROKER FOR THE TRANSACTION -- DUTIES AND RECORDKEEPING. The "responsible broker," as referred to in this section, shall be responsible to the commission for the transaction, transaction records, the funds and closing in accordance with the requirements of this chapter. The broker who lists and sells any real property shall be deemed the responsible broker in the transaction. In the case of a cooperative sale, the broker who holds entrusted funds in a real estate trust account while the transaction is pending, or who delivers or transfers the funds to the closing agency or any authorized party other than the cooperating broker in the transaction, shall be deemed the broker responsible for the transaction. The responsible broker shall:

(1) Ensure the correctness and delivery of detailed closing statements which accurately reflect all receipts and disbursements for their respective accounts to both the buyer and seller in a transaction, even if the closing is completed by a real estate escrow closing agent, title company or other authorized third party and regardless of the responsible broker's agent or nonagent relationship to the buyer or seller.

(2) Show proof of delivery of the closing statement to the buyer and seller by their signatures on copies of such closing statements which shall be retained in the broker's transaction file. When signatures of the parties cannot be obtained, a copy of the closing statement transmittal letter, sent by certified mail, return receipt requested, or a written certification of delivery signed by an officer of the escrow closing agency, shall be retained in the broker's transaction files.

(3) Create and maintain, for the retention period required in section 54-2049, Idaho Code, a transaction file containing the following documents, as applicable. For all pending, closed or fallen transactions, the original or a true and correct copy of:

(a) Signed closing statements, if applicable;
(b) Written and signed brokerage representation agreements, if any. A responsible broker who is representing both the seller and the buyer in a transaction shall retain properly executed brokerage representation agreements in the transaction file, and, if appropriate to the transaction, a properly executed "consent to limited dual representation" statement. A responsible broker who has a signed brokerage representation agreement with only one (1) party to the transaction, either buyer or seller, must only retain that one (1) agreement in the transaction file;

(c) All offers accepted, countered or rejected, which must each be retained in the manner required in section 54-2049, Idaho Code;

(d) All offers presented to the seller and not accepted by that seller shall be clearly marked and dated as rejected. The original or a true and correct copy of all rejected offers must be retained in the files of the selling broker for the statutory records retention period in section 54-2049, Idaho Code.

54-2049. RECORD RETENTION SCHEDULES. All records required in this chapter to be kept and maintained by a real estate broker, including trust account and financial records, transaction files and other records are to be kept in the broker's files according to this section. The following records must be kept by a broker for three (3) calendar years after the year in which the event occurred, the transaction closed, all funds were disbursed, or the agreement and any written extension expired:

(1) The original or true copy of all accepted, countered or rejected offers;
(2) Listing or buyer brokerage representation agreements and "consent to limited dual representation" forms;
(3) Transaction files and the contents required in section 54-2048(3), Idaho Code;
(4) Trust account ledger records; and
(5) All trust account reconciliation records, as defined in this chapter.

54-2050. BROKERAGE REPRESENTATION AGREEMENTS -- REQUIRED ELEMENTS. All real estate brokerage representation agreements, whether with a buyer or seller, must be in writing in the manner required by section 54-2085, Idaho Code, and must contain the following contract provisions:

(1) Seller representation agreements. Each seller representation agreement, whether exclusive or nonexclusive, must contain the following provisions:
(a) Conspicuous and definite beginning and expiration dates;
(b) A legally enforceable description of the property;
(c) Price and terms;
(d) All fees or commissions; and
(e) The signature of the owner of the real estate or the owner's legal, appointed and duly qualified representative, and the date of such signature.

(2) Buyer representation agreements. Each buyer representation agreement, whether exclusive or nonexclusive, must contain the following provisions:
(a) Conspicuous and definite beginning and expiration dates;
(b) All financial obligations of the buyer or prospective buyer, if any, including, but not limited to, fees or commissions;
(c) The manner in which any fee or commission will be paid to the broker; and
(d) Appropriate signatures and their dates.

(3) Prohibited provisions and exceptions -- Automatic renewal clauses. No buyer or seller representation agreement shall contain a provision requiring the party signing the agreement to notify the broker of the party's intention to cancel the agreement after the definite expiration date, unless the representation agreement states that it is completely nonexclusive and it contains no financial obligation, fee or commission due from the party signing the agreement.

(4) Copies required. A broker or salesperson who obtains a written brokerage representation agreement of any kind shall, at the time of securing such agreement, give the person or persons signing such agreement, a legible, signed, true and correct copy thereof. Copies may be electronically generated or transmitted, faxed or delivered in another method as long as the representation agreement specifically allows for such transmission and the parties to the agreement agree in writing to accept such copies or documents as true and correct.

(5) Electronically generated agreements. Brokerage representation agreements with a buyer or seller may be electronically generated or transmitted, faxed or delivered in another method as long as the representation agreement specifically allows for such transmission and the parties to the representation agreement agree in writing to accept such copies or documents as true and correct and enforceable as originals.

54-2051. OFFERS TO PURCHASE. (1) A broker or sales associate shall, as promptly as practicable, tender to the seller every written offer to purchase obtained on the real estate involved, up until time of closing, and shall obtain the signature of the seller or seller's agent verifying time and date such offer was received. A purchase and sale agreement signed by the prospective buyer shall be deemed in all respects an offer to purchase.

(2) Immediately upon receiving any offer to purchase signed and dated by the buyer and any consideration, a broker or salesperson shall provide a copy of the offer to purchase to the buyer as a receipt.

(3) Upon obtaining a properly signed and dated acceptance of an offer to purchase, the broker or sales associate shall promptly deliver true and legible copies of such accepted offer to both the buyer and the seller.

(4) The broker or sales associate shall make certain that all offers to purchase real property or any interest therein are in writing and contain all of the following specific terms, provisions and statements:
   (a) All terms and conditions of the real estate transaction as directed by the buyer or seller;
   (b) The actual form and amount of the consideration received as earnest money;
   (c) The name of the responsible broker in the transaction, as
defined in section 54-2048, Idaho Code;
(d) The "representation confirmation" statement required in sec­tion 54-2085(4), Idaho Code, and, only if applicable to the trans­action, the "consent to limited dual representation" as required in section 54-2088, Idaho Code;
(e) A provision for division of earnest money retained by any person as forfeited payment should the transaction not close;
(f) All appropriate signatures; and
(g) A legal description of the property.
(5) All changes made to any offer to purchase or other real estate purchase agreement shall be initialed and dated by the parties to the transaction.

54-2052. ELECTRONICALLY GENERATED AGREEMENTS. Offers to purchase, counteroffers and acceptances may be electronically generated or transmitted, faxed or delivered in another method only if the repre­sentation agreement specifically allows for such transmission and the parties to the representation agreement agree in writing to accept such copies or documents as true and correct and enforceable as origi­nals.

54-2053. ADVERTISING. (1) Only licensees who are actively licensed in Idaho may be named by an Idaho broker in any type of advertising of Idaho real property, may advertise Idaho property in Idaho or may have a sign placed on Idaho property.
(2) All advertising of listed property shall contain the broker's licensed business name. A new business name shall not be used or shown in advertising unless and until a proper notice of change in the busi­ness name has been approved by the commission.
(3) All advertising by licensed branch offices shall contain the broker's licensed business name.
(4) No advertising shall provide any information to the public or to prospective customers or clients which is misleading in nature. Information is misleading if, when taken as a whole, there is a dis­tinct probability that such information will deceive the persons whom it is intended to influence.

54-2054. COMPENSATION, COMMISSIONS AND FEES -- PROHIBITED CON­DUCT. (1) Court action for fee collection. No person engaged in the business or acting in the capacity of real estate broker or salesperson in Idaho shall bring or maintain any action in the courts for the collection of a fee, commission or other compensation for the performance of any acts requiring a real estate license as provided in section 54-2002, Idaho Code, without alleging and proving that such person was an actively licensed broker or salesperson in Idaho at the time the alleged cause of action arose.
(2) Fee-splitting with unlicensed persons prohibited. Unless otherwise allowed by statute or rule, a real estate broker, associate broker or salesperson licensed in the state of Idaho shall not pay any part or share of a commission, fee or compensation received in the licensee's capacity as such in a regulated real estate transaction to any person who is not actively licensed as a real estate broker in Idaho or in another state or jurisdiction. The Idaho broker making the
payment to another licensed person is responsible for verifying the active licensed status of the receiving broker. This section shall not prohibit payment of a part or share of a commission, fee or compensation by the broker to a corporation, all of whose shareholders and directors are active real estate licensees.

(3) Finder's fees prohibited. Any offer of monetary value, by an Idaho licensee, to any person who is not licensed in Idaho or any state or jurisdiction, made for the purpose of inducing such unlicensed person to secure prospects to buy, sell, option, or otherwise dispose of an interest in real property shall be considered to be splitting fees with an unlicensed person, and is prohibited.

(4) Interference with real estate brokerage agreement prohibited. It shall be unlawful for any person, licensed or unlicensed, to interfere with the contractual relationship between a broker and a client. Communicating a company's relocation policy or benefits to a transferring employee or consumer shall not be considered a violation of this subsection so long as the communication does not involve advice or encouragement on how to terminate or amend an existing contractual relationship between a broker and client.

(5) Double contracts prohibited. No licensed broker or salesperson shall use, propose the use of, agree to the use of, or knowingly permit the use of a double contract, as defined in section 54-2004, Idaho Code, in connection with any regulated real estate transaction. Such conduct by a licensee shall be deemed flagrant misconduct and dishonorable and dishonest dealing and shall subject the licensee to disciplinary action by the commission.

(6) Kickbacks and rebates prohibited. No licensed real estate broker or salesperson shall receive a kickback or rebate for directing any transaction to any individual for financing. A licensee shall not receive a kickback or unearned fee for directing any transaction to any lending institution, escrow or title company, as those practices are defined and prohibited by the real estate settlement and procedures act of 1974, as amended, 12 U.S.C. section 2601 et seq. However, a licensee legally receiving any fee or rebate from any person providing direct services to either the buyer or the seller in connection with a regulated real estate transaction is required to disclose the licensee's intent to receive such fee, rebate or compensation in writing to all parties to the transaction prior to closing.

(7) Compensation from more than one party. No licensed real estate broker or salesperson shall charge or accept compensation from more than one (1) party in any one (1) transaction, without first making full disclosure in writing of the broker's intent to do so, to all parties involved in the transaction.

(8) After-the-fact referral fees prohibited. It shall be unlawful for any person to solicit or request a referral fee or similar payment from a licensed Idaho real estate broker or sales associate, for the referral of a buyer or seller in connection with a regulated real estate transaction, unless the person seeking the referral fee has reasonable cause. "Reasonable cause" shall not exist unless:

(a) The person seeking the referral fee has a written contractual relationship with the Idaho real estate broker for a referral fee or similar payment; and

(b) The contractual relationship providing for the referral fee
exists at the time the buyer or seller purportedly referred by such person signs a written agreement with the Idaho broker for the listing of the real estate or for representation by the broker, or the buyer signs an offer to purchase the real estate involved in the transaction. It shall be unlawful for any person including, but not limited to, a relocation company or company with a relocation policy or benefits, to directly or indirectly threaten to or actually reduce or withhold promised or expected employee or customer relocation benefits from a buyer or seller in a regulated real estate transaction based upon a broker's participation in payment of a referral fee or other fee.

(9) All fees must be paid through broker. No sales associate shall accept any commission, compensation or fee for the performance of any acts requiring a real estate license from any person except the real estate broker with whom the sales associate is licensed. However, a broker may pay a former sales associate for services performed while the sales associate was actively licensed with that broker, regardless of the former sales associate's license status at the time the commission or fee is actually paid.

54-2055. LICENSEES DEALING WITH THEIR OWN PROPERTY. (1) Any actively licensed Idaho broker, sales associate, or legal business entity shall comply with this entire chapter when that licensee is buying, selling or otherwise acquiring or disposing of the licensee's own interest in real property in a regulated real estate transaction.

(2) A licensee shall disclose in writing to any buyer or seller that the licensee holds an active Idaho real estate license, if the licensee directly, indirectly, or through a third party, sells or purchases an interest in real property for personal use or any other purpose; or acquires or intends to acquire any interest in real property or any option to purchase real property.

(3) Each actively licensed person buying or selling real property or any interest therein, in a regulated real estate transaction, must conduct the transaction through an actively licensed responsible broker, whether or not the property is listed.

54-2056. TERMINATING LICENSE BUSINESS RELATIONSHIPS. (1) Sales associate terminating license with broker. Any sales associate who terminates his association with a broker and licenses with another broker shall immediately return his wall license to the commission, along with the completed forms and fees necessary for relicensing. If the sales associate is unable to obtain his wall license from the broker, the sales associate shall send written notice of his termination, by certified mail, return receipt requested, to the broker, and shall deliver a copy of such notice to the commission. Upon receipt of such notice from the sales associate, the broker shall immediately return the sales associate's wall license to the commission.

(2) Broker terminating sales associate. Any broker who terminates the association of a sales associate shall return the sales associate's wall license along with a completed termination form to the commission.

(3) Closing a branch office. A written notice shall be sent to the commission office along with the branch office license and the
wall licenses of all licensees licensed in the branch office immediately upon closing the branch office.

(4) Property of the broker. Upon termination of the business relationship as a sales associate licensed under a broker, the sales associate shall immediately turn over to the broker all listing information and listing contracts, keys, purchase and sale agreements and similar contracts, buyer brokerage information and contracts, and other property belonging to the broker. A sales associate shall not engage in any practice or conduct, directly or indirectly, which encourages, entices or induces clients of the broker to terminate any legal business relationship with the broker unless he first obtains written permission of the broker.

(5) Location of trust accounts and file records. When an actively licensed broker changes to a license status other than that of a designated broker, that individual must notify the commission in writing of the location of all trust accounts and transaction file records which the broker was responsible for during the term of licensure as a designated broker. These records shall be available to the commission for three (3) years following the year in which each transaction was closed.

(6) Terminating relationships between a broker and a sole proprietorship owned by a person other than the broker. When a broker for a sole proprietorship, owned by a person other than the broker, terminates an association with the owner, all records and trust account funds shall become the property of, and be maintained and disbursed by, the terminating broker in accordance with this chapter and applicable rules promulgated thereunder. The terminating broker shall deliver, upon request made in writing by the clients and the new broker of that sole proprietorship, such records and trust account funds pertaining to that client, to the new broker who shall thereafter have the responsibility for preservation and disbursement, in accordance with this chapter and applicable rules promulgated thereunder.

54-2057. DEATH OR INCAPACITY OF A DESIGNATED BROKER. (1) Legal business entities. Upon the death or incapacity of a designated broker for a legal business entity licensed as a real estate brokerage company in Idaho, the licensed entity shall appoint and designate a qualified individual as designated broker in the manner and within the time required in section 54-2039, Idaho Code, or shall cease to be licensed.

(2) Sole proprietorships. Upon the death or incapacity of a sole proprietor broker, the commission may issue a limited authorization for an executor, administrator, conservator, personal representative, court-appointed guardian, or some other person or agency to close out the pending transactions on behalf of the deceased or incapacitated broker, and only in accordance with the provisions of this section. The person given temporary authority shall close out the affairs of the deceased or incapacitated sole proprietor broker by taking the following actions:

(a) Termination of listings and buyer brokerage agreements. Termination of all listings and buyer brokerage agreements in which there are not outstanding offers or earnest money receipts.

(b) Completion of negotiations. Completion of all negotiations
between buyers and sellers on transactions in which an offer to purchase has been written or received.
(c) Accounting for moneys. Depositing and withdrawing moneys from the real estate trust account in connection with completion of all transactions still pending at the time of death of a sole proprietor broker.
(d) Commissions. Prompt payment of all real estate commissions owing after closing of all transactions, both to the decedent broker's duly appointed personal representative and to sales associates of the deceased broker or participating brokers entitled to commissions resulting from the transactions.

54-2058. AUTHORITY TO INVESTIGATE AND DISCIPLINE. (1) General authority to investigate. The commission may investigate the action of any person engaged in the business or acting in the capacity of real estate broker or salesperson within the state of Idaho. The commission may initiate an investigation at its own discretion or upon receipt of a written complaint from anyone who claims to have been injured or defrauded as a result of such action.

A person is acting "within the state of Idaho" if that person is dealing with any interest in real property or a business opportunity involving an interest in real property, which is situated in this state, or is conducting or attempting to conduct or solicit real estate business with residents of the state of Idaho.
(2) Unlicensed persons. The commission also may investigate and file a formal administrative complaint under this chapter against any person believed to have acted as a real estate broker or salesperson without a license in violation of section 54-2002, Idaho Code.
(3) Audits. The commission or its duly authorized representative is vested with the authority to conduct periodic inspections, surveys and audits of the transaction records and real estate trust accounts of all Idaho licensed designated brokers. If the analysis of a broker's real estate trust account indicates a deficiency or any irregularity which cannot be resolved between the commission and the broker, the commission may order a complete audit of the trust account by a certified public accountant at the broker's expense.
(4) The commission or its staff also has the authority to investigate the action of any Idaho licensee. The licensee or broker shall answer all reasonable investigative questions of the commission or its staff, and must make available, promptly upon request, any and all records to the commission at the licensee's own cost and at the location or in the manner requested by the commission.

54-2059. DISCIPLINARY POWERS -- REVOCATION, SUSPENSION OR OTHER DISCIPLINARY ACTION. (1) The commission may temporarily suspend or permanently revoke licenses issued under the provisions of this chapter, issue a formal reprimand and impose a civil penalty in an amount not to exceed five thousand dollars ($5,000), and assess costs and attorney's fees for the cost of any investigation and administrative or other proceedings against any licensee who is found to have violated any section of the Idaho Code, the commission's administrative rules or any order of the commission. The executive director may issue informal letters of reprimand to licensees without civil penalty or
cost assessment.

The commission may impose a civil penalty in an amount not to exceed five thousand dollars ($5,000) and assess costs and attorney's fees for the cost of any investigation and administrative or other proceedings against any person who is found, through a court or administrative proceeding, to have acted without a license in violation of section 54-2002, Idaho Code. The civil penalty provisions of this section are in addition to and not in lieu of any other actions or criminal penalties for acting as a broker or salesperson without a license which might be imposed by other sections of this chapter or Idaho law.

The commission may also accept, on such conditions as it may prescribe, or reject any offer to voluntarily terminate the license of a person whose activity is under investigation or against whom a formal complaint has been filed.

(2) If the commission suspends or revokes a license, or imposes a civil penalty, or assesses costs and attorney's fees, the commission may withhold execution of the suspension, revocation or civil penalty, or costs and attorney's fees on such terms and for such time as it may prescribe.

(3) If any amounts assessed against a defendant by final order of the commission become otherwise uncollectible or payment is in default, and only if all the defendant's rights to appeal have passed, the commission may then proceed to district court and seek to enforce collection through judgment and execution.

(4) All civil penalties, costs, and attorney's fees collected by the commission under this chapter shall be deposited in the state treasury to the credit of the special real estate fund established by section 54-2021, Idaho Code.

54-2060. GROUNDS FOR DISCIPLINARY ACTION. A person found guilty of misconduct while performing or attempting to perform any act requiring an Idaho real estate broker or salesperson's license, regardless of whether the act was for the person's own account or in his capacity as broker or salesperson, shall be subject to disciplinary action by the commission. The following acts shall constitute misconduct within the meaning of this section:

(1) Making fraudulent misrepresentations;
(2) Engaging in a continued or flagrant course of misrepresentation or making of false promises, whether done personally or through agents or salespersons;
(3) Failure to account for or remit any property, real or personal, or moneys coming into the person's possession which belong to another;
(4) Failure to keep adequate records of all property transactions in which the person acts in the capacity of real estate broker or salesperson;
(5) Failure or refusal, upon lawful demand, to disclose any information within the person's knowledge, or to produce any documents, books or records in the person's possession for inspection by the commission or its authorized representative;
(6) Acting as a real estate broker or salesperson under an assumed name;
(7) Employment of fraud, deception, misrepresentation, misstate-
ment or any unlawful means in applying for or securing a license to act as a real estate broker or salesperson in the state of Idaho;
(8) Using, proposing to use, or agreeing to use a "double contract" as prohibited in section 54-2054(5), Idaho Code;
(9) Seeking or receiving a "kickback" or rebate prohibited in section 54-2054(6), Idaho Code;
(10) Violation of any provision of sections 54-2001 through 54-2097, Idaho Code, or any administrative rule made or promulgated by the commission or any final order of the commission;
(11) Any other conduct whether of the same or a different character than hereinabove specified which constitutes dishonest or dishonorable dealings;
(12) Gross negligence or reckless conduct in a regulated real estate transaction. Conduct is grossly negligent or reckless if, when taken as a whole, it is conduct which substantially fails to meet the generally accepted standard of care in the practice of real estate in Idaho.

54-2061. ADDITIONAL GROUNDS FOR DISCIPLINARY ACTION -- COURT ACTIONS. (1) The commission may also take disciplinary action against a licensee including, but not limited to, suspension or revocation of a license, where, in a court of competent jurisdiction, the licensee:
(a) Has been convicted of a felony, or has been convicted of a misdemeanor involving fraud, misrepresentation, or dishonest or dishonorable dealing or which otherwise demonstrates the licensee's lack of trustworthiness to engage in the real estate business;
(b) Has been declared to lack capacity or to be incompetent or under an infirmity, for the duration of such declaration only;
(c) Has a judgment entered against the licensee in a civil action upon grounds of fraud, misrepresentation, deceit or gross negligence with reference to a real estate-related transaction.
(2) The court's record of conviction, order determining legal competency, or the order entering judgment in a civil case, or certified copies thereof, shall be prima facie evidence of a conviction, or the court's action.

54-2062. ADDITIONAL GROUNDS FOR DISCIPLINARY ACTION -- OTHER ADMINISTRATIVE ACTIONS. The commission may also take any disciplinary action, including, but not limited to, suspension or revocation of a license where the licensee:
(1) Has an order or determination of debarment, suspension, or any limitation on participation in government loan programs issued against the licensee for misconduct; or
(2) Has a license, issued by another jurisdiction, suspended or revoked for a disciplinary violation involving fraud, misrepresentation, or dishonest or dishonorable dealings. A certified copy of the order of the administrative agency in the other jurisdiction shall be prima facie evidence of the suspension or revocation.

54-2063. DISCIPLINARY PROCEDURE AND REVIEW OF AGENCY ACTION. All disciplinary actions under this chapter and all rights of review or appeal are governed by chapter 52, title 67, Idaho Code, and the rules
of practice and procedure of the Idaho real estate commission.

54-2064. PROOF OF COMPLAINT -- PROSECUTION BY COUNTY PROSECUTING ATTORNEY. The commission may prefer a complaint for violation of any section of this chapter before any court of competent jurisdiction. It shall be the duty of the prosecuting attorney of each county in the state to prosecute all violations of the provisions of this chapter in their respective counties in which the violations occur.

54-2065. PENALTY FOR ACTING AS A BROKER OR SALESPERSON WITHOUT LICENSE. Any person acting as a real estate broker or real estate salesperson within the meaning of this chapter without a license as herein provided shall be guilty of a misdemeanor and, upon conviction thereof, if a natural person, be punished by a fine of not to exceed five thousand dollars ($5,000), or by imprisonment in the county jail for a term not to exceed one (1) year, or by both such fine and imprisonment in the discretion of the court; or if a limited liability company or corporation, by a fine of not to exceed ten thousand dollars ($10,000). Additionally, the court may assess a civil penalty against a natural person in an amount not to exceed five thousand dollars ($5,000), and against a limited liability company or corporation, in an amount not to exceed ten thousand dollars ($10,000). All civil penalties shall be credited to the special real estate fund.

54-2066. INJUNCTIVE RELIEF. The commission is hereby authorized to institute injunctive proceedings in the district court of competent jurisdiction, pursuant to the Idaho rules of civil procedure, for cause shown, to restrain any person or persons from violating any provision of this chapter regardless of whether or not there exists an adequate remedy at law.

54-2067. CEASE AND DESIST ORDERS. The commission is authorized to order that any person violating any provision of this chapter cease and desist such activity immediately. Violation of the cease and desist order shall be a violation of this chapter and shall subject the person to any and all remedies available to the commission in this or other chapters of the Idaho Code.

54-2068. WITNESSES -- DEPOSITIONS -- FEES -- SUBPOENAS. (1) The commission, or any member thereof, the executive director of the commission, or such other person so designated by the commission by rule, shall have power to administer oaths, certify to all official acts, issue subpoenas for attendance of witnesses and the production of books and papers, take the testimony of any person by deposition in the manner prescribed for in the rules of procedure of the district court of this state, in civil cases, in any investigation or hearing in any part of the state.

(2) Each witness who appears pursuant to a subpoena shall receive for his attendance the fees and mileage allowed to a witness in civil cases in the district court. Witness fees shall be paid by the party at whose request the witness is subpoenaed.

(3) If a witness, who has not been required to attend at the request of any party, is subpoenaed by the commission or executive
director, his fees and mileage shall be paid from funds appropriated for the use of the commission in the same manner as other expenses of the commission are paid.

54-2069. REAL ESTATE RECOVERY FUND ESTABLISHED. There is hereby created in the state treasury the real estate recovery fund. A balance of not more than twenty thousand dollars ($20,000) shall be maintained in the fund, to be used for satisfying claims against persons licensed under this chapter, as provided in sections 54-2069 through 54-2078, Idaho Code. Any balance over twenty thousand dollars ($20,000) shall be deposited in the special real estate fund and be subject to appropriation by the legislature for the use of the commission to carry out the provisions of this chapter.

54-2070. AUGMENTATION OF FUND. Upon the original application or renewal of every real estate broker's, associate broker's and salesperson's license for a two-year period, the licensee shall pay, in addition to the original or renewal license fee, a fee of twenty dollars ($20.00). Such additional fees and all education fees charged and collected for tuition or registration, course materials and such other fees involved with the commission education programs shall be paid into the state treasury and credited to the special real estate fund as provided in section 54-2021, Idaho Code, except for such funds as are required to maintain a balance of twenty thousand dollars ($20,000) in the real estate recovery fund as provided for in section 54-2069, Idaho Code.

54-2071. RECOVERY FROM FUND -- PROCEDURE -- GROUNDS -- AMOUNT -- HEARING. (1) When any person obtains a final judgment in any court of competent jurisdiction against any licensee under this chapter, upon grounds of fraud, misrepresentation or deceit with reference to any transaction for which a license is required under this chapter, such person may, upon termination of all proceedings, including appeals in connection with any judgment, file a verified petition in the court in which the judgment was entered for an order directing payment out of the real estate recovery fund in the amount of actual damages included in the judgment and unpaid, but not more than ten thousand dollars ($10,000) per licensee per calendar year. The recovery fund's liability for all claims arising from the acts or omissions of any one (1) licensee in any calendar year shall be limited to a payment of not more than ten thousand dollars ($10,000), regardless of the number of persons damaged by the acts or omissions of a licensee, or the total amount of damage caused by such licensee, in any one (1) calendar year. If a claim is made against the fund and the commission has actual knowledge of any other claims against the recovery fund which have been filed or asserted against the same licensee and arise from acts or omissions of the licensee in the same calendar year, then the commission shall file an interpleader action in accordance with the applicable statutes and the Idaho rules of civil procedure against all known parties who may claim a right to payment from the fund. Unless the commission has actual knowledge of other potential claims, as stated above, and so files the interpleader action, the first person who obtains a final judgment against a licensee shall be entitled to
the payment of that amount equal to the lesser of the judgment or ten thousand dollars ($10,000), providing the claimant meets the other criteria set forth herein.

(2) A copy of the petition shall be served upon the commission and an affidavit of such service shall be filed with the court.

(3) The court shall act upon such petition within thirty (30) days after such service and, upon the hearing thereof, the petitioner shall be required to show that:

(a) He is not the spouse of the debtor, or the personal representative of such spouse;
(b) He has complied with all the requirements of sections 54-2069 through 54-2078, Idaho Code;
(c) He has obtained a judgment of the kind described in subsection (1) of this section, stating the amount thereof and the amount owing thereon at the date of the petition;
(d) He has caused to be issued a writ of execution upon the judgment and the officer executing the same has made a return showing that no personal or real property of the judgment debtor liable to be levied upon in satisfaction of the judgment could be found, or that the amount realized on the sale of them or of such of them as were found, under the execution, was insufficient to satisfy the judgment, stating the amount so realized and the balance remaining due on the judgment after application thereon of the amount realized;
(e) He has made all reasonable searches and inquiries to ascertain whether the judgment debtor is possessed of real or personal property or other assets liable to be sold or applied in satisfaction of the judgment; and
(f) That by such search he has discovered no personal or real property or other assets liable to be sold or applied, or that he has discovered certain of them, describing them, owned by the judgment debtor and liable to be so applied, and that he has taken all necessary action and proceedings for the realization thereof, and that the amount thereby realized was insufficient to satisfy the judgment, stating the amount so realized and the balance remaining due on the judgment after application of the amount realized.

(4) Whenever the aggrieved person satisfies the court that it is not practicable to comply with one (1) or more of the requirements enumerated in subsections (3)(d), (e) and (f) of this section, and that the aggrieved person has taken all reasonable steps to collect that amount of the judgment or the unsatisfied part thereof and has been unable to collect the same, the court may in its discretion dispense with the necessity for complying with such requirements.

54-2072. COMMISSION MAY ANSWER PETITION -- COMPROMISE OF CLAIMS.

(1) Whenever the court proceeds upon a petition as provided in section 54-2071, Idaho Code, the commission may answer and defend any such action against the recovery fund on behalf of the recovery fund and in the name of the defendant and may use any appropriate method of review on behalf of the recovery account.

(2) The judgment set forth in the petition shall be considered as prima facie evidence only, and the findings of fact therein shall not
be conclusive for the purposes of sections 54-2069 through 54-2078, Idaho Code.

(3) The commission may, subject to court approval, compromise a claim based upon the application of a petitioner.

54-2073. COURT ORDER REQUIRING PAYMENT FROM RECOVERY FUND. If the court finds, after hearing that the claim should be levied against the portion of the recovery fund allocated for the purpose of carrying out the provisions of sections 54-2069 through 54-2078, Idaho Code, the court shall enter an order directed to the commission requiring payment from the recovery fund of whatever sum it finds to be payable upon the claim pursuant to the provisions of and in accordance with the limitations contained in section 54-2071, Idaho Code.

54-2074. AUTOMATIC SUSPENSION OF BROKER'S, ASSOCIATE BROKER'S OR SALESPERSON'S LICENSE ON PAYMENT BY COMMISSION -- CONDITION FOR LICENSE REINSTATEMENT. If, pursuant to court order, the commission pays from the recovery fund any amount in settlement of a claim or towards satisfaction of a judgment against a licensed broker, associate broker or salesperson, the license of such broker, associate broker or salesperson shall be automatically suspended without further order of the commission upon the effective date of any order by the court as set forth herein authorizing payment from the recovery fund. No such broker, associate broker or salesperson shall be granted reinstatement until he has repaid in full, the amount so paid from the recovery fund plus interest at the legal rate of interest allowable by law for judgments.

54-2075. ORDER OF PAYMENT OF CLAIMS IF RECOVERY FUND BALANCE INSUFFICIENT -- INTEREST. If, at any time, the money deposited in the recovery fund and allotted for satisfying claims against licensees is insufficient to satisfy any authorized claim or portion thereof, the commission shall, when sufficient money has been deposited in the recovery fund, satisfy such unpaid claims or portions thereof, in the order that such claims or portions thereof were originally filed, plus accumulated interest at the rate of eleven percent (11%) per annum.

54-2076. COMMISSION'S RIGHT TO SUBROGATION. When the commission has paid from the recovery fund any sum to the judgment creditor, the commission has subrogated all other rights of the judgment creditor and the judgment creditor shall assign all his right, title and interest in the judgment to the commission and any amount and interest so recovered by the commission on the judgment shall be deposited to the recovery fund.

54-2077. WAIVER OF RIGHTS. The failure of a person to comply with all of the provisions of sections 54-2069 through 54-2071, Idaho Code, shall constitute a waiver of any rights hereunder.

54-2078. DISCIPLINARY ACTION AGAINST LICENSEES NOT RESTRICTED FOR VIOLATIONS OF LAW OR RULES. Nothing contained in sections 54-2069 through 54-2078, Idaho Code, limits the authority of the commission to take disciplinary action against a licensee for a violation of any of
the provisions of the chapter, or of the rules of the commission, nor
shall the repayment in full of all obligations to the recovery fund by
any licensee nullify or modify the effect of any other disciplinary
proceeding brought pursuant to the provisions of this chapter or the
rules promulgated thereunder.

54-2079. TERMINATION OF SALESPERSON FOR VIOLATION OF DISCIPLINARY
PROVISIONS -- STATEMENT TO BE FILED WITH COMMISSION. When any real
estate salesperson shall be terminated by his broker for a violation
of any of the provisions of sections 54-2060 through 54-2062, Idaho
Code, a written statement of the facts in reference thereto shall be
filed forthwith with the commission.

54-2080. RECORDS -- DISCLOSURE TO PUBLIC. Records kept in the
office of the commission under authority of this chapter and chapter
18, title 55, Idaho Code, shall be open to public inspection as pro­
vided in chapter 3, title 9, Idaho Code.

hereby amended to read as follows:

54-206284. BROKERAGE AGENCY RELATIONSHIPS -- CREATION. For--all
regulated--regulated--real-estate-transactions--first-executed-on-or-after-July-1;
1996=aA buyer or seller is not represented by a brokerage in a regu­
lated real estate transaction unless the buyer or seller and the bro­
erage agree, in writing a separate written document, to such repre­
sentation. No type of agency representation may be assumed by a bro­
erage, buyer or seller or created orally or by implication.

SECTION 7. That Section 54-2063, Idaho Code, be, and the same is
hereby amended to read as follows:
54-206385. DISCLOSURE AND WRITING REQUIREMENTS -- AGENCY DISCLOSURE BROCHURE AND REPRESENTATION CONFIRMATION. (1) A licensee shall give to a prospective buyer or seller at the first substantial business contact the agency disclosure brochure established by the Idaho real estate commission. The commission by rule shall establish the form and contents of the brochure in accordance with the provisions of this act. Each brokerage shall keep an initialed and dated record of a buyer or seller's receipt of the agency disclosure brochure.

(2) The agency disclosure brochure shall list the types of representation available to a buyer or seller in a regulated real estate transaction, the legal duties and obligations owed to the buyer or seller in each type of representation and a conspicuous notice that no representation will exist absent a written agreement between the buyer or seller and the brokerage.

(3) A brokerage's relationship with a buyer and seller as an agent, nonagent, or limited dual agent must be determined and all necessary agreements executed no later than the preparation of a purchase and sale agreement. A brokerage must disclose its relationship to both buyer and seller in any transaction no later than the preparation or presentation of a purchase and sale agreement.

(4) In addition, a purchase and sale agreement or other document drafted in connection with a real estate transaction shall contain the following confirmation of the relationship, whether it involved representation or not, between the buyer, seller and licensees involved:

REPRESENTATION CONFIRMATION

In this transaction, the brokerage(s) involved had the following relationship(s) with the BUYER ("agent" or "nonagent" or "limited dual agent"):  
Listing broker acted as a(n) ................. for the buyer.  
Selling broker acted as a(n) ................ for the buyer.  

In this transaction, the brokerage(s) involved had the following relationship(s) with the SELLER ("agent" or "nonagent" or "limited dual agent"):  
Listing broker acted as a(n) ................. for the seller.  
Selling broker acted as a(n) ................ for the seller.  

Each party signing this document confirms that he or she has received, read and understood the Agency Disclosure Brochure and has elected the relationship confirmed above. In addition, each party confirms that the broker's agency office policy was made available for inspection and review. EACH PARTY UNDERSTANDS THAT HE OR SHE IS A "CUSTOMER" AND IS NOT REPRESENTED BY A BROKER UNLESS THERE IS A SIGNED WRITTEN AGREEMENT FOR AGENCY REPRESENTATION.

(5) The failure of a licensee to timely give a buyer or seller the agency disclosure brochure or the failure of a licensee to properly and timely obtain any written agreement or confirmation required by this act shall be a violation of the Idaho real estate license law and may subject the licensee to disciplinary action according to the provisions of sections 54-204658 through 54-2078, Idaho Code.

(6) Neither the commission brochure nor the representation confirmation shall create a brokerage relationship. A separate, signed, written agreement is required for that purpose.
SECTION 8. That Section 54-2064, Idaho Code, be, and the same is hereby amended to read as follows:

54-2064§6. DUTIES TO A CUSTOMER. (1) If a buyer, prospective buyer, or seller is not represented by a brokerage in a regulated real estate transaction, that buyer or seller remains a customer, to whom and as such, the brokerage and its licensees are nonagents and owe only the following legal duties and obligations:
   (a) To perform ministerial acts to assist the buyer or seller in the sale or purchase of real estate;
   (b) To perform these acts with honesty, good faith, reasonable skill and care;
   (c) To properly account for moneys or property placed in the care and responsibility of the brokerage;
   (d) To disclose to the buyer/customer all adverse material facts actually known or which reasonably should have been known by the licensee;
   (e) To disclose to the seller/customer all adverse material facts actually known or which reasonably should have been known by the licensee;
(2) A nonagent brokerage and its licensees owe no duty to a buyer/customer to conduct an independent inspection of the property for the benefit of that buyer/customer and owe no duty to independently verify the accuracy or completeness of any statement or representation made by the seller or any source reasonably believed by the licensee to be reliable.
(3) A nonagent brokerage and its licensees owe no duty to a seller/customer to conduct an independent investigation of the buyer's financial condition for the benefit of that seller/customer and owe no duty to independently verify the accuracy or completeness of statements made by the buyer or any source reasonably believed by the licensee to be reliable.

SECTION 9. That Section 54-2065, Idaho Code, be, and the same is hereby amended to read as follows:

54-2065§7. DUTIES TO A CLIENT. If a buyer or seller enters into a written contract for representation in a regulated real estate transaction, that buyer or seller becomes a client to whom the brokerage and its licensees owe the following agency duties and obligations:
   (1) To perform the terms of the written agreement with the client;
   (2) To exercise reasonable skill and care;
   (3) To promote the best interests of the client in good faith, honesty and fair dealing including, but not limited to:
      (a) Disclosing to the client all adverse material facts actually known or which reasonably should have been known by the licensee;
      (b) Seeking a buyer to purchase the seller's property at a price, and under terms and conditions acceptable to the seller and assisting in the negotiation therefor; or
      (c) Seeking a property for purchase at a price and under terms and conditions acceptable to the buyer and assisting in the negotiation therefor;
(d) For the benefit of a client/buyer: conducting a reasonable investigation of the property and material representations about the property made by the seller or seller's agent, or when appropriate, advising the client to obtain professional inspections of the property or to seek appropriate tax, legal and other professional advice or counsel;

(e) For the benefit of a client/seller: requesting reasonable proof of a prospective buyer's financial ability to purchase the real property which is the subject matter of the transaction. This duty may be satisfied by any appropriate method suitable to the transaction or, when deemed necessary by the real estate licensee, by advising the client to consult with an accountant, lawyer, or other professional as dictated by the transaction.

(4) To maintain the confidentiality of specific client information as defined by and to the extent required in this act.

(5) To properly account for moneys or property placed in the care and responsibility of the brokerage.

SECTION 10. That Section 54-2066, Idaho Code, be, and the same is hereby amended to read as follows:

54-206688. LIMITED DISCLOSED DUAL AGENCY PERMITTED. (1) A brokerage may act as a limited disclosed dual agent only with the express written consent of all parties to the transaction. Such consent shall contain separate signatures of all parties to the transaction and shall contain the following language:

CONSENT TO LIMITED DUAL REPRESENTATION

The undersigned have received, read and understand the Agency Disclosure Brochure. The undersigned understand that the brokerage involved in this transaction will be or may be providing agency representation to both the buyer(s) and the seller(s). The undersigned each understand that as agents for both buyer and seller, the brokerage(s) will be limited dual agents and cannot legally disclose to either party certain confidential information concerning price negotiations, terms or factors motivating the buyer to buy or the seller to sell without specific written permission of the disclosing party. The specific duties, obligations and limitations of a limited dual agent are contained in the Agency Disclosure Brochure as required by Section 54-206385, Idaho Code. The undersigned each understand that a limited dual agent does not have a duty of undivided loyalty to either client.

(2) All duties and obligations owed to a buyer or a seller client under section 54-206587, Idaho Code, apply to limited disclosed dual agency relationships to the extent they do not unreasonably conflict with duties and obligations owed to the other client, except that:

(a) A limited disclosed dual agent shall not disclose any of the following without express written consent of the client to whom the information pertains:

(i) That a buyer is willing to pay more than the listing price of the property;

(ii) That a seller is willing to accept less than the listing price for the property;
(iii) The factors motivating the buyer to buy or the seller to sell;
(iv) That a buyer or seller will agree to a price or financing terms other than those offered.

(b) A limited disclosed dual agent does not have a duty of undivided loyalty to either buyer/client or seller/client, and by consenting to limited dual agency, the buyer and seller agree to those limitations.

(3) No cause of action for any buyer or seller shall arise against a limited disclosed dual agent for making any required or permitted disclosure under this act, nor does making such disclosure terminate the limited disclosed dual agency.

(4) Receipt of the agency disclosure brochure required by section 54-206385, Idaho Code, and the signed consent to dual representation by buyer and seller agreeing to limited disclosed dual agency representation shall be sufficient informed legal consent to dual representation under this act. A consent by the buyer and seller to possible dual representation in the future, such as may be contained in a written marketing or representation agreement between a brokerage and client, shall also be considered effective and informed legal consent to dual representation.

SECTION 11. That Section 54-2067, Idaho Code, be, and the same is hereby amended to read as follows:

54-206789. BROKER COMPENSATION. Payment of compensation or a written agreement only for payment of compensation to a brokerage shall not constitute an express agreement creating an agency relationship.

SECTION 12. that Section 54-2068, Idaho Code, be, and the same is hereby amended to read as follows:

54-206890. WRITTEN OFFICE POLICY REQUIRED. Each designated broker shall be responsible to adopt and maintain in each office, including branch offices, a written policy which identifies and describes the types of representation in which that brokerage and its affiliated licensees may engage with any buyer or seller, or both, as a part of that office's real estate brokerage services.

SECTION 13. That Section 54-2069, Idaho Code, be, and the same is hereby amended to read as follows:

54-206991. DURATION OF EXPRESS REPRESENTATION. (1) A brokerage representation under this act shall commence on the date indicated on the written agreement between the brokerage and a buyer/client or seller/client and shall end at the earliest of:
(a) Performance or completion of the representation;
(b) Agreement by the parties;
(c) Expiration of the agency relationship agreement.
(2) Nothing in this act shall prohibit the brokerage and the buyer or seller from changing the legal nature of their relationship or representation in accordance with this act during the course of the
real estate transaction. However, the brokerage is not relieved thereby from meeting the disclosure requirements and obtaining the written agreements, consents or confirmations required by this act.

SECTION 14. That Section 54-2070, Idaho Code, be, and the same is hereby amended to read as follows:

54-207092. DUTIES AND OBLIGATIONS OWED AFTER TERMINATION OF REPRESENTATION. Except as otherwise agreed in writing, a brokerage owes no further duty or obligation to a client after termination of the agreed representation except:

(1) Accounting for all moneys and property received by the brokerage during the representation; and
(2) Maintaining the confidentiality of all information defined as confidential client information by this act.

SECTION 15. That Section 54-2071, Idaho Code, be, and the same is hereby amended to read as follows:

54-207193. VICARIOUS LIABILITY ABOLISHED. (1) A client, as defined in this act, whether buyer or seller, shall not be liable for a wrongful act, error, omission or misrepresentation of his broker/representative or subagent unless the client had actual knowledge of or reasonably should have known of the wrongful act, error, omission or misrepresentation.
(2) A licensee or brokerage engaged in representation of a client shall not be liable for a wrongful act, error, omission or misrepresentation of the client or of any subagent unless the licensee or brokerage had actual knowledge or reasonably should have known of the wrongful act, error, omission or misrepresentation.
(3) Nothing in this section shall be construed to diminish or limit any of the broker's or licensee's responsibilities under chapter 20, title 54, Idaho Code, or the rules promulgated thereunder.

SECTION 16. That Section 54-2072, Idaho Code, be, and the same is hereby amended to read as follows:

54-207294. REPRESENTATION NOT FIDUCIARY IN NATURE. While this act is intended to abrogate the common law of agency as it applies to regulated real estate transactions, nothing in this act shall prohibit a brokerage from entering into a written agreement with a buyer or seller which creates an agency relationship in which the duties and obligations are greater than those provided in this act. However, unless greater duties are specifically agreed to in writing between the brokerage and a represented client, the duties and obligations owed to a represented client in a regulated real estate transaction are not fiduciary in nature and are not subject to equitable remedies for breach of fiduciary duty.

SECTION 17. That Section 54-2073, Idaho Code, be, and the same is hereby amended to read as follows:
54-20f395. CONFLICTS WITH OTHER LAW. If the provisions of this act are found to be in conflict with any other provision of Idaho law, the provisions of this act shall control.

SECTION 18. That Chapter 20, Title 54, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW SECTION, to be known and designated as Section 54-2096, Idaho Code, and to read as follows:

54-2096. SEVERABILITY. The provisions of this chapter are severable and if any provision of this chapter or the application of such provision to any person or circumstance is declared invalid for any reason, such declaration shall not affect the validity of the remaining portions of this chapter.

SECTION 19. That Section 54-2074, Idaho Code, be, and the same is hereby amended to read as follows:

54-20f497. RULEMAKING AUTHORITY OF THE COMMISSION. The Idaho real estate commission shall have authority to promulgate rules in accordance with the provisions of chapter 52, title 67, Idaho Code, to implement the provisions of this act chapter.

SECTION 20. That Section 33-2101A, Idaho Code, be, and the same is hereby amended to read as follows:

SECTION 21. This act shall be in full force and effect on and after July 1, 2000.

Approved April 14, 2000.

CHAPTER 50
UNIFORM ELECTRONIC TRANSACTIONS ACT

28-50-101. SHORT TITLE. This act may be cited as the "Uniform Electronic Transactions Act."

28-50-102. DEFINITIONS. In this chapter:
(1) "Agreement" means the bargain of the parties in fact, as found in their language or inferred from other circumstances and from rules, regulations, and procedures given the effect of agreements under laws otherwise applicable to a particular transaction.
(2) "Automated transaction" means a transaction conducted or performed, in whole or in part, by electronic means or electronic records, in which the acts or records of one (1) or both parties are not reviewed by an individual in the ordinary course in forming a contract, performing under an existing contract, or fulfilling an obligation required by the transaction.
(3) "Computer program" means a set of statements or instructions to be used directly or indirectly in an information processing system in order to bring about a certain result.
(4) "Contract" means the total legal obligation resulting from the parties' agreement as affected by this chapter and other applicable law.
(5) "Electronic" means relating to technology having electrical, digital, magnetic, wireless, optical, electromagnetic or similar capabilities.
(6) "Electronic agent" means a computer program or an electronic or other automated means used independently to initiate an action or respond to electronic records or performances in whole or in part,
(7) "Electronic record" means a record created, generated, sent, communicated, received or stored by electronic means.

(8) "Electronic signature" means an electronic sound, symbol or process attached to or logically associated with a record and executed or adopted by a person with the intent to sign the record.

(9) "Governmental agency" means an executive, legislative, or judicial agency, department, board, commission, authority, institution, or instrumentality of the federal government or of a state or of a county, municipality or other political subdivision of a state.

(10) "Information" means data, text, images, sounds, codes, computer programs, software, databases or the like, but shall not include the electronic transfer of funds to or from the state.

(11) "Information processing system" means an electronic system for creating, generating, sending, receiving, storing, displaying or processing information.

(12) "Person" means an individual, corporation, business trust, estate, trust, partnership, limited liability company, association, joint venture, governmental agency, public corporation, or any other legal or commercial entity.

(13) "Record" means information that is inscribed on a tangible medium or that is stored in an electronic or other medium and is retrievable in perceivable form.

(14) "Security procedure" means a procedure employed for the purpose of verifying that an electronic signature, record, or performance is that of a specific person or for detecting changes or errors in the information in an electronic record. The term includes a procedure that requires the use of algorithms or other codes, identifying words or numbers, encryption, or callback or other acknowledgment procedures.

(15) "State" means a state of the United States, the District of Columbia, Puerto Rico, the United States Virgin Islands, or any territory or insular possession subject to the jurisdiction of the United States. The term includes an Indian tribe or band, or Alaskan native village, which is recognized by federal law or formally acknowledged by a state.

(16) "Transaction" means an action or set of actions occurring between two (2) or more persons relating to the conduct of business, commercial or governmental affairs.

28-50-103. SCOPE. (a) Except as otherwise provided in subsection (b) of this section, this chapter applies to electronic records and electronic signatures relating to a transaction.

(b) This chapter does not apply to a transaction to the extent it is governed by:

(1) A law governing the creation and execution of wills, codicils or testamentary trusts; and

(2) The uniform commercial code, other than sections 28-1-107 and 28-1-206, Idaho Code, chapter 2, title 28, Idaho Code (uniform commercial code -- sales), and chapter 12, title 28, Idaho Code (uniform commercial code -- leases):

(c) This chapter applies to an electronic record or electronic signature otherwise excluded from the application of this chapter.
under subsection (b) of this section to the extent it is governed by a law other than those specified in subsection (b) of this section.
(d) A transaction subject to this chapter is also subject to other applicable substantive law.

28-50-104. PROSPECTIVE APPLICATION. This chapter applies to any electronic record or electronic signature created, generated, sent, communicated, received, or stored on or after the initial effective date of this chapter.

28-50-105. USE OF ELECTRONIC RECORDS AND ELECTRONIC SIGNATURES -- VARIATION BY AGREEMENT. (a) This chapter does not require a record or signature to be created, generated, sent, communicated, received, stored, or otherwise processed or used by electronic means or in electronic form.
(b) This chapter applies only to transactions between parties each of which has agreed to conduct transactions by electronic means. Whether the parties agree to conduct a transaction by electronic means is determined from the context and surrounding circumstances, including the parties' conduct.
(c) A party that agrees to conduct a transaction by electronic means may refuse to conduct other transactions by electronic means. The right granted by this subsection may not be waived by agreement.
(d) Except as otherwise provided in this chapter, the effect of any of its provisions may be varied by agreement. The presence in certain provisions of this chapter of the words "unless otherwise agreed," or words of similar import, does not imply that the effect of other provisions may not be varied by agreement.
(e) Whether an electronic record or electronic signature has legal consequences is determined by this chapter and other applicable law.

28-50-106. CONSTRUCTION AND APPLICATION. This chapter must be construed and applied:
(1) To facilitate electronic transactions consistent with other applicable law;
(2) To be consistent with reasonable practices concerning electronic transactions and with the continued expansion of those practices; and
(3) To effectuate its general purpose to make uniform the law with respect to the subject of this chapter among states enacting it.

28-50-107. LEGAL RECOGNITION OF ELECTRONIC RECORDS, ELECTRONIC SIGNATURES AND ELECTRONIC CONTRACTS. (a) A record or signature may not be denied legal effect or enforceability solely because it is in electronic form.
(b) A contract may not be denied legal effect or enforceability solely because an electronic record was used in its formation.
(c) If a law requires a record to be in writing, an electronic record satisfies the law.
(d) If a law requires a signature, an electronic signature satisfies the law.
28-50-108. PROVISION OF INFORMATION IN WRITING -- PRESENTATION OF RECORDS. (a) If parties have agreed to conduct a transaction by electronic means and a law requires a person to provide, send, or deliver information in writing to another person, the requirement is satisfied if the information is provided, sent or delivered, as the case may be, in an electronic record capable of retention by the recipient at the time of receipt. An electronic record is not capable of retention by the recipient if the sender or its information processing system inhibits the ability of the recipient to print or store the electronic record.

(b) If a law other than this chapter requires a record: (i) to be posted or displayed in a certain manner; (ii) to be sent, communicated, or transmitted by a specified method; or (iii) to contain information that is formatted in a certain manner, the following rules apply:

(1) The record must be posted or displayed in the manner specified in the other law.
(2) Except as otherwise provided in subsection (d)(2) of this section, the record must be sent, communicated or transmitted by the method specified in the other law.
(3) The record must contain the information formatted in the manner specified in the other law.
(c) If a sender inhibits the ability of a recipient to store or print an electronic record, the electronic record is not enforceable against the recipient.

(d) The requirements of this section may not be varied by agreement, but:

(1) To the extent a law other than this chapter requires information to be provided, sent, or delivered in writing but permits that requirement to be varied by agreement, the requirement under subsection (a) of this section that the information be in the form of an electronic record capable of retention may also be varied by agreement; and
(2) A requirement under a law other than this chapter to send, communicate or transmit a record by regular United States mail, may be varied by agreement to the extent permitted by the other law.

28-50-109. ATTRIBUTION AND EFFECT OF ELECTRONIC RECORD AND ELECTRONIC SIGNATURE. (a) An electronic record or electronic signature is attributable to a person if it was the act of the person. The act of the person may be shown in any manner, including a showing of the efficacy of any security procedure applied to determine the person to which the electronic record or electronic signature was attributable.

(b) The effect of an electronic record or electronic signature attributed to a person under subsection (a) of this section is determined from the context and surrounding circumstances at the time of its creation, execution or adoption, including the parties' agreement, if any, and otherwise as provided by law.

28-50-110. EFFECT OF CHANGE OR ERROR. If a change or error in an electronic record occurs in a transmission between parties to a transaction, the following rules apply:
(1) If the parties have agreed to use a security procedure to detect changes or errors and one (1) party has conformed to the procedure, but the other party has not, and the nonconforming party would have detected the change or error had that party also conformed, the conforming party may avoid the effect of the changed or erroneous electronic record.

(2) In an automated transaction involving an individual, the individual may avoid the effect of an electronic record that resulted from an error made by the individual in dealing with the electronic agent of another person if the electronic agent did not provide an opportunity for the prevention or correction of the error and, at the time the individual learns of the error, the individual:

(A) Promptly notifies the other person of the error and that the individual did not intend to be bound by the electronic record received by the other person;
(B) Takes reasonable steps, including steps that conform to the other person's reasonable instructions, to return to the other person or, if instructed by the other person, to destroy the consideration received, if any, as a result of the erroneous electronic record; and
(C) Has not used or received any benefit or value from the consideration, if any, received from the other person.

(3) If neither subsection (1) nor (2) of this section apply, the change or error has the effect provided by other law, including the law of mistake, and the parties' contract, if any.

(4) Subsections (2) and (3) of this section may not be varied by agreement.

28-50-111. NOTARIZATION AND ACKNOWLEDGMENT. If a law requires a signature or record to be notarized, acknowledged, verified, or made under oath, the requirement is satisfied if the electronic signature of the person authorized to perform those acts, together with all other information required to be included by other applicable law, is attached to or logically associated with the signature or record.

28-50-112. RETENTION OF ELECTRONIC RECORDS -- ORIGINALS. (a) If a law requires that a record be retained, the requirement is satisfied by retaining an electronic record of the information in the record which:

(1) Accurately reflects the information set forth in the record after it was first generated in its final form as an electronic record or otherwise; and
(2) Remains accessible for later reference.

(b) A requirement to retain a record in accordance with subsection (a) of this section does not apply to any information, the sole purpose of which is to enable the record to be sent, communicated, or received.

(c) A person may satisfy subsection (a) of this section by using the services of another person if the requirements of that subsection are satisfied.

(d) If a law requires a record to be presented or retained in its original form, or provides consequences if the record is not presented or retained in its original form, that law is satisfied by an elec-
tronic record retained in accordance with subsection (a) of this sec-

tion.

(e) If a law requires retention of a check, that requirement is
satisfied by retention of an electronic record of the information on
the front and back of the check in accordance with subsection (a) of
this section.

(f) A record retained as an electronic record in accordance with
subsection (a) of this section satisfies a law requiring a person to
retain a record for evidentiary, audit, or like purposes, unless a law
enacted after the initial effective date of this chapter specifically
prohibits the use of an electronic record for the specified purpose.

(g) This section does not preclude a governmental agency of this
state from specifying additional requirements for the retention of a
record subject to the agency's jurisdiction.

28-50-113. ADMISSIBILITY IN EVIDENCE. In a proceeding, evidence
of a record or signature may not be excluded solely because it is in
electronic form.

28-50-114. AUTOMATED TRANSACTION. In an automated transaction,
the following rules apply:

(1) A contract may be formed by the interaction of electronic
agents of the parties, even if no individual was aware of or reviewed
the electronic agents' actions or the resulting terms and agreements.

(2) A contract may be formed by the interaction of an electronic
agent and an individual, acting on the individual's own behalf or for
another person, including by an interaction in which the individual
performs actions that the individual is free to refuse to perform and
which the individual knows or has reason to know will cause the elec-
tronic agent to complete the transaction or performance.

(3) The terms of the contract are determined by the substantive
law applicable to it.

28-50-115. TIME AND PLACE OF SENDING AND RECEIPT. (a) Unless
otherwise agreed between the sender and the recipient, an electronic
record is sent when it:

(1) Is addressed properly or otherwise directed properly to an
information processing system that the recipient has designated or
uses for the purpose of receiving electronic records or informa-
tion of the type sent and from which the recipient is able to
retrieve the electronic record;

(2) Is in a form capable of being processed by that system; and

(3) Enters an information processing system outside the control
of the sender or of a person that sent the electronic record on
behalf of the sender or enters a region of the information proc-
essing system designated or used by the recipient which is under
the control of the recipient.

(b) Unless otherwise agreed between a sender and the recipient,
an electronic record is received when:

(1) It enters an information processing system that the recipient
has designated or uses for the purpose of receiving electronic
records or information of the type sent and from which the recipi-
ent is able to retrieve the electronic record; and
(2) It is in a form capable of being processed by that system.  
(c) Subsection (b) of this section applies even if the place the 
information processing system is located is different from the place 
the electronic record is deemed to be received under subsection (d) of 
this section. 
(d) Unless otherwise expressly provided in the electronic record 
or agreed between the sender and the recipient, an electronic record 
is deemed to be sent from the sender's place of business and to be 
received at the recipient's place of business. For purposes of this 
subsection, the following rules apply: 
(1) If the sender or recipient has more than one place of 
business, the place of business of that person is the place having 
the closest relationship to the underlying transaction. 
(2) If the sender or the recipient does not have a place of busi­ 
ness, the place of business is the sender's or recipient's resi­ 
dence, as the case may be. 
(e) An electronic record is received under subsection (b) of this 
section even if no individual is aware of its receipt. 
(f) Receipt of an electronic acknowledgment from an information 
processing system described in subsection (b) of this section estab­ 
ishes that a record was received but, by itself, does not establish 
that the content sent corresponds to the content received. 
(g) If a person is aware that an electronic record purportedly 
sent under subsection (a) of this section, or purportedly received 
under subsection (b) of this section, was not actually sent or 
received, the legal effect of the sending or receipt is determined by 
other applicable law. Except to the extent permitted by the other 
law, the requirements of this subsection may not be varied by agree­ 
ment. 

28-50-116. TRANSFERABLE RECORD. (a) In this section, "transferable record" means an electronic record that: 
(1) Would be a note under chapter 3, title 28, Idaho Code 
(uniform commercial code -- negotiable instruments) or a document 
under chapter 7, title 28, Idaho Code (uniform commercial code -- 
warehouse receipts, bills of lading and other documents of title) 
if the electronic record were in writing; and 
(2) The issuer of the electronic record expressly has agreed is a 
transferable record. 
(b) A person has control of a transferable record if a system 
employed for evidencing the transfer of interests in the transferable 
record reliably establishes that person as the person to which the 
transferable record was issued or transferred. 
(c) A system satisfies subsection (b) of this section, and a per­ 
son is deemed to have control of a transferable record, if the trans­ 
ferable record is created, stored and assigned in such a manner that: 
(1) A single authoritative copy of the transferable record exists 
which is unique, identifiable, and, except as otherwise provided

If the deficiency in capital has not been made good and the unsafe condition remedied within sixty (60) days, the director may apply to the district court, in the county in which the principal office of the state trust company is located, to be appointed receiver for the liquidation or rehabilitation of the state trust company. The expense of such receivership shall be paid out of the assets of the state trust company.

54-1212. GENERAL REQUIREMENTS FOR EXAMINATION AND LICENSE. Except as herein otherwise expressly provided, no license as a professional engineer or professional land surveyor, or certification as an engineer-in-training or land surveyor-in-training, shall be issued until an applicant has successfully passed an examination given by or under the supervision of the board, nor shall a license as a professional engineer or professional land surveyor, or certification as an engineer-in-training or land surveyor-in-training, be issued to an applicant having habits or character that would justify revocation or suspension of certificate, as provided in section 54-1220, Idaho Code.    (b) Evidence satisfactory to the board that the applicant possesses knowledge and skill approximating that attained through graduation from an approved four (4) year engineering curriculum, graduation with a bachelor degree in a related science from a school or college approved by the board, passage of an examination on the fundamentals of engineering acceptable to the board, and a specific record of eight (8) years or more of progressive experience in engineering work of a grade and character satisfactory to the board and indicating that the applicant is competent to prac-
tice professional engineering.

(2) As a professional land surveyor:

(a) Graduation from an approved surveying curriculum of four (4) years or more in a school or college approved by the board as being of satisfactory standing, passage of an examination on the fundamentals of land surveying acceptable to the board, and a specific record of an additional four (4) years or more of combined office and field experience in land surveying work, with a minimum of two (2) years of progressive experience in land surveying work of a grade and character satisfactory to the board and indicating that the applicant is competent to practice professional land surveying; or

The mere execution, as a contractor, of work designed by a professional engineer, or the supervision of the construction of such work as a foreman or superintendent, shall not be deemed to be the practice of engineering, but if such experience, in the opinion of the board, has involved responsible supervision of a character that will tend to expand the engineering knowledge and skill of the applicant the board may in its discretion give such credit therefor as it may deem proper.

Any person having the necessary qualifications prescribed in this chapter to entitle him to registration shall be eligible for such registration although he may not be practicing his profession at the time of making his application.

SECTION 8. That Section 54-1213, Idaho Code, be, and the same is hereby amended to read as follows:

SECTION 9. That Section 54-1214, Idaho Code, be, and the same is hereby amended to read as follows:

54-1214. EXAMINATIONS. (1) Examinations will be held at such times and places as the board directs. The board shall determine the acceptable grade on examinations.

(a) Fundamentals of Engineering -- The examination consists of an eight (8) hour test period on the fundamentals of engineering. Passing this examination qualifies the examinee for an engineer-
in-training certificate, provided he has met all other requirements of certification required by this chapter.

(b) Principles and Practice of Engineering -- The examination consists of a minimum of an eight (8) hour test period on applied engineering. Passing this examination qualifies the examinee for registration as a professional engineer, provided he has met the other requirements for registration required by this chapter.

(c) Fundamentals of Land Surveying -- The examination consists of an eight (8) hour test period on the fundamentals of land surveying. Passing this examination qualifies the examinee for a land surveyor-in-training certificate, provided he has met all other requirements for certification required by this chapter.

(d) Principles and Practice of Land Surveying -- The examination consists of a minimum of an eight (8) hour test period on applied land surveying. Passing this examination qualifies the examinee for registration as a professional land surveyor, provided he has met the other requirements for registration required by this chapter.

(3) A candidate failing all or part of the examination may apply for reexamination, which may be granted upon payment of a fee equal to the total application fee for the first required examination. In the event of a second failure, the examinee shall be required to appear before the board or a member thereof to submit evidence of having acquired the necessary additional knowledge to warrant assignment to a third examination.

(4) The board may prepare and adopt specifications for the written examinations in engineering and land surveying. They shall be published in brochure form and be available to any person interested in being registered as a professional engineer or as a professional land surveyor.

SECTION 10. That Section 54-1215, Idaho Code, be, and the same is hereby amended to read as follows:

54-1215. CERTIFICATES -- SEALS. (1) The board shall issue a certificate of registration upon payment of the registration fee as provided for in this chapter to any applicant who, in the opinion of the board, has satisfactorily met all of the requirements of this chapter, and an enrollment certificate shall be issued to those who qualify as engineers-in-training and land surveyors-in-training. In the case of a registered professional engineer, the certificate shall authorize the practice of "professional engineering," and in the case of a registered professional land surveyor the certificate shall authorize the practice of "professional land surveying." Certificates of registration shall show the full name of the registrant, shall give a serial registration number, and shall be signed by the chairman and the secretary of the board under seal of the board.

(2) The issuance of a certificate of registration by the board shall be prima facie evidence that the person named therein is entitled to all the rights, privileges and responsibilities of a registered professional engineer or of a registered professional land surveyor, provided that said certificate of registration has not expired or has not been suspended or revoked.
(3) Each registrant hereunder shall, upon registration, obtain a seal, the use and design of which are described below. It shall be unlawful for any person to affix or to permit his seal and signature to be affixed to any documents after the certificate of the registrant named thereon has expired or has been suspended or revoked, unless said certificate shall have been renewed, reinstated, or reissued, or for the purpose of aiding or abetting any other person to evade or attempt to evade any portion of this chapter.

(a) The seal may be a rubber stamp, crimp or electronically generated image. Whenever the seal is applied, the registrant's written signature and date shall be adjacent to or across the seal. No further words or wording is required. A facsimile signature generated by any method will not be acceptable.

(b) The seal, signature and date shall be placed on all final specifications, land surveys, reports, plats, drawings, plans, design information and calculations, whenever presented to a client or any public or governmental agency.

(c) The seal, signature and date shall be placed on all original documents. The application of the registrant's seal, signature and date shall constitute certification that the work thereon was done by him or under his responsible charge. Each plan or drawing sheet shall be sealed and signed by the registrant or registrants responsible for each sheet. In the case of a firm, partnership or corporation, each plan or drawing sheet shall be sealed and signed by the registrant or registrants involved. The principal in responsible charge shall sign and seal the title or first sheet. Copies of electronically produced documents, listed in paragraph (b) of this subsection, distributed for informational uses such as for bidding purposes or working copies, may be issued with the registrant's seal and a notice that the original document is on file with the registrant's signature and date. The words "Original Signed By:" and "Date Original Signed:" shall be placed adjacent to or across the seal on the electronic original. The storage location of the original document shall also be provided. Only the title page of reports, specifications and like documents need bear the seal, signature and date of the registrant.

(d) The seal and signature shall be used by registrants only when the work being stamped was under the registrant's responsible charge.

(e) In the case of a temporary permit issued to an engineering registrant of another state, the registrant shall use his state of registration seal and shall affix his signature to all his work performed in this state under the terms of the temporary permit.

(f) The design of the seal shall be as determined by the board, however, the following minimum information shall be on the seal:

The words "State of Idaho"
The registrant's name
The registrant's registration number
The words "Professional Engineer"
or "Professional Surveyor"

(4) The board shall issue to any applicant who, in the opinion of the board, has met the requirements of this chapter, an enrollment certificate or card as an engineer-in-training or land surveyor-in-
training, which indicates that his name has been recorded as such in the board office. The engineer-in-training or land surveyor-in-training enrollment card does not authorize the holder to practice as a professional engineer or a professional land surveyor.

SECTION 11. That Section 54-1216, Idaho Code, be, and the same is hereby amended to read as follows:

54-1216. EXPIRATIONS AND RENEWALS -- FEES. Following issuance or renewal of certificates of registration for professional engineers and land surveyors, expiration shall be on the last day of the month during which the registrant was born, in even-numbered state of Idaho fiscal years for those born in even-numbered calendar years and in odd-numbered state of Idaho fiscal years for those born in odd-numbered calendar years, and shall become invalid on that date unless renewed. During the first year of biennial renewals, those persons born in odd-numbered calendar years shall be invoiced for two (2) years of renewal and those persons born in even-numbered calendar years shall be invoiced for one (1) year of renewal. Certificates of authorization for corporations shall expire on the last day of the month of July following issuance or renewal and shall become invalid on that date unless renewed. It shall be the duty of the board to notify every person registered and every corporation certified under this chapter, of the date of the expiration of said certificate of registration or certificate of authorization and the amount of the fee that shall be required for its renewal. Such notice shall be mailed to the last known address of the registrant or corporation at least one (1) month in advance of the date of the expiration of said certificate or authorization. Renewal may be effected at any time in the appropriate year during the month in which the registrant was born or during the month of July in the case of corporations, by the payment of a renewal fee to be fixed by the board at not less than three dollars ($3.00) nor more than seventy-five one hundred fifty dollars ($75.00). The failure on the part of any registrant or certificate holder to renew his or its certificate annuantly biennially in the month in which they were born or in the month of July in the case of corporations, as required above shall not deprive such person or corporation of the right of renewal, but the fee to be paid for the renewal of a certificate after the month in which it is due shall be increased twenty percent (20%) for each month or fraction of a month that payment of renewal is delayed; provided, however, that the maximum fee for delayed renewal shall not exceed twice the renewal fee for each year biennium delinquent, but in no event more than one three hundred fifty dollars ($350.00). Any work performed after a registration or certificate of authorization has expired, but before delayed renewal has been effected, shall become valid upon delayed renewal as if the registration or certificate of authorization had not expired, but the registrant or certificate holder shall be subject to disciplinary action by the board for practice on an expired license or such other action as provided pursuant to this chapter.

Following issuance or renewal of certificates of enrollment for engineers-in-training and land surveyors-in-training, expiration shall be on the last day of the month during which the certificate holder
was born, in even-numbered state of Idaho fiscal years for those born in even-numbered calendar years and in odd-numbered state of Idaho fiscal years for those born in odd-numbered calendar years. During the first year of biennial renewals, those persons born in odd-numbered calendar years shall be invoiced for two (2) years of renewal and those persons born in even-numbered calendar years shall be invoiced for one (1) year of renewal. The notification to holders of certificates of enrollment shall be processed as prescribed above for registrants except that the annual biennial renewal fee shall not be less than two dollars ($2.00) nor more than fifteen thirty dollars ($1530.00). The failure on the part of any holder of a certificate of enrollment to effect renewal shall not invalidate his status as an engineer-in-training or land surveyor-in-training, but his name shall, after ninety (90) days, be removed from the board's current mailing list.

SECTION 12. That Section 54-1220, Idaho Code, be, and the same is hereby amended to read as follows:

(1) Any person affected party may prefer charges of fraud, deceit, gross negligence, incompetence, misconduct or violation of the rules of professional responsibility for professional engineers, professional land surveyors and corporations with certificate of authorization against any individual registrant or against any corporation holding a certificate of authorization or against a person applying for a certificate of authorization. Repeated acts of negligence may be considered as a gross act for disciplinary action. Such charges shall be in writing, and shall be sworn to by the person or persons making them and shall be filed with the executive secretary director of the board. The executive secretary director of the board may be the person making and filing the charges.

(2) All charges, unless dismissed by the board as unfounded or trivial, shall be heard by the board within six (6) months after the date they were received at the board office unless such time is extended by the board for justifiable cause.

(3) The time and place for said hearing shall be fixed by the board and a copy of the charges, together with a notice of the time and place of hearing, shall be personally served on or mailed to the last known address of such individual registrant or corporation holding a certificate of authorization at least thirty (30) days before the date fixed for the hearing. The proceedings shall be governed by the provisions of chapter 52, title 67, Idaho Code.

(4) If, after such hearing, the board votes in favor of sustaining the charges, the board may, in its discretion, impose an administrative penalty, not to exceed two thousand dollars ($2,000) for deposit in the general account of the state of Idaho. In addition, the board, in its discretion, may admonish, reprimand, suspend, revoke, refuse to renew, refuse to grant, or any combination thereof, the individual's certificate of registration or a corporation's certificate of authorization. The board may also, in its discretion, require the individual to practice under the supervision of another licensee, or require the individual to successfully complete continuing education...
tion courses as may be prescribed by the board.

(5) The board shall have jurisdiction over registrants whose licenses are not current provided the action relates to services performed when the license was current and valid.

SECTION 13. That Section 54-1222, Idaho Code, be, and the same is hereby amended to read as follows:

54-1222. VIOLATIONS AND PENALTIES -- PROSECUTION OF OFFENSES. Legal counsel selected by the board, or the attorney general of this state or anyone designated by him may act as legal advisor of the board. It shall be the duty of the attorney general of this state to enforce the provisions of this act chapter and to prosecute any person violating the same. The attorney general shall be reimbursed by the board for any fees and expenses incurred by the attorney general in representing the board.

(2) Every registrant who distributes fertilizer in the state
shall file with the department a semiannual statement for the report-
ing period setting forth the number of net tons of each fertilizer so
distributed in this state during such period. The statement is due on
or before thirty (30) days following the close of the filing period.
Upon filing the statement, the registrant shall pay the inspection fee
at the rate provided in this section. If the tonnage report is not
filed and the inspection fee is not paid within thirty (30) days after
the end of the specified filing period, a collection fee of ten per-
cent (10%) of the amount due, or twenty-five dollars ($25.00), which-
ever is greater, shall be assessed against the registrant and added to
the amount due.

(3) When more than one (1) person is involved in the distribution
of a fertilizer, the last person who has the fertilizer registered or
who has distributed the fertilizer to a nonregistrant, dealer, or con-
sumer is responsible for reporting the tonnage and paying the inspec-
tion fee, unless the report and payment is made by a prior distributor
of the fertilizer. The registrant has the ultimate responsibility for
the payment of inspection fees.

(4) Records of the number of net tons of each fertilizer so dis-
tributed in this state shall be maintained for a period of five (5)
years. The director shall have the right to examine such records to
verify the reported tonnage of fertilizer distributed in this state.

(5) A minimum inspection fee shall be five dollars ($5.00) per
reporting period.

(6) On individual packages of fertilizer containing twenty-five
(25) pounds or less there shall be paid, in lieu of the inspection
fee, an annual registration fee of twenty-five dollars ($25.00) for
each separately identifiable product of each brand sold or distrib-
uted. Where a person distributes fertilizer in packages of twenty-five
(25) pounds or less and in packages of over twenty-five (25) pounds,
the annual fee shall apply only to that portion distributed in pack-
ages of twenty-five (25) pounds or less.

(7) Fees so collected shall be used for the payment of the costs
of inspection, sampling and analysis, and other expenses necessary
for the administration of this chapter.

22-609. TONNAGE REPORTS. (1) The registrant distributing or sell-
ing fertilizer to a nonregistrant or consumer shall furnish to the
department a report showing the amount (in tons) of each grade of fer-
tilizer, and the form in which the fertilizer was distributed (dry or
liquid). In the case of fertilizer sold to an intermediate distribu-
tor, the registrant or distributor shall list the name, address, tele-
phone number, and amount (in tons) of each fertilizer product sold to
each intermediate distributor.

(2) Information furnished to the department under this section is
exempt from disclosure under section 9-340D(1) or (2), Idaho Code, if
the disclosure would divulge the operation of any person.

22-610. INSPECTION -- SAMPLING. (1) The department shall inspect,
sample, analyze, and test fertilizers distributed within this state,
at a time and place and to the extent the department deems necessary,
to determine whether the fertilizers comply with this chapter. The
department may stop any commercial vehicle transporting fertilizers on
the public highways and direct it to the nearest scales approved by the department to check weights of fertilizers being delivered. The department may also, upon presentation of proper identification, enter any distributor's premises, including any vehicle of transport, at all reasonable times in order to have access to fertilizers and to records relating to their distribution.

(2) The methods of sampling and analysis shall be those adopted by the department from officially recognized sources including, but not limited to, the association of American plant food control officials (AAPFCO) and the association of official analytical chemists, international (AOAC).

(3) The department, in determining for administrative purposes whether a fertilizer is deficient in any component or total nutrients, shall be guided solely by the official sample as defined in section 22-603(18), Idaho Code, and obtained and analyzed as provided for in this section.

(4) When the inspection and analysis of an official sample has been made, the department shall forward the results of the analysis to the distributor and manufacturer, and to the purchaser upon request. Upon written request and within thirty (30) days of the results of analysis, the department shall furnish to the distributor and/or manufacturer a portion of the sample concerned.

(5) If analyses of samples made by the department indicate deficiencies in the fertilizer examined, below guaranteed analysis, and in excess of the tolerances specified by rules promulgated under this chapter, the department shall immediately notify the manufacturer and/or distributor of the fertilizer of the results of the analyses. The manufacturer or seller of the fertilizer may, upon written request, obtain from the department a portion of the sample(s) in question. If he fails to agree with the analyses of the department, he may request an umpire who shall be one (1) of a list of not less than three (3) public analysts of recognized ability in fertilizer analyses, who shall be named by the department. The umpire analyses shall be made at the expense of the manufacturer or seller requesting the same. If the umpire agrees more closely with the department, the figures of the department shall be considered correct. If the umpire agrees more closely with the figures of the manufacturer or distributor, then the figures of the manufacturer or distributor shall be considered correct.

(6) Analysis of an official sample by the department shall be accepted as prima facie evidence by any court of competent jurisdiction.

22-611. PENALTIES. (1) If the analysis shows that any fertilizer deviates from the guaranteed analysis in any plant nutrient, micronutrient, or in total nutrients, a penalty shall be assessed in favor of the department at the rate of three (3) times the value of the deficiency or twenty-five dollars ($25.00), whichever is greater, when the deviation exceeds the tolerances established by rules promulgated under this chapter.

(2) All penalties assessed under this section or any rule hereunder on any one (1) fertilizer, represented by the sample analyzed, shall be paid to the department within three (3) months after the date
of notice from the department to the registrant. The department shall deposit the amount of the penalty into the "commercial feed and fertilizer fund."

(3) Nothing contained in this section or any rule hereunder shall prevent any person from appealing to a court of competent jurisdiction for a judgment as to the justification of such penalties imposed under subsections (1) and (2) of this section.

(4) Penalties payable as provided for in subsections (1) and (2) of this section or any rule hereunder shall in no manner be construed as limiting the consumer's right to bring a civil action in damage against the registrant paying the penalties.

(5) Penalties for short weights, both packaged and bulk, shall be assessed at the rate of three (3) times the invoiced value if the deficiency exceeds the tolerances established by rule.

22-612. ASSESSMENT OF PENALTIES. For the purpose of initially determining the commercial values to be applied under section 22-611, Idaho Code, the department shall determine from the registrant's sales invoices the values per pound, charged for total nitrogen, available phosphoric acid, soluble potash, and other plant nutrients. The values so determined shall be used in determining and assessing penalties.

22-613. MISBRANDING. No person shall distribute a misbranded fertilizer. A fertilizer is misbranded if:

(1) The labeling is false or misleading;

(2) It is distributed under the name of another fertilizer product;

(3) It is not labeled as required in section 22-607, Idaho Code, and in accordance with rules prescribed under this chapter; or

(4) It purports to be or is represented as containing a plant nutrient or fertilizer unless such plant nutrient or fertilizer conforms to the definition of identity, if any, prescribed by rule of the department. In adopting such rules the department shall give due regard to commonly accepted definitions and official fertilizer terms such as those issued by the association of American plant food control officials (AAPFCO).

22-614. ADULTERATION. No person shall distribute an adulterated fertilizer product. A fertilizer is adulterated if:

(1) It contains any deleterious or harmful substance in sufficient amount to render it injurious to beneficial plant life, animals, humans, aquatic life, soil, or water when applied in accordance with directions for use on the label; or, if adequate warning statements or directions for use which may be necessary to protect plant life, animals, humans, aquatic life, soil, or water are not shown upon the label;

(2) Its composition falls below or differs from that which it is purported to possess by its labeling; or

(3) It contains unwanted crop seed or weed seed.

22-615. PUBLICATION OF INFORMATION. The department shall publish at least annually and in a form it deems proper: the total tonnage of fertilizer distributed, the number of total official samples analyzed
and the number of deficient official samples analyzed, and any other information the department deems fit.

22-616. "STOP SALE" ORDERS. The department may issue and enforce a written or printed "stop sale, use, or removal" order to the owner or custodian of any fertilizer and hold the fertilizer, or order it held, at a designated place when the department finds the fertilizer is being offered for sale in violation of this chapter, until the law has been complied with and the fertilizer is released in writing by the department, or the violation has been otherwise legally disposed of by written authority. The owner or custodian of any fertilizer that has been issued a "stop sale, use, or removal" order shall remedy the violations within ninety (90) days, unless the department grants a written extension. The department shall release the fertilizer so withdrawn when the requirements of this chapter have been complied with and all costs and expenses incurred in connection with the withdrawal have been paid.

22-617. COMPLAINT FOR SEIZURE HEARING. Any fertilizer that does not comply with this chapter is subject to seizure on complaint of the department to a court of competent jurisdiction in the geographic area in which the fertilizer is located. If the court finds the fertilizer to be in violation of this chapter and orders the condemnation of the fertilizer, the fertilizer shall be disposed of in any manner consistent with the quality of the fertilizer and the laws of the state; provided, that in no instance shall the disposition of the fertilizer be ordered by a court of competent jurisdiction without first giving the claimant an opportunity to apply to the court for release of the fertilizer or for permission to process or relabel the fertilizer to bring it into compliance with this chapter.

22-618. VIOLATIONS. It is unlawful for any person to:
(1) Distribute a misbranded fertilizer;
(2) Fail, refuse or neglect to place upon or attach to each container of distributed fertilizer a label containing the information required by this chapter;
(3) Fail, refuse or neglect to deliver to a purchaser of bulk fertilizer a statement containing the information required by this chapter;
(4) Distribute a fertilizer which has not been registered with the department;
(5) Distribute a fertilizer containing viable seeds unless serving a desirable purpose and appropriately labeled;
(6) Distribute an adulterated fertilizer;
(7) Distribute a fertilizer weighing less than that which it is purported to weigh;
(8) Distribute a fertilizer different from the guaranteed analysis purported on the label; or
(9) Fail or refuse to provide, keep or maintain records and information as required by this chapter.

22-619. REMEDIES FOR VIOLATIONS. (1) Any person convicted of violating any of this chapter or the rules promulgated thereunder or who
impedes, obstructs, hinders, or otherwise prevents or attempts to prevent the director or a duly authorized agent from the performance of their duty in connection with this chapter, is guilty of a misdemeanor and shall be fined not more than five hundred dollars ($500) for the first violation, and not more than one thousand five hundred dollars ($1,500) for a subsequent violation. In all prosecutions under this chapter involving the composition of a lot of commercial fertilizer, a certified copy of the official analysis signed by the director or his duly authorized agent shall be accepted as prima facie evidence of the composition.

(2) Any person who violates or fails to comply with this chapter or any rules promulgated thereunder may be assessed a civil penalty by the department or its duly authorized agent of not more than five hundred dollars ($500) for each offense and shall be liable for reasonable attorney's fees. Assessment of a civil penalty may be made in conjunction with any other department administrative action. No civil penalty may be assessed unless the person charged was given notice and opportunity for a hearing pursuant to the Idaho administrative procedure act, chapter 52, title 67, Idaho Code. If the director is unable to collect the penalty or if any person fails to pay all or a set portion of the civil penalty as determined by the department, it may recover such amount by action in the appropriate district court. Any person against whom the director has assessed a civil penalty under the provisions of this section may, within thirty (30) days of the final action by the agency making the assessment, appeal the assessment to the district court of the county in which the violation is alleged by the department to have occurred.

(3) Nothing in this chapter requires the director or a duly authorized representative to report minor violations of the chapter for prosecution, or for the institution of seizure proceedings, when the director believes that the public interest will be best served by a suitable notice of warning in writing.

(4) Each prosecuting attorney to whom any violation is reported shall cause appropriate proceedings to be instituted and prosecuted in a court of competent jurisdiction without delay. Before the director reports a violation for such prosecution, an opportunity shall be given the distributor to present his view to the director.

(5) The director may apply for and the court is authorized to grant a temporary or permanent injunction restraining any person from violating or continuing to violate this chapter or any rule promulgated under the chapter notwithstanding the existence of other remedies at law. Said injunction shall be issued without bond.

22-620. USE OF FUNDS RECEIVED. All moneys received by the director from the registration of various brands of fertilizers and from the payment to him of moneys derived from the registration and inspection fees charged on such fertilizers, and moneys collected for a violation(s) of this chapter or rules promulgated thereunder, shall be paid into the state treasury and placed in a fund to be known as the "commercial feed and fertilizer fund." Moneys in the commercial feed and fertilizer fund are continuously appropriated for the purposes of carrying out the provisions of this chapter.
22-621. COOPERATION WITH OTHER GOVERNMENTAL AGENCIES. The director may cooperate with and enter into agreements with other governmental agencies, whether of this state, other states, or agencies of the federal government, and with private associations, in order to carry out the purposes of this chapter.

22-622. NO AFFECT ON EXISTING LIABILITY. The enactment of this chapter does not terminate or modify any civil or criminal liability which already exists on July 1, 2000.

22-623. NOT APPLICABLE TO WHOLESALE TRANSACTIONS. Nothing in this chapter restricts or precludes sales or exchanges of fertilizers to each other by importers, manufacturers, or manipulators who mix fertilizer materials for sale or prevents the free and unrestricted shipments of fertilizer to manufacturers or manipulators who have registered their products as required by this chapter.

22-624. SEVERABILITY. If any clause, sentence, paragraph, or part of this chapter is judged invalid by any court of competent jurisdiction, the judgment shall not affect, impair, or invalidate the remainder of the chapter, but shall be confined in its operation to the clause, sentence, paragraph, or part of the chapter directly involved in the controversy in which the judgment has been rendered.

SECTION 3. This act shall be in full force and effect on and after July 1, 2000.

Approved April 14, 2000.

(b) It is hereby declared to be the intent of the legislature that an employee may expect to advance in the salary range to the labor market average rate for the pay grade assigned to a classification. Advancement in pay shall be based solely on performance, including factors such as productivity, reliability, effectiveness, and the ability to achieve the goals and objectives of the particular position. No employee shall advance in a salary range without performance evaluation by the employee’s immediate supervisor, approved by the departmental director or the director's designee certifying that the employee meets the performance criteria of the assigned position.

(i) When necessary to obtain or retain qualified personnel in a particular classification, upon petition of the appointing authority to the administrator containing acceptable reasons therefor, a higher temporary pay grade may be authorized by the administrator which, if granted, shall be reviewed annually to determine the need for continuance.

(ii) Each employee's work performance shall be evaluated after one thousand forty (1,040) hours of credited state service from the date of initial appointment or promotion and after each two thousand eighty (2,080) hours of credited state service thereafter by his or her immediate supervisor. Employees may be eligible for advancement in pay, if certified as meeting the performance requirements of subsection (b) of this section; however, such in-grade advancement shall not be construed as a vested right. The department director shall designate, upon agreement with the employee, whether such in-grade advancement is temporary, conditional or permanent. It shall be the specific responsibility of the supervisor and the departmental director to effect the evaluation prescribed in subsection (b) of this section on an evaluation form approved by the administrator for that purpose.

(iii) In addition to pay increases authorized in paragraph (ii) of this subsection, the department director may grant a classified employee holding permanent status a lump sum bonus not to exceed one thousand dollars ($1,000) in any given fiscal year based upon excellent performance as indicated by the performance evaluation
as outlined in subsection (b) of this section. Exceptions to the one thousand dollar ($1,000) limit provided in this section may be granted if approved in advance by the state board of examiners.

SECTION 2. This act shall be in full force and effect on and after July 1, 2000.

Approved April 14, 2000.

CHAPTER 311
(H.B. No. 544)

AN ACT
RELATING TO WATER RIGHTS; AMENDING SECTION 42-1426, IDAHO CODE, TO PROVIDE THAT PERSONS HAVE THIRTY DAYS FROM THE DATE OF LAST PUBLICATION OF THE NOTICE OF ENLARGEMENT OF A WATER RIGHT TO FILE A PETITION WITH THE DEPARTMENT OF WATER RESOURCES TO ASSERT ANY CLAIMED INJURY FROM THE ENLARGEMENT.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 42-1426, Idaho Code, be, and the same is hereby amended to read as follows:

42-1426. ENLARGEMENTS -- WAIVER OF MANDATORY PERMIT REQUIREMENTS.
(1) Legislative findings regarding enlargements:
   (a) The legislature finds that prior to the commencement of the Snake River basin adjudication and subsequent to the mandatory permit system provided in sections 42-201 and 42-229, Idaho Code, persons entitled to the use of water or owning any land to which water has been made appurtenant by decree, license or constitutional appropriation have, through water conservation and other means, enlarged the use of said water without increasing the rate of diversion and without complying with the mandatory permit system adopted by the legislature. Enlargements have been done with the knowledge of other water users, and water has been distributed based upon the right as enlarged. Junior water users made appropriations based upon a water system that reflected these enlarged uses. Thus, the legislature further finds and declares that it is in the public interest to waive the mandatory permit requirements for these enlargements in use prior to the commencement of a general adjudication, so long as such enlargements in use did not increase the rate of diversion of the original water right or exceed the rate of diversion for irrigation provided in section 42-202, Idaho Code, after the enlargement of use, and the enlargement of use did not reduce the quantity of water available to other water rights existing on the date of the enlargement in use.
   (b) The legislature further finds that it is in the public interest to waive certain statutory provisions for the appropriation of water that has been diverted and applied to beneficial use to insure the economic and agricultural base in the state of Idaho as it existed on the date of the commencement of the Snake River basin adjudication and to maintain historic water use patterns existing on that date.
   (2) The mandatory permit requirements of sections 42-201 and/or
42-229, Idaho Code, are waived, and a new water right may be decreed for the enlarged use of the original water right based upon the diversion and application to beneficial use, with a priority date as of the date of completion of the enlargement of use for any enlargement occurring on or before November 19, 1987; provided however, that the rate of diversion of the original water right and the separate water right for the enlarged use, combined, shall not exceed the rate of diversion authorized for the original water right; and further provided, that the enlargement in use did not injure water rights existing on the date of the enlargement of use. An enlargement may be decreed if conditions directly related to the injury can be imposed on the original water right and the new water right that mitigate any injury to a water right existing on the date of enactment of this act. If injury to a water right later in time cannot be mitigated, then the new right for the enlarged use shall be advanced to a date one (1) day later than the priority date for the junior water right injured by the enlargement. It is further provided that any such enlargement of use allowed in a general adjudication shall not constitute an abandonment or forfeiture of the original water right to the extent of current use.

(3) The director shall publish a notice of enlargement of water right for all water rights recommended under this section. The notice shall contain a summary of the notice of claim and shall be published in the same manner as notices for applications to appropriate water in section 42-203A, Idaho Code. Any person who has filed an application for a water right prior to the enactment of this act or who has been issued a permit for a water right prior to enactment of this act but who has not filed a claim in an adjudication shall have one-hundred twenty-(120) thirty (30) days from the date of last publication of the notice of enlargement of a water right under this section to file a petition with the department of water resources to assert any claimed injury from the enlargement. No appeal of the determination of the department shall be allowed. If the applicant or permittee is dissatisfied with the determination of the department on any claim of injury, the sole remedy is to intervene in the general adjudication and assert their claim of injury in an objection to the water right.

Approved April 14, 2000.

continuing the mandatory program assessment of three dollars ($3.00),
the provisions of section 25-2505, Idaho Code, shall be extended
indefinitely or until such time that the horse board deems it neces-
sary to hold another referendum on the issue. If a majority of the
referendum vote is against the three dollar ($3.00) assessment pro-
vided in section 25-2505, Idaho Code, the assessment shall revert to
one dollar ($1.00) on the date the director of the department of agri-
culture announces the results of the referendum.

the referendum vote is in favor of continuing the mandatory assess-

continue. If a majority of the referendum vote is against continuing
the mandatory assessment, the assessment imposed in section 25-2505,
Idaho Code, shall cease to be mandatory on the date the director of
the department of agriculture announces the results of the referendum vote. The procedures necessary to initiate a referendum under the provisions of this subsection are as follows:

(2) Within ninety (90) days of receipt of a written notice as required by section 48-1503, Idaho Code, the attorney general shall review the proposed nonprofit hospital conversion transaction and notify the nonprofit hospital in writing of his opinion. The attorney general shall review the nonprofit hospital conversion transaction to determine if it is in the charitable trust interest. In making his determination, the attorney general shall be guided by the factors set forth in section 48-1506, Idaho Code. Upon application by the attorney general, the district court may extend this period for an additional sixty (60) day period, provided the extension is necessary to obtain

48-1506. NONPROFIT HOSPITAL CONVERSION TRANSACTION REVIEW ELEMENTS. In reviewing a proposed nonprofit hospital conversion transaction, the attorney general (and the district court as necessary and applicable), shall consider:

version transaction will be used consistent with the trust under which the assets are held by the nonprofit hospital and whether the proceeds will be controlled as funds independently of the acquiring or related entities;

(4) Whether the governing body of the nonprofit hospital exercised due diligence in deciding to dispose of the nonprofit hospital's assets, selecting the acquiring entity, and negotiating the terms and conditions of the disposition;

(5) Whether the nonprofit hospital conversion transaction will result in improper private inurement to any person as set forth in section 48-1511, Idaho Code; and

(6) Whether the terms of any management or services contract negotiated in conjunction with the proposed nonprofit hospital conversion transaction are reasonable.

48-1507. RULES -- AUTHORITY TO ADOPT -- INFORMATION REQUESTS -- CONSEQUENCES OF REFUSAL TO PROVIDE INFORMATION. (1) The attorney general may adopt such rules, pursuant to chapter 52, title 67, Idaho Code, as the attorney general deems appropriate or necessary to implement this chapter.

(2) The attorney general may request that the nonprofit hospital giving notice under section 48-1503, Idaho Code, in addition to providing information related to the review factors set forth in section 48-1506, Idaho Code, provide other information which the attorney general reasonably deems necessary and relevant to review the nonprofit hospital conversion transaction.

(3) If the nonprofit hospital declines to provide the information requested by the attorney general in subsection (2) of this section, the attorney general may apply to the court for an order requiring the disclosure of the information, which shall be granted if found to be necessary and relevant.

(a) Contract with, consult, and receive advice from any agency of the state or the United States on such terms and conditions the attorney general deems appropriate; or

(b) In the attorney general's sole discretion, contract with such experts or consultants the attorney general deems appropriate to assist the attorney general in reviewing the proposed nonprofit hospital conversion transaction.

(2) Any costs incurred by the attorney general pursuant to this section shall not exceed an amount that is reasonable and necessary to conduct the review of the proposed nonprofit hospital conversion transaction. The attorney general shall be exempt from the provisions of any applicable state laws regarding public bidding procedures for purposes of entering into contracts pursuant to this section.

(3) The attorney general, after reviewing the nonprofit hospital conversion transaction, may submit a claim to the board of examiners
for reimbursement of his reasonable costs and expenses incurred in reviewing the transaction. Upon submission of a claim from the attorney general, the board of examiners may authorize the issuance of deficiency warrants for the purpose of reimbursing the attorney general reasonable and actual costs, but not attorney's fees, associated with actions taken pursuant to this chapter. Deficiency warrants authorized by the board of examiners under this section shall not exceed one hundred thousand dollars ($100,000) for reimbursement of all claims as a result of the attorney general's review of a transaction under this chapter. Upon authorization of deficiency warrants by the board of examiners in accordance with the provisions of this section, the state controller shall, after notice to the state treasurer, draw deficiency warrants in the authorized amounts against the general account.

48-1509. PUBLIC RECORDS. All documents submitted to the attorney general by any person, including nonprofit hospital entities giving notice under section 48-1503, Idaho Code, in connection with the attorney general's review of the proposed nonprofit hospital conversion transaction pursuant to this chapter shall be deemed records contained in court files of judicial proceedings, as provided for in section 9-340A(2), Idaho Code, and shall only be subject to public disclosure, pursuant to a public document request, in the same manner as set forth in that section.

48-1510. PENALTIES -- REMEDIES. (1) In his discretion, the attorney general may apply to the district court for an order voiding any nonprofit hospital conversion transaction entered into in violation of the notice and disclosure requirements of section 48-1503(1), Idaho Code. Each member of the governing boards and the chief executive officers of the parties to the nonprofit hospital conversion transaction may be subject to a civil penalty of up to ten thousand dollars ($10,000) for knowingly failing to notify the attorney general of the nonprofit hospital conversion transaction, or for violating the provisions of section 48-1511, Idaho Code, as applicable. The amount of any civil penalty shall be determined by the district court in the county in which the nonprofit hospital's assets to be transferred are located. No such penalty may be imposed under this section merely because the attorney general files suit under section 48-1504, Idaho Code, or because the district court enters an order that the nonprofit hospital conversion transaction at issue is not in the charitable trust interest. The attorney general shall institute proceedings to impose such a penalty.

(2) Nothing in this chapter shall be construed to limit the common law authority of the attorney general regarding charitable trusts and charitable assets in this state. The provisions of this chapter are in addition to, and not a replacement for, any other actions which the attorney general may take under either the common law or statutory law, including rescinding the nonprofit hospital conversion transaction, granting injunctive relief or any combination of these and other remedies available under common law or statutory law.
48-1511. PRIVATE BENEFIT. No person who is an officer, director, board member or other fiduciary of a nonprofit hospital shall receive anything of value, beyond ordinary compensation, that relates to a nonprofit hospital conversion transaction described in this act and is of such a character as to have the appearance of an improper influence on the person with respect to the person's duties; provided however, that an officer or employee of the nonprofit hospital may accept a job with, perform duties for, and receive ordinary compensation from, the purchasing or converting entity. Any person who violates the provisions of this section shall, in addition to being subject to the provisions of section 48-1510, Idaho Code, forfeit the items of value received in violation of this section.

48-1512. APPLICATION OF ACT. This act applies to all acquisitions, the consummation of which occurs after the effective date of this act.

No local authority shall place or maintain any traffic-control device upon any highway under the jurisdiction of the department except by the latter's permission, except where the duly elected officials of an incorporated city have established speed limits lower than those set by the department on the portion of state highways, excluding controlled-access and interstate highways, that pass through residential, urban or business districts within the jurisdiction of the incorporated city. Placement of these stop signs shall be mandatory except when in the determination of public highway agencies the existence of stop signs at a given crossing would consti-
tute a greater hazard than their absence based on a recognized engineering study.

Nothing in this subsection shall be construed as granting immunity to any railroad company as to liability, if any, for an accident which might occur at a crossing where stop signs are erected and in place, but liability, if any, shall be determined as provided by law. Liability on the part of governmental authorities on account of absence of any stop sign at a crossing shall be determined as provided by law.

(26) The department and local authorities are authorized to determine those portions of any highway under their respective jurisdictions where overtaking and passing or driving on the left side of the roadway would be especially hazardous and may by appropriate signs or markings on the roadway indicate the beginning and end of those zones and when signs or markings are in place and clearly visible to an ordinarily observant person, every driver of a vehicle shall obey those directions.

(27) The department and local authorities in their respective jurisdictions may in their discretion issue special permits authorizing the operation upon a highway of traction engines or tractors having movable tracks with transverse corrugations upon the periphery of the movable tracks or farm tractors or other farm machinery, the operation of which upon a highway would otherwise be prohibited under this title or title 40, Idaho Code.

(28) The department and local highway authorities within their respective jurisdictions may place official traffic-control devices prohibiting, limiting or restricting the stopping, standing or parking of vehicles on any highway where such stopping, standing or parking is dangerous to those using the highway or where the stopping, standing or parking of vehicles unduly interferes with the free movement of traffic thereon.

5-339. IMMUNITY OF FOOD DONOR AND FOOD BANK. (1) It shall not be negligence for a donor of food to donate food apparently fit for human consumption at the time of its donation solely because:
   (a) The label on the food is missing or the food is otherwise misbranded; or
   (b) The food, if offered for sale commercially, would not be readily marketable because of appearance or grade, or because it is surplus.
(2) A food bank that receives and distributes food apparently fit for human consumption shall not be found negligent or liable for damages caused by food it distributes if:
   (a) The food bank inspects the food received in a reasonable manner and finds it to be apparently fit for human consumption at the time of distribution;
   (b) The food bank has no actual or constructive knowledge at the time the food is distributed that it is adulterated, tainted, contaminated, or would be harmful to the health or well-being of an individual consuming it; and
(c) The injury or death is not proximately caused by the misconduct of the food bank.
(3) It shall not be negligence for a food bank to distribute food apparently fit for human consumption at the time of its distribution solely because:
   (a) The label on the food is missing or the food is otherwise misbranded; or

CHAPTER 322
(H.B. No. 593)

AN ACT
RELATING TO THE FIREFIGHTERS' RETIREMENT FUND; AMENDING SECTION 72-1444, IDAHO CODE, TO PROVIDE FOR THE PURCHASE OF CERTAIN SERVICE CREDITS FOR BREAKS IN SERVICE RESULTING FROM TERMINATIONS DUE TO REDUCTIONS IN WORK FORCE AND TO MAKE A TECHNICAL CORRECTION.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 72-1444, Idaho Code, be, and the same is hereby amended to read as follows:

72-1444. REFUND TO FIREFIGHTER TERMINATING EMPLOYMENT -- REPAYMENT ON REEMPLOYMENT -- CONVERSION OF CONTRIBUTIONS -- PURCHASE OF SERVICE CREDITS. (1) If the employment of a paid firefighter, irrespective of date of hire, as defined in this chapter, is terminated
for any reason prior to the completion of twenty (20) years of service, and he cannot qualify for benefits under any other provision of this chapter, he shall be entitled to receive at the time of said termination one hundred percent (100%) of his accumulated contributions. If such firefighter is subsequently reemployed as a paid firefighter with duties which involve or are incidental to firefighting, he may reinstate his previous credited service by repaying to the retirement fund the full amount of his accumulated contributions provided such repayment includes payment of interest as determined by the board.

(2) In lieu of withdrawing his accumulated contributions as provided in subsection (1) of this section, a paid firefighter may elect to convert his accumulated contributions to an equivalent benefit entitlement under the provisions of chapter 13, title 59, Idaho Code, as if such contributions had been made by the firefighter at the contribution rate of a paid firefighter under the provisions of chapter 13, title 59, Idaho Code; this conversion will normally result in a higher "years of service" factor than the firefighter actually served under the provisions of chapter 14, title 72, Idaho Code. It is legislative intent that this is precisely the effect to be achieved.

(3) No paid firefighter may elect to proceed under the provisions of subsection (2) until he has been personally interviewed and advised by the director of the public employee retirement system, or his designee, on the choices available. The firefighter may be accompanied during such interview by any person of his choice.

(4) Paid firefighters who did not participate as a member of the system between January 1, 1978, and December 31, 1981, because of termination from employment due to reductions in work force may purchase service credits for all or part of that period. The cost of such service credit shall be the full actuarial cost as determined by the board and shall be paid in full prior to the effective date of retirement. The employer may elect, but is not required, to participate in purchasing service credit under this section. In no event shall the retirement system be liable for payment of any such costs. Terminations from employment due to a reduction in work force are limited to terminations that resulted from the elimination of a position due to budgetary constraints.

Approved April 14, 2000.

   (c) Provide such moneys, pledges, notes, guarantees, or other means as are reasonably necessary to discharge such duties.

Provided, however, that this subsection shall not apply where the director has determined that the foreign or alien insurer's domiciliary jurisdiction or state of entry provides, by statute, protection substantially similar to that provided by this act for residents of this state.

(4) (a) In carrying out its duties under subsections (2) and (3) of this section, permanent policy liens, or contract liens may be imposed in connection with any guarantee, assumption or reinsurance agreement, if the court:
      (i) Finds that the amounts which can be assessed under this act are less than the amounts needed to assure full and prompt performance of the insolvent insurer's contractual obligations, or that the economic or financial conditions as they affect member insurers are sufficiently adverse to render the imposition of policy or contract liens, to be in the public interest; and
      (ii) Approves the specific policy liens or contract liens to be used.
   (b) Before being obligated under subsections (2) and (3) of this section, the association may request that there be imposed temporary moratoriums or liens on payments of cash values and policy loans in addition to any contractual provisions for deferral of cash or policy loan values and such temporary moratoriums and liens may be imposed if they are approved by the court.

(5) If the association fails to act within a reasonable period of
time as provided in subsections (2) and (3) of this section, the
director shall have the powers and duties of the association under
this act with respect to insolvent insurers.
(6) The association may render assistance and advice to the
director upon his request, concerning rehabilitation, payment of
claims, continuance of coverage, or the performance of other contrac-
tual obligations of any impaired or insolvent insurer.
(7) The association shall have standing to appear before any
court in this state with jurisdiction over an impaired or insolvent
insurer concerning which the association is or may become obligated
under this act. Such standing shall extend to all matters germane to
the powers and duties of the association, including, but not limited
to, proposals for reinsuring or guaranteeing the covered policies of
the impaired or insolvent insurer and the determination of the covered
policies and contractual obligations.
(8) (a) Any person receiving benefits under this act shall be
deemed to have assigned the rights under the covered policy to the
association to the extent of the benefits received because of this
act whether the benefits are payments of contractual obligations
or continuation of coverage. The association may require an
assignment to it of such rights by any payee, policy or contract
owner, beneficiary, insured or annuitant as a condition precedent
to the receipt of any rights or benefits conferred by this act
upon such person. The association shall be subrogated to these
rights against the assets of any insolvent insurer.
(b) The subrogation rights of the association under this subsec-
tion shall have the same priority against the assets of the insol-
vent insurer as that possessed by the person entitled to receive
benefits under this act.
(9) The contractual obligations of the insolvent insurer for
which the association becomes or may become liable shall be as--great
as-but-no-greater-than the lesser of:
(a) The contractual obligations of for which the insolvent
insurer would have been liable in the absence of an insolvency; or
(b) Unless such obligations are reduced as permitted by subsec-
tion (4) of this section, but the aggregate liability of the asso-
ciation shall not exceed the following per policy:
(i) One hundred thousand dollars ($100,000) in net cash
surrender in net cash withdrawal values for life insurance,
or three hundred thousand dollars ($300,000) in life insur-

(ii) Three hundred thousand dollars ($300,000) in disability
insurance claims or benefit payments, or one hundred thousand
dollars ($100,000) in net cash surrender and net cash with-
drawal values for disability benefits;
(iii) Three hundred thousand dollars ($300,000) of annuity
benefit payments for annuities for which periodic annuity
benefits, for a period of not less than the annuitant's life-
time or for a period certain of not less than ten (10) years,
have begun to be paid on or before the date of the impairment
or insolvency, or one hundred thousand dollars ($100,000) in
annuity net cash surrender or net cash withdrawal values; or
(iv) Where no coverage limit has been specified for a cov-
ered policy or benefit, the coverage limit shall be three
hundred thousand dollars ($300,000).

(c) In no event shall the association be liable to expend more
than three hundred thousand dollars ($300,000) in the aggregate
for all benefits, including cash values, with respect to any one
life.

(d) The association may:
(a) Enter into such contracts as are necessary or proper to carry
out the provisions and purposes of this act;
(b) Sue or be sued, including taking any legal actions necessary
or proper for recovery of any unpaid assessments under section
41-4309, Idaho Code;

of improper claims;
(g) Exercise, for the purposes of this act and to the extent
approved by the director, the powers of a domestic life or health
insurer, but in no case may the association issue insurance poli­
cies or annuity contracts other than those issued to perform the
contractual obligations of the impaired or insolvent insurer.

(c) If a filed statement of partnership authority is executed pursuant to section 53-3-105(b), Idaho Code, and states the name of the partnership but does not contain all of the other information required by subsection (a) of this section, the statement nevertheless operates with respect to a person not a partner as provided in subsections (d) and (e) of this section.
(d) A grant of authority contained in a filed statement of partnership authority is conclusive in favor of a person who gives value without knowledge to the contrary, so long as and to the extent that a limitation on that authority is not then contained in another filed
statement. A filed cancellation of a limitation on authority revives the previous grant of authority.

(3) When the reinstatement is effective, it relates back to and takes effect as of the effective date of the administrative dissolution and the limited liability company resumes carrying on its business as if the administrative dissolution had never occurred.

RELATING TO SAFE SCHOOL FACILITIES AND SCHOOL PLANT FACILITIES RESERVE FUNDS; PROVIDING A STATEMENT OF LEGISLATIVE FINDINGS AND PURPOSES; AMENDING CHAPTER 8, TITLE 33, IDAHO CODE, BY THE ADDITION OF A NEW SECTION 33-804A, IDAHO CODE, TO PROVIDE THAT SCHOOL PLANT FACILITIES RESERVE FUNDS MAY EXCEED TEN YEARS BUT MAY NOT EXCEED TWENTY YEARS IF A PORTION OR ALL OF THE LEVY IS FOR THE PURPOSE OF ABATING, REPAIRING OR REPLACING AN UNSAFE AND UNHEALTHY PHYSICAL PLANT AND TO PROVIDE THAT ELECTIONS FOR SUCH LEVIES MUST BE HELD ON DATES SET FOR CONSOLIDATED ELECTIONS AS PROVIDED IN SECTION 34-106, IDAHO CODE; AND DECLARING AN EMERGENCY.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. LEGISLATIVE FINDINGS AND PURPOSES. The Legislature of the State of Idaho finds that:

(1) Idaho banks have established the "Idaho Safe School Facilities Loan Program" ("Program"), of not less than fifty million dollars ($50,000,000) to provide low interest loans to school districts exclusively to abate, repair or replace school facilities that contain unsafe or unhealthy conditions as defined by the Constitution and laws of the state of Idaho;

(2) The repayment of loans from the Program may be from any legal source of revenue available to Idaho school districts including, but not limited to, lottery funds, discretionary funds and School Plant Facilities Reserve Fund levies established pursuant to Section 33-804A, Idaho Code;

(3) It would be in the public interest to extend the maximum length of repayment of the School Plant Facilities Reserve Fund levy and thus reduce the annual payments needed to repay loans made for the purpose of abating, repairing or replacing school facilities that contain unsafe or unhealthy conditions.

SECTION 2. That Chapter 8, Title 33, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW SECTION, to be known and designated as Section 33-804A, Idaho Code, and to read as follows:

33-804A. SCHOOL PLANT FACILITIES RESERVE FUND LEVY FOR SAFE SCHOOL FACILITIES. (1) Definition. As used in this section, public school facilities mean the physical plant of improved or unimproved
real property owned or operated by a school district, including school buildings, administration buildings, playgrounds, athletic fields, etc., used by schoolchildren or school district personnel in the normal course of providing a general, uniform and thorough system of public, free common schools, but does not include areas, buildings or parts of buildings closed from or not used in the normal course of providing a general, uniform and thorough system of public, free common schools. The aspects of a safe environment conducive to learning as provided by section 33-1612, Idaho Code, that pertain to the physical plant used to provide a general, uniform and thorough system of public, free common schools are hereby defined as those necessary to comply with the safety and health requirements set forth in this section.

(2) Whenever under applicable law a board of trustees of a school district has identified on the basis of an independent inspection of the district's school facilities that some of those school facilities fail to comply with codes addressing safety and health standards for facilities (including electrical, plumbing, mechanical, elevator, fire safety, boiler safety, life safety, structural, snow loading, and sanitary codes) adopted by or pursuant to the Idaho building code advisory act, chapter 41, title 39, Idaho Code, adopted by the state fire marshal, adopted by generally applicable local ordinances, or adopted by rule of the state board of education and applicable to school facilities, and that those school facilities that do not comply with codes addressing unsafe or unhealthy conditions contain unsafe or unhealthy conditions that cannot be abated with the school district's income from current sources, that school district shall be eligible to participate in the Idaho safe schools facilities loan program administered by Idaho banks. Eligibility to participate in the Idaho safe schools facilities loan program shall not affect or disqualify any school district from eligibility to participate in any other program to abate unsafe or unhealthy conditions.

(3) In any school district in which a school plant facilities reserve fund has been created, the period for which the school plant facilities reserve fund levy may be in effect may extend beyond ten (10) years but not to exceed twenty (20) years, provided that:
(a) The board of trustees shall determine that all or a portion of the amount to be collected each year during the period of years in which the levy is collected is made to abate, repair or replace school facilities with unsafe or unhealthy conditions or to repay principal or interest for abatement, repair or replacement of school facilities with unsafe or unhealthy conditions that earlier took place.
(b) The question of the levy to be submitted to the electors of a district and the notice of such election shall state the dollar amount proposed to be collected each year during the period of years in each of which the collection is to be made to abate, repair or replace school facilities for the purpose of providing buildings complying with codes defining safe and healthy conditions as required by applicable law.
(c) The election for such a levy conducted pursuant to this section shall be held on one (1) of the days authorized by section 34-106, Idaho Code.
The provisions of section 33-804, Idaho Code, that are not modified by this section shall apply to levies made pursuant to this section.

SECTION 3. An emergency existing therefor, which emergency is hereby declared to exist, this act shall be in full force and effect on and after its passage.

Approved April 14, 2000.

3. To designate and purchase any real property necessary for school purposes or in the operation of the district, the provisions of subsection 2. of this section notwithstanding, or remove any building, or dispose of any real property. Prior to, but not more than one (1) year prior to, any purchase or disposal of real property, the board shall have such property appraised by an appraiser certified in the state of Idaho, which appraisal shall be entered in the records of the board of trustees, and shall be used to establish the value of the real property. The board of trustees shall determine the size of the site necessary for school purposes. The site shall be located within the incorporated limits of any city within the district; provided, however, that if the board finds that it is not in the best interests of the electors and the students of the district to locate the site within the incorporated limits of a city, the board, by duly adopted resolution setting forth the reasons for its finding, may designate a site located elsewhere within the district. In elementary school districts, except upon removal for highway purposes, a site may be designated or changed only after approval of two-thirds (2/3) or more of the electors voting at the annual meeting.

4. (a) To convey, except as provided by paragraph (b) of this subsection, by deed, bill of sale, or other appropriate instrument, all of the estate and interest of the district in any property, real or personal. In elementary school districts, except such conveyance as is authorized by subsection 6. of this section, any of the transactions authorized in this subsection shall be subject to the approval of two-thirds (2/3) or more of the electors voting at the annual meeting.

Prior to such sale or conveyance, the board shall have the property appraised by three disinterested residents of the district pursuant to this section, which appraisal shall be entered in the records of the board of trustees. The property may be sold at public auction or by sealed bids, as the board of trustees shall determine, to the highest bidder. Such property may be sold for cash or for such terms and conditions as the board of trustees shall determine for a period not exceeding ten (10) years, with the annual rate of interest on all deferred payments not less than seven percent (7%) per annum. The title to all property sold on contract shall be retained in the name of the school district until full payment has been made by the purchaser, and title to all property sold under a note and mortgage or deed of trust shall be transferred to the purchaser at the point of sale under the terms and conditions of the mortgage or deed of trust as the board of trustees shall determine. Notice of the time and the conditions of such sale shall be published twice, and proof thereof made, in accordance with subsections g. and h. of section 33-402, Idaho Code, except that when the appraised value of the property is less than five hundred dollars ($500), one (1) single notice by publication shall be sufficient and the property shall be sold by sealed bids.

The board of trustees may accept the highest bid, may reject any bid, or reject all bids. If the real property was donated to the school district the board may, within a period of one (1) year from the time of the appraisal, sell the property without addi-
tional advertising or bidding. Otherwise, the board of trustees must have new appraisals made and again publish notice for bids, as before. If, thereafter, no satisfactory bid is made and received, the board may proceed under its own direction to sell and convey the property. In no case shall any real property of the school district be sold for less than its appraisal.

The board of trustees may sell personal property, with an estimated value of less than five hundred dollars ($500), without appraisal, by sealed bid or at public auction, provided that there has been not less than one (1) published advertisement prior to the sale of said property.

(b) Real and personal property may be exchanged hereunder for other property if the consideration received by said school district shall be deemed adequate by the board of trustees; provided, however, that aside from the provisions of this paragraph hereof any school district may by a vote of one-half (1/2) plus one (1) of the members of the full board of trustees, by resolution duly adopted, authorize the transfer or conveyance of any real or personal property owned by such school district to the government of the United States, any city, county, the state of Idaho, any hospital district organized under chapter 13, title 39, Idaho Code, any other school district, any community college district, or any recreation district, with or without any consideration accruing to the school district, when in the judgment of the board of trustees it is for the interest of such school district that said transfer or conveyance be made. Prior to any transfer or conveyance of any real or personal property pursuant to this paragraph 4(b), the board shall have the property appraised by an appraiser certified in the state of Idaho, which appraisal shall be entered in the records of the board of trustees, and shall be used to establish the value of the real or personal property.

5. To enter into contracts with any city located within the boundaries of the school district for the joint purchase, construction, development, maintenance and equipping of playgrounds, ball parks, swimming pools, and other recreational facilities upon property owned either by the school district or the city.

6. To convey rights-of-way and easements for highway, public utility, and other purposes over, upon or across any school property and, when necessary to the use of such property for any such purpose, to authorize the removal of school buildings to such new location, or locations, as shall be determined by the board of trustees, and such removal shall be made at no cost or expense to the school district.

7. To authorize the use of any school building of the district as a community center, or for any public purpose, and to establish a policy of charges, if any, to be made for such use.

8. To exercise the right of eminent domain under the provisions of chapter 7, title 7, Idaho Code, for any of the uses and purposes provided in section 7-701, Idaho Code.

9. If there is a great public calamity, such as an extraordinary fire, flood, storm, epidemic, or other disaster, or if it is necessary to do emergency work to prepare for national or local defense, or it is necessary to do emergency work to safeguard life, health or prop-
erty, the board of trustees may pass a resolution declaring that the public interest and necessity demand the immediate expenditure of public money to safeguard life, health or property. Upon adoption of the resolution, the board may expend any sum required in the emergency without compliance with this section.

RELATING TO ASSESSMENT OF DAMAGES IN EMINENT DOMAIN PROCEEDINGS; AMENDING SECTION 7-711, IDAHO CODE, TO REVISE THE FORMULA AND PROCEDURE FOR ASSESSMENT OF DAMAGES WHEN THE DAMAGES ARE TO ANY ESTABLISHED BUSINESS OF MORE THAN FIVE YEARS' STANDING, TO MAKE A TECHNICAL CORRECTION AND TO PROVIDE THAT PLAINTIFF'S GOOD FAITH IN FAILING TO OFFER COMPENSATION FOR BUSINESS DAMAGES SHALL NOT BE CONTESTED AT HEARING IF THE DEFENDANT HAS NOT GIVEN NOTICE OF ITS INTENT TO CLAIM BUSINESS DAMAGES PRIOR TO THE DATE OF FILING THE MOTION THAT INITIATES THE PROCEEDING.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 7-711, Idaho Code, be, and the same is hereby amended to read as follows:

7-711. ASSESSMENT OF DAMAGES. The court, jury or referee must hear such legal testimony as may be offered by any of the parties to the proceedings, and thereupon must ascertain and assess:

1. The value of the property sought to be condemned, and all improvements thereon pertaining to the realty, and of each and every separate estate or interest therein; if it consists of different parcels, the value of each parcel and each estate or interest therein shall be separately assessed. For purposes of ascertaining the value of the property, the assessed value for property tax purposes shall be used as the minimum amount for damages unless the court, jury or referee finds the property has been altered substantially.

2. If the property sought to be condemned constitutes only a part of a larger parcel: (a) the damages which will accrue to the portion not sought to be condemned, by reason of its severance from the portion sought to be condemned, and the construction of the improvement in the manner proposed by the plaintiff; and (b) the damages to any business qualifying under this subsection having more than five (5) years' standing which the taking of a portion of the property and the construction of the improvement in the manner proposed by the plaintiff may reasonably cause. The business must be owned by the party whose lands are being condemned or be located upon adjoining lands owned or held by such party. Business damages under this subsection shall not be awarded if the loss can reasonably be prevented by a relocation of the business or by taking steps that a reasonably pru-
dent person would take, or for damages caused by temporary business interruption due to construction; and provided further that compensation for business damages shall not be duplicated in the compensation otherwise awarded to the property owner for damages pursuant to subsections (1) and (2)(a) of section 7-711, Idaho Code.

(i) If the business owner intends to claim business damages under this subsection, the owner, as defendant, must submit a written business damage claim to the plaintiff within ninety (90) days after service of the summons and complaint for condemnation. The plaintiff's initial offer letter or accompanying information must expressly inform the defendant of its rights under this subsection, and must further inform the defendant of its right to consult with an attorney.

(ii) The defendant's written claim must be sent to the plaintiff by certified mail, return receipt requested. Absent a showing of a good faith justification for the failure to submit a business damage claim within ninety (90) days, or an agreed extension by the parties, the court shall strike the defendant's claim for business damages in any condemnation proceeding.

(iii) The business damage claim must include an explanation of the nature, extent, and monetary amount of such claimed damages and must be prepared by the owner, a certified public accountant, or a business damage expert familiar with the nature of the operations of the defendant's business. The defendant shall also provide the plaintiff with copies of the defendant's business records that substantiate the good faith offer to settle the business damage claim. The business damage claim must be clearly segregated from the claim for property damages pursuant to subsections (1) and (2)(a) of section 7-711, Idaho Code.

(iv) As used in this subsection, the term "business records" includes, but is not limited to, copies of federal and state income tax returns, state sales tax returns, balance sheets, and profit and loss statements for the five (5) years preceding which are attributable to the business operation on the property to be acquired, and other records relied upon by the business owner that substantiate the business damage claim.

(v) The plaintiff's good faith in failing to offer compensation for business damages shall not be contested at a possession hearing held pursuant to section 7-721, Idaho Code, if the defendant has not given notice of its intent to claim business damages prior to the date of filing of the motion that initiates the proceeding under that section.

3. Separately, how much the portion not sought to be condemned, and each estate or interest therein, will be specially and directly benefited, if at all, by the construction of the improvement proposed by the plaintiff; and if the benefit shall be equal to the damages assessed, under paragraph subsection 2. of this section, the owner of the parcel shall be allowed no compensation except the value of the portion taken; but if the benefit shall be less than the damages so assessed, the former shall be deducted from the latter, and the remainder shall be the only damages allowed in addition to the value.

4. If the property sought to be condemned be for a railroad, the cost of good and sufficient fences along the line of such railroad,
and the cost of cattle guards where fences may cross the line of such railroad.

5. As far as practicable, compensation must be assessed for each source of damages separately.

6. If the property sought to be condemned is private real property actively devoted to agriculture, the damages which will accrue because of the costs, if any, of farming around electrical transmission line structure(s) for a transmission line with a capacity in excess of two hundred thirty (230) KV (kilovolts). If the property sought to be condemned has been the subject of a previous condemnation proceeding or proceedings for electrical transmission line structure(s) and at the time of condemnation the field holds other electrical transmission line structure(s), such evidence of costs referred to above may also include the cumulative effects, if any, of conducting farming operations around other electrical transmission line structure(s) in the same field, whether such structure(s) are of the condemnor or not.

(2) If the administrator finds a violation of the Idaho uniform school building safety code that he concludes does not constitute an imminent safety hazard, he shall notify in writing the district superintendent, principal, board member, or other person in charge.

(3) If the administrator finds a violation of the Idaho uniform school building safety code that he concludes constitutes an imminent safety hazard, he shall immediately notify the department of administration and request that the department of administration designate a licensed professional to independently evaluate the condition prior to taking any action or issuing any report under this chapter. The department of administration shall, within two (2) working days, designate a licensed professional to independently evaluate the condition identified. That licensed professional shall, within fourteen (14) days, complete its independent evaluation of the condition identified by the administrator and notify the director of the department of administration of its conclusions.

(5) Upon receipt of such notification in writing, the administrator shall immediately serve, or cause to be served, written notice or

Upon receipt of such written notice or order, the district superintendent, principal, board member, or other person in charge shall require all changes necessary to eliminate the imminent safety hazard be made, without delay and within the time specified by the administrator in the notice or order. If the condition presenting an imminent safety hazard is not corrected within the specified time, or if the administrator determines that the condition constituting such imminent safety hazard could reasonably be expected to cause death or serious physical harm before the condition can be eliminated, he shall determine the extent of the area where such condition exists and thereupon shall issue an order or notice requiring the district superintendent, principal, board member, or other person in charge to cause all persons, except those necessary to eliminate the condition, to be withdrawn from, and to be restrained from entering, such area. The district superintendent, principal, board member, or other person in charge shall assist the administrator as necessary to post such areas to prevent injury.

(6) The administrator shall follow up on the district's progress in addressing any identified imminent safety hazard to ensure that appropriate corrective action was taken. The administrator may extend the time for completing corrective action if he deems necessary.

(7) Upon completion of corrective action and verification of such completion by the division of building safety and the department of administration, the administrator shall provide a report to the state superintendent of public instruction, the local superintendent of schools and the chair of the local school board.

39-8009. INJUNCTION. The district superintendent, principal, board member, or other person in charge shall assist the administrator as necessary to post such areas to prevent injury.

The court, if satisfied from such complaint or affidavits that the act complained of has been or is being committed and will persist, may issue a temporary writ without notice or bond enjoining the defendant from committing such or similar acts. The cause shall proceed as in other causes for injunction. If, at the trial, the commission of such act by the defendant be established and the court further finds it probable that the defendant will continue in such act or similar acts, the court shall enter a decree enjoining said defendant from committing said or similar acts.

school district affected by any finding pursuant to this chapter that there exists in a school building a violation of the uniform school building safety code, provided however, that an appeal brought pursuant to this section shall not affect the ability of the administrator to obtain an injunction pursuant to section 39-8009, Idaho Code. Such hearing shall be governed by the provisions of chapter 52, title 67, Idaho Code. Final decisions of the board, other than code interpretations, are subject to judicial review in accordance with the provisions of chapter 52, title 67, Idaho Code. (2) The board shall provide reasonable interpretations of the codes enumerated in this chapter. (3) Within ten (10) days of the conclusion of the hearing, the board shall render its findings and decisions in writing to the state superintendent of public instruction, the director of the department of administration, the administrator of the division of building safety and the appealing district. 39-8011. (2) It is a misdemeanor to remove, without permission of the administrator, a notice or order posted pursuant to this chapter. 39-8012. SEVERABILITY. which are estimated to cost in excess of twenty-five thousand dollars ($25,000). The department division will review the plans for compliance with the current editions of the codes specified in section 39-4109, Idaho Code. These plans must be approved before the school district may advertise for bids. A school district proposing a construction project which would otherwise be subject to plan review under this subsection shall be exempt from the provisions of this subsection if the project is located within the jurisdiction of a local government which has adopted the codes enumerated in section 39-4109, Idaho Code, and if the plans are reviewed by plan examiners certified by the International Conference of Building Officials. Once plans are reviewed and approved by the division of building safety pursuant to this section, no material change can be made to such plans without review and approval of such change by the division of building safety. To assure that building inspections are conducted statewide for all school construction or remodeling governed by this chapter, building inspections shall be performed by Idaho certified building inspectors or licensed architects or engineers either employed by or contracted to local jurisdictions.

CHAPTER 354
(S.B. No. 1515, As Amended, As Amended)

AN ACT
RELATING TO EMINENT DOMAIN; AMENDING CHAPTER 7, TITLE 7, IDAHO CODE, BY THE ADDITION OF A NEW SECTION 7-711A, IDAHO CODE, TO PROVIDE REQUIRED DUTIES OF A STATE OR LOCAL UNIT OF GOVERNMENT OR PUBLIC UTILITY THAT IS BEGINNING NEGOTIATIONS TO ACQUIRE A PARCEL OF REAL PROPERTY IN FEE SIMPLE UNDER THE STATE'S EMINENT DOMAIN LAW, TO PROVIDE A FORM TO ADVISE RIGHTS OF PROPERTY OWNERS, TO PRODUCE A METHOD OF DELIVERY OF SUCH FORMS AND TO PROVIDE APPLICATION.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Chapter 7, Title 7, Idaho Code, be, and the same hereby amended by the addition thereto of a NEW SECTION, to be known and designated as Section 7-711A, Idaho Code, and to read as follows:

7-711A. ADVICE OF RIGHTS FORM -- RIGHTS WHEN CONDEMNING AUTHORITY ACQUIRES PROPERTY. Whenever a state or local unit of government or a public utility is beginning negotiations to acquire a parcel of real property in fee simple, the condemning authority shall provide the owner of the property a form containing a summary of the rights of an owner of property to be acquired under this chapter. If the condemning authority does not supply the owner of the real property with this form, there will be a presumption that any sale or contract entered into between the condemning authority and the owner was not voluntary and the condemning authority may be held responsible for such relief, if any, as the court may determine to be appropriate considering all of the facts and circumstances. The form shall contain substantially the following:

(1) The (name of entity allowed to use eminent domain proceedings pursuant to chapter 7, title 7, Idaho Code) has the power under the constitution and the laws of the state of Idaho and the United States to take private property for public use. This power is generally referred to as the power of "eminent domain" or condemnation. The power can only be exercised when:

(a) The property is needed for a public use authorized by Idaho law;
(b) The taking of the property is necessary to such use;  
(c) The taking must be located in the manner which will be most compatible with the greatest public good and the least private injury.  
(2) The condemning authority must negotiate with the property owner in good faith to purchase the property sought to be taken and/or to settle with the owner for any other damages which might result to the remainder of the owner's property.  
(3) The owner of private property to be acquired by the condemning authority is entitled to be paid for any diminution in the value of the owner's remaining property which is caused by the taking and the use of the property taken proposed by the condemning authority. This compensation, called "severance damages," is generally measured by comparing the value of the property before the taking and the value of the property after the taking. Damages are assessed according to Idaho Code.  
(4) The value of the property to be taken is to be determined based upon the highest and best use of the property.  
(5) If the negotiations to purchase the property and settle damages are unsuccessful, the property owner is entitled to assessment of damages from a court, jury or referee as provided by Idaho law.  
(6) The owner has the right to consult with an appraiser of the owner's choosing at any time during the acquisition process at the owner's cost and expense.  
(7) The condemning authority shall deliver to the owner, upon request, a copy of all appraisal reports concerning the owner's property prepared by the condemning authority. Once a complaint for condemnation is filed, the Idaho rules of civil procedure control the disclosure of appraisals.  
(8) The owner has the right to consult with an attorney at any time during the acquisition process. In cases in which the condemning authority condemns property and the owner is able to establish that just compensation exceeds the last amount timely offered by the condemning authority by ten percent (10%) or more, the condemning authority may be required to pay the owner's reasonable costs and attorney's fees. The court will make the determination whether costs and fees will be awarded.  
(9) The form contemplated by this section shall be deemed delivered by United States certified mail, postage prepaid, addressed to the person or persons shown in the official records of the county assessor as the owner of the property. A second copy will be attached to the appraisal at the time it is delivered to the owner.  
(10) If a condemning authority desires to acquire property pursuant to this chapter, the condemning authority or any of its agents or employees shall not give the owner any timing deadline as to when the owner must respond to the initial offer which is less than thirty (30) days. A violation of the provisions of this subsection shall render any action pursuant to this chapter null and void.  
(11) Nothing in this section changes the assessment of damages set forth in section 7-711, Idaho Code.  

Approved April 14, 2000.
Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 18-4308, Idaho Code, be, and the same is hereby amended to read as follows:

18-4308. CHANGE OF LATERAL DITCH OR BURIED IRRIGATION CONDUIT. Where any lateral ditch has heretofore been, or may hereafter be, constructed across or beneath the lands of another, the person or persons owning or controlling the said land, shall have the right at his own expense to change said lateral ditch or buried irrigation conduit to any other part of said land, but such change must be made in such a manner as not to impede the flow of the water therein, or to otherwise injure any person or persons using or interested in such lateral ditch or buried irrigation conduit. Any increased operation and maintenance shall be the responsibility of the landowner who makes the change.

A landowner shall also have the right to bury the ditch of another in pipe on the landowner's property, provided that the pipe, installation and backfill reasonably meet standard specifications for such materials and construction, as set forth in the Idaho standards for public works construction or other standards recognized by the city or county in which the burying is to be done. The right and responsibility for operation and maintenance shall remain with the ditch owner, but the landowner shall be responsible for any increased operation and maintenance costs, including rehabilitation and replacement, unless otherwise agreed in writing with the ditch owner.

In the event that the ditch, lateral, buried irrigation conduit, or canal is owned by an organized irrigation district, canal company, ditch association, or other irrigation entity, the written permission of the entity must first be obtained before a ditch, lateral, buried irrigation conduit, or canal is changed or placed in buried pipe by the landowner.

While a ditch owner shall have no right to relocate his ditch on the property of another without permission, a ditch owner shall have the right to place his ditch in a buried conduit within the easement or right-of-way on the property of another in accordance with standard specifications for pipe, materials, installation and backfill, as set forth in the Idaho standards for public works construction or other standards recognized by the city or county in which the burying is to be done, and so long as the pipe and the construction is accomplished in a manner that the surface of the owner's property and the owner's use thereof is not disrupted and is restored to the condition of adjacent property as expeditiously as possible, but not to exceed five (5) days after the start of construction. A landowner shall have the right to direct that the conduit be relocated to a different route than the
route of the ditch, provided that the landowner shall agree in writing to be responsible for any increased construction or future maintenance costs necessitated by said relocation. Maintenance of the buried conduit shall be the responsibility of the ditch owner.

No more than five (5) days after the start of construction, a landowner or ditch owner who buries a ditch in pipe shall record the location and specifications of the buried irrigation conduit, including primary and secondary easements, in the county in which the burying is done, and shall provide the irrigation entity that supplies water to the ditch, with a copy of such location and specifications and the construction plans utilized. The irrigation entity shall keep and maintain such records and have them available for the public.

Any person or persons who relocate or bury a lateral ditch contrary to the provisions of this section shall be guilty of a misdemeanor.

Approved April 14, 2000.

AN ACT
RELATING TO DOMESTIC VIOLENCE; AMENDING SECTION 18-918, IDAHO CODE, TO CLARIFY THAT A HOUSEHOLD MEMBER WHO COMMITS A BATTERY AND WILLFULLY AND UNLAWFULLY INFlicts A TRAUMATIC INJURY UPON ANOTHER HOUSEHOLD MEMBER IS GUILTY OF A FELONY AND TO REQUIRE THAT COUNSELING AND TREATMENT OF OFFENDERS BE CONDUCTED ACCORDING TO STANDARDS ESTABLISHED OR APPROVED BY THE COUNCIL ON DOMESTIC VIOLENCE; AND DECLARING AN EMERGENCY.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 18-918, Idaho Code, be, and the same is hereby amended to read as follows:

18-918. DOMESTIC VIOLENCE. (1) For the purpose of this section, "household member" means a person who is a spouse, former spouse, or a person who has a child in common regardless of whether they have been married or a person with whom a person is cohabiting, whether or not they have married or have held themselves out to be husband or wife.

(2) As used in this section, "traumatic injury" means a condition of the body, such as a wound or external or internal injury, whether of a minor or serious nature, caused by physical force.

(3) Any household member who commits a battery, as defined in section 18-903, Idaho Code, and willfully and unlawfully inflicts a traumatic injury upon any other household member is guilty of a felony.

(4) A household member who commits an assault, as defined in section 18-901, Idaho Code, against another household member which does not result in traumatic injury is guilty of a misdemeanor domestic assault.

(5) A household member who commits a battery, as defined in section 18-903, Idaho Code, against another household member which does not result in traumatic injury is guilty of a misdemeanor domestic battery.

(6) A conviction of felony domestic battery is punishable by imprisonment in the state prison for a term not to exceed ten (10) years or by a fine not to exceed ten thousand dollars ($10,000) or by both fine and imprisonment.

(7) (a) Upon a first conviction, the crime of misdemeanor domestic assault or battery is punishable by a fine not exceeding one thousand dollars ($1,000) or by imprisonment in a county jail not to exceed six (6) months, or both. Upon a second conviction,
within ten (10) years of the first conviction, the person so convicted shall be punished by imprisonment in the county jail for a term not to exceed one (1) year or by a fine not exceeding two thousand dollars ($2,000) or by both fine and imprisonment. Upon a third or subsequent conviction, within fifteen (15) years of the first conviction, the person so convicted shall be punished by imprisonment in the state prison for a term not to exceed five (5) years or by a fine not to exceed five thousand dollars ($5,000) or by both fine and imprisonment.

(b) The maximum penalties provided in this section shall be doubled where the act of domestic assault or battery for which the person is convicted or pleads guilty took place in the presence of a child. For purposes of this section, "in the presence of a child" means in the physical presence of a child or knowing that a child is present and may see or hear an act of domestic assault or battery. For purposes of this section, "child" means a person under sixteen (16) years of age.

(b) (a) Any person who pleads guilty or is found guilty of a violation of this section shall undergo, at the person's own expense, an evaluation by a person, agency or organization approved by the court in accordance with subsection (c) of this section to determine whether the defendant should be required to obtain aggression counseling or other appropriate treatment. Such evaluation shall be completed prior to the sentencing date if the court's list of approved evaluators, in accordance with subsection (c) of this section, contains evaluators who are able to perform the evaluation prior to the sentencing dates. If the evaluation recommends counseling or other treatment, the evaluation shall recommend the type of counseling or treatment considered appropriate for the defendant, together with the estimated costs thereof, and shall recommend any other suitable alternative counseling or treatment programs, together with the estimated costs thereof. The defendant shall request that a copy of the completed evaluation be forwarded to the court. The court shall take the evaluation into consideration in determining an appropriate sentence. If a copy of the completed evaluation has not been provided to the court, the court may proceed to sentence the defendant; however, in such event, it shall be presumed that counseling is required unless the defendant makes a showing by a preponderance of evidence that counseling is not required. If the defendant has not made a good faith effort to provide the completed copy of the evaluation to the court, the court may consider the failure of the defendant to provide the report as an aggravating circumstance in determining an appropriate sentence. If counseling or other treatment is ordered, in no event shall the person, agency or organization doing the evaluation be the person, agency or organization that provides the counseling or other treatment unless this requirement is waived by the sentencing court, with the exception of federally recognized Indian tribes or federal military installations, where diagnosis and treatment are appropriate and available. Nothing herein contained shall preclude the use of funds authorized for court-ordered counseling or treatment pursuant to this section for indigent defendants as provided by law. In the event that funding
is provided for or on behalf of the defendant by a governmental entity, the defendant shall be ordered to make restitution to such governmental entity in accordance with the restitution procedure for crime victims, as specified under chapter 53, title 19, Idaho Code.

(b) If the evaluation recommends counseling or other treatment, the court shall order the person to complete the counseling or other treatment in addition to any other sentence which may be imposed. If the court determines that counseling or treatment would be inappropriate or undesirable, the court shall enter findings articulating the reasons for such determination on the record. The court shall order the defendant to complete the preferred counseling or treatment program set forth in the evaluation, or a comparable alternative, unless it appears that the defendant cannot reasonably obtain adequate financial resources for such counseling or treatment. In that event, the court may order the defendant to complete a less costly alternative set forth in the evaluation or a comparable program. Nothing contained in this subsection shall be construed as requiring a court to order that counseling or treatment be provided at government expense unless otherwise required by law.

(c) Each judicial district shall by rule establish a uniform system for the qualification and approval of persons, agencies or organizations to perform the evaluations required in this subsection. Only qualified evaluators approved by the court shall be authorized to perform such evaluations. Funds to establish a system for approval of evaluators shall be derived from moneys designated therefor and deposited in the district court fund as provided in section 31-3201A(p), Idaho Code.

(d) Counseling or treatment ordered pursuant to this section shall be conducted according to standards established or approved by the Idaho council on domestic violence.

SECTION 2. An emergency existing therefor, which emergency is hereby declared to exist, this act shall be in full force and effect on and after its passage and approval.

CHAPTER 364  
(S.B. No. 1536)  

AN ACT  
RELATING TO THE IDAHO HOUSING AND FINANCE ASSOCIATION; AMENDING SECTION 67-6201, IDAHO CODE, TO INCLUDE ASSISTANCE TO BEGINNING FARMERS AND RANCHERS FOR AGRICULTURAL FACILITIES AS PUBLIC PURPOSES; AMENDING SECTION 67-6205, IDAHO CODE, TO PROVIDE AN ADDITIONAL DEFINITION AND TO MAKE TECHNICAL CORRECTIONS; AMENDING SECTION 67-6206, IDAHO CODE, TO PROVIDE POWERS RELATING TO THE FINANCING OF AGRICULTURAL FACILITIES; AMENDING SECTION 67-6207A, IDAHO CODE, TO PROVIDE FOR LOANS FOR AGRICULTURAL FACILITIES; AMENDING SECTION 67-6223, IDAHO CODE, TO PROVIDE FOR AUTHORITY TO RECEIVE STATE OR FEDERAL ASSISTANCE FOR AGRICULTURAL FACILITIES AND FOR COOPERATION WITH THE IDAHO DEPARTMENT OF AGRICULTURE; AND DECLARING AN EMERGENCY.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 67-6201, Idaho Code, be, and the same is hereby amended to read as follows:

67-6201. PURPOSE. It is hereby declared:
(a) That within the state there is a shortage of safe or sanitary dwelling accommodations available which persons of low incomes can afford and that such persons are forced to occupy overcrowded and congested dwelling accommodations; that the aforesaid conditions cause an increase in and spread of disease and crime, and constitute a menace to the health, safety, morals and welfare of the residents of the state and impair economic values; that these conditions necessitate excessive and disproportionate expenditures of public funds for crime prevention and punishment, public health and safety, fire and accident protection, and other public services and facilities.
(b) That private enterprise has not been able to provide, without assistance, an adequate supply of safe and sanitary dwellings at prices or rents which persons and families of low income can afford, or to achieve rehabilitation of much of the present low-income housing. It is imperative that the supply of housing for persons and families of low income be increased and that coordination and cooperation among private enterprise, state and local government be encouraged to sponsor, build and rehabilitate residential housing for such persons and families.
(c) That the clearance, replanning and reconstruction of the areas in which unsanitary or unsafe housing conditions exist, and the providing of safe and sanitary dwelling accommodations for persons of low incomes (which dwelling-accommodations need not be solely for persons of low incomes in order to avoid concentrations of such persons in specific localities), are public uses, and uses and purposes for which public money may be spent and private property acquired, and are governmental functions.
(d) It is also declared and the legislature hereby finds that charitable, educational, human service, cultural and other purposes
pursued by nonprofit corporations are important public functions and public purposes that should be encouraged and that financing of nonprofit facilities for these purposes should be encouraged, without using state funds or lending the credit of the state, through the issuance of nonrecourse revenue bonds and the lending of the proceeds thereof to nonprofit corporations to promote their purposes.

(e) It is further declared that in this state:
(1) There exists an inadequate supply of funds at interest rates sufficiently low to enable persons engaged in agriculture in this state, particularly beginning farmers and ranchers, to pursue agricultural operations at present levels;
(2) That such inability to pursue agricultural operations lessens the supply of agricultural commodities available to fulfill the needs of the citizens of this state;
(3) That such inability to continue operations decreases available employment in the agricultural sector of the state and results in unemployment and its attendant problems;
(4) That such conditions prevent the acquisition of an adequate capital stock of farm and ranch equipment and machinery, therefore impairing the productivity of agricultural land;
(5) That such conditions are conducive to consolidation of acreage of agricultural land with fewer individuals living and farming and ranching on the traditional family farm and ranch;
(6) That these conditions result in a loss in population, unemployment and movement of persons from rural to urban areas accompanied by added costs to communities for creation of new public facilities and services;
(7) That there have been recurrent shortages of funds from private market sources at reasonable rates of interest;
(8) That these shortages have made the sale and purchase of agricultural land to beginning farmers and ranchers a virtual impossibility in many parts of the state;
(9) That the ordinary operations of private enterprise have not in the past corrected these conditions; and
(10) That a stable supply of adequate funds for agricultural financing is required to encourage beginning farmers and ranchers in an orderly and sustained manner and to reduce the problems described herein.

(f) It is hereby further declared that all of the foregoing are public purposes and uses for which public moneys may be borrowed, expended or granted and that such activities are governmental functions and serve a public purpose in improving or otherwise benefiting the people of this state; that the necessity of enacting the provisions hereinafter set forth is in the public interest and is hereby so declared as a matter of express legislative determination.

SECTION 2. That Section 67-6205, Idaho Code, be, and the same is hereby amended to read as follows:

Any prisoner who is granted parole under the interstate compact may be required to post a bond prior to release or prior to such acceptance under the interstate compact; such bond may be posted by the prisoner, the prisoner's family, or other interested party. Failure to successfully complete parole may be grounds for forfeiture of the bond. Upon successful completion of parole, the amount of the bond will be returned, less an amount for administrative costs as determined by commission rule, in compliance with chapter 52, title 67, Idaho Code. Funds collected through the bonding process will be placed in a separate commission receipts fund which is hereby created in the state treasury, and utilized for the extradition of said parole violators.

(c) Loan money to the impaired insurer.
(d) This chapter shall provide coverage for the policies and contracts specified in subsection (1) of this section, for persons who are not residents, but only under the following conditions:
(i) The insurers which issued such policies or contracts are domiciled in this state; and
(ii) The director has determined that by statute, similar protection is not available for such nonresidents as that provided in this chapter for residents of this state; and
(iii) The policy or contract establishing or creating the obligation is not a managed care plan.
(2) If a domestic insurer is an insolvent insurer, the association shall, subject to the approval of the director:

(3) If a foreign or alien insurer is an insolvent insurer, the association shall, subject to the approval of the director:
(a) Guarantee, assume, or reinsure, or cause to be guaranteed, assumed, or reinsured the covered policies of residents;
(b) Assure payment of the contractual obligations of the insolvent insurer to residents; and
(c) Provide such monies, pledges, notes, guarantees, or other means as are reasonably necessary to discharge such duties.

(4) (a) In carrying out its duties under subsections (2) and (3) of this section, permanent policy liens, or contract liens may be imposed in connection with any guarantee, assumption or reinsurance agreement, if the court:
(i) Finds that the amounts which can be assessed under this act are less than the amounts needed to assure full and prompt performance of the insolvent insurer's contractual obligations, or that the economic or financial conditions as they affect member insurers are sufficiently adverse to render the imposition of policy or contract liens, to be in the public interest; and
(ii) Approves the specific policy liens or contract liens to be used.
(b) Before being obligated under subsections (2) and (3) of this section the association may request that there be imposed temporary moratoriums or liens on payments of cash values and policy loans in addition to any contractual provisions for deferral of cash or policy loan values and such temporary moratoriums and liens may be imposed if they are approved by the court.

(7) The association shall have standing to appear before any court in this state with jurisdiction over an impaired or insolvent insurer concerning which the association is or may become obligated under this act. Such standing shall extend to all matters germane to the powers and duties of the association, including, but not limited to, proposals for reinsuring or guaranteeing the covered policies of the impaired or insolvent insurer and the determination of the covered policies and contractual obligations.

(8) (a) Any person receiving benefits under this act shall be deemed to have assigned the rights under the covered policy to the association to the extent of the benefits received because of this act whether the benefits are payments of contractual obligations or continuance of coverage. The association may require an assignment to it of such rights by any payee, policy or contract owner, beneficiary, insured or annuitant as a condition precedent to the receipt of any rights or benefits conferred by this act upon such person. The association shall be subrogated to these rights against the assets of any insolvent insurer.

(b) The subrogation rights of the association under this subsection shall have the same priority against the assets of the insolvent insurer as that possessed by the person entitled to receive benefits under this act.

(9) The contractual obligations of the insolvent insurer for which the association becomes or may become liable shall be as great as but no greater than the contractual obligations of the insolvent insurer would have been in the absence of an insolvency unless such obligations are reduced as permitted by subsection (4) of this section but the aggregate liability of the association shall not exceed one hundred thousand dollars ($100,000) in cash values, or three hundred thousand dollars ($300,000) for all benefits, including cash values, with respect to any one life.

(10) The association may:

(a) Enter into such contracts as are necessary or proper to carry out the provisions and purposes of this act;

(b) Sue or be sued, including taking any legal actions necessary or proper for recovery of any unpaid assessments under section 41-4309, Idaho Code;

(c) Borrow money to effect the purposes of this act. Any notes or other evidence of indebtedness of the association not in default shall be legal investments for domestic insurers and may be carried as admitted assets;

(d) Employ or retain such persons as are necessary to handle the financial transactions of the association and to perform such other functions as become necessary or proper under this act;

(e) Negotiate and contract with any liquidator, rehabilitator, conservator, or ancillary receiver to carry out the powers and duties of the association;
(f) Take such legal action as may be necessary to avoid payment of improper claims;

(g) Exercise, for the purposes of this act and to the extent approved by the director, the powers of a domestic life or health insurer, but in no case may the association issue insurance policies or annuity contracts other than those issued to perform the contractual obligations of the impaired or insolvent insurer.

SECTION 6. That Section 41-4309, Idaho Code, be, and the same is hereby amended to read as follows:

41-4309. ASSESSMENTS. (1) For the purpose of providing the funds necessary to carry out the powers and duties of the association, the board of directors shall assess the member insurers, separately for each account, at such time and for such amounts as the board finds necessary. Assessments shall be due not less than thirty (30) days after prior written notice to the member insurers and shall accrue interest at eight percent (8%) per annum on and after the due date.

(2) There shall be three (3) classes of assessments, as follows:

   (a) Class A assessments shall be made for the purpose of meeting administrative costs and other general expenses and examinations conducted under the authority of subsection (5) of section 41-4312 and of section 41-4315, Idaho Code.

   (b) Class B assessments shall be made to the extent necessary to carry out the powers and duties of the association under section 41-4308, Idaho Code, with regard to an impaired or insolvent domestic insurer.

   (c) Class C assessments shall be made to the extent necessary to carry out the powers and duties of the association under section 41-4308, Idaho Code, with regard to an insolvent foreign or alien insurer.

(3) (a) The amount of any class A assessment shall be determined by the board and may be made on a non pro rata basis. Such assessment shall be credited against future insolvency assessments. The amount of any class B or C assessment shall be allocated for assessment purposes among the accounts in the proportion that the premiums received by the impaired or insolvent insurer on the policies covered by each account for the last calendar year preceding the assessment in which the impaired or insolvent insurer received premiums bears to the premiums received by such insurer for such calendar year on all covered policies.

   (b) Class C assessments against member insurers for each account shall be in the proportion that the premiums received on business in this state by each assessed member insurer on policies covered by each account for the calendar year preceding the assessments bears to such premiums received on business in this state for the calendar year preceding the assessment by all assessed member insurers.

   (c) Class B assessments for each account shall be made separately for each state in which the impaired or insolvent domestic insurer was authorized to transact insurance at any time, in the proportion that the premiums received on business in such state by the impaired or insolvent insurer on policies covered by such account
for the last calendar year preceding the assessment in which the impaired or insolvent insurer received premiums bears to such premiums received in all such states for such calendar year by the impaired or insolvent insurer. The assessments against member insurers shall be in the proportion that the premiums received on business in each such state by each assessed member insurer on policies covered by each account for the calendar year preceding the assessment bears to such premiums received on business in each state for the calendar year preceding assessment by all assessed member insurers.

(d) Assessments for funds to meet the requirements of the association with respect to an impaired or insolvent insurer shall not be made until necessary to implement the purposes of this act. Classification of assessments under subsection (2) of this section and computation of assessments under this subsection shall be made with a reasonable degree of accuracy, recognizing that exact determinations may not always be possible.

(e) Notwithstanding any other provision of this section, a managed care organization shall not be subject to a class B or class C assessment for any domestic, foreign or alien insurer that is declared insolvent by any court prior to July 1, 2000.

(4) The association may abate or defer, in whole or in part, the assessment of a member insurer if, in the opinion of the board, payment of the assessment would endanger the ability of the member insurer to fulfill its contractual obligations. In the event an assessment against a member insurer is abated, or deferred in whole or in part, the amount by which such assessment is abated or deferred may be assessed against the other member insurers in a manner consistent with the basis for assessments set forth in this section.

(5) The total of all assessments upon a member insurer for each account shall not in any one calendar year exceed two percent (2%) of such insurer's premiums received in this state during the calendar year preceding the assessment on the policies covered by the account. If the maximum assessment, together with the other assets of the association in either account, does not provide in any one year in either account an amount sufficient to carry out the responsibilities of the association, the necessary additional funds shall be assessed as soon thereafter as permitted by this act.

(6) The board may, by an equitable method as established in the plan of operation, refund to member insurers, in proportion to the contribution of each insurer to that account, the amount by which the assets of the account exceed the amount the board finds is necessary to carry out during the coming year the obligations of the association with regard to that account, including assets accruing from net realized gains and income from investments. A reasonable amount may be retained in any account to provide funds for the continuing expenses of the association and for future losses if refunds are impractical.

(7) It shall be proper for any member insurer, in determining its premium rates and policyowner dividends as to any kind of insurance within the scope of this act, to consider the amount reasonably necessary to meet its assessment obligations under this act.

(8) The association shall issue to each insurer paying an assessment under this act, other than a class A assessment, a certificate of
contribution, in a form prescribed by the director, for the amount of the assessment so paid. All outstanding certificates shall be of equal dignity and priority without reference to amounts or dates of issue. A certificate of contribution may be shown by the insurer in its financial statement as an asset in such form and for such amount, if any, and period of time as the director may approve.

Approved April 14, 2000.

(S.B. No. 1573)

AN ACT
RELATING TO WORKER'S COMPENSATION; AMENDING SECTION 72-223, IDAHO CODE, AS AMENDED BY HOUSE BILL NO. 549, AS AMENDED, ENACTED BY THE SECOND REGULAR SESSION OF THE FIFTY-FIFTH IDAHO LEGISLATURE, TO FURTHER CLARIFY ATTORNEY FEE OBLIGATIONS WHEN A RECOVERY IS MADE AGAINST A THIRD PARTY.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 72-223, Idaho Code, as amended by House Bill No. 549, As Amended, enacted by the Second Regular Session of the Fifty-fifth Idaho Legislature, be, and the same is hereby amended to read as follows:

72-223. THIRD PARTY LIABILITY. (1) The right to compensation under this law shall not be affected by the fact that the injury, occupational disease or death is caused under circumstances creating in some person other than the employer a legal liability to pay damages therefor, such person so liable being referred to as the third party. Such third party shall not include those employers described in section 72-216, Idaho Code, having under them contractors or subcontractors who have in fact complied with the provisions of section 72-301, Idaho Code; nor include the owner or lessee of premises, or other person who is virtually the proprietor or operator of the business there carried on, but who, by reason of there being an independent contractor or for any other reason, is not the direct employer of the workmen there employed.

(2) Action may be instituted against such third party by the employee, or in event compensation has been claimed and awarded, by the employee and employer jointly, in the employee's name, or, if the employee refuses to participate in such action, by the employer in the employee's name.

(3) If compensation has been claimed and awarded, the employer having paid such compensation or having become liable therefor, shall be subrogated to the rights of the employee, to recover against such third party to the extent of the employer's compensation liability.

(4) Unless otherwise agreed, upon any recovery by the employee against the third party, the employer shall pay or have deducted from its subrogated portion thereof, a proportionate share of the costs and
attorney's fees incurred by the employee in obtaining such recovery unless one (1) or more of the following circumstances exist:

(a) If prior to the date of a written retention agreement between the employee and an attorney, the employer has reached an agreement with the third party, in writing, acknowledging agreeing to pay in full the third-party's obligation-to-pay-the employer's subrogated interest;

(b) If the employee alleges or asserts a position in the third party claim adverse to the employer, then the commission shall have jurisdiction to determine a reasonable fee, if any, for services rendered to the employer;

(c) If there is a joint effort between the employee and employer to pursue a recovery from the third party, then the commission shall have jurisdiction to determine a reasonable fee, if any, and apportion the costs and attorney's fees between the employee and employer.

(5) If the amount recovered from the third party exceeds the amount of the subrogated portion payable to the employer for past compensation benefits paid, then to the extent the employer has a future subrogated interest in that portion of the third party recovery paid to the employee, the employer shall receive a credit against its future liability for compensation benefits. Such credit shall apply as future compensation benefits become payable, and the employer shall reimburse the employee for the proportionate share of attorney's fees and costs paid by the employee in obtaining that portion of the third party recovery corresponding to the credit claimed. The employer shall not be required to pay such attorney's fees and costs related to the future credit prior to the time the credit is claimed. However, the employer and employee may agree to different terms if approved by the industrial commission.

(6) If death results from the injury or occupational disease and if the employee leaves no dependents entitled to benefits under this law, the surety shall have a right of action against the third party for recovery of income benefits, reasonable expenses of medical and related services and burial expense actually paid by the surety and for recovery of amounts paid into the industrial special indemnity account pursuant to section 72-420, Idaho Code, and such right of action shall be in addition to any cause of action of the heirs or personal representatives of the deceased.

Any person who fails to make the election provided for in this subsection prior to retirement shall receive retirement compensation under the provisions of paragraph (a) of this subsection.

first day of each month.

(c) A justice or judge electing to retire under paragraph (b) of this subsection shall serve as a senior judge, without compensation other than annual health benefits, for thirty-five (35) days per year for a period of five (5) years. (h) The supreme court may make rules for the implementation of this subsection.

tion 1-2001, Idaho Code, including the value of the spousal benefit provided by section 1-2009, Idaho Code, provided the spouse is the contingent annuitant. The optional retirement allowance may take one (1) of the forms listed below and shall be in lieu of all other retirement compensation and benefits under this chapter, except the death benefit provided by section 1-2010, Idaho Code.

(a) Option 1 provides a reduced retirement allowance payable during the lifetime of the retired justice or judge, and a continuation thereafter of such reduced retirement allowance during the lifetime of the justice or judge's named contingent annuitant.

(b) Option 2 provides a reduced retirement allowance payable during the lifetime of the retired justice or judge, and a continuation thereafter of one-half (1/2) of such reduced retirement allowance during the lifetime of the justice or judge's named contingent annuitant.

(2) Should the named contingent annuitant under option 1 or option 2 predecease a justice or judge, upon notification to the supreme court, the justice or judge's benefit on the first day of the month following the death of the contingent annuitant will thereafter become an allowance calculated pursuant to section 1-2001, Idaho Code.

(3) Application for any optional retirement allowance shall be in writing, duly executed and filed with the supreme court. Such application shall contain all information required by the supreme court, including such proofs of age as are deemed necessary by the supreme court.

(4) A retirement option elected at the time of retirement as provided for in this section may not be changed except by written notice to the supreme court no later than five (5) business days after the receipt of the first retirement allowance.

(5) Not later than one (1) year after the marriage of a retired justice or judge, the justice or judge may elect option 1 or 2 to become effective one (1) year after the date of such election, provided the justice or judge's spouse is named as a contingent annuitant, and either:

(a) The justice or judge was not married at the time of retirement; or

(b) The justice or judge earlier elected option 1 or 2, having named the justice or judge's spouse as contingent annuitant, and said spouse has died.

(6) Each justice or judge receiving retirement compensation on July 1, 2000, shall have a one-time irrevocable election to name a spouse as a contingent annuitant under subsection (1)(a) of this section.

SECTION 5. That Chapter 20, Title 1, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW SECTION, to be known and designated as Section 1-2005, Idaho Code, and to read as follows:
1-2005. SENIOR JUDGE -- ASSIGNMENT -- DUTIES AND POWERS -- COMPENSATION AND EXPENSES -- QUALIFICATIONS AND OATH. (1) A justice or judge who leaves office or retires from the supreme court, court of appeals or a district court, except a justice or judge retired under the provisions of section 1-2001(4), Idaho Code, may be designated a senior judge of the state of Idaho by the supreme court.

(2) Upon filing with the secretary of state an oath of office as a senior judge as prescribed in subsection (7) of this section, a senior judge is eligible for temporary assignment by the supreme court to a state court as provided in this subsection, whenever the supreme court determines that the assignment is reasonably necessary and will promote the more efficient administration of justice. A senior judge may sit as a district or magistrate judge of the district court of any county or may sit with the supreme court or court of appeals or may perform such other duties pertaining to the judicial department of government as may be requested.

(3) The assignment of a senior judge shall be made by an order which shall designate the court or duties to which the judge is assigned and the duration of the assignment. Promptly after assignment of a senior judge under this section, the supreme court shall cause a certified copy of the order to be sent to the senior judge and another certified copy to the court to which the judge is assigned.

(4) Each senior judge assigned as provided in this section has all the judicial powers and duties, while serving under the assignment, of a regularly qualified judge of the court to which the senior judge is assigned.

(5) A senior judge assigned as provided in this section, other than one performing services required by section 1-2001(2)(b), Idaho Code, shall receive as compensation for each day the senior judge is actually engaged in the performance of duties under the assignment an amount equal to eighty-five percent (85%) of the daily salary of the highest office in which the senior judge served. However, a retired judge shall not receive for services as a senior judge during any calendar year a sum of money which when added to the amount of any judicial retirement pay received by the senior judge for the year exceeds the current annual salary of the highest office in which the senior judge served. Services by a senior judge under an assignment and receipt of compensation for services shall not reduce or otherwise affect the amount of any retirement pay to which the senior judge otherwise would be entitled. Such additional compensation above the retirement compensation benefits accruing to such senior judge shall be paid from the general fund in accordance with appropriations provided by the legislature.

(6) A senior judge assigned to a court located outside the county in which the senior judge regularly resides shall receive, in addition to any daily compensation, reimbursement for traveling and subsistence expenses necessarily incurred in the performance of duties under the assignment. The expenses shall be paid upon presentation of an itemized statement of the expenses, certified by the senior judge to be correct.

(7) To be eligible for assignment, a senior judge must: maintain a residence within the state; not engage in the practice of law other than as a mediator or arbitrator or similar alternate dispute resolu-
tion function; not accept a position in another branch of state government or any political subdivision; not accept a position in the government of the United States or of another state or nation; and take, subscribe and file with the secretary of state, the following oath or affirmation:

"I, ................., do solemnly swear (or affirm, as the case may be) that as a senior judge of the state of Idaho, I will support the Constitution of the United States and the Constitution of the State of Idaho, and that upon hereafter accepting any assignment to serve as a judge of a court of this state I will faithfully discharge the duties thereof to the best of my ability."

(8) Except as provided in section 1-2001(2)(b), Idaho Code, any period of service rendered by a senior judge shall not in any way be computed for additional retirement benefits, and the state controller shall not receive or deduct any sum for transfer to the judges' retirement fund or to the public employee retirement system of Idaho.

SECTION 6. That Section 1-2009, Idaho Code, be, and the same is hereby amended to read as follows:

1-2009. BENEFIT TO SURVIVING SPOUSE OF JUSTICE OR JUDGE. The legislature hereby finds and declares that the payment of allowances to the surviving spouses of justices of the supreme court, judges of the court of appeals and district judges of the district court of the state of Idaho, serves the public purpose of promoting the public welfare by encouraging experienced jurists to continue their service and that their continued service and increased efficiency will be secured in the expectation that the legislature will fairly provide for their surviving spouses, and that such continued service and increased efficiency of such jurists, secure in this knowledge, will be of substantial benefit to the state.

The surviving spouse, of any justice or judge entitled to benefits under this chapter who dies on or after July 1, 1965, shall receive an allowance from the judges' retirement fund, payable monthly, and as hereinafter provided.

(a) In the case of a justice or judge receiving retirement compensation at the time of death, allowance to his surviving spouse shall commence immediately and be payable to such spouse from such fund in an amount equal to thirty-per-cent fifty percent (35%) of the retirement compensation being paid to which such justice or judge would be entitled under section 1-2001(2), Idaho Code.

(b) In the case of a justice or judge under-the-age-of-sixty-five (65)-years who has service as a justice of the supreme court, judge of the court of appeals or district judge of four (4) years or more and is not receiving retirement compensation at the time of death, commencing immediately, the surviving spouse shall be paid an allowance from such fund in the amount of thirty-per-cent fifty percent (35%) of the retirement compensation to which the justice or judge would have been entitled if-then-of-the-age-of-sixty-five-(65)--years under section 1-2001(2)(a), Idaho Code, as if the justice or judge was eligible to retire and had retired immediately before his death.

(c) In-the-case-of-a-justice-or--judge--of--age--sixty-five--(65)
years--or--older-and-not-receiving-retirement-compensation-at-the-time of-death; commencing immediately, his surviving spouse shall receive an allowance payable from the fund in an amount equal to thirty per cent--(30%)--of the retirement compensation to which the justice or judge would have been entitled if then retired.

(d) Each justice or judge who serves or has served in office may at any time prior to receiving retirement compensation file a written election with the Supreme Court to receive a reduced retirement compensation in the amount of eighty-five per cent--(85%)--of the retirement compensation to which the justice or judge would have been entitled, and the justice or judge having elected to receive the lesser retirement compensation, at the time of the justice's or judge's death, the allowance to a surviving spouse shall commence immediately and be payable to such spouse from such fund in an amount equal to fifty per cent--(50%)--of the retirement compensation to which the justice or judge would have been entitled prior to electing a reduced retirement compensation.

(e) The allowance to the surviving spouse shall be based upon the current annual compensation of the office held by the deceased justice or judge, as distinguished from the salary of the office at the time of death or retirement. The allowance shall be paid until the death of the surviving spouse.

(d) The surviving spouse of a justice or judge who is not receiving benefits from the judges' retirement fund at the time of the justice's or judge's death may elect to take an optional retirement allowance as a surviving annuitant under option 1 of section 1-2001b(1)(a), Idaho Code. Such optional retirement allowance shall be calculated as if the justice or judge was eligible to retire and had retired immediately before his death.

SECTION 7. That Section 1-2010, Idaho Code, be, and the same is hereby amended to read as follows:

1-2010. DEATH BENEFIT. (1) The death benefit of a deceased justice or judge is the excess, if any, of the justice's or judge's accumulated contributions to the judges' retirement fund, including accrued interest at the rate provided in section 1-2001(5), Idaho Code, over the aggregate of all retirement compensation payments and allowances ever made to the justice, judge or spouse or annuitant from the judges' retirement fund.

(2) The death benefit is payable, and all other retirement compensation benefits and allowances shall cease, upon the death of the justice, judge, or spouse or annuitant receiving a retirement compensation or allowance.

(3) The death benefit shall be paid to the beneficiary named by the justice or judge in a written designation of beneficiary on file with the Supreme Court if the beneficiary is surviving at the time the death benefit is payable; otherwise the death benefit shall be paid to the estate of the deceased justice or judge for distribution in accordance with the laws of descent and distribution of the state of Idaho as they may then be in effect.
SECTION 8. That Section 1-2221, Idaho Code, be, and the same is hereby repealed.

SECTION 9. That Chapter 22, Title 1, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW SECTION, to be known and designated as Section 1-2221, Idaho Code, and to read as follows:

1-2221. SENIOR JUDGE -- ASSIGNMENT -- DUTIES AND POWERS -- COMPENSATION AND EXPENSES -- QUALIFICATIONS AND OATH. (1) A magistrate judge who leaves office or retires from the magistrates division of a district court, except a magistrate judge retired under the provisions of section 59-1352, Idaho Code, may be designated a senior judge of the state of Idaho by the supreme court.

(2) Upon filing with the secretary of state an oath of office as a senior judge as prescribed in subsection (7) of this section, a senior judge is eligible for temporary assignment, with the consent of the senior judge, by the supreme court to a state court as provided in this subsection, whenever the supreme court determines that the assignment is reasonably necessary and will promote the more efficient administration of justice. A senior judge may sit as a judge of the district court of any county or may sit with the supreme court or court of appeals or may perform such other duties pertaining to the judicial department of government as may be requested.

(3) The assignment of a senior judge shall be made by an order which shall designate the court or duties to which the senior judge is assigned and the duration of the assignment. Promptly after assignment of a senior judge under this section, the supreme court shall cause a certified copy of the order to be sent to the senior judge and another certified copy to the court to which the senior judge is assigned.

(4) Each senior judge assigned as provided in this section has all the judicial powers and duties, while serving under the assignment, of a regularly qualified judge of the court to which the senior judge is assigned.

(5) A senior judge assigned as provided in this section shall receive as compensation for each day the senior judge is actually engaged in the performance of duties under the assignment an amount equal to eighty-five percent (85%) of the daily salary of an active magistrate judge. However, a retired magistrate judge shall not receive for services as a senior judge during any calendar year a sum of money which when added to the amount of any judicial retirement pay received by the senior judge for the year exceeds the current annual salary of an active magistrate judge. Services by a senior judge under an assignment and receipt of compensation for services shall not reduce or otherwise affect the amount of any retirement pay to which the senior judge otherwise would be entitled. Such additional compensation above the retirement compensation benefits accruing to such senior judge shall be paid from the general fund in accordance with appropriations provided by the legislature.

(6) A senior judge assigned to a court located outside the county in which the senior judge regularly resides shall receive, in addition to any daily compensation, reimbursement for traveling and subsistence expenses necessarily incurred in the performance of duties under the
assignment. The expenses shall be paid upon presentation of an itemized statement of the expenses, certified by the senior judge to be correct.

(7) To be eligible for assignment, a senior judge must: maintain a residence within the state; not engage in the practice of law other than as a mediator or arbitrator or similar alternate dispute resolution function; not accept a position in another branch of state government or any political subdivision; not accept a position in the government of the United States or of another state or nation; and take, subscribe and file with the secretary of state, the following oath or affirmation:

"I, ............... , do solemnly swear (or affirm, as the case may be) that as a senior judge of the state of Idaho, I will support the Constitution of the United States and the Constitution of the State of Idaho, and that upon hereafter accepting any assignment to serve as a senior judge of a court of this state I will faithfully discharge the duties thereof to the best of my ability."

(8) Any period of service rendered by a senior judge shall not in any way be computed for additional retirement benefits, and the state controller shall not receive or deduct any sum for transfer to the public employee retirement system of Idaho.

SECTION 10. That Section 67-5339, Idaho Code, be, and the same is hereby amended to read as follows:

67-5339. USE OF UNUSED SICK LEAVE. (1) Upon separation from state employment by retirement in accordance with chapter 13, title 59 or chapter 1, title 33, Idaho Code, an employee's unused sick leave shall be determined based on accumulated sick leave earned subsequent to July 1, 1976, and shall be reported by the employer to the public employee retirement system. Upon separation from state employment by retirement in accordance with chapter 20, title 1, Idaho Code, an employee's unused sick leave shall be determined based on accumulated sick leave earned subsequent to July 1, 2000, and shall be reported by the employer to the public employee retirement system. A sum equal to one-half (1/2), or the maximum amount allowed by subsection (2) of this section, whichever is the lesser, of the monetary value of such unused sick leave, calculated at the rate of pay for such employee at the time of retirement, shall be transferred from the sick leave account provided by subsection (3) of this section and shall be credited to such employee's retirement account. Such sums shall be used by the Idaho public employee retirement board to pay premiums for such group health, accident, and life insurance programs as may be maintained by the state, to the extent of the funds credited to the employee's account pursuant to this section. Upon an employee's death, any unexpended sums remaining in the account shall revert to the sick leave account.

(2) For the purposes of determining the monetary value of unused sick leave, the maximum unused sick leave which may be considered, shall be:

(a) During the first ten thousand four hundred (10,400) hours of credited state service, the maximum unused sick leave which may be
considered shall be two hundred forty (240) hours;
(b) During the second ten thousand four hundred (10,400) hours of credited state service, the maximum unused sick leave which may be considered shall be three hundred (300) hours;
(c) During the third ten thousand four hundred (10,400) hours of credited state service, the maximum unused sick leave which may be considered shall be three hundred sixty (360) hours; and
(d) Thereafter, the maximum unused sick leave which may be considered shall be four hundred twenty (420) hours.

(3) Each employer in state government shall contribute to a sick leave account maintained by the public employee retirement system exclusively for the purpose of the provisions of this section. The rate of such contribution each pay period shall consist of a percentage of employees' salaries as determined by the board, and such rate shall remain in effect until next determined by the board. Any excess balance in the sick leave account shall be invested, and the earnings therefrom shall accrue to the sick leave account except the amount required by the board to defray administrative expenses. All moneys payable to the sick leave account are hereby perpetually appropriated to the board, and shall not be included in its departmental budget. The state insurance fund and public health districts shall be considered employers in state government for purposes of participation under this section.

There is hereby reappropriated to the Department of Health and Welfare for Medical Assistance Services any unexpended and unencumbered balances of the Cooperative Welfare Fund as appropriated for Medical Assistance Services for fiscal year 2000, to be used for nonrecurring expenditures only for the period July 1, 2000, through June 30, 2001. The reappropriation shall be computed by the Department of Health and Welfare from available moneys.

SECTION 4. Notwithstanding the provisions of Section 67-3516(2), Idaho Code, the Department of Health and Welfare for Medical Assistance Services is hereby authorized to expend all receipts collected in Medical Assistance Services as noncognizable funds for the period July 1, 2000, through June 30, 2001.

SECTION 5. It is the intent of the Idaho Legislature that the federal Title XXI Children's Health Insurance Program shall not exceed one hundred fifty percent (150%) of the federal poverty level when determining eligibility without prior legislative approval.

SECTION 6. The Idaho Legislature recognizes the work of the Children's Health Insurance Program Task Force appointed by the director of the Department of Health and Welfare. The department is encour-
aged to implement the recommendations of the task force to the extent legally possible and to apply for the necessary federal waivers where required in order to provide basic health care coverage for Idaho's uninsured children.

SECTION 7. It is the intent of the Idaho Legislature that the Division of Veterans Services and the Department of Health and Welfare take the steps necessary to make state veterans homes providers of services under the state's Medicaid Program on or before February 1, 2001. It is further the intent of the Idaho Legislature that for the period July 1, 2000, through June 30, 2001, the cost limits described in Section 56-102(7) and Section 56-102(11), Idaho Code, shall not apply to state homes for veterans. In addition, the Department of Health and Welfare is directed to provide a status report on making this conversion to the Joint Finance-Appropriations Committee at each of their regularly scheduled interim committee meetings.

SECTION 8. It is the intent of the Idaho Legislature that the total expenditure for transportation services provided to clients of the state's Medicaid Program for the period July 1, 2000, through June 30, 2001, shall not exceed the amount spent in state fiscal year 2000. The department shall consult with providers and advocates of persons receiving transportation services on how to achieve these savings.

SECTION 9. It is the intent of the Idaho Legislature that the number of beds in private intermediate care facilities for the mentally retarded funded by Medicaid, be capped at four hundred eighty-six (486) beds, including any beds planned or under construction. The department shall consult with providers and advocates of persons receiving ICF/MR services on how to implement the cap.

SECTION 10. Notwithstanding the provisions of Section 56-113, Idaho Code, it is the intent of the Idaho Legislature that for the period July 1, 2000, through June 30, 2001, rates, including special rates, of private intermediate care facilities for the mentally retarded shall not exceed the rates in effect in state fiscal year 2000.

SECTION 11. It is the intent of the Idaho Legislature that the Department of Health and Welfare require the use of generic drugs to the extent feasible and allowed by law in the state's Medicaid Program. The department shall develop a process of prior approval when the physician prescribes drugs other than generic. The department is further directed to research the feasibility of implementing a closed Medicaid drug formulary.

SECTION 12. It is the intent of the Idaho Legislature that a defined process of prior authorization, client assessment and periodic review be implemented by the department for developmental disability agency services provided to clients of the state's Medicaid Program after consultation with providers and advocates of persons with developmental disabilities.
SECTION 13. It is the intent of the Idaho Legislature that for the period July 1, 2000, through June 30, 2001, the rates paid for durable medical equipment provided to clients of the state's Medicaid Program shall not exceed the rates in effect in state fiscal year 2000.

It is the intent of the Idaho Legislature that the Department of Health and Welfare actively oversee targeted case management services received by clients of the state's Medicaid Program to ensure that clients are receiving only needed services resulting in desired treatment outcomes. It is further the intent of the Idaho Legislature that private targeted case managers focus more on managing the utilization of services rather than maximizing services provided to clients. The Department of Health and Welfare is authorized to develop and include enforceable prior authorization and performance requirements in provider agreements for targeted case management services to carry out these objectives. The department shall consult with providers and advocates of clients receiving targeted case management services on how to effect the transition to the prior authorization and performance requirements. It is further the intent of the Idaho Legislature that the Department of Health and Welfare develop a plan to be implemented over a period of time to better manage such services.

SECTION 16. It is the intent of the Idaho Legislature that mental health services provided to clients of the state's Medicaid Program shall be prior authorized and periodically reviewed through a defined process in order to achieve cost savings. The department shall consult with providers and advocates of clients receiving mental health services on the process for implementing such prior authorization and periodic review.

SECTION 17. It is the intent of the Idaho Legislature that clients participating in the state's Medicaid Program share a portion of the cost of providing services to the extent allowed by law. The Idaho Legislature authorizes the Department of Health and Welfare to implement reasonable copayments and other cost-sharing methods as allowed by law. Providers will retain all copayments collected, and the Department of Health and Welfare will not reduce provider reimbursement rates by the amount of the copayments.

SECTION 18. It is the intent of the Idaho Legislature that day treatment services provided to clients with mental illness through the state's Medicaid Program shall be limited to aiding in the transition from acute care to lesser levels of care and to stabilization as a means of preventing hospitalization. Such transition and stabilization services shall include, but not be limited to, a planned program of three (3) hours per day of group therapy, one (1) hour per day of
individual therapy, at least two (2) psychiatric visits every six (6) days, and meaningful group recreational activities. The modification of day treatment services shall be phased in by January 1, 2001. The department shall consult with providers and advocates of clients receiving day treatment services regarding the means of modifying day treatment services to transitional and stabilization services by the target date.

SECTION 19. It is the intent of the Idaho Legislature that the Department of Health and Welfare research the feasibility of reducing Medicaid service coverage to more closely match private insurance coverage when practical.

SECTION 20. It is the intent of the Idaho Legislature that the department review the administrative costs of the Medicaid Program to assure cost-effectiveness, and wherever possible, reduce the cost to be more in line with the surrounding states.

SECTION 21. Notwithstanding any other provision of law to the contrary, it is the intent of the Idaho Legislature that the Department of Health and Welfare has the authority and responsibility to manage outside organizations and individuals with whom the department contracts for services. This includes all contracts for any services provided to or on behalf of the department.

SECTION 22. The Department of Health and Welfare is hereby directed to promulgate the necessary rules in consultation with provider groups and clients in order to fully implement the Medicaid cost control measures upon which this budget is based. The department shall also draft any required legislation for submittal to the First Regular Session of the Fifty-sixth Idaho Legislature to permanently implement these changes.

AN ACT
RELATING TO CHILD SUPPORT GUIDELINES; AMENDING SECTION 32-706, IDAHO CODE, AS AMENDED BY HOUSE BILL NO. 418, AS ENACTED BY THE SECOND REGULAR SESSION OF THE FIFTY-FIFTH IDAHO LEGISLATURE, TO PROVIDE WHEN ADOPTING GUIDELINES, THE SUPREME COURT SHALL PROVIDE THAT IN A PROCEEDING TO MODIFY AN EXISTING AWARD, CHILDREN OF THE PARTY REQUESTING THE MODIFICATION WHO ARE BORN OR ADOPTED AFTER THE ENTRY OF THE EXISTING ORDER SHALL NOT BE CONSIDERED.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 32-706, Idaho Code, as amended by House Bill No. 418, enacted by the Second Regular Session of the Fifty-fifth Idaho Legislature, be, and the same is hereby amended to read as follows:

32-706. CHILD SUPPORT. (1) In a proceeding for divorce or child support, the court may order either or both parents owing a duty of support to a child to pay an amount reasonable or necessary for his or her support and education until the child is eighteen (18) years of age, without regard to marital misconduct, after considering all rele-
want factors which may include:

(a) The financial resources of the child;
(b) The financial resources, needs, and obligations of both the custodial and noncustodial parents which ordinarily shall not include a parent's community property interest in the financial resources or obligations of a spouse who is not a parent of the child, unless compelling reasons exist;
(c) The standard of living the child enjoyed during the marriage;
(d) The physical and emotional condition and needs of the child and his or her educational needs;
(e) The availability of medical coverage for the child at reasonable cost;
(f) The actual tax benefit recognized by the party claiming the federal child dependency exemption.

(2) If the child continues his high school education subsequent to reaching the age of eighteen (18) years, the court may, in its discretion, and after considering all relevant factors which include those set forth in subsection (1) of this section, order the continuation of support payments until the child discontinues his high school education or reaches the age of nineteen (19) years, whichever is sooner.

(3) All child support orders shall notify the obligor that the order will be enforced by income withholding pursuant to chapter 12, title 32, Idaho Code. Failure to include this provision does not affect the validity of the support order. The court shall require that the social security numbers of both the obligor and obligee be included in the order or decree.

(4) In a proceeding for the support of a child or a minor parent the court may order the parent(s) of each minor parent to pay an amount reasonable or necessary for the support and education of the child born to the minor parent(s) until the minor parent is eighteen (18) years of age, after considering all relevant factors which may include:

(a) The financial resources of the child;

(5) The legislature hereby authorizes and encourages the supreme court of the state of Idaho to adopt and to periodically review for modification guidelines that utilize and implement the factors set forth in subsections (1) through (4) of this section to create a uniform procedure for reaching fair and adequate child support awards. There shall be a rebuttable presumption that the amount of the award which would result from the application of the guidelines is the amount of child support to be awarded, unless evidence is presented in a particular case which indicates that an application of the guidelines would be unjust or inappropriate. If the court determines that circumstances exist to permit a departure from the guidelines, the judge making the determination shall make a written or specific find-
ing on the record that the application of the guidelines would be unjust or inappropriate in the particular case before the court. When adopting guidelines, the supreme court shall provide that in a proceeding to modify an existing award, children of the party requesting the modification who are born or adopted after the entry of the existing order shall not be considered.

Approved April 17, 2000.

CHAPTER 413
(S.B. No. 1391)

AN ACT

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Sections 20-301 and 20-302, Idaho Code, be, and the same are hereby repealed.

SECTION 2. That Chapter 3, Title 20, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW SECTION, to be known and designated as Section 20-301, Idaho Code, and to read as follows:

20-301. COMPACTS WITH OTHER STATES AUTHORIZED. The governor of this state is hereby authorized and directed to execute a compact on behalf of the state of Idaho with any of the United States legally joining therein in the form substantially as follows:
ARTICLE I
PURPOSE

The compacting states to this interstate compact recognize that each state is responsible for the supervision of adult offenders in the community who are authorized pursuant to the bylaws and rules of this compact to travel across state lines both to and from each compacting state in such a manner as to track the location of offenders, transfer supervision authority in an orderly and efficient manner, and when necessary return offenders to the originating jurisdictions. The compacting states also recognize that congress, by enacting the crime control act, 4 U.S.C. section 112 (1965), has authorized and encouraged compacts for cooperative efforts and mutual assistance in the prevention of crime. It is the purpose of this compact and the interstate commission created hereunder, through means of joint and cooperative action among the compacting states: to provide the framework for the promotion of public safety and protect the rights of victims through the control and regulation of the interstate movement of offenders in the community; to provide for the effective tracking, supervision, and rehabilitation of these offenders by the sending and receiving states; and to equitably distribute the costs, benefits and obligations of the compact among the compacting states. In addition, this compact will: create an interstate commission which will establish uniform procedures to manage the movement between states of adults placed under community supervision and released to the community under the jurisdiction of courts, paroling authorities, corrections or other criminal justice agencies which will promulgate rules to achieve the purpose of this compact; ensure an opportunity for input and timely notice to victims and to jurisdictions where defined offenders are authorized to travel or to relocate across state lines; establish a system of uniform data collection, access to information on active cases by authorized criminal justice officials, and regular reporting of compact activities to heads of state councils, state executive, judicial, and legislative branches and criminal justice administrators; monitor compliance with rules governing interstate movement of offenders and initiate interventions to address and correct noncompliance; and coordinate training and education regarding regulations of interstate movement of offenders for officials involved in such activity. The compacting states recognize that there is no "right" of any offender to live in another state and that duly accredited officers of a sending state may at all times enter a receiving state and there apprehend and retake any offender under supervision subject to the provisions of this compact and bylaws and rules promulgated hereunder. It is the policy of the compacting states that the activities conducted by the interstate commission created herein are the formation of public policies and are therefore public business.

   (i) Establishing standards and procedures for compliance and technical assistance in carrying out the compact.

(3) The interstate commission shall, through its executive committee, appoint or retain an executive director for such period, upon such terms and conditions and for such compensation as the interstate commission may deem appropriate. ARTICLE VII

ACTIVITIES OF THE INTERSTATE COMMISSION

(1) The interstate commission shall meet and take such actions as are consistent with the provisions of this compact.

(2) Except as otherwise provided in this compact and unless a greater percentage is required by the bylaws, in order to constitute an act of the interstate commission, such act shall have been taken at a meeting of the interstate commission and shall have received an affirmative vote of a majority of the members present.

(3) Each member of the interstate commission shall have the right and power to cast a vote to which that compacting state is entitled and to participate in the business and affairs of the interstate commission. A member shall vote in person on behalf of the state and shall not delegate a vote to another member state. However, a state council shall appoint another authorized representative, in the absence of the commissioner from that state, to cast a vote on behalf of the member state at a specified meeting. The bylaws may provide for members' participation in meetings by telephone or other means of telecommunication or electronic communication. Any voting conducted by telephone, or other means of telecommunication or electronic communication shall be subject to the same quorum requirements of meetings where members are present in person.
The interstate commission shall meet at least once during each calendar year. The chairperson of the interstate commission may call additional meetings at any time and, upon the request of a majority of the members, shall call additional meetings.

The interstate commission shall establish conditions and procedures under which the interstate commission shall make its information and official records available to the public for inspection or copying. The interstate commission may exempt from disclosure any information or official records to the extent they would adversely affect personal privacy rights or proprietary interests. In promulgating such rules, the interstate commission may make available to law enforcement agencies records and information otherwise exempt from disclosure, and may enter into agreements with law enforcement agencies to receive or exchange information or records subject to nondisclosure and confidentiality provisions.

Public notice shall be given of all meetings and all meetings shall be open to the public, except as set forth in the rules or as otherwise provided in the compact. The interstate commission shall promulgate rules consistent with the principles contained in the government in sunshine act, 5 U.S.C. section 552(b), as may be amended. The interstate commission and any of its committees may close a meeting to the public where it determines by two-thirds (2/3) vote that an open meeting would be likely to:

(a) Relate solely to the interstate commission's internal personnel practices and procedures;
(b) Disclose matters specifically exempted from disclosure by statute;
(c) Disclose trade secrets or commercial or financial information which is privileged or confidential;
(d) Involve accusing any person of a crime, or formally censuring any person;
(e) Disclose information of a personal nature where disclosure would constitute a clearly unwarranted invasion of personal privacy;
(f) Disclose investigatory records compiled for law enforcement purposes;
(g) Disclose information contained in or related to examination, operating or condition reports prepared by, or on behalf of or for the use of, the interstate commission with respect to a regulated entity for the purpose of regulation or supervision of such entity;
(h) Disclose information, the premature disclosure of which would significantly endanger the life of a person or the stability of a regulated entity;
(i) Specifically relate to the interstate commission's issuance of a subpoena, or its participation in a civil action or proceeding.

For every meeting closed pursuant to this provision, the interstate commission's chief legal officer shall publicly certify that, in the officer's opinion, the meeting may be closed to the public, and shall reference each relevant exemptive provision.

The interstate commission shall keep minutes which shall fully and clearly describe all matters discussed in any meeting and
shall provide a full and accurate summary of any actions taken, and the reasons therefor, including a description of each of the views expressed on any item and the record of any roll call vote (reflected in the vote of each member on the question). All documents considered in connection with any action shall be identified in such minutes.

(8) The interstate commission shall collect standardized data concerning the interstate movement of offenders as directed through its bylaws and rules which shall specify the data to be collected, the means of collection and data exchange and reporting requirements.

ARTICLE VIII
RULEMAKING FUNCTIONS OF THE INTERSTATE COMMISSION

(1) The interstate commission shall promulgate rules in order to effectively and efficiently achieve the purposes of the compact including transition rules governing administration of the compact during the period in which it is being considered and enacted by the states.

(2) Rulemaking shall occur pursuant to the criteria set forth in this article and the bylaws and rules adopted pursuant thereto. Such rulemaking shall substantially conform to the principles of the federal administrative procedure act, 5 U.S.C.S. section 551 et seq., and the federal advisory committee act, 5 U.S.C.S. app. 2, section 1 et seq., as may be amended (hereinafter "APA").

(3) All rules and amendments shall become binding as of the date specified in each rule or amendment.

(4) If a majority of the legislatures of the compacting states rejects a rule, by enactment of a statute or resolution in the same manner used to adopt the compact, then such rule shall have no further force and effect in any compacting state.

If the court finds that the interstate commission's action is not supported by substantial evidence, as defined in the APA, in the rulemaking record, the court shall hold the rule unlawful and set it aside.

(7) Subjects to be addressed within twelve (12) months after the first meeting must at a minimum include:
(a) Notice to victims and opportunity to be heard;
(b) Offender registration and compliance;

(8) The existing rules governing the operation of the previous compact superseded by this act shall be null and void twelve (12) months after the first meeting of the interstate commission created hereunder.
(9) Upon determination by the interstate commission that an emergency exists, it may promulgate an emergency rule which shall become effective immediately upon adoption; provided that the usual rulemaking procedures provided hereunder shall be retroactively applied to said rule as soon as reasonably possible, but in no event later than ninety (90) days after the effective date of the rule.

ARTICLE IX

In any judicial or administrative proceeding in a compacting state pertaining to the subject matter of this compact which may affect the powers, responsibilities or actions of the interstate commission, the interstate commission shall be entitled to receive all service of process in any such proceeding, and shall have standing to intervene in the proceeding for all purposes.
(3) The compacting states shall report to the interstate commission on issues or activities of concern to them, and cooperate with and support the interstate commission in the discharge of its duties and responsibilities.

The aggregate annual assessment amount shall be allocated based upon a formula to be determined by the interstate commission, taking into consideration the population of the state and the volume of interstate movement of offenders in each compacting state and shall promulgate a rule binding upon all compacting states which governs said assessment.

(3) The interstate commission shall not incur any obligations of any kind prior to securing the funds adequate to meet the same, nor shall the interstate commission pledge the credit of any of the compacting states, except by and with the authority of the compacting state.

(4) The interstate commission shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the interstate commission shall be subject to the audit and accounting procedures established under its bylaws. However, all receipts and disbursements of funds handled by the interstate commission shall be audited yearly by a certified or licensed public accountant and the report of the audit shall be included in and become part of the annual report of the interstate commission.

(1) Any state, as defined in article II of this compact, is eligible to become a compacting state.

(2) The compact shall become effective and binding upon legislative enactment of the compact into law by no less than thirty-five (35) of the states. The initial effective date shall be the later of July 1, 2001, or upon enactment into law by the thirty-fifth jurisdiction. Thereafter it shall become effective and binding, as to any other compacting state, upon enactment of the compact into law by that state. The governors of nonmember states or their designees will be invited to participate in interstate commission activities on a nonvoting basis prior to adoption of the compact by all states and territories of the United States.

(3) Amendments to the compact may be proposed by the interstate commission for enactment by the compacting states. No amendment shall become effective and binding upon the interstate commission and the compacting states unless and until it is enacted into law by unanimous consent of the compacting states.

ARTICLE XII

A compacting state may withdraw from the compact ("withdrawing state") by enacting a statute specifically repealing the statute which enacted the compact into law. The effective date of withdrawal is the effective date of the repeal.

(2) The withdrawing state shall immediately notify the chairperson of the interstate commission in writing upon the introduction of legislation repealing this compact in the withdrawing state. The interstate commission shall notify the other compacting states of the withdrawing state's intent to withdraw within sixty (60) days of its receipt thereof.

(3) The withdrawing state is responsible for all assessments, obligations and liabilities incurred through the effective date of withdrawal, including any obligations the performance of which extend beyond the effective date of withdrawal.

(4) Reinstatement following withdrawal of any compacting state shall occur upon the withdrawing state's reenactment of the compact or upon such later date as determined by the interstate commission.

(5) If the interstate commission determines that any compacting state has at any time defaulted ("defaulting state") in the performance of any of its obligations or responsibilities under this compact, the bylaws or any duly promulgated rules, the interstate commission may impose any or all of the following penalties:

(a) Fines, fees and costs in such amounts as are deemed to be reasonable as fixed by the interstate commission;
(b) Remedial training and technical assistance as directed by the interstate commission;
(c) Suspension and termination of membership in the compact. Suspension shall be imposed only after all other reasonable means of securing compliance under the bylaws and rules have been exhausted. Immediate notice of suspension shall be given by the interstate commission to the governor, the chief justice or chief judicial officer of the state, the majority and minority leaders of the defaulting state's legislature, and the state council.

(6) The grounds for default include, but are not limited to, failure of a compacting state to perform such obligations or responsibilities imposed upon it by this compact, interstate commission bylaws, or duly promulgated rules. The interstate commission shall immediately notify the defaulting state in writing of the penalty imposed by the interstate commission on the defaulting state pending a cure of the default. The interstate commission shall stipulate the conditions and the time period within which the defaulting state must cure its default. If the defaulting state fails to cure the default within the time period specified by the interstate commission, in addition to any other penalties imposed herein, the defaulting state may be terminated from the compact upon an affirmative vote of a majority of the compacting states and all rights, privileges and benefits conferred by this compact shall be terminated from the effective date of suspension.

(7) Within sixty (60) days of the effective date of termination of a defaulting state, the interstate commission shall notify the governor, the chief justice or chief judicial officer and the majority and minority leaders of the defaulting state's legislature and the state council of such termination.
(8) The defaulting state is responsible for all assessments, obligations and liabilities incurred through the effective date of termination including any obligations the performance of which extends beyond the effective date of termination.

(9) The interstate commission shall not bear any costs relating to the defaulting state unless otherwise mutually agreed upon between the interstate commission and the defaulting state.

(10) Reinstatement following termination of any compacting state requires both a reenactment of the compact by the defaulting state and the approval of the interstate commission pursuant to the rules.

(11) The interstate commission may, by majority vote of the members, initiate legal action in the United States district court for the District of Columbia or, at the discretion of the interstate commission, in the federal district where the interstate commission has its offices to enforce compliance with the provisions of the compact, its duly promulgated rules and bylaws, against any compacting state in default. In the event judicial enforcement is necessary, the prevailing party shall be awarded all costs of such litigation including reasonable attorney's fees.

(12) The compact dissolves effective upon the date of the withdrawal or default of the compacting state which reduces membership in the compact to one (1) compacting state. Upon the dissolution of this compact, the compact becomes null and void and shall be of no further force or effect, and the business and affairs of the interstate commission shall be wound up and any surplus funds shall be distributed in accordance with the bylaws.

(2) The provisions of this compact shall be liberally constructed to effectuate its purposes.

ARTICLE XIV
BINDING EFFECT OF COMPACT AND OTHER LAWS

(5) Upon the request of a party to a conflict over meaning or interpretation of interstate commission actions, and upon a majority vote of the compacting states, the interstate commission may issue advisory opinions regarding such meaning or interpretation.

(6) In the event any provision of this compact exceeds the constitutional limits imposed on the legislature of any compacting state, the obligations, duties, powers or jurisdiction sought to be conferred
by such provision upon the interstate commission shall be ineffective and such obligations, duties, powers or jurisdiction shall remain in the compacting state and shall be exercised by the agency thereof to which such obligations, duties, powers or jurisdiction are delegated by law in effect at the time this compact becomes effective.

CHAPTER 415
(S.B. No. 1472)

AN ACT RELATING TO HEALTH BENEFIT PLANS; AMENDING SECTION 41-4706, IDAHO CODE, TO PROVIDE FOR THE APPLICATION OF AGE AS A RATING FACTOR ON AN ANNUAL BASIS IN SETTING PREMIUM RATES FOR HEALTH BENEFIT PLANS FOR SMALL EMPLOYERS AND TO MAKE A TECHNICAL CORRECTION; AMENDING SECTION 41-5206, IDAHO CODE, TO PROVIDE FOR THE APPLICATION OF AGE AS A RATING FACTOR ON AN ANNUAL BASIS IN SETTING PREMIUM RATES FOR HEALTH BENEFIT PLANS FOR INDIVIDUALS AND TO MAKE A TECHNICAL CORRECTION.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 41-4706, Idaho Code, be, and the same is hereby amended to read as follows:

41-4706. RESTRICTIONS RELATING TO PREMIUM RATES. (1) Premium rates for health benefit plans subject to the provisions of this chapter shall be subject to the following provisions:
(a) The index rate for a rating period for any class of business shall not exceed the index rate for any other class of business by more than twenty percent (20%).
(b) For a class of business, the premium rates charged during a rating period to small employers with similar case characteristics for the same or similar coverage, or the rates that could be charged to such employers under the rating system for that class of business, shall not vary from the index rate by more than twenty-five percent (25%) of the index rate.
(c) The percentage increase in the premium rate charged to a small employer for a new rating period may not exceed the sum of the following:
   (i) The percentage change in the new business premium rate measured from the first day of the prior rating period to the first day of the new rating period. In the case of a health benefit plan into which the small employer carrier is no longer enrolling new small employers, the small employer carrier shall use the percentage change in the base premium
rate, provided that such change does not exceed, on a per-
centage basis, the change in the new business premium rate
for the most similar health benefit plan into which the small
employer carrier is actively enrolling new small employers;
(ii) Any adjustment, not to exceed fifteen percent (15%)
annually and adjusted pro rata for rating periods of less
than one (1) year, due to the claim experience, health status
or duration of coverage of the employees or dependents of the
small employer as determined from the small employer
carrier's rate manual for the class of business; and
(iii) Any adjustment due to change in coverage or change in
the case characteristics of the small employer as determined
from the small employer carrier's rate manual for the class
of business.

(d) Adjustments in rates for claim experience, health status and
duration of coverage shall not be charged to individual employees
or dependents. Any such adjustment shall be applied uniformly to
the rates charged for all employees and dependents of the small
employer.

(e) Premium rates for health benefit plans shall comply with the
requirements of this section notwithstanding any assessments paid
or payable by small employer carriers pursuant to section 41-4711,
Idaho Code.

(f) In the case of health benefit plans delivered or issued for
delivery prior to the effective date of this chapter, a premium
rate for a rating period may exceed the ranges set forth in sub-
sections (1)(a) and (b) of this section for a period of three (3)
years following the effective date of this chapter. In such case,
the percentage increase in the premium rate charged to a small
employer for a new rating period shall not exceed the sum of the
following:

(i) The percentage change in the new business premium rate
measured from the first day of the prior rating period to the
first day of the new rating period. In the case of a health
benefit plan into which the small employer carrier is no
longer enrolling new small employers, the small employer car-
rier shall use the percentage change in the base premium
rate, provided that such change does not exceed, on a per-
centage basis, the change in the new business premium rate
for the most similar health benefit plan into which the small
employer carrier is actively enrolling new small employers;
and
(ii) Any adjustment due to change in coverage or change in
the case characteristics of the small employer as determined
from the carrier's rate manual for the class of business.

(g) (i) Small employer carriers shall apply rating factors,
including case characteristics, consistently with respect to
all small employers in a class of business. Rating factors
shall produce premiums for identical groups which differ only
by the amounts attributable to plan design and do not reflect
differences due to the nature of the groups assumed to select
particular health benefit plans; and
(ii) A small employer carrier shall treat all health benefit
plans issued or renewed in the same calendar month as having the same rating period.

(h) For the purposes of this subsection, a health benefit plan that utilizes a restricted provider network shall not be considered similar coverage to a health benefit plan that does not utilize such a network, provided that utilization of the restricted provider network results in substantial differences in claims costs.

(i) The small employer carrier shall not use case characteristics, other than age, individual tobacco use, geography, as defined by rule of the director, or gender, without prior approval of the director.

(j) A small employer carrier may utilize age as a case characteristic in establishing premium rates, provided that the same rating factor shall be applied to all dependents under twenty-three (23) years of age, and the same rating factor may be applied on an annual basis as to individuals or nondependents twenty (20) years of age or older.

(k) The director may establish rules to implement the provisions of this section and to assure that rating practices used by small employer carriers are consistent with the purposes of this chapter, including rules that:

(i) Assure that differences in rates charged for health benefit plans by small employer carriers are reasonable and reflect objective differences in plan design, not including differences due to the nature of the groups assumed to select particular health benefit plans;

(ii) Prescribe the manner in which case characteristics may be used by small employer carriers; and

(iii) Prescribe the manner in which a small employer carrier is to demonstrate compliance with the provisions of this section, including requirements that a small employer carrier provide the director with actuarial certification as to such compliance.

(2) A small employer carrier shall not transfer a small employer involuntarily into or out of a class of business. A small employer carrier shall not offer to transfer a small employer into or out of a class of business unless such offer is made to transfer all small employers in the class of business without regard to case characteristics, claim experience, health status or duration of coverage since issue.

(3) The director may suspend for a specified period the application of subsection (1)(a) of this section as to the premium rates applicable to one (1) or more small employers included within a class of business of a small employer carrier for one (1) or more rating periods upon a filing by the small employer carrier and a finding by the director either that the suspension is reasonable in light of the financial condition of the small employer carrier or that the suspension would enhance the efficiency and fairness of the marketplace for small employer health insurance.

(4) In connection with the offering for sale of any health benefit plan to a small employer, a small employer carrier shall make a reasonable disclosure, as part of its solicitation and sales mate-
rial, of all of the following:
(a) The extent to which premium rates for a specified small employer are established or adjusted based upon the actual or expected variation in claims costs or actual or expected variation in health status of the employees of the small employer and their dependents;
(b) The provisions of the health benefit plan concerning the small employer carrier's right to change premium rates and the factors, other than claim experience, that affect changes in premium rates;
(c) The provisions relating to renewability of policies and contracts; and
(d) The provisions relating to any preexisting condition provision.
(5) (a) Each small employer carrier shall maintain at its principal place of business a complete and detailed description of its rating practices and renewal underwriting practices, including information and documentation that demonstrate that its rating methods and practices are based upon commonly accepted actuarial assumptions and are in accordance with sound actuarial principles.
(b) Each small employer carrier shall file with the director annually on or before March 15, an actuarial certification certifying that the carrier is in compliance with the provisions of this chapter and that the rating methods of the small employer carrier are actuarially sound. Such certification shall be in a form and manner, and shall contain such information, as specified by the director. A copy of the certification shall be retained by the small employer carrier at its principal place of business.
(c) A small employer carrier shall make the information and documentation described in subsection (4)(a) of this section available to the director upon request. Except in cases of violations of the provisions of this chapter, the information shall be considered proprietary and trade secret information and shall not be subject to disclosure by the director to persons outside of the department except as agreed to by the small employer carrier or as ordered by a court of competent jurisdiction.

SECTION 2. That Section 41-5206, Idaho Code, be, and the same is hereby amended to read as follows:

41-5206. RESTRICTIONS RELATING TO PREMIUM RATES. (1) Premium rates for health benefit plans subject to the provisions of this chapter shall be subject to the following provisions:
(a) The premium rates charged during a rating period to individuals with similar case characteristics for the same or similar coverage, or the rates that could be charged to such individuals under the rating system, shall not vary from the index rate by more than twenty-five percent (25%) of the index rate.
(b) The percentage increase in the premium rate charged to an individual for a new rating period may not exceed the sum of the following:
   (i) The percentage change in the new business premium rate measured from the first day of the prior rating period to the
first day of the new rating period. In the case of a health benefit plan into which the individual carrier is no longer enrolling new individuals, the individual carrier shall use the percentage change in the base premium rate, provided that such change does not exceed, on a percentage basis, the change in the new business premium rate for the most similar health benefit plan into which the individual carrier is actively enrolling new individuals.

(ii) Any adjustment, not to exceed fifteen percent (15%) annually and adjusted pro rata for rating periods of less than one (1) year, due to the claim experience, health status or duration of coverage of the individual or dependents as determined from the individual carrier's rate manual; and

(iii) Any adjustment due to change in coverage or change in the case characteristics of the individual as determined from the individual carrier's rate manual.

(c) Premium rates for health benefit plans shall comply with the requirements of this section notwithstanding any assessments paid or payable by carriers pursuant to section 41-4711, Idaho Code.

(d) In the case of health benefit plans delivered or issued for delivery prior to the effective date of this chapter, a premium rate for a rating period may exceed the ranges set forth in subsections (1)(a) and (b) of this section for a period of three (3) years following the effective date of this chapter. In such case, the percentage increase in the premium rate charged to an individual for a new rating period shall not exceed the sum of the following:

(i) The percentage change in the new business premium rate measured from the first day of the prior rating period to the first day of the new rating period. In the case of a health benefit plan into which the individual carrier is no longer enrolling new individuals, the individual carrier shall use the percentage change in the base premium rate, provided that such change does not exceed, on a percentage basis, the change in the new business premium rate for the most similar health benefit plan into which the individual carrier is actively enrolling new individuals; and

(ii) Any adjustment due to change in coverage or change in the case characteristics of the individual as determined from the carrier's rate manual.

(e) (i) Individual carriers shall apply rating factors, including case characteristics, consistently with respect to all individuals. Rating factors shall produce premiums for identical individuals which differ only by the amounts attributable to plan design and do not reflect differences due to the nature of the individuals assumed to select particular health benefit plans; and

(ii) An individual carrier shall treat all health benefit plans issued or renewed in the same calendar month as having the same rating period.

(f) For purposes of this subsection, a health benefit plan that utilizes a restricted provider network shall not be considered similar coverage to a health benefit plan that does not utilize

The placement and maintenance of such a traffic-control device by a local authority shall be made according to the board's manual and specifications for a uniform system of traffic-control devices.

(21) The department may conduct an investigation of any bridge or other elevated structure constituting a part of a highway, and if it shall find that the structure cannot with safety to itself withstand vehicles traveling at a speed otherwise permissible under this title, shall determine and declare the maximum speed of vehicles which the structure can safely withstand, and shall cause or permit suitable signs stating the maximum speed to be erected and maintained before each end of the structure.

(22) Whenever the department shall determine on the basis of an engineering and traffic investigation that slow speeds on any highway or part of a highway impede the normal and reasonable movement of traffic, the department may determine and declare a minimum speed limit below which no person shall drive a vehicle except when necessary for safe operation or in compliance with law, and that limit shall be effective when posted upon appropriate fixed or variable signs, except in cases where the duly elected officials of an incorporated city have established speed limits lower than those set by the department on portions of state highways, excluding controlled-access and interstate highways, that pass through residential, urban or business districts within the jurisdiction of the incorporated city.

(23) The department shall regulate or prohibit the use of any controlled-access highway by any class or kind of traffic which is found to be incompatible with the normal and safe movement of traffic.

(24) The department shall erect and maintain traffic-control devices on controlled-access highways on which any prohibitions are applicable.

(25) Wherever a highway crosses one (1) or more railroads at grade, the department or local authorities within their respective jurisdictions shall place and maintain stop signs, directing vehicular traffic approaching the crossing to come to a full stop prior to entering the crossing at all railroad crossings where electric or mechanical warning signals do not exist. Placement of these stop signs shall be mandatory except when in the determination of public highway agencies the existence of stop signs at a given crossing would constitute a greater hazard than their absence based on a recognized engineering study.

Nothing in this subsection shall be construed as granting immunity to any railroad company as to liability, if any, for an accident which might occur at a crossing where stop signs are erected and in place,
but liability, if any, shall be determined as provided by law. Liability on the part of governmental authorities on account of absence of any stop sign at a crossing shall be determined as provided by law.

(26) The department and local authorities are authorized to determine those portions of any highway under their respective jurisdictions where overtaking and passing or driving on the left side of the roadway would be especially hazardous and may by appropriate signs or markings on the roadway indicate the beginning and end of those zones and when signs or markings are in place and clearly visible to an ordinarily observant person, every driver of a vehicle shall obey those directions.

(27) The department and local authorities in their respective jurisdictions may in their discretion issue special permits authorizing the operation upon a highway of traction engines or tractors having movable tracks with transverse corrugations upon the periphery of the movable tracks or farm tractors or other farm machinery, the operation of which upon a highway would otherwise be prohibited under this title or title 40, Idaho Code.

(28) The department and local highway authorities within their respective jurisdictions may place official traffic-control devices prohibiting, limiting or restricting the stopping, standing or parking of vehicles on any highway where such stopping, standing or parking is dangerous to those using the highway or where the stopping, standing or parking of vehicles unduly interferes with the free movement of traffic thereon.

(29) On any informational material printed after July 1, 1995, by or at the order of the department and distributed to counties, school districts or individuals for the purpose of assisting a person to successfully pass a driver's license test, the department shall include material about the state's open range law and responsibilities, liabilities and obligations of drivers driving in the open range.

SECTION 7. That Section 49-434, Idaho Code, be, and the same is hereby amended to read as follows:

(2) There shall be paid on all commercial vehicles, irrespective of body type, and on all farm vehicles having a maximum gross weight in excess of sixty thousand (60,000) pounds, an annual registration fee in the amount of one-hundred-twenty-dollars-($120) prescribed by
subsection (8) of this section, as applicable.

(3) In addition, the annual registration fee for trailers shall be:

- (a) Trailer or semitrailer in a combination of vehicles ...$15.00
- (b) Rental utility trailer with a gross weight of two thousand (2,000) pounds or less $8.00
- (c) Rental utility trailer with a gross weight over two thousand (2,000) pounds $15.00

(4) As an option to the trailer and semitrailer annual registration, the department may provide extended registration.

- (a) For trailers and semitrailers, the optional extended registration period shall not extend beyond seven (7) years.
- (b) The fee shall be fifteen dollars ($15.00) for each year.
- (c) The license plate originally issued shall remain on the trailer or semitrailer until the registration expires.
- (d) The registration document shall be the official record of the status of the extended registration. No pressure-sensitive validation sticker shall be required.
- (e) For rental utility trailers, the optional registration period shall not extend beyond five (5) years. The fee shall be as specified in subsection (3)(b) or (c) of this section. A pressure-sensitive sticker shall be used to validate the license plate. The license plate shall become void if the owner's interest in the rental utility trailer changes during the five (5) year period. If the owner fails to enter the rental utility trailer on the annual renewal application during the five (5) year period, the registration record shall be purged. Any unrenewed plate shall be returned to the department if it is not entered on the renewal application.

(5) A fleet registration option is available to owners who have twenty-five (25) or more commercial or farm vehicles or any combination thereof. Such owners may register all of their company vehicles with the department in lieu of registering with a county assessor. To qualify the fleet must be owned and operated under the unified control of one (1) person and the vehicles must be physically garaged and maintained in two (2) or more counties. Fleet registration shall not include fleets of rental vehicles. The department shall provide a registration application to the owner and the owner shall provide all information that the department determines is necessary. The department shall devise a special license plate numbering system for fleet-registered vehicles as an alternative to county license plates. The fleet registration application and all subsequent registration renewals shall include the physical address where a vehicle is principally used, garaged and maintained. The fleet owner shall report the physical address to the department upon initial registration, on each renewal, and at any time a vehicle registered under this option is permanently transferred to another location.

(6) If the ownership of a vehicle changes during the registration period, the original owner may transfer the plate to another vehicle. The remaining fee shall be credited against the cost of the new registration. No refunds shall be given for any unexpired portion of the vehicle registration fee if the plate is not transferred by the owner to another vehicle. Any request for refund shall include surrender of the license plate, validation sticker and registration docu-
Owners of vehicles registered under the international registration plan may request a refund of the unexpired portion of the Idaho vehicle registration fee by presenting evidence from the base jurisdiction that the license plate, validation sticker and registration document have been surrendered. A license plate shall not be transferred to another owner when the ownership of a vehicle changes. The owner shall obtain a replacement plate, validation sticker if required, and a registration document when a plate is lost, destroyed or becomes illegible.

(7) An administrative fee of four dollars ($4.00) shall be paid and deposited to the state highway account on all registrations completed by the department under subsection (1) or (8)(a) of this section. Vehicles registered under subsection (8)(b) of this section shall pay the fee provided in section 49-435(2), Idaho Code.

(8) In addition to the registration and license fees provided by subsections (1) and (2) of this section, there shall be paid on all commercial and farm vehicles having a maximum gross weight in excess of sixty thousand (60,000) pounds, a use registration fee based upon the registered maximum gross weight in accordance with the following schedule: The use fees shall be calculated by multiplying the miles per mile, determined from the miles per mile schedule table, times the reported mileage for the vehicle, subject to the provisions of this section of a vehicle as declared by the owner and the total number of miles driven on roads and highways in the state, county, city and highway district systems in Idaho, and if registered under the international registration plan (IRP), in all other jurisdictions. The appropriate registration fee shall be determined as follows:

(a) If the owner registers vehicles under the international registration plan (IRP), the appropriate mileage column shall be determined by the total miles an owner operated a fleet of vehicles on roads and highways in the state, county, city and highway district systems in Idaho and in all other jurisdictions in the preceding year, as defined in section 49-117, Idaho Code, and by the maximum gross weight of each vehicle within a fleet.

(b) If the owner registers vehicles under the international registration plan and determines that the average international registration plan fleet miles, calculated by dividing the total IRP fleet miles in all jurisdictions by the number of registered vehicles, is less than fifty thousand one (50,001) miles, the owner may apply to the department for refund of a portion of the registration fees paid, consistent with the fee schedules set forth in this section. The department shall provide an application for the refund. An owner making application for refund under this section shall be subject to auditing as provided in section 49-439, Idaho Code.

(c) If the owner is not registering vehicles under the international registration plan, the appropriate mileage column shall be determined by the total miles the owner operated each of the vehicles to be registered on roads and highways in the state, county, city and highway district systems in Idaho in the preceding year and by the maximum gross weight of each vehicle.

For each additional two thousand (2,000) pounds or fraction thereof in excess of one hundred six thousand (106,000) pounds—add 2.1—miles per mile:

(40) If any vehicle or combinations of vehicles move on the highways of the state and the vehicle or combination exceeds its registered maximum gross weight there shall be paid for that vehicle—the fees provided for in either subsection (8) or (9) of this section—as applicable—for the actual gross weight of the vehicle or combination of vehicles for the miles traveled at the heavier weight.

(9) (a) During the first registration year that the fee schedule in subsection (8)(c) of this section is in use, an owner shall use the mileage data from the records used to report the mileage use fee in the immediately preceding year as the basis for determining the appropriate registration fee schedule.

(b) Any owner who registers a motor vehicle for the first time and who has no mileage history for the vehicle shall estimate the miles to determine the appropriate fee schedule in subsection (8)(c) of this section. When estimating the miles, the owner shall
provide a statement on the application of the method used to arrive at the estimated miles.

(c) Any owner using any fee schedule other than the highest fee schedule under subsection (8)(c) of this section, shall certify at the time of registration that the miles operated in the preceding year do not exceed the schedule applied for. Any owner using a fee schedule under subsection (8)(c) of this section that is less than the highest schedule shall maintain records to substantiate the use of the schedule as required by section 49-439, Idaho Code.

(10) If any vehicle or combinations of vehicles haul nonreducible loads, as authorized under the provisions of section 49-1004, Idaho Code, and weigh less than the starting weights per axle configuration listed in column 1 of subsection (2), section 49-1004, Idaho Code, then and in that event there shall be paid for that vehicle, in addition to the other fees required in this section, an additional use fee of 2.1 mills per mile for each two thousand (2,000) pounds or fraction thereof of the maximum gross weight in excess of those set forth in section 49-1001, Idaho Code.

(14) Any owner who operates or intends to operate non-Idaho-based vehicles in Idaho that are subject to the use fee required under the provisions of this section shall apply for a use fee account before operating the vehicles in Idaho in lieu of establishing a use fee account. The owner may purchase a trip permit under the provisions of section 49-432 or 49-433, Idaho Code, as applicable. The department shall develop rules to administer the use fee account. Any owner who has not established a use fee account or has not purchased a trip permit prior to operating in Idaho shall have committed an infraction.

SECTION 8. That Section 49-435, Idaho Code, be, and the same is hereby amended to read as follows:

49-435. PROPORTIONAL REGISTRATION OF COMMERCIAL VEHICLES. (1) Any owner engaged in operating one or more fleets of commercial vehicles may, in lieu of the registration fees imposed by section 49-434, Idaho Code, register each fleet for operation in this state by filing an application with the department which shall contain the following information and such other information pertinent to vehicle registration as the department may require:

(a) Total fleet miles. This shall be the total number of miles operated in all jurisdictions during the preceding year by the motor vehicles in a fleet during the year,

(b) In-state miles. This shall be the total number of miles operated in this state during the preceding year by motor vehicles in the fleets during the year,

(c) A description and identification of each vehicle of the fleet which is to be operated in this state during the registration year for which proportional fleet registration is requested; and, as determined by the department, the vehicle unit number of each fleet vehicle as assigned by the owner,

(2) The application for each fleet shall, at the time and in the manner required by the department, be supported by a fee payment computed as follows:

(a) Divide in-state miles by total fleet miles,

(b) Determine the total amount necessary to register each and every vehicle in the fleet for which registration is required based on the regular annual fees prescribed by section 49-434, Idaho Code,

(c) Multiply the sum obtained under subsection (2)(b) of this section by the quotient obtained under subsection (2)(a) of this section,

(3) The applicant for proportional registration of any fleet; the motor vehicles of which are operated by him in jurisdictions in addition to those in which the applicant’s fleet motor vehicles are operated; may state those motor vehicles separately in his application and compute and pay the fees in accordance with the separate statement as to which “total miles” shall be the total miles of highway operation determined from miles of power units; whether prorated or not, operated in combination with prorated trailers in all jurisdictions during the preceding year the information required by the international registration plan (IRP) agreement. Any owner who makes application for proportional registration under the provisions of the international
registration plan shall comply with the terms and conditions of the IRP agreement.

(42) The department shall register the vehicle so described and identified and may issue license plates or distinctive sticker or other suitable identification device for each vehicle listed in the application upon payment of the fees required under subsections (2) (1) and (8) of section 49-434, Idaho Code, and an additional identification charge of eight dollars ($8.00) per vehicle. The fees collected for the additional identification shall be deposited to the state highway account. A registration card shall be issued for each proportionally registered vehicle appropriately identifying it which shall be carried in or upon the vehicle identified at all times.

(53) Fleet vehicles so registered and identified shall be deemed to be fully licensed and registered in this state for any type of movement or operation—except that—in those instances—in which—a grant—of—authority—is—required—for—intrastate—movement—or—operation; no vehicle shall be operated in intrastate commerce in this state unless the owner has been granted intrastate authority or rights by the public utilities commission and unless the vehicle is being operated in conformity with such authority or rights.

(64) The right to the privilege and benefits of proportional registration of fleet vehicles extended by this section, or by any contract, agreement, arrangement or declaration made under the authority provided in section 49-201, Idaho Code, shall be subject to the condition that each fleet vehicle proportionally registered shall also be proportionally or otherwise properly registered in at least one (1) other jurisdiction during the period for which it is proportionally registered in this state.

(7) Vehicles acquired by the owner after the commencement of the registration year and subsequently added to a proportionally registered fleet shall be proportionally registered by applying the mileage percentage used in the original application for the fleet—for—that registration period—to the annual registration fees due with respect to those vehicles for the remainder of the registration year.

(8) If any vehicle is withdrawn from a proportionally registered fleet during the period for which it is registered, the owner of the fleet shall so notify the department on appropriate forms to be prescribed by the department. The department may require the owner to surrender proportional registration cards and other identification devices which have been issued with respect to the vehicle as the department may deem advisable.

(9) The initial application for proportional registration of a fleet shall state the mileage data with respect to the fleet for the preceding year in this and other jurisdictions if no operations were conducted with the fleet during the preceding year. The application shall contain a full statement of the proposed method of operation and estimates of annual mileage in this state and other jurisdictions. The department shall determine the in-state and total fleet miles to be used in computing the fee payment for the fleet. The department may evaluate and adjust the estimate in the application if it is not satisfied as to the correctness submitted.

(10) The department may refuse to accept proportional registration applications for the registration of vehicles based in another juris-
diction if it shall find that the other jurisdiction does not grant similar registration privileges to fleet vehicles based in or owned by residents of this state.

(41) Any owner whose application for proportional registration has been accepted shall preserve the records on which the application is based for a period of four years following the year of application. The owner shall agree to make his records accessible to the department for audit as to accuracy of computations, payments, and assessments of deficiencies or allowances for credit. The department shall make arrangements with agencies of other jurisdictions administering motor vehicle registration laws for joint audits of any owner or exchange of audit information. No assessment for deficiency or claim for credit may be made for any period for which records are no longer required. Any sums found to be due and owing upon audit shall bear interest of six percent (6%) from the date when they should have been paid until the date of actual payment. If the audit discloses a deliberate and wilful intent to evade the requirements of appropriate payment under subsection (2)(b) of this section, an additional penalty of ten percent (10%) shall also be assessed.

(125) No provision of this section relating to proportional registration of fleet vehicles shall be construed as requiring any vehicle to be proportionally registered if it is otherwise registered in this state for the operation in which it is engaged including regular registration or temporary trip permit.

(43) Proportionally registered vehicles having a maximum gross weight in excess of sixty thousand (60,000) pounds shall pay a use fee in accordance with section 49-434(4), (5), (6), and (7), Idaho Code as applicable.

SECTION 9. That Section 49-435A, Idaho Code, be, and the same is hereby repealed.

SECTION 10. That Section 49-436, Idaho Code, be, and the same is hereby repealed.

SECTION 11. That Section 49-437, Idaho Code, be, and the same is hereby amended to read as follows:

49-437. INCREASE IN MAXIMUM GROSS WEIGHT -- FEES FOR REMAINING PORTION OF YEAR. (1) When a motor vehicle registered under section 49-434 or 49-435, Idaho Code, has once been registered and during the year of that registration increases the maximum gross weight, the higher fee due for the weight increase shall be offset by the fee already paid. The fee already paid and the fee due shall be prorated by one-twelfth (1/12) for each month already expired in the registration year. The difference between the two fees shall be the balance due for the remainder of the registration year. If an owner decreases the weight during a registration year, the weight decrease shall not result in a refund of the fees already paid.

(2) If a motor vehicle is not operated on any highway during the first months of a calendar year, the owner may at any time thereafter be registered for the remainder of the year on payment of all fees, rounded to the nearest whole dollar, as provided in this chapter, less
one-twelfth (1/12) of such fees for each full calendar month which has expired prior to registering, but in no event shall the minimum fee be less than five dollars ($5.00).

SECTION 12. That Section 49-438, Idaho Code, be, and the same is hereby amended to read as follows:

49-438. PENALTY FOR EXCEEDING REGISTERED GROSS WEIGHT. Any person who shall operate, cause, permit, or suffer to be operated upon any highway any vehicle or combination of vehicles with a gross weight in excess of the registered gross weight of the vehicle specified in this title, without having paid the additional registration and use fees required, shall have committed a violation under the infraction or misdemeanor provisions of section 49-1013, Idaho Code.

SECTION 13. That Section 49-439, Idaho Code, be, and the same is hereby amended to read as follows:

49-439. AUDIT GUIDELINES. (1) The department may audit an owner of motor vehicles subject to fees pursuant to this chapter once every five four (54) years unless probable cause, as defined by department rules and regulations, exists that the owner has not paid fees due pursuant to this chapter or has underreported or underpaid fees due pursuant to this chapter. An owner selected for audit more frequently than the five four (54) years may have the audit selection reviewed for determination of the absence of probable cause by the district court of the county where the owner resides or where the owner’s place of business is located or in Ada County, at the discretion of the owner. The department shall promulgate rules and regulations outlining its procedures for audit selection, assignment and inventory. Any owner of motor vehicles who has been subjected to an audit by the department that has not been in compliance with the provisions of this section or rules and regulations promulgated pursuant thereto may recover attorney’s fees and costs as may be determined by a court or may receive his attorney’s fees and costs if granted, all or in part, by the director all in accordance with section 12-117, Idaho Code.

(2) Every owner whose fees are computed as specified in section 49-434 or 49-435, Idaho Code, except those registering under subsection (8)(c) of section 49-434, Idaho Code, for over fifty thousand (50,000) miles driven, shall maintain records and permit the department to inspect the records upon request to substantiate that the actual miles traveled, if using a mileage schedule in subsection (8)(c) of section 49-434, Idaho Code, are less than the maximum mileage schedule.

(3) When the records are maintained outside this state by owners engaged in transportation in this state, the owner shall reimburse the department for reasonable expenses incurred by the department in making audits of those records and accounts at the out-of-state location. The owner or the department may request that the records be presented at a place within the state designated by the department. The records must be presented by a representative of the owner who is familiar with the records and who is responsible for the safekeeping of the records.
Every owner is required to maintain records for the current year and the three (3) years immediately preceding. If an assessment has been made, such fees may be collected by a proceeding in court within a period of three (3) years after the assessment or a final order entered pursuant to subsection (7) of this section.

An owner who fails to maintain records as required by the provisions of this section may have the registration of all vehicles registered under section 49-434 or 49-435, Idaho Code, suspended until such time as adequate records as required by the provisions of this section are provided. In the event that the owner does not produce records, the department may assess a fee based on an estimate of the operation. The department shall promulgate rules specifying the methodology to be used to assess a fee based on an estimate of the operation.

An owner who fails to pay any fees due is subject to suspension of vehicle registrations in addition to a penalty of ten percent (10%) of the amount of fee determined to be due, plus interest of one percent (1%) of the amount of the fee due for each month or fraction thereof after the fee became due. An order suspending the vehicle registration shall be mailed to the owner by the department. The suspension shall be canceled if the payment due is made, plus penalty and interest, along with a reinstatement fee of forty dollars ($40.00) per carrier within fifteen (15) days after receipt of the suspension order. The department may remit all or any part of the penalty and interest if satisfied that the delay was excusable. The department shall promulgate rules specifying when the penalty may be held in abeyance or be forgiven. The reinstatement fees shall be deposited to the state highway account. The owner shall have the right to appeal the suspension by petitioning the department for a hearing within ten (10) days after receipt of the suspension order. If the suspension is subsequently canceled pursuant to the appeal, the reinstatement fee shall not be due.

An owner may contest an assessment made by the department within thirty (30) days from receipt of the assessment by filing an appeal with the department. Upon receipt of an appeal, the director or his authorized representative shall schedule an informal conference between the owner and a representative of the department. The informal conference must be conducted within twenty (20) days from the date of receipt of notice of intent to appeal by the owner. The owner and the representative of the department shall reduce all conclusions, agreements and decisions to writing and the written report of the results of that conference shall be provided to the director within ten (10) days. If the results of the informal conference are not satisfactory to the owner, he may continue with the appeal by informing the director in writing, and the director or his authorized representative shall appoint a hearing officer to conduct a contested case hearing in accordance with chapter 52, title 67, Idaho Code. The hearing officer may subpoena witnesses and evidence and administer oaths. The hearing officer shall prepare written findings of fact and conclusions of law for the director or his authorized representative. Upon receipt of findings of fact and conclusions of law, the director or his authorized representative shall issue a final order affirming, modifying or reversing the original assessment. All final orders rendered by the
director or his authorized representative shall be appealable in accordance with chapter 52, title 67, Idaho Code.

SECTION 14. That Section 49-504, Idaho Code, be, and the same is hereby amended to read as follows:

49-504. APPLICATIONS TO DEPARTMENT FOR CERTIFICATES -- PROCEDURE -- IDENTIFICATION NUMBERS. (1) Application for a certificate of title shall be made upon a form furnished by the department and shall contain a full description of the vehicle including the make, identification numbers, and the odometer reading at the time of sale or transfer, and whether the vehicle is new or used, together with a statement of the applicant's title and of any liens or encumbrances upon the vehicle, and the name and address of the person to whom the certificate of title shall be delivered, and any other information as the department may require. The application shall be filed with the department, and if a certificate of title has previously been issued for that vehicle in this state, shall be accompanied by the certificate of title duly assigned, unless otherwise provided for in this chapter. The department may promulgate rules and regulations to provide for exceptions to the odometer requirement.

(2) If a certificate of title has not previously been issued for the vehicle in this state, the application, unless otherwise provided for in this chapter, shall be accompanied by a proper bill of sale or a duly certified copy thereof, or by a certificate of title, bill of sale or other evidence of ownership required by the law of any other state from which the vehicle was brought into this state, and a vehicle identification number inspection completed by any city, county or state peace officer or other special agent authorized by the department.

(3) In the case of a new vehicle being titled for the first time, no certificate of title or registration shall be issued unless the application is indorsed by a franchised new vehicle dealer licensed to sell a new vehicle. Each application shall be accompanied by a manufacturer's certificate of origin or manufacturer's statement of origin executed by the manufacturer and delivered to his agent or his franchised vehicle dealer. The certificate or statement of origin shall be in a form prescribed by the board and shall contain the year of manufacture or the model year of the vehicle, the manufacturer's vehicle identification number, the name of the manufacturer, the number of cylinders, a general description of the body, if any, and the type or model. Upon sale of a new vehicle, the manufacturer, his agent or franchised dealer shall execute and deliver to the purchaser an assignment of the certificate or statement, together with any lien or encumbrance to which the vehicle is subject.

(4) The department shall retain the evidence of title presented by the applicant and on which the certificate of title is issued. The department shall maintain an identification numbers index of registered vehicles, and upon receiving an application for a certificate of title, shall first check the identification number shown in the application against the index. The department, when satisfied that the applicant is the owner of the vehicle and that the application is in proper form, shall issue in the name of the owner of the vehicle a
certificate of title bearing a title number, the date issued and a
description of the vehicle as determined by the department, together
with a statement of the owner's title and of all liens or encumbrances
upon the vehicle, and whether possession is held by the owner under a
lease, contract or conditional sale, or other like agreement.

(5) In all cases of transfer of vehicles the application for cer­
tificates of title shall be filed within thirty (30) calendar days
after the delivery of the vehicles. Licensed dealers need not apply
for certificate of title for vehicles in stock or when they are
acquired for stock purposes.

(6) In the case of the sale of a vehicle by a dealer to a general
purchaser or user, the certificate of title shall be obtained in the
name of the purchaser by the dealer upon application signed by the
purchaser. If a lien is to be recorded, the title documentation as
required in this section shall be submitted to the department by the
dealer or the lienholder upon application signed by the purchaser. A
copy of this application shall be given to the purchaser to be used as
a seventy-two (72) hour temporary permit. In all other cases the cer­
tificates shall be obtained by the purchaser and the seller's bill of
sale shall serve as a seventy-two (72) hour permit. This temporary
permit allows operation of any noncommercial vehicle or unladen com­
mmercial vehicle or vehicle combination without license plates for the
period of time specified in the permit. A laden commercial vehicle
or vehicle combination may also operate without license plates for the
period of time specified in the temporary permit provided that the
owner or operator has also obtained a permit issued under the provi­
sions of section 49-432, Idaho Code,-and-provided-user-fees-have--been
paid--for-the-ladened-weight-and-milage.

(7) If the vehicle has no identification number, then the depart­
ment shall designate an identification number for that vehicle at the
time of issuance of the certificate of title. The identification num­
ber shall be permanently affixed to or indented upon the frame of the
vehicle and legibly maintained by the owner at all times while a cer­
tificate of title to the vehicle shall be issued and outstanding.

SECTION 15. That Section 49-1001, Idaho Code, be, and the same is
hereby amended to read as follows:

49-1001. ALLOWABLE GROSS LOADS. The gross load imposed on the
highway by any vehicle or combination of vehicles shall not exceed the
limits in this section. The maximum single axle gross weight shall be
twenty thousand (20,000) pounds, the maximum single wheel gross weight
shall be ten thousand (10,000) pounds and the maximum gross vehicle or
combination weight shall be one hundred five thousand five hundred
(105,500) pounds, provided that maximum gross vehicle or combination
weight on United States federal interstate and defense highways of
this state shall not exceed eighty thousand (80,000) pounds, except as
permitted under the provisions of section 49-1004, Idaho Code.

(1) The total gross weight imposed on the highway by any group of
consecutive axles shall be determined by the following formula:

\[ W = 500(\frac{LN}{N-1} + 12N + 36) \]

Where W is the maximum weight in pounds (to the nearest 500
pounds) carried on any group of two (2) or more consecutive axles. L
is the distance in feet between the extremes of any group of two (2) or more consecutive axles, and N is the number of axles under consideration.

The formula is modified as illustrated in the following table:

(a) A public highway agency may limit the application of the weights authorized in this section as to certain highways within its jurisdiction which it determines have limited structural capacity of pavements, bridges, or other appurtenances. In designating such highways, it may specify a minimum wheelbase for combinations to be operated thereon. It may also designate specific highways or portions on which operation of a combination of vehicles with seven (7) through thirteen (13) axles will be subject to specified lesser allowable gross weights.
(b) Notwithstanding the figures shown in the table in this subsection (1), two (2) consecutive sets of tandem axles may carry a gross load of thirty-four thousand (34,000) pounds each, providing the overall distance between the first and last axles of such consecutive sets of tandem axles is thirty-six (36) feet or more.

(c) Vehicles may operate with reducible loads at gross weights greater than one hundred five thousand five hundred (105,500) pounds but not exceeding one hundred twenty-nine thousand (129,000) pounds on noninterstate highways in accordance with the provisions of section 49-1004, Idaho Code, provided such vehicles are in compliance with the weight formula specified in this subsection (1) of this section, have registered and have paid the weight-distance-operating registration fees calculated as specified in section 49-434, Idaho Code, and are in compliance with the length restrictions set forth in section 49-1010(7), Idaho Code.

(2) The weight limitations set forth in the table in subsection (1) of this section shall not apply to any vehicle, or combination of vehicles when a greater allowed weight in pounds would be permitted such vehicles under the table provided in this subsection, except that with regard to transportation on the United States federal interstate and defense highways of this state, the following table of allowable weights shall apply only to vehicles engaged in the transportation of logs, pulp wood, stull, rough lumber, poles or piling; or to any such vehicle engaged in the transportation of ores, concentrates, sand and gravel and aggregates thereof, in bulk; or to any such vehicle engaged in the transportation of agricultural commodities, including livestock:

The weight allowances provided in this subsection do not apply if the total gross weight of a vehicle or combination of vehicles is intended to exceed seventy-nine thousand (79,000) pounds as declared by the operator. When the provisions of this subsection are applicable to a vehicle or combination of vehicles, it shall be a violation of the provisions of this subsection if that vehicle or combination of vehicles exceeds the weights specified in this table.

(3) In determining the gross weight of a vehicle or the gross weight of any two (2) or more consecutive axles under subsection (1) or (2) or (9) of this section, the total gross weight of the vehicle or combination of vehicles or the gross weight of any two (2) or more consecutive axles shall be the sum of the axle weights.

For the purposes of this chapter the gross weight of a vehicle or the gross weight of any two (2) or more consecutive axles may be determined by accumulatively adding the separate weights of individual axles and tandem axles or groups of axles to determine gross weight. The results of any weighing at a temporary or permanent port of entry and the records relating to the calibration and accuracy of any scale at a temporary or permanent port of entry shall be admissible in any proceeding in this state. In order to prove a violation of the provisions of this section the state must show that:

(a) The sum of the axle weights exceeds what is allowable under the provisions of subsection (1) or (2) or (9) of this section;
(b) The scale involved in the weighing was at the time of weighing calibrated in conformity with and met the accuracy requirements of the standards for the enforcement of traffic and highway laws as set forth in the latest edition of handbook 44 of the national institute of standards and technology;
(c) Weights of individual axles or axles within a commonly suspended group of axles supported by a mechanical system designed to distribute equal wheel loads to individual axles in the group were utilized only to determine gross weights of that group of axles, and that any further evaluation of gross weights of combinations of axles considered only the accumulated gross weight of each such commonly suspended group of axles.

(4) In applying the weight limitations imposed in this section, a vehicle or combination of vehicles must comply exclusively with the weight limitations in either subsection (1) or (2) or (9) of this section.
(5) In applying the weight limitations imposed in this section, the distance between axles shall be measured to the nearest even foot. When a fraction is exactly one-half (1/2) foot the next larger whole number shall be used.

(6) The limitations imposed in this section are in addition and supplemental to all other laws imposing limitations upon the size and weight of vehicles. Further, single axles within groups of axles are subject to the provisions and limitations of this chapter. Single axles within groups of axles may be weighed and evaluated separately, or single axles may be prequalified in accordance with rules or ordinances established by the board or other public road jurisdiction, if any of the following conditions exist regarding the single axle within a group of axles:

(a) A suspension system common to all axles in the group of axles does not exist.
(b) One (1) or more axles in the group of axles is equipped with separate variable load suspension controls to regulate the weight carried by individual axles.
(c) One (1) or more axles in a group of axles is equipped with more or fewer tires than other axles in the group of axles.
(d) All tires in the group of axles are not the same size as determined by the manufacturer’s sidewall rating.

(7) Notwithstanding the other provisions of this chapter, no vehicle, motor vehicle, trailer and/or semitrailer, or combination thereof, may be operated on the public highways of the state under loads which would result in the withholding of funds by operation of controlling federal law as provided in the Federal Aid Highway Act of 1956, as amended.

(8) Except as provided herein, no vehicle or combination of vehicles may proceed past the place of weighing at temporary or permanent ports of entry or checking stations when: the weight of a single axle exceeds the maximum limitations set forth herein by two thousand (2,000) pounds or more; the weight of a combination of axles, or gross vehicle weight exceeds the maximum allowable weight as set forth herein by seven percent (7%) or more. Vehicles or combinations of vehicles which exceed the weight limitations set forth herein shall be required to be brought into compliance with applicable weight limitations contained within this subsection at the place of weighing prior to continuing, except those vehicles or combinations of vehicles which are transporting loads which, in the determination of the board or other proper authorities in charge of or having jurisdiction over a highway, are deemed unsafe or impractical to bring into compliance at the place of weighing, and except those vehicles which do not exceed fifteen percent (15%) over maximum axle and axle group weights set forth in this section. Vehicles or combinations of vehicles transporting loads in this latter category shall obtain a travel authorization to the nearest place of safe unloading, load adjustment or other means of legalization.

(a) Neither the state of Idaho or its employees, nor any authority and its employees in charge of or having jurisdiction over a highway, shall be held liable for personal injury or property damage resulting from the requirements of section 49-1001(8), Idaho Code.
(b) The fee for a travel authorization as set forth above shall be fifty dollars ($50.00) and shall be on a form prescribed by the board or other proper authorities, and shall not be construed as contributing to a reduction in the penalties prescribed in section 49-1013, Idaho Code.

(c) The board or other proper authorities in charge of or having jurisdiction over a highway shall adopt and enforce administrative rules as may be necessary to carry out the provisions of this section.

(9) For vehicles on all highways except the United States federal interstate and defense highways of this state, the following table shall apply:

The weight allowances provided in this subsection do not apply if the total gross weight of a vehicle or combination of vehicles is intended to exceed eighty thousand (80,000) pounds as declared by the operator. When the provisions of this subsection are applicable to a vehicle or combination of vehicles, it shall be a violation of the provisions of
this subsection if that vehicle or combination of vehicles exceeds the weights specified in this table.

(10) When owned by or under contract to or under authority of a city, county, or state agency, refuse/sanitation trucks transporting refuse may be operated on public highways in accordance with the weights allowed in subsection (9) of this section, except that such trucks equipped with single rear axles are allowed twenty-four thousand (24,000) pounds on that single rear axle when specifically authorized by the public highway agency governing the highways over which the refuse/sanitation truck is operating and provided the following conditions are met:

(a) The weight allowances provided for in this subsection shall not apply to the United States federal interstate and defense highways of the state; and
(b) The owner or operator has paid an annual operating fee for a permit, not to exceed fifty dollars ($50.00) per refuse/sanitation truck to each public agency governing the public highways over which the refuse/sanitation truck operates. The permit shall be carried in the refuse/sanitation truck. The permit fee may be waived by a public agency for refuse/sanitation trucks operated over public highways under that agency's jurisdiction.

(11) Variable load suspension axles shall meet the following criteria in order to be included in the computation of gross vehicle or axle weight limits for vehicles under the provisions of this section:

(a) The deployment control switch for such axles may be located inside of the driver's compartment but the pressure regulator valve for the operation of pressure on the pavement shall be located outside of and inaccessible to the driver's compartment.
(b) The manufacturer's gross axle weight rating of each such axle must not be less than the actual loading of the axle.
(c) All variable load suspension axles mounted on a vehicle after January 1, 1990, shall be designed to be self-steering in a manner that will guide or direct the variable load suspension mounted wheels through a turning movement without undue tire scrubbing or pavement scuffing.
(d) The manufacturer's gross tire weight rating of each tire must not be less than the actual loading of the tire.
(e) Variable load suspension axles must be fully deployed or fully raised. For applicable definitions, see sections 49-117 and 49-123, Idaho Code.

(12) Any person who operates a motor vehicle with a variable load suspension axle in violation of the provisions of this section shall be subject to the penalties provided in section 49-1013, Idaho Code.

SECTION 16. That Section 49-1004, Idaho Code, be, and the same is hereby amended to read as follows:

49-1004. PERMITS FOR OVERWEIGHT OR OVERSIZE LOADS. (1) Upon application in writing to the board or other proper authorities in charge of, or having jurisdiction over a highway, the board or authorities may in their discretion issue a special permit to the owner or operator of any vehicle allowing vehicles or loads having a greater weight or size than permitted by law to be moved or carried over and
on the highways and bridges.

(a) Special permits shall be in writing and may limit the time of use and operation over the particular highways and bridges which may be traversed and may contain any special conditions and require any undertaking or other security as the board or other proper authority shall deem to be necessary to protect the highways and bridges from injury, or provide indemnity for any injury to highways and bridges or to persons or property resulting from such operation.

(b) The owner or operator of an overweight or oversize vehicle shall obtain a permit, or shall establish intent to obtain a permit by contacting a permit office and receiving a permit number before moving the vehicle on the highways.

(c) All special permits or evidence of intent to obtain a permit, shall be carried in the vehicles to which they refer and shall upon demand be delivered for inspection to any peace officer, authorized agent of the board or any officer or employee charged with the care or protection of the highways.

(2) Nonreducible vehicles or combinations of vehicles hauling nonreducible loads at weights in excess of those set forth in section 49-1001, Idaho Code, shall pay fees as set forth in this subsection (2). Such fees are based on the number of axles on the vehicle or combination of vehicles and the total gross weight.

(8) The transfer fee shall be collected by the commission on all petroleum products delivered or stored within this state after April 1, 1990. This transfer fee shall be in addition to any excise tax imposed on motor fuel or other petroleum products and shall be remitted to the commission with the distributor's monthly report as required in section 63-2406, Idaho Code. The distributor may deduct from his monthly report those gallons of petroleum products returned to a licensed distributor's refinery or pipeline terminal storage or exported from the state when supported by proper documents approved by the commission. For the purpose of carrying out its duties under the provisions of this chapter, the commission shall have the powers and duties provided in sections 63-3038, 63-3039, 63-3042 through 63-3066, 63-3068, 63-3071, and 63-3074 through 63-3078, Idaho Code, which sections are incorporated by reference herein as though set out verbatim.

(9) No person shall be excused from liability for any duty or fee imposed in this chapter for failure to obtain a distributor's license.

(10) The director shall certify to the commission when the unencumbered balance in the trust fund equals thirty twenty-five million dollars ($3025,000,000). Effective the first day of the second month following the date of such certification, the imposition of the transfer fee shall be suspended. Thereafter, the director shall certify to the commission when the unencumbered balance in the trust fund equals
twenty fifteen million dollars ($20,000,000). Effective the first day of the second month following the date of such certification, the imposition of the transfer fee shall be reinitiated.

AN ACT
RELATING TO TELEPHONE SOLICITATIONS; STATING LEGISLATIVE FINDINGS;
AMENDING SECTION 48-1002, IDAHO CODE, TO CLARIFY WHAT CONSTITUTES
A "TELEPHONE SOLICITATION"; AMENDING TITLE 48, CHAPTER 10, IDAHO
CODE, BY THE ADDITION OF A NEW SECTION 48-1003A, IDAHO CODE, TO
PROVIDE FOR THE ESTABLISHMENT OF A NO TELEPHONE SOLICITATION CON­
TACT LIST ON WHICH IDAHO RESIDENTS MAY, FOR A FEE, REQUEST TO BE
PLACED, TO PROHIBIT TELEPHONE SOLICITORS FROM CALLING PEOPLE ON
THE LIST, TO IMPOSE CIVIL PENALTIES FOR CONTACTING PERSONS IDENTI­
FIED ON THE LIST, AND TO PROVIDE EXCEPTIONS; AND PROVIDING AN
EFFECTIVE DATE.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. LEGISLATIVE FINDINGS. Idaho residents are being con­
tacted repeatedly in their homes in an effort by telephone solicitors
to sell goods or services. These telephone solicitations are continu­
ing to grow in frequency. They are often made at times and in such a
manner and number as to be disruptive to Idaho's residents and the
enjoyment of their home and family life.

With respect to residential telephone solicitations, the right of
Idaho residents to be left alone in their home is fundamental. This
right has not been adequately accommodated by the voluntary pledge of
some telephone solicitors to honor a person's request not to be tele­
phone solicited.

Idaho residents should be entitled to take steps to reduce the
number of telephone solicitations they will receive. This opportunity
should be made available in a cost-effective manner, with adequate
incentives provided to ensure that telephone solicitors will honor and
respect a person's wish not to be telephone solicited.

SECTION 2. That Section 48-1002, Idaho Code, be, and the same is
hereby amended to read as follows:

48-1002. DEFINITIONS. In this chapter:

through any type of mimeographing process, and has been published or distributed within the state of Idaho on a weekly basis for at least seventy-eight (78) consecutive weeks, or on a daily basis, which is defined to be no less than five (5) days of any one (1) week, at least twelve (12) months immediately preceding any telephone solicitation done by or on behalf of such newspaper.

(6) "Person" means natural persons, partnerships, both limited and general, corporations, both foreign and domestic, companies, trusts, business entities, associations, both incorporated and unincorporated, and any other legal entity or any group associated in fact although not a legal entity, or any agent, assign, heir, servant, employee or representative thereof.

The subscriber's notice shall be in a form approved by the attorney general. The subscriber's listing shall be for a period of up to three (3) years, and may be renewed by the attorney general for additional periods of up to three (3) years each, if the subscriber requests renewal and pays a renewal list fee, which the attorney general may assess in an amount up to five dollars ($5.00) per renewal.
(b) The first "no telephone solicitation contact" list shall be published on or before June 30, 2001. The attorney general shall thereafter update his "no telephone solicitation contact" list quarterly and provide this list to telephone solicitors upon request and receipt of a list distribution fee, which the attorney general may charge in an amount up to twenty-five dollars ($25.00) per list.
(c) All fees imposed pursuant to this section shall be deposited in the consumer protection account and shall be used for the furtherance of the attorney general's duties and activities under this section.
(2) Within thirty (30) days after a new "no telephone solicitation contact" list has been published by the attorney general, no telephone solicitor shall make or cause to be made any telephone solicitation, as defined by section 48-1002(10)(a), Idaho Code, to any telephone number which is assigned by a telephone company to a person listed on the "no telephone solicitation contact" list as appears in the then current quarterly listing published by the attorney general.
(3) Section 48-1006, Idaho Code, notwithstanding, any violation of this section shall subject the person violating the terms of this section to a civil penalty, to be imposed by the district court, as follows: for the first violation, not to exceed five hundred dollars ($500); for the second violation, not to exceed two thousand five hundred dollars ($2,500); for the third and subsequent violations, not to exceed five thousand dollars ($5,000) per violation. CHAPTER 457
(H.B. No. 800)

AN ACT RELATING TO THE INCOME TAX CREDIT FOR CAPITAL INVESTMENT; AMENDING SECTION 63-3029B, IDAHO CODE, TO INCREASE THE INVESTMENT CREDIT CARRYOVER FROM THE SEVEN TO THE FOURTEEN SUCCEEDING TAXABLE YEARS AND TO MAKE TECHNICAL CORRECTIONS; DECLARING AN EMERGENCY AND PROVIDING RETROACTIVE APPLICATION.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 63-3029B, Idaho Code, be, and the same is hereby amended to read as follows:

63-3029B. INCOME TAX CREDIT FOR CAPITAL INVESTMENT. (1) At the election of the taxpayer there shall be allowed, subject to the applicable limitations provided herein as a credit against the income tax imposed by chapter 30, title 63, Idaho Code, an amount equal to the sum of:

(a) the tax credit carryovers; and
(b) the tax credit for the taxable year.

(2) The maximum allowable amount of the credit for the current taxable year shall be three percent (3%) of the amount of qualified investments made during the taxable year.

(3) As used in this section "qualified investment" means certain depreciable property which:

(a) is eligible for the federal investment tax credit, as defined in sections 46(c) and 48 of the Internal Revenue Code subject to the limitations provided for certain regulated companies in section 46(f) of the Internal Revenue Code and is not a motor vehicle under eight thousand (8,000) pounds gross weight;
(b) is acquired, constructed, reconstructed, erected or placed
into service after December 31, 1981; and
(c) Has a situs in Idaho.

(4) Notwithstanding the provisions of subsections (1) and (2), the amount of the credit allowed shall not exceed forty-five percent (45%) of the tax liability of the taxpayer.

(5) If the sum of credit carry-overs carryovers from the credit allowed by subsection (2) and the amount of credit for the taxable year from the credit allowed by subsection (2) exceed the limitation imposed by subsection (4) for the current taxable year, the excess attributable to the current taxable year's credit shall be an investment credit carry-over carryover to the seven-(7) fourteen (14) succeeding taxable years. In the case of a group of corporations filing a combined report under section 63-3027, Idaho Code, or sections 63-3027B through 63-3027E, Idaho Code, credit earned by one (1) member of the group but not used by that member may be used by another member of the group, subject to the provisions of subsection (4) of this section, instead of carried over. The entire amount of unused credit shall be carried forward to the earliest of the succeeding years, wherein the oldest available unused credit shall be used first, so long as the qualified investment property for which the unused credit was granted still maintains Idaho situs. For a combined group of corporations, credit carried forward may be claimed by any member of the group unless the member who earned the credit is no longer included in the combined group.

(6) Any recapture of the credit allowed by subsection (2) of this section on property disposed of or ceasing to qualify, prior to the close of its useful life, shall be determined according to the applicable recapture provisions of the Internal Revenue Code. In the case of a unitary group of corporations, the increase in tax due to the recapture of investment tax credit must be reported by the member of the group who earned the credit regardless of which member claimed the credit against tax.

(7) For the purpose of determining whether property placed in service is a "qualified investment" as defined in subsection (3) of this section, the provisions of section 49 of the Internal Revenue Code shall be disregarded.

(8) For purposes of this section, property has a situs in Idaho during a taxable year if it is used in Idaho at any time during the taxable year. Property not used in Idaho during a taxable year does not have a situs in Idaho in the taxable year during which the property is not used in Idaho or in any subsequent taxable year. No credit or carry-over carryover of credit is permitted under this section if the credit or carry-over carryover relates to property that does not have a situs in Idaho during the taxable year for which the credit or carry-over carryover is claimed. The Idaho situs of property must be established by records maintained by the taxpayer which are created reasonably contemporaneously with the use of the property.

(9) In the case of property used both in and outside Idaho, the taxpayer, electing to claim the credit provided in this section, must elect to compute the qualified investment in property with a situs in Idaho for all such investments first qualifying during that year in one (1), but only one (1), of the following ways:
(a) The amount of each qualified investment in a specific asset
shall be separately computed based on the percentage of the actual use of the property in Idaho by using a measure of the use, such as total miles or total machine hours, that most accurately reflects the beneficial use during the taxable year in which it is first acquired, constructed, reconstructed, erected or placed into service; provided, that the asset is placed in service more than ninety (90) days before the end of the taxable year. In the case of assets acquired, constructed, reconstructed, erected or placed into service within ninety (90) days prior to the end of the taxable year in which the investment first qualifies, the measure of the use of that asset within Idaho for that year shall be based upon the percentage of use in Idaho during the first ninety (90) days of use of the asset;

(b) The investment in qualified property used both inside and outside Idaho during the taxable year in which it is first acquired, constructed, reconstructed, erected or placed into service shall be multiplied by the percent of the investment that would be included in the numerator of the Idaho property factor determined pursuant to section 63-3027, Idaho Code, for the same year.

(10) Only for the purposes of subsections (3)(a) and (7) of this section, references to sections of the "Internal Revenue Code" mean the sections referred to as they existed in the Internal Revenue Code of 1986 prior to November 5, 1990.

SECTION 2. An emergency existing therefor, which emergency is hereby declared to exist, this act shall be in full force and effect on and after its passage and approval, and retroactively to January 1, 2000.

Approved April 17, 2000.

SECTION 1. That Section 39-4101, Idaho Code, be, and the same is hereby amended to read as follows:

39-4101. LEGISLATIVE FINDING AND INTENT. (1) Uniformity of building codes and uniformity in procedures for enforcing building codes
throughout the nation and state are matters of nationwide and state­wide concern and interest, in that uniformity would enhance elimina­tion of obsolete, restricting, duplicating and unneces­sary regulations and requirements which could unnecessarily increase construction costs or retard the use of new materials and methods of installation or provide unwarranted preferential treatment to types or classes of materials or products or methods of construction.

The legislature also finds that the factory production of housing and other buildings presents unique problems with respect to uniform­ity of codes and inspections throughout this state and nation.

(2) It is the intent of the legislature to:

(a) Promote the health, safety and welfare of the occupants or users of buildings and structures and the general public;

(b) Require minimum performance standards and requirements for construction and construction materials, consistent with accepted standards of engineering, fire and safety, life safety and acces­sibility for those with disabilities;

(c) Require standards and requirements in terms of performance, energy efficiency, effect upon construction costs and consistency with nationally accepted standards;

(d) Permit the use of modern technical methods, devices and improvements; and

(e) Provide for a uniform interpretation of the building and safety codes for the state of Idaho.

SECTION 2. That Section 39-4106, Idaho Code, be, and the same is hereby amended to read as follows:

39-4106. IDAHO BUILDING CODE ADVISORY BOARD CREATED -- MEMBERSHIP -- APPOINTMENT -- TERMS -- QUORUM -- COMPENSATION -- MEETINGS. AMENDING SECTION 20-520, IDAHO CODE, TO PROVIDE THAT RESTITUTION ORDERED BY A COURT SHALL BE PAID PRIOR TO OTHER COURT-ORDERED PAYMENTS UNLESS THE COURT DIRECTS OTHERWISE.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 20-520, Idaho Code, be, and the same is hereby amended to read as follows:

20-520. SENTENCING. (1) Upon the entry of an order finding the juvenile is within the purview of the act, the court shall then hold a sentencing hearing in the manner prescribed by the Idaho juvenile rules to determine the sentence that will promote accountability, competency development and community protection. Prior to the entry of an order disposing of the case, other than an order of discharge or dismissal, the court shall request and shall receive a report containing the results of an inquiry into the home environment, past history, competency development, prevention or out of home placement services provided, and the social, physical and mental condition of the juvenile. The court shall not consider or review the report prior to the entry of an order of adjudication. Upon presentation and consideration of the report by the court, the court may proceed to sentence the juvenile as follows:

(a) Place the juvenile on formal probation for a period not to exceed three (3) years from the date of the order;
(b) Sentence the juvenile to detention pursuant to this act for a period not to exceed thirty (30) days for each act, omission or status which is prohibited by the federal, state, local or municipal law or ordinance by reason of minority only. The sentence shall not be executed unless the act, omission or status is in violation of section 922(x) of title 18, United States Code, or the court finds that the juvenile has violated the court's decree imposing the sentence as provided below.

If the court, after notice and hearing, finds that a juvenile has violated the court's decree imposing the sentence under circumstances that bring the violation under the valid court order exception of the federal juvenile justice and delinquency prevention act of 1974, as amended, the court may commit the juvenile to
detention for the period of detention previously imposed at sentencing;
(c) Commit the juvenile to a period of detention, pursuant to this act, for a period of time not to exceed ninety (90) days for each unlawful or criminal act the juvenile is found to have committed, if the unlawful or criminal act would be a misdemeanor if committed by an adult, or where the juvenile has been adjudicated as an habitual status offender;
(d) If the juvenile has committed an unlawful or criminal act which would be a felony if committed by an adult, the court may commit the juvenile to detention for a period not to exceed one hundred eighty (180) days for each unlawful or criminal act;
(e) Whenever a court commits a juvenile to a period of detention it shall notify the school district where the detention facility is located. No juvenile who is found to come within the purview of the act for the commission of a status offense shall be sentenced to detention in a jail facility unless an adjudication has been made that the juvenile is an habitual status offender;
(f) Commit the juvenile to detention and suspend the sentence on specific probationary conditions;
(g) The court may suspend or restrict the juvenile's driving privileges for such periods of time as the court deems necessary, and the court may take possession of the juvenile's driver's license. The juvenile may request restricted driving privileges during a period of suspension, which the court may allow if the juvenile shows by a preponderance of evidence that driving privileges are necessary for his employment or for family health needs;
(h) The court may order that the juvenile be examined or treated by a physician, surgeon, psychiatrist or psychologist, or that he receive other special care, or that he submit to an alcohol or drug evaluation, if needed, and for such purposes may place the juvenile in a hospital or other suitable facility;
(i) In support of an order under the provisions of this section, the court may make an additional order setting forth reasonable conditions to be complied with by the parents, the juvenile, his legal guardian or custodian, or any other person who has been made a party to the proceedings, including, but not limited to, restrictions on visitation by the parents or one (1) parent, restrictions on the juvenile's associates, occupation and other activities, and requirements to be observed by the parents, guardian or custodian;
(j) The court may make any other reasonable order which is in the best interest of the juvenile or is required for the protection of the public, except that no person under the age of eighteen (18) years may be committed to jail, prison or a secure facility which does not meet the standards set forth in section 20-518, Idaho Code, unless jurisdiction over the individual is in the process of being waived or has been waived pursuant to section 20-508 or 20-509, Idaho Code. The court may combine several of the above-listed modes of disposition where they are compatible;
(k) An order under the provisions of this section for probation or placement of a juvenile with an individual or an agency may provide a schedule for review of the case by the court;
(1) Order the proceeding expanded or altered to include consideration of the cause pursuant to chapter 16, title 16, Idaho Code;
(m) Order the case and all documents and records connected therewith transferred to the magistrate division of the district court for the county where the juvenile and/or parents reside if different than the county where the juvenile was charged and found to have committed the unlawful or criminal act, for the entry of a dispositional order;
(n) Order such other terms, conditions, care or treatment as appears to the court will best serve the interests of the juvenile and the community;
(o) The court shall assess a twenty dollar ($20.00) charge against the juvenile for every petition filed where there has been an adjudication that the juvenile is within the purview of this chapter. All moneys raised pursuant to this subsection shall be transmitted by the court for deposit in the juvenile corrections account which is created in section 20-542, Idaho Code;
(p) Additionally, the court shall assess a fee of sixty cents (60¢) per hour of community service against the juvenile for every petition filed where there has been an adjudication that the juvenile is within the purview of this chapter and the court is ordering community service. Such fee is to be remitted by the court to the state insurance fund for purposes of providing worker's compensation insurance for persons performing community service pursuant to this chapter;
(q) Commit the juvenile to the legal custody of the department of juvenile corrections for an indeterminate period of time not to exceed the juvenile's twenty-first birthday, unless extended jurisdiction is necessary to complete the competency development and accountability goals of the department;
(r) Notwithstanding any other provision of this section, a court may not commit a juvenile offender under the age of ten (10) years to a period of detention or to the custody of the department of juvenile corrections for placement in secure confinement.
(2) When an order is entered pursuant to this section, the juvenile shall be transported to the facility or program so designated by the court or the department, as applicable, by the sheriff of the county where the juvenile resides or is committed, or by an appointed agent. When committing a juvenile to the department, or another entity, the court shall at once forward to the department or entity a certified copy of the order of commitment.
(3) Unless the court determines that an order of restitution would be inappropriate or undesirable, it shall order the juvenile or his parents or both to pay restitution to or make whole any victim who suffers an economic loss as a result of the juvenile’s conduct in accordance with the standards and requirements of sections 19-5304 and 19-5305, Idaho Code. The amount of restitution which may be ordered by the court shall not be subject to the limitations of section 6-210, Idaho Code. Court-ordered restitution shall be paid prior to any other court-ordered payments unless the court specifically orders otherwise.
(4) Any parent, legal guardian or custodian violating any order of the court entered against the person under the provisions of this chapter shall be subject to contempt proceedings under the provisions of chapter 6, title 7, Idaho Code.

CHAPTER 467
(H.B. No. 629, As Amended)

AN ACT
RELATING TO TEMPORARY ASSISTANCE FOR FAMILIES IN IDAHO; AMENDING CHAPTER 2, TITLE 56, IDAHO CODE, BY THE ADDITION OF A NEW SECTION 56-209i, IDAHO CODE, TO PROVIDE A STATEMENT OF LEGISLATIVE FINDINGS; AMENDING CHAPTER 2, TITLE 56, IDAHO CODE, BY THE ADDITION OF A NEW SECTION 56-209j, IDAHO CODE, TO PROVIDE FOR SUBSTANCE ABUSE SCREENING AND TESTING AND TO GOVERN PROCEDURE; AMENDING CHAPTER 2, TITLE 56, IDAHO CODE, BY THE ADDITION OF A NEW SECTION 56-209k, IDAHO CODE, TO SPECIFY APPLICATION TO CHILDREN; AND AMENDING CHAPTER 2, TITLE 56, IDAHO CODE, BY THE ADDITION OF A NEW SECTION 56-209l, IDAHO CODE, TO PROVIDE TREATMENT REQUIREMENTS.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Chapter 2, Title 56, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW SECTION, to be known and designated as Section 56-209i, Idaho Code, and to read as follows:

56-209i. LEGISLATIVE FINDINGS. It is the intent of the legislature that the provisions of this act enhance the employability of participants in the temporary assistance for families in Idaho (TAFI) programs through substance abuse screening and, where appropriate, testing and treatment. The legislature finds that a significant number of employers use preemployment drug testing. Substance abuse adds to the difficulties such individuals have in securing employment. The legislature also finds that substance abuse in and of itself impairs personal responsibility and self-sufficiency and stands in the way of the very intent of the TAFI program to care for the health and welfare of certain qualified recipients and in so doing results in welfare costs that burden the state's taxpayers. The legislature further finds that substance abuse adversely affects a significant portion of the workforce, which results in billions of dollars of lost productivity each year and poses a threat to the safety of the workplace and to the public safety and security. In balancing the interests of taxpayers, participants in the TAFI program and potential employers against the interests of those who will be screened and tested under this act, the legislature finds that screening, testing and treatment as provided for in this act are in the greater interests of all concerned.
SECTION 2. That Chapter 2, Title 56, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW SECTION, to be known and designated as Section 56-209j, Idaho Code, and to read as follows:

56-209j. SUBSTANCE ABUSE SCREENING AND TESTING PROGRAMS. (1) The department of health and welfare shall develop for implementation in fiscal year 2001, a program to screen each applicant who is otherwise eligible for temporary cash assistance provided under this chapter, and to subject to testing any applicant or participant who the department has reasonable suspicion to believe, based on the screening or other factors, is at risk of substance abuse.

(2) Prior to the first regular session of the fifty-sixth Idaho legislature, the department shall promulgate the necessary rules, pursuant to chapter 52, title 67, Idaho Code, to govern substance abuse screening and testing for TAFI programs. Rules shall, at a minimum:

(a) Specifically address the confidentiality of the screening and test results, and provide that individual results are protected under section 9-340C(6), Idaho Code, and are not subject to disclosure except to an evaluating or treating substance abuse program, and cannot be released for use in any criminal investigation or proceeding;

(b) Provide notice of screening and testing requirements to each applicant at the time of application. The notice must, at a minimum, advise the applicant that substance abuse screening and possible testing will be conducted as a condition for receiving temporary assistance or services under this chapter. The applicant shall be advised that the required screening and possible testing may be avoided if the applicant does not apply for or receive assistance or services. The screening and testing program is not applicable in child only cases;

(c) Develop procedures for substance abuse screening and testing of applicants for and recipients of temporary assistance or services under the TAFI program;

(d) Provide a procedure to advise each person to be tested, before the test is conducted, that he or she may, but is not required to, advise the agent administering the test of any prescription or over-the-counter medication he or she is taking;

(e) Require each person to be tested to sign a written acknowledgment that he or she has received and understood the notice and advice provided under paragraphs (a) and (d) of this subsection;

(f) Provide a procedure to assure each person being tested a reasonable degree of dignity while producing and submitting a sample for drug testing, consistent with the state's need to ensure the reliability of the sample;

(g) Specify circumstances under which a person who tests positive has the right to take one (1) or more additional tests;

(h) Provide a procedure for appealing the results of a test by a person who tests positive, and denial of TAFI services or benefits;

(i) Provide a definition for reasonable suspicion and high risk;
(j) Delineate the substances which will be screened;
(k) Establish outcome measures which can substantiate program effectiveness.

SECTION 3. That Chapter 2, Title 56, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW SECTION, to be known and designated as Section 56-209k, Idaho Code, and to read as follows:

56-209k. CHILDREN. If a parent is deemed ineligible for cash assistance due to the operation of this act, his or her dependent child's eligibility for cash assistance is not affected.
If a parent is deemed ineligible for cash assistance due to the operation of this act, an appropriate protective payee may be established for the benefit of the child.
If the parent refuses to cooperate in establishing an appropriate protective payee for the child, the department may appoint one.

SECTION 4. That Chapter 2, Title 56, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW SECTION, to be known and designated as Section 56-2091, Idaho Code, and to read as follows:

56-2091. TREATMENT PROVISIONS. The department shall refer for appropriate evaluation and provide for the treatment of any applicant or participant who, in the reasonable suspicion of the department, is engaged in substance abuse. Treatment shall be community-based and gender-specific. The department shall provide for the transportation and child care needs of the applicant if necessary. TAFI benefits or services may be denied to any applicant or participant who refuses to cooperate with reasonable screening, testing or treatment requests, or who, based on a preponderance of the evidence, engages in substance abuse following treatment. Any individual referred to treatment shall be notified of the local treatment programs appropriate to that person's needs.

(d) Disclose the identity of a confidential source and, in the case of a record compiled by a criminal law enforcement agency in the course of a criminal investigation, confidential information furnished only by the confidential source;
(e) Disclose investigative techniques and procedures; or

If the judge determines that the public official was justified in refusing to make the record public, he shall return the item to the public official without disclosing its content with an order supporting the decision refusing disclosure. Any person who fails to obey the order of the court shall be cited to show cause why he is not in contempt of court. The court may, in its discretion, award costs and fees to the prevailing party.

The person's failure or inability to obtain additional tests shall not preclude admission of the results of evidentiary tests administered at the direction of the peace officer unless additional testing was denied by the peace officer.

A person who has been served with a notice of suspension after submitting to an evidentiary test may request an administrative hearing on the suspension before a hearing officer designated by the department. The date on which the hearing request was received shall be noted on the face of the request.

If a hearing is requested, the hearing shall be held within twenty (20) days of the date the hearing request was received by the department unless this period is, for good cause shown, extended by the hearing officer for one ten (10) day period. Such extension shall not operate as a stay of the suspension and any temporary permit shall expire thirty (30) days after service of the notice of suspension, notwithstanding an extension of the hearing date beyond such thirty (30) day period. Written notice of the date and time of the hearing shall be sent to the party requesting the hearing at least seven (7) days prior to the scheduled hearing date. The department may conduct
all hearings by telephone if each participant in the hearing has an opportunity to participate in the entire proceeding while it is taking place.

The hearing shall be recorded. The sworn statement of the arresting officer, and the copy of the notice of suspension and any temporary permit issued by the officer shall be admissible at the hearing without further evidentiary foundation. The results of any tests for alcohol concentration or the presence of drugs or other intoxicating substances by analysis of blood, urine or breath administered at the direction of the peace officer and the records relating to calibration, certification, approval or quality control pertaining to equipment utilized to perform the tests shall be admissible as provided in section 18-8004(4), Idaho Code. The arresting officer shall not be required to participate unless directed to do so by a subpoena issued by the hearing officer.

(d) The tests for alcohol concentration, drugs or other intoxicating substances administered at the direction of the peace officer were not conducted in accordance with the requirements of section 18-8004(4), Idaho Code, or the testing equipment was not functioning properly when the test was administered; or
(e) The person was not informed of the consequences of submitting to evidentiary testing as required in subsection (2) of this section.

If the hearing officer finds that the person has not met his burden of proof, he shall sustain the suspension. The hearing officer shall make findings of fact and conclusions of law on each issue and shall enter an order vacating or sustaining the suspension. If the suspension is vacated, the person's driver's license, unless unavailable by reason of an existing suspension, revocation, cancellation, disqualification or denial shall be returned to him. The findings of fact, conclusions of law and order entered by the hearing officer shall be considered a final order pursuant to the provisions of chapter 52, title 67, Idaho Code, except that motions for reconsideration of such order shall be allowed and new evidence can be submitted.

The facts as found by the hearing officer shall be independent of the determination of the same or similar facts in the adjudication of any criminal charges arising out of the same occurrence. The disposition of those criminal charges shall not affect the suspension required to be imposed under the provisions of this section. If a license is suspended under this section and the person is also con-
victed on criminal charges arising out of the same occurrence for a violation of the provisions of section 18-8004, 18-8004C or 18-8006, Idaho Code, both the suspension under this section and the suspension imposed pursuant to the provisions of section 18-8005 or 18-8006, Idaho Code, shall be imposed, but the periods of suspension shall run concurrently, with the total period of suspension not to exceed the longer of the applicable suspension periods, unless the court ordering the suspension in the criminal case orders to the contrary.

(8) Judicial review. A party aggrieved by the decision of the hearing officer may seek judicial review of the decision in the manner provided for judicial review of final agency action provided in chapter 52, title 67, Idaho Code.

(9) Restricted driving privileges. A person served with a notice of suspension for ninety (90) days pursuant to this section may apply to the department for restricted driving privileges, to become effective after the thirty (30) day absolute suspension has been completed. The request may be made at any time after service of the notice of suspension. Restricted driving privileges will be issued for the person to travel to and from work and for work purposes, to attend an alternative high school, work on a GED, for postsecondary education, or to meet the medical needs of the person or his family if the person is eligible for restricted driving privileges.

(4) The collection of samples and impressions specified in this
chapter are required regardless of whether the person previously has
supplied a DNA sample to law enforcement agencies in any other juris­

regardless of whether a court advises a person that samples and
impressions must be provided to the databank and database as a condi­

DNA sample and thumbprint impression to be taken after conviction and
before sentencing of any person upon application by the prosecuting
attorney, the attorney general, or the department-of-law-enforcement
Idaho state police upon a showing that early collection of such sam­
ples will be in the best interest of justice. The DNA samples shall be
collected in accordance with procedures established by the bureau of
forensic services. The director may designate a state or county cor­
rectional facility for sample collection.

(2) Any person, including any juvenile tried as an adult, who
comes within the terms of this chapter, and who is granted probation
or who serves an entire term of confinement in a state or county
facility, or who otherwise bypasses a prison inmate reception center
shall, prior to physical release from custody, be required to provide
a DNA sample and thumbprint impression at a department-of-law-enforce­
ment Idaho state police designated sample collection location. If the
person is not incarcerated at the time of sentencing, the court shall
order the person to report within ten (10) working days to the facili­
ties designated for the collection of such specimens.

(3) The chief administrative officer of any state or local deten­
tion facility, jail or other facility shall cause a DNA sample and

(4) The director of the department of correction shall cause a
DNA sample and thumbprint impression to be collected from any person
subject to the terms of this chapter who has been sentenced to serve a term of imprisonment in a state correctional institution and who has not had a DNA sample taken after conviction and before sentencing. If the offender from another state is not confined, the samples and impression required by this chapter must be provided within ten (10) working days after the offender reports to the supervising agent or within ten (10) working days of notice to the offender, whichever occurs first. The person shall report to the designated sample collection facility or facilities to have the sample and impression taken. (d) A court order finding that no retrial or appeal of the case is pending and verifying that at least sixty (60) days have passed since the defendant has notified the prosecuting attorney and the bureau of forensic services of the expungement request and that the court finds no reason, based on the interests of justice, to deny expungement.

(4) Upon order of the court, the department of law enforcement Idaho state police shall destroy the DNA sample relating to the subject of conviction, unless the department state police determines that the person has otherwise become obligated to submit to DNA sample and thumbprint impression as a result of a separate conviction subject to the terms of this chapter.

(5) The bureau of forensic services is not required to destroy an item of physical evidence obtained from the DNA sample if evidence relating to another person subject to the provisions of this chapter would thereby be destroyed. Notwithstanding this subsection, no sample, physical evidence or identifiable information is affected by an order to set aside a conviction.

SECTION 53. That Section 19-5514, Idaho Code, be, and the same is hereby amended to read as follows:

to defense counsel for criminal defense purposes in compliance with
discovery is not a violation of this section.

(7) It is not a violation of this section to disseminate statis-

computerized databank system, or any of the bureau of forensic ser-
vices' databases provided that the subject of the file is not identi-
fied and cannot be identified from the information disclosed. It is
also not a violation of this section to include information obtained
from a file in a transcript or record of a judicial proceeding or in
any other public record when the inclusion of the information in the
public record is authorized by a court, statute or case law.

(a) When he has reasonable cause to believe that the juvenile has
committed an act which would be a misdemeanor or felony if commit-

(b) When in the presence of a peace officer or private citizen
the juvenile has violated any local, state or federal law or
municipal ordinance; or

(c) When there are reasonable grounds to believe the juvenile has

there is a specific detention request from a foreign jurisdiction
to hold the juvenile pending transportation arrangements.

(2) A peace officer may take a juvenile into custody upon a writ-

court shall attach from the time the juvenile is taken into custody.
When an officer takes a juvenile into custody, he shall notify the parent, guardian or custodian of the juvenile as soon as possible. Unless otherwise ordered by the court, or unless it appears to the officer taking the juvenile into custody that it is contrary to the welfare of society or the juvenile, such juvenile shall be released to the custody of his parent or other responsible adult upon written promise, signed by such person, to bring the juvenile to the court at a stated time. Such written promise shall be submitted to the court as soon as possible. If such person shall fail to produce the juvenile as agreed, or upon notice from the court, a summons for such person may be issued by the court and a warrant may be issued for apprehension of the juvenile.

(3) A juvenile taken into custody may be fingerprinted and photographed. Any fingerprints and photographs taken shall be forwarded as provided in subsection (8) of this section. If the court finds good cause it may order any fingerprints and photographs expunged.

(8) A juvenile taken into detention for an offense shall be fingerprinted and photographed. Fingerprints and photographs taken of juveniles shall be forwarded to the appropriate law enforcement agency and filed with the bureau of criminal identification of the Idaho department--of--law-enforcement state police which shall create a juvenile fingerprint file and enter the fingerprint data into the automated fingerprint identification system. The fingerprint data shall then be forwarded to the department to be maintained in a statewide juvenile offender information system. Access to the information in the juvenile offender system shall be controlled by the department, subject to the provisions of section 9-342, Idaho Code. If the court finds good cause it may order the fingerprints and photographs of the juvenile expunged.
(9) Peace officers' records of juveniles shall be kept separate from records of adults and shall be subject to disclosure according to chapter 3, title 9, Idaho Code.

   (a) Within eight (8) hours after the consumption of any alcoholic beverage;
   (b) While under the influence of alcohol;
   (c) While using any drug that affects the person's faculties in any way contrary to safety; or
   (d) While having an alcohol concentration of 0.04 as defined in subsection (5) of this section, or more, as shown by analysis of his blood, urine, or breath.
   (2) Any person having an alcohol concentration of less than 0.04 as defined in subsection (5) of this section, as shown by analysis of his blood, urine, breath, or other bodily substance, by a test requested by an authorized law enforcement officer shall not be prosecuted for operating an aircraft while under the influence of alcohol, except as provided in subsection (3) of this section. Any person who does not take a test to determine alcohol concentration or whose test result is determined by the court to be unreliable or inadmissible against him, may be prosecuted for piloting or being in actual physical control of an aircraft while under the influence of alcohol, drugs, or any other intoxication substances, on other competent evidence.
   (3) If the results of the test requested by an authorized law enforcement officer show a person's alcohol concentration of less than 0.04, as defined in subsection (5) of this section, such fact may be considered with other competent evidence of drug use other than alcohol in determining the guilt or innocence of the defendant.
   (4) Persons authorized to withdraw blood for the purposes of determining content of alcohol or other intoxicating substances are those persons authorized in section 18-8003, Idaho Code.
   (5) For purposes of this chapter, an evidentiary test for alcohol concentration is a determination of the per-cent by weight of alcohol in blood and shall be based upon a formula of grams of alcohol per one hundred (100) cubic centimeters of blood, per two hundred ten (210) liters of breath or sixty-seven (67) milliliters of urine. Analysis of blood, urine or breath for the purpose of determining the blood alcohol concentration shall be performed by a laboratory operated by the Idaho department-of-law-enforcement state police or by a laboratory approved by the Idaho department-of-law-enforcement state police under the provisions of approval and certification standards to be set by that department, or by any other method approved by the Idaho department-of-law-enforcement state police. Notwithstanding any other provision of law or rule of court, the results of any test for
alcohol concentration and records relating to calibration, approval, certification or quality control performed by a laboratory operated or approved by the Idaho department of law enforcement state police or by any other method approved by the Idaho department of law enforcement state police shall be admissible in any proceeding in this state without the necessity of producing a witness to establish the reliability of the testing procedure for examination.

(6) It is unlawful for any person who is an habitual user of; or under the influence of any narcotic drug, or who is under the influence of any other drug or any combination of alcohol and any drug to a degree which renders him incapable of safely piloting an aircraft, to pilot or be in actual physical control of an aircraft on an airport, body of water, or in the airspace above the state of Idaho. The fact that any person charged with a violation of the provisions of this subsection is or has been entitled to use such drug under the laws of this state shall not constitute a defense against any charge of a violation of the provision or of this subsection.

(7) Notwithstanding any other provision of law, any evidence of conviction under this section shall be admissible in any civil action for damages resulting from the occurrence. A conviction for the purposes of this section means that the person has pled guilty or has been found guilty, not withstanding the form of the judgment or withheld judgment.

Nothing in this subsection shall be construed as granting immunity to any railroad company as to liability, if any, for an accident which might occur at a crossing where stop signs are erected and in place, but liability, if any, shall be determined as provided by law. Liability on the part of governmental authorities on account of absence of any stop sign at a crossing shall be determined as provided by law.

Any person who does not take a test to determine alcohol concentration or whose test result is determined by the court to be unreliable or inadmissible against him, may be prosecuted for operating or being in actual physical control of a vessel while under the influence of alcohol, drugs, or any other intoxicating substances, or other competent evidence.

(3) If the results of the test requested by an authorized law enforcement officer show a person's alcohol concentration of less than 0.08, as defined in subsection (5) of this section, such fact may be considered with other competent evidence of drug use other than alco-
hol in determining the guilt or innocence of the defendant. This subsection does not preclude prosecution for alcohol intoxication for persons described in subsection (1)(b) of this section.

(4) Persons authorized to withdraw blood for the purposes of determining content of alcohol or other intoxicating substances are those persons authorized in section 18-8003, Idaho Code. Immunity from liability in any civil proceeding for specified causes of action shall be extended to personnel as provided in section 18-8002, Idaho Code.

(6) It is unlawful for any person who is an habitual user of, or under the influence of any narcotic drug, or who is under the influence of any other drug or any combination of alcohol and any drug to a degree which renders him incapable of safely operating a vessel to operate or be in actual physical control of a vessel on the waters of the state of Idaho. The fact that any person charged with a violation of the provisions of this subsection is or has been entitled to use such drug under the laws of this state shall not constitute a defense against any charge of a violation of the provisions of this subsection.

(7) Notwithstanding any other provision of law, any evidence of conviction under this section shall be admissible in any civil action for damages resulting from the occurrence. A conviction for the purposes of this section means that the person has pled guilty or has been found guilty, notwithstanding the form of the judgment or withheld judgment.

(2) A small employer carrier shall not transfer a small employer involuntarily into or out of a class of business. A small employer carrier shall not offer to transfer a small employer into or out of a class of business unless such offer is made to transfer all small employers in the class of business without regard to case characteristics, claim experience, health status or duration of coverage since issue.

(3) The director may suspend for a specified period the application of subsection (1)(a) of this section as to the premium rates applicable to one (1) or more small employers included within a class of business of a small employer carrier for one (1) or more rating periods upon a filing by the small employer carrier and a finding by the director either that the suspension is reasonable in light of the financial condition of the small employer carrier or that the suspension would enhance the efficiency and fairness of the marketplace for small employer health insurance.

(4) In connection with the offering for sale of any health benefit plan to a small employer, a small employer carrier shall make a reasonable disclosure, as part of its solicitation and sales materials, of all of the following:

(a) The extent to which premium rates for a specified small employer are established or adjusted based upon the actual or expected variation in claims costs or actual or expected variation in health status of the employees of the small employer and their dependents;
(b) The provisions of the health benefit plan concerning the small employer carrier's right to change premium rates and the factors, other than claim experience, that affect changes in premium rates;
(c) The provisions relating to renewability of policies and contracts; and
(d) The provisions relating to any preexisting condition provision.

(5) (a) Each small employer carrier shall maintain at its principal place of business a complete and detailed description of its rating practices and renewal underwriting practices, including information and documentation that demonstrate that its rating methods and practices are based upon commonly accepted actuarial assumptions and are in accordance with sound actuarial principles.
(b) Each small employer carrier shall file with the director annually on or before March 15, an actuarial certification certifying that the carrier is in compliance with the provisions of this chapter and that the rating methods of the small employer carrier are actuarially sound. Such certification shall be in a form and manner, and shall contain such information, as specified by the director. A copy of the certification shall be retained by the small employer carrier at its principal place of business.
(c) A small employer carrier shall make the information and documentation described in subsection (4)(a) of this section available to the director upon request. Except in cases of violations of the provisions of this chapter, the information shall be considered
proprietary and trade secret information and shall not be subject
to disclosure by the director to persons outside of the department
except as agreed to by the small employer carrier or as ordered by
a court of competent jurisdiction.

SECTION 4. That Section 41-4707, Idaho Code, be, and the same is
hereby amended to read as follows:

41-4707. RENEWABILITY OF COVERAGE. (1) A health benefit plan sub­
ject to the provisions of this chapter shall be renewable with respect
to all eligible employees or dependents, at the option of the small
employer, except in any of the following cases:
(a) Nonpayment of the required premiums;
(b) Fraud or intentional misrepresentation of material fact by
the small employer;
(c) Noncompliance with the carrier's minimum participation
requirements;
(d) Noncompliance with the carrier's employer contribution
requirements;
(e) In the case of health benefit plans that are made available
in the small employer market only through one (1) or more associa­
tions as defined in section 41-2202, Idaho Code, the membership of
an employer in the association, on the basis of which the coverage
is provided ceases, but only if the coverage is terminated under
this paragraph uniformly without regard to any health status­
related factor relating to any covered individual;
(f) The small employer no longer meets the requirements of sec­
tion 41-4703(3028), Idaho Code;
(g) The small employer carrier elects to nonrenew all of its
health benefit plans delivered or issued for delivery to small
employers in this state. In such a case the carrier shall:
(i) Provide advance notice of its decision under this para­
gaph to the director in each state in which it is licensed;
and
(ii) Provide notice of the decision not to renew coverage to
all affected small employers and to the director at least one
hundred eighty (180) days prior to the nonrenewal of any
health benefit plans by the carrier. Notice to the director
under the provisions of this paragraph shall be provided at
least three (3) working days prior to the notice to the
affected small employers; or
(h) The director finds that the continuation of the coverage
would:
(i) Not be in the best interests of the policyholders or
certificate holders; or
(ii) Impair the carrier's ability to meet its contractual
obligations.
In such instance the director shall assist affected small employ­
ers in finding replacement coverage.
(2) A small employer carrier that elects not to renew a health benefit plan under the provisions of subsection (1)(g) of this section shall be prohibited from writing new business in the small employer market in this state for a period of five (5) years from the date of notice to the director.

(3) In the case of a small employer carrier doing business in one (1) established geographic service area of the state, the rules set forth in this subsection shall apply only to the carrier's operations in that service area.

SECTION 5. That Section 41-4708, Idaho Code, be, and the same is hereby amended to read as follows:

41-4708. AVAILABILITY OF COVERAGE -- PREEXISTING CONDITIONS -- PORTABILITY. (1) (a) Every small employer carrier shall, as a condition of offering health benefit plans in this state to small employers, actively offer to small employers at least three (3) -- health all benefit plans: One (1) -- health benefit plan offered by each small employer--carrier shall be a including the small employer basic health benefit plan, one (1) -- plan -- shall be a the small employer standard health benefit plan, and one (1) -- plan -- shall be a the small employer catastrophic health benefit plan.

(b) -- (i) -- A small employer--carrier shall issue a basic, standard or catastrophic health benefit plan to any eligible small employer that applies for either such plan and agrees to make the required premium payments and to satisfy the other reasonable provisions of the health benefit plan not inconsistent with the provisions of this chapter. (ii) -- In the case of a small employer--carrier that establishes more than one (1) class of business pursuant to the provisions of section 41-4707, Idaho Code, the small employer carrier shall maintain and issue to eligible small employers at least one (1) basic health benefit plan; at least one (1) standard health benefit plan and at least one (1) catastrophic benefit plan in each class of business so established. A small employer--carrier may apply reasonable criteria in determining whether to accept a small employer into a class of business, provided that:

(A) -- The criteria are not intended to discourage or prevent acceptance of small employers--applying for a basic, standard or catastrophic health benefit plan;

(B) -- The criteria are not related to the health status or claim experience of the small employer;

(C) -- The criteria are applied consistently to all small employers--applying for coverage in the class of business and

(D) -- The small employer--carrier provides for the acceptance of all eligible small employers--into one (1) or more classes of business.

(2) (a) A small employer carrier shall file with the director, in a format and manner prescribed by the director, the small employer basic, standard and catastrophic health benefit plans to be used by the carrier. A health benefit plan filed pursuant to the provisions of this paragraph may be used by a small employer carrier beginning thirty (30) days after it is filed unless the director disapproves its use.

(b) The director at any time may, after providing notice and an opportunity for a hearing to the small employer carrier, disapprove the continued use by a small employer carrier of a basic, standard or catastrophic health benefit plan on the grounds that the plan does not meet the requirements of this chapter.

(3) Health benefit plans covering small employers shall comply with the following provisions:

(a) A health benefit plan shall not deny, exclude or limit benefits for a covered individual for covered expenses incurred more than twelve (12) months following the effective date of the individual's coverage due to a preexisting condition. A health benefit plan shall not define a preexisting condition more restrictively than a condition, whether physical or mental, regardless of the cause of the condition, for which medical advice, diagnosis, care or treatment was recommended or received during the six (6) months immediately preceding the effective date of coverage.

(b) Genetic information shall not be considered as a condition described in subsection-(3)(a)-of this subsection in the absence of a diagnosis of the condition related to such information.

(c) A health benefit plan shall waive any time period applicable to a preexisting condition exclusion or limitation period with respect to particular services for the period of time an individual was previously covered by qualifying previous coverage that provided benefits with respect to such services, provided that the qualifying previous coverage was continuous to a date not more than sixty-three (63) days prior to the effective date of the new coverage. The period of continuous coverage shall not include any waiting period for the effective date of the new coverage applied by the employer or the carrier. This paragraph does not preclude application of any waiting period applicable to all new enrollees under the health benefit plan.

(d) A health benefit plan may exclude coverage for late enrollees for the greater of twelve (12) months or for a twelve (12) month preexisting condition exclusion; provided that if both a period of exclusion from coverage and a preexisting condition exclusion are applicable to a late enrollee, the combined period shall not exceed twelve (12) months from the date the individual enrolls for coverage under the health benefit plan.

(e) (i) Except as provided in subsection-(3) paragraph (e)(iv) of this subsection, requirements used by a small employer carrier in determining whether to provide coverage to a small employer, including requirements for minimum participation of eligible employees and minimum employer contributions, shall
be applied uniformly among all small employers with the same number of eligible employees applying for coverage or receiving coverage from the small employer carrier.

(ii) A small employer carrier may vary application of minimum participation requirements and minimum employer contribution requirements only by the size of the small employer group.

(iii) In applying minimum participation requirements with respect to a small employer, a small employer carrier shall not consider employees or dependents who have qualifying existing coverage in determining whether the applicable percentage of participation is met.

(iv) A small employer carrier shall not increase any requirement for minimum employee participation or any requirement for minimum employer contribution applicable to a small employer at any time after the small employer has been accepted for coverage.

(f) (i) If a small employer carrier offers coverage to a small employer, the small employer carrier shall offer coverage to all of the eligible employees of a small employer and their dependents. A small employer carrier shall not offer coverage to only certain individuals in a small employer group or to only part of the group, except in the case of late enrollees as provided in paragraph (d) of this subsection.

(ii) A small employer carrier shall not modify a basic, standard or catastrophic health benefit plan with respect to a small employer or any eligible employee or dependent through riders, endorsements or otherwise, to restrict or exclude coverage for certain diseases or medical conditions otherwise covered by the health benefit plan.

(4) (a) A small employer carrier shall not be required to offer coverage or accept applications pursuant to the provisions of subsection (1) of this section in the case of the following:

(i) To a small employer, where the small employer is not physically located in the carrier's established geographic service area;

(ii) To an employee, when the employee does not work or reside within the carrier's established geographic service area; or

(iii) Within an area where the small employer carrier reasonably anticipates, and demonstrates to the satisfaction of the director, that it will not have the capacity within its established geographic service area to deliver service adequately to the members of such groups because of its obligations to existing group policyholders and enrollees.

(b) A small employer carrier that cannot offer coverage pursuant to the provisions of subsection (4)(a)(iii) of this section may not offer coverage in the applicable area to new cases of employer groups with more than fifty (50) eligible employees or to any small employer groups until the later of one hundred eighty (180) days following each such refusal or the date on which the carrier notifies the director that it has regained capacity to deliver services to small employer groups.
(5) A small employer carrier shall not be required to provide coverage to small employers pursuant to the provisions of subsection (1) of this section for any period of time for which the director determines that requiring the acceptance of small employers in accordance with the provisions of subsection (1) of this section would place the small employer carrier in a financially impaired condition.

(6) A small employer carrier shall not be required to comply with the provisions of this section until the director has approved or adopted the revised plan of operation as provided in section 41-4711, Idaho Code.

SECTION 6. That Section 41-4711, Idaho Code, be, and the same is hereby amended to read as follows:

41-4711. SMALL EMPLOYER AND INDIVIDUAL CARRIER REINSURANCE PROGRAM. (1) A reinsuring carrier shall be subject to the provisions of this section.

(2) There is hereby created an independent public body corporate and politic to be known as the Idaho small employer and individual health reinsurance program. The program will perform an essential governmental function in the exercise of powers conferred upon it in this act and any assessments imposed or collected pursuant to the operation of the program shall at all times be free from taxation of every kind.

(3) (a) The program shall operate subject to the supervision and control of the board established in section 41-5502, Idaho Code. Subject to the provisions of subsection (3)(b) of this section, the board shall consist of eight members appointed by the director and serving at the pleasure of the director plus the director or his designated representative who shall serve as an ex officio member of the board.

(b) In selecting the members of the board, the director shall include representatives of small employers and small employer carriers, individual carriers and such other individuals determined to be qualified by the director. At least five of the members of the board shall be representatives of reinsuring carriers and shall be selected from individuals nominated by small employer and individual carriers in this state pursuant to procedures and guidelines developed by the director.

(ii) In the event that the program becomes eligible for additional financing pursuant to the provisions of subsection (12)(c) of this section, the board shall be expanded to include two additional members who shall be appointed by the director. In selecting the additional members of the board, the director shall choose individuals who represent carriers subject to assessment for additional financing identified in subsection (12)(c) of this section. The expansion of the board under the provisions of this subsection shall continue for the period that the program continues to be eligible for additional financing under the provisions of subsection (12)(c) of this section.

(c) The initial board members shall be appointed as follows: two of the members to serve a term of two years; three of
the--members--to--serve-a-term-of-four-(4)--years--and-three-(3)--of
the-members-to-serve-a-term-of-six--(5)--years.--Subsequent--board
members-shall-serve-for-a-term-of-three-(3)--years.
(d)--A--vacancy--in--the--board-shall-be-filled-by-the-director.--A
board-member-may-be-removed-by-the-director-for-causes.
(4) Each small employer and--individual carrier shall make a fil-
ing with the director containing the carrier's earned health insurance
premium derived from health benefit plans delivered or issued for
delivery to small employers and--individuals in this state in the pre-
vious calendar year.
(5) The board shall submit to the director a plan of operation
and thereafter any amendments thereto necessary or suitable to assure
the fair, reasonable and equitable administration of the program. The
director may, after notice and hearing, approve the plan of operation
if the director determines it to be suitable to assure the fair, rea-
sonable and equitable administration of the program, and to provide
for the sharing of program gains or losses on an equitable and propor-
tionate basis in accordance with the provisions of this section. The
plan of operation shall become effective upon written approval by the
director.
(6) If the board fails to submit a suitable plan of operation,
the director shall, after notice and hearing, adopt and promulgate a
temporary plan of operation. The director shall approve the plan of
operation submitted by the board, or adopt a temporary plan of opera-
tion if the board fails to submit a suitable plan. The director shall
amend or rescind any plan adopted under the provisions of this subsec-
tion at the time a plan of operation is submitted by the board and
approved by the director.
(7) The plan of operation shall:
(a) Establish procedures for handling and accounting of program
assets and moneys and for an annual fiscal reporting to the direc-
tor;
(b) Establish procedures for selecting an administering--carrier
administrator, which carrier shall be a properly licensed or
authorized--carrier in this state, and setting forth the powers and
duties of the administering--carrier administrator;
(c) Establish procedures for reinsuring risks in accordance with
the provisions of this section;
(d) Establish procedures for collecting assessments from reinsur-
ing carriers to fund claims and administrative expenses incurred
or estimated to be incurred by the program; and
(e) Provide for any additional matters necessary for the imple-
mentation and administration of the program.
(8) The program shall have the general powers and authority
granted under the laws of this state to insurance companies and health
maintenance organizations licensed to transact business, except the
power to issue health benefit plans directly to either groups or indi-
viduals. In addition thereto, the program shall have the specific
authority to:
(a) Enter into contracts as are necessary or proper to carry out
the provisions and purposes of this chapter, including the author-
ity, with the approval of the director, to enter into contracts
with similar programs of other states for the joint performance of
common functions or with persons or other organizations for the performance of administrative functions;

(b) Sue or be sued, including taking any legal actions necessary or proper to recover any assessments and penalties for, on behalf of, or against the program or any reinsuring carriers;

(c) Take any legal action necessary to avoid the payment of improper claims against the program;

(d) Define the health benefit plans, which plans shall allow coordination of benefits, for which reinsurance will be provided, and to issue reinsurance policies, in accordance with the requirements of this chapter;

(e) Establish rules, conditions and procedures for reinsuring risks under the program, including board discretion to operate separate small employer and individual reinsurance pools;

(f) Establish actuarial functions as appropriate for the operation of the program;

(g) Assess carriers in accordance with the provisions of subsection (12) of this section, and to make advance interim assessments of carriers as may be reasonable and necessary for organizational and interim operating expenses. Any interim assessments shall be credited as offsets against any regular assessments due following the close of the fiscal year;

(h) Appoint appropriate legal, actuarial and other committees as necessary to provide technical assistance in the operation of the program, policy and other contract design, and any other function within the authority of the program;

(i) Borrow money to effect the purposes of the program. Any notes or other evidence of indebtedness of the program not in default shall be legal investments for carriers and may be carried as admitted assets.

(9) A reinsuring carrier may reinsure with the program as provided for in this subsection:

(a) With respect to a small employer basic, standard or catastrophic health benefit plan, the program shall reinsure the level of coverage provided and, with respect to other plans, the program shall reinsure up to the level of coverage provided in a small employer basic, standard or catastrophic health benefit plan.

(b) A small employer carrier may reinsure an entire employer group within sixty (60) days of the commencement of the group's coverage under a health benefit plan.

(c) A reinsuring small employer carrier may reinsure an eligible employee or dependent within a period of sixty (60) days following the commencement of the coverage with the small employer. A newly eligible employee or dependent of the reinsured small employer may be reinsured within sixty (60) days of the commencement of his coverage.

(d) A reinsuring individual carrier may reinsure any eligible individual or dependent within a period of sixty (60) days following commencement of the coverage with the individual. Newborn dependents of insureds are not eligible for individual reinsurance unless a parent is already reinsured;

(e) (i) The program shall not reimburse a reinsuring carrier with respect to the claims of a reinsured individual;
employee or dependent until the carrier has incurred an initial level of claims for such individual employee or dependent of five thousand dollars ($5,000) in a calendar year for benefits covered by the program. In addition, the reinsuring carrier shall be responsible for ten percent (10%) of the next fifty thousand dollars ($50,000) of benefit payments during a calendar year and the program shall reinsure the remainder.

(ii) The board annually may adjust the initial level of claims and the maximum limit to be retained by the carrier to reflect increases in costs and utilization within the standard market for health benefit plans within the state. The adjustment shall not be less than the annual change in the medical component of the "Consumer Price Index for All Urban Consumers" of the department of labor, bureau of labor statistics, unless the board proposes and the director approves a lower adjustment factor.

(10) (a) The board, as part of the plan of operation, shall establish a methodology for determining premium rates to be charged by the program for reinsuring small employers and individuals pursuant to this section. The methodology shall include a system for classification of small employers and individuals that reflects the types of case characteristics commonly used by small employer and individual carriers in the state. The methodology shall provide for the development of base reinsurance premium rates, which shall be multiplied by the factors set forth in subsection (10)(b) of this section to determine the premium rates for the program. The base reinsurance premium rates shall be established by the board, subject to the approval of the director, and shall be set at levels which reasonably approximate gross premiums charged to small employers or individuals by small employer or individual carriers for health benefit plans with benefits similar to the standard health benefit plan, adjusted to reflect retention levels required under the provisions of this chapter.

(b) Premiums for the program shall be as established by the board.

(c) The board periodically shall review the methodology established under the provisions of paragraph (10)(a) of this section, including the system of classification and any rating factors, to assure that it reasonably reflects the claims experience of the program. The board may propose changes to the methodology which shall be subject to the approval of the director.

(d) The board may consider adjustments to the premium rates charged by the program to reflect the use of effective cost containment and managed care arrangements.
(11) If a health benefit plan for a small employer is entirely or partially reinsured with the program, the premium charged to the small employer for any rating period for the coverage issued shall meet the requirements relating to premium rates set forth in section 41-4706, Idaho Code.

(12) (a) Prior to March 1 of each year, the board shall determine and report to the director the program net loss for the previous calendar year, including administrative expenses and incurred losses for the year, taking into account investment income and other appropriate gains and losses.

(b) Any net loss for the year shall be recouped by assessments of carriers.

(c) (i) For the assessment of March 1, 1995, and prior to March 1 of each succeeding year, the board shall determine and file with the director an estimate of the assessments needed to fund the losses incurred by the program in the previous calendar year.

(ii) The individual assessments shall be determined by multiplying net losses, if net earnings are negative, as defined by subsection (12)(a) of this section, by a fraction, the numerator of which shall be the carrier's total premiums earned in the preceding calendar year from all health benefit plans and policies or certificates of insurance for specific disease, and hospital confinement indemnity in this state as reported in the carrier's annual report pursuant to subsection (16) of this section, and the denominator of which shall be the total premiums earned in the preceding calendar year from all health benefit plans and policies or certificates of insurance for specific disease and hospital confinement indemnity in this state.

(d) If assessments exceed net losses of the program, the excess shall be held at interest and used by the board to offset future losses or to reduce program premiums. As used in this paragraph, "future losses" includes reserves for incurred but not reported claims.

(e) Each reinsuring carrier's proportion of the assessment shall be determined annually by the board based on annual statements and other reports deemed necessary by the board and filed by the reinsuring carriers with the board.

(f) The plan of operation shall provide for the imposition of an interest penalty for late payment of assessments.

(g) A reinsuring carrier may seek from the director a deferment from all or part of an assessment imposed by the board. The director may defer all or part of the assessment of a reinsuring carrier if the director determines that the payment of the assessment would place the reinsuring carrier in a financially impaired condition. If all or part of an assessment against a reinsuring carrier is deferred the amount deferred shall be assessed against the other participating carriers in a manner consistent with the basis for assessment set forth in this subsection. The reinsuring carrier receiving the deferment shall remain liable to the program for the amount deferred and shall be prohibited from reinsuring any individuals--or groups with the program until such time as it
pays the assessments.

(13) (a) Neither the participation in the program as reinsuring carriers, the establishment of rates, forms or procedures, nor any other joint or collective action required under the provisions of this chapter shall be the basis of any legal action, criminal or civil liability, or penalty against the program or any of its reinsuring carriers either jointly or separately.

(b) Neither the board nor its employees shall be liable for any obligations of the program. No member or employee of the board shall be liable, and no cause of action of any nature may arise against them, for any act or omission related to the performance of their powers and duties under this chapter, unless such act or omission constitutes willful or wanton misconduct. The board may provide for indemnification of, and legal representation for, its members and employees.

(14) The board, as part of the plan of operation, shall develop standards setting forth the manner and levels of compensation to be paid to agents for the sale of small employer basic, standard and catastrophic health benefit plans. In establishing such standards, the board shall take into consideration the need to assure the broad availability of coverages, the objectives of the program, the time and effort expended in placing the coverage, the need to provide ongoing service to the small employer and individuals, the levels of compensation currently used in the industry and the overall costs of coverage to small employers and individuals selecting these plans.

(15) The program shall be exempt from any and all taxes.

(16) Each carrier shall file with the director, in a form and manner to be prescribed by the director, an annual report. The report shall state the number of resident persons insured under the carrier's health benefit plan.

(17) If a reinsuring small employer carrier attempts to reinsure or reinsures an entire employer group, an employee, or a dependent of such employee that, immediately prior to the commencement of such coverage, it covered under a health benefit plan, the board shall assess all costs and losses incurred by the program for claims and administrative expenses relating to such group, employee or dependent of such employee only to the said reinsuring small employer carrier.

(18) Subsection (17) of this section shall apply to assessments made for the 1994 calendar year and each year thereafter.

SECTION 7. That Section 41-4712, Idaho Code, be, and the same is hereby amended to read as follows:

41-4712. SMALL EMPLOYER HEALTH BENEFIT PLANS. COMMITTEE. (1) The director shall appoint a health benefit plan committee consisting of nine members, five of whom shall represent consumer interests and four of whom shall be members of the board created in section 41-4711, Idaho Code. Members of the committee serve at the pleasure of the director.

(2) The committee shall recommend to the board, in addition to its other powers and duties, shall establish the form and level of coverages, including benefit levels, cost-sharing levels, exclusions and limitations for the small employer basic, standard and cata-

(32) The committee shall recommend to the board benefit levels, cost-sharing levels, exclusions and limitations for the basic, standard and catastrophic health benefit plans. The committee board shall also design a small employer basic, standard and catastrophic health benefit plan which each contain benefit and cost-sharing levels that are consistent with the basic method of operation and the benefit plans of health-maintenance managed care organizations, including any restrictions imposed by federal law.

(a) The plans or changes recommended established by the committee board may include cost containment features such as:

(i) Utilization review of health care services, including review of medical necessity of hospital and physician services;
(ii) Case management;
(iii) Selective contracting with hospitals, physicians and other health care providers;
(iv) Reasonable benefit differentials applicable to providers that participate or do not participate in arrangements using restricted network provisions; and
(v) Other managed care provisions.

The board shall thereafter submit those the plans or changes approved by the board to the director for approval not later than March 1 of each year. The director shall promulgate the approved plans pursuant to the provisions of section 41-4715, Idaho Code.

(c) Small employer carriers desiring to issue a small employer basic, standard or catastrophic health benefit plan differing from the form and level of coverage developed by the committee and approved by the board and the director shall submit such plan to the committee board for review to insure that such proposed plan is commensurate with the benefit levels, cost-sharing levels, exclusions, and limitations for the plan developed and approved pursuant to the provisions of this section. The committee shall forward the proposed plan to the board and the director with a recommendation for approval or rejection.

(5) The board may appoint an advisory committee to assist in the development of and any changes to the small employer basic, standard and catastrophic health benefit plans.

SECTION 8. That Section 41-4716, Idaho Code, be, and the same is hereby amended to read as follows:

(b) The provisions of subsection (a) of this section shall not apply with respect to a compensation arrangement that provides compensation to an agent on the basis of percentage of premium, provided that the percentage shall not vary because of the health status, claims experience, industry, occupation or geographic area of the small employer.

(4) A small employer carrier shall provide reasonable compensation, as provided under the plan of operation of the program, to an agent, if any, for the sale of a small employer basic, standard or catastrophic health benefit plan.

To the extent permitted by federal law, the provisions of this chapter shall apply to any health benefit plan delivered or issued for delivery in the state of Idaho that provides coverage to eligible individuals or their dependents if not otherwise subject to the provisions of chapter 22, 40 or 47, or title 41, Idaho Code.

(1) Except as provided in subsection (2) of this section, for the purposes of this chapter, carriers that are affiliated companies or that are eligible to file a consolidated tax return shall be treated as one (1) carrier and any restrictions or limitations imposed in this chapter shall apply as if all health benefit plans delivered or issued for delivery to individuals in this state by such affiliated carriers were insured by one (1) carrier.

(2) An affiliated carrier that is a health-maintenance managed care organization having a certificate of authority pursuant to the provisions of chapter 39, title 41, Idaho Code, may be considered to be a separate carrier for the purposes of this chapter.

(3) Unless otherwise authorized by the director, an individual carrier shall not enter into one (1) or more ceding arrangements with respect to health benefit plans delivered or issued for delivery to individuals in this state if such arrangements would result in less than fifty percent (50%) of the insurance obligation or risk for such health benefit plans being retained by the ceding carrier. The provisions of sections 41-510, 41-511 and 41-514, Idaho Code, shall apply if an individual carrier cedes or assumes all of the insurance obligation or risk with respect to one (1) or more health benefit plans delivered or issued for delivery to individuals in this state.

SECTION 13. That Section 41-5206, Idaho Code, be, and the same is hereby amended to read as follows:

41-5206. RESTRICTIONS RELATING TO PREMIUM RATES. (1) Premium rates for health benefit plans subject to the provisions of this chapter shall be subject to the following provisions:

provisions of this subsection (1)(a) shall apply until July 1, 2002, with respect to all health benefit plans offered to individ­
uals other than the individual basic, standard, catastrophic A
and catastrophic B plans.

individual for a new rating period may not exceed the sum of the
following:

(i) The percentage change in the new business premium rate
measured from the first day of the prior rating period to the
first day of the new rating period. In the case of a health
benefit plan into which the individual carrier is no longer
enrolling new individuals, the individual carrier shall use
the percentage change in the base premium rate, provided that
such change does not exceed, on a percentage basis, the
change in the new business premium rate for the most similar
health benefit plan into which the individual carrier is
actively enrolling new individuals.

(ii) Any adjustment, not to exceed fifteen percent (15%)
annually and adjusted pro rata for rating periods of less
than one (1) year, due to the claim experience, health status
or duration of coverage of the individual or dependents as
determined from the individual carrier's rate manual; and

(iii) Any adjustment due to change in coverage or change in
the case characteristics of the individual as determined from
the individual carrier's rate manual.

(e) (1) Individual carriers shall apply rating factors, includ-
ing case characteristics, consistently with respect to all
individuals. Rating factors shall produce premiums for iden-
tical individuals which differ only by the amounts attributable to plan design and do not reflect differences due to the nature of the individuals assumed to select particular health benefit plans; and
(ii) An individual carrier shall treat all health benefit plans issued or renewed in the same calendar month as having the same rating period.

(fe) For purposes of this subsection, a health benefit plan that utilizes a restricted provider network shall not be considered similar coverage to a health benefit plan that does not utilize such a network, provided that utilization of the restricted provider network results in substantial differences in claims costs.

(gf) The individual carrier shall not use case characteristics, other than age, individual tobacco use, geography as defined by rule of the director, or gender, without prior approval of the director.

(hg) An individual carrier may utilize age as a case characteristic in establishing premium rates, provided that the same rating factor shall be applied to all dependents under the age of twenty-three (23) years of age, and the same rating factor shall be applied on a quinquennial basis as to individuals or nondependents twenty (20) years of age or older.

(1h) The director may establish rules to implement the provisions of this section and to assure that rating practices used by individual carriers are consistent with the purposes of this chapter, including rules that:
(i) Assure that differences in rates charged for health benefit plans by individual carriers are reasonable and reflect objective differences in plan design, not including differences due to the nature of the individuals assumed to select particular health benefit plans;
(ii) Prescribe the manner in which case characteristics may be used by individual carriers; and
(iii) Prescribe the manner in which an individual carrier is to demonstrate compliance with the provisions of this section, including requirements that an individual carrier provide the director with actuarial certification as to such compliance.

(2) The director may suspend for a specified period the application of subsection (1)(a) of this section as to the premium rates applicable to one (1) or more individuals for one (1) or more rating periods upon a filing by the individual carrier and a finding by the director either that the suspension is reasonable in light of the financial condition of the individual carrier or that the suspension would enhance the efficiency and fairness of the marketplace for individual health insurance.

(3) In connection with the offering for sale of any health benefit plan to an individual, an individual carrier shall make a reasonable disclosure, as part of its solicitation and sales materials, of all of the following:
(a) The extent to which premium rates for an individual are established or adjusted based upon the actual or expected variation in claims costs or actual or expected variation in health
status of the individual and his dependents;
(b) The provisions of the health benefit plan concerning the individual carrier's right to change premium rates and the factors, other than claim experience, that affect changes in premium rates;
(c) The provisions relating to renewability of policies and contracts; and
(d) The provisions relating to any preexisting condition provision.
(4) (a) Each individual carrier shall maintain at its principal place of business a complete and detailed description of its rating practices and renewal underwriting practices, including information and documentation that demonstrate that its rating methods and practices are based upon commonly accepted actuarial assumptions and are in accordance with sound actuarial principles.
(b) Each individual carrier shall file with the director annually on or before September 15, an actuarial certification certifying that the carrier is in compliance with the provisions of this chapter and that the rating methods of the individual carrier are actuarially sound. Such certification shall be in a form and manner, and shall contain such information, as specified by the director. A copy of the certification shall be retained by the individual carrier at its principal place of business.
(c) An individual carrier shall make the information and documentation described in subsection (4)(a) of this section available to the director upon request. Except in cases of violations of the provisions of this chapter, the information shall be considered proprietary and trade secret information and shall not be subject to disclosure by the director to persons outside of the department except as agreed to by the individual carrier or as ordered by a court of competent jurisdiction.

SECTION 14. That Section 41-5207, Idaho Code, be, and the same is hereby amended to read as follows:

41-5207. RENEWABILITY OF COVERAGE. (1) A health benefit plan subject to the provisions of this chapter shall be renewable with respect to the individual or dependents, at the option of the individual, except in any of the following cases:
(a) Nonpayment of the required premiums;
(b) Fraud or intentional misrepresentation of material fact by the individual insured or his representatives. An individual whose coverage is terminated for fraud or misrepresentation shall not be deemed to be an "eligible individual" for a period of twelve (12) months from the effective date of the termination of the individual's coverage and shall not be deemed to have "qualifying previous coverage" under chapter 22, 47 or 52, title 41, Idaho Code;
(c) The individual ceases to be an eligible individual as defined in section 41-5203(140), Idaho Code;
(d) In the case of health benefit plans that are made available in the individual market only through one (1) or more associations, as defined in section 41-2202, Idaho Code, the membership
of an individual in the association, on the basis of which the coverage is provided ceases, but only if the coverage is terminated under this paragraph uniformly without regard to any health status-related factor relating to any covered individual;

(e) The individual carrier elects to nonrenew all of its health benefit plans delivered or issued for delivery to individuals in this state. In such a case the carrier shall:

(i) Provide advance notice of its decision under this paragraph to the director; and

(ii) Provide notice of the decision not to renew coverage to all affected individuals and to the director at least one hundred eighty (180) days prior to the nonrenewal of any health benefit plans by the carrier. Notice to the director under the provisions of this paragraph shall be provided at least three (3) working days prior to the notice to the affected individuals; or

(f) The director finds that the continuation of the coverage would:

(i) Not be in the best interests of the policyholders or certificate holders; or

(ii) Impair the carrier's ability to meet its contractual obligations.

In such instance, the director shall assist affected individuals in finding replacement coverage.

(2) An individual carrier that elects not to renew a health benefit plan under the provisions of subsection (1)(e) of this section shall be prohibited from writing new business in the individual market in this state for a period of five (5) years from the date of notice to the director.

(3) In the case of an individual carrier doing business in one established geographic service area of the state, the rules set forth in this subsection shall apply only to the carrier's operations in that service area.

SECTION 15. That Section 41-5208, Idaho Code, be, and the same is hereby amended to read as follows:

41-5208. AVAILABILITY OF COVERAGE -- PREEXISTING CONDITIONS -- PORTABILITY.

(1) (a) Every individual carrier shall, as a condition of offering health benefit plans in this state to individuals, actively offer health benefit plans to individuals at least three (3) health benefit plans as provided in this section and provide enrollment to all persons with qualifying previous coverage during all months of the year and to all persons without qualifying previous coverage on an open enrollment basis for a forty-five (45) day period commencing on January 1 and July 1 of each calendar year. One (1) health benefit plan offered by each individual carrier shall be a basic health benefit plan, one (1) plan shall be a standard health benefit plan, and one (1) plan shall be a catastrophic including the individual basic health benefit plan, the individual standard health benefit plan, the individual catastrophic A health benefit plan and the individual catastrophic B
health benefit plan.  
(b) An individual carrier shall issue an individual basic, standard, or catastrophic A or catastrophic B health benefit plan to any eligible individual that applies for such plan and agrees to make the required premium payments and to satisfy the other reasonable provisions of the health benefit plan not inconsistent with the provisions of this chapter.

(2) (a) An individual carrier shall file with the director, in a format and manner prescribed by the director, the basic, standard and catastrophic health benefit plans to be used by the carrier. A health benefit plan filed pursuant to the provisions of this paragraph may be used by an individual carrier beginning thirty (30) days after it is filed unless the director disapproves its use.  
(b) The director at any time may, after providing notice and an opportunity for a hearing to the individual carrier, disapprove the continued use by an individual carrier of a basic, standard, or catastrophic health benefit plan on the grounds that the plan does not meet the requirements of this chapter.

(3) Health benefit plans covering individuals shall comply with the following provisions:  
(a) A health benefit plan shall not deny, exclude or limit benefits for a covered individual for covered expenses incurred more than twelve (12) months following the effective date of the individual's coverage due to a preexisting condition. A health benefit plan shall not define a preexisting condition more restrictively than:
   (i) A condition that would have caused an ordinarily prudent person to seek medical advice, diagnosis, care or treatment during the six (6) months immediately preceding the effective date of coverage;  
   (ii) A condition for which medical advice, diagnosis, care or treatment was recommended or received during the six (6) months immediately preceding the effective date of coverage; or  
   (iii) A pregnancy existing on the effective date of coverage.  
(b) A health benefit plan shall waive any time period applicable to a preexisting condition exclusion or limitation period with respect to particular services for the period of time an individual was previously covered by qualifying previous coverage to the extent such previous coverage provided benefits with respect to such services, provided that the qualifying previous coverage was continuous to a date not more than sixty-three (63) days prior to the effective date of the new coverage.

(c) An individual carrier shall not modify a basic, standard, or catastrophic health benefit plan with respect to an individual or any dependent through riders, endorsements, or otherwise, to restrict or exclude coverage for certain diseases or medical conditions otherwise covered by the health benefit plan.

(4) (a) An individual carrier shall not be required to offer coverage or accept applications pursuant to the provisions of subsection (1) of this section in the case of the following:
   (i) To an individual, where the individual is not residing in the carrier's established geographic service area;
(ii) Within an area where the individual carrier reasonably anticipates, and demonstrates to the satisfaction of the director, that it will not have the capacity within its established geographic service area to deliver service adequately to individuals because of its obligations to existing groups or individuals.

(b) An individual carrier that cannot offer coverage pursuant to the provisions of subsection (4)(a)(ii) of this section may not offer coverage in the applicable area to new cases of employer groups with more than fifty (50) eligible employees or to any small employer groups or to any individuals until the later of one hundred eighty (180) days following each such refusal or the date on which the carrier notifies the director that it has regained capacity to deliver services to individuals and groups.

(5) An individual carrier shall not be required to provide coverage to individuals pursuant to the provisions of subsection (1) of this section for any period of time for which the director determines that requiring the acceptance of individuals in accordance with the provisions of subsection (1) of this section would place the individual carrier in a financially impaired condition.

(6) An individual carrier shall not be required to comply with the provisions of this section until the director has approved or adopted the revised plan of operation as provided in section 41-4711, Idaho Code.

SECTION 16. That Section 41-5212, Idaho Code, be, and the same is hereby amended to read as follows:

If an individual carrier denies coverage to an individual on the basis of the health status or claims experience of the individual or dependents, the individual carrier shall offer the individual the opportunity to purchase an individual basic, standard, catastrophic A or catastrophic B health benefit plan.

(2) (a) Except as provided in subsection (2)(b) of this section, no individual carrier or agent shall, directly or indirectly, engage in the following activities:

(i) Encouraging or directing individuals to refrain from filing an application for coverage with the individual carrier because of the health status, claims experience, industry, occupation or geographic location of the individual or dependents.

(ii) Encouraging or directing individuals to seek coverage from another carrier because of the health status, claims experience, industry, occupation or geographic location of the individual.

(b) The provisions of subsection (2)(a) of this section shall not apply with respect to information provided by an individual carrier or agent to an individual regarding the established geographic service area or a restricted network provision of an indi-
individual carrier.

(3) (a) Except as provided in subsection (2)(b) of this section, no individual carrier shall, directly or indirectly, enter into any contract, agreement or arrangement with an agent that provides for or results in the compensation paid to an agent for the sale of a health benefit plan to be carried because of the health status, claims experience, industry, occupation or geographic location of the individual.

(b) The provisions of paragraph (a) of this subsection shall not apply with respect to a compensation arrangement that provides compensation to an agent on the basis of percentage of premium, provided that the percentage shall not vary because of the health status, claims experience, industry, occupation or geographic area of the individual.

(4) An individual carrier shall provide reasonable compensation, as provided under the plan of operation of the program individual high risk reinsurance pool, to an agent, if any, for the sale of an individual basic, standard, catastrophic A or catastrophic B health benefit plan.

(5) No individual carrier may terminate, fail to renew or limit its contract or agreement of representation with an agent for any reason related to the health status, claims experience, occupation or geographic location of the individuals placed by the agent with the individual carrier.

(6) Denial by an individual carrier of an application for coverage from an individual shall be in writing and shall state the reason or reasons for the denial.

(7) The director may establish rules setting forth additional standards to provide for the fair marketing and broad availability of health benefit plans to individuals in this state.

(8) (a) A violation of the provisions of this section by an individual carrier or an agent shall be an unfair trade practice pursuant to the provisions of section 41-1302, Idaho Code.

(b) If an individual carrier enters into a contract, agreement or other arrangement with a third party administrator to provide administrative, marketing or other services related to the offering of health benefit plans to individuals in this state, the third party administrator shall be subject to the provisions of this section as if it were an individual carrier.

The pool will perform an essential governmental function in the exercise of powers conferred upon it in this chapter. The pool and any assessments imposed or collected pursuant to the operation of the pool shall at all times be free from taxation of every kind.
(2) The pool created by this chapter and the small employer reinsurance program established in section 41-4711, Idaho Code, shall operate subject to the supervision and control of the board. The board shall consist of ten (10) members. Eight (8) members shall be appointed by the director and serve at the pleasure of the director. The director or his designated representative shall serve as an ex officio member of the board. In selecting the members of the board the director shall appoint four (4) members representing carriers, two (2) disability agents and two (2) members representing consumer interests. One (1) member shall be a member of the senate appointed by the president pro tempore of the senate and one (1) member shall be a member of the house of representatives appointed by the speaker of the house.

A vacancy in a legislative member's position on the board shall be filled in the same manner as the original appointment. All other vacancies on the board shall be filled by the director. A nonlegislative board member may be removed by the director for cause.

41-5503. PLAN OF OPERATION. (1) The board shall submit to the director a plan of operation and thereafter any amendments thereto necessary or suitable to assure the fair, reasonable and equitable administration of the pool. The director may, after notice and hearing, approve the plan of operation if the director determines it to be suitable to assure the fair, reasonable and equitable administration of the pool, and to provide for the sharing of pool gains or losses on an equitable and proportionate basis in accordance with the provisions of this chapter. The plan of operation shall become effective upon written approval by the director.

(2) If the board fails to submit a suitable plan of operation, the director shall, after notice and hearing, adopt and promulgate a temporary plan of operation. The director shall approve the plan of operation submitted by the board, or adopt a temporary plan of operation if the board fails to submit a suitable plan. The director shall amend or rescind any plan adopted under the provisions of this section at the time a plan of operation is submitted by the board and approved by the director.

(3) The plan of operation shall:
(a) Establish procedures for handling and accounting of pool assets and moneys and for an annual fiscal reporting to the director;
(b) Establish procedures for selecting an administrator, and setting forth the powers and duties of the administrator;
(c) Establish procedures for reinsuring risks in accordance with the provisions of this chapter;
(d) Establish procedures for collecting assessments from carriers to fund claims and administrative expenses incurred or estimated to be incurred by the pool; and
(e) Provide for any additional matters necessary for the implementation and administration of the pool.

41-5504. POWERS AND AUTHORITY. (1) The pool shall have the general powers and authority granted under the laws of this state to insurance companies and managed care organizations licensed to transact business, except the power to issue health benefit plans directly to individuals. In addition thereto, the pool shall have the specific authority to:
(a) Enter into contracts as are necessary or proper to carry out the provisions and purposes of this chapter, including the authority, with the approval of the director, to enter into contracts with similar programs of other states for the joint performance of common functions or with persons or other organizations for the performance of administrative functions;
(b) Sue or be sued, including taking any legal actions necessary or proper to recover any assessments and penalties for, on behalf of, or against the pool or any carrier;
(c) Define the health benefit plans, which plans shall allow coordination of benefits, for which reinsurance will be provided, and to issue reinsurance policies, in accordance with the requirements of this chapter;
(d) Establish rules, conditions and procedures for reinsuring risks under the pool;
(e) Establish actuarial functions as appropriate for the operation of the pool;
(f) Assess carriers in accordance with the provisions of section 41-5508, Idaho Code, and make advance interim assessments of carriers as may be reasonable and necessary for organizational and interim operating expenses. Any interim assessments shall be credited as offsets against any regular assessments due following the close of the fiscal year;
(g) Appoint appropriate legal, actuarial and other committees as necessary to provide technical assistance in the operation of the pool, policy and other contract design, and any other function within the authority of the pool;
(h) Borrow money to effect the purposes of the pool. Any notes or other evidence of indebtedness of the pool not in default shall be legal investments for carriers and may be carried as admitted assets;
(i) Establish rules, policies and procedures as may be necessary or convenient for the implementation of this chapter and the operation of the pool.
(2) Neither the board nor its employees shall be liable for any obligations of the pool. No member or employee of the board shall be liable, and no cause of action of any nature may arise against them, for any act or omission related to the performance of their powers and duties under this chapter, unless such act or omission constitutes willful or wanton misconduct. The board may provide for indemnification of, and legal representation for, its members and employees.
(3) No participation of a reinsuring carrier in the pool, no establishment of rates, forms or procedures, and no other joint or collective action required under the provisions of this chapter shall be grounds for any legal action, criminal or civil liability, or penalty against the pool or any of its reinsuring carriers either jointly or separately.

41-5505. REINSURANCE. (1) Any individual carrier issuing an individual basic, standard, catastrophic A, or catastrophic B health benefit plan as provided in this chapter shall receive reinsurance to the level of coverage provided in the plan.
(2) (a) The pool shall not reimburse a reinsuring carrier with respect to the claims of a reinsured individual or dependent until the carrier has incurred an initial level of claims for such individual or dependent of five thousand dollars ($5,000) in a calendar year for benefits covered by the pool. In addition, the reinsuring carrier shall be responsible for ten percent (10%) of the next twenty-five thousand dollars ($25,000) of benefit payments
during a calendar year and the pool shall reinsure the remainder. (b) The board annually may adjust the initial level of claims and the maximum limit to be retained by the carrier to reflect increases in costs and utilization within the standard market for health benefit plans within the state. The adjustment shall not be less than the annual change in the medical component of the "Consumer Price Index for All Urban Consumers" of the department of labor, bureau of labor statistics, unless the board proposes and the director approves a lower adjustment factor. (3) A reinsuring carrier shall apply all managed care and claims handling techniques, including utilization review, individual case management, preferred provider provisions, and other managed care provisions or methods of operation consistently with respect to reinsured and nonreinsured business. (4) Each carrier shall make a filing with the director containing the carrier's earned health insurance premium derived from health benefit plans delivered or issued for delivery in this state in the previous calendar year. (5) Each carrier shall file with the director, in a form and manner to be prescribed by the director, an annual report. The report shall state the number of resident persons insured under the carrier's health benefit plan, or through excess or stop loss coverage.

41-5506. REINSURANCE PREMIUM RATES. (1) The board, as part of the plan of operation, shall establish a methodology for determining premium rates to be charged reinsuring carriers to reinsure individuals under this chapter. The methodology shall include a system for classification of individuals that reflects the types of case characteristics commonly used by individual carriers in the state. The methodology shall provide for the development of base reinsurance premium rates, subject to the approval of the director, which shall be set at levels which reasonably approximate gross premiums charged to individuals by individual carriers for health benefit plans with benefits similar to the standard health benefit plan, adjusted to reflect retention levels required under the provisions of this chapter. Rate adjustments under the provisions of this subsection shall not be subject to the provisions of section 41-5206, Idaho Code. (2) The board periodically shall review the methodology established under the provisions of subsection (1) of this section, including the system of classification and any rating factors, to assure that it reasonably reflects the claims experience of the pool. The board may propose changes to the methodology which shall be subject to the approval of the director. (3) The board may consider adjustments to the premium rates charged by the pool to reflect the use of effective cost containment and managed care arrangements.

41-5507. PREMIUM RATES FOR PLAN COVERAGE. (1) The board shall establish premium rates for coverage under the individual basic, standard, catastrophic A and catastrophic B health benefit plans. (2) Separate schedules of premium rates based on age, individual tobacco use, geography as defined by rule of the director, gender and benefit plan design shall apply for individual risks.
(3) The board, with the assistance of the director and in accordance with appropriate actuarial principles, shall determine a standard risk rate by using the average rates that individual standard risks in this state are charged by at least five (5) of the largest health insurance carriers providing individual health insurance coverage to residents of Idaho that is substantially similar to the coverage offered by each pool plan. In determining the average rate or charges of those health insurance carriers, the rates charged by those carriers shall be actuarially adjusted to determine the rate that would have been charged for benefits similar to those provided by each plan. The standard risk rates shall be established using reasonable actuarial techniques and shall reflect anticipated claims experience, expenses, and other appropriate risk factors for such coverage.

(4) Rates for plan coverage shall not be less than one hundred twenty-five percent (125%) nor more than one hundred fifty percent (150%) of rates established as applicable for individual standard risks pursuant to subsection (3) of this section.

41-5508. ASSESSMENTS. (1) Prior to March 1 of each year, the board shall determine and report to the director the pool's net loss for the previous calendar year, including administrative expenses and incurred losses for the year, taking into account investment income and other appropriate gains and losses, and any premium tax funds appropriated to the pool pursuant to section 41-406, Idaho Code.

(2) Any net loss for the year shall be recouped by assessments of carriers.

(3) (a) For the assessment of March 1, 2001, and prior to March 1 of each succeeding year, the board shall determine and file with the director an estimate of the assessments needed to fund the losses incurred by the pool in the previous calendar year.

(b) The individual assessments shall be determined by multiplying net losses, if net earnings are negative, as defined by subsection (1) of this section, by a fraction, the numerator of which shall be the carrier's total premiums earned in the preceding calendar year from all health benefit plans and policies or certificates of insurance for specific disease, and hospital confinement indemnity in this state as reported in the carrier's reports filed pursuant to section 41-5505(4) and (5), Idaho Code, including reinsurance by way of excess or stop loss coverage, and the denominator of which shall be the total premiums earned in the preceding calendar year from all health benefit plans and policies or certificates of insurance for specific disease and hospital confinement indemnity in this state, including reinsurance by way of excess or stop loss coverage.

(4) If assessments exceed net losses of the pool, the excess shall be held at interest and used by the board to offset future losses or to reduce pool premiums. As used in this paragraph, "future losses" includes reserves for incurred but not reported claims.

(5) Each carrier's proportion of the assessment shall be determined annually by the board based on annual statements and other reports deemed necessary by the board and filed by the carriers with the director.

(6) The plan of operation shall provide for the imposition of an
interest penalty for late payment of assessments.

(7) A carrier may seek from the director a deferment from all or part of an assessment imposed by the board. The director may defer all or part of the assessment if the director determines that the payment of the assessment would place the carrier in a financially impaired condition. If all or part of an assessment against a carrier is deferred the amount deferred shall be assessed against the other carriers in a manner consistent with the basis for assessment set forth in this section. The carrier receiving the deferment shall remain liable to the pool for the amount deferred and shall be prohibited from reinsuring any individuals with the pool until such time as it pays the assessments.

41-5509. STANDARDS FOR AGENTS. The board, as part of the plan of operation, shall develop standards setting forth the manner and levels of compensation to be paid to agents for the sale of individual basic, standard, catastrophic A and catastrophic B health benefit plans. In establishing such standards, the board shall take into consideration the need to assure broad availability of coverages, the objectives of the pool, the time and effort expended in placing the coverage, the need to provide ongoing service to the individual, the levels of compensation currently used in the industry and the overall costs of coverage to individuals selecting these plans.

41-5510. ELIGIBILITY. (1) Any individual eligible person, who is and continues to be a resident shall be eligible for coverage under an individual basic, standard, catastrophic A or catastrophic B health benefit plan if evidence is provided that:

(a) Such person has been rejected by one (1) individual carrier on the basis of health status or claims experience; or
(b) An individual carrier refuses to issue a health benefit plan providing coverage substantially similar to coverage offered under an equivalent pool plan except at a rate exceeding the rate for the pool plan.

(2) A rejection or refusal by a carrier offering only stop loss, excess of loss or reinsurance coverage with respect to an applicant under subsection (1) of this section shall not constitute sufficient evidence for purposes of subsection (1) of this section.

(3) Each resident dependent of a person who is eligible for coverage under the pool shall also be eligible for coverage under the pool.

(4) A person shall not be eligible for coverage under a pool plan if:

(a) The person has or obtains health insurance coverage substantially similar to or more comprehensive than a pool plan, or would be eligible to have coverage if the person elected to obtain it;
(b) The person is determined to be eligible for health care benefits under medicaid;
(c) The person has previously terminated pool plan coverage unless twelve (12) months have lapsed since such termination; provided however, that this provision shall not apply with respect to an applicant who is a federally defined eligible individual;
(d) The person is an inmate or resident of a state or other pub-
lic institution, or a state, local or private correctional facility; provided however, that this provision shall not apply with respect to an applicant who is a federally defined eligible individual.

(5) Coverage shall cease:
(a) On the first day of the month following the date a person is no longer a resident of this state;
(b) On the first day of the month following the date a person requests coverage to end;
(c) Upon the death of the covered person;
(d) At the option of the board, thirty (30) days after the plan makes any inquiry concerning the person's eligibility or place of residence to which the person does not reply.

(6) A person who ceases to meet the eligibility requirements of this section may be terminated on the first day of the month following the date when the individual becomes ineligible.

41-5511. DESIGN OF PRODUCTS. (1) The board shall design the individual basic, standard, catastrophic A and catastrophic B health benefit plans, with an emphasis on making coverage available for preventive care, and subject to the deductibles and maximum benefits provided in subsection (2) of this section.

(2) (a) The basic health benefit plan shall provide a deductible of five hundred dollars ($500), with a lifetime maximum benefit of five hundred thousand dollars ($500,000) per carrier;
(b) The standard health benefit plan shall provide a deductible of one thousand dollars ($1,000), with a lifetime maximum benefit of one million dollars ($1,000,000) per carrier;
(c) The catastrophic A health benefit plan shall offer a deductible of two thousand dollars ($2,000) and a lifetime maximum benefit of one million dollars ($1,000,000) per carrier; and
(d) The catastrophic B health benefit plan shall offer a deductible of five thousand dollars ($5,000) and a lifetime maximum benefit of one million dollars ($1,000,000) per carrier.

(3) The board shall establish all other benefit levels, as well as cost sharing arrangements, exclusions and limitations for each health benefit plan. The plan designs for the small employer market shall not necessarily be the same as the plan designs for the individual market.

(4) The board shall also design an individual basic, standard, catastrophic A and catastrophic B health benefit plan which each contain benefit and cost-sharing arrangements that are consistent with the basic method of operation and the benefit plans of managed care organizations, including any restrictions imposed by federal law, which may include cost containment features such as the following:
(a) Utilization review of health care services, including review of medical necessity of hospital and physician services;
(b) Case management;
(c) Selective contracting with hospitals, physicians and other health care providers;
(d) Reasonable benefit differentials applicable to providers that participate or do not participate in arrangements using restricted network provisions; and
(e) Other managed care provisions.

(5) The board shall submit the health benefit plans or changes described in this section to the director for approval. The director shall promulgate the approved plans in accordance with the provisions of chapter 52, title 67, Idaho Code.

(6) The board may appoint an advisory committee to assist it in developing the health benefit plans prescribed by this section.

There is hereby appropriated out of the insurance insolvency administrative account fund so much thereof as shall be necessary, but not to exceed two hundred thousand dollars ($200,000) in any one (1) fiscal year, for the payment of the department's administrative expenses incurred in carrying out such receiverships or supervisions. A balance of one hundred thousand dollars ($100,000) shall be maintained in this account fund on June 30 of each year.

(d) After all other deductions authorized in this section have been made, if the premium tax remaining exceeds forty-five million dollars ($45,000,000), one-fourth (1/4) of such excess is hereby appropriated and shall be paid to the Idaho high risk individual reinsurance pool established in chapter 55, title 41, Idaho Code.

distributed to the general account fund of the state of Idaho.

(ef) All moneys received for fees, licenses and miscellaneous charges collected shall be distributed to the insurance administrative account.

For taxable year 2000 and each year thereafter, the state tax commission shall prescribe a factor which shall be used to compute the Idaho income tax brackets provided in subsections (a)(i) and (a)(ii) of this section. The factor shall provide an adjustment to the Idaho tax brackets so that inflation will not result in a tax increase. The
Idaho tax brackets shall be adjusted as follows: multiply the bracket amounts by the percentage (the consumer price index for the calendar year immediately preceding the calendar year to which the adjusted brackets will apply divided by the consumer price index for calendar year 1998). For the purpose of this computation, the consumer price index for any calendar year is the average of the consumer price index as of the close of the twelve (12) month period for the immediately preceding calendar year as adopted by the state tax commission. This adoption shall be exempt from the provisions of chapter 52, title 67, Idaho Code. The consumer price index shall mean the consumer price index for all U.S. urban consumers published by the United States department of labor. The state tax commission shall annually include the factor as provided in this subsection to multiply against Idaho taxable income in the brackets above to arrive at that year's taxable income for tax bracket purposes.

(b) In case a joint return is filed by husband and wife pursuant to the provisions of section 63-3031, Idaho Code, the tax imposed by this section shall be twice the tax which would be imposed on one-half (1/2) of the aggregate Idaho taxable income. For the purposes of this section, a return of a surviving spouse, as defined in section 2(a) of the Internal Revenue Code, and a head of household, as defined in section 2(b) of the Internal Revenue Code, shall be treated as a joint return and the tax imposed shall be twice the tax which would be imposed on one-half (1/2) of the Idaho taxable income.

(c) The state tax commission shall compute and publish Idaho income tax liability for taxpayers at the midpoint of each bracket of Idaho taxable income in fifty dollar ($50.00) steps to fifty thousand dollars ($50,000), rounding such calculations to the nearest dollar. Taxpayers having income within such brackets shall file returns based upon and pay taxes according to the schedule thus established. The state tax commission shall promulgate rules defining the conditions upon which such returns shall be filed.

SECTION 3. That Section 63-3022N, Idaho Code, be, and the same is hereby repealed.

SECTION 4. That Chapter 30, Title 63, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW SECTION, to be known and designated as Section 63-3022N, Idaho Code, and to read as follows:

63-3022N. MARRIAGE PENALTY ADJUSTMENT. (1) To eliminate from the calculation of Idaho taxable income any marriage penalty that may exist in the basic standard deductions provided in the Internal Revenue Code, basic federal standard deductions shall be adjusted as provided in this section.

(2) As used in this section, "the marriage penalty" means the difference obtained by subtracting:
   (a) The basic standard deduction for joint returns, from
   (b) Two (2) times the basic standard deduction for an individual who is not married and who is not a surviving spouse or head of household.

(3) For each taxable year beginning on and after January 1,
2000, the standard deduction in section 63-3022(k)(1), Idaho Code, shall be: on a joint return, the basic federal joint standard deduction plus the marriage penalty, rounded to the nearest dollar, plus the amount of any additional standard deduction for the aged or blind for which a taxpayer may qualify under section 63 of the Internal Revenue Code.

(4) The basic federal standard deduction for an individual for whom a deduction under section 151 of the Internal Revenue Code is allowable to another taxpayer shall not be reduced below the minimum adjusted basic standard deduction provided by section 63 of the Internal Revenue Code.

SECTION 5. That Section 63-3029B, Idaho Code, be, and the same is hereby amended to read as follows:

63-3029B. INCOME TAX CREDIT FOR CAPITAL INVESTMENT. (1) At the election of the taxpayer there shall be allowed, subject to the applicable limitations provided herein as a credit against the income tax imposed by chapter 30, title 63, Idaho Code, an amount equal to the sum of:

(a) The tax credit carry-overs carryovers; and
(b) The tax credit for the taxable year.

(2) The maximum allowable amount of the credit for the current taxable year shall be three percent (3%) of the amount of qualified investments made during the taxable year.

(3) As used in this section "qualified investment" means certain depreciable property which:

(a) Is eligible for the federal investment tax credit, as defined in sections 46(c) and 48 of the Internal Revenue Code subject to the limitations provided for certain regulated companies in section 46(f) of the Internal Revenue Code and is not a motor vehicle under eight thousand (8,000) pounds gross weight;

(b) Is acquired, constructed, reconstructed, erected or placed into service after December 31, 1981; and

(c) Has a situs in Idaho.

(4) Notwithstanding the provisions of subsections (1) and (2) of this section, the amount of the credit allowed shall not exceed forty-five percent (45%) of the tax liability of the taxpayer.

(5) If the sum of credit carry-overs carryovers from the credit allowed by subsection (2) of this section and the amount of credit for the taxable year from the credit allowed by subsection (2) of this section exceed the limitation imposed by subsection (4) of this section for the current taxable year, the excess attributable to the current taxable year's credit shall be an investment credit carry-over carryover to the seven (7) succeeding taxable years. In the case of a group of corporations filing a combined report under section 63-3027, Idaho Code, or sections 63-3027B through 63-3027E, Idaho Code, credit earned by one (1) member of the group but not used by that member may be used by another member of the group, subject to the provisions of subsection (4) of this section, instead of carried over. The entire amount of unused credit shall be carried forward to the earliest of the succeeding years, wherein the oldest available unused credit shall be used first, so long as the qualified investment property for which
the unused credit was granted still maintains Idaho situs. For a combined group of corporations, credit carried forward may be claimed by any member of the group unless the member who earned the credit is no longer included in the combined group.

(6) Any recapture of the credit allowed by subsection (2) of this section on property disposed of or ceasing to qualify, prior to the close of its useful life, shall be determined according to the applicable recapture provisions of the "Internal Revenue Code. In the case of a unitary group of corporations, the increase in tax due to the recapture of investment tax credit must be reported by the member of the group who earned the credit regardless of which member claimed the credit against tax.

(7) For the purpose of determining whether property placed in service is a "qualified investment" as defined in subsection (3) of this section, the provisions of section 49 of the "Internal Revenue Code shall be disregarded.

(8) For purposes of this section, property has a situs in Idaho during a taxable year if it is used in Idaho at any time during the taxable year. Property not used in Idaho during a taxable year does not have a situs in Idaho in the taxable year during which the property is not used in Idaho or in any subsequent taxable year. No credit or carry-over carryover of credit is permitted under this section if the credit or carry-over carryover relates to property that does not have a situs in Idaho during the taxable year for which the credit or carry-over carryover is claimed. The Idaho situs of property must be established by records maintained by the taxpayer which are created reasonably contemporaneously with the use of the property.

(9) In the case of property used both in and outside Idaho, the taxpayer, electing to claim the credit provided in this section, must elect to compute the qualified investment in property with a situs in Idaho for all such investments first qualifying during that year in one (1), but only one (1), of the following ways:

(a) The amount of each qualified investment in a specific asset shall be separately computed based on the percentage of the actual use of the property in Idaho by using a measure of the use, such as total miles or total machine hours, that most accurately reflects the beneficial use during the taxable year in which it is first acquired, constructed, reconstructed, erected or placed into service; provided, that the asset is placed in service more than ninety (90) days before the end of the taxable year. In the case of assets acquired, constructed, reconstructed, erected or placed into service within ninety (90) days prior to the end of the taxable year in which the investment first qualifies, the measure of the use of that asset within Idaho for that year shall be based upon the percentage of use in Idaho during the first ninety (90) days of use of the asset;

(b) The investment in qualified property used both inside and outside Idaho during the taxable year in which it is first acquired, constructed, reconstructed, erected or placed into service shall be multiplied by the percent of the investment that would be included in the numerator of the Idaho property factor determined pursuant to section 63-3027, Idaho Code, for the same year.
(10) Only for the purposes of subsections (3)(a) and (7) of this section, references to sections of the "\text{Internal Revenue Code}" mean the sections referred to as they existed in the \text{Internal Revenue Code} of 1986 prior to November 5, 1990.

SECTION 6. An emergency existing therefor, which emergency is hereby declared to exist, this act shall be in full force and effect on and after its passage and approval, and retroactively to January 1, 2000.

Approved April 17, 2000.

SENATE JOINT MEMORIALS

(S.J.M. No. 105)

A JOINT MEMORIAL

We, your Memorialists, the Senate and the House of Representatives of the State of Idaho assembled in the Second Regular Session of the Fifty-fifth Idaho Legislature, do hereby respectfully represent that:

WHEREAS, on October 19, 1999, the United States Forest Service announced a vast "rulemaking process to propose the protection of the remaining roadless areas within the National Forest System." 64 FR 56306. This rulemaking purportedly includes two draft environmental impact statements, at least one set of draft rules, and a draft environmental assessment; and

WHEREAS, the Notice of Intent (NOI) solicits comments "on the scope of the analysis that should be conducted" and "on the identification of alternatives to the proposal" that will be set out in this multitude of documents. The NOI then provides prospective commentators with slightly more than sixty days to comment on this enormous and poorly defined proposal. The NOI is an unacceptable affront to the promise of meaningful public participation that is the centerpiece of the National Environmental Policy Act (NEPA); and

WHEREAS, the Notice of Intent (NOI) solicits comments "on the scope of the analysis that should be conducted" and "on the identification of alternatives to the proposal" that will be set out in this multitude of documents. The NOI then provides prospective commentators with slightly more than sixty days to comment on this enormous and poorly defined proposal. The NOI is an unacceptable affront to the promise of meaningful public participation that is the centerpiece of the National Environmental Policy Act (NEPA); and

WHEREAS, more than forty million acres of land in the West could be affected by the actions contemplated in the NOI. A permanent moratorium on Forest Service road development will have a devastating impact on timber communities in the West. The proposed moratorium will destroy attempts to develop recreational economies in the West and deny access to huge areas of the West to all but the able-bodied. In sum, the moratorium will deny thousands of citizens the opportunity to use, enjoy and benefit from the land; and

WHEREAS, the process used by the Forest Service to consider such a potentially severe decision must reflect absolute fairness and deliberation. The NOI demonstrates neither of those traits. No specific proposals are identified. No preliminary findings are referenced; and

WHEREAS, these failures violate one of NEPA's primary objectives of encouraging and facilitating "public involvement in decisions which affect the quality of the human environment." 40 CFR 1500.2(d); and
WHEREAS the NOI states that it "initiates the scoping process." 64 FR 56307. However, the NOI does not identify "the significant issues related to [the] proposed action," as is required by federal regulations. 40 CFR 1501.7. The NOI does not encourage "the participation of affected federal, state and local agencies" and the regulations implementing NEPA anticipate. 40 CFR 1501.7(a)(1); and

WHEREAS, the ambiguity and confusion that characterize the NOI are compounded by the fact that the comment period is so brief. Title 40 CFR 1501.8(b)(1)(i)-(viii) specifically set out considerations that the Forest Service should be using in determining the time limits for soliciting comments on the NOI.

"(b) The agency may:

(1) Consider the following factors in determining time limits:
   (i) Potential for environmental harm.
   (ii) Size of the proposed action.
   (iii) State of the art of analytic techniques.
   (iv) Degree of public need for the proposed action, including the consequences of delay.
   (v) Number of persons and agencies affected.
   (vi) Degree to which relevant information is known and if not known the time required for obtaining it.
   (vii) Degree to which the action is controversial.
   (viii) Other time limits imposed on the agency by law, regulations or executive order."

WHEREAS, it should be obvious that all of these factors support a careful, deliberate, consideration of the environmental impacts of the proposed permanent moratorium. The expedited deadline in the NOI is completely inconsistent with 40 CFR 1501.8(b); and

WHEREAS, in an October 28, 1999, letter to forest service managers, Mike Dombeck, Chief of the U.S. Forest Service suggested that the Forest Service is attempting to complete the environmental analysis of a permanent moratorium in a "short time frame." The U.S. Forest Service should not be trying to ramrod a decision that will shut down forty million acres of western lands into "a short time frame." You should be honoring the spirit, not to mention the clear mandate, of NEPA by providing meaningful opportunity for public participation and careful, principled, environmental analysis; and

WHEREAS, the closing date for public comments was set for December 20, 1999. With decisions on the management of over forty million acres of land in the West at stake, the time is clearly not adequate time for officials to thoroughly review and analyze the proposal, and to provide the Forest Service with informed and substantive comment.

NOW, THEREFORE, BE IT RESOLVED by the members of the Second Regular Session of the Fifty-fifth Idaho Legislature, the Senate and the House of Representatives concurring therein, that we respectfully request that the U.S. Forest Service extend the deadline to submit comments on the NOI by one hundred twenty days. An expedited consideration of this request is appreciated.
BE IT FURTHER RESOLVED that the Secretary of the Senate be, and she is hereby authorized and directed to forward a copy of this Memorial to the President of the United States, the Chief of the United States Forest Service, President of the Senate and the Speaker of the House of Representatives of Congress, and the congressional delegation representing the State of Idaho in the Congress of the United States.

A JOINT MEMORIAL

TO THE PRESIDENT OF THE UNITED STATES, THE SENATE AND HOUSE OF REPRESENTATIVES OF THE UNITED STATES IN CONGRESS ASSEMBLED, AND TO THE CONGRESSIONAL DELEGATION REPRESENTING THE STATE OF IDAHO IN THE CONGRESS OF THE UNITED STATES.

We, your Memorialists, the Senate and the House of Representatives of the State of Idaho assembled in the Second Regular Session of the Fifty-fifth Idaho Legislature, do hereby respectfully represent that:

WHEREAS, the United States Forest Service (USFS) published in the Federal Register on October 5, 1999, a proposed rule regarding forest service land and resource management planning; and

WHEREAS, the Legislature of the State of Idaho advocates improvements to the forest planning regulations; and

WHEREAS, the USFS needs to simplify, clarify and otherwise improve the planning process as well as reduce the burdensome and costly procedural requirements, and strengthen collaborative relationships with the public and other governmental entities; and

WHEREAS, the USFS organic act calls for multiple use in managing the national forests with meaningful public input; and

WHEREAS, the proposed rules are inconsistent with the legislative direction for multiple uses and high-level sustained yield outputs of the renewable timber resource; and

WHEREAS, timber production must remain a primary use in the National Forest System; and

WHEREAS, the proposed rules would alter the multiple use and sustained yield mandate prescribed by Congress. Moreover, they reverse the multiple use priorities set by Congress by subordinating timber production to achievement of biological diversity and similar ecosystem goals; and

WHEREAS, no other law provides authority for the Forest Service to alter the course of management and primary purposes set by Congress for management of the National Forest System; and

WHEREAS, the proposed rules lack commitment to carrying out economic multiple uses; and

WHEREAS, the proposed rules fail to provide direction on which plan revisions and amendments require environmental impact statements. Procedures and standards should be revised for significant plan amend-
WHEREAS, the proposed rules provide no effective date for the adoption of an amendment or plan revision.

NOW, THEREFORE, BE IT RESOLVED by the members of the Second Regular Session of the Fifty-fifth Idaho Legislature, the Senate and the House of Representatives concurring therein, that we request the United States Forest Service not move forward with final rule based on the October 5, 1999, proposal. Ecological sustainability must start looking at current conditions of the national forests and determining the desired future conditions, which should be healthy forests for the American people to use and enjoy. There should be aggressive, active management, rather than passive management, to restore the health of all land identified as being high risk to insect and disease infestation and/or catastrophic wildfire. Prohibiting management puts our forests at risk to insects, diseases and fire. These proposed rules will cause greater damage to our forests in the long run.

BE IT FURTHER RESOLVED, that the Legislature of the State of Idaho encourages the agency to readdress its entire approach to ecosystem management. The agency needs to streamline and clarify the forest planning and decision-making processes, strengthen relationships with the public, ensure long-term sustainability of forest ecosystems, and promote adaptive management. The proposed rules cannot accomplish these critical goals in its current form. Ecosystem management and forest planning cannot be successful if the process becomes the goal. Ecosystem management must instead be considered a tool to accomplish the goals which are set in law and through the development of forest plans.

BE IT FURTHER RESOLVED that the Secretary of the Senate be, and she is hereby authorized and directed to forward a copy of this Memorial to the President of the United States, President of the Senate and the Speaker of the House of Representatives of Congress, and the congressional delegation representing the State of Idaho in the Congress of the United States.

A JOINT MEMORIAL

We, your Memorialists, the Senate and the House of Representatives of the State of Idaho assembled in the Second Regular Session of the Fifty-fifth Idaho Legislature, do hereby respectfully represent that:

WHEREAS, a developing scenario in Owyhee County has been brought to the attention of the Legislature, and it is appropriate that public
attention be drawn to this situation as representative of other similar events occurring in Idaho; and

WHEREAS, the Bureau of Land Management is charged with management of lands in Owyhee County known as the Cliffs Allotment; and

WHEREAS, the BLM has notified holders of grazing permits in the Cliffs Allotment that the grazing season will be reduced by two and one-half months which is a 53% reduction in the grazing allotment; and

WHEREAS, the area is managed to meet a requirement of six inch stubble height at the end of the grazing season, a goal which the BLM says has not been met despite photographic evidence and independent monitoring to the contrary; and

WHEREAS, federal law requires one year's notice before any significant reduction in grazing is ordered, a requirement which has clearly not been met in this case; and

WHEREAS, a reduction of the size now contemplated would effectively put five ranching families, with a long history in the Cliffs Allotment and evidence of management efforts which have actually improved the conditions of the allotment, out of business; and

WHEREAS, the BLM is acting with callous disregard of the local economy, the law, and the best interests of the land and the people of Idaho; and

WHEREAS, the BLM must be brought to recognize and consider all of the interests which are indigenous to the locale including the legitimate goals of citizens who make their living off the land.

NOW, THEREFORE, BE IT RESOLVED by the members of the Second Regular Session of the Fifty-fifth Idaho Legislature, the Senate and the House of Representatives concurring therein, that we join together with the citizens of Owyhee County in their grievance against the untenable action of the Bureau of Land Management in limiting grazing permits with a reduction of the grazing season by two and one-half months. Further, we urge thoughtful reconsideration not only of this decision, but the accumulating body of management decisions made by the Bureau of Land Management which are resulting in further reductions in the resources available to Idahoans who live off the land.

BE IT FURTHER RESOLVED that the Secretary of the Senate be, and she is hereby authorized and directed to forward a copy of this Memorial to the Director of the Idaho Office of the Bureau of Land Management, the President of the Senate and the Speaker of the House of Representatives of Congress, and the congressional delegation representing the State of Idaho in the Congress of the United States.

A JOINT MEMORIAL

We, your Memorialists, the Senate and the House of Representatives of the State of Idaho assembled in the Second Regular Session of the Fifty-fifth Idaho Legislature, do hereby respectfully represent that:

WHEREAS, the Health Insurance Premiums Task Force was established to identify, explore and address causes for the alarming increase in the costs of health insurance; and

WHEREAS, in the course of its examination the task force received extensive information, data and testimony from consumers, employers and representatives of the health care industry, including carriers, agents, pharmaceutical manufacturers, pharmacists, hospitals, physicians and other health care providers; and

WHEREAS, the task force found that federal and state reforms and mandates, including those requiring guaranteed issue of insurance policies in the individual and small group insurance markets, have created a segment of high risk individuals who must be insured, causing the entire population, and particularly the healthy, to pay much more for health insurance; and

WHEREAS, the task force further found that the dramatic increase in premium rates has driven expanding numbers of healthy individuals into the ranks of the uninsured, resulting in even greater costs to insurers to provide required coverage for the high risk unhealthy population, and greater costs to the remaining insured population; and

WHEREAS, the task force also determined that costs to provide health care and treatment for uninsured individuals is another significant factor in the high cost of health insurance; and

WHEREAS, the task force concluded that among other possible solutions, providing full deductibility from federal income taxes of health insurance premiums for individuals, the self-employed and small employers would bring the healthy back into the insured market, lower costs to employers who must provide coverage, reduce the uninsured population, and restore a balance of risk in the market that will make health insurance more affordable and accessible.

NOW, THEREFORE, BE IT RESOLVED by the members of the Second Regular Session of the Fifty-fifth Idaho Legislature, the Senate and the House of Representatives concurring therein, that federal legislation be enacted providing full deductibility from federal income taxes of health insurance premiums for individuals, the self-employed and small groups.

BE IT FURTHER RESOLVED that the Secretary of the Senate be, and she is hereby authorized and directed to forward a copy of this memorial to the President and Vice President of the United States, the President of the Senate and the Speaker of the House of Representatives of Congress, the congressional delegation representing the state of Idaho in the Congress of the United States, the President of the Senate and the Speaker of the House of Representatives of each State Legislature, and to the presidential candidates.

A JOINT MEMORIAL

We, your Memorialists, the Senate and the House of Representatives of the State of Idaho assembled in the Second Regular Session of the Fifty-fifth Idaho Legislature, do hereby respectfully represent that:

WHEREAS, alarming increases in the costs of health care and health insurance have caused a health care crisis of epidemic proportions;
WHEREAS, the Idaho Health Insurance Premiums Task Force was established to identify, explore and address the causes of this crisis; and
WHEREAS, in the course of its examination the task force received extensive information, data and testimony from consumers, employers, and representatives of the health care industry, including carriers, agents, pharmaceutical manufacturers, pharmacists, hospitals, physicians and other health care providers; and
WHEREAS, the task force found that among the factors contributing to inflated health care and insurance costs are an aging population, new and more expensive technologies, advancements in drug therapy and greater reliance upon costly designer pharmaceuticals, as well as increasing consumer demand, utilization and expectations with respect to health care services; and
WHEREAS, the task force further determined that reimbursements to providers for health care services furnished to patients receiving Medicare are significantly below the actual costs to the provider to furnish these health care services; and
WHEREAS, providers are finding it necessary to recoup losses incurred to serve Medicare patients from other sources, including shifting costs to non-Medicare patients, which leads to higher claims expenses to insurers and increased premium rates to the insured; and
WHEREAS, some providers are no longer taking Medicare patients because of the providers' inability to recover their costs, thus reducing provider availability and limiting access to health care for many who are most in need of health care services.

NOW, THEREFORE, BE IT RESOLVED by the members of the Second Regular Session of the Fifty-fifth Idaho Legislature, the Senate and the House of Representatives concurring therein, that federal legislation be enacted to increase Medicare reimbursements to levels allowing providers to fully recover the actual costs of providing necessary health care services to Medicare eligible patients.

BE IT FURTHER RESOLVED that the members of the Idaho Legislature respectfully suggest that if the President and Congress are sincere in their resolve to find solutions to the health care crisis they should start by funding Medicare at appropriate levels.

BE IT FURTHER RESOLVED that the Secretary of the Senate be, and she is hereby authorized and directed to forward a copy of this memo-

We, your Memorialists, the Senate and the House of Representatives of the State of Idaho assembled in the Second Regular Session of the Fifty-fifth Idaho Legislature, do hereby respectfully represent that:

WHEREAS, freight rail transportation is an essential part of the economy of the state of Idaho; and
WHEREAS, Camas Prairie Rail Net in Lewiston, Idaho has announced its intention to abandon a portion of railroad track serving the Camas Prairie; and
WHEREAS, the timing of this abandonment proposal is not only premature but will likely have a great economic impact on the railroad shippers and receivers in the area at the most inopportune time; and
WHEREAS, a continuation of rail abandonments could have a detrimental effect on the Idaho transportation system and its future viability; and
WHEREAS, any further abandonment of railroad lines could divert companies and jobs out of Idaho; and
WHEREAS, jobs and industries throughout the state of Idaho could be negatively affected by the removal of railroad lines; and
WHEREAS, continued loss of railroad lines will reduce the ability of Idaho's manufacturing, agriculture and retailers from receiving competitive shipping rates; and
WHEREAS, a significant portion of Idaho's freight rail system could be lost should these abandonments continue to be approved; and
WHEREAS, since the federal Surface Transportation Board has not shown any sensitivity toward the needs and concerns of this state and its local communities; and
WHEREAS, many Idaho legislators, rail shippers and receivers, the United Transportation Union, and the Idaho state AFL-CIO have announced their opposition to further abandonment of railroad lines in Idaho.

NOW, THEREFORE, BE IT RESOLVED by the members of the Second Regular Session of the Fifty-fifth Idaho Legislature, the Senate and the
House of Representatives concurring therein, that we hereby urge the federal Surface Transportation Board to reject any application for rail abandonments by Camas Prairie Rail Net in Idaho that the Idaho Public Utilities Commission, on behalf of this state, has determined through its process to be adverse to the public interest.

BE IT FURTHER RESOLVED that because the Camas Prairie Rail Net line being proposed for abandonment is of such great importance, we respectfully request that the federal Surface Transportation Board conduct a public hearing in the affected area of Idaho, for the purpose of receiving both oral and written testimony.

BE IT FURTHER RESOLVED that the Secretary of the Senate be, and she is hereby authorized and directed to forward a copy of this Memorial to the federal Surface Transportation Board in Washington, D.C., and to the congressional delegation representing the state of Idaho in the Congress of the United States.

TO THE PRESIDENT OF THE UNITED STATES, THE ADMINISTRATOR OF THE UNITED STATES ENVIRONMENTAL PROTECTION AGENCY, TO THE SENATE AND HOUSE OF REPRESENTATIVES OF THE UNITED STATES IN CONGRESS ASSEMBLED, AND TO THE CONGRESSIONAL DELEGATION REPRESENTING THE STATE OF IDAHO IN THE CONGRESS OF THE UNITED STATES.

We, your Memorialists, the Senate and the House of Representatives of the State of Idaho assembled in the Second Regular Session of the Fifty-fifth Idaho Legislature, do hereby respectfully represent that:

WHEREAS, the United States Environmental Protection Agency (EPA) continues to engage in unilateral actions regarding efforts to expand the existing twenty-one square mile Superfund site to include the entire 1,500 square mile Coeur d'Alene River Basin; and

WHEREAS, the EPA staff members working on Coeur d'Alene Basin issues continue to disregard the views of Idaho's citizens and elected officials; and

WHEREAS, the EPA has already spent many millions of dollars in the Coeur d'Alene Basin outside the existing Superfund site without any meaningful cleanup to date; and

WHEREAS, the EPA has undertaken the steps to complete a Remedial Investigation/Feasibility Study (RI/FS) even though the basin is not listed on the national priorities list; and

WHEREAS, the state of Idaho has been previously granted the leadership role in the Human Health Risk Assessment portion of the RI/FS; and

WHEREAS, the EPA efforts to bifurcate the RI/FS process appear detrimental to current settlement discussions among all of the parties; and
WHEREAS, the state of Idaho, the Governor and the Director of the Department of Environmental Quality, have taken the leadership role in development of a plan to remediate the problems in the basin and have actively gained support of local units of government, local citizens, tribal members and responsible parties.

NOW, THEREFORE, BE IT RESOLVED by the members of the Second Regular Session of the Fifty-fifth Idaho Legislature, the Senate and the House of Representatives concurring therein, that we strongly support efforts by the Idaho Department of Environmental Quality to assert and maintain the leadership role in designing and implementing a solution to the multiple dilemmas in the Coeur d'Alene Basin.

BE IT FURTHER RESOLVED that we request the Environmental Protection Agency to use its authority to support efforts by the Idaho Department of Environmental Quality to resolve this problem and to refrain from any strategic delays, unilateral decisions or media manipulation.

BE IT FURTHER RESOLVED that we request a letter be sent from the Administrator of the Environmental Protection Agency to the Region 10 office of the EPA instructing the region to fully support and cooperate with the Governor of the State of Idaho and the Director of the Idaho Department of Environmental Quality in reaching a settlement in these matters.

BE IT FURTHER RESOLVED that the Secretary of the Senate be, and she is hereby authorized and directed to forward a copy of this Memorial to the President of the United States, to the Administrator of the United States Environmental Protection Agency, to the President of the Senate and the Speaker of the House of Representatives of Congress, and the congressional delegation representing the State of Idaho in the Congress of the United States.

TO THE SENATE AND HOUSE OF REPRESENTATIVES OF THE UNITED STATES IN CONGRESS ASSEMBLED, AND TO THE CONGRESSIONAL DELEGATION REPRESENTING THE STATE OF IDAHO IN THE CONGRESS OF THE UNITED STATES.

We, your Memorialists, the House of Representatives and the Senate of the State of Idaho assembled in the Second Regular Session of the Fifty-fifth Idaho Legislature, do hereby respectfully represent that:

WHEREAS, on February 2, 1999, H.R. 488, known as the "Northern Rockies Ecosystem Protection Act," was introduced in the U.S. House of Representatives;

WHEREAS, the Act is far reaching and would designate wilderness, wild and scenic rivers, national park and preserve study areas, wildland recovery areas, and biological connecting corridors in five northwest states: Idaho, Montana, Oregon, Washington and Wyoming;

WHEREAS, the Act would create over eighteen million acres of new wilderness alone, approximately five million acres of which would be in Idaho, more than in any other state;

WHEREAS, the Act also designates over a million acres along the Idaho-Oregon border as the Hells Canyon/Chief Joseph National Preserve;

WHEREAS, the Act, a concept presented by the Montana-based environmental group, the Alliance for the Wild Rockies, was first introduced in 1992 to oppose a bill designating wilderness areas only in the state of Montana;

WHEREAS, the members of the Idaho congressional delegation opposed the Act in 1992 and continue to oppose it now;

WHEREAS, the Act is also opposed by the majority of representatives in the Congress from the other affected states: Montana, Oregon, Washington and Wyoming;

WHEREAS, the lands addressed by the Act closely resemble those at issue in President Clinton's current roadless lands initiative, which is also opposed by the state of Idaho and the Idaho congressional delegation;

WHEREAS, setting aside so much acreage in Idaho as wilderness, wild and scenic rivers, national park and preserve study areas, wildland recovery areas, and biological connecting corridors would severely reduce employment and income in many areas of the state in which it is difficult to replace the lost money by other means, and would landlock thousands of acres of state endowment land, thereby reducing funds for public education in Idaho.
NOW, THEREFORE, BE IT RESOLVED by the members of the Second Regular Session of the Fifty-fifth Idaho Legislature, the House of Representatives and the Senate concurring therein, that we urge the Congress of the United States to oppose H.R. 488, known as the "Northern Rockies Ecosystem Protection Act."

BE IT FURTHER RESOLVED, that the members of the Second Regular Session of the Fifty-fifth Idaho Legislature, the House of Representatives and the Senate concurring therein, support natural resource planning and environmental management featuring site-specific management decisions made by local decision-makers, local citizens and parties directly and personally affected by land and resource management decisions.

BE IT FURTHER RESOLVED that the Chief Clerk of the House of Representatives be, and she is hereby authorized and directed to forward a copy of this Memorial to the President of the Senate and the Speaker of the House of Representatives of Congress, and the congressional delegation representing the state of Idaho in the Congress of the United States.

TO THE SENATE AND HOUSE OF REPRESENTATIVES OF THE UNITED STATES IN CONGRESS ASSEMBLED, AND TO THE CONGRESSIONAL DELEGATION REPRESENTING THE STATE OF IDAHO IN THE CONGRESS OF THE UNITED STATES.

We, your Memorialists, the House of Representatives and the Senate of the State of Idaho assembled in the Second Regular Session of the Fifty-fifth Idaho Legislature, do hereby respectfully represent that:

WHEREAS, Idaho is a state which has sixty-six percent of its landmass controlled by the federal government; and
WHEREAS, access to Idaho's public lands is a vital part of Idaho's natural resource economy as well as an important part of our citizens heritage, recreation and enjoyment; and
WHEREAS, Idaho currently has 4,081,315 acres of wilderness which is sufficient; and
WHEREAS, President Clinton has proposed to establish another nine million acres of defacto wilderness in Idaho by declaring certain public lands in the state to be roadless; and
WHEREAS, Idaho Governor Dirk Kempthorne requested a longer comment period for Idaho citizens to study and comment on the roadless plan and his request was summarily denied by the United States Forest Service; and
WHEREAS, the state of Idaho has been compelled to initiate a lawsuit to protect its interests in Idaho land designated as public; and
WHEREAS, roadless areas prevent access to the forests of Idaho and negatively affect forest health by preventing intervention in disease,
NOW, THEREFORE, BE IT RESOLVED by the members of the Second Regular Session of the Fifty-fifth Idaho Legislature, the House of Representatives and the Senate concurring therein, that the Congress of the United States is urged to pass legislation negating any Presidential Executive Order President Clinton may issue regarding additional defacto wilderness and instructing the United States Forest Service and the Bureau of Land Management to maintain roads and access into the public lands in Idaho.

BE IT FURTHER RESOLVED that the Chief Clerk of the House of Representatives be, and she is hereby authorized and directed to forward a copy of this Memorial to the President of the Senate and the Speaker of the House of Representatives of Congress, and the congressional delegation representing the State of Idaho in the Congress of the United States.

TO THE SENATE AND HOUSE OF REPRESENTATIVES OF THE UNITED STATES IN CONGRESS ASSEMBLED, AND TO THE CONGRESSIONAL DELEGATION REPRESENTING THE STATE OF IDAHO IN THE CONGRESS OF THE UNITED STATES.

We, your Memorialists, the House of Representatives and the Senate of the State of Idaho assembled in the Second Regular Session of the Fifty-fifth Idaho Legislature, do hereby respectfully represent that:

WHEREAS, on January 19 and 20, 2000, an agricultural summit was held in Boise, Idaho, involving representatives from the governments of the United States and Canada, the provinces of Alberta, Manitoba and Saskatchewan, and the states of Idaho, Oregon, Washington and Montana, and representatives from the beef and potato industries of those provinces and states;

WHEREAS, through discussions, the exchange of information and briefings from government, industry and university personnel, a dialogue was initiated and consensus reached in certain areas of mutual concern;

WHEREAS, both the Alberta and Idaho conference attendees agreed that they would communicate points of agreement to their national governments through a formal communication, which this memorial embodies and constitutes.

NOW, THEREFORE, BE IT RESOLVED by the members of the Second Regular Session of the Fifty-fifth Idaho Legislature, the House of Representatives and the Senate concurring therein, that we support the agreements made at the Idaho-Canada Summit, and urge the United States Congress and the United States trade representative to urge the government of Canada to remove the prohibition on bulk shipment of potatoes between the United States and Canada; and to recognize that
United States Department of Agriculture marketing orders should be considered as a quality assurance measure and not as a technical trade barrier.

BE IT FURTHER RESOLVED, that the United States government should make every effort to quickly harmonize and equalize laboratory testing of potatoes so that there is mutual acceptance of each country's respective test results.

BE IT FURTHER RESOLVED, that the dialogue initiated during these meetings should be continued through further meetings of smaller working groups comprised of industry, state and provincial representatives and that their recommendations should be given great weight by their respective national governments.

BE IT FURTHER RESOLVED that the Chief Clerk of the House of Representatives be, and she is hereby authorized and directed to forward a copy of this Memorial to the President of the Senate and the Speaker of the House of Representatives of Congress, and the congressional delegation representing the state of Idaho in the Congress of the United States.

NOW, THEREFORE, BE IT RESOLVED by the members of the Second Regular Session of the Fifty-fifth Idaho Legislature, the House of Representatives and the Senate concurring therein, that we support the agreements made at the Idaho-Canada Summit, and urge the United States Congress and the United States trade representative to meet with the
Canadian government to review and reconcile their statistics concerning the cattle and beef industry, so that the industries on both sides of the border have access to accurate, comparable and timely data.

BE IT FURTHER RESOLVED, that the states and provinces involved in the Pacific Northwest Cattle Project meet and develop a consistent set of cattle statistics and a single methodology for gathering and reporting these statistics, and also improve communication through regional meetings, tours and exchanges.

BE IT FURTHER RESOLVED that the United States Department of Agriculture and Agriculture Canada work towards the removal of federal certificates and federal endorsement requirements for the movement of cattle between Canada and the United States within the Northwest region.

TO THE SENATE AND HOUSE OF REPRESENTATIVES OF THE UNITED STATES IN CONGRESS ASSEMBLED, AND TO THE CONGRESSIONAL DELEGATION REPRESENTING THE STATE OF IDAHO IN THE CONGRESS OF THE UNITED STATES.

We, your Memorialists, the House of Representatives and the Senate of the State of Idaho assembled in the Second Regular Session of the Fifty-fifth Idaho Legislature, do hereby respectfully represent that:

WHEREAS, the state of Idaho is fully committed to achieving and maintaining water quality for public use and recreation and the protection of aquatic ecosystems; and

WHEREAS, substantial progress has already been made toward this objective nationwide through the investment of almost one trillion dollars by the municipal and industrial sectors of the economy and an effective federal, state and local partnership with the private sector, in which the states have primary and lead authority; and

WHEREAS, the state's direct experience demonstrates that achievement of water quality goals depends upon the use of sound science and quality data, an iterative approach to water quality management, a commitment to accommodating economic development, the careful investment of limited resources to maximize environmental benefits, and
broad-based public support; and

WHEREAS, the state's direct experience also demonstrates that the remaining water quality challenges are complex, difficult and site-specific, requiring tailored solutions, better science and monitoring data; and

WHEREAS, the state has many effective regulatory and cooperative programs underway that are achieving better and greater protection of water quality than can be achieved with a prescriptive federal approach; and

WHEREAS, Section 303(d) of the Clean Water Act, pertaining to total maximum daily loads (TMDLs), is but one of the many tools that the state and local governments have to assure effective water quality management and is not always the most efficient and effective; and

WHEREAS, the U.S. Environmental Protection Agency's recently proposed TMDL regulations exceed their authority; impose upon the states many new prescriptive, costly, unattainable and often unnecessary requirements; position the U.S. Environmental Protection Agency to arbitrarily take over state program activities; and halt economic development in many waters far into the future; and

WHEREAS, the proposed regulations impose "unfunded mandates" on the state agencies; and

WHEREAS, the proposed regulations circumvent the state-based best management practices approach under Section 319 of the Clean Water Act to managing nonpoint source runoff from land-based activities, such as forestry, and superimpose a federal regulatory program on millions of landowners, reversing more than two decades of precedent under the Clean Water Act; and

WHEREAS, the proposed regulations contain inconsistent and vague terminology that will lead to more state and federal litigation and misallocation of resources while stifling creativity and development of more cost-effective approaches at the state level.

NOW, THEREFORE, BE IT RESOLVED by the members of the Second Regular Session of the Fifty-fifth Idaho Legislature, the House of Representatives and the Senate concurring therein, that the United States Environmental Protection Agency should, in partnership with the states, reconsider and significantly revise its TMDL proposed regulations and guidance, while taking a more reasonable approach that:

1. Recognizes the limits of the TMDL statutory tool and relies on the many effective approaches states have undertaken under the Clean Water Act and other statutory authorities in partnership with local government, federal agencies and the private sector;
2. Uses Section 303(e) rather than Section 303(d) to inventory water quality generally and establishes a more focused basis for listing of waters under Section 303(d);
3. Provides states the ability to deal, in the most reasonable, cost-effective manner possible, with complex or difficult water quality situations, such as where legacy pollutants, air deposition and nonpoint sources contribute to impairment;
4. Provides fair and workable procedures for issuing new or renewed permits, which allow flexibility in making reasonable progress in reducing loadings, without imposing unnecessary restrictions stifling economic growth;
5. Postpones the April 2000 listing of 303(d) waters for which
TMDLs will be required until two years after promulgation of changes to the existing regulations;  
6. Is performance based, enabling states to take alternative "functionally equivalent" approaches through regulatory and other means states deem appropriate so long as their water quality standards will be achieved; and  
7. Focuses the federal government on the priority need for better funding of state monitoring and watershed technical assistance.  
BE IT FURTHER RESOLVED that we request the congressional authorizing committees and other interested committees to conduct comprehensive hearings on the proposed rules and the Section 303(d) program in general, and ensure that a comprehensive analysis of the economic and program impacts of the entire TMDL program is completed; and  
BE IT FURTHER RESOLVED that due to the continued proliferation of lawsuits, court orders and consent decrees that are placing an onerous burden on many states, the U.S. Environmental Protection Agency should support state efforts to renegotiate those requirements based on improvements made to the national program.  
BE IT FURTHER RESOLVED that the Chief Clerk of the House of Representatives be, and she is hereby authorized and directed to forward a copy of this Memorial to the President of the Senate and the Speaker of the House of Representatives of Congress, and the congressional delegation representing the state of Idaho in the Congress of the United States.

Be It Resolved by the Legislature of the State of Idaho:

WHEREAS, Idaho was created as a representative democracy in which all governmental power is inherent in the people who exercise that power through the legislative, executive and judicial branches; and

WHEREAS, in recent years, citizen interest in government and knowledge of the political system has declined in part due to a weakening belief in, and a lack of understanding of, the virtues and knowledge needed for a successful republican form of government; and

WHEREAS, Benjamin Rush, signer of the Declaration of Independence stated, "There is but one method of rendering a republican form of government durable, and that is by disseminating the seeds of virtue and knowledge through every part of the state by means of proper places and modes of education and this can be done effectively only by the aid of the legislature"; and

WHEREAS, the NCSL resolution also states that state legislatures need to bring about better understanding of the concept of representative democracy and that education about representative democracy should emphasize the importance of compromise and the difficulty of resolving competing interests in a diverse society; and

WHEREAS, civic education is a vital tool to promote greater understanding of the legislative institution and the role of legislators in
representative democracy; and

WHEREAS, NCSL has urged the nation's state legislatures to promote civic education about representative democracy; and
