The tables for exceptional education and alternative school secondary support units shall be applicable only for programs approved by the state department of education following rules established by the state board of education.       (1) Divide the actual average daily attendance, excluding students approved for inclusion in the exceptional child educational program, for the administrative schools and each of the separate schools and attendance units by the appropriate divisor from the tables of support units in this section, then add the quotients to obtain the district’s support units allowance for regular students, kindergarten through grade 12 including alternative school secondary students. Calculations in application of this subsection shall be carried out to the nearest tenth.
      (2) Divide the combined totals of the average daily attendance of all preschool, handicapped, kindergarten, elementary, secondary and juvenile detention center students approved for inclusion in the exceptional child program of the district by
c. Total District Allowance Educational Program. Multiply the district's total number of support units, carried out to the nearest tenth, by the state distribution factor per support unit and to this product add the approved amount of programs of the district provided in subsection 2. of this section to secure the district's total allowance for the educational support program.

d. District Share. To secure the district's share of state apportionment, subtract the amount of the local district contribution calculation, subsection 3. of this section, from the amount of the total district allowance, subsection 8.c. of this section.

e. Adjustment of District Share. The contract salary of every non-certificated teacher shall be subtracted from the district's share as calculated from the provisions of subsection 8.d. of this section.

(b) (i) A governmental entity shall provide a defense to its employee, including a defense and indemnification against any claims brought against the employee in the employee's individual capacity when the claims are related to the course and scope of employment, and be responsible for the payment of any judgment on any claim or civil lawsuit against an employee for money damages arising out of any act or omission within the course and scope of his employment; provided that the governmental entity and its employee shall be subject to liability only for the pro rata share of the total damages awarded in favor of a claimant which is attributable to the act or omission of the employee; (ii) provided further, that to the extent there is valid and collectible, applicable insurance or any other right to defense or indemnification legally available to and for the protection of an employee, while operating or using an automobile, aircraft or other vehicle not owned or leased by the governmental entity and while acting within the course and scope of his/her employment or duties, the governmental entity's duty hereunder to indemnify the employee and/or defend any such claim or lawsuit arising out of the operation or use of such personal automobile, aircraft or vehicle, shall be secondary to the obligation of the insurer or indemmitor of such automobile, aircraft or vehicle, whose obligation shall be primary; and (iii) provided further, this paragraph shall not be construed to alter or relieve any such indemmitor or insurer of any legal obligation to such employee or to any governmental entity vicariously liable on account of or legally responsible for damages due to the allegedly wrongful error, omissions, conduct, act or deed of such employee.

The fact that a governmental entity may relieve an employee from all necessary legal fees and expenses and any judgment arising from the civil lawsuit shall not under any circumstances be communicated to the trier of fact in the civil lawsuit.

CHAPTER 37
IDAHO CONTINUING-CARE DISCLOSURE ACT

26-3701. SHORT TITLE. This chapter shall be known and may be cited as the "Idaho Continuing-Care Disclosure Act."

26-3702. STATEMENT OF PURPOSE. The legislature recognizes that continuing care communities have become an important and necessary alternative for the long-term residential, social and health maintenance needs for many of the state's elderly citizens.

The legislature finds and declares that tragic consequences can result to citizens of the state when a provider of services under a continuing care agreement becomes insolvent or unable to provide responsible care. The legislature recognizes the need for full disclosure with respect to the terms of agreements between prospective residents and the provider and the operations of such providers. Accordingly, the legislature has determined that these providers should be regulated in accordance with the provisions of this chapter. The provisions of this chapter apply equally to for-profit and not-for-profit provider organizations. The provisions of this chapter shall be the minimum requirements to be imposed upon any person, association or organization offering or providing continuing care as set forth in this chapter.

26-3703. DEFINITIONS. As used in this chapter:
(1) "Continuing care" means the furnishing to an individual, other than an individual related by blood, marriage, or adoption to the person furnishing the care, of lodging together with nursing services, medical services, or other health related services, pursuant to an agreement requiring an entrance fee.
(2) "Department" means the department of finance.
(3) "Director" means the director of the department of finance or his authorized designee.
(4) "Entrance fee" means an initial or deferred transfer to a pro-
provider of a sum of money or other property made or promised to be made as full or partial consideration for acceptance of a specified individual as a resident in a facility. A fee which is less than the sum of the regular periodic charges for six (6) months of residency will not be considered to be an entrance fee for the purposes of this chapter.

(5) "Facility" means the place or places in which a person undertakes to provide continuing care to an individual.

(6) "Living unit" means a room, apartment, cottage or other area within a facility set aside for the exclusive use or control of one (1) or more identified individuals.

(7) "Provider" means the promoter, developer, or owner of a continuing care facility, whether a natural person, partnership, unincorporated association, trust, or corporation, or any other person, or that person's successors or assigns that solicits or undertakes to provide continuing care to the public under a continuing care facility contract.

(8) "Resident" means an individual entitled to receive continuing care in a facility.

26-3704. REGISTRATION -- ANNUAL FEE. Each provider who provides continuing care services in this state shall register with the director on forms provided by the department and shall pay an annual registration fee. Such registration fee shall be fixed by the director but shall not exceed five hundred dollars ($500) per facility. No provider shall be allowed to operate a facility until so registered and until the provider has filed with the director a disclosure statement as set forth in section 26-3705, Idaho Code. All fees received by the director shall be deposited into the finance administrative account pursuant to section 67-2702, Idaho Code.

26-3705. DISCLOSURE STATEMENT OF FINANCIAL RESPONSIBILITY. As a condition to registration with the department, each provider must file evidence of financial responsibility. Said evidence shall be on registration forms provided by the director. The registration forms shall request such information as the director, in his discretion, shall deem appropriate to carry out the functions of this chapter. The director shall require, however, the following information to be included on the provider's statement of financial responsibility:

(1) The names and business addresses of the officers, directors, trustees, managing or general partners, any person having a ten percent (10%) or greater equity or beneficial interest in the provider, and any person who will be managing the facility on a day-to-day basis, and a description of these persons' interests in or occupations with the provider.

(2) Information as follows on all persons named in response to the information required in subsection (1) of this section:

(a) A description of the business experience of this person, if any, in the operation or management of similar facilities;

(b) The name and address of any professional service, firm, association, trust, partnership, or corporation in which this person has, or which has in this person, a ten percent (10%) or greater interest and which it is presently intended shall currently or in the future provide goods, leases, or services to the facility, or to residents of the facility, of an aggregate value of five hundred dollars ($500) or more within any year, including a description of the
goods, leases, or services and the probable or anticipated cost thereof to the facility, provider, or residents or a statement that this cost cannot presently be estimated; and

c. A description of any matter in which the person: (i) has been convicted, or found guilty of, or received a withheld judgment for a felony, or been held liable, or enjoined in a civil action by final judgment, which civil action involved fraud, embezzlement, fraudulent conversion, or misappropriation of property; or (ii) is subject to a currently effective injunctive or restrictive court order in any action involving fraud, embezzlement, fraudulent conversion, or misappropriation of property; or (iii) within the past five (5) years, had any local, state or federal license or permit suspended or revoked as a result of fraud, embezzlement, fraudulent conversion, or misappropriation of property.

(3) A statement as to whether the provider is, or is not affiliated with, an eleemosynary or other nonprofit organization, the extent of the affiliation, if any, the extent to which the affiliate organization will be responsible for the financial and contract obligations of the provider, and the provision of the federal Internal Revenue Code, if any, under which the provider or affiliate is exempt from the payment of income tax.

(4) A detailed description of all fees required of residents, including the entrance fee and periodic charges, if any. The description shall include, but not be limited to:

(a) The circumstances under which the resident will be permitted to remain in the facility in the event of financial difficulties of the resident;

(b) The terms and conditions under which a contract for continuing care at the facility may be canceled by the provider or by the resident, and the conditions under which all or any portion of the entrance fee will be refunded in the event of cancellation of the contract by the provider or by the resident or in the event of the death of the resident prior to or following occupancy of a living unit;

(c) The manner by which the provider may adjust periodic charges or other recurring fees and the limitations on these adjustments, if any; and, if the facility is already in operation, or if the provider or manager operates one (1) or more similar continuing care locations within this state, tables shall be included showing the frequency and average dollar amount of each increase in periodic charges, or other recurring fees at each facility or location for the previous five (5) years, or such shorter period as the facility or location may have been operated by the provider or manager.

(5) The health and financial conditions required for an individual to be accepted as a resident and to continue as a resident once accepted, including the effect of any change in the health or financial condition of a person between the date of entering a contract for continuing care and the date of initial occupancy of a living unit by that person.

(6) The provisions that have been made or will be made to provide reserve funding or security to enable the provider to perform its obligations fully under contracts to provide continuing care at the facility, including the establishment of escrow accounts, trusts, or reserve funds, together with the manner in which these funds will be invested,
and the names and experience of any individuals in the direct employment of the provider who will make the investment decisions.

(7) Certified financial statements of the provider, including (i) a balance sheet as of the end of the most recent fiscal year, and (ii) income statements for the three (3) most recent fiscal years of the provider or such shorter period of time as the provider shall have been in existence. The director shall only accept certified financial statements that have been prepared and certified by or under the direction of a certified public accountant. If the provider's fiscal year ended more than one hundred twenty (120) days prior to the date the disclosure statement is recorded, interim financial statements as of a date not more than ninety (90) days prior to the date of recording the statement shall be included, but need not be certified.

(8) A summary of a report of an actuary, updated every five (5) years, that estimates the capacity of the provider to meet its contract obligation to the residents. Disclosure statements of continuing care facilities established prior to January 1, 1988, do not need an actuary report or summary until January 1, 1993.

(9) If operation of the facility has not yet commenced, a detailed and itemized statement of the anticipated source and application of the funds used or to be used in the purchase or construction of the facility. Said statements shall also include a detailed and itemized estimate of the funds, if any, that are anticipated to be necessary to fund start-up losses and provide reserve funds to assure full performance of the obligations of the provider under contracts for the provision of continuing care.

(10) Pro forma annual income statements and balance sheets for the facility for a period of not less than five (5) fiscal years with supporting documentation as the director may, in his discretion, require.

(11) All material information relevant to a decision of a prospective resident to enter into a continuing care contract with the provider, whether or not specifically requested by the director.

(12) All other information required by the director.

(13) The cover page of the disclosure statement shall state, in a prominent location and in boldface type, the date of the disclosure statement, the last date through which that disclosure statement may be delivered if not earlier revised, and that the delivery of the disclosure statement to a contracting party before the execution of a contract for the provision of continuing care is required by this chapter but that the disclosure statement has not been reviewed or approved by any government agency or representative to ensure accuracy or completeness of the information set out.

(14) A copy of the standard form of contract for continuing care used by the provider shall be attached to and be considered a part of the disclosure statement.

26-3706. SPECIFICATION FOR RESIDENCE CONTRACTS. (1) In addition to such other provisions as may be considered proper to effectuate the purpose of any continuing care agreement, each agreement executed on and after the date of the adoption of this chapter shall be written in nontechnical language easily understood by a layperson and shall:

(a) Show the value of all property transferred, including donations, subscriptions, fees and any other amounts paid or payable by, or on behalf of, the resident or residents;
(b) Specify in detail all services which are to be provided by the provider to each resident;
(c) Describe the health and financial conditions upon which the provider may have the resident relinquish his space in the designated facility;
(d) State the fees and conditions that will apply if the resident marries while at the designated facility;
(e) Provide that the agreement may be canceled upon the giving of notice of cancellation of at least thirty (30) days by the resident. An agreement may be canceled by the provider if there has been a good faith determination in writing, signed by the medical director and the administrator of the facility, that a resident is a danger to himself or others;
(f) Provide in print no smaller than the largest type used in the body of said agreement, the terms governing the refund of any portion of the entrance fee;
(g) State the terms under which an agreement is canceled by the death of the resident. The agreement may contain a provision to the effect that, upon the death of the resident, the moneys paid for the continuing care of such resident shall be considered earned and become the property of the provider;
(h) Provide for advance notice to the resident, of not less than thirty (30) days, before any change in fees or charges or the scope of care or services may be effective, except for changes required by state or federal assistance programs;
(i) Provide that charges for care paid in one (1) lump sum shall not be increased or changed during the duration of the agreed upon care, except for changes required by state or federal assistance programs.

(2) A resident shall have the right to rescind a continuing care agreement, without penalty or forfeiture, within seven (7) days after making an initial deposit or executing the agreement. A resident shall not be required to move into the facility designated in the agreement before the expiration of the seven (7) day period.

(3) If a resident dies before occupancy date, or through illness, injury or incapacity is precluded from becoming a resident under the terms of the continuing care agreement, the agreement is automatically rescinded and the resident or his legal representative shall receive a full refund of all moneys paid to the facility, except those costs specifically incurred by the facility at the request of the resident and set forth in writing in a separate addendum, signed by both parties to the agreement.

(4) No agreement for care shall permit dismissal or discharge of the resident from the facility providing care prior to the expiration of the agreement, without just cause for such a removal. Just cause may include, but not be limited to, a good faith determination in writing, signed by the medical director and the administrator of the facility that a resident is a danger to himself or others while remaining in the facility. Dismissal for just cause shall not affect the resident's qualification for a refund under the contract.

(5) No act, agreement or statement of any resident, or of any individual purchasing care for a resident under any agreement to furnish
care to the resident, shall constitute a valid waiver of any provision of this chapter intended for the benefit or protection of the resident or the individual purchasing care for the resident.

26-3707. ESCROW -- TRUST -- SURETY BOND -- COLLECTION OF DEPOSITS. (1) A provider shall establish an escrow account with a bank or a trust company, that is located in Idaho, agreed upon by the provider and the resident. The terms of this escrow account shall provide that the total amount of any entrance fee received by the provider prior to the date the resident is permitted to occupy a living unit in the facility be placed in this escrow account. These funds may be released only as follows:

(a) If the entrance fee applies to a living unit that has been previously occupied in the facility, the entrance fee shall be released to the provider when the living unit becomes available for occupancy by the new resident;
(b) If the entrance fee applies to a living unit which has not been previously occupied by any resident, the entrance fee shall be released to the provider when the escrow agent is satisfied that:
   (i) Construction or purchase of the living unit has been completed and an occupancy permit, if applicable, covering the living unit has been issued by the local government having authority to issue such permits;
   (ii) A commitment has been received by the provider for any permanent mortgage loan, long-term financing or other source of capital and any conditions of the commitment prior to disbursement of funds thereunder have been substantially satisfied; and
   (iii) Aggregate entrance fees received or receivable by the provider pursuant to binding continuing care retirement community contracts, plus the anticipated proceeds of any first mortgage loan, long-term financing commitment, or other source of capital, are equal to not less than ninety percent (90%) of the aggregate cost of constructing or purchasing, equipping and furnishing the facility plus not less than ninety percent (90%) of the funds estimated in the statement of anticipated source and application of funds submitted by the provider as that part of the disclosure statement required in section 26-3705, Idaho Code, to be necessary to fund start-up losses and assure full performance of the obligations of the provider pursuant to continuing care retirement community contracts.

(2) Upon receipt by the escrow agent of a request by the provider for the release of these escrow funds, the escrow agent shall approve release of the funds within five (5) working days unless the escrow agent finds that the requirements of subsection (1) of this section have not been met and notifies the provider of the basis for this finding. The request for release of the escrow funds shall be accompanied by any documentation the fiduciary requires.

(3) If the provider fails to meet the requirements for release of funds held in this escrow account within a time period the escrow agent considers reasonable, these funds shall be returned by the escrow agent to the persons who have made payment to the provider. The escrow agent shall notify the provider of the length of this time period when the provider requests release of the funds.

(4) An entrance fee held in escrow may be returned by the escrow
agent to the person who made payment to the provider at any time upon receipt by the escrow agent of notice from the provider that this person is entitled to a refund of the entrance fee.

(5) In addition to the escrow requirement of this section, each provider shall provide a surety bond or an irrevocable letter of credit in a form acceptable to the department. Any surety bond offered as evidence of financial responsibility must be written by a company authorized to do business in this state. The bond must be in effect at any time that funds remain in escrow under the provisions of this section and shall be an amount not less than the aggregate value of all outstanding amounts in escrow.

26-3708. CROSS-COLLATERALIZATION PROHIBITED. No part of the entrance fee placed in escrow may be pledged by the provider as collateral for the purpose of securing loans for any purpose other than providing for the care of the resident.

26-3709. AUDITS. Each provider upon annual renewal of registration shall provide to the director certified audited reports of the financial condition of the facility and shall amend the disclosure required by section 26-3704, Idaho Code, as necessary. The annual audited reports shall be prepared by or under the supervision and direction of a certified public accountant according to generally accepted accounting principles and shall contain such additional information as may be required by the director. The annual renewal of registration shall be filed with the director not later than ninety (90) days after the close of the provider's fiscal year as used for state income tax purposes.

26-3710. CIVIL LIABILITY. (1) Any person who, as a provider, or on behalf of a provider:
   (a) Enters into a contract for continuing care at a facility which has not registered under this chapter;
   (b) Enters into a contract for continuing care at a facility without having first delivered a disclosure statement meeting the requirements of this chapter to the person contracting for such continuing care;
   (c) Enters into a contract for continuing care at a facility with a person who has relied on a disclosure statement which contains a misstatement of a material fact or which omits a material fact required to be stated therein or necessary in order to make the statements made therein, in light of the circumstances under which they are made, not misleading; or
   (d) Engages in any fraudulent or deceptive practices in the provision of services to the resident, or prospective resident;
shall be deemed to have violated the terms of this chapter and shall be liable to the person contracting for such continuing care for damages and repayment of all fees paid to the provider, facility or person in violation of the provisions of this chapter, less the reasonable value of care and lodging provided to the resident by or on whose behalf the contract for continuing care was entered into prior to discovery of the violation, misstatement or omission or the time the violation, misstatement or omission should reasonably have been discovered, together with interest thereon at the legal rate for judgments and court costs and reasonable attorney's fees.
(2) Liability under this section shall exist regardless of whether or not the provider or person liable had actual knowledge of the misstatement or omission.

AN ACT
RELATING TO INSURANCE GUARANTY ASSOCIATIONS; AMENDING SECTION 41-3608, IDAHO CODE, TO REVISE THE POWERS OF ASSOCIATIONS; AND AMENDING SECTION 41-3616, IDAHO CODE, TO REVISE PROVISIONS APPLICABLE TO CREDITS FOR ASSESSMENTS PAID.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 41-3608, Idaho Code, be, and the same is hereby amended to read as follows:

41-3608. OBLIGATIONS AND POWERS OF ASSOCIATION. (1) The association shall:

(a) Be obligated to pay covered claims existing prior to the order of liquidation arising within thirty (30) days after the order of liquidation, or before the policy expiration date if less than thirty (30) days after the order of liquidation, or before the insured replaces the policy or causes its cancellation, if he does so within thirty (30) days of the order of liquidation. Such obligation shall be satisfied by paying to the claimant an amount as follows:

(i) The full amount of a covered claim for benefits under a worker's compensation insurance coverage;
(ii) An amount not exceeding ten thousand dollars ($10,000) per policy for covered claim for the return of unearned premium;
(iii) An amount not exceeding three hundred thousand dollars ($300,000) per claim for all other covered claims.

(b) In no event shall the association be obligated to pay a claimant an amount in excess of the obligation of the insolvent insurer under the policy or coverage from which the claim arises.

Notwithstanding any other provision of this chapter, a covered claim shall not include any claim filed with the association after the earlier of: (i) eighteen (18) months after the date of the order of liquidation, or (ii) the final date set by the court for the filing of claims against the liquidator or receiver of an insolvent insurer and shall not include any claim filed with the association or a liquidator for protection afforded under the insured policy for incurred-but-not-reported losses. Any obligation of the association to defend an insured shall cease upon the association's payment by settlement releasing the insured or on a judgment of an amount equal to the lesser of the association's covered claim obligation limit or the applicable policy limit.

(c) Be deemed the insurer to the extent of its obligation on the covered claims and to such extent shall have all rights, duties, and obligations of the insolvent insurer as if the insurer had not become insolvent including, but not limited to, the right to pursue and retain salvage and subrogation recoverable on paid covered claim obligations.

(d) Assess member insurers separately for amounts necessary to pay
the obligations of the association under paragraph (a) of this subsection subsequent to an insolvency, the expenses of handling covered claims subsequent to an insolvency and other expenses authorized by this chapter. The assessments of each member insurer shall be in the proportion that the net direct written premiums of the member insurer for the calendar year preceding the assessment on the kinds of insurance covered by the account bears to the net direct written premiums of all member insurers for the calendar year preceding the assessment on the kinds of insurance covered by the account. Each member insurer shall be notified of the assessment not later than thirty (30) days before it is due. No member insurer may be assessed in any one year an amount greater than one percent (1%) of that member insurer's net direct written premiums for the calendar year preceding the assessment. If the maximum assessment, together with the other assets of the association in the account, does not provide in any one year an amount sufficient to make all necessary payments, the funds available shall be prorated and the unpaid portion shall be paid as soon thereafter as funds become available. The association shall pay claims in any order which it deems reasonable, including the payment of claims as such are received from the claimants or in groups or categories of claims. The association may exempt or defer, in whole or in part, the assessment of any member insurer, if the assessment would cause the member insurer's financial statement to reflect amounts of capital or surplus less than the minimum amounts required for a certificate of authority by any jurisdiction in which the member insurer is authorized to transact insurance; provided, however, that during the period of deferment, no dividends shall be paid to shareholders or policyholders. Deferred assessments shall be paid when such payment will not reduce capital or surplus below required minimums. Such payments shall be refunded to those companies receiving larger assessments by virtue of such deferment, or at the election of any such company, credited against future assessments. Each member insurer may set off against any assessment, authorized payments made on covered claims and expenses incurred in the payment of such claims by the member insurer if they are chargeable to the account. (e) Investigate claims brought against the association and adjust, compromise, settle, and pay covered claims to the extent of the association's obligation and deny all other claims and may review settlements, releases and judgments to which the insolvent insurer or its insureds were parties to determine the extent to which such settlements, releases and judgments may be properly contested. The association shall have the right to appoint or substitute and to direct legal counsel retained under liability insurance policies for the defense of covered claims. (f) Handle claims through its employees or through one (1) or more insurers or other persons designated as servicing facilities. Designation of a servicing facility is subject to the approval of the director, but such designation may be declined by a member insurer. (g) Reimburse each servicing facility for obligations of the association paid by the facility and for expenses incurred by the facility while handling claims on behalf of the association and shall pay the other expenses of the association authorized by this chapter. (2) The association may:
(a) Employ or retain such persons as are necessary to handle claims and perform other duties of the association.
(b) Borrow funds necessary to effect the purposes of this chapter in accord with the plan of operation.
(c) Sue or be sued, and such power to sue includes the power and right to intervene as a party before any court that has jurisdiction over the insolvent insurer as defined by this chapter.
(d) Negotiate and become a party to such contracts as are necessary to carry out the purpose of this chapter.
(e) Perform such other acts as are necessary or proper to effectuate the purpose of this chapter.
(f) Refund to the member insurers in proportion to the contribution of each member insurer to that account that amount by which the assets of the account exceed the liabilities, if, at the end of any calendar year, which, in the opinion of the board of directors finds that the assets of the association exceed the liabilities as estimated by the board of directors for the coming year will not be needed for the purposes of this chapter within two (2) years from the date the association receives the refund from the receivership.

SECTION 2. That Section 41-3616, Idaho Code, be, and the same is hereby amended to read as follows:

41-3616. CREDITS FOR ASSESSMENTS PAID. (1) A member insurer may offset against its premium tax liability to this state under section 41-402, Idaho Code, an assessment described in subsection (1)(d) of section 41-3608, Idaho Code. An insurer that is exempt from the premium tax imposed by section 41-402, Idaho Code, may offset its premium tax liability to the industrial administration fund. An offset is allowable to the extent of twenty percent (20%) of the amount of such assessment for each of the five (5) calendar years following the year in which such assessment was paid. An allowable offset, or portion thereof, not used in any calendar year cannot be carried over or back to any other year.

(2) Notwithstanding any provision to the contrary in section 41-3608(2)(f), Idaho Code, any sums acquired by refund, pursuant to subsection (2)(f) of section 41-3608, Idaho Code, from insurance company receiverships by the association which have heretofore been written off by contributing insurers and offset against premium taxes as provided in subsection (1) of this section, and are which, in the opinion of the board of directors, will not then be needed for the purposes of this act chapter within two (2) years from the date the association receives the refund from the receivership, shall be paid by the association to the director and by him deposited with the state treasurer for credit to the state general fund.

   (i) It is used to produce field crops including, but not limited to, grains, feed crops, fruits and vegetables; or
   (ii) It is used to produce nursery stock as defined in section 22-2302(11), Idaho Code; or
   (iii) It is used by the owner for the grazing of livestock to be sold as part of a net-profit-making for-profit enterprise, or is leased by the owner to a bona fide lessee for grazing purposes; or
   (iv) It is in a cropland retirement or rotation program.

(b) The area of such land is five (5) contiguous acres or less and such land has been actively devoted to agriculture within the meaning of subsection (1)(a) of this section during the last three (3) growing seasons; and

(4) "Household income" means all income received by the claimant and, if married, all income received by the claimant's spouse, in a calendar year.

"Owner" includes a vendee in possession under a land sale contract. Any partial ownership shall be considered as ownership for determining initial qualification for property tax reduction benefits; however, the amount of property tax reduction under section 63-704, Idaho Code, and rules promulgated pursuant to section 63-705, Idaho Code, shall be computed on the value of the claimant's partial ownership. "Partial ownership," for the purposes of this section, means any one (1) person's ownership when property is owned by more than one (1) person or where the homestead is held by an entity, as set forth in this subsection, but more than one (1) person has the right of occupancy of such homestead. A person holding either partial title in fee simple or holding a certificate of motor vehicle title together with another person but who does not occupy the dwelling as his primary dwelling place, shall not be considered an owner for purposes of this section, if such person is a cosignatory of a note secured by the dwelling in question and at least one (1) of the other cosignatories of the note occupies the dwelling as his primary dwelling place. The combined community property interests of both spouses shall not be considered partial ownership so long as the combined community property interests constitute the entire ownership of the homestead, including where the spouses are occupying a homestead owned by an entity, as set forth in this subsection, and the spouses have the primary right of occupancy of the homestead. The proportional reduction required under this subsection shall not apply to community property interests. Where title to property is held by a person who has died without timely filing a claim for property tax reduction, the estate of the deceased person shall be the "owner," provided that the time periods during which the deceased person held such title shall be attributed to the estate for the computation of any time periods under subsection (8)(a) or (8)(b) of this section.

(8) (a) "Primary dwelling place" means the claimant's dwelling place on January 1 or before April 15 of the year for which the claim is made. The primary dwelling place is the single place where a claimant has his true, fixed and permanent home and principal establishment, and to which whenever the individual is absent he has the intention of returning. A claimant must establish the dwelling to which the claim relates to be his primary dwelling place by clear and convincing evidence or by establishing that the dwelling is where the claimant resided on January 1 or before April 15 and:

(i) At least six (6) months during the prior year; or

(ii) The majority of the time the claimant owned the dwelling if owned by the claimant less than one (1) year; or
(iii) The majority of the time after the claimant first occupied the dwelling if occupied by the claimant for less than one (1) year. The county assessor may require written or other proof of the foregoing in such form as the county assessor may determine.

(b) Notwithstanding the provisions of paragraph (a) of this subsection, the property upon which the claimant makes application shall be deemed to be the claimant's primary dwelling place if the claimant is otherwise qualified and resides in a care facility and does not allow the property upon which the claimant has made application to be occupied by persons paying a consideration to occupy the dwelling. Payment of utilities shall not be payment of a consideration to occupy the dwelling. A claimant's spouse who resides in a care facility shall be deemed to reside at the claimant's primary dwelling place and to be a part of the claimant's household. A care facility is a hospital, nursing facility or intermediate care facility for the mentally retarded as defined in section 39-1301, Idaho Code, or a facility as defined in section 39-3302(164), Idaho Code, or a dwelling other than the one upon which the applicant makes application where a claimant who is unable to reside in the dwelling upon which the application is made lives and receives help in daily living, protection and security.

(2) Any person owning or interested in a voting machine or vote tally system may submit it to the secretary of state for examination. No examination shall be conducted unless documentation is provided indicating that the voting machine or vote tally system meets the federal election commission standards. For the purpose of assistance in examining the machine or vote tally system the secretary of state may employ not more than three (3) individuals who are expert in one (1) or more of the fields of data processing, mechanical engineering and public administration. RELATING TO RESIDENTIAL IMPROVEMENTS EXEMPT FROM PROPERTY TAXATION;
AMENDING SECTION 63-602G, IDAHO CODE, TO ALLOW RESIDENTIAL IMPROVE­
MENTS TO STILL QUALIFY FOR THE FIFTY-FIFTY HOMEOWNER’S EXEMPTION IF

SERVICE IN A DESIGNATED COMBAT ZONE; DECLARING AN EMERGENCY AND PRO­
VIDING RETROACTIVE APPLICATION.

Be It Enacted by the Legislature of the State of Idaho:

primary dwelling place of the owner as of January 1, provided that
in the event the residential improvements are owner-occupied after
January 1 but before April 15, the owner of the property is entitled
to the exemption. The residential improvements may consist of part
of a multidwelling or multipurpose building and shall include all of
such dwelling or building except any portion used exclusively for
anything other than the primary dwelling of the owner. The presence
of an office in an owner-occupied residential property, which office
is used for multiple purposes, including business and personal use,
shall not prevent the owner from claiming the exemption provided in
this section; and

sioners that all properties in the county which are subject to
appraisal by the county assessor have, in fact, been appraised uniformly so as to secure a just valuation for all property within the county; and

(i) He is making application for the exemption allowed by this section;
(ii) That the residential improvements are his primary dwelling place; and

(a) The owner has received the exemption during the previous year as a result of his making a valid application as defined in subsection (2)(c) of this section.

(b) The owner or beneficiary, partner, member or shareholder, as appropriate, still occupies the same residential improvements for which the owner made application.

(c) The residential improvements described in subsection (3)(b) of this section are owner-occupied or occupied by a beneficiary, partner, member or shareholder, as appropriate, and used as the primary dwelling place of the owner or beneficiary, partner, member or shareholder, as appropriate, as of January 1; provided however, that in the event the residential improvements are owner-occupied after January 1, but before April 15, the owner of the property is entitled to the exemption.

(4) The exemption allowed by this section must be taken before the reduction in taxes provided by sections 63-701 through 63-710, Idaho Code, is applied.

(5) Recovery of property tax exemptions allowed by this section but improperly claimed or approved.
(a) Upon discovery of evidence, facts or circumstances indicating any exemption allowed by this section was improperly claimed or approved, the county assessor shall decide whether the exemption claimed should be allowed and if not, notify the taxpayer in writing, assess a recovery of property tax and notify the county treasurer of this assessment.
(b) When information indicating that an improper claim for the exemption allowed by this section is discovered by the state tax commission, the state tax commission may disclose this information to the appropriate county assessor, board of county commissioners and county treasurer. Information disclosed to county officials by the state tax commission under this subsection may be used to decide the validity of any entitlement to the exemption provided in this section and is not otherwise subject to public disclosure pursuant to chapter 3, title 9, Idaho Code.
(c) The assessment and collection of the recovery of property tax must begin within the seven (7) year period beginning the date the assessment notice reflecting the improperly claimed or approved exemption was required to be mailed to the taxpayer.
(d) The taxpayer may appeal to the board of county commissioners the decision by the county assessor to assess the recovery of property tax within thirty (30) days of the date the county assessor sent the notice to the taxpayer pursuant to this section.
(e) A recovery of property tax shall be for each year the exemption allowed by this section was improperly claimed or approved up to the lesser of a maximum of seven (7) years or until the property was transferred to a bona fide purchaser for value. The amount of the recovery of property tax shall be calculated using the product of the amount of exempted value for each year multiplied by the levy for that year plus costs, late charges and interest for each year at the rates equal to those provided for delinquent property taxes during that year.
(f) Any recovery of property tax shall be due and payable no later than the date provided for property taxes in section 63-903, Idaho Code, and if not timely paid, late charges and interest, beginning the first day of January in the year following the year the county assessor sent the notice to the taxpayer pursuant to this section, shall be calculated at the current rate provided for property taxes.
(g) Recovered property taxes shall be billed, collected and distributed in the same manner as property taxes, except each taxing district or unit shall be notified of the amount of any recovered property taxes included in any distribution.
(h) Any unpaid recovered property taxes shall become a lien upon the real property in the same manner as provided for property taxes in section 63-206, Idaho Code, except such lien shall attach as of the first day of January in the year following the year the county assessor sent the notice to the taxpayer pursuant to this section.
(i) For purposes of the limitation provided by section 63-802, Idaho Code, moneys received pursuant to this subsection as recovery of property tax shall be treated as property tax revenue.
(6) The legislature declares that this exemption is necessary and just.
(7) Residential improvements having previously qualified for exemption under this section in the preceding year, shall not lose such qual-
iication due to: the owner's, beneficiary's, partner's, member's or shareholder's absence in the current year by reason of active military service in a designated combat zone, as defined in section 112 of the Internal Revenue Code, or because the residential improvements have been leased because the owner, beneficiary, partner, member or shareholder is absent in the current year by reason of active military service in a designated combat zone, as defined in section 112 of the Internal Revenue Code. If an owner fails to timely apply for exemption as required in this section solely by reason of active duty in a designated combat zone by the owner, beneficiary, partner, member or shareholder, as appropriate, as defined in section 112 of the Internal Revenue Code, and such improvements would have otherwise qualified under this section, then the board of county commissioners of the county in which the residential improvements are located shall refund property taxes, if previously paid, in an amount equal to the exemption which would otherwise have applied.

SECTION 2. An emergency existing therefor, which emergency is hereby declared to exist, this act shall be in full force and effect on and after its passage and approval, and retroactively to January 1, 2005.

Approved April 5, 2005.

CHAPTER 292
(H.B. No. 230)

AN ACT
RELATING TO AIR QUALITY; PROVIDING A STATEMENT OF LEGISLATIVE INTENT; AMENDING SECTION 39-115, IDAHO CODE, TO REVISE PERMIT REQUIREMENTS FOR ANY MAJOR OR MINOR AIR POLLUTION SOURCE IN IDAHO, TO PROVIDE RULES, TO PROVIDE STRINGENCY, TO DEFINE TERMS AND TO PROVIDE APPLICATION TO FUGITIVE EMISSIONS.
Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. STATEMENT OF LEGISLATIVE INTENT. The definition of "regulated air pollutant" for purposes of determining whether permit to construct or permit to operate requirements apply, was intended to comply with but not exceed federal clean air act requirements. The Legislature intends that the Department of Environmental Quality uniformly apply Idaho law in an effort to conform with but not differ from federal definitions of regulated air pollutants. Nevertheless, the United States District Court for Idaho has applied portions of rules of the Department of Environmental Quality for air pollution in a manner which substantially exceeds federal requirements. This act is meant to clarify that Idaho law in this regard has always been intended to comply with but not exceed federal law and should not be construed as a change in the law, but rather a clarification of what the existing law has consistently meant.

SECTION 2. That Section 39-115, Idaho Code, be, and the same is hereby amended to read as follows:

39-115. POLLUTION SOURCE PERMITS. (1) (a) The director shall have the authority to issue pollution source permits in compliance with rules established hereunder. (b) To determine the applicability of permit requirements for any major or minor air pollution source in Idaho, the department shall develop and recommend to the board for adoption, rules that define "regulated air pollutant" as follows:

(i) For purposes of a major source permit to operate issued or modified by the department in accordance with title V of the federal clean air act amendments of 1990, "regulated air pollutant" shall have the same meaning as in title V of the federal clean air act amendments of 1990, and any applicable federal regulations promulgated pursuant to title V of the federal clean air act amendments of 1990;

(ii) For purposes of any other operating permit issued or modified by the department, the federal definition of "regulated air pollutant" as defined in subsection (1)(b)(i) of this section shall also apply;

(iii) For purposes of any permit to construct issued or modified by the department pursuant to part D of subchapter I of the federal clean air act, "regulated air pollutant" shall mean those air contaminants that are regulated pursuant to part D of subchapter I of the federal clean air act and applicable federal regulations promulgated pursuant to part D of subchapter I of the federal clean air act; and

(iv) For purposes of any other major or minor permit to construct issued or modified by the department, "regulated air pollutant" shall mean those air contaminants that are regulated pursuant to part C of subchapter I of the federal clean air act and any applicable federal regulations promulgated pursuant to part C of subchapter I of the federal clean air act.

(c) To determine the applicability of any permit to construct or permit to operate requirement to any air pollution source in Idaho, fugitive emissions shall not be included in any applicability calcu-
The director shall develop and the board shall adopt rules that provide that, for both major and minor source permit applicability determinations, fugitive emissions shall be included only as expressly required by federal law.

(d) The director shall develop and recommend to the board for adoption through rulemaking, criteria to determine insignificant activities and such sources or modification with emissions at or below the de minimis level which shall not require either a permit to construct or a permit to operate; provided however, that a registration of the activities or sources may be required.

(2) The director shall have the authority to sue in competent courts to enjoin any threatened or continuing:
   (a) Violations of pollution source permits or conditions thereof without the necessity of a prior revocation of the permit; or
   (b) Construction of an industrial or commercial air pollution source without a permit required under this chapter or rules adopted hereunder.

(3) The department is authorized to charge and collect a fee for processing applications for industrial or commercial air pollution source permits in accordance with a fee schedule established by the board pursuant to this chapter. For fees charged for operating permits under title V of the federal clean air act amendments of 1990, the department shall not charge a fee on any hazardous air pollutant other than those listed under section 112 of the federal clean air act. The fee schedule shall be structured to provide an incentive for emission reduction.

(4) The director may issue air emission source permits to construct a facility to incinerate any waste or waste item contaminated with polychlorinated biphenyls (PCBs) only if the director finds:
   (a) The facility will not be sited in complex valley terrain where the valley floor is less than five (5) miles wide and the valley walls rise more than one thousand (1,000) feet;
   (b) The facility has complied with local planning and zoning requirements;
   (c) There has been an opportunity for public participation; and
   (d) The facility will employ best available technology and instrumentation.

Subsection (4) of this section shall not apply to incineration activities existing on or before January 1, 1987.

Approved April 6, 2005.

(H.B. No. 337)

AN ACT
RELATING TO PUBLIC WORKS CONTRACTING; AMENDING SECTION 54-1904A, IDAHO CODE, AS AMENDED BY SECTION 26, HOUSE BILL 263, AS ENACTED BY THE FIRST REGULAR SESSION OF THE FIFTY-EIGHTH IDAHO LEGISLATURE, TO PROVIDE THAT A CONTRACT AWARDING AGENCY SHALL PROVIDE CERTAIN INFORMATION TO THE STATE TAX COMMISSION, TO PROVIDE THAT THE PRIME CONTRACTOR SHALL PROVIDE CERTAIN INFORMATION WITHIN A SPECIFIED TIME TO THE STATE TAX COMMISSION UPON WRITTEN REQUEST AND TO PROVIDE THAT THE STATE TAX COMMISSION SHALL FORWARD CERTAIN INFORMATION; AND AMENDING SECTION 67-2805, IDAHO CODE, AS ADDED BY SECTION 37, HOUSE BILL 263, AS ENACTED BY THE FIRST REGULAR SESSION OF THE FIFTY-EIGHTH IDAHO LEGISLATURE, TO PROVIDE THAT CERTAIN BIDS SHALL BE AWARDED TO THE QUALIFIED BIDDER SUBMITTING THE LOWEST RESPONSIVE BID, TO REVISE REQUIREMENTS APPLICABLE TO NOTICES SOLICITING BIDS AND TO REVISE TERMINOLOGY.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 54-1904A, Idaho Code, as amended by Section 26, House Bill 263, as enacted by the First Regular Session of the Fifty-eighth Idaho Legislature, be, and the same is hereby amended to read as follows:
54-1904A. FILING OF NOTICES AND INCOME TAX RETURNS -- PAYMENT OF INCOME TAXES BY CONTRACTORS. Within thirty (30) days after any public works contractor who is required to be licensed pursuant to this chapter has been awarded a contract for construction to be performed within the state of Idaho involving the expenditure of any public moneys, the contract awarding agency shall notify the state tax commission that the contract has been awarded and shall provide to the state tax commission the name and address of the prime contractor. Upon written request of the state tax commission, the prime contractor, within thirty (30) days, shall file with the state tax commission a signed statement showing the date on which such contract was made or awarded, the names and addresses of the home offices of the contracting parties, including all subcontractors, the state of incorporation if the party is a corporation, the project number and a general description of the type and location of the work to be performed, the amount of the prime contract and all subcontracts, and all other relevant information which may be required on forms which may be prescribed by the state tax commission. With a copy to be sent to the administrator such information from the form as the administrator and the state tax commission agree is necessary for the administrator to fulfill the requirements of section 54-1913, Idaho Code. Every contractor or subcontractor whose name appears on any such notice shall be required to file income tax returns with the state tax commission and to pay all income taxes which may be due thereon pursuant to law for all years in which any public moneys were received by him in connection with any construction work which was performed within the state of Idaho.

SECTION 2. That Section 67-2805, Idaho Code, as added by Section 37, House Bill 263, as enacted by the First Regular Session of the Fifty-eighth Idaho Legislature, be, and the same is hereby amended to read as follows:

67-2805. PROCUREMENT OF PUBLIC WORKS CONSTRUCTION. (1) For any contemplated public works construction project with an estimated total cost of less than fifty thousand dollars ($50,000), where the political subdivision determines that there may be a lack of available licensed contractors, a political subdivision may publish a notice of intent to procure in its official newspaper, concurrently sending such notice to the public works contractors license board, in order to solicit statements of interest from licensed public works contractors to determine whether one (1) or more licensed contractors is interested in submitting bids. Such notice of intent to procure shall be provided by the same means required for published solicitation of competitive bids and shall contain essentially the same information as such published notice. If no licensed public works contractor submits a statement of interest, the political subdivision may purchase public works construction from other than a licensed public works contractor by using the same procurement procedures otherwise specified herein.

(2) When a political subdivision contemplates an expenditure to procure public works construction valued in excess of twenty-five thousand dollars ($25,000) but not to exceed one hundred thousand dollars ($100,000), the procurement procedures of this subsection (2) shall apply:

(a) The solicitation for bids for the public works construction to
be performed shall be supplied to no fewer than three (3) owner-designated licensed public works contractors by written means, either by electronic or physical delivery. The solicitation shall describe the construction work to be completed in sufficient detail to allow an experienced public works contractor to understand the construction project the political subdivision seeks to build.

(b) The solicitation for bids shall describe the electronic or physical delivery method or methods authorized to submit a bid, the date and time by which a bid proposal must be received by the clerk, secretary or other authorized official of the political subdivision, and shall provide a reasonable time to respond to the solicitation, provided that except in the event of an emergency, such time shall not be less than three (3) business days.

(c) Written objections to specifications or bid procedures must be received by the clerk, secretary or other authorized official of the political subdivision at least one (1) business day before the date and time upon which bids are scheduled to be received.

(d) When written bids have been received, by either physical or electronic delivery, they shall be submitted to the governing board or governing board-authorized official which shall approve the responsive bid proposing the lowest procurement price or reject all bids and publish notice for bids, as before.

(e) If the political subdivision finds that it is impractical or impossible to obtain three (3) bids for the proposed public works procurement, the political subdivision may acquire the work in any manner the political subdivision deems best from a qualified public works contractor quoting the lowest price. When fewer than three (3) bids are considered, a description of the efforts undertaken to procure at least three (3) bids shall be documented by the political subdivision and such documentation shall be maintained for at least six (6) months after the procurement decision is made. If two (2) or more price quotations offered by different licensed public works contractors are the same and the lowest responsive bids, the governing board or governing-board authorized official may accept the one (1) it chooses.

(3) When a political subdivision contemplates an expenditure to purchase public works construction valued in excess of one hundred thousand dollars ($100,000), the procurement procedures of this subsection (3) shall apply. The purchase of construction services shall be made pursuant to a competitive sealed bid process with the purchase to be made from the qualified public works contractor submitting the lowest bid price complying with bidding procedures and meeting the prequalifications, if any are provided, established by the bid documents. Competitive bidding for public works may proceed through either of two (2) alternative procedures as set forth below:

(a) Category A. Competitive bidding procedures shall be open to receipt of bids from any licensed public works contractor desiring to bid upon a public works project. For a category A bid, the political subdivision may only consider the amount bid, bidder compliance with administrative requirements of the bidding process, and whether the bidder holds the requisite license, and shall award the bid to the qualified bidder submitting the lowest responsive bid.

(i) The request for bids for a category A procurement shall set a date and place for the public opening of bids. Two (2)
notices soliciting bids shall be published in the official newspaper of the political subdivision. The first notice shall be published at least two (2) weeks before the date for opening bids, with the second notice to be published in the succeeding week at least seven (7) days before the date that bids are scheduled to be opened. The notice shall succinctly describe the project to be constructed. Copies of specifications, bid forms, bidder's instructions, contract documents, and general and special instructions shall be made available upon request and payment of a reasonable plan copy fee by any interested bidder.

(ii) Written objections to specifications or bidding procedures must be received by the clerk, secretary or other authorized official of the political subdivision at least three (3) business days before the date and time upon which bids are scheduled to be opened. The administrative officer or governing board supervising the bidding process shall respond to any such objection in writing and communicate such response to the objector and all other plan holders, adjusting bidding timeframes if necessary.

(iii) All bids shall be presented or otherwise delivered under sealed cover to the clerk of the political subdivision or other authorized agent of the political subdivision designated by the information provided to bidders by the political subdivision with a concise statement marked on the outside generally identifying the expenditure to which the bid pertains.

(iv) If the political subdivision deems it is in the political subdivision's best interest, it may require the bidder to provide bid security in an amount equal to at least five percent (5%) of the amount bid. If required, a bid shall not be considered unless one (1) of the forms of bidder's security is enclosed with it, and unless the bid is submitted in a form which substantially complies with the form provided by the political subdivision. The political subdivision may require that the bid security be in one (1) of the following forms:

(A) Cash;
(B) A cashier's check made payable to the political subdivision;
(C) A certified check made payable to the political subdivision; or
(D) A bidder's bond executed by a qualified surety company, made payable to the political subdivision.

(v) Any bid received by the political subdivision may not be withdrawn after the date and time set in the notice for opening of bids. When sealed bids have been received, they shall be opened in public at a designated place and time, thereafter to be compiled and submitted to the governing board for award.

(vi) If the successful bidder fails to execute the contract, the amount of his bidder's security may be forfeited to the political subdivision at the sole discretion of the political subdivision and the proceeds shall be deposited in a designated fund out of which the expenses of procuring substitute performance are paid.

(vii) The political subdivision may, on the refusal or failure
of the successful bidder to execute the contract, award the contract to the qualified bidder submitting the next lowest responsive bid. If the governing board awards the contract to the next lowest qualified bidder, the amount of the lowest qualified bidder's security may be applied by the political subdivision to the difference between the lowest responsive bid and the next lowest responsive bid, and the surplus, if any, shall be returned to the lowest bidder if cash or check is used, or to the surety on the bidder's bond if a bond is used, less reasonable administrative costs not to exceed twenty-five percent (25%) of the amount of the bidder's security to the owner.

(viii) In its discretion, the governing board may reject all bids presented and re-bid, or the governing board may, after finding it to be a fact, pass a resolution declaring that the project sought to be accomplished by the expenditure can be performed more economically by purchasing goods and services on the open market. If identical bids are received, the governing board may choose the bidder it prefers. If no bids are received, the governing board may procure the goods or services without further competitive bidding procedures.

(ix) If the governing board of any political subdivision chooses to award a competitively bid contract involving the procurement of public works construction to a bidder other than the apparent low bidder, the political subdivision shall declare its reason or reasons on the record and shall communicate such reason or reasons in writing to all persons who have submitted a competing bid.

(x) If any participating bidder objects to such award, such bidder shall respond in writing to the notice from the political subdivision within seven (7) calendar days of the date of transmittal of the notice, setting forth in such response the express reason or reasons that the award decision of the governing board is in error. Thereafter, staying performance of any procurement until after addressing the contentions raised by the objecting bidder, the governing board shall review its decision and determine whether to affirm its prior award, modify the award, or choose to re-bid, setting forth its reason or reasons therefor. After completion of the review process, the political subdivision may proceed as it deems to be in the public interest.

(b) Category B. Competitive bidding procedures shall be open to licensed public works contractors only after meeting preliminary supplemental qualifications established by the political subdivision. The solicitation for bids in a category B procurement shall consist of two (2) stages, an initial stage determining supplemental prequalifications for licensed contractors, either prime or specialty contractors, followed by a stage during which bid prices will be accepted only from prequalified contractors.

(i) Notice of the prequalification stage of the category B competitive bidding process shall be given in the same manner that notice of competitive bidding is provided for a category A competitive bid request, providing a specific date and time by which qualifications statements must be received. Political
subdivisions may establish prequalification standards premised upon demonstrated technical competence, experience constructing similar facilities, prior experience with the political subdivision, available nonfinancial resources, equipment and personnel as they relate to the subject project, and overall performance history based upon a contractor's entire body of work. Such request must include the standards for evaluating the qualifications of prospective bidders.

(ii) During the initial stage of the category B bidding process, licensed contractors desiring to be prequalified to bid on a project must submit a written response to a political subdivision's request for qualifications.

(iii) Written objections to prequalification procedures must be received by the clerk, secretary or other authorized official of the political subdivision at least three (3) business days before the date and time upon which prequalification statements are due. The administrative officer or governing board supervising the bidding process shall respond to any such objection in writing and communicate such response to the objector and all other contractors seeking to prequalify, adjusting bidding timeframes if necessary. After a review of qualification submittals, the political subdivision may select licensed contractors that meet the prequalification standards. If any licensed contractor submits a statement of qualifications but is not selected as a qualified bidder, the political subdivision shall supply a written statement of the reason or reasons why the contractor failed to meet prequalification standards.

(iv) Any licensed contractor that fails the prequalification stage can appeal any such determination to the governing board within seven (7) days after transmittal of the prequalification results to contest the determination. If the governing board sustains the decision that a contractor fails to meet prequalification standards, it shall state its reason or reasons for the record. A governing board decision concerning prequalification may be appealed to the public works contractors license board no more than fourteen (14) days following any decision on appeal made by the governing board. The public works contractors license board shall decide any such appeal within thirty-five (35) days of the filing of a timely appeal. The public works contractors license board shall allow participation, written or oral, by the appealing contractor and the political subdivision, either by employing a hearing officer or otherwise. The public works contractors license board shall not substitute its judgment for that of the political subdivision, limiting its review to determining whether the decision of the governing board is consistent with the announced prequalification standards, whether the prequalification standards comport with the law and whether the governing board's decision is supported by the entirety of the record. The decision of the public works contractors license board shall be written and shall state the reason or reasons for the decision. Category B prequalification procedures that are appealed shall be stayed during the pendency of the prequalification appeal
until the public works contractors license board completes its review, but in no instance more than forty-nine (49) days after the appellate decision of the governing board regarding prequalification. Any licensed public works contractor affected by a decision on appeal by the public works contractors license board may, within twenty-eight (28) days of the final decision, seek judicial review as provided by chapter 52, title 67, Idaho Code.

(v) Following the conclusion of the prequalification administrative procedures, the bidding stage shall proceed by the setting of a time, date and place for the public opening of bids. A notice soliciting bids shall be transmitted to prequalified bidders at least fourteen (14) days before the date of opening the bids. In circumstances involving prequalified specialty or subordinate contractors, the notice soliciting bids shall be published in the same manner applicable to category A bids. The notice shall succinctly describe the project to be constructed. Copies of specifications, bid forms, bidder's instructions, contract documents, and general and special instructions shall be made available upon request and payment of a reasonable plan copy fee by any prequalified eligible bidder.

(vi) Written objections to specifications or bidding procedures must be received by the clerk, secretary or other authorized official of the political subdivision at least three (3) business days before the date and time upon which bids are scheduled to be opened.

(vii) All category B bids shall be presented or otherwise delivered under sealed cover to the clerk or other authorized agent of the political subdivision designated by the instructions to bidders with a concise statement marked on the outside generally identifying the expenditure to which the bid pertains.

(viii) If the political subdivision deems it is in the political subdivision's best interest, it may require the bidder to provide bid security in an amount equal to at least five percent (5%) of the amount bid. If required, a bid shall not be considered unless one (1) of the forms of bidder's security is enclosed with it, and unless the bid is submitted in a form which substantially complies with the form provided by the political subdivision. The political subdivision may require that the bid security be in one (1) of the following forms:

(A) Cash;
(B) A cashier's check made payable to the political subdivision;
(C) A certified check made payable to the political subdivision; or
(D) A bidder's bond executed by a qualified surety company, made payable to the political subdivision.

(ix) Any category B bid received by a political subdivision may not be withdrawn after the date and time set in the notice for opening of bids. When sealed bids have been received, they shall be opened in public at a designated place and time,
thereafter to be compiled and submitted to the governing board for award. If identical bids are received, the governing board may choose the bidder it prefers. If the successful bidder fails to execute the contract, the amount of his bidder's security may be forfeited to the political subdivision, in the sole discretion of the political subdivision, and the proceeds shall be deposited in a designated fund out of which the expenses for procuring substitute performance are paid.

(x) The political subdivision may, on the refusal or failure of the successful bidder to execute the contract, award the contract to the qualified bidder submitting the next lowest responsive bid. If the governing board awards the contract to the next lowest qualified bidder, the amount of the lowest qualified bidder's security, if forfeited, shall be applied by the political subdivision to the difference between the lowest responsive bid and the next lowest responsive bid, and the surplus, if any, shall be returned to the lowest bidder if cash or check is used, or to the surety on the bidder's bond if a bond is used, less reasonable administrative costs not to exceed twenty-five percent (25%) of the amount of the bidder's security.

(xi) In its discretion, the governing board may reject all bids presented and re-bid, or the governing board may, after finding it to be a fact, pass a resolution declaring that the project sought to be accomplished by the expenditure can be performed more economically by purchasing goods and services on the open market. If no bids are received, the governing board may make the expenditure without further competitive bidding procedures.

(xii) If the governing board of any political subdivision chooses to award a competitively bid contract involving the procurement of public works construction to a bidder other than the apparent low bidder, the political subdivision shall declare its reason or reasons on the record and shall communicate such reason or reasons in writing to all persons who have submitted a competing bid.

(xiii) If any participating bidder objects to such award, such bidder shall respond in writing to the notice from the political subdivision within seven (7) calendar days of the date of transmittal of the notice, setting forth in such response the express reason or reasons that the award decision of the governing board is in error. Thereafter, staying performance of any procurement until after addressing the contentions raised by the objecting bidder, the governing board shall review its decision and determine whether to affirm its prior award, modify the award, or choose to re-bid, setting forth its reason or reasons therefor. After completion of the review process, the political subdivision may proceed as it deems to be in the public interest.

18-923. ATTEMPTED STRANGULATION. (1) Any person who willfully and unlawfully chokes or attempts to strangle a household member, or a person with whom he or she has or had a dating relationship, is guilty of a felony punishable by incarceration for up to fifteen (15) years in the state prison.

(2) No injuries are required to prove attempted strangulation.

(3) The prosecution is not required to show that the defendant intended to kill or injure the victim. The only intent required is the intent to choke or attempt to strangle.
(4) "Household member" assumes the same definition as set forth in section 18-918(1)(a), Idaho Code.

(5) "Dating relationship" assumes the same definition as set forth in section 39-6303(2), Idaho Code.

SECTION 2. An emergency existing therefor, which emergency is hereby declared to exist, this act shall be in full force and effect on and after its passage and approval.

CHAPTER 304
(S.B. No. 1086, As Amended)

AN ACT
RELATING TO RECOVERY OF CERTAIN MEDICAL ASSISTANCE; AMENDING SECTION 56-218, IDAHO CODE, TO FURTHER GOVERN PROCEDURE FOR CLAIMS FOR RECOVERY AGAINST THE ESTATE OF DECEASED RECIPIENTS OF MEDICAL ASSISTANCE TO PROVIDE A PROCEDURE FOR AN EXEMPT PROPERTY ALLOWANCE CLAIM.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 56-218, Idaho Code, be, and the same is hereby amended to read as follows:

56-218. RECOVERY OF CERTAIN MEDICAL ASSISTANCE. (1) Except where exempted or waived in accordance with federal law medical assistance pursuant to this chapter paid on behalf of an individual who was fifty-five (55) years of age or older when the individual received such assistance may be recovered from the individual's estate, and the estate of the spouse, if any, for such aid paid to either or both; provided, however, that claim for such medical assistance correctly paid to the individual may be established against the estate of either spouse, but there shall be no adjustment or recovery thereof until after the death of the spouse, if any, and only at a time when the individual has no surviving child who is under twenty-one (21) years of age or is blind or permanently and totally disabled as defined in 42 U.S.C. 1382c. Transfers of real or personal property, on or after the look-back dates defined in 42 U.S.C. 1396p, by recipients of such aid, or their spouses, without adequate consideration are voidable and may be set aside by an action in the district court.

(2) Except where there is a surviving spouse, or a surviving child who is under twenty-one (21) years of age or is blind or permanently and totally disabled as defined in 42 U.S.C. 1382c, the amount of any medical assistance paid under this chapter on behalf of an individual who was fifty-five (55) years of age or older when the individual received such assistance is a claim against the estate in any guardianship or conservatorship proceedings and may be paid from the estate.

(3) Nothing in this section authorizes the recovery of the amount of any aid from the estate or surviving spouse of a recipient to the extent that the need for aid resulted from a crime committed against the recipient.
For purposes of this section, the term "estate" shall include:

(a) All real and personal property and other assets included within the individual's estate, as defined for purposes of state probate law; and

(b) Any other real and personal property and other assets in which the individual had any legal title or interest at the time of death (to the extent of such interest), including such assets conveyed to a survivor, heir, or assign of the deceased individual through joint tenancy, tenancy in common, survivorship, life estate, living trust or other arrangement.

Claims made pursuant to this section shall be classified and paid as a debt with preference as defined in section 15-3-805(5), Idaho Code. Any distribution or transfer of the estate prior to satisfying such claim is voidable and may be set aside by an action in the district court. The personal representative of every estate subject to a claim under this section must, within thirty (30) days of the appointment, give notice in writing to the director of his or her appointment to administer the estate. However, if an exempt property allowance claim is made in an estate subject to a claim under this section by one (1) or more persons not described in subsection (2) of this section, then, to the extent such exempt property allowance claim exceeds the fair market value of the actual personal property of the decedent held by the estate subject to a claim under this section (including, but not limited to, such items as household furniture, automobiles, furnishings, appliances, and personal effects), the persons making such exempt property allowance claim must file with the court, and with the personal representative or administrator of the estate, and with the department, a written statement under oath containing the following:

(a) A statement that no personal property of the decedent has been transferred without adequate consideration to any person or entity, including any one (1) or more of the persons making the exempt property allowance claim, to the actual knowledge of any of the persons making the exempt property allowance claim, within a time period commencing one (1) year prior to the death of the decedent and ending on the date of the statement; or

(b) A statement that personal property of the decedent has been transferred without adequate consideration to any person or entity, including one (1) or more of the persons making the exempt property allowance claim, within a time period commencing one (1) year prior to the death of the decedent and ending on the date of the statement, to the actual knowledge of any of the persons making the exempt property allowance claim, and stating the fair market value of the personal property so transferred, and stating the method of determining the fair market value of the personal property so transferred.

If the written statement indicates that there has been such a transfer of personal property, then the fair market value of the personal property so transferred shall be subtracted from the remaining exempt property allowance claim, after subtraction of the personal property held by the estate, as described above, and only any still remaining portion of the exempt property claim may be paid by the estate to the persons making the exempt property allowance claim. The statement submitted under paragraph (a) or (b) of this subsection, must be signed under oath by all persons making the exempt property claim.
(6) The department may file a notice of lien against the property of any estate subject to a claim under this section. In order to perfect a lien against real or personal property, the department shall, within ninety (90) days after the personal representative or successor makes a written request for prompt action to the director, or two (2) three (3) years from the death of the individual for whom medical assistance was paid under this chapter, whichever is sooner, file a notice of lien in the same general form and manner as provided in section 56-218A(3)(a), Idaho Code, in the office of the secretary of state, pursuant to section 45-1904, Idaho Code. Failure to file a notice of lien does not affect the validity of claims made pursuant to this section.

(7) The director shall promulgate rules reasonably necessary to implement this section including, but not limited to, rules establishing undue hardship waivers for the following circumstances:
   (a) The only asset of the estate provides the primary source of support for other family members; or
   (b) The estate has a value below an amount specified in the rules; or
   (c) Recovery under the lien by the department will entitle the heirs of the deceased individual to public assistance.

(8) The cause of action to void a transfer without adequate consideration established in this section shall not be deemed to have accrued until the department discovers, or reasonably could have discovered, the facts constituting the transfer without adequate consideration.

Approved April 6, 2005.

   (ii) Includes a copy of a fire incident report in the form prescribed by the state fire marshal, if the service was provided for an event that requires a fire incident report.

(3) A volunteer fire department shall use the revenue collected from the fire service charges under this section for:

(a) The purchase of equipment, buildings and property for firefighting, fire protection or other emergency services;

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 67-8902, Idaho Code, as added by Section 1, House Bill No. 106, enacted by the First Regular Session of the Fifty-eighth Idaho Legislature, be, and the same is hereby amended to read as follows:

67-8902. DECLARATION OF NECESSITY AND PURPOSE. (1) It is hereby determined and declared that:

(a) Industrial, irrigation, commercial and residential consumers in the state of Idaho receive electric service from various investor-owned, cooperative and municipal utilities and the ability of these utilities to provide reliable and economic electric services at stable prices is essential to the economy and the economic development of the state of Idaho and to the health, safety and welfare of its people;

(b) The regional interconnection of electric utilities causes events and conditions in other western states to have a significant impact of the operations of utilities in the state of Idaho and the restructuring of the electric industry in recent years by the federal government and in other states has exposed all utilities in Idaho, and the consumers served by them, to volatile market prices,
reliability concerns and other adverse conditions;
(c) It is in the best interest of the state of Idaho and its people
that sufficient and reliable electric generation and transmission
resources are developed and made available at cost-based rates in
order to enable these utilities to meet existing and future demands
for electric services, to provide adequate reserves and to promote
reliability at the most stable rates practicable;
(d) The electric utility and energy industries are and will con­tinue to be capital-intensive industries and the availability of
cost-effective financing to investor-owned, cooperative and munici­pal utilities will enhance the ability of these utilities to provide
and promote economic electric services to consumers in the state;
(e) Coordination, cooperation and joint ventures between and among
such utilities with one another and with the private, cooperative,
federal, state and municipal utilities and agencies that provide
wholesale and retail electric services in the western states will
promote regional electric reliability and stability and will provide
economies of scale; and
(f) It is the intent of the legislature to create the Idaho energy
resources authority to promote the development and financing of
facilities for the benefit of participating utilities and to accom­plish the purposes stated above, and to authorize the authority to
exercise all such powers as are necessary to enable it to achieve
such purposes and to thereby promote and protect the economy of the
state of Idaho and the health, safety and welfare of its people; and
(g) It is in the best interest of the state of Idaho and its people
to encourage and promote the development of renewable energy
resources in order to develop sustainable sources of energy supply,
reduce inefficiencies in the use of electric energy and enhance the
long-term stability of the energy resources and requirements of the
state.

limit or restrict the authority of the Idaho public utilities commission
with respect to the regulation of electric corporations and public util­ities pursuant to title 61, Idaho Code.

SECTION 56-1004A, IDAHO CODE, TO AUTHORIZE THE DEPARTMENT OF HEALTH AND WELFARE TO CONDUCT A PILOT PROJECT OF CRIMINAL HISTORY AND BACKGROUND CHECKS ON INDIVIDUALS WHO HAVE ACCESS TO VULNERABLE ADULTS OR CHILDREN IN LONG-TERM CARE SETTINGS, TO SPECIFY PROCEDURES, TO SPECIFY REQUIREMENTS FOR DISCLOSURE BY THE APPLICANT, TO PROVIDE REVIEW, TO COVERN DISCLOSURE AND IMMUNITY AND TO LIMIT PURPOSES OF THE CHECK; AND PROVIDING SUNSET OF THIS ACT AT THE TIME OR UNDER THE CONDITIONS SPECIFIED.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Chapter 10, Title 56, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW SECTION, to be known and designated as Section 56-1004A, Idaho Code, and to read as follows:

56-1004A. CRIMINAL HISTORY AND BACKGROUND CHECKS PILOT PROJECT. (1) To assist in the protection of children and vulnerable adults, and for the purpose of participating in a pilot project, the legislature hereby authorizes the department of health and welfare to conduct criminal history and background checks of providers, employees and contractors who have access to patients in long-term care settings. Long-term care facilities or providers include nursing facilities, institutional care facilities for the mentally retarded, residential or assisted living facilities, long-term care hospitals or hospitals with swing beds, and home health and hospice providers. The criminal history and background checks for long-term care providers, employees and contractors will be funded through the federal grant at no cost to the long-term care providers, employees, or contractors.

(2) The criminal history and background check will be a fingerprint-based check of state and national records and may include information from the following:

(a) Statewide criminal identification bureau;
(b) Federal bureau of investigation (FBI);
(c) National crime information center;
(d) Statewide sex offender registry;
(e) Idaho transportation department driving records;
(f) Adult and child protection registries; and
(g) Nurse aide registry.

(3) Each individual who has patient access is required to complete the criminal history and background check process. The department of health and welfare shall promulgate rules to further define those individuals and the effective date. Each applicant must sign forms provided by the department authorizing the department to obtain and release information in accordance with state and federal law. The applicant must disclose all information requested, including information on past convictions, driver's license revocations, and known adult or child protection findings. Once this disclosure is made, the department shall make a preliminary determination as to whether the individual may have access to individuals in a long-term care setting on a provisional basis pending the final determination. Long-term care facilities or providers may not allow an individual to provide care or have patient access until the applicant is given a provisional status.

(4) The department shall review the information received from the criminal history and background check and determine whether the appli-
cant has a criminal or other relevant record that would disqualify the individual. The department shall determine which crimes disqualify the applicant and for what period of time according to existing rules. The process for the check and the issuance of a clearance or denial is also set forth in existing department rules. The applicant shall be provided an opportunity for a formal review of a denial. The department shall communicate clearance or denial to the applicant and the applicant's employer.

(5) Applicants who knowingly fail to disclose information on the forms provided or who falsify information may be subject to criminal penalties under chapter 32, title 18, Idaho Code.

(6) The department, or an employer of an applicant, who acts in reasonable reliance on the results of the criminal history and background check in making an employment decision, is immune from liability for that decision when it is based on such results.

(7) Clearance through the criminal history and background check process is not a determination of suitability for employment.

SECTION 2. The provisions of this act shall be null, void and of no force and effect on and after September 30, 2007, or when federal funding is no longer available for the costs, whichever occurs first.

Approved April 6, 2005.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 39-118, Idaho Code, be, and the same is hereby amended to read as follows:

39-118. REVIEW OF PLANS. (1) Except as provided for dairy systems pursuant to section 37-401, Idaho Code by subsection (2) of this section, all plans and specifications for the construction of new sewage systems, sewage treatment plants or systems, other waste treatment or disposal facilities, public water supply systems or public water treatment systems or for material modification or expansion to existing sewage treatment plants or systems, waste treatment or disposal facilities, public water supply systems or public water treatment systems, shall be submitted to and approved by the director before construction may begin, and all construction shall be in substantial compliance therewith. Material modifications are those that are intended to increase system capacity or to alter the methods or processes employed. The director shall review plans and specifications and endeavor to resolve design issues within forty-two (42) days of submittal such that approval can be granted. If the director and applicant have not resolved design issues within forty-two (42) days or at any time thereafter, the applicant may file a written demand to the director for a decision. Upon receipt of such written demand, the director shall deliver a written decision to the applicant within no more than seven (7) days explaining any reasons for disapproval. The director shall maintain records of all written demands for decision made pursuant to this subsection with such records including the final decision rendered and the timeliness thereof. No material deviation shall be made from the approved plans and specifications without the prior approval of the director.
(2) Plans meeting the following standards shall not require preconstruction approval by the director:

(a) Plans for dairy systems pursuant to section 37-401, Idaho Code.
(b) Plans developed to evidence compliance with storm water best management practices.
(c) Plans developed for routine maintenance or equipment replacement activities.
(d) Plans for sanitary sewer extensions, water main extensions, and storm drain extensions, when such facilities will be owned and operated by a city, county, quasi-municipal corporation or regulated public utility where such city, county, quasi-municipal corporation or regulated public utility provides for the review of such plans and specifications by a qualified licensed professional engineer to verify compliance with facility standards and approves construction plans prior to initiation of construction. Any plans approved pursuant to this subsection shall be transmitted to the director at the time construction is authorized along with a statement that the plans comply with the facility standards and that construction has been authorized by the public agency or public utility. At the discretion of any city, county, quasi-municipal corporation or regulated public utility, the plans addressed by this subsection may be referred to the director for review and approval prior to initiation of construction.

(3) Within thirty (30) days of the completion of construction, alteration, or modification of any new sewage systems, sewage treatment plants or systems, other waste treatment or disposal facilities, public water supply systems or public water treatment systems, complete and accurate of facilities for which plans are required to be reviewed pursuant to subsection (1) or subsection (2)(d) of this section, record plans and specifications based on information provided by the construction contractor and field observations made by the engineer or the engineer’s designee depicting the actual construction, alteration, or modification of facilities performed must be submitted to the director by the engineer representing the public agency or regulated public utility, if the resultant facilities will be owned and operated by a public agency or regulated public utility, or by the design engineer or owner-designated substitute engineer if the constructed facilities will not be owned and operated by a public agency or regulated public utility. Such submittal by the professional engineer must confirm material compliance with the approved plans or disclose any material deviations therefrom. If construction does not materially deviate from the original plans and specifications previously submitted for approval, provided to the department, the owner may have a statement to that effect shall be prepared by a licensed professional engineer and filed with the director department in lieu of submitting a complete and accurate set of record drawings.

(24) All plans and specifications submitted to satisfy the requirements of subsection (1) of this section and all plans approved pursuant to subsection (2)(d) of this section shall be in compliance with applicable facility and design standards and conform in style and quality to regularly accepted engineering standards. The department shall review plans to determine compliance with applicable facility standards and engineering standards of care. As long as the plans and specifications comply with applicable facility and design standards, the
department shall not substitute its judgment for that of the owner's design engineer concerning the manner of compliance with design standards. Except with respect to plans and specifications for facilities addressed in subsection (35) of this section, and confined animal feeding operations, the board may require that certain types of plans and specifications must be certified stamped by registered professional engineers. If the director determines that any particular facility or category of facilities will produce no significant impact on the environment or on the public health, the director shall be authorized to waive the submittal or approval requirement for that facility or category of facilities.

(35) All plans and specifications for the construction, modification, expansion, or alteration of waste treatment or disposal facilities for aquaculture facilities licensed by the department of agriculture for both commercial fish propagation facilities as defined in section 22-4601, Idaho Code, and sport fish propagation facilities whether private or operated or licensed by the department of fish and game and other aquaculture facilities as defined in the Idaho waste management guidelines for aquaculture operations, shall be submitted to and approved by the director of the department of environmental quality before construction may begin and all construction shall be in compliance therewith. The director shall review plans and specifications within forty-five (45) days of submittal and notify the owner or responsible party of approval or disapproval. In the event of disapproval the director shall provide reasons for disapproval in writing to the owner or responsible party. Plans and specifications shall conform in style and quality to standard industry practices and guidelines developed pursuant to this subsection. The director shall establish industry guidelines or best management practices subcommittees composed of members of the department, specific regulatory agencies for the industry, general public, and persons involved in the industry to develop and update guidelines or best management practices as needed. Within thirty (30) days of the completion of the construction, modification, expansion or alteration of facilities subject to this subsection, the owner or responsible party shall submit a statement to the director that the construction has been completed and is in substantial compliance with the plans and specifications as submitted and approved. The director shall conduct an inspection within sixty (60) days of the date of submission of the statement and shall inform the owner or responsible party of its approval of the construction or in the event of nonapproval, the reasons for nonapproval.

SECTION 2. The Director of the Department of Environmental Quality shall appoint a committee of licensed professional engineers who are regularly engaged in the design of facilities regulated by Section 39-118(1), Idaho Code, to assist the Department of Environmental Quality in establishing facility standards and design standards for such facilities. Such standards shall be adopted no later than June 30, 2006.

AN ACT
RELATING TO AIR QUALITY; AMENDING SECTION 39-115, IDAHO CODE, AS AMENDED BY SECTION 2, HOUSE BILL NO. 230, ENACTED BY THE FIRST REGULAR SESSION OF THE FIFTY-EIGHTH IDAHO LEGISLATURE, TO REVISE PERMIT REQUIREMENTS FOR ANY MAJOR OR MINOR AIR POLLUTION SOURCE IN IDAHO, TO DEFINE A TERM AND TO REVISE STRINGENCY.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 39-115, Idaho Code, as amended by Section 2, House Bill No. 230, enacted by the First Regular Session of the Fifty-eighth Idaho Legislature, be, and the same is hereby amended to read as follows:

39-115. POLLUTION SOURCE PERMITS.
(1) (a) The director shall have the authority to issue pollution source permits in compliance with rules established hereunder.
(b) To determine the applicability of permit requirements for any major or minor air pollution source in Idaho, the department shall develop and recommend to the board for adoption, rules that define "regulated air pollutant" as follows:
(i) For purposes of a major source permit to operate issued or modified by the department in accordance with title V of the federal clean air act amendments of 1990, "regulated air pollutant" shall have the same meaning as in title V of the federal clean air act amendments of 1990, and any applicable federal regulations promulgated pursuant to title V of the federal clean air act amendments of 1990;
(ii) For purposes of any other operating permit issued or modified by the department, the federal definition of "regulated air pollutant" as defined in subsection (1)(b)(i) of this section shall also apply;
(iii) For purposes of any permit to construct issued or modified by the department pursuant to part D of subchapter I of the federal clean air act, "regulated air pollutant" shall mean those air contaminants that are regulated pursuant to part D of subchapter I of the federal clean air act and applicable federal regulations promulgated pursuant to part D of subchapter I of the federal clean air act; and
(iv) For purposes of major source compliance with 42 U.S.C. section 7412(g) and (1)(l), "regulated air pollutant" shall mean those air contaminants that are listed pursuant to 42 U.S.C. section 7412(b); and
(v) For purposes of any other major or minor permit to construct issued or modified by the department, "regulated air pollutant" shall mean those air contaminants that are regulated pursuant to part C of subchapter I of the federal clean air act and any applicable federal regulations promulgated pursuant to part C of subchapter I of the federal clean air act.

(c) To determine the applicability of any permit to construct or permit to operate requirement to any air pollution source in Idaho, fugitive emissions shall not be included in any applicability calculation, unless express interest required by 42 U.S.C. section 7401 et seq. or any implementing regulation promulgated hereunder. The director shall develop and the board shall adopt rules that provide that, for both major and minor source permit applicability determinations, fugitive emissions shall be included only as express interest required by federal law 42 U.S.C. section 7401 et seq. or any implementing regulation promulgated hereunder.

(d) The director shall develop and recommend to the board for adoption through rulemaking, criteria to determine insignificant activities and such sources or modification with emissions at or below the de minimis level which shall not require either a permit to construct or a permit to operate; provided however, that a registration of the activities or sources may be required.

(2) The director shall have the authority to sue in competent courts to enjoin any threatened or continuing:

(a) Violations of pollution source permits or conditions thereof without the necessity of a prior revocation of the permit; or

Nothing herein contained shall regulate, restrict, or prohibit the practice of naturopathy or any naturopathic health care treatment, therapy, or modality, unregulated or permitted by law prior to July 1, 2005, except to the extent that such specific treatment, therapy, or modality, is enumerated herein and requires a license hereunder.

(2) Provided the board determines in good faith that a person is
holding himself or herself out as a naturopathic physician, practicing naturopathic medicine as defined herein or using a title or term set forth in section 54-5103(3), Idaho Code, in violation of this chapter, the board may seek an injunction, provided it has given thirty (30) days' prior written notice to cease and desist against any person who does not comply with such notice and who holds himself or herself out as a naturopathic physician, in violation of this chapter and may, in the event a permanent injunction is entered against such person be entitled to all costs and fees incurred by the board in seeking the injunction.

54-5118. SEVERABILITY. If any provision of this chapter or its application to any person or circumstance is held invalid, the remainder of the chapter or the application of the provision to other persons or circumstances is not affected.

SECTION 2. The Legislature recognizes that the enforcement and administration of Chapter 51, Title 54, Idaho Code, may in some instances involve more than one (1) regulatory board. The Legislature does not intend that there should be any inconsistency in the enforcement of the provisions of Chapter 51, Title 54, Idaho Code. Therefore, the Legislature intends that boards and regulatory bodies seeking to enforce any provision hereof shall coordinate with other affected boards to eliminate duplication of enforcement and inconsistency in rulemaking.

CHAPTER 331
(S.B. No. 1239)

AN ACT
RELATING TO CHANGE OF DITCH, CANAL, LATERAL, DRAIN OR BURIED IRRIGATION CONDUIT; AMENDING SECTION 42-1207, IDAHO CODE, TO PROVIDE THE TIME LIMIT WHEN RESTORATION SHALL BE COMPLETED AND TO ELIMINATE A REQUIREMENT TO RECORD LOCATIONS; AND AMENDING SECTION 18-4308, IDAHO CODE, TO PROVIDE THE TIME LIMIT WHEN RESTORATION SHALL BE COMPLETED AND TO ELIMINATE CRIMINAL PENALTIES FOR FAILURE TO RECORD LOCATIONS.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 42-1207, Idaho Code, be, and the same is hereby amended to read as follows:

42-1207. CHANGE OF DITCH, CANAL, LATERAL, DRAIN OR BURIED IRRIGATION CONDUIT. Where any ditch, canal, lateral or drain or buried irrigation conduit has heretofore been, or may hereafter be, constructed across or beneath the lands of another, the person or persons owning or controlling said land shall have the right at their own expense to change said ditch, canal, lateral or drain or buried irrigation conduit
to any other part of said land, but such change must be made in such a manner as not to impede the flow of the water therein, or to otherwise injure any person or persons using or interested in such ditch, canal, lateral or drain or buried irrigation conduit. Any increased operation and maintenance shall be the responsibility of the landowner who makes the change.

A landowner shall also have the right to bury the ditch, canal, lateral or drain of another in pipe on the landowner's property, provided that the pipe, installation and backfill reasonably meet standard specifications for such materials and construction, as set forth in the Idaho standards for public works construction or other standards recognized by the city or county in which the burying is to be done. The right and responsibility for operation and maintenance shall remain with the owner of the ditch, canal, lateral or drain, but the landowner shall be responsible for any increased operation and maintenance costs, including rehabilitation and replacement, unless otherwise agreed in writing with the owner.

The written permission of the owner of a ditch, canal, lateral, drain or buried irrigation conduit must first be obtained before it is changed or placed in buried pipe by the landowner.

While the owner of a ditch, canal, lateral, drain or buried irrigation conduit shall have no right to relocate it on the property of another without permission, a ditch, canal, lateral or drain owner shall have the right to place it in a buried conduit within the easement or right-of-way on the property of another in accordance with standard specifications for pipe, materials, installation and backfill, as set forth in the Idaho standards for public works construction or other standards recognized by the city or county in which the burying is to be done, and so long as the pipe and the construction is accomplished in a manner that the surface of the owner's property and the owner's use thereof is not disrupted and is restored to the condition of adjacent property as expeditiously as possible, but not to exceed five (5) no longer than thirty (30) days after the start completion of construction. A landowner shall have the right to direct that the conduit be relocated to a different route than the route of the ditch, canal, lateral or drain, provided that the landowner shall agree in writing to be responsible for any increased construction or future maintenance costs necessitated by said relocation. Maintenance of the buried conduit shall be the responsibility of the conduit owner.

No more than five (5) days after the start of construction, a landowner or ditch owner who buries a ditch, canal, lateral or drain in pipe shall record the location and specifications of the buried irrigation or drainage conduit, including primary and secondary easements, in the county in which the burying is done, and shall provide the irrigation or drainage entity that owns the ditch, canal, lateral or drain with a copy of such location and specifications and the construction plans utilized. The irrigation or drainage entity shall keep and maintain such records and have them available for the public.

SECTION 2. That Section 18-4308, Idaho Code, be, and the same is hereby amended to read as follows:
18-4308. CHANGE OF DITCH, CANAL, LATERAL, DRAIN OR BURIED IRRIGATION CONDUIT. Where any ditch, canal, lateral or drain has heretofore been, or may hereafter be, constructed across or beneath the lands of another, the person or persons owning or controlling the said land, shall have the right at his own expense to change said ditch, canal, lateral, drain or buried irrigation conduit to any other part of said land, but such change must be made in such a manner as not to impede the flow of the water therein, or to otherwise injure any person or persons using or interested in such ditch, canal, lateral, drain or buried irrigation conduit. Any increased operation and maintenance shall be the responsibility of the landowner who makes the change.

A landowner shall also have the right to bury the ditch, canal, lateral or drain of another in pipe on the landowner's property, provided that the pipe, installation and backfill reasonably meet standard specifications for such materials and construction, as set forth in the Idaho standards for public works construction or other standards recognized by the city or county in which the burying is to be done. The right and responsibility for operation and maintenance shall remain with the owner of the ditch, canal, lateral or drain, but the landowner shall be responsible for any increased operation and maintenance costs, including rehabilitation and replacement, unless otherwise agreed in writing with the owner.

The written permission of the owner of a ditch, canal, lateral, drain or buried irrigation conduit must first be obtained before it is changed or placed in buried pipe by the landowner.

While the owner of a ditch, canal, lateral, drain or buried irrigation conduit shall have no right to relocate it on the property of another without permission, a ditch, canal, lateral or drain owner shall have the right to place it in a buried conduit within the easement or right-of-way on the property of another in accordance with standard specifications for pipe, materials, installation and backfill, as set forth in the Idaho standards for public works construction or other standards recognized by the city or county in which the burying is to be done, and so long as the pipe and the construction is accomplished in a manner that the surface of the owner's property and the owner's use thereof is not disrupted and is restored to the condition of adjacent property as expeditiously as possible, but not-to-exceed-five-(5) no longer than thirty (30) days after the start completion of construction.

A landowner shall have the right to direct that the conduit be relocated to a different route than the route of the ditch, canal, lateral or drain, provided that the landowner shall agree in writing to be responsible for any increased construction or future maintenance costs necessitated by said relocation. Maintenance of the buried conduit shall be the responsibility of the conduit owner.

Any person or persons who relocate or bury a ditch, canal, lateral or drain contrary to the provisions of this section shall be guilty of a misdemeanor.

CHAPTER 332
(S.B. No. 1240)

AN ACT
RELATING TO THE CHILD PROTECTIVE ACT; AMENDING SECTION 16-1623, IDAHO CODE, TO PROVIDE REQUIREMENTS GOVERNING DEPARTMENT OF HEALTH AND WELFARE EMPLOYEES WHOSE JOB DUTIES ARE RELATED TO THE CHILD PROTECTIVE SERVICES SYSTEM.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 16-1623, Idaho Code, be, and the same is hereby amended to read as follows:

16-1623. POWERS AND DUTIES OF THE DEPARTMENT. The department, working in conjunction with the court and other public and private agencies and persons, shall have the primary responsibility to implement the purpose of this chapter. To this end, the department is empowered and shall have the duty to do all things reasonably necessary to carry out the purpose of this chapter, including, but not limited to, the following:

(a) The department shall administer treatment programs for the protection and care of neglected, abused and abandoned children, and in so doing may place in foster care, shelter care, or other diagnostic, treatment, or care centers or facilities, children of whom it has been given custody. The department is to be governed by the standards found in chapter 12, title 39, Idaho Code.

(b) On December 1, the department shall make an annual statistical report to the governor covering the preceding fiscal year showing the number and status of persons in its custody and including such other data as will provide sufficient facts for sound planning in the conservation of children and youth. All officials and employees of the state and of every county and city shall furnish the department upon request, such information within their knowledge and control as the department deems necessary. Local agencies shall report in such uniform format as may be required by the department.

(c) The department shall be required to maintain a central registry for the reporting of child neglect, abuse and abandonment information. Provided however, that the department shall not retain any information for this purpose relating to a child, or parent of a child, abandoned pursuant to chapter 81, title 39, Idaho Code.

(d) The department shall make periodic evaluation of all persons in its custody or under its supervision for the purpose of determining whether existing orders and dispositions in individual cases shall be modified or continued in force. Evaluations may be made as frequently as the department considers desirable and shall be made with respect to every person at intervals not exceeding six (6) months. Reports of eval-
A valuation made pursuant to this section shall be filed with the court which
vested custody of the person with the department. Reports of evaluation
shall be provided to persons having full or partial legal or physical
custody of a child. Failure of the department to evaluate a person or to
reevaluate him within six (6) months of a previous examination shall not
of itself entitle the person to a change in disposition but shall enti­
tle him, his parent, guardian or custodian or his counsel to petition
the court pursuant to section 16-1611, Idaho Code.

(e) In a consultive capacity, the department shall assist communi­
ties in the development of constructive programs for the protection,
prevention and care of children and youth.

(f) The department shall keep written records of investigations,
evaluations, prognoses and all orders concerning disposition or treat­
ment of every person over whom it has legal custody. Department records
shall be subject to disclosure according to chapter 3, title 9, Idaho
Code, unless otherwise ordered by the court, the person consents to the
disclosure, or disclosure is necessary for the delivery of services to
the person. Notwithstanding the provisions restricting disclosure or the
exemptions from disclosure provided in chapter 3, title 9, Idaho Code,
all records pertaining to investigations, the rehabilitation of youth,
the protection of children, evaluation, treatment and/or disposition
records pertaining to the statutory responsibilities of the department
shall be disclosed to any duly elected state official carrying out his
official functions.

(g) The department shall establish appropriate administrative pro­
cedures for the processing of complaints of child neglect, abuse and
abandonment received and for the implementation of the protection,
treatment and care of children formally or informally placed in the cus­
tody of the department under this chapter including, but not limited to:

(1) Department employees whose job duties are related to the child
protective services system under this chapter shall first be trained
as to their obligations under this chapter regarding the protection
of children whose health and safety may be endangered. The curricu­
lum shall include information regarding their legal duties, how to
conduct their work in conformity with the requirements of this chap­
ter, information regarding applicable federal and state laws with
regard to the rights of the child, parent and others who may be
under investigation under the child protective services system, and
the applicable legal and constitutional parameters within which they
are to conduct their work.

(2) Department employees whose job duties are related to the child
protective services system shall advise the individual of the com­
plaints or allegations made against the individual at the time of
the initial contact, consistent with protecting the identity of the
referred.

(h) The department having been granted legal custody of a child,
subject to the judicial review provisions of this subsection, shall have
the right to determine where and with whom the child shall live, pro­
vided that the child shall not be placed outside the state without the
court's consent. Provided however, that the court shall retain jurisdic­
tion over the child, which jurisdiction shall be entered on any order or
petition granting legal custody to the department, and the court shall
have jurisdiction over all matters relating to the child. The department
shall not place the child in the home from which the court ordered the
child removed without first obtaining the approval of the court.

(i) The department shall give to the court any information concern­
ing the child that the court may at any time require, but in any event
shall report the progress of the child under its custody at intervals of
not to exceed six (6) months. The department shall file with the court
at least five (5) days prior to the permanency hearing under section
16-1611, Idaho Code, the permanency plan and recommendations of the
department. There shall be a rebuttable presumption that if a child is
placed in the custody of the department and was also placed in out of
the home care for a period not less than fifteen (15) out of the last
twenty-two (22) months from the date the child entered shelter care, the
department shall initiate a petition for termination of parental rights.
This presumption may be rebutted by a finding of the court that the fil­
ing of a petition for termination of parental rights would not be in the
best interests of the child or reasonable efforts have not been provided
to reunite the child with his family, or the child is placed permanently
with a relative.

(j) The department shall establish appropriate administrative pro­
cedures for the conduct of administrative reviews and hearings as
required by federal statute for all children committed to the department
and placed in out of the home care.

(k) At any time the department is considering a placement pursuant
pursuant to this act, the department shall make a reasonable effort to place the
child in the least disruptive environment to the child and in so doing
may consider, without limitation, placement of the child with related
persons.

CHAPTER 333
(H.B. No. 130, As Amended, As Amended in the Senate)

COLLISION WHICH IS INVESTIGATED BY A LAW ENFORCEMENT AGENCY, THAT
PERSON'S AUTHORIZED LEGAL REPRESENTATIVE AND THE INSURER SHALL HAVE

SECTION 1. That Section 9-335, Idaho Code, be, and the same is
hereby amended to read as follows:

9-335. EXEMPTIONS FROM DISCLOSURE -- CONFIDENTIALITY. (1) Notwith­
standing any statute or rule of court to the contrary, nothing in this
chapter nor chapter 10, title 59, Idaho Code, shall be construed to
require disclosure of investigatory records compiled for law enforcement
purposes by a law enforcement agency, but such exemption from disclosure
applies only to the extent that the production of such records would:
(a) Interfere with enforcement proceedings;
(b) Deprive a person of a right to a fair trial or an impartial adjudication;
(c) Constitute an unwarranted invasion of personal privacy;
(d) Disclose the identity of a confidential source and, in the case of a record compiled by a criminal law enforcement agency in the course of a criminal investigation, confidential information furnished only by the confidential source;
(e) Disclose investigative techniques and procedures; or
(f) Endanger the life or physical safety of law enforcement personnel.

(2) Notwithstanding subsection (1) of this section, any person involved in a motor vehicle collision which is investigated by a law enforcement agency, that person's authorized legal representative and the insurer shall have a right to a complete, unaltered copy of the impact report, or its successors, and the final report prepared by the agency.

(3) An inactive investigatory record shall be disclosed unless the disclosure would violate the provisions of subsection (1)(a) through (f) of this section. Investigatory record as used herein means information with respect to an identifiable person or group of persons compiled by a law enforcement agency in the course of conducting an investigation of a specific act or omission and shall not include the following information:
(a) The time, date, location, and nature and description of a reported crime, accident or incident;
(b) The name, sex, age, and address of a person arrested, except as otherwise provided by law;
(c) The time, date, and location of the incident and of the arrest;
(d) The crime charged;

(3) Whenever it is made to appear by verified petition to the district court of the county where the records or some part thereof are situated that certain investigatory records are being improperly withheld from a member of the public, the court shall order the officer or person charged with withholding the records to disclose the investigatory record or show cause why he should not do so. The court shall decide the case after examining the record in camera, papers filed by the parties, and such oral argument and additional evidence as the court may allow.

If the court finds that the public official's decision to refuse disclosure is not justified, he shall order the public officials to make the record public. If the judge determines that the public official was justified in refusing to make the record public, he shall return the item to the public official without disclosing its content with an order supporting the decision refusing disclosure. Any person who fails to
obey the order of the court shall be cited to show cause why he is not in contempt of court. The court may, in its discretion, award costs and fees to the prevailing party.

(91) "Existing use" means those surface water uses actually attained on or after November 28, 1975, whether or not they are designated uses. Existing uses may form the basis for subcategories of designated uses.

(102) "Full protection, full support, or full maintenance of designated beneficial uses of water" means compliance with those levels of water quality criteria listed in the appropriate rules of the department, or where there is no applicable numerical criteria, compliance with the reference streams or conditions approved by the director in consultation with the appropriate basin advisory group.

(113) "Lower water quality" means a measurable adverse change in a chemical, physical, or biological parameter of water relevant to a designated beneficial use, and which can be expressed numerically. Measurable adverse change is determined by a statistically significant difference between sample means using standard methods for analysis and statistical interpretation appropriate to the parameter. Statistical significance is defined as the ninety-five percent (95%) confidence limit when significance is not otherwise defined for the parameter in standard methods or practices.

(124) "National pollutant discharge elimination system (NPDES)" means the point source permitting program established pursuant to section 402 of the federal clean water act.

(135) "New nonpoint source activity" means a new nonpoint source activity or a substantially modified existing nonpoint source activity on or adversely affecting an outstanding resource water which includes, but is not limited to, new silvicultural activities, new mining activities and substantial modifications to an existing mining permit or approved plan, new recreational activities and substantial modifications to existing recreational activities, new residential or commercial development that includes soil disturbing activities, new grazing activities and substantial modifications to existing grazing activities, except that reissuance of existing grazing permits, or grazing activities and practices authorized under an existing permit, is not considered a new activity. It does not include naturally occurring events such as floods, landslides, and wildfire including prescribed natural fire.

(146) "Nonpoint source activities" includes grazing, crop production, silviculture, log storage or rafting, construction, mining, recreation, septic systems, runoff from storms and other weather related events and other activities not subject to regulation under the federal national pollutant discharge elimination system. Nonpoint source activities on waters designated as outstanding resource waters do not include issuance of water rights permits or licenses, allocation of water
rights, operation of diversions, or impoundments.

(157) "Nonpoint source runoff" means water which may carry pollutants from nonpoint source activities into the waters of the state.

(168) "Outstanding resource water" means a high quality water, such as water of national and state parks and wildlife refuges and water of exceptional recreational or ecological significance, which has been so designated by the legislature. It constitutes an outstanding national or state resource that requires protection from point source and nonpoint source activities that may lower water quality.

(179) "Person" means any individual, association, partnership, firm, joint stock company, joint venture, trust, estate, political subdivision, public or private corporation, state or federal governmental department, agency or instrumentality, or any legal entity, which is recognized by law as the subject of rights and duties.

(1820) "Point source" means any discernible, confined, and discrete conveyance including, but not limited to, any pipe, ditch, channel, tunnel, conduit, well, discrete fissure, container, rolling stock, concentrated animal feeding operation, or vessel or other floating craft, from which pollutants are, or may be, discharged. This term does not include return flows from irrigated agriculture, discharges from dams and hydroelectric generating facilities or any source or activity considered a nonpoint source by definition.

(1921) "Pollutant" means dredged spoil, solid waste, incinerator residue, sewage, garbage, sewage sludge, munitions, chemical waste, biological materials, radioactive materials, heat, wrecked or discarded equipment, rock, sand, silt, cellar dirt; and industrial, municipal and agricultural waste, gases entrained in water; or other materials which, when discharged or released to water in excessive quantities cause or contribute to water pollution. Provided however, biological materials shall not include live or occasional dead fish that may accidentally escape into the waters of the state from aquaculture facilities.

(202) "Reference stream or condition" means one (1) of the following:

(a) The minimum biological, physical and chemical conditions necessary to fully support the designated beneficial uses; or
(b) A water body representing natural conditions with few impacts from human activities and which are representative of the highest level of support attainable in the basin; or
(c) A water body representing minimum conditions necessary to fully support the designated beneficial uses.

In highly mineralized areas or in the absence of such reference streams or water bodies, the director, in consultation with the basin advisory group and the technical advisers to it, may define appropriate hypothetical reference conditions or may use monitoring data specific to the site in question to determine conditions in which the beneficial uses are fully supported.

(213) "Short-term or temporary activity" means an activity which is limited in scope and is expected to have only minimal impact on water quality as determined by the director. Short-term or temporary activities include, but are not limited to, maintenance of existing structures, limited road and trail reconstruction, soil stabilization measures, and habitat enhancement structures.

(224) "Silviculture" means those activities associated with the regeneration, growing and harvesting of trees and timber including, but
not limited to, disposal of logging slash, preparing sites for new stands of trees to be either planted or allowed to regenerate through natural means, road construction and road maintenance, drainage of surface water which inhibits tree growth or logging operations, fertilization, application of herbicides or pesticides, all logging operations, and all forest management techniques employed to enhance the growth of stands of trees or timber.

(235) "Soil conservation commission" means an agency of state government as created in section 22-2718, Idaho Code.

(246) "Soil conservation district" means an entity of state government as defined in section 22-2717, Idaho Code.

(257) "State" means the state of Idaho.

(268) "State water quality management plan" means the state management plan developed and updated by the department in accordance with sections 205, 208, and 303 of the federal clean water act.

(29) "Subbasin assessment" means a document that describes a watershed for which a total maximum daily load is proposed, the water quality concerns, the status and attainability of designated uses and water quality criteria for individual water bodies, the nature and location of pollutant sources, past and ongoing pollutant control activities, and such other information that the director with the advice of the local watershed advisory group determines is pertinent to the analysis of water quality and the development and implementation of a total maximum daily load.

(270) "Total maximum daily load (TMDL)" means a plan for a water body not fully supporting designated beneficial uses and includes the sum of the individual wasteload allocations for point sources, load allocations for nonpoint sources, and natural background levels of the pollutant impacting the water body. Pollutant allocations established through TMDLs shall be at a level necessary to implement the applicable water quality standards for the identified pollutants with seasonal variations and a margin of safety to account for uncertainty concerning the relationship between the pollutant loading and water quality standards.

(283) "Waters or water body" means all the accumulations of surface water, natural and artificial, public and private, or parts thereof which are wholly or partially within, flow through or border upon this state. For the purposes of this chapter, water bodies shall not include municipal or industrial wastewater treatment or storage structures or private reservoirs, the operation of which has no effect on waters of the state.

(293) "Water pollution" is such alteration of the thermal, chemical, biological or radioactive properties of any waters of the state, or such discharge or release of any contaminant into the waters of the state as will or is likely to create a nuisance or render such waters harmful or detrimental or injurious to public health, safety or welfare or to domestic, commercial, industrial, recreational, aesthetic or other legitimate uses or to livestock, wild animals, birds, fish or other aquatic life.

(33) "Water quality standards" are the designated uses of a water body and water quality criteria necessary to support those uses, and an antidegradation policy.

(364) "Watersheds" means the land area from which water flows into a stream or other body of water which drains the area. For the purposes
of this chapter, the area of watersheds shall be recommended by the basin advisory group described in section 39-3613, Idaho Code.

SECTION 2. That Section 39-3611, Idaho Code, be, and the same is hereby amended to read as follows:

39-3611. DEVELOPMENT AND IMPLEMENTATION OF TOTAL MAXIMUM DAILY LOAD OR EQUIVALENT PROCESSES. (1) For water bodies described in section 39-3609, Idaho Code, the director shall, in accordance with the priorities set forth in section 39-3610, Idaho Code, and in accordance with sections 39-3614 and through 39-3616, Idaho Code, and as required by the federal clean water act, prepare a subbasin assessment and develop a total maximum daily load to control allocate pollutant loads to point source and nonpoint sources of pollution on that discharge pollutants to the water body.

(2) Upon the completion of a total maximum daily load, the director shall publish notice of the final decision on the TMDL in the Idaho administrative bulletin and provide written notice to members of the applicable watershed advisory group. The director's final decision shall be based upon a record that provides the basis for the total maximum daily load. The rulemaking provisions in sections 67-5220 through 67-5231, Idaho Code, shall not apply to TMDLs. The director's final decision regarding a TMDL may be appealed to the board of environmental quality in accordance with section 39-107(5), Idaho Code, and the rules governing such appeals. The time for appeal to the board shall commence upon publication in the administrative bulletin. The board's final decision is subject to judicial review under section 39-107(6), Idaho Code. The provisions of this subsection shall apply to all total maximum daily loads developed by the director after January 1, 1995. Provided however, that the rulemaking provisions in sections 67-5220 through 67-5231, Idaho Code, shall apply to TMDLs for metals in the Coeur d'Alene River Basin, upstream from the head of the Spokane River. Provided further, that nothing herein shall modify the requirement that water quality standards be promulgated as rules of the department pursuant to title 67, chapter 52, Idaho Code. (3) For water bodies where an applicable water quality standard has not been attained due to impacts that occurred prior to 1972, no further restrictions under a total maximum daily load process shall be placed on a point source discharge unless the point source contribution of a pollutant exceeds twenty-five percent (25%) of the total load for that pollutant. Existing uses shall be maintained on all such water bodies.

(4) Subbasin assessments and total maximum daily load processes developed pursuant to this section shall include, but not be limited to: (a) Identification of pollutant(s) impacting the water body; (b) An inventory of all point and nonpoint sources of the identified pollutant(s), if practical, or an analysis of the land types, land uses and geographical features within the watershed that may be contributing identified pollutants to the water body; (c) An analysis of why current control strategies are not effective in assuring full support of designated beneficial uses; (d) A plan to monitor and evaluate progress toward meeting water quality progress--and--to-assure--when-designated-beneficial-uses will be fully-supported standards; (e) Pollution control strategies for both point sources and
nonpoint sources; for reducing those sources of pollution;
(f) Identification of the period of time necessary to achieve full
support of designated beneficial uses through implementation of pol­
lution control strategies, which takes into account any expected
changes to applicable water quality standards; and
(g) An adequate margin of safety to account for uncertainty.
(5) Point source discharges for which a national pollutant dis­
charge elimination system permit is approved after January 1, 1995,
shall be deemed to have met the requirements of this section.
(6) No instream target for a pollutant shall be set as part of a
TMDL process unless the data and analysis in the subbasin assessment
demonstrate that the pollutant is causing or contributing to a violation
of a water quality standard in the stream for which the TMDL is being
developed. If a pollutant load is allocated to a tributary inflow as
part of a downstream TMDL, the director shall develop a plan to meet
such allocation in consultation with the tributary watershed advisory
group as provided in subsection (8) of this section.
(7) The director shall review and reevaluate each TMDL, supporting
subbasin assessment, implementation plan(s) and all available data peri­
odically at intervals of no greater than five (5) years. Such reviews
shall include the assessments required by section 39-3607, Idaho Code,
and an evaluation of the water quality criteria, instream targets, pol­
lutant allocations, assumptions and analyses upon which the TMDL and
subbasin assessment were based. If the members of the watershed advisory
group, with the concurrence of the basin advisory group, advise the
director that the water quality standards, the subbasin assessment, or
the implementation plan(s) are not attainable or are inappropriate based
upon supporting data, the director shall initiate the process or proc­
esses to determine whether to make recommended modifications. The direc­
tor shall report to the legislature annually the results of such
reviews.
(8) Each TMDL and any supporting subbasin assessment shall be
developed and periodically reviewed and modified in consultation with
the watershed advisory group for the watershed in which the water bodies
are located. Consultation shall include, but not be limited to:
(a) Upon request, providing the watershed advisory group with all
available information in the possession of the department concerning
applicable water quality standards, water quality data, monitoring,
assessments, reports, procedures and schedules for developing and
submitting the TMDL and any supporting subbasin assessment to the
United States environmental protection agency;
(b) Utilizing the knowledge, expertise, experience and information
of the watershed advisory group in assessing the status,
attainability or appropriateness of water quality standards, and in
developing a TMDL and any supporting subbasin assessment; and
(c) Providing the watershed advisory group with an adequate oppor­
tunity to participate in drafting the documents for the TMDL and any
supporting subbasin assessment and to suggest changes to the docu­
ments.
(9) No TMDL shall be published for public comment or submitted for
approval to the United States environmental protection agency until con­
sultation, as herein provided, has occurred. If, after consultation, the
watershed advisory group disagrees with the TMDL or any supporting
subbasin assessment, or has determined that applicable water quality
standards should be reevaluated or revised, such position and the basis therefor shall be documented in the public notice of availability to the TMDL and any supporting subbasin assessment for review, and in any submission of the same to the United States environmental protection agency. The director shall respond to the points raised by the watershed advisory group and shall document the response in the final decision.

(10) Nothing in this section shall be interpreted as requiring best management practices for agricultural nonpoint source activities which are not adopted on a voluntary basis, nor shall this section be interpreted to relieve any person from the responsibility to comply with the Idaho forest practices act.

SECTION 3. That Section 39-3615, Idaho Code, be, and the same is hereby amended to read as follows:

39-3615. CREATION OF WATERSHED ADVISORY GROUPS. Basin advisory groups shall identify representatives of the industries and other interests affected by the management of water quality within a watershed who are prospective members of an advisory group for the watershed and shall advise the director of their findings. The director, with the advice of the appropriate basin advisory group, shall name watershed advisory groups which will generally advise the department on the appropriateness, attainability and status of existing and designated beneficial uses and water quality criteria within the watershed, and on the development and implementation of TMDLs and other state water quality plans, including those specific actions needed to control point and nonpoint sources of pollution within the watersheds of those water bodies where designated beneficial uses are not fully supported. Each watershed advisory group shall be formed early enough to complete consultation, as provided in section 39-3611(8), Idaho Code, prior to the date the TMDL and any supporting subbasin assessment is scheduled to be submitted to the United States environmental protection agency for approval.

If the members of the watershed advisory group, with the concurrence of the basin advisory group, advise the director that applicable water quality standards within the watershed are not attainable or are inappropriate based upon supporting data, the director shall initiate the process or processes to assess such standards and to change or remove the standards that are shown by the assessment to be unattainable or inappropriate, consistent with this chapter.

Members of each watershed advisory group shall be representative of the industries and interests affected by the management of that watershed along with representatives of local government and shall, where appropriate, include a representative from each of the following: agriculture, mining, point source dischargers, forest products, local government, livestock, Indian tribes (for areas within reservation boundaries), water-based recreation, environmental interests and the land managing or regulatory agencies with an interest in the management of that watershed and the quality of the water bodies within it.

Members of each watershed advisory group shall serve and shall not be reimbursed for their expenses during their term of service.

SECTION 4. That Section 39-3616, Idaho Code, be, and the same is hereby amended to read as follows:
39-3616. DUTIES OF EACH WATERSHED ADVISORY GROUP. Each watershed advisory group shall generally be responsible for recommending those specific actions needed to control point and nonpoint sources of pollution within the watershed so that, within reasonable periods of time, designated beneficial uses are fully supported and other state water quality plans are achieved. Watershed advisory groups shall, as described in this chapter, consult with the director and participate in the development of each TMDL and any supporting subbasin assessment for water bodies within the watershed, and shall develop and recommend actions needed to effectively control sources of pollution. In carrying out the provisions of this section, the director and the watershed advisory groups shall employ all means of public involvement deemed necessary or required in chapter 52, title 67, Idaho Code, and shall cooperate fully with the public involvement or planning processes of other appropriate public agencies.

SECTION 5. An emergency existing therefor, which emergency is hereby declared to exist, this act shall be in full force and effect on and after its passage and approval, and, notwithstanding any other provision of law, shall apply to any subbasin assessment or total maximum daily load pending on the effective date of this act or initiated subsequent to the effective date of this act.

(2) Each school district shall have a support program for certificated employees who are experiencing their first three (3) years with the district, under a category 1, 2 or 3 contract, providing support in the areas of administrative and supervisory support, mentoring, peer assistance and professional development. In developing support programs, nothing shall prevent districts from joining together to formulate a joint program applicable to each member district. Programs shall be submitted for approval to the state department of education in accordance with procedures established by the department. The state department of education is hereby authorized and directed to:

(a) Formulate basic guidelines which districts shall use as a model for developing district programs;
(b) Approve school district support programs;
(c) Establish procedures for districts to submit programs for approval, to provide for periodic review of previously approved programs, and to allow districts to amend previously approved programs;

(3) There shall be three (3) categories of annual contracts available to local school districts under which to employ certificated personnel:

(a) A category 1 contract is a limited one-year contract as provided in section 33-514A, Idaho Code.
(b) A category 2 contract is for certificated personnel in the first and second years of continuous employment with the same school district. While employed under a category 2 contract, the employee shall be provided the services of the district support program referenced in subsection (2) of this section; Upon the decision by a
local school board not to reemploy the person for the following year, the certificated employee shall be provided a written statement of reasons for non-reemployment by no later than May 25. No property rights shall attach to a category 2 contract and therefore the employee shall not be entitled to a review by the local board of the reasons or decision not to reemploy.

(c) A category 3 contract is for certificated personnel during the third year of continuous employment by the same school district. District procedures shall require at least one (1) evaluation prior to the beginning of the second semester of the school year and the results of any such evaluation shall be made a matter of record in the employee's personnel file. When any such employee's work is found to be unsatisfactory a defined period of probation shall be established by the board, but in no case shall a probationary period be less than eight (8) weeks. After the probationary period, action shall be taken by the board as to whether the employee is to be retained, immediately discharged, discharged upon termination of the current contract or reemployed at the end of the contract term under a continued probationary status. Notwithstanding the provisions of sections 67-2344 and 67-2345, Idaho Code, a decision to place certificated personnel on probationary status may be made in executive session and the employee shall not be named in the minutes of the meeting. A record of the decision shall be placed in the employee's personnel file. This procedure shall not preclude recognition of unsatisfactory work at a subsequent evaluation and the establishment of a reasonable period of probation. In all instances, the employee shall be duly notified in writing of the areas of work which are deficient, including the conditions of probation. Each such certificated employee on a category 3 contract shall be given notice, in writing, whether he or she will be reemployed for the next ensuing year. Such notice shall be given by the board of trustees no later than the twenty-fifth day of May of each such year. If the board of trustees has decided not to reemploy the certificated employee, then the notice must contain a statement of reasons for such decision and the employee shall, upon request, be given the opportunity for an informal review of such decision by the board of trustees. The parameters of an informal review shall be determined by the local board.

(43) School districts hiring an employee who has been on renewable contract status with another Idaho district or has out-of-state experience which would otherwise qualify the certificated employee for renewable contract status in Idaho, shall have the option to immediately grant renewable contract status, or to place the employee on a category 3 annual contract. Such employment on a category 3 contract under the provisions of this subsection may be for one (1), two (2) or three (3) years.

(54) There shall be a minimum of two (2) written evaluations in each of the annual contract years of employment, and at least one (1) evaluation shall be completed before January 1 of each year. The provisions of this subsection (54) shall not apply to employees on a category 1 contract.

In the event of a violation referred to in subsections (d) and (e) of this section, the board may proceed without an administrative action, hearing or decision to exercise the remedies set forth in said subsections. Additionally, no administrative action, hearing or decision shall be required from the Idaho board of environmental quality prior to the board proceeding under subsections (d) and (e) of this section. said reclamation plan or bond. Upon a showing of good cause therefor, the temporary restraining order may require the defendant to perform reclamation of the mined area in conformity with sections 47-1509 and 47-1510, Idaho Code, pending final disposition of the action. The action shall then proceed as in other cases for injunctions. If it is established at trial that the defendant has operated without an approved reclamation plan or bond, the court shall enter, in addition to any other order, a decree enjoining the defendant, his agents and employees from thereafter conducting such activities or similar actions in violation of this act chapter. The board may, in conjunction with its injunctive procedures, proceed in the same or in a separate action to recover from an operator who is conducting surface mining or exploration operations without the required plan or bond, the cost of performing the reclamation activities required by sections 47-1509 and 47-1510, Idaho Code, from any such operator who has not filed a bond to cover the cost of the reclamation required.

(f) In addition to the procedures set forth in subsections (a), (d) and (e) of this section, and in addition to the civil penalty provided in subsection (c) of this section, any operator who violates any of the provisions of this act chapter or rules adopted pursuant thereto, or who fails to perform the duties imposed by these provisions, or who violates any determination or order promulgated pursuant to the provisions of this act chapter, shall be liable to a civil penalty of not less than five hundred dollars ($500) nor more than two thousand five hundred dollars ($2,500) for each day during which such violation continues, and in addition may be enjoined from continuing such violation. Such penalties shall be recoverable in an action brought in the name of the state of Idaho by the attorney general in the district court for the county where the violation, or some part thereof, occurs, or in the district court for the county wherein the defendant resides.

(1) All sums recovered related to the reclamation provisions of this chapter shall be placed in the state treasury and credited to the surface mining reclamation fund, which is hereby created, to be used to reclaim affected lands and to administer this act chapter provisions of this chapter.

(2) All sums recovered related to the cyanidation facility closure provisions of this chapter shall be placed in the state treasury and credited to the cyanidation facility closure fund, which is hereby created. Moneys in the fund may be expended pursuant to appropriation and used to complete permanent closure activities and to administer the permanent closure provisions of this chapter.

(3) Any unencumbered and unexpended balances in the surface mining reclamation fund and the cyanidation facility closure fund remaining at the end of a fiscal year shall not lapse but shall be carried forward until expended or modified by subsequent statute.

If you refuse to submit to or if you fail to complete and pass evidentiary testing for alcohol or other intoxicating substances:
(a) The peace officer will seize your driver's license and issue a notice of suspension and a temporary driving permit to you, but no peace officer will issue you a temporary driving permit if your driver's license or permit has already been and is suspended or revoked. No peace officer shall issue a temporary driving permit to a driver of a commercial vehicle who refuses to submit to or fails to complete and pass an evidentiary test;
(b) You have the right to request a hearing within seven (7) days of the notice of suspension of your driver's license to show cause why you refused to submit to or to complete and pass evidentiary testing and why your driver's license should not be suspended;

Any rules of the Idaho state police shall be in accordance with the following: a test for alcohol concentration in breath as defined in section 18-8004, Idaho Code, and subsection (1)(e) of this section will be valid for the purposes of this section if the breath alcohol testing instrument was approved for testing by the Idaho state police in accordance with section 18-8004, Idaho Code, at any time within ninety (90) days before the evidentiary testing. A test for alcohol concentration in blood or urine as defined in section 18-8004, Idaho Code, that is reported by the Idaho state police or by any laboratory approved by the Idaho state police to perform this test will be valid for the purposes of this section.
(4) Suspension.
(a) Upon receipt of the sworn statement of a peace officer that there existed legal cause to believe a person had been driving or was in actual physical control of a motor vehicle while under the influence of alcohol, drugs or other intoxicating substances and that the person submitted to a test and the test results indicated
an alcohol concentration or the presence of drugs or other intoxicating substances in violation of section 18-8004, 18-8004C or 18-8006, Idaho Code, the department shall suspend the person's driver's license, driver's permit, driving privileges or nonresident driving privileges:

(i) For a period of ninety (90) days for a first failure of evidentiary testing under the provisions of this section. The first thirty (30) days of the suspension shall be absolute and the person shall have absolutely no driving privileges of any kind. Restricted noncommercial vehicle driving privileges applicable during the remaining sixty (60) days of the suspension may be requested as provided in subsection (9) of this section.

(ii) For a period of one (1) year for a second and any subsequent failure of evidentiary testing under the provisions of this section within the immediately preceding five (5) years. No driving privileges of any kind shall be granted during the suspension imposed pursuant to this subsection.

The person may request an administrative hearing on the suspension as provided in subsection (7) of this section. Any right to contest the suspension shall be waived if a hearing is not requested as therein provided.

(b) The suspension shall become effective thirty (30) days after service upon the person of the notice of suspension. The notice shall be in a form provided by the department and shall state:

(i) The reason and statutory grounds for the suspension;
(ii) The effective date of the suspension;
(iii) The suspension periods to which the person may be subject as provided in subsection (4)(a) of this section;
(iv) The procedures for obtaining restricted noncommercial vehicle driving privileges;
(v) The rights of the person to request an administrative hearing on the suspension and that if an administrative hearing is not requested within seven (7) days of service of the notice of suspension the right to contest the suspension shall be waived;
(vi) The procedures for obtaining an administrative hearing on the suspension;
(vii) The right to judicial review of the hearing officer's decision on the suspension and the procedures for seeking such review.

(5) Service of suspension by peace officer or the department. If the driver submits to evidentiary testing after the information in subsection (2) of this section has been provided and the results of the test indicate an alcohol concentration or the presence of drugs or other intoxicating substances in violation of the provisions of section 18-8004, 18-8004C or 18-8006, Idaho Code:

(a) The peace officer shall take possession of the person's driver's license, shall issue a temporary permit which shall be valid for a period not to exceed thirty (30) days from the date of issuance, and, acting on behalf of the department, will serve the person with a notice of suspension in the form and containing the information required under subsection (4) of this section. The department may serve the person with a notice of suspension if the peace offi-
cer failed to issue the notice of suspension or failed to include the date of service as provided in subsection (4)(b) of this section.

(b) Within five (5) business days following service of a notice of suspension the peace officer shall forward to the department a copy of the completed notice of suspension form upon which the date of service upon the driver shall be clearly indicated, a copy of any completed temporary permit form along with any confiscated driver's license, a certified copy or duplicate original of the results of all tests for alcohol concentration, as shown by analysis of breath administered at the direction of the peace officer, and a sworn statement of the officer, which may incorporate any arrest or incident reports relevant to the arrest and evidentiary testing setting forth:

(i) The identity of the person;
(ii) Stating the officer's legal cause to stop the person;
(iii) Stating the officer's legal cause to believe that the person had been driving or was in actual physical control of a motor vehicle while under the influence of alcohol, drugs or other intoxicating substances in violation of the provisions of section 18-8004, 18-8004C or 18-8006, Idaho Code;
(iv) That the person was advised of the consequences of taking and failing the evidentiary test as provided in subsection (2) of this section;
(v) That the person was lawfully arrested;
(vi) That the person was tested for alcohol concentration, drugs or other intoxicating substances as provided in this chapter, and that the results of the test indicated an alcohol concentration or the presence of drugs or other intoxicating substances in violation of the provisions of section 18-8004, 18-8004C or 18-8006, Idaho Code.

If an evidentiary test of blood or urine was administered rather than a breath test, the peace officer or the department shall serve the notice of suspension once the results are received. The sworn statement required in this subsection shall be made on forms in accordance with rules adopted by the department.

(c) The department may serve the person with a notice of suspension if the peace officer failed to issue the notice of suspension or failed to include the date of service as provided in subsection (4)(b) of this section.

(6) Additional tests. After submitting to evidentiary testing at the request of the peace officer, the person may, when practicable, at his own expense, have additional tests for alcohol concentration or for the presence of drugs or other intoxicating substances made by a person of his own choosing. The person's failure or inability to obtain additional tests shall not preclude admission of the results of evidentiary tests administered at the direction of the peace officer unless additional testing was denied by the peace officer.

(7) Administrative hearing on suspension. A person who has been served with a notice of suspension after submitting to an evidentiary test may request an administrative hearing on the suspension before a hearing officer designated by the department. The request for hearing shall be in writing and must be received by the department within seven (7) calendar days of the date of service upon the person of the notice
of suspension, and shall include what issue or issues shall be raised at the hearing. The date on which the hearing request was received shall be noted on the face of the request.

If a hearing is requested, the hearing shall be held within twenty (20) days of the date the hearing request was received by the department unless this period is, for good cause shown, extended by the hearing officer for one ten (10) day period. Such extension shall not operate as a stay of the suspension and any temporary permit shall expire thirty (30) days after service of the notice of suspension, notwithstanding an extension of the hearing date beyond such thirty (30) day period. Written notice of the date and time of the hearing shall be sent to the party requesting the hearing at least seven (7) days prior to the scheduled hearing date. The department may conduct all hearings by telephone if each participant in the hearing has an opportunity to participate in the entire proceeding while it is taking place.

The hearing shall be recorded. The sworn statement of the arresting officer, and the copy of the notice of suspension and any temporary permit issued by the officer shall be admissible at the hearing without further evidentiary foundation. The results of any tests for alcohol concentration or the presence of drugs or other intoxicating substances by analysis of blood, urine or breath administered at the direction of the peace officer and the records relating to calibration, certification, approval or quality control pertaining to equipment utilized to perform the tests shall be admissible as provided in section 18-8004(4), Idaho Code. The arresting officer shall not be required to participate unless directed to do so by a subpoena issued by the hearing officer.

The burden of proof shall be on the person requesting the hearing. The hearing officer shall not vacate the suspension unless he finds, by a preponderance of the evidence, that:

(a) The peace officer did not have legal cause to stop the person; or
(b) The officer did not have legal cause to believe the person had been driving or was in actual physical control of a vehicle while under the influence of alcohol, drugs or other intoxicating substances in violation of the provisions of section 18-8004, 18-8004C or 18-8006, Idaho Code; or
(c) The test results did not show an alcohol concentration or the presence of drugs or other intoxicating substances in violation of section 18-8004, 18-8004C or 18-8006, Idaho Code; or
(d) The tests for alcohol concentration, drugs or other intoxicating substances administered at the direction of the peace officer were not conducted in accordance with the requirements of section 18-8004(4), Idaho Code, or the testing equipment was not functioning properly when the test was administered; or
(e) The person was not informed of the consequences of submitting to evidentiary testing as required in subsection (2) of this section.

If the hearing officer finds that the person has not met his burden of proof, he shall sustain the suspension. The hearing officer shall make findings of fact and conclusions of law on each issue and shall enter an order vacating or sustaining the suspension. If the suspension is vacated, the person's driver's license, unless unavailable by reason of an existing suspension, revocation, cancellation, disqualification or denial shall be returned to him. The findings of fact, conclusions of
law and order entered by the hearing officer shall be considered a final order pursuant to the provisions of chapter 52, title 67, Idaho Code, except that motions for reconsideration of such order shall be allowed and new evidence can be submitted.

The facts as found by the hearing officer shall be independent of the determination of the same or similar facts in the adjudication of any criminal charges arising out of the same occurrence. The disposition of those criminal charges shall not affect the suspension required to be imposed under the provisions of this section. If a license is suspended under this section and the person is also convicted on criminal charges arising out of the same occurrence for a violation of the provisions of section 18-8004, 18-8004C or 18-8006, Idaho Code, both the suspension under this section and the suspension imposed pursuant to the provisions of section 18-8005 or 18-8006, Idaho Code, shall be imposed, but the periods of suspension shall run concurrently, with the total period of suspension not to exceed the longer of the applicable suspension periods, unless the court ordering the suspension in the criminal case orders to the contrary.

(8) Judicial review. A party aggrieved by the decision of the hearing officer may seek judicial review of the decision in the manner provided for judicial review of final agency action provided in chapter 52, title 67, Idaho Code.

(9) Restricted noncommercial vehicle driving privileges. A person served with a notice of suspension for ninety (90) days pursuant to this section may apply to the department for restricted noncommercial vehicle driving privileges, to become effective after the thirty (30) day absolute suspension has been completed. The request may be made at any time after service of the notice of suspension. Restricted noncommercial vehicle driving privileges will be issued for the person to travel to and from work and for work purposes not involving operation of a commercial vehicle, to attend an alternative high school, work on a GED, for postsecondary education, or to meet the medical needs of the person or his family if the person is eligible for restricted noncommercial vehicle driving privileges. Any person whose driving privileges are suspended under the provisions of this chapter may be granted privileges to drive a noncommercial vehicle but shall not be granted privileges to operate a commercial motor vehicle.

(10) Rules. The department may adopt rules under the provisions of chapter 52, title 67, Idaho Code, deemed necessary to implement the provisions of this section.

(5) Except as provided in section 18-8004C, Idaho Code, any person who pleads guilty to or is found guilty of a violation of the provisions of section 18-8004(1)(a), (b) or (c), Idaho Code, who previously has been found guilty of or has pled guilty to two (2) or more violations of the provisions of section 18-8004(1)(a), (b) or (c), Idaho Code, or any substantially conforming foreign criminal violation, or any combination thereof, within five (5) years, notwithstanding the form of the judgment(s) or withheld judgment(s), shall be guilty of a felony; and

(e) Shall, while operating a motor vehicle, be required to drive only a motor vehicle equipped with a functioning ignition interlock system, as provided in section 18-8008, Idaho Code, following the mandatory one (1) year license suspension period.
(6) For the purpose of computation of the enhancement period in subsections (4), (5) and (7) of this section, the time that elapses between the date of commission of the offense and the date the defendant pleads guilty or is found guilty for the pending offense shall be excluded. If the determination of guilt against the defendant is reversed upon appeal, the time that elapsed between the date of the commission of the offense and the date the defendant pleads guilty or is found guilty following the appeal shall also be excluded.
(7) Notwithstanding the provisions of subsections (4) and (5) of this section, any person who has pled guilty or has been found guilty of a felony violation of the provisions of section 18-8004, Idaho Code, a felony violation of the provisions of section 18-8004C, Idaho Code, a violation of the provisions of section 18-8006, Idaho Code, a violation of the provisions of section 18-4006 3.(b), Idaho Code, or any substantially conforming foreign criminal felony violation, and within ten (10) years pleads guilty or is found guilty of a further violation of the provisions of section 18-8004, Idaho Code, shall be guilty of a felony and shall be sentenced pursuant to subsection (5) of this section.
(8) For the purpose of subsections (4), (5) and (7) of this section and the provisions of section 18-8004C, Idaho Code, a substantially conforming foreign criminal violation exists when a person has pled guilty to or has been found guilty of a violation of any federal law or law of another state, or any valid county, city, or town ordinance of another state substantially conforming to the provisions of section 18-8004, Idaho Code. The determination of whether a foreign criminal violation is substantially conforming is a question of law to be determined by the court.
(9) Any person who pleads guilty to or is found guilty of a violation of the provisions of section 18-8004, 18-8004C or 18-8006, Idaho Code, shall undergo, at his own expense, (or at county expense through the procedures set forth in chapters 34 and 35, title 31, Idaho Code,)
and prior to the sentencing date, an alcohol evaluation by an alcohol
evaluation facility approved by the Idaho department of health and wel­
fare; provided however, if the defendant has no prior or pending charges
with respect to the provisions of section 18-8004, 18-8004C or 18-8006,
Idaho Code, and the court has the records and information required under
subsections (10)(a), (b) and (c) of this section or possesses informa­
tion from other reliable sources relating to the defendant's use or non-
use of alcohol or drugs which does not give the court any reason
to believe that the defendant regularly abuses alcohol or drugs and is
in need of treatment, the court may, in its discretion, waive the evalua­
tion with respect to sentencing for a violation of section 18-8004 or
18-8004C(1), Idaho Code, and proceed to sentence the defendant. The
court may also, in its discretion, waive the requirement of an alcohol
evaluation with respect to a defendant's violation of the provisions of
section 18-8004, 18-8004C or 18-8006, Idaho Code, and proceed to sen­
tence the defendant if the court has a presentence investigation report,
substance abuse assessment, criminogenic risk assessment, or other
assessment which evaluates the defendant's degree of alcohol abuse and
need for alcohol treatment conducted within twelve (12) months preceding
the date of the defendant's sentencing. In the event an alcohol evalua­
tion indicates the need for alcohol treatment, the evaluation shall con­
tain a recommendation by the evaluator as to the most appropriate treat­
ment program, together with the estimated cost thereof, and recommenda­
tions for other suitable alternative treatment programs, together with
the estimated costs thereof. The person shall request that a copy of the
completed evaluation be forwarded to the court. The court shall take the
evaluation into consideration in determining an appropriate sentence. If
a copy of the completed evaluation has not been provided to the court,
the court may proceed to sentence the defendant; however, in such event,
it shall be presumed that alcohol treatment is required unless the
defendant makes a showing by a preponderance of evidence that treatment
is not required. If the defendant has not made a good faith effort to
provide the completed copy of the evaluation to the court, the court may
consider the failure of the defendant to provide the report as an aggra­
vating circumstance in determining an appropriate sentence. If treatment
is ordered, in no event shall the person or facility doing the evalua­
tion be the person or facility that provides the treatment unless this
requirement is waived by the sentencing court, with the exception of
federally recognized Indian tribes or federal military installations,
where diagnosis and treatment are appropriate and available. Nothing
herein contained shall preclude the use of funds authorized pursuant to
the provisions of chapter 3, title 39, Idaho Code, for court-ordered
alcohol treatment for indigent defendants.
(10) At the time of sentencing, the court shall be provided with the
following information:
(a) The results, if administered, of any evidentiary test for alco­
hol and/or drugs;
(b) A computer or teletype or other acceptable copy of the person's
driving record;
(c) Information as to whether the defendant has pled guilty to or
been found guilty of violation of the provisions of section 18-8004,
18-8004C or 18-8006, Idaho Code, or a similar offense within the
past five (5) years, notwithstanding the form of the judgment(s) or
withheld judgment(s); and
(d) The alcohol evaluation required in subsection (9) of this section, if any.

(11) A minor may be prosecuted for a violation of the provisions of section 18-8004 or 18-8004C, Idaho Code, under chapter 5, title 20, Idaho Code. In addition to any other penalty, if a minor pleads guilty to or is found guilty of a violation of the provisions of section 18-8004(1)(a), (b) or (c) or 18-8004C, Idaho Code, he shall have his driving privileges suspended or denied for an additional one (1) year following the end of any period of suspension or revocation existing at the time of the violation, or until he reaches the age of twenty-one (21) years, whichever period is greater. During the period of additional suspension or denial, absolutely no driving privileges shall be allowed.

(12) In the event that the alcohol evaluation required in subsection (9) of this section recommends alcohol treatment, the court shall order the person to complete a treatment program in addition to any other sentence which may be imposed, unless the court determines that alcohol treatment would be inappropriate or undesirable, in which event, the court shall enter findings articulating the reasons for such determination on the record. The court shall order the defendant to complete the preferred treatment program set forth in the evaluation, or a comparable alternative, unless it appears that the defendant cannot reasonably obtain adequate financial resources for such treatment. In that event, the court may order the defendant to complete a less costly alternative set forth in the evaluation, or a comparable program. Such treatment shall, to the greatest extent possible, be at the expense of the defendant. In the event that funding is provided for or on behalf of the defendant by an entity of state government, restitution shall be ordered to such governmental entity in accordance with the restitution procedure for crime victims, as specified under chapter 53, title 19, Idaho Code. Nothing contained herein shall be construed as requiring a court to order that a governmental entity shall provide alcohol treatment at government expense unless otherwise required by law.

(13) Any person who is disqualified, or whose driving privileges have been suspended, revoked or canceled under the provisions of this chapter, shall not be granted restricted driving privileges to operate a commercial motor vehicle.

health benefit plans to individuals, including the individual basic
health benefit plan, the individual standard health benefit plan,
the individual catastrophic A health benefit plan, and the individ-
ual catastrophic B health benefit plan and the individual HSA com-
patible health benefit plan.

(b) An individual carrier shall issue an individual basic, stan-
dard, catastrophic A, or catastrophic B or HSA compatible health
benefit plan to any eligible individual that applies for such plan
and agrees to make the required premium payments and to satisfy the
other reasonable provisions of the health benefit plan not inconsis-
tent with the provisions of this chapter.

(2) (a) An individual carrier shall file with the director, in a
format and manner prescribed by the director, the basic, standard,
catastrophic, and HSA compatible health benefit plans to be used
by the carrier. A health benefit plan filed pursuant to the provi-
sions of this paragraph may be used by an individual carrier begin-
ing thirty (30) days after it is filed unless the director disap-
proves its use.

(b) The director at any time may, after providing notice and an
opportunity for a hearing to the individual carrier, disapprove the
continued use by an individual carrier of a basic, standard, or cat-
astrophic, or HSA compatible health benefit plan on the grounds that
the plan does not meet the requirements of this chapter.

(3) Health benefit plans covering eligible individuals shall comply
with the following provisions:

(a) A health benefit plan shall not deny, exclude or limit benefits
for a covered individual for covered expenses incurred more than
twelve (12) months following the effective date of the individual's
coverage due to a preexisting condition. A health benefit plan shall
not define a preexisting condition more restrictively than:

person to seek medical advice, diagnosis, care or treatment

treatment was recommended or received during the six (6) months

a preexisting condition exclusion or limitation period for the
period of time an individual was previously covered by qualifying
previous coverage, provided that the qualifying previous coverage
was continuous to a date not more than sixty-three (63) days prior
to the effective date of the new coverage. As provided in section
2741(b) of the federal health insurance portability and accountabil-
ity act of 1996 (42 U.S.C. 300gg-41(b)), with regard to federally

benefits relating to a condition based on the fact that the condi-
tion was present before the first day of coverage shall not apply,

dition would have caused an ordinarily prudent person to seek medi-
cal advice, diagnosis, care or treatment before that day.
(c) An individual carrier shall not modify a basic, standard, or catastrophic A, catastrophic B or HSA compatible health benefit plan with respect to an individual or any dependent through riders, endorsements, or otherwise, to restrict or exclude coverage for certain diseases or medical conditions otherwise covered by the health benefit plan.

(4) (a) An individual carrier shall not be required to offer coverage or accept applications pursuant to the provisions of subsection (1) of this section in the case of the following:

(i) To an individual, where the individual is not residing in the carrier's established geographic service area;

(5) An individual carrier shall not be required to provide coverage to individuals pursuant to the provisions of subsection (1) of this section for any period of time for which the director determines that requiring the acceptance of individuals in accordance with the provisions of subsection (1) of this section would place the individual carrier in a financially impaired condition.

(b) The provisions of paragraph (a) of this subsection shall not apply with respect to a compensation arrangement that provides compensation to an agent on the basis of percentage of premium, provided that the percentage shall not vary because of the health status, claims experience, industry, occupation or geographic area of the individual.

(4) An individual carrier shall provide reasonable compensation, as provided under the plan of operation of the individual high risk reinsurance pool, to an agent, if any, for the sale of an individual basic, standard, catastrophic A, or catastrophic B, or HSA compatible health benefit plan.

(6) Denial by an individual carrier of an application for coverage from an individual shall be in writing and shall state the reason or reasons for the denial.

(7) The director may establish rules setting forth additional standards to provide for the fair marketing and broad availability of health benefit plans to individuals in this state.

(8) (a) A violation of the provisions of this section by an individual carrier or an agent shall be an unfair trade practice pursuant to the provisions of section 41-1302, Idaho Code.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Chapter 36, Title 63, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW SECTION, to be known and designated as Section 63-3622QQ, Idaho Code, and to read as follows:

63-3622QQ. EQUIPMENT USED IN ALTERNATIVE METHOD OF GENERATION OF ELECTRICITY. (1) Purchasers of machinery and equipment used directly in generating electricity using fuel cells, low impact hydro, wind, geothermal resources, biomass, cogeneration, sun or landfill gas as the principal source of power may qualify for a rebate of sales or use taxes paid on such purchases but only if the purchaser develops with such machinery, equipment, and tangible personal property a facility capable of generating not less than twenty-five (25) kilowatts of electricity.

(2) For purposes of this section:
(a) "Landfill gas" means biomass fuel of the type qualified for federal tax credits under 26 U.S.C. section 29 collected from a landfill. "Landfill" means a landfill as defined in section 39-7403, Idaho Code;
(b) "Machinery and equipment" means industrial fixtures, devices, and support facilities that are integral and necessary to the generation of electricity using fuel cells, low impact hydro, wind, geothermal resources, biomass, cogeneration, sun, or landfill gas as the principal source of power;
(c) "Machinery and equipment" does not include:
(i) Hand-powered tools;
(ii) Property with a useful life of less than one (1) year;
(iii) Repair parts required to restore machinery and equipment to normal working order;
(iv) Replacement parts that do not increase productivity, improve efficiency, or extend the useful life of machinery and equipment;
(v) Buildings; or

(d) Machinery and equipment is "used directly" in generating electricity with fuel cells or by low impact hydro, wind energy, geothermal resources, biomass, cogeneration, solar energy or landfill gas power if it provides any part of the process that captures the energy of the fuel cells, low impact hydro, wind, geothermal resources, biomass, cogeneration, sun, or landfill gas, converts that energy to electricity, and stores, transforms or transmits that electricity for entry into or operation in parallel with electric transmission and distribution systems;
(e) "Fuel cell" means an electrochemical reaction that generates electricity by combining atoms of hydrogen and oxygen in the presence of a catalyst;
(f) "Low impact hydro" means an electric generating facility utilizing water for the generation of electricity, housed in existing canals or existing reservoirs and having a power production capacity twenty-five (25) kilowatts or greater.

Once a public utility, a cooperative, a municipality or the public utilities commission certifies the project will generate at least twenty-five (25) kilowatts of electricity, the taxpayer may file a refund request with the state tax commission. The refund request shall state that the taxpayer will construct or has constructed a project that will generate sufficient kilowatts of electricity at the project site to be eligible for the rebate and that the taxpayer is entitled to receive a rebate of all sales and use taxes paid that qualifies for the rebate created by this section.

CHAPTER 56
IDAHO DRUG COURT AND MENTAL HEALTH COURT ACT

SECTION 2. That Section 19-5601, Idaho Code, be, and the same is hereby amended to read as follows:

19-5601. SHORT TITLE. This chapter shall be known and may be cited as the "Idaho Drug Court and Mental Health Court Act."

SECTION 3. That Section 19-5602, Idaho Code, be, and the same is hereby amended to read as follows:

19-5602. STATEMENT OF POLICY. The legislature finds that:

(1) Substance abuse is a contributing cause for much of the crime in Idaho, costs millions of dollars in productivity, contributes to the ever increasing jail and prison populations and adversely impacts Idaho children;

(2) Drug courts which closely supervise, monitor, test and treat substance abusers have proven effective in certain judicial districts in Idaho and in other states in reducing the incidence of drug use, drug addiction, and crimes committed as a result of drug use and drug addiction. Successful drug courts are based on partnerships among the courts, law enforcement, corrections and social welfare agencies;

(3) Mental illness is a substantial contributing cause to crime in Idaho. Crimes committed by persons suffering from mental illness cause substantial losses to persons and business throughout the state and endanger public safety. In addition, millions of dollars are spent each year on the incarceration, supervision and treatment of mentally ill offenders;

(4) Mental health courts in Idaho and other jurisdictions that closely supervise and monitor mentally ill adult and juvenile offenders and oversee their treatment are an innovative alternative to incarceration for certain offenders. Such courts, which can be operated in conjunction with drug courts, have provided a cost-effective approach to addressing the mental health needs of offenders, reducing recidivism, providing community protection, easing the caseload of the courts, and alleviating the problem of increasing prison, jail and detention populations; and

(5) It is in the best interests of the citizens of this state to expand the use of drug courts and mental health courts in Idaho.
The goals of the drug courts and mental health courts created by this chapter are to reduce the overcrowding of jails and prisons, to reduce alcohol and drug abuse and dependency among criminal and juvenile offenders, to hold offenders accountable, to reduce recidivism, and to promote effective interaction and use of resources among the courts, justice system personnel and community agencies.

SECTION 4. That Section 19-5603, Idaho Code, be, and the same is hereby amended to read as follows:

19-5603. DRUG COURT -- ESTABLISHMENT. The district court in each county may establish a drug court which shall include a regimen of graduated sanctions and rewards, substance abuse treatment, close court monitoring and supervision of progress, educational or vocational counseling as appropriate, and other requirements as may be established by the district court, in accordance with standards developed by the Idaho supreme court drug court and mental health court coordinating committee.

SECTION 5. That Section 19-5606, Idaho Code, be, and the same is hereby amended to read as follows:

19-5606. IMPLEMENTATION OF DRUG COURTS AND MENTAL HEALTH COURTS. The supreme court shall establish a drug court and mental health court coordinating committee consisting of judges, court administrators, drug court coordinators, mental health court coordinators, prosecuting attorneys, public defenders, state and county probation officers, treatment providers, representatives of the department of correction, the department of education, the commission of pardons and parole, the department of health and welfare, the department of juvenile corrections, the Idaho state police, the Idaho transportation department, legislators, a representative of the governor's office, law enforcement officers, mental health professionals, and others, which shall establish a drug court and mental health court implementation plan and oversee ongoing drug court and mental health court programs. The implementation plan shall include a strategy to forge partnerships among drug courts, mental health courts, public agencies, and community-based organizations to enhance drug court and mental health court effectiveness. The committee shall also develop guidelines for drug courts and mental health courts addressing eligibility, identification and screening, assessment, treatment and treatment providers, case management and supervision, and evaluation. The coordinating committee shall also solicit specific drug court and mental health court plans, and recommend funding priorities and decisions per judicial district; pursue all available alternate funding; provide technical assistance, develop procedural manuals, and schedule training opportunities for the drug court and mental health court teams; design an evaluation strategy, including participation in the statewide substance abuse evaluation plan; and design an automated drug court and mental health court management information system, which promotes information sharing with other entities.

No person has a right to be admitted into a mental health court. A mental health court may be operated in conjunction with a drug court.

(2) The district court of each county that has implemented a mental health court shall annually evaluate the mental health court's effectiveness and provide a report to the supreme court as requested. For good cause, the judge presiding over a drug court or mental health court may exempt a participant from paying all or a portion of the drug court and mental health court fee. The fee imposed under this section shall be paid to the clerk of the district court for deposit into the county drug court and mental health court fund which is hereby created in each county that has a drug court or mental health court. Moneys in this fund may be accumulated from year to year and shall be expended exclusively for expenses incurred in connection with the drug court or mental health court including, but not limited to, substance abuse treatment, mental
health treatment, drug testing, supervision and private counseling services utilized by the drug court or mental health court. Any failure to pay the drug court and mental health court fee may constitute grounds for termination from drug court or mental health court by the court, provided this shall not be the exclusive remedy for collection of the fee. If a participant is terminated from the drug court or mental health court prior to successful completion of the program and a judgment of conviction is entered against the defendant, any unpaid drug court and mental health court fee shall be ordered by the court in the judgment of conviction, provided the court may order such fee to be waived if the court determines that the person is indigent and unable to pay the fee. Such fee shall be in addition to all other fines and fees levied, and the payment of such fee may also be ordered as a term and condition of probation.

whether a district will be formed only according to the following provi­
sions:
(a) The nonirrigator shall notify the judges of election in writing
at least ten (10) working days prior to the date of the election
that such person supports the formation of the district, elects to
become either a member for all purposes, or a member only for miti­
gation purposes as described in section 42-5214, Idaho Code, should
it be formed, and, by such notice, casts its vote(s) in favor of
formation.
(b) The notification shall contain a legal description of the land
through which the nonirrigator places ground waters to beneficial
use, a statement of the amount of such person’s ground water right
in cubic feet per second of diversions, and a copy of the ground
water right documentation described in section 42-5201(16), Idaho
Code.
(c) Once the judges of election have accepted the notification
described in subsection (3)(b) of this section, they shall duly
record the nonirrigator's vote(s) in favor of district formation in
the canvassing of votes carried out pursuant to section 42-5213,
Idaho Code.
(d) If the voting results in the formation of the district, the
nonirrigator who provided such notification thereafter shall be a full member or member for mitigation purposes of such district, whichever the case may be, and shall have all obligations, rights, and limitations attaching thereto.

(4) Each ground water user shall have one (1) vote for each cubic foot per second, or proportion thereof (rounded to the nearest tenth of a cubic foot per second), for which such ground water user holds a ground water right whose point of diversion is within the proposed district boundaries.

SECTION 3. That Section 42-5212, Idaho Code, be, and the same is hereby amended to read as follows:

42-5212. REGISTRATION NOT REQUIRED. No registration shall be required in any ground water district election, but in lieu thereof the judges of election shall require every elector to subscribe to an elector's oath as prerequisite to casting his vote, and such oath shall be the usual elector's oath with the following words added thereto, "I am a resident of .......... county, and I am a ground water user within the .......... (proposed) ground water district, or I am a representative of a ground water user within the .......... (proposed) ground water district" and present evidence of such ground water use pursuant to section 42-5201(16), Idaho Code, if they do not appear on the department's list as provided in section 42-5206, Idaho Code.

SECTION 4. That Section 42-5214, Idaho Code, be, and the same is hereby amended to read as follows:

42-5214. GROUND WATER USERS INCLUDED WITHIN THE DISTRICT -- NOTICE AND HEARING FOR MEMBERS INCLUDED IN DISTRICT AFTER MARCH 31, 2005 -- ORDER -- APPEAL AND CONCLUSIVENESS. (1) All ground water irrigators within the boundaries of the district are shall be members of the district and subject to assessments, rights and responsibilities established by the district as set forth in this chapter, notwithstanding any change in the ownership or control of the property of the water user, whether by way of transfer, exchange, conveyance, assignment, lease, or otherwise, to which the water right or rights used to determine assessments are appurtenant, unless excluded from the district pursuant to sections 42-5251 through 42-5257, Idaho Code. Except as provided in section 42-5276, Idaho Code, any ground water irrigator who previously was not a member as of March 31, 2005, shall be included as a member effective upon order of the board finding and confirming that inclusion of such ground water irrigator is in the best interests of the district and that such ground water irrigator shall receive benefits from such inclusion as a member. Such order may be made only after the board shall have caused a notice of such hearing to be published in the manner of notices of elections, which notice shall state that all persons interested in or that may be affected by such inclusion as a member shall appear at the time and place named in the notice and show cause in writing why they should not be included as a member. The board, at the time mentioned in said notice shall hear any objections to inclusion. The failure of any person to file with the district office an objection to inclusion as a member prior to the noticed hearing shall be taken as an assent on his part to such inclusion as a member of the district. Any order confirming
the inclusion of ground water irrigators as members of the district shall be certified by the board president and secretary and filed for record in the recorder's office of each county within which any lands of the district are situated. Any person who properly has filed an objection to inclusion as a member shall have the right to appeal to the district court of the county in which such person's ground water right is situated, provided such appeal shall be made within thirty (30) days from the date of publication of the order confirming such inclusion. After said thirty (30) day appeal period, no one shall have any cause or right of action to contest the legality, formality or regularity of said order of inclusion for any reason whatsoever, and thereafter, said inclusion and the constitution and validity of the district shall be considered valid and incontestable without limitation. Any ground water irrigator who previously was not a member of the district as of March 31, 2005, that is included as a member upon order of the board shall be liable for his proportionate share of all costs of the district incurred after such date, including his proportionate share of all bonded, warrant or other indebtedness incurred prior to March 31, 2005, but only the proportionate share of such prior indebtedness applicable to the period after March 31, 2005.

(2) All nonirrigators within the boundaries of the district who voted according to notice as provided in section 42-5210(3), Idaho Code, are members of the district as specified in such notice.

(3) A nonirrigator also may become a member of a district by providing, within sixty (60) days after the date on which the district is formed, written notice to the district board that the nonirrigator wishes to join the district either as a member for all purposes or as a member for mitigation purposes only. Upon providing such notice, the nonirrigator shall be either a member for all purposes or a member for mitigation purposes only, as specified in the notice, and shall be subject to assessment accordingly as provided in this chapter. After such sixty (60) day period, a nonirrigator may become a member of a district only through the annexation procedure described in sections 42-5245 through 42-5249, Idaho Code.

(4) Except as provided for municipal, commercial, industrial, federal and tribal ground water users in subsection (1) of this section, any person whose permit, license, or other entitlement to appropriate ground water was acquired after the formation of the district, or who appropriates ground water for uses not requiring a permit after the formation of the district, but qualifies as a ground water user under subsection (48) of section 42-5201, Idaho Code, within the area of the district in all other respects, shall be deemed included within and subject to assessment by the district, if benefitted either directly or indirectly by the district as of the date the permit, license, or entitlement is acquired.

SECTION 5. That Section 42-5219, Idaho Code, be, and the same is hereby amended to read as follows:

shall not be necessary to hold an election, and the board of directors
shall, within five (5) days after expiration of the date for filing
written nominations, declare such candidate elected as director. The

weeks before the day of such election, or by publication of the notice
once a week for four (4) successive weeks in a newspaper or newspapers
published in each of said counties or in a newspaper of general circula­
tion therein. Notices shall state the time of the election and the loca­
ton of polling places within the district and the directors to be
elected or other question to be voted upon, as the case may be.

SECTION 7. That Section 42-5221, Idaho Code, be, and the same is
hereby amended to read as follows:

42-52218C. CONDUCT OF ELECTIONS. The election shall be conducted as
nearly as practicable in accordance with the general laws of the state;
provided that no particular form of ballot shall be required and the
provisions of the election laws as to the form and distribution of bal­
lots shall not apply and each ballot must indicate the number of cubic
feet per second associated with the ballot cast. The board of directors
shall designate polling places in such number as it may deem necessary.
At least ten (10) days before the holding of any election, the board
shall appoint three (3) electors to serve as judges of election at each
polling place. The judges shall perform the same duties as near as may
be, as judges of election under the general laws of the state. Immedi­
ately after the election, the judges of election shall forward the offi­
cial results to the secretary of the district.

SECTION 8. That Section 42-5222, Idaho Code, be, and the same is
hereby amended to read as follows:

42-522218D. CANVASS OF RETURNS -- DECLARATION OF WINNERS. On the
first Monday after each election, or at a time designated by the board
of directors, the board shall meet at its usual place of meeting and
proceed to canvass the returns. By order entered on its minutes, the
board shall declare elected the person or persons having the highest
number of votes for each office.

SECTION 9. That Chapter 52, Title 42, Idaho Code, be, and the same
is hereby amended by the addition thereto of a NEW SECTION, to be known
and designated as Section 42-5219, Idaho Code, and to read as follows:

into six (6) or fewer divisions, the district is authorized to elect one
(1) to two (2) directors at large. Directors at large shall be elected
at the annual meeting of the district by a two-thirds (2/3) majority of the members present at the meeting. (7) To represent district members in proceedings or meetings of a water district established by the director of the department notwithstanding any provision to the contrary in chapter 6, title 42, Idaho Code. Provided however, that the board shall not be authorized to cast a vote in any proceeding or meeting of a water district established pursuant to chapter 6, title 42, Idaho Code, on behalf of any district member who has, prior to such proceeding or meeting, given written notice to the board and to the water district that such district member intends to vote on his own behalf, or on behalf of any district member who attends

(16) To develop and acquire water rights for, and operate, aquifer storage or recharge projects;

(19) To enter upon land to make surveys, locate district property, works, or facilities, and to otherwise conduct the affairs of the district;

(21) To manage and conduct the affairs of the district and to have and exercise all rights and powers necessary or incidental to or implied from the specific powers granted herein. Such specific powers shall not be considered as a limitation upon any power necessary or appropriate to carry out the purposes and intent of this act chapter.

SECTION 11. That Section 42-5233, Idaho Code, be, and the same is hereby amended to read as follows:
42-5233. POWER TO INCUR INDEBTEDNESS -- ASSESSMENTS TO SECURE REPAYMENT -- WARRANTS. (1) In order to secure funds for the mitigation plan or plans for the district, the board of directors may, by resolution duly adopted and entered upon the minutes, incur indebtedness by contract with a money lending institution; provided however, that the term of such indebtedness shall not exceed ten thirty (30) years. To secure the repayment of any indebtedness so incurred, the board shall levy assessments over the term of the indebtedness in amounts sufficient to repay the interest and principal as it falls due. Such assessments shall be levied in the manner and shall be subject to the limitations set forth in section 42-5232, Idaho Code, and may be levied only if the indebtedness has been approved at an election pursuant to sections 42-5234 through 42-5238, Idaho Code.

(2) Notwithstanding the provisions of subsection (1) of this section, the board of directors may, before the collection of the first assessment, incur indebtedness for the purpose of organization, or for any of the purposes of this chapter, and cause warrants of the district to issue therefor, provided that the total dollar amount of the warrants authorized to be issued shall not exceed one dollar ($1.00) for each two-hundredths (.02) of a cubic foot per second of ground water authorized to be diverted and used upon lands or facilities located within the district. Following the collection of the first assessment, the board of directors may at any time issue warrants of the district for the purpose of paying claims of indebtedness against the district, including salaries of officers and employees, not to exceed the district's anticipated revenue.

(3) The warrants herein authorized shall be in form and substance the same as county warrants or as nearly the same as may be practicable and shall be signed by the chairman and attested by the secretary of said board. All such warrants shall be presented by the holder thereof to the treasurer of the district for payment who shall endorse thereon the day of presentation for payment with the additional endorsement thereon, in case of nonpayment, that they are not paid for want of funds, and such warrants shall draw interest at a rate to be established by the board of directors from the date of their presentation to the treasurer for payment as aforesaid until such warrants are paid. No warrants shall be issued in payment of any indebtedness of such district for less than face or par value. It shall be the duty of the treasurer from time to time when sufficient funds are available for that purpose to advertise in a newspaper in the county in which the district is situated requiring the presentation to the treasurer for payment of as many of the outstanding warrants as are able to be paid. Ten (10) days after the first publication of said notice by the treasurer calling in any of said outstanding warrants, said warrants shall cease to bear interest, which shall be stated in the notice. Said notice shall be published two (2) weeks consecutively and said warrants shall be called in and paid in the order of their endorsement.

SECTION 12. That Section 42-5242, Idaho Code, be, and the same is hereby amended to read as follows:

42-5242. ENTRY OF DELINQUENT ASSESSMENTS -- FILING OF DELINQUENCY LIST. (1) On or before the 15th day of January of each year the treasurer shall enter the amount of all delinquent assessments upon the
assessment book, which entry shall be considered to be dated as of the first day of January. Such entry shall have the force and effect of a sale to the treasurer of the district as grantee in trust for the district of all property to which a lien has attached as a result of such unpaid assessments.

(2) The treasurer shall compile a list of such delinquency entries which shall contain the names of the persons or entities to whom the assessments were directed and the amount of such delinquent assessments together with the amount of the penalties to be added thereto. A certified copy of the delinquency list, duly acknowledged by the treasurer, shall be filed with the county recorder of each county in which the properties affected by such delinquent assessments are located, and the treasurer shall then provide by certified mail a notice of delinquency to each ground water user having a delinquent assessment.

(3) Upon the payment in full of any delinquent assessment and penalty that was entered on a recorded delinquency list, the treasurer shall file with the county recorder of each county in which the list of delinquent assessments was recorded an acknowledged notice that the delinquent assessment and any penalty owed has been paid in full. The treasurer shall file any notices of payment of delinquent assessments with the county recorders, as required, on at least a monthly basis.

SECTION 13. That Section 42-5244, Idaho Code, be, and the same is hereby amended to read as follows:

42-5244. PROHIBITION AGAINST PARTICIPATION IN MITIGATION PLAN WHEN SUBJECT TO DELINQUENT ASSESSMENT OR FOR NONPAYMENT OF OTHER MITIGATION COSTS. A ground water user who is delinquent in the payment of any assessment against his water use under this chapter, or who has failed to pay other mitigation costs owed to the district when due, is prohibited from being a participant in any mitigation plan until such delinquent assessment, or other past due amount owed for mitigation costs, is paid in full. The district shall provide the director a report of such delinquent assessments, or other past due mitigation costs, at the first of each month for purposes of enforcement. Prior to undertaking enforcement, the director may require from the district an accounting of the basis for the assessment and other mitigation costs and the apportionment of those assessments and costs among district members. The district shall inform the director immediately upon the payment of any such delinquent assessment, or other past due mitigation costs. This section shall be enforced by the watermaster within water districts established under chapter 6 of this title, and by the director pursuant to sections 42-351 and 42-17018, Idaho Code, in areas outside of such water district.

SECTION 14. That Section 42-5245, Idaho Code, be, and the same is hereby amended to read as follows:

42-5245. PETITION FOR ANNEXATION OF LAND. Any ground water user, as defined in section 42-5201(8), Idaho Code, as well as any user of ground water for domestic or stock use as defined by sections 42-111 and 42-1401A, Idaho Code, may file with the board a petition in writing praying that the land and/or facilities listed under the ground water user's ground water right(s) may be annexed into the district. The peti-
section shall contain a legal description of the lands and any other information the district may require, and the petitioner shall state under oath that petitioner holds the title to said lands. If the ground water user is a nonirrigator, the petition shall state if the ground water user is seeking to join the district solely to participate in the district's mitigation plan or other mitigation activities.

SECTION 15. That Section 42-5251, Idaho Code, be, and the same is hereby amended to read as follows:

42-5251. PETITION FOR EXCLUSION OF LANDS -- LANDS MAY REMAIN IN THE DISTRICT FOR MITIGATION PURPOSES. Any district member may file with the district board a petition requesting that the member's lands be excluded from the district. The petition may request that the lands either be excluded for all purposes or be excluded for all purposes except mitigation. The petition shall be signed by each petitioner, but need not be acknowledged and shall state that continued inclusion of the lands in the district is inappropriate or unwarranted:

(1) Because the diversions of ground water under the ground water user's water right have no depletive effect on any water source, either individually or cumulatively when considered in conjunction with other similar diversions;

(2) Because the only ground water use associated with the lands sought to be excluded by the petition is a domestic or stock water use as defined by sections 42-111 and 42-1401A, Idaho Code;

(3) Because the exclusion of the lands will not impair the district's ability to repay debt or carry out mitigation plans;

(4) Because the exclusion is in the best interests of the district and its members; or

(5) For other compelling reasons.

The board shall consider the petition and, based on findings concerning such factors, the board shall grant or deny the petition within ninety (90) days of the date it is filed, unless the board, in its sole discretion, grants a hearing on the petition within such time period, in which case the board shall issue a final decision within sixty (60) days after the conclusion of the hearing. All costs incurred by the district in carrying out the exclusion proceeding shall be assessed as provided in section 42-5253, Idaho Code. A person purchasing land under a written contract shall be deemed to be the owner of that land for purposes of this section.

SECTION 16. That Section 42-5253, Idaho Code, be, and the same is hereby amended to read as follows:

42-5253. ORDER OF EXCLUSION. (1) Upon receipt of a completed petition for exclusion; in the event the district's board of directors grants a petition for exclusion, the board shall, by resolution, shall make an order forthwith excluding the lands described in the petition either for all purposes or for only those purposes not related to mitigation. No hearing is required prior to granting a petition for exclusion.

(2) At a minimum, the order of exclusion shall specify that:

(a) Lands excluded for all purposes shall not be a part of or be entitled to receive any benefits from the district;
(b) Lands excluded only for purposes not related to mitigation, shall continue to be part of the district for mitigation purposes only and shall be assessed for these purposes as provided under this chapter;
(c) Any excluded lands are subject to the requirements of section 42-5257, Idaho Code.
(d) When the petition is filed on or before December 1 in any calendar year, any assessment, other than those specified in section 42-5257, Idaho Code, against the land for any calendar year subsequent to the year in which the petition was filed shall not be valid and no lien for any such attempted assessment shall attach under section 42-5240, Idaho Code.

SECTION 17. That Section 42-5256, Idaho Code, be, and the same is hereby amended to read as follows:

42-5256. CHANGES TO BE FILED FOR RECORD. Any decision and order of the board of directors or the district court, in case of appeal, excluding the petitioner's land and changing the boundaries of such ground water district shall be filed for record in the recorder's office of the county or counties within which are situated the lands of such ground water district.

SECTION 18. That Section 42-5259, Idaho Code, be, and the same is hereby amended to read as follows:

42-5259. PARTICIPATION BY NONMEMBER IN DISTRICT SOLELY FOR MITIGATION PURPOSES. (1) Upon written request from a ground water user who is not a member of a district, and regardless of whether such user is an irrigator, a district board of directors shall enter a contract with such nonmember pursuant to which the nonmember shall be allowed to participate fully in, and obtain all benefits of, any mitigation plan, purpose or activity the district currently has in force or is developing, provided that:
   (1a) The board finds that the plan is likely to be effective in mitigating the effects of such nonmember's ground water use, and that including the nonmember within the mitigation plan's coverage will not impair the plan's effectiveness as to district members;
   (1b) If the district's mitigation plan has been approved by the director, the board shall evaluate the contract request in accordance with any conditions of the district's mitigation plan which address equitable participation by ground water users who do not initially participate in such mitigation plan;
   (1c) Before the contract may be effective, the board may collect from the nonmember a payment adequate to compensate the district for the nonmember's proportional share of the costs the district already has incurred in developing and implementing the mitigation plan;
   (1d) The board may include in the contract a provision requiring the nonmember to pay a reasonable surcharge, either annually or on some other basis, to reimburse the district for such nonmember's proportional share of those past or future costs of operating the district attributable to formulating or implementing the mitigation plan or plans in which the nonmember is participating;
   (1e) The board may require the nonmember to provide security to
assure the payment of all assessments and charges related to the contract;

(6f) Nothing in this section shall be interpreted to limit the district's ability to enter into a contract with nonmembers pursuant to terms and conditions acceptable to both parties.

(2) If the legislature has provided by law that the holders of certain ground water rights not otherwise covered by a mitigation plan approved by the director of the department of water resources shall be deemed nonmember participants in the district solely for mitigation purposes, then the district may collect a proportional share of the costs incurred under the mitigation plan from the nonmember participants, as follows:

(a) The board may collect from each nonmember participant a payment adequate to compensate the district for the nonmember's proportional share of the past itemized costs the district has incurred in developing and implementing the mitigation plan;

(b) The board may require the nonmember to pay a reasonable surcharge, either annually or on some other basis, to reimburse the district for the nonmember's proportional share of those past or future itemized costs of operating the district attributable to formulating or implementing the mitigation plan or plans in which the nonmember is participating;

(c) The board may require that the nonmember pay the amounts owed under this section before coverage under the mitigation plan is effective, provided the board has notified the nonmember by mail of the amount owed at least forty-two (42) days prior to the due date;

(d) As an alternative to immediate payment of the amount owed, the board may accept security from the nonmember to assure that payment of all costs and charges owed by the nonmember under this section shall be paid by a fixed later date;

(e) Nothing in this section shall be interpreted to limit the district's ability to enter into a contract with nonmembers pursuant to terms and conditions acceptable to both parties;

(f) The board shall have the right to collect any costs and charges due and unpaid under this section by civil action brought in the name of the district in any court of competent jurisdiction. In addition to the amount found due, together with interest and costs, the district also may recover such sum as the court may adjudge reasonable as attorney's fees in said action.

SECTION 19. SEVERABILITY. The provisions of this act are hereby declared to be severable and if any provision of this act or the application of such provision to any person or circumstance is declared invalid for any reason, such declaration shall not affect the validity of the remaining portions of this act.

SECTION 20. An emergency existing therefor, which emergency is hereby declared to exist, this act shall be in full force and effect on and after its passage and approval.

Approved April 12, 2005.
CHAPTER 368
(H.B. No. 92, As Amended in the Senate)

AN ACT
RELATING TO FISH AND GAME; AMENDING SECTION 36-2203, IDAHO CODE, TO
REVISE STANDARDS RELATING TO SHOOTING PRESERVES AND TO PROVIDE FOR
GRANDFATHER RIGHTS.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 36-2203, Idaho Code, be, and the same is
hereby amended to read as follows:

36-2203. STANDARDS. (a) Each shooting preserve shall contain a min-
imum of one hundred sixty (160) acres in any tract of land (including
water area, if any) and shall be restricted to not more than one thou-
sand six hundred (1,600) acres (including water area, if any) in the
event the land is leased by the licensee or four thousand (4,000) acres
(including water area, if any) in the event the land is owned by the
licensee. Tracts included in the preserve do not need to be contiguous.
A licensee shall be granted only one (1) shooting preserve license. Mul-
tiple licenses shall not be used to circumvent the maximum acreage
restriction.

(b) The tract or tracts of land concerned must be owned or leased
by the licensee; must be adaptable to use as a game breeding and/or con-
trolled shooting area; must not encompass any public land or limit any
existing access to public land; must be of such nature that the game
birds propagated and/or released thereon are not likely to become dis-
eased and a menace to other wildlife; and the operation of a shooting
preserve must be of such a nature as to not likely work a fraud upon
persons paying a fee to hunt thereon.

(c) No license shall be granted for any shooting preserve, any por-
tion of which is within one (1) mile of any state or federal park,
wilderness area, refuge or wildlife management area operated by the
state or federal government unless the commission finds that:
1. The state or federal park, wilderness area, refuge or wildlife
management area is less than one hundred sixty (160) acres in size;
2. The state or federal park, wilderness area, refuge or wildlife
management area is open to public hunting; and
3. Licensing the proposed shooting preserve will not affect the
management of the state or federal park, wilderness area, refuge or
wildlife management area.

(d) Any person who, on June 30, 2005, holds a license for the oper-
ation of a shooting preserve pursuant to the provisions of this chapter,
shall be accorded "grandfather rights," and are therefore exempt from
the prohibition against the tract or tracts of land constituting a pre-
serve encompassing any public land or limiting any existing access to
public land as provided for by this act. Notwithstanding the expansion
of any preserve on or after July 1, 2005, this exemption shall apply

earned the credit are no longer included in the combined group.

(3) The total of all credits allowed by sections 63-2903, 63-2904
and 63-2905, Idaho Code, together with any credits carried forward under

63-2902(2)(j), Idaho Code, is not maintained for the entire recapture
period, recapture of the credit allowed in section 63-2905, Idaho Code,
shall be determined for such taxable year in the same proportion as an
amount of credit required to be recaptured under section 63-3029B, Idaho

(4) Any amount subject to recapture is a deficiency in tax for the
amount of the credit in the taxable year in which the disqualification
first occurs and may be enforced and collected in the manner provided by

A claim for rebate under this section must be filed on or before the last day of the third calendar year following the year of the property taxes sought to be rebated or the right to the rebate is lost.

(B) For purposes of determining whether the increased employment threshold has been met, employment at the project site shall be determined by calculating the increase of such new employees reported to the Idaho department of commerce and labor for employment security purposes over the employees so reported as of the beginning of the project period or no earlier than January 1, 2005, whichever is larger; and

2. Maintaining net increased employment in Idaho required by subparagraph (ii) of this paragraph (j) during the remainder of the project period.
(iii) No person meets the tax incentive criteria unless the ratio of new employees qualified under subparagraph (ii) of this section to investment in new plant under subparagraph (i) of this section exceeds one (1) employee for each fifty thousand dollars ($50,000) of investment in new plant.

(k) "Taxpayer," for purposes of paragraphs (j) and (e) of this subsection (2), means either:

(i) A single taxpayer; or

(ii) In the context of a unitary group filing a combined report under section 63-3027(t), Idaho Code, all members of a unitary group includable in a combined report for the tax years in which the credit provided for by this chapter may be claimed. For all other purposes, the terms of section 63-3009, Idaho Code, and section 63-3027(t)(1), Idaho Code, apply to the meaning of "taxpayer."

63-4403. ADDITIONAL INCOME TAX CREDIT FOR CAPITAL INVESTMENT. (1) For taxable years beginning on or after January 1, 2005, and before December 31, 2009, and subject to the limitations of this chapter, a taxpayer who has certified that the tax incentive criteria will be met within a project site during a project period shall, in regard to qualified investments made after the beginning of the project period and before December 31, 2009, in lieu of the investment tax credit provided in section 63-3029B, Idaho Code, be allowed a nonrefundable credit against taxes imposed by sections 63-3024, 63-3025 and 63-3025A, Idaho Code, in the amount of three and seventy-five one hundredths percent (3.75%) of the amount of qualified investment made during a taxable year, wherever located within this state.

(2) The credit allowed by this section shall not exceed sixty-two and five-tenths percent (62.5%) of the tax liability of the taxpayer.

(3) The credit allowed by this section shall not exceed one million two hundred fifty thousand dollars ($1,250,000) in any one (1) taxable year.

63-4404. REAL PROPERTY IMPROVEMENT TAX CREDIT. (1) For taxable years beginning on or after January 1, 2005, and before December 31, 2009, subject to the limitations of this chapter, a taxpayer who has certified that the tax incentive criteria will be met within a project site during a project period shall be allowed a nonrefundable credit against taxes imposed by sections 63-3024, 63-3025 and 63-3025A, Idaho Code, in the amount of two and five-tenths percent (2.5%) of the investment in new plant which is incurred during the project period applicable to the project site in which the investment is made.

(2) The credit allowed by this section shall not exceed one hundred and twenty-five thousand dollars ($125,000) in any one (1) taxable year.

(3) No credit is allowable under this section for a qualified investment in regard to which a credit under section 63-4403, Idaho Code, is available.

(4) The credit allowed by this section is limited to buildings and structural components of buildings related to headquarters or administrative facilities.
63-4405. ADDITIONAL INCOME TAX CREDIT FOR NEW JOBS. (1) Subject to the limitations of this chapter, for taxable years beginning on or after January 1, 2005, and before December 31, 2009, a taxpayer who has certified that the tax incentive criteria will be met within a project site during a project period shall, for the number of new employees earning more than a rate of twenty-four dollars and four cents ($24.04) per hour worked, in lieu of the credit amount in subsection (2)(a) of section 63-3029F, Idaho Code, be allowed the credit provided by this section. The number of new employees is the increase in the number of employees for the current taxable year over the greater of the following:
(a) The number of employees for the prior taxable year; or
(b) The average of the number of employees for the three (3) prior taxable years.
(2) The credit provided by this section shall be:
(a) One thousand five hundred dollars ($1,500) for each new employee whose annual salary during the taxable year for which the credit is earned is greater than twenty-four dollars and four cents ($24.04) per hour worked but equal to or less than an average rate of twenty-eight dollars and eighty-five cents ($28.85) per hour worked;
(b) Two thousand dollars ($2,000) for each new employee whose annual salary during the taxable year for which the credit is earned is greater than an average rate of twenty-eight dollars and eighty-five cents ($28.85) per hour worked but equal to or less than an average rate of thirty-six dollars and six cents ($36.06) per hour worked;
(c) Two thousand five hundred dollars ($2,500) for each new employee whose annual salary during the taxable year for which the credit is earned is greater than an average rate of thirty-six dollars and six cents ($36.06) per hour worked but equal to or less than an average rate of forty-three dollars and twenty-seven cents ($43.27) per hour worked;
(d) Three thousand dollars ($3,000) for each new employee whose annual salary during the taxable year for which the credit is earned is greater than an average rate of forty-three dollars and twenty-seven cents ($43.27) per hour worked.
(3) The credit allowed by subsection (1) of this section shall apply only to employment primarily within the project site. No credit shall be earned unless such employee shall have performed such duties for the taxpayer for a minimum of nine (9) months during the taxable year for which the credit is claimed.
(4) The credit allowed by this section shall not exceed sixty-two and five-tenths percent (62.5%) of the tax liability of the taxpayer.
(5) Employees transferred from a related taxpayer or acquired from another taxpayer within the prior twelve (12) months shall not be included in the computation of the credit unless the transfer creates a net new job in Idaho.

63-4406. LIMITATIONS, AND OTHER PROVISIONS ON CREDITS AGAINST INCOME TAXES. (1) In addition to other needed rules, the state tax commission may promulgate rules prescribing:
(a) In the case of S corporations, partnerships, trusts or estates, a method of attributing a credit under this chapter to the shareholders, partners or beneficiaries in proportion to their share of
the income from the S corporation, partnership, trust or estate; and
(b) The method by which the carryover of credits and the duty to
recapture credits shall survive and be transferred in the event of
reorganizations, mergers or liquidations.

(2) In the case of a unitary group of corporations filing a com­
bined report under subsection (t) of section 63-3027, Idaho Code, cre­
dits against income tax provided by sections 63-4403, 63-4404 and
63-4405, Idaho Code, earned by one (1) member of the group but not used
by that member may be used by another member of the group, subject to
the limitation in subsection (3) of this section, instead of carried
over. For a combined group of corporations, credit carried forward may
be claimed by any member of the group unless the member or members who
earned the credit are no longer included in the combined group.

(3) The total of all credits allowed by sections 63-4403, 63-4404
and 63-4405, Idaho Code, together with any credits carried forward under
subsection (4) of this section shall not exceed the amount of tax due
under sections 63-3024, 63-3025 and 63-3025A, Idaho Code, after allow­
ance for all other credits permitted by this chapter and the Idaho
income tax act.

(4) If the credits exceed the limitation under subsection (3) of
this section, the excess amount may be carried forward for a period that
does not exceed:
(a) The next fourteen (14) taxable years in the case of credits
allowed by sections 63-4403 and 63-4404, Idaho Code; or
(b) The next ten (10) taxable years in the case of credits allowed
by section 63-4405, Idaho Code.

63-4407. RECAPTURE. (1) In the event that any person to whom a tax
credit allowed by section 63-4403, 63-4404 or 63-4405, Idaho Code, fails
to meet the tax incentive criteria, the full amount of the credit shall
be subject to recapture by the commission.

(2) If, during any taxable year, an investment in new plant is dis­
posed of, or otherwise ceases to qualify with respect to the taxpayer,
prior to the close of the recapture period, recapture of the credit
allowed by sections 63-4403 and 63-4404, Idaho Code, shall be determined
for such taxable year in the same proportion and subject to the same
provisions as an amount of credit required to be recaptured under sec­

(3) In the event that the employment required in section
63-4402(2)(j), Idaho Code, is not maintained for the entire recapture
period, recapture of the credit allowed in section 63-4405, Idaho Code,
shall be determined for such taxable year in the same proportion as an
amount of credit required to be recaptured under section 63-3029B, Idaho
Code. This subsection shall not be construed to require that the
required level of employment must be met by the same individual employ­
ees.

(4) Any amount subject to recapture is a deficiency in tax for the
amount of the credit in the taxable year in which the disqualifica­tion
first occurs and may be enforced and collected in the manner provided by
the Idaho income tax act, provided however, that in lieu of the provi­sions of section 63-3068(a), Idaho Code, the period of time within which
the commission may issue a notice under section 63-3045, Idaho Code, in
regard to an amount subject to recapture shall be the later of five (5)
years after the end of the taxable year in which the project period ends
or three (3) years after the end of the taxable year in which any amounts carried forward under section 63-4406, Idaho Code, expire.

63-4408. SALES AND USE TAX INCENTIVES -- REBATES -- RECAPTURE. (1) For calendar years beginning on January 1, 2005, and ending on December 31, 2009, subject to the limitations of this chapter, a taxpayer who has certified that the tax incentive criteria will be met within the project site shall be entitled to receive a rebate of twenty-five percent (25%) of all sales and use taxes imposed by chapter 36, title 63, Idaho Code, and that the taxpayer or its contractors actually paid in regard to any property constructed, located or installed within the project site during the project period for that site.

(2) Upon filing of a written refund claim by the taxpayer entitled to the rebate, and subject to such reasonable documentation and verification as the commission may require, the rebate shall be paid by the commission as a refund allowable under section 63-3626, Idaho Code. A claim for rebate under this section must be filed on or before the last day of the third calendar year following the year in which the taxes sought to be rebated were paid or the right to the rebate is lost.

(3) Any rebate paid shall be subject to recapture by the commission:
   (a) At one hundred percent (100%) in the event that the tax incentive criteria are not met at the project site during the project period, or
   (b) In the event that the property is not used, stored or otherwise consumed within the project site for a period of sixty (60) consecutive full months after the property was placed in service, or
   (c) In the event that the employment required in section 63-4402(2)(j), Idaho Code, is not maintained for sixty (60) consecutive full months from the date the project period ends.
   (d) Any recapture required by subsection (3)(b) or (3)(c) of this section shall be in the same proportion as an amount of credit required to be recaptured under section 63-3029B, Idaho Code.

(4) Any recapture amount due under this section shall be a deficiency in tax for the period in which the disqualification first occurs for purposes of section 63-3629, Idaho Code, and may be enforced and collected in the manner provided by the Idaho sales tax act, provided however, that in lieu of the provisions of section 63-3633, Idaho Code, the period of time within which the commission may issue a notice under section 63-3629, Idaho Code, in regard to an amount subject to recapture, shall be the later of five (5) years after the end of the taxable year, for income tax purposes, in which the project period ends.

(5) The rebate allowed by this section is limited to sales and use taxes actually paid by the taxpayer or its contractors for taxable property related to headquarters or administrative facilities.

63-4409. ADMINISTRATION. The commission shall enforce the provisions of this chapter and may prescribe, adopt, and enforce reasonable rules relating to the administration and enforcement of those provisions, including the promulgation of rules relating to information necessary to certify that the incentive criteria have been or will be met. For the purpose of carrying out its duties to enforce or administer the provisions of this chapter, the commission shall have the powers and
duties provided by sections 63-3038, 63-3039, 63-3042 through 63-3067, 63-3068, 63-3071, 63-3074 through 63-3078 and 63-217, Idaho Code.

SECTION 2. That Chapter 6, Title 63, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW SECTION, to be known and designated as Section 63-606A, Idaho Code, and to read as follows:

63-606A. SMALL EMPLOYER GROWTH INCENTIVE EXEMPTION. (1) The county board of equalization of any county in which any property, the investment in which qualifies for the income tax credits described in sections 63-4403 and 63-4404, Idaho Code, is located may exempt all or a portion of the value of such property from property taxation. The board may grant the exemption when it finds that the investments in such property benefit the citizens within the county and taxing districts within the county in a manner and to such a degree that to grant the exemption is necessary and just.

(2) Property exempted under this section shall not be included on any new construction roll prepared by the county assessor in accordance with section 63-301A, Idaho Code.

(3) Applications for the exemption under this section shall be considered by the board as other applications for exemption under section 63-501, Idaho Code. Upon request of the board, the state tax commission may disclose to the board or county official designated by the board information necessary to identify and determine the property upon which the exemption may be granted.

SECTION 3. SEVERABILITY. The provisions of this act are hereby declared to be severable and if any provision of this act or the application of such provision to any person or circumstance is declared invalid for any reason, such declaration shall not affect the validity of the remaining portions of this act.

SECTION 4. An emergency existing therefor, which emergency is hereby declared to exist, this act shall be in full force and effect on and after its passage and approval, and retroactively to January 1, 2005.

Approved April 13, 2005.

CHAPTER 372
(H.B. No. 333)

AN ACT
RELATING TO PUBLIC UTILITY COST REDUCTION BONDS; AMENDING TITLE 61, IDAHO CODE, BY THE ADDITION OF A NEW CHAPTER 16, TITLE 61, IDAHO CODE, TO PROVIDE LEGISLATIVE INTENT, TO DEFINE TERMS, TO PROVIDE FOR COST REDUCTION ORDERS OF THE PUBLIC UTILITIES COMMISSION, TO LIMIT THE AGGREGATE AMOUNT OF COST REDUCTION FINANCING, TO PROVIDE COST REDUCTION RATES, TO PROVIDE PROCEDURES FOR ISSUANCE OF COST REDUCTION BONDS, TO PROVIDE FOR SECURITY INTERESTS, TO PROVIDE FOR TRANSFERS IN INTEREST, TO PROVIDE FOR SUCCESSORS, TO PROVIDE DISCLAIMER OF STATE FULL FAITH AND CREDIT AND TO PROVIDE SEVERABILITY.

Be it Enacted by the Legislature of the State of Idaho:

SECTION 1. That Title 61, Idaho Code, be, and the same is hereby amended by the addition thereto of a new Chapter 16, Title 61, Idaho Code, to be known and designated as Chapter 16, Title 61, Idaho Code, and to read as follows:

CHAPTER 16
UTILITY COST REDUCTION BONDS

61-1601. LEGISLATIVE INTENT. It is the intent of the legislature in enacting this chapter to authorize the public utilities commission to approve certain cost reduction charges or rates as a method of financing or refinancing costs incurred or to be incurred by electric and gas utilities that will accrue benefits to Idaho consumers through reduced utility rates. The legislature believes that this type of securities legislation is in the public interest but should not be considered as endorsement of, or intended to provide, a mechanism for restructuring of the utility industry in the state of Idaho.
61-1602. DEFINITIONS. For purposes of this chapter, the following terms shall have the following meanings, unless the context clearly requires otherwise:

(1) "Approved costs" means the amounts that a public utility or assignee has been authorized to recover by the commission pursuant to a cost reduction order including, without limitation:
   (a) Amounts incurred or to be incurred for purposes for which a public utility may issue stock and stock certificates or other evidences of interest or ownership, or bonds, notes or other evidences of indebtedness under chapter 9, title 61, Idaho Code;
   (b) Amounts necessary to recover federal or state taxes actually paid by a public utility, which tax liability is modified by the transactions approved in a cost reduction order issued by the commission pursuant to this chapter; and
   (c) Reasonable costs, as approved by the commission, relating to the issuance, servicing or refinancing of cost reduction instruments under the provisions of this chapter including, without limitation, principal, interest or other payments and accruals, sinking fund payments, debt service and other reserves, costs of credit enhancement, indemnities, if any, owed to an assignee or the trustee for the cost reduction instrument, issuance costs and redemption premiums, if any, and all other reasonable fees, costs and charges with respect to the cost reduction instrument.

(2) "Assignee" means any corporation, limited liability company, trust, partnership or other entity to which a public utility assigns, sells or transfers, other than as security, all or a portion of the public utility's interest in or right to cost reduction property. The term also includes any such entity to which an assignee assigns, sells or transfers, other than as security, the assignee's interest in or right to cost reduction property.

(3) "Chapter 9" means chapter 9, title 28, Idaho Code, as from time to time amended, including any successor provisions.

(4) "Cost reduction instrument" means any instrument, pass-through certificate, note, bond, debenture, certificate of participation, collateral trust certificate, beneficial interest or other evidence of indebtedness or ownership issued by a public utility or an assignee pursuant to a cost reduction order and an executed indenture, security agreement or other similar instrument that is secured by or payable from cost reduction rates or cost reduction property.

(5) "Cost reduction instrument holder" means any holder of a cost reduction instrument or any trustee, collateral agent or other entity acting for the benefit of or on behalf of any such holder.

(6) "Cost reduction order" means an order of the commission issued in accordance with this chapter that authorizes the imposition and collection of approved costs.

(7) "Cost reduction property" means the irrevocable, vested property right created pursuant to this chapter and one (1) or more cost reduction orders including, without limitation, the right, title and interest of a public service company or assignee to all revenues, collections, claims, payments, money or proceeds of or arising from a cost reduction rate, and all rights to obtain adjustments to such cost reduction rate pursuant to the terms of this chapter and any cost reduction order.

(8) "Cost reduction rate" means a charge or rate that the commis-
sion authorizes in a cost reduction order, whether such amounts are billed and/or collected by the public utility, an assignee, any subsidiary or affiliate thereof, or any third party that may assume the responsibility for billing or collecting such cost reduction charges.

(9) "Public utility" means any electric or gas corporation subject to the jurisdiction, regulation and control of the public utilities commission as contained in chapter 1, title 61, Idaho Code.

61-1603. COST REDUCTION ORDER. (1) A public utility may apply to the commission for a cost reduction order authorizing the recovery of approved costs through the imposition and collection of a cost reduction rate.

(2) A public utility may apply to the commission from time to time for a cost reduction order in a manner prescribed by the commission, in separate proceedings for this purpose or in connection with a general rate case. Such application may also include a request for authority to issue and sell cost reduction instruments to be secured by or payable from the cost reduction rate that results from such cost reduction order or the cost reduction property created by this chapter and the cost reduction order related to such cost reduction rate. Upon such an application, if the commission finds that the public interest would be served if the approved costs were recovered through a cost reduction rate, the commission shall issue a cost reduction order to allow the public utility to recover the approved costs through a cost reduction rate and may also provide authority to issue and sell cost reduction instruments.

(3) A cost reduction order shall detail the approved costs to be recovered and the period of time in which recovery of the approved costs is to occur. A cost reduction order shall specify the amount of the cost reduction rate and the method for determining the amount of the cost reduction rate that from time to time will be sufficient to recover all approved costs. Cost reduction rates shall remain in effect until all approved costs have been paid in full.

(4) A cost reduction order may be issued only upon the application of a public utility and shall become effective only in accordance with its terms and conditions. A public utility may withdraw its application for a cost reduction order if it disagrees with any of the terms and conditions of the order within fourteen (14) days of service of a final order on the public utility. A public utility shall effect the withdrawal of its application by filing a written notice of withdrawal with the commission within such time period. Nothing in this section shall be construed to limit or preclude other remedies that may be available to the public utility under applicable law.

(5) No public utility shall be treated as having acted unreasonably or imprudently by reason of its failure to apply for a cost reduction order, by reason of its withdrawal of an application for a cost reduction order, or by reason of its failure to arrange for the issuance of cost reduction instruments pursuant to a cost reduction order.

(6) Upon issuance of a cost reduction order, a public utility may sell, assign or otherwise transfer or pledge cost reduction property created by this chapter and the applicable cost reduction order, and if authorized by the particular cost reduction order, a public utility or an assignee may issue or cause to be issued cost reduction instruments.

(7) Any cost reduction order, and the approved costs and the cost
reduction rates that have been authorized by the commission in such cost reduction order, shall be irrevocable and binding upon the commission. The commission shall not have authority either by rescinding, altering or amending a cost reduction order or otherwise to, either directly or indirectly, revalue or revise for ratemaking purposes the approved costs or the cost reduction rates. Once the commission authorizes a cost reduction rate, it cannot determine in a later proceeding that the cost reduction rate is unjust or unreasonable, or in any way reduce or impair the value of related cost reduction property, either directly or indirectly, by taking the cost reduction rate into account when setting other rates for the public utility; nor shall the amount of revenues arising with respect thereto be subject to reduction, impairment, postponement or termination. The state of Idaho does hereby pledge to and agree with the owners of cost reduction property and with any cost reduction instrument holders that neither the state nor any of its agencies, including the commission, shall (by administrative or legislative action, ballot initiative or other similar process) limit, alter, restrict or impair the approved costs, the cost reduction rate, the cost reduction property, the cost reduction orders or any rights thereunder or ownership thereof or security interest therein or in any way impair the rights or remedies of any cost reduction instrument holders. The state does hereby acknowledge that any cost reduction instrument holders may and will rely on this pledge and agreement and that they would be irreparably harmed by any such limitation, alteration, restriction or impairment without such adequate provision.

(8) Notwithstanding any other provision of this chapter, the commission will from time to time, and no less frequently than annually, approve adjustments to the cost reduction rates as may be necessary to ensure timely and complete recovery of all approved costs that are the subject of the pertinent cost reduction order.

(9) Subject to the foregoing limitations, the commission has the same authority with respect to a proposed cost reduction rate as it has with regard to any other tariff, schedule or classification the effect of which is to change any rate or charge, including, without limitation, the power granted by chapter 6, title 61, Idaho Code, to conduct a hearing concerning a proposed cost reduction rate and the reasonableness and justness thereof.

(10) The commission shall establish procedures for the expeditious processing of any application for cost reduction orders and adjustments thereto, including the approval or disapproval of any such orders within forty-five (45) days of the application therefor.

61-1604. LIMITATION ON AGGREGATE AMOUNT OF COST REDUCTION FINANCING. The amount of approved costs in a cost reduction order, either individually or in the aggregate with previously approved costs included in cost reduction orders that remain outstanding, may not exceed an amount equal to forty percent (40%) of the public utility's total capitalization, including both debt and equity, as of the end of the fiscal year of such public utility preceding the application for such cost reduction order.

61-1605. COST REDUCTION RATE. (1) Each cost reduction order shall specify a procedure for making adjustments to the cost reduction rate that is the subject of the order.
(2) Upon application by a public utility the commission may:
(a) Authorize the making of adjustments to the cost reduction rate at more frequent intervals than those specified in such order; and/or
(b) Authorize a change in the method for calculating the cost reduction rate from that specified in such order so as to better ensure the timely and complete recovery of all approved costs.
(3) The cost reduction rate shall be treated as a charge for utility services for purposes of determining both the credit and collection standards and the remedies for nonpayment that are available to a public utility.
(4) A cost reduction rate shall constitute cost reduction property when, and to the extent that, a cost reduction order authorizing such cost reduction rate has become effective in accordance with this chapter, and the cost reduction property shall thereafter continuously exist as property for all purposes with all of the rights and privileges of this chapter for the period and to the extent provided in the cost reduction order, but in any event until the approved costs are paid in full.
(5) Any surplus cost reduction rate collections in excess of the amounts necessary to pay approved costs shall be used in such manner as the commission may reasonably determine.
(6) The obligation to pay amounts in respect of a cost reduction rate cannot be avoided by the formation of a local publicly owned utility or other entity, or by annexation of any portion of the service territory of the public utility by a local publicly owned electric utility or other entity.

61-1606. COST REDUCTION INSTRUMENTS. (1) Public utilities and assignees may issue and sell cost reduction instruments upon approval by the commission of such action in a cost reduction order.
(2) Public utilities and assignees may sell and assign all or portions of their interest in cost reduction property that is the basis for the issuance of cost reduction instruments to the extent approved in the pertinent cost reduction order. To the extent approved in the pertinent cost reduction orders, public utilities and assignees may also pledge cost reduction property as collateral, directly or indirectly, for cost reduction instruments providing for a security interest in the cost reduction property, in the manner as set forth in this chapter. Cost reduction property may also be sold or assigned by:
(a) A public utility, an assignee or a trustee for the holders of cost reduction instruments in connection with the exercise of remedies upon a default; or
(b) Any person acquiring the cost reduction property after a sale or assignment pursuant to this subsection.
(3) To the extent that any interest in cost reduction property is so sold or assigned, or is so pledged as collateral, the commission may authorize the public utility to contract with an assignee that it will continue to operate its system to provide service to its customers, will collect amounts with respect to the cost reduction rates for the benefit and account of the assignee, and will account for and remit these amounts to or for the account of the assignee. Contracting with the assignee in accordance with that authorization shall not impair or negate the characterization of the sale, assignment or pledge as an
absolute transfer, a true sale or security interest, as applicable.

(4) Upon approval by the commission of a cost reduction order, any issuance of cost reduction instruments approved therein, any related transfer or pledge of cost reduction property and any other transactions incidental to such issuance shall be exempt from the requirements of 61-901 through 61-908, Idaho Code. The commission may include in any cost reduction order any additional approvals that may be required in connection with such issuance under applicable law.

(5) An assignee shall not be considered to be an electric or gas corporation solely by virtue of the transactions described in this chapter.

61-1607. SECURITY INTEREST. (1) To the extent the provisions of this section conflict with chapter 9 as from time to time in effect, including any successor provisions, this section shall apply.

(2) A security interest in cost reduction property is valid, is enforceable against the pledgor and third parties, subject to the rights of any third parties holding security interests in the cost reduction property perfected in the manner described in this section, and attaches when all of the following have occurred:

(a) The commission has issued a cost reduction order authorizing a cost reduction rate, the right to the imposition and collection of which is included in the cost reduction;

(b) Value has been given by the pledgees of the cost reduction property; and

(c) The pledgor has signed a security agreement covering the cost reduction property.

(3) A valid and enforceable security interest in cost reduction property is perfected when it has attached and when a financing statement has been filed in accordance with chapter 9, naming the pledgor of the cost reduction property as "debtor" and identifying the cost reduction property. Any description of the cost reduction property shall be sufficient if it refers to the cost reduction order creating the cost reduction property. A copy of the financing statement shall be filed with the commission by the pledgor or transferor of the cost reduction property, and the commission may require the pledgor or transferor to make other filings with respect to the security interest in accordance with procedures it may establish, provided that the filings shall not affect the perfection of the security interest. A financing statement filed pursuant to this section shall remain effective until a termination statement is filed.

(4) A perfected security interest in cost reduction property is a continuously perfected security interest in all revenues and proceeds arising with respect thereto, whether or not the revenues or proceeds have accrued. Conflicting security interests shall rank according to priority in time of perfection. Cost reduction property shall constitute property for all purposes, including for contracts securing cost reduction instruments, whether or not the revenues and proceeds arising with respect thereto have accrued.

(5) Subject to the terms of the security agreement covering the cost reduction property and the rights of any third parties holding security interests in the cost reduction property perfected in the manner described in this section, the validity and relative priority of a security interest created under this section is not defeated or
adversely affected by the commingling of revenues arising with respect to the cost reduction property with other funds of the public utility that is the pledgor or transferor of the cost reduction property, or by any security interest in a deposit account of that public utility perfected under chapter 9, into which the revenues are deposited. Subject to the terms of the security agreement, the pledgees of the cost reduction property shall have a perfected security interest in all cash and deposit accounts of the public utility in which revenues arising with respect to the cost reduction property have been commingled with other funds, but the perfected security interest shall be limited to an amount not greater than the amount of the revenues with respect to the cost reduction property received by the public utility within twelve (12) months before: (a) any default under the security agreement, or (b) the institution of insolvency proceedings by or against the public utility, less payments from the revenues to the pledgees during that twelve (12) month period.

(6) If an event of default occurs under the security agreement covering the cost reduction property, the pledgees of the cost reduction property, subject to the terms of the security agreement, shall have all rights and remedies of a secured party upon default under chapter 9, and shall be entitled to foreclose or otherwise enforce their security interest in the cost reduction property, subject to the rights of any third parties holding prior security interests in the cost reduction property perfected in the manner provided in this section. In addition, the commission may require, in the cost reduction order creating the cost reduction property, that, in the event of default by the public utility in payment of revenues arising with respect to the cost reduction property, the commission and any successor thereto, upon the application by the pledgees or transferees, including transferees under section 61-1608, Idaho Code, of the cost reduction property, and without limiting any other remedies available to the pledgees or transferees by reason of the default, shall order the sequestration and payment to the pledgees or transferees of revenues arising with respect to the cost reduction property. Any order shall remain in full force and effect notwithstanding any bankruptcy, reorganization, or other insolvency proceedings with respect to the debtor, pledgor or transferor of the cost reduction property.

(7) Cost reduction property shall constitute a payment intangible as that term is defined under chapter 9.

(8) Sections 28-9-204 and 28-9-205, Idaho Code, as from time to time amended, including any successor provisions, shall apply to a pledge of cost reduction property by a public utility, assignee or other issuer.

(9) This section sets forth the terms by which a consensual security interest can be created and perfected in cost reduction property. Unless otherwise ordered by the commission with respect to any series of cost reduction instruments on or prior to the issuance of the series, there shall exist a statutory lien as provided in this section. Upon the effective date of the cost reduction order, there shall exist a first priority lien on all cost reduction property then existing or thereafter arising pursuant to the terms of the cost reduction order. This lien shall arise by operation of this section automatically without any action on the part of the public utility, any assignee or other issuer, or any other person. This lien shall secure all obligations, then exist-
ing or subsequently arising, to the holders of the cost reduction instruments issued pursuant to the cost reduction order, the trustee or representative for the holders, and any other entity specified in the cost reduction order. The persons for whose benefit this lien is established shall, upon the occurrence of any defaults specified in the pertinent cost reduction order, have all rights and remedies of a secured party upon default under chapter 9, and shall be entitled to foreclose or otherwise enforce this statutory lien in the cost reduction property. This lien shall attach to the cost reduction property regardless of who shall own, or shall subsequently be determined to own, the cost reduction property including any public utility, any assignee or other issuer, or any other person. This lien shall be valid, perfected, and enforceable against the owner of the cost reduction property and all third parties upon the effectiveness of the cost reduction order without any further public notice; provided however, that any person may, but shall not be required to, file a financing statement in accordance with subsection (3) of this section. Financing statements so filed may be "protective filings" and shall not be evidence of the ownership of the cost reduction property. A perfected statutory lien in cost reduction property is a continuously perfected lien in all revenues and proceeds arising with respect thereto, whether or not the revenues or proceeds have accrued. Conflicting liens shall rank according to priority in time of perfection. In addition, the commission may require, in the event of default by the public utility in payment of revenues arising with respect to cost reduction property, the commission and any successor thereto, upon the application by the beneficiaries of the statutory lien, and without limiting any other remedies available to the beneficiaries by reason of the default, shall order the sequestration and payment to the beneficiaries of revenues arising with respect to the cost reduction property.

61-1608. TRANSFERS IN INTEREST. (1) A transfer of cost reduction property by a public utility to an assignee, or by an assignee to another assignee, that the parties have in the governing documentation expressly stated to be a sale or other absolute transfer, in a transaction approved in a cost reduction order, shall be treated as an absolute transfer of all of the transferor's right, title and interest, as in a true sale, and not as a pledge or other financing, of the cost reduction property, in each case notwithstanding any contrary treatment for federal or state income and franchise taxes, accounting or other purposes.

(2) A transfer of cost reduction property shall be deemed perfected as against third persons and shall vest title in the transferee when both of the following have taken place:

(a) The commission has issued the cost reduction order authorizing the cost reduction rate included in the cost reduction property; and

(b) A written assignment of the cost reduction property has been executed and delivered to the transferee.

(3) As between bona fide assignees of the same right for value without notice, the assignee first filing a financing statement in accordance with chapter 9, naming the assignor of the cost reduction property as debtor and identifying the cost reduction property has priority. Any description of cost reduction property shall be sufficient if it refers to the cost reduction order creating the cost reduction prop-
A copy of the financing statement shall be filed by the assignee with the commission, and the commission may require the assignor or the assignee to make other filings with respect to the transfer in accordance with procedures it may establish, but these filings shall not affect the perfection of the transfer.

(4) The interest of an assignee or pledgee in cost reduction property and in the revenues and collections arising from such property are not subject to set-off, counterclaim, surcharge or defense by the public utility or any other person or in connection with the bankruptcy of the public utility or any other person.

61-1609. SUCCESSORS. Any successor to the public utility, whether pursuant to any bankruptcy, reorganization or other insolvency proceeding, or pursuant to any merger, sale or transfer, by operation of law or otherwise, shall perform and satisfy all obligations of the public utility pursuant to this chapter in the same manner and to the same extent as was required of the public utility before such proceeding or merger, sale or transfer including, but not limited to, billing, collecting and paying to the cost reduction instrument holders, or their representatives or the applicable financing entity, cost reduction rates and any other revenues arising with respect to the cost reduction property sold to the applicable financing entity or pledged to secure cost reduction instruments and seeking cost reduction rate adjustments, as necessary and permitted by the pertinent cost reduction order, to recover all approved costs designated in such cost reduction order.

61-1610. DISCLAIMER OF STATE FULL FAITH AND CREDIT. Cost reduction rates, cost reduction property, and any related cost reduction instruments issued under this chapter and any applicable cost reduction orders do not constitute a debt or liability of this state or of any political subdivision thereof and do not constitute a pledge of the full faith and credit of this state or any of its political subdivisions, but are payable solely from the funds provided therefor. Any cost reduction instruments shall contain on the face thereof a statement to the following effect: "Neither the full faith and credit nor the taxing power of the state of Idaho is pledged to the payment of the principal of, or interest on, this instrument."

61-1611. SEVERABILITY. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 33-1216, Idaho Code, be, and the same is hereby amended to read as follows:

33-1216. SICK AND OTHER LEAVE. (a) At the beginning of each new employment year and thereafter as necessary during the employment year, each certificated and noncertificated employee of any school district, including charter districts, who regularly works twenty (20) hours or more per week or certificated employee who works half time or more per week for a school district, including charter districts, shall be entitled to sick leave with full pay of one (1) day, for each month of service, or major portion thereof as projected for the employment year as projected for the employment year for each month of service in which they work a majority portion of that month, subject to the limitations provided by this chapter. Sick leave for noncertificated employees shall be calculated proportionate to the average hours worked per day. Sick leave for certificated employees shall be calculated by the day, or percentage thereof, as defined in their individual employment contracts. The local board of trustees shall not provide compensation for unused sick leave. This shall not prohibit the local board of trustees from establishing a policy providing retirement severance pay.

(b) The board of trustees may require proof of illness adequate to protect the district against malingering and false claims of illness. Any accumulated sick leave earned prior to July 1, 1976, shall be used before the use of any accumulated sick leave earned subsequent to July 1, 1976.

Each local board of trustees may establish a policy governing leave for certificated and noncertificated employees in the case of illness or death of members of the families of such employees, for professional conferences and workshops, and for such other purposes as the board may determine.

(c) Each local board of trustees may establish a policy governing leave for certificated and noncertificated employees in the case of absence during a period for which the employee is paid by worker's compensation. In addition the board may supplement the worker's compensation payment by an amount not to exceed an amount which when combined with the worker's compensation payment would be equal to the amount the employee would have been paid if he had not been injured. Supplementation may come from accrued vacation leave, compensatory time or sick leave time as may be provided in the policy of the district. Time for which a person is paid worker's compensation shall not be allowed as straight sick leave which would result in duplicate compensation.

(d) The board of trustees of any school district, including any specially chartered district, may also grant a leave of absence to any certificated employee of such district for service to a professional educational organization of which such certificated employee is a member and has been elected to hold the office of president therein, such leave to be for a period not exceeding one (1) year. During the period of any such leave of absence the said certificated employee shall receive the same compensation and receive or accrue such other rights and benefits that he would have been entitled to or have received or accrued had he been present and working for the school district, and he shall remain an active member of the public employee retirement system of Idaho; pro-
vided that such professional educational organization shall first pay to the said school district an amount equal to any and all compensation, contributions to the public employee retirement system of Idaho and any other amounts paid to or accrued in the name of said employee during such period.

SECTION 7. That Section 67-6201, Idaho Code, be, and the same is hereby amended to read as follows:
67-6201. PURPOSE. It is hereby declared:

(a) That within the state there is a shortage of safe or sanitary dwelling accommodations available which persons of low incomes can afford and that such persons are forced to occupy overcrowded and congested dwelling accommodations; that the aforesaid conditions cause an increase in and spread of disease and crime, and constitute a menace to the health, safety, morals and welfare of the residents of the state and impair economic values; that these conditions necessitate excessive and disproportionate expenditures of public funds for crime prevention and punishment, public health and safety, fire and accident protection, and other public services and facilities.

(b) That private enterprise has not been able to provide, without assistance, an adequate supply of safe and sanitary dwellings at prices or rents which persons and families of low income can afford, or to achieve rehabilitation of much of the present low-income housing. It is imperative that the supply of housing for persons and families of low income be increased and that coordination and cooperation among private enterprise, state and local government be encouraged to sponsor, build and rehabilitate residential housing for such persons and families.

(c) That the clearance, replanning and reconstruction of the areas in which unsanitary or unsafe housing conditions exist, and the providing of safe and sanitary dwelling accommodations for persons of low incomes (which dwelling accommodations need not be solely for persons of low incomes in order to avoid concentrations of such persons in specific localities), are public uses, and uses and purposes for which public money may be spent and private property acquired, and are governmental functions.

(d) It is also declared and the legislature hereby finds that charitable, educational, human service, cultural and other purposes pursued by nonprofit corporations are important public functions and public purposes that should be encouraged and that financing of nonprofit facilities for these purposes should be encouraged, without using state funds or lending the credit of the state, through the issuance of nonrecourse revenue bonds and the lending of the proceeds thereof to nonprofit corporations to promote their purposes.

(e) It is further declared that in this state:

1) There exists an inadequate supply of funds at interest rates sufficiently low to enable persons engaged in agriculture in this state, particularly beginning farmers and ranchers, to pursue agricultural operations at present levels;

2) That such inability to pursue agricultural operations reduces the supply of agricultural commodities available to fulfill the needs of the citizens of this state;

3) That such inability to continue operations decreases available employment in the agricultural sector of the state and results in unemployment and its attendant problems;

4) That such conditions prevent the acquisition of an adequate capital stock of farm and ranch equipment and machinery, therefore impairing the productivity of agricultural land;

5) That such conditions are conducive to consolidation of acreage of agricultural land with fewer individuals living and farming and ranching on the traditional family farm and ranch;

6) That these conditions result in a loss in population, unemployment and movement of persons from rural to urban areas accompanied
by added costs to communities for creation of new public facilities and services;
(7) That there have been recurrent shortages of funds from private market sources at reasonable rates of interest;
(8) That these shortages have made the sale and purchase of agricultural land to beginning farmers and ranchers a virtual impossibility in many parts of the state;
(9) That the ordinary operations of private enterprise have not in the past corrected these conditions; and
(10) That a stable supply of adequate funds for agricultural financing is required to encourage beginning farmers and ranchers in an orderly and sustained manner and to reduce the problems described herein.

(f) It is hereby further declared that:
(1) The growth of the economy of this state has prompted new and ever-increasing uses of public highways, roads, and other transportation infrastructure, and the existing transportation infrastructure of this state cannot adequately accommodate such greatly increased uses;
(2) One of the major concerns of the citizens of this state is the ability of the state to address the long-term transportation infrastructure needs of this state that are critical to the continued growth of the state's economy and the maintenance of citizens' quality of life;
(3) Utilizing bonds or notes to finance projects for transportation infrastructure results in significant cost savings to the state, since such transportation projects can be completed at present day costs and at an accelerated pace, but such bonds and notes need to be issued promptly in order to realize these cost savings; and
(4) It is reasonable and necessary to utilize such bonds or notes for the financing of transportation projects.

(g) It is hereby further declared that all of the foregoing are public purposes and uses for which public moneys may be borrowed, expended or granted and that such activities are governmental functions and serve a public purpose in improving or otherwise benefiting the people of this state; that the necessity of enacting the provisions herein-after set forth is in the public interest and is hereby so declared as a matter of express legislative determination.

SECTION 10. That Section 67-6210, Idaho Code, be, and the same is hereby amended to read as follows:

67-6210. POWER TO ISSUE BONDS. The association shall have power and is hereby authorized to issue, from time to time, its negotiable notes and bonds in conformity with the applicable provisions of the uniform commercial code in such principal amount as the association shall determine to be necessary for sufficient funds for achieving any of its corporate purposes, including the payment of interest on notes and bonds of the association, establishment of reserves to secure such notes and bonds, and all other expenditures of the association incidental and necessary or convenient to carry out its corporate purposes and powers; provided, however, that the association shall provide in its resolution authorizing such bonds that all revenues received by the association as a result of the issuance of such bonds shall be pledged first to the payment of principal and interest on such bonds.
(a) The association shall have the power, from time to time, to issue:
   (1) notes to renew notes and
   (2) bonds to pay notes, including the interest thereon, and
   (3) whenever it deems refunding expedient, to refund any bonds by the issuance of new bonds, whether the bonds to be refunded have or have not matured, and to issue bonds partly to refund bonds then outstanding and partly for any of its corporate purposes.

   The refunding bonds may be:
   (1) exchanged for the bonds to be refunded or
   (2) sold and the proceeds applied to the purchase, redemption or payment of such bonds.

(b) Except as may otherwise be expressly provided by the association, every issue of its notes and bonds shall be payable exclusively from the revenues or income of the association, including grants and contributions from the United States of America, subject only to any agreements with the holders of particular notes or bonds pledging any particular revenues.

(c) The notes and bonds shall be authorized by resolution or resolutions of the association, shall bear such date or dates and shall mature at such time or times as such resolution or resolutions may provide. The bonds may be issued as serial bonds payable in annual installments or as term bonds or as a combination thereof. The notes and bonds shall bear interest at such rate or rates, be in such denominations, be in such form, either coupon or registered, carry such registration privileges, be executed in such manner, be payable in such medium of payment, at such place or places, and be subject to such terms of redemption as such resolution or resolutions may provide. The notes and bonds of the association may be sold by the association, at public or private sale, at such price or prices as the association shall determine.

(d) Any resolution or resolutions authorizing any notes or bonds or any issue thereof may contain provisions, which shall be a part of the contract or contracts with the holders thereof, as to:
   (1) pledging all or any part of the revenues to secure the payment of the notes or bonds or of any issue thereof, subject to such agreements with noteholders or bondholders as may then exist;
   (2) pledging all or any part of the assets of the association including mortgages and obligations securing the same, to secure the payment of the notes or bonds or of any issue of notes or bonds, subject to such agreements with noteholders or bondholders as may then exist;
   (3) the use and disposition of the gross income from mortgages owned by the association and payment of principal of mortgages owned by the association;
   (4) the setting aside of reserves or sinking funds and the regulation and disposition thereof;
   (5) limitations on the purpose to which the proceeds of sale of notes or bonds may be applied and pledging such proceeds to secure the payment of the notes or bonds or of any issue thereof;
   (6) limitations on the issuance of additional notes or bonds; the terms upon which additional notes or bonds may be issued and secured; and the refunding of outstanding or other notes or bonds;
   (7) the procedure, if any, by which the terms of any contract with
noteholders or bondholders may be amended or abrogated, the amount of notes or bonds the holders of which must consent thereto; and the manner in which such consent may be given;

(8) limitations on the amount of moneys to be expended by the association for operating expenses of the association;

(9) vesting in a trustee or trustees such property, rights, powers and duties in trust as the association may determine, which may include any or all of the rights, powers and duties of the trustee appointed by the bondholders pursuant to this act; and limiting or abrogating the right of the bondholders to appoint a trustee under this act, or limiting the rights, powers and duties of such trustee;

(10) defining the acts or omissions to act which shall constitute a default in the obligations and duties of the association to the holders of the notes or bonds and providing for the rights and remedies of the holders of the notes or bonds in the event of such default, including as a matter of right the appointment of a receiver; provided, however, that such rights and remedies shall not be inconsistent with the general laws of the state and the other provisions of this act;

(11) pledging all or any part of funds allocated to the association under Idaho law or other revenues or the proceeds of notes or bonds to secure the payment of notes or bonds issued to finance transportation projects, subject to such agreements with noteholders or bondholders as may then exist;

(12) setting forth the provisions for any contracts relating to its bonds or notes, including, without limitation, any investment or interest rate contracts, or any contract providing for a credit enhancement, including, but not limited to, letters of credit, bond insurance and surety bonds provided by private financial institutions;

(13) setting forth the provisions for representations or certifications to be made by an officer of the association with respect to funds to be allocated to the association for transportation projects and provisions for the disbursements of the proceeds of the bonds or notes for payment of the costs of a transportation project, costs of issuance and other related costs;

(14) any other matters, of like or different character, which in any way affect the security or protection of the holders of the notes or bonds.

(e) Any pledge made by the association shall be valid and binding from the time when the pledge is made; the revenues, moneys or property so pledged and thereafter received by the association shall immediately be subject to the lien of such pledge without any physical delivery thereof or further act, and the lien of any such pledge shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the association, irrespective of whether such parties have notice thereof. Neither the resolution nor any other instrument by which a pledge is created need be recorded.

(F) Neither the commissioners of the association nor any other person executing such notes or bonds shall be subject to any personal liability or accountability by reason of the issuance thereof.

(g) The association, subject to such agreements with noteholders or bondholders as may then exist, shall have power out of any funds available therefor to purchase notes or bonds of the association, which shall
thereupon be canceled, at a price not exceeding:

(1) if the notes or bonds are then redeemable, the redemption price then applicable plus accrued interest to the next interest payment thereon, or

(2) if the notes or bonds are not then redeemable, the redemption price applicable on the first date after such purchase upon which the notes or bonds become subject to redemption plus accrued interest to such date.

(h) In the discretion of the association, the bonds may be secured by a trust indenture by and between the association and a corporate trustee, which may be any trust company or bank having the power of a trust company in the state. Such trust indenture may contain such provisions for protecting and enforcing the rights and remedies of the bondholders as may be reasonable and proper and not in violation of law, including covenants setting forth the duties of the association in relation to the exercise of its corporate powers and the custody, safeguarding and application of all moneys. The association may provide by such trust indenture for the payment of the proceeds of the bonds and the revenues to the trustee under such trust indenture or other depository, and for the method of disbursement thereof, with such safeguards and restrictions as it may determine. All expenses incurred in carrying out such trust indenture may be treated as a part of the operating expenses of the association. If the bonds shall be secured by a trust indenture, the bondholders shall have no authority to appoint a separate trustee to represent them.

(i) Whether or not the notes and bonds are of such form and character as to be negotiable instruments under the terms of the uniform commercial code, the notes and bonds are hereby made negotiable instruments within the meaning of and for all the purposes of the uniform commercial code, subject only to the provisions of the notes and bonds for registration.

(j) In case any of the commissioners or officers of the association whose signatures appear on any notes or bonds or coupons shall cease to be such commissioners or officers before the delivery of such notes or bonds, such signatures shall, nevertheless, be valid and sufficient for all purposes, the same as if such commissioners or officers had remained in office until such delivery.

(k) The association shall not issue any bonds or notes to finance transportation projects unless:

(1) the Idaho transportation board has approved and recommended the transportation projects for financing through the association;

(2) the Idaho transportation board has certified to the association that sufficient funds are available to make the payments required for the bonds or notes to be issued to finance the transportation projects and that the annual, total cumulative debt service and bond-related expenses on federally-funded highway project financing do not exceed the limits specified in section 40-315(3), Idaho Code; and

(3) the association and the Idaho transportation board have entered into an agreement for the association to provide financing of the transportation projects.
SECTION 11. SEVERABILITY. The provisions of this act are hereby declared to be severable and if any provision of this act or the application of such provision to any person or circumstance is declared invalid for any reason, such declaration shall not affect the validity of the remaining portions of this act.

Approved April 14, 2005.

SECTION 5. That Section 67-8713, Idaho Code, be, and the same is hereby amended to read as follows:

67-8713. RESERVE FUND -- ADDITIONAL FUNDS AND ACCOUNTS. (1) There is hereby created in the state treasury a fund to be known as the "Idaho Municipal Bond Bank Authority Reserve Fund" (hereinafter referred to as "reserve fund") in which there shall be deposited or transferred:

(a) All proceeds of bonds or municipal bonds or any reserve surety policy or similar credit enhancement obtained to secure bonds of the authority that the authority may require, by contract with the municipality or by a resolution of the authority, to be deposited in the reserve fund; and

(b) All moneys appropriated by the legislature for the purpose of the fund.

(2) Moneys in the reserve fund shall be maintained by the authority and are pledged and shall be held and applied solely to the payment of the interest on and principal of those bonds designated by the authority, pursuant to the provisions of section 67-8725, Idaho Code, as the interest and principal become due and payable. Moneys may not be withdrawn from the reserve fund if a withdrawal would reduce the amount in the reserve fund to an amount less than the required debt service reserve, as herein defined, except for payment of interest then due and payable on bonds and the principal of bonds then maturing and payable, whether by reason of maturity or mandatory redemption, for which payments other than moneys of the authority pledged to pay such interest and principal are not then available. As used in this chapter, "required debt service reserve" means, as of the date of computation, the amount required to be on deposit in the reserve fund as provided by resolution of the authority.

(3) For purposes of valuation, investments in the reserve fund shall be valued at par, or if purchased at less than par, at cost unless otherwise provided by resolution of the authority. Valuation on a particular date shall include the amount of interest then earned or accrued to that date on the moneys or investments in the reserve fund.

(4) Moneys in the reserve fund in excess of the required debt service reserve, whether by reason of investment or otherwise, may be withdrawn at any time by the authority and transferred to another fund or account of the authority, subject to the provisions of any agreement with the holders of any bonds.

(5) In order to assure the maintenance of the required debt service reserve in the reserve fund, the legislature may annually appropriate to the authority for deposit in the reserve fund the sum, certified by the chairman of the authority to the legislature, that is necessary to restore the fund to an amount equal to the required debt service reserve. The chairman of the authority, annually before December 1, shall make and deliver to the legislature his certificate stating the sum required to restore the funds to that amount. Nothing in this sub-
section creates a debt or liability of the state to make any appropriation.

(6) All amounts received on account of moneys appropriated by the state to the reserve fund shall be held and applied in accordance with this section; provided however, at the end of each fiscal year, if the amount in the reserve fund derived from amounts appropriated by the legislature exceeds the required debt service reserve, any amount representing earnings or income received on account of moneys appropriated to the reserve fund by the legislature that exceed the expenses of the authority for that fiscal year shall be transferred to the general fund of the state.

(7) The authority may establish subaccounts in the reserve fund, additional reserves or other funds or accounts as may be, in its discretion, necessary or appropriate to further the accomplishment of its purposes or to comply with the provisions of any of its agreements or resolutions.

SECTION 6. That Section 67-8716, Idaho Code, be, and the same is hereby amended to read as follows:

67-8716. UNLIMITED SALES TAX ACCOUNT PLEDGE. (1) If moneys expected to be intercepted pursuant to section 67-8725, Idaho Code, are expected to be insufficient to reimburse the state for its payments in respect of the municipal bonds, except for bonds the authority has specifically designated, at the time of issuance, not to receive payment from the sales tax, the state treasurer shall certify to and give notice to the state tax commission of the amount of the deficiency.

(2) If sufficient moneys are not available to pay debt service on the bonds, except for bonds the authority has specifically designated not to receive payment from the sales tax, as of five (5) days prior to the scheduled payment date of the bonds, the state treasurer shall give notice to the state tax commission certifying the amount of the deficiency, at least five (5) days prior to the scheduled payment date.

After receipt of the certified notice from the state treasurer pursuant to section 67-8727, Idaho Code, or subsection (1) of this section or this subsection (2), the state tax commission shall:

(a) Immediately fix the amount necessary and in the amount of the deficiency stated in the notice; and

(b) Cause moneys-to-be-transferred-from-the state sales tax moneys subject to distribution under section 63-3638, Idaho Code, to be transferred from the state sales tax account pursuant to section 63-3638, Idaho Code, and deposited in the bond bank authority fund, which is hereby statutorily created in the state treasury; provided however, that in no event shall a transfer of moneys from the state sales tax account under the provisions of this chapter impede or otherwise affect the payment of sales tax moneys pledged for the payment on other state bonds outstanding on the effective date of this act or subsequently issued as tax anticipation notes pursuant to section 63-3202, Idaho Code.

(3) Moneys transferred from the state sales tax account to the bond bank authority fund pursuant to subsection (2) of this section shall be deposited in the reserve fund as replacement moneys for amounts withdrawn from the reserve fund to pay debt service on the bonds pursuant to section 67-8725, Idaho Code, to the extent such moneys are derived from
amounts appropriated to the reserve fund by the legislature, or shall be used to pay debt service when due on bonds for which other moneys available pursuant to section 67-8727, Idaho Code, are insufficient.

(4) The state of Idaho pledges to and agrees with the holders of any bonds that the state will not alter, impair or limit the rights vested by the sales tax account pledge provided in this section and in section 63-3638, Idaho Code, with respect to the bonds until the bonds, together with applicable interest, are fully paid and discharged.

(5) To the extent that other legally available revenues and funds of the state are sufficient to meet the certified deficiency, the transfer of moneys from the sales tax account in section 63-3638, Idaho Code, is abated.

SECTION 7. That Section 67-8725, Idaho Code, be, and the same is hereby amended to read as follows:

The paying agent may be the trustee for the bonds of the authority that are secured by those municipal bonds.

(b) A municipality subject to this section and chapter with regard to any municipal bonds and which is unable to transfer the scheduled debt service payment to the paying agent at least fifteen (15) days before the scheduled payment date shall immediately notify the paying agent and the state treasurer by:

(d) If sufficient moneys to pay the scheduled debt service payment have not been transferred to the paying agent at least ten (10) days before the scheduled payment date, the authority or the state treasurer shall cause sufficient moneys to be transferred from the reserve fund as provided in section 67-8713, Idaho Code, to the paying agent to make the scheduled debt service payment.

(e) To the extent moneys transferred from the reserve fund are derived from moneys appropriated to the reserve fund by the legislature, the payment by the state treasurer:

(i) Discharges the obligation of the issuing municipality to
(ii) Transfers the rights represented by the general obligation of the municipality from the bondholders to the state.

(2) (a) If one (1) or more payments on bonds are made by the state treasurer from moneys in the reserve fund that are derived from moneys appropriated to the reserve fund by the legislature, due to the failure of the municipality to make payment on its bonds in a timely manner, the state treasurer, subject to the limitations provided in paragraph (b) of this subsection shall:
   (i) Immediately intercept any payments from:
      (A) The receipts of any payment of property taxes; or
      (B) Sales tax moneys that would be distributed pursuant to section 63-3638, Idaho Code; or
      (C) Any other source of operating moneys provided by the state to the municipality that issued the municipal bonds that would otherwise be paid to the municipality by the state; and
   (ii) Apply the intercepted payments to reimburse the state for payments made by the state for the bonds by deposit to the reserve fund up to the amount withdrawn from the reserve fund for such purpose until all obligations of the municipality to the state arising from those payments, including interest and penalties, are paid in full.

(b) When intercepting payments under paragraph (a) of this subsection, the state treasurer shall intercept only such payments, if any, which would otherwise be lawfully available to the municipality for the repayment of its municipal bonds and further subject to the limitations of section 67-8728, Idaho Code.

(c) The state has no obligation to the municipality or to any person or entity to replace any moneys intercepted under the authority of this subsection.

(3) The municipality that issued municipal bonds for which the state has made all or part of a debt service payment, either from amounts in the reserve fund that are derived from moneys appropriated by the legislature or from moneys transferred from the state sales tax account pursuant to section 67-8716, Idaho Code, shall:
   (a) Reimburse all moneys drawn by the state treasurer on its behalf;
   (b) Pay interest to the state on all moneys paid by the state from the date the moneys are drawn to the date they are repaid at a rate not less than the average prime rate for national money center banks plus five percent (5%); and
   (c) Pay all penalties required by this chapter.

(4) (a) The state treasurer shall establish the reimbursement interest rate after considering the circumstances of any prior draws by the municipality on the state, market interest and penalty rates, and the cost of funds, if any, that were required to be borrowed by the state to make payments on the bonds.

(b) The state treasurer may, after considering the circumstances giving rise to the failure of the municipality to make payment on its bonds in a timely manner, impose on the municipality a penalty of not more than five percent (5%) of the amount paid by the state for each instance in which a payment by the state is made.

(5)(a)(i) If the state treasurer determines that amounts obtained
under this section will not reimburse the state in full within one (1) year from the state's payment of a municipality's scheduled debt service payment, the state treasurer shall pursue any legal action, including mandamus, against the municipality to compel it to:

(A) Levy and provide tax or other revenues to pay debt service on its municipal bonds when due; and

(B) Meet its repayment obligations to the state.

(ii) In pursuing its rights under paragraph (a) of this subsection, the state shall have the same substantive and procedural rights as would a holder of the bonds of a municipality.

(b) The attorney general shall assist the state treasurer in these duties.

(c) The municipality shall pay the attorney's fees, expenses and costs of the state treasurer and the attorney general.

(6) (a) Except as provided in paragraph (c) of this subsection, any municipality whose operating funds were intercepted under this section may replace those funds from other municipal moneys or from property taxes, subject to the limitations provided in this subsection.

(b) A municipality may use property taxes or other moneys to replace intercepted funds only if the property taxes or other moneys were derived from:

(i) Taxes originally levied to make the payment but which were not timely received by the municipality;

(ii) Taxes from a supplemental levy made to make the missed payment or to replace the intercepted moneys;

(iii) Moneys transferred from the undistributed reserve, if any, of the municipality; or

(iv) Any other source of money on hand and legally available.

(c) Notwithstanding the provisions of paragraphs (a) and (b) of this subsection, a municipality may not replace operating funds intercepted by the state with moneys collected and held to make payments on bonds if that replacement would divert moneys from the payment of future debt service on the bonds and increase the risk that the state would be called upon an additional time to make payments on the bonds.

SECTION 8. That Section 67-8727, Idaho Code, be, and the same is hereby amended to read as follows:

67-8727. ALTERNATIVE INTERCEPT PROCEDURE. Notwithstanding any other provision of law to the contrary, to the extent that any bonds are not secured by moneys appropriated by the legislature to the reserve fund established pursuant to section 67-8713, Idaho Code, or such moneys are insufficient to pay debt service when due on the bonds, in lieu of the provisions set forth in section 67-8725, Idaho Code, the following provisions shall apply, provided that the provisions of section 67-8725, Idaho Code, shall continue to apply with respect to transfers of amounts in the reserve fund derived from moneys appropriated by the legislature:

(iii) A writing sent by first-class United States mail.

(c) If sufficient funds are not transferred to the paying agent as trustee for the bonds of the authority that are secured by those municipal bonds at least ten (10) days before the scheduled debt service payment date of those bonds, the trustee shall transfer any available funds pledged to secure payment of the bonds held in any reserve fund or other pledged fund, or draw on any reserve surety policy securing the bonds, sufficient amounts to make up any shortfall in the amount necessary to pay debt service on the bonds on the scheduled payment date and deposit such amount in the debt service payment fund for those bonds.

(d) If, as a result of the failure of the municipality to make payment on its municipal bonds in a timely manner, the trustee is required to transfer funds pursuant to paragraph (c) of this subsection to pay debt service on the bonds or there are not sufficient funds available pursuant to paragraph (c) of this subsection to make up for any shortfall in the amount necessary to pay debt service on the bonds, at least ten (10) days before the scheduled debt service payment date of the bonds, the trustee shall notify the authority and the state treasurer by:

(i) Telephone;
(ii) A writing sent by facsimile transmission; and

the amount of the deficiency, at least five (5) days prior to the scheduled payment date of the bonds;
(b) To the trustee for the bonds to reimburse any amounts transferred from a reserve or other pledged fund or surety policy pursuant to paragraph (c) of this subsection up to the required balance in such fund or required reimbursement of such surety; and
(c) To the state for the reimbursement of any moneys transferred from the state sales tax account pursuant to section 67-8716, Idaho Code, to pay debt service on the bonds on the scheduled payment date, together with any interest or penalties established pursuant to section 67-8725, Idaho Code;

(2) (a) The municipal bonds or the agreement for purchase of the municipal bonds by the authority may provide for payment of interest and penalties and other terms for reimbursement of any amounts drawn from reserve funds, pledged funds, reserve surety policies or other credit enhancement to pay debt service on the bonds due to the failure of the municipality to make payment on its municipal bonds in a timely manner. To the extent that debt service on the bonds is paid from the state sales tax account pursuant to section 67-8716, Idaho Code, the provisions of sections 67-8725(3), (4) and (5), Idaho Code, shall apply.
(b) If the authority determines that amounts obtained under this section will not fully make up any amounts which a municipality has failed to pay on its municipal bonds when due, together with any interest and penalties established pursuant to this section, within one (1) year from the payment of the municipality's scheduled debt service payment, the authority or the trustee for the bonds may pursue any legal action, including mandamus, against the municipality to compel the municipality to:
(i) Levy and provide tax or other revenues to pay debt service on its municipal bonds when due; and
(ii) Meet its repayment obligations, under its municipal bonds or otherwise, to the authority.
(c) In pursuing their rights under this subsection, the authority and the trustee shall have the same substantive and procedural rights as a holder of the bonds of a municipality.
(d) The attorney general shall assist the authority in carrying out its duties under this subsection.
(e) The municipality shall pay the attorney's fees, expenses and costs of the authority, the trustee and the attorney general.
(43) (a) Except as provided in paragraph (c) of this subsection, any municipality whose operating funds were intercepted under this
section may replace those funds from other municipal moneys or from property taxes, subject to the limitations provided in this subsection.

(b) A municipality may use property taxes or other moneys to replace intercepted funds only if the property taxes or other moneys were derived from:
   (i) Taxes originally levied to make the payment but which were not timely received by the municipality;
   (ii) Taxes from a supplemental levy made to make the missed payment or to replace the intercepted moneys;
   (iii) Moneys transferred from the undistributed reserve, if any, of the municipality; or
   (iv) Any other source of money on hand and legally available.

(c) Notwithstanding the provisions of subsections (4) (a) and (b) of this section, a municipality may not replace operating funds intercepted by the state with moneys collected and held to make payments on bonds if that replacement would divert moneys from the payment of future debt service on the bonds and increase the risk that the state would be called upon an additional time to make payments on the bonds.

SECTION 9. That Chapter 87, Title 67, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW SECTION, to be known and designated as Section 67-8728, Idaho Code, and to read as follows:

67-8728. LIMITED EXEMPTION FROM INTERCEPT PROVISIONS. (1) The intercept provisions provided for by sections 67-8725 and 67-8727, Idaho Code, shall not apply to:
   (a) Municipal bonds where a municipality has the authority through an election held and results certified pursuant to section 3, article VIII of the constitution of the state of Idaho to collect revenues sufficient to pay the interest and principal of such municipal bonds;
   (b) Municipal bonds which are local improvement bonds issued under chapter 17, title 50, Idaho Code; or
   (c) Municipal bonds purchased by the authority from proceeds of bonds, which the authority has designated at the time its bonds are issued, not to receive payment from the sales tax.
   (2) Any municipality seeking either of the limited exemptions set forth in subsection (1)(a) or (1)(b) of this section shall do so through a resolution of the municipality duly adopted indicating that the municipality meets the requirements for this limited exemption.

SECTION 10. An emergency existing therefor, which emergency is hereby declared to exist, this act shall be in full force and effect on and after its passage and approval.

Approved April 14, 2005.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 6-210, Idaho Code, be, and the same is hereby amended to read as follows:

6-210. RECOVERY OF DAMAGES FOR ECONOMIC LOSS WILLFULLY CAUSED BY A MINOR. (1) Any person shall be entitled to recover damages in an amount not to exceed two thousand five hundred dollars ($2,500) in a court of competent jurisdiction from the parents of any minor, under the age of eighteen (18) years, living with the parents, who shall willfully cause economic loss to such person, except as otherwise provided in section 49-310, Idaho Code. "Person" means any municipal corporation, county, city school district, or any individual, partnership, corporation or association, or any religious organization, whether incorporated or unincorporated.

(2) Economic loss shall include, but not be limited to, the value of property, as that term is defined in section 18-2402(8), Idaho Code, taken, destroyed, broken or otherwise harmed, lost wages and direct out-of-pocket losses or expenses such as medical expenses resulting from the minor's willful willful conduct, but shall not include less tangible damage such as pain and suffering, wrongful death or emotional distress.

(3) As used in this section, "parents" shall mean any persons or
entities who have legal custody of the minor, or any persons or entities who are licensed to accept children for child care under chapter 12, title 39, Idaho Code. "Legal custody" shall be as that term is defined in section 16-2002ff7, Idaho Code.

(4) In the event the parents are providing foster care for the minor at the time of the minor's willful act, and the parents are licensed pursuant to section 39-1211, Idaho Code, and the minor is in the legal custody of the department of health and welfare, any person is entitled to recover damages in a court of competent jurisdiction within the above stated limits. Such recovery shall be insured by the state of Idaho.

SECTION 2. That Section 6-1903, Idaho Code, be, and the same is hereby amended to read as follows:

6-1903. DISCHARGE OF A MENTAL HEALTH PROFESSIONAL’S DUTY TO WARN. (1) The duty to warn arises only under the limited circumstances specified in section 6-1902, Idaho Code. The duty to warn a clearly identifiable victim shall be discharged when the mental health professional has made a reasonable effort to communicate, in a reasonable timely manner, the threat to the victim and has notified the law enforcement agency closest to the patient's or victim's residence of the threat of violence, and has supplied a requesting law enforcement agency with any information he has concerning the threat of violence. If the victim is a minor, in addition to notifying the appropriate law enforcement agency as required in this subsection, the mental health professional shall make a reasonable effort to communicate the threat to the victim's custodial parent, noncustodial parent, or legal guardian.

(2) The provisions of this section do not limit or affect the mental health professional's duty to report child abuse or neglect in accordance with section 16-16i905, Idaho Code.

SECTION 3. That Section 16-1506, Idaho Code, be, and the same is hereby amended to read as follows:

16-1506. PROCEEDINGS ON ADOPTION. (1) Proceedings to adopt a child shall be commenced by the filing of a petition together with a copy thereof. Said The petition shall be initiated by the person or persons proposing to adopt the child and shall be filed with the district court of the county in which said person or persons reside. If the adoption arises from a child protective act case, the petition shall be filed in the court having jurisdiction over the child protective act case unless that court relinquishes jurisdiction over the adoption proceeding. The petitioners shall have resided and maintained a dwelling within the state of Idaho for at least six (6) consecutive months prior to the filing of a petition. The petition shall set forth the name and address of the petitioner or petitioners, the name of the child proposed to be adopted and the name by which the person to be adopted shall be known if and when adopted, the degree of relationship of the child, if any, to the petitioner or petitioners and the names of any person or agency whose consent to said adoption is necessary. At the time fixed for hearing such petition the person adopting a child, and the child adopted, and the spouse of the petitioner if a natural parent of the child, must appear before the court of the county wherein the petition was filed.
The Petitioner shall at such time execute an agreement to the effect that the child shall be adopted and treated in all respects as his own lawful child should be treated.

(2) Any person or persons whose consent is required shall execute such consent in writing, in a form consistent with the provisions of subsection (e) of section 16-2005(4), Idaho Code, which consent being filed in the court where the application is made, shall be deemed a sufficient appearance on the part of such person or persons. If any adoptive parent, or a person not a minor being adopted by a resident adult under the provisions of section 16-1501, Idaho Code, is a member of the armed services and is unable to attend the hearing, his appearance and testimony shall be received by means of deposition, which shall be filed in the court at the time of the hearing.

(3) Prior to the placement for adoption of any child in the home of prospective adoptive parents, it shall be required that a thorough social investigation of the prospective adoptive family and all of its members, consistent with the rules regarding such investigations promulgated by the department of health and welfare, shall be completed and that a positive recommendation for adoptive placement shall have been made. The social investigation may be performed by any individual who meets the requirements of the law. A copy of the study must be submitted to the department and the department may impose a reasonable fee, not to exceed fifty dollars ($50.00), for oversight of such privately conducted studies. If the prospective adoptive parent has a disability as defined in this chapter, the prospective adoptive parent shall have the right, as a part of the social study, to provide information regarding the manner in which the use of adaptive equipment or supportive services will enable the parent to carry out the responsibilities of parenting the child. The person performing the social investigation shall advise the prospective adoptive parent of such right and shall consider all such information in any findings or recommendations. The social investigation of any prospective adoptive parent with a disability shall be conducted by, or with the assistance of, an individual with expertise in the use of such equipment and services. Nothing in this chapter shall be construed to create any new or additional obligation on state or local governments to purchase or provide adaptive equipment or supportive services for parents with disabilities. A copy of the study must be submitted to the department and the department may impose a reasonable fee, not to exceed fifty dollars ($50.00), for oversight of such privately conducted studies. In those instances where the prospective adoptive parent is married to the birth parent or is the grandparent of the child to be adopted, such social investigation shall be completed with regard to the prospective adoptive parent only upon order of the court. In exigent circumstances where the prospective adoptive parents are determined by the court to have been unable to complete a social investigation of the family with a positive recommendation prior to the time the child is placed in the home, the child shall remain in the home unless the court determines the best interests of the child are served by other placement. If exigent circumstances exist, a social investigation shall be initiated within five (5) days of placement. Once initiated, all studies shall be completed within sixty (60) days. Upon the filing of a petition to adopt a minor child by a person unrelated to the child or unmarried to a natural parent of the child and at the discretion of the court upon the filing of any other petition for adoption, a copy of such petition,
together with a statement containing the full names and permanent addresses of the child and the petitioners, shall be served by the court receiving the petition within five (5) days on the director of the department of health and welfare by registered mail or personal service. If no private investigation is conducted, it shall then be the duty of the said director, through the personnel of the department or through such qualified child-placing children's adoption agency incorporated under chapter 3, title 30, Idaho Code, as the director may designate, to verify the allegations of the petition, and as soon as possible not exceeding thirty (30) days after service of the petition on the director to make a thorough investigation of the matter to include in all cases information as to the alleged date and place of birth and as to parentage of the child to be adopted as well as the source of all such information and report his findings in writing to the court. The investigative report shall include reasonably known or available medical and genetic information regarding both natural parents and sources of such information as well as reasonably known or available providers of medical care and services to the natural parents. A copy of all medical and genetic information compiled in the investigation shall be made available to the adopting family by the department or other investigating children's adoption agency prior to entry of the final order of adoption. The petition, statement and all other papers, records or files relating to the adoption, including the preplacement investigation and recommendation, shall be returned to the court with the investigative report. The department of health and welfare or other children's adoption agency may require the petitioner to pay all or any part of the costs of the investigation. If the report disapproves of the adoption of the child, motion may be made to the court to dismiss the petition.

(4) Proceedings for termination of parent-child relationship in accordance with chapter 20, title 16, Idaho Code, and proceedings for adoption may be consolidated and determined at one (1) hearing provided that all of the requirements of this chapter as well as chapter 20, title 16, Idaho Code, be fully complied with. Nothing in either chapter shall be construed as limiting the initiation of any petition for approval of a verified financial plan for adoption expenses pursuant to section 18-1511, Idaho Code, prior to the birth of the child which is the subject of any adoption proceeding. In all disputed matters under this chapter or chapter 20, title 16, Idaho Code, the paramount criterion for consideration and determination by the court shall be the best interests of the child.

(5) Proceedings for the adoption of an adult shall be as provided in subsection (1) of this section and any consents required shall be executed as provided in subsection (2) of this section. Upon a finding by the court that the consent of all persons for whom consent is required has been given and that the requirements of section 16-1501, Idaho Code, have been proven to the satisfaction of the court, the court shall enter an order granting the adoption. In cases where the adult proposed to be adopted is incapacitated or disabled, the court may require that an investigation be performed. The form and extent of the investigation to be undertaken may be as provided in subsection (3) of this section, or as otherwise ordered by the court. If an investigation is performed, the court must review and approve the findings of the investigation before issuing an order approving the adoption.
SECTION 4. That Section 16-1513, Idaho Code, be, and the same is hereby amended to read as follows:

16-1513. REGISTRATION OF NOTICE OF COMMENCEMENT OF PATERNITY PROCEEDINGS. (1) A person who is the father or claims to be the father of a child born out of wedlock may claim rights pertaining to his paternity of the child by commencing proceedings to establish paternity under section 7-1111, Idaho Code, and by filing with the vital statistics unit of the department of health and welfare notice of his commencement of proceedings to establish his paternity of the child born out of wedlock. The vital statistics unit of the department of health and welfare shall provide forms for the purpose of filing the notice of commencement of paternity proceedings, and the forms shall be made available through the vital statistics unit of the Idaho department of health and welfare and in the office of the county clerk in every county of this state. The forms shall include a written notification that filing pursuant to this section shall not satisfy the requirements of chapter 8±2, title 39, Idaho Code, and the notification shall also include the following statements:

(a) A parent may make a claim of parental rights of an abandoned child, abandoned pursuant to the provisions of chapter 8±2, title 39, Idaho Code, as provided by section 39-8±68206, Idaho Code, by filing a notice of claim of parental rights with the vital statistics unit of the department of health and welfare on a form as prescribed and provided by the vital statistics unit of the department of health and welfare;

(b) The vital statistics unit of the department of health and welfare shall maintain a separate registry for claims to abandoned children, abandoned pursuant to the provisions of chapter 8±2, title 39, Idaho Code;

(c) The department shall provide forms for the purpose of filing a claim of parental rights of an abandoned child, abandoned pursuant to the provisions of chapter 8±2, title 39, Idaho Code, and the forms shall be made available through the vital statistics unit of the Idaho department of health and welfare and in the office of the county clerk in every county of this state;

(d) To be valid, a claim of parental rights of an abandoned child, abandoned pursuant to the provisions of chapter 8±2, title 39, Idaho Code, must be filed before an order terminating parental rights is entered by the court. A parent that fails to file a claim of parental rights prior to entry of an order terminating their parental rights is deemed to have abandoned the child and waived and surrendered any right in relation to the child, including the right to notice of any judicial proceeding in connection with the termination of parental rights or adoption of the child;

(e) Registration of notice of commencement of paternity proceedings pursuant to chapter 15, title 16, Idaho Code, shall not satisfy the requirements of chapter 8±2, title 39, Idaho Code. To register a parental claim to an abandoned child, abandoned pursuant to the provisions of chapter 8±2, title 39, Idaho Code, an individual must file an abandoned child registry claim with the vital statistics unit of the department of health and welfare and comply with all
other provisions of chapter 842, title 39, Idaho Code, in the time and manner prescribed, in order to preserve parental rights to the child.

When filing a notice of the commencement of paternity proceedings, a person who claims to be the father of a child born out of wedlock, shall file with the vital statistics unit of the department of health and welfare, the completed form prescribed by the vital statistics unit of the department of health and welfare. Said form will be filled out completely, signed by the person claiming paternity, and witnessed before a notary public.

(2) The notice of the commencement of paternity proceedings may be filed prior to the birth of the child, but must be filed prior to the placement for adoption of the child in the home of prospective parents or prior to the date of commencement of any proceeding to terminate the parental rights of the birth mother, whichever event occurs first. The notice of the commencement of paternity proceedings shall be signed by the person filing the notice and shall include his name and address, the name and last address of the mother, and either the birth date of the child or the probable month and year of the expected birth of the child. The vital statistics unit of the department of health and welfare shall maintain a registry for this purpose which shall be subject to disclosure according to chapter 3, title 9, Idaho Code. The department shall record the date and time the notice of the commencement of proceedings is filed with the department. The notice shall be deemed to be duly filed with the department as of the date and time recorded on the notice by the department.

(3) If the unmarried biological father does not know the county in which the birth mother resides, he may initiate his action in any county, subject to a change in venue.

(4) Any father of a child born out of wedlock who fails to file and register his notice of the commencement of paternity proceedings prior to the placement for adoption of the child in the home of prospective parents or prior to the date of commencement of any proceeding to terminate the parental rights of the birth mother, whichever event occurs first, is deemed to have waived and surrendered any right in relation to the child and shall be barred from thereafter bringing or maintaining any action to establish his paternity of the child. Failure of such filing or registration shall constitute an abandonment of said child. The filing and registration of a notice of the commencement of paternity proceedings by a putative father shall constitute prima facie evidence of the fact of his paternity in any contested proceeding under chapter 11, title 7, Idaho Code. The filing of a notice of the commencement of paternity proceedings shall not be a bar to an action for termination of his parental rights under chapter 20, title 16, Idaho Code.

(5) In any adoption proceeding pertaining to a child born out of wedlock, if there is no showing that the putative father has consented to the adoption, a certificate shall be obtained from the vital statistics unit of the department of health and welfare, signed by the state registrar of vital statistics, which certificate shall state that a diligent search has been made of the registry of notices from putative fathers, and that no filing has been found pertaining to the father of the child in question, or if a filing is found, stating the name of the putative father and the time and date of filing. That certificate shall be filed with the court prior to entry of a final decree of adoption.
(6) Identities of putative fathers can only be released pursuant to procedures contained in chapter 3, title 9, Idaho Code.

(7) To cover the cost of implementing and maintaining said registry, the vital statistics unit of the department of health and welfare shall charge a filing fee of ten dollars ($10.00) at the time the putative father files his notice of his commencement of proceedings. It is the intent of the legislature that the fee shall cover all direct and indirect costs incurred pursuant to this section. The board of health and welfare shall annually review the fees and expenses incurred pursuant to administering the provisions of this section.

(8) Consistent with its authority denoted in the vital statistics act, section 39-242(c), Idaho Code, the board of health and welfare shall adopt, amend and repeal rules for the purpose of carrying out the provisions of this section.

The endorsement shall specifically state that continuation in the present condition or surroundings is contrary to the welfare of the child and shall require a peace officer or other suitable person to take
the child at once to a place of shelter care designated by the authorized agency which shall provide shelter care for the child.

The child may be excluded from hearings at any time at the discretion of the court. If the parent or guardian is without counsel, the court shall inform them of their right to be represented by counsel and to appeal from any disposition or order of the court.

(2) When a child is summoned as a witness in any hearing under this act, notwithstanding any other statutory provision, parents, a counselor, a friend, or other person having a supportive relationship with the child shall, if available, be permitted to remain in the courtroom at the witness stand with the child during the child's testimony unless, in written findings made and entered, the court finds that the constitutional right of the child's parent(s), guardian(s) or other custodian(s) to a fair hearing will be unduly prejudiced.

(3) At any stage of a proceeding under this chapter, if the court determines that it is in the best interests of the child or society, the court may cause the proceeding to be expanded or altered to include full or partial consideration of the cause under the juvenile corrections act without terminating the original proceeding under this chapter.

For a child under the age of twelve (12) years the attorney will have the powers and duties of a guardian ad litem. For a child twelve (12) years of age or older, the court may order that the counsel act with or without the powers and duties of a guardian ad litem.

(d4) The shelter care hearing may be continued for a reasonable time upon request by the parent, custodian or counsel for the child.

(e5) If, upon the completion of the shelter care hearing, it is shown that:

(2b) There is reasonable cause to believe the child comes within the jurisdiction of the court under this chapter and that reasonable efforts to prevent the placement of the child in shelter care could not be provided because of the immediate danger to the child or were provided but were not successful in eliminating the need for foster care placement of the child; and

(3c) The child could not be placed in the temporary sole custody of a parent having joint legal or physical custody; and

(4d) It is contrary to the welfare of the child to remain in the home; and

(5e) It is in the best interests of the child to remain in temporary shelter care pending the conclusion of the adjudicatory hearing; or

(6f) There is reasonable cause to believe that the child comes within the jurisdiction of the court under this chapter, but a reasonable effort to prevent placement of the child outside the home could be affected by a protective order safeguarding the child's welfare and maintaining the child in his present surroundings; the court shall issue, within twenty-four (24) hours of such hearing, an order of temporary legal custody and/or a protective order. Any evidence may be considered by the court which is of the type which reasonable people may rely upon.

(f6) Upon ordering shelter care pursuant to subsection (e5) of this section, the court shall also order an adjudicatory hearing to be held as soon as possible, but in no event later than thirty (30) days from the date the petition was filed.

(6) Prosecuting attorneys of the various counties may determine that multidisciplinary teams may be most effectively established through
the use of joint exercise of powers agreements among more than one (1) county and such agreements are hereby authorized.

Investigative reports required under section 16-160916, Idaho Code, shall be delivered to the court with copies to each of the parents and other legal custodians, guardian ad litem and attorney for the child prior to the date set for the pretrial conference.

(c3) At the adjudicatory hearing, parents or guardians with disabilities shall have the right to introduce admissible evidence regarding how use of adaptive equipment or supportive services may enable the parent or guardian to carry out the responsibilities of parenting the child by addressing the reason for the removal of the child.

(d4) If a preponderance of the evidence at the adjudicatory hearing shows that the child comes within the court's jurisdiction under this chapter upon the grounds set forth in section 16-1603, Idaho Code, the court shall so decree and in its decree shall make a finding on the record of the facts and conclusions of law upon which it exercises jurisdiction over the child.

(e5) Upon entering its decree the court shall consider any information relevant to the disposition of the child but in any event shall:

(1a) Place the child under protective supervision in his own home for an indeterminate period not to exceed the child's eighteenth birthday; or
(1b) Vest legal custody in the department or other authorized agency subject to residual parental rights and subject to full judicial review by the court of all matters relating to the custody of the child by the department or other authorized agency.

(f6) If the court vests legal custody in the department or other authorized agency, the court shall make detailed written findings based on facts in the record, that, in addition to the findings required in subsection (d4) of this section, continuation of residence in the home would be contrary to the welfare of the child and that vesting legal
custody with the department or other authorized agency would be in the best interests of the child. In addition the court shall make detailed written findings based on facts in the record as to whether the department made reasonable efforts to prevent the placement of the child in foster care, including findings, when appropriate, that:

1. Reasonable efforts were made but were not successful in eliminating the need for foster care placement of the child;
2. Reasonable efforts were not made because of immediate danger to the child;
3. Reasonable efforts to temporarily place the child with related persons were made but were not successful; or
4. Reasonable efforts were not required as the parent had subjected the child to aggravated circumstances as determined by the court, including, but not limited to: abandonment; torture; chronic abuse; sexual abuse; committed murder; committed voluntary manslaughter of another child; aided or abetted, attempted, conspired or solicited to commit such a murder or voluntary manslaughter; committed a felony-assault battery that results in serious bodily injury to any child of the parent; or the parental rights of the parent to a sibling of the child have been terminated involuntarily and that as a result, a hearing to determine the permanent future plan for this child will be held within thirty (30) days of this determination.

A decree vesting legal custody in the department shall be binding upon the department and may continue until the child's eighteenth birthday. The decree shall state that the department shall prepare a written case plan within thirty (30) days of placement.

A decree vesting legal custody in an authorized agency other than the department shall be for a period of time not to exceed the child's eighteenth birthday, and on such other terms as the court shall state in its decree to be in the best interests of the child and which the court finds to be acceptable to such authorized agency.

In order to preserve the unity of the family system and to ensure the best interests of the child whether issuing an order of protective supervision or an order of legal custody, the court may consider extending or initiating a protective order as part of the decree. The protective order shall be determined as in the best interests of the child and upon a showing of continuing danger to the child. The conditions and terms of the protective order shall be clearly stated in the decree.

If the court does not find that the child comes within the jurisdiction of this chapter pursuant to subsection (d) of this section it shall dismiss the petition.

SECTION 22. That Chapter 16, Title 16, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW SECTION, to be known and designated as Section 16-1620, Idaho Code, and to read as follows:

16-1620. PERMANENCY PLAN -- HEARING. (1) After a judicial determination that reasonable efforts to return the child to his home are not required because the parent has subjected the child to aggravated circumstances as set forth in section 16-1619(6)(d), Idaho Code, the department shall prepare a permanency plan. The plan shall set forth
reasonable efforts to place the child for adoption, with a legal guardian, or in another approved permanent placement.

(2) Notice of the permanency hearing shall be provided to the parents, legal guardians, guardians ad litem and foster parents, provided however, that foster parents are not thereby made parties to the child protective act action.

(3) When it is in the child's best interests, the child's connections to the community, including individuals with a significant relationship to the child, religious organizations and community activities, will be maintained throughout the transition. The plan shall state with specificity the role of the department toward each parent.

SECTION 23. That Section 16-1610, Idaho Code, be, and the same is hereby amended to read as follows:

16-16-621. PLANNING CASE PLAN HEARING. (a1) The department shall prepare a written case plan in every case in which the child is determined to be within the jurisdiction of the court, including cases in which the parent(s) is incarcerated. The case plan shall be filed with the court no later than sixty (60) days from the date the child was removed from the home or thirty (30) days after the adjudicatory hearing, whichever occurs first. Copies of the case plan shall be delivered to the parents and other legal guardians, the guardian ad litem and attorney for the child. Within five (5) days of filing the plan, the court shall hold a planning hearing to determine whether to adopt, reject or modify the case plan proposed by the department.

(b2) Notice of the planning case plan hearing shall be provided to the parents, legal guardians, guardians ad litem and foster parents. Although foster parents are provided notice of this hearing, they are not parties to the child protective act action.

(c3) The case plan shall set forth reasonable efforts which will be made to make it possible for the child to return to his home and shall concurrently include a plan setting forth reasonable efforts to place the child for adoption, with a legal guardian, or in another approved permanent placement. Whenever possible, the child's connections to the community, including individuals with a significant relationship to the child, religious organizations and community activities, will be maintained through the transition. The plan shall state with specificity the role of the department toward each parent, and shall be for an indeterminate period not to exceed the child's eighteenth birthday.

(d4) The case plan, as approved by the court, shall be entered into the record as an order of the court. In the absence of a finding of aggravated circumstances as provided for in section 16-1619(6), Idaho Code, the court's order shall provide that reasonable efforts shall be made to reunify the family in a timely manner in accordance with the case plan or in the alternative to complete the steps necessary to finalize the permanent placement of the child.

SECTION 24. That Section 16-1611, Idaho Code, be, and the same is hereby amended to read as follows:

16-16-622. REVIEW AND PERMANENCY HEARINGS. (a1) A motion for revocation or modification of an order issued under section 16-16019, Idaho
Code, may be filed by the department or any party; provided that no motion may be filed by the respondents under this section within three (3) months of a prior hearing on care and placement of the child. All persons required to be summoned or notified of the original petition pursuant to section 16-160611, Idaho Code, shall be served with notice of a motion for review of a child's case.

(b2) If the motion filed under subsection (a1) of this section alleges that the child's best interests are no longer served by carrying out the order issued under section 16-160819, Idaho Code, or the department or other authorized agency has failed to provide adequate care for the child, the court shall hold a hearing on the motion.

(c3) A hearing for review of the child's case and permanency plan shall be held no later than six (6) months after entry of the court's order taking jurisdiction under the act, and every six (6) months thereafter, so long as the child is in the custody of the department or authorized agency.

(d4) A hearing shall be held to review the permanency plan of the department prior to twelve (12) months from the date the child is removed from the home or the date of the court's order taking jurisdiction under this chapter, whichever occurs first. The court shall review, approve, reject or modify the permanency plan of the department and review progress in accomplishing the permanency plan. This permanency hearing may be combined with the review hearing required under subsection (c3) of this section.

(e5) By order of the court a hearing officer may be appointed to conduct hearings under this section.

(f6) The department or authorized agency may move the court at any time to vacate any order placing a child in its custody or under its protective supervision.

(g7) The department or any party may move the court requesting relief from the duty imposed on the department pursuant to the provisions of section 16-1629(4) 16-1629(9), Idaho Code, that it seek termination of parental rights. The court may grant the department's motion if it appears based on compelling reasons in the record that the presumption has been rebutted.

SECTION 25. That Chapter 16, Title 16, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW SECTION, to be known and designated as Section 16-1623, Idaho Code, and to read as follows:

16-1623. AMENDED DISPOSITION -- REMOVAL DURING PROTECTIVE SUPERVISION. (1) Where the child has been placed under the protective supervision of the department pursuant to section 16-1619, Idaho Code, the child may be removed from his or her home under the following circumstances:

(a) A peace officer may remove the child where the child is endangered in his surroundings and prompt removal is necessary to prevent serious physical or mental injury to the child; or

(b) The court has ordered, based upon facts presented to the court, that the child should be removed from his or her present conditions or surroundings because continuation in such conditions or surroundings would be contrary to the welfare of the child and vesting legal custody in the department or other authorized agency would be in the child's best interests.
(2) Upon removal, the child shall be taken to a place of shelter care.

(3) When a child under protective supervision is removed from his home, a hearing shall be held within forty-eight (48) hours of the child's removal from the home. At the hearing, the court shall determine whether to vest legal custody in the department or other authorized agency pursuant to section 16-1619(5)(b), Idaho Code.

(4) In determining whether to vest legal custody in the department or other authorized agency, the court shall consider any information relevant to the redisposition of the child, and in any event shall make detailed written findings based upon facts in the record as required by section 16-1619(6), Idaho Code.

(5) An order vesting legal custody with the department or other authorized agency under this section shall be treated for all purposes as if such an order had been part of the court's original decree under section 16-1619, Idaho Code. The department shall prepare a written case plan and the court shall hold a case plan hearing within thirty (30) days pursuant to section 16-1621, Idaho Code.

(6) Each of the parents or legal guardians from whom the child was removed shall be given notice of the redisposition hearing in the same time and manner as required for notice of a shelter care hearing under section 16-1615(2) and (3), Idaho Code.

(7) The redisposition hearing may be continued for a reasonable time upon the request of the parties.

SECTION 26. That Section 16-1615, Idaho Code, be, and the same is hereby amended to read as follows:

16-161524. TERMINATION OF PARENT-CHILD RELATIONSHIP. If the child has been placed in the legal custody of the department or under its protective supervision pursuant to section 16-160819, Idaho Code, the department may petition the court for termination of the parent and child relationship in accordance with chapter 20, title 16, Idaho Code. Unless there are compelling reasons it would not be in the best interest of the child, the department shall be required to file a petition to terminate parental rights within sixty (60) days of a judicial determination that an infant has been abandoned or that reasonable efforts, as defined, are not required because the parent has subjected the child to aggravated circumstances as determined by the court pursuant to section 16-1619(e) 16-1619(f)(3), Idaho Code; are not required because the court determines the parent has been convicted of murder or voluntary manslaughter of another sibling of the child or has aided, abetted, attempted, conspired or solicited to commit such murder or voluntary manslaughter and/or if the court determines the parent has been convicted of a felony assault or battery which resulted in serious bodily injury to the child or a sibling. The department shall join as a party to the petition if such a petition to terminate is filed by another party; as well as to concurrently identify, recruit, process and approve a qualified family for adoption unless it is determined that such actions would not be in the best interest of the child, or the child is placed with a relative. If termination of parental rights is granted and the child is placed in the guardianship or legal custody of the department of health and welfare the court, upon petition, shall conduct a hearing as to the future status of the child within twelve (12) months...
of the order of termination of parental rights, and every twelve (12) months subsequently until the child is adopted or is in a placement sanctioned by the court. A petition to terminate parental rights shall be filed as a motion in the existing child protective action act case.

SECTION 27. That Section 16-1617, Idaho Code, be, and the same is hereby amended to read as follows:

16-1617. APPEAL -- EFFECT ON CUSTODY. (1) An interested aggrieved party aggrieved by any order or decree of the court may appeal the following orders or decrees of the court to the district court within thirty (30) days of the filing of such order or decree:

(a) An adjudicatory decree entered pursuant to section 16-1619, Idaho Code;
(b) Any order subsequent to the adjudicatory decree that vests legal custody of the child in the department or other authorized agency;
(c) Any order subsequent to the adjudicatory decree that authorizes or mandates the department to cease reasonable efforts to make it possible to return the child to his home, including an order finding that the parent subjected the child to aggravated circumstances as set forth in section 16-1619(6)(d), Idaho Code; or
(d) An order of dismissal.

(2) Where the order affects the custody of a child, the appeal shall be heard at the earliest practicable time. The pendency of an appeal shall not suspend the order of the court regarding a child, and it shall not discharge the child from the legal custody of the authorized agency to whose care he has been committed, unless otherwise ordered by the district court. No bond or undertaking shall be required of any party appealing to the district court under the provisions of this section. Any final order or judgment of the district court shall be appealable to the supreme court of the state of Idaho in the same manner as appeals in other civil actions. The filing of the notice of appeal shall not, unless otherwise ordered, stay the order of the district court.

SECTION 28. That Section 16-1621, Idaho Code, be, and the same is hereby amended to read as follows:

16-1621. COURT RECORDS. The court shall keep a record of all court proceedings under this chapter. The records shall be available only to parties to the proceeding, persons having full or partial custody of the subject child and authorized agencies providing protective supervision or having legal custody of the child. Any other person may have access to the records only upon permission by the court and then only if it is shown that such access is in the best interests of the child; or for the purpose of legitimate research. If the records are released for research purposes, the person receiving them must agree not to disclose any information which could lead to the identification of the child.

SECTION 29. That Section 16-1616, Idaho Code, be, and the same is hereby amended to read as follows:
16-16t627. AUTHORIZATION OF EMERGENCY MEDICAL TREATMENT. (a1) At any time whether or not a child is under the authority of the court, the court may authorize medical or surgical care for a child when:

(1a) A parent, legal guardian or custodian is not immediately available and cannot be found after reasonable effort in the circumstances of the case; or

(1b) A physician informs the court orally or in writing that in his professional opinion, the life of the child would be greatly endangered without certain treatment and the parent, guardian or other custodian refuses or fails to consent.

(b2) If time allows in a situation under subsection (a1)(1b) of this section, the court shall cause every effort to be made to grant each of the parents or legal guardian or custodian an immediate informal hearing, but this hearing shall not be allowed to further jeopardize the child's life.

(c1) In making its order under subsection (a1) of this section, the court shall take into consideration any treatment being given the child by prayer through spiritual means alone, if the child or his parent, guardian or legal custodian are adherents of a bona fide religious denomination that relies exclusively on this form of treatment in lieu of medical treatment.

(d4) After entering any authorization under subsection (a1) of this section, the court shall reduce the circumstances, finding and authorization to writing and enter it in the records of the court and shall cause a copy of the authorization to be given to the physician or hospital, or both, that was involved.

(e5) Oral authorization by the court is sufficient for care or treatment to be given by and shall be accepted by any physician or hospital. No physician or hospital nor any nurse, technician or other person under the direction of such physician or hospital shall be subject to criminal or civil liability for performance of care or treatment in reliance on the court's authorization, and any function performed thereunder shall be regarded as if it were performed with the child's and the parent's authorization.

SECTION 30. That Section 16-1622, Idaho Code, be, and the same is hereby amended to read as follows:

16-16t228. SUPPORT OF COMMITTED CHILD. (a1) Whenever legal custody of a child is vested in someone other than his parents, after due notice to the parent, guardian or other persons legally obligated to care for and support the child, and after a hearing, the court may order and decree that the parent or other legally obligated person shall pay in such a manner as the court may direct a reasonable sum that will cover in whole or in part the support and treatment of the child after an order of temporary custody, if any, or the decree is entered. If the parent or other legally obligated person willfully fails or refuses to pay such sum, the court may proceed against him for contempt, or the order may be filed and shall have the effect of a civil judgment.

(b2) All child support orders shall notify the obligor that the order will be enforced by income withholding pursuant to chapter 12, title 32, Idaho Code.

(c3) Failure to include these provisions does not affect the validity of the support order or decree. The court shall require that the
social security numbers of both the obligor and obligee be included in
the order or decree.

SECTION 31. That Section 16-1623, Idaho Code, be, and the same is
hereby amended to read as follows:

16-16239. POWERS AND DUTIES OF THE DEPARTMENT. The department,
working in conjunction with the court and other public and private agen­
cies and persons, shall have the primary responsibility to implement the
purpose of this chapter. To this end, the department is empowered and
shall have the duty to do all things reasonably necessary to carry out
the purpose of this chapter, including, but not limited to, the follow­
ing:

(a) The department shall administer treatment programs for the
protection and care of neglected, abused and abandoned children, and in
so doing may place in foster care, shelter care, or other diagnostic,
treatment, or care centers or facilities, children of whom it has been
given custody. The department is to be governed by the standards found
in chapter 12, title 39, Idaho Code.

(b) On December 1, the department shall make an annual statistical
report to the governor covering the preceding fiscal year showing the
number and status of persons in its custody and including such other
data as will provide sufficient facts for sound planning in the conserva­
tion of children and youth. All officials and employees of the state
and of every county and city shall furnish the department upon request,
such information within their knowledge and control as the department
deems necessary. Local agencies shall report in such uniform format as
may be required by the department.

(c) The department shall be required to maintain a central regist­
try for the reporting of child neglect, abuse and abandonment informa­
tion. Provided however, that the department shall not retain any infor­
mation for this purpose relating to a child, or parent of a child, aban­
donned pursuant to chapter 812, title 39, Idaho Code.

(d) The department shall make periodic evaluation of all persons
in its custody or under its supervision for the purpose of determining
whether existing orders and dispositions in individual cases shall be
modified or continued in force. Evaluations may be made as frequently as
the department considers desirable and shall be made with respect to
every person at intervals not exceeding six (6) months. Reports of eval­
uation made pursuant to this section shall be filed with the court which
vested custody of the person with the department. Reports of evaluation
shall be provided to persons having full or partial legal or physical
custody of a child. Failure of the department to evaluate a person or to
reevaluate him within six (6) months of a previous examination shall not
of itself entitle the person to a change in disposition but shall enti­
tle him, his parent, guardian or custodian or his counsel to petition
the court pursuant to section 16-16422, Idaho Code.

(e) In a consultive capacity, the department shall assist communi­
ties in the development of constructive programs for the protection,
prevention and care of children and youth.

(f) The department shall keep written records of investigations,
evaluations, prognoses and all orders concerning disposition or treat­
ment of every person over whom it has legal custody. Department records
shall be subject to disclosure according to chapter 3, title 9, Idaho
Code, unless otherwise ordered by the court, the person consents to the disclosure, or disclosure is necessary for the delivery of services to the person. Notwithstanding the provisions restricting disclosure or the exemptions from disclosure provided in chapter 3, title 9, Idaho Code, all records pertaining to investigations, the rehabilitation of youth, the protection of children, evaluation, treatment and/or disposition records pertaining to the statutory responsibilities of the department shall be disclosed to any duly elected state official carrying out his official functions.

(g7) The department shall establish appropriate administrative procedures for the processing of complaints of child neglect, abuse and abandonment received and for the implementation of the protection, treatment and care of children formally or informally placed in the custody of the department under this chapter.

(h8) The department having been granted legal custody of a child, subject to the judicial review provisions of this subsection, shall have the right to determine where and with whom the child shall live, provided that the child shall not be placed outside the state without the court's consent. Provided however, that the court shall retain jurisdiction over the child, which jurisdiction shall be entered on any order or petition granting legal custody to the department, and the court shall have jurisdiction over all matters relating to the child. The department shall not place the child in the home from which the court ordered the child removed without first obtaining the approval of the court.

(i9) The department shall give to the court any information concerning the child that the court may at any time require, but in any event shall report the progress of the child under its custody at intervals of not to exceed six (6) months. The department shall file with the court at least five (5) days prior to the permanency hearing under section 16-1622, Idaho Code, the permanency plan and recommendations of the department. There shall be a rebuttable presumption that if a child is placed in the custody of the department and was also placed in out of the home care for a period not less than fifteen (15) out of the last twenty-two (22) months from the date the child entered shelter care, the department shall initiate a petition for termination of parental rights. This presumption may be rebutted by a finding of the court that the filing of a petition for termination of parental rights would not be in the best interests of the child or reasonable efforts have not been provided to reunite the child with his family, or the child is placed permanently with a relative.

(j10) The department shall establish appropriate administrative procedures for the conduct of administrative reviews and hearings as required by federal statute for all children committed to the department and placed in out of the home care.

(k11) At any time the department is considering a placement pursuant to this act, the department shall make a reasonable effort to place the child in the least disruptive environment to the child and in so doing may consider, without limitation, placement of the child with related persons.

SECTION 32. That Section 16-1624, Idaho Code, be, and the same is hereby amended to read as follows:
16-162430. OTHER DUTIES OF THE DEPARTMENT -- EXCEPTIONS. (1) Noth­ing in this chapter shall be construed as modifying duties of the department as described in sections 56-204A and 56-204B, Idaho Code.

(2) Nothing in this chapter shall be construed as assigning or imposing duties or responsibilities on the department by those provi­sions of this chapter relating to guardian ad litem.

SECTION 33. That Section 16-1625, Idaho Code, be, and the same is hereby amended to read as follows:

16-162531. AUTHORIZATION FOR DEPARTMENT TO ACT. (a) Upon receiving information that a child may be abused, neglected or abandoned, the department shall cause such investigation to be made in accordance with this chapter as is appropriate. In making the investigation the depart­ment shall use its own resources, and may enlist the cooperation of peace officers for phases of the investigation for which they are better equipped. Upon satisfying itself as to the course of action which should be pursued to best accord with the purpose of this chapter, the depart­ment shall:

(1a) Resolve the matter in such informal fashion as is appropriate under the circumstances; or

(2b) Seek to enter a voluntary agreement with all concerned persons to resolve the problem in such a manner that the child will remain in his own home; or

(3c) Refer the matter to the prosecutor or attorney general with recommendation that appropriate action be taken under this chapter; or

(4d) Refer the matter to the prosecutor or attorney general with recommendation that appropriate action be taken under other laws.

(b) In the event that the department concludes that a voluntary agreement pursuant to subsection (a)(2b) of this section should be used, the agreement shall be in writing, shall state the behavioral basis of each parent and necessary third person, shall contain such other terms as the department and each parent having joint custody shall deem appropriate under the circumstances, shall utilize such resources as are available to the department from any source and are considered appropriate to the situation, shall specify the services or treatment to be undertaken, shall be signed by all persons, including:

(1a) The child if appropriate;

(2b) Every parent having joint custody of the subject child;

(3c) Any other full or part-time resident of the home;

(4d) All other persons the department considers necessary to the agreement's success;

and shall specify the responsibilities of each party to the agreement, which responsibilities shall be thoroughly explained to each person orally. The agreement shall not run for more than one (1) year. Copies shall be given to all signatories.

SECTION 34. That Section 16-1630, Idaho Code, be, and the same is hereby amended to read as follows:

Such report shall contain the number and type of proceedings filed in the district under this chapter, the number of children subject to proceedings in the district under this chapter and the number of appointed guardians ad litem, the nature of services the guardians ad litem provided, the number of guardians ad litem trained in each district, the number of hours of service provided by guardians ad litem and attorneys and a complete financial statement for the past year and financial support requirements for the next fiscal year.

(2) The court may grant an order terminating the relationship and may rebuttably presume that such termination of parental rights is in the best interests of the child where:

(a) The parent caused the child to be conceived as a result of rape, incest, lewd conduct with a minor child under the age of sixteen (16) years, or sexual abuse of a child under the age of sixteen (16) years, as defined in sections 18-6101, 18-1508, 18-1506 and 18-6602, Idaho Code;

(c) The court determines the child to be an abandoned infant, except in a parental termination action brought by one (1) parent against another parent.

(3)--Who has been incarcerated and has no possibility of parole--; or
(4)--If a court determines the child to be an abandoned infant--.

child and waived and surrendered any right in relation to the child,
including the right to notice of any judicial proceeding in connection
with the termination of parental rights.

SECTION 51. That Section 16-2010, Idaho Code, be, and the same is
hereby amended to read as follows:

16-2010. DEGREE. (1) Every order of the court terminating the par­
et and child relationship or transferring legal custody or guardianship
of the person of the child, or providing for protective supervision of
the child, shall be in writing and shall recite the findings upon which
such order is based, including findings pertaining to the court's juris­
diction.

(2)(a) If the court finds sufficient grounds exist for the termi­
nation of the parent and child relationship, it shall so decree and:

between the child and the other parent.

(c) Where the court does not order termination of the parent and
child relationship, it shall dismiss the petition; provided, however,
that where the court finds that the best interest of the child requires
substitution or supplementation of parental care and supervision, it
shall make an order placing the child under protective supervision, or
vesting temporary legal custody in an authorized agency, fixing respon­
sibility for temporary child support, and designating the period of time
during which the order shall remain in effect.

SECTION 52. That Section 18-609A, Idaho Code, be, and the same is
hereby amended to read as follows:

18-609A. CONSENT REQUIRED FOR ABORTIONS FOR MINORS.

(1) (a) No person shall knowingly cause or perform an abortion upon
a minor unless:

(i) The attending physician has secured the written informed
consent of the minor and the written informed consent of the
minor's parent; or
(ii) The minor is emancipated and the attending physician has received written proof of emancipation and the minor's written informed consent; or

(iii) The minor has been granted the right of self-consent to the abortion by court order pursuant to paragraph (b) of this subsection and the attending physician has received the minor's written informed consent; or

(iv) A court has found that the causing or performing of the abortion, despite the absence of informed consent of a parent, is in the best interests of the minor and the court has issued an order, pursuant to paragraph (b)(iv)2. of this subsection, granting permission for the causing or performing of the abortion, and the minor is having the abortion willingly, pursuant to paragraph (f) of this subsection; or

(v) A medical emergency exists for the minor so urgent that there is insufficient time for the physician to obtain the informed consent of a parent or a court order and the attending physician certifies such in the pregnant minor's medical records. In so certifying, the attending physician must include the factual circumstances supporting his professional judgment that a medical emergency existed and the grounds for the determination that there was insufficient time to obtain the informed consent of a parent or a court order. Immediately after an abortion pursuant to this paragraph, the physician shall, with due diligence, attempt to provide a parent of an unemancipated minor actual notification of the medical emergency. If the parent cannot be immediately contacted for such actual notification, the physician shall, with due diligence, attempt to provide actual notification to a parent for an eight (8) hour period following the causing or performing of the abortion and shall, until a parent receives such notification, ensure that the minor's postabortion medical needs are met. Notwithstanding the above, a physician shall, within twenty-four (24) hours of causing or performing an abortion pursuant to this paragraph, provide actual notification of the medical emergency by:

1. Conferring with a parent or agent designated by the parent, and providing any additional information needed for the minor's proper care, and, as soon as practicable thereafter, securing the parent's written acknowledgement of receipt of such notification and information; or

2. Providing such actual notification in written form, addressed to the parent at the usual place of abode of the parent and delivered personally to the parent by the physician or an agent with written acknowledgement of such receipt by the parent returned to the physician; or

3. Providing such actual notification in written form and mailing it by certified mail, addressed to the parent at the usual place of abode of the parent with return receipt requested and restricted delivery to the addressee so that a postal employee can only deliver the notice to the authorized addressee.

For the purposes of this section, "actual notification" includes, but is not limited to, a statement that an abortion
was caused or performed, a description of the factual circumstances supporting the physician's judgment that the medical emergency existed and a statement of the grounds for the determination that there was insufficient time to obtain the informed consent of a parent or a court order.

If the physician causing or performing such abortion reasonably believes that the minor is homeless or abandoned so that the parents cannot be readily found or that the minor has suffered abuse or neglect such that the minor's physical safety would be jeopardized if a parent were notified that the abortion was caused or performed, the physician shall, in lieu of notifying a parent as required above, make a report to a law enforcement agency pursuant to section 16-160905, Idaho Code, and a petition shall be filed pursuant to section 16-160510, Idaho Code, which petition shall include a reference to this code section. Upon adjudication that the minor comes within the purview of chapter 16, title 16, Idaho Code, either on the basis of homelessness or abandonment such that no parent can be found, or on the basis of abuse or neglect such that the minor's physical safety would be in jeopardy if a parent were notified that the abortion was performed, the court shall, as a part of the decree, also order that the physician's duty to so notify a parent is relieved. In any other event, unless the court enters a finding that the best interests of the child require withholding notice to a parent, the court shall order that a parent receive actual notification of the medical emergency and the causing or performing of the abortion.

(b) A proceeding for the right of a minor to self-consent to an abortion pursuant to paragraph (a)(iii) of this subsection or for a court order pursuant to paragraph (a)(iv) of this subsection, may be adjudicated by a court as follows:

(i) The petition shall be filed in the county where the minor resides or the county where the abortion is caused or performed. A minor shall have the legal capacity to make and prosecute a petition and appeal as set out herein. A guardian ad litem may assist the minor in preparing her petition and other documents filed pursuant to this section and may seek appointment as set forth below. A guardian ad litem, whether prospective or appointed, must be an attorney properly licensed in this state. The court shall ensure that the minor is given assistance in filing the petition if the minor so desires a guardian ad litem but no qualified guardian ad litem is available.

(ii) The petition shall set forth:
1. The initials of the minor;
2. The age of the minor;
3. The name and address of each parent, guardian, or, if the minor's parents are deceased or the minor is abandoned and no guardian has been appointed, the name and address of any other person standing in loco parentis of the minor;
4. That the minor has been fully informed of the risks and consequences of the abortion procedure to be performed;
5. A claim that the minor is mature, of sound mind and has sufficient intellectual capacity to consent to the abortion for herself;

6. A claim that, if the court does not grant the minor the right to self-consent to the abortion, the court should find that causing or performing the abortion, despite the absence of the consent of a parent, is in the best interest of the minor and give judicial consent to the abortion; and

7. If so desired by the minor, a request that the court appoint a guardian ad litem, or, alternatively, if no guardian ad litem is requested, that the court should consider whether appointment of a guardian ad litem for the minor is appropriate.

The petition shall be signed by the minor and, if she has received assistance from a prospective guardian ad litem in preparing the petition, by the guardian ad litem.

(iii) A hearing on the merits of the petition shall be held as soon as practicable but in no event later than five (5) days from the filing of the petition. The petition shall be heard by a district judge on the record in a closed session of the court. The court shall appoint a qualified guardian ad litem for the minor if one is requested in the petition. If no qualified guardian ad litem is available, the court may appoint some other person to act in the capacity of a guardian ad litem, who shall act to fulfill the purposes of this section and protect the confidentiality and other rights of the minor.

At the hearing, the court shall, after establishing the identity of the minor, hear evidence relating to the emotional development, maturity, intellect and understanding of the minor; the nature of the abortion procedure to be performed and the reasonably foreseeable complications and risks to the minor from such procedure, including those related to future child-bearing; the available alternatives to the abortion; the relationship between the minor and her parents; and any other evidence that the court may find relevant in determining whether the minor should be granted the right to self-consent to the abortion or whether the court's consent to causing or performing of the abortion, despite the absence of consent of a parent, is in the best interests of the minor.

(iv) The order shall be entered as soon as practicable, but in no event later than five (5) days after the conclusion of the hearing. If, by clear and convincing evidence, the court finds the allegations of the petition to be true and sufficient to establish good cause, the court shall:

1. Find the minor sufficiently mature to decide whether to have the abortion and grant the petition and give the minor the right of self-consent to the abortion, setting forth the grounds for so finding; or

2. Find the performance of the abortion, despite the absence of the consent of a parent, is in the best interests of the minor and give judicial consent to the abortion, setting forth the grounds for so finding.

If the court does not find the allegations of the petition
to be true or if good cause does not appear from the evidence heard, the court shall deny the petition, setting forth the grounds on which the petition is denied.

If, in hearing the petition, the court becomes aware of allegations which, if true, would constitute a violation of any section of title 18, Idaho Code, by a person other than the petitioner, or would bring a child within the purview of chapter 16, title 16, Idaho Code, the court shall order, upon entry of final judgment in the proceeding under this subsection, that an appropriate investigation be initiated or an appropriate information, complaint or petition be filed. Such allegations shall be forwarded by the court with due consideration for the confidentiality of the proceedings under this section. If, but for the requirements for proof as set forth in this section, the minor would have been privileged to withhold information given or evidence produced by her, the answers given or evidence produced and any information directly or indirectly derived from her answers may not be used against the minor in any manner in a criminal case, except that she may nevertheless be prosecuted or subjected to penalty or forfeiture for any perjury, false swearing or contempt committed in answering or failing to answer, or in producing or failing to produce, evidence as required by the court.

(c) A notice of appeal from an order issued under the provisions of this subsection shall be filed within two (2) days from the date of issuance of the order. The record on appeal shall be completed and the appeal shall be perfected as soon as practicable, but in no event later than five (5) days from the filing of notice of appeal. Because time may be of the essence regarding the performance of the abortion, appeals pursuant to this subsection shall receive expedited appellate review.

(d) Except for the time for filing a notice of appeal, a court may enlarge the times set forth pursuant to this subsection upon request of the minor or upon other good cause appearing, with due consideration for the expedited nature of these proceedings.

(e) No filing, appeal or other fees shall be charged for cases or appeals brought pursuant to this section.

(f) If a minor desires an abortion, then she shall be orally informed of, and, if possible, sign the written consent required by this act, in the same manner as an adult person. No abortion shall be caused or performed on any minor against her will, except that an abortion may be performed against the will of a minor pursuant to court order if the abortion is necessary to preserve the life of the minor.

(g) All records contained in court files of judicial proceedings arising under the provisions of this subsection, and subsection (3) of this section, shall be confidential and exempt from disclosure pursuant to section 9-340C, Idaho Code. Dockets and other court records shall be maintained and court proceedings undertaken so that the names of the parties to actions brought pursuant to this section will not be disclosed to the public.

(2) The administrative director of the courts shall compile statistics for each county for each calendar year, accessible to the public, including:
(a) The total number of petitions filed pursuant to paragraph (b) of subsection (1) of this section; and
(b) The number of such petitions filed where a guardian ad litem was requested and the number where a guardian ad litem or other person acting in such capacity was appointed; and
(c) The number of such petitions for which the right to self-consent was granted; and
(d) The number of such petitions for which the court granted its informed consent; and
(e) The number of such petitions which were denied; and
(f) For categories described in paragraphs (c), (d) and (e) of this subsection, the number of appeals taken from the court's order in each category; and
(g) For each of the categories set out in paragraph (f) of this subsection, the number of cases for which the district court's order was affirmed and the number of cases for which the district court's order was reversed.

(3) In addition to any other cause of action arising from statute or otherwise, any person injured by the causing or performing of an abortion on a minor in violation of any of the requirements of paragraph (a) of subsection (1) of this section, shall have a private right of action to recover all damages sustained as a result of such violation, including reasonable attorney's fees if judgment is rendered in favor of the plaintiff.

(4) Statistical records.
(a) The vital statistics unit of the department of health and welfare shall, in addition to other information required pursuant to section 39-261, Idaho Code, require the complete and accurate reporting of information relevant to each abortion performed upon a minor which shall include, at a minimum, the following:
(i) Whether the abortion was performed following the physician's receipt of:
   1. The written informed consent of a parent and the minor; or
   2. The written informed consent of an emancipated minor for herself; or
   3. The written informed consent of a minor for herself pursuant to a court order granting the minor the right to self-consent; or
   4. The written informed consent of a court pursuant to an order which includes a finding that the performance of the abortion, despite the absence of the consent of a parent, is in the best interests of the minor; or
   5. The professional judgment of the attending physician that the performance of the abortion was immediately necessary due to a medical emergency and there was insufficient time to obtain consent from a parent or a court order.
(ii) If the abortion was performed due to a medical emergency and without consent from a parent or court order, the diagnosis upon which the attending physician determined that the abortion was immediately necessary due to a medical emergency.
(b) The knowing failure of the attending physician to perform any one (1) or more of the acts required under this subsection is
grounds for discipline pursuant to section 54-1814(6), Idaho Code, and shall subject the physician to assessment of a civil penalty of one hundred dollars ($100) for each month or portion thereof that each such failure continues, payable to the center for vital statistics and health policy, but such failure shall not constitute a criminal act.

(5) As used in this section:
(a) "Cause or perform an abortion" means to interrupt or terminate a pregnancy by any surgical or nonsurgical procedure or to induce a miscarriage upon a minor known to be pregnant.
(b) "Emancipated" means any minor who has been married or is in active military service.
(c) (i) "Medical emergency" means a sudden and unexpected physical condition which, in the reasonable medical judgment of any ordinarily prudent physician acting under the circumstances and conditions then existing, is abnormal and so complicates the medical condition of the pregnant minor as to necessitate the immediate causing or performing of an abortion:
   1. To prevent her death; or
   2. Because a delay in causing or performing an abortion will create serious risk of immediate, substantial and irreversible impairment of a major physical bodily function of the patient.
(ii) The term "medical emergency" does not include:
   1. Any physical condition that would be expected to occur in normal pregnancies of women of similar age, physical condition and gestation; or
   2. Any condition that is predominantly psychological or psychiatric in nature.
(d) "Minor" means a woman less than eighteen (18) years of age.
(e) "Parent" means one (1) parent of the unemancipated minor, or a guardian appointed pursuant to chapter 5, title 15, Idaho Code, if the minor has one.

SECTION 53. That Section 39-258, Idaho Code, be, and the same is hereby amended to read as follows:

39-258. ADOPTION OF PERSONS BORN IN IDAHO -- NEW BIRTH CERTIFICATE ISSUED TO REPLACE ORIGINAL CERTIFICATE -- PROCEDURE -- ADOPTION PROCEEDINGS NOT OPEN TO INSPECTION WITH CERTAIN EXCEPTIONS -- DUTIES OF THE CLERKS OF COURTS ISSUING ADOPTION DEGREES -- DUTIES OF STATE REGISTRAR OF VITAL STATISTICS. (a) Whenever a final decree of adoption, issued by an Idaho court, declares a person born in Idaho to be adopted by someone other than his or her natural parents, the court shall require the preparation of a report (denominated as a certificate in accordance with Idaho court rules) of adoption on a form prescribed and furnished by the state registrar. The report shall include such facts as are necessary to locate and identify the certificate of birth of the person adopted; shall provide information necessary to establish a new certificate of birth for the person adopted; and shall identify the order of adoption and be certified by the clerk of the court.
(b) Information necessary to prepare the report of adoption shall be furnished by each petitioner for adoption or the petitioner's attor-
ney. The provision of such information shall be prerequisite to the issuance of a final decree in the matter of the court.

(c) The report of adoption shall, within fifteen (15) days after becoming final, be recorded by the clerk of the court with the vital statistics unit in the state department of health and welfare.

(d) If a court of some other state issued a decree or report of adoption of a person actually born in Idaho, the certified copy or report may be similarly filed by the person involved or by the adoptive parents. Failure to file certified copies or reports of said decrees within said period of time, however, shall not bar issuance of a new birth certificate as hereinafter provided. This copy of said decree or report shall be filed with and remain a part of the records of the vital statistics unit.

(e) Upon receipt by the vital statistics unit of the certified report of adoption, a new certificate of birth shall be issued (but only in cases where such person's birth is already recorded with the vital statistics unit) bearing among other things the name of the person adopted, as shown in the report of adoption, except that a new certificate of birth shall not be established if so requested by the court decreeing the adoption, the adoptive parents, or the adopted person. No such birth certificate shall have reference to the adoption of said person. Such birth certificate shall supplant and constitute a replacement of any birth certificate previously issued for said person and shall be the only birth certificate open to public inspection.

Provided, however, upon good cause shown and the affidavit of the adoptive parents that a diligent search has been made, but no certificate of birth for the adoptive child can be located, the probate judge may order the adoptive child examined, at the expense of the adoptive parents, by a doctor of medicine licensed by the state of Idaho. The examination will be conducted pursuant to rules and regulations promulgated by the state board of health and welfare for the purpose of determining those matters required for the issuance of an original birth certificate. Upon the examination of the doctor made pursuant to the rules and regulations of the state board of health and welfare, the court may order the vital statistics unit to issue an original birth certificate for the adoptive child based upon those facts determined by the examination and included in the court's order. In such case a certified copy of the court order shall be provided to the vital statistics unit.

(f) In respect to form and nature of contents, such a new birth certificate shall be identical with a birth certificate issued to natural parents for the birth of a child, except that the adoptive parents shall be shown as parents and the adopted person shall have the name assigned by the decree of adoption as shown on the report of adoption. In a case where a single person adopts another person, any new birth certificate may designate the adopting parent as adoptive.

(g) Whenever an adoption decree is amended, annulled or rescinded, the clerk of the court shall forward a certified copy of the amendment, annulment or rescindment to the vital statistics unit in accordance with the time provisions in subsection (c) of this section. Unless otherwise directed by the court, the vital statistics unit shall amend the certificate of birth upon receipt of a certified copy of an amended decree of adoption. Upon receipt of a certified copy of a decree of annulment or rescindment of adoption, the original certificate of birth shall be restored to its place in the files and the new certificate and evidence
shall not be subject to inspection except upon order of a court of record of this state.

(h) All records and information specified in this section other than a new birth certificate issued hereunder, and all records, files and information of any court in this state relating to adoption proceedings, shall not be open to inspection except as provided in section 39-259A, Idaho Code, or upon the order of a court of record of this state; provided, however, that the provisions of section 16-160916, Idaho Code, to the contrary notwithstanding, any probate court, or the judge thereof, may furnish a certified copy of a decree of adoption to any duly authorized agency of the United States or the state of Idaho without procuring any prior court order therefor.

SECTION 54. That Section 39-259, Idaho Code, be, and the same is hereby amended to read as follows:

39-259. ADOPTION OF PERSONS BORN IN FOREIGN COUNTRIES. (a) When it appears from a final decree of adoption issued by an Idaho court that a person born in a foreign country has been adopted in Idaho by someone other than the person's natural parents, the court shall require the preparation of a report (denominated as a certificate in accordance with Idaho court rules) of adoption on a form prescribed and furnished by the state registrar. The report shall contain evidence from sources determined to be reliable by the court as to the true or probable date and place of birth and parentage of such person; shall provide information necessary to establish a new certificate of birth for the person adopted; and shall identify the order of adoption and be certified by the clerk of the court. Upon receipt by the state registrar of vital statistics of the report of adoption, the state registrar of vital statistics shall make and file a new birth certificate for the child when requested to do so by the court decreeing the adoption, the adoptive parents, or the adopted person. The new birth certificate shall show the true or probable foreign country (and city, town, village or other local designation, if known) of birth and the true or probable date of birth as established by the court and shown on the court report of adoption, the child's new name and parentage as stated in the report of adoption, and any other necessary facts as required by the state registrar. This birth certificate shall not be evidence of United States citizenship. The form and content of the certificate of foreign birth shall be established by the director.

(b) All records and information specified in this section other than a new birth certificate issued hereunder, and all records, files and information of any court in this state relating to adoption proceedings, shall not be open to inspection except as provided in section 39-259A, Idaho Code, or upon the order of a court of record of this state; provided, however, that the provisions of section 16-160916, Idaho Code, to the contrary notwithstanding, any probate court, or the judge thereof, may furnish a certified copy of a decree of adoption to any duly authorized agency of the United States or the state of Idaho without procuring any prior court order therefor.

(c) The report of adoption shall, within fifteen (15) days after becoming final, be recorded by the clerk of the court with the vital statistics unit in the state department of health and welfare.

(d) Whenever an adoption decree is amended, annulled or rescinded,
the clerk of the court shall forward a certified copy of the amendment, annulment or rescindment to the vital statistics unit in accordance with the time provisions in subsection (c) of this section. Unless otherwise directed by the court, the vital statistics unit shall amend the certificate of birth upon receipt of a certified copy of an amended decree of adoption. Upon receipt of a certified copy of a decree of annulment or rescindment of adoption, the Idaho birth certificate shall be removed from the file and along with the decree of annulment or rescindment shall be placed in the sealed file for that person. Such sealed file shall not be subject to inspection except upon order of a court of record of this state.

SECTION 55. That Section 39-270, Idaho Code, be, and the same is hereby amended to read as follows:

39-270. DISCLOSURE OF INFORMATION. (a) Certificates and records in the custody of the state registrar shall be open to inspection subject to the provisions of this chapter and the rules of the board, the provisions of section 9-302, Idaho Code, to the contrary notwithstanding; and it shall be unlawful for any state or local official or employee under this chapter to disclose any data contained in the records, except as authorized by this chapter and the rules of the board.

(b) A complete copy, or any part of a certificate, may be issued to any applicant who can show direct and tangible interest in the record for which he applies. A complete copy, or any part of a certificate, shall be issued upon request to a state, federal or local public agency for child support enforcement purposes pursuant to chapters 10, 11 and 12, title 7, Idaho Code, and sections 16-16228, 20-524, 32-710A, and 56-203, Idaho Code, or for the purpose of investigation of fraud related to benefit payments. Subject to such provisions as the board may prescribe, data contained on records may be used by federal, state or municipal agencies for the purpose of verification of data.

(c) As provided in chapter 3, title 9, Idaho Code, data contained on records may be used for research, public health or statistical purposes. No lists of registration shall be compiled for public use.

(d) The manner of keeping local records and the use thereof shall be prescribed by the board, in keeping with the provisions of this section.

(e) When one hundred (100) years have elapsed after the date of birth, or fifty (50) years have elapsed after the date of death, stillbirth, marriage or divorce, the records of these events in the custody of the state registrar shall become public records and information shall be made available in accordance with chapter 3, title 9, Idaho Code.

SECTION 56. That Section 39-8105, Idaho Code, as added by Section 1, Chapter 357, Laws of 2001, be, and the same is hereby amended to read as follows:

39-8105. SHELTER CARE HEARING -- INVESTIGATION -- ADJUDICATORY HEARING -- TERMINATION OF PARENT-CHILD RELATIONSHIP. (1) A shelter care hearing shall be held pursuant to section 16-16145, Idaho Code, and the department shall file a petition for adjudicatory hearing to vest legal custody in the department pursuant to section 16-161021, Idaho Code, at or prior to the time set for shelter care hearing.
(2) A child protective investigation or criminal investigation shall not be initiated based on a claim of abandonment unless a claim of parental rights is made and the court orders the investigation.

(3) During the initial thirty (30) day period from the time the child was delivered to a safe haven by a custodial parent, the department shall request assistance from law enforcement officials to investigate through the missing children information clearinghouse and other state and national resources to ensure that the child is not a missing child.

(4) An adjudicatory hearing shall be conducted pursuant to the provisions of section 16-160019, Idaho Code, and section 16-16021, Idaho Code.

(5) As soon as practicable following the initial thirty (30) day period from the time the child was delivered to a safe haven by a custodial parent, the department shall petition to terminate the parental rights of the parent who abandoned the child at the safe haven and any unknown parent pursuant to section 16-16524, Idaho Code, and in accordance with chapter 20, title 16, Idaho Code.

SECTION 57. That Section 39-8106, Idaho Code, as added by Section 1, Chapter 357, Laws of 2001, be, and the same is hereby amended to read as follows:

39-8106. CLAIM OF PARENTAL RIGHTS -- PROCEDURE. (1) A parent of the child may make a claim of parental rights of an abandoned child, abandoned pursuant to the provisions of this chapter, by filing a notice of claim of parental rights with the vital statistics unit of the department of health and welfare. The vital statistics unit of the department of health and welfare shall maintain an abandoned child registry for this purpose which shall be subject to disclosure according to chapter 3, title 9, Idaho Code. The department shall provide forms for the purpose of filing a claim of parental rights, and the forms shall be made available through the vital statistics unit of the Idaho department of health and welfare and in the office of the county clerk in every county of this state. Any parent claiming a parental right of an abandoned child, abandoned pursuant to the provisions of this chapter, shall file the form with the vital statistics unit of the department of health and welfare. The form must be filled out completely and provide the name and address for service of the person asserting the parental claim and set forth the approximate date the child was left in a safe haven. The form must be signed by the person claiming the parental right and be witnessed before a notary public. The department shall record the date and time the claim of parental rights is filed with the department. The claim shall be deemed to be duly filed with the department as of the date and time recorded on the claim by the department. To be valid, a claim of parental rights must be filed before an order terminating parental rights is entered by the court. A parent that fails to file a claim of parental rights prior to entry of an order terminating their parental rights is deemed to have abandoned the child and waived and surrendered any right in relation to the child, including the right to notice of any judicial proceeding in connection with the termination of parental rights or adoption of the child. Registration of notice of commencement of paternity proceedings pursuant to chapter 15, title 16, Idaho Code, shall not satisfy the requirements of this section.
(2) Prior to the time set for hearing on the petition to terminate parental rights filed by the department of health and welfare, and prior to entry of an order terminating parental rights by the court, the department of health and welfare shall obtain and file with the court a certificate from the vital statistics unit of the department of health and welfare, signed by the state registrar of vital statistics, which certificate shall state that a diligent search has been made of the registry of claims of parental rights of abandoned children, abandoned pursuant to this chapter, and shall set forth the results of that search.

(3) If a claim of parental rights is made before an order terminating parental rights is entered by the court, notice pursuant to section 16-2007, Idaho Code, will be required and the court shall hold the action for involuntary termination of parental rights in abeyance for a period of time not to exceed sixty (60) days unless otherwise ordered by the court. During that period:

(a) The court shall order genetic testing to establish maternity or paternity, at the expense of the person or persons claiming the parental right.

(b) The department of health and welfare shall conduct an investigation pursuant to section 16-2008, Idaho Code, and in those cases where a guardian ad litem has been appointed, the guardian ad litem shall have all rights, powers and duties as provided for in chapter 16, title 16, Idaho Code, and as provided for in chapter 20, title 16, Idaho Code.

(c) When indicated as a result of the investigation, a shelter care hearing shall be conducted by the court in accordance with section 16-16145, Idaho Code, within forty-eight (48) hours, or at an earlier time if ordered by the court, to determine whether the child should remain in the physical custody of the department or be released to a parent or other third party.

(d) Further proceedings shall be conducted as the court determines appropriate. However, where a claim of parental rights is made before an order terminating parental rights is entered by the court, a parent shall not be found to have neglected or abandoned a child placed in accordance with this chapter solely because the child was left with a safe haven.

(4) If there is no showing that a parent has claimed a parental right to the child, the department of health and welfare shall file with the court a certificate from the vital statistics unit of the department of health and welfare, signed by the state registrar of vital statistics, stating that a diligent search has been made of the registry of parental claims for children abandoned pursuant to the provisions of this chapter and that no parental claim has been made. The certificate shall be filed with the court prior to the entrance of the final order of termination of parental rights.

SECTION 58. That Section 54-4407, Idaho Code, be, and the same is hereby amended to read as follows:

54-4407. PEER ASSISTANCE ENTITY TO REPORT TO BOARD. (1) The legislature recognizes that confidentiality is essential to obtaining maximum disclosure from impaired health care professionals; such disclosure is vital to the success of the peer assistance process. It is also recognized that the public must be protected from health care professionals
who continue to practice in an impaired state.

(2) If the peer assistance entity reasonably believes that a health care professional continues to practice in an impaired state after entering into the peer assistance entity's program and despite the peer assistance entity's recommendations for treatment or modification of practice to remove risk to the public from the effects of the impairment, the peer assistance entity shall immediately notify the appropriate board regarding the impaired health care professional and provide all documentation relevant to substantiate the impaired practice. Similarly, if the licensing board reasonably believes that a health care professional continues to practice in an impaired state, it can require the peer assistance entity to provide all documentation available on the current ability to practice of the individual. Information that does not deal directly with the professional ability to practice will remain privileged.

(3) The board shall have access to financial and administrative records necessary to determine contract compliance and to reports regarding aggregate statistical information; provided, information released pursuant to this subsection shall not contain data which could be used to specifically identify past or present peer assistance program participants.

(4) The board shall have the authority to use any documentation or information supplied to it from a peer assistance entity pursuant to this section or section 54-4406, Idaho Code, as it deems necessary and which is consistent with applicable Idaho law.

(5) Nothing in this chapter shall be deemed to supersede any duty to report under chapter 19, title 6, or section 16-16-905 or 16-16-206, Idaho Code.

The specified requirements may include, but need not be limited to, taking prescribed medication, reporting to a facility to permit monitoring of the person's condition, or participating in individual or group therapy or in educational or vocational programs. Outpatient commitment may be up to one (1) year.

(o) "Protection and advocacy system" means the agency designated by the governor as the state protection and advocacy system pursuant to 42 U.S.C. section 15043 and 42 U.S.C. sections 10801 et seq.

CHAPTER 392
(H.B. No. 350)

AN ACT
RELATING TO SCHOOL BONDS; AMENDING SECTION 33-1121, IDAHO CODE, TO PROVIDE A TECHNICAL CorRECTION AND TO REVISE PROCEDURES FOR ADVANCE REFLUNDING OF SCHOOL DISTRICT BONDS; AMENDING SECTION 33-1123, IDAHO CODE, TO PROVIDE THAT REFUNDING BONDS SHALL BE AUTHORIZED BY A RESOLUTION OF THE BOARD OF TRUSTEES OF A SCHOOL DISTRICT FIXING THE DATE, DENOMINATIONS, RATE OF INTEREST, THE MATURITY DATES, THE LAST OF WHICH SHALL NOT EXCEED THE TERM OF THE OUTSTANDING BONDS TO BE REFUNDED; AND DECLARING AN EMERGENCY.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 33-1121, Idaho Code, be, and the same is hereby amended to read as follows:

33-1121. ADVANCE REFLUNDING BONDS. Whenever any school district has outstanding bonds which may be called and redeemed prior to their maturities, the board of trustees of any such district may issue refunding bonds in advance of the date of calling and redeeming such outstanding bonds for the purpose of redeeming the same, without submitting the question of issuing refunding bonds to the electors of the district, when the net interest cost of the refunding bonds shall not exceed the net interest cost of the bonds to be refunded.

"Net interest cost" of a proposed issue of refunding bonds is defined as the total amount of interest to accrue on said refunding bonds from their date to their respective maturities, plus the total amount of premiums payable to the holders of said outstanding bonds as a condition to their redemption, less the amount of any premium above their par value at which said refunding bonds are being or have been sold. "Net interest cost" of an outstanding issue, or issues, to be refunded is defined as the total amount of interest which would accrue on said outstanding bonds from the date of the proposed refunding bonds to the respective maturity dates of said outstanding bonds to be refunded. In all cases the net interest cost shall be computed without regard to any option of redemption prior to the designated maturities.

Two (2) or more issues of outstanding bonds may be refunded by a single issue of refunding bonds only if the taxable property, upon which taxes are levied to pay the interest and principal payments of the out-
standing bonds, is identical as to each issue proposed to be refunded by a single issue of refunding bonds.

Refunding bonds shall be issued in a total amount equal to; or--less than----the total--amount--of-the-outstanding-bonds-to-be-refunded; provided; that all of the outstanding bonds of any issue; or issues; are or will thereby be refunded.

In all other respects, the issuance of advance refunding bonds shall be governed by and subject to the limitations described in section 57-504, Idaho Code.

SECTION 2. That Section 33-1123, Idaho Code, be, and the same is hereby amended to read as follows:

33-1123. AUTHORIZATION. Refunding bonds shall be authorized by a resolution of the board of trustees fixing the date, denominations, rate of interest, the maturity dates, the last of which shall not be more than fifteen years from the date of said refunding bonds exceed the term of the outstanding bonds to be refunded, and place or places of payment, within or without the state of Idaho. The resolution shall also provide for an annual levy, upon all the property which could be levied upon to retire the outstanding bonds to be refunded, of a tax sufficient to pay the interest and principal payments according to the plan of amortization, and shall further provide for notice, or notices, of redemption of the outstanding bonds at the time and in the manner and form prescribed by law.

SECTION 3. An emergency existing therefor, which emergency is hereby declared to exist, this act shall be in full force and effect on and after its passage and approval.

CHAPTER 393
(H.B. No. 351)

AN ACT
RELATING TO ABORTION; AMENDING SECTION 18-602, IDAHO CODE, TO PROVIDE FURTHER STATUTORY LEGISLATIVE INTENT; AMENDING SECTION 18-604, IDAHO CODE, TO REVISE DEFINITIONS; AMENDING SECTION 18-605, IDAHO CODE, TO PROVIDE FELONY CRIMINAL PENALTIES TO EVERY PERSON NOT LICENSED OR CERTIFIED TO PROVIDE HEALTH CARE IN IDAHO WHO KNOWINGLY, EXCEPT AS PERMITTED BY LAW, PROVIDES, SUPPLIES OR ADMINISTERS ANY MEDICINE, DRUG OR SUBSTANCES TO ANY WOMAN OR USES OR EMPLOYS ANY INSTRUMENT OR OTHER MEANS WHATEVER UPON ANY THEN-PREGNANT WOMAN WITH INTENT TO CAUSE OR PERFORM AN ABORTION; AMENDING SECTION 18-609A, IDAHO CODE, TO REVISE PROCEDURES FOR REQUIRED CONSENT FOR ABORTIONS FOR MINORS; AMENDING SECTION 18-614, IDAHO CODE, TO REVISE DEFENSES TO PROSECUTION FOR PHYSICIANS FOR CAUSING OR PERFORMING AN ABORTION UPON A MINOR; PROVIDING LEGISLATIVE FINDINGS AND INTENT; PROVIDING SEVERABILITY; AND PROVIDING A CONTINGENT EFFECTIVE DATE.

Be It Enacted by the Legislature of the State of Idaho:
SECTION 1. That Section 18-602, Idaho Code, be, and the same is hereby amended to read as follows:

18-602. LEGISLATIVE FINDINGS AND INTENT. (1) The legislature finds:
(a) That children have a special place in society that the law should reflect;
(b) That minors too often lack maturity and make choices that do not include consideration of both immediate and long-term consequences;
(c) That the medical, emotional and psychological consequences of abortion and childbirth are serious and can be lasting, particularly when the patient is immature;
(d) That the capacity to become pregnant and the capacity for mature judgment concerning the wisdom of bearing a child or of having an abortion are not necessarily related;
(e) That parents, when aware that their daughter is pregnant or has had an abortion are in the best position to ensure that she receives adequate medical attention during her pregnancy or after her abortion;
(f) That except in rare cases, parents possess knowledge regarding their child which is essential for a physician to exercise the best medical judgment for that child;
(g) That when a minor is faced with the difficulties of an unplanned pregnancy, the best interests of the minor are always served when there is careful consideration of the rights of parents in rearing their child and the unique counsel and nurturing environment that parents can provide;
(h) That informed consent is always necessary for making mature health care decisions.
(2) It is the intent of the legislature in enacting section 18-609A, Idaho Code, to further the following important and compelling state interests recognized by the United States supreme court in:
(a) Protecting minors against their own immaturity;
(b) Preserving the integrity of the family unit;
(c) Defending the authority of parents to direct the rearing of children who are members of their household;
(d) Providing a pregnant minor with the advice and support of a parent during a decisional period;
(e) Providing for proper medical treatment and aftercare when the life or physical health of the pregnant minor is at serious risk in the rare instance of a sudden and unexpected medical emergency.
(3) It is the intent of the legislature of the state of Idaho to enact provisions in this chapter, amending chapter 6, title 18, Idaho Code, that are constitutional. Since the pronouncement of Roe v. Wade, the task of crafting statutes that regulate in a way that is meaningful and yet do not offend the constitution as interpreted by the courts has become extremely difficult. The inability for a state like Idaho to obtain timely review of legislation through the level of the United States supreme court, increases the difficulty of our circumstances. Under those circumstances it is the intent of the Idaho legislature that all of our statutes be interpreted in a constitutional manner and in a manner that will protect the state's interest in protecting our unborn children and their mothers to the fullest extent permissible under the United States constitution and the constitution of the state of Idaho.
SECTION 2. That Section 18-604, Idaho Code, be, and the same is hereby amended to read as follows:

18-604. DEFINITIONS. As used in this act:
(1) "Abortion" means the intentional termination of human pregnancy for purposes other than delivery of a viable birth.
(2) "Cause or perform an abortion" means to interrupt or terminate a pregnancy by any surgical or nonsurgical procedure or to induce a miscarriage upon a woman or minor known to be pregnant.
(3) "Emancipated" means any minor who has been married or is in active military service.
(4) "First trimester of pregnancy" means the first thirteen (13) weeks of a pregnancy.
(35) "Hospital" means an acute care, general hospital in this state, licensed as provided in chapter 13, title 39, Idaho Code.
(46) "Informed consent" means a voluntary and knowing decision to undergo a specific procedure or treatment. To be voluntary, the decision must be made freely after sufficient time for contemplation and without coercion by any person. To be knowing, the decision must be based on the physician's accurate and substantially complete explanation of each fact pertinent to making the decision. Facts pertinent to making the decision shall include, but not be limited to:

(a) A description of any proposed treatment or procedure;
(b) Any reasonably foreseeable complications and risks to the patient from such procedure, including those related to future reproductive health; and
(c) The manner in which such procedure and its foreseeable complications and risks compare with those of each readily available alternative to such procedure, including childbirth and adoption.

The physician must provide the information in terms which can be understood by the person making the decision, with consideration of age, level of maturity and intellectual capability.

(7) "Medical emergency" means a condition which, on the basis of the physician's good faith clinical judgment, so complicates the medical condition of a pregnant woman as to necessitate the immediate abortion of her pregnancy to avert her death or for which a delay will create serious risk of substantial and irreversible impairment of a major bodily function.
(8) "Minor" means a woman less than eighteen (18) years of age.
(9) "Parent" means one (1) parent of the unemancipated minor, or a guardian appointed pursuant to chapter 5, title 15, Idaho Code, if the minor has one.
(510) "Physician" means a person licensed to practice medicine and surgery or osteopathic medicine and surgery in this state as provided in chapter 18, title 54, Idaho Code.
(611) "Second trimester of pregnancy" means that portion of a pregnancy following the thirteenth week and preceding the point in time when the fetus becomes viable, and there is hereby created a legal presumption that the second trimester does not end before the commencement of the twenty-fifth week of pregnancy, upon which presumption any licensed physician may proceed in lawfully aborting a patient pursuant to section 18-608, Idaho Code, in which case the same shall be conclusive and unrebuttable in all civil or criminal proceedings.
(912) "Third trimester of pregnancy" means that portion of a preg-
nancy from and after the point in time when the fetus becomes viable.

(813) Any reference to a viable fetus shall be construed to mean a fetus potentially able to live outside the mother's womb, albeit with artificial aid.

SECTION 3. That Section 18-605, Idaho Code, be, and the same is hereby amended to read as follows:

18-605. UNLAWFUL ABORTIONS -- PROCUREMENT OF -- PENALTY. (1) Every person not licensed or certified to provide health care in Idaho who knowingly, except as permitted by this chapter, provides, supplies or administers any medicine, drug or substance to any woman or uses or employs any instrument or other means whatever upon any then-pregnant woman with intent thereby to cause or perform an abortion shall be guilty of a felony and shall be fined not to exceed five thousand dollars ($5,000) and/or imprisoned in the state prison for not less than two (2) and not more than five (5) years.

(2) Any person licensed or certified to provide health care pursuant to title 54, Idaho Code, and who, except as permitted by the provisions of this chapter, provides, supplies or administers any medicine, drug or substance to any woman or uses or employs any instrument or other means whatever upon any then-pregnant woman with intent to cause or perform an abortion shall:

(a) For the first violation, be subject to professional discipline and be assessed a civil penalty of not less than one thousand dollars ($1,000), payable to the board granting such person's license or certification;
(b) For the second violation, have their license or certification to practice suspended for a period of not less than six (6) months and be assessed a civil penalty of not less than two thousand five hundred dollars ($2,500), payable to the board granting such person's license or certification; and
(c) For each subsequent violation, have their license or certification to practice revoked and be assessed a civil penalty of not less than five thousand dollars ($5,000), payable to the board granting such person's license or certification.

(3) Any person who is licensed or certified to provide health care pursuant to title 54, Idaho Code, and who knowingly violates the provisions of this chapter is guilty of a felony punishable as set forth in subsection (1) of this section, separate from and in addition to the administrative penalties set forth in subsection (2) of this section.

SECTION 4. That Section 18-609A, Idaho Code, be, and the same is hereby amended to read as follows:

18-609A. CONSENT REQUIRED FOR ABORTIONS FOR MINORS.

(1) (a) No person shall knowingly cause or perform an abortion upon a minor unless:
(i) The attending physician has secured the written informed consent of the minor and the written informed consent of the minor's parent; or
(ii) The minor is emancipated and the attending physician has received written proof of emancipation and the minor's written informed consent; or
(iii) The minor has been granted the right of self-consent to the abortion by court order pursuant to paragraph (b) of this subsection and the attending physician has received the minor's written informed consent; or
(iv) A court has found that the causing or performing of the abortion, despite the absence of informed consent of a parent, is in the best interests of the minor and the court has issued an order, pursuant to paragraph (b)(iv)2. of this subsection, granting permission for the causing or performing of the abortion, and the minor is having the abortion willingly, pursuant to paragraph (f) of this subsection; or
(v) A medical emergency exists for the minor so urgent that there is insufficient time for the physician to obtain the informed consent of a parent or a court order and the attending physician certifies such in the pregnant minor's medical records. In so certifying, the attending physician must include the factual circumstances supporting his professional judgment that a medical emergency existed and the grounds for the determination that there was insufficient time to obtain the informed consent of a parent or a court order. Immediately after an abortion pursuant to this paragraph, the physician shall, with due diligence, attempt to provide a parent of an unemancipated minor actual notification of the medical emergency. If the parent cannot be immediately contacted for such actual notification, the physician shall, with due diligence, attempt to provide actual notification to a parent for an eight (8) hour period following the causing or performing of the abortion and shall, until a parent receives such notification, ensure that the minor's postabortion medical needs are met. Notwithstanding the above, a physician shall, within twenty-four (24) hours of causing or performing an abortion pursuant to this paragraph, provide actual notification of the medical emergency by:

1. Conferring with a parent or agent designated by the parent, and providing any additional information needed for the minor's proper care, and, as soon as practicable thereafter, securing the parent's written acknowledgement of receipt of such notification and information; or
2. Providing such actual notification in written form, addressed to the parent at the usual place of abode of the parent and delivered personally to the parent by the physician or an agent with written acknowledgement of such receipt by the parent returned to the physician; or
3. Providing such actual notification in written form and mailing it by certified mail, addressed to the parent at the usual place of abode of the parent with return receipt requested and restricted delivery to the addressee so that a postal employee can only deliver the notice to the authorized addressee.

For the purposes of this section, "actual notification" includes, but is not limited to, a statement that an abortion was caused or performed, a description of the factual circumstances supporting the physician's judgment that the medical emergency existed and a statement of the grounds for the deter-
mination that there was insufficient time to obtain the informed consent of a parent or a court order.

If the physician causing or performing such abortion reasonably believes that the minor is or will be homeless or abandoned so that the parents cannot be readily found or that the minor has suffered or will suffer abuse or neglect such that the minor's physical safety would be jeopardized if a parent were notified that the abortion was caused or performed, or reasonably believes that the best interests of the child require that notification to a parent that the abortion was caused or performed must be withheld, the physician shall, in lieu of notifying a parent as required above, make a report to a law enforcement agency pursuant to section 16-1605, Idaho Code, and a petition shall be filed pursuant to section 16-1605, Idaho Code, which petition shall include a reference to this code section. File a petition pursuant to section 16-1605, Idaho Code. Upon adjudication that the minor comes within the purview of chapter 16, title 16, Idaho Code, either on the basis of homelessness or abandonment such that no parent can be found, or on the basis of abuse or neglect such that the minor's physical safety would be in jeopardy if a parent were notified that the abortion was performed, the court shall, as a part of the decree, also or upon a finding that the best interests of the child require that a parent not be notified, the court shall, in a manner which will protect the confidentiality of the minor, order that the physician's duty to so notify a parent is relieved. In any other event, unless the court enters a finding that the best interests of the child require withholding notice to a parent, the court shall order that a parent receive actual notification of the medical emergency and the causing or performing of the abortion.

(b) A proceeding for the right of a minor to self-consent to an abortion pursuant to paragraph (a)(iii) of this subsection or for a court order pursuant to paragraph (a)(iv) of this subsection, may be adjudicated by a court as follows:

(i) The petition shall be filed in the county where the minor resides or the county where the abortion is caused or performed. A minor shall have the legal capacity to make and prosecute a petition and appeal as set out herein. A guardian ad litem may assist the minor in preparing her petition and other documents filed pursuant to this section and may seek appointment as set forth below. A guardian ad litem, whether prospective or appointed, must be an attorney properly licensed in this state. The court shall ensure that the minor is given assistance in filing the petition if the minor so desires a guardian ad litem but no qualified guardian ad litem is available is present. For the limited purposes required to give effect to this paragraph, a minor shall have the legal capacity to make and prosecute a petition and appeal as set out herein. The minor shall be notified if she has no attorney one will be appointed to assist her in preparing her petition and other documents filed pursuant to this section and represent her interests before the court. A guardian ad litem shall be appointed to seek the best interests of the minor, investigate
the circumstances of the minor and make a report to the court at the hearing which may be submitted into evidence. The guardian ad litem shall not take any action that compromises the confidentiality of the minor regarding her decision to obtain an abortion or the confidentiality of her decision to seek an order from the court.

(ii) The petition shall set forth:
1. The initials of the minor;
2. The age of the minor;
3. The name and address of each parent, guardian, or, if the minor's parents are deceased or the minor is abandoned and no guardian has been appointed, the name and address of any other person standing in loco parentis of the minor;
4. That the minor has been fully informed of the risks and consequences of the abortion procedure to be performed;
5. A claim that the minor is mature, of sound mind and has sufficient intellectual capacity to consent to the abortion for herself; and
6. A claim that, if the court does not grant the minor the right to self-consent to the abortion, the court should find that causing or performing the abortion, despite the absence of the consent of a parent, is in the best interest of the minor and give judicial consent to the abortion— and
7. If so desired by the minor, a request that the court appoint a guardian ad litem; or, alternatively, if no guardian ad litem is requested, that the court should consider whether appointment of a guardian ad litem for the minor is appropriate.

The petition shall be signed by the minor and, if she has received assistance from a prospective guardian ad litem in preparing the petition, by the guardian ad litem.

(iii) A hearing on the merits of the petition shall be held as soon as practicable but in no event later than five (5) days from the filing of the petition. The petition shall be heard by a district judge on the record in a closed session of the court. The court shall appoint a qualified guardian ad litem for the minor if one is requested in the petition. If no qualified guardian ad litem is available, the court may appoint some other person to act in the capacity of a guardian ad litem, who shall act to fulfill the purposes of this section and protect the confidentiality and other rights of the minor who has not been appointed and shall appoint an attorney for the minor if she has no attorney but desires one.

At the hearing, the court shall, after establishing the identity of the minor, hear the report of the guardian ad litem and other evidence relating to the emotional development, maturity, intellect and understanding of the minor; the nature of the abortion procedure to be performed and the reasonably foreseeable complications and risks to the minor from such procedure, including those related to future childbearing; the available alternatives to the abortion; whether her sexual
relations were forced or otherwise in violation of Idaho law other than section 18-6101 1., Idaho Code; the relationship between the minor and her parents; and any other evidence that the court may find relevant in determining whether the minor should be granted the right to self-consent to the abortion or whether the court's consent to causing or performing of the abortion, despite the absence of consent of a parent, is in the best interests of the minor.

(iv) The order shall be entered as soon as practicable, but in no event later than five (5) three (3) days after the conclusion of the hearing. The court shall ensure that the order is served upon the minor immediately after its entry. If, by clear and convincing evidence, the court finds the allegations of the petition to be true and sufficient to establish good cause, the court shall:

1. Find the minor sufficiently mature to decide whether to have the abortion and grant the petition and give the minor the right of self-consent to the abortion, setting forth the grounds for so finding; or

2. Find the performance of the abortion, despite the absence of the consent of a parent, is in the best interests of the minor and give judicial consent to the abortion, setting forth the grounds for so finding.

If the court does not find the allegations of the petition to be true or if good cause does not appear from the evidence heard, the court shall deny the petition, setting forth the grounds on which the petition is denied.

If, in hearing the petition, the court investigating the circumstances of the minor, the guardian ad litem becomes aware of allegations which, if true, would constitute a violation of any section of title 18, Idaho Code, by a person other than the petitioner except section 18-6101 1., Idaho Code, or would bring a child the minor within the purview of chapter 16, title 16, Idaho Code, the court shall order, upon entry of final judgment in the proceeding under this subsection, that an appropriate investigation be initiated or an appropriate information, complaint or petition be filed. Such allegations shall be forwarded by the court with due consideration for the confidentiality of the proceedings under this section on grounds other than a violation of section 18-6101 1., Idaho Code, such allegations shall be reported by the guardian ad litem to law enforcement or to the appropriate prosecuting attorney. If, but for the requirements for proof as set forth in this section, the minor would have been privileged to withhold information given or evidence produced by her, the answers given or evidence produced and any information directly or indirectly derived from her answers may not be used against the minor in any manner in a criminal case, except that she may nevertheless be prosecuted or subjected to penalty or forfeiture for any perjury, false swearing or contempt committed in answering or failing to answer, or in producing or failing to produce, evidence as required by the court.

(c) A notice of appeal from an order issued under the provisions of this subsection shall be filed within two (2) days from the date of
issuance of the order. The record on appeal shall be completed and the appeal shall be perfected as soon as practicable, but in no event later than five (5) days from the filing of notice of appeal. Because time may be of the essence regarding the performance of the abortion, appeals pursuant to this subsection shall receive expedited appellate review five (5) days from service upon the minor and shall be given expedited consideration and decided as soon as practicable, but in no event more than five (5) days after filing the notice of appeal.

(d) Except for the time for filing a notice of appeal, a court may enlarge the times set forth pursuant to this subsection upon request of the minor or upon good cause appearing, with due consideration for the expedited nature of these proceedings. Weekends and holidays shall not be counted in calculating the time limits required by this section.

(e) No filing, appeal or other fees shall be charged for cases or appeals brought pursuant to this section.

(f) If a minor desires an abortion, then she shall be orally informed of, and, if possible, sign the written consent required by this act, in the same manner as an adult person. No abortion shall be caused or performed on any minor against her will, except that an abortion may be performed against the will of a minor pursuant to court order if the abortion is necessary to preserve the life of the minor.

(g) All records contained in court files of judicial proceedings arising under the provisions of this subsection, and subsection (3) of this section, shall be confidential and exempt from disclosure pursuant to section 9-340G, Idaho Code. Dockets and other court records shall be maintained and court proceedings undertaken so that the names of the parties to actions brought pursuant to this section will not be disclosed to the public.

(2) The administrative director of the courts shall compile statistics for each county for each calendar year, accessible to the public, including:

(a) The total number of petitions filed pursuant to paragraph (b) of subsection (1) of this section; and

(b) The number of such petitions filed where a guardian ad litem was requested and the number where a guardian ad litem or other person acting in such capacity was appointed; and

(c) The number of petitions where counsel appeared for the minor without court appointment; and

(d) The number of petitions where counsel was requested by the minor and number where counsel was appointed by the court; and

(e) The number of such petitions for which the right to self-consent was granted; and

(df) The number of such petitions for which the court granted its informed consent; and

(eg) The number of such petitions which were denied; and

(h) The number of such petitions which were withdrawn by the minor; and

(fj) For categories described in paragraphs (c), (df) and (eg) of this subsection, the number of appeals taken from the court's order in each category; and
For each of the categories set out in paragraph (fi) of this subsection, the number of cases for which the district court's order was affirmed and the number of cases for which the district court's order was reversed; and

(k) The county of residence of the minor for each petition; and

(l) The time between the filing of the petition and hearing of each petition; and

(m) The time between the hearing and the decision by the court for each petition; and

(n) The time between the decision and filing a notice of appeal for each case, if any; and

(o) The time of extension granted by the court in each case, if any.

(3) In addition to any other cause of action arising from statute or otherwise, any person injured by the causing or performing of an abortion on a minor in violation of any of the requirements of paragraph (a) of subsection (1) of this section, shall have a private right of action to recover all damages sustained as a result of such violation, including reasonable attorney's fees if judgment is rendered in favor of the plaintiff.

(4) Statistical records.

(a) The vital statistics unit of the department of health and welfare shall, in addition to other information required pursuant to section 39-261, Idaho Code, require the complete and accurate reporting of information relevant to each abortion performed upon a minor which shall include, at a minimum, the following:

(i) Whether the abortion was performed following the physician's receipt of:

1. The written informed consent of a parent and the minor; or
2. The written informed consent of an emancipated minor for herself; or
3. The written informed consent of a minor for herself pursuant to a court order granting the minor the right to self-consent; or
4. The written informed consent of a court pursuant to an order which includes a finding that the performance of the abortion, despite the absence of the consent of a parent, is in the best interests of the minor; or
5. The professional judgment of the attending physician that the performance of the abortion was immediately necessary due to a medical emergency and there was insufficient time to obtain consent from a parent or a court order.

(ii) If the abortion was performed due to a medical emergency and without consent from a parent or court order, the diagnosis upon which the attending physician determined that the abortion was immediately necessary due to a medical emergency.

(b) The knowing failure of the attending physician to perform any one (1) or more of the acts required under this subsection is grounds for discipline pursuant to section 54-1814(6), Idaho Code, and shall subject the physician to assessment of a civil penalty of one hundred dollars ($100) for each month or portion thereof that each such failure continues, payable to the center for vital statis-
tics and health policy, but such failure shall not constitute a criminal act.

(5) As used in this section:
(a) "Cause or perform an abortion" means to interrupt or terminate a pregnancy by any surgical or nonsurgical procedure or to induce a miscarriage upon a minor known to be pregnant;
(b) "Emancipated" means any minor who has been married or is in active military service;
(c) "Medical emergency" means a sudden and unexpected physical condition which, in the reasonable medical judgment of any ordinarily prudent physician acting under the circumstances and conditions then existing, is abnormal and so complicates the medical condition of the pregnant minor as to necessitate the immediate causing or performing of an abortion;
(d) "To prevent her death; or"
2. Because a delay in causing or performing an abortion will create serious risk of immediate, substantial and irreversible impairment of a major physical bodily function of the patient;
(ii) The term "medical emergency" does not include:
1. Any physical condition that would be expected to occur in normal pregnancies of women of similar age;
2. Any condition that is predominantly psychological or psychiatric in nature;
(d) "Minor" means a woman less than eighteen (18) years of age;
(e) "Parent" means one of the unemancipated minor, or a guardian appointed pursuant to chapter 5, title 15, Idaho Code, if the minor has one.

SECTION 5. That Section 18-614, Idaho Code, be, and the same is hereby amended to read as follows:

18-614. DEFENSES TO PROSECUTION. (1) No physician shall be subject to criminal or administrative liability for causing or performing an abortion upon a minor in violation of any provision of subsection (1)(a) of section 18-609A, Idaho Code, if prior to causing or performing the abortion the physician obtains either positive identification or other documentary evidence from which a reasonable person would have concluded that where the woman seeking the abortion represented that she was not a minor and on that basis the physician causing or performing the abortion did not secure the consent of a parent and where none of the circumstances in paragraph (ii), (iii), (iv) or (v) of subsection (1)(a) of section 18-609A, Idaho Code, exist, if prior to causing or performing the abortion and, after reaching a reasonable conclusion that the woman seeking abortion was not then a minor, the physician obtains either positive identification indicating that the woman seeking the abortion was not then a minor or other documentary evidence from which a reasonable person, after observing the physical appearance of the woman seeking the abortion, would have concluded that the woman seeking the abortion was either an emancipated minor or was not then a minor and if the physician retained, at the time of receiving the identification or evidence, a legible photocopy of such identification or evidence in the physician's office file for the woman. This defense is an affirmative
defense that shall be raised by the defendant and is not an element of any crime or administrative violation that must be proved by the state.

(2) If, due to a medical emergency as defined in subsection (5) of section 18-609A, Idaho Code, there was insufficient time for the physician to confirm that the woman, due to her age, did not then come within the provisions of subsection (1) of section 18-609A, Idaho Code, the physician shall not be subject to criminal or administrative liability for performing the abortion in violation of subsection (1)(a)(v) of section 18-609A, Idaho Code, if, as soon as possible but in no event longer than twenty-four (24) hours after performing the abortion, the physician obtained positive identification or other documentary evidence from which a reasonable person would have concluded that the woman seeking the abortion was either an emancipated minor or was not then a minor and if the physician retained, at the time of receiving the evidence, a legible photocopy of such evidence in the physician's office file for the woman. No physician shall be subject to criminal or administrative liability for causing or performing an abortion upon a minor in violation of subsection (1)(a) of section 18-609A, Idaho Code, where the physician causing or performing the abortion did secure the consent of a person whom he reasonably believed to be a parent of the minor seeking the abortion, but where the person from whom the consent was secured was not, in fact, a parent of the minor, and where none of the circumstances in paragraph (ii), (iii), (iv) or (v) of subsection (1)(a) of section 18-609A, Idaho Code, exist, if prior to causing or performing the abortion and after reaching a reasonable conclusion that the person purporting to be a parent of the minor was a parent of the minor, the physician obtains either positive identification or other documentary evidence from which a reasonable person would have concluded that the person purporting to be the parent, was in fact, a parent of the minor seeking the abortion and if the physician retained, at the time of receiving the identification or evidence, a legible photocopy of such identification or evidence in the physician's office file for the woman upon whom the abortion is caused or performed. This defense is an affirmative defense that shall be raised by the defendant and is not an element of any crime or administrative violation that must be proved by the state.

(3) If after performing an abortion under circumstances of a medical emergency as defined in subsection (5) of section 18-609A, Idaho Code, the physician, after reasonable inquiry, is unable to determine whether or not the woman is a minor, the physician shall not be subject to criminal, civil or administrative liability for taking any action that would have been required by subsection (1)(a)(v) of section 18-609A, Idaho Code, if the woman had been a minor at the time the abortion was caused or performed.

(4) For purposes of this section, "positive identification" means a lawfully issued state, district, territorial, possession, provincial, national or other equivalent government driver's license, identification card or military card, bearing the person's photograph and date of birth, the person's valid passport or a certified copy of the person's birth certificate.

SECTION 6. LEGISLATIVE FINDING AND INTENT. In enacting this legislation, the Legislature intends the following:

(1) The first changes to Section 18-609A(1)(a)(v), Idaho Code, are intended to address the concerns of the United States District Court for
the District of Idaho that post-medical emergency notice would be withheld from parents of a minor who had been abused or neglected in the past, but would not be withheld in cases where a minor might be subject to future abuse or neglect. In enacting a separate generic grounds for a physician to withhold notice to a parent if the best interests of the child require, the Legislature intends to give the courts a vehicle to order that post-medical emergency notice be withheld in those circumstances where the United States or state constitutions would so dictate. This, in effect, implements a judicial bypass proceeding specifically for post-medical emergency notice. Removing the requirement that the Child Protective Act petition include a reference to Section 18-609A, Idaho Code, reference in the decree which might give notice that a minor is seeking an abortion requiring the court's Child Protective Act "protect the confidentiality of the minor" is designed to protect the confidentiality of the minor in a manner consistent with the United States and Idaho Constitutions and alleviate concerns expressed by the District Court.

(2) The Legislature finds that every abortion is a serious surgical procedure. Gwendolyn Drummer of Richmond, California (1972), Rita McDowell of Washington, D.C. (1975), Dawn Ravnell of New York (1990), Teresa Causey of Georgia (1988), Erica Richardson of Maryland (1989), Deborah Lozinski of New Jersey (1985), Jane Roe of Manhattan (1988), Jane Roe #1 of Newark, New Jersey (1985), Patricia Chacon of California (1984), Beverly A. Moore of Tennessee (1975), Denise Mentoya of Texas (1988), Latachie Veal of Texas (1991), Laniece Dorsey of California (1986), Glenda Jean Fox of New York (1989), Sophie McCoy of New York (1990), Natalie Meyers of California (1972), Kathy Murphy of California (1973), Deana K. Bell of Illinois (1992), Christella Forte of Michigan (1986) and Jennifer Suddeth of California (1982), are all minors who died from complications from abortions performed in abortion clinics. When an abortion is required due to medical emergency the circumstances are much more serious making it imperative that a minor receive adequate post-abortion medical care. The Legislature further finds that proper medical care under those circumstances will rarely, if ever, occur if a parent is not informed that their daughter has not only undergone a serious surgical procedure, but has also suffered a medical emergency so serious that it required the immediate abortion.

Indiana teenager Becky Bell, who died September 16, 1988, was pregnant at seventeen years of age. There is dispute about whether she had undergone an induced abortion or whether she had a miscarriage and whether she died from pneumonia unrelated to the abortion or from infection resulting from an illegal abortion. She was under the care of her parents at her home and was rushed to the hospital when her symptoms became acute. Irrespective of the circumstances and cause of her death, the Legislature finds that her parents were unable to provide care and timely transport to the hospital because they lacked knowledge about her pregnancy and the onset of her infection.

Kathy Denise Murphy was a high school student in Los Angeles who went to Inglewood Hospital for an abortion on August 29, 1973. The abortion was completed but she subsequently developed an infection that made her go to Centinela Valley Community Hospital to receive emergency care. Unfortunately, by that time the infection had ravaged her body. On September 8, 1973, the hospital contacted her mother to let her know that her daughter was gravely ill, but by the time her mother got to the hos-
pital, Kathy was dead. Kathy had not told her mother about the abortion or her subsequent illness. (Los Angeles County Superior Court File #SWC 26793. State of California Death Certificate 73-148112). If for any reason the parents of a minor are not notified of the performance of an abortion upon their minor daughter due to a medical emergency, the presumption must be that the best interests of the minor require that the abortionist must provide medical care until a parent or some other person can care for the minor, and when required due to a medical emergency, it is imperative that a minor receive adequate postabortion medical care.

(3) The changes to Section 18-609A(1)(b)(i), Idaho Code, that require that a guardian ad litem be appointed in every case except where the minor refuses one, are intended to maintain the confidentiality of bypass proceedings while assisting the court with its determination. The guardian ad litem would be required to investigate the circumstances and history of the minor, albeit on an expedited time frame, and would at least have an opportunity to obtain important information about the minor, provide it to the court and do so in a manner that would protect the confidentiality of the minor.

(4) Existing code requires that when the court discovers information during the hearing which would indicate a violation of criminal law, that a report must be made to law enforcement or a prosecutor. It has been removed and the responsibility has now been shifted to the guardian ad litem. Statutory rape pursuant to section 18-6101 1., Idaho Code, has been exempted to remove the concern of the United States District Court that a chilling effect would be caused because every pregnant minor has been a victim of statutory rape. The Legislature intends to cover at least three circumstances: incest, forcible rape and sexual predators. In each of those circumstances a male would have great motivation to obtain an abortion for a minor to make the problem pregnancy go away and cover up his crime. Because the bypass proceedings are closed and totally confidential, there is no other mechanism to uncover these bad actors. In finding the reporting requirement by judges to be unconstitutional, the District Court brought about a cruel result that minors seeking abortion would somehow be stripped of protection under the law when they are the victims of incest, forcible rape or sexual predators when such protection would be available for all other minors in all other circumstances.

(5) The requirement in Section 18-609A(1)(c), Idaho Code, that a notice of appeal be filed within two days of the issuance of the order has been extended to five days from service of the court's order to address the concerns expressed by the District Court. The Legislature intends that this will give minors an adequate time to consider and make their appeal, but that they will likely do so with great haste in light of their desire to obtain the abortion they seek. Between the effective date of the original statute in 2000 and the end of 2004, there were no appeals and only one denied petition, fifteen petitions granted and six petitions withdrawn.

(6) The provisions of existing Section 18-609A(1)(d), Idaho Code, that allow a court to extend time limits set out in the section has been removed. All time frames require action "as soon as practicable." The time between filing of the petition and its hearing can be no more than three days. The time between hearing of the petition and decision by the court can be no more than three days. The time between issuance of the
court's order and the filing of a notice of appeal by the minor is totally the decision of the minor and her counsel, the Legislature intends that such will happen quickly and, when combined with the other provisions of this Section, will occur within constitutionally acceptable time frames. The total time from filing of the petition to decision on appeal should be no more than eighteen days, not counting the time the minor takes to file a notice of appeal. In unusual circumstances where a court would find good cause to grant an extension, the total for all extensions cannot exceed three days so the total time from the filing of the petition to the decision on appeal cannot exceed twenty-one days, not including the time the minor takes to file a notice of appeal.

(7) In 2002, 2003 and 2004, all minors filing petitions appeared with their own counsel. In the event a minor does not have counsel, the court will now appoint one with the changes to Section 18-609A(1)(b)(iii), Idaho Code. The Legislature intends this will ensure that the minor has a guardian ad litem seeking her best interests and an attorney advocating for her before the court.

(8) It is legislative intent that the definition of medical emergency includes circumstances where acute symptoms requiring medical treatment appear suddenly and unexpectedly in a pregnant woman who has concurrently been diagnosed with:

(a) Chronic medical conditions of leukemia, Marfan's syndrome, Mitral Stenosis or pulmonary hypertension;
(b) Severe preeclampsia or HELLP syndrome;
(c) Ectopic or cornual pregnancy;
(d) Inevitable abortion;
(e) Premature rupture of "bag of waters" membrane which has resulted in an acute infection; or
(f) Pregnancy in spite of presence of IUD contraceptive device.

SECTION 7. SEVERABILITY. The provisions of this act are hereby declared to be severable and if any provision of this act or the application of such provision to any person or circumstance is declared invalid for any reason, such declaration shall not affect the validity of the remaining portions of this act.

SECTION 8. This act shall be in full force and effect when the Attorney General of the State of Idaho drafts a proclamation indicating that the United States Supreme Court has denied a petition for certiorari in the case of Wasden v. Planned Parenthood of Idaho, Supreme Court Docket No. 04-703 and files the proclamation with the Secretary of State and the Secretary of State notifies the Idaho Code Commission of such action.

Approved April 14, 2005.

CHAPTER 400
(H.B. No. 399)

AN ACT
RELATING TO WATER; AMENDING SECTION 42-17638, IDAHO CODE, AS AMENDED BY SECTION 1, HOUSE BILL NO. 153, ENACTED BY THE FIRST REGULAR SESSION OF THE FIFTY-EIGHTH IDAHO LEGISLATURE, TO PROVIDE A LIMITATION RELATING TO THE AMOUNT OF NATURAL CONSUMPTIVE FLOW WATER LEASED BY THE U.S. BUREAU OF RECLAMATION AND TO PROVIDE FOR THE GOVERNOR'S CERTIFICATION THAT CERTAIN BIOLOGICAL OPINIONS HAVE BEEN ISSUED; DECLARING AN EMERGENCY AND PROVIDING FOR RETROACTIVE APPLICATION.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 42-17638, Idaho Code, as amended by Section 1, House Bill No. 153, enacted by the First Regular Session of the Fifty-eighth Idaho Legislature, be, and the same is hereby amended to read as follows:

42-17638. INTERIM AUTHORITY FOR RENTAL OF WATER TO AUGMENT FLOWS FOR LISTED ANADROMOUS FISH. (1) Legislative findings and intent regarding rental of water by the U.S. bureau of reclamation in the Snake River basin within Idaho to augment lower Snake River flows for anadromous fish listed under the endangered species act. The legislature finds that the U.S. bureau of reclamation proposes to release up to four hundred twenty-seven thousand (427,000) acre feet of leased or uncontracted water diverted from the Snake River basin to reservoir storage above Lewiston, and to lease or acquire up to sixty thousand (60,000) acre feet of consumptive natural flow water rights diverted and consumed below Milner dam and above Swan Falls dam from the mainstem of the Snake
River to augment flows downstream of Hells Canyon dam during 2005 and through December 31, 2034. The state of Idaho is experiencing serious drought conditions and it is therefore uncertain whether this water will be available for rental for flow augmentation purposes in all years. The legislature further finds that authorization of this legislation is necessary for approval and implementation of the Snake River Water Rights Agreement of 2004 (Mediator's Term Sheet dated April 20, 2004, and submitted on that date to the SRBA Court in SRBA Consolidated Subcase 03-10022 and SRBA Consolidated Subcase 67-13701, with all appendices to the document), as approved, ratified, and confirmed by the 108th Congress of the United States in the "Snake River Water Rights Act of 2004," Pub. L. No. 108-447 (H.R. 4818), 118 Stat. 3431 to 3441 (December 8, 2004). Therefore, the legislature authorizes the U.S. bureau of reclamation to lease storage and natural flow water rights through the state water supply bank and local rental pools under the limited conditions of this section. Any rentals of water for flow augmentation under any other provision of law, including section 42-108A, Idaho Code, shall be subject to the limitations and conditions of this section and the Snake River Water Rights Agreement of 2004.

(2) Rental of water by the U.S. bureau of reclamation.
(a) Notwithstanding the legislative approval required in section 42-108, Idaho Code, any storage water released and any natural flow water rights leased or acquired by the bureau within the state of Idaho for listed anadromous fish pursuant to this section must be rented through the water bank operated by the Idaho water resource board pursuant to sections 42-1761 through 42-1764, Idaho Code, or, in the case of storage water releases, through local rental committees, created pursuant to section 42-1765, Idaho Code, under their respective water bank rules.

(b) The big game secondary depredation account is hereby created in the state treasury pursuant to section 3, chapter 370, laws of 1990, and shall, from the date of enactment of this act, be known and referred to as the expendable big game depredation fund. big game secondary depredation account fund.

(B) The balance of all unpaid approved claim amounts, including claims submitted under the provisions of sections 36-1109 and 36-1110, Idaho Code, shall be accumulated to a total as of June 30. If the balance in the expendable big game secondary depredation account fund appropriation is sufficient to pay the balance of all approved claims, the director shall pay them. If the balance is not sufficient to pay all approved claims, the director shall authorize a proportionate amount to be paid to each claimant. However, claims filed under section 36-1108, Idaho Code, shall have priority and will be paid prior to claims filed under sections 36-1109 and 36-1110, Idaho Code.

(C) The director shall encumber the balance of moneys appropriated from the expendable big game secondary depredation account fund, or moneys sufficient to pay the approved claims, whichever is the lesser.

2. Each claimant must submit a statement of total damages sustained per occurrence. For each such statement, the following conditions and requirements apply:

(A) The amount of one thousand dollars ($1,000) must be deducted from each such statement. This deductible is a net loss to the owner or lessee, and will not be compensated for from either the expendable big game primary depredation account or from the big game secondary depredation account fund, but the owner or lessee is required to absorb only a single one thousand dollar ($1,000) deductible per claim, whether the claim is paid solely from the big game primary depredation account or from both depredation accounts.

(B) Provided however, that for claims in subsequent and consecutive years for damage to standing or stored crops in the same location as the first occurrence, the one thousand dollar ($1,000) deductible will be waived as provided in section 36-114(d)(2)(F), Idaho Code if the department failed to prevent property loss following the first occurrence.

3. Each approved claim must contain a certification by the director of the department of fish and game, or his designee, that:

(A) All statutory requirements leading up to approval for payment have been met.

(B) The claimant has certified that he will accept the amount approved as payment in full for the claim submitted, subject to the conditions and requirements of this subsection.

expendable big game secondary depredation account fund appropriation is sufficient to pay all approved claims, the director shall promptly pay them. If the balance is not sufficient to pay the balance of all approved claims, the director shall pay a proportionate share to each claimant. However, claims filed under section 36-1108, Idaho Code, shall have priority and will be paid prior to claims filed under sections 36-1109 and 36-1110, Idaho Code.

(C) The director shall encumber the balance of the appropriation, or moneys sufficient to pay the approved claims, whichever is the lesser.

2. Each claimant must submit a statement of total damages sustained per occurrence. For each such statement, the following condition applies: the amount of one thousand dollars ($1,000) must be deducted from each such statement. Provided however, if an owner or caretaker suffers damage to or destruction of livestock in more than one (1) occurrence during the fiscal year, then only one (1) deductible must be subtracted from the claims and the deductible on subsequent claims will be waived. This deductible is a net loss to the owner or caretaker, and will not be compensated for from the expendable big game secondary depredation account fund.

3. Each approved claim must contain a certification by the director of the department of fish and game, or his designee, that:
   (A) All statutory requirements leading up to approval for payment have been met.
   (B) The claimant has certified that he will accept the amount approved as payment in full for the claim submitted, subject to the conditions and requirements of this subsection.

(f) Any claim for damages to forage pursuant to section 36-1110, Idaho Code, is limited by the following conditions and requirements:

1. The full amount of any approved claim will not be paid at the time of approval, but shall be subject to the following conditions and requirements:
   (A) The director of the department of fish and game may order not more than one-half (1/2) of the amount of the approved claim to be paid immediately, if, in the judgment of the director, such payment is within the estimated total claims liability for that fiscal year from the expendable big game secondary depredation account fund.
   (B) The balance of all unpaid approved claim amounts shall be accumulated to a total as of June 30. If the balance in the expendable big game secondary depredation account fund appropriation is sufficient to pay all approved claims, the director shall pay them. If the balance is not sufficient to pay all approved claims, the director shall authorize a proportionate amount to be paid to each claimant. However, claims filed under section 36-1108, Idaho Code, shall have priority and will be paid prior to claims filed under sections 36-1109 and 36-1110, Idaho Code.
   (C) The director shall encumber the balance of the appropriation, or moneys sufficient to pay the approved claims, whichever is the lesser.
2. Each claimant must submit a statement of total damages sustained per occurrence. For each such statement, the following conditions and requirements apply:
   (A) The amount of one thousand dollars ($1,000) must be deducted from each such statement. This deductible is a net loss to the owner or lessee, and will not be compensated for from the expendable big game secondary depredation account fund.
   (B) The total amount of all claims for damages to forage that may be paid from the expendable big game secondary depredation account fund shall not exceed twenty-five percent (25%) of the amount of interest earned from investments of moneys in that account fund in any one (1) fiscal year.

3. Each approved claim must contain a certification by the director of the department of fish and game, or his designee, that:
   (A) All statutory requirements leading up to approval for payment have been met.

The committee shall meet at such times as appropriate, but not less frequently than annually.

   (b) All members shall be appointed to serve three (3) year terms. Appointments to fill vacancies shall be for the balance of the unexpired term. All members shall be appointed by and serve at the pleasure of the respective directors of the department of agriculture or the department of fish and game. Members shall be compensated as provided in section 59-509(b), Idaho Code, and such expenses shall be paid from the expendable big game primary depredation account fund.

   (c) The department of fish and game shall provide staff assistance and support for the committee.

   (d) The committee shall have the authority to:
      1. Act as a liaison between the commission, landowners, the department of agriculture, the department of fish and game, and wildlife, outdoor recreation and sportsmen's organizations;
2. Act as an independent resource to give advice and recommendations on administration of the programs authorized in sections 36-1108 and 36-1109, Idaho Code.

SECTION 4. That Section 36-1108, Idaho Code, be, and the same is hereby amended to read as follows:

36-1108. CONTROL OF DAMAGE BY ANTELOPE, ELK, DEER OR MOOSE -- COMPENSATION FOR DAMAGES. (a) Prevention of depredation shall be a priority management objective of the department, and it is the obligation of landowners to take all reasonable steps to prevent property loss from wildlife or to mitigate damages by wildlife. When any antelope, elk, deer or moose is doing damage to or is destroying any property or is about to do so, the owner or lessee thereof may make complaint and report the facts to the director or his designee who shall, within seventy-two (72) hours, investigate the conditions complained of. If it appears that the complaint is well founded and the property of the complainant is being or is likely to be damaged or destroyed by such antelope, elk, deer or moose, the director may:
1. Send a representative onto the premises to control, trap, and/or remove such animals as will stop the damage to said property. Any animals so taken shall remain the property of the state and shall be turned over to the director.
2. Grant properly safeguarded permission to the complainant to control, trap and/or remove such animals. Any animals so taken shall remain the property of the state and shall be turned over to the director.
3. Make an agreement with the owner or lessee to allow continued use of lands by the animals where damage by them has occurred to stored, growing or matured crops on private property whether owned or leased. This agreement may be transacted only after department attempts to resolve the problem by other means have proven unsuccessful. The agreement made under the provisions of this subsection may provide for financial compensation to the owner or lessee. If made, financial compensation under the provisions of this subsection shall be governed by the provisions of section 36-1145, Idaho Code, and shall not be in addition to any payments for the same crop losses from any other source. Compensation for damages under the provisions of this subsection shall be available for damages done to private lands, whether owned or leased, if the owner or lessee allowed hunters reasonable access to the property or through the property to public lands for hunting purposes during the preceding hunting season. This provision shall not negate the provisions of section 36-1602, Idaho Code, relating to the necessity of obtaining permission to enter private land. If necessary, the arbitration panel provided for in subsection (b) of this section shall determine the reasonableness of access allowed.
(b) 1. In order to establish eligibility for submission of claims for damages, persons suffering crop damages on privately owned or leased land caused by antelope, elk, deer or moose must:
(A) Notify the department within seventy-two (72) hours of discovery of damage.
(B) Follow up verbal notification with a written notice within ten (10) days of the discovery of damages.
(C) The department shall not be held liable or accountable for any damages occurring more than ten (10) days prior to the initial notification of damage. However, the department may extend the period up to thirty (30) days under exceptional circumstances.

The owner or lessee must have allowed hunters reasonable access to the property or through the property to public lands for hunting purposes during the preceding hunting season, provided such access does not impact on their operations, or the claim for damages shall be disallowed. Compensation for crop damages claims shall not be in addition to any payments for the same crop losses from any other source and shall not include fence or other types of property damage. While fences and irrigation equipment are not subject to claim for payment, the department is allowed to provide support and assistance, including provision of materials to design, construct, and maintain fences for control of depredation. The notice of damages caused must be in written form, shall be in the form of a claim for damages substantially the same as required by section 6-907, Idaho Code, shall be attested to by the claimant under oath, and the claim shall be at least one thousand dollars ($1,000). The claim shall not be amended after it is filed, provided however, that a claimant may file an additional claim in the event additional damage occurs subsequent to filing the initial claim. The department shall prepare and make available suitable forms for notice and claim for damages. Claims may be submitted only for the fiscal year (July 1 through June 30) in which they occurred. Any person submitting a fraudulent claim shall be prosecuted for a felony as provided in section 18-2706, Idaho Code. For purposes of this subsection, crop damages shall mean damage to plants grown or stored for profit and exclude ornamental plants.

2. Upon receipt by the department, the department shall review the claim, and if approved, pay it as provided in section 36-1145, Idaho Code, or order it paid as provided in section 36-115, Idaho Code. Failure on the part of the owner or lessee to allow on-site access for inspection and investigation of alleged losses shall void the claim for damages.

3. In the event the owner or lessee and the department fail to agree on the amount of damages within fifteen (15) business days of the written claim, either party may elect to retain the services of an independent certified insurance adjuster licensed in the state of Idaho to view the affected property and determine the amount of damages. In the event the owner or lessee and the department fail to agree on the amount of damages and neither party elects to retain the services of an independent certified insurance adjuster, provisions of subsection (b)4. of this section shall apply. The independent certified adjuster shall complete his review and determination within twenty (20) days from the date he is retained, and will report his determination in writing by certified mail to the department and to the owner or lessee. Neither the owner or lessee, nor the department, shall disturb the affected property prior to review and determination by the independent insurance adjuster. Costs associated with the services of the independent insurance adjuster shall be divided equally between the owner or lessee and the department, subject to reapportionment of the costs by an arbitration panel pur-
suant to the provisions of subsection (b)4. of this section. If the department, or the owner or lessee rejects the determination of the adjuster, they shall notify the other party in writing of the rejection within five (5) business days of receipt of the adjuster's determination. In the event that either party rejects the adjuster's determination, the provisions of subsection (b)4. of this section shall apply.

4. Within five (5) business days of a rejection of an adjuster's determination of damages or failure of the owner or lessee and the department to agree on damages when a certified insurance adjuster is not used, the director must convene an arbitration panel. To convene an arbitration panel, the director must, within five (5) business days, appoint the department's representative and notify the landholder of the appointment. The landholder(s) shall, within the next five (5) business days following such notice from the department, appoint his representative and notify the department of the appointment. Within the next five (5) business days, the department representative and the landholder must mutually appoint the third arbitrator. The arbitration panel shall consist of three (3) members, as follows:

(A) The director of the department of fish and game or his designee;

(B) The owner or his designee, or the lessee or his designee;

(C) One (1) member selected by the two (2) members above.

The panel shall convene within thirty (30) days of the selection of the third arbitrator, and render its decision within fourteen (14) days after the hearing. When convened, the arbitration panel shall have the same authority to make on-site inspections as the department. The owner or lessee shall be responsible for payment of the expenses of his appointee; the director shall pay the expenses of his appointee from the expendable big game primary depredation account fund; and the expenses of the third member shall be a joint responsibility of the owner or lessee, and the department. Provided however, the panel is authorized to review the costs associated with retaining the independent insurance adjuster and to determine whether those costs should instead be borne solely by the owner or lessee, solely by the department, or be apportioned between the owner or lessee and the department. In cases where an independent insurance adjuster was used, the party electing to use the adjuster shall assume the insurance adjuster's determination of damage as their estimate of damage. The panel shall consider the claim submitted by the owner or lessee, and the estimate of damages submitted by the department, and shall select one (1) amount or the other as being the closest to the actual damages sustained by the claimant. The arbitration panel shall report its decision in writing to both the owner or lessee and to the department within ten (10) days of the decision, and the decision of the panel shall be binding on the owner or lessee and the department. The fish and game advisory committee shall develop guidelines to govern arbitration procedures in accordance with chapter 52, title 67, Idaho Code.

(c) Any claim received by the department under the provisions of subsection (b) of this section must be processed by the department within sixty (60) calendar days of receipt. If the claim is approved for payment, payment must be made within forty-five (45) calendar days of
such approval. Any damage claim determination by an independent insurance adjuster pursuant to subsection (b)3. of this section, accepted by the parties, must be paid by the department within forty-five (45) calendar days of the determination. If the claim is arbitrated, the arbitration must be completed within one hundred eighty (180) calendar days of filing the claim for such damages.

SECTION 5. All remaining moneys which have been appropriated to and been encumbered in relation to the Big Game Primary Depredation Account, created pursuant to Section 2, Chapter 370, Laws of 1990, as of July 1, 2005, shall be transferred to the Expendable Big Game Depredation Fund as set forth pursuant to the provisions of Section 36-115, Idaho Code. Any outstanding claims against the Big Game Primary Depredation Account as of July 1, 2005, shall be processed pursuant to the provisions of Section 36-115, Idaho Code.

63-3026A. COMPUTING IDAHO TAXABLE INCOME OF PART-YEAR OR NONRESIDENT INDIVIDUALS, TRUSTS AND ESTATES. (1) For nonresident individuals, trusts, or estates the term "Idaho taxable income" includes only those components of Idaho taxable income as computed for a resident which are derived from or related to sources within Idaho. (2) For part-year resident individuals, trusts or estates the term "Idaho taxable income" includes the total of: (a) Idaho taxable income as computed for a resident for the portion of the tax period during which a taxpayer is domiciled in or is residing in Idaho, plus (b) those components of Idaho taxable income which are derived from or related to sources within Idaho for that portion of the tax period during which a taxpayer is not domiciled in and is not residing in Idaho. This is to be computed without the deductions for either the standard deduction or itemized deductions or personal exemptions except as provided in subsection (4) of this section.

(3) For the purposes of subsections (1) and (2) of this section:
(a) Income shall be considered derived from or relating to sources within Idaho when such income is attributable to or resulting from:

(ii) The ownership or disposition of any interest in real or tangible personal property located in this state;
(iii) The ownership or disposition of any interest in intangible personal property only to the extent that such property is employed in a business, trade, profession or occupation conducted or carried on in this state. Provided however, that interest income from an installment sale of real or tangible personal property shall constitute income from sources within...
this state to the extent that the property sold was located within this state. (b) Notwithstanding the provisions of subsection (3)(a) of this section, transactions and investments made, placed or directed by Idaho resident registered broker-dealers and investment advisers or institutions exempt from registration under the Idaho securities act in securities listed with or through the New York Stock Exchange, the American Stock Exchange or any other stock exchange registered with the United States securities and exchange commission and approved by the director of the department of finance which generate dividends, interest, capital gains or similar profits or returns for nonresidents not otherwise subject to Idaho income taxation shall not result in the intangible property being deemed to have a situs outside the domicile of the owner.

(c) Notwithstanding the provisions of subsection (3)(a) of this section, when intangible property owned by a limited liability company, partnership or other entity taxed as a partnership for federal income tax purposes generates dividends, interest, capital gains or similar profits or returns, such income shall not constitute income derived from or related to sources within Idaho, provided that the business activity of such entity is limited to the investment in securities and activities incident thereto.

(d) Compensation paid by the United States for active service in the armed forces of the United States, performed by an individual not domiciled in this state, shall not constitute income derived from or related to sources within this state.

(a) A failure to reflect the net income or deduction after reimbursements have been received; or
(b) A failure to reflect the net amount of mortgage interest income or expense from activities within Idaho.

(6) For the purposes of subsections (1) and (2) of this section, deductions and adjustments allowed in computing the Idaho taxable income of nonresident and part-year resident individuals, trusts and estates shall be prescribed in the rules of the state tax commission. Such rules shall be based upon:

(a) Whether or not the deduction or adjustment is related to the production of income reportable to Idaho;
(b) Whether or not the deduction or adjustment is related to income received, expenses paid, or events of tax consequence which occurred during a portion of a taxable year that the taxpayer was domiciled in or residing in Idaho; or
(c) Any other appropriate basis for making the adjustment. An "appropriate basis" is one which the state tax commission finds is needed to insure that the amount of Idaho taxable income is fairly and reasonably related to a taxpayer's activities in this state.

SENATE JOINT MEMORIALS

(S.J.M. No. 102)

A JOINT MEMORIAL
TO THE SENATE AND HOUSE OF REPRESENTATIVES OF THE UNITED STATES IN CONGRESS ASSEMBLED, AND TO THE CONGRESSIONAL DELEGATION REPRESENTING THE STATE OF IDAHO IN THE CONGRESS OF THE UNITED STATES.

We, your Memorialists, the Senate and the House of Representatives of the State of Idaho assembled in the First Regular Session of the Fifty-eighth Idaho Legislature, do hereby respectfully represent that:

WHEREAS, in 1995 and 1996, pursuant to provisions of the Endangered Species Act, the U.S. Fish and Wildlife Service reintroduced wolves into Idaho where they have since been managed by the federal government and the Nez Perce Tribe; and

WHEREAS, since reintroduction, the wolf population has grown steadily along with wolf-related livestock losses and other animal losses; and

WHEREAS, since the reintroduction, the central Idaho recovery area attained its share of the wolf population criteria necessary to initiate the delisting countdown. The delisting of wolves, however, will not occur until the states of Idaho, Montana and Wyoming have all established wolf management plans that are acceptable to the federal government; and

WHEREAS, in 2002, in preparation for delisting, the Idaho Department of Fish and Game, in conjunction with Idaho’s Wolf Oversight Committee, completed an Idaho Wolf Conservation and Management Plan to facilitate the transfer of management authority to the state following delisting; and

WHEREAS, Montana has also established a plan. As of the date of this Joint Memorial, however, the state of Wyoming has not established a plan that is acceptable to the federal government; and

WHEREAS, a new federal regulation, “Endangered and Threatened Wildlife and Plants; Regulation for Nonessential Experimental Populations of the Western District Population Segment of the Gray Wolf,” Federal Register, Volume 70, Number 4, Pages 1285-1311 (January 6, 2005) (to be codified at 50 C.F.R. part 17), scheduled to go into effect in February of 2005, gives the states of Idaho and Montana more authority to manage wolves inside a federally designated recovery area. The regulation will afford citizens more latitude to kill wolves that are about to attack livestock, including dogs that guard or herd livestock, on private land.
WHEREAS, federal regulations do not allow citizens to protect their pet dogs or sporting dogs unless the dog is on private land owned or leased by the citizen, even though wolves do not tolerate any other canines in their vicinity, and citizens should be authorized to protect their pet dogs and sporting dogs in the same manner as provided for livestock, including dogs that guard or herd livestock; and

WHEREAS, the Defenders of Wildlife compensates citizens for livestock losses due to confirmed or probable wolf related incidents. In 2003, the Idaho Wolf Depredation Compensation Plan was established for the purpose of compensating citizens for unconfirmed livestock losses with annual funding provided through federal grants. Funding, however, has not always been sufficient to cover all claims; and

WHEREAS, wolf related losses of all dogs constitute the loss of private property and compensation should be provided in the same manner as provided for the loss of livestock. Additional funding is necessary to cover the full payment of all claims for loss of livestock and for the loss of all dogs. The state of Idaho reiterates its expectations relating to the commitment of the federal government to provide the state with funding pursuant to 7 U.S.C. section 426b, provisions of the ESA, all other applicable laws, and the Idaho Wolf Conservation and Management Plan.

NOW, THEREFORE, BE IT RESOLVED by the members of the First Regular Session of the Fifty-eighth Idaho Legislature, the Senate and the House of Representatives concurring therein, that we urge Congress to support broadening the federal regulation, "Endangered and Threatened Wildlife and Plants; Regulation for Nonessential Experimental Populations of the Western District Population Segment of the Gray Wolf," Federal Register, Volume 70, Number 4, Pages 1285-1311 (January 6, 2005) (to be codified at 50 C.F.R. part 17), to authorize citizens to protect their pet dogs and sporting dogs in the same manner as provided for livestock, including dogs that guard or herd livestock.

BE IT FURTHER RESOLVED, that we urge Congress to support the continued funding through federal grants of Idaho's Wolf Depredation Compensation Plan and the broadening of compensation criteria to provide compensation for wolf related losses of all dogs in the same manner as provided for the loss of livestock.

BE IT FURTHER RESOLVED that the Secretary of the Senate be, and she is hereby authorized and directed to forward a copy of this Memorial to the President of the Senate and the Speaker of the House of Representatives of Congress, and the congressional delegation representing the State of Idaho in the Congress of the United States.

WHEREAS, the Idaho Sheriffs' Association and the Western State Sheriffs' Association have attempted to rectify the issue of additional funding and a standardized formula for distribution of that funding with the Bureau of Land Management for several years, but have not had any rectification of the matter.

TO THE FAMILY OF MORLEY NELSON RECOGNIZING HIS MANY ACCOMPLISHMENTS AND EXPRESSING CONDOLENCES ON THE OCCASION OF HIS DEATH.

We, your Memorialists, the Senate and the House of Representatives of the State of Idaho assembled in the First Regular Session of the Fifty-eighth Idaho Legislature, do hereby respectfully represent that:

WHEREAS, Morley Nelson was born on a ranch in North Dakota in 1916 and died on February 21, 2005, in Boise, Idaho; and
WHEREAS, Morley often recounted the experience when he saw his first falcon plummet from the sky and strike a duck his horse had flushed which began a lifelong fascination with raptors; and
WHEREAS, Morley served in World War II in the 10th Mountain Division of ski troopers and was awarded the Bronze Star, Purple Heart and the Silver Star; and
WHEREAS, Morley was instrumental in the enactment of a 1958 law in Idaho which protected birds of prey and the eventual enactment of federal law protecting birds of prey; and
WHEREAS, in a career which spanned 50 years, Morley Nelson's contributions to preserving raptors was nothing short of staggering, including personally raising and rehabilitating dozens of birds, working with Idaho Power to design safer power lines to prevent the deaths of thousands of birds by electrocution, lecturing, demonstrating and educating tirelessly, working to establish the Snake River Birds of Prey Natural Area and assure its realization, recruiting The Peregrine Fund's World Center for Birds of Prey to Boise, working on more than 30 films about raptors, including Disney films with wide public appeal; and
WHEREAS, Morley was widely recognized for his strength of character, boundless physical stamina and inexhaustible work ethic, contagious passion for the birds of prey he championed to great effect, integrity and individuality which set him apart from others, and zest for nature and the domain of raptors; and
WHEREAS, Morley Nelson was a very genuine and loving human being, husband and father, friend and colleague to all; and
WHEREAS, it is appropriate and fitting that the Idaho Legislature memorialize a man who was singular, unique and special in ways which cannot be captured in words, but which will not be forgotten in the legacy of the raptors he cherished.

NOW, THEREFORE, BE IT RESOLVED by the members of the First Regular Session of the Fifty-eighth Idaho Legislature, the Senate and the House of Representatives concurring therein, that we recognize the great works and accomplishments of Morley Nelson and the changes he forged in the way people will think of eagles and hawks forevermore. We extend our sincere condolences to his family, while knowing that his memory will not fade, as he has carved for himself a special place in history.

BE IT FURTHER RESOLVED that the Secretary of the Senate be, and she is hereby authorized and directed to forward a copy of this Memorial to the family of Morley Nelson.

TO THE PRESIDENT OF THE UNITED STATES, TO THE SENATE AND HOUSE OF REPRESENTATIVES OF THE UNITED STATES IN CONGRESS ASSEMBLED, AND TO THE CONGRESSIONAL DELEGATION REPRESENTING THE STATE OF IDAHO IN THE CONGRESS OF THE UNITED STATES.

We, your Memorialists, the Senate and the House of Representatives of the State of Idaho assembled in the First Regular Session of the Fifty-eighth Idaho Legislature, do hereby respectfully represent that:

WHEREAS, bipartisan legislation sponsored by U.S. Senators Larry Craig and Ron Wyden has financially assisted counties with large tracts of federal timber land within the county boundaries; and
WHEREAS, the Craig-Wyden bill set annual payments to counties with large tracts of federal timber land, providing crucial funding for schools and roads and providing millions of dollars for a variety of natural resource conservation projects from weed control to bridge replacements, from thinning forests to trail building; and
WHEREAS, the Craig-Wyden bill's reauthorization is necessary to help rural counties with timber lands plan and maintain their transportation infrastructure; and
WHEREAS, certain counties of Idaho are hamstrung in their ability to collect property taxes by a supermajority of federal land ownership within its boundaries; and
WHEREAS, if the Craig-Wyden bill is not reauthorized, it will have little effect on the federal budget but could devastate timber counties and towns in the Northwest and Idaho; and
WHEREAS, more than fifty percent of the Idaho Panhandle is owned by the federal government and counties cannot collect property tax on federal lands to support schools and to build and maintain roads; and
WHEREAS, it is crucial in tight economic times that the U.S. government meet its obligation to the counties; and
WHEREAS, to some counties the reauthorization of the Craig-Wyden bill could mean the difference between twenty-four miles of two-inch overlays and simply filling potholes, or the difference between fifty miles of chip-sealed roads and plowing snow.

NOW, THEREFORE, BE IT RESOLVED by the members of the First Regular Session of the Fifty-eighth Idaho Legislature, the Senate and the House of Representatives concurring therein, that we support reauthorization of the "Secure Rural Schools and Community Self-Determination Act" or the Craig-Wyden bill by the Congress of the United States and we request the President of the United States to support this effort.

BE IT FURTHER RESOLVED that the Secretary of the Senate be, and she is hereby authorized and directed to forward a copy of this Memorial to the President of the United States, George W. Bush, to the President of the Senate and the Speaker of the House of Representatives of Congress, and the congressional delegation representing the State of Idaho in the Congress of the United States.

TO THE SENATE AND HOUSE OF REPRESENTATIVES OF THE UNITED STATES IN CONGRESS ASSEMBLED, AND TO THE CONGRESSIONAL DELEGATION REPRESENTING THE STATE OF IDAHO IN THE CONGRESS OF THE UNITED STATES.

We, your Memorialists, the Senate and the House of Representatives of the State of Idaho assembled in the First Regular Session of the Fifty-eighth Idaho Legislature, do hereby respectfully represent that:

WHEREAS, the power to control immigration and naturalization is exclusively reserved to the federal government by the provisions of Section 8, Article I of the United States Constitution, which places the power to set rules for naturalization in the legislative branch; and

WHEREAS, Congress first exercised that power by passing the Act of March 26, 1790, which provided the first rules to be followed by all of the United States in the granting of national citizenship; and

WHEREAS, immigration and naturalization laws have been revised from time to time; and

WHEREAS, immigration was essentially unrestricted until a permanent quota system was created in 1924; and

WHEREAS, the United States allows over 660,000 legal immigrants per year; and

WHEREAS, the Immigration Act of 1990 allows for 480,000 immigrants with family in the U.S.; 140,000 immigrants in needed employment fields; and 40,000 under per-country limits and diversity limits; and

WHEREAS, it is estimated there are ten million illegal aliens in the United States; and

WHEREAS, because U.S. law has decreed that education and emergency medical care cannot be denied even to those who have come here illegally; and

WHEREAS, the cost of medical care, education and incarceration of illegal immigrants is monumental, being estimated at $10 billion a year in California alone; and

WHEREAS, the costs of supporting illegal aliens in this country fall directly on the states, counties and hospitals; and

WHEREAS, that burden has become overwhelming in some areas of the country where high concentrations of illegal aliens have caused some hospitals in border states to declare bankruptcy; and

WHEREAS, current trade and immigration policies are threatening the American standard of living; and

WHEREAS, current immigration policy is fraught with unintended consequences.

NOW, THEREFORE, BE IT RESOLVED by the members of the First Regular Session of the Fifty-eighth Idaho Legislature, the Senate and the House of Representatives concurring therein, that we respectfully request the Congress to comprehensively review current immigration policy, to examine enforcement of that policy, and further, to actively seek reasonable revisions to such policy.
BE IT FURTHER RESOLVED that the Secretary of the Senate be, and she is hereby authorized and directed to forward a copy of this Memorial to the President of the Senate and the Speaker of the House of Representatives of Congress, and the congressional delegation representing the State of Idaho in the Congress of the United States.

A JOINT MEMORIAL

TO THE SENATE AND HOUSE OF REPRESENTATIVES OF THE UNITED STATES IN CONGRESS ASSEMBLED, AND TO THE CONGRESSIONAL DELEGATION REPRESENTING THE STATE OF IDAHO IN THE CONGRESS OF THE UNITED STATES.

We, your Memorialists, the Senate and the House of Representatives of the State of Idaho assembled in the First Regular Session of the Fifty-eighth Idaho Legislature, do hereby respectfully represent that:

WHEREAS, many Idaho companies and producers rely on the navigable waters of the Snake River, Clearwater River and Columbia River to ship wood products, agricultural products and other commodities between Lewiston, Pasco and Portland; and

WHEREAS, cost savings of transportation by barge on the lower Snake River, compared to other transportation methods, are estimated to save Idaho shippers millions of dollars per year; and

WHEREAS, over the course of a number of years, shipping has become more difficult due to drought-related low water levels and sediment accumulation. The U.S. Army Corps of Engineers has determined that in some areas, channel depth has been reduced to only 10 feet; and

WHEREAS, the Corps is mandated by Congress to maintain a 14-foot shipping channel in the river. In previous nondrought years, the Corps has maintained the shipping channel depth by raising the level of water behind the dams; and

WHEREAS, barges typically have a draft of about 13 feet and port managers and shipping companies are now having to light-load barges to avoid getting stuck in shallow areas of the ports and the river; and

WHEREAS, the Corps planned to dredge sediment from the shipping channel to the river edges, which the Corps maintained would not only solve the navigation problems but also improve shallow rearing habitat, but efforts have been forestalled by opponents.

NOW, THEREFORE, BE IT RESOLVED by the members of the First Regular Session of the Fifty-eighth Idaho Legislature, the Senate and the House of Representatives concurring therein, that we urge the U.S. Army Corps of Engineers to continue to work toward the development of a long-term sediment management plan.

BE IT FURTHER RESOLVED by the members of the First Regular Session of the Fifty-eighth Idaho Legislature, the Senate and the House of Representatives concurring therein, that we urge Congress to take whatever steps are possible to facilitate dredging of the Snake and Clearwater Rivers by the U.S. Army Corps of Engineers.
BE IT FURTHER RESOLVED that the Secretary of the Senate be, and she is hereby authorized and directed to forward a copy of this Memorial to the President of the Senate and the Speaker of the House of Representatives of Congress, and the congressional delegation representing the State of Idaho in the Congress of the United States.

A JOINT MEMORIAL

TO THE SENATE AND HOUSE OF REPRESENTATIVES OF THE UNITED STATES IN CONGRESS ASSEMBLED, AND TO THE CONGRESSIONAL DELEGATIONS REPRESENTING THE STATES OF IDAHO, UTAH AND WYOMING IN THE CONGRESS OF THE UNITED STATES.

We, your Memorialists, the House of Representatives and the Senate of the State of Idaho assembled in the First Regular Session of the Fifty-eighth Idaho Legislature, do hereby respectfully represent that:

WHEREAS, the ongoing drought in the state of Idaho has had a profound impact throughout the state, including the area of southeastern Idaho known as the Bear River Basin. Although inadequate, during times of high water such as spring runoff, Bear Lake is the major reservoir for containing flood waters of the Bear River within the Bear River Basin. The effects of drought in the Bear River Basin would be significantly reduced in the event alternative storage sites were available; and

WHEREAS, the Bear River Basin encompasses 7,400 square miles with 2,700 square miles in the state of Idaho. Originating in Utah's Uintah Mountains, the Bear River crosses state boundaries five times, has tributaries in Idaho, Utah and Wyoming, and ultimately discharges into the Great Salt Lake; and

WHEREAS, the Bear River did not naturally divert into Bear Lake. The Utah Sugar Company and the Telluride Power Company first proposed diversion of the Bear River into Bear Lake for water storage in 1898. That project was taken over by Utah Power and Light Company for the purpose of producing hydropower. The project, which included a diversion dam on the Bear River, a canal, and a pumping station was completed in 1918; and

WHEREAS, a multistate compact between the states of Idaho, Utah and Wyoming, known as the Bear River Compact, was entered into in 1958 and amended in 1980. The Compact governs the operation of the Bear River and, for management purposes, the Compact divides the river into three segments. The three segments are known as the Upper Division, located in Utah and Wyoming, the Central Division, located in Wyoming and Idaho, and the Lower Division, located in Idaho and Utah. The Bear River Commission, made up of three members from each of the Compact states, a chairman appointed by the President of the United States, and an engineer/manager, manages the day-to-day operation of the river; and
WHEREAS, as a result of two lawsuits against Utah Power and Light Company during the 1970's, which claimed damage to crops due to flooding along the Bear River, the power company is under court order to keep the Bear River within its banks. Based on the court order, in the event the irrigation season ends with Bear Lake above 5,918 feet in elevation, water is released downstream to make room in Bear Lake for the spring runoff; and

WHEREAS, since the 1970's, millions of acre feet of water have been released to provide capacity for flood control. Releases carry the river as well as the surface water removed from Bear Lake downstream to the Great Salt Lake where the principal beneficiary is the Great Salt Lake ecosystem. The most recent releases were in 1997, 1998 and 1999; and

WHEREAS, lowering the elevation of Bear Lake in the Lower Division for flood control also impacts water users in the Upper and Central Divisions. Under the Compact, Woodruff Narrows Reservoir located in the Upper Division is not allowed to fill whenever the elevation of Bear Lake is below 5,911 feet above sea level, affecting both ground and surface water in that area. In addition, when Woodruff Narrows Reservoir is not full, no water is available for irrigation in a ten mile stretch of river in the Central Division leaving irrigators in that area without water for their crops; and

WHEREAS, dredging has been necessary to provide water for irrigation due to low lake levels; and

WHEREAS, studies to date have shown that use of Bear Lake for flood control has resulted in tons of suspended sediment solids to be deposited in the lake during the spring runoff. This is highly detrimental to the ecosystem. Increases in algae blooms on Bear Lake due to nitrates being carried in have been documented; and

WHEREAS, in the event the water had not been released in the interest of flood control, it is likely that Bear Lake would now be full or nearly full. In that event, it is probable that there would be no need to pump water out of Bear Lake for irrigation because there would be enough capacity to allow the water to flow out by gravity, there would be no need to dredge in Bear Lake in that the elevation of the lake would be high enough to make dredging unnecessary, and an elevation above 5,911 feet would allow upstream storage at the Woodruff Narrows Reservoir; and

WHEREAS, extremely low levels in Bear Lake could cause a water emergency to be declared by the state of Utah. The declaration would lead to closer scrutiny of the natural flow rights administered under the interstate accounting system. The lack of adequate storage water to supplement natural flow could result in the curtailment of rights in Idaho; and

WHEREAS, if alternate storage sites were available, several hundred thousand acre feet of water would still be in Bear Lake to mitigate the effects of the drought. Pursuant to the Bear River Compact, Idaho is entitled to store approximately 125,000 acre feet of water annually and Utah about 390,000 acre feet annually. Provided adequate storage, this water, which is usually available during the spring runoff, could be stored to prevent any flooding of the Bear River. The water could then be used for irrigation, domestic and commercial development and recreation. A reservoir above Bear Lake would allow chemicals to be neutralized and suspended solids to settle out that are now entering Bear Lake. Alternative storage sites would provide for the conservation, preserva-
tion and best utilization of the water to which the state is entitled. This storage is desperately needed to allow residential, commercial and municipal development in the Bear River drainage without reducing irrigated agricultural lands; and

WHEREAS, flood control above Bear Lake would make possible a policy that Bear Lake would be the first to fill and the last to empty. This would provide more water for irrigation, minimize fluctuations of lake levels, improve spawning habitat for Bear Lake cutthroat trout, provide boat-launching capability at Idaho state parks, and allow the filling of Woodruff Narrows Reservoir. Flood control above Bear Lake would greatly benefit the economy of all three states in the Bear River drainage; and

WHEREAS, the United States Army Corps of Engineers is the federal agency responsible for flood control. The Corps has indicated a willingness to conduct a feasibility study of possible water storage sites upstream from Bear Lake which could be used for flood control of the Bear River. Costs of the study could range from $600,000 to $2,000,000 depending on the areas the study would include. The study will require an equal match of federal and nonfederal funds. However, with congressional approval, past local expenditures may be used as the local match; and

WHEREAS, past local expenditures that have been made include $174,000 by the state of Wyoming for the Cokeville Reservoir project on Smith's Fork, $350,000 by the state of Wyoming for the Bear River Plan and over $2,000,000 of state funds from Idaho, Wyoming, and Utah through the Bear River Commission for stream gaging; and

WHEREAS, concerned citizens of the Bear River drainage, including the Bear Lake County Commission, the Bear Lake Regional Commission, Bear Lake Watch, Inc., and Love Bear Lake, Inc., are asking for Congressional approval to recognize past expenditures as the local match to make the Corps of Engineers feasibility study possible.

NOW, THEREFORE, BE IT RESOLVED by the members of the First Regular Session of the Fifty-eighth Idaho Legislature, the House of Representatives and the Senate concurring therein, that we respectfully urge the Congress of the United States and our Idaho delegation, as well as the Utah and Wyoming delegations in Congress, to support, work to pass and vote for legislation that will authorize and fund a feasibility study by the United States Corps of Engineers relating to the possibilities, benefits and costs of providing flood control above Bear Lake.

BE IT FURTHER RESOLVED that we urge Congress to allow and approve past local expenditures, equivalent to fifty percent of the total cost of the study, as the required local match and that local expenditures to be allowed and approved include $174,000 by the state of Wyoming for the Cokeville Reservoir project on Smith's Fork, $350,000 by the state of Wyoming for the Bear River Plan and $2,000,000 of state funds from Idaho, Wyoming, and Utah for stream gaging.

BE IT FURTHER RESOLVED that the Chief Clerk of the House of Representatives be, and she is hereby authorized and directed to forward a copy of this Memorial to the President of the Senate and the Speaker of the House of Representatives of Congress, and the congressional delegations representing the states of Idaho, Utah and Wyoming in the Congress of the United States.

TO THE SENATE AND HOUSE OF REPRESENTATIVES OF THE UNITED STATES IN CONGRESS ASSEMBLED, AND TO THE CONGRESSIONAL DELEGATION REPRESENTING THE STATE OF IDAHO IN THE CONGRESS OF THE UNITED STATES.

We, your Memorialists, the House of Representatives and the Senate of the State of Idaho assembled in the First Regular Session of the Fifty-eighth Idaho Legislature, do hereby respectfully represent that:

WHEREAS, on October 15, 1990, Congress passed the Radiation Exposure Compensation Act (RECA), which provides for compassionate payments to persons or to their beneficiaries who developed diseases as a result of exposure to radiation from U.S. atmospheric nuclear weapons testing; and

WHEREAS, currently, a study is underway by the National Academy of Sciences and a report will be filed with Congress to address the adequacy of the initial geographic coverage provided in RECA; and

WHEREAS, compelling anecdotal evidence has been accumulated at public meetings and in written reports, to indicate the impact of atmospheric testing on the downwinder populations in Idaho; and

WHEREAS, preliminary evidence suggests that scientific documentation being gathered and assessed for inclusion in the report will find that risk factors present in Idaho equal or exceed the factors present in areas previously included in RECA coverage; and

WHEREAS, members of Idaho's congressional delegation have worked and will continue to press for responsible legislative action to address the claims of Idahoans based upon radiation exposure; and

WHEREAS, it is appropriate that members of the Idaho Legislature, speaking on behalf of the citizens of the state, express support for the efforts of Idaho's congressional delegation in their representation of downwinders in Idaho.

NOW, THEREFORE, BE IT RESOLVED by the members of the First Regular Session of the Fifty-eighth Idaho Legislature, the House of Representatives and the Senate concurring therein, that we anticipate the findings of the National Academy of Sciences will verify the impact of testing on residents of Idaho, and we conclude that it is appropriate to compensate these downwinders in the same manner and to the same extent as those individuals previously compensated for similar exposures. We urge the members of Idaho's congressional delegation to continue in their endeavors on behalf of Idaho's citizens.

BE IT FURTHER RESOLVED that the Chief Clerk of the House of Representatives be, and she is hereby authorized and directed to forward a copy of this Memorial to the President of the Senate and the Speaker of the House of Representatives of Congress, and the congressional delegation representing the State of Idaho in the Congress of the United States.

We, your Memorialists, the House of Representatives and the Senate of the State of Idaho assembled in the First Regular Session of the Fifty-eighth Idaho Legislature, do hereby respectfully represent that:

WHEREAS, proton therapy is a form of radiation that provides numerous advantages over conventional radiation and surgery in the treatment of many cancers, some of which are not otherwise treatable, based on the fact that it is noninvasive, painless and is performed on an outpatient basis. Protons provide a superior dose to tumors while sparing surrounding healthy tissue, eliminating painful and life-impairing side effects associated with surgery and other forms of radiation therapy; and

WHEREAS, Loma Linda University Medical Center located in California, established a research team in 1987 for the purpose of developing and designing the world’s first proton beam treatment center. The research team, now known as "Optivus," maintains exclusive worldwide rights to the Loma Linda University Medical Center proprietary technology. In over a decade, the facility at Loma Linda University Medical Center has delivered in excess of 200,000 patient treatments and the market for the technology continues to grow; and

WHEREAS, the concept of a proton accelerator cancer treatment facility in Pocatello, Idaho, has been under study for a number of years; and

WHEREAS, the Portneuf Medical Center, located in Pocatello, Idaho, is in the process of an eight year expansion program with a goal of providing a single hospital facility with many services decentralized into five centers of excellence; and

WHEREAS, Optivus has the expertise to deliver, operate and maintain a proton beam treatment center, with FDA cleared technology, capable of delivering a high volume of patient treatments each year in Pocatello, Idaho; and

WHEREAS, the City of Pocatello, Bannock County, Portneuf Medical Center, and other available resources have agreed, in concept, to provide support for the development of the Pocatello Proton Accelerator Cancer Treatment Facility at or near the campus of the new Portneuf Medical Center; and

WHEREAS, the facility will provide state-of-the-art medical services to the communities of rural Idaho, the surrounding states, and other national and international markets for cancer treatment, as well as create numerous high paying jobs and generate significant revenue for the local economy; and

WHEREAS, funding for the facility will be secured through a combination of funds, debt and/or financial guarantees.

NOW, THEREFORE, BE IT RESOLVED by the members of the First Regular Session of the Fifty-eighth Idaho Legislature, the House of Representatives and the Senate concurring therein, that we urge the President and Congress to vigorously support the campaign to develop the Pocatello Proton Accelerator Cancer Treatment Facility in Pocatello, Idaho, sup-
porting the concept that rural health is a significant issue affecting every rural community in this nation and that the development of the Pocatello Proton Accelerator Cancer Treatment Facility will not only provide much needed medical care to rural Idaho, but also to surrounding states and other national and international markets.

BE IT FURTHER RESOLVED that the Chief Clerk of the House of Representatives be, and she is hereby authorized and directed to forward a copy of this Memorial to the President of the Senate and the Speaker of the House of Representatives of Congress, and the congressional delegation representing the State of Idaho in the Congress of the United States.

A JOINT MEMORIAL

TO THE SENATE AND HOUSE OF REPRESENTATIVES OF THE UNITED STATES IN CONGRESS ASSEMBLED, AND TO THE CONGRESSIONAL DELEGATION REPRESENTING THE STATE OF IDAHO IN THE CONGRESS OF THE UNITED STATES.

We, your Memorialists, the House of Representatives and the Senate of the State of Idaho assembled in the First Regular Session of the Fifty-eighth Idaho Legislature, do hereby respectfully represent that:

WHEREAS, the state of Idaho is very diversified in its agricultural production; and

WHEREAS, in January 2002, the federal government announced that it was initiating negotiations on a free trade agreement involving the countries of El Salvador, Guatemala, Honduras and Nicaragua. These negotiations concluded in December 2003. Negotiations with Costa Rica and the Dominican Republic were subsequently completed and are now included in the agreement. Congress must now decide whether to ratify the Central America Free Trade Agreement (CAFTA); and

WHEREAS, the federal government is also negotiating the Free Trade Area of the Americas (FTAA) agreement; and

WHEREAS, both CAFTA and the FTAA would allow these foreign countries to export commodities to the United States, harming Idaho agricultural industry in the process; and

WHEREAS, the agricultural producers of the United States cannot be expected to compete with these foreign countries under free trade agreements due to the labor practices, lack of environmental regulations and subsidized agricultural production of these foreign countries; and

WHEREAS, sugar is an import-sensitive commodity which will be negatively impacted by CAFTA. Idaho is our nation's second-largest producer of sugarbeets and a recent University of Idaho study concludes that the demise of the sugar industry in the state would also have a serious impact on market prices relating to other Idaho crops such as potatoes and onions which would be grown in place of sugarbeets; and

WHEREAS, the CAFTA nations already enjoy preferential, duty-free access into the United States market for 311,700 metric tons of sugar.
The United States is presently the world's fourth-largest net importer of sugar under existing trade agreements and its sugar market is already oversupplied, resulting in our region's sugarbeet processing company recently announcing the temporary closure of one of its factories due to the existing low sugar marketing allocations for United States producers; and

WHEREAS, the United States International Trade Commission in August 2004, concluded that the Central American Free Trade Agreement would actually increase the U.S. trade deficit with the region by $100 million a year to $2.4 billion a year; and

WHEREAS, concerns over free trade agreements face the agricultural industry at a time when the domestic consumption of United States agricultural products is declining, forcing domestic producers out of business; and

WHEREAS, the state of Idaho stands to lose thousands of jobs and millions of dollars if these free trade agreements are implemented, potentially devastating the state's agricultural industry, moving production into other supply-sensitive crops, and severely harming the state's economy as a whole; and

WHEREAS, the economic impact of any trade agreement must be recognized and considered to maintain viable economic health of agricultural industries, as well as all industries, with an emphasis on fair trade, rather than free trade; and

WHEREAS, the provisions of CAFTA and the FTAA should be renegotiated to limit exports from foreign countries to a needs-based access, allowing the United States agricultural policy to properly function and fairly treat agricultural producers in the United States.

NOW, THEREFORE, BE IT RESOLVED by the members of the First Regular Session of the Fifty-eighth Idaho Legislature, the House of Representatives and the Senate concurring therein, that in negotiating any national trade agreements, the federal government is urged to recognize the economic impact of such trade agreements on the states and consider those impacts in order to maintain the viable economic health of agricultural industries, as well as all industries, with an emphasis on fair trade, rather than free trade.

BE IT FURTHER RESOLVED that the federal government is urged to renegotiate the provisions of CAFTA and the FTAA to limit exports from the involved foreign countries to fairly protect agricultural producers in the United States.

BE IT FURTHER RESOLVED that the Chief Clerk of the House of Representatives be, and she is hereby authorized and directed to forward a copy of this Memorial to the President of the Senate and the Speaker of the House of Representatives of Congress, and the congressional delegation representing the State of Idaho in the Congress of the United States.

We, your Memorialists, the House of Representatives and the Senate of the State of Idaho assembled in the First Regular Session of the Fifty-eighth Idaho Legislature, do hereby respectfully represent that:

WHEREAS, at the direction of the United States Government, through its Department of Energy, a new national laboratory "Idaho National Laboratory" was, on February 1, 2005, formed from the former Argonne National Laboratory-West and Idaho National Engineering and Environmental Laboratory; and

WHEREAS, the United States Department of Energy's stated vision for the new Idaho National Laboratory is to: enhance the Nation's energy security by becoming the preeminent, internationally recognized nuclear energy research, development and demonstration laboratory within ten years; establish itself as a major center for national security technology development and demonstration; be a multiprogram, national laboratory with world-class nuclear capabilities; and foster new academic, industry, government and international collaborations to produce the investment, programs and expertise that assure this vision is realized; and

WHEREAS, the Idaho National Laboratory is considered an essential partner alongside Idaho state government, Idaho's universities and industry in carrying out the state's Science and Technology Strategic Plan and building on Idaho's key industry strengths in energy and power, imaging, new materials and nanotechnology, and ag/biotechnology; and

WHEREAS, the state of Idaho has for fifty-six years willingly and dutifully hosted Department of Energy, Energy Research and Development Administration and Atomic Energy Commission operations at the current Idaho National Laboratory site; and

WHEREAS, both the federal government and the state of Idaho have significant financial interests in seeing operations at the Idaho National Laboratory succeed.

NOW, THEREFORE, BE IT RESOLVED by the members of the First Regular Session of the Fifty-eighth Idaho Legislature, the House of Representatives and the Senate concurring therein, that we herewith respectfully petition the President and Congress to pledge continued support and provide sufficient long-term funding to assure execution of the federal government's stated, public record vision for the Idaho National Laboratory, allowing this great institution to advance, as it is uniquely able to, our collective interests in strengthened energy, national and economic security for these United States.
BE IT FURTHER RESOLVED, that the Chief Clerk of the House of Representatives be, and she is hereby authorized and directed to forward a copy of this Memorial to the President of the United States, the Secretary of Energy of the United States, the President of the Senate and the Speaker of the House of Representatives of Congress, and the congressional delegation representing the State of Idaho in the Congress of the United States.

We, your Memorialists, the House of Representatives and the Senate of the State of Idaho assembled in the First Regular Session of the Fifty-eighth Idaho Legislature, do hereby respectfully represent that:

WHEREAS, citizens of the state of Idaho strongly believe that basic civil liberties must be preserved and protected, even as we seek to guard against terrorist and other threats to the national security; and

WHEREAS, there are some principles of our democracy which are so fundamental to the rights of citizenship that they must be preserved to guard the very liberties we seek to protect; and

WHEREAS, legislation known as the SAFE Act has been introduced in the Congress of the United States to adopt amendments to the Patriot Act which would address some of the most problematic provisions of that Act; and

WHEREAS, the SAFE Act amends the Patriot Act to modify the provisions regarding the roving wiretaps to require that the identity of the target be given and that the suspect be present during the time when surveillance is conducted; and

WHEREAS, the SAFE Act revises provisions governing search warrants to limit the circumstances when the delay of notice may be exercised and to require reports to the Congress when delays of notice are used; and

WHEREAS, the SAFE Act requires specific and articulable facts be given before business records are subject to investigation by the Federal Bureau of Investigation; and

WHEREAS, the SAFE Act provides that libraries shall not be treated as communication providers subject to providing information and transaction records of the library patrons; and

WHEREAS, it is appropriate that the Legislature of the State of Idaho, on behalf of the citizens of Idaho, express support of the efforts of Senator Larry Craig to adopt the SAFE Act, and encourage the full support of the Idaho congressional delegation.

NOW, THEREFORE, BE IT RESOLVED by the members of the First Regular Session of the Fifty-eighth Idaho Legislature, the House of Representatives and the Senate concurring therein, that the Idaho Legislature
endorses the efforts to amend the Patriot Act to assure that it works well to protect our security, but that it does not unnecessarily compro­mise essential liberties of the citizens of the United States. We urge the congressional delegation representing the State of Idaho in the Con­gress of the United States to support legislation introduced by Senator Larry Craig, known as the SAFE Act.

TO THE SENATE AND HOUSE OF REPRESENTATIVES OF THE UNITED STATES IN CON­GRESS ASSEMBLED, AND TO THE CONGRESSIONAL DELEGATION REPRESENTING THE STATE OF IDAHO IN THE CONGRESS OF THE UNITED STATES.

We, your Memorialists, the House of Representatives and the Senate of the State of Idaho assembled in the First Regular Session of the Fifty-eighth Idaho Legislature, do hereby respectfully represent that:

WHEREAS, Idaho has abundant supplies of agricultural residues and the Legislature would like to signal that this industry is welcome in the state of Idaho; and

WHEREAS, there is a high probability that Idaho will be the site of the first commercial cellulose ethanol production in the United States; and

WHEREAS, the national blending bias would favor a locally produced product and support rural farmers in this state; and

WHEREAS, a national blending bias would create another option for the petroleum industry; and

WHEREAS, both cellulose and corn ethanol offer the same benefits for local air quality when blended with gasoline; and

WHEREAS, this national blending bias reflects the improved carbon dioxide reduction qualities of the production of cellulose ethanol over the production of corn based ethanol; and

WHEREAS, supporting breakthroughs such as cellulose ethanol technol­ogy could help the United States to minimize its dependence on foreign oil; and

WHEREAS, it is appropriate that the Idaho Legislature endorse the language presented in the Congress of the United States regarding a blending bias for ethanol derived from agricultural byproducts (biomass), specifically the language contained in Section 1501 of Senate Bill 2005, dated February 12, 2004:

"(5) Equivalency--For the purpose of paragraph (2), 1 gallon of either cellulosic biomass ethanol or waste derived ethanol--

(A) shall be considered to be the equivalent of 1.5 gallon of renewable fuel; or

(B) if the cellulosic biomass ethanol or waste derived ethanol is derived from agricultural residue or is an agricultural by­product (as that term is used in section 919 of the Energy Pol­icy Act of 2003), shall be considered to be the equivalent of 2.5 gallons of renewable fuel."
NOW, THEREFORE, BE IT RESOLVED by the members of the First Regular Session of the Fifty-eighth Idaho Legislature, the House of Representatives and the Senate concurring therein, that we request that the Congress of the United States include the language from the 2004 Senate Bill, cited herein, for future consideration in any proposed Energy Bill or other legislation that could further this cause.

BE IT FURTHER RESOLVED that the Chief Clerk of the House of Representatives be, and she is hereby authorized and directed to forward a copy of this Memorial to the President of the Senate and the Speaker of the House of Representatives of Congress, and the congressional delegation representing the State of Idaho in the Congress of the United States.

A JOINT MEMORIAL

TO THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE UNITED STATES IN CONGRESS ASSEMBLED, TO THE CONGRESSIONAL DELEGATION REPRESENTING THE STATE OF IDAHO IN THE CONGRESS OF THE UNITED STATES AND TO THE SECRETARY OF THE UNITED STATES DEPARTMENT OF ENERGY, SAMUEL W. BODMAN.

We, your Memorialists, the House of Representatives and the Senate of the State of Idaho assembled in the First Regular Session of the Fifty-eighth Idaho Legislature, do hereby respectfully represent that:

WHEREAS, Power Marketing Administrations (PMAs) market electricity generated primarily by federal hydropower projects in thirty-three states served by the 1,190 consumer-owned electric utilities giving preference to public bodies and cooperatives; and

WHEREAS, Bonneville Power Administration provides a substantial amount of the electric power consumed in Idaho, including the sale of firm and surplus electric power to Idaho's investor-owned utilities and directs wholesale power to 26 rural electric cooperatives and municipalities in Idaho serving over 250,000 Idaho citizens; and

WHEREAS, the Administration's budget proposes to sell electric power from PMAs at market rates rather than the current practice of selling at cost-based rates; and

WHEREAS, the Pacific Northwest region has experienced a nearly fifty percent increase in wholesale power rates since the energy crisis of 2001-2002; and

WHEREAS, the current federal power program of cost-based rates ensures that all federal costs, with interest, from the generation, transmission and sale of federal power are recovered from purchasers through the rates charged; and

WHEREAS, the proposal contains a projected rate increase of twenty percent each year until it totals a one hundred percent increase, which is an escalation of significant magnitude and will severely harm the region's businesses and industries, as well as all the residents of the region; and
WHEREAS, the budget proposal constitutes a thinly disguised tax on the millions of Americans who purchase power through utilities supplied by PMAs; and

WHEREAS, recognizing the true costs of this proposal and assessing the economic impacts it entails, we find that the proposal is not a prudent choice and should be rejected.

NOW, THEREFORE, BE IT RESOLVED by the members of the First Regular Session of the Fifty-eighth Idaho Legislature, the House of Representatives and the Senate concurring therein, that we urge the Congress to reject the Administration proposal to move PMA rates to market rates thereby ensuring the continued responsible management of power generation, transmission and sale.

BE IT FURTHER RESOLVED that the Chief Clerk of the House of Representatives be, and she is hereby authorized and directed to forward a copy of this Memorial to the President of the Senate and the Speaker of the House of Representatives of Congress, the congressional delegation representing the State of Idaho in the Congress of the United States and to the Secretary of the United States Department of Energy, Samuel W. Bodman.

allocations of Allocation Dollars on and after September 1 as pro-
vided in Section 4(4) above.

(6) No application submitted by an Issuing Authority to the Direc-
tor pursuant to this section shall be processed if the amount of
allocation of the Volume Cap requested in such application is in
excess of the amount of Volume Cap remaining available for alloca-
tion. Any application not processed for the reason stated in this
subsection may be resubmitted to the Director, with or without a
change in the amount of allocation requested. Any application
resubmitted to the Director pursuant to this subsection shall be

treated as a new application. Should an allocation not be granted
for the reasons stated in this subsection, the Director shall con-
tinue to process other applications in the chronological order in
which received, granting allocations pursuant to the provisions of
this Executive Order.

(7) The expiration date of an allocation of Volume Cap under this
Executive Order may be extended upon prior written approval of the
Director, provided there are no pending applications for Volume Cap

within the same Priority Set Aside, or if there are other such
applications pending, that the application for the allocation being
extended best demonstrates the need for, and economic impact of, the
Program or Project in the State and how the Program or Project will
effectively utilize and efficiently distribute resources throughout
the State, and provided further that all other provisions of this
Executive Order are complied with.

(8) In the event that the Director is uncertain whether an applica-
tion meets the requirements set forth in 4(2) or 4(4) above, he may
defer action on such application until he has received another
application(s) and then determine which application best meets such
criteria.

(9) In the case of an application filed prior to the date when the
Director makes an allocation under 4(1)(h) above for an allocation
from a Priority Set Aside which provides for a minimum percent of
Allocation Dollars and sets forth a specific Issuing Authority to
receive the Priority Set Aside [specifically, Priority Set Asides
4(1)(b), 4(1)(d) and 4(1)(e)], the Director may, and, at the request
of the Issuing Authority, shall, make an allocation of that Year's
Allocation Dollars in an amount not to exceed the minimum percentage
stated for the Priority Set Aside prior to the date the Director has
set for determination of allocations under 4(1)(h) but in no event
later than 15 days after the date such application is filed.

Section 5.

(1) Issuing Authorities with Qualifying Carryforward Projects or
Programs may apply for an allocation of Allotment Dollars for such
Qualifying Carryforward Projects or Programs by submitting an appli-
cation to the Director which shall contain:

(a) the carryforward purpose for the Bonds under Section
146(f) of the Code;
(b) any other information required by Section 146(f) of the Code;
(c) a certification signed by both an official of the Issuing Authority responsible for the supervision of the issuance of the Bonds and, if applicable, a representative of the person or entity constructing, acquiring, or rehabilitating the Project or administering the Program, stating that the Issuing Authority and, if applicable, such person or entity, will proceed with diligence to ensure the issuance of the Bonds within the carryforward period provided by Section 146(f) of the Code;
(d) a preliminary opinion from bond counsel that the Project or Program qualifies for carryforward under Section 146(f) of the Code, if applicable;
(e) if applying for an allocation of Allotment Dollars for the purpose of issuing mortgage credit certificates under Section 25 of the Code, the amount of qualified mortgage bonds defined in Section 143 of the Code which the Issuing Authority elects not to issue under the Code; and
(f) such other information and attachments as are set forth in Section 3(1).

(2) No application submitted by an Issuing Authority to the Director pursuant to this section shall be processed if at the time such application is considered the amount of allocation of the Volume Cap requested in such application is in excess of the amount of the Volume Cap remaining available for allocation. Any application not processed for the reason stated in this subsection may be resubmitted to the Director, with or without a change in the amount of allocation requested. Any application resubmitted to the Director pursuant to this subsection shall be treated as a new application. Should an allocation not be granted for the reasons stated in this subsection, the Director shall continue to process other applications in accordance with the provisions of Section 4(4), granting allocations pursuant to the provisions of this Executive Order.

(3) Allocations of the Volume Cap for Qualifying Carryforward Projects or Programs shall be granted by the Director in the amount requested by the applying Issuing Authority, if available, on or after December 1, but no later than December 31, of the Year in which an application in satisfactory order is submitted to the Director for an allocation of the Volume Cap for a Qualifying Carryforward Project or Program in accordance with the provisions of Section 4(5). The Director shall issue certificates of allocation evidencing the granting of an allocation within the time period specified in the preceding sentence to each Issuing Authority which applied to the Director and which received an allocation of the Volume Cap for a Qualifying Carryforward Project or Program of such Issuing Authority, such certificates of allocation to be similar to the certificates of allocation described in Section 4, stating the amount of Allotment Dollars which have been allocated to such Issuing Authority, specifying the Qualifying Carryforward Project or Program for which the allocation has been made and specifying the expiration date of the allocation, as provided by Section 146(f) of the Code.

Section 6. No application submitted to the Director may be amended without the consent of the Director; provided, however, that no such
consent shall be required for an Issuing Authority to submit a new application in order to replace a previously submitted application if such new application is submitted before an allocation is made on the basis of the original application; provided further, that the consent of the Director shall not be required for an Issuing Authority to withdraw a previously submitted application. For purposes of receiving an allocation of the Volume Cap, any application that has been amended shall be treated as though such application was submitted on the date that the amendment was made, rather than on the date of the original submission of such application.

Section 7.
(1) After the effective date of this Executive Order, any Issuing Authority issuing Bonds without a certificate or allocation of the Director issued pursuant to Section 4 or Section 5, as appropriate, evidencing the granting of an allocation for such Bonds or Certificates, or any Issuing Authority issuing Bonds or Certificates after the expiration of an allocation under Section 4 or Section 5, as appropriate, is not entitled to any allocation of the Volume Cap for such Bonds or Certificates, and any Issuing Authority issuing Bonds or Certificates in excess of the allocation set forth in the certificate of allocation is not entitled to any allocation of the Volume Cap for such excess.
(2) Each Issuing Authority shall
(a) advise the Director on or before the earlier of the sixtieth day after the issuance of any Bonds or Certificates or December 27 of each Year, of the principal amount of Bonds or Certificates issued under the allocation set forth in each certificate of allocation issued by the Director evidencing the granting of an allocation for such Bonds or Certificates by delivering to the Director a copy of the Form 8038 which was delivered to the Internal Revenue Service in connection with such Bonds or Certificates, or, if no such form was required to be delivered to the Internal Revenue Service, a completed copy of a Form 8038 prepared for the Director with respect to such Bonds or Certificates, or
(b) if all or a stated portion of such Bonds or Certificates will not be issued, shall advise the Director in writing, on or before the earlier of
(i) the fifteenth day after the earlier of
(A) the final decision not to issue all or a stated portion of such Bonds or Certificates or
(B) the expiration of the allocation, or
(ii) December 27 of the Year in which the allocation for such Bonds or Certificates was made.
(3) Each Issuing Authority shall cooperate with the Director in furnishing any information the Director reasonably requires. If an Issuing Authority obtains an allocation of a portion of the Volume Cap for a particular Project or Program from the Director as provided in Section 4 or Section 5, as appropriate, but does not issue its Bonds or Certificates within the prescribed time limit, or issues a lesser amount of Bonds or Certificates within the prescribed time limit, such Issuing Authority may again submit an application with respect to the proposed Bonds or Certificates or portion of such Bonds or Certificates not issued for such Project or
Program as provided in Section 4 or Section 5, as appropriate. Such application shall be treated as a new application.

Section 8. In addition to the duties otherwise specifically set forth in this Executive Order, the Director shall:

(1) determine the amount of Allotment Dollars available on December 28 of each Year for allocation for Qualifying Carryforward Projects or Programs and allocate the Allotment Dollars available for Qualifying Carryforward Projects or Programs as provided in this Executive Order;

(2) maintain a record of all applications filed by Issuing Authorities under Section 3 and Section 5 and all certificates of allocation issued under Section 4 and Section 5;

(3) maintain a record of all Bonds or Certificates issued by Issuing Authorities during each Year;

(4) maintain a record of all information filed by Issuing Authorities under this Executive Order;

(5) make available upon reasonable request a certified copy of all or any part of the records maintained by the Department under this Executive Order or a summary thereof including information regarding the Volume Cap for each Year and any amounts available or at any time remaining available, for allocation under this Executive Order;

(6) the Director shall serve as the State official designated under State law to make any certifications required to be made under the Code including, without limitation, the certification required by Section 149(e)(2)(F) of the Code; and

(7) promulgate reasonable rules not inconsistent with this Executive Order deemed necessary or expedient to allocate the Volume Cap hereunder.

Section 9. If any provision of this Executive Order shall be held to be, or shall, in fact, be invalid, inoperative or unconstitutional, the defect of the provision shall not affect any other provision of this Executive Order or render it invalid, inoperative, or unenforceable. To the extent this Executive Order shall be held or shall, in fact, be invalid inoperative, or unconstitutional, all allocations of the Volume Cap previously made under this Executive Order shall be treated as allocations made by the Governor of the State in accordance with provisions of the State Law.

Section 10. This Executive Order replaces Executive Order No 2000-20 which is hereby repealed, provided that such replacement shall not affect any allocations in the State made prior to the effective date hereof pursuant to any other Executive Orders or laws of the State.

Section 11. The State pledges and agrees with the owners of any Bonds or Certificates to which an allocation of the Volume Cap has been granted under this Executive Order that the State will not retroactively alter the allocation of the Volume Cap to such Bonds or Certificates.

Section 12. No action taken pursuant to this Executive Order shall be deemed to create an obligation, debt or liability of the State or be deemed to constitute an approval of any obligation issued or to be issued hereunder.

Section 13. The purpose of this Executive Order is to maximize the benefits of financing and development through the use of Bonds and Certificates providing a system for the implementation and administration of the formula specified in the State Law for allocating the Volume Cap within the meaning of Section 146 of the Code.
Section 14. This Executive Order shall be effective immediately and shall continue in effect until such time as it may be repealed or superseded by operation of State or Federal law. Notwithstanding the foregoing, allocations for Qualifying Carryforward Projects or Programs pursuant to Section 5 hereof shall remain effective for the term of such allocation provided for in Section 146(f) of the Code.
