(b) Telephonic notice;
(c) Electronic notice, if the notice provided is consistent with the provisions regarding electronic records and signatures set forth in 15 U.S.C. section 7001; or
(d) Substitute notice, if the agency, individual or the commercial entity required to provide notice demonstrates that the cost of providing notice will exceed twenty-five thousand dollars ($25,000), or that the number of Idaho residents to be notified exceeds fifty thousand (50,000), or that the agency, individual or the commercial entity does not have sufficient contact information to provide notice. Substitute notice consists of all of the following:
(i) E-mail notice if the agency, individual or the commercial entity has e-mail addresses for the affected Idaho residents; and

(ii) Conspicuous posting of the notice on the website page of the agency, individual or the commercial entity if the agency, individual or the commercial entity maintains one; and

(iii) Notice to major statewide media.

(5) "Personal information" means an Idaho resident's first name or first initial and last name in combination with any one (1) or more of the following data elements that relate to the resident, when either the name or the data elements are not encrypted:

(1) An agency, individual or a commercial entity that conducts business in Idaho and that owns or licenses computerized data that includes personal information about a resident of Idaho shall, when it becomes aware of a breach of the security of the system, conduct in good faith a reasonable and prompt investigation to determine the likelihood that personal information has been or will be misused. If the investigation determines that the misuse of information about an Idaho resident has occurred or is reasonably likely to occur, the agency, individual or the commercial entity shall give notice as soon as possible to the affected Idaho resident. Notice must be made in the most expedient time possible and without unreasonable delay, consistent with the legitimate needs of law enforcement and consistent with any measures necessary to determine the scope of the breach, to identify the individuals affected, and to restore the reasonable integrity of the computerized data system.

(2) An agency, individual or a commercial entity that maintains computerized data that includes personal information that the agency, individual or the commercial entity does not own or license shall give notice to and cooperate with the owner or licensee of the information of any breach of the security of the system immediately following discovery of a breach, if misuse of personal information about an Idaho resident occurred or is reasonably likely to occur. Cooperation includes sharing with the owner or licensee information relevant to the breach.

(3) Notice required by this section may be delayed if a law enforcement agency advises the agency, individual or commercial entity
that the notice will impede a criminal investigation. Notice required by this section must be made in good faith, without unreasonable delay and as soon as possible after the law enforcement agency advises the agency, individual or commercial entity that notification will no longer impede the investigation.

28-51-106. PROCEDURES DEEMED IN COMPLIANCE WITH SECURITY BREACH REQUIREMENTS. (1) An agency, individual or a commercial entity that maintains its own notice procedures as part of an information security policy for the treatment of personal information, and whose procedures are otherwise consistent with the timing requirements of section 28-51-105, Idaho Code, is deemed to be in compliance with the notice requirements of section 28-51-105, Idaho Code, if the agency, individual or the commercial entity notifies affected Idaho residents in accordance with its policies in the event of a breach of security of the system.

(2) An individual or a commercial entity that is regulated by state or federal law and that maintains procedures for a breach of the security of the system pursuant to the laws, rules, regulations, guidelines, or guidelines established by its primary or functional state or federal regulator is deemed to be in compliance with section 28-51-105, Idaho Code, if the individual or the commercial entity complies with the maintained procedures when a breach of the security of the system occurs.

28-51-107. VIOLATIONS. In any case in which an agency's, commercial entity's or individual's primary regulator has reason to believe that an agency, individual or commercial entity subject to that primary regulator's jurisdiction under section 28-51-104(6), Idaho Code, has violated section 28-51-105, Idaho Code, by failing to give notice in accordance with that section, the primary regulator may bring a civil action to enforce compliance with that section and enjoin that agency, individual or commercial entity from further violations. Any agency, individual or commercial entity that intentionally fails to give notice in accordance with section 28-51-105, Idaho Code, shall be subject to a fine of not more than twenty-five thousand dollars ($25,000) per breach of the security of the system.

CHAPTER 261
(S.B. No. 1397)

AN ACT
RELATING TO DRIVING UNDER THE INFLUENCE OF INTOXICATING SUBSTANCES;
AMENDING SECTION 18-8002, IDAHO CODE, TO INCREASE PENALTIES AND TO INCREASE THE PERIOD OF TIME APPLICABLE TO REPEAT REFUSALS TO EVIDENTIARY TESTING; AMENDING SECTION 18-8002A, IDAHO CODE, TO REVISE INFORMATION TO BE GIVEN TO PERSONS SUBJECT TO EVIDENTIARY TESTING; AMENDING SECTION 18-8005, IDAHO CODE, TO PROVIDE CLARIFYING LANGUAGE, TO INCREASE THE PERIOD OF TIME APPLICABLE TO REPEAT VIOLATIONS AND TO INCREASE PENALTIES; AND AMENDING SECTION 18-8006, IDAHO CODE, TO INCREASE A PENALTY.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 18-8002, Idaho Code, be, and the same is hereby amended to read as follows:

18-8002. TESTS OF DRIVER FOR ALCOHOL CONCENTRATION, PRESENCE OF DRUGS OR OTHER INTOXICATING SUBSTANCES -- SUSPENSION UPON REFUSAL OF TESTS. (1) Any person who drives or is in actual physical control of a motor vehicle in this state shall be deemed to have given his consent to evidentiary testing for concentration of alcohol as defined in section 18-8004, Idaho Code, and to have given his consent to evidentiary test-
ing for the presence of drugs or other intoxicating substances, provided that such testing is administered at the request of a peace officer having reasonable grounds to believe that person has been driving or in actual physical control of a motor vehicle in violation of the provisions of section 18-8004, Idaho Code, or section 18-8006, Idaho Code.

(2) Such person shall not have the right to consult with an attorney before submitting to such evidentiary testing.

(3) At the time evidentiary testing for concentration of alcohol, or for the presence of drugs or other intoxicating substances is requested, the person shall be informed that if he refuses to submit to or if he fails to complete, evidentiary testing:
   (a) His driver's license will be seized by the peace officer and a temporary permit will be issued; provided, however, that no peace officer shall issue a temporary permit pursuant to this section to a driver whose driver's license or permit has already been and is suspended or revoked because of previous violations, and in no instance shall a temporary permit be issued to a driver of a commercial vehicle who refuses to submit to or fails to complete an evidentiary test;
   (b) He has the right to request a hearing within seven (7) days to show cause why he refused to submit to, or complete evidentiary testing;
   (c) If he does not request a hearing or does not prevail at the hearing, his driver's license will be suspended absolutely for one hundred and eighty (180) days year if this is his first refusal and one two (12) years if this is his second refusal within five ten (510) years; and
   (d) After submitting to evidentiary testing he may, when practicable, at his own expense, have additional tests made by a person of his own choosing.

(4) If the motorist refuses to submit to or complete evidentiary testing after the information has been given in accordance with subsection (3) above:
   (a) His driver's license or permit shall be seized by the peace officer and forwarded to the court and a temporary permit shall be issued by the peace officer which allows him to operate a motor vehicle until the date of his hearing, if a hearing is requested, but in no event for more than thirty (30) days; provided, however, that no peace officer shall issue a temporary permit pursuant to this section to a driver whose driver's license or permit has already been and is suspended or revoked because of previous violations and in no instance shall a temporary permit be issued to a driver of a commercial vehicle who refuses to submit to or fails to complete an evidentiary test;
   (b) A written request may be made within seven (7) calendar days for a hearing before the court; if requested, the hearing must be held within thirty (30) days of the seizure unless this period is, for good cause shown, extended by the court for one (1) additional thirty (30) day period. The court, in granting such an extension, may, for good cause shown, extend the defendant's temporary driving privileges for one (1) additional thirty (30) day period. The hearing shall be limited to the question of why the defendant did not submit to, or complete, evidentiary testing, and the burden of proof shall be upon the defendant; the court shall suspend all his driving
privileges immediately for one hundred-eighty-(180)-days year for a first refusal and one two (2) years for a second refusal within five ten (510) years unless it finds that the peace officer did not have legal cause to stop and request him to take the test or that the request violated his civil rights;

(c) If a hearing is not requested by written notice to the court concerned within seven (7) calendar days, upon receipt of a sworn statement by the peace officer of the circumstances of the refusal, the court shall suspend his driving privileges for one hundred eighty- (180)-days year for a first refusal and one two (2) years for a second refusal within five ten (510) years, during which time he shall have absolutely no driving privileges of any kind; and

(d) After submitting to evidentiary testing at the request of the peace officer, he may, when practicable, at his own expense, have additional tests made by a person of his own choosing. The failure or inability to obtain an additional test or tests by a person shall not preclude the admission of results of evidentiary testing for alcohol concentration or for the presence of drugs or other intoxicating substances taken at the direction of the peace officer unless the additional test was denied by the peace officer.

(5) Any suspension of driving privileges under this section or section 18-8002A, Idaho Code, shall be a civil penalty separate and apart from any other suspension imposed for a violation of other Idaho motor vehicle codes or for a conviction of an offense pursuant to this chapter, and may be appealed to the district court.

(6) No hospital, hospital officer, agent, or employee, or health care professional licensed by the state of Idaho, whether or not such person has privileges to practice in the hospital in which a body fluid sample is obtained or an evidentiary test is made, shall incur any civil or criminal liability for any act arising out of administering an evidentiary test for alcohol concentration or for the presence of drugs or other intoxicating substances at the request or order of a peace officer in the manner described in this section and section 18-8002A, Idaho Code: provided, that nothing in this section shall relieve any such person or legal entity from civil liability arising from the failure to exercise the community standard of care.

(a) This immunity extends to any person who assists any individual to withdraw a blood sample for evidentiary testing at the request or order of a peace officer, which individual is authorized to withdraw a blood sample under the provisions of section 18-8003, Idaho Code, regardless of the location where the blood sample is actually withdrawn.

(b) A peace officer is empowered to order an individual authorized in section 18-8003, Idaho Code, to withdraw a blood sample for evidentiary testing when the peace officer has probable cause to believe that the suspect has committed any of the following offenses:

(i) Aggravated driving under the influence of alcohol, drugs or other intoxicating substance as provided in section 18-8006, Idaho Code;
(ii) Vehicular manslaughter as provided in subsections (3)(a), (b) and (c) of section 18-4006, Idaho Code;

intoxicating substances as provided in section 67-7035, Idaho Code; or
(iv) Any criminal homicide involving a vessel on the waters of the state while under the influence of alcohol, drugs or other intoxicating substances.

(c) Nothing herein shall limit the discretion of the hospital administration to designate the qualified hospital employee responsible to withdraw the blood sample.

(d) The law enforcement agency that requests or orders withdrawal of the blood sample shall pay the reasonable costs to withdraw such blood sample, perform laboratory analysis, preserve evidentiary test results, and testify in judicial proceedings.

(e) The withdrawal of the blood sample may be delayed or terminated if:

(i) In the reasonable judgment of the hospital personnel withdrawal of the blood sample may result in serious bodily injury to hospital personnel or other patients; or
(ii) The licensed health care professional treating the suspect believes the withdrawal of the blood sample is contraindicated because of the medical condition of the suspect or other patients.

(7) "Actual physical control" as used in this section and section 18-8002A, Idaho Code, shall be defined as being in the driver's position of the motor vehicle with the motor running or with the motor vehicle moving.

(8) Any written notice required by this section shall be effective upon mailing.

(9) For the purposes of this section and section 18-8002A, Idaho Code, "evidentiary testing" shall mean a procedure or test or series of procedures or tests, including the additional test authorized in subsection (10) of this section, utilized to determine the concentration of alcohol or the presence of drugs or other intoxicating substances in a person.

(10) A person who submits to a breath test for alcohol concentration, as defined in subsection (4) of section 18-8004, Idaho Code, may also be requested to submit to a second evidentiary test of blood or urine for the purpose of determining the presence of drugs or other intoxicating substances if the peace officer has reasonable cause to believe that a person was driving under the influence of any drug or intoxicating substance or the combined influence of alcohol and any drug or intoxicating substance. The peace officer shall state in his or her report the facts upon which that belief is based.

SECTION 2. That Section 18-8002A, Idaho Code, be, and the same is hereby amended to read as follows:

Analysis of blood, breath or urine for the purpose of determining alcohol concentration shall be performed by a laboratory operated by the Idaho transportation department or by a laboratory approved by the Idaho transportation department under the provisions of approval and certification standards to be set by the Idaho transportation department, or by any other method approved by the Idaho transportation department. Notwithstanding any other provision of law or rule of court, the results of any test for alcohol concentration and records relating to calibration, approval, certification or quality control performed by a laboratory operated and approved by the Idaho transportation department or by any other method approved by the Idaho transportation department shall be admissible in any proceeding in this state without the necessity of producing a witness to establish the reliability of the testing procedure for examination.
(f) "Hearing officer" means a person designated by the department to conduct administrative hearings. If you refuse to submit to or if you fail to complete and pass evidentiary testing for alcohol or other intoxicating substances:
(a) The peace officer will seize your driver's license and issue a notice of suspension and temporary driving permit to you, but no peace officer will issue you a temporary driving permit if your driver's license or permit has already been and is suspended or revoked. No peace officer shall issue a temporary driving permit to a driver of a commercial vehicle who refuses to submit to or fails to complete and pass an evidentiary test;
(b) You have the right to request a hearing within seven (7) days
of the notice of suspension of your driver's license to show cause why you refused to submit to or to complete and pass evidentiary testing and why your driver's license should not be suspended;

(c) If you refused or failed to complete evidentiary testing and do not request a hearing before the court or do not prevail at the hearing, your driver's license will be suspended. The suspension will be for one hundred-eighty-(180)-days year if this is your first refusal. The suspension will be for one hundred-twelve-(12)-years if this is your second refusal within five ten-(510)-years. You will not be able to obtain a temporary restricted license during that period; and

(d) If you complete evidentiary testing and fail the testing and do not request a hearing before the department or do not prevail at the hearing, your driver's license will be suspended. This suspension will be for ninety (90) days if this is your first failure of evidentiary testing, but you may request restricted noncommercial vehicle driving privileges after the first thirty (30) days. The suspension will be for one (1) year if this is your second failure of evidentiary testing within five (5) years. You will not be able to obtain a temporary restricted license during that period;

(e) After submitting to evidentiary testing you may, when practicable, at your own expense, have additional tests made by a person of your own choosing.

(3) Rulemaking authority of the Idaho state police. The Idaho state police may, pursuant to chapter 52, title 67, Idaho Code, prescribe by rule:

(a) What testing is required to complete evidentiary testing under this section; and

(b) What calibration or checking of testing equipment must be performed to comply with the department's requirements. Any rules of the Idaho state police shall be in accordance with the following: a test for alcohol concentration in breath as defined in section 18-8004, Idaho Code, and subsection (1)(e) of this section will be valid for the purposes of this section if the breath alcohol testing instrument was approved for testing by the Idaho state police in accordance with section 18-8004, Idaho Code, at any time within ninety (90) days before the evidentiary testing. A test for alcohol concentration in blood or urine as defined in section 18-8004, Idaho Code, that is reported by the Idaho state police or by any laboratory approved by the Idaho state police to perform this test will be valid for the purposes of this section.

(4) Suspension.

(a) Upon receipt of the sworn statement of a peace officer that there existed legal cause to believe a person had been driving or was in actual physical control of a motor vehicle while under the influence of alcohol, drugs or other intoxicating substances and that the person submitted to a test and the test results indicated an alcohol concentration or the presence of drugs or other intoxicating substances in violation of section 18-8004, 18-8004C or 18-8006, Idaho Code, the department shall suspend the person's driver's license, driver's permit, driving privileges or nonresident driving privileges:

(1) For a period of ninety (90) days for a first failure of evidentiary testing under the provisions of this section. The
first thirty (30) days of the suspension shall be absolute and the person shall have absolutely no driving privileges of any kind. Restricted noncommercial vehicle driving privileges applicable during the remaining sixty (60) days of the suspension may be requested as provided in subsection (9) of this section.

(ii) For a period of one (1) year for a second and any subsequent failure of evidentiary testing under the provisions of this section within the immediately preceding five (5) years. No driving privileges of any kind shall be granted during the suspension imposed pursuant to this subsection.

The person may request an administrative hearing on the suspension as provided in subsection (7) of this section. Any right to contest the suspension shall be waived if a hearing is not requested as therein provided.

(b) The suspension shall become effective thirty (30) days after service upon the person of the notice of suspension. The notice shall be in a form provided by the department and shall state:

(i) The reason and statutory grounds for the suspension;
(ii) The effective date of the suspension;
(iii) The suspension periods to which the person may be subject as provided in subsection (4)(a) of this section;
(iv) The procedures for obtaining restricted noncommercial vehicle driving privileges;
(v) The rights of the person to request an administrative hearing on the suspension and that if an administrative hearing is not requested within seven (7) days of service of the notice of suspension the right to contest the suspension shall be waived;
(vi) The procedures for obtaining an administrative hearing on the suspension;
(vii) The right to judicial review of the hearing officer's decision on the suspension and the procedures for seeking such review.

(5) Service of suspension by peace officer or the department. If the driver submits to evidentiary testing after the information in subsection (2) of this section has been provided and the results of the test indicate an alcohol concentration or the presence of drugs or other intoxicating substances in violation of the provisions of section 18-8004, 18-8004C or 18-8006, Idaho Code:

(a) The peace officer shall take possession of the person's driver's license, shall issue a temporary permit which shall be valid for a period not to exceed thirty (30) days from the date of issuance, and, acting on behalf of the department, will serve the person with a notice of suspension in the form and containing the information required under subsection (4) of this section. The department may serve the person with a notice of suspension if the peace officer failed to issue the notice of suspension or failed to include the date of service as provided in subsection (4)(b) of this section.

(b) Within five (5) business days following service of a notice of suspension the peace officer shall forward to the department a copy of the completed notice of suspension form upon which the date of service upon the driver shall be clearly indicated, a copy of any
completed temporary permit form along with any confiscated driver's license, a certified copy or duplicate original of the results of all tests for alcohol concentration, as shown by analysis of breath administered at the direction of the peace officer, and a sworn statement of the officer, which may incorporate any arrest or incident reports relevant to the arrest and evidentiary testing setting forth:

(i) The identity of the person;
(ii) Stating the officer's legal cause to stop the person;
(iii) Stating the officer's legal cause to believe that the person had been driving or was in actual physical control of a motor vehicle while under the influence of alcohol, drugs or other intoxicating substances in violation of the provisions of section 18-8004, 18-8004C or 18-8006, Idaho Code;

(v) That the person was lawfully arrested;
(vi) That the person was tested for alcohol concentration, drugs or other intoxicating substances as provided in this chapter, and that the results of the test indicated an alcohol concentration or the presence of drugs or other intoxicating substances in violation of the provisions of section 18-8004, 18-8004C or 18-8006, Idaho Code.

If an evidentiary test of blood or urine was administered rather than a breath test, the peace officer or the department shall serve the notice of suspension once the results are received. The sworn statement required in this subsection shall be made on forms in accordance with rules adopted by the department.

(c) The department may serve the person with a notice of suspension if the peace officer failed to issue the notice of suspension or failed to include the date of service as provided in subsection (4)(b) of this section.

(6) Additional tests. After submitting to evidentiary testing at the request of the peace officer, the person may, when practicable, at his own expense, have additional tests for alcohol concentration or for the presence of drugs or other intoxicating substances made by a person of his own choosing. The person's failure or inability to obtain additional tests shall not preclude admission of the results of evidentiary tests administered at the direction of the peace officer unless additional testing was denied by the peace officer.

(7) Administrative hearing on suspension. A person who has been served with a notice of suspension after submitting to an evidentiary test may request an administrative hearing on the suspension before a hearing officer designated by the department. The request for hearing shall be in writing and must be received by the department within seven (7) calendar days of the date of service upon the person of the notice of suspension, and shall include what issue or issues shall be raised at the hearing. The date on which the hearing request was received shall be noted on the face of the request.

If a hearing is requested, the hearing shall be held within twenty (20) days of the date the hearing request was received by the department unless this period is, for good cause shown, extended by the hearing officer for one ten (10) day period. Such extension shall not operate as
a stay of the suspension and any temporary permit shall expire thirty (30) days after service of the notice of suspension, notwithstanding an extension of the hearing date beyond such thirty (30) day period. Written notice of the date and time of the hearing shall be sent to the party requesting the hearing at least seven (7) days prior to the scheduled hearing date. The department may conduct all hearings by telephone if each participant in the hearing has an opportunity to participate in the entire proceeding while it is taking place.

The hearing shall be recorded. The sworn statement of the arresting officer, and the copy of the notice of suspension and any temporary permit issued by the officer shall be admissible at the hearing without further evidentiary foundation. The results of any tests for alcohol concentration or the presence of drugs or other intoxicating substances by analysis of blood, urine or breath administered at the direction of the peace officer and the records relating to calibration, certification, approval or quality control pertaining to equipment utilized to perform the tests shall be admissible as provided in section 18-8004(4), Idaho Code. The arresting officer shall not be required to participate unless directed to do so by a subpoena issued by the hearing officer.

The burden of proof shall be on the person requesting the hearing. The hearing officer shall not vacate the suspension unless he finds, by a preponderance of the evidence, that:

(a) The peace officer did not have legal cause to stop the person; or
(b) The officer did not have legal cause to believe the person had been driving or was in actual physical control of a vehicle while under the influence of alcohol, drugs or other intoxicating substances in violation of the provisions of section 18-8004, 18-8004C or 18-8006, Idaho Code; or
(c) The test results did not show an alcohol concentration or the presence of drugs or other intoxicating substances in violation of section 18-8004, 18-8004C or 18-8006, Idaho Code; or
(d) The tests for alcohol concentration, drugs or other intoxicating substances administered at the direction of the peace officer were not conducted in accordance with the requirements of section 18-8004(4), Idaho Code, or the testing equipment was not functioning properly when the test was administered; or
(e) The person was not informed of the consequences of submitting to evidentiary testing as required in subsection (2) of this section.

If the hearing officer finds that the person has not met his burden of proof, he shall sustain the suspension. The hearing officer shall make findings of fact and conclusions of law on each issue and shall enter an order vacating or sustaining the suspension. If the suspension is vacated, the person's driver's license, unless unavailable by reason of an existing suspension, revocation, cancellation, disqualification or denial shall be returned to him. The findings of fact, conclusions of law and order entered by the hearing officer shall be considered a final order pursuant to the provisions of chapter 52, title 67, Idaho Code, except that motions for reconsideration of such order shall be allowed and new evidence can be submitted.

The facts as found by the hearing officer shall be independent of the determination of the same or similar facts in the adjudication of any criminal charges arising out of the same occurrence. The disposition
of those criminal charges shall not affect the suspension required to be imposed under the provisions of this section. If a license is suspended under this section and the person is also convicted on criminal charges arising out of the same occurrence for a violation of the provisions of section 18-8004, 18-8004C or 18-8006, Idaho Code, both the suspension under this section and the suspension imposed pursuant to the provisions of section 18-8005 or 18-8006, Idaho Code, shall be imposed, but the periods of suspension shall run concurrently, with the total period of suspension not to exceed the longer of the applicable suspension periods, unless the court ordering the suspension in the criminal case orders to the contrary.

(8) Judicial review. A party aggrieved by the decision of the hearing officer may seek judicial review of the decision in the manner provided for judicial review of final agency action provided in chapter 52, title 67, Idaho Code.

(9) Restricted noncommercial vehicle driving privileges. A person served with a notice of suspension for ninety (90) days pursuant to this section may apply to the department for restricted noncommercial vehicle driving privileges, to become effective after the thirty (30) day absolute suspension has been completed. The request may be made at any time after service of the notice of suspension. Restricted noncommercial vehicle driving privileges will be issued for the person to travel to and from work and for work purposes not involving operation of a commercial vehicle, to attend an alternative high school, work on a GED, for postsecondary education, or to meet the medical needs of the person or his family if the person is eligible for restricted noncommercial vehicle driving privileges. Any person whose driving privileges are suspended under the provisions of this chapter may be granted privileges to drive a noncommercial vehicle but shall not be granted privileges to operate a commercial motor vehicle.

(10) Rules. The department may adopt rules under the provisions of chapter 52, title 67, Idaho Code, deemed necessary to implement the provisions of this section.

who pleads guilty to or is found guilty of a violation of the provisions
of section 18-8004(1)(a), (b) or (c), Idaho Code, who previously has
been found guilty of or has pled guilty to two (2) or more violations of
the provisions of section 18-8004(1)(a), (b) or (c), Idaho Code, or any
substantially conforming foreign criminal violation, or any combination
thereof, within five ten (510) years, notwithstanding the form of the
judgment(s) or withheld judgment(s), shall be guilty of a felony; and
(a) Shall be sentenced to the custody of the state board of correc-

standing the provisions of section 19-2601, Idaho Code, should the
court impose any sentence other than incarceration in the state pen-
itentiary, the defendant shall be sentenced to the county jail for a
mandatory minimum period of not less than thirty (30) days, the
first forty-eight (48) hours of which must be consecutive, and ten
(10) days of which must be served in jail, as required by 23 U.S.C.

($5,000);

any kind; and
(e) Shall, while operating a motor vehicle, be required to drive
only a motor vehicle equipped with a functioning ignition interlock
system, as provided in section 18-8008, Idaho Code, following the
mandatory one (1) year license suspension period.
(6) For the purpose of computation of the enhancement period in
subsections (4), (5) and (7) of this section, the time that elapses
between the date of commission of the offense and the date the defendant
pleads guilty or is found guilty for the pending offense shall be
excluded. If the determination of guilt against the defendant is
reversed upon appeal, the time that elapsed between the date of the com-
misssion of the offense and the date the defendant pleads guilty or is
found guilty following the appeal shall also be excluded.
(7) Notwithstanding the provisions of subsections (4) and (5) of
this section, any person who has pled guilty or has been found guilty of
a felony violation of the provisions of section 18-8004, Idaho Code, a
felony violation of the provisions of section 18-8004C, Idaho Code, a
violation of the provisions of section 18-8006, Idaho Code, a violation
of the provisions of section 18-4006 3.(b), Idaho Code, or any substan-
tially conforming foreign criminal felony violation, and within ten fif-
teen (105) years pleads guilty or is found guilty of a further violation
of the provisions of section 18-8004, Idaho Code, shall be guilty of a
felony and shall be sentenced pursuant to subsection (5) of this sec-
ton.
(8) For the purpose of subsections (4), (5) and (7) of this section and the provisions of section 18-8004C, Idaho Code, a substantially conforming foreign criminal violation exists when a person has pled guilty to or has been found guilty of a violation of any federal law or law of another state, or any valid county, city, or town ordinance of another state substantially conforming to the provisions of section 18-8004, Idaho Code. The determination of whether a foreign criminal violation is substantially conforming is a question of law to be determined by the court.

(9) Any person who pleads guilty to or is found guilty of a violation of the provisions of section 18-8004, 18-8004C or 18-8006, Idaho Code, shall undergo, at his own expense, (or at county expense through the procedures set forth in chapters 34 and 35, title 31, Idaho Code,) and prior to the sentencing date, an alcohol evaluation by an alcohol evaluation facility approved by the Idaho department of health and welfare; provided however, if the defendant has no prior or pending charges with respect to the provisions of section 18-8004, 18-8004C or 18-8006, Idaho Code, and the court has the records and information required under subsections (10)(a), (b) and (c) of this section or possesses information from other reliable sources relating to the defendant's use or nonuse of alcohol or drugs which does not give the court any reason to believe that the defendant regularly abuses alcohol or drugs and is in need of treatment, the court may, in its discretion, waive the evaluation with respect to sentencing for a violation of section 18-8004 or 18-8004C(1), Idaho Code, and proceed to sentence the defendant. The court may also, in its discretion, waive the requirement of an alcohol evaluation with respect to a defendant's violation of the provisions of section 18-8004, 18-8004C or 18-8006, Idaho Code, and proceed to sentence the defendant if the court has a presentence investigation report, substance abuse assessment, criminogenic risk assessment, or other assessment which evaluates the defendant's degree of alcohol abuse and need for alcohol treatment conducted within twelve (12) months preceding the date of the defendant's sentencing. In the event an alcohol evaluation indicates the need for alcohol treatment, the evaluation shall contain a recommendation by the evaluator as to the most appropriate treatment program, together with the estimated cost thereof, and recommendations for other suitable alternative treatment programs, together with the estimated costs thereof. The person shall request that a copy of the completed evaluation be forwarded to the court. The court shall take the evaluation into consideration in determining an appropriate sentence. If a copy of the completed evaluation has not been provided to the court, the court may proceed to sentence the defendant; however, in such event, it shall be presumed that alcohol treatment is required unless the defendant makes a showing by a preponderance of evidence that treatment is not required. If the defendant has not made a good faith effort to provide the completed copy of the evaluation to the court, the court may consider the failure of the defendant to provide the report as an aggravating circumstance in determining an appropriate sentence. If treatment is ordered, in no event shall the person or facility doing the evaluation be the person or facility that provides the treatment unless this requirement is waived by the sentencing court, with the exception of federally recognized Indian tribes or federal military installations, where diagnosis and treatment are appropriate and available. Nothing herein contained shall preclude the use of funds authorized pursuant to
the provisions of chapter 3, title 39, Idaho Code, for court-ordered alcohol treatment for indigent defendants.

(10) At the time of sentencing, the court shall be provided with the following information:

(a) The results, if administered, of any evidentiary test for alcohol and/or drugs;

(b) A computer or teletype or other acceptable copy of the person's driving record;

(c) Information as to whether the defendant has pled guilty to or been found guilty of violation of the provisions of section 18-8004, 18-8004C or 18-8006, Idaho Code, or a similar offense within the past five (5) years, notwithstanding the form of the judgment(s) or withheld judgment(s); and

(d) The alcohol evaluation required in subsection (9) of this section, if any.

(11) A minor may be prosecuted for a violation of the provisions of section 18-8004 or 18-8004C, Idaho Code, under chapter 5, title 20, Idaho Code. In addition to any other penalty, if a minor pleads guilty to or is found guilty of a violation of the provisions of section 18-8004(1)(a), (b) or (c) or 18-8004C, Idaho Code, he shall have his driving privileges suspended or denied for an additional one (1) year following the end of any period of suspension or revocation existing at the time of the violation, or until he reaches the age of twenty-one (21) years, whichever period is greater. During the period of additional suspension or denial, absolutely no driving privileges shall be allowed.

(12) In the event that the alcohol evaluation required in subsection (9) of this section recommends alcohol treatment, the court shall order the person to complete a treatment program in addition to any other sentence which may be imposed, unless the court determines that alcohol treatment would be inappropriate or undesirable, in which event, the court shall enter findings articulating the reasons for such determination on the record. The court shall order the defendant to complete the preferred treatment program set forth in the evaluation, or a comparable alternative, unless it appears that the defendant cannot reasonably obtain adequate financial resources for such treatment. In that event, the court may order the defendant to complete a less costly alternative set forth in the evaluation, or a comparable program. Such treatment shall, to the greatest extent possible, be at the expense of the defendant. In the event that funding is provided for or on behalf of the defendant by an entity of state government, restitution shall be ordered to such governmental entity in accordance with the restitution procedure for crime victims, as specified under chapter 53, title 19, Idaho Code. Nothing contained herein shall be construed as requiring a court to order that a governmental entity shall provide alcohol treatment at government expense unless otherwise required by law.

(13) Any person who is disqualified, or whose driving privileges have been suspended, revoked or canceled under the provisions of this chapter, shall not be granted restricted driving privileges to operate a commercial motor vehicle.

SECTION 4. That Section 18-8006, Idaho Code, be, and the same is hereby amended to read as follows:
18-8006. AGGRAVATED DRIVING WHILE UNDER THE INFLUENCE OF ALCOHOL, DRUGS OR ANY OTHER INTOXICATING SUBSTANCES. (1) Any person causing great bodily harm, permanent disability or permanent disfigurement to any person other than himself in committing a violation of the provisions of section 18-8004(1)(a) or (1)(c), Idaho Code, is guilty of a felony, and upon conviction:

(a) Shall be sentenced to the state board of correction for not to exceed ten fifteen (10-15) years, provided that notwithstanding the provisions of section 19-2601, Idaho Code, should the court impose any sentence other than incarceration in the state penitentiary, the defendant shall be sentenced to the county jail for a mandatory minimum period of not less than thirty (30) days, the first forty-eight (48) hours of which must be consecutive; and further provided that notwithstanding the provisions of section 18-111, Idaho Code, a conviction under this section shall be deemed a felony;
(b) May be fined an amount not to exceed five thousand dollars ($5,000);
(c) Shall surrender his driver's license or permit to the court; and
(d) Shall have his driving privileges suspended by the court for a mandatory minimum period of one (1) year after release from imprisonment, and may have his driving privileges suspended by the court for not to exceed five (5) years after release from imprisonment, during which time he shall have absolutely no driving privileges of any kind; and
(e) Shall be ordered by the court to pay restitution in accordance with chapter 53, title 19, Idaho Code.

(2) Notwithstanding any other provision of law, any evidence of conviction under this section shall be admissible in any civil action for damages resulting from the occurrence. A conviction for the purposes of this section means that the person has pled guilty or has been found guilty, notwithstanding the form of the judgment(s) or withheld judgment(s).

46-1008. THE GOVERNOR AND DISASTER EMERGENCIES. (1) Under this act, the governor may issue executive orders, proclamations and amend or rescind them. Executive orders and proclamations have the force and effect of law.

(2) A disaster emergency shall be declared by executive order or proclamation of the governor if he finds a disaster has occurred or that the occurrence or the threat thereof is imminent. The state of disaster emergency shall continue until the governor finds that the threat or danger has passed, or the disaster has been dealt with to the extent that emergency conditions no longer exist, and when either or both of these events occur, the governor shall terminate the state of disaster emergency by executive order or proclamation; provided, however, that no state of disaster emergency may continue for longer than thirty (30) days unless the governor finds that it should be continued for another thirty (30) days or any part thereof. The legislature by concurrent resolution may terminate a state of disaster emergency at any time. There-

An executive order or proclamation shall be disseminated promptly by means calculated to bring its contents to the attention of the general public and unless the circumstances attendant upon the disaster prevent or impede, be promptly filed with the bureau of homeland security, the office of the secretary of state and the office of the recorder of each county where the state of disaster emergency applies.

(3) An executive order or proclamation of a state of disaster emergency shall activate the disaster response and recovery aspects of the state, local and intergovernmental disaster emergency plans applicable to the political subdivision or area in question and be authority for the deployment and use of any forces to which the plan or plans apply and for use or distribution of any supplies, equipment, and materials and facilities assembled, stockpiled, or arranged to be made available pursuant to this act or any other provision of law relating to disaster emergencies.

(4) During the continuance of any state of disaster emergency the governor is commander-in-chief of the militia and may assume command of all other forces available for emergency duty. To the greatest extent practicable, the governor shall delegate or assign command authority by prior arrangement embodied in appropriate executive orders or regulations, but nothing herein restricts his authority to do so by orders issued at the time of the disaster emergency.

(5) In addition to any other powers conferred upon the governor by law, he may:

(a) Suspend the provisions of any regulations prescribing the procedures for conduct of public business that would in any way prevent, hinder, or delay necessary action in coping with the emergency;

(b) Utilize all resources of the state, including, but not limited to, those sums in the disaster emergency account as he shall deem necessary to pay obligations and expenses incurred during a declared state of disaster emergency;

(c) Transfer the direction, personnel, or functions of state departments and agencies or units thereof for the purpose of performing or facilitating emergency services;

(d) Subject to any applicable requirements for compensation under section 46-1012, Idaho Code, commandeer or utilize any private property, real or personal, if he finds this necessary to cope with the disaster emergency;

(e) Direct and compel the evacuation of all or part of the population from any stricken or threatened area within the state if he deems this action necessary for the preservation of life or other disaster mitigation, response, or recovery;

(f) Prescribe routes, modes of transportation, and destinations in connection with evacuation;

(g) Control ingress and egress to and from a disaster area, the movement of persons within the area, and the occupancy of premises therein;
(h) Suspend or limit the sale, dispensing or transportation of alcoholic beverages, firearms; explosives, and combustibles;
(i) Make provision for the availability and use of temporary emergency housing.
(6) Whenever an emergency or a disaster has been declared to exist in Idaho by the president under the provisions of the disaster relief act of 1974 (public law 93-288, 42 U.S.C. 5121), as amended, the governor may:
   (a) Enter into agreements with the federal government for the sharing of disaster recovery expenses involving public facilities;
   (b) Require as a condition of state assistance that a local taxing district be responsible for paying forty percent (40%) of the non-federal share of costs incurred by the local taxing district which have been determined to be eligible for reimbursement by the federal government, provided that the total local share of eligible costs for a taxing district shall not exceed ten percent (10%) of the taxing district's tax charges authorized by section 63-802, Idaho Code;
   (c) Obligate the state to pay the balance of the nonfederal share of eligible costs within local taxing entities qualifying for federal assistance; and
   (d) Enter into agreements with the federal government for the sharing of disaster assistance expenses to include individual and family grant programs.
(7) During the continuance of any state of disaster emergency, neither the governor nor any agency of any governmental entity or political subdivision of the state shall impose restrictions on the lawful possession, transfer, sale, transport, storage, display or use of firearms or ammunition.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 39-3403, Idaho Code, be, and the same is hereby amended to read as follows:

39-3403. MAKING, AMENDING, REVOKING, AND REFUSING TO MAKE ANATOMICAL GIFTS BY INDIVIDUAL. (1) An individual who is at least eighteen (18) years of age may (i) make an anatomical gift for purposes of transplantation, therapy, research or education, (ii) limit an anatomical gift to one (1) or more of those purposes, or (iii) refuse to make an anatomical gift. An individual who is sixteen (16) years of age or older and less than eighteen (18) years of age may (i) make an anatomical gift for purposes of transplantation, therapy, research or education, (ii) limit an anatomical gift to one (1) or more of those purposes, or (iii) refuse to make an anatomical gift, if a parent or an adult guardian consents in writing in the presence of the donor.

(2) An anatomical gift may be made only by a document of gift signed by the donor or the donor's parent or adult guardian if the donor is sixteen (16) years of age or older but less than eighteen (18) years of age. If the donor cannot sign, the document of gift must be signed by another individual and by two (2) witnesses, all of whom have signed at the direction and in the presence of the donor and of each other, and state that it has been so signed.

(3) An individual may attach to his application for a driver's license or identification card a document of gift in compliance with section 39-3413, Idaho Code. A notation on an individual's driver's license or identification card that he intends to make an anatomical gift shall be sufficient to satisfy all requirements for consent to organ or tissue donation; provided however, that after the effective date of this act, a document of gift in compliance with section 39-3413, Idaho Code, shall be required before such notation may be imprinted on an individual's driver's license or identification card. Revocation, suspension, expiration, or cancellation of the license does not invalidate the anatomical gift.

(4) A document of gift may designate a particular procurement entity to carry out the appropriate procedures. In the absence of a designation or if the designee is not available or is unable or unwilling to perform the procedures, any procurement entity authorized under this chapter may carry out the appropriate procedures.

(5) An anatomical gift by will takes effect upon death of the testator, whether or not the will is probated. If, after death, the will is declared invalid for testamentary purposes, the validity of the anatomical gift is unaffected.

(6) A donor or the donor's parent or adult guardian if the donor is sixteen (16) years of age or older and less than eighteen (18) years of age may amend or revoke an anatomical gift, not made by will, only by:

(a) A signed statement;
(b) An oral statement made in the presence of two (2) individuals;
(c) Any form of communication during a terminal illness or injury addressed to a physician or surgeon; or
(d) The delivery of a signed statement to a specified procurement entity to whom a document of gift had been delivered.
(7) The donor of an anatomical gift made by will may amend or revoke the gift in the manner provided for amendment or revocation of wills, or as provided in subsection (6) of this section.

(8) An anatomical gift that is not revoked by the donor before death is irrevocable and does not require the consent or concurrence of any person after the donor's death.

(9) An individual or the individual's parent or adult guardian if the individual is sixteen (16) years of age or older and less than eighteen (18) years of age may refuse to make an anatomical gift of the individual's body or part by (i) a writing signed in the same manner as a document of gift, (ii) attaching a statement on his driver's license or identification card, or (iii) any other writing used to identify the individual as refusing to make an anatomical gift. During a terminal illness or injury, the refusal may be an oral statement or other form of communication.

(10) In the absence of contrary indications by the donor, an anatomical gift or a part is neither a refusal to give other parts nor a limitation on an anatomical gift under section 39-3404, Idaho Code, or on a removal or release of other parts under section 39-3405, Idaho Code.

(11) In the absence of contrary indications by the donor, a revocation or amendment of an anatomical gift is not refusal to make another anatomical gift. If the donor intends a revocation to be refusal to make an anatomical gift, the donor shall make the refusal pursuant to subsection (9) of this section.

SECTION 2. That Section 39-3404, Idaho Code, be, and the same is hereby amended to read as follows:

39-3404. MAKING, REVOKING, AND OBJECTING TO ANATOMICAL GIFTS, BY OTHERS. (1) Any member of the following classes of persons, in the order of priority listed, may make an anatomical gift of all or a part of the decedent's body for an authorized purpose, unless the decedent, at the time of death, or the decedent's parent or adult guardian if the decedent is sixteen (16) years of age or older and less than eighteen (18) years of age, has made an unrevoked refusal to make that anatomical gift:

(a) The holder of an unrevoked durable power of attorney for health care;
(b) The spouse of the decedent;
(c) An adult son or daughter of the decedent;
(d) Either parent of the decedent;
(e) An adult brother or sister of the decedent;
(f) A grandparent of the decedent; and
(g) A guardian of the person of the decedent at the time of death.

(2) An anatomical gift may not be made by a person listed in subsection (1), of this section if:

(a) A person in a prior class is available at the time of death to make an anatomical gift;
(b) The person proposing to make an anatomical gift knows of a refusal or contrary indications by the decedent; or
(c) The person proposing to make an anatomical gift knows of an objection to making an anatomical gift by a member of the person's class or a prior class.
(3) An anatomical gift by a person authorized under subsection (1) of this section, must be made by (i) a document of gift signed by the person or (ii) the person's telegraphic, recorded telephonic, or other recorded message, or other form of communication from the person that is contemporaneously reduced to writing and signed by the recipient.

(4) An anatomical gift by a person authorized under subsection (1) of this section, may be revoked by any member of the same or a prior class if, before procedures have begun for the removal of a part from the body of the decedent, the physician, surgeon, technician, or enucleator removing the part knows of the revocation.

(5) A failure to make an anatomical gift under subsection (1) of this section, is not an objection to the making of an anatomical gift.

SECTION 3. That Section 39-3413, Idaho Code, be, and the same is hereby amended to read as follows:

39-3413. ANATOMICAL GIFTS BY LIVING DONORS. (1) A document containing the following information is sufficient to comply with the provisions of this chapter for the making of an anatomical gift by a living donor or the refusal to make such a gift:

(a) A statement, signed and dated by the donor, that upon the donor's death he or she gives:
   (i) Any needed organs, tissues or parts or only specified organs, tissues or parts; and
   (ii) The purpose or purposes for which such organs, tissues or parts may be used, including transplantation, therapy, research or education; and
   (iii) That tissues or parts may or may not be retrieved and/or used by for-profit procurement entities; or

(b) A statement, signed and dated by the donor, that the donor refuses to make any anatomical gift.

(3) A document described in subsections (1) and (2) shall be deemed to be valid if the document was executed when the donor was at least sixteen (16) years of age and less than eighteen (18) years of age and a parent or an adult guardian consents in writing in the presence of the donor. Any document that is signed by a person who is sixteen (16) years of age or older and less than eighteen (18) years of age which (i) makes an anatomical gift for purposes of transplantation, therapy, research or education, (ii) limits an anatomical gift to one (1) or more of those purposes, or (iii) refuses to make an anatomical gift if a parent or an adult guardian consents in writing in the presence of the person shall remain in effect when the person attains eighteen (18) years of age unless the same is modified by the person as provided in this chapter.

56-250. SHORT TITLE. This act shall be known and may be cited as  
the "Idaho Medicaid Simplification Act."  

56-251. LEGISLATIVE INTENT. (1) The legislature finds that the cur­  
rent federal medicaid law and regulations have not kept pace with modern  
health care management practices, create obstacles to quality care and  
impose unnecessary costs on the delivery of effective and efficient  
health care. The legislature believes that the state of Idaho must  
strive to balance efforts to contain medicaid costs, improve program  
quality and improve access to services. The legislature further believes  
that the state of Idaho could achieve improved health outcomes for med­  
icaid participants by simplifying eligibility and developing health ben­  
etfits for medicaid participants according to their health needs, includ­  
ing appropriate preventive and wellness services.  

(2) The legislature supports development, at a minimum, of the fol­  
lowing health-need categories:  

(a) Low-Income Children and Working-Age Adults. The broad policy  
goal for the medicaid program for low-income children and working­  
age adults is to achieve and maintain wellness by emphasizing pre­  
vention and by proactively managing health. Additional specific  
goals are:  

(1) To emphasize preventive care and wellness;
(ii) To increase participant ability to make good health choices; and
(iii) To strengthen the employer-based health insurance system.

(b) Persons with Disabilities or Special Health Needs. The broad policy goal for the medicaid program for persons with disabilities or special health needs is to finance and deliver cost-effective individualized care. Additional specific goals are:

(ii) To empower individuals with disabilities to manage their own lives;
(iii) To provide opportunities for employment for persons with disabilities; and
(iv) To provide and to promote family-centered, community-based, coordinated care for children with special health care needs.

(c) Elders. The broad policy goal for the medicaid program for elders is to finance and deliver cost-effective individualized care which is integrated, to the greatest extent possible, with medicare coverage. Additional specific goals are:
(i) To emphasize preventive care and wellness;
(ii) To improve coordination between medicaid and medicare coverage;
(iii) To increase nonpublic financing options for long-term care; and
(iv) To ensure participants' dignity and quality of life.

(3) To the extent practicable, the department shall achieve savings and efficiencies through use of modern care management practices, in areas such as network management, cost-sharing, benefit design and premium assistance.

(4) The department's duty to implement these changes in accordance with the intent of the legislature is contingent upon federal approval.

SECTION 5. That Chapter 9, Title 54, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW SECTION, to be known and designated as Section 54-920, Idaho Code, and to read as follows:

54-920. LICENSING -- LICENSE FEES -- BIENNIAL RENEWAL OF LICENSES -- LATE FEES AND RETURNED CHECKS -- CLASSIFICATIONS OF LICENSES -- RIGHTS OF LICENSEES -- NOTIFICATION OF CHANGE OF ADDRESS. (1) Each person determined by the board as qualified for licensure under this chapter shall pay the prescribed biennial license fee to the board prior to issuance of a license. Unless otherwise specified on a license, licenses issued by the board shall be effective for the biennial licensing period specified in this section. The biennial licensing period for dental licenses shall be a two (2) year period from October 1 of each even-numbered calendar year to September 30 of the next successive even-numbered calendar year. The biennial licensing period for dental hygiene licenses
shall be a two (2) year period from April 1 of each odd-numbered calendar year to March 31 of the next successive odd-numbered calendar year. Unless otherwise specified on a license, any license issued during a biennial licensing period shall be effective until the beginning date of the next successive biennial licensing period and the board may prorate the amount of the license fee from the date of issuance of the license until the beginning date of the next applicable biennial licensing period at the discretion of the board. A license issued by the board shall expire unless renewed in the manner specified in this section.

(2) The nonrefundable biennial license fees shall be fixed by the board, but shall not exceed the following amounts:
   (a) Four hundred dollars ($400) for a dentist with an active status;
   (b) Two hundred dollars ($200) for a dentist with an inactive status;
   (c) Two hundred twenty dollars ($220) for a dental hygienist with an active status;
   (d) One hundred twelve dollars ($112) for a dental hygienist with an inactive status;
   (e) Four hundred dollars ($400) for a dentist with a specialist status; or
   (f) Twenty dollars ($20.00) for a dentist or dental hygienist with a retirement status.

(3) A license issued by the board shall be renewed as prescribed in this section. Prior to the expiration of the effective period of a license, the board shall mail a renewal application to the licensee's address of record on file with the board. To renew a dental license, each licensee shall submit a properly completed renewal application and the appropriate biennial license fee to the board prior to September 30 of every even-numbered calendar year. To renew a dental hygiene license, each licensee shall submit a properly completed renewal application and the appropriate biennial license fee to the board prior to March 31 of each odd-numbered calendar year. Each licensee determined by the board as qualified for renewal of a license shall be issued a license for the applicable biennial licensing period.

(4) The following procedure shall be followed by the board for all licensees who fail to submit a properly completed renewal application and appropriate biennial license fee on or before the expiration of the effective period of a license. A license that expires by reason of a licensee's failure to satisfy the renewal requirements shall not be considered to be a disciplinary action by the board and shall result in the termination of the licensee's right to practice dentistry or dental hygiene in the state.
   (a) The board shall mail a notice of failure to renew a license to the licensee's address; and
   (b) The notice of failure to renew a license shall advise the licensee that he has failed to comply with the board's license renewal requirements and that a failure to submit a properly completed renewal application, the appropriate biennial license fee and a fifty dollar ($50.00) late fee within thirty (30) days of the date upon which the board's notice was mailed shall result in the expiration of his license.

(5) Any person who delivers a check or other payment to the board that is returned to the board unpaid by the financial institution upon
which it was drawn shall pay to the board as an administrative cost, in addition to any other amount owing, the amount of fifty dollars ($50.00). Following notification by the board of the returned check or other payment, the person shall make payment of all moneys owing to the board by certified check or money order within thirty (30) days of the date of notification. A failure to submit the necessary remittance within the thirty (30) day period may result in the expiration of a license or constitute grounds for the board to deny, cancel, suspend or revoke a license.

(6) The board of dentistry may issue different classes of licenses as defined in this subsection.

(a) The term "license with active status" means a license issued by the board to a qualified person who is authorized to be an active practitioner of dentistry or dental hygiene in the state of Idaho. A person's right to be issued and maintain a license with active status shall not be affected by any absence, not exceeding two (2) years, from active practice in Idaho by reason of illness or vacation. A person's right to be issued and maintain a license with active status shall not be affected by any absence from active practice in Idaho for any period while serving on active duty in the armed forces of the United States, while employed in the United States public health service or United States veterans administration, or while enrolled in board-approved postgraduate educational courses, either within or without the state of Idaho. Each applicant or licensee requesting an active status license must state that he intends to fulfill the requirements for that status.

(b) The term "license with an inactive status" means a license issued by the board to a qualified person who is not authorized to be an active practitioner of dentistry or dental hygiene in the state of Idaho. A person issued a license with an inactive status is not entitled to practice dentistry or dental hygiene in the state of Idaho.

(c) The terms "license with special status" and "license with provisional status" mean licenses issued by the board to a qualified person on a provisional, conditional, restricted or limited basis under the terms of which the licensee is authorized to practice dentistry or dental hygiene in the state of Idaho subject to conditions, limitations and requirements imposed by the board. The conditions, limitations and requirements imposed by the board may include, but are not limited to, a limitation on the effective period of the license, a requirement that specific conditions must be fulfilled in order for the license to remain effective, a requirement that specified education, examinations and skills testing be successfully completed during the effective period of the license, a restriction on the scope of permissible services that the licensee is authorized to perform, a restriction on the type of patients for whom treatment may be rendered and a restriction on the locations at which the licensee can perform authorized services.

(d) The term "license with retirement status" means a license issued to a person who was previously licensed as a dentist or dental hygienist in Idaho who no longer intends to practice dentistry or dental hygiene. A license with retirement status does not permit the holder to practice dentistry or dental hygiene in the state of Idaho. A license with retirement status cannot be converted to a
license with active or inactive status other than by filing an application for licensure and qualifying as required of a first time applicant.

(7) (a) The board may issue a license with active status to any qualified applicant or qualified licensee who is an active practitioner of dentistry or dental hygiene in the state of Idaho or who signifies to the board in writing that, upon issuance of an initial license or renewal of a biennial license, he intends to be an active practitioner in this state within two (2) years. Renewal of a license with active status requires compliance with requirements as determined by the board.

(b) The board may issue a license with inactive status to any qualified person who fulfilled the licensure requirements but, for any reason, is not eligible for a license with active status. Renewal of a license with inactive status requires compliance with requirements as determined by the board.

(c) The board may issue a license with provisional status or special status to any person who fulfills, or substantially fulfills, the applicable licensure requirements when the board, acting in its discretion, determined that special circumstances existed which, for the protection of the public health, safety and welfare, required that specific conditions, restrictions or limitations be imposed on the license. A license with special status or provisional status entitles the holder thereof to practice dentistry or dental hygiene in the state of Idaho subject to the conditions, restrictions and limitations specifically determined by the board and for the period of time prescribed. A provisional license is effective for the period specified by the board and may not be renewed. The board shall develop rules to include definitions, application and renewal requirements, limitations of practice and other conditions regarding provisional and special status licenses.

(d) The board may convert a license with inactive status to a license with active status in the event the holder pays the license fee prescribed for licenses with active status and submits to the board satisfactory evidence of:

   (i) Compliance with the requirements of this chapter and all rules promulgated under the provisions of this chapter;
   (ii) Evidence of good moral character and good professional conduct; and
   (iii) Evidence of one thousand (1,000) hours of clinical practice of dentistry or dental hygiene during the previous two (2) years or full-time employment as a dental or dental hygiene instructor at an American dental association accredited dental or dental hygiene school.

(e) Persons unable to otherwise fully meet the requirements for conversion of an inactive status license to an active status license may convert their license upon board approval.

(8) Each person licensed under this chapter shall notify the board in writing of any change in the person's name or address of record within thirty (30) days after the change has taken place.

SECTION 6. That Section 54-921, Idaho Code, be, and the same is hereby amended to read as follows:
54-921. REINSTATEMENT. A person whose license has been-suspended-or revoked expired for nonpayment-of-the-required-license-fee failure to fully comply with the board's license renewal requirements may have such qualification reinstated by filing an application for licensure showing possession by him of the qualifications required of a first applicant for licensure, and additionally the fact, time and cause of cancellation of his previous qualification. He shall pay to the board an application fee in the same amount as prescribed by the board under the provisions of section 54-916, Idaho Code, which fee shall not be refunded. If found qualified as in the case of a first applicant for licensure, he may be required to take and pass such examinations as, in the discretion of the board, shall show that he possesses the knowledge and skill requisite to the practice of dentistry or dental hygiene as the case may be. In the event he passes such examinations there shall be issued to him a certificate of qualification.

SECTION 7. That Section 54-922, Idaho Code, be, and the same is hereby amended to read as follows:

54-922. DISPLAY OF ANNUAL LICENSE. No person shall practice dentistry or dental hygiene unless he either has on display in his office an unrevoked and unsuspended annual license for the year time period in which he shall practice or has the same immediately producible upon request.

SECTION 8. That Section 54-923, Idaho Code, be, and the same is hereby amended to read as follows:

54-923. REVOCATION FOR CONVICTIONS OF CRIME. A certificate or other evidence of qualification and right to practice dentistry, a dental specialty or dental hygiene, and an annual license, may be revoked by the board whenever it shall be shown to the board that the holder of such certificate or other evidence of qualification, right to practice or license has been finally adjudged guilty of a felony, or of a misdemeanor involving moral turpitude, whether such final judgment shall have been entered before or after qualification, or accrual of such right, or the issuance of such certificate or other evidence of qualification, or of such annual license, unless the person demonstrates that he has been sufficiently rehabilitated to warrant the public trust.

A copy of the judgment of conviction, certified to be correct and final by the clerk or judge of the court wherein conviction was had, shall be conclusive evidence of such conviction, and upon the filing thereof with the board, the revocation shall be entered without further proceedings.

SECTION 9. That Section 54-924, Idaho Code, be, and the same is hereby amended to read as follows:

54-924. OTHER GROUNDS OF REFUSAL, REVOCATION OR SUSPENSION OF DENTISTS -- PROBATION AGREEMENTS.    (j) Is an alien illegally in the United States; or
   (k) Is a person who having been a citizen of the United States, has renounced his or her citizenship; or
   (l) Is under twenty-one (21) years of age; or

The license application shall be in triplicate, in a form to be prescribed by the director of the Idaho state police, and shall ask the name, address, description and signature of the licensee, date of birth, social security number, military status, and the driver's license number or state identification card number of the licensee if used for identification in applying for the license. The application shall indicate that provision of the social security number is optional. The license application shall contain a warning substantially as follows:
CAUTION: Federal law and state law on the possession of weapons and firearms differ. If you are prohibited by federal law from possessing a weapon or a firearm, you may be prosecuted in federal court. A state permit is not a defense to a federal prosecution.

The sheriff shall require any person who is applying for original issuance of a license to submit his fingerprints in addition to the other information required in this subsection. Within five (5) days after the filing of an application, the sheriff shall forward the application and fingerprints to the Idaho state police for a records check of state and national files. The Idaho state police shall conduct a national fingerprint-based records check and return the results to the sheriff within seventy-five (75) days. The sheriff shall not issue a license before receiving the results of the records check and must deny a license if the applicant is disqualified under any of the criteria listed in paragraphs (a) through (n) of subsection (1) of this section.

The license will be in a form substantially similar to that of the Idaho driver's license. It will bear the signature, name, address, date of birth, picture of the licensee, expiration date and the driver's license number or state identification card number of the licensee if used for identification in applying for the license. Upon issuing a license under the provisions of this section, the sheriff will notify the Idaho state police on a form or in a manner prescribed by the state police. Information relating to an applicant or licensee received or maintained pursuant to this section by the sheriff or Idaho state police is confidential and exempt from disclosure under section 9-338, Idaho Code.

(2) The fee for original issuance of a four-year license shall be twenty dollars ($20.00) paid to the sheriff for the purpose of enforcing the provisions of this chapter. The sheriff may collect any additional fees necessary to cover the cost of processing fingerprints lawfully required by any state or federal agency or department, and the cost of materials for the license lawfully required by any state agency or department, which costs shall be paid to the state.

(3) The fee for renewal of the license shall be twelve fifteen dollars ($125.00). The sheriff may collect any additional fees necessary to cover the processing costs lawfully required by any state or federal agency or department, and the cost of materials for the license lawfully required by any state agency or department, which costs shall be paid to the state. If a licensee applying for renewal has not previously been required to submit fingerprints, the sheriff shall require the licensee to do so and may collect any additional fees necessary to cover the cost of processing fingerprints lawfully required by any state or federal agency or department.

(4) A licensee may renew a license if--the--licensee--applies for--renewal--at--any--time--before or within ninety (90) days after the expiration date of the license that is not, as provided by law, suspended, revoked or disqualified in this state shall be renewable at any time during the ninety (90) day period before its expiration or within ninety (90) days after the expiration date. Renewal notices shall be mailed out ninety (90) days prior to the expiration date of the license. The sheriff shall require the licensee applying for renewal to complete an application. The sheriff shall submit the application to the Idaho state police for a records check of state and national databases. The
Idaho state police shall conduct the records check and return the results to the sheriff within thirty (30) days. The sheriff shall not issue a renewal before receiving the results of the records check and must deny a license if the applicant is disqualified under any of the criteria listed in subsection (1), paragraphs (a) through (n) of this section. A renewal license shall be valid for a period of four five (45) years. A license so renewed shall take effect on the expiration date of the prior license. A licensee renewing ninety-one (91) days or more after the expiration date of the license shall pay a late renewal penalty of ten dollars ($10.00) in addition to the renewal fee. The fee shall be paid to the sheriff for the purpose of enforcing the provisions of this chapter.

(5) Notwithstanding the requirements of this section, the sheriff of the county of the applicant's residence may issue a temporary emergency license for good cause pending review under subsection (1) of this section.

(6) A city, county or other political subdivision of this state shall not modify the requirements of this section, nor may a political subdivision ask the applicant to voluntarily submit any information not required in this section. A civil action may be brought to enjoin a wrongful refusal to issue a license or a wrongful modification of the requirements of this section. The civil action may be brought in the county in which the application was made or in Ada county at the discretion of the petitioner. Any person who prevails against a public agency in any action in the courts for a violation of subsections (1) through (5) of this section, shall be awarded costs, including reasonable attorney's fees incurred in connection with the legal action.

A firearm may be concealed legally in a motor vehicle so long as the weapon is disassembled or unloaded.

(10) In implementing the provisions of this section on behalf of the state of Idaho, the sheriff shall make applications readily available at the office of the sheriff or at other public offices in his jurisdiction.

(11) The sheriff of a county may issue a license to carry a concealed weapon to those individuals between the ages of eighteen (18) and twenty-one (21) years who in the judgment of the sheriff warrants the issuance of the license to carry a concealed weapon. Such issuance shall be subject to limitations which the issuing authority deems appropriate.

Attorney General is authorized no more than one hundred eighty-five and 
fifteen hundredths (185.15) full-time equivalent positions at any point 
during the period July 1, 2006, through June 30, 2007, for the programs 
specified in Section 1 of this act, unless specifically authorized by 
the Governor. The Joint Finance-Appropriations Committee will be noti-
fied promptly of any increased positions so authorized.

SECTION 3. The Office of the Attorney General is hereby directed to 
allocate salary savings, based on performance, to provide for employee

Where applicable, employees whose salaries are below the midpoint of 
their pay grade or occupational groups with significant turnover rates 
shall be considered first in the order of salary savings distributions.

SECTION 4. On or before June 30, 2006, the State Controller, at the 
request of the Attorney General, shall transfer $69,700 from the State 
Regulatory Fund in the Department of Finance to the General Fund. The

Office of the Attorney General to provide additional legal services 
to the Idaho Department of Finance in fiscal year 2007.

SECTION 5. On or before June 30, 2006, the State Controller, at the 
request of the Attorney General, shall transfer $84,300 from the State 
Highway Fund in the Idaho Transportation Department to the General Fund.
The intent of this transfer is to mitigate the impact of adding staff for the Office of the Attorney General to provide additional legal services to the Idaho Transportation Department in fiscal year 2007.

SECTION 6. Of those moneys appropriated from the General Fund in Section 1 of this act, up to $25,000 is directed toward the Treasure Valley Special U.S. Attorney Demonstration Project to deal with gang related violence and prosecution in the federal court system. The Attorney General's Office is hereby directed to use these moneys as a twenty-five percent state match to augment funds raised by the Treasure Valley Partnership.

SECTION 7. There is hereby reappropriated to the Office of the Attorney General for Special Litigation, subject to the provisions of Section 8 of this act, the unexpended and unencumbered balance of General Fund moneys as appropriated for Special Litigation for fiscal years 2005 and 2006, to be used for nonrecurring expenditures, for the period July 1, 2006, through June 30, 2007.

SECTION 8. The reappropriation for the General Fund granted in Section 7 of this act shall be subject to the following provisions:
(1) If the unexpended and unencumbered balance in the General Fund on June 30, 2006, is zero, the reappropriation for the General Fund in Section 7 of this act is hereby declared to be null and void.
(2) If the unexpended and unencumbered balance in the General Fund on June 30, 2006, is greater than zero, but less than the total General Fund reappropriation authority granted to all state agencies, that amount reappropriated in Section 7 of this act shall be in the proportion that the reappropriation of the Office of the Attorney General bears to the total General Fund reappropriation authority granted to all state agencies.

SECTION 9. An emergency existing therefor, which emergency is hereby declared to exist, Sections 4 and 5 of this act shall be in full force and effect on and after passage and approval.

Approved March 31, 2006.

SECTION 2. In accordance with Section 67-3519, Idaho Code, the Department of Correction is authorized no more than one thousand five hundred fifty-four and four-tenths (1,554.4) full-time equivalent positions at any point during the period July 1, 2006, through June 30, 2007, for the programs specified in Section 1 of this act, unless specifically authorized by the Governor. The Joint Finance-Appropriations Committee will be notified promptly of any increased positions so authorized.

SECTION 3. The Department of Correction is hereby directed to allocate salary savings, based on performance, to provide for employee salary needs before other operational budget priorities are considered. Where applicable, employees whose salaries are below the midpoint of their pay grade or occupational groups with significant turnover rates shall be considered first in the order of salary savings distributions.

SECTION 4. Notwithstanding the provisions of Section 67-3511(1), Idaho Code, all appropriations made by the Legislature to the Department of Correction for personnel costs in fiscal year 2007, shall be used exclusively for employee compensation pursuant to Section 67-3508(1)(a), Idaho Code. Exceptions to this section may be made with a declaration of emergency from the Board of Examiners. Upon such declaration, legislative leadership and the Joint Finance-Appropriations Committees shall be promptly notified in writing.

SECTION 5. The Department of Correction is hereby directed to comply with the open competitive bid process prior to contracting, moving or relocating inmates to out-of-state prison facilities. In addition, the department should also take into consideration transportation, treatment and medical costs with a focus towards consolidated locations. Notwithstanding any other provision of law to the contrary, exceptions to this section may be made only with a declaration of emergency from the Board of Examiners. Upon such declaration, legislative leadership and the Joint Finance-Appropriations Committee shall be promptly notified in writing.
SECTION 6. Video-teleconferencing could allow an offender, in the custody of the Idaho Department of Correction, to take part in a court proceeding without having to leave the secured confines of an in-state or out-of-state correctional facility. The offender's attorney can either be present at the correctional facility or in the courtroom. The offender can see and hear the proceedings through a television monitor. Likewise, the court can see and hear communications from the facility. The use of video-teleconferencing reduces court and transportation costs while increasing public safety. Therefore, it is hereby declared to be the intent of the Idaho Legislature, that the Department of Correction explore establishing video-teleconferencing capabilities between the department and other jurisdictions, including courts and other noncourt entities; and to report such findings, recommendations, and cost estimates to the next regular session of the Idaho Legislature.

SECTION 7. There is hereby reappropriated to the Idaho Department of Correction, subject to the provisions of Section 8 of this act, the unexpended and unencumbered balance of General Fund moneys that were appropriated to the department for fiscal year 2006, to be used for non-recurring expenditures, for the period July 1, 2006, through June 30, 2007. This reappropriation shall be used exclusively for the replacement of any funding lost through the Residential Substance Abuse Treatment (RSAT) grant, as well as for the expansion of community-based mental health and substance abuse services.

SECTION 8. The reappropriation for the General Fund granted in Section 7 of this act shall be subject to the following provisions:

1. If the unexpended and unencumbered balance in the General Fund on June 30, 2006, is zero, the reappropriation for the General Fund in Section 7 of this act is hereby declared to be null and void.

2. If the unexpended and unencumbered balance in the General Fund on June 30, 2006, is greater than zero, but less than the total General Fund reappropriation authority granted to all state agencies, that amount reappropriated in Section 7 of this act shall be in the proportion that the reappropriation of the Idaho Department of Correction bears to the total General Fund reappropriation authority granted to all state agencies.

SECTION 9. An emergency existing therefor, which emergency is hereby declared to exist, Section 5 of this act shall be in full force and effect on and after passage and approval.

Approved March 31, 2006.

(H.B. No. 474, As Amended)

AN ACT
RELATING TO PROPERTY TAXES; AMENDING SECTION 63-317, IDAHO CODE, TO PROVIDE THAT THE OCCUPANCY TAX APPLIES TO INDUSTRIAL PROPERTY BUT NOT TO OPERATING PROPERTY; AMENDING SECTION 63-201, IDAHO CODE, TO PROVIDE THAT ELECTRICAL GENERATION PLANTS UNDER CONSTRUCTION, WHETHER
Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 63-317, Idaho Code, be, and the same is hereby amended to read as follows:

63-317. OCCUPANCY TAX -- PROCEDURES. (1) All real property subject to property taxation shall be valued and taxed based upon its status as of January 1 of each tax year. Improvements, other than additions to existing improvements, constructed upon real property shall not be subject to property taxation during the year of construction other than that portion actually in place as of January 1 of each calendar year; new manufactured housing shall not be subject to property taxation during the first year of occupancy if occupied after January 1. For the purposes of this section, "new manufactured housing" means manufactured housing, whether real or personal, never previously occupied.

(2) There is hereby levied an occupancy tax upon all newly constructed and occupied residential, and commercial and industrial structures, including new manufactured housing, except additions to existing improvements or manufactured housing, prorated for the portion of the year for which the structure was occupied. The occupancy tax shall be upon those improvements or new manufactured housing for that portion of the calendar year in which first occupancy occurs. The occupancy tax does not apply to operating property. For the purposes of this section, the term "occupied" means:

(a) Use of the property by any person as a residence including occupancy of improvements or use in storage of vehicles, boats or household goods, provided such use is not solely related to construction or sale of the property; or

(b) Use of the property for any business or commercial purpose unrelated to the construction and sale of the property; or

(c) Any possessory use of the property for which the owner received any compensation or consideration.

(3) The owner of any newly constructed improvement or new manufactured housing, as described in this section, upon which no occupancy tax has been charged shall report to the county assessor that the improvement or new manufactured housing has been occupied. As soon as practical after receiving such a report, the county assessor shall appraise and determine the market value for assessment purposes.

(a) At the time the county assessor determines the market value for assessment purposes of any improvement, he shall allow as an offset against the market value of the improvement, the market value of any portion of that improvement which was existing on January 1 and placed upon the property roll.

(b) Upon completion of the appraisal, the county assessor shall notify the owner of the appraisal, and further shall notify the owner of their right to apply for the exemption provided in sections 63-602G and 63-602X, Idaho Code. If the owner applies for and meets the requirements for such exemption within thirty (30) days of the
notification by the county assessor, the exemption shall be extended to the newly constructed and occupied residential structures in compliance with section 63-602G, Idaho Code, notwithstanding limitations requiring occupancy as of January 1 of the tax year.

(c) In the event that the owner fails to report to the county assessor that the property is ready for occupancy, the assessor shall notify the county board of equalization, who may impose as penalty an additional amount equal to five percent (5%) of the tax for each month following the date of first occupancy during which the report is not made, to a maximum of twenty-five percent (25%) of the tax.

(4) Appeals of the market value for assessment purposes shall be resolved in the same manner as all other appeals of valuation by the board of equalization.

CHAPTER 304
(H.B. No. 650, As Amended)

AN ACT RELATING TO AQUIFER PROTECTION DISTRICTS; AMENDING TITLE 39, IDAHO CODE, BY THE ADDITION OF A NEW CHAPTER 5, TITLE 39, IDAHO CODE, TO PROVIDE A PURPOSE, TO DEFINE A TERM, TO PROVIDE FOR AQUIFER PROTECTION DISTRICTS, TO PROVIDE FOR PETITIONS, TO PROVIDE FOR ELECTIONS, TO PROVIDE FOR MODIFICATION AND DISSOLUTION, TO PROVIDE FOR AUTHORITY, TO PROVIDE POWERS AND DUTIES, TO PROVIDE LIMITATIONS ON POWER, TO PROVIDE FOR A POLICY AND BUDGET ADVISORY COMMITTEE, TO PROVIDE FOR FUNDS, TO AUTHORIZE FEES AND TO PROVIDE FOR BUDGETS; AND AMENDING SECTION 42-1756, IDAHO CODE, TO PROVIDE THAT AN AQUIFER PROTECTION DISTRICT MAY APPLY FOR LOANS FROM THE IDAHO WATER RESOURCE REVERTING DEVELOPMENT FUND.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Title 39, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW CHAPTER, to be known and designated as Chapter 5, Title 39, Idaho Code, and to read as follows:

CHAPTER 5
AQUIFER PROTECTION DISTRICTS

39-501. PURPOSE. The protection of ground water quality is essential for life, health and furthering matters of commerce. Multiple public agencies have regulatory jurisdiction over various aspects of everyday human activity that can and do pose risks to vital underground water supplies. Enforcement of current rules and regulations, implementation of educational programs, and inspection of potential sources of pollution require funding beyond the budgets of agencies charged with these responsibilities. The coordination of work by public agencies to assist in the prevention of degradation of valuable ground water can be a cost-effective alternative to after the fact remediation of a degraded
resource. Certain ground water quality problems cannot be remedied, only prevented. The purposes of establishing an aquifer protection district include protection of the state's economy, maintaining a water supply that does not require extensive treatment prior to human consumption or commercial use, avoiding the economic costs of remedial action, and protecting the well-being of communities that depend upon aquifers for essential human needs.

39-502. GOVERNING BOARD. For purposes of this chapter, the term "governing board" means the board of county commissioners of a county creating, or participating in, an aquifer protection district or multi-county aquifer protection district.

39-503. AQUIFER PROTECTION DISTRICT AUTHORIZED. (1) In counties where a state designated sensitive resource aquifer has been declared as prescribed by rules of the department of environmental quality, and such designation was made prior to the enactment of this act, the board of county commissioners of any such county may, upon petition, hold an election for establishment of, or participation in, an aquifer protection district as authorized by this chapter.

(2) A multicounty aquifer protection district may be established by a joint powers agreement as authorized by chapter 23, title 67, Idaho Code, provided all participating counties have held elections and voted in favor of establishment of, or participation in, an aquifer protection district. Every reference to a county in this chapter may be applicable to the multiple counties that participate in a multicounty aquifer protection district.

(3) An aquifer protection district is a political subdivision of the state of Idaho subordinate to the county or counties in which it is formed. The governing board of an aquifer protection district is authorized to provide coordination and funding for aquifer protection activities carried out by county government, other political subdivisions, state agencies, and private individuals or interests. The boundaries of an aquifer protection district shall conform as nearly as practicable to boundaries of the subject aquifer, the aquifer's recharge areas, and areas that may be dependent upon the aquifer as a source of water.

39-504. PETITIONS -- ELECTIONS -- MODIFICATION -- DISSOLUTION -- AUTHORITY. (1) The establishment of, or participation in, an aquifer protection district may be initiated by the filing of a petition signed by not fewer than fifty (50) qualified electors of any county in which an eligible aquifer is located and who reside within the boundaries of the proposed aquifer protection district. The petition shall be filed with the county clerk of the county in which the signers of the petition are resident. The petition shall designate the proposed boundaries of the aquifer protection district.

(2) Upon the filing of the petition, the county clerk shall promptly examine the petition and certify whether the required number of qualified petitioners have signed the petition. If the number of petition signers is sufficient, the county clerk shall transmit the certified petition to the board of county commissioners.

(3) Upon receipt of a duly certified petition the board of county commissioners shall give notice of an election to be held, which election shall be held at the same time as the primary or general election,
in such proposed district for the purpose of determining whether or not the proposed district shall be established or whether or not the county shall participate in a district. Such notice shall include the date and hours of the election, the polling places, the general purposes of the proposed district, a description of lands to be included in the proposed district, and a statement that a map of the proposed district is available in the office of the board of county commissioners. The notice shall be published once each week for three (3) consecutive weeks prior to such election in a newspaper of general circulation within the county.

(4) The election shall be held and conducted consistent with the provisions of chapter 14, title 34, Idaho Code. The board of county commissioners shall appoint three (3) judges of election, one (1) of whom shall act as clerk for the election. At such election the electors shall vote for or against the establishment of, or participation in, the district.

(5) The judges of election shall certify the returns of the election to the board of county commissioners. If a majority of the votes cast at said election are in favor of the establishment of, or participation in, the district, the board of county commissioners shall declare the district established and give it a name by which, in all proceedings, it shall thereafter be known.

(6) Procedures for boundary modification or dissolution of a district created pursuant to this section shall be in substantial compliance with the provisions for petition and election provided in this section.

(7) In the event a board of county commissioners declares a district established pursuant to the procedures prescribed by this section, the district shall be recognized as a legally established political subdivision of the state of Idaho. Unless otherwise limited by law, districts are authorized to work with and across the boundaries of all political subdivisions of the state of Idaho that are wholly or partially located within the external boundaries of the established aquifer protection district. Providing protection of a state-designated sensitive resource aquifer is a governmental function.

39-505. GOVERNANCE -- POWERS AND DUTIES. In addition to powers and duties otherwise set forth in this chapter, governing boards shall have the following powers and duties:

(1) To contract with public agencies and private individuals or entities to carry out district responsibilities and accomplish purposes of the district.

(2) To apply for and receive grants to carry out aquifer protection district purposes.

(3) To sue and be sued, and be a party to suits, actions and proceedings.

(4) Except as otherwise provided in this chapter, to enter into contracts and agreements, cooperative and otherwise, affecting the affairs of the district, including contracts with the United States of America, the state of Idaho and any of its agencies or instrumentalities, public or private corporations, municipalities and other governmental subdivisions, and to cooperate with any one (1) or more of these entities to achieve the purposes of the district.

(5) To borrow money, provided however, that borrowing shall be lim-
ited to the Idaho water resource board revolving development fund pursuant to section 42-1756, Idaho Code.

(6) To have the management, control and supervision of all business and affairs of the district.

(7) To hire and retain agents, consultants and professional advisers concerning district matters.

(8) To fix, and from time to time to increase or decrease, aquifer protection fees or charges for services or facilities furnished by the district, for the payment of any current charges or indebtedness of the district.

(9) To adopt and amend resolutions not in conflict with the constitution and laws of the state for carrying on the business, objectives and affairs of the board and of the district.

(10) To have and exercise all rights and powers necessary or incidental to or implied from the specific powers granted herein. Such specific powers shall not be considered as a limitation upon any power necessary or appropriate to carry out the purposes and intent of this chapter.

39-506. POWERS NOT GRANTED. An aquifer protection district shall have no independent regulatory powers and no power to levy taxes. Such restriction shall not otherwise limit the police powers of the board of county commissioners.

39-507. POLICY AND BUDGET ADVISORY COMMITTEE. Subsequent to formation of an aquifer protection district, and as it regards the aquifer protection district, the governing board shall appoint a policy and budget advisory committee comprised of not less than nine (9) nor more than eleven (11) members. The policy and budget advisory committee shall be comprised of residents of the aquifer protection district boundaries with the following characteristics:

(1) A representative of a municipal domestic water provider;
(2) A representative of a water district;
(3) A representative of an irrigation district;
(4) A representative of a private water system;
(5) A representative of a well recognized business organization;
(6) A representative of a well recognized environmental organization;
(7) A representative of the agricultural community;
(8) A hydrologist or engineer; and
(9) A citizen consumer.

The responsibilities of the policy and budget advisory committee shall include making recommendations to the governing board for work program elements, proposing methods of cooperation among public agencies with regulatory jurisdiction concerning aspects of aquifer protection, developing an aquifer protection budget recommendation to forward to the governing board and carrying out such other aquifer protection activities as the governing board, resident and committee member interest, and appropriated budget allow. In addition to the budget hearing required by section 39-508, Idaho Code, the budget and policy advisory committee shall conduct at least one (1) public hearing during each fiscal year to solicit public comment regarding aquifer protection needs. Notice of such hearing shall, at a minimum, comply with the standards for legislative hearings as provided by law. Any vacancies on the policy and budget
advisory committee shall be filled in the same manner as the initial appointment.

39-508. AQUIFER PROTECTION DISTRICT FUNDS -- FEES -- BUDGET. (1) Funds received and expended in the name of an aquifer protection district shall be budgeted, managed and audited in the same manner as funds of a county. Any such revenues and expenditures shall be accounted for separate from other county funds. The reasonable expenses of managing aquifer protection district fiscal and legal affairs are legitimate costs of district operation and use of county systems for fee collection is authorized hereby. The fiscal year for an aquifer protection district shall conform to the fiscal year for counties.

(2) Fees reasonably related to the actual cost of services rendered by an aquifer protection district may be charged to owners of land benefitted by the availability of water from the aquifer to be protected by the district. The maximum fee authorized per dwelling unit shall not exceed twelve dollars ($12.00) annually. The maximum charge for nonresidential uses shall not exceed twice the maximum authorized residential fee, and such nonresidential fee shall be established and calculated in a manner that is roughly proportional to aquifer use or other measure of benefits derived from protection of the aquifer.

(3) Each fiscal year the budget and policy advisory committee shall conduct a public budgetary process, including at least one (1) public hearing concerning a proposed aquifer protection district budget, before recommending a proposed budget to the governing board. Any such recommendation shall be transmitted to the governing board prior to the date of advertising the annual county budget hearing. The budget for an aquifer protection district shall be considered by the governing board in the course of its annual budget process. An aquifer protection district shall follow the financial accountability standards and limitations applicable to counties.

SECTION 2. That Section 42-1756, Idaho Code, be, and the same is hereby amended to read as follows:

42-1756. LOANS FROM ACCOUNT -- APPLICATION -- INVESTIGATION -- APPROVAL -- REPAYMENT -- STATEMENT -- FILING -- DEFAULT. (a) Any irrigation district, canal or irrigation company, water users' association, municipal corporation, municipality, private corporation, aquifer protection district, or, in special cases approved by the board, an individual may file an application with the board for a loan from the revolving account for the purpose of financing project costs. Such application shall be filed in such manner, and shall be in such form and be accompanied by such information as may be prescribed by the board; provided, however, that any such application filed with the board under the provisions of this act, shall:

(1) Describe the nature and purpose(s) of the proposed project.

(2) Set forth or be accompanied by a plan for development of the proposed project, together with such engineering and economic feasibility data and estimated costs of construction as may be required by the board.

(3) State whether money other than that for which application is made to the board will be used for project costs, and whether such money is available or has been sought for this purpose.
(4) Show that the applicant holds or can acquire title to all lands or has the necessary easements and rights-of-way for the project and related lands, and has or can acquire all water rights necessary for the construction, operation and maintenance of the proposed project, or that there exists sufficient water available for appropriation by proof of a permit issued by the director of the department of water resources.

(b) Upon receipt of an application, the board shall evaluate and, if it deems it to be necessary, investigate all aspects of the proposed project and the proposed construction thereof. As a part of such investigation, the board shall determine whether the plan for development of the project is satisfactory. If the board determines that the plan is unsatisfactory, it shall return the application to the applicant and may make such recommendations to the applicant as are considered necessary to make the plan satisfactory.

(c) The board may approve a loan for project costs if after investigation (if this is deemed necessary,) and evaluation it finds that:

1. The plan does not conflict with any extant Idaho state water plan;
2. The proposed project is feasible from an engineering standpoint and economically justified, with studies showing a favorable benefit to cost ratio;
3. The plan for development of the proposed project is satisfactory;
4. The applicant is qualified and responsible;
5. There is reasonable assurance that the borrower can repay the loan;
6. That money in the revolving account is available for the loan; and
7. That the loan does not exceed five hundred thousand dollars ($500,000) unless legislative approval has been obtained.

(d) If the board approves a loan, the board and the applicant or applicants shall enter into an agreement for repayment to the revolving account of money loaned therefrom, together with interest thereon at reasonable rates as determined by the board. The agreement shall further provide that repayment of the loan, together with interest thereon, shall commence no later than one (1) full year after construction of the project is completed, and that repayment shall be completed within the time period specified by the board; provided that repayment to reserve accounts or guarantee funds shall be made as provided by order of the board. The repayment period shall not exceed sixty (60) years, except that the board may extend the time for making repayment in the event of emergency or hardship. Such agreement shall also provide for such assurances of, and security for, repayment of the loan as are considered necessary by the board.

(e) The state shall have a lien upon a project constructed with money from the revolving account for the amount of the loan, together with the interest thereon. This lien shall attach to all project facilities, equipment, easements, real property and property of any kind or nature associated with the project and all water rights associated in any way with the project. The board shall file a statement of the loan, its amount, terms and a description of the project with the county recorder of each county in which the project or any part thereof is located. The county recorder shall record the lien in a book kept for
the recording of liens and it shall be indexed as other liens are required by law to be indexed. The lien shall be valid until paid in full or otherwise discharged. The lien shall be foreclosed in accordance with applicable state law governing foreclosure of mortgages and liens as set forth in chapter 1 of title 6, Idaho Code, chapter 13 of title 45, Idaho Code, and related provisions of the statutes of this state.

(f) If an applicant fails to comply with the repayment contract, its interest in the project may be conveyed to a successor upon approval by the board, which may contract with the qualified successor in interest of the original obligor for repayment of the loan, together with the interest thereon, and for succession to its rights and obligations in any contract with the board.

(g) The state shall have a lien on any or all projects which the board improves or renovates with money from the revolving account, and such lien shall be valid and continue in effect until such funds, together with interest thereon, have been paid in full and the lien discharged. The board shall file a statement of the lien, and the lien shall be foreclosed upon all project property and rights as provided in subsection (e) above.

Approved March 31, 2006.

CHAPTER 305
(H.B. No. 663, As Amended)

AN ACT
RELATING TO MEDICAID; AMENDING CHAPTER 2, TITLE 56, IDAHO CODE, BY THE ADDITION OF NEW SECTIONS 56-256 AND 56-257, IDAHO CODE, TO PERMIT THE DEPARTMENT OF HEALTH AND WELFARE TO ESTABLISH PERSONAL HEALTH ACCOUNTS FOR MEDICAID PARTICIPANTS, TO PROVIDE A PURPOSE FOR THE ACCOUNTS, TO PROVIDE FOR FUNDING OF THE ACCOUNTS, TO PERMIT RULEMAKING BY THE DEPARTMENT, TO PROVIDE FOR USE OF THE ACCOUNT FUNDS, AND TO PROVIDE FOR PAYMENTS FROM THE ACCOUNTS, TO REQUIRE THE DEPARTMENT TO ESTABLISH ENFORCEABLE COST SHARING, TO PROVIDE FOR A PURPOSE, TO PROVIDE FOR RULEMAKING BY THE DEPARTMENT, TO PROVIDE FOR PRACTICES THAT MAY INVOCOPAYMENTS, TO DEFINE TERMS AND TO PERMIT EXCEPTIONS.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Chapter 2, Title 56, Idaho Code, be, and the same is hereby amended by the addition thereto of NEW SECTIONS, to be known and designated as Sections 56-256 and 56-257, Idaho Code, and to read as follows:

56-256. PERSONAL HEALTH ACCOUNTS. (1) The department of health and welfare may establish a personal health account available to a medicaid participant in order to provide incentives to promote healthy behavior and responsible use of health care services.

(2) Each personal health account shall be funded by a base amount determined by department rule. Amounts may be added to the account when the participant complies with recommended preventive care and demon-
strates healthy behaviors or conducts other activities as specified in department rule. Funds in a personal health account are not the personal property of the participant, but represent the value of benefits available for use by the participant while eligible. If funds remain in a personal health account when a participant terminates participation, such unexpended funds revert to the state.

(3) The uses of funds in personal health accounts may include, but not be limited to, participant payments for preventive health products and services and participant cost-sharing payments as specified in department rule.

(4) Copayments for services and delinquent premium payments may be automatically deducted from personal health account funds by the department, subject to notice and opportunity for hearing.

56-257. COPAYMENTS. (1) The department of health and welfare shall establish enforceable cost sharing in order to increase the awareness and responsibility of medicaid participants for the cost of their health care and to encourage use of cost-effective care in the most appropriate setting. Copayments established by department rule may include, but not be limited to, the following:

(a) Inappropriate emergency room utilization. "Inappropriate emergency room utilization" means the use of the emergency room for services that are nonemergency and that can be delivered in a regular clinic setting. If a hospital provider determines that it is reasonable that any prudent layperson would have sought emergency treatment in the same circumstances, a copayment will not be applied to such an individual even if the care rendered is nonemergency;

(b) Inappropriate use of emergency medicaid funded medical transportation. "Inappropriate use of emergency medical transportation" means the use of emergency medical transportation for conditions that do not meet the criteria for emergency conditions specified in department rule;

(c) Missed appointments with health care providers. The department may limit the types of providers for which copayments for missed appointments are applicable. No such provider will be required by the department to collect copayments as required in this section; and

(d) Nonpreferred prescription drugs. A nonpreferred drug is a drug for which an alternative therapeutically interchangeable drug in the same pharmacological class is available whose use provides advantages to the medicaid program based on relative safety, effectiveness, clinical outcomes and cost. Pharmacy providers may be required to collect copayments at the point of service. Pharmacy providers shall not be required to dispense any prescribed medication unless a medicaid participant provides for any applicable copayment under this paragraph. Copayments shall not constitute a reduction of overall reimbursement to pharmacists for the dispensing of prescribed medicine.

(2) The director may exempt, subject to federal approval, any group of medicaid participants from the cost-sharing provisions in this section.

Be It Enacted by the Legislature of the State of Idaho:
SECTION 1. LEGISLATIVE FINDINGS AND INTENT. The Legislature hereby finds that:

(1) Section 1, Article IX, of the Constitution of the state of Idaho provides that "it shall be the duty of the legislature of Idaho, to establish and maintain a general, uniform and thorough system of public, free common schools."

(2) In the case of Idaho Schools for Equal Educational Opportunity v. Evans, 123 Idaho 573 (1993), the Idaho Supreme Court held that the then existing State Board of Education rules for school facilities, textbooks and curriculum, and transportation systems were consistent with the thoroughness requirements of Section 1, Article IX, of the Constitution of the state of Idaho. The Supreme Court remanded the case for trial to determine if the system of funding was providing such school facilities, textbooks and curriculum, and transportation systems called for in the rules.

(3) In response to that action, the Legislature enacted Section 33-1612, Idaho Code, which defined thoroughness and included "a safe environment conducive to learning" among the statutory definitions of thoroughness.

(4) In a subsequent ruling in the same case, Idaho Schools for Equal Educational Opportunity v. State, 132 Idaho 559 (1999), the Idaho Supreme Court held that the statutory requirement of "a safe environment conducive to learning" and the rules adopted pursuant to it were consistent with the thoroughness requirements of Section 1, Article IX, of the Constitution of the state of Idaho, and that such a safe environment was inherently part of a thorough system of public, free common schools required by Section 1, Article IX, of the Constitution of the state of Idaho. The Supreme Court remanded the case to the district court to determine whether the funding system was providing a safe environment conducive to learning.

(5) On February 5, 2001, the Fourth Judicial District Court entered findings of fact and conclusions of law that the system of school funding then in existence was constitutionally deficient in its ability to repair or replace dangerous or unsafe conditions in school buildings.

(6) On December 21, 2005, on appeal to the Supreme Court, the Idaho Supreme Court affirmed the district court's February 5, 2001, decision and said:

In sum, the evidence in the record clearly supports the district court's 2001 Findings. We affirm the conclusion of the district court that the current funding system is simply not sufficient to carry out the Legislature's duty under the constitution. While the Legislature has made laudable efforts to address the safety concerns of various school districts, the task is not yet complete. The appropriate remedy, however, must be fashioned by the Legislature and not this Court. Quite simply, Article IX of our constitution means what it says: "[I]t shall be the duty of the Legislature of Idaho, to establish and maintain a general, uniform and thorough system of public, free common schools." Thus, it is the duty of the State, and not this Court or the local school districts, to meet this constitutional mandate.

(7) In response to the Supreme Court's 2005 decision, and mindful that the Supreme Court has recognized the Legislature's efforts, following the district court's decision in 2001, to provide a system of fund-
ing that provides safe schools, it is the purpose of this Act to fulfill the Legislature's responsibility under Section 1, Article IX, of the Constitution of the state of Idaho, by establishing an ongoing, state-funded system for funding repair or replacement of unsafe school facilities in a manner that fairly and equitably balances the state and local contributions. It requires funds to be dedicated to maintenance to arrest deterioration of schools before they become unsafe.

(8) In proposing this Act, it is the intent of the Legislature to:
(a) Amend the statutes addressing the School District Building Account to provide an ongoing means of providing funds from that account for the purpose of assisting school districts to fund repair or replacement of unsafe school facilities; and
(b) Remove all artificial limits on the functioning of the bond levy equalization value index. The index measures a school district's relative ability to pay, and provides a secure, ongoing revenue source for the bond levy equalization program, enabling each school district's full share of state lottery funds to be used for school building maintenance and repairs; and
(c) Establish an ongoing School Facilities Cooperative Funding Program to assist school districts to fund repair or replacement of unsafe school buildings when school districts are unable to fund necessary repair or replacement; and
(d) Provide ongoing, fair and equitable state assistance to school districts under the School Facilities Cooperative Funding Program whereby the state initially funds the total cost of repair and replacement that school districts are unable to fund themselves. It creates the necessary taxing authority to pay the school district's share of the cost of repair or replacement, and establishes a statutory formula to annually determine the school district's fair and equitable share of the costs of repair or replacement that compares the school district's bonds and/or plant facilities levy rates to the statewide average bond and/or facility levy rate; and
(e) Require each school district to annually set aside an adequate amount of moneys for the exclusive purpose of school building maintenance in order to arrest deterioration in school facilities that have lead to unsafe conditions and to provide a sliding scale of state match subsidies for this amount based upon the school district's relative ability to pay.

SECTION 2. That Section 6-2212, Idaho Code, be, and the same is hereby amended to read as follows:

6-2212. STATE SUPERVISION. When authorized in this chapter by law, the district court, or the state board of education pursuant to section 33-909, Idaho Code, may issue an order for state supervision of a local school district. When an order for state supervision of a local school district is entered by the district court, the superintendent of public instruction shall within thirty-five (35) calendar days appoint, at local school district expense, an officer to be known as a district supervisor. When an order for state supervision of a local school district is entered by the state board of education, the district supervisor shall be appointed pursuant to section 33-909, Idaho Code, at local school district expense. The district supervisor shall have authority to approve or disapprove any actions of the board of the local school dis-
district, to supervise or dismiss superintendents, assistant
superintendents, and any other district administrative personnel, and to
take any actions necessary to further the local school district's obli-
gations to provide constitutionally required educational services. In
the case of appointment by the superintendent of public instruction,
the district supervisor shall serve at the pleasure of the superintend-
et of public instruction until removed by the superintendent of public
instruction or the superintendent of public instruction reports to the
district court that the local school district is in substantial compli-
ance with its obligations to provide constitutionally required educa-
tional services, or until the district court, upon its own motion or
upon motion of any of the parties, orders state supervision to end. In
the case of appointment by the state board of education, the district
supervisor shall serve pursuant to section 33-909, Idaho Code.

SECTION 3. That Section 33-905, Idaho Code, be, and the same is
hereby amended to read as follows:

33-905. SCHOOL DISTRICT BUILDING ACCOUNT -- PAYMENTS TO ACCOUNT --
MONEYS APPROPRIATED TO STATE BOARD -- APPLICATION FOR MONEYS -- PAYMENTS
TO DISTRICTS -- REPORTS ON APPLICATIONS -- USES OF MONEYS. (1) The
state of Idaho, recognizing in order to fulfill its responsibility to
establish and maintain a general, uniform and thorough system of public,
free common schools, in an effort to partially fulfill this responsibility;
hereby creates and establishes the school district building account in
the state treasury. The school district building account shall have
paid into it such appropriations or revenues as may be provided by law.
(2) Moneys in the school district building account are hereby
appropriated to and may be expended by the state board of education at
any time for the purposes provided in this section; any provision of
chapter 35, title 67, Idaho Code; or chapter 36, title 67, Idaho Code;
notwithstanding:
3. As to any moneys in the account other than lottery dividends
distributed pursuant to subsection 4 of this section; the board of
trustees of any school district may apply to the state board of edu-
cation to receive a payment or payments from the school district
building account provided the district demonstrates to the state
board of education that it has a substantial and serious need based
upon the district's classroom student-teacher ratios, past efforts
to levy for such construction, physical condition of existing struc-
tures, and the total assessed market value of the district; all of
which shall be further defined by actual need criteria established
by the state board of education;
(b) When an application for moneys from the account is approved by
the state board of education; the state board shall inform the
school district that the application has been approved; citing the
amount approved for payment and an estimate of the time when the
payment can actually be made to the school district;
4. By not later than August 31, moneys in the account pursuant to
distribution from section 67-7434, Idaho Code, the lottery dividends and
interest earned thereon, shall be distributed to each of the several
school districts, in the proportion that the average daily attendance of
that district for the previous school year bears to the total average
daily attendance of the state during the previous school year. For the
purposes of this subsection 4(ii) only, the Idaho school for the deaf and blind shall be considered a school district, and shall receive a distribution based upon the average daily attendance of the school. Average daily attendance shall be calculated as provided in section 33-1002 45., Idaho Code.

(3) Any other state moneys that may be made available shall be distributed to meet the requirements of section 33-1019, Idaho Code. If the amount of such funds exceeds the amount needed to meet the provisions of section 33-1019, Idaho Code, then the excess balance shall be transferred to the public education stabilization fund.

5: (4) All payments from the school district building account shall be paid out directly to the school district in warrants drawn by the state controller upon presentation of proper vouchers from the state board of education. Pending payments out of the school district building account, the moneys in the account shall be invested by the state treasurer in the same manner as provided under section 67-1210, Idaho Code, with respect to other idle moneys in the state treasury. Interest earned on the investments shall be returned to the school district building account.

6: (5) Payments from the school district building account received by a school district may shall be used by the school district for the purposes authorized in section 33-110219, Idaho Code, up to the level of the state match so required. Any payments from the school district building account received by a school district that are in excess of the state match requirements of section 33-1019, Idaho Code, may be used by the school district for the purposes authorized in section 33-1102, Idaho Code.

7: (a) By-not-later-than-December-1, each school district shall report to the state department of education the projects on which moneys received from the school district building account were expended. The state department of education shall transmit a summary of such reports to the legislature by not later than January 15 of the following year.

(b) By not later than December 1, each school district shall report to the state department of education the planned uses for the moneys received from the school district building account. The state department of education shall transmit a summary of the reports to the legislature by not later than January 15 of the following year.

SECTION 4. That Section 33-906, Idaho Code, be, and the same is hereby amended to read as follows:

33-906. BOND LEVY EQUALIZATION SUPPORT PROGRAM. (1) Pursuant to section 33-906b, Idaho Code, school districts with a value index below one (1) shall be eligible to receive additional state financial assistance for the cost of annual bond interest and redemption payments made on bonds passed on or after September 15, 2002. However, any school district with a value index of less than one and one-half (1.5), shall receive no less than ten percent (10%) of the interest cost portion of the annual bond interest and redemption payment for bonds passed on or after September 15, 2002. The state department of education shall disburse such funds to school districts from moneys appropriated from the bond levy equalization fund. The department shall disburse the funds by no later than September 1 of each year for school districts in which
voters have approved the issuance of qualifying bonds by no later than January 1 of that calendar year, and which are certifying a qualifying bond interest and redemption payment for the fiscal year in which the disbursement is made. For districts with a value index below one (1), the percentage of each annual bond interest and redemption payment that is paid by the state shall be determined by dividing the difference between one (1) and the school district's value index by one (1). provided that the state shall pay for no more than the interest cost portion of the annual bond interest and redemption payment, and each school district shall receive no less than ten percent (10%) of the interest cost portion of the qualifying bond interest and redemption payment.

(2) For the purposes of this section, the annual bond interest and redemption payment shall be determined by dividing the total payment amounts by the number of fiscal years in which payments are to be made. The interest cost portion of the annual bond interest and redemption payment shall be determined by dividing the total interest paid by the number of fiscal years in which payments are to be made. For school districts not qualifying for a state payment in the first year of the bond interest and redemption payment schedule, due solely to the January 1 eligibility deadline, the state department of education shall distribute an additional payment in the next fiscal year, in the amount of such funds that the school district would have otherwise qualified for in the current fiscal year.

(3) The provisions of this section may not be utilized to refinance existing debt or subsidize projects previously subsidized by state grants; provided however, that any school district that has issued qualifying bonds prior to June 30, 2004, in conformance with this section shall not be deemed to be refinancing existing debt when the qualifying bonds are utilized to finance the acquisition of public school facilities previously leased or financed through means other than the issuance of general obligation bonds approved by a two-thirds (2/3) vote at an election called for that purpose subject to subsection (5) of this section.

(4) School districts shall annually report the status of all qualifying bonds to the state department of education by January 1 of each year, including bonds approved by the voters, but not yet issued. Information submitted shall include the following:
   (a) The actual or estimated bond interest and redemption payment schedule;
   (b) Any qualifying bond that has been paid off;
   (c) Other information as may be required by the state department of education.

(5) No school district eligible for participation in the bond levy equalization support program shall be deemed ineligible for participation due to that school district's eligibility and prior participation in the safe school facilities loan and grant program or the Idaho safe schools facilities program under section 33-804A, 33-1017 or 33-1613, Idaho Code, provided that:
   (a) Such school district notifies the state department of education of its desire and eligibility to participate in the bond levy equalization support program; and
   (b) Such school district shall receive no state financial assistance under the bond levy equalization support program until the amount to which it would otherwise have been entitled to receive
shall equal the amounts received by the school district under the
safe school facilities loan and grant program or the Idaho safe
schools facilities program under section 33-804A, 33-1017 or
33-1613, Idaho Code.

SECTION 5. That Section 33-907, Idaho Code, be, and the same is
hereby amended to read as follows:

33-907. PUBLIC EDUCATION STABILIZATION FUND. There is hereby cre­
ated in the state treasury a fund to be known as the public education
stabilization fund, which shall function as a fund detail of the public
school income fund. The fund shall consist of moneys transferred to the
fund according to the provisions of sections 33-905 and 33-1018, Idaho
Code, and any other moneys made available through legislative transfers
or appropriations. Moneys in the fund are hereby continuously appropri­
at ed for the purposes stated in sections 33-1018 and 33-1018B, Idaho
Code, and shall only be expended for the purposes stated in sections
33-1018, and 33-1018A and 33-1018B, Idaho Code. Any accumulated balances
in the fund that are in excess of three five percent (35%) of the cur­
rent fiscal year's total general fund appropriation for public school
support shall be transferred to the bond levy equalization fund. Inter­
est earned from the investment of moneys in the fund shall be credited
to the public school income fund.

SECTION 6. That Chapter 9, Title 33, Idaho Code, be, and the same
is hereby amended by the addition thereto of a NEW SECTION, to be known
and designated as Section 33-909, Idaho Code, and to read as follows:

33-909. PUBLIC SCHOOL FACILITIES COOPERATIVE FUNDING PROGRAM --
FUND CREATED. (1) In fulfillment of the constitutional requirement to
provide a general, uniform and thorough system of public, free common
schools, it is the intent of the state of Idaho to advance its responsi­
bility for providing a safe environment conducive to learning by provid­
ing a public school facilities funding program to enable qualifying
school districts to address unsafe facilities identified as unsafe under
the standards of the Idaho uniform school building safety act.

(2) Participation in the program, for the purpose of obtaining
state financial support to abate identified school building safety haz­
ards, requires submission of an application to the public school facili­
ties cooperative funding program panel. Application can be made by:

(a) Any school district that has failed to approve at least one (1)
or more bond levies for the repair, renovation or replacement of
existing unsafe facilities, within the two (2) year period immedi­
ately preceding submission of the application; or

(b) The administrator of the division of building safety, for a
school district that has failed to address identified unsafe facili­
ties as provided in chapter 80, title 39, Idaho Code.

(3) There is hereby created within the office of the state board of
education the Idaho public school facilities cooperative funding program panel, hereafter referred to as the panel. The panel shall consist of
the administrator of the division of building safety, the administrator
of the division of public works and the executive director of the state
board of education, or a designee appointed by a panel member. It shall
be the duty of the panel to consider all applications made to it, and to
either approve, modify or reject an application based on the most economical solution to the problem, as analyzed within a projected twenty (20) year time frame.

(4) The application shall contain the following information:
(a) The identified school building safety hazards and such other information necessary to document the deficiencies;
(b) The school district's plan for abating the defects, including costs and sources and amounts of revenue available to the school district;
(c) The market value for assessment purposes of the school district; and
(d) A detailed accounting of all bond and plant facility levies of the school district and the revenues raised by such levies.

For applications initiated by the administrator of the division of building safety pursuant to subsection (2)(b) of this section, the school district shall provide the information required in this subsection (4) if such information is not available to the administrator.

(5) In considering an application, the panel shall determine whether the plan as proposed is acceptable, or is acceptable with modifications as determined by the panel, or should be rejected. The panel shall notify the applicant of its decision, in writing, within sixty (60) days of receiving the application. At the same time the panel notifies the applicant, the panel shall send notification of an approved application or a modified application to the state board of education, along with the panel's specifications for the project and its cost.

(6) If an application received from a school district is accepted or modified by the panel, the local board of trustees of that school district, at the next election held pursuant to section 34-106, Idaho Code, shall submit the question to the qualified electors of the school district of whether to approve a bond in the amount of the cost of the project as approved by the panel.

(7) Within thirty-five (35) calendar days of receiving notification from the panel that an application submitted by the administrator of the division of building safety pursuant to subsection (2)(b) of this section has been approved or modified by the panel, or within thirty-five (35) calendar days of receiving certification from the panel that the question submitted to the electorate pursuant to subsection (6) of this section was not approved in the election, the state board of education shall appoint a district supervisor for interim state supervision of the local school district. The district supervisor shall be responsible for ensuring that the project, as approved by the panel, is completed and shall regularly report to the panel in a manner as determined by the panel upon approval of the project. The district supervisor shall also have the authority granted to said position by the provisions of section 6-2212, Idaho Code. A district supervisor's term of service shall continue for the duration of the project, and such person appointed as a district supervisor shall serve at the pleasure of the state board of education.

(8) Upon approval of an application or a modified application submitted by the administrator of the division of building safety pursuant to subsection (2)(b) of this section, or upon receipt of certification from the county that the question submitted to the electorate pursuant to subsection (6) of this section was not approved in the election, the panel shall certify the cost of the project, as approved by the panel,
to the state department of education.

(a) The total cost of the project shall initially be paid by the state from the public school facilities cooperative fund.

(b) The district's share of costs that may be repaid through the levy provisions of this section shall not exceed the district's share of bond payment costs as calculated for the bond levy equalization support program in the fiscal year in which the application is made. Interest shall be charged on the unpaid balance of the district's share of costs, as such balance exists at the end of each fiscal year, at the rate of interest earned by the state treasurer on the investment of idle funds in that fiscal year.

(c) It shall be the responsibility of the state department of education to calculate a state-authorized plant facilities levy rate in accordance with the provisions of subsection (9) of this section, which, when imposed over a maximum period not to exceed twenty (20) years, may yield the revenues needed to repay the school district's share of the cost of the project.

(d) The levy rate calculated by the state department of education shall be certified by the department to the county or counties wherein the boundaries of the school district are contained, for assessment of the levy and collection of the revenues by such county or counties in the manner provided by law. The revenues collected by imposition of the state-authorized plant facilities levy shall be remitted to the state treasurer for deposit to the public school facilities cooperative fund.

(9) The annual state-authorized plant facilities levy rate shall be limited to the greater of:

(a) The difference between the school district's combined bond and plant facilities levy rates, and the statewide average bond and plant facility levy rates; or

(b) The statewide average plant facility levy rate.

The initial levy rate so calculated shall be established as the minimum levy rate that shall be imposed for the amount of time required to reimburse the state for the school district's share of the project cost, but not to exceed twenty (20) years, even if this period would not provide reimbursement of the entire amount of the school district's share of the cost of the project. The state department of education is authorized and directed to recalculate the levy rate on an annual basis, and is authorized to increase or decrease the levy rate according to the scheduled payback, but the levy rate shall not be less than the levy rate initially imposed. Provided however, if the levy rate calculated is estimated to raise more money than would be necessary to repay the district's share of costs, then the state department of education shall certify to the county or counties wherein the boundaries of the school district are contained, the moneys necessary to repay the district's share of costs.

(10) There is hereby created in the state treasury a public school facilities cooperative fund. The fund shall contain such moneys as may be directed pursuant to appropriation. Moneys in the fund shall be used exclusively to finance the public school facilities cooperative funding program, and are hereby continuously appropriated for such purposes as authorized by this section. Moneys in the fund shall be invested by the state treasurer in the same manner as provided under section 67-1210, Idaho Code, with respect to other idle moneys in the state treasury.
Interest earned on the investments shall be credited to the school district building account.

SECTION 7. That Chapter 10, Title 33, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW SECTION, to be known and designated as Section 33-1018B, Idaho Code, and to read as follows:

33-1018B. SCHOOL BUILDING MAINTENANCE MATCHING FUNDS. If the amount of money appropriated from the school district building account created in section 33-905, Idaho Code, is insufficient to meet the state matching fund requirements of section 33-1019, Idaho Code, then such insufficiency shall be made up with a distribution from the public education stabilization fund created in section 33-907, Idaho Code.

SECTION 8. That Chapter 10, Title 33, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW SECTION, to be known and designated as Section 33-1019, Idaho Code, and to read as follows:

33-1019. ALLOCATION FOR SCHOOL BUILDING MAINTENANCE REQUIRED. (1) School districts shall annually deposit to a school building maintenance fund moneys from any source available to the district equal to at least two percent (2%) of the replacement value of school buildings, less the deposit of state funds as provided in this section. The state shall annually provide funds to be deposited into the school building maintenance fund as follows:

(a) Divide one (1) by the school district's value index for the fiscal year, as calculated pursuant to section 33-906B, Idaho Code; and
(b) Multiply the result by one-half of one percent (0.5%) of the replacement value of school buildings.
(c) For purposes of the calculation in this subsection (1), public charter schools shall be assigned a value index of one (1).

(2) State funds shall be appropriated through the educational support program/division of facilities, and disbursed from the school district building account. The order of funding sources used to meet the state funding requirements of this section shall be as follows:

(a) State lottery funds distributed pursuant to section 33-905(2), Idaho Code;
(b) If state lottery funds are insufficient to meet the state funding requirements of this section, then other state funds available pursuant to section 33-905(3), Idaho Code, shall be utilized; and
(c) If the funds in paragraphs (a) and (b) of this subsection (2) are insufficient to meet the state funding requirements of this section, then funds available pursuant to section 33-1018B, Idaho Code, shall be utilized.

(3) Moneys in a school district's school building maintenance fund shall be used exclusively for the maintenance and repair of school buildings, and shall be utilized, first, to abate serious or imminent safety hazards, as identified pursuant to chapter 80, title 39, Idaho Code. Unexpended moneys in a school district's school building maintenance fund shall be carried over from year to year. The replacement value of school buildings shall be determined by multiplying the number of square feet of building floor space in school buildings by eighty dollars ($80.00). The joint finance-appropriations committee shall annu-
ally review the replacement value per square foot when setting appropriations for the educational support program, and may make adjustments to this figure as necessary. School districts shall submit the following to the state department of education by not later than December 1:

(a) The number of square feet of school building floor space; and
(b) The funds and fund sources deposited into the school district's school building maintenance fund and the fund balance carried forward from the prior fiscal year; and
(c) The projects on which moneys from the school district's school building maintenance fund were expended, and the amount and categories of expenditures from the fund; and
(d) The planned uses of moneys in the school district's school building maintenance fund.

The state department of education shall transmit a summary of such reports to the legislature by not later than January 15 of the following year.

(4) For the purposes of this section:
(a) "School building" means buildings that are owned by the school district or leased by the school district through a lease-purchase agreement and are occupied by students.
(b) "School district" means a school district or public charter school.

SECTION 9. That Chapter 80, Title 39, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW SECTION, to be known and designated as Section 39-8006A, Idaho Code, and to read as follows:

39-8006A. BEST PRACTICES MAINTENANCE PLAN FOR SCHOOL BUILDINGS. The administrator of the division of building safety and the state department of education shall consult and shall draft a best practices maintenance plan for school buildings which shall be supplied to the superintendent of each school district. Based on the best practices maintenance plan, each school district shall develop a ten (10) year plan and submit it to the state department of education for approval. Annually thereafter, the school district shall submit a report to the state department of education detailing the work completed pursuant to the maintenance plan and any revisions to that plan.

SECTION 10. That Section 39-8011, Idaho Code, be, and the same is hereby amended to read as follows:

39-8011. VIOLATIONS. (1) If a school district, the district superintendent, principal, board of trustees, or other person in charge willfully violates the provisions of this chapter, the state superintendent of public instruction shall withhold such ensuing apportionments as are necessary to make repairs to abate the identified imminent safety hazard or serious safety hazard. Withheld funds, not to exceed one and one-half percent (1 1/2%) of the district's appropriation, shall be disbursed only to pay for such repairs.

(2) If the funds that would be raised over two (2) fiscal years from applying the provisions of subsection (1) of this section are insufficient, in combination with all moneys that will be available in the district's school building maintenance fund for the same period, to provide sufficient moneys to abate the identified imminent or serious
safety hazard, then the administrator shall submit an application to abate said hazard to the Idaho public school facilities cooperative funding program panel pursuant to section 33-909, Idaho Code.

(3) It is a misdemeanor to remove, without permission of the administrator, a notice or order posted pursuant to this chapter.

SECTION 11. That Section 63-2520, Idaho Code, be, and the same is hereby amended to read as follows:

(a) An amount of money shall be distributed to the state refund account sufficient to pay current refund claims. All refunds authorized under this chapter by the commission shall be paid through the state refund account, and those moneys are continuously appropriated.

(b) On and after July 1, 2005, the balance remaining with the state treasurer after deducting the amount described in subsection (a) of this section shall be distributed as follows:

(1) 17.3% of such balance shall be distributed to the permanent building fund created by section 57-1108, Idaho Code.

(2) 0.4% of such balance shall be distributed to the central tumor registry account. The amount of money so distributed to the central tumor registry account shall not exceed the fiscal year's appropriation, and at such time as the appropriation has been distributed to the central tumor registry account during any fiscal year, all such distributions in excess of the appropriation shall be made instead to the general fund of the state of Idaho.

(3) 1% of such balance shall be distributed to the cancer control account created by section 57-1702, Idaho Code. Revenues received in the cancer control account shall be paid over to the state treasurer by the state tax commission to be distributed as follows:

(i) Such amounts as are appropriated for purposes specified in section 57-1702, Idaho Code, shall be expended as appropriated;

(ii) Any balance remaining in the cancer control account on June 30 of any fiscal year after the amounts withdrawn by appropriation have been deducted, shall be reserved for transfer to the general fund on July 1 and the state controller shall order such transfer.

(4) 21.25% of such balance An amount equal to the annual general fund appropriation for bond levy equalization, pursuant to section 33-906, Idaho Code, shall be annually distributed to the general fund of the state of Idaho for the fiscal year commencing July 1, 2005 through June 30, 2006.

(5) All remaining moneys shall be distributed as follows: For the fiscal year commencing July 1, 2005, and ending June 30, 2006, all moneys shall be distributed to the economic recovery reserve fund created by section 67-3520, Idaho Code. For fiscal years on and after July 1, 2006, all moneys shall be distributed to the permanent building fund with the moneys to be used for the repair, remodel and restoration of the state capitol building and state facilities pertaining to the capitol restoration until such time as the capitol...
restoration is adequately funded as certified by the director of the department of administration. Thereafter all moneys shall be distributed to the economic recovery reserve fund created by section 67-3520, Idaho Code.

SECTION 12. There is hereby transferred and appropriated $25,000,000 from the General Fund to the Public School Facilities Cooperative Fund.

SECTION 13. NONSEVERABILITY. With the exception of Sections 4, 11 and 12 of this act, the remaining provisions of this act are hereby declared to be nonseverable and if any provision of the remaining portions of this act or the application of such provision to any person or circumstance is declared invalid for any reason, such declaration shall render all such remaining portions of this act null, void and of no force or effect.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 33-205, Idaho Code, be, and the same is hereby amended to read as follows:

33-205. DENIAL OF SCHOOL ATTENDANCE. The board of trustees may deny enrollment, or may deny attendance at any of its schools by expulsion, to any pupil who is an habitual truant, or who is incorrigible, or whose conduct, in the judgment of the board, is such as to be continuously disruptive of school discipline, or of the instructional effectiveness of the school, or whose presence in a public school is detrimental to the health and safety of other pupils, or who has been expelled from another school district in this state or any other state. Any pupil having been denied enrollment or expelled may be enrolled or readmitted to the school by the board of trustees upon such reasonable conditions as may be prescribed by the board; but such enrollment or readmission shall not prevent the board from again expelling such pupil for cause.

Provided however, the board shall expel from school for a period of not less than one (1) year, twelve (12) calendar months, or may deny enrollment to, a student who has been found to have carried a weapon or firearm on school property in this state or any other state, except that the board may modify the expulsion or denial of enrollment order on a case-by-case basis. Discipline of students with disabilities shall be in accordance with the requirements of federal law part B of the individuals with disabilities education act and section 504 of the rehabilita-
tion act. An authorized representative of the board shall report such student and incident to the appropriate law enforcement agency.

No pupil shall be expelled nor denied enrollment without the board of trustees having first given written notice to the parent or guardian of the pupil, which notice shall state the grounds for the proposed expulsion or denial of enrollment and the time and place where such parent or guardian may appear to contest the action of the board to deny school attendance, and which notice shall also state the rights of the pupil to be represented by counsel, to produce witnesses and submit evidence on his own behalf, and to cross-examine any adult witnesses who may appear against him. Within a reasonable period of time following such notification, the board of trustees shall grant the pupil and his parents or guardian a full and fair hearing on the proposed expulsion or denial of enrollment. However, the board shall allow a reasonable period of time between such notification and the holding of such hearing to allow the pupil and his parents or guardian to prepare their response to the charge. Any pupil who is within the age of compulsory attendance, who is expelled or denied enrollment as herein provided, shall come under the purview of the juvenile corrections act, and an authorized representative of the board shall, within five (5) days, give written notice of the pupil's expulsion to the prosecuting attorney of the county of the pupil's residence.

The superintendent of any district or the principal of any school may temporarily suspend any pupil for disciplinary reasons, including student harassment, intimidation or bullying, or for other conduct disruptive of good order or of the instructional effectiveness of the school. A temporary suspension by the principal shall not exceed five (5) school days in length; and the school superintendent may extend the temporary suspension an additional ten (10) school days. Provided, that on a finding by the board of trustees that immediate return to school attendance by the temporarily suspended student would be detrimental to other pupils' health, welfare or safety, the board of trustees may extend the temporary suspension for an additional five (5) school days. Prior to suspending any student, the superintendent or principal shall grant an informal hearing on the reasons for the suspension and the opportunity to challenge those reasons. Any pupil who has been suspended may be readmitted to the school by the superintendent or principal who suspended him upon such reasonable conditions as said superintendent or principal may prescribe. The board of trustees shall be notified of any temporary suspensions, the reasons therefor, and the response, if any, thereto.

The board of trustees of each school district shall establish the procedure to be followed by the superintendent and principals under its jurisdiction for the purpose of effecting a temporary suspension, which procedure must conform to the minimal requirements of due process.

of the term of office of any commissioner serving at the time of the
conversion.

after the deadline for filing a declaration of intent as a write-in can­

Noncontiguous territory that is not contained in an existing fire district, and is not immediately adjoining the boundaries of the fire district into which annexation is sought, may be annexed to an existing fire protection district provided the territory consists of not less than forty (40) contiguous acres. At least seventy-five percent (75%) or more of the owners or contract purchasers of the land sought to be annexed shall petition the fire protection board and request annexation of the territory particularly described in said petition. Upon receipt of any such petition the fire protection board shall hold a hearing not less than ten (10) nor more than thirty (30) days thereafter, or upon the written consent of the petitioner within one hundred eighty (180) days, and said board shall cause notice of such hearing, designating the time and place, to be published in at least one (1) issue of a newspaper of general circulation within the district. In the event that more than twenty-five percent (25%) of the owners or contract purchasers of the land sought to be annexed do not join in said petition, or the petition is denied as above set forth, and the board determines by resolution entered on the minutes of the board, that the annexation would be in the best interests of the district and that an election on the issue should be held, additional territory may nevertheless be annexed by the affirmative vote of a majority of the qualified electors of such additional territory voting on the question at an election held thereafter, which vote may be taken at an election held as provided in section 31-1405, Idaho Code. But such additional territory shall not be annexed to or be included within the district unless such annexation and inclusion be first approved by the fire protection board of the existing district by resolution entered on the minutes of such board prior to the election on the question of annexation. The same procedure shall be adopted as provided in sections 31-1402 through 31-1406, Idaho Code.
If owners or contract purchasers of territory located within an existing fire protection district seek to petition to be annexed into another fire protection district, they must demonstrate that they are likely to receive an improved response to requests for services from the other fire protection district and obtain written approval of the board of the fire protection district within which the territory is already located. The written approval must be attached to their petition to annex. The procedure for the annexation petition shall be the same as otherwise provided in this section.

(e3) Upon the agreement of consolidation becoming effective, the board of the consolidated fire protection district shall file a certified copy of the agreement with the county recorder of each county in which such district is situated, and shall comply with the provisions of section 63-215, Idaho Code. The legal title to all property acquired under the provisions of this chapter shall immediately and by operation of law, vest in such fire protection district, and shall be held by such district in trust for and is hereby dedicated and set apart to the uses and purposes set forth in this act chapter. Said board is hereby authorized and empowered to hold, use, acquire, manage, occupy, possess, sell, convey and dispose of said property, whether real or personal, as in this chapter provided; and to institute and maintain any and all actions and proceedings, suits at law or in equity necessary or proper in order to fully carry out the provisions of this act chapter, or to enforce, maintain, protect or preserve any and all rights, privileges and immunities created by this act chapter or acquired in pursuance thereof. In all courts, actions, suits or proceedings, the said board may sue, appear and defend, in person or by attorneys, and in the name of such fire protection district.

SECTION 17. That Section 31-1417A, Idaho Code, be, and the same is hereby amended to read as follows:

31-1417A. PROCEDURE FOR SALE, CONVEYANCE AND DISPOSITION OF PROPERTY. Real or personal property of a fire protection district may be sold, conveyed, and disposed of by its board of commissioners whenever the board finds and by resolution declares that the district no longer has use therefor, subject to the following procedure:
   (a1) If in the opinion of the board, any such personal property does not exceed five ten thousand dollars ($510,000) in value, the same may be sold without independent appraisal, notice, or competitive bids.
   (b2) All such real property, and any such personal property exceeding five that the board determines to exceed ten thousand dollars
($510,000) in value, shall be appraised by three (3) disinterested residents of the county in which the district is located; a certified appraiser who shall be selected by the board. It may then be sold at public or private sale to the highest bidder for cash at not less than its appraised value, after due notice. If the property cannot be sold for the appraised value after reasonable efforts have been made, the board may then sell the property for adequate and valuable consideration as determined by the board.

(c3) Due notice of sale shall be accomplished if the notice shall describe the property to be sold (legal description, if real property), state the appraised value thereof (by separate items, if so appraised), and specify the time, place, and conditions of sale.

(d4) Said notice shall be published in a newspaper having general circulation in the district at least twice, the first publication thereof to be not less than ten (10) days preceding the day of sale.

(e5) If such property is sold on terms, the board may contract for the sale of the same for a period of years not exceeding ten (10) years, with an annual rate of interest on all deferred payments not to exceed six (6) percent (6%) per annum. The title to all property sold on contract shall be retained in the name of the district until full payment has been made by the purchaser. Any property sold by the board under the provisions of this section, either for cash or on contract, shall be assessed by the county assessor in the same manner and upon the same basis of valuation as though the purchaser held a record title to the property so sold. The board shall have authority to cancel any contract of sale, pursuant to law, if the purchaser shall fail to comply with any of the terms of such contract, and retain all payments paid thereon. The board may by agreement with the purchaser modify or extend any of the terms of any contracts of sale, but the total period of years shall not exceed ten (10) years.

(f6) Upon final payment pursuant to the sale of such real property, the president and secretary, pursuant to resolution of the board, shall duly execute and deliver an appropriate deed to the purchaser, and upon the accomplishment of the sale of such personal property, the president and secretary, pursuant to resolution of the board, shall duly execute and deliver an appropriate bill of sale to the purchaser.

(g7) In addition to any other powers granted by law, the board of fire commissioners may, at their discretion, grant to or exchange with the federal government, the state of Idaho, any political subdivision, or taxing district of the state of Idaho, with or without compensation, any real or personal property or any interest in such property owned by the fire district or acquired by tax deed, after adoption of a resolution that the grant or exchange of property is in the public interest. Such resolution may be made at any regularly or specially scheduled meeting of the board. Notice of such grant or exchange shall be made in the same manner as set forth in subsections (3) and (4) of this section. The fire protection district’s execution and delivery of the deed conveying an interest in the property shall operate to discharge and cancel all levies, liens and taxes made or created for the benefit of the fire protection district and to cancel all titles or claims of title including claims of redemption to such real property asserted or existing at the time of such conveyance.

Additional compensation, if approved by a majority of the fire protection board, may be calculated for commissioners who attend county or state agency meetings, educational classes, seminars, and other miscellaneous district business. Commissioners may also participate in the district's employee benefit package in the same manner as employees or volunteers. Any proposed commissioner benefits and annual compensation shall be published as a separate line item in the annual budget of the fire protection district.

(2) Actual expenses of commissioners for travel, and other district expenses approved by the board, shall be paid to the commissioners in addition to their annual compensation and benefits. The payment for expenses shall be paid from the funds of the fire protection district on either a per diem basis or upon the presentation of itemized receipts to the treasurer.

Said taxes shall be collected as provided by section 63-812, Idaho Code.

(2) If two (2) or more fire protection districts consolidate into one (1) district, the provisions of section 63-802, Idaho Code, shall apply to the consolidated district's budget request as if the former district which, in the year of the consolidation, has the higher levy subject to the limitations of section 63-802, Idaho Code, had annexed the other district or districts. In addition, the consolidated district shall receive the benefit of foregone increases accumulated by the former districts under section 63-802(1)(a), Idaho Code.

SECTION 22. That Section 31-1421, Idaho Code, be, and the same is hereby amended to read as follows:

31-14214. DUTIES OF COUNTY COMMISSIONERS. The board of county commissioners, at the time of making the annual county levies, shall make a levy upon all the taxable property not exempt from taxation within each district within the county in the same amount as the levy made by the board of commissioners of each fire protection district, and shall certify such levy or levies to the county auditor, and said auditor shall extend such levy on the rolls of the county, as other county taxes are extended; such special taxes so levied, as aforesaid, shall constitute a lien upon the property so assessed and shall be due and payable at the same time and in all respects are to be collected in the same manner as the state and county taxes, except that the tax collector must keep a separate list thereof and must list said tax in his receipt to the tax-

(1) All public utilities, as defined in section 61-129, Idaho Code, shall be exempt from taxation under the provisions of this act chapter and shall not be entitled to the privileges or protection hereby provided without their consent in writing filed with the clerk of the board of county commissioners. Provided however, the board of fire protection commissioners, may enter into an agreement with a public utility for the purpose of affording the privileges or protection provided by the fire protection district to all, or such portion, of the property of the public utility as may be agreed upon between the parties and upon such terms and conditions as may be mutually agreed upon between the parties to the agreement.

(2) The board of county commissioners, upon application and recommendation of the board of fire protection commissioners, may, by an ordinance enacted by not later than the second Monday of July, exempt all or a portion of the unimproved real property within the district from taxation, and may exempt all or a portion of the taxable personal property within the district from taxation. Any ordinance of the board of county commissioners granting an exemption from taxation under the provisions of this section must provide that each category of property is treated uniformly. Notice of intent to adopt an ordinance which exempts unimproved real property shall be provided to property owners of record in substantially the same manner as required in section 67-6511(b), Idaho Code, as if the ordinance were making a zoning district boundary change.

SECTION 24. That Section 31-1423, Idaho Code, be, and the same is hereby amended to read as follows:

31-142326. HANDLING OF DISTRICT FUNDS. Such funds (1) The tax receipts collected by the county as provided for in section 31-1424, Idaho Code, and other funds shall immediately be paid over by the county treasurer to the treasurer of the fire protection district, who shall deposit the same in a bank and be handled in the manner prescribed by the state depository law and all other funds received, by or on behalf of the district, shall be deposited by the treasurer to the credit of the district fund and shall be drawn only upon voucher and by check bearing the signature of the treasurer and countersigned by the president of the district; or and at least one (1) commissioner, or in the event that the treasurer is unavailable, checks may be signed by two (2) commissioners. Provided however, upon written resolution of the board, such checks may be signed by a designated representative who has been bonded in amounts deemed appropriate by the board.

(2) It is hereby made the duty of the treasurer of the fire protection district to keep account of the district's funds; to place to the credit of the district all moneys received by him from the collector of taxes or from any other officer charged with the collection of taxes as the proceeds of taxes levied by the fire protection board, or from any
other sources, and of all other moneys belonging to the district and to pay over all moneys belonging to the district on legally drawn warrants or orders of the district officers entitled to draw the same.

(3) No checks or warrants shall be signed until it is determined that the payment has been legally authorized, that the money has been duly appropriated by the board, and that such appropriation has not been exhausted. No checks or warrants shall be drawn in excess of the moneys actually in the district treasury. Provided however, warrants may be issued in anticipation of a levy except as otherwise provided in this chapter. The district shall pay warrants presented for payment provided there is money in the treasury for that purpose.

(4) All warrants for the payment of an indebtedness of a fire protection district which are unpaid due to lack of funds shall bear interest at a rate to be fixed by the fire protection board from the date of registering of such unpaid warrants with the treasurer. Provided however, that the dollar amount of the warrants shall not exceed the revenue provided for the year in which the indebtedness was incurred.

SECTION 25. That Section 31-1424, Idaho Code, be, and the same is hereby amended to read as follows:

31-1424. INDEBTEDNESS PROHIBITED -- EXCEPTIONS. The board of commissioners of a fire protection district organized pursuant to the provisions of this chapter shall have no power to incur any debt or liability, except to the extent for the purposes and in the manner hereinafter provided:

(a) In the first year after organization, the board of a district may, for the purpose of organization, to finance general preliminary expenses of the district or for any other purpose of the fire protection district law, and before making a tax levy, incur an indebtedness not exceeding in the aggregate a sum equal to one cent ($0.01) on each one hundred dollars ($100) of market value for assessment purposes of all real and personal property within the district.

(b2) Whenever the board of commissioners of a fire protection district shall determine that the interest of said district and the public interest or necessity require incurring an indebtedness exceeding the income and revenue provided for the year for the purposes of (ia) acquiring, purchasing, constructing, improving and equipping lands, building sites and buildings together with the necessary appurtenant facilities and equipment and (ii) acquiring and purchasing suitable equipment and apparatus necessary to provide fire protection, the board shall have the power and authority as hereinafter provided to issue general obligation coupon bonds not to exceed in the aggregate at any time two percent (2%) of market value for assessment purposes of all real and personal property within the district.

Whenever the board of a district shall deem it advisable to issue general obligation coupon bonds, the board shall provide for the issuance of such bonds by ordinance which shall specify and set forth all the purposes, objects and things required by section 57-203, Idaho Code, and make provision for the collection of an annual tax sufficient to (ia) constitute a sinking fund for the payment of the principal thereof within thirty (30) years from the time of contracting said bonded indebtedness and (ii) to pay the interest on such proposed bonds as it falls due.
The aforesaid ordinance shall also provide for holding an election, notice of which shall be given for thirty (30) days in a newspaper or newspapers of general circulation in the district. The election shall be conducted in the manner and form, the returns canvassed, and the qualifications of electors of the district voting or offering to vote shall be determined, as provided by the pertinent and applicable provisions of title 34, Idaho Code. The voting at such election must be by ballot and the ballot used shall be substantially as follows: "In favor of issuing bonds to the amount of ........ dollars for the purpose stated in Ordinance No. ......." and "Against issuing bonds to the amount of .......... dollars for the purpose stated in Ordinance No. ......." If at such election two-thirds (2/3) of the qualified electors voting at such election, assent to the issuing of such bonds and the incurring of the indebtedness thereby created for the purposes, objects, and things provided in said Ordinance No. ......., such bonds shall be issued in the manner provided by chapter 2, title 57, Idaho Code, the municipal bond law of the state of Idaho.

Bonds issued pursuant to the provisions of this section and the income therefrom shall be exempt from taxation except transfer and estate taxes.

SECTION 26. That Section 31-1424A, Idaho Code, be, and the same is hereby amended to read as follows:

31-1424A. CARRY OVER -- FUND BALANCE. The board of commissioners of a fire protection district may accumulate fund balances at the end of a fiscal year and carry over those fund balances into the ensuing fiscal year budget for equipping and maintaining the district. A "fund balance" is the excess of the assets of a fund over its liabilities and reserves.

SECTION 27. That Sections 31-1425, 31-1426, 31-1427, 31-1428 and 31-1430, Idaho Code, be, and the same are hereby repealed.

Except as otherwise provided in section 50-224, Idaho Code, any area embraced within the limits of any city may, with the consent of the governing boards thereof of such city and the respective fire protection district, expressed by ordinance or resolution, be included within the limits of a fire protection district, when formed, or be subsequently annexed thereto. Any area in any city embraced within the limits of a fire protection district, shall, upon the consent of the governing boards thereof of such city and fire protection district, expressed by ordinance or resolution, be withdrawn from such fire district.

SECTION 29. That Chapter 14, Title 31, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW SECTION, to be known and designated as Section 31-1430, Idaho Code, and to read as follows:

31-1430. COOPERATION AND RECIPROCATING USE OF FIREFIGHTING FORCES AND APPARATUS OF DISTRICTS AND CITIES. Fire protection districts shall have all of the powers given to political subdivisions of the state of
Idaho as set forth in section 67-2339, Idaho Code, and sections 67-2326 through 67-2333, Idaho Code, inclusive, to enter into intra-agency and mutual aid agreements with other political subdivisions and municipalities in Idaho, and in other states, for the purposes of protecting life and property against loss by fire and for all other purposes of this chapter. Any fire protection district or city fire department extinguishing a fire or responding to a call for emergency assistance to persons or property not situated within the taxing authority of the fire district or city fire department, is authorized to charge a reasonable fee for the services provided and shall have a lien upon property serviced, which lien shall be filed of record against the property in the name of the district or city in the time and manner provided by section 45-507, Idaho Code, for liens of original contractors. Fire districts and cities are also authorized to charge reasonable fees for services provided to residents located within the fire district or city in accordance with the requirements and procedures contained in sections 63-1311 and 63-1311A, Idaho Code, and shall have a lien upon the property serviced as provided in this section.

SECTION 30. That Section 31-1430A, Idaho Code, be, and the same is hereby repealed.

SECTION 31. That Section 31-1430B, Idaho Code, be, and the same is hereby amended to read as follows:

31-1430B1. CONTRACTS BETWEEN FIRE PROTECTION DISTRICTS AND INDIVIDUAL PROPERTY OWNERS OUTSIDE OF DISTRICT. Fire protection districts subject to the conditions hereinafter set forth are hereby authorized to may, pursuant to the discretion of the fire protection board, contract with individual property owners whose property is situated outside of the external boundaries of the fire protection district within the state of Idaho or within any neighboring state to provide for the same measure of fire protection to such contracting property owner as is provided to property owners within the boundaries of such contracting fire protection districts. All such contracts shall be for a term of one (1) year and shall commence at 12:01 A.M. on January 1 of such year and expire at 12 midnight on December 31 of such year. Such contracts shall provide for a monetary consideration to be paid in advance by such property owner and the monetary consideration provided to be paid therein shall be based upon the cost of providing such service to such property owner, including, but not limited to, covering the district's administrative and contract preparation costs, including legal fees for preparation and review of the contracts, and shall also take into consideration the distance between such property and the fire station or other facility wherein the fire-fighting equipment of such fire protection district is kept, and such monetary consideration shall in no event be less than the amount that would have been paid in taxes that would have been levied and assessed under the provisions of this act chapter, if such property had been included within the boundaries of said fire protection district. The power herein granted is subject to the limitation that no such contract may be entered into with any property owner whose house and outbuildings are situate further distant from the firehouse or other facility wherein such district's fire protection equipment is kept than the point on the
external boundary of such district that is furthest distant from the firehouse or other facility wherein such district's fire protection equipment is kept. Provided further, however, that all of the contiguous lands of any contracting property owner must be included in said contract unless a portion of such property owner's lands are further distant from the firehouse where such district's fire-fighting fire-fighting equipment is kept than the point on the external boundary of such fire protection district that is furthest distant from the firehouse, in which case such portion of said lands must be excluded. For the purpose of determining value of eligible property situate outside the state of Idaho, the board of commissioners of such fire protection district shall determine as nearly as possible what the assessed value of such lands outside the state of Idaho would be if the same were situate within the state of Idaho.

SECTION 32. That Section 31-1431, Idaho Code, be, and the same is hereby amended to read as follows:

31-1431. CONSTRUCTION OF ACT CHAPTER. The provisions of this act chapter shall be liberally construed to affect the purposes thereof.

SECTION 33. That Sections 31-1432 and 31-1433, Idaho Code, be, and the same are hereby repealed.

SECTION 34. That Section 31-1434, Idaho Code, be, and the same is hereby amended to read as follows:

31-1434. CONTINUATION OF EXISTING DISTRICTS -- VALIDATING ACTS OF OFFICERS. Nothing in this act chapter shall be construed as impairing the legality or organization of any fire protection district heretofore organized pursuant to law, nor the legality of any act of such district done in accordance with the prior law, nor shall it be deemed to affect the legality of the election of any officer of any such existing fire protection district, and all directors and officers duly elected, qualified and holding office at the time of the taking effect of this act chapter, shall continue to serve in such office until the expiration of their present terms; provided, however, that such fire protection districts as have existed heretofore shall comply with the provisions of this act chapter as soon as they can conveniently do so and thereafter be governed by the provisions of this act chapter. Nor shall anything in this act chapter be deemed in any way to affect the existing indebtedness of any fire protection district created under and by virtue of the provisions of chapter 3, title 30, Idaho Code. All such existing fire protection districts, and the lawful acts of their officers and agents, are hereby declared prima facie lawful as de facto fire protection districts; provided, however, that such districts shall comply with the provisions of this act chapter as soon as they can conveniently do so and thereafter be governed by the provisions of this act chapter.

SECTION 35. That Section 31-1435, Idaho Code, be, and the same is hereby amended to read as follows:
31-14354. ANY DISSOLUTION. Dissolution of any fire protection dis­
ctrict organized under this chapter may be initiated by a petition signed by twenty-five--(25)--or--more--of--the--holders--of--title--or--evidence--of--
title-to-real-property-within-the-fire-protection-district--aggregating
not--less--than--one--thousand--(1,000)--acres--of--contiguous--territory;--or--
consisting--of--contiguous--territory--of--less--extent;--by--having--market--
value--for--assessment--purposes--of--at--least--five--hundred--thousand--dollars--
($500,000)--at--the--last--preceding--county--assessment;--or--by--a--petition
signed--by--at--least--twenty-five--per--cent--percent--(25%)--of--the--holders--of--
title,--or--evidence--of--title,--to--the--real--property--within--the--fire--pro­
tection--district,--requesting--dissolution--of--such--fire--protection--dis­
strict,--in--the--following--manner:

The petition shall first be presented to the board of county commis­
sioners of each county in which the fire protection district is situ­
ated, signed by the number of holders of title or evidence of title
above provided, which petition shall clearly designate the boundaries of
the fire protection district and shall state the name of the district
and shall be accompanied by a map thereof. The petition, together with
all maps and other papers filed therewith, shall, at proper hours, be
open to public inspection in the office of the clerk of the board of
county commissioners between the date of their said filing and the date
of the election on the question of districts as hereafter provided. The
petition may be in one (1) or in several papers. When such petition is
presented to the board of county commissioners, and filed in the office
of the clerk of the board, the said board shall set a time for hearing
of such petition, which time shall not be less than four (4) nor more
than six (6) weeks from the date of the presenting and filing of said
petition. A notice of the time of such hearing shall be published by
said board, once a week for three (3) successive weeks previous to the
time set for such hearing, in a newspaper published within the county in
which said district is situated. Said notice shall give the boundaries
of the fire protection district and shall state that a petition has been
filed to dissolve the same, and that on the date fixed for the hearing,
y any taxpayer within the district, may appear and offer any objection to
the dissolving of such district at the hearing and testify and/or pres­
ent exhibits upon any issue pertaining to the proposed dissolution of
the fire district, or may object to or support the proposed dissolution.

After hearing and considering any and all objections to the dissolv­
ing of said testimony and other evidence either made in favor of or in
opposition to the dissolution of the fire district, if the board of
county commissioners makes a sufficient factual finding that the major­
ity of the residents of the fire district will receive no benefit by
continuing the existence of the fire district, the county commissioners
shall thereupon make an order either denying such petition or granting
same the petition, with or without modification. Provided however, the
board of county commissioners, after hearing and considering all testi­
mony and other evidence either in favor of or in opposition to the dis­
solution of the fire district, cannot make a sufficient factual finding
that the majority of the residents of the fire district will receive no
benefit by continuing the existence of the fire district, the county
commissioners shall make an order denying the petition. After the county
commissioners have entered their order approving or denying such peti­
tion, the clerk of the board of county commissioners shall cause to be
published, a notice of election to be held in such proposed fire protec­
tion district, for the purpose of determining whether or not the same shall be dissolved. Such notice shall plainly and clearly designate the boundaries of the fire protection district, its name, and further, that the election is to be held to decide the question of whether the fire protection district shall be maintained or dissolved. Such notice shall be published once in each week for three (3) successive publications prior to such election, in a newspaper published within the county aforesaid.

Such notice shall require the electors to cast ballots which shall contain the words "fire protection district dissolved .... yes" or: "fire protection district dissolved .... no" or words equivalent thereto. No person shall be entitled to vote at any election held under the provisions of this act chapter, unless he shall possess all the qualifications required of electors under the general laws of the state and be a resident of the district.

The election qualifications of electors and canvass of the ballots shall be made in the same manner as provided for in sections 31-1406 and 31-1407, Idaho Code.

If a majority of the electors voting at such election shall vote to dissolve the fire protection district, the board of county commissioners shall, after certifying the results of such election, enter an order upon the minutes of its official proceedings dissolving said fire protection district, and such district shall thereupon be dissolved.

Provided, however, that whenever a petition requesting dissolution of a fire protection district is signed by the holders of title, or evidence of title, to all of the real property included within the fire protection district and is presented to the board of county commissioners of the county in which the fire protection district is situated, the board of county commissioners shall set a time for hearing of such petition, which time shall not be less than four (4) nor more than six (6) weeks from the date of the presenting and filing of said petition. A notice of the time and place of such hearing shall be published by said board once a week for three (3) successive weeks previous to such hearing, in a newspaper published within the county in which the fire protection district is situated. Said notice shall give the boundaries of the fire protection district and shall state that a petition has been filed to dissolve the same, and that on the date fixed for the hearing, any resident, taxpayer, or creditor of such fire protection district may appear and offer any objection to the dissolving of the fire protection district. If at such hearing, no protests are made to the granting of the petition, the board of county commissioners shall enter an order upon the minutes of its official proceedings dissolving such fire protection district, and such district shall thereupon be dissolved. If, however, any protests from residents, taxpayers, or creditors of the district are entered at such hearing, the board of county commissioners shall, within thirty (30) days of said hearing, determine whether or not such fire protection district shall be dissolved and shall cause an order to that effect to be entered upon the minutes of its official proceedings. If the board determines that the fire protection district shall be dissolved, such dissolution shall be effective as of the date of the entry of such order upon the minutes.

The property of such district shall remain the property of the county in which such district is located and any money remaining in the
fund of such district shall be expended in the maintenance and repair of the highways of such district whether such highways at the time of the dissolution, are in the incorporated territory or in unincorporated territory.

If the district is situated in two (2) or more counties, each board of county commissioners shall coordinate the hearing date and the publications of notice so that only one (1) hearing need be held. Unless otherwise agreed to by each board of county commissioners involved, the hearing shall be held at the administrative offices of the district, and the boards of county commissioners are hereby specifically authorized to act in a joint manner for such purposes. If an election is called, the boards of county commissioners shall provide that the election be held on the same day in each county, and the boards of county commissioners shall coordinate the canvass of the votes cast and make one (1) joint announcement. If a majority of votes in any county are against the dissolution of the district, such rejection shall void the dissolution of the district in all counties.

SECTION 36. That Section 31-1436, Idaho Code, be, and the same is hereby amended to read as follows:

31-14365. SEPARABILITY. The several parts and provisions of this act are hereby declared independent and severable and the invalidity of any part or feature thereof shall not affect, impair, or invalidate the remainder of said section, or any part thereof.

SECTION 37. That Section 31-1437, Idaho Code, be, and the same is hereby amended to read as follows:

31-14376. NONLIABILITY OF AGENCY FOR DELAY IN REPORT OF FIRE EXCEPTION. Said additional amount shall be included in future calculations for increases as allowed; or

SECTION 1. That Section 63-602D, Idaho Code, be, and the same is hereby amended to read as follows:

63-602D. PROPERTY EXEMPT FROM TAXATION -- CERTAIN HOSPITALS. (1) For the purposes of this section, "hospital" means a hospital as defined by chapter 13, title 39, Idaho Code, and includes one (1) or more acute care, outreach, satellite, outpatient, ancillary or support facilities of such hospital whether or not any such individual facility would independently satisfy the definition of hospital.

(2) The following property is exempt from taxation: the real property owned and personal property, including medical equipment, owned or leased by a hospital corporation or a county hospital or hospital district which is operated as a hospital and the necessary grounds used therewith.

(3) If real property, not currently exempt from taxation, is being prepared for use as a hospital, the value of the bare land only shall be taxed while the property is being prepared for use as a hospital. All improvements to and construction on the real property, while it is being prepared for use as a hospital, shall be exempt from taxation. For purposes of this section, property is being "prepared for use as a hospital" if the corporation has begun construction of a hospital project as evidenced by obtaining a building permit that will, on completion, qualify such property for an exemption and, as of the assessment date, has not abandoned the construction. Construction shall not be considered abandoned if it has been delayed by causes and circumstances beyond the corporation's control or when delay is caused by an event that has occurred in the absence of the corporation's willful neglect or intentional acts, omissions or practices engaged in by the corporation for the purpose of impeding progress. Notwithstanding the foregoing, in no event shall improvements to property that is being prepared for use as a hospital qualify for an exemption from ad valorem property tax under this subsection for more than three (3) consecutive tax years; upon completion of construction and obtaining a certificate of occupancy, the entire real property shall be exempt from taxation if the corporation meets the requirements of subsection (4) of this section; provided, property already exempt or eligible for exemption shall not be affected by the provisions of this subsection.

(4) The corporation must show that the hospital:

(a) Is organized as a nonprofit corporation pursuant to chapter 3, title 30, Idaho Code, or pursuant to equivalent laws in its state of incorporation;
(b) Has received an exemption from taxation from the Internal Revenue Service pursuant to section 501(c)(3) of the Internal Revenue Code.

(5) The board of equalization shall grant an exemption to the property of: (a) a county hospital; (b) a hospital district; or (c) any hospital corporation meeting the criteria provided in subsection (4) of this section.

(6) If a hospital corporation uses property for business purposes from which a revenue is derived which is not directly related to the hospital corporation's exempt purposes, then the property shall be assessed and taxed as any other property. If property is used in part by a hospital corporation for such purposes, then the assessor shall determine the value of the entire property and the value of the part used that is not directly related to the hospital corporation's exempt purposes. If the value of the part which is not directly related to the hospital corporation's exempt purposes is determined to be three percent (3%) or less than the value of the entire property, then the property shall remain exempt. If the value of the part which is not directly related to the hospital corporation's exempt purposes is determined to be more than three percent (3%) of the value of the entire property, then the assessor shall assess the proportionate part of the property, including the value of the real estate used for such purposes.

(7) A hospital corporation issued an exemption from property taxation pursuant to this section and operating a hospital having one hundred fifty (150) or more patient beds shall prepare a community benefits report to be filed with the board of equalization by December 31 of each year. The report shall itemize the hospital's amount of unreimbursed services for the prior year (including charity care, bad debt, and underreimbursed care covered through government programs); special services and programs the hospital provides below its actual cost; donated time, funds, subsidies and in-kind services; additions to capital such as physical plant and equipment; and indication of the process the hospital has used to determine general community needs which coincide with the hospital's mission. The report shall be provided as a matter of community information. Neither the submission of the report nor the contents shall be a basis for the approval or denial of a corporation's property tax exemption.

(c) The title lender has notified the debtor in writing that the title loan agreement is not to be renewed.

(2) A debtor has the right to cancel the debtor's obligation to make payments under a title loan agreement until the close of the next business day after the day when the debtor signs a title loan agreement if the debtor returns the original check or cash to the location where the loan was originated. For the purpose of this section, "business day" means any day that the title loan office is open for business.

(3) Notwithstanding any provision of this part 5 to the contrary, beginning with the third renewal or continuation and at each successive renewal or continuation thereafter, the debtor shall be required to make a payment of at least ten percent (10%) of the principal amount of the original title loan in addition to any finance charges that are due. Finance charges due at each successive renewal or continuation shall be calculated on the outstanding principal balance. Principal payments in excess of the ten percent (10%) required principal reduction shall be credited to the outstanding principal on the day received. If at the maturity of any renewal requiring a principal reduction, the debtor has not made previous principal reductions adequate to satisfy the current required principal reduction, and the debtor cannot repay at least ten percent (10%) of the original principal balance and any outstanding finance charges, the title lender may, but shall not be obligated to, defer any required principal payment until a future date. No further finance charges may accrue on any such principal amount thus deferred.

(4) Within fourteen (14) days after a title loan is automatically renewed, the title lender shall provide the debtor written notice of the renewal either by personal delivery to the debtor or by deposit in the regular mail to the debtor's residential address listed in the title loan agreement. For the purpose of this section, a renewal is any extension of a title loan for an additional period without any change in the terms of the title loan other than extension of the maturity date and a reduction in principal.

28-46-507. DEFAULT. (1) Before exercising any of its rights upon a default by a debtor under a title loan agreement, the title lender shall mail a "Notice to Cure Default" to the debtor at the debtor's last address shown in the title lender's file, notifying the debtor that the debtor has ten (10) days from the date of the notice in which to cure the default.
(2) If the debtor does not cure the default within the ten (10) days, the title lender may proceed to exercise its rights under chapter 9, title 28, Idaho Code. There shall be no further finance charges assessed to the debtor after the title lender has obtained possession of the titled personal property.

(3) Upon voluntary surrender of the titled personal property used as security for a title loan, the title lender shall have no obligation to send any "Notice to Cure Default" to the debtor.

(4) Title lenders may assess and collect reasonable expenses of collection and enforcement as authorized by chapter 9, title 28, Idaho Code.

28-46-508. PROHIBITED ACTIONS. A title lender shall not:

(1) Enter into a title loan agreement with a person less than eighteen (18) years of age, or with anyone who appears to be intoxicated;

(2) Make any agreement giving the title lender any recourse against the debtor other than the title lender's right to take possession of the titled personal property and certificate of title upon the debtor's default, and to sell or otherwise dispose of the titled personal property in accordance with the provisions of chapter 9, title 28, Idaho Code, except where the debtor prevented repossession of the vehicle, damaged or committed or permitted waste on the vehicle or committed fraud;

(3) Enter into a title loan agreement in which the amount of money loaned, when combined with the outstanding balance of other outstanding title loan agreements the debtor has with the same lender secured by any single titled personal property, exceeds the retail value of the titled personal property as determined by common motor vehicle appraisal guides;

(4) Accept any waiver, in writing or otherwise, of any right or protection accorded a debtor under this chapter;

(5) Fail to exercise reasonable care to protect from loss or damage the certificate of title in the physical possession of the title lender;

(6) Purchase titled personal property used as security for a title loan made by the title lender;

(7) Enter into a title loan agreement unless the debtor presents a clear title to titled personal property at the time that the loan is made. If the title lender files a lien against such titled personal property without possession of a clear title to such property, the resulting lien shall be void;

(8) Capitalize or add any accrued interest or fee to the original principal of the title loan agreement during any renewal of the agreement;

(9) Require a debtor to provide any additional guaranty as a condition to entering into a title loan agreement;

(10) Use any device or agreement, including agreements with affiliated title lenders, with the intent to obtain greater charges than otherwise would be authorized by this part; or

(11) Violate the provisions of this part or any rule promulgated pursuant thereto.

28-46-509. EXEMPTION. The provisions of this part shall not apply to any person licensed or chartered under the laws of any state or of the United States as a bank, savings and loan association, credit union,
insurance company, or industrial loan company. The terms "bank," "savings and loan association," "credit union," "insurance company" and "industrial loan company" shall include employees and agents of such organizations as well as wholly-owned subsidiaries of such organizations, provided that the subsidiary is regularly examined by the chartering state or federal agency for consumer compliance purposes.

The combined community property interests of both spouses shall not be considered partial ownership so long as the combined community property interests constitute the entire ownership of the homestead, including where the spouses are occupying a homestead owned by an entity, as set forth in this subsection, and the spouses have the primary right of occupancy of the homestead. The proportional reduction required under this subsection shall not apply to community property interests. Where title to property was held by a person who has died without timely filing a claim for property tax reduction, the estate of the deceased person shall be the "owner," provided that the time periods during which the deceased person held such title shall be attributed to the estate for the computation of any time periods under subsection (8)(a) or (8)(b) of this section.

(8) (a) "Primary dwelling place" means the claimant's dwelling place on January 1 or before April 15 of the year for which the claim is made. The primary dwelling place is the single place where a claimant has his true, fixed and permanent home and principal

if owned by the claimant less than one (1) year; or

pied the dwelling if occupied by the claimant for less than one
(1) year. The county assessor may require written or other
proof of the foregoing in such form as the county assessor may
determine.
(b) Notwithstanding the provisions of paragraph (a) of this subsec­
tion, the property upon which the claimant makes application shall
be deemed to be the claimant's primary dwelling place if the claim­
ant is otherwise qualified and resides in a care facility and does
not allow the property upon which the claimant has made application
to be occupied by persons paying a consideration to occupy the
dwelling. Payment of utilities shall not be payment of a consider­
ation to occupy the dwelling. A claimant's spouse who resides in a
care facility shall be deemed to reside at the claimant's primary
dwelling place and to be a part of the claimant's household. A care
facility is a hospital, nursing facility or intermediate care facil­

(f) The employer no longer meets the requirements of section 41-2221(2)(b), Idaho Code;
(g) The carrier elects, at the time of coverage renewal, to discontinue offering a particular health benefit plan delivered or issued for delivery to large employers in this state. Unless otherwise authorized in advance by the department of insurance, a carrier may discontinue a product only after the product has been in use for at least thirty-six (36) consecutive months, provided the carrier may not discontinue more than twenty percent (20%) of its total number of employees and dependents in all lines of business in a twelve (12) month period. The carrier shall:

In such instance the director shall assist affected employers in finding replacement coverage.

(2) A carrier that elects not to renew a health benefit plan under the provisions of subsection (1)(gh) of this section shall be prohibited from writing new business in the large employer market in this state for a period of five (5) years from the date of notice to the director.

In such instance the director shall assist affected small employers in finding replacement coverage.

(2) A small employer carrier that elects not to renew a health benefit plan under the provisions of subsection (l)(gh) of this section shall be prohibited from writing new business in the small employer market in this state for a period of five (5) years from the date of notice to the director.

(3) In the case of a small employer carrier doing business in one established geographic service area of the state, the rules set forth in this subsection shall apply only to the carrier's operations in that service area.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 42-5214, Idaho Code, be, and the same is hereby amended to read as follows:

(1) All ground water irrigators within the boundaries of the district shall be members of the district and subject to assessments, rights and responsibilities established by the district as set forth in this chapter, notwithstanding any change in the ownership or control of the property of the water user, whether by way of transfer, exchange, conveyance, assignment, lease, or otherwise, to which the water right or rights used to determine assessments are appurtenant, unless excluded from the district pursuant to sections 42-5251 through 42-5257, Idaho Code. Except as provided in section 42-5276, Idaho Code, any ground water irrigator who previously was not a
member as of March 31, 2005, shall be included as a member effective upon order of the board finding and confirming that inclusion of such ground water irrigator is in the best interests of the district and that such ground water irrigator shall receive benefits from such inclusion as a member. Such order may be made only after the board shall have caused a notice of such hearing to be published in the manner of notices of elections, which notice shall state that all persons interested in or that may be affected by such inclusion as a member shall appear at the time and place named in the notice and show cause in writing why they should not be included as a member. The board, at the time mentioned in said notice shall hear any objections to inclusion. The failure of any person to file with the district office an objection to inclusion as a member prior to the noticed hearing shall be taken as an assent on his part to such inclusion as a member of the district. Any order confirming the inclusion of ground water irrigators as members of the district shall be certified by the board president and secretary and filed for record in the recorder's office of each county within which are situated any lands of the district and notice of the order shall be published in the manner of notices of elections. Any person who properly has filed an objection to inclusion as a member shall have the right to appeal to the district court of the county in which such person's ground water right is situated, provided such appeal shall be made within thirty (30) days from the date of publication of the order confirming such inclusion. After said thirty (30) day appeal period, no one shall have any cause or right of action to contest the legality, formality or regularity of said order of inclusion for any reason whatsoever, and thereafter, said inclusion and the constitution and validity of the district shall be considered valid and incontestable without limitation. Any ground water irrigator who previously was not a member of the district as of March 31, 2005, that is included as a member upon order of the board shall be liable for his proportionate share of all costs of the district incurred after such date, including his proportionate share of all bonded, warrant or other indebtedness incurred prior to March 31, 2005, but only the proportionate share of such prior indebtedness applicable to the period after March 31, 2005.

(2) All nonirrigators within the boundaries of the district who voted according to notice as provided in section 42-5210(3), Idaho Code, are members of the district as specified in such notice.

(3) A nonirrigator also may become a member of a district by providing, within sixty (60) days after the date on which the district is formed, written notice to the district board that the nonirrigator wishes to join the district either as a member for all purposes or as a member for mitigation purposes only. Upon providing such notice, the nonirrigator shall be either a member for all purposes or a member for mitigation purposes only, as specified in the notice, and shall be subject to assessment accordingly as provided in this chapter. After such sixty (60) day period, a nonirrigator may become a member of a district only through the annexation procedure described in sections 42-5245 through 42-5249, Idaho Code.

(4) Except as provided for municipal, commercial, industrial, federal and tribal ground water users in subsection (1) of this section, nonirrigators as defined in subsection (11) of section 42-5201, Idaho Code, any person whose permit, license, or other entitlement to appropriate ground water was acquired after the formation of the district, or
who appropriates ground water for uses not requiring a permit after the formation of the district, but qualifies as a ground water user under subsection (8) of section 42-5201, Idaho Code, within the area of the district in all other respects, shall be deemed included within and subject to assessment by the district, if benefitted either directly or indirectly by the district as of the date the permit, license, or entitlement is acquired.

SECTION 2. That Section 42-5232, Idaho Code, be, and the same is hereby amended to read as follows:

42-5232. LEVY OF ASSESSMENTS. (1) The secretary of the board shall be the assessor of the district, and on or before August 1 of each year shall prepare an assessment book containing a full and accurate list of all lands within the district that are subject to assessment under this chapter.

(2) At a regular meeting of the board between August 1 and November 1 of each year, the board of directors shall determine the amount necessary to be raised for payment of the annual payment on any and all indebtedness of the district for the following year. Money received in payment of such assessments shall be deposited in a separate fund to be known as the debt retirement fund.

(3) The board shall, in addition, determine the assessments necessary to pay, without limitation, the expenses of developing, operating or maintaining any mitigation plan established by the district and the cost of contracts with any person for mitigation plans, or evaluation of proposed contracts. Money received in payment of such assessments shall be deposited in a separate fund to be known as the mitigation expense fund.

(4) The board shall, in addition, determine the assessments necessary to pay maintenance and operation of the district not related to mitigation plans or purposes. These operation and maintenance duties include making the assessment book, giving notice of assessments and making collections thereof, and other duties, programs or projects of the district to the extent such duties, programs or projects are not attributable to mitigation plans or purposes. Money received in payment of such assessments shall be deposited in a separate fund of the district to be known as the operating expense fund.

(5) Any ground water user who becomes a member of a district for mitigation purposes shall be subject to no assessment beyond his proportional share of the costs, including administrative costs and other reasonable expenses, of any mitigation plan or actions or activities in furtherance of the district's mitigation plans or purposes.

(6) No assessment made pursuant to this chapter shall be a lien against any municipal property.

(7) Except as otherwise provided in this chapter, each member shall pay a proportionate share of the total of all amounts to be assessed for the purposes aforementioned, which share shall be based on the ratio which the quantity of water the water user is authorized to appropriate under the member's ground water right(s) bears to the total quantity of water authorized for appropriation under the ground water rights of all water users in the district, provided, that the board shall be entitled to levy assessments that adjust a member's proportionate share to take into consideration priority dates, consumptive use under the members'
respective ground water rights, other attributes of the ground water rights appurtenant to the assessed lands, and/or the benefits the member derives from a mitigation plan or other activity of the district. Any nonirrigator who is a member of a ground water district, or whose ground water rights are appurtenant to property located within a ground water district, and who has adopted and implemented a mitigation plan that has been approved by the director and that is not inconsistent with such a plan approved by the director and adopted and implemented by the ground water district, shall be entitled to an assessment credit for the contribution made by that nonirrigator's mitigation plan towards the district's mitigation obligation as determined by the director.

SECTION 3. That Section 42-5244, Idaho Code, be, and the same is hereby amended to read as follows:

42-5244. PROHIBITION AGAINST PARTICIPATION IN MITIGATION PLAN WHEN SUBJECT TO DELINQUENT ASSESSMENT OR FOR NONPAYMENT OF OTHER MITIGATION COSTS. A ground water user who is delinquent in the payment of any assessment against his water use under this chapter, or who has failed to pay other mitigation costs owed to the district when due, is prohibited from being a participant in any mitigation plan until such delinquent assessment, or other past due amount owed for mitigation costs, is paid in full. The district shall provide the director a report of such delinquent assessments, or other past due mitigation costs, at the first of each month for purposes of enforcement. Prior to undertaking enforcement, the director may require from the district an accounting of the basis for the assessment and other mitigation costs and the apportionment of those assessments and costs among district members and nonmember participants. The district shall inform the director immediately upon the payment of any such delinquent assessment, or other past due mitigation costs. This section shall be enforced by the watermaster within water districts established under chapter 6 of this title, and by the director pursuant to sections 42-351 and 42-1701B, Idaho Code, in areas outside of such water district.

SECTION 4. That Section 42-5251, Idaho Code, be, and the same is hereby amended to read as follows:

42-5251. PETITION FOR EXCLUSION OF LANDS -- GROUND WATER IRRIGATED LANDS -- LANDS OF NONIRRIGATOR -- LANDS MAY REMAIN IN THE DISTRICT FOR MITIGATION PURPOSES. (1) Any district member who is an irrigator may file with the district board a petition requesting that the member's irrigated lands be excluded from the district. The petition may request that the lands either be excluded for all purposes or be excluded for all purposes except mitigation. The petition shall be signed by each petitioner, and shall state that continued inclusion of the irrigated lands in the district is inappropriate or unwarranted:

(1a) Because the diversions of ground water under the ground water users irrigator's water right have no depletive effect on any water source, either individually or cumulatively when considered in conjunction with other similar diversions;

(2b) Because the only ground water use associated with the lands sought to be excluded by the petition is a domestic or stock water use as defined by sections 42-111 and 42-1401A, Idaho Code;
(3c) Because the exclusion of the lands will not impair the district's ability to repay debt or carry out mitigation plans;
(4d) Because the exclusion is in the best interests of the district and its members; or
(5e) For other compelling reasons.

The board shall consider the petition and, based on findings concerning such factors, the board shall grant or deny the petition within ninety (90) days of the date it is filed, unless the board, in its sole discretion, grants a hearing on the petition within such time period, in which case the board shall issue a final decision within sixty (60) days after the conclusion of the hearing.

(2) Any district member who is a nonirrigator, may file with the district board a petition requesting that the member's lands be excluded from the district. The petition may request that the lands either be excluded for all purposes or be excluded for all purposes except mitigation. The petition shall be signed by each petitioner, but need not be acknowledged. The board shall consider the petition and grant or deny the petition within ninety (90) days of the date it is filed, unless the board, in its sole discretion, grants a hearing on the petition within such time period, in which case the board shall issue a final decision within sixty (60) days after the conclusion of the hearing.

(3) All costs incurred by the district in carrying out the exclusion proceeding shall be assessed as provided in section 42-5253, Idaho Code. A person purchasing land under a written contract shall be deemed to be the owner of that land for purposes of this section.

SECTION 5. An emergency existing therefor, which emergency is hereby declared to exist, this act shall be in full force and effect on and after its passage and approval.

Approved April 7, 2006.

Given notice by the Director of the Department of Water Resources that such holder shall have fifteen (15) days to join, solely for mitigation purposes, in the ground water district situated nearest the lands to which the water right is appurtenant, as determined by the Director of the Department of Water Resources in case of dispute, and participate in the district pursuant to Section 42-5259, Idaho Code. If any holder of such a junior priority ground water right elects not to join the ground water district or does not have an approved mitigation plan, the Director of the Department of Water Resources may proceed with any appropriate remedy or take any other action within his authority that he deems appropriate.

(H.B. No. 753, As Amended)

AN ACT
RELATING TO STANDARD FIRE POLICIES; AMENDING SECTION 41-2401, IDAHO
CODE, TO SET FORTH NOTICE PROVISIONS APPLICABLE TO POLICY CANCELLA-
TION BASED UPON NONPAYMENT OF PREMIUM; AND AMENDING SECTION 41-1842,
IDAHO CODE, TO PROVIDE WHEN THE NOTIFICATION PERIOD SHALL BEGIN AND
TO MAKE TECHNICAL CORRECTIONS.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 41-2401, Idaho Code, be, and the same is
hereby amended to read as follows:
41-2401. STANDARD FIRE POLICY. (1) No fire insurer shall issue any fire insurance policy covering on property or interest therein in this state, other than on the form known as the New York standard as revised in 1943, except as follows:

(a) An insurer may print on or in its policy its name, location, date of incorporation, plan of operation, whether stock, mutual, reciprocal or organized under special charter provisions, and if mutual or reciprocal whether on cash premium or assessment plan; and if it be a stock company, the amount of its paid up capital stock, the names of its officers and agents, the number and date of the policy, and, if it is issued by an agent, the words, "this policy shall not be valid until countersigned by the duly authorized agent of the company at ...."; and, if a mutual or reciprocal insurer, the policy must state the contingent liability, if any, of its policyholders, members, or subscribers for payment of losses and expenses not provided for by its cash funds.

(b) An insurer may print or use in its policies printed forms of description and specifications of the property insured.

(c) An insurer insuring against damage by lightning may print in the clause enumerating the perils insured against the additional words, "also any damage by lightning whether fire ensues or not," and in the clause providing for an apportionment of loss in case of other insurance the words, "whether by fire, lightning or both."

(d) A domestic insurer may print in its policies any provisions which it is authorized or required by the law to insert therein, and any foreign insurer may, with the approval of the director, so print any provision required by its charter or deed of settlement, or by the laws of its own state or country, not contrary to the laws of this state; but the director shall require any provision which, in his opinion modifies the contract of insurance in such a way as to affect the question of loss, to be appended to the policy by an endorsement or rider as hereinafter provided.

(e) The blanks in the standard form may be completed in print or in writing.

(f) An insurer may print upon policies issued in compliance with the preceding provisions of this section the words, "Idaho standard policy."

(g) An insurer may write upon the margin or across the face of the policy, or write or print in type not smaller than nonpareil upon a slip, slips, rider or riders to be attached thereto, provisions adding to or relating to those contained in the standard form; and all such slips, riders, endorsements and provisions must be signed by the officers or agents of the insurer so using them.

(h) If the policy be made by a mutual, reciprocal or other insurer having special regulations lawfully applicable to its organization, membership, policies or contracts of insurance such regulations shall apply to and form a part of the policy as the same may be written or printed upon, attached or appended thereto.

(i) Every policy shall have legibly inscribed upon its face and filing back suitable words to designate whether the insurer making such insurance be a stock, mutual or reciprocal insurer, provided, that any insurer organized under special charter provisions may so indicate upon its policy and may add a statement of the plan under which it operates in this state.
(j) Every fire policy shall contain language that provides for a thirty (30) day written notice to the insured prior to cancellation of the policy, provided however, that where cancellation is for the nonpayment of premium, at least ten (10) days' notice of such cancellation, accompanied by the reason for the cancellation, shall be given. If delivered via United States mail, such ten (10) day notification period shall begin to run five (5) days following the date of postmark. Proof of mailing of notice of cancellation, or of intention not to renew, or of reasons for cancellation or nonrenewal to the named insured at his address shall be sufficient proof of notice.

(k) Every fire policy shall provide that it becomes effective at 12:01 a.m. of the standard time of the place where the property covered by the insurance is located, on the effective date of the policy.

(2) An insurer issuing the standard fire policy is authorized to affix thereto or include therein a written statement that the policy does not cover loss or damage caused by nuclear reaction, nuclear radiation or radioactive contamination, all whether directly or indirectly resulting from an insured peril under the policy; but nothing herein contained shall be construed to prohibit the attachment to any such policy of an endorsement or endorsements specifically assuming coverage for loss or damage caused by nuclear reaction, nuclear radiation or radioactive contamination.

(3) The standard fire policy is not mandatory for vehicle insurance, or for marine insurance, or inland marine insurance as the same is defined pursuant to section 41-1401(2), Idaho Code, or for insurance on growing crops.

(4) Any policy or contract otherwise subject to the provisions of subsection (1) hereof, which includes either on an unspecified basis as to the coverage or for a single premium coverage against the peril of fire and substantial coverage against other perils need not comply with the provisions of subsection (1) hereof, provided:

(a) Such policy or contract shall afford coverage, with respect to the peril of fire, not less than the coverage afforded by such standard fire policy,
(b) The provisions in relation to mortgagee interests and obligations in such standard fire policy shall be incorporated therein without change,
(c) Such policy or contract is complete as to all of its terms without reference to the standard form of fire insurance policy or any other policy, and
(d) The director is satisfied that such policy or contract complies with the provisions hereof.

(5) With respect to a commercial insurance policy, such standard fire insurance policy may exclude coverage for loss by fire or other perils insured against if the fire or other perils are caused directly or indirectly by terrorism. As used in this section, the term "terrorism" means a violent act or an act that:

(a) Is dangerous to human life, property or infrastructure;
(b) Results in damage within the United States, or outside of the United States in the case of an air carrier or vessel or the premises of a United States mission; and
(c) Is committed by an individual or individuals acting on behalf
of any foreign person or foreign interest, as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States government by coercion.

SECTION 2. That Section 41-1842, Idaho Code, be, and the same is hereby amended to read as follows:

41-1842. COMMERCIAL INSURANCE -- CANCELLATION -- NONRENEWAL. (1) Applicability. The provisions of this section apply only to:
(a) Commercial property insurance policies;
(b) Commercial liability insurance policies other than aviation and employer's liability insurance policies;
(c) Commercial multiperil insurance policies.
The provisions of this section do not apply to: block cancellations or block nonrenewals as provided in section 41-1841, Idaho Code, reinsurance, excess and surplus lines insurance, residual market risks, worker's compensation insurance, multistate location risks, policies subject to retrospective rating plans, excess or umbrella policies and such other policies that are exempted by the director of the department of insurance.

(2) Definitions. For the purposes of this section:
(a) "Cancellation" means termination of a policy at a date other than its expiration date.
(b) "Expiration date" means the date upon which coverage under a policy ends. It also means, for a policy written for a term longer than one (1) year or with no fixed expiration date, each annual anniversary date of such policy.
(c) "Nonpayment of premium" means the failure or inability of the named insured to discharge any obligation in connection with the payment of premiums on a policy of insurance subject to this section, whether such payments are payable directly to the insurer or its agent or indirectly payable under a premium finance plan or extension of credit.
(d) "Nonrenewal" or "not to renew" means termination of a policy at its expiration date.
(e) "Renewal" or "to renew" means the issuance, or the offer so to issue, by an insurer of a policy succeeding a policy previously issued and delivered by the same insurer or an insurer within the same group of insurers, or the issuance of a certificate or notice extending the term of an existing policy for a specified period beyond its expiration date.

(3) Notice of cancellation.
(a) Permissible cancellations. If coverage under a policy has not been in effect for sixty (60) days and the policy is not a renewal, cancellation of such policy shall be effected by mailing or delivering a written notice to the first-named insured at the last known mailing address shown on the policy at least thirty (30) days before the effective date of the cancellation, provided however, if such cancellation is for the reason stated in subsection (3)(a)(i) of this section, the time such cancellation may be effective following notice shall be as provided in subsection (3)(b)(i) of this section. A cancellation requested by the insured shall be effective on the later of the date requested by the insured or the date it is
received by the insurer. After coverage has been in effect for more than sixty (60) days or after the effective date of a renewal policy, whichever is earlier, no insurer shall cancel a policy unless the cancellation is based on at least one (1) of the following reasons:

(i) Nonpayment of premium.
(ii) Fraud or material misrepresentation made by or with the knowledge of the named insured in obtaining the policy, continuing the policy, or in presenting a claim under the policy.
(iii) Activities or omissions on the part of the named insured which increase any hazard insured against, including a failure to comply with loss control recommendations.
(iv) Change in the risk which materially increases the risk of loss after insurance coverage has been issued or renewed including, but not limited to, an increase in exposure to regulation, legislation or court decision.
(v) Loss or decrease of the insurer's reinsurance covering all or part of the risk or exposure by the policy.
(vi) Determination by the director that the continuation of the policy would jeopardize an insurer's solvency or would place the insurer in violation of the insurance laws of this state or any other state.
(vii) Violation or breach by the insured of any policy terms or conditions other than nonpayment of premium.

(b) Notification of cancellation.

(i) A notice of cancellation of insurance coverage by an insurer shall be in writing and shall be mailed or delivered to the first-named insured at the last known mailing address as shown on the policy. Notices of cancellation based on subsections (3)(a)(ii) through (a)(vii) of this section shall be mailed or delivered at least thirty (30) days prior to the effective date of the cancellation. Notices of cancellation for the reason stated in subsection (3)(a)(i) of this section without regard to when such cancellation shall be effected shall be mailed or delivered at least ten (10) days prior to the effective date of cancellation. If delivered via United States mail, the ten (10) day notification period shall begin to run five (5) days following the date of postmark. The notice shall state the effective date of the cancellation.

(ii) The insurer shall provide the first-named insured with a written statement setting forth the reason(s) for the cancellation if: (1) the insured requests such a statement in writing; and (2) the named insured agrees in writing to hold the insurer harmless from liability for any communication giving notice of or specifying the reasons for a cancellation or for any statement made in connection with an attempt to discover or verify the existence of conditions which would be a reason for a cancellation under this section.

(4) Notice of nonrenewal.

(a) An insurer may decline to renew a policy if the insurer delivers or mails to the first-named insured, at the last known mailing address, written notice that the insurer will not renew the policy. Such notice shall be mailed or delivered at least forty-five (45) days before the expiration date. If the notice is mailed less than
forty-five (45) days before expiration, coverage shall remain in effect until forty-five (45) days after notice is mailed or delivered. Earned premium for any period of coverage that extends beyond the expiration date shall be considered pro rata based upon the previous year's rate. For purposes of this section, the transfer of a policyholder between companies within the same insurance group is not a nonrenewal or a refusal to renew. In addition, changes in deductibles, changes in premium, and changes in the amount of insurance or reductions in policy limits or coverage shall not be deemed to be nonrenewals or refusals to renew. Notice of nonrenewal is not required if:

(i) The insurer or a company within the same insurance group has offered to issue a renewal policy; or
(ii) Where the named insured has obtained replacement coverage or has agreed in writing to obtain replacement coverage.

(b) If an insurer provides the notice described in subsection (4) of this section and thereafter the insurer extends the policy for ninety (90) days or less, an additional notice of nonrenewal is not required with respect to the extension.

(5) Notice of premium or coverage changes. An insurer shall mail or deliver to the named insured, at the last known mailing address, written notice of a total premium increase greater than ten percent (10%) which is the result of a comparable increase in premium rates, changes in deductibles, reductions in limits, or reductions in coverages at least thirty (30) days prior to the expiration date of the policy. If the insurer fails to provide such thirty (30) day notice, the coverage provided to the named insured shall remain in effect until thirty (30) days after such notice is given or until the effective date of replacement coverage obtained by the named insured, whichever first occurs. For the purposes of this section, notice is considered given thirty (30) days following date of mailing or delivery of the notice to the named insured. If the insured elects not to renew, any earned premium for the period of extension of the terminated policy shall be calculated pro rata at the lower of the current or previous year's rate. If the insured accepts the renewal, the premium increase, if any, and other changes shall be effective on and after the first day of the renewal term.

(6) Proof of notice. Proof of mailing of notice of cancellation, or of nonrenewal or of premium or coverage changes, to the named insured at the last known mailing address showing on the policy, shall be sufficient proof of notice.

(7) Application, effective date and termination. The provisions of this section shall apply only to policies with coverage effective dates after the effective date of this section.

(8) Regulations Rules. The director may promulgate rules and regulations to implement the provisions of this section. Every rule and regulation promulgated within the authority conferred by this act shall be of temporary effect and shall become permanent only by enactment by statute at the regular session of the legislature first following adoption of the rule. Rules and regulations not approved in the above manner shall be rejected, null, void and of no force and effect on July 1, following submission of the rules and regulations to the legislature.

AN ACT
RELATING TO A MORATORIUM ON CERTAIN COAL FIRED POWER PLANTS; AMENDING CHAPTER 1, TITLE 39, IDAHO CODE, BY THE ADDITION OF NEW SECTIONS 39-124 AND 39-125, IDAHO CODE, TO PROVIDE LEGISLATIVE INTENT AND TO PROVIDE A TWO YEAR MORATORIUM ON ISSUING ANY VARIANCES, LICENSES OR PERMITS FOR CONSTRUCTION OF CERTAIN COAL FIRED POWER PLANTS OR APPLYING FOR VARIANCES, LICENSES OR LOCAL CONDITIONAL USE, OR BUILDING OR AIR PERMITS; DECLARING AN EMERGENCY AND PROVIDING A SUNSET DATE.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Chapter 1, Title 39, Idaho Code, be, and the same is hereby amended by the addition thereto of NEW SECTIONS, to be known and designated as Sections 39-124 and 39-125, Idaho Code, and to read as follows:

39-124. LEGISLATIVE FINDINGS -- INTENT. The legislature finds that it is in the public interest to adopt an integrated energy plan for the state of Idaho that provides for the state's power generation needs and protects the health and safety of the citizens of Idaho, and the products produced in this state. The legislature has determined that there is a need for information and study on matters such as air and water quality impacts, effects on existing industries, and allocation of water resources, with regard to energy development. The legislature further finds that certain coal fired power plants may have a significant negative impact upon the health, safety and welfare of the population, the quality and financial security of existing agricultural businesses and industries, economic growth of the state of Idaho, and the environmental quality and natural resources of this state. To better understand the environmental and economic effects of certain coal fired power plants, the legislature believes it is desirable and in the public interest to place a two (2) year moratorium from the effective date of this act on certain coal fired power plants.

39-125. MORATORIUM ON CONSTRUCTION OF CERTAIN COAL FIRED POWER PLANTS -- REPORT. For two (2) years from the effective date of this act, municipalities, counties and the department of environmental quality are prohibited from issuing any variances, licenses or permits for the construction or operation of coal fired power plants and no persons or entities shall apply for such variances, licenses or local conditional use, or building or air permits; provided however, that the provisions
of this act do not apply to power plants utilizing the integrated gasification combined cycle technology where coal is not burned but oxidized as a power source. The provisions of this act do not apply to coal fired power plants owned or constructed by a public utility regulated by the public utilities commission pursuant to title 61, Idaho Code, or by a cooperative or a municipality, nor do the provisions of this act apply to the operations of the Idaho national laboratory.

SECTION 2. An emergency existing therefor, which emergency is hereby declared to exist, this act shall be in full force and effect on and after its passage and approval, and shall be null, void and of no force and effect on and after two (2) calendar years from the effective date of this act.

Approved April 7, 2006.

CHAPTER 375
(H.B. No. 844)

AN ACT
RELATING TO APPROPRIATIONS; STATING INTENT OF THE LEGISLATURE; DIRECTING THE DEPARTMENT OF ADMINISTRATION TO PAY ESTIMATED FISCAL YEAR 2007 INCREASES IN GROUP MEDICAL INSURANCE PREMIUMS, TO PAY ONE MONTH OF GROUP MEDICAL INSURANCE PREMIUMS AND TO PAY BASIC LIFE AND DISABILITY PREMIUMS FOR THE EMPLOYER FOR SEVEN MONTHS; APPROPRIATING ADDITIONAL MONEYS FOR FISCAL YEAR 2007 TO STATE AGENCIES AND STATE INSTITUTIONS FOR PERSONNEL COSTS; APPROPRIATING ADDITIONAL MONEYS TO STATE AGENCIES FOR FISCAL YEAR 2007 FOR PERSONNEL COSTS OF TARGETED JOB CLASSIFICATIONS; APPROPRIATING ADDITIONAL MONEYS TO THE ATTORNEY GENERAL FOR SPECIFIED PERSONNEL COSTS; APPROPRIATING ADDITIONAL MONEYS TO THE SCHOOL FOR THE DEAF AND THE BLIND FOR SPECIFIED PERSONNEL COSTS; DIRECTING STATE AGENCIES AND INSTITUTIONS REGARDING THE USE AND REPORTING OF SALARY SAVINGS; APPROPRIATING ADDITIONAL MONEYS FOR FISCAL YEAR 2007 TO STATE AGENCIES AND STATE INSTITUTIONS FOR PERSONNEL COSTS; AND EXPRESSING LEGISLATIVE INTENT THAT THE DEPARTMENT OF ADMINISTRATION USE RESERVES TO COVER THE COSTS OF MENTAL HEALTH INSURANCE PARITY FOR STATE EMPLOYEES FOR FISCAL YEAR 2007.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. LEGISLATIVE INTENT. (1) Pursuant to the recommendations of the Legislative Change in Employee Compensation Committee, it is the policy of the state of Idaho to provide a total compensation system that attracts, retains and recognizes state employees for their valuable service. The foundation of this system is to pay competitive job market average salaries, provide a quality benefits package, and reward performance with a merit based compensation philosophy.

(2) Notwithstanding any other provision of law to the contrary, the Division of Human Resources is hereby directed to revise the current salary and pay grade structure to increase the number of pay grades and
decrease the distance between pay grade midpoints. The fiscal impact of such changes shall not exceed the total amount appropriated for salary increases for fiscal year 2007. The Division of Human Resources is further directed to assign classifications to the revised salary structure using Hay points and market data. Such assignments shall be made in a manner that minimizes salary compression. Employees who do not have satisfactory performance are not eligible for salary increases due to pay grade assignment changes, even if this results in being paid outside the pay grade.

(3) Pay for performance shall provide faster salary advancement for higher performers based on a merit increase matrix developed by the Division of Human Resources. Such matrix shall be based upon the employee's proximity to the state midpoint market average and the employee's relative performance. Such matrix may be adapted by each agency to meet their specific needs when approved by the Division of Human Resources.

(4) The Division of Human Resources shall approve all compensation and distribution plans to ensure that they are consistent with the policies contained herein. The Division of Financial Management shall ensure that each agency and higher education institution compensation plan is implemented consistent with their respective appropriation and the intent of this act.

(5) Furthermore, nonclassified employees of the executive branch, as well as employees of the legislative and judicial branches, shall be treated in a manner consistent with the intent of this act.

SECTION 2. The change in state employee group medical insurance providers has created a one (1) time opportunity to use unexpended reserves from the previous contract to pay for the fiscal year 2007 estimated increase in group medical insurance premiums, as well as a one (1) month premium holiday for group medical insurance. As a result, the Department of Administration is directed to pay from reserves from the previous medical insurance contract the estimated fiscal year 2007 increases in group medical insurance premiums for the employer and for state employees and state retirees participating in the state's group medical insurance plan. In addition, the Department of Administration is directed to pay from reserves one (1) month of group medical insurance premiums for the employer and for state employees and retirees participating in the state's group medical insurance plan. The Legislature also finds that reserves in the basic life and disability insurance plan have created a one (1) time opportunity to use the unexpended reserves to pay for seven (7) months of premiums for the employer. As a result, the Department of Administration is directed to pay the employer's basic life and disability insurance premiums from reserves from the basic life and disability insurance contract for a seven (7) month period during fiscal year 2007.

SECTION 3. In addition to any other appropriation provided by law, there is hereby appropriated to the following state agencies and state institutions the following amounts to be expended for the designated programs for personnel costs only from the listed funds for the period July 1, 2006, through June 30, 2007:

Such review shall be undertaken upon request of the district court having jurisdiction over the offender on probation or of the parole commission if the offender has been released on parole regardless of whether the offender has been reviewed by the board prior to release from incarceration. For purposes of seeking a board review pursuant to this subsection, the court or parole commission may consider all relevant evidence including,
but not limited to, the probation or parole official's observations and opinions of these offenders while under supervision, in light of the circumstances of the underlying offense.

(3) The board shall consider for review offenders living in Idaho who were sentenced and convicted for one (1) or more crimes enumerated in subsection (1) of this section, or substantially equivalent to those enumerated in subsection (1) of this section and committed in another state, territory, commonwealth or other jurisdiction of the United States, including tribal courts and military courts, and who have been released under federal or tribal court supervision. (a) Factors to be used in establishment of the guidelines must be supported in the sexual offender assessment field as criteria reasonably related to the risk of reoffense and be objective criteria that can be gathered in a consistent and reliable manner.
(b) The guidelines shall include, but are not limited to, the following general categories for risk assessment: seriousness of the offense, offense history, whether the offense was predatory, characteristics of the offender, characteristics of the victim, the relationship of the offender to the victim, the number of victims and the number of violations of each victim.

(6) If the offender has indicated an intention to reoffend if released into the community and the available record reveals credible evidence to support this finding, then the offender shall be deemed a violent sexual predator regardless of application of the guidelines.

(7) Once the board has made its determination, it shall set forth written findings which shall include:

The job classification shall include an appropriate title for each class, and a description of duties and responsibilities of positions in the classes and the requirements of minimum training, experience and other qualifications, suitable for the performance of duties of the position.

(b) A rule describing the relevant labor markets and benchmark job classifications used in the administrator's salary surveys.

(d) A rule providing for review by the administrator of the personnel system including classifications and compensation policies and procedures.

(e) A rule that, notwithstanding the procedure for examination and ranking of eligibles on a register provided in subsection (f) of this section, an agency may appoint an individual directly into an entrance or promotional probation if the division of vocational rehabilitation, Idaho commission for the blind and visually impaired or the industrial commission certifies, with the concurrence of division of human resources staff, that the individual (1) has a disability or handicap as defined under state or federal law; (2) is qualified to perform the essential functions of a particular classified position with or without reasonable accommodation; and (3) lacks competitiveness in the examination process due to the disability or handicap. The probationary period as provided in subsection (j) of this section shall be the sole examination for such individuals.

(f) A rule requiring fair and impartial selection of appointees to all positions other than those defined as nonclassified in this chapter, on the basis of open competitive merit examinations or evaluations. An application for an examination will be accepted after the closing date of the examination from a person who was serving in the armed forces, or undergoing hospitalization of no more than one (1) year following discharge, during any period in which the examination was open; the application must be submitted within one hundred twenty (120) days of separation from the armed forces or hospitalization and prior to the expiration of the register established as a result of the examination. A disabled veteran may file an application at any time for any position for which the division maintains a register or for which a register is about
to be established, provided he or she has not already been examined twice for the same position and grade for which application is made, does not have current eligibility on that register, or is not serving in a competitive position in the same grade for which application is made. Examinations may be assembled or unassembled and may include various examining techniques such as rating of training and experience, written tests, oral interviews, recognition of professional licensing, performance tests, investigations and any other measure of ability to perform the duties of the position. Examinations shall be scored objectively. Five (5) points shall be added to the earned rating of any war veteran as defined in section 65-506, Idaho Code, and the widow or widower of any war veteran as defined in section 65-506, Idaho Code, as long as he or she remains unmarried. Certification of eligibility for appointment to vacancies shall be in accordance with a formula which limits selection by the hiring department from among the ten (10) top ranking available eligibles plus the names of all individuals with scores identical to the tenth ranking eligible on the register. A register with at least five (5) eligibles shall be adequate. Selective certification shall be permitted when justified by the hiring department, under rules to be made by the division defining adequate justification based on the duties and requirements of the positions. (h) A rule for development and maintenance of a system of service ratings and the use of such ratings by all departments in connection with promotions, demotions, retentions, separations and reassignments. The rule shall require that an evaluation of each classified employee shall be made after each two thousand eighty (2,080) hour period of credited state service, and that a copy of the evaluation shall be filed with the division.

(i) A rule prohibiting disqualification of any person from taking an examination, from appointment to a position, from promotion, or from holding a position because of race or national origin, color, sex, age,
political or religious opinions or affiliations, and providing for right of appeal.

The rule shall provide that if the appointing authority fails to provide a performance evaluation within thirty (30) days after the expiration of the probationary period, the employee shall be deemed to have satisfactorily completed the probation unless the appointing authority receives approval from the administrator to extend the probationary period for good cause for an additional specified period not to exceed one thousand forty (1,040) hours of credited state service. If an employee is performing in an unsatisfactory manner during the entrance probationary period, the appointing authority shall ask the employee to resign, and if no resignation is submitted, shall terminate the employment of such employee without the right of grievance or appeal.

(k) A rule concerning provisional appointments.

(l) A rule concerning temporary appointments.

(m) A rule governing the employment of consultants and persons retained under independent contract.

(n) A rule for the disciplinary dismissal, demotion, suspension or other discipline of employees only for cause with reasons given in writing. SECTION 10. That Chapter 53, Title 67, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW SECTION, to be known and designated as Section 67-5309A, Idaho Code, and to read as follows:

67-5309A. STATE EMPLOYEE COMPENSATION PHILOSOPHY. (1) It is hereby declared to be the intent of the legislature of the state of Idaho that the goal of a total compensation system for state employees shall be to fund a competitive employee compensation and benefit package that will attract qualified applicants to the work force; retain employees who have a commitment to public service excellence; motivate employees to
maintain high standards of productivity; and reward employees for outstanding performance.

(2) The foundation for this philosophy recognizes that state government is a service enterprise in which the state work force provides the most critical role for Idaho citizens. Maintaining a competitive compensation system is an integral, necessary and expected cost of providing the delivery of state services and is based on the following compensation standards:

(a) The state's overall compensation system, which includes both a salary and a benefit component, when taken as a whole shall be competitive with relevant labor market averages.
(b) Advancement in pay shall be based on job performance and market changes.
(c) Pay for performance shall provide faster salary advancement for higher performers based on a merit increase matrix developed by the division of human resources.
(d) All employees below the state's midpoint market average in a salary range who are meeting expectations in the performance of their jobs shall move through the pay range toward the midpoint market average.

(3) It is hereby declared to be legislative intent that regardless of specific budgetary conditions from year to year, it is vital to fund necessary compensation adjustments each year to maintain market competitiveness in the compensation system. In order to provide this funding commitment in difficult fiscal conditions, it may be necessary to increase revenues, or to prioritize and eliminate certain functions or programs in state government, or to reduce the overall number of state employees in a given year, or any combination of such methods.

SECTION 11. That Section 67-5309B, Idaho Code, be, and the same is hereby repealed.

SECTION 12. That Chapter 53, Title 67, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW SECTION, to be known and designated as Section 67-5309B, Idaho Code, and to read as follows:

67-5309B. IDAHO COMPENSATION PLAN. Pay grades established or revised by the administrator shall appropriately weigh Hay points and market data to ensure internal equity and market equity within the classified service.

(3) Advancement in pay shall be based on performance and market changes and be provided in a variety of delivery methods, including ongoing increases, temporary increases and market related payline moves. Market related payline moves may advance all eligible employees as well as the structure to avoid compression in the salary system.

(4) Pay for performance shall provide faster salary advancement for higher performers based on a merit increase matrix developed by the
division of human resources. Such matrix shall be based upon the employee's proximity to the state midpoint market average, and the employee's relative performance. Such matrix may be adapted by each agency to meet its specific needs when approved by the division of human resources.

(5) No employee shall advance in a salary range without a performance evaluation on file certifying that the employee meets the performance criteria of the assigned position.

(6) Each employee's work performance shall be evaluated through a format and process approved by the department and the division of human resources. The employee shall be evaluated after one thousand forty (1,040) hours of credited state service from the date of initial appointment or promotion, and thereafter be evaluated after each two thousand eighty (2,080) hours of credited state service. Employees may be eligible for advancement in pay if certified as meeting the performance requirements of this section. However, such in-grade advancement shall not be construed as a vested right. The department director shall designate in writing whether such in-grade advancement is temporary, conditional or permanent. It shall be the specific responsibility of the employee's immediate supervisor to effect the evaluation process. Such evaluation shall be approved by the department director or the director's designee.

(7) All supervisors who evaluate state employees shall receive training in the evaluation format and process to assure fairness and consistency in the evaluation process.

(8) Notwithstanding any other provision of Idaho Code, it is hereby declared to be the policy of the legislature of the state of Idaho that all classified employees of like classification and pay grade allocation shall be treated in a substantially similar manner with reference to personnel benefits.

SECTION 13. That Section 67-5309C, Idaho Code, be, and the same is hereby repealed.

The failure of the legislature to accept, modify or reject the recommendations prior to adjournment sine die shall constitute approval of the governor's recommendations, and such recommendations shall be funded through appropriations provided by law. The administrator of the division of human resources shall implement necessary and authorized changes to salary and pay schedule by rule. (2) The appointing authority of any department shall determine the necessity for overtime work and shall provide for cash compensation or compensatory time off for such overtime work for eligible classified officers and employees, subject to the restrictions of applicable federal law.

advance, with the employee. Compensatory time off shall be paid at
the rate of one and one-half (1 1/2) hours for each overtime hour
worked. Compensatory time off which has been earned during any one-
half (1/2) fiscal year but not taken by the end of the succeeding
one-half (1/2) fiscal year, shall be paid in cash on the first pay-
roll following the close of such succeeding one-half (1/2) fiscal
year. Compensatory time not taken at the time of transfer to another
appointing authority or upon separation from state service shall be
liquidated at the time of such transfer or separation by payment in
cash.

During the second ten thousand four hundred (10,400) hours of credited state service, vacation leave may be accrued and accumulated to a maximum of two hundred forty (240) hours;

During the third ten thousand four hundred (10,400) hours of credited state service, vacation leave may be accrued and accumulated to a maximum of two hundred eighty-eight (288) hours;

(c) Vacation leave shall be transferable from department to department only to the extent that it is accrued and accumulated.

(d) Vacation leave shall not be earned, accrued or accumulated during any pay period in which the maximum accruals and accumulations provided by this section have been met.

(e) Vacation leave not taken shall be compensated for at the time of separation only to the maximum accruals and accumulations allowed by this section.

(f) Vacation leave shall be taken on a workday basis. Regularly scheduled days off and officially designated holidays falling within a period of vacation leave shall not be counted against vacation leave. Vacation leave shall not be taken in advance of being earned and shall only be taken in pay periods subsequent to being earned.

(g) With the approval of the appointing authority for both the transferring and receiving officer or employee, an officer or employee may transfer accrued vacation leave, up to a maximum of forty (40) hours per fiscal year, to another officer or employee for purposes of sick leave in the event the receiving officer or employee or a family member suffers from a serious illness or injury. The amount transferred shall be converted to sick leave. An officer or employee shall not be allowed to receive more than one hundred sixty (160) hours of transferred leave per fiscal year, and a transfer shall not occur until the receiving employee has exhausted all of his or her accrued sick and vacation leave. An officer or employee shall not be eligible to transfer vacation leave unless his or her balance exceeds eighty (80) hours, and in no event may an officer or employee transfer an amount of accrued leave which would result in an accrued balance of less than eighty (80) hours.

officers and employees shall receive a lump sum payment for accrued but unused vacation leave at the hourly rate of pay of that officer or employee.

CHAPTER 381
(S.B. No. 1367)

AN ACT
RELATING TO TRAFFIC-CONTROL SIGNAL LEGEND; AMENDING SECTION 49-802, IDAHO CODE, TO PROVIDE A CONDITION UNDER WHICH THE DRIVER OF A MOTORCYCLE MAY PROCEED THROUGH A STEADY RED TRAFFIC-CONTROL SIGNAL AFTER COMING TO A FULL AND COMPLETE STOP AT THE INTERSECTION, TO SPECIFY WHEN SUCH ACTION IS NOT A DEFENSE TO A VIOLATION OF THE LAW AND TO MAKE TECHNICAL CORRECTIONS.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 49-802, Idaho Code, be, and the same is hereby amended to read as follows:
49-802. TRAFFIC-CONTROL SIGNAL LEGEND. Whenever traffic is controlled by traffic-control signals exhibiting different colored lights, or colored lighted arrows, successively one (1) at a time or in combination, only the colors green, red and yellow shall be used, except for pedestrian-control signals and the lights shall indicate and apply to drivers of vehicles and pedestrians as follows:

(1) Green indication:
   (a) A driver facing a circular green signal shall proceed straight through or turn right or left unless a sign prohibits a right or left turn. Any driver, including one turning, shall yield the right-of-way to other traffic and to pedestrians lawfully within the intersection, as defined in section 49-110, Idaho Code, or an adjacent crosswalk.
   (b) A driver facing a green arrow signal, shown alone or in combination with another indication, shall enter the intersection only to make the movement indicated by the green arrow, or other movement that is permitted by other indications shown at the same time. A driver facing a left turn green arrow shall yield the right-of-way to other traffic and to pedestrians lawfully within the intersection or an adjacent crosswalk.
   (c) A pedestrian facing a circular green signal, unless prohibited by a sign or otherwise directed by a pedestrian-control signal, as provided in section 49-803, Idaho Code, may proceed across the highway within any marked or unmarked crosswalk, but shall yield the right-of-way to vehicles lawfully within the intersection at the time that signal is first shown.
   (d) A pedestrian facing a green arrow turn signal, unless otherwise directed by a pedestrian-control signal, as provided in section 49-803, Idaho Code, shall not enter the highway.

(2) Steady yellow indication:
   (a) A driver facing a steady circular yellow or yellow arrow signal is being warned that the related green movement is ending, or that a red indication will be shown immediately after it.
   (b) A pedestrian facing a steady circular yellow or yellow arrow signal, unless otherwise directed by a pedestrian-control signal, as provided in section 49-803, Idaho Code, is being warned that there is insufficient time to cross the highway.

(3) Steady red indication:
   (a) A driver facing a steady circular red signal alone shall stop before entering the intersection, as defined in section 49-110, Idaho Code, and shall remain stopped until an indication to proceed is shown except as provided in paragraph (b) of this subsection. While stopped at the intersection, the driver shall remain stopped behind the marked limit line, as defined in section 49-113, Idaho Code, or if there is no marked limit line, shall not block the crosswalk.
   (b) Except when a sign is in place prohibiting a turn, a driver after stopping, facing a steady circular red signal, may turn right, or turn left from a highway onto a one-way highway after stopping. Vehicular traffic shall yield the right-of-way to pedestrians lawfully within an adjacent crosswalk and to other traffic lawfully using the intersection.
   (c) A driver facing a steady red arrow indication shall not enter the intersection to make the movement indicated by the arrow and,
unless entering the intersection to make a movement permitted by another signal, shall stop at a clearly marked limit line, but if none, before entering the crosswalk on the near side of the intersection, or if none, then before entering the intersection and shall remain stopped until an indication permitting movement is shown.

(d) Unless otherwise directed by a pedestrian-control signal, a pedestrian facing a steady circular red or red arrow signal shall not enter the traffic lanes of a highway.

(e) Notwithstanding any provision of law to the contrary, the driver of a motorcycle approaching an intersection that is controlled by a triggered traffic-control signal using a vehicle detection device that is inoperative due to the size of the motorcycle, shall come to a full and complete stop at the intersection. If the signal fails to operate after one cycle of the traffic signal, the driver may proceed after exercising due caution and care. It is not a defense to a violation of section 49-801, Idaho Code, that the driver of a motorcycle proceeded under the belief that a traffic-control signal used a vehicle detection device or was inoperative due to the size of the motorcycle when such signal did not use a vehicle detection device or that any such device was not in fact inoperative due to the size of the motorcycle.

(4) When an official traffic-control signal is erected and maintained at a place other than an intersection, the provisions of this section shall be applicable except as to those provisions which by their nature can have no application. Any stop required shall be made at a sign or crosswalk or limit line indicating where the stop shall be made, but in the absence of a sign or marking, the stop shall be made at the signal.

Approved April 7, 2006.

SECTION 2. There is hereby reappropriated to the State Board for Professional-Technical Education for the Division of Professional-Technical Education, subject to the provisions of Section 3 of this act, the unexpended and unencumbered balance of any appropriation contained in Section 1, Chapter 385, Laws of 2005, to be used for nonrecurring expenditures, for the period July 1, 2006, through June 30, 2007.

SECTION 3. The reappropriation for the General Fund moneys granted in Section 2 of this act shall be subject to the following provisions:

1. If the unexpended and unencumbered balance in the General Fund on June 30, 2006, is zero, the reappropriation for the General Fund moneys in Section 2 is hereby declared to be null and void.

2. If the unexpended and unencumbered balance in the General Fund on June 30, 2006, is greater than zero but less than the total General Fund reappropriation authority granted to all state agencies, that amount reappropriated in Section 2 of this act shall be in the proportion that the reappropriation for the State Board of Education bears to the total General Fund reappropriation authority granted to all state agencies.
SECTION 4. The Legislature reaffirms that the Division of Professional-Technical Education and the Office of the State Board of Education each play unique and vital roles in the state's educational system. The Legislature authorizes these agencies to share administrative resources only to the extent necessary to achieve readily obtainable administrative efficiencies. The shared resources authorized in this section shall be narrowly defined as human resources, information technology, reception and the fiscal activities of accounts payable, payroll processing and financial statement preparation. Each division administrator shall retain management decision-making autonomy over their respective divisions. The employees of the Division of Professional-Technical Education shall not be considered or used as adjunct staff by the Office of the State Board of Education. Under no circumstances shall this arrangement impair the individual ability of these agencies to fulfill their individual missions. This authorization is automatically withdrawn to the extent it is found to be inconsistent with laws or regulations pertaining to the use of federal or dedicated funds. The Legislature shall review this authorization each year and reserves its prerogative to withdraw it at any time.

SECTION 5. Whereas the Idaho Career Information System is losing its federal funding on June 30, 2006, it is legislative intent that the Idaho Career Information Board work with the Division of Financial Management and the Legislative Services Office to evaluate the long-term funding status of the Career Information System. A report of alternative funding options, potential operational expense efficiencies, and related recommendations shall be provided to the Joint Finance Appropriations Committee at its fall interim meeting.

SECTION 6. The Division of Professional-Technical Education is hereby directed to allocate salary savings, based on performance, to provide for employee salary needs before other operational budget priorities are considered. Where applicable, employees whose salaries are below the midpoint of their pay grade or occupational groups with significant turnover rates shall be considered first in the order of salary savings distributions.

environmental protection agency as hospital grade or better.

(2) Nail instruments shall be sanitized in accordance with manufac­
turers' standards.

(3) Every precaution shall be taken by persons licensed pursuant to
this chapter to prevent the transfer of disease causing pathogens from
person to person.

SECTION 7. That Chapter 8, Title 54, Idaho Code, be, and the same
is hereby amended by the addition thereto of a NEW SECTION, to be known
and designated as Section 54-837, Idaho Code, and to read as follows:

(1) Using the daily attendance reports that have been submitted for computing the February 15th apportionment of state funds as provided in section 33-1009, Idaho Code, determine the total support units for the district in the manner provided in section 33-1002 b.b., Idaho Code;

(2) Determine the instructional staff allowance by multiplying the support units by 1.1. A district must demonstrate that it actually employs the number of certificated instructional staff allowed. If the district does not employ the number allowed, the staff allowance shall be reduced to the actual number employed;

(3) Determine the administrative staff allowance by multiplying the support units by .075;

(4) Determine the classified staff allowance by multiplying the support units by .375;

(5) Additional conditions governing staff allowance:

(a) In determining the number of staff in subsections (2), (3) and (4) of this section, a district may contract separately for services to be rendered by nondistrict employees and such employees may be counted in the staff allowance. A "nondistrict employee" means a person for whom the school district does not pay the employer's obligations for employee benefits. When a district contracts for the services of a nondistrict employee, only the salary portion of the contract shall be allowable for computations.

(b) If there are circumstances preventing eligible use of staff allowance to which a district is entitled as provided in subsections (2) and (3) of this section, an appeal may be filed with the state department of education outlining the reasons and proposed alternative use of these funds, and a waiver may be granted.

(c) For any district with less than forty (40) support units:

(i) The instructional staff allowance shall be calculated applying the actual number of support units. If the actual instructional staff employed in the school year is greater than the instructional staff allowance, then the instructional staff allowance shall be increased by one-half (1/2) staff allowance;

and

(ii) The administrative staff allowance shall be calculated applying the actual number of support units. If the actual administrative staff employed in the school year is greater than the administrative staff allowance, then the administrative staff allowance shall be increased by one-half (1/2) staff allowance.

(iii) Additionally, for any district with less than twenty (20) support units, the instructional staff allowance shall be calculated applying the actual number of support units. If the number of instructional staff employed in the school year is greater than the instructional staff allowance, the staff allowance shall be increased as provided in paragraphs (i) and (ii) of this subsection, and by an additional one-half (1/2) instructional staff allowance.

(d) For any school district with one (1) or more separate secondary schools serving grades nine (9) through twelve (12), the instructional staff allowance shall be increased by two (2) additional instructional staff allowances for each such separate secondary school.
(e) Only instructional, administrative and classified personnel compensated by the school district from the general maintenance and operation fund of the district shall be included in the calculation of staff allowance or in any other calculations based upon staff, including determination of the experience and education multiplier, the reporting requirements, or the district's salary-based apportionment calculation. No food service staff or transportation staff shall be included in the staff allowance.

(6) In the event that the staff allowance in any category is insufficient to meet accreditation standards, a district may appeal to the state board of education, demonstrating the insufficiency, and the state board may grant a waiver authorizing sufficient additional staff to be included within the staff allowance to meet accreditation standards. Such a waiver shall be limited to one (1) year, but may be renewed upon showing of continuing justification.

Approved April 10, 2006.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That the Heading for Chapter 29, Title 49, Idaho Code, be, and the same is hereby amended to read as follows:
SECTION 2. That Section 49-2901, Idaho Code, be, and the same is hereby amended to read as follows:

49-2901. RAIL-SERVICE-PRESERVATION RURAL ECONOMIC DEVELOPMENT AND INTEGRATED FREIGHT TRANSPORTATION PROGRAM. (1) The Idaho rail-service preservation rural economic development and integrated freight transportation program is hereby established. The Idaho transportation board of commerce and labor is designated and authorized to administer the Idaho rail-service preservation rural economic development and integrated freight transportation program.

(2) State funding for rail rural freight transportation service preservation projects shall benefit the state's interest by assisting businesses and industries to develop and expand their operations in shipping freight and products to market. The state's interest is served by maintaining competitive transportation services for Idaho freight shippers, reducing public roadway maintenance and repair costs, increasing economic development opportunities, increasing domestic and international trade, creating and preserving jobs, and enhancing safety. State funding for projects is contingent upon appropriate private sector partnerships with state and local governments, participation and cooperation. Before recommending the spending of these dedicated state moneys on intermodal projects, the Idaho transportation board of commerce and labor shall seek federal, local and private funding and participation to the greatest extent possible. Whenever possible, the board department shall seek to assist a private sector solution for the implementation of this chapter.

SECTION 3. That Chapter 29, Title 49, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW SECTION, to be known and designated as Section 49-2902, Idaho Code, and to read as follows:

49-2902. INTERAGENCY WORKING GROUP CREATED. (1) An interagency working group is hereby created to advise the department of commerce and labor on issues and policies in support of the department of commerce and labor's administration of the rural economic development and integrated freight transportation program established in section 49-2901, Idaho Code. The interagency working group shall participate in planning and identifying program needs and shall carry out its duties specified in section 49-2903, Idaho Code. Before recommending state funding, using state dedicated funds, and recommending priorities, the interagency working group shall seek pertinent information, facts and data from state and local governments, and agencies regarding rural freight transportation issues.

(2) The interagency working group shall be composed of seven (7) members:

(a) Four (4) members shall be appointed by the director of the Idaho transportation department, two (2) of whom shall be employees of the Idaho transportation department with a working knowledge of rail and truck freight transportation and intermodal entities, one (1) member, not a state employee, shall represent freight shipping
interests, and one (1) member shall be a representative from the local highway technical assistance council; and
(b) Three (3) members shall be appointed by the director of the department of commerce and labor, two (2) of whom shall be employees of the department of commerce and labor with a working knowledge of economic development issues, and one (1) member, not a state employee, shall represent business development and financing interests.
(c) At the beginning of each state fiscal year, the director of the Idaho transportation department shall designate one (1) of his appointees as cochairman, and the director of the department of commerce and labor shall designate one (1) of his appointees as cochairman.
(d) Each member appointed shall serve at the pleasure of the appointing authority, provided however, the service of state employee members shall run concurrently with their state employment. Nonstate employee members shall serve one (1) term of five (5) years, but may be appointed to serve nonconsecutive terms, and shall be reimbursed according to the provisions of section 59-509(b), Idaho Code.
(e) The interagency working group shall meet at such times as necessary and appropriate to review applications for funds distributed pursuant to the provisions of this chapter, but not less frequently than annually.
(3) The department of commerce and labor shall determine and provide such amounts as are necessary for planning and operating expenses and staff assistance and support in order to administer the program, and to administer the fund established in section 49-2904, Idaho Code.

SECTION 4. That Section 49-2902, Idaho Code, be, and the same is hereby amended to read as follows:

49-29023. DUTIES OF THE BOARD INTERAGENCY WORKING GROUP. (1) The Idaho transportation board shall monitor the status of the state's main-line, short-line, and branch line-common carrier railroads through the state-rail planning process and various analyses, and shall seek alternatives to abandonment prior to the federal-surface transportation board proceedings, where feasible.
(2) The board interagency working group shall provide recommendations to the department of commerce and labor in order for that department to establish criteria for evaluating rail intermodal projects of significance to the state, and the interagency working group shall continue to monitor projects for which it provides assistance to the department of commerce and labor.
(3) The board interagency working group shall provide recommendations to the department of commerce and labor in order for the department to develop criteria for prioritizing freight rail and intermodal projects that meet the minimum eligibility requirements for state assistance financial support from the revolving loan fund created in section 49-2904, Idaho Code. Project criteria should consider the level of local financial commitment to the project as well as the cost/benefit ratio. Railroads, shippers, intermodal commerce authorities as defined in chapter 22, title 70, Idaho Code, and others who benefit from the project should participate financially to the greatest extent practicable.
(43) The board interagency working group shall provide the assistance necessary for the department to ensure that the state maintains a contingent interest in any equipment, property, rail line, or facility that has outstanding grants or loans. The owner of a qualified line as defined in section 49-2904, Idaho Code, shall not use the line as collateral, remove track, bridges or associated elements for salvage, or use it in any other manner subordinating the state's interest without permission--from--the-board until any loan made to the owner pursuant to this chapter has been repaid in full. As the state is not a primary lender of money, it is understood the state may need to take a subordinate position for its contingent interest.

SECTION 5. That Section 49-2903, Idaho Code, be, and the same is hereby amended to read as follows:

49-29034. RAIl--SERVICE-PRESERVATION RURAL ECONOMIC DEVELOPMENT AND INTEGRATED FREIGHT TRANSPORTATION REvolving loan fund. (1) The rail-service-preservation rural economic development and integrated freight transportation revolving loan fund is hereby created in the state treasury. The Idaho-transportation-board department of commerce and labor is authorized to administer the rail-service-preservation rural economic development and integrated freight transportation revolving loan fund. Moneys in the fund shall be used only for the purposes specified in this section chapter. Surplus moneys in the fund shall be invested by the state treasurer in the same manner as provided under section 67-1210, Idaho Code, with respect to other surplus or idle moneys in the state treasury. Interest earned on the investments shall be returned to the rural economic development and integrated freight transportation revolving loan fund.

(2) Moneys in the fund are subject to appropriation and may consist of appropriations, grants, repayment of loans and other revenues from any other sources.

(3) Moneys in the fund may be used by-the-board for loans or grants for qualified rail lines for the development and preservation of intermodal rail and truck services and facilities upon terms and conditions to be determined by the board department of commerce and labor with the assistance and advice of the interagency working group as appropriate, for the purpose of:

(d) Financial assistance to class III railroads for the preservation of light-density lines as identified by the Idaho-transportation-board Coordinating intermodal truck and rail traffic for integrated rural freight transportation.

(4) For the purposes of this chapter, "qualified lines" means class III short lines, branch lines of class I or railroads leased or operated by a class III railroad, branch lines of class II railroads, and lines
owned by public entities including port districts and intermodal commerce authorities. Definition of class I, II and III railroads shall be as defined by the federal railroad administration.

(5) Moneys received by the board department of commerce and labor from loan payments or other revenues shall be redeposited in the rail service-preservation rural economic development and integrated freight transportation fund. (j) Identify and describe the state's intermodal rural rail and truck freight system by:

(i) Preparing state intermodal and regional freight transfer station system maps;
(ii) Identifying and evaluating intermodal and truck and rail freight transfer capacity and coordination issues in cooperation with local government and the railroad and truck interests;
(iii) Identifying and evaluating intermodal and freight transfer access and highway capacity issues; and
(iv) Identifying and evaluating major freight commodity origins, destinations and traffic flows by mode and corridor.

(2) The Idaho transportation department shall provide information to the interagency working group for assisting and advising the department of commerce and labor to monitor the status of the state's mainline, short line and branch line common carrier railroads through the state rail planning process and various analyses. In addition, the Idaho transportation department shall submit to the interagency working group, its evaluation of alternatives to abandonment prior to federal surface transportation board proceedings, where feasible.

(23) The state rail and intermodal facility system plan may be prepared in conjunction with any rail plan currently prepared by the Idaho transportation department pursuant to other federal rail assistance programs, or which may be enacted, including if applicable, the federal local rail freight assistance program.

As used in this section, "assets" means all investments held in the name of the trust as permitted by section 41-4009, Idaho Code.

(2) The director may terminate the registration of a plan for violation of this act chapter, or failure of the trustee to file the annual statement with the director and pay the tax within the time required under sections 41-4011 and 41-4012, Idaho Code, or if he finds, after an examination of the trust fund and the plan:

(b) That as a matter of frequent practice the benefits promised by the plan are not being fairly and promptly paid;
(c) That the cost of administering the plan is excessive in relation to the character and volume of service being rendered in the administration;
or
(d) That the trust fund has been subject to fraudulent or dishonest practices on the part of the trustee, administrator, consultant, any participating employer, or beneficiaries.
(3) The director shall so terminate the registration by his written order given to the trustee last of record and to each employer last of record a participant in the plan. The order shall state the grounds upon which made and its effective date. The order shall be subject to judicial review in the same manner as applies to official orders of the director in general.

Unless under the plan of liquidation, liability for all unpaid claims and obligations of the trust fund has been assumed by other financially responsible person or persons, the existence of surplus funds for such disposition shall not be determined prior to expiration of two (2) years after termination of the registration.

(3) The plan of liquidation of an insolvent trust fund, after such plan has been approved by the director, shall be binding upon all persons pecuniarily interested in the trust fund. Pending the effectuation of the plan of liquidation of an insolvent trust fund, the director may impose such prohibitions or restrictions upon disbursement or use of trust fund moneys as he deems advisable for the protection of all interested persons.

(4) If the trust fund is then insolvent and a plan of liquidation thereof satisfactory to the director as being fair and equitable is not filed with him within sixty (60) days after the effective date of termination of the plan's registration, or if liquidation of a solvent trust fund is not being self-funded plan shall be carried out by the director in accordance with the plan of liquidation theretofore approved by him, the director shall liquidate the trust fund under the applicable provisions of chapter 33, title 41, Idaho Code (rehabilitation and liquidation), and for this purpose the trust fund self-funded plan shall be deemed to be an insolvent domestic insurer.

SECTION 17. That Section 41-4020, Idaho Code, be, and the same is hereby amended to read as follows:

41-4020. RULES AND REGULATIONS. (1) The director may make reasonable rules and regulations necessary for or as an aid to effectuation of any provision of this act chapter. (2) Such rules, and regulations, or any amendment thereof, shall be made by the director only after a public hearing thereon of which the director has given written notice not less than thirty (30) days in advance to the trustee of each plan then registered with him. If reasonably possible, the director shall include with the notice a copy of the proposed rules and regulations or amendment, or a condensed summary of material—proposed—provisions in accordance with chapter 52, title 67, Idaho Code.

SECTION 19. That Section 41-4022, Idaho Code, be, and the same is hereby amended to read as follows:

41-4022. PENALTIES. (1) Any person who willfully violates or causes or induces violation of any provision of this act chapter or any lawful rule or regulation of the director issued thereunder, shall be subject to an administrative penalty as provided in subsection (4) of this section for each violation of not more than one thousand dollars ($1,000) for an individual and not more than five thousand dollars ($5,000) for any entity.

(2) Any person who makes a false statement or representation of a material fact, knowing it to be false, or who knowingly fails to disclose a material fact in any application, examination, or statement required under this act chapter or by lawful rule or regulation of the director thereunder, shall be subject to penalty as provided in subsection (4) of this section.

(3) Any person who makes a false entry in any book, record, statement, or report required by this act chapter or lawful rule or regulation of the director thereunder to be kept by him for any self-funded plan, with intent to injure or defraud the trust fund or any beneficiary thereunder, or to deceive any one authorized or entitled to examine the affairs of the plan, shall be subject to penalty as provided in subsection (4) of this section.

(4) For each such violation, act or omission referred to in subsections (2) and (3) of this section, unless greater penalty is provided therefor under any other applicable law, the offender shall upon conviction thereof be subject to a fine of not more than one fifteen thousand dollars ($15,000) and to imprisonment for not more than one fifteen (15) years, or to both such fine and imprisonment.

SECTION 20. That Section 41-4023, Idaho Code, be, and the same is hereby amended to read as follows:

41-4023. COVERAGE FROM MOMENT OF BIRTH — COMPLICATIONS OF PREGNANCY. (1) Every self-funded plan issued in this state or providing coverage to any covered family residing within this state, shall contain a provision granting immediate accident and sickness coverage, from and after the moment of birth, to each newborn child or infant of any covered family covered, including a newborn child placed with the adoptive covered family within sixty (60) days of the adopted child's date of birth. Coverage under the self-funded plan for an adopted newborn child placed with the adoptive covered family more than sixty (60) days after the birth of the adopted child shall be from and after the date the child is so placed. Coverage provided in accordance with this section shall include, but not be limited to, coverage for congenital anomalies.
For the purposes of this section, "child" means an individual who has not reached eighteen (18) years of age as of the date of the adoption or placement for adoption. For the purposes of this section, "placed" shall mean physical placement in the care of the adoptive covered family, or in those circumstances in which such physical placement is prevented due to the medical needs of the child requiring placement in a medical facility, it shall mean when the adoptive covered family signs an agreement for adoption of such child and signs an agreement assuming financial responsibility for such child. Prior to legal finalization of adoption, the coverage required under the provisions of this subsection (1) as to a child placed for adoption with a covered family continues in the same manner as it would with respect to a naturally born child of the covered family until the first to occur of the following events:

(a) Date the child is removed permanently from that placement and the legal obligation terminates; or
(b) The date the covered family rescinds, in writing, the agreement of adoption or agreement assuming financial responsibility. No such plan may be issued or amended if it contains any disclaimer, waiver, or other limitation of coverage relative to the coverage or insurability of newborn or adopted children or infants of a covered family covered from and after the moment of birth that is inconsistent with the provisions of this section.

(2) Neither the plan trustee or employer nor an insurer shall not restrict coverage under a self-funded plan of any dependent child adopted by a participant or beneficiary, or placed with a participant or beneficiary for adoption, solely on the basis of a preexisting condition of the child at the time the child would otherwise become eligible for coverage under the plan, if the adoption or placement for adoption occurs while the participant or beneficiary is eligible for coverage under the plan.

(3) No self-funded plan which provides maternity benefits for a person covered continuously from conception shall be issued, amended, delivered, or renewed in this state on or after January 1, 1977, if it contains any exclusion, reduction, or other limitations as to coverage, deductibles, or coinsurance provisions as to involuntary complications of pregnancy, unless such provisions apply generally to all benefits paid under the plan. If a fixed amount is specified in such plan for surgery, the fixed amounts for surgical procedures involving involuntary complications of pregnancy shall be commensurate with other fixed amounts payable for procedures of comparable difficulty and severity. In a case where a fixed amount is payable for maternity benefits, involuntary complications of pregnancy shall be deemed an illness and entitled to benefits otherwise provided by the plan. Where the plan contains a maternity deductible, the maternity deductible shall apply only to expenses resulting from normal delivery and cesarean section delivery; however, expenses for cesarean section delivery in excess of the deductible shall be treated as expenses for any other illness under the plan. This subdivision subsection shall apply to all self-funded plans except any such plan made subject to an applicable collective-bargaining agreement in effect before January 1, 1977.

For purposes of this subdivision subsection, involuntary complications of pregnancy shall include, but not be limited to, puerperal infection, eclampsia, cesarean section delivery, ectopic pregnancy, and toxemia.
All plans subject to this subdivision subsection and issued, amended, delivered, or renewed in this state on or after January 1, 1977, shall be construed to be in compliance with this section, and any provision in any such plan which is in conflict with this section shall be of no force or effect.

(4) From and after January 1, 1998, no self-funded plan that provides maternity benefits shall restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child in a manner that would be in conflict with the newborns' and mothers' health protection act of 1996.

Approved April 10, 2006.

   (a) Have, or provide for, a board of trustees in accordance with this chapter for the administration of the plan;
   (b) Require that all members of the joint powers agreement comply with the provisions of the joint powers agreement;
   (c) Provide that the administrator or board on behalf of the plan, as the case may be, shall furnish to each employee-beneficiary of the plan a written statement or schedule adequately and clearly stating all benefits currently allowable under the plan, together with all applicable restrictions, limitations, and exclusions, and the procedure for filing a claim for benefits; and
   (d) Otherwise be in compliance with the provisions of this chapter.

(3) The allocated trust fund must be actuarially sound; that is, assets and income of the fund must be adequate under reasonable estimates for payment of all benefits promised to beneficiaries by the plan. In determining actuarial soundness the director shall also give due consideration to:
   (a) Applicable stop-loss insurance provided or to be provided the plan by an insurer duly authorized to transact disability insurance in this state;
   (b) Contracts with health care service corporations or health maintenance organizations authorized to conduct such operations in this state and covering certain of the promised benefits;
   (c) Other applicable insurance or guaranties; and
   (d) The nature of the participating entities and other plan factors or provisions for prevention or reduction of adverse selection against the plan by those otherwise eligible to become beneficiaries.

(4) The plan shall maintain aggregate stop-loss coverage and specific stop-loss coverage provided by an insurance company authorized to transact insurance in this state in accordance with the annual actuarial opinion of the plan.
41-4105. APPLICATION FOR REGISTRATION. (1) Application for registration of a joint public agency self-funded plan for public agencies shall be made to the director, on forms furnished and designed by him. The application shall be signed and verified by at least two (2) of the board members.

(2) The application shall be accompanied by:

   (b) A copy of the proposed written statement of benefits referred to in section 41-4104(2), Idaho Code;
   (c) A financial statement of the trust fund, if already in existence and operating on July 1, 2006. The statement shall be certified by an independent certified public accountant according to generally accepted accounting principles;
   (d) If not already in existence, a written statement of reasonably projected income and disbursements of the trust fund for the twelve (12) month period commencing with date of application and showing also the amount projected as of the end of such period for claims incurred and not paid and incurred and not reported as certified by an actuary having experience in establishing rates for a self-funded plan and the health services being provided, and who is also a fellow of the society of actuaries, a member of the American academy of actuaries, or an enrolled actuary under the employment retirement income security act of 1974;
   (e) If not already in existence, a copy of a business plan;
   (f) A copy of an actuarial study determining adequate rates for the plan. The rates shall not be less than the sum of projected incurred claims for the year plus costs of operation plus a reasonable portion of any prior year deficiency less any excess surplus; and
   (g) Such other relevant documentation and information as the director may reasonably require considering that these entities are public agency plans and not private insurance companies.

(3) At the time of filing the application the applicant shall pay to the director a nonrefundable filing fee as provided for by rule.

(4) The director shall transmit and account for all fees received by him hereunder as provided in section 41-406, Idaho Code.

41-4106. GRANT OR DENIAL OF APPLICATION. The director shall act upon an application for registration of a joint public agency self-funded plan with all reasonable promptness. He may make a reasonable investigation of the proposal from the public agency. If the director finds that the application is complete and that the plan meets the qualifications stated in section 41-4104, Idaho Code, he shall issue and deliver a certificate of registration in appropriate form to the applicant; otherwise, the director shall refuse to register the plan and shall give written notice of such refusal to the applicant, stating the reasons therefor.

41-4107. TRUST FUND -- POWERS. In addition to the inherent applicable powers of its public agency members and those of a joint powers entity, the trust fund of a joint public agency self-funded plan shall have power:

(1) To have and use an appropriate descriptive name;
(2) To sue and be sued in its own name;
(3) To contract in its own name. All such contracts in writing shall be signed by the chairman of the board or his or her designee;

(4) To borrow money and give security therefor; and

(5) To engage exclusively in transactions authorized or required by this chapter, or reasonably incidental thereto.

41-4108. TRUST FUND LIABILITY. (1) The trust fund of a joint public agency self-funded plan shall be legally liable for payment of all applicable benefits stated in the statement or schedule of benefits in effect at the time a claim thereunder arises and subject to the terms of the joint powers agreement.

(2) Funds in the trust fund are fiduciary funds, and are not liable for any obligation of any employer participant in the plan, nor subject to garnishment or levy for the obligation of the beneficiary. This subsection (2) shall not be deemed to prohibit levy upon the trust fund by any provider thereof, or its assignee, for health care services rendered a beneficiary if the trust fund has theretofore agreed in writing to pay for the same direct to such provider.

41-4109. INVESTMENT OF TRUST FUND. (1) The board may invest reserves and other funds available for the purpose in the trust fund of a joint public agency self-funded plan in the following kinds of investments only:

(a) General obligations of the United States government, or of any state, district, commonwealth or territory of the United States, or of any municipality, county, or other political subdivision or agency thereof.

(b) Obligations, the payment of principal and interest of which is guaranteed by any such government or agency.

(c) Corporate bonds and similar obligations meeting the requirements specified for investment of funds of insurers under section 41-711, Idaho Code.

(d) Collateral loans, payment of principal and interest of which is adequately secured by securities in which the trust fund could lawfully invest directly.

(e) Deposits, savings accounts, and share accounts in established banks and savings and loan associations located in the United States.

(2) In addition to investments excluded under subsection (1) of this section, the board is expressly prohibited from investing trust fund moneys in:

(a) Any loan to or security of any employer participating in the plan, or to or of any officer, director, subsidiary or affiliate of any such employer.

(b) The security of any person in which a member of the board, administrator, or any consultant of the plan has a direct or indirect material pecuniary interest.

(c) Real estate or loans thereon.

(d) Any personal loan, other than a collateral loan referred to in subsection (1)(d) of this section, but subject to paragraphs (a) and (b) of this subsection (2).

(3) All such investments shall be made and held in the name of the trust fund, and the interest and yield thereon shall inure to the account of the trust fund.
(4) No investment shall be made unless authorized in writing by the board and so shown in the records of the trust fund.

(5) Any person who authorizes any investment of trust fund moneys in violation of this section shall, in addition to other penalty therefor, be liable for all loss suffered by the trust fund on account of the investment.

(6) No investment made in violation of this section shall constitute an "asset" in any determination of the financial condition of the trust fund.

41-4110. RESERVES. (1) A joint public agency self-funded plan shall establish and maintain in its trust fund the following reserves:

(a) A reserve in an amount as certified by a member of the American academy of actuaries as being necessary for payment of claims against the trust fund for benefits, including both claims reported and not yet paid and claims incurred but not yet reported. Any joint public agency self-funded plan in existence as of July 1, 2006, shall also have three (3) years from the effective date of this act to fund the applicable reserves.

(b) If under the plan periodic contributions of either the employer or employees to the trust fund are payable less frequently than monthly, there shall be a reserve for unearned contributions as computed pro rata on the basis of the unexpired portion of the period for which the contribution has been paid.

(2) In any determination of the financial condition of the trust fund the claims reserve and reserve for unearned contributions shall constitute liabilities.

41-4111. RECORDS AND ACCOUNTS -- ANNUAL STATEMENT. (1) The board of a joint public agency self-funded plan shall cause full and accurate records and accounts to be entered and maintained covering all financial transactions and affairs of the trust fund.

(2) Within ninety (90) days after the close of a fiscal year of the plan, the board shall make an annual statement in writing summarizing the financial transactions of the trust fund for such fiscal year and its financial condition at the end of such year in accordance with this chapter and generally accepted and applicable accounting principles. The statement shall be in the form as prescribed by the director and the financial information therein shall be certified by an independent public accountant by whom such information was prepared. The board shall keep a copy thereof on file in the business office of the plan where it shall be available at all reasonable times for a period of not less than three (3) years for review by any beneficiary and shall deliver a copy of a financial summary to each participating employer.

(3) On or before expiration of such ninety (90) day period the board shall cause an original of the annual statement to be filed with the director. The joint public agency self-funded plan shall not be subject to any filing fees provided for by rule. The director may grant a thirty (30) day extension of the time for filing the annual statement.

(4) The board shall also file quarterly supplemental financial reports in a form and at the times prescribed by the director.
(5) The annual and quarterly reports required under this section shall be public records.

41-4112. TAXES -- EXEMPTION. Any plan established under this chapter is not subject to any state tax, including a premium or maintenance tax.

41-4113. EXAMINATION OF BOOKS, RECORDS AND ACCOUNTS. (1) The books, records, accounts and affairs of a joint public agency self-funded plan shall be subject to examination by the director, by competent examiners duly authorized by him in writing, at such times or intervals as the director deems advisable. The purposes of the examination shall be to determine compliance of the plan with applicable laws, financial condition and actuarial adequacy of its trust fund, treatment accorded beneficiaries, and as to other factors materially related to the plan's management and operation.

(2) The board shall promptly make the books, records and accounts of the plan and trust fund available in Idaho to the examiner and otherwise facilitate the examination.

(3) The examiner shall conduct the examination expeditiously, make his report of the examination in writing, and deliver a copy thereof to the board and to the director. The board shall have four (4) weeks after receipt of the report within which to recommend to the director such corrections or changes therein as the board may deem appropriate. After making such corrections or changes, if any, as he deems proper, the director shall file the report in his office as a document open to public inspection, and deliver to the board a copy of the report as so corrected or changed.

(4) Since a joint public agency self-funded plan is funded by local tax moneys, the costs of the examination shall not be borne by the plan or trust fund of the plan.

41-4114. BOARD OF TRUSTEES -- ADMINISTRATORS. (1) The trust shall be governed and managed by a board of trustees. This board shall consist of members elected by the governing boards of the member public agencies. The composition and membership of the board shall be established in the joint powers agreement between the members. The process and procedure for conducting the election and determining the members shall be set forth in the joint powers agreement establishing the plan, except that the election must be conducted, completed and results certified by December 31 of each year in which an election for members is conducted. Boards of joint public agency self-funded plans existing as of July 1, 2006, shall be deemed to be in compliance with the establishment requirements of this chapter but shall conduct future elections in accordance with the requirements of this chapter.

(2) An individual, firm or corporation may be an administrator of a plan.

(3) The board shall cause all individuals handling receipts and disbursements for the trust fund to be covered under a dishonesty insurance policy or surety bond in an amount not less than ten percent (10%) of the annual contributions to the plan or as the director may deem reasonably advisable, issued by an insurer authorized to transact such insurance in this state. This policy shall only be canceled upon giving no less than thirty (30) days' notice to the board and to the director.
The cost of the insurance shall be borne by the trust fund. The amount of any policy or bond required under this section shall be not less than twenty-five thousand dollars ($25,000) or more than five hundred thousand dollars ($500,000).

41-4115. PROHIBITED PECUNIARY INTERESTS IN PLAN MANAGEMENT. No board member, administrator or other person having responsibility for the management of a joint public agency self-funded plan or the investment or other handling of plan funds shall:

(1) Receive directly or indirectly or be pecuniarily interested in any fee, commission, compensation, or emolument, other than salary or other compensation regularly fixed and allowed for services regularly rendered to the plan, arising out of any transaction to which the trust fund is or is to be a party;

(2) Receive compensation as a consultant to the plan while also acting as a board member or administrator, or as an employee of either; or

(3) Have any direct or indirect material pecuniary interest in any loan or investment of the trust fund.

41-4116. POLITICAL CONTRIBUTIONS PROHIBITED. No board shall make or knowingly permit the making, directly or indirectly, of any political contribution by or from any joint public agency self-funded plan trust fund.

41-4117. RECOVERY OF DEPLETED FUNDS. If after notice and hearing the director finds that any joint public agency self-funded plan trust fund has been depleted by reason of any wrongful or grossly negligent act or omission of a board member or any other person, he shall transmit a copy of his findings to the attorney general of this state, who may bring an action in the name of the people of this state, or intervene in any action brought by or on behalf of an employer or beneficiary, for the recovery of the amount of such depletion, for the benefit of the trust fund.

41-4118. TERMINATION OF REGISTRATION. (1) The director may terminate the registration of a joint public agency self-funded plan upon written request of the board, or if he finds, after an examination, that the trust fund is insolvent.

(2) The director may terminate the registration of a plan for violation of this chapter, or failure of the board to file the annual statement with the director within the time required under section 41-4111, Idaho Code, or if he finds, after an examination of the trust fund or the plan:

(a) That the plan no longer meets the qualifications required by sections 41-4101 and 41-4110, Idaho Code, and that the deficiency will not or cannot be remedied within a reasonable time;

(b) That as a matter of frequent practice the benefits promised by the plan are not being fairly and promptly paid;

(c) That the cost of administering the plan is excessive in relation to the character and volume of service being rendered in the administration; or

(d) That the trust fund has been subject to fraudulent or dishonest
practices on the part of the board, administrator, consultant, any participating employer, or beneficiaries.

(3) The director shall so terminate the registration by his written order given to the board and to each employer last of record a participant in the plan. The order shall state the grounds upon which it is made and its effective date. The order shall be subject to judicial review in the same manner as applies to official orders of the director in general.

41-4119. LIQUIDATION OF TRUST FUND. (1) Upon termination of registration the trust fund of a joint public agency self-funded plan shall be liquidated.

(2) Liquidation of a solvent joint public agency self-funded plan shall be conducted by its trustee under a plan of liquidation in writing filed with the director, found by the director to be fair and equitable to all persons having a pecuniary interest in the trust fund, and approved by him. Any balance remaining after payment or adequate provision for all claims and charges against the trust fund shall be disposed of in such manner as is provided for in the plan of liquidation. Unless under the plan of liquidation liability for all unpaid claims and obligations of the trust fund has been assumed by other financially responsible person or persons, the existence of surplus funds for such disposition shall not be determined prior to expiration of two (2) years after termination of the registration.

(3) The liquidation of an insolvent joint public agency self-funded plan shall be carried out by the director in accordance with chapter 33, title 41, Idaho Code (supervision, rehabilitation and liquidation), and for this purpose the joint public agency self-funded plan shall be deemed to be an insolvent domestic insurer.

41-4120. RULES. (1) The director may make reasonable rules necessary for or as an aid to effectuation of any provision of this chapter. No such rule shall extend, modify, or conflict with any provision of this chapter and the reasonable implications thereof nor any of the administrative, statutory or constitutional rights and responsibilities of a public agency.

(2) Such rules, or any amendment thereof, shall be made by the director in accordance with chapter 52, title 67, Idaho Code.

41-4121. OTHER PROVISIONS APPLICABLE. Chapter 2, title 41, Idaho Code (the director of the department of insurance), chapter 13, title 41, Idaho Code (trade practices and frauds), and sections 41-2141(1) and 41-2216(1), Idaho Code (coordination of benefits, except to the extent the rules pertain to medicare coverage), to the extent applicable and not in conflict with the express provisions of this chapter, shall also apply with respect to joint public agency self-funded plans, and for the purpose such plans shall be deemed to be "insurers."

41-4122. PENALTIES. (1) Any person who violates or causes or induces violation of any provision of this chapter or any lawful rule of the director issued hereunder, shall be subject to an administrative penalty for each violation of not more than one thousand dollars ($1,000) for an individual and not more than five thousand dollars ($5,000) for any entity.
(2) Any person who makes a false statement or representation of a material fact, knowing it to be false, or who knowingly fails to disclose a material fact in any application, examination, or statement required under this chapter or by lawful rule of the director hereunder, shall be subject to penalty as provided in subsection (4) of this section.

(3) Any person who makes a false entry in any book, record, statement, or report required by this chapter or lawful rule of the director hereunder to be kept by him for any joint public agency self-funded plan, with intent to injure or defraud the fund or any beneficiary thereunder, or to deceive any person authorized or entitled to examine the affairs of the plan, shall be subject to penalty as provided in subsection (4) of this section.

(4) For each such violation, act or omission referred to in subsections (2) and (3) of this section, unless greater penalty is provided therefor under any other applicable law, the offender shall upon conviction thereof be subject to a fine of not more than fifteen thousand dollars ($15,000) and to imprisonment for not more than fifteen (15) years, or to both such fine and imprisonment.

41-4123. COVERAGE FROM MOMENT OF BIRTH -- COMPLICATIONS OF PREGNANCY. (1) Every joint public agency self-funded plan issued in this state or providing coverage to any covered family residing within this state, shall contain a provision granting immediate accident and sickness coverage, from and after the moment of birth, to each newborn child or infant of any covered family, including a newborn child placed with the adoptive covered family within sixty (60) days of the adopted child's date of birth. Coverage under the joint public agency self-funded plan for an adopted newborn child placed with the adoptive covered family more than sixty (60) days after the birth of the adopted child shall be from and after the date the child is so placed. Coverage provided in accordance with this section shall include, but not be limited to, coverage for congenital anomalies. For the purposes of this section, "child" means an individual who has not reached eighteen (18) years of age as of the date of the adoption or placement for adoption. For the purposes of this section, "placed" shall mean physical placement in the care of the adoptive covered family, or in those circumstances in which such physical placement is prevented due to the medical needs of the child requiring placement in a medical facility, it shall mean when the adoptive covered family signs an agreement for adoption of such child and signs an agreement assuming financial responsibility for such child. Prior to legal finalization of adoption, the coverage required under the provisions of this subsection (1) as to a child placed for adoption with a covered family continues in the same manner as it would with respect to a naturally born child of the covered family until the first to occur of the following events:

(a) The date the child is removed permanently from that placement and the legal obligation terminates; or
(b) The date the covered family rescinds, in writing, the agreement of adoption or agreement assuming financial responsibility.

No such plan may be issued or amended if it contains any disclaimer, waiver, or other limitation of coverage relative to the coverage or insurability of newborn or adopted children or infants of a covered fam-
ily covered from and after the moment of birth that is inconsistent with
the provisions of this section.

(2) An insurer shall not restrict coverage under a joint public
agency self-funded plan of any dependent child adopted by a participant
or beneficiary, or placed with a participant or beneficiary for adop-
tion, solely on the basis of a preexisting condition of the child at the
time the child would otherwise become eligible for coverage under the
plan, if the adoption or placement for adoption occurs while the partic-
ipant or beneficiary is eligible for coverage under the plan.

(3) No joint public agency self-funded plan which provides mater­
nity benefits for a person covered continuously from conception shall be
issued, amended, delivered, or renewed in this state if it contains any
exclusion, reduction, or other limitations as to coverage, deductibles,
or coinsurance provisions as to involuntary complications of pregnancy,
unless such provisions apply generally to all benefits paid under the
plan. If a fixed amount is specified in such plan for surgery, the fixed
amounts for surgical procedures involving involuntary complications of
pregnancy shall be commensurate with other fixed amounts payable for
procedures of comparable difficulty and severity. In a case where a
fixed amount is payable for maternity benefits, involuntary
complications of pregnancy shall be deemed an illness and entitled to
benefits otherwise provided by the plan. Where the plan contains a
maternity deductible, the maternity deductible shall apply only to
expenses resulting from normal delivery and cesarean section delivery;
however, expenses for cesarean section delivery in excess of the deduct­
ible shall be treated as expenses for any other illness under the plan.

For purposes of this subsection (3), involuntary complications of
pregnancy shall include, but not be limited to, puerperal infection,
eclampsia, cesarean section delivery, ectopic pregnancy, and toxemia.

All plans subject to this subsection (3) and issued, amended, deliv­
ered, or renewed in this state shall be construed to be in compliance
with this section, and any provision in any such plan which is in con­
flict with this section shall be of no force or effect.

41-4124. SERVICES PROVIDED BY GOVERNMENTAL ENTITIES. (1) From and
after July 1, 2006, no joint public agency self-funded plan shall be
issued in Idaho which excludes from coverage services rendered the sub­
scriber while a resident in an Idaho state institution, provided the
services to the subscriber would be covered by the contract if rendered
to him outside an Idaho state institution.

(2) From and after July 1, 2006, no joint public agency self-funded
plan may contain any provision denying or reducing benefits otherwise
provided under the policy for the reason that the person insured is
receiving health or mental health care or developmental services pro­
vided by the department of health and welfare, whether or not the
department of health and welfare bases its charges for such services on
the recipient's ability to pay. Provided, nothing in this section shall
prevent the issuance of a contract which excludes or reduces benefits
where the charge level or amount of the charge levied by a government­
tal entity for such services would vary or be affected in any way by the
existence of coverage under a joint public agency self-funded plan.

41-4125. MAMMOGRAPHY COVERAGE. (1) From and after July 1, 2006, all
joint public agency self-funded plans which provide coverage for the
surgical procedure known as a mastectomy which are delivered, issued for delivery, continued or renewed in this state shall provide minimum mammography examination or equivalent examination coverage. Such coverage shall include at least the following benefits:

(a) One (1) baseline mammogram for any woman who is thirty-five (35) through thirty-nine (39) years of age.

(b) A mammogram every two (2) years for any woman who is forty (40) through forty-nine (49) years of age, or more frequently if recommended by the woman's physician.

(c) A mammogram every year for any woman who is fifty (50) years of age or older.

(d) A mammogram for any woman desiring a mammogram for medical cause. Such coverage shall not exceed the cost of the examination.

(2) As used in this section, "mastectomy" means the removal of all or part of the breast for medically necessary reasons as determined by a licensed physician.

(3) Nothing in this section shall apply to specified accident, specified disease, hospital indemnity, medicare supplement, long-term care or other limited benefit health insurance policies.

Approved April 10, 2006.
functions relating to public health and licensure and certification standards shall be vested in the board of health and welfare. Except when the authority is vested in the board of health and welfare under law, the director shall have all such powers and duties as may have been or could have been exercised by his predecessors in law, including the authority to adopt, promulgate, and enforce rules, in those circumstances when the authority to adopt, promulgate, and enforce such rules is not vested in the board of health and welfare; and shall be the successor in law to all contractual obligations entered into by predecessors in law. All rulemaking proceedings and hearings of the director shall be governed by the provisions of chapter 52, title 67, Idaho Code.

(2) The director shall, pursuant and subject to the provisions of the Idaho Code, and the provisions of this chapter, formulate and recommend to the board rules, codes and standards, as may be necessary to deal with problems related to personal health, and licensure and certification requirements pertinent thereto, which shall, upon adoption by the board, have the force of law relating to any purpose which may be necessary and feasible for enforcing the provisions of this chapter including, but not limited to, the maintenance and protection of personal health. Any such rule or standard may be of general application throughout the state or may be limited as to times, places, circumstances or conditions in order to make due allowance for variations therein.

(3) The director, under the rules, codes or standards adopted by him, shall have the general supervision of the promotion and protection of the life, health and mental health of the people of this state. The powers and duties of the director shall include, but not be limited to, the following:

(a) The issuance of licenses and permits as prescribed by law and by the rules of the board;
(b) The supervision and administration of laboratories and the supervision and administration of standards of tests for environmental pollution, chemical analyses and communicable diseases. The director may require that laboratories operated by any city, county, institution, person, firm or corporation for health or environmental purposes conform to standards set by the board of health and welfare and the board of environmental quality;
(c) The supervision and administration of a mental health program, which shall include services for the evaluation, screening, custody and treatment of the mentally ill and those persons suffering from a mental defect, or mental defects;
(d) The enforcement of minimum standards of health, safety and sanitation for all public swimming pools within the state;
(e) The supervision and administration of the various schools, hospitals and institutions that were the responsibility of the board of health;
(f) The supervision and administration of services dealing with the problems of alcoholism including, but not limited to, the care and rehabilitation of persons suffering from alcoholism;
(g) The establishment of liaison with other governmental departments, agencies and boards in order to effectively assist other governmental entities with the planning for the control of or abatement of health problems. All of the rules and standards adopted by the board shall apply to state institutions;
(h) The supervision and administration of an emergency medical service program including, but not limited to, assisting other governmental agencies and local governmental units, in providing first aid emergency medical services and for transportation of the sick and injured;
(i) The supervision and administration of administrative units whose responsibility shall be to assist and encourage counties, cities, other governmental units, and industries in the control of and/or abatement of health problems;
(j) The enforcement of all laws, rules, codes and standards relating to health.
(4) The director, when so designated by the governor, shall have the power to apply for, receive on behalf of the state, and utilize any federal aid, grants, gifts, gratuities, or moneys made available through the federal government.
(5) The director shall have the power to enter into and make contracts and agreements with any public agencies or municipal corporations for facilities, land, and equipment when such use will have a beneficial, recreational, or therapeutic effect or be in the best interest in carrying out the duties imposed upon the department.
The director shall also have the power to enter into contracts for the expenditure of state matching funds for local purposes. This subsection will constitute the authority for public agencies or municipal corporations to enter into such contracts and expend money for the purposes delineated in such contracts.
(6) The director is authorized to adopt an official seal to be used on appropriate occasions, in connection with the functions of the department or the board, and such seal shall be judicially noticed. Copies of any books, records, papers and other documents in the department shall be admitted in evidence equally with the originals thereof when authenticated under such seal.
(7) The director, under rules adopted by the board of health and welfare, shall have the power to impose and enforce orders of isolation and quarantine to protect the public from the spread of infectious or communicable diseases or from contamination from chemical or biological agents, whether naturally occurring or propagated by criminal or terrorist act.
(a) An order of isolation or quarantine issued pursuant to this section shall be a final agency action for purposes of judicial review. However, this shall not prevent the director from reconsidering, amending or withdrawing the order. Judicial review of orders of isolation or quarantine shall be de novo. The court may affirm, reverse or modify the order and shall affirm the order if it appears by a preponderance of the evidence that the order is reasonably necessary to protect the public from a substantial and immediate danger of the spread of an infectious or communicable disease or from contamination by a chemical or biological agent.
(b) If the director has reasonable cause to believe a chemical or biological agent has been released in an identifiable place, including a building or structure, an order of quarantine may be imposed to prevent the movement of persons into or out of that place, for a limited period of time, for the purpose of determining whether a
person or persons at that place have been contaminated with a chemi-
cal or biological agent which may create a substantial and immediate
danger to the public.
(c) Any person who violates an order of isolation or quarantine
shall be guilty of a misdemeanor.

attendance of said witnesses, or the production of said papers, that the
witness has been properly summoned, and that the witness has failed and
refused to attend or produce the papers required by this subpoena before
the board, or has refused to answer questions propounded to him in the
course of said proceedings, and ask an order of said court compelling
the witness to attend and testify and produce said papers before the
board. The court, upon the petition of the board, shall enter an order
directing the witness to appear before the court at a time and place to
be fixed by the court in such order, the time to be not more than ten

33-1004E. DISTRICT'S SALARY-BASED APPORTIONMENT. Each district shall be entitled to a salary-based apportionment calculated as provided in this section.
1. To determine the apportionment for instructional staff, first

Districts with an index above the state average index shall receive their actual index but not more than the state average plus .03 for the 1994-95 school year, and shall receive their actual index but not more than the state average plus .06 for the 1995-96 school year, and thereafter shall receive their actual district index. The district instructional staff index shall be multiplied by the instructional base salary of $23,21023,906. The amount so determined shall be multiplied by the district staff allowance for instructional staff determined as provided in section 33-1004 2., Idaho Code. The instructional salary allocation shall be increased by the amount necessary for each full-time equivalent instructional staff member placed on the experience and education index to be allocated at least the minimum salary mandated by this section. Full-time instructional staff salaries shall be determined from a salary schedule developed by each district and submitted to the state department of education. No full-time instructional staff member shall be paid less than $27,58030,000. If an instructional staff member has been certified by the national board for professional teaching standards, the staff member shall be designated as a master teacher and receive $2,000 per year for five (5) years. The instructional salary shall be increased by $2,000 for each master teacher. The resulting amount is the district's salary-based apportionment for instructional staff. For purposes of this section, teachers qualifying for the salary increase as master teacher shall be those who have been recognized as national board certified teachers as of July 1 of each year.

2. To determine the apportionment for district administrative staff, first determine the district average experience and education index by placing all eligible certificated administrative employees on the statewide index provided in section 33-1004A, Idaho Code. The resulting average is the district index. Districts with an index above the state average index shall receive their actual index but not more than the state average plus .03 for the school year 1994-95, and shall receive their actual index but not more than the state average index plus .06 for the 1995-96 school year, and thereafter shall receive their actual district index. The district administrative staff index shall be multiplied by the base salary of $33,760. The amount so determined shall be multiplied by the district staff allowance for administrative staff determined as provided in section 33-1004 3., Idaho Code. The resulting amount is the district's salary-based apportionment for administrative staff.

In applying these tables to any given separate attendance unit, no school district shall receive less total money than it would receive if it had a lesser average daily attendance in such separate attendance unit. In applying the kindergarten table to a kindergarten program of less days than a full school year, the support unit allowance shall be in ratio to the number of days of a full school year. The tables for exceptional education and alternative school secondary support units shall be applicable only for programs approved by the state department of education following rules established by the state board of education. Moneys generated from computation of support units for alternative schools shall be utilized for alternative school programs. School district administrative and facility costs may be included as part of the alternative school expenditures.

7. State Distribution Factor per Support Unit. Divide educational support program distribution funds, after subtracting the amounts necessary to pay the obligations specified in subsection 2. of this section, by the total state support units to secure the state distribution factor per support unit.

8. District Share of State Funds for Educational Support Program. Ascertain a district's share of state funds for the educational support program as follows:

a. District Contribution Calculation. Without including any allowance as a credit for prepaid taxes, as provided in section 63-1607, Idaho Code, the district contribution calculation shall be the rate determined under subsection 3. of this section.

b. District Support Units. The number of support units for each school district in the state shall be determined as follows:

1. Divide the actual average daily attendance, excluding students approved for inclusion in the exceptional child educational program, for the administrative schools and each of the separate schools and attendance units by the appropriate divisor from the tables of support units in this section, then add the quotients to obtain the district's support units allowance for regular students, kindergarten through grade 12 including alternative school secondary students. Calculations in application of this subsection shall be carried out to the nearest tenth.

2. Divide the combined totals of the average daily attendance of all preschool, handicapped, kindergarten, elementary, secondary and juvenile detention center students approved for inclusion in the exceptional child program of the district by the appropriate divisor from the table for computation of exceptional education support units to obtain the number of support units allowed for the district's approved exceptional child program. Calculations for this subsection shall be carried out to the nearest tenth when more than one (1) unit is allowed.

3. The total number of support units of the district shall be the sum of the total support units for regular students, subsection 8.b.(1) of this section, and the support units allow-
ance for the approved exceptional child program, subsection 8.b.(2) of this section.

c. Total District Allowance Educational Program. Multiply the district's total number of support units, carried out to the nearest tenth, by the state distribution factor per support unit and to this product add the approved amount of programs of the district provided in subsection 2. of this section to secure the district's total allowance for the educational support program.

d. District Share. To secure the district's share of state apportionment, subtract the amount of the local district contribution calculation, subsection 3. of this section, from the amount of the total district allowance, subsection 8.c. of this section.

e. Adjustment of District Share. The contract salary of every non-certificated teacher shall be subtracted from the district's share as calculated from the provisions of subsection 8.d. of this section.

SECTION 8. That Section 33-1004E, Idaho Code, be, and the same is hereby amended to read as follows:

33-1004E. DISTRICT'S SALARY-BASED APPORTIONMENT. Each district shall be entitled to a salary-based apportionment calculated as provided in this section.

1. To determine the apportionment for instructional staff, first determine the district average experience and education index by placing all eligible district certificated instructional employees on the statewide index provided in section 33-1004A, Idaho Code. The resulting average is the district index. Districts with an index above the state average index shall receive their actual index but not more than the state average plus .03 for the 1994-95 school year, and shall receive their actual index but not more than the state average plus .06 for the 1995-96 school year, and thereafter shall receive their actual district index. The district instructional staff index shall be multiplied by the instructional base salary of $23,210. The amount so determined shall be multiplied by the district staff allowance for instructional staff determined as provided in section 33-1004 2., Idaho Code. The instructional salary allocation shall be increased by the amount necessary for each full-time equivalent instructional staff member placed on the experience and education index to be allocated at least the minimum salary mandated by this section. Full-time instructional staff salaries shall be determined from a salary schedule developed by each district and submitted to the state department of education. No full-time instructional staff member shall be paid less than $27,500. If an instructional staff member has been certified by the national board for professional teaching standards, the staff member shall be designated as a master teacher and receive $2,000 per year for five (5) years. The instructional salary shall be increased by $2,000 for each master teacher. The resulting amount is the district's salary-based apportionment for instructional staff. For purposes of this section, teachers qualifying for the salary increase as master teacher shall be those who have been recognized as national board certified teachers as of July 1 of each year.

2. To determine the apportionment for district administrative staff, first determine the district average experience and education index by placing all eligible certificated administrative employees on
the statewide index provided in section 33-1004A, Idaho Code. The resulting average is the district index. Districts with an index above the state average index shall receive their actual index but not more than the state average plus .03 for the school year 1994-95, and shall receive their actual index but not more than the state average index plus .06 for the 1995-96 school year, and thereafter shall receive their actual district index. The district administrative staff index shall be multiplied by the base salary of $33,760. The amount so determined shall be multiplied by the district staff allowance for administrative staff determined as provided in section 33-1004 3., Idaho Code. The resulting amount is the district's salary-based apportionment for administrative staff.

3. To determine the apportionment for classified staff, multiply $18,64819,207 by the district classified staff allowance determined as provided in section 33-1004 4., Idaho Code. The amount so determined is the district's apportionment for classified staff.

4. The district's salary-based apportionment shall be the sum of the apportionments calculated in subsections 1., 2. and 3., of this section, plus the benefit apportionment as provided in section 33-1004F, Idaho Code.

SECTION 9. The State Controller shall transfer $5,000,000 from the General Fund to the Public Education Stabilization Fund.

SECTION 10. An emergency existing therefor, which emergency is hereby declared to exist, Section 9 of this act shall be in full force and effect on and after its passage and approval.

Approved April 10, 2006.

33-1004E. DISTRICT'S SALARY-BASED APPORTIONMENT. Each district shall be entitled to a salary-based apportionment calculated as provided in this section.

1. To determine the apportionment for instructional staff, first determine the district average experience and education index by placing all eligible district certificated instructional employees on the statewide index provided in section 33-1004A, Idaho Code. The resulting average is the district index. Districts with an index above the state average index shall receive their actual index but not more than the state average plus .03 for the 1994-95 school year, and shall receive their actual index but not more than the state average plus .06 for the 1995-96 school year, and thereafter shall receive their actual district index. For purposes of this section, teachers qualifying for the salary increase as master teacher shall be those who have been recognized as national board certified teachers as of July 1 of each year.

2. To determine the apportionment for district administrative staff, first determine the district average experience and education index by placing all eligible certificated administrative employees on the statewide index provided in section 33-1004A, Idaho Code. The resulting average is the district index. Districts with an index above the state average index shall receive their actual index but not more
than the state average plus .03 for the school year 1994-95, and shall receive their actual index but not more than the state average index plus .06 for the 1995-96 school year, and thereafter shall receive their actual district index. The district administrative staff index shall be multiplied by the base salary of $33,760. The amount so determined shall be multiplied by the district staff allowance for administrative staff determined as provided in section 33-1004 3., Idaho Code. The resulting amount is the district's salary-based apportionment for administrative staff.

3. To determine the apportionment for classified staff, multiply $18,648 by the district classified staff allowance determined as provided in section 33-1004 4., Idaho Code. The amount so determined is the district's apportionment for classified staff.

4. The district's salary-based apportionment shall be the sum of the apportionments calculated in subsections 1., 2. and 3. of this section, plus the benefit apportionment as provided in section 33-1004F, Idaho Code.

AN ACT
RELATING TO PROPERTY EXEMPT FROM TAXATION; AMENDING SECTION 63-602G, IDAHO CODE, TO PROVIDE THAT THE FIRST SEVENTY-FIVE THOUSAND DOLLARS OF THE MARKET VALUE FOR ASSESSMENT PURPOSES OF THE HOMESTEAD OR FIFTY PERCENT OF THE MARKET VALUE FOR ASSESSMENT PURPOSES OF THE HOMESTEAD, WHICHERVER IS THE LESSER, SHALL BE EXEMPT FROM PROPERTY TAXATION, TO DEFINE HOMESTEAD, TO PROVIDE FOR CERTAIN ANNUAL ADJUSTMENTS TO THE MAXIMUM AMOUNT SUBJECT TO PROPERTY TAX EXEMPTION, TO PROVIDE FOR PUBLICATION AND DISSEMINATION OF ADJUSTMENTS AND TO PROVIDE THAT THE PUBLICATION OF ADJUSTMENTS SHALL BE EXEMPT FROM THE PROVISIONS OF THE ADMINISTRATIVE PROCEDURE ACT AND TO MAKE TECHNICAL CORRECTIONS; DECLARING AN EMERGENCY AND PROVIDING RETROACTIVE APPLICATION.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 63-602G, Idaho Code, be, and the same is hereby amended to read as follows:
63-602G. PROPERTY EXEMPT FROM TAXATION -- RESIDENTIAL--IMPROVEMENTS HOMESTEAD. (1) During the tax year 1983-2006 and each year thereafter, subject to annual adjustment as provided herein, the first fifty-seven thousand dollars ($758,000) of the market value for assessment purposes of residential-improvements the homestead as that term is defined in section 63-701, Idaho Code, or fifty percent (50%) of the market value for assessment purposes of residential-improvements the homestead as that term is defined in section 63-701, Idaho Code, whichever is the lesser, shall be exempt from property taxation. Beginning for tax year 2007 the state tax commission shall publish adjustments to the maximum amount subject to property tax exemption to reflect cost-of-living fluctuations. The adjustments shall effect changes in the amount subject to tax exemption by a percentage equal as near as practicable to the annual increase in the Idaho housing price index as determined by the United States Office of Federal Housing Enterprise Oversight. The state tax commission shall publish the adjustments required by this subsection each and every year the Office of Federal Housing Enterprise Oversight announces a change in the Idaho housing price index. The adjustments shall be published no later than October 1 of each year and shall be effective for claims filed in and for the following property tax year. The publication of adjustments under this subsection shall be exempt from the provisions of chapter 52, title 67, Idaho Code, but shall be provided to each county and to members of the public upon request and without charge.

(2) The exemption allowed by this section may be granted only if:
(a) The residential-improvements-are homestead is owner-occupied and used as the primary dwelling place of the owner as of January 1, provided that in the event the residential-improvements-are homestead is owner-occupied after January 1 but before April 15, the owner of the property is entitled to the exemption. The residential improvements homestead may consist of part of a multidwelling or multipurpose building and shall include all of such dwelling or building except any portion used exclusively for anything other than the primary dwelling of the owner. The presence of an office in an owner-occupied-residential-property homestead, which office is used for multiple purposes, including business and personal use, shall not prevent the owner from claiming the exemption provided in this section; and
(b) The tax commission has certified to the board of county commissioners that all properties in the county which are subject to appraisal by the county assessor have, in fact, been appraised uniformly so as to secure a just valuation for all property within the county; and
(c) The owner has certified to the county assessor by April 15 that:
(i) He is making application for the exemption allowed by this section;
(ii) That the residential-improvements-are homestead is his primary dwelling place; and
(iii) That he has not made application in any other county for the exemption, and has not made application for the exemption on any other residential-improvements homestead in the county.
(d) For the purpose of this section, the definition of "owner" shall be the same definition set forth in section 63-701(7), Idaho Code.

When an "owner," pursuant to the provisions of section 63-701(7), Idaho Code, is any person who is the beneficiary of a revocable or irrevocable trust, or who is a partner of a limited partnership, a member of a limited liability company, or shareholder of a corporation, he or she may provide proof of the trust, limited partnership, limited liability company, or corporation in the manner set forth in section 63-703(4), Idaho Code.

(e) Any owner may request in writing the return of all copies of any documents submitted with the affidavit set forth in section 63-703(4), Idaho Code, that are held by a county assessor, and the copies shall be returned by the county assessor upon submission of the affidavit in proper form.

(f) For the purpose of this section, the definition of "primary dwelling place" shall be the same definition set forth in section 63-701(8), Idaho Code.

(g) For the purpose of this section, the definition of "occupied" shall be the same definition set forth in section 63-701(6), Idaho Code.

(3) An owner need only make application for the exemption described in subsection (1) of this section once, as long as all of the following conditions are met:

(a) The owner has received the exemption during the previous year as a result of his making a valid application as defined in subsection (2)(c) of this section.

(b) The owner or beneficiary, partner, member or shareholder, as appropriate, still occupies the same residential improvements homestead for which the owner made application.

(c) The residential improvements homestead described in subsection (3)(b) of this section are owner-occupied or occupied by a beneficiary, partner, member or shareholder, as appropriate, and used as the primary dwelling place of the owner or beneficiary, partner, member or shareholder, as appropriate, as of January 1; provided however, that in the event the residential improvements are owner-occupied after January 1, but before April 15, the owner of the property is entitled to the exemption.

(4) The exemption allowed by this section must be taken before the reduction in taxes provided by sections 63-701 through 63-710, Idaho Code, is applied.

(5) Recovery of property tax exemptions allowed by this section but improperly claimed or approved:

(a) Upon discovery of evidence, facts or circumstances indicating any exemption allowed by this section was improperly claimed or approved, the county assessor shall decide whether the exemption claimed should be allowed and if not, notify the taxpayer in writing, assess a recovery of property tax and notify the county treasurer of this assessment.

(b) When information indicating that an improper claim for the exemption allowed by this section is discovered by the state tax commission, the state tax commission may disclose this information to the appropriate county assessor, board of county commissioners and county treasurer. Information disclosed to county officials by
the state tax commission under this subsection may be used to decide the validity of any entitlement to the exemption provided in this section and is not otherwise subject to public disclosure pursuant to chapter 3, title 9, Idaho Code.

(c) The assessment and collection of the recovery of property tax must begin within the seven (7) year period beginning the date the assessment notice reflecting the improperly claimed or approved exemption was required to be mailed to the taxpayer.

(d) The taxpayer may appeal to the board of county commissioners the decision by the county assessor to assess the recovery of property tax within thirty (30) days of the date the county assessor sent the notice to the taxpayer pursuant to this section.

(e) A recovery of property tax shall be for each year the exemption allowed by this section was improperly claimed or approved up to the lesser of a maximum of seven (7) years or until the property was transferred to a bona fide purchaser for value. The amount of the recovery of property tax shall be calculated using the product of the amount of exempted value for each year multiplied by the levy for that year plus costs, late charges and interest for each year at the rates equal to those provided for delinquent property taxes during that year.

(f) Any recovery of property tax shall be due and payable no later than the date provided for property taxes in section 63-903, Idaho Code, and if not timely paid, late charges and interest, beginning the first day of January in the year following the year the county assessor sent the notice to the taxpayer pursuant to this section, shall be calculated at the current rate provided for property taxes.

(g) Recovered property taxes shall be billed, collected and distributed in the same manner as property taxes, except each taxing district or unit shall be notified of the amount of any recovered property taxes included in any distribution.

(h) Any unpaid recovered property taxes shall become a lien upon the real property in the same manner as provided for property taxes in section 63-206, Idaho Code, except such lien shall attach as of the first day of January in the year following the year the county assessor sent the notice to the taxpayer pursuant to this section.

(i) For purposes of the limitation provided by section 63-802, Idaho Code, moneys received pursuant to this subsection as recovery of property tax shall be treated as property tax revenue.

(j) The legislature declares that this exemption is necessary and just.

(7) **Residential improvements** A homestead having previously qualified for exemption under this section in the preceding year, shall not lose such qualification due to: the owner's, beneficiary's, partner's, member's or shareholder's absence in the current year by reason of active military service in a designated combat zone, as defined in section 112 of the Internal Revenue Code, or because the residential improvements have been leased because the owner, beneficiary, partner, member or shareholder is absent in the current year by reason of active military service in a designated combat zone, as defined in section 112 of the Internal Revenue Code. If an owner fails to timely apply for exemption as required in this section solely by reason of active duty in a designated combat zone by the owner, beneficiary, partner, member or shareholder, as appropriate, as defined in
section 112 of the Internal Revenue Code, and such improvements homestead would have otherwise qualified under this section, then the board of county commissioners of the county in which the residential improvements are homestead is located shall refund property taxes, if previously paid, in an amount equal to the exemption which would otherwise have applied.

SECTION 2. An emergency existing therefor, which emergency is hereby declared to exist, this act shall be in full force and effect on and after its passage and approval, and retroactively to January 1, 2006.

Approved April 12, 2006.

To be voluntary, the decision must be made freely after sufficient time for contemplation and without coercion by any person. To be knowing, the decision must be based on the physician's accurate and substantially complete explanation of: each fact--pertinent--to--making--the-decision. Facts--pertinent--to--making--the decision--shall--include,--but--not--be--limited--to--

(a) A description of any proposed treatment or procedure;
(b) Any reasonably foreseeable complications and risks to the patient from such procedure, including those related to future reproductive health; and
(c) The manner in which such procedure and its foreseeable complications and risks compare with those of each readily available alternative to such procedure, including childbirth and adoption.

The physician must provide the information in terms which can be understood by the person making the decision, with consideration of age, level of maturity and intellectual capability.

(8) "Medical emergency" means a condition which, on the basis of the physician's good faith clinical judgment, so complicates the medical condition of a pregnant woman as to necessitate the immediate abortion of her pregnancy to avert her death or for which a delay will create serious risk of substantial and irreversible impairment of a major bodily function.

(9) "Minor" means a woman less than eighteen (18) years of age.

(10) "Pregnant" and "pregnancy." Each term shall mean the reproductive condition of having a developing fetus in the body and commences with fertilization.

(11) "Physician" means a person licensed to practice medicine and surgery or osteopathic medicine and surgery in this state as provided in chapter 18, title 54, Idaho Code.

(12) "Second trimester of pregnancy" means that portion of a pregnancy following the thirteenth week and preceding the point in time when the fetus becomes viable, and there is hereby created a legal presumption that the second trimester does not end before the commencement of the twenty-fifth week of pregnancy, upon which presumption any licensed physician may proceed in lawfully aborting a patient pursuant to section 18-608, Idaho Code, in which case the same shall be conclusive and unrebuttable in all civil or criminal proceedings.

(13) "Third trimester of pregnancy" means that portion of a pregnancy from and after the point in time when the fetus becomes viable.

(14) Any reference to a viable fetus shall be construed to mean a fetus potentially able to live outside the mother's womb, albeit with artificial aid.

SECTION 2. That Section 2, Chapter 393, Laws of 2005, be, and the same is hereby repealed.
SECTION 3. That Section 18-609, Idaho Code, be, and the same is hereby amended to read as follows:

18-609. PHYSICIANS AND HOSPITALS NOT TO INCUR CIVIL LIABILITY — CONSENT TO ABORTION — NOTICE. (1) Any physician may perform an abortion not prohibited by this act and any hospital or other facility described in section 18-608, Idaho Code, may provide facilities for such procedures without, in the absence of negligence, incurring civil liability therefore to any person including, but not limited to, the pregnant patient and the prospective father of the fetus to have been born in the absence of abortion, if informed consent for such abortion has been duly given by the pregnant patient.

(2) In order to provide assistance in assuring that the consent to an abortion is truly informed consent, the director of the department of health and welfare shall publish, after consultation with interested parties, easily comprehended, nonmisleading and medically accurate printed material to be made available at no expense to physicians, hospitals or other facility facilities providing the abortion and abortion-related services, and which shall contain the following:

(a) Descriptions of the services available to assist a woman through a pregnancy, at childbirth and while the child is dependent, including adoption services, a comprehensive list of the names, addresses, and telephone numbers of public and private agencies that provide such services and financial aid available;

(b) Descriptions of the physical characteristics of a normal fetus, described at two (2) week intervals, beginning with the fourth week and ending with the twenty-fourth week of development, accompanied by scientifically verified photographs of a fetus during such stages of development. The description shall include information about physiological and anatomical characteristics, brain and heart function, and the presence of external members and internal organs during the applicable stages of development; and

(c) Descriptions of the abortion procedures used in current medical practices at the various stages of growth of the fetus and any reasonable foreseeable complications and risks to the mother, including those related to subsequent child bearing.

(3) Except in the case of a medical emergency, no abortion shall be performed unless, prior to the abortion, the attending physician or the attending physician's agent (i) confirms or verifies a positive pregnancy test and informs the pregnant patient of a positive pregnancy test; and (ii) certifies in writing that the materials provided by the director of the department of health and welfare have been provided to the pregnant patient, if reasonably possible, at least twenty-four (24) hours before the performance of the abortion. If the materials are not available from the director of the department of health and welfare, no certification shall be required. The attending physician, or the attending physician's agent, shall provide any other information required under this act. In addition to providing the material, the attending physician may provide the pregnant patient with such other information which in the attending physician's judgment is relevant to the pregnant patient's decision as to whether to have the abortion or carry the pregnancy to term.

(4) If the attending physician reasonably determines that due to circumstances peculiar to a specific pregnant patient, disclosure of the
material is likely to cause a severe and long-lasting detrimental effect on the health of such pregnant patient; disclosure of the materials shall not be required. Within thirty (30) days after performing any abortion without certification and delivery of the materials, the attending physician, or the attending physician's agent, shall cause to be delivered to the director of the department of health and welfare, a report signed by the attending physician, preserving the patient's anonymity, which explains the specific circumstances denoting the medical emergency that excused compliance with the duty to deliver the materials. The director of the department of health and welfare shall compile the information annually and report to the public the total number of abortions performed in the state where delivery of the materials was excused; provided that any information so reported shall not identify any physician or patient in any manner which would reveal their identities.

(5) If section 18-608(3), Idaho Code, applies to the abortion to be performed and the pregnant patient is an adult and for any reason unable to give a valid consent thereto, the requirement for that pregnant patient's consent shall be met as required by law for other medical or surgical procedures and shall be determined in consideration of the desires, interests and welfare of the pregnant patient.

(6) The-knowing failure of the attending physician to perform any one (1) or more of the acts required under subsection (4) of this section or section 39-261, Idaho Code, is grounds for discipline pursuant to section 54-1814(6), Idaho Code, and shall subject the physician to assessment of a civil penalty of one hundred dollars ($100) for each month or portion thereof that each such failure continues, payable to the vital statistics unit of the department of health and welfare, but such failure shall not constitute a criminal act.

SECTION 4. SEVERABILITY. If any one or more provision, section, subsection, sentence, clause, phrase or word of this act or the application thereof to any person or circumstance, or application to any other section of Idaho Code is found to be unconstitutional, the same is hereby declared to be severable and the balance of this act shall remain effective notwithstanding such unconstitutionality. The Legislature hereby declares that it would have passed this act, and each provision, section, subsection, sentence, clause, phrase or word thereof, irrespective of the fact that any one or more provision, section, subsection, sentence, clause, phrase or word be declared unconstitutional.

CHAPTER 451
(S.B. No. 1247)

AN ACT RELATING TO EMINENT DOMAIN; AMENDING SECTION 7-721, IDAHO CODE, TO REMOVE LANGUAGE REFERENCING THE STATE AND POLITICAL SUBDIVISIONS OF THE STATE, TO REMOVE LANGUAGE REFERENCING THE PURPOSES OF ACQUISITION OF REAL PROPERTY AND TO MAKE TECHNICAL CORRECTIONS; AND DECLARING AN EMERGENCY.
Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 7-721, Idaho Code, be, and the same is hereby amended to read as follows:

7-721. POSSESSION BY PLAINTIFF PENDING TRIAL. In any proceeding under the provisions of this chapter whereby the State of Idaho, or any board, agency or political subdivision thereof, or municipality therein, is seeking to acquire for the acquisition of real property necessary for the construction, maintenance, alteration, and repair of freeways, expressways, highways, roads, streets, airports, and any necessary structures or appurtenances needed in connection therewith, or the construction and extension of culinary water systems, sewers and sewerage systems, including sewage treatment facilities, the plaintiff may take possession of and use such property at any time after just compensation has been judicially determined and payment thereof made into court. Judicial determination shall be satisfied by the following requirements:

1. At any time after an action for condemnation has been commenced under the provisions of this chapter and after the defendant has made an appearance, the plaintiff may file a motion asking that said plaintiff be placed in lawful possession of and have the use of said property and the court shall fix a date, not less than ten (10) or more than twenty (20) days after the filing of such motion, for the hearing thereon and shall require due notice to be given to each party to the proceedings whose interest would be affected by the requested taking. Notice herein shall be given as provided in rule 5(a) or 5(b), as the case may be, of the Idaho rules of civil procedure.

2. If the defendant has not appeared, but is not in default, plaintiff may proceed as herein provided twenty (20) days after the action shall have been commenced by serving the motion and notice of the hearing in the same manner as required for service of summons.

3. At the hearing the court shall first determine whether or not plaintiff has the right of eminent domain, whether or not the use to which the property is to be applied is a use authorized by law, whether or not the taking is necessary to such use, and whether or not plaintiff has sought, in good faith, to purchase the lands sought to be taken and the court shall enter an order thereon which shall be a final order as to these issues and an appeal may be taken therefrom; provided, however, no appeal therefrom shall stay further proceedings.

4. If the matters in the preceding subsection are determined in favor of the plaintiff the court shall hear the issues raised by the plaintiff's motion for taking and shall receive such evidence as it may consider necessary and proper for a finding of just compensation, but the court may limit the number of witnesses presented by any party to the action, and, in its discretion, may appoint a disinterested appraiser as an agent of the court to evaluate the property to which the motion relates and to report his conclusions to the court within ten (10) days from the date of his appointment; and the court shall fix his fee which shall be paid by the plaintiff. The court shall within five (5) days after the hearing, or if it shall appoint an appraiser, within five (5) days after receiving his report, make an order of determination of just compensation.

5. Neither the order of the court determining just compensation, nor the amount of the deposit, nor the report of the appraiser appointed...
by the court shall be admissible in evidence in further proceedings under this section.

(5) After the court has entered its order of determination of the amount of just compensation, the plaintiff may deposit such amount with the court and the court shall thereupon enter an order fixing a date from which the plaintiff shall be entitled to take possession of and use the property. After such deposit and order have been made the cause shall proceed to trial in the regular manner.

(6) Any party defendant may file with the court an application to withdraw his share of the amount deposited by the plaintiff. Such application may be filed at any time after the court has entered its order placing plaintiff in possession and use of the property. If there be only one (1) defendant in the action, the court shall authorize the requested withdrawal of funds, but if there shall be more than one (1) defendant the court shall fix a date for hearing on the application to withdraw funds and shall require notice to be given to each party whose interest would be affected by such withdrawal. After hearing the court shall determine the share of the funds deposited to which the defendants or any of them are lawfully entitled and shall authorize the withdrawal requested or such part thereof as shall be proper.

(7) If more than eighty percent (80%) of the amount deposited is withdrawn, the defendant or defendants making the withdrawal shall be required to make a written undertaking, executed by two (2) or more sufficient sureties, approved by the court, to the effect that they are bound to the plaintiff for the payment to it of such sum by which the amount withdrawn shall exceed the amount of the award finally determined upon trial of the cause.

(8) Upon trial of the cause the court shall enter judgment against the plaintiff for the amount of the award, and the plaintiff shall pay to the defendant or defendants the amount, if any, by which such judgment exceeds the amount previously deposited; provided that if the award and judgment shall be less than the amount withdrawn under subsection (6) of this section, the defendant or defendants shall refund the difference to the clerk of the court and if such refund is not made within thirty (30) days the court shall enter judgment in favor of the plaintiff and against such defendant or defendants for the amount of the difference.

(9) After plaintiff has deposited with the court the amount determined by the court to be just compensation, no interest shall accrue on the amount so deposited.

AN ACT
RELATING TO EMINENT DOMAIN; AMENDING SECTION 7-711, IDAHO CODE, TO PROVIDE AN ALTERNATE METHOD FOR ESTABLISHING THE MINIMUM AMOUNT FOR DAMAGES WHEN ASCERTAINING THE VALUE OF THE PROPERTY AND TO MAKE TECHNICAL CORRECTIONS.

Be It Enacted by the Legislature of the State of Idaho:

1. The value of the property sought to be condemned, and all improvements thereon pertaining to the realty, and of each and every separate estate or interest therein; if it consists of different parcels, the value of each parcel and each estate or interest therein shall be separately assessed. For purposes of ascertaining the value of the property, the minimum amount for damages shall be the greater of the assessed value for property tax purposes unless the court, jury or referee finds the property has been altered substantially, or the plaintiff's highest prelitigation appraisal.

2. If the property sought to be condemned constitutes only a part of a larger parcel: (a) the damages which will accrue to the portion not sought to be condemned, by reason of its severance from the portion sought to be condemned, and the construction of the improvement in the manner proposed by the plaintiff; and (b) the damages to any business qualifying under this subsection having more than five (5) years' standing which the taking of a portion of the property and the construction of the improvement in the manner proposed by the plaintiff may reasonably cause. The business must be owned by the party whose lands are being condemned or be located upon adjoining lands owned or held by such party. Business damages under this subsection shall not be awarded if the loss can reasonably be prevented by a relocation of the business or by taking steps that a reasonably prudent person would take, or for damages caused by temporary business interruption due to construction; and provided further that compensation for business damages shall not be duplicated in the compensation otherwise awarded to the property owner for damages pursuant to subsections (1) and (2) (a) of this section 7-711, Idaho Code.

(i) If the business owner intends to claim business damages under this subsection, the owner, as defendant, must submit a written business damage claim to the plaintiff within ninety (90) days after service of the summons and complaint for condemnation. The plaintiff's initial offer letter or accompanying information must expressly inform the defendant of its rights under this subsection, and must further inform the defendant of its right to consult with an attorney.
(ii) The defendant's written claim must be sent to the plaintiff by certified mail, return receipt requested. Absent a showing of a good faith justification for the failure to submit a business damage claim within ninety (90) days, or an agreed extension by the parties, the court shall strike the defendant's claim for business damages in any condemnation proceeding.

(iii) The business damage claim must include an explanation of the nature, extent, and monetary amount of such claimed damages and must be prepared by the owner, a certified public accountant, or a business damage expert familiar with the nature of the operations of the defendant's business. The defendant shall also provide the plaintiff with copies of the defendant's business records that substantiate the good faith offer to settle the business damage claim. The business damage claim must be clearly segregated from the claim for property damages pursuant to subsections (1) and (2)(a) of this section 7-711, Idaho Code.

(iv) As used in this subsection, the term "business records" includes, but is not limited to, copies of federal and state income tax returns, state sales tax returns, balance sheets, and profit and loss statements for the five (5) years preceding which are attributable to the business operation on the property to be acquired, and other records relied upon by the business owner that substantiate the business damage claim.

(v) The plaintiff's good faith in failing to offer compensation for business damages shall not be contested at a possession hearing held pursuant to section 7-721, Idaho Code, if the defendant has not given notice of its intent to claim business damages prior to the date of filing of the motion that initiates the proceeding under that section.

3. Separately, how much the portion not sought to be condemned, and each estate or interest therein, will be specially and directly benefited, if at all, by the construction of the improvement proposed by the plaintiff; and if the benefit shall be equal to the damages assessed, under subsection 2. of this section, the owner of the parcel shall be allowed no compensation except the value of the portion taken; but if the benefit shall be less than the damages so assessed, the former shall be deducted from the latter, and the remainder shall be the only damages allowed in addition to the value.

4. If the property sought to be condemned be for a railroad, the cost of good and sufficient fences along the line of such railroad, and the cost of cattle guards where fences may cross the line of such railroad.

5. As far as practicable, compensation must be assessed for each source of damages separately.

6. If the property sought to be condemned is private real property actively devoted to agriculture, the damages which will accrue because of the costs, if any, of farming around electrical transmission line structure(s) for a transmission line with a capacity in excess of two hundred thirty (230) KV-(kilovolts). If the property sought to be condemned has been the subject of a previous condemnation proceeding or proceedings for electrical transmission line structure(s) and at the time of condemnation the field holds other electrical transmission line structure(s), such evidence of costs referred to above may also include the cumulative effects, if any, of conducting farming operations around
other electrical transmission line structure(s) in the same field, whether such structure(s) are of the condemner or not.

TO THE PRESIDENT OF THE UNITED STATES, TO THE UNITED STATES SECRETARY OF ENERGY, TO THE LEADERSHIP OF THE SENATE AND HOUSE OF REPRESENTATIVES OF THE UNITED STATES IN CONGRESS ASSEMBLED, TO THE SENATE AND HOUSE OF REPRESENTATIVES OF THE UNITED STATES IN CONGRESS ASSEMBLED, AND TO THE CONGRESSIONAL DELEGATION REPRESENTING THE STATE OF IDAHO IN THE CONGRESS OF THE UNITED STATES.

We, your Memorialists, the Senate and the House of Representatives of the State of Idaho assembled in the Second Regular Session of the Fifty-eighth Idaho Legislature, do hereby respectfully represent that:

WHEREAS, the United States of America has become excessively dependent upon foreign sources of oil, and that dependence threatens the security of the American people and economy; and
WHEREAS, it is in the best interests of the United States and Idaho to become as energy independent and diversified as possible to avoid economic dislocations instigated by foreign oil interests, markets and the effects of natural disasters; and
WHEREAS, comprehensive energy legislation signed into law in 2005 advocates the expansion of nuclear energy for the production of electrical power and hydrogen, as well as the development of bioenergy and
other alternative fuels to reduce dependence on foreign sources of oil; and

WHEREAS, the United States Department of Energy (DOE) is the federal agency that has primary responsibility for carrying out the directives of the President and the Congress relative to enabling and enhancing the energy security of the nation; and

WHEREAS, the DOE's Idaho National Laboratory (INL) is a key national research, development and demonstration resource wherein the federal government has invested significant tax dollars to establish such unique and globally important assets as the Advanced Test Reactor, the Safety and Tritium Applied Research Fusion Facility, the Control Systems Security and Test Center, and others, all of which demand continued, or even expanded, use to assure maximum return on tax dollar investment; and

WHEREAS, the state of Idaho appreciates the effective, expedited cleanup that has occurred in accordance with the 1995 Settlement Agreement, and is committed to hosting continued broad-spectrum, national priority nuclear research in Idaho as fully allowed by that agreement; and

WHEREAS, such nuclear research promises to advance our national interests and critical need for safe, greenhouse gas free generation of abundant energy with dramatically reduced waste concerns.

NOW, THEREFORE, BE IT RESOLVED by the members of the Second Regular Session of the Fifty-eighth Idaho Legislature, the Senate and the House of Representatives concurring therein, that we support and encourage the DOE, the Administration and the Congress to identify, commit and sustain the funding necessary to allow design, development, testing and demonstration in Idaho at INL of safe, state of the art, advanced nuclear energy systems that can, ultimately, be commercially replicated in other locations throughout the United States and throughout the world.

BE IT FURTHER RESOLVED that the Legislature supports execution of an enhanced portfolio of bioenergy, hydropower, fuel reforming and related alternative and renewable energy research in Idaho at INL, and hereby requests that the DOE, the Administration and the Congress identify, commit and sustain the funding necessary to allow continued performance of this and other multiprogram energy and national security enhancing work so critical to the long-term well-being of these United States.

BE IT FURTHER RESOLVED that the Secretary of the Senate be, and she is hereby authorized and directed to forward a copy of this Memorial to the President of the United States, the Secretary of Energy of the United States, President of the Senate and the Speaker of the House of Representatives of Congress, and the congressional delegation representing the State of Idaho in the Congress of the United States.

(S.J.M. No. 118)
We, your Memorialists, the Senate and the House of Representatives of the State of Idaho assembled in the Second Regular Session of the Fifty-eighth Idaho Legislature, do hereby respectfully represent that:

WHEREAS, arsenic is a widely distributed, naturally occurring element present in trace amounts in all living organisms and concentrations in drinking water come primarily from natural sources with higher levels being found more frequently in ground water than surface water and also being found more frequently in the West; and

WHEREAS, the Environmental Protection Agency (EPA) is charged with setting standards for contaminants in drinking water and adopted a maximum contaminant level for arsenic of 50 parts per billion (PPB) in 1975 based on a standard that was originally established in 1942 by the Public Health Service; and

WHEREAS, in 2001, the EPA set a new standard for arsenic, reducing the maximum contaminant level for arsenic in drinking water to 10 PPB based on its reliance on a Taiwanese study relating to an assessment of risks associated with dose response curves and since that time, the EPA's primary reliance on the study has been questioned and criticized; and

WHEREAS, the level of 10 PPB becomes enforceable on January 23, 2006, for public water systems, and such systems will be found in violation if they exceed an annual average of 10 PPB during any four quarters; and

WHEREAS, over 90 city and community water systems in Idaho, and similar systems throughout the nation, typically rely on wells for drinking water, and arsenic tends to occur in higher levels in those areas and all of these water systems are now burdened with constructing water facilities at costs in the millions of dollars to comply with the 10 PPB standard; and

WHEREAS, a number of ecological studies conducted in the United States and elsewhere have found no association between cancer and arsenic in drinking water at 10 to 50 PPB; and

WHEREAS, a recent study of cancer mortality and arsenic in drinking water conducted by Professor Emeritus Lynden Williams of Ohio University finds colon cancer mortality rates are inversely associated with arsenic levels; being highest in those counties where arsenic levels in drinking water are lowest and lowest in those counties where arsenic levels are highest, suggesting that removal of arsenic will increase colon cancer mortality rates.

NOW, THEREFORE, BE IT RESOLVED by the members of the Second Regular Session of the Fifty-eighth Idaho Legislature, the Senate and the House of Representatives concurring therein, that we urge the enforcement of the reduced maximum contaminant level for arsenic in drinking water be suspended until such time as definitive scientific evidence within the United States validates that consumption of water between 10 to 50 PPB of arsenic increases cancer mortality, or produces some other health problem, and that the health benefit of removing trace amounts of arsenic from drinking water is commensurate with the associated costs of compliance with the new standard.
BE IT FURTHER RESOLVED that the Secretary of the Senate be, and she is hereby authorized and directed to forward a copy of this Memorial to the President of the Senate and the Speaker of the House of Representatives of Congress, and the congressional delegation representing the State of Idaho in the Congress of the United States.

A JOINT MEMORIAL
TO THE SENATE AND HOUSE OF REPRESENTATIVES OF THE UNITED STATES IN CONGRESS ASSEMBLED, AND TO THE CONGRESSIONAL DELEGATION REPRESENTING THE STATE OF IDAHO IN THE CONGRESS OF THE UNITED STATES.

We, your Memorialists, the Senate and the House of Representatives of the State of Idaho assembled in the Second Regular Session of the Fifty-eighth Idaho Legislature, do hereby respectfully represent that:

WHEREAS, on Monday, June 27, 2005, the U.S. Supreme Court concluded in two razor thin majorities of 5-4 that it is consistent with the First Amendment to display the Ten Commandments in an outdoor public square in Texas but not on the courthouse walls of two counties in Kentucky; and

WHEREAS, many Americans are deeply puzzled as to how the U.S. Supreme Court could produce two opposite results involving the same Ten Commandments; and

WHEREAS, it is appropriate to observe that based on the Kentucky decision it is permissible to display the Ten Commandments in a county courthouse provided that you do not believe in God; and

WHEREAS, in the Kentucky case, Justice Scalia used the following words to emphasize the importance of the Ten Commandments to most Americans:
"The three most popular religions in the United States, Christianity, Judaism, and Islam - which combined account for 97.7% of all believers - are monotheistic .... All of them, moreover (Islam included), believe that the Ten Commandments were given by God to Moses, and are divine prescriptions for a virtuous life."; and

WHEREAS, very recent polling data by a major Washington, D.C., paper revealed that a huge majority of the American people support posting the Ten Commandments:
"Seventy percent of Americans would have no objection to posting the Ten Commandments in government buildings, and eighty-five percent would approve if the Commandments are included as "one document among many historical documents" when displayed in public buildings, according to a survey conducted for the First Amendment Center."; and

WHEREAS, S 520 and HR 1070 are federal bills that will allow the display of the Ten Commandments in public places in America, providing in relevant part as follows:
"Notwithstanding any other provision of this chapter, the Supreme Court shall not have jurisdiction to review, by appeal, writ of certiorari, or otherwise, any matter to the extent that relief is sought against an entity of Federal, State, or local government, or against an officer or agent of Federal, State, or local government (whether or not acting in official or personal capacity), concerning that entity's, officer's, or agent's acknowledgment of God as the sovereign source of law, liberty, or government."; and

WHEREAS, hearings were held on the same language in June 2004 in the Constitution, Civil Rights and Property Rights Subcommittee of the Senate Judiciary Committee and hearings were also held on this language in September 2004 in the Courts Subcommittee of the House Judiciary Committee; and

WHEREAS, Chief Justice Rehnquist in the Texas case used these words to describe the obvious duplicity of the U.S. Supreme Court in telling local governments in America that they cannot display the Ten Commandments in local buildings in their communities while at the same time allowing these same Ten Commandments to be present on these specific places on the building housing the U.S. Supreme Court:

"Since 1935, Moses has stood, holding two tablets that reveal portions of the Ten Commandments written in Hebrew, among other lawgivers in the south frieze. Representations of the Ten Commandments adorn the metal gates lining the north and south sides of the Courtroom as well as the doors leading into the Courtroom. Moses also sits on the exterior east facade of the building holding the Ten Commandments tablets."; and

WHEREAS, the Kentucky decision will be used by litigants who want to remove God from the public square in America and sooner or later, this effort will take place in our states. Reports have indicated that it is now underway in at least twenty-five different places in America, namely, to require the removal of the Ten Commandments from public buildings or public parks.

NOW, THEREFORE, BE IT RESOLVED by the members of the Second Regular Session of the Fifty-eighth Idaho Legislature, the Senate and the House of Representatives concurring therein, that the Legislature requests Congress to adopt S 520 and HR 1070 and in so doing protect the ability of the people of Idaho to:

(1) Display the Ten Commandments in public buildings and places in our states;
(2) Express their faith in public;
(3) Retain God in the Pledge of Allegiance;
(4) Retain "In God We Trust" as our national motto; and
(5) Utilize Article 3, 2.2 of the U.S. Constitution to except these areas from the jurisdiction of the U.S. Supreme Court.

BE IT FURTHER RESOLVED that the Secretary of the Senate be, and she is hereby authorized and directed to forward a copy of this Memorial to the President of the Senate and the Speaker of the House of Representatives of Congress, and the congressional delegation representing the State of Idaho in the Congress of the United States.

TO THE SENATE AND HOUSE OF REPRESENTATIVES OF THE UNITED STATES IN CONGRESS ASSEMBLED, AND TO THE CONGRESSIONAL DELEGATION REPRESENTING THE STATE OF IDAHO IN THE CONGRESS OF THE UNITED STATES.

We, your Memorialists, the Senate and the House of Representatives of the State of Idaho assembled in the Second Regular Session of the Fifty-eighth Idaho Legislature, do hereby respectfully represent that:

WHEREAS, we recognize that federal agencies exchange and divest small or insignificant parcels of land; and
WHEREAS, almost sixty-four percent of Idaho is federal land; and
WHEREAS, there exists in the Congress of the United States a proposal to sell a significant portion of Idaho's federal land; and
WHEREAS, this federal land contributes to Idaho's economy in many ways including grazing, mining, timber production and recreation; and
WHEREAS, federal land in Idaho provides average Americans access to wild, natural areas; and
WHEREAS, the federal government has purchased significant amounts of land over the years with general fund moneys and land and water conservation funds; and
WHEREAS, there are many areas of the state where the federal government has increased their holdings such as the Stanley Basin; and
WHEREAS, if the federal government identifies surplus lands, they should cede them to the state through a public comment process as promised, to be managed for the benefit of public access and education; and
WHEREAS, Idahoans value outdoor experiences very highly and generations of Idahoans and other Americans have enjoyed this federal land through activities such as hunting, fishing, camping and hiking; and
WHEREAS, most Idahoans have found special places on federal land which give their lives meaning and enjoyment and the sale of a significant portion of this land would prohibit many from utilizing these places in the future.

NOW, THEREFORE, BE IT RESOLVED by the members of the Second Regular Session of the Fifty-eighth Idaho Legislature, the Senate and the House of Representatives concurring therein, that we are opposed to any proposals which lead to a significant sale of federal land located in the state of Idaho.

BE IT FURTHER RESOLVED that the Secretary of the Senate be, and she is hereby authorized and directed to forward a copy of this Memorial to the President of the Senate and the Speaker of the House of Representatives of Congress, and the congressional delegation representing the State of Idaho in the Congress of the United States.

TO THE UNITED STATES SECRETARY OF THE INTERIOR, TO THE GOVERNOR OF MONTANA, TO THE CONGRESSIONAL DELEGATION REPRESENTING THE STATE OF MONTANA IN THE CONGRESS OF THE UNITED STATES, TO THE GOVERNOR OF THE STATE OF IDAHO AND TO THE CONGRESSIONAL DELEGATION REPRESENTING THE STATE OF IDAHO IN THE CONGRESS OF THE UNITED STATES.

We, your Memorialists, the House of Representatives and the Senate of the State of Idaho assembled in the Second Regular Session of the Fifty-eighth Idaho Legislature, do hereby respectfully represent that:

WHEREAS, the U.S. Fish and Wildlife Service reintroduced the gray wolf into central Idaho with the goal of reestablishing a viable, self-sustaining population; and

WHEREAS, the U.S. Fish and Wildlife Service determined that the existence of 30 breeding pairs of wolves spread out over the states of Idaho, Montana and Wyoming for three consecutive years would constitute a recovered population; and

WHEREAS, the gray wolf populations of Idaho and Montana alone far exceed the aforementioned recovered population standard; and

WHEREAS, the states of Idaho and Montana have produced wolf conservation and management plans deemed adequate by the U.S. Fish and Wildlife Service; and

WHEREAS, the Wyoming state wolf management plan was rejected by the U.S. Fish and Wildlife Service; and

WHEREAS, the state of Wyoming and the federal government are litigating the U.S. Department of the Interior’s decision to reject Wyoming’s wolf management plan; and

WHEREAS, it could take years for this litigation to work its way through the courts.

NOW, THEREFORE, BE IT RESOLVED by the members of the Second Regular Session of the Fifty-eighth Idaho Legislature, the House of Representatives and the Senate concurring therein, that the Legislature urges the Secretary of the Interior Gale Norton to meet with representatives from Idaho and Montana to consider and agree upon alternative strategies to immediately delist the gray wolf within Idaho and Montana as requested in the October 7, 2005, letter from Montana Governor Schweitzer and Idaho Governor Kempthorne to Secretary Norton.

BE IT FURTHER RESOLVED that the Chief Clerk of the House of Repre-
sentatives be, and she is hereby authorized and directed to forward a copy of this Memorial to the Secretary of the Interior Gale Norton, the Governor of Montana Brian Schweitzer, the congressional delegation representing the State of Montana in the Congress of the United States, the Governor of Idaho Dirk Kempthorne and the congressional delegation representing the State of Idaho in the Congress of the United States.

A JOINT MEMORIAL TO THE SENATE AND HOUSE OF REPRESENTATIVES OF THE UNITED STATES IN CONGRESS ASSEMBLED, AND TO THE CONGRESSIONAL DELEGATION REPRESENTING THE STATE OF IDAHO IN THE CONGRESS OF THE UNITED STATES.

We, your Memorialists, the House of Representatives and the Senate of the State of Idaho assembled in the Second Regular Session of the Fifty-eighth Idaho Legislature, do hereby respectfully represent that:

WHEREAS, it is essential for the state of Idaho to monitor gray wolves and fulfill its obligations under the Wolf Recovery Plan approved by the Idaho Legislature in 2002, the U.S. Fish and Wildlife Service 10j rule of 2005, as well as maintain minimum counts as required by the Endangered Species Act, which also requires, prior to de-listing wolves, that the state have adequate regulatory mechanisms in place and recovery goals achieved; and

WHEREAS, because the state formally took over wolf management responsibilities on January 5, 2006, and due to the fact that the wolf population is now estimated in excess of 500 in 36 breeding pairs distributed across the state, it is critical for the state to gain a better understanding of pack activity and their use of the wilderness; and

WHEREAS, over the last decade, backpacking, horse packing, and using steel foothold traps in monitoring efforts have proven largely unsuccessful in collaring wolves in the wilderness and the Department of Fish and Game wants to employ other techniques for obtaining information about wolves; and

WHEREAS, it is estimated that there are a minimum of eight packs of gray wolves currently using the wilderness areas that do not have radio monitoring collars, and radio telemetry is important to determine pack size, breeding success, rendezvous and denning sites as well as pack territory; and

WHEREAS, in early 2005, the state of Idaho requested permission from the U.S. Forest Service to allow the Department of Fish and Game to land helicopters in federally protected wilderness areas during the winter months when wilderness use is minimal, snow typically protects any underlying vegetation from damage during landings, and concentration of wolves is optimal for the purpose of monitoring in those areas; and

WHEREAS, if granted permission to land helicopters, the state of Idaho proposed collaring up to 16 gray wolves and this research activity would support Idaho's wolf recovery plan by providing information on
wolf demographics and behavior, movement patterns, and activity sites within the wilderness; and

WHEREAS, use of aircraft, including helicopters, in wilderness areas is permitted only at established airstrips, or as minimally necessary for the administration of the area as a wilderness and this determination must be made by the U.S. Forest Service Regional Forester for the area through issuance of a special use permit; and

WHEREAS, the state worked with the U.S. Forest Service in completing a minimum requirements analysis that indicated that the use of a helicopter would be the minimum tool to accomplish the project objectives in comparison with the use of trappers traveling into the wilderness using established landing strips, by foot or by horseback during the summer months and locating, luring and trapping wolves via leg hold traps, a method that is less successful, requires significantly more time, and has a greater potential for damage to captured wolves; and

WHEREAS, on December 4, 2005, the Regional Forester published a Scoping Notice, consisting of a two-page summary of the proposal and the minimum requirements analysis, seeking public comment and, although expected to make a decision on January 10, 2006, the U.S. Forest Service Regional Forester has now delayed decision pending further analysis of public comments and issues related to the request; and

WHEREAS, this delay significantly hinders Idaho's efforts at monitoring during a time of year when wolves are easier to find, potentially forcing the state to deploy field efforts during the summer months when there is higher human use of the wilderness areas and catching wolves will be more intrusive.

NOW, THEREFORE, BE IT RESOLVED by the members of the Second Regular Session of the Fifty-eighth Idaho Legislature, the House of Representatives and the Senate concurring therein, urging that the U.S. Forest Service enter a decision as soon as possible granting a special use permit allowing the Idaho Department of Fish and Game to land helicopters in wilderness areas as requested for the purpose of monitoring gray wolves in those areas which is essential for the state of Idaho to fulfill its obligations under the Idaho Wolf Recovery Plan of 2002, the U.S. Fish and Wildlife Service 10j rule of 2005, as well as requirements imposed by the Endangered Species Act.

BE IT FURTHER RESOLVED that the Chief Clerk of the House of Representatives be, and she is hereby authorized and directed to forward a copy of this Memorial to the President of the Senate and the Speaker of the House of Representatives of Congress, and the congressional delegation representing the State of Idaho in the Congress of the United States.

We, your Memorialists, the House of Representatives and the Senate of the State of Idaho assembled in the Second Regular Session of the Fifty-eighth Idaho Legislature, do hereby respectfully represent that:

WHEREAS, since the beginning of time, the ability of man to provide food, fiber, and fuel for himself and others has determined his independence, freedom, and security; and

WHEREAS, when man began to colonize, the strength of each and every colony was directly related to his ability to provide a safe and reliable source of food, fiber, and fuel for his people; and

WHEREAS, when nations began to form, only nations with such ability rose to the top and since then many have fallen because they lost such ability; and

WHEREAS, agriculture is and will continue to be a fundamental and vital industry in Idaho, our nation, and the entire world; and

WHEREAS, a strong and viable agricultural industry is a very important part of our national security and overall well-being; and

WHEREAS, the primary source of funding for building schools, roadways, fire stations, and providing police protection in our rural communities comes from the taxes generated by agriculture and other natural resource industries; and

WHEREAS, American farmers, ranchers, and food processors are held by federal, state, and local laws to meet the highest standards in the world when it comes to environmental protection, worker safety, wage rates, and food safety concerns; and

WHEREAS, the family farm unit is the foundation of agriculture and one of the basic strengths of this nation.

NOW, THEREFORE, BE IT RESOLVED by the members of the Second Regular Session of the Fifty-eighth Idaho Legislature, the House of Representatives and the Senate concurring therein, that we urge that American farmers, ranchers, and food processors be enabled to compete freely and trade fairly in foreign markets on a strictly level playing field.

BE IT FURTHER RESOLVED, that because of the importance of the standards to which American producers and food processors are held, primarily standards concerning food safety, we urge that foreign countries wishing to participate in markets that lie within the boundaries of the United States be held to the same standards.

BE IT FURTHER RESOLVED, when determining the economic values of international trade agreements, we urge that these standards be quantified and considered in such determinations.

BE IT FURTHER RESOLVED, that we encourage the education of the general public as to the importance of the role agriculture plays in the development of a society, recognizing that such public education is critical in the preservation and strengthening of the family farm unit and the overall preservation and strengthening of the agricultural industry itself.

We, your Memorialists, the House of Representatives and the Senate of the State of Idaho assembled in the Second Regular Session of the Fifty-eighth Idaho Legislature, do hereby respectfully represent that:

WHEREAS, the goal of the No Child Left Behind Act (NCLB), moving all students to proficiency in reading, language and mathematics by 2014, is laudable; and

WHEREAS, that goal can best be achieved by providing the Idaho kindergarten through twelfth grade public education system the flexibility to capitalize on Idaho's unique resources and population; and

WHEREAS, Idaho has been a national leader in school improvement reform as exemplified by the passage of the Idaho Reading Initiative, the creation of academic standards, the alignment of Idaho public school curricula, and the creation of the Idaho Standards Achievement Test (ISAT); and

WHEREAS, Idaho applauds and supports the implementation and expansion of Secretary Spellings' flexibility framework for new NCLB policy announced April 7, 2005, including the implementation of pilot programs to study use of growth models in calculating Adequate Yearly Progress (AYP); and

WHEREAS, education stakeholders in Idaho are committed to providing the best public education possible for our children; and

WHEREAS, providing a quality education requires that certain aspects of NCLB be further enhanced.

NOW, THEREFORE, BE IT RESOLVED by the members of the Second Regular Session of the Fifty-eighth Idaho Legislature, the House of Representatives and the Senate concurring therein, that we urge the Congress to support federal legislation that will address the following:

(1) Correcting difficulties in the calculation of AYP;

(2) Providing states the flexibility to effectively and efficiently use resources by targeting sanctions to students who actually need assistance;
(3) Providing states local control over their education systems by allowing waivers to accommodate high-quality state accountability systems, including the use of measures of progress;

(4) Providing states more individualized measures of success in calculating AYP for students with disabilities and limited English proficient students; and

(5) Placing funding triggers in the federal program so that the most costly sanctions are not implemented in any year in which Congress does not provide adequate funding to states.

BE IT FURTHER RESOLVED that the Chief Clerk of the House of Representatives be, and she is hereby authorized and directed to forward a copy of this Memorial to the President of the Senate and the Speaker of the House of Representatives of Congress, and the congressional delegation representing the State of Idaho in the Congress of the United States.

We, your Memorialists, the House of Representatives and the Senate of the State of Idaho assembled in the Second Regular Session of the Fifty-eighth Idaho Legislature, do hereby respectfully represent that:

WHEREAS, the Federal Lands Recreation Enhancement Act, H.R. 3283, 108th United States Congress, was introduced in the United States House of Representatives and would have authorized the United States Forest Service, the United States Bureau of Land Management, the United States Fish and Wildlife Service, the National Park Service, and the United States Bureau of Reclamation to charge visitor fees for recreation on publicly owned lands; and

WHEREAS, H.R. 3283 was not voted on separately in the United States House of Representatives and was not introduced in, did not have hearings in, and was not approved by the United States Senate, but instead was attached to the omnibus spending bill, H.R. 4818, by the 108th United States Congress, as an appropriation rider; and

WHEREAS, the 108th United States Congress enacted H.R. 4818, and the Federal Lands Recreation Enhancement Act is now codified as 16 U.S.C. sections 6801 through 6814; and

WHEREAS, the Federal Lands Recreation Enhancement Act includes criminal penalties and is substantive legislation that fundamentally changes the way public land in the state is funded and managed; and

WHEREAS, the concept of paying fees to use public land is contrary
to the idea that public land belongs to the people of the state and is land where every person is granted access and is welcome, a concept that has been and should remain in place; and

WHEREAS, recreational fees constitute double taxation and bear no relationship to the actual costs associated with recreational use such as hiking, picnicking, observing wildlife, or scenic driving on state roads and public rights-of-way; and

WHEREAS, the fees imposed by the Federal Lands Recreation Enhancement Act are a regressive tax that places an undue burden on the people living in rural areas adjacent to or surrounded by large areas of federal land and discriminates against lower-income and working Idahoans by placing financial obstacles in the way of their enjoyment of public land; and

WHEREAS, the public land access fees in the Federal Lands Recreation Enhancement Act are controversial and are opposed by hundreds of organizations, several state legislatures and millions of rural Americans; and

WHEREAS, the Federal Lands Recreation Enhancement Act establishes an interagency pass that may be used to cover entrance fees and recreational amenity fees for federal public land and water, disregarding the substantially different ways in which national parks and other federal public land are managed and funded; and

WHEREAS, the limited means of expressing opposition to and the lack of public debate in the implementation of the fee program raises the concern that some citizens may be deterred from visiting and enjoying public land in the state and throughout the United States; and

WHEREAS, tourism is an important industry to the state, and the imposition of recreational use fees will have a negative effect on state and local economies.

NOW, THEREFORE, BE IT RESOLVED by the members of the Second Regular Session of the Fifty-eighth Idaho Legislature, the House of Representatives and the Senate concurring therein, that the Legislature of the State of Idaho demands that the Federal Lands Recreation Enhancement Act, which was enacted on December 8, 2004, be repealed and that no recreational fees authorized under the Federal Lands Recreation Enhancement Act be imposed to use federal public land in the state.

BE IT FURTHER RESOLVED that the Chief Clerk of the House of Representatives be, and she is hereby authorized and directed to forward a copy of this Memorial to be sent to the Honorable George W. Bush, President of the United States; the Honorable Richard B. Cheney, Vice-President of the United States and President of the U.S. Senate; the Honorable Gale Norton, United States Secretary of the Interior; the Honorable J. We, your Memorialists, the House of Representatives and the Senate of the State of Idaho assembled in the Second Regular Session of the Fifty-eighth Idaho Legislature, do hereby respectfully represent that:

WHEREAS, the state of Idaho is home to a large number of species considered to be threatened or endangered and many citizens of Idaho are directly affected by actions taken under the provisions of the Endangered Species Act; and

WHEREAS, the citizens of Idaho are performing many voluntary measures to help in the conservation and recovery of species which are or may become listed as threatened or endangered; and

WHEREAS, the Endangered Species Act as structured has not created meaningful incentives to engage private landowners in conservation and has failed to achieve its ultimate aim in the recovery of endangered species; and

WHEREAS, United States Senator Mike Crapo has introduced Senate Bill 2110, Collaboration for the Recovery of Endangered Species Act (CRESA); and

WHEREAS, CRESA will focus on species recovery, prioritize recovery efforts, expand the role of states for managing listed species, and compensate landowners for their efforts in species protection.

NOW, THEREFORE, BE IT RESOLVED by the members of the Second Regular Session of the Fifty-eighth Idaho Legislature, the House of Representatives and the Senate concurring therein, that we support the efforts of Senator Mike Crapo to reform and improve the Endangered Species Act through the enactment of CRESA, and promote species conservation and preservation within the state of Idaho and the United States of America.

TO THE SENATE AND HOUSE OF REPRESENTATIVES OF THE UNITED STATES IN CONGRESS ASSEMBLED, AND TO THE CONGRESSIONAL DELEGATION REPRESENTING THE STATE OF IDAHO IN THE CONGRESS OF THE UNITED STATES.
We, your Memorialists, the House of Representatives and the Senate of the State of Idaho assembled in the Second Regular Session of the Fifty-eighth Idaho Legislature, do hereby respectfully represent that:

WHEREAS, the success of all of America's students attending our nation's public schools is of great concern to the citizens of the United States; and

WHEREAS, many of these students arrive at our public school classrooms from myriad cultures and with no or extremely limited exposure to the English language; and

WHEREAS, it is self-evident that a student new to the English language is not proficient in reading or comprehending academic English; and

WHEREAS, the No Child Left Behind Act currently requires school districts to include in determinations of adequate yearly progress (AYP) the participation of all limited English proficient students, including those who have not been enrolled in school on a full-time basis for a sufficient period of time to develop skills that will assure the required tests are providing reliable information regarding these students' educational levels; and

WHEREAS, the No Child Left Behind Act also currently requires states to include all students in their annual academic assessments, including those with limited English proficiency, regardless of the length of time they have been attending public school; and

WHEREAS, Idaho's statewide assessment used to meet the provisions of the No Child Left Behind Act, the Idaho Standard Achievement Test, is administered in English; and

WHEREAS, it is demoralizing and frustrating for a student to be forced to take a test she or he cannot understand; and

WHEREAS, grade-level tests administered in English to beginning English language learners do not help teachers or school administrators understand the instructional needs of these students and do not provide an accurate portrayal of the performance of the school in which these students are enrolled.

NOW, THEREFORE, BE IT RESOLVED by the members of the Second Regular Session of the Fifty-eighth Idaho Legislature, the House of Representatives and the Senate concurring therein, that we urge your support for and adoption of amendments proposed to the No Child Left Behind Act which would:

(1) Allow states to exclude from AYP determinations the performance of any limited English proficient student who has not been enrolled in the state for three (3) full school years and whose parents and educators agree that such an exclusion is educationally appropriate for the student; and

(2) Allow states to exclude from the required annual academic assessment of student performance in mathematics, reading or language arts and science any limited English proficient student who has not been enrolled in the state for three (3) full school years and whose parents and educators agree that such an exclusion is educationally appropriate for the student.

BE IT FURTHER RESOLVED that the Chief Clerk of the House of Representatives be, and she is hereby authorized and directed to forward a
copy of this Memorial to the President of the Senate and the Speaker of the House of Representatives of Congress, and the congressional delegation representing the State of Idaho in the Congress of the United States.

A JOINT MEMORIAL
TO THE SENATE AND HOUSE OF REPRESENTATIVES OF THE UNITED STATES IN CONGRESS ASSEMBLED, AND TO THE CONGRESSIONAL DELEGATION REPRESENTING THE STATE OF IDAHO IN THE CONGRESS OF THE UNITED STATES.

We, your Memorialists, the House of Representatives and the Senate of the State of Idaho assembled in the Second Regular Session of the Fifty-eighth Idaho Legislature, do hereby respectfully represent that:

WHEREAS, the Federal Lands Recreation Enhancement Act, H.R. 3283, 108th United States Congress, was introduced in the United States House of Representatives and would have authorized the United States Forest Service, the United States Bureau of Land Management, the United States Fish and Wildlife Service, the National Park Service, and the United States Bureau of Reclamation to charge visitor fees for recreation on publicly owned lands; and

WHEREAS, H.R. 3283 was not voted on separately in the United States House of Representatives and was not introduced in, did not have hearings in, and was not approved by the United States Senate, but instead was attached to the omnibus spending bill, H.R. 4818, by the 108th United States Congress, as an appropriation rider; and

WHEREAS, the sponsors of the Federal Lands Recreation Enhancement Act and others have an unrealistic expectation that recreation fees will pay for much of the cost of management of public lands even though users cannot control costs associated with such management, including costs relating to federal mandates and costs associated with subsequent legal actions; and

WHEREAS, the establishment of state or regional recreational resource advisory committees as required under the Federal Lands Recreation Enhancement Act has not occurred; and

WHEREAS, most of the state's 400-plus licensed outfitters and guides require special use permits from federal land management agencies in order to operate legally on Idaho's public lands and waters and the Federal Lands Recreation and Enhancement Act permits the return of the special use permit fee that outfitters pay for the privilege of operating on public lands and waters to the source from which it is generated rather than being deposited into the Federal Treasury; and

WHEREAS, the Idaho outfitter and guide industry is a major component of the outdoor recreation sector of the Idaho tourism industry and the Idaho Legislature recognizes the benefit that the Idaho outfitter and guide industry provides to the public and the economy of the state of Idaho, particularly to the rural economy of the state of Idaho, recog-
nizing that approximately 200,000 visitors use Idaho outfitter and guide services annually and contribute an estimated $50,000,000 to the Idaho economy.

NOW, THEREFORE, BE IT RESOLVED by the members of the Second Regular Session of the Fifty-eighth Idaho Legislature, the House of Representatives and the Senate concurring therein, that the Legislature of the State of Idaho declares that should the Federal Lands Recreation Enhancement Act be repealed, then the authority for permitting outfitters and guides on public lands should be replaced immediately to allow for outfitter and guide operations to continue uninterrupted.

BE IT FURTHER RESOLVED, that should the Federal Lands Recreation Enhancement Act be repealed, that the outfitter special use fee that is currently assessed shall be reauthorized under a new authority and returned to the managing agency for outfitter permit administration rather than being designated for other uses.

BE IT FURTHER RESOLVED that the Chief Clerk of the House of Representatives be, and she is hereby authorized and directed to forward a copy of this Memorial to the President of the Senate and the Speaker of the House of Representatives of Congress, and the congressional delegation representing the State of Idaho in the Congress of the United States.

A JOINT MEMORIAL

TO THE SENATE AND HOUSE OF REPRESENTATIVES OF THE UNITED STATES IN CONGRESS ASSEMBLED, AND TO THE CONGRESSIONAL DELEGATION REPRESENTING THE STATE OF IDAHO IN THE CONGRESS OF THE UNITED STATES.

We, your Memorialists, the House of Representatives and the Senate of the State of Idaho assembled in the Second Regular Session of the Fifty-eighth Idaho Legislature, do hereby respectfully represent that:

WHEREAS, the United States Forest Service administers the management of 39% of the land base in the state of Idaho, and an additional 22% is administered by the United States Bureau of Land Management; and

WHEREAS, pursuant to 16 U.S.C. Section 471, an 1891 law authorizing the President to establish national forests, the purpose for establishing and administering national forests was to set aside public lands reserved as national forests to be controlled and administered, to the extent practical, in accordance with the Act which provided that "no national forest may be established except to improve and protect the forest, or to secure favorable conditions of water flows, and to furnish a continuous supply of timber for the use and necessities of citizens"; and

WHEREAS, it has long been the intent and policy of the federal government to hold rural communities harmless from the creation of federal lands and in 1906 the Committee on Public Lands recognized that the presence of federal lands could create a hardship for many counties, as they provided little revenue or commerce at that time; and
WHEREAS, in 1908, Congress created the Twenty-five Percent Fund Act to pay states and counties 25% of receipts collected from national forests and mandated that payments were to be spent on schools and roads, recognizing that viable communities adjacent to the public lands, with adequate roads and schools, were essential for the development and preservation of the national forests; and

WHEREAS, the federal policy of holding counties harmless from the creation of public lands within counties was reiterated in 1916 with the creation of the Oregon and California Grant Lands under the Chamberlain-Ferris Act, and again in 1937 with passage of the Oregon and California Grant Lands Act; and

WHEREAS, the forest resources were intended to be managed in such an environmentally responsible manner that they would produce long-term sustainable revenue to share with schools and counties as well as products for the nation; and

WHEREAS, in 2000, Congress passed the Secure Rural Schools and Community Self-Determination Act, commonly known as public law 106-393, which restored historical payment levels previously made to states and counties from the federal government for road and school purposes due to declining levels of actual forest receipts; and

WHEREAS, the reauthorization of public law 106-393 is pending before the United States Congress and Idaho counties are on record as being strongly supportive of a fully-funded approval of this Act; and

WHEREAS, recently, federal land managers have been faced with an ever-present funding shortage and rural counties will be faced with higher property taxes or a reduction in services if the Secure Rural Schools and Community Self-Determination Act is not reauthorized and appropriated; and

WHEREAS, there is continued concern that if the Act is reauthorized and appropriated it may be the last time it occurs and a long-term solution to these issues is necessary; and

WHEREAS, the state of Idaho is dependent upon healthy national forest system lands for economic benefit, recreation and scenic beauty and it is time to demonstrate a new initiative and commitment to the intent and policy of the federal government to hold counties and schools harmless from the creation of federal lands and construct a path leading to economic stability for rural communities and schools; and

WHEREAS, transfer of the management of the national forest system lands that are not designated as wilderness, proposed or recommended wilderness, wild and scenic river, or national recreation area, or designated roadless area in Idaho, to the state of Idaho would promote better stewardship of the public lands, provide financial returns to the counties, secure public access, meet Congress's intent to hold rural communities harmless from the creation of federal lands, and fund schools, road and bridge infrastructure which would offset significant tax increases in rural counties in the event the Secure Rural Schools payments are not reauthorized or are allowed to expire following the 2006 reauthorization; and

WHEREAS, precedent for state administration of federally-owned lands exists in the state of Idaho at the City of Rocks area in southern Idaho and campground-related facilities and land at Lake Cascade; and

WHEREAS, a transfer of management to the state of Idaho would demonstrate a new initiative and commitment to the intent and policy of the federal government to hold rural counties and schools harmless from the
consequences of the reservation of federal lands and construct a process leading to economic stability for rural communities and schools; and

WHEREAS, lands for which management responsibility is transferred to the state of Idaho could be administered by the Idaho Department of Lands in cooperation with county officials and with cooperative oversight by the United States Forest Service and state and local government could establish, or use existing natural resource advisory committees composed of a diverse cross-section of the public, with all decisions and actions relating to the lands being required to comply with every federal and state environmental law; and

WHEREAS, the management of these lands would have to meet the mandates of the Healthy Forest Initiative, the National Fire Plan, and state and county fire mitigation plans.

NOW, THEREFORE, BE IT RESOLVED by the members of the Second Regular Session of the Fifty-eighth Idaho Legislature, the House of Representatives and the Senate concurring therein, that we urge the Congress to support federal legislation transferring management of national forest system lands within Idaho to the state of Idaho to be managed for the benefit of the rural counties and schools with the state of Idaho being held harmless from the costs of administration.

BE IT FURTHER RESOLVED that Congress is urged to provide that any transfer of management authority would not affect any rights or authority of the state with respect to fish and wildlife, or repeal or modify any provision of law that permits the state or political subdivisions of the state to share in the revenues from federal lands, or any provision of law that provides that fees or charges collected at particular federal areas be used for or credited to specific purposes or special funds.

BE IT FURTHER RESOLVED that Congress is urged to provide that fees or revenues collected under state management be allocated 75%, or other appropriate percentage, for the benefit of the counties and schools in which the national forest system lands are located and 25%, or other appropriate percentage, for the benefit of the national forest in which the lands administered by the state of Idaho are located to be paid at the end of the year to the Secretary of the Treasury, and that amounts allocated to the counties should not be taken into account for purposes of the Twenty-five Percent Fund pursuant to 16 U.S.C. Section 500.

BE IT FURTHER RESOLVED that Congress is urged to seek a long-term solution to the significant issues that will face rural counties in the event the Secure Rural Schools payments are not reauthorized or are allowed to expire following the 2006 reauthorization.

BE IT FURTHER RESOLVED that the Chief Clerk of the House of Representatives be, and she is hereby authorized and directed to forward a copy of this Memorial to the President of the Senate and the Speaker of the House of Representatives of Congress, and the congressional delegation representing the State of Idaho in the Congress of the United States.

We, your Memorialists, the House of Representatives and the Senate of the State of Idaho assembled in the Second Regular Session of the Fifty-eighth Idaho Legislature, do hereby respectfully represent that:

WHEREAS, direct and unobstructed participation in international health cooperation forums and programs is crucial for all parts of the world, especially with today's greater potential for the cross-border spread of various infectious diseases such as AIDS; and

WHEREAS, Taiwan's achievements in the field of health care are substantial, including life expectancy levels that are some of the highest in Asia, maternal and infant mortality rates that are comparable to those of western countries, free hepatitis B vaccinations for children and the eradication of polio, cholera, smallpox and the plague; and

WHEREAS, the Centers for Disease Control and Prevention and its Taiwanese counterpart have enjoyed close collaboration on a wide range of public health issues; and

WHEREAS, in recent years Taiwan has expressed a willingness to assist financially and technically, the international aid and health activities supported by the World Health Organization; and

WHEREAS, Taiwan's population of twenty-three million is larger than that of seventy-five percent of World Health Organization member states; and

WHEREAS, the United States, in its 1994 Taiwan Policy Review, declared its intention to support Taiwan's participation in appropriate international organizations; and

WHEREAS, Taiwan's participation in the World Health Organization could bring many benefits to the state of health, not only in Taiwan, but also regionally and globally.

NOW, THEREFORE, BE IT RESOLVED by the members of the Second Regular Session of the Fifty-eighth Idaho Legislature, the House of Representatives and the Senate concurring therein, that we support the participation by Taiwan in a meaningful and appropriate way in the World Health Organization.

BE IT FURTHER RESOLVED that the Chief Clerk of the House of Representatives be, and she is hereby authorized and directed to forward a copy of this Memorial to the President of the United States, to the President of the Senate and the Speaker of the House of Representatives of Congress, and the congressional delegation representing the State of Idaho in the Congress of the United States, to the Director-General of the World Health Organization and the representative of the Taipei Economic and Cultural Representative Office in the United States.

TO THE PRESIDENT OF THE UNITED STATES, TO THE SENATE AND HOUSE OF REPRESENTATIVES OF THE UNITED STATES IN CONGRESS ASSEMBLED, TO THE CONGRESSIONAL DELEGATION REPRESENTING THE STATE OF IDAHO IN THE CONGRESS OF THE UNITED STATES, AND TO THE UNITED STATES SECRETARIES OF THE INTERIOR AND OF ENERGY.

We, your Memorialists, the House of Representatives and the Senate of the State of Idaho assembled in the Second Regular Session of the Fifty-eighth Idaho Legislature, do hereby respectfully represent that:

WHEREAS, policies of the federal government have placed much of the Outer Continental Shelf off-limits to oil and natural gas production; and

WHEREAS, development of oil and natural gas resources, where allowed off our shore, has coexisted for decades with recreational and commercial activities while benefitting the entire nation; and

WHEREAS, America's increased dependence on foreign energy supplies and global competition for oil and natural gas will create a threat to our national security; and

WHEREAS, since 2000, natural gas and oil prices have more than doubled; and

WHEREAS, rising energy costs are taking a toll on poor families throughout the nation and, in a recent annual survey by the National Energy Assistance Directors' Association, 32% of families had to sacrifice medical care, 24% failed to make their rent or mortgage payment, 20% were without food for at least a day, and 44% skipped paying or paid less than their home energy bill in the past year; and

WHEREAS, the nation's farming and ranching sectors depend on a reliable and affordable supply of energy to run equipment, fertilize crops, and transport products to market; and

WHEREAS, the Economic Research Service of the United States Department of Agriculture estimates that farmers' fuel expenses for 2005 exceeded their 2004 fuel expenses by 37%, and higher energy prices mean increased costs to farmers and ranchers, who already face tremendous economic challenges; and

WHEREAS, in spite of significant progress in energy efficiency, the United States will still need 32% more energy to support economic growth by 2025; and

WHEREAS, inland states throughout the west are doing more to increase domestic energy production, and the public lands that lie off our nation's coasts also hold enormous potential for energy production, which could significantly help to meet the energy needs of all Americans.

NOW, THEREFORE, BE IT RESOLVED by the members of the Second Regular Session of the Fifty-eighth Idaho Legislature, the House of Representatives and the Senate concurring therein, that we encourage the President of the United States of America, the Honorable George W. Bush, to revoke administrative withdrawals on offshore energy development on the nation's Outer Continental Shelf and direct the Minerals Management Service to contract for test wells to be drilled in order to provide needed...
energy resources to the United States in an environmentally responsible manner.

BE IT FURTHER RESOLVED, that we encourage the Congress of the United States of America to make the nation's Outer Continental Shelf available for energy development in an environmentally responsible manner.

WHEREAS, eco-tourism, or nature-tourism, has become a big business for many communities, with birds often being a central attraction; and

WHEREAS, within the last decade there has been an emerging interest in the development of "birding trails," which consist of self-guided driving routes and trail systems along the nation's interstates and byways that highlight the best spots for birding, linking premier birding habitats in convenient loops and spurs; and

WHEREAS, more than a dozen birding and wildlife-watching trails now have been developed and mapped, crisscrossing the country on federal and state land, and more are on drawing boards in various stages of development; and

WHEREAS, a partnership of groups and individuals, including state agencies, visitors' bureaus, educators, wildlife agencies, recreationists, and chapters of the Audubon Society, have worked together for the development of such sites; and

WHEREAS, the growth of birding trails, combined with America's love of the automobile, has helped build interest and spread birder tourism dollars and communities with trail sites have learned that birders are a boon to their economies, providing a means of diversification, especially for rural areas, with trail maps often providing information on lodging, restaurants and other places of interest; and

WHEREAS, birding trails are often located along the major North American flyways, including the "Pacific Flyway" that, in part, traverses the panhandle and Snake River valley of Idaho, and these flyways provide suitable habitat for native birds; and

WHEREAS, watching wildlife is the fastest growing outdoor activity in the United States, and approximately sixty percent of Idahoans regularly engage in wildlife watching, about half a million of whom participate specifically in watching birds on an annual basis; and

WHEREAS, the Idaho Department of Fish and Game has developed a birding trail, and associated trail guide, for a trail to be known as the "Idaho Birding Trail" and hopes to introduce the state trail in time for International Migratory Bird Day in May of 2006; and

WHEREAS, the Idaho Birding Trail will consist of a series of four...
loops, estimated at approximately 2,000 miles, consisting of the Northern Loop extending from the Canadian border south to Riggins, the Southwestern Loop, covering Riggins south to the Owyhee Mountains and the Oregon border east to Twin Falls, the Southeastern Loop encompassing the Twin Falls area east to the Wyoming border and Bear Lake north to Island Park, and the East-Central Loop consisting of the Sun Valley/Stanley area northeast to Salmon; and

WHEREAS, the four loops will guide visitors to two hundred sites, including such sites as the Snake River Birds of Prey National Conservation Area, Ponderosa State Park, Market Lake Wildlife Management Area, Camas National Wildlife Refuge, Coeur d'Alene River Wildlife Management Area, and Kootenai National Wildlife Refuge; and

WHEREAS, the Idaho Birding Trail will offer the public educational and recreational experiences as well as benefit nearby communities and offer such communities economic opportunities associated with the resulting increase in tourism to these areas.

NOW, THEREFORE, BE IT RESOLVED by the members of the Second Regular Session of the Fifty-eighth Idaho Legislature, the House of Representatives and the Senate concurring therein, that we express our support for the development of the Idaho Birding Trail, recognize the economic opportunities and benefits the trail will afford to communities in the state of Idaho, declare it to be the official Idaho birding trail, and encourage the Idaho Department of Commerce and Labor to include the Idaho Birding Trail in its promotional literature.

A CONCURRENT RESOLUTION

STATING FINDINGS OF THE LEGISLATURE AND ENCOURAGING THE DEPARTMENT OF ENVIRONMENTAL QUALITY TO EVALUATE, ADOPT AND IMPLEMENT CERTAIN STANDARDS AND RULES RELATING TO WATER QUALITY.

Be It Resolved by the Legislature of the State of Idaho:

WHEREAS, the Department of Environmental Quality has been designated by the Legislature as the primary agency to meet the goals and requirements of the Clean Water Act and to coordinate and administer Idaho's ground water quality protection programs; and
WHEREAS, surface water quality standards under the Clean Water Act include designated uses for navigable waters and criteria for such designated uses, and revisions of those uses and criteria must be submitted to the U.S. Environmental Protection Agency for approval; and

WHEREAS, surface water quality standards under the Clean Water Act may also include provisions regarding mixing zones, variances and low flows and the decision to include such provisions in the water quality standards is reserved to the state under the Clean Water Act; and

WHEREAS, decisions concerning ground water are within the sole jurisdiction of the state, and state ground water quality standards do not require the approval of the U.S. Environmental Protection Agency; and

WHEREAS, any changes in Idaho's water quality standards proposed by the Department of Environmental Quality must comply with the provisions of the Idaho Environmental Protection and Health Act and will be subjected to legislative review and approval; and

WHEREAS, the Idaho Environmental Protection and Health Act states the Legislature's intent that environmental quality programs be promulgated and managed so that the benefits of pollution control measures have a reasonable relationship to the public health costs, private property rights and the environmental and economic impacts of such measures; and

WHEREAS, the Idaho Water Quality Act states the Legislature's intent that the state of Idaho fully meet the goals and requirements of the Clean Water Act and that the rules promulgated to implement the Clean Water Act not impose requirements beyond those of the Clean Water Act; and

WHEREAS, it is the Legislature's intent that Idaho's surface water quality standards not apply to manmade waterways and private waters within the state unless otherwise required by the Clean Water Act; and

WHEREAS, the Legislature recognizes that the federal Safe Drinking Water Act regulates public water systems and that drinking water standards may not be appropriate for use as water quality standards when natural conditions make such standards unattainable, such as in the case of arsenic; and

WHEREAS, the Legislature recognizes that the water quality standards and the ground water quality rules both contain provisions that allow the use of natural background as a standard when natural conditions exceed numeric standards.

NOW, THEREFORE, BE IT RESOLVED by the members of the Second Regular Session of the Fifty-eighth Idaho Legislature, the House of Representatives and the Senate concurring therein, that the Legislature encourages the Department of Environmental Quality to evaluate, adopt and implement water quality standards, rules and other provisions that fully consider natural conditions that exist in Idaho for all criteria and that the Department adopt uses for water bodies that are attainable.

BE IT FURTHER RESOLVED that the Legislature encourages the Department of Environmental Quality to propose changes to its rules regarding mixing zones, variances and low flows only when there is broad agreement among affected parties concerning those changes.

BE IT FURTHER RESOLVED that the Legislature encourages the Department of Environmental Quality to take full advantage of the flexibility

WHEREAS, forty-three states and the District of Columbia have agreed to participate in the Streamlined Sales Tax Project, which was created to develop measurements to design, test, and implement a sales and use tax system that radically simplifies sales and use taxes; and

NOW, THEREFORE, I, DIRK KEMPTHORNE, Governor of the State of Idaho, by the authority vested in me by the Constitution and laws of the State of Idaho, do hereby order as follows:

(1) The State of Idaho supports the mission of the Streamlined Sales Tax Project and is committed to simplifying the sales and use tax system for all taxpayers.
