23-1003. BREWERS', DEALERS' AND WHOLESALERS' LICENSES. (a) Before any brewer shall manufacture or any dealer or wholesaler import or sell beer within the state of Idaho, such brewer shall apply to the director for a license. The application form shall be prescribed and furnished by the director and require that the applicant show that such brewer possesses all the qualifications and none of the disqualifications of a licensee. To determine qualification for a license, the director shall cause an investigation that shall include a fingerprint-based criminal history check of the Idaho central criminal history database and the federal bureau of investigation criminal history database. Each person listed as an applicant on an initial application shall submit a full set of fingerprints and the fee to cover the cost of the criminal history background check with the application. The application shall also be accompanied by the required licensee fee; provided, that where the applicant is or will be within more than one (1) of the foregoing classifications, the applicant shall apply for each classification but shall pay only one (1) license fee, which shall be for the classification requiring the highest fee. If the director is satisfied that the applicant possesses the qualifications and none of the disqualifications for the license, the director shall issue a license for each classification applied for, subject to the restrictions and upon the conditions in this act specified, which license or licenses shall be at all times prominently displayed in the place of business of the licensee.

(b) Each wholesaler shall, in addition to the application, file with the director a notice in writing signed by the dealer or brewer and the wholesaler stating the geographic territory within which the wholesaler will distribute beer to retailers. The territory will be agreed upon between the dealer or brewer and the wholesaler and may not be changed or modified without the consent of both the dealer or brewer and the wholesaler. Provided however, nothing in this section shall be interpreted to prohibit a brewer or dealer from permitting more than one (1) distributor for the same geographic territory.

(c) In the event that a wholesaler sells beer to a retailer who is located outside the geographical territory designated by that wholesaler on the notice provided for in subsection (b) of this section, the dealer or wholesaler who has designated the geographical territory in which the sale occurred may apply to a district court of this state for the issuance of an injunction enjoining sales of beer by the wholesaler outside of its designated geographical territory. The procedure for issuance of an injunction pursuant to this act shall be subject to the Idaho rules of civil procedure. Upon proof to the court that a wholesaler has made a sale of beer

outside of its designated geographical territory, the court shall issue an injunction directed to the wholesaler prohibiting sales of beer outside of its designated geographical territory.

(d) Any brewer licensed within the state of Idaho who produces fewer than thirty thousand (30,000) barrels of beer annually, upon payment of a retailer's annual license fee, may be issued a brewer's retail beer license for the retail sale of the products of its brewery at its licensed premises or one (1) remote retail location, or both. Any brewer selling beer at retail or selling to a retailer must pay the taxes required in section [23-1008](#), Idaho Code, but need not be licensed as a wholesaler for the purpose of selling beer at the brewery or at one (1) remote retail location.

(e) Any brewer licensed within the state of Idaho who produces fewer than thirty thousand (30,000) barrels of beer annually may be issued a brewer's pub license. Upon payment of a retailer's annual license fee, and subject to the fees in sections [23-1015](#) and [23-1016](#), Idaho Code, a brewer may, at its licensed brewery or at one (1) remote retail location, or both, sell at retail the products of any brewery by the individual bottle, can or glass. Any brewer selling beer at retail or selling products of its brewery to a retailer must pay the taxes required in section [23-1008](#), Idaho Code, on the products of its brewery, but need not be licensed as a wholesaler for the purpose of selling beer at the brewery or at one (1) remote retail location.

(f) A brewer licensed under the provisions of subsection (d) or (e) of this section may be licensed as a wholesaler for the sale of beer produced by such brewery to retailers other than at the licensed brewery and one (1) remote retail location and shall not be required to pay an additional fee. Such brewer shall, however, comply with and be subject to all other regulations or provisions of law that apply to a wholesaler's license, except as the laws may restrict sales at the licensed brewery or one (1) other remote retail location. The holder of a brew pub license shall not be disqualified from holding a retail wine license or wine by the drink license for the sale of wine at the brew pub premises on the grounds that the licensee is also licensed as a wholesaler.

23-1005. QUALIFICATIONS OF LICENSEES. No license shall issue to an applicant for a dealer's or wholesaler's license unless the applicant is authorized to do business within the state of Idaho; nor shall such license be issued to an applicant whose license, or the license of any partner, has been revoked within two (2) years; nor to an applicant who, or if a partnership any partner of whom, has been convicted of any violation of any law of Idaho or

of the United States regulating, governing, or prohibiting the sale of alcoholic beverages or intoxicating liquor. Any such license issued shall be revoked if the licensee ceases to have the qualifications, or acquires the disqualifications, in this section provided.

If the transferee possesses all the qualifications and none of the disqualifications for such license, the director shall approve the transfer by issuing a license to the transferee. The fee for each transfer of a brewer's, dealer's, wholesaler's or retailer's beer license shall be twenty dollars (\$20.00), which fee shall accompany the application for transfer.

(b) Application for a transfer of any beer license from one location to another shall be made to the director on forms prescribed and furnished by the director. The director shall approve such transfer upon submission of the application and receipt by the director of a transfer fee of twenty dollars (\$20.00).

(c) The director, in his discretion, may deny the transfer of a license during the pendency of any proceedings for suspension or revocation instituted pursuant to the provisions of this chapter.

23-1006. RECORDS AND RETURNS OF LICENSEES -- INVESTIGATIONS AND EXAMINATIONS. Every licensed dealer, brewer and wholesaler shall have, and notify the director of, a place of business within the state of Idaho where such licensee will and shall keep a record of his or its imports into, and sales of beer within, the state, including the date, quantity, from whom purchased for import, the carrier or other person or means by whom or which transported for import, and the name and address of the vendee, and shall so keep such record of each such sale or import for a period of four (4) years thereafter. Such licensee shall, on or before the 15th day of each month, make a return to the director of the amount of beer sold in, and imported by him into, the state of Idaho for the preceding month, which shall be upon forms furnished by the director. The director may require such additional information to be included in such returns as shall assist him in determining whether or not such licensee is complying with, or violating, this act and whether or not all taxes and license fees provided for by this act are being fully paid. The director shall have the right at any time to make an examination of each dealer's, brewer's and wholesaler's books, records and premises, make an inventory and otherwise check the accuracy of such returns, and investigate for any violation of this act, and file, and retain in his office for not less

than two (2) years, a report thereof. An application for, and acceptance of a license by, a dealer, brewer, wholesaler or retailer shall constitute consent to, and be authority for, entry by the director, or his authorized agents, upon any premises related to the licensee's business, or wherein are, or should be, kept, any of the licensee's books, records, supplies or other property related to said business, and to make the inventory, check and investigations aforesaid with relation to said licensee or any other licensee.

23-1007A. BEER SOLD OR DONATED FOR BENEVOLENT, CHARITABLE OR PUBLIC PURPOSES -- PERMIT REQUIRED. (1) Notwithstanding the provisions of section [23-1007](#), Idaho Code, to the contrary, nothing shall prevent any licensed dealer, wholesaler or retailer from selling or donating unbroken packages of beer or kegs of beer to a person which has not been issued any license for the sale of alcoholic beverages in this state, for benevolent, charitable or public purposes if a permit has been issued to the person or nonprofit entity as provided in subsection (2) of this section.

(2) Upon application to the director of the Idaho state police, the director may issue a permit authorizing the sale or dispensing of beer by a person if the director is satisfied that the proceeds, after deducting reasonable expenses incurred, will be donated for a benevolent, charitable or public purpose. The director shall prescribe the form of the application which may require:

(g) Such other information directly related to the event and the applicant that the director may require.

The director shall collect a twenty dollar (\$20.00) fee for each permit issued.

(3) Should the director determine that an applicant, permittee or its representative is violating or has in the past violated any law pertaining to the dispensing or sale of beer by a licensed retailer relating to hours of sale, relating to restrictions concerning age provided in section [23-1013](#), Idaho Code, or has failed in the past to submit such information as may have been requested by the director, such permit may be summarily suspended by the director prior to hearing, or may be denied or cancelled pending a hearing.

(4) A licensed retailer may, on behalf of the permittee, receive or store beer to be used at the event and may dispense such beer to attendees of the benevolent, charitable or public purpose event for which the permit was issued.

[23-1007A, added 1991, ch. 279, sec. 2, p. 722; am. 2000, ch. 469, sec. 67, p. 1517.]

Such sale shall be held at such place and time as may be designated by the commission after reasonable notice thereof given in such manner and for such time as the commission may by rule prescribe. From the purchase price received upon such sale, the commission shall first deduct an amount sufficient to pay the tax due on such beer, and to pay all costs incurred in connection with such sale. The commission shall deposit the balance remaining with the state treasurer, who shall place the same in the general fund of the state of Idaho, and it shall become a part thereof.

(2) The revenues received from the taxes, interest, penalties, or deficiency payments imposed by this section shall be distributed as follows:

(a) An amount of money shall be distributed to the state refund account sufficient to pay current refund claims. All refunds authorized by law to be paid by the state tax commission shall be paid through the state refund account and those moneys are continuously appropriated.

Each application shall be accompanied with the required license fee. If the applications conform hereto the director, county and municipality respectively, shall each issue a retailer's license to the applicant, subject to the restrictions and upon the conditions in this act specified, and, as to the municipal license, in the ordinance aforesaid. Said licenses shall at all times be prominently displayed in the place of business of the licensee, and shall be issued only for the particular premises described therein, but the municipality, county and director may permit a transfer to other particularly described premises. No license transferred by process of law or otherwise shall authorize the transferee, including any executor, administrator or trustee in bankruptcy of the estate of the licensee, to retail beer thereunder until the transferee shall have filed under oath applications therefor containing substantially the same information required of an applicant for a license, and if the transferee possesses the qualifications and none of the disqualifications for a license as herein provided, the director, county and municipality

shall approve such transfer and issue a license so to show. 23-1010. LICENSE TO SELL BEER AT RETAIL -- APPLICATION PROCEDURE AND FORM -- SHOWING OF ELIGIBILITY FOR LICENSE AND DISQUALIFICATIONS. (1) Every person who shall apply for a state license to sell beer at retail shall tender the license fee to, and file written application for license with, the director. (b) That the condition of the place or building wherein it is proposed to sell beer at retail conforms to all laws and rules of the state of Idaho and to the ordinances of the county and municipality applicable thereto relating to public health and safety and to the zoning ordinances of the municipality applicable thereto;

(c) That there is no stamp or permit outstanding and in force that has been issued to any person by the United States government for the premises for which license to sell beer at retail is sought, which stamp or permit denotes payment of any special tax imposed by the United States government on a retail dealer in liquor or wines, unless said premises are premises for which a retail license for sale of liquor by

the drink, issued under the provisions of [chapter 9, title 23](#), Idaho Code, is in force and effect;

(d) That the individual applicant, or each partner of a partnership applicant, or a corporation applicant or an association applicant is qualified to do business within the state of Idaho;

(e) That the applicant, if an individual, is not less than nineteen (19) years of age;

(f) That, within three (3) years immediately preceding the date of filing the application, the applicant has not been convicted of the violation of any law of the state of Idaho, any other state, or of the United States regulating, governing or prohibiting the sale, manufacture, transportation or possession of alcoholic beverages or intoxicating liquors, or, within said time, suffered the forfeiture of a bond for failure to appear in answer to charges of any such violation;

Each person listed as an applicant on an initial application shall submit a full set of fingerprints and the fee to cover the cost of the criminal history background check for such person with the application.

(4) The affirmative showing required with respect to an applicant under paragraphs (e), (f), (g) and (h) of subsection (2) of this section shall also be required to be made with respect to each partner of a partnership applicant and to each incumbent officer, director or member of the governing board of a corporation or association applicant.

(5) The application must be subscribed and sworn to by the individual applicant, or by a partner of a partnership applicant, or by an officer or manager of a corporation or association applicant, before a notary public or other person authorized by law to administer oaths.

(6) If an applicant shall be unable to make any affirmative showing required in this section or if an application shall contain a false material statement, knowingly made, the same shall constitute a disqualification for license and license shall be refused. If license is received on any application containing a false material statement, knowingly made, such license shall be revoked. If at any time during the period for which license is issued, a licensee becomes unable to make the affirmative showings required by this section, license shall be revoked, or, if disqualification can be removed, the license shall be suspended until the same shall be removed. The procedure to be followed upon refusal, revocation or suspension of license as herein provided for shall be in accordance with the procedure set forth in this act.

(7) All licenses shall expire at 1:00 a.m. on the first day of the renewal month, which shall be determined by the director by administrative rule and shall be subject to annual renewal upon proper application. The director will determine the renewal month by county based on the number of current licenses within each county, distributing renewals throughout the licensing year. The director may adjust the renewal month to accommodate population increases. Each licensee will be issued a temporary license to operate until the renewal month has been determined. Thereafter, renewals will occur annually on their renewal month. Renewal applications for licenses accompanied by the required fee must be filed with the director on or before the first day of the designated renewal month. Any licensee holding a valid license who fails to file an application for renewal of the current license on or before the first day of the designated renewal month shall have a grace period of an additional thirty-one (31) days in which to file an application for renewal of the license. The licensee shall not be permitted to sell beer at retail during the thirty-one (31) day extended time period unless and until the license is renewed.

(ii) The retailer pays for the beer; and

(iii) The retailer is responsible for any advertising.

(b) Conduct an unlimited number of beer sample tastings on the premises if there is no brewer or distributor providing assistance for the event. The retailer may advertise such events.

(a) To have any financial interest in any licensed retailer's business, or to own or control any real property upon which a licensed retailer conducts his business, except such property as shall have been so owned or controlled continuously for more than one (1) year prior to July 1, 1975; provided however, that a brewer licensed pursuant to section [23-1003](#)(d) or (e), Idaho Code, may be permitted to have a financial interest in one (1) additional brewery licensed pursuant to section [23-1003](#)(d) or (e), Idaho Code; or

A brewer, dealer or wholesaler may not sell such equipment or supplies at a price, or under terms, intended or designed to encourage or induce the retailer to use products of the seller to the exclusion of the products of other brewers, dealers or wholesalers. In no event shall the sales price be less than the reasonable value of such equipment or supplies.

(3) Notwithstanding the provisions of subsection (2) of this section, a brewer, dealer, or wholesaler, as an incident to merchandising in the ordinary course of business, and if available to all retailers within the brewer, dealer or wholesaler's service area, without discrimination, may lend, give, furnish or sell to a retailer, the following items:

(e) Temporary signs or banners displaying a brewer's, dealer's or wholesaler's name, trademark or label, which signs may be permitted to be temporarily displayed on the exterior portion of the retailer premises in connection with a special event, in accordance with such rules relating thereto as may be established by the director.

(4) A distributor may perform services incident to or in connection with the following:

(a) The stocking, rotation and restocking of beer sold and delivered to such licensed retailer on or in such licensed retailer's storeroom, salesroom shelves or refrigerating units, including the marking or

remarking of containers of such beer to indicate the selling price as established by the retailer and to the arranging, rearranging, or relocating of advertising displays referred to in this section. For the purposes of this paragraph, a wholesaler may, with the permission of the retailer, and in accordance with space allocations directed by the retailer, set, remove, replace, reset or relocate all beer upon the shelves of the retailer. Labor performed or schematics prepared by the wholesaler relating to conduct authorized pursuant to this paragraph shall not constitute prohibited conduct or unlawful aid to a retailer;

- (b) (i) The inspection of a licensed retailer's draught equipment to insure sanitation and quality control;
- (ii) The instruction of licensed retailers in the proper use, maintenance and care of draught equipment, glasses and products used in the sale and dispensing of beer and the preparation and distribution of written information or instructions to licensed retailers with respect thereto;

(5) A wholesaler may assist a retailer by temporarily providing storage of the retailer's beer for a period not in excess of seven (7) days in the event that such storage is necessary to maintain the quality of such beer during a temporary loss or failure of the retailer's refrigeration equipment.

(6) A brewery, dealer or wholesaler may furnish or give to a retailer authorized to sell beer for consumption on the licensed premises, for sampling purposes only, a container of beer containing not more than sixty-four (64) ounces, not currently being sold by the retailer, and which container is clearly marked "NOT FOR SALE -- FOR SAMPLING PURPOSES ONLY."

(7) The word "ale" or "malt liquor" may be substituted for "beer" on any sign used in connection with any advertising herein permitted, provided reference shall be to ale or malt liquor which has an alcoholic content not greater than the limitation prescribed in section [23-1002](#), Idaho Code.

(8) Every violation of the provisions of this section by a dealer, brewer or wholesaler, in which a licensed retailer shall have actively participated shall constitute a violation on the part of such licensed retailer.

(c) To threaten any wholesaler with any discrimination prohibited under subsection (1)(b) of this section, with the purpose or effect of changing or maintaining resale prices of the wholesaler;

(d) To impose conditions or restrictions on a wholesaler not generally imposed on other wholesalers of such brewer.

(2) Nothing in this section shall be deemed to prohibit brewers or dealers from selecting their own customers in bona fide transactions not in restraint of trade, nor to prohibit a brewer, or any affiliate or subsidiary of such brewer, duly licensed as a wholesaler from selling and distributing beer or other products manufactured by such brewer at wholesale to the exclusion of beer or other products manufactured by any other brewers. The terms "wholesaler" and "wholesalers" as used in this section shall mean a wholesaler or wholesalers licensed and engaged as such in the sale and distribution of beer in the state of Idaho.

Signs indicating that beer is sold or dispensed on any particular premises shall be displayed only on the exterior portion of the building where the licensed retailer shall carry on his business of selling beer at retail or on property on which any such building is situated and which is owned or possessed by such retailer as a part of his business premises. No more than two (2) single-faced signs or one (1) double-faced sign indicating that beer is sold or dispensed on the premises shall be displayed on such building or property. No dimension of any such sign shall exceed sixty (60) inches and the area of each face of a double-faced and of each single-faced sign shall not exceed fifteen hundred (1,500) square inches measured in such manner as the director may by regulation prescribe. (1) In the event of a conviction of any brewer manufacturing beer in this state or of any wholesaler or retailer licensed under the provisions of this chapter, of any law of the state of Idaho, or of the United States, regulating, governing or prohibiting the sale, manufacture, transportation or possession of alcoholic beverages or intoxicating liquor, or if the director shall determine that any such licensee has violated any of the provisions of this chapter or any regulation of the director promulgated under the authority of this chapter, the director may, in his discretion, and in addition to any other penalty imposed, determine to revoke the license of any such licensee, to suspend the same for a period not in excess of six (6) months, or to refuse to grant a renewal of such license after the date of its expiration.

(2) When the director determines to suspend such license, the affected licensee may petition the director prior to the effective date of the suspension requesting that a monetary payment be allowed in lieu of the license suspension. If the director determines such payment to be consistent with the purpose of the laws of the state of Idaho and is in the public interest, he shall establish a monetary payment in an amount not to exceed five thousand dollars (\$5,000). The licensee may reject the payment amount determined by the director, and instead be subject to the suspension provisions of subsection (1) of this section. Upon payment of the amount established, the director shall cancel the suspension period. The director shall cause any payment to be paid to the treasurer of the state of Idaho for credit to the state's general account in the state operating fund.

(3) The suspension of a license for the sale of liquor or wine shall automatically result in the suspension of any license for the sale of beer held by the same licensee and issued for the same premises or location. Such additional suspension shall be equal in length to and run concurrently with the period of the suspension.

(4) When a proceeding to revoke or suspend a license has been or is about to be instituted, during the time a renewal application of such license is pending before the director, the director shall renew the license notwithstanding the pending proceedings, but such renewed license may be revoked or suspended without hearing if and when the previous license is, for any reason, revoked or suspended.

- (1) licensee,
- (2) agent of licensee or
- (3) employee of licensee if such licensee knew or should have known in the exercise of reasonable diligence that said employee was violating the provisions of [chapter 41, title 18](#), Idaho Code, and if the violation committed by any of the above occurred on, or in connection with, premises licensed under this act by such licensee, the director shall suspend the license of

such licensee for a period of six (6) months. If such licensee, or his agent or employee, has previously been convicted of a violation of [chapter 41, title 18](#), Idaho Code, relating to obscenity, which violation occurred on, or in connection with, the premises licensed under this act by such licensee, the director shall revoke the license of such licensee.

Any hearing alleging a violation of chapter 9 or 10, [title 23](#), Idaho Code, shall be conducted in the county where the alleged violation occurred.

The licensing authority of any county or incorporated municipality shall have and exercise the same powers to revoke, suspend, or to refuse grant of renewal of a retailer's license issued or issuable by it, as are granted to the director in this act. The determination of any such licensing authority to revoke, suspend, or to refuse grant of renewal of any retailer's license, shall be upon the same grounds referred to in section [23-1037](#), Idaho Code, and may also be upon the grounds that the licensee has violated an ordinance validly enacted by it and regulating, governing or prohibiting the sale, manufacture, transportation or possession of alcoholic beverages or intoxicating liquor, and notice thereof shall be given, and proceedings to contest said determination allowed, as provided for in this act with respect to state licenses issued by the director. The order to show cause shall be addressed to the county commissioners of the county or to the city council of the incorporated municipality, requiring the commissioners or councilmen, or such representative as they may designate, to appear in response thereto. Upon a determination by the director or by the licensing authority of any county or municipality to refuse issuance of a license to an applicant upon original application, the same procedure herein provided for in cases involving refusal to grant renewal of license for notice and for proceedings to contest determination shall govern insofar as the same are applicable, except that issuance of temporary license shall not be required pending proceedings to contest determination.

[I.C., sec. 23-1044, as added by 1961, ch. 299, sec. 7, p. 543; am. 1974, ch. 27, sec. 59, p. 811.]

23-1045. APPEALS. An appeal from the judgment of any district court on proceedings to contest a determination may be taken by either party to such proceedings to the Supreme Court of this state, in the same manner as in other civil actions. If the judgment of the district court shall affirm the determination of any licensing authority revoking or suspending license or refusing grant of renewal of license, further stay of the effective date of revocation or suspension or further continuance of temporary license pending appeal may be allowed if, in the discretion of the court and upon application therefor, order for such further stay or continuance shall be entered by the court.

[I.C., sec. 23-1047, as added by 1961, ch. 259, sec. 1, p. 430; am. 2009, ch. 4, sec. 1, p. 6.]

23-1048. LIABILITY FOR PAYMENT OF TAXES ON BEER. (1) Every sale of beer to a retailer licensed in this state or to a consumer in this state shall constitute a sale of beer for resale or consumption in this state and such wholesaler shall be liable for the payment of taxes thereon. 23-1049. SECURITY FOR TAX. The amount of the necessary security shall be fixed by the state tax commission but, except as provided hereafter, shall not be greater than three (3) times the estimated average monthly amount payable by such persons pursuant to this act. In the case of persons habitually delinquent in their obligations under this act, the amount of the security shall not be greater than five (5) times the estimated average monthly amount payable by such persons pursuant to this act. The amount of the security may be increased or decreased by the state tax commission at any time, subject to the limitations set forth herein.

The state tax commission may sell the security at public auction or, in the case of security in the form of bearer bonds issued by the United States or the state of Idaho which have a prevailing market price, at a private sale at a price not lower than the prevailing market price if it becomes necessary to make such sale in order to recover any tax, interest or penalties due on any amount required to be collected. Notice of the sale must be given to the person who deposited the security at least ten (10) days before the sale. Such notice may be given personally or by mail addressed to the person at the address furnished to the state tax commission and as it appears in the records of the state tax commission. 23-1051. REGULATIONS. The state tax commission shall be, and it is hereby, authorized to adopt and promulgate such rules and regulations as may be necessary to assure payment of taxes on beer, including, but not limited to, rules and regulations; prescribing the form and content of monthly reports required; requiring the persons liable for payment of taxes on beer to show on such monthly reports information concerning their inventories, purchases, sales and shipments of beer; requiring monthly informational reports from dealers and wholesalers licensed in this state concerning their inventories, purchases, sales and shipments of beer; requiring reports from carriers, both public and private, concerning deliveries of beer made in

this state by such carriers and shipments of beer made by such carriers out of this state; requiring persons liable for payment of taxes imposed on beer and dealers and wholesalers licensed in this state to maintain complete and accurate books, records and accounts on transactions involving beer; and establishing grounds upon which delay in filing reports or paying taxes imposed on beer may be considered justifiable and without fault on the part of the person liable therefor.

When examination involving any brewer or foreign distributor holding a certificate of approval issued by this state shall require an examiner to travel outside this state, the actual and necessary expenses of travel and subsistence necessarily incurred on account of the examination shall be paid by the holder of such certificate of approval upon presentation of an itemized statement certified by the examiner and approved by the state tax commission.

[I.C., sec. 23-1053, as added by 1961, ch. 259, sec. 1, p. 430.]

23-1054. REFUND OF TAXES. (1) If the tax commission determines that any amount due under this chapter has been paid more than once or has been erroneously or illegally collected or computed, the commission shall set forth that fact in its records and the excess amount paid or collected may be credited on any amount then due and payable to the commission from that person and any balance refunded to the person by whom it was paid or to his successors, administrators or executors. The tax commission is authorized and the state board of tax appeals is authorized to order the tax commission in proper cases to credit or refund such amounts whether or not such payments have been made under protest and certify such refund to the state board of examiners.

(2) No such credit or refund shall be allowed or made after three (3) years from the time the payment was made, unless before the expiration date of that period a claim therefor is filed by the taxpayer. The three (3) year periods allowed by this section for making refunds or credit claims shall not apply in cases where the tax commission asserts a deficiency of tax imposed by this chapter and taxpayers desiring to appeal or otherwise seek a refund of amounts paid in obedience to those deficiencies must do so within the time limits elsewhere prescribed by law.
