[30-1901, added 2012, ch. 193, sec. 1, p. 520.]

30-1902. DEFINITIONS. As used in this section, the following terms shall mean:

(1) "Asbestos claim" means any claim, wherever or whenever made, for damages, losses, indemnification, contribution or other relief arising out of, based on, or in any way related to asbestos, including:

(a) The health effects of exposure to asbestos, including a claim for:

(i) Personal injury or death;
(ii) Mental or emotional injury;
(iii) Risk of disease or other injury; or
(iv) The costs of medical monitoring or surveillance;

(b) Any claim made by, or on behalf of, any person exposed to asbestos, or a representative, spouse, parent, child or other relative of the person; and

(c) Any claim for damage or loss caused by the installation, presence, or removal of asbestos.

(2) "Corporation" means a corporation for profit, including a domestic corporation organized under the laws of this state or a foreign corporation organized under laws other than the laws of this state.

(3) "Successor" means a corporation that assumes or incurs or has assumed or incurred successor asbestos-related liabilities that is a successor and became a successor before January 1, 1972, or is any of that successor corporation's successors.

(4) "Successor asbestos-related liabilities" means any liabilities, whether known or unknown, asserted or unasserted, absolute or contingent, accrued or unaccrued, liquidated or unliquidated, or due or to become due, that are related in any way to asbestos claims and were assumed or incurred by a corporation as a result of or in connection with a merger or consolidation, or the plan of merger or consolidation related to the merger or consolidation with or into another corporation, or that are related in any way to asbestos claims based on the exercise of control or the ownership of stock of the corporation before the merger or consolidation. The term includes liabilities that, after the time of the merger or consolidation for which the fair market value of total gross assets is determined pursuant to section 30-1905, Idaho Code, were or are paid or otherwise discharged, or committed to be paid or otherwise discharged, by or on behalf of the corporation, or by a successor of the corporation, or by or on behalf of a transferor, in connection with settlements, judgments, or other discharges in this state or another jurisdiction.

(5) "Transferor" means a corporation from which the successor asbestos-related liabilities are or were assumed or incurred.

[30-1902, added 2012, ch. 193, sec. 1, p. 520.]
30-1903. APPLICABILITY. (1) The limitations in section 30-1904, Idaho Code, shall apply to any successor corporation.

(2) The limitations of section 30-1904, Idaho Code, shall not apply to:
   (a) Worker's compensation benefits paid by, or on behalf of, an employer to an employee under the provisions of title 72, Idaho Code, or a comparable worker's compensation law of another jurisdiction;
   (b) Any claim against a corporation that does not constitute a successor asbestos-related liability;
   (c) Any obligation under the national labor relations act, 29 U.S.C. section 151 et seq., as amended, or under any collective bargaining agreement; or
   (d) A successor that, after a merger or consolidation, continued in the business of mining asbestos or in the business of selling or distributing asbestos fibers or in the business of manufacturing, distributing, removing, or installing asbestos-containing products that were the same as those products previously manufactured, distributed, removed, or installed by the transferor.

[30-1903, added 2012, ch. 193, sec. 1, p. 521.]

30-1904. LIMITATIONS ON SUCCESSOR ASBESTOS-RELATED LIABILITIES. (1) Except as further limited in subsection (2) of this section, the cumulative successor asbestos-related liabilities of a successor corporation are limited to the fair market value of the total gross assets of the transferor determined as of the time of the merger or consolidation. The successor corporation does not have responsibility for successor asbestos-related liabilities in excess of this limitation.

   (2) If the transferor has assumed or incurred successor asbestos-related liabilities in connection with a prior merger or consolidation with a prior transferor, then the fair market value of the total assets of the prior transferor determined as of the time of the earlier merger or consolidation shall be substituted for the limitation set forth in subsection (1) of this section for purposes of determining the limitation of liability of a successor corporation.

[30-1904, added 2012, ch. 193, sec. 1, p. 521.]

30-1905. ESTABLISHING FAIR MARKET VALUE OF TOTAL GROSS ASSETS. (1) A successor corporation may establish the fair market value of total gross assets for the purpose of the limitations under section 30-1904, Idaho Code, through any method reasonable under the circumstances, including:
   (a) By reference to the going concern value of the assets or to the purchase price attributable to or paid for the assets in an arms-length transaction; or
   (b) In the absence of other readily available information from which the fair market value can be determined, by reference to the value of the assets recorded on a balance sheet.

   (2) Total gross assets include intangible assets.

   (3) To the extent total gross assets include any liability insurance that was issued to the transferor whose assets are being valued for purposes of this section, the applicability, terms, conditions and limits of such insurance shall not be affected by this statute, nor shall this statute otherwise affect the rights and obligations of an insurer, transferor or successor under any insurance contract and/or any related agreements, includ-
ing, without limitation, preenactment settlements resolving coverage-relat-
ded disputes, and the rights of an insurer to seek payment for applicable
deductibles, retrospective premiums or self-insured retentions or to seek
contribution from a successor for uninsured or self-insured periods or pe-
riods where insurance is uncollectible or otherwise unavailable. Without
limiting the foregoing, to the extent total gross assets include any such li-
ability insurance, a settlement of a dispute concerning any such liability
insurance coverage entered into by a transferor or successor with the insur-
ers of the transferor before the effective date of this act shall be deter-
minative of the total coverage of such liability insurance to be included in
the calculation of the transferor's total gross assets.

[30-1905, added 2012, ch. 193, sec. 1, p. 521.]

30-1906. ADJUSTMENT. (1) Except as provided in subsections (2) through
(4) of this section, the fair market value of total gross assets at the time
of the merger or consolidation shall increase annually at a rate equal to the
sum of:
   (a) The prime rate as listed in the first edition of the Wall Street
       Journal published for each calendar year since the merger or consoli-
       dation, unless the prime rate is not published in that edition of the Wall
       Street Journal, in which case any reasonable determination of the prime
       rate on the first day of the year may be used; and
   (b) One percent (1%).

(2) The rate enumerated in subsection (1) of this section shall not be
    compounded.

(3) The adjustment of the fair market value of total gross assets shall
    continue as provided in subsection (1) of this section until the date the
    adjusted value is first exceeded by the cumulative amounts of successor as-
   bestos-related liabilities paid or committed to be paid by, or on behalf of,
    the successor corporation or a predecessor or by, or on behalf of, a trans-
    feror after the time of the merger or consolidation for which the fair market
    value of total gross assets is determined.

(4) No adjustment of the fair market value of total gross assets shall
    be applied to any liability insurance that may be included in the definition
    of total gross assets by subsection (3) of section 30-1905, Idaho Code.

[30-1906, added 2012, ch. 193, sec. 1, p. 522.]

30-1907. SCOPE OF CHAPTER -- APPLICATION. (1) The courts of this state
shall construe the provisions of this act liberally with regard to succes-
sors.

(2) This act shall apply to all asbestos claims filed against a
successor on or after the effective date of this act and to any pending
asbestos claims against a successor in which trial has not commenced as of
the effective date of this act, except that any provisions of these sections
which would be unconstitutional if applied retroactively shall be applied
prospectively.
