31-5204. POWERS OF EXECUTIVE. (1) The executive shall be the chief administrative official of the county and shall have all the powers and perform all the duties of an executive and administrative nature vested in, or imposed upon, the county or the board of county commissioners by law or by agreement with any municipality or other subdivision of the state. In addition to such other responsibilities as may be imposed upon him by law the county executive shall:

(a) Report annually to the board of county commissioners and the people on the state of the county. He shall also recommend to the board of county commissioners whatever action or programs he deems necessary for the improvement of the county and the welfare of its residents;

31-5205. VETO POWER. (1) The executive may sign or veto any ordinance or budget resolution adopted by the board of county commissioners. A veto by the executive may apply to all items or to any specific item of an ordinance or budget resolution appropriating money. Certification of a veto must be made by the executive within ten (10) days of the passage of the ordinance or budget resolution by the board of county commissioners. The board of county commissioners may override the veto by a two-thirds (2/3) vote of all its members called to a special session to consider the veto by a majority of its members.

of county commissioners and shall indicate the term of office of the commission, as provided in section 31-5207, Idaho Code. In no event shall the term of office of any incumbent member of the board of county commissioners be affected as a result of an increase in the size of the board of county commissioners under the provisions of this chapter.

(2) If the size of the board of county commissioners is increased, at the regular meeting of the board in January, preceding any election of additional county commissioners, the board must divide the county into the number of districts equal to the number of commissioners approved by the electors. The districts established shall be as nearly equal in population as possible. The redrawing of an existing district which places the incumbent county commissioner for that district outside of its boundaries shall not disqualify or otherwise affect the qualifications of the commissioner during his incumbency.
