

TITLE 39  
HEALTH AND SAFETY

CHAPTER 3  
ALCOHOLISM AND INTOXICATION TREATMENT ACT

39-301. DECLARATION OF POLICY. It is the policy of this state that alcoholics, intoxicated persons or drug addicts may not be subjected to criminal prosecution or incarceration solely because of their consumption of alcoholic beverages or addiction to drugs but rather should be afforded treatment in order that they may lead normal lives as productive members of society.

The legislature hereby finds and declares that it is essential to the health and welfare of the people of this state that action be taken by state government to effectively and economically utilize federal and state funds for alcoholism and drug addiction research, and the prevention and for the treatment and rehabilitation of alcoholics or drug addicts. To achieve this, it is necessary that existing fragmented, uncoordinated and duplicative alcoholism and drug treatment programs be merged into a comprehensive and integrated system for the prevention, treatment and rehabilitation of alcoholics.

The legislature continues to recognize the need for criminal sanctions for those who violate the provisions of the uniform controlled substances act.

39-306. ACCEPTANCE FOR TREATMENT -- RULES. The board of health and welfare shall adopt rules for the acceptance of persons into the treatment program, considering available treatment resources and facilities, for the purpose of early and effective treatment of alcoholics, intoxicated persons and drug addicts. In establishing the rules the board shall be guided by the following standards:

(1) If possible a patient shall be treated on a voluntary rather than an involuntary basis.

(2) A patient shall be initially assigned or transferred to outpatient or intensive outpatient treatment, unless he is found to require inpatient treatment.

(3) A person shall not be denied treatment solely because he has withdrawn from treatment against medical advice on a prior occasion or because he has relapsed after earlier treatment.

(4) An individualized treatment plan shall be prepared and maintained on a current basis for each patient.

(5) Provision shall be made for a continuum of coordinated treatment services, so that a person who leaves a facility or a form of treatment will have available and utilize other appropriate treatment.

[39-306, as added by S.L. 1975, ch. 149, sec. 1, p. 376; am. 1987, ch. 289, sec. 5, p. 612; am. 2008, ch. 94, sec. 3, p. 261.]

39-307. VOLUNTARY TREATMENT OF ALCOHOLICS AND DRUG ADDICTS. (1) An alcoholic or a drug addict may apply for voluntary treatment directly to any approved public treatment facility. If the proposed patient is a minor or an incompetent person, he, a parent, legal guardian, or other legal representative shall make the application.

(2) Subject to rules adopted by the board of health and welfare, the director or his designee may determine who shall be admitted to an approved public treatment facility.

(3) If a patient receiving inpatient care leaves an approved public treatment facility, he shall be encouraged to consent to appropriate outpatient or intensive outpatient treatment, and the department shall assist in obtaining supportive services and residential facilities.

(4) If a patient leaves an approved public treatment facility, upon the recommendation of departmental staff, the department shall make reasonable provisions for his transportation to another facility or to his home. If he has no home, he shall be assisted in obtaining shelter. If the patient is a minor or an incompetent person, the request for discharge from an inpatient facility shall be made by a parent, legal guardian, or other legal representative or by the minor or incompetent if he was the original applicant.

[39-307, as added by S.L. 1975, ch. 149, sec. 1, p. 376; am. 1987, ch. 289, sec. 6, p. 613; am. 2008, ch. 94, sec. 4, p. 261.]

39-307A. PROTECTIVE CUSTODY. (a) An intoxicated or drug addicted person may come voluntarily to an approved public treatment facility for emergency treatment. A person who appears to be intoxicated in a public place and to be in need of help, if he consents to the proffered help, may be assisted to his home, an approved public treatment facility, an approved private treatment facility, or other health facility by a law enforcement officer.

(b) A person who appears to be incapacitated by alcohol or drugs shall be taken into protective custody by a law enforcement officer and forthwith brought to an approved treatment facility for emergency treatment. If no approved treatment facility is readily available he may be taken to a city or county jail where he may be held until he can be transported to an approved treatment facility, but in no event shall such confinement extend more than twenty-four (24) hours. A law enforcement officer, in detaining the person and in taking him to an approved treatment facility, is taking him into protective custody and shall make every reasonable effort to protect his health and safety. In taking the person into protective custody, the detaining officer may take reasonable steps to protect himself. A taking into protective custody under this section is not an arrest. No entry or other record shall be made to indicate that the person has been arrested or charged with a crime.

(c) A person who comes voluntarily or is brought to an approved treatment facility shall be examined as soon as possible. He may then be admitted as a patient or referred to another health facility. The referring approved treatment facility shall arrange for his transportation.

(d) A person who by examination is found to be incapacitated by alcohol or drugs at the time of his admission or to have become incapacitated at any time after his admission, may not be detained at the facility (1) once he is no longer incapacitated by alcohol or drugs or (2) if he remains incapacitated by alcohol or drugs for more than seventy-two (72) hours after admission as a patient. A person may consent to remain in the facility as long as the person in charge believes appropriate.

(e) If a patient is admitted to an approved treatment facility, his family or next of kin shall be notified as promptly as possible. If an adult patient who is not incapacitated requests that there be no notification, his request shall be respected.

(f) Law enforcement officers, personnel of the department, and personnel of an alcohol or drug treatment facility who act in compliance with this section are acting in the course of their official duty and are not criminally or civilly liable therefor.

(g) If the person in charge of the approved treatment facility determines it is for the patient's benefit, the patient shall be encouraged to agree to further diagnosis and appropriate voluntary treatment.

(h) That any person taken to a seventy-two (72) hour evaluation and treatment facility shall be informed immediately that he has the right to request and take a chemical test in order to ascertain whether he is an intoxicated or addicted person. If the person requests to take the test and the professional person in charge of the facility then determines that the person taken to the facility is not intoxicated or addicted, he shall immediately release him. A record shall be maintained by the facility of the results of the test.

[39-307A, added 1976, ch. 98, sec. 3, p. 417; am. 1987, ch. 289, sec. 7, p. 613.]

39-309. PAYMENT FOR TREATMENT -- FINANCIAL ABILITY OF PATIENTS. (1) If treatment is provided by an approved public treatment facility and the patient has not paid the charge therefor, the department is entitled to any income or payment received by the patient or to which he may be entitled for the services rendered, and to any payment from any public or private source available to the department because of the treatment provided to the patient.

(2) A patient in an approved treatment facility, or the estate of the patient, or a person obligated to provide for the cost of treatment and having sufficient financial ability, is liable to the department for the cost of transportation, maintenance and treatment of the patient therein in accordance with rates established by the department.

(3) The board of health and welfare shall adopt rules and regulations governing financial ability that take into consideration the income, savings and other personal and real property of the person required to pay, as well as any support being furnished by him to any person whom he may be required by law to support.

[I.C., sec. 39-309, as added by S.L. 1975, ch. 149, sec. 1, p. 376; am. 1976, ch. 98, sec. 4, p. 419.]

39-310. CRIMINAL LAW LIMITATIONS. (1) With the exception of persons below the statutory age for consuming alcoholic beverages and of persons affected by the provisions of subsection (3) herein, no person shall be incar-

cerated or prosecuted criminally or civilly for the violation of any law, ordinance, resolution or rule that includes drinking, being a common drunkard, or being found in an intoxicated or addicted condition as one of the elements of the offense giving rise to criminal or civil penalty or sanction.

(2) No county, municipality, or other political subdivision may interpret or apply any law of general application to circumvent the provision of subsection (1) of this section.

(3) Nothing in this chapter shall affect any law, ordinance, resolution, or rule against drunken driving, driving under the influence of alcohol or drugs, or other similar offense involving the operation of a vehicle, aircraft, boat, machinery, or other equipment, or regarding the sale, purchase, dispensing, possessing, or use of alcoholic beverages or drugs at stated times and places or by a particular class of persons, or regarding the carrying of a concealed weapon when intoxicated or under the influence of an intoxicating drink or drug, or regarding pedestrians who are under the influence of alcohol or drugs to a degree which renders them a hazard and who walk or are otherwise upon a highway except on a sidewalk, or regarding persons who are using or are under the influence of controlled substances or narcotic drugs and who are on public property, roadways or conveyances or on private property open to the public.

(4) This chapter shall not limit or alter the terms or effect of section [18-116](#), Idaho Code.

(5) Nothing in this chapter shall affect the enforcement of any other provisions of the uniform controlled substances act.
