at the rate set forth in subsection (2) of this section, on the following amounts:

(a) As to life insurers, the amount of all gross premiums received by the insurer on direct risks resident in this state, and also, if a domestic insurer, on direct risks resident in any other jurisdiction or jurisdictions in which the insurer is not licensed and upon which no premium tax is otherwise paid or payable, less returned coupons and dividends paid to or credited to policyholders.

(b) As to all insurers other than life insurers, the amount of gross direct premiums written on policies covering subjects of insurance resident, located or performed in this state, and also, if a domestic insurer, on such premiums in any other jurisdiction or jurisdictions in which the insurer is not licensed and upon which no premium tax is otherwise paid or payable, less returned premiums, premiums on policies not taken and dividends paid or credited to policyholders. (2) The state of Idaho hereby preempts the field of imposing excise, privilege, franchise, income, license, permit, registration, and similar taxes, licenses and fees upon insurers and their agents and other representatives as such; and no county, city, municipality, district, or other political subdivision or agency in this state shall levy upon insurers, or upon their agents and representatives as such, any such tax, license or fee; nor shall any such county, city, municipality, district, political subdivision or agency require of any such insurer, agent or representative, duly authorized or licensed as such under this code, any additional authorization, license, or permit of any kind for conducting therein transactions otherwise lawful under the authority or license granted under this code.
