

TITLE 41  
INSURANCE

CHAPTER 61  
IDAHO HEALTH INSURANCE EXCHANGE ACT

41-6101. SHORT TITLE. This chapter shall be known and may be cited as the "Idaho Health Insurance Exchange Act."

[41-6101, added 2013, ch. 170, sec. 1, p. 390.]

41-6102. PURPOSE AND INTENT. It is the public policy of the state of Idaho to actively resist federal actions that would limit or override state sovereignty under the 10th amendment of the United States constitution. Through this legislation, the state of Idaho asserts its sovereignty by refusing to surrender decision-making authority over health care issues, which are matters appropriately left to states and individual citizens. The purpose of this chapter is to establish a state-created, market-driven health insurance exchange that will facilitate the selection and purchase of individual and employer health benefit plans. The creation of a state-based health insurance exchange will provide an Idaho-specific solution that fits the unique needs of the state of Idaho. Participation in the exchange is voluntary in that no person or employer shall be required by this chapter to purchase a health benefit plan through the exchange. Creation of the exchange and its operation is deemed a public purpose intended to enhance Idaho residents' choice regarding options and access to health insurance.

(d) The exchange shall not prohibit a health carrier from participating in the exchange or prohibit a health benefit plan or stand-alone dental plan from being sold in the exchange so long as the health carrier or health benefit plan or stand-alone dental plan meets all requirements of applicable law and any requirements of the exchange consistent with this chapter;

(k) The board shall not be liable for any obligations of the exchange. No member of the board shall be liable, and no cause of action of any nature may arise against them, for any act or omission related to the performance of their powers and duties under this chapter, unless such act or omission constitutes willful or wanton misconduct. The board may provide for indemnification of, and legal representation for, its members.
