TITLE 47
MINES AND MINING

CHAPTER 17
IDAHO ABANDONED MINE RECLAMATION ACT

47-1701. PURPOSE OF ACT. It is the purpose of this act to provide for the reclamation of abandoned mines on state and federal lands and on certain private lands, thereby protecting human health, safety and welfare, conserving natural resources, aiding in the protection of wildlife, aquatic resources, domestic animals, and reducing soil erosion.

47-1702. SHORT TITLE. This act may be known and cited as the "Idaho Abandoned Mine Reclamation Act."

47-1703. FUNDING. This chapter shall govern the use of state and federal moneys specifically appropriated for abandoned mine reclamation. This chapter shall not require the state to expend or appropriate state moneys. The board may receive federal funds, state funds, and any other funds, and, within the limits imposed by a specific grant, expend them as directed by this chapter. All grants, funds, fees, fines, penalties and other uncleared money which has been or will be paid to the state for abandoned mine reclamation shall be placed in the state treasury and credited to the abandoned mine reclamation fund, which is hereby created. This fund shall be available to the board, by legislative appropriation, and shall be expended for the reclamation of lands affected by eligible mining operations.

(7) "Operator" means any person or persons, any partnership, limited partnership, or corporation, or any association of persons, either natural or artificial including, but not limited to, every public or governmental agency engaged in mining or mineral exploration operations, whether individually, jointly, or through subsidiaries, agents, employees, or contractors and shall mean every governmental agency owning or controlling the use of any mine when the mineral extracted is to be used by or for the benefit of such agency. It shall not include any governmental agency with respect to those mining or mineral exploration operations as to which it grants mineral leases or prospecting permits or similar contracts, but nothing herein shall relieve the operator acting pursuant to a mineral lease, prospecting permit or similar contract from the terms of this chapter.
