49-401B. APPLICATION FOR REGISTRATION -- RECEIPT FOR FEE -- RECORD OF APPLICANTS. (1) Application for the registration of a vehicle required to be registered under the provisions of section [49-401A](#), Idaho Code, shall be made to the assessor or the department as specified in that section, by the owner upon the appropriate form. Every application shall contain the owner's Idaho driver's license number, Idaho identification card number, social security number or individual taxpayer identification number. In the case of a business, the employer tax identification number is required. Every application shall also contain the owner's true and full legal name. In the event that the owner does not possess a social security number, individual taxpayer identification number, Idaho driver's license number, or Idaho identification card number, the owner shall present written documentation sufficient to the department to determine that no social security number has been issued. In the event that a business, trust or other statutorily created entity is not required to have and does not possess an employer tax identification number, the applicant shall provide a written statement certifying that the entity does not possess an employer tax identification number. Such application must be signed by the owner and contain his residence address and mailing address, if different, and a brief description of the vehicle to be registered, including the name of the maker, the type of fuel used, and the identification number. If an applicant has submitted an application pursuant to the provisions of [chapter 58, title 19](#), Idaho Code, then the applicant may state in the application required pursuant to this section the applicant's alternative Idaho mailing address in place of his or her residence address. Upon registration of a new vehicle, the application shall also show the date of sale by the manufacturer or dealer to the person first operating such vehicle. The application shall contain any other information as may be required by the department and shall contain a provision that allows an owner to choose to participate in the Idaho state parks passport program. The assessor shall issue to the applicant a receipt for any fee paid. Social security numbers collected shall not appear on certificates of registration, and all applications on file shall be exempt from disclosure, except as provided in sections [49-202](#), [49-203](#) and [49-203A](#), Idaho Code.

(2) The assessor shall record on a form prescribed and furnished by the department, the names of all owners of vehicles residing in the county who make application for registration, together with the amounts of the fees paid by such owners.

(3) When application for registration is made by any motor carrier, the assessor or the department shall require each such applicant to execute a certification of safety compliance.

(4) Vehicles registered under the proportional registration provisions of section [49-435](#), Idaho Code, shall be registered by the department.

(5) Every owner of a vehicle registered by a county assessor shall give his physical domicile residence address or the business physical principal address to the assessor so that the proper county can be entered upon the registration. Failure to do so shall be unlawful. The department shall then attribute the registration, and all fees to be apportioned to the highway distribution account, to the county of residence regardless of the county in which the registration occurred. Fees imposed under the provisions of sections [40-827](#) and [40-1416](#), Idaho Code, shall be separately identified and accounted for, and paid to the highway district for which collected. Fees collected in addition to vehicle registration fees for the Idaho state parks

passport program, as provided in section [49-402](#) (11), Idaho Code, shall be separately identified and accounted for and paid to the state treasurer on a monthly basis to be deposited in the park and recreation fund as specified in section [49-402](#) (11), Idaho Code. For the purposes of vehicle registration, a person is an actual and permanent resident of the county in which he has his principal residence or domicile. A principal residence or domicile shall not be a person's workplace, vacation, or part-time residence.

(6) A violation of the provisions of this section shall be an infraction.

A vehicle that has once been registered for any of the above-designated periods shall, upon reregistration, be registered for the period bearing the same number, and the registration card shall show and be the exclusive proof of the expiration date of registration and licensing. Vehicles may be initially registered for less than a twelve (12) month period, or for more than a twelve (12) month period, and the fee prorated on a monthly basis if the fractional registration tends to fulfill the purpose of the monthly series registration system.

(2) For all school buses operated either by a nonprofit, nonpublic school or operated pursuant to a service contract with a school district for transporting children to or from school or in connection with school-approved activities, the annual fee shall be twenty-four dollars (\$24.00) and shall be subject to staggered registration for the purpose of reregistration and notice of expiration.

49-402C. SPECIAL LICENSE PLATE PROGRAMS -- STANDARDIZED PLATE COLOR AND DESIGN. (1) It is the intent of the legislature that special license plates issued by the department be readily recognizable as plates from the state of Idaho without losing the uniqueness for which the special plate was designed and purchased. In addition, the legislature finds that the department can operate in a more efficient, cost-effective manner by conforming special plates to a basic color and design.

(2) No special license plates and no special license plate programs in existence on or before June 30, 1998, shall be affected by the provisions of this section. On and after July 1, 1998, any new special license plate program authorized or any redesign of an existing special license plate, shall

(6) Following an introductory period of three (3) years during which the provisions of this subsection shall not apply, if, during both years of any following two (2) consecutive years, fewer than one thousand (1,000) plates are issued in each of those two (2) consecutive years, the department shall discontinue that special license plate program.  - Combination of vehicles, where such combination of vehicles includes more than one (1) unregistered vehicle\$120.00
- (b) Fuel permit\$60.00

An owner-operator vehicle moving between lessee fleets where the vehicle registration was issued in the name of the former lessee shall be eligible for a thirty (30) day unladen weight permit for the unladen movement from the point of entry into the state to the destination of the new lessee's place of business.

If an annual registration is purchased within thirty (30) calendar days of issuance of a permit under paragraph (a) or (c) of this subsection (1), the amount of the permit fee shall be applied to the registration fee. No portion of a permit fee is subject to refund.

(2) Permits to operate a vehicle or combination of vehicles in excess of the registered maximum gross vehicle weight up to a maximum of one hundred twenty-nine thousand (129,000) pounds gross vehicle weight shall be:

- (a) One hundred twenty (120) hour permit to increase gross weight\$50.00
- (b) Thirty (30) day permit to increase gross vehicle weight:

The permit issued pursuant to this subsection (2) shall be specific to the motor vehicle to which it is issued. No permit or fee shall be transferable or apportionable to any other vehicle, nor shall any such fee be refundable. At the time of purchasing a permit, the applicant may purchase additional permits in any combination which does not exceed a maximum of ninety (90) days.

(3) Permits issued pursuant to subsection (1) or (2) of this section shall be limited to three (3) per vehicle in a calendar year except for those permits provided for in subsection (1) (b) and (c). The provisions of this subsection (3) with respect to limiting the number of permits issued shall not apply to transporters and wreckers as defined in sections [49-121](#) and

[49-124](#), Idaho Code, or to laden dealer and manufacturer plates as provided for in sections 49-411(4) and 49-1627(5), Idaho Code.

(4) A temporary permit shall be in a form, and issued under rules adopted by the board, and shall be displayed at all times while the vehicle is being operated on the highways by posting the permit upon the windshield of each vehicle or in another prominent place, where it may be readily legible.

(5) Any permit issued pursuant to subsection (2) of this section shall be purchased prior to movement of the vehicle on a highway, and such permit shall be in addition to and available only to a vehicle which is currently and validly registered in Idaho pursuant to section [49-432](#)(1), [49-434](#)(1), [49-434](#)(8)(c) or [49-435](#), Idaho Code.

(6) The department may select vendors to serve as agents on state highways for the purpose of selling permits where fixed ports of entry do not adequately serve a respective highway entering the state. The vendor shall be remunerated at the rate of three dollars (\$3.00) per permit sold, and he shall collect the fees specified in this section and pay the fees to the department. The vendor shall guarantee payment by giving a bond to the state in a sum as shall be fixed by the board, the premium on the bond to be paid by the department.

49-434. OPERATING FEES. (1) There shall be paid on all commercial vehicles, noncommercial vehicles, and on all farm vehicles having a maximum gross weight not in excess of sixty thousand (60,000) pounds, an annual registration fee or a staggered registration fee for the purpose of reregistration and notice of expiration in accordance with the following schedule.

Unladen Weight for Wreckers Maximum Gross Weight For Other Vehicles (Pounds)	Annual Registration Fee	
	Noncommercial and Farm Vehicles	Commercial Vehicles and Wreckers
8,001-16,000 inc.	\$ 48.00	\$ 48.00

26,001-30,000 inc.	91.68	223.80
30,001-40,000 inc.	130.08	291.60
40,001-50,000 inc.	188.28	360.00
50,001-60,000 inc.	311.88	515.40

In addition to the registration fees provided for in this subsection, there shall be an additional registration fee imposed of twenty-five dollars (\$25.00).

(2) There shall be paid on all commercial vehicles, irrespective of body type, and on all farm vehicles having a maximum gross weight in excess of sixty thousand (60,000) pounds, an annual registration fee in the amount prescribed by subsection (8) of this section, as applicable.

(3) In addition, the annual registration fee for trailers shall be:

(a) Trailer or semitrailer in a combination of vehicles\$15.00

(b) Rental utility trailer with a gross weight of two thousand (2,000) pounds or less\$8.00

(c) Rental utility trailer with a gross weight over two thousand (2,000) pounds\$15.00

(4) As an option to the trailer and semitrailer and rental utility trailer annual registrations issued pursuant to subsection (3) of this section, the department may provide a nonexpiring plate and registration for trailers and semitrailers, and an optional, extended registration for rental utility trailers.

(a) For trailers and semitrailers, the nonexpiring registration fee shall be ninety-nine dollars (\$99.00). The license plate shall remain on the trailer or semitrailer until the registration is canceled or revoked. No part of the fee is subject to refund. However, the registrant may transfer the nonexpiring plate and registration to another trailer or semitrailer titled to the registrant if the original registration date is prior to July 1, 2009. The registration document shall be the official record of the status of the nonexpiring registration and no registration fee shall be required after the initial registration is paid. No validation sticker shall be required or issued for such nonexpiring license plate.

(i) Registration of a trailer or semitrailer based in another jurisdiction may be issued when the registrant provides a valid jurisdiction title or ownership document and certification statement, and no title transfer will be required.

(ii) Periodic verification will be made to confirm ownership status. Failure of the owner to comply with the verification request to confirm ownership within thirty (30) days, shall result in cancellation of the permanent plate registration.

(b) Idaho based trailer manufacturers may purchase trailer and semitrailer registration from the department. The manufacturer may issue the annual registration to foreign-based purchasers utilizing a manufacturer's certificate of origin or manufacturer's statement of origin as proof of ownership. If the foreign-based purchaser subsequently obtains an Idaho nonexpiring registration as provided in paragraph (a) of this subsection prior to annual registration expiration, the amount of the annual registration fee shall be applied to the nonexpiring registration fee provided that the customer acquires a title for such vehicle.

(c) For rental utility trailers, the registrant may prepay the annual registration for an additional one (1), two (2), three (3) or four (4) years, but in no event shall the optional registration period extend beyond five (5) years. The fee shall be as specified in subsection (3) (b) or (c) of this section. A pressure-sensitive sticker shall be used to validate the license plate. The license plate shall become void if the owner's interest in the rental utility trailer changes during the five (5) year period. If the owner fails to enter the rental utility trailer on the annual renewal application during the five (5) year period, the registration record shall be purged. Any unrenewed plate shall be returned to the department if it is not entered on the renewal application.

(5) A fleet registration option is available to owners who have twenty-five (25) or more commercial or farm vehicles or any combination thereof. Such owners may register all of their company vehicles with the

department in lieu of registering with a county assessor. To qualify the fleet must be owned and operated under the unified control of one (1) person and the vehicles must be physically garaged and maintained in two (2) or more counties. Fleet registration shall not include fleets of rental vehicles. The department shall provide a registration application to the owner and the owner shall provide all information that the department determines is necessary. The department shall devise a special license plate numbering system for fleet-registered vehicles as an alternative to county license plates. The fleet registration application and all subsequent registration renewals shall include the physical address where a vehicle is principally used, garaged and maintained. The fleet owner shall report the physical address to the department upon initial registration, on each renewal, and at any time a vehicle registered under this option is permanently transferred to another location.

(6) If the ownership of a vehicle changes during the registration period, the original owner may transfer the plate to another vehicle. The remaining fee shall be credited against the cost of the new registration. Refunds may be given for any unexpired portion of the vehicle registration fee if the plate is not transferred by the owner to another vehicle. Any request for refund shall include surrender of the license plate, validation sticker and registration document. Owners of vehicles registered under the international registration plan may request a refund of the unexpired portion of the Idaho vehicle registration fee by presenting evidence from the base jurisdiction that the license plate, validation sticker and registration document have been surrendered. A license plate shall not be transferred to another owner when the ownership of a vehicle changes. The owner shall obtain a replacement plate, validation sticker if required, and a registration document when a plate is lost, destroyed or becomes illegible.

(7) An administrative fee of four dollars (\$4.00) shall be paid and deposited to the state highway account on all registrations completed by the department under subsection (1) or (8) (a) of this section. Vehicles registered under subsection (8) (b) of this section shall pay the fee provided in section [49-435](#)(2), Idaho Code.

(8) There shall be paid on all commercial and farm vehicles having a maximum gross weight in excess of sixty thousand (60,000) pounds, a registration fee based upon the maximum gross weight of a vehicle as declared by the owner and the total number of miles driven on roads and highways in the state, county, city and highway district systems in Idaho, and if registered under the international registration plan (IRP), in all other jurisdictions. The appropriate registration fee shall be determined as follows:

(a) If the owner registers vehicles under the international registration plan (IRP), the appropriate mileage column shall be determined by the total miles an owner operated a fleet of vehicles on roads and highways in the state, county, city and highway district systems in Idaho and in all other jurisdictions in the preceding year, as defined in section [49-117](#), Idaho Code, and by the maximum gross weight of each vehicle within a fleet.

(b) If the owner registers vehicles under the international registration plan and determines that the average international registration plan fleet miles, calculated by dividing the total IRP fleet miles in all jurisdictions by the number of registered vehicles, is less than fifty thousand one (50,001) miles, the owner may apply to the department for refund of a portion of the registration fees paid, consistent with

the fee schedules set forth in this section. The department shall provide an application for the refund. An owner making application for refund under this section shall be subject to auditing as provided in section [49-439](#), Idaho Code.

(c) If the owner is not registering vehicles under the international registration plan, the appropriate mileage column shall be determined by the total miles the owner operated each of the vehicles to be registered on roads and highways in the state, county, city and highway district systems in Idaho in the preceding year and by the maximum gross weight of each vehicle.

(d) In addition to the fees set forth in paragraphs (a) and (c) of this subsection (8), an owner or operator may purchase a temporary permit as provided in section [49-432](#) (2), Idaho Code, for operation of a vehicle at a weight in excess of the current, valid, registered maximum gross vehicle weight. (9) (a) During the first registration year that the fee schedule in subsection (8) (c) of this section is in use, an owner shall use the mileage data from the records used to report the mileage use fee in the immediately preceding year as the basis for determining the appropriate registration fee schedule.

(b) Any owner who registers a motor vehicle for the first time and who has no mileage history for the vehicle shall estimate the miles to determine the appropriate fee schedule in subsection (8) (c) of this section. When estimating the miles, the owner shall provide a statement on the application of the method used to arrive at the estimated miles.

(c) Any owner using any fee schedule other than the highest fee schedule under subsection (8) (c) of this section, shall certify at the time of registration that the miles operated in the preceding year do not exceed the schedule applied for. Any owner using a fee schedule under subsection (8) (c) of this section that is less than the highest schedule shall maintain records to substantiate the use of the schedule as required by section [49-439](#), Idaho Code.

(10) An owner registering under subsection (8) (a) or (8) (c) of this section may elect to pay the full annual registration fee at the time of registration or renewal of registration, or an owner may pay at least one-quarter (1/4) of the annual registration fee due. The remainder of the annual Idaho registration fee shall be paid in three (3) equal installments on dates as billed by the department.

(11) An owner registering or renewing a registration under subsection (8) (a) of this section electing to use installment payments as provided in subsection (10) of this section, shall pay all of the fees due to other IRP jurisdictions in addition to one-quarter (1/4) of the Idaho fee due at the time of registration or reregistration. The remainder of the annual Idaho registration fee shall be paid in three (3) equal installments on dates as billed by the department.

(12) If any vehicle or combinations of vehicles haul nonreducible loads, as authorized under the provisions of section [49-1004](#), Idaho Code, and weigh less than the starting weights per axle configuration listed in column 1 of subsection (2), section [49-1004](#), Idaho Code, then and in that event there shall be paid for that vehicle, in addition to the other fees required in this section, an additional use fee of 2.1 mills per mile for each two thousand (2,000) pounds or fraction thereof of the maximum gross weight in excess of those set forth in section [49-1001](#), Idaho Code.

Seizure and detention for up to seventy-two (72) hours by any law enforcement agency or port of entry personnel of the vehicle and its entire cargo if the cargo does not consist of perishable food products or livestock;

(1) Release from detention shall be accomplished only by presentation of proper evidence that the applicable fees have been paid; or

49-435. PROPORTIONAL REGISTRATION OF COMMERCIAL VEHICLES. (1) Any owner engaged in operating one (1) or more fleets of commercial vehicles may, in lieu of the registration fees imposed by section [49-434](#), Idaho Code, register each fleet for operation in this state by filing an application with the department which shall contain the information required by the international registration plan (IRP) agreement. Any owner who makes application for proportional registration under the provisions of the international registration plan shall comply with the terms and conditions of the IRP agreement.

(2) The department shall register the vehicle so described and identified and may issue license plates or distinctive sticker or other suitable identification device for each vehicle listed in the application upon payment of the fees required under subsections (1) and (8) of section [49-434](#), Idaho Code, and an additional identification charge of eight dollars (\$8.00) per vehicle. The fees collected for the additional identification shall be deposited to the state highway account. A registration card shall be issued for each proportionally registered vehicle appropriately identifying it which shall be carried in or upon the vehicle identified at all times.

(3) Fleet vehicles so registered and identified shall be deemed to be fully licensed and registered in this state for any type of movement or operation.

(4) The right to the privilege and benefits of proportional registration of fleet vehicles extended by this section, or by any contract, agreement, arrangement or declaration made under the authority provided in section [49-201](#), Idaho Code, shall be subject to the condition that each fleet vehicle proportionally registered shall also be proportionally or otherwise properly registered in at least one (1) other jurisdiction during the period for which it is proportionally registered in this state.

(5) No provision of this section relating to proportional registration of fleet vehicles shall be construed as requiring any vehicle to be proportionally registered if it is otherwise registered in this state for the operation in which it is engaged including regular registration or temporary trip permit.

49-437. INCREASE IN MAXIMUM GROSS WEIGHT -- FEES FOR REMAINING PORTION OF YEAR. (1) When a motor vehicle registered under section [49-434](#) or [49-435](#), Idaho Code, has once been registered and during the year of that registration increases the maximum gross weight, the higher fee due for the weight increase shall be offset by the fee already paid. The fee already paid and the fee due shall be prorated by one-twelfth (1/12) for each month already expired in the registration period. The difference between the two (2) fees shall be the balance due for the remainder of the registration period. If an owner changes the weight during a registration period, the weight change shall not result in a refund of the fees already paid.

(2) If a motor vehicle is not operated on any highway during the first months of a registration period, the owner may at any time thereafter be registered for the remainder of the registration period on payment of all fees, rounded to the nearest whole dollar, as provided in this chapter, less one-twelfth (1/12) of such fees for each full calendar month which has expired prior to registering, but in no event shall the minimum fee be less than five dollars (\$5.00).

49-438. PENALTY FOR EXCEEDING REGISTERED GROSS WEIGHT OR PERMITTED MAXIMUM REGISTERED GROSS WEIGHT. (1) Any person who shall operate, cause, permit, or suffer to be operated upon any highway any vehicle or combination of vehicles with a gross weight in excess of the registered maximum gross weight of the vehicle specified in this title shall have committed a violation under the infraction or misdemeanor provisions of section [49-1013](#), Idaho Code.

(2) Any person who shall operate, cause, permit, or suffer to be operated upon any highway any vehicle or combination of vehicles with a gross weight in excess of the registered maximum gross weight not authorized by a valid permit issued pursuant to section [49-432](#), Idaho Code, shall have committed a violation under the infraction or misdemeanor provisions of section [49-1013](#), Idaho Code.

49-439. AUDIT GUIDELINES. (1) The state tax commission on behalf of the department may audit an owner of motor vehicles subject to fees pursuant to this chapter.

(2) Every owner whose fees are computed as specified in section [49-434](#) or [49-435](#), Idaho Code, except those registering under subsection (8)(c) of section [49-434](#), Idaho Code, for over fifty thousand (50,000) miles driven, shall maintain records and permit the state tax commission to inspect the records upon request to substantiate that the actual miles traveled, if using a mileage schedule in subsection (8)(c) of section [49-434](#), Idaho Code, are less than the maximum mileage schedule.

(3) When the records are maintained outside this state by owners engaged in transportation in this state, the owner shall reimburse the state tax commission for reasonable expenses incurred by the state tax commission in conducting audits of those records and accounts at the out-of-state location. The owner or the state tax commission may request that the records be presented at a place within the state designated by the state tax commission. The records must be presented by a representative of the owner who is familiar with the records and who is responsible for the safekeeping of the records.

(4) Every owner is required to maintain records for the current year and the three (3) years immediately preceding. If an assessment has been made, such audit assessment may be collected by a proceeding in court within a period of three (3) years after the assessment or a final order entered pursuant to subsection (7) of this section.

(5) An owner who fails to maintain records as required by the provisions of this section may have the registration of all vehicles registered under section [49-434](#) or [49-435](#), Idaho Code, suspended until such time as adequate records as required by the provisions of this section are provided. In the event that the owner does not produce records, the state tax commission may generate a notice of deficiency based on an estimate of the operation. The state tax commission shall develop a methodology to be used to calculate a notice of deficiency based on an estimate of the operation. That methodology shall be in accordance with the international registration plan and international fuel tax agreement guidelines.

(6) The state tax commission shall provide the carrier with notice of deficiency and the opportunity to use the appeals process prior to a suspension. An owner may contest a notice of deficiency made by the state tax commission within thirty (30) days from receipt of the notice by filing an appeal in accordance with sections [63-3045](#), [63-3045B](#), [63-3047](#), [63-3048](#) and [63-3049](#), Idaho Code.

(7) An owner, as identified by the state tax commission, who fails to pay any audit assessment due is subject to suspension of vehicle registrations. A reinstatement fee of forty dollars (\$40.00) shall be imposed in addition to a penalty of ten percent (10%) of the amount of audit assessment determined to be due, plus interest of one percent (1%) of the amount of the audit assessment due for each month or fraction thereof after the original registration fee became due. An order suspending the vehicle registration shall be mailed to the owner by the department. The suspension shall be canceled if the payment due is made, plus penalty and interest, along with the

reinstatement fee of forty dollars (\$40.00) per carrier within fifteen (15) days after receipt of the suspension order. The reinstatement fees shall be deposited to the state highway account. The department shall not reregister or permit a vehicle to operate on a trip permit until all audit assessments, penalties and interest have been paid.

49-443. LICENSE PLATES TO BE FURNISHED BY DEPARTMENT -- FORM AND CONTENTS. (1) The assessor or the department shall furnish to every owner whose vehicle is registered or licensed by that office, pursuant to sections [49-402](#) and [49-402A](#), Idaho Code, one (1) license plate for vehicles registered under the provisions of section [49-406](#), [49-406A](#) or [49-408](#), Idaho Code, or a motorcycle, trailer, truck-tractor, or semitrailer; one (1) restricted vehicle license plate for all-terrain vehicles, utility type vehicles and motorbikes licensed pursuant to this chapter; and two (2) license plates for every other motor vehicle. If a vehicle is issued one (1) plate only, that plate shall be displayed in accordance with the provisions of section [49-428](#), Idaho Code. For vehicles registered under the provisions of section [49-407](#), Idaho Code, the applicant shall provide one (1) plate to be displayed on the rear of the vehicle.

Commencing January 1, 1992, the color and design of the plates shall be comparable to the color and design of the statehood centennial issue of license plates with blue numerals and letters on a multicolored red, white and blue background. Each license plate must bear upon its face the inscriptions "Famous Potatoes" and "Scenic Idaho." The restricted vehicle license plate for all-terrain vehicles, utility type vehicles and motorbikes shall be a white background with black numerals and letters, with "Idaho Restricted Vehicle" and the year of its expiration on its face and no other inscription. The restricted vehicle license plate shall be the same size required for the motorcycle license plate.

Every license plate shall have displayed upon it the registration number assigned to the vehicle and its owner and the name "Idaho" which may be abbreviated. The plates issued under the provisions of section [49-402](#) (1), Idaho Code, and the required letters and numerals, including an identification of the county in which the motor vehicle to which the plates will be affixed is registered, shall be of sufficient size to be plainly readable from a distance of seventy-five (75) feet during daylight, and each license plate and registration sticker shall be treated with a fully reflectorized material according to specifications prescribed by the board.

(2) License plates shall be valid for a period of seven (7) years beginning with the date of issuance of new plates. At the end of the sixth year, the registered owner shall receive notice of the date upon which the plates will expire.

For specialty license plate programs discontinued pursuant to the provisions of section [49-402C](#), Idaho Code, a registrant with a specialty license plate currently registered under the program may use such license plate for up to seven (7) years from the date of issuance. This provision is intended to permit the use of the specialty plate by the registrant regardless of the number of persons who purchase the specialty plate. The registrant shall be required to pay the special plate program fees provided for specialty plates pursuant to this chapter. Such fees shall be deposited into the state highway account. For purposes of section [49-434](#), Idaho Code,

as it applies to commercial vehicles, and section [49-435](#), Idaho Code, the department shall provide new plates bearing the same number or upon request from the registered owner, the next available number.

(3) If a license plate number has expired as provided in subsection (2) of this section and is not renewed within sixty (60) days of its expiration, the plate number shall be available for use by another registrant. To obtain a specific number in the recycled license plate number file, the owner of a registered vehicle may contact the county regarding availability.

The provisions of this subsection shall apply only to vehicles registered under the provisions of section [49-402](#)(1), Idaho Code, and section [49-434](#)(1), Idaho Code, as it applies to noncommercial vehicles.

(4) License plates issued for vehicles required to be registered in accordance with the provisions of sections [49-402](#) and [49-402A](#), Idaho Code, shall be issued color coded red, white or blue registration validation stickers showing the year of registration. Each registration validation sticker shall bear a number from 1 through 12, which number shall correspond to the month of the calendar year in which the registration of the vehicle expires and shall be affixed to the lower right-hand corner of the plates within the outlined rectangular area.

(5) License plates for utility trailers registered under the provisions of section [49-402A](#), Idaho Code, that are issued for five (5) or ten (10) years and license plates for rental utility trailers registered under the provisions of section [49-434](#), Idaho Code, that are issued for up to five (5) years shall use the design in effect on the date of manufacture. If a design change occurs, plates from the effective date of the design change shall be manufactured using the new design. Unexpired plates need not be reissued to conform to a design change.

(6) For license plates that are lost, stolen, mutilated, or illegible, the owner shall apply for a duplicate or substitute. The assessor shall also furnish for each registration, and to validate the license plate, a pressure-sensitive, uniquely numbered, color coded red, white or blue registration sticker, except for trailers and semitrailers registered under the nonexpiring provisions in section [49-434](#), Idaho Code. License plates issued for state, county and city motor vehicles shall be valid for seven (7) years pursuant to subsection (2) of this section and remain on the vehicle for which issued from year to year, and need no renewal or validation sticker.

(7) Whenever a vehicle is completely destroyed by fire or accident and the operator submits satisfactory proof of that destruction to the department or appropriate assessor's office, or the owner wishes to transfer the remaining registration use increment and fees shall be transferred to the replacement vehicle for a service transfer fee of five dollars (\$5.00), which fee shall be retained by the registering authority. None of the original fees shall be subject to refund.

(8) The department shall furnish to every owner whose vehicle is registered under sections [49-434](#) and [49-435](#), Idaho Code, a pressure-sensitive, uniquely numbered, color coded red, white or blue registration sticker to validate the license plate, provided however, the provisions of this subsection shall not apply to trailers and semitrailers registered under the provisions of section [49-434](#)(4), Idaho Code.

(9) The board shall have authority to require the return to the department of all license plates and registration stickers upon termination of the lawful use of them by the owner.

(10) The board may promulgate such rules as are necessary to implement the provisions of this section.

The department shall be reimbursed by state agencies and the taxing districts for the cost of providing license plates. The department may develop rules to administer this license plate program.

(2) Each license plate issued pursuant to this section shall bear a designator to identify the agency, entity or office to which a vehicle belongs or, for trailers or motorcycles, to specify the plate type. Any vehicle with a license plate issued pursuant to this section that does not comply with the provisions of this subsection as of the effective date of this act shall be reregistered, subject to a reregistration fee of twelve dollars and fifty cents (\$12.50), within sixty (60) days of the effective date of this act.
