It shall be unlawful for any person to hold any race meet in this state without having first obtained and having in force and effect a license issued by the commission as in this chapter provided. Every person making application for a license to hold a race meet, under the provisions of this chapter, shall file an application with the commission which shall set forth the time, place and number of days such will continue, an agreement with a horsemen's group as the term "horsemen's group" is defined in section [54-2502](#), Idaho Code, and such other information as the commission may require. The agreement shall be reached voluntarily or pursuant to binding arbitration in conformance with [chapter 9, title 7](#), Idaho Code, and shall address, but not be limited to, number of live race days and percentage of the live race and simulcast handle that is dedicated to the live horse race purse structure. In addition, the agreement shall provide that all simulcast purse moneys that are accrued as required by the horsemen's agreement be held in the simulcast purse moneys fund created pursuant to the provisions of this section. Race days agreed upon shall be submitted to the Idaho state racing commission for its approval.

No person who has been convicted of any crime that is deemed relevant in accordance with section [67-9411](#)(1), Idaho Code, shall be issued a license of any kind, nor shall any license be issued to any person who has violated the terms or provisions of this chapter, or any of the rules of the commission, or who has failed to pay any of the fees, taxes or moneys required under the provisions of this chapter.

All applications to hold race meets shall be submitted to the commission, which shall act upon such applications within thirty (30) days. The commission shall be the sole judge of whether or not the race meet shall be licensed and the number of days the meet shall continue.

The license issued shall specify the kind and character of the race meets to be held, the number of days the race meet shall continue and the number of races per day. For those licensees or facilities that have had a total race handle from both live races and simulcast races exceeding five million dollars (\$5,000,000) during the last calendar year in operation, the number of races per day shall not be less than eight (8), and the number of days of racing shall not be less than forty-six (46) unless otherwise agreed by the licensee and the horsemen's group. Provided however, the number of days of racing shall not be less than fifteen (15) and the number of days of racing shall be approved by the Idaho state racing commission. For those licensees or facilities that have had a total race handle from both live races and simulcast races of five million dollars (\$5,000,000) or less during the last calendar year in operation, the number of races per day shall not be less than six (6) and the number of days of racing shall not be less than two (2). The licensee shall pay in advance of the scheduled race meet to the state treasurer a fee of not less than twenty-five dollars (\$25.00) for each day of racing, which fees shall be placed in the public school income fund of the state of Idaho. Provided, that if unforeseen obstacles arise that prevent the holding or completion of any race meet, the license fee held may be refunded to the licensee, if the commission deems

the reason for failure to hold or complete the race meet sufficient. Any unexpired license held by any person who violates any of the provisions of this chapter, pursuant thereto, or who fails to pay to the commission any and all sums required under the provisions of this chapter, shall be subject to cancellation and revocation by the commission. Such cancellation shall be made only after a summary hearing before the commission, of which three (3) days' notice in writing shall be given the licensee, specifying the grounds for the proposed cancellation, and at which hearing the licensee shall be given an opportunity to be heard in opposition to the proposed cancellation.

The simulcast purse moneys fund is hereby created in the state treasury. Moneys in the fund shall consist of all simulcast purse moneys that are accrued as required by horsemen's agreements. Moneys in the fund are hereby perpetually appropriated to the Idaho state racing commission for distribution pursuant to the provisions of horsemen's agreements and rules of the commission. The commission is authorized to promulgate rules providing for the receipt, deposit, withdrawal and distribution of such moneys. The state treasurer shall invest idle moneys in the fund and any interest received on those investments shall be returned to the fund.

(1) Any person holding a race meet, and any other person required by this act or the rules of the commission to be licensed, participating, directly or indirectly, in a race meet, without first being licensed by the commission, and any person violating any of the terms or provisions of this act is guilty of a misdemeanor.

(a) There shall be an absolute prohibition of the use of live lures in the state of Idaho for the training of or racing of racing dogs. Any violation of the provisions of this section shall be a felony punishable by a fine not exceeding twenty-five thousand dollars (\$25,000), or by a prison term not to exceed seven (7) years, or by both such fine and imprisonment. In addition the state racing commission shall not license any breeder, trainer or kennel whose dogs have been trained or raced with the use of live lures. The racing commission shall adopt rules that will provide for the humane treatment of the dogs involved in any aspect of training for or engaging in dog racing.

(2) The commission shall have the power to exclude from any and all race courses in this state any person who the commission deems detrimental to the best interests of racing, or any person who violates any of the provisions of this act or any rule or order of the commission.

(3) It shall be lawful to conduct race meets on or at a race track, or otherwise, at any time during the week.

(4) Any person maintaining a license issued by the commission, who violates the provisions of this act or the rules of the commission, may have such license suspended or revoked. In addition to such suspension or revocation the commission may levy a monetary penalty commensurate with the gravity of the offense, not to exceed two thousand five hundred dollars (\$2,500). The commission, by rule shall provide a summary procedure for such determination

at the track, the penalty amount for specified violations, and shall provide for an appeal of any summary decision to the commission. At-the-track summary proceedings shall not be subject to the provisions of [chapter 52, title 67](#), Idaho Code. Hearings and appeals before the commission as allowed by this act or the rules of the commission shall be subject to [chapter 52, title 67](#), Idaho Code, except the provisions of section [67-5254\(2\)](#), Idaho Code, which is inconsistent with the unique requirements of racing.

54-2510. RACE EXCLUSIVELY FOR IDAHO BRED HORSES -- BONUS FOR IDAHO BRED WINNERS. (1) For the purpose of encouraging the breeding, within this state, of valuable thoroughbred, purebred and/or registered horses, at least one (1) race each day at each horse race meet shall be limited to Idaho bred horses. If in the opinion of the commission sufficient competition cannot be had among such class of horses, said race may be written as an Idaho bred preferred race instead.

(2) A sum equal to ten percent (10%) of the first place purse money won by an Idaho bred horse shall be paid by the licensee conducting the race meet to the breeder of such horse. All purse moneys derived from pari-mutuel racing and all purse enhancement moneys from the Idaho state racing commission shall be included in the calculation of these breeder payments. All nominating and sustaining fees, and any moneys from outside sponsors shall be excluded from the calculation of these breeder payments.

[54-2510, added 1963, ch. 64, sec. 10, p. 246; am. 1969, ch. 221, sec. 1, p. 724; am. 1987, ch. 316, sec. 4, p. 662; am. 2008, ch. 26, sec. 1, p. 39.]

54-2511. PUBLIC LIABILITY INSURANCE. For the protection of the public, and all members thereof, the exhibitors and visitors, every person licensed to conduct a race meet under the provisions of this act shall carry public liability insurance in an amount and form of contract and with a company to be approved by the commission.

[54-2511, added 1963, ch. 64, sec. 11, p. 246; am. 1969, ch. 221, sec. 1, p. 724.]

54-2512. PARI-MUTUEL BETTING -- OTHER BETTING ILLEGAL. (1) Any licensee conducting a race meet under this chapter may provide a place or places in the race meet grounds or enclosure at which such licensee may conduct and supervise the use of the pari-mutuel system by patrons on the result of the races conducted by such licensee at such race meet and, upon written application by a licensee and approval by the commission, on the result of simulcast and/or televised races. The commission shall issue no more than one (1) license to simulcast per live race meet licensee and there shall be no more simulcasting sites in the state than there are licensed live race meet sites.

(2) Licenses authorizing simulcast and/or televised races will be regulated by the commission, in addition to its other responsibilities, for the purpose of enhancing, promoting, and protecting the live race industry in the state of Idaho. No license authorizing simulcasting and/or televised races shall be issued to or renewed for persons that are not also licensed to conduct live race meets in the state of Idaho. Persons applying for a simulcast and/or televised race license shall have an agreement reached voluntarily or pursuant to binding arbitration in conformance with [chapter 9, title 7](#), Idaho Code, with a horsemen's group as the term "horsemen's group" is defined in section [54-2502](#), Idaho Code. The agreement shall address, but not be limited to, number of live race days and percentage of the live race and simulcast handle that is dedicated to the live horse race purse structure. In addition, the agreement shall provide that all simulcast purse moneys that are accrued as required by the horsemen's agreement be held in the simulcast purse moneys fund created pursuant to the provisions of section [54-2508](#), Idaho Code. Race days agreed upon shall be submitted to the Idaho racing commission for its approval.

(3) Upon written application by a live horse race licensee and approval by the Idaho state racing commission, a license may be issued to conduct and supervise the use of the pari-mutuel system by patrons on the result of simulcast and/or televised races in a facility not located on the grounds of a live horse race meet facility, but within the county that the live horse race facility is located, subject to the following restrictions:

(a) In addition to the distribution and payment of the handle as described in section [54-2513](#), Idaho Code, a licensee operating under a license described in this subsection shall pay to the Idaho state racing commission for deposit in the live horse race purse distribution fund, a minimum of one percent (1%) of the gross daily receipts from simulcast and/or televised races. The Idaho state racing commission shall distribute the moneys from the live horse race purse distribution fund to those live horse race licensees that ran less than fifteen (15) live race days during the preceding calendar year. The distribution shall be made by dividing the total number of live race days of all of the qualified live horse racetracks combined into the moneys collected by the fund in any one (1) calendar year and by multiplying the result by the number of days run by each of the respective live horse racetracks individually; and

(b) Additionally, the licensee shall pay to the Idaho state racing commission a minimum of one percent (1%) of the gross daily receipts from simulcast and/or televised races conducted pursuant to the race purse distribution fund to the licensee whose license is being utilized to conduct simulcast and/or televised races pursuant to this section. These moneys shall be used by the licensee solely for live horse race meet purses; and

(c) Approval must be obtained from the board of county commissioners; and

(d) A license to conduct and supervise the use of the pari-mutuel system by patrons on the result of simulcast and/or televised races issued pursuant to this section may be leased to another person or entity but only with the approval of the Idaho state racing commission. A lessee of such a license shall be held by the Idaho state racing commission to the same standards as the original licensee.

(4) Upon written application by a live horse race licensee and approval by the Idaho state racing commission, a license may be issued to conduct and supervise the use of the pari-mutuel system by patrons on the result of simulcast and/or televised races in a facility located in another county within the state other than the county where the licensee's live racetrack facility is located subject to the following restrictions:

(a) In addition to the distribution and payment of the handle as described in section [54-2513](#), Idaho Code, a licensee operating under a license described in this subsection shall pay to the Idaho state racing commission for deposit in the live horse race purse distribution fund, a minimum of one percent (1%) of the gross daily receipts from simulcast and/or televised races. The Idaho state racing commission shall distribute the moneys from the live horse race purse distribution fund to those live horse race licensees that ran less than fifteen (15) live race days during the preceding calendar year. The distribution shall be made by dividing the total number of live race days of all of the qualified live horse racetracks combined into the moneys collected by the fund in any one (1) calendar year and by multiplying the result by the number of days run by each of the respective live horse racetracks individually; and

(b) Additionally, the licensee shall pay to the Idaho state racing commission a minimum of one percent (1%) of the gross daily receipts from simulcast and/or televised races conducted pursuant to the live horse race purse distribution fund to the licensee whose license is being utilized to conduct simulcast and/or televised races pursuant to this section. These moneys shall be used by the licensee solely for live horse race meet purses; and

(c) Approval must be obtained from the board of county commissioners of the county in which the simulcast and/or televised race facility is to be located; and

(d) A license to conduct and supervise the use of the pari-mutuel system by patrons on the result of simulcast and/or televised races issued under this section may be leased to another person or entity, but only with the approval of the Idaho state racing commission. A lessee of such a license shall be held by the Idaho state racing commission to the same standards as the original licensee.

(e) No simulcast and/or televised race license transferred from one (1) county to another shall be located in a facility within thirty (30) miles of a live horse racetrack without the approval of that live horse racetrack facility.

(f) No simulcast and/or televised race license can be transferred into a county that has had a live race license within the prior five (5) years.

(5) No more than one (1) simulcast and/or televised race facility per county shall be allowed. This includes the one (1) simulcast license authorized in section [54-2514A](#), Idaho Code.

(6) There is hereby created in the state treasury the live horse race purse distribution fund, to which shall be deposited moneys received by the Idaho state racing commission for the purposes described in this section. All moneys in the live horse race purse distribution fund are hereby perpetually appropriated to the Idaho state racing commission for payment as required in this section. Payments by the Idaho state racing commission from the live horse race purse distribution fund to the recipient live horse race-

tracks shall be made no later than thirty (30) days after Idaho state racing commission approval of a live race meet license application for the forthcoming calendar year.

(7) Once a total handle exceeding fourteen million dollars (\$14,000,000) is realized from simulcasting and/or televised races conducted pursuant to this section in any one (1) calendar year, the Idaho state racing commission shall submit to the Idaho horse board a sum of five percent (5%) of the balance over fourteen million dollars (\$14,000,000), but not to exceed twelve thousand five hundred dollars (\$12,500) to be used by the Idaho horse board for youth programs and to the "Idaho Robert R. Lee Promise Scholarship Program" as detailed in [chapter 43, title 33](#), Idaho Code, a sum of five percent (5%) of the balance over fourteen million dollars (\$14,000,000), but not to exceed twelve thousand five hundred dollars (\$12,500).

(8) Such pari-mutuel system conducted at such race meet shall not under any circumstances, if conducted under the provisions of this chapter and in conformity thereto and to the rules of the commission, be held or construed to be unlawful, other statutes of this state to the contrary notwithstanding.

(9) The participation by a licensee in an interstate combined wagering pool does not cause that licensee to be considered to be doing business in any jurisdiction other than the jurisdiction in which the licensee is physically located.

(10) Advance deposit wagering on live and/or simulcast horse racing conducted by licensees is hereby declared to be lawful and within the scope of the licensee's license. As used in this section, "advance deposit wagering" means a form of wagering in which an account holder may deposit money with a licensee and then use the balance to fund wagers. The bettor can then contact the licensee from a location without actually being physically present at the licensee's premises in order to communicate the desired use of those funds for wagering purposes. However, no wager can be accepted by the licensee that exceeds the amount in the account held by the licensee for the person placing the wager. Any advance deposit wagering conducted by a person with a provider outside of the state by telephone or other electronic means shall be a felony unless that provider is licensed by the Idaho state racing commission and provides a source market fee of not less than ten percent (10%) of the handle forwarded monthly to the commission. In order to receive an advance deposit wagering license, the applicant must comply with the provisions of subsection (12) of this section and must also reach a nondiscriminatory agreement regarding signal costs with any licensed facility in Idaho if such provider or affiliate is sending interstate simulcast signals to such licensed facility in Idaho. All moneys in the advance deposit wagering accounts held by the commission are hereby continuously appropriated to the commission, which shall retain ten percent (10%) for live racing administration and remit the balance for payment as required by this section. Payments to recipients shall be made annually. Distribution of the source market fee shall be forty percent (40%) to purses to be deposited directly into the horsemen's purse account at all tracks weighted by number of races ran through the year of distribution, thirty percent (30%) to the simulcast sites in the state weighted by the annual simulcast handle, five percent (5%) to the track distribution fund, five percent (5%) to the breed distribution fund, five percent (5%) to the Idaho state racing commission, five percent (5%) to the public school income fund,

and ten percent (10%) for track operating expenses at the live tracks with distribution weighted on the number of race days. All moneys in the track operating accounts are hereby continuously appropriated to the commission for payment as required by this section. For purposes of this section, wagering instructions concerning funds held in an advance deposit account shall be deemed to be issued within the licensee's enclosure. As used in this section, "source market fee" means that part of a wager, made outside of the state by an Idaho resident, that is returned to the state of Idaho. The commission may promulgate rules pursuant to [chapter 52, title 67](#), Idaho Code, to implement the provisions of this subsection.

(11) Pari-mutuel taxes or commissions may not be imposed on any amounts wagered in an interstate combined wagering pool other than amounts wagered within this jurisdiction.

(12) No licensee shall engage in any anticompetitive or deceptive practices in the process of contracting for the right to send any interstate simulcast signal to a licensed facility in Idaho. For purposes of this subsection, anticompetitive or deceptive practices shall include, but not be limited to:
