56-1502. LEGISLATIVE INTENT. It is the intent of the legislature to encourage the maximization of financial resources eligible and available for medicaid services by establishing a fund within the Idaho department of health and welfare to receive nursing facility assessments to use in securing federal matching funds under federally prescribed programs available through the state medicaid plan.

[56-1502, added 2009, ch. 221, sec. 1, p. 687.]

- (4) "Fund" means the nursing facility assessment fund established pursuant to section [56-1504](#), Idaho Code.
- (5) "Net patient service revenue" means gross revenue from services provided to nursing facility patients, less reductions from gross revenue resulting from an inability to collect payment of charges. Patient service revenue excludes nonpatient care revenue such as beauty and barber, vending income, interest and contributions, revenue from sale of meals and all outpatient revenue. Reductions from gross revenue includes: bad debts; contractual adjustments; uncompensated care; administrative, courtesy and policy discounts and adjustments; and other such revenue deductions.

[56-1503, added 2009, ch. 221, sec. 1, p. 687; am. 2018, ch. 49, sec. 1, p. 125.]

56-1504. NURSING FACILITY ASSESSMENT FUND. (1) There is hereby created in the office of the state treasurer a dedicated fund to be known as the nursing facility assessment fund, hereinafter the "fund," to be administered by the department. The state treasurer shall invest idle moneys in the fund and any interest received on those investments shall be returned to the fund.

(2) Moneys in the fund shall consist of:

(a) All moneys collected or received by the department from nursing facility assessments required pursuant to this chapter;

(b) All federal matching funds received by the department as a result of expenditures made by the department that are attributable to moneys deposited in the fund;

(c) Any interest or penalties levied in conjunction with the administration of this chapter; and

(d) Any appropriations, federal funds, donations, gifts or moneys from any other sources.

(3) The fund is created for the purpose of receiving moneys in accordance with this section and section [56-1511](#), Idaho Code. Collected assessment funds shall be used to secure federal matching funds available through the state medicaid plan, which funds shall be used to make medicaid payments for nursing facility services that equal or exceed the amount of nursing facility medicaid rates, in the aggregate, as calculated in accordance with the approved state medicaid plan in effect on June 30, 2009. The fund shall be used exclusively for the following purposes:

(a) To pay administrative expenses incurred by the department or its agent in performing the activities authorized pursuant to this chapter, provided that such expenses shall not exceed a total of one percent (1%) of the aggregate assessment funds collected for the prior fiscal year.

(b) To reimburse the medicaid share of the assessment in accordance with IDAPA 16.03.10.264.

(c) To provide financial incentives for nursing facilities to improve quality to be implemented as value-based purchasing payments in state fiscal year 2021 based on performance data from the prior state fiscal year, in accordance with section [56-1511](#), Idaho Code.

(d) To increase nursing facility payments to fund covered services to medicaid beneficiaries within medicare upper payment limits, as negotiated with the department.

(e) To repay the federal government any excess payments made to nursing facilities if the state plan, once approved by CMS, is subsequently disapproved for any reason, and after the state has appealed the findings. Nursing facilities shall refund the excess payments in question to the assessment fund. The state, in turn, shall return funds to both the federal government and nursing facility providers in the same proportion as the original financing. Individual nursing facilities shall be reimbursed based on the proportion of the individual nursing facility's assessment to the total assessment paid by nursing facilities. If a nursing facility is unable to refund payments, the state shall develop a payment plan and deduct moneys from future medicaid payments. The state will refund the federal government for the federal share of these overpayments.

(f) To make refunds to nursing facilities pursuant to section [56-1507](#), Idaho Code.

[56-1504, added 2011, ch. 164, sec. 23, p. 477; am. 2018, ch. 49, sec. 2, p. 126.]

56-1505. NURSING FACILITY ASSESSMENTS. (1) Nursing facilities shall pay the nursing facility assessment to the fund in accordance with the provisions of this chapter, with the exception of state and county-owned facilities, which are not required to contribute.

(2) The aggregated amount of assessments for all nursing facilities, during a fiscal year, shall be an amount not exceeding the maximum percentage allowed under federal law of the total aggregate net patient service revenue of assessed facilities from each provider's prior fiscal year. The department shall determine the assessment rate prospectively for the applicable fiscal year on a per-resident-day basis, exclusive of medicare part A resident days. The per-resident-day assessment rate shall be uniform. The department shall notify nursing facilities of the assessment rate applicable to the fiscal year by August 30 of that fiscal year.

(3) The department shall collect, and each nursing facility shall pay, the nursing facility assessment on an annual basis subject to the terms of this subsection. The nursing facility assessment shall be due annually, with the initial payment due within sixty (60) days after the state plan has been approved by CMS. Subsequent annual payments are due no later than thirty (30) days after receipt of the department invoice.

(4) Nursing facilities may increase their charges to other payers to incorporate the assessment but shall not create a separate line-item charge on the bill reflecting the assessment.

(5) (a) For state fiscal years 2020 and 2021, the department shall adjust assessments and payments for privately owned nursing facilities as follows. The department shall:

(i) Increase nursing facility assessments by an amount adequate to reduce state general fund needs by one million seven hundred eighty-six thousand dollars (\$1,786,000) in state fiscal year 2020 and five million dollars (\$5,000,000) in state fiscal year 2021; and

(ii) Support provider rate adjustments that will offset the medicaid share of the assessment increase.

(b) The department shall work with nursing facility providers to collect the increased assessments on a schedule to support state budget needs and provider rate adjustments.

(c) Provider rate adjustments for state fiscal years 2020 and 2021 shall not be considered or carried forward for payments established under section [56-116](#), Idaho Code.

[56-1505, added 2011, ch. 164, sec. 23, p. 478; am. 2020, ch. 35, sec. 3, p. 71.]

56-1506. APPROVAL OF STATE PLAN. The department shall seek necessary federal approval in the form of the state plan amendments in order to implement the provisions of this chapter.

[56-1506, added 2009, ch. 221, sec. 1, p. 689.]

56-1507. MULTIFACILITY LOCATIONS. If an entity conducts, operates or maintains more than one (1) nursing facility licensed by the department, the entity shall pay the nursing facility assessment for each nursing facility separately.

[56-1507, added 2009, ch. 221, sec. 1, p. 689.]

56-1508. TERMINATION OF ASSESSMENT. (1) The nursing facility assessment shall terminate and the department shall discontinue the imposition, assessment and collection of the nursing facility assessment if the plan amendment incorporating the payment in section [56-1504](#)(3) (a) through (c), Idaho Code, is not approved by CMS. The payment calculations in section [56-1504](#)(3) (b) and (c), Idaho Code, may be modified if necessary to obtain CMS approval of the plan amendment.

(2) Upon termination of the assessment, all collected assessment revenues, less any amounts expended by the department, shall be returned on a pro rata basis to nursing facilities that paid the nursing facility assessment.

[56-1508, added 2009, ch. 221, sec. 1, p. 689.]

56-1509. PENALTIES FOR FAILURE TO PAY ASSESSMENT. (1) If a nursing facility fails to pay the full amount of a nursing facility assessment when due, there shall be added to the assessment, unless waived by the department for reasonable cause, a penalty equal to five percent (5%) of the amount of the assessment that was not paid when due. Any subsequent payments shall be credited first to unpaid assessment amounts rather than to penalty or interest amounts, beginning with the most delinquent installment.

(2) In addition to the penalty identified in subsection (1) of this section, the department may seek any of the following remedies for failure of any nursing facility to pay its assessment when due:

- (a) Withhold any medical assistance reimbursement payments until such time as the assessment amount is paid in full;
- (b) Suspend or revoke the nursing facility license; or
- (c) Develop a plan that requires the nursing facility to pay any delinquent assessment in installments.

[56-1509, added 2009, ch. 221, sec. 1, p. 689.]

56-1510. RULEMAKING AUTHORITY. The department shall adopt rules to implement the provisions of this chapter.

[56-1510, added 2009, ch. 221, sec. 1, p. 690.]

56-1511. ANNUAL NURSING FACILITY ADJUSTMENT PAYMENTS. (1) All nursing facilities, with the exception of the state and county-owned facilities not included in subsection (2) of this section, shall be eligible for annual nursing facility adjustments.

(2) The Idaho state veterans nursing homes shall be eligible to participate in the program and shall be eligible for annual nursing facility adjustments.

(3) For the purpose of this section, "nursing facility days" are days of nursing facility services paid for by the Idaho medical assistance program for the applicable state fiscal year.

(a) For state fiscal year 2010, medicaid days for each provider's cost report ending in calendar year 2008 shall be utilized to determine the nursing facility adjustment payment.

(b) For state fiscal year 2011, medicaid days for each provider's cost report ending in calendar year 2009 shall be utilized to determine the nursing facility adjustment payment.

(4) Adjustment payments shall be paid on an annual basis to reimburse covered medicaid expenditures in the aggregate within the upper payment limit.

(5) Each annual payment shall be made no later than thirty (30) days after the receipt of the last annual deposit of the nursing facility assessments required in section [56-1504](#), Idaho Code.

(6) The department shall implement quality performance reporting beginning in state fiscal year 2019.

(a) During state fiscal years 2019 and 2020, quality performance data will be provided to nursing facilities to illustrate how their performance would impact their value-based purchasing payment.

(b) For state fiscal year 2021 and beyond, payments from the fund described in section [56-1504](#), Idaho Code, shall be based on quality indicators.
