[(61-601) 1913, ch. 61, sec. 49, p. 248; reen. C.L. 106:110; C.S., sec. 2478; I.C.A., sec. 59-601.]

61-602. PROCESS. The commission and each commissioner shall have power to issue writs of summons and subpoenas, warrants of attachment in the like manner and to the same extent as courts of record. The process issued by the commission or any commissioner shall extend to all parts of the state and may be served by any person authorized to serve process of courts of record or by any person designated for that purpose by the commission or commissioner. The person executing any such process shall receive such compensation as may be allowed by the commission not to exceed the fees prescribed by law for similar services, and such fees shall be paid in the same manner as provided herein for payment of the fees of witnesses.

[(61-602) 1913, ch. 61, sec. 50, p. 248; reen. C.L. 106:111; C.S., sec. 2479; I.C.A., sec. 59-602.]

61-603. WITNESSES -- ATTENDANCE -- FEES -- MILEAGE. The commission and each commissioner shall have power to administer oaths, certify to all official acts, and to issue subpoenas for the attendance of witnesses and the production of papers, waybills, books, accounts, documents and testimony in any inquiry, investigation, hearing or proceeding in any part of the state.

Each witness who shall appear, by order of the commission or a commissioner, shall receive for his attendance the same fees allowed by law to a witness in civil cases, in the district court, and mileage at ten cents (10¢) for every mile of travel one (1) way by the nearest generally traveled route in going to the place where the attendance of a witness is required, which amount shall be paid by the party at whose request such witness was subpoenaed.

When any witness who has not been required to attend at the request of any party shall be subpoenaed by the commission, his fees and mileage shall be paid from the funds appropriated for the use of the commission in the same manner as other expenses of the commission are paid: provided, that the commission may at its discretion refuse to allow the mileage and attendance of any witness subpoenaed before it that is in the employ of any public utility defined in this act.

Any witness subpoenaed except one whose fees and mileage may be paid from the funds of the commission, may at the time of service, demand the fee to which he is entitled for travel to and from the place at which he is required to appear and one (1) day's attendance. If such witness demands such fees at the time of service, and they are not at that time paid or tendered, he shall not be required to attend before the commission or commissioner, as directed in the subpoena, unless the commission shall by order indorsed on

the subpoena require any such witness to attend, irrespective of the fact that such mileage and attendance are not paid on demand. All fees or mileage to which any witness is entitled under the provisions of this section may be collected by action therefor instituted by the person to whom such fees are payable. No witness furnished with free transportation shall receive mileage for the distance he may travel on such free transportation.

[(61-603) 1913, ch. 61, sec. 51a, p. 248; reen. C.L. 106:112; C.S., sec. 2480; I.C.A., sec. 59-603.]

The district court in and for the county, or city and county in which any inquiry, investigation, hearing or proceeding may be held by commission or any commissioner shall have the power to compel the attendance of witnesses, the giving of testimony and the production of papers, including waybills, books, accounts and documents as required by any subpoena issued by the commission or any commissioner.

The commission or the commissioner before whom the testimony is to be given or produced, in case of the refusal of any witness to attend or testify or produce any papers required by such subpoena, may report to the district court in and for the county, or city and county, in which the proceeding is pending, by petition, setting forth that due notice has been given of the time and place of attendance of said witness, or the production of said papers, and that the witness has been summoned in the manner prescribed in this act, and that the witness has failed and refused to attend or produce the papers required by the subpoena, before the commission or commissioner, in the cause or proceeding named in the notice and subpoena, or has refused to answer questions propounded to him in the course of such proceeding, and ask an order of said court compelling the witness to attend and testify or produce said papers before the commission.

The court, upon the petition of the commission or such commissioner, shall enter an order directing the witnesses to appear before the court at a time and place to be fixed by the court in such order, the time to be not more than ten (10) days from the date of the order, and then and there show cause why he has not attended and testified or produced said papers before the commission. A copy of said order shall be served upon said witness. If it shall appear to the court that said subpoena was regularly issued by the commission or a commissioner and regularly served, the court shall thereupon enter an order that said witness appear before the commission or said commissioner at the time and place fixed in said order, and testify or produce the required papers, and upon failure to obey said order, said witness shall be dealt with as for contempt of court.

The remedy provided in this section is cumulative and shall not be construed to impair or interfere with the power of the commission or a commissioner to enforce the attendance of witnesses and the production of papers, and to punish for contempt in the same manner and to the same extent as [a] court of record.

[(61-604) 1913, ch. 61, sec. 51b, p. 248; compiled and reen. C.L. 106:113; C.S., sec. 2481; I.C.A., sec. 59-604.]

The determination of the commission with regard to the payment of these expenses shall be based on the following considerations:

(a) A finding that the participation of the intervenor has materially contributed to the decision rendered by the commission; and

(b) A finding that the costs of intervention are reasonable in amount and would be a significant financial hardship for the intervenor; and

(c) The recommendation made by the intervenor differed materially from the testimony and exhibits of the commission staff; and

(d) The testimony and participation of the intervenor addressed issues of concern to the general body of users or consumers.

(3) Expenses awarded to qualifying intervenors shall be an allowable business expense in the pending rate case or, if the proceeding is not a rate case, in the utility's next rate case. Expenses awarded shall be chargeable to the class of customers represented by the qualifying intervenors.

Said order shall, of its own force, take effect and become operative twenty (20) days after the service thereof, except as otherwise provided, and shall continue in force, either for a period which may be designated therein or until changed or abrogated by the commission. If an order cannot, in the judgment of the commission, be complied with within twenty (20) days, the commission may grant and prescribe such additional time as in its judgment is reasonably necessary to comply with the order, and may, on application and for good cause shown, extend the time for compliance fixed in its order.

[(61-618) 1913, ch. 61, part of sec. 57a, p. 248; reen. C.L. 106:127; C.S., sec. 2495; I.C.A., sec. 59-618.]

[(61-621) 1913, ch. 61, sec. 58, p. 248; reen. C.L. 106:130; C.S., sec. 2498; I.C.A., sec. 59-621.]

61-622. FINDING OF COMMISSION NECESSARY FOR INCREASE IN RATE AND APPROVAL OF A NEW TARIFF OR SCHEDULE -- SUSPENSION. (1) No public utility shall raise any existing rate, fare, toll, rental or charge or so alter any existing classification, contract, practice, rule, service or regulation as to result in an increase in any rate, fare, toll, rental or charge, under any circumstances whatsoever, except upon a showing before the commission and a finding by the commission that such increase is justified.

(2) Whenever there shall be filed with the commission any tariff or schedule stating a new individual or joint rate, fare, toll, rental, charge, classification, contract, practice, rule, service or regulation that does not increase or result in the increase of any existing rate, fare, toll, rental or charge, such tariff or schedule shall not become effective except upon a showing to and a finding by the commission that such tariff or schedule is justified.

The commission shall provide reasonable notice that it intends to conduct a hearing or other proceeding concerning the propriety of such new tariff, schedule, rate, fare, toll, rental, charge, classification, contract, practice, rule, service or regulation. Pending the subsequent hearing or proceeding and decision thereon, such new tariff, schedule, rate, fare, toll, rental, charge, classification, contract, practice, rule, service or regulation shall not go into effect.

(4) The period of suspension of such new tariff, schedule, rate, fare, toll, rental, charge, classification, contract, practice, rule, service or regulation shall not extend beyond thirty (30) days when such new tariff, schedule, rate, fare, toll, rental, charge, classification, contract, practice, rule, service or regulation would otherwise go into effect, pursuant to section 61-307, Idaho Code, unless the commission in its discretion extends the period of suspension for an initial period not exceeding five (5) months, nor unless the commission after a showing of good cause on the record grants an additional sixty (60) days. Prior to the expiration of said periods of suspension the commission may, with the consent in writing signed by the party filing such new tariff or schedule, permanently or further suspend the same.

(5) After such hearing or other proceeding during the suspension period, the commission shall issue its order approving, denying or amending the proposed tariffs, schedules, rates, fares, tolls, rentals, charges,

Such allocations shall reasonably reflect how joint-use facilities are utilized, provide reasonable stability for telephone corporations to do business planning and pricing and minimize the cost of accounting and record keeping to the extent possible. In developing such allocation methods, the commission may adopt procedures which are based on gross allocation factors derived from relative changes in total intrastate telecommunication service revenues or expenses or other measures of relative change between the provision of telecommunication services subject to title 61, Idaho Code, and telecommunication services subject to title 62, Idaho Code. The commission shall have authority to establish just and reasonable rates for all telecommunication services which remain subject to title 61, Idaho Code, and for basic local service in accordance with the provisions of chapter 6, title 62, Idaho Code.

[61-622A, added 1988, ch. 195, sec. 3, p. 369; am. 1997, ch. 192, sec. 1, p. 540.]

Any order rescinding, altering or amending a prior order or decision shall, when served upon the public utility affected, have the same effect as is herein provided for original orders or decisions.

[(61-624) 1913, ch. 61, sec. 60, p. 248; reen. C.L. 106:133; C.S., sec. 2501; I.C.A., sec. 59-624.]

61-626. RECONSIDERATION -- PROCEDURE -- ORDER NOT STAYED -- CHANGE OF ORIGINAL ORDER. (1) After an order has been made by the commission, any corporation, public utility or person interested therein shall have the right, within twenty-one (21) days after the date of said order, to petition for reconsideration in respect to any matter determined therein. Within seven (7) days after any corporation, public utility or person has petitioned for reconsideration, any other corporation, public utility, or person may cross-petition for reconsideration in response to any issues raised in any petition for reconsideration. Cross-petitions for reconsideration may be

granted if any petition for reconsideration to which they respond is granted on the issues to which the cross-petition is directed, but cross-petitions for reconsideration will be denied when the petitions for reconsideration to which they are directed are denied.

(2) Within twenty-eight (28) days after the filing of a petition for reconsideration the commission shall determine whether or not it will grant such reconsideration, and make and enter its order accordingly. If reconsideration be granted, said order shall specify how the matter will be reconsidered and whether any cross-petitions for reconsideration will be granted. The matter must be reheard, or written briefs, comments or interrogatories must be filed, within thirteen (13) weeks after the date for filing petitions for reconsideration. If reconsideration is ordered, the commission must issue its order upon reconsideration within twenty-eight (28) days after the matter is finally submitted for reconsideration.

(3) A petition for such reconsideration shall not excuse any corporation, public utility or person from complying with or obeying any order or any requirement of any order of the commission or operate in any manner, to stay or postpone the enforcement thereof, except as the commission may by order direct. If after reconsideration, including consideration of matters arising since the making of the order, the commission shall be of the opinion that the original order or any part thereof is in any respect unjust or unwarranted or should be changed, the commission may abrogate or change the same. An order made after any such reconsideration, abrogating or changing the original order, shall have the same force and effect as an original order, and shall not affect any right or the enforcement of any right arising from or by virtue of the original order.

[(61-626) 1913, ch. 61, sec. 62, p. 248; reen. C.L. 106:135; C.S., sec. 2503; I.C.A., sec. 59-626; am. 1957, ch. 126, sec. 1, p. 214; am. 1984, ch. 110, sec. 1, p. 253.]

Upon the payment of the fee therefor, the secretary of the public utilities commission shall prepare, certify, and deliver to the clerk of the supreme court copies of the transcript of the testimony and the relevant documents from the commission files as required under rules adopted by the supreme court for its appeals and shall also certify and deposit with the clerk of the supreme court the original exhibits from that proceeding.

[61-627, added 1977, ch. 299, sec. 2, p. 837; am. 1984, ch. 110, sec. 2, p. 254.]

61-629. MATTERS REVIEWABLE ON APPEAL -- EXTENT OF REVIEW -- JUDGMENT. No new or additional evidence may be introduced in the Supreme Court, but the appeal shall be heard on the record of the commission as certified by it. The review on appeal shall not be extended further than to determine whether the commission has regularly pursued its authority, including a determination of whether the order appealed from violates any right of the appellant under the constitution of the United States or of the state of

Idaho. Upon the hearing the Supreme Court shall enter judgment, either affirming or setting aside or setting aside in part the order of the commission. In case the order of the commission is set aside or set aside in part, the commission, upon its own motion or upon motion of any of the parties, may alter or amend the order appealed from to meet the objections of the court in the manner prescribed in section 61-624, Idaho Code.

On the hearing of such application, the applicant shall present to the court a transcript of the proceedings had before the commission, including the evidence, and such transcript shall be considered by the court in determining the applicant's right to an injunction, restraining order or other order suspending or staying the operation of the order or decision of the commission, and if an injunction, restraining order or other order suspends or stays the order of the commission as issued, such order shall contain a specific finding based upon the evidence submitted to the court and identified by reference thereto that great and irreparable damage would result to the petitioner and specifying the nature of the damage.

61-635. STAY OF ORDER ON APPEAL. The pendency of an appeal shall not of itself stay or suspend the operation of the order of the commission, but dur-

ing the pendency of such appeal, the Supreme Court may stay or suspend, in whole or in part, the operation of the commission's order.

61-637. STAY OF ORDER ON APPEAL -- BOND. In case the order or decision of the commission is stayed or suspended, the order of the court shall not become effective until a suspending bond shall first have been executed and filed with, and approved by the commission (or approved on review by the court), payable to the people of the state of Idaho, and sufficient in amount and security to insure the prompt payment, by the party petitioning for the review, of all damages caused by the delay in the enforcement of the order or decision of the commission, and of all moneys which any person or corporation may be compelled to pay, pending the review proceedings, for transportation, transmission, product, commodity, or service in excess of the charges fixed by the order or decision of the commission, in case said order or decision is sustained. The court, in case it stays or suspends the order or decision of the commission in any matter affecting rates, fares, tolls, rentals, charges or classifications, shall also by order direct the public utility affected to pay into court, from time to time, there to be impounded until the final decision of the case or into some bank or trust company paying interest on deposits, under such conditions as the court may prescribe, all sums of money which it may collect from any corporation or person in excess of the sum such corporation or person would have been compelled to pay if the order or decision of the commission had not been stayed or suspended.

The court may, from time to time, require said party petitioning for a review to give additional security

on or to increase the said suspending bond whenever in the opinion of the court the same may be necessary to insure the prompt payment of said damages and said overcharges. Upon the final decision by the court, all moneys which the public utility may have collected, pending the appeal in excess of those authorized by such final decision, together with interest in case the court ordered the deposit of such moneys in a bank or trust company, shall be promptly paid to the corporations or persons entitled thereto, in such manner and through such methods of distribution as may be prescribed by the commission. If any such moneys shall not have been claimed by the corporations or persons entitled thereto within one (1) year from the final decision of the court, the commission shall cause notice to such corporation or person to be given by publication, once a week for two (2) successive weeks, in a newspaper of general circulation, printed and published in the city of Boise, and such other newspaper or newspapers as may be designated by the commission, said notice to state the names of the corporations or persons entitled to such moneys and the amount due each corporation or person. Before any hearing is had the commission shall give the public utility affected thereby at least thirty (30) days' written notice, specifying the time and place of such hearing and such notice shall be sufficient to authorize the commission to inquire into the matters designated in this section and in said section 61-523[, Idaho Code], but this provision shall not prevent the commission from making any preliminary examination or investigation into the matters herein referred to, or from inquiring into such matters in any other investigation or hearing.

All public utilities affected shall be entitled to be heard and to introduce evidence at such hearing or hearings. The evidence introduced at such hearing shall be reduced to writing and certified under the seal of the commission.

only be controverted by showing a subsequent change in conditions bearing upon the facts therein determined.

The commission may from time to time cause further hearings and investigations to be had for the purpose of making revaluations or ascertaining the value of any betterments, improvements, additions or extensions made by any public utility subsequent to any prior hearing or investigation, and may examine into all matters which may change, modify or affect any finding of fact previously made, and may at such time make findings of fact supplementary to those theretofore made. Such hearings shall be had upon the same notice and shall be conducted in the same manner, and the findings so made shall have the same force and effect as is provided herein for such original notice, hearing and findings: provided, that such findings made at such supplemental hearings or investigations shall be considered in connection with and as a part of the original findings, except in so far as such supplemental findings shall change or modify the findings made at the original hearing or investigation.

61-641. OVERCHARGE -- REPARATION. When complaint has been made to the commission concerning any rate, fare, toll, rental or charge for any product, or commodity, furnished or service performed by any public utility, and the commission has found, after investigation, that the public utility has charged an excessive or discriminatory amount for such product, commodity or service, the commission may order that the public utility make due reparation to the complainant therefor, with interest from the date of collection: provided, no discrimination will result from such reparation.

[(61-641) 1913, ch. 61, sec. 67a, p. 248; reen. C.L. 106:147; C.S., sec. 2515; I.C.A., sec. 59-641.]

All complaints concerning excessive or discriminatory charges shall be filed with the commission within three (3) years from the time the cause of action accrues, and the petition for the enforcement of the order shall be filed in the court within one (1) year from the date of the order of the commission. The remedy in this section provided shall be cumulative and in addition to any other remedy or remedies in this act provided in case of failure of a public utility to obey an order or decision of the commission.
