Persons appearing before the commission or its agents in obedience to such a summons, shall, in the discretion of the commission, receive the same compensation as witnesses in the district court, to be paid upon claims presented against the state from any appropriation made for the administration of the provisions of this title, in the same manner as other claims against the state are presented and paid.

63-108. MEETING OF STATE TAX COMMISSION. (1) The state tax commission shall meet on the second Monday in August in each year, and, if all the abstracts of assessments in the several counties in the state have then been received, such abstracts shall be laid before the commission, which shall proceed to equalize the assessments throughout the state.

(2) In case all the abstracts of assessments in the several counties of the state have not been received by the state tax commission on or before the second Monday of August, then the commission shall adjourn from day to day until all of the abstracts have been received. The state tax commission may issue subpoenas for any county auditor who has failed to transmit his abstract of assessments, or whose abstract of assessments has not been received, requiring such county auditor to forthwith appear before the commission and produce said abstract. The sheriff of the county where the officer to be served resides is hereby designated as the officer by whom such subpoena shall be served and all actual and necessary expenses incurred by the sheriff in making such service shall be a legal claim against his county, and the officer served shall be liable on his official bond for said expenses in addition to any other liability imposed upon him for failure to transmit his abstract of assessments within the time prescribed in this chapter.

[63-108 added 1996, ch. 98, sec. 2, p. 316.]

63-109. EQUALIZATION BY CATEGORIES -- IDENTIFICATION AND REASSESSMENT. (1) The state tax commission shall publish rules establishing and defining categories in which various properties will be placed for assessment purposes. If the state tax commission has reason to believe that a county assessor has improperly assessed a category of property, it shall provide notice to the county assessor and board of county commissioners of the alleged improper assessment no later than the first Monday of April. The notice shall include the grounds upon which the state tax commission

believes the county assessor has improperly assessed a category of property, as well as any findings, reports, or other documentation supporting the position of the state tax commission. No equalization shall occur unless notice of an improper assessment pursuant to this subsection has been provided to the county assessor and board of county commissioners.

(2) The state tax commission shall equalize the assessments of property throughout the state, by categories, as shown by the abstracts transmitted by the several county auditors, county by county. In such equalization, the state tax commission shall have power to increase or decrease the total value of any category of property in any county as shown by the abstract from that county when, in the opinion of the commission, the value of that category appearing in such abstract is not just and equal as compared with the value of other categories of property in that county, or the value of similar categories of property in other counties, because of its being greater than or less than the market value. Upon receiving information from any source that any property in any county of the state has been omitted from the property roll, or has been improperly assessed, the state tax commission shall have the power to compel the assessor of such county to assess such property and place it upon the property roll forthwith, and to compel the reassessment of all property improperly assessed. The state tax commission is also empowered to identify or order and compel a proper identification of property by categories for assessment purposes in any county, and to create new categories for any taxable property, and to order and compel reassessment by the county assessor of any category or categories of property within the county.

(3) Notwithstanding the provisions of subsection (1) of this section, the state tax commission may equalize the assessment of a category of property in a county if the state tax commission becomes aware that either a county assessor has changed the assessed value of a category of property after the deadline has passed for notice provided for in subsection (1) of this section or that a county board of equalization improperly categorized a category of property. The state tax commission shall immediately provide written notice to the county assessor and board of county commissioners as soon as it becomes aware of the improper assessment or equalization. In no event shall the notice be made later than the Monday following the adjournment of the county board of equalization in July.

(4) The state tax commission shall provide a copy of any equalization order to the county assessor, board of county commissioners, and board of tax appeals within two (2) weeks of the issuance of the equalization order. The board of county commissioners shall notify any property owner affected by the equalization order within two (2) weeks of receiving the equalization order from the state tax commission. The notice shall include a new assessment notice consistent with the state tax commission order.

[63-109 added 1996, ch. 98, sec. 2, p. 316; am. 2019, ch. 200, sec. 1, p. 618.]

63-110. PROPERTY AND SPECIAL TAXES. The state tax commission must complete the equalization of assessments throughout the state during its meeting as the state board of equalization, after receipt of each county auditor's abstract of the property roll, no later than the fourth Monday of August in the year in which such assessments are made, and, if there is to be a state property tax, shall on that day determine the amount of state property tax which each county must collect and remit to the state, by apportioning the total state property tax among the several counties in the state in

the exact proportion that the total equalized valuation of each county, as shown by the property roll for the current year, and the subsequent and missed property rolls for the preceding year, bears to the total equalized valuation of the state from such rolls of all the counties in the state. The state tax commission shall also determine the amount of special state taxes, if any, which each county must collect and remit to the state, and the total amount of such state property and special state taxes found to be due from each county shall be certified to the county auditor of such county by the chairman of the state tax commission, and the county auditor shall, upon receipt of such certificate, file the same in his office; provided, that the total amount of all special state taxes levied for the current year upon property entered upon the subsequent and missed property rolls of each county for such year shall be certified to the county auditor of such county by the chairman of the state tax commission upon receipt of the county auditor's abstract of the subsequent and missed property rolls.

[63-110, added 1996, ch. 98, sec. 2, p. 317; am. 2014, ch. 77, sec. 1, p. 202.]

63-111. CERTIFICATE BY CHAIRMAN -- CHANGES IN ASSESSMENT. (1) On or before the first Monday of September in each year, the chairman of the state tax commission must transmit by certified mail or by other commercial delivery service providing proof of delivery, whichever is the most cost-efficient, to the county auditor of each county in the state, a certified statement showing all the changes in the assessment of any class or all classes of property, or in the aggregate value of all property in said county, and the total increase or decrease as a result of all changes made by the state tax commission in the assessment of property in said county, and the county auditor shall, upon receipt of such certified statement, file the same in his office.

(2) In transmitting the certified statement, as prescribed in subsection (1) of this section, the chairman shall also transmit therewith the certificate showing the total amount of state property and special state taxes, if any, found to be due from the county, and shall also transmit therewith a certified statement showing the assessment of any railroad, telegraph, telephone or electric current transmission or distribution line and all other operating property under the jurisdiction of the state tax commission situated wholly or partly within the county, specifying the number of miles, the equalized value per mile, and the total equalized value of each line in the county, and in any taxing district into or through which such line extends, and the name of such line, if any, and the name and post office address of the taxpayer or owner of such line, and the county auditor shall, upon receipt of such certified statement, file the same in his office.

[63-111 added 1996, ch. 98, sec. 2, p. 317.]

63-112. PAYMENTS FOR ASSISTANCE WITH PROPERTY TAX ASSESSMENT. The state tax commission is hereby authorized to charge counties for assistance provided for property tax assessment if requested in writing by the county assessor. Any payments received by the state tax commission for such assistance shall be deposited in the property tax assistance account.

[63-112 added 1996, ch. 98, sec. 2, p. 318.]

63-113. REPORTING WHOLE DOLLAR AMOUNTS. The state tax commission may require rounding to the nearest whole dollar any amount shown or required to be shown on any return, form, statement or other document submitted to the state tax commission. Any record or other document prepared or maintained by the state tax commission may express any dollar amount rounded to the nearest whole dollar.

[63-113, added 1997, ch. 20, sec. 1, p. 30.]

63-114. FILING AND PAYMENT EXTENSIONS AS DISASTER RELIEF. (1) The state tax commission may grant an extension of time for any filing, or any payment, which is required under any tax law administered or enforced by the state tax commission, to those persons whose ability to timely comply with their filing or payment requirement was adversely affected by a disaster declared by the President of the United States or by the governor of a state or territory of the United States. The state tax commission may grant any person entitled to an extension under section 7508A of the Internal Revenue Code, or regulations promulgated thereunder, an automatic extension for similar returns and payments due to this state.

(2) The state tax commission shall provide a procedure for affected taxpayers to justify the extension and provide such other information as the commission may require to support the taxpayer's application.
