67-2301. EXEMPTION FROM PAYMENT OF FEES. No fees or compensation of any kind (except the regular salary or compensation paid by the state to the officer, agent, or employee individually for his services) shall be charged or received by any state board, officer, agent or employee for duties performed or services rendered to or for the state or to or for any state board, officer, agent, or employee in the performance of his or their official duties, or to or for the state or any state board, officer, agent and employee in any action or proceeding in which they or any of them are parties. No filing or recording fee shall be charged or received for duties performed or services rendered to or for the state or to or for any state board, officer, agent, employee or any subdivision of the state, to include a county, municipal corporation or district created pursuant to statute, or an officer of such subdivision in the performance of his or their official duties.

67-2302. PROMPT PAYMENT FOR GOODS AND SERVICES. (1) It is the policy of this state that all bills owed by the state of Idaho or any taxing district within the state shall be paid promptly. No state agency or taxing district supported in whole or in part by tax revenues shall be exempt from the provisions of this section, except as provided in subsection (20).

(2) All bills shall be accepted, certified for payment, and paid within sixty (60) calendar days of receipt of billing, unless the buyer and the vendor have agreed by a contract in place at the time the order was placed that a longer period of time is acceptable to the vendor. An invoice is a written account or itemized statement of merchandise shipped, sent or delivered to the purchaser with quantity, value or price, and charges set forth, and is a demand for payment of the charges set forth.

(3) Unless specifically provided by the terms of a contract that details payment requirements, including penalties for late payments, interest penalties shall be due automatically when bills become overdue. It shall be up to each vendor to calculate and invoice interest at the time payment is due on the principal.

(4) Partial payment shall be made on partial deliveries, if an invoice is submitted for a partial delivery, and the goods delivered are a usable unit. Each complete item or service must be paid for within forty-five (45) calendar days.

(5) All proper deliveries and completed services shall be received or accepted promptly and proper receiving and acceptance reports shall be forwarded to payment offices within five (5) working days of delivery of goods or completion of service.

(6) Payment shall be due on the date on which the agency officially receives the invoice or actually receives the goods or services, whichever is later.

(7) The rate of interest to be paid by the state or any taxing district shall be the rate provided in section 63-3045, Idaho Code.
(8) Unpaid interest penalties owed to a vendor shall compound each month.

(9) The provisions of this section shall apply to all purchases, leases, rentals, contracts for services, construction, repairs and remodeling.

(10) No discount offered by a vendor shall be taken by the state or a taxing district or by a project manager administering a state or taxing district supported project, unless full payment is made within the discount period. In the event a discount is taken later, interest shall accrue on the unpaid balance from the day the discount offer expired.

(11) Interest shall be paid from funds already appropriated or budgeted to the offending agency or taxing district or project for that fiscal year. If more than one (1) department, institution or agency has caused a late payment, each shall bear a proportionate share of the interest penalty.

(12) In instances where an invoice is filled out incorrectly, or where there is any defect or impropriety in an invoice submitted, the state agency, taxing district, or project, shall contact the vendor in writing within ten (10) days of receiving the invoice. An error on the vendor's invoice, if corrected by the vendor within five (5) working days of being contacted by the agency or taxing district, shall not result in the vendor being paid late.

(13) Checks or warrants shall be mailed or transmitted within a reasonable time after approval.

(14) No new appropriation or budget is authorized under the provisions of this section to cover interest penalties. No state agency, taxing district, or project shall seek to increase appropriations or budgets for the purpose of obtaining funds to pay interest penalties.

(15) Payment of interest penalties may be postponed when payment on the principal is delayed because of a disagreement between the state or taxing district and the vendor. At the resolution of any dispute, vendors shall be entitled to receive interest on all proper invoices not paid for as provided in subsection (2) of this section.

(16) The provisions of this section shall in no way be construed to prohibit the state or any taxing district from making advanced payments, progress payments, or from prepaying where circumstances make such payments appropriate. All such payments shall be made promptly and are subject to interest penalties when payment is late. Where construction, repair and remodeling payments are subject to retainage, interest penalties shall accrue on retained amounts beginning thirty (30) calendar days after work is completed by the contractor(s) unless otherwise provided by contract.

(17) Each state department, institution and agency head shall be responsible for prompt payments. In all instances where an interest payment has been made by a state agency because of a late payment, the responsible state agency head shall submit to the joint senate finance-house appropriations committee of the legislature at the time of that agency's budget request hearing an explanation of why the bill is paid late and what is being done to solve the late payment problem.

(18) Whenever a vendor brings formal administrative action or judicial action to collect interest due under this section, should the vendor prevail, the state or taxing district is required to pay any reasonable attorney fees awarded.

(19) Where the date of payment to vendors is contingent on the receipt of federal funds or federal approval, the solicitation of bids for contracts
and any contracts awarded shall clearly state that payment is contingent on such conditions.

(20) The provisions of this section shall not apply to claims against a county for services rendered to any medically indigent, sick or otherwise indigent person, nor to judgment obligations.

[67-2302, added 1986, ch. 200, sec. 1, p. 499.]

67-2303. DISPLAY OF POW/MIA FLAG. The POW/MIA flag may be displayed on any day when the United States flag is displayed and in accordance with rules as promulgated by the division of veterans services pursuant to the provisions of section 67-2303A, Idaho Code.

67-2303A. FLAGS -- PROPER PROTOCOL. The division of veterans services is hereby authorized to promulgate rules directing the proper protocol for the location and display of flags flown on state property.

67-2308. CONVEYANCE OF LAND OWNED BY COUNTY TO STATE WHEN STATE BUILDINGS LOCATED THEREON -- EFFECT OF DEED. Whenever a county owns any real property upon which is located any building or buildings owned by the state of Idaho, the board of county commissioners, if they shall deem it desirable and for the general welfare and benefit of the people of the county and in the interests of the county, may convey such real property to the state of Idaho without previous notice by advertisement or otherwise and with or without compensation, whether it shall have been acquired by tax deed or otherwise. The execution and delivery of the deed so conveying such property to the state shall operate to discharge and cancel any and all previous levies, liens, taxes and special assessments made or created for the benefit of the state, county, school district or other taxing unit and to cancel all titles or claims of title including claims of redemption to such real property asserted or existing at the time of such conveyance.

[67-2308, added 1945, ch. 137, sec. 1, p. 206.]

67-2309. WRITTEN PLANS AND SPECIFICATIONS FOR WORK TO BE MADE BY OFFICIALS -- AVAILABILITY. All officers of the state of Idaho, the separate counties, cities, towns, villages or school districts within the state of Idaho, all boards or trustees thereof or other persons required by the statutes of the state of Idaho to advertise for bids on contracts for the construction, repair or improvement of public works, public buildings, public places or other work, shall make written plans and specifications of such work to be performed or materials furnished, and such plans and specifications shall be available for all interested and prospective bidders thereof, providing that such bidders may be required to make a reasonable deposit upon obtaining a copy of such plans and specifications; all plans and specifications for said contracts or materials shall state, among other things pertinent to the work to be performed or materials furnished, the number, size, kind and quality of materials and service required for such contract, and such plans and specifications shall not specify or provide the use of any articles of a spe-
cific brand or mark, or any patented apparatus or appliances when other mate-

rials are available for such purpose and when such requirements would pre-

vent competitive bidding on the part of dealers or contractors in other ar-

ticles or materials of equivalent value, utility or merit. The design-build 

method of construction may be employed by public officials in contracts for 

the construction, repair, or improvement of public works, public buildings, 

public places or other work. For purposes of this section, a design-build 

contract is a contract between a public entity and a nongovernmental party 

in which the nongovernmental party contracting with the public entity agrees 

to both design and build a structure, roadway or other item specified in the 

contract. In any action which shall arise under this section, the court may 

assess a civil penalty not to exceed five hundred dollars ($500) to be paid by 

the public entity.

67-2310. SUBCONTRACTORS TO BE LISTED ON BID OF GENERAL CONTRACTOR -- 

EXCEPTIONS. (1) Hereafter, before the state of Idaho, the separate counties, 

cities, towns, villages or school districts within the state of Idaho shall 

let contracts for the construction, alteration or repair of any and all 

buildings, improvements or public works, and such construction, alteration 

or repair requires plumbing, HVAC work, or electrical work, the general 

contractor shall be required to include in his bid the name, or names and 

address, or addresses, of the subcontractors who shall, in the event the 

contractor secures the contract, subcontract the plumbing, HVAC work, and 

electrical work under the general contract. In the event that the general 

contractor intends to self-perform the plumbing, HVAC or electrical work, 

the general contractor must be properly licensed by the state of Idaho to 

perform such work. The general contractor shall demonstrate compliance 

with this requirement by listing the valid contractor's license number for 

the plumbing, HVAC or electrical work to be self-performed by the general 

contractor on the bid form.

(2) No general contractor shall name any subcontractor in his bid un-

less the general contractor has received communication from the subconc-

tractor. For the purposes of this section, "communication" shall include tele-

phone, mail, facsimile machine, in person, or by computer using the internet 

or a bid service.

(3) In the event a general contractor secures the contract, and if the 

general contractor and a named subcontractor cannot finalize the terms of 

agreement between them for any reason other than cost, the general contrac-
tor shall name another subcontractor by written notification within ten (10) 
days of being awarded the public works contract. The general contractor 
shall disclose to the public entity the cost for work to be performed by the 
substitute subcontractor. If the amount of the substitute subcontractor's 
bid is less than the original subcontractor's bid, the reduction in cost 
shall be passed through to the benefit of the public entity which awarded the 
contract.

(4) This act shall not apply to the construction, alteration or repair 
of public buildings under the jurisdiction of the board of regents of the 

university of Idaho.

(5) This act shall have no application to the preparation and submis-
sion of plans and specifications pursuant to statute or local ordinance.

6-2311. PURPOSE OF ACT. It is the purpose of this act to render all public buildings now or hereafter owned or maintained by the state of Idaho, or any official, department, board, commission or agency thereof reasonably free from hazards to the general public, to the state's employees, and to inmates in or attendants at such buildings.

6-2312. PUBLIC BUILDINGS SUBJECT TO SAFETY INSPECTION. The division of building safety is vested with the right of entry and inspection of all public buildings now or hereafter owned or maintained by the state or any official, department, board, commission or agency thereof, for the purpose of ascertaining unsafe or hazardous conditions therein, or in the immediate environs thereof, not only to the state's employees but to inmates therein, attendants thereat, and to the general public.

6-2313. INSPECTIONS. At least once in each calendar year and at any time he deems necessary or desirable, and particularly when so directed by the governor, the administrator of the division of building safety shall inspect, or through designated representatives cause to be inspected, all state public buildings. Any such inspection shall include an appraisal of any and all unsafe or hazardous conditions, including industrial hazards, fire hazards, and hazards to the public particularly to inmates or patients, and attendants at such public buildings and adjoining public grounds.

6-2314. REPORT OF INSPECTION. As soon as practicable after each such inspection, the administrator of the division of building safety shall make
a report in writing of the results disclosed thereby to the official, department, board, commission or agency having custody or direct control of any building so inspected. If the administrator finds hazardous conditions or unsafe practices, he shall supplement his report with recommendations for their elimination or correction.

67-2316. DUTY OF AGENCY IN CONTROL OF BUILDINGS. The official or agency in direct control of any state public building, within twenty (20) days after receipt of such report and recommendations of the administrator of the division of building safety, shall in writing notify the division of compliance with such recommendations or correction otherwise of such hazards, or of his or its reason for failing so to do.

67-2317. HEARING AND DECISION OF DISPUTED ISSUES. Upon the failure or refusal of the official or agency in charge of any state public building to comply with the recommendations of the administrator of the division of building safety, the administrator may hold a hearing, pursuant to the provisions for contested cases under the administrative procedure act, as provided in sections 67-5240 et seq., Idaho Code.

The administrator is empowered to conduct such hearing and render a decision. The administrator shall transmit a copy of the decision to the official or agency in direct control of the public building and to the governor.

67-2318. EMERGENCY EXPENDITURES. Whenever the governor shall direct an investigation under the provisions of this act and it appears to him that the division of building safety is in emergency need of the consultant services of a specialist in fire prevention methods or in corrective structural procedures, he is authorized in his discretion to pay from the appropriation herein made, or from any other emergency or disaster relief fund available to him, the expense of such consultant services.

If it appears to the satisfaction of the governor that the official or agency in direct control of a public building is unable to comply with any recommendation or decision of the division of building safety because of lack of appropriated funds, the governor may order payment in whole or in part of expenses involved in the elimination or amelioration of hazards from the money herein appropriated or from any appropriation made available to him for emergency or disaster relief.

67-2319. PURCHASING PRODUCTS OF REHABILITATION FACILITIES. Products which are manufactured by and services which are provided for nonprofit cor-
porations and public agencies operating rehabilitation facilities serving people with disabilities and disadvantaged people and offered for sale at
the fair market price as determined by the administrator of the division of
purchasing which meet the specific requirement for such products may be pro-
cured by the state agencies or departments or any political subdivision of
the state from such nonprofit corporations or public agencies without adver-
tising or calling for bids.

67-2320. PROFESSIONAL SERVICE CONTRACTS WITH DESIGN PROFESSIONALS,
CONSTRUCTION MANAGERS AND PROFESSIONAL LAND SURVEYORS. (1) Notwithstanding
any other provision of law to the contrary, it shall be the policy of this
state that all public agencies and political subdivisions of the state of
Idaho and their agents shall make selections for professional engineering,
architectural, landscape architecture, construction management and pro-
fessional land surveying services, including services by persons licensed
pursuant to chapters 3, 12, 30 and 45, title 54, Idaho Code, on the basis of
qualifications and demonstrated competence and shall negotiate contracts
or agreements for such services on the basis of demonstrated competence and
qualifications for the type of services required at fair and reasonable
prices.

(2) In carrying out this policy, public agencies and political subdi-
visions of the state shall use the following minimum guidelines in secur-
ing contracts for engineering, architectural, landscape architecture, con-
struction management and land surveying services on projects for which the
professional service fee is anticipated to exceed the total sum of twenty-
five thousand dollars ($25,000), excluding professional services contracts
previously awarded for an associated or phased project, and the expenditure
is otherwise exempt from the bidding process provided by law:

(a) Encourage persons or firms engaged in the services being solicited
to submit statements of qualifications and performance data;
(b) Establish and make available to the public the criteria and proce-
dures used for the selection of qualified persons or firms to perform
such services;
(c) Select the persons or firms whom the public agency or political sub-
division determines to be best qualified to provide the required ser-
dices, ranked in order of preference, pursuant to the public agency or
political subdivision's established criteria and procedures;
(d) Negotiate with the highest ranked person or firm for a contract or
agreement to perform such services at a price determined by the public
agency or political subdivision to be reasonable and fair to the public
after considering the estimated value, the scope, the complexity and
the nature of the services;
(e) When unable to negotiate a satisfactory contract or agreement, for-
mally terminate negotiations and undertake negotiations with the next
highest ranked person or firm, following the procedure prescribed in
subsection (2)(d) of this section;
(f) When unable to negotiate a satisfactory contract or agreement with
any of the selected persons or firms, continue with the selection and
negotiation process provided in this section until a contract or agree-
ment is reached;
(g) When public agencies or political subdivisions solicit proposals for engineering, architectural, landscape architecture, construction management or land surveying services for which the professional service fee is anticipated to exceed the total sum of twenty-five thousand dollars ($25,000), they shall publish public notice in the same manner as required for bidding of public works construction projects.

(h) In fulfilling the requirements of subsections (2)(a) through (2)(g) of this section, a public agency or political subdivision may limit its selection from a list of three (3) persons or firms selected and preapproved for consideration by the public agency or political subdivision. In establishing a preapproved list a public agency or political subdivision shall publish notice as set forth in subsection (2)(g) of this section. When selecting from such list, no notice shall be required.

(i) In fulfilling the requirements of subsections (2)(a) through (2)(g) of this section, a public agency or political subdivision may request information concerning a person's or firm's rates, overhead and multipliers, if any, however such information shall not be used by the public agency or political subdivision for the purpose of ranking in order of preference as required in subsection (2)(c) of this section.

(3) In securing contracts for engineering, architectural, landscape architecture, construction management or land surveying services on projects for which the professional service fee is anticipated to be less than the total sum of twenty-five thousand dollars ($25,000), the public agency or political subdivision may use the guidelines set forth in paragraphs (a) through (g) of subsection (2) of this section or establish its own guidelines for selection based on demonstrated competence and qualifications to perform the type of services required, followed by negotiation of the fee at a price determined by the public agency or political subdivision to be fair and reasonable after considering the estimated value, the scope, the complexity and the nature of services.

(4) When a public agency or political subdivision of the state has previously awarded a professional services contract to a person or firm for an associated or phased project the public agency or political subdivision may, at its discretion, negotiate an extended or new professional services contract with that person or firm.

(5) (a) For the purposes of this section, "public agency" shall mean the state of Idaho and any departments, commissions, boards, authorities, bureaus, universities, colleges, educational institutions or other state agencies which have been created by or pursuant to statute other than courts and their agencies and divisions, and the judicial council and the district magistrate's commission;

(b) For the purposes of this section, "political subdivision" shall mean a county, city, airport, airport district, school district, health district, road district, cemetery district, community college district, hospital district, irrigation district, sewer district, fire protection district, or any other district or municipality of any nature whatsoever having the power to levy taxes or assessment, organized under any general or special law of this state. The enumeration of certain districts herein shall not be construed to exclude other districts or municipalities from this definition.

(1) Whenever the governing body of a taxing district, by a majority vote of its members, adopts a proposal to change the name of the district, it shall be the duty of such body to conduct at least one (1) public hearing on the proposal and to give notice of the hearing. At least fifteen (15) days prior to the hearing, notice of the time and place and a copy of the proposal of the name change shall be published in the official newspaper or paper of general circulation within the jurisdiction. The governing body may also make available a notice to other papers, radio and television stations serving the jurisdiction for use as a public service announcement.

(2) At the hearing, if it shall satisfactorily appear to the governing body that no good cause exists to deny the proposal for change of name, the governing body may adopt a resolution effecting the name change in the same form as was presented in the proposal on which the hearing was conducted. Such resolution shall also specify the date of organization of the district and its present name.

If a petition signed by ten percent (10%) of the qualified electors of the taxing district is presented in opposition to the proposed name change, the governing body of the taxing district shall submit the question to the electors of the district in accordance with the provisions of chapter 14, title 34, Idaho Code. If a majority of votes cast on the question of changing the name of the district are in favor of the name change, the governing body of the taxing district shall adopt a resolution effecting that change, specifying the date of organization of the district and its present name.

(3) No resolution for change of the name of a taxing district shall be effective until a certified copy of the resolution has been filed with the state tax commission and with the county recorder of each county in which the jurisdiction is situated.

(4) Any change of name under the provisions of this section shall not affect any of the rights, property or obligations of said taxing district.

(5) The provisions of this section shall not apply to any city, county or school district, nor to any taxing district for which provision for change of name is otherwise provided by law.

[67-2321 added 1996, ch. 98, sec. 18, p. 400.]

Such conveyance or transfer may be made without consideration or payment when it is in the best interest of the public in the judgment of the governing body of the granting unit.

67-2323. WRITTEN AGREEMENT BEFORE TRANSFER -- PUBLICATION OF NOTICE. Prior to any such conveyance or transfer, a written agreement shall be made between units of government or districts for a conveyance or transfer of real or personal property from one to the other with or without consideration.

For conveyances or transfers of real or personal property with a value of ten thousand dollars ($10,000) or less, the property may be conveyed or transferred without notice and a hearing as otherwise provided herein. For conveyances or transfers of real or personal property with a value in excess of ten thousand dollars ($10,000), notice of the general terms of the agreement shall be given by publication in at least two (2) issues in a newspaper printed or of general circulation in the county or counties in which such respective units are located and having general circulation within such county or counties. Said notice shall give time and place of the next regular or special meeting of each respective unit at which time the governing board of such units propose to ratify such an agreement. The first publication shall be made not less than twelve (12) days prior to each meeting, and the last publication of notice shall be made not less than five (5) days prior to each meeting.

(a) Any power, privilege or authority, authorized by the Idaho Constitution, statute or charter, held by the state of Idaho or a public agency of said state, may be exercised and enjoyed jointly with the state of Idaho or any other public agency of this state having the same powers, privilege or authority; but never beyond the limitation of such powers, privileges or authority; and the state or public agency of the state, may exercise such powers, privileges and authority jointly with the United States, any other state, or public agency of any of them, to the extent that the laws of the United States or sister state, grant similar powers, privileges or authority, to the United States and its public agencies, or to the sister state and its public agencies; and provided the laws of the United States or a sister state allow such exercise of joint power, privilege or authority. The state or any public agency thereof when acting jointly with another public agency of this state may exercise and enjoy the power, privilege and authority conferred by this act; but nothing in this act shall be construed to extend the jurisdiction, power, privilege or authority of the state or public agency thereof, beyond the power, privilege or authority said state or public agency might have if acting alone.

5) The permissible method or methods to be employed in accomplishing the partial or complete termination of the agreement and for disposing of property upon such partial or complete termination.

Such opinion shall be rendered within thirty (30) days from the date of request by the secretary of state and submitted to the secretary and interested parties. Failure to render such opinion within such time shall be considered as approval by the attorney general.
