67-404e. PENDING BUSINESS. Any business, bill or resolution pending at the final adjournment of a session shall not be carried over to the next regular or extraordinary session; provided, however, that any such bill or resolution may be reintroduced at any subsequent session of the legislature.

[67-404e, added I.C., sec. 67-404e, as added by 1970, ch. 33, sec. 5, p. 70.]

67-405. ADMINISTERING OF OATHS TO MEMBERS AND OFFICERS -- OATHS TO WITNESSES BEFORE COMMITTEES. The president and president pro tem, of the senate, and the speaker and speaker pro tem, of the house, may administer the oath of office to any member, and to the officers of their respective bodies. The members of any committee may administer oaths to witnesses in any matter under examination.

67-406. COMPENSATION AND MILEAGE OF MEMBERS OF LEGISLATURE. Each member of the legislature shall receive for his services compensation and expenses in accordance with rates established by the citizens' committee on legislative compensation authorized in section 67-406b, Idaho Code.
67-406a. CITIZENS' COMMITTEE ON LEGISLATIVE COMPENSATION -- MEMBERS -- APPOINTMENT -- TERMS -- ELECTION OF CHAIRMAN. There is hereby established the citizens' committee on legislative compensation, to consist of three (3) members appointed by the governor and three (3) members appointed by the Supreme Court. Members of the committee shall be residents of the state of Idaho and shall be appointed from the public and without regard to political affiliation. No one may be appointed to the committee who is an official or employee of the state of Idaho or any department, agency, or political subdivision thereof or who is an official or employee of any county, municipality or other unit of local government or of any agency or institution to which any state funds are appropriated.

Of the members of the committee first to be appointed, one (1) appointee each of the governor and the Supreme Court shall be appointed for a term of two (2) years, one (1) appointee each of the governor and the Supreme Court shall be appointed for a term of three (3) years, and one (1) appointee each of the governor and the Supreme Court shall be appointed for a term of four (4) years, commencing July 1, 1967. Thereafter, all members of the Committee shall be appointed for a four (4) year term, commencing July 1st. Vacancies shall be filled in the same manner as the original appointments and for the balance of the unexpired term. The committee shall elect one (1) of its members chairman, and members of the committee shall be compensated as provided by section 59-509(b), Idaho Code, which expenses shall be paid from the monies appropriated for the operation of the legislature.

67-406b. COMPENSATION AND EXPENSES. No member of the legislature of the state of Idaho shall receive any compensation for services rendered or expenses incurred as a legislator, except as set by the committee.

The committee shall, on or before November 30, 1976, establish the rate of compensation and expenses for services to be rendered by members of the legislature during the two (2) year period commencing on December 1, 1976. The compensation and expenses so established shall, on or before such date, be filed with the secretary of state and the state controller. The rates thus established shall be the rates applicable for the two (2) year period specified unless prior to the twenty-fifth legislative day of the regular 1977 legislative session, by concurrent resolution, the senate and house of representatives shall reject said rates of compensation and expenses and declare the same to be inoperative.

Thereafter the committee shall on or before the last day of November of each even numbered year, establish the rate of compensation, and expenses for services to be rendered by members of the legislature during the two (2) year period commencing on the first day of December of such year. The compensation and expenses so established shall, on or before such date, be filed with the secretary of state and the state controller. The rates thus established shall be the rates applicable for the two (2) year period specified unless prior to the twenty-fifth legislative day of the next regular biennial session, by concurrent resolution the senate and house of representatives shall reject said rates of compensation and expenses and declare the same to be inoperative.
67-407. ATTENDANCE OF WITNESS -- SUBPOENA. A subpoena requiring the attendance of any witness or the production of any papers or other materials before either house of the legislature, or a committee of the legislature, may be issued by the president or president pro tempore of the senate, speaker of the house, or the chairman of any committee before whom the attendance of the witness or the production of papers or other materials is desired. The subpoena must:

1. State whether the proceeding is before the senate or house, or a committee;
2. Be addressed to the witness, and name with particularity the papers or other materials to be produced by the witness, if papers and materials are requested;
3. Require the attendance of the witness or the production of such papers or other materials by the witness at a time and place certain to be shown on the subpoena;
4. Be signed by the president or president pro tempore of the senate, speaker of the house, or the chairman of a committee; and
5. Inform the witness that the witness will be paid mileage, meals and lodging, if necessary, or otherwise provided necessary transportation, meals or lodging for attendance. Any witness subpoenaed under this section shall be entitled to necessary mileage, meals and lodging at the rates established by the state board of examiners pursuant to section 67-2008, Idaho Code, for official travel for state officers and employees, to be paid from the legislative account if other transportation, meals and lodging are not tendered for the witness's attendance.

67-408. ATTENDANCE OF WITNESSES -- SERVICE OF SUBPOENAS. The subpoena may be served by the sheriff of any county in which the subpoenaed person may be found or by any person authorized to serve process of courts of record, and the affidavit of the person serving the subpoena that he delivered a copy to the witness is evidence of service.

67-409. ATTENDANCE OF WITNESSES -- REFUSAL TO OBEY SUBPOENA A CONTEMPT. If any witness neglects or refuses to obey such subpoena, or appearing, refuses to testify, or produce the subpoenaed documents or other materials, the senate or house may, by resolution entered on the journal, cite the witness for contempt. It shall be the duty of the district court, upon application of the presiding officer of the house resolving to cite the witness for contempt, to compel obedience by proceedings for contempt, as in the case of disobedience of the requirements of a subpoena issued from the court or the refusal to testify or produce documents or other materials in court.

67-410. WITNESSES -- COMPELLING ATTENDANCE. Any witness neglecting or refusing to attend in obedience to a subpoena issued under sections 67-407 through 67-410, Idaho Code, may at the written direction of the president or president pro tempore of the senate or the speaker of the house of representatives be arrested by the sergeant-at-arms, a sheriff or such other person designated in writing and brought before the senate or house. The only warrant of authority necessary to authorize such arrest is a copy of a resolution of the senate or house citing the person for contempt, signed by the presiding officer, and countersigned by the clerk, and the written authorization for arrest signed by the arresting officer.

67-411. WITNESSES -- SELF-CRIMINATING TESTIMONY MAY BE EXACTED. No statement made by any such witness on such examination before either house, or a committee, is competent evidence in any criminal proceeding against such witness; nor can such witness refuse to testify to any fact or to produce any paper, touching which he is examined, for the reason that his testimony or the production of such paper may tend to disgrace him, or render him infamous. Nothing in this section exempts any witness from prosecution and punishment for perjury committed by him on such examination.

67-411A. TAKING AND RECORDING TESTIMONY UNDER OATH. Whenever conducting legislative business, a committee may require that testimony be given under oath, which may be administered by the chairman or by a person authorized by law to administer oaths, and may require that the testimony be recorded by an official court reporter or by some other competent person, under oath, which report when written, certified and approved by the person as being the direct transcript of the testimony, proceedings or documents shall be prima facie a correct statement of the testimony and proceedings provided that the person's signature to the certificate shall be duly acknowledged by him before a notary public. Any person who takes an oath pursuant to this section who states as true any material matter which he knows to be false is guilty of perjury and shall be punished pursuant to chapter 54, title 18, Idaho Code.

67-412. DESIGNATING QUALIFIED SUBSTITUTE WHEN LEGISLATOR TEMPORARILY UNABLE TO PERFORM DUTIES. (1) In the event that a legislator is temporarily unable to perform the duties of his office, the legislator may designate a qualified person to succeed to the powers and duties, but not the office, of the legislator until the incumbent legislator is able to resume performance of his duties or a vacancy occurs in the office. If a legislator appoints a temporary successor, that person shall be designated or serve as a temporary substitute only if the person is qualified, under the Idaho constitution and statutes, to hold the office of the legislator to whose powers and duties the person is designated to succeed, which shall be verified by the legislator.
(2) In the event of an attack, as defined in section 67-415, Idaho Code, the provisions of the emergency interim legislative succession act shall apply.

[67-412, added 2014, ch. 348, sec. 1, p. 869.]

67-413. SHORT TITLE. This act shall be known as the "Emergency Interim Legislative Succession Act."

[67-413, added 1961 (E.S.), ch. 4, sec. 1, p. 20.]

67-414. DECLARATION OF POLICY. The legislature declares: (1) That recent technological developments make possible an enemy attack of unprecedented destructiveness, which may result in the death or inability to act of a large proportion of the membership of the legislature; (2) That to conform in time of attack to existing legal requirements pertaining to the legislature would be impracticable, would admit of undue delay, and would jeopardize continuity of operation of a legally constituted legislature; and (3) That it is therefore necessary to adopt special provisions as hereinafter set out for the effective operation of the legislature.

[67-414, added 1961 (E.S.), ch. 4, sec. 2, p. 20.]

67-415. DEFINITIONS. As used in this act:
(a) "Attack" means any action or series of actions taken by an enemy of the United States resulting in substantial damage or injury to persons or property in this state whether through sabotage, bombs, missiles, shellfire, or atomic, radiological, chemical, bacteriological, or biological means or other weapons or methods.
(b) "Unavailable" means absent from the place of session (other than on official business of the legislature), or unable, for physical, mental or legal reasons, to exercise the powers and discharge the duties of a legislator, whether or not such absence or inability would give rise to a vacancy under existing constitutional or statutory provisions.

[67-415, added 1961 (E.S.), ch. 4, sec. 3, p. 20.]

67-416. DESIGNATION OF EMERGENCY INTERIM SUCCESSORS TO LEGISLATORS. Each legislator shall designate not fewer than three (3) or more than seven (7) emergency interim successors to his powers and duties and specify their order of succession. Each legislator shall review and, as necessary, promptly revise the designations of emergency interim successors to his powers and duties to insure that all times there are at least three (3) such qualified emergency interim successors.

[67-416, added 1961 (E.S.), ch. 4, sec. 4, p. 20.]

67-417. STATUS, QUALIFICATIONS AND TERM OF EMERGENCY INTERIM SUCCESSORS. An emergency interim successor is one who is designated for possible temporary succession to the powers and duties, but not the office, of a legislator. No person shall be designated or serve as an emergency interim successor unless he may under the constitution and statutes hold the office of the legislator to whose powers and duties he is designated to succeed. But no constitutional or statutory provision prohibiting a legislator from holding
another office or prohibiting the holder of another office from being a legislator shall be applicable to an emergency interim successor. An emergency interim successor shall serve at the pleasure of the legislator designating him or of any subsequent incumbent of the legislative office.

[67-417, added 1961 (E.S.), ch. 4, sec. 5, p. 20.]

67-418. CONTINGENT METHOD OF DESIGNATING EMERGENCY INTERIM SUCCESSORS. Prior to an attack, if a legislator fails to designate the required minimum number of emergency interim successors within thirty (30) days following the effective date of the act or, after such period, if for any reason the number of emergency interim successors for any legislator falls below the required minimum and remains below such minimum for a period of thirty (30) days, then the party leader of the same political party in the same house as such legislator shall promptly designate as many emergency interim successors as are required to achieve such minimum number. But the party leader shall not assign to any of his designees a rank in order of succession higher than that of any remaining emergency interim successor previously designated by a legislator for succession to his own powers and duties. Each emergency interim successor designated by a party leader shall serve at the pleasure of the person designating him, but the legislator for whom the emergency interim successor is designated or any subsequent incumbent of his office may change the rank in order of succession or replace at his pleasure any emergency interim successor so designated.

[67-418, added 1961 (E.S.), ch. 4, sec. 6, p. 20.]

67-419. RECORDING AND PUBLICATION. Each designation of an emergency interim successor shall become effective when the legislator or party leader making the designation files with the secretary of state the successor's name, address and rank in order of succession. The removal of an emergency interim successor or change in order of succession shall become effective when the legislator or party leader so acting files this information with the secretary of state. All such data shall be open to public inspection. The secretary of state shall inform the governor, the Idaho office of emergency management, the presiding officer of the house concerned and all emergency interim successors of all such designations, removals and changes in order of succession.

[67-419, added 1961 (E.S.), ch. 4, sec. 7, p. 20; am. 2020, ch. 49, sec. 1, p. 115.]

67-420. OATH OF EMERGENCY INTERIM SUCCESSORS. Promptly after designation each emergency interim successor shall take the oath required for the legislator to whose powers and duties he is designated to succeed. No other oath shall be required.

[67-420, added 1961 (E.S.), ch. 4, sec. 8, p. 20.]

67-421. DUTY OF EMERGENCY INTERIM SUCCESSORS. Each emergency interim successor shall keep himself generally informed as to the duties, procedures, practices and current business of the legislature, and each legislator shall assist his emergency interim successor to keep themselves so informed.
67-422. CONVENING OF LEGISLATURE IN EVENT OF ATTACK. In the event of an attack, the governor shall call the legislature into session as soon as practicable, and in any case within ninety (90) days following the inception of the attack. If the governor fails to issue such call, the legislature shall, on the ninetieth day from the date of inception of the attack, automatically convene at the place where the governor then has his office. Each legislator and each emergency interim successor, unless he is certain that the legislator to whose powers and duties he is designated to succeed or any emergency interim successor higher in order of succession will not be available [unavailable], shall proceed to the place of session as expeditiously as practicable. At such session or at any session in operation at the inception of the attack, and at subsequent sessions, limitations on the length of session and on the subjects which may be acted upon shall be suspended.

[67-422, added 1961 (E.S.), ch. 4, sec. 10, p. 20.]

67-423. ASSUMPTION OF POWERS AND DUTIES OF LEGISLATOR BY EMERGENCY INTERIM SUCCESSOR. If in the event of an attack a legislator is unavailable, his emergency interim successor highest in order of succession who is not unavailable shall, except for the power and duty to appoint emergency successors, exercise the powers and assume the duties of such legislator. An emergency interim successor shall exercise these powers and assume these duties until the incumbent legislator, an emergency interim successor higher in order of succession, or a legislator appointed or elected and legally qualified can act. Each house of the legislature shall, in accordance with its own rules, determine who is entitled under the provisions of this act to exercise the powers and assume the duties of its members. All constitutional and statutory provisions pertaining to ouster of a legislator shall be applicable to an emergency interim successor who is exercising the powers and assuming the duties of a legislator.

[67-423, added 1961 (E.S.), ch. 4, sec. 11, p. 20.]

67-423A. ASSUMPTION OF POWERS AND DUTIES OF LEGISLATOR BY EMERGENCY INTERIM SUCCESSOR. If in the event a legislator dies or resigns the office, the legislator's emergency interim successor highest in order of succession who is not unavailable shall, except for the power and duty to appoint emergency successors, exercise the powers and assume the duties of such legislator. An emergency interim successor shall exercise these powers and assume these duties until an emergency interim successor higher in order of succession, or a replacement legislator appointed pursuant to section 59-904A, Idaho Code, and legally qualified can act. Each house of the legislature shall, in accordance with its own rules, determine who is entitled under the provisions of this chapter to exercise the powers and assume the duties of its members. All constitutional and statutory provisions pertaining to ouster of a legislator shall be applicable to an emergency interim successor who is exercising the powers and assuming the duties of a legislator.

67-424. PRIVILEGES, IMMUNITIES AND COMPENSATION OF EMERGENCY INTERIM SUCCESSORS. When an emergency interim successor exercises the powers and assumes the duties of a legislator, he shall be accorded the privileges and immunities, compensation, allowances and other perquisites of office to which a legislator is entitled. In the event of an attack, each emergency interim successor, whether or not called upon to exercise the powers and assume the duties of a legislator, shall be accorded the privileges and immunities of a legislator while traveling to and from a place of session and shall be compensated for his travel in the same manner and amount as a legislator. This section shall not in any way affect the privileges, immunities, compensation, allowances or other perquisites of the office of an incumbent legislator.

[67-424, added 1961 (E.S.), ch. 4, sec. 12, p. 20.]

67-425. QUORUM AND VOTE REQUIREMENTS. In the event of an attack, (1) quorum requirements for the legislature shall be suspended, and (2) where the affirmative vote of a specified proportion of members for approval of a bill, resolution or other action would otherwise be required, the same proportion of those voting thereon shall be sufficient.

[67-425, added 1961 (E.S.), ch. 4, sec. 13, p. 20.]

67-426. TERMINATION OF OPERATION OF PROVISIONS OF THIS ACT. The authority of emergency interim successors to succeed to the powers and duties of legislators, and the operation of the provisions of this act relating to quorum, the number of affirmative votes required for legislative action, and limitations on the length of sessions and the subjects which may be acted upon, shall expire two (2) years following the inception of an attack, but nothing herein shall prevent the resumption before such time of the filling of legislative vacancies and the calling of elections for the legislature in accordance with applicable constitutional and statutory provisions. The governor, acting by proclamation, or the legislature, acting by concurrent resolution, may from time to time extend or restore such authority or the operation of any of such provisions upon a finding that events render the extension or restoration necessary, but no extension or restoration shall be for a period of more than one (1) year.

[67-426, added 1961 (E.S.), ch. 4, sec. 14, p. 20.]

67-427. LEGISLATIVE COUNCIL CREATED -- MEMBERS -- TERMS -- VACANCY. There is hereby created a legislative council which shall consist of the president pro tempore of the senate, the speaker of the house of representatives, the majority and minority floor leaders of each house, two (2) senators to be selected by the members of the majority party in the senate, two (2) senators to be selected by the members of the minority party in the senate, two (2) representatives to be selected by the members of the majority party in the house of representatives and two (2) representatives to be selected by the members of the minority party in the house of representatives. The council shall meet at least two (2) times each year or as may be necessary as provided for in section 67-430, Idaho Code. Members of the council shall hold office for two (2) years concurrent with the first and second regular sessions of the legislature until the organization of the council during the following first regular session. The legislative council
shall appoint members to fill any vacancies that occur during the interim. Provided however, that any member so appointed shall be from the same house and the same political party as the member whose seat was vacated. Such member shall serve until the next regular legislative session. During the next regular legislative session, the members of the same house and the same political party as the member whose seat was vacated shall elect a member to fill the vacancy for the unexpired term of his predecessor.

67-428. OFFICERS OF COUNCIL -- COMMITTEES -- DIRECTOR OF LEGISLATIVE SERVICES. The president pro tempore of the senate and the speaker of the house of representatives shall serve as cochairmen of the council. The council may adopt its own rules of procedure and appoint such committees as may be necessary for the proper and efficient performance of its duties. Committees shall consist of members of the council and other members of the legislature. The council shall appoint a director of legislative services, who shall serve at the pleasure of the council, and the council may employ such other employees and engage the services of such persons and agencies as may be necessary or desirable in the performance of its duties.

67-429. POWERS AND DUTIES. (1) It shall be the duty of the council to collect and compile information, to draft bills and to conduct research upon any subject which the legislature may authorize or direct or upon any subject which it may determine, provided that all activities of the council must be reasonably related to a legislative purpose. The legislature may make specific assignments to the council by a concurrent resolution approved by both houses.

(2) The council may hold public hearings and it may authorize or direct any of its committees to hold public hearings on any matters within the jurisdiction of the council.

(3) For the purpose of conducting any study within the jurisdiction of the council, by resolution adopted by the affirmative vote of two-thirds (2/3) of the entire membership of the council, the chairman of the council may subpoena witnesses, compel their attendance, take evidence and require the production of any books, papers, correspondence or other documents or records which the council deems relevant or material to any matter on which the council or any committee is conducting a study.

(4) It shall be the duty of the council to superintend and administer the legislative space in the capitol building at all times, and to prepare such space when required for the sessions of the legislature, which shall include the provision of furniture and equipment.

(5) The legislative council shall review and make recommendations to the administrator of the division of human resources on all aspects of the state personnel system, including policies, wages and salaries.

(6) The council shall release audit reports prepared by the legislative audits division of the legislative services office as provided in section 67-435, Idaho Code.
67-429A. STATE-TRIBAL GAMING COMPACTS. (1) The governor or his designee may represent the state of Idaho in any gaming negotiations the state is requested to participate in pursuant to 25 U.S.C. section 2701 et seq. The director of legislative services or his designee may attend all negotiations pursuant to this section as an observer and shall brief the membership of the legislative council on the status of the negotiations.

(2) The state may enter into those gaming compacts negotiated with Indian tribes pursuant to this section provided:
   (a) The compact only authorizes an Indian tribe to conduct those forms of gaming authorized by Idaho law;
   (b) The compact does not obligate the state of Idaho to appropriate state funds; and
   (c) The governor serves a copy of the compact on each member of the legislative council at least twenty-one (21) calendar days before the compact is signed.

(3) Any proposed gaming compact not complying with subsection (2) of this section shall be null and void unless ratified by both houses of the legislature by adoption of a concurrent resolution.

(4) No power, privilege or other authority shall be exercised under the provisions of this section where otherwise prohibited by the constitution or laws of the state of Idaho or the United States.

(5) The provisions of this section shall not be construed as a waiver of any defenses or immunities to which the state of Idaho is entitled under either the constitution or the laws of the state of Idaho or the United States.

67-429B. AUTHORIZED TRIBAL VIDEO GAMING MACHINES. (1) Indian tribes are authorized to conduct gaming using tribal video gaming machines pursuant to state-tribal gaming compacts which specifically permit their use. A tribal video gaming machine may be used to conduct gaming only by an Indian tribe, is not activated by a handle or lever, does not dispense coins, currency, tokens, or chips, and performs only the following functions:
   (a) Accepts currency or other representative of value to qualify a player to participate in one or more games;
   (b) Dispenses, at the player's request, a cash out ticket that has printed upon it the game identifier and the player's credit balance;
   (c) Shows on a video screen or other electronic display, rather than on a paper ticket, the results of each game played;
   (d) Shows on a video screen or other electronic display, in an area separate from the game results, the player's credit balance;
   (e) Selects randomly, by computer, numbers or symbols to determine game results; and
(f) Maintains the integrity of the operations of the terminal.
(2) Notwithstanding any other provision of Idaho law, a tribal video gaming machine as described in subsection (1) above is not a slot machine or an electronic or electromechanical imitation or simulation of any form of casino gambling.

67-429C. AMENDMENT OF STATE-TRIBAL GAMING COMPACTS. (1) Any tribe with an existing state-tribal gaming compact may amend its compact through the procedure set forth in subsection (2) below to incorporate all of the following terms:
(a) As clarified by this compact amendment, the tribe is permitted to conduct gaming using tribal video gaming machines as described in Section 67-429B, Idaho Code.
(b) In the 10 years following incorporation of this term into its compact, the number of tribal video gaming machines the tribe may possess is limited to the number of tribal video gaming machines possessed by the tribe as of January 1, 2002, plus 25% of that number; provided, however, that no increase in any single year shall exceed 5% of the number possessed as of January 1, 2002. Thereafter, the tribe may operate such additional tribal video gaming machines as are agreed to pursuant to good faith negotiations between the state and the tribe under a prudent business standard.
(c) To the extent such contributions are not already required under the tribe's existing compact, the tribe agrees to contribute 5% of its annual net gaming income for the support of local educational programs and schools on or near the reservation. The tribe may elect to contribute additional sums for these or other educational purposes. Disbursements of these funds shall be at the sole direction of the tribe.
(d) The tribe agrees not to conduct gaming outside of Indian lands.
(2) To amend its compact to incorporate the terms set forth in subsection (1) above, a tribe shall deliver to the Secretary of State a tribal resolution signifying the tribe's acceptance of the terms. Immediately upon delivery of such tribal resolution to the Secretary of State, (a) the tribe's state-tribal gaming compact shall be deemed amended to incorporate the terms; (b) the tribe's compact as so amended shall be deemed approved by the state in accordance with Section 67-429A, Idaho Code, without the need for further signature or action by the executive or legislative branches of state government, and (c) except to the extent federal government approval is required, the newly incorporated compact terms shall be deemed effective immediately.
(3) Nothing in this section shall be construed to (a) indicate that any gaming activity currently conducted by any tribe is unauthorized or otherwise inappropriate under Idaho law or the tribe's existing compact, or (b) prohibit a tribe from negotiating with the state for an initial compact or a compact amendment regarding tribal video gaming machines or any other matter through a procedure other than the procedure specified in subsection (2) above or which contains terms different than those specified in subsection (1) above.

[67-429C, Init Measure 2003, No. 1, sec. 4, p. 1067.]
67-429D. AUDIT OF LEGISLATIVE DEPARTMENT. Beginning with the two (2) year period of fiscal years 2013 and 2014 and for each succeeding biennium, the council shall engage the services of a certified public accountant to audit the fiscal affairs of the legislative department. Expenditures for such audit shall be paid out of the legislative account.

67-430. MEETINGS -- QUORUM -- NOTICE -- REPORT TO LEGISLATURE. The council shall meet as often as may be necessary for the proper performance of its duties; provided, however, that it shall meet at least two (2) times each year. Such meetings may be held at various places within the state of Idaho. Eight (8) members shall constitute a quorum and a majority thereof shall have authority to act on any matters within the jurisdiction of the council. All members of the legislature shall be notified in advance of the time, place and general purpose of all meetings and any member of the legislature shall have the right to attend any of the meetings of the council and to present his views on any subject which may be under consideration. The council shall keep minutes of its meetings and make periodic reports to members of the legislature. The council shall assist in making any necessary preparations for all regular and special sessions of the legislature. The services and facilities of the council shall be available to all members of the legislature at all times.

67-431. COMPENSATION AND EXPENSES.
