prepared by the state controller in accordance with generally accepted
government auditing standards.
(b) Perform an annual audit of federal financial assistance provided
to the state that meets the requirements established by the federal gov-
ernment.
(c) Perform a management review of each executive department of state
government at least once in a three (3) year period. Management reviews
shall cover the period since the last review and may include evaluation
of internal controls over financial and program activities and other
matters related to the department's operations.
(d) Provide audit services to any unit of state government or public
institution that requests services, if authorized by the legislative
council.
(e) Report to the attorney general all facts which may indicate malfeas-
sance, illegal expenditure of public funds or misappropriation of pub-
lic funds or public property for such investigation or action, civil or
criminal, as the attorney general may deem necessary. The governor and
state controller shall also be notified when the report is made to the
attorney general pursuant to this subsection. The legislature shall be
informed through the regular audit process pursuant to section 67-429,
Idaho Code.
(f) Be the official repository of all audit reports of the state and po-
litical subdivisions that are required to be audited pursuant to sec-
(g) Report to the legislature annually no later than February 1 of each
year on all land exchanged by the state board of land commissioners pur-
suant to section 58-138, Idaho Code, during the preceding year, and all
appraisals and review appraisals conducted on such state endowment land
exchanges pursuant to the provisions of section 58-138, Idaho Code.
(2) The legislative council reserves the right to audit or examine any
and every fund in the state treasury and any institution, association, board
or other defined entity created by, or that receives an appropriation from, the legislature.

67-703. BUDGET AND POLICY ANALYSIS -- FUNCTION OF LEGISLATIVE SERVICES OFFICE. The legislative services office at the direction of the legislative council has authority to:
   (1) Provide the legislature with research and analysis of current and projected state revenue, state expenditure and state tax expenditures;
   (2) Provide the legislature with a report analyzing the governor's proposed levels of revenue and expenditures for budgets and supplemental budget requests submitted to the legislature;
   (3) Provide an analysis of the impact of the governor's proposed revenue and expenditure plans for the next fiscal year;
   (4) Review and evaluate requests for appropriations, including proposed plans and policies related to such requests, and make recommendations to the joint finance-appropriations committee and the legislature in relation thereto;
   (5) Prepare draft legislation, statements of purpose and fiscal notes that individually or collectively represent motions affirmatively voted upon by the senate finance and house of representatives appropriations committees to provide each state agency with an annual budget;
   (6) Have access, with or without prior notice, during regular operating hours to any records or other documents maintained by any state agency relating to their expenditures, revenues, operations and structure;
   (7) Conduct research on matters of economic and fiscal policy and report to the legislature on the result of the research;
   (8) Provide economic reports and studies on the state of the state's economy, including trends and forecasts for consideration by the legislature;
   (9) Conduct budget and tax studies and provide general fiscal and budgetary information;
   (10) Review and make recommendations on the operation of state programs in order to appraise the implementation of state laws regarding the expenditure of funds and to recommend means of improving their efficiency;
   (11) Recommend to the legislature changes in the mix of revenue sources for programs, in the percentage of state expenditures devoted to major programs, and in the role of the legislature in overseeing state government expenditures and revenue projections;
   (12) Make a continuing study and investigation of the building needs of the government of the state of Idaho, including, but not limited to, the following: the current and future requirements of new buildings, the maintenance of existing buildings, rehabilitating and remodeling of old buildings, the planning of administrative offices, and exploring the methods of financing buildings and related costs;
   (13) Conduct studies of state and local finances, analyzing and making recommendations to the legislature on issues including levels of state support for political subdivisions, basic levels of local need, balances of local revenues and options, relationship of local taxes to individuals' abilities to pay and financial reporting by political subdivisions; and
(14) Develop and make available to the legislature and its standing or special legislative committees such fiscal information as will assist the legislature or any legislative committee in its deliberations.
