CHAPTER 12  
PORT DISTRICTS -- ELECTION OF PORT COMMISSIONERS

70-1201. COMMISSIONERS -- COMMISSIONER DISTRICTS. The powers of the port district shall be exercised through a port commission consisting of three (3) members, one (1) from each of the three (3) county commissioner districts of the county in which the port district is located, when the boundaries of the port district are co-extensive with the boundaries of such county. When the port district comprises only a portion of a county, three (3) commissioner districts, numbered consecutively, having approximately equal population and with boundaries following county precinct lines, shall be described in the petition for the formation of the port district, and one (1) commissioner shall be elected from each of said commissioner districts. Any port district may, after formation, be redistricted in the original county of formation as in this act provided.

[70-1201, added 1969, ch. 55, sec. 14, p. 144.]

70-1202. COMMISSIONERS -- QUALIFICATIONS. No person shall be eligible to hold the office of port commissioner unless he is a qualified elector of the state of Idaho and a resident of the district from which he is seeking office.

[70-1202, added 1969, ch. 55, sec. 15, p. 144.]

70-1203. COMMISSIONERS -- FIRST ELECTION. At the same election at which the proposition is submitted to the voters as to whether a port district shall be formed, three (3) commissioners shall be elected to hold office, respectively for the terms of two (2), four (4) and six (6) years. All candidates at the formation election shall be voted upon by the entire port district, and the candidate residing in commissioner district number one (1) receiving the highest number of votes shall hold office for the term of six (6) years; and the candidate residing in commissioner district number two (2) receiving the highest number of votes shall hold office for the term of four (4) years; and the candidate residing in commissioner district number three (3) receiving the highest number of votes shall hold office for the term of two (2) years. In all subsequent elections in the county of original formation, the port commissioners shall likewise be elected at large within that area of such county embracing the port district.

[70-1203, added 1969, ch. 55, sec. 16, p. 144.]

70-1204. COMMISSIONERS -- COMMENCEMENT OF TERM. The terms of all commissioners elected under any section of this chapter shall date from the first day in January following the general election at which they were elected, if elected at a general election, or if elected at other than a general election on the date specified in the certificate of election.

[70-1204, added 1969, ch. 55, sec. 17, p. 144; am. 1995, ch. 118, sec. 102, p. 510.]

No additional commissioner shall be elected to represent any annexed area of the county in which the port district was formed, but the port district within such county shall, after each such annexation, be redistricted as in this act provided.

[70-1205, added 1969, ch. 55, sec. 18, p. 144.]

70-1206. COMMISSIONERS FOR ANNEXED AREA OF ADJACENT COUNTY. At the same election at which a proposition for annexation of land to an existing district is submitted to vote, if the area to be annexed includes land in a county or counties other than the county in which the original port district exists, one (1) commissioner shall be elected by the voters in such area within the adjacent county or counties to represent such area in case such annexation shall be accomplished as a result of such election. Such commissioner shall hold office for a term of six (6) years and until his successor is elected and qualified. Such commissioner and his successor shall be elected by vote only of the residents of that portion of such county or counties lying within such port district. Such commissioner shall have the same qualifications as herein provided for other commissioners of the district, and shall be a resident of such area. If the annexation shall be accomplished, the port commission shall thereafter consist of the three (3) commissioners of the original port district and the commissioner for such adjacent county or counties. In like manner, in the event of any subsequent annexations, a commissioner having the qualifications herein set forth shall be elected to serve for a six (6) year term as commissioner for such adjacent county or counties, and the port commission shall be expanded to include the commissioner from each such annexed area; provided, that a port commission shall never exceed five (5) commissioners and no commissioner shall be elected to represent any area annexed to any port commission already having, or being authorized by law to have, five (5) commissioners.
