DOCKET NO. 16-0301-1701

NOTICE OF RULEMAKING – ADOPTION OF PENDING AND TEMPORARY RULE

EFFECTIVE DATE: The effective date of the temporary rule is January 1, 2018. The pending rule has been adopted by the agency and is now pending review by the 2018 Idaho State Legislature for final approval. The pending rule becomes final and effective at the conclusion of the legislative session, unless the rule is approved or rejected in part by concurrent resolution in accordance with Sections 67-5224 and 67-5291, Idaho Code. If the pending rule is approved or rejected in part by concurrent resolution, the rule becomes final and effective upon adoption of the concurrent resolution or upon the date specified in the concurrent resolution.

AUTHORITY: In compliance with Section 67-5224, Idaho Code, notice is hereby given that this agency has adopted a pending rule and is also adopting a temporary rule. The action is authorized pursuant to Sections 56-202, 56-203, 56-209, 56-236 through 56-240, 56-242, 56-250 through 56-257, 56-260 through 56-266, Idaho Code; and House Bill 43 (2017).

DESCRIPTIVE SUMMARY: The following is the required finding and concise statement of its supporting reasons for adopting a temporary rule and a concise explanatory statement of the reasons for adopting the pending rule and a statement of any change between the text of the proposed rule and the text of the pending rule:

As part of the Jeff D settlement agreement and the adoption of HB 43 (2017) that is directly related to it, the Department has created the Youth Empowerment Services (YES) Medicaid program that will provide medical assistance and respite care services to youth diagnosed with Serious Emotional Disturbance (SED). The Division of Welfare will be determining the non-financial and financial eligibility components of the program. This rule change adds guidance around the eligibility criteria that a participant must meet to be eligible for services under the YES program. This is a companion rule to Docket Nos. 16-0310-1706, 16-0318-1701, and 16-0737-1701 publishing in this Bulletin.

Corrections were made to the citations to IDAPA 16.03.10, “Medicaid Enhanced Plan Benefits,” to reflect the amendments to the pending rule made to Docket No. 16-0310-1706.

In accordance with Section 67-5226, Idaho Code, the full text of the temporary rule is being published in this Bulletin following this notice and includes changes made to the pending rule. The text of the pending rule has been modified in accordance with Section 67-5227, Idaho Code. The complete text of the proposed rule was published in the October 4, 2017, Idaho Administrative Bulletin, [Vol. 17-10, pages 231 and 232](#).

TEMPORARY RULE JUSTIFICATION: Pursuant to Section 67-5226(1)(c), Idaho Code, the Governor has found that temporary adoption of the rule confers a benefit in the form of new services. These new services are being called Youth Empowerment Services (YES), and several other chapters of rules are implementing changes with the same effective date of January 1, 2018, to meet the intent of the law and the court-ordered settlement agreement.

FISCAL IMPACT: The following is a specific description, if applicable, of any negative fiscal impact on the state general fund greater than ten thousand dollars (\$10,000) during the fiscal year as a result of this rulemaking:

There is no anticipated fiscal impact for this rulemaking to the State General Fund, or any other funds as eligibility will be determined for this program in conjunction with already existing Medicaid programs through the automated eligibility system.

NOTICE OF RULEMAKING – ADOPTION OF PENDING AND TEMPORARY RULE

EFFECTIVE DATE: The effective date of the temporary rule is January 1, 2018. The pending rule has been adopted by the agency and is now pending review by the 2018 Idaho State Legislature for final approval. The pending rule becomes final and effective at the conclusion of the legislative session, unless the rule is approved or rejected in part by concurrent resolution in accordance with Sections 67-5224 and 67-5291, Idaho Code. If the pending rule is approved or rejected in part by concurrent resolution, the rule becomes final and effective upon adoption of the concurrent resolution or upon the date specified in the concurrent resolution.

AUTHORITY: In compliance with Section 67-5224, Idaho Code, notice is hereby given that this agency has adopted a pending rule and is also adopting a temporary rule. The action is authorized pursuant to Sections 56-202(b), 56-264, and 56-1610, Idaho Code; House Bill 43 (2017); and Section 1915(i) of the Social Security Act (42 U.S.C. 1396n).

DESCRIPTIVE SUMMARY: The following is the required finding and concise statement of its supporting reasons for adopting a temporary rule and a concise explanatory statement of the reasons for adopting the pending rule and a statement of any change between the text of the proposed rule and the text of the pending rule:

As part of the Jeff D settlement agreement and the adoption of HB 43 (2017) which is directly related to it, the Department has created the Youth Empowerment Services (YES) program for children with Serious Emotional Disturbance (SED). The YES program will provide medical and behavioral health assistance to this target population, including respite care. These rule changes are needed so that the Department can provide these services to YES Program participants in accordance with the Jeff D settlement agreement.

This rulemaking adds new sections of rules to administer services and supports to be delivered under 1915(i) authority as a Medicaid state plan option. This will include the service of respite care. (Section 1915(i) of the Social Security Act gives states the option to offer home and community-based services (HCBS), previously available only through a 1915(c) Home and Community Based Services (HCBS) waiver, through the state's Medicaid state plan.)

In accordance with Section 67-5226, Idaho Code, the full text of the temporary rule is being published in this Bulletin following this notice. The text of the pending rule has been amended in accordance with Section 67-5227, Idaho Code. Changes have been made to both the pending and temporary rule that adds children with SED and the YES program under the Home and Community Based Services program. The complete text of the proposed rule was published in the October 4, 2017, Idaho Administrative Bulletin, [Vol. 17-10, pages 296-298](#).

TEMPORARY RULE JUSTIFICATION: Pursuant to Section 67-5226(1)(c), Idaho Code, the Governor has found that temporary adoption of the rule confers a benefit in the form of new services. These new services are being called Youth Empowerment Services (YES), and several other chapters of rules are implementing changes with the same effective date of January 1, 2018, to meet the intent of the law and the court-ordered settlement agreement.

FISCAL IMPACT: The following is a specific description, if applicable, of any negative fiscal impact on the state general fund greater than ten thousand dollars (\$10,000) during the fiscal year as a result of this rulemaking:

The costs for the Youth Empowerment Services (YES) program were originally estimated in the fiscal note for House Bill 43 (2017) and funding was addressed in House Bill 313 (2017).

A revised version of this fiscal note is presented in the following paragraph.

This rulemaking will have no impact to the State General Fund, but will have a federal fund spending authority impact of \$2,968,400 in the Division of Medicaid for the last 6 months of SFY 2018. The Division of Behavioral Health's Children's Mental Health program reverted \$1,181,600 General Fund for services that do not draw a federal match in SFY 2018 under House Bill 313. The Division of Medicaid will leverage matching federal funds through Federal Medical Assistance Percentage (FMAP) funding. In future years, as additional services are implemented as required by the lawsuit settlement agreement, there is an anticipated annual ongoing cost of \$8,300,000 (\$2,363,200 General Fund/\$5,936,800 federal funds).

In addition to the above fiscal impact, Rule Docket 16-0318-1701 in the 2018 legislative session is bringing forward sliding scale premiums for participants with income levels above 150% of the Federal Poverty Guidelines, as directed under HB 313 in the 2017 legislative session. It is anticipated that revenue generated through premium collections will also contribute to offsetting the fiscal impact of the implementation of these services.
