Rep. Rubel questioned the destination intent for **RS 29825** and whether it would receive a full committee hearing. She said she could not support a motion to introduce actionable legislation that would bypass the committee hearing process.

Rep. Ehardt, bill sponsor, stated that she hoped it would go directly to the 2nd Reading Calendar.

Rep. Monks clarified that the resolution's only actionable item was to send it to another committee and that he was comfortable with where the Speaker of the House chooses to send it. The committee clarified that the motion was only to introduce, not to recommend.

DATE: Wednesday, March 16, 2022

TIME: 1:30 P.M.

PLACE: Room EW40

MEMBERS: Chairman Amador, Representatives Moyle, Monks, Blanksma, Rubel, Necochea, Toone

**ABSENT/
EXCUSED:** None

GUESTS: The sign-in sheet will be retained in the Committee Secretary's office; following the end of the session the sign-in sheet will be filed with the minutes in the Legislative Library.

Chairman Amador called the meeting to order at 1:38 p.m.

RS 29849: **Rep. Chaney** introduced **RS 29849** and noted that this legislation would be given a full hearing in the Judiciary and Rules committee the following day. Rep. Chaney reviewed important sections including changes to the way the members of the Judicial Council are chosen. The judicial members would be selected by the Supreme Court, the non-judicial attorney members would be appointed by the Governor from a list of three from the Idaho State Bar, and there would be no change to the manner of approving public members. It changes the membership from seven members to eleven members to add a magistrate judge as a member of the Council, changes the number of non-judicial attorney members to four with requirements for diversity and parity among practice areas, and increases the number of non-attorney members to four. This legislation also allows the Governor to reject a slate of nominees provided by the Judicial Council to fill a judicial vacancy. Rep. Chaney stated that this was a compromise; the Idaho State Bar would select the candidates and the Governor would weigh-in. The rationale behind this was attributed to having some accountability to the public. The number of attorneys going from two to four in different disciplines is an attempt to bring balance to the council.

Other significant sections include a five year requirement of practicing law and a good faith effort to solicit feedback. It allows applicants to see survey comments which are solicited from Idaho State Bar members and the public, which previously were withheld from applicants, but provides that comments are not public. This legislation assures that those who are selected from a designated practice area are truly of that practice area; the goal is to appoint a neutral judiciary. It also allows for more transparency but in a way that does not fully expose any unsubstantiated comment. Comments and ranking will be confidential but a summary for the three chosen candidates will be available to the public. Applicants can request their feedback ahead of time and be prepared to answer to comments.

MOTION: **Rep. Monks** made a motion to introduce **RS 29849**.

Rep. Rubel questioned the sponsor on what appears to be a major move of power to the Governor, while there is an interim committee in process to do this work. She questioned the sweeping nature and rushed time line of the legislation. **Rep. Chaney** suggested this is only an option. Rep. Rubel expressed concern for the past deadline, and said she would like input from the interim committee before introducing this.

Rep. Blanksma noted a typo in the SOP regarding the number eight be changed to eleven.

**VOTE ON
MOTION:**

Motion carried by voice vote. Reps. Toone, Rubel and Necochea requested to be recorded as voting **NAY**.

RS 29889: **Rep. Dixon** presented **RS 29889** regarding House Rule 45. He stated this was not a rushed effort; it took hours of work from the House Ethics Committee. With suggestion from the Attorney General's office changes were requested on page four, line 33, section F. There was a potential conflict regarding language with the Attorney General's being able to represent a respondent. Rep. Dixon asked to strike the language that reads, "the office of attorney general" add language of "attorney or other representative for advice and consultation." The word "equal" was also taken out of that line.
